(2) any subject related to the medical care or health care services to be provided to the patient, including treatment options that are not provided under a health care plan;
(3) the availability or desirability of a health care plan or insurance or similar coverage, other than the patient's health care plan; or
(4) the fact that the physician's staff privileges or contract with a hospital or health care plan have terminated or that the physician will otherwise no longer be providing medical care or health care services at the hospital or under the health care plan.

(b) A hospital, by contract or otherwise, may not refuse or fail to grant or renew staff privileges, or condition staff privileges, based in whole or in part on the fact that the physician or a partner, associate, or employee of the physician is providing medical or health care services at a different hospital or hospital system.

(c) A hospital may not contract to limit a physician's participation or staff privileges or the participation or staff privileges of a partner, associate, or employee of the physician at a different hospital or hospital system.
(d) This section does not prevent a hospital from entering into contracts with physicians to ensure physician availability and coverage at the hospital or to comply with regulatory requirements or quality of care standards established by the governing body of the hospital.

(e) This section does not prevent the governing body of a hospital from:

(1) limiting the number of physicians granted medical staff membership or privileges at the hospital based on a medical staff development plan that is unrelated to a physician's professional or business relationships or associations including those with another physician or group of physicians or to a physician or a partner, associate, or employee of a physician having medical staff membership or privileges at another hospital or hospital system; or

(2) limiting the ability of hospital medical directors to contract with or hold medical staff memberships or clinical privileges at different hospitals or hospital systems provided that such limitations do not extend to the medical directors' professional or business relationships or associations including those with another physician, group of physicians, or other health care providers, other than hospitals or hospital systems.

(f) A contract provision that violates this section is void.

(g) In this section, "health care plan" has the meaning assigned by Section 843.002, Insurance Code, and "hospital medical directors" means physicians who have been employed by or are under contract with a hospital to manage a clinical department or departments of the hospital.

Sec. 241.102. AUTHORIZATIONS AND RESTRICTIONS IN RELATION TO PHYSICIANS AND PODIATRISTS. (a) This chapter does not authorize a physician or podiatrist to perform medical or podiatric acts that are beyond the scope of the respective license held.

(b) This chapter does not prevent the governing body of a hospital from providing that:

(1) a podiatric patient be coadmitted to the hospital by a
podiatrist and a physician;

(2) a physician be responsible for the care of any medical problem or condition of a podiatric patient that may exist at the time of admission or that may arise during hospitalization and that is beyond the scope of the podiatrist's license; or

(3) a physician determine the risk and effect of a proposed podiatric surgical procedure on the total health status of the patient.

(c) An applicant for medical staff membership may not be denied membership solely on the ground that the applicant is a podiatrist rather than a physician.

(d) This chapter does not automatically entitle a physician or a podiatrist to membership or privileges on a medical staff.

(e) The governing body of a hospital may not require a member of the medical staff to involuntarily:

(1) coadmit patients with a podiatrist;
(2) be responsible for the care of any medical problem or condition of a podiatric patient; or
(3) determine the risk and effect of any proposed podiatric procedure on the total health status of the patient.

Sec. 241.103. PRESERVATION OF RECORDS. (a) A hospital may authorize the disposal of any medical record on or after the 10th anniversary of the date on which the patient who is the subject of the record was last treated in the hospital.

(b) If a patient was younger than 18 years of age when the patient was last treated, the hospital may authorize the disposal of medical records relating to the patient on or after the date of the patient's 20th birthday or on or after the 10th anniversary of the date on which the patient was last treated, whichever date is later.

(c) The hospital may not destroy medical records that relate to any matter that is involved in litigation if the hospital knows the litigation has not been finally resolved.

(d) A hospital shall provide written notice to a patient, or a patient's legally authorized representative as that term is defined by Section 241.151, that the hospital, unless the exception in Subsection (c) applies, may authorize the disposal of medical records
relating to the patient on or after the periods specified in this section. The notice shall be provided to the patient or the patient's legally authorized representative not later than the date on which the patient who is or will be the subject of a medical record is treated, except in an emergency treatment situation. In an emergency treatment situation, the notice shall be provided to the patient or the patient's legally authorized representative as soon as is reasonably practicable following the emergency treatment situation.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 466 (H.B. 118), Sec. 1, eff. September 1, 2011.

Sec. 241.104. HOSPITAL PLAN REVIEWS. (a) The board by rule shall adopt fees for hospital plan reviews according to a schedule based on the estimated construction costs.

(b) The fee schedule may not exceed the following:

<table>
<thead>
<tr>
<th>Cost of Construction</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>$ 100,000 or less</td>
<td>$ 500</td>
</tr>
<tr>
<td>$ 100,001 - $ 600,000</td>
<td>$1,500</td>
</tr>
<tr>
<td>$ 600,001 - $ 2,000,000</td>
<td>$3,000</td>
</tr>
<tr>
<td>$ 2,000,001 - $ 5,000,000</td>
<td>$4,500</td>
</tr>
<tr>
<td>$ 5,000,001 - $10,000,000</td>
<td>$6,000</td>
</tr>
<tr>
<td>$10,000,001 and over</td>
<td>$7,500</td>
</tr>
</tbody>
</table>

(c) The department shall charge a fee for field surveys of construction plans reviewed under this section. The board by rule shall adopt a fee schedule for the surveys that provides a minimum fee of $500 and a maximum fee of $1,000 for each survey conducted.

Sec. 241.105. HOSPITAL PRIVILEGES FOR ADVANCED PRACTICE NURSES AND PHYSICIAN ASSISTANTS. (a) The governing body of a hospital is authorized to establish policies concerning the granting of clinical privileges to advanced practice nurses and physician assistants,
including policies relating to the application process, reasonable qualifications for privileges, and the process for renewal, modification, or revocation of privileges.

(b) If the governing body of a hospital has adopted a policy of granting clinical privileges to advanced practice nurses or physician assistants, an individual advanced practice nurse or physician assistant who qualifies for privileges under that policy shall be entitled to certain procedural rights to provide fairness of process, as determined by the governing body of the hospital, when an application for privileges is submitted to the hospital. At a minimum, any policy adopted shall specify a reasonable period for the processing and consideration of the application and shall provide for written notification to the applicant of any final action on the application by the hospital, including any reason for denial or restriction of the privileges requested.

(c) If an advanced practice nurse or physician assistant has been granted clinical privileges by a hospital, the hospital may not modify or revoke those privileges without providing certain procedural rights to provide fairness of process, as determined by the governing body of the hospital, to the advanced practice nurse or physician assistant. At a minimum, the hospital shall provide the advanced practice nurse or physician assistant written reasons for the modification or revocation of privileges and a mechanism for appeal to the appropriate committee or body within the hospital, as determined by the governing body of the hospital.

(d) If a hospital extends clinical privileges to an advanced practice nurse or physician assistant conditioned on the advanced practice nurse or physician assistant having a sponsoring or collaborating relationship with a physician and that relationship ceases to exist, the advanced practice nurse or physician assistant and the physician shall provide written notification to the hospital that the relationship no longer exists. Once the hospital receives such notice from an advanced practice nurse or physician assistant and the physician, the hospital shall be deemed to have met its obligations under this section by notifying the advanced practice nurse or physician assistant in writing that the advanced practice nurse's or physician assistant's clinical privileges no longer exist at that hospital.

(e) Nothing in this section shall be construed as modifying Subtitle B, Title 3, Occupations Code, Chapter 204 or 301,
Occupations Code, or any other law relating to the scope of practice of physicians, advanced practice nurses, or physician assistants.

(f) This section does not apply to an employer-employee relationship between an advanced practice nurse or physician assistant and a hospital.

SUBCHAPTER F. MEDICAL REHABILITATION SERVICES

Sec. 241.121. DEFINITION. In this subchapter, "comprehensive medical rehabilitation" means the provision of rehabilitation services that are designed to improve or minimize a person's physical or cognitive disabilities, maximize a person's functional ability, or restore a person's lost functional capacity through close coordination of services, communication, interaction, and integration among several professions that share the responsibility to achieve team treatment goals for the person.

Added by Acts 1993, 73rd Leg., ch. 707, Sec. 1, eff. Sept. 1, 1993.

Sec. 241.122. LICENSE REQUIRED. Unless a person has a license issued under this chapter, a person other than an individual may not provide inpatient comprehensive medical rehabilitation to a patient who requires medical services that are provided under the supervision of a physician and that are more intensive than nursing facility care and minor treatment.

Added by Acts 1993, 73rd Leg., ch. 707, Sec. 1, eff. Sept. 1, 1993.

Sec. 241.123. REHABILITATION SERVICES STANDARDS. (a) The board by rule shall adopt standards for the provision of rehabilitation services by a hospital to ensure the health and safety of a patient receiving the services.

(b) The standards adopted by the board at a minimum shall require a hospital that provides comprehensive medical rehabilitation:
(1) to have a director of comprehensive medical rehabilitation who is:
   (A) a licensed physician;
   (B) either board certified or eligible for board certification in a medical specialty related to rehabilitation; and
   (C) qualified by training and experience to serve as medical director;
(2) to have medical supervision by a licensed physician for 24 hours each day; and
(3) to provide appropriate therapy to each patient by an interdisciplinary team consisting of licensed physicians, rehabilitation nurses, and therapists as are appropriate for the patient's needs.

(c) An interdisciplinary team for comprehensive medical rehabilitation shall be directed by a licensed physician. An interdisciplinary team for comprehensive medical rehabilitation shall have available to it, at the hospital at which the services are provided or by contract, members of the following professions as necessary to meet the treatment needs of the patient:
   (1) physical therapy;
   (2) occupational therapy;
   (3) speech-language pathology;
   (4) therapeutic recreation;
   (5) social services and case management;
   (6) dietetics;
   (7) psychology;
   (8) respiratory therapy;
   (9) rehabilitative nursing;
   (10) certified orthotics; and
   (11) certified prosthetics.

(d) A hospital shall prepare for each patient receiving inpatient rehabilitation services a written treatment plan designed for that patient's needs for treatment and care. The board by rule shall specify a time after admission of a patient for inpatient rehabilitation services by which a hospital must evaluate the patient for the patient's initial treatment plan and by which a hospital must provide copies of the plan after evaluation.

(e) A hospital shall prepare for each patient receiving inpatient rehabilitation services a written continuing care plan that addresses the patient's needs for care after discharge, including
recommendations for treatment and care and information about the availability of resources for treatment or care. The board by rule shall specify the time before discharge by which the hospital must provide a copy of the continuing care plan. The board's rules may allow a facility to provide the continuing care plan by a specified time after discharge if providing the plan before discharge is impracticable.

(f) A hospital shall provide a copy of a treatment or continuing care plan prepared under this section to the following persons in the person's primary language, if practicable:

(1) the patient;
(2) a person designated by the patient; and
(3) as specified by board rule, family members or other persons with responsibility for or demonstrated participation in the patient's care or treatment.

(g) Rules adopted by the board under this subchapter may not conflict with a federal rule, regulation, or standard.

Added by Acts 1993, 73rd Leg., ch. 707, Sec. 1, eff. Sept. 1, 1993.

SUBCHAPTER G. DISCLOSURE OF HEALTH CARE INFORMATION

Sec. 241.151. DEFINITIONS. In this subchapter:

(1) "Directory information" means information disclosing the presence of a person who is receiving inpatient, outpatient, or emergency services from a licensed hospital, the nature of the person's injury, the person's municipality of residence, sex, and age, and the general health status of the person as described in terms of "critical," "poor," "fair," "good," "excellent," or similar terms.

(2) "Health care information" means information, including payment information, recorded in any form or medium that identifies a patient and relates to the history, diagnosis, treatment, or prognosis of a patient.

(3) "Health care provider" means a person who is licensed, certified, or otherwise authorized by the laws of this state to provide health care in the ordinary course of business or practice of a profession.

(4) "Institutional review board" means a board, committee, or other group formally designated by an institution or authorized
under federal or state law to review or approve the initiation of or conduct periodic review of research programs to ensure the protection of the rights and welfare of human research subjects.

(5) "Legally authorized representative" means:
(A) a parent or legal guardian if the patient is a minor;
(B) a legal guardian if the patient has been adjudicated incapacitated to manage the patient's personal affairs;
(C) an agent of the patient authorized under a durable power of attorney for health care;
(D) an attorney ad litem appointed for the patient;
(E) a person authorized to consent to medical treatment on behalf of the patient under Chapter 313;
(F) a guardian ad litem appointed for the patient;
(G) a personal representative or heir of the patient, as defined by Section 3, Texas Probate Code, if the patient is deceased;
(H) an attorney retained by the patient or by the patient's legally authorized representative; or
(I) a person exercising a power granted to the person in the person's capacity as an attorney-in-fact or agent of the patient by a statutory durable power of attorney that is signed by the patient as principal.

Acts 2005, 79th Leg., Ch. 1138 (H.B. 2765), Sec. 1, eff. September 1, 2005.
Acts 2009, 81st Leg., R.S., Ch. 1003 (H.B. 4029), Sec. 1, eff. September 1, 2009.

Sec. 241.152. WRITTEN AUTHORIZATION FOR DISCLOSURE OF HEALTH CARE INFORMATION. (a) Except as authorized by Section 241.153, a hospital or an agent or employee of a hospital may not disclose health care information about a patient to any person other than the patient or the patient's legally authorized representative without the written authorization of the patient or the patient's legally authorized representative.
(b) A disclosure authorization to a hospital is valid only if it:

(1) is in writing;
(2) is dated and signed by the patient or the patient's legally authorized representative;
(3) identifies the information to be disclosed;
(4) identifies the person or entity to whom the information is to be disclosed; and
(5) is not contained in the same document that contains the consent to medical treatment obtained from the patient.

(c) A disclosure authorization is valid until the 180th day after the date it is signed unless it provides otherwise or unless it is revoked.

(d) Except as provided by Subsection (e), a patient or the patient's legally authorized representative may revoke a disclosure authorization to a hospital at any time. A revocation is valid only if it is in writing, dated with a date that is later than the date on the original authorization, and signed by the patient or the patient's legally authorized representative.

(e) A patient or the patient's legally authorized representative may not revoke a disclosure that is required for purposes of making payment to the hospital for health care provided to the patient.

(f) A patient may not maintain an action against a hospital for a disclosure made by the hospital in good-faith reliance on an authorization if the hospital's medical record department did not have notice that the authorization was revoked.

(g) Repealed by Acts 1997, 75th Leg., ch. 498, Sec. 5, eff. Sept. 1, 1997.

Sec. 241.153. DISCLOSURE WITHOUT WRITTEN AUTHORIZATION. A patient's health care information may be disclosed without the patient's authorization if the disclosure is:

(1) directory information, unless the patient has instructed the hospital not to make the disclosure or the directory
information is otherwise protected by state or federal law;

(2) to a health care provider who is rendering health care to the patient when the request for the disclosure is made;

(3) to a transporting emergency medical services provider for the purpose of:

(A) treatment or payment, as those terms are defined by the regulations adopted under the Health Insurance Portability and Accountability Act of 1996 (Pub. L. No. 104-191); or

(B) the following health care operations described by the regulations adopted under the Health Insurance Portability and Accountability Act of 1996 (Pub. L. No. 104-191):

(i) quality assessment and improvement activities;
(ii) specified insurance functions;
(iii) conducting or arranging for medical reviews;

or

(iv) competency assurance activities;

(4) to a member of the clergy specifically designated by the patient;

(5) to a procurement organization as defined in Section 692A.002 for the purpose of making inquiries relating to donations according to the protocol referred to in Section 692A.015;

(6) to a prospective health care provider for the purpose of securing the services of that health care provider as part of the patient's continuum of care, as determined by the patient's attending physician;

(7) to a person authorized to consent to medical treatment under Chapter 313 or to a person in a circumstance exempted from Chapter 313 to facilitate the adequate provision of treatment;

(8) to an employee or agent of the hospital who requires health care information for health care education, quality assurance, or peer review or for assisting the hospital in the delivery of health care or in complying with statutory, licensing, accreditation, or certification requirements and if the hospital takes appropriate action to ensure that the employee or agent:

(A) will not use or disclose the health care information for any other purpose; and

(B) will take appropriate steps to protect the health care information;

(9) to a federal, state, or local government agency or authority to the extent authorized or required by law;
(10) to a hospital that is the successor in interest to the hospital maintaining the health care information;

(11) to the American Red Cross for the specific purpose of fulfilling the duties specified under its charter granted as an instrumentality of the United States government;

(12) to a regional poison control center, as the term is used in Chapter 777, to the extent necessary to enable the center to provide information and education to health professionals involved in the management of poison and overdose victims, including information regarding appropriate therapeutic use of medications, their compatibility and stability, and adverse drug reactions and interactions;

(13) to a health care utilization review agent who requires the health care information for utilization review of health care under Chapter 4201, Insurance Code;

(14) for use in a research project authorized by an institutional review board under federal law;

(15) to health care personnel of a penal or other custodial institution in which the patient is detained if the disclosure is for the sole purpose of providing health care to the patient;

(16) to facilitate reimbursement to a hospital, other health care provider, or the patient for medical services or supplies;

(17) to a health maintenance organization for purposes of maintaining a statistical reporting system as required by a rule adopted by a state agency or regulations adopted under the federal Health Maintenance Organization Act of 1973, as amended (42 U.S.C. Section 300e et seq.);

(18) to satisfy a request for medical records of a deceased or incompetent person pursuant to Section 74.051(e), Civil Practice and Remedies Code;

(19) to comply with a court order except as provided by Subdivision (20); or

(20) related to a judicial proceeding in which the patient is a party and the disclosure is requested under a subpoena issued under:

(A) the Texas Rules of Civil Procedure or Code of Criminal Procedure; or

(B) Chapter 121, Civil Practice and Remedies Code.
Sec. 241.1531. EXCHANGE OF INMATE'S HEALTH CARE INFORMATION. Notwithstanding any other law of this state, the health care information of a patient who is a defendant or inmate confined in a facility operated by or under contract with the Texas Department of Criminal Justice may be exchanged between health care personnel of the department and health care personnel of The University of Texas Medical Branch at Galveston or the Texas Tech University Health Sciences Center. The authorization of the defendant or inmate is not required for the exchange of information.

Added by Acts 2005, 79th Leg., Ch. 1270 (H.B. 2195), Sec. 1, eff. June 18, 2005.

Sec. 241.154. REQUEST. (a) On receipt of a written authorization from a patient or legally authorized representative to examine or copy all or part of the patient's recorded health care information, except payment information, or for disclosures under Section 241.153 not requiring written authorization, a hospital or its agent, as promptly as required under the circumstances but not later than the 15th day after the date the request and payment authorized under Subsection (b) are received, shall:

(1) make the information available for examination during regular business hours and provide a copy to the requestor, if requested; or

(2) inform the authorized requestor if the information does not exist or cannot be found.

(b) Except as provided by Subsection (d), the hospital or its
agent may charge a reasonable fee for providing the health care information except payment information and is not required to permit the examination, copying, or release of the information requested until the fee is paid unless there is a medical emergency. The fee may not exceed the sum of:

(1) a basic retrieval or processing fee, which must include the fee for providing the first 10 pages of the copies and which may not exceed $30; and

(A) a charge for each page of:
   (i) $1 for the 11th through the 60th page of the provided copies;
   (ii) 50 cents for the 61st through the 400th page of the provided copies; and
   (iii) 25 cents for any remaining pages of the provided copies; and

(B) the actual cost of mailing, shipping, or otherwise delivering the provided copies;

(2) if the requested records are stored on microform, a retrieval or processing fee, which must include the fee for providing the first 10 pages of the copies and which may not exceed $45; and

(A) $1 per page thereafter; and

(B) the actual cost of mailing, shipping, or otherwise delivering the provided copies; or

(3) if the requested records are provided on a digital or other electronic medium and the requesting party requests delivery in a digital or electronic medium, including electronic mail:

(A) a retrieval or processing fee, which may not exceed $75; and

(B) the actual cost of mailing, shipping, or otherwise delivering the provided copies.

(c) In addition, the hospital or its agent may charge a reasonable fee for:

(1) execution of an affidavit or certification of a document, not to exceed the charge authorized by Section 22.004, Civil Practice and Remedies Code; and

(2) written responses to a written set of questions, not to exceed $10 for a set.

(d) A hospital may not charge a fee for:

(1) providing health care information under Subsection (b) to the extent the fee is prohibited under Subchapter M, Chapter 161;
(2) a patient to examine the patient's own health care information;
(3) providing an itemized statement of billed services to a patient or third-party payor, except as provided under Section 311.002(f); or
(4) health care information relating to treatment or hospitalization for which workers' compensation benefits are being sought, except to the extent permitted under Chapter 408, Labor Code.
(e) Effective September 1, 1996, and annually thereafter, the fee for providing health care information as specified in this section shall be adjusted accordingly based on the most recent changes to the consumer price index as published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average changes in prices of goods and services purchased by urban wage earners and clerical workers' families and single workers living alone.
(f) A request from a patient or legally authorized representative for payment information is subject to Section 311.002.

Sec. 241.155. SAFEGUARDS FOR SECURITY OF HEALTH CARE INFORMATION. A hospital shall adopt and implement reasonable safeguards for the security of all health care information it maintains.

Added by Acts 1995, 74th Leg., ch. 856, Sec. 1, eff. Sept. 1, 1995.

Sec. 241.156. PATIENT REMEDIES. (a) A patient aggrieved by a violation of this subchapter relating to the unauthorized release of confidential health care information may bring an action for:
(1) appropriate injunctive relief; and
(2) damages resulting from the release.
(b) An action under Subsection (a) shall be brought in:
(1) the district court of the county in which the patient resides or in the case of a deceased patient the district court of the county in which the patient's legally authorized representative resides; or

(2) if the patient or the patient's legally authorized representative in the case of a deceased patient is not a resident of this state, the district court of Travis County.

(c) A petition for injunctive relief under Subsection (a)(1) takes precedence over all civil matters on the court docket except those matters to which equal precedence on the docket is granted by law.

Added by Acts 1995, 74th Leg., ch. 856, Sec. 1, eff. Sept. 1, 1995.

Subchapter H, consisting of Secs. 241.181 to 241.187, was added by Acts 2013, 83rd Leg., R.S., Ch. 217 (H.B. 15), Sec. 1.

For another Subchapter H, consisting of Secs. 241.181 to 241.184, added by Acts 2013, 83rd Leg., R.S., Ch. 917 (H.B. 1376), Sec. 1, see Sec. 241.181 et seq., post.

SUBCHAPTER H. HOSPITAL LEVEL OF CARE DESIGNATIONS FOR NEONATAL AND MATERNAL CARE

Sec. 241.181. DEFINITIONS. In this subchapter:

(1) "Department" means the Department of State Health Services.

(2) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

Added by Acts 2013, 83rd Leg., R.S., Ch. 217 (H.B. 15), Sec. 1, eff. September 1, 2013.

Sec. 241.182. LEVEL OF CARE DESIGNATIONS. (a) The executive commissioner, in accordance with the rules adopted under Section 241.183, shall assign level of care designations to each hospital based on the neonatal and maternal services provided at the hospital.

(b) A hospital may receive different level designations for neonatal and maternal care, respectively.

Added by Acts 2013, 83rd Leg., R.S., Ch. 217 (H.B. 15), Sec. 1, eff.
Sec. 241.183. RULES. (a) The executive commissioner, in consultation with the department, shall adopt rules:

(1) establishing the levels of care for neonatal and maternal care to be assigned to hospitals;

(2) prescribing criteria for designating levels of neonatal and maternal care, respectively, including specifying the minimum requirements to qualify for each level designation;

(3) establishing a process for the assignment of levels of care to a hospital for neonatal and maternal care, respectively;

(4) establishing a process for amending the level of care designation requirements, including a process for assisting facilities in implementing any changes made necessary by the amendments;

(5) dividing the state into neonatal and maternal care regions;

(6) facilitating transfer agreements through regional coordination;

(7) requiring payment, other than quality or outcome-based funding, to be based on services provided by the facility, regardless of the facility's level of care designation; and

(8) prohibiting the denial of a neonatal or maternal level of care designation to a hospital that meets the minimum requirements for that level of care designation.

(b) The criteria for levels one through three of neonatal and maternal care adopted under Subsection (a)(2) may not include requirements related to the number of patients treated at a hospital.

(c) The Health and Human Services Commission shall study patient transfers that are not medically necessary but would be cost-effective. Based on the study under this subsection, if the executive commissioner determines that the transfers are feasible and desirable, the executive commissioner may adopt rules addressing those transfers.

(d) Each level of care designation must require a hospital to regularly submit outcome and other data to the department as required or requested.

(e) The criteria a hospital must achieve to receive each level of care designation must be posted on the department's Internet

Sec. 241.183. RULES. (a) The executive commissioner, in consultation with the department, shall adopt rules:

(1) establishing the levels of care for neonatal and maternal care to be assigned to hospitals;

(2) prescribing criteria for designating levels of neonatal and maternal care, respectively, including specifying the minimum requirements to qualify for each level designation;

(3) establishing a process for the assignment of levels of care to a hospital for neonatal and maternal care, respectively;

(4) establishing a process for amending the level of care designation requirements, including a process for assisting facilities in implementing any changes made necessary by the amendments;

(5) dividing the state into neonatal and maternal care regions;

(6) facilitating transfer agreements through regional coordination;

(7) requiring payment, other than quality or outcome-based funding, to be based on services provided by the facility, regardless of the facility's level of care designation; and

(8) prohibiting the denial of a neonatal or maternal level of care designation to a hospital that meets the minimum requirements for that level of care designation.

(b) The criteria for levels one through three of neonatal and maternal care adopted under Subsection (a)(2) may not include requirements related to the number of patients treated at a hospital.

(c) The Health and Human Services Commission shall study patient transfers that are not medically necessary but would be cost-effective. Based on the study under this subsection, if the executive commissioner determines that the transfers are feasible and desirable, the executive commissioner may adopt rules addressing those transfers.

(d) Each level of care designation must require a hospital to regularly submit outcome and other data to the department as required or requested.

(e) The criteria a hospital must achieve to receive each level of care designation must be posted on the department's Internet
Sec. 241.184. CONFIDENTIALITY; PRIVILEGE. (a) All information and materials submitted by a hospital to the department under Section 241.183(d) are confidential and:

(1) are not subject to disclosure under Chapter 552, Government Code, or discovery, subpoena, or other means of legal compulsion for release to any person; and

(2) may not be admitted as evidence or otherwise disclosed in any civil, criminal, or administrative proceeding.

(b) The confidentiality protections under Subsection (a) apply without regard to whether the information or materials are submitted by a hospital or an entity that has an ownership or management interest in a hospital.

(c) A state employee or officer may not be examined in a civil, criminal, or special proceeding, or any other proceeding, regarding the existence or contents of information or materials submitted to the department under Section 241.183(d).

(d) The submission of information or materials under Section 241.183(d) is not a waiver of a privilege or protection granted under law.

(e) The provisions of this section regarding the confidentiality of information or materials submitted by a hospital in compliance with Section 241.183(d) do not restrict access, to the extent authorized by law, by the patient or the patient's legally authorized representative to records of the patient's medical diagnosis or treatment or to other primary health records.

(f) A department summary or disclosure, including an assignment of a level of care designation, may not contain information identifying a patient, employee, contractor, volunteer, consultant, health care practitioner, student, or trainee.

Added by Acts 2013, 83rd Leg., R.S., Ch. 217 (H.B. 15), Sec. 1, eff. September 1, 2013.
The executive commissioner, in consultation with the department, shall assign the appropriate level of care designation to each hospital that meets the minimum standards for that level of care. The executive commissioner shall evaluate separately the neonatal and maternal services provided at the hospital and assign the respective level of care designations accordingly.

(b) Every three years, the executive commissioner and the department shall review the level of care designations assigned to each hospital and, as necessary, assign a hospital a different level of care designation or remove the hospital's level of care designation.

(c) A hospital may request a change of designation at any time. On request under this subsection, the executive commissioner and the department shall review the hospital's request and, as necessary, change the hospital's level of care designation.

Added by Acts 2013, 83rd Leg., R.S., Ch. 217 (H.B. 15), Sec. 1, eff. September 1, 2013.

Sec. 241.186. HOSPITAL NOT DESIGNATED. A hospital that does not meet the minimum requirements for any level of care designation for neonatal or maternal services:

(1) may not receive a level of care designation for those services; and

(2) is not eligible to receive reimbursement through the Medicaid program for neonatal or maternal services, as applicable, except emergency services required to be provided or reimbursed under state or federal law.

Added by Acts 2013, 83rd Leg., R.S., Ch. 217 (H.B. 15), Sec. 1, eff. September 1, 2013.

Sec. 241.187. PERINATAL ADVISORY COUNCIL. (a) In this section, "advisory council" means the Perinatal Advisory Council established under this section.

(b) The advisory council consists of 17 members appointed by the executive commissioner as follows:

(1) four physicians licensed to practice medicine under Subtitle B, Title 3, Occupations Code, specializing in neonatology:
(A) at least two of whom practice in a Level III or IV neonatal intensive care unit; and
(B) at least one of whom practices in a neonatal intensive care unit of a hospital located in a rural area;
(2) one physician licensed to practice medicine under Subtitle B, Title 3, Occupations Code, specializing in general pediatrics;
(3) two physicians licensed to practice medicine under Subtitle B, Title 3, Occupations Code, specializing in obstetrics-gynecology;
(4) two physicians licensed to practice medicine under Subtitle B, Title 3, Occupations Code, specializing in maternal fetal medicine;
(5) one physician licensed to practice medicine under Subtitle B, Title 3, Occupations Code, specializing in family practice who provides obstetrical care in a rural community;
(6) one registered nurse licensed under Subtitle E, Title 3, Occupations Code, with expertise in maternal health care delivery;
(7) one registered nurse licensed under Subtitle E, Title 3, Occupations Code, with expertise in perinatal health care delivery;
(8) one representative from a children's hospital;
(9) one representative from a hospital with a Level II neonatal intensive care unit;
(10) one representative from a rural hospital;
(11) one representative from a general hospital; and
(12) one ex officio representative from the office of the medical director of the Health and Human Services Commission.
(c) To the extent possible, the executive commissioner shall appoint members to the advisory council who previously served on the Neonatal Intensive Care Unit Council established under Chapter 818 (H.B. 2636), Acts of the 82nd Legislature, Regular Session, 2011.
(d) Members of the advisory council described by Subsections (b)(1)-(11) serve staggered three-year terms, with the terms of five or six of those members expiring September 1 of each year. A member may be reappointed to the advisory council.
(e) A member of the advisory council serves without compensation but is entitled to reimbursement for actual and necessary travel expenses related to the performance of advisory council duties.
(f) The department, with recommendations from the advisory council, shall develop a process for the designation and updates of levels of neonatal and maternal care at hospitals in accordance with this subchapter.

(g) The advisory council shall:

1. develop and recommend criteria for designating levels of neonatal and maternal care, respectively, including specifying the minimum requirements to qualify for each level designation;
2. develop and recommend a process for the assignment of levels of care to a hospital for neonatal and maternal care, respectively;
3. make recommendations for the division of the state into neonatal and maternal care regions;
4. examine utilization trends relating to neonatal and maternal care; and
5. make recommendations related to improving neonatal and maternal outcomes.

(h) In developing the criteria for the levels of neonatal and maternal care, the advisory council shall consider:
1. any recommendations or publications of the American Academy of Pediatrics and the American Congress of Obstetricians and Gynecologists, including "Guidelines for Perinatal Care";
2. any guidelines developed by the Society of Maternal-Fetal Medicine; and
3. the geographic and varied needs of citizens of this state.

(i) In developing the criteria for designating levels one through three of neonatal and maternal care, the advisory council may not consider the number of patients treated at a hospital.

(j) The advisory council shall submit a report detailing the advisory council's determinations and recommendations to the department and the executive commissioner not later than September 1, 2015.

(k) The advisory council shall continue to update its recommendations based on any relevant scientific or medical developments.

(l) The advisory council is subject to Chapter 325, Government Code (Texas Sunset Act). Unless continued in existence as provided by that chapter, the advisory council is abolished and this section expires September 1, 2025.
Added by Acts 2013, 83rd Leg., R.S., Ch. 217 (H.B. 15), Sec. 1, eff. September 1, 2013.

Subchapter H, consisting of Secs. 241.181 to 241.184, was added by Acts 2013, 83rd Leg., R.S., Ch. 917 (H.B. 1376), Sec. 1.

For another Subchapter H, consisting of Secs. 241.181 to 241.187, added by Acts 2013, 83rd Leg., R.S., Ch. 217 (H.B. 15), Sec. 1, see Sec. 241.181 et seq., post.

SUBCHAPTER H. FREESTANDING EMERGENCY MEDICAL CARE FACILITIES ASSOCIATED WITH LICENSED HOSPITALS

Sec. 241.181. APPLICABILITY. This subchapter applies only to a freestanding emergency medical care facility, as that term is defined by Section 254.001, that is exempt from the licensing requirements of Chapter 254 under Section 254.052(7) or (8).

Added by Acts 2013, 83rd Leg., R.S., Ch. 917 (H.B. 1376), Sec. 1, eff. September 1, 2013.

Sec. 241.182. ADVERTISING. A facility described by Section 241.181 may not advertise or hold itself out as a medical office, facility, or provider other than an emergency room if the facility charges for its services the usual and customary rate charged for the same service by a hospital emergency room in the same region of the state or located in a region of the state with comparable rates for emergency health care services.

Added by Acts 2013, 83rd Leg., R.S., Ch. 917 (H.B. 1376), Sec. 1, eff. September 1, 2013.

Sec. 241.183. POSTED NOTICE. Subject to Section 241.006, the department shall adopt rules for a notice to be posted in a conspicuous place in the facility described by Section 241.181 that notifies prospective patients that the facility is an emergency room and charges rates comparable to a hospital emergency room.

Added by Acts 2013, 83rd Leg., R.S., Ch. 917 (H.B. 1376), Sec. 1, eff. September 1, 2013.
Sec. 241.184. ADMINISTRATIVE PENALTY. The commissioner of health may assess an administrative penalty under Section 241.059 against a hospital that violates this subchapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 917 (H.B. 1376), Sec. 1, eff. September 1, 2013.

CHAPTER 242. CONVALESCENT AND NURSING HOMES AND RELATED INSTITUTIONS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 242.001. SCOPE, PURPOSE, AND IMPLEMENTATION. (a) It is the goal of this chapter to ensure that institutions in this state deliver the highest possible quality of care. This chapter, and the rules and standards adopted under this chapter, establish minimum acceptable levels of care. A violation of a minimum acceptable level of care established under this chapter or a rule or standard adopted under this chapter is forbidden by law. Each institution licensed under this chapter shall, at a minimum, provide quality care in accordance with this chapter and the rules and standards. Components of quality of care addressed by these rules and standards include:

1. quality of life;
2. access to care;
3. continuity of care;
4. comprehensiveness of care;
5. coordination of services;
6. humaneness of treatment;
7. conservativeness in intervention;
8. safety of the environment;
9. professionalism of caregivers; and
10. participation in useful studies.

(b) The rules and standards adopted under this chapter may be more stringent than the standards imposed by federal law for certification for participation in the state Medicaid program. The rules and standards may not be less stringent than the Medicaid certification standards imposed under the Omnibus Budget Reconciliation Act of 1987 (OBRA), Pub.L. No. 100-203.

(c) The rules and standards adopted under this chapter apply to each licensed institution. The rules and standards are intended for
use in state surveys of the facilities and any investigation and enforcement action and are designed to be useful to consumers and providers in assessing the quality of care provided in an institution.

(d) The legislature finds that the construction, maintenance, and operation of institutions shall be regulated in a manner that protects the residents of the institutions by:

(1) providing the highest possible quality of care;
(2) strictly monitoring all factors relating to the health, safety, welfare, and dignity of each resident;
(3) imposing prompt and effective remedies for noncompliance with licensing standards; and
(4) providing the public with information concerning the operation of institutions in this state.

(e) It is the legislature's intent that this chapter accomplish the goals listed in Subsection (d).

(f) This chapter shall be construed broadly to accomplish the purposes set forth in this section.

Sec. 242.002. DEFINITIONS. In this chapter:

(1) "Board" means the Texas Board of Human Services.
(2) "Commissioner" means the commissioner of human services.
(3) "Controlling person" means a person who controls an institution or other person as described by Section 242.0021.
(4) "Department" means the Department of Aging and Disability Services.
(5) "Elderly person" means an individual who is 65 years of age or older.
(5-a) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.
(6) "Facility" means an institution.
(7) "Governmental unit" means the state or a political subdivision of the state, including a county or municipality.
(8) "Home" means an institution.
(9) "Hospital" has the meaning assigned by Chapter 241
(Texas Hospital Licensing Law).

(10) "Institution" means an establishment that:

(A) furnishes, in one or more facilities, food and shelter to four or more persons who are unrelated to the proprietor of the establishment; and

(B) provides minor treatment under the direction and supervision of a physician licensed by the Texas Medical Board, or other services that meet some need beyond the basic provision of food, shelter, and laundry.

(11) "Person" means an individual, firm, partnership, corporation, association, joint stock company, limited partnership, limited liability company, or any other legal entity and includes a legal successor of those entities.

(12) "Resident" means an individual, including a patient, who resides in an institution.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 404 (S.B. 870), Sec. 1, eff. September 1, 2007.

Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 1, eff. June 19, 2009.

Sec. 242.0021. CONTROLLING PERSON. (a) A person is a controlling person if the person has the ability, acting alone or in concert with others, to directly or indirectly influence, direct, or cause the direction of the management, expenditure of money, or policies of an institution or other person.

(b) For purposes of this chapter, "controlling person" includes:

(1) a management company, landlord, or other business entity that operates or contracts with others for the operation of an institution;

(2) any person who is a controlling person of a management
company or other business entity that operates an institution or that contracts with another person for the operation of an institution; and

(3) any other individual who, because of a personal, familial, or other relationship with the owner, manager, landlord, tenant, or provider of an institution, is in a position of actual control or authority with respect to the institution, without regard to whether the individual is formally named as an owner, manager, director, officer, provider, consultant, contractor, or employee of the facility.

(b-1) Notwithstanding any other provision of this section, for purposes of this chapter, a controlling person of an institution or of a management company or other business entity described by Subsection (b)(1) that is a publicly traded corporation or is controlled by a publicly traded corporation means an officer or director of the corporation. The term does not include a shareholder or lender of the publicly traded corporation.

(c) A controlling person described by Subsection (b)(3) does not include a person, such as an employee, lender, secured creditor, or landlord, who does not exercise any influence or control, whether formal or actual, over the operation of an institution.

(d) The department may adopt rules that define the ownership interests and other relationships that qualify a person as a controlling person.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.03, eff. Sept. 1, 1997.
Amended by:
   Acts 2009, 81st Leg., R.S., Ch. 917 (H.B. 2972), Sec. 1, eff. September 1, 2009.

Sec. 242.003. EXEMPTIONS. Except as otherwise provided, this chapter does not apply to:

(1) a hotel or other similar place that furnishes only food, lodging, or both, to its guests;

(2) a hospital;

(3) an establishment conducted by or for the adherents of a well-recognized church or religious denomination for the purpose of providing facilities for the care or treatment of the sick who depend
exclusively on prayer or spiritual means for healing, without the use of any drug or material remedy, if the establishment complies with safety, sanitary, and quarantine laws and rules;

(4) an establishment that furnishes, in addition to food, shelter, and laundry, only baths and massages;

(5) an institution operated by a person licensed by the Texas Board of Chiropractic Examiners;

(6) a facility that:

(A) primarily engages in training, habilitation, rehabilitation, or education of clients or residents;

(B) is operated under the jurisdiction of a state or federal agency, including the Department of Assistive and Rehabilitative Services, Department of Aging and Disability Services, Department of State Health Services, Health and Human Services Commission, Texas Department of Criminal Justice, and Department of Veterans Affairs; and

(C) is certified through inspection or evaluation as meeting the standards established by the state or federal agency;

(7) a foster care type residential facility that serves fewer than five persons and operates under rules adopted by the Texas Department of Human Services or the executive commissioner of the Health and Human Services Commission, as applicable; and

(8) a facility licensed under Chapter 252 or exempt from licensure under Section 252.003.

Sec. 242.004. SIMULTANEOUS CARE FOR PREGNANT WOMEN AND OTHER WOMEN. This chapter does not prohibit an institution defined by Section 242.002(6)(B) from simultaneously caring for pregnant women and other women younger than 50 years of age.

Sec. 242.005. PERFORMANCE REPORTS. (a) The department shall prepare annually a full report of the operation and administration of the department's responsibilities under this chapter, including recommendations and suggestions considered advisable.

(b) The Legislative Budget Board and the state auditor shall jointly prescribe the form and content of reports required under this section, provided, however, that the state auditor's participation under this section is subject to approval by the legislative audit committee for inclusion in the audit plan under Section 321.013(c), Government Code.

(c) The department shall submit the required report to the governor and the legislature not later than October 1 of each year.

Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 2.01, eff. September 1, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 990 (H.B. 1781), Sec. 7, eff. June 17, 2011.

Sec. 242.006. DIRECTORY OF LICENSED INSTITUTIONS. (a) The department shall prepare and publish annually a directory of all licensed institutions.

(b) The directory must contain:
   (1) the name and address of the institution;
   (2) the name of the proprietor or sponsoring organization;
   and
   (3) other pertinent data that the department considers useful and beneficial to those persons interested in institutions operated in accordance with this chapter.

(c) The department shall make copies of the directory available to the public.

Sec. 242.007. CONSULTATION AND COOPERATION. (a) Whenever possible, the department shall use the services of and consult with
state and local agencies in carrying out its responsibility under this chapter.

(b) The department may cooperate with local public health officials of a county or municipality in carrying out this chapter and may delegate to those officials the power to make inspections and recommendations to the department in accordance with this chapter.

(c) The department may coordinate its personnel and facilities with a local agency of a municipality or county and may provide advice to the municipality or county if the municipality or county decides to supplement the state program with additional rules required to meet local conditions.

Sec. 242.008. EMPLOYMENT OF PERSONNEL. The department may employ the personnel necessary to administer this chapter properly.

Sec. 242.009. FEDERAL FUNDS. The department may accept and use any funds allocated by the federal government to the department for administrative expenses.

Sec. 242.010. CHANGE OF ADMINISTRATORS. An institution that hires a new administrator or person designated as chief manager shall:

(1) notify the department in writing not later than the 30th day after the date on which the change becomes effective; and
(2) pay a $20 administrative fee to the department.

Sec. 242.011. LANGUAGE REQUIREMENTS PROHIBITED. An institution may not prohibit a resident or employee from communicating in the
person's native language with another resident or employee for the purpose of acquiring or providing medical treatment, nursing care, or institutional services.

Sec. 242.013. PAPERWORK REDUCTION RULES. (a) The department shall:

(1) adopt rules to reduce the amount of paperwork an institution must complete and retain; and

(2) attempt to reduce the amount of paperwork to the minimum amount required by state and federal law unless the reduction would jeopardize resident safety.

(b) The department, the contracting agency, and providers shall work together to review rules and propose changes in paperwork requirements so that additional time is available for direct resident care.

Sec. 242.014. PROHIBITION OF REMUNERATION. (a) An institution may not receive monetary or other remuneration from a person or agency that furnishes services or materials to the institution or its occupants for a fee.

(b) The department may revoke the license of an institution that violates Subsection (a).

Sec. 242.015. LICENSED ADMINISTRATOR. (a) Each institution must have a licensed nursing facility administrator.

(b) The administrator shall:

(1) manage the institution;

(2) be responsible for:

(A) delivery of quality care to all residents; and

(B) implementation of the policies and procedures of the institution; and
(3) work at least 40 hours per week on administrative duties.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.05, eff. Sept. 1, 1997.

Sec. 242.016. FEES AND PENALTIES. Except as expressly provided by this chapter, a fee or penalty collected by or on behalf of the department under this chapter must be deposited to the credit of the general revenue fund and may be appropriated only to the department to administer and enforce this chapter. Investigation and attorney's fees may not be assessed or collected by or on behalf of the department or other state agency unless the department or other state agency assesses and collects a penalty described under this chapter.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.05, eff. Sept. 1, 1997.

Sec. 242.017. ADMISSIBILITY OF CERTAIN EVIDENCE IN CIVIL ACTIONS. (a) The following are not admissible as evidence in a civil action:

(1) any finding by the department that an institution has violated this chapter or a rule adopted under this chapter; or

(2) the fact of the assessment of a penalty against an institution under this chapter or the payment of the penalty by an institution.

(b) This section does not apply in an enforcement action in which the state or an agency or political subdivision of the state is a party.

(c) Notwithstanding any other provision of this section, evidence described by Subsection (a) is admissible as evidence in a civil action only if:

(1) the evidence relates to a material violation of this chapter or a rule adopted under this chapter or assessment of a monetary penalty with respect to:

(A) the particular incident and the particular individual whose personal injury is the basis of the claim being brought in the civil action; or

(B) a finding by the department that directly involves
substantially similar conduct that occurred at the institution within a period of one year before the particular incident that is the basis of the claim being brought in the civil action; and

(2) the evidence of a material violation has been affirmed by the entry of a final adjudicated and unappealable order of the department after formal appeal; and

(3) the record is otherwise admissible under the Texas Rules of Evidence.

Added by Acts 2003, 78th Leg., ch. 204, Sec. 16.02, eff. Sept. 1, 2003.

Sec. 242.018. COMPLIANCE WITH CHAPTER 260A. (a) An institution shall comply with Chapter 260A and the rules adopted under that chapter.

(b) A person, including an owner or employee of an institution, shall comply with Chapter 260A and the rules adopted under that chapter.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(e), eff. September 28, 2011.

SUBCHAPTER B. LICENSING, FEES, AND INSPECTIONS

Sec. 242.031. LICENSE REQUIRED. A person or governmental unit, acting severally or jointly with any other person or governmental unit, may not establish, conduct, or maintain an institution in this state without a license issued under this chapter.

Sec. 242.032. LICENSE OR RENEWAL APPLICATION. (a) An application for a license or renewal of a license is made to the department on a form provided by the department and must be accompanied by the license fee.

(b) The application must contain information that the department requires.

(c) The applicant or license holder must furnish evidence to affirmatively establish the applicant's or license holder's ability
to comply with:

(1) minimum standards of medical care, nursing care, and financial condition; and

(2) any other applicable state or federal standard.

(d) The department shall consider the background and qualifications of:

(1) the applicant or license holder;

(2) a partner, officer, director, or managing employee of the applicant or license holder;

(3) a person who owns or who controls the owner of the physical plant of a facility in which the institution operates or is to operate; and

(4) a controlling person with respect to the institution for which a license or license renewal is requested.

(e) In making the evaluation required by Subsection (d), the department shall require the applicant or license holder to file a sworn affidavit of a satisfactory compliance history and any other information required by the department to substantiate a satisfactory compliance history relating to each state or other jurisdiction in which the applicant or license holder and any other person described by Subsection (d) operated an institution at any time before the date on which the application is made. The department by rule shall determine what constitutes a satisfactory compliance history. The department may consider and evaluate the compliance history of the applicant and any other person described by Subsection (d) for any period during which the applicant or other person operated an institution in this state or in another state or jurisdiction. The department may also require the applicant or license holder to file information relating to the history of the financial condition of the applicant or license holder and any other person described by Subsection (d) with respect to an institution operated in another state or jurisdiction at any time before the date on which the application is made.

(f) Information obtained under this section regarding an applicant's or license holder's financial condition is confidential and may not be disclosed to the public.

Sec. 242.033. ISSUANCE AND RENEWAL OF LICENSE.  (a) After receiving an application for a license, the department shall issue the license if, after inspection and investigation, it finds that the applicant or license holder, and any other person described by Section 242.032(d), meet the requirements established under each provision of this chapter and any rule or standard adopted under this chapter.

(b) The department may issue a license only for:
(1) the premises and persons or governmental unit named in the application; and
(2) the maximum number of beds specified in the application.

(c) A license may not be transferred or assigned.

(d) Except as provided by Subsection (f), a license is renewable every three years after:
(1) an inspection, unless an inspection is not required as provided by Section 242.047;
(2) payment of the license fee; and
(3) department approval of the report filed every three years by the licensee.

(e) The report required for license renewal under Subsection (d)(3) must comply with rules adopted by the board that specify the date of submission of the report, the information it must contain, and its form.

(f) The initial license issued to a license holder who has not previously held a license under this subchapter is a probationary license. A probationary license is valid for only one year. At the end of the one-year period, a license under Subsection (a) shall be issued but only after:
(1) the department finds that the license holder and any other person described by Section 242.032(d) continue to meet the requirements established under each provision of this chapter and any
rule or standard adopted under this chapter;

(2) an inspection, unless an inspection is not required as provided by Section 242.047;

(3) payment of the license fee; and

(4) department approval of the report required for license renewal that complies with rules adopted under Subsection (e).

(g) The executive commissioner by rule shall adopt a system under which an appropriate number of licenses issued by the department under this chapter expire on staggered dates occurring in each three-year period. If the expiration date of a license changes as a result of this subsection, the department shall prorate the licensing fee relating to that license as appropriate.

Amended by:
Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(a), eff. September 28, 2011.

Sec. 242.0335. EXPEDITED ISSUANCE OF CHANGE OF OWNERSHIP LICENSE TO CERTAIN CURRENT LICENSE HOLDERS. (a) The department shall maintain, and keep current, a list of license holders that operate an institution in this state and that have excellent operating records according to the information available to the department. The department by rule shall establish specific criteria for designating a license holder as eligible for the list.

(b) The department shall establish a procedure under which a listed license holder may be granted expedited approval in obtaining a change of ownership license to operate another existing institution in this state. The procedure may involve allowing a listed license holder to submit an affidavit demonstrating that the license holder continues to meet the criteria for being listed and continues to meet the requirements described by Subsection (c).

(c) An applicant for a change of ownership license must meet all applicable requirements that an applicant for renewal of a license must meet under this subchapter, including under Section 242.032(d), and under rules that the department has adopted under
this subchapter. Any requirement relating to inspections or to an accreditation review applies only to institutions operated by the license holder at the time the application is made for the change of ownership license.

(d) Subsection (c) applies only to a license holder designated as eligible for and placed on the list maintained under Subsection (a).

Sec. 242.0336. TEMPORARY CHANGE OF OWNERSHIP LICENSE. (a) For purposes of this section, a temporary change of ownership license is a temporary 90-day license issued to an applicant who proposes to become the new operator of an institution existing on the date the application is filed.

(b) After receiving an application for a temporary change of ownership license, the department shall issue a temporary license to the applicant if, after investigation, the department finds that the applicant and any other person described by Section 242.032(d) meet:

(1) the requirements established under Section 242.032(c);

and

(2) the department's standards for background and qualifications under Sections 242.032(d) and (e).

(b-1) Except as provided by Subsection (b-2), the department may not issue a temporary change of ownership license before the 31st day after the date the department has received both:

(1) the application for the license; and

(2) notification, in writing, of the intent of the institution's existing license holder to transfer operation of the institution to the applicant beginning on a date specifically by the applicant.

(b-2) Notwithstanding Section 242.0335, the department shall establish criteria under which the department may waive the 30-day requirement or the notification requirement of Subsection (b-1). The criteria may include the occurrence of forcible entry and detainer, death, or divorce or other events that affect the ownership of the institution by the existing license holder.
After receipt of an application or written notification described by Subsection (b-1), the department may place a hold on payments to the existing license holder in an amount not to exceed the average of the monthly vendor payments paid to the facility, as determined by the department. The department shall release funds to the previous license holder not later than the 120th day after the date on which the final reporting requirements are met and any resulting informal reviews or formal appeals are resolved. The department may reduce the amount of funds released to the previous license holder by the amount owed to the department or the Health and Human Services Commission under the previous license holder's Medicaid contract or license.

The executive commissioner of the Health and Human Services Commission shall adopt rules for the department that define a change of ownership. In adopting the rules, the executive commissioner shall consider:

1. the proportion of ownership interest that is being transferred to another person;
2. the addition or removal of a stockholder, partner, owner, or other controlling person;
3. the reorganization of the license holder into a different type of business entity; and
4. the death or incapacity of a stockholder, partner, or owner.

The executive commissioner may adopt rules for the department that require a license holder to notify the department of any change, including a change that is not a change of ownership, as that term is defined by rules adopted under Subsection (b-4). Nothing in this section prevents the department from acting under Section 242.061 or any other provision of this chapter.

The department shall issue or deny a temporary change of ownership license not later than the 31st day after the date of receipt of the completed application. The effective date of a temporary change of ownership license issued under this section is the date requested in the application unless:

1. the department does not receive the application and written notification described by Subsection (b-1) at least 30 days before that date; and
2. no waiver under Subsection (b-2) applies.

If the department does not receive the application and

Statute text rendered on: 3/14/2015
written notification required by Subsection (b-1) at least 30 days before the effective date requested in the application and Subsection (b-2) does not apply, the effective date of the temporary change of ownership license is the 31st day after the date the department receives both the application and the notification.

(d) Except as provided in Subsection (d-1), after the department issues a temporary change of ownership license to the applicant, the department shall conduct an inspection or survey of the nursing facility under Section 242.043 as soon as reasonably possible. During the period between the issuance of the temporary license and the inspection or survey of the nursing facility or desk review under Subsection (d-1), the department may not place a hold on vendor payments to the temporary license holder.

(d-1) The department shall establish criteria under which a desk review of the facility's compliance with applicable requirements may be substituted for the on-site inspection or survey under Subsection (d).

(e) After conducting an inspection or survey under Subsection (d) or a desk review under Subsection (d-1), the department shall issue a license under Section 242.033 to the temporary change of ownership license holder if the nursing facility passes the desk review, inspection, or survey and the applicant meets the requirements of Section 242.033. If the nursing facility fails to pass the desk review, inspection, or survey or the applicant fails to meet the requirements of Section 242.033, the department may:

(1) place a hold on vendor payments to the temporary change of ownership license holder; and

(2) take any other action authorized under this chapter.

(f) If the applicant meets the requirements of Section 242.033 and the nursing facility passes a desk review, initial inspection, or subsequent inspection before the temporary change of ownership license expires, the license issued under Section 242.033 is considered effective on the date the department determines under Subsection (c) or (c-1).

(g) A temporary change of ownership license issued under Subsection (b) expires on the 90th day after the effective date established under Subsection (c) or (c-1).

Sec. 242.034. LICENSE FEES. (a) The board may establish by rule license fees for institutions licensed by the department under this chapter. The license fee may not exceed $375 plus:

(1) $15 for each unit of capacity or bed space for which a license is sought; and

(2) a background examination fee imposed under Subsection (d).

(b) The license fee for a probationary license issued under Section 242.033(f) may not exceed $125 plus:

(1) $5 for each unit of capacity or bed space for which the license is sought; and

(2) a background examination fee imposed under Subsection (d).

(c) An additional license fee may be charged as provided by Section 242.097.

(d) The board may establish a background examination fee in an amount necessary to defray the department's expenses in administering its duties under Sections 242.032(d) and (e).

(e) The applicable license fee must be paid with each application for a probationary license, an initial license, a renewal license, or a change of ownership license.

(f) The state is not required to pay the license fee.

(g) An approved increase in bed space is subject to an additional fee.

(h) The license fees established under this chapter are an allowable cost for reimbursement under the medical assistance program administered by the Texas Department of Human Services under Chapter 32, Human Resources Code. Any fee increases shall be reflected in reimbursement rates prospectively.

(i) An applicant for license renewal who submits an application later than the 45th day before the expiration date of a current license is subject to a late fee in accordance with department rules.
Sec. 242.035. LICENSING CATEGORIES. (a) The department shall determine the rank of licensing categories.

(b) Unless prohibited by another state or federal requirement, the department shall allow a licensed institution to operate a portion of the institution under the standards of a lower licensing category. The board shall establish procedures and standards to accommodate an institution's operation under the lower category.

Sec. 242.036. GRADING. (a) The board may adopt, publish, and enforce minimum standards relating to the grading of an institution, other than an institution that provides maternity care, in order to recognize those institutions that provide more than the minimum level of services and personnel as established by the board.

(b) An institution that has a superior grade shall prominently display the grade for public view.

(c) As an incentive to attain the superior grade, an institution may advertise its grade, except that it may not advertise a superior grade that has been canceled.

(d) The department may not award a superior grade to an institution that, during the year preceding the grading inspection, violated state or federal law, rules, or regulations relating to:

1. the health, safety, or welfare of its residents;
2. resident funds;
3. the confidentiality of a resident's records;
4. the financial practices of the institution; or
5. the control of medication in the institution.

(e) The department shall cancel an institution's superior grade...
if the institution:

(1) does not meet the criteria established for a superior grade; or

(2) violates a state or federal law, rule, or regulation described by Subsection (d).

Sec. 242.037. RULES; MINIMUM STANDARDS. (a) The department shall make and enforce rules and minimum standards to implement this chapter, including rules and minimum standards relating to quality of life, quality of care, and residents' rights.

(b) The rules and standards adopted under this chapter may be more stringent than the standards imposed by federal law for certification for participation in the state Medicaid program.

(c) The rules and standards adopted by the department may not be less stringent than the Medicaid certification standards and regulations imposed under the Omnibus Budget Reconciliation Act of 1987 (OBRA), Pub.L. No. 100-203.

(d) To implement Sections 242.032(d) and (e), the department by rule shall adopt minimum standards for the background and qualifications of any person described by Section 242.032(d). The department may not issue or renew a license if a person described by Section 242.032 does not meet the minimum standards adopted under this section.

(e) In addition to standards or rules required by other provisions of this chapter, the board shall adopt, publish, and enforce minimum standards relating to:

(1) the construction of an institution, including plumbing, heating, lighting, ventilation, and other housing conditions, to ensure the residents' health, safety, comfort, and protection from fire hazard;

(2) the regulation of the number and qualification of all personnel, including management and nursing personnel, responsible for any part of the care given to the residents;

(3) requirements for in-service education of all employees who have any contact with the residents;

(4) training on the care of persons with Alzheimer's disease and related disorders for employees who work with those...
persons;

(5) sanitary and related conditions in an institution and its surroundings, including water supply, sewage disposal, food handling, and general hygiene in order to ensure the residents' health, safety, and comfort;

(6) the nutritional needs of each resident according to good nutritional practice or the recommendations of the physician attending the resident;

(7) equipment essential to the residents' health and welfare;

(8) the use and administration of medication in conformity with applicable law and rules;

(9) care and treatment of residents and any other matter related to resident health, safety, and welfare;

(10) licensure of institutions; and

(11) implementation of this chapter.

(f) The board shall adopt, publish, and enforce minimum standards requiring appropriate training in geriatric care for each individual who provides services to geriatric residents in an institution and who holds a license or certificate issued by an agency of this state that authorizes the person to provide the services. The minimum standards may require that each licensed or certified individual complete an appropriate program of continuing education or in-service training, as determined by board rule, on a schedule determined by board rule.

(g) To administer the surveys for provider certification provided for by federal law and regulation, the department must identify each area of care that is subject to both state licensing requirements and federal certification requirements. For each area of care that is subject to the same standard under both federal certification and state licensing requirements, an institution that is in compliance with the federal certification standard is considered to be in compliance with the same state licensing requirement.

(h) The board shall adopt each rule adopted by the Texas Board of Health under Section 161.0051 as part of the rules and standards adopted under this chapter that apply to institutions serving residents who are elderly persons.

(i) The minimum standards adopted by the board under this section must require that each institution, as part of an existing
training program, provide each registered nurse, licensed vocational nurse, nurse aide, and nursing assistant who provides nursing services in the institution at least one hour of training each year in caring for people with dementia.

Sec. 242.0371. NOTICE OF CERTAIN EMPLOYMENT POLICIES. (a) An institution licensed under this chapter shall prepare a written statement describing the institution's policy for:

(1) the drug testing of employees who have direct contact with residents; and

(2) the conducting of criminal history record checks of employees and applicants for employment in accordance with Chapter 250.

(b) The institution shall provide the statement to:

(1) each person applying for services from the institution or the person's next of kin or guardian; and

(2) any person requesting the information.

Sec. 242.0373. RESTRAINT AND SECLUSION. A person providing services to a resident of an institution shall comply with Chapter 322 and the rules adopted under that chapter.

Added by Acts 2005, 79th Leg., Ch. 698 (S.B. 325), Sec. 2, eff. September 1, 2005.
Sec. 242.038. REASONABLE TIME TO COMPLY. The board by rule shall give an institution that is in operation when a rule or standard is adopted under this chapter a reasonable time to comply with the rule or standard.

Sec. 242.0385. EARLY COMPLIANCE REVIEW. (a) The department by rule shall adopt a procedure under which a person proposing to construct or modify an institution may submit building plans to the department for review for compliance with the department's architectural requirements before beginning construction or modification. In adopting the procedure, the department shall set reasonable deadlines by which the department must complete review of submitted plans.

(b) The department shall, within 30 days, review plans submitted under this section for compliance with the department's architectural requirements and inform the person in writing of the results of the review. If the plans comply with the department's architectural requirements, the department may not subsequently change the architectural requirements applicable to the project unless:

(1) the change is required by federal law; or

(2) the person fails to complete the project within a reasonable time.

(c) The department may charge a reasonable fee for conducting a review under this section.

(d) A fee collected under this section shall be deposited in the general revenue fund and may be appropriated only to the department to conduct reviews under this section.

(e) The review procedure provided by this section does not include review of building plans for compliance with the Texas Accessibility Standards as administered and enforced.

Sec. 242.039. FIRE SAFETY REQUIREMENTS. (a) The board shall adopt rules necessary to specify the edition of the Life Safety Code of the National Fire Protection Association that will be used to
establish the life safety requirements for an institution licensed under this chapter.

(b) The board shall adopt the edition of the Life Safety Code of the National Fire Protection Association for fire safety as designated by federal law and regulations for an institution or portion of an institution that is constructed after September 1, 1993, and for an institution or portion of an institution that was operating or approved for construction on or before September 1, 1993.

(c) The board may not require more stringent fire safety standards than those required by federal law and regulation. The rules adopted under this section may not prevent an institution licensed under this chapter from voluntarily conforming to fire safety standards that are compatible with, equal to, or more stringent than those adopted by the board.

(d) Licensed health care facilities in existence at the time of the effective date of this subsection may have their existing use or occupancy continued if such facilities comply with fire safety standards and ordinances in existence at the time of the effective date of this subsection.

(e) Notwithstanding any other provision of this section, a municipality shall have the authority to enact additional and higher fire safety standards applicable to new construction beginning on or after the effective date of this subsection.

(f) (1) An advisory committee is created to propose rules for adoption by the department concerning the applicability of municipal ordinances and regulations to the remodeling and renovation of existing structures to be used as health care facilities licensed under this chapter.

(2) The advisory committee shall be appointed by the board and composed as follows:

(A) two municipal fire marshals;
(B) four individuals representing the nursing home industry;
(C) the commissioner of human services or a designee;
(D) one building official from a municipality that has adopted the Uniform Building Code;
(E) one building official from a municipality that has adopted the Standard Building Code;
(F) one architect licensed under state law;
one member of the Texas Board of Human Services; and

one state Medicaid director or designee.

The advisory committee shall serve without compensation or remuneration of any kind.

The executive commissioner of the Health and Human Services Commission shall adopt rules to implement an expedited inspection process that allows an applicant for a license or for a renewal of a license to obtain a life safety code and physical plant inspection not later than the 15th day after the date the request is made. The department may charge a fee to recover the cost of the expedited inspection. The rules must permit the department to set different fee amounts based on the size and type of institution.

Acts 2009, 81st Leg., R.S., Ch. 917 (H.B. 2972), Sec. 2, eff. September 1, 2009.

Sec. 242.0395. REGISTRATION WITH TEXAS INFORMATION AND REFERRAL NETWORK. (a) An institution licensed under this chapter shall register with the Texas Information and Referral Network under Section 531.0312, Government Code, to assist the state in identifying persons needing assistance if an area is evacuated because of a disaster or other emergency.

(b) The institution is not required to identify individual residents who may require assistance in an evacuation or to register individual residents with the Texas Information and Referral Network for evacuation assistance.

(c) The institution shall notify each resident and the resident's next of kin or guardian regarding how to register for evacuation assistance with the Texas Information and Referral Network.

Added by Acts 2009, 81st Leg., R.S., Ch. 1280 (H.B. 1831), Sec. 1.17, eff. September 1, 2009.

Sec. 242.040. CERTIFICATION OF INSTITUTIONS THAT CARE FOR
PERSONS WITH ALZHEIMER'S DISEASE AND RELATED DISORDERS. (a) The department shall establish a system for certifying institutions that meet standards adopted by the board concerning the specialized care and treatment of persons with Alzheimer's disease and related disorders.

(b) An institution is not required to be certified under this section in order to provide care and treatment of persons with Alzheimer's disease and related disorders.

(c) The board by rule may adopt standards for the specialized care and treatment of persons with Alzheimer's disease and related disorders and provide procedures for institutions applying for certification under this section. The rules must provide for a three-year certification period.

(d) The board may establish and charge fees for the certification in an amount necessary to administer this section.

(e) An institution may not advertise or otherwise communicate that the institution is certified by the department to provide specialized care for persons with Alzheimer's disease or related disorders unless the institution is certified under this section.

(f) The executive commissioner by rule shall adopt a system under which an appropriate number of certifications issued by the department expire on staggered dates occurring in each three-year period. If the expiration date of a certification changes as a result of this subsection, the department shall prorate the certification fee relating to that certification as appropriate.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1063 (H.B. 3196), Sec. 2, eff. September 1, 2013.

Sec. 242.041. FALSE COMMUNICATION CONCERNING CERTIFICATION; CRIMINAL PENALTY. (a) An institution commits an offense if the institution violates Section 242.040(e).

(b) An offense under this section is a Class C misdemeanor.

Sec. 242.042. POSTING. (a) Each institution shall prominently
and conspicuously post for display in a public area of the institution that is readily available to residents, employees, and visitors:

(1) the license issued under this chapter;
(2) a sign prescribed by the department that specifies complaint procedures established under this chapter or rules adopted under this chapter and that specifies how complaints may be registered with the department;
(3) a notice in a form prescribed by the department stating that licensing inspection reports and other related reports which show deficiencies cited by the department are available at the institution for public inspection and providing the department's toll-free telephone number that may be used to obtain information concerning the institution;
(4) a concise summary of the most recent inspection report relating to the institution;
(5) notice that the department can provide summary reports relating to the quality of care, recent investigations, litigation, and other aspects of the operation of the institution;
(6) notice that the Texas Board of Nursing Facility Administrators can provide information about the nursing facility administrator;
(7) any notice or written statement required to be posted under Section 242.072(c);
(8) notice that informational materials relating to the compliance history of the institution are available for inspection at a location in the institution specified by the sign;
(9) notice that employees, other staff, residents, volunteers, and family members and guardians of residents are protected from discrimination or retaliation as provided by Sections 260A.014 and 260A.015; and
(10) a sign required to be posted under Section 260A.006(a).

(b) The notice required by Subsection (a)(8) must also be posted at each door providing ingress to and egress from the institution.

(c) The informational materials required to be maintained for public inspection by an institution under Subsection (a)(8) must be maintained in a well-lighted accessible location and must include:

(1) any information required to be included under Section
242.043; and

(2) a statement of the institution's record of compliance with this chapter and the rules and standards adopted under this chapter that is updated not less frequently than bi-monthly and that reflects the record of compliance during the period beginning one year before the date the statement is last updated, in the form required by the department.

(d) The notice required by Subsection (a)(9) must be posted in English and a second language as required by department rule.

(e) The department shall post detailed compliance information regarding each institution licensed by the department, including the information an institution is required to make accessible by Subsection (c), on the department's website. The department shall update the website once a month to provide the most current compliance information regarding each institution.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 102 (H.B. 1081), Sec. 1, eff. September 1, 2009.

Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(f), eff. September 28, 2011.

Sec. 242.043. INSPECTIONS. (a) The department or the department's representative may make any inspection, survey, or investigation that it considers necessary and may enter the premises of an institution at reasonable times to make an inspection, survey, or investigation in accordance with board rules.

(b) The department is entitled to access to books, records, and other documents maintained by or on behalf of an institution to the extent necessary to enforce this chapter and the rules adopted under this chapter.

(c) A license holder or an applicant for a license is considered to have consented to entry and inspection of the institution by a representative of the department in accordance with this chapter.
(d) The department shall establish procedures to preserve all relevant evidence of conditions found during an inspection, survey, or investigation that the department reasonably believes threaten the health and safety of a resident, including photography and photocopying of relevant documents, such as a license holder's notes, a physician's orders, and pharmacy records, for use in any legal proceeding.

(e) When photographing a resident, the department:
(1) shall respect the privacy of the resident to the greatest extent possible; and
(2) may not make public the identity of the resident.

(f) An institution, an officer or employee of an institution, and a resident's attending physician are not civilly liable for surrendering confidential or private material under this section, including physician's orders, pharmacy records, notes and memoranda of a state office, and resident files.

(g) The department shall establish in clear and concise language a form to summarize each inspection report and complaint investigation report.

(h) The department shall establish proper procedures to ensure that copies of all forms and reports under this section are made available to consumers, service recipients, and the relatives of service recipients as the department considers proper.

Sec. 242.044. UNANNOUNCED INSPECTIONS. (a) Each licensing period, the department shall conduct at least two unannounced inspections of each institution.

(b) For at least two unannounced inspections each licensing period of an institution other than one that provides maternity care, the department shall invite at least one person as a citizen advocate from:

(1) the American Association of Retired Persons;
(2) the Texas Senior Citizen Association;
(3) the Texas Retired Federal Employees;
(4) the department's Certified Long Term Care Ombudsman; or
(5) another statewide organization for the elderly.

(c) In order to ensure continuous compliance, the department
shall randomly select a sufficient percentage of institutions for unannounced inspections to be conducted between 5 p.m. and 8 a.m. Those inspections must be cursory to avoid to the greatest extent feasible any disruption of the residents.

(d) The department may require additional inspections.

Acts 2007, 80th Leg., R.S., Ch. 798 (S.B. 131), Sec. 1, eff. September 1, 2008.

Sec. 242.0445. REPORTING OF VIOLATIONS. (a) The department or the department's representative conducting an inspection, survey, or investigation under Section 242.043 or 242.044 shall:

(1) list each violation of a law or rule on a form designed by the department for inspections; and

(2) identify the specific law or rule the facility violated.

(b) At the conclusion of an inspection, survey, or investigation under Section 242.043 or 242.044, the department or the department's representative conducting the inspection, survey, or investigation shall discuss the violations with the facility's management in an exit conference. The department or the department's representative shall leave a written list of the violations with the facility at the time of the exit conference. If the department or the department's representative discovers any additional violations during the review of field notes or preparation of the official final list, the department or the department's representative shall give the facility an additional exit conference regarding the additional violations. An additional exit conference must be held in person and may not be held by telephone, e-mail, or facsimile transmission.

(b-1) Not later than the fifth working day after the date the facility receives the final statement of violations under this section, the facility shall provide a copy of the statement to a representative of the facility's family council.

(c) The facility shall submit a plan to correct the violations to the regional director not later than the 10th working day after the date the facility receives the final official statement of
violations.

Added by Acts 1999, 76th Leg., ch. 233, Sec. 2, eff. Sept. 1, 1999. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 798 (S.B. 131), Sec. 2, eff. September 1, 2008.
Acts 2007, 80th Leg., R.S., Ch. 974 (S.B. 344), Sec. 3, eff. September 1, 2007.

Sec. 242.045. DISCLOSURE OF UNANNOUNCED INSPECTIONS; CRIMINAL PENALTY. (a) Except as expressly provided by this chapter, a person commits an offense if the person intentionally, knowingly, or recklessly discloses to an unauthorized person the date, time, or any other fact about an unannounced inspection of an institution before the inspection occurs.

(b) In this section, "unauthorized person" does not include:

(1) the department;
(2) the office of the attorney general;
(3) a statewide organization for the elderly, including the American Association of Retired Persons, the Texas Senior Citizen Association, and the Texas Retired Federal Employees;
(4) an ombudsman or representative of the Texas Department on Aging;
(5) a representative of an agency or organization when a Medicare or Medicaid survey is made concurrently with a licensing inspection; or
(6) any other person or entity authorized by law to make an inspection or to accompany an inspector.

(c) An offense under this section is a third degree felony.

(d) A person convicted under this section is not eligible for state employment.

Sec. 242.046. OPEN HEARING. (a) The department shall hold an open hearing in a licensed institution, other than an institution that provides maternity care, if the department has taken a punitive action against the institution in the preceding 12 months or if the
department receives a complaint from an ombudsman, advocate, resident, or relative of a resident relating to a serious or potentially serious problem in the institution and the department has reasonable cause to believe the complaint is valid. The department is not required to hold more than one open meeting in a particular institution in each year.

(b) The department shall give notice of the time, place, and date of the hearing to:

(1) the institution;
(2) the designated closest living relative or legal guardian of each resident; and
(3) appropriate state or federal agencies that work with the institution.

(c) The department may exclude an institution's administrators and personnel from the hearing.

(d) The department shall notify the institution of any complaints received at the hearing and, without identifying the source of the complaints, provide a summary of them to the institution.

(e) The department shall determine and implement a mechanism to notify confidentially a complainant of the results of the investigation of the complaint.

Sec. 242.047. ACCREDITATION REVIEW TO SATISFY INSPECTION OR CERTIFICATION REQUIREMENTS. (a) The department shall accept an annual accreditation review from the Joint Commission on Accreditation of Health Organizations for a nursing home instead of an inspection for renewal of a license under Section 242.033 and in satisfaction of the requirements for certification by the department for participation in the medical assistance program under Chapter 32, Human Resources Code, and the federal Medicare program, but only if:

(1) the nursing home is accredited by the commission under the commission's long-term care standards;

(2) the commission maintains an annual inspection or review program that, for each nursing home, meets the department's applicable minimum standards as confirmed by the board;
(3) the commission conducts an annual on-site inspection or
review of the home;

(4) the nursing home submits to the department a copy of
its annual accreditation review from the commission in addition to
the application, fee, and any report required for renewal of a
license or for certification, as applicable; and

(5) the department has:

(A) determined whether a waiver or authorization from a
federal agency is necessary under federal law, including for federal
funding purposes, before the department accepts an annual
accreditation review from the joint commission:

(i) instead of an inspection for license renewal
purposes;

(ii) as satisfying the requirements for
certification by the department for participation in the medical
assistance program; or

(iii) as satisfying the requirements for
certification by the department for participation in the federal
Medicare program; and

(B) obtained any necessary federal waivers or
authorizations.

(b) The department shall coordinate its licensing and
certification activities with the commission.

(c) The department and the commission shall sign a memorandum
of agreement to implement this section. The memorandum must provide
that if all parties to the memorandum do not agree in the
development, interpretation, and implementation of the memorandum,
any area of dispute is to be resolved by the board.

(d) Except as specifically provided by this section, this
section does not limit the department in performing any duties and
inspections authorized by this chapter or under any contract relating
to the medical assistance program under Chapter 32, Human Resources
Code, and Titles XVIII and XIX of the Social Security Act (42 U.S.C.
Sections 1395 et seq. and 1396 et seq.), including authority to take
appropriate action relating to an institution, such as closing the
institution.

(e) This section does not require a nursing home to obtain
accreditation from the commission.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 242.048. LICENSING SURVEYS. The department shall provide a team to conduct surveys to validate findings of licensing surveys. The purpose of validation surveys is to assure that survey teams throughout the state survey in a fair and consistent manner. A facility subjected to a validation survey must correct deficiencies cited by the validation team but is not subject to punitive action for those deficiencies.

Sec. 242.049. QUALITY IMPROVEMENT. (a) The department may evaluate data for quality of care in nursing homes.

(b) The department may gather data on a form or forms to be provided by the department to improve the quality of care in nursing homes and may provide information to nursing homes which will allow them to improve and maintain the quality of care which they provide. Data referred to in this section can include information compiled from documents otherwise available under Chapter 552, Government Code, including but not limited to individual survey reports and investigation reports.

(c) All licensed nursing homes in the state may be required to submit information designated by the department as necessary to improve the quality of care in nursing homes.

(d) The collection, compilation, and analysis of the information and any reports produced from these sources shall be done in a manner that protects the privacy of any individual about whom information is given and is explicitly confidential. The department shall protect and maintain the confidentiality of the information. The information received by the department, any information compiled as a result of review of internal agency documents, and any reports, compilations, and analyses produced from these sources shall not be available for public inspection or disclosure, nor are these sources public records within the meaning of Chapter 552, Government Code. The information and any compilations, reports, or analyses produced from the information shall not be subject to discovery, subpoena, or other means of legal compulsion for release to any person or entity.
except as provided in this section and shall not be admissible in any civil, administrative, or criminal proceeding. This privilege shall be recognized by Rules 501 and 502 of the Texas Rules of Evidence.

(e) The information and reports, compilations, and analyses developed by the department for quality improvement shall be used only for the evaluation and improvement of quality care in nursing homes. No department proceeding or record shall be subject to discovery, subpoena, or other means of legal compulsion for release to any person or entity, and shall not be admissible in any civil, administrative, or criminal proceeding. This privilege shall be recognized by Rules 501 and 502 of the Texas Rules of Evidence.

(f) Notwithstanding Subsection (d), the department shall transmit reports, compilations, and analyses of the information provided by a nursing home to that nursing home, and such disclosure shall not be violative of this section nor shall it constitute a waiver of confidentiality.

(g) A member, agent, or employee of the department may not disclose or be required to disclose a communication made to the department or a record or proceeding of the department required to be submitted under this section except to the nursing home in question or its agents or employees.

(h) Nothing in this section is intended to abridge the department's enforcement responsibilities under this chapter or under any other law.

(i) Any information, reports, and other documents produced which are subject to any means of legal compulsion or which are considered to be public information under Subchapter E and the rules adopted under that subchapter shall continue to be subject to legal compulsion and be treated as public information under Subchapter E after the effective date of this Act, even though such information, reports, and other documents may be used in the collection, compilation, and analysis described in Subsections (b) and (d).

If exemplary damages are awarded under Chapter 41, Civil Practice and Remedies Code, against an institution or an officer, employee, or agent of an institution, the court shall notify the department.

(b) If the department receives notice under Subsection (a), the department shall maintain the information contained in the notice in the records of the department relating to the history of the institution.

Added by Acts 2001, 77th Leg., ch. 1284, Sec. 2.01, eff. June 15, 2001.

Sec. 242.052. DRUG TESTING OF EMPLOYEES. (a) An institution may establish a drug testing policy for employees of the institution. An institution that establishes a drug testing policy under this subsection may adopt the model drug testing policy adopted by the board or may use another drug testing policy.

(b) The board by rule shall adopt a model drug testing policy for use by institutions. The model drug testing policy must be designed to ensure the safety of residents through appropriate drug testing and to protect the rights of employees. The model drug testing policy must:

(1) require at least one scheduled drug test each year for each employee of an institution that has direct contact with a resident in the institution; and

(2) authorize random, unannounced drug testing for employees described by Subdivision (1).

SUBCHAPTER C. GENERAL ENFORCEMENT

Sec. 242.061. DENIAL, SUSPENSION, OR REVOCATION OF LICENSE. (a) The department, after providing notice and opportunity for a hearing to the applicant or license holder, may deny, suspend, or revoke a license if the department finds that the applicant, the license holder, or any other person described by Section 242.032(d) has:

(1) violated this chapter or a rule, standard, or order
adopted or license issued under this chapter in either a repeated or substantial manner;

(2) committed any act described by Sections 242.066(a)(2)-(6); or

(3) failed to comply with Section 242.074.

(b) The status of a person as an applicant for a license or a license holder is preserved until final disposition of the contested matter, except as the court having jurisdiction of a judicial review of the matter may order in the public interest for the welfare and safety of the residents.

(c) The department may deny, suspend, or revoke the license of an institution if any person described by Section 242.032(d) has been excluded from holding a license under Section 242.0615.

(d) A court having jurisdiction of a judicial review of the matter may not order arbitration, whether on motion of any party or on the court's own motion, to resolve a dispute involving the denial, suspension, or revocation of a license under this section or the conduct with respect to which the denial, suspension, or revocation of the license is sought.

Sec. 242.0615. EXCLUSION. (a) The department, after providing notice and opportunity for a hearing, may exclude a person from eligibility for a license under this chapter if the person or any person described by Section 242.032(d) has substantially failed to comply with this chapter and the rules adopted under this chapter. The authority granted by this subsection is in addition to the authority to deny issuance of a license under Section 242.061(a).

(b) Exclusion of a person under this section must extend for a period of at least two years and may extend throughout the person's lifetime or existence.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.13, eff. Sept. 1, 1997.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 2.03, eff.
Sec. 242.062. EMERGENCY SUSPENSION OR CLOSING ORDER. (a) The department shall suspend an institution's license or order an immediate closing of part of the institution if:

(1) the department finds the institution is operating in violation of the standards prescribed by this chapter; and

(2) the violation creates an immediate threat to the health and safety of a resident.

(b) The board by rule shall provide for the placement of residents during the institution's suspension or closing to ensure their health and safety.

(c) An order suspending a license or closing a part of an institution under this section is immediately effective on the date on which the license holder receives written notice or a later date specified in the order.

(d) An order suspending a license or ordering an immediate closing of a part of an institution is valid for 10 days after the effective date of the order.

(e) A court having jurisdiction of a judicial review of the matter may not order arbitration, whether on motion of any party or on the court's own motion, to resolve a dispute involving an emergency suspension or closing order under this section or the conduct with respect to which the emergency suspension or closing order is sought.

Sec. 242.063. INJUNCTION. (a) The department may petition a district court for:

(1) a temporary restraining order to restrain a person from a violation or threatened violation of the standards imposed under this chapter or any other law affecting residents if the department reasonably believes that the violation or threatened violation creates an immediate threat to the health and safety of a resident;
(2) an injunction to restrain a person from a violation or threatened violation of the standards imposed under this chapter or by any other law affecting residents if the department reasonably believes that the violation or threatened violation creates a threat to the health and safety of a resident.

(b) A district court, on petition of the department, may by injunction:

(1) prohibit a person from violating the standards or licensing requirements prescribed by this chapter;
(2) restrain or prevent the establishment, conduct, management, or operation of an institution without a license issued under this chapter; or
(3) grant the injunctive relief warranted by the facts on a finding by the court that a person is violating or threatening to violate the standards or licensing requirements prescribed by this chapter.

(c) The attorney general, on request by the department, shall institute and conduct in the name of the state a suit authorized by this section or Subchapter D.

(d) A suit for a temporary restraining order or other injunctive relief must be brought in the county in which the alleged violation occurs.

(e) Repealed by Acts 2003, 78th Leg., ch. 198, Sec. 2.58(b).

Sec. 242.064. LICENSE REQUIREMENT; CRIMINAL PENALTY. (a) A person commits an offense if the person violates Section 242.031.

(b) An offense under this section is punishable by a fine of not more than $1,000 for the first offense and not more than $500 for each subsequent offense.

(c) Each day of a continuing violation after conviction is a separate offense.

Sec. 242.065. CIVIL PENALTY. (a) A person who violates or causes a violation of this chapter or a rule adopted under this chapter is liable for a civil penalty of not less than $1,000 or more than $20,000 for each act of violation if the department determines the violation threatens the health and safety of a resident.

(b) In determining the amount of a penalty to be awarded under this section, the trier of fact shall consider:

(1) the seriousness of the violation;
(2) the history of violations committed by the person or the person's affiliate, employee, or controlling person;
(3) the amount necessary to deter future violations;
(4) the efforts made to correct the violation;
(5) any misrepresentation made to the department or to another person regarding:
   (A) the quality of services rendered or to be rendered to residents;
   (B) the compliance history of the institution or any institutions owned or controlled by an owner or controlling person of the institution; or
   (C) the identity of an owner or controlling person of the institution;
(6) the culpability of the individual who committed the violation; and
(7) any other matter that should, as a matter of justice or equity, be considered.

(c) Each day of a continuing violation constitutes a separate ground for recovery.

(d) Any party to a suit under this section may request a jury.

(e) If a person who is liable under this section fails to pay any amount the person is obligated to pay under this section, the state may seek satisfaction from any owner, other controlling person, or affiliate of the person found liable. The owner, other controlling person, or affiliate may be found liable in the same suit or in another suit on a showing by the state that the amount to be paid has not been paid or otherwise legally discharged. The department by rule may establish a method for satisfying an obligation imposed under this section from an insurance policy, letter of credit, or other contingency fund.

(f) On request by the department, the attorney general may institute an action in a district court to collect a civil penalty
under this section.

(g) A payment made to satisfy an obligation under this section is not an allowable cost for reimbursement under the state Medicaid program.

(h) A civil penalty awarded under this section constitutes a fine, penalty, or forfeiture payable to and for the benefit of a government unit and is not compensation for actual pecuniary loss.

(i) In this section, "affiliate" means:

1. with respect to a partnership other than a limited partnership, each partner of the partnership;
2. with respect to a corporation:
   (A) an officer;
   (B) a director;
   (C) a stockholder who owns, holds, or has the power to vote at least 10 percent of any class of securities issued by the corporation, regardless of whether the power is of record or beneficial; and
   (D) a controlling individual;
3. with respect to an individual:
   (A) each partnership and each partner in the partnership in which the individual or any other affiliate of the individual is a partner; and
   (B) each corporation or other business entity in which the individual or another affiliate of the individual is:
      (i) an officer;
      (ii) a director;
      (iii) a stockholder who owns, holds, or has the power to vote at least 10 percent of any class of securities issued by the corporation, regardless of whether the power is of record or beneficial; and
      (iv) a controlling individual;
4. with respect to a limited partnership:
   (A) a general partner; and
   (B) a limited partner who is a controlling individual;
5. with respect to a limited liability company:
   (A) an owner who is a manager as described by the Texas Limited Liability Company Act (Article 1528n, Vernon's Texas Civil Statutes); and
   (B) each owner who is a controlling individual; and
6. with respect to any other business entity, a
controlling individual.

Sec. 242.066. ADMINISTRATIVE PENALTY. (a) The department may assess an administrative penalty against a person who:
(1) violates this chapter or a rule, standard, or order adopted or license issued under this chapter;
(2) makes a false statement, that the person knows or should know is false, of a material fact:
   (A) on an application for issuance or renewal of a license or in an attachment to the application; or
   (B) with respect to a matter under investigation by the department;
(3) refuses to allow a representative of the department to inspect:
   (A) a book, record, or file required to be maintained by an institution; or
   (B) any portion of the premises of an institution;
(4) wilfully interferes with the work of a representative of the department or the enforcement of this chapter;
(5) wilfully interferes with a representative of the department preserving evidence of a violation of this chapter or a rule, standard, or order adopted or license issued under this chapter;
(6) fails to pay a penalty assessed by the department under this chapter not later than the 10th day after the date the assessment of the penalty becomes final; or
(7) fails to notify the department of a change of ownership before the effective date of the change of ownership.

(b) Except as provided by Subsection (f) and Section 242.0665(c), the penalty may not exceed $10,000 a day for each violation.

(c) Each day of a continuing violation constitutes a separate violation.

(d) The board shall establish gradations of penalties in
accordance with the relative seriousness of the violation.

(e) In determining the amount of a penalty, the department shall consider any matter that justice may require, including:

(1) the gradations of penalties established under Subsection (d);

(2) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the prohibited act and the hazard or potential hazard created by the act to the health or safety of the public;

(3) the history of previous violations;

(4) deterrence of future violations; and

(5) efforts to correct the violation.

(f) The penalty for a violation of Section 242.072(c) or a right of a resident adopted under Subchapter L may not exceed $1,000 a day for each violation. This subsection does not apply to conduct that violates both Subchapter K or a standard adopted under Subchapter K and a right of a resident adopted under Subchapter L.

(g) The persons against whom an administrative penalty may be assessed under Subsection (a) include:

(1) an applicant for a license under this chapter;

(2) a license holder;

(3) a partner, officer, director, or managing employee of a license holder or applicant; and

(4) a person who controls an institution.

(h) A penalty assessed under Subsection (a)(6) is in addition to the penalty previously assessed and not timely paid.

Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 12, eff. September 1, 2007.

Sec. 242.0663. VIOLATION OF LAW RELATING TO ADVANCE DIRECTIVES.

(a) The department shall assess an administrative penalty under this subchapter against an institution that violates Section 166.004.

(b) Notwithstanding Sections 242.066(b) and (c), a penalty assessed in accordance with this section shall be $500 and a separate
penalty may not be assessed for a separate day of a continuing violation.

(c) Section 242.0665 does not apply to a penalty assessed in accordance with this section.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 2.04, eff. Sept. 1, 1999.

Sec. 242.0665. RIGHT TO CORRECT. (a) The department may not collect an administrative penalty against an institution under this subchapter if, not later than the 45th day after the date the institution receives notice under Section 242.067(c), the institution corrects the violation.

(b) Subsection (a) does not apply:
(1) to a violation that the department determines:
   (A) results in serious harm to or death of a resident;
   (B) constitutes a serious threat to the health or safety of a resident; or
   (C) substantially limits the institution's capacity to provide care;
(2) to a violation described by Sections 242.066(a)(2)-(7);
(3) to a violation of Section 260A.014 or 260A.015; or
(4) to a violation of a right of a resident adopted under Subchapter L.

(c) An institution that corrects a violation under Subsection (a) must maintain the correction. If the institution fails to maintain the correction until at least the first anniversary of the date the correction was made, the department may assess an administrative penalty under this subchapter for the subsequent violation. A penalty assessed under this subsection shall be equal to three times the amount of the penalty assessed but not collected under Subsection (a). The department is not required to provide the institution an opportunity to correct the subsequent violation under this section.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 13, eff.
Sec. 242.067. REPORT RECOMMENDING ADMINISTRATIVE PENALTY. (a) The department may issue a preliminary report stating the facts on which it concludes that a violation of this chapter or a rule, standard, or order adopted or license issued under this chapter has occurred if it has:

(1) examined the possible violation and facts surrounding the possible violation; and

(2) concluded that a violation has occurred.

(b) The report may recommend a penalty under Section 242.069 and the amount of the penalty.

(c) The department shall give written notice of the report to the person charged with the violation not later than the 10th day after the date on which the report is issued. The notice must include:

(1) a brief summary of the charges;

(2) a statement of the amount of penalty recommended;

(3) a statement of whether the violation is subject to correction under Section 242.0665 and, if the violation is subject to correction under that section, a statement of:

(A) the date on which the institution must file with the department a plan of correction to be approved by the department; and

(B) the date on which the plan of correction must be completed to avoid assessment of the penalty; and

(4) a statement that the person charged has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

(d) Not later than the 20th day after the date on which the notice under Subsection (c) is sent, the person charged may:

(1) give to the department written consent to the department's report, including the recommended penalty;

(2) make a written request for a hearing; or

(3) if the violation is subject to correction under Section 242.0665, submit a plan of correction to the department for approval.

(e) If the violation is subject to correction under Section
and the person reports to the department that the violation has been corrected, the department shall inspect the correction or take any other step necessary to confirm that the violation has been corrected and shall notify the person that:

1) the correction is satisfactory and that a penalty is not assessed; or
2) the correction is not satisfactory and that a penalty is recommended.

(f) Not later than the 20th day after the date on which a notice under Subsection (e)(2) is sent, the person charged may:

1) give to the department written consent to the department's report, including the recommended penalty; or
2) make a written request for a hearing.

(g) If the person charged with the violation consents to the administrative penalty recommended by the department, does not timely respond to a notice sent under Subsection (c) or (e), or fails to correct the violation to the department's satisfaction, the commissioner or the commissioner's designee shall assess the administrative penalty recommended by the department.

(h) If the commissioner or the commissioner's designee assesses the recommended penalty, the department shall give written notice to the person charged of the decision and the person shall pay the penalty.

Sec. 242.068. HEARINGS ON ADMINISTRATIVE PENALTIES. (a) An administrative law judge shall order a hearing and give notice of the hearing if a person charged under Section 242.067(c) requests a hearing.

(b) The hearing shall be held before an administrative law judge.

(c) The administrative law judge shall make findings of fact and conclusions of law regarding the occurrence of a violation of this chapter or a rule or order adopted or license issued under this chapter.

(d) Based on the findings of fact and conclusions of law, the
administrative law judge by order shall find:
   (1) a violation has occurred and assess an administrative
penalty; or
   (2) a violation has not occurred.
   (e) Proceedings under this section are subject to Chapter 2001,
Government Code.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), 8.088, eff. Sept. 1,

Sec. 242.069. NOTICE AND PAYMENT OF ADMINISTRATIVE PENALTY;
INTEREST; REFUND. (a) The commissioner shall give notice of the
decision taken under Section 242.068(d) to the person charged. If
the commissioner finds that a violation has occurred and has assessed
an administrative penalty, the commissioner shall give written notice
to the person charged of:
   (1) the findings;
   (2) the amount of the penalty;
   (3) the rate of interest payable with respect to the
penalty and the date on which interest begins to accrue;
   (4) whether payment of the penalty or other action under
Section 242.071 is required; and
   (5) the person's right to judicial review of the order.
   (b) Not later than the 30th day after the date on which the
commissioner's order is final, the person charged with the penalty
shall:
   (1) pay the full amount of the penalty; or
   (2) file a petition for judicial review contesting the
occurrence of the violation, the amount of the penalty, the failure
to correct the violation to the department's satisfaction, or all of
the above.
   (c) Notwithstanding Subsection (b), the department may permit
the person to pay the penalty in installments or may require the
person to use the amount of the penalty under the department's
supervision in accordance with Section 242.071.
   (d) If the person does not pay the penalty within the 30-day
period:
   (1) the penalty is subject to interest; and
(2) the department may refer the matter to the attorney general for collection of the penalty and interest.

(e) If a penalty is reduced or not assessed, the commissioner shall:

(1) remit to the person charged the appropriate amount of any penalty payment plus accrued interest; or

(2) execute a release of the supersedeas bond if one has been posted.

(f) Accrued interest on amounts remitted by the commissioner under Subsection (e)(1) shall be paid:

(1) at a rate equal to the rate charged on loans to depository institutions by the New York Federal Reserve Bank; and

(2) for the period beginning on the date the penalty is paid under Subsection (b) and ending on the date the penalty is remitted.

(g) Interest under Subsection (d) shall be paid:

(1) at a rate equal to the rate charged on loans to depository institutions by the New York Federal Reserve Bank; and

(2) for the period beginning on the date the notice of the commissioner's order is received by the person and ending on the date the penalty is paid.

Sec. 242.0695. USE OF ADMINISTRATIVE PENALTY. Money from an administrative penalty collected under this subchapter may be appropriated for the purpose of funding the grant program established under Section 161.074, Human Resources Code.

Added by Acts 2005, 79th Leg., Ch. 786 (S.B. 52), Sec. 2, eff. September 1, 2005.

Sec. 242.070. APPLICATION OF OTHER LAW. The department may not assess more than one monetary penalty under this chapter and Chapter 32, Human Resources Code, for a violation arising out of the same act or failure to act, except as provided by Section 242.0665(c). The
department may assess the greater of a monetary penalty under this chapter or a monetary penalty under Chapter 32, Human Resources Code, for the same act or failure to act.

Sec. 242.071. AMELIORATION OF VIOLATION. (a) In lieu of demanding payment of an administrative penalty assessed under Section 242.066, the commissioner may, in accordance with this section, allow the person to use, under the supervision of the department, any portion of the penalty to ameliorate the violation or to improve services, other than administrative services, in the institution affected by the violation.

(b) The department shall offer amelioration to a person for a charged violation if the department determines that the violation does not constitute immediate jeopardy to the health and safety of an institution resident.

(c) The department may not offer amelioration to a person if:
   (1) the person has been charged with a violation which is subject to correction under Section 242.0665; or
   (2) the department determines that the charged violation constitutes immediate jeopardy to the health and safety of an institution resident.

(d) The department shall offer amelioration to a person under this section not later than the 10th day after the date the person receives from the department a final notification of assessment of administrative penalty that is sent to the person after an informal dispute resolution process but before an administrative hearing under Section 242.068.

(e) A person to whom amelioration has been offered must file a plan for amelioration not later than the 45th day after the date the person receives the offer of amelioration from the department. In submitting the plan, the person must agree to waive the person's right to an administrative hearing under Section 242.068 if the department approves the plan.

(f) At a minimum, a plan for amelioration must:
(1) propose changes to the management or operation of the institution that will improve services to or quality of care of residents of the institution;

(2) identify, through measurable outcomes, the ways in which and the extent to which the proposed changes will improve services to or quality of care of residents of the institution;

(3) establish clear goals to be achieved through the proposed changes;

(4) establish a timeline for implementing the proposed changes; and

(5) identify specific actions necessary to implement the proposed changes.

(g) A plan for amelioration may include proposed changes to:

(1) improve staff recruitment and retention;

(2) offer or improve dental services for residents; and

(3) improve the overall quality of life for residents.

(h) The department may require that an amelioration plan propose changes that would result in conditions that exceed the requirements of this chapter or the rules adopted under this chapter.

(i) The department shall approve or deny an amelioration plan not later than the 45th day after the date the department receives the plan. On approval of a person's plan, the department shall deny a pending request for a hearing submitted by the person under Section 242.067(d).

(j) The department may not offer amelioration to a person:

(1) more than three times in a two-year period; or

(2) more than one time in a two-year period for the same or similar violation.

(k) In this section, "immediate jeopardy to health and safety" means a situation in which immediate corrective action is necessary because the institution's noncompliance with one or more requirements has caused, or is likely to cause, serious injury, harm, impairment, or death to a resident receiving care in the institution.

Sec. 242.072. OTHER REMEDIES. (a) If the commissioner finds that an institution has committed an act for which a civil penalty may be imposed under Section 242.065, the commissioner may, as appropriate under the circumstances, order the institution to immediately suspend admissions.

(b) A suspension of admissions ordered under Subsection (a) is effective on the date a representative of the institution receives notice of the order and of the manner in which the order may be appealed. The department must provide an opportunity for a hearing with respect to an appeal of the order not later than the 14th day after the date the suspension becomes effective.

(c) During the period that an institution is ordered to suspend admissions, the institution shall post a notice of the suspension on all doors providing ingress to and egress from the institution. The notice shall be posted in the form required by the department.

(d) A person commits an offense if the person knowingly:
   (1) violates Subsection (c); or
   (2) removes a notice posted under Subsection (c) before the facility is allowed to admit residents.

(e) An offense under Subsection (d) is a Class C misdemeanor.

(f) A court having jurisdiction of a judicial review of the matter may not order arbitration, whether on motion of any party or on the court's own motion, to resolve a dispute involving an order suspending admissions under this section or the conduct with respect to which the order suspending admissions is sought.

Sec. 242.073. LEGAL ACTION BY THE ATTORNEY GENERAL. (a) The department and the attorney general shall work in close cooperation throughout any legal proceedings requested by the department.

(b) The commissioner must approve any settlement agreement to a suit brought under this chapter or any other law relating to the health and safety of residents in institutions.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.19, eff. Sept. 1, 1997.
Sec. 242.074. NOTIFICATION OF CHANGE IN FINANCIAL CONDITION.  
(a) An institution shall notify the department of a significant change in the institution's financial position, cash flow, or results of operation that could adversely affect the institution's delivery of essential services, including nursing services, dietary services, and utilities, to residents of the institution.  
(b) The department may verify the financial condition of an institution in order to identify any risk to the institution's ability to deliver essential services.  
(c) A person that knowingly files false information under this section may be prosecuted under the Penal Code.  
(d) The department shall adopt rules to implement this section. The rules shall include the conditions that constitute a significant change in an institution's financial condition that are required to be reported under Subsection (a).  
(e) The information obtained by the department under this section is confidential and is not subject to disclosure under Chapter 552, Government Code. The department may release the information to:  
(1) the institution; or  
(2) a person other than the institution if the institution consents in writing to the disclosure.  
(f) A person who knowingly discloses information in violation of Subsection (e) commits an offense. An offense under this subsection is a Class A misdemeanor.  
(g) The provisions in Subsection (e) relating to the confidentiality of records do not apply to:  
(1) an institution whose license has been revoked or suspended; or  
(2) the use of information in an administrative proceeding initiated by the department or in a judicial proceeding.  

Added by Acts 1999, 76th Leg., ch. 452, Sec. 2.

SUBCHAPTER D. TRUSTEES FOR NURSING OR CONVALESCENT HOMES  
Sec. 242.091. FINDINGS AND PURPOSE. (a) The legislature finds that the closing of a nursing or convalescent home for violations of laws and rules may:  
(1) in certain circumstances, have an adverse effect on
both the home's residents and their families; and
(2) in some cases, result in a lack of readily available funds to meet the basic needs of the residents for food, shelter, medication, and personal services.

(b) The purpose of this subchapter is to provide for:
(1) the appointment of a trustee to assume the operations of the home in a manner that emphasizes resident care and reduces resident trauma; and
(2) a fund to assist a court-appointed trustee in meeting the basic needs of the residents.

Sec. 242.092. DEFINITION. In this subchapter, "home" means a nursing or convalescent home.

Sec. 242.093. APPOINTMENT BY AGREEMENT. (a) A person holding a controlling interest in a home may, at any time, request the department to assume the operation of the home through the appointment of a trustee under this subchapter.

(b) After receiving the request, the department may enter into an agreement providing for the appointment of a trustee to take charge of the home under conditions considered appropriate by both parties if the department considers the appointment desirable.

(c) An agreement under this section must:
(1) specify all terms and conditions of the trustee's appointment and authority; and
(2) preserve all rights of the residents as granted by law.

(d) The agreement terminates at the time specified by the parties or when either party notifies the other in writing that the party wishes to terminate the appointment agreement.

Sec. 242.094. INVOLUNTARY APPOINTMENT. (a) The department may request the attorney general to bring an action in the name and on
behalf of the state for the appointment of a trustee to operate a home if:

(1) the home is operating without a license;
(2) the department has suspended or revoked the home's license;
(3) license suspension or revocation procedures against the home are pending and the department determines that an imminent threat to the health and safety of the residents exists;
(4) the department determines that an emergency exists that presents an immediate threat to the health and safety of the residents; or
(5) the home is closing and arrangements for relocation of the residents to other licensed institutions have not been made before closure.

(b) A trustee appointed under Subsection (a)(5) may only ensure an orderly and safe relocation of the home's residents as quickly as possible.

(c) After a hearing, a court shall appoint a trustee to take charge of a home if the court finds that involuntary appointment of a trustee is necessary.

(d) If possible, the court shall appoint as trustee an individual whose background includes institutional medical administration.

Text of subsection (e) as added by Acts 1993, 73rd Leg., ch. 583, Sec. 2

(e) Venue for an action brought under this section is in Travis County.

Text of subsection (e) as added by Acts 1993, 73rd Leg., ch. 815, Sec. 3

(f) A court having jurisdiction of a judicial review of the matter may not order arbitration, whether on motion of any party or on the court's own motion, to resolve the legal issues of a dispute involving the:

(1) appointment of a trustee under this section; or
(2) conduct with respect to which the appointment of trustee is sought.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 242.0945. QUALIFICATIONS OF TRUSTEES. (a) A court may appoint a person to serve as a trustee under this subchapter only if the proposed trustee can demonstrate to the court that the proposed trustee will be:

(1) present at the home as required to perform the duties of a trustee; and

(2) available on call to appropriate staff at the home, the department, and the court as necessary during the time the trustee is not present at the home.

(b) A trustee shall report to the court in the event that the trustee is unable to satisfy the requirements of Subsection (a)(1) or (2).

(c) On the motion of any party or on the court's own motion, the court may replace a trustee who is unable to satisfy the requirements of Subsection (a)(1) or (2).

(d) A trustee's charges must separately identify personal hours worked for which compensation is claimed. A trustee's claim for personal compensation may include only compensation for activities related to the trusteeship and performed in or on behalf of the home.

Added by Acts 1999, 76th Leg., ch. 439, Sec. 1, eff. Sept. 1, 1999.

Sec. 242.0946. NEPOTISM PROHIBITION. A person serving as a trustee under this subchapter may not employ or otherwise appoint an individual to work with the trustee in the home who is related to the trustee within the third degree of consanguinity or affinity, as determined under Chapter 573, Government Code.

Added by Acts 1999, 76th Leg., ch. 439, Sec. 1, eff. Sept. 1, 1999.

Sec. 242.095. FEE; RELEASE OF FUNDS. (a) A trustee appointed under this subchapter is entitled to a reasonable fee as determined by the court. In determining the trustee's personal compensation for nursing facility administrator activities, the court shall consider
reasonable a rate that is equal to 150 percent of the maximum allowable rate for an owner-administrator under the state's Medicaid reimbursement rules. The court shall determine the reasonableness of the trustee's personal compensation for other duties. On the motion of any party, the court shall review the reasonableness of the trustee's fees. The court shall reduce the amount if the court determines that the fees are not reasonable.

(b) The trustee may petition the court to order the release to the trustee of any payment owed the trustee for care and services provided to the residents if the payment has been withheld, including a payment withheld by the Texas Department of Human Services at the recommendation of the department.

(c) Withheld payments may include payments withheld by a governmental agency or other entity during the appointment of the trustee, such as payments:

(1) for Medicaid, Medicare, or insurance;
(2) by another third party; or
(3) for medical expenses borne by the resident.

(d) If the department appoints a trustee under this subchapter for a veterans home as defined by Section 164.002, Natural Resources Code, the Veterans' Land Board is responsible for the trustee's fee under this section.

Sec. 242.096. NURSING AND CONVALESCENT HOME TRUST FUND AND EMERGENCY ASSISTANCE FUNDS. (a) The nursing and convalescent home trust fund is with the comptroller and shall be made available to the department for expenditures without legislative appropriation to make emergency assistance funds available to a home.

(b) A trustee of a home may use the emergency assistance funds only to alleviate an immediate threat to the health or safety of the residents. The use may include payments for:

(1) food;
(2) medication;
(3) sanitation services;
(4) minor repairs;
(5) supplies necessary for personal hygiene; or
(6) services necessary for the personal care, health, and safety of the residents.

(c) A court may order the department to disburse emergency assistance funds to a home if the court finds that:
(1) the home has inadequate funds accessible to the trustee for the operation of the home;
(2) there exists an emergency that presents an immediate threat to the health and safety of the residents; and
(3) it is in the best interests of the health and safety of the residents that funds are immediately available.

(d) The department shall disburse money from the nursing and convalescent home trust fund as ordered by the court in accordance with board rules.

(e) Any unencumbered amount in the nursing and convalescent home trust fund in excess of $10,000,000 at the end of each fiscal year shall be transferred to the credit of the general revenue fund and may be appropriated only to the department for its use in administering and enforcing this chapter.

Sec. 242.0965. ASSISTED LIVING FACILITY TRUST FUND AND EMERGENCY ASSISTANCE FUNDS. (a) The assisted living facility trust fund is a trust fund with the comptroller and shall be made available to the department for expenditures without legislative appropriation to make emergency assistance funds available to an assisted living facility.

(b) A trustee of an assisted living facility may use the emergency assistance funds only to alleviate an immediate threat to the health or safety of the residents. The use may include payments for:

(1) food;
(2) medication;
(3) sanitation services;
(4) minor repairs;
(5) supplies necessary for personal hygiene; or
(6) services necessary for the personal care, health, and safety of the residents.

(c) A court may order the department to disburse emergency assistance funds to an assisted living facility if the court finds that:

(1) the assisted living facility has inadequate funds accessible to the trustee for the operation of the assisted living facility;

(2) an emergency exists that presents an immediate threat to the health and safety of the residents; and

(3) it is in the best interests of the health and safety of the residents that funds are immediately available.

(d) The department shall disburse money from the assisted living facility trust fund as ordered by the court in accordance with board rules.

(e) Any unencumbered amount in the assisted living facility trust fund in excess of $500,000 at the end of each fiscal year shall be transferred to the credit of the general revenue fund and may be appropriated only to the department for its use in administering and enforcing Chapter 247.

Sec. 242.097. ADDITIONAL LICENSE FEE--NURSING AND CONVALESCENT HOMES. (a) In addition to the license fee provided by Section 242.034, the department shall adopt an annual fee to be charged and collected if the amount of the nursing and convalescent home trust fund is less than $10,000,000. The fee shall be deposited to the credit of the nursing and convalescent home trust fund created by this subchapter.

(b) The department may charge and collect a fee under this section more than once each year only if necessary to ensure that the amount in the nursing and convalescent home trust fund is sufficient to make the disbursements required under Section 242.096. If the department makes a second or subsequent assessment under this subsection in any year, the department shall notify the governor and the members of the Legislative Budget Board.
(c) The department shall set the fee for each nursing and convalescent home at $1 for each licensed unit of capacity or bed space in that home or in an amount necessary to provide not more than $10,000,000 in the fund. The total fees assessed in a year may not exceed $20 for each licensed unit of capacity or bed space in a home.

(d) This section does not apply to a veterans home as defined by Section 164.002, Natural Resources Code.

Sec. 242.0975. ADDITIONAL LICENSE FEE--ASSISTED LIVING FACILITIES. (a) In addition to the license fee provided by Section 247.024, the department shall adopt an annual fee to be charged and collected if the amount of the assisted living facility trust fund is less than $500,000. The fee shall be deposited to the credit of the assisted living facility trust fund created by this subchapter.

(b) The department may charge and collect a fee under this section more than once each year only if necessary to ensure that the amount in the assisted living facility trust fund is sufficient to make the disbursements required under Section 242.0965. If the department makes a second or subsequent assessment under this subsection in any year, the department shall notify the governor and the Legislative Budget Board.

(c) The department shall set the fee on the basis of the number of beds in assisted living facilities required to pay the fee and in an amount necessary to provide not more than $500,000 in the assisted living facility trust fund.

Sec. 242.098. REIMBURSEMENT. (a) A home that receives emergency assistance funds under this subchapter shall reimburse the
department for the amounts received, including interest.

(b) Interest on unreimbursed amounts begins to accrue on the date on which the funds were disbursed to the home. The rate of interest is the rate determined under Section 304.003, Finance Code, to be applicable to judgments rendered during the month in which the money was disbursed to the home.

(c) The owner of the home when the trustee was appointed is responsible for the reimbursement.

(d) The amount that remains unreimbursed on the expiration of one year after the date on which the funds were received is delinquent and the Texas Department of Human Services may determine that the home is ineligible for a Medicaid provider contract.

(e) The department shall deposit the reimbursement and interest received under this section to the credit of the nursing and convalescent home trust fund.

(f) The attorney general shall institute an action to collect the funds due under this section at the request of the department. Venue for an action brought under this section is in Travis County.

Sec. 242.099. APPLICABILITY OF OTHER LAW. Subtitle D, Title 10, Government Code does not apply to any payments made by a trustee under this subchapter.

Sec. 242.100. NOTIFICATION OF CLOSING. (a) A home that is closing temporarily or permanently, or voluntarily or involuntarily, shall notify the residents of the closing and make reasonable efforts to notify in writing each resident's nearest relative or the person responsible for the resident's support within a reasonable time before the closing.

(b) If the closing of a home is ordered by the department or is in any other way involuntary, the home shall make the notification, orally or in writing, immediately on receiving notice of the closing.
(c) If the closing of a home is voluntary, the home shall make the notification not later than one week after the date on which the decision to close is made.

Sec. 242.101. CRIMINAL PENALTY. (a) A home commits an offense if the home fails or refuses to comply with Section 242.100.

(b) An offense under this section is a Class A misdemeanor.

Sec. 242.102. INELIGIBILITY FOR LICENSE. (a) A license holder or controlling person who operates a home for which a trustee is appointed under this subchapter and with respect to which emergency assistance funds, other than funds used to pay the expenses of the trustee, are used under this subchapter is subject to exclusion from eligibility for:

(1) issuance of an original license for a home for which the person has not previously held a license; or

(2) renewal of the license for the home for which the trustee is appointed.

(b) Exclusion under this section is governed by Section 242.0615.

Added by Acts 1999, 76th Leg., ch. 439, Sec. 3, eff. Sept. 1, 1999.

SUBCHAPTER F. MEDICAL, NURSING, AND DENTAL SERVICES OTHER THAN ADMINISTRATION OF MEDICATION

Sec. 242.151. PHYSICIAN SERVICES. (a) An institution shall have at least one medical director who is licensed as a physician in this state.

(b) The attending physician is responsible for a resident's assessment and comprehensive plan of care and shall review, revise, and sign orders relating to any medication or treatment in the plan of care. The responsibilities imposed on the attending physician by this subsection may be performed by an advanced practice nurse or a physician assistant pursuant to protocols jointly developed with the
attending physician.

(c) Each resident has the right to choose a personal attending physician.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.152. PHYSICIAN SERVICES FOR RESIDENTS YOUNGER THAN 18 YEARS OF AGE. (a) An institution shall use appropriate pediatric consultative services for a resident younger than 18 years of age, in accordance with the resident's assessment and comprehensive plan of care.

(b) A pediatrician or other physician with training or expertise in the clinical care of children with complex medical needs shall participate in all aspects of the resident's medical care.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.153. DIRECTOR OF NURSING SERVICES. An institution shall have a director of nursing services who shall be a registered nurse. The director of nursing services is responsible for:

(1) coordinating each resident's comprehensive plan of care; and

(2) ensuring that only personnel with an appropriate license or permit administer medication.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.154. NURSING SERVICES. (a) An institution shall provide the nursing care required to allow each resident to achieve and maintain the highest possible degree of function and independence medically possible.

(b) The institution shall maintain sufficient staff to provide nursing and related services:

(1) in accordance with each resident's plan of care; and

(2) to obtain and maintain the physical, mental, and
psychosocial functions of each resident at the highest practicable level, as determined by the resident's assessment and plan of care.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.155. PEDIATRIC NURSING SERVICES. An institution shall ensure that:

(1) nursing services for a resident younger than 18 years of age are provided by a staff member who has been instructed and has demonstrated competence in the care of children; and

(2) consultative pediatric nursing services are available to the staff if the institution has a resident younger than 18 years of age.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.156. REQUIRED MEDICAL EXAMINATION. (a) Except as required by federal law, the department shall require that each resident be given at least one medical examination each year.

(b) The department shall specify the details of the examination.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.157. DENTAL EXAMINATION. (a) The department shall require that each resident of an institution or the resident's custodian be asked at least once each year if the resident desires a dental examination and possible treatment at the resident's own expense.

(b) Each institution shall be encouraged to use all reasonable efforts to arrange for a dental examination for each resident who desires one.

(c) The institution is not liable for any costs relating to a dental examination under this section.
Sec. 242.158. IDENTIFICATION OF CERTAIN NURSING HOME RESIDENTS REQUIRING MENTAL HEALTH OR MENTAL RETARDATION SERVICES. (a) Each resident of a nursing home who is considering making a transition to a community-based care setting shall be identified to determine the presence of a mental illness or mental retardation, regardless of whether the resident is receiving treatment or services for a mental illness or mental retardation.

(b) In identifying residents having a mental illness or mental retardation, the department shall use an identification process that is at least as effective as the mental health and mental retardation identification process established by federal law. The results of the identification process may not be used to prevent a resident from remaining in the nursing home unless the nursing home is unable to provide adequate care for the resident.

(c) The department shall compile and provide to the Texas Department of Mental Health and Mental Retardation information regarding each resident identified as having a mental illness or mental retardation before the resident makes a transition from the nursing home to a community-based care setting.

(d) The Texas Department of Mental Health and Mental Retardation shall use the information provided under Subsection (c) solely for the purposes of:

(1) determining the need for and funding levels of mental health and mental retardation services for residents making a transition from a nursing home to a community-based care setting;

(2) providing mental health or mental retardation services to an identified resident after the resident makes that transition; and

(3) referring an identified resident to a local mental health or mental retardation authority or private provider for additional mental health or mental retardation services.

(e) This section does not authorize the department to decide for a resident of a nursing home that the resident will make a transition from the nursing home to a community-based care setting.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.159. AUTOMATED EXTERNAL DEFIBRILLATORS. (a) An institution shall have available for use at the institution an automated external defibrillator, as defined by Section 779.001, and shall comply with the training, use, and notification requirements of Chapter 779.

(b) An institution that does not have funds available for purposes of Subsection (a) may solicit gifts, grants, or donations to purchase or maintain an automated external defibrillator for use at the institution.

(c) The use of an automated external defibrillator must be consistent with a resident's advance directive executed or issued under Subchapter C, Chapter 166.

(d) Notwithstanding Section 74.151(b), Civil Practice and Remedies Code, Section 74.151(a), Civil Practice and Remedies Code, applies to administration of emergency care using an automated external defibrillator by an employee or volunteer at an institution.

(e) An institution shall employ at least one person who is trained in the proper use of an automated external defibrillator.

(e-1) An institution is not required to comply with Subsections (a) and (e) until September 1, 2014. This subsection expires January 1, 2015.

Added by Acts 2009, 81st Leg., R.S., Ch. 257 (H.B. 392), Sec. 1, eff. September 1, 2009.
Amended by:
Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(b), eff. September 28, 2011.

SUBCHAPTER G. RESPITE CARE

Sec. 242.181. DEFINITIONS. In this subchapter:

(1) "Handicapped person" means a person whose physical or mental functioning is impaired to the extent that the person needs medical attention, counseling, physical therapy, therapeutic or corrective equipment, or another person's attendance and supervision.

(2) "Plan of care" means a written description of the medical care or the supervision and nonmedical care needed by a person during respite care.

Statute text rendered on: 3/14/2015 - 1196 -
Respite care means the provision by an institution to a person, for not more than two weeks for each stay in the institution, of:

(A) room and board; and

(B) care at the level ordinarily provided for permanent residents.

Sec. 242.182. RESPITE CARE. (a) An institution licensed under this chapter may provide respite care for an elderly or handicapped person according to a plan of care.

(b) The board may adopt rules for the regulation of respite care provided by an institution licensed under this chapter.

Sec. 242.183. PLAN OF CARE. (a) The institution and the person arranging the care must agree on the plan of care and the plan must be filed at the institution before the institution admits the person for the care.

(b) The plan of care must be signed by:

(1) a licensed physician if the person for whom the care is arranged needs medical care or treatment; or

(2) the person arranging for the respite care if medical care or treatment is not needed.

(c) The institution may keep an agreed plan of care for a person for not longer than six months from the date on which it is received. During that period, the institution may admit the person as frequently as is needed and as accommodations are available.

Sec. 242.184. NOTIFICATION. An institution that offers respite care shall notify the department in writing that it offers respite care.

Sec. 242.185. INSPECTIONS. The department, at the time of an ordinary licensing inspection or at other times determined necessary by the department, shall inspect an institution's records of respite care services, physical accommodations available for respite care, and the plan of care records to ensure that the respite care services comply with the licensing standards of this chapter and with any rules the board may adopt to regulate respite care services.

Sec. 242.186. SUSPENSION. (a) The department may require an institution to cease providing respite care if the department determines that the respite care does not meet the standards required by this chapter and that the institution cannot comply with those standards in the respite care it provides.

(b) The department may suspend the license of an institution that continues to provide respite care after receiving a written order from the department to cease.

SUBCHAPTER H. CARE FOR RESIDENTS WITH ALZHEIMER'S DISEASE AND RELATED DISORDERS

Sec. 242.201. SCOPE OF SUBCHAPTER. This subchapter applies only to an institution that advertises, markets, or otherwise promotes that the institution provides services to residents with Alzheimer's disease and related disorders.

Added by Acts 1995, 74th Leg., ch. 38, Sec. 1, eff. May 5, 1995.

Sec. 242.202. DISCLOSURE REQUIRED. (a) An institution covered by this subchapter shall provide a disclosure statement disclosing the nature of its care or treatment of residents with Alzheimer's disease and related disorders to:

(1) an individual seeking placement as a resident with Alzheimer's disease or a related disorder;
(2) an individual attempting to place another individual as a resident with Alzheimer's disease or a related disorder; or

(3) a person seeking information about the institution's care or treatment of residents with Alzheimer's disease and related disorders.

(b) The disclosure statement must be displayed with the institution's license as it is posted under Section 242.042.

(c) The institution must file the disclosure statement with the department as part of the report filed under Section 242.033(d). The department shall verify contents of the disclosure statement as part of the license renewal process.

(d) The disclosure statement must contain the following categories of information:

1. the institution's philosophy of care;
2. the preadmission, admission, and discharge process;
3. resident assessment, care planning, and implementation of the care plan;
4. staffing patterns, such as resident-to-staff ratios, and staff training;
5. the physical environment of the institution;
6. resident activities;
7. program costs;
8. systems for evaluation of the institution's programs for residents;
9. family involvement in resident care; and
10. the toll-free telephone number maintained by the department for acceptance of complaints against the institution.

(e) The institution must update the disclosure statement as needed to reflect changes in the operation of the institution.

Added by Acts 1995, 74th Leg., ch. 38, Sec. 1, eff. May 5, 1995.

Sec. 242.203. VIOLATION. (a) An institution that violates this subchapter is subject to an administrative penalty under Subchapter C.

(b) The department may not revoke or suspend the license of an institution for a violation of this subchapter.

Added by Acts 1995, 74th Leg., ch. 38, Sec. 1, eff. May 5, 1995.
Sec. 242.204. RULES. The board shall adopt rules governing:
(1) the content of the disclosure statement required by this subchapter, consistent with the information categories required by Section 242.202(d); and
(2) the amount of an administrative penalty to be assessed for a violation of this subchapter.

Added by Acts 1995, 74th Leg., ch. 38, Sec. 1, eff. May 5, 1995.

SUBCHAPTER H-1. AUTOMATED MEDICAID PATIENT CARE AND REIMBURSEMENT SYSTEM

Sec. 242.221. AUTOMATED SYSTEM FOR MEDICAID PATIENT CARE AND REIMBURSEMENT. (a) The department shall acquire and develop an automated system for providing reimbursements to nursing facilities under the state Medicaid program, subject to the availability of funds appropriated for that purpose.

(b) The department shall select an automated system that will allow the addition of other components of the state Medicaid program, including components administered by other state agencies.

(c) The department and the Health and Human Services Commission shall work together to apply for all available federal funds to help pay for the automated system.

(d) To the extent possible, the department shall assist nursing facilities to make systems compatible with the automated system selected by the department.

(e) The department shall charge a fee to nursing facilities that do not receive their Medicaid reimbursements electronically. The department shall set the fee in an amount necessary to cover the costs of manually processing and sending the reimbursements.

Sec. 242.222. DATA USED BY SYSTEM. The automated patient care and reimbursement system must use a form designed by the United States Health Care Financing Administration for nursing facility use.
Sec. 242.223. FREQUENCY OF DATA SUBMISSION. Nursing facilities must complete and electronically submit the designated form to the department at least quarterly for reimbursement.

Added by Acts 1997, 75th Leg., ch. 530, Sec. 1, eff. Sept. 1, 1997.

Sec. 242.224. ELECTRONIC CLAIMS FOR REIMBURSEMENT. The automated reimbursement system must be able to link the department electronically with nursing facilities making claims for reimbursement. When the system is operational, each nursing facility shall make claims electronically.

Sec. 242.225. DATE OF REIMBURSEMENT. The department shall pay Medicaid nursing facility reimbursement claims that are made electronically not later than the 30th day after the date the claim is made.

Sec. 242.226. RULES. The department shall adopt rules and make policy changes as necessary to improve the efficiency of the reimbursement process and to maximize the automated reimbursement system's capabilities.
SUBCHAPTER H-2. ARBITRATION OF CERTAIN DISPUTES

Sec. 242.251. SCOPE OF SUBCHAPTER. This subchapter applies to any dispute between an institution licensed under this chapter and the department relating to:

(1) renewal of a license under Section 242.033;
(2) suspension or revocation of a license under Section 242.061;
(3) assessment of a civil penalty under Section 242.065;
(4) assessment of a monetary penalty under Section 242.066;
or
(5) assessment of a penalty as described by Section 32.021(k), Human Resources Code.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.252. ELECTION OF ARBITRATION. (a) Except as provided by Subsection (d), an affected institution may elect binding arbitration of any dispute to which this subchapter applies. Arbitration under this subchapter is an alternative to a contested case hearing or to a judicial proceeding relating to the assessment of a civil penalty.

(b) An affected institution may elect arbitration under this subchapter by filing the election with the court in which the lawsuit is pending and sending notice of the election to the department and the office of the attorney general. The election must be filed not later than the 10th day after the date on which the answer is due or the date on which the answer is filed, whichever is sooner. If a civil penalty is requested after the initial filing of a Section 242.094 lawsuit through the filing of an amended or supplemental pleading, an affected institution must elect arbitration not later than the 10th day after the date on which the amended or supplemental
pleading is served on the affected institution or its counsel.

(c) The department may elect arbitration under this subchapter by filing the election with the court in which the lawsuit is pending and by notifying the institution of the election not later than the date that the institution may elect arbitration under Subsection (b).

(d) Arbitration may not be used to resolve a dispute related to an affected institution that has had an award levied against it in the previous five years.

(e) If arbitration is not permitted under this subchapter or the election of arbitration is not timely filed:

1. the court will dismiss the arbitration election and retain jurisdiction of the lawsuit; and

2. the State Office of Administrative Hearings shall dismiss the arbitration and has no jurisdiction over the lawsuit.

(f) An election to engage in arbitration under this subchapter is irrevocable and binding on the institution and the department.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.253. ARBITRATION PROCEDURES. (a) The arbitration shall be conducted by an arbitrator.

(b) The arbitration and the appointment of the arbitrator shall be conducted in accordance with rules adopted by the chief administrative law judge of the State Office of Administrative Hearings. Before adopting rules under this subsection, the chief administrative law judge shall consult with the department and shall consider appropriate rules developed by any nationally recognized association that performs arbitration services.

(c) The party that elects arbitration shall pay the cost of the arbitration. The total fees and expenses paid for an arbitrator for a day may not exceed $500.

(d) The State Office of Administrative Hearings may designate a nationally recognized association that performs arbitration services to conduct arbitrations under this subchapter and may, after consultation with the department, contract with that association for the arbitrations.

(e) On request by the department, the attorney general may
represent the department in the arbitration.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.254. ARBITRATOR; QUALIFICATIONS. Each arbitrator must be on an approved list of a nationally recognized association that performs arbitration services or be otherwise qualified as provided in the rules adopted under Section 242.253(b).

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.255. ARBITRATOR; SELECTION. The arbitrator shall be appointed in accordance with the rules adopted under Section 242.253(b).

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.256. DUTIES OF ARBITRATOR. The arbitrator shall:
    (1) protect the interests of the department and the institution;
    (2) ensure that all relevant evidence has been disclosed to the arbitrator, department, and institution; and
    (3) render an order consistent with this chapter and the rules adopted under this chapter.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.257. SCHEDULING OF ARBITRATION. (a) The arbitrator conducting the arbitration shall schedule arbitration to be held not
later than the 90th day after the date the arbitrator is selected and shall notify the department and the institution of the scheduled date.

(b) The arbitrator may grant a continuance of the arbitration at the request of the department or institution. The arbitrator may not unreasonably deny a request for a continuance.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.258. EXCHANGE AND FILING OF INFORMATION. Not later than the seventh day before the first day of arbitration, the department and the institution shall exchange and file with the arbitrator:

(1) all documentary evidence not previously exchanged and filed that is relevant to the dispute; and

(2) information relating to a proposed resolution of the dispute.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.259. ATTENDANCE REQUIRED. (a) The arbitrator may proceed in the absence of any party or representative of a party who, after notice of the proceeding, fails to be present or to obtain a postponement.

(b) An arbitrator may not make an order solely on the default of a party and shall require the party who is present to submit evidence, as required by the arbitrator, before making an award.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.260. TESTIMONY; RECORD. (a) The arbitrator may require witnesses to testify under oath and shall require testimony
under oath if requested by the department or the institution.

(b) The department shall make an electronic recording of the proceeding.

(c) An official stenographic record of the proceeding is not required, but the department or the institution may make a stenographic record. The party that makes the stenographic record shall pay the expense of having the record made.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.261. EVIDENCE. (a) The department or the institution may offer evidence as they desire and shall produce additional evidence as the arbitrator considers necessary to understand and resolve the dispute.

(b) The arbitrator is the judge of the relevance and materiality of the evidence offered. Strict conformity to rules applicable to judicial proceedings is not required.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.262. CLOSING STATEMENTS; BRIEFS. The department and the institution may present closing statements as they desire, but the record may not remain open for written briefs unless requested by the arbitrator.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.263. EX PARTE CONTACTS PROHIBITED. (a) Except as provided by Subsection (b), the department and the institution may not communicate with an arbitrator other than at an oral hearing unless the parties and the arbitrator agree otherwise.

(b) Any oral or written communication, other than a
communication authorized under Subsection (a), from the parties to an
arbitrator shall be directed to the association that is conducting
the arbitration or, if there is no association conducting the
arbitration, to the State Office of Administrative Hearings, for
transmittal to the arbitrator.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242
by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26),
eff. September 1, 2011.

Sec. 242.264. ORDER. (a) The arbitrator may enter any order
that may be entered by the department, board, commissioner, or court
under this chapter in relation to a dispute described by Section
242.251.

(b) The arbitrator shall enter the order not later than the
60th day after the last day of the arbitration.

(c) The arbitrator shall base the order on the facts
established at arbitration, including stipulations of the parties,
and on the law as properly applied to those facts.

(d) The order must:
(1) be in writing;
(2) be signed and dated by the arbitrator; and
(3) include a statement of the arbitrator's decision on the
contested issues and the department's and institution's stipulations
on uncontested issues.

(e) The arbitrator shall file a copy of the order with the
department and shall notify the department and the institution in
writing of the decision.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242
by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26),
eff. September 1, 2011.

Sec. 242.265. EFFECT OF ORDER. An order of an arbitrator under
this subchapter is final and binding on all parties. Except as
provided by Section 242.267, there is no right to appeal.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242
by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26),
Sec. 242.266.  CLERICAL ERROR.  For the purpose of correcting a clerical error, an arbitrator retains jurisdiction of the award for 20 days after the date of the award.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.267.  COURT VACATING ORDER.  (a) On a finding described by Subsection (b), a court shall:
(1) on application of an institution, vacate an arbitrator's order with respect to an arbitration conducted at the election of the department; or
(2) on application of the department, vacate an arbitrator's order with respect to an arbitration conducted at the election of an institution.

(b) A court shall vacate an arbitrator's order under Subsection (a) only on a finding that:
(1) the order was procured by corruption, fraud, or misrepresentation;
(2) the decision of the arbitrator was arbitrary or capricious and against the weight of the evidence; or
(3) the order exceeded the jurisdiction of the arbitrator under Section 242.264(a).

(c) If the order is vacated, the dispute shall be remanded to the department for another arbitration proceeding.

(d) A suit to vacate an arbitrator's order must be filed not later than the 30th day after:
(1) the date of the award; or
(2) the date the institution or department knew or should have known of a basis for suit under this section, but in no event later than the first anniversary of the date of the order.

(e) Venue for a suit to vacate an arbitrator's order is in the county in which the arbitration was conducted.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.
Sec. 242.268. NO ARBITRATION IN CASE OF EMERGENCY ORDER OR CLOSING ORDER. This subchapter does not apply to an order issued under Section 242.062 or 242.072, and neither the department nor the institution may elect to arbitrate a dispute if the subject matter of the dispute is part of the basis for:

1. revocation, denial, or suspension of an institution's license;
2. issuance of a closing order under Section 242.062; or
3. suspension of admissions under Section 242.072.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.

Sec. 242.269. ENFORCEMENT OF CERTAIN ARBITRATION ORDERS. (a) This section applies only to a suit for the assessment of a civil penalty under Section 242.065 in which binding arbitration has been elected under this subchapter as an alternative to the judicial proceeding.

(b) On application of a party to the suit, the district court in which the underlying suit has been filed shall enter a judgment in accordance with the arbitrator's order unless, within the time limit prescribed by Section 242.267(d)(1), a motion is made to the court to vacate the arbitrator's order in accordance with Section 242.267.

(c) A judgment filed under Subsection (b) is enforceable in the same manner as any other judgment of the court. The court may award costs for an application made under Subsection (b) and for any proceedings held after the application is made.

(d) Subsection (b) does not affect the right of a party, in accordance with Section 242.267 and within the time limit prescribed by Section 242.267(d)(2), if applicable, to make a motion to the court or initiate a proceeding in court as provided by law to vacate the arbitrator's order or to vacate a judgment of the court entered in accordance with the arbitrator's order.

Redesignated from Health and Safety Code, Subchapter J, Chapter 242 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(26), eff. September 1, 2011.
Sec. 242.301. DEFINITIONS. In this subchapter:

(1) "Nursing facility" means an institution or facility that is licensed as a nursing home, nursing facility, or skilled nursing facility by the department under this chapter.

(2) "Nursing facility administrator" or "administrator" means a person who engages in the practice of nursing facility administration, without regard to whether the person has an ownership interest in the facility or whether the functions and duties are shared with any other person.

(3) "Practice of nursing facility administration" means the performance of the acts of administering, managing, supervising, or being in general administrative charge of a nursing facility.

Sec. 242.302. POWERS AND DUTIES OF DEPARTMENT. (a) The board may adopt rules consistent with this subchapter.

(b) The department shall:

(1) adopt and publish a code of ethics for nursing facility administrators;

(2) establish the qualifications of applicants for licenses and the renewal of licenses issued under this subchapter;

(3) spend funds necessary for the proper administration of the department's assigned duties under this subchapter;

(4) establish reasonable and necessary fees for the administration and implementation of this subchapter; and
(5) establish a minimum number of hours of continuing education required to renew a license issued under this subchapter and periodically assess the continuing education needs of license holders to determine whether specific course content should be required.

(c) The department is the licensing agency for the healing arts, as provided by 42 U.S.C. Section 1396g.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.303. NURSING FACILITY ADMINISTRATORS ADVISORY COMMITTEE. (a) The Nursing Facility Administrators Advisory Committee is appointed by the governor.

(b) Members of the committee serve for staggered terms of six years, with the terms of three members expiring on February 1 of each odd-numbered year.

(c) The committee shall consist of:

(1) three licensed nursing facility administrators, at least one of whom shall represent a not-for-profit nursing facility;

(2) one physician with experience in geriatrics who is not employed by a nursing facility;

(3) one registered nurse with experience in geriatrics who is not employed by a nursing facility;

(4) one social worker with experience in geriatrics who is not employed by a nursing facility; and

(5) three public members with experience working with the chronically ill and infirm as provided by 42 U.S.C. Section 1396g.

(d) The committee shall advise the board on the licensing of nursing facility administrators, including the content of applications for licensure and of the examination administered to license applicants under Section 242.306. The committee shall review and recommend rules and minimum standards of conduct for the practice of nursing facility administration. The committee shall review all complaints against administrators and make recommendations to the department regarding disciplinary actions. Failure of the committee to review complaints and make recommendations in a timely manner shall not prevent the department from taking disciplinary action.

(e) Appointments to the committee shall be made without regard
to the race, color, disability, sex, religion, or national origin of the person appointed.

(f) A member of the committee receives no compensation but is entitled to reimbursement for actual and necessary expenses incurred in performing the member's duties under this section.

(g) The department shall pay the expenses of the committee and shall supply necessary personnel and supplies.

(h) A vacancy in a position on the committee shall be filled in the same manner in which the position was originally filled and shall be filled by a person who meets the qualifications of the vacated position.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.304. FEES; FUNDS. (a) The board by rule shall set reasonable and necessary fees in amounts necessary to cover the cost of administering this subchapter. The board by rule may set different licensing fees for different categories of licenses.

(b) The department shall receive and account for funds received under this subchapter. The funds shall be deposited in the state treasury to the credit of the general revenue fund.

(c) The department may receive and disburse funds received from any federal source for the furtherance of the department's functions under this subchapter.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.305. PRACTICING WITHOUT A LICENSE. A person may not act as a nursing facility administrator or represent to others that the person is a nursing facility administrator unless the person is licensed under this subchapter.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.306. LICENSE APPLICATION; QUALIFICATIONS. (a) An
applicant for a nursing facility administrator's license must submit a sworn application that is accompanied by the application fee.

(b) The board shall prescribe the form of the application and may by rule establish dates by which applications and fees must be received.

(c) An applicant for a nursing facility administrator's license must take a licensing examination under this subchapter. To qualify for the licensing examination, the applicant must have satisfactorily completed a course of instruction and training prescribed by the board that is conducted by or in cooperation with an accredited postsecondary educational institution and that is designed and administered to provide sufficient knowledge of:

(1) the needs served by nursing facilities;
(2) the laws governing the operation of nursing facilities and the protection of the interests of facility residents; and
(3) the elements of nursing facility administration.

(d) An applicant who has not completed the course of instruction and training described by Subsection (c) must present evidence satisfactory to the department of having completed sufficient education, training, and experience in the fields described by Subsection (c) to enable the applicant to engage in the practice of nursing facility administration.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.307. EXAMINATION. (a) The licensing examination shall be prepared or approved by the department and shall be administered by the department to qualified applicants at least twice each calendar year. The department shall have the written portion of the examination, if any, validated by a testing professional.

(b) Not later than the 30th day after the date on which a licensing examination is administered under this subchapter, the department shall notify each examinee of the results of the examination. If an examination is graded or reviewed by a national or state testing service, the department shall notify examinees of the results of the examination not later than two weeks after the date the department receives the results from the testing service. If the notice of the examination results will be delayed for more
than 90 days after the examination date, the department shall notify
the examinee of the reason for the delay before the 90th day.

(c) If requested in writing by a person who fails the licensing
examination, the department shall furnish the person with an analysis
of the person's performance on the examination.

(d) The board may establish by rule additional educational
requirements to be met by an applicant who fails the examination
three times.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1,
1997.

Sec. 242.308. LICENSES; TEMPORARY LICENSE; INACTIVE STATUS.
(a) A person who meets the requirements for licensing under this
subchapter is entitled to receive a license. A nursing facility
administrator's license is not transferable.

(b) A person licensed under this subchapter must notify the
department of the license holder's correct mailing address.

(c) A license is valid for two years. The board by rule may
adopt a system under which licenses expire on various dates during
the two-year period. For the year in which a license expiration date
is changed, license fees payable on the original expiration date
shall be prorated on a monthly basis so that each license holder
shall pay only that portion of the license fee that is allocable to
the number of months during which the license is valid. On renewal
of the license on the new expiration date, the total license renewal
fee is payable.

(d) The board by rule may provide for the issuance of a
temporary license. Rules adopted under this section shall include a
time limit for a licensee to practice under a temporary license.

(e) The board by rule may provide for a license holder to be
placed on inactive status.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1,
1997.

Sec. 242.309. PROVISIONAL LICENSE. (a) The board shall issue
a provisional license to an applicant currently licensed in another
jurisdiction who seeks a license in this state and who:
has been licensed in good standing as a nursing facility administrator for at least two years in another jurisdiction, including a foreign country, that has licensing requirements that are substantially equivalent to the requirements of this subchapter;

(2) has passed a national or other examination recognized by the board relating to the practice of nursing facility administration; and

(3) is sponsored by a person licensed by the board under this subchapter with whom the provisional license holder will practice during the time the person holds a provisional license.

(b) The board may waive the requirement of Subsection (a)(3) for an applicant if the board determines that compliance with that subsection would be a hardship to the applicant.

(c) A provisional license is valid until the date the board approves or denies the provisional license holder's application for a license. The board shall issue a license under this subchapter to the provisional license holder if:

(1) the provisional license holder is eligible to be licensed under Section 242.306; or

(2) the provisional license holder passes the part of the examination under Section 242.307 that relates to the applicant's knowledge and understanding of the laws and rules relating to the practice of nursing facility administration in this state and:

(A) the board verifies that the provisional license holder meets the academic and experience requirements for a license under this subchapter; and

(B) the provisional license holder satisfies all other license requirements under this subchapter.

(d) The board must approve or deny a provisional license holder's application for a license not later than the 180th day after the date the provisional license is issued. The board may extend the 180-day period if the results of an examination have not been received by the board before the end of that period.

(e) The board may establish a fee for provisional licenses in an amount reasonable and necessary to cover the cost of issuing the license.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997. Amended by Acts 1999, 76th Leg., ch. 1505, Sec. 1.20, eff.
Sec. 242.310. LICENSE RENEWAL. (a) A person who is otherwise eligible to renew a license may renew an unexpired license by paying the required renewal fee to the department before the expiration date of the license. A person whose license has expired may not engage in activities that require a license until the license has been renewed.

(b) A person whose license has been expired for 90 days or less may renew the license by paying to the department a renewal fee that is equal to 1-1/2 times the normally required renewal fee.

(c) A person whose license has been expired for more than 90 days but less than one year may renew the license by paying to the department a renewal fee that is equal to two times the normally required renewal fee.

(d) A person whose license has been expired for one year or more may not renew the license. The person may obtain a new license by complying with the requirements and procedures, including the examination requirements, for obtaining an original license.

(e) A person who was licensed in this state, moved to another state, and is currently licensed and has been in practice in the other state for the two years preceding the date of application may obtain a new license without reexamination. The person must pay to the department a fee that is equal to two times the normally required renewal fee for the license.

(f) Not later than the 31st day before the date a person's license is scheduled to expire, the department shall send written notice of the impending expiration to the person at the person's last known address according to the records of the department.

Sec. 242.311. MANDATORY CONTINUING EDUCATION. (a) The board by rule shall establish a minimum number of hours of continuing education required to renew a license under this subchapter. The department may assess the continuing education needs of license holders and may require license holders to attend continuing
education courses specified by the board.

(b) The board shall identify the key factors for the competent performance by a license holder of the license holder's professional duties. The department shall adopt a procedure to assess a license holder's participation in continuing education programs.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.312. COMPLAINT RECEIPT, INVESTIGATION, AND DISPOSITION. (a) The department shall keep an information file concerning each complaint filed with the department regarding a person licensed under this subchapter. The department's information file shall be kept current and shall contain a record for each complaint of:

1. all persons contacted in relation to the complaint;
2. a summary of findings made at each step of the complaint process;
3. an explanation of the legal basis and reason for a complaint that is dismissed; and
4. other relevant information.

(b) If a written complaint is filed with the department that the department has authority to resolve, the department, at least quarterly and until final disposition of the complaint, shall notify the parties to the complaint of the status of the complaint unless the notice would jeopardize an undercover investigation.

(c) The board by rule shall adopt a form to standardize information concerning complaints made to the department. The board by rule shall prescribe information to be provided to a person when the person files a complaint with the department.

(d) The department shall provide reasonable assistance to a person who wishes to file a complaint with the department.

(e) The board shall adopt rules concerning the investigation of complaints filed with the department. The rules adopted under this subsection shall:

1. distinguish between categories of complaints;
2. ensure that complaints are not dismissed without appropriate consideration;
3. require that the board be advised at least quarterly of
complaints that have been dismissed and require that a letter be sent to each person who has filed a complaint that is dismissed explaining the action taken on the complaint;

(4) ensure that the person who filed the complaint has an opportunity to explain the allegations made in the complaint; and

(5) prescribe guidelines concerning the categories of complaints that may require the use of a private investigator and the procedures to be followed by the department in obtaining the services of a private investigator.

(f) The department shall dispose of all complaints in a timely manner. The board by rule shall establish a schedule for initiating a complaint investigation that is under the control of the department not later than the 30th day after the date the complaint is received by the department. The schedule shall be kept in the information file for the complaint, and all parties shall be notified of the projected time requirements for pursuing the complaint. A change in the schedule must be noted in the complaint information file and all parties to the complaint must be notified not later than the seventh day after the date the change is made.

(g) The commissioner shall notify the board at least quarterly of complaints that have extended beyond the time prescribed by the board for resolving complaints so that the department may take any necessary corrective actions on the processing of complaints.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.313. SANCTIONS. (a) The department may revoke, suspend, or refuse to renew a nursing facility administrator's license, assess an administrative penalty, issue a written reprimand, require participation in continuing education, or place an administrator on probation, after due notice and the opportunity for a hearing, on proof of any of the following grounds:

(1) the license holder has wilfully or repeatedly violated a provision of this subchapter or a rule adopted under this subchapter;

(2) the license holder has wilfully or repeatedly acted in a manner inconsistent with the health and safety of the residents of a facility of which the license holder is an administrator;
(3) the license holder obtained or attempted to obtain a license through misrepresentation or deceit or by making a material misstatement of fact on a license application;

(4) the license holder's use of alcohol or drugs creates a hazard to the residents of a facility;

(5) a judgment of a court of competent jurisdiction finds that the license holder is mentally incapacitated;

(6) the license holder has been convicted in a court of competent jurisdiction of a misdemeanor or felony involving moral turpitude;

(7) the license holder has been convicted in a court of competent jurisdiction of an offense listed in Section 250.006; or

(8) the license holder has been negligent or incompetent in the license holder's duties as a nursing facility administrator.

(b) If a license sanction is probated, the department may require the license holder to:

(1) report regularly to the department on matters that are the basis of the probation;

(2) limit practice to the areas prescribed by the department; or

(3) continue or review continuing professional education until the license holder attains a degree of skill satisfactory to the department in those areas that are the basis of the probation.

(c) A license holder is entitled to a hearing in accordance with rules adopted by the executive commissioner before a sanction is imposed under this section.

(d) The executive commissioner by rule shall adopt a broad schedule of sanctions for violations under this subchapter. The department shall use the schedule for any sanction imposed in accordance with the rules.

(e) The executive commissioner shall by rule establish criteria to determine whether deficiencies from a facility's survey warrant action against an administrator. The criteria shall include a determination of whether the survey indicates substandard quality of care related to an act or failure to act by the administrator, and whether a deficiency is related to an act or failure to act by the administrator. If a deficiency on which a disciplinary action against an administrator is initiated or completed is not substantiated, the disciplinary action shall be reversed.
Sec. 242.314. WRITTEN REPRIMAND AND CONTINUING EDUCATION AS SANCTIONS. In addition to the other disciplinary actions authorized under this subchapter, the department may issue a written reprimand to a license holder who violates this subchapter or may require that a license holder who violates this subchapter participate in continuing education programs. The department shall specify the continuing education programs that may be attended and the number of hours that must be completed by a license holder to fulfill the requirements of this section.

Sec. 242.315. ADMINISTRATIVE PENALTY AS SANCTION. (a) The department may impose an administrative penalty against a person licensed or regulated under this subchapter who violates this subchapter or a rule adopted by the board under this subchapter.

(b) The penalty for a violation may be in an amount not to exceed $1,000. Each day a violation occurs or continues is a separate violation for purposes of imposing a penalty.

(c) The amount of the penalty shall be based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of any prohibited acts, and the hazard or potential hazard created to the health, safety, or economic welfare of the public;

(2) the economic harm to property or the environment caused by the violation;

(3) the history of previous violations;

(4) the amount necessary to deter future violations;

(5) efforts to correct the violations; and

(6) any other matter that justice may require.
Sec. 242.316. NOTICE AND HEARING. (a) If the department determines that a violation has occurred, the department shall give written notice of the determination to the person alleged to have committed the violation. The notice may be given by certified mail. The notice must include a brief summary of the alleged violation and a statement of the amount of the recommended penalty and must inform the person that the person has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(b) Within 20 days after the date the person receives the notice, the person in writing may accept the determination and the penalty recommended by the department or may make a written request for a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(c) If the person accepts the determination and the penalty recommended by the department, or if the person fails to timely respond to the notice, the department shall impose the recommended penalty.

(d) If the person requests a hearing, the department shall set a hearing and give notice of the hearing to the person. The hearing shall be held in accordance with the rules on contested case hearings adopted by the executive commissioner.

(e) The notice of the hearing decision given to the person under Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the decision.

(f) Within 30 days after the date the department's decision is final as provided by Section 2001.144, Government Code, the person shall:

1. pay the amount of the penalty;
2. pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or
3. without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the
violation and the amount of the penalty.

(g) Within the 30-day period, a person who acts under Subsection (f)(3) may:

(1) stay enforcement of the penalty by:
   (A) paying the amount of the penalty to the court for placement in an escrow account; or
   (B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the department's decision is final; or

(2) request the court to stay enforcement of the penalty by:
   (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and
   (B) sending a copy of the affidavit to the department by certified mail.

(h) If the department receives a copy of an affidavit under Subsection (g)(2), the department may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(i) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the department may refer the matter to the attorney general for collection of the amount of the penalty.

(j) Judicial review of the decision of the department:
   (1) is instituted by filing a petition as provided by Section 2001.176, Government Code; and
   (2) is under the substantial evidence rule.

(k) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.
(l) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

(m) A penalty collected under this section shall be remitted to the comptroller for deposit in the general revenue fund.

(n) All proceedings under this section are subject to Chapter 2001, Government Code.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 3, eff. June 19, 2009.

Sec. 242.317. INFORMAL PROCEEDINGS. (a) The department by rule shall adopt procedures governing:

(1) informal disposition of a contested case under Section 2001.056, Government Code; and

(2) informal proceedings held in compliance with Section 2001.054, Government Code.

(b) Rules adopted under this section must provide the complainant and the license holder an opportunity to be heard.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.318. MONITORING OF LICENSE HOLDER. The department by rule shall develop a system for monitoring a license holder's compliance with the requirements of this subchapter. Rules adopted
under this section shall include procedures for monitoring a license holder who is required by the department to perform certain acts to ascertain that the license holder performs the required acts and to identify and monitor license holders who represent a risk to the public.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.319. CIVIL PENALTY. A person who violates this subchapter is liable to the state for a civil penalty of $1,000 for each day of violation. At the request of the department, the attorney general shall bring an action to recover a civil penalty established by this section.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.320. ASSISTANCE OF ATTORNEY GENERAL. The attorney general shall provide legal assistance as necessary in enforcing the provisions of this subchapter. This requirement does not relieve a local prosecuting officer of any of the prosecuting officer's duties under the law.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.321. OFFENSE. (a) A person commits an offense if the person knowingly or intentionally violates Section 242.305.

(b) An offense under this section is a Class B misdemeanor.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 242.322. PROTECTION FOR REFUSAL TO ENGAGE IN CERTAIN CONDUCT. (a) A person may not suspend, terminate, or otherwise discipline or discriminate against a licensed nursing facility
administrator who refuses to engage in an act or omission relating to
the administrator's job duties or responsibilities that would
constitute a violation of this subchapter or of a rule adopted under
this subchapter, if the administrator notifies the person at the time
of the refusal that the reason for refusing is that the act or
omission constitutes a violation of this subchapter or of a rule
adopted under this subchapter.

(b) An act by a person under Subsection (a) does not constitute
a violation of this section if:

(1) the act or omission the administrator refused to commit
was not conduct that constitutes a violation of this subchapter or of
a rule adopted under this subchapter; or

(2) the act or omission the administrator refused to commit
was conduct that constitutes a violation of this subchapter or of a
rule adopted under this subchapter, and the person rescinds any
disciplinary or discriminatory action taken against the
administrator, compensates the administrator for lost wages, and
restores any lost benefits to the administrator.

(c) A violation of this section is an unlawful employment
practice, and a civil action may be brought by a licensed nursing
facility administrator against a person for the violation. The
relief available in a civil action shall be the same as the relief
available to complainants in a civil action for violations of Chapter
21, Labor Code. In no event may any action be brought pursuant to
this section more than two years after the date of the
administrator's refusal to engage in an act or omission that would
constitute a violation of this subchapter or of a rule adopted under
this subchapter.

(d) In this section, "person" includes an individual,
organization, corporation, agency, facility, or other entity.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 1.01, eff. Sept. 1,
1997.
Text of subchapter effective upon federal determination of failure to comply with federal regulations

SUBCHAPTER I. NURSING FACILITY ADMINISTRATION

Sec. 242.301. DEFINITIONS. In this subchapter:

(1) "Board" means the Texas Board of Nursing Facility Administrators.

(2) "Nursing facility" means an institution or facility that is licensed as a nursing home, nursing facility, or skilled nursing facility by the department under this chapter.

(3) "Nursing facility administrator" or "administrator" means a person who engages in the practice of nursing facility administration, without regard to whether the person has an ownership interest in the facility or whether the functions and duties are shared with any other person.

(4) "Practice of nursing facility administration" means the performance of the acts of administering, managing, supervising, or being in general administrative charge of a nursing facility.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.302. TEXAS BOARD OF NURSING FACILITY ADMINISTRATORS.

(a) The Texas Board of Nursing Facility Administrators is within the department.

(b) The board is composed of nine members appointed by the governor as follows:

(1) three licensed nursing facility administrators, at least one of whom shall represent a not-for-profit nursing facility;

(2) one physician with experience in geriatrics who is not employed by a nursing facility;

(3) one registered nurse with experience in geriatrics who is not employed by a nursing facility;

(4) one social worker with experience in geriatrics who is not employed by a nursing facility; and

(5) three public members with experience working with the chronically ill and infirm as provided by 42 U.S.C. Section 1396g.

(c) Members of the board serve staggered six-year terms, with the terms of three members expiring on February 1 of each odd-numbered year. A person appointed to fill a vacancy on the board shall serve for the unexpired portion of the term for which the
person is appointed.
(d) Appointments to the board shall be made without regard to the race, color, disability, sex, religion, or national origin of the person appointed.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.303. MEMBERSHIP REQUIREMENTS. (a) A member of the board who is an administrator must:
(1) be a resident of this state and a citizen of the United States;
(2) be licensed under this subchapter and currently serving as a nursing facility administrator or have direct supervisory responsibility on a daily basis over an administrator who works in a nursing facility; and
(3) hold a degree from an accredited four-year college or university.
(b) An administrator who does not have a degree as required by Subsection (a)(3) may be qualified to serve as a member of the board if the administrator has two years of practical experience as an administrator for every year less than four that the administrator has completed at a four-year college or university.
(c) A member or employee of the board may not:
(1) be an officer, employee, or paid consultant of a trade association in the nursing facility industry; or
(2) be related within the second degree by affinity or within the third degree by consanguinity to an officer, employee, or paid consultant of a trade association in the nursing facility industry.
(d) A member of the board who represents the general public may not have a financial interest, other than as a consumer, in a nursing facility as an officer, director, partner, owner, employee, attorney, or paid consultant or be related within the second degree by affinity or within the third degree by consanguinity to a person who has a financial interest, other than as a consumer, in a nursing facility as an officer, director, partner, owner, employee, attorney, or paid consultant.
(e) A person who is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for
compensation on behalf of a profession related to the operation of the board may not serve on the board.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.304. GROUNDS FOR REMOVAL. It is a ground for removal from the board if a member:

(1) does not have at the time of appointment the qualifications required by Section 242.303 for appointment to the board;

(2) does not maintain during service on the board the qualifications required by Section 242.303 for appointment to the board;

(3) violates a prohibition established by Section 242.303;

(4) cannot discharge the member's duties for a substantial part of the term for which the member is appointed because of illness or disability; or

(5) is absent from more than half of the regularly scheduled board meetings that the member is eligible to attend during a calendar year.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.305. BOARD OFFICERS; MEETINGS; QUORUM; EXPENSES. (a) The board shall elect from its members a presiding officer and assistant presiding officer who serve according to rules adopted by the board.

(b) The board shall hold at least two regular meetings each year as provided by rules adopted by the board.

(c) A majority of the members constitutes a quorum.

(d) Each member of the board is entitled to compensation for transportation expenses as provided by the General Appropriations Act.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.306. APPLICATION OF OPEN MEETINGS AND ADMINISTRATIVE PROCEDURE ACT. The board is subject to Chapters 551 and 2001,
Sec. 242.307. POWERS AND DUTIES OF THE BOARD. (a) The board may adopt rules consistent with this subchapter.

(b) The board shall:

(1) adopt and publish a code of ethics for nursing facility administrators;

(2) establish the qualifications of applicants for licenses and the renewal of licenses issued under this subchapter;

(3) spend funds necessary for the proper administration of the department's assigned duties under this subchapter;

(4) establish reasonable and necessary fees for the administration and implementation of this subchapter; and

(5) establish a minimum number of hours of continuing education required to renew a license issued under this subchapter and periodically assess the continuing education needs of license holders to determine whether specific course content should be required.

(c) The board is the licensing authority for the healing arts, as provided by 42 U.S.C. Section 1396g, and shall meet the requirements of a state licensing agency for nursing facility practitioners, as provided by 42 C.F.R. Part 431, Subpart N.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.308. ADMINISTRATIVE FUNCTIONS. The department shall serve as the administrator of the licensing activities under this subchapter and shall provide staff as necessary for the licensing and regulation of nursing facility administrators under this subchapter. If necessary to the administration of this subchapter, the department may secure and provide for compensation for services that the department considers necessary and may employ and compensate within available appropriations professional consultants, technical assistants, and employees on a full-time or part-time basis.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.
Sec. 242.309. FEES; FUNDS. (a) The board by rule shall set reasonable and necessary fees in amounts necessary to cover the cost of administering this subchapter. The board by rule may set different licensing fees for different categories of licenses.

(b) The department shall receive and account for funds received under this subchapter. The funds shall be deposited in the state treasury to the credit of the general revenue fund.

(c) The department may receive and disburse funds received from any federal source for the furtherance of the department's functions under this subchapter.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.310. PRACTICING WITHOUT A LICENSE. A person may not act as a nursing facility administrator or represent to others that the person is a nursing facility administrator unless the person is licensed under this subchapter.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.311. LICENSE APPLICATION; QUALIFICATIONS. (a) An applicant for a nursing facility administrator's license must submit a sworn application that is accompanied by the application fee.

(b) The board shall prescribe the form of the application and may by rule establish dates by which applications and fees must be received.

(c) An applicant for a nursing facility administrator's license must take a licensing examination under this subchapter. To qualify for the licensing examination, the applicant must have satisfactorily completed a course of instruction and training prescribed by the board that is conducted by or in cooperation with an accredited postsecondary educational institution and that is designed and administered to provide sufficient knowledge of:

(1) the needs served by nursing facilities;

(2) the laws governing the operation of nursing facilities and the protection of the interests of facility residents; and

(3) the elements of nursing facility administration.

(d) An applicant who has not completed the course of instruction and training described by Subsection (c) must present
evidence satisfactory to the board of having completed sufficient education, training, and experience in the fields described by Subsection (c) to enable the applicant to engage in the practice of nursing facility administration.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.312. EXAMINATION. (a) The licensing examination shall be prepared or approved by the board and shall be administered by the board to qualified applicants at least twice each calendar year. The board shall have the written portion of the examination, if any, validated by a testing professional.

(b) Not later than the 30th day after the date on which a licensing examination is administered under this subchapter, the board shall notify each examinee of the results of the examination. If an examination is graded or reviewed by a national or state testing service, the board shall notify examinees of the results of the examination not later than two weeks after the date the board receives the results from the testing service. If the notice of the examination results will be delayed for more than 90 days after the examination date, the board shall notify the examinee of the reason for the delay before the 90th day.

(c) If requested in writing by a person who fails the licensing examination, the board shall furnish the person with an analysis of the person's performance on the examination.

(d) The board may establish by rule additional educational requirements to be met by an applicant who fails the examination three times.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.313. LICENSES; TEMPORARY LICENSE; INACTIVE STATUS. (a) A person who meets the requirements for licensing under this subchapter is entitled to receive a license. A nursing facility administrator's license is not transferable.

(b) A person licensed under this subchapter must notify the board of the license holder's correct mailing address.

(c) A license is valid for two years. The board by rule may adopt a system under which licenses expire on various dates during
the two-year period. For the year in which a license expiration date is changed, license fees payable on the original expiration date shall be prorated on a monthly basis so that each license holder shall pay only that portion of the license fee that is allocable to the number of months during which the license is valid. On renewal of the license on the new expiration date, the total license renewal fee is payable.

(d) The board by rule may provide for the issuance of a temporary license. Rules adopted under this section shall include a time limit for a licensee to practice under a temporary license.

(e) The board by rule may provide for a license holder to be placed on inactive status.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.314. PROVISIONAL LICENSE. (a) The board shall issue a provisional license to an applicant currently licensed in another jurisdiction who seeks a license in this state and who:

(1) has been licensed in good standing as a nursing facility administrator for at least two years in another jurisdiction, including a foreign country, that has licensing requirements that are substantially equivalent to the requirements of this subchapter;

(2) has passed a national or other examination recognized by the board relating to the practice of nursing facility administration; and

(3) is sponsored by a person licensed by the board under this subchapter with whom the provisional license holder will practice during the time the person holds a provisional license.

(b) The board may waive the requirement of Subsection (a)(3) for an applicant if the board determines that compliance with that subsection would be a hardship to the applicant.

(c) A provisional license is valid until the date the board approves or denies the provisional license holder's application for a license. The board shall issue a license under this subchapter to the provisional license holder if:

(1) the provisional license holder is eligible to be licensed under Section 242.311; or

(2) the provisional license holder passes the part of the
examination under Section 242.312 that relates to the applicant's knowledge and understanding of the laws and rules relating to the practice of nursing facility administration in this state and:

(A) the board verifies that the provisional license holder meets the academic and experience requirements for a license under this subchapter; and

(B) the provisional license holder satisfies any other license requirements under this subchapter.

(d) The board must approve or deny a provisional license holder's application for a license not later than the 180th day after the date the provisional license is issued. The board may extend the 180-day period if the results of an examination have not been received by the board before the end of that period.

(e) The board may establish a fee for provisional licenses in an amount reasonable and necessary to cover the cost of issuing the license.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01. Amended by Acts 1999, 76th Leg., ch. 1505, Sec. 1.22, eff. Sept. 1, 1999.

Sec. 242.315. LICENSE RENEWAL. (a) A person who is otherwise eligible to renew a license may renew an unexpired license by paying the required renewal fee to the board before the expiration date of the license. A person whose license has expired may not engage in activities that require a license until the license has been renewed.

(b) A person whose license has been expired for 90 days or less may renew the license by paying to the board a renewal fee that is equal to 1-1/2 times the normally required fee.

(c) A person whose license has been expired for more than 90 days but less than one year may renew the license by paying to the board a renewal fee that is equal to two times the normally required renewal fee.

(d) A person whose license has been expired for one year or more may not renew the license. The person may obtain a new license by complying with the requirements and procedures, including the examination requirements, for obtaining an original license.

(e) A person who was licensed in this state, moved to another state, and is currently licensed and has been in practice in the other state for the two years preceding the date of application may
obtain a new license without reexamination. The person must pay to the board a fee that is equal to two times the normally required renewal fee for the license.

(f) Not later than the 31st day before the date a person's license is scheduled to expire, the board shall send written notice of the impending expiration to the person at the person's last known address according to the records of the board.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01. Amended by Acts 1999, 76th Leg., ch. 1505, Sec. 1.23, eff. Sept. 1, 1999.

Sec. 242.316. MANDATORY CONTINUING EDUCATION. (a) The board by rule shall establish a minimum number of hours of continuing education required to renew a license under this subchapter. The board may assess the continuing education needs of license holders and may require license holders to attend continuing education courses specified by the board.

(b) The board shall identify the key factors for the competent performance by a license holder of the license holder's professional duties. The board shall adopt a procedure to assess a license holder's participation in continuing education programs.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.317. COMPLAINT RECEIPT, INVESTIGATION, AND DISPOSITION. (a) The board shall keep an information file about each complaint filed with the board regarding a person licensed under this subchapter. The board's information file shall be kept current and contain a record for each complaint of:

(1) all persons contacted in relation to the complaint;
(2) a summary of findings made at each step of the complaint process;
(3) an explanation of the legal basis and reason for a complaint that is dismissed; and
(4) other relevant information.

(b) If a written complaint is filed with the board that the board has authority to resolve, the board, at least as frequently as quarterly and until final disposition of the complaint, shall notify the parties to the complaint of the status of the complaint unless
the notice would jeopardize an undercover investigation.

(c) The board by rule shall adopt a form to standardize information concerning complaints made to the board. The board by rule shall prescribe information to be provided to a person when the person files a complaint with the board.

(d) The board shall provide reasonable assistance to a person who wishes to file a complaint with the board.

(e) The board shall adopt rules concerning the investigation of complaints filed with the board. The rules adopted under this subsection shall:

1. distinguish between categories of complaints;
2. ensure that complaints are not dismissed without appropriate consideration;
3. require that the board be advised at least quarterly of complaints that have been dismissed and require that a letter be sent to each person who has filed a complaint that is dismissed explaining the action taken on the complaint;
4. ensure that the person who filed the complaint has an opportunity to explain the allegations made in the complaint; and
5. prescribe guidelines concerning the categories of complaints that may require the use of a private investigator and the procedures for the board to obtain the services of a private investigator.

(f) The board shall dispose of all complaints in a timely manner. The board by rule shall establish a schedule for initiating a complaint investigation that is under the control of the board not later than the 30th day after the date the complaint is received by the board. The schedule shall be kept in the information file for the complaint, and all parties shall be notified of the projected time requirements for pursuing the complaint. A change in the schedule must be noted in the complaint information file and all parties to the complaint must be notified not later than the seventh day after the date the change is made.

(g) The department shall notify the board at least quarterly of complaints that have extended beyond the time prescribed by the board for resolving complaints so that the department may take any necessary corrective actions on the processing of complaints.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.
Sec. 242.318. SANCTIONS. (a) The board may revoke, suspend, or refuse to renew a nursing facility administrator's license, assess an administrative penalty, issue a written reprimand, require participation in continuing education, or place an administrator on probation, after due notice and the opportunity for a hearing, on proof of any of the following grounds:

(1) the license holder has wilfully or repeatedly violated a provision of this subchapter or a rule adopted under this subchapter;

(2) the license holder has wilfully or repeatedly acted in a manner inconsistent with the health and safety of the residents of a facility of which the license holder is an administrator;

(3) the license holder obtained or attempted to obtain a license through misrepresentation or deceit or by making a material misstatement of fact on a license application;

(4) the license holder's use of alcohol or drugs creates a hazard to the residents of a facility;

(5) a judgment of a court of competent jurisdiction finds that the license holder is mentally incapacitated;

(6) the license holder has been convicted in a court of competent jurisdiction of a misdemeanor or felony involving moral turpitude;

(7) the license holder has been convicted in a court of competent jurisdiction of an offense listed in Section 250.006; or

(8) the license holder has been negligent or incompetent in the license holder's duties as a nursing facility administrator.

(b) If a license sanction is probated, the board may require the license holder to:

(1) report regularly to the board on matters that are the basis of the probation;

(2) limit practice to the areas prescribed by the department; or

(3) continue or review continuing professional education until the license holder attains a degree of skill satisfactory to the department in those areas that are the basis of the probation.

(c) A license holder is entitled to a hearing in accordance with rules promulgated by the board before a sanction is imposed under this section.

(d) The board by rule shall adopt a broad schedule of sanctions for violations under this subchapter. The board shall use the
schedule for any sanction imposed in accordance with the rules.

(e) The department shall by rule establish criteria to determine whether deficiencies from a facility's survey warrant action against an administrator. The criteria shall include a determination of whether the survey indicates substandard quality of care and whether a deficiency is related to an act or failure to act by the administrator. If a deficiency on which a disciplinary action against an administrator is initiated or completed is not substantiated, the disciplinary action shall be reversed.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.
Amended by:
   Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 4, eff. June 19, 2009.

Sec. 242.319. WRITTEN REPRIMAND AND CONTINUING EDUCATION AS SANCTIONS. In addition to the other disciplinary actions authorized under this subchapter, the board may issue a written reprimand to a license holder who violates this subchapter or require that a license holder who violates this subchapter participate in continuing education programs. The board shall specify the continuing education programs that may be attended and the number of hours that must be completed by a license holder to fulfill the requirements of this section.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.320. ADMINISTRATIVE PENALTY AS SANCTION. (a) The department may impose an administrative penalty against a person licensed or regulated under this subchapter who violates this subchapter or a rule adopted by the board under this subchapter.

(b) The penalty for a violation may be in an amount not to exceed $1,000. Each day a violation occurs or continues is a separate violation for purposes of imposing a penalty.

(c) The amount of the penalty shall be based on:
   (1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of any prohibited acts, and the hazard or potential hazard created to the health, safety, or economic welfare of the public;
(2) the economic harm to property or the environment caused by the violation;
(3) the history of previous violations;
(4) the amount necessary to deter future violations;
(5) efforts to correct the violations; and
(6) any other matter that justice may require.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.321. NOTICE AND HEARING. (a) If the department determines that a violation has occurred, the department shall give written notice of the determination to the person alleged to have committed the violation. The notice may be given by certified mail. The notice must include a brief summary of the alleged violation and a statement of the amount of the recommended penalty and must inform the person that the person has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(b) Within 20 days after the date the person receives the notice, the person in writing may accept the determination and the penalty recommended by the department or may make a written request for a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(c) If the person accepts the determination and the penalty recommended by the department, or if the person fails to timely respond to the notice, the department shall impose the recommended penalty.

(d) If the person requests a hearing, the department shall set a hearing and give notice of the hearing to the person. The hearing shall be held in accordance with the rules on contested case hearings adopted by the executive commissioner.

(e) The notice of the hearing decision given to the person under Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the decision.

(f) Within 30 days after the date the department's decision is final as provided by Section 2001.144, Government Code, the person shall:

(1) pay the amount of the penalty;
(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or

(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(g) Within the 30-day period, a person who acts under Subsection (f)(3) may:

(1) stay enforcement of the penalty by:
   (A) paying the amount of the penalty to the court for placement in an escrow account; or
   (B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the department's decision is final; or

(2) request the court to stay enforcement of the penalty by:
   (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and
   (B) giving a copy of the affidavit to the department by certified mail.

(h) If the department receives a copy of an affidavit under Subsection (g)(2), the department may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(i) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the department may refer the matter to the attorney general for collection of the amount of the penalty.

(j) Judicial review of the decision of the department:
   (1) is instituted by filing a petition as provided by
Section 2001.176, Government Code; and

(2) is under the substantial evidence rule.

(k) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(l) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

(m) A penalty collected under this section shall be remitted to the comptroller for deposit in the general revenue fund.

(n) All proceedings under this section are subject to Chapter 2001, Government Code.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.
Amended by:

Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 5, eff. June 19, 2009.

Sec. 242.322. INFORMAL PROCEEDINGS. (a) The department by rule shall adopt procedures governing:

(1) informal disposition of a contested case under Section 2001.056, Government Code; and

(2) informal proceedings held in compliance with Section 2001.054, Government Code.

(b) Rules adopted under this section must provide the complainant and the license holder an opportunity to be heard.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.
Sec. 242.323. MONITORING OF LICENSE HOLDER. The board by rule shall develop a system for monitoring a license holder's compliance with the requirements of this subchapter. Rules adopted under this section shall include procedures for monitoring a license holder who is required by the board to perform certain acts to ascertain that the license holder performs the required acts and to identify and monitor license holders who represent a risk to the public.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.324. CIVIL PENALTY. A person who violates this subchapter is liable to the state for a civil penalty of $1,000 for each day of violation. At the request of the department, the attorney general shall bring an action to recover a civil penalty established by this section.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.325. ASSISTANCE OF ATTORNEY GENERAL. The attorney general shall provide legal assistance as necessary in enforcing the provisions of this subchapter. This requirement does not relieve a local prosecuting officer of any of the prosecuting officer's duties under the law.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.326. OFFENSE. (a) A person commits an offense if the person knowingly or intentionally violates Section 242.310.

(b) An offense under this section is a Class B misdemeanor.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

Sec. 242.327. PROTECTION FOR REFUSAL TO ENGAGE IN CERTAIN CONDUCT. (a) A person may not suspend, terminate, or otherwise discipline or discriminate against a licensed nursing facility
administrator who refuses to engage in an act or omission relating to the administrator's job duties or responsibilities that would constitute a violation of this subchapter or of a rule adopted under this subchapter, if the administrator notifies the person at the time of the refusal that the reason for refusing is that the act or omission constitutes a violation of this subchapter or of a rule adopted under this subchapter.

(b) An act by a person under Subsection (a) does not constitute a violation of this section if:

(1) the act or omission the administrator refused to commit was not conduct that constitutes a violation of this subchapter or of a rule adopted under this subchapter; or

(2) the act or omission the administrator refused to commit was conduct that constitutes a violation of this subchapter or of a rule adopted under this subchapter, and the person rescinds any disciplinary or discriminatory action taken against the administrator, compensates the administrator for lost wages, and restores any lost benefits to the administrator.

(c) A violation of this section is an unlawful employment practice, and a civil action may be brought by a licensed nursing facility administrator against a person for the violation. The relief available in a civil action shall be the same as the relief available to complainants in a civil action for violations of Chapter 21, Labor Code. In no event may any action be brought pursuant to this section more than two years after the date of the administrator's refusal to engage in an act or omission that would constitute a violation of this subchapter or of a rule adopted under this subchapter.

(d) In this section, "person" includes an individual, organization, corporation, agency, facility, or other entity.

Added by Acts 1997, 75th Leg., ch. 1280, Sec. 2.01.

SUBCHAPTER K. QUALITY OF CARE

Sec. 242.401. QUALITY OF LIFE. (a) An institution shall care for its residents in a manner and in an environment that promotes maintenance or enhancement of each resident's quality of life and dignity. An institution that admits a resident who is younger than 18 years of age must provide care to meet the resident's unique
medical and developmental needs.

(b) A resident of an institution has the right to reside and receive services in the institution with reasonable accommodation of individual needs, except to the extent the health or safety of the resident or other residents would be endangered.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.402. QUALITY OF CARE. An institution shall provide to each resident the necessary care or service needed to enable the resident to attain and maintain the highest practicable level of physical, emotional, and social well-being, in accordance with:

(1) each resident's individual assessment and comprehensive plan of care; and

(2) the rules and standards relating to quality of care adopted under this chapter.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.403. STANDARDS FOR QUALITY OF LIFE AND QUALITY OF CARE. (a) The department shall adopt standards to implement Sections 242.401 and 242.402. Those standards must, at a minimum, address:

(1) admission of residents;

(2) care of residents younger than 18 years of age;

(3) an initial assessment and comprehensive plan of care for residents;

(4) transfer or discharge of residents;

(5) clinical records;

(6) infection control at the institution;

(7) rehabilitative services;

(8) food services;

(9) nutrition services provided by a director of food services who is licensed by the Texas State Board of Examiners of Dietitians or, if not so licensed, who is in scheduled consultation with a person who is so licensed as frequently and for such time as the department shall determine necessary to assure each resident a
diet that meets the daily nutritional and special dietary needs of each resident;

(10) social services and activities;
(11) prevention of pressure sores;
(12) bladder and bowel retraining programs for residents;
(13) prevention of complications from nasogastric or gastrotomy tube feedings;
(14) relocation of residents within an institution;
(15) postmortem procedures; and
(16) appropriate use of chemical and physical restraints.

(b) The department may require an institution to submit information to the department, including Minimum Data Set Resident Assessments, necessary to ensure the quality of care in institutions. Information submitted to the department that identifies a resident of an institution is confidential and not subject to disclosure under Chapter 552, Government Code.

(c) The department may adopt standards in addition to those required by Subsection (a) to implement Sections 242.401 and 242.402.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.
Amended by:

Acts 2005, 79th Leg., Ch. 667 (S.B. 48), Sec. 1, eff. September 1, 2005.

Sec. 242.404. POLICIES, PROCEDURES, AND PRACTICES FOR QUALITY OF CARE AND QUALITY OF LIFE. (a) Each institution shall comply with the standards adopted under this subchapter and shall develop written operating policies to implement those standards.

(b) The policies and procedures must be available to each physician, staff member, resident, and resident's next of kin or guardian and to the public.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

SUBCHAPTER L. RIGHTS OF RESIDENTS

Sec. 242.501. RESIDENT'S RIGHTS. (a) The department by rule shall adopt a statement of the rights of a resident. The statement
must be consistent with Chapter 102, Human Resources Code, but shall reflect the unique circumstances of a resident at an institution. At a minimum, the statement of the rights of a resident must address the resident's constitutional, civil, and legal rights and the resident's right:

(1) to be free from abuse and exploitation;
(2) to safe, decent, and clean conditions;
(3) to be treated with courtesy, consideration, and respect;
(4) to not be subjected to discrimination based on age, race, religion, sex, nationality, or disability and to practice the resident's own religious beliefs;
(5) to place in the resident's room an electronic monitoring device that is owned and operated by the resident or provided by the resident's guardian or legal representative;
(6) to privacy, including privacy during visits and telephone calls;
(7) to complain about the institution and to organize or participate in any program that presents residents' concerns to the administrator of the institution;
(8) to have information about the resident in the possession of the institution maintained as confidential;
(9) to retain the services of a physician the resident chooses, at the resident's own expense or through a health care plan, and to have a physician explain to the resident, in language that the resident understands, the resident's complete medical condition, the recommended treatment, and the expected results of the treatment, including reasonably expected effects, side effects, and risks associated with psychoactive medications;
(10) to participate in developing a plan of care, to refuse treatment, and to refuse to participate in experimental research;
(11) to a written statement or admission agreement describing the services provided by the institution and the related charges;
(12) to manage the resident's own finances or to delegate that responsibility to another person;
(13) to access money and property that the resident has deposited with the institution and to an accounting of the resident's money and property that are deposited with the institution and of all financial transactions made with or on behalf of the resident;
(14) to keep and use personal property, secure from theft or loss;
(15) to not be relocated within the institution, except in accordance with standards adopted by the department under Section 242.403;
(16) to receive visitors;
(17) to receive unopened mail and to receive assistance in reading or writing correspondence;
(18) to participate in activities inside and outside the institution;
(19) to wear the resident's own clothes;
(20) to discharge himself or herself from the institution unless the resident is an adjudicated mental incompetent;
(21) to not be discharged from the institution except as provided in the standards adopted by the department under Section 242.403;
(22) to be free from any physical or chemical restraints imposed for the purposes of discipline or convenience, and not required to treat the resident's medical symptoms; and
(23) to receive information about prescribed psychoactive medication from the person prescribing the medication or that person's designee, to have any psychoactive medications prescribed and administered in a responsible manner, as mandated by Section 242.505, and to refuse to consent to the prescription of psychoactive medications.

(b) A right of a resident may be restricted only to the extent necessary to protect:
   (1) a right of another resident, particularly a right of the other resident relating to privacy and confidentiality; or
   (2) the resident or another person from danger or harm.

c) The department may adopt rights of residents in addition to those required by Subsection (a) and may consider additional rights applicable to residents in other jurisdictions.

Sec. 242.502. RIGHTS CUMULATIVE. The rights established under this subchapter are cumulative of the rights established under any other law.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.503. DUTIES OF INSTITUTION. (a) An institution shall develop and implement policies to protect resident rights.

(b) An institution and the staff of an institution may not violate a right adopted under this subchapter.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.504. INFORMATION ABOUT RESIDENT'S RIGHTS AND VIOLATIONS. (a) An institution shall inform each resident and the resident's next of kin or guardian of the rights adopted under this subchapter and shall explain the rights to the resident and the resident's next of kin or guardian. The institution shall provide a written statement of:

1. all of the resident's rights; and
2. any additional rules adopted by the institution involving resident rights and responsibilities.

(b) The institution shall provide a copy of the written statement to:

1. each resident;
2. the next of kin or guardian of each resident; and
3. each member of the staff of the institution.

(c) The institution shall maintain a copy of the statement, signed by the resident or the resident's next of kin or guardian, in the institution's records.

(d) The institution shall post the written statement in the manner required by Section 242.042.

(e) An institution that has been cited by the department for a violation of any right adopted under this subchapter shall include a notice of the citation in the informational materials required by Section 242.042(a)(8). The notice of citation must continue to be included in the informational materials until any regulatory action
or proceeding with respect to the violation is complete and the department has determined that the institution is in full compliance with the applicable requirement.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.505. PRESCRIPTION OF PSYCHOACTIVE MEDICATION. (a) In this section:

(1) "Medication-related emergency" means a situation in which it is immediately necessary to administer medication to a resident to prevent:

(A) imminent probable death or substantial bodily harm to the resident; or

(B) imminent physical or emotional harm to another because of threats, attempts, or other acts the resident overtly or continually makes or commits.

(2) "Psychoactive medication" means a medication that is prescribed for the treatment of symptoms of psychosis or other severe mental or emotional disorders and that is used to exercise an effect on the central nervous system to influence and modify behavior, cognition, or affective state when treating the symptoms of mental illness. The term includes the following categories when used as described by this subdivision:

(A) antipsychotics or neuroleptics;

(B) antidepressants;

(C) agents for control of mania or depression;

(D) antianxiety agents;

(E) sedatives, hypnotics, or other sleep-promoting drugs; and

(F) psychomotor stimulants.

(b) A person may not administer a psychoactive medication to a resident who does not consent to the prescription unless:

(1) the resident is having a medication-related emergency; or

(2) the person authorized by law to consent on behalf of the resident has consented to the prescription.

(c) Consent to the prescription of psychoactive medication given by a resident or by a person authorized by law to consent on
behalf of the resident is valid only if:

(1) the consent is given voluntarily and without coercive or undue influence;

(2) the person prescribing the medication or that person's designee provided the following information, in a standard format approved by the department, to the resident and, if applicable, to the person authorized by law to consent on behalf of the resident:

(A) the specific condition to be treated;
(B) the beneficial effects on that condition expected from the medication;
(C) the probable clinically significant side effects and risks associated with the medication; and
(D) the proposed course of the medication;

(3) the resident and, if appropriate, the person authorized by law to consent on behalf of the resident are informed in writing that consent may be revoked; and

(4) the consent is evidenced in the resident's clinical record by a signed form prescribed by the facility or by a statement of the person prescribing the medication or that person's designee that documents that consent was given by the appropriate person and the circumstances under which the consent was obtained.

(d) A resident's refusal to consent to receive psychoactive medication shall be documented in the resident's clinical record.

(e) If a person prescribes psychoactive medication to a resident without the resident's consent because the resident is having a medication-related emergency:

(1) the person shall document in the resident's clinical record in specific medical or behavioral terms the necessity of the order; and

(2) treatment of the resident with the psychoactive medication shall be provided in the manner, consistent with clinically appropriate medical care, least restrictive of the resident's personal liberty.

(f) A physician or a person designated by the physician is not liable for civil damages or an administrative penalty and is not subject to disciplinary action for a breach of confidentiality of medical information for a disclosure of the information provided under Subsection (c)(2) made by the resident or the person authorized by law to consent on behalf of the resident that occurs while the information is in the possession or control of the resident or the
person authorized by law to consent on behalf of the resident.

**SUBCHAPTER M. COMPLAINT INSPECTIONS**

Sec. 242.551. COMPLAINT REQUESTING INSPECTION. (a) A person may request an inspection of an institution in accordance with this chapter by making a complaint notifying the department of an alleged violation of law and requesting an inspection.

(b) The department shall encourage a person who makes an oral complaint under Subsection (a) to submit a written, signed complaint.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.552. DISCLOSURE OF SUBSTANCE OF COMPLAINT. The department may not provide information to the institution relating to the substance of a complaint made under this subchapter before an on-site inspection is begun in accordance with this subchapter.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.553. CONFIDENTIALITY. The name of the person making the complaint is confidential and may not be released to the institution or any other person, unless the person making the complaint specifically requests that the person's name be released.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.554. PRELIMINARY REVIEW OF COMPLAINT; INSPECTION. (a) On receipt of a complaint under this subchapter, the department shall make a preliminary review of the complaint.

(b) Within a reasonable time after receipt of the complaint, the department shall make an on-site inspection or otherwise respond to the complaint unless the department determines that:
the person making the complaint made the complaint to harass the institution;
(2) the complaint is without any reasonable basis; or
(3) sufficient information in the possession of the department indicates that corrective action has been taken.
(c) The department shall promptly notify the person making the complaint of the department's proposed course of action under Subsection (b) and the reasons for that action.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

SUBCHAPTER N. ADMINISTRATION OF MEDICATION

Sec. 242.601. MEDICATION ADMINISTRATION. (a) An institution must establish medication administration procedures.
(b) The medication administration procedures must comply with this subchapter and the rules adopted by the board under Section 242.608.

Sec. 242.602. PHARMACIST SERVICES. (a) An institution shall:
(1) employ a licensed pharmacist responsible for operating the institution's pharmacy; or
(2) contract, in writing, with a licensed pharmacist to advise the institution on ordering, storage, administration, and disposal of medications and biologicals and related recordkeeping.
(b) The institution shall allow residents to choose their pharmacy provider from any pharmacy that is qualified to perform the services.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.603. STORAGE AND DISPOSAL OF MEDICATIONS. (a) An institution shall store medications under appropriate conditions of
sanitation, temperature, light, moisture, ventilation, segregation, and security.

(b) The institution shall properly dispose of:
(1) any medication that is discontinued or outdated, except as provided by Subsection (c); and
(2) any medication in a container with a worn or illegible label or missing a label.

(c) A discontinued medication that has not been destroyed must be reinstated if reordered.

(d) An institution shall release the medications of a resident who is transferred directly to another institution or who is discharged to home to the new institution or to the resident or resident's next of kin or guardian, as appropriate. The institution may release a medication to a resident only on the written or verbal authorization of the attending physician.

Sec. 242.604. REPORTS OF MEDICATION ERRORS AND ADVERSE REACTIONS. An institution's nursing staff must report medication errors and adverse reactions to the resident's physician in a timely manner, as warranted by an assessment of the resident's condition, and record the errors and reactions in the resident's clinical record.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.

Sec. 242.605. MEDICATION REFERENCE SOURCES. An institution shall maintain updated medication reference texts or sources. If the institution has a resident younger than 18 years of age, these texts or sources must include information on pediatric medications, dosages, sites, routes, techniques of administration of medications, desired effects, and possible side effects.

Added by Acts 1997, 75th Leg., ch. 1159, Sec. 1.30, eff. Sept. 1, 1997.
Sec. 242.606. PERMITS TO ADMINISTER MEDICATION. A person may not administer medication to a resident unless the person:

(1) holds a license under state law that authorizes the person to administer medication; or

(2) holds a permit issued under Section 242.610 and acts under the authority of a person who holds a license under state law that authorizes the person to administer medication.

Sec. 242.607. EXEMPTIONS FOR NURSING STUDENTS AND MEDICATION AIDE TRAINEES. (a) Sections 242.606 and 242.614 do not apply to:

(1) a graduate nurse holding a temporary permit issued by the Texas Board of Nursing;

(2) a student enrolled in an accredited school of nursing or program for the education of registered nurses who is administering medications as part of the student's clinical experience;

(3) a graduate vocational nurse holding a temporary permit issued by the Texas Board of Nursing;

(4) a student enrolled in an accredited school of vocational nursing or program for the education of vocational nurses who is administering medications as part of the student's clinical experience; or

(5) a trainee in a medication aide training program approved by the department under this subchapter who is administering medications as part of the trainee's clinical experience.

(b) The administration of medications by persons exempted under Subdivisions (1) through (4) of Subsection (a) is governed by the terms of the memorandum of understanding executed by the department and the Texas Board of Nursing.

Sec. 242.608. RULES FOR ADMINISTRATION OF MEDICATION. The board by rule shall establish:

(1) minimum requirements for the issuance, denial, renewal, suspension, emergency suspension, and revocation of a permit to administer medication to a resident;

(2) curricula to train persons to administer medication to a resident;

(3) minimum standards for the approval of programs to train persons to administer medication to a resident and for rescinding approval; and

(4) the acts and practices that are allowed or prohibited to a permit holder.

Sec. 242.609. TRAINING PROGRAMS TO ADMINISTER MEDICATION. (a) An application for the approval of a training program must be made to the department on a form and under rules prescribed by the board.

(b) The department shall approve a training program that meets the minimum standards adopted under Section 242.608. The department may review the approval annually.

Sec. 242.610. ISSUANCE AND RENEWAL OF PERMIT TO ADMINISTER MEDICATION. (a) To be issued or to have renewed a permit to administer medication, a person shall apply to the department on a
form prescribed and under rules adopted by the board.

(b) The department shall prepare and conduct, at the site of
the training program, an examination for the issuance of a permit.
The results of the examination shall be reported in accordance with
Section 242.6101.

c) The department shall require a permit holder to
satisfactorily complete a continuing education course approved by the
department for renewal of the permit.

(d) Subject to Subsections (h)-(m), the department shall issue
a permit or renew a permit to an applicant who:
(1) meets the minimum requirements adopted under Section
242.608;
(2) successfully completes the examination or the
continuing education requirements; and
(3) pays a nonrefundable application fee determined by the
board.

(e) Except as provided by Subsection (g), a permit is valid for
one year and is not transferable.

(f) The department may issue a permit to an employee of a state
or federal agency listed in Section 242.003(a)(6)(B).

(g) The board by rule may adopt a system under which permits
expire on various dates during the year. For the year in which the
permit expiration date is changed, the department shall prorate
permit fees on a monthly basis so that each permit holder pays only
that portion of the permit fee that is allocable to the number of
months during which the permit is valid. On renewal of the permit on
the new expiration date, the total permit renewal fee is payable.

(h) A person who is otherwise eligible to renew a permit may
renew an unexpired permit by paying the required renewal fee to the
department before the expiration date of the permit. A person whose
permit has expired may not engage in activities that require a permit
until the permit has been renewed.

(i) A person whose permit has been expired for 90 days or less
may renew the permit by paying to the department a renewal fee that
is equal to 1-1/2 times the normally required renewal fee.

(j) A person whose permit has been expired for more than 90
days but less than one year may renew the permit by paying to the
department a renewal fee that is equal to two times the normally
required renewal fee.

(k) A person whose permit has been expired for one year or more
may not renew the permit. The person may obtain a new permit by complying with the requirements and procedures, including the examination requirements, for obtaining an original permit.

(1) A person who was issued a permit in this state, moved to another state, currently holds a valid permit or license issued by the other state, and has been in practice in that state for the two years preceding the date of application may obtain a new permit without reexamination. The person must pay to the department a fee that is equal to two times the normally required renewal fee for the permit.

(m) Not later than the 30th day before the date a person's permit is scheduled to expire, the department shall send written notice of the impending expiration to the person at the person's last known address according to the records of the department.

Section 242.6101. RESULTS OF EXAMINATION FOR ISSUANCE OF PERMIT.
(a) Not later than the 30th day after the date a person takes an examination for the issuance of a permit under this subchapter, the department shall notify the person of the results of the examination.

(b) If the examination is graded or reviewed by a testing service:

(1) the department shall notify the person of the results of the examination not later than the 14th day after the date the department receives the results from the testing service; and

(2) if notice of the examination results will be delayed for longer than 90 days after the examination date, the department shall notify the person of the reason for the delay before the 90th day.

(c) The department may require a testing service to notify a person of the results of the person's examination.

(d) If requested in writing by a person who fails an examination for the issuance of a permit administered under this
subchapter, the department shall furnish the person with an analysis of the person's performance on the examination.

Added by Acts 2003, 78th Leg., ch. 1169, Sec. 16, eff. Sept. 1, 2003.

Sec. 242.611. FEES FOR ISSUANCE AND RENEWAL OF PERMIT TO ADMINISTER MEDICATION. The board shall set the fees in amounts reasonable and necessary to recover the amount projected by the department as required to administer its functions. Except as otherwise provided by Section 242.610, the fees may not exceed:

(1) $25 for a combined permit application and examination fee; and

(2) $15 for a renewal permit application fee.

Sec. 242.612. VIOLATION OF PERMITS TO ADMINISTER MEDICATION. (a) The board shall revoke, suspend, or refuse to renew a permit or shall reprimand a permit holder for a violation of this subchapter or a rule of the board adopted under this subchapter. In addition, the board may suspend a permit in an emergency or rescind training program approval.

(b) Except as provided by Section 242.613, the procedure by which the department takes a disciplinary action and the procedure by which a disciplinary action is appealed are governed by the department's rules for a formal hearing and by Chapter 2001, Government Code.

(c) The board may place on probation a person whose permit is suspended. If a permit suspension is probated, the board may require the person:

(1) to report regularly to the department on matters that are the basis of the probation;

(2) to limit practice to the areas prescribed by the board; or

(3) to continue or review professional education until the person attains a degree of skill satisfactory to the board in those
Sec. 242.613. EMERGENCY SUSPENSION OF PERMITS TO ADMINISTER MEDICATION. (a) The department shall issue an order to suspend a permit issued under this subchapter if the department has reasonable cause to believe that the conduct of the permit holder creates an imminent danger to the public health or safety.

(b) An emergency suspension is effective immediately without a hearing on notice to the permit holder.

(c) If requested in writing by a permit holder whose permit is suspended, the department shall conduct a hearing to continue, modify, or rescind the emergency suspension.

(d) The hearing must be held not earlier than the 10th day or later than the 30th day after the date on which the hearing request is received.

(e) The hearing and an appeal from a disciplinary action related to the hearing are governed by the department's rules for a formal hearing and Chapter 2001, Government Code.

Sec. 242.614. ADMINISTRATION OF MEDICATION; CRIMINAL PENALTY. (a) A person commits an offense if the person knowingly administers medication to a resident and the person:

(1) does not hold a license under state law that authorizes the person to administer medication; or

(2) does not hold a permit issued by the department under this subchapter.

(b) An offense under this section is a Class B misdemeanor.
SUBCHAPTER R. ELECTRONIC MONITORING OF RESIDENT'S ROOM

Sec. 242.841. DEFINITIONS. In this subchapter:

(1) "Authorized electronic monitoring" means the placement of an electronic monitoring device in the room of a resident of an institution and making tapes or recordings with the device after making a request to the institution to allow electronic monitoring.

(2) "Electronic monitoring device":
   (A) includes:
      (i) video surveillance cameras installed in the room of a resident; and
      (ii) audio devices installed in the room of a resident designed to acquire communications or other sounds occurring in the room; and
   (B) does not include an electronic, mechanical, or other device that is specifically used for the nonconsensual interception of wire or electronic communications.

Sec. 242.842. CRIMINAL AND CIVIL LIABILITY. (a) It is a defense to prosecution under Section 16.02, Penal Code, or any other statute of this state under which it is an offense to intercept a communication or disclose or use an intercepted communication, that the communication was intercepted by an electronic monitoring device placed in the room of a resident of an institution.

(b) This subchapter does not affect whether a person may be held to be civilly liable under other law in connection with placing an electronic monitoring device in the room of a resident of an institution or in connection with using or disclosing a tape or recording made by the device except:

(1) as specifically provided by this subchapter; or
(2) to the extent that liability is affected by:
   (A) a consent or waiver signed under this subchapter;
or

(B) the fact that authorized electronic monitoring is required to be conducted with notice to persons who enter a resident's room.

(c) A communication or other sound acquired by an audio electronic monitoring device installed under the provisions of this subchapter concerning authorized electronic monitoring is not considered to be:
   
   (1) an oral communication as defined by Section 1, Article 18.20, Code of Criminal Procedure; or
   
   (2) a communication as defined by Section 123.001, Civil Practice and Remedies Code.

Sec. 242.843. COVERT USE OF ELECTRONIC MONITORING DEVICE; LIABILITY OF DEPARTMENT OR INSTITUTION. (a) For purposes of this subchapter, the placement and use of an electronic monitoring device in the room of a resident is considered to be covert if:

   (1) the placement and use of the device is not open and obvious; and
   
   (2) the institution and the department are not informed about the device by the resident, by a person who placed the device in the room, or by a person who is using the device.

(b) The department and the institution may not be held to be civilly liable in connection with the covert placement or use of an electronic monitoring device in the room of a resident.

Sec. 242.844. REQUIRED FORM ON ADMISSION. The department by rule shall prescribe a form that must be completed and signed on a resident's admission to an institution by or on behalf of the resident. The form must state:

   (1) that a person who places an electronic monitoring device in the room of a resident or who uses or discloses a tape or other recording made by the device may be civilly liable for any unlawful violation of the privacy rights of another;
   
   (2) that a person who covertly places an electronic
monitoring device in the room of a resident or who consents to or acquiesces in the covert placement of the device in the room of a resident has waived any privacy right the person may have had in connection with images or sounds that may be acquired by the device;

(3) that a resident or the resident's guardian or legal representative is entitled to conduct authorized electronic monitoring under Subchapter R, Chapter 242, Health and Safety Code, and that if the institution refuses to permit the electronic monitoring or fails to make reasonable physical accommodations for the authorized electronic monitoring that the person should contact the Texas Department of Human Services;

(4) the basic procedures that must be followed to request authorized electronic monitoring;

(5) the manner in which this chapter affects the legal requirement to report abuse or neglect when electronic monitoring is being conducted; and

(6) any other information regarding covert or authorized electronic monitoring that the department considers advisable to include on the form.

Sec. 242.845. AUTHORIZED ELECTRONIC MONITORING: WHO MAY REQUEST. (a) If a resident has capacity to request electronic monitoring and has not been judicially declared to lack the required capacity, only the resident may request authorized electronic monitoring under this subchapter, notwithstanding the terms of any durable power of attorney or similar instrument.

(b) If a resident has been judicially declared to lack the capacity required for taking an action such as requesting electronic monitoring, only the guardian of the resident may request electronic monitoring under this subchapter.

(c) If a resident does not have capacity to request electronic monitoring but has not been judicially declared to lack the required capacity, only the legal representative of the resident may request electronic monitoring under this subchapter. The department by rule shall prescribe:

(1) guidelines that will assist institutions, family members of residents, advocates for residents, and other interested
persons to determine when a resident lacks the required capacity; and

(2) who may be considered to be a resident's legal representative for purposes of this subchapter, including:
   (A) persons who may be considered the legal representative under the terms of an instrument executed by the resident when the resident had capacity; and
   (B) persons who may become the legal representative for the limited purpose of this subchapter under a procedure prescribed by the department.

Sec. 242.846. AUTHORIZED ELECTRONIC MONITORING: FORM OF REQUEST; CONSENT OF OTHER RESIDENTS IN ROOM. (a) A resident or the guardian or legal representative of a resident who wishes to conduct authorized electronic monitoring must make the request to the institution on a form prescribed by the department.

(b) The form prescribed by the department must require the resident or the resident's guardian or legal representative to:
   (1) release the institution from any civil liability for a violation of the resident's privacy rights in connection with the use of the electronic monitoring device;
   (2) choose, when the electronic monitoring device is a video surveillance camera, whether the camera will always be unobstructed or whether the camera should be obstructed in specified circumstances to protect the dignity of the resident; and
   (3) obtain the consent of other residents in the room, using a form prescribed for this purpose by the department, if the resident resides in a multiperson room.

(c) Consent under Subsection (b)(3) may be given only:
   (1) by the other resident or residents in the room;
   (2) by the guardian of a person described by Subdivision (1), if the person has been judicially declared to lack the required capacity; or
   (3) by the legal representative who under Section 242.845(c) may request electronic monitoring on behalf of a person described by Subdivision (1), if the person does not have capacity to sign the form but has not been judicially declared to lack the
required capacity.

(d) The form prescribed by the department under Subsection (b)(3) must condition the consent of another resident in the room on the other resident also releasing the institution from any civil liability for a violation of the person's privacy rights in connection with the use of the electronic monitoring device.

(e) Another resident in the room may:

(1) when the proposed electronic monitoring device is a video surveillance camera, condition consent on the camera being pointed away from the consenting resident; and

(2) condition consent on the use of an audio electronic monitoring device being limited or prohibited.

(f) If authorized electronic monitoring is being conducted in the room of a resident and another resident is moved into the room who has not yet consented to the electronic monitoring, authorized electronic monitoring must cease until the new resident has consented in accordance with this section.

(g) The department may include other information that the department considers to be appropriate on either of the forms that the department is required to prescribe under this section.

(h) The department may adopt rules prescribing the place or places that a form signed under this section must be maintained and the period for which it must be maintained.

(i) Authorized electronic monitoring:

(1) may not commence until all request and consent forms required by this section have been completed and returned to the institution; and

(2) must be conducted in accordance with any limitation placed on the monitoring as a condition of the consent given by or on behalf of another resident in the room.

Sec. 242.847. AUTHORIZED ELECTRONIC MONITORING: GENERAL PROVISIONS. (a) An institution shall permit a resident or the resident's guardian or legal representative to monitor the room of the resident through the use of electronic monitoring devices.

(b) The institution shall require a resident who conducts authorized electronic monitoring or the resident's guardian or legal
representative to post and maintain a conspicuous notice at the entrance to the resident’s room. The notice must state that the room is being monitored by an electronic monitoring device.

(c) Authorized electronic monitoring conducted under this subchapter is not compulsory and may be conducted only at the request of the resident or the resident's guardian or legal representative.

(d) An institution may not refuse to admit an individual to residency in the institution and may not remove a resident from the institution because of a request to conduct authorized electronic monitoring. An institution may not remove a resident from the institution because covert electronic monitoring is being conducted by or on behalf of a resident.

(e) An institution shall make reasonable physical accommodation for authorized electronic monitoring, including:

1. providing a reasonably secure place to mount the video surveillance camera or other electronic monitoring device; and
2. providing access to power sources for the video surveillance camera or other electronic monitoring device.

(f) The resident or the resident's guardian or legal representative must pay for all costs associated with conducting electronic monitoring, other than the costs of electricity. The resident or the resident's guardian or legal representative is responsible for:

1. all costs associated with installation of equipment; and
2. maintaining the equipment.

(g) An institution may require an electronic monitoring device to be installed in a manner that is safe for residents, employees, or visitors who may be moving about the room. The department may adopt rules regarding the safe placement of an electronic monitoring device.

(h) If authorized electronic monitoring is conducted, the institution may require the resident or the resident's guardian or legal representative to conduct the electronic monitoring in plain view.

(i) An institution may but is not required to place a resident in a different room to accommodate a request to conduct authorized electronic monitoring.

Sec. 242.848. REPORTING ABUSE AND NEGLECT. (a) For purposes of the duty to report abuse or neglect under Section 260A.002 and the criminal penalty for the failure to report abuse or neglect under Section 260A.012, a person who is conducting electronic monitoring on behalf of a resident under this subchapter is considered to have viewed or listened to a tape or recording made by the electronic monitoring device on or before the 14th day after the date the tape or recording is made.

(b) If a resident who has capacity to determine that the resident has been abused or neglected and who is conducting electronic monitoring under this subchapter gives a tape or recording made by the electronic monitoring device to a person and directs the person to view or listen to the tape or recording to determine whether abuse or neglect has occurred, the person to whom the resident gives the tape or recording is considered to have viewed or listened to the tape or recording on or before the seventh day after the date the person receives the tape or recording for purposes of the duty to report abuse or neglect under Section 260A.002 and of the criminal penalty for the failure to report abuse or neglect under Section 260A.012.

(c) A person is required to report abuse based on the person's viewing of or listening to a tape or recording only if the incident of abuse is acquired on the tape or recording. A person is required to report neglect based on the person's viewing of or listening to a tape or recording only if it is clear from viewing or listening to the tape or recording that neglect has occurred.

(d) If abuse or neglect of the resident is reported to the institution and the institution requests a copy of any relevant tape or recording made by an electronic monitoring device, the person who possesses the tape or recording shall provide the institution with a copy at the institution's expense.

Added by Acts 2001, 77th Leg., ch. 1224, Sec. 1, eff. June 15, 2001. Amended by:
Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(h), eff. September 28, 2011.
Sec. 242.849. USE OF TAPE OR RECORDING BY AGENCY OR COURT. (a) Subject to applicable rules of evidence and procedure and the requirements of this section, a tape or recording created through the use of covert or authorized electronic monitoring described by this subchapter may be admitted into evidence in a civil or criminal court action or administrative proceeding.

(b) A court or administrative agency may not admit into evidence a tape or recording created through the use of covert or authorized electronic monitoring or take or authorize action based on the tape or recording unless:

(1) if the tape or recording is a video tape or recording, the tape or recording shows the time and date that the events acquired on the tape or recording occurred;

(2) the contents of the tape or recording have not been edited or artificially enhanced; and

(3) if the contents of the tape or recording have been transferred from the original format to another technological format, the transfer was done by a qualified professional and the contents of the tape or recording were not altered.

(c) A person who sends more than one tape or recording to the department shall identify for the department each tape or recording on which the person believes that an incident of abuse or evidence of neglect may be found. The department may adopt rules encouraging persons who send a tape or recording to the department to identify the place on the tape or recording that an incident of abuse or evidence of neglect may be found.

Sec. 242.850. NOTICE AT ENTRANCE TO INSTITUTION. Each institution shall post a notice at the entrance to the institution stating that the rooms of some residents may be being monitored electronically by or on behalf of the residents and that the monitoring is not necessarily open and obvious. The department by rule shall prescribe the format and the precise content of the notice.

Sec. 242.851.  ENFORCEMENT.  (a) The department may impose appropriate sanctions under this chapter on an administrator of an institution who knowingly:

(1) refuses to permit a resident or the resident's guardian or legal representative to conduct authorized electronic monitoring;
(2) refuses to admit an individual to residency or allows the removal of a resident from the institution because of a request to conduct authorized electronic monitoring;
(3) allows the removal of a resident from the institution because covert electronic monitoring is being conducted by or on behalf of the resident; or
(4) violates another provision of this subchapter.

(b) The department may assess an administrative penalty under Section 242.066 against an institution that:

(1) refuses to permit a resident or the resident's guardian or legal representative to conduct authorized electronic monitoring;
(2) refuses to admit an individual to residency or allows the removal of a resident from the institution because of a request to conduct authorized electronic monitoring;
(3) allows the removal of a resident from the institution because covert electronic monitoring is being conducted by or on behalf of the resident; or
(4) violates another provision of this subchapter.

Sec. 242.852.  CRIMINAL OFFENSE.  (a) A person who intentionally hampers, obstructs, tampers with, or destroys an electronic monitoring device installed in a resident's room in accordance with this subchapter or a tape or recording made by the device commits an offense. An offense under this section is a Class B misdemeanor.

(b) It is a defense to prosecution under Subsection (a) that the person took the action with the effective consent of the resident on whose behalf the electronic monitoring device was installed or the resident's guardian or legal representative.

SUBCHAPTER S. FAMILY COUNCIL

Sec. 242.901. DEFINITIONS. In this subchapter:
(1) "Department" means the Department of Aging and Disability Services.
(2) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.
(3) "Family council" means a group of family members, friends, or legal guardians of residents, who organize and meet privately or openly.

Added by Acts 2007, 80th Leg., R.S., Ch. 798 (S.B. 131), Sec. 3, eff. September 1, 2008.

Sec. 242.902. FAMILY COUNCIL. A family council may:
(1) make recommendations to the institution proposing policy and operational decisions affecting resident care and quality of life; and
(2) promote educational programs and projects that will promote the health and happiness of residents.

Added by Acts 2007, 80th Leg., R.S., Ch. 798 (S.B. 131), Sec. 3, eff. September 1, 2008.

Sec. 242.903. DUTIES OF INSTITUTION. (a) An institution shall consider the views and recommendations of the family council and make a reasonable effort to resolve the council's grievances.

(b) An institution may not:
(1) prohibit the formation of a family council;
(2) terminate an existing family council;
(3) deny a family council the opportunity to accept help from an outside person;
(4) limit the rights of a resident, family member, or family council member to meet with an outside person, including:
   (A) an employee of the institution during nonworking hours if the employee agrees; and
   (B) a member of a nonprofit or government organization;
(5) prevent or interfere with the family council receiving outside correspondence addressed to the council;
(6) open family council mail; or
(7) wilfully interfere with the formation, maintenance, or operation of a family council, including interfering by:
   (A) discriminating or retaliating against a family council participant; and
   (B) wilfully scheduling events in conflict with previously scheduled family council meetings if the institution has other scheduling options.

(c) On admission of a resident, an institution shall inform the resident's family members in writing of:
   (1) the family members' right to form a family council; or
   (2) if a family council already exists, the council's:
       (A) meeting time, date, and location; and
       (B) contact person.

(d) An institution shall:
   (1) include notice of a family council in a mailing that occurs at least semiannually;
   (2) permit a representative of a family council to discuss concerns with an individual conducting an inspection or survey of the facility;
   (3) provide a family council with adequate space on a prominent bulletin board to post notices and other information;
   (4) provide a designated staff person to act as liaison for a family council; and
   (5) respond in writing to a written request by a family council within five working days.

Added by Acts 2007, 80th Leg., R.S., Ch. 798 (S.B. 131), Sec. 3, eff. September 1, 2008.

Sec. 242.904. MEETINGS. (a) On written request, an institution shall allow a family council to meet in a common meeting room of the institution at least once a month during hours mutually agreed upon by the family council and the institution.

(b) Institution employees or visitors may attend a family council meeting only at the council's invitation.

Added by Acts 2007, 80th Leg., R.S., Ch. 798 (S.B. 131), Sec. 3, eff. September 1, 2008.
Sec. 242.905. VISITING. A family council member may authorize in writing another member to visit and observe a resident represented by the authorizing member unless the resident objects.

Added by Acts 2007, 80th Leg., R.S., Ch. 798 (S.B. 131), Sec. 3, eff. September 1, 2008.

Sec. 242.906. ADMINISTRATION; RULES. (a) The department shall administer this subchapter.

(b) The executive commissioner shall adopt rules necessary to implement this section.

Added by Acts 2007, 80th Leg., R.S., Ch. 798 (S.B. 131), Sec. 3, eff. September 1, 2008.

CHAPTER 243. AMBULATORY SURGICAL CENTERS
SUBCHAPTER A. GENERAL PROVISIONS; LICENSING AND PENALTIES

Sec. 243.001. SHORT TITLE. This chapter may be cited as the Texas Ambulatory Surgical Center Licensing Act.

Sec. 243.002. DEFINITIONS. In this chapter:

(1) "Ambulatory surgical center" means a facility that operates primarily to provide surgical services to patients who do not require overnight hospital care.

(2) "Board" means the Texas Board of Health.

(3) "Department" means the Texas Department of Health.

(4) "Person" means an individual, firm, partnership, corporation, or association.

Sec. 243.003. LICENSE REQUIRED. (a) Except as provided by Section 243.004, a person may not establish or operate an ambulatory surgical center in this state without a license issued under this chapter.
(b) Each ambulatory surgical center must have a separate license.
(c) A license is not transferable or assignable.

Sec. 243.004. EXEMPTIONS FROM LICENSING REQUIREMENT. The following facilities need not be licensed under this chapter:
(1) an office or clinic of a licensed physician, dentist, or podiatrist;
(2) a licensed nursing home; or
(3) a licensed hospital.

Sec. 243.005. LICENSE APPLICATION AND ISSUANCE. (a) An applicant for an ambulatory surgical center license must submit an application to the department on a form prescribed by the department.
(b) Each application must be accompanied by a nonrefundable license fee in an amount set by the board.
(c) The application must contain evidence that there is at least one physician, dentist, or podiatrist on the staff of the center who is licensed by the appropriate state licensing board.
(d) The department shall issue a license if, after inspection and investigation, it finds that the applicant and the center meet the requirements of this chapter and the standards adopted under this chapter.
(e) The license fee must be paid annually on renewal of the license.
(f) The department shall issue a renewal license to a center certified under Title XVIII of the Social Security Act (42 U.S.C. Section 1395 et seq.) when the center:
(1) remits any annual license fee; and
(2) submits the inspection results or the inspection results report from the certification body.

Sec. 243.006. INSPECTIONS. (a) The department may inspect an ambulatory surgical center at reasonable times as necessary to assure compliance with this chapter.

(b) An ambulatory surgical center licensed by the department and certified under Title XVIII of the Social Security Act (42 U.S.C. Section 1395 et seq.) is subject to an on-site licensing inspection under this chapter once every three years while the center maintains the certification.

Sec. 243.007. FEES. The board shall set fees imposed by this chapter in amounts reasonable and necessary to defray the cost of administering this chapter.

Sec. 243.008. AMBULATORY SURGICAL CENTER LICENSING FUND. All fees collected under this chapter shall be deposited in the state treasury to the credit of the ambulatory surgical center licensing fund and may be appropriated to the department only to administer and enforce this chapter.

Sec. 243.009. ADOPTION OF RULES. The board shall adopt rules necessary to implement this chapter, including requirements for the issuance, renewal, denial, suspension, and revocation of a license to operate an ambulatory surgical center.

Sec. 243.010. MINIMUM STANDARDS. (a) The rules must contain minimum standards applicable to an ambulatory surgical center and for:

1. the construction and design, including plumbing,
heating, lighting, ventilation, and other design standards necessary to ensure the health and safety of patients;

(2) the qualifications of the professional staff and other personnel;

(3) the equipment essential to the health and welfare of the patients;

(4) the sanitary and hygienic conditions within the center and its surroundings; and

(5) a quality assurance program for patient care.

(b) Standards set under this section may not exceed the minimum standards for certification of ambulatory surgical centers under Title XVIII of the Social Security Act (42 U.S.C. Section 1395 et seq.).

(c) This section does not authorize the board to:

(1) establish the qualifications of a licensed practitioner; or

(2) permit a person to provide health care services who is not authorized to provide those services under another state law.

Sec. 243.011. DENIAL, SUSPENSION, PROBATION, OR REVOCATION OF LICENSE. (a) The department may deny, suspend, or revoke a license for a violation of this chapter or a rule adopted under this chapter.

(b) The denial, suspension, or revocation of a license by the department and the appeal from that action are governed by the procedures for a contested case hearing under Chapter 2001, Government Code.

(c) If the department finds that an ambulatory surgical center is in repeated noncompliance with this chapter or rules adopted under this chapter but that the noncompliance does not endanger public health and safety, the department may schedule the center for probation rather than suspending or revoking the center's license. The department shall provide notice to the center of the probation and of the items of noncompliance not later than the 10th day before the date the probation period begins. The department shall designate a period of not less than 30 days during which the center will remain under probation. During the probation period, the center must correct the items that were in noncompliance and report the
corrections to the department for approval.

(d) The department may suspend or revoke the license of an ambulatory surgical center that does not correct items that were in noncompliance or that does not comply with this chapter or the rules adopted under this chapter within the applicable probation period.

Sec. 243.0115. EMERGENCY SUSPENSION. The department may issue an emergency order to suspend a license issued under this chapter if the department has reasonable cause to believe that the conduct of a license holder creates an immediate danger to the public health and safety. An emergency suspension is effective immediately without a hearing on notice to the license holder. On written request of the license holder, the department shall conduct a hearing not earlier than the 10th day or later than the 30th day after the date the hearing request is received to determine if the emergency suspension is to be continued, modified, or rescinded. The hearing and any appeal are governed by the department's rules for a contested case hearing and Chapter 2001, Government Code.

Added by Acts 1999, 76th Leg., ch. 1546, Sec. 2, eff. Sept. 1, 1999.

Sec. 243.012. INJUNCTION. (a) The department may petition a district court for a temporary restraining order to restrain a continuing violation of the standards or licensing requirements provided under this chapter if the department finds that the violation creates an immediate threat to the health and safety of the patients of an ambulatory surgical center.

(b) A district court, on petition of the department and on a finding by the court that a person is violating the standards or licensing requirements provided under this chapter, may by injunction:

1. prohibit a person from continuing a violation of the standards or licensing requirements provided under this chapter;
2. restrain or prevent the establishment or operation of an ambulatory surgical center without a license issued under this
chapter; or

(3) grant any other injunctive relief warranted by the facts.

(c) The attorney general shall institute and conduct a suit authorized by this section at the request of the department.

(d) Venue for a suit brought under this section is in the county in which the ambulatory surgical center is located or in Travis County.

Sec. 243.013. CRIMINAL PENALTY. (a) A person commits an offense if the person violates Section 243.003(a).

(b) An offense under this section is a Class C misdemeanor.

(c) Each day of a continuing violation constitutes a separate offense.

Sec. 243.014. CIVIL PENALTY. (a) A person who violates this chapter or who fails to comply with a rule adopted under this chapter is liable for a civil penalty of not less than $100 or more than $500 for each violation if the department determines the violation threatens the health and safety of a patient.

(b) Each day of a continuing violation constitutes a separate ground for recovery.

Sec. 243.015. IMPOSITION OF ADMINISTRATIVE PENALTY. (a) The department may impose an administrative penalty on a person licensed under this chapter who violates this chapter or a rule or order adopted under this chapter. A penalty collected under this section or Section 243.016 shall be deposited in the state treasury in the general revenue fund.

(b) A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.

(c) The amount of the penalty may not exceed $1,000 for each
violation, and each day a violation continues or occurs is a separate violation for purposes of imposing a penalty. The total amount of the penalty assessed for a violation continuing or occurring on separate days under this subsection may not exceed $5,000.

(d) The amount shall be based on:
   (1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
   (2) the threat to health or safety caused by the violation;
   (3) the history of previous violations;
   (4) the amount necessary to deter a future violation;
   (5) whether the violator demonstrated good faith, including when applicable whether the violator made good faith efforts to correct the violation; and
   (6) any other matter that justice may require.

(e) If the department initially determines that a violation occurred, the department shall give written notice of the report by certified mail to the person.

(f) The notice under Subsection (e) must:
   (1) include a brief summary of the alleged violation;
   (2) state the amount of the recommended penalty; and
   (3) inform the person of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

(g) Within 20 days after the date the person receives the notice under Subsection (e), the person in writing may:
   (1) accept the determination and recommended penalty of the department; or
   (2) make a request for a hearing on the occurrence of the violation, the amount of the penalty, or both.

(h) If the person accepts the determination and recommended penalty or if the person fails to respond to the notice, the commissioner of public health by order shall approve the determination and impose the recommended penalty.

(i) If the person requests a hearing, the commissioner of public health shall refer the matter to the State Office of Administrative Hearings, which shall promptly set a hearing date and give written notice of the time and place of the hearing to the person. An administrative law judge of the State Office of Administrative Hearings shall conduct the hearing.

(j) The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the commissioner of
Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner of public health by order may:

(1) find that a violation occurred and impose a penalty; or

(2) find that a violation did not occur.

The notice of the commissioner's order under Subsection (k) that is sent to the person in accordance with Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 3.01, eff. Sept. 1, 1999.

Sec. 243.016. PAYMENT AND COLLECTION OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW. (a) Within 30 days after the date an order of the commissioner of public health under Section 243.015(k) that imposes an administrative penalty becomes final, the person shall:

(1) pay the penalty; or

(2) file a petition for judicial review of the commissioner's order contesting the occurrence of the violation, the amount of the penalty, or both.

(b) Within the 30-day period prescribed by Subsection (a), a person who files a petition for judicial review may:

(1) stay enforcement of the penalty by:
   (A) paying the penalty to the court for placement in an escrow account; or
   (B) giving the court a supersedeas bond approved by the court that:
      (i) is for the amount of the penalty; and
      (ii) is effective until all judicial review of the commissioner's order is final; or

(2) request the court to stay enforcement of the penalty by:
   (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the penalty and is financially unable to give the supersedeas bond; and
(B) sending a copy of the affidavit to the commissioner of public health by certified mail.

(c) If the commissioner of public health receives a copy of an affidavit under Subsection (b)(2), the commissioner may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty or to give a supersedeas bond.

(d) If the person does not pay the penalty and the enforcement of the penalty is not stayed, the penalty may be collected. The attorney general may sue to collect the penalty.

(e) If the court sustains the finding that a violation occurred, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty.

(f) If the court does not sustain the finding that a violation occurred, the court shall order that a penalty is not owed.

(g) If the person paid the penalty and if the amount of the penalty is reduced or the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, that the appropriate amount plus accrued interest be remitted to the person within 30 days after the date that the judgment of the court becomes final. The interest accrues at the rate charged on loans to depository institutions by the New York Federal Reserve Bank. The interest shall be paid for the period beginning on the date the penalty is paid and ending on the date the penalty is remitted.

(h) If the person gave a supersedeas bond and the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, the release of the bond. If the person gave a supersedeas bond and the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the reduced amount.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 3.01, eff. Sept. 1, 1999.
Sec. 243.017. COMPLIANCE WITH CERTAIN REQUIREMENTS REGARDING SONOGRAM BEFORE ABORTION. An ambulatory surgical center shall comply with Subchapter B, Chapter 171.

Added by Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 7, eff. September 1, 2011.

CHAPTER 244. BIRTHING CENTERS

Sec. 244.001. SHORT TITLE. This chapter may be cited as the Texas Birthing Center Licensing Act.

Sec. 244.002. DEFINITIONS. In this chapter:
(1) "Birthing center" means a place, facility, or institution at which a woman is scheduled to give birth following a normal, uncomplicated pregnancy, but does not include a hospital or the residence of the woman giving birth.
(2) "Board" means the Texas Board of Health.
(3) "Department" means the Texas Department of Health.
(4) "Person" means an individual, firm, partnership, corporation, or association.

Sec. 244.003. LICENSE REQUIRED. (a) Except as provided by Section 244.004, a person may not establish or operate a birthing center in this state without an appropriate license issued under this chapter.
(b) Each birthing center must have a separate license.
(c) A license is not transferable or assignable.

Sec. 244.004. EXEMPTIONS FROM LICENSING REQUIREMENT. The following facilities need not be licensed under this chapter:
(1) a licensed hospital;
(2) a licensed nursing home; or
(3) a licensed ambulatory surgical center.

Sec. 244.005. LICENSE APPLICATION AND ISSUANCE. (a) An applicant for a birthing center license must submit an application to the department on a form prescribed by the department.

(b) Each application must be accompanied by a nonrefundable license fee in an amount set by the board.

(c) The application must contain evidence that the composition of the center's staff meets the standards adopted by the board under this chapter for the level of license for which the application is submitted.

(d) The department shall issue the appropriate license if, after inspection and investigation, it finds that the applicant and the center meet the requirements of this chapter and the standards adopted under this chapter.

(e) The license fee shall be paid annually on renewal of the license.

Sec. 244.006. INSPECTIONS. (a) The department may inspect a birthing center at reasonable times as necessary to assure compliance with this chapter.

(b) If a birthing center's failure to comply with this chapter creates a serious threat to the health and safety of the public, the department may appoint a monitor for the center to ensure compliance with this chapter. The birthing center shall be liable for the cost of the monitor.

Sec. 244.007. FEES. The board shall set fees imposed by this chapter in amounts reasonable and necessary to defray the cost of administering this chapter.
Sec. 244.008. BIRTHING CENTER LICENSING FUND. All fees collected under this chapter shall be deposited in the state treasury to the credit of the birthing center licensing fund and may be appropriated to the department only to administer and enforce this chapter.

Sec. 244.009. ADOPTION OF RULES. (a) The board shall adopt rules necessary to implement this chapter.

(b) The board shall adopt rules that establish different levels of licenses to operate a birthing center and that provide requirements for the issuance, renewal, denial, suspension, and revocation of each level of license.

Sec. 244.010. MINIMUM STANDARDS. (a) For each level of license of a birthing center, the rules must contain minimum standards for:

(1) the qualifications for professional and nonprofessional personnel;
(2) the supervision of professional and nonprofessional personnel;
(3) the provision and coordination of treatment and services;
(4) the organizational structure, including the lines of authority and the delegation of responsibility;
(5) the keeping of clinical records; and
(6) any other aspect of the operation of a birthing center that the board considers necessary to protect the public.

(b) This section does not authorize the board to:

(1) establish the qualifications of a licensed practitioner; or
(2) permit a person to provide health care services who is not authorized to provide those services under another state law.
Sec. 244.0105. COMPLAINTS. A person may file a complaint with the department against a birthing center licensed under this chapter. A person who files a false complaint may be prosecuted under the Penal Code.

Added by Acts 1999, 76th Leg., ch. 1265, Sec. 3, eff. Sept. 1, 1999.

Sec. 244.011. DENIAL, SUSPENSION, PROBATION, OR REVOCATION OF LICENSE. (a) The department may deny, suspend, or revoke a license for:

(1) a violation of this chapter or a rule adopted under this chapter; or

(2) a history of continuing noncompliance with this chapter or the rules adopted under this chapter.

(b) The denial, suspension, or revocation of a license by the department and the appeal from that action are governed by the procedures for a contested case hearing under Chapter 2001, Government Code.

(c) If the department finds that a birthing center is in repeated noncompliance under Subsection (a) but that the noncompliance does not endanger public health and safety, the department may schedule the center for probation rather than suspending or revoking the center's license. The department shall provide notice to the center of the probation and of the items of noncompliance not later than the 10th day before the date the probation period begins. The department shall designate a period of not less than 30 days during which the center will remain under probation. During the probation period, the center must correct the items that were in noncompliance and report the corrections to the department for approval.

(d) The department may suspend or revoke the license of a birthing center that does not correct items that were in noncompliance or that does not comply with the applicable requirements within the applicable probation period.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), eff. Sept. 1, 1995;
Sec. 244.0115.  EMERGENCY SUSPENSION.  The department may issue an emergency order to suspend a license issued under this chapter if the department has reasonable cause to believe that the conduct of a license holder creates an immediate danger to the public health and safety.  On written request of the license holder, the department shall conduct a hearing not earlier than the seventh day or later than the 10th day after the date the notice of the emergency suspension is sent to the license holder to determine if the emergency suspension is to take effect, to be modified, or to be rescinded.  The hearing and any appeal are governed by the department's rules for a contested case hearing and Chapter 2001, Government Code.

Added by Acts 1999, 76th Leg., ch. 1265, Sec. 3, eff. Sept. 1, 1999.

Sec. 244.012.  INJUNCTION.  (a)  The department may petition a district court for a temporary restraining order to restrain a continuing violation of the standards or licensing requirements provided under this chapter if the department finds that the violation creates an immediate threat to the health and safety of the patients of a birthing center.

(b) A district court, on petition of the department and on a finding by the court that a person is violating the standards or licensing requirements provided under this chapter, may by injunction:

(1) prohibit a person from continuing a violation of the standards or licensing requirements provided under this chapter;
(2) restrain or prevent the establishment or operation of a birthing center without a license issued under this chapter; or
(3) grant any other injunctive relief warranted by the facts.

(c) The attorney general shall institute and conduct a suit authorized by this section at the request of the department.

(d) Venue for a suit brought under this section is in the county in which the birthing center is located or in Travis County.

Sec. 244.013. CRIMINAL PENALTY. (a) A person commits an offense if the person violates Section 244.003(a).

(b) An offense under this section is a Class C misdemeanor.

(c) Each day of a continuing violation constitutes a separate offense.

Sec. 244.014. CIVIL PENALTY. (a) A person who violates this chapter or who fails to comply with a rule adopted under this chapter is liable for a civil penalty of not less than $100 or more than $500 for each violation if the department determines the violation threatens the health and safety of a patient.

(b) Each day of a continuing violation constitutes a separate ground for recovery.

Sec. 244.015. IMPOSITION OF ADMINISTRATIVE PENALTY. (a) The department may impose an administrative penalty on a person licensed under this chapter who violates this chapter or a rule or order adopted under this chapter. A penalty collected under this section or Section 244.016 shall be deposited in the state treasury in the general revenue fund.

(b) A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.

(c) The amount of the penalty may not exceed $1,000 for each violation, and each day a violation continues or occurs is a separate violation for purposes of imposing a penalty. The total amount of the penalty assessed for a violation continuing or occurring on separate days under this subsection may not exceed $5,000.

(d) The amount shall be based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;

(2) the threat to health or safety caused by the violation;

(3) the history of previous violations;
the amount necessary to deter a future violation; (5) whether the violator demonstrated good faith, including when applicable whether the violator made good faith efforts to correct the violation; and (6) any other matter that justice may require.

(e) If the department initially determines that a violation occurred, the department shall give written notice of the report by certified mail to the person.

(f) The notice under Subsection (e) must:
(1) include a brief summary of the alleged violation;
(2) state the amount of the recommended penalty; and
(3) inform the person of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

(g) Within 20 days after the date the person receives the notice under Subsection (e), the person in writing may:
(1) accept the determination and recommended penalty of the department; or
(2) make a request for a hearing on the occurrence of the violation, the amount of the penalty, or both.

(h) If the person accepts the determination and recommended penalty or if the person fails to respond to the notice, the commissioner of public health by order shall approve the determination and impose the recommended penalty.

(i) If the person requests a hearing, the commissioner of public health shall refer the matter to the State Office of Administrative Hearings, which shall promptly set a hearing date and give written notice of the time and place of the hearing to the person. An administrative law judge of the State Office of Administrative Hearings shall conduct the hearing.

(j) The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the commissioner of public health a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty.

(k) Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner of public health by order may:
(1) find that a violation occurred and impose a penalty; or
(2) find that a violation did not occur.

(l) The notice of the commissioner's order under Subsection (k)
that is sent to the person in accordance with Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 4.01, eff. Sept. 1, 1999.

Sec. 244.016. PAYMENT AND COLLECTION OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW. (a) Within 30 days after the date an order of the commissioner of public health under Section 244.015(k) that imposes an administrative penalty becomes final, the person shall:

(1) pay the penalty; or

(2) file a petition for judicial review of the commissioner's order contesting the occurrence of the violation, the amount of the penalty, or both.

(b) Within the 30-day period prescribed by Subsection (a), a person who files a petition for judicial review may:

(1) stay enforcement of the penalty by:

(A) paying the penalty to the court for placement in an escrow account; or

(B) giving the court a supersedeas bond approved by the court that:

(i) is for the amount of the penalty; and

(ii) is effective until all judicial review of the commissioner's order is final; or

(2) request the court to stay enforcement of the penalty by:

(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the penalty and is financially unable to give the supersedeas bond; and

(B) sending a copy of the affidavit to the commissioner of public health by certified mail.

(c) If the commissioner of public health receives a copy of an affidavit under Subsection (b)(2), the commissioner may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving
that the person is financially unable to pay the penalty or to give a supersedeas bond.

(d) If the person does not pay the penalty and the enforcement of the penalty is not stayed, the penalty may be collected. The attorney general may sue to collect the penalty.

(e) If the court sustains the finding that a violation occurred, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty.

(f) If the court does not sustain the finding that a violation occurred, the court shall order that a penalty is not owed.

(g) If the person paid the penalty and if the amount of the penalty is reduced or the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, that the appropriate amount plus accrued interest be remitted to the person within 30 days after the date that the judgment of the court becomes final. The interest accrues at the rate charged on loans to depository institutions by the New York Federal Reserve Bank. The interest shall be paid for the period beginning on the date the penalty is paid and ending on the date the penalty is remitted.

(h) If the person gave a supersedeas bond and the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, the release of the bond. If the person gave a supersedeas bond and the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the reduced amount.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 4.01, eff. Sept. 1, 1999.

CHAPTER 245. ABORTION FACILITIES

Sec. 245.001. SHORT TITLE. This chapter may be cited as the Texas Abortion Facility Reporting and Licensing Act.

Sec. 245.002. DEFINITIONS. In this chapter:

(1) "Abortion" means an act or procedure performed after pregnancy has been medically verified and with the intent to cause
the termination of a pregnancy other than for the purpose of either
the birth of a live fetus or removing a dead fetus. The term does
not include birth control devices or oral contraceptives.

(2) "Abortion facility" means a place where abortions are
performed.

(3) "Board" means the Texas Board of Health.
(4) "Department" means the Texas Department of Health.
(5) "Patient" means a female on whom an abortion is
performed, but does not include a fetus.
(6) "Person" means an individual, firm, partnership,
corporation, or association.

Sec. 245.003. LICENSE REQUIRED. (a) Except as provided by
Section 245.004, a person may not establish or operate an abortion
facility in this state without an appropriate license issued under
this chapter.

(b) Each abortion facility must have a separate license.
(c) A license is not transferable or assignable.

Text of section as amended by Acts 2003, 78th Leg., Ch. 198, Sec.
2.63 (a).

Sec. 245.004. EXEMPTIONS FROM LICENSING REQUIREMENT. (a) The
following facilities need not be licensed under this chapter:

(1) a hospital licensed under Chapter 241 (Texas Hospital
Licensing Law); or

(2) the office of a physician licensed under Subtitle B,
Title 3, Occupations Code, unless the office is used for the purpose
of performing more than 50 abortions in any 12-month period.

(b) In computing the number of abortions performed in the
office of a physician under Subsection (a)(2), an abortion performed
in accordance with Section 245.016 is not included.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1999, 76th Leg., ch. 1411, Sec. 22.01, eff. Sept. 1, 1999;
Acts 2001, 77th Leg., ch. 1420, Sec. 14.788, eff. Sept. 1, 2001;
Acts 2003, 78th Leg., ch. 198, Sec. 2.63(a), eff. Sept. 1, 2003.

Text of section as amended by Acts 2003, 78th Leg., Ch. 999, Sec. 2 Sec. 245.004. EXEMPTIONS FROM LICENSING REQUIREMENT. (a) The following facilities need not be licensed under this chapter:

1. a hospital licensed under Chapter 241 (Texas Hospital Licensing Law);
2. the office of a physician licensed under Subtitle B, Title 3, Occupations Code, unless the office is used substantially for the purpose of performing abortions; or
3. an ambulatory surgical center licensed under Chapter 243.

(b) For purposes of this section, a facility is used substantially for the purpose of performing abortions if the facility:

1. is a provider for performing:
   (A) at least 10 abortion procedures during any month; or
   (B) at least 100 abortion procedures in a year;
2. operates less than 20 days in a month and the facility, in any month, is a provider for performing a number of abortion procedures that would be equivalent to at least 10 procedures in a month if the facility were operating at least 20 days in a month;
3. holds itself out to the public as an abortion provider by advertising by any public means, including advertising placed in a newspaper, telephone directory, magazine, or electronic medium, that the facility performs abortions; or
4. applies for an abortion facility license.

(c) For purposes of this section, an abortion facility is operating if the facility is open for any period of time during a day and has on site at the facility or on call a physician available to perform abortions.

Sec. 245.005. LICENSE APPLICATION AND ISSUANCE. (a) An applicant for an abortion facility license must submit an application to the department on a form prescribed by the department.

(b) Each application must be accompanied by a nonrefundable license fee in an amount set by the board.

(c) The application must contain evidence that there are one or more physicians on the staff of the facility who are licensed by the Texas State Board of Medical Examiners.

(d) The department shall issue a license if, after inspection and investigation, it finds that the applicant and the abortion facility meet the requirements of this chapter and the standards adopted under this chapter.

(e) As a condition for renewal of a license, the licensee must submit to the department the annual license renewal fee and an annual report, including the report required under Section 245.011.

(f) Information regarding the licensing status of an abortion facility is an open record for the purposes of Chapter 552, Government Code, and shall be made available by the department on request.

Sec. 245.006. INSPECTIONS. (a) The department shall inspect an abortion facility at random, unannounced, and reasonable times as necessary to ensure compliance with this chapter and Subchapter B, Chapter 171.

(b) The department shall inspect an abortion facility before renewing the facility's license under Section 245.005(e).

Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 8, eff. September 1, 2011.

Sec. 245.007. FEES. The board shall set fees imposed by this chapter in amounts reasonable and necessary to defray the cost of administering this chapter and Chapter 171.
Sec. 245.008. ABORTION FACILITY LICENSING FUND. All fees collected under this chapter shall be deposited in the state treasury to the credit of the abortion facility licensing fund and may be appropriated to the department only to administer and enforce this chapter.

Sec. 245.009. ADOPTION OF RULES. The board shall adopt rules necessary to implement this chapter, including requirements for the issuance, renewal, denial, suspension, and revocation of a license to operate an abortion facility.

Sec. 245.010. MINIMUM STANDARDS. (a) The rules must contain minimum standards to protect the health and safety of a patient of an abortion facility and must contain provisions requiring compliance with the requirements of Subchapter B, Chapter 171. On and after September 1, 2014, the minimum standards for an abortion facility must be equivalent to the minimum standards adopted under Section 243.010 for ambulatory surgical centers.

(b) Only a physician as defined by Subtitle B, Title 3, Occupations Code, may perform an abortion.

(c) Repealed by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 8, eff. September 1, 2014.

(d) This section does not authorize the board to:

(1) establish the qualifications of a licensed practitioner; or

(2) permit a person to provide health care services who is not authorized to provide those services under other laws of this state.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1997, 75th Leg., ch. 23, Sec. 1, eff. Sept. 1, 1997; Acts...
Sec. 245.0105. UNIQUE IDENTIFYING NUMBER; DISCLOSURE IN ADVERTISEMENT. (a) The department shall assign to each abortion facility a unique license number that may not change during the period the facility is operating in this state.

(b) An abortion facility shall include the unique license number assigned to the facility by the department in any abortion advertisement directly relating to the provision of abortion services at the facility.

(c) In this section, "abortion advertisement" means:

(1) any communication that advertises the availability of abortion services at an abortion facility and that is disseminated through a public medium, including an advertisement in a newspaper or other publication or an advertisement on television, radio, or any other electronic medium; or

(2) any commercial use of the name of the facility as a provider of abortion services, including the use of the name in a directory, listing, or pamphlet.

Added by Acts 1997, 75th Leg., ch. 1120, Sec. 2, eff. Sept. 1, 1997.

Sec. 245.011. REPORTING REQUIREMENTS; CRIMINAL PENALTY. (a) Each abortion facility must submit an annual report to the department on each abortion that is performed at the abortion facility. The report must be submitted on a form provided by the department.

(b) The report may not identify by any means the physician performing the abortion or the patient.

(c) The report must include:

(1) whether the abortion facility at which the abortion is performed is licensed under this chapter;

(2) the patient's year of birth, race, marital status, and
state and county of residence;
(3) the type of abortion procedure;
(4) the date the abortion was performed;
(5) whether the patient survived the abortion, and if the patient did not survive, the cause of death;
(6) the probable post-fertilization age of the unborn child based on the best medical judgment of the attending physician at the time of the procedure;
(7) the date, if known, of the patient's last menstrual cycle;
(8) the number of previous live births of the patient; and
(9) the number of previous induced abortions of the patient.

(d) Except as provided by Section 245.023, all information and records held by the department under this chapter are confidential and are not open records for the purposes of Chapter 552, Government Code. That information may not be released or made public on subpoena or otherwise, except that release may be made:
   (1) for statistical purposes, but only if a person, patient, or abortion facility is not identified;
   (2) with the consent of each person, patient, and abortion facility identified in the information released;
   (3) to medical personnel, appropriate state agencies, or county and district courts to enforce this chapter; or
   (4) to appropriate state licensing boards to enforce state licensing laws.

(e) A person commits an offense if the person violates this section. An offense under this subsection is a Class A misdemeanor.

Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 5, eff. October 29, 2013.
LICENSE. (a) The department may deny, suspend, or revoke a license for a violation of this chapter or a rule adopted under this chapter.

(b) The denial, suspension, or revocation of a license by the department and the appeal from that action are governed by the procedures for a contested case hearing under Chapter 2001, Government Code.

(c) The department may immediately suspend or revoke a license when the health and safety of persons are threatened. If the department issues an order of immediate suspension or revocation, the department shall immediately give the chief executive officer of the abortion facility adequate notice of the action and the procedure governing appeal of the action. A person whose license is suspended or revoked under this subsection is entitled to a hearing not later than the 14th day after the effective date of the suspension or revocation.

(d) If the department finds that an abortion facility is in repeated noncompliance with this chapter or rules adopted under this chapter but that the noncompliance does not in any way involve the health and safety of the public or an individual, the department may schedule the facility for probation rather than suspending or revoking the facility's license. The department shall provide notice to the facility of the probation and of the items of noncompliance not later than the 10th day before the date the probation period begins. The department shall designate a period of not less than 30 days during which the facility will remain under probation. During the probation period, the facility must correct the items that were in noncompliance and report the corrections to the department for approval.

(e) The department may suspend or revoke the license of an abortion facility that does not correct items that were in noncompliance or that does not comply with this chapter or the rules adopted under this chapter within the applicable probation period.

Sec. 245.013. INJUNCTION. (a) The department may petition a
district court for a temporary restraining order to restrain a continuing violation of the standards or licensing requirements provided under this chapter if the department finds that the violation creates an immediate threat to the health and safety of the patients of an abortion facility.

(b) A district court, on petition of the department and on a finding by the court that a person is violating the standards or licensing requirements provided under this chapter, may by injunction:
   (1) prohibit a person from continuing a violation of the standards or licensing requirements provided under this chapter;
   (2) restrain or prevent the establishment or operation of an abortion facility without a license issued under this chapter; or
   (3) grant any other injunctive relief warranted by the facts.

(c) The attorney general may institute and conduct a suit authorized by this section at the request of the department.

(d) Venue for a suit brought under this section is in the county in which the abortion facility is located or in Travis County.

Sec. 245.014. CRIMINAL PENALTY. (a) A person commits an offense if the person violates Section 245.003(a).
   (b) An offense under this section is a Class A misdemeanor.
   (c) Each day of a continuing violation constitutes a separate offense.

Sec. 245.015. CIVIL PENALTY. (a) A person who knowingly violates this chapter or who knowingly fails to comply with a rule adopted under this chapter is liable for a civil penalty of not less than $100 or more than $500 for each violation if the department determines the violation threatens the health and safety of a patient.
   (b) Each day of a continuing violation constitutes a separate ground for recovery.
Sec. 245.016. ABORTION IN UNLICENSED ABORTION FACILITY TO PREVENT DEATH OR SERIOUS IMPAIRMENT. This chapter does not remove the responsibility or limit the ability of a physician to perform an abortion in an unlicensed abortion facility if, at the commencement of the abortion, the physician reasonably believes that the abortion is necessary to prevent the death of the patient or to prevent serious impairment of the patient's physical health.

Sec. 245.017. ADMINISTRATIVE PENALTY. (a) The department may assess an administrative penalty against a person who violates this chapter or a rule adopted under this chapter.

(b) The penalty may not exceed $1,000 for each violation. Each day of a continuing violation constitutes a separate violation.

(c) In determining the amount of an administrative penalty assessed under this section, the department shall consider:
   (1) the seriousness of the violation;
   (2) the history of previous violations;
   (3) the amount necessary to deter future violations;
   (4) efforts made to correct the violation; and
   (5) any other matters that justice may require.

(d) All proceedings for the assessment of an administrative penalty under this chapter are subject to Chapter 2001, Government Code.

Added by Acts 1997, 75th Leg., ch. 23, Sec. 4, eff. Sept. 1, 1997.

Sec. 245.018. REPORT RECOMMENDING ADMINISTRATIVE PENALTY. (a) If, after investigation of a possible violation and the facts surrounding that possible violation, the department determines that a violation has occurred, the department shall give written notice of the violation to the person alleged to have committed the violation. The notice shall include:
   (1) a brief summary of the alleged violation;
(2) a statement of the amount of the proposed penalty, based on the factors listed in Section 245.017(c); and
(3) a statement of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(b) Not later than the 20th day after the date the notice is received, the person notified may accept the determination of the department made under this section, including the recommended penalty, or make a written request for a hearing on that determination.

(c) If the person notified of the violation accepts the determination of the department, the commissioner of public health or the commissioner's designee shall issue an order approving the determination and ordering the person to pay the recommended penalty.

Added by Acts 1997, 75th Leg., ch. 23, Sec. 4, eff. Sept. 1, 1997.

Sec. 245.019. HEARING; ORDER. (a) If the person requests a hearing, the commissioner of public health or the commissioner's designee shall:
(1) set a hearing;
(2) give written notice of the hearing to the person; and
(3) designate a hearings examiner to conduct the hearing.

(b) The hearings examiner shall make findings of fact and conclusions of law and shall promptly issue to the commissioner a proposal for decision as to the occurrence of the violation and a recommendation as to the amount of the proposed penalty, if a penalty is determined to be warranted.

(c) Based on the findings of fact and conclusions of law and the recommendations of the hearings examiner, the commissioner by order may find that a violation has occurred and may assess a penalty or may find that no violation has occurred.

Added by Acts 1997, 75th Leg., ch. 23, Sec. 4, eff. Sept. 1, 1997.

Sec. 245.020. NOTICE AND PAYMENT OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW; REFUND. (a) The commissioner of public health or the commissioner's designee shall give notice of the commissioner's order under Section 245.019(c) to the person alleged to have
committed the violation. The notice must include:

(1) separate statements of the findings of fact and conclusions of law;
(2) the amount of any penalty assessed; and
(3) a statement of the right of the person to judicial review of the commissioner's order.

(b) Not later than the 30th day after the date the decision is final as provided by Chapter 2001, Government Code, the person shall:

(1) pay the penalty in full;
(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or
(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(c) Within the 30-day period, a person who acts under Subsection (b)(3) may:

(1) stay enforcement of the penalty by:
   (A) paying the amount of the penalty to the court for placement in an escrow account; or
   (B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the commissioner's order is final; or
(2) request the court to stay enforcement of the penalty by:
   (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and
   (B) giving a copy of the affidavit to the department by certified mail.

(d) If the department receives a copy of an affidavit under Subsection (c)(2), the department may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The
person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(e) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the department may refer the matter to the attorney general for collection of the amount of the penalty.

(f) Judicial review of the order of the commissioner of public health:

(1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and

(2) is under the substantial evidence rule.

(g) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(h) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

Added by Acts 1997, 75th Leg., ch. 23, Sec. 4, eff. Sept. 1, 1997.

Sec. 245.021. PENALTY DEPOSITED TO STATE TREASURY. A civil or administrative penalty collected under this chapter shall be deposited in the state treasury to the credit of the general revenue fund.

Added by Acts 1997, 75th Leg., ch. 23, Sec. 4, eff. Sept. 1, 1997.
Sec. 245.022. RECOVERY OF COSTS. (a) The department may assess reasonable expenses and costs against a person in an administrative hearing if, as a result of the hearing, the person's license is denied, suspended, or revoked or if administrative penalties are assessed against the person. The person shall pay expenses and costs assessed under this subsection not later than the 30th day after the date a board order requiring the payment of expenses and costs is final. The department may refer the matter to the attorney general for collection of the expenses and costs.

(b) If the attorney general brings an action against a person under Section 245.013 or 245.015 or an action to enforce an administrative penalty assessed under Section 245.017 and an injunction is granted against the person or the person is found liable for a civil or administrative penalty, the attorney general may recover, on behalf of the attorney general and the department, reasonable expenses and costs.

(c) For purposes of this section, "reasonable expenses and costs" include expenses incurred by the department and the attorney general in the investigation, initiation, or prosecution of an action, including reasonable investigative costs, attorney's fees, witness fees, and deposition expenses.

Added by Acts 1997, 75th Leg., ch. 23, Sec. 4, eff. Sept. 1, 1997.

Sec. 245.023. PUBLIC INFORMATION; TOLL-FREE TELEPHONE NUMBER. (a) The department on request shall make the following information available to the public:

(1) the status of the license of any abortion facility;

(2) the date of the last inspection of the facility, any violation discovered during that inspection that would pose a health risk to a patient at the facility, any challenge raised by the facility to the allegation that there was a violation, and any corrective action that is acceptable to the department and that is being undertaken by the facility with respect to the violation; and

(3) an administrative or civil penalty imposed against the facility or a physician who provides services at the facility, professional discipline imposed against a physician who provides services at the facility, and any criminal conviction of the facility or a physician who provides services at the facility that is relevant
to services provided at the facility.

(b) Subsection (a) does not require the department to provide information that is not in the possession of the department. The Texas State Board of Medical Examiners shall provide to the department information in the possession of the board that the department is required to provide under Subsection (a).

(c) The department shall maintain a toll-free telephone number that a person may call to obtain the information described by Subsection (a).

(d) An abortion facility shall provide to a woman, at the time the woman initially consults the facility, a written statement indicating the number of the toll-free telephone line maintained under Subsection (c). The written statement must be available in English and Spanish and be in substantially the following form:

"(toll-free telephone number)

You have a right to access certain information concerning this abortion facility by using the toll-free telephone number listed above. If you make a call to the number, your identity will remain anonymous. The toll-free telephone line can provide you with the following information:

1. Whether this abortion facility is licensed by the Texas Department of Health.

2. The date of the last inspection of this facility by the Texas Department of Health and any violations of law or rules discovered during that inspection that may pose a health risk to you.

3. Any relevant fine, penalty, or judgment rendered against this facility or a doctor who provides services at this facility."

(e) This section does not authorize the release of the name, address, or phone number of any employee or patient of an abortion facility or of a physician who provides services at an abortion facility.

SONOGRAM BEFORE ABORTION. An abortion facility shall comply with Subchapter B, Chapter 171.

Added by Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 9, eff. September 1, 2011.

CHAPTER 246. CONTINUING CARE FACILITIES
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 246.001. SHORT TITLE. This chapter may be cited as the Texas Continuing Care Facility Disclosure and Rehabilitation Act.

Sec. 246.002. DEFINITIONS. In this chapter:
(1) "Board" means the State Board of Insurance.
(2) "Commissioner" means the commissioner of the State Board of Insurance.
(3) "Continuing care" means the furnishing of a living unit, together with personal care services, nursing services, medical services, or other health-related services, regardless of whether the services and the living unit are provided at the same location:
   (A) to an individual who is not related by consanguinity or affinity, as determined under Chapter 573, Government Code, to the person furnishing the care; and
   (B) under a continuing care contract.
(4) "Continuing care contract" means an agreement that requires the payment of an entrance fee by or on behalf of a resident in exchange for the furnishing of continuing care by a provider and that is effective for:
   (A) the life of the resident; or
   (B) more than one year.
(5) "Entrance fee" means an initial or deferred transfer of money or other property valued at an amount exceeding three months' rent, made, or promised to be made, as full or partial consideration for acceptance by a provider of a specified individual as a resident. The term does not include a deposit made under a reservation agreement.
(6) "Facility" means a place in which a person provides continuing care to an individual.
(7) "Living unit" means a room, apartment, cottage, or other area that is in a facility and that is set aside for the exclusive use or control of one or more specified individuals.

(8) "Long-term nursing care" means nursing care provided for a period longer than 365 consecutive days.

(9) "Person" means an individual, corporation, association, or partnership, and includes a fraternal or benevolent order or society.

(10) "Provider" means a person who undertakes to provide continuing care in a facility.

(11) "Reservation agreement" means an agreement that requires the payment of a deposit to reserve a living unit for a prospective resident.

(12) "Resident" means an individual entitled to receive continuing care in a facility.

Sec. 246.003. BOARD POWERS AND DUTIES. (a) The board shall regulate providers as provided by this chapter.

(b) The board may adopt rules and take other action as necessary to administer and enforce this chapter.

Sec. 246.004. RIGHTS OF RESIDENTS. A resident receiving care in a portion of a facility licensed to provide nursing home care, personal care, or custodial care is entitled to all statutory rights provided to a nursing home, personal care, or custodial care resident.

Sec. 246.005. LICENSING FOR CERTAIN TAX PURPOSES. A facility
regulated under this chapter is licensed for purposes of Section 151.314, Tax Code.

Sec. 246.006. QUALITY OF CARE. The commissioner may not regulate or in any manner inquire into the quality of care provided in a facility.

Sec. 246.007. REDUCTION OF FEES. The commissioner shall reduce the annual filing fees under this chapter if the cumulative amount of the fees exceeds the actual cost of regulation.

SUBCHAPTER B. CERTIFICATE OF AUTHORITY

Sec. 246.021. CERTIFICATE OF AUTHORITY REQUIRED. Unless a provider holds a certificate of authority issued under this subchapter, the provider may not:

(1) acquire a facility;
(2) enter into a continuing care contract; or
(3) enter into a reservation agreement unless the agreement provides for the full refund, for any reason, of a deposit paid in connection with the agreement.

Sec. 246.022. APPLICATION FOR AND ISSUANCE OF CERTIFICATE OF AUTHORITY. (a) The commissioner shall adopt rules stating the information an applicant for a certificate of authority must submit.

(b) On receiving an application for a certificate of authority, the commissioner shall conduct a hearing on the application.

(c) The commissioner shall grant an application for a certificate of authority if the commissioner finds that:
the applicant or the facility is financially sound;
(2) the competence, experience, and integrity of the
applicant, its board of directors, its officers, or its management
make it in the public interest to issue the certificate; and
(3) the applicant is capable of complying with this
chapter.
(d) The commissioner shall issue an order approving or
disapproving an application not later than the 180th day after the
date on which the application is filed.
(e) The commissioner may limit issuance of certificates of
authority to incorporated entities only.

Sec. 246.023. MANDATORY ISSUANCE OF CERTIFICATE OF AUTHORITY TO
CERTAIN FACILITIES. (a) The commissioner shall issue a certificate
of authority for a facility that:
(1) was occupied by at least one resident on September 1,
1987;
(2) was under construction on September 1, 1987; or
(3) incurred substantial financial obligations before
September 1, 1987, related to the development of the facility.
(b) A certificate of authority issued under this section may be
suspended or revoked as any other certificate.
(c) This section prevails over Section 246.022.

Sec. 246.024. TRANSFER OF CERTIFICATE OF AUTHORITY. A
certificate of authority may not be transferred without the prior
approval of the commissioner.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended

Sec. 246.025. SUSPENSION OR REVOCATION OF CERTIFICATE OF
AUTHORITY. The commissioner may suspend or revoke a provider's
certificate of authority if the provider:
(1) draws on its entrance fee escrow in an amount greater than provided for by Section 246.073;
(2) draws on its loan reserve fund escrow in an amount greater than provided for by Section 246.078; or
(3) intentionally violates this chapter.

Sec. 246.026. MANAGEMENT BY OTHERS. A holder of a certificate of authority may not contract for management of the facility unless the commissioner is notified of the contract.

Sec. 246.027. CERTIFICATE OF AUTHORITY FEES. (a) Except as provided by Subsection (b), a facility that files an application for a certificate of authority must pay to the commissioner a fee of $10,000.

(b) A facility that files an application for a certificate of authority issued under Section 246.023 must pay to the commissioner:
   (1) a fee of $500; and
   (2) a fee of $2 for each living unit in the facility, excluding a unit devoted to that portion of the facility that is a licensed nursing home.

SUBCHAPTER C. CONTINUING CARE CONTRACTS AND DISCLOSURE STATEMENTS

Sec. 246.041. PRECONTRACTUAL RECORDING REQUIREMENTS. (a) A provider shall file with the board a current disclosure statement that meets the requirements of this subchapter and shall file copies of the agreements establishing the escrows under Subchapter D or a verified statement explaining that an escrow is not required before the provider:
   (1) contracts to provide continuing care in a facility located or to be located in this state;
   (2) extends the term of an existing continuing care
contract in a facility that is located or to be located in this state and that requires or allows an entrance fee from any person, regardless of whether the extended contract requires an entrance fee; or

(3) including a person acting on the provider's behalf, solicits for an individual who is a resident of this state a continuing care contract in this state.

(b) A contract is solicited in this state if, during the 12-month period preceding the date on which a continuing care contract for a facility is signed or accepted by either party, information concerning the facility or the availability of a continuing care contract for the facility is given:

(1) by personal, telephone, mail, or other communication directed to and received by a person at a location in this state; or

(2) in a paid advertisement published or broadcast from within this state, other than in a publication in which more than two-thirds of the circulation is outside this state.

Sec. 246.042. DELIVERY OF DISCLOSURE STATEMENT. (a) A provider who has not been issued a certificate of authority under Subchapter B must deliver a disclosure statement to any person from whom the provider accepts a deposit in connection with a reservation agreement before the provider accepts the deposit.

(b) A provider who has been issued a certificate of authority under Subchapter B must deliver a disclosure statement to a person with whom a continuing care contract is to be made before the earlier of:

(1) the execution of the continuing care contract; or

(2) the transfer of any entrance fee or nonrefundable deposit to the provider by or on behalf of the person.

(c) The most recently filed disclosure statement is the only statement that:

(1) is current for purposes of this chapter; and

(2) may be delivered under this section.

Sec. 246.043. COVER PAGE OF DISCLOSURE STATEMENT. The cover page of a disclosure statement must state:

1. the date of the statement in a prominent location and in type that is boldfaced, capitalized, underlined, or otherwise set out from the surrounding written material so as to be conspicuous;

2. that if the provider has not been issued a certificate of authority under Subchapter B, this chapter requires the delivery of a disclosure statement to a prospective resident before the payment of any deposit to reserve a living unit;

3. that this chapter requires the delivery of a disclosure statement to a contracting party before the execution of a continuing care contract or the payment of an entrance fee or nonrefundable deposit; and

4. that the disclosure statement has not been approved by a governmental agency or representative to ensure the accuracy of its information.

Sec. 246.044. CONTENTS OF DISCLOSURE STATEMENT: PROVIDER. (a) The disclosure statement must include the name and business address of the provider and a statement of whether the provider is a partnership, corporation, or other type of legal entity. If the provider is not an individual, the statement must include:

1. the name and business address of each officer, director, trustee, and managing or general partner; and

2. the name and business address of each person who has at least a 10 percent interest in the provider and a description of the person's interest in or occupation with the provider.

(b) The provider may include in the disclosure statement any other material information concerning the facility or the provider.

Sec. 246.045. CONTENTS OF DISCLOSURE STATEMENT: THIRD PARTY MANAGEMENT. If a person, other than an individual directly employed by the provider, is to be the day-to-day manager of a facility, the
disclosure statement must include:

(1) a description of the person's business experience, if any, in the operation or management of a similar facility;

(2) the name and address of any professional service, firm, association, trust, partnership, or corporation that:
   (A) has in the person, or in which the person has, at least a 10 percent interest; and
   (B) proposes to provide goods, leases, or services to the facility or to the residents of the facility, of an aggregate value of at least $500 in a year;

(3) a description of any goods, leases, or services under Subdivision (2), and a statement of their probable or anticipated cost to the facility, provider, or residents, or a statement that their cost cannot be estimated; and

(4) a description of any matter in which the person:
   (A) has been convicted of a felony, pleaded nolo contendere to a felony charge, or has been held liable or enjoined in a civil action by final judgment, if the felony or civil action involved fraud, embezzlement, fraudulent conversion, or misappropriation of property;
   (B) is subject to an injunction or restrictive order of a court of record; or
   (C) has had any state or federal license or permit suspended or revoked as a result of an action brought by a governmental agency if the order or action arose out of or was related to a business activity in a health care field, including an action affecting a license to operate a foster care facility, a nursing home, a retirement home, a home for the aged, or a facility subject to this chapter or a similar statute in another state.

Sec. 246.046. CONTENTS OF DISCLOSURE STATEMENT: AFFILIATION WITH NONPROFIT ORGANIZATION. The disclosure statement must state whether the provider is affiliated with a religious, charitable, or other nonprofit organization, and if so, the statement must:

(1) describe the extent of the affiliation;

(2) explain the extent to which the organization is responsible for the financial and contractual obligations of the
provider; and

(3) cite any provision of the Internal Revenue Code of 1986 under which the provider or affiliate claims to be exempt from the payment of income tax.

Sec. 246.047. CONTENTS OF DISCLOSURE STATEMENT: PHYSICAL PROPERTY. (a) The disclosure statement must provide the location and a description of the proposed or existing physical property of the facility.

(b) If the physical property of the facility is proposed, the disclosure statement must state:

(1) the estimated completion date;
(2) whether construction has begun; and
(3) any contingencies under which construction may be deferred.

Sec. 246.048. CONTENTS OF DISCLOSURE STATEMENT: CONTRACTS AND FEES. The disclosure statement must describe:

(1) the services provided at the facility under a continuing care contract, including:
   (A) the extent to which medical care is furnished; and
   (B) those services that are included for specified basic fees for continuing care and those services that are made available at extra charge;
(2) all fees required of residents, including the entrance fee and any periodic charges;
(3) the conditions under which a continuing care contract at the facility may be canceled by the provider or the resident;
(4) any conditions under which all or part of the entrance fee is refundable on cancellation of the contract by the provider or the resident, or by the death of the resident before or during the occupancy of a living unit; and
(5) the manner by which the provider may adjust periodic charges or other recurring fees and any limitations on those adjustments.
Sec. 246.049. CONTENTS OF DISCLOSURE STATEMENT: CHANGE OF CIRCUMSTANCES. The disclosure statement must state:

(1) the policy of the facility regarding changes in the number of people residing in a living unit because of marriage or other relationships;

(2) the policy of the facility relating to the admission of a spouse to the facility and the consequences if the spouse does not meet the requirements for admission;

(3) the conditions under which a living unit occupied by a resident may be made available by the facility to a different resident other than on the death of the previous resident; and

(4) the health and financial conditions required for acceptance as a resident and for continuation as a resident, including the effect of any change in the health or financial condition of an individual between the date of the continuing care contract and the date on which the individual initially occupies a living unit.

Sec. 246.050. CONTENTS OF DISCLOSURE STATEMENT: FINANCIAL INFORMATION. (a) The disclosure statement must:

(1) describe any provisions made or to be made to provide reserve funding or security to enable the provider to fully perform its obligations under a continuing care contract at a facility, including:

   (A) the establishment of escrow accounts, trusts, or reserve funds and the manner in which those funds will be invested; and

   (B) the name and experience of any individual in the direct employment of the provider who will make the investment decisions; and

(2) provide financial statements of the provider, including:

   (A) a balance sheet as of the end of the most recent fiscal year; and
(B) income statements and a statement of cash flow for each of the three most recent fiscal years that the provider has been in existence.

(b) Financial statements required by Subsection (a)(2) must be prepared in accordance with generally accepted accounting principles and must be audited by an independent certified public accountant, who shall state in the audit report whether the financial statements were prepared in accordance with those principles.

Sec. 246.051. CONTENTS OF DISCLOSURE STATEMENT: ANNUAL INCOME STATEMENTS. The disclosure statement must contain estimated annual income statements for the facility for at least five fiscal years, including:

(1) anticipated earning on any cash reserves;

(2) estimates of net receipts from entrance fees, other than entrance fees included in the statement of anticipated source and application of funds required under Section 246.052, minus estimated entrance fee refunds, including a description of the actuarial basis and method of computation for the projection of entrance fee receipts;

(3) an estimate of gifts or bequests to be relied on to meet operating expenses;

(4) a projection of estimated income from fees and charges, excluding entrance fees, that:

(A) states individual rates anticipated to be charged; and

(B) includes a description of the assumptions used for computing the estimated occupancy rate of the facility and the effect on the income of the facility of any government subsidies for health care services to be provided under the continuing care contract;

(5) a projection of the facility's operating expenses, including:

(A) a description of the assumptions used in computing the expenses; and

(B) a separate allowance for the replacement of equipment and furnishings and anticipated major structural repairs or
additions; and

(6) an estimate of annual payments of principal and interest required by a mortgage loan or other long-term financing arrangement relating to the facility.

Sec. 246.052. CONTENTS OF DISCLOSURE STATEMENT: ANTICIPATED SOURCE AND APPLICATION OF FUNDS. If a facility has not begun operation, the disclosure statement must include a statement of the anticipated source and application of the funds to be used in the purchase or construction of the facility, including:

(1) an estimate of the cost of purchasing or constructing and of equipping the facility, including financing expenses, legal expenses, land costs, occupancy development costs, and similar costs that the provider expects to incur or to become obligated to pay before operations begin;

(2) a description of any mortgage loan or other long-term financing arrangement for the facility, including the anticipated terms and costs of the financing;

(3) an estimate of the total entrance fees to be received from, or on behalf of, residents before the operation of the facility begins; and

(4) an estimate of any funds anticipated to be necessary to cover initial losses and to provide reserve funds to assure full performance of the obligations of the provider under a continuing care contract.

Sec. 246.053. STANDARD CONTRACT FORM. (a) A copy of the standard contract form used by a provider must be attached as an exhibit to each disclosure statement.

(b) The standard contract form must specify the refund provisions of Sections 246.056 and 246.057.

Sec. 246.054. ANNUAL DISCLOSURE STATEMENT REVISION. (a) A provider shall file a revised disclosure statement with the board not later than the 120th day after the date on which the provider's fiscal year ends.

(b) The revised disclosure statement must revise, as of the end of the provider's fiscal year, the information required by this subchapter.

(c) The revised disclosure statement must describe any material differences between:

(1) the estimated income statements filed under Section 246.052 as a part of the disclosure statement filed after the start of the provider's most recently completed fiscal year; and

(2) the actual result of operations during that fiscal year with the revised estimated income statements filed as a part of the revised disclosure statement.

(d) A provider may revise its disclosure statement and may file the revised disclosure statement at any other time if, in the provider's opinion, revision is necessary to prevent a disclosure statement from containing a material misstatement of fact or omitting a material fact required to be included in the disclosure statement.

(e) The commissioner shall review the disclosure statement for completeness but is not required to review the disclosure statement for accuracy.

Sec. 246.055. ADVERTISEMENT IN CONFLICT WITH DISCLOSURES. A provider may not engage in any type of advertisement for a continuing care contract or facility if the advertisement contains a statement or representation in conflict with the disclosures required under this subchapter.

Sec. 246.056. RESCISSION OF CONTRACT; REQUIRED LANGUAGE. (a) A person who executes a continuing care contract with a provider may rescind the contract at any time before the later of midnight of the
seventh day, or a later day if specified in the contract:

(1) after the date on which the continuing care contract is executed; or

(2) after the date on which the person receives a disclosure statement that meets the requirements of this subchapter.

(b) A resident who executes a continuing care contract may not be required to move into the facility before the expiration of the period during which the contract may be rescinded.

(c) If a continuing care contract is rescinded under this section, any money or property transferred to the provider, other than periodic charges specified in the contract and applicable only to the period a living unit was actually occupied by the resident, shall be refunded not later than the 30th day after the date of rescission.

(d) Each continuing care contract must include the following statement or a substantially equivalent statement in type that is boldfaced, capitalized, underlined, or otherwise set out from the surrounding written material so as to be conspicuous:

"You may cancel this contract at any time prior to midnight of the seventh day, or a later day if specified in the contract, after the date on which you sign this contract or you receive the facility's disclosure statement, whichever occurs later. If you elect to cancel the contract, you must do so by written notice and you will be entitled to receive a refund of all assets transferred other than periodic charges applicable to your occupancy of a living unit."

(e) Each continuing contract also must include the following statement in type that is boldfaced, capitalized, underlined, or otherwise set out from the surrounding written material so as to be conspicuous:

"This document, if executed, constitutes a legal and binding contract between you and ________. You may wish to consult a legal or financial advisor before signing, although it is not required that you do so to make this contract binding."

Sec. 246.057. CANCELLATION OF CONTRACT: DEATH OR INCAPACITY BEFORE OCCUPANCY. (a) A continuing care contract is canceled if the resident:

(1) dies before occupying a living unit in the facility; or

(2) is precluded under the terms of the contract from occupying a living unit in the facility because of illness, injury, or incapacity.

(b) If a continuing care contract is canceled under this section, the resident or the resident's legal representative is entitled to a refund of all money or property transferred to the provider, minus:

(1) any nonstandard costs specifically incurred by the provider or facility at the request of the resident that are described in the contract or in an addendum to the contract signed by the resident; and

(2) a reasonable service charge, if set out in the contract, that may not exceed the greater of $1,000 or two percent of the entrance fee.

Sec. 246.058. DISCLOSURE STATEMENT FEES. A facility that files a disclosure statement under Section 246.041 or 246.054 shall pay to the commissioner:

(1) a filing fee of $500; and

(2) a fee of not more than $2 for each living unit in the facility, excluding a unit devoted to that portion of the facility that is a licensed nursing home.

SUBCHAPTER D. ENTRANCE FEE AND RESERVE FUND ESCROW ACCOUNTS

Sec. 246.071. ENTRANCE FEE ESCROW ACCOUNT; ESCROW AGENT. (a) Before a provider may accept the payment of a deposit made under a reservation agreement or any portion of an entrance fee, the provider must establish an entrance fee escrow account with a bank or trust...
company, as escrow agent, that is located in this state.

(b) The provider shall deposit with the escrow agent any deposit or any portion of an entrance fee received by the provider not later than 72 hours after the provider receives the deposit or fee.

Sec. 246.072. RETURN OF DEPOSITS; RELEASE OR RETURN OF ENTRANCE FEE. (a) On a written request from or on behalf of the provider or a prospective resident, the escrow agent shall return the amount on deposit to the person who paid the deposit or shall maintain the deposit as an entrance fee in the entrance fee escrow account.

(b) Unless the escrow agent receives a written request from or on behalf of a provider or a resident for the return of an entrance fee under Section 246.056, the agent shall release the fee to the provider or place the fee in a loan reserve fund escrow.

Sec. 246.073. RELEASE TO THE PROVIDER. (a) Except as provided by Subsection (b), an escrow agent shall release an entrance fee to the provider if:

(1) a minimum of 50 percent of the number of living units in the facility have been reserved for residents, as evidenced by:
(A) uncanceled executed continuing care contracts with those residents; and
(B) the receipt by the agent of entrance fee deposits of at least 10 percent of the entrance fee designated in each continuing care contract;

(2) the total amount of aggregate entrance fees received or receivable by the provider under binding continuing care contracts, the anticipated proceeds of any first mortgage loan or other long-term financing commitment described under Subdivision (3), and funds from other sources in the actual possession of the provider are equal
to or more than the total amount of:

(A) 90 percent of the aggregate cost of constructing or purchasing, equipping, and furnishing the facility;

(B) 90 percent of the funds estimated, in the statement of anticipated source and application of funds included in the disclosure statement, to be necessary to cover initial losses of the facility; and

(C) 90 percent of the amount of any loan reserve fund escrow required to be maintained by the provider under Section 246.077; and

(3) a commitment has been received by the provider for any permanent mortgage loan or other long-term financing described in the statement of anticipated source and application of funds included in the current disclosure statement and any conditions of the commitment before disbursement of funds have been substantially satisfied, other than completion of the construction or closing on the purchase of the facility; and:

(A) if construction of the facility has not been substantially completed:

(i) all necessary government permits or approvals have been obtained;

(ii) the provider and the general contractor responsible for construction of the facility have entered into a maximum price contract;

(iii) a recognized surety authorized to do business in this state has executed in favor of the provider a bond covering faithful performance of the construction contract by the general contractor and the payment of all obligations under the contract;

(iv) the provider has entered a loan agreement for an interim construction loan in an amount that, when combined with the amount of entrance fees in escrow plus the amount of funds from other sources in the actual possession of the provider, equals or exceeds the estimated cost of constructing, equipping, and furnishing the facility;

(v) the lender has disbursed not less than 10 percent of the amount of the construction loan for physical construction or completed site preparation work; and

(vi) the provider has placed orders at firm prices for not less than 50 percent of the value of items necessary for equipping and furnishing the facility in accordance with the
description in the disclosure statement, including any installation charges; or

(B) if construction or purchase of the facility has been substantially completed:

(i) an occupancy permit covering the living unit has been issued by the local government that has authority to issue the permit; and

(ii) if the entrance fee applies to a living unit that has been previously occupied, the living unit is available for occupancy by the new resident.

(b) Before the date on which the loan reserve fund escrow required under Section 246.077 is first established, the aggregate amount of entrance fees that may be released to the provider under this section may not exceed an amount equal to the aggregate amount of entrance fees received or receivable by the provider under binding continuing care contracts minus the amount of entrance fees received or receivable that are required to be maintained initially in the loan reserve fund escrow.

Sec. 246.0735. PHASE-IN FACILITIES. The commissioner may create requirements for escrow release different from those under Section 246.073 for facilities that obtain a certificate of authority issued under this subchapter before the commencement of facility construction. A facility that meets the commissioner’s requirements under this section is not required to satisfy Section 246.073.

Added by Acts 2007, 80th Leg., R.S., Ch. 1228 (H.B. 2392), Sec. 1, eff. June 15, 2007.

Sec. 246.0736. CONTINUING RELEASE OF ESCROW. (a) After the initial release of an entrance fee by an escrow agent for a specific facility, the commissioner shall authorize an escrow agent to continue to release escrowed entrance fees for that facility to the provider without further proof of satisfying the requirements of Section 246.073 if:

Statute text rendered on: 3/14/2015 - 1319 -
(1) the provider provides a monthly report to the
department on marketing activities for living units of the facility; and

(2) the provider immediately informs the department of any
problems, issues, or irregularities encountered in its marketing
activities for the facility.

(b) If the provider fails to meet the requirements of
Subsection (a), the commissioner may require the provider to satisfy
the requirements of Section 246.073 before the commissioner
authorizes the escrow agent to continue releasing escrowed entrance
fees to the provider.

(c) The commissioner shall adopt rules to implement this
section.

Added by Acts 2007, 80th Leg., R.S., Ch. 1228 (H.B. 2392), Sec. 1,

Sec. 246.074. RETURN OF ENTRANCE FEE. The escrow agent shall
return an entrance fee to the person who paid it if the fee is not
released to the provider or placed in the loan reserve fund escrow
required under Section 246.077 within:

(1) 36 months after the date on which any portion of the
entrance fee is received by the provider; or

(2) a longer time specified by the provider in the
disclosure statement delivered with the continuing care contract
under which the fee was paid.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1991, 72nd Leg., ch. 14, Sec. 106, eff. Sept. 1, 1991; Acts
1993, 73rd Leg., ch. 953, Sec. 10, eff. Sept. 1, 1993.

Sec. 246.075. ESCROW OF APPLICATION FEE NOT REQUIRED. This
subchapter does not require the escrow of any nonrefundable portion
of a deposit or entrance fee that:

(1) does not exceed an amount equal to two percent of the
entrance fee; and

(2) is clearly designated as nonrefundable in the
continuing care contract or reservation agreement.
Sec. 246.076. INTEREST ACCRUED ON ENTRANCE FEE FUNDS. Unless otherwise provided in a continuing care contract, interest that accrues on funds held in an entrance fee escrow account is the property of the provider.

Sec. 246.077. RESERVE FUND ESCROW. (a) When a facility is first occupied by a resident, the provider shall establish and maintain in an escrow account with a bank or trust company, as escrow agent, that is located in this state a reserve fund equal to the total of all principal and interest payments due during the next 12 months on any first mortgage loan or other long-term financing arrangement for the facility. The requirements of this section may be met in whole or in part by other reserve funds held for the purpose of meeting loan obligations if the total amount equals or exceeds the amount required by this subsection.

(b) At the option of the facility, the loan reserve fund escrow amount may exclude the portion of principal and interest payments applicable to that portion of the facility that is a licensed nursing home.

(c) The provider shall maintain the loan reserve fund escrow in an account that is fully covered by federal deposit insurance and is separate from the provider's business account or in other accounts or investments approved by the commissioner. The funds in the reserve fund escrow account may be invested, with earnings payable to the provider.

Sec. 246.078. RELEASE OF RESERVE FUND ESCROW. (a) The escrow agent may release an amount equal to not more than one-twelfth of the loan reserve fund required by Section 246.077 if the provider
requests the release in writing.

(b) The escrow agent must give written notice to the board not later than the 11th day before the date of the release.

(c) The escrow agent may not release funds from the loan reserve fund escrow under this section more than once during a calendar year. A provider at any time may apply to the commissioner for the withdrawal of all or part of the loan reserve escrow funds. The provider may withdraw the funds on the approval of the withdrawal by the commissioner. The application must be made and the approval given as provided by rule.

(d) The provider must repay to the loan reserve fund escrow account the amount released to the provider under Subsection (a) or (c) not later than 18 months after the date the amount is released. The commissioner may place the provider or facility under supervision under Section 246.091 or take any other appropriate action as provided by law if the provider does not repay the loan reserve fund escrow account within the required period.

Sec. 246.079. TRANSITION. (a) A provider who operates a facility that existed on September 1, 1987, must comply with the filing requirements imposed under Section 246.041 and the escrow requirements imposed under Sections 246.077 and 246.078 not later than September 1, 1990.

(b) The commissioner may extend the time for compliance under this section for a reasonable period if the commissioner determines that the provider is unable to comply with this section after making a good faith effort to comply.

Sec. 246.080. APPLICABILITY. Sections 246.071 through 246.076 do not apply to a facility that on September 1, 1987, was completed and occupied by at least one person.

SUBCHAPTER E. SUPERVISION, REHABILITATION, AND LIQUIDATION

Sec. 246.091. SUPERVISION BY COMMISSIONER. (a) The commissioner may place a provider or facility under supervision if:

(1) the provider draws on the provider's entrance fee escrow in an amount greater than permitted by Section 246.073;

(2) the provider draws on the provider's loan reserve fund escrow in an amount greater than permitted or more frequently than permitted by Section 246.078;

(3) the commissioner determines, after a complaint and investigation, that the provider is financially unsound or is unable to meet the income or available cash projections previously filed by the provider and that the ability of the provider to fully perform its obligations under continuing care contracts is endangered; or

(4) the provider is bankrupt, insolvent, or has filed for protection from creditors under a federal or state reorganization, bankruptcy, or insolvency law.

(b) The commissioner appoints the supervisor.

(c) The commissioner may provide that the provider may not, during the supervision period and without the prior approval of the commissioner or the supervisor:

(1) dispose of, convey, or encumber its assets;

(2) withdraw its bank accounts;

(3) lend its funds;

(4) invest its funds;

(5) transfer its property;

(6) incur a debt, obligation, or liability; or

(7) merge or consolidate with another facility.

(d) The commissioner shall terminate the supervision and restore to a provider the authority to manage the affairs of the facility if the commissioner determines that the facility is capable of meeting its financial obligations.

(e) The facility or provider shall pay the costs of a supervisor.

Sec. 246.092. APPLICATION FOR COURT ORDER FOR REHABILITATION OR LIQUIDATION. (a) The commissioner shall request the attorney general to apply to a district court of this state, or to the federal bankruptcy court that has exercised jurisdiction over a provider or facility, for an order directing the appointment of a trustee to rehabilitate or liquidate the facility if the commissioner elects not to place the facility under supervision and:

1. the provider draws from the provider's loan reserve fund escrow an amount greater than permitted by Section 246.078;
2. the provider does not repay the loan reserve fund escrow as required by Section 246.078;
3. the board determines, after a complaint and investigation, that the provider is financially unsound or is unable to meet the income or available cash projections previously filed by the provider and that the ability of the provider to fully perform its obligations under continuing care contracts is endangered; or
4. the provider is bankrupt, insolvent, or has filed for protection from creditors under a federal or state reorganization, bankruptcy, or insolvency law.

(b) In connection with an application for an order to rehabilitate or liquidate a facility, the court shall consider the manner in which the welfare of persons who have previously contracted with the provider for continuing care at the facility may be best served, and may order that the proceeds of a lien imposed under Section 246.111 may be used in full or partial payment of entrance fees to other facilities on behalf of the residents of the facility being liquidated.

Sec. 246.093. ORDER TO REHABILITATE. An order to rehabilitate a facility must direct the trustee to:

1. take possession of the provider's property in order to conduct the business, including employing any managers or agents the trustee considers necessary; and
2. take action as directed by the court to eliminate the causes and conditions that made rehabilitation necessary.

Sec. 246.094. ORDER TO LIQUIDATE. (a) If the trustee determines that further efforts to rehabilitate the provider would be impractical or useless, the trustee may apply to the court that ordered the rehabilitation for an order of liquidation.

(b) A court that has jurisdiction may issue an order to liquidate a facility on application of the board, regardless of whether an order to rehabilitate the facility exists. If the court issues an order to liquidate, the court shall appoint a trustee to collect and liquidate all of the provider's assets located in this state.

(c) A person may not contract for continuing care at a facility after an order to liquidate that facility has been entered.

Sec. 246.095. BOND. A court may refuse to make or may vacate an order to rehabilitate under this subchapter if the provider posts a bond that is:

(1) in an amount determined by the court to be equal to the reserve funding needed to fulfill the provider's obligations under its continuing care contracts at the facility;

(2) issued by a recognized surety authorized to do business in this state; and

(3) executed in favor of the state on behalf of all persons entitled to refunds of entrance fees from the provider or other damages if the provider is unable to fulfill its continuing care contracts at the facility.

Sec. 246.096. TERMINATION OF REHABILITATION. (a) A court may terminate a rehabilitation and order return of a facility and its assets and affairs to the management of the provider if the court, on petition of the trustee or the provider or on its own motion, finds that:

(1) the objectives of the order to rehabilitate the facility have been accomplished; and
(2) the facility can be returned to the provider's management without further jeopardy to the residents, creditors, or owners of the facility or the public.

(b) A court may enter an order under this section after:

(1) a full report and accounting of the conduct of the facility's affairs during the rehabilitation; and

(2) a report on the facility's financial condition.

Sec. 246.097. PAYMENT OF TRUSTEE. The reasonable costs, expenses, and fees of the trustee are payable from the assets of the facility.

SUBCHAPTER F. ENFORCEMENT

Sec. 246.111. LIEN. (a) To secure the obligations of the provider under any continuing care contract, a lien attaches on the date a resident first occupies a facility. The lien covers the real and personal property of the provider located at the facility. The provider shall prepare a written notice sworn to by an officer of the provider for each county where the provider has a facility. The notice must contain the name of the provider, the legal description of each facility of the provider, and a statement that the facility is subject to this chapter and the lien provided by this section. The provider shall file for record the notice in the real property records of each county where the provider has a facility on or before the later of January 1, 1994, or the date of the execution of the first continuing care contract relating to the facility.

(b) The commissioner may remove a lien under this section if requested by a provider to obtain secondary financing or refinancing of a facility if:

(1) the facility is financially sound; and

(2) removal of the lien does not adversely affect the residents.

(c) A lien under this section is subordinate to any liens on the property of the facility if the proceeds of the loan secured by the liens were used in whole or in part to:
(1) construct, acquire, replace, or improve the facility; or
(2) refinance an earlier loan used to construct, acquire, replace, or improve the facility.
(d) A lien under this section is effective for 10 years.
(e) A lien under this section may be foreclosed on application of the board if the facility is liquidated or the provider is insolvent or bankrupt. The proceeds from a foreclosed lien shall be used for full or partial satisfaction of the provider's obligations under continuing care contracts in effect on the date of the foreclosure.

Sec. 246.112. INVESTIGATIONS. The commissioner may conduct an examination or investigation as necessary to:
(1) determine whether a person has violated or is about to violate this chapter;
(2) aid in the enforcement of this chapter;
(3) determine the financial solvency of a facility; or
(4) verify a statement contained in a disclosure statement filed or delivered under this chapter.

Sec. 246.113. PRODUCTION OF EVIDENCE. (a) In an investigation or proceeding under this chapter, the board may:
(1) require or allow a person to file a written statement regarding any of the facts and circumstances concerning the matter to be investigated;
(2) administer oaths and affirmations;
(3) subpoena witnesses;
(4) compel attendance;
(5) take evidence; and
(6) require the production of any books, papers, correspondence, memoranda, agreements, or other documents or records considered relevant to the inquiry.
(b) The board may bring suit in district court to enforce a
subpoena if the person to whom a subpoena is directed fails to comply.

Sec. 246.114. ACTUARIAL REVIEW. (a) This section applies only to a facility whose contracts offer future guarantees of long-term nursing care that develop current actuarial liabilities.

(b) A facility subject to this section that initially filed with the commissioner an actuarial review performed on or after September 1, 1982, and before September 1, 1987, shall file with the commissioner subsequent actuarial reviews at five-year intervals from the date of completion of the initial actuarial review.

(c) A facility subject to this section that initially filed with the commissioner an actuarial review performed on or after September 1, 1987, shall file with the commissioner subsequent actuarial reviews at five-year intervals from the date of the filing of the initial actuarial review.

(d) The commissioner may require an actuarial review of a facility before the end of the five-year interval in which the facility would otherwise be required to file an actuarial review if, in the opinion of the commissioner, the facility exhibits conditions of financial instability warranting an earlier review.

Sec. 246.115. CEASE AND DESIST ORDERS; INJUNCTIONS. (a) The board may request that the attorney general bring an action to prohibit a person from engaging in an act or practice and to order compliance with this chapter if the board determines, after a complaint or by other means, that the act or practice violates this chapter or an order made under this chapter.

(b) The action may be brought in the district court of a county in which:

(1) the defendant resides;
(2) the defendant has done business;
(3) the principal place of business of the defendant is
located; or
    (4) the transaction occurred.

  (c) The court may grant an injunction or restraining order on a proper showing. If the court grants an injunction or restraining order, the court shall issue it without bond.

Sec. 246.116. CRIMINAL PENALTY. (a) A person commits an offense if the person intentionally violates this chapter.

(b) An offense under this section is a Class A misdemeanor.

Sec. 246.117. CIVIL LIABILITY. (a) A provider who makes a continuing care contract without complying with the disclosure statement requirement under Subchapter C, or who makes a continuing care contract with a person who has relied on a disclosure statement that omits a material fact required to be stated in the statement or necessary to make the statement accurate, is liable to the person with whom the continuing care contract is made for:

    (1) actual damages;

    (2) repayment of all fees paid to the provider minus the reasonable value of care and lodging provided to the person by or on whose behalf the continuing care contract was made before the violation, misstatement, or omission was discovered or reasonably should have been discovered;

    (3) interest at the legal rate for judgments;

    (4) court costs; and

    (5) reasonable attorney's fees.

(b) A provider is liable under this section regardless of whether the provider had actual knowledge of the misstatement or omission.

(c) A person may not file or maintain an action under this section if the person, before filing the action, received a written offer of a refund of all amounts paid to the provider, facility, or person violating this chapter and reasonable interest from the date of payment, minus the reasonable value of care and lodging provided before the receipt of the offer and:
(1) the offer states the provisions of this section; and
(2) the recipient of the offer fails to accept the offer within 30 days after the date the offer is received.

(d) A person must bring suit under this section not later than three years after:
(1) the date on which the continuing care contract was entered into; or
(2) the violation, misstatement, or omission is discovered or reasonably should have been discovered.

(e) Except as expressly provided by this chapter, civil liability does not arise in favor of a private party by implication from or as a result of the violation of this chapter or a rule or order adopted under this chapter.

(f) This chapter does not limit a liability that would exist under any other statute or common law if this chapter were not in effect.

(g) The provisions of this chapter are not exclusive and the remedies provided by this chapter are in addition to any other remedies provided by any other law.

CHAPTER 247. ASSISTED LIVING FACILITIES

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 247.001. SHORT TITLE. This chapter may be cited as the Assisted Living Facility Licensing Act.

Sec. 247.0011. SCOPE, PURPOSE, AND IMPLEMENTATION. (a) The purpose of this chapter is to ensure that assisted living facilities in this state deliver the highest possible quality of care. This chapter and the rules adopted under this chapter establish minimum acceptable levels of care, and a violation of a minimum acceptable level of care established under this chapter is a violation of law. For purposes of this chapter, components of quality of care include:
(1) resident independence and self-determination;
(2) humane treatment;
(3) conservative intervention;
(4) access to care;
(5) continuity of care;
(6) coordination of services;
(7) safe surroundings;
(8) professionalism of service providers;
(9) participation in useful studies; and
(10) quality of life.

(b) The department shall protect residents of assisted living facilities by:
(1) adopting rules relating to quality of care and quality
of life;
(2) adopting rules relating to the assessment of the
condition and service needs of each resident;
(3) promoting policies that maximize the dignity, autonomy,
privacy, and independence of each resident;
(4) regulating the construction, maintenance, and operation
of assisted living facilities;
(5) strictly monitoring factors relating to the health,
safety, welfare, and dignity of each resident;
(6) imposing prompt and effective remedies for violations
of this chapter and rules and standards adopted under this chapter;
(7) providing a residential environment that allows
residents to maintain the highest possible degree of independence and
self-determination; and
(8) providing the public with helpful and understandable
information relating to the operation of assisted living facilities
in this state.

(c) Assisted living services are driven by a service philosophy
that emphasizes personal dignity, autonomy, independence, and
privacy. Assisted living services should enhance a person's ability
to age in place in a residential setting while receiving increasing
or decreasing levels of service as the person's needs change.

Added by Acts 1999, 76th Leg., ch. 233, Sec. 1, eff. Sept. 1, 1999.

Sec. 247.002. DEFINITIONS. In this chapter:
(1) "Assisted living facility" means an establishment that:
(A) furnishes, in one or more facilities, food and shelter to four or more persons who are unrelated to the proprietor of the establishment;
(B) provides:
   (i) personal care services; or
   (ii) administration of medication by a person licensed or otherwise authorized in this state to administer the medication;
(C) may provide assistance with or supervision of the administration of medication; and
(D) may provide skilled nursing services for the following limited purposes:
   (i) coordination of resident care with outside home and community support services agencies and other health care professionals;
   (ii) provision or delegation of personal care services and medication administration as described by this subdivision;
   (iii) assessment of residents to determine the care required; and
   (iv) for periods of time as established by department rule, delivery of temporary skilled nursing treatment for a minor illness, injury, or emergency.
(2) "Board" means the executive commissioner of the Health and Human Services Commission.
(3) "Controlling person" means a person who controls an assisted living facility or other person as described by Section 247.005.
(4) "Department" means the Department of Aging and Disability Services.
(5) "Personal care services" means:
   (A) assistance with feeding, dressing, moving, bathing, or other personal needs or maintenance; or
   (B) general supervision or oversight of the physical and mental well-being of a person who needs assistance to maintain a private and independent residence in an assisted living facility or who needs assistance to manage the person's personal life, regardless of whether a guardian has been appointed for the person.
(6) "Qualified religious society" means a church, synagogue, or other organization or association that is organized...
primarily for religious purposes and that:

(A) has been in existence in this state for at least 35 years; and

(B) does not distribute any of its income to its members, officers, or governing body other than as reasonable compensation for services or reimbursement of expenses.

(7) "Commissioner" means the commissioner of the department.

Acts 2009, 81st Leg., R.S., Ch. 1106 (H.B. 216), Sec. 2, eff. September 1, 2009.

Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.08(a), eff. September 28, 2011.

Sec. 247.0025. IMMEDIATE THREAT OF HARM. For purposes of this chapter, there is considered to be an immediate threat to the health or safety of a resident, or a situation is considered to put the health or safety of a resident in immediate jeopardy, if there is a situation in which an assisted living facility's noncompliance with one or more requirements of licensure has caused, or is likely to cause, serious injury, harm, impairment, or death to a resident.

Sec. 247.003. APPLICATION OF OTHER LAW. (a) Except as provided by Subsections (b) and (c), Chapter 242 does not apply to an assisted living facility licensed under this chapter.

(b) Subchapter D, Chapter 242, applies to an assisted living facility, and the department shall administer and enforce that subchapter for an assisted living facility in the same manner it is administered and enforced for a nursing home.

(c) Except as provided by this subsection, Subchapter R,
Chapter 242, applies to an assisted living facility, and the department shall administer that subchapter for an assisted living facility in the same manner it is administered and enforced for a nursing home, but shall enforce that subchapter in accordance with the sanctions authorized by this chapter. Sections 242.851 and 242.852 do not apply to an assisted living facility or to conduct within an assisted living facility.

Sec. 247.004. EXEMPTIONS. This chapter does not apply to:

(1) a boarding home facility as defined by Section 260.001;

(2) an establishment conducted by or for the adherents of the Church of Christ, Scientist, for the purpose of providing facilities for the care or treatment of the sick who depend exclusively on prayer or spiritual means for healing without the use of any drug or material remedy if the establishment complies with local safety, sanitary, and quarantine ordinances and regulations;

(3) a facility conducted by or for the adherents of a qualified religious society classified as a tax-exempt organization under an Internal Revenue Service group exemption ruling for the purpose of providing personal care services without charge solely for the society's professed members or ministers in retirement, if the facility complies with local safety, sanitation, and quarantine ordinances and regulations; or

(4) a facility that provides personal care services only to persons enrolled in a program that:

   (A) is funded in whole or in part by the department and that is monitored by the department or its designated local mental retardation authority in accordance with standards set by the department; or

   (B) is funded in whole or in part by the Department of State Health Services and that is monitored by that department, or by its designated local mental health authority in accordance with standards set by the department.

Sec. 247.005. CONTROLLING PERSON. (a) A person is a controlling person if the person, acting alone or with others, has the ability to directly or indirectly influence, direct, or cause the direction of the management, expenditure of money, or policies of an assisted living facility or other person.

(b) For purposes of this chapter, "controlling person" includes:

(1) a management company, landlord, or other business entity that operates or contracts with others for the operation of an assisted living facility;

(2) a person who is a controlling person of a management company or other business entity that operates an assisted living facility or that contracts with another person for the operation of an assisted living facility; and

(3) any other individual who, because of a personal, familial, or other relationship with the owner, manager, landlord, tenant, or provider of an assisted living facility, is in a position of actual control or authority with respect to the facility, without regard to whether the individual is formally named as an owner, manager, director, officer, provider, consultant, contractor, or employee of the facility.

(b-1) Notwithstanding any other provision of this section, for purposes of this chapter, a controlling person of an assisted living facility or of a management company or other business entity described by Subsection (b)(1) that is a publicly traded corporation or is controlled by a publicly traded corporation means an officer or director of the corporation. The term does not include a shareholder or lender of the publicly traded corporation.

(c) A controlling person described by Subsection (b)(3) does
not include an employee, lender, secured creditor, landlord, or other person who does not exercise formal or actual influence or control over the operation of an assisted living facility.

(d) The department may adopt rules that specify the ownership interests and other relationships that qualify a person as a controlling person.

Added by Acts 1999, 76th Leg., ch. 233, Sec. 1, eff. Sept. 1, 1999. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 917 (H.B. 2972), Sec. 3, eff. September 1, 2009.

Sec. 247.006. ADVISORY COMMITTEE. (a) The Advisory Committee on Assisted Living Facilities consists of nine members appointed by the board. The commissioner of human services shall appoint two staff members from the department to serve as nonvoting advisory members. In appointing staff members under this subsection, the commissioner shall appoint one member as a representative of long-term care policy and one member as a representative of long-term care regulation.

(b) The board shall appoint the advisory committee to provide for a balanced representation of assisted living providers and consumers and shall appoint one member who has expertise in life safety code regulations. At least one of the provider members must be representative of a nonprofit facility, and at least one member must be a family member of a resident of a facility.

(c) The committee shall elect the presiding officer from among its members.

(d) The committee shall advise the department on standards for licensing assisted living facilities and on the implementation of this chapter.

Sec. 247.007. COMPLIANCE WITH CHAPTER 260A. (a) An assisted living facility shall comply with Chapter 260A and the rules adopted under that chapter.

(b) A person, including an owner or employee of an assisted living facility, shall comply with Chapter 260A and the rules adopted under that chapter.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(i), eff. September 28, 2011.

SUBCHAPTER B. LICENSING, FEES, AND INSPECTIONS

Sec. 247.021. LICENSE REQUIRED. (a) A person may not establish or operate an assisted living facility without a license issued under this chapter.

(b) A person establishing or operating a facility that is not required to be licensed under this chapter may not use the term "assisted living" in referring to the facility or the services provided at the facility.

(c) A person establishing or operating a facility that is not required to be licensed but who elects to obtain a license under this chapter may use the term "assisted living" in referring to the facility or the services provided at the facility.

(d) The department by rule shall establish procedures to issue a six-month provisional license to existing facilities with residents. The department may issue a provisional license if:

1. the facility is in compliance with resident care standards;
2. the facility voluntarily discloses that the facility needs additional time to comply with life safety code and physical plant standards;
3. the disclosure is made in writing by certified mail to the department;
4. an investigation of the violation was not initiated and the violation was not independently detected by the department; and
5. the disclosure is made promptly after knowledge of the information disclosed is obtained by the facility.

(d-1) A provisional license expires the earlier of:

1. the 180th day after the effective date of the provisional license or the end of any extension period granted by the
department, in the department's sole discretion; or
(2) the date a license is issued to the provisional license holder under Subsection (d-3).

(d-2) The department shall conduct a life safety code inspection of the facility as soon as reasonably possible after the department issues a provisional license.

(d-3) After conducting a life safety code inspection, the department shall issue a license under Section 247.023 to the provisional license holder if the facility passes the inspection and the applicant meets all requirements for a license. A license issued under this subsection has the same effective date as the provisional license.

(e) Repealed by Acts 2009, 81st Leg., R.S., Ch. 917, Sec. 9, eff. September 1, 2009.

(f) Repealed by Acts 2009, 81st Leg., R.S., Ch. 917, Sec. 9, eff. September 1, 2009.

(g) The department shall, upon submission of a written request by the applicant, automatically issue a six-month provisional license without conducting a life safety code inspection before issuance of the provisional license to a newly constructed facility if:

(1) the license applicant has submitted building plans to the department for an early compliance review in accordance with Section 247.0261;

(2) all local approvals, including a certificate of occupancy where required, have been obtained;

(3) a complete license application form is submitted within 30 days of receipt of all local approvals;

(4) the license fee has been paid;

(5) the department determines that the license applicant or a person who owns the license applicant and controls the operations of the license applicant constructed another facility in this state that complies with the department's life safety code standards; and

(6) the facility is in compliance with resident care standards based on an on-site health inspection.

(h) The department may automatically issue a provisional license in the case of a corporate change of ownership of a facility.

Sec. 247.0211. EXPEDITED LIFE SAFETY CODE INSPECTION. (a) The executive commissioner of the Health and Human Services Commission shall adopt rules to implement an expedited inspection process that allows an applicant for an assisted living facility license or for a renewal of a license to obtain a life safety code and physical plant inspection not later than the 15th day after the date the request is made.

(b) The department may charge a fee to recover the cost of the expedited inspection.

Added by Acts 2009, 81st Leg., R.S., Ch. 917 (H.B. 2972), Sec. 5, eff. September 1, 2009.

Sec. 247.022. LICENSE APPLICATION. (a) An applicant for an assisted living facility license must submit an application to the department on a form prescribed by the department.

(b) Each application must be accompanied by a nonrefundable license fee in an amount set by the board.

(b-1) If the department conducts more than two life safety code inspections at the applicant's facility, the department may collect a fee in addition to the fee under Subsection (b) for the application for the license.

(c) The department may provide technical assistance to an applicant by making brief inspections of the assisted living facility proposed to be licensed and making recommendations concerning actions necessary to meet standards for assisted living facilities.

Sec. 247.023. ISSUANCE AND RENEWAL OF LICENSE.  (a) The department shall issue a license if, after inspection and investigation, it finds that the applicant, the assisted living facility, and all controlling persons with respect to the applicant or facility meet the requirements of this chapter and the standards adopted under this chapter. The license expires on the second anniversary of the date of its issuance. The executive commissioner of the Health and Human Services Commission by rule may adopt a system under which licenses expire on various dates during the two-year period. For the year in which a license expiration date is changed, the department shall prorate the license fee on a monthly basis. Each license holder shall pay only that portion of the license fee allocable to the number of months during which the license is valid. A license holder shall pay the total license renewal fee at the time of renewal.

(b) To renew a license, the license holder must submit to the department the license renewal fee.

(c) The board may require participation in a continuing education program as a condition of renewal of a license. The board shall adopt rules to implement this subsection.

Sec. 247.0231. COMPLIANCE RECORD IN OTHER STATES. The department may require an applicant or license holder to provide the department with information relating to compliance by the applicant, the license holder, or a controlling person with respect to the applicant or license holder with regulatory requirements in another
state in which the applicant, license holder, or controlling person operates or operated an assisted living facility.

Added by Acts 1999, 76th Leg., ch. 233, Sec. 1, eff. Sept. 1, 1999.

Sec. 247.024. FEES; DISPOSITION OF REVENUE. (a) The department shall set license fees imposed by this chapter:

(1) on the basis of the number of beds in assisted living facilities required to pay the fee; and

(2) in amounts reasonable and necessary to defray the cost of administering this chapter, but not to exceed $1,500.

(b) The board shall establish by rule a base fee schedule and a per bed fee schedule.

(c) All fees or penalties collected under this chapter shall be deposited in the state treasury to the credit of the general revenue fund and shall be appropriated to the department only to administer and enforce this chapter.

(d) Investigation fees or attorney's fees may not be assessed against or collected from an assisted living facility by or on behalf of the department or another state agency unless the department or other state agency assesses and collects a penalty authorized by this chapter from the facility.

(e) An applicant who submits a license renewal later than the 45th day before the expiration date of a current license is subject to a late fee in accordance with department rules.

Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 15, eff. September 1, 2007.

Sec. 247.025. ADOPTION OF RULES. The board shall adopt rules necessary to implement this chapter, including requirements for the issuance, renewal, denial, suspension, and revocation of a license to operate an assisted living facility.
Sec. 247.0255. RESTRAINT AND SECLUSION. A person providing services to a resident of an assisted living facility shall comply with Chapter 322 and the rules adopted under that chapter.

Added by Acts 2005, 79th Leg., Ch. 698 (S.B. 325), Sec. 3, eff. September 1, 2005.

Sec. 247.026. STANDARDS. (a) The board by rule shall prescribe minimum standards to protect the health and safety of an assisted living facility resident.

(b) The standards must:

(1) clearly differentiate an assisted living facility from an institution required to be licensed under Chapter 242;

(2) ensure quality care and protection of the residents' health and safety without excessive cost;

(3) ensure that the daily nutritional and special dietary needs of each resident are met; and

(4) require an assisted living facility to:

(A) use its license number or a state-issued facility identification number in all advertisements, solicitations, and promotional materials; and

(B) provide each prospective resident or prospective resident's representative, as appropriate, with a consumer disclosure statement in a standard form adopted by the department.

(c) The board shall require an assisted living facility that provides brain injury rehabilitation services to include in the facility's consumer disclosure statement a specific statement that licensure as an assisted living facility does not indicate state review, approval, or endorsement of the facility's rehabilitation services.

(d) The board may prescribe different levels of minimum standards for assisted living facilities according to the number of residents, the type of residents, the level of personal care provided, the nutritional needs of residents, and other distinctions
the board considers relevant. If the board does not prescribe minimum standards for facilities serving non-geriatric residents, it must develop procedures for consideration and approval of alternate methods of compliance by such facilities with the board's standards.

(e) Local health and safety standards adopted by the municipality in which an assisted living facility is located do not apply to the facility unless the standards specifically state that they apply to assisted living facilities.

(f) The board by rule shall prescribe minimum standards requiring appropriate training in geriatric care for each individual who provides services to geriatric residents as an employee of an assisted living facility and who holds a license or certificate issued by an agency of this state that authorizes the person to provide the services. The minimum standards may require that each licensed or certified individual complete an appropriate program of continuing education or in-service training, as determined by board rule, on a schedule determined by board rule.

(g) Any individual otherwise qualified, who has been employed by a licensed assisted living facility for at least 90 days, shall be eligible to be certified as a medication aide following completion of the required course of study and successful completion of any required examination.

(h) An individual may not serve as the manager of an assisted living facility that has 17 beds or more unless the individual:

(1) has an associate's degree in nursing, health care management, or a related field from a public or private institution of higher education;

(2) has a bachelor's degree from a public or private institution of higher education; or

(3) has at least one year of experience working in management or in the health care industry.

(i) The board by rule shall require each manager of an assisted living facility that has 17 beds or more to complete at least one educational course on the management of assisted living facilities not later than the first anniversary of the date the manager begins employment in that capacity.

Sec. 247.0261. EARLY COMPLIANCE REVIEW. (a) The department by rule shall adopt a procedure under which a person proposing to construct or modify an assisted living facility may submit building plans to the department for review for compliance with the department's architectural requirements before beginning construction or modification. In adopting the procedure, the department shall set reasonable deadlines by which the department must complete review of submitted plans.

(b) The department shall, within 30 days, review plans submitted under this section for compliance with the department's architectural requirements and inform the person of the results of the review. If the plans comply with the department's architectural requirements, the department may not subsequently change the architectural requirements applicable to the project unless:

(1) the change is required by federal law; or

(2) the person fails to complete the project within a reasonable time.

(c) The department may charge a reasonable fee for conducting a review under this section.

(d) A fee collected under this section shall be deposited in the general revenue fund to the credit of the assisted living account and shall be appropriated only to the department to conduct reviews under this section.

(e) The review procedure provided by this section does not include review of building plans for compliance with the Texas Accessibility Standards as administered and enforced by the Texas Department of Licensing and Regulation.

Added by Acts 1999, 76th Leg., ch. 233, Sec. 1, eff. Sept. 1, 1999.

Sec. 247.0262. REPORT ON LIFE SAFETY CODE SURVEYS. (a) The department shall annually report the number of life safety code
surveys for an initial assisted living facility license with respect to which the department first visits the facility to conduct the survey more than 60 days after the date the applicant notifies the department that the applicant is ready for the initial survey.

(b) The department may report other data related to the timeliness of life safety code surveys or the processing time of license applications.

(c) The department may include the information described by Subsections (a) and (b) in any required annual regulatory report.

Added by Acts 2009, 81st Leg., R.S., Ch. 917 (H.B. 2972), Sec. 7, eff. September 1, 2009.

Sec. 247.027. INSPECTIONS. (a) In addition to the inspection required under Section 247.023(a), the department may inspect an assisted living facility annually and may inspect a facility at other reasonable times as necessary to assure compliance with this chapter.

(b) The department shall establish an inspection checklist based on the minimum standards that describes the matters subject to inspection. The department shall use the inspection checklist in conducting inspections under this section and Section 247.023(a).

Sec. 247.0271. INSPECTION EXIT CONFERENCE. (a) At the conclusion of an inspection under Section 247.023(a) or Section 247.027, the inspector shall perform an exit conference to advise the assisted living facility of the findings resulting from the inspection.

(b) At the exit conference, the inspector shall provide a copy of the inspection checklist to the assisted living facility and list each violation discovered during the inspection, with specific reference to the standard violated.

(c) If, after the initial exit conference, additional violations are cited, the inspector shall conduct an additional exit conference regarding the newly identified violations. An additional exit conference must be held in person and may not be held by
telephone, e-mail, or facsimile transmission.

(d) The assisted living facility shall submit a plan of correction to the regional director with supervisory authority over the inspector not later than the 10th working day after the date the facility receives the final official statement of violations.

Acts 2007, 80th Leg., R.S., Ch. 974 (S.B. 344), Sec. 4, eff. September 1, 2007.

Sec. 247.0272. INSPECTOR TRAINING; REQUIRED EXAMINATION. (a) The department shall develop and implement a training program to provide specialized training to department employees who inspect assisted living facilities under this chapter. The training must emphasize the distinction between an assisted living facility and an institution licensed under Chapter 242.

(b) In developing and updating the training program required by this section, the department shall consult with operators of assisted living facilities and consumers of personal care services provided by assisted living facilities or legal representatives of those consumers.

(c) The department shall examine department employees who inspect or otherwise survey assisted living facilities under this chapter. In developing the examination, the department shall consult with operators of assisted living facilities or their representatives and with consumers of personal care services provided by assisted living facilities or representatives of consumers.

(d) A department employee may not independently inspect, survey, or take administrative action against an assisted living facility unless the employee has passed the examination administered under Subsection (c).

Sec. 247.0275. REGISTRATION WITH TEXAS INFORMATION AND REFERRAL NETWORK. (a) An assisted living facility licensed under this chapter shall register with the Texas Information and Referral Network under Section 531.0312, Government Code, to assist the state in identifying persons needing assistance if an area is evacuated because of a disaster or other emergency.

(b) The assisted living facility is not required to identify individual residents who may require assistance in an evacuation or to register individual residents with the Texas Information and Referral Network for evacuation assistance.

(c) The assisted living facility shall notify each resident and the resident's next of kin or guardian regarding how to register for evacuation assistance with the Texas Information and Referral Network.

Added by Acts 2009, 81st Leg., R.S., Ch. 1280 (H.B. 1831), Sec. 1.18, eff. September 1, 2009.

Sec. 247.028. ASSISTANCE BY DEPARTMENT. The department may provide assistance to an assisted living facility, including the provision of training materials, the coordination of training conferences and workshops with other state agencies, and the development of a provider's handbook explaining assisted living facility rules.

Sec. 247.029. FACILITIES FOR PERSONS WITH ALZHEIMER'S DISEASE. (a) The board by rule shall establish a classification and license for a facility that advertises, markets, or otherwise promotes that the facility provides personal care services to residents who have Alzheimer's disease or related disorders. A facility is not required to be classified under this section to provide care or treatment to residents who have Alzheimer's disease or related disorders.

(b) The board shall adopt minimum standards for an assisted living facility classified under this section.

(c) An individual may not serve as the manager of an assisted
living facility classified under this section or as the supervisor of an assisted living facility unit classified under this section unless the individual is at least 21 years of age and has:

(1) an associate's degree from a public or private institution of higher education in nursing, health care management, or a related field;

(2) a bachelor's degree from a public or private institution of higher education in psychology, gerontology, nursing, or a related field; or

(3) at least one year of experience working with persons with dementia.

Sec. 247.031. MUNICIPAL ENFORCEMENT. The governing body of a municipality by ordinance may:

(1) prohibit a person who does not hold a license issued under this chapter from establishing or operating an assisted living facility within the municipality; and

(2) establish a procedure for emergency closure of a facility in circumstances in which:

(A) the facility is established or operating in violation of Section 247.021; and

(B) the continued operation of the facility creates an immediate threat to the health and safety of a resident of the facility.

Sec. 247.032. ACCREDITATION SURVEY TO SATISFY INSPECTION REQUIREMENTS. (a) In this section, "accreditation commission" means the Commission on Accreditation of Rehabilitation Facilities, the Joint Commission on Accreditation of Healthcare Organizations, or another organization approved by the executive commissioner of the Health and Human Services Commission.

(b) The department shall accept an accreditation survey from an
accreditation commission for an assisted living facility instead of an inspection under Section 247.023 or an annual inspection or survey conducted under the authority of Section 247.027, but only if:

(1) the accreditation commission's standards meet or exceed the requirements for licensing of the executive commissioner of the Health and Human Services Commission for an assisted living facility;

(2) the accreditation commission maintains an inspection or survey program that, for each assisted living facility, meets the department's applicable minimum standards as confirmed by the executive commissioner of the Health and Human Services Commission;

(3) the accreditation commission conducts an on-site inspection or survey of the facility at least as often as required by Section 247.023 or 247.027 and in accordance with the department's minimum standards;

(4) the assisted living facility submits to the department a copy of its required accreditation reports to the accreditation commission in addition to the application, the fee, and any report required for renewal of a license;

(5) the inspection or survey results are available for public inspection to the same extent that the results of an investigation or survey conducted under Section 247.023 or 247.027 are available for public inspection; and

(6) the department ensures that the accreditation commission has taken reasonable precautions to protect the confidentiality of personally identifiable information concerning the residents of the assisted living facility.

(c) The department shall coordinate its licensing activities with each of the accreditation commissions.

(d) Except as specifically provided by this section, this section does not limit the department in performing any power or duty under this chapter or inspection authorized by Section 247.027, including taking appropriate action relating to an assisted living facility, such as suspending or revoking a license, investigating an allegation of abuse, exploitation, or neglect or another complaint, assessing an administrative penalty, or closing the facility.

(e) This section does not require an assisted living facility to obtain accreditation from an accreditation commission.

Added by Acts 2005, 79th Leg., Ch. 579 (H.B. 1558), Sec. 1, eff. January 1, 2006.
Sec. 247.033. ACCREDITATION SURVEY PILOT PROGRAM. (a) The department may develop and implement a pilot program to authorize the use of an accreditation survey that complies with Section 247.032(b) to fulfill the requirements for a life and safety code survey or inspection or another survey or inspection required by this subchapter. If the department implements the pilot program, the department may implement the pilot program with the goal that not later than August 31, 2014, at least one assisted living facility will have used an accreditation survey for the purposes of this section. The accreditation commission's standards must meet or exceed the assisted living facility licensing requirements established by the executive commissioner of the Health and Human Services Commission as required by Section 247.032(b)(1).

(b) This section expires September 1, 2015.

Added by Acts 2013, 83rd Leg., R.S., Ch. 972 (H.B. 1971), Sec. 1, eff. September 1, 2013.

SUBCHAPTER C. GENERAL ENFORCEMENT

Sec. 247.041. DENIAL, SUSPENSION, OR REVOCATION OF LICENSE. (a) The department, after providing notice and opportunity for a hearing to the applicant or license holder, may deny, suspend, or revoke a license if the department finds that the applicant, license holder, or a controlling person has:

(1) violated this chapter or a rule, standard, or order adopted or license issued under this chapter in either a repeated or substantial manner; or

(2) committed any act described by Sections 247.0451(a)(2)-(6).

(b) The denial, suspension, or revocation of a license by the department and the appeal from that action are governed by the

(c) The status of a person as an applicant for a license or as a license holder is preserved until final disposition of the contested matter, except as the court having jurisdiction of a judicial review of the matter may order in the public interest for the welfare and safety of the residents.

(d) A court having jurisdiction of a judicial review of the matter may not order arbitration, whether on motion of any party or on the court's own motion, to resolve a dispute involving the denial, suspension, or revocation of a license under this section or the conduct with respect to which the denial, suspension, or revocation of the license is sought.

Sec. 247.042. EMERGENCY SUSPENSION OR CLOSING ORDER. (a) If the department finds an assisted living facility operating in violation of the standards prescribed by this chapter and the violations create an immediate threat to the health and safety of a resident in the facility, the department may suspend the license or order immediate closing of all or part of the facility.

(b) The order suspending a license under Subsection (a) is effective immediately on written notice to the license holder or on the date specified in the order.

(c) The order suspending the license and ordering closure of all or part of an assisted living facility is valid for 10 days after its effective date.

(d) The department shall provide for the relocation of residents of an assisted living facility that is closed. The relocation may not be to a facility with a more restrictive environment unless all other reasonable alternatives are exhausted. Relocation procedures shall be adopted as part of the memorandum of understanding adopted under Section 247.061.

(e) The department and the State Office of Administrative...
Hearings shall expedite any hearing or decision involving an emergency suspension or closing order issued under this section.

Sec. 247.043. INVESTIGATION OF ABUSE, EXPLOITATION, OR NEGLECT.

(a) The department shall conduct an investigation in accordance with Section 260A.007 after receiving a report of abuse, exploitation, or neglect of a resident of an assisted living facility.

(b) If the thorough investigation reveals that abuse, exploitation, or neglect has occurred, the department shall:

(1) implement enforcement measures, including closing the facility, revoking the facility's license, relocating residents, and making referrals to law enforcement agencies;

(2) notify the Department of Protective and Regulatory Services of the results of the investigation;

(3) notify a health and human services agency, as defined by Section 531.001, Government Code, that contracts with the facility for the delivery of personal care services of the results of the investigation; and

(4) provide to a contracting health and human services agency access to the department's documents or records relating to the investigation.

(c) Providing access to a confidential document or record under Subsection (b)(4) does not constitute a waiver of confidentiality.

Amended by:

Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(j), eff. September 28, 2011.

Sec. 247.044. INJUNCTION.

(a) The department may petition a district court for a temporary restraining order to restrain a continuing violation of the standards or licensing requirements
provided under this chapter if the department finds that:

(1) the violation creates an immediate threat to the health and safety of the assisted living facility residents; or
(2) the facility is operating without a license.

(b) A district court, on petition of the department and on a finding by the court that a person is violating the standards or licensing requirements provided under this chapter, may by injunction:

(1) prohibit a person from continuing a violation of the standards or licensing requirements provided under this chapter;
(2) restrain the establishment or operation of an assisted living facility without a license issued under this chapter; or
(3) grant any other injunctive relief warranted by the facts.

(c) The department may petition a district court for a temporary restraining order to inspect a facility allegedly required to be licensed and operating without a license when admission to the facility cannot be obtained. If it is shown that admission to the facility cannot be obtained, the court shall order the facility to allow the department admission to the facility.

(d) The attorney general or local prosecuting attorney may institute and conduct a suit authorized by this section at the request of the department.

(e) Venue for a suit brought under this section is in the county in which the assisted living facility is located or in Travis County.

Sec. 247.045. CIVIL PENALTIES. (a) Except as provided by Subsections (b) and (c), a person who violates this chapter or who fails to comply with a rule adopted under this chapter and whose violation is determined by the department to threaten the health and safety of a resident of an assisted living facility is subject to a
civil penalty of not less than $100 nor more than $10,000 for each act of violation. Each day of a continuing violation constitutes a separate ground of recovery.

(b) A person is subject to a civil penalty if the person:
   (1) is in violation of Section 247.021; or
   (2) has been determined to be in violation of Section 247.021 and violates any other provision of this chapter or fails to comply with a rule adopted under this chapter.

(c) The amount of a civil penalty under Subsection (b) may not be less than $1,000 or more than $10,000 for each act of violation. Each day of a continuing violation constitutes a separate ground of recovery.

(d) The attorney general may institute and conduct a suit to collect a penalty and fees under this section at the request of the department. If the attorney general fails to notify the department within 30 days of referral from the department that the attorney general will accept the case, the department shall refer the case to the local district attorney, county attorney, or city attorney. The district attorney, county attorney, or city attorney shall file suit in a district court to collect and retain the penalty.

(e) Investigation and attorney's fees may not be assessed or collected by or on behalf of the department or other state agency unless a penalty described under this chapter is assessed.

(f) The department and attorney general, or other legal representative as described in Subsection (d), shall work in close cooperation throughout any legal proceedings requested by the department.

(g) The commissioner of human services must approve any settlement agreement to a suit brought under this chapter.

(h) If a person who is liable under this section fails to pay any amount the person is obligated to pay under this section, the state may seek satisfaction from any owner, other controlling person, or affiliate of the person found liable. The owner, other controlling person, or affiliate may be found liable in the same suit or in another suit on a showing by the state that the amount to be paid has not been paid or otherwise legally discharged. The department by rule may establish a method for satisfying an obligation imposed under this section from an insurance policy, letter of credit, or other contingency fund.

(i) In this section, "affiliate" means:
(1) with respect to a partnership other than a limited partnership, each partner of the partnership;

(2) with respect to a corporation:
   (A) an officer;
   (B) a director;
   (C) a stockholder who owns, holds, or has the power to vote at least 10 percent of any class of securities issued by the corporation, regardless of whether the power is of record or beneficial; and
   (D) a controlling individual;

(3) with respect to an individual:
   (A) each partnership and each partner in the partnership in which the individual or any other affiliate of the individual is a partner; and
   (B) each corporation or other business entity in which the individual or another affiliate of the individual is:
      (i) an officer;
      (ii) a director;
      (iii) a stockholder who owns, holds, or has the power to vote at least 10 percent of any class of securities issued by the corporation, regardless of whether the power is of record or beneficial; and
      (iv) a controlling individual;

(4) with respect to a limited partnership:
   (A) a general partner; and
   (B) a limited partner who is a controlling individual;

(5) with respect to a limited liability company:
   (A) an owner who is a manager as described by the Texas Limited Liability Company Act (Article 1528n, Vernon's Texas Civil Statutes); and
   (B) each owner who is a controlling individual; and

(6) with respect to any other business entity, a controlling individual.

Sec. 247.0451. ADMINISTRATIVE PENALTY. (a) The department may assess an administrative penalty against a person who:

(1) violates this chapter or a rule, standard, or order adopted under this chapter or a term of a license issued under this chapter;

(2) makes a false statement, that the person knows or should know is false, of a material fact:
   (A) on an application for issuance or renewal of a license or in an attachment to the application; or
   (B) with respect to a matter under investigation by the department;

(3) refuses to allow a representative of the department to inspect:
   (A) a book, record, or file required to be maintained by an assisted living facility; or
   (B) any portion of the premises of an assisted living facility;

(4) wilfully interferes with the work of a representative of the department or the enforcement of this chapter;

(5) wilfully interferes with a representative of the department preserving evidence of a violation of this chapter or a rule, standard, or order adopted under this chapter or a term of a license issued under this chapter;

(6) fails to pay a penalty assessed under this chapter not later than the 30th day after the date the assessment of the penalty becomes final; or

(7) fails to notify the department of a change of ownership before the effective date of the change of ownership.

(b) Except as provided by Section 247.0452(c), the penalty may not exceed $1,000 for each violation.

(c) The board shall establish gradations of penalties in accordance with the relative seriousness of the violation.

(d) In determining the amount of a penalty, the department shall consider any matter that justice may require, but must consider
each of the following and make a record of the extent to which each of the following was considered:

(1) the gradations of penalties established under Subsection (c);

(2) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the prohibited act and the hazard or potential hazard created by the act to the health or safety of the public;

(3) the history of previous violations;

(4) deterrence of future violations;

(5) efforts to correct the violation; and

(6) the size of the facility and of the business entity that owns the facility.

(e) A penalty assessed under Subsection (a)(6) is in addition to the penalty previously assessed and not timely paid.

(f) The department may not assess a penalty under this section against a resident of an assisted living facility unless the resident is also an employee of the facility or a controlling person.

Added by Acts 2001, 77th Leg., ch. 1248, Sec. 8, eff. Sept. 1, 2001. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 16, eff. September 1, 2007.

Sec. 247.0452. RIGHT TO CORRECT. (a) The department may not collect an administrative penalty from an assisted living facility under Section 247.0451 if, not later than the 45th day after the date the facility receives notice under Section 247.0453(c), the facility corrects the violation.

(b) Subsection (a) does not apply:

(1) to a violation that the department determines results in serious harm to or death of a resident;

(2) to a violation described by Sections 247.0451(a)(2)-(7) or a violation of Section 260A.014 or 260A.015;

(3) to a second or subsequent violation of:

(A) a right of the same resident under Section 247.064;

or

(B) the same right of all residents under Section 247.064; or
(4) to a violation described by Section 247.066, which contains its own right to correct provisions.

(c) An assisted living facility that corrects a violation must maintain the correction. If the facility fails to maintain the correction until at least the first anniversary of the date the correction was made, the department may assess and collect an administrative penalty for the subsequent violation. An administrative penalty assessed under this subsection is equal to three times the amount of the original penalty assessed but not collected. The department is not required to provide the facility with an opportunity under this section to correct the subsequent violation.

Added by Acts 2001, 77th Leg., ch. 1248, Sec. 8, eff. Sept. 1, 2001. Amended by:
  Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 17, eff. September 1, 2007.
  Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(k), eff. September 28, 2011.

Sec. 247.0453. REPORT RECOMMENDING ADMINISTRATIVE PENALTY. (a) The department shall issue a preliminary report stating the facts on which the department concludes that a violation of this chapter or a rule, standard, or order adopted under this chapter or a term of a license issued under this chapter has occurred if the department has:
  (1) examined the possible violation and facts surrounding the possible violation; and
  (2) concluded that a violation has occurred.

(b) The report may recommend a penalty under Section 247.0451 and the amount of the penalty.

(c) The department shall give written notice of the report to the person charged with the violation not later than the 10th day after the date on which the report is issued. The notice must include:
  (1) a brief summary of the charges;
  (2) a statement of the amount of penalty recommended;
  (3) a statement of whether the violation is subject to correction under Section 247.0452 and, if the violation is subject to correction under that section, a statement of:
(A) the date on which the assisted living facility must file with the department a plan of correction to be approved by the department; and

(B) the date on which the plan of correction must be completed to avoid assessment of the penalty; and

(4) a statement that the person charged has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

(d) Not later than the 20th day after the date on which the notice under Subsection (c) is received, the person charged may:

(1) give to the department written consent to the department's report, including the recommended penalty; or

(2) make a written request for a hearing.

(e) If the violation is subject to correction under Section 247.0452, the assisted living facility shall submit a plan of correction to the department for approval not later than the 10th day after the date on which the notice under Subsection (c) is received.

(f) If the violation is subject to correction under Section 247.0452, and the person reports to the department that the violation has been corrected, the department shall inspect the correction or take any other step necessary to confirm the correction and shall notify the person that:

(1) the correction is satisfactory and a penalty will not be assessed; or

(2) the correction is not satisfactory and a penalty is recommended.

(g) Not later than the 20th day after the date on which a notice under Subsection (f)(2) is received, the person charged may:

(1) give to the department written consent to the department's report, including the recommended penalty; or

(2) make a written request for a hearing.

(h) If the person charged with the violation consents to the penalty recommended by the department or does not timely respond to a notice sent under Subsection (c) or (f)(2), the commissioner or the commissioner's designee shall assess the penalty recommended by the department.

(i) If the commissioner or the commissioner's designee assesses the recommended penalty, the department shall give written notice to the person charged of the decision and the person shall pay the penalty.
Sec. 247.0454. HEARING ON ADMINISTRATIVE PENALTY. (a) An administrative law judge shall order a hearing and give notice of the hearing if a person charged with a violation under Section 247.0451 timely requests a hearing.

(b) The hearing shall be held before an administrative law judge.

(c) The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the commissioner or the commissioner's designee a written decision regarding the occurrence of a violation of this chapter or a rule, standard, or order adopted under this chapter or a term of a license issued under this chapter and a recommendation regarding the amount of the proposed penalty if a penalty is warranted.

(d) Based on the findings of fact and conclusions of law and the recommendation of the administrative law judge, the commissioner or the commissioner's designee by order may:

(1) find that a violation has occurred and assess an administrative penalty; or

(2) find that a violation has not occurred.

(e) If the commissioner or the commissioner's designee finds that a violation has not occurred, the commissioner or the commissioner's designee shall order that all records reflecting that the department found a violation had occurred and attempted to impose an administrative penalty shall be expunged except:

(1) records obtained by the department during its investigation; and

(2) the administrative law judge's findings of fact.

(f) Proceedings under this section are subject to Chapter 2001, Government Code.

Sec. 247.0455. NOTICE AND PAYMENT OF ADMINISTRATIVE PENALTY; INTEREST; REFUND. (a) The commissioner or the commissioner's designee shall give notice of the findings made under Section 247.0454(d) to the person charged. If the commissioner or the
commissioner's designee finds that a violation has occurred, the commissioner or the commissioner's designee shall give to the person charged written notice of:

1. the findings;
2. the amount of the administrative penalty;
3. the rate of interest payable with respect to the penalty and the date on which interest begins to accrue;
4. whether action under Section 247.0457 is required in lieu of payment of all or part of the penalty; and
5. the person's right to judicial review of the order of the commissioner or the commissioner's designee.

(b) Not later than the 30th day after the date on which the order of the commissioner or the commissioner's designee is final, the person charged with the penalty shall:

1. pay the full amount of the penalty; or
2. file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, the department's dissatisfaction with efforts to correct the violation, or any combination of these issues.

(c) Notwithstanding Subsection (b), the department may permit the person to pay a penalty in installments or may require the person to use all or part of the amount of the penalty in accordance with Section 247.0457.

(d) If the person does not pay the penalty within the period provided by Subsection (b) or in accordance with Subsection (c), if applicable:

1. the penalty is subject to interest; and
2. the department may refer the matter to the attorney general for collection of the penalty and interest.

(e) Interest under Subsection (d)(1) accrues:

1. at a rate equal to the rate charged on loans to depository institutions by the New York Federal Reserve Bank; and
2. for the period beginning on the day after the date on which the penalty becomes due and ending on the date the penalty is paid.

(f) If the amount of the penalty is reduced or the assessment of a penalty is not upheld on judicial review, the commissioner shall:

1. remit to the person charged the appropriate amount of any penalty payment plus accrued interest; or
execute a release of the supersedeas bond if one has been posted.

Sec. 247.0456. APPLICATION OF OTHER LAW. The department may not assess a monetary penalty under this chapter and a monetary penalty under Chapter 32, Human Resources Code, for the same act or failure to act.

Sec. 247.0457. AMELIORATION OF VIOLATION. (a) In lieu of demanding payment of an administrative penalty assessed under Section 247.0451, the commissioner in accordance with this section may allow the person to use, under the supervision of the department, any portion of the penalty to ameliorate the violation or to improve services, other than administrative services, in the assisted living facility affected by the violation.

(b) The department shall offer amelioration to a person for a charged violation if the department determines that the violation does not constitute immediate jeopardy to the health and safety of a resident of the assisted living facility.

(c) The department shall offer amelioration to a person under this section not later than the 10th day after the date the person receives from the department a final notification of the recommended assessment of an administrative penalty that is sent to the person after an informal dispute resolution process but before an administrative hearing under Section 247.0454.

(d) A person to whom amelioration has been offered must file a plan for amelioration not later than the 45th day after the date the person receives the offer of amelioration from the department. In
submitting the plan, the person must agree to waive the person's right to an administrative hearing under Section 247.0454 if the department approves the plan.

(e) At a minimum, a plan for amelioration must:
(1) propose changes to the management or operation of the assisted living facility that will improve services to or quality of care of residents of the assisted living facility;
(2) identify, through measurable outcomes, the ways in which and the extent to which the proposed changes will improve services to or quality of care of residents of the assisted living facility;
(3) establish clear goals to be achieved through the proposed changes;
(4) establish a time line for implementing the proposed changes; and
(5) identify specific actions necessary to implement the proposed changes.

(f) A plan for amelioration may include proposed changes to:
(1) improve staff recruitment and retention;
(2) offer or improve dental services for residents; and
(3) improve the overall quality of life for residents.

(g) The department may require that an amelioration plan propose changes that would result in conditions that exceed the requirements of this chapter or the rules adopted under this chapter.

(h) The department shall approve or deny an amelioration plan not later than the 45th day after the date the department receives the plan. On approval of a person's plan, the department shall deny a pending request for a hearing submitted by the person under Section 247.0453.

(i) The department may not offer amelioration to a person:
(1) more than three times in a two-year period; or
(2) more than one time in a two-year period for the same or similar violation.

Sec. 247.0458. USE OF ADMINISTRATIVE PENALTY. Money from an administrative penalty collected under this subchapter may be appropriated for the purpose of funding the grant program established
under Section 161.074, Human Resources Code.

Added by Acts 2005, 79th Leg., Ch. 786 (S.B. 52), Sec. 3, eff. September 1, 2005.

Sec. 247.0459. VIOLATION OF LAW RELATING TO ADVANCE DIRECTIVES.  
(a) The department shall assess an administrative penalty against an assisted living facility that violates Section 166.004.  
(b) A penalty assessed under this section shall be $500.  
(c) The penalty shall be assessed in accordance with department rules. The rules must provide for notice and an opportunity for a hearing.

Sec. 247.046. COOPERATION AMONG AGENCIES. The board, the Department of Protective and Regulatory Services, and the attorney general shall adopt by rule a memorandum of understanding that:  
(1) defines each agency's responsibilities concerning assisted living facilities and coordinates each agency's activities;  
(2) details coordinated procedures to be used by each agency in responding to complaints relating to neglect or abuse of residents of facilities, to substandard facilities, and to unlicensed facilities;  
(3) identifies enforcement needs each agency may have in order to perform its duties under the memorandum of understanding, including any need for access to information or to facilities under investigation or operating under a plan of correction; and  
(4) provides a plan for correcting violations in substandard or unlicensed assisted living facilities that specifies the conditions under which it is appropriate to impose such a plan and that outlines a schedule of implementation for the plan.

Sec. 247.047. TRANSITION. The department shall grant to a personal care facility licensed on or before December 31, 1990, under Chapter 242 a temporary permit to continue operation until the department performs any inspection or investigation required by this chapter.

Sec. 247.048. REGIONAL TRAINING FOR AGENCIES AND LOCAL GOVERNMENTS. The department periodically shall conduct regional training programs for representatives of local governments and appropriate state agencies relating to assisted living facility concerns. The training programs must provide to participants information relating to the assisted living facility industry, including information on:

1. the general characteristics of assisted living facilities and residents of those facilities;
2. the different types of assisted living facilities;
3. the laws applicable to assisted living facilities; and
4. the authority of the department and other entities to enforce applicable laws.

Added by Acts 1999, 76th Leg., ch. 233, Sec. 1, eff. Sept. 1, 1999.

Sec. 247.049. USE OF REGULATORY REPORTS AND DOCUMENTS. (a) Except as otherwise provided by this section, a report or other document prepared by the department that relates to regulation of an assisted living facility is not admissible as evidence in a civil action to prove that the facility violated a standard prescribed under this chapter.

(b) Subsection (a) does not:

1. bar the admission into evidence of department reports
or other documents in an enforcement action in which the state or an agency or political subdivision of the state is a party, including:

(A) an action seeking injunctive relief under Section 247.044;

(B) an action seeking imposition of a civil penalty under Section 247.045;

(C) a contested case hearing involving denial, suspension, or revocation of a license issued under this chapter; and

(D) an action seeking imposition of an administrative penalty under this subchapter;

(2) bar the admission into evidence of department reports or other documents that are offered:

(A) to establish warning or notice to an assisted living facility of a relevant department determination; or

(B) under any rule or evidentiary predicate of the Texas Rules of Evidence;

(3) prohibit or limit the testimony of a department employee, in accordance with the Texas Rules of Evidence, as to observations, factual findings, conclusions, or determinations that an assisted living facility violated a standard prescribed under this chapter if the observations, factual findings, conclusions, or determinations were made in the discharge of the employee's official duties for the department; or

(4) prohibit or limit the use of department reports or other documents in depositions or other forms of discovery conducted in connection with a civil action if use of the reports or other documents appears reasonably calculated to lead to the discovery of admissible evidence.

Sec. 247.050. MONITORING OF UNLICENSED FACILITIES; REPORTING.
(a) The board shall adopt procedures to monitor the status of unlicensed assisted living facilities. As part of these procedures, the department shall:

(1) maintain a registry of all reported unlicensed assisted
living facilities for the purpose of periodic follow-up by the field
staff in each region; and
(2) prepare a quarterly report that shows the number of:
(A) complaints relating to unlicensed assisted living
facilities that are received;
(B) complaints that are investigated;
(C) unsubstantiated complaints;
(D) substantiated complaints; and
(E) cases referred to the attorney general.
(b) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 990, Sec.
10(5), eff. June 17, 2011.
(c) The department shall file a copy of the quarterly reports
required by this section with the substantive committees of each
house of the legislature with jurisdiction over regulation of
assisted living facilities.
(d) The department shall permanently retain at least one copy
or one electronic source of information pertaining to complaints and
investigations of unlicensed assisted living facilities used to
maintain a registry as required under Subsection (a)(1) and used to
prepare a report under Subsection (a)(2).

Added by Acts 1999, 76th Leg., ch. 233, Sec. 1, eff. Sept. 1, 1999.
Amended by:
Acts 2007, 80th Leg., R.S., Ch. 974 (S.B. 344), Sec. 5, eff.
September 1, 2007.

June 17, 2011.

Sec. 247.051. INFORMAL DISPUTE RESOLUTION. (a) The Health and
Human Services Commission by rule shall establish an informal dispute
resolution process to address disputes between a facility and the
department concerning a statement of violations prepared by the
department in accordance with this section. The process must provide
for adjudication by an appropriate disinterested person of disputes relating to a statement of violations. The informal dispute resolution process must require:

(1) the assisted living facility to request informal dispute resolution not later than the 10th day after the date of notification by the department of the violation of a standard or standards;

(2) the Health and Human Services Commission to complete the process not later than the 90th day after the date of receipt of a request from the assisted living facility for informal dispute resolution;

(3) that, not later than the 10th business day after the date an assisted living facility requests an informal dispute resolution, the department forward to the assisted living facility a copy of all information that is referred to in the disputed statement of violations or on which a citation is based in connection with the survey, inspection, investigation, or other visit, excluding:

(A) the name of any complainant, witness, or informant;
(B) any information that would reasonably lead to the identification of a complainant, witness, or informant;
(C) information obtained from or contained in the records of the facility;
(D) information that is publicly available; or
(E) information that is confidential by law;

(4) the Health and Human Services Commission to give full consideration to all factual arguments raised during the informal dispute resolution process that:

(A) are supported by references to specific information that the facility or department relies on to dispute or support findings in the statement of violations; and
(B) are provided by the proponent of the argument to the Health and Human Services Commission and the opposing party;

(5) that informal dispute resolution staff give full consideration to the information provided by the assisted living facility and the department;

(6) that ex parte communications concerning the substance of any argument relating to a survey, inspection, investigation, visit, or statement of violations under consideration not occur between the informal dispute resolution staff and the assisted living facility or the department; and
(7) that the assisted living facility and the department be given a reasonable opportunity to submit arguments and information supporting the position of the assisted living facility or the department and to respond to arguments and information presented against them.

(b) The Health and Human Services Commission may not delegate its responsibility to administer the informal dispute resolution process established by this section to another state agency.

(c) An assisted living facility requesting an informal dispute resolution under this section must reimburse the department for any costs associated with the department's preparation, copying, and delivery of information requested by the facility.

(d) A statement of violations prepared by the department following a survey, inspection, investigation, or visit is confidential pending the outcome of the informal dispute resolution process. Information concerning the outcome of a survey, inspection, investigation, or visit may be posted on any website maintained by the department while the dispute is pending if the posting clearly notes each finding that is in dispute.

SUBCHAPTER D. MISCELLANEOUS PROVISIONS

Sec. 247.061. COORDINATION BETWEEN AGENCIES. (a) The department and the attorney general shall adopt by rule a memorandum of understanding that:

(1) defines each agency's responsibilities concerning assisted living facilities;

(2) outlines and coordinates procedures to be used by those agencies in responding to complaints concerning assisted living facilities; and

(3) provides a plan for correcting violations or deficiencies in assisted living facilities.

(b) The department shall prepare the initial draft of the memorandum of understanding and shall facilitate and ensure its adoption.
Sec. 247.062. DIRECTORY OF ASSISTED LIVING FACILITIES; CONSUMERS' GUIDE. (a) The department shall prepare a directory of assisted living facilities that includes the name of the owner, the address and telephone number of the facility, the number of beds in the facility, and the facility's accessibility to disabled persons.

(b) The department shall revise the directory annually and shall make it available to the public.

(c) The department shall prepare a consumers' guide to assisted living facilities and make it available to the public. The consumers' guide shall provide information on licensing requirements for assisted living facilities, a brief description of minimum standards for facilities, a copy of the residents' bill of rights, a copy of the providers' bill of rights, and any other information that the department determines may be useful to the public.

Sec. 247.063. REFERRALS. (a) If the Texas Department of Mental Health and Mental Retardation or a local mental health or mental retardation authority refers a patient or client to an assisted living facility, the referral may not be made to a facility that is not licensed under this chapter.

(b) If the Texas Department of Mental Health and Mental Retardation or a local mental health or mental retardation authority gains knowledge of an assisted living facility that is not operated or licensed by the Texas Department of Mental Health and Mental Retardation, the authority, or the Texas Department of Human Services and that has four or more residents who are unrelated to the proprietor of the facility, the Texas Department of Mental Health and Mental Retardation or the authority shall report the name, address, and telephone number of the facility to the Texas Department of Human Services.

Services.

Sec. 247.0631. ACCESS. An employee of the Texas Department of Mental Health and Mental Retardation or an employee of a local mental health and mental retardation authority may enter an assisted living facility as necessary to provide services to a resident of the facility.

Added by Acts 1999, 76th Leg., ch. 233, Sec. 1, eff. Sept. 1, 1999.

Sec. 247.064. RESIDENTS' BILL OF RIGHTS. (a) Each assisted living facility shall post a residents' bill of rights in a prominent place in the facility.

(b) The residents' bill of rights must provide that each resident in the assisted living facility has the right to:

(1) manage the resident's financial affairs;
(2) determine the resident's dress, hair style, or other personal effects according to individual preference, except that the resident has the responsibility to maintain personal hygiene;
(3) retain and use personal property in the resident's immediate living quarters and to have an individual locked cabinet in which to keep personal property;
(4) receive and send unopened mail;
(5) unaccompanied access to a telephone at a reasonable hour or in case of an emergency or personal crisis;
(6) privacy;
(7) unrestricted communication, including personal visitation with any person of the resident's choice, at any reasonable hour, including family members and representatives of advocacy groups and community service organizations;
(8) make contacts with the community and to achieve the highest level of independence, autonomy, and interaction with the community of which the resident is capable;
(9) present grievances on behalf of the resident or others
to the operator, state agencies, or other persons without threat of reprisal in any manner;

(10) a safe and decent living environment and considerate and respectful care that recognizes the dignity and individuality of the resident;

(11) refuse to perform services for the facility, except as contracted for by the resident and operator;

(12) practice the religion of the resident's choice;

(13) leave the facility temporarily or permanently, subject to contractual or financial obligations; and

(14) not be deprived of any constitutional, civil, or legal right solely by reason of residence in an assisted living facility.

(c) The residents' bill of rights must be written in the primary language of each resident of the facility and must also provide the toll-free telephone number of the department for reporting abuse or neglect.

(d) The rights provided under this section do not take precedence over health and safety rights of other residents of the facility.

(e) The department shall develop a residents' bill of rights in accordance with this section and provide a copy to each facility. The copy shall be written in the primary language of each resident of the facility.

Sec. 247.065. PROVIDERS' BILL OF RIGHTS. (a) Each assisted living facility shall post a providers' bill of rights in a prominent place in the facility.

(b) The providers' bill of rights must provide that a provider of personal care services has the right to:

(1) be shown consideration and respect that recognizes the dignity and individuality of the provider and assisted living facility;

(2) terminate a resident's contract for just cause after a written 30-day notice;

(3) terminate a contract immediately, after notice to the
department, if the provider finds that a resident creates a serious
or immediate threat to the health, safety, or welfare of other
residents of the assisted living facility;

(4) present grievances, file complaints, or provide
information to state agencies or other persons without threat of
reprisal or retaliation;

(5) refuse to perform services for the resident or the
resident's family other than those contracted for by the resident and
the provider;

(6) contract with the community to achieve the highest
level of independence, autonomy, interaction, and services to
residents;

(7) access to patient information concerning a client
referred to the facility, which must remain confidential as provided
by law;

(8) refuse a person referred to the facility if the
referral is inappropriate;

(9) maintain an environment free of weapons and drugs; and

(10) be made aware of a resident's problems, including
self-abuse, violent behavior, alcoholism, or drug abuse.

Added by Acts 1991, 72nd Leg., ch. 637, art. 2, Sec. 1, eff. Sept. 1,
Leg., ch. 233, Sec. 1, eff. Sept. 1, 1999.

Sec. 247.066. APPROPRIATE PLACEMENT DETERMINATION. (a) The
department may not require the removal and relocation of a resident
of an assisted living facility if the resident's presence in the
facility does not endanger other residents and the resident can
receive adequate care at the facility through services:

(1) provided by the facility in accordance with its
license; or

(2) obtained by the resident from other providers.

(b) In assessing whether a resident can receive adequate care
at a facility, the department shall consider all relevant factors,
including the placement preference expressed by the resident with the
agreement of the facility operator, the resident's physician, and the
resident's family members or other representatives.

(b-1) If a facility identifies a resident who the facility
believes is inappropriately placed at the facility, the facility is not required to move the resident if the facility obtains the written statements and waiver prescribed by Subsection (c).

(c) If a resident is inappropriately placed at a facility, the facility is not required to move the resident if, not later than the 10th business day after the date that the facility determines or is informed of the department's determination that a resident is inappropriately placed at the facility, the facility:

(1) obtains a written assessment from a physician that the resident is appropriately placed;
(2) obtains a written statement:
   (A) from the resident that the resident wishes to remain in the facility; or
   (B) from a family member of the resident that the family member wishes for the resident to remain in the facility, if the resident lacks capacity to give a statement under this subsection;
(3) states in writing that the facility wishes for the resident to remain in the facility; and
(4) applies for and obtains a waiver from the department of all applicable requirements for evacuation that the facility does not meet with respect to the resident, if the facility does not meet all requirements for the evacuation of residents with respect to the resident.

(d) If the department determines that a resident is inappropriately placed at a facility and the facility either agrees with the determination or does not obtain the written statements and waiver prescribed by Subsection (c) that would allow the resident to remain in the facility, the facility shall discharge the resident. The resident is allowed 30 days after the date of discharge to move from the facility. A discharge required under this subsection must be made notwithstanding:

(1) any other law, including any law relating to the rights of residents and any obligations imposed under the Property Code; and
(2) the terms of any contract.

(d-1) If a facility is required to discharge the resident because the facility has not obtained the written statements prescribed by Subsection (c) or the department does not approve a waiver based on the written statements submitted, the department may:

(1) assess an administrative penalty against the facility
if the facility intentionally or repeatedly disregards department criteria for obtaining a waiver for inappropriate placement of a resident;

(2) seek an emergency suspension or closing order against the facility under Section 247.042 if the department determines there is a significant risk to the residents of the facility and an immediate threat to the health and safety of the residents; or

(3) seek other sanctions against the facility under Subchapter C in lieu of an emergency suspension or closing order if the department determines there is a significant risk to a resident of the facility and an immediate threat to the health and safety of a resident.

(d-2) The executive commissioner by rule shall develop criteria under which the department may determine when a facility has intentionally or repeatedly disregarded the waiver process.

(e) To facilitate obtaining the written statements required under Subsections (b-1) and (c)(1)-(3), the department shall develop standard forms that must be used under Subsections (b-1) or (c)(1)-(3), as appropriate. The department shall develop criteria under which the department will determine, based on a resident’s specific situation, whether it will grant or deny a request for a waiver under Subsection (b-1) or (c)(4).

(f) The department shall ensure that each facility and resident is aware of the waiver process described by Subsection (c) for aging in place. A facility must include with the facility disclosure statement required under Section 247.026(b)(4)(B) information regarding the policies and procedures for aging in place described by this section.

(g) The department, in cooperation with assisted living service providers, shall develop cost-effective training regarding aging in place, retaliation, and other issues determined by the department.

(h) The department shall require surveyors, facility supervisors, and other staff, as appropriate, to complete the training described by Subsection (g) annually.

Sec. 247.067. HEALTH CARE PROFESSIONALS. (a) In this section, "health care professional" means an individual licensed, certified, or otherwise authorized to administer health care, for profit or otherwise, in the ordinary course of business or professional practice. The term includes a physician, registered nurse, licensed vocational nurse, licensed dietitian, physical therapist, and occupational therapist.

(b) Unless otherwise prohibited by law, a health care professional may be employed by an assisted living facility to provide at the facility to the facility's residents services that are authorized by this chapter and that are within the professional's scope of practice. This subsection does not authorize a facility to provide ongoing services comparable to the services available in an institution licensed under Chapter 242. A health care professional providing services under this subsection shall maintain medical records of those services in accordance with the licensing, certification, or other regulatory standards applicable to the health care professional under law.

(c) A resident of an assisted living facility has the right to contract with a home and community support services agency licensed under Chapter 142 or with an independent health professional for health care services.

Added by Acts 1999, 76th Leg., ch. 233, Sec. 1, eff. Sept. 1, 1999. Amended by: Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.08(c), eff. September 28, 2011.

Sec. 247.068. RETALIATION PROHIBITED. (a) A person licensed under this chapter may not retaliate against a person for filing a complaint, presenting a grievance, or providing in good faith information relating to personal care services provided by the license holder.

(b) This section does not prohibit a license holder from terminating an employee for a reason other than retaliation.

(c) A department employee may not retaliate against an assisted
living facility, an employee of an assisted living facility, or a person in control of an assisted living facility for:

(1) complaining about the conduct of a department employee;
(2) disagreeing with a department employee about the existence of a violation of this chapter or a rule adopted under this chapter; or
(3) asserting a right under state or federal law.

Added by Acts 1999, 76th Leg., ch. 233, Sec. 1, eff. Sept. 1, 1999. Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 305 (H.B. 2109), Sec. 2, eff. June 17, 2011.

Sec. 247.069. CONSUMER CHOICE FOR ASSISTED LIVING IN COMMUNITY CARE PROGRAMS. The community based alternatives program and the residential care programs, which provide an assisted living option to consumers, shall provide a consumer the opportunity to choose an assisted living facility that meets the department's licensing standards relating to facility construction without regard to the number of units in the facility, if consumers are advised of all other community care options.

Added by Acts 2005, 79th Leg., Ch. 870 (S.B. 1055), Sec. 2, eff. September 1, 2005. Amended by:
Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 18, eff. September 1, 2007.

SUBCHAPTER E. ARBITRATION

Sec. 247.081. SCOPE OF SUBCHAPTER. This subchapter applies to any dispute between a facility licensed under this chapter and the department relating to:

(1) renewal of a license under Section 247.023;
(2) suspension, revocation, or denial of a license under Section 247.041;
(3) assessment of a civil penalty under Section 247.045; or
(4) assessment of an administrative penalty under Section 247.0451.
Sec. 247.082. ELECTION OF ARBITRATION. (a) Except as provided by Subsection (d), an affected facility may elect binding arbitration of any dispute to which this subchapter applies. Arbitration under this subchapter is an alternative to a contested case hearing or to a judicial proceeding relating to the assessment of a civil penalty.

(b) An affected facility may elect arbitration under this subchapter by filing the election with the court in which the lawsuit is pending and sending notice of the election to the department and the office of the attorney general. The election must be filed not later than the 10th day after the date on which the answer is due or the date on which the answer is filed, whichever is earlier. If a civil penalty is requested after the initial filing of a Section 242.094 action through the filing of an amended or supplemental pleading, an affected facility must elect arbitration not later than the 10th day after the date on which the amended or supplemental pleading is served on the affected facility or the facility's counsel.

(c) The department may elect arbitration under this subchapter by filing the election with the court in which the lawsuit is pending and by notifying the facility of the election not later than the date on which the facility may elect arbitration under Subsection (b).

(d) Arbitration may not be used to resolve a dispute related to an affected facility that has had an arbitration award levied against it in the previous five years.

(e) If arbitration is not permitted under this subchapter or the election of arbitration is not timely filed:

(1) the court shall dismiss the arbitration election and retain jurisdiction of the lawsuit; and

(2) the State Office of Administrative Hearings shall dismiss the arbitration and does not have jurisdiction over the lawsuit.

(f) An election to engage in arbitration under this subchapter is irrevocable and binding on the facility and the department.
Sec. 247.083. ARBITRATION PROCEDURES. (a) The arbitration shall be conducted by an arbitrator.
(b) The arbitration and the appointment of the arbitrator shall be conducted in accordance with rules adopted by the chief administrative law judge of the State Office of Administrative Hearings. Before adopting rules under this subsection, the chief administrative law judge shall consult with the department and shall consider appropriate rules developed by any nationally recognized association that performs arbitration services.
(c) The party that elects arbitration shall pay the cost of the arbitration. The total fees and expenses paid for an arbitrator for a day may not exceed $1,000.
(d) The State Office of Administrative Hearings may designate a nationally recognized association that performs arbitration services to conduct arbitrations under this subchapter and may, after consultation with the department, contract with that association for the arbitrations.
(e) On request by the department, the attorney general may represent the department in the arbitration.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.084. ARBITRATOR QUALIFICATIONS. Each arbitrator must be on an approved list of a nationally recognized association that performs arbitration services or be otherwise qualified as provided in the rules adopted under Section 247.083(b).

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.085. ARBITRATOR SELECTION. The arbitrator shall be appointed in accordance with the rules adopted under Section 247.083(b).

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.
Sec. 247.086. ARBITRATOR DUTIES. The arbitrator shall:
(1) protect the interests of the department and the facility;
(2) ensure that all relevant evidence has been disclosed to the arbitrator, department, and facility; and
(3) render an order consistent with this chapter and the rules adopted under this chapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.087. SCHEDULING OF ARBITRATION. (a) The arbitrator conducting the arbitration shall schedule arbitration to be held not later than the 90th day after the date the arbitrator is selected and shall notify the department and the facility of the scheduled date.

(b) The arbitrator may grant a continuance of the arbitration at the request of the department or facility. The arbitrator may not unreasonably deny a request for a continuance.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.088. EXCHANGE AND FILING OF INFORMATION. Not later than the seventh day before the first day of arbitration, the department and the facility shall exchange and file with the arbitrator:

(1) all documentary evidence not previously exchanged and filed that is relevant to the dispute; and

(2) information relating to a proposed resolution of the dispute.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.089. ATTENDANCE. (a) The arbitrator may proceed in the absence of any party or representative of a party who, after
notice of the proceeding, fails to be present or to obtain a postponement.

(b) An arbitrator may not make an order solely on the default of a party and shall require the party who is present to submit evidence, as required by the arbitrator, before making an award.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.090. TESTIMONY; RECORD. (a) The arbitrator may require witnesses to testify under oath and shall require testimony under oath if requested by the department or the facility.

(b) The department shall make an electronic recording of the proceeding.

(c) An official stenographic record of the proceeding is not required, but the department or the facility may make a stenographic record. The party that makes the stenographic record shall pay the expense of having the record made.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.091. EVIDENCE. (a) The department or the facility may offer evidence and shall produce additional evidence as the arbitrator considers necessary to understand and resolve the dispute.

(b) The arbitrator is the judge of the relevance and materiality of the evidence offered. Strict conformity to rules applicable to judicial proceedings is not required.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.092. CLOSING STATEMENTS; BRIEFS. The department and the facility may present closing statements, but the record does not remain open for written briefs unless required by the arbitrator.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.
Sec. 247.093. EX PARTE CONTACTS PROHIBITED. (a) Except as provided by Subsection (b), the department and the facility may not communicate with an arbitrator other than at an oral hearing unless the parties and the arbitrator agree otherwise.

(b) Any oral or written communication, other than a communication authorized under Subsection (a), from the parties to an arbitrator shall be directed to the association that is conducting the arbitration or, if there is no association conducting the arbitration, to the State Office of Administrative Hearings for transmittal to the arbitrator.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.094. ORDER. (a) The arbitrator may enter any order that may be entered by the department, board, commissioner, or court under this chapter in relation to a dispute described by Section 247.081.

(b) The arbitrator shall enter the order not later than the 60th day after the last day of the arbitration.

(c) The arbitrator shall base the order on the facts established at arbitration, including stipulations of the parties, and on the law as properly applied to those facts.

(d) The order must:
   (1) be in writing;
   (2) be signed and dated by the arbitrator; and
   (3) include a statement of the arbitrator's decision on the contested issues and the department's and facility's stipulations on uncontested issues.

(e) The arbitrator shall file a copy of the order with the department and shall notify the department and the facility in writing of the decision.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.095. EFFECT OF ORDER. An order of an arbitrator under
this subchapter is final and binding on all parties. Except as provided by Section 247.097, there is no right to appeal.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.096. CLERICAL ERROR. For the purpose of correcting a clerical error, an arbitrator retains jurisdiction of the award until the 20th day after the date of the award.

Added by Acts 2013, 83rd Leg., R.S., Ch. 218 (H.B. 33), Sec. 2, eff. September 1, 2013.

Sec. 247.097. COURT VACATING ORDER. (a) On a finding described by Subsection (b), a court shall:

(1) on application of a facility, vacate an arbitrator's order with respect to an arbitration conducted at the election of the department; or

(2) on application of the department, vacate an arbitrator's order with respect to an arbitration conducted at the election of a facility.

(b) A court shall vacate an arbitrator's order under Subsection (a) only on a finding that:

(1) the order was procured by corruption, fraud, or misrepresentation;

(2) the decision of the arbitrator was arbitrary or capricious and against the weight of the evidence; or

(3) the order exceeded the jurisdiction of the arbitrator under Section 247.094(a).

(c) If the order is vacated, the dispute shall be remanded to the department for another arbitration proceeding.

(d) A suit to vacate an arbitrator's order must be filed not later than the 30th day after:

(1) the date of the award; or

(2) the date the facility or department knew or should have known of a basis for suit under this section, but in no event later than the first anniversary of the date of the order.

(e) Venue for a suit to vacate an arbitrator's order is in the county in which the arbitration was conducted.
Sec. 247.098. ENFORCEMENT OF CERTAIN ARBITRATION ORDERS FOR CIVIL PENALTIES. (a) This section applies only to a suit for the assessment of a civil penalty under Section 247.045 in which binding arbitration has been elected under this subchapter as an alternative to the judicial proceeding.

(b) On application of a party to the suit, the district court in which the underlying suit has been filed shall enter a judgment in accordance with the arbitrator's order unless, within the time limit prescribed by Section 247.097(d)(2), a motion is made to the court to vacate the arbitrator's order in accordance with Section 247.097.

(c) A judgment filed under Subsection (b) is enforceable in the same manner as any other judgment of the court. The court may award costs for an application made under Subsection (b) and for any proceedings held after the application is made.

(d) Subsection (b) does not affect the right of a party, in accordance with Section 247.097 and within the time limit prescribed by Section 247.097(d)(2), if applicable, to make a motion to the court or initiate a proceeding in court as provided by law to vacate the arbitrator's order or to vacate a judgment of the court entered in accordance with the arbitrator's order.

Sec. 248.001. SHORT TITLE. This chapter may be cited as the Texas Special Care Facility Licensing Act.

Sec. 248.002. DEFINITIONS. In this chapter:
(1) "Board" means the Texas Board of Health.
(2) "Department" means the Texas Department of Health.
(3) "Medical care" means care that is:
(A) required for improving life span and quality of life, for comfort, for prevention and treatment of illness, and for maintenance of bodily and mental function;

(B) under the continued supervision of a physician; and

(C) provided by a registered nurse or licensed vocational nurse available to carry out a physician's plan of care for a resident.

(4) "Nursing care" means services provided by nursing personnel as prescribed by a physician, including services to:

(A) promote and maintain health;

(B) prevent illness and disability;

(C) manage health care during acute and chronic phases of illness;

(D) provide guidance and counseling of individuals and families; and

(E) provide referrals to physicians, other health care providers, and community resources when appropriate.

(5) "Person" means an individual, organization, establishment, or association of any kind.

(6) "Resident" means an individual accepted for care in a special care facility.

(7) "Services" means the provision of medical or nursing care, assistance, or treatment by special care facility personnel, volunteers, or other qualified individuals, agencies, or staff of an organization or other entity to meet a resident's medical, nursing, social, spiritual, and emotional needs.

(8) "Special care facility" means an institution or establishment that provides a continuum of nursing or medical care or services primarily to persons with acquired immune deficiency syndrome or other terminal illnesses. The term includes a special residential care facility.

(9) "Bereavement services" has the meaning assigned by Section 142.001.

(10) "Palliative care" has the meaning assigned by Section 142.001.

(11) "Support services" has the meaning assigned by Section 142.001.

(12) "Residential AIDS hospice" means a facility licensed and designated as a residential AIDS hospice under this chapter.
(13) "Residential AIDS hospice care" means hospice services provided in a residential AIDS hospice.
(14) "AIDS" means acquired immune deficiency syndrome.

Sec. 248.003. EXEMPTIONS. This chapter does not apply to:
(1) a home and community support services agency required to be licensed under Chapter 142;
(2) a person required to be licensed under Chapter 241 (Texas Hospital Licensing Law);
(3) an institution required to be licensed under Chapter 242;
(4) an ambulatory surgical center required to be licensed under Chapter 243 (Texas Ambulatory Surgical Center Licensing Act);
(5) a birthing center required to be licensed under Chapter 244 (Texas Birthing Center Licensing Act);
(6) a facility required to be licensed under Chapter 245 (Texas Abortion Facility Reporting and Licensing Act);
(7) a child care institution, foster group home, foster family home, and child-placing agency, for children in foster care or other residential care who are under the conservatorship of the Department of Protective and Regulatory Services; or
(8) a person providing medical or nursing care or services under a license or permit issued under other state law.

SUBCHAPTER B. LICENSING, FEES, AND INSPECTIONS

Sec. 248.021. LICENSE REQUIRED. A person may not establish or operate a special care facility unless the person holds a license issued under this chapter.

Sec. 248.022. APPLICATION. (a) An applicant for a license must submit an application to the department on a form prescribed by the department and in accordance with board rules.

(b) Each application must be accompanied by a nonrefundable license fee in an amount set by the board.

(c) The department may require that an application be approved by the local health authority or other local official for compliance with municipal ordinances on building construction, fire prevention, and sanitation.

Sec. 248.023. ISSUANCE AND RENEWAL OF LICENSE. (a) The department shall issue a license to an applicant if on inspection and investigation it finds that the applicant meets the requirements of this chapter and the rules adopted by the board.

(b) A license shall be renewed at the times and in accordance with the rules established by the board.

Sec. 248.024. FEES. (a) The board shall establish a license application fee in the amount of $25 for each facility bed or $200, whichever is greater, but the fees may not exceed $1,000.

(b) The board may establish other reasonable and necessary fees in amounts that are adequate, with the license application and license renewal fees, to collect sufficient revenue to meet the expenses necessary to administer this chapter. The fees may include construction plan review and inspection fees.

(c) All fees collected under this chapter are nonrefundable.

(d) All fees received by the department shall be deposited to the credit of the General Revenue Fund and may be appropriated only to the department to administer this chapter.

Sec. 248.025. NONTRANSFERABILITY; POSTING. (a) A license issued under this chapter is not transferable or assignable.
(b) A special care facility shall post in plain sight the license issued under this chapter.

Sec. 248.026. DUTIES OF BOARD. (a) The board shall adopt rules necessary to implement this chapter. The rules must establish minimum standards for special care facilities relating to:

(1) the issuance, renewal, denial, suspension, and revocation of the license required by this chapter;
(2) the qualifications, duties, and supervision of professional and nonprofessional personnel and volunteers;
(3) residents' rights;
(4) medical and nursing care and services provided by a license holder;
(5) the organizational structure, lines of authority, delegation of responsibility, and operation of a special care facility;
(6) records of care and services kept by the license holder, including the disposal or destruction of those records;
(7) safety, fire prevention, and sanitary provisions;
(8) transfer of residents in a medically appropriate manner from or to a special care facility;
(9) construction plan approval and inspection; and
(10) any aspects of a special care facility as necessary to protect the public or residents of the facility.

(b) Subsection (a) does not authorize the board to establish the qualifications of licensed health care providers or permit the board to authorize persons to provide health care services who are not authorized to provide those services under other state law.

Sec. 248.027. CONSTRUCTION STANDARDS. (a) If there are no local regulations in effect or enforced in the area in which a special care facility is located, the facility's construction must conform to the minimum standards established by the board.

(b) Construction of a facility is subject to construction plan approval by the department.
Sec. 248.028. INSPECTIONS; INVESTIGATIONS. (a) The department may inspect a special care facility and its records at reasonable times as necessary to ensure compliance with this chapter. (b) The department shall investigate each complaint received regarding a special care facility.

Sec. 248.029. RESIDENTIAL AIDS HOSPICE DESIGNATION. (a) The board by rule shall adopt standards for the designation of a special care facility licensed under this chapter as a residential AIDS hospice. Those standards shall be consistent with other standards adopted under this chapter and consistent with the purposes for which special care facilities are created. (b) In adopting the standards, the board shall consider rules adopted for the designation of a hospice under Chapter 142 and shall establish specific standards requiring: (1) the provision of exclusively palliative care by a facility; (2) the provision of bereavement services; (3) the provision of support services to the family of a client; (4) the participation of a registered nurse in the development of an initial plan of care for a client and periodic review of the plan of care by an interdisciplinary team of the facility; and (5) clinical and medical review of patient care services by a physician who acts as a medical consultant. (c) A special care facility licensed under this chapter that satisfies the standards adopted under this section shall be designated as a residential AIDS hospice. (d) Notwithstanding Chapter 142, a special care facility licensed and issued a designation as a residential AIDS hospice under this chapter may use the term "residential AIDS hospice" or a similar term or language in its title or in a description or representation of the facility if the similar term or language clearly identifies
the facility as a facility regulated under this chapter and clearly distinguishes the facility from a hospice regulated under Chapter 142.  

(e) A special care facility licensed under this chapter on July 1, 1994, on notice to the department that it is in compliance with the standards adopted for designation as a residential AIDS hospice, shall be issued that designation by the department, and that designation is valid until the date the license of the facility expires or is renewed.

Added by Acts 1993, 73rd Leg., ch. 800, Sec. 31, eff. Sept. 1, 1993.

SUBCHAPTER C. GENERAL ENFORCEMENT

Sec. 248.051. LICENSE DENIAL, SUSPENSION, PROBATION, OR REVOCATION. (a) The department may deny, revoke, or suspend a license issued under this chapter for a violation of this chapter or the rules adopted under this chapter.

(b) Except as provided by Section 248.052, the procedures by which the department denies, revokes, or suspends a license and by which those actions are appealed are governed by the department's rules for a contested case hearing and by Chapter 2001, Government Code.

(c) If the department finds that a special care facility is in repeated noncompliance with this chapter or rules adopted under this chapter but that the noncompliance does not endanger public health and safety, the department may schedule the facility for probation rather than suspending or revoking the facility's license. The department shall provide notice to the facility of the probation and of the items of noncompliance not later than the 10th day before the date the probation period begins. The department shall designate a period of not less than 30 days during which the facility will remain under probation. During the probation period, the facility must correct the items that were in noncompliance and report the corrections to the department for approval.

(d) The department may suspend or revoke the license of a special care facility that does not correct items that were in noncompliance or that does not comply with this chapter or the rules adopted under this chapter within the applicable probation period.

Sec. 248.052. EMERGENCY SUSPENSION. The department may issue an emergency order to suspend any license issued under this chapter if the department has reasonable cause to believe that the conduct of a license holder creates an immediate danger to the public health and safety. An emergency suspension is effective immediately without a hearing on notice to the license holder. On written request of the license holder, the department shall conduct a hearing not earlier than the 10th day or later than the 30th day after the date the hearing request is received to determine if the emergency suspension is to be continued, modified, or rescinded. The hearing and any appeal are governed by the department's rules for a contested case hearing and Chapter 2001, Government Code.

Sec. 248.053. INJUNCTION. (a) The department may request that the attorney general petition a district court to restrain a license holder or other person from continuing to violate this chapter or any rule adopted by the board under this chapter. Venue for a suit for injunctive relief is in Travis County.

(b) On application for injunctive relief and a finding that a license holder or other person has violated this chapter or board rules, the district court shall grant the injunctive relief that the facts warrant.

Sec. 248.054. CIVIL PENALTY. A license holder or person who violates this chapter or any rule adopted by the board under this chapter is liable for a civil penalty, to be imposed by a district court, of not more than $1,000 for each day of violation. All penalties collected under this section shall be deposited to the credit of the General Revenue Fund.
Sec. 248.0545. VIOLATION OF LAW RELATING TO ADVANCE DIRECTIVES. (a) The department shall assess an administrative penalty against a special care facility that violates Section 166.004. (b) A penalty assessed under this section shall be $500. (c) The penalty shall be assessed in accordance with department rules. The rules must provide for notice and an opportunity for a hearing.

Sec. 248.055. CRIMINAL PENALTY. (a) A person who knowingly establishes or operates a special care facility without a license issued under this chapter commits an offense. (b) An offense under this section is a Class B misdemeanor. (c) Each day of a continuing violation constitutes a separate offense.

SUBCHAPTER D. ADMINISTRATIVE PENALTY

Sec. 248.101. IMPOSITION OF PENALTY. (a) The department of health may impose an administrative penalty on a person licensed under this chapter who violates this chapter or a rule or order adopted under this chapter. (b) A penalty collected under this subchapter shall be deposited in the state treasury in the general revenue fund.

Sec. 248.102. AMOUNT OF PENALTY. (a) The amount of the penalty may not exceed $1,000 for each violation, and each day a violation continues or occurs is a separate violation for purposes of imposing a penalty. The total amount of the penalty assessed for a
violation continuing or occurring on separate days under this subsection may not exceed $5,000.

(b) The amount shall be based on:
   (1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
   (2) the threat to health or safety caused by the violation;
   (3) the history of previous violations;
   (4) the amount necessary to deter a future violation;
   (5) whether the violator demonstrated good faith, including when applicable whether the violator made good faith efforts to correct the violation; and
   (6) any other matter that justice may require.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.103. REPORT AND NOTICE OF VIOLATION AND PENALTY. (a) If the department initially determines that a violation occurred, the department shall give written notice of the report by certified mail to the person.

(b) The notice must:
   (1) include a brief summary of the alleged violation;
   (2) state the amount of the recommended penalty; and
   (3) inform the person of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.104. PENALTY TO BE PAID OR HEARING REQUESTED. (a) Within 20 days after the date the person receives the notice sent under Section 248.103, the person in writing may:
   (1) accept the determination and recommended penalty of the department; or
   (2) make a request for a hearing on the occurrence of the violation, the amount of the penalty, or both.

(b) If the person accepts the determination and recommended penalty or if the person fails to respond to the notice, the commissioner of public health by order shall approve the
determination and impose the recommended penalty.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.105. HEARING. (a) If the person requests a hearing, the commissioner of public health shall refer the matter to the State Office of Administrative Hearings, which shall promptly set a hearing date and give written notice of the time and place of the hearing to the person. An administrative law judge of the State Office of Administrative Hearings shall conduct the hearing.

(b) The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the commissioner of public health a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.106. DECISION BY COMMISSIONER. (a) Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner of public health by order may:

(1) find that a violation occurred and impose a penalty; or

(2) find that a violation did not occur.

(b) The notice of the commissioner's order under Subsection (a) that is sent to the person in accordance with Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.107. OPTIONS FOLLOWING DECISION: PAY OR APPEAL. Within 30 days after the date the order of the commissioner of public health under Section 248.106 that imposes an administrative penalty becomes final, the person shall:

(1) pay the penalty; or
file a petition for judicial review of the commissioner's order contesting the occurrence of the violation, the amount of the penalty, or both.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.108. STAY OF ENFORCEMENT OF PENALTY. (a) Within the 30-day period prescribed by Section 248.107, a person who files a petition for judicial review may:

(1) stay enforcement of the penalty by:
   (A) paying the penalty to the court for placement in an escrow account; or
   (B) giving the court a supersedeas bond approved by the court that:
      (i) is for the amount of the penalty; and
      (ii) is effective until all judicial review of the commissioner's order is final; or

(2) request the court to stay enforcement of the penalty by:
   (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the penalty and is financially unable to give the supersedeas bond; and
   (B) sending a copy of the affidavit to the commissioner of public health by certified mail.

(b) If the commissioner of public health receives a copy of an affidavit under Subsection (a)(2), the commissioner may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty or to give a supersedeas bond.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.109. COLLECTION OF PENALTY. (a) If the person does
not pay the penalty and the enforcement of the penalty is not stayed, the penalty may be collected.

(b) The attorney general may sue to collect the penalty.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.110. DECISION BY COURT. (a) If the court sustains the finding that a violation occurred, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty.

(b) If the court does not sustain the finding that a violation occurred, the court shall order that a penalty is not owed.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.111. REMITTANCE OF PENALTY AND INTEREST. (a) If the person paid the penalty and if the amount of the penalty is reduced or the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, that the appropriate amount plus accrued interest be remitted to the person within 30 days after the date that the judgment of the court becomes final.

(b) The interest accrues at the rate charged on loans to depository institutions by the New York Federal Reserve Bank.

(c) The interest shall be paid for the period beginning on the date the penalty is paid and ending on the date the penalty is remitted.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.112. RELEASE OF BOND. (a) If the person gave a supersedeas bond and the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, the release of the bond.

(b) If the person gave a supersedeas bond and the amount of the penalty is reduced, the court shall order the release of the bond.
after the person pays the reduced amount.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

Sec. 248.113. ADMINISTRATIVE PROCEDURE. A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 5.01, eff. Sept. 1, 1999.

CHAPTER 248A. PRESCRIBED PEDIATRIC EXTENDED CARE CENTERS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 248A.001. DEFINITIONS. In this chapter:

1. "Basic services" includes:
   (A) the development, implementation, and monitoring of a comprehensive protocol of care that:
      (i) is provided to a medically dependent or technologically dependent minor;
      (ii) is developed in conjunction with the minor's parent or legal guardian;
      (iii) specifies the medical, nursing, psychosocial, therapeutic, and developmental services required by the minor served; and
   (B) the caregiver training needs of the minor's parent or legal guardian.

2. "Center" means a prescribed pediatric extended care center.

4. "Commissioner" means the commissioner of aging and disability services.

5. "Controlling person" has the meaning assigned by Section 248A.0012.

6. "Department" means the Department of Aging and Disability Services.

7. "Executive commissioner" means the executive commissioner of the commission.
Medically dependent or technologically dependent minor" means a minor who because of an acute, chronic, or intermittent medically complex or fragile condition or disability requires ongoing, technology-based skilled nursing care prescribed by the minor's physician to avert death or further disability or the routine use of a medical device to compensate for a deficit in a life-sustaining body function. The term does not include minor or occasional medical conditions that do not require continuous nursing care, including asthma or diabetes, or a condition that requires an epinephrine injection.

"Minor" means an individual younger than 21 years of age.

"Prescribed pediatric extended care center" means a facility operated for profit or on a nonprofit basis that provides nonresidential basic services to four or more medically dependent or technologically dependent minors who require the services of the facility and who are not related by blood, marriage, or adoption to the owner or operator of the facility.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.0012. CONTROLLING PERSON. (a) A person is a controlling person if the person has the ability, acting alone or in concert with others, to directly or indirectly influence, direct, or cause the direction of the management of, expenditure of money for, or policies of a center or other person.

(b) For purposes of this chapter, "controlling person" includes:

(1) a management company, landlord, or other business entity that operates or contracts with another person for the operation of a center;

(2) any person who is a controlling person of a management company or other business entity that operates a center or that contracts with another person for the operation of a center; and

(3) any other person who, because of a personal, familial, or other relationship with the owner, manager, landlord, tenant, or provider of a center, is in a position of actual control of or authority with respect to the center, regardless of whether the
person is formally named as an owner, manager, director, officer, provider, consultant, contractor, or employee of the center.

(c) Notwithstanding any other provision of this section, for purposes of this chapter, a controlling person of a center or of a management company or other business entity described by Subsection (b)(1) that is a publicly traded corporation or is controlled by a publicly traded corporation means an officer or director of the corporation. The term does not include a shareholder or lender of the publicly traded corporation.

(d) A controlling person described by Subsection (b)(3) does not include a person, including an employee, lender, secured creditor, or landlord, who does not exercise any formal or actual influence or control over the operation of a center.

(e) The executive commissioner may adopt rules that define the ownership interests and other relationships that qualify a person as a controlling person under this section.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.002. EXEMPTIONS. This chapter does not apply to:

(1) a facility operated by the United States government or a federal agency; or

(2) a health facility otherwise licensed under this subtitle.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.003. CONFLICT WITH LOCAL LAWS. To the extent of any conflict between the standards adopted under this chapter and a standard required in a local, county, or municipal ordinance, this chapter controls.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

SUBCHAPTER B. LICENSING OF CENTERS
Sec. 248A.051. LICENSE REQUIRED; PREMISES RESTRICTION. (a) A person may not own or operate a prescribed pediatric extended care center in this state unless the person holds a license issued under this chapter.

(b) A separate license is required for each center located on separate premises, regardless of whether the centers are under the ownership or operation of the same person.

(c) A person may not operate a center on the same premises as:

(1) a child-care facility licensed under Chapter 42, Human Resources Code; or

(2) any other facility licensed by the department or the Department of State Health Services.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.052. APPLICATION; ISSUANCE. (a) An applicant for a prescribed pediatric extended care center license shall submit to the department in accordance with executive commissioner rules:

(1) a sworn application on the form prescribed by the department;

(2) a letter of credit as prescribed by the department to demonstrate the applicant's financial viability; and

(3) the required fees.

(b) The application must contain:

(1) the location of the premises of the center for which the license is sought;

(2) documentation, signed by the appropriate local government official, stating the location and use of the premises meet local zoning requirements;

(3) the name, address, and social security number of, and background and criminal history check information for:

(A) the applicant;

(B) the administrator responsible for daily operations of the center;

(C) the financial officer responsible for financial operations of the center; and

(D) each controlling person;

(4) the name, address, and federal employer identification
number or taxpayer identification number of the applicant and of each
controlling person, if the applicant or controlling person is not an
individual;

(5) the business name of the center;
(6) the maximum patient capacity requested for the center; and

(7) a sworn affidavit that the applicant has complied with
this chapter and rules adopted under this chapter.

(c) The department shall issue a license to a center under this
chapter if the department determines that the applicant and the
center meet the requirements of this chapter and the rules and
standards adopted under this chapter. The license must include:

(1) the license holder's name;
(2) the location of the premises of the center; and
(3) a statement indicating the center provides services to
minors for 12 hours or less in a 24-hour period and does not provide
24-hour care.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1,
eff. September 1, 2013.

Sec. 248A.053. LICENSE TERM; RENEWAL; NOTIFICATION. (a) A
license issued under this chapter expires on the second anniversary
of the date of issuance.

(b) A person applying to renew a center license shall:

(1) submit a renewal application to the department on the
form prescribed by the department at least 60 days but not more than
120 days before expiration of the license;
(2) submit the renewal fee in the amount required by the
department; and
(3) comply with any other requirements specified by
executive commissioner rule.

(c) The department shall assess a $50 per day late fee to a
license holder who submits a renewal application after the date
required by Subsection (b)(1), except that the total amount of a late
fee may not exceed the lesser of 50 percent of the license renewal
fee or $500.

(d) At least 120 days before expiration of a center license,
the department shall notify the owner or operator of the center of
the license expiration.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.054. LICENSE NOT TRANSFERABLE OR ASSIGNABLE. A license under this chapter is issued to the license holder named on the license at the location of the premises listed on the license and is not transferable or assignable.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

**SUBCHAPTER C. POWERS AND DUTIES OF EXECUTIVE COMMISSIONER, COMMISSION, AND DEPARTMENT**

Sec. 248A.101. ADOPTION OF RULES AND STANDARDS. (a) The executive commissioner shall adopt rules necessary to implement this chapter.

(b) To protect the health and safety of the public and ensure the health, safety, and comfort of the minors served by a center, the rules must establish minimum center standards, including:

1. standards relating to the issuance, renewal, denial, suspension, probation, and revocation of a license to operate a center;

2. standards relating to the provision of family-centered basic services that include individualized medical, developmental, and family training services;

3. based on the size of the building and the number of minors served, building construction and renovation standards, including standards for plumbing, electrical, glass, manufactured buildings, accessibility for the physically disabled, and fire protection;

4. based on the size of the building and the number of minors served, building maintenance conditions relating to plumbing, heating, lighting, ventilation, adequate space, fire protection, and other conditions;

5. standards relating to the minimum number of and qualifications required for personnel who provide personal care or basic services to the minors served;
(6) standards relating to the sanitary conditions within a center and its surroundings, including water supply, sewage disposal, food handling, and general hygiene;

(7) standards relating to the programs offered by the center to promote and maintain the health and development of the minors served and to meet the training needs of the minors' parents or legal guardians;

(8) standards relating to physician-prescribed supportive services;

(9) standards relating to transportation services; and

(10) standards relating to maintenance of patient medical records and program records in accordance with other law and with accepted professional standards and practices.

(c) The executive commissioner by rule shall authorize the commissioner to grant a waiver from compliance with standards adopted under Subsection (b)(3), (4), or (6) to a center located in a municipality that adopts a code to regulate any of those standards if the commissioner determines the applicable municipal code standards exceed the corresponding standards adopted under Subsection (b)(3), (4), or (6).

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.102. INSPECTIONS; CORRECTIVE ACTION PLAN. (a) The department may inspect a center, including its records, at reasonable times as necessary to ensure compliance with this chapter and the rules adopted under this chapter. The center shall provide the department with access to all center records.

(b) The department shall inspect a center before issuing or renewing a license under this chapter.

(c) The department may require a center that undergoes an inspection to:

(1) take appropriate corrective action necessary to comply with the requirements of this chapter and rules adopted under this chapter; and

(2) submit a corrective action plan to the department for approval.

(d) A center shall make available to any person on request a
copy of each inspection report pertaining to the center that has been issued by the department. Before making an inspection report available under this subsection, the center shall redact from the report any information that is confidential under other law.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.103. FEES. (a) The executive commissioner shall set fees imposed by this chapter in amounts reasonable and necessary to cover the cost of administering this chapter.

(b) A fee collected under this chapter shall be deposited in the state treasury to the credit of the general revenue fund and shall be appropriated to the department to administer and enforce this chapter.

(c) A fee collected under this chapter is nonrefundable.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.104. COMMISSION DUTIES. The commission shall designate a center licensed under this chapter as a health care services provider under the medical assistance program established under Chapter 32, Human Resources Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

SUBCHAPTER D. CENTER REGULATION

Sec. 248A.151. ADMISSION CRITERIA FOR MINOR CLIENT. (a) A center may not admit a minor client to the center unless:

1. the client is a medically dependent or technologically dependent minor;
2. the minor's prescribing physician issues a prescription ordering care at a center;
3. the minor's parent or legal guardian consents to the minor's admission to the center; and
4. the admission is voluntary based on the parent's or
legal guardian's preference in both managed care and non-managed care service delivery systems.

(b) An admission authorized under this section is not intended to supplant the right to a Medicaid private duty nursing benefit, when medically necessary.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.152. RESTRICTIONS ON HOURS, SERVICES, AND PATIENT CAPACITY. (a) A center may not provide services to a minor for more than 12 hours in any 24-hour period.

(b) A center may not provide services other than services regulated under this chapter and executive commissioner rule.

(c) The maximum patient capacity at a center may not exceed 60.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.153. LICENSE DISPLAY. Each center licensed under this chapter shall display the center's license in a conspicuous location readily visible to a person entering the center.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.154. MAINTENANCE OF RECORDS. Each center shall maintain at the center the medical and other records required by this chapter and by rules adopted under this chapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.155. COMPLAINTS. A person may file a complaint with the department against a center licensed or required to be licensed under this chapter. The department shall investigate the complaint in accordance with the complaint procedures established under Chapter...
Sec. 248A.156. COMPLIANCE WITH OTHER LAW. (a) A center shall comply with Chapter 260A and rules adopted under that chapter.
(b) An owner, center employee, or other person subject to Chapter 260A shall comply with that chapter and rules adopted under that chapter.

Sec. 248A.157. CLOSING OF CENTER. At least 30 days before the date a center voluntarily discontinues operation, the owner or operator of the center shall inform the parent or legal guardian of each minor client to whom the center is providing services of:
(1) the discontinuance; and
(2) the proposed time of the discontinuance.

SUBCHAPTER E. GENERAL ENFORCEMENT
Sec. 248A.201. DENIAL, SUSPENSION, OR REVOCATION OF LICENSE.
(a) The department may deny, suspend, or revoke a license issued under this chapter for:
(1) a violation of this chapter or a rule or standard adopted under this chapter;
(2) an intentional or negligent act by the center or an employee of the center that the department determines significantly affects the health or safety of a minor served by the center;
(3) use of drugs or intoxicating liquors to an extent that affects the license holder's or applicant's professional competence;
(4) a felony conviction, including a finding or verdict of guilty, an admission of guilt, or a plea of nolo contendere, in this state or in any other state of any person required to undergo a

Statute text rendered on: 3/14/2015 - 1406 -
background and criminal history check under this chapter;
   (5) fraudulent acts, including acts relating to Medicaid fraud and obtaining or attempting to obtain a license by fraud or deception; or
   (6) a license revocation, suspension, or other disciplinary action taken against the license holder or any person listed in the application in another state.

(b) Except as provided by Section 248A.203, the procedures by which the department denies, suspends, or revokes a license and by which those actions are appealed are governed by the procedures for a contested case hearing under Chapter 2001, Government Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.202. PROBATION. (a) If the department finds that a center is in repeated noncompliance with this chapter, rules adopted under this chapter, or a corrective action plan, but that the noncompliance does not endanger a minor served by the center or the public health and safety, the department may schedule the center for probation rather than suspending or revoking the center's license.

(b) The department shall provide notice to the center of the probation and of the items of noncompliance not later than the 10th day before the date the probation period begins.

(c) The department shall designate a period of not less than 30 days during which the center will remain under probation. During the probation period, the center must correct the items that were in noncompliance and report the corrections to the department for approval.

(d) The department may suspend or revoke the license of a center that does not correct items that were in noncompliance or does not comply with this chapter or the rules adopted under this chapter within the applicable probation period.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.203. EMERGENCY SUSPENSION. (a) The department may issue an emergency order to suspend a license issued under this
chapter if the department has reasonable cause to believe that the conduct of a license holder creates an immediate danger to a minor served by the center or the public health and safety. An emergency suspension is effective immediately without a hearing on notice to the license holder.

(b) On written request of the license holder, the department shall conduct a hearing not earlier than the 10th day or later than the 30th day after the date the hearing request is received to determine if the emergency suspension is to be continued, modified, or rescinded.

(c) The hearing and any appeal are governed by the department's rules for a contested case hearing and by Chapter 2001, Government Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.204. INJUNCTION. (a) The department may petition a district court for a temporary restraining order to restrain a continuing violation of this chapter or a rule or standard adopted under this chapter if the department finds that the violation creates an immediate threat to the health and safety of the minors served by a center.

(b) A district court, on petition of the department and on a finding by the court that a person is violating this chapter or the rules adopted under this chapter, may by injunction:

(1) prohibit the person from continuing the violation;
(2) restrain or prevent the establishment or operation of a center without a license issued under this chapter; or
(3) grant any other injunctive relief warranted by the facts.

(c) The attorney general may institute and conduct a suit authorized by this section at the request of the department. The attorney general and the department may recover reasonable expenses incurred in obtaining relief under this section, including court costs, reasonable attorney's fees, investigation costs, witness fees, and deposition expenses.

(d) Venue for a suit brought under this section is in the county in which the center is located or in Travis County.
Sec. 248A.205. CIVIL PENALTY. (a) A person who violates this chapter or a rule or standard adopted under this chapter or who fails to comply with a corrective action plan submitted under this chapter is liable for a civil penalty of not more than $500 for each violation if the department determines the violation threatens the health and safety of a minor served by the center.

(b) Each day a violation continues constitutes a separate violation for the purposes of this section.

(c) The attorney general may sue to collect the penalty. The attorney general and the department may recover reasonable expenses incurred in obtaining relief under this section, including court costs, reasonable attorney's fees, investigation costs, witness fees, and deposition expenses.

(d) All penalties collected under this section shall be deposited in the state treasury in the general revenue fund.

Sec. 248A.206. CRIMINAL PENALTY. (a) A person commits an offense if the person knowingly establishes or operates a center without the appropriate license issued under this chapter.

(b) An offense under this section is a Class B misdemeanor.

(c) Each day a violation continues constitutes a separate offense.

Sec. 248A.251. IMPOSITION OF PENALTY. The commissioner may impose an administrative penalty on a person licensed under this chapter who violates this chapter or a rule or standard adopted or order issued under this chapter.
Sec. 248A.252. AMOUNT OF PENALTY. (a) The amount of the penalty may not exceed $500 for each violation, and each day a violation continues or occurs is a separate violation for purposes of imposing a penalty.

(b) The amount shall be based on:
(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
(2) the threat to health or safety caused by the violation;
(3) any previous violations;
(4) the amount necessary to deter a future violation;
(5) the efforts made by the violator to correct the violation; and
(6) any other matter that justice may require.

Sec. 248A.253. REPORT AND NOTICE OF VIOLATION AND PENALTY. (a) If the department initially determines that a violation occurred, the department shall give written notice of the report to the person.

(b) The notice must:
(1) include a brief summary of the alleged violation;
(2) state the amount of the recommended penalty; and
(3) inform the person of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

Sec. 248A.254. PENALTY TO BE PAID OR HEARING REQUESTED. (a) Not later than the 20th day after the date the person receives the notice sent under Section 248A.253, the person in writing may:
(1) accept the determination and recommended penalty of the department; or
(2) make a request for a hearing on the occurrence of the
violation, the amount of the penalty, or both.

(b) If the person accepts the determination and recommended penalty or if the person fails to respond to the notice, the commissioner by order shall approve the determination and impose the recommended penalty.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.255. HEARING. (a) If the person requests a hearing, the commissioner shall refer the matter to the State Office of Administrative Hearings, which shall promptly set a hearing date and give written notice of the time and place of the hearing to the person. An administrative law judge of the State Office of Administrative Hearings shall conduct the hearing.

(b) The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the commissioner a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.256. DECISION BY COMMISSIONER. (a) Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner by order may:

(1) find that a violation occurred and impose a penalty; or
(2) find that a violation did not occur.

(b) The notice of the commissioner's order under Subsection (a) that is sent to the person in accordance with Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.257. OPTIONS FOLLOWING DECISION: PAY OR APPEAL. Not later than the 30th day after the date the order of the commissioner
imposing an administrative penalty under Section 248A.256 becomes final, the person shall:

(1) pay the penalty; or
(2) file a petition for judicial review of the commissioner's order contesting the occurrence of the violation, the amount of the penalty, or both.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.258. STAY OF ENFORCEMENT OF PENALTY. (a) Within the period prescribed by Section 248A.257, a person who files a petition for judicial review may:

(1) stay enforcement of the penalty by:
   (A) paying the penalty to the court for placement in an escrow account in the court registry; or
   (B) giving the court a supersedeas bond approved by the court that:
      (i) is for the amount of the penalty; and
      (ii) is effective until all judicial review of the commissioner's order is final; or
(2) request the court to stay enforcement of the penalty by:
   (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the penalty and is financially unable to give the supersedeas bond; and
   (B) sending a copy of the affidavit to the commissioner by certified mail.

(b) If the commissioner receives a copy of an affidavit under Subsection (a)(2), the commissioner may file with the court, not later than the fifth day after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty and to give a supersedeas bond.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.
Sec. 248A.259. COLLECTION OF PENALTY. (a) If the person does not pay the penalty and the enforcement of the penalty is not stayed, the penalty may be collected.

(b) The attorney general may sue to collect the penalty and may recover reasonable expenses, including attorney's fees, incurred in recovering the penalty.

(c) A penalty collected under this subchapter shall be deposited in the state treasury in the general revenue fund.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.260. DECISION BY COURT. (a) If the court sustains the finding that a violation occurred, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty.

(b) If the court does not sustain the finding that a violation occurred, the court shall order that a penalty is not owed.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.261. REMITTANCE OF PENALTY AND INTEREST. (a) If the person paid the penalty and if the amount of the penalty is reduced or the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, that the appropriate amount plus accrued interest be remitted to the person not later than the 30th day after the date the judgment of the court becomes final.

(b) The interest accrues at the rate charged on loans to depository institutions by the New York Federal Reserve Bank.

(c) The interest shall be paid for the period beginning on the date the penalty is paid and ending on the date the penalty is remitted.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.
Sec. 248A.262. RELEASE OF BOND. (a) If the person gave a supersedeas bond and the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, the release of the bond.

(b) If the person gave a supersedeas bond and the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the reduced amount.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

Sec. 248A.263. ADMINISTRATIVE PROCEDURE. A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 1, eff. September 1, 2013.

CHAPTER 250. NURSE AIDE REGISTRY AND CRIMINAL HISTORY CHECKS OF EMPLOYEES AND APPLICANTS FOR EMPLOYMENT IN CERTAIN FACILITIES SERVING THE ELDERLY, PERSONS WITH DISABILITIES, OR PERSONS WITH TERMINAL ILLNESSES

Sec. 250.001. DEFINITIONS. In this chapter:

(1) "Nurse aide registry" means a list maintained by the Department of Aging and Disability Services of nurse aides under the Omnibus Budget Reconciliation Act of 1987 (Pub. L. No. 100-203).

(1-a) "Consumer" means a resident of or an individual receiving services from a facility covered by this chapter.

(1-b) "Consumer-directed service option" has the meaning assigned by Section 531.051, Government Code.

(2) "Direct contact with a consumer" means any contact with a consumer.

(3) "Facility" means:

(A) a nursing home, custodial care home, or other institution licensed by the Department of Aging and Disability Services under Chapter 242;

(B) an assisted living facility licensed by the Department of Aging and Disability Services under Chapter 247;

(C) a home and community support services agency
licensed under Chapter 142;

(D) an adult day care facility licensed by the Department of Aging and Disability Services under Chapter 103, Human Resources Code;

(E) a facility for persons with mental retardation licensed under Chapter 252;

(F) an adult foster care provider that contracts with the Department of Aging and Disability Services;

(G) a facility that provides mental health services and that is operated by or contracts with the Department of State Health Services;

(H) a local mental health or mental retardation authority designated under Section 533.035;

(I) a person exempt from licensing under Section 142.003(a)(19);

(J) a special care facility licensed by the Department of State Health Services under Chapter 248; or

Text of paragraph as added by Acts 2013, 83rd Leg., R.S., Ch. 605, Sec. 1

(K) a mental health service unit of a hospital licensed under Chapter 241

Text of paragraph as added by Acts 2013, 83rd Leg., R.S., Ch. 1168, Sec. 3

(K) a prescribed pediatric extended care center licensed by the Department of Aging and Disability Services under Chapter 248A.

(3-a) "Financial management services agency" means an entity that contracts with the Department of Aging and Disability Services to serve as a fiscal and employer agent for an individual employer in the consumer-directed service option described by Section 531.051, Government Code.

(3-b) "Individual employer" means an individual or legally authorized representative who participates in the consumer-directed service option and is responsible for hiring service providers to deliver program services.

(4) "Private agency" means a person engaged in the business of obtaining criminal history checks on behalf of a facility.

(5) "Regulatory agency" means a state agency referred to in Subdivision (3).
Sec. 250.002. INFORMATION OBTAINED BY FACILITY, REGULATORY AGENCY, OR PRIVATE AGENCY. 
(a) A regulatory agency or a financial management services agency on behalf of an individual employer is entitled to obtain from the Department of Public Safety of the State of Texas criminal history record information maintained by the Department of Public Safety that relates to a person who is:

(1) an applicant for employment at a facility other than a facility licensed under Chapter 142;

(2) an employee of a facility other than a facility licensed under Chapter 142;

(3) an applicant for employment at or an employee of a facility licensed under Chapter 142 whose employment duties would or do involve direct contact with a consumer in the facility; or

(4) an applicant for employment by or an employee of an individual employer.

(a-1) A facility or a private agency on behalf of a facility is entitled to obtain from the Department of Public Safety of the State of Texas criminal history record information maintained by the Department of Public Safety that relates to a person who is:

(1) an applicant for employment with, an employee of, or a
volunteer with the facility;
(2) an applicant for employment with or an employee of a person or business that contracts with the facility;
(3) an applicant for employment by or an employee of an individual employer; or
(4) a student enrolled in an educational program or course of study who is at the facility for educational purposes.

(b) A facility may:
(1) pay a private agency to obtain criminal history record information for a person described by Subsection (a-1) directly from the Department of Public Safety of the State of Texas; or
(2) obtain the information directly from the Department of Public Safety.

(c) The private agency shall forward criminal history record information received under this section to the facility requesting the information.

(c-1) A financial management services agency shall forward criminal history record information received under this section to the individual employer requesting the information.

(d) A regulatory agency may adopt rules relating to the processing of information requested or obtained under this chapter.

Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 3.02, eff. September 1, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 980 (H.B. 1720), Sec. 20, eff. September 1, 2011.
Acts 2013, 83rd Leg., R.S., Ch. 266 (H.B. 729), Sec. 3, eff. June 14, 2013.

Sec. 250.003. VERIFICATION OF EMPLOYABILITY; ANNUAL SEARCH; DISCHARGE. (a) A facility or individual employer may not employ an applicant:
(1) if the facility or individual employer determines, as a result of a criminal history check, that the applicant has been
convicted of an offense listed in this chapter that bars employment or that a conviction is a contraindication to employment with the facility or to direct contact with the individual using the consumer-directed service option;

(2) if the applicant is a nurse aide, until the facility or individual employer further verifies that the applicant is listed in the nurse aide registry; and

(3) until the facility or individual employer verifies that the applicant is not designated in the registry maintained under this chapter or in the employee misconduct registry maintained under Section 253.007 as having a finding entered into the registry concerning abuse, neglect, or mistreatment of an individual using the consumer-directed service option or a consumer, or misappropriation of the property of an individual using the consumer-directed service option or of a consumer.

(a-1) Except for an applicant for employment at or an employee of a facility licensed under Chapter 242 or 247, a person licensed under another law of this state is exempt from the requirements of this chapter.

(a-2) If a facility employs a person pending a criminal history check, the facility shall ensure that the person has no direct contact with a consumer until the facility obtains the person's criminal history record information and verifies the person's employability under Section 250.006.

(b) The facility may not employ an applicant covered by Subsection (a), except that in an emergency requiring immediate employment, a facility may hire on a temporary or interim basis a person not listed in the registry pending the results of a criminal conviction check, which must be requested:

(1) within 72 hours of employment; or

(2) if the facility is licensed under Chapter 242 or 247, within 24 hours of employment.

(c) A facility or individual employer shall immediately discharge any employee:

(1) who is designated in the nurse aide registry or the employee misconduct registry established under Chapter 253 as having committed an act of abuse, neglect, or mistreatment of an individual using the consumer-directed service option or a consumer, or misappropriation of the property of an individual using the consumer-directed service option or of a consumer; or
(2) whose criminal history check reveals conviction of a crime that bars employment or that the individual employer or the facility determines is a contraindication to employment as provided by this chapter.

(c-1) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 363, Sec. 11, eff. January 1, 2014.

(d) In addition to the initial verification of employability, a facility or an individual employer or financial management services agency on behalf of an individual employer shall:

(1) annually search the nurse aide registry maintained under this chapter and the employee misconduct registry maintained under Section 253.007 to determine whether any employee of the facility or of an individual employer is designated in either registry as having abused, neglected, or exploited a consumer or an individual using the consumer-directed service option; and

(2) maintain in the facility's or individual employer's books and records a copy of the results of the search conducted under Subdivision (1).

Amended by:
- Acts 2009, 81st Leg., R.S., Ch. 436 (H.B. 2191), Sec. 1, eff. September 1, 2009.
- Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 6, eff. June 19, 2009.
- Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 7, eff. June 19, 2009.
- Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(27), eff. September 1, 2011.
- Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 3.03, eff. September 1, 2011.
- Acts 2011, 82nd Leg., R.S., Ch. 980 (H.B. 1720), Sec. 21, eff. September 1, 2011.
- Acts 2013, 83rd Leg., R.S., Ch. 363 (H.B. 2683), Sec. 2, eff. January 1, 2014.
Sec. 250.0035. TRAINING REQUIREMENTS; CONTINUING EDUCATION. (a) To be listed on the nurse aide registry, an applicant must complete a training program approved by the Department of Aging and Disability Services that includes:

(1) not less than 100 hours of course work as specified by rule; and

(2) a competency evaluation on completion of the training program.

(b) A listing on the nurse aide registry expires on the second anniversary of the date of the listing.

(c) To renew a nurse aide's listing on the registry, the nurse aide must complete at least 24 hours of in-service education every two years, including training in geriatrics and, if applicable, in the care of patients with Alzheimer's disease.

(d) The executive commissioner of the Health and Human Services Commission shall adopt rules as necessary to implement this section.

Added by Acts 2011, 82nd Leg., R.S., Ch. 408 (S.B. 795), Sec. 1, eff. September 1, 2011.

Sec. 250.004. CRIMINAL HISTORY RECORD OF EMPLOYEES. (a) Identifying information of an employee in a covered facility or of an employee of an individual employer shall be submitted electronically, on disk, or on a typewritten form to the Department of Public Safety to obtain the person's criminal conviction record when the person applies for employment and at other times as the facility or individual employer may determine appropriate. In this subsection, "identifying information" includes:

(1) the complete name, race, and sex of the employee;

(2) any known identifying number of the employee, including social security number, driver's license number, or state identification number; and

(3) the employee's date of birth.

(b) If the Department of Public Safety reports that a person has a criminal conviction of any kind, the conviction shall be
reviewed by the facility, the financial management services agency, or the individual employer to determine if the conviction may bar the person from employment in a facility or by the individual employer under Section 250.006 or if the conviction may be a contraindication to employment.

Sec. 250.005. NOTICE AND OPPORTUNITY TO BE HEARD CONCERNING ACCURACY OF INFORMATION. (a) If a facility, financial management services agency, or individual employer believes that a conviction may bar a person from employment in a facility or by the individual employer under Section 250.006 or may be a contraindication to employment, the facility or individual employer shall notify the applicant or employee.

(b) The Department of Public Safety of the State of Texas shall give a person notified under Subsection (a) the opportunity to be heard concerning the accuracy of the criminal history record information and shall notify the facility or individual employer if inaccurate information is discovered.

Amended by:
   Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 3.04, eff. September 1, 2011.
   Acts 2011, 82nd Leg., R.S., Ch. 980 (H.B. 1720), Sec. 22, eff. September 1, 2011.
Sec. 250.006. CONVICTIONS BARRING EMPLOYMENT. (a) A person for whom the facility or the individual employer is entitled to obtain criminal history record information may not be employed in a facility or by an individual employer if the person has been convicted of an offense listed in this subsection:

(1) an offense under Chapter 19, Penal Code (criminal homicide);
(2) an offense under Chapter 20, Penal Code (kidnapping and unlawful restraint);
(3) an offense under Section 21.02, Penal Code (continuous sexual abuse of young child or children), or Section 21.11, Penal Code (indecency with a child);
(4) an offense under Section 22.011, Penal Code (sexual assault);
(5) an offense under Section 22.02, Penal Code (aggravated assault);
(6) an offense under Section 22.04, Penal Code (injury to a child, elderly individual, or disabled individual);
(7) an offense under Section 22.041, Penal Code (abandoning or endangering child);
(8) an offense under Section 22.08, Penal Code (aiding suicide);
(9) an offense under Section 25.031, Penal Code (agreement to abduct from custody);
(10) an offense under Section 25.08, Penal Code (sale or purchase of a child);
(11) an offense under Section 28.02, Penal Code (arson);
(12) an offense under Section 29.02, Penal Code (robbery);
(13) an offense under Section 29.03, Penal Code (aggravated robbery);
(14) an offense under Section 21.08, Penal Code (indecent exposure);
(15) an offense under Section 21.12, Penal Code (improper relationship between educator and student);
(16) an offense under Section 21.15, Penal Code (improper photography or visual recording);
(17) an offense under Section 22.05, Penal Code (deadly conduct);
(18) an offense under Section 22.021, Penal Code (aggravated sexual assault);
(19) an offense under Section 22.07, Penal Code (terroristic threat);
(20) an offense under Section 32.53, Penal Code (exploitation of a child, elderly individual, or disabled individual);
(21) an offense under Section 33.021, Penal Code (online solicitation of a minor);
(22) an offense under Section 34.02, Penal Code (money laundering);
(23) an offense under Section 35A.02, Penal Code (Medicaid fraud);
(24) an offense under Section 36.06, Penal Code (obstruction or retaliation);
(25) an offense under Section 42.09, Penal Code (cruelty to livestock animals), or under Section 42.092, Penal Code (cruelty to nonlivestock animals); or
(26) a conviction under the laws of another state, federal law, or the Uniform Code of Military Justice for an offense containing elements that are substantially similar to the elements of an offense listed by this subsection.

(b) A person may not be employed in a position the duties of which involve direct contact with a consumer in a facility or may not be employed by an individual employer before the fifth anniversary of the date the person is convicted of:
(1) an offense under Section 22.01, Penal Code (assault), that is punishable as a Class A misdemeanor or as a felony;
(2) an offense under Section 30.02, Penal Code (burglary);
(3) an offense under Chapter 31, Penal Code (theft), that is punishable as a felony;
(4) an offense under Section 32.45, Penal Code (misapplication of fiduciary property or property of a financial institution), that is punishable as a Class A misdemeanor or a felony;
(5) an offense under Section 32.46, Penal Code (securing execution of a document by deception), that is punishable as a Class A misdemeanor or a felony;
(6) an offense under Section 37.12, Penal Code (false identification as peace officer); or
(7) an offense under Section 42.01(a)(7), (8), or (9), Penal Code (disorderly conduct).

(c) In addition to the prohibitions on employment prescribed by Subsections (a) and (b), a person for whom a facility licensed under Chapter 242 or 247 is entitled to obtain criminal history record information may not be employed in a facility licensed under Chapter 242 or 247 if the person has been convicted:

(1) of an offense under Section 30.02, Penal Code (burglary); or

(2) under the laws of another state, federal law, or the Uniform Code of Military Justice for an offense containing elements that are substantially similar to the elements of an offense under Section 30.02, Penal Code.

(d) For purposes of this section, a person who is placed on deferred adjudication community supervision for an offense listed in this section, successfully completes the period of deferred adjudication community supervision, and receives a dismissal and discharge in accordance with Section 5(c), Article 42.12, Code of Criminal Procedure, is not considered convicted of the offense for which the person received deferred adjudication community supervision.

Acts 2013, 83rd Leg., R.S., Ch. 363 (H.B. 2683), Sec. 3, eff. January 1, 2014.

Sec. 250.007. RECORDS PRIVILEGED. (a) The criminal history records are for the exclusive use of the regulatory agency, the requesting facility, the private agency on behalf of the requesting facility, the financial management services agency on behalf of the individual employer, the individual employer, and the applicant or employee who is the subject of the records.

(b) All criminal records and reports and the information they contain that are received by the regulatory agency or private agency for the purpose of being forwarded to the requesting facility or received by the financial management services agency under this chapter are privileged information.

(c) The criminal records and reports and the information they contain may not be released or otherwise disclosed to any person or agency except on court order or with the written consent of the person being investigated.

Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 3.07, eff. September 1, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 980 (H.B. 1720), Sec. 25, eff. September 1, 2011.

Sec. 250.008. CRIMINAL PENALTY. (a) A person commits an offense if the person releases or otherwise discloses any information received under this chapter except as prescribed by Section 250.007(b) or (c).

(b) An offense under this section is a Class A misdemeanor.

Sec. 250.009. CIVIL LIABILITY. (a) A facility, an officer or employee of a facility, a financial management services agency, or an individual employer is not civilly liable for failure to comply with this chapter if the facility, financial management services agency, or individual employer makes a good faith effort to comply.

(b) A regulatory agency is not civilly liable to a person for criminal history record information forwarded to a requesting facility in accordance with this chapter.

CHAPTER 251. END STAGE RENAL DISEASE FACILITIES
SUBCHAPTER A. GENERAL PROVISIONS
Sec. 251.001. DEFINITIONS. In this chapter:
(1) "Board" means the Texas Board of Health.
(2) "Commissioner" means the commissioner of public health.
(3) "Department" means the Texas Department of Health.
(4) "Dialysis" means a process by which dissolved substances are removed from a patient's body by diffusion from one fluid compartment to another across a semipermeable membrane.
(5) "Dialysis technician" means an individual who is not a registered nurse or physician and who provides dialysis care under the supervision of a registered nurse or physician.
(6) "End stage renal disease" means that stage of renal impairment that appears irreversible and permanent and that requires a regular course of dialysis or kidney transplantation to maintain life.
(7) "End stage renal disease facility" means a facility that provides dialysis treatment or dialysis training to individuals with end stage renal disease.
(8) "Medical review board" means a medical review board
that:

(A) is appointed by a renal disease network organization which includes this state; and

(B) has a contract with the Health Care Financing Administration of the United States Department of Health and Human Services under Section 1881, Title XVIII, Social Security Act (42 U.S.C. Section 1395rr).

(9) "Physician" means an individual who is licensed to practice medicine under Subtitle B, Title 3, Occupations Code.

Sec. 251.002. FEES. (a) The board shall set fees imposed by this chapter in amounts reasonable and necessary to defray the cost of administering this chapter.

(b) In setting fees under this section, the board shall consider setting a range of license and renewal fees based on the number of dialysis stations at each end stage renal disease facility and the patient census.

(c) An end stage renal disease facility owned or operated by a state agency is not required to pay fees imposed under this chapter.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1995.

Sec. 251.003. ADOPTION OF RULES. The board shall adopt rules to implement this chapter, including requirements for the issuance, renewal, denial, suspension, and revocation of a license to operate an end stage renal disease facility.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1995.

**SUBCHAPTER B. LICENSING OF END STAGE RENAL DISEASE FACILITIES**

Sec. 251.011. LICENSE REQUIRED. Except as provided by Section 251.012, a person may not operate an end stage renal disease facility without a license issued under this chapter.
Sec. 251.012. EXEMPTIONS FROM LICENSING REQUIREMENT. The following facilities are not required to be licensed under this chapter:

(1) a home and community support services agency licensed under Chapter 142 with a home dialysis designation;

(2) a hospital licensed under Chapter 241 that provides dialysis only to individuals receiving:
   (A) inpatient services from the hospital; or
   (B) outpatient services due to a disaster declared by the governor or a federal disaster declared by the president of the United States occurring in this state or another state during the term of the disaster declaration;

(3) a hospital operated by or on behalf of the state as part of the managed health care provider network established under Chapter 501, Government Code, that provides dialysis only to individuals receiving:
   (A) inpatient services from the hospital; or
   (B) outpatient services while serving a term of confinement in a facility operated by or under contract with the Texas Department of Criminal Justice;

(4) an end stage renal disease facility operated by or on behalf of the state as part of the managed health care provider network established under Chapter 501, Government Code, that provides dialysis only to individuals receiving those services while serving a term of confinement in a facility operated by or under contract with the Texas Department of Criminal Justice; or

(5) the office of a physician unless the office is used primarily as an end stage renal disease facility.
Sec. 251.013. ISSUANCE AND RENEWAL OF LICENSE. (a) An applicant for a license under this chapter must submit an application to the department on a form prescribed by the board.
(b) Each application must be accompanied by a nonrefundable license fee.
(c) Each application must contain evidence that there is at least one qualified physician on the staff of the facility and that each dialysis technician on staff has completed the training program required by this chapter.
(d) The department may grant a temporary initial license to an applicant. The temporary initial license expires on the earlier of:
  (1) the date the department issues or denies the license; or
  (2) the date six months after the date the temporary initial license was issued.
(e) The department shall issue a license if, after inspection and investigation, it finds the applicant meets the requirements of this chapter and the standards adopted under this chapter.
(f) The license is renewable annually after submission of:
  (1) the renewal application and fee; and
  (2) an annual report on a form prescribed by the board.
(g) The annual report required under Subsection (f) must include information related to the quality of care at the end stage renal disease facility. The report must be in the form and documented by evidence as required by board rule.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1995.

Sec. 251.014. MINIMUM STANDARDS. (a) The rules adopted under Section 251.003 must contain minimum standards to protect the health and safety of a patient of an end stage renal disease facility, including standards for:
  (1) the qualifications and supervision of the professional staff, including physicians, and other personnel;
  (2) the equipment used by the facility is compatible with the health and safety of the patients;
(3) the sanitary and hygienic conditions in the facility;
(4) quality assurance for patient care;
(5) the provision and coordination of treatment and services by the facility;
(6) clinical records maintained by the facility;
(7) design and space requirements for the facility for safe access by patients and personnel and for ensuring patient privacy;
(8) indicators of the quality of care provided by the facility; and
(9) water treatment and reuse by the facility.

(b) The standards described in Subsection (a)(7) of this section shall apply only:
(1) to a facility which initiates the provision of end stage renal disease services on or after September 1, 1996; or
(2) to the area of a facility affected by design and space modifications or renovations completed after September 1, 1996.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1995.

Sec. 251.015. MEDICAL REVIEW BOARD. (a) A medical review board shall advise the board on minimum standards and rules to be adopted under this chapter.

(b) The medical review board shall review the information on quality of care provided in the annual report filed under Section 251.013(f) and other appropriate information provided to or compiled by the department with respect to an end stage renal disease facility. Based on the review, the medical review board may advise the department about the quality of care provided by a facility and recommend an appropriate corrective action plan under Section 251.061 or other enforcement proceedings against the facility.

(c) Information concerning quality of care provided to or compiled by the department or medical review board and a recommendation of the medical review board are confidential. The information or recommendation may not be made available for public inspection, is not subject to disclosure under Chapter 552, Government Code, and is not subject to discovery, subpoena, or other compulsory legal process.

(d) The department, in its discretion, may release to a facility information relating to that facility that is made
confidential under Subsection (c). Release of information to a facility under this subsection does not waive the confidentiality of that information or the privilege from compulsory legal process.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1995.

**SUBCHAPTER C. DIALYSIS TECHNICIANS**

Sec. 251.031. TRAINING REQUIRED. An individual may not act as a dialysis technician employed by or working in an end stage renal disease facility unless that individual is trained and competent under this subchapter.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1996.

Sec. 251.032. MINIMUM REQUIREMENTS; TRAINING. The rules adopted by the board under Section 251.003 shall establish:

1. minimum standards for the curricula and instructors used to train individuals to act as dialysis technicians;
2. minimum standards for the determination of the competency of individuals who have been trained as dialysis technicians;
3. minimum requirements for documentation that an individual has been trained and determined to be competent as a dialysis technician and the acceptance of that documentation by another end stage renal disease facility that may later employ the individual; and
4. the acts and practices that are allowed or prohibited for dialysis technicians.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1995.

**SUBCHAPTER D. INSPECTIONS**

Sec. 251.051. INSPECTIONS. (a) The department may conduct an inspection of an end stage renal disease facility to verify compliance with this chapter, rules adopted under this chapter, or a corrective action plan under Section 251.061.

(b) An inspection conducted under this section may be unannounced.
Sec. 251.052. DISCLOSURE OF UNANNOUNCED INSPECTION; CRIMINAL PENALTY. (a) A person commits an offense if the person intentionally, knowingly, or recklessly discloses to an unauthorized person the date or time of or any other fact about an unannounced inspection of an end stage renal disease facility before the inspection occurs.

(b) In this section, "unauthorized person" does not include:

(1) the department;
(2) the office of the attorney general; or
(3) any other person authorized by law to make an inspection or to accompany an inspector.

(c) An offense under this section is a Class B misdemeanor.

(d) A person convicted under this section is not eligible for state employment.

Subchapter E. Enforcement

Sec. 251.061. CORRECTIVE ACTION PLAN. (a) The department may use a corrective action plan as an alternative to enforcement action under this subchapter.

(b) Before taking enforcement action under this subchapter, the department shall consider whether the use of a corrective action plan under this section is appropriate. In determining whether to use a corrective action plan, the department shall consider whether:

(1) the end stage renal disease facility has violated this chapter or a rule adopted under this chapter and the violation has resulted in an adverse patient result;

(2) the facility has a previous history of lack of compliance with this chapter, rules adopted under this chapter, or a corrective action plan; or

(3) the facility fails to agree to a corrective action plan.

(c) The department may use a level one, level two, or level three corrective action plan, as determined by the department in accordance with this section, after inspection of the end stage renal disease facility.
(d) A level one corrective action plan is appropriate if the department finds that the end stage renal disease facility is not in compliance with this chapter or rules adopted under this chapter, but the circumstances are not serious or life-threatening. Under a level one corrective action plan, the department shall require the facility to develop and implement a corrective action plan approved by the department. The department or a monitor may supervise the implementation of the plan.

(e) A level two corrective action plan is appropriate if the department finds that the end stage renal disease facility is not in compliance with this chapter or rules adopted under this chapter and the circumstances are potentially serious or life-threatening or if the department finds that the facility failed to implement or comply with a level one corrective action plan. Under a level two corrective action plan, the department shall require the facility to develop and implement a corrective action plan approved by the department. The department or a monitor shall supervise the implementation of the plan. Supervision of the implementation of the plan may include on-site supervision, observation, and direction.

(f) A level three corrective action plan is appropriate if the department finds that the end stage renal disease facility is not in compliance with this chapter or rules adopted under this chapter and the circumstances are serious or life-threatening or if the department finds that the facility failed to comply with a level two corrective action plan or to cooperate with the department in connection with that plan. Under a level three corrective action plan, the department shall require the facility to develop and implement a corrective action plan approved by the department. In connection with requiring a level three corrective action plan, the department may seek the appointment of a temporary manager under Subchapter F.

(g) A corrective action plan is not confidential. Information contained in the plan may be excepted from required disclosure under Chapter 552, Government Code, in accordance with that chapter or other applicable law.

(h) The department shall select the monitor for a corrective action plan. The monitor shall be an individual or team of individuals and may include a professional with end stage renal disease experience or a member of the medical review board. The
monitor may not be or include individuals who are current or former employees of the facility that is the subject of the corrective action plan or of an affiliated facility. The purpose of the monitor is to observe, supervise, consult, and educate the facility and the employees of the facility under a corrective action plan. The facility shall pay the cost of the monitor.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1996.

Sec. 251.062. DENIAL, SUSPENSION, PROBATION, OR REVOCATION OF LICENSE. (a) The department may deny, suspend, or revoke a license issued under this chapter for a violation of this chapter or a rule adopted under this chapter.

(b) The denial, suspension, or revocation of a license by the department and the appeal from that action are governed by the procedures for a contested case hearing under Chapter 2001, Government Code.

(c) If the department finds that an end stage renal disease facility is in repeated noncompliance with this chapter or rules adopted under this chapter but that the noncompliance does not endanger public health and safety, the department may schedule the facility for probation rather than suspending or revoking the facility's license. The department shall provide notice to the facility of the probation and of the items of noncompliance not later than the 10th day before the date the probation period begins. The department shall designate a period of not less than 30 days during which the facility will remain under probation. During the probation period, the facility must correct the items that were in noncompliance and report the corrections to the department for approval.

(d) The department may suspend or revoke the license of an end stage renal disease facility that does not correct items that were in noncompliance or that does not comply with this chapter or the rules adopted under this chapter within the applicable probation period.

Sec. 251.0621. EMERGENCY SUSPENSION. The department may issue an emergency order to suspend a license issued under this chapter if the department has reasonable cause to believe that the conduct of a license holder creates an immediate danger to the public health and safety. An emergency suspension is effective immediately without a hearing on notice to the license holder. On written request of the license holder, the department shall conduct a hearing not earlier than the 10th day or later than the 30th day after the date the hearing request is received to determine if the emergency suspension is to be continued, modified, or rescinded. The hearing and any appeal are governed by the department's rules for a contested case hearing and Chapter 2001, Government Code.

Added by Acts 2003, 78th Leg., ch. 802, Sec. 13, eff. June 20, 2003.

Sec. 251.063. INJUNCTION. (a) The department may petition a district court for a temporary restraining order to restrain a continuing violation of this chapter or a rule adopted under this chapter if the department finds that the violation creates an immediate threat to the health and safety of patients of an end stage renal disease facility.

(b) A district court, on petition of the department and on a finding that a person is violating this chapter or a rule adopted under this chapter, may by injunction:

(1) prohibit a person from continuing the violation;
(2) restrain or prevent the operation of an end stage renal disease facility without a license issued under this chapter; or
(3) grant other injunctive relief warranted by the facts.

(c) The attorney general may institute and conduct a suit authorized by this section at the request of the department.

(d) Venue for a suit brought under this section is in the county in which the end stage renal disease facility is located or in Travis County.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1996.

Sec. 251.064. CRIMINAL PENALTY. (a) A person commits an offense if the person violates Section 251.011 or 251.031.

(b) An offense under this section is a Class C misdemeanor.
(c) Each day of a continuing violation constitutes a separate offense.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1996.

Sec. 251.065. CIVIL PENALTY. (a) A person who knowingly violates this chapter or who knowingly fails to comply with a rule adopted under this chapter is liable for a civil penalty of not more than $1,000 for each violation if the department finds that the violation threatens the health and safety of a patient of an end stage renal disease facility.

(b) Each day of a continuing violation constitutes a separate ground for recovery.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1996.

Sec. 251.066. ADMINISTRATIVE PENALTY. (a) The department may assess an administrative penalty against a person who violates this chapter or a rule adopted under this chapter.

(b) The penalty may not exceed $1,000 for each violation. Each day of a continuing violation constitutes a separate violation.

(c) In determining the amount of an administrative penalty assessed under this section, the department shall consider:

1. the seriousness of the violation;
2. the history of previous violations;
3. the amount necessary to deter future violations;
4. efforts made to correct the violation; and
5. any other matters that justice may require.

(d) All proceedings for the assessment of an administrative penalty under this chapter are subject to Chapter 2001, Government Code.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1996.

Sec. 251.067. REPORT RECOMMENDING ADMINISTRATIVE PENALTY. (a) If after investigation of a possible violation and the facts surrounding that possible violation the department determines that a violation has occurred, the department shall give written notice of
the violation to the person alleged to have committed the violation. The notice shall include:

(1) a brief summary of the alleged violation;
(2) a statement of the amount of the proposed penalty, based on the factors listed in Section 251.066(c); and
(3) a statement of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(b) Not later than the 20th day after the date the notice is received, the person notified may accept the determination of the department made under this section, including the recommended penalty, or make a written request for a hearing on that determination.

(c) If the person notified of the violation accepts the determination of the department, the commissioner or the commissioner's designee shall issue an order approving the determination and ordering that the person pay the recommended penalty.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1996.

Sec. 251.068. HEARING; ORDER. (a) If the person notified fails to respond in a timely manner to the notice under Section 251.067(b) or if the person requests a hearing, the commissioner or the commissioner's designee shall:

(1) set a hearing;
(2) give written notice of the hearing to the person; and
(3) designate a hearings examiner to conduct the hearing.

(b) The hearings examiner shall make findings of fact and conclusions of law and shall promptly issue to the commissioner a proposal for decision as to the occurrence of the violation and a recommendation as to the amount of the proposed penalty if a penalty is determined to be warranted.

(c) Based on the findings of fact and conclusions of law and the recommendations of the hearings examiner, the commissioner by order may find that a violation has occurred and may assess a penalty, or may find that no violation has occurred.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1996.
Sec. 251.069. NOTICE AND PAYMENT OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW; REFUND. (a) The commissioner or the commissioner's designee shall give notice of the commissioner's order under Section 251.068(c) to the person notified. The notice must include:

(1) separate statements of the findings of fact and conclusions of law;

(2) the amount of any penalty assessed; and

(3) a statement of the right of the person to judicial review of the commissioner's order.

(b) Not later than the 30th day after the date the decision is final as provided by Chapter 2001, Government Code, the person shall:

(1) pay the penalty in full;

(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or

(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(c) Within the 30-day period, a person who acts under Subsection (b)(3) may:

(1) stay enforcement of the penalty by:

(A) paying the amount of the penalty to the court for placement in an escrow account; or

(B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the board's order is final; or

(2) request the court to stay enforcement of the penalty by:

(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and

(B) giving a copy of the affidavit to the department by certified mail.

(d) If the department receives a copy of an affidavit under Subsection (c)(2), the department may file with the court, within
five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(e) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the department may refer the matter to the attorney general for collection of the amount of the penalty.

(f) Judicial review of the order of the board:
   (1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and
   (2) is under the substantial evidence rule.

(g) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(h) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1996.
Sec. 251.071. RECOVERY OF COSTS. (a) The department may assess reasonable expenses and costs against a person in an administrative hearing if, as a result of the hearing, the person's license is denied, suspended, or revoked or if administrative penalties are assessed against the person. The person shall pay expenses and costs assessed under this subsection not later than the 30th day after the date of a board order requiring the payment of expenses and costs is final. The department may refer the matter to the attorney general for collection of the expenses and costs.

(b) If the attorney general brings an action against a person under Section 251.063 or 251.065 or to enforce an administrative penalty assessed under Section 251.066, and an injunction is granted against the person or the person is found liable for a civil or administrative penalty, the attorney general may recover, on behalf of the attorney general and the department, reasonable expenses and costs.

(c) For purposes of this section, "reasonable expenses and costs" include expenses incurred by the department and the attorney general in the investigation, initiation, or prosecution of an action, including reasonable investigative costs, court costs, attorney's fees, witness fees, and deposition expenses.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1996.

SUBCHAPTER F. TEMPORARY MANAGER

Sec. 251.091. APPOINTMENT BY AGREEMENT. (a) A person holding a controlling interest in an end stage renal disease facility may, at any time, request the department to assume the management of the facility through the appointment of a temporary manager under this subchapter.

(b) After receiving the request, the department may enter into an agreement providing for the appointment of a temporary manager to manage the facility under conditions considered appropriate by both parties if the department considers the appointment desirable.

(c) An agreement under this section must:
specify all terms and conditions of the temporary manager's appointment and authority; and
(2) preserve all rights of the individuals served by the facility granted by law.

(d) The primary duty of the temporary manager is to ensure that adequate and safe services are provided to patients until temporary management ceases.

(e) The appointment terminates at the time specified by the agreement.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1995.

Sec. 251.092. INVOLUNTARY APPOINTMENT. (a) The department may request the attorney general to bring an action in the name and on behalf of the state for the appointment of a temporary manager to manage an end stage renal disease facility if:

(1) the facility is operating without a license;
(2) the department has denied, suspended, or revoked the facility's license but the facility continues to operate;
(3) license denial, suspension, or revocation proceedings against the facility are pending and the department determines that an imminent or reasonably foreseeable threat to the health and safety of a patient of the facility exists;
(4) the department determines that an emergency exists that presents an immediate threat to the health and safety of a patient of the facility;
(5) the facility is closing and arrangements for the care of patients by other licensed facilities have not been made before closure; or
(6) the department determines a level three corrective action plan under Section 251.061 that includes appointment of a temporary manager is necessary to address serious or life-threatening conditions at the facility.

(b) After a hearing, a court shall appoint a temporary manager to manage a facility if the court finds that the appointment of the manager is necessary.

(c) The court order shall address the duties and authority of the temporary manager, which may include management of the facility and the provision of dialysis services to facility patients until
specified circumstances occur, such as new ownership of the facility, compliance with this chapter and rules adopted under this chapter, or closure of the facility.

(d) If possible, the court shall appoint as temporary manager an individual whose background includes administration of end stage renal disease facilities or similar facilities.

(e) Venue for an action under this section is in Travis County.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1995.

Sec. 251.093. FEE; RELEASE OF FUNDS. (a) A temporary manager appointed under Section 251.092 is entitled to a reasonable fee as determined by the court. The fee shall be paid by the facility.

(b) The temporary manager may petition the court to order the release to the manager of any payment owed the manager for care and services provided to patients of the facility if the payment has been withheld.

(c) Withheld payments that may be released under Subsection (b) may include payments withheld by a governmental agency or other entity before or during the appointment of the temporary manager, including:

(1) Medicaid, Medicare, or insurance payments; or
(2) payments from another third party.

Added by Acts 1995, 74th Leg., ch. 608, Sec. 1, eff. Sept. 1, 1995.

CHAPTER 252. INTERMEDIATE CARE FACILITIES FOR THE MENTALLY RETARDED
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 252.001. PURPOSE. The purpose of this chapter is to promote the public health, safety, and welfare by providing for the development, establishment, and enforcement of standards for the provision of services to individuals residing in intermediate care facilities for the mentally retarded and the establishment, construction, maintenance, and operation of facilities providing this service that, in light of advancing knowledge, will promote quality in the delivery of services and treatment of residents.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.
Sec. 252.002. DEFINITIONS. In this chapter:

(1) "Board" means the Texas Board of Human Services.

(2) "Department" means the Texas Department of Human Services.

(3) "Designee" means a state agency or entity with which the department contracts to perform specific, identified duties related to the fulfillment of a responsibility prescribed by this chapter.

(4) "Facility" means a home or an establishment that:
   (A) furnishes food, shelter, and treatment or services to four or more persons unrelated to the owner;
   (B) is primarily for the diagnosis, treatment, or rehabilitation of persons with mental retardation or related conditions; and
   (C) provides in a protected setting continuous evaluation, planning, 24-hour supervision, coordination, and integration of health or rehabilitative services to help each resident function at the resident's greatest ability.

(5) "Governmental unit" means the state or a political subdivision of the state, including a county or municipality.

(6) "Person" means an individual, firm, partnership, corporation, association, or joint stock company and includes a legal successor of those entities.

(7) "Resident" means an individual, including a client, with mental retardation or a related condition who is residing in a facility licensed under this chapter.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.003. EXEMPTIONS. Except as otherwise provided by this chapter, this chapter does not apply to an establishment that:

(1) provides training, habilitation, rehabilitation, or education to individuals with mental retardation or a related condition;

(2) is operated under the jurisdiction of a state or federal agency, including the Department of Assistive and Rehabilitative Services, Department of Aging and Disability Services, Department of State Health Services, Health and Human Services Commission, Texas Department of Criminal Justice, and Department of
Veterans Affairs;

(3) is certified through inspection or evaluation as meeting the standards established by the state or federal agency; and

(4) is conducted by or for the adherents of a well-recognized church or religious denomination for the purpose of providing facilities for the care or treatment of the sick who depend exclusively on prayer or spiritual means for healing, without the use of any drug or material remedy, if the establishment complies with safety, sanitary, and quarantine laws and rules.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.094, eff. September 1, 2009.

Sec. 252.004. ALLOCATED FEDERAL MONEY. The department may accept and use any money allocated by the federal government to the department for administrative expenses.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.005. LANGUAGE REQUIREMENTS PROHIBITED. A facility may not prohibit a resident or employee from communicating in the person's native language with another resident or employee for the purpose of acquiring or providing care, training, or treatment.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.006. RIGHTS OF RESIDENTS. Each facility shall implement and enforce Chapter 102, Human Resources Code.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.007. PAPERWORK REDUCTION RULES. (a) The department and any designee of the department shall:

(1) adopt rules to reduce the amount of paperwork a facility must complete and retain; and
(2) attempt to reduce the amount of paperwork to the minimum amount required by state and federal law unless the reduction would jeopardize resident safety.

(b) The department, any designee of the department, and each facility shall work together to review rules and propose changes in paperwork requirements so that additional time is available for direct resident care.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.008. RULES GENERALLY. (a) The board shall adopt rules related to the administration and implementation of this chapter.

(b) The department and the Texas Department of Mental Health and Mental Retardation shall cooperate in developing proposed rules under this section. Before the board adopts a rule applicable to a facility, the board shall present the proposed rule to the commissioner of mental health and mental retardation for review of the effects of the proposed rule. Not later than the 31st day after the date the proposed rule is received, the commissioner of mental health and mental retardation shall provide the board a written statement of the effects of the proposed rule. The board shall consider the statement in adopting a rule under this section.

Sec. 252.0085. RESTRAINT AND SECLUSION. A person providing services to a resident of a facility licensed by the department under this chapter or operated by the department and exempt under Section 252.003 from the licensing requirements of this chapter shall comply with Chapter 322 and the rules adopted under that chapter.

Added by Acts 2005, 79th Leg., Ch. 698 (S.B. 325), Sec. 4, eff. September 1, 2005.

Sec. 252.009. CONSULTATION AND COORDINATION. (a) Whenever possible, the department shall:
(1) use the services of and consult with state and local agencies in carrying out the department's functions under this chapter; and

(2) use the facilities of the department or a designee of the department, particularly in establishing and maintaining standards relating to the humane treatment of residents.

(b) The department may cooperate with local public health officials of a municipality or county in carrying out this chapter and may delegate to those officials the power to make inspections and recommendations to the department under this chapter.

(c) The department may coordinate its personnel and facilities with a local agency of a municipality or county and may provide advice to the municipality or county if the municipality or county decides to supplement the state program with additional rules required to meet local conditions.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.010. CHANGE OF ADMINISTRATORS; FEE. A facility that hires a new administrator or other person designated as the chief management officer for the facility shall:

(1) notify the department in writing of the change not later than the 30th day after the date on which the change becomes effective; and

(2) pay a $20 administrative fee to the department.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.011. PROHIBITION OF REMUNERATION. (a) A facility may not receive monetary or other remuneration from a person or agency that furnishes services or materials to the facility or residents for a fee.

(b) The department may revoke the license of a facility that violates Subsection (a).

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

SUBCHAPTER B. LICENSING, FEES, AND INSPECTIONS
Sec. 252.031. LICENSE REQUIRED. A person or governmental unit, acting severally or jointly with any other person or governmental unit, may not establish, conduct, or maintain a facility in this state without a license issued under this chapter.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.0311. PERSON INELIGIBLE FOR LICENSE. (a) In this section, "controlling person" means a person who, acting alone or with others, has the ability to directly or indirectly influence, direct, or cause the direction of the management, expenditure of money, or policies of a facility or a person who operates a facility. The term includes:

(1) a management company or other business entity that operates or contracts with others for the operation of a facility;

(2) a person who is a controlling person of a management company or other business entity that operates a facility or that contracts with another person for the operation of a facility; and

(3) any other individual who, because of a personal, familial, or other relationship with the owner, manager, or provider of a facility, is in a position of actual control or authority with respect to the facility, without regard to whether the individual is formally named as an owner, manager, director, officer, provider, consultant, contractor, or employee of the facility.

(b) A controlling person described by Subsection (a)(3) does not include an employee, lender, secured creditor, or other person who does not exercise formal or actual influence or control over the operation of a facility.

(c) The executive commissioner of the Health and Human Services Commission may adopt rules that specify the ownership interests and other relationships that qualify a person as a controlling person.

(d) A person is not eligible for a license or to renew a license if the applicant, a controlling person with respect to the applicant, or an administrator or chief financial officer of the applicant has been convicted of an offense that would bar a person's employment at a facility in accordance with Chapter 250.

Added by Acts 2009, 81st Leg., R.S., Ch. 284 (S.B. 643), Sec. 10, eff. June 11, 2009.
Sec. 252.032. LICENSE APPLICATION. (a) An application for a license is made to the department on a form provided by the department and must be accompanied by the license fee adopted under Section 252.034.

(b) The application must contain information that the department requires. The department may require affirmative evidence of ability to comply with the standards and rules adopted under this chapter.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.033. ISSUANCE AND RENEWAL OF LICENSE. (a) After receiving the application, the department shall issue a license if, after inspection and investigation, it finds that the applicant and facility meet the requirements established under this chapter.

(b) The department may issue a license only for:

(1) the premises and persons or governmental unit named in the application; and

(2) the maximum number of beds specified in the application.

(c) A license may not be transferred or assigned.

(d) A license is renewable on the second anniversary of issuance or renewal of the license after:

(1) an inspection;

(2) filing and approval of a renewal report; and

(3) payment of the renewal fee.

(e) The renewal report required under Subsection (d)(2) must be filed in accordance with rules adopted by the department that specify the form of the report, the date it must be submitted, and the information it must contain.

(f) The department may not issue a license for new beds or an expansion of an existing facility under this chapter unless the addition of new beds or the expansion is included in the plan approved by the Health and Human Services Commission in accordance with Section 533.062.

(g) A license or renewal fee imposed under this chapter is an allowable cost for reimbursement under the state Medicaid program. An increase in the amount of a fee shall be reflected in reimbursement rates prospectively.
(h) The department by rule shall define specific, appropriate, and objective criteria on which it may deny an initial license application or license renewal or revoke a license.

Sec. 252.034. LICENSE FEES. (a) The board by rule may adopt a fee for a license issued under this chapter. The fee may not exceed $150 plus $5 for each unit of capacity or bed space for which the license is sought.

(b) The license fee must be paid with each application for an initial license or for a renewal or change of ownership of a license.

(c) A facility operated by the state is not required to pay a license fee.

(d) The board may adopt an additional fee for the approval of an increase in bed space.

(e) All license fees collected under this section shall be deposited in the state treasury to the credit of the department and may be appropriated to the department to administer and enforce this chapter.

(f) An applicant who submits an application for license renewal later than the 45th day before the expiration date of a current license is subject to a late fee in accordance with department rules.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 19, eff. September 1, 2007.

Sec. 252.035. DENIAL, SUSPENSION, OR REVOCATION OF LICENSE. (a) The department, after providing notice and opportunity for a hearing to the applicant or license holder, may deny, suspend, or revoke a license if the department finds that the applicant or license holder has substantially failed to comply with the requirements established under this chapter.

(b) The status of an applicant for a license or a license holder is preserved until final disposition of the contested matter, except as the court having jurisdiction of a judicial review of the
matter may order in the public interest for the welfare and safety of the residents.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.036. MINIMUM STANDARDS. The board may adopt, publish, and enforce minimum standards relating to:

(1) the construction or remodeling of a facility, including plumbing, heating, lighting, ventilation, and other housing conditions, to ensure the residents' health, safety, comfort, and protection from fire hazard;

(2) sanitary and related conditions in a facility and its surroundings, including water supply, sewage disposal, food handling, and general hygiene in order to ensure the residents' health, safety, and comfort;

(3) equipment essential to the residents' health and welfare;

(4) the reporting and investigation of injuries, incidents, and unusual accidents and the establishment of other policies and procedures necessary to ensure resident safety;

(5) behavior management, including use of seclusion and physical restraints;

(6) policies and procedures for the control of communicable diseases in employees and residents;

(7) the use and administration of medication in conformity with applicable law and rules for pharmacy services;

(8) specialized nutrition support such as delivery of enteral feedings and parenteral nutrients;

(9) requirements for in-service education of each employee who has any contact with residents;

(10) the regulation of the number and qualification of all personnel, including management and professional support personnel, responsible for any part of the care given to residents; and

(11) the quality of life and the provision of active treatment to residents.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.037. REASONABLE TIME TO COMPLY. The board by rule
shall give a facility that is in operation when a rule or standard is adopted under this chapter a reasonable time to comply with the rule or standard.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.0375. EARLY COMPLIANCE REVIEW. (a) The department by rule shall adopt a procedure under which a person proposing to construct or modify a facility may submit building plans to the department for review for compliance with the department's architectural requirements before beginning construction or modification. In adopting the procedure, the department shall set reasonable deadlines by which the department must complete review of submitted plans.

(b) The department shall, within 30 days, review plans submitted under this section for compliance with the department's architectural requirements and inform the person in writing of the results of the review. If the plans comply with the department's architectural requirements, the department may not subsequently change the architectural requirements applicable to the project unless:

(1) the change is required by federal law; or
(2) the person fails to complete the project within a reasonable time.

(c) The department may charge a reasonable fee for conducting a review under this section.

(d) A fee collected under this section shall be deposited in the general revenue fund and may be appropriated only to the department to conduct reviews under this section.

(e) The review procedure provided by this section does not include review of building plans for compliance with the Texas Accessibility Standards as administered and enforced.

Sec. 252.038. FIRE SAFETY REQUIREMENTS. (a) A facility shall comply with fire safety requirements established under this section.

(b) The board by rule shall adopt the fire safety standards applicable to the facility. The fire safety standards must be the
same as the fire safety standards established by an edition of the Life Safety Code of the National Fire Protection Association. If required by federal law or regulation, the edition selected may be different for facilities or portions of facilities operated or approved for construction at different times.

(c) A facility that is licensed under applicable law on September 1, 1997, must comply with the fire safety standards, including fire safety standards imposed by municipal ordinance, applicable to the facility on that date.

(d) The rules adopted under this section do not prevent a facility licensed under this chapter from voluntarily conforming to fire safety standards that are compatible with, equal to, or more stringent than those adopted by the board.

(e) Notwithstanding any other provision of this section, a municipality may enact additional and more stringent fire safety standards applicable to new construction begun on or after September 1, 1997.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.039. POSTING. Each facility shall prominently and conspicuously post for display in a public area of the facility that is readily available to residents, employees, and visitors:

(1) the license issued under this chapter;

(2) a sign prescribed by the department that specifies complaint procedures established under this chapter or rules adopted under this chapter and that specifies how complaints may be registered with the department;

(3) a notice in a form prescribed by the department stating that inspection and related reports are available at the facility for public inspection and providing the department's toll-free telephone number that may be used to obtain information concerning the facility;

(4) a concise summary of the most recent inspection report relating to the facility;

(5) a notice providing instructions for reporting an allegation of abuse, neglect, or exploitation to the Department of Family and Protective Services; and

(6) a notice that employees, other staff, residents,
volunteers, and family members and guardians of residents are protected from discrimination or retaliation as provided by Sections 252.132 and 252.133.

    Acts 2009, 81st Leg., R.S., Ch. 284 (S.B. 643), Sec. 11, eff. June 11, 2009.

Sec. 252.040. INSPECTIONS. (a) The department or the department's designee may make any inspection, survey, or investigation that it considers necessary and may enter the premises of a facility at reasonable times to make an inspection, survey, or investigation in accordance with board rules.

(b) The department is entitled to access to books, records, and other documents maintained by or on behalf of a facility to the extent necessary to enforce this chapter and the rules adopted under this chapter.

(c) A license holder or an applicant for a license is considered to have consented to entry and inspection of the facility by a representative of the department in accordance with this chapter.

(d) The department shall establish procedures to preserve all relevant evidence of conditions the department finds during an inspection, survey, or investigation that the department reasonably believes threaten the health and safety of a resident. The procedures may include photography or photocopying of relevant documents, such as license holder's notes, physician's orders, and pharmacy records, for use in any legal proceeding.

(e) When photographing a resident, the department:
    (1) shall respect the privacy of the resident to the greatest extent possible; and
    (2) may not make public the identity of the resident.

(f) A facility, an officer or employee of a facility, and a resident's attending physician are not civilly liable for surrendering confidential or private material under this section, including physician's orders, pharmacy records, notes and memoranda of a state office, and resident files.
(g) The department shall establish in clear and concise language a form to summarize each inspection report and complaint investigation report.

(h) The department shall establish proper procedures to ensure that copies of all forms and reports under this section are made available to consumers, service recipients, and the relatives of service recipients as the department considers proper.

(i) The department shall have specialized staff conduct inspections, surveys, or investigations of facilities under this section.

Sec. 252.041. UNANNOUNCED INSPECTIONS. (a) Each licensing period, the department shall conduct at least two unannounced inspections of each facility.

(b) In order to ensure continuous compliance, the department shall randomly select a sufficient percentage of facilities for unannounced inspections to be conducted between 5 p.m. and 8 a.m. Those inspections must be cursory to avoid to the greatest extent feasible any disruption of the residents.

(c) The department may require additional inspections.

(d) As considered appropriate and necessary by the department, the department may invite at least one person as a citizen advocate to participate in inspections. The invited advocate must be an individual who has an interest in or who is employed by or affiliated with an organization or entity that represents, advocates for, or serves individuals with mental retardation or a related condition.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.042. DISCLOSURE OF UNANNOUNCED INSPECTIONS; CRIMINAL PENALTY. (a) Except as expressly provided by this chapter, a person commits an offense if the person intentionally, knowingly, or recklessly discloses to an unauthorized person the date, time, or any other fact about an unannounced inspection of a facility before the inspection occurs.

(b) In this section, "unauthorized person" does not include:
(1) the department;
(2) the office of the attorney general;
(3) a representative of an agency or organization when a Medicaid survey is made concurrently with a licensing inspection; or
(4) any other person or entity authorized by law to make an inspection or to accompany an inspector.
(c) An offense under this section is a Class B misdemeanor.
(d) A person convicted under this section is not eligible for state employment.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.043. LICENSING SURVEYS. The department shall provide a team to conduct surveys to validate findings of licensing surveys. The purpose of a validation survey is to assure that survey teams throughout the state survey in a fair and consistent manner. A facility subjected to a validation survey must correct deficiencies cited by the validation team but is not subject to punitive action for those deficiencies.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.044. REPORTING VIOLATIONS. (a) The department or the department's representative conducting an inspection, survey, or investigation under this chapter shall:
(1) list each violation of a law or rule on a form designed by the department for inspections; and
(2) identify the specific law or rule the facility violates.
(b) At the conclusion of an inspection, survey, or investigation under this chapter, the department or the department's representative conducting the inspection, survey, or investigation shall discuss the violations with the facility's management in an exit conference. The department or the department's representative shall leave a written list of the violations with the facility and the person designated by the facility to receive notice under Section 252.066 at the time of the exit conference. If the department or the department's representative discovers any additional violations during the review of field notes or preparation of the official final
list, the department or the department's representative shall give the facility an additional exit conference regarding the additional violations. An additional exit conference must be held in person and may not be held by telephone, e-mail, or facsimile transmission.

(c) The facility shall submit a plan to correct the violations to the regional director not later than the 10th working day after the date the facility receives the final official statement of violations.

Added by Acts 1999, 76th Leg., ch. 534, Sec. 2, eff. Sept. 1, 1999. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 974 (S.B. 344), Sec. 6, eff. September 1, 2007.

Sec. 252.045. ADMISSIBILITY OF CERTAIN DOCUMENTS OR TESTIMONY. Sections 32.021(i) and (k), Human Resources Code, govern the admissibility in a civil action against a facility of:

1. a record of the department described by Section 32.021(i), Human Resources Code; or
2. the testimony of a department surveyor or investigator described by Section 32.021(k), Human Resources Code.

Added by Acts 2001, 77th Leg., ch. 1284, Sec. 3.03, eff. June 15, 2001.

SUBCHAPTER C. GENERAL ENFORCEMENT

Sec. 252.061. EMERGENCY SUSPENSION OR CLOSING ORDER. (a) The department shall suspend a facility's license or order an immediate closing of part of the facility if:

1. the department finds the facility is operating in violation of the standards prescribed by this chapter; and
2. the violation creates an immediate threat to the health and safety of a resident.

(b) The board by rule shall provide for the placement of residents during the facility's suspension or closing to ensure their health and safety.

(c) An order suspending a license or closing a part of a facility under this section is immediately effective on the date on which the license holder receives written notice or a later date
specified in the order.

(d) An order suspending a license or ordering an immediate closing of a part of a facility is valid for 10 days after the effective date of the order.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.062. INJUNCTION. (a) The department may petition a district court for a temporary restraining order to restrain a person from continuing a violation of the standards prescribed by this chapter if the department finds that the violation creates an immediate threat to the health and safety of the facility's residents.

(b) A district court, on petition of the department, may by injunction:

(1) prohibit a person from continuing a violation of the standards or licensing requirements prescribed by this chapter;
(2) restrain or prevent the establishment, conduct, management, or operation of a facility without a license issued under this chapter; or
(3) grant the injunctive relief warranted by the facts on a finding by the court that a person is violating the standards or licensing requirements prescribed by this chapter.

(c) The attorney general, on request by the department, shall bring and conduct on behalf of the state a suit authorized by this section.

(d) A suit for a temporary restraining order or other injunctive relief must be brought in Travis County or the county in which the alleged violation occurs.

Sec. 252.063. LICENSE REQUIREMENTS; CRIMINAL PENALTY. (a) A person commits an offense if the person violates Section 252.031.

(b) An offense under this section is punishable by a fine of not more than $1,000 for the first offense and not more than $500 for each subsequent offense.

(c) Each day of a continuing violation after conviction is a
Sec. 252.064. CIVIL PENALTY.  (a) A person who violates this chapter or a rule adopted under this chapter is liable for a civil penalty of not less than $100 or more than $10,000 for each violation if the department determines the violation threatens the health and safety of a resident.

(b) Each day of a continuing violation constitutes a separate ground for recovery.

(c) On request of the department, the attorney general may institute an action in a district court to collect a civil penalty under this section. Any amount collected shall be remitted to the comptroller for deposit to the credit of the general revenue fund.

Sec. 252.065. ADMINISTRATIVE PENALTY.  (a) The department may assess an administrative penalty against a person who:

(1) violates this chapter or a rule, standard, or order adopted or license issued under this chapter;

(2) makes a false statement, that the person knows or should know is false, of a material fact:

(A) on an application for issuance or renewal of a license or in an attachment to the application; or

(B) with respect to a matter under investigation by the department;

(3) refuses to allow a representative of the department to inspect:

(A) a book, record, or file required to be maintained by the institution; or

(B) any portion of the premises of an institution;

(4) wilfully interferes with the work of a representative of the department or the enforcement of this chapter;

(5) wilfully interferes with a representative of the department preserving evidence of a violation of this chapter or a rule, standard, or order adopted or license issued under this chapter.
chapter;

(6) fails to pay a penalty assessed by the department under this chapter not later than the 10th day after the date the assessment of the penalty becomes final;

(7) fails to submit a plan of correction within 10 days after receiving a statement of licensing violations; or

(8) fails to notify the department of a change in ownership before the effective date of that change of ownership.

(b) The penalty for a facility with fewer than 60 beds shall be not less than $100 or more than $1,000 for each violation. The penalty for a facility with 60 beds or more shall be not less than $100 or more than $5,000 for each violation. The total amount of the penalty assessed for a violation continuing or occurring on separate days under this subsection may not exceed $5,000 for a facility with fewer than 60 beds or $25,000 for a facility with 60 beds or more. Each day a violation occurs or continues is a separate violation for purposes of imposing a penalty.

(c) The department by rule shall specify each violation for which an administrative penalty may be assessed. In determining which violations warrant penalties, the department shall consider:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation and the hazard of the violation to the health or safety of clients; and

(2) whether the affected facility had identified the violation as a part of its internal quality assurance process and had made appropriate progress on correction.

(d) The department by rule shall establish a specific and detailed schedule of appropriate and graduated penalties for each violation based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation and the hazard of the violation to the health or safety of clients;

(2) the history of previous violations;

(3) whether the affected facility had identified the violation as a part of its internal quality assurance process and had made appropriate progress on correction;

(4) the amount necessary to deter future violations;

(5) efforts made to correct the violation;

(6) the size of the facility; and

(7) any other matters that justice may require.
(e) The department by rule shall provide the facility with a reasonable period of time, not less than 45 days, following the first day of a violation to correct the violation before assessing an administrative penalty if a plan of correction has been implemented. This subsection does not apply to a violation described by Subsections (a)(2)-(8) or to a violation that the department determines:
   (1) has resulted in serious harm to or the death of a resident;
   (2) constitutes a serious threat to the health or safety of a resident; or
   (3) substantially limits the institution's capacity to provide care.

(f) The department may not assess an administrative penalty for a minor violation if the person corrects the violation not later than the 46th day after the date the person receives notice of the violation.

(g) The department shall establish a system to ensure standard and consistent application of penalties regardless of the facility location.

(h) All proceedings for the assessment of an administrative penalty under this chapter are subject to Chapter 2001, Government Code.

(i) The department may not assess an administrative penalty against a state agency.

(j) Notwithstanding any other provision of this section, an administrative penalty ceases to be incurred on the date a violation is corrected. The administrative penalty ceases to be incurred only if the facility:
   (1) notifies the department in writing of the correction of the violation and of the date the violation was corrected; and
   (2) shows later that the violation was corrected.

(k) Rules adopted under this section shall include specific, appropriate, and objective criteria that describe the scope and severity of a violation that results in a recommendation for each specific penalty.

Sec. 252.0651. APPLICATION OF OTHER LAW. The department may not assess more than one monetary penalty under this chapter for a violation arising out of the same act or failure to act.

Added by Acts 1999, 76th Leg., ch. 534, Sec. 4, eff. Sept. 1, 1999.

Sec. 252.066. NOTICE; REQUEST FOR HEARING. (a) If, after investigation of a possible violation and the facts surrounding that possible violation, the department determines that a violation has occurred, the department shall give written notice of the violation to the person designated by the facility to receive notice. The notice shall include:

(1) a brief summary of the alleged violation;
(2) a statement of the amount of the proposed penalty based on the factors listed in Section 252.065(d); and
(3) a statement of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(b) Not later than the 20th day after the date on which the notice is received, the person notified may accept the determination of the department made under this section, including the proposed penalty, or may make a written request for a hearing on that determination.

(c) If the person notified under this section of the violation accepts the determination of the department or if the person fails to respond in a timely manner to the notice, the commissioner of human services or the commissioner's designee shall issue an order approving the determination and ordering that the person pay the proposed penalty.

Sec. 252.067. HEARING; ORDER. (a) If the person notified requests a hearing, the department shall:
(1) set a hearing;
(2) give written notice of the hearing to the person; and
(3) designate a hearings examiner to conduct the hearing.

(b) The hearings examiner shall make findings of fact and conclusions of law and shall promptly issue to the commissioner of human services or the commissioner's designee a proposal for decision as to the occurrence of the violation and a recommendation as to the amount of the proposed penalty if a penalty is determined to be warranted.

(c) Based on the findings of fact and conclusions of law and the recommendations of the hearings examiner, the commissioner of human services or the commissioner's designee by order may find that a violation has occurred and may assess a penalty or may find that no violation has occurred.

Added by Acts 1999, 76th Leg., ch. 534, Sec. 6, eff. Sept. 1, 1999.

Sec. 252.068. NOTICE AND PAYMENT OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW; REFUND. (a) The department shall give notice of the order under Section 252.067(c) to the person alleged to have committed the violation and the person designated by the facility to receive notice under Section 252.066. The notice must include:

(1) separate statements of the findings of fact and conclusions of law;
(2) the amount of any penalty assessed; and
(3) a statement of the right of the person to judicial review of the order.

(b) Not later than the 30th day after the date on which the decision becomes final as provided by Chapter 2001, Government Code, the person shall:

(1) pay the penalty; or
(2) file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(c) Within the 30-day period, a person who acts under Subsection (b)(2) may:

(1) stay enforcement of the penalty by:
   (A) paying the penalty to the court for placement in an escrow account; or
giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the order becomes final; or

(2) request the court to stay enforcement of the penalty by:

(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and

(B) giving a copy of the affidavit to the department by certified mail.

(d) If the department receives a copy of an affidavit under Subsection (c)(2), the department may file with the court, within 10 days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty and to give a supersedeas bond.

(e) If the person does not pay the penalty and the enforcement of the penalty is not stayed, the department may refer the matter to the attorney general for collection of the penalty.

(f) Judicial review of the order:

(1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and

(2) is under the substantial evidence rule.

(g) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(h) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty under Subsection (c)(1)(A) and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person
gave a supersedeas bond and if the penalty is not upheld by the court, the court shall order the release of the escrow account or bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

Added by Acts 1999, 76th Leg., ch. 534, Sec. 6, eff. Sept. 1, 1999.

Sec. 252.069. USE OF ADMINISTRATIVE PENALTY. An administrative penalty collected under this subchapter may be appropriated for the purpose of funding the grant program established under Section 161.074, Human Resources Code.

Added by Acts 1999, 76th Leg., ch. 534, Sec. 6, eff. Sept. 1, 1999. Amended by:

Acts 2005, 79th Leg., Ch. 786 (S.B. 52), Sec. 4, eff. September 1, 2005.

Sec. 252.070. EXPENSES AND COSTS FOR COLLECTION OF CIVIL OR ADMINISTRATIVE PENALTY. (a) If the attorney general brings an action against a person under Section 252.062 or 252.064 or to enforce an administrative penalty assessed under Section 252.065 and an injunction is granted against the person or the person is found liable for a civil or administrative penalty, the attorney general may recover, on behalf of the attorney general and the department, reasonable expenses and costs.

(b) For purposes of this section, reasonable expenses and costs include expenses incurred by the department and the attorney general in the investigation, initiation, and prosecution of an action, including reasonable investigative costs, attorney's fees, witness fees, and deposition expenses.

Added by Acts 1999, 76th Leg., ch. 534, Sec. 6, eff. Sept. 1, 1999.

Text of section as amended by Acts 2001, 77th Leg., ch. 619, Sec. 2 Sec. 252.071. AMELIORATION OF VIOLATION. (a) In lieu of demanding payment of an administrative penalty authorized by this subchapter, the department may allow a person subject to the penalty
to use, under the supervision of the department, all or part of the amount of the penalty to ameliorate the violation or to improve services, other than administrative services, in the facility affected by the violation.

(b) The department shall offer amelioration to a person for a charged violation if the department determines that the violation does not constitute immediate jeopardy to the health and safety of a facility resident.

(c) The department may not offer amelioration to a person if the department determines that the charged violation constitutes immediate jeopardy to the health and safety of a facility resident.

(d) The department shall offer amelioration to a person under this section not later than the 10th day after the date the person receives from the department a final notification of assessment of administrative penalty that is sent to the person after an informal dispute resolution process but before an administrative hearing under Section 252.067.

(e) A person to whom amelioration has been offered must file a plan for amelioration not later than the 45th day after the date the person receives the offer of amelioration from the department. In submitting the plan, the person must agree to waive the person's right to an administrative hearing under Section 252.067 if the department approves the plan.

(f) At a minimum, a plan for amelioration must:

(1) propose changes to the management or operation of the facility that will improve services to or quality of care of residents of the facility;

(2) identify, through measurable outcomes, the ways in which and the extent to which the proposed changes will improve services to or quality of care of residents of the facility;

(3) establish clear goals to be achieved through the proposed changes;

(4) establish a timeline for implementing the proposed changes; and

(5) identify specific actions necessary to implement the proposed changes.

(g) A plan for amelioration may include proposed changes to:

(1) improve staff recruitment and retention;

(2) offer or improve dental services for residents; and

(3) improve the overall quality of life for residents.
(h) The department may require that an amelioration plan propose changes that would result in conditions that exceed the requirements of this chapter or the rules adopted under this chapter.

(i) The department shall approve or deny an amelioration plan not later than the 45th day after the date the department receives the plan. On approval of a person's plan, the department shall deny a pending request for a hearing submitted by the person under Section 252.066(b).

(j) The department may not offer amelioration to a person:
(1) more than three times in a two-year period; or
(2) more than one time in a two-year period for the same or similar violation.

(k) In this section, "immediate jeopardy to health and safety" means a situation in which there is a high probability that serious harm or injury to a resident could occur at any time or already has occurred and may occur again if the resident is not protected from the harm or if the threat is not removed.

Text of section as amended by Acts 2001, 77th Leg., ch. 1284, Sec. 8.02

Sec. 252.071. AMELIORATION OF VIOLATION. (a) In lieu of demanding payment of an administrative penalty authorized by this subchapter, the department may allow a person subject to the penalty to use, under the supervision of the department, all or part of the amount of the penalty to ameliorate the violation or to improve services, other than administrative services, in the facility affected by the violation.

(b) The department shall offer amelioration to a person for a charged violation if the department determines that the violation does not constitute immediate jeopardy to the health and safety of a facility resident.

(c) The department may not offer amelioration to a person if the department determines that the charged violation constitutes immediate jeopardy to the health and safety of a facility resident.

(d) The department shall offer amelioration to a person under this section not later than the 10th day after the date the person
receives from the department a final notification of assessment of administrative penalty that is sent to the person after an informal dispute resolution process but before an administrative hearing under Section 252.067.

(e) A person to whom amelioration has been offered must file a plan for amelioration not later than the 45th day after the date the person receives the offer of amelioration from the department. In submitting the plan, the person must agree to waive the person's right to an administrative hearing under Section 252.067 if the department approves the plan.

(f) At a minimum, a plan for amelioration must:

(1) propose changes to the management or operation of the facility that will improve services to or quality of care of residents of the facility;

(2) identify, through measurable outcomes, the ways in which and the extent to which the proposed changes will improve services to or quality of care of residents of the facility;

(3) establish clear goals to be achieved through the proposed changes;

(4) establish a timeline for implementing the proposed changes; and

(5) identify specific actions necessary to implement the proposed changes.

(g) The department may require that an amelioration plan propose changes that would result in conditions that exceed the requirements of this chapter or the rules adopted under this chapter.

(h) The department shall approve or deny an amelioration plan not later than the 45th day after the date the department receives the plan. On approval of a person's plan, the department shall deny a pending request for a hearing submitted by the person under Section 252.066(b).

(i) The department may not offer amelioration to a person:

(1) more than three times in a two-year period; or

(2) more than one time in a two-year period for the same or similar violation.

(j) In this section, "immediate jeopardy to health and safety" means a situation in which immediate corrective action is necessary because the facility's noncompliance with one or more requirements has caused, or is likely to cause, serious injury, harm, impairment, or death to a resident receiving care in the facility.
SUBCHAPTER D. TRUSTEES FOR FACILITIES

Sec. 252.091. FINDINGS AND PURPOSE. (a) The legislature finds that, under some circumstances, closing a facility for a violation of a law or rule may:

(1) have an adverse effect on the facility's residents and their families; and

(2) result in a lack of readily available financial resources to meet the basic needs of the residents for food, shelter, medication, and personal services.

(b) The purpose of this subchapter is to provide for:

(1) the appointment of a trustee to assume the operations of the facility in a manner that emphasizes resident care and reduces resident trauma; and

(2) a fund to assist a court-appointed trustee in meeting the basic needs of the residents.

Sec. 252.092. APPOINTMENT BY AGREEMENT. (a) A person who holds a controlling interest in a facility may request the department to assume the operation of the facility through the appointment of a trustee under this subchapter.

(b) After receiving the request, the department may enter into an agreement providing for the appointment of a trustee to take charge of the facility under conditions both parties consider appropriate if the department considers the appointment desirable.

(c) An agreement under this section must:

(1) specify the terms and conditions of the trustee's appointment and authority; and

(2) preserve the rights of the residents as granted by law.

(d) The agreement terminates at the time:

(1) specified by the parties; or

(2) either party notifies the other in writing that the party is terminating the appointment agreement.
Sec. 252.093. INVOLUNTARY APPOINTMENT. (a) The department may request the attorney general to bring an action on behalf of the state for the appointment of a trustee to operate a facility if:

(1) the facility is operating without a license;
(2) the department has suspended or revoked the facility's license;
(3) license suspension or revocation procedures against the facility are pending and the department determines that an imminent threat to the health and safety of the residents exists;
(4) the department determines that an emergency exists that presents an immediate threat to the health and safety of the residents; or
(5) the facility is closing and arrangements for relocation of the residents to other licensed facilities have not been made before closure.

(b) A trustee appointed under Subsection (a)(5) may only ensure an orderly and safe relocation of the facility's residents as quickly as possible.

(c) After a hearing, a court shall appoint a trustee to take charge of a facility if the court finds that involuntary appointment of a trustee is necessary.

(d) If possible, the court shall appoint as trustee an individual whose background includes mental retardation service administration.

(e) An action under this section must be brought in Travis County or the county in which the violation is alleged to have occurred.

Sec. 252.094. FEE; RELEASE OF MONEY. (a) A trustee appointed under this subchapter is entitled to a reasonable fee as determined by the court.

(b) The trustee may petition the court to order the release to the trustee of any payment owed the trustee for care and services
provided to the residents if the payment has been withheld, including a payment withheld by a governmental agency or other entity during the appointment of the trustee, such as payments:

(1) for Medicaid or insurance;
(2) by a third party; or
(3) for medical expenses borne by the residents.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.095. EMERGENCY ASSISTANCE FEE. (a) In addition to the licensing and renewal fee collected under Section 252.034, the department may collect an annual fee to be used to make emergency assistance money available to a facility licensed under this chapter.

(b) The fee collected under this section shall be in the amount prescribed by Section 242.097(b) and shall be deposited to the credit of the nursing and convalescent home trust fund established under Section 242.096.

(c) The department may disburse money to a trustee for a facility licensed under this chapter to alleviate an immediate threat to the health or safety of the facility's residents. Payments under this section may include payments described by Section 242.096(b).

(d) A court may order the department to disburse emergency assistance money to a trustee for a facility licensed under this chapter if the court makes the findings provided by Section 242.096(c).

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.096. REIMBURSEMENT. (a) A facility that receives emergency assistance money under this subchapter shall reimburse the department for the amounts received, including interest.

(b) Interest on unreimbursed amounts begins to accrue on the date on which the money is disbursed to the facility. The rate of interest is the rate determined under Section 2, Article 1.05, Title 79, Revised Statutes (Article 5069-1.05, Vernon's Texas Civil Statutes), to be applicable to judgments rendered during the month in which the money is disbursed to the facility.

(c) The owner of the facility when the trustee is appointed is responsible for the reimbursement.
(d) The amount that remains unreimbursed on the first anniversary of the date on which the money is received is delinquent and the Texas Department of Mental Health and Mental Retardation may determine that the facility is ineligible for a Medicaid provider contract.

(e) The department shall deposit the reimbursement and interest received under this section to the credit of the nursing and convalescent home trust fund.

(f) The attorney general shall institute an action to collect money due under this section at the request of the department. An action under this section must be brought in Travis County.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.097. NOTIFICATION OF CLOSURE. (a) A facility that is closing temporarily or permanently, voluntarily or involuntarily, shall notify the residents of the closing and make reasonable efforts to notify in writing each resident's nearest relative or the person responsible for the resident's support within a reasonable time before the facility closes.

(b) If the department orders a facility to close or the facility's closure is in any other way involuntary, the facility shall make the notification, orally or in writing, immediately on receiving notice of the closing.

(c) If the facility's closure is voluntary, the facility shall make the notification not later than one week after the date on which the decision to close is made.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.098. CRIMINAL PENALTY FOR FAILURE TO NOTIFY. (a) A facility commits an offense if the facility knowingly fails to comply with Section 252.097.

(b) An offense under this section is a Class A misdemeanor.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.099. COOPERATION IN FACILITY CLOSURE. The department
and the Texas Department of Mental Health and Mental Retardation shall cooperate closely to ensure that the closure and transition plans for a facility that is closing, and the execution of those plans, ensure the short-term and long-term well-being of the clients of the facility.

SUBCHAPTER E. INVESTIGATIONS OF ABUSE, NEGLECT, AND EXPLOITATION AND REPORTS OF RETALIATION

Sec. 252.121. AUTHORITY TO RECEIVE REPORTS AND INVESTIGATE.
(a) A person, including an owner or employee of a facility, who has cause to believe that a resident is being or has been subjected to abuse, neglect, or exploitation shall report the suspected abuse, neglect, or exploitation to the Department of Family and Protective Services, as required by Chapter 48, Human Resources Code, or Chapter 261, Family Code, as appropriate. The Department of Family and Protective Services shall investigate the allegation of abuse, neglect, or exploitation in the manner provided by Chapter 48, Human Resources Code, or Section 261.404, Family Code, as applicable.

(b) If the department receives a report of suspected abuse, neglect, or exploitation of a resident of a facility licensed under this chapter, the department shall immediately refer the report to the Department of Family and Protective Services for investigation.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997. Amended by:
Acts 2009, 81st Leg., R.S., Ch. 284 (S.B. 643), Sec. 13, eff. June 11, 2009.

Sec. 252.122. NOTIFICATION OF DUTY TO REPORT ABUSE, NEGLECT, AND EXPLOITATION. Each facility shall require each employee of the facility, as a condition of employment with the facility, to sign a statement that the employee realizes that the employee may be criminally liable for failure to report abuse, neglect, or exploitation.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997. Amended by:
Sec. 252.125. IMMEDIATE REMOVAL TO PROTECT RESIDENT. Before the completion of the investigation by the Department of Family and Protective Services, the department shall file a petition for temporary care and protection of a resident if the department determines, based on information provided to the department by the Department of Family and Protective Services, that immediate removal is necessary to protect the resident from further abuse, neglect, or exploitation.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997. Amended by:
Acts 2009, 81st Leg., R.S., Ch. 284 (S.B. 643), Sec. 13, eff. June 11, 2009.

Sec. 252.126. CONFIDENTIALITY; DISCLOSURE OF INVESTIGATION REPORT. (a) A report, record, or working paper used or developed in an investigation made under this subchapter is confidential and may be disclosed only as provided by Chapter 48, Human Resources Code, Chapter 261, Family Code, or this section.

(b) The Department of Family and Protective Services shall provide a copy of a completed investigation report to the department and may disclose information related to the investigation at any time to the department as necessary to protect a resident of a facility from abuse, neglect, or exploitation.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997. Amended by:
Acts 2009, 81st Leg., R.S., Ch. 284 (S.B. 643), Sec. 13, eff. June 11, 2009.

Sec. 252.132. SUIT FOR RETALIATION. (a) In this section, "employee" means a person who is an employee of a facility or any other person who provides services for a facility for compensation, including a contract laborer for the facility.

(b) An employee has a cause of action against a facility, the
owner of the facility, or another employee of the facility that
suspends or terminates the employment of the employee or otherwise
disciplines, discriminates against, or retaliates against the
employee for:

(1) reporting to the employee's supervisor, an
administrator of the facility, a state regulatory agency, or a law
enforcement agency a violation of law, including a violation of this
chapter or a rule adopted under this chapter; or

(2) initiating or cooperating in any investigation or
proceeding of a governmental entity relating to the care, services,
or conditions at the facility.

(c) A plaintiff who prevails in a suit under this section may
recover:

(1) the greater of $1,000 or actual damages, including
damages for mental anguish even if an injury other than mental
anguish is not shown and damages for lost wages if the petitioner's
employment was suspended or terminated;

(2) exemplary damages;

(3) court costs; and

(4) reasonable attorney's fees.

(d) In addition to the amounts that may be recovered under
Subsection (c), a person whose employment is suspended or terminated
is entitled to appropriate injunctive relief, including, if
applicable:

(1) reinstatement in the person's former position; and

(2) reinstatement of lost fringe benefits or seniority
rights.

(e) The petitioner, not later than the 90th day after the date
on which the person's employment is suspended or terminated, must
bring suit or notify the Texas Workforce Commission of the
petitioner's intent to sue under this section. A petitioner who
notifies the Texas Workforce Commission under this subsection must
bring suit not later than the 90th day after the date of the delivery
of the notice to the commission. On receipt of the notice, the
commission shall notify the facility of the petitioner's intent to
bring suit under this section.

(f) The petitioner has the burden of proof, except that there
is a rebuttable presumption that the person's employment was
suspended or terminated for reporting abuse or neglect if the person
is suspended or terminated within 60 days after the date on which the
person reported in good faith.

(g) A suit under this section may be brought in the district court of the county in which:
   (1) the plaintiff resides;
   (2) the plaintiff was employed by the defendant; or
   (3) the defendant conducts business.

(h) Each facility shall require each employee of the facility, as a condition of employment with the facility, to sign a statement that the employee understands the employee's rights under this section. The statement must be part of the statement required under Section 252.122. If a facility does not require an employee to read and sign the statement, the periods prescribed by Subsection (e) do not apply, and the petitioner must bring suit not later than the second anniversary of the date on which the person's employment is suspended or terminated.

Sec. 252.133. SUIT FOR RETALIATION AGAINST VOLUNTEER, RESIDENT, OR FAMILY MEMBER OR GUARDIAN OF RESIDENT. (a) A facility may not retaliate or discriminate against a volunteer, a resident, or a family member or guardian of a resident because the volunteer, the resident, the resident's family member or guardian, or any other person:
   (1) makes a complaint or files a grievance concerning the facility;
   (2) reports a violation of law, including a violation of this chapter or a rule adopted under this chapter; or
   (3) initiates or cooperates in an investigation or proceeding of a governmental entity relating to the care, services, or conditions at the facility.

(b) A volunteer, a resident, or a family member or guardian of a resident against whom a facility retaliates or discriminates in violation of Subsection (a) is entitled to sue for:
   (1) injunctive relief;

Statute text rendered on: 3/14/2015  -  1475 -
(2) the greater of $1,000 or actual damages, including damages for mental anguish even if an injury other than mental anguish is not shown;
(3) exemplary damages;
(4) court costs; and
(5) reasonable attorney's fees.
(c) A volunteer, a resident, or a family member or guardian of a resident who seeks relief under this section must report the alleged violation not later than the 180th day after the date on which the alleged violation of this section occurred or was discovered by the volunteer, the resident, or the family member or guardian of the resident through reasonable diligence.
(d) A suit under this section may be brought in the district court of the county in which the facility is located or in a district court of Travis County.

SUBCHAPTER F. MEDICAL CARE

Sec. 252.151. ADMINISTRATION OF MEDICATION. The department shall adopt rules relating to the administration of medication in facilities.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.152. REQUIRED MEDICAL EXAMINATION. (a) The department shall require each resident to be given at least one medical examination each year.
(b) The department shall specify the details of the examination.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

SUBCHAPTER G. RESPITE CARE

Sec. 252.181. DEFINITIONS. In this subchapter:
(1) "Plan of care" means a written description of the care, training, and treatment needed by a person during respite care.
(2) "Respite care" means the provision by a facility to a person, for not more than two weeks for each stay in the facility, of:

(A) room and board; and

(B) care at the level ordinarily provided for permanent residents.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.182. RESPITE CARE. (a) A facility licensed under this chapter may provide respite care for an individual who has a diagnosis of mental retardation or a related condition without regard to whether the individual is eligible to receive intermediate care services under federal law.

(b) The board may adopt rules for the regulation of respite care provided by a facility licensed under this chapter.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.183. PLAN OF CARE. (a) The facility and the person arranging the care must agree on the plan of care and the plan must be filed at the facility before the facility admits the person for the care.

(b) The plan of care must be signed by:

(1) a licensed physician if the person for whom the care is arranged needs medical care or treatment; or

(2) the person arranging for the respite care if medical care or treatment is not needed.

(c) The facility may keep an agreed plan of care for a person for not longer than six months from the date on which it is received. After each admission, the facility shall review and update the plan of care. During that period, the facility may admit the person as frequently as is needed and as accommodations are available.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.184. NOTIFICATION. A facility that offers respite care shall notify the department in writing that it offers respite
Sec. 252.185. INSPECTIONS. The department, at the time of an ordinary licensing inspection or at other times determined necessary by the department, shall inspect a facility's records of respite care services, physical accommodations available for respite care, and the plan of care records to ensure that the respite care services comply with the licensing standards of this chapter and with any rules the board may adopt to regulate respite care services.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

Sec. 252.186. SUSPENSION. (a) The department may require a facility to cease providing respite care if the department determines that the respite care does not meet the standards required by this chapter and that the facility cannot comply with those standards in the respite care it provides.

(b) The department may suspend the license of a facility that continues to provide respite care after receiving a written order from the department to cease.

Added by Acts 1997, 75th Leg., ch. 693, Sec. 1, eff. Sept. 1, 1997.

SUBCHAPTER H. QUALITY ASSURANCE FEE

Sec. 252.201. DEFINITION. In this subchapter, "gross receipts" means money paid as compensation for services provided to residents, including client participation. The term does not include charitable contributions to a facility.

Added by Acts 2001, 77th Leg., ch. 1284, Sec. 9.01, eff. June 15, 2001.

Sec. 252.202. COMPUTING QUALITY ASSURANCE FEE. (a) A quality assurance fee is imposed on each facility for which a license fee must be paid under Section 252.034, on each facility owned by a
community mental health and mental retardation center, as described by Subchapter A, Chapter 534, and on each facility owned by the Texas Department of Mental Health and Mental Retardation. The fee:

(1) is an amount established under Subsection (b) multiplied by the number of patient days as determined in accordance with Section 252.203;
(2) is payable monthly; and
(3) is in addition to other fees imposed under this chapter.

(b) The Health and Human Services Commission or the department at the direction of the commission shall set the quality assurance fee for each day in the amount necessary to produce annual revenues equal to an amount that is not more than six percent of the facility's total annual gross receipts in this state. The fee is subject to a prospective adjustment as necessary.

(c) The amount of the quality assurance fee must be determined using patient days and gross receipts reported to the department and covering a period of at least six months.

(d) The quality assurance fee is an allowable cost for reimbursement under the Medicaid program.

Sec. 252.203. PATIENT DAYS. For each calendar day, a facility shall determine the number of patient days by adding the following:

(1) the number of patients occupying a facility bed immediately before midnight of that day; and
(2) the number of beds that are on hold on that day and that have been placed on hold for a period not to exceed three consecutive calendar days during which a patient is on therapeutic leave.

Sec. 252.204. REPORTING AND COLLECTION. (a) The Health and Human Services Commission or the department at the direction of the commission shall collect the quality assurance fee.

(b) Each facility shall:

(1) not later than the 20th day after the last day of a month file a report with the Health and Human Services Commission or the department, as appropriate, stating the total patient days for the month; and

(2) not later than the 30th day after the last day of the month pay the quality assurance fee.

Sec. 252.205. RULES; ADMINISTRATIVE PENALTY. (a) The Health and Human Services Commission shall adopt rules for the administration of this subchapter, including rules related to the imposition and collection of the quality assurance fee.

(b) The Health and Human Services Commission may not adopt rules granting any exceptions from the quality assurance fee.

(c) An administrative penalty assessed under this subchapter in accordance with Section 252.065 may not exceed one-half of the amount of the outstanding quality assurance fee or $20,000, whichever is greater.

Added by Acts 2001, 77th Leg., ch. 1284, Sec. 9.01, eff. June 15, 2001.

Sec. 252.206. QUALITY ASSURANCE FUND. (a) The quality assurance fund is a fund outside the state treasury held by the Texas Treasury Safekeeping Trust Company. Notwithstanding any other law, the comptroller shall deposit fees collected under this subchapter to the credit of the fund.

(b) The quality assurance fund is composed of:

(1) fees deposited to the credit of the fund under this subchapter; and

(2) the earnings of the fund.
(c) Money deposited to the quality assurance fund remains the property of the fund and may be used only for the purposes of this subchapter.

(d) Repealed by Acts 2003, 78th Leg., ch. 198, Sec. 2.156(a)(1).

Sec. 252.207. REIMBURSEMENT OF FACILITIES. (a) Subject to legislative appropriation and state and federal law, the Health and Human Services Commission may use money in the quality assurance fund, together with any federal money available to match that money:

(1) to offset expenses incurred to administer the quality assurance fee under this chapter;

(2) to increase reimbursement rates paid under the Medicaid program to facilities or waiver programs for persons with mental retardation operated in accordance with 42 U.S.C. Section 1396n(c) and its subsequent amendments; or

(3) for any other health and human services purpose approved by the governor and Legislative Budget Board.

(b) Repealed by Acts 2003, 78th Leg., ch. 198, Sec. 2.156(a)(1) and Acts 2003, 78th Leg., ch. 1251, Sec. 4(b).

(c) If money in the quality assurance fund is used to increase a reimbursement rate in the Medicaid program, the Health and Human Services Commission shall ensure that the reimbursement methodology used to set that rate describes how the money in the fund will be used to increase the rate and provides incentives to increase direct care staffing and direct care wages and benefits.

(d) The increased Medicaid reimbursement paid to a facility under this section may not be based solely on the amount of the quality assurance fee paid by that facility unless authorized by 42 C.F.R. Section 433.68 or other federal law.

Amended by:
Acts 2005, 79th Leg., Ch. 728 (H.B. 2018), Sec. 9.003, eff. September 1, 2005.

Sec. 252.208. INVALIDITY; FEDERAL FUNDS. If any portion of this subchapter is held invalid by a final order of a court that is not subject to appeal, or if the Health and Human Services Commission determines that the imposition of the fee and the expenditure as prescribed by this subchapter of amounts collected will not entitle the state to receive additional federal funds under the Medicaid program, the commission shall stop collection of the quality assurance fee and shall return, not later than the 30th day after the date collection is stopped, any money collected, but not spent, under this subchapter to the facilities that paid the fees in proportion to the total amount paid by those facilities.

Added by Acts 2001, 77th Leg., ch. 1284, Sec. 9.01, eff. June 15, 2001.

CHAPTER 253. EMPLOYEE MISCONDUCT REGISTRY
Sec. 253.001. DEFINITIONS. In this chapter:
(1) "Commissioner" means the commissioner of aging and disability services.
(1-a) "Consumer" means a resident of or an individual receiving services from a facility covered by this chapter.
(1-b) "Consumer-directed service option" has the meaning assigned by Section 531.051, Government Code.
(2) "Department" means the Department of Aging and Disability Services.
(3) "Employee" means a person who:
   (A) works at a facility or for an individual employer;
   (B) is an individual who provides personal care services, active treatment, or any other personal services to a consumer or to an individual using the consumer-directed service option; and
   (C) is not licensed by an agency of the state to perform the services the employee performs for the individual using the consumer-directed service option or at the facility or is a nurse aide employed by a facility.
(3-a) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(4) "Facility" means:
   (A) a facility:
      (i) licensed by the department; or
      (ii) licensed under Chapter 252;
   (B) an adult foster care provider that contracts with the department;
   (C) a home and community support services agency licensed by the department under Chapter 142; or
   (D) a prescribed pediatric extended care center licensed under Chapter 248A.

(4-a) "Financial management services agency" means an entity that contracts with the department to serve as a fiscal and employer agent for an individual employer using the consumer-directed service option.

(4-b) "Individual employer" means an individual or legally authorized representative who participates in the consumer-directed service option and is responsible for hiring providers to deliver program services.

(5) "Reportable conduct" includes:
   (A) abuse or neglect that causes or may cause death or harm to an individual using the consumer-directed service option or a consumer;
   (B) sexual abuse of an individual using the consumer-directed service option or a consumer;
   (C) financial exploitation of an individual using the consumer-directed service option or a consumer in an amount of $25 or more; and
   (D) emotional, verbal, or psychological abuse that causes harm to an individual using the consumer-directed service option or a consumer.

   Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 21, eff. September 1, 2007.
   Acts 2009, 81st Leg., R.S., Ch. 284 (S.B. 643), Sec. 15, eff.
Sec. 253.002. INVESTIGATION BY DEPARTMENT. (a) If the department receives a report that an employee of a facility, other than a facility licensed under Chapter 252, committed reportable conduct, the department shall investigate the report to determine whether the employee has committed the reportable conduct.

(b) If the Department of Aging and Disability Services receives a report that an employee of a facility licensed under Chapter 252 or of an individual employer committed reportable conduct, the department shall forward that report to the Department of Family and Protective Services for investigation.

Sec. 253.003. DETERMINATION; NOTICE. (a) If, after an investigation, the department determines that the reportable conduct occurred, the department shall give written notice of the department's findings. The notice must include:

(1) a brief summary of the department's findings; and

(2) a statement of the person's right to a hearing on the occurrence of the reportable conduct.

(b) Not later than the 30th day after the date on which the notice is received, the employee notified may accept the determination of the department made under this section or may make a
written request for a hearing on that determination.

(c) If the employee notified of the violation accepts the determination of the department or fails to timely respond to the notice, the commissioner or the commissioner's designee shall issue an order approving the determination and ordering that the reportable conduct be recorded in the registry under Section 253.007.

Sec. 253.004. HEARING; ORDER. (a) If the employee requests a hearing, the department shall:

(1) set a hearing;

(2) give written notice of the hearing to the employee;

and

(3) designate a hearings examiner to conduct the hearing.

(a-1) The department must complete the hearing and the hearing record not later than the 120th day after the date the department receives a request for a hearing.

(b) The hearings examiner shall make findings of fact and conclusions of law and shall promptly issue to the commissioner or the commissioner's designee a proposal for decision as to the occurrence of the reportable conduct.

(c) Based on the findings of fact and conclusions of law and the recommendations of the hearings examiner, the commissioner or the commissioner's designee by order may find that the reportable conduct has occurred. If the commissioner or the commissioner's designee finds that the reportable conduct has occurred, the commissioner or the commissioner's designee shall issue an order approving the determination.

Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 363 (H.B. 2683), Sec. 6, eff. January 1, 2014.
Sec. 253.005. NOTICE; JUDICIAL REVIEW. (a) The department shall give notice of the order under Section 253.004 to the employee alleged to have committed the reportable conduct. The notice must include:

(1) separate statements of the findings of fact and conclusions of law;
(2) a statement of the right of the employee to judicial review of the order; and
(3) a statement that the reportable conduct will be recorded in the registry under Section 253.007 if:
   (A) the employee does not request judicial review of the determination; or
   (B) the determination is sustained by the court.

(b) Not later than the 30th day after the date on which the decision becomes final as provided by Chapter 2001, Government Code, the employee may file a petition for judicial review contesting the finding of the reportable conduct. If the employee does not request judicial review of the determination, the department shall record the reportable conduct in the registry under Section 253.007.

(c) Judicial review of the order:
   (1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and
   (2) is under the substantial evidence rule.

(d) If the court sustains the finding of the occurrence of the reportable conduct, the department shall record the reportable conduct in the registry under Section 253.007.

Sec. 253.0055. REMOVAL OF NURSE AIDE FINDING. If a finding of reportable conduct is the basis for an entry in the nurse aide registry maintained under Chapter 250 and the entry is subsequently removed from the nurse aide registry, the commissioner or the commissioner's designee shall immediately remove the record of reportable conduct from the employee misconduct registry maintained under Section 253.007.

Added by Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 9, eff.
Sec. 253.006. INFORMAL PROCEEDINGS. The executive commissioner by rule shall adopt procedures governing informal proceedings held in compliance with Section 2001.056, Government Code.

Added by Acts 1999, 76th Leg., ch. 629, Sec. 2, eff. Sept. 1, 1999. Amended by:
  Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 10, eff. June 19, 2009.

Sec. 253.007. EMPLOYEE MISCONDUCT REGISTRY. (a) The department shall establish an employee misconduct registry. If the department in accordance with this chapter finds that an employee of a facility or of an individual employer has committed reportable conduct, the department shall make a record of the employee's name, the employee's address, the employee's social security number, the name of the facility or individual employer, the address of the facility or individual employer, the date the reportable conduct occurred, and a description of the reportable conduct.

(b) If an agency of another state or the federal government finds that an employee has committed an act that constitutes reportable conduct, the department may make a record in the employee misconduct registry of the employee's name, the employee's address, the employee's social security number, the name of the facility, the address of the facility, the date of the act, and a description of the act.

(c) The department shall make the registry available to the public.

  Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 11, eff. June 19, 2009.
  Acts 2013, 83rd Leg., R.S., Ch. 363 (H.B. 2683), Sec. 7, eff. January 1, 2014.
Sec. 253.0075. RECORDING REPORTABLE CONDUCT REPORTED BY DEPARTMENT OF FAMILY AND PROTECTIVE SERVICES. On receipt of a finding of an employee's reportable conduct by the Department of Family and Protective Services under Subchapter I, Chapter 48, Human Resources Code, the department shall record the information in the employee misconduct registry in accordance with Section 253.007.

Added by Acts 2001, 77th Leg., ch. 1267, Sec. 14, eff. Sept. 1, 2001. Amended by:
Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 12, eff. June 19, 2009.

Sec. 253.008. VERIFICATION OF EMPLOYABILITY; ANNUAL SEARCH.
(a) Before a facility or individual employer as defined in this chapter or an agency as defined in Section 48.401, Human Resources Code, may hire an employee, the individual employer or a financial management services agency on behalf of the individual employer, the facility, or agency shall search the employee misconduct registry under this chapter and the nurse aide registry maintained under Chapter 250 as required by the Omnibus Budget Reconciliation Act of 1987 (Pub. L. No. 100-203) to determine whether the applicant for employment is designated in either registry as having abused, neglected, or exploited an individual using the consumer-directed service option or a consumer.

(b) A facility, individual employer or financial management services agency on behalf of an individual employer, or agency may not employ a person who is listed in either registry as having abused, neglected, or exploited an individual using the consumer-directed service option or a consumer.

(c) In addition to the initial verification of employability, a facility, agency, individual employer, or financial management services agency on behalf of an individual employer shall:

1. annually search the employee misconduct registry and the nurse aide registry maintained under Chapter 250 to determine whether any employee of the individual employer, facility, or applicable agency is designated in either registry as having abused, neglected, or exploited an individual using the consumer-directed service option or a consumer; and

2. maintain in the facility's or individual employer's
books and records a copy of the results of the search conducted under Subdivision (1).

   Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 22, eff. September 1, 2007.
   Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 13, eff. June 19, 2009.
   Acts 2013, 83rd Leg., R.S., Ch. 363 (H.B. 2683), Sec. 8, eff. January 1, 2014.

Sec. 253.009. NOTIFICATION. (a) Each facility or individual employer as defined in this chapter and each agency as defined in Section 48.401, Human Resources Code, shall notify its employees in a manner prescribed by the Department of Aging and Disability Services:
   (1) about the employee misconduct registry; and
   (2) that an employee may not be employed if the employee is listed in the registry.

   (b) The executive commissioner shall adopt rules to implement this section.

   Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 23, eff. September 1, 2007.
   Acts 2009, 81st Leg., R.S., Ch. 763 (S.B. 806), Sec. 14, eff. June 19, 2009.
   Acts 2013, 83rd Leg., R.S., Ch. 363 (H.B. 2683), Sec. 9, eff. January 1, 2014.

Sec. 253.010. REMOVAL FROM REGISTRY. The department may remove a person from the employee misconduct registry if, after receiving a written request from the person, the department determines that the person does not meet the requirements for inclusion in the employee
misconduct registry.

CHAPTER 254. FREESTANDING EMERGENCY MEDICAL CARE FACILITIES

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 254.001. DEFINITIONS. In this chapter:

(1) "Department" means the Department of State Health Services.

(2) "Emergency care" has the meaning assigned by Sections 843.002 and 1301.155, Insurance Code.

(3) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(4) "Facility" means a freestanding emergency medical care facility.

(5) "Freestanding emergency medical care facility" means a facility, structurally separate and distinct from a hospital that receives an individual and provides emergency care, as defined by Subsection (2).

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. September 1, 2009.

SUBCHAPTER B. LICENSING

Sec. 254.051. LICENSE REQUIRED. (a) Except as provided by Section 254.052, a person may not establish or operate a freestanding emergency medical care facility in this state without a license issued under this chapter.

(b) Except as provided by Section 254.052, a facility or person may not hold itself out to the public as a freestanding emergency medical care facility or use any similar term, as defined by department rule, that would give the impression that the facility or person is providing emergency care unless the facility or person holds a license issued under this chapter. The use of the term "emergency" or a similar term is also subject to Section 254.152.

(c) Each separate facility location must have a separate license.

(d) A license issued under this chapter is not transferable or assignable.
(e) The executive commissioner by rule shall establish a classification for a facility that is in continuous operation 24 hours per day and 7 days per week and a classification for a facility that is in operation 7 days per week and at least 12 hours per day.

(f) Notwithstanding Section 254.053(f), a facility that is not in continuous operation 24 hours per day and 7 days per week cannot be issued a license with a term that extends beyond August 31, 2013.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. September 1, 2009.
Amended by:
    Acts 2011, 82nd Leg., R.S., Ch. 1040 (H.B. 3085), Sec. 1, eff. September 1, 2011.

Sec. 254.052. EXEMPTIONS FROM LICENSING REQUIREMENT. The following facilities are not required to be licensed under this chapter:

(1) an office or clinic owned and operated by a manufacturing facility solely for the purposes of treating its employees and contractors;
(2) temporary emergency clinics in disaster areas;
(3) an office or clinic of a licensed physician, dentist, optometrist, or podiatrist;
(4) a licensed nursing home;
(5) a licensed hospital;
(6) a hospital that is owned and operated by this state;
(7) a facility located within or connected to a hospital described by Subsection (5) or (6);
(8) a facility that is owned or operated by a hospital described by Subsection (5) or (6) and is:
    (A) surveyed as a service of the hospital by an organization that has been granted deeming authority as a national accreditation program for hospitals by the Centers for Medicare and Medicaid Services; or
    (B) granted provider-based status by the Centers for Medicare and Medicaid Services; or
(9) a licensed ambulatory surgical center.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. September 1, 2009.
Sec. 254.053. LICENSE APPLICATION AND ISSUANCE. (a) An applicant for a license under this chapter must submit an application to the department on a form prescribed by the department.

(b) Each application must be accompanied by a nonrefundable license fee in an amount set by the executive commissioner.

(c) The application must contain evidence that there is at least one physician and one nurse on the staff of the facility who are licensed by the appropriate state licensing board.

(d) The application must contain evidence that the facility meets the minimum standards and requirements specified in Section 254.151.

(e) The department shall issue a license if, after inspection and investigation, it finds that the applicant and the facility meet the requirements of this chapter and the standards adopted under this chapter.

(f) The license fee must be paid on renewal of the license. The term of a license issued under this chapter is two years.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. September 1, 2009.
Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1040 (H.B. 3085), Sec. 2, eff. September 1, 2011.

SUBCHAPTER C. EXECUTIVE COMMISSIONER AND DEPARTMENT POWERS AND DUTIES

Sec. 254.101. ADOPTION OF RULES. The executive commissioner shall adopt rules necessary to implement this chapter, including requirements for the issuance, renewal, denial, suspension, and revocation of a license to operate a facility.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. September 1, 2009.

Sec. 254.102. FEES. The executive commissioner shall set fees imposed by this chapter in amounts reasonable and necessary to defray the cost of administering this chapter.
Sec. 254.103. INSPECTIONS. The department may inspect a facility at reasonable times as necessary to ensure compliance with this chapter.

Sec. 254.104. FREESTANDING EMERGENCY MEDICAL CARE FACILITY LICENSING FUND. All fees collected under this chapter shall be deposited in the state treasury to the credit of the freestanding emergency medical care facility licensing fund and may be appropriated to the department only to administer and enforce this chapter.

SUBCHAPTER D. REGULATION OF FACILITIES

Sec. 254.151. MINIMUM STANDARDS. (a) The executive commissioner shall adopt rules necessary to implement this chapter, including minimum standards for:

(1) the construction and design of the facility, including plumbing, heating, lighting, ventilation, and other design standards necessary to ensure the health and safety of patients;
(2) the number, qualifications, and organization of the professional staff and other personnel;
(3) the administration of the facility;
(4) the equipment essential to the health and welfare of the patients;
(5) the sanitary and hygienic conditions within the facility and its surroundings;
(6) the requirements for the contents, maintenance, and release of medical records;
(7) the minimal level of care and standards for denial of care;
the provision of laboratory and radiological services;
(9) the distribution and administration of drugs and controlled substances;
(10) a quality assurance program for patient care;
(11) disclosure, if applicable, of the following:
   (A) the name and social security number of the sole proprietor, if the facility is a sole proprietor;
   (B) the name and social security number of each general partner who is an individual, if the facility is a partnership;
   (C) the name and social security number of any individual who has an ownership interest of more than 25 percent in the corporation, if the facility is a corporation; and
   (D) the name and license numbers of any physicians licensed by the Texas Medical Board who have a financial interest in the facility or any entity which has an ownership interest in the facility;
(12) transfer protocols for patients requiring advanced medical care at a hospital; and
(13) any other aspect of the operation of a facility that the executive commissioner considers necessary to protect the facility's patients and the public.

(b) In adopting the rules required under Subsection (a) concerning transfer protocols, the executive commissioner must consult with physicians who provide emergency care, medical consultant organizations, and organizations representing hospitals licensed in this state.

(c) The minimum standards under this section shall apply to facilities operating 24 hours a day and 7 days per week and facilities operating less than 24 hours a day and 7 days per week.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. September 1, 2009.

Sec. 254.153. FACILITY CARE REQUIREMENTS. (a) A facility shall provide to each facility patient, without regard to the individual's ability to pay, an appropriate medical screening, examination, and stabilization within the facility's capability, including ancillary services routinely available to the facility, to determine whether an emergency medical condition exists and any
necessary stabilizing treatment.

(b) Before a facility accepts any patient for treatment or diagnosis, the facility shall enter into a referral, transmission, or admission agreement with a hospital licensed in this state.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. September 1, 2009.

Sec. 254.154. COMPLAINTS. A person may file a complaint with the department against a facility licensed under this chapter.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. September 1, 2009.

SUBCHAPTER E. ENFORCEMENT AND PENALTIES

Sec. 254.201. DENIAL, SUSPENSION, PROBATION, OR REVOCATION OF LICENSE. (a) The department may deny, suspend, or revoke a license for a violation of this chapter or a rule adopted under this chapter.

(b) The denial, suspension, or revocation of a license by the department and the appeal from that action are governed by the procedures for a contested case hearing under Chapter 2001, Government Code.

(c) If the department finds that a facility is in repeated noncompliance with this chapter or rules adopted under this chapter but that the noncompliance does not endanger public health and safety, the department may schedule the facility for probation rather than suspending or revoking the facility's license. The department shall provide notice to the facility of the probation and of the items of noncompliance not later than the 10th day before the date the probation period begins. The department shall designate a period of not less than 30 days during which the facility remains under probation. During the probation period, the facility must correct the items that were in noncompliance and report the corrections to the department for approval.

(d) The department may suspend or revoke the license of a facility that does not correct items that were in noncompliance or that does not comply with this chapter or the rules adopted under this chapter within the applicable probation period.
Sec. 254.202. EMERGENCY SUSPENSION. (a) The department may issue an emergency order to suspend a license issued under this chapter if the department has reasonable cause to believe that the conduct of a license holder creates an immediate danger to the public health and safety.

(b) An emergency suspension under this section is effective immediately without a hearing on notice to the license holder.

(c) On written request of the license holder, the department shall conduct a hearing not earlier than the 10th day or later than the 30th day after the date the hearing request is received to determine if the emergency suspension is to be continued, modified, or rescinded.

(d) A hearing and any appeal under this section are governed by the department's rules for a contested case hearing and Chapter 2001, Government Code.

Sec. 254.203. INJUNCTION. (a) The department may petition a district court for a temporary restraining order to restrain a continuing violation of the standards or licensing requirements provided under this chapter if the department finds that the violation creates an immediate threat to the health and safety of the patients of a facility.

(b) A district court, on petition of the department and on a finding by the court that a person is violating the standards or licensing requirements provided under this chapter, may by injunction:

(1) prohibit a person from continuing a violation of the standards or licensing requirements provided under this chapter;

(2) restrain or prevent the establishment or operation of a facility without a license issued under this chapter; or

(3) grant any other injunctive relief warranted by the facts.
(c) The attorney general shall institute and conduct a suit authorized by this section at the request of the department.
(d) Venue for a suit brought under this section is in the county in which the facility is located or in Travis County.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. March 1, 2010.

Sec. 254.204. CRIMINAL PENALTY. (a) A person commits an offense if the person violates Section 254.051.
(b) An offense under this section is a Class C misdemeanor.
(c) Each day of a continuing violation constitutes a separate offense.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. September 1, 2010.

Sec. 254.205. IMPOSITION OF ADMINISTRATIVE PENALTY. (a) The department may impose an administrative penalty on a person licensed under this chapter who violates this chapter or a rule or order adopted under this chapter. A penalty collected under this section or Section 254.206 shall be deposited in the state treasury in the general revenue fund.
(b) A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.
(c) The amount of the penalty may not exceed $1,000 for each violation, and each day a violation continues or occurs is a separate violation for purposes of imposing a penalty. The total amount of the penalty assessed for a violation continuing or occurring on separate days under this subsection may not exceed $5,000.
(d) The amount shall be based on:
(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
(2) the threat to health or safety caused by the violation;
(3) the history of previous violations;
(4) the amount necessary to deter a future violation;
(5) whether the violator demonstrated good faith, including when applicable whether the violator made good faith efforts to correct the violation; and
(6) any other matter that justice may require.

(e) If the department initially determines that a violation occurred, the department shall give written notice of the report by certified mail to the person.

(f) The notice under Subsection (e) must:

(1) include a brief summary of the alleged violation;
(2) state the amount of the recommended penalty; and
(3) inform the person of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

(g) Within 20 days after the date the person receives the notice under Subsection (e), the person in writing may:

(1) accept the determination and recommended penalty of the department; or
(2) make a request for a hearing on the occurrence of the violation, the amount of the penalty, or both.

(h) If the person accepts the determination and recommended penalty or if the person fails to respond to the notice, the commissioner of state health services by order shall approve the determination and impose the recommended penalty.

(i) If the person requests a hearing, the commissioner of state health services shall refer the matter to the State Office of Administrative Hearings, which shall promptly set a hearing date and give written notice of the time and place of the hearing to the person. An administrative law judge of the State Office of Administrative Hearings shall conduct the hearing.

(j) The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the commissioner of state health services a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty.

(k) Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner of state health services by order may:

(1) find that a violation occurred and impose a penalty; or
(2) find that a violation did not occur.

(l) The notice of the order under Subsection (k) that is sent to the person in accordance with Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1,
Sec. 254.206. PAYMENT AND COLLECTION OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW. (a) Within 30 days after the date an order of the commissioner of state health services under Section 254.205(k) that imposes an administrative penalty becomes final, the person shall:

(1) pay the penalty; or

(2) file a petition for judicial review of the commissioner's order contesting the occurrence of the violation, the amount of the penalty, or both.

(b) Within the 30-day period prescribed by Subsection (a), a person who files a petition for judicial review may:

(1) stay enforcement of the penalty by:

(A) paying the penalty to the court for placement in an escrow account; or

(B) giving the court a supersedeas bond approved by the court that:

(i) is for the amount of the penalty; and

(ii) is effective until all judicial review of the commissioner's order is final; or

(2) request the court to stay enforcement of the penalty by:

(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the penalty and is financially unable to give the supersedeas bond; and

(B) sending a copy of the affidavit to the executive commissioner by certified mail.

(c) If the commissioner of state health services receives a copy of an affidavit under Subsection (b)(2), the commissioner may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty or to give a supersedeas bond.

(d) If the person does not pay the penalty and the enforcement of the penalty is not stayed, the penalty may be collected. The attorney general may sue to collect the penalty.
(e) If the court sustains the finding that a violation occurred, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty.

(f) If the court does not sustain the finding that a violation occurred, the court shall order that a penalty is not owed.

(g) If the person paid the penalty and if the amount of the penalty is reduced or the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, that the appropriate amount plus accrued interest be remitted to the person within 30 days after the date that the judgement of the court becomes final. The interest accrues at the rate charged on loans to depository institutions by the New York Federal Reserve Bank. The interest shall be paid for the period beginning on the date the penalty is paid and ending on the date the penalty is remitted.

(h) If the person gave a supersedeas bond and the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, the release of the bond. If the person gave a supersedeas bond and the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the reduced amount.

Added by Acts 2009, 81st Leg., R.S., Ch. 1273 (H.B. 1357), Sec. 1, eff. March 1, 2010.

CHAPTER 255. QUALITY ASSURANCE EARLY WARNING SYSTEM FOR LONG-TERM CARE FACILITIES; RAPID RESPONSE TEAMS

Sec. 255.001. DEFINITIONS. In this chapter:

(1) "Department" means the Department of Aging and Disability Services.

(2) "Long-term care facility" means a nursing institution, an assisted living facility, or an intermediate care facility for the mentally retarded licensed under Chapter 242, 247, or 252, or certified under Chapter 32, Human Resources Code.

(3) "Quality-of-care monitor" means a registered nurse, pharmacist, or nutritionist who:

(A) is employed by the department;

(B) is trained and experienced in long-term care facility regulation, standards of practice in long-term care, and
evaluation of patient care; and

(C) functions independently of other divisions of the department.

Added by Acts 2001, 77th Leg., ch. 1284, Sec. 7.03, eff. June 15, 2001.
Amended by:

Acts 2005, 79th Leg., Ch. 837 (S.B. 874), Sec. 1, eff. September 1, 2005.

Sec. 255.002. EARLY WARNING SYSTEM. The department shall establish an early warning system to detect conditions that could be detrimental to the health, safety, and welfare of residents. The early warning system shall include analysis of financial and quality-of-care indicators that would predict the need for the department to take action.

Added by Acts 2001, 77th Leg., ch. 1284, Sec. 7.03, eff. June 15, 2001.

Sec. 255.003. QUALITY-OF-CARE MONITORS. (a) The department shall establish regional offices with one or more quality-of-care monitors, based on the number of long-term care facilities in the region, to monitor the facilities in the region on a regular, aperiodic basis, including nights, evenings, weekends, and holidays. A monitoring visit conducted under this chapter may be announced or unannounced.

(b) Priority for monitoring visits shall be given to long-term care facilities with a history of patient care deficiencies.

(c) Quality-of-care monitors may not be deployed by the department as a part of the regional survey team in the conduct of routine, scheduled surveys.

(d) A quality-of-care monitor may not interfere with, impede, or otherwise adversely affect the performance of the duties of a surveyor, inspector, or investigator of the department.

(e) Quality-of-care monitors shall assess:

(1) the overall quality of life in the long-term care facility; and

(2) specific conditions in the facility directly related to
patient care.

(f) The quality-of-care monitor shall include in a monitoring visit:

(1) observation of the care and services rendered to residents; and

(2) formal and informal interviews with residents, family members, facility staff, resident guests, volunteers, other regulatory staff, and representatives of a human rights advocacy committee.

(g) The identity of a resident or a family member of a resident interviewed by a quality-of-care monitor as provided by Subsection (f)(2) shall remain confidential and may not be disclosed to any person under any other provision of this section.

(h) The findings of a monitoring visit, both positive and negative, shall be provided orally and in writing to the long-term care facility administrator or, in the absence of the facility administrator, to the administrator on duty or the director of nursing.

(i) The quality-of-care monitor may recommend to the long-term care facility administrator procedural and policy changes and staff training to improve the care or quality of life of facility residents.

(j) Conditions observed by the quality-of-care monitor that create an immediate threat to the health or safety of a resident shall be reported immediately to the regional office supervisor for appropriate action and, as appropriate or as required by law, to law enforcement, adult protective services, other divisions of the department, or other responsible agencies.

Added by Acts 2001, 77th Leg., ch. 1284, Sec. 7.03, eff. June 15, 2001.
Amended by:

Acts 2005, 79th Leg., Ch. 837 (S.B. 874), Sec. 2, eff. September 1, 2005.

Sec. 255.004. RAPID RESPONSE TEAMS. (a) The department shall create rapid response teams composed of health care experts that can visit long-term care facilities identified through the department's early warning system.
(b) Rapid response teams may visit long-term care facilities that request the department’s assistance. A visit under this subsection may not occur before the 60th day after the date of an exit interview following an annual or follow-up survey or inspection.

(c) The rapid response teams may not be deployed for the purpose of helping a long-term care facility prepare for a regular inspection or survey conducted under Chapter 242, 247, or 252 or in accordance with Chapter 32, Human Resources Code.

Added by Acts 2001, 77th Leg., ch. 1284, Sec. 7.03, eff. June 15, 2001.

Sec. 255.005. REPORT. The department shall assess and evaluate the effectiveness of the quality assurance early warning system and shall report its findings annually to the governor, the lieutenant governor, and the speaker of the house of representatives.

Added by Acts 2001, 77th Leg., ch. 1284, Sec. 7.03, eff. June 15, 2001.

CHAPTER 256. SAFE PATIENT HANDLING AND MOVEMENT PRACTICES

Sec. 256.001. DEFINITIONS. In this chapter:

(1) "Hospital" means a general or special hospital, as defined by Section 241.003, a private mental hospital licensed under Chapter 577, or another hospital that is maintained or operated by the state.

(2) "Nursing home" means an institution licensed under Chapter 242.

Added by Acts 2005, 79th Leg., Ch. 401 (S.B. 1525), Sec. 1, eff. January 1, 2006.

Sec. 256.002. REQUIRED SAFE PATIENT HANDLING AND MOVEMENT POLICY. (a) The governing body of a hospital or the quality assurance committee of a nursing home shall adopt and ensure implementation of a policy to identify, assess, and develop strategies to control risk of injury to patients and nurses associated with the lifting, transferring, repositioning, or movement
of a patient.

(b) The policy shall establish a process that, at a minimum, includes:

(1) analysis of the risk of injury to both patients and nurses posed by the patient handling needs of the patient populations served by the hospital or nursing home and the physical environment in which patient handling and movement occurs;

(2) education of nurses in the identification, assessment, and control of risks of injury to patients and nurses during patient handling;

(3) evaluation of alternative ways to reduce risks associated with patient handling, including evaluation of equipment and the environment;

(4) restriction, to the extent feasible with existing equipment and aids, of manual patient handling or movement of all or most of a patient's weight to emergency, life-threatening, or otherwise exceptional circumstances;

(5) collaboration with and annual report to the nurse staffing committee;

(6) procedures for nurses to refuse to perform or be involved in patient handling or movement that the nurse believes in good faith will expose a patient or a nurse to an unacceptable risk of injury;

(7) submission of an annual report to the governing body or the quality assurance committee on activities related to the identification, assessment, and development of strategies to control risk of injury to patients and nurses associated with the lifting, transferring, repositioning, or movement of a patient; and

(8) in developing architectural plans for constructing or remodeling a hospital or nursing home or a unit of a hospital or nursing home in which patient handling and movement occurs, consideration of the feasibility of incorporating patient handling equipment or the physical space and construction design needed to incorporate that equipment at a later date.

Added by Acts 2005, 79th Leg., Ch. 401 (S.B. 1525), Sec. 1, eff. January 1, 2006.
Sec. 257.001. DEFINITIONS. In this chapter:

(1) "Committee" means a nurse staffing committee required by this chapter.

(2) "Department" means the Department of State Health Services.

(3) "Hospital" means:

(A) a general hospital or special hospital, as those terms are defined by Section 241.003, including a hospital maintained or operated by this state; or

(B) a mental hospital licensed under Chapter 577.

(4) "Patient care unit" means a unit or area of a hospital in which registered nurses provide patient care.

Added by Acts 2009, 81st Leg., R.S., Ch. 742 (S.B. 476), Sec. 1, eff. September 1, 2009.

Sec. 257.002. LEGISLATIVE FINDINGS. (a) The legislature finds that:

(1) research supports a conclusion that adequate nurse staffing is directly related to positive patient outcomes and nurse satisfaction with the practice environment;

(2) nurse satisfaction with the practice environment is in large measure determined by providing an adequate level of nurse staffing based on research findings and patient intensity;

(3) nurse satisfaction and patient safety can be adversely affected when nurses work excessive hours; and

(4) hospitals and nurses share a mutual interest in patient safety initiatives that create a healthy environment for nurses and appropriate care for patients.

(b) In order to protect patients, support greater retention of registered nurses, and promote adequate nurse staffing, the legislature intends to establish a mechanism whereby nurses and hospital management shall participate in a joint process regarding decisions about nurse staffing.

Added by Acts 2009, 81st Leg., R.S., Ch. 742 (S.B. 476), Sec. 1, eff. September 1, 2009.

Sec. 257.003. NURSE STAFFING POLICY AND PLAN. (a) The
governing body of a hospital shall adopt, implement, and enforce a written nurse staffing policy to ensure that an adequate number and skill mix of nurses are available to meet the level of patient care needed. The policy must include a process for:

1. requiring the hospital to give significant consideration to the nurse staffing plan recommended by the hospital's nurse staffing committee and to that committee's evaluation of any existing plan;
2. adopting, implementing, and enforcing an official nurse services staffing plan that is based on the needs of each patient care unit and shift and on evidence relating to patient care needs;
3. using the official nurse services staffing plan as a component in setting the nurse staffing budget;
4. encouraging nurses to provide input to the committee relating to nurse staffing concerns;
5. protecting from retaliation nurses who provide input to the committee; and
6. ensuring compliance with rules adopted by the executive commissioner of the Health and Human Services Commission relating to nurse staffing.

(b) The official nurse services staffing plan adopted under Subsection (a) must:

1. reflect current standards established by private accreditation organizations, governmental entities, national nursing professional associations, and other health professional organizations;
2. set minimum staffing levels for patient care units that are:
   A. based on multiple nurse and patient considerations; and
   B. determined by the nursing assessment and in accordance with evidence-based safe nursing standards;
3. include a method for adjusting the staffing plan for each patient care unit to provide staffing flexibility to meet patient needs; and
4. include a contingency plan when patient care needs unexpectedly exceed direct patient care staff resources.

(c) The hospital shall:

1. use the official nurse services staffing plan:
   A. as a component in setting the nurse staffing
budget; and

(B) to guide the hospital in assigning nurses hospital-wide; and

(2) make readily available to nurses on each patient care unit at the beginning of each shift the official nurse services staffing plan levels and current staffing levels for that unit and that shift.

Added by Acts 2009, 81st Leg., R.S., Ch. 742 (S.B. 476), Sec. 1, eff. September 1, 2009.

Sec. 257.004. NURSE STAFFING COMMITTEE. (a) A hospital shall establish a nurse staffing committee as a standing committee of the hospital.

(b) The committee shall be composed of members who are representative of the types of nursing services provided in the hospital.

(c) The chief nursing officer of the hospital is a voting member of the committee.

(d) At least 60 percent of the members of the committee must be registered nurses who:

(1) provide direct patient care during at least 50 percent of their work time; and

(2) are selected by their peers who provide direct patient care during at least 50 percent of their work time.

(e) The committee shall meet at least quarterly.

(f) Participation on the committee by a hospital employee as a committee member is part of the employee's work time, and the hospital shall compensate that member for that time accordingly. The hospital shall relieve a committee member of other work duties during committee meetings.

(g) The committee shall:

(1) develop and recommend to the hospital's governing body a nurse staffing plan that meets the requirements of Section 257.003;

(2) review, assess, and respond to staffing concerns expressed to the committee;

(3) identify the nurse-sensitive outcome measures the committee will use to evaluate the effectiveness of the official nurse services staffing plan;
(4) evaluate, at least semiannually, the effectiveness of the official nurse services staffing plan and variations between the plan and the actual staffing; and

(5) submit to the hospital's governing body, at least semiannually, a report on nurse staffing and patient care outcomes, including the committee's evaluation of the effectiveness of the official nurse services staffing plan and aggregate variations between the staffing plan and actual staffing.

(h) In evaluating the effectiveness of the official nurse services staffing plan, the committee shall consider patient needs, nursing-sensitive quality indicators, nurse satisfaction measures collected by the hospital, and evidence-based nurse staffing standards.

Added by Acts 2009, 81st Leg., R.S., Ch. 742 (S.B. 476), Sec. 1, eff. September 1, 2009.

Sec. 257.005. REPORTING OF STAFFING INFORMATION TO DEPARTMENT.
(a) A hospital shall annually report to the department on:
(1) whether the hospital's governing body has adopted a nurse staffing policy as required by Section 257.003;
(2) whether the hospital has established a nurse staffing committee as required by Section 257.004 that meets the membership requirements of that section;
(3) whether the nurse staffing committee has evaluated the hospital's official nurse services staffing plan as required by Section 257.004 and has reported the results of the evaluation to the hospital's governing body as provided by that section; and
(4) the nurse-sensitive outcome measures the committee adopted for use in evaluating the hospital's official nurse services staffing plan.

(b) Information reported under Subsection (a) is public information.
(c) To the extent possible, the department shall collect the data required under Subsection (a) as part of a survey required by the department under other law.

Added by Acts 2009, 81st Leg., R.S., Ch. 742 (S.B. 476), Sec. 1, eff. September 1, 2009.
CHAPTER 258. MANDATORY OVERTIME FOR NURSES PROHIBITED

Sec. 258.001. DEFINITIONS. In this chapter:

(1) "Hospital" means:
   (A) a general hospital or special hospital, as those terms are defined by Section 241.003, including a hospital maintained or operated by this state; or
   (B) a mental hospital licensed under Chapter 577.

(2) "Nurse" means a registered nurse or vocational nurse licensed under Chapter 301, Occupations Code.

(3) "On-call time" means time spent by a nurse who is not working but who is compensated for availability.

Added by Acts 2009, 81st Leg., R.S., Ch. 742 (S.B. 476), Sec. 1, eff. September 1, 2009.

Sec. 258.002. MANDATORY OVERTIME. For purposes of this chapter, "mandatory overtime" means a requirement that a nurse work hours or days that are in addition to the hours or days scheduled, regardless of the length of a scheduled shift or the number of scheduled shifts each week. In determining whether work is mandatory overtime, prescheduled on-call time or time immediately before or after a scheduled shift necessary to document or communicate patient status to ensure patient safety is not included.

Added by Acts 2009, 81st Leg., R.S., Ch. 742 (S.B. 476), Sec. 1, eff. September 1, 2009.

Sec. 258.003. PROHIBITION OF MANDATORY OVERTIME. (a) A hospital may not require a nurse to work mandatory overtime, and a nurse may refuse to work mandatory overtime.

(b) This section does not prohibit a nurse from volunteering to work overtime.

(c) A hospital may not use on-call time as a substitute for mandatory overtime.

Added by Acts 2009, 81st Leg., R.S., Ch. 742 (S.B. 476), Sec. 1, eff. September 1, 2009.
Sec. 258.004. EXCEPTIONS. (a) Section 258.003 does not apply if:

(1) a health care disaster, such as a natural or other type of disaster that increases the need for health care personnel, unexpectedly affects the county in which the nurse is employed or affects a contiguous county;

(2) a federal, state, or county declaration of emergency is in effect in the county in which the nurse is employed or is in effect in a contiguous county;

(3) there is an emergency or unforeseen event of a kind that:

(A) does not regularly occur;

(B) increases the need for health care personnel at the hospital to provide safe patient care; and

(C) could not prudently be anticipated by the hospital; or

(4) the nurse is actively engaged in an ongoing medical or surgical procedure and the continued presence of the nurse through the completion of the procedure is necessary to ensure the health and safety of the patient.

(b) If a hospital determines that an exception exists under Subsection (a)(3), the hospital shall, to the extent possible, make a good faith effort to meet the staffing need through voluntary overtime, including calling per diems and agency nurses, assigning floats, or requesting an additional day of work from off-duty employees.

Added by Acts 2009, 81st Leg., R.S., Ch. 742 (S.B. 476), Sec. 1, eff. September 1, 2009.

Sec. 258.005. RETALIATION PROHIBITED. A hospital may not suspend, terminate, or otherwise discipline or discriminate against a nurse who refuses to work mandatory overtime.

Added by Acts 2009, 81st Leg., R.S., Ch. 742 (S.B. 476), Sec. 1, eff. September 1, 2009.
Sec. 259.001. DEFINITIONS. In this chapter:

(1) "Department" means the Department of State Health Services.

(2) "Surgical technologist" means a person who practices surgical technology.

(3) "Surgical technology" means intraoperative surgical patient care as follows:
   (A) preparing the operating room for surgical procedures by ensuring that surgical equipment is functioning properly and safely;
   (B) preparing the operating room and the sterile field for surgical procedures by preparing sterile supplies, instruments, and equipment using sterile technique;
   (C) anticipating the needs of the surgical team based on knowledge of human anatomy and pathophysiology and how they relate to the surgical patient and the patient's surgical procedure;
   (D) as directed in an operating room setting, performing the following tasks at the sterile field:
      (i) passing supplies, equipment, or instruments;
      (ii) sponging or suctioning an operative site;
      (iii) preparing and cutting suture material;
      (iv) transferring and pouring irrigation fluids;
      (v) transferring but not administering drugs within the sterile field;
      (vi) handling specimens;
      (vii) holding retractors and other instruments;
      (viii) applying electrocautery to clamps on bleeders;
      (ix) connecting drains to suction apparatus;
      (x) applying dressings to closed wounds; and
      (xi) assisting in counting sponges, needles, supplies, and instruments with the registered nurse circulator;
   (E) cleaning and preparing instruments for sterilization on completion of the surgery; and
   (F) assisting the surgical team with cleaning of the operating room on completion of the surgery.

Added by Acts 2009, 81st Leg., R.S., Ch. 321 (H.B. 643), Sec. 1, eff. September 1, 2009.
Sec. 259.002. REQUIREMENTS FOR PRACTICING SURGICAL TECHNOLOGY.
(a) A health care facility licensed by the department under this subtitle or owned or operated by the state may not employ a person to practice surgical technology in that health care facility unless that person provides evidence that the person:

(1) has successfully completed an accredited educational program for surgical technologists and holds and maintains certification as a surgical technologist by:

(A) the National Board of Surgical Technology and Surgical Assisting or its successor;

(B) the National Center for Competency Testing or its successor; or

(C) another surgical technologist certification program approved by the department;

(2) has completed an appropriate training program for surgical technology in the army, navy, air force, marine corps, or coast guard of the United States or in the United States Public Health Service;

(3) was employed to practice surgical technology in a health care facility before September 1, 2009; or

(4) is in the service of the federal government, to the extent the person is performing duties related to that service.

(b) Notwithstanding Subsection (a), a health care facility may employ a person to practice surgical technology at that health care facility from the date the person graduates from an accredited educational program for surgical technologists until the 180th day after the date of graduation. The person may not continue to practice surgical technology after the 180th day after the date of graduation without showing documentation to the health care facility that the person holds and maintains the surgical technologist certification required by Subsection (a)(1).

(c) Notwithstanding Subsection (a), a health care facility may employ a surgical technologist who does not meet the requirements of this section if:

(1) after a diligent and thorough effort has been made, the health care facility is unable to employ a sufficient number of qualified surgical technologists who meet the requirements of this section; and

(2) the health care facility makes a written record of its efforts under Subdivision (1) and retains the record at the health
care facility.

Added by Acts 2009, 81st Leg., R.S., Ch. 321 (H.B. 643), Sec. 1, eff. September 1, 2009.

Sec. 259.003. SUPERVISION OF SURGICAL TECHNOLOGISTS. This chapter does not repeal or modify any law relating to the supervision of surgical technologists.

Added by Acts 2009, 81st Leg., R.S., Ch. 321 (H.B. 643), Sec. 1, eff. September 1, 2009.

Sec. 259.004. OTHER LICENSED PRACTITIONERS. This chapter does not prohibit a licensed practitioner from performing a task or function within the scope of the practitioner's license.

Added by Acts 2009, 81st Leg., R.S., Ch. 321 (H.B. 643), Sec. 1, eff. September 1, 2009.

Sec. 259.005. APPLICABILITY. This chapter does not apply to:
(1) a licensed registered nurse or a licensed vocational nurse; or
(2) the employment by a health care facility of an individual whose primary functions include the cleaning or sterilization of supplies, instruments, equipment, or operating rooms.

Added by Acts 2009, 81st Leg., R.S., Ch. 321 (H.B. 643), Sec. 1, eff. September 1, 2009.

Sec. 259.006. ENFORCEMENT. (a) The department may adopt rules to administer and enforce this chapter.

(b) A health care facility that violates Section 259.002 is subject to an administrative penalty, a civil penalty, or other disciplinary action, as applicable, in the same manner as if the facility violated the chapter under which the facility is licensed.
CHAPTER 260. BOARDING HOME FACILITIES

Sec. 260.001. DEFINITIONS. In this chapter:
(1) "Assistance with self-administering medication" means assisting a resident by reminding the resident to take medication, opening and removing medications from a container, or reminding the resident when a prescription medication needs to be refilled.
(2) "Boarding home facility" means an establishment that:
   (A) furnishes, in one or more buildings, lodging to three or more persons with disabilities or elderly persons who are unrelated to the owner of the establishment by blood or marriage; and
   (B) provides community meals, light housework, meal preparation, transportation, grocery shopping, money management, laundry services, or assistance with self-administration of medication but does not provide personal care services as defined by Section 247.002 to those persons.
(3) "Commission" means the Health and Human Services Commission.
(4) "Elderly person" has the meaning assigned by Section 48.002, Human Resources Code.
(5) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.
(6) "Person with a disability" means a disabled person as defined by Section 48.002, Human Resources Code.
(7) "Resident" means a person who is residing in a boarding home facility.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.

Sec. 260.002. EXEMPTIONS. This chapter does not apply to:
(1) a person that is required to be licensed under Chapter 142, 242, 246, 247, or 252;
(2) a person that is exempt from licensing under Section 142.003(a)(19), 242.003(3), or 247.004(4);
(3) a hotel as defined by Section 156.001, Tax Code;
(4) a retirement community;
(5) a monastery or convent;
(6) a child-care facility as defined by Section 42.002, Human Resources Code;
(7) a family violence shelter center as defined by Section 51.002, Human Resources Code; or
(8) a sorority or fraternity house or other dormitory associated with an institution of higher education.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.

Sec. 260.003. MODEL STANDARDS. The executive commissioner shall develop and publish in the Texas Register model standards for the operation of a boarding home facility relating to:
(1) the construction or remodeling of a boarding home facility, including plumbing, heating, lighting, ventilation, and other housing conditions, to ensure the residents' health, safety, comfort, and protection from fire hazard;
(2) sanitary and related conditions in a boarding home facility and its surroundings, including insect and rodent control, water supply, sewage disposal, food handling, and general hygiene to ensure the residents' health, safety, and comfort;
(3) the reporting and investigation of injuries, incidents, and unusual accidents and the establishment of other policies and procedures necessary to ensure resident health and safety;
(4) assistance with self-administering medication;
(5) requirements for in-service education of the facility's staff;
(6) criminal history record checks; and
(7) assessment and periodic monitoring to ensure that a resident:
   (A) does not require the boarding home facility to provide personal care, nursing, or other services not listed in Section 260.001(2); and
   (B) is capable of self-administering medication or is aware of what the resident's medications look like and knows when the
medications should be taken but requires assistance with self-administering medication.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.
Redesignated and amended from Health and Safety Code, Section 254.003 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.002(6), eff. September 1, 2011.

Sec. 260.004. LOCAL REGULATION. A county or municipality may require a person to obtain a permit from the county or municipality to operate a boarding home facility within the county's or municipality's jurisdiction. A county or municipality may adopt the standards developed by the executive commissioner under Section 260.003 and require a boarding home facility that holds a permit issued by the county or municipality to comply with the adopted standards.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.
Redesignated and amended from Health and Safety Code, Section 254.004 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.002(7), eff. September 1, 2011.

Sec. 260.005. PERMIT PROCEDURES; FEES; FINES. (a) A county or municipality that requires a person to obtain a boarding home facility permit as authorized by Section 260.004 may establish procedures for the submission of a boarding home facility permit application and for the issuance, denial, renewal, suspension, and revocation of the permit.

(b) A county or municipality that requires a person to obtain a boarding home facility permit as authorized under Section 260.004 may set reasonable fees for issuance of the permit, renewal of the permit, and inspections and may impose fines for noncompliance with the county or municipal boarding home facility regulations. The fees collected and fines imposed by the county or municipality must be used to administer the county or municipal permitting program or for
other purposes directly related to providing boarding home facility or other assisted living services to elderly persons and persons with disabilities.

(c) A person required to obtain a boarding home facility permit from a county or municipality as authorized under Section 260.004 shall pay any fees required or fines imposed by the county or municipality.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.

Redesignated and amended from Health and Safety Code, Section 254.005 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.002(8), eff. September 1, 2011.

Sec. 260.006. POSTING. A boarding home facility that holds a permit issued by a county or municipality shall prominently and conspicuously post for display in a public area of the boarding home facility that is readily available to residents, the operator, employees, and visitors:

(1) the permit issued by a county or municipality;

(2) a sign prescribed by the county or municipality that issued the permit that specifies how complaints may be registered with the county or municipality;

(3) a notice in a form prescribed by the county or municipality that issued the permit stating that inspection and related reports are available at the boarding home facility for public inspection and providing a telephone number that may be used to obtain information concerning the boarding home facility;

(4) a concise summary of the most recent inspection report relating to the boarding home facility; and

(5) a notice in a form prescribed by the county or municipality that issued the permit that lists the name, location, and contact information for:

(A) the closest local public health services agency in the proximity of the boarding home facility; and

(B) a local organization or entity that represents, advocates, or serves elderly persons or persons with disabilities, including any related toll-free contact information for reporting
emergencies to the organization or entity.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.

Sec. 260.007. INSPECTIONS. (a) A county or municipality may conduct any inspection, survey, or investigation that it considers necessary and may enter the premises of a boarding home facility at reasonable times to make an inspection, survey, or investigation.

(b) A county or municipality is entitled to access to books, records, and other documents maintained by or on behalf of a boarding home facility to the extent necessary to enforce the standards adopted by the county or municipality.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.

Sec. 260.008. INTERLOCAL COOPERATION. Two or more counties or municipalities may cooperate and contract with each other for the purpose of inspecting and permitting boarding home facilities.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.

Sec. 260.009. REPORTING AND INVESTIGATION OF ABUSE, NEGLECT, OR EXPLOITATION. (a) A person, including an owner, operator, or employee of a boarding home facility that holds a permit issued by a county or municipality, who has cause to believe that a resident who is an elderly person or a person with a disability is being or has been abused, neglected, or exploited shall report the abuse, neglect, or exploitation to the Department of Family and Protective Services for investigation by that agency. The Department of Family and Protective Services shall investigate the allegation of abuse, neglect, or exploitation as authorized and in the manner provided by Chapter 48, Human Resources Code.
(b) Each boarding home facility that holds a permit issued by a county or municipality shall require each employee of the boarding home facility, as a condition of employment with the boarding home facility, to sign a statement that the employee acknowledges that the employee may be criminally liable under Section 48.052, Human Resources Code, for failure to report abuse, neglect, or exploitation.

(c) An owner, operator, or employee of a boarding home facility that holds a permit issued by a county or municipality may not retaliate against an employee of the facility who in good faith makes a complaint to the office of the inspector general of the Health and Human Services Commission, cooperates with the office of the inspector general in an investigation, or reports abuse, neglect, or exploitation of a resident to the Department of Family and Protective Services.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.

Sec. 260.010. ANNUAL REPORT TO COMMISSION; LEGISLATIVE REPORT.
(a) Not later than September 30 of each year following the establishment of a county or municipal permitting requirement under this chapter, each county or municipality that requires a person to obtain a boarding home facility permit under Section 260.004 shall submit to the commission a report. The report must include:

(1) the total number of:
   (A) boarding home facilities permitted during the preceding state fiscal year;
   (B) boarding home facility applications denied permitting, including a summary of cause for denial; and
   (C) boarding home facility permits active on August 31 of the preceding state fiscal year;

(2) the total number of residents reported housed in each boarding home facility reported;

(3) the total number of inspections conducted at each boarding home facility by the county or municipality that requires the permit; and

(4) the total number of permits revoked or suspended as a
result of an inspection described by Subdivision (3) and a summary of the outcome for the residents displaced by revocation or suspension of a permit.

(b) The commission shall establish and maintain a standardized compilation of information reported under this section and provide to the legislature a report of this information not later than January 1 of each odd-numbered year.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.002(9), eff. September 1, 2011.

Sec. 260.011. EXCLUSION PROHIBITED. If an entity meets the requirements established by a county or municipality under this chapter, the entity may not be excluded from a residential area by zoning ordinances or similar regulations.

Redesignated from Health and Safety Code, Chapter 254 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(28), eff. September 1, 2011.

CHAPTER 260A. REPORTS OF ABUSE, NEGLECT, AND EXPLOITATION OF RESIDENTS OF CERTAIN FACILITIES

Sec. 260A.001. DEFINITIONS. In this chapter:
(1) "Abuse" means:
(A) the negligent or wilful infliction of injury, unreasonable confinement, intimidation, or cruel punishment with resulting physical or emotional harm or pain to a resident by the resident's caregiver, family member, or other individual who has an ongoing relationship with the resident; or
(B) sexual abuse of a resident, including any involuntary or nonconsensual sexual conduct that would constitute an offense under Section 21.08, Penal Code (indecent exposure), or Chapter 22, Penal Code (assaultive offenses), committed by the resident's caregiver, family member, or other individual who has an ongoing relationship with the resident.
(2) "Department" means the Department of Aging and Disability Services.

(3) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(4) "Exploitation" means the illegal or improper act or process of a caregiver, family member, or other individual who has an ongoing relationship with the resident using the resources of a resident for monetary or personal benefit, profit, or gain without the informed consent of the resident.

(5) "Facility" means:
(A) an institution as that term is defined by Section 242.002;
(B) an assisted living facility as that term is defined by Section 247.002; and
(C) a prescribed pediatric extended care center as that term is defined by Section 248A.001.

(6) "Neglect" means the failure to provide for one's self the goods or services, including medical services, which are necessary to avoid physical or emotional harm or pain or the failure of a caregiver to provide such goods or services.

(7) "Resident" means an individual, including a patient, who resides in or receives services from a facility.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1168 (S.B. 492), Sec. 5, eff. September 1, 2013.

Sec. 260A.002. REPORTING OF ABUSE, NEGLECT, AND EXPLOITATION.
(a) A person, including an owner or employee of a facility, who has cause to believe that the physical or mental health or welfare of a resident has been or may be adversely affected by abuse, neglect, or exploitation caused by another person shall report the abuse, neglect, or exploitation in accordance with this chapter.

(b) Each facility shall require each employee of the facility, as a condition of employment with the facility, to sign a statement that the employee realizes that the employee may be criminally liable for failure to report those abuses.
(c) A person shall make an oral report immediately on learning of the abuse, neglect, or exploitation and shall make a written report to the department not later than the fifth day after the oral report is made.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.003. CONTENTS OF REPORT. (a) A report of abuse, neglect, or exploitation is nonaccusatory and reflects the reporting person's belief that a resident has been or will be abused, neglected, or exploited or has died of abuse or neglect.

(b) The report must contain:
(1) the name and address of the resident;
(2) the name and address of the person responsible for the care of the resident, if available; and
(3) other relevant information.

(c) Except for an anonymous report under Section 260A.004, a report of abuse, neglect, or exploitation under Section 260A.002 should also include the address or phone number of the person making the report so that an investigator can contact the person for any necessary additional information. The phone number, address, and name of the person making the report must be deleted from any copy of any type of report that is released to the public, to the facility, or to an owner or agent of the facility.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.004. ANONYMOUS REPORTS OF ABUSE, NEGLект, OR EXPLOITATION. (a) An anonymous report of abuse, neglect, or exploitation, although not encouraged, shall be received and acted on in the same manner as an acknowledged report.

(b) An anonymous report about a specific individual that accuses the individual of abuse, neglect, or exploitation need not be investigated.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.
Sec. 260A.005. TELEPHONE HOTLINE; PROCESSING OF REPORTS. (a) The department shall operate the department's telephone hotline to:

(1) receive reports of abuse, neglect, or exploitation; and
(2) dispatch investigators.

(b) A report of abuse, neglect, or exploitation shall be made to the department's telephone hotline or to a local or state law enforcement agency. A report made relating to abuse, neglect, or exploitation or another complaint described by Section 260A.007(c)(1) shall be made to the department's telephone hotline and to the law enforcement agency described by Section 260A.017(a).

(c) Except as provided by Section 260A.017, a local or state law enforcement agency that receives a report of abuse, neglect, or exploitation shall refer the report to the department.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.006. NOTICE. (a) Each facility shall prominently and conspicuously post a sign for display in a public area of the facility that is readily available to residents, employees, and visitors.

(b) The sign must include the statement: CASES OF SUSPECTED ABUSE, NEGLECT, OR EXPLOITATION SHALL BE REPORTED TO THE TEXAS DEPARTMENT OF AGING AND DISABILITY SERVICES BY CALLING (insert telephone hotline number).

(c) A facility shall provide the telephone hotline number to an immediate family member of a resident of the facility upon the resident's admission into the facility.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.007. INVESTIGATION AND REPORT OF DEPARTMENT. (a) The department shall make a thorough investigation after receiving an oral or written report of abuse, neglect, or exploitation under Section 260A.002 or another complaint alleging abuse, neglect, or exploitation.
(b) The primary purpose of the investigation is the protection of the resident.

(c) The department shall begin the investigation:
(1) within 24 hours after receipt of the report or other allegation, if the report of abuse, neglect, exploitation, or other complaint alleges that:
   (A) a resident's health or safety is in imminent danger;
   (B) a resident has recently died because of conduct alleged in the report of abuse, neglect, exploitation, or other complaint;
   (C) a resident has been hospitalized or been treated in an emergency room because of conduct alleged in the report of abuse, neglect, exploitation, or other complaint;
   (D) a resident has been a victim of any act or attempted act described by Section 21.02, 21.11, 22.011, or 22.021, Penal Code; or
   (E) a resident has suffered bodily injury, as that term is defined by Section 1.07, Penal Code, because of conduct alleged in the report of abuse, neglect, exploitation, or other complaint; or
(2) before the end of the next working day after the date of receipt of the report of abuse, neglect, exploitation, or other complaint, if the report or complaint alleges the existence of circumstances that could result in abuse, neglect, or exploitation and that could place a resident's health or safety in imminent danger.

(d) The department shall adopt rules governing the conduct of investigations, including procedures to ensure that the complainant and the resident, the resident's next of kin, and any person designated to receive information concerning the resident receive periodic information regarding the investigation.

(e) In investigating the report of abuse, neglect, exploitation, or other complaint, the investigator for the department shall:
(1) make an unannounced visit to the facility to determine the nature and cause of the alleged abuse, neglect, or exploitation of the resident;
(2) interview each available witness, including the resident who suffered the alleged abuse, neglect, or exploitation if the resident is able to communicate or another resident or other
witness identified by any source as having personal knowledge relevant to the report of abuse, neglect, exploitation, or other complaint;

(3) personally inspect any physical circumstance that is relevant and material to the report of abuse, neglect, exploitation, or other complaint and that may be objectively observed;

(4) make a photographic record of any injury to a resident, subject to Subsection (n); and

(5) write an investigation report that includes:
   (A) the investigator's personal observations;
   (B) a review of relevant documents and records;
   (C) a summary of each witness statement, including the statement of the resident that suffered the alleged abuse, neglect, or exploitation and any other resident interviewed in the investigation; and
   (D) a statement of the factual basis for the findings for each incident or problem alleged in the report or other allegation.

(f) An investigator for an investigating agency shall conduct an interview under Subsection (e)(2) in private unless the witness expressly requests that the interview not be private.

(g) Not later than the 30th day after the date the investigation is complete, the investigator shall prepare the written report required by Subsection (e). The department shall make the investigation report available to the public on request after the date the department's letter of determination is complete. The department shall delete from any copy made available to the public:

(1) the name of:
   (A) any resident, unless the department receives written authorization from a resident or the resident's legal representative requesting the resident's name be left in the report;
   (B) the person making the report of abuse, neglect, exploitation, or other complaint; and
   (C) an individual interviewed in the investigation;

and

(2) photographs of any injury to the resident.

(h) In the investigation, the department shall determine:

(1) the nature, extent, and cause of the abuse, neglect, or exploitation;

(2) the identity of the person responsible for the abuse,
neglect, or exploitation;

(3) the names and conditions of the other residents;
(4) an evaluation of the persons responsible for the care of the residents;
(5) the adequacy of the facility environment; and
(6) any other information required by the department.

(i) If the department attempts to carry out an on-site investigation and it is shown that admission to the facility or any place where the resident is located cannot be obtained, a probate or county court shall order the person responsible for the care of the resident or the person in charge of a place where the resident is located to allow entrance for the interview and investigation.

(j) Before the completion of the investigation, the department shall file a petition for temporary care and protection of the resident if the department determines that immediate removal is necessary to protect the resident from further abuse, neglect, or exploitation.

(k) The department shall make a complete final written report of the investigation and submit the report and its recommendations to the district attorney and, if a law enforcement agency has not investigated the report of abuse, neglect, exploitation, or other complaint, to the appropriate law enforcement agency.

(l) Within 24 hours after receipt of a report of abuse, neglect, exploitation, or other complaint described by Subsection (c)(1), the department shall report the report or complaint to the law enforcement agency described by Section 260A.017(a). The department shall cooperate with that law enforcement agency in the investigation of the report or complaint as described by Section 260A.017.

(m) The inability or unwillingness of a local law enforcement agency to conduct a joint investigation under Section 260A.017 does not constitute grounds to prevent or prohibit the department from performing its duties under this chapter. The department shall document any instance in which a law enforcement agency is unable or unwilling to conduct a joint investigation under Section 260A.017.

(n) If the department determines that, before a photographic record of an injury to a resident may be made under Subsection (e), consent is required under state or federal law, the investigator:

(1) shall seek to obtain any required consent; and
(2) may not make the photographic record unless the consent
Sec. 260A.008. CONFIDENTIALITY. A report, record, or working paper used or developed in an investigation made under this chapter and the name, address, and phone number of any person making a report under this chapter are confidential and may be disclosed only for purposes consistent with rules adopted by the executive commissioner. The report, record, or working paper and the name, address, and phone number of the person making the report shall be disclosed to a law enforcement agency as necessary to permit the law enforcement agency to investigate a report of abuse, neglect, exploitation, or other complaint in accordance with Section 260A.017.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.009. IMMUNITY. (a) A person who reports as provided by this chapter is immune from civil or criminal liability that, in the absence of the immunity, might result from making the report.

(b) The immunity provided by this section extends to participation in any judicial proceeding that results from the report.

(c) This section does not apply to a person who reports in bad faith or with malice.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.010. PRIVILEGED COMMUNICATIONS. In a proceeding regarding the abuse, neglect, or exploitation of a resident or the cause of any abuse, neglect, or exploitation, evidence may not be excluded on the ground of privileged communication except in the case of a communication between an attorney and client.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c),
Sec. 260A.011. CENTRAL REGISTRY. (a) The department shall maintain in the city of Austin a central registry of reported cases of resident abuse, neglect, or exploitation.

(b) The executive commissioner may adopt rules necessary to carry out this section.

(c) The rules shall provide for cooperation with hospitals and clinics in the exchange of reports of resident abuse, neglect, or exploitation.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.012. FAILURE TO REPORT; CRIMINAL PENALTY. (a) A person commits an offense if the person has cause to believe that a resident's physical or mental health or welfare has been or may be further adversely affected by abuse, neglect, or exploitation and knowingly fails to report in accordance with Section 260A.002.

(b) An offense under this section is a Class A misdemeanor.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.013. BAD FAITH, MALICIOUS, OR RECKLESS REPORTING; CRIMINAL PENALTY. (a) A person commits an offense if the person reports under this chapter in bad faith, maliciously, or recklessly.

(b) An offense under this section is a Class A misdemeanor.

(c) The criminal penalty provided by this section is in addition to any civil penalties for which the person may be liable.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.014. RETALIATION AGAINST EMPLOYEES PROHIBITED. (a) In this section, "employee" means a person who is an employee of a facility or any other person who provides services for a facility for
compensation, including a contract laborer for the facility.

(b) An employee has a cause of action against a facility, or the owner or another employee of the facility, that suspends or terminates the employment of the person or otherwise discriminates or retaliates against the employee for reporting to the employee's supervisor, an administrator of the facility, a state regulatory agency, or a law enforcement agency a violation of law, including a violation of Chapter 242 or 247 or a rule adopted under Chapter 242 or 247, or for initiating or cooperating in any investigation or proceeding of a governmental entity relating to care, services, or conditions at the facility.

(c) The petitioner may recover:

(1) the greater of $1,000 or actual damages, including damages for mental anguish even if an injury other than mental anguish is not shown, and damages for lost wages if the petitioner's employment was suspended or terminated;

(2) exemplary damages;

(3) court costs; and

(4) reasonable attorney's fees.

(d) In addition to the amounts that may be recovered under Subsection (c), a person whose employment is suspended or terminated is entitled to appropriate injunctive relief, including, if applicable:

(1) reinstatement in the person's former position; and

(2) reinstatement of lost fringe benefits or seniority rights.

(e) The petitioner, not later than the 90th day after the date on which the person's employment is suspended or terminated, must bring suit or notify the Texas Workforce Commission of the petitioner's intent to sue under this section. A petitioner who notifies the Texas Workforce Commission under this subsection must bring suit not later than the 90th day after the date of the delivery of the notice to the commission. On receipt of the notice, the commission shall notify the facility of the petitioner's intent to bring suit under this section.

(f) The petitioner has the burden of proof, except that there is a rebuttable presumption that the person's employment was suspended or terminated for reporting abuse, neglect, or exploitation if the person is suspended or terminated within 60 days after the date on which the person reported in good faith.
(g) A suit under this section may be brought in the district court of the county in which:
   (1) the plaintiff resides;
   (2) the plaintiff was employed by the defendant; or
   (3) the defendant conducts business.

(h) Each facility shall require each employee of the facility, as a condition of employment with the facility, to sign a statement that the employee understands the employee's rights under this section. The statement must be part of the statement required under Section 260A.002. If a facility does not require an employee to read and sign the statement, the periods under Subsection (e) do not apply, and the petitioner must bring suit not later than the second anniversary of the date on which the person's employment is suspended or terminated.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.015. RETALIATION AGAINST VOLUNTEERS, RESIDENTS, OR FAMILY MEMBERS OR GUARDIANS OF RESIDENTS. (a) A facility may not retaliate or discriminate against a volunteer, resident, or family member or guardian of a resident because the volunteer, resident, resident's family member or guardian, or any other person:
   (1) makes a complaint or files a grievance concerning the facility;
   (2) reports a violation of law, including a violation of Chapter 242 or 247 or a rule adopted under Chapter 242 or 247; or
   (3) initiates or cooperates in an investigation or proceeding of a governmental entity relating to care, services, or conditions at the facility.

(b) A volunteer, resident, or family member or guardian of a resident who is retaliated or discriminated against in violation of Subsection (a) is entitled to sue for:
   (1) injunctive relief;
   (2) the greater of $1,000 or actual damages, including damages for mental anguish even if an injury other than mental anguish is not shown;
   (3) exemplary damages;
   (4) court costs; and
reasonable attorney's fees.

(c) A volunteer, resident, or family member or guardian of a resident who seeks relief under this section must report the alleged violation not later than the 180th day after the date on which the alleged violation of this section occurred or was discovered by the volunteer, resident, or family member or guardian of the resident through reasonable diligence.

(d) A suit under this section may be brought in the district court of the county in which the facility is located or in a district court of Travis County.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.016. REPORTS RELATING TO DEATHS OF RESIDENTS OF AN INSTITUTION. (a) In this section, "institution" has the meaning assigned by Section 242.002.

(b) An institution shall submit a report to the department concerning deaths of residents of the institution. The report must be submitted not later than the 10th day after the last day of each month in which a resident of the institution dies. The report must also include the death of a resident occurring within 24 hours after the resident is transferred from the institution to a hospital.

(c) The institution must make the report on a form prescribed by the department. The report must contain the name and social security number of the deceased.

(d) The department shall correlate reports under this section with death certificate information to develop data relating to the:

1. name and age of the deceased;
2. official cause of death listed on the death certificate;
3. date, time, and place of death; and
4. name and address of the institution in which the deceased resided.

(e) Except as provided by Subsection (f), a record under this section is confidential and not subject to the provisions of Chapter 552, Government Code.

(f) The department shall develop statistical information on official causes of death to determine patterns and trends of
incidents of death among residents and in specific institutions. Information developed under this subsection is public.

(g) A licensed institution shall make available historical statistics on all required information on request of an applicant or applicant's representative.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.

Sec. 260A.017. DUTIES OF LAW ENFORCEMENT; JOINT INVESTIGATION. (a) The department shall investigate a report of abuse, neglect, exploitation, or other complaint described by Section 260A.007(c)(1) jointly with:

(1) the municipal law enforcement agency, if the facility is located within the territorial boundaries of a municipality; or

(2) the sheriff's department of the county in which the facility is located, if the facility is not located within the territorial boundaries of a municipality.

(b) The law enforcement agency described by Subsection (a) shall acknowledge the report of abuse, neglect, exploitation, or other complaint and begin the joint investigation required by this section within 24 hours after receipt of the report or complaint. The law enforcement agency shall cooperate with the department and report to the department the results of the investigation.

(c) The requirement that the law enforcement agency and the department conduct a joint investigation under this section does not require that a representative of each agency be physically present during all phases of the investigation or that each agency participate equally in each activity conducted in the course of the investigation.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.05(c), eff. September 28, 2011.
municipality may:

(1) construct or establish one or more hospitals and control and regulate those hospitals; and

(2) prohibit or permit and regulate the establishment of private hospitals.

SUBCHAPTER B. SALE, LEASE, OR CLOSURE OF MUNICIPAL HOSPITAL

Sec. 261.011. AUTHORITY OF GOVERNING BODY. (a) The governing body of a municipality by ordinance may order the sale, lease, or closure of all or part of a hospital owned and operated by the municipality, including real property. The ordinance must include a finding by the governing body that the sale, lease, or closure is in the best interest of the residents of the municipality.

(b) A sale or closure may not take effect before the expiration of the period in which a petition may be filed under Section 261.012.

Sec. 261.012. SALE OR CLOSURE PETITION; ELECTION. (a) The governing body shall order and conduct an election on the sale or closure of a hospital if, before the 31st day after the date the governing body orders the sale or closure, the governing body receives a petition signed by at least 10 percent of the qualified voters of the municipality requesting the election.

(b) If a petition is filed under Subsection (a), the sale or closure is contingent on voter approval. If a majority of the qualified voters voting on the question approve the sale or closure, the hospital may be sold or closed. The number of qualified voters of the municipality is determined according to the most recent official list of qualified voters.

Sec. 261.013. FORM AND TERMS OF LEASE IN MUNICIPALITY OF 25,000 OR LESS. (a) The governing body of a municipality with a population of 25,000 or less may lease all or part of a hospital owned by the
municipality for operation by the lessee as a public hospital under terms that are satisfactory to the governing body and the lessee. The term of the lease may not exceed 50 years.

(b) The lease must:

(1) be authorized by ordinance or resolution adopted by the governing body;

(2) be executed on behalf of the municipality by the mayor and the municipal secretary or clerk; and

(3) have the seal of the municipality impressed on the lease.

SUBCHAPTER C. LIABILITY OF NONPROFIT MANAGEMENT CONTRACTOR

Sec. 261.051. DEFINITION. In this subchapter, "municipal hospital management contractor" means a nonprofit corporation, partnership, or sole proprietorship that manages or operates a hospital or provides services under a contract with a municipality or municipal hospital authority.

Sec. 261.052. LIABILITY OF A MUNICIPAL HOSPITAL MANAGEMENT CONTRACTOR. A municipal hospital management contractor in its management or operation of a hospital under a contract with a municipality or a municipal hospital authority is considered a governmental unit for purposes of Chapters 101, 102, and 108, Civil Practice and Remedies Code, and any employee of the contractor is, while performing services under the contract for the benefit of the hospital, an employee of the municipality for the purposes of Chapters 101, 102, and 108, Civil Practice and Remedies Code.

CHAPTER 262. MUNICIPAL HOSPITAL AUTHORITIES

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 262.001. SHORT TITLE. This chapter may be cited as the Hospital Authority Act.

Sec. 262.002. DEFINITIONS. In this chapter:

(1) "Authority" means a hospital authority created under this chapter.

(2) "Board" means the board of directors of an authority.

(3) "Bond" includes a note.

(4) "Bond resolution" means the resolution authorizing the issuance of revenue bonds.

(5) "Governing body" means the governing body of a municipality.

(6) "Hospital" means a hospital project as defined by Section 223.002.

(7) "Trust indenture" means the mortgage, deed of trust, or other instrument pledging revenues of, or creating a mortgage lien on, properties to secure revenue bonds issued by an authority.

(8) "Trustee" means the trustee under a trust indenture.

Sec. 262.003. CREATION. (a) A governing body may adopt an ordinance creating a hospital authority and designating the name of the authority if the governing body finds that creation of the authority is in the best interest of the municipality and its residents.

(b) The governing bodies of two or more municipalities may each adopt an ordinance creating a hospital authority that includes those municipalities and designating the name of the authority if the governing bodies find that creation of the authority is in the best interest of the municipalities.

(c) The authority is composed only of the territory in each municipality in the authority.
(d) The authority is a body politic and corporate.
(e) The authority does not have taxing power.

Sec. 262.004. TAX EXEMPTION. The authority's property is exempt from taxation because it is held for public purposes only and devoted exclusively to the use and benefit of the public.

Sec. 262.005. DISSOLUTION. (a) A governing body by ordinance may dissolve an authority created by the governing body if the governing body and the authority provide for the sale or transfer of the authority's assets and liabilities to the municipality or to another person.

(b) The dissolution of an authority and the sale or transfer of the authority's assets and liabilities may not:

(1) violate a trust indenture or bond resolution relating to the outstanding bonds of the authority; or

(2) diminish or impair the rights of the holders of outstanding bonds, warrants, or other obligations of the authority.

(c) Except as otherwise provided by this section, an ordinance dissolving an authority takes effect on the 31st day after the date the governing body adopts the ordinance.

(d) If before the ordinance takes effect the municipality receives a petition requesting a referendum on the dissolution that is signed by a number of registered voters of the municipality equal to at least 10 percent of the number of voters who voted in the most recent municipal election, the ordinance does not take effect and the governing body shall order the election.

(e) Section 41.001(a), Election Code, requiring an election to be held on a uniform election date, does not apply to an election under this section. The ballot shall be printed to provide for voting for or against the proposition: "Dissolution of the (name of the authority)."

(f) If a majority of the votes in the election are cast in favor of the proposition, the ordinance takes effect on a date stated in the order declaring the results of the election. If a majority of
the votes in the election are cast against the proposition, the ordinance does not take effect and the governing body may not adopt an ordinance dissolving the authority before the first anniversary of the date of the election. That ordinance is also subject to the petition and election requirements of this section.

SUBCHAPTER B. BOARD OF DIRECTORS

Sec. 262.011. BOARD OF DIRECTORS. (a) The authority is governed by a board of directors with at least seven and not more than 11 members.

(b) The number of directors shall be determined at the time the authority is created. The number may be changed by amendment of the ordinance or ordinances creating the authority unless prohibited by the resolution authorizing the issuance of bonds or by the trust indenture securing the bonds. However, a reduction in the number of directors may not shorten the term of an incumbent director.

Sec. 262.012. APPOINTMENT OF BOARD; TERMS OF OFFICE. (a) The governing body or governing bodies shall appoint the directors of the authority for terms not to exceed two years except as otherwise provided by this section. If the authority includes more than one municipality, each governing body shall appoint an equal number of directors unless the governing bodies agree otherwise.

(b) The resolution authorizing the issuance of revenue bonds or the trust indenture securing the bonds may prescribe the method of selecting a majority of the directors and the term of office of those directors, and the terms of directors appointed before the issuance of the bonds are subject to the resolution or trust indenture. The governing body or governing bodies shall appoint the remaining directors.

(c) The trust indenture may provide that in the event of a default, as defined in the trust indenture, the trustee may appoint all directors. On that appointment, the terms of the directors in office terminate.

(d) If the authority purchases an existing hospital or a
hospital under construction from a nonprofit corporation, the directors shall be determined as provided in the contract of purchase.

(e) If the authority is financed under Chapter 223, the governing body or governing bodies by ordinance may require the board to submit nominees for appointment to the board. If a nominee is rejected by the governing body or governing bodies, the board shall submit another nominee. The governing body or governing bodies shall select the directors from the nominees submitted by the board and any other nominee submitted by a member of a governing body. The governing body or governing bodies may also limit the number of successive terms that a director may serve.

(f) An officer or employee of a municipality in the authority is not eligible for appointment as a director.

Sec. 262.013. OFFICERS. (a) The board shall elect:
(1) a president and a vice-president, who must be directors;
(2) a secretary and a treasurer, who are not required to be directors; and
(3) any other officers authorized by the authority's bylaws.

(b) The offices of secretary and treasurer may be combined.

Sec. 262.014. AUTHORITY OF BOARD. (a) Action may be taken by a majority of the directors present if a quorum is present.

(b) The president has the same right to vote as other directors.

Sec. 262.015. COMPENSATION. A director may not receive compensation for services but is entitled to reimbursement for expenses incurred in performing services.
SUBCHAPTER C. POWERS AND DUTIES

Sec. 262.021. GENERAL POWERS. (a) The authority has the power of perpetual succession.
(b) The authority may:
(1) have a seal;
(2) sue and be sued; and
(3) make, amend, and repeal its bylaws.

Sec. 262.022. ACQUISITION, OPERATION, AND LEASE OF HOSPITALS.
(a) The authority may construct, purchase, enlarge, furnish, or equip one or more hospitals. A hospital may be located outside the municipality or municipalities.
(b) The authority may operate and maintain one or more hospitals. The authority shall operate a hospital without the intervention of private profit for the use and benefit of the public unless the authority leases the hospital.
(c) The board may lease a hospital, or part of a hospital, owned by the authority for operation by the lessee as a hospital under terms that are satisfactory to the board and the lessee. The lease must:
(1) be authorized by resolution of the board;
(2) be executed on behalf of the authority by the president and secretary of the board; and
(3) have the seal of the authority impressed on the lease.
(d) The bond resolution or trust indenture may prescribe procedures and policies for the operation of a hospital. If a hospital is used, operated, or acquired by a nonprofit corporation or is leased, the authority may delegate to the nonprofit corporation or lessee the duty to establish the procedures and policies.

Sec. 262.0225. AUTHORITY TO BORROW MONEY. (a) This section applies only to an authority created by a municipality with a
population of less than 25,000.

(b) The board may, on behalf of the authority, borrow money from a federally insured lending institution for any of the authority's purposes.

(c) The board may borrow money in the amount it considers advisable subject to a rate of interest and other terms and conditions it considers advisable.

(d) A loan for which bonds are pledged shall mature not later than the first anniversary of the date on which the loan is made.

Sec. 262.023. EMPLOYEES. (a) The board may employ a manager or executive director of a hospital and other employees, experts, and agents.

(b) The board may delegate to the manager or executive director the authority to manage the hospital and to employ and discharge employees.

(c) The board may employ legal counsel.

Sec. 262.024. MANAGEMENT AGREEMENT. (a) The board may enter into an agreement with any person for the management or operation of a hospital, or part of a hospital, owned by the authority under terms that are satisfactory to the board and the contracting party.

(b) The agreement must:
   (1) be authorized by resolution of the board;
   (2) be executed on behalf of the authority by the president and secretary of the board; and
   (3) have the seal of the authority impressed on the agreement.

(c) The board may delegate to the manager the authority to manage the hospital and to employ and discharge employees.

Sec. 262.025. COMMITTEES. (a) The board, by a resolution adopted by a majority of the directors in office, may designate one or more committees if authorized to do so by the authority's bylaws.

(b) At least two directors must serve on each committee. Each committee may have additional nonvoting members who are not directors if authorized by the resolution or the bylaws.

(c) A committee may exercise the board's power to manage the authority to the extent and in the manner provided by the resolution or the bylaws. However, the board may not delegate to a committee the authority to:

1. issue bonds;
2. make or amend a lease of a hospital or a management agreement relating to a hospital; or
3. employ or discharge a manager or executive director.

Sec. 262.026. RATES FOR HOSPITAL SERVICES. (a) Except as provided by Subsection (b), through charging sufficient rates for services provided by a hospital and through its other revenue sources the board shall produce revenue sufficient to:

1. pay the expenses of owning, operating, and maintaining the hospital;
2. pay the interest on the bonds as it becomes due;
3. create a sinking fund to pay the bonds as they become due; and
4. create and maintain a bond reserve fund and other funds as provided in the bond resolution or trust indenture.

(b) If the hospital is used, operated, or acquired by a nonprofit corporation under Chapter 223 or is leased, the board shall require the nonprofit corporation or the lessee to charge rates for services provided by the hospital that are sufficient with the nonprofit corporation's or lessee's other sources of revenue to:

1. pay the expenses of operating and maintaining the hospital; and
2. make payments or pay rentals to the authority that are sufficient with the authority's other pledged sources of estimated revenue to:

A. pay the interest on the bonds as it becomes due;
(B) create a sinking fund to pay the bonds as they become due; and

(C) create and maintain a bond reserve fund and other funds as provided in the bond resolution or trust indenture.

Sec. 262.027. DEPOSITORY. The authority may:

(1) select a depository in the same manner that a municipality may select a depository under Chapter 105, Local Government Code; or

(2) award its depository contract to the depository or depositories selected as the depository or depositories of the municipality or municipalities in the authority and on the same terms as the terms of the municipal depository agreement or agreements.

Sec. 262.028. EMINENT DOMAIN. (a) To carry out a power granted by this chapter, the authority may acquire the fee simple title to land, other property, and easements by condemnation under Chapter 21, Property Code.

(b) The authority is considered to be a municipal corporation for the purposes of Section 21.021(c), Property Code.

(c) The board shall determine the amount and character of the interest in land, other property, and easements to be acquired under this section.

Sec. 262.029. GIFTS AND ENDOWMENTS. The board may accept gifts and endowments to hold and administer as required by the respective donors.

Sec. 262.030. MEDICAL RECORDS. (a) The preservation,
(b) The period that medical records are retained shall be in accordance with rules relating to the retention of medical records adopted by the Texas Department of Health and with other applicable federal and state laws and rules.

Sec. 262.031. SALE OF PROPERTY; GENERAL PROVISIONS. (a) The board may sell, through sealed bids or at a public auction, real property acquired by gift or purchase that the board determines is not needed for hospital purposes if the sale does not violate:

(1) a trust indenture or bond resolution relating to outstanding bonds of the authority;

(2) prior restrictions placed on the use of the property; or

(3) an agreement between the authority and a nonprofit corporation under Chapter 223.

(b) If the board conducts the sale by sealed bids, the board shall provide notice of the sale under Section 272.001, Local Government Code.

(c) If the board conducts the sale by public auction, the board shall publish a notice of the sale once a week for three consecutive weeks in a newspaper of general circulation in each municipality in the authority. The notice must include a description of the property and the date, time, and place of the auction. The first notice must be published not later than the 21st day before the date of the auction.

(d) This section does not affect the authority's powers under Chapter 223.

Sec. 262.032. SALE OF PROPERTY TO POLITICAL SUBDIVISION. (a) The authority may sell property to a political subdivision for the fair market value of the property.

(b) The board must publish a notice of its intention to sell, a
description of the property, and the scheduled date of sale in one or more newspapers of general circulation in the authority once a week for two consecutive weeks. The first notice must be published not later than the 15th day before the scheduled sale date.

(c) A petition requesting an election on the question of the sale, signed by at least 10 percent of the qualified voters residing in the authority, may be presented to the secretary or president of the board before the scheduled sale date.

(d) The board shall order the election on receiving the petition. If no petition is filed, the board may sell the property without an election or may order an election on its own motion. The order must contain the same information contained in the notice of the election under Subsection (f).

(e) Section 41.001(a), Election Code, requiring elections to be held on uniform election dates, does not apply to the election.

(f) In addition to the contents of the notice required by the Election Code, the notice must state the names of the presiding judge, alternate judge, and clerks for each polling place. The board shall publish notice of the election in one or more newspapers of general circulation in the authority once a week for two consecutive weeks. The first notice must be published not later than the 31st day before election day.

(g) The ballot shall be printed to provide for voting for or against the proposition: "The sale of _____ by the ____________ Hospital Authority."

(h) If a majority of qualified voters who vote in the election favor the sale, the board may sell the property.

(b) A sale or closing may not take effect before the expiration of the period in which a petition may be filed under Subsection (c).

(c) The board shall order and conduct an election on the sale or closing of a hospital if, before the 31st day after the date the governing body authorizes the sale or closing, the board receives a petition requesting the election signed by at least 10 percent of the qualified voters of the authority. The number of qualified voters is determined according to the most recent official list of registered voters.

(d) If a petition is filed under Subsection (c), the hospital may be sold or closed only if a majority of the qualified voters voting on the question approve the sale or closing.

Sec. 262.0331. EXPENDITURE OF FUNDS FOR PUBLIC HEALTH INITIATIVES AFTER SALE OR CLOSING OF HOSPITAL. (a) If, after the sale or closing of a hospital under Section 262.033, the authority does not own or operate a hospital, the board may use the authority's available assets to promote public health and general welfare initiatives that the board determines will benefit the residents served by the authority, including:

(1) owning, operating, or funding an indigent health care clinic, medical research facility, medical training facility, or other health care facility;

(2) providing direct or indirect financial assistance to a nonprofit organization that:

(A) owns or operates a hospital, indigent health care clinic, medical research facility, medical training facility, or other health care facility; or

(B) supports an initiative promoting health education, wellness, or disease prevention; and

(3) undertaking any other activity that the board determines is necessary or appropriate to improve public health, promote wellness, prevent disease, or enhance the general welfare of the residents served by the authority.

(b) The board may not make an expenditure under Subsection (a) unless:

(1) the board makes appropriate provisions for the
satisfaction of any outstanding bonds, debt obligations, or other liabilities of the authority;

(2) the predominant purpose of the expenditure is to promote the public health and general welfare of the residents served by the authority; and

(3) the board establishes sufficient controls to ensure that the expenditure promotes the public health and general welfare of the residents served by the authority.

Added by Acts 2013, 83rd Leg., R.S., Ch. 154 (S.B. 233), Sec. 1, eff. September 1, 2013.

Sec. 262.034. FACILITIES AND SERVICES FOR ELDERLY AND DISABLED.

(a) The authority may construct, acquire, own, operate, enlarge, improve, furnish, or equip one or more of the following types of facilities or services for the care of the elderly or disabled:

(1) a nursing home or similar long-term care facility;
(2) elderly housing;
(3) assisted living;
(4) home health;
(5) personal care;
(6) special care;
(7) continuing care; and
(8) durable medical equipment.

(b) The authority may lease or enter into an operations or management agreement relating to all or part of a facility or service for the care of the elderly or disabled that is owned by the authority. The authority may sell, transfer, otherwise convey, or close all or part of the facility and may discontinue a service.

(c) The authority may issue revenue bonds and other notes in accordance with this chapter to acquire, construct, or improve a facility for the care of the elderly or disabled or to implement the delivery of a service for the care of the elderly or disabled.

(d) For the purposes of this section, a facility or service described by Subsection (a) is considered to be a hospital project under Chapter 223 (Hospital Project Financing Act).

(e) This section applies only to an authority that owns or operates a hospital licensed under Chapter 241 and that is located in:
(1) a county with a population of 225,000 or less;
(2) those portions of extended municipalities that the federal census bureau has determined to be rural;
(3) an area that is not delineated as an urbanized area by the federal census bureau; or
(4) a municipality with a population of less than 12,000 and a county with a population of 2.5 million or more at the time the authority begins operating a facility or providing a service described by Subsection (a).

(f) This section does not authorize the authority to issue revenue bonds or other notes in accordance with this chapter to construct, acquire, own, enlarge, improve, furnish, or equip a facility or service listed in Subsection (a) if a private provider of the facility or service is available and accessible in the service area of the authority.

(g) An authority described by Subsection (e)(4) may not own or operate more than 50 licensed nursing home beds under this section and is not subject to Subsection (f).

Sec. 262.035. POWERS AND DUTIES OF CERTAIN HOSPITAL AUTHORITIES; LEASE. (a) This section applies only to an authority created in a county with a population of at least 350,000 in which a hospital district is not located.

(b) A municipality may lease to an authority subject to this section all or part of a hospital and any other health facilities owned by the municipality. The lease may provide that the municipality may retain during the term of the lease specified rights relating to the operation of the authority and the facilities leased from the municipality. The lease may provide that:

(1) the municipality may retain the power to appoint all directors of the authority, notwithstanding Section 262.012;

(2) the authority is required to perform specified health care services on behalf of the municipality;

(3) the municipality may agree to fund specified health
care services;

(4) the authority is prohibited from eliminating or curtailing specified health care services offered at the facilities leased from the municipality without prior consultation with or the approval of the municipality;

(5) the authority is prohibited from subletting the facilities leased from the municipality or assigning its rights under the lease for a total term of more than five years, or entering into a management contract for the operation of the facilities leased from the municipality as a whole, or pledging the authority's revenues derived from the operation of the facilities leased from the municipality, without prior consultation with or the approval of the municipality;

(6) the board may be subject to any ethics or conflict of interest ordinance applicable to other sovereign city boards and commissions adopted by the municipality and any goals for hiring and contracting with minorities or women adopted by and for the municipality;

(7) the authority will comply with Chapter 252, Local Government Code, relating to purchasing and contracts;

(8) the municipality may issue general obligation bonds for the use and benefit of the authority;

(9) an authority and its employees may participate in the municipality's employee retirement plan, employee health plans, and other employee benefit plans; and

(10) the lease may contain other terms and conditions that the municipality and authority agree on and which are not prohibited by law or by the constitution.

(c) If the municipality retains in the lease the right to appoint all members of the board, the municipality may remove the entire board or any member of the board at any time with cause. The municipality may remove the board or a member of the board under this subsection only after reasonable written notice to the board or board members and on the affirmative vote of a majority of the members of the governing body of the municipality.

(d) For purposes of Chapters 101 and 102, Civil Practice and Remedies Code, a municipal hospital authority subject to this section is a unit of local government and not a municipality.

(e) An authority subject to this section is subject to Chapter 551, Government Code, and Chapter 552, Government Code.
Sec. 262.036. RETIREMENT BENEFITS. If any authority is created by the governing body of a municipality which has established a municipal retirement system pursuant to Chapter 451, Acts of the 72nd Legislature, Regular Session, 1991 (Article 6243n, Vernon's Texas Civil Statutes), then the board of such authority shall have the authority to provide and shall provide retirement benefits for employees of the authority by participating in and making all contributions required or authorized by the municipal retirement system established by the municipality pursuant to Chapter 451, Acts of the 72nd Legislature, Regular Session, 1991 (Article 6243n, Vernon's Texas Civil Statutes).

Sec. 262.037. ESTABLISHMENT OF NONPROFIT CORPORATION. (a) The authority may form and sponsor a nonprofit corporation under the Texas Nonprofit Corporation Law, as described by Section 1.008, Business Organizations Code, to own and operate all or part of one or more ancillary health care facilities consistent with the purposes of an authority under this chapter.

(b) The board shall appoint the board of directors of a nonprofit corporation formed under this section.

(c) The authority may contribute money to or solicit money for the nonprofit corporation. If the authority contributes money to or solicits money for the corporation, the authority shall establish procedures and controls sufficient to ensure that the money is used by the corporation for public purposes.

(d) A nonprofit corporation formed under this section has the same powers as a development corporation under Section 221.030.

(e) A nonprofit corporation formed under this section shall comply with Chapter 2258, Government Code, in the same manner and to the same extent that the authority is required to comply with that
Sec. 262.038. HOSPITAL AUTHORITY CONTRACTS, COLLABORATIONS, AND JOINT VENTURES. The authority may, directly or through any nonprofit corporation formed by the authority, contract, collaborate, or enter into a joint venture with any public or private entity as necessary to carry out the functions of or provide services to the authority.

Added by Acts 2007, 80th Leg., R.S., Ch. 470 (H.B. 2168), Sec. 1, eff. June 16, 2007.

Sec. 262.039. INVESTMENT OF AUTHORITY FUNDS. (a) This section applies only to an authority that:

(1) is located in a county of 3.3 million or more;
(2) has no outstanding bonds issued under Subchapter D; and
(3) does not own or operate a hospital.

(b) Notwithstanding any other law, an authority may invest authority funds:

(1) as provided by Chapter 2256, Government Code; and
(2) in any investment a trustee is authorized to make under Subtitle B, Title 9, Property Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 154 (S.B. 233), Sec. 1, eff. September 1, 2013.

SUBCHAPTER D. BONDS

Sec. 262.041. REVENUE BONDS. (a) The authority may issue revenue bonds to provide funds for any of the authority's purposes.

(b) Revenue bonds must be payable from, and secured by a pledge of, revenues from the operation of one or more hospitals and any other revenues from owning hospital property. Additionally, revenue bonds may be secured by a mortgage or deed of trust on real property owned by the authority or by a chattel mortgage on the authority's personal property.
Sec. 262.042. FORM AND PROCEDURE. (a) Revenue bonds must be authorized by a resolution adopted by a majority vote of a quorum of the board. The bonds must:

(1) be signed by the president or vice-president of the board;

(2) be countersigned by the secretary of the board; and

(3) have the seal of the authority impressed or printed on the bonds.

(b) Printed facsimile signatures may be substituted for the actual signatures of the president, vice-president, or secretary.

Sec. 262.043. TERMS. (a) Revenue bonds must mature serially or otherwise not more than 40 years after they are issued.

(b) Revenue bonds may:

(1) be sold at a price and under terms that the board considers the most advantageous reasonably obtainable, except that the net effective interest rate computed according to Chapter 1204, Government Code, may not exceed 10 percent a year;

(2) be made callable before maturity at times and prices prescribed in the resolution authorizing the bonds; and

(3) be made registrable as to principal or as to principal and interest.

Sec. 262.044. NOTICE. (a) Before the board adopts a resolution authorizing the issuance of bonds other than refunding bonds, the board shall publish a notice of its intention to adopt the resolution and of the maximum amount and maximum maturity of the bonds.

(b) The notice must be published once a week for two consecutive weeks in one or more newspapers of general circulation in the authority. The first notice must be not later than the 15th day...
before the date set for adoption of the resolution.

Sec. 262.045. REFERENDUM. (a) A petition requesting an election on the proposition for the issuance of the revenue bonds may be presented to the president or secretary of the board before the date set for the adoption of the bond resolution. The petition must be signed by at least 10 percent of the qualified voters residing in the authority who own taxable property in the authority.

(b) The election shall be ordered and held as provided by Chapter 1251, Government Code. The board, president, and secretary shall perform the functions assigned under that chapter respectively to the municipality's governing body, mayor, and municipal secretary.

(c) If a majority of voters who vote at the election approve the issuance of the bonds, the board may issue the bonds. If a petition is not filed, the board may issue the bonds without an election. However, the board may order the election on its own motion if a petition is not filed.

Sec. 262.046. JUNIOR LIEN BONDS; PARITY BONDS. (a) Bonds constituting a junior lien on the revenues or properties may be issued unless prohibited by the bond resolution or the trust indenture.

(b) Parity bonds may be issued under conditions specified by the bond resolution or trust indenture.

Sec. 262.047. BOND PROCEEDS; INVESTMENT OF FUNDS. (a) The board may set aside from the proceeds from the sale of bonds:

(1) an amount for payment of not more than two years' interest on the bonds;

(2) the amount required for operating expenses during the first year of operation as estimated by the board; and
(3) an amount to fund any bond reserve fund or other reserve funds provided for in the bond resolution or trust indenture.

(b) The bond proceeds may be deposited in banks and paid out under terms as provided in the bond resolution or trust indenture.

(c) The law relating to the security for and the investment of municipal funds controls, to the extent applicable, the investment of the authority's funds. The bond resolution or trust indenture may further restrict those investments. Additionally, the authority may invest its bond proceeds, until that money is needed, as authorized by the bond resolution or trust indenture.

Sec. 262.048. REFUNDING BONDS. (a) The authority may issue bonds to refund outstanding bonds in the same manner that other bonds are issued under this chapter.

(b) Bonds issued under this chapter may be exchanged by the comptroller or sold. The proceeds shall be applied as provided by Subchapters B and C, Chapter 1207, Government Code, or other applicable law.

Sec. 262.049. APPROVAL AND REGISTRATION OF BONDS. (a) The authority shall submit to the attorney general bonds issued under this chapter and the record relating to the issuance of those bonds.

(b) If the attorney general finds that the bonds were issued in accordance with this chapter, are valid and binding obligations of the authority, and are secured as recited in the bonds:

(1) the attorney general shall approve the bonds; and

(2) the comptroller shall register the bonds and certify the registration on the bonds.

(c) Following approval and registration, the bonds are incontestable.

(d) The bonds are negotiable and must contain the following provision: "The holder hereof shall never have the right to demand payment thereof out of money raised or to be raised by taxation."
Sec. 262.050. LEGAL INVESTMENTS; SECURITY FOR DEPOSITS. (a) Bonds issued under this chapter are legal and authorized investments for:

1. a bank;
2. a savings bank;
3. a trust company;
4. a savings and loan association;
5. an insurance company; or
6. the interest and sinking fund or other public fund of an authority.

(b) The bonds are eligible and lawful security, to the extent of the value of the bonds, for the deposits of public funds of the state or an authority if accompanied by all appurtenant unmatured interest coupons.

SUBCHAPTER B. ESTABLISHING, ENLARGING, SELLING, AND CLOSING COUNTY HOSPITALS

Sec. 263.021. ESTABLISHING OR ENLARGING HOSPITAL ON PETITION; SUBMISSION OF BOND PROPOSITION. (a) The commissioners court of a county may establish a county hospital or any medical or other health facility or enlarge an existing hospital or facility for the care and treatment of persons who are sick or injured in accordance with this subchapter.

(b) Ten percent or more of the qualified property taxpaying voters of a county may petition the commissioners court of the county to establish or enlarge a county hospital or any medical or other health facility.

(c) A petition may not be presented to the commissioners court during the 12-month period succeeding the date on which a petition under this section was last presented to the court unless the county does not own a hospital.

(d) On proper petition, the commissioners court shall, within the period designated in the petition, submit to the qualified voters of the county at a special or regular election the proposition of issuing bonds in the amount designated in the petition to establish or enlarge the hospital or facility.

(e) The commissioners court may not submit to the voters a bond proposition to establish or enlarge a county hospital or facility more than twice during any 12-month period.

Sec. 263.022. POWERS AND DUTIES OF COMMISSIONERS COURT AFTER PASSAGE OF BOND PROPOSITION. (a) If a bond proposition under Section 263.021 is approved by a majority of the qualified voters voting at the election, the commissioners court of the county shall establish or enlarge a hospital or medical or other health facility as provided in the proposition and maintain the hospital or facility.

(b) In establishing, enlarging, or maintaining a hospital or facility, the commissioners court may:

(1) purchase or lease real or personal property or acquire real property and easements to real property by condemnation;
(2) purchase or construct any necessary buildings;
(3) make necessary improvements, repairs, and alterations to an existing building;
(4) impose property taxes in the county for all necessary expenditures related to the hospital or facility, including maintenance expenses;
(5) issue county bonds to provide funds to establish, enlarge, and equip the hospital or facility or make any necessary permanent improvements in connection with the hospital or facility; and
(6) accept and hold a grant or devise of land or a gift or bequest of money or personal property in trust for the county and apply the principal or income, or both, for the benefit of the hospital or facility and in accordance with the terms of the gift.

(c) Subject to this chapter, the commissioners court may purchase or lease real or personal property, or both, in an adjacent county if the court considers the purchase or lease necessary for hospital purposes. The commissioners court may not acquire real property in an adjacent county by condemnation.

Sec. 263.023. CONSTRUCTION OF HOSPITAL TO AVOID INADEQUATE CARE IN CERTAIN COUNTIES. (a) The commissioners court of a county shall provide for the construction of a county hospital if:

(1) the county has a municipality with more than 10,000 inhabitants as ascertained by the court in the manner determined by a resolution of the court; and
(2) the county does not have a county hospital or the county hospital is inadequate.

(b) The commissioners court shall provide for the construction of the hospital within six months after the date the number of inhabitants of the municipality exceeds 10,000 except that the Texas Board of Health may, for good cause, extend this period.

(c) The hospital must have a room or ward for the care of confinement cases and a room or ward for the temporary care of persons suffering from mental or nervous disease.

(d) The hospital must have separate buildings for persons suffering from tuberculosis and other communicable diseases.
(e) Sufficient accommodations shall be added to the hospital as needed to take care of persons in the county who are sick or injured.

(f) If adequate funds for the issuance of county warrants and scrip for the construction of the hospital are not available from the county, the commissioners court shall submit, either at a special election called for the purpose or at a regular election, the proposition of the issuance of county bonds for the construction of the hospital. If the proposition is not approved by a majority vote at the election, the court shall, on petition of 10 percent or more of the qualified voters of the county, resubmit the proposition.

(g) A petition may not be presented to the commissioners court if a petition has been presented to the court in the preceding 12 months.

Sec. 263.024. HOSPITAL REVENUE BONDS. (a) A county may issue revenue bonds for:

(1) acquiring, constructing, repairing, equipping, or renovating buildings and improvements for county hospital purposes; or

(2) acquiring land for county hospital purposes.

(b) The county may issue bonds to refund previously issued revenue bonds.

(c) The revenue bonds shall be payable from and secured by a pledge of all or a part of the revenues of the county derived from the operation of the hospital. The bonds may be additionally secured by a mortgage or deed of trust lien on all or part of the county's hospital property.

(d) The revenue bonds must be issued in accordance with Sections 264.042-264.047(a), 264.048, and 264.049, and with the effect specified by Section 264.050.

Sec. 263.025. HOSPITAL OPERATING FUNDS USED FOR IMPROVEMENTS IN COUNTIES OF 24,500 TO 25,500. The commissioners court of a county with a population of 24,500 to 25,500 may use excess money in the county hospital operating fund for making permanent improvements to
the county hospital and for the payment of county bonds issued for
the construction and improvement of a county hospital facility.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1991, 72nd Leg., ch. 597, Sec. 71, eff. Sept. 1, 1991; Acts

Sec. 263.026. HEALTH UNIT OR CENTER IN COUNTY WITH POPULATION
GREATER THAN 100,000.  (a) The commissioners court of a county with
a population of more than 100,000 that has a county hospital may
acquire sites and construct or otherwise acquire buildings to use for
county public health units or public health centers as part of the
county hospital system. The commissioners court may locate a health
unit or center anywhere in the county.

(b) Payments for the sites or buildings shall be made from the
county permanent improvement fund. To pay for a site or building for
a health unit or center, the commissioners court may:

(1) issue negotiable bonds and impose taxes to pay the
principal of and interest on the bonds in accordance with Subtitles A
and C, Title 9, Government Code;

(2) issue time warrants and impose taxes to pay the
principal of and interest on the time warrants in accordance with
Subchapter C, Chapter 262, Local Government Code; or

(3) by order issue certificates of indebtedness and impose
taxes to pay the principal of and interest on the certificates in
accordance with this section.

(c) The certificates of indebtedness must:

(1) mature not later than 35 years after the date of the
certificates; and

(2) be signed by the county judge and attested by the
county clerk, either by their actual or facsimile signatures as
provided by the order of issuance.

(d) The interest on certificates of indebtedness may be
evidenced by interest coupons at the discretion of the commissioners
court. The interest coupons must be executed by the facsimile
signatures of the county judge and county clerk.

(e) The certificates of indebtedness and the record relating to
their issuance shall be submitted to the attorney general for
examination. If the certificates are issued in accordance with the
Texas Constitution and this section, the attorney general shall approve the certificates and the comptroller shall register the certificates. If the certificates are registered, they are incontestable after they are delivered to the purchasers.

(f) The commissioners court shall sell the certificates of indebtedness for not less than their par value plus accrued interest. The commissioners court shall impose a continuing annual ad valorem tax sufficient to pay the principal of and interest on the certificates as each becomes due and payable.

(g) Certificates of indebtedness issued under this section are negotiable instruments.

(h) The commissioners court may issue refunding bonds to refund bonds and certificates issued under this section, subject to state law applicable to refunding bonds issued by counties. The commissioners court may issue the refunding bonds without notice or a referendum.

(i) The commissioners court may issue refunding bonds to refund time warrants issued under this section.

Sec. 263.027. APPROVAL OF CONSTRUCTION OR REPAIR BY BOARD OF HEALTH. If requested by the commissioners court of a county, the Texas Board of Health must approve plans for the construction, alteration, or repair of a hospital or facility under this chapter before the construction, alteration, or repair may begin.

Sec. 263.028. CONTRACT FOR CARE. (a) The commissioners court of a county that does not have a municipality with a population of more than 10,000 may contract with a hospital in the county, an incorporated society or municipality in the county that maintains a hospital, or an adjacent county for the care of residents of the county who are sick or injured.

(b) The term of the contract may not exceed one year.

Sec. 263.029. SALE OR LEASE OF HOSPITAL. (a) A county may sell or lease all or part of a county hospital or medical or other health facility operated by the county, including real property, if the commissioners court of the county, by order entered in the minutes of the court, finds that the sale or lease is in the best interest of the county.

(b) The commissioners court shall set a time and place for a hearing on the proposed sale or lease. The date of the hearing may not be earlier than the 16th day or later than the 30th day from the date of the order.

(c) The county clerk, immediately after the time and place of the hearing are set, shall give notice informing all qualified voters of the county and other persons interested in the issue of selling or leasing the hospital of the time and place of the hearing and their right to appear at the hearing and to speak for or against the proposed action. The county clerk shall publish notice once a week for two consecutive weeks in a newspaper published in the county. The first notice must be published not later than the 15th day before the date set for the hearing. If no newspaper is published in the county, the county clerk shall post the notice at the courthouse door for 14 days before the date set for the hearing.

(d) Ten percent or more of the qualified voters in the county may petition the commissioners court in writing before the time set for the hearing for a referendum on whether the hospital shall be sold or leased or shall continue under county operation. The commissioners court may not sell or lease the hospital unless the proposition to sell or lease the hospital is approved by a majority of the votes cast at the election. The election shall be held under and governed by the election provisions of Section 263.021.

(e) If no petition is filed with the county clerk, the commissioners court may conduct the hearing. Any person interested may appear in person or by attorney. The commissioners court may adjourn the hearing from day to day and from time to time as it considers necessary. On completion of the hearing, the commissioners court may enter an order determining whether or not to sell or lease the hospital. If the court finds that due notice was given, no petition was filed, and the proposed sale or lease is in the best interest of the county, the commissioners court may enter in its
minutes an order that the hospital be sold or leased.

(f) The commissioners court may submit the issue of the sale or lease to the voters and withhold its final determination pending the election even if no petition is filed.

(g) The court may sell the hospital or may lease the hospital to be operated as a hospital by the lessee under terms satisfactory to the commissioners court and the lessee. The commissioners court shall enter in its minutes an order of the sale or lease that contains a complete copy of the sales or lease contract.

(h) If 50 qualified property taxpaying voters in a county with a population of 5,000 to 10,390 file a written petition with the commissioners court requesting a referendum on the issue of leasing all or part of the county hospital and if the proposition to lease all or part of the hospital is not approved by a majority of the votes cast at the election, the commissioners court may not lease all or part of the hospital for a period greater than five years.

(i) The commissioners court may deposit all or part of the proceeds from the sale of a county hospital to the credit of a fund to be known as the county health care fund and shall deposit any of the remainder to the credit of the county general fund. The county health care fund may be used only to finance items related to providing health care to county residents, including indigent residents. The commissioners court may deposit to the credit of the county health care fund all or part of the interest from that fund and shall deposit any remainder to the credit of the county general fund.

Sec. 263.030. CLOSING OF HOSPITAL. (a) The commissioners court of a county by order on terms it considers reasonable may close a hospital or medical facility constructed, purchased, or acquired under this chapter.

(b) The order is final 30 days after the date of adoption unless at least 10 percent of the qualified voters in the county petition the commissioners court requesting an election to determine whether the hospital or facility should be closed.

(c) On proper petition, the commissioners court shall set a time for an election and shall submit to the qualified voters of the
county ballots providing for voting for or against the proposition: "The closing of (name of hospital or facility to be closed)."

Sec. 263.031. CLOSING PART OF HOSPITAL. A county may close a part of a county hospital.

SUBCHAPTER C. BOARD OF MANAGERS

Sec. 263.041. APPOINTMENT OF BOARD OF MANAGERS. (a) The commissioners court of a county shall appoint at least six but not more than 12 residents of the county as the board of managers of a county hospital or medical or other health facility after the court acquires the site for the hospital and awards the contracts for the buildings and improvements necessary for the hospital.

(b) A manager is appointed for a term of two years except that the commissioners court may set the terms of the initial managers at less than two years so that as close as possible to one-half of the managers' terms expire each year.

(c) An appointment to fill a vacancy is for the unexpired term.

(d) A vacancy is created if a manager misses three consecutive board meetings unless the board takes formal action to excuse the absences.

Sec. 263.042. OPERATION OF BOARD OF MANAGERS. (a) The board of managers shall elect from among its members a president, at least one vice-president, a secretary, and a treasurer.

(b) The county judge of the county in which the hospital is located may vote to break a tie vote by the board of managers.

(c) The board of managers shall meet at the hospital at least once a month and may meet at other times as provided by its bylaws.

(d) The board of managers shall hold an annual meeting before the beginning of the third week preceding the date of the meeting of the commissioners court at which the court considers appropriations
for the following year.

Sec. 263.043. COMPENSATION AND EXPENSES OF BOARD OF MANAGERS. (a) The commissioners court may provide hospitalization insurance as compensation for the services of the board of managers.

(b) The commissioners court shall pay and audit, in the same manner as other expenses of the hospital, the managers' actual and necessary traveling and other expenses within this state.

Sec. 263.044. TORT CLAIMS PAYMENTS. A member of the board of managers is a county officer for purposes of Chapter 102, Civil Practice and Remedies Code.

Sec. 263.045. REMOVAL OF MANAGER. After citation, the commissioners court may, at any time, remove a member of the board of managers from office for cause.

Sec. 263.046. GENERAL POWERS AND DUTIES OF BOARD OF MANAGERS. (a) The board of managers shall generally manage and control the hospital, including:

(1) its buildings and grounds;

(2) its officers and employees;

(3) its patients; and

(4) all matters relating to its government, discipline, contracts, and fiscal concerns.

(b) The board of managers may adopt rules it considers necessary to carry out the purposes of the hospital.

(c) The board of managers shall maintain an effective inspection of the hospital and keep itself informed of the hospital's
affairs and management.

Sec. 263.047. SALARIES. (a) The board of managers shall determine the salaries of the officers and employees of the hospital, including the superintendent.

(b) The salaries may not exceed the appropriation made for the salaries by the commissioners court.

(c) The salaries are full compensation for all services rendered.

Sec. 263.048. VISITING PHYSICIANS. (a) The board of managers shall appoint a staff of visiting physicians who visit and treat hospital patients at the request of the board or the superintendent.

(b) The physicians serve without pay from the county.

Sec. 263.049. DISCHARGE OF PATIENTS. (a) The board of managers shall make the final disposition of a case concerning the discharge of a patient from the hospital.

(b) The decision of the board of managers regarding discharge of a patient may not be appealed.

Sec. 263.050. DISPENSARIES AND CLINICS. (a) The board of managers may establish and operate:

(1) an outpatient department or a free dispensary and clinic at the hospital or in the municipality located nearest the hospital; and

(2) a branch dispensary or clinic in a municipality that is located in the county and that has 5,000 or more inhabitants.

(b) The board of managers shall appoint a physician to serve at
the dispensary or clinic, determine the time that the physician is required to spend at the dispensary or clinic, and fix the salary, if any, of the physician.

(c) The board of managers shall appoint a trained visiting nurse to serve in connection with the dispensary or clinic and the hospital. The board shall fix the salary of the nurse within the limits of the appropriation made for the salary by the commissioners court.

Sec. 263.051. SCHOOL FOR CHILDREN HAVING TUBERCULOSIS. (a) The board of managers may establish a special and separate school for the education, care, and treatment of children having tuberculosis.

(b) The school may be located at the hospital, in the municipality nearest the hospital, or in the largest municipality in the county.

(c) The school shall be conducted as a branch of the hospital and the children at the school are patients of the hospital and subject to this chapter.

(d) The board of managers shall employ a specially qualified teacher to instruct and care for the children of the school.

(e) The board of managers shall assign the superintendent of the hospital, a member of the staff of visiting physicians, or a physician serving a county dispensary or shall employ a physician to attend the children of the school and to supervise their care and treatment.

(f) The board of managers shall assign a nurse from the hospital or a visiting nurse or shall employ a nurse to assist in the care and treatment of the children of the school.

Sec. 263.052. CONTRACT FOR CARE BY BOARD. The board of managers may contract for the care of a person who is sick or injured and who applies to the hospital for admission. The board may contract for this care with:

(1) a hospital in the county; or
(2) an incorporated society or municipality in the county
that maintains a hospital.

Sec. 263.053. RECORDS. (a) The board of managers shall keep a proper record of its proceedings in a book provided for that purpose. The record must be open for inspection at all times to the board, the commissioners court, and any resident of the county.

(b) The board of managers shall certify all bills and accounts, including salaries and wages, and transmit them to the commissioners court, which shall provide for their payment in the same manner that other charges against the county are paid.

(c) The board of managers shall report to the commissioners court annually, and at other times as directed by the court, on the details of the operation during the year of the hospital dispensaries and school for children suffering from tuberculosis. The report must contain:

(1) the number of patients admitted and the methods and result of their treatment, together with suitable recommendations and other material required by the court; and

(2) full and detailed estimates of the appropriations required during the following year for all purposes, including maintenance, building construction, repairs, renewals, extensions, and improvements.

(d) The board of managers shall incorporate into its report to the commissioners court the accounts and records prepared by the superintendent of the hospital under Section 263.077.

SUBCHAPTER D. SUPERINTENDENT

Sec. 263.071. APPOINTMENT OF SUPERINTENDENT. (a) The board of managers shall appoint a superintendent of the hospital who holds office at the pleasure of the board.

(b) The superintendent may not be a member of the board of managers and must be a qualified practitioner of medicine or be specially trained for the work of a superintendent.

Sec. 263.072. ROLE OF SUPERINTENDENT. (a) The superintendent is the chief executive officer of the hospital.
    (b) The superintendent is subject to the bylaws and rules of the hospital and to the board of managers.
    (c) The board of managers shall determine the amount of time that a superintendent must spend at the hospital in the performance of the superintendent's duties.

Sec. 263.073. BOND. The superintendent, before beginning to discharge the duties of office, shall give a bond in a sum determined by the board of managers to secure the faithful performance of the superintendent's duties.

Sec. 263.074. GENERAL POWERS AND DUTIES OF SUPERINTENDENT. (a) The superintendent has general supervision and control of:
    (1) the records and accounts of the hospital;
    (2) the hospital buildings; and
    (3) the internal affairs of the hospital, including discipline.
    (b) The superintendent shall enforce the bylaws and rules adopted by the board of managers for the government, discipline, and management of the hospital and its employees and patients.
    (c) The superintendent may adopt additional rules and orders the superintendent considers necessary that are not inconsistent with law or the rules and directions of the board of managers.

Sec. 263.075. EQUIPPING THE HOSPITAL. (a) The superintendent shall, with the consent of the board of managers, equip the hospital with furniture, appliances, fixtures, and other facilities necessary for the care and treatment of patients and the use of officers and
employees.

(b) The superintendent shall purchase all supplies necessary for the hospital.

(c) Expenditures under this section may not exceed the amount provided for them by the commissioners court.

Sec. 263.076. OFFICERS AND EMPLOYEES. (a) With the consent of the board of managers, the superintendent shall appoint resident officers and employees considered proper and necessary by the superintendent for the efficient performance of the hospital's business.

(b) The superintendent shall determine the duties of the officers and employees of the hospital.

(c) The superintendent may discharge an officer or employee at the discretion of the superintendent for cause stated in writing after an opportunity for a hearing.

Sec. 263.077. ACCOUNTS AND RECORDS. (a) The superintendent shall require daily accounts and records of the hospital's business and operations.

(b) The superintendent shall require that:

(1) a record is kept of the condition of a patient on and after admission; and

(2) proper records and accounts are kept of the admission of a patient, including the patient's name, age, sex, color, marital condition, residence, occupation, and place of past employment.

(c) The superintendent shall present the accounts and records to the board of managers in an annual report.

Sec. 263.078. FORMS FOR ADMISSION. (a) The county hospital shall provide forms for application for admission to the hospital and the superintendent shall forward the forms free to a licensed
physician in the county in which the hospital is located at the request of the physician.

(b) An application for admission to a county hospital must be made, if practicable, on a form provided under this section.

Sec. 263.079. ADMISSION OF PERSONS FROM COUNTY. (a) A resident of a county in which a county hospital is located who desires treatment in the hospital may apply in person to the superintendent or to a licensed physician for examination. If the physician finds that the resident is sick or injured, the physician may apply to the superintendent for admission of the resident.

(b) After the superintendent receives an application for admission to the hospital, the superintendent shall notify the applicant to appear in person at the hospital if:

(1) it appears from the application that the applicant is sick or injured; and

(2) there is a vacancy in the hospital.

(c) The superintendent, acting under the general direction of the board of managers, shall admit an applicant for admission to the hospital in order of application or according to the urgency of need of treatment if:

(1) after a personal examination of the applicant, the superintendent is satisfied that the applicant is sick or injured; and

(2) the applicant resides in the county at the time of the application for admission to the hospital.

(d) An application for admission must state whether, in the judgment of the physician, the applicant is able to pay, in whole or in part, for the applicant's care and treatment while in the hospital.

(e) An application must be filed and recorded in a book kept for that purpose in the order it is received.

Sec. 263.080. ADMISSION OF PERSONS FROM ADJACENT COUNTY. The superintendent shall admit to the hospital a person sent by the
commissioners court of an adjacent county if:

(1) the adjacent county has contracted with the board of managers for the care and treatment of persons who are sick or injured;

(2) the person resides in the adjacent county at the time of the application for admission to the hospital; and

(3) there is sufficient provision for the care of persons who are sick or injured and who reside in the county in which the hospital is located.

Sec. 263.081. CONDITION AND TREATMENT OF PATIENT. The superintendent shall require that a patient's physical condition is carefully examined and the treatment the patient needs is provided.

Sec. 263.082. PAYMENT BY PATIENT. (a) A patient may not be permitted to pay an amount for the patient's maintenance in the hospital greater than the average per capita cost of maintenance in the hospital, including a reasonable allowance for the interest on the cost of the hospital.

(b) An officer or employee of a county hospital may not accept from a patient a fee, payment, or gratuity for any service.

Sec. 263.083. SUPPORT. (a) The superintendent shall inquire into a patient's circumstances and the circumstances of the patient's relatives legally responsible for the patient's support if the patient is admitted to the hospital from the county in which the hospital is located. If the superintendent finds that the patient or the patient's relatives are liable to pay for the patient's care and treatment in whole or in part, the superintendent shall issue an order directing the patient or the patient's relatives to pay to the treasurer of the hospital a specified amount each week in proportion to the financial ability of the patient or the patient's relatives to
pay.

(b) A patient or the patient's relatives may not be required to pay an amount greater than the actual per capita cost of maintenance.

(c) A superintendent may collect an amount owed under this section from the estate of a patient, or the relatives legally responsible for the patient's support, in the manner provided by law for the collection of expenses of the last illness of a decedent.

(d) A county court of the county in which a patient's hospital is located shall hear and determine the ability of the patient or the patient's relatives to pay under this section if there is a dispute over that ability or if there is doubt in the mind of the superintendent of the hospital over that ability. The court shall hear witnesses and issue any order that may be proper. The order may not be appealed.

(e) Discrimination in the accommodations, care, or treatment of a patient may not be made because the patient or the patient's relatives contribute to the cost, in whole or in part, of the patient's maintenance.

Sec. 263.084. DISCHARGE OF PATIENTS. (a) The superintendent shall temporarily or permanently discharge a patient from the hospital if the patient:

(1) is not sick or injured or recovers from the sickness or injury;

(2) wilfully or habitually violates hospital rules; or

(3) is not suitable for treatment for any other reason.

(b) The superintendent shall make a full report of a discharge of a patient from the hospital at the next meeting of the board of managers after the discharge.

Sec. 263.085. COLLECTION OF MONEY. (a) The superintendent shall collect money due the hospital.

(b) The superintendent shall keep an accurate account of money collected at the hospital, report at the monthly meeting of the board of managers the amount of money collected, and transmit the money to
the county treasurer of the county in which the hospital is located within 10 days after the date of the meeting of the board.

SUBCHAPTER E. ENFORCEMENT AND DISSEMINATION OF INFORMATION

Sec. 263.101. INSPECTIONS. (a) A resident officer of a county hospital shall admit a member of the board of managers into every part of the hospital and its premises.

(b) On the demand of a member of the board of managers, a resident officer of the hospital shall:

(1) give the board access to all books, papers, accounts, and other records pertaining to the hospital; and

(2) furnish the board with copies, abstracts, and reports.

(c) A hospital established or maintained under this chapter is subject to inspection by an authorized representative of:

(1) the Texas Board of Health;

(2) the commissioners court; or

(3) a state board of charities, if such a board is created.

(d) A resident officer of a county hospital shall admit a representative listed in Subsection (c) into every part of the hospital and its buildings.

(e) On the demand of a representative listed in Subsection (c), a resident officer of the hospital shall give the representative access to all books, papers, accounts, reports, and other records pertaining to the hospital.

Sec. 263.102. TEXAS BOARD OF HEALTH RULES AND PUBLICATIONS. (a) The board of managers shall print, or purchase from the Texas Board of Health at the actual cost of printing:

(1) rules adopted by the Texas Board of Health for the care of persons having a communicable disease and for the prevention and spread of communicable disease; and

(2) bulletins and other publications prepared by the Texas Department of Health providing information about the cause, nature, treatment, and prevention of disease.

(b) The board of managers shall send or deliver copies of those
rules, bulletins, and publications to:
(1) all practicing physicians in the county in which the
hospital is located;
(2) all public schools;
(3) private schools that request copies; and
(4) organizations, churches, societies, unions, and
individuals who present a written request for copies.

CHAPTER 264. COUNTY HOSPITAL AUTHORITIES
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 264.001. SHORT TITLE. This chapter may be cited as the
County Hospital Authority Act.

Sec. 264.002. DEFINITIONS. In this chapter:
(1) "Authority" means a county hospital authority created
under this chapter.
(2) "Board" means the board of directors of an authority.
(3) "Bond" includes a note.
(4) "Bond resolution" means the resolution authorizing the
issuance of revenue bonds.
(5) "Hospital" means a hospital project as defined under
Section 223.002.
(6) "Trust indenture" means the mortgage, deed of trust, or
other instrument pledging revenues of or creating a mortgage lien on
properties to secure revenue bonds issued by an authority.
(7) "Trustee" means the trustee under a trust indenture.

Sec. 264.003. CREATION. (a) The commissioners court of a
county by order may create a county hospital authority and designate
the name of the authority if the commissioners court finds that
creation of the authority is in the best interest of the county and
its residents.
The authority is composed only of the territory in the county.

The authority is a body politic and corporate and a political subdivision of the state.

The authority does not have taxing power.

**SUBCHAPTER B. BOARD OF DIRECTORS**

Sec. 264.011. BOARD OF DIRECTORS. (a) The authority is governed by a board of directors with at least seven and not more than 11 members.

(b) The number of directors shall be determined at the time the authority is created. The number may be changed by amendment of the order creating the authority unless prohibited by the resolution authorizing the issuance of bonds or by the trust indenture securing the bonds. However, a reduction in the number of directors may not shorten the term of an incumbent director.

Sec. 264.012. APPOINTMENT OF BOARD; TERMS OF OFFICE. (a) The commissioners court shall appoint the directors of the authority for terms not to exceed three years except as otherwise provided by this section.

(b) The resolution authorizing the issuance of revenue bonds or the trust indenture securing the bonds may prescribe the method of selecting a majority of the directors and the term of office of those directors, and the terms of directors appointed before the issuance of the bonds are subject to the resolution or trust indenture. The commissioners court shall appoint the remaining directors.

(c) The trust indenture may provide that in the event of a default, as defined in the trust indenture, the trustee may appoint all directors. On that appointment, the terms of the directors in office terminate.

(d) If the authority purchases an existing hospital or a hospital under construction from a nonprofit corporation, the directors shall be determined as provided in the contract of purchase.
(e) An officer or employee of the county is not eligible for appointment as a director.

Sec. 264.013. OFFICERS. (a) The board shall elect:
   (1) a president and a vice-president, who must be directors;
   (2) a secretary and a treasurer, who are not required to be directors; and
   (3) any other officers authorized by the authority's bylaws.

(b) The offices of secretary and treasurer may be combined.

Sec. 264.014. AUTHORITY OF BOARD. (a) Action may be taken by a majority of the directors present if a quorum is present.

(b) The president has the same right to vote as other directors.

Sec. 264.015. COMPENSATION. A director may not receive compensation for services but is entitled to reimbursement for expenses incurred in performing services.

SUBCHAPTER C. POWERS AND DUTIES

Sec. 264.021. GENERAL POWERS. (a) The authority has the power of perpetual succession.

(b) The authority may:
   (1) have a seal;
   (2) sue and be sued; and
   (3) make, amend, and repeal its bylaws.
Sec. 264.022. ACQUISITION, OPERATION, AND LEASE OF HOSPITALS.
(a) The authority may construct, purchase, enlarge, furnish, or equip one or more hospitals located in the county.
(b) The authority may operate and maintain one or more hospitals. The authority shall operate a hospital without the intervention of private profit for the use and benefit of the public unless the authority leases the hospital.
(c) The board may lease a hospital or part of a hospital owned by the authority for operation by the lessee as a hospital under terms that are satisfactory to the board and the lessee. The lease must:
   (1) be authorized by resolution of the board;
   (2) be executed on behalf of the authority by the president and secretary of the board; and
   (3) have the seal of the authority impressed on the lease.
(d) The bond resolution or trust indenture may prescribe procedures and policies for the operation of a hospital. If a hospital is used, operated, or acquired by a nonprofit corporation or is leased, the authority may delegate to the nonprofit corporation or lessee the duty to establish the procedures and policies.

Sec. 264.023. EMPLOYEES. (a) The board may employ a manager or executive director of a hospital and other employees, experts, and agents.
(b) The board may delegate to the manager or executive director the power to manage the hospital and to employ and discharge employees.
(c) The board may employ legal counsel.

Sec. 264.024. MANAGEMENT AGREEMENT. (a) The board may enter into an agreement with any person for the management or operation of a hospital or part of a hospital owned by the authority under terms
that are satisfactory to the board and the contracting party.

(b) The agreement must:
   (1) be authorized by resolution of the board;
   (2) be executed on behalf of the authority by the president and secretary of the board; and
   (3) have the seal of the authority impressed on the agreement.

(c) The board may delegate to the manager the power to manage the hospital and to employ and discharge employees.

Sec. 264.025. COMMITTEES. (a) The board, by a resolution adopted by a majority of the directors in office, may designate one or more committees if authorized to do so by the authority's bylaws.

(b) At least two directors must serve on each committee. Each committee may have additional nonvoting members who are not directors if authorized by the resolution or the bylaws.

(c) A committee may exercise the board's power to manage the authority to the extent and in the manner provided by the resolution or the bylaws. However, the board may not delegate to a committee the power to:
   (1) issue bonds;
   (2) make or amend a lease of a hospital or a management agreement relating to a hospital; or
   (3) employ or discharge a manager or executive director.

Sec. 264.026. RATES FOR HOSPITAL SERVICES. (a) Except as provided by Subsection (b), through charging sufficient rates for services provided by a hospital and through its other revenue sources, the board shall produce revenue sufficient to:
   (1) pay the expenses of owning, operating, and maintaining the hospital;
   (2) pay the interest on the bonds as it becomes due;
   (3) create a sinking fund to pay the bonds as they become due; and
   (4) create and maintain a bond reserve fund and other funds
as provided in the bond resolution or trust indenture.

(b) If the hospital is used, operated, or acquired by a nonprofit corporation under Chapter 223 or is leased, the board shall require the nonprofit corporation or the lessee to charge rates for services provided by the hospital that are sufficient, with the nonprofit corporation's or lessee's other sources of revenue, to:

(1) pay the expenses of operating and maintaining the hospital; and

(2) make payments or pay rentals to the authority that are sufficient, with the authority's other pledged sources of estimated revenue, to:

(A) pay the interest on the bonds as it becomes due;
(B) create a sinking fund to pay the bonds as they become due; and
(C) create and maintain a bond reserve fund and other funds as provided in the bond resolution or trust indenture.

Sec. 264.027. DEPOSITORY. The authority may:

(1) select a depository in the same manner that a county may select a depository under Chapter 116, Local Government Code; or

(2) award its depository contract to the depository or depositories of the county on the same terms as the terms of the county depository agreement.

Sec. 264.028. EMINENT DOMAIN. (a) To carry out a power granted by this chapter, the authority may acquire the fee simple title to land, other property, and easements by condemnation under Chapter 21, Property Code.

(b) The authority is considered to be a municipal corporation for the purposes of Section 21.021(c), Property Code.

(c) The board shall determine the amount and character of the interest in land, other property, and easements to be acquired under this section.

Sec. 264.029. GIFTS AND ENDOWMENTS. The board may accept gifts and endowments to hold and administer as required by the respective donors.

Sec. 264.030. SALE OF PROPERTY; GENERAL PROVISIONS. (a) The board may sell, through sealed bids or at a public auction, real property acquired by gift or purchase that the board determines is not needed for hospital purposes if the sale does not violate:

(1) a trust indenture or bond resolution relating to outstanding bonds of the authority; or

(2) an agreement between the authority and a nonprofit corporation under Chapter 223.

(b) If the board conducts the sale by sealed bids, the board must provide notice of the sale under Section 272.001, Local Government Code.

(c) If the board conducts the sale by public auction, the board must publish a notice of the sale once a week for three consecutive weeks in a newspaper of general circulation in the county. The notice must include a description of the property and the date, time, and place of the auction. The first notice must be published not later than the 21st day before the date of the auction.

(d) This section does not affect the authority's powers under Chapter 223.

(e) This section does not apply to the sale or closing of a hospital as provided in Section 264.031.

Sec. 264.031. SALE OR CLOSING OF HOSPITAL. (a) The board may sell all or part of a hospital owned by the authority or close all or part of a hospital owned or operated by the authority. The sale or closing must:

(1) be authorized by resolution of the board;

(2) be executed on behalf of the authority by the president
and secretary of the board; and
(3) be made by a document having the seal of the authority impressed on it.
(b) The sale or closing of a hospital may not take effect before the expiration of the time in which a petition may be filed under Subsection (c).
(c) The board shall order and conduct an election on the sale or closing if, before the 31st day after the date the governing body authorizes the sale or closing, the board receives a petition requesting the election signed by at least 10 percent of the qualified voters of the county. The number of qualified voters is determined by the most recent official list of registered voters.
(d) If a petition is filed under Subsection (c), the hospital may be sold or closed only if a majority of the qualified voters voting on the question approve the sale or closing.

Sec. 264.032. EMERGENCY BORROWING. (a) If the board declares that funds are not available to meet lawfully authorized obligations of the authority and that an emergency exists, the board may borrow money at a rate of interest not to exceed the maximum annual percentage rate allowed by law for authority obligations at the time the loan is made.
(b) To secure a loan, the board may pledge:
(1) revenues of the authority that are not pledged to pay bonded indebtedness of the authority;
(2) authority bonds that have been authorized but not sold; or
(3) revenues of the authority if the pledge is subordinate to any pledge securing outstanding bonds of the authority.
(c) A loan for which bonds are pledged must mature not later than the first anniversary of the date on which the loan is made. A loan for which authority revenues are pledged must mature not later than the fifth anniversary of the date on which the loan is made.
(d) The board may not spend money obtained from a loan under this section for any purpose other than the purpose for which the board declared an emergency and, if bonds are pledged to pay the loan, for any purpose other than the purposes for which the pledged
bonds were authorized.

Added by Acts 1997, 75th Leg., ch. 1011, Sec. 1, eff. Sept. 1, 1997.

Sec. 264.033. TIME WARRANTS. The authority may issue time warrants in the manner in which a commissioners court may issue time warrants under Subchapter C, Chapter 262, Local Government Code.

Sec. 264.034. FACILITIES AND SERVICES FOR THE DISABLED OR THE ELDERLY. (a) The authority may construct, acquire, own, operate, enlarge, improve, furnish, equip, or provide the following facilities and services to care for the disabled or the elderly:

(1) a nursing home or similar long-term care facility;
(2) elderly housing;
(3) assisted living services;
(4) home health care;
(5) personal care;
(6) special care;
(7) continuing care; or
(8) durable medical equipment.

(b) The authority may lease or enter into an operations or management agreement to care for the disabled or the elderly under Subsection (a).

(c) The authority may sell, transfer, otherwise convey, or close all or part of a facility described by Subsection (a) and discontinue a service described by Subsection (a).

(d) The authority may issue revenue bonds, notes, and time warrants as provided by this chapter to acquire, construct, or improve a facility described by Subsection (a).

(e) For purposes of Chapter 223, a facility or service described by Subsection (a) is a hospital project.

Added by Acts 1997, 75th Leg., ch. 1011, Sec. 1, eff. Sept. 1, 1997.
Sec. 264.035. ESTABLISHMENT OF NONPROFIT CORPORATION. (a) The authority may form and sponsor a nonprofit corporation under the Texas Nonprofit Corporation Law, as described by Section 1.008, Business Organizations Code, to own and operate all or part of one or more ancillary health care facilities consistent with the purposes of an authority under this chapter.

(b) The board shall appoint the board of directors of a nonprofit corporation formed under this section.

(c) The authority may contribute money to or solicit money for the nonprofit corporation. If the authority contributes money to or solicits money for the corporation, the authority shall establish procedures and controls sufficient to ensure that the money is used by the corporation for public purposes.

(d) A nonprofit corporation formed under this section has the same powers as a development corporation under Section 221.030.

(e) A nonprofit corporation formed under this section shall comply with Chapter 2258, Government Code, in the same manner and to the same extent that the authority is required to comply with that chapter.

Added by Acts 2007, 80th Leg., R.S., Ch. 470 (H.B. 2168), Sec. 2, eff. June 16, 2007.

Sec. 264.036. HOSPITAL AUTHORITY CONTRACTS, COLLABORATIONS, AND JOINT VENTURES. The authority may, directly or through any nonprofit corporation formed by the authority, contract, collaborate, or enter into a joint venture with any public or private entity as necessary to carry out the functions of or provide services to the authority.

Added by Acts 2007, 80th Leg., R.S., Ch. 470 (H.B. 2168), Sec. 2, eff. June 16, 2007.

SUBCHAPTER D. BONDS

Sec. 264.041. REVENUE BONDS. (a) The authority may issue revenue bonds to provide funds for any of the authority's purposes.

(b) Revenue bonds must be payable from, and secured by a pledge of, revenues from the operation of one or more hospitals and any other revenues from owning hospital property. Additionally, revenue bonds may be secured by a mortgage or deed of trust on real property.
owned by the authority or by a chattel mortgage on the authority's personal property.

Sec. 264.042. FORM AND PROCEDURE. (a) Revenue bonds must be authorized by a resolution adopted by a majority vote of a quorum of the board. The bonds must:

(1) be signed by the president or vice-president of the board;

(2) be countersigned by the secretary of the board; and

(3) have the seal of the authority impressed or printed on the bonds.

(b) Printed facsimile signatures may be substituted for the actual signatures of the president, vice-president, or secretary.

Sec. 264.043. TERMS. (a) Revenue bonds must mature serially or otherwise not more than 40 years after they are issued.

(b) Revenue bonds may:

(1) be sold at a price and under terms that the board considers the most advantageous reasonably obtainable, except that the net effective interest rate computed according to Chapter 1204, Government Code, may not exceed 10 percent a year;

(2) be made callable before maturity at times and prices prescribed in the resolution authorizing the bonds; and

(3) be made registrable as to principal or as to principal and interest.

Sec. 264.044. NOTICE. (a) Before the board adopts a resolution authorizing the issuance of bonds other than refunding bonds, the board must publish a notice of its intention to adopt the resolution and of the maximum amount and maximum maturity of the bonds.
(b) The notice must be published once a week for two consecutive weeks in one or more newspapers of general circulation in the authority. The first notice must be published not later than the 15th day before the date set for adoption of the resolution.

Sec. 264.045. REFERENDUM. (a) A petition requesting an election on the proposition for the issuance of the revenue bonds may be presented to the secretary or president of the board before the date set for the adoption of the bond resolution. The petition must be signed by at least 10 percent of the qualified voters residing in the county who own taxable property in the authority.

(b) The election shall be ordered and held as provided by Chapter 1251, Government Code. The board, president, and secretary shall perform the functions assigned under that chapter respectively to the commissioners court, county judge, and county clerk.

(c) If a majority of voters who vote at the election approve the issuance of the bonds, the board may issue the bonds. If a petition is not filed, the board may issue the bonds without an election. However, the board may order the election on its own motion if a petition is not filed.

Sec. 264.046. JUNIOR LIEN BONDS; PARITY BONDS. (a) Bonds constituting a junior lien on the revenues or properties may be issued unless prohibited by the bond resolution or the trust indenture.

(b) Parity bonds may be issued under conditions specified by the bond resolution or trust indenture.

Sec. 264.047. BOND PROCEEDS; INVESTMENT OF FUNDS. (a) The board may set aside from the proceeds from the sale of bonds:

(1) an amount for payment of not more than two years'
interest on the bonds; 

(2) the amount required for operating expenses during the first year of operation as estimated by the board; and

(3) an amount to fund any bond reserve fund or other reserve funds provided for in the bond resolution or trust indenture.

(b) The bond proceeds may be deposited in banks and paid out under terms as provided in the bond resolution or trust indenture.

(c) The law relating to the security for and the investment of county funds controls, to the extent applicable, the investment of the authority's funds. The bond resolution or trust indenture may further restrict those investments. Additionally, the authority may invest its bond proceeds, until that money is needed, as authorized by the bond resolution or trust indenture.

Sec. 264.048. REFUNDING BONDS. (a) The authority may issue bonds to refund outstanding bonds in the same manner that other bonds are issued under this chapter.

(b) Bonds issued under this section may be exchanged by the comptroller or sold. The proceeds shall be applied as provided by Subchapters B and C, Chapter 1207, Government Code, or other applicable law.

Sec. 264.049. APPROVAL AND REGISTRATION OF BONDS. (a) The authority shall submit to the attorney general the bonds issued under this chapter and the record relating to the issuance of those bonds.

(b) If the attorney general finds that the bonds were issued in accordance with this chapter, are valid and binding obligations of the authority, and are secured as recited in the bonds:

(1) the attorney general shall approve the bonds; and

(2) the comptroller shall register the bonds and certify the registration on the bonds.

(c) Following approval and registration, the bonds are incontestable.

(d) The bonds are negotiable and must contain the following
provision: "The holder hereof shall never have the right to demand payment thereof out of money raised or to be raised by taxation."

Sec. 264.050. LEGAL INVESTMENTS. Bonds of the authority are legal and authorized investments for:
(1) a bank;
(2) a savings bank;
(3) a trust company;
(4) a savings and loan association;
(5) an insurance company; or
(6) the sinking fund of a political corporation or subdivision of the state, including a municipality, county, or school district.

CHAPTER 265. JOINT MUNICIPAL AND COUNTY HOSPITALS
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 265.001. MUNICIPALITY WITH POPULATION OF AT LEAST 10,000 AND ANY COUNTY. (a) The commissioners court of a county may cooperate with the proper authorities of a municipality with at least 10,000 inhabitants to establish, build, equip, and maintain a hospital in the municipality.

(b) The commissioners court may appropriate funds for the hospital that the commissioners court considers appropriate after a joint conference with the municipal authorities.

(c) The commissioners court and the municipal authorities shall jointly control the management of the hospital.

Sec. 265.002. COUNTY AND ANY TWO OR MORE MUNICIPALITIES. (a) The commissioners court of a county may cooperate with the proper authorities of two or more municipalities to establish, build, equip, and maintain a hospital in the county.

(b) The commissioners court may appropriate funds for the
hospital that the court considers appropriate after a joint conference with the municipal authorities.

(c) The commissioners court and the municipal authorities shall jointly control the management of the hospital.

Sec. 265.003. COUNTY WITH POPULATION OF AT LEAST 92,600 AND MUNICIPALITY WITH POPULATION OF AT LEAST 57,250. (a) The commissioners court of a county with a population of at least 92,600 and the governing body of a municipality in that county with a population of at least 57,250 may establish, build, equip, maintain, and operate a hospital for the care and treatment of sick, infirm, or injured inhabitants of the county or municipality.

(b) The commissioners court and the governing body by agreement may divide the hospital costs between the county and the municipality.

(c) If the amounts in the county or municipal general funds are insufficient to pay the hospital costs, the commissioners court or the governing body at a special or general election may submit to the qualified voters of the county or municipality, respectively, a proposition for the county and municipality to establish, build, equip, maintain, and operate a hospital and for:

(1) the levy of a tax for that purpose not to exceed 10 cents on each $100 of the taxable value of real and personal property that is taxable by the county or municipality; or

(2) the issuance of bonds by the county or municipality in an amount not to exceed the amount specified in the proposition for all or part of the cost of establishing, building, or equipping the hospital and for the levy of a tax to create a sinking fund for the payment of interest on the bonds not to exceed 10 cents on each $100 of the taxable value of real and personal property that is taxable by the county or municipality.

(d) The commissioners court or governing body may assess and levy a tax, or may issue bonds in the manner provided for issuance of other bonds by the county or municipality and assess and levy a tax, as stated in the proposition if the proposition is approved by a majority of votes cast in the election.

SUBCHAPTER B. JOINT HOSPITAL WITH BOARD OF MANAGERS

Sec. 265.011. ESTABLISHMENT OF HOSPITAL BY COMMISSIONERS COURT AND MUNICIPAL GOVERNING BODY. The commissioners court of a county and the governing body of a municipality in that county may jointly appoint a board of managers to establish, build, equip, maintain, and operate one or more hospitals for the care and treatment of the sick, infirm, or injured.

Sec. 265.012. FINANCING. (a) If the municipality or county has issued and sold bonds to establish, build, equip, maintain, and operate a joint municipal and county hospital, the municipality or county may finance the hospital out of general revenue and may levy and collect a tax to finance the hospital not to exceed 10 cents on each $100 of the taxable value of property taxable by the municipality or county.

(b) The commissioners court and the municipal governing body may contribute to the funds necessary for the hospital in a proportion to which they agree.

(c) The board of managers may spend, in a manner determined by the board, funds provided by the county or municipality through the issuance of bonds or other obligations or by appropriation from other funds, for purposes related to the hospital as if the action were taken by the commissioners court or the governing body.

Sec. 265.013. BOARD OF MANAGERS. (a) The board of managers is composed of seven members.

(b) The commissioners court and the municipal governing body shall each appoint three members to the board, and the commissioners court and the governing body shall jointly appoint one member to the board. Members are appointed for six-year terms. However, in making the initial appointments to the board, each appointing entity shall designate one of its appointees for a term expiring two years after the date of appointment, one for a term expiring four years after the
date of appointment, and one for a term expiring six years after the
date of appointment. The term of the initial joint appointee expires
six years after the date of appointment.

(c) The entity that made an original appointment shall appoint
a successor member on the expiration of a member's term or to fill,
for the unexpired part of a term, a vacancy caused by death or
resignation.

Sec. 265.014. CHAIRMAN. The board of managers shall select a
chairman from among its members who shall:
(1) preside over the board's meetings; and
(2) sign any contract, agreement, or other instrument made
by the board on behalf of the county and municipality.

Sec. 265.015. CONTRACTS. The board of managers may execute any
contract relating to establishing, building, equipping, maintaining,
or operating the hospital as if the action were taken by the
commissioners court or the municipal governing body.

Sec. 265.016. FINANCIAL STATEMENT; BUDGET. (a) The board of
managers shall annually prepare and present to the commissioners
court and the municipal governing body a statement of the hospital's
financial status with a proposed budget for the following year.
(b) On the basis of the financial statement and budget, the
commissioners court and the governing body shall appropriate an
amount those entities consider proper and necessary for the use of
the board of managers in the operation of the hospital.

Sec. 265.017. ISSUANCE OF REVENUE BONDS. (a) The board of
managers may issue and sell revenue bonds in the name of the hospital to finance:

(1) the acquisition of real property, the acquisition, construction, improvement, repair, or rehabilitation of hospital facilities, or the acquisition of equipment or supplies necessary for the hospital to provide hospital services; or

(2) the installation of equipment necessary for the hospital to provide hospital services.

(b) The board of managers has the powers of an issuer under Chapter 1371, Government Code, and may enter into a credit agreement under that chapter. A bond issued under this subchapter is an obligation under Chapter 1371, Government Code, but is not required to be rated as required by that chapter. In this subsection, "credit agreement" and "obligation" have the meanings assigned by Section 1371.001, Government Code.

(c) Bonds issued under this subchapter must be approved by:

(1) a resolution adopted by the board of managers; and

(2) a resolution or order adopted by the commissioners court of the county and the governing body of the municipality that appointed the board.

(d) At the time of issuance of the bonds, the board of managers may:

(1) determine the title of the bonds, provided the title includes the following: "Board of Managers Joint (insert county name)-(insert municipality name) Hospital Revenue Bonds";

(2) prescribe procedures for the operation and maintenance of the hospital in the proceedings authorizing issuance of the revenue bonds; and

(3) provide for the issuance of additional parity bonds or subordinate lien bonds under terms prescribed by the board of managers in the proceedings authorizing issuance of the revenue bonds.

Added by Acts 2001, 77th Leg., ch. 151, Sec. 1, eff. May 16, 2001.

Sec. 265.0171. REPAYMENT OF BONDS. The board of managers may provide for the payment of principal of, premium on, if any, and interest on the bonds by pledging all or any part of the hospital's revenue derived from the operation of the hospital or from other
Sec. 265.0172. ADDITIONAL SECURITY FOR BONDS. The bonds may be additionally secured by a deed of trust or mortgage lien on part or all of the physical properties of the hospital and rights appurtenant to those properties.

Added by Acts 2001, 77th Leg., ch. 151, Sec. 1, eff. May 16, 2001.

Sec. 265.0173. MATURITY. A bond issued under this subchapter must mature not later than 40 years after its date.

Added by Acts 2001, 77th Leg., ch. 151, Sec. 1, eff. May 16, 2001.

Sec. 265.0174. BONDS NOT PAYABLE FROM TAXES. A bond issued under this subchapter must contain the following provision: "The holder of this obligation is not entitled to demand payment of this obligation out of any money raised by taxation by (name of county) or by (name of municipality) or from any other income of the county or municipality. The board of managers of the hospital has no taxing power."

Added by Acts 2001, 77th Leg., ch. 151, Sec. 1, eff. May 16, 2001.

Sec. 265.0175. SALE OF BONDS. The board of managers may sell bonds issued under this subchapter at public or private sale in the manner and on the terms approved by the board.

Added by Acts 2001, 77th Leg., ch. 151, Sec. 1, eff. May 16, 2001.

Sec. 265.0176. REFUNDING BONDS. (a) The board of managers may refund bonds issued under this subchapter by issuing refunding bonds under terms approved by the board.

(b) All appropriate provisions of this subchapter apply to the
refunding bonds. The refunding bonds shall be issued in the manner provided by this subchapter for issuing other bonds.

(c) The refunding bonds may be sold and delivered in amounts sufficient to pay the principal of and interest and any redemption premium on the bonds to be refunded, at maturity or on any redemption date.

(d) The refunding bonds may be issued to be exchanged for the bonds being refunded by them. In that case, the comptroller shall register the refunding bonds and deliver them to the holder of the bonds being refunded as approved by the board. The exchange may be made in one delivery or in installment deliveries.

Added by Acts 2001, 77th Leg., ch. 151, Sec. 1, eff. May 16, 2001.

Sec. 265.0177. AUTHORITY TO BORROW MONEY. (a) After approval by resolution of the commissioners court of the county and the governing body of the municipality that appointed the board, the board of managers may, on behalf of the hospital, borrow money from a federally insured lending institution for a purpose described by Section 265.0179. The board may execute a loan agreement or promissory note as evidence of the obligation to repay the loan.

(b) The board of managers may borrow money in an amount it considers advisable, subject to a rate of interest, security, and other terms it considers advisable. The loan shall mature not later than the 30th anniversary of the date on which the loan is made.

(c) Before entering into a loan under this section, the board of managers must determine that there will be sufficient money available from revenues generated by the hospital to pay the loan when the loan becomes due.

(d) The commissioners court of the county and the governing body of the municipality that appointed the board of managers must approve the terms of a loan agreement by written resolution.

(e) Chapter 1202, Government Code, does not apply to a promissory note or any other instrument evidencing a loan under this section.

Added by Acts 2003, 78th Leg., ch. 719, Sec. 1, eff. June 20, 2003.

Sec. 265.0178. PLEDGE OF SECURITY. (a) A loan under Section
265.0177 may be:

(1) payable from and secured by a pledge of all or part of the revenues, income, or resources of the hospital that are not pledged to pay a bonded indebtedness of the hospital; or

(2) secured by a deed of trust or other security interest in any property of the hospital that is not pledged to pay a bonded indebtedness of the hospital.

(b) The holder of a loan obligation under Section 265.0177 is not entitled to demand payment of the principal and interest on the loan from any money or property of the hospital other than the money or property specifically pledged to secure payment of the loan.

Added by Acts 2003, 78th Leg., ch. 719, Sec. 1, eff. June 20, 2003.

Sec. 265.0179. PERMISSIBLE USES OF LOAN PROCEEDS. The proceeds from a loan under Section 265.0177 may be used to pay costs related to the acquisition, construction, rehabilitation, and equipping of a hospital facility, including costs related to the acquisition of real property and any other improvement considered necessary and appropriate by the board of managers.

Added by Acts 2003, 78th Leg., ch. 719, Sec. 1, eff. June 20, 2003.

Sec. 265.018. HOSPITAL PROPERTY. The board of managers may acquire, hold, or dispose of property or an interest in property. As agreed by the county and municipality, the county or municipality may hold title to hospital property, or title may be held in the name of the hospital.

Added by Acts 2001, 77th Leg., ch. 151, Sec. 1, eff. May 16, 2001.

Sec. 265.0181. TRANSFER OF PROPERTY. On dissolution of the board of managers, title to property held by the board or in the name of the hospital shall be transferred to the county and municipality as agreed to by the county and municipality.

Added by Acts 2001, 77th Leg., ch. 151, Sec. 1, eff. May 16, 2001.
Sec. 265.019. USE OF EARNINGS OR ASSETS FOR PRIVATE PURPOSES PROHIBITED. Except as reasonable compensation for services rendered or reasonable allowance for authorized expenditures incurred on behalf of the board of managers or the hospital, the net earnings of the board or the hospital may not be used for the benefit of a private officer, board member, individual, or substantial contributor to the board of managers or the hospital. The assets of the board or the hospital may not be distributed to, be divided among, be used for, accrue to, or benefit a private officer, board member, individual, or substantial contributor to the board or the hospital.

Added by Acts 2001, 77th Leg., ch. 151, Sec. 1, eff. May 16, 2001.

Sec. 265.020. APPLICABILITY. Sections 265.017-265.019 apply only to a hospital located in a county with a population of 75,000 or more.

Added by Acts 2001, 77th Leg., ch. 151, Sec. 1, eff. May 16, 2001.

SUBCHAPTER C. JOINT HOSPITAL CONTROLLED BY MUNICIPALITY OR COUNTY

Sec. 265.021. OWNERSHIP AND CONTROL DESIGNATED. (a) A county with a population of at least 200,000 and one or more municipalities in the county that jointly own and operate a hospital in the county may by agreement designate one of those governmental entities to assume the entire ownership and control of the hospital on terms to which those governmental entities agree.

(b) On the agreement of the commissioners court and the governing body of each municipality that jointly owns and operates the hospital, a countywide election on the issue of the future ownership and operation of the hospital may be ordered. The majority vote on the propositions submitted shall govern the future ownership and operation of the hospital. The commissioners court shall pay the costs of the election from county funds.

Sec. 265.022. BOARD OF MANAGERS OF HOSPITAL CONTROLLED BY COUNTY. (a) If the county is designated to own and control the
hospital, the commissioners court shall appoint a board of managers with at least three and not more than nine members.

(b) The board of managers has control of the management of the hospital.

(c) The board of managers shall give a report of their management, including all acts and rules of the board, to the commissioners court once each quarter or more often at the request of the commissioners court.

(d) The board of managers shall give a quarterly financial statement to the commissioners court that shows all money spent and received by the board and the purposes of the expenditures.

Sec. 265.023. BOARD OF MANAGERS OF HOSPITAL CONTROLLED BY MUNICIPALITY. If the municipality is designated to own and control the hospital, the governing body of the municipality may appoint the board of managers under its charter or as it considers appropriate.

Sec. 265.024. TERMS. Members of the board of managers shall be appointed for staggered six-year terms, with one-third of the terms expiring every two years.

Sec. 265.025. TAX. (a) The commissioners court may authorize and levy a tax not to exceed 50 cents on each $100 of the taxable value of property taxable by the county for construction of buildings or building additions, for other improvements or equipment, or for operation and maintenance of the hospital if the tax is approved by a majority vote at a county election. Additional taxes may be authorized at subsequent elections if the total tax does not exceed the limit imposed by this subsection.

(b) The voters may approve a part of the tax to be used for the interest and sinking fund for outstanding bonds of the municipality or county issued for construction or maintenance of the hospital,
Sec. 265.026. TUBERCULOSIS CONTROL.  (a) The commissioners court and each municipal governing body that designates the ownership and control of a joint hospital under this subchapter may conduct a joint program of tuberculosis control in their jurisdictions to protect the public health through alleviation, suppression, and prevention of the spread of tuberculosis.

(b) The program may include cooperation with public or private agencies that have the same objective, whether federal, state, or local.

(c) The commissioners court may levy a tax not to exceed 10 cents on each $100 of the taxable value of property taxable by the county, in addition to the tax under Section 265.025, if approved by a majority vote at a county election. The revenue from that tax shall be kept separate from other funds and shall be used only for the purposes of this section.

(d) The governing body of a municipality participating in the program may levy a tax not to exceed five cents on each $100 of the taxable value of property taxable by the municipality if approved by a majority vote at a municipal election in accordance with the municipal charter in a home-rule municipality or with other law in a general-law municipality. The revenue from the tax shall be kept separate from other funds and shall be used only for the purposes of this section. The municipal charter of a home-rule municipality may be amended to create the fund for the tax proceeds or other income.

(e) The county and each municipality participating in the program and levying the taxes may create a joint tuberculosis control board to administer this section. The board must have at least five members. The district judges of the county by majority action, the county health board, the municipal health board of the participating municipality with the largest population, the county judge, and the mayor of each participating municipality shall each appoint a member to the board. Board members serve without compensation.

(f) The members are appointed for three-year terms. However, the term of the first appointment by the county health board or by a
mayor expires one year after the date of appointment, the term of the first appointment by the municipal health board or the county judge expires two years after the date of appointment, and the term of the first appointment by the district judges expires three years after the date of appointment. The entity that made an original appointment shall appoint a successor member on the expiration of a member's term or to fill, for the unexpired part of a term, a vacancy caused by death or resignation.

(g) The board may administer this section to alleviate, suppress, and prevent the spread of tuberculosis in the county as a public health function.

(h) The county and each municipality participating under this section may combine the proceeds from taxes levied under this section to be spent under the board's direction only to:

(1) provide necessary economic aid to indigent persons with tuberculosis and dependent members of their immediate family, on certification by the county or municipal health authority that those persons are indigent and have resided in the county for at least six months before receiving aid or assistance from a public or private charity or service for the person's support or the support of the person's family, in order to treat and prevent the disease and protect the public health; or

(2) pay administrative expenses, including the expenses of case investigation and necessary equipment and services.

(i) The board quarterly shall report the condition of the fund, the expenditures from the fund, and the services performed to the commissioners court and the governing body of each municipality participating under this section. The commissioners court or the governing body of a municipality participating under this section may examine and audit the books and other records of the board.

SUBCHAPTER D. JOINT COUNTY-MUNICIPAL HOSPITAL BOARDS

Sec. 265.031. CREATION OF BOARD. (a) The commissioners court of a county and the governing body of a municipality located in whole or in part in that county may adopt resolutions creating a joint county-municipal hospital board, without taxing power, designated the "___________ County-Municipality of ___________, Texas, Hospital
(b) A board created under this section is a public agency and body politic.

Sec. 265.032. APPOINTMENT OF BOARD. (a) The board consists of seven directors. A director may serve successive terms.

(b) The commissioners court shall appoint four directors in its resolution creating the board, and the municipal governing body shall appoint three directors in its resolution creating the board.

(c) Directors are appointed for staggered terms of two years. However, in making the initial appointments to the board the commissioners court shall designate two of its appointees to serve two-year terms and two to serve one-year terms, and the governing body shall designate two of its appointees to serve two-year terms and one to serve a one-year term.

(d) The entity that makes an original appointment shall appoint a successor director on the expiration of a director's term or to fill, for the unexpired part of a term, a vacancy caused by death or resignation.

Sec. 265.033. OFFICERS. (a) The board shall elect a director as chairman. The chairman shall preside at board meetings and perform other duties and functions prescribed by the board. The chairman may vote in the same manner as any other director.

(b) The board shall elect a secretary, who is not required to be a director. The secretary is the official custodian of the minutes, books, records, and seal of the board and shall perform other duties and functions prescribed by the board.

(c) The board may elect any other officer that the board considers necessary or advisable.

Sec. 265.034. AUTHORITY OF BOARD. (a) The board shall act
through resolutions adopted by the board. The affirmative vote of four directors is required to adopt a resolution.

(b) The board is a joint agent of the county and the municipality for hospital purposes and shall act solely for the joint benefit of the county and the municipality. However, the board shall act independently in the exercise of powers, duties, and functions under this subchapter.

(c) The board may appoint or employ any agent, employee, or official that the board considers necessary or advisable to carry out any power, duty, or function of the board.

Sec. 265.035. SUITS. The board may sue and be sued in its own name, capacity, and behalf.

Sec. 265.036. COMPENSATION. A director may not receive compensation but is entitled to reimbursement for actual expenses incurred in the performance of the duties of director to the extent authorized by the board.

Sec. 265.037. HOSPITAL FACILITIES; OTHER PROPERTY. (a) The board may purchase, construct, receive, lease, or otherwise acquire hospital facilities and may improve, enlarge, furnish, equip, operate, and maintain those facilities.

(b) The county or the municipality may lease or convey title to, or any other interest in, all or part of the county's or municipality's hospital facilities, including real and personal property, to the board on terms agreed to by the county or municipality and the board.

(c) The board may own, receive, encumber, sell, lease, or convey any interest in real or personal property, including gifts and grants. However, the board may not encumber, sell, lease, or convey real or personal property unless the commissioners court and the
governing body of the municipality by resolution approve the transaction.

(d) A board existing in a county with a population of more than 100,000 and a municipality with a population of more than 75,000, as an exercise of its powers as a public agency and body politic, may purchase, construct, receive, lease, or otherwise acquire hospital facilities, including the sublease of one or more hospital facilities, regardless of whether the action might be considered anticompetitive under the antitrust laws of the United States or this state.

Sec. 265.038. CONTRACTS FOR HOSPITAL SERVICES. The county or the municipality may contract with the board for the care and treatment of indigent or needy patients or for any other hospital services. The county or the municipality may make payments to the board under the contract and may levy ad valorem taxes or pledge funds or resources for the payments.

Sec. 265.039. FUNDS. (a) The board may apply for, receive, and spend federal or state funds available for hospital purposes.

(b) The county or the municipality by resolution may authorize the board to apply for, receive, and spend federal or state funds available for county or municipal hospital purposes.

Sec. 265.040. AUTHORITY TO ISSUE REVENUE BONDS. (a) The board may issue revenue bonds to perform any power, duty, or function under this subchapter. The issuance must be approved by resolution by the commissioners court and the municipal governing body.

(b) The board may prescribe procedures for the operation and maintenance of the hospital in the proceedings authorizing the issuance of the bonds.
Sec. 265.041. TERMS OF BONDS. (a) The revenue bonds may mature serially or otherwise not more than 40 years after they are issued. The bonds may bear interest at a rate not to exceed the maximum rate provided by Chapter 1204, Government Code, and may be made redeemable prior to maturity.

(b) The bonds and any appurtenant interest coupons are negotiable instruments.

(c) The bonds may be made registrable as to principal or as to principal and interest.

(d) The directors may determine, in the proceedings authorizing the issuance of the bonds:

(1) the form, denominations, and manner in which the bonds are issued;

(2) the terms and details under which the bonds are issued; and

(3) the manner in which the bonds are executed.

Sec. 265.042. PLEDGE OF SECURITY. (a) The revenue bonds may be payable from, and secured by a pledge of, all or part of the revenues, income, or resources of the board or the board's hospital facilities. Additionally, the bonds may be secured by a mortgage or deed of trust on real or personal property, and the board may authorize the execution and delivery of trust indentures or other encumbrances to evidence the security.

(b) The bonds must contain substantially the following statement: "The owner hereof shall never have the right to demand payment of this obligation from taxes levied by the hospital board."

Sec. 265.043. SALE AND USE OF PROCEEDS. (a) The revenue bonds may be sold at public or private sale at a price and under terms determined by the directors. The bonds may bear interest at a rate
not to exceed the maximum rate provided by Chapter 1204, Government Code.

(b) Proceeds from the sale of the bonds may be used, if the use is authorized in the proceedings authorizing issuance of the bonds, to:

(1) pay interest on the bonds during the construction of hospital facilities acquired through issuance of the bonds;
(2) pay operation and maintenance expense of the hospital facilities to the extent and for the time specified in the proceedings;
(3) create reserves for the payment of principal of and interest on the bonds; or
(4) invest, until needed, to the extent and in the manner provided in the bond resolution or a trust indenture executed in connection with the bonds.

Sec. 265.044. PARITY AND SUBORDINATE LIEN BONDS. The directors may provide in the authorization of the revenue bonds for the subsequent issuance of additional parity bonds or subordinate lien bonds under terms set by the board in the proceedings authorizing the issuance of the revenue bonds.

Sec. 265.045. NOTICE; PETITION FOR ELECTION. (a) Before the directors authorize the issuance of bonds other than refunding bonds, the directors shall prepare and publish a notice of:

(1) its intention to adopt a resolution authorizing the issuance of bonds;
(2) the date it intends to adopt the resolution; and
(3) the maximum amount and maximum maturity of the bonds.

(b) The notice must be published once a week for two consecutive weeks in a newspaper of general circulation in the county and the municipality. The first notice must be published not later than the 15th day before the date set for adopting the bond resolution.
(c) A petition requesting an election on the proposition for the issuance of the bonds may be presented to the hospital board secretary before the date set for adoption of the bond resolution. The petition must be signed by at least 10 percent of the qualified voters residing in the county and in any part of the municipality that is not in the county.

(d) The directors shall order an election requested under Subsection (c) in the county and any part of the municipality that is not in the county. The election shall be held substantially as provided by Chapter 1251, Government Code. The board may issue the bonds if the issuance is approved at the election.

(e) The bond resolution may be adopted on the date set for the adoption, or not later than the 30th day after that date, if no petition is filed, and the bonds may be issued and delivered without an election or the creation of an encumbrance.

(f) The directors may order an election on the issuance of the bonds on their own motion if they consider it advisable.

Sec. 265.046. REFUNDING BONDS. Any bonds issued under this subchapter may be refunded by the issuance of refunding bonds in the manner provided by this subchapter for the issuance of other bonds, except the refunding bonds may be issued to be exchanged for the bonds being refunded. If the refunding bonds are issued to be exchanged, the comptroller shall register the refunding bonds and deliver them to each holder of the bonds being refunded as provided by the proceedings authorizing the refunding bonds. The exchange may be made in one delivery or several installment deliveries.

Sec. 265.047. EXAMINATION, APPROVAL, AND REGISTRATION OF BONDS. (a) The board shall submit to the attorney general for examination the bonds issued under this subchapter and the proceedings authorizing their issuance.

(b) The attorney general shall approve the bonds if the attorney general finds that the bonds have been authorized in
accordance with this subchapter, and the comptroller shall register the bonds.

(c) Following approval and registration, the bonds are incontestable and are valid and binding obligations in accordance with their terms.

Sec. 265.048. LEGAL INVESTMENTS; SECURITY FOR DEPOSITS. (a) Bonds issued under this subchapter are legal and authorized investments for:

(1) a bank;
(2) a savings bank;
(3) a trust company;
(4) a savings and loan association;
(5) an insurance company;
(6) a fiduciary;
(7) a trustee;
(8) a guardian; and
(9) an interest and sinking fund or other public fund of the state or of an agency, subdivision, or instrumentality of the state, including a municipality, county, school district, special district, public agency, and body politic.

(b) The bonds are eligible and lawful security for the deposits of public funds of the state or of an agency, subdivision, or instrumentality of the state, including a municipality, county, school district, special district, public agency, and body politic. The bonds may secure those deposits in an amount up to the value of the bonds, if accompanied by all appurtenant unmatured interest coupons.

Sec. 265.049. CHARGES FOR SERVICES AND FACILITIES. The board shall operate its hospital facilities for the use and benefit of the public, but shall establish and collect charges for services and facilities that are sufficient combined with other revenue and income to:

(1) pay all expenses related to ownership, operation, and
maintenance of its hospital facilities;
   (2) pay principal of and interest on its bonds; and
   (3) create and maintain reserves and any other funds
provided for in the proceedings authorizing the issuance of bonds.

Sec. 265.050. DEPOSITORY. The board may:
   (1) select a depository in the same manner that a
municipality or county may select a depository under Chapter 105 or
Chapter 116, Local Government Code; or
   (2) execute a depository contract with a depository
selected by the municipality or the county on the same terms as the
municipality or county.

Sec. 265.051. INVESTMENT OF FUNDS. (a) The law relating to
security for and investment of municipal or county funds applies to
hospital board funds. A bond resolution or trust indenture executed
for hospital board bonds may further restrict the security for and
investment of hospital board funds.
   (b) The hospital board may invest, until needed, all or part of
its bond proceeds in direct obligations of the United States to the
extent authorized in the bond resolution or trust indenture.

Sec. 265.052. EMINENT DOMAIN. (a) The hospital board may
acquire the fee simple title to or any other interest in land and
other property by condemnation under Chapter 21, Property Code, to
carry out any power, duty, or function under this subchapter.
   (b) The board has the same rights as a county or municipality
under Section 21.021, Property Code.
   (c) The board shall determine the amount and character of the
interest in land or other property to be acquired under this section.

SUBCHAPTER E. SALE, LEASE, OR CLOSING

Sec. 265.071. OFFICIAL ACTION. (a) The commissioners court by order and the governing body of a municipality by ordinance may order the sale, lease, or closing of all or part of a joint municipal and county hospital, including real property, owned and operated by the county and municipality.

(b) The order and ordinance must include a finding that the sale, lease, or closing is in the best interest of the residents of the county or municipality, respectively.

(c) A sale or closing may not take effect before the expiration of the period in which a petition may be filed under Section 265.072.

Sec. 265.072. PETITION AND ELECTION. (a) A petition requesting an election on the sale or closing of the hospital may be presented to the commissioners court and the municipal governing body before the 31st day after the date the commissioners court and the governing body order the sale or closing.

(b) The petition must be signed by at least 10 percent of the qualified voters of the county and any part of the municipality that is not in the county.

(c) On receipt of the petition, the commissioners court and the governing body shall order and conduct the election. The commissioners court and the governing body may sell or close the hospital only if a majority of the qualified voters voting at the election approve the sale or closing.

(d) The number of qualified voters of the county and any part of the municipality that is not in the county is determined according to the most recent official list of registered voters.

SUBTITLE D. HOSPITAL DISTRICTS

CHAPTER 281. HOSPITAL DISTRICTS IN COUNTIES OF AT LEAST 190,000

SUBCHAPTER A. CREATION OF DISTRICT

Sec. 281.001. DEFINITIONS. In this chapter:
Sec. 281.002. DISTRICT AUTHORIZATION. (a) A county with at least 190,000 inhabitants that does not own or operate a hospital system for indigent or needy persons may create a countywide hospital district and provide for the establishment of a hospital or hospital system to furnish medical aid and hospital care to indigent and needy persons residing in the district.

(b) A county with at least 190,000 inhabitants that owns and operates a hospital or hospital system for indigent or needy persons, separately or jointly with a municipality, may create a countywide hospital district and take over the hospital or hospital system to furnish medical aid and hospital care to indigent and needy persons residing in the district.

(c) A county with at least 190,000 inhabitants that has within its boundaries a municipality that owns a hospital or hospital system for indigent or needy persons that is operated by or on behalf of the municipality may create a countywide hospital district to assume ownership of the hospital or hospital system and to furnish medical aid and hospital care to indigent and needy persons residing in the district.

Sec. 281.003. CREATION ELECTION REQUIRED. (a) The district may be created only if the creation is approved by a majority of the qualified voters of the county in which the proposed district is to be located who vote at an election called and held for that purpose.

(b) The commissioners court may order a creation election to be held on its own motion and shall order the election on the presentation of a petition for a creation election signed by at least 100 qualified property taxing voters of the county.

(c) The election shall be held on the first authorized uniform
election date prescribed by the Election Code that allows sufficient
time to comply with other requirements of law.

Sec. 281.004. BALLOT PROPOSITIONS. (a) Except as provided by
Subsection (a-1) or (b), the ballot for an election under this
chapter shall be printed to provide for voting for or against the
proposition: "The creation of a hospital district and the levy of a
tax not to exceed 75 cents on each $100 of the taxable value of
property taxable by the district."

(a-1) The ballot for an election under this chapter held in a
county with a population of more than 800,000 that is not included in
the boundaries of a hospital district before September 1, 2003, shall
be printed to provide for voting for or against the proposition:
"The creation of a hospital district and the levy of a tax not to exceed 25 cents on each $100 of the taxable value of property taxable by the district."

(b) If the county or a municipality in the county has any
outstanding bonds issued for hospital purposes, the ballot for an
election under this chapter shall contain the proposition prescribed
by Subsection (a) or (a-1), as appropriate, followed by ", and the
assumption by the district of all outstanding bonds previously issued
for hospital purposes by __________ County and by any municipality in
the county."

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended

SUBCHAPTER B. DISTRICT ADMINISTRATION

Sec. 281.021. APPOINTMENT OF BOARD. (a) The commissioners
court of a county in which a district is created under this chapter
shall appoint a board of hospital managers composed of not less than
five or more than seven members.

(b) The commissioners court of a county with a population of
more than 1.8 million but less than 1.9 million in which a district
is created under this chapter shall appoint a board composed of not
less than five or more than 15 members.

(c) The Harris County Commissioners Court shall appoint a board
composed of not less than seven or more than nine members.

(d) If a district is created under this chapter in a county with a population of more than 800,000 that was not included in the boundaries of a hospital district before September 1, 2003, the district shall be governed by a nine-member board of hospital managers, appointed as follows:

1. the commissioners court of the county shall appoint four members;
2. the governing body of the municipality with the largest population in the county shall appoint four members; and
3. the commissioners court and the governing body of the municipality described by Subdivision (2) shall jointly appoint one member.

(e) The El Paso County Commissioners Court shall appoint a board composed of seven members, and shall by order provide for the qualifications of appointees to the board.

Amended by:
Acts 2009, 81st Leg., R.S., Ch. 206 (S.B. 534), Sec. 1, eff. September 1, 2009.
Acts 2011, 82nd Leg., R.S., Ch. 841 (H.B. 3462), Sec. 1, eff. June 17, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 1163 (H.B. 2702), Sec. 35, eff. September 1, 2011.

Sec. 281.022. TERM. (a) A board member serves a two-year term, except that the commissioners court may make some initial appointments for one year in order to stagger terms.

(b) The members of the board of hospital managers of the Nueces County Hospital District serve staggered three-year terms, with as near as possible to one-third of the members' terms expiring each year.

(c) The members of a board of hospital managers appointed under Section 281.021(d) serve staggered four-year terms, with as near as possible to one-fourth of the members' terms expiring each year. The
terms of the members appointed under that section are as follows:

(1) the members appointed solely by the governing body of the municipality with the largest population in the county shall draw lots to determine which member serves a one-year term, which member serves a two-year term, which member serves a three-year term, and which member serves a four-year term;

(2) the members appointed solely by the commissioners court of the county shall draw lots to determine which member serves a one-year term, which member serves a two-year term, which member serves a three-year term, and which member serves a four-year term; and

(3) the member appointed jointly by the governing body of the municipality described by Subdivision (1) and the commissioners court serves a four-year term.

(d) The members of the board of hospital managers of the El Paso County Hospital District serve staggered three-year terms, with as near as possible to one-third of the members' terms expiring each year.

Acts 2009, 81st Leg., R.S., Ch. 206 (S.B. 534), Sec. 2, eff. September 1, 2009.

Sec. 281.0221. TERM LIMIT. A member of the board of hospital managers of the El Paso County Hospital District may not serve more than two consecutive three-year terms and is not eligible for reappointment to the board until the second anniversary of the date the member's eligibility expires under this section.

Added by Acts 2009, 81st Leg., R.S., Ch. 206 (S.B. 534), Sec. 3, eff. September 1, 2009.

Sec. 281.0222. QUALIFICATIONS FOR OFFICE. (a) This section applies only to the El Paso County Hospital District.

(b) The El Paso County Commissioners Court may not appoint a person to the board of hospital managers of the district if the person is:
an employee of El Paso County;
(2) a district employee; or
(3) related within the third degree of consanguinity or affinity, as determined under Subchapter B, Chapter 573, Government Code, to a member of the commissioners court or to a person described by Subdivision (1) or (2).

Added by Acts 2011, 82nd Leg., R.S., Ch. 841 (H.B. 3462), Sec. 2, eff. June 17, 2011.

Sec. 281.023. OFFICERS. (a) The board shall elect from among its members:
(1) a chairman; and
(2) a vice-chairman to preside in the chairman's absence.
(b) The board shall appoint a board member or the administrator to serve as secretary.

Sec. 281.024. COMPENSATION. A board member serves without compensation.

Sec. 281.025. RECORD OF BOARD MEETING. (a) The board shall require the secretary to keep a suitable record of each board meeting.
(b) The presiding member shall read and sign the record after the meeting, and the secretary shall attest to the record.

Sec. 281.026. ADMINISTRATOR; DUTIES. (a) The board shall appoint a person qualified by training and experience as the administrator for the district.
(b) The administrator serves at the will of the board and for terms of not more than four years.
(c) The administrator is entitled to compensation as determined by the board.

(d) Before assuming duties, the administrator shall execute a bond payable to the district in the amount of not less than $10,000, conditioned on the faithful performance of the administrator's duties and any other requirements determined by the board.

(e) Subject to the limitations prescribed by the board, the administrator shall:
   (1) perform duties required by the board;
   (2) supervise the work and activities of the district; and
   (3) generally direct the affairs of the district.

Amended by:
    Acts 2005, 79th Leg., Ch. 424 (S.B. 1769), Sec. 1, eff. June 17, 2005.

Sec. 281.027. ASSISTANT ADMINISTRATOR. (a) If the administrator is incapacitated, absent, or unable to perform the administrator's duties, the board may designate an assistant administrator to perform any of the administrator's powers or duties, subject to limitations prescribed by board order.

(b) The assistant administrator or other persons shall execute a bond as required by board order.

Sec. 281.028. STAFF. (a) The board may appoint doctors to the district's staff and hire technicians, nurses, and other employees the board considers advisable for the district's efficient operation.

(b) An employment contract of a person appointed or hired under this section may not exceed four years.

Sec. 281.0281. EMPLOYMENT OF HEALTH CARE PROVIDERS. (a) This section applies only to a district created in a county with a
population of more than 800,000 that was not included in the boundaries of a hospital district before September 1, 2003.

(b) The board, as it considers necessary for the efficient operation of the district, may employ:
   (1) physicians as provided in this section and Sections 162.001(c-4) and (c-5), Occupations Code; and
   (2) dentists or other health care providers.

(c) The board may employ a licensed physician as a medical director if the physician:
   (1) provides only policy, administrative, and managerial services; and
   (2) does not provide direct patient care or otherwise practice medicine, as defined by Section 151.002, Occupations Code, at or for the district.

(d) This section does not authorize the board to supervise or control the practice of medicine or permit the unauthorized practice of medicine, as prohibited by Subtitle B, Title 3, Occupations Code.

Added by Acts 2007, 80th Leg., R.S., Ch. 164 (S.B. 1107), Sec. 4, eff. September 1, 2007.

Sec. 281.0282. DALLAS COUNTY HOSPITAL DISTRICT; EMPLOYMENT OF HEALTH CARE PROVIDERS AND PHYSICIANS. (a) The board of the Dallas County Hospital District may appoint, contract for, or employ physicians, dentists, and other health care providers as the board considers necessary for the efficient operation of the district.

(b) The term of an employment contract entered into under this section may not exceed four years.

(c) This section may not be construed as authorizing the board of the Dallas County Hospital District to supervise or control the practice of medicine, as prohibited by Subtitle B, Title 3, Occupations Code.

(d) The authority granted to the board of the Dallas County Hospital District under Subsection (a) to employ physicians shall apply only as necessary for the district to fulfill the district's statutory mandate to provide medical and dental care for the indigent and needy residents of the district as provided by Section 281.046.

(e) The Dallas County Hospital District shall establish a committee consisting of at least five actively practicing physicians

Statute text rendered on: 3/14/2015 - 1613 -
who provide care in the district. The committee shall approve existing policies or adopt new policies, if no policies exist, to ensure that a physician who is employed by the district is exercising the physician's independent medical judgment in providing care to patients.

(f) The chair of the committee must be a member of the executive committee of the Dallas County Hospital District's medical staff.

(g) The policies adopted or approved by the committee shall include policies relating to credentialing, quality assurance, utilization review, peer review, medical decision-making, governance of the committee, and due process.

(h) Each member of a committee shall provide biennially to the chief medical officer of the Dallas County Hospital District a signed, verified statement indicating that the committee member:

1. is licensed by the Texas Medical Board;
2. will exercise independent medical judgment in all committee matters, including matters relating to credentialing, quality assurance, utilization review, peer review, medical decision-making, and due process;
3. will exercise the committee member's best efforts to ensure compliance with the Dallas County Hospital District's policies that are adopted or established by the committee; and
4. will report immediately to the Texas Medical Board any action or event that the committee member reasonably and in good faith believes constitutes a compromise of the independent medical judgment of a physician in caring for a patient.

(i) The committee shall adopt rules requiring the disclosure of financial conflicts of interest by a committee member.

(j) For all matters relating to the practice of medicine, each physician employed by the board shall ultimately report to the chief medical officer of the Dallas County Hospital District.

Added by Acts 2009, 81st Leg., R.S., Ch. 823 (S.B. 1705), Sec. 1, eff. June 19, 2009.

Sec. 281.0283. HARRIS COUNTY HOSPITAL DISTRICT; EMPLOYMENT OF PHYSICIANS. (a) The board of the Harris County Hospital District may appoint, contract for, or employ physicians as the board
considers necessary for the efficient operation of the district.

(b) The term of an employment contract entered into under this section may not exceed four years.

c) This section may not be construed as authorizing the board of the Harris County Hospital District to supervise or control the practice of medicine, as prohibited by Subtitle B, Title 3, Occupations Code.

d) The authority granted to the board of the Harris County Hospital District under Subsection (a) to employ physicians shall apply as necessary for the district to fulfill the district's statutory mandate to provide medical care for the indigent and needy residents of the district as provided by Section 281.046.

e) The medical executive board of the Harris County Hospital District shall adopt, maintain, and enforce policies to ensure that a physician employed by the district exercises the physician's independent medical judgment in providing care to patients.

f) The policies adopted by the medical executive board under this section must include:

1) policies relating to:
   (A) governance of the medical executive board;
   (B) credentialing;
   (C) quality assurance;
   (D) utilization review;
   (E) peer review;
   (F) medical decision-making; and
   (G) due process; and

2) rules requiring the disclosure of financial conflicts of interest by a member of the medical executive board.

(g) The medical executive board and the board of the Harris County Hospital District shall jointly develop and implement a conflict management process to resolve any conflict between a policy adopted by the medical executive board under this section and a policy of the Harris County Hospital District.

(h) A member of the medical executive board who is a physician shall provide biennially to the chair of the medical executive board a signed, verified statement indicating that the board member:

1) is licensed by the Texas Medical Board;

2) will exercise independent medical judgment in all medical executive board matters, including matters relating to:
   (A) credentialing;
(B) quality assurance;
(C) utilization review;
(D) peer review;
(E) medical decision-making; and
(F) due process;

(3) will exercise the board member's best efforts to ensure compliance with the policies that are adopted or established by the medical executive board; and

(4) will report immediately to the Texas Medical Board any action or event that the board member reasonably and in good faith believes constitutes a compromise of the independent medical judgment of a physician in caring for a patient.

(i) For all matters relating to the practice of medicine, each physician employed by the Harris County Hospital District shall ultimately report to the chair of the medical executive board for the district.

Added by Acts 2011, 82nd Leg., R.S., Ch. 975 (H.B. 1568), Sec. 1, eff. June 17, 2011.

Sec. 281.0284. BEXAR COUNTY HOSPITAL DISTRICT; EMPLOYMENT OF PHYSICIANS. (a) The board of the Bexar County Hospital District may employ physicians as the board considers necessary for the efficient operation of the district.

(b) A physician employed by the Bexar County Hospital District under this section must practice with a nonprofit health organization certified by the Texas Medical Board and created by the Bexar County Hospital District.

(c) The term of an employment contract entered into under this section may not exceed four years.

(d) This section may not be construed as authorizing the board of the Bexar County Hospital District to supervise or control the practice of medicine, as prohibited by Subtitle B, Title 3, Occupations Code.

Added by Acts 2011, 82nd Leg., R.S., Ch. 524 (H.B. 2351), Sec. 1, eff. June 17, 2011.
Redesignated from Health and Safety Code, Section 281.0283 by Acts 2013, 83rd Leg., R.S., Ch. 161 (S.B. 1093), Sec. 22.001(26), eff. September 1, 2013.
Sec. 281.0285. EL PASO COUNTY HOSPITAL DISTRICT; EMPLOYMENT OF PHYSICIANS, DENTISTS, AND OTHER HEALTH CARE PROVIDERS. (a) The board of the El Paso County Hospital District may appoint, contract for, or employ physicians, dentists, and other health care providers as the board considers necessary for the efficient operation of the district.

(b) The term of an employment contract entered into under this section may not exceed four years.

(c) This section may not be construed as authorizing the board of the El Paso County Hospital District to supervise or control the practice of medicine as prohibited by Subtitle B, Title 3, Occupations Code, or to supervise or control the practice of dentistry as prohibited by Subtitle D, Title 3, Occupations Code.

(d) The authority granted to the board of the El Paso County Hospital District under Subsection (a) to employ physicians shall apply as necessary for the district to fulfill the district's statutory mandate to provide medical care for the indigent and needy residents of the district as provided by Section 281.046.

(e) The medical executive committee of the El Paso County Hospital District, in accordance with the bylaws adopted by the board of the El Paso County Hospital District, shall adopt, maintain, and enforce policies to ensure that a physician employed by the district exercises the physician's independent medical judgment in providing care to patients.

(f) The policies adopted by the medical executive committee under this section must include:

(1) policies relating to:
   (A) governance of the medical executive committee;
   (B) credentialing;
   (C) quality assurance;
   (D) utilization review;
   (E) peer review;
   (F) medical decision-making; and
   (G) due process; and

(2) rules requiring the disclosure of financial conflicts of interest by a member of the medical executive committee.

(g) The medical executive committee and the board of the El Paso County Hospital District shall jointly develop and implement a
conflict management process to resolve any conflict between the policies adopted under this section and a policy of the El Paso County Hospital District.

(h) A member of the medical executive committee who is a physician shall provide biennially to the chair of the medical executive committee a signed, verified statement indicating that the committee member:

(1) is licensed by the Texas Medical Board;
(2) will exercise independent medical judgment in all medical executive committee matters, including matters relating to:
   (A) credentialing;
   (B) quality assurance;
   (C) utilization review;
   (D) peer review;
   (E) medical decision-making; and
   (F) due process;

(3) will exercise the committee member's best efforts to ensure compliance with the policies that are adopted or established by the medical executive committee; and

(4) will report immediately to the Texas Medical Board any action or event that the committee member reasonably and in good faith believes constitutes a compromise of the independent medical judgment of a physician in caring for a patient.

(i) For all matters relating to the practice of medicine, each physician employed by the El Paso County Hospital District shall ultimately report to the chair of the medical executive committee for the district.

Added by Acts 2011, 82nd Leg., R.S., Ch. 417 (S.B. 860), Sec. 1, eff. June 17, 2011.

Sec. 281.0286. TARRANT COUNTY HOSPITAL DISTRICT; EMPLOYMENT OF PHYSICIANS. (a) The board of the Tarrant County Hospital District may appoint, contract for, or employ physicians as the board considers necessary for the efficient operation of the district.

(b) The term of an employment contract entered into under this section may not exceed four years.

(c) This section may not be construed as authorizing the board of the Tarrant County Hospital District to supervise or control the
practice of medicine, as prohibited by Subtitle B, Title 3, Occupations Code.

(d) The authority granted to the board of the Tarrant County Hospital District under Subsection (a) to employ physicians shall apply as necessary for the district to fulfill the district's statutory mandate to provide medical care for the indigent and needy residents of the district as provided by Section 281.046.

(e) The medical executive committee of the Tarrant County Hospital District shall adopt, maintain, and enforce policies to ensure that a physician employed by the district exercises the physician's independent medical judgment in providing care to patients.

(f) The policies adopted by the medical executive committee under this section must include:

1. policies relating to:
   (A) governance of the medical executive committee;
   (B) credentialing;
   (C) quality assurance;
   (D) utilization review;
   (E) peer review;
   (F) medical decision-making; and
   (G) due process; and

2. rules requiring the disclosure of financial conflicts of interest by a member of the medical executive committee.

(g) The medical executive committee and the board of the Tarrant County Hospital District shall jointly develop and implement a conflict management process to resolve any conflict between a policy adopted by the medical executive committee under this section and a policy of the Tarrant County Hospital District.

(h) A member of the medical executive committee who is a physician shall provide biennially to the chair of the medical executive committee a signed, verified statement indicating that the member of the medical executive committee:

1. is licensed by the Texas Medical Board;
2. will exercise independent medical judgment in all medical executive committee matters, including matters relating to:
   (A) credentialing;
   (B) quality assurance;
   (C) utilization review;
   (D) peer review;
(E) medical decision-making; and
(F) due process;

(3) will exercise the committee member's best efforts to ensure compliance with the policies that are adopted or established by the medical executive committee; and

(4) will report immediately to the Texas Medical Board any action or event that the committee member reasonably and in good faith believes constitutes a compromise of the independent medical judgment of a physician in caring for a patient.

(i) For all matters relating to the practice of medicine, each physician employed by the Tarrant County Hospital District shall ultimately report to the chair of the medical executive committee for the district.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1320 (S.B. 303), Sec. 3, eff. September 1, 2011.

Sec. 281.029. RETIREMENT PROGRAMS. (a) With the approval of the commissioners court, the board may contract with the state or the federal government as necessary to establish or continue a retirement program for the benefit of district employees.

(b) In addition to the retirement programs authorized by Subsection (a), the board may establish a retirement program the board considers necessary and advisable for the benefit of district employees.

Sec. 281.030. SEAL. The board shall have a seal engraved with the district's name. The seal shall be kept by the secretary and used to authenticate the board's acts.

Sec. 281.031. REMOVAL OF BOARD MEMBER. (a) A member of the board of hospital managers of the El Paso County Hospital District is considered to have resigned the member's position if the member:

(1) is absent from all the regularly scheduled board and
committee meetings that the member is eligible to attend during a 90-day period;

(2) is absent from more than half of the regularly scheduled board and committee meetings that the member is eligible to attend during a 12-month period;

(3) fails to pay a local tax, including an ad valorem tax, when due; or

(4) would be ineligible to serve on the board as provided by Section 281.0222.

(b) A resignation under Subsection (a) is effective immediately on the date the absence, disqualifying conduct, or ineligibility specified by Subsection (a) occurs or exists.

Added by Acts 2009, 81st Leg., R.S., Ch. 206 (S.B. 534), Sec. 3, eff. September 1, 2009.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 841 (H.B. 3462), Sec. 3, eff. June 17, 2011.

SUBCHAPTER C. GENERAL POWERS AND DUTIES

Sec. 281.041. TRANSFER OF COUNTY AND MUNICIPAL HOSPITAL PROPERTY AND FUNDS. (a) Except as provided by Subsection (e), on the creation of a district under this chapter and the appointment and qualification of the district board, the county owning the hospital or hospital system, the county and municipality jointly operating a hospital or hospital system, or the municipality owning a hospital or hospital system shall execute and deliver to the district board a written instrument conveying to the district the title to land, buildings, and equipment jointly or separately owned by the county and municipality and used to provide medical services or hospital care, including geriatric care, to indigent or needy persons of the county or municipality.

(b) On the creation of a district under this chapter and the appointment and qualification of the district board, the county owning the hospital or hospital system, the county and municipality jointly operating a hospital or hospital system, or the municipality owning a hospital or hospital system shall, on the receipt of a certificate executed by the board's chairman stating that a depository for the district has been chosen and qualified, transfer
to the district:

(1) all joint or separate county and municipal funds that are the proceeds of any bonds assumed by the district under Section 281.044; and

(2) all unexpended joint or separate county and municipal funds that have been established or appropriated by the county or municipality to support and maintain the hospital facilities for the year in which the district is created, to be used by the district to operate and maintain those facilities for the remainder of the year.

(c) Funds transferred to the district under this section may be used only for a purpose for which the county or the municipality that transferred the funds could lawfully have used the funds if the funds had remained the property and funds of the county or municipality.

(d) On the creation of the district, the board of managers of the county or municipal hospital system shall continue to manage and control the property and affairs of that system until the board of the district is appointed and organized. At that time, the county or municipal board of managers shall transfer to the district board all county and municipal hospital system records, property, and affairs and shall cease to exist.

(e) A county or municipality transferring property or funds under this section is not required to transfer to the district:

(1) a medical facility used primarily for the treatment of inmates of a jail or any other correctional facilities, including juvenile justice facilities;

(2) property owned by the municipality that is used in connection with the provision of utility services, including electricity, water, wastewater, and sewer services;

(3) any real property or other assets related to a medical clinic facility on which construction has begun, but has not been completed, by the date on which the board members have been appointed and qualified to serve;

(4) a building and related land owned by the county or municipality that are used for purposes related or unrelated to the hospital or hospital system, except that:

(A) if the county or municipality retains ownership of the building and related land, the county or municipality shall lease the space used for hospital or hospital system purposes to the district for an initial term of three years unless a shorter term is otherwise agreed to by the district and the transferring entity; or
(B) if the county or municipality transfers the building and related land to the district, the district shall lease to the transferring entity the space not used for hospital or hospital system purposes for an initial term of three years unless a shorter term is otherwise agreed to by the district and the transferring entity;

(5) any or all of the public health services and related facilities of the county or municipality, other than a hospital or hospital district, unless the transfer of the public health services or a related facility to the district is mutually agreed to by the district and the transferring entity; or

(6) an ambulance service, emergency medical service, search and rescue service, or medical transport service that is owned or operated by the county or municipality, unless the transfer of all or part of the service and related buildings and equipment to the district is mutually agreed to by the district and the transferring entity.

(f) A transfer of an asset under this section, including a federally qualified health center, that would violate federal or state law unless a waiver or other authorization or approval is granted by a federal or state agency may not occur until the required waiver, authorization, or approval is obtained. A facility designated as a federally qualified health center under 42 U.S.C. Section 1396d(l)(2)(B), as amended, may not be transferred to the district until the district board has confirmed that the transfer will not jeopardize the federal designation of that facility.

Sec. 281.042. RETURN OF TRANSFERRED PROPERTY TO COUNTY OR MUNICIPALITY. (a) The board by deed may transfer to the county or a municipality any property that:

(1) was transferred to the district by that county or municipality under Section 281.041; and

(2) the board considers is not and will not be useful for the purposes for which the property was originally transferred to the district.

(b) The transfer may be made on terms determined suitable by
the board and the commissioners court.

Sec. 281.043. ASSUMPTION OF CONTRACT OBLIGATIONS. On the creation of the district, the district assumes, without prejudice to the rights of third parties, any outstanding contract obligations legally incurred by the county or municipality, or both, for the construction, support, maintenance, or operation of hospital facilities and the provision of health care services or hospital care, including mental health care, to indigent residents of the county or municipality before the creation of the district.

Sec. 281.044. ASSUMPTION OF BONDED INDEBTEDNESS; CANCELLATION OF UNSOLD MUNICIPAL OR COUNTY BONDS. (a) On the creation of the district, the district assumes:

(1) any outstanding bonded indebtedness incurred by the county or municipality, or both, in the acquisition of land, buildings, and equipment transferred to the district or in the construction and equipping of hospital facilities; and

(2) any other outstanding bonds issued by the county or municipality for hospital purposes, the proceeds of which are in whole or in part unexpended.

(b) On the creation of the district, the county or a municipality in the district that issued bonds for hospital purposes is no longer liable for the payment of the bonds or for providing interest and sinking fund requirements on those bonds.

(c) This section does not limit or affect the rights of a bondholder against the county or municipality if there is a default in payment of the principal or interest on the bonds in accordance with their terms.

(d) If the issuance of bonds by the county or municipality, or both, to provide hospital facilities was approved at a bond election but the bonds have not been sold on the date on which the hospital district is created under this chapter, the bond authority is canceled and the county or municipality, or both, may not sell the bonds.
Sec. 281.045. LIMITATION ON TAXING POWER BY GOVERNMENTAL ENTITY; DISPOSITION OF DELINQUENT TAXES. (a) On or after the creation of the district, the county or a municipality located in the district may not levy taxes for hospital purposes.

(b) The county or a municipality located in the district that collects delinquent taxes owed to the county or municipality on levies for county and municipal hospital systems under Chapter 265 shall pay the amount of the collected delinquent taxes to the district, and the district shall apply that money to the purposes for which the taxes were originally levied.

Sec. 281.046. DISTRICT RESPONSIBILITY FOR MEDICAL AID AND HOSPITAL CARE. Beginning on the date on which taxes are collected for the district, the district assumes full responsibility for furnishing medical and hospital care for indigent and needy persons residing in the district.

Sec. 281.0465. NURSING SERVICES FOR SCHOOL DISTRICTS. A hospital district may contract with a school district included in the hospital district to provide nursing services and assistance to employees or students of the school district.

Sec. 281.047. MANAGEMENT, CONTROL, AND ADMINISTRATION. The board shall manage, control, and administer the hospital or hospital system of the district.

Sec. 281.0475. RENAMING DISTRICT. (a) This section applies only to a district created in a county with a population of more than 800,000 that was not included in the boundaries of a hospital district before September 1, 2003.

(b) With the approval of the commissioners court, the board may rename the district.

Added by Acts 2005, 79th Leg., Ch. 1094 (H.B. 2120), Sec. 10, eff. September 1, 2005.

Sec. 281.048. DISTRICT RULES. The board may adopt rules governing the operation of the hospital or hospital system.

Sec. 281.049. PURCHASING AND ACCOUNTING METHODS AND PROCEDURES. (a) The commissioners court may prescribe:

(1) the method of making purchases and expenditures by and for the district; and

(2) accounting and control procedures for the district.

(b) The commissioners court by resolution or order may delegate its powers under Subsection (a) to the board.

(c) A county officer, employee, or agent shall perform any function or service required by the commissioners court under this section.

(d) The district shall pay salaries and expenses necessarily incurred by the county or by a county officer or agent in performing a duty prescribed or required under this section.

Sec. 281.050. POWERS RELATING TO DISTRICT PROPERTY, FACILITIES, AND EQUIPMENT. (a) With the approval of the commissioners court, the board may construct, condemn, acquire, lease, add to, maintain, operate, develop, regulate, sell, exchange, and convey any property, property right, equipment, hospital facility, or system to maintain a
hospital, building, or other facility or to provide a service required by the district. Approval of the commissioners court shall be required for the sale or lease of a hospital facility regardless of the provisions of Section 285.051.

(b) Notwithstanding any other law, the board may, with the approval of the commissioners court, lease undeveloped real property for not more than 50 years to provide for the development and construction of facilities designed to generate revenue for the financial benefit of the district. The board, directly or through a nonprofit corporation, may contract or enter into a joint venture with a public or private entity as necessary to enter into a lease under this subsection.

Acts 2009, 81st Leg., R.S., Ch. 535 (S.B. 1478), Sec. 1, eff. June 19, 2009.

Sec. 281.051. CONTRACTING AUTHORITY. (a) With the approval of the commissioners court, the board may, in performing its powers under Section 281.050, contract or cooperate with:

(1) the federal government;
(2) this state;
(3) another governmental entity; or
(4) a privately owned or operated hospital.

(b) With the approval of the commissioners court, the board may contract with:

(1) a county for care and treatment of the county's sick, diseased, or injured persons; and
(2) this state or the federal government for care and treatment of sick, diseased, or injured persons for whom the state or federal government is responsible.

(c) The board shall encourage and promote participation by all sectors of the business community, including small businesses and businesses owned by members of a minority group or by women, in the process by which the district enters into contracts. The board shall develop a plan for the district to identify and remove barriers that do not have a definite or objective relationship to quality or
competence and that unfairly discriminate against small businesses and businesses owned by members of a minority or by women. These barriers may include contracting procedures and contract specifications or conditions.

Sec. 281.0511. CONTRACTING AUTHORITY OF CERTAIN DISTRICTS; LEASE OF PROPERTY OR HOSPITAL FACILITIES. (a) This section applies only to a district created in a county with a population of more than 800,000 that was not included in the boundaries of a hospital district before September 1, 2003.

(b) Notwithstanding Sections 281.050 and 281.051, the board may contract with any person, including a private or public entity or a political subdivision of this state, to provide or assist in the provision of services.

(c) Notwithstanding Section 281.050, the board may lease any property or hospital facility without the approval of the commissioners court. The board may enter into a lease under this subsection only after an open meeting in accordance with Chapter 551, Government Code, including Section 551.072, Government Code.

Added by Acts 2007, 80th Leg., R.S., Ch. 164 (S.B. 1107), Sec. 5, eff. September 1, 2007.
Amended by:
  Acts 2011, 82nd Leg., R.S., Ch. 917 (S.B. 1352), Sec. 1, eff. June 17, 2011.
  Acts 2011, 82nd Leg., R.S., Ch. 917 (S.B. 1352), Sec. 2, eff. June 17, 2011.

Sec. 281.0512. CONTRACT TO PROVIDE ADMINISTRATIVE FUNCTIONS AND SERVICES. (a) This section applies only to a federally qualified health center as defined by 42 U.S.C. Section 1396d(1)(2)(B) or a federally qualified health center look-alike organized and operated under the authority of and in compliance with 42 U.S.C. Section 254b that is substantially devoted to providing services to socially and economically disadvantaged individuals in the geographical area of

Statute text rendered on: 3/14/2015 - 1628 -
(b) The board may contract with a federally qualified health center or a federally qualified health center look-alike to perform for the center administrative functions and services that the district and the center may perform independently.

Added by Acts 2011, 82nd Leg., R.S., Ch. 633 (S.B. 847), Sec. 1, eff. June 17, 2011.

Sec. 281.0514. HARRIS COUNTY HOSPITAL DISTRICT; CONTRACT WITH CERTAIN HOSPITALS. (a) The Harris County Hospital District may contract for indigent health care services with at least one hospital that is:

(1) located in the district;
(2) exempt from federal income tax under Section 501(a), Internal Revenue Code of 1986, and its subsequent amendments, by being listed as an exempt entity under any subdivision of Section 501(c) of that code; and
(3) substantially devoted to providing hospital services to socially and economically disadvantaged individuals in the geographical area of the district.

(b) A contract under this section is subject to Section 281.051(a).

Added by Acts 1999, 76th Leg., ch. 1377, Sec. 1.24, eff. Sept. 1, 1999.

Sec. 281.0515. PROCEDURES FOR HEALTH MAINTENANCE ORGANIZATION. A district may establish a health maintenance organization in accordance with the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code) to provide or arrange for health care services for the residents of the district.

Added by Acts 1993, 73rd Leg., ch. 908, Sec. 2, eff. Aug. 30, 1993.

Sec. 281.0517. INTEGRATED HEALTH CARE SYSTEM. (a) In this section:

(1) "Integrated health care system" means a nonprofit
corporation established and operated by a district and a medical school to provide or arrange for comprehensive health care services for residents of the district.

(2) "Provider" means a physician or a provider as defined under Section 843.002, Insurance Code.

(3) "Medical school" means a medical school governed by Chapter 110, Education Code.

(b) The El Paso County Hospital District and a medical school may establish and operate an integrated health care system.

(c) To provide or arrange for comprehensive health care services, an integrated health care system created under this section may:

(1) own, acquire, lease, or contract for all necessary assets;

(2) enter into contracts with providers for the provision of health care services directly or indirectly through subcontract;

(3) provide or enter into a contract with an individual or business entity under which the individual or entity provides necessary management or administrative services for the system and the system's providers;

(4) enter into a contract or other agreement with a business or governmental entity under which the system is paid to provide health care services; and

(5) enter into a fee-for-service, capitated, or risk-sharing health care service arrangement.

(d) An integrated health care system that recites in its articles of incorporation that it is created under this section is:

(1) subject to:

(A) Chapter 551, Government Code;
(B) Chapter 552, Government Code;
(C) Chapter 843, Insurance Code;
(D) Chapter 844, Insurance Code; and
(E) Chapter 262, Local Government Code; and

(2) a unit of local government for the purposes of Chapter 101, Civil Practice and Remedies Code.

(e) Notwithstanding Subsection (d)(1)(A), an integrated health care system created under this section may hold a closed meeting to deliberate:

(1) pricing or financial planning relating to a bid or negotiation for a contract to provide a service or product line, if
an open meeting would have a detrimental effect on the position of
the system in the bid or negotiation process; or
(2) a proposed new service or product line, if the meeting
is held before public announcement of the service or product line.
(f) Notwithstanding Subsection (d)(1)(B), information relating
to the following is confidential and not subject to disclosure:
(1) pricing or financial planning relating to a bid or
negotiation for a contract to provide a service or product line, if
disclosure would have a detrimental effect on the position of the
integrated health care system in the bid or negotiation process; or
(2) a proposed new service or product line, if disclosure
is requested before public announcement of the service or product
line.
(g) Subject to the requirements and limitations of the local
health care market, an integrated health care system created under
this section shall make reasonable efforts to include in its provider
group community providers other than the medical school and a
hospital of the El Paso County Hospital District.

Added by Acts 1997, 75th Leg., ch. 947, Sec. 1, eff. Sept. 1, 1997.
Amended by Acts 2003, 78th Leg., ch. 1276, Sec. 10A.528, 10A.529,

Sec. 281.0518. DALLAS COUNTY HOSPITAL DISTRICT; AUTHORITY TO
SELL OR LICENSE INTELLECTUAL PROPERTY. (a) The Dallas County
Hospital District or a nonprofit corporation formed by the district
may:
(1) sell or license technology or intellectual property
that is owned by or licensed to the district or a nonprofit
corporation formed by the district;
(2) enter into a contract to provide services related to
technology or intellectual property sold or licensed under
Subdivision (1);
(3) contract, collaborate, or enter into a joint venture or
other agreement with a public or private entity to engage in an
activity authorized under Subdivision (1) or (2); or
(4) take any other action necessary to protect or benefit
from the exclusivity of technology and intellectual property owned by
or licensed to the district or a nonprofit corporation formed by the
district, including applying for, acquiring, registering, securing, holding, protecting, and renewing under applicable provisions of state, federal, or international law:

(A) a patent;
(B) a copyright;
(C) a trademark, service mark, collective mark, or certification mark; or
(D) any other form of protection of intellectual property provided by law.

(b) Information prepared or compiled by or for the Dallas County Hospital District or a nonprofit corporation formed by the district relating to the development of technology or intellectual property to which this section applies is exempt from public disclosure under Chapter 552, Government Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1375 (S.B. 1916), Sec. 1, eff. June 14, 2013.

Sec. 281.052. COUNTY AUTHORITY TO SELL, LEASE, AND PURCHASE FACILITIES FOR DISTRICT PURPOSES. (a) The commissioners court of a county in which a district is created under this chapter may sell real or personal property in order to enter into a contract to:

(1) lease or rent buildings, land, facilities, equipment, or services from others for district purposes;
(2) construct, repair, renovate, improve, or enlarge buildings, land, facilities, or equipment for district purposes; and
(3) pay regular monthly utility bills, including electricity, gas, and water bills, for the leased or rented buildings, land, facilities, equipment, or services.

(b) The commissioners court may pay for the facilities, equipment, and services and for the regular monthly utility bills for those facilities, equipment, and services from the county's general fund if a majority of the commissioners court considers the facilities, equipment, and services essential to the proper administration of the county.

(c) A construction project under this section shall be let by contract. The contract must contain the prevailing wage for mechanics, laborers, and other persons employed in the project. The Tarrant County Commissioners Court shall set the prevailing wage in
the amount set by the commissioners court for all construction projects involving the expenditure of county funds.

(d) On or before the expiration of the lease or rental contract, the county may purchase the facilities with county general funds if a majority of the commissioners court considers the purchase price reasonable.

Sec. 281.053. DISTRICT INSPECTIONS. (a) The district may be inspected by a representative of the commissioners court, the Texas Board of Health, or the Texas Department of Human Services.

(b) A district officer shall:

(1) admit an inspector into the district facilities; and
(2) on demand give the inspector access to records, reports, books, papers, and accounts related to the district.

Sec. 281.054. EMINENT DOMAIN. (a) The district has the power of eminent domain to acquire any interest in real, personal, or mixed property located in the district if the property interest is necessary or convenient for the exercise of the rights or authority conferred on the district by this chapter.

(b) The district must exercise the power of eminent domain in the manner provided by Chapter 21, Property Code, but the district is not required to deposit with the trial court money or a bond as provided by Section 21.021(a), Property Code.

(c) In a condemnation proceeding brought by the district, the district is not required to:

(1) pay in advance or give bond or other security for costs in the trial court;
(2) give bond for the issuance of a temporary restraining order or a temporary injunction; or
(3) give bond for costs or supersedeas on an appeal or writ of error.

Sec. 281.055. GIFTS AND ENDOWMENTS. On behalf of the district, the board may accept gifts and endowments to be held in trust and administered by the board for the purposes and under the directions, limitations, or provisions prescribed in writing by the donor that are consistent with the proper management of the district.

Sec. 281.056. AUTHORITY TO SUE AND BE SUED; LEGAL REPRESENTATION. (a) The board may sue and be sued. A health care liability claim, as defined by Section 74.001, Civil Practice and Remedies Code, may be brought against the district only in the county in which the district is established.

(b) Except as provided by Subsection (b-1), a district may employ or contract with private legal counsel to represent the district on any legal matter. If the district does not employ or contract with private legal counsel on a legal matter, the county attorney, district attorney, or criminal district attorney, as appropriate, with the duty to represent the county in civil matters shall represent the district.

(b-1) The county attorney, district attorney, or criminal district attorney, as appropriate, with the duty to represent the county in civil matters shall, in all legal matters, represent a district located in:

(1) a county with a population of 800,000 or more that borders the United Mexican States;

(2) a county with a population of 3.4 million or more; or

(3) a county with a population of more than 800,000 that was not included in the boundaries of a hospital district before September 1, 2003.

(c) A board that receives legal services from a county attorney, district attorney, or criminal district attorney may employ additional private legal counsel when the board determines that additional counsel is advisable. A board that contracts or employs private legal counsel under Subsection (b) may request and receive additional legal services from the county attorney, district attorney, or criminal district attorney, as appropriate, with the duty to represent the county in civil matters when the board determines that additional counsel is necessary.
(d) If the district receives legal services from a county attorney, district attorney, or criminal district attorney, the district shall contribute sufficient funds to the general fund of the county for the account of the budget of the county attorney, district attorney, or criminal district attorney, as appropriate, to pay all additional salaries and expenses incurred by that officer in performing the duties required by the district.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 2003, 78th Leg., ch. 204, Sec. 3.08, eff. Sept. 1, 2003. Amended by:

Acts 2005, 79th Leg., Ch. 1094 (H.B. 2120), Sec. 11, eff. September 1, 2005.

Acts 2011, 82nd Leg., R.S., Ch. 1163 (H.B. 2702), Sec. 36, eff. September 1, 2011.

Sec. 281.0565. CHARITABLE ORGANIZATIONS. (a) In this section, "charitable organization" means an organization that is exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986 by being listed as an exempt organization in Section 501(c)(3) or 501(c)(4) of the code.

(b) A district may create a charitable organization to facilitate the management of a district health care program by providing or arranging health care services, developing resources for health care services, or providing ancillary support services for the district.

(c) A charitable organization created by a district under this section is a unit of local government for purposes of Chapter 101, Civil Practice and Remedies Code.

(d) A district created in a county with a population of more than 800,000 that was not included in the boundaries of a hospital district before September 1, 2003, may make a capital or other financial contribution to a charitable organization created by the district to provide regional administration and delivery of health care services to or for the district.

Added by Acts 1997, 75th Leg., ch. 104, Sec. 1, eff. Sept. 1, 1997. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 164 (S.B. 1107), Sec. 6, eff. September 1, 2007.
Sec. 281.057. EMPLOYMENT OF DISTRICT PEACE OFFICERS. (a) The board of the Dallas County Hospital District, the Tarrant County Hospital District, the Bexar County Hospital District, or the El Paso County Hospital District may employ and commission peace officers for the district.

(b) The jurisdiction of a peace officer commissioned under this section includes the property owned or controlled by the district that employs the peace officer and any street abutting, right-of-way over or through, or easement in the property.

(c) In a district peace officer's jurisdiction, the peace officer has the authority granted by Chapter 14, Code of Criminal Procedure. The peace officer may also make an arrest without a warrant in the officer's jurisdiction if the offense involves injury or harm to any property owned or controlled by the district.

Acts 2011, 82nd Leg., R.S., Ch. 402 (S.B. 601), Sec. 1, eff. June 17, 2011.

SUBCHAPTER D. MEDICAL TREATMENT AND CARE

Sec. 281.071. PAYMENT AND SUPPORT. (a) The administrator shall inquire into a patient's circumstances and the circumstances of the patient's relatives legally responsible for the patient's support if the patient is admitted to district facilities from the county in which the hospital is located. If the administrator finds that the patient or the patient's relatives are liable for the patient's care and treatment in whole or in part, the administrator shall issue an order directing the patient or the patient's relatives to pay to the district treasurer a specified amount each week in proportion to the financial ability of the patient or the patient's relatives to pay.

(b) A patient or the patient's relatives may not be required to pay an amount greater than the actual per capita cost of maintenance.

(c) An administrator may collect an amount owed under this section from the estate of a patient, or the relatives legally
responsible for the patient's support, in the manner provided by law for the collection of expenses of the last illness of a deceased person.

(d) If the administrator finds that the patient and the patient's relatives are not able to pay in whole or in part, the district shall without charge supply the care and treatment to the patient.

(e) A county court of the county in which a patient's hospital is located shall hear and determine the ability of the patient or the patient's relatives to pay under this section if there is a dispute over this ability or if there is doubt in the mind of the administrator over this ability. The court shall hear witnesses and issue any order that may be proper.

(f) An appeal from an order of the county court must be made to a district court in the county in which the district is located.

Sec. 281.072. REIMBURSEMENT FOR SERVICES. The board shall require reimbursement from a county, municipality, or public hospital located outside the boundaries of the district for the district's care and treatment of a sick, diseased, or injured person of that county, municipality, or public hospital as provided by Chapter 61 (Indigent Health Care and Treatment Act).

Sec. 281.073. DISPOSITION OF DISTRICT RECORDS. (a) The preservation, microfilming, destruction, or other disposition of the records of a district is subject to Subtitle C, Title 6, Local Government Code.

(b) The period that medical records are retained shall be in accordance with rules relating to the retention of medical records adopted by the Texas Department of Health and with other applicable federal and state laws and rules.

SUBCHAPTER E. DISTRICT FINANCES

Sec. 281.091. BUDGET. (a) The administrator shall prepare an annual budget under the board's direction.
   (b) The budget and budget revisions must be approved by the board and then shall be presented to the commissioners court for final approval.

Sec. 281.092. ADMINISTRATOR'S REPORT. (a) As soon as practicable after the close of the fiscal year, the administrator shall make a report to the board, commissioners court, Texas Board of Health, and comptroller.
   (b) The report must:
      (1) consist of a sworn statement of all money and choses in action received by the administrator and their disposition; and
      (2) show in detail the operations of the district for the fiscal year.

Sec. 281.093. DEPOSITORY. (a) Not later than the 30th day after the appointment of the board, the board shall:
   (1) select a depository for district funds in the manner provided by law for the selection of a county depository; or
   (2) elect to use the depository previously selected by the county.
   (b) If the board selects a depository in accordance with Subsection (a)(1), the depository shall serve as the district depository for four years and until its successor is selected and qualified.
   (c) The board may extend any contract with a depository to the next October and then select a depository for the following four years.
   (d) All income of the district shall be deposited in the district depository.
   (e) Warrants against district funds do not require the county clerk's signature.
Sec. 281.094. USE OF CERTAIN FUNDS BY THE NUECES COUNTY HOSPITAL DISTRICT. (a) With the approval of the Nueces County Commissioners Court, the board of the Nueces County Hospital District may use funds made available to the district from sources other than a tax levy to fund health care services, including public health services, mental health and mental retardation services, emergency medical services, health services provided to persons confined in jail facilities, and for other health related purposes.

(b) The board of the Nueces County Hospital District may use funds made available to the district from any source to fund:

(1) indigent health care; and

(2) intergovernmental transfers from the district to the state for use as the nonfederal share of Medicaid supplemental payment program or waiver program payments for eligible health care providers located inside or outside the district's boundaries, including, but not limited to, any payments available through a waiver granted under Section 1115, Social Security Act (42 U.S.C. Section 1315), or other similar payment programs, subject to the limitation prescribed by Subsection (c).

(c) Neither the funds comprising an intergovernmental transfer described by Subsection (b)(2) nor any federal funds obtained from any such transfer may be used by the board of the Nueces County Hospital District or any entity to expand eligibility for medical assistance (Medicaid) under the Patient Protection and Affordable Care Act (Pub. L. No. 111-148), as amended by the Health Care and Education Reconciliation Act of 2010 (Pub. L. No. 111-152).

Added by Acts 1999, 76th Leg., ch. 1133, Sec. 1, eff. June 18, 1999. Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1373 (S.B. 1863), Sec. 1, eff. June 14, 2013.

Sec. 281.095. PROHIBITION AGAINST PARTICIPATION IN TAX INCREMENT FINANCING BY CERTAIN HOSPITAL DISTRICTS. (a) In this section, "district" means Bexar County Hospital District, Nueces
(b) The district may not enter into a contract or agreement to pay into a tax increment fund any of the district's tax increment produced from property located in a reinvestment zone under Chapter 311, Tax Code. This subsection does not affect the validity of an agreement entered into by the district before September 1, 2001, to pay a portion of the district's tax increment into a tax increment fund under Chapter 311, Tax Code.

(c) The proceeds of a tax imposed under Section 281.121 may not be used to make a payment into a tax increment fund under Chapter 311, Tax Code, if that payment is prohibited by this section.

(d) A project plan or reinvestment zone financing plan approved under Section 311.011, Tax Code, on or after September 1, 2001, may not include any of the district's tax increment or any other funds derived from the district as a source of revenue to finance or pay project costs.

(e) A project plan or reinvestment zone financing plan approved under Section 311.011, Tax Code, before September 1, 2001, may not be amended on or after September 1, 2001, to:

(1) increase the percentage of the district's tax increment to be contributed to a tax increment fund;

(2) increase the time during which the district is to contribute any of the district's tax increment to a tax increment fund;

(3) allow or require the district, if it was not included in the originally approved project plan or reinvestment zone financing plan, to contribute any of the district's tax increment or other money to a tax increment fund; or

(4) allow the district to pay into a tax increment fund any of the district's tax increment derived from property added to the reinvestment zone on or after September 1, 2001.

(f) An agreement entered into by the district under Section 311.013(f), Tax Code, before September 1, 2001, may not be amended on or after September 1, 2001, to include any of the conditions prohibited by Subsection (e).

Sec. 281.096. AUTHORITY TO TAKE ACTIONS RELATING TO AD VALOREM TAXES. (a) With respect to the imposition or collection of an ad valorem tax imposed for the benefit of a hospital district, the commissioners court of the county in which the district is located has the authority assigned by law to the governing body of the hospital district, including the authority to:

(1) adopt an exemption, partial exemption, or other form of relief from an ad valorem tax;
(2) elect to tax property that would otherwise be exempt from an ad valorem tax; and
(3) exercise a power granted to a taxing unit under Section 6.30, Tax Code.

(b) The board of a hospital district may not exercise a power granted by Subsection (a) to the commissioners court with respect to the imposition or collection of an ad valorem tax imposed for the benefit of the hospital district.

Added by Acts 2003, 78th Leg., ch. 102, Sec. 1, eff. Sept. 1, 2003.

SUBCHAPTER F. DISTRICT BONDS AND CERTIFICATES OF OBLIGATION

Sec. 281.101. GENERAL OBLIGATION BONDS. The commissioners court, in the district's name and on the district's faith and credit, may issue and sell bonds to acquire, construct, equip, or enlarge the hospital or hospital system.

Sec. 281.102. BOND ELECTION. (a) The district may not issue bonds, excluding refunding bonds, unless the bonds are authorized by a majority of the qualified voters of the district voting at an election called and held for that purpose.

(b) The commissioners court may order a bond election on its own motion or on the board's request.

(c) The election must be:
(1) called and held in accordance with Chapter 1251, Government Code; and
(2) conducted in the same manner as other countywide elections.

(d) The district shall pay for the cost of the election and
shall provide for payment before the commissioners court orders the election.

Sec. 281.103. REFUNDING BONDS. (a) Refunding bonds of the district may be issued to refund and pay any outstanding bonded indebtedness of the district, including assumed bonded indebtedness.

(b) The refunding bonds must be issued in the manner provided for other bonds of the district except that an election is not required.

(c) The refunding bonds may be:

(1) sold and the proceeds applied to the payment of outstanding bonds; or

(2) exchanged in whole or in part for not less than a similar principal amount of the outstanding bonds plus the unpaid, matured interest on those bonds.

(d) The average annual interest cost on the refunding bonds, computed in accordance with recognized standard bond interest cost tables, may not exceed the average annual interest cost so computed on the bonds to be discharged out of the proceeds of the refunding bonds, unless the total interest cost on the refunding bonds, computed to their respective maturity dates, is less than the total interest cost so computed on the bonds to be discharged out of those proceeds. In those computations, any premium required to be paid on the bonds to be refunded as a condition to payment in advance of their stated maturity dates shall be taken into account as an addition to the net interest cost to the district of the refunding bonds.

Sec. 281.104. EXECUTION OF BONDS. The county judge of the county in which the district is created shall execute the bonds in the name of the district, and the county clerk shall countersign the bonds.

Sec. 281.105. APPROVAL AND REGISTRATION OF BONDS. (a) District bonds are subject to the same requirements with regard to approval by the attorney general and registration by the comptroller as the law provides for approval and registration of bonds issued by the county.

(b) The attorney general's approval of district bonds has the same effect as that approval for other bonds issued by the county.

Sec. 281.106. AUTHORITY TO ISSUE CERTIFICATES OF OBLIGATION. With the approval of the commissioners court, the board may issue certificates of obligation in accordance with Subchapter C, Chapter 271, Local Government Code, for district purposes as authorized by this chapter.

Sec. 281.107. ALTERNATIVE FINANCING AND ELECTION PROCEDURES. (a) This section is applicable to any hospital district that was created pursuant to the authority granted by Section 4, Article IX, Texas Constitution, is operating under this chapter, and has previously held an election at which the voters approved the levy and assessment of an ad valorem tax at a rate not greater than 75 cents per $100 of assessed valuation of taxable property within the district.

(b) The commissioners court may, in the district's name, call, order, and hold an election and submit thereat the proposition and ballot prescribed in Subsections (c) and (d) if the district's board of managers:

(1) finds that capital funds are needed to acquire, construct, equip, and improve the district's hospital system;

(2) finds that financing such improvements through the issuance of combination tax and revenue bonds or other obligations is the best available method to provide the capital funds that are needed to furnish the highest quality of medical treatment and hospital care to persons residing in the district; and
requests that the commissioners court call and hold an
election under the alternative procedures authorized by this section.

(c) The official proposition submitted to the voters at an
election held under this section shall include, at a minimum, the
information included in the election order as prescribed by
Subsection (e).

(d) The ballot shall be arranged in a manner that will permit
the voters to vote for or against the following summary of the
proposition:
"Authorizing (insert name of district) to (insert description of
proposed district improvement) and to pledge (insert amount of
combination tax and revenue bonds or other obligations) for the
purpose of financing the proposed hospital district improvement
project."

(e) The election order shall include:

(1) a statement of the maximum aggregate principal amount
of bonds and obligations having maturities longer than five years
that will be secured by the hospital system and tax revenues
authorized by this section if approved by the voters at the election
unless another election is held and the voters approve an increased
amount; and

(2) a general description of the district's proposed
financing and improvement plans, including:

(A) the expected uses of the proposed improvements to
the hospital system according to the proposed plans;

(B) estimates of the costs of the proposed
improvements, estimates of the amount of the expected revenues that
will be received from the operation of the proposed improvements, and
estimates of the amount of revenues, including tax revenues, that
will be required to pay the long-term combination tax and revenue
bonds and other obligations when due, based on the interest rate and
other assumptions stated in the order; and

(C) any other matter deemed by the board of managers to
be appropriate to inform the voters of the details of the proposed
improvements to the district's hospital system and the financing
plans.

(f) An election conducted pursuant to this section shall be
conducted in accordance with the procedures provided in Section
281.102.

(g) If a majority of the votes received at the election favor
the proposition submitted at the election, the commissioners court is authorized to issue and execute, on behalf and in the name of the district, combination tax and revenue bonds and other short-term and long-term obligations in the amounts and upon the terms recommended and at the times requested by the board of managers. If requested by the board of managers, the commissioners court may also, by order, extend or confirm the pledge to previously issued bonds and other obligations of the district.

(h) Bonds and other short-term or long-term obligations that are secured in the manner authorized by this section shall be payable from and secured by the revenues of the district's hospital system and from the ad valorem tax revenues of the district to the extent prescribed and agreed in the orders, resolutions, indentures, contracts, or other documents authorizing their issuance or execution. The district, through the commissioners court, shall annually levy, assess, and collect ad valorem taxes on taxable property in the district, within the limited tax rate previously authorized by the voters, when and as required by the proceedings authorizing the bonds and other obligations.

(i) Each district that utilizes the alternative procedures permitted by this section is authorized to enter into, execute, and deliver any of the credit agreements permitted by Chapter 1371, Government Code, and to secure them by pledging revenues and taxes to the same extent they are pledged to bonds or other short-term or long-term obligations in accordance with this section.

(j) The portion of the rate of ad valorem tax that is to be levied and assessed each year by or for the district that is allocated by the district to the payment of the principal of and the interest on bonds and other obligations or the maintenance of reserves therefor in accordance with this section shall be applied as a payment on current debt in calculating the current debt rate under the applicable tax rate rollback provisions of Chapter 26, Tax Code.

(k) The procedures authorized by this section are alternative to the provisions of Chapter 284 and the other sections of this chapter and are cumulative of and in addition to any powers granted to any district under those or any other laws.

Added by Acts 2003, 78th Leg., ch. 55, Sec. 1, eff. May 15, 2003. Renumbered from Health and Safety Code, Section 281.106 by Acts 2005, 79th Leg., Ch. 728 (H.B. 2018), Sec. 23.001(48), eff. September 1,
SUBCHAPTER G. TAXES

Sec. 281.121. TAXES TO PAY BONDS AND CERTIFICATES OF OBLIGATION; TAX ASSESSMENT AND COLLECTION. (a) When the district issues bonds or certificates of obligation payable from and secured by taxes under this chapter, the commissioners court shall impose a tax for the benefit of the district on all property subject to district taxation. The commissioners court may impose the tax for the entire year in which the district is created in order to finance initial district operation and to pay bonds assumed by the district.

(b) The tax amount:

(1) must be sufficient to create an interest and sinking fund to pay the principal of and interest on the bonds as they mature; and

(2) may not exceed 75 cents on each $100 of the taxable value of property taxable by the district, or the rate authorized in the election to create the district.

(c) The proceeds of the tax may be used:

(1) to pay the interest on and create a sinking fund for bonds that may be assumed or issued by the district for hospital purposes in accordance with this chapter;

(2) to provide for the operation and maintenance of the hospital or hospital system;

(3) if requested by the board and approved by the commissioners court, to make further improvements and additions to the hospital system, including acquiring necessary sites by purchase, lease, or condemnation; and

(4) to pay for certificates of obligation issued under Section 281.106 that are payable from and secured by taxes.

(d) The county tax assessor-collector shall collect the tax.

Sec. 281.122. REDUCTION IN AD VALOREM TAX RATE BY GOVERNMENTAL ENTITY. (a) This section applies only to a district created in a county with a population of more than 800,000 that was not included in the boundaries of a hospital district before September 1, 2003.

(b) The commissioners court of the county and the governing body of the municipality with the largest population in the county, in determining the ad valorem tax rate of the county or municipality, as appropriate, for the first year in which the district imposes ad valorem taxes on property in the district, shall:

(1) take into account the decrease in the amount the county or municipality will spend for health care purposes in that year because the district is providing health care services previously provided or paid for by the county or municipality; and

(2) reduce the ad valorem tax rate adopted for the county or municipality, as appropriate, in accordance with the amount of the decrease.

(c) The commissioners court of the county and the governing body of the municipality with the largest population in the county shall retain an independent auditor to verify that the ad valorem tax rate of the county or municipality, as appropriate, has been reduced as required by Subsection (b).

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.217, eff. Sept. 1, 2003.

Sec. 281.124. ELECTION TO APPROVE TAX RATE IN EXCESS OF ROLLBACK TAX RATE. (a) This section applies only to a district created in a county with a population of more than 800,000 that was not included in the boundaries of a hospital district before September 1, 2003.

(b) The board may hold an election at which the registered voters of the district may approve a tax rate for the current tax year that exceeds the district's rollback tax rate for the year computed under Chapter 26, Tax Code, by a specific rate stated in dollars and cents per $100 of taxable value.

(c) An election under this section must be held at least 180 days before the date on which the district's tax rate is adopted by the board. At the election, the ballot shall be prepared to permit voting for or against the proposition: "Approving the ad valorem tax
rate of $ (insert total proposed tax rate) per $100 valuation in
(insert district name) for the (insert current tax year) tax year, a
rate that exceeds the district's rollback tax rate. The proposed ad
valorem tax rate exceeds the ad valorem tax rate most recently
adopted by the district by $ (insert difference between proposed and
preceding year's tax rates) per $100 valuation."

(d) If a majority of the votes cast in the election favor the
proposition, the tax rate for the specified tax year is the rate
approved by the voters, and that rate is not subject to a rollback
election under Section 26.07, Tax Code. The board shall adopt the
tax rate as provided by Chapter 26, Tax Code.

(e) If the proposition is not approved as provided by
Subsection (c), the board may not adopt a tax rate for the district
for the specified tax year that exceeds the rate that was not
approved, and Section 26.07, Tax Code, applies to the adopted rate if
that rate exceeds the rollback tax rate.

(f) Notwithstanding any other law, if a majority of the votes
cast in the election favor the proposition, a governing body with
approval authority over the district's budget or tax rate may not
disapprove the tax rate approved by the voters or disapprove the
budget based solely on the tax rate approved by the voters.

Added by Acts 2007, 80th Leg., R.S., Ch. 164 (S.B. 1107), Sec. 7, eff.
September 1, 2007.

CHAPTER 282. HOSPITAL DISTRICTS IN COUNTIES OF 75,000 OR LESS
SUBCHAPTER A. CREATION OF DISTRICT

Sec. 282.001. DEFINITIONS. In this chapter:
(1) "Board" means the board of trustees of a district.
(2) "District" means a hospital district created under this
chapter.

Sec. 282.002. DISTRICT AUTHORIZATION. (a) The commissioners
court of a county with a population of 75,000 or less and an assessed
property valuation of at least $200,000,000 may create one or more
hospital districts.
(b) The district may include a municipality or town, or a part
of a municipality or town, but the district may not include part of another district.

(c) To be formed the proposed district must be composed of territory having property of an assessed value of more than $25,000,000.

Sec. 282.003. CREATION ELECTION REQUIRED. The creation of the district must be approved by a majority of the qualified voters of the area of the proposed district who vote at an election ordered and held for that purpose.

Sec. 282.004. PETITION FOR ELECTION. (a) To propose the establishment of a district:

(1) a petition for a creation election signed by at least five percent of the qualified property taxpaying voters of the area of the proposed district must be presented to the commissioners court; and

(2) $200 in cash must be deposited with the county clerk at the time of the presentation of the petition.

(b) The petition must state:

(1) the boundaries of the proposed district;
(2) the public necessity for the proposed district; and
(3) the name of the proposed district which includes the county name.

(c) The petition may include a request for the commissioners court to provide on the ballot at the creation election for voting for or against:

(1) imposing a tax to provide funds to construct, equip, maintain, or purchase hospital buildings or land for the district; or

(2) the issuance of bonds to acquire sites for and to construct hospital buildings and imposing a tax at the rate necessary to create an interest and sinking fund sufficient to pay the principal of and interest on the bonds.
Sec. 282.005. HEARING; ELECTION ORDER. (a) When the petition is presented to the commissioners court, the commissioners court shall:

(1) set a date for a hearing on the petition at a regular session or special session called for that purpose, not less than 30 days nor more than 60 days after the date on which the petition is presented; and

(2) order the county clerk to give notice of the date and place of the hearing by posting a copy of the petition and the order for at least 20 days before the date of the election at the courthouse door and at four other places in the proposed district.

(b) If the court finds at the hearing that the petition meets the requirements of this chapter, the court shall order an election to be held on the first authorized uniform election date prescribed by the Election Code that allows sufficient time to comply with other requirements of law.

(c) The order must contain a description of the metes and bounds of the proposed district and must set the date of the election.

(d) The ballot for election shall be printed to provide for voting for or against:

(1) the creation of the district; and

(2) if the petition includes a request under Section 282.004(c), the imposition of a tax or the issuance of bonds according to the terms of the petition.

Sec. 282.006. ELECTION COSTS; DISPOSITION OF DEPOSIT. (a) The county clerk shall retain the amount deposited under Section 282.004(a) until the commissioners court declares the election results.

(b) If at the election the majority of the voters approved the creation of the district, the county clerk shall return that amount to the petitioners or the petitioners' agent or attorney.

(c) If at the election the majority of the voters disapproved
the creation of the district, the county clerk shall:

(1) pay from the amount deposited on warrants approved and
signed by the county judge, all costs and expenses pertaining to the
proposed district, including the costs related to the elections;
(2) return the remaining amount, if any, to the petitioners
or the petitioners' agent or attorney.

**SUBCHAPTER B. DISTRICT ADMINISTRATION**

Sec. 282.021. ELECTION OF BOARD. (a) Board members shall be
elected from the district at large.

(b) Initial board members shall be elected at the district
creation election.

(c) A person who wishes to have his name printed on the ballot
as a candidate to serve as an initial district board member must
present to the commissioners court a petition requesting that the
person's name be placed on the ballot at the district creation
election. The petition must be accompanied by a second petition
signed by at least 100 qualified voters of the proposed district
requesting that the person's name be placed on the ballot as a
candidate for board membership. The petitions must be filed with the
commissioners court before the third day before the date on which the
election order is issued.

(d) The commissioners court shall declare that the five
candidates receiving the highest number of votes at the initial
election of board members are district board members. When they are
qualified under this chapter, the candidates shall serve as district
board members.

(e) The initial board members shall serve as district board
members until the next regular election of state and county officers.
An election for board members shall be held at that time and at the
general election in each second year after that time.

Sec. 282.0211. OPTIONAL FOUR-YEAR TERMS. (a) The board may,
on its own motion, order that board members are to be elected in
even-numbered years to serve staggered four-year terms.
(b) The first election of board members in an even-numbered year that occurs at least 120 days after the date on which an order is entered under Subsection (a) shall be held as previously scheduled. The three candidates receiving the highest number of votes at that election serve for a term of four years. The remaining two directors elected at that election serve for a term of two years. Subsequent members shall be elected in even-numbered years and shall serve four-year terms.

Sec. 282.022. OATH AND BOND. (a) Before assuming the duties of office on the board, each district board member elect must:
(1) take and subscribe an oath before the county judge to faithfully and impartially discharge the duties of a board member and to give an account of the member's activities to the commissioners court when requested to do so; and
(2) execute a good and sufficient bond for $5,000 payable to the county judge for the use and benefit of the district, conditioned on the faithful performance of the person's duties as a board member.
(b) The county clerk shall file and maintain the oath as part of the district records.

Sec. 282.023. COMPENSATION. A board member serves without compensation but is entitled to reimbursement for actual expenses incurred in the performance of official duties.

Sec. 282.024. OFFICERS. The board shall elect from among its members a chairman, a secretary, and other officers the board considers appropriate.

Sec. 282.025. QUORUM; MEETING PROCEDURE AND RECORD. (a) Three board members constitute a quorum.
(b) All board proceedings shall be by motion or resolution and shall be recorded in a book kept for that purpose. The book is a public record.

Sec. 282.026. SEAL. The board shall adopt an official seal.

Sec. 282.027. SUPERINTENDENT; DUTIES. (a) The board shall appoint a superintendent to serve as the district's chief administrator.
(b) The superintendent serves at the will of the board and is responsible to the board for the efficient administration of hospital affairs.
(c) The superintendent is entitled to compensation as determined by the board.
(d) The superintendent may attend board meetings and meetings of a board committee and may participate in the discussion of matters within the superintendent's functions, but the superintendent may not vote on matters considered by the board.
(e) The superintendent shall:
   (1) control administrative functions of the hospital;
   (2) carry out the board orders;
   (3) ensure that the district complies with state law relating to matters within the superintendent's functions; and
   (4) fully advise the board of the district's financial condition and needs.
(f) At least once a year, the superintendent shall:
   (1) prepare an estimate of administrative expenses for the succeeding fiscal year;
   (2) recommend to the board and estimate the cost of improvements to be made in the succeeding fiscal year;
   (3) certify to the board district bills, allowances, and payrolls, including public works contractors' claims; and
   (4) recommend to the board salary amounts of district
employees under the administrator and a salary scale to be paid for
different services required by the district.

Sec. 282.028. OTHER OFFICERS AND DISTRICT EMPLOYEES. (a) The
board shall appoint other district officers that the board considers
necessary.

(b) A person appointed under Subsection (a) serves at the will
of the board and is entitled to receive compensation as determined by
the board.

(c) The board may contract with or employ legal, technical, and
professional assistance and other employees.

(d) If the superintendent is temporarily incapacitated or
absent, the board may designate a competent person to perform the
superintendent's powers or duties.

SUBCHAPTER C. GENERAL POWERS AND DUTIES
Sec. 282.041. MANAGEMENT, CONTROL, AND ADMINISTRATION. (a)
The board shall manage, control, and administer the district.

(b) The board is a corporate body in the name of the
"___________ County Public Hospital District No. _________."

Sec. 282.042. DISTRICT RULES. The board may adopt rules and
bylaws the board considers proper.

Sec. 282.043. POWERS RELATING TO DISTRICT PROPERTY, FACILITIES,
AND EQUIPMENT. (a) On the district's behalf, the board may hold,
construct, condemn, purchase, acquire, lease, add to, maintain,
operate, develop, regulate, sell, and convey land, property, a
property right, equipment, a hospital facility, or a hospital system
to maintain a district hospital, building, structure, or other facility.

(b) The board may lease an existing hospital, equipment, or property used in connection with a district hospital and equipment at a rate the board considers proper.

Sec. 282.044. CONTRACTING AUTHORITY. (a) In performing its powers under this subchapter the board may contract with:

(1) the federal government;
(2) this state;
(3) a municipality; and
(4) another hospital district.

(b) The district may incur indebtedness or borrow money for district purposes on the credit of the district or secured by the revenues of a district hospital.

(c) The district may contract with another community, corporation, or individual for services provided by the district.

Sec. 282.045. PURCHASING PROCEDURES. The district is subject to the County Purchasing Act (Subchapter C, Chapter 262, Local Government Code), and the board shall comply with the competitive bidding or proposal procedures prescribed by that Act.

Sec. 282.046. EMINENT DOMAIN. (a) On a resolution by the board, the district may exercise the power of eminent domain for the acquisition of property necessary to carry out the powers and duties of the district, including preventing damage to district property, property rights, equipment, hospital facilities and systems, and property adjacent to district property.

(b) The district must exercise the power of eminent domain in the manner provided by Chapter 21, Property Code, for the exercise of that power by a municipality.
(c) The district may not exercise the power of eminent domain against:

(1) a hospital, clinic, or sanatorium operated as a charitable, nonprofit establishment or operated by a religious organization; or

(2) a privately owned or operated hospital or clinic, whether or not incorporated.

Sec. 282.047. GIFTS AND ENDOWMENTS. The board may accept bequests and contributions on behalf of the district.

Sec. 282.048. AUTHORITY TO SUE AND BE SUED; DISTRICT LIABILITY. (a) The board may sue and be sued on behalf of the district.

(b) A suit against the district must be brought in the county in which the district is located.

(c) The district is not liable for negligence for an act of a district officer, agent, or employee.

Sec. 282.049. OTHER BOARD POWERS. The board may:

(1) promote health in the district;

(2) print and publish information; and

(3) do any other thing necessary to the performance of the board's duties under this chapter.

Sec. 282.050. PROVISION OF HOSPITAL SERVICES. (a) The district shall provide adequate hospital services for the district. A person who resides in the district is entitled to receive those services at available district hospital facilities at a rate
determined by the board and in any manner the board considers expedient or necessary under existing conditions. The district may provide the services in hospitals located outside the district.

(b) The district may furnish hospital services to a person who does not reside in the district at a reasonable and fair rate the board considers proper, but the district shall give priority to a district resident in the provision of hospital services.

SUBCHAPTER D. DISTRICT FINANCES

Sec. 282.061. ANNUAL REPORT. (a) Not later than June 1 of each year, the board shall prepare and file with the commissioners court a full, detailed report of the condition of the district. The report must include:

(1) an estimate of the cost of maintenance, operation, and needed repairs for the succeeding year;
(2) an inventory of all funds and other property of the district; and
(3) a list of all legal demands, debts, and obligations against the district.

(b) The board shall verify the report.

(c) The commissioners court shall carefully investigate and consider the report before setting a tax rate.

Sec. 282.062. TREASURER. (a) The county treasurer of the county in which the district is located serves as treasurer of the construction and maintenance fund and the interest and sinking fund of the district.

(b) All money to be credited to the construction and maintenance fund or the interest and sinking fund shall be paid to the treasurer.

(c) The treasurer may not pay money from the construction and maintenance fund or the interest and sinking fund unless the treasurer receives a warrant ordering the payment signed by the district board chairman or another district officer designated by the board.
(d) The treasurer shall open a construction and maintenance fund account and an interest and sinking fund account with the district and shall keep a record of all of the district's money received for the accounts and paid from the accounts. The treasurer may not pay money from the accounts except on a voucher signed by the chairman or two board members.

(e) The treasurer shall maintain a file of the payment orders from the accounts.

(f) As required by the board or the commissioners court, the treasurer shall give a correct accounting to the board or the commissioners court of all matters relating to the accounts.

(g) For services on behalf of the district, the treasurer is entitled to receive an amount equal to:

1. one-fourth of one percent of all money received by the treasurer for the construction and maintenance fund or the interest and sinking fund; and

2. one-eighth of one percent of all money received by the treasurer and paid out of the construction and maintenance fund or the interest and sinking fund of the district.

(h) The treasurer is not entitled to receive a commission under Subsection (g) on district money the treasurer receives from the preceding treasurer.

Sec. 282.063. DISTRICT FUNDS; INVESTMENT OF FUNDS. (a) The treasurer shall maintain a construction and maintenance fund and an interest and sinking fund for the district and shall place money in those funds as required by this chapter or as the board by resolution directs. All other money received by the district shall be placed in a fund or funds as provided by the board.

(b) The amount of taxes collected that is necessary to pay the principal of and interest on the bonds as they mature shall be credited to the interest and sinking fund. All money received by the district from the sale of bonds shall be credited to the construction and maintenance fund.

(c) The treasurer shall pay from the construction and maintenance fund or from a fund or funds designated by the board the
expenses, debts, and obligations of the district created after the filing of the original petition and incurred in the creation, operation, and maintenance of the district, other than the principal of and interest on bonds.

(d) The interest and sinking fund may be invested for the benefit of the district in bonds and securities approved by the attorney general.

(e) The construction and maintenance fund and interest and sinking fund shall be held for the purposes for which they were created. If money is improperly paid from either fund, the commissioners court may require the county treasurer to transfer to the fund from the district account the amount necessary to restore that amount.

(f) District funds shall be deposited in the county depositories in the manner required by law for county depositories. Interest collected on those funds belongs to the district.

Sec. 282.064. FISCAL YEAR. (a) The district operates on the fiscal year established by the board.

(b) The fiscal year may not be changed if revenue bonds of the district are outstanding.

(c) The fiscal year may not be changed more than once in any 24-month period.

Added by Acts 1991, 72nd Leg., ch. 14, Sec. 120, eff. Sept. 1, 1991.

Sec. 282.065. ANNUAL AUDIT; OPEN RECORDS. (a) The board annually shall have an audit made of the financial condition of the district.

(b) The audit and other district records are open to inspection during regular business hours at the district's principal office.

Added by Acts 1991, 72nd Leg., ch. 14, Sec. 120, eff. Sept. 1, 1991.

SUBCHAPTER E. DISTRICT BONDS
Sec. 282.071. GENERAL OBLIGATION BONDS. The commissioners court may issue and sell bonds in the district's name and on the district's faith and credit to acquire or construct hospital buildings or land if the bonds are approved by a majority of the qualified voters at the election to create the district in accordance with Subchapter A.

Sec. 282.072. INTEREST, MATURITY, AND DENOMINATION. (a) District bonds mature not more than 30 years after their date and bear interest at a rate ordered by the commissioners court but not more than six percent annually.

(b) The bonds must provide the interest rate and the time, place, manner, and conditions of payment as ordered by the commissioners court.

(c) The bonds may be payable annually or semiannually.

(d) The bonds must be issued in denominations of not less than $100 nor more than $1,000.

Sec. 282.073. EXECUTION OF BONDS. The county judge shall sign the bonds, and the county clerk shall attest the signature and place the seal of the court on the bonds.

Sec. 282.074. APPROVAL AND REGISTRATION OF BONDS. (a) Before the bonds are offered for sale, the district shall forward to the attorney general:

(1) a copy of the bonds to be issued;

(2) a certified copy of the court order imposing the tax to pay the interest on the bonds and provide a sinking fund;

(3) a statement of the total bonded indebtedness of the district, including the series of bonds proposed;

(4) the assessed value of property for the purpose of taxation as shown by the most recent official county assessment; and
any other information that the attorney general requires.

(b) The attorney general shall:
(1) examine the bonds; and
(2) certify the bonds if the attorney general determines that the bonds are issued in conformity with the constitution and law and that they are valid and binding obligations of the district.
(c) When the bonds are approved by the attorney general, the comptroller shall register the bonds in a book kept for that purpose and maintain the certificate of approval for the bonds.
(d) On approval and registration under this section, the bonds are incontestable for any cause. The certificate of approval or a certified copy of the certificate is admissible evidence in a suit to enforce the collection of the bonds as prima facie proof of the validity of the bonds with attached coupons. In that suit, only forgery or fraud may be offered as a defense against the validity of the bonds.

Sec. 282.075. BOND RECORD BOOK. (a) Before issuing the bonds, the commissioners court shall provide to the county clerk a well-bound book in which the clerk shall record all bonds issued, including the following information:
(1) the bond numbers, amount, rate of interest, and date of issue;
(2) the date when the bonds are due;
(3) the place where the bonds are payable;
(4) the amount received for each bond;
(5) the annual assessment made to pay bond interest and to provide a sinking fund to pay the bonds; and
(6) the payment made of each bond.
(b) The record book must be open for inspection at all times by a taxpayer of the district or a bondholder.

Sec. 282.076. COMPENSATION OF COUNTY CLERK. For recording services provided to the district, the county clerk is entitled to
receive fees as provided by Chapter 118, Local Government Code.

Sec. 282.077. BOND OF COUNTY JUDGE. (a) When the bonds are registered, the county judge shall execute a good and sufficient bond, approved by the board and payable to the board, for an amount not less than the amount of the bonds issued. The bond must be conditioned on the faithful performance of the judge's duties.

(b) If the bond is executed by a satisfactory surety, the district may pay from the district construction and maintenance fund a reasonable premium on the bond on receipt of an invoice for the premium. If the amount of the premium is disputed as unreasonable, a court of competent jurisdiction may determine whether or not the premium is reasonable.

(c) The board may charge the cost of the bond premium against the commission allowed the county judge on the sale of district bonds.

Sec. 282.078. SALE OF THE BONDS. (a) When the bonds are registered, the county judge, under the direction of the commissioners court, shall advertise and sell the bonds on the best terms and for the best price possible, but for a price not less than the sum of the amounts of the par value and the accrued interest.

(b) The county judge shall give the money received from the sale of a bond to the county treasurer.

Sec. 282.079. DISPOSITION OF UNNEEDED BONDS. With the consent of the commissioners court made of record, bonds that are not required for the purpose for which they were voted may be sold and the proceeds may be used to maintain, preserve, and operate the district hospital and to pay district debts and other obligations.

Sec. 282.080. ADDITIONAL BOND ISSUE AND ELECTION. (a) The board shall certify to the commissioners court the necessity for an additional bond issue if:

(1) the proceeds of the original bond issue are insufficient to complete the construction, equipment, maintenance, or purchase of hospital buildings or land for the district; or

(2) the board decides to provide for additional construction, equipment, maintenance, or purchase of hospital buildings or land.

(b) The certification must state:

(1) the amount required;

(2) the purpose for the funds;

(3) the rate of interest of the proposed bonds; and

(4) the maturity date of the proposed bonds.

(c) When the commissioners court receives the certification, the commissioners court shall order an election on the issuance of the bonds to be held in the district on the first uniform election date prescribed by the Election Code that allows sufficient time to comply with other requirements of law.

(d) The sum of the amount of any outstanding bonds and the amount of additional bonds issued under this section may not exceed one-fourth of the assessed value of the real property in the district, as shown by the most recent annual assessment made for county taxation.

Sec. 282.081. CHANGE IN USE OF BOND PROCEEDS AFTER BOND ISSUANCE. (a) After the issuance of bonds, the board may change the use of the bond proceeds to include a change or improvement to the district hospital if the change or improvement will not increase the cost of the proposed project beyond the amount of the authorized bonds.

(b) The board may make the change in the use of the bond proceeds by:

(1) entering in the minutes of the board a notation of the change; and
(2) by giving notice of the change by publication of the notation and the page number of the board minutes on which the notation was entered.

(c) The publication must be in English and must run for two successive weeks in a newspaper of general circulation in the county in which the district is located.

**SUBCHAPTER F. TAXES TO PAY BONDS**

Sec. 282.101. TAXES TO PAY BONDS. (a) When the bonds have been approved by the voters at the election authorizing the levy of taxes, the commissioners court shall impose a property tax for the benefit of the district. The tax rate must be sufficient to create an interest and sinking fund to pay the principal of and interest on the bonds as they become due.

(b) After investigation and consideration of the annual report in accordance with Section 282.061, the commissioners court shall impose and collect taxes annually on all taxable property in the district. The amount of tax revenue:

(1) must be sufficient to maintain, preserve, and operate the district hospital and to pay all legal district debts and other obligations; and

(2) may not exceed two-tenths of one percent of the annual total assessed valuation of the district.

Sec. 282.102. TAX ASSESSOR-COLLECTOR. (a) The county tax assessor-collector shall levy and collect taxes for the district.

(b) After receiving a petition of at least five percent of the qualified taxpaying voters of a created district, the commissioners court may order an election to determine whether the district should have a tax assessor and collector other than the county tax assessor-collector. The commissioners court may order the election after:

(1) the district is created; and

(2) giving notice in the manner as provided for the creation election.

(c) If the voters determine by a two-thirds vote that the
district should have a district tax assessor-collector, the board shall appoint a suitable person to serve in that position.

**SUBCHAPTER G. CONVERSION OF DISTRICTS**

Sec. 282.121. AUTHORITY TO CONVERT. A district created in accordance with this chapter may be converted into a district operating under Article IX, Section 9, of the Texas Constitution.

Sec. 282.122. CONVERSION HEARING AND ELECTION. (a) A district may be converted under this subchapter only if the conversion is approved by a majority of the qualified voters of the district who vote at an election called and held for that purpose.

(b) The board by order may set a time and place to hold a hearing on the question of converting the district under this subchapter. The board shall set a date for the hearing that is after the 30th day after the date on which the board issues the order.

(c) If after the hearing the board finds that conversion of the district would be in the best interest of the district, the board may order an election on the question of converting the district.

(d) The election shall be held not later than the 60th day after the date on which the election is ordered. Section 41.001(a), Election Code, does not apply to an election ordered under this section.

Sec. 282.123. BALLOT PROPOSITION. The ballot for the election shall be printed to permit voting for or against the proposition: "The conversion of the ________ County Public Hospital District No. _____ (name of district) from a district operating under Chapter 282, Health and Safety Code, to a district operating under Article IX, Section 9, of the Texas Constitution, and the levy of annual taxes for hospital purposes at a rate not to exceed ______ (insert amount not to exceed 75 cents) on each $100 valuation of all taxable
property in the district."

Sec. 282.124. EFFECTIVE DATE OF CONVERSION. If a majority of the qualified voters participating in the election vote in favor of the proposition, the conversion becomes effective on the 30th day after the date that the election results are declared.

Sec. 282.125. RESPONSIBILITY OF COUNTY. On conversion of a district under this subchapter, the county in which the district is located shall convey or transfer to the district:

(1) money held by the county treasurer for the district under Subchapter D, including any money in the district's construction and maintenance fund or interest and sinking fund; and

(2) taxes levied by the county for the benefit of the district under Subchapter F.

Sec. 282.126. DISTRICT RESPONSIBILITIES. On conversion of the district under this subchapter, the district assumes any outstanding indebtedness incurred by the county under Subchapter E.

Sec. 282.127. EFFECT OF CONVERSION. (a) A district converted under this subchapter is governed by Article IX, Section 9, of the Texas Constitution and by Chapter 206, Acts of the 71st Legislature, Regular Session, 1989 (Article 4494q-1, Vernon's Texas Civil Statutes), as if it had been originally created under that section and that Act, except that the board shall continue to be elected as provided by this chapter.

(b) The district's identity is not affected by the conversion, and the district is liable for all outstanding debts and obligations
assumed or incurred by the district.

(c) Notwithstanding any other provision of law, the board may impose taxes for the entire year in which the district is converted unless the county has imposed taxes for the benefit of the district for that year.

CHAPTER 283. OPTIONAL HOSPITAL DISTRICT LAW OF 1957

SUBCHAPTER A. CREATION OF DISTRICT

Sec. 283.001. SHORT TITLE. This Act may be cited as the Optional Hospital District Law of 1957.

Sec. 283.002. DEFINITIONS. In this chapter:

(1) "Board" means the board of hospital managers of a district.

(2) "District" means a hospital district created under this chapter.

Sec. 283.003. DISTRICT AUTHORIZATION. (a) A county authorized to establish a hospital district under Article IX, Section 4, of the Texas Constitution may create a hospital district and provide for the establishment of a countywide hospital or hospital system to furnish medical aid and hospital care to indigent and needy persons residing in the district.

(b) If the county authorized to establish a hospital district under Article IX, Section 4, of the Texas Constitution owns and operates a hospital or hospital system for indigent or needy persons, separately or jointly with a municipality, the countywide hospital district may take over the hospital or hospital system to furnish medical aid and hospital care to indigent and needy persons residing in the district.

Sec. 283.004. CREATION ELECTION REQUIRED. (a) The district may be created only if the creation is approved by a majority of the qualified voters of the county in which the proposed district will be located who vote at an election called and held for that purpose.

(b) The commissioners court may order a creation election to be held on its own motion or on the presentation of a petition for a creation election signed by at least 100 qualified property taxpaying voters of the county.

(c) When the commissioners court orders the election, the court shall determine, subject to Section 283.121(c)(2), a rate of property tax that produces the amount of tax revenue necessary:

(1) to operate and maintain the proposed district's hospital system; and

(2) to pay when due the principal of and interest on bonds assumed by the district.

(d) The election shall be held on the first authorized uniform election date prescribed by the Election Code that allows sufficient time to comply with other requirements of law.

Sec. 283.005. BALLOT PROPOSITIONS. (a) Except as provided by Subsection (b), the ballot for an election under this subchapter shall be printed to provide for voting for or against the proposition: "The creation of a hospital district under the Optional Hospital District Law of 1957 and the levy of a tax not to exceed ______ cents (the amount determined by the commissioners court in the election order) on each $100 of the taxable value of property taxable by the district."

(b) If the county or a municipality in the county has any outstanding bonds issued for hospital purposes, the ballot for an election under this subchapter shall be printed to provide for voting for or against the proposition: "The creation of a hospital district, the levy of a tax not to exceed (the amount determined by the commissioners court in the election order) on each $100 of the taxable value of property taxable by the district, and the assumption by the district of all outstanding bonds previously issued for
hospital purposes by __________ County and by any municipality in the county."

SUBCHAPTER B. DISTRICT ADMINISTRATION

Sec. 283.021. DISTRICT BOARD; OFFICERS. (a) The commissioners court of a county in which a district is created under this chapter serves as the district board of hospital managers.

(b) The county judge of the county in which the district is located serves as the district board chairman.

(c) The county clerk serves as the district board secretary.

Sec. 283.022. COMPENSATION. A board member serves without compensation other than the compensation provided by law for a county judge or a commissioner.

Sec. 283.023. RECORD OF BOARD MEETING. The secretary shall keep a suitable record of each board meeting.

Sec. 283.024. ADMINISTRATOR; DUTIES. (a) The board shall appoint an administrator for the district. The person must be qualified by training and experience.

(b) The administrator holds an office for a term of not more than two years but is subject to removal by the board at any time.

(c) The administrator is entitled to compensation as determined by the board.

(d) Before assuming duties, the administrator shall execute a bond payable to the district in the amount of not less than $10,000, conditioned on the faithful performance of the administrator's duties and any other requirements determined by the board.
Subject to the limitations prescribed by the board, the administrator shall:

(1) perform duties required by the board;
(2) supervise the work and activities of the district; and
(3) generally direct the affairs of the district.

Sec. 283.025. ASSISTANT ADMINISTRATOR. (a) If the administrator is absent or unable to perform any of the administrator's duties, the board may designate an assistant administrator to perform any of the administrator's functions or duties, subject to limitations prescribed by board order.

(b) The assistant administrator and other employees shall execute a bond as required by board order.

Sec. 283.026. STAFF. (a) The board may hire doctors, technicians, nurses, and other employees the board considers advisable for the district's efficient operation.

(b) An employment contract may not exceed two years.

Sec. 283.027. RETIREMENT PROGRAMS. The commissioners court may include district employees in:

(1) an existing county employees' pension or retirement program; or
(2) an employees' pension or retirement program established for the benefit of district employees.

Sec. 283.028. SEAL. The commissioners court's seal is the district seal. The seal shall be used to authenticate the board's acts.
Sec. 283.041. TRANSFER OF COUNTY AND MUNICIPAL HOSPITAL PROPERTY AND FUNDS. (a) On the creation of a district under this chapter and the appointment and qualification of the district board, the county owning a hospital or hospital system located in the district, or the county and municipality jointly operating a hospital or hospital system located in the district, shall execute and deliver to the district board a written instrument conveying to the district the title to land, buildings, and equipment jointly or separately owned by the county or municipality and used to provide medical services or hospital care, including geriatric care, to indigent or needy persons of the county or municipality.

(b) On the creation of a district under this chapter and the appointment and qualification of the district board, the county owning the hospital or hospital system, or the county and municipality jointly operating a hospital or hospital system, shall, on the receipt of a certificate executed by the board's chairman stating that a depository for the district has been chosen and qualified, transfer to the district:

1. the unspent proceeds of any bonds assumed by the district under Section 283.043; and
2. all unspent joint or separate county or municipal funds that have been established or appropriated by the county or municipality to support and maintain the hospital facilities for the year in which the district is created.

(c) Funds transferred to the district under this section may be used only for a purpose for which the county or the municipality that transferred the funds could lawfully have used the funds if the funds had remained the property and funds of the county or municipality.

(d) As soon as practical after the declaration of the election results, the county or municipal board of managers shall transfer to the district board all county and municipal hospital system records, property, and affairs and shall cease to exist.

Sec. 283.042. ASSUMPTION OF CONTRACT OBLIGATIONS. On the creation of the district, the district assumes without prejudice to the rights of third parties any outstanding contract obligations legally incurred by the county or municipality, or both, for the construction, support, or maintenance of hospital facilities before the creation of the district.

Sec. 283.043. ASSUMPTION OF BONDED INDEBTEDNESS; CANCELLATION OF UNSOLD MUNICIPAL OR COUNTY BONDS. (a) On the creation of the district, the district assumes:

(1) any outstanding bonded indebtedness incurred by the county or municipality, or both, in the acquisition of land, buildings, and equipment transferred to the district or in the construction and equipping of hospital facilities; and

(2) any other outstanding bonds issued by the county or municipality for hospital purposes, the proceeds of which are in whole or in part unexpended.

(b) A county or municipality in the district that issued bonds for hospital purposes is no longer liable for the payment of bonds assumed by the district or for providing interest and sinking fund requirements on those bonds.

(c) This section does not limit or affect the rights of a bondholder against the county or municipality if there is a default in payment of the principal or interest on the bonds in accordance with their terms.

(d) If the issuance of bonds to provide hospital facilities was approved at a bond election but the bonds have not been sold on the date on which the hospital district is created under this chapter, the bond authority is canceled and the bonds may not be sold.

Sec. 283.044. LIMITATION ON TAXING POWER BY GOVERNMENTAL ENTITY; DISPOSITION OF DELINQUENT TAXES. (a) On or after the creation of the district, the county or a municipality located in the district may not levy taxes for hospital purposes.

(b) The county or a municipality located in the district that
collects delinquent taxes owed to the county or municipality on
levies for county and municipal hospital systems or for the payment
of bonds issued for the systems shall pay the amount of the collected
delinquent taxes to the district, and the district shall apply that
money to the purposes for which the taxes were originally levied.

Sec. 283.045. DISTRICT RESPONSIBILITY FOR MEDICAL AID AND
HOSPITAL CARE. The district assumes full responsibility for
furnishing medical and hospital care for indigent and needy persons
residing in the district.

Sec. 283.046. MANAGEMENT, CONTROL, AND ADMINISTRATION. The
board shall manage, control, and administer the hospital or hospital
system of the district.

Sec. 283.047. DISTRICT RULES. The board may adopt rules
governing the operation of the hospital or hospital system.

Sec. 283.048. PURCHASING AND ACCOUNTING METHODS AND PROCEDURES.
(a) The commissioners court may prescribe:
(1) the method of making purchases and expenditures by and
for the district; and
(2) accounting and control procedures for the district.
(b) A county officer, employee, or agent shall perform any
function or service required by the commissioners court under this
section.
(c) The district shall pay salaries and expenses necessarily
incurred by the county or by a county officer or agent in performing
a duty prescribed or required under this section.
Sec. 283.049. DISTRICT INSPECTIONS. (a) The district facilities may be inspected by a representative of the Texas Board of Health or any other state board authorized to supervise a hospital. 
  
(b) A resident district officer shall:
  
1. admit an inspector into the district facilities; and
2. on demand give the inspector access to records, reports, books, papers, and accounts related to the district.

Sec. 283.050. EMINENT DOMAIN. (a) The district may exercise the power of eminent domain to acquire by condemnation a fee simple or other interest in real, personal, or mixed property located in the district if the property interest is necessary or convenient for the exercise of the rights or authority conferred on the district by this chapter.

(b) The district must exercise the power of eminent domain in the manner provided by Chapter 21, Property Code, but the district is not required to deposit in the trial court money or a bond as provided by Section 21.021(a), Property Code.

(c) In a condemnation proceeding brought by the district, the district is not required to:
  
1. pay in advance or give bond or other security for costs in the trial court;
2. give bond for the issuance of a temporary restraining order or a temporary injunction; or
3. give bond for costs or supersedeas on an appeal or writ of error.

Sec. 283.051. GIFTS AND ENDOWMENTS. (a) On behalf of the district, the board may accept gifts and endowments to be held in trust and administered by the board for the purposes and under the directions, limitations, or provisions prescribed in writing by the donor that are consistent with the proper management of the district.
(b) The board may contract with the state to receive a payment or grant provided by the state for the care or treatment of hospital patients or patients in district facilities.

Sec. 283.052. AUTHORITY TO SUE AND BE SUED; LEGAL REPRESENTATION. (a) The board may sue and be sued.

(b) The county attorney, district attorney, or criminal district attorney, as appropriate, with the duty to represent the county in civil matters shall represent the district in all legal matters.

(c) The board may employ additional legal counsel when the board determines that additional counsel is advisable.

(d) The district shall contribute sufficient funds to the general fund of the county for the account of the budget of the county attorney, district attorney, or criminal district attorney, as appropriate, to pay all additional salaries and expenses incurred by that officer in performing the duties required by the district.

SUBCHAPTER D. MEDICAL TREATMENT AND CARE

Sec. 283.071. ADMISSION CRITERIA AND PAYMENT; CRIMINAL PENALTY. (a) The board shall enter an order in district records defining "indigent or needy person" for the purpose of determining qualifications for admission to district hospital facilities.

(b) An order under Subsection (a) must detail the criteria for an emergency admission to district facilities without regard to indigency and for the length and basis of the stay at the facility.

(c) The board may require evidence of indigency that it considers appropriate, including an affidavit of inability to pay.

(d) The board may hire personnel necessary to determine the eligibility of an applicant for admission to district facilities and to process admissions.

(e) A person commits an offense if the person is able to pay for the person's hospital care at a district facility and makes a false statement for the purpose of obtaining admission to a district hospital facility. An offense under this subsection is a misdemeanor.
and punishable by a fine not to exceed $200.

(f) A person who violates Subsection (e) is also liable for the cost of the person's hospital care.

**SUBCHAPTER E. DISTRICT FINANCES**

Sec. 283.081. BUDGET. (a) The administrator shall prepare an annual budget.

(b) The budget and all budget revisions shall be approved by the commissioners court.

Sec. 283.082. ADMINISTRATOR'S REPORT. (a) As soon as practicable after the close of the fiscal year, the administrator shall make a report to the commissioners court, Texas Board of Health, and comptroller.

(b) The report must:

(1) contain a sworn statement of all money and choses in action received by the administrator and the disposition of the money and actions; and

(2) detail the operations of the district for the fiscal year.

Sec. 283.083. DEPOSITORY. (a) Not later than the 30th day after the appointment of the board, the board shall:

(1) select a depository for district funds in the manner provided by law for the selection of a county depository; or

(2) elect to use the county depository.

(b) If the board selects a depository in accordance with Subsection (a)(1), the depository shall serve as the district depository for two years and until its successor is selected and qualified.

(c) All income of the district shall be deposited in the district depository.
(d) The county clerk's signature is not required on warrants against district funds.

SUBCHAPTER F. DISTRICT BONDS

Sec. 283.101. GENERAL OBLIGATION BONDS. The commissioners court may issue and sell bonds in the district's name and on the district's faith and credit to acquire, purchase, construct, equip, or enlarge the hospital or hospital system if:

(1) a tax may be imposed at a rate that:
(A) is sufficient to create an interest and sinking fund to pay the principal of and interest on the bonds; and
(B) when added to the rates of other taxes imposed by the district, does not exceed the maximum tax rate of the district; and

(2) the bonds are authorized by majority vote of the qualified voters of the district voting at an election held for the purpose.

Sec. 283.102. BOND ELECTION. (a) A bond election may be held at any time the commissioners court considers advisable, except that it may not be held within two years after the date of a previous election.

(b) The election must be:
(1) ordered and held in accordance with Chapter 1251, Government Code; and
(2) conducted in the same manner as other countywide elections.

(c) The district shall pay for the cost of the election and shall provide for payment before the commissioners court orders the election.

Sec. 283.103. REFUNDING BONDS. (a) Refunding bonds of the district may be issued to refund outstanding bonded indebtedness the district has issued or assumed.

(b) The bonds must be issued in the manner provided for other bonds of the district except that an election to authorize their issuance is not required.

(c) The refunding bonds may be:

1. sold and the proceeds applied to the payment of outstanding bonds; or

2. exchanged in whole or in part for not less than a similar principal amount of the outstanding bonds plus the unpaid, matured interest on those bonds.

(d) The average annual interest cost on the refunding bonds, computed in accordance with recognized standard bond interest cost tables, may not exceed the average annual interest cost so computed on the bonds to be discharged from the proceeds of the refunding bonds, unless the total interest cost on the refunding bonds, computed to their respective maturity dates, is less than the total interest cost so computed on the bonds to be discharged from those proceeds. In those computations, any premium required to be paid on the bonds to be refunded as a condition to payment in advance of their stated maturity dates shall be taken into account as an addition to the net interest cost to the district of the refunding bonds.

Sec. 283.104. EXECUTION OF BONDS. The county judge of the county in which the district is created shall execute the bonds in the name of the district, and the county clerk shall countersign the bonds.

Sec. 283.105. APPROVAL AND REGISTRATION OF BONDS. (a) District bonds must be approved by the attorney general and registered by the comptroller subject to the same requirements for approval and registration of bonds issued by the county.

(b) The attorney general's approval of district bonds has the
same effect as that approval for other bonds issued by the county.

**SUBCHAPTER G. TAXES**

Sec. 283.121. TAX ASSESSMENT AND COLLECTION. (a) If the district has issued or assumed bonds payable from taxes, the commissioners court shall impose a tax for the benefit of the district on all property subject to district taxation.

(b) The commissioners court may impose a tax for:

1. the entire year in which the district is created;
2. maintenance and operation of the district; and
3. improvements and additions to the hospital system.

(c) The total tax rate of the district may not exceed:

1. the rate authorized by the voters of the district; or
2. the constitutional tax rate limit.

(d) The tax revenue may be used:

1. to create an interest and sinking fund for bonds that may be assumed or issued by the district for hospital purposes in accordance with this chapter;
2. to provide for the operation and maintenance of the hospital or hospital system; and
3. to make improvements and additions to the hospital system, including the acquisition of necessary sites.

(e) The county tax assessor-collector shall collect the tax.

Sec. 283.122. ELECTION TO INCREASE TAX AMOUNT. (a) The tax rate approved in the creation of the district may be increased only if the increase is approved by a majority of the qualified voters of the district who vote in an election called and held for that purpose.

(b) The commissioners court may order an election to increase the allowable tax rate to be held on its own motion or on the presentation of a petition for an election signed by at least 100 qualified property taxpaying voters of the district.

(c) When the commissioners court orders the election, the court shall determine the amount of tax necessary for the proper
maintenance of the hospital district.

(d) The election shall be held on the first authorized uniform election date prescribed by the Election Code that allows sufficient time to comply with the other requirements of law and that occurs at least 30 days after the date on which the court orders the election.

Sec. 283.123. BALLOT PROPOSITION FOR TAX INCREASE. The ballot for a tax increase under this subchapter shall be printed to provide for voting for or against the proposition: "The increase of the hospital district tax from (the existing tax levy) to (the amount of existing tax plus the increase determined by the commissioners court in its order calling the election) on each $100 of the taxable value of property taxable by the district."

SUBCHAPTER H. DISTRICT CONVERSION

Sec. 283.131. DISTRICT CONVERSION AUTHORITY. A hospital district created in accordance with Chapter 281 may be converted into a district subject to this chapter, or a district created in accordance with this chapter may be converted into a district subject to Chapter 281.

Sec. 283.132. CONVERSION ELECTION REQUIRED. (a) A district may be converted under this subchapter only if the conversion is approved by a majority of the qualified voters of the county in which the district is located who vote at an election called and held for that purpose.

(b) The commissioners court shall order a conversion election not later than the 20th day after the date of presentation of a petition for conversion signed by at least five percent of the qualified property paying voters of the county.

(c) If the election is on the question of conversion of a district created in accordance with Chapter 281, when the
commissioners court orders the election, the court shall determine the amount of tax necessary:

(1) to operate and maintain the district's hospital system;
(2) to make improvements and additions to the hospital system, including the acquisition of necessary sites; and
(3) to pay when due the principal of and interest on district bonds assumed by the original district but excluding bonds issued by the original district.

(d) The election shall be held on the first authorized uniform election date prescribed by the Election Code that allows sufficient time to comply with other requirements of law and that occurs at least 30 days after the date on which the court orders the election.

Sec. 283.133. BALLOT PROPOSITIONS. (a) The ballot for the election held to determine the question of conversion of a district created under this chapter shall be printed to provide for voting for or against the proposition: "The conversion of the hospital district from a district operated under the Optional Hospital District Law of 1957 to a district operated under Chapter 281, Health and Safety Code, and the levy of a tax not to exceed 75 cents on each $100 of the taxable value of property taxable by the district."

(b) The ballot for an election held to determine the question of conversion of a district created in accordance with Chapter 281, if no bonds issued by the district are outstanding, shall be printed to provide for voting for or against the proposition: "The conversion of the hospital district from a district operated under Chapter 281, Health and Safety Code, to a district operated under the Optional Hospital District Law of 1957, and the levy of a tax not to exceed (the amount determined by the commissioners court in the election order) on each $100 of the taxable value of property taxable by the district."

(c) The ballot for an election held to determine the question of conversion of a district created in accordance with Chapter 281, if bonds issued by the district are outstanding, shall be printed to provide for voting for or against the proposition: "The conversion of the hospital district from a district operated under Chapter 281, Health and Safety Code, to a district operated under the Optional
Hospital District Law of 1957, and the levy of a tax not to exceed 75 cents on each $100 of the taxable value of property taxable by the district until presently outstanding bonds issued by the district have been retired, and thereafter the levy of a tax not to exceed (the amount determined by the commissioners court in the election order) on each $100 of the taxable value of property taxable by the district."

Sec. 283.134. EFFECTIVE DATE OF CONVERSION. If a majority of the qualified voters participating in the election vote in favor of the proposition, the conversion becomes effective on the 30th day after the date that the election results are declared.

Sec. 283.135. EFFECT OF CONVERSION. (a) The district's identity is not affected by the conversion, and the district is liable for all outstanding debts and obligations assumed or incurred by the district.

(b) Any bonds voted by a district originally created under Chapter 281 which have not been issued on the date of the conversion election may not be issued.

(c) On conversion of a district from one operated under Chapter 281 to one operated under this chapter, the district may not impose a tax in excess of the amount determined by the commissioners court in the election order for any purposes other than to pay the principal of and interest on the unpaid bonds issued by the district before the date of conversion.

Sec. 283.136. LIMITATION ON FURTHER ELECTIONS. (a) If the proposition fails to carry at the conversion election, the district may not hold another election on the proposition for two years after the date of the election.

(b) A district that has converted under this subchapter may
hold an election for reconversion after five years after the date of the conversion. The election for reconversion must be held in the same manner as provided in this subchapter for the conversion.

CHAPTER 284. SPECIAL PROVISIONS RELATING TO HOSPITAL DISTRICT BONDS
SUBCHAPTER A. ISSUANCE OF REVENUE BONDS IN COUNTIES WITH POPULATION OF AT LEAST 200,000

Sec. 284.001. AUTHORITY TO ISSUE; FORM OF BONDS. (a) The commissioners court of a county with a population of at least 200,000 in which a hospital district has been created in accordance with Article IX of the Texas Constitution may issue revenue bonds to provide funds to:

(1) acquire, construct, repair, renovate, improve, enlarge, and equip a hospital facility; and

(2) acquire any real or personal property on behalf of the district for those purposes.

(b) The commissioners court may not issue revenue bonds under this subchapter on behalf of a hospital district to purchase a nursing home for long-term care.

(c) The bonds and bond interest coupons are negotiable instruments.

(d) The bonds may be issued in the form, denomination, and manner and under the terms and conditions determined and provided by the commissioners court in the order authorizing the issuance of the bonds.

Sec. 284.002. TERMS. (a) The bonds must mature serially or otherwise not more than 40 years after the date they are issued.

(b) The bonds may be:

(1) made redeemable before maturity; and

(2) issued registrable as to principal or as to principal and interest.

(c) The bonds shall be executed in the manner and bear interest at the rate provided by the commissioners court in the order authorizing the issuance of the bonds.
Sec. 284.003. APPROVAL AND REGISTRATION OF BONDS. (a) The commissioners court shall submit the bonds and the proceedings authorizing their issuance to the attorney general for examination. If the attorney general finds that the bonds are authorized in accordance with law, the attorney general shall approve the bonds and the comptroller shall register the bonds.

(b) After approval and registration, the bonds are incontestable and are binding obligations according to their terms.

Sec. 284.004. SECURITY. (a) The commissioners court may make bonds issued under this subchapter payable from and secured by a lien on or pledge of all or part of the hospital district revenue from operation or ownership of hospital facilities, except ad valorem taxes.

(b) The commissioners court may also secure the bonds by:
   (1) a pledge of all or part of a grant, a donation, or other income received from a public or private source, whether in accordance with an agreement or otherwise; and
   (2) a mortgage or deed of trust on real property on which a district hospital facility is or will be located and any real or personal property incident or appurtenant to that facility.

(c) The commissioners court may authorize the execution and delivery of a trust indenture, mortgage, deed of trust, or other form of encumbrance to evidence a security agreement under Subsection (b)(2).

Sec. 284.005. SALE OF BONDS; USE OF PROCEEDS. (a) The bonds may be sold in the manner, at the price, and under the terms determined and provided by the commissioners court in the order authorizing the issuance of the bonds.

(b) If permitted by the bond order, a required part of the proceeds from the bond sale may be used for:
(1) the payment of interest on the bonds during the construction of hospital facilities financed with bond proceeds; 
(2) the payment of operation and maintenance expenses of those facilities to the extent and for the period specified by the bond order; and 
(3) the creation of reserves for the payment of bond principal and interest.

Sec. 284.006. INVESTMENT OF BOND PROCEEDS. Proceeds from the sale of bonds may be invested until needed to the extent and in the manner provided by the bond order.

Sec. 284.007. LEGAL INVESTMENTS. The bonds are legal and authorized investments for:
(1) a bank; 
(2) a trust company; 
(3) a savings and loan association; 
(4) an insurance company; 
(5) a small business investment corporation; 
(6) a fiduciary; 
(7) a trustee; 
(8) a guardian; or 
(9) an interest or sinking fund or other public funds of the state or a municipality, county, school district, or other political subdivision of the state.

Sec. 284.008. SECURITY FOR DEPOSITS. The bonds are eligible to secure deposits of public funds of the state or of a municipality, county, school district, or other political subdivision of the state. The bonds are lawful and sufficient security for deposits to the extent of their market value if accompanied by all appurtenant unmatured coupons, if any.
Sec. 284.009. AUTHORITY TO ISSUE SUBSEQUENT BONDS. In the authorization of bonds under Section 284.001, the commissioners court may provide for the subsequent issuance of additional parity, subordinate lien, or other bonds, under the terms or conditions stated in the order authorizing the issuance of the original bonds.

Sec. 284.010. REFUNDING BONDS AND REFINANCING. (a) Revenue bonds issued by the commissioners court under this subchapter or under any other statute of this state and payable from hospital facility revenue may be refunded or otherwise refinanced by the commissioners court.

(b) The provisions of this subchapter pertinent and appropriate to the issuance of revenue bonds generally apply to the refunding bonds.

(c) In issuing refunding bonds or in refinancing revenue bonds, the commissioners court in the same authorizing proceedings may:
   (1) refund or refinance bonds issued under this subchapter and bonds issued under another statute of this state and combine the refunding bonds with other new bonds to be issued under those laws into one or more issues or series of bonds; and
   (2) provide for the subsequent issuance of additional parity, subordinate lien, or other bonds.

(d) Refunding bonds shall be issued and delivered under the terms and conditions stated in the authorizing proceedings.

Sec. 284.011. TAXES TO PAY OPERATING AND MAINTENANCE EXPENSES. (a) Ad valorem taxes of the hospital district shall be used to pay hospital facility operation and maintenance expenses to the extent that hospital facility revenue and income are not available at any time to pay all those expenses.

(b) The proceeds of an annual ad valorem tax may be pledged to pay hospital facility operation and maintenance expenses in the order
authorizing the issuance of bonds under this subchapter.

(c) During each year that any of the bonds are outstanding, the commissioners court shall compute and determine the rate and amount of ad valorem tax that is sufficient to raise and produce the funds required to pay required hospital facility operation and maintenance expenses if the annual ad valorem tax is pledged as security for the payment of those expenses. In determining the tax rate, the commissioners court may allow for tax delinquencies and the cost of tax collection.

Sec. 284.012. AUTHORITY OF DISTRICT GOVERNING BODY IN ABSENCE OF AD VALOREM TAX. If a hospital district created under Article IX of the Texas Constitution does not have ad valorem taxes levied on behalf of the district by the commissioners court of the county in which the hospital district is located, the district board of directors or other governing body has all of the powers and duties otherwise provided to a commissioners court under this subchapter.

Sec. 284.013. ANNUAL BUDGET. (a) The commissioners court, board of hospital managers, or hospital district board of directors shall provide in each annual hospital district budget for the payment of all operation and maintenance expenses of the hospital district.

(b) In preparing the budget, the commissioners court or board may consider the estimated revenue and income from hospital facilities that will be available for paying operation and maintenance expenses after providing for all principal, interest, and reserve requirements in connection with the bonds.

Sec. 284.014. AUTHORITY TO CHARGE FOR HOSPITAL SERVICES. (a) The commissioners court, board of hospital managers, or hospital district board of directors may fix and collect charges for the occupancy or use of hospital facilities and hospital services in the
amount and manner determined by the commissioners court or board.

(b) The charges shall be fixed and collected in an amount:
    (1) sufficient, with other pledged resources, to provide
        for all payments of principal, interest, and any other amounts
        required in connection with the bonds; and
    (2) required by the bond order to provide for payment of
        all or part of the operation, maintenance, and other expenses of the
        hospital facilities.

Sec. 284.015. USE OF OTHER LAW. A commissioners court may use
other law not in conflict with this chapter to the extent convenient
or necessary to carry out any power expressly or impliedly granted by
this chapter.

SUBCHAPTER B. ISSUING AND REFUNDING REVENUE BONDS BY HOSPITAL
DISTRICTS CREATED UNDER ARTICLE IX, SECTION 9, OF THE TEXAS
CONSTITUTION

Sec. 284.031. AUTHORITY TO ISSUE. (a) A hospital district
created in accordance with Article IX, Section 9, of the Texas
Constitution may issue revenue bonds to:
    (1) acquire, construct, repair, renovate, or equip
        buildings and improvements for hospital purposes; and
    (2) acquire sites for hospital purposes.
    (b) The hospital district may refund revenue bonds previously
        issued for the purposes specified by Subsection (a).
    (c) The bonds must be payable from and secured by a pledge of
        all or part of district revenues from operation of a hospital. The
        bonds may also be secured by a mortgage or deed of trust lien on all
        or part of the district's property.
    (d) The bonds must be issued in accordance with Sections
        264.042-264.047(a), 264.048, and 264.049, and with the effect
        specified by Section 264.050.

SUBCHAPTER C. BOND ELECTIONS IN HOSPITAL DISTRICTS

Sec. 284.041. BOND ELECTIONS FOR REVENUE BONDS. (a) The commissioners court of a county authorized by law to issue revenue bonds on behalf of a hospital district in the county may, on its own motion, order an advisory election to determine whether a majority of the qualified voters of the hospital district voting at the election favor the issuance of revenue bonds. The order must contain the same information contained in the notice of the election.

(b) In addition to the contents of the notice required by the Election Code, the notice must state any other matters that the commissioners court considers necessary or advisable.

(c) Subject to any additional notice requirements under Section 4.003, Election Code, the commissioners court shall publish notice of the election one time, at least 10 days before the date set for the election, in a newspaper of general circulation in the hospital district.

(d) The election is advisory only and does not affect the authority of the commissioners court to issue revenue bonds on behalf of the hospital district under an applicable law that does not require an election.

(e) The expenses of holding the election shall be paid from hospital district funds.

CHAPTER 285. SPECIAL PROVISIONS RELATING TO HOSPITAL DISTRICTS

SUBCHAPTER A. PAYMENT OF HOSPITAL DISTRICT OPERATING EXPENSES IN CERTAIN POPULOUS COUNTIES

Sec. 285.001. DEFINITION. In this subchapter, "bond" includes a note.

Sec. 285.002. APPLICABILITY OF SUBCHAPTER. This subchapter applies only to a county having:

(1) a population of at least 800,000; and

(2) a countywide hospital district that:

(A) has taxes imposed and collected by the commissioners court of the county; and
(B) has teaching hospital facilities affiliated with a state-owned or private medical school.

Acts 2011, 82nd Leg., R.S., Ch. 1163 (H.B. 2702), Sec. 37, eff. September 1, 2011.

Sec. 285.003. AUTHORITY TO MAKE REVENUE ANTICIPATION AGREEMENT. (a) The commissioners court of the county may make a revenue anticipation agreement with a person, including a bank or other financial institution, on the determination by the commissioners court that the county hospital district's projected revenue, including tax collections, will not be received by the district at the times necessary to pay when due the district's operating and maintenance expenses.

(b) Under the revenue anticipation agreement, the contracting person agrees to advance to the hospital district, and the county and district agree to repay from the sources specified by Section 285.006, funds necessary for the district hospital facilities' operation and maintenance during the term of the agreement.

Sec. 285.004. TERMS. (a) Subject to this section, the parties to a revenue anticipation agreement determine its terms.

(b) The term of the revenue anticipation agreement may not exceed two years.

(c) An advance may not be made to a district under a revenue anticipation agreement more than once each month. The amount of an advance may not exceed the difference between (1) the district's accumulated, unpaid operating and maintenance expenses, and (2) the district's revenue and income, including tax revenue, actually received by the district to the date of the advance and lawfully available for paying those expenses, together with the operating reserves reasonably required for one month.

(d) The party making the advances may rely on a certification...
made by the district's authorized officers concerning facts specified by Subsection (c).

(e) Amounts advanced under a revenue anticipation agreement may bear interest at a rate or rates not more than the legal rate for district revenue bonds, and the agreement may provide that the rate of interest on those amounts may be determined at the time the advance is made by reference to any determinative factors and formulae on which the parties agree.

(f) The agreement must provide:
(1) for the advanced amounts to mature and become due and payable on a date on or before the day the agreement ends; and
(2) that the advanced amounts may be paid without penalty at any time before maturity.

Sec. 285.005. REFUNDING PROHIBITED; REPAYMENT REQUIRED. (a) An advance may not be refunded, refinanced, or extended.

(b) When district revenues are received, the commissioners court shall apply them to the payment or prepayment of outstanding, unpaid advances under the revenue anticipation agreement if:
(1) those revenues are not required or committed to pay other district obligations and expenses; and
(2) the revenues are received during the term of the revenue anticipation agreement.

(c) Until all advances under a revenue anticipation agreement are repaid, retired, and canceled, an advance may not be made under a subsequent revenue anticipation agreement.

Sec. 285.006. SECURITY; DEFAULT OF REPAYMENT. (a) An advance under a revenue anticipation agreement is secured by and payable from:
(1) a pledge of and lien on district revenue from the operation and maintenance of its hospital facilities; or
(2) tax revenues, when collected, imposed for the purpose of operating and maintaining the district's facilities for the year during which the advances are made.
(b) If the district fails to repay any advanced amount when due under an agreement or under this subchapter, an application for a writ of mandamus or other action may be filed in a district court to enforce the agreement and repayment as required by this subchapter.

Sec. 285.007. LIMITATION ON USE OF PROCEEDS; AUDIT. (a) An advance under a revenue anticipation agreement may be used only for the purposes authorized by this subchapter.

(b) It is not a defense to repayment of advanced amounts that the funds are used for a purpose not authorized by this subchapter.

(c) The auditor of the hospital district shall:

1. audit the use of advanced funds at the time of the district's regular audit; and

2. certify to the commissioners court whether those funds are used for proper operating and maintenance purposes authorized by this subchapter.

Sec. 285.008. BONDS. (a) In a revenue anticipation agreement, the commissioners court may promise to execute and deliver, concurrently with the making of advances under the agreement, interest-bearing bonds evidencing the county's and hospital district's obligation to repay the advances as provided by the agreement and this subchapter.

(b) The bonds may be delivered on terms consistent with the terms specified for a revenue anticipation agreement by this subchapter.

(c) The provisions of this subchapter that relate to advances apply to bonds issued under this section.

(d) Bonds issued under this subchapter are:

1. incontestable in a court or other forum;

2. valid and binding obligations;

3. investment securities under the Uniform Commercial Code (Title 1, Business & Commerce Code);

4. legal and authorized security for public funds of the state and its political subdivisions; and
(5) legal and authorized investments by a bank, savings bank, savings and loan association, or insurance company.

Sec. 285.009. TAXES TO SECURE BONDS. (a) The commissioners court may pay and secure the principal of and interest on bonds issued under this subchapter with annual ad valorem taxes imposed by the hospital district as required by the bonds and any relevant revenue anticipation agreement if:

(1) the hospital district is created under Article IX, Section 4, of the Texas Constitution and the creation of the district is approved at an election held in the district as required by that constitutional provision; or

(2) the hospital district is created under another constitutional provision that permits the imposition and pledge of taxes.

(b) The commissioners court shall set the tax rate of the hospital district at a rate sufficient to pay the bond principal and interest when due if taxes are pledged in accordance with this section. In setting the tax rate, the commissioners court shall give consideration to the amount of money estimated to be received from revenues pledged under a revenue anticipation agreement that may be available for the payment of bond principal and interest as provided by the revenue anticipation agreement, making allowance for tax delinquencies and the cost of tax collection.

(c) The sum of all annual ad valorem taxes imposed by the hospital district may not exceed 75 cents on $100 valuation of all taxable property in the district.

SUBCHAPTER B. PARKING STATIONS NEAR HOSPITALS IN COUNTIES OF AT LEAST 1.5 MILLION

Sec. 285.021. DEFINITIONS. In this subchapter:

(1) "Bond order" means the order authorizing the issuance of revenue bonds.

(2) "Parking station" means a lot, an area, or a surface or a subsurface structure for automotive vehicle parking. The term
includes the equipment used in connection with the maintenance and
operation of the station and the site of the station.

(3) "Trust indenture" means the indenture pledging revenues
to secure revenue bonds issued by a hospital district.

Sec. 285.022. AUTHORITY TO CONSTRUCT, IMPROVE, OPERATE, AND
LEASE PARKING STATION. (a) A hospital district located in a county
with a population of more than 1.5 million may construct, enlarge,
furnish, equip, operate, or lease a parking station near a hospital
in the district on the determination by the commissioners court of
the county that the action is in the best interest of the hospital
district and the residents of the district.

(b) A lease under this section may be made to a person on terms
considered appropriate by the commissioners court.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1163 (H.B. 2702), Sec. 38, eff.
September 1, 2011.

Sec. 285.023. AUTHORITY TO ISSUE REVENUE BONDS; SECURITY. (a)
The commissioners court may issue revenue bonds on behalf of the
hospital district to pay the costs to construct, enlarge, furnish, or
equip the parking station.

(b) The bonds must be payable from and secured by a pledge of:
(1) the net revenues derived from the operation of the
parking station; and
(2) other revenues resulting from the ownership of the
parking station properties, including receipts from leasing all or
part of the parking station.

(c) The bonds must be authorized by an order adopted by a
majority vote of a quorum of the commissioners court on behalf of the
hospital district. An election is not required.

Sec. 285.024. FORM AND EXECUTION OF BONDS. The bonds must:

(1) be negotiable;
(2) be signed by the county judge;
(3) be countersigned by the county clerk;
(4) be registered by the county treasurer;
(5) have the seal of the commissioners court impressed or printed on the bonds; and
(6) contain the following provision: "The holder hereof shall never have the right to demand payment thereof out of money raised or to be raised by taxation."

Sec. 285.025. TERMS. (a) Bonds issued under this subchapter must mature serially or otherwise not more than 40 years after they are issued. The bonds may:

(1) be sold at a price and under terms that the commissioners court considers the most advantageous reasonably obtainable; and
(2) be made callable before maturity at times and prices prescribed in the order authorizing the bonds.

(b) The bonds may not bear interest at a rate greater than that allowed by Chapter 1204, Government Code.

Sec. 285.026. APPROVAL AND REGISTRATION OF BONDS. (a) The county must submit to the attorney general bonds issued under this subchapter and the record relating to the issuance of those bonds.

(b) If the attorney general finds that the bonds were issued in accordance with this subchapter, are valid and binding obligations of the county, and are secured as recited in the bonds:

(1) the attorney general shall approve the bonds; and
(2) the comptroller shall register the bonds and certify the registration of the bonds.

(c) The bonds are incontestable after the comptroller certifies the registration of the bonds.
Sec. 285.027. OTHER BONDS. (a) Bonds constituting a junior lien on the net revenues may be issued unless prohibited by the bond order or the trust indenture.

(b) Parity bonds may be issued under conditions specified in the bond order or trust indenture.

(c) The county may issue bonds to refund outstanding bonds in the same manner that other bonds are issued under this subchapter.

(d) Refunding bonds issued under this section may be exchanged for previous bonds by the comptroller or may be sold. If the bonds are sold, the proceeds shall be applied to the payment of outstanding bonds.

Sec. 285.028. USE OF PROCEEDS; INITIAL COSTS. An amount necessary for the payment of not more than two years' interest on the bonds and an amount estimated by the commissioners court to be required for operating expenses until the parking station becomes sufficiently operative may be set aside out of the proceeds from the sale of the bonds.

Sec. 285.029. CHANGE FOR DISTRICT SERVICES. The hospital district shall charge sufficient rentals or rates for services rendered by the parking station to produce revenues sufficient to:

(1) pay all expenses of owning, operating, and maintaining the parking station;

(2) pay the principal of and interest on the bonds when due; and

(3) create and maintain a bond reserve fund and other funds as provided by the bond order or trust indenture.

Sec. 285.030. PROCEDURES FOR STATION OPERATION. The bond order or trust indenture may prescribe procedures for the operation of the parking station.

SUBCHAPTER C. APPOINTMENT OF TAX ASSESSOR AND COLLECTOR IN HOSPITAL DISTRICTS CREATED UNDER CONSTITUTION

Sec. 285.041. APPOINTMENT OF TAX ASSESSOR AND COLLECTOR. A hospital district created under Article IX, Section 9, of the Texas Constitution may appoint a tax assessor and collector for the district.

SUBCHAPTER D. SALE, LEASE, OR CLOSING OF HOSPITAL

Sec. 285.051. AUTHORITY OF GOVERNING BODY. (a) The governing body of a hospital district by resolution may order the sale, lease, or closing of all or part of a hospital owned and operated by the hospital district, including real property. The resolution must include a finding by the governing body that the sale, lease, or closing is in the best interest of the residents of the hospital district.

(b) A sale or closing may not take effect before the expiration of the period in which a petition may be filed under Section 285.052.

Sec. 285.052. PETITION; ELECTION. (a) The governing body of the hospital district shall order and conduct an election on the sale or closing of a hospital if, before the 31st day after the date the governing body orders the sale or closing, the governing body receives a petition requesting the election signed by at least 10 percent of the qualified voters of the hospital district. The number of qualified voters of the hospital district is determined according to the most recent official lists of registered voters.

(b) If a petition is filed under Subsection (a), the hospital may be sold or closed only if a majority of the qualified voters
voting on the question approve the sale or closing.

SUBCHAPTER E. SALES AND USE TAX TO LOWER AD VALOREM TAXES

Sec. 285.061. TAX AUTHORIZED; TAX RATES. (a) A hospital
district that is authorized to impose ad valorem taxes may adopt a
sales and use tax to lower the district's ad valorem taxes at an
election held as provided by this subchapter. A district may change
the rate of the sales and use tax or abolish the sales and use tax at
an election held as provided by this subchapter. Subject to the
limitations provided by Subsections (c) and (d), the district may
impose the tax in increments of one-eighth of one percent, with a
minimum tax of one-eighth of one percent and a maximum tax of two
percent.

(b) Chapter 323, Tax Code, applies to the application,
collection, and administration of the tax imposed under this
subchapter. The comptroller may make rules for the collection and
administration of this tax in the same manner as for a tax imposed
under Chapter 323, Tax Code. Where a county and a hospital district
both impose a sales and use tax, the comptroller may by rule provide
for proportionate allocation of sales and use tax collections between
a county and a hospital district on the basis of the period of time
each tax is imposed and the relative tax rates.

(c) A district may not adopt a tax under this subchapter or
increase the rate of the tax if as a result of the adoption of the
tax or the tax increase the combined rate of all sales and use taxes
imposed by the district and other political subdivisions of this
state having territory in the district would exceed two percent at
any location in the district.

(d) If the voters of a district approve the adoption of the tax
or an increase in the tax rate at an election held on the same
election date on which another political subdivision of this state
adopts a sales and use tax or approves the increase in the rate of
its sales and use tax and as a result the combined rate of all sales
and use taxes imposed by the district and other political
subdivisions of this state having territory in the district would
exceed two percent at any location in the district, the election to
adopt a sales and use tax or to increase the rate of the sales and
use tax in the district under this subchapter has no effect.

(e) to (h) Expired.

Sec. 285.062. TAX ELECTION PROCEDURES. (a) Except as otherwise provided by this subchapter, an election to adopt or abolish the tax or to change the rate of the tax is governed by the provisions of Subchapter E, Chapter 323, Tax Code, applicable to an election to adopt or abolish a county sales and use tax.

(b) An election is called by the adoption of a resolution by the governing body of the district. The governing body shall call an election if a number of qualified voters of the district equal to at least five percent of the number of registered voters in the district petitions the governing body to call the election.

(c) At an election to adopt the tax, the ballot shall be prepared to permit voting for or against the proposition: "The adoption of a local sales and use tax in (name of district) at the rate of (proposed tax rate) percent to be used to reduce the district property taxes."

(d) At an election to abolish the tax, the ballot shall be prepared to permit voting for or against the proposition: "The abolition of the local sales and use tax in (name of district)."

(e) At an election to change the rate of the tax, the ballot shall be prepared to permit voting for or against the proposition: "The (increase or decrease, as applicable) in the rate of the local sales and use tax imposed by (name of district) from (tax rate on election date) percent to (proposed tax rate) percent."

Sec. 285.063. EFFECTIVE DATE OF TAX OR TAX CHANGE; BOUNDARY CHANGE. (a) The adoption or abolition of the tax or change in the tax rate takes effect on the first day of the first calendar quarter
occurring after the expiration of the first complete calendar quarter occurring after the date on which the comptroller receives a notice of the results of the election.

(b) If the comptroller determines that an effective date provided by Subsection (a) will occur before the comptroller can reasonably take the action required to begin collecting the tax or to implement the abolition of the tax or the tax rate change, the effective date may be extended by the comptroller until the first day of the next succeeding calendar quarter.

(c) The provisions of Section 321.102, Tax Code, governing the application of a municipal sales and use tax in the event of a change in the boundaries of a municipality apply to the application of a tax imposed under this chapter in the event of a change in the district's boundaries.

Sec. 285.064. USE OF TAX REVENUE. Revenue from the tax may be used for any purpose for which ad valorem tax revenue of the district may be used.

SUBCHAPTER F. LIABILITY OF NONPROFIT MANAGEMENT CONTRACTOR

Sec. 285.071. DEFINITION. In this chapter, "hospital district management contractor" means a nonprofit corporation, partnership, or sole proprietorship that manages or operates a hospital or provides services under contract with a hospital district that was created by general or special law.

Sec. 285.072. LIABILITY OF A HOSPITAL DISTRICT MANAGEMENT CONTRACTOR. A hospital district management contractor in its
management or operation of a hospital under a contract with a hospital district is considered a governmental unit for purposes of Chapters 101, 102, and 108, Civil Practice and Remedies Code, and any employee of the contractor is, while performing services under the contract for the benefit of the hospital, an employee of the hospital district for the purposes of Chapters 101, 102, and 108, Civil Practice and Remedies Code.

SUBCHAPTER G. TERMS OF MEMBERS OF GOVERNING BOARD
Sec. 285.081. TERMS. (a) The governing board of a hospital district created under general or special law may, on its own motion, order that the members of the governing board are to be elected in even-numbered years to serve staggered four-year terms.
(b) The first election of board members in an even-numbered year that occurs at least 120 days after the date on which an order is entered under Subsection (a) shall be held as previously scheduled and the members elected shall serve two-year terms. The subsequent election of board members previously scheduled to be held in an odd-numbered year shall be held as scheduled and the members elected shall serve three-year terms. Subsequent members shall be elected in even-numbered years and shall serve four-year terms.
(c) This section does not apply to a hospital district created under Chapter 281, Chapter 282, and Chapter 283.

SUBCHAPTER H. CONTRACTS, COLLABORATIONS, AND JOINT VENTURES
Sec. 285.091. HOSPITAL DISTRICT CONTRACTS, COLLABORATIONS, AND JOINT VENTURES. (a) A hospital district created under general or special law may, directly or through a nonprofit corporation created or formed by the district, contract, collaborate, or enter into a joint venture with any public or private entity as necessary to carry out the functions of or provide services to the district.
(b) A hospital district created under general or special law may contract with the Texas Department of Health for the provision of
health care services and assistance, including preventive health care services, to eligible residents of the district.

(c) A hospital district created under general or special law may contract or collaborate with a local governmental entity, as defined by Section 534.002, Government Code, or any other public or private entity as necessary to provide or deliver health care services under a demonstration project established under Section 534.201 or 534.202, Government Code, in which the hospital district participates.

SUBCHAPTER I. LONG-TERM CARE AND RELATED FACILITIES

Sec. 285.101. FACILITIES OR SERVICES FOR ELDERLY OR DISABLED.

(a) This subchapter applies only to a hospital, hospital district, or authority created and operated under Article IX, Texas Constitution, under a special law, or under this title that is located in:

(1) a county with a population of 35,000 or less;
(2) those portions of extended municipalities that the federal census bureau has determined to be rural; or
(3) an area that is not delineated as an urbanized area by the federal census bureau.

(b) A hospital, hospital district, or authority covered by this subchapter may:

(1) construct, acquire, own, operate, enlarge, improve, furnish, or equip one or more of the following types of facilities or services for the care of the elderly or disabled:
(A) a nursing home or similar long-term care facility;
(B) elderly housing;
(C) assisted living;
(D) home health;
(E) personal care;
(F) special care;
(G) continuing care; or
(H) durable medical equipment;

(2) lease or enter into an operations or management agreement relating to all or part of a facility or service described in Subdivision (1) that is owned by the hospital district or authority;

(3) close, transfer, sell, or otherwise convey all or part of a facility and discontinue services; and

(4) issue revenue bonds and other notes to acquire, construct, or improve a facility for the care of the elderly or disabled or to implement the delivery of a service for the care of the elderly or disabled.

(c) For the purpose of this section, a facility or service created under Subsection (b) is considered to be a hospital project under Chapter 223.

(d) This section does not authorize a hospital, hospital district, or authority to issue revenue bonds or other notes in accordance with this chapter to construct, acquire, own, enlarge, improve, furnish, or equip a facility or service listed in Subsection (b)(1) if a private provider of the facility or service is available and accessible in the service area of the hospital, hospital district, or authority.

SUBCHAPTER J. WRITE-IN VOTING IN ELECTION FOR BOARD MEMBERS
Sec. 285.131. WRITE-IN VOTING IN ELECTION FOR BOARD MEMBERS.
(a) In a general or special election for board members of a hospital district created under general or special law, a write-in vote may not be counted unless the name written in appears on the list of write-in candidates.

(b) To be entitled to a place on the list of write-in candidates, a candidate must make a declaration of write-in candidacy.

(c) A declaration of write-in candidacy must be filed with the authority with whom an application for a place on the ballot is required to be filed in the election.

(d) A declaration of write-in candidacy must be filed not later
than the deadline prescribed by Section 146.054, Election Code, for a write-in candidate in a city election.

(e) Subchapter B, Chapter 146, Election Code, applies to write-in voting in an election for board members except to the extent of a conflict with this section.

(f) The secretary of state shall adopt rules necessary to implement this section.

(g) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1318, Sec. 51(3), eff. September 1, 2011.

Added by Acts 1997, 75th Leg., ch. 1343, Sec. 2, eff. June 20, 1997. Amended by Acts 2003, 78th Leg., ch. 925, Sec. 11, eff. Nov. 1, 2003. Amended by:

- Acts 2005, 79th Leg., Ch. 1109 (H.B. 2339), Sec. 34, eff. September 1, 2005.
- Acts 2011, 82nd Leg., R.S., Ch. 1318 (S.B. 100), Sec. 46, eff. September 1, 2011.
- Acts 2011, 82nd Leg., R.S., Ch. 1318 (S.B. 100), Sec. 51(3), eff. September 1, 2011.

SUBCHAPTER K. DISSOLUTION OF HOSPITAL DISTRICT

Sec. 285.151. ASSETS TRANSFERRED ON DISSOLUTION.
Notwithstanding any general or special law, if a hospital district is dissolved and the money or other assets of the district are transferred to a county or other governmental entity under a process established in accordance with Section 9, Article IX, Texas Constitution, the governmental entity shall use all transferred assets to:

(1) pay the outstanding debts and obligations of the district relating to the assets at the time of the transfer, if any; and

(2) furnish medical and hospital care for indigent persons who reside in the territory within the jurisdiction of the governmental entity.

Added by Acts 1999, 76th Leg., ch. 1377, Sec. 4.01, eff. Sept. 1, 1999.
SMALL COUNTIES

Sec. 285.161. TAX AUTHORIZED. (a) A majority of voters in a hospital district created under general or special law of which all or a majority of the territory is located in a county or counties each with a population of 75,000 or less may impose a sales and use tax to raise revenue if the imposition is authorized at an election under this subchapter.

(b) A district may not adopt a tax under this subchapter or increase the rate of the tax if as a result of the adoption or increase the combined rate of all sales and use taxes imposed by the district and other political subdivisions of this state having territory in the district would exceed two percent at any location in the district.

Sec. 285.162. TAX RATE; CHANGE IN RATE. (a) A district may impose the tax in increments of one-eighth of one percent, with a minimum rate of one-eighth of one percent and a maximum rate of two percent.

(b) A district may increase the rate of the tax to a maximum of two percent or decrease the rate of the tax to a minimum of one-eighth of one percent if the change is approved by a majority of the voters of the district at an election called for that purpose.

Sec. 285.163. TAX ELECTION PROCEDURES. (a) An election is called by the adoption of a resolution by the governing body of the district. The governing body shall call an election if at least five percent of the number of registered voters in the district petition the governing body to call the election.

(b) At an election to adopt the tax, the ballot shall be prepared to permit voting for or against the proposition: "The adoption of a local sales and use tax to raise revenue in (name of district) at the rate of (proposed tax rate) percent."

(c) At an election to abolish the tax, the ballot shall be prepared to permit voting for or against the proposition: "The abolition of the local sales and use tax to raise revenue in (name of
district)."

(d) At an election to change the rate of the tax, the ballot shall be prepared to permit voting for or against the proposition: "The (increase or decrease, as applicable) in the rate of the local sales and use tax to raise revenue imposed by (name of district) from (tax rate on election date) percent to (proposed tax rate) percent."

Sec. 285.164. ELECTION IN OTHER TAXING AUTHORITY. (a) In this section, "taxing authority" means any entity authorized to impose a local sales and use tax.

(b) If a district or proposed district is included within the boundaries of another taxing authority and the adoption or increase of the tax under this subchapter would result in a combined tax rate by the district and other political subdivisions of this state of more than two percent at any location in the district, an election to approve or increase the tax under this subchapter has no effect unless:

(1) one or more of the other taxing authorities holds an election in accordance with the law governing that authority on the same date as the election under this chapter to reduce the tax rate of that authority to a rate that will result in a combined tax rate by the district and other political subdivisions of not more than two percent at any location in the district; and

(2) the combined tax rate is reduced to not more than two percent as a result of that election.

(c) This section does not permit a taxing authority to impose taxes at differential tax rates within the territory of the authority.

Sec. 285.165. USE OF TAX. The taxes imposed may be used to pay:

(1) the indebtedness issued or assumed by the district; and

(2) the maintenance and operating expenses of the district.
Sec. 285.166. EFFECTIVE DATE. (a) The adoption or abolition of the tax or a change in the rate of the tax takes effect on the first day of the first calendar quarter occurring after the expiration of the first complete calendar quarter occurring after the date the comptroller receives a notice of the results of the election.

(b) If the comptroller determines that an effective date provided by Subsection (a) will occur before the comptroller can reasonably take the action required to begin collecting the tax or to implement the abolition of the tax or the change in the rate of the tax, the effective date may be extended by the comptroller until the first day of the next calendar quarter.

Sec. 285.167. COUNTY SALES AND USE TAX ACT APPLICABLE. Except to the extent that a provision of this chapter applies, Chapter 323, Tax Code, applies to the tax authorized by this chapter in the same manner as that chapter applies to the tax authorized by that chapter.

SUBCHAPTER M. REGULATION OF SERVICES

Sec. 285.201. PROVISION OF MEDICAL AND HOSPITAL CARE. As authorized by 8 U.S.C. Section 1621(d), this chapter affirmatively establishes eligibility for a person who would otherwise be ineligible under 8 U.S.C. Section 1621(a), provided that only local funds are utilized for the provision of nonemergency public health benefits. A person is not considered a resident of a governmental entity or hospital district if the person attempted to establish residence solely to obtain health care assistance.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.70(a), eff. Sept. 1, 2003.
Sec. 285.202. USE OF TAX REVENUE FOR ABORTIONS; EXCEPTION FOR MEDICAL EMERGENCY. (a) In this section, "medical emergency" means:
(1) a condition exists that, in a physician's good faith clinical judgment, complicates the medical condition of the pregnant woman and necessitates the immediate abortion of her pregnancy to avert her death or to avoid a serious risk of substantial impairment of a major bodily function; or
(2) the fetus has a severe fetal abnormality.
(a-1) In Subsection (a), a "severe fetal abnormality" means a life threatening physical condition that, in reasonable medical judgment, regardless of the provision of life saving medical treatment, is incompatible with life outside the womb.
(a-2) In Subsection (a-1), "reasonable medical judgment" means a medical judgment that would be made by a reasonably prudent physician, knowledgeable about the case and the treatment possibilities with respect to the medical conditions involved.
(b) Except in the case of a medical emergency, a hospital district created under general or special law that uses tax revenue of the district to finance the performance of an abortion may not receive state funding.
(c) A physician who performs an abortion in a medical emergency at a hospital or other health care facility owned or operated by a hospital district that receives state funds shall:
(1) include in the patient's medical records a statement signed by the physician certifying the nature of the medical emergency; and
(2) not later than the 30th day after the date the abortion is performed, certify to the Department of State Health Services the specific medical condition that constituted the emergency.
(d) The statement required under Subsection (c)(1) shall be placed in the patient's medical records and shall be kept by the hospital or other health care facility where the abortion is performed until:
(1) the seventh anniversary of the date the abortion is performed; or
(2) if the pregnant woman is a minor, the later of:
(A) the seventh anniversary of the date the abortion is performed; or
Sec. 285.231. ELECTION TO INCREASE MAXIMUM TAX RATE. (a) Registered voters of a hospital district that is authorized to impose ad valorem taxes and that has a maximum tax rate of less than 75 cents on the $100 valuation of all taxable property in the district may file a petition with the secretary of the governing body of the hospital district requesting an election to authorize the increase of that maximum tax rate. The petition must be signed by at least the lesser of:

(1) 100 of the registered voters of the district; or
(2) the number equal to 15 percent of the registered voters of the district.

(b) The petition must state the maximum tax rate to be voted on at the election, which may not exceed 75 cents on the $100 valuation of all taxable property in the district.

(c) The governing body of the hospital district by order shall set a time and place to hold a hearing on the petition to increase the maximum tax rate of the district. The governing body shall set a date for the hearing that is not earlier than the 10th day after the date the governing body issues the order.

(d) If after the hearing the governing body of the hospital district finds that the petition is in proper form and that an increase of the maximum tax rate would benefit the district, the governing body shall order an election to authorize the increase of the maximum tax rate to the tax rate stated in the petition. The order calling the election must state the:

(1) nature of the election, including the proposition that is to appear on the ballot;
(2) date of the election;
(3) maximum tax rate to be voted on at the election;
(4) hours during which the polls will be open; and
(5) location of the polling places.

(e) The governing body of the hospital district shall give notice of the election by publishing a substantial copy of the
election order in a newspaper with general circulation in the
district once a week for two consecutive weeks. The first
publication must appear before the 35th day before the date set for
the election.

(f) The ballot for the election shall be printed to permit
voting for or against the proposition: "The increase by the
______________ (name of district) Hospital District of the maximum
rate of annual taxes imposed for hospital purposes to a rate not to
exceed _______________ (insert the amount prescribed by the petition,
not to exceed 75 cents) on each $100 valuation of all taxable
property in the district."

(g) After ordering an election under this subchapter, the
governing body of the hospital district shall hold the election on
the first authorized uniform election date prescribed by Section
41.001, Election Code, that allows sufficient time to comply with
other requirements of law.

(h) If the majority of the votes cast in the district favor the
proposition, the maximum tax rate of the district is increased to the
tax rate stated in the petition.

Added by Acts 2003, 78th Leg., ch. 272, Sec. 1, eff. June 18, 2003.

SUBCHAPTER O. NONPROFIT CORPORATION CREATED OR FORMED BY
DISTRICT

Sec. 285.301. ESTABLISHMENT OF NONPROFIT CORPORATION. (a) A
hospital district created under general or special law may form and
sponsor a nonprofit corporation under the Texas Nonprofit Corporation
Law, as described by Section 1.008, Business Organizations Code, to
own and operate all or part of one or more ancillary health care
facilities consistent with the purposes of the district.

(b) The governing body of the hospital district shall appoint
the board of directors of a nonprofit corporation formed under this
section.
(c) The hospital district may contribute money to or solicit money for the nonprofit corporation. If the district contributes money to or solicits money for the corporation, the district shall establish procedures and controls sufficient to ensure that the money is used by the corporation for public purposes.

(d) A nonprofit corporation formed under this section has the same powers as a development corporation under Section 221.030.

Added by Acts 2007, 80th Leg., R.S., Ch. 470 (H.B. 2168), Sec. 4, eff. June 16, 2007.

   Sec. 285.302. COMPLIANCE BY NONPROFIT CORPORATION WITH CERTAIN LAWS. A nonprofit corporation created or formed under this subchapter or other law by a hospital district that is created under general or special law shall comply with Chapter 2258, Government Code, in the same manner and to the same extent that the hospital district that created or formed the corporation is required to comply with that chapter.

   Added by Acts 2007, 80th Leg., R.S., Ch. 470 (H.B. 2168), Sec. 4, eff. June 16, 2007.

SUBCHAPTER Z. MISCELLANEOUS PROVISIONS

   Sec. 285.901. DISPOSITION OF SALVAGE AND SURPLUS PROPERTY. (a) In this section:
   (1) "Salvage property" has the meaning assigned by Section 263.151, Local Government Code.
   (2) "Surplus property" has the meaning assigned by Section 263.151, Local Government Code.

   (b) The governing board of a hospital district may dispose of the hospital district's surplus or salvage property in the same way that a commissioners court of a county may dispose of the county's surplus or salvage property under Section 263.152, Local Government Code.

   Added by Acts 2003, 78th Leg., ch. 345, Sec. 2, eff. June 18, 2003.
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 286.001. DEFINITIONS. In this chapter:
(1) "Board" means the board of directors of the district.
(2) "District" means a hospital district created under this chapter.
(3) "Director" means a member of the board.

Sec. 286.002. DISTRICT AUTHORIZATION. A hospital district may be created and established and, if created, must be maintained, operated, and financed in the manner provided by Article IX, Section 9, of the Texas Constitution and by this chapter.

SUBCHAPTER B. CREATION OF DISTRICT

Sec. 286.021. PETITION FOR CREATION OF DISTRICT. (a) Before a district located wholly in one county may be created, the county judge of that county must receive a petition signed by at least 100 registered voters of the territory of the proposed district.

(b) Before a district that contains territory located in more than one county may be created, the county judge of each county in which the proposed district will be located must receive a petition signed by at least 100 registered voters of the territory of the county in which the judge presides and of the proposed district.

(c) If there are fewer than 100 registered voters in any area for which a separate petition must be filed, the petition must be signed by a majority of the registered voters in the area.

Sec. 286.022. CONTENTS OF PETITION. (a) The petition prescribed by Section 286.021 must show:

(1) that the district is to be created and is to operate under Article IX, Section 9, of the Texas Constitution;
(2) the name of the proposed district;
(3) the district's boundaries as designated by metes and
bounds or other sufficient legal description;
(4) that none of the territory in the district is included in another hospital district;
(5) the names of the temporary directors the commissioners court must appoint under Section 286.030 or a request that the commissioners court appoint temporary directors;
(6) whether the district is to impose a property tax and the maximum tax rate to be voted on at the creation election, which may not exceed 75 cents on the $100 valuation of all taxable property in the district;
(7) whether the district is to impose a sales and use tax under Subchapter I and the maximum tax rate to be voted on at the creation election, which may not exceed the rate allowed under that subchapter;
(8) the method by which the permanent directors will be elected, as provided by Subsection (c); and
(9) the mailing address of each petitioner.

(b) The petition must provide for the appointment of the same number of temporary directors as there will be permanent directors.
(c) The petition may provide:
(1) the number of directors for the district, which number must be an odd number; and
(2) the method by which directors are to be elected, whether at large, by place, or both, so that a specific number of directors are elected from each commissioner precinct and a specific number are elected at large.

Sec. 286.023. FILING OF PETITION; HEARING; ORDERING ELECTION.
(a) If the petition is in proper form, the county judge shall receive the petition and shall file the petition with the county clerk.
(b) At the next regular or special session of the commissioners court held after the petition is filed with the county clerk, the commissioners court shall set a place, date, and time for the hearing to consider the petition.
(c) The county clerk shall issue a notice of the hearing in accordance with Chapter 551, Government Code.

(d) At the time and place set for the hearing, the commissioners court shall consider the petition. The commissioners court shall grant the petition if the court finds that the petition is in proper form and contains the information required by Section 286.022. The commissioners court may grant a petition proposing creation of a hospital district that imposes a sales and use tax under Subchapter I only if all or a majority of the territory of the district is located in a county or counties each with a population of 75,000 or less.

(e) If a petition is granted, the commissioners court shall order an election to confirm the district's creation and to authorize the levy of a tax not to exceed the maximum tax rate prescribed by the petition.

(f) If the petition indicates that the proposed district will contain territory in more than one county, the commissioners court may not order an election until the commissioners court of each county in which the district will be located has granted the petition.

(g) The election shall be held after the 45th day and on or before the 60th day after the date the election is ordered.

(h) Section 41.001(a), Election Code, does not apply to an election ordered under this section.

Sec. 286.0235. BOND PROPOSITION AT ELECTION. (a) The petition prescribed by Section 286.021 may include a request that a proposition be submitted at the election to determine whether the board may issue general obligation bonds if the district is created. The petition must specify the maximum amount of bonds to be issued and their maximum maturity date.

(b) Even though the petition does not request submission of a proposition on whether the board may issue general obligation bonds, the commissioners court may, on the request of a petitioner, submit a proposition at the creation election on the issuance of bonds.
(c) The board may issue general obligation bonds as provided by Subchapter G if a majority of the votes cast in the election favor creation of the district and issuance of the bonds.

Sec. 286.024. ELECTION ORDER. The order calling the election must state:
(1) the nature of the election, including the proposition that is to appear on the ballot;
(2) the date of the election;
(3) the hours during which the polls will be open; and
(4) the location of the polling places.

Sec. 286.025. NOTICE. (a) The commissioners court shall give notice of the election by publishing a substantial copy of the election order in a newspaper with general circulation in the proposed district once a week for two consecutive weeks.

(b) The first publication must appear before the 35th day before the date set for the election.

Sec. 286.026. BALLOT PROPOSITION. (a) The ballot for an election proposing to create a hospital district that imposes a property tax shall be printed to permit voting for or against the proposition: "The creation of the ________ (name of district) Hospital District and the levy of annual property taxes for hospital purposes at a rate not to exceed ________ (insert the amount prescribed by the petition, not to exceed 75 cents) cents on each $100 valuation of all taxable property in the district."

(b) The ballot for an election proposing to create a hospital district that imposes a sales and use tax under Subchapter I shall be printed to permit voting for or against the proposition: "The creation of the ________ (name of district) Hospital District and the levy of sales and use taxes for hospital purposes at a rate not
to exceed ________ (insert the amount prescribed by the petition, not to exceed the amount allowed under Subchapter I) percent."

(c) If a bond proposition is submitted to the voters, the ballot for the election shall contain the proposition prescribed by Subsection (a) or (b) followed by: "and the issuance of bonds in an amount not to exceed ________ (insert the amount prescribed by the petition or the commissioners court's order) and to mature not later than ________ (insert the date prescribed by the petition or the commissioners court's order)."

Sec. 286.027. ELECTION RESULT. (a) Except as provided in Subsections (b) and (c), a district is created and organized under this chapter if a majority of the votes cast in the election favor creation of the district.

(b) If the proposed district contains territory in more than one county, a majority of the votes cast in each county must also favor creation of the district.

(c) If a majority of the votes cast in a county within the proposed district are against the creation of the district and a majority of the votes cast in the remaining county or counties favor creation of the district, the district may be created only in the counties voting in favor of the proposed district.

(d) If a majority of those voting at the election vote against creation of the district, another election on the question of creating the district may not be held before the first anniversary of the most recent election concerning the creation of the district.

Sec. 286.028. COMMISSIONERS COURT ORDER. When a district is created, the commissioners court of each county in which the district is located shall enter an order in its minutes that reads substantially as follows:

"Whereas, at an election held on the ________ day of ________, 19____, in that part of ________ County, State of Texas,
described as (insert description unless the district is countywide), there was submitted to the qualified voters the question of whether that territory should be formed into a hospital district under state law; and

"Whereas, at the election ________ votes were cast in favor of formation of the district and ________ votes were cast against formation; and

"Whereas, the formation of the hospital district received the affirmative vote of the majority of the votes cast at the election as provided by law;

"Now, therefore, the Commissioners Court of ________ County, State of Texas, finds and orders that the tract described in this order has been duly and legally formed into a hospital district (or a portion thereof) under the name of ________, under Article IX, Section 9, of the Texas Constitution, and has the powers vested by law in the district."

Sec. 286.029. OVERLAPPING DISTRICTS. (a) If the territory in one or more districts overlaps, the commissioners court of the county in which the most recently created district is located by order shall exclude the overlapping territory from that district.

(b) For purposes of this section, a district is created on the date the election approving its creation was held. If the elections approving the creation of two or more districts are held on the same date, the most recently created district is the district for which the hearing required by Section 286.023 was most recently held.

(c) The fact that a district is created with boundaries that overlap the boundaries of another district does not affect the validity of either district.

Sec. 286.030. TEMPORARY DIRECTORS. (a) On the date a commissioners court enters the order required by Section 286.028, the commissioners court shall also appoint the temporary directors of the district.

(b) If the petition prescribed by Section 286.021 specifically
names temporary directors, the commissioners court shall name those persons to serve as temporary directors of the district. If the petition requests that the commissioners court appoint the temporary directors, the court shall appoint the appropriate number of persons to serve as temporary directors of the district. If the petition fails to name or state the number of directors, there are five directors.

(c) If the district is located in more than one county, the commissioners courts shall each appoint a percentage of temporary directors equal to the ratio that the number of district residents in the county bears to the total number of district residents.

(d) From the time the district is created under Section 286.027 until the elected directors take office, the temporary directors serve as directors of the district.

(e) The commissioners court shall fill a vacancy in the office of temporary director by appointment.

SUBCHAPTER C. DISTRICT ADMINISTRATION

Sec. 286.041. BOARD OF DIRECTORS. The directors shall be elected in accordance with the petition prescribed by Section 286.021.

Sec. 286.042. DIRECTOR'S ELECTION. (a) The initial directors shall be elected at an election to be held on the first Saturday in May following the creation of the district.

(b) If the directors are elected at large:

(1) the appropriate number of candidates receiving the highest number of votes at the initial election of directors are directors for the district;

(2) the number of directors equal to a majority of the directors who receive the highest number of votes at the initial election serve for a term of two years; and

(3) the remaining directors serve for a term of one year.

(c) If the directors are elected by place:

(1) the candidate for a place receiving the highest number
of votes for election to that place is a director for the district;

(2) a director elected to fill an even-numbered place at
the initial election serves for a term of one year; and

(3) a director elected to fill an odd-numbered place at the
initial election serves for a term of two years.

(d) If the directors are elected from commissioners precincts
and at large:

(1) the number of candidates equal to the number of
directors to be elected from each precinct who receive the highest
number of votes from a commissioner precinct are directors for that
precinct;

(2) the number of candidates equal to the number of
directors to be elected at large who receive the highest number of
votes from the district at large are directors for the district at
large;

(3) a candidate elected from an odd-numbered precinct at
the initial election serves for a term of two years;

(4) a candidate elected from an even-numbered precinct at
the initial election serves for a term of one year;

(5) a candidate elected as the director from the district
at large at the initial election serves for a term of two years; and

(6) if more than one director is elected at large, half of
the directors elected serve two-year terms, and the other half serve
one-year terms.

(e) After the initial election of directors, an election shall
be held on the first Saturday in May each year to elect the
appropriate number of successor directors for two-year terms.

Sec. 286.043. NOTICE OF ELECTION. Before the 35th day before
the date of an election of directors, notice of the election shall be
published one time in a newspaper with general circulation in the
district.

Sec. 286.044. PETITION. (a) A person who wishes to have the
person's name printed on the ballot as a candidate for director must
file an application with the secretary of the board.

(b) The application must be filed with the secretary not later than the 31st day before the date of the election.

(c) If directors are elected by place, the application must specify the place for which the applicant is to be a candidate.

(d) If the directors are elected from commissioners precincts and at large, the application must specify:
   (1) the commissioner precinct the candidate wishes to represent; or
   (2) that the candidate wishes to represent the district at large.

Sec. 286.045. QUALIFICATIONS FOR OFFICE. (a) To be eligible to be a candidate for or to serve as a director, a person must be:
   (1) a resident of the district; and
   (2) a qualified voter.

(b) In addition to the qualifications required by Subsection (a), if directors are elected from commissioners precincts, a person who is elected from a commissioner precinct or who is appointed to fill a vacancy for a commissioner precinct must be a resident of that commissioner precinct.

(c) An employee of the district may not serve as a director.

Sec. 286.046. BOND. (a) Before assuming the duties of the office, each director must execute a bond for $5,000 payable to the district, conditioned on the faithful performance of the person's duties as director.

(b) The bond shall be kept in the permanent records of the district.

(c) The board may pay for directors' bonds with district funds.

Sec. 286.047. BOARD VACANCY. A vacancy in the office of
director shall be filled for the unexpired term by appointment by the remaining directors.

Sec. 286.048. OFFICERS. (a) The board shall elect from among its members a president and a vice-president.

(b) The board shall appoint a secretary who need not be a director.

Sec. 286.049. OFFICERS' TERMS; VACANCY. (a) Each officer of the board serves for a term of one year.

(b) The board shall fill a vacancy in a board office for the unexpired term.

Sec. 286.050. COMPENSATION. (a) Directors and officers serve without compensation but may be reimbursed for actual expenses incurred in the performance of official duties.

(b) Expenses reimbursed under this section must be:

1) reported in the district's minute book or other district records; and

2) approved by the board.

Sec. 286.051. VOTING REQUIREMENT. A majority of the members of the board voting must concur in a matter relating to the business of the district.

Sec. 286.052. ADMINISTRATOR, ASSISTANT ADMINISTRATOR, AND
ATTORNEY. (a) The board may appoint qualified persons as administrator of the district, assistant administrator, and attorney for the district.

(b) The administrator, assistant administrator, and attorney serve at the will of the board.

(c) The administrator, assistant administrator, and attorney are entitled to compensation as determined by the board.

(d) Before assuming the administrator's duties, the administrator shall execute a bond payable to the hospital district in an amount not less than $5,000 as determined by the board, conditioned on the faithful performance of the administrator's duties under this chapter. The board may pay for the bond with district funds.

Sec. 286.053. APPOINTMENTS TO STAFF. The board may:

(1) appoint to the staff any doctors the board considers necessary for the efficient operation of the district; and

(2) make temporary appointments the board considers necessary.

Sec. 286.054. TECHNICIANS, NURSES, AND OTHER DISTRICT EMPLOYEES. (a) The district may employ technicians, nurses, fiscal agents, accountants, architects, additional attorneys, and other necessary employees.

(b) The board may delegate to the administrator the authority to employ persons for the district.

Sec. 286.055. GENERAL DUTIES OF ADMINISTRATOR. The administrator shall:

(1) supervise the work and activities of the district; and

(2) direct the general affairs of the district, subject to the limitations prescribed by the board.
Sec. 286.056. RETIREMENT BENEFITS. The board may provide retirement benefits for employees of the district by:

(1) establishing or administering a retirement program; or
(2) electing to participate in the Texas County and District Retirement System or in any other statewide retirement system in which the district is eligible to participate.

Sec. 286.071. RESPONSIBILITY OF GOVERNMENTAL ENTITY. On creation of a district, a county, municipality, or other governmental entity in which the district is located shall convey or transfer to the district:

(1) title to land, buildings, improvements, and equipment related to the hospital system located wholly in the district that are owned by the county, municipality, or other governmental entity in which the district is located;

(2) operating funds and reserves for operating expenses and funds that have been budgeted by the county, municipality, or other governmental entity in which the district is located to provide medical care for residents of the district for the remainder of the fiscal year in which the district is established;

(3) taxes levied by the county, municipality, or other governmental entity in which the district is located for hospital purposes for residents of the district for the year in which the district is created; and

(4) funds established for payment of indebtedness assumed by the district.

Sec. 286.072. LIMITATION ON GOVERNMENTAL ENTITY. On or after creation of the district, a county, municipality, or other governmental entity in which the district is located may not levy taxes or issue bonds or other obligations for hospital purposes or
for providing medical care for the residents of the district.

Sec. 286.073. DISTRICT RESPONSIBILITIES. (a) On creation of a district, the district:

(1) assumes full responsibility for operating hospital facilities and for furnishing medical and hospital care for the district's needy inhabitants;

(2) assumes any outstanding indebtedness incurred by a county, municipality, or other governmental entity in which all or part of the district is located in providing hospital care for residents of the territory of the district before the district's creation; and

(3) may operate or provide for the operation of a mobile emergency medical service.

(b) If part of a county, municipality, or other governmental entity is included in a district and part is not included in the district, the amount of indebtedness the district assumes under Subsection (a)(2) is that portion of the total outstanding indebtedness of the county, municipality, or other entity for hospital care for all residents of the county, municipality, or other entity that the value of taxable property in the district bears to the total value of taxable property in the county, municipality, or other entity according to the last preceding approved assessment rolls of the county, municipality, or other entity before the district is confirmed.

Sec. 286.074. MANAGEMENT, CONTROL, AND ADMINISTRATION. The board shall manage, control, and administer the hospital system and the funds and resources of the district.

Sec. 286.075. DISTRICT RULES. The board may adopt rules governing the operation of the hospital and hospital system and the
duties, functions, and responsibilities of district staff and employees.

Sec. 286.076. METHODS AND PROCEDURES. The board may prescribe:
(1) the method of making purchases and expenditures by and for the district; and
(2) accounting and control procedures for the district.

Sec. 286.077. HOSPITAL PROPERTY, FACILITIES, AND EQUIPMENT.
(a) The board shall determine:
(1) the type, number, and location of buildings required to establish and maintain an adequate hospital system; and
(2) the type of equipment necessary for hospital care.
(b) The board may:
(1) acquire property, facilities, and equipment for the district for use in the hospital system;
(2) mortgage or pledge the property, facilities, or equipment acquired as security for the payment of the purchase price;
(3) transfer by lease to physicians, individuals, companies, corporations, or other legal entities or acquire by lease district hospital facilities; and
(4) sell or otherwise dispose of district property, facilities, or equipment.

Sec. 286.078. CONSTRUCTION CONTRACTS. (a) The board may enter into construction contracts for the district.

(b) The board may enter into construction contracts that involve spending more than $10,000 only after competitive bidding as provided by Subchapter B, Chapter 271, Local Government Code.

(c) Chapter 2253, Government Code, as it relates to performance and payment bonds, applies to construction contracts let by the district.
Sec. 286.079. DISTRICT OPERATING AND MANAGEMENT CONTRACTS. The board may enter into operating or management contracts relating to hospital facilities.

Sec. 286.080. EMINENT DOMAIN. (a) A district may exercise the power of eminent domain to acquire a fee simple or other interest in property located in the territory of the district if the property interest is necessary to the exercise of the rights or authority conferred by this chapter.

(b) A district must exercise the power of eminent domain in the manner provided by Chapter 21, Property Code, but the district is not required to deposit in the trial court money or a bond as provided by Section 21.021(a), Property Code.

(c) In a condemnation proceeding brought by a district, the district is not required to:

(1) pay in advance or give bond or other security for costs in the trial court;

(2) give bond for the issuance of a temporary restraining order or a temporary injunction; or

(3) give bond for costs or supersedeas on an appeal or writ of error.

Sec. 286.081. EXPENSES FOR MOVING FACILITIES OF RAILROADS OR UTILITIES. If, in exercising the power of eminent domain, the board requires relocating, raising, lowering, rerouting, changing the grade, or altering the construction of any railroad, highway, pipeline, or electric transmission and electric distribution, telegraph, or telephone lines, conduits, poles, or facilities, the district must bear the actual cost of relocating, raising, lowering, rerouting, changing the grade, or altering the construction to
provide comparable replacement without enhancement of a facility, after deducting the net salvage value derived from the old facility.

Sec. 286.082. INDIGENT CARE. (a) The district without charge shall supply to a patient residing in the district the care and treatment that the patient or a relative of the patient who is legally responsible for the patient's support cannot pay.

(b) Not later than the first day of each operating year, the district shall adopt an application procedure to determine eligibility for assistance, as provided by Section 61.053.

(c) The administrator of the district may have an inquiry made into the financial circumstances of:

(1) a patient residing in the district and admitted to a district facility; and

(2) a relative of the patient who is legally responsible for the patient's support.

(d) On finding that a patient or a relative of the patient legally responsible for the patient's support can pay for all or any part of the care and treatment provided by the district, the administrator shall report that finding to the board, and the board shall issue an order directing the patient or the relative to pay the district each week a specified amount that the individual is able to pay.

(e) The administrator may collect money owed to the district from the estate of a patient or from that of a relative who was legally responsible for the patient's support in the manner provided by law for collection of expenses in the last illness of a deceased person.

(f) If there is a dispute relating to an individual's ability to pay or if the administrator has any doubt concerning an individual's ability to pay, the board shall call witnesses, hear and resolve the question, and issue a final order. An appeal from a final order of the board must be made to a district court in the county in which the district is located, and the substantial evidence rule applies.

Sec. 286.083. REIMBURSEMENT FOR SERVICES. (a) The board shall require reimbursement from a county, municipality, or public hospital located outside the boundaries of the district for the district's care and treatment of a sick, diseased, or injured person of that county, municipality, or public hospital as provided by Chapter 61 (Indigent Health Care and Treatment Act).

(b) The board shall require reimbursement from the sheriff or police chief of a county or municipality for the district's care and treatment of a person confined in a jail facility of the county or municipality who is not a resident of the district.

(c) The board may contract with the state or federal government for the state or federal government to reimburse the district for treatment of a sick, diseased, or injured person.

Sec. 286.084. SERVICE CONTRACTS. The board may contract with a municipality, county, special district, or other political subdivision of the state or with a state or federal agency for the district to:

(1) furnish a mobile emergency medical service; or
(2) provide for the investigatory or welfare needs of inhabitants of the district.

Sec. 286.085. GIFTS AND ENDOWMENTS. On behalf of the district, the board may accept gifts and endowments to be held in trust for any purpose and under any direction, limitation, or provision prescribed in writing by the donor that is consistent with the proper management of the district.

Sec. 286.086. AUTHORITY TO SUE AND BE SUED. The board may sue and be sued on behalf of the district.

SUBCHAPTER E. CHANGE IN BOUNDARIES OR DISSOLUTION OF DISTRICT

Sec. 286.101. EXPANSION OF DISTRICT TERRITORY. (a) Registered voters of a defined territory that is not included in a district may file a petition with the secretary of the board requesting the inclusion of the territory in the district. The petition must be signed by at least 50 registered voters of the territory or a majority of those voters, whichever is less.

(b) The board by order shall set a time and place to hold a hearing on the petition to include the territory in the district. The board shall set a date for the hearing that is after the 30th day after the date the board issues the order.

(c) If after the hearing the board finds that annexation of the territory into the district would be feasible and would benefit the district, the board may approve the annexation by a resolution entered in its minutes. The board is not required to include all of the territory described in the petition if the board finds that a modification or change is necessary or desirable.

(d) Annexation of territory is final when approved by a majority of the voters at an election held in the district and by a majority of the voters at a separate election held in the territory to be annexed. If the district has outstanding debts or taxes, the voters in the election to approve the annexation must also determine if the annexed territory will assume its proportion of the debts or taxes if added to the district.

(e) The election ballots shall be printed to provide for voting for or against the following, as applicable:

(1) "Adding (description of territory to be added) to the _________ Hospital District."

(2) "(Description of territory to be added) assuming its proportionate share of the outstanding debts and taxes of the _________ Hospital District, if it is added to the district."

(f) The election shall be held after the 45th day and on or before the 60th day after the date the election is ordered. The election shall be ordered and notice of the election shall be given in the same manner as provided by Sections 286.024 and 286.025 for ordering and giving notice of an election authorizing creation of the district. Section 41.001(a), Election Code, does not apply to an election held under this section.
(g) If a district imposes a sales and use tax under Subchapter I, the territory added to the district must be located in a county or counties each with a population of 75,000 or less, and the addition of the territory may not result in a combined tax rate by the hospital district and other political subdivisions of this state of more than two percent at any location in the district.

Sec. 286.102. DISSOLUTION. (a) A district may be dissolved as provided by this section.

(b) The board may order an election on the question of dissolving the district and disposing of the district's assets and obligations. The board shall order an election if the board receives a petition requesting an election that is signed by a number of residents of the district equal to at least 15 percent of the registered voters in the district.

(c) The election shall be held not later than the 60th day after the date the election is ordered. Section 41.001(a), Election Code, does not apply to an election ordered under this section.

(d) The ballot for the election shall be printed to permit voting for or against the proposition: "The dissolution of the ________ Hospital District." The election shall be held in accordance with the applicable provisions of the Election Code.

(e) If a majority of the votes in the election favor dissolution, the board shall find that the district is dissolved. If a majority of the votes in the election do not favor dissolution, the board shall continue to administer the district, and another election on the question of dissolution may not be held before the first anniversary of the most recent election to dissolve the district.

Sec. 286.103. TRANSFER OF ASSETS AFTER DISSOLUTION. (a) If a majority of the votes in the election favor dissolution, the board shall:

(1) transfer the land, buildings, improvements, equipment,
and other assets that belong to the district to a county or another
governmental entity in the district; or

(2) administer the property, assets, and debts in
accordance with Section 286.104.

(b) If the district transfers the land, buildings,
improvements, equipment, and other assets to a county or other
governmental entity, the county or entity assumes all debts and
obligations of the district at the time of the transfer, and the
district is dissolved.

Sec. 286.104. ADMINISTRATION OF PROPERTY, DEBTS, AND ASSETS
AFTER DISSOLUTION. (a) If the district does not transfer the land,
buildings, improvements, equipment, and other assets to a county or
another governmental entity in the district, the board shall continue
to control and administer the property, debts, and assets of the
district until all funds have been disposed of and all district debts
have been paid or settled.

(b) After the board finds that the district is dissolved, the
board shall determine the debt owed by the district and:

(1) if the district imposes a property tax, impose on the
property included in the district's tax rolls a tax that is in
proportion of the debt to the property value; or

(2) if the district imposes a sales and use tax under
Subchapter I, continue the tax until the debt is repaid.

(c) The board may institute a suit to enforce payment of taxes
and to foreclose liens to secure the payment of property taxes due
the district.

Sec. 286.105. RETURN OF SURPLUS PROPERTY TAX MONEY. (a) When
all outstanding debts and obligations of the district are paid, the
board shall order the secretary to return the pro rata share of all
unused property tax money to each district taxpayer.

(b) A taxpayer may request that the taxpayer's share of surplus
property tax money be credited to the taxpayer's county taxes. If a taxpayer requests the credit, the board shall direct the secretary to transmit the funds to the county tax assessor-collector.

Sec. 286.106. REPORT; DISSOLUTION ORDER. (a) After the district has paid all its debts and has disposed of all its assets and funds as prescribed by Sections 286.104 and 286.105, the board shall file a written report with the commissioners court of each county in which the district is located setting forth a summary of the board's actions in dissolving the district.

(b) Not later than the 10th day after the date it receives the report and determines that the requirements of this section have been fulfilled, the commissioners court of each county shall enter an order dissolving the district.

SUBCHAPTER F. DISTRICT FINANCES

Sec. 286.121. FISCAL YEAR. (a) The district operates on the fiscal year established by the board.

(b) The fiscal year may not be changed if revenue bonds of the district are outstanding or more than once in a 24-month period.

Sec. 286.122. ANNUAL AUDIT. The board annually shall have an audit made of the financial condition of the district.

Sec. 286.123. DISTRICT AUDIT AND RECORDS. The annual audit and other district records are open to inspection during regular business hours at the principal office of the district.
Sec. 286.124. ANNUAL BUDGET. (a) The administrator of the district shall prepare a proposed annual budget for the district. (b) The proposed budget must contain a complete financial statement, including a statement of:

1. the outstanding obligations of the district;
2. the amount of cash on hand to the credit of each fund of the district;
3. the amount of money received by the district from all sources during the previous year;
4. the amount of money available to the district from all sources during the ensuing year;
5. the amount of the balances expected at the end of the year in which the budget is being prepared;
6. the estimated amount of revenues and balances available to cover the proposed budget; and
7. the estimated property tax rate that will be required, if the district imposes a property tax.

Sec. 286.125. NOTICE; HEARING; ADOPTION OF BUDGET. (a) The board shall hold a public hearing on the proposed annual budget. (b) The board shall publish notice of the hearing in a newspaper of general circulation in the district not later than the 10th day before the date of the hearing. (c) Any resident of the district is entitled to be present and participate at the hearing. (d) At the conclusion of the hearing, the board shall adopt a budget by acting on the budget proposed by the administrator. The board may make any changes in the proposed budget that in its judgment the interests of the taxpayers demand. (e) The budget is effective only after adoption by the board.
Sec. 286.126. AMENDING BUDGET. After adoption, the annual budget may be amended on the board's approval.

Sec. 286.127. LIMITATION OF EXPENDITURES. Money may not be spent for an expense not included in the annual budget or an amendment to it.

Sec. 286.128. SWORN STATEMENT. As soon as practicable after the close of the fiscal year, the administrator shall prepare for the board a sworn statement of the amount of money that belongs to the district and an account of the disbursements of that money.

Sec. 286.129. SPENDING AND INVESTMENT LIMITATIONS. (a) Except as provided by Section 286.078(a) and by Sections 286.141, 286.144, and 286.145, the district may not incur a debt payable from revenues of the district other than the revenues on hand or to be on hand in the current and immediately following fiscal year of the district.

(b) The board may invest operating, depreciation, or building reserves only in:

1. bonds of the United States;
2. certificates of indebtedness issued by the United States secretary of the treasury;
3. bonds of this state or a county, municipality, or school district of this state; or
4. shares or share accounts of savings and loan associations organized under the laws of this state or federal savings and loan associations domiciled in this state, if the shares or share accounts are insured by the Federal Deposit Insurance Corporation.

Sec. 286.130. DEPOSITORY. (a) The board shall name at least one bank to serve as depository for district funds.  
(b) District funds, other than those invested as provided by Section 286.129(b) and those transmitted to a bank of payment for bonds or obligations issued or assumed by the district, shall be deposited as received with the depository bank and must remain on deposit. This subsection does not limit the power of the board to place a portion of district funds on time deposit or to purchase certificates of deposit.  
(c) Before the district deposits funds in a bank in an amount that exceeds the maximum amount secured by the Federal Deposit Insurance Corporation, the bank must execute a bond or other security in an amount sufficient to secure from loss the district funds that exceed the amount secured by the Federal Deposit Insurance Corporation.  

SUBCHAPTER G. BONDS  
Sec. 286.141. GENERAL OBLIGATION BONDS. The board may issue and sell bonds authorized by an election in the name and on the faith and credit of the hospital district to: 
(1) purchase, construct, acquire, repair, or renovate buildings or improvements;  
(2) equip buildings or improvements for hospital purposes; or  
(3) acquire and operate a mobile emergency medical service.  

Sec. 286.142. TAXES TO PAY BONDS. (a) At the time the bonds are issued by the district, the board shall levy a tax.  
(b) The tax must be sufficient to create an interest and sinking fund to pay the principal of and interest on the bonds as they mature.  
(c) In any year, the tax together with any other tax the
district levies may not exceed the limit approved by the voters at the election authorizing the levy of taxes.

Sec. 286.143. BOND ELECTION. (a) The district may issue general obligation bonds only if the bonds are authorized by a majority of the qualified voters of the district voting at an election called and held for that purpose under this section or under Subchapter B.

(b) The board may order a bond election. The order calling the election must state:

(1) the nature and date of the election;
(2) the hours during which the polls will be open;
(3) the location of the polling places;
(4) the amount of bonds to be authorized; and
(5) the maximum maturity of the bonds.

(c) Notice of a bond election shall be given as provided by Section 1251.003, Government Code.

(d) The board shall canvass the returns and declare the results of the election.

Sec. 286.144. REVENUE BONDS. (a) The board may issue revenue bonds to:

(1) purchase, construct, acquire, repair, equip, or renovate buildings or improvements for hospital purposes;
(2) acquire sites to be used for hospital purposes; or
(3) acquire and operate a mobile emergency medical service to assist the district in carrying out its hospital purposes.

(b) The bonds must be payable from and secured by a pledge of all or part of the revenues derived from the operation of the district's hospital system. The bonds may be additionally secured by a mortgage or deed of trust lien on all or part of district property.

(c) The bonds must be issued in the manner provided by Sections 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049 for issuance
of revenue bonds by county hospital authorities.

Sec. 286.145. REFUNDING BONDS. (a) Refunding bonds of the district may be issued to refund an outstanding indebtedness the district has issued or assumed.

(b) The bonds must be issued in the manner provided by Subchapter D, Chapter 1207, Government Code.

(c) The refunding bonds may be sold and the proceeds applied to the payment of outstanding indebtedness or may be exchanged in whole or in part for not less than a similar principal amount of outstanding indebtedness. If the refunding bonds are to be sold and the proceeds applied to the payment of outstanding indebtedness, the refunding bonds must be issued and payments made in the manner provided by Subchapters A-C, Chapter 1207, Government Code.

Sec. 286.146. INTEREST AND MATURITY. District bonds must mature not later than the 50th anniversary of the date of their issuance and must bear interest at a rate not to exceed that provided by Chapter 1204, Government Code.

Sec. 286.147. EXECUTION OF BONDS. The president of the board shall execute the bonds in the name of the district, and the secretary of the board shall countersign the bonds in the manner provided by Chapter 618, Government Code.

Sec. 286.148. APPROVAL AND REGISTRATION OF BONDS. (a) District bonds are subject to the same requirements with regard to approval by the attorney general and registration by the comptroller as the law provides for approval and registration of bonds issued by counties.

(b) On approval by the attorney general and registration by the comptroller, the bonds are incontestable for any cause.

Sec. 286.149. BONDS AS INVESTMENTS. District bonds and indebtedness assumed by the district are legal and authorized investments for:

(1) banks;
(2) savings banks;
(3) trust companies;
(4) savings and loan associations;
(5) insurance companies;
(6) fiduciaries;
(7) trustees;
(8) guardians; and
(9) sinking funds of municipalities, counties, school districts, and other political subdivisions of the state and other public funds of the state and its agencies, including the permanent school fund.

Sec. 286.150. BONDS AS SECURITY FOR DEPOSITS. District bonds are eligible to secure deposits of public funds of the state and of municipalities, counties, school districts, and other political subdivisions of the state. The bonds are lawful and sufficient security for deposits to the extent of their value if accompanied by all unmatured coupons.

Sec. 286.151. TAX STATUS OF BONDS. Because the district created under this chapter is a public entity performing an essential public function, bonds issued by the district, any transaction relating to the bonds, and profits made in the sale of the bonds are free from taxation by the state or by any municipality, county, special district, or other political subdivision of the state.

SUBCHAPTER H. PROPERTY TAXES

Sec. 286.161. TAX AUTHORIZED. (a) A majority of voters in a district or proposed district may, at the creation election under Subchapter B or in conjunction with any other district election, authorize the district to impose a property tax.

(b) The board annually may impose property taxes in an amount not to exceed the limit approved by the voters at the election authorizing the levy of taxes.

(c) The tax rate for all purposes may not exceed 75 cents on each $100 valuation of all taxable property in the district.

(d) The taxes may be used to pay:

(1) the indebtedness issued or assumed by the district; and

(2) the maintenance and operating expenses of the district.

(e) The district may not impose taxes to pay the principal of or interest on revenue bonds issued under this chapter.

Sec. 286.162. BOARD AUTHORITY. The board may impose taxes for the entire year in which the district is created.

Sec. 286.163. ADOPTING TAX RATE. In adopting the tax rate, the board shall consider the income of the district from sources other than taxation.
Sec. 286.164. TAX ASSESSMENT AND COLLECTION. (a) The Tax Code governs the appraisal, assessment, and collection of district taxes. (b) The board may provide for the appointment of a tax assessor-collector for the district or may contract for the assessment and collection of taxes as provided by the Tax Code.

SUBCHAPTER I. SALES AND USE TAXES FOR DISTRICTS IN SMALL COUNTIES

Sec. 286.171. TAX AUTHORIZED. (a) A majority of voters in a proposed district of which all or a majority of the territory is located in a county or counties each with a population of 75,000 or less may impose a sales and use tax if the imposition is authorized at the creation election under Subchapter B. (b) An election to authorize the imposition of a sales and use tax under this subchapter may be held only in conjunction with a creation election under Subchapter B.

Sec. 286.172. LIMITATION ON COMBINED TAX RATE; EFFECT ON ELECTIONS. An election to create a hospital district and to authorize the imposition of a sales and use tax under this subchapter, or an election to change the tax rate under Section 286.174, has no effect if as a result of the adoption of the sales and use tax or the change in the rate the combined rate of all sales and use taxes imposed by the district and other political subdivisions of this state having territory in the district would exceed two percent at any location in the district.

Sec. 286.173. ELECTION IN OTHER TAXING AUTHORITY. (a) In this section, "taxing authority" means any entity authorized to impose a local sales and use tax.
(b) If a district or proposed district is included within the boundaries of another taxing authority and the adoption or increase of the tax under this subchapter would result in a combined tax rate by the district and other political subdivisions of this state of more than two percent at any location in the district, an election to approve or increase the tax under this subchapter has no effect unless:

(1) one or more of the other taxing authorities holds an election in accordance with the law governing that authority on the same date as the election under this chapter to reduce the tax rate of that authority to a rate that will result in a combined tax rate by the district and other political subdivisions of not more than two percent at any location in the district; and

(2) the combined tax rate is reduced to not more than two percent as a result of that election.

(c) This section does not permit a taxing authority to impose taxes at differential tax rates within the territory of the authority.

Sec. 286.174. TAX RATE; CHANGE IN RATE. (a) A district may impose the tax in increments of one-eighth of one percent, with a minimum rate of one-eighth of one percent and a maximum rate of two percent.

(b) Subject to Section 286.172, a district may increase the rate of the tax to a maximum of two percent or decrease the rate of the tax to a minimum of one-eighth of one percent if the change is approved by a majority of the voters of the district at an election called for that purpose.

Sec. 286.175. USE OF TAX. The taxes imposed may be used to pay:

(1) the indebtedness issued or assumed by the district;

and

(2) the maintenance and operating expenses of the district.
Sec. 286.176. EFFECTIVE DATE. (a) The adoption or abolition of the tax or a change in the rate of the tax takes effect on the first day of the first calendar quarter occurring after the expiration of the first complete calendar quarter occurring after the date the comptroller receives a notice of the results of the election.

(b) If the comptroller determines that an effective date provided by Subsection (a) will occur before the comptroller can reasonably take the action required to begin collecting the tax or to implement the abolition of the tax or the change in the rate of the tax, the effective date may be extended by the comptroller until the first day of the next calendar quarter.

Sec. 286.177. COUNTY SALES AND USE TAX ACT APPLICABLE. Except to the extent that a provision of this chapter applies, Chapter 323, Tax Code, applies to the tax authorized by this chapter in the same manner as that chapter applies to the tax authorized by that chapter.

Sec. 286.951. LIMITATION ON STATE ASSISTANCE. The state may not become obligated for the support or maintenance of a hospital district created under this chapter, and the legislature may not make a direct appropriation for the construction, maintenance, or improvement of a facility of the district.

Chapter 287. Health Services Districts

Subchapter A. General Provisions
Sec. 287.001. DEFINITIONS. In this chapter:

(1) "Board" means the board of directors of a district.
(2) "District" means a health services district created under this chapter.
(3) "Director" means a member of the board.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.002. DISTRICT AUTHORIZATION. A health services district may be created and established and, if created, must be maintained, operated, and financed in the manner provided by this chapter.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

SUBCHAPTER B. CREATION OF DISTRICT

Sec. 287.021. CREATION BY CONCURRENT ORDERS. (a) Except as provided by Subsection (b), a county or hospital district and one or more other counties or hospital districts may create a health services district by adopting concurrent orders.

(b) A county or portion of a county that is in the boundaries of a hospital district may not be a party to the creation of a health services district or to a contract with a health services district. The hospital district that serves the county or portion of the county may create and contract with the health services district for the boundaries of the hospital district.

(c) A concurrent order to create a health services district must:

(1) be approved by the governing body of each creating county and hospital district;
(2) contain identical provisions; and
(3) define the boundaries of the district to be coextensive with the combined boundaries of each creating county and hospital district.

(d) A concurrent order to create a health services district adopted by a hospital district for which the tax rate is set by the commissioners court of the county in which the hospital district operates must be approved by the commissioners court of that county.
Sec. 287.022. CONTRACT TERMS. (a) A county or hospital district that creates a district under this chapter shall contract with the district to provide, at a minimum, the health care services the county or hospital district is required to provide by law or under the constitution. A contract with a county or hospital district that created the health services district under this chapter must:

1. state the term of the contract, not to exceed six years;
2. specify the purpose, terms, rights, and duties of the district, as authorized by this chapter;
3. specify the financial contributions to be made by each party to the contract to fund the district, as described by Section 287.024; and
4. specify the land, buildings, improvements, equipment, and other assets owned by a party to the contract that the district will be required to manage and operate.

(b) Chapter 791, Government Code, does not apply to a contract made under this chapter.

Sec. 287.023. PURPOSE AND DUTIES. (a) A health services district shall:

1. provide health care services to indigent residents of the district;
2. manage the funds contributed to the district by each county or hospital district that contracts with the district; and
3. plan and coordinate with public and private health care providers and entities for the long-term provision of health care services to residents of the district.

(b) A health services district may:

1. provide health care services on a sliding-fee scale to residents of the district who do not meet the basic income and resources requirements established under Sections 61.006 and 61.008 to be eligible for assistance under Chapter 61 but who are unable to
pay for the full cost of health care services; and

(2) assume responsibility for management and operation of the land, buildings, improvements, equipment, and other assets that are acquired by the district or for which the district agrees to assume responsibility under the terms of the contract.

(c) A health services district may not:

(1) establish, conduct, or maintain an institution as defined by Section 242.002; or

(2) establish or operate a personal care facility as defined by Section 247.002.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.024. FUNDING. (a) Each county or hospital district that contracts with the district shall contribute to the district for its operation:

(1) a specified dollar amount from or a percentage of the contracting entity's operating budget and reserves if the contracting entity is a hospital district;

(2) a specified percentage, not less than the percentage required under Section 61.037 for state assistance, of the contracting entity's general revenue levy for each state fiscal year for the term of the contract, if the contracting entity is a county;

(3) state assistance received under Chapter 61;

(4) federal matching funds received by a hospital district under the Medicaid disproportionate share program; and

(5) any funds that are:

(A) received under the Agreement Regarding Disposition of Settlement Proceeds dated July 18, 1998, or July 24, 1998, and filed in the United States District Court, Eastern District of Texas, in the case styled The State of Texas v. The American Tobacco Company, et al., No. 5-96CV-91; and

(B) received on or after the date on which the district is created and before the district is dissolved.

(b) The district shall maintain an accounting of the funds received from each county or hospital district that contracts with the district.

(c) The district may administer the financial contributions of all parties to the contract for district purposes.
SUBCHAPTER C. DISTRICT ADMINISTRATION

Sec. 287.041. BOARD OF DIRECTORS. (a) A county or hospital district that creates the district and has a population of 125,000 or more shall appoint one director to the board for every 125,000 persons in the population of the county or hospital district, rounded to the nearest 125,000.

(b) A county or hospital district that creates the district and has a population of less than 125,000 may appoint one director to the board.

(c) The county judges of a county that creates the district shall appoint the directors to the board on behalf of the county. The board of directors of a hospital district that creates the district shall appoint the directors to the board on behalf of the hospital district.

(d) Directors serve staggered two-year terms, with as near as possible to one-half of the directors' terms expiring each year.

(e) The number of directors appointed to the board by each county or hospital district that creates the district is determined at the time of the initial appointment of directors under this section and does not vary with subsequent variations in the population of the county or hospital district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.042. QUALIFICATIONS FOR OFFICE. (a) To be eligible to serve as a director, a person must be a resident of the county or hospital district that appoints the person under Section 287.041.

(b) An employee of the district may not serve as a director.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.043. BOND. (a) Before assuming the duties of the office, each director must execute a bond for $5,000 payable to the district, conditioned on the faithful performance of the person's duties as director.

(b) The bond shall be kept in the permanent records of the
Sec. 287.044. BOARD VACANCY. A vacancy in the office of director shall be filled for the unexpired term in the same manner as the original appointment.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.045. OFFICERS. (a) The board shall elect from among its members a president and a vice president.

(b) The board shall appoint a secretary, who need not be a director.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.046. OFFICERS' TERMS; VACANCY. (a) Each officer of the board serves for a term of one year.

(b) The board shall fill a vacancy in a board office for the unexpired term.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.047. COMPENSATION. (a) Directors and officers serve without compensation but may be reimbursed for actual expenses incurred in the performance of official duties.

(b) Expenses reimbursed under this section must be:
  (1) reported in the district's minute book or other district records; and
  (2) approved by the board.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.048. VOTING REQUIREMENT. A majority of the members of
the board voting must concur in a matter relating to the business of
the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.049. ADMINISTRATOR AND ADDITIONAL STAFF. (a) The
board may appoint qualified persons as administrator of the district
and as additional administrative staff members as the board considers
necessary for the efficient operation of the district.

(b) The administrator and other administrative staff members
serve at the will of the board.

(c) The administrator and other administrative staff members
are entitled to compensation as determined by the board.

(d) Before assuming the administrator's duties, the
administrator shall execute a bond payable to the health services
district in an amount not less than $5,000 as determined by the
board, conditioned on the faithful performance of the administrator's
duties under this chapter. The board may pay for the bond with
district funds.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.050. APPOINTMENTS TO STAFF. The board may:
(1) appoint to the staff any doctors the board considers
necessary for the efficient operation of the district; and
(2) make temporary appointments the board considers
necessary.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.051. TECHNICIANS, NURSES, AND OTHER DISTRICT
EMPLOYEES. (a) The district may employ technicians, nurses, fiscal
agents, accountants, architects, additional attorneys, and other
necessary employees.

(b) The board may delegate to the administrator the authority
to employ persons for the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.
Sec. 287.052. GENERAL DUTIES OF ADMINISTRATOR. The administrator shall:

(1) supervise the work and activities of the district; and
(2) direct the general affairs of the district, subject to the limitations prescribed by the board.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.053. RETIREMENT BENEFITS. The board may provide retirement benefits for employees of the district by:

(1) establishing or administering a retirement program; or
(2) electing to participate in the Texas County and District Retirement System or in any other statewide retirement system in which the district is eligible to participate.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

SUBCHAPTER D. POWERS AND DUTIES

Sec. 287.071. RESPONSIBILITY OF GOVERNMENTAL ENTITY. On creation of a district, a county or hospital district that creates the district may transfer to the district:

(1) management and operation of any land, buildings, improvements, and equipment related to the health care system located wholly in the district that are owned by the county or hospital district in which the district is located, as specified in the contract with the counties and hospital districts that created the district; and

(2) operating funds and reserves for operating expenses and funds that have been budgeted by the county or hospital district in which the district is located to provide medical care for residents of the district, as specified in the contract with the counties and hospital districts that created the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.072. DISTRICT RESPONSIBILITIES. On creation of a
district, the district assumes the duties required under Section 287.023 and any additional duties specified in the contract with the counties and hospital districts that created the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.073. MANAGEMENT, CONTROL, AND ADMINISTRATION. The board shall manage, control, and administer the health care system and the funds and resources of the district that are transferred under Section 287.071.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.074. DISTRICT RULES. The board may adopt rules governing the operation of the district and the duties, functions, and responsibilities of district staff and employees.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.075. METHODS AND PROCEDURES. The board may prescribe:
(1) the method of making purchases and expenditures by and for the district; and
(2) accounting and control procedures for the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.076. HEALTH CARE PROPERTY, FACILITIES, AND EQUIPMENT.
(a) The board shall determine:
(1) the type, number, and location of buildings required to establish and maintain an adequate health care system; and
(2) the type of equipment necessary for health care.
(b) The board may:
(1) acquire property, facilities, and equipment for the district for use in the health care system;
(2) mortgage or pledge the property, facilities, or equipment acquired as security for the payment of the purchase price;
(3) transfer by lease to physicians, individuals,
companies, corporations, or other legal entities or acquire by lease
district health care facilities;
(4) sell or otherwise dispose of property, facilities, or
equipment acquired by the district; and
(5) contract with a state agency or other qualified
provider to provide services.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.077. CONSTRUCTION CONTRACTS. (a) The board may enter
into construction contracts for the district.
(b) The board may enter into construction contracts that
involve spending more than $10,000 only after competitive bidding as
provided by Subchapter B, Chapter 271, Local Government Code.
(c) Chapter 2253, Government Code, as it relates to performance
and payment bonds, applies to construction contracts let by the
district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.078. DISTRICT CONTRACTS AND COLLABORATIONS. (a) The
board may enter into operating or management contracts relating to
health care facilities owned by the district or for which the
district assumes responsibility for managing and operating under the
terms of the contract with the counties and hospital districts that
created the district.
(b) The board may contract or collaborate with a local
governmental entity, as defined by Section 534.002, Government Code,
or any other public or private entity as necessary to provide or
deliver health care services under a demonstration project
established under Section 534.201 or 534.202, Government Code, in
which the district participates.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.079. PAYMENT FOR HEALTH CARE SERVICES. (a) The
district without charge shall supply to a patient residing in the
district the care and treatment that the patient or a relative of the
patient who is legally responsible for the patient's support cannot
pay.

(b) Not later than the first day of each operating year, the
district shall adopt an application procedure to determine
eligibility for assistance that complies with Section 61.053.

(c) The administrator of the district may have an inquiry made
into the financial circumstances of:

(1) a patient residing in the district and admitted to a
district facility; and

(2) a relative of the patient who is legally responsible
for the patient's support.

(d) The board may adopt a sliding-fee scale for health care
services provided to a patient who can pay for some, but not all, of
the care and treatment provided by the district.

(e) A county that created and contracted with the district may
credit a district expenditure for the care and treatment of an
eligible county resident to the same extent and in the same manner
the county would be able to claim the expenditure under Chapter 61 if
the county made the expenditure.

(f) The board shall adopt rules regarding the collection of
money that is owed to the district for health care services provided
to a patient who is determined to be able to pay for all or any part
of the services from a patient, a patient's estate, or a relative who
is legally responsible for the patient's support.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.080. REIMBURSEMENT FOR SERVICES. (a) The board shall
require reimbursement from a county, municipality, or public hospital
located outside the boundaries of the district for the district's
care and treatment of a sick, diseased, or injured person of that
county, municipality, or public hospital as provided by Chapter 61.

(b) The board shall require reimbursement from the sheriff or
police chief of a county or municipality for the district's care and
treatment of a person confined in a jail facility of the county or
municipality who is not a resident of the district, as determined in
the same manner as the person's residence is determined under Chapter
61.  
(c) The board may contract with a state or federal agency or political subdivision of the state to provide health care services.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.081. SERVICE CONTRACTS. The board may contract with a municipality, county, special district, or other political subdivision of the state or with a state or federal agency for the district to:

(1) furnish a mobile emergency medical service; or
(2) provide for the investigatory or welfare needs of inhabitants of the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.082. GIFTS AND ENDOWMENTS. On behalf of the district, the board may accept gifts and endowments to be held in trust for any purpose and under any direction, limitation, or provision prescribed in writing by the donor that is consistent with the proper management of the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.083. AUTHORITY TO SUE AND BE SUED. The board may sue and be sued on behalf of the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

SUBCHAPTER E. DISSOLUTION OF DISTRICT

Sec. 287.101. DISSOLUTION. (a) A district shall be dissolved if:

(1) the contract with the counties and hospital districts that created the district expires and is not renewed; or
(2) the counties and hospital districts that created the district adopt concurrent orders to terminate the contract and dissolve the district and the concurrent orders:
(A) are approved by the governing bodies of each county and hospital district; and

(B) contain identical provisions.

(b) The governing body of a county or hospital district may adopt orders to terminate the contract with the district and end the county's or hospital district's participation in the district. The county or hospital district must give written notice to the district at least one fiscal year, as established by the board under Section 287.121, before terminating the contract and ending participation in the district. On termination of the contract with the district, the district shall transfer to the county or hospital district all unspent funds contributed by the county or hospital district to the district and the land, buildings, improvements, equipment, and other assets acquired by the district that are located in the county or hospital district. The termination of the contract by a county or hospital district does not affect the operation of the district with respect to each other county or hospital district that created the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.102. TRANSFER OF ASSETS AFTER DISSOLUTION. (a) If the district is dissolved, the board shall:

(1) transfer the land, buildings, improvements, equipment, and other assets acquired by the district to the county or hospital district in which the property is located; or

(2) administer the property, assets, and debts in accordance with Section 287.103.

(b) If the district transfers its land, buildings, improvements, equipment, and other assets to a county or hospital district, the county or hospital district assumes all debts and obligations of the district related to the land, buildings, improvements, equipment, or assets at the time of the transfer, and the district is dissolved.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.103. ADMINISTRATION OF PROPERTY, DEBTS, AND ASSETS AFTER DISSOLUTION. (a) If the district does not transfer its land,
buildings, improvements, equipment, and other assets to a county or hospital district in the district, the board shall continue to control and administer the property, debts, and assets of the district until all funds have been disposed of and all district debts have been paid or settled.

(b) If, after administering the property and assets, the board determines that the district's property and assets are insufficient to pay the debts of the district, the district shall transfer the remaining debts to the counties and hospital districts that created the district in proportion to the funds contributed to the district by each county or hospital district.

(c) If, after administering the property and assets, the board determines that unused funds remain, the board shall transfer the unused funds to the counties and hospital districts that created the district in proportion to the funds contributed to the district by each county or hospital district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.104. ACCOUNTING. After the district has paid all its debts and has disposed of all its assets and funds as prescribed by Sections 287.102 and 287.103, the board shall provide an accounting to each county and hospital district that created and contracted with the district. The accounting must show the manner in which the assets and debts of the district were distributed.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

SUBCHAPTER F. DISTRICT FINANCES

Sec. 287.121. FISCAL YEAR. (a) The district operates on the fiscal year established by the board.

(b) The fiscal year may not be changed if revenue bonds of the district are outstanding or more than once in a 24-month period.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.122. ANNUAL AUDIT. (a) The board annually shall have an independent audit made of the financial condition of the district.
(b) A copy of the audit must be provided to:
   (1) each county and hospital district that created and contracted with the district;
   (2) each state and federal agency with which the district contracts; and
   (3) each other entity that contributes substantial funds to the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.123. DISTRICT AUDIT AND RECORDS. The annual audit and other district records are open to inspection during regular business hours at the principal office of the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.124. ANNUAL BUDGET. (a) The administrator of the district shall prepare a proposed annual budget for the district.
   (b) The proposed budget must contain a complete financial statement, including a statement of:
       (1) the outstanding obligations of the district;
       (2) the amount of cash on hand to the credit of each fund of the district;
       (3) the amount of money received by the district from all sources during the previous year;
       (4) the amount of money available to the district from all sources during the ensuing year;
       (5) the amount of the balances expected at the end of the year in which the budget is being prepared; and
       (6) the estimated amount of revenues and balances available to cover the proposed budget.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.125. NOTICE; HEARING; ADOPTION OF BUDGET. (a) The board shall hold a public hearing on the proposed annual budget.
   (b) The board shall publish notice of the hearing in a newspaper of general circulation in the district not later than the
10th day before the date of the hearing.
    (c) Any resident of the district is entitled to be present and participate at the hearing.
    (d) At the conclusion of the hearing, the board shall adopt a budget by acting on the budget proposed by the administrator. The board may make any changes in the proposed budget that in its judgment the interests of the residents of the district demand.
    (e) The budget is effective only after adoption by the board.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.126. AMENDING BUDGET. After adoption, the annual budget may be amended on the board's approval.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.127. LIMITATION OF EXPENDITURES. Money may not be spent for an expense not included in the annual budget or an amendment to it.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.128. SWORN STATEMENT. As soon as practicable after the close of the fiscal year, the administrator shall prepare for the board a sworn statement of the amount of money that belongs to the district and an account of the disbursements of that money.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.129. SPENDING AND INVESTMENT LIMITATIONS. (a) Except for construction contracts under Section 287.077(a) or as provided by Sections 287.142 and 287.143, the district may not incur a debt payable from revenues of the district other than the revenues on hand or to be on hand in the current and immediately following fiscal year of the district.

(b) The board may invest operating, depreciation, or building reserves only in:
(1) bonds of the United States;
(2) certificates of indebtedness issued by the United States secretary of the treasury;
(3) bonds of this state or a county, municipality, or school district of this state; or
(4) shares or share accounts of savings and loan associations organized under the laws of this state or federal savings and loan associations domiciled in this state, if the shares or share accounts are insured by the Federal Deposit Insurance Corporation.

Sec. 287.130. DEPOSITORY. (a) The board shall name at least one bank to serve as depository for district funds.

(b) District funds, other than those invested as provided by Section 287.129(b) and those transmitted to a bank of payment for bonds or obligations issued or assumed by the district, shall be deposited as received with the depository bank and must remain on deposit. This subsection does not limit the power of the board to place a portion of district funds on time deposit or to purchase certificates of deposit.

(c) Before the district deposits funds in a bank in an amount that exceeds the maximum amount secured by the Federal Deposit Insurance Corporation, the bank must execute a bond or other security in an amount sufficient to secure from loss the district funds that exceed the amount secured by the Federal Deposit Insurance Corporation.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.131. AD VALOREM TAXATION. A district may not impose an ad valorem tax.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.
SUBCHAPTER G. BONDS

Sec. 287.141.  GENERAL OBLIGATION BONDS.  A district may not issue general obligation bonds.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.142.  REVENUE BONDS.  (a) The board may issue revenue bonds to:

1. purchase, construct, acquire, repair, equip, or renovate buildings or improvements for district purposes;
2. acquire sites to be used for district purposes; or
3. acquire and operate a mobile emergency medical service to assist the district in carrying out its purposes.

(b) The bonds must be payable from and secured by a pledge of all or part of the revenues derived from the operation of the district. The bonds may be additionally secured by a mortgage or deed of trust lien on all or part of district property.

(c) The bonds must be issued in the manner provided by Sections 264.042, 264.043, 264.046, 264.047, 264.048, and 264.049 for issuance of revenue bonds by county hospital authorities.

(d) Revenue derived from the operation of the district and pledged to the repayment of revenue bonds issued by the district must be used to repay the principal and interest owed on the bonds before being used to repay any other obligation of the district, including money owed to physicians who are employed by or who contract with the district.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.143.  REFUNDING BONDS.  (a) Refunding bonds of the district may be issued to refund an outstanding indebtedness the district has issued or assumed.

(b) The bonds must be issued in the manner provided by Subchapter D, Chapter 1207, Government Code.

(c) The refunding bonds may be sold and the proceeds applied to the payment of outstanding indebtedness or may be exchanged in whole or in part for not less than a similar principal amount of outstanding indebtedness. If the refunding bonds are to be sold and the proceeds applied to the payment of outstanding indebtedness, the
Sec. 287.144. INTEREST AND MATURITY. District bonds must mature not later than the 50th anniversary of the date of their issuance and must bear interest at a rate not to exceed that provided by Chapter 1204, Government Code.

Sec. 287.145. EXECUTION OF BONDS. The president of the board shall execute the bonds in the name of the district, and the secretary of the board shall countersign the bonds in the manner provided by Chapter 618, Government Code.

Sec. 287.146. APPROVAL AND REGISTRATION OF BONDS. (a) District bonds are subject to the same requirements with regard to approval by the attorney general and registration by the comptroller as the law provides for approval and registration of bonds issued by counties.

(b) On approval by the attorney general and registration by the comptroller, the bonds are incontestable for any cause.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.147. BONDS AS INVESTMENTS. District bonds and indebtedness assumed by the district are legal and authorized
investments for:

(1) banks;
(2) savings banks;
(3) trust companies;
(4) savings and loan associations;
(5) insurance companies;
(6) fiduciaries;
(7) trustees;
(8) guardians; and
(9) sinking funds of municipalities, counties, school districts, and other political subdivisions of the state and other public funds of the state and its agencies, including the permanent school fund.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.148. BONDS AS SECURITY FOR DEPOSITS. District bonds are eligible to secure deposits of public funds of the state and of municipalities, counties, school districts, and other political subdivisions of the state. The bonds are lawful and sufficient security for deposits to the extent of their value if accompanied by all unmatured coupons.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

Sec. 287.149. TAX STATUS OF BONDS. Because the district created under this chapter is a public entity performing an essential public function, bonds issued by the district, any transaction relating to the bonds, and profits made in the sale of the bonds are free from taxation by the state or by any municipality, county, special district, or other political subdivision of the state.

Added by Acts 1999, 76th Leg., ch. 1293, Sec. 1, eff. Sept. 1, 1999.

For expiration of this chapter, see Section 288.0032(a).
Sec. 288.001. DEFINITIONS. In this chapter:

(1) "Commission" means the commission of a district created under this chapter.

(2) "District" means a county health care funding district created under this chapter.

(3) "Paying hospital" means an institutional health care provider required to make a mandatory payment under this chapter.

(4) "Institutional health care provider" means a nonpublic hospital licensed under Chapter 241.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 2, eff. June 14, 2013.

Sec. 288.002. CREATION OF DISTRICT. A district may be created by order of the commissioners court of each county located on the Texas-Mexico border that has a population of:

(1) 500,000 or more and is adjacent to two or more counties each of which has a population of 50,000 or more;

(2) 350,000 or more and is adjacent to a county described by Subdivision (1); or

(3) less than 300,000 and contains one or more municipalities with a population of 200,000 or more.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 3, eff. June 14, 2013.

Sec. 288.0031. DISSOLUTION. A district created under this chapter may be dissolved in the manner provided for the dissolution of a hospital district under Subchapter E, Chapter 286.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 4, eff. June 14, 2013.
Sec. 288.0032. EXPIRATION OF CHAPTER; DISTRIBUTION OF FUNDS ON EXPIRATION. (a) A district created under this chapter is abolished and this chapter expires on December 31, 2016.

(b) The commissioners court of a county in which a district is created shall refund to each paying hospital the proportionate share of any money remaining in the local provider participation fund created by the district under Section 288.155 at the time the district is abolished.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 4, eff. June 14, 2013.

Sec. 288.005. DISTRICT TERRITORY. The boundaries of each district are coextensive with the boundaries of the county in which the district is created.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

SUBCHAPTER B. DISTRICT ADMINISTRATION

Sec. 288.051. COMMISSION; DISTRICT GOVERNANCE. (a) Each district created under Section 288.002 is governed by a commission consisting of the commissioners court of the county in which the district is created.

(b) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1369, Sec. 19, eff. June 14, 2013.

(c) Service on the commission by a county commissioner or county judge is an additional duty of that person's office.

(d) A district is a component of county government and is not a separate political subdivision of this state.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 5, eff. June 14, 2013.
Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 6, eff. June 14, 2013.
Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 19, eff.
June 14, 2013.

**SUBCHAPTER C. POWERS AND DUTIES**

Sec. 288.101. LIMITATION ON AUTHORITY TO REQUIRE MANDATORY PAYMENT. Each district may require a mandatory payment only in the manner provided by this chapter.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 7, eff. June 14, 2013.

Sec. 288.102. MAJORITY VOTE REQUIRED. (a) A district may not require any mandatory payment authorized by this chapter, spend any money, including for the administrative expenses of the district, or conduct any other business of the commission without an affirmative vote of a majority of the members of the commission.

(b) Before requiring a mandatory payment under this chapter in any one year, the commission must obtain the affirmative vote required by Subsection (a).

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 8, eff. June 14, 2013.

Sec. 288.104. RULES AND PROCEDURES. (a) The commission may adopt rules governing the operation of the district, including rules relating to the administration of a mandatory payment authorized by this chapter.

(b) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1369, Sec. 19, eff. June 14, 2013.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Amended by:
Sec. 288.106. INSTITUTIONAL HEALTH CARE PROVIDER REPORTING; INSPECTION OF RECORDS. (a) A district shall require an institutional health care provider to submit to the district a copy of any financial and utilization data required by and reported to the Department of State Health Services under Sections 311.032 and 311.033 and any rules adopted by the department to implement those sections.

(b) A district may inspect the records of an institutional health care provider to the extent necessary to ensure that the provider has submitted all required data under this section.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

Sec. 288.151. HEARING. (a) Each year, the commission of a district shall hold a public hearing on the amounts of any mandatory payments that the commission intends to require during the year and how the revenue derived from those payments is to be spent.

(b) Not later than the 10th day before the date of the hearing, the commission shall publish at least once notice of the hearing in a newspaper of general circulation in the county in which the district is located.

(c) A representative of a paying hospital is entitled to appear at the time and place designated in the public notice and to be heard regarding any matter related to the mandatory payments required by the district under this chapter.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 10, eff. June 14, 2013.
Sec. 288.152. FISCAL YEAR. Each district's fiscal year begins on September 1 and ends on August 31 of each year.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 288.154. DEPOSITORY. (a) Each commission by resolution shall designate one or more banks located in the district as the depository for the district. A bank designated as depository serves for two years or until a successor is designated.

(b) All income received by a district, including the revenue from mandatory payments remaining after discounts and fees for assessing and collecting the payments are deducted, shall be deposited with the district depository as provided by Section 288.203 and may be withdrawn only as provided by this chapter.

(c) All district funds shall be secured in the manner provided for securing county funds.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 11, eff. June 14, 2013.

Sec. 288.155. LOCAL PROVIDER PARTICIPATION FUND; AUTHORIZED USES OF MONEY. (a) Each district shall create a local provider participation fund.

(b) The local provider participation fund consists of:

(1) all revenue from the mandatory payment required by this chapter, including any penalties and interest attributable to delinquent payments;

(2) money received from the Health and Human Services Commission as a refund of an intergovernmental transfer from the district to the state for the purpose of providing the nonfederal share of Medicaid supplemental payment program payments, provided that the intergovernmental transfer does not receive a federal matching payment; and

(3) the earnings of the fund.

(c) Money deposited to the local provider participation fund
may be used only to:

(1) fund intergovernmental transfers from the district to the state to provide the nonfederal share of a Medicaid supplemental payment program authorized under the state Medicaid plan, the Texas Healthcare Transformation and Quality Improvement Program waiver issued under Section 1115 of the federal Social Security Act (42 U.S.C. Section 1315), or a successor waiver program authorizing similar Medicaid supplemental payment programs;

(2) subsidize indigent programs;

(3) pay the administrative expenses of the district;

(4) refund a portion of a mandatory payment collected in error from a paying hospital; and

(5) refund to paying hospitals the proportionate share of the money received by the district from the Health and Human Services Commission that is not used to fund the nonfederal share of Medicaid supplemental payment program payments.

(d) Money in the local provider participation fund may not be commingled with other county funds.

(e) An intergovernmental transfer of funds described by Subsection (c)(1) and any funds received by the district as a result of an intergovernmental transfer described by that subdivision may not be used by the district, the county in which the district is located, or any other entity to expand Medicaid eligibility under the Patient Protection and Affordable Care Act (Pub. L. No. 111-148) as amended by the Health Care and Education Reconciliation Act of 2010 (Pub. L. No. 111-152).

Added by Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 12, eff. June 14, 2013.

Sec. 288.156. ALLOCATION OF CERTAIN FUNDS. Not later than the 15th day after the date the district receives a payment described by Section 288.155(c)(5), the district shall transfer to each paying hospital an amount equal to the proportionate share of those funds to which the hospital is entitled.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 12, eff. June 14, 2013.
SUBCHAPTER E. MANDATORY PAYMENTS

Sec. 288.201. MANDATORY PAYMENT BASED ON HOSPITAL NET PATIENT REVENUE. (a) Except as provided by Subsection (e), the commission of a district may require an annual mandatory payment to be assessed quarterly on the net patient revenue of an institutional health care provider located in the district. In the first year in which the mandatory payment is required, the mandatory payment is assessed on the net patient revenue of an institutional health care provider as determined by the data reported to the Department of State Health Services under Sections 311.032 and 311.033 in the fiscal year ending in 2010. The district shall update the amount of the mandatory payment on a biennial basis.

(b) The amount of a mandatory payment required under this chapter must be uniformly proportionate with the amount of net patient revenue generated by each paying hospital in the district. A mandatory payment required under this section may not hold harmless any institutional health care provider, as required under 42 U.S.C. Section 1396b(w).

(c) The commission of a district shall set the amount of the mandatory payment required under this section. The amount of the mandatory payment required of each paying hospital may not exceed an amount that, when added to the amount of the mandatory payments required from all other paying hospitals in the district, equals an amount of revenue that exceeds six percent of the aggregate net patient revenue of all paying hospitals in the district.

(d) Subject to the maximum amount prescribed by Subsection (c), the commission shall set the mandatory payments in amounts that in the aggregate will generate sufficient revenue to cover the administrative expenses of the district, to fund the nonfederal share of a Medicaid supplemental payment program, and to pay for indigent programs, except that the amount of revenue from mandatory payments used for administrative expenses of the district in a year may not exceed the lesser of four percent of the total revenue generated from the mandatory payment or $20,000.

(e) An institutional health care provider may not add a mandatory payment required under this section as a surcharge to a patient.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Sec. 288.202. ASSESSMENT AND COLLECTION OF MANDATORY PAYMENTS.
(a) Except as provided by Subsection (b), the county tax assessor-collector shall collect a mandatory payment required under this subchapter. The county tax assessor-collector shall charge and deduct from mandatory payments collected for the district a fee for collecting the mandatory payment in an amount determined by the commission, not to exceed the county tax assessor-collector's usual and customary charges.
(b) If determined by the commission to be appropriate, the commission may contract for the assessment and collection of mandatory payments in the manner provided by Title 1, Tax Code, for the assessment and collection of ad valorem taxes.
(c) Revenue from a fee charged by a county tax assessor-collector for collecting the mandatory payment shall be deposited in the county general fund and, if appropriate, shall be reported as fees of the county tax assessor-collector.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 15, eff. June 14, 2013.

Sec. 288.203. DEPOSIT OF REVENUE FROM MANDATORY PAYMENTS.
Revenue from the mandatory payment required by this chapter shall be deposited in the district's local provider participation fund.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 16, eff. June 14, 2013.

Sec. 288.204. INTEREST, PENALTIES, AND DISCOUNTS. Interest,
penalties, and discounts on mandatory payments required under this subchapter are governed by the law applicable to county ad valorem taxes.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 17, eff. June 14, 2013.

Sec. 288.205. PURPOSE; CORRECTION OF INVALID PROVISION OR PROCEDURE. (a) The purpose of this chapter is to generate revenue from a mandatory payment required by the district to provide the nonfederal share of a Medicaid supplemental payment program.
(b) To the extent any provision or procedure under this chapter causes a mandatory payment under this chapter to be ineligible for federal matching funds, the district may provide by rule for an alternative provision or procedure that conforms to the requirements of the federal Centers for Medicare and Medicaid Services.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 1369 (S.B. 1623), Sec. 18, eff. June 14, 2013.

CHAPTER 289. COUNTY HEALTH CARE FUNDING DISTRICTS IN CERTAIN COUNTIES LOCATED ON TEXAS-MEXICO BORDER THAT HAVE POPULATION OF LESS THAN 300,000
SUBCHAPTER A. GENERAL PROVISIONS
Sec. 289.001. DEFINITIONS. In this chapter:
(1) "Commission" means the commission of a district created under this chapter.
(2) "District" means a county health care funding district created by this chapter.
(3) "District taxpayer" means a person or entity who has paid a tax imposed under this chapter.
(4) "Institutional health care provider" means a nonpublic hospital licensed under Chapter 241.
Sec. 289.002. CREATION OF DISTRICT. A district is created in each county located on the Texas-Mexico border that has a population of less than 300,000 and contains one or more municipalities with a population of 200,000 or more.

Sec. 289.003. DURATION OF DISTRICT. (a) Unless continued in existence by the legislature, a district created by this chapter is abolished September 1, 2007.

(b) Any money held by a district at the time the district is abolished shall be used to pay any outstanding administrative expenses of the district, and the commission shall direct the secretary of the commission to return the pro rata share of any remaining district money to each district taxpayer.

Sec. 289.004. POLITICAL SUBDIVISION. A district created by this chapter is a political subdivision of this state.

Sec. 289.005. DISTRICT TERRITORY. The boundaries of each district are coextensive with the boundaries of the county in which the district is created.
Sec. 289.051. COMMISSION; APPOINTMENT. (a) Each district is governed by a commission of five members appointed as provided by this section.

(b) Each county commissioner on the commissioners court of the county in which the district is located shall appoint one member who meets the qualifications prescribed by Section 289.052 to serve on the commission. The county judge of the county shall appoint any remaining members who meet the qualifications prescribed by Section 289.052 to serve on the commission.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.052. QUALIFICATION OF MEMBERS OF COMMISSION. To be eligible to serve as a member of the commission, a person must:

(1) be a United States citizen;

(2) be 18 years of age or older on the first day of the term that the person is appointed to fill;

(3) have not been determined mentally incompetent by a final judgment of a court;

(4) have not been finally convicted of a felony from which the person has not been pardoned or otherwise released from the resulting disabilities;

(5) have resided continuously in this state for 12 months and in the county in which the district is located for six months immediately preceding the date of the appointment; and

(6) be a person knowledgeable in the field of health care.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.053. TERM OF MEMBERS OF COMMISSION. The members of the commission serve staggered two-year terms.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Sec. 289.054. VACANCY. (a) If a vacancy occurs on the commission, the commissioners court of the county in which the district is located shall appoint a qualified person to fill the vacancy not later than the 30th day after the date the vacancy occurs.

(b) If the commissioners court of the county in which the district is located does not appoint a member to the commission to fill a vacancy by the 30th day after the date the vacancy occurs, the remaining members of the commission may, by vote of the commission, appoint a replacement.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.055. OFFICERS. (a) Each commission shall elect a chairperson and a secretary from among its members.

(b) The chairperson and secretary shall each serve in that office until the expiration of their term as a member of the commission.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.056. COMPENSATION; EXPENSES. A member of the commission serves without compensation but may, on the approval of the entire commission, be reimbursed for actual expenses incurred in the performance of the member's official duties.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.057. EMPLOYEES AND INDEPENDENT CONTRACTORS. The commission may employ an attorney, financial advisor, and bookkeeper for the district or contract for those services.
Sec. 289.058. MAINTENANCE OF RECORDS; PUBLIC INSPECTION. Except as otherwise provided by law, all district records, including books, accounts, notices, minutes, and all other matters of the district and the operation of its facilities, shall be:
   (1) maintained at the district office; and
   (2) open to public inspection at the district office during reasonable hours.

Sec. 289.101. LIMITATION ON TAXING AUTHORITY. Each district may impose taxes only in the manner provided by this chapter.

Sec. 289.102. MAJORITY VOTE REQUIRED. (a) A district may not impose any tax authorized by this chapter, spend any money, including for the administrative expenses of the district, or conduct any other business of the commission without an affirmative vote of a majority of the members of the commission.

   (b) Before imposing a tax under this chapter in any one year, the commission must obtain the affirmative vote required by Subsection (a).

Sec. 289.103. ELECTION REQUIRED FOR CERTAIN EXPENDITURES. (a) In addition to the majority vote required under Section 289.102, a district may not spend any money of the district unless the district receives the approval of at least 95 percent of the district
taxpayers.

(b) This section does not apply to expenditures related to the administrative matters of the district.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.104. RULES AND PROCEDURES. (a) The commission may adopt rules governing the operation of the district, including rules relating to the administration of a tax authorized by this chapter.

(b) In order to implement the requirements of Sections 289.102 and 289.103, the commission shall adopt any necessary procedures.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.105. PURCHASING AND ACCOUNTING PROCEDURES. (a) The commission may prescribe the method and manner for making purchases and expenditures by the district.

(b) The commission shall prescribe:

(1) all accounting and control procedures; and

(2) the method of purchasing necessary supplies, materials, and equipment.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.106. INSTITUTIONAL HEALTH CARE PROVIDER REPORTING; INSPECTION OF RECORDS. (a) A district shall require an institutional health care provider to submit to the district a copy of any financial and utilization data required by and reported to the Department of State Health Services under Sections 311.032 and 311.033 and any rules adopted by the department to implement those sections.

(b) A district may inspect the records of an institutional health care provider to the extent necessary to ensure that the provider has submitted all required data under this section.
Sec. 289.107. AUTHORITY TO SUE AND BE SUED. Each district may sue and be sued in its own name in any court of this state as a governmental agency.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

Sec. 289.151. BUDGET. (a) Each year, the commission shall prepare a budget for the following fiscal year that includes:
(1) proposed expenditures and disbursements;
(2) estimated receipts and collections; and
(3) the rates and amounts of any taxes that the commission intends to impose during the year.

(b) The commission shall hold a public hearing on the proposed budget. Not later than the 10th day before the date of the hearing, the commission shall publish at least once notice of the hearing in a newspaper of general circulation in the county in which the district is located.

(c) Any district taxpayer is entitled to appear at the time and place designated in the public notice and to be heard regarding any item shown in the proposed budget.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.152. FISCAL YEAR. Each district's fiscal year begins on September 1 and ends on August 31 of each year.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.153. ANNUAL AUDIT. (a) For each fiscal year, each commission shall have an independent audit made of the district's
books and records.

(b) Not later than December 31 of each year, the audit made for a district shall be filed with the comptroller and at the office of the district.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.154. DEPOSITORY. (a) Each commission by resolution shall designate one or more banks located in the district as the depository for the district. A bank designated as depository serves for two years or until a successor is designated.

(b) All income received by a district, including tax revenue after deducting discounts and fees for assessing and collecting the taxes, shall be deposited with the district depository and may be withdrawn only as provided by this chapter.

(c) All district funds shall be secured in the manner provided for securing county funds.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

SUBCHAPTER E. TAXES

Sec. 289.201. TAX ON OUTPATIENT SERVICES. (a) The commission of a district may impose an annual tax to be assessed quarterly on all outpatient hospital visits to an institutional health care provider located in the district. In the first year in which the tax is imposed, the tax is assessed on the total number of outpatient hospital visits of an institutional health care provider reported to the Department of State Health Services under Sections 311.032 and 311.033 in the fiscal year ending in 2003. The district shall update this tax basis with the number of outpatient hospital visits reported on a biennial basis.

(b) A tax imposed under this section must be imposed uniformly on each institutional health care provider of outpatient hospital services located in the district. A tax imposed under this section also may not hold harmless any institutional health care provider of outpatient hospital services, as required under 42 U.S.C. Section 1396b(w).
(c) The commission shall set the rate of the tax imposed under this section. The rate may not exceed $100 for each outpatient hospital visit.

(d) Subject to the maximum tax rate prescribed by Subsection (c), the commission shall set the rate of the tax at a rate that will generate sufficient revenue to cover the administrative expenses of the district, to fund the nonfederal share of a Medicaid supplemental payment program, and to pay for indigent programs, except that the amount of tax revenue used for administrative expenses of the district in a year may not exceed the lesser of four percent of the total revenue generated from the tax or $20,000.

(e) An institutional health care provider may not add a tax imposed under this section as a surcharge to a patient.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.202. ASSESSMENT AND COLLECTION OF TAXES. (a) Except as provided by Subsection (b), the county tax assessor-collector shall collect a tax imposed under this subchapter unless the commission employs a tax assessor and collector for the district. The county tax assessor-collector shall charge and deduct from taxes collected for the district a fee for collecting the tax in an amount determined by the commission, not to exceed the county tax assessor-collector's usual and customary charges for the collection of similar taxes.

(b) If determined by the commission to be appropriate, the commission may contract for the assessment and collection of taxes in the manner provided by Title 1, Tax Code, for the assessment and collection of ad valorem taxes.

(c) Revenue from a fee charged by a county tax assessor-collector for collecting the tax shall be deposited in the county general fund and, if appropriate, shall be reported as fees of the county tax assessor-collector.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.203. USE OF TAX REVENUE. Revenue generated by a
district from a tax imposed under this subchapter may be used only to:

(1) provide the nonfederal share of a Medicaid supplemental payment program;

(2) subsidize indigent programs; and

(3) pay administrative expenses of the district.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.204. INTEREST, PENALTIES, AND DISCOUNTS. Interest, penalties, and discounts on taxes imposed under this subchapter are governed by the law applicable to county ad valorem taxes.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.205. PURPOSE; CORRECTION OF INVALID PROVISION OR PROCEDURE. (a) The purpose of this chapter is to generate revenue from a tax imposed by the district to provide the nonfederal share of a Medicaid supplemental payment program.

(b) To the extent any provision or procedure under this chapter causes a tax under this chapter to be ineligible for federal matching funds, the district may provide by rule for an alternative provision or procedure that conforms to the requirements of the federal Centers for Medicare and Medicaid Services.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 289.206. ELECTION REQUIRED FOR CERTAIN PROVISIONS OR PROCEDURES. (a) In order to amend any provision or procedure set out in this chapter, the district must obtain the approval of at least 95 percent of the institutional health care providers potentially subject to the tax.

(b) This section does not apply to rules or procedures related to the daily administrative matters of the district.
CHAPTER 290. COUNTY HEALTH CARE FUNDING DISTRICTS
IN CERTAIN COUNTIES WITH POPULATION OF
1.8 MILLION OR LESS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 290.001. DEFINITIONS. In this chapter:
(1) "Commission" means the commission of a district created under this chapter.
(2) "District" means a county health care funding district created by this chapter.
(3) "District taxpayer" means a person or entity who has paid a tax imposed under this chapter.
(4) "Institutional health care provider" means a nonpublic hospital licensed under Chapter 241.

Sec. 290.002. CREATION OF DISTRICT. A district is created in each county that has a population of 1.8 million or less and in which a municipality with a population of 1.1 million or more is predominantly located.

Sec. 290.003. DURATION OF DISTRICT. (a) Unless continued in existence by the legislature, a district created by this chapter is abolished September 1, 2007.
(b) Any money held by a district at the time the district is abolished shall be used to pay any outstanding administrative expenses of the district, and the commission shall direct the secretary of the commission to return the pro rata share of any
remaining district money to each district taxpayer.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.004. POLITICAL SUBDIVISION. A district created by this chapter is a political subdivision of this state.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.005. DISTRICT TERRITORY. The boundaries of each district are coextensive with the boundaries of the county in which the district is created.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

SUBCHAPTER B. DISTRICT ADMINISTRATION

Sec. 290.051. COMMISSION; APPOINTMENT. (a) Each district is governed by a commission of five members appointed as provided by this section.

(b) Each county commissioner on the commissioners court of the county in which the district is located shall appoint one member who meets the qualifications prescribed by Section 290.052 to serve on the commission. The county judge of the county shall appoint any remaining members who meet the qualifications prescribed by Section 290.052 to serve on the commission.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.052. QUALIFICATION OF MEMBERS OF COMMISSION. To be eligible to serve as a member of the commission, a person must:

(1) be a United States citizen;
(2) be 18 years of age or older on the first day of the term that the person is appointed to fill;
(3) have not been determined mentally incompetent by a final judgment of a court;
(4) have not been finally convicted of a felony from which the person has not been pardoned or otherwise released from the resulting disabilities;
(5) have resided continuously in this state for 12 months and in the county in which the district is located for six months immediately preceding the date of the appointment; and
(6) be a person knowledgeable in the field of health care.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.053. TERM OF MEMBERS OF COMMISSION. The members of the commission serve staggered two-year terms.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.054. VACANCY. (a) If a vacancy occurs on the commission, the commissioners court of the county in which the district is located shall appoint a qualified person to fill the vacancy not later than the 30th day after the date the vacancy occurs.

(b) If the commissioners court of the county in which the district is located does not appoint a member to the commission to fill a vacancy by the 30th day after the date the vacancy occurs, the remaining members of the commission may, by vote of the commission, appoint a replacement.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.055. OFFICERS. (a) Each commission shall elect a chairperson and a secretary from among its members.

(b) The chairperson and secretary shall each serve in that office until the expiration of their term as a member of the commission.
Sec. 290.056. COMPENSATION; EXPENSES. A member of the commission serves without compensation but may, on the approval of the entire commission, be reimbursed for actual expenses incurred in the performance of the member's official duties.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.057. EMPLOYEES AND INDEPENDENT CONTRACTORS. The commission may employ an attorney, financial advisor, and bookkeeper for the district or contract for those services.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.058. MAINTENANCE OF RECORDS; PUBLIC INSPECTION. Except as otherwise provided by law, all district records, including books, accounts, notices, minutes, and all other matters of the district and the operation of its facilities, shall be:

(1) maintained at the district office; and
(2) open to public inspection at the district office during reasonable hours.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

SUBCHAPTER C. POWERS AND DUTIES

Sec. 290.101. LIMITATION ON TAXING AUTHORITY. Each district may impose taxes only in the manner provided by this chapter.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Sec. 290.102. MAJORITY VOTE REQUIRED. (a) A district may not impose any tax authorized by this chapter, spend any money, including for the administrative expenses of the district, or conduct any other business of the commission without an affirmative vote of a majority of the members of the commission.

(b) Before imposing a tax under this chapter in any one year, the commission must obtain the affirmative vote required by Subsection (a).

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.103. ELECTION REQUIRED FOR CERTAIN EXPENDITURES. (a) In addition to the majority vote required under Section 290.102, a district may not spend any money of the district unless the district receives the approval of at least 95 percent of the district taxpayers.

(b) This section does not apply to expenditures related to the administrative matters of the district.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.104. RULES AND PROCEDURES. (a) The commission may adopt rules governing the operation of the district, including rules relating to the administration of a tax authorized by this chapter.

(b) In order to implement the requirements of Sections 290.102 and 290.103, the commission shall adopt any necessary procedures.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.105. PURCHASING AND ACCOUNTING PROCEDURES. (a) The commission may prescribe the method and manner for making purchases and expenditures by the district.

(b) The commission shall prescribe:
(1) all accounting and control procedures; and
(2) the method of purchasing necessary supplies, materials,
and equipment.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.106. INSTITUTIONAL HEALTH CARE PROVIDER REPORTING; INSPECTION OF RECORDS. (a) A district shall require an institutional health care provider to submit to the district a copy of any financial and utilization data required by and reported to the Department of State Health Services under Sections 311.032 and 311.033 and any rules adopted by the department to implement those sections.

(b) A district may inspect the records of an institutional health care provider to the extent necessary to ensure that the provider has submitted all required data under this section.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.107. AUTHORITY TO SUE AND BE SUED. Each district may sue and be sued in its own name in any court of this state as a governmental agency.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

Sec. 290.151. BUDGET. (a) Each year, the commission shall prepare a budget for the following fiscal year that includes:

(1) proposed expenditures and disbursements;
(2) estimated receipts and collections; and
(3) the rates and amounts of any taxes that the commission intends to impose during the year.

(b) The commission shall hold a public hearing on the proposed budget. Not later than the 10th day before the date of the hearing, the commission shall publish at least once notice of the hearing in a newspaper of general circulation in the county in which the district is located.
(c) Any district taxpayer is entitled to appear at the time and place designated in the public notice and to be heard regarding any item shown in the proposed budget.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.152. FISCAL YEAR. Each district's fiscal year begins on September 1 and ends on August 31 of each year.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.153. ANNUAL AUDIT. (a) For each fiscal year, each commission shall have an independent audit made of the district's books and records.

(b) Not later than December 31 of each year, the audit made for a district shall be filed with the comptroller and at the office of the district.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.154. DEPOSITORY. (a) Each commission by resolution shall designate one or more banks located in the district as the depository for the district. A bank designated as depository serves for two years or until a successor is designated.

(b) All income received by a district, including tax revenue after deducting discounts and fees for assessing and collecting the taxes, shall be deposited with the district depository and may be withdrawn only as provided by this chapter.

(c) All district funds shall be secured in the manner provided for securing county funds.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.
Sec. 290.201. TAX ON EMERGENCY ROOM SERVICES. (a) The commission of a district may impose an annual tax to be assessed quarterly on all emergency room visits to an institutional health care provider located in the district. In the first year in which the tax is imposed, the tax is assessed on the total number of emergency room visits of an institutional health care provider reported to the Department of State Health Services under Sections 311.032 and 311.033 in the fiscal year ending in 2003. The district shall update this tax basis with the number of emergency room visits reported on a biennial basis.

(b) A tax imposed under this section must be imposed uniformly on each institutional health care provider of emergency room services located in the district. A tax imposed under this section also may not hold harmless any institutional health care provider of emergency room services, as required under 42 U.S.C. Section 1396b(w).

(c) The commission shall set the rate of the tax imposed under this section. The rate may not exceed $100 for each emergency room visit.

(d) Subject to the maximum tax rate prescribed by Subsection (c), the commission shall set the rate of the tax at a rate that will generate sufficient revenue to cover the administrative expenses of the district, to fund the nonfederal share of a Medicaid supplemental payment program, and to pay for indigent programs, except that the amount of tax revenue used for administrative expenses of the district in a year may not exceed the lesser of four percent of the total revenue generated from the tax or $20,000.

(e) An institutional health care provider may not add a tax imposed under this section as a surcharge to a patient.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.202. ASSESSMENT AND COLLECTION OF TAXES. (a) Except as provided by Subsection (b), the county tax assessor-collector shall collect any tax imposed under this subchapter unless the commission employs a tax assessor and collector for the district. The county tax assessor-collector shall charge and deduct from taxes collected for the district a fee for collecting the tax in an amount
determined by the commission, not to exceed the county tax assessor-collector's usual and customary charges for the collection of similar taxes.

(b) If determined by the commission to be appropriate, the commission may contract for the assessment and collection of taxes in the manner provided by Title 1, Tax Code, for the assessment and collection of ad valorem taxes.

(c) Revenue from a fee charged by a county tax assessor-collector for collecting the tax shall be deposited in the county general fund and, if appropriate, shall be reported as fees of the county tax assessor-collector.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.203. USE OF TAX REVENUE. Revenue generated by a district from a tax imposed under this subchapter may be used only to:

(1) provide the nonfederal share of a Medicaid supplemental payment program;
(2) subsidize indigent programs; and
(3) pay administrative expenses of the district.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.204. INTEREST, PENALTIES, AND DISCOUNTS. Interest, penalties, and discounts on taxes imposed under this subchapter are governed by the law applicable to county ad valorem taxes.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.205. PURPOSE; CORRECTION OF INVALID PROVISION OR PROCEDURE. (a) The purpose of this chapter is to generate revenue from a tax imposed by the district to provide the nonfederal share of a Medicaid supplemental payment program.

(b) To the extent any provision or procedure under this chapter
causes a tax under this chapter to be ineligible for federal matching funds, the district may provide by rule for an alternative provision or procedure that conforms to the requirements of the federal Centers for Medicare and Medicaid Services.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

Sec. 290.206. ELECTION REQUIRED FOR CERTAIN PROVISIONS OR PROCEDURES. (a) In order to amend any provision or procedure set out in this chapter, the district must obtain the approval of at least 95 percent of the institutional health care providers potentially subject to the tax.

(b) This section does not apply to rules or procedures related to the daily administrative matters of the district.

Added by Acts 2005, 79th Leg., Ch. 1367 (H.B. 2463), Sec. 1, eff. June 18, 2005.

SUBTITLE E. COOPERATIVE ASSOCIATIONS
CHAPTER 301. COOPERATIVE ASSOCIATIONS
SUBCHAPTER A. HOSPITAL LAUNDRY COOPERATIVE ASSOCIATIONS
Sec. 301.001. DEFINITIONS. In this subchapter:
(1) "Eligible institution" means an entity engaged in health-related pursuits that, except for cooperative associations, is exempt from federal income tax and includes only:
(A) a municipality;
(B) a political subdivision of the state;
(C) a state-supported health-related institution, including:
   (i) The Texas A&M University System;
   (ii) The University of Texas System; and
   (iii) Texas Woman's University;
(D) a nonprofit health-related institution; or
(E) a cooperative association created under Subchapter B, a unit of which is located in a county with a population of more than 3.3 million.
(2) "Laundry system" includes:
(A) buildings in which soiled or infected clothing,
uniforms, or linens are laundered;
(B) land and interests in land as sites for buildings
or access to buildings;
(C) equipment and appliances for a laundry operation;
(D) supplies for a laundry operation;
(E) clothing, uniforms, and linens;
(F) automotive and other personal property appropriate
for delivery and pickup services; and
(G) other property and equipment incidental or
appropriate to the operation of laundry facilities.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1163 (H.B. 2702), Sec. 43, eff.
September 1, 2011.

Sec. 301.002. CREATION OF HOSPITAL LAUNDRY COOPERATIVE
ASSOCIATION. (a) Eligible institutions may create a hospital
laundry cooperative association to establish, operate, and maintain a
laundry system on a nonprofit, cooperative basis solely for the use
and benefit of eligible institutions.
(b) An association is created under the terms prescribed by the
governing bodies of the respective eligible institutions.
(c) An association created under this subchapter shall include
as part of its name "Hospital Laundry Cooperative Association."

Sec. 301.003. ARTICLES OF INCORPORATION. (a) Eligible
institutions creating a hospital laundry cooperative association may
file articles of incorporation under the general corporation law of
this state, including the Texas Business Corporation Act.
(b) An association incorporated as provided by this section is
governed by the law under which it is incorporated except to the
extent that that law conflicts with this subchapter.

Sec. 301.004. USE OF PUBLIC FUNDS PROHIBITED. Public funds appropriated to a state department or to a state institution may not be used to create a hospital laundry cooperative association under this subchapter.

Sec. 301.005. MEMBERSHIP; MEMBERSHIP PRIVILEGES; EXPULSION OF MEMBERS. (a) An eligible institution may be elected to membership in a hospital laundry cooperative association by:

(1) the organizers of the association at the time of organization; or

(2) the board of directors of the association according to the association's bylaws.

(b) Only an eligible institution may become a member of an association created under this subchapter.

(c) A membership certificate is transferable only to an eligible institution in the manner provided by the rules prescribed in the bylaws.

(d) Each member has voting rights in the management of an association as prescribed in the bylaws.

(e) A member may be suspended or expelled for misconduct under the rules prescribed in the bylaws.

(f) An association shall pay an expelled member for cancellation of the membership if the member's contractual obligations pledged to the payment of the association's notes, bonds, or other obligations have been fully paid or other provision has been made. The amount and date of payment are as prescribed in the bylaws.

(g) Amounts paid or property conveyed or transferred to an association by an expelled member and not required to be returned to the member under Subsection (f) may be retained by the association. Facilities or property acquired by the association remains the property of the association and the expelled member does not have a lien or other right to the facilities or property.

Sec. 301.006. MEMBERSHIP NOT REQUIRED. A component institution
of a state-supported institution is not required to be a member of a hospital laundry cooperative association created under this subchapter but may be a member of one or more associations.

Sec. 301.007. POWERS OF HOSPITAL LAUNDRY COOPERATIVE ASSOCIATION. A hospital laundry cooperative association may:

1. acquire, own, and operate a laundry system on a cooperative basis solely for the benefit of eligible institutions, regardless of whether the eligible institution is a member of the association, and may engage in activities for the benefit of eligible institutions that are necessarily related to the acquisition, ownership, operation, and maintenance of a laundry system;

2. acquire by purchase, lease, or other method land and interests in land appropriate or reasonably incidental to a laundry system and may own, hold, improve, develop, and manage land and interests in land acquired;

3. construct, improve, enlarge, and equip buildings or other structures on that land;

4. encumber or dispose of any land or interests in land, buildings, or structures owned or held by the association;

5. acquire by lease, purchase, manufacture, or other method any personal property appropriate or reasonably incidental to a laundry system, including property for the cleaning, washing, steaming, bleaching, dry cleaning, and disinfecting of all types of clothing and fabrics, and the transportation and distribution of those articles;

6. encumber and dispose of any personal property owned or held by the association;

7. acquire by purchase or other method uniforms, clothing, or linen for its members;

8. borrow or raise money without limit as to amount;

9. sell, grant security interest in, pledge, or otherwise dispose of and collect on accounts receivable, contract rights, and other choses in action; and

10. make, draw, accept, endorse, execute, and issue bonds, debentures, notes, or other obligations for money borrowed or payment of property purchased, and may secure the payment by mortgage on,
creation of security interests in, or pledge of or conveyance of assignment in trust of all or part of any property held by the association.

Sec. 301.008. COST OF SERVICES. A hospital laundry cooperative association may determine the amount to be charged for providing laundry services through its laundry system to eligible institutions.

Sec. 301.009. BONDS, NOTES, OR OTHER OBLIGATIONS. (a) A hospital laundry cooperative association may borrow money from public or private sources or issue bonds, notes, or other obligations in amounts necessary to create, enlarge, maintain, or operate a laundry system.

(b) The association shall pay bonds, notes, or other obligations of the association solely from revenue received from the operation of a laundry system or from funds specifically provided for that purpose from other sources. An association may pledge its revenues or funds to secure payment of the bonds, notes, or other obligations.

(c) Bonds, notes, or other obligations issued by an association do not constitute indebtedness of the state or of any eligible institution that is a member of the association. Holders of bonds, notes, or other obligations may not demand or enforce payment of principal of or interest on the bonds, notes, or other obligations out of funds other than those specifically pledged to secure payment of those bonds, notes, or other obligations.

Sec. 301.010. BONDS AS INVESTMENTS. Bonds issued by a hospital laundry cooperative association under this subchapter are legal and authorized investments for:

(1) a bank;

(2) a savings and loan association;
an insurance company;
(4) a fiduciary;
(5) a trustee; and
(6) a sinking fund of a municipality, county, school
district, or other political subdivision or corporation of the state
or other public fund of the state or a state agency, including the
permanent school fund.

Sec. 301.011. BONDS AS SECURITY FOR DEPOSITS. A hospital
laundry cooperative association's bonds may secure the deposits of
public funds of the state or a municipality, county, school district,
or other political subdivision or corporation of the state. The
bonds are lawful and sufficient security for those deposits in an
amount up to their face value, if accompanied by all appurtenant
unmatured coupons.

Sec. 301.012. LIABILITY TO CREDITORS. Except as provided by
this subchapter, a member of a hospital laundry cooperative
association is not liable to the association or its creditors in
excess of the amount contracted for by the member. When the contract
is paid in the amount and at the time specified in the contract, the
member's liability ceases.

Sec. 301.013. TAX EXEMPTION. (a) A hospital laundry
cooperative association created under this subchapter is not required
to pay a tax or assessment on its property or on any purchase made by
the association.

(b) Except as provided by Subsection (c), an association is not
required to pay an annual franchise tax.

(c) An association is exempt from the franchise tax imposed by
Chapter 171, Tax Code, only if the association is exempted by that
chapter.
Sec. 301.014. ANNUAL REPORT. A hospital laundry cooperative association shall file an annual report with the secretary of state showing the assets and conditions of the association's affairs.

Sec. 301.015. SURPLUS REVENUE. The directors of a hospital laundry cooperative association may, in accordance with the association's bylaws, deposit to the credit of the surplus fund any surplus revenue derived from the laundry system or divide the surplus revenue among the patrons in proportion to the patrons' respective contributions to the working capital of the association and their patronage.

Sec. 301.016. LOANS TO MEMBERS PROHIBITED. A hospital laundry cooperative association may not loan money to a member.

Sec. 301.031. DEFINITIONS. In this subchapter:

(1) "Eligible institution" means an entity engaged in health-related pursuits that, except for cooperative associations, is exempt from federal income tax and includes only:

(A) a municipality;
(B) a political subdivision of the state;
(C) a health-related institution supported by the state or federal government or by a federal department, division, or agency, including:

(i) The Texas A&M University System;
(ii) The University of Texas System;
(iii) Texas Woman's University; and
(iv) the Children's Nutrition Research Center;
(D) a nonprofit health-related institution; and
(E) a cooperative association created to provide a system, a unit of which is located in a county that has a population of more than 1.3 million and in which a municipality with a population of more than one million is primarily located, or in a county contiguous to a county having those characteristics.

(2) "System" includes all property and facilities, including buildings and land and interests in land, necessary, incidental, or appropriate to provide the following services for the benefit of members of a cooperative association:

(A) laundering services;
(B) central heating and cooling services, including steam and chilled water supply;
(C) communication services, including broadcast and other electronic communications, cable television, and transmission of X-rays, records, and documents;
(D) facilities and services for parking and traffic control, including the installation of appropriate traffic control devices on private streets;
(E) preparation, processing, delivery, and service of food, including food necessary for special diets;
(F) central administrative, financial, billing, conference, and educational services;
(G) child care services for the children of employees, consultants, students, and volunteers of cooperative association members, and temporary child care services for the children of patients and customers of those members;
(H) waste removal and disposal services of all types, including incineration and the removal, disposal, and abatement of hazardous wastes, including asbestos, lead, and other toxic substances;
(I) generation, cogeneration, purchase, sale, and pooling of energy in any form to the extent reasonably necessary to support the activities of a cooperative association;
(J) production and publication of educational or research materials;
(K) storage and warehousing services;
(L) transportation services;
(M) police and security services; and
(N) housing for employees, consultants, students,
volunteers, and patients of members of the cooperative association.

Sec. 301.032. CREATION OF COOPERATIVE ASSOCIATION. (a) Eligible institutions may create a cooperative association to establish, operate, and maintain a system on a nonprofit, cooperative basis solely for the use and benefit of eligible institutions.

(b) An association is created under the terms prescribed by the governing bodies of the respective eligible institutions.

(c) An association created under this subchapter shall include as part of its name "Cooperative Association."

Sec. 301.033. ARTICLES OF INCORPORATION. (a) Eligible institutions creating a cooperative association may prepare and file articles of incorporation under the general corporation law of this state, including the Texas Business Corporation Act.

(b) An association incorporated as provided by this section is governed by the law under which it is incorporated except to the extent that that law conflicts with this subchapter.

Sec. 301.034. USE OF PUBLIC FUNDS PROHIBITED. Public funds appropriated to a state department or to a state institution may not be used to create a cooperative association under this subchapter.

Sec. 301.035. MEMBERSHIP; MEMBERSHIP PRIVILEGES; EXPULSION OF MEMBERS. (a) An eligible institution may be elected to membership in a cooperative association by:
(1) the organizers of the association at the time of organization; or
(2) the board of directors of the association according to the association's bylaws.

(b) Only an eligible institution may become a member of an association created under this subchapter.

(c) A membership certificate is transferable only to an eligible institution in the manner provided by the rules prescribed in the bylaws.

(d) Each member has voting rights in the management of an association as prescribed in the bylaws.

(e) A member may be suspended or expelled for misconduct under the rules prescribed in the bylaws.

(f) An association shall pay an expelled member for cancellation of the membership, if the member's contractual obligations pledged to the payment of the association's notes, bonds, or other obligations have been fully paid or other provision has been made. The amount and date of payment are as prescribed in the bylaws.

(g) Amounts paid or property conveyed or transferred to an association by an expelled member and not required to be returned to the member under Subsection (f) may be retained by the association. Facilities or property acquired by the association remains the property of the association and the expelled member does not have a lien or other right to the facilities or property.

Sec. 301.036. MEMBERSHIP NOT REQUIRED. A component institution of an institution that is supported by the federal or state government or a department, division, or agency of the federal government is not required to be a member of a cooperative association created under this subchapter but may be a member of one or more associations.

Sec. 301.037. POWERS OF COOPERATIVE ASSOCIATION. To carry out the purposes of this subchapter, a cooperative association may:
(1) acquire, own, and operate a system on a cooperative basis solely for the benefit of eligible institutions, regardless of whether the eligible institution is a member of the association, and may engage in activities for the benefit of eligible institutions that are necessarily related to the acquisition, ownership, operation, and maintenance of a system;

(2) acquire by purchase, lease, or other method land and interests in land appropriate or reasonably incidental to a system and may own, hold, improve, develop, and manage any land and interests in land acquired;

(3) construct, improve, enlarge, or equip buildings or other structures on that land;

(4) encumber or dispose of any land or interests in land, buildings, or structures owned or held by the association;

(5) acquire by lease, purchase, manufacture, or other method any personal property appropriate or reasonably incidental to a system;

(6) borrow or raise money;

(7) sell, grant security interest in, pledge, or otherwise dispose of and collect on accounts receivable, contract rights, and other choses in action; and

(8) make, draw, accept, endorse, execute, and issue bonds, debentures, notes, or other obligations for money borrowed or payment of property purchased, and may secure the payment by mortgage on, creation of security interests in, or pledge of or conveyance of assignment in trust of all or part of any property held by the association.

Sec. 301.038. PROVISION OF SERVICES; COSTS. (a) A cooperative association may provide services from a system to eligible institutions and may determine the amount to be charged for providing the services.

(b) Notwithstanding Sections 301.032 and 301.037, a cooperative association may provide from a system central heating and cooling services, including steam and heated and chilled water supply, to persons other than eligible institutions and may determine the amount to be charged for providing services.
Sec. 301.039. BONDS, NOTES, OR OTHER OBLIGATIONS. (a) A cooperative association may borrow money from public or private sources or issue bonds, notes, or other obligations in amounts necessary to create, enlarge, maintain, or operate a system.

(b) The association shall pay the bonds, notes, or other obligations of the association solely from revenue received from the operation of a system or from funds specifically provided for that purpose from other sources. An association may pledge its revenues or funds to secure payment of the bonds, notes, or other obligations.

(c) Bonds, notes, or other obligations issued by an association do not constitute indebtedness of the state or of any eligible institution that is a member of the association. Holders of bonds, notes, or other obligations may not demand or enforce payment of principal of or interest on the bonds, notes, or other obligations out of funds other than those specifically pledged to secure payment of those bonds, notes, or other obligations.

Sec. 301.040. BONDS AS INVESTMENTS. Bonds issued by a cooperative association under this subchapter are legal and authorized investments for:

(1) a bank;
(2) a savings and loan association;
(3) an insurance company;
(4) a fiduciary; and
(5) a trustee.

Sec. 301.041. LIABILITY TO CREDITORS. (a) Except as provided by this subchapter, a member of a cooperative association is not liable to the association or its creditors in excess of the amount
contracted for by the member. When the contract is paid in the amount and at the time specified in the contract, the member's liability ceases.

(b) This subchapter does not authorize a state-supported health-related institution to make a financial commitment beyond the current budget period for the institution.

Sec. 301.042. TAX EXEMPTION. (a) A cooperative association created under this subchapter is not required to pay a tax or assessment on its property or on any purchase made by the association.

(b) Except as provided by Subsection (c), an association is not required to pay an annual franchise tax.

(c) An association is exempt from the franchise tax imposed by Chapter 171, Tax Code, only if the association is exempted by that chapter.

Sec. 301.043. ANNUAL REPORT. A cooperative association shall file an annual report with the secretary of state showing the assets and conditions of the association's affairs.

Sec. 301.044. SURPLUS REVENUE. The directors of a cooperative association may, in accordance with the association's bylaws, deposit to the credit of the surplus fund any surplus revenue derived from a system or divide the surplus revenue among the patrons in proportion to the patrons' respective contributions to the working capital of the association and their patronage.

Sec. 301.045. LOANS TO MEMBERS PROHIBITED. A cooperative
association may not loan money to a member.

Sec. 301.046. LIBERAL CONSTRUCTION. This subchapter shall be liberally construed.

Sec. 301.047. CONSTRUCTION OF SUBCHAPTER. (a) This subchapter does not prevent a cooperative association from:

(1) creating recourse or nonrecourse debt in the form of bonds, debentures, notes, or any other form of obligation;
(2) encumbering, mortgaging, pledging, or granting a security interest in any property of the cooperative association;
(3) refunding existing debt or obligations by any means available under this subchapter; or
(4) otherwise exercising all express or implied powers granted by Section 301.033(b), 301.037, 301.038, 301.039, or 301.044, or granted by state corporation laws.

(b) This section only clarifies the powers of cooperative associations and does not expand their powers.

Added by Acts 1993, 73rd Leg., ch. 902, Sec. 1, eff. June 19, 1993.

SUBTITLE F. POWERS AND DUTIES OF HOSPITALS
CHAPTER 311. POWERS AND DUTIES OF HOSPITALS
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 311.001. SPECIAL HOSPITAL REQUIREMENTS FOR GRADUATE OF FOREIGN MEDICAL SCHOOL PROHIBITED. (a) A hospital may not, as a condition to beginning a hospital internship or residency, require a United States citizen who resides in this state and who holds a diploma from a medical school outside the United States that is listed in the World Directory of Medical Schools published by the World Health Organization to:

(1) take an examination other than an examination required by the Texas State Board of Medical Examiners to be taken by a graduate of a medical school in the United States before allowing
that graduate to begin an internship or residency;
(2) complete a period of internship or graduate clinical training; or
(3) be certified by the Educational Council for Foreign Medical Graduates.

(b) This section applies only to a hospital that:
(1) is licensed by this state;
(2) is operated by this state or a political subdivision of this state; or
(3) receives direct or indirect state financial assistance.

Sec. 311.002. ITEMIZED STATEMENT OF BILLED SERVICES. (a) Each hospital shall develop, implement, and enforce a written policy for the billing of hospital services and supplies. The policy must include:
(1) a periodic review of the itemized statements required by Subsection (b); and
(2) a procedure for handling complaints relating to billed services.

(b) Not later than the 30th business day after the date of the hospital discharge of a person who receives hospital services, the hospital shall provide on request an itemized statement of the billed services provided to the person. The itemized statement must:
(1) be printed in a conspicuous manner;
(2) list the date services and supplies were provided;
(3) state whether:
   (A) a claim has been submitted to a third party payor; and
   (B) a third party payor has paid the claim;
(4) if payment is not required, state that payment is not required:
   (A) in a typeface that is bold-faced, capitalized, underlined, or otherwise set out from surrounding written material; or
   (B) by other reasonable means so as to be conspicuous that payment is not required; and
(5) contain the telephone number of the facility to call.
for an explanation of acronyms, abbreviations, and numbers used to
describe the services provided or supplies used or any other
questions regarding the bill.

(c) Before a person is discharged from a hospital, the hospital
shall inform the person of the availability of the statement.

(d) To be entitled to receive a statement, a person must
request the statement not later than one year after the date on which
the person is discharged from the hospital. The hospital shall
provide the statement to the person not later than the 30th day after
the date on which the person requests the statement.

(e) A hospital shall provide an itemized statement of billed
services to a third party payor who is actually or potentially
responsible for paying all or part of the billed services provided to
a patient and who has received a claim for payment of those services.
To be entitled to receive a statement, the third party payor must
request the statement from the hospital and must have received a
claim for payment. The request must be made not later than one year
after the date on which the payor received the claim for payment.
The hospital shall provide the statement to the payor not later than
the 30th day after the date on which the payor requests the
statement. If a third party payor receives a claim for payment of
part but not all of the billed services, the third party payor may
request an itemized statement of only the billed services for which
payment is claimed or to which any deduction or copayment applies.

(f) If a person, including a third party payor, requests more
than two copies of the statement, the hospital may charge a
reasonable fee for the third and subsequent copies provided to that
person. The fee may not exceed the hospital's cost to copy, process,
and deliver the copy to the person.

(g) The Texas Department of Health or other appropriate
licensing agency may enforce this section by assessing an
administrative penalty, obtaining an injunction, or providing any
other appropriate remedy, including suspending, revoking, or refusing
to renew a hospital's license.

(h) In this section, "hospital" includes:
(1) a treatment facility licensed under Chapter 464; and
(2) a mental health facility licensed under Chapter 577.

(i) This section does not apply to a hospital maintained or
operated by the federal government.
Sec. 311.0025.  AUDITS OF BILLING.  (a)  A hospital, treatment facility, mental health facility, or health care professional may not submit to a patient or a third party payor a bill for a treatment that the hospital, facility, or professional knows was not provided or knows was improper, unreasonable, or medically or clinically unnecessary.

(b)  If the appropriate licensing agency receives a complaint alleging a violation of Subsection (a), the agency may audit the billings and patient records of the hospital, treatment facility, mental health facility, or health care professional.

(c)  A hospital, treatment facility, mental health facility, or health care professional that violates Subsection (a) is subject to disciplinary action, including denial, revocation, suspension, or nonrenewal of the license of the hospital, facility, or professional. Disciplinary action taken under this section is in addition to any other civil, administrative, or criminal penalty provided by law.

(d)  In this section:

(1)  "Health care professional" means an individual licensed, certified, or regulated by a health care regulatory agency who is eligible for reimbursement for treatment ordered or rendered by that professional.

(2)  "Hospital" means a hospital licensed under Chapter 241.

(3)  "Mental health facility" means a mental health facility licensed under Chapter 577.

(4)  "Treatment facility" means a treatment facility licensed under Chapter 464.

(e)  A licensing agency may not take disciplinary action against a hospital, treatment facility, mental health facility, or health care professional for unknowing and isolated billing errors.

Added by Acts 1993, 73rd Leg., ch. 903, Sec. 2.02, eff. Aug. 30, 1993. Amended by Acts 1999, 76th Leg., ch. 1271, Sec. 1, eff. Sept.
Sec. 311.003. REIMBURSEMENT FOR INFANT TRANSPORT TO HOSPITAL NEONATAL INTENSIVE CARE UNIT. (a) A hospital that agrees to admit an infant into its level III neonatal intensive care unit shall pay for the part of the cost of transporting the infant to the hospital from any location in this state that the hospital administrator determines cannot be paid:

(1) by a member of the infant's immediate family or other person legally responsible for the infant's support through personal means; or

(2) by insurance or another benefit system that pays for transportation for that purpose.

(b) A hospital is entitled to receive state reimbursement for funds spent by the hospital under Subsection (a).

(c) The Texas Department of Health shall administer the state funds for reimbursement under this section, and may spend not more than $100,000 each fiscal year from earned federal funds or private donations to implement this section.

(d) The Texas Board of Health shall adopt rules that establish qualifications for reimbursement and provide procedures for applying for reimbursement.

(e) In this section, "level III neonatal intensive care unit" means a neonatal care unit that complies with standards adopted by the American Academy of Pediatrics.

Sec. 311.004. STANDARDIZED PATIENT RISK IDENTIFICATION SYSTEM. (a) In this section:

(1) "Department" means the Department of State Health Services.

(2) "Hospital" means a general or special hospital as defined by Section 241.003. The term includes a hospital maintained or operated by this state.

(b) The department shall coordinate with hospitals to develop a statewide standardized patient risk identification system under which a patient with a specific medical risk may be readily identified
through the use of a system that communicates to hospital personnel
the existence of that risk. The executive commissioner of the Health
and Human Services Commission shall appoint an ad hoc committee of
hospital representatives to assist the department in developing the
statewide system.

(c) The department shall require each hospital to implement and
enforce the statewide standardized patient risk identification system
developed under Subsection (b) unless the department authorizes an
exemption for the reason stated in Subsection (d).

(d) The department may exempt from the statewide standardized
patient risk identification system a hospital that seeks to adopt
another patient risk identification methodology supported by
evidence-based protocols for the practice of medicine.

(e) The department shall modify the statewide standardized
patient risk identification system in accordance with evidence-based
medicine as necessary.

(f) The executive commissioner of the Health and Human Services
Commission may adopt rules to implement this section.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 5.01,
eff. September 28, 2011.

SUBCHAPTER B. EMERGENCY SERVICES

Sec. 311.021. DEFINITION. In this subchapter, "emergency
services" means services that are usually and customarily available
at a hospital and that must be provided immediately to:

(1) sustain a person's life;
(2) prevent serious permanent disfigurement or loss or
impairment of the function of a body part or organ; or
(3) provide for the care of a woman in active labor or, if
the hospital is not equipped for that service, to provide necessary
treatment to allow the woman to travel to a more appropriate facility
without undue risk of serious harm.

Sec. 311.022. DISCRIMINATION PROHIBITED IN DENIAL OF SERVICES;
CRIMINAL PENALTIES. (a) An officer, employee, or medical staff
member of a general hospital may not deny emergency services because
a person cannot establish the person's ability to pay for the services or because of the person's race, religion, or national ancestry if:

1. The services are available at the hospital; and
2. The person is diagnosed by a licensed physician as requiring those services.

(b) An officer or employee of a general hospital may not deny a person in need of emergency services access to diagnosis by a licensed physician on the hospital staff because the person cannot establish the person's ability to pay for the services or because of the person's race, religion, or national ancestry.

(c) In addition, the person needing emergency services may not be subjected to arbitrary, capricious, or unreasonable discrimination based on age, sex, physical condition, or economic status.

(d) An officer, employee, or medical staff member of a general hospital commits an offense if that person recklessly violates this section. An offense under this subsection is a Class B misdemeanor, except that if the offense results in permanent injury, permanent disability, or death, the offense is a Class A misdemeanor.

(e) An officer, employee, or medical staff member of a general hospital commits an offense if that person intentionally or knowingly violates this section. An offense under this subsection is a Class A misdemeanor, except that if, as a direct result of the offense, a person denied emergency services dies, the offense is a felony of the third degree.

Sec. 311.023. NO LIABILITY FOR FAILURE TO PROVIDE EMERGENCY SERVICES AFTER GOOD FAITH EFFORT. An employee of a general hospital that does not have physician services available at the time of an emergency is not in violation of Section 311.022 if, after a reasonable good faith effort, a physician fails to provide or delegate the provision of medical services as required by state statutes.

Sec. 311.024. PAYMENT FOR SERVICES REQUIRED. This subchapter
does not relieve a person of that person's obligation to pay for services provided by a hospital if the person can pay for those services.

**SUBCHAPTER C. HOSPITAL DATA REPORTING AND COLLECTION SYSTEM**

Sec. 311.031. DEFINITIONS. In this subchapter:

(1) "Board" means the Texas Board of Health.

(2) "Charity care" means the unreimbursed cost to a hospital of:
   A) providing, funding, or otherwise financially supporting health care services on an inpatient or outpatient basis to a person classified by the hospital as "financially indigent" or "medically indigent"; and/or
   B) providing, funding, or otherwise financially supporting health care services provided to financially indigent persons through other nonprofit or public outpatient clinics, hospitals, or health care organizations.

(3) "Contractual allowances" means the difference between revenue at established rates and amounts realizable from third-party payors under contractual agreements.

(4) "Department" means the Texas Department of Health.

(5) "Donations" means the unreimbursed costs of providing cash and in-kind services and gifts, including facilities, equipment, personnel, and programs, to other nonprofit or public outpatient clinics, hospitals, or health care organizations.

(6) "Education-related costs" means the unreimbursed cost to a hospital of providing, funding, or otherwise financially supporting educational benefits, services, and programs including:
   A) education of physicians, nurses, technicians, and other medical professionals and health care providers;
   B) provision of scholarships and funding to medical schools, colleges, and universities for health professions education;
   C) education of patients concerning diseases and home care in response to community needs; and
   D) community health education through informational programs, publications, and outreach activities in response to community needs.
(7) "Financially indigent" means an uninsured or underinsured person who is accepted for care with no obligation or a discounted obligation to pay for the services rendered based on the hospital's eligibility system.

(8) "Government-sponsored indigent health care" means the unreimbursed cost to a hospital of providing health care services to recipients of Medicaid and other federal, state, or local indigent health care programs, eligibility for which is based on financial need.

(9) "Health care organization" means a nonprofit or public organization that provides, funds, or otherwise financially supports health care services provided to financially indigent persons.

(10) "Hospital" means:

(A) a general or special hospital licensed under Chapter 241;

B) a private mental hospital licensed under Chapter 577; and

(C) a treatment facility licensed under Chapter 464.

(11) "Hospital eligibility system" means the financial criteria and procedure used by a hospital to determine if a patient is eligible for charity care. The system shall include income levels and means testing indexed to the federal poverty guidelines; provided, however, that a hospital may not establish an eligibility system which sets the income level eligible for charity care lower than that required by counties under Section 61.023 or higher, in the case of the financially indigent, than 200 percent of the federal poverty guidelines. A hospital may determine that a person is financially or medically indigent pursuant to the hospital's eligibility system after health care services are provided.

(12) "Hospital system" means a system of local nonprofit hospitals under the common governance of a single corporate parent that are located within a radius of not more than 125 linear miles of the corporate parent.

(13) "Medically indigent" means a person whose medical or hospital bills after payment by third-party payors exceed a specified percentage of the patient's annual gross income, determined in accordance with the hospital's eligibility system, and the person is financially unable to pay the remaining bill.

(14) "Research-related costs" means the unreimbursed cost to a hospital of providing, funding, or otherwise financially
supporting facilities, equipment, and personnel for medical and clinical research conducted in response to community needs.

(15) "Subsidized health services" means those services provided by a hospital in response to community needs for which the reimbursement is less than the hospital's cost for providing the services and which must be subsidized by other hospital or nonprofit supporting entity revenue sources. Subsidized health services may include but are not limited to:

(A) emergency and trauma care;
(B) neonatal intensive care;
(C) free-standing community clinics; and
(D) collaborative efforts with local government or private agencies in preventive medicine, such as immunization programs.

(16) "Unreimbursed costs" means the costs a hospital incurs for providing services after subtracting payments received from any source for such services including but not limited to the following: third-party insurance payments; Medicare payments; Medicaid payments; Medicare education reimbursements; state reimbursements for education; payments from drug companies to pursue research; grant funds for research; and disproportionate share payments. For purposes of this definition, the term "costs" shall be calculated by applying the cost to charge ratios derived in accordance with generally accepted accounting principles for hospitals to billed charges. The calculation of the cost to charge ratios shall be based on the most recently completed and audited prior fiscal year of the hospital or hospital system. Prior to January 1, 1996, for purposes of this definition, charitable contributions and grants to a hospital, including transfers from endowment or other funds controlled by the hospital or its nonprofit supporting entities, shall not be subtracted from the costs of providing services for purposes of determining unreimbursed costs. After January 1, 1996, for purposes of this definition, charitable contributions and grants to a hospital, including transfers from endowment or other funds controlled by the hospital or its nonprofit supporting entities, shall not be subtracted from the costs of providing services for purposes of determining the unreimbursed costs of charity care and government-sponsored indigent health care.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 311.032. DEPARTMENT ADMINISTRATION OF HOSPITAL REPORTING AND COLLECTION SYSTEM. (a) The department shall establish a uniform reporting and collection system for hospital financial and utilization data.

(b) The board shall adopt necessary rules consistent with this subchapter to govern the reporting and collection of data.

Sec. 311.033. FINANCIAL AND UTILIZATION DATA REQUIRED. (a) A hospital shall submit to the department financial and utilization data for that hospital, including data relating to the hospital's:

1. total gross revenue, including:
   (A) Medicare gross revenue;
   (B) Medicaid gross revenue;
   (C) other revenue from state programs;
   (D) revenue from local government programs;
   (E) local tax support;
   (F) charitable contributions;
   (G) other third party payments;
   (H) gross inpatient revenue; and
   (I) gross outpatient revenue;

2. total deductions from gross revenue, including:
   (A) contractual allowance; and
   (B) any other deductions;

3. charity care;

4. bad debt expense;

5. total admissions, including:
   (A) Medicare admissions;
   (B) Medicaid admissions;
   (C) admissions under a local government program;
   (D) charity care admissions; and
   (E) any other type of admission;
(6) total discharges;
(7) total patient days;
(8) average length of stay;
(9) total outpatient visits;
(10) total assets;
(11) total liabilities;
(12) estimates of unreimbursed costs of subsidized health services reported separately in the following categories:
   (A) emergency care and trauma care;
   (B) neonatal intensive care;
   (C) free-standing community clinics;
   (D) collaborative efforts with local government or private agencies in preventive medicine, such as immunization programs; and
   (E) other services that satisfy the definition of "subsidized health services" contained in Section 311.031(13);
(13) donations;
(14) total cost of reimbursed and unreimbursed research;
(15) total cost of reimbursed and unreimbursed education separated into the following categories:
   (A) education of physicians, nurses, technicians, and other medical professionals and health care providers;
   (B) scholarships and funding to medical schools, colleges, and universities for health professions education;
   (C) education of patients concerning diseases and home care in response to community needs;
   (D) community health education through informational programs, publications, and outreach activities in response to community needs; and
   (E) other educational services that satisfy the definition of "education-related costs" under Section 311.031(6).

(b) The data must be based on the hospital's most recent audited financial records.

(c) The data must be submitted in the form and at the time established by the department.

(d) A hospital that does not submit to the department the data required under this section is subject to civil penalties under Section 104.043.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 311.0335.  MENTAL HEALTH AND CHEMICAL DEPENDENCY DATA.  (a)  A hospital that provides mental health or chemical dependency services shall submit to the department financial and utilization data relating to the mental health and chemical dependency services provided by the hospital, including data for inpatient and outpatient services relating to:

(1)  patient demographics, including race, ethnicity, age, gender, and county of residence;
(2)  admissions;
(3)  discharges, including length of inpatient treatment;
(4)  specific diagnoses and procedures according to criteria prescribed by the Diagnostic and Statistical Manual of Mental Disorders, 3rd Edition, Revised, or a later version prescribed by the department;
(5)  total charges and the components of the charges;
(6)  payor sources;  and
(7)  use of mechanical restraints.

(b)  The data must be submitted in the form and at the time established by the department.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 6.02, eff. Sept. 1, 1993.

Sec. 311.035.  USE OF DATA.  (a)  The department shall use the data collected under this subchapter to publish an annual report regarding:

(1)  the amount of charity care, bad debt, and other uncompensated care hospitals provide;
(2)  the use of hospital services by indigent patients;  and
(3)  the effect of indigent care services on hospitals.

(c)  The department shall enter into an interagency agreement
with the Texas Department of Mental Health and Mental Retardation, Texas Commission on Alcohol and Drug Abuse, and Texas Department of Insurance relating to the mental health and chemical dependency data collected under Section 311.0335. The agreement shall address the collection, analysis, and sharing of the data by the agencies.

Sec. 311.036. DATA VERIFICATION. (a) Before the department may publish the report required by Section 311.035 or provide data to the public in any other manner, the department shall give each hospital a copy of the preliminary report or provide the hospital an opportunity in some other manner to verify the data relating to that hospital.

(b) If a hospital does not submit corrected data before the 31st day after the date on which the hospital receives the preliminary report or other data, the department shall presume that the data is correct.

Sec. 311.037. CONFIDENTIAL DATA; CRIMINAL PENALTY. (a) The following data reported or submitted to the department under this subchapter is confidential:

(1) data regarding a specific patient; or

(2) financial data regarding a provider or facility submitted to the department before September 1, 1987. All financial data regarding a provider or facility submitted after September 1, 1987, are no longer confidential.

(b) Before the department may disclose confidential data under this subchapter, the department must remove any information that identifies a specific patient.

(c) A person commits an offense if the person:

(1) discloses, distributes, or sells confidential data obtained under this subchapter; or

(2) violates Subsection (b).

(d) An offense under Subsection (c) is a Class B misdemeanor.
Sec. 311.039. EXEMPTION. A hospital may, but is not required to, provide the data required by Section 311.033 if the hospital:

(1) is exempt from state franchise, sales, ad valorem, or other state or local taxes; and

(2) does not seek or receive reimbursement for providing health care services to patients from any source, including:

(A) the patient or any person legally obligated to support the patient;
(B) a third party payor; or
(C) Medicaid, Medicare, or any other federal, state, or local program for indigent health care.

Added by Acts 1997, 75th Leg., ch. 261, Sec. 15, eff. Sept. 1, 1997.

SUBCHAPTER D. COMMUNITY BENEFITS AND CHARITY CARE

Sec. 311.041. POLICY STATEMENT. It is the purpose of this subchapter to clarify and set forth the duties, responsibilities, and benefits that apply to hospitals for providing community benefits that include charity care.

Sec. 311.042. DEFINITIONS. In this subchapter:

(1) "Charity care" means those amounts defined as charity care in Section 311.031(2).

(2) "Community benefits" means the unreimbursed cost to a hospital of providing charity care, government-sponsored indigent health care, donations, education, government-sponsored program services, research, and subsidized health services. Community benefits does not include the cost to the hospital of paying any taxes or other governmental assessments.

(3) "Contributions" means the dollar value of cash donations and the fair market value at the time of donation of in-
kind donations to the hospital from individuals, organizations, or other entities. Contributions does not include the value of a donation designated or otherwise restricted by the donor for purposes other than charity care.

(4) "Donations" means those amounts defined as donations in Section 311.031(5).

(5) "Education-related costs" means those amounts defined as education-related costs in Section 311.031(6).

(6) "Government-sponsored indigent health care" means those amounts defined as government-sponsored indigent health care in Section 311.031(8).

(7) "Government-sponsored program unreimbursed costs" means the unreimbursed cost to the hospital of providing health care services to the beneficiaries of Medicare, the Civilian Health and Medical Program of the Uniformed Services, and other federal, state, or local government health care programs.

(8) "Net patient revenue" is an accounting term and shall be calculated in accordance with generally accepted accounting principles for hospitals.

(9)(A) "Nonprofit hospital" means a hospital that is:

(i) eligible for tax-exempt bond financing; or

(ii) exempt from state franchise, sales, ad valorem, or other state or local taxes; and

(iii) organized as a nonprofit corporation or a charitable trust under the laws of this state or any other state or country.

(B) For purposes of this subchapter, a "nonprofit hospital" shall not include a hospital that:

(i) is exempt from state franchise, sales, ad valorem, or other state or local taxes;

(ii) does not receive payment for providing health care services to any inpatients or outpatients from any source including but not limited to the patient or any person legally obligated to support the patient, third-party payors, Medicare, Medicaid, or any other federal, state, or local indigent care program; payment for providing health care services does not include charitable donations, legacies, bequests, or grants or payments for research; and

(iii) does not discriminate on the basis of inability to pay, race, color, creed, religion, or gender in its
provision of services; or

(iv) is located in a county with a population under 50,000 where the entire county or the population of the entire county has been designated as a Health Professionals Shortage Area.

(10) "Nonprofit supporting entities" means nonprofit entities created by the hospital or its parent entity to further the charitable purposes of the hospital and that are owned or controlled by the hospital or its parent entity.

(11) "Research-related costs" means those amounts defined as research-related costs in Section 311.031(12).

(12) "Tax-exempt benefits" means all of the following, calculated in accordance with standard accounting principles for hospitals for tax purposes using the applicable statutes, rules, and regulations regarding the calculation of these taxes:

   (A) the dollar amount of federal, state, and local taxes foregone by a nonprofit hospital and its nonprofit supporting entities. For purposes of this definition federal, state, and local taxes include income, franchise, ad valorem, and sales taxes;

   (B) the dollar amount of contributions received by a nonprofit hospital and its nonprofit supporting entities; and

   (C) the value of tax-exempt bond financing received by a nonprofit hospital and its nonprofit supporting entities.

(13) "Subsidized health services" means those amounts defined as subsidized health services in Section 311.031(13).

(14) "Unreimbursed costs" means costs as defined in Section 311.031(14).

(15) "Hospital system" means a system of local nonprofit hospitals under the common governance of a single corporate parent that are located within a radius of not more than 125 linear miles of the corporate parent.

Sec. 311.043. DUTY OF NONPROFIT HOSPITALS TO PROVIDE COMMUNITY BENEFITS. (a) A nonprofit hospital shall provide health care services to the community and shall comply with all federal, state, and local government requirements for tax exemption in order to maintain such exemption. These health care services to the community
shall include charity care and government-sponsored indigent health care and may include other components of community benefits as both terms are defined in Sections 311.031 and 311.042.

(b) In order to qualify as a charitable organization under Sections 11.18(d)(1), 151.310(a)(2) and (e), and 171.063(a)(1), Tax Code, and to satisfy the requirements of this subchapter, a nonprofit hospital shall provide community benefits, which include charity care and government-sponsored indigent health care, in an amount that satisfies the requirements of Section 311.045. A determination of the amount of charity care and government-sponsored indigent health care provided by a hospital shall be based on the most recently completed and audited prior fiscal year of the hospital.

(c) Reductions in the amount of community benefits, which includes charity care and government-sponsored indigent health care, provided by a nonprofit hospital shall be considered reasonable when the financial reserves of the hospital are reduced to such a level that the hospital would be in violation of any applicable bond covenants, when necessary to prevent the hospital from endangering its ability to continue operations, or if the hospital, as a result of a natural or other disaster, is required substantially to curtail its operations.

(d) A hospital's admissions policy must provide for the admission of financially indigent and medically indigent persons pursuant to its charity care requirements as set forth in this subchapter.

Added by Acts 1993, 73rd Leg., ch. 360, Sec. 4, eff. Sept. 1, 1993.

Sec. 311.044. COMMUNITY BENEFITS PLANNING BY NONPROFIT HOSPITALS. (a) A nonprofit hospital shall develop:

1. an organizational mission statement that identifies the hospital's commitment to serving the health care needs of the community; and

2. a community benefits plan defined as an operational plan for serving the community's health care needs that sets out goals and objectives for providing community benefits that include charity care and government-sponsored indigent health care, as the terms community benefits, charity care, and government-sponsored indigent health care are defined by Sections 311.031 and 311.042, and
that identifies the populations and communities served by the hospital.

(b) When developing the community benefits plan, the hospital shall consider the health care needs of the community as determined by community-wide needs assessments. For purposes of this subsection, "community" means the primary geographic area and patient categories for which the hospital provides health care services; provided, however, that the primary geographic area shall at least encompass the entire county in which the hospital is located.

(c) The hospital shall include at least the following elements in the community benefits plan:

(1) mechanisms to evaluate the plan's effectiveness, including but not limited to a method for soliciting the views of the communities served by the hospital;

(2) measurable objectives to be achieved within a specified time frame; and

(3) a budget for the plan.

(d) In determining the community-wide needs assessment required by Subsection (b), a nonprofit hospital shall consider consulting with and seeking input from representatives of the following entities or organizations located in the community as defined by Subsection (b):

(1) the local health department;

(2) the public health region under Chapter 121;

(3) the public health district;

(4) health-related organizations, including a health professional association or hospital association;

(5) health science centers;

(6) private business;

(7) consumers;

(8) local governments; and

(9) insurance companies and managed care organizations with an active market presence in the community.

(e) Representatives of a nonprofit hospital shall consider meeting with representatives of the entities and organizations listed in Subsection (d) to assess the health care needs of the community and population served by the nonprofit hospital.

Added by Acts 1993, 73rd Leg., ch. 360, Sec. 4, eff. Sept. 1, 1993. Amended by Acts 1997, 75th Leg., ch. 1101, Sec. 1, eff. Sept. 1,
Sec. 311.045. COMMUNITY BENEFITS AND CHARITY CARE REQUIREMENTS.
(a) A nonprofit hospital or hospital system shall annually satisfy the requirements of this subchapter and of Sections 11.18(d)(1), 151.310(a)(2) and (e), and 171.063(a)(1), Tax Code, to provide community benefits which include charity care and government-sponsored indigent health care by complying with one or more of the standards set forth in Subsection (b). The hospital or hospital system shall file a statement with the Bureau of State Health Data and Policy Analysis at the department and the chief appraiser of the local appraisal district no later than the 120th day after the hospital's or hospital system's fiscal year ends, stating which of the standards in Subsection (b) have been satisfied, provided, however, that the first report shall be filed no later than the 120th day after the end of the hospital's or hospital system's fiscal year ending during 1994. For hospitals in a hospital system, the corporate parent may elect to satisfy the charity care requirements of this subchapter for each of the hospitals within the system on a consolidated basis.

(b)(1) A nonprofit hospital or hospital system may elect to provide community benefits, which include charity care and government-sponsored indigent health care, according to any of the following standards:

(A) charity care and government-sponsored indigent health care are provided at a level which is reasonable in relation to the community needs, as determined through the community needs assessment, the available resources of the hospital or hospital system, and the tax-exempt benefits received by the hospital or hospital system;

(B) charity care and government-sponsored indigent health care are provided in an amount equal to at least 100 percent of the hospital's or hospital system's tax-exempt benefits, excluding federal income tax; or

(C) charity care and community benefits are provided in a combined amount equal to at least five percent of the hospital's or hospital system's net patient revenue, provided that charity care and government-sponsored indigent health care are provided in an amount equal to at least four percent of net patient revenue.
(2) For purposes of satisfying Subdivision (1)(C), a hospital or hospital system may not change its existing fiscal year unless the hospital or hospital system changes its ownership or corporate structure as a result of a sale or merger.

(3) A nonprofit hospital that has been designated as a disproportionate share hospital under the state Medicaid program in the current fiscal year or in either of the previous two fiscal years shall be considered to have provided a reasonable amount of charity care and government-sponsored indigent health care and shall be deemed in compliance with the standards in this subsection.

(c) The providing of charity care and government-sponsored indigent health care in accordance with Subsection (b)(1)(A) shall be guided by the prudent business judgment of the hospital which will ultimately determine the appropriate level of charity care and government-sponsored indigent health care based on the community needs, the available resources of the hospital, the tax-exempt benefits received by the hospital, and other factors that may be unique to the hospital, such as the hospital's volume of Medicare and Medicaid patients. These criteria shall not be determinative factors, but shall be guidelines contributing to the hospital's decision, along with other factors which may be unique to the hospital. The standards set forth in Subsections (b)(1)(B) and (b)(1)(C) shall also not be considered determinative of the amount of charity care and government-sponsored indigent health care that will be considered reasonable under Subsection (b)(1)(A).

(d) For purposes of this section, a hospital that satisfies Subsection (b)(1)(A) or (b)(3) shall be excluded in determining a hospital system's compliance with the standards provided by Subsection (b)(1)(B) or (b)(1)(C).

(e) In any fiscal year that a hospital or hospital system, through unintended miscalculation, fails to meet any of the standards in Subsection (b), the hospital or hospital system shall not lose its tax-exempt status without the opportunity to cure the miscalculation in the fiscal year following the fiscal year the failure is discovered by both meeting one of the standards and providing an additional amount of charity care and government-sponsored indigent health care that is equal to the shortfall from the previous fiscal year. A hospital or hospital system may apply this provision only once every five years.

(f) A nonprofit hospital or hospital system under contract with
a local county to provide indigent health care services under Chapter 61 may credit unreimbursed costs from direct care provided to an eligible county resident toward meeting the nonprofit hospital's or system's charity care and government-sponsored indigent health care requirement.

Sec. 311.0455. ANNUAL REPORT BY THE DEPARTMENT. (a) The department shall submit to the attorney general and comptroller not later than July 1 of each year a report listing each nonprofit hospital or hospital system that did not meet the requirements of Section 311.045 during the preceding fiscal year.

(b) The department shall submit to the attorney general and the comptroller not later than November 1 of each year a report containing the following information for each nonprofit hospital or hospital system during the preceding fiscal year:

(1) the amount of charity care, as defined by Section 311.031, provided;
(2) the amount of government-sponsored indigent health care, as defined by Section 311.031, provided;
(3) the amount of community benefits, as defined by Section 311.042, provided;
(4) the amount of net patient revenue, as defined by Section 311.042, and the amount constituting four percent of net patient revenue;
(5) the dollar amount of the hospital's or hospital system's charity care and community benefits requirements met;
(6) a computation of the percentage by which the amount described by Subdivision (5) is above or below the dollar amount of the hospital's or hospital system's charity care and community benefits requirements;
(7) the amount of tax-exempt benefits, as defined by Section 311.042, provided, if the hospital is required to report tax-exempt benefits under Section 311.045(b)(1)(A) or (b)(1)(B); and
(8) the amount of charity care expenses reported in the hospital's or hospital system's audited financial statement.

(c) The department shall make the report required by Subsection (b) available to the public and shall issue a press release concerning the availability of the report.

(d) For purposes of Subsection (b), "nonprofit hospital" includes the following if the hospital is not located in a county with a population under 50,000 where the entire county or the population of the entire county has been designated as a Health Professionals Shortage Area:

(1) a Medicaid disproportionate share hospital; or

(2) a public hospital that is owned or operated by a political subdivision or municipal corporation of the state, including a hospital district or authority.

Sec. 311.0456. ELIGIBILITY AND CERTIFICATION FOR LIMITED LIABILITY. (a) In this section:

(1) "Department" means the Department of State Health Services.

(2) "Nonprofit hospital" has the meaning assigned by Section 311.042(9)(A).

(b) This section applies only to a nonprofit hospital or hospital system that is certified by the department under Subsection (d).

(c) To be eligible for certification under Subsection (d), a nonprofit hospital or hospital system must provide:

(1) charity care in an amount equal to at least eight percent of the net patient revenue of the hospital or hospital system during the most recent fiscal year of the hospital or system; and

(2) at least 40 percent of the charity care provided in the county in which the hospital is located.

(d) To be certified under this subsection, a nonprofit hospital or hospital system must submit a written request for certification to the department not later than May 31 of each year stating that the hospital or system is eligible for certification. The department must determine eligibility for certification not later than December 31 of the year in which the department receives the request by
checking the report submitted by the hospital or system under Section 311.033 and the statement of community benefits and charity care submitted by the nonprofit hospital or hospital system under Section 311.045. If a report under Section 311.033 is not available for all hospitals in a county in which a nonprofit hospital meeting the requirement of Subsection (c)(1) is requesting certification, the department shall determine the eligibility of the hospital or hospital system using other sources of verified charity care information available at the time of certification. The department shall certify that the hospital or hospital system has met the requirements for certification. The certification issued under this subsection to a nonprofit hospital or hospital system takes effect on December 31 of that year and expires on the anniversary of that date.

(e) For the purposes of Subsection (b), a corporation certified by the Texas State Board of Medical Examiners as a nonprofit organization under Section 162.001, Occupations Code, whose sole member is a qualifying hospital or hospital system is considered a nonprofit hospital or hospital system.

(f) Notwithstanding any other law, the liability of a nonprofit hospital or hospital system for noneconomic damages as defined by Section 41.001, Civil Practice and Remedies Code, for a cause of action that accrues during the period that the hospital or system is certified under this section is subject to the limitations specified by Section 101.023(b), Civil Practice and Remedies Code, and Subsection (c) of that section does not apply. This subsection establishes the total combined limit of liability of the nonprofit hospital or hospital system and any employee, officer, or director of the hospital or system for noneconomic damages for each person and each single occurrence, as described by Section 101.023(b), Civil Practice and Remedies Code.

Added by Acts 2003, 78th Leg., ch. 204, Sec. 22.02, eff. Sept. 1, 2003.
Amended by:
   Acts 2005, 79th Leg., Ch. 376 (S.B. 1378), Sec. 1, eff. June 17, 2005.

Sec. 311.046. ANNUAL REPORT OF COMMUNITY BENEFITS PLAN. (a) A nonprofit hospital shall prepare an annual report of the community
benefits plan and shall include in the report at least the following information:

(1) the hospital's mission statement;
(2) a disclosure of the health care needs of the community that were considered in developing the hospital's community benefits plan pursuant to Section 311.044(b);
(3) a disclosure of the amount and types of community benefits, including charity care, actually provided. Charity care shall be reported as a separate item from other community benefits;
(4) a statement of its total operating expenses computed in accordance with generally accepted accounting principles for hospitals from the most recent completed and audited prior fiscal year of the hospital; and
(5) a completed worksheet that computes the ratio of cost to charge for the fiscal year referred to in Subdivision (4) and that includes the same requirements as Worksheet 1-A adopted by the department in August 1994 for the 1994 "Annual Statement of Community Benefits Standards".

(b) A nonprofit hospital shall file the annual report of the community benefits plan with the Bureau of State Health Data and Policy Analysis at the department. The report shall be filed no later than April 30 of each year. In addition to the annual report, a completed worksheet as required by Subsection (a)(5) shall be filed no later than 10 working days after the date the hospital files its Medicare cost report.

(c) A nonprofit hospital shall prepare a statement that notifies the public that the annual report of the community benefits plan is public information; that it is filed with the department; and that it is available to the public on request from the department. The statement shall be posted in prominent places throughout the hospital, including but not limited to the emergency room waiting area and the admissions office waiting area. The statement shall also be printed in the hospital patient guide or other material that provides the patient with information about the admissions criteria of the hospital.

(d) Each hospital shall provide, to each person who seeks any health care service at the hospital, notice, in appropriate languages, if possible, about the charity care program, including the charity care and eligibility policies of the program, and how to apply for charity care. Such notice shall also be conspicuously
posted in the general waiting area, in the waiting area for emergency services, in the business office, and in such other locations as the hospital deems likely to give notice of the charity care program and policies. Each hospital shall annually publish notice of the hospital's charity care program and policies in a local newspaper of general circulation in the county. Each notice under this subsection must be written in language readily understandable to the average reader.

(e) For purposes of this section, "nonprofit hospital" includes the following if the hospital is not located in a county with a population under 50,000 where the entire county or the population of the entire county has been designated as a Health Professionals Shortage Area:

1. a Medicaid disproportionate share hospital; or
2. a public hospital that is owned or operated by a political subdivision or municipal corporation of the state, including a hospital district or authority.

Sec. 311.0461. INFORMATIONAL MANUAL. The department shall annually publish a manual that lists each nonprofit hospital in this state with a brief summary of the charity care policies and community benefits that the nonprofit hospital provides.

Sec. 311.047. PENALTIES. The department may assess a civil penalty against a nonprofit hospital that fails to make a report of the community benefits plan as required under this subchapter. The penalty may not exceed $1,000 for each day a report is delinquent after the date on which the report is due. No penalty may be assessed against a hospital under this subsection until 10 business days have elapsed after written notification to the hospital of its failure to file a report.

Added by Acts 1993, 73rd Leg., ch. 360, Sec. 4, eff. Sept. 1, 1993.
Sec. 311.048. RIGHTS AND REMEDIES. The rights and remedies provided for in this subchapter shall not limit, affect, change, or repeal any other statutory or common-law rights or remedies available to the state or a nonprofit hospital.

Added by Acts 1993, 73rd Leg., ch. 360, Sec. 4, eff. Sept. 1, 1993.

SUBCHAPTER E. EMPLOYMENT OF PHYSICIANS BY CERTAIN HOSPITALS ASSOCIATED WITH NONPROFIT FRATERNAL ORGANIZATIONS

Sec. 311.061. APPLICABILITY OF SUBCHAPTER. This subchapter applies only to a hospital that employs or seeks to employ a physician, that primarily provides medical care to children younger than 18 years of age, and that:

(1) is owned or operated by a nonprofit fraternal organization; or

(2) has a governing body the majority of members of which belong to a nonprofit fraternal organization.

Added by Acts 2011, 82nd Leg., R.S., Ch. 901 (S.B. 761), Sec. 1, eff. June 17, 2011.

Sec. 311.062. EMPLOYMENT OF PHYSICIANS PERMITTED. (a) A hospital may employ a physician and retain all or part of the professional income generated by the physician for medical services provided at the hospital if the hospital satisfies the requirements of this subchapter.

(b) The billing and receipt of third-party reimbursement for medical care at a hospital does not affect the authority granted to the hospital under this section.

Added by Acts 2011, 82nd Leg., R.S., Ch. 901 (S.B. 761), Sec. 1, eff. June 17, 2011.

Sec. 311.063. DUTIES AND HOSPITAL POLICIES. (a) A hospital that employs physicians under this subchapter shall:

(1) appoint a chief medical officer, who may be a member of
the hospital's medical staff;

(2) adopt, maintain, and enforce policies to ensure that a physician employed by the hospital exercises the physician's independent medical judgment in providing care to patients at the hospital; and

(3) designate the chief medical officer as the contact for the Texas Medical Board for all matters relating to complaints regarding interference or attempted interference with a physician's independent medical judgment or any other matter under this section.

(b) The person appointed as chief medical officer shall report the person's appointment to the Texas Medical Board.

(c) The policies adopted under this section must include:

(1) policies relating to:
   (A) credentialing;
   (B) quality assurance;
   (C) utilization review;
   (D) peer review; and
   (E) medical decision-making; and

(2) the implementation of a complaint mechanism to process and resolve complaints regarding interference or attempted interference with a physician's independent medical judgment.

(d) The policies adopted under this section must be approved by the chief medical officer.

(e) In the event of a conflict between a policy approved by the chief medical officer and any other policy of the hospital, a conflict management process shall be jointly developed and implemented to resolve the conflict.

(f) For all matters relating to the practice of medicine, each physician employed by a hospital under this subchapter shall ultimately report to the chief medical officer.

(g) The chief medical officer shall immediately report to the Texas Medical Board any action or event that the chief medical officer reasonably and in good faith believes constitutes a compromise of the independent medical judgment of a physician in caring for a patient.

Added by Acts 2011, 82nd Leg., R.S., Ch. 901 (S.B. 761), Sec. 1, eff. June 17, 2011.
Sec. 311.064. CONSTRUCTION OF SUBCHAPTER. This subchapter may not be construed as authorizing the governing body of a hospital to supervise or control the practice of medicine as prohibited under Subtitle B, Title 3, Occupations Code.

Added by Acts 2011, 82nd Leg., R.S., Ch. 901 (S.B. 761), Sec. 1, eff. June 17, 2011.

SUBCHAPTER F. EMPLOYMENT OF PHYSICIANS BY CERTAIN HOSPITALS

Sec. 311.081. APPLICABILITY AND CONSTRUCTION OF SUBCHAPTER. (a) This subchapter applies only to a hospital that employs or seeks to employ a physician and that:

(1) is designated as a critical access hospital under the authority of and in compliance with 42 U.S.C. Section 1395i-4;
(2) is a sole community hospital, as that term is defined by 42 U.S.C. Section 1395ww(d)(5)(D)(iii); or
(3) is located in a county with a population of 50,000 or less.

(b) This subchapter may not be construed as authorizing the governing body of a hospital to supervise or control the practice of medicine, as prohibited under Subtitle B, Title 3, Occupations Code.

(c) This subchapter applies to medical services provided by a physician at the hospital and other health care facilities owned or operated by the hospital.

Added by Acts 2011, 82nd Leg., R.S., Ch. 55 (S.B. 894), Sec. 1, eff. May 12, 2011.
Redesignated from Health and Safety Code, Section 311.061 by Acts 2013, 83rd Leg., R.S., Ch. 161 (S.B. 1093), Sec. 22.001(27), eff. September 1, 2013.

Sec. 311.082. EMPLOYMENT OF PHYSICIANS PERMITTED. A hospital may employ a physician and retain all or part of the professional income generated by the physician for medical services provided at the hospital and other health care facilities owned or operated by the hospital if the hospital satisfies the requirements of this subchapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 55 (S.B. 894), Sec. 1, eff.
Sec. 311.083. HOSPITAL DUTIES AND POLICIES. (a) A hospital that employs physicians under this subchapter shall:

(1) appoint a chief medical officer who has been recommended by the medical staff of the hospital and approved by the governing board of the hospital; and

(2) adopt, maintain, and enforce policies to ensure that a physician employed by the hospital exercises the physician's independent medical judgment in providing care to patients at the hospital and other health care facilities owned or operated by the hospital.

(b) The policies adopted under this section must include:

(1) policies relating to:
(A) credentialing and privileges;
(B) quality assurance;
(C) utilization review;
(D) peer review and due process; and
(E) medical decision-making; and

(2) the implementation of a complaint mechanism to process and resolve complaints regarding interference or attempted interference with a physician's independent medical judgment.

(c) The policies adopted under this section must be approved by the medical staff of the hospital.

(d) For all matters relating to the practice of medicine, each physician employed by a hospital under this subchapter shall ultimately report to the chief medical officer of the hospital. The policies adopted under this section must be approved by the medical staff of the hospital. In the event of a conflict between a policy adopted by the medical staff and a policy of the hospital, a conflict management process shall be jointly developed and implemented to resolve any such conflict.

(e) The chief medical officer shall notify the Texas Medical Board that the hospital is employing physicians under this subchapter and that the chief medical officer will be the hospital's designated contact with the Texas Medical Board. The chief medical officer...
shall immediately report to the Texas Medical Board any action or event that the chief medical officer reasonably and in good faith believes constitutes a compromise of the independent medical judgment of a physician in caring for a patient.

(f) The hospital shall give equal consideration regarding the issuance of medical staff membership and privileges to physicians employed by the hospital and physicians not employed by the hospital.

(g) A physician employed by a hospital shall retain independent medical judgment in providing care to patients at the hospital and other health care facilities owned or operated by the hospital and may not be disciplined for reasonably advocating for patient care.

(h) If a hospital provides professional liability coverage for a physician employed by a hospital, the physician may participate in the selection of the professional liability coverage, has the right to an independent defense if the physician pays for that independent defense, and shall retain the right to consent to the settlement of any action or proceeding brought against the physician.

(i) If a physician employed by a hospital enters into an employment agreement that includes a covenant not to compete, the agreement shall be subject to Section 15.50, Business & Commerce Code, and any other applicable provisions.

Added by Acts 2011, 82nd Leg., R.S., Ch. 55 (S.B. 894), Sec. 1, eff. May 12, 2011.
Redesignated from Health and Safety Code, Section 311.063 by Acts 2013, 83rd Leg., R.S., Ch. 161 (S.B. 1093), Sec. 22.001(27), eff. September 1, 2013.

CHAPTER 312. MEDICAL AND DENTAL CLINICAL EDUCATION IN PUBLIC HOSPITALS

Sec. 312.001. FINDING; PURPOSE. (a) The legislature finds that the clinical education of medical and dental students, interns, residents, and fellows attending a medical and dental unit or a supported medical or dental school and the provision of patient care to public hospitals can be more effectively and economically undertaken if those institutions and hospitals coordinate and cooperate, rather than compete, in their common endeavors.

(b) The purpose of this chapter is to authorize coordination and cooperation between medical and dental units, supported medical
or dental schools, and public hospitals and to remove impediments to that coordination and cooperation in order to:

(1) enhance the education of students, interns, residents, and fellows attending a medical and dental unit or a supported medical or dental school;
(2) enhance patient care; and
(3) avoid any waste of public money.

Sec. 312.002. DEFINITIONS. In this chapter:
(1) "Board" means the Texas Board of Health.
(2) "Commissioner" means the commissioner of health.
(3) "Coordinating entity" means a nonprofit corporation under the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes) that is a health organization approved and certified by the Texas State Board of Medical Examiners under Chapter 162, Occupations Code.
(4) "Medical and dental unit" has the meaning assigned by Section 61.003, Education Code.
(5) "Public hospital" means a hospital, clinic, or other facility for the provision of health care or dental care that is owned or operated by the federal government, the state, or a political subdivision or municipal corporation of the state, including a hospital district or authority.
(6) "Supported medical or dental school" means a medical school or dental school organized as a nonprofit corporation that is under contract with the Texas Higher Education Coordinating Board to provide educational services under Subchapter D, Chapter 61, Education Code.

Sec. 312.003. AGREEMENT REQUIRED. This chapter applies only if a medical and dental unit and a supported medical or dental school agree, either directly or through a coordinating entity, to provide or cause to be provided medical, dental, or other patient care or services or to perform or cause to be performed medical, dental, or
Sec. 312.004. CONTRACTS FOR COORDINATION OR COOPERATION. (a) Medical and dental units, supported medical or dental schools, coordinating entities, and public hospitals may make and perform contracts among each other for the coordinated or cooperative clinical education of the students, interns, residents, and fellows enrolled at the units or schools.

(b) Medical and dental units and supported medical or dental schools may undertake coordination or cooperation of clinical education directly or through a coordinating entity.

(c) A medical and dental unit, a supported medical or dental school, and a coordinating entity may contract with the owner or operator of a public hospital for the clinical education of students, interns, residents, and fellows enrolled at the unit or school.

(d) The contracting parties may determine the terms of and the consideration for a contract authorized under this section.

(e) The contract may provide for the coordinated, cooperative, or exclusive assignment of the interns, residents, fellows, faculty, and associated health care professionals of the participating medical and dental units and supported medical or dental schools to provide or perform health or dental services or research at a public hospital.

(f) Coordinated or cooperative activities authorized under this section may be performed by or on behalf of one or more of the units, schools, or entities involved.

Sec. 312.005. APPROVAL OF CONTRACTS. (a) To be effective, a contract under Section 312.004 must be submitted to the board.

(b) The commissioner shall review the contract on behalf of the board. The commissioner shall approve the contract if the commissioner finds the contract furthers the purposes of this chapter.

(c) The commissioner may disapprove a contract only after
notice to all parties and a hearing.

(d) The commissioner may not modify a contract.

(e) The contract takes effect:

(1) when it is approved by the commissioner; or
(2) on the 31st day after the date on which the contract is
filed with the board by a medical and dental unit, supported medical
or dental school, or coordinating entity that is a party to the
contract, if the commissioner does not approve or disapprove the
contract within 30 days after the date on which the contract is
filed.

Sec. 312.006. LIMITATION ON LIABILITY. (a) A medical and
dental unit, supported medical or dental school, or coordinating
entity engaged in coordinated or cooperative medical or dental
clinical education under Section 312.004, including patient care and
the provision or performance of health or dental services or research
at a public hospital, is not liable for its acts and omissions in
connection with those activities except to the extent and up to the
maximum amount of liability of state government under Section
101.023(a), Civil Practice and Remedies Code, for the acts and
omissions of a governmental unit of state government under Chapter
101, Civil Practice and Remedies Code.

(b) The limitation on liability provided by this section
applies regardless of whether the medical and dental unit, supported
medical or dental school, or coordinating entity is a "governmental
unit" as defined by Section 101.001, Civil Practice and Remedies
Code.

Sec. 312.007. INDIVIDUAL LIABILITY. (a) A medical and dental
unit, supported medical or dental school, or coordinating entity is a
state agency, and a director, trustee, officer, intern, resident,
fellow, faculty member, or other associated health care professional
or employee of a medical and dental unit, supported medical or dental
school, or coordinating entity is an employee of a state agency for
purposes of Chapter 104, Civil Practice and Remedies Code, and for
purposes of determining the liability, if any, of the person for the person's acts or omissions while engaged in the coordinated or cooperative activities of the unit, school, or entity.

(b) A judgment in an action or settlement of a claim against a medical and dental unit, supported medical or dental school, or coordinating entity under Chapter 101, Civil Practice and Remedies Code, bars any action involving the same subject matter by the claimant against a director, trustee, officer, intern, resident, fellow, faculty member, or other associated health care professional or employee of the unit, school, or entity whose act or omission gave rise to the claim as if the person were an employee of a governmental unit against which the claim was asserted as provided under Section 101.106, Civil Practice and Remedies Code.

CHAPTER 313. CONSENT TO MEDICAL TREATMENT ACT

Sec. 313.001. SHORT TITLE. This chapter may be cited as the Consent to Medical Treatment Act.

Sec. 313.002. DEFINITIONS. In this chapter:
(1) "Adult" means a person 18 years of age or older or a person under 18 years of age who has had the disabilities of minority removed.
(2) "Attending physician" means the physician with primary responsibility for a patient's treatment and care.
(3) "Decision-making capacity" means the ability to understand and appreciate the nature and consequences of a decision regarding medical treatment and the ability to reach an informed decision in the matter.
(3-a) "Home and community support services agency" means a facility licensed under Chapter 142.
(4) "Hospital" means a facility licensed under Chapter 241.
(5) "Incapacitated" means lacking the ability, based on reasonable medical judgment, to understand and appreciate the nature and consequences of a treatment decision, including the significant benefits and harms of and reasonable alternatives to any proposed
treatment decision.

(6) "Medical treatment" means a health care treatment, service, or procedure designed to maintain or treat a patient's physical or mental condition, as well as preventative care.

(7) "Nursing home" means a facility licensed under Chapter 242.

(8) "Patient" means a person who:
   (A) is admitted to a hospital;
   (B) is residing in a nursing home;
   (C) is receiving services from a home and community support services agency; or
   (D) is an inmate of a county or municipal jail.

(9) "Physician" means:
   (A) a physician licensed by the Texas State Board of Medical Examiners; or
   (B) a physician with proper credentials who holds a commission in a branch of the armed services of the United States and who is serving on active duty in this state.

(10) "Surrogate decision-maker" means an individual with decision-making capacity who is identified as the person who has authority to consent to medical treatment on behalf of an incapacitated patient in need of medical treatment.

Added by Acts 1993, 73rd Leg., ch. 407, Sec. 1, eff. Sept. 1, 1993. Amended by:
   Acts 2007, 80th Leg., R.S., Ch. 1271 (H.B. 3473), Sec. 1, eff. September 1, 2007.
   Acts 2011, 82nd Leg., R.S., Ch. 253 (H.B. 1128), Sec. 1, eff. September 1, 2011.

Sec. 313.003. EXCEPTIONS AND APPLICATION. (a) This chapter does not apply to:
   (1) a decision to withhold or withdraw life-sustaining treatment from qualified terminal or irreversible patients under Subchapter B, Chapter 166;
   (2) a health care decision made under a medical power of attorney under Subchapter D, Chapter 166, or under Chapter XII, Texas Probate Code;
   (3) consent to medical treatment of minors under Chapter
32, Family Code;
(4) consent for emergency care under Chapter 773;
(5) hospital patient transfers under Chapter 241; or
(6) a patient's legal guardian who has the authority to
make a decision regarding the patient's medical treatment.

(b) This chapter does not authorize a decision to withhold or withdraw life-sustaining treatment.

Sec. 313.004. CONSENT FOR MEDICAL TREATMENT. (a) If an adult patient of a home and community support services agency or in a hospital or nursing home, or an adult inmate of a county or municipal jail, is comatose, incapacitated, or otherwise mentally or physically incapable of communication, an adult surrogate from the following list, in order of priority, who has decision-making capacity, is available after a reasonably diligent inquiry, and is willing to consent to medical treatment on behalf of the patient may consent to medical treatment on behalf of the patient:

(1) the patient's spouse;
(2) an adult child of the patient who has the waiver and consent of all other qualified adult children of the patient to act as the sole decision-maker;
(3) a majority of the patient's reasonably available adult children;
(4) the patient's parents; or
(5) the individual clearly identified to act for the patient by the patient before the patient became incapacitated, the patient's nearest living relative, or a member of the clergy.

(b) Any dispute as to the right of a party to act as a surrogate decision-maker may be resolved only by a court of record having jurisdiction under Chapter V, Texas Probate Code.

(c) Any medical treatment consented to under Subsection (a) must be based on knowledge of what the patient would desire, if known.

(d) Notwithstanding any other provision of this chapter, a surrogate decision-maker may not consent to:
(1) voluntary inpatient mental health services;
(2) electro-convulsive treatment; or
(3) the appointment of another surrogate decision-maker.

(e) Notwithstanding any other provision of this chapter, if the patient is an adult inmate of a county or municipal jail, a surrogate decision-maker may not also consent to:
   (1) psychotropic medication;
   (2) involuntary inpatient mental health services; or
   (3) psychiatric services calculated to restore competency to stand trial.

(f) A person who is an available adult surrogate, as described by Subsection (a), may consent to medical treatment on behalf of a patient who is an adult inmate of a county or municipal jail only for a period that expires on the earlier of the 120th day after the date the person agrees to act as an adult surrogate for the patient or the date the inmate is released from jail. At the conclusion of the period, a successor surrogate may not be appointed and only the patient or the patient's appointed guardian of the person, if the patient is a ward under Chapter XIII, Texas Probate Code, may consent to medical treatment.

Added by Acts 1993, 73rd Leg., ch. 407, Sec. 1, eff. Sept. 1, 1993. Amended by:
   Acts 2007, 80th Leg., R.S., Ch. 1271 (H.B. 3473), Sec. 2, eff. September 1, 2007.
   Acts 2011, 82nd Leg., R.S., Ch. 253 (H.B. 1128), Sec. 2, eff. September 1, 2011.

Sec. 313.005. PREREQUISITES FOR CONSENT. (a) If an adult patient of a home and community support services agency or in a hospital or nursing home, or an adult inmate of a county or municipal jail, is comatose, incapacitated, or otherwise mentally or physically incapable of communication and, according to reasonable medical judgment, is in need of medical treatment, the attending physician shall describe the:
   (1) patient's comatose state, incapacity, or other mental or physical inability to communicate in the patient's medical record; and
   (2) proposed medical treatment in the patient's medical
(b) The attending physician shall make a reasonably diligent effort to contact or cause to be contacted the persons eligible to serve as surrogate decision-makers. Efforts to contact those persons shall be recorded in detail in the patient's medical record.

(c) If a surrogate decision-maker consents to medical treatment on behalf of the patient, the attending physician shall record the date and time of the consent and sign the patient's medical record. The surrogate decision-maker shall countersign the patient's medical record or execute an informed consent form.

(d) A surrogate decision-maker's consent to medical treatment that is not made in person shall be reduced to writing in the patient's medical record, signed by the home and community support services agency, hospital, or nursing home staff member receiving the consent, and countersigned in the patient's medical record or on an informed consent form by the surrogate decision-maker as soon as possible.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1271 (H.B. 3473), Sec. 3, eff. September 1, 2007.
Acts 2011, 82nd Leg., R.S., Ch. 253 (H.B. 1128), Sec. 3, eff. September 1, 2011.

Sec. 313.006. LIABILITY FOR MEDICAL TREATMENT COSTS. Liability for the cost of medical treatment provided as a result of consent to medical treatment by a surrogate decision-maker is the same as the liability for that cost if the medical treatment were provided as a result of the patient's own consent to the treatment.

Sec. 313.007. LIMITATION ON LIABILITY. (a) A surrogate decision-maker is not subject to criminal or civil liability for consenting to medical care under this chapter if the consent is made in good faith.

(b) An attending physician, home and community support services agency, hospital, or nursing home or a person acting as an agent for
or under the control of the physician, home and community support
services agency, hospital, or nursing home is not subject to criminal
or civil liability and has not engaged in unprofessional conduct if
the medical treatment consented to under this chapter:

(1) is done in good faith under the consent to medical
treatment; and

(2) does not constitute a failure to exercise due care in
the provision of the medical treatment.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 1271 (H.B. 3473), Sec. 4, eff.
September 1, 2007.

CHAPTER 314. COOPERATIVE AGREEMENTS AMONG HOSPITALS
Sec. 314.001. DEFINITIONS. In this chapter:

(1) "Attorney general" means the attorney general of Texas
or any assistant attorney general acting under the direction of the
attorney general of Texas.

(2) "Cooperative agreement" means an agreement among two or
more hospitals for the allocation or sharing of health care
equipment, facilities, personnel, or services.

(3) "Department" means the Texas Department of Health.

(4) "Hospital" means a general or special hospital licensed
under Chapter 241 or a private mental hospital licensed under Chapter
577.

Added by Acts 1993, 73rd Leg., ch. 638, Sec. 1, eff. Sept. 1, 1993.
Renumbered from Health & Safety Code Sec. 313.001 by Acts 1995, 74th
Leg., ch. 76, Sec. 17.01(25), eff. Sept. 1, 1995.

Sec. 314.002. REVIEW AND CERTIFICATION OF COOPERATIVE
AGREEMENTS. (a) A hospital may negotiate and enter into cooperative
agreements with other hospitals in the state if the likely benefits
resulting from the agreement outweigh any disadvantages attributable
to a reduction in competition that may result from the agreements.
Acting through their boards of directors, a group of hospitals may
conduct discussions or negotiations concerning cooperative
agreements, provided that the discussions or negotiations do not
involve price fixing or predatory pricing.

(b) Parties to a cooperative agreement may apply to the department for a certification of public advantage governing the cooperative agreement. The application must include a written copy of the cooperative agreement and describe the nature and scope of the cooperation in the agreement and any consideration passing to any party under the agreement. A copy of the application and copies of all additional related materials must be submitted to the attorney general and to the department at the same time. The department shall charge an application fee in an amount not to exceed $10,000 per application.

(c) The department shall review the application in accordance with the standards set forth in Subsections (e) and (f) and shall, if requested, hold a public hearing in accordance with rules adopted by the department. The department shall grant or deny the application within 120 days of the date of filing of the application and that decision must be in writing and set forth the basis for the decision. The department shall furnish a copy of the decision to the applicants, the attorney general, and any intervenor within 10 days of its issuance.

(d) The department shall issue a certificate of public advantage for a cooperative agreement if it determines that the applicants have demonstrated by clear and convincing evidence that the likely benefits resulting from the agreement outweigh any disadvantages attributable to a reduction in competition that may result from the agreement.

(e) In evaluating the potential benefits of a cooperative agreement, the department shall consider whether one or more of the following benefits may result from the cooperative agreement:

1. enhancement of the quality of hospital and hospital-related care provided to Texas citizens;

2. preservation of hospital facilities in geographical proximity to the communities traditionally served by those facilities;

3. gains in the cost efficiency of services provided by the hospitals involved;

4. improvements in the utilization of hospital resources and equipment; and

5. avoidance of duplication of hospital resources.

(f) The department's evaluation of any disadvantages
attributable to any reduction in competition likely to result from
the agreement may include, but need not be limited to, the following
factors:

(1) the extent of any likely adverse impact on the ability
of health maintenance organizations, preferred provider
organizations, or other health care payors to negotiate optimal
payment and service arrangements with hospitals, physicians, allied
health care professionals, or other health care providers;

(2) the extent of any reduction in competition among
physicians, allied health professionals, other health care providers,
or other persons furnishing goods or services to, or in competition
with, hospitals;

(3) the extent of any adverse impact on patients in the
quality, availability, and price of health care services; and

(4) the availability of arrangements that are less
restrictive to competition and achieve similar benefits.

(g) The department shall consult with the attorney general
regarding any potential reduction in competition that may result from
a cooperative agreement. The attorney general shall review the
application and all supporting documents provided by the applicants,
any documents or other information provided by any intervenors, and
any documents or testimony provided at a public hearing, if any, on
the application and shall advise the department whether the proposed
cooperative agreement would have inappropriate impact on competition.
If the attorney general advises the department to deny an
application, the attorney general shall state the basis and reasons
for the recommended denial.

Added by Acts 1993, 73rd Leg., ch. 638, Sec. 1, eff. Sept. 1, 1993.
Renumbered from Health & Safety Code Sec. 313.002 by Acts 1995, 74th
Leg., ch. 76, Sec. 17.01(25), eff. Sept. 1, 1995.

Sec. 314.003. ATTORNEY GENERAL AUTHORITY. (a) The attorney
general, at any time after an application is filed under Section
314.002(b), may require by civil investigative demand the attendance
and testimony of witnesses and the production of documents in Travis
County or the county in which the applicants are located for the
purpose of investigating whether the cooperative agreement satisfies
the standards set forth in Section 314.002. All nonpublic documents
produced and testimony given to the attorney general are subject to
the prohibitions on disclosure and use of Section 15.10(i), Business
& Commerce Code. The attorney general may seek an order from the
district court compelling compliance with a civil investigative
demand issued under this section.

(b) The attorney general may seek to enjoin the operation of a
cooperative agreement for which an application for certificate of
public advantage has been filed by filing suit against the parties to
the cooperative agreement in district court. The attorney general
may file an action before or after the department acts on the
application for a certificate but, except as provided in Subsection
(e), the action must be brought not later than 20 days following the
attorney general's receipt of a copy of the final and appealable
decision of the department.

(c) Upon the filing of the complaint in an action under
Subsection (b), the department's certification, if previously issued,
must be stayed and the cooperative agreement is of no further force
unless the court orders otherwise or until the action is concluded.
The attorney general may apply to the court for any ancillary
temporary or preliminary relief necessary to stay the cooperative
agreement pending final disposition of the case.

(d) In any action brought under Subsection (b), the applicants
for a certificate bear the burden of establishing by clear and
convincing evidence that in accordance with Sections 314.002(e) and
(f), the likely benefits resulting from the cooperative agreement
outweigh any disadvantages attributable to a reduction in competition
that may result from the agreement. In assessing disadvantages
attributable to a reduction in competition likely to result from the
agreement, the court may draw upon the determinations of federal and
Texas courts concerning unreasonable restraint of trade under 15

(e) If, at any time following the 20-day period specified in
Subsection (b), the attorney general determines that as a result of
changed circumstances the benefits resulting from a certified
agreement no longer outweigh any disadvantages attributable to a
reduction in competition resulting from the agreement, the attorney
general may file suit in the district court seeking to cancel the
certificate of public advantage. The standard for adjudication for
an action brought under this subsection is as follows:

(1) except as provided in Subdivision (2), in any action
brought under this subsection the attorney general has the burden of establishing by a preponderance of the evidence that as a result of changed circumstances the benefits resulting from the agreement and the unavoidable costs of canceling the agreement are outweighed by disadvantages attributable to a reduction in competition resulting from the agreement;

(2) in any action under this subsection, if the attorney general first establishes by a preponderance of evidence that the department's certification was obtained as a result of material misrepresentation to the department or the attorney general or as the result of coercion, threats, or intimidation toward any party to the cooperative agreement, then the parties to the agreement bear the burden of establishing by clear and convincing evidence that the benefits resulting from the agreement and the unavoidable costs of canceling the agreement are outweighed by disadvantages attributable to any reduction in competition resulting from the agreement.

Sec. 314.004. MONITORING OF APPROVED COOPERATIVE AGREEMENTS.
(a) If, at any time following the approval of a cooperative agreement by the department, the department determines that as a result of changed circumstances the benefits resulting from an approved agreement no longer outweigh any disadvantages attributable to a reduction in competition resulting from the agreement, the department may initiate proceedings to terminate the certificate of public advantage.

(b) The department may request documents from the parties to the cooperative agreement regarding the current status of the agreement, including information relative to the continued benefits and any disadvantages of the agreement and shall, if requested, hold a public hearing to solicit additional information concerning the effects of the cooperative agreement.

(c) If the department determines that the likely benefits
resulting from an approved cooperative agreement no longer outweigh any disadvantages attributable to any potential reduction in competition resulting from the agreement, the department may terminate the certificate of public advantage.

Sec. 314.005. JUDICIAL REVIEW OF DEPARTMENT ACTION. Any party aggrieved by a decision of the department in granting or denying an application, refusing to act on an application, or terminating a certificate is entitled to judicial review of the decision in accordance with Chapter 2001, Government Code.

Sec. 314.006. VALIDITY OF CERTIFIED COOPERATIVE AGREEMENTS. (a) Notwithstanding Section 15.05(a), Business & Commerce Code, or any other provision of law, a cooperative agreement for which a certificate of public advantage has been issued is a lawful agreement. Notwithstanding Section 15.05(a), Business & Commerce Code, or any other provision of law, if the parties to a cooperative agreement file an application for a certificate of public advantage governing the agreement with the department, the conduct of the parties in negotiating and entering into a cooperative agreement is lawful conduct.

(b) If the department, or in any action by the attorney general the district court, determines that the applicants have not established by clear and convincing evidence that the likely benefits resulting from a cooperative agreement outweigh any disadvantages attributable to any potential reduction in competition resulting from the agreement, the agreement is invalid and has no further force or effect.

(c) Nothing in this chapter exempts hospitals from compliance with the requirements of Chapters 241 or 577 of this code.
Sec. 314.007. MERGERS AND CONSOLIDATIONS INVOLVING HOSPITALS. The provisions of this chapter do not apply to any agreement among hospitals by which ownership or control over substantially all of the stock, assets of activities of one or more previously licensed and operating hospitals is placed under the control of another licensed hospital or hospitals.

Sec. 314.008. AUTHORITY TO ADOPT RULES; EFFECTIVE DATE. (a) This Act specifically excludes ground and/or air ambulance services.
(b) The department shall have the authority to adopt rules to implement the requirements of this chapter. Such rules shall be adopted by March 1, 1994, at which time hospitals may file an application with the department for a certification of public advantage.

CHAPTER 315. AUTHORITY TO BORROW MONEY FOR PUBLIC HOSPITALS
Sec. 315.001. DEFINITION. In this chapter, "local governmental entity" includes:
(1) a hospital district created under general or special law;
(2) a municipal hospital authority;
(3) a county hospital authority;
(4) a municipality; or
(5) a county.

Added by Acts 2011, 82nd Leg., R.S., Ch. 611 (S.B. 494), Sec. 1, eff.
Sec. 315.002. AUTHORITY TO BORROW MONEY FOR PUBLIC HOSPITAL; SECURITY. (a) A local governmental entity may borrow money for purposes of a hospital owned or operated by the entity at a rate not to exceed the maximum annual percentage rate allowed by the law at the time the loan is made for similar obligations of the entity.

(b) To secure a loan under this section, a local governmental entity may pledge:

(1) revenue from the hospital owned or operated by the entity that is not pledged to pay the entity's bonded indebtedness; or

(2) tax revenue to be collected by the local governmental entity during the 12-month period following the date of the pledge that is not pledged to pay the principal of or interest on bonds.

(c) A loan authorized by this section must mature:

(1) not later than the first anniversary of the date the loan is made, if taxes are pledged to repay the loan; and

(2) not later than the fifth anniversary of the date the loan is made, if hospital revenue is pledged to repay the loan.

Added by Acts 2011, 82nd Leg., R.S., Ch. 611 (S.B. 494), Sec. 1, eff. September 1, 2011.

CHAPTER 316. ESTABLISHMENT OF HEALTH CARE COLLABORATIVES

Sec. 316.001. AUTHORITY TO ESTABLISH HEALTH CARE COLLABORATIVE. A public hospital created under Subtitle C or D or a hospital district created under general or special law may form and sponsor a nonprofit health care collaborative that is certified under Chapter 848, Insurance Code.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 4.04, eff. September 28, 2011.

SUBTITLE G. PROVISION OF SERVICES IN CERTAIN FACILITIES

CHAPTER 321. PROVISION OF MENTAL HEALTH, CHEMICAL DEPENDENCY, AND REHABILITATION SERVICES

Sec. 321.001. DEFINITIONS. In this chapter:
"Comprehensive medical rehabilitation" means the provision of rehabilitation services that are designed to improve or minimize a person's physical or cognitive disabilities, maximize a person's functional ability, or restore a person's lost functional capacity through close coordination of services, communication, interaction, and integration among several professions that share the responsibility to achieve team treatment goals for the person.

"Hospital" has the meaning assigned by Section 241.003.

"License" means a state agency permit, certificate, approval, registration, or other form of permission required by state law.

"Mental health facility" has the meaning assigned by Section 571.003.

"State health care regulatory agency" means a state agency that licenses a health care professional.

"Treatment facility" has the meaning assigned by Section 464.001.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 1.01, eff. Sept. 1, 1993.

Sec. 321.002. BILL OF RIGHTS. (a) The Texas Board of Mental Health and Mental Retardation, Texas Board of Health, and Texas Commission on Alcohol and Drug Abuse by rule shall each adopt a "patient's bill of rights" that includes the applicable rights included in this chapter, Subtitle C of Title 7, Chapters 241, 462, 464, and 466, and any other provisions the agencies consider necessary to protect the health, safety, and rights of a patient receiving voluntary or involuntary mental health, chemical dependency, or comprehensive medical rehabilitation services in an inpatient facility. In addition, each agency shall adopt rules that:

(1) provide standards to prevent the admission of a minor to a facility for treatment of a condition that is not generally recognized as responsive to treatment in an inpatient treatment setting; and

(2) prescribe the procedure for presenting the applicable bill of rights and obtaining each necessary signature if:

(A) the patient cannot comprehend the information because of illness, age, or other factors; or
(B) an emergency exists that precludes immediate presentation of the information.

(b) The Board of Protective and Regulatory Services by rule shall adopt a "children's bill of rights" for a minor receiving treatment in a child-care facility for an emotional, mental health, or chemical dependency problem.

(c) A "bill of rights" adopted under this section must specifically address the rights of minors and provide that a minor is entitled to:
   1. appropriate treatment in the least restrictive setting available;
   2. not receive unnecessary or excessive medication;
   3. an individualized treatment plan and to participate in the development of the plan; and
   4. a humane treatment environment that provides reasonable protection from harm and appropriate privacy for personal needs.

(d) Rules adopted under this section shall provide for:
   1. treatment of minors by persons who have specialized education and training in the emotional, mental health, and chemical dependency problems and treatment of minors;
   2. separation of minor patients from adult patients; and
   3. regular communication between a minor patient and the patient's family, subject only to a restriction in accordance with Section 576.006.

(e) The Texas Board of Health, Texas Board of Mental Health and Mental Retardation, Texas Commission on Alcohol and Drug Abuse, and Board of Protective and Regulatory Services shall consult each other for assistance in adopting rules under this section.

(f) Before a facility may admit a patient for inpatient mental health, chemical dependency, or comprehensive medical rehabilitation services, or before a child-care facility may accept a minor for treatment, the facility shall provide to the person and, if appropriate, to the person's parent, managing conservator, or guardian, a written copy of the applicable "bill of rights" adopted under this section. The facility shall provide the written copies in the person's primary language, if possible. In addition, the facility shall ensure that, within 24 hours after the person is admitted to the facility, the rights specified in the written copy are explained to the person and, if appropriate, to the person's parent, managing conservator, or guardian:
(1) orally, in simple, nontechnical terms in the person's primary language, if possible; or

(2) through a means reasonably calculated to communicate with a person who has an impairment of vision or hearing, if applicable.

(g) The facility shall ensure that:

(1) each patient admitted for inpatient mental health, chemical dependency, or comprehensive rehabilitation services and each minor admitted for treatment in a child-care facility and, if appropriate, the person's parent, managing conservator, or guardian signs a copy of the document stating that the person has read the document and understands the rights specified in the document; and

(2) the signed copy is made a part of the person's clinical record.

(h) A facility shall prominently and conspicuously post a copy of the "bill of rights" for display in a public area of the facility that is readily available to patients, residents, employees, and visitors. The "bill of rights" must be in English and in a second language.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 1.01, eff. Sept. 1, 1993.

Sec. 321.003. SUIT FOR HARM RESULTING FROM VIOLATION. (a) A treatment facility or mental health facility that violates a provision of, or a rule adopted under, this chapter, Subtitle C of Title 7, or Chapter 241, 462, 464, or 466 is liable to a person receiving care or treatment in or from the facility who is harmed as a result of the violation.

(b) A person who has been harmed by a violation may sue for injunctive relief, damages, or both.

(c) A plaintiff who prevails in a suit under this section may recover actual damages, including damages for mental anguish even if an injury other than mental anguish is not shown.

(d) In addition to an award under Subsection (c), a plaintiff who prevails in a suit under this section may recover exemplary damages and reasonable attorney fees.

(e) A suit under this section may be brought in the district court of the county in which:
(1) the plaintiff received care or treatment; or
(2) the defendant conducts business.

(f) A person harmed by a violation must bring suit not later than the second anniversary of the date on which the person's injury is discovered, except that a minor whose injury is discovered before the minor's 18th birthday may bring suit at any time before the minor's 20th birthday.

(g) This section does not supersede or abrogate any other remedy existing in law.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 1.01, eff. Sept. 1, 1993.

Sec. 321.004. PENALTIES. In addition to the penalties prescribed by this chapter, a violation of a provision of this chapter by an individual or facility that is licensed by a state health care regulatory agency is subject to the same consequence as a violation of the licensing law applicable to the individual or facility or of a rule adopted under that licensing law.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 1.01, eff. Sept. 1, 1993.

CHAPTER 322. USE OF RESTRAINT AND SECLUSION IN CERTAIN HEALTH CARE FACILITIES

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 322.001. DEFINITIONS. In this chapter:
(1) "Facility" means:
   (A) a child-care institution, as defined by Section 42.002, Human Resources Code, including a state-operated facility, that is a residential treatment center or a child-care institution serving children with mental retardation;
   (B) an intermediate care facility licensed by the Department of Aging and Disability Services under Chapter 252 or operated by that department and exempt under Section 252.003 from the licensing requirements of that chapter;
   (C) a mental hospital or mental health facility, as defined by Section 571.003;
   (D) an institution, as defined by Section 242.002;
(E) an assisted living facility, as defined by Section 247.002; or
(F) a treatment facility, as defined by Section 464.001.

(2) "Health and human services agency" means an agency listed in Section 531.001, Government Code.
(3) "Seclusion" means the involuntary separation of a resident from other residents and the placement of the resident alone in an area from which the resident is prevented from leaving.

Added by Acts 2005, 79th Leg., Ch. 698 (S.B. 325), Sec. 1, eff. September 1, 2005.

**SUBCHAPTER B. RESTRAINTS AND SECLUSION**

Sec. 322.051. CERTAIN RESTRAINTS PROHIBITED. (a) A person may not administer to a resident of a facility a restraint that:

(1) obstructs the resident's airway, including a procedure that places anything in, on, or over the resident's mouth or nose;
(2) impairs the resident's breathing by putting pressure on the torso; or
(3) interferes with the resident's ability to communicate.

(b) A person may use a prone or supine hold on the resident of a facility only if the person:

(1) limits the hold to no longer than the period specified by rules adopted under Section 322.052;
(2) uses the hold only as a last resort when other less restrictive interventions have proven to be ineffective; and
(3) uses the hold only when an observer, who is trained to identify the risks associated with positional, compression, or restraint asphyxiation and with prone and supine holds and who is not involved in the restraint, is ensuring the resident's breathing is not impaired.

(c) Small residential facilities and small residential service providers are exempt from Subsection (b)(3).

Added by Acts 2005, 79th Leg., Ch. 698 (S.B. 325), Sec. 1, eff. September 1, 2005.

Sec. 322.052. ADOPTION OF RESTRAINT AND SECLUSION PROCEDURES.
(a) For each health and human services agency that regulates the care or treatment of a resident at a facility, the executive commissioner of the Health and Human Services Commission shall adopt rules to:

(1) define acceptable restraint holds that minimize the risk of harm to a facility resident in accordance with this subchapter;

(2) govern the use of seclusion of facility residents; and

(3) develop practices to decrease the frequency of the use of restraint and seclusion.

(b) The rules must permit prone and supine holds only as transitional holds for use on a resident of a facility.

(b-1) The rules must:

(1) authorize a registered nurse, other than the nurse who initiated the use of restraint or seclusion, who is trained to assess medical and psychiatric stability with demonstrated competence as required by rule to conduct a face-to-face evaluation of a patient in a hospital or facility licensed under Chapter 241 or 577 or in a state mental hospital, as defined by Section 571.003, not later than one hour after the time the use of restraint or seclusion is initiated; and

(2) require a physician to conduct a face-to-face evaluation of a patient in a hospital or facility licensed under Chapter 241 or 577 or in a state mental hospital, as defined by Section 571.003, and document clinical justification for continuing the restraint or seclusion before issuing or renewing an order that continues the use of the restraint or seclusion.

(c) A facility may adopt procedures for the facility's use of restraint and seclusion on a resident that regulate, more restrictively than is required by a rule of the regulating health and human services agency, the use of restraint and seclusion.

Added by Acts 2005, 79th Leg., Ch. 698 (S.B. 325), Sec. 1, eff. September 1, 2005.
Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1240 (S.B. 1842), Sec. 1, eff. June 14, 2013.

Sec. 322.053. NOTIFICATION. The executive commissioner of the
Health and Human Services Commission by rule shall ensure that each resident at a facility regulated by a health and human services agency and the resident's legally authorized representative are notified of the rules and policies related to restraints and seclusion.

Added by Acts 2005, 79th Leg., Ch. 698 (S.B. 325), Sec. 1, eff. September 1, 2005.

Sec. 322.054. RETALIATION PROHIBITED. (a) A facility may not discharge or otherwise retaliate against:

(1) an employee, client, resident, or other person because the employee, client, resident, or other person files a complaint, presents a grievance, or otherwise provides in good faith information relating to the misuse of restraint or seclusion at the facility; or

(2) a client or resident of the facility because someone on behalf of the client or resident files a complaint, presents a grievance, or otherwise provides in good faith information relating to the misuse of restraint or seclusion at the facility.

(b) A health and human services agency that registers or otherwise licenses or certifies a facility may:

(1) revoke, suspend, or refuse to renew the license, registration, or certification of a facility that violates Subsection (a); or

(2) place on probation a facility that violates Subsection (a).

(c) A health and human services agency that regulates a facility and that is authorized to impose an administrative penalty against the facility under other law may impose an administrative penalty against the facility for violating Subsection (a). Each day a violation continues or occurs is a separate violation for purposes of imposing a penalty. The amount of the penalty may not exceed the maximum amount that the agency may impose against the facility under the other law. The agency must follow the procedures it would follow in imposing an administrative penalty against the facility under the other law.

(d) A facility may contest and appeal the imposition of an administrative penalty under Subsection (c) by following the same procedures the facility would follow in contesting or appealing an
Sec. 322.055. MEDICAID WAIVER PROGRAM. A Medicaid waiver program provider, when providing supervised living or residential support, shall comply with this chapter and rules adopted under this chapter.

Sec. 322.056. REPORTING REQUIREMENT. A facility shall file with the Department of State Health Services a quarterly report regarding hospital-based inpatient psychiatric services measures related to the use of restraint and seclusion that is required by the federal Centers for Medicare and Medicaid Services.

CHAPTER 323. EMERGENCY SERVICES FOR SURVIVORS OF SEXUAL ASSAULT

Sec. 323.001. DEFINITIONS. In this chapter:

(1) "Community-wide plan" means an agreement entered into between one or more health care facilities, entities administering a sexual assault program, district attorney's offices, or law enforcement agencies that designates one or more health care facilities in the community as a primary health care facility to furnish emergency medical services and evidence collection to sexual assault survivors on a community or area-wide basis.

(2) "Department" means the Department of State Health Services.

(3) "Health care facility" means a general or special hospital licensed under Chapter 241 or a general or special hospital owned by this state.
(4) "Sexual assault" means any act as described by Section 22.011 or 22.021, Penal Code.

(5) "Sexual assault survivor" means an individual who is a victim of a sexual assault, regardless of whether a report is made or a conviction is obtained in the incident.

Added by Acts 2005, 79th Leg., Ch. 934 (H.B. 677), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 322.001 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(47), eff. September 1, 2007.

Sec. 323.002. PLAN FOR EMERGENCY SERVICES. (a) Each health care facility that has an emergency department shall comply with Section 323.004. At the request of the department, a health care facility that has an emergency department shall submit to the department for approval a plan for providing the services required by Section 323.004 to sexual assault survivors who arrive for treatment at the emergency department of the health care facility.

(b) The department shall adopt procedures for submission, approval, and modification of a plan required under this section.

(c) A health care facility shall submit the plan required by this section not later than the 60th day after the date the department requests the plan.

(d) The department shall approve or reject the plan not later than the 120th day after the date the plan is submitted.

Added by Acts 2005, 79th Leg., Ch. 934 (H.B. 677), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 322.002 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(47), eff. September 1, 2007.
Amended by:
Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.002(10), eff. September 1, 2007.
Acts 2013, 83rd Leg., R.S., Ch. 162 (S.B. 1191), Sec. 1, eff. September 1, 2013.

Sec. 323.003. REJECTION OF PLAN. (a) If a plan required under
Section 323.002 is not approved, the department shall:
   (1) return the plan to the health care facility; and
   (2) identify the specific provisions under Section 323.004 with which the plan conflicts or does not comply.
(b) Not later than the 90th day after the date the department returns a plan to a health care facility under Subsection (a), the facility shall correct and resubmit the plan to the department for approval.

Added by Acts 2005, 79th Leg., Ch. 934 (H.B. 677), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 322.003 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(47), eff. September 1, 2007.
Amended by:
   Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.002(11), eff. September 1, 2007.

Sec. 323.004. MINIMUM STANDARDS FOR EMERGENCY SERVICES. (a) Except as otherwise provided by Subsection (a-2), after a sexual assault survivor arrives at a health care facility following an alleged sexual assault, the facility shall provide care to the survivor in accordance with Subsection (b).
   (a-1) A facility that is not a health care facility designated in a community-wide plan as the primary health care facility in the community for treating sexual assault survivors shall inform the survivor that:
      (1) the facility is not the designated facility and provide to the survivor the name and location of the designated facility; and
      (2) the survivor is entitled, at the survivor's option:
         (A) to receive the care described by Subsection (b) at that facility, subject to Subsection (b-1); or
         (B) to be stabilized and to be transferred to and receive the care described by Subsection (b) at a health care facility designated in a community-wide plan as the primary health care facility in the community for treating sexual assault survivors.
   (a-2) If a sexual assault survivor chooses to be transferred under Subsection (a-1)(2)(B), after obtaining the survivor's written, signed consent to the transfer, the facility shall stabilize and
transfer the survivor to a health care facility in the community designated in a community-wide plan as the primary health care facility in the community for treating sexual assault survivors, which shall provide care to the survivor in accordance with Subsection (b).

(b) A health care facility providing care to a sexual assault survivor shall provide the survivor with:

(1) subject to Subsection (b-1), a forensic medical examination in accordance with Subchapter B, Chapter 420, Government Code, if the examination has been requested by a law enforcement agency under Article 56.06, Code of Criminal Procedure, or is conducted under Article 56.065, Code of Criminal Procedure;

(2) a private area, if available, to wait or speak with the appropriate medical, legal, or sexual assault crisis center staff or volunteer until a physician, nurse, or physician assistant is able to treat the survivor;

(3) access to a sexual assault program advocate, if available, as provided by Article 56.045, Code of Criminal Procedure;

(4) the information form required by Section 323.005;

(5) a private treatment room, if available;

(6) if indicated by the history of contact, access to appropriate prophylaxis for exposure to sexually transmitted infections; and

(7) the name and telephone number of the nearest sexual assault crisis center.

(b-1) A person may not perform a forensic examination on a sexual assault survivor unless the person has the basic training described by Section 323.0045 or the equivalent education and training.

(c) A health care facility must obtain documented consent before providing the forensic medical examination and treatment.

(d) This section does not affect the duty of a health care facility to comply with the requirements of the federal Emergency Medical Treatment and Active Labor Act of 1986 (42 U.S.C. Section 1395dd) that are applicable to the facility.

Added by Acts 2005, 79th Leg., Ch. 934 (H.B. 677), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 322.004 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(47), eff. September
Sec. 323.0045. BASIC SEXUAL ASSAULT FORENSIC EVIDENCE COLLECTION TRAINING. (a) A person who performs a forensic examination on a sexual assault survivor must have at least basic forensic evidence collection training or the equivalent education.

(b) A person who completes a continuing medical or nursing education course in forensic evidence collection that is approved or recognized by the appropriate licensing board is considered to have basic sexual assault forensic evidence training for purposes of this chapter.

(c) Each health care facility that has an emergency department and that is not a health care facility designated in a community-wide plan as the primary health care facility in the community for treating sexual assault survivors shall develop a plan to train personnel on sexual assault forensic evidence collection.

Added by Acts 2013, 83rd Leg., R.S., Ch. 162 (S.B. 1191), Sec. 3, eff. September 1, 2013.

Sec. 323.005. INFORMATION FORM. (a) The department shall develop a standard information form for sexual assault survivors that must include:

(1) a detailed explanation of the forensic medical examination required to be provided by law, including a statement that photographs may be taken of the genitalia;

(2) information regarding treatment of sexually transmitted infections and pregnancy, including:

(A) generally accepted medical procedures;

(B) appropriate medications; and

(C) any contraindications of the medications prescribed
for treating sexually transmitted infections and preventing pregnancy;

(3) information regarding drug-facilitated sexual assault, including the necessity for an immediate urine test for sexual assault survivors who may have been involuntarily drugged;

(4) information regarding crime victims compensation, including:

(A) a statement that:

(i) a law enforcement agency will pay for the forensic portion of an examination requested by the agency under Article 56.06, Code of Criminal Procedure, and for the evidence collection kit; or

(ii) the Department of Public Safety will pay the appropriate fees for the forensic portion of an examination conducted under Article 56.065, Code of Criminal Procedure, and for the evidence collection kit; and

(B) reimbursement information for the medical portion of the examination;

(5) an explanation that consent for the forensic medical examination may be withdrawn at any time during the examination;

(6) the name and telephone number of sexual assault crisis centers statewide; and

(7) information regarding postexposure prophylaxis for HIV infection.

(b) A health care facility shall use the standard form developed under this section.

(c) An individual employed by or under contract with a health care facility may refuse to provide the information form required by this section for ethical or religious reasons. If an individual employed by or under contract with a health care facility refuses to provide the survivor with the information form, the health care facility must ensure that the information form is provided without delay to the survivor by another individual employed by or under contract with the facility.

Added by Acts 2005, 79th Leg., Ch. 934 (H.B. 677), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 322.005 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(47), eff. September 1, 2007.
Amended by:

Acts 2009, 81st Leg., R.S., Ch. 1140 (H.B. 2626), Sec. 5, eff. June 19, 2009.

Sec. 323.006. INSPECTION. The department may conduct an inspection of a health care facility to ensure compliance with this chapter.

Added by Acts 2005, 79th Leg., Ch. 934 (H.B. 677), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 322.006 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(47), eff. September 1, 2007.

Sec. 323.007. SEXUAL ASSAULT SURVIVORS WHO ARE MINORS. This chapter does not affect participating entities of children's advocacy centers under Subchapter E, Chapter 264, Family Code, or the working protocols set forth by their multidisciplinary teams to ensure access to specialized medical assessments for sexual assault survivors who are minors. To the extent of a conflict with Subchapter E, Chapter 264, Family Code, that subchapter controls.

Added by Acts 2013, 83rd Leg., R.S., Ch. 162 (S.B. 1191), Sec. 4, eff. September 1, 2013.

Sec. 323.008. DATA PUBLICATION. The department shall post on the department's Internet website a list of all hospitals that are designated in a community-wide plan as the primary health care facility in the community for treating sexual assault survivors.

Added by Acts 2013, 83rd Leg., R.S., Ch. 162 (S.B. 1191), Sec. 4, eff. September 1, 2013.

CHAPTER 324. CONSUMER ACCESS TO HEALTH CARE INFORMATION

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 324.001. DEFINITIONS. In this chapter:

(1) "Average charge" means the mathematical average of
facility charges for an inpatient admission or outpatient surgical procedure. The term does not include charges for a particular inpatient admission or outpatient surgical procedure that exceed the average by more than two standard deviations.

(2) "Billed charge" means the amount a facility charges for an inpatient admission, outpatient surgical procedure, or health care service or supply.

(3) "Costs" means the fixed and variable expenses incurred by a facility in the provision of a health care service.

(4) "Consumer" means any person who is considering receiving, is receiving, or has received a health care service or supply as a patient from a facility. The term includes the personal representative of the patient.

(5) "Department" means the Department of State Health Services.

(6) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(7) "Facility" means:
(A) an ambulatory surgical center licensed under Chapter 243;
(B) a birthing center licensed under Chapter 244; or
(C) a hospital licensed under Chapter 241.

(8) "Facility-based physician" means a radiologist, an anesthesiologist, a pathologist, an emergency department physician, or a neonatologist.

Added by Acts 2007, 80th Leg., R.S., Ch. 997 (S.B. 1731), Sec. 1, eff. September 1, 2007.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 1290 (H.B. 2256), Sec. 4, eff. June 19, 2009.

Sec. 324.002. RULES. The executive commissioner shall adopt and enforce rules to further the purposes of this chapter.

Added by Acts 2007, 80th Leg., R.S., Ch. 997 (S.B. 1731), Sec. 1, eff. September 1, 2007.
Sec. 324.051. DEPARTMENT WEBSITE. (a) The department shall make available on the department's Internet website a consumer guide to health care. The department shall include information in the guide concerning facility pricing practices and the correlation between a facility's average charge for an inpatient admission or outpatient surgical procedure and the actual, billed charge for the admission or procedure, including notice that the average charge for a particular inpatient admission or outpatient surgical procedure will vary from the actual, billed charge for the admission or procedure based on:

1. the person's medical condition;
2. any unknown medical conditions of the person;
3. the person's diagnosis and recommended treatment protocols ordered by the physician providing care to the person; and
4. other factors associated with the inpatient admission or outpatient surgical procedure.

(b) The department shall include information in the guide to advise consumers that:

1. the average charge for an inpatient admission or outpatient surgical procedure may vary between facilities depending on a facility's cost structure, the range and frequency of the services provided, intensity of care, and payor mix;
2. the average charge by a facility for an inpatient admission or outpatient surgical procedure will vary from the facility's costs or the amount that the facility may be reimbursed by a health benefit plan for the admission or surgical procedure;
3. the consumer may be personally liable for payment for an inpatient admission, outpatient surgical procedure, or health care service or supply depending on the consumer's health benefit plan coverage;
4. the consumer should contact the consumer's health benefit plan for accurate information regarding the plan structure, benefit coverage, deductibles, copayments, coinsurance, and other plan provisions that may impact the consumer's liability for payment for an inpatient admission, outpatient surgical procedure, or health care service or supply; and
5. the consumer, if uninsured, may be eligible for a discount on facility charges based on a sliding fee scale or a written charity care policy established by the facility.

(c) The department shall include on the consumer guide to
health care website:

(1) an Internet link for consumers to access quality of care data, including:

(A) the Texas Health Care Information Collection website;

(B) the Hospital Compare website within the United States Department of Health and Human Services website;

(C) the Joint Commission on Accreditation of Healthcare Organizations website; and

(D) the Texas Hospital Association's Texas PricePoint website; and

(2) a disclaimer noting the websites that are not provided by this state or an agency of this state.

(d) The department may accept gifts and grants to fund the consumer guide to health care. On the department's Internet website, the department may not identify, recognize, or acknowledge in any format the donors or grantors to the consumer guide to health care.

Added by Acts 2007, 80th Leg., R.S., Ch. 997 (S.B. 1731), Sec. 1, eff. September 1, 2007.

SUBCHAPTER C. BILLING OF FACILITY SERVICES AND SUPPLIES

Sec. 324.101. FACILITY POLICIES. (a) Each facility shall develop, implement, and enforce written policies for the billing of facility health care services and supplies. The policies must address:

(1) any discounting of facility charges to an uninsured consumer, subject to Chapter 552, Insurance Code;

(2) any discounting of facility charges provided to a financially or medically indigent consumer who qualifies for indigent services based on a sliding fee scale or a written charity care policy established by the facility and the documented income and other resources of the consumer;

(3) the providing of an itemized statement required by Subsection (e);

(4) whether interest will be applied to any billed service not covered by a third-party payor and the rate of any interest charged;

(5) the procedure for handling complaints;
(6) the providing of a conspicuous written disclosure to a consumer at the time the consumer is first admitted to the facility or first receives services at the facility that:
   (A) provides confirmation whether the facility is a participating provider under the consumer's third-party payor coverage on the date services are to be rendered based on the information received from the consumer at the time the confirmation is provided;
   (B) informs consumers that a facility-based physician who may provide services to the consumer while the consumer is in the facility may not be a participating provider with the same third-party payors as the facility;
   (C) informs consumers that the consumer may receive a bill for medical services from a facility-based physician for the amount unpaid by the consumer's health benefit plan;
   (D) informs consumers that the consumer may request a listing of facility-based physicians who have been granted medical staff privileges to provide medical services at the facility; and
   (E) informs consumers that the consumer may request information from a facility-based physician on whether the physician has a contract with the consumer's health benefit plan and under what circumstances the consumer may be responsible for payment of any amounts not paid by the consumer's health benefit plan;
(7) the requirement that a facility provide a list, on request, to a consumer to be admitted to, or who is expected to receive services from, the facility, that contains the name and contact information for each facility-based physician or facility-based physician group that has been granted medical staff privileges to provide medical services at the facility; and
(8) if the facility operates a website that includes a listing of physicians who have been granted medical staff privileges to provide medical services at the facility, the posting on the facility's website of a list that contains the name and contact information for each facility-based physician or facility-based physician group that has been granted medical staff privileges to provide medical services at the facility and the updating of the list in any calendar quarter in which there are any changes to the list.

(b) For services provided in an emergency department of a hospital or as a result of an emergent direct admission, the hospital shall provide the written disclosure required by Subsection (a)(6)
before discharging the patient from the emergency department or hospital, as appropriate.

(c) Each facility shall post in the general waiting area and in the waiting areas of any off-site or on-site registration, admission, or business office a clear and conspicuous notice of the availability of the policies required by Subsection (a).

(d) The facility shall provide an estimate of the facility's charges for any elective inpatient admission or nonemergency outpatient surgical procedure or other service on request and before the scheduling of the admission or procedure or service. The estimate must be provided not later than the 10th business day after the date on which the estimate is requested. The facility must advise the consumer that:

(1) the request for an estimate of charges may result in a delay in the scheduling and provision of the inpatient admission, outpatient surgical procedure, or other service;

(2) the actual charges for an inpatient admission, outpatient surgical procedure, or other service will vary based on the person's medical condition and other factors associated with performance of the procedure or service;

(3) the actual charges for an inpatient admission, outpatient surgical procedure, or other service may differ from the amount to be paid by the consumer or the consumer's third-party payor;

(4) the consumer may be personally liable for payment for the inpatient admission, outpatient surgical procedure, or other service depending on the consumer's health benefit plan coverage; and

(5) the consumer should contact the consumer's health benefit plan for accurate information regarding the plan structure, benefit coverage, deductibles, copayments, coinsurance, and other plan provisions that may impact the consumer's liability for payment for the inpatient admission, outpatient surgical procedure, or other service.

(e) A facility shall provide to the consumer at the consumer's request an itemized statement of the billed services if the consumer requests the statement not later than the first anniversary of the date the person is discharged from the facility. The facility shall provide the statement to the consumer not later than the 10th business day after the date on which the statement is requested.

(f) A facility shall provide an itemized statement of billed
services to a third-party payor who is actually or potentially responsible for paying all or part of the billed services provided to a patient and who has received a claim for payment of those services. To be entitled to receive a statement, the third-party payor must request the statement from the facility and must have received a claim for payment. The request must be made not later than one year after the date on which the payor received the claim for payment. The facility shall provide the statement to the payor not later than the 30th day after the date on which the payor requests the statement. If a third-party payor receives a claim for payment of part but not all of the billed services, the third-party payor may request an itemized statement of only the billed services for which payment is claimed or to which any deduction or copayment applies.

(g) A facility in violation of this section is subject to enforcement action by the appropriate licensing agency.

(h) If a consumer or a third-party payor requests more than two copies of the statement, the facility may charge a reasonable fee for the third and subsequent copies provided. The fee may not exceed the sum of:

1. a basic retrieval or processing fee, which must include the fee for providing the first 10 pages of the copies and which may not exceed $30;
2. a charge for each page of:
   A. $1 for the 11th through the 60th page of the provided copies;
   B. 50 cents for the 61st through the 400th page of the provided copies; and
   C. 25 cents for any remaining pages of the provided copies; and
3. the actual cost of mailing, shipping, or otherwise delivering the provided copies.

(i) If a consumer overpays a facility, the facility must refund the amount of the overpayment not later than the 30th day after the date the facility determines that an overpayment has been made. This subsection does not apply to an overpayment subject to Section 1301.132 or 843.350, Insurance Code.

Added by Acts 2007, 80th Leg., R.S., Ch. 997 (S.B. 1731), Sec. 1, eff. September 1, 2007.
Amended by:
Sec. 324.102. COMPLAINT PROCESS. A facility shall establish and implement a procedure for handling consumer complaints, and must make a good faith effort to resolve the complaint in an informal manner based on its complaint procedures. If the complaint cannot be resolved informally, the facility shall advise the consumer that a complaint may be filed with the department and shall provide the consumer with the mailing address and telephone number of the department.

Added by Acts 2007, 80th Leg., R.S., Ch. 997 (S.B. 1731), Sec. 1, eff. September 1, 2007.

Sec. 324.103. CONSUMER WAIVER PROHIBITED. The provisions of this chapter may not be waived, voided, or nullified by a contract or an agreement between a facility and a consumer.

Added by Acts 2007, 80th Leg., R.S., Ch. 997 (S.B. 1731), Sec. 1, eff. September 1, 2007.

CHAPTER 325. NOTICE OF SEX OFFENDER STATUS TO RESIDENTS OF GROUP HOME

Sec. 325.001. DEFINITIONS. In this chapter:

(1) "Director" means the administrator primarily responsible for the operation of a group home.

(2) "Group home" includes:

(A) an assisted living facility, as defined by Section 247.002;

(B) a boarding home facility, as defined by Section 260.001;

(C) a facility as defined by Section 246.002;

(D) a supportive housing facility operated by the state, a local government, or a private agency that provides supportive services to persons with mental illness, substance use conditions, or physical disabilities who require access to rehabilitative services and a stable living arrangement to maintain
consistent treatment regimens; and

(E) a transitional housing facility designed to facilitate the transition from inpatient to outpatient care or, within a reasonable time, the transition from homelessness to permanent housing for persons with serious mental illnesses, substance use conditions, or physical disabilities and who may require intensive case management and assistance with long-term goal planning and independent living skills.

(3) "Resident" means a person who resides and receives services at a group home.

Added by Acts 2013, 83rd Leg., R.S., Ch. 246 (H.B. 424), Sec. 1, eff. September 1, 2013.

Sec. 325.002. APPLICABILITY OF CHAPTER. This chapter does not apply to a group home that accepts or is assigned only residents who are sex offenders required to register under Chapter 62, Code of Criminal Procedure, if the residents receive treatment at the group home from a sex offender treatment provider who is licensed under Chapter 110, Occupations Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 246 (H.B. 424), Sec. 1, eff. September 1, 2013.

Sec. 325.003. SEX OFFENDER STATUS CHECK. Except as provided by Section 325.002, as soon as practicable after a person requests to live at a group home or is assigned to live at a group home as a condition of community supervision or as a condition of release on parole or to mandatory supervision, the director of the group home shall ascertain whether the person is registered under Chapter 62, Code of Criminal Procedure, by consulting the Internet website maintained by the Department of Public Safety that contains the sex offender database.

Added by Acts 2013, 83rd Leg., R.S., Ch. 246 (H.B. 424), Sec. 1, eff. September 1, 2013.

Sec. 325.004. NOTICE TO OTHER RESIDENTS REQUIRED. If based on
information obtained under Section 325.003 the director ascertains that a person is a registered sex offender, not later than the third day after the date the person becomes a resident of the group home, the director shall provide notice that the person is a sex offender to the legal guardian of each current resident who has a legal guardian and directly to each other resident. The notice must contain all of the information about the person that is available on the website described by Section 325.003.

Added by Acts 2013, 83rd Leg., R.S., Ch. 246 (H.B. 424), Sec. 1, eff. September 1, 2013.

Sec. 325.005. IMMUNITY FOR RELEASE OF PUBLIC INFORMATION. A group home or its director is not liable under any law for damages arising from conduct required under this chapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 246 (H.B. 424), Sec. 1, eff. September 1, 2013.

TITLE 5. SANITATION AND ENVIRONMENTAL QUALITY
SUBTITLE A. SANITATION
CHAPTER 341. MINIMUM STANDARDS OF SANITATION AND HEALTH PROTECTION MEASURES
SUBCHAPTER A. GENERAL PROVISIONS
Sec. 341.001. DEFINITIONS. In this chapter:
(1) "Board" means the Texas Board of Health.
(2) "Department" means the Texas Department of Health.
(3) "Drinking water" means water distributed by an individual or public or private agency for human consumption, for use in preparing food or beverages, or for use in cleaning a utensil or article used in preparing food or beverages for, or consuming food or beverages by, human beings. The term includes water supplied for human consumption or used by an institution catering to the public.
(4) "Human excreta" means the urinary and bowel discharges of a human.
(5) "Person" means an individual, corporation, organization, government, business trust, partnership, association, or any other legal entity.
(6) "Privy" means a facility for the disposal of human
(7) "Sanitary" means a condition of good order and cleanliness that precludes the probability of disease transmission.

(8) "Septic tank" means a covered water-tight tank designed for sewage treatment.

(9) "Toilet" means the hopper device for the deposit and discharge of human excreta into a water carriage system.

(10) "Tourist court" means a camping place or group of two or more mobile or permanent housing units operated as rental property for the use of transient trade or trailer units housing humans.

(11) "Water supply" means a source or reservoir of water distributed and used for human consumption.

(12) "Water supply system operator" means a person who:

(A) is trained in the purification or distribution of a public water supply;

(B) has a practical working knowledge of the chemistry and bacteriology essential to the practical mechanics of water purification; and

(C) is capable of conducting and maintaining the purification processes in an efficient manner.

Sec. 341.002. RULES FOR SANITATION AND HEALTH PROTECTION. The board may:

(1) adopt rules consistent with the purposes of this chapter; and

(2) establish standards and procedures for the management and control of sanitation and for health protection measures.

SUBCHAPTER B. NUISANCES AND GENERAL SANITATION

Sec. 341.011. NUISANCE. Each of the following is a public health nuisance:

(1) a condition or place that is a breeding place for flies and that is in a populous area;

(2) spoiled or diseased meats intended for human consumption;
(3) a restaurant, food market, bakery, other place of business, or vehicle in which food is prepared, packed, stored, transported, sold, or served to the public and that is not constantly maintained in a sanitary condition;

(4) a place, condition, or building controlled or operated by a state or local government agency that is not maintained in a sanitary condition;

(5) sewage, human excreta, wastewater, garbage, or other organic wastes deposited, stored, discharged, or exposed in such a way as to be a potential instrument or medium in disease transmission to a person or between persons;

(6) a vehicle or container that is used to transport garbage, human excreta, or other organic material and that is defective and allows leakage or spilling of contents;

(7) a collection of water in which mosquitoes are breeding in the limits of a municipality or a collection of water that is a breeding area for Culex quinquefasciatus mosquitoes that can transmit diseases regardless of the collection's location other than a location or property where activities meeting the definition of Section 11.002(12)(A), Water Code, occur;

(8) a condition that may be proven to injuriously affect the public health and that may directly or indirectly result from the operations of a bone boiling or fat rendering plant, tallow or soap works, or other similar establishment;

(9) a place or condition harboring rats in a populous area;

(10) the presence of ectoparasites, including bedbugs, lice, and mites, suspected to be disease carriers in a place in which sleeping accommodations are offered to the public;

(11) the maintenance of an open surface privy or an overflowing septic tank so that the contents may be accessible to flies; and

(12) an object, place, or condition that is a possible and probable medium of disease transmission to or between humans.

Sec. 341.012. ABATEMENT OF NUISANCE. (a) A person shall abate a public health nuisance existing in or on a place the person
possesses as soon as the person knows that the nuisance exists.

(b) A local health authority who receives information and proof that a public health nuisance exists in the local health authority's jurisdiction shall issue a written notice ordering the abatement of the nuisance to any person responsible for the nuisance. The local health authority shall at the same time send a copy of the notice to the local municipal, county, or district attorney.

(c) The notice must specify the nature of the public health nuisance and designate a reasonable time within which the nuisance must be abated.

(d) If the public health nuisance is not abated within the time specified by the notice, the local health authority shall notify the prosecuting attorney who received the copy of the original notice. The prosecuting attorney:

(1) shall immediately institute proceedings to abate the public health nuisance; or

(2) request the attorney general to institute the proceedings or provide assistance in the prosecution of the proceedings, including participation as an assistant prosecutor when appointed by the prosecuting attorney.

Sec. 341.013. GARBAGE, REFUSE, AND OTHER WASTE. (a) Premises occupied or used as residences or for business or pleasure shall be kept in a sanitary condition.

(b) Kitchen waste, laundry waste, or sewage may not be allowed to accumulate in, discharge into, or flow into a public place, gutter, street, or highway.

(c) Waste products, offal, polluting material, spent chemicals, liquors, brines, garbage, rubbish, refuse, used tires, or other waste of any kind may not be stored, deposited, or disposed of in a manner that may cause the pollution of the surrounding land, the contamination of groundwater or surface water, or the breeding of insects or rodents.

(d) A person using or permitting the use of land as a public dump shall provide for the covering or incineration of all animal or vegetable matter deposited on the land and for the disposition of
other waste materials and rubbish to eliminate the possibility that those materials and rubbish might be a breeding place for insects or rodents.

(e) A person may not permit vacant or abandoned property owned or controlled by the person to be in a condition that will create a public health nuisance or other condition prejudicial to the public health.

Sec. 341.014. DISPOSAL OF HUMAN EXCRETA. (a) Human excreta in a populous area shall be disposed of through properly managed sewers, treatment tanks, chemical toilets, or privies constructed and maintained in conformity with the department's specifications, or by other methods approved by the department. The disposal system shall be sufficient to prevent the pollution of surface soil, the contamination of a drinking water supply, the infection of flies or cockroaches, or the creation of any other public health nuisance.

(b) Effluent from septic tanks constructed after September 4, 1945, shall be disposed of through:
   (1) a subsurface drainage field designed in accordance with good public health engineering practices; or
   (2) any other method that does not create a public health nuisance.

(c) A privy may not be constructed within 75 feet of a drinking water well or of a human habitation, other than a habitation to which the privy is appurtenant, without approval by the local health authority or the board. A privy may not be constructed or maintained over an abandoned well or over a stream.

(d) The superstructure and floor surrounding the seat riser and hopper device of a privy constructed and maintained in conformity with the department's specifications shall be kept in a sanitary condition at all times and must have adequate lighting and ventilation.

(e) Material and human excreta removed from a privy vault or from any other place shall be handled in a manner that does not create a public health nuisance. The material and human excreta may not be deposited within 300 feet of a highway unless buried or treated in accordance with the instructions of the local health
authority or the board.

Sec. 341.015. SANITATION OF ICE PLANTS. (a) A person may not go on the platform covering the tanks in which ice is frozen in an ice factory unless the person is an officer, employee, or other person whose duties require that action.

(b) An employee whose services are required on tanks shall be provided with clean shoes or boots that may not be used for any other purpose.

(c) Ice contaminated with sand, dirt, cinders, lint, or other foreign substance may not be sold or offered for sale for human consumption.

(d) Water used in the manufacturing of ice must be from an approved source and be of a safe quality.

(e) An ice plant operator shall provide sanitary handwashing and toilet facilities for the employees of the plant.

Sec. 341.016. SANITATION OF BUSINESSES; OCCUPATIONAL HEALTH AND SAFETY. (a) A person may not use or permit to be used in a business, manufacturing establishment, or other place of employment a process, material, or condition known to have a possible adverse effect on the health of the person's employees unless arrangements have been made to maintain the occupational environment in a manner that such injury will not occur.

(b) An industrial establishment shall be continually maintained in a sanitary condition.

(c) The department shall make available to the state's citizens:

(1) current information concerning minimum allowable concentrations of toxic gases; and

(2) environmental standards that relate to the health and safety of the employees of industrial establishments in this state.

(d) The department shall survey industrial establishments to study industrial health and sanitation issues, including water supplies and distribution, waste disposal, and adverse conditions
caused by processes that may cause ill health of industrial workers.

(e) The department shall give each surveyed establishment a summary of the studies and findings under Subsection (d) and make necessary recommendations for the adequate protection of the health, safety, and well-being of the workers.

Sec. 341.017. SANITATION FACILITIES FOR RAILROAD MAINTENANCE-OF-WAY EMPLOYEES. (a) The board shall adopt reasonable rules to require railroads to provide adequate sanitation facilities for railroad maintenance-of-way employees.

(b) The department may sue in a court of competent jurisdiction to compel compliance with a rule adopted under this section.

Sec. 341.018. RODENT CONTROL. (a) A person who possesses an enclosed structure used or operated for public trade and who knows that the structure is infested with rodents shall:

(1) attempt to exterminate the rodents by poisoning, trapping, fumigating, or other appropriate means; and

(2) provide every practical means of eliminating rats in the structure.

(b) A public building that is constructed after September 4, 1945, must incorporate rat-proofing features.

(c) The board shall promote rodent control programs in rat-infested areas and in localities in which typhus fever has appeared.

Sec. 341.019. MOSQUITO CONTROL ON UNINHABITED RESIDENTIAL PROPERTY. (a) Notwithstanding any other law, a municipality, county, or other local health authority may abate, without notice, a public health nuisance under Section 341.011(7) that:

(1) is located on residential property that is reasonably presumed to be abandoned or that is uninhabited due to foreclosure; and
(2) is an immediate danger to the health, life, or safety of any person.

(b) A public official, agent, or employee charged with the enforcement of health, environmental, or safety laws may enter the premises described by Subsection (a) at a reasonable time to inspect, investigate, or abate the nuisance.

(c) In this section, abatement is limited to the treatment with a mosquito larvicide of stagnant water in which mosquitoes are breeding.

(d) The public official, agent, or employee shall post on the front door of the residence a notice stating:

(1) the identity of the treating authority;
(2) the purpose and date of the treatment;
(3) a description of the areas of the property treated with larvicide;
(4) the type of larvicide used; and
(5) any known risks of the larvicide to humans or animals.

Added by Acts 2013, 83rd Leg., R.S., Ch. 16 (S.B. 186), Sec. 1, eff. May 10, 2013.

SUBCHAPTER C. SANITARY STANDARDS OF DRINKING WATER; PROTECTION OF PUBLIC WATER SUPPLIES AND BODIES OF WATER

Sec. 341.031. PUBLIC DRINKING WATER. (a) Public drinking water must be free from deleterious matter and must comply with the standards established by the commission or the United States Environmental Protection Agency. The commission may adopt and enforce rules to implement the federal Safe Drinking Water Act (42 U.S.C. Section 300f et seq.).

(b) In a public place or an establishment catering to the public, a common drinking cup may not be used.

(c) Drinking water may not be served except in sanitary containers or through other sanitary mediums.

(d) In this section, "common drinking cup" means a water or other beverage receptacle used for serving more than one person. The term does not include a water or other beverage receptacle that is properly washed and sterilized after each use.

Sec. 341.0315. PUBLIC DRINKING WATER SUPPLY SYSTEM REQUIREMENTS. (a) To preserve the public health, safety, and welfare, the commission shall ensure that public drinking water supply systems:

1. supply safe drinking water in adequate quantities;
2. are financially stable; and
3. are technically sound.

(b) The commission shall encourage and promote the development and use of regional and areawide drinking water supply systems.

(c) Each public drinking water supply system shall provide an adequate and safe drinking water supply. The supply must meet the requirements of Section 341.031 and commission rules.

(d) The commission shall consider compliance history in determining issuance of new permits, renewal permits, and permit amendments for a public drinking water system.

Added by Acts 1997, 75th Leg., ch. 1010, Sec. 6.19, eff. Sept. 1, 1997.

Sec. 341.032. DRINKING WATER PROVIDED BY COMMON CARRIER. (a) Drinking water provided by a common carrier or the common carrier's agent shall be taken only from supplies certified as meeting the standards established by the commission. The drinking water shall be kept and dispensed in a sanitary manner.

(b) A watering point must meet the standards of sanitation and water-handling practices established for those purposes by the commission. The commission shall certify each watering point that meets those standards.

(c) If a sanitary defect exists at the watering point, the commission shall issue a supplemental certification showing that the watering point is only provisionally approved. If a sanitary defect continues after the expiration of a reasonable time provided to correct the defect, the commission shall notify the common carrier not to receive drinking water at the watering point involved.

(d) In this section:
1. "Common carrier" means a licensed firm, corporation, or
establishment that solicits and operates public freight or passenger transportation service, including a vehicle employed in that transportation service.

(2) "Watering point" means a place where drinking water is placed aboard a vehicle operated as a common carrier.

Sec. 341.033. PROTECTION OF PUBLIC WATER SUPPLIES. (a) A person may not furnish drinking water to the public for a charge unless the production, processing, treatment, and distribution are at all times under the supervision of a water supply system operator holding a license issued by the commission under Chapter 37, Water Code.

(b) An owner, agent, manager, operator, or other person in charge of a water supply system that furnishes water for public or private use may not knowingly furnish contaminated drinking water to a person or allow the appliances of the water supply system to become unsanitary.

(c) The owner or manager of a water supply system furnishing drinking water to at least 25,000 persons shall have the water tested at least once daily to determine its sanitary quality and shall submit monthly reports of the tests to the commission.

(d) The owner or manager of a water supply system furnishing drinking water to less than 25,000 persons shall submit to the commission during each monthly period of the system's operation at least one specimen of water taken from the supply for bacteriological analysis. The population under this subsection shall be determined according to the most recent federal census or other population-determining methods if a federal census is not taken for the area served by the water supply system.

(e) The distribution system of a public drinking water supply and that of any other water supply may not be physically connected unless the other water is of a safe and sanitary quality and the commission approves the connection.

(f) A public drinking water supply may not be connected to a sprinkling, condensing, cooling, plumbing, or other system unless the connection is designed to ensure against a backflow or siphonage of
sewage or contaminated water into the drinking water supply.

(g) On discovery of a connection in violation of Subsection (e) or (f), the local health authority shall give written notice to the owner or agent maintaining the condition. The owner or agent shall make the necessary corrections to eliminate the condition.

(h) Subsections (a)-(d) do not apply to the production, distribution, or sale of raw, untreated surface water.

(i) An owner, agent, manager, operator, or other person in charge of a public water supply system that furnishes water for public or private use or a wastewater system that provides wastewater services for public or private use shall maintain internal procedures to notify the commission immediately of the following events, if the event may negatively impact the production or delivery of safe and adequate drinking water:

(1) an unusual or unexplained unauthorized entry at property of the public water supply or wastewater system;

(2) an act of terrorism against the public water supply or wastewater system;

(3) an unauthorized attempt to probe for or gain access to proprietary information that supports the key activities of the public water supply or wastewater system;

(4) a theft of property that supports the key activities of the public water supply or wastewater system; or

(5) a natural disaster, accident, or act that results in damage to the public water supply or wastewater system.

Acts 2005, 79th Leg., Ch. 1337 (S.B. 9), Sec. 18, eff. June 18, 2005.

Sec. 341.034. LICENSING AND REGISTRATION OF PERSONS WHO PERFORM DUTIES RELATING TO PUBLIC WATER SUPPLIES. (a) A person who operates a public water supply on a contract basis must hold a registration issued by the commission under Chapter 37, Water Code.

(b) A person who performs process control duties in production or distribution of drinking water for a public water system must hold
a license issued by the commission under Chapter 37, Water Code, unless:

(1) the duties are provided to a transient, noncommunity water system; and
(2) the water system uses groundwater that is not under the influence of surface water.

(c) A person who repairs or tests the installation or operation of backflow prevention assemblies must hold a license issued by the commission under Chapter 37, Water Code.

(d) A person who inspects homes and businesses to identify potential or actual cross-connections or other contaminant hazards in public water systems must hold a license issued by the commission under Chapter 37, Water Code, unless the person is licensed by the Texas State Board of Plumbing Examiners as a plumbing inspector or water supply protection specialist.

(e) Unless the person is licensed by the Texas State Board of Plumbing Examiners, a person must hold a license issued by the commission under Chapter 37, Water Code, if, under a contract, the person:

(1) installs, exchanges, connects, maintains, or services potable water treatment equipment and appliances in public or private water systems; or
(2) analyzes water to determine how to treat influent or effluent water, alter or purify water, or add or remove a mineral, chemical, or bacterial content or substance as part of the complete installation, exchange, connection, maintenance, or service of potable water treatment equipment and appliances.

Sec. 341.035. APPROVED PLANS REQUIRED FOR PUBLIC WATER SUPPLIES. (a) Except as provided by Subsection (d), a person may not begin construction of a public drinking water supply system unless the executive director of the commission approves:

(1) a business plan for the system; and
(2) the plans and specifications for the system.
(b) The prospective owner or operator of the system must submit to the executive director a business plan that demonstrates that the owner or operator of the proposed system has available the financial, managerial, and technical capability to ensure future operation of the system in accordance with applicable laws and rules. The executive director:

(1) shall review the business plan; and

(2) may order the prospective owner or operator of the system to provide adequate financial assurance of ability to operate the system in accordance with applicable laws and rules, in the form of a bond or as specified by the commission, unless the executive director finds that the business plan demonstrates adequate financial capability.

(c) The prospective owner or operator of the proposed system shall provide to the commission completed plans and specifications for review and approval in accordance with commission rules.

(d) A person is not required to file a business plan under Subsection (a)(1) or (b) if the person:

(1) is a county;

(2) is a retail public utility as defined by Section 13.002, Water Code, unless that person is a utility as defined by that section;

(3) has executed an agreement with a political subdivision to transfer the ownership and operation of the water supply system to the political subdivision; or

(4) is a noncommunity nontransient water system and the person has demonstrated financial assurance under Chapter 361 or 382 of this code or Chapter 26, Water Code.

Sec. 341.0351. NOTIFICATION OF SYSTEM CHANGES. Any person, including a municipality, supplying a drinking water service to the public that intends to make a material or major change in a water supply system that may affect the sanitary features of that utility must give written notice of that intention to the commission before
making the change.

Sec. 341.0352. ADVERTISED QUALITY OF WATER SUPPLY. A water supply system owner, manager, or operator or an agent of a water supply system owner, manager, or operator may not advertise or announce a water supply as being of a quality other than the quality that is disclosed by the commission's latest rating.

Sec. 341.0353. DRINKING WATER SUPPLY COMPARATIVE RATING INFORMATION. The commission shall assemble and tabulate all necessary information relating to public drinking water supplies at least once each year and as often during the year as conditions demand or justify. The information forms the basis of an official comparative rating of public drinking water supply systems.

Sec. 341.0354. HIGHWAY SIGNS FOR APPROVED SYSTEM RATING. A water supply system that attains an approved rating is entitled to erect signs of a design approved by the commission on highways approaching the municipality in which the water supply system is located. The signs shall be immediately removed on notice from the
commission if the water supply system does not continue to meet the specified standards.

Sec. 341.0355. FINANCIAL ASSURANCE FOR CERTAIN SYSTEMS. (a) The commission may require the owner or operator of a public drinking water supply system that was constructed without the approval required by Section 341.035, that has a history of noncompliance with this subchapter or commission rules, or that is subject to a commission enforcement action to:

(1) provide the executive director of the commission with a business plan that demonstrates that the system has available the financial, managerial, and technical resources adequate to ensure future operation of the system in accordance with applicable laws and rules; and

(2) provide adequate financial assurance of the ability to operate the system in accordance with applicable laws and rules in the form of a bond or as specified by the commission.

(b) If the commission relies on rate increases or customer surcharges as the form of financial assurance, such funds shall be deposited in an escrow account and released only with the approval of the commission.

Added by Acts 1997, 75th Leg., ch. 1010, Sec. 6.20, eff. Sept. 1, 1997.

Sec. 341.0356. ORDER TO STOP OPERATIONS. (a) A public water supply system shall stop operations on receipt of a written notification of the executive director of the commission or an order of the commission issued under this section.

(b) The executive director or the commission may order a public water supply system to stop operations if:

(1) the system was constructed without the approval required by Section 341.035; or
(2) the executive director determines that the system presents an imminent health hazard.

(c) A notification or order issued under this section may be delivered by facsimile, by personal service, or by mail.

(d) A water supply system subject to notification or an order under this section, on written request, is entitled to an opportunity to be heard by the commissioners at a commission meeting.

(e) The public water supply system may not resume operations until the commission, the executive director, or a court authorizes the resumption.

Added by Acts 1997, 75th Leg., ch. 1010, Sec. 6.20, eff. Sept. 1, 1997.

Sec. 341.0357. IDENTIFICATION REQUIREMENT FOR DEVICE WITH APPEARANCE OF FIRE HYDRANT THAT IS NONFUNCTIONING OR UNAVAILABLE FOR USE IN FIRE EMERGENCY. (a) The owner of any device having the appearance of a fire hydrant that is located in a place that an entity responsible for providing fire suppression services in a fire emergency would expect a fire hydrant to typically be located shall paint the device black if the device is nonfunctioning or otherwise unavailable for use by the entity providing fire suppression services in a fire emergency. The owner may place a black tarp over the device instead of painting the device black as required under this section if the device is temporarily nonfunctioning, or temporarily unavailable for use in a fire emergency, for a period not to exceed seven days.

(b) For purposes of this section, a device is considered to be nonfunctioning if the device pumps less than 250 gallons of water per minute.

(c) This section does not apply within the jurisdiction of a governmental entity that maintains its own system for labeling a device having the appearance of a fire hydrant that is nonfunctioning or otherwise unavailable for use in a fire emergency.

(d) This section does not apply within the jurisdiction of a governmental entity described by Section 341.03571(b).

Added by Acts 2007, 80th Leg., R.S., Ch. 684 (H.B. 1717), Sec. 1, eff. June 15, 2007.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 951 (H.B. 1768), Sec. 1, eff. June 14, 2013.

Sec. 341.03571. IDENTIFICATION REQUIREMENT FOR CERTAIN FIRE HYDRANTS AND FLUSH VALVES IN CERTAIN MUNICIPALITIES. (a) In this section, "hydrant" means:

(1) a fire hydrant; or
(2) a metal flush valve that:
   (A) has the appearance of a fire hydrant; and
   (B) is located in a place that an entity responsible for providing fire suppression services in a fire emergency would expect a fire hydrant to typically be located.

(b) This section applies only to a county, or a municipality in a county, that:

(1) borders the United Mexican States or is adjacent to a county that borders the United Mexican States;
(2) has a population of at least 400,000 or has a population of at least 20,000 and is adjacent to a county that has a population of at least 400,000; and
(3) is within 200 miles of the Gulf of Mexico.

(c) Each public water system responsible for any hydrant shall:

(1) paint all or the cap of the hydrant white if the hydrant is available to be used only to fill a water tank on a fire truck used for fire suppression services; and
(2) paint all or the cap of the hydrant black if the hydrant is unavailable for use by the entity providing fire suppression services in a fire emergency.

(d) For purposes of Subsection (c)(2), a hydrant is unavailable for use in a fire emergency if it is unavailable for pumping directly from the hydrant or is unavailable for use in filling a water tank on a fire truck used for fire suppression services.

(e) A public water system may place a black tarp over the hydrant or use another means to conceal the hydrant instead of painting all or the cap of the hydrant black as required under Subsection (c)(2) if the hydrant is temporarily unavailable for use in a fire emergency for a period not to exceed 45 days. Not later than the 45th day after the date a hydrant is concealed as provided by this subsection, the public water system responsible for the hydrant shall:
(1) if the hydrant is available for the provision of fire suppression services, remove the tarp or other means of concealment; or

(2) if the hydrant continues to be unavailable for use in a fire emergency, paint all or the cap of the hydrant black as required by Subsection (c)(2).

(f) A public water system that paints all or the cap of a hydrant black as required by Subsection (c)(2) may also ensure by any reasonable means that the hydrant is identifiable in low-light conditions, including by installing reflectors.

(g) This section does not apply:

(1) within the jurisdiction of a governmental entity that maintains its own system for labeling or color coding its hydrants; or

(2) to any public water system that has entered into a contract with a municipality or volunteer fire department to provide a water supply for fire suppression services if the contract specifies a different system for labeling or color coding hydrants.

(h) For purposes of Subsection (g), a system for labeling or color coding hydrants may include the assignment of different colors to identify hydrants that are available for direct pumping, hydrants that are available for filling a water tank on a fire truck used for fire suppression services, and hydrants that are unavailable for use by an entity providing fire suppression services in a fire emergency.

(i) The fact that all or the cap of a hydrant for which a public water system is responsible under this section is not painted black as described by Subsection (c)(2) or concealed in the manner described by Subsection (e) does not constitute a guarantee by the public water system that the hydrant will deliver a certain amount of water flow at all times. Notwithstanding any provision of Chapter 101, Civil Practice and Remedies Code, to the contrary, a public water system is not liable for a hydrant's inability to provide adequate water supply in a fire emergency.

Added by Acts 2013, 83rd Leg., R.S., Ch. 951 (H.B. 1768), Sec. 2, eff. June 14, 2013.
Section 42.044, Local Government Code, and includes an area that is designated by the governing body of a municipality as a zoned industrial area.

(1-a) "Public utility" has the meaning assigned by Section 13.002, Water Code.

(2) "Regulatory authority" has the meaning assigned by Section 13.002, Water Code.

(3) "Residential area" means:

(A) an area designated as a residential zoning district by a governing ordinance or code or an area in which the principal land use is for private residences;

(B) a subdivision for which a plat is recorded in the real property records of the county and that contains or is bounded by public streets or parts of public streets that are abutted by residential property occupying at least 75 percent of the front footage along the block face; or

(C) a subdivision a majority of the lots of which are subject to deed restrictions limiting the lots to residential use.

(b) The regulatory authority for a public utility shall by rule or ordinance adopt standards for installing fire hydrants and maintaining sufficient water pressure for service to fire hydrants adequate to protect public safety in residential areas in a municipality with a population of 1,000,000 or more.

(c) The commission shall assess residential areas in a municipality with a population of 1,000,000 or more to ensure that:

(1) the regulatory authority for the area has adopted the standards required by this section; and

(2) all public utilities serving the residential area are complying with the standards required by this section.

(d) The commission shall require a municipality with a population of 1,000,000 or more and acting as a regulatory authority to make appropriate revisions to standards the commission considers to be inadequate within a reasonable time established by the commission.

(e) The commission shall require a public utility in violation of a standard required under this section and established by the commission or by a municipality with a population of 1,000,000 or more and acting as a regulatory authority to comply with the standard within a reasonable time established by the commission.

(f) This section does not limit the authority of a municipality
with a population of 1,000,000 or more and acting as a regulatory authority to prohibit a public utility in violation of a standard established by the municipality from recovering through the public utility's rates a penalty or fine incurred for a violation of a standard.

(g) This section also applies to:

(1) a municipality with a population of more than 36,000 and less than 41,000 located in two counties, one of which is a county with a population of more than 1.8 million;

(2) a municipality, including any industrial district within the municipality or its extraterritorial jurisdiction, with a population of more than 7,000 and less than 30,000 located in a county with a population of more than 155,000 and less than 180,000; and

(3) a municipality, including any industrial district within the municipality or its extraterritorial jurisdiction, with a population of more than 11,000 and less than 18,000 located in a county with a population of more than 125,000 and less than 230,000.

Added by Acts 2007, 80th Leg., R.S., Ch. 861 (H.B. 1391), Sec. 1, eff. September 1, 2007.
Renumbered from Health and Safety Code, Section 341.0357 by Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 27.001(54), eff. September 1, 2009.
Amended by:
- Acts 2009, 81st Leg., R.S., Ch. 122 (H.B. 3661), Sec. 2, eff. September 1, 2009.
- Acts 2011, 82nd Leg., R.S., Ch. 290 (H.B. 1814), Sec. 2, eff. September 1, 2011.
- Acts 2013, 83rd Leg., R.S., Ch. 606 (S.B. 1086), Sec. 1, eff. September 1, 2013.
- Acts 2013, 83rd Leg., R.S., Ch. 606 (S.B. 1086), Sec. 2, eff. September 1, 2013.

Sec. 341.03585. FIRE HYDRANT FLOW AND PRESSURE STANDARDS IN CERTAIN MUNICIPALITIES. (a) In this section:

(1) "Industrial district" has the meaning assigned by Section 42.044, Local Government Code, and includes an area that is designated by the governing body of a municipality as a zoned...
industrial area.

(2) "Municipal utility" means a retail public utility, as defined by Section 13.002, Water Code, that is owned by a municipality.

(3) "Residential area" has the meaning assigned by Section 341.0358.

(4) "Utility" includes a "public utility" and "water supply or sewer service corporation" as defined by Section 13.002, Water Code.

(b) This section applies only to:

(1) a municipality, including any industrial district within the municipality or its extraterritorial jurisdiction, with a population of more than 7,000 and less than 30,000 located in a county with a population of more than 155,000 and less than 180,000; and

(2) a municipality, including any industrial district within the municipality or its extraterritorial jurisdiction, with a population of more than 11,000 and less than 18,000 located in a county with a population of more than 125,000 and less than 230,000.

(c) The governing body of a municipality by ordinance shall adopt standards requiring a utility to maintain a sufficient water flow and pressure to fire hydrants in a residential area or an industrial district located in the municipality or the municipality's extraterritorial jurisdiction. The standards:

(1) in addition to a utility's maximum daily demand, must provide, for purposes of emergency fire suppression, for:

(A) a sufficient water flow not in excess of 250 gallons per minute for at least two hours; and

(B) a sufficient water pressure not in excess of 20 pounds per square inch;

(2) must require a utility to maintain at least the sufficient water flow and pressure described by Subdivision (1) in fire hydrants in a residential area or an industrial district located within the municipality or the municipality's extraterritorial jurisdiction; and

(3) notwithstanding Subdivisions (1) and (2), if the municipality owns a municipal utility, may not require another utility located in the municipality or the municipality's extraterritorial jurisdiction to provide water flow and pressure in a fire hydrant greater than that provided by the municipal utility.
(d) Except as provided by this subsection, an ordinance under Subsection (c) may not require a utility to build, retrofit, or improve fire hydrants and related infrastructure in existence at the time the ordinance is adopted. An ordinance under Subsection (c) may apply to a utility's fire hydrants and related infrastructure that the utility:

(1) installs after the effective date of the ordinance; or

(2) acquires after the effective date of the ordinance if the hydrants and infrastructure comply with the standards adopted by the ordinance at the time the hydrants and infrastructure are acquired.

(e) After adoption of an ordinance under Subsection (c), the municipality shall encourage any responsible emergency services district, as described by Chapter 775, to enter into a written memorandum of understanding with the utility to provide for:

(1) the necessary testing of fire hydrants; and

(2) other relevant issues pertaining to the use of the water and maintenance of the fire hydrants to ensure compliance with this section.

(f) After adoption of an ordinance under Subsection (c), the utility shall paint all fire hydrants in accordance with the ordinance or a memorandum of understanding under Subsection (e) that are located in a residential area or an industrial district within the municipality or the municipality's extraterritorial jurisdiction.

(g) Notwithstanding any provision of Chapter 101, Civil Practice and Remedies Code, to the contrary, a utility is not liable for a hydrant's or metal flush valve's inability to provide adequate water supply in a fire emergency. This subsection does not waive a municipality's immunity under Subchapter I, Chapter 271, Local Government Code, or any other law and does not create any liability on the part of a municipality or utility under a joint enterprise theory of liability.

Added by Acts 2013, 83rd Leg., R.S., Ch. 606 (S.B. 1086), Sec. 3, eff. September 1, 2013.

Sec. 341.0359. FIRE HYDRANT FLOW STANDARDS. (a) In this section:

(1) "Municipal utility" means a retail public utility, as
defined by Section 13.002, Water Code, that is owned by a municipality.

(2) "Residential area" means an area used principally for private residences that is improved with at least 100 single-family homes and has an average density of one home per half acre.

(3) "Utility" includes a "public utility" and "water supply or sewer service corporation" as defined by Section 13.002, Water Code.

(b) The governing body of a municipality by ordinance may adopt standards set by the commission under Subsection (c) requiring a utility to maintain a minimum sufficient water flow and pressure to fire hydrants in a residential area located in the municipality or the municipality's extraterritorial jurisdiction.

(c) The commission by rule shall establish standards for adoption by a municipality under Subsection (b). The standards:

(1) in addition to a utility's maximum daily demand, must provide, for purposes of emergency fire suppression, for:
   (A) a minimum sufficient water flow of at least 250 gallons per minute for at least two hours; and
   (B) a minimum sufficient water pressure of at least 20 pounds per square inch;

(2) must require a utility to maintain at least the minimum sufficient water flow and pressure described by Subdivision (1) in fire hydrants in a residential area located within the municipality or the municipality's extraterritorial jurisdiction;

(3) must be based on the density of connections, service demands, and other relevant factors;

(4) notwithstanding Subdivisions (1) and (2), if the municipality owns a municipal utility, may not require another utility located in the municipality or the municipality's extraterritorial jurisdiction to provide water flow and pressure in a fire hydrant greater than that provided by the municipal utility as determined by the commission; and

(5) if the municipality does not own a municipal utility, may not require a utility located in the municipality or the municipality's extraterritorial jurisdiction to provide a minimum sufficient water flow and pressure greater than the standard established under Subdivision (1).

(d) An ordinance under Subsection (b) may not require a utility to build, retrofit, or improve infrastructure in existence at the
time the ordinance is adopted.

(e) A municipality with a population of less than 1.9 million
that adopts standards under Subsection (b) or that seeks to use a
utility's water for fire suppression shall enter into a written
memorandum of understanding with the utility to provide for:

(1) the necessary testing of fire hydrants; and
(2) other relevant issues pertaining to the use of the
water and maintenance of the fire hydrants to ensure compliance with
this section.

(f) A municipality may notify the commission of a utility's
failure to comply with a standard adopted under Subsection (b).

(g) On receiving the notice described by Subsection (f), the
commission shall require a utility in violation of a standard adopted
under this section to comply within a reasonable time established by
the commission. The commission may approve infrastructure
improvements and make corresponding changes to the tariff or rate
schedule of a utility that is a public utility as needed to permit
compliance with this section.

(h) Notwithstanding any provision of Chapter 101, Civil
Practice and Remedies Code, to the contrary, a utility is not liable
for a hydrant's or metal flush valve's inability to provide adequate
water supply in a fire emergency. This subsection does not waive a
municipality's immunity under Subchapter I, Chapter 271, Local
Government Code, or any other law and does not create any liability
on the part of a municipality under a joint enterprise theory of
liability.

Added by Acts 2013, 83rd Leg., R.S., Ch. 332 (H.B. 1973), Sec. 1, eff.
September 1, 2013.

Sec. 341.036. SANITARY DEFECTS AT PUBLIC DRINKING WATER SUPPLY
SYSTEMS. (a) A sanitary defect at a public drinking water supply
system that obtains its water supply from underground sources shall
be immediately corrected.

(b) A public drinking water supply system furnishing drinking
water from underground sources may not be established in a place
subject to possible pollution by floodwaters unless the system is
adequately protected against flooding.

(c) Suction wells or suction pipes used in a public drinking
water supply system must be constantly protected by practical safeguards against surface and subsurface pollution.

(d) Livestock may not be permitted to enter or remain in the wellhouse enclosure of a public drinking water supply system.

(e) Public drinking water distribution lines must be constructed of impervious materials with tight joints and must be a reasonably safe distance from sewer lines.

(f) Water from a surface public drinking water supply may not be made accessible or delivered to a consumer for drinking purposes unless the water has been treated to make it safe for human consumption. Water treatment plants, including aeration, coagulation, mixing, settling, filtration, and chlorinating units, shall be of a size and type prescribed by good public health engineering practices.

(g) A clear water reservoir shall be covered and be of a type and construction that prevents the entrance of dust, insects, and surface seepage.

Sec. 341.037. PROTECTION OF BODIES OF WATER FROM SEWAGE. The commission shall enforce state laws and take other necessary action to protect a spring, well, pond, lake, reservoir, or other stream in this state from any condition or pollution that results from sewage and that may endanger the public health.

Sec. 341.038. PROTECTION OF IMPOUNDED WATER FROM DISEASE-BEARING MOSQUITOES. A person that impounds water for public use shall cooperate with the commission and local departments of health to control disease-bearing mosquitoes on the impounded area.

Sec. 341.039. GRAYWATER STANDARDS. (a) The commission by rule
shall adopt and implement minimum standards for the use and reuse of graywater for:

1. irrigation and other agricultural purposes;
2. domestic use, to the extent consistent with Subsection (c);
3. commercial purposes; and
4. industrial purposes.

(b) The standards adopted by the commission under Subsection (a) must assure that the use of graywater is not a nuisance and does not damage the quality of surface water and groundwater in this state.

(c) The commission may not require a permit for the domestic use of less than 400 gallons of graywater each day if the graywater:

1. originates from a private residence;
2. is used by the occupants of that residence for gardening, composting, or landscaping at the residence;
3. is collected using a system that overflows into a sewage collection or on-site wastewater treatment and disposal system;
4. is stored in tanks that:
   A. are clearly labeled as nonpotable water;
   B. restrict access, especially to children; and
   C. eliminate habitat for mosquitoes and other vectors;
5. uses piping clearly identified as a nonpotable water conduit, including identification through the use of purple pipe, purple tape, or similar markings;
6. is generated without the formation of ponds or pools of graywater;
7. does not create runoff across the property lines or onto any paved surface; and
8. is distributed by a surface or subsurface system that does not spray into the air.

(d) Each builder is encouraged to:

1. install plumbing in new housing in a manner that provides the capacity to collect graywater from all allowable sources; and
2. design and install a subsurface graywater system around the foundation of new housing in a way that minimizes foundation movement or cracking.

(e) In this section, "graywater" means wastewater from clothes-
washing machines, showers, bathtubs, hand-washing lavatories, and sinks that are not used for disposal of hazardous or toxic ingredients. The term does not include wastewater:

1. that has come in contact with toilet waste;
2. from the washing of material, including diapers, soiled with human excreta; or
3. from sinks used for food preparation or disposal.

Sec. 341.040. DEFINITION. In this subchapter, "commission" means the Texas Commission on Environmental Quality.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 861 (H.B. 1391), Sec. 2, eff. September 1, 2007.

Sec. 341.041. FEES. (a) The commission by rule may charge fees to a person who owns, operates, or maintains a public drinking water supply system. The commission may establish a schedule of fees. The amount of the fees must be sufficient to cover the reasonable costs of administering the programs and services in this subchapter or the federal Safe Drinking Water Act (42 U.S.C. Section 300f et seq.). Among other factors, the commission shall consider equity among persons required to pay the fees as a factor in determining the amount of the fees. The commission may also use the fees to cover any other costs incurred to protect water resources in this state, including assessment of water quality, reasonably related to the activities of any of the persons required to pay a fee under the statutes listed in Section 5.701(q), Water Code.

(b) The commission by rule may assess penalties and interest for late payment of fees owed by persons who own, operate, or
maintain public drinking water supply systems. Penalties and interest established under this section may not exceed the rates established for delinquent taxes under Sections 111.060 and 111.061, Tax Code.

(c) Revenues collected by the commission under this subchapter shall be deposited to the credit of the water resource management account.

Sec. 341.042. STANDARDS FOR HARVESTED RAINWATER. (a) The commission shall establish recommended standards relating to the domestic use of harvested rainwater, including health and safety standards for treatment and collection methods for harvested rainwater intended for drinking, cooking, or bathing.

(b) The commission by rule shall provide that if a structure has a rainwater harvesting system and uses a public water supply for an auxiliary water source, the structure must have appropriate cross-connection safeguards.

(b-1) A privately owned rainwater harvesting system with a capacity of more than 500 gallons that has an auxiliary water supply shall have a backflow prevention assembly or an air gap installed at the storage facility for the harvested rainwater to ensure physical separation between the rainwater harvesting system and the auxiliary water supply. A rainwater harvesting system that meets the requirements of this subsection is considered connected to a public water supply system only for purposes of compliance with minimum water system capacity requirements as determined by commission rule.

(b-2) A person who installs and maintains rainwater harvesting systems that are connected to a public water supply system and are used for potable purposes must be licensed by the Texas State Board of Plumbing Examiners as a master plumber or journeyman plumber and hold an endorsement issued by the board as a water supply protection specialist.

(b-3) A person who intends to use a public water supply system as an auxiliary water source must give written notice of that intention to the municipality in which the rainwater harvesting
system is located or the owner or operator of the public water supply system. The public water supply system used as an auxiliary water source may be connected only to the water storage tank and may not be connected to the plumbing of a structure.

(b-4) A municipally owned water or wastewater utility, a municipality, or the owner or operator of a public water supply system may not be held liable for any adverse health effects allegedly caused by the consumption of water collected by a rainwater harvesting system that is connected to a public water supply system and is used for potable purposes if the municipally owned water or wastewater utility, municipality, or public water supply system is in compliance with the sanitary standards for drinking water applicable to the municipally owned water or wastewater utility, municipality, or public water supply system.

(b-5) A municipality or the owner or operator of a public water supply system may not be held liable for any adverse health effects allegedly caused by the consumption of water collected by a rainwater harvesting system that uses a public water supply system or an auxiliary water source and is used for potable purposes if the municipality or the public water supply system is in compliance with the sanitary standards for drinking water adopted by the commission and applicable to the municipality or public water supply system.

(c) Standards and rules adopted by the commission under this chapter governing public drinking water supply systems do not apply to a person:

(1) who harvests rainwater for domestic use; and

(2) whose property is not connected to a public drinking water supply system.

Added by Acts 2005, 79th Leg., Ch. 627 (H.B. 2430), Sec. 2, eff. June 17, 2005.

Sec. 341.046. NONAPPLICABILITY OF SUBCHAPTER F. Subchapter F does not apply to this subchapter.

Added by Acts 1993, 73rd Leg., ch. 353, Sec. 2, eff. Sept. 1, 1993.

Sec. 341.047. CRIMINAL PENALTY. (a) A person commits an offense if the person:
(1) violates a provision of Section 341.031;
(2) violates a provision of Section 341.032(a) or (b);
(3) violates a provision of Section 341.033(a)-(f);
(4) constructs a drinking water supply system without submitting completed plans and specifications as required by Section 341.035(c);
(5) begins construction of a drinking water supply system without the commission's approval as required by Section 341.035(a);
(6) violates a provision of Section 341.0351 or 341.0352;
(7) fails to remove a sign as required by Section 341.0354; or
(8) violates a provision of Section 341.036.
(b) An offense under Subsection (a) is a Class C misdemeanor.
(c) If it is shown on a trial of the defendant that the defendant has been convicted of an offense under Subsection (a) within a year before the date on which the offense being tried occurred, the subsequent offense under Subsection (a) is a Class B misdemeanor.
(d) Each day of a continuing violation is a separate offense.

Added by Acts 1993, 73rd Leg., ch. 353, Sec. 2, eff. Sept. 1, 1993.
Sec. 341.048. CIVIL ENFORCEMENT. (a) A person may not cause, suffer, allow, or permit a violation of this subchapter or a rule or order adopted under this subchapter.

(b) A person who causes, suffers, allows, or permits a violation under this subchapter shall be assessed a civil penalty of not less than $50 nor more than $1,000 for each violation. Each day of a continuing violation is a separate violation.

(c) If it appears that a person has violated, is violating, or threatens to violate a provision under this subchapter, the commission, a county, or a municipality may institute a civil suit in a district court for:

(1) injunctive relief to restrain the person from continuing the violation or threat of violation;
(2) the assessment and recovery of a civil penalty; or
(3) both injunctive relief and a civil penalty.

(d) The commission is a necessary and indispensable party in a suit brought by a county or municipality under this section.

(e) On the commission's request, the attorney general shall institute a suit in the name of the state for injunctive relief, to recover a civil penalty, or for both injunctive relief and civil penalty.

(f) The suit may be brought in:

(1) Travis County;
(2) the county in which the defendant resides; or
(3) the county in which the violation or threat of violation occurs.

(g) In a suit under this section to enjoin a violation or threat of violation of this subchapter, the court shall grant the state, county, or municipality, without bond or other undertaking, any injunction that the facts may warrant including temporary restraining orders, temporary injunctions after notice and hearing, and permanent injunctions.

(h) Civil penalties recovered in a suit brought under this section by a county or municipality shall be equally divided between:

(1) the state; and
(2) the county or municipality that first brought the suit.
Sec. 341.0485. WATER UTILITY IMPROVEMENT ACCOUNT. (a) The water utility improvement account is created outside of the state treasury.

(b) A civil or administrative penalty payable to the state that is collected from a utility for a violation of this subchapter shall be deposited in the account.

(c) The comptroller shall manage the account for the benefit of the commission and shall invest the money and deposit interest and other investment proceeds in the account. The comptroller shall release money from the account in the manner provided by the commission. Money in the account may be used only for:

(1) capital improvements to the water or sewer system of a utility that has paid fines or penalties under this chapter or under Chapter 13, Water Code, that have been deposited in the account; or

(2) capital improvements and operating and maintenance expenses for a utility placed in receivership or under a temporary manager under Section 13.4132, Water Code.

(d) Money used under Subsection (c)(1) for a utility's system may not exceed the amount of the civil or administrative penalties the utility has paid. Capital improvements made with money from the account may not be considered as invested capital of the utility for any purpose. If the utility is sold to another owner, a portion of the sales price equivalent to the percentage of the used and useful facilities that were constructed with money under Subsection (c)(1) shall be immediately distributed equally to the current customers of the utility.

(e) Money used under Subsection (c)(2) may not be considered as invested capital of the utility for any purpose.

(f) In this section, "utility" has the meaning assigned by Section 13.002, Water Code.

Added by Acts 1997, 75th Leg., ch. 1010, Sec. 6.32, eff. Sept. 1, 1997.
Sec. 341.049. ADMINISTRATIVE PENALTY. (a) If a person causes, suffers, allows, or permits a violation of this subchapter or a rule or order adopted under this subchapter, the commission may assess a penalty against that person as provided by this section. The penalty shall not be less than $50 nor more than $1,000 for each violation. Each day of a continuing violation may be considered a separate violation.

(b) In determining the amount of the penalty, the commission shall consider:

(1) the nature of the circumstances and the extent, duration, and gravity of the prohibited acts or omissions;

(2) with respect to the alleged violator:

(A) the history and extent of previous violations;

(B) the degree of culpability, including whether the violation was attributable to mechanical or electrical failures and whether the violation could have been reasonably anticipated and avoided;

(C) the person's demonstrated good faith, including actions taken by the person to correct the cause of the violation;

(D) any economic benefit gained through the violation; and

(E) the amount necessary to deter future violation;

and

(3) any other matters that justice requires.

(c) If, after examination of a possible violation and the facts surrounding that possible violation, the executive director of the commission concludes that a violation has occurred, the executive director may issue a preliminary report stating the facts on which that conclusion is based, recommending that a penalty under this section be imposed on the person, and recommending the amount of that proposed penalty. The executive director shall base the recommended amount of the proposed penalty on the factors provided by Subsection (b) and shall consider each factor for the benefit of the commission.

(d) Not later than the 10th day after the date on which the preliminary report is issued, the executive director of the commission shall give written notice of the report to the person charged with the violation. The notice shall include a brief summary of the charges, a statement of the amount of the penalty recommended, and a statement of the right of the person charged to a hearing on the occurrence of the violation, the amount of the penalty, or both.
(e) Not later than the 20th day after the date on which notice is received, the person charged may give the commission written consent to the executive director's report including the recommended penalty or may make a written request for a hearing.

(f) If the person charged with the violation consents to the penalty recommended by the executive director of the commission or fails to timely respond to the notice, the commission by order shall assess that penalty or order a hearing to be held on the findings and recommendations in the executive director's report. If the commission assesses a penalty, the commission shall give written notice of its decision to the person charged.

(g) If the person charged requests or the commission orders a hearing, the commission shall call a hearing and give notice of the hearing. As a result of the hearing, the commission by order may find that a violation has occurred and may assess a civil penalty, may find that a violation has occurred but that no penalty should be assessed, or may find that no violation has occurred. All proceedings under this subsection are subject to Chapter 2001, Government Code. In making any penalty decision, the commission shall consider each of the factors provided by Subsection (b).

(h) The commission shall give notice of its decision to the person charged, and if the commission finds that a violation has occurred and the commission has assessed a penalty, the commission shall give written notice to the person charged of its findings, of the amount of the penalty, and of the person's right to judicial review of the commission's order. If the commission is required to give notice of a penalty under this subsection or Subsection (f), the commission shall file notice of its decision with the Texas Register not later than the 10th day after the date on which the decision is adopted.

(i) Within a 30-day period immediately following the day on which the commission's order is final, as provided by Subchapter F, Chapter 2001, Government Code, the person charged with the penalty shall:

1. pay the penalty in full; or
2. if the person seeks judicial review of the fact of the violation, the amount of the penalty, or both:
   A. forward the amount of the penalty to the commission for placement in an escrow account; or
   B. post with the commission a supersedeas bond in a
form approved by the commission for the amount of the penalty to be effective until all judicial review of the order or decision is final.

(j) If the person charged fails to forward the money for escrow or post the bond as provided by Subsection (i), the commission or the executive director of the commission may refer the matter to the attorney general for enforcement.

Sec. 341.050. PENALTIES CUMULATIVE. All penalties accruing under this subchapter are cumulative of all other remedies, and a suit for recovery of any penalty does not bar or affect the recovery of any other penalty or bar any criminal prosecution against a person or any officer, director, agent, or employee of that person.

Added by Acts 1993, 73rd Leg., ch. 353, Sec. 2, eff. Sept. 1, 1993.

SUBCHAPTER D. SANITATION AND SAFETY OF FACILITIES USED BY PUBLIC

Sec. 341.061. TOILET FACILITIES. An operator, manager, or superintendent of a public building, schoolhouse, theater, filling station, tourist court, bus station, or tavern shall provide and maintain sanitary toilet accommodations.

Sec. 341.062. PUBLIC BUILDINGS. A public building constructed after September 4, 1945, shall incorporate the heating, ventilation, plumbing, and screening features necessary to protect the public health and safety.

Sec. 341.063. SANITATION OF BUS LINE, AIRLINE, AND COASTWISE
VESSEL. A person managing or operating a bus line or airline in this state, or a person operating a coastwise vessel along the shores of this state, shall maintain sanitary conditions in its equipment and at all terminals or docking points.

Sec. 341.064. SWIMMING POOLS AND BATHHOUSES. (a) An owner, manager, operator, or other attendant in charge of a public swimming pool shall maintain the pool in a sanitary condition.

(b) The bacterial content of the water in a public swimming pool may not exceed the safe limits prescribed by the board's standards. A minimum free residual chlorine of 2.0 parts for each one million units of water in a public spa and a minimum free residual chlorine of 1.0 part for each one million units of water in other public swimming pools, or any other method of disinfectant approved by the department, must be maintained in a public swimming pool in use.

(c) Water in a swimming pool open to the public may not show an acid reaction to a standard pH test.

(d) A public bathhouse and its surroundings shall be kept in a sanitary condition at all times.

(e) Facilities shall be provided in a public swimming pool for adequate protection of bathers against sputum contamination.

(f) A person known to be or suspected of being infected with a transmissible condition of a communicable disease shall be excluded from a public swimming pool.

(g) The construction and appliances of a public swimming pool must be such as to reduce to a practical minimum the possibility of drowning or of injury to bathers. The construction after September 4, 1945, of a public swimming pool must conform to good public health engineering practices.

(h) Bathing suits and towels furnished to bathers shall be thoroughly washed with soap and hot water and thoroughly rinsed and dried after each use.

(i) Dressing rooms of a public swimming pool shall contain shower facilities.

(j) A comb or hairbrush used by two or more persons may not be permitted or distributed in a bathhouse of a public swimming pool.
(k) The operator or manager of a public swimming pool shall provide adequate and proper approved facilities for the disposal of human excreta by the bathers.

(l) In adopting rules governing lifesaving equipment to be maintained by a public swimming pool, the board may not require a separate throwing line longer than two-thirds the maximum width of the pool.

(m) In this section, "public swimming pool" means an artificial body of water, including a spa, maintained expressly for public recreational purposes, swimming and similar aquatic sports, or therapeutic purposes.

(n) A county or municipality may:

(1) require that the owner or operator of a public swimming pool within the jurisdiction of the county or municipality obtain a permit for operation of the pool;

(2) inspect a public swimming pool within the jurisdiction of the county or municipality for compliance with this section; and

(3) impose and collect a reasonable fee in connection with a permit or inspection required under this subsection provided the following are met:

(A) the auditor for the county shall review the program every two years to ensure that the fees imposed do not exceed the cost of the program; and

(B) the county refunds the permit holders any revenue determined by the auditor to exceed the cost of the program.

(o) A county or municipality may by order close, for the period specified in the order, a swimming pool within the jurisdiction of the county or municipality if the operation of the pool violates this section or a permitting or inspection requirement imposed by the county or municipality under Subsection (n).

Sec. 341.0645. POOL SAFETY. (a) An owner, manager, operator, or other attendant in charge of a public swimming pool, wading pool, baby pool, hot tub, in-ground spa, water park, spray fountain, or other artificial body of water typically used for recreational
swimming, bathing, or play shall comply with pool safety standards adopted under this section.

(b) The executive commissioner of the Health and Human Services Commission shall adopt by rule pool safety standards necessary to prevent drowning. The standards must be at least as stringent as those imposed under the federal Virginia Graeme Baker Pool and Spa Safety Act (15 U.S.C. Section 8001 et seq.).

Added by Acts 2009, 81st Leg., R.S., Ch. 828 (S.B. 1732), Sec. 1, eff. September 1, 2009.

Sec. 341.065. SCHOOL BUILDINGS AND GROUNDS. (a) A school building must be located on grounds that are well drained and maintained in a sanitary condition.

(b) A school building must be properly ventilated and provided with an adequate supply of drinking water, an approved sewage disposal system, hand-washing facilities, a heating system, and lighting facilities that conform to established standards of good public health engineering practices.

(c) A public school lunchroom must comply with the state food and drug rules.

(d) A public school building and its appurtenances shall be maintained in a sanitary manner.

(e) A building custodian or janitor employed full-time shall know the fundamentals of safety and school sanitation.

Sec. 341.066. TOURIST COURTS, HOTELS, INNS, AND ROOMING HOUSES. (a) A person operating a tourist court, hotel, inn, or rooming house in this state shall:

(1) provide a safe and ample water supply for the general conduct of the tourist court, hotel, inn, or rooming house; and

(2) submit samples of the water at least once a year before May 1 to the department for bacteriological analysis.

(b) A tourist court, hotel, inn, and rooming house must be equipped with an approved system of sewage disposal maintained in a sanitary condition.

(c) An owner or operator of a tourist court, hotel, inn, or
rooming house shall keep the premises sanitary and shall provide every practical facility essential for that purpose.

(d) An owner or operator of a tourist court, hotel, inn, or rooming house who provides a gas stove for the heating of a unit in the facility shall determine that the stove is properly installed and maintained in a properly ventilated room.

(e) An owner, operator, or manager of a tourist court, hotel, inn, or rooming house shall maintain sanitary appliances located in the facility in good repair.

(f) Food offered for sale at a tourist court, hotel, inn, or rooming house shall be:
   (1) adequately protected from flies, dust, vermin, and spoilage; and
   (2) kept in a sanitary condition.

(g) An owner, manager, or agent of a tourist court, hotel, inn, or rooming house may not rent or furnish a unit to a person succeeding a previous occupant before:
   (1) thoroughly cleaning the unit; and
   (2) providing clean and sanitary sheets, towels, and pillowcases.

(h) An owner, operator, or manager of a tourist court, hotel, inn, or rooming house shall maintain the facility in a sanitary condition.

(i) A tourist court, hotel, inn, or rooming house that does not conform to this chapter is a public health nuisance.

Sec. 341.067. FAIRGROUNDS, PUBLIC PARKS, AND AMUSEMENT CENTERS.
(a) A fairground, public park, or amusement center of any kind shall be maintained in a sanitary condition.

(b) Food and beverages sold in a fairground, public park, or amusement center shall be:
   (1) adequately protected from flies, dust, vermin, and spoilage; and
   (2) kept in a sanitary condition.

Sec. 341.068. RESTROOM AVAILABILITY WHERE THE PUBLIC CONGREGATES. (a) Publicly and privately owned facilities where the public congregates shall be equipped with sufficient temporary or permanent restrooms to meet the needs of the public at peak hours.

(b) The board shall adopt rules to implement Subsection (a), including a rule that in providing sufficient restrooms a ratio of not less than 2:1 women's-to-men's restrooms or other minimum standards established in consultation with the Texas State Board of Plumbing Examiners shall be maintained if the use of the restrooms is designated by gender. The rules shall apply to facilities where the public congregates and on which construction is started on or after January 1, 1994, or on which structural alterations, repairs, or improvements exceeding 50 percent of the entire facility are undertaken on or after January 1, 1994.

(c) In this section:

(1) "Facilities where the public congregates" means sports and entertainment arenas, stadiums, community and convention halls, specialty event centers, and amusement facilities. The term does not include hotels, churches, restaurants, bowling centers, public or private elementary or secondary schools, or historic buildings.

(2) "Restroom" means toilet, chemical toilet, or water closet.

(d) The board may adopt rules consistent with Subsection (c)(1) to define "facilities where the public congregates."

Added by Acts 1993, 73rd Leg., ch. 624, Sec. 1, eff. Sept. 1, 1993.

Sec. 341.069. ACCESS TO RESTROOM FACILITIES. (a) In this section:

(1) "Customer" means an individual who is lawfully on the premises of a retail establishment.

(2) "Eligible medical condition" means Crohn's disease, ulcerative colitis, irritable bowel syndrome, or any other permanent or temporary medical condition that requires immediate access to a toilet facility.

(3) "Physician" has the meaning assigned by Section 151.002, Occupations Code.

(4) "Retail establishment" means a place of business open to the general public for the sale of goods or services.
(b) A retail establishment that has a toilet facility for its employees shall allow a customer to use the toilet facility during normal business hours if:

(1) the retail establishment does not have a public restroom that is immediately accessible to the customer;

(2) the employee toilet facility is not located in an area where providing access would create an obvious health or safety risk to the customer or an obvious security risk to the retail establishment;

(3) the customer requesting use of the employee toilet facility provides the retail establishment with evidence of the customer's eligible medical condition including:

(A) a copy of a statement signed by a physician, a registered nurse, a physician's assistant, or a person acting under the delegation and supervision of a licensed physician in conformance with Subchapter A, Chapter 157, Occupations Code, that indicates the customer suffers from an eligible medical condition or uses an ostomy device; or

(B) an identification card that is issued by a nationally recognized health organization or a local health department and that indicates the customer suffers from an eligible medical condition or uses an ostomy device; and

(4) three or more employees of the retail establishment are working and physically present on the premises of the retail establishment at the time the customer requests to use the employee toilet facility.

(c) A customer who uses a toilet facility as authorized by this section shall leave the toilet facility in the same condition as it was before the customer used the toilet facility.

(d) In providing access to an employee toilet facility under this section, the retail establishment or employee does not owe the customer to whom access is provided a greater degree of care than is owed to a licensee on the premises.

(e) An employee of a retail establishment who refuses to provide a customer with access to an employee toilet facility as required by this section commits an offense. An offense under this section is a misdemeanor punishable by a fine of not more than $100.

(f) A retail establishment is not required to make any physical changes to an employee toilet facility under this section.
Sec. 341.0695. INTERACTIVE WATER FEATURES AND FOUNTAINS. (a) In this section, "interactive water feature or fountain" means an installation that includes water sprays, dancing water jets, waterfalls, dumping buckets, or shooting water cannons and that is maintained for public recreation.

(b) An owner, manager, operator, or other attendant in charge of an interactive water feature or fountain shall maintain the water feature or fountain in a sanitary condition.

(c) The bacterial content of the water in an interactive water feature or fountain may not exceed the safe limits prescribed by the standards adopted under this chapter.

(d) Except as provided by Subsection (f), a minimum free residual chlorine of 1.0 part for each one million units of water used in an interactive water feature or fountain must be maintained.

(e) Water in an interactive water feature or fountain may not show an acid reaction to a standard pH test.

(f) The department may by rule adopt methods other than chlorination for the purpose of disinfecting interactive water features and fountains.

(g) An interactive water feature or fountain that is supplied entirely by drinking water that is not recirculated is not subject to Subsections (d) and (e).

(h) A person known to be or suspected of being infected with a transmissible condition of a communicable disease shall be excluded from an interactive water feature or fountain.

(i) A county, a municipality, or the department may:

(1) require that the owner or operator of an interactive water feature or fountain obtain a permit for operation of the water feature or fountain;

(2) inspect an interactive water feature or fountain for compliance with this section; and

(3) impose and collect a reasonable fee in connection with a permit or inspection required under this subsection provided, if the requirement is imposed by a county or municipality, the following are met:

(A) the auditor for the county or municipality shall
review the program every two years to ensure that the fees imposed do not exceed the cost of the program; and

(B) the county or municipality refunds the permit holders any revenue determined by the auditor to exceed the cost of the program.

(j) A county, a municipality, or the department may by order close, for the period specified in the order, an interactive water feature or fountain if the operation of the fountain or water feature violates this section or a permitting or inspection requirement imposed under Subsection (i).

(k) This section does not apply to a recreational water park that uses freshwater originating from a natural watercourse for recreational purposes and releases the freshwater back into the same natural watercourse.

Added by Acts 2009, 81st Leg., R.S., Ch. 1375 (S.B. 968), Sec. 1, eff. June 19, 2009.

SUBCHAPTER E. AUTHORITY OF HOME-RULE MUNICIPALITIES

Sec. 341.081. AUTHORITY OF HOME-RULE MUNICIPALITIES NOT AFFECTED. This chapter prescribes the minimum requirements of sanitation and health protection in this state and does not affect a home-rule municipality's authority to enact:

(1) more stringent ordinances in matters relating to this chapter; or

(2) an ordinance under:

(A) Article XI, Section V, of the Texas Constitution;
(B) Article 1175, Revised Statutes; or
(C) Section 51.072, Local Government Code.

Sec. 341.082. APPOINTMENT OF ENVIRONMENTAL HEALTH OFFICER IN CERTAIN HOME-RULE MUNICIPALITIES. (a) In a home-rule municipality, an environmental health officer may be appointed to enforce this chapter.

(b) The environmental health officer must be a registered professional engineer. The officer must file a copy of the officer's oath and appointment with the board.
(c) The environmental health officer shall assist the board in enforcing this chapter and is subject to:
   (1) the authority of the board; and
   (2) removal from office in the same manner as a municipal health authority.

**SUBCHAPTER F. PENALTIES**

**Sec. 341.091. CRIMINAL PENALTY.** (a) A person commits an offense if the person violates this chapter or a rule adopted under this chapter. A person commits an offense if the person violates a permitting or inspection requirement imposed under Section 341.064(n) or a closure order issued under Section 341.064(o). An offense under this section is a misdemeanor punishable by a fine of not less than $10 or more than $200.

(b) If it is shown on the trial of the defendant that the defendant has been convicted of an offense under this chapter within a year before the date on which the offense being tried occurred, the defendant shall be punished by a fine of not less than $10 or more than $1,000, confinement in jail for not more than 30 days, or both.

(c) Each day of a continuing violation is a separate offense.

**Sec. 341.092. CIVIL ENFORCEMENT.** (a) A person may not cause, suffer, allow, or permit a violation of this chapter or a rule adopted under this chapter.

(b) A person who violates this chapter or a rule adopted under this chapter shall be assessed a civil penalty. A person who violates a permitting or inspection requirement imposed under Section 341.064(n) or a closure order issued under Section 341.064(o) shall be assessed a civil penalty. A civil penalty under this section may not be less than $10 or more than $200 for each violation and for each day of a continuing violation.

(c) If it is shown on the trial of the defendant that the
defendant has previously violated this section, the defendant shall be assessed a civil penalty of not less than $10 or more than $1,000 for each violation and for each day of a continuing violation.

(d) If it appears that a person has violated, is violating, or is threatening to violate this chapter, a rule adopted under this chapter, a permitting or inspection requirement imposed under Section 341.064(n), or a closure order issued under Section 341.064(o), the department, a county, a municipality, or the attorney general on request by the district attorney, criminal district attorney, county attorney, or, with the approval of the governing body of the municipality, the attorney for the municipality may institute a civil suit in a district court for:

(1) injunctive relief to restrain the person from continuing the violation or threat of violation;
(2) the assessment and recovery of a civil penalty; or
(3) both injunctive relief and a civil penalty.

(e) The department is a necessary and indispensable party in a suit brought by a county or municipality under this section.

(f) On the department's request, or as otherwise provided by this chapter, the attorney general shall institute and conduct a suit in the name of the state for injunctive relief, to recover a civil penalty, or for both injunctive relief and civil penalty.

(g) The suit may be brought in Travis County, in the county in which the defendant resides, or in the county in which the violation or threat of violation occurs.

(h) In a suit under this section to enjoin a violation or threat of violation of this chapter, a rule adopted under this chapter, a permitting or inspection requirement imposed under Section 341.064(n), or a closure order issued under Section 341.064(o), the court shall grant the state, county, or municipality, without bond or other undertaking, any injunction that the facts may warrant, including temporary restraining orders, temporary injunctions after notice and hearing, and permanent injunctions.

(i) Civil penalties recovered in a suit brought under this section by a county or municipality through its own attorney shall be equally divided between:

(1) the state; and
(2) the county or municipality that first brought the suit.

(j) The state is entitled to civil penalties recovered in a suit instituted by the attorney general.
CHAPTER 342. LOCAL REGULATION OF SANITATION

SUBCHAPTER A. MUNICIPAL REGULATION OF SANITATION

Sec. 342.001. MUNICIPAL POWER CONCERNING STAGNANT WATER AND OTHER UNSANITARY CONDITIONS. (a) The governing body of a municipality may require the filling, draining, and regulating of any place in the municipality that is unwholesome, contains stagnant water, or is in any other condition that may produce disease.

(b) The governing body of a municipality may require the inspection of all premises.

(c) The governing body of a municipality may impose fines on the owner of premises on which stagnant water is found.

Sec. 342.002. MUNICIPAL POWER CONCERNING SEWERS AND PRIVIES. The governing body of a municipality may:

(1) regulate the making, filling, altering, or repairing of sewers and privies;

(2) direct the mode and material for constructing sewers and privies; and

(3) regulate the cleaning and disinfecting of sewers and privies.

Sec. 342.003. MUNICIPAL POWER CONCERNING FILTH, CARRION, AND OTHER UNWHOLESOME MATTER. The governing body of a municipality may regulate the cleaning of a building, establishment, or ground from filth, carrion, or other impure or unwholesome matter.

Sec. 342.004. MUNICIPAL POWER CONCERNING WEEDS OR CERTAIN
PUBLIC NUISANCES. The governing body of a municipality may require the owner of real property in the municipality to keep the property free from weeds, brush, and a condition constituting a public nuisance as defined by Section 343.011(c)(1), (2), or (3).

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 580 (S.B. 837), Sec. 1, eff. June 14, 2013.

Sec. 342.005. VIOLATION OF ORDINANCE. The governing body of a municipality may punish an owner or occupant of property in the municipality who violates an ordinance adopted under this subchapter.

Sec. 342.006. WORK OR IMPROVEMENTS BY MUNICIPALITY; NOTICE.
(a) If the owner of property in the municipality does not comply with a municipal ordinance or requirement under this chapter within seven days of notice of a violation, the municipality may:

(1) do the work or make the improvements required; and

(2) pay for the work done or improvements made and charge the expenses to the owner of the property.

(b) The notice must be given:

(1) personally to the owner in writing;

(2) by letter addressed to the owner at the owner's address as recorded in the appraisal district records of the appraisal district in which the property is located; or

(3) if personal service cannot be obtained:

(A) by publication at least once;

(B) by posting the notice on or near the front door of each building on the property to which the violation relates; or

(C) by posting the notice on a placard attached to a stake driven into the ground on the property to which the violation relates.

(c) If a municipality mails a notice to a property owner in accordance with Subsection (b), and the United States Postal Service returns the notice as "refused" or "unclaimed," the validity of the notice is not affected, and the notice is considered as delivered.
(d) In a notice provided under this section, a municipality may inform the owner by regular mail and a posting on the property, or by personally delivering the notice, that if the owner commits another violation of the same kind or nature that poses a danger to the public health and safety on or before the first anniversary of the date of the notice, the municipality without further notice may correct the violation at the owner's expense and assess the expense against the property. If a violation covered by a notice under this subsection occurs within the one-year period, and the municipality has not been informed in writing by the owner of an ownership change, then the municipality without notice may take any action permitted by Subsections (a)(1) and (2) and assess its expenses as provided by Section 342.007.

Sec. 342.007. ASSESSMENT OF EXPENSES; LIEN. (a) The governing body of a municipality may assess expenses incurred under Section 342.006 against the real estate on which the work is done or improvements made.

(b) To obtain a lien against the property, the mayor, municipal health authority, or municipal official designated by the mayor must file a statement of expenses with the county clerk of the county in which the municipality is located. The lien statement must state the name of the owner, if known, and the legal description of the property. A signature on a lien statement may be a facsimile signature as defined by Section 618.002, Government Code. The lien attaches upon the filing of the lien statement with the county clerk.

(c) The lien obtained by the municipality's governing body is security for the expenditures made and interest accruing at the rate of 10 percent on the amount due from the date of payment by the municipality.

(d) The lien is inferior only to:

(1) tax liens; and

(2) liens for street improvements.
(e) The governing body of the municipality may bring a suit for foreclosure in the name of the municipality to recover the expenditures and interest due.

(f) The statement of expenses or a certified copy of the statement is prima facie proof of the expenses incurred by the municipality in doing the work or making the improvements.

(g) The remedy provided by this section is in addition to the remedy provided by Section 342.005.

(h) The governing body of a municipality may foreclose a lien on property under this subchapter in a proceeding relating to the property brought under Subchapter E, Chapter 33, Tax Code.

Sec. 342.008. ADDITIONAL AUTHORITY TO ABATE DANGEROUS WEEDS.
(a) A municipality may abate, without notice, weeds that:
(1) have grown higher than 48 inches; and
(2) are an immediate danger to the health, life, or safety of any person.

(b) Not later than the 10th day after the date the municipality abates weeds under this section, the municipality shall give notice to the property owner in the manner required by Section 342.006.

(c) The notice shall contain:
(1) an identification, which is not required to be a legal description, of the property;
(2) a description of the violations of the ordinance that occurred on the property;
(3) a statement that the municipality abated the weeds; and
(4) an explanation of the property owner's right to request an administrative hearing about the municipality's abatement of the weeds.

(d) The municipality shall conduct an administrative hearing on the abatement of weeds under this section if, not later than the 30th
day after the date of the abatement of the weeds, the property owner files with the municipality a written request for a hearing.

(e) An administrative hearing conducted under this section shall be conducted not later than the 20th day after the date a request for a hearing is filed. The owner may testify or present any witnesses or written information relating to the municipality's abatement of the weeds.

(f) A municipality may assess expenses and create liens under this section as it assesses expenses and creates liens under Section 342.007. A lien created under this section is subject to the same conditions as a lien created under Section 342.007.

(g) The authority granted a municipality by this section is in addition to the authority granted by Section 342.006.

**SUBCHAPTER B. REGULATION OF SANITATION BY CERTAIN TYPES OF MUNICIPALITIES**

Sec. 342.021. POWER OF TYPE A GENERAL-LAW MUNICIPALITY CONCERNING CARCASSES OR OTHER UNWHOLESOME MATTER. (a) The governing body of a Type A general-law municipality may:

(1) prevent a person from bringing, depositing, or having in the municipal limits a carcass or other offensive or unwholesome substance or matter; and

(2) require a person to remove or destroy any offensive or unwholesome substance or matter, filth, putrid or unsound beef, pork, or fish, or hides or skins of any kind that the person is responsible for placing in the municipality.

(b) If the person does not comply with a provision adopted under Subsection (a), the municipality's governing body may:

(1) authorize a municipal officer to remove or destroy the offending material; or

(2) require the owner of a dead animal to remove the dead animal to a place designated by the municipality's governing body.

Sec. 342.022. JOINT SANITARY REGULATIONS OF TYPE A GENERAL-LAW MUNICIPALITY AND COUNTY. The governing body of a Type A general-law
municipality may cooperate with the commissioner's court of the county in which the municipality is located in making improvements considered necessary by those entities to:

(1) improve the public health and promote efficient sanitary regulations; and

(2) arrange for the construction of and payment for those improvements.

CHAPTER 343. ABATEMENT OF PUBLIC NUISANCES
SUBCHAPTER A. GENERAL PROVISIONS
Sec. 343.002. DEFINITIONS. In this chapter:

(1) "Abate" means to eliminate or remedy:
(A) by removal, repair, rehabilitation, or demolition;
(B) in the case of a nuisance under Section 343.011(c)(1), (9), or (10), by prohibition or control of access; and
(C) in the case of a nuisance under Section 343.011(c)(12), by removal, remediation, storage, transportation, disposal, or other means of waste management authorized by Chapter 361.

(2) "Building" means a structure built for the support, shelter, or enclosure of a person, animal, chattel, machine, equipment, or other moveable property.

(3) "Garbage" means decayable waste from a public or private establishment or restaurant. The term includes vegetable, animal, and fish offal and animal and fish carcasses, but does not include sewage, body waste, or an industrial by-product.

(4) "Neighborhood" means:
(A) a platted subdivision; or
(B) property contiguous to and within 300 feet of a platted subdivision.

(5) "Platted subdivision" means a subdivision that has its approved or unapproved plat recorded with the county clerk of the county in which the subdivision is located.

(6) "Premises" means all privately owned property, including vacant land or a building designed or used for residential, commercial, business, industrial, or religious purposes. The term includes a yard, ground, walk, driveway, fence, porch, steps, or
other structure appurtenant to the property.

(7) "Public street" means the entire width between property lines of a road, street, way, thoroughfare, or bridge if any part of the road, street, way, thoroughfare, or bridge is open to the public for vehicular or pedestrian traffic.

(8) "Receptacle" means a container that is composed of durable material and designed to prevent the discharge of its contents and to make its contents inaccessible to animals, vermin, or other pests.

(9) "Refuse" means garbage, rubbish, paper, and other decayable and nondecayable waste, including vegetable matter and animal and fish carcasses.

(10) "Rubbish" means nondecayable waste from a public or private establishment or residence.

(11) "Weeds" means all rank and uncultivated vegetable growth or matter that:

(A) has grown to more than 36 inches in height; or
(B) may create an unsanitary condition or become a harborage for rodents, vermin, or other disease-carrying pests, regardless of the height of the weeds.

(12) "Flea market" means an outdoor or indoor market, conducted on non-residential premises, for selling secondhand articles or antiques, unless conducted by a religious, educational, fraternal, or charitable organization.

Acts 2007, 80th Leg., R.S., Ch. 1366 (H.B. 3581), Sec. 1, eff. June 15, 2007.
Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.004, eff. September 1, 2009.

Sec. 343.003. EFFECT OF CHAPTER ON OTHER STATE LAW. This chapter does not affect a right, remedy, or penalty under other state law.

SUBCHAPTER B. PUBLIC NUISANCE PROHIBITED

Sec. 343.011. PUBLIC NUISANCE. (a) This section applies only to the unincorporated area of a county.

(b) A person may not cause, permit, or allow a public nuisance under this section.

(c) A public nuisance is:

(1) keeping, storing, or accumulating refuse on premises in a neighborhood unless the refuse is entirely contained in a closed receptacle;

(2) keeping, storing, or accumulating rubbish, including newspapers, abandoned vehicles, refrigerators, stoves, furniture, tires, and cans, on premises in a neighborhood or within 300 feet of a public street for 10 days or more, unless the rubbish or object is completely enclosed in a building or is not visible from a public street;

(3) maintaining premises in a manner that creates an unsanitary condition likely to attract or harbor mosquitoes, rodents, vermin, or disease-carrying pests;

(4) allowing weeds to grow on premises in a neighborhood if the weeds are located within 300 feet of another residence or commercial establishment;

(5) maintaining a building in a manner that is structurally unsafe or constitutes a hazard to safety, health, or public welfare because of inadequate maintenance, unsanitary conditions, dilapidation, obsolescence, disaster, damage, or abandonment or because it constitutes a fire hazard;

(6) maintaining on abandoned and unoccupied property in a neighborhood a swimming pool that is not protected with:

(A) a fence that is at least four feet high and that has a latched and locked gate; and

(B) a cover over the entire swimming pool that cannot be removed by a child;

(7) maintaining on any property in a neighborhood in a county with a population of more than 1.1 million a swimming pool that is not protected with:

(A) a fence that is at least four feet high and that has a latched gate that cannot be opened by a child; or

(B) a cover over the entire swimming pool that cannot be removed by a child;

(8) maintaining a flea market in a manner that constitutes
a fire hazard;

(9) discarding refuse or creating a hazardous visual obstruction on:
(A) county-owned land; or
(B) land or easements owned or held by a special district that has the commissioners court of the county as its governing body;

(10) discarding refuse on the smaller of:
(A) the area that spans 20 feet on each side of a utility line; or
(B) the actual span of the utility easement;

(11) filling or blocking a drainage easement, failing to maintain a drainage easement, maintaining a drainage easement in a manner that allows the easement to be clogged with debris, sediment, or vegetation, or violating an agreement with the county to improve or maintain a drainage easement;

(12) discarding refuse on property that is not authorized for that activity; or

(13) surface discharge from an on-site sewage disposal system as defined by Section 366.002.

(d) This section does not apply to:
(1) a site or facility that is:
(A) permitted and regulated by a state agency for the activity described by Subsection (c); or
(B) licensed or permitted under Chapter 361 for the activity described by Subsection (c); or

(2) agricultural land.

(e) In Subsection (d), "agricultural land" means land that qualifies for tax appraisal under Subchapter C or D, Chapter 23, Tax Code.

Amended by:
Acts 2005, 79th Leg., Ch. 355 (S.B. 1238), Sec. 1, eff. September 1, 2005.
Acts 2005, 79th Leg., Ch. 1094 (H.B. 2120), Sec. 12, eff.
Sec. 343.0111. SPECIAL EXCEPTION OR VARIANCE TO PUBLIC NUISANCE CLASSIFICATION. (a) The commissioners court of a county by order may:

(1) describe the circumstances in which a special exception to the application of Section 343.011 is available to a person and may grant the special exception in a specific case if the commissioners court finds that the specific case fits within the special exception, that the grant of the exception promotes justice, that the grant of the exception is not contrary to the public interest, and that the grant of the exception is consistent with the general purpose of Section 343.011; and

(2) authorize in a specific case not covered by a special exception a variance from the terms of Section 343.011 if the commissioners court makes the same findings in connection with the specific case that it makes in connection with a special exception under Subdivision (1) and finds that due to special conditions a literal enforcement of Section 343.011 would result in an unnecessary hardship.

(b) The commissioners court shall keep a record of its proceedings under this section and must include in the record a showing of the reasons for each decision made under this section.

Sec. 343.012. CRIMINAL PENALTY. (a) A person commits an offense if:

(1) the person violates Section 343.011(b); and
(2) the nuisance remains unabated after the 30th day after
the date on which the person receives notice from a county official,
agent, or employee to abate the nuisance.

(b) An offense under this section is a misdemeanor punishable
by a fine of not less than $50 or more than $200.

(c) If it is shown on the trial of the defendant that the
defendant has been previously convicted of an offense under this
section, the defendant is punishable by a fine of not less than $200
or more than $1,000, confinement in jail for not more than six
months, or both.

(d) Each day a violation occurs is a separate offense.

(e) The court shall order abatement of the nuisance if the
defendant is convicted of an offense under this section.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1991, 72nd Leg., ch. 499, Sec. 4, eff. Sept. 1, 1991; Acts
1995, 74th Leg., ch. 771, Sec. 4, eff. Aug. 28, 1995; Acts 1999,
76th Leg., ch. 752, Sec. 3, eff. Sept. 1, 1999.

Sec. 343.013. INJUNCTION. (a) A county or district court may
by injunction prevent, restrain, abate, or otherwise remedy a
violation of this chapter in the unincorporated area of the county.

(b) A county or a person affected or to be affected by a
violation under this chapter, including a property owner, resident of
a neighborhood, or organization of property owners or residents of a
neighborhood, may bring suit under Subsection (a). If the court
grants the injunction, the court may award the plaintiff reasonable
attorney's fees and court costs.

(c) A county may bring suit under this section to prohibit or
control access to the premises to prevent a continued or future
violation of Section 343.011(c)(1), (6), (9), or (10). The court may
grant relief under this subsection only if the county demonstrates
that:

(1) the person responsible for causing the public nuisance
has not responded sufficiently to previous attempts to abate a
nuisance on the premises, if the relief sought prohibits or controls
access of a person other than the owner; or

(2) the owner of the premises knew about the nuisance and
has not responded sufficiently to previous attempts to abate a
nuisance on the premises, if the relief sought controls access of the owner.

(d) In granting relief under Subsection (c), the court:
   (1) may not, in a suit brought under Section 343.011(c)(10), prohibit or control access by the owner or operator of a utility line or utility easement to that utility line or utility easement; and
   (2) may not prohibit the owner of the premises from accessing the property but may prohibit a continued or future violation.

Amended by:
   Acts 2005, 79th Leg., Ch. 1050 (H.B. 1287), Sec. 1, eff. September 1, 2005.
   Acts 2007, 80th Leg., R.S., Ch. 1366 (H.B. 3581), Sec. 3, eff. June 15, 2007.

SUBCHAPTER C. COUNTY AUTHORITY RELATING TO NUISANCE
Sec. 343.021. AUTHORITY TO ABATE NUISANCE. (a) If a county adopts abatement procedures that are consistent with the general purpose of this chapter and that conform to this chapter, the county may abate a nuisance under this chapter:
   (1) by demolition or removal, except as provided by Subsection (b);
   (2) in the case of a nuisance under Section 343.011(c)(1), (9), or (10), by prohibiting or controlling access to the premises;
   (3) in the case of a nuisance under Section 343.011(c)(6), by:
      (A) prohibiting or controlling access to the premises and installing a cover that cannot be opened by a child over the entire swimming pool; or
      (B) draining and filling the swimming pool; or
   (4) in the case of a nuisance under Section 343.011(c)(12), by removal, remediation, storage, transportation, disposal, or other means of waste management authorized under Chapter 361.
   (b) In the case of a nuisance under Section 343.011(c)(13), the
county may use any means of abatement reasonably necessary to bring the system into compliance with Chapter 366 only after the defendant fails to abate the nuisance as ordered by the court under Section 343.012(e).

Amended by:
   Acts 2005, 79th Leg., Ch. 1050 (H.B. 1287), Sec. 2, eff. September 1, 2005.
   Acts 2007, 80th Leg., R.S., Ch. 1366 (H.B. 3581), Sec. 4, eff. June 15, 2007.
Reenacted and amended by Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.006, eff. September 1, 2009.
Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 438 (S.B. 634), Sec. 2, eff. September 1, 2013.

Sec. 343.022. ABATEMENT PROCEDURES. (a) The abatement procedures adopted by the commissioners court must be administered by a regularly salaried, full-time county employee. A person authorized by the person administering the abatement program may administer:
   (1) the prohibition or control of access to the premises to prevent a violation of Section 343.011(c)(1), (6), (9), or (10);
   (2) the removal or demolition of the nuisance; and
   (3) the abatement of a nuisance described by Section 343.011(c)(12).
(b) The abatement procedures must require that written notice be given to:
   (1) the owner, lessee, occupant, agent, or person in charge of the premises; and
   (2) the person responsible for causing a public nuisance on the premises when:
      (A) that person is not the owner, lessee, occupant, agent, or person in charge of the premises; and
      (B) the person responsible can be identified.
(c) The notice must state:
   (1) the specific condition that constitutes a nuisance;
that the person receiving notice shall abate the
nuisance before the:

(A) 31st day after the date on which the notice is
served, if the person has not previously received a notice regarding
a nuisance on the premises; or

(B) 10th business day after the date on which the
notice is served, if the person has previously received a notice
regarding a nuisance on the premises;

(3) that failure to abate the nuisance may result in:

(A) abatement by the county;

(B) assessment of costs to the person responsible for
causation of the nuisance when that person can be identified; and

(C) a lien against the property on which the nuisance
exists, if the person responsible for causing the nuisance has an
interest in the property;

(4) that the county may prohibit or control access to the
premises to prevent a continued or future nuisance described by
Section 343.011(c)(1), (6), (9), or (10); and

(5) that the person receiving notice is entitled to submit
a written request for a hearing before the:

(A) 31st day after the date on which the notice is
served, if the person has not previously received a notice regarding
a nuisance on the premises; or

(B) 10th business day after the date on which the
notice is served, if the person has previously received a notice
regarding a nuisance on the premises.

d) The notice must be given:

(1) by service in person or by registered or certified
mail, return receipt requested; or

(2) if personal service cannot be obtained or the address
of the person to be notified is unknown, by posting a copy of the
notice on the premises on which the nuisance exists and by publishing
the notice in a newspaper with general circulation in the county two
times within 10 consecutive days.

e) Except as provided in Subsection (f), the abatement
procedures must require a hearing before the county abates the
nuisance if a hearing is requested. The hearing may be conducted
before the commissioners court or any board, commission, or official
designated by the commissioners court. The commissioners court may
designate a board, commission, or official to conduct each hearing.
(f) A county may, before conducting a hearing, abate a nuisance under Section 343.011(c)(6) by prohibiting or controlling access to the premises on which the nuisance is located and installing a cover that cannot be opened by a child over the entire swimming pool, but only if the county conducts a hearing otherwise in accordance with Subsection (e) after the nuisance is abated.

Amended by:
Acts 2005, 79th Leg., Ch. 1050 (H.B. 1287), Sec. 3, eff. September 1, 2005.
Acts 2007, 80th Leg., R.S., Ch. 388 (S.B. 680), Sec. 4, eff. June 15, 2007.
Acts 2007, 80th Leg., R.S., Ch. 1366 (H.B. 3581), Sec. 5, eff. June 15, 2007.
Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.007, eff. September 1, 2009.

Sec. 343.023. ASSESSMENT OF COSTS; LIEN. (a) A county may:
(1) assess:
   (A) the cost of abating the nuisance, including management, remediation, storage, transportation, and disposal costs, and damages and other expenses incurred by the county;
   (B) the cost of legal notification by publication; and
   (C) an administrative fee of not more than $100 on the person receiving notice under Section 343.022; or
(2) by resolution or order, assess:
   (A) the cost of abating the nuisance;
   (B) the cost of legal notification by publication; and
   (C) an administrative fee of not more than $100 against the property on which the nuisance exists.

(b) The county may not make an assessment against property unless the owner or owner's agent receives notice of the nuisance in accordance with Section 343.022.

(c) To obtain a lien against the property to secure an assessment, the commissioners court of the county must file a notice that contains a statement of costs, a legal description of the
property sufficient to identify the property, and the name of the property owner, if known, with the county clerk of the county in which the property is located.

(d) The county's lien to secure an assessment attaches when the notice of lien is filed and is inferior to a previously recorded bona fide mortgage lien attached to the real property to which the county's lien attaches, if the mortgage was filed for record in the office of the county clerk of the county in which the real property is located before the date on which the county files the notice of lien with the county clerk.

(e) The county is entitled to accrued interest beginning on the 31st day after the date of the assessment against the property at the rate of 10 percent a year.

(f) The statement of costs or a certified copy of the statement of costs is prima facie proof of the costs incurred to abate the nuisance.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1366 (H.B. 3581), Sec. 6, eff. June 15, 2007.

Sec. 343.0235. USE OF COUNTY FUNDS. A county is entitled to use any money available under other law for a cleanup or remediation of private property to abate a nuisance described by Section 343.011(c)(1), (9), or (10).

Added by Acts 2005, 79th Leg., Ch. 1050 (H.B. 1287), Sec. 4, eff. September 1, 2005.
Amended by:

Sec. 343.024. AUTHORITY TO ENTER PREMISES. (a) A county official, agent, or employee charged with the enforcement of health, environmental, safety, or fire laws may enter any premises in the unincorporated area of the county at a reasonable time to inspect,
investigate, or abate a nuisance or to enforce this chapter.

(b) Before entering the premises, the official, agent, or employee must exhibit proper identification to the occupant, manager, or other appropriate person.

Sec. 343.025. ENFORCEMENT. A court of competent jurisdiction in the county may issue any order necessary to enforce this chapter.

CHAPTER 344. MOSQUITO CONTROL DISTRICTS

Sec. 344.001. ELECTION ON ESTABLISHMENT AND TAX LEVY. The county judge on being petitioned by at least 200 qualified voters of the county may order an election to determine if the qualified voters of the county desire the:

(1) establishment of a mosquito control district in all or a portion of the county for the purpose of eradicating mosquitoes in the area; and

(2) levy of a tax not to exceed 25 cents on each $100 of the taxable value of property taxable by the district to finance the program provided by this chapter.

Sec. 344.002. BALLOT PROPOSITIONS. The ballot for an election under this chapter shall be printed to provide for voting for or against the propositions:

(1) "The establishment of a mosquito control district in ________ County."; and

(2) "The levy of a tax of _____ cents on each $100 of the taxable value of property taxable by the district to finance the mosquito control district within ________ County."

Sec. 344.003. LEVY AND COLLECTION OF TAX. (a) If the election results are in favor of the establishment of a mosquito control district and the levy of a tax, the commissioners court may levy a tax not to exceed the amount fixed by the election.

(b) The commissioners court may lower the tax to any designated sum it may determine if the anticipated revenue exceeds the revenue needed to carry out this chapter.

(c) The taxes levied under this section shall be:
   (1) collected by the county tax assessor-collector;
   (2) deposited in a separate fund; and
   (3) used only to carry out this chapter.

Sec. 344.004. ADVISORY COMMISSION. (a) The commissioners court in each county in which a mosquito control district is established shall appoint an advisory commission composed of five members who are qualified property taxpaying voters of the county. The commissioners of the commissioners court and the county judge shall each appoint one member of the advisory commission.

(b) Members of the advisory commission serve without compensation.

(c) The advisory commission shall make recommendations to the commissioners court that it considers necessary to carry out this chapter and shall perform any other duties as the commissioners court may determine.

(d) Each advisory commission member must take an oath of office prescribed by the commissioners court. The commissioners court may remove any member of the advisory commission at any time it considers necessary.

Sec. 344.005. MOSQUITO CONTROL ENGINEER. (a) The commissioners court in each county that has established a mosquito control district may appoint a mosquito control engineer who must be well qualified in the field of mosquito control. The mosquito control engineer serves at a salary determined by the commissioners court.
(b) The commissioners court shall supervise the powers and duties of the engineer.

(c) The engineer shall make recommendations to the commissioners court relating to the number of assistants and employees that may be needed, and the commissioners court shall appoint the assistants and employees it considers necessary for mosquito eradication in the district.

(d) The engineer shall make semiannual reports to the commissioners court or as many reports as are requested by the court concerning the work of mosquito eradication and of the expenses needed for the ensuing year.

(e) The first report shall be made not later than June 30 following the establishment of the mosquito control district, and the second report shall be made not later than December 31 following the first report.

Sec. 344.006. MERGER OF DISTRICTS. (a) The commissioners courts of two or more counties operating under this chapter may enter into an agreement to merge their separate districts into a single mosquito control district composed of those counties.

(b) The commissioners courts shall enter into an agreement that complies with this chapter, except that the advisory commission and mosquito control engineer may be appointed for the entire district rather than for each county.

Sec. 344.007. ELECTION ON DISSOLUTION OF DISTRICT. Each commissioners court that has established a mosquito control district under this chapter shall order an election to dissolve the mosquito control district on a petition of not less than 10 percent of the qualified voters of the county, as determined by the number of votes cast for all candidates for governor in the most recent gubernatorial general election.

CHAPTER 345. BEDDING

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 345.001. DEFINITIONS. In this chapter:

(1) "Bedding" means a mattress, mattress pad, mattress protector, box spring, sofa bed, studio couch, chairbed, convertible bed, convertible lounge, pillow, bolster, quilt, quilted spread, comforter, cot pad, sleeping bag, lounge chair pad, utility or all-purpose pad, crib pad, playpen pad, crib bumper pad, car bed pad, infant carrier pad, convertible stroller pad, bassinet pad, bed rest and lounge-type cushion, or a stuffed or filled article that can be used by a human for sleeping or reclining.

(2) "Department" means the Texas Department of Health.

(2-a) "Floor model" means new bedding placed in a retail sales area for display purposes.

(3) "Manufacturer" means a person whose principal business is the manufacture of bedding from new materials for the purpose of resale in this state by a distributor, jobber, wholesaler, or retail outlet or subsidiary outlet if the ownership and the name are the same as the manufacturer, or if it is an exclusive sales outlet for the manufacturer, or both.

(4) "Material" means an article, substance, or part of an article or substance, used in the manufacture, repair, or renovation of bedding.

(5) "New" means no previous use for any purpose other than previous use as a floor model.

(6) "Processor" means a person who manufactures, processes, and sells in this state or for delivery in this state any filling materials, including felt, batting, pads, or foam, to be used or that could be used in bedding, other than wooden frames or metal springs.

(7) "Recycled material" means material that:
   (A) is composed of recyclable material or that is derived from postconsumer waste or industrial waste; and
   (B) may be used in place of raw or virgin filling material in manufacturing, repairing, or renovating bedding.

(8) "Renovate" means to restore to a former condition or to place in a good state of repair.

(9) "Secondhand" means previous use in any manner other than previous use as a floor model.

(10) "Sell" includes offering or exposing for sale, including in a sale, bartering, trading, delivering, consigning,
leasing, possessing with intent to sell, or disposing of in any commercial manner.

(11) "Wholesaler" means a person located outside this state who on his own account sells, distributes, or jobs into this state to another for the purpose of resale bedding or filling material to be used in bedding. The term does not include an affiliate or subsidiary if the ownership and the name of the affiliate or subsidiary are the same as the manufacturer, and the affiliate or subsidiary is the exclusive sales outlet for the manufacturer.

Acts 2007, 80th Leg., R.S., Ch. 723 (H.B. 2471), Sec. 1, eff. September 1, 2007.

Sec. 345.002. EVIDENCE OF INTENT TO SELL. The possession of bedding by a manufacturer, renovator, wholesaler, or person holding a germicidal treatment permit in the course of business is presumptive evidence of an intent to sell the bedding.

Sec. 345.003. PAYMENT TO DEPARTMENT. Money collected in the administration of this chapter is payable to the department.

Sec. 345.004. LIMIT ON EXPENDITURE OF MONEY. The expenditure of money under this chapter may not exceed the amount of money collected under this chapter.

Sec. 345.005. MATERIALS OBTAINED FROM DUMP OR JUNKYARD. (a) A person may not manufacture, repair, or renovate bedding or batting
using discarded materials obtained from any dump or junkyard.

(b) A person may not sell an item of discarded bedding obtained from a source set out in Subsection (a).

Sec. 345.0055. MATERIAL USED IN BEDDING. (a) The department may adopt rules relating to material used in new or renovated bedding, including rules:

(1) requiring the use of burn resistant material; and
(2) prohibiting or restricting the use of secondhand or recycled material.

(b) Rules adopted under this section must be consistent with any applicable federal law or regulation.

Sec. 345.006. APPLICABILITY OF CHAPTER. This chapter does not apply to bedding manufactured, repaired, or renovated before June 30, 1939.

Sec. 345.0065. APPLICABILITY OF CHAPTER TO FLOOR MODEL. Bedding that has not been used for a purpose other than as a floor model is regulated as new bedding. A floor model may not be regulated as secondhand bedding under this chapter in any manner.

Added by Acts 2007, 80th Leg., R.S., Ch. 723 (H.B. 2471), Sec. 2, eff. September 1, 2007.

Sec. 345.007. ADVISORY COMMISSION. The Texas Board of Health may appoint an advisory commission composed of representatives of consumers and the bedding industry to assist the board in implementing this chapter.

SUBCHAPTER B. LABELS

Sec. 345.021. LABEL REQUIRED. (a) A person may not manufacture, repair, renovate, or sell bedding unless a label that conforms to this subchapter is:

(1) securely attached to the bedding at the location and by a method approved by the department; and

(2) clearly visible.

(b) The label must be made of substantial cloth or a substance of equal quality.

(c) The information required on a label by this chapter must be in English. The department may authorize or require the use of a language in addition to English on the label or on an additional separate label.

Sec. 345.022. LABELS ON BEDDING MADE OF NEW OR SECONDHAND MATERIAL. (a) A label required under this section shall be attached at the factory in which the bedding is manufactured.

(b) A label attached to bedding wholly manufactured from new material must be at least six square inches and state, plainly stamped or printed in ink:

(1) "All New Material" in lettering at least one-eighth inch high;

(2) the kind and grade of each material used in the filling and, if more than one kind or grade of material is used, the percentage, in descending order, by weight of each material; and

(3) the manufacturer's permit number assigned by the department.

(c) A label attached to bedding any part of which is manufactured from secondhand or recycled material, other than bedding reworked, repaired, or renovated for the owner for the owner's personal use, must be at least 12 square inches and state, plainly stamped or printed in ink:

(1) "Secondhand or Recycled Material" in lettering at least one-fourth inch high; and
(2) the manufacturer's permit number assigned by the department.

(d) A label attached to bedding renovated, reworked, or repaired for the owner for the owner's personal use and from the owner's material that is in whole or in part secondhand must be at least six square inches and state, plainly stamped or printed in ink:

(1) "Not for Sale, Owner's Own Material which is Secondhand Material" in lettering at least one-eighth inch high;

(2) the name and address of the owner; and

(3) the manufacturer's permit number assigned by the department.

(e) A term used on a label required by this section to describe kinds and grades of material used in filling must conform to those defined in the department's rules, and a trade or substitute term may not be used.

(f) The department may adopt rules that:

(1) require that the label state conformity with burn resistant material requirements or identify any chemical treatment applied to the bedding; and

(2) exempt from the requirements of this section a custom upholstery business that does not repair or renovate bedding for resale.

Sec. 345.023. FALSE OR MISLEADING STATEMENT PROHIBITED. A person may not make a false or misleading statement on a label required by Section 345.022.

Sec. 345.024. GERMICIDAL TREATMENT OF BEDDING AND MATERIALS. (a) Except as provided by Subsection (b), a person may not sell secondhand bedding or bedding manufactured in whole or in part from secondhand or recycled material unless the bedding has been germicidally treated and cleaned by a method approved by the department.
(b) An upholstered sofa bed, reclining chair, or studio couch shall be germicidally treated and cleaned only when required by department rules.

(c) A person may not use in the manufacture, repair, or renovation of bedding a material that has not been cleaned and germicidally treated by a process or treatment approved by the department if the material:
   (1) has been used by a person with a communicable disease; or
   (2) is filthy, oily, stained, or harbors loathsome insects or pathogenic organisms.

(d) A person may not sell material or bedding requiring germicidal treatment under this section unless the person applying the germicidal treatment securely attaches by a method approved by the department a label that is at least 12 square inches and contains, plainly printed in ink:
   (1) a statement that the article or material has been germicidally treated by a method approved by the department;
   (2) a statement of the method of germicidal treatment applied;
   (3) the date the article was germicidally treated;
   (4) the name and address of the person for whom the article was germicidally treated; and
   (5) the permit number of the person applying the germicidal treatment.

Sec. 345.025. LABEL REQUIRED ON FILLING MATERIAL. A processor shall identify each item of material to be used for filling bedding by affixing to the filling material a label as required by department rules.

Sec. 345.026. REMOVAL, DEFACEMENT, OR ALTERATION. A person may not remove, deface, or alter, or cause the removal, defacing, or
alteration of, a label or a statement on the label to defeat a provision of this chapter.

Sec. 345.027. COLOR OF LABEL AND LETTERING. The department may adopt rules governing the color of label required under this subchapter and the color of the lettering on the label.

Sec. 345.028. APPLICATION TO RECYCLED MATERIAL. Notwithstanding any other provision of this subchapter, this subchapter applies to bedding manufactured, repaired, or renovated in whole or in part from recycled materials only to the extent required by department rules.

Added by Acts 1997, 75th Leg., ch. 1055, Sec. 4, eff. Sept. 1, 1997.

SUBCHAPTER C. PERMITS

Sec. 345.041. PERMITS. (a) A person may not manufacture, wholesale, or engage in the business of renovating or selling bedding in this state or for delivery in this state unless the person has a permit for that purpose from the department.

(b) A processor may not sell filling material used for filling bedding in this state or for delivery in this state unless the person has a permit for that purpose from the department.

(c) The Texas Board of Health by rule may exempt from the permit requirement of this section a custom upholstery business that does not repair or renovate bedding for resale.

Sec. 345.042. PERMIT TO APPLY GERMICIDAL TREATMENT. (a) A
person may not apply a germicidal process unless:

(1) the process has been registered with and approved by the department; and

(2) the person has a numbered germicidal treatment permit issued by the department.

(b) A permit may be renewed annually only after the permit holder submits proof of continued compliance with this chapter and department rules adopted under this chapter.

(c) A person who holds a permit shall keep the permit conspicuously posted on the premises of the person's business near the treatment device.

(d) A person who holds a permit shall keep an accurate record of all materials that have been germicidally treated. The record must include the:

(1) source of the material;

(2) date of treatment; and

(3) name and address of the owner of each item.

(e) The record shall be available for inspection at any time by a representative of the department.

Sec. 345.043. FEES; EXPIRATION. (a) The Texas Board of Health shall set the fees for an initial permit issued under this chapter and for renewal of a permit issued under this chapter in amounts reasonable and necessary to defray the cost of administering this chapter.

(b) A fee collected under this chapter shall be deposited to a special account in the state treasury. Money in the account may be appropriated only to the department to administer and enforce this chapter.

(c) A permit expires one year after the date of issuance.

Sec. 345.0435. ADOPTION OF RULES; MINIMUM STANDARDS. (a) The executive commissioner of the Health and Human Services Commission shall adopt rules necessary to implement this subchapter, including
requirements for the issuance, renewal, denial, suspension, and revocation of a permit issued under this subchapter.

(b) The rules must contain minimum standards to protect the health and safety of the public.

Added by Acts 1997, 75th Leg., ch. 1055, Sec. 7, eff. Sept. 1, 1997. Amended by:

Acts 2005, 79th Leg., Ch. 153 (H.B. 1752), Sec. 1, eff. September 1, 2005.

Sec. 345.0436. SUBMISSION OF PRODUCT TEST RESULTS OR SAMPLE. In conjunction with the issuance or renewal of a permit under this subchapter, the department may require the applicant or permit holder to submit:

(1) a product sample; or
(2) the results of tests conducted on the product as required by the department.

Sec. 345.044. REVOCATION OF PERMIT FOR UNSANITARY CONDITION. (a) A bedding manufacturer or renovator shall keep the manufacturer's or renovator's place of business in a sanitary condition satisfactory to the department.

(b) The department may revoke the permit of a bedding manufacturer or renovator who violates this section.

Sec. 345.045. MINIMUM SANITARY STANDARDS FOR GERMICIDAL TREATMENT PERMIT. (a) The holder of a germicidal treatment permit must maintain the permit holder's place of business in a sanitary condition free from refuse, dirt contamination, insects, and vermin.

(b) The executive commissioner of the Health and Human Services Commission, by rule, may establish additional requirements regulating the sanitary condition of a permit holder's place of business. The holder of a germicidal treatment permit who germicidally treats not more than 10 items at the permit holder's place of business each week
is exempt from any additional requirements regulating the sanitary condition of a permit holder's place of business adopted under this subsection.

Added by Acts 2005, 79th Leg., Ch. 153 (H.B. 1752), Sec. 2, eff. September 1, 2005.

SUBCHAPTER D. GENERAL ENFORCEMENT; CRIMINAL OFFENSE

Sec. 345.081. DUTY TO ENFORCE CHAPTER. The department shall enforce this chapter for the protection of the public health and welfare.

Sec. 345.082. RULEMAKING AUTHORITY. The department may adopt rules to implement and enforce this chapter.

Sec. 345.083. INSPECTION. (a) To determine compliance with this chapter or a rule adopted under this chapter, a representative of the department may enter a place at which:

(1) bedding is manufactured, repaired, renovated, stored, or sold;

(2) materials are prepared for use in bedding; or

(3) germicidal treatment of bedding is performed.

(b) A representative of the department may take a sample of materials for inspection and analysis.

(c) A representative of the department may hold for evidence in a case involving a violation of this chapter or a rule adopted under this chapter bedding or materials manufactured, repaired, renovated, or sold in violation of this chapter or a rule adopted under this chapter.

Sec. 345.084. SALE OF BEDDING OR MATERIAL PROHIBITED BY
DEPARTMENT. (a) A representative of the department may prohibit the sale of specified bedding or material that is being or could be offered for sale in violation of this chapter or a rule adopted under this chapter.

(b) The representative shall appropriately tag any bedding or materials the sale of which is prohibited.

(c) A tag under this section may not be removed and bedding or materials that are tagged under this section may not be disposed of in any manner unless:

1. satisfactory compliance with this chapter and the rules adopted under this chapter has been shown;
2. a representative of the department releases the bedding for sale; and
3. a representative of the department has approved the removal or the department has directed that the tag be removed and the bedding or materials may be disposed of.

Sec. 345.085. JUDICIAL REVIEW. A person aggrieved by a final decision of the department is entitled to judicial review.

Sec. 345.086. INTERFERENCE WITH DEPARTMENT REPRESENTATIVE. A person may not interfere with, obstruct, or hinder a representative of the department performing a duty under this chapter.

Sec. 345.087. PROHIBITED ACTS; CRIMINAL OFFENSE. (a) A person commits an offense if a person:

1. manufactures, repairs, or renovates:
   A bedding using material in violation of rules adopted under Section 345.0055;
   B. bedding or batting in violation of Section 345.005;
   C. bedding using material in violation of Section 345.024; or
(D) bedding that does not conform to the label requirements of Subchapter B;
(2) introduces or delivers for introduction into commerce:
(A) bedding or batting manufactured, repaired, or renovated in violation of Section 345.005, 345.0055, or 345.024;
(B) bedding that does not conform to the label requirements of Subchapter B; or
(C) bedding or material the sale of which is prohibited as provided by Section 345.084;
(3) receives in commerce:
(A) bedding or batting manufactured, repaired, or renovated in violation of Section 345.005, 345.0055, or 345.024;
(B) bedding that does not conform to the label requirements of Subchapter B; or
(C) bedding or material the sale of which is prohibited as provided by Section 345.084; or
(4) violates Section 345.041, 345.042, or any other provision of this chapter or a rule adopted under this chapter.
(b) An offense under this section is a Class A misdemeanor.
(c) In a criminal proceeding under Subsection (a)(1), (2), or (3), it is not necessary to prove intent, knowledge, recklessness, or criminal negligence.
(d) It is a defense to prosecution under Subsection (a)(2) or (3) that the person acted in good faith and was not the person who manufactured, repaired, or renovated the article. This subsection does not apply unless the person furnishes, on request of the department or a local health authority, the name and address of the person from whom the article was received and copies of any documents relating to receipt of the article.

(c) In determining the amount of an administrative penalty assessed under this section, the department shall consider:

(1) the seriousness of the violation;
(2) the history of previous violations;
(3) the amount necessary to deter future violations;
(4) efforts made to correct the violation; and
(5) any other matters that justice may require.

(d) All proceedings for the assessment of an administrative penalty under this chapter are subject to Chapter 2001, Government Code.

Sec. 345.102. NOTICE; REQUEST FOR HEARING. (a) If, after investigation of a possible violation and the facts surrounding that possible violation, the department determines that a violation has occurred, the department shall give written notice of the violation to the person alleged to have committed the violation. The notice must include:

(1) a brief summary of the alleged violation;
(2) a statement of the amount of the proposed penalty based on the factors set forth in Section 345.101(c); and
(3) a statement of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(b) Not later than the 20th day after the date on which the notice is received, the person notified may accept the determination of the department made under this section, including the proposed penalty, or may make a written request for a hearing on that determination.

(c) If the person notified of the violation accepts the determination of the department or if the person fails to respond in a timely manner to the notice, the commissioner of public health or the commissioner's designee shall issue an order approving the determination and ordering that the person pay the proposed penalty.

Sec. 345.103. HEARING; ORDER. (a) If the person notified
requests a hearing, the department shall:

(1) set a hearing;
(2) give written notice of the hearing to the person; and
(3) designate a hearings examiner to conduct the hearing.

(b) The hearings examiner shall make findings of fact and conclusions of law and shall promptly issue to the commissioner of public health or the commissioner's designee a proposal for decision as to the occurrence of the violation and a recommendation as to the amount of the proposed penalty if a penalty is determined to be warranted.

(c) Based on the findings of fact and conclusions of law and the recommendations of the hearings examiner, the commissioner of public health or the commissioner's designee by order may find that a violation has occurred and may assess a penalty or may find that no violation has occurred.

Sec. 345.104. NOTICE AND PAYMENT OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW; REFUND. (a) The department shall give notice of the order under Section 345.103(c) to the person alleged to have committed the violation. The notice must include:

(1) separate statements of the findings of fact and conclusions of law;
(2) the amount of any penalty assessed; and
(3) a statement of the right of the person to judicial review of the order.

(b) Not later than the 30th day after the date on which the decision is final as provided by Chapter 2001, Government Code, the person shall:

(1) pay the penalty;
(2) pay the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or

(3) without paying the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.
(c) Within the 30-day period, a person who acts under Subsection (b)(3) may:

(1) stay enforcement of the penalty by:

(A) paying the penalty to the court for placement in an escrow account; or

(B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the order is final; or

(2) request the court to stay enforcement of the penalty by:

(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and

(B) giving a copy of the affidavit to the department by certified mail.

(d) If the department receives a copy of an affidavit under Subsection (c)(2), the department may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty and to give a supersedeas bond.

(e) If the person does not pay the penalty and the enforcement of the penalty is not stayed, the department may refer the matter to the attorney general for collection of the penalty.

(f) Judicial review of the order:

(1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and

(2) is under the substantial evidence rule.

(g) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(h) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty under Subsection (b)(2) and if that amount is reduced
or is not upheld by the court, the court shall order that the department pay the appropriate amount plus accrued interest to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person paid the penalty under Subsection (c)(1)(A), or gave a supersedeas bond, and if the amount of the penalty is not upheld by the court, the court shall order the release of the escrow account or bond. If the person paid the penalty under Subsection (c)(1)(A) and the amount of the penalty is reduced, the court shall order that the amount of the penalty be paid to the department from the escrow account and that the remainder of the account be released. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

Sec. 345.105. PENALTY DEPOSITED TO STATE TREASURY. An administrative penalty collected under this subchapter shall be deposited in the state treasury to the credit of the general revenue fund.

Sec. 345.106. INJUNCTION. (a) At the request of the commissioner of public health, the attorney general may petition the district court for a temporary restraining order to restrain a continuing violation of this chapter or a threat of a continuing violation of this chapter if the commissioner of public health finds that:

(1) a person has violated, is violating, or is threatening to violate this chapter; and

(2) the violation or threatened violation creates an immediate threat to the health and safety of the public.

(b) A district court, on petition under this section and on a finding by the court that a person is violating or threatening to violate this chapter, shall grant any injunctive relief warranted by
the facts.

(c) Venue for a suit brought under this section is in the county in which the violation or threat of violation is alleged to have occurred or in Travis County.

Sec. 345.107. RECOVERY OF COSTS. (a) The department may assess reasonable expenses and costs against a person in an administrative hearing if, as a result of the hearing, the person's permit is denied, suspended, or revoked or if administrative penalties are assessed against the person. The person shall pay expenses and costs assessed under this subsection not later than the 30th day after the date on which the order issued by the commissioner of public health or the commissioner's designee requiring the payment of expenses and costs is final. The department may refer the matter to the attorney general for collection of the expenses and costs.

(b) If the attorney general brings an action against a person under Section 345.106 or to enforce an administrative penalty assessed under this subchapter and an injunction is granted against the person or the person is found liable for an administrative penalty, the attorney general may recover, on behalf of the attorney general and the department, reasonable expenses and costs.

(c) For purposes of this section, "reasonable expenses and costs" include expenses incurred by the department and the attorney general in the investigation, initiation, or prosecution of an action, including reasonable investigative costs, court costs, attorney's fees, witness fees, and deposition expenses.

SUBCHAPTER F. DETENTION OR EMBARGO OF BEDDING

Sec. 345.131. DEFINITIONS. In this subchapter:

(1) "Authorized agent" means an employee of the department who is designated by the commissioner of public health to enforce the provisions of this chapter.

(2) "Detained or embargoed bedding" means bedding that has been detained or embargoed under Section 345.132.
Sec. 345.132. DETAINED OR EMBARGOED BEDDING. (a) The commissioner of public health or an authorized agent may detain or embargo bedding under this section if the commissioner or the authorized agent finds or has probable cause to believe that the article violates this chapter or a rule or standard adopted under this chapter.

(b) The commissioner of public health or an authorized agent shall affix to detained or embargoed bedding a tag or other appropriate marking that gives notice that:

(1) the bedding violates or is suspected of violating this chapter or a rule or standard adopted under this chapter; and

(2) the bedding has been detained or embargoed.

(c) The tag or marking on detained or embargoed bedding must warn all persons not to use the bedding, remove the bedding from the premises, or dispose of the bedding by sale or otherwise until permission for use, removal, or disposal is given by the commissioner of public health, the authorized agent, or a court.

(d) A person may not use detained or embargoed bedding, remove detained or embargoed bedding from the premises, or dispose of detained or embargoed bedding by sale or otherwise without permission of the commissioner of public health, the authorized agent, or a court.

(e) The commissioner of public health or an authorized agent shall remove the tag or other marking from detained or embargoed bedding if the commissioner or an authorized agent finds that the bedding does not violate this chapter or a rule or standard adopted under this chapter.

Sec. 345.133. REMOVAL ORDER FOR DETAINED OR EMBARGOED BEDDING. (a) If the claimant of the detained or embargoed bedding or the claimant's agent fails or refuses to transfer the bedding to a secure place after the tag or other appropriate marking has been affixed as provided by Section 345.132, the commissioner of public health or an authorized agent may order the transfer of the bedding to one or more
secure storage areas to prevent unauthorized use, removal, or disposal.

(b) The commissioner of public health or an authorized agent may provide for the transfer of the bedding if the claimant of the bedding or the claimant's agent does not carry out the transfer order in a timely manner.

(c) The claimant of the bedding or the claimant's agent shall pay the costs of the transfer, and the costs of any transfer made under Subsection (a) or (b) shall be assessed against the claimant of the bedding or the claimant's agent.

(d) The commissioner of public health may request the attorney general to bring an action in the district court in Travis County to recover the costs of the transfer. In a judgment in favor of the state, the court may award costs, attorney's fees, court costs, and interest from the time the expense was incurred through the date the department is reimbursed.

Sec. 345.134. CONDEMNATION. An action for the condemnation of bedding may be brought before a court in whose jurisdiction the bedding is located, detained, or embargoed if the bedding violates this chapter or a rule or standard adopted under this chapter.

Sec. 345.135. RECALL ORDERS. (a) In conjunction with the detention or embargo of bedding under this subchapter, the commissioner of public health may order bedding to be recalled from commerce.

(b) The commissioner of public health's recall order may require the bedding to be removed to one or more secure areas approved by the commissioner or an authorized agent.

(c) The recall order must be in writing and signed by the commissioner of public health.

(d) The recall order may be issued before or in conjunction with the affixing of the tag or other appropriate marking as provided by Section 345.132(b).

(e) The recall order is effective until the order:
(1) expires on its own terms;
(2) is withdrawn by the commissioner of public health; or
(3) is reversed by a court in an order denying condemnation under Section 345.134.

(f) The claimant of the bedding or the claimant's agent shall pay the costs of the removal and storage of the bedding removed.

(g) If the claimant or the claimant's agent fails or refuses to carry out the recall order in a timely manner, the commissioner of public health may provide for the recall of the bedding. The costs of the recall shall be assessed against the claimant of the bedding or the claimant's agent.

(h) The commissioner of public health may request the attorney general to bring an action in the district court of Travis County to recover the costs of the recall. In a judgment in favor of the state, the court may award costs, attorney's fees, court costs, and interest from the time the expense was incurred through the date the department is reimbursed.

Sec. 345.136. DESTRUCTION OF BEDDING. (a) A court shall order the destruction of detained or embargoed bedding if the court finds that the bedding violates this chapter or a rule or standard adopted under this chapter.

(b) After entry of the court's order, an authorized agent shall supervise the destruction of the bedding.

(c) The claimant of the article shall pay the cost of the destruction of the bedding.

(d) The court shall tax against the claimant of the bedding or the claimant's agent all court costs and fees and storage and other proper expenses.

Sec. 345.137. CORRECTION BY PROPER LABELING OR PROCESSING. (a) A court may order the delivery of detained or embargoed bedding that violates this chapter or a rule or standard adopted under this chapter to the claimant of the bedding for labeling or processing under the supervision of an agent of the commissioner of public health and the costs of labeling or processing shall be paid by the claimant of the bedding or the claimant's agent.

Sec. 345.138. PROCEDURE. (a) Upon issuance of a recall order, the commissioner of public health shall notify the claimant of the bedding. The commissioner shall then provide the claimant with an opportunity to correct the violation identified in the recall order.

(b) If the claimant or the claimant's agent fails to correct the violation within a reasonable time, the commissioner shall order the recall of the bedding. The commissioner shall order the recall in the manner described in Subsection (c).

(c) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of illness to the public.

(d) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of injury to the public.

(e) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of death to the public.

(f) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of injury to the public.

(g) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of death to the public.

(h) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of illness to the public.

(i) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of injury to the public.

(j) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of death to the public.

(k) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of illness to the public.

(l) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of injury to the public.

(m) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of death to the public.

(n) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of illness to the public.

(o) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of injury to the public.

(p) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of death to the public.

(q) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of illness to the public.

(r) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of injury to the public.

(s) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of death to the public.

(t) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of illness to the public.

(u) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of injury to the public.

(v) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of death to the public.

(w) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of illness to the public.

(x) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of injury to the public.

(y) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of death to the public.

(z) The commissioner shall order the recall of the bedding if the commissioner determines that the bedding is likely to cause a risk of illness to the public.

{Statute text rendered on: 3/14/2015 - 1954 -}
health or an authorized agent if:

(1) the decree has been entered in the suit relating to the
detained or embargoed bedding;
(2) the claimant has paid the costs, fees, and expenses of
the suit;
(3) the violation can be corrected by proper labeling or
processing; and
(4) a good and sufficient bond, conditioned on the
correction of the violation by proper labeling or processing, has
been executed.

(b) The claimant shall pay the costs of the supervision of the
labeling or processing by the agent of the commissioner of public
health or an authorized agent.

(c) The court shall order that the bedding be returned to the
claimant and the bond discharged on the representation to the court
by the commissioner of public health or an authorized agent that the
article no longer violates this chapter or a rule or standard adopted
under this chapter and that the expenses of the supervision are paid.

SUBTITLE B. SOLID WASTE, TOXIC CHEMICALS, SEWAGE, LITTER, AND WATER
CHAPTER 361. SOLID WASTE DISPOSAL ACT
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 361.001. SHORT TITLE. This chapter may be cited as the
Solid Waste Disposal Act.

Sec. 361.002. POLICY; FINDINGS. (a) It is this state's
policy and the purpose of this chapter to safeguard the health,
welfare, and physical property of the people and to protect the
environment by controlling the management of solid waste, including
accounting for hazardous waste that is generated.

(b) The storage, processing, and disposal of hazardous waste at
municipal solid waste facilities pose a risk to public health and the
environment, and in order to protect the environment and to provide
measures for adequate protection of public health, it is in the
public interest to require hazardous waste to be stored, processed,
and disposed of only at permitted hazardous industrial solid waste facilities.

Sec. 361.003. DEFINITIONS. Unless the context requires a different definition, in this chapter:

(1) "Apparent recharge zone" means that recharge zone designated on maps prepared or compiled by, and located in the offices of, the commission.

(2) "Class I industrial solid waste" means an industrial solid waste or mixture of industrial solid waste, including hazardous industrial waste, that because of its concentration or physical or chemical characteristics:

(A) is toxic, corrosive, flammable, a strong sensitizer or irritant, or a generator of sudden pressure by decomposition, heat, or other means; and

(B) poses or may pose a substantial present or potential danger to human health or the environment if improperly processed, stored, transported, or otherwise managed.

(3) "Class I nonhazardous industrial solid waste" means any Class I industrial solid waste that has not been identified or listed as a hazardous waste by the administrator of the United States Environmental Protection Agency under the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.).

(4) "Commercial hazardous waste management facility" means any hazardous waste management facility that accepts hazardous waste or PCBs for a charge, except a captured facility or a facility that accepts waste only from other facilities owned or effectively controlled by the same person, where "captured facility" means a manufacturing or production facility that generates an industrial solid waste or hazardous waste that is routinely stored, processed, or disposed of on a shared basis in an integrated waste management unit owned, operated by, and located within a contiguous manufacturing complex.

(5) "Commission" means the Texas Natural Resource...
(6) "Composting" means the controlled biological decomposition of organic solid waste under aerobic conditions.

(7) "Disposal" means the discharging, depositing, injecting, dumping, spilling, leaking, or placing of solid waste or hazardous waste, whether containerized or uncontainerized, into or on land or water so that the solid waste or hazardous waste or any constituent thereof may be emitted into the air, discharged into surface water or groundwater, or introduced into the environment in any other manner.

(9) "Executive director" means the executive director of the commission.

(10) "Garbage" means solid waste that is putrescible animal and vegetable waste materials from the handling, preparation, cooking, or consumption of food, including waste materials from markets, storage facilities, and the handling and sale of produce and other food products.

(11) "Hazardous substance":
   (A) means:
   (i) a substance designated under Section 311(b)(2)(A) of the Federal Water Pollution Control Act, as amended (33 U.S.C. Section 1321);
   (ii) an element, compound, mixture, solution, or substance designated under Section 102 of the environmental response law;
   (iii) a hazardous waste having the characteristics identified under or listed under Section 3001 of the federal Solid Waste Disposal Act, as amended (42 U.S.C. Section 6921), excluding waste, the regulation of which under the federal Solid Waste Disposal Act (42 U.S.C. Section 6901 et seq.) has been suspended by Act of Congress;
   (iv) a toxic pollutant listed under Section 307(a) of the Federal Water Pollution Control Act (33 U.S.C. Section 1317);
   (v) a hazardous air pollutant listed under Section 112 of the federal Clean Air Act, as amended (42 U.S.C. Section 7412); and
(vi) any imminently hazardous chemical substance or mixture with respect to which the administrator of the Environmental Protection Agency has taken action under Section 7 of the Toxic Substances Control Act (15 U.S.C. Section 2606); but

(B) does not include:

(i) petroleum, which means crude oil or any fraction of crude oil that is not otherwise specifically listed or designated as a hazardous substance under Paragraphs (i) through (vi) of Subdivision (A);

(ii) natural gas, natural gas liquids, liquefied natural gas, or synthetic gas usable for fuel mixtures of natural gas and synthetic gas; or

(iii) waste materials that result from activities associated with the exploration, development, or production of oil or gas or geothermal resources or any other substance or material regulated by the Railroad Commission of Texas under Section 91.101, Natural Resources Code.

(12) "Hazardous waste" means solid waste identified or listed as a hazardous waste by the administrator of the United States Environmental Protection Agency under the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901 et seq.).

(13) "Hazardous waste management facility" means all contiguous land, including structures, appurtenances, and other improvements on the land, used for processing, storing, or disposing of hazardous waste. The term includes a publicly or privately owned hazardous waste management facility consisting of processing, storage, or disposal operational hazardous waste management units such as one or more landfills, surface impoundments, waste piles, incinerators, boilers, and industrial furnaces, including cement kilns, injection wells, salt dome waste containment caverns, land treatment facilities, or a combination of units.

(14) "Hazardous waste management unit" means a landfill, surface impoundment, waste pile, industrial furnace, incinerator, cement kiln, injection well, container, drum, salt dome waste containment cavern, or land treatment unit, or any other structure, vessel, appurtenance, or other improvement on land used to manage hazardous waste.

(15) "Industrial furnace" includes cement kilns, lime kilns, aggregate kilns, phosphate kilns, coke ovens, blast furnaces,
smelting, melting, or refining furnaces, including pyrometallurgical
devices such as cupolas, reverberator furnaces, sintering machines,
roasters, or foundry furnaces, titanium dioxide chloride process
oxidation reactors, methane reforming furnaces, pulping liquor
recovery furnaces, combustion devices used in the recovery of sulfur
values from spent sulfuric acid, and other devices the commission may
list.

(16) "Industrial solid waste" means solid waste resulting
from or incidental to a process of industry or manufacturing, or
mining or agricultural operations.

(17) "Local government" means:
(A) a county;
(B) a municipality; or
(C) a political subdivision exercising the authority
granted under Section 361.165.

(18) "Management" means the systematic control of the
activities of generation, source separation, collection, handling,
storage, transportation, processing, treatment, recovery, or disposal
of solid waste.

(19) "Motor vehicle" has the meaning assigned by Section
541.201, Transportation Code.

(20) "Municipal solid waste" means solid waste resulting
from or incidental to municipal, community, commercial,
institutional, or recreational activities, and includes garbage,
rubbish, ashes, street cleanings, dead animals, abandoned
automobiles, and other solid waste other than industrial solid waste.

(21) "Notice of intent to file an application" means the
notice filed under Section 361.063.

(22) "PCBs" or "polychlorinated biphenyl compounds" means
compounds subject to Title 40, Code of Federal Regulations, Part 761.

(23) "Person" means an individual, corporation,
organization, government or governmental subdivision or agency,
business trust, partnership, association, or any other legal entity.

(24) "Person affected" means a person who demonstrates that
the person has suffered or will suffer actual injury or economic
damage and, if the person is not a local government:
(A) is a resident of a county, or a county adjacent or
contiguous to the county, in which a solid waste facility is to be
located; or
(B) is doing business or owns land in the county or
adjacent or contiguous county.

(25) "Processing" means the extraction of materials from or the transfer, volume reduction, conversion to energy, or other separation and preparation of solid waste for reuse or disposal. The term includes the treatment or neutralization of hazardous waste designed to change the physical, chemical, or biological character or composition of a hazardous waste so as to neutralize the waste, recover energy or material from the waste, render the waste nonhazardous or less hazardous, make it safer to transport, store, or dispose of, or render it amenable for recovery or storage, or reduce its volume. The term does not include activities concerning those materials exempted by the administrator of the United States Environmental Protection Agency under the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901 et seq.), unless the commission determines that regulation of the activity under this chapter is necessary to protect human health or the environment.

(26) "Radioactive waste" means waste that requires specific licensing under Chapter 401 and the rules adopted by the commission under that law.

(27) "Recycling" means the legitimate use, reuse, or reclamation of solid waste.

(28) "Release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment. The term does not include:

(A) a release that results in an exposure to a person solely within a workplace, concerning a claim that the person may assert against the person's employer;

(B) an emission from the engine exhaust of a motor vehicle, rolling stock, aircraft, vessel, or pipeline pumping station engine;

(C) a release of source, by-product, or special nuclear material from a nuclear incident, as those terms are defined by the Atomic Energy Act of 1954, as amended (42 U.S.C. Section 2011 et seq.), if the release is subject to requirements concerning financial protection established by the Nuclear Regulatory Commission under Section 170 of that Act;

(D) for the purposes of Section 104 of the environmental response law, or other response action, a release of
source, by-product, or special nuclear material from a processing
site designated under Section 102(a)(1) or 302(a) of the Uranium Mill
Tailings Radiation Control Act of 1978 (42 U.S.C. Sections 7912 and
7942); and

(E) the normal application of fertilizer.

(29) "Remedial action" means an action consistent with a
permanent remedy taken instead of or in addition to a removal action
in the event of a release or threatened release of a hazardous waste
into the environment to prevent or minimize the release of hazardous
waste so that the hazardous waste does not migrate to cause an
imminent and substantial danger to present or future public health
and safety or the environment. The term includes:

(A) actions at the location of the release, including
storage, confinement, perimeter protection using dikes, trenches, or
ditches, clay cover, neutralization, cleanup of released hazardous
waste or contaminated materials, recycling or reuse, diversion,
destruction, segregation of reactive waste, dredging or excavations,
repair or replacement of leaking containers, collection of leachate
and runoff, on-site treatment or incineration, provision of alternate
water supplies, and any monitoring reasonably required to assure that
those actions protect the public health and safety or the
environment; and

(B) the costs of permanent relocation of residents,
businesses, and community facilities if the administrator of the
United States Environmental Protection Agency or the executive
director determines that, alone or in combination with other
measures, the relocation:

(i) is more cost-effective than and environmentally
preferable to the transportation, storage, treatment, destruction, or
secure disposition off-site of hazardous waste; or

(ii) may otherwise be necessary to protect the
public health or safety.

(30) "Removal" includes:

(A) cleaning up or removing released hazardous waste
from the environment;

(B) taking necessary action in the event of the threat
of release of hazardous waste into the environment;

(C) taking necessary action to monitor, assess, and
evaluate the release or threat of release of hazardous waste;

(D) disposing of removed material;
(E) erecting a security fence or other measure to limit access;

(F) providing alternate water supplies, temporary evacuation, and housing for threatened individuals not otherwise provided for;

(G) acting under Section 104(b) of the environmental response law;

(H) providing emergency assistance under the federal Disaster Relief Act of 1974 (42 U.S.C. Section 5121 et seq.); or

(I) taking any other necessary action to prevent, minimize, or mitigate damage to the public health and welfare or the environment that may otherwise result from a release or threat of release.

(31) "Rubbish" means nonputrescible solid waste, excluding ashes, that consists of:

(A) combustible waste materials, including paper, rags, cartons, wood, excelsior, furniture, rubber, plastics, yard trimmings, leaves, and similar materials; and

(B) noncombustible waste materials, including glass, crockery, tin cans, aluminum cans, metal furniture, and similar materials that do not burn at ordinary incinerator temperatures (1,600 to 1,800 degrees Fahrenheit).

(32) "Sanitary landfill" means a controlled area of land on which solid waste is disposed of in accordance with standards, rules, or orders established by the commission.

(33) "Sludge" means solid, semisolid, or liquid waste generated from a municipal, commercial, or industrial wastewater treatment plant, water supply treatment plant, or air pollution control facility, excluding the treated effluent from a wastewater treatment plant.

(34) This subdivision expires on delegation of the Resource Conservation and Recovery Act authority to the Railroad Commission of Texas. Subject to the limitations of 42 U.S.C. Section 6903(27) and 40 C.F.R. Section 261.4(a), "solid waste" means garbage, rubbish, refuse, sludge from a waste treatment plant, water supply treatment plant, or air pollution control facility, and other discarded material, including solid, liquid, semisolid, or contained gaseous material resulting from industrial, municipal, commercial, mining, and agricultural operations and from community and institutional activities. The term:
(A) does not include:

   (i) solid or dissolved material in domestic sewage, or solid or dissolved material in irrigation return flows, or industrial discharges subject to regulation by permit issued under Chapter 26, Water Code;

   (ii) soil, dirt, rock, sand, and other natural or man-made inert solid materials used to fill land if the object of the fill is to make the land suitable for the construction of surface improvements; or

   (iii) waste materials that result from activities associated with the exploration, development, or production of oil or gas or geothermal resources and other substance or material regulated by the Railroad Commission of Texas under Section 91.101, Natural Resources Code, unless the waste, substance, or material results from activities associated with gasoline plants, natural gas or natural gas liquids processing plants, pressure maintenance plants, or repressurizing plants and is hazardous waste as defined by the administrator of the United States Environmental Protection Agency under the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, as amended (42 U.S.C. Section 6901 et seq.); and

(B) does include hazardous substances, for the purposes of Sections 361.271 through 361.277, 361.280, and 361.343 through 361.345.

(35) This subdivision is effective on delegation of the Resource Conservation and Recovery Act authority to the Railroad Commission of Texas. Subject to the limitations of 42 U.S.C. Section 6903(27) and 40 C.F.R. Section 261.4(a), "solid waste" means garbage, rubbish, refuse, sludge from a waste treatment plant, water supply treatment plant, or air pollution control facility, and other discarded material, including solid, liquid, semisolid, or contained gaseous material resulting from industrial, municipal, commercial, mining, and agricultural operations and from community and institutional activities. The term:

   (A) does not include:

      (i) solid or dissolved material in domestic sewage, or solid or dissolved material in irrigation return flows, or industrial discharges subject to regulation by permit issued under Chapter 26, Water Code;

      (ii) soil, dirt, rock, sand, and other natural or
man-made inert solid materials used to fill land if the object of the fill is to make the land suitable for the construction of surface improvements; or

(iii) waste materials that result from activities associated with the exploration, development, or production of oil or gas or geothermal resources and other substance or material regulated by the Railroad Commission of Texas under Section 91.101, Natural Resources Code; and

(B) does include hazardous substances, for the purposes of Sections 361.271 through 361.277, 361.280, and 361.343 through 361.345.

(36) "Solid waste facility" means all contiguous land, including structures, appurtenances, and other improvements on the land, used for processing, storing, or disposing of solid waste. The term includes a publicly or privately owned solid waste facility consisting of several processing, storage, or disposal operational units such as one or more landfills, surface impoundments, or a combination of units.

(37) "Solid waste technician" means an individual who is trained in the practical aspects of the design, operation, and maintenance of a solid waste facility in accordance with standards, rules, or orders established by the commission.

(38) "Storage" means the temporary holding of solid waste, after which the solid waste is processed, disposed of, or stored elsewhere.

(39) "Pollution" means the alteration of the physical, thermal, chemical, or biological quality of, or the contamination of, any land or surface or subsurface water in the state that renders the land or water harmful, detrimental, or injurious to humans, animal life, vegetation, or property or to public health, safety, or welfare or impairs the usefulness or the public enjoyment of the land or water for any lawful or reasonable purpose.

SUBCHAPTER B. POWERS AND DUTIES OF TEXAS NATURAL RESOURCE
CONSERVATION COMMISSION

Sec. 361.011. COMMISSION'S JURISDICTION: MUNICIPAL SOLID
WASTE. (a) The commission is responsible under this section for the
management of municipal solid waste, excluding hazardous municipal
waste, and shall coordinate municipal solid waste activities,
excluding activities concerning hazardous municipal waste.

(b) The commission shall accomplish the purposes of this
chapter by controlling all aspects of the management of municipal
solid waste, excluding management of hazardous municipal waste, by
all practical and economically feasible methods consistent with its
powers and duties under this chapter and other law.

(c) The commission has the powers and duties specifically
prescribed by this chapter relating to municipal solid waste
management, excluding management of hazardous municipal waste, and
all other powers necessary or convenient to carry out those
responsibilities under this chapter.

(d) In matters relating to municipal solid waste management,
excluding management of hazardous municipal waste, the commission
shall consider water pollution control and water quality aspects and
air pollution control and ambient air quality aspects.

(e) Repealed by Acts 1997, 75th Leg., ch. 1072, Sec. 60(b)(1),

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1991, 72nd Leg., 1st C.S., ch. 3, Sec. 8.02, eff. Sept. 1,
1991; Acts 1995, 74th Leg., ch. 76, Sec. 11.20, eff. Sept. 1, 1995;
Acts 1997, 75th Leg., ch. 1072, Sec. 28, 60(b)(1), eff. Sept. 1,
1997.

Sec. 361.013. SOLID WASTE DISPOSAL AND TRANSPORTATION FEES.
(a) Except as provided by Subsections (e) through (i), the
commission shall charge a fee on all solid waste that is disposed of
within this state. The fee is 94 cents per ton received for disposal
at a municipal solid waste landfill if the solid waste is measured by

Statute text rendered on: 3/14/2015 - 1965 -
weight. If the solid waste is measured by volume, the fee for compacted solid waste is 30 cents per cubic yard and the fee for uncompacted solid waste is 19 cents per cubic yard received for disposal at a municipal solid waste landfill. The commission shall set the fee for sludge or similar waste applied to the land for beneficial use on a dry weight basis and for solid waste received at an incinerator or a shredding and composting facility at half the fee set for solid waste received for disposal at a landfill. The commission may charge comparable fees for other means of solid waste disposal that are used.

(b) The commission may raise or lower the fees established under Subsection (a) in accordance with commission spending levels established by the legislature.

(c) The commission shall charge an annual registration fee to a transporter of municipal solid waste who is required to register with the commission under rules adopted by the commission. The commission by rule shall adopt a fee schedule. The fee shall be reasonably related to the volume, the type, or both the volume and type of waste transported. The registration fee charged under this subsection may not be less than $25 or more than $500.

(d) The operator of each municipal solid waste facility shall maintain records and report to the commission annually on the amount of solid waste that the facility transfers, processes, stores, treats, or disposes of. Each transporter required to register with the commission shall maintain records and report to the commission annually on the amount of solid waste that the transporter transports. The commission by rule shall establish procedures for recordkeeping and reporting required under this subsection.

(e) The commission may not charge a fee under Subsection (a) for scrap tires that are deposited in a designated recycling collection area at a landfill permitted by the commission or licensed by a county or by a political subdivision exercising the authority granted by Section 361.165 and that are temporarily stored for eventual recycling, reuse, or energy recovery.

(f) The commission may not charge a fee under Subsection (a) for source separated materials that are processed at a composting and mulch processing facility, including a composting and mulch processing facility located at a permitted landfill site. The commission shall credit any fee payment due under Subsection (a) for any material received and processed to compost or mulch product at...
the facility. Any compost or mulch product that is produced at a composting and mulch processing facility that is used in the operation of the facility or is disposed of in a landfill is not exempt from the fee.

(g) The commission shall allow a home-rule municipality that has enacted an ordinance imposing a local environmental protection fee for disposal services as of January 1, 1993, to offer disposal or environmental programs or services to persons within its jurisdiction, from the revenues generated by said fee, as such services are required by state or federal mandates. If such services or programs are offered, the home-rule municipality may require their use by those persons within its jurisdiction.

(h) The commission may not charge a fee under Subsection (a) on solid waste resulting from a public entity's effort to protect the public health and safety of the community from the effects of a natural or man-made disaster or from structures that have been contributing to drug trafficking or other crimes if the disposal facility at which that solid waste is offered for disposal has donated to a municipality, county, or other political subdivision the cost of disposing of that waste.

(i) The commission may not charge a fee under Subsection (a) for the disposal of:

1. Class I industrial solid waste or hazardous waste subject to the assessment of fees under Section 361.136;
2. an industrial solid waste for which no permit may be required under Section 361.090; or
3. sewage sludge that:
   A. has been treated to reduce the density of pathogens to the lowest level provided by commission rules; and
   B. complies with commission rules regarding:
      i. metal concentration limits;
      ii. pathogen reduction; and
      iii. vector attraction reduction.

Sec. 361.0135. COMPOSTING REFUND. (a) The operator of a public or privately owned municipal solid waste facility is entitled to a refund of 15 percent of the solid waste fees collected by the facility under Section 361.013(a) if:

(1) the refunds are used to lease or purchase and operate equipment necessary to compost yard waste;

(2) composting operations are actually performed; and

(3) the finished compost material produced by the facility is returned to beneficial reuse.

(b) The amount of the refund authorized by this section increases to 20 percent of the solid waste fees collected by the facility if, in addition to composting the yard waste, the operator of the facility voluntarily bans the disposal of yard waste at the facility.

(c) In order to receive a refund authorized by this section, the operator of the facility must submit a composting plan to the commission. The commission by rule may set a fee for reviewing a composting plan in an amount not to exceed the costs of review.

(d) The operator is entitled to a refund of fees collected by the facility under Section 361.013(a) on or after the date on which the commission approves the composting plan. The refund is collectable beginning on the date that the first composting operations occur in accordance with the approved plan. The commission may allow the refund to be applied as a credit against fees required to be collected by the facility under Section 361.013(a).

(e) In this section, the terms "compost," "composting," and "yard waste" have the meanings assigned by Section 361.421.

(f) This section expires September 1, 1999, if the commission on or before that date determines that a market in composting materials has developed sufficiently to ensure that composting activities will continue without the incentives provided by this
Sec. 361.014. USE OF SOLID WASTE FEE REVENUE. (a) Revenue received by the commission under Section 361.013 shall be deposited in the state treasury to the credit of the commission. Of that revenue, 66.7 percent is dedicated to the commission's municipal solid waste permitting programs, enforcement programs, and site remediation programs, and to pay for activities that will enhance the state's solid waste management program. The commission shall issue a biennial report to the legislature describing in detail how the money was spent. The activities to enhance the state's solid waste management program may include:

(1) provision of funds for the municipal solid waste management planning fund and the municipal solid waste resource recovery applied research and technical assistance fund established by the Comprehensive Municipal Solid Waste Management, Resource Recovery, and Conservation Act (Chapter 363);

(2) conduct of demonstration projects and studies to help local governments of various populations and the private sector to convert to accounting systems and set rates that reflect the full costs of providing waste management services and are proportionate to the amount of waste generated;

(3) provision of technical assistance to local governments concerning solid waste management;

(4) establishment of a solid waste resource center in the commission and an office of waste minimization and recycling;

(5) provision of supplemental funding to local governments for the enforcement of this chapter, the Texas Litter Abatement Act (Chapter 365), and Chapters 391 and 683, Transportation Code;

(6) conduct of a statewide public awareness program concerning solid waste management;

(7) provision of supplemental funds for other state agencies with responsibilities concerning solid waste management, recycling, and other initiatives with the purpose of diverting recyclable waste from landfills;

(8) conduct of research to promote the development and
stimulation of markets for recycled waste products;
(9) creation of a state municipal solid waste superfund, from funds appropriated, for:
   (A) the cleanup of unauthorized tire dumps and solid waste dumps for which a responsible party cannot be located or is not immediately financially able to provide the cleanup;
   (B) the cleanup or proper closure of abandoned or contaminated municipal solid waste sites for which a responsible party is not immediately financially able to provide the cleanup; and
   (C) remediation, cleanup, and proper closure of unauthorized recycling sites for which a responsible party is not immediately financially able to perform the remediation, cleanup, and closure;
(10) provision of funds to mitigate the economic and environmental impacts of lead-acid battery recycling activities on local governments; and
(11) provision of funds for the conduct of research by a public or private entity to assist the state in developing new technologies and methods to reduce the amount of municipal waste disposed of in landfills.

(b) Of the revenue received by the commission under Section 361.013, 33.3 percent is dedicated to local and regional solid waste projects consistent with regional plans approved by the commission in accordance with this chapter and to update and maintain those plans. Those revenues shall be allocated to municipal solid waste geographic planning regions for use by local governments and regional planning commissions according to a formula established by the commission that takes into account population, area, solid waste fee generation, and public health needs. Each planning region shall issue a biennial report to the legislature detailing how the revenue is spent. A project or service funded under this subsection must promote cooperation between public and private entities and may not be otherwise readily available or create a competitive advantage over a private industry that provides recycling or solid waste services.

(c) Revenue derived from fees charged under Section 361.013(c) to a transporter of whole used or scrap tires or shredded tire pieces shall be deposited to the credit of the waste tire recycling account.

(d) Revenues allocated to the commission for the purposes authorized by Subsection (a) shall be deposited to the credit of the waste management account. Revenues allocated to local and regional
solid waste projects shall be deposited to the credit of an account in the general revenue fund known as the municipal solid waste disposal account.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 835 (H.B. 7), Sec. 4, eff. June 14, 2013.

Sec. 361.0145. RESPONSE TO OR REMEDIATION OF FIRE OR EMERGENCY. (a) The commission may make an immediate response to or remediation of a fire or other emergency that involves solid waste, including processed or unprocessed material suitable for recycling or composting, as the commission determines necessary to protect the public health or safety.

(b) Notwithstanding Section 361.014(b), revenue otherwise dedicated under that section may be used for an action authorized by Subsection (a).

(c) The commission may recover from a person who is responsible for the solid waste as provided by Section 361.271 the reasonable expenses incurred by the commission during an immediate response and remediation action under Subsection (a). The state may bring an action to recover those reasonable expenses.

(d) If the commission used for an action under Subsection (a) money otherwise dedicated under Section 361.014(b), money recovered under Subsection (c) shall be deposited in the state treasury to the credit of the commission until the amount deposited equals the amount of the dedicated money used. Money credited under this subsection may be used only as provided by Section 361.014(b).

Added by Acts 2007, 80th Leg., R.S., Ch. 1362 (H.B. 2541), Sec. 1,
Sec. 361.015. JURISDICTION: RADIOACTIVE WASTE. (a) The commission is the state agency under Chapter 401 that licenses and regulates radioactive waste storage, processing, and disposal activities not preemptively regulated by the federal government.

(b) Except as provided by Subsection (a), the Health and Human Services Commission, acting through the Department of State Health Services or other department as designated by the executive commissioner of the Health and Human Services Commission, is the state agency under Chapter 401 that regulates radioactive waste activities not preemptively regulated by the federal government.

Sec. 361.0151. RECYCLING. (a) The commission shall establish and administer a waste minimization and recycling office within the commission that provides technical assistance to local governments concerning waste minimization and recycling.

(b) The commission shall work in conjunction with the Texas Department of Commerce to pursue the development of markets for recycled materials, including composting products.

Sec. 361.016. MEMORANDUM OF UNDERSTANDING BY COMMISSION. The commission by rule shall adopt:

(1) any memorandum of understanding between the commission and any other state agency; and

(2) any revision of a memorandum of understanding.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 361.017. COMMISSION'S JURISDICTION: INDUSTRIAL SOLID WASTE AND HAZARDOUS MUNICIPAL WASTE. (a) The commission is responsible for the management of industrial solid waste and hazardous municipal waste and shall coordinate industrial solid waste activities and hazardous municipal waste activities.

(b) The commission shall accomplish the purposes of this chapter by controlling all aspects of the management of industrial solid waste and hazardous municipal waste by all practical and economically feasible methods consistent with its powers and duties under this chapter and other law.

(c) The commission has the powers and duties specifically prescribed by this chapter and all other powers necessary or convenient to carry out its responsibilities under this chapter.

(d) In matters relating to industrial solid waste and hazardous municipal waste, the commission shall:

(1) consider the public health aspects and the air pollution control and ambient air quality aspects; and

(2) consult with the attorney general's office for assistance in determining whether referral to the attorney general for enforcement is mandatory under Section 361.224 or whether referral is appropriate, in the commission's discretion, for the disposition of enforcement matters under this chapter.

(e) If referral is determined to be mandatory or appropriate, the commission shall consult with the attorney general's office for assistance in determining whether criminal or civil enforcement action should be taken. The commission shall use all available enforcement options.

Sec. 361.018. COMMISSION'S JURISDICTION OVER HAZARDOUS WASTE COMPONENTS OF RADIOACTIVE WASTE. (a) The commission has the powers under this chapter necessary or convenient to carry out its responsibilities concerning the regulation of the management of
hazardous waste components of radioactive waste under the jurisdiction of the Texas Department of Health.

(b) The commission shall consult with the Texas Department of Health concerning regulation and management under this section, except for activities solely under the commission's jurisdiction.

(c) The commission may not adopt rules or engage in management activities under this section that conflict with state or federal laws and rules concerning the regulation of radioactive waste.

Sec. 361.019. APPROVAL OF INDUSTRIAL SOLID WASTE MANAGEMENT IN MUNICIPAL SOLID WASTE FACILITY. (a) Except as provided by Subsection (b), Class I nonhazardous industrial solid waste and small quantities of hazardous waste generated by conditionally exempt small quantity generators, as defined by the commission, may be accepted in a municipal solid waste facility if:

(1) authorized in writing by, or by rule of, the commission; and

(2) the generator of the Class I nonhazardous waste certifies on an appropriate commission form that the waste is not a hazardous waste.

(b) Except as otherwise prohibited by this chapter, nonhazardous industrial solid waste generated by the mechanical shredding of motor vehicles, appliances, or other items of scrap, used, or obsolete metals shall be accepted, without authorization by the commission under Subsection (a), in a municipal solid waste facility that has previously been authorized to accept and has accepted Class I nonhazardous industrial solid wastes or Class II industrial solid wastes if the waste contains no free liquids, is not a hazardous waste as defined in Section 361.003, and satisfies other criteria that may be established by commission rule. Until the commission adopts rules establishing additional criteria, generators of this type of waste shall satisfy the two criteria described in this subsection when these wastes are disposed of in municipal solid waste facilities.

(c) Municipal solid waste may be accepted in an industrial solid waste facility if authorized in writing by the commission.
Sec. 361.0202. DEVELOPMENT OF EDUCATION PROGRAMS. (a) The commission shall develop a public awareness program to increase awareness of individual responsibility for properly reducing and disposing of municipal solid waste and to encourage participation in waste source reduction, composting, reuse, and recycling. The program shall include:

(1) a media campaign to develop and disseminate educational materials designed to establish broad public understanding and compliance with the state's waste reduction and recycling goals; and

(2) a curriculum, developed in cooperation with the commissioner of education and suitable for use in programs from kindergarten through high school, that promotes waste reduction and recycling.

(b) As part of the program, the commission may:

(1) advise and consult with individuals, businesses, and manufacturers on source reduction techniques and recycling; and

(2) sponsor or cosponsor with public and private organizations technical workshops and seminars on source reduction and recycling.

Added by Acts 1993, 73rd Leg., ch. 899, Sec. 2.04, eff. Aug. 30, 1993 and Acts 1993, 73rd Leg., ch. 1045, Sec. 5, eff. Sept. 1, 1993.

Sec. 361.0215. POLLUTION PREVENTION ADVISORY COMMITTEE. (a) The pollution prevention advisory committee is composed of nine members with a balanced representation of environmental and public interest groups and the regulated community.

(b) The committee shall advise the commission and interagency coordination council on:

(1) the appropriate organization of state agencies and the financial and technical resources required to aid the state in its efforts to promote waste reduction and minimization;

(2) the development of public awareness programs to educate...
citizens about hazardous waste and the appropriate disposal of hazardous waste and hazardous materials that are used and collected by households;

(3) the provision of technical assistance to local governments for the development of waste management strategies designed to assist small quantity generators of hazardous waste; and

(4) other possible programs to more effectively implement the state's hierarchy of preferred waste management technologies as set forth in Section 361.023(a).

(c) The committee shall advise the commission on the creation and implementation of the strategically directed regulatory structure developed under Section 5.755, Water Code.

(d) The committee shall report quarterly to the commission on its activities, including suggestions or proposals for future activities and other matters the committee considers important.

Sec. 361.0216. OFFICE OF POLLUTION PREVENTION. The office of pollution prevention is created in the executive office of the commission to direct and coordinate all source reduction and waste minimization activities of the commission.

Sec. 361.0219. OFFICE OF WASTE EXCHANGE. (a) The office of waste exchange is an office of the commission.

(b) The office shall facilitate the exchange of solid waste, recyclable or compostable materials, and other secondary materials among persons that generate, recycle, compost, or reuse those materials, in order to foster greater recycling, composting, and reuse in the state. At least one party to such an exchange must be
in the state. The office shall provide information to interested persons on arranging exchanges of these materials in order to allow greater recycling, composting, and reuse of the materials, and may act as broker for exchanges of the materials if private brokers are not available.

(c) The office of waste exchange shall adopt a plan for providing to interested persons information on waste exchange. Biennially the office of waste exchange shall report to the commission on progress in implementing this section, including the plan to provide information on waste exchange, the state's participation in any national or regional waste exchange program, and information on the movement and exchange of materials and the effect on recycling, composting, and reuse rates in the state. The commission shall submit the report by December 1 of each even-numbered year as required by Section 5.178(b), Water Code.

Sec. 361.022. PUBLIC POLICY CONCERNING MUNICIPAL SOLID WASTE AND SLUDGE. (a) To protect the public health and environment, it is the state's goal, through source reduction, to eliminate the generation of municipal solid waste and municipal sludge to the maximum extent that is technologically and economically feasible. Therefore, it is the state's public policy that, in generating, treating, storing, and disposing of municipal solid waste or municipal sludge, the methods listed under Subsections (b) and (c) are preferred to the extent economically and technologically feasible and considering the appropriateness of the method to the type of solid waste material or sludge generated, treated, disposed of, or stored.

(b) For municipal solid waste, not including sludge, the following methods are preferred, in the order listed:

(1) source reduction and waste minimization;
(2) reuse or recycling of waste;
(3) treatment to destroy or reprocess waste to recover energy or other beneficial resources if the treatment does not
threaten public health, safety, or the environment; or
(4) land disposal.

(c) For municipal sludge, the following methods are preferred, in the order listed:
(1) source reduction and minimization of sludge production and concentrations of heavy metals and other toxins in sludge;
(2) treatment of sludge to reduce pathogens and recover energy, produce beneficial by-products, or reduce the quantity of sludge;
(3) marketing and distribution of sludge and sludge products if the marketing and distribution do not threaten public health, safety, or the environment;
(4) applying sludge to land for beneficial use;
(5) land treatment; or
(6) landfilling.

(d) In adopting rules to implement public policy concerning municipal solid waste management, the commission shall consider the preference of municipal solid waste management methods under this section.

Sec. 361.023. PUBLIC POLICY CONCERNING HAZARDOUS WASTE. (a) To protect the public health and environment, it is the state's goal, through source reduction, to eliminate the generation of hazardous waste to the maximum extent that is technologically and economically feasible. Therefore, it is the state's public policy that, in generating, treating, storing, and disposing of hazardous waste, the following methods are preferred to the extent economically and technologically feasible, in the order listed:
(1) source reduction;
(2) reuse or recycling of waste, or both;
(3) treatment to destroy hazardous characteristics;
(4) treatment to reduce hazardous characteristics;
(5) underground injection; and
(6) land disposal.

(b) Under Subsection (a)(3), on-site destruction is preferred,
but it shall be evaluated in the context of other relevant factors such as transportation hazard, distribution of risk, quality of destruction, operator capability, and site suitability.

Sec. 361.0231. PUBLIC POLICY CONCERNING ADEQUATE CAPACITY FOR INDUSTRIAL AND HAZARDOUS WASTE. (a) To protect the public health and environment taking into consideration the economic development of the state, and assure the continuation of the federal funding for abandoned facility response actions, it is the state public policy that adequate capacity should exist for the proper management of industrial and hazardous waste generated in this state.

(b) "Adequate capacity" is the capacity necessary to manage the industrial and hazardous waste that remains after application, to the maximum extent economically and technologically feasible, of waste reduction techniques.

(c) It is further the state's policy that, wherever feasible, the generation of hazardous waste is to be reduced or eliminated as expeditiously as possible.

Sec. 361.0235. HAZARDOUS WASTE GENERATED IN FOREIGN COUNTRY. (a) Except as otherwise provided by this section, a person may not receive, transport, or cause to be transported into this state, for the purpose of treatment, storage, or disposal in this state, hazardous waste generated in a country other than the United States.

(b) This section may not be construed or applied in a manner that interferes with the authority of the federal government to regulate commerce with foreign nations and among the several states provided by Article I, Section 8, Clause 3, of the United States Constitution.

(c) This section does not apply to a person who transports or receives material from a country other than the United States for:

(1) recycling or reuse of the material; or
(2) use of the material as a feedstock or ingredient in the production of a new product.

(d) This section does not apply to waste transported or received for treatment, storage, or disposal at a hazardous waste management facility that is owned by the generator of the waste or by a parent, subsidiary, or affiliated corporation of the generator.

(e) This section does not apply to waste received by:

(1) a producer of the product or material from which the waste is generated; or

(2) a parent, subsidiary, or affiliated corporation of such producer.

(f) This section does not apply to waste generated in Mexico at an approved maquiladora facility to the extent that such waste:

(1) was generated as a result of the processing or fabrication of materials imported into Mexico from Texas on a temporary basis; and

(2) is required to be re-exported to the United States under Mexican law.

Sec. 361.024. RULES AND STANDARDS. (a) The commission may adopt rules consistent with this chapter and establish minimum standards of operation for the management and control of solid waste under this chapter.

(b) In developing rules concerning hazardous waste, the commission shall consult with the State Soil and Water Conservation Board, the Bureau of Economic Geology of The University of Texas at Austin, and other appropriate state sources.

(c) The minimum standards set by the commission for on-site storage of hazardous waste must be at least the minimum standards set by the manufacturer of the chemical.

(d) Rules adopted by the commission under Section 361.036 and Sections 361.097-361.108 for solid waste facilities may differ according to the type or hazard of hazardous waste managed and the type of waste management method used.

(e) Rules shall be adopted as provided by Chapter 2001,
Government Code. As provided by that Act, the commission must adopt rules when adopting, repealing, or amending any agency statement of general applicability that interprets or prescribes law or policy or describes the procedure or practice requirements of the agency. The commission shall follow its own rules as adopted until it changes them in accordance with that Act.

Sec. 361.025. EXEMPT ACTIVITIES. (a) The commission and the Railroad Commission of Texas shall jointly prepare an exclusive list of activities that are associated with oil and gas exploration, development, and production and are therefore exempt from regulation under this chapter.

(b) The list shall be adopted by rule and amended as necessary.

Sec. 361.026. ASSISTANCE PROVIDED BY COMMISSION. The commission may:

(1) provide educational, advisory, and technical services concerning solid waste management to other state agencies, regional planning agencies, local governments, special districts, institutions, and individuals; and

(2) assist other state agencies, regional planning agencies, local governments, special districts, and institutions in acquiring federal grants for:

(A) the development of solid waste facilities and management programs; and

(B) research to improve solid waste management.

Sec. 361.027. LICENSURE OF SOLID WASTE FACILITY SUPERVISORS.
The commission may implement a program under Chapter 37, Water Code, to license persons who supervise the operation or maintenance of solid waste facilities.

Sec. 361.028. INDUSTRIAL SOLID AND HAZARDOUS WASTE MATERIALS EXCHANGE. (a) The commission shall establish an industrial solid and hazardous waste materials exchange that provides for the exchange, between interested persons, of information concerning:

(1) particular quantities of industrial solid or hazardous waste available in this state for recovery;

(2) persons interested in acquiring certain types of industrial solid or hazardous waste for purposes of recovery; and

(3) methods for the treatment and recovery of industrial solid or hazardous waste.

(b) The industrial solid and hazardous waste materials exchange may be operated under one or more reciprocity agreements providing for the exchange of information described by Subsection (a) for similar information from a program operated in another state.

(c) The commission may contract for a private person or public entity to establish or operate the industrial solid and hazardous waste materials exchange.

(d) The commission may prescribe rules concerning the establishment and operation of the industrial solid and hazardous waste exchange, including the setting of a necessary subscription fee to offset the cost of participation in the program.

(e) The commission may seek grants and contract support from federal and other sources to the extent possible and may accept gifts to support its purposes and programs.

Sec. 361.029. COLLECTION AND DISPOSAL OF HOUSEHOLD MATERIALS THAT COULD BE CLASSIFIED AS HAZARDOUS WASTE. (a) The commission shall provide by rule for interested persons to engage in activities
that involve the collection and disposal of household materials that could be classified as hazardous waste.

(b) The rules must specify the necessary requirements concerning the training of persons involved in the collection and disposal of those household materials.

(c) A person is not liable for damages as a result of any act or omission in the course of advertising, promoting, or distributing educational materials concerning the collection or disposal of those household materials in accordance with the rules. This subsection does not preclude liability for damages as a result of gross negligence or intentional misconduct by the person.

Sec. 361.030. FEDERAL FUNDS. The commission may accept funds from the federal government for purposes concerning solid waste management and spend money received from the federal government for those purposes in the manner prescribed by law and in accordance with agreements as are necessary and appropriate between the federal government and the commission.

Sec. 361.031. FINANCIAL ASSISTANCE TO LOCAL GOVERNMENTS. (a) The commission may administer and spend state funds provided to the commission by legislative appropriations, or otherwise, to make grants to local governments for:

(1) solid waste planning;
(2) installation of solid waste facilities; and
(3) administration of solid waste programs.

(b) The grants made under this chapter shall be distributed in a manner determined by the commission.

(c) The amount of financial assistance granted by the state through the commission to a local government under this chapter must be matched by local government funds at least in equal amounts.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 361.032. INSPECTIONS; RIGHT OF ENTRY. (a) The commission may inspect and approve solid waste facilities used or proposed to be used to store, process, or dispose of solid waste.  
(b) Agents or employees of the commission or local governments have the right to enter at any reasonable time public or private property in the governmental entity's jurisdiction, including a municipality's extraterritorial jurisdiction, to inspect and investigate conditions concerning solid waste management and control.  
(c) Agents or employees of the commission or commission contractors have the right to enter at any reasonable time public or private property to investigate or monitor the release or threatened release of a hazardous substance.  
(d) Agents or employees of the commission or commission contractors may not enter private property with management in residence without notifying the management, or the person in charge at the time, of their presence and presenting proper credentials.  
(e) Agents or employees of the commission or commission contractors acting under this section shall observe the establishment's rules on safety, internal security, and fire protection.

as major or non-major facilities.

(c) The commission may randomly perform less comprehensive checks of facilities to supplement the more comprehensive inspections required by the United States Environmental Protection Agency.

Sec. 361.035. RECORDS AND REPORTS; DISPOSAL OF HAZARDOUS WASTE. (a) The commission by rule shall require operators of solid waste facilities for disposal of hazardous waste to maintain records and to submit to the commission reports necessary for the commission to determine the amount of hazardous waste disposal.

(b) The commission by rule shall establish the date on which a report required by this section is to be submitted.

(c) A penalty collected under Subchapter C or D, Chapter 7, Water Code, for the late filing of a report required by this section shall be deposited to the credit of the hazardous and solid waste remediation fee account.

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.008, eff. September 1, 2009.

Sec. 361.036. RECORDS AND MANIFESTS REQUIRED; CLASS I INDUSTRIAL SOLID WASTE OR HAZARDOUS WASTE. The commission by rule shall require a person who generates, transports, processes, stores, or disposes of Class I industrial solid waste or hazardous waste to provide recordkeeping and use a manifest or other appropriate system to assure that the waste is transported to a processing, storage, or disposal facility permitted or otherwise authorized for that purpose.

Sec. 361.037. ACCESS TO HAZARDOUS WASTE RECORDS. (a) Authorized agents or employees of the commission have access to and may examine and copy during regular business hours any records
pertaining to hazardous waste management and control.

(b) Except as provided by this subsection, records copied under Subsection (a) are public records. If the owner of the records shows to the satisfaction of the executive director that the records would divulge trade secrets if made public, the commission shall consider the copied records confidential.

(c) Subsection (b) does not require the commission to consider the composition or characteristics of solid waste being processed, stored, disposed of, or otherwise handled to be held confidential.

Sec. 361.039. CONSTRUCTION OF OTHER LAWS. Except as specifically provided by this chapter, this chapter does not diminish or limit the authority of the commission, the Texas Department of Health, or a local government in performing the powers, functions, and duties vested in those governmental entities by other law.

SUBCHAPTER C. PERMITS

Sec. 361.061. PERMITS; SOLID WASTE FACILITY. Except as provided by Section 361.090 with respect to certain industrial solid waste, the commission may require and issue permits authorizing and governing the construction, operation, and maintenance of the solid waste facilities used to store, process, or dispose of solid waste under this chapter.

Sec. 361.062. COMPATIBILITY WITH COUNTY'S PLAN. (a) Before the commission issues a permit to construct, operate, or maintain a solid waste facility to process, store, or dispose of solid waste in a county that has a local solid waste management plan approved by the commission under Chapter 363 (Comprehensive Municipal Solid Waste Management, Resource Recovery, and Conservation Act), the commission
must consider whether the solid waste facility and the proposed site for the facility are compatible with the county's approved local solid waste management plan.

(b) Until a local solid waste management plan is approved by the commission and adopted by rule, the commission may not consider the plan and its contents in the review of an application for a solid waste facility permit.

Sec. 361.063. PREAPPLICATION LOCAL REVIEW COMMITTEE PROCESS.
(a) The commission shall encourage applicants for solid waste facilities or for hazardous waste management facilities to enter into agreements with affected persons to resolve issues of concern. During this process, persons are encouraged to identify issues of concern and work with the applicant to resolve those issues.

(b) The agreement shall be made through participation in a local review committee process that includes a good faith effort to identify issues of concern, describe them to the applicant, and attempt to resolve those issues before the hearing on the permit application begins. A person is not required to be a local review committee member to participate in a local review committee process.

(c) If an applicant decides to participate in a local review committee process, the applicant must file with the commission a notice of intent to file an application, setting forth the proposed location and type of hazardous waste management facility. A copy of the notice shall be delivered to the county judge of the county in which the facility is to be located. In addition, if the proposed facility is to be located in a municipality or the extraterritorial jurisdiction of a municipality, a copy of the notice shall be delivered to the mayor of the municipality. The filing of the notice with the commission initiates the preapplication review process.

(d) Not later than the 15th day after the date the notice of intent is filed under Subsection (c), the local review committee shall be appointed. The commission shall adopt rules concerning the composition and appointment of a local review committee.

(e) The local review committee shall meet not later than the 21st day after the date the notice of intent is filed under
Subsection (c). The preapplication review process must continue for 90 days unless the process is shortened or lengthened by agreement between the applicant and the local review committee.

(f) The commission, as appropriate, may award to a person, other than the applicant, who has participated in the local review committee process under this section concerning an application for a hazardous waste management facility all or a part of the person's reasonable costs for technical studies and reports and expert witnesses associated with the presentation of evidence at the public hearing concerning issues that are raised by the person in the local review committee process and that are unresolved at the beginning of the hearing on the permit application. The total amount of awards granted to all persons under this subsection concerning an application may not exceed $25,000. In determining the appropriateness of the award, the commission shall consider whether:

(1) the evidence or analysis provided by the studies, reports, and witnesses is significant to the evaluation of the application;
(2) the evidence or analysis would otherwise not have been provided in the proceeding; and
(3) the local review committee was established in accordance with commission rules.

(g) Except as provided by Subsection (k), if an applicant has not entered into a local review committee process, the commission, in determining the appropriateness of an award of costs under Subsection (f), shall waive any requirement that the person affected has participated in a local review committee process.

(h) Except as provided by Subsection (k), costs awarded by the commission under Subsection (f) are assessed against the applicant. Rules shall be adopted for the award of those costs. Judicial review of an award of costs is under the substantial evidence rule as provided by Chapter 2001, Government Code.

(i) A local review committee shall:

(1) interact with the applicant in a structured manner during the preapplication review stage of the permitting process and, if necessary, during the technical review stage of the permitting process to raise and attempt to resolve both technical and nontechnical issues of concern; and
(2) produce a fact-finding report documenting resolved and unresolved issues and unanswered questions.
(j) The applicant must submit the report required under Subsection (i)(2) to the commission with its permit application.

(k) If an applicant, after reasonable efforts to determine if local opposition exists to its proposed facility, including discussing the proposed facility with the county judge and other elected officials, does not enter into a local review committee process because of no apparent opposition or because a local review committee is not established despite the applicant’s good faith efforts, costs may not be assessed against the applicant under Subsection (f).

(l) This section does not apply to:
   (1) a solid waste or hazardous waste management facility for which an application was filed, or that was authorized to operate, as of September 1, 1985;
   (2) amendments to applications that were pending on September 1, 1987; or
   (3) changes in waste storage or processing operations at existing sites at which waste management activities were being conducted on September 1, 1987.

Sec. 361.0635. PREAPPLICATION MEETING. (a) If requested by a person who intends to file a permit application, the commission shall provide the person an opportunity to meet with one or more staff members of the commission to discuss the permit application that the person intends to file.

(b) The person must make the request in writing to the commission.

(c) A meeting under this section must be held before the person files the permit application with the commission.

Sec. 361.064. PERMIT APPLICATION FORM AND PROCEDURES. (a) If
the commission exercises the power to issue permits for solid waste facilities under this subchapter, the commission, to the extent not otherwise provided by this subchapter, shall prescribe:

(1) the form of and reasonable requirements for the permit application; and

(2) the procedures for processing the application.

(b) The commission shall provide a thorough and timely review of and a timely issuance or denial of any permit application for a solid waste management facility.

Sec. 361.0641. NOTICE TO STATE SENATOR AND REPRESENTATIVE. On receiving an application for, or notice of intent to file an application for, a permit to construct, operate, or maintain a facility to store, process, or dispose of solid waste or hazardous waste, the commission shall send notice of the application or the notice of intent to the state senator and representative who represent the area in which the facility is or will be located.

Sec. 361.066. SUBMISSION OF ADMINISTRATIVELY COMPLETE PERMIT APPLICATION. (a) An applicant must submit any portion of an application that the commission determines is necessary to make the application administratively complete not later than the deadline set by the commission under Subsection (c).

(b) If an applicant does not submit an administratively complete application as required by this section, the application is considered withdrawn, unless there are extenuating circumstances.

(c) The commission by rule shall establish a deadline for the submission of additional information or material after the applicant receives notice from the commission that the information or material is needed to make the application administratively complete.
Sec. 361.0665. NOTICE OF INTENT TO OBTAIN MUNICIPAL SOLID WASTE PERMIT. (a) A person who applies for a municipal solid waste permit shall publish notice of intent to obtain a permit under this chapter at least once in a newspaper of the largest general circulation that is published in the county in which the facility is located or proposed to be located.

(b) Notice must include:

(1) a description of the location or proposed location of the facility;

(2) a statement that a person who may be affected by the facility or proposed facility is entitled to request a hearing from the commission;

(3) the manner in which the commission may be contacted for further information; and

(4) any other information that the commission by rule requires.

(c) If a newspaper is not published in the county, the notice must be published in a newspaper of general circulation in the county in which the facility is located or proposed to be located and in a newspaper of circulation in the immediate vicinity in which the facility is located or proposed to be located as defined by commission rule.

(d) In addition, the commission shall publish notice in the Texas Register.

(b) The applicant shall publish notice of the public meeting at least once each week during the three weeks preceding the meeting. The notice must be published in the newspaper of the largest general circulation that is published in the county in which the proposed facility is to be located. If a newspaper is not published in the county, the notice must be published in a newspaper of general circulation in the county.

(c) The applicant shall present to the commission an affidavit certifying that the notice was published as required by Subsection (b). The commission's acceptance of the affidavit raises a presumption that the applicant has complied with Subsection (b).

(d) The published notice may not be smaller than 96.8 square centimeters or 15 square inches, with the shortest dimension not less than 7.5 centimeters or 3 inches. The notice must contain at least the following information:

1. the permit application number;
2. the applicant's name;
3. the proposed location of the facility; and
4. the location and availability of copies of the application.

(e) The applicant shall pay the cost of the notice required under this section. The commission by rule may establish a procedure for payment of those costs.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 2.01, eff. Sept. 1, 2001.

Amended by:
Acts 2005, 79th Leg., Ch. 582 (H.B. 1609), Sec. 1, eff. September 1, 2005.

Sec. 361.067. REVIEW OF PERMIT APPLICATION BY OTHER GOVERNMENTAL ENTITIES. (a) If the commission determines that a permit application submitted to it is administratively complete, it shall mail a copy of the application or a summary of its contents to:

1. the mayor and health authority of a municipality in whose territorial limits or extraterritorial jurisdiction the solid waste facility is located; and
2. the county judge and the health authority of the county in which the facility is located.
(b) A governmental entity to whom the information is mailed shall have a reasonable time, as prescribed by the commission, to present comments and recommendations on the permit application before the commission acts on the application.

Sec. 361.068. ADMINISTRATIVELY COMPLETE APPLICATION. (a) A permit application is administratively complete when:

(1) a complete permit application form and the report and fees required to be submitted with a permit application have been submitted to the commission; and

(2) the permit application is ready for technical review in accordance with the rules of the commission.

(b) Once a determination that an application is administratively and technically complete has been made and the permit application has become the subject of a contested case under Section 2001.003, Government Code:

(1) the commission may not revoke the determination that an application is administratively or technically complete;

(2) the commission may request additional information from the applicant only if the information is necessary to clarify, modify, or supplement previously submitted material provided that all parties may engage in discovery against all other parties, as provided by applicable law; and

(3) a request for additional information does not render the application incomplete.

(c) Subsection (b) does not:

(1) preclude an informal disposition of a contested case by stipulation, agreed settlement, consent order, or default; or

(2) restrict the right of any party to conduct discovery against any applicable party under other law.

Sec. 361.069. DETERMINATION OF LAND USE COMPATIBILITY. The
commission in its discretion may, in processing a permit application, make a separate determination on the question of land use compatibility, and, if the site location is acceptable, may at another time consider other technical matters concerning the application. A public hearing may be held for each determination in accordance with Section 361.088. In making a determination on the question of land use compatibility, the commission shall not consider the position of a state or federal agency unless the position is fully supported by credible evidence from that agency during the public hearing.

Sec. 361.078. MAINTENANCE OF STATE PROGRAM AUTHORIZATION UNDER FEDERAL LAW. This subchapter does not abridge, modify, or restrict the authority of the commission to adopt rules under Subchapters B and C, to issue permits and to enforce the terms and conditions of the permits, concerning hazardous waste management to the extent necessary for the commission to receive and maintain state program authorization under Section 3006 of the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901 et seq.).

Sec. 361.079. NOTICE CONCERNING RECEIPT OF PERMIT APPLICATION; HEARING PROCEDURES. (a) Except as provided by Sections 361.080(b) and 361.081(c), the commission by rule shall establish procedures for public notice and a public hearing under Section 361.080 or 361.081.

(b) The hearings shall be conducted in accordance with the hearing rules and the applicable provisions of Chapter 2001, Government Code.

(c) To improve the timeliness of notice to the public of a public hearing under Section 361.080 or 361.081, public notice of receipt of the permit application shall be provided at the time a permit application is submitted to the commission.
Sec. 361.0791.  PUBLIC MEETING AND NOTICE REQUIREMENT.  (a) Notwithstanding other law, the commission may hold a public meeting on an application for a new hazardous waste management facility in the county in which the proposed hazardous waste management facility is to be located.  The commission may hold a public meeting on an application for a Class 3 modification or a major amendment to an existing facility's hazardous waste permit.

(b) Notwithstanding other law, the commission may hold a public meeting on an application for a new municipal solid waste management facility in the county in which the proposed municipal solid waste management facility is to be located.

(c) A public meeting held as part of a local review process under Section 361.063 meets the requirement of Subsection (a) or (b) if notice is provided as required by this section.

(d) A public meeting under this section is not a contested case hearing under Chapter 2001, Government Code.

(e) If a meeting is required under Subsection (a), not less than once each week during the three weeks preceding a public meeting, the applicant shall publish notice of the meeting in the newspaper of the largest general circulation that is published in the county in which the proposed facility is to be located or, if no newspaper is published in the county, in a newspaper of general circulation in the county.  The applicant shall provide the commission an affidavit certifying that the notice was given as required by this section.  Acceptance of the affidavit creates a rebuttable presumption that the applicant has complied with this section.

(f) The published notice may not be smaller than 96.8 square centimeters or 15 square inches with the shortest dimension at least 7.6 centimeters or three inches and shall contain, at a minimum, the following information:

(1) the permit application number;
(2) the applicant's name;
(3) the proposed location of the facility; and
(4) the location and availability of copies of the permit application.

(g) The applicant shall pay the cost of notice required to be provided under this section. The commission by rule may establish procedures for payment of those costs.

Sec. 361.080. HEARING CONCERNING PERMIT APPLICATION FOR HAZARDOUS INDUSTRIAL SOLID WASTE FACILITY. (a) A hearing on an application for a permit concerning a hazardous industrial solid waste facility must include one session held in the county in which the facility is located.

(b) Notice for a hearing session held under this section shall be provided in accordance with Section 361.0791.

Sec. 361.081. NOTICE OF HEARING CONCERNING APPLICATION FOR A SOLID WASTE FACILITY. (a) The commission shall require the applicant to mail notice to each residential or business address located within one-half mile of a new solid waste management facility and to each owner of real property located within one-half mile of a new solid waste management facility listed in the real property appraisal records of the appraisal district in which the solid waste management facility is sought to be permitted as of the date the commission determines the permit application is administratively complete. The notice must be sent by mail and must be deposited with the United States postal service not more than 45 days or less than 30 days before the date of the hearing.

(b) The applicant must certify to the commission that the
mailings were deposited as required by Subsection (a). Acceptance of the certification creates a rebuttable presumption that the applicant has complied with this section. Substantial compliance with the notice requirements of Subsection (a) is sufficient for the commission to exercise jurisdiction over an application for a solid waste facility.

(c) In addition to the requirements of Subsection (a), the commission shall hold a public meeting and the applicant shall give notice concerning the application for a permit for a new hazardous waste management facility as provided by Section 361.0791.

Sec. 361.082. APPLICATION FOR HAZARDOUS WASTE PERMIT; NOTICE AND HEARING. (a) A person may not process, store, or dispose of hazardous waste without having first obtained a hazardous waste permit issued by the commission.

(b) On its own motion or the request of a person affected, the commission may hold a public hearing on an application for a hazardous waste permit in accordance with this subchapter.

(c) The commission by rule shall establish procedures for public notice and public hearing. At a minimum, the rules shall include the public notice requirements set forth in Section 361.081.

(d) In addition to the hearing held under this section, the commission may hold a public meeting and the applicant shall give notice as provided by Section 361.0791.

(e) The commission may include any requirement in the permit for remedial action by the applicant that the commission determines is necessary to protect the public health and safety and the environment.

(f) An owner or operator of a solid waste management facility that is in existence on the effective date of a statutory or regulatory change that subjects the owner or operator to a requirement to obtain a hazardous waste permit who has filed a
hazardous waste permit application in accordance with commission rules may continue to process, store, or dispose of hazardous waste until the commission approves or denies the application, except as provided by Section 361.110 or, if the owner or operator becomes subject to a requirement to obtain a hazardous waste permit after November 8, 1984, except as provided by United States Environmental Protection Agency or commission rules relative to termination of interim status.

(g) On request under Section 361.082 by a person affected for a hearing on the permit application, the applicant for a permit for a new hazardous waste management facility shall furnish a bond or other financial assurance authorized by the commission to guarantee payment of the costs of a person affected who provides information to the commission on the question of the issuance of the permit and who is entitled to those costs under an order made as provided by Section 361.0833. For applications involving commercial hazardous waste management facilities, the bond or other financial assurance must be in the amount of $100,000. For applications that do not involve commercial hazardous waste management facilities, the bond or other financial assurance must be in the amount of $20,000.

(h) Nothing in this section limits the authority of the commission, consistent with federal law, to issue an order for the closure, post-closure care, or other remediation of hazardous waste or hazardous waste constituents from a solid waste management unit at a solid waste processing, storage, or disposal facility.

Acts 2005, 79th Leg., Ch. 582 (H.B. 1609), Sec. 3, eff. September 1, 2005.

Sec. 361.083. EVIDENCE OF NOTICE OF HEARING. (a) Before the commission may hear testimony in a contested case, evidence must be placed in the record to show that proper notice of the hearing was given to affected persons.

(b) If mailed notice to an affected person is required, the commission or other party to the hearing shall place evidence in the
record that notice was mailed to the affected person's address as shown by the appropriate appraisal district real property appraisal records at the time of the mailing.

(c) The affidavit of the commission employee responsible for the mailing of the notice, attesting that the notice was mailed to the address shown by the appraisal district real property appraisal records at the time of mailing, is prima facie evidence of proper mailing.

Sec. 361.0831. EX PARTE CONTACTS PROHIBITED. (a) Unless required for the disposition of ex parte matters authorized by law, or unless permitted by Section 2001.061, Government Code, a hearings examiner may not communicate, directly or indirectly, with any employee of the commission, any commissioner, or any party to a hearing conducted by the commission in connection with any issue of fact or law pertaining to a contested case in which the commission or party is involved.

(b) Except for communications allowed under Subsection (a), an employee of the commission, a commissioner, or a party to a hearing conducted by the commission may not attempt to influence the finding of facts or the application of law or rules by a hearings examiner except by proper evidence, pleadings, and legal argument with notice and opportunity for all parties to participate.

(c) If a prohibited contact is made, the hearings examiner shall notify all parties with a summary of that contact and notice of their opportunity to respond and shall give all parties an opportunity to respond.

Added by Acts 1991, 72nd Leg., ch. 296, Sec. 1.08, eff. June 7, 1991. Amended by Acts 1993, 73rd Leg., ch. 177, Sec. 1, eff. May 17, 1993; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(56), eff. Sept. 1, 1995; Acts 1995, 74th Leg., ch. 106, Sec. 6, eff. Sept. 1, 1995.

Sec. 361.0832. PROPOSAL FOR DECISION; CERTIFIED ISSUES;
REVERSAL BY COMMISSION. (a) After hearing evidence and receiving legal arguments, a hearings examiner shall make findings of fact, conclusions of law, and any ultimate findings required by statute, all of which shall be separately stated. The hearings examiner shall make a proposal for decision to the commission and shall serve the proposal for decision on all parties. The commission shall consider and act on the proposal for decision.

(b) If a contested case involves an ultimate finding of compliance with or satisfaction of a statutory standard the determination of which is committed to the discretion or judgment of the commission by law, a hearings examiner, on joint motion of all parties or sua sponte, may certify those policy issues to the commission. A certification request must contain a statement of the policy issue to be determined and a statement of all relevant facts sufficient to show fully the nature of the controversy. The commission may receive written or oral statements from parties to the hearing or the hearings examiner on the policy issue certified. The commission must answer policy issues not later than the 60th day after the date of certification or, in its discretion, may decline to answer. If the commission fails to answer a policy issue within that period, the commission shall be deemed to have declined to answer. The hearings examiner shall proceed with the contested case and make a proposal for decision as required by Subsection (a).

(c) The commission may overturn an underlying finding of fact that serves as the basis for a decision in a contested case only if the commission finds that the finding was not supported by the great weight of the evidence.

(d) The commission may overturn a conclusion of law in a contested case only on the grounds that the conclusion was clearly erroneous in light of precedent and applicable rules.

(e) If a decision in a contested case involves an ultimate finding of compliance with or satisfaction of a statutory standard the determination of which is committed to the discretion or judgment of the commission by law, the commission may reject a proposal for decision as to the ultimate finding for reasons of policy only.

(f) The commission shall issue written rulings, orders, or decisions in all contested cases and shall fully explain in a ruling, order, or decision the reasoning and grounds for overturning each finding of fact or conclusion of law or for rejecting any proposal for decision on an ultimate finding.
Sec. 361.0833. COSTS FOR INFORMATION PROVIDED BY A PERSON AFFECTED REGARDING HAZARDOUS WASTE PERMIT. (a) After considering the factors in Subsection (e), the commission may order the applicant for a permit for a new hazardous waste management facility to pay reasonable costs incurred by a person affected in presenting information set out in Subsection (b) to the commission on the question of the issuance of the permit.

(b) Information for which an award of costs under Subsection (a) may be made includes:

(1) technical studies of the area in which the new hazardous waste facility is proposed to be located;
(2) expert testimony given at a hearing on the permit application; and
(3) surveys of land use and potential use in the hazardous waste facility area.

(c) The commission may order the applicant for a permit for a new hazardous waste management facility to pay reasonable costs incurred by a person affected who presented information to the commission at a hearing showing that the applicant:

(1) knowingly made false or misleading statements in the application;
(2) knowingly made false or misleading statements during the hearing; or
(3) failed to present information that the applicant had in its possession that would have materially affected the issues of fact and law on which the decision of the commission was based.

(d) The total costs awarded to all persons affected under Subsection (a) may not exceed $100,000 for a new commercial hazardous waste management facility or $20,000 for a new noncommercial hazardous waste management facility. The total costs awarded to all persons affected under Subsection (c) may not exceed $150,000 for a new commercial hazardous waste management facility or $30,000 for a new noncommercial hazardous waste management facility.
(e) In determining the appropriateness of an award under Subsection (a) or (c), the commission shall consider:

(1) whether the information provided is material to the commission's determination to deny the permit or to require the applicant to make significant changes in the facility's design or operation; and

(2) whether the information would otherwise not have been presented to the commission while the commission is considering its decision.

(f) If the applicant fails or refuses to pay the amount of costs ordered not later than the 30th day after the date of entry of the final order granting payment of costs, the commission shall order the applicant's bond or other financial assurance forfeited in the amount of the costs ordered reimbursed under Subsection (a) or (c) up to and including the full amount of the bond or other financial assurance. The commission shall forward the forfeited amount to the person affected.

(g) If no request is made for an award of costs under this section or if a person affected is determined by the commission not to be entitled to an award of costs, the commission shall release the bond or other financial assurance of the applicant subject to an appeal of the denial of costs under this section. The commission shall also release the bond or other financial assurance on presentation of proof that the costs awarded have been paid.

(h) An order issued under this section is enforceable as a debt.

Added by Acts 1991, 72nd Leg., ch. 296, Sec. 1.09, eff. June 7, 1991.

Sec. 361.084. COMPLIANCE SUMMARIES. (a) The commission by rule shall establish a procedure to prepare compliance summaries relating to the applicant's solid waste management activities in accordance with the method for evaluating compliance history developed by the commission under Section 5.754, Water Code. A compliance summary shall include as evidence of compliance information regarding the applicant's implementation of an environmental management system at the facility for which the authorization is sought. In this subsection, "environmental management system" has the meaning assigned by Section 5.127, Water
(b) The compliance summaries shall be made available to the applicant and any interested person after the commission has completed its technical review of the permit application and before the issuance of the public notice concerning an opportunity for a hearing on the permit application.

(c) Evidence of compliance or noncompliance by an applicant for a solid waste management facility permit with agency rules, permits, other orders, or evidence of a final determination of noncompliance with federal statutes or statutes of any state concerning solid waste management may be:

(1) offered by a party at a hearing concerning the application; and

(2) admitted into evidence subject to applicable rules of evidence.

(d) The commission shall consider all evidence admitted, including compliance history, in determining whether to issue, amend, extend, or renew a permit.

Sec. 361.085. FINANCIAL ASSURANCE AND DISCLOSURE BY PERMIT APPLICANT. (a) Before a permit may be issued, amended, transferred, extended, or renewed for a hazardous waste management facility, the commission shall require as a part of each application information it deems necessary to demonstrate that an applicant has sufficient financial resources to operate the facility in a safe manner and in compliance with the permit and all applicable rules, including how an applicant intends to obtain financing for construction of the facility, and to close the facility in accordance with applicable rules. That information may include balance sheets, financial statements, and disclosure of relevant information regarding investors and stockholders, or information required by Title 40, Code of Federal Regulations, Part 264, Subpart H. If the information would be considered confidential under applicable law, the commission shall
protect the information accordingly. During hearings on contested applications, the commission may allow disclosure of confidential information only under an appropriate protective order.

(b) The commission may order a party in a contested case permit hearing to provide:

(1) the identity of any known competitor of the applicant that has provided funding to the party for its participation in the hearing; and

(2) the amount of that funding.

(c) Before a permit may be issued, amended, extended, or renewed for a solid waste facility to store, process, or dispose of hazardous waste, the commission shall determine the type or types of financial assurance that may be given by the applicant to comply with rules adopted by the commission requiring financial assurance.

(d) Before hazardous waste may be received for storage, processing, or disposal at a solid waste facility for which a permit is issued, amended, extended, or renewed, the commission shall require the permit holder to execute the required financial assurance conditioned on the permit holder's satisfactorily operating and closing the solid waste facility.

(e) The commission may condition issuance, amendment, extension, or renewal of a permit for a solid waste facility, other than a solid waste facility for disposal of hazardous waste, on the permit holder's executing a bond or giving other financial assurance conditioned on the permit holder's satisfactorily operating and closing the solid waste facility.

(f) The commission shall require an assurance of financial responsibility as may be necessary or desirable consistent with the degree and duration of risks associated with the processing, storage, or disposal of specified solid waste.

(g) Financial requirements established by the commission must at a minimum be consistent with the federal requirements established under the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901 et seq.).

(h) The commission may:

(1) receive funds as the beneficiary of a financial assurance arrangement established under this section for the proper closure of a solid waste management facility; and

(2) spend the funds from the financial assurance
arrangement to close the facility.

(i) If liability insurance is required of an applicant, the applicant may not use a claims made policy as security unless the applicant places in escrow, as provided by the commission, an amount sufficient to pay an additional year of premiums for renewal of the policy by the state on notice of termination of coverage.

(j) In addition to other forms of financial assurance authorized by rules of the commission, the commission may authorize the applicant to use a letter of credit if the issuing institution or another institution that guarantees payment under the letter is:

(1) a bank chartered by the state or the federal government; and

(2) federally insured and its financial practices are regulated by the state or the federal government.

(k) The commission may require financial assurance as a condition of issuing a permit or registration for the collection, transportation, or processing of grit trap waste or grease trap waste. The amount of financial assurance required must be consistent with the degree and duration of risk associated with the type of waste authorized to be collected, transported, or processed.

(l) If the commission requires financial assurance as a condition of a permit or registration under Subsection (k), provision of that financial assurance also satisfies any requirement for financial assurance under Chapter 368.

Sec. 361.0855. DEMONSTRATION OF FINANCIAL ASSURANCE. (a) In this section:

(1) "Bonds" means financial obligations issued by a local government, including general obligation bonds, revenue bonds, and certificates of obligation.

(2) "Local government" includes:

(A) a local government corporation created under Chapter 431, Transportation Code, to act on behalf of a local government; and
(B) a conservation and reclamation district created under Section 59, Article XVI, Texas Constitution.

(b) Notwithstanding any requirement of the commission for the demonstration of financial assurance, a local government that owns or operates a municipal solid waste landfill facility regulated by this chapter is considered to have satisfied all requirements of the commission for the demonstration of financial assurance in relation to closure, post closure, or corrective action, if the local government:

(1) establishes and passes a financial test in accordance with commission rules; and

(2) demonstrates that the outstanding bonds of the local government that are not secured by insurance, a letter of credit, or any other collateral or guarantee have a current rating of AAA, AA, A, or BBB as determined by Standard and Poor's or Aaa, Aa, A, or Baa as determined by Moody's.

(c) A local government must demonstrate financial assurance under this section:

(1) before the date of the initial receipt of waste at the facility; or

(2) as soon as practicable if, on the effective date of this section, the facility was in operation and had received waste.

Added by Acts 2005, 79th Leg., Ch. 154 (H.B. 2131), Sec. 1, eff. May 24, 2005.

Sec. 361.086. SEPARATE PERMIT FOR EACH FACILITY. (a) Except as provided by Subsection (d), a separate permit is required for each solid waste facility.

(b) A permit under this subchapter may be issued only to the person in whose name the application is made and only for the facility described by the permit.

(c) A permit may not be transferred without first giving written notice to and receiving written approval of the agency that issued the permit.

(d) A separate permit is not required for activities authorized by a general permit issued under Section 27.025, Water Code.

Amended by:
Sec. 361.0861. SEPARATE RECYCLING OR RECOVERY PERMIT NOT REQUIRED. (a) A permit holder or a municipal solid waste management facility that has or plans to have a recycling, waste separation, energy and material recovery, or gas recovery or transfer facility established in conjunction with the permitted municipal solid waste management facility is not required to obtain for that recycling, waste separation, energy and material recovery, or gas recovery or transfer facility a separate permit from the commission or to apply for an amendment to an existing permit issued by the commission.

(b) A facility to which this section applies must register with the commission in accordance with commission rules and comply with commission rules adopted under this chapter.

(c) If a permit is otherwise required, the commission shall expedite the permit proceeding if the applicant is seeking a permit for a solid waste management facility that employs an innovative, high technology method of waste disposition and recycling.

Sec. 361.087. CONTENTS OF PERMIT. A permit issued under this subchapter must include:

1. the name and address of each person who owns the land on which the solid waste facility is located and the person who is or will be the operator or person in charge of the facility;

2. a legal description of the land on which the facility is located; and

3. the terms and conditions on which the permit is issued, including the duration of the permit.

Sec. 361.0871. EVALUATION OF WASTE STREAM; LAND USE AND NEED.
(a) Before a permit may be issued for a new hazardous waste management facility or amended to provide for capacity expansion, the applicant shall identify the nature of any known specific and potential sources, types, and volumes of waste to be stored, processed, or disposed of by the facility and shall identify any other related information the commission may require.
(b) In evaluating a permit for a new hazardous waste management facility, the commission shall assess the impact of the proposed facility on local land use in the area, including any relevant land use plans in existence before publication of the notice of intent to file a solid waste permit application or, if no notice of intent is filed, at the time the permit application is filed. In determining whether a new hazardous waste management facility is compatible with local land use, the commission shall consider, at a minimum, the location of industrial and other waste-generating facilities in the area, the amounts of hazardous waste generated by those facilities, and the risks associated with the transportation of hazardous waste to the facility. If the commission determines that a proposed application is not compatible with local land use, it may deny the permit. The commission shall adopt rules to implement this subsection.
(c) Repealed by Acts 2003, 78th Leg., 3rd C.S., ch. 3, Sec. 7.04(a).

Sec. 361.088. PERMIT ISSUANCE, AMENDMENT, EXTENSION AND RENEWAL; NOTICE AND HEARING. (a) The commission may amend, extend, or renew a permit it issues in accordance with reasonable procedures prescribed by the commission.
(b) The procedures prescribed by Section 361.067 for a permit application apply to an application to amend, extend, or renew a permit.
(c) Except as provided by Subsection (e), before a permit is issued, amended, extended, or renewed, the commission shall provide an opportunity for a hearing to the applicant and persons affected.
The commission may also hold a hearing on its own motion.

(d) In addition to providing an opportunity for a hearing held under this section, the commission shall hold a public meeting and give notice as provided by Section 361.0791.

(e) After complying with Sections 5.552-5.555, Water Code, the commission, without providing an opportunity for a contested case hearing, may act on an application to renew a permit for:

(1) storage of hazardous waste in containers, tanks, or other closed vessels if the waste:
   (A) was generated on-site; and
   (B) does not include waste generated from other waste transported to the site; and

(2) processing of hazardous waste if:
   (A) the waste was generated on-site;
   (B) the waste does not include waste generated from other waste transported to the site; and
   (C) the processing does not include thermal processing.

(f) Notwithstanding Subsection (e), if the commission determines that an applicant's compliance history under the method for evaluating compliance history developed by the commission under Section 5.754, Water Code, raises an issue regarding the applicant's ability to comply with a material term of its permit, the commission shall provide an opportunity to request a contested case hearing.

(g) The commission shall review a permit issued under this chapter every five years to assess the permit holder's compliance history.

Sec. 361.0885. DENIAL OF APPLICATION; INVOLVEMENT OF FORMER EMPLOYEE. (a) After providing an opportunity for a hearing to an applicant, the state agency shall deny an application for the issuance, amendment, renewal, or transfer of a permit within its jurisdiction and may not issue, amend, renew, or transfer the permit if the state agency determines that a former employee:
(1) participated personally and substantially as a former employee in the state agency's review, evaluation, or processing of that application before leaving employment with the state agency; and

(2) after leaving employment with the state agency, provided assistance on the same application for the issuance, amendment, renewal, or transfer of a permit, including assistance with preparation or presentation of the application or legal representation of the applicant.

(b) Action taken under this section does not prejudice any application in which the former employee did not provide assistance.

(c) In this section, "former employee" means a person:

(1) who was previously employed by the state agency as a supervisory or exempt employee; and

(2) whose duties during employment with that state agency included involvement in or supervision of that state agency's review, evaluation, or processing of applications.

Added by Acts 1990, 71st Leg., 6th C.S., ch. 10, art. 2, Sec. 16, eff. Sept. 6, 1990.
is found, after notice and hearing, that:

(1) the applicant or permit holder has a compliance history that is classified as unsatisfactory according to commission standards under Sections 5.753 and 5.754, Water Code, and rules adopted and procedures developed under those sections;

(2) the permit holder or applicant made a false or misleading statement in connection with an original or renewal application, either in the formal application or in any other written instrument relating to the application submitted to the commission, its officers, or its employees;

(3) the permit holder or applicant is indebted to the state for fees, payment of penalties, or taxes imposed by this title or by a rule of the commission; or

(4) the permit holder or applicant is unable to ensure that the management of the hazardous waste management facility conforms or will conform to this title and the rules of the commission.

(f) Before denying a permit under this section, the commission must find:

(1) that the applicant or permit holder has a compliance history that is classified as unsatisfactory according to commission standards under Sections 5.753 and 5.754, Water Code, and rules adopted and procedures developed under those sections; or

(2) that the permit holder or applicant is indebted to the state for fees, payment of penalties, or taxes imposed by this title or by a rule of the commission.

(g) For purposes of this section, the terms "permit holder" and "applicant" include each member of a partnership or association and, with respect to a corporation, each officer and the owner or owners of a majority of the corporate stock, provided such partner or owner controls at least 20 percent of the permit holder or applicant and at least 20 percent of another business which operates a solid waste management facility.

Acts 2011, 82nd Leg., R.S., Ch. 1021 (H.B. 2694), Sec. 4.24, eff.
Sec. 361.0895. FACILITIES REQUIRED TO OBTAIN FEDERAL APPROVAL. For a commercial hazardous waste disposal well facility originally permitted by the commission after June 7, 1991, and which is required to obtain from the United States Environmental Protection Agency a variance from the federal land disposal restrictions before injecting permitted hazardous wastes:

(1) a permit or other authorization issued to the facility under this chapter is not subject to cancellation, amendment, modification, revocation, or denial of renewal because the permit holder has not commenced construction or operation of the facility; and

(2) the fixed term of each permit or other authorization issued to the facility under this chapter shall commence on the date physical construction of the authorized waste management facility begins.

Added by Acts 1997, 75th Leg., ch. 1211, Sec. 2, eff. Sept. 1, 1997.

Sec. 361.090. REGULATION AND PERMITTING OF CERTAIN INDUSTRIAL SOLID WASTE DISPOSAL. (a) The commission may not require a permit under this chapter for the collection, handling, storage, processing, and disposal of industrial solid waste that is disposed of within the boundaries of a tract of land that is:

(1) owned or otherwise effectively controlled by the owners or operators of the particular industrial plant, manufacturing plant, mining operation, or agricultural operation from which the waste results or is produced; and

(2) located within 50 miles from the plant or operation that is the source of the industrial solid waste.

(b) This section does not apply to:

(1) waste collected, handled, stored, processed, or disposed of with solid waste from any other source or sources; or

(2) hazardous waste.

(c) This section does not change or limit any authority the commission may have concerning:

(1) the requirement of permits and the control of water
quality, or otherwise, under Chapter 26, Water Code; or

(2) the authority under Section 361.303.

(d) The commission may adopt rules under Section 361.024 to control the collection, handling, storage, processing, and disposal of the industrial solid waste to which this section applies to protect the property of others, public property and rights-of-way, groundwater, and other rights requiring protection.

(e) The commission may require a person who disposes or plans to dispose of industrial solid waste and claims to be exempt under this section to submit to the commission information that is reasonably required to enable the commission to determine if this section applies to the waste disposal activity.

Sec. 361.0901. REGULATION AND PERMITTING OF CERTAIN COMMERCIAL INDUSTRIAL SOLID WASTE FACILITIES. (a) In this section:

(1) "Captured facility" has the meaning assigned by Section 361.131.

(2) "Commercial industrial solid waste facility" means any industrial solid waste facility that accepts industrial solid waste for a charge, but does not include a municipal solid waste facility, a captured facility, or a facility that accepts waste only from other facilities owned or effectively controlled by the same person.

(3) "Publicly owned treatment works" means any device or system used in the treatment, recycling, or reclamation of municipal sewage or industrial waste of a liquid nature that is owned by a state or by a municipality as defined by Section 502(4), Federal Water Pollution Control Act (33 U.S.C. Section 1362). The term includes a sewer, pipe, or other conveyance only if the sewer, pipe, or conveyance conveys wastewater to a publicly owned treatment works providing treatment.

(b) A commercial industrial solid waste facility may not receive industrial solid waste for discharge into a publicly owned treatment works facility without first obtaining from the commission a permit under this chapter or a permit under Chapter 26, Water Code.

(c) This section does not require a commercial industrial solid waste facility to obtain a permit for discharge into a publicly owned treatment works facility liquid wastes that are incidental to the
handling, processing, storage, or disposal of solid wastes at a municipal solid waste facility or commercial industrial solid waste landfill facility.

Added by Acts 2005, 79th Leg., Ch. 362 (S.B. 1281), Sec. 1, eff. September 1, 2005.

Sec. 361.091. ENCLOSED CONTAINERS OR VEHICLES; PERMITS; INSPECTIONS. (a) A municipal solid waste site or operation permitted as a Type IV landfill may not accept solid waste that is in a completely enclosed container or enclosed vehicle unless:

(1) the solid waste is transported on a route approved by the commission and designed to eliminate putrescible, hazardous, or infectious waste;

(2) the solid waste is delivered to the site or operation on a date and time designated and approved by the commission to eliminate putrescible, hazardous, or infectious waste;

(3) the transporter possesses a special permit issued by the commission that includes the approved route, date, and time; and

(4) a commission inspector is present to verify that the solid waste is free of putrescible, hazardous, or infectious waste.

(b) The commission may issue the special permit under this section and charge a reasonable fee to cover the costs of the permit. The commission may adopt rules of procedure necessary to carry out the permit program.

(c) The commission may employ one or more inspectors and other employees necessary to inspect and determine if Type IV landfills are free of putrescible, hazardous, or infectious waste. The commission shall pay the compensation and expenses of inspectors and other necessary employees employed under this subsection, but the holders of Type IV landfill permits shall reimburse the commission for the compensation and expenses as provided by this section.

(d) The commission shall notify each holder of a Type IV landfill permit of the compensation and expenses that are required annually for the inspection of the landfills.

(e) The commission shall hold a public hearing to determine the apportionment of the administration costs of the inspection program among the holders of Type IV landfill permits. After the hearing, the commission shall equitably apportion the costs of the inspection.
program and issue an order assessing the annual costs against each permit holder. The commission may provide for payments in installments and shall specify the date by which each payment must be made to the commission.

(f) A holder of a permit issued under this section may not accept solid waste if the permit holder is delinquent in the payment of costs assessed under Subsection (e).

(g) The commission's order assessing costs is effective until the commission:

(1) modifies, revokes, or supersedes an order assessing costs with a subsequent order; or

(2) issues supplementary orders applicable to new Type IV landfill permits.

(h) The commission may adopt rules necessary to carry out this section.

(i) This section does not apply to:

(1) a stationary compactor that is at a specific location and that has an annual permit under this section issued by the commission, on certification to the commission by the generator that the contents of the compactor are free of putrescible, hazardous, or infectious waste; or

(2) an enclosed vehicle of a municipality if the vehicle has a permit issued by the commission to transport brush or construction-demolition waste and rubbish on designated dates, on certification by the municipality to the commission that the contents of the vehicle are free of putrescible, hazardous, or infectious waste.

(j) In this section, "putrescible waste" means organic waste, such as garbage, wastewater treatment plant sludge, and grease trap waste, that may:

(1) be decomposed by microorganisms with sufficient rapidity as to cause odors or gases; or

(2) provide food for or attract birds, animals, or disease vectors.

Sec. 361.092. REGISTRATION FOR EXTRACTING MATERIALS FROM CERTAIN SOLID WASTE FACILITIES. (a) The commission may require a registration to extract materials for energy and material recovery and for gas recovery from closed or inactive portions of a solid waste facility that has been used for disposal of municipal or industrial solid waste.

(b) The commission shall adopt standards necessary to ensure that the integrity of a solid waste facility is maintained.

Sec. 361.093. REGULATION AND PERMITTING OF RENDERING PLANTS. (a) A manufacturing or processing establishment, commonly known as a rendering plant, that processes waste materials originating from animals and from materials of vegetable origin, including animal parts and scraps, offal, paunch manure, and waste cooking grease of animal and vegetable origin, is subject to regulation under the industrial solid waste provisions of this chapter and may be regulated under Chapter 26, Water Code.

(b) If a rendering plant is owned by a person who operates the plant as an integral part of an establishment that manufactures or processes for animal or human consumption food derived wholly or partly from dead, slaughtered, or processed animals, the combined business may operate under a single permit issued under Chapter 26, Water Code.

(c) This section does not apply to a rendering plant in operation and production on or before August 27, 1973.

(d) In this section, "animals" includes only animals, poultry, and fish.

Sec. 361.094. PERMIT HOLDER EXEMPT FROM LOCAL LICENSE REQUIREMENTS. If a permit is issued, amended, renewed, or extended by the commission in accordance with this subchapter, the solid waste facility owner or operator does not need to obtain a license for the same facility from a political subdivision under Section 361.165 or
from a county.

**Sec. 361.095. APPLICANT FOR HAZARDOUS WASTE MANAGEMENT FACILITY PERMIT EXEMPT FROM LOCAL PERMIT.** (a) An applicant for a permit under this subchapter is not required to obtain a permit for the siting, construction, or operation of a hazardous waste management facility from a local government or other political subdivision of the state.

(b) A local government or other political subdivision of the state may not adopt a rule or ordinance that conflicts with or is inconsistent with the requirements for hazardous waste management facilities as specified by the rules of the commission or by a permit issued by the commission.

(c) In an action to enforce a rule or ordinance of a local government or other political subdivision, the burden is on the facility owner or operator or on the applicant to demonstrate conflict or inconsistency with state requirements.

(d) The validity or applicability of a rule or ordinance of a local government or other political subdivision may be determined in an action for declaratory judgment under Chapter 37, Civil Practice and Remedies Code, if it is alleged that the rule or ordinance, or its threatened application, interferes with or impairs, or threatens to interfere with or impair, the legal rights or privileges of the plaintiff concerning an application for or the issuance of a permit for the siting, construction, or operation of a hazardous waste management facility.

(e) The local government or other political subdivision whose rule or ordinance is being questioned shall be made a party to the action. The commission shall be given written notice by certified mail of the pendency of the action, and the commission may become a party to the action.

(f) A declaratory judgment may be rendered even if the plaintiff has requested the commission, the local government or political subdivision, or another court to determine the validity or applicability of the rule or ordinance in question.

Sec. 361.096. EFFECT ON AUTHORITY OF LOCAL GOVERNMENT OR OTHER POLITICAL SUBDIVISION. (a) Except as specifically provided by this chapter, this subchapter does not limit the powers and duties of a local government or other political subdivision of the state as conferred by this or other law.

(b) Sections 361.094 and 361.095 do not affect the power of a local government or other political subdivision to adopt or enforce building codes.

Sec. 361.0961. RESTRICTIONS ON AUTHORITY OF LOCAL GOVERNMENT OR OTHER POLITICAL SUBDIVISION. (a) A local government or other political subdivision may not adopt an ordinance, rule, or regulation to:

(1) prohibit or restrict, for solid waste management purposes, the sale or use of a container or package in a manner not authorized by state law;

(2) prohibit or restrict the processing of solid waste by a solid waste facility, except for a solid waste facility owned by the local government, permitted by the commission for that purpose in a manner not authorized by state law; or

(3) assess a fee or deposit on the sale or use of a container or package.

(b) This section does not prevent a local government or other political subdivision from complying with federal or state law or regulation. A local government or other political subdivision may take any action otherwise prohibited by this section in order to comply with federal requirements or to avoid federal or state penalties or fines.

(c) This section does not limit the authority of a local government to enact zoning ordinances.

Added by Acts 1993, 73rd Leg., ch. 1045, Sec. 12, eff. Sept. 1, 1993.

Sec. 361.097. CONDITION ON ISSUANCE OF PERMIT FOR HAZARDOUS WASTE MANAGEMENT FACILITY. The commission by rule shall condition
the issuance of a permit for a new hazardous waste management facility or the areal expansion of an existing hazardous waste management facility on the selection of a facility site that reasonably minimizes possible contamination of surface water and groundwater.

Sec. 361.098. PROHIBITION ON PERMIT FOR HAZARDOUS WASTE LANDFILL IN 100-YEAR FLOODPLAIN. (a) Except as provided by Subsections (b) and (c), the commission by rule shall prohibit the issuance of a permit for a new hazardous waste landfill or an areal expansion of such a landfill if the landfill is to be located in the 100-year floodplain existing before site development, unless the landfill is to be located in an area with a flood depth of less than three feet.

(b) The commission by rule may allow an areal expansion of a landfill in a 100-year floodplain if it can be demonstrated to the satisfaction of the commission that the facility design will prevent the physical transport of any hazardous waste by a 100-year flood event.

(c) The commission by rule shall prohibit the issuance of a permit for a new commercial hazardous waste land disposal unit if the unit is to be located in a 100-year floodplain, unless the applicant can demonstrate to the satisfaction of the commission that the facility design will prevent the physical transport of any hazardous waste by a 100-year flood event.

(d) The commission by rule shall require an applicant to provide sufficient information to assure that a proposed hazardous waste landfill, areal expansion of such landfill, or new commercial hazardous waste land disposal unit is not subject to inundation of a 100-year flood event. An applicant or any other party may not rely solely on floodplain maps prepared by the Federal Emergency Management Agency or a successor agency to determine whether a hazardous waste landfill, areal expansion of such landfill, or commercial hazardous waste land disposal unit is subject to such an inundation.

Sec. 361.099. PROHIBITION ON PERMIT FOR HAZARDOUS WASTE MANAGEMENT UNIT IN WETLANDS. (a) The commission by rule shall prohibit the issuance of a permit for a new hazardous waste management unit or an areal expansion of an existing hazardous waste management unit if the unit is to be located in wetlands, as defined by the commission.

(b) In this section and Section 361.100, "hazardous waste management unit" means a landfill, surface impoundment, land treatment facility, waste pile, or storage or processing facility used to manage hazardous waste.

Sec. 361.100. PROHIBITION ON PERMIT FOR CERTAIN HAZARDOUS WASTE MANAGEMENT UNITS. The commission by rule shall prohibit the issuance of a permit for a new hazardous waste management unit if the landfill:

(1) is in a floodplain of a perennial stream subject to not less than one percent chance of flooding in any year, delineated on a flood map adopted by the Federal Emergency Management Agency after September 1, 1985, as zone A1-99, V0, or V1-30; and

(2) receives hazardous waste for a fee.

Sec. 361.101. PROHIBITION ON PERMIT FOR FACILITY ON RECHARGE ZONE OF SOLE SOURCE AQUIFER. The commission by rule shall prohibit the issuance of a permit for a new hazardous waste landfill, land treatment facility, surface impoundment, or waste pile, or areal expansion of such a facility, if the facility is to be located on the recharge zone of a sole source aquifer.

Sec. 361.1011. PROHIBITION ON PERMIT FOR FACILITY AFFECTED BY FAULT. If a fault exists within two and one-half miles from the
proposed or existing wellbore of a Class I injection well or the area within the cone of influence, whichever is greater, or if a fault exists within 3,000 feet of a proposed hazardous waste management facility other than a Class I injection well or of a capacity expansion of an existing hazardous waste management facility, the burden is on the applicant, unless previously demonstrated to the commission or to the United States Environmental Protection Agency, to show:

(1) in the case of Class I injection wells, that the fault is not sufficiently transmissive or vertically extensive to allow migration of hazardous constituents out of the injection zone; or

(2) in the case of a proposed hazardous waste management facility other than a Class I injection well or for a capacity expansion of an existing hazardous waste management facility, that:

   (A) the fault has not had displacement within Holocene time, or if faults have had displacement within Holocene time, that no such faults pass within 200 feet of the portion of the surface facility where treatment, storage, or disposal of hazardous wastes will be conducted; and

   (B) the fault will not result in structural instability of the surface facility or provide for groundwater movement to the extent that there is endangerment to human health or the environment.

Sec. 361.102. PROHIBITION ON PERMIT FOR HAZARDOUS WASTE MANAGEMENT FACILITIES WITHIN A CERTAIN DISTANCE OF RESIDENCE, CHURCH, SCHOOL, DAY CARE CENTER, PARK, OR PUBLIC DRINKING WATER SUPPLY. (a) Except as provided by Subsections (b) and (c), the commission by rule shall prohibit the issuance of a permit for a new hazardous waste landfill or land treatment facility or the areal expansion of such a facility if the boundary of the landfill or land treatment facility is to be located within 1,000 feet of an established residence, church, school, day care center, surface water body used for a public drinking water supply, or dedicated public park.

(b) The commission by rule shall prohibit the issuance of a permit for a new commercial hazardous waste management facility or the subsequent areal expansion of such a facility or unit of that facility if the boundary of the unit is to be located within one-half
of a mile (2,640 feet) of an established residence, church, school, day care center, surface water body used for a public drinking water supply, or dedicated public park.

(c) For a subsequent areal expansion of a new commercial hazardous waste management facility that was required to comply with Subsection (b), distances shall be measured from a residence, church, school, day care center, surface water body used for a public drinking water supply, or dedicated public park only if such structure, water supply, or park was in place at the time the distance was certified for the original permit.

(d) The commission by rule shall prohibit the issuance of a permit for a new commercial hazardous waste management facility that is proposed to be located at a distance greater than one-half mile (2,640 feet) from an established residence, church, school, day care center, surface water body used for a public drinking water supply, or dedicated park, unless the applicant demonstrates that the facility will be operated so as to safeguard public health and welfare and protect physical property and the environment, at any distance beyond the facility's property boundaries, consistent with the purposes of this chapter.

(e) The measurement of distances required by Subsections (a), (b), (c), and (d) shall be taken toward an established residence, church, school, day care center, surface water body used for a public drinking water supply, or dedicated park that is in use when the notice of intent to file a permit application is filed with the commission or, if no notice of intent is filed, when the permit application is filed with the commission. The restrictions imposed by Subsections (a), (b), (c), and (d) do not apply to a residence, church, school, day care center, surface water body used for a public drinking water supply, a dedicated park located within the boundaries of a commercial hazardous waste management facility, or property owned by the permit applicant.

(f) The measurement of distances required by Subsections (a), (b), (c), and (d) shall be taken from a perimeter around the proposed hazardous waste management unit. The perimeter shall be not more than 75 feet from the edge of the proposed hazardous waste management unit.

Amended by Acts 1995, 74th Leg., ch. 76, Sec. 11.55, eff. Sept. 1, 1995.

Sec. 361.103. OTHER AREAS UNSUITABLE FOR HAZARDOUS WASTE MANAGEMENT FACILITY. The commission by rule shall define the characteristics that make other areas unsuitable for a hazardous waste management facility, including consideration of:

(1) flood hazards;
(2) discharge from or recharge to a groundwater aquifer;
(3) soil conditions;
(4) areas of direct drainage within one mile of a lake used to supply public drinking water;
(5) active geological processes;
(6) coastal high hazard areas, such as areas subject to hurricane storm surge and shoreline erosion; or
(7) critical habitat of endangered species.

Sec. 361.104. PROHIBITION ON PERMIT FOR FACILITY IN UNSUITABLE AREA. The commission by rule shall prohibit the issuance of a permit for a new hazardous waste management facility or an areal expansion of an existing hazardous waste management facility if the facility is to be located in an area determined to be unsuitable under rules adopted by the commission under Section 361.103 unless the design, construction, and operational features of the facility will prevent adverse effects from unsuitable site characteristics.

Sec. 361.105. PETITION BY LOCAL GOVERNMENT FOR RULE ON HAZARDOUS WASTE FACILITY IN UNSUITABLE AREA. (a) The commission by rule shall allow a local government to petition the commission for a rule that restricts or prohibits the siting of a new hazardous waste disposal facility or other new hazardous waste management facility in an area including an area meeting one or more of the characteristics described by Section 361.103.

(b) A rule adopted under this section may not affect the siting
of a new hazardous waste disposal facility or other new hazardous waste management facility if an application or a notice of intent to file an application concerning the facility is filed with the commission before the filing of a petition under this section.

Sec. 361.106. PROHIBITION ON PERMIT FOR LANDFILL IF ALTERNATIVE EXISTS. The commission by rule shall prohibit the issuance of a permit for a new hazardous waste landfill or the areal expansion of an existing hazardous waste landfill if there is a practical, economic, and feasible alternative to the landfill that is reasonably available to manage the types and classes of hazardous waste that might be disposed of at the landfill.

Sec. 361.107. HYDROGEOLOGIC REPORT FOR CERTAIN HAZARDOUS WASTE FACILITIES. The commission by rule shall require an applicant for a new hazardous waste landfill, land treatment facility, or surface impoundment that is to be located in the apparent recharge zone of a regional aquifer to prepare and file a hydrogeologic report documenting the potential effects, if any, on the regional aquifer in the event of a release from the waste containment system.

Sec. 361.108. ENGINEERING REPORT FOR HAZARDOUS WASTE LANDFILL. The commission by rule shall require an applicant for a new hazardous waste landfill filed after January 1, 1986, to provide an engineering report evaluating:

(1) the benefits, if any, associated with constructing the landfill above existing grade at the proposed site;
(2) the costs associated with the above grade construction; and
(3) the potential adverse effects, if any, that would be associated with the above grade construction.
Sec. 361.109. GRANT OF PERMIT FOR HAZARDOUS WASTE MANAGEMENT FACILITY. (a) The commission may grant an application for a permit in whole or in part for a hazardous waste management facility if it finds that:

(1) the applicant has provided for the proper operation of the proposed hazardous waste management facility;

(2) the applicant for a proposed hazardous waste management facility has made a reasonable effort to ensure that the burden, if any, imposed by the proposed hazardous waste management facility on local law enforcement, emergency medical or fire-fighting personnel, or public roadways, will be minimized or mitigated; and

(3) the applicant, other than an applicant who is not an owner of the facility, owns or has made a good faith claim to, or has an option to acquire, or the authority to acquire by eminent domain, the property or portion of the property on which the hazardous waste management facility will be constructed.

(b) If the commission determines that a burden on public roadways will be imposed by a new commercial hazardous waste management facility, the commission shall require the applicant to pay the cost of the improvements necessary to minimize or mitigate the burden. The applicant shall bear the costs associated with any required roadway improvements. The failure of a county or municipality to accept the funds and make the improvements shall not be the basis for denial or suspension of a permit.

(c) The commission shall not process an application for a permit for a new commercial hazardous waste management facility unless the applicant:

(1) has provided sufficient evidence that emergency response capabilities are available or will be available before the facility first receives waste in the area in which the facility is located or proposed to be located to manage a reasonable worst-case emergency condition associated with the operation of the facility; or

(2) has secured bonding of sufficient financial assurance to fund the emergency response personnel and equipment determined to be necessary by the commission to manage a reasonable worst-case emergency condition associated with the facility.
(d) If the applicant intends to use emergency response facilities that are not provided by the county or municipality in which the facility is located to satisfy the requirements of Subsection (c), the applicant must provide its own facilities or contract for emergency response facilities with an adjoining county, municipality, mutual aid association, or other appropriate entity. If financial assurance is required, the financial assurance must be for the benefit of the county government or municipal government in the county in which the facility is located or proposed to be located, or both, and must provide payment of the amount of the bond or other instrument to the governmental body or governmental bodies before the facility first receives waste, with a limitation that the money can only be spent for emergency response personnel and equipment. The commission shall adopt rules to ensure that the county or municipal government or other entity has sufficient emergency response capabilities before the facility first receives waste.

(e) A permit for a new commercial hazardous waste management facility shall not be granted unless the applicant provides a summary of its experience in hazardous waste management and in the particular hazardous waste management technology proposed for the application location. Any applicant without experience in the particular hazardous waste management technology shall conspicuously state that lack of experience in the application or a permit shall not be granted pursuant to the application. A permit may not be denied solely on the basis of lack of experience of the applicant.

Sec. 361.110. TERMINATION OF AUTHORIZATION OR PERMIT. Authorization to store, process, or dispose of hazardous waste under Section 361.082 or under a solid waste permit issued under this subchapter that has not been reissued in accordance with an approved state program under Section 3006 of the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901 et seq.), terminates as follows:

(1) in the case of each land disposal facility, on November
8, 1985, unless the facility owner or operator applied for a final determination concerning the issuance of a permit before that date and certified that the facility was in compliance with all applicable groundwater monitoring and financial responsibility requirements;

(2) in the case of each incinerator facility, on November 8, 1989, unless the facility owner or operator applied for a final determination concerning the issuance of a permit by November 8, 1986; or

(3) in the case of any other solid waste facility, on November 8, 1992, unless the facility owner or operator applied for a final determination concerning the issuance of a permit by November 8, 1988.

Sec. 361.111. COMMISSION SHALL EXEMPT CERTAIN MUNICIPAL SOLID WASTE MANAGEMENT FACILITIES. (a) The commission shall exempt from permit requirements a municipal solid waste management facility that is used in the transfer of municipal solid waste to a solid waste processing or disposal facility from:

(1) a municipality with a population of less than 50,000;
(2) a county with a population of less than 85,000;

(3) a facility used in the transfer of municipal solid waste that will transfer 125 tons per day or less; and

(4) a materials recovery facility that recycles for reuse more than 10 percent of its incoming nonsegregated waste stream if the remaining nonrecyclable waste is transferred to a permitted landfill not more than 50 miles from the materials recovery facility.

Sec. 361.111. COMMISSION SHALL EXEMPT CERTAIN MUNICIPAL SOLID WASTE MANAGEMENT FACILITIES. (a) The commission shall exempt from permit requirements a municipal solid waste management facility that is used in the transfer of municipal solid waste to a solid waste processing or disposal facility from:

(1) a municipality with a population of less than 50,000;
(2) a county with a population of less than 85,000;

(3) a facility used in the transfer of municipal solid waste that will transfer 125 tons per day or less; and

(4) a materials recovery facility that recycles for reuse more than 10 percent of its incoming nonsegregated waste stream if the remaining nonrecyclable waste is transferred to a permitted landfill not more than 50 miles from the materials recovery facility.

Sec. 361.111. COMMISSION SHALL EXEMPT CERTAIN MUNICIPAL SOLID WASTE MANAGEMENT FACILITIES. (a) The commission shall exempt from permit requirements a municipal solid waste management facility that is used in the transfer of municipal solid waste to a solid waste processing or disposal facility from:

(1) a municipality with a population of less than 50,000;
(2) a county with a population of less than 85,000;

(3) a facility used in the transfer of municipal solid waste that will transfer 125 tons per day or less; and

(4) a materials recovery facility that recycles for reuse more than 10 percent of its incoming nonsegregated waste stream if the remaining nonrecyclable waste is transferred to a permitted landfill not more than 50 miles from the materials recovery facility.

Sec. 361.111. COMMISSION SHALL EXEMPT CERTAIN MUNICIPAL SOLID WASTE MANAGEMENT FACILITIES. (a) The commission shall exempt from permit requirements a municipal solid waste management facility that is used in the transfer of municipal solid waste to a solid waste processing or disposal facility from:

(1) a municipality with a population of less than 50,000;
(2) a county with a population of less than 85,000;

(3) a facility used in the transfer of municipal solid waste that will transfer 125 tons per day or less; and

(4) a materials recovery facility that recycles for reuse more than 10 percent of its incoming nonsegregated waste stream if the remaining nonrecyclable waste is transferred to a permitted landfill not more than 50 miles from the materials recovery facility.

more than 10 percent of its incoming nonsegregated waste stream if the remaining nonrecyclable waste is transferred to a permitted Type I landfill not farther than 50 miles from the materials recovery facility.

(b) The facility must comply with design and operational requirements established by commission rule that are necessary to protect the public's health and the environment.

(c) To qualify for this exemption, the applicant must hold a public meeting on the siting of the facility in the municipality or county where the facility is to be located.

Text of subsec. (c) as added by Acts 1993, 73rd Leg., ch. 802, Sec. 5

(c) To qualify for an exemption under this section, an applicant must hold a public meeting about the siting of the facility in the municipality or county in which the facility is or will be located.

Text of subsec. (c) as added by Acts 1993, 73rd Leg., ch. 899, Sec. 2.08 and Acts 1993, 73rd Leg., ch. 1045, Sec. 10

(c) To qualify for an exemption under this section, an applicant must hold a public meeting about the siting of the facility in the municipality or county in which the facility is or will be located.

Sec. 361.112. STORAGE, TRANSPORTATION, AND DISPOSAL OF USED OR SCRAP TIRES. (a) A person may not store more than 500 used or scrap tires for any period on any publicly or privately owned property unless the person registers the storage site with the commission. This subsection does not apply to the storage, protection, or production of agricultural commodities.

(b) The commission may register a site to store more than 500 used or scrap tires.

(c) A person may not dispose of used or scrap tires in a facility that is not permitted by the commission for that purpose.

(d) The commission may issue a permit for a facility for the disposal of used or scrap tires.

(e) The commission by rule shall adopt application forms and procedures for the registration and permitting processes authorized under this section.
(f) A person may not store more than 500 used or scrap tires or dispose of any quantity of used or scrap tires unless the tires are shredded, split, or quartered as provided by commission rule. The commission may grant an exception to this requirement if the commission finds that circumstances warrant the exception. The prohibition provided by this subsection regarding storage does not apply to a registered waste tire energy recovery facility or a waste tire energy recovery facility storage site. The prohibition provided by this subsection does not apply to a person who, for eventual recycling, reuse, or energy recovery, temporarily stores scrap tires in a designated recycling collection area at a landfill permitted by the commission or licensed by a county or by a political subdivision exercising the authority granted by Section 361.165.

(g) The commission shall require a person who transports used or scrap tires for storage or disposal to maintain records and use a manifest or other appropriate system to assure that those tires are transported to a storage site that is registered or to a disposal facility that is permitted under this section for that purpose.

(h) The commission may amend, extend, transfer, or renew a permit issued under this section as provided by this chapter and commission rule.

(i) The notice and hearing procedures provided by this subchapter apply to a permit issued, amended, extended, or renewed under this section.

(j) The commission may, for good cause, revoke or amend a permit it issues under this section for reasons concerning public health, air or water pollution, land use, or violation of this section as provided by Section 361.089.

(k) The commission may not register or issue a permit to a facility required by Section 361.479 to provide evidence of financial responsibility unless the facility has complied with that section.

(l) In this section, "scrap tire" means a tire that can no longer be used for its original intended purpose.

(m) The commission may adopt rules to regulate the storage of scrap or shredded tires that are stored at a marine dock, rail yard, or trucking facility for more than 30 days.

Sec. 361.1125. IMMEDIATE REMEDIATION OR REMOVAL OF HAZARDOUS SUBSTANCE AT SCRAP TIRE SITE. (a) In this section:

(1) "Scrap tire" has the meaning assigned by Section 361.112.

(2) "Scrap tire site" includes any site at which more than 500 scrap tires are located.

(b) If the executive director after investigation finds that there exists a release or threat of release of a hazardous substance at a scrap tire site and immediate action is appropriate to protect human health and the environment, the commission may, with money available from money appropriated to the commission, undertake immediate remedial or removal action at the scrap tire site to achieve the necessary protection.

(c) The reasonable expenses of immediate remedial or removal action by the commission under this section are recoverable from the persons described in Section 361.271, and the state may bring an action to recover the commission's reasonable expenses.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 9.01, eff. Sept. 1, 2001.

Sec. 361.113. PERMIT CONDITIONS FOR THE OPERATION OF HAZARDOUS WASTE MANAGEMENT FACILITIES. (a) The commission by rule shall establish requirements for commercial hazardous waste management facilities that will provide the opportunity for periodic monitoring of the operation of those facilities in order to assure that the facilities are in compliance with the terms of their respective permits.

(b) In proposing and adopting rules to implement this section, the commission shall consider, at a minimum, a requirement that the facility owner or operator fund an independent inspector for the facility, a requirement for an independent annual environmental audit of the facility, a procedure for considering comments from affected parties on the selection of the independent inspector, a requirement
that operational personnel at the permitted facility be certified by the state as competent to operate the size and type of hazardous waste management facility for which the permit has been issued, and a requirement that the facility provide for fence line and ambient air quality monitoring.

(c) A requirement that is established by commission rule to implement this section shall be incorporated as appropriate into the conditions of a permit for a new hazardous waste management facility when the permit is issued and shall be incorporated into the conditions of a permit for an existing hazardous waste management facility when the permit is renewed.

Sec. 361.114. PROHIBITION OF DISPOSAL OF HAZARDOUS WASTE INTO CERTAIN GEOLOGICAL FORMATIONS. The commission by rule shall prohibit the storage, processing, or disposal of hazardous waste in a solution-mined salt dome cavern or a sulphur mine.

Sec. 361.115. CERTIFICATION OF LANDFILL CAPACITY TO MUNICIPality; RESTRICTIONS ON CONTRACT. (a) The owner or operator of a solid waste landfill facility permitted by the commission or licensed by a county, before entering into a contract with a municipality for the disposal of the municipality's solid waste, must certify to the municipality that the facility has the capacity to dispose of the volume of waste proposed in the contract for the duration of the contract, if requested in writing by the municipality.

(b) The owner or operator of a solid waste landfill facility permitted by the commission or licensed by a county who has a contract with a municipality to dispose of the municipality's solid waste may not enter into a contract to accept solid waste generated from outside the municipality's extraterritorial jurisdiction for disposal at the facility in an amount that would reduce the projected life of the facility to less than the remaining duration of the
contract for the disposal of the municipality's waste unless alternative disposal is provided.

(c) The owner or operator of a solid waste landfill facility permitted by the commission or licensed by a county who has a contract with a municipality for the disposal of the municipality's solid waste shall, if requested in writing by the municipality, certify and report to the municipality annually that the owner or operator has the capacity to fulfill its contractual obligations to the municipality for solid waste disposal. The certification if requested must include a statement:

(1) of the remaining permitted solid waste disposal capacity of the facility;
(2) of the contractually committed volumes or tonnages of waste accepted at the facility; and
(3) from the owner or operator that the facility possesses the capacity to fulfill the disposal commitments in the contract with the municipality.

Added by Acts 1993, 73rd Leg., ch. 400, Sec. 1, eff. Sept. 1, 1993.

Sec. 361.116. DISPOSAL OF INCIDENTAL INJECTION WELL WASTE. Notwithstanding Chapter 2001, Government Code, and any other provision of this chapter, the commission shall grant to the owner or operator of a commercial hazardous waste disposal well facility originally permitted after June 7, 1991, a permit modification that authorizes the construction and operation of an on-site or adjoining landfill for the disposal of hazardous and nonhazardous solid waste generated by the operation of the facility if the proposed landfill meets all applicable state and federal design requirements and the commission follows a public notice and comment procedure that is consistent with 40 C.F.R. Section 270.42.

Added by Acts 1997, 75th Leg., ch. 1211, Sec. 1, eff. Sept. 1, 1997.

Sec. 361.117. DISPOSAL OF CARCASSES OF ANIMALS KILLED ON ROADWAYS. (a) Notwithstanding any other provision of this chapter, counties and municipalities may dispose of the carcasses of animals killed on county or municipal roadways by burying the carcasses on property owned by the entity that is responsible for road
maintenance. No permit shall be required to dispose of animal carcasses on county or municipal property. Disposal shall be conducted in a manner consistent with public health.

(b) Notwithstanding any other provision of this chapter, the Texas Department of Transportation may dispose of the carcasses of animals killed on the state highway system by burying the carcasses on state highway right-of-way. No permit shall be required to dispose of animal carcasses on state highway right-of-way. Disposal shall be conducted in a manner consistent with public health.

Sec. 361.118. REMEDIAL ACTION REGARDING INDUSTRIAL SOLID WASTE DISPOSED OF IN MUNICIPAL SOLID WASTE LANDFILL FACILITY. (a) This section applies only to a municipal solid waste landfill facility:
(1) for which the commission has issued a permit; and
(2) a portion of which:
(A) has been used for the disposal of more than 15,000 barrels of industrial solid waste;
(B) is closed; and
(C) is the subject of a notice regarding the former use of the property recorded in the real property records of the county in which the facility is located.

(b) If the commission determines that there is a release or that a release is imminent into the environment of industrial solid waste disposed of in the portion of the facility that has been closed, the commission shall require the owner of the facility to remediate as necessary and to the extent practicable to prevent or minimize the release of the waste so that the waste does not migrate or have the potential to migrate.

(c) If the commission requires the owner of the facility to remediate under Subsection (b), the owner shall develop a remedial action plan and must obtain a major amendment to the permit for the facility approving the plan.

(d) This section does not limit the applicability of Section 26.121, Water Code.

Added by Acts 1999, 76th Leg., ch. 570, Sec. 2, eff. Sept. 1, 1999.
Sec. 361.119. REGULATION OF CERTAIN FACILITIES AS SOLID WASTE FACILITIES. (a) The commission by rule shall ensure that a solid waste processing facility is regulated as a solid waste facility under this chapter and is not allowed to operate unregulated as a recycling facility.

(b) The commission shall adopt rules, including recordkeeping and reporting requirements and limitations on the storage of recyclable material, to ensure that:

1. recyclable material is reused and not abandoned or disposed of; and

2. recyclable material does not create a nuisance or threaten or impair the environment or public health and safety.

(c) A facility that reuses or smelts recyclable materials or metals and the operations conducted and materials handled at the facility are not subject to regulation under rules adopted under this section if the owner or operator of the facility demonstrates that:

1. the primary function of the facility is to process materials that have a resale value greater than the cost of processing the materials for subsequent beneficial use; and

2. all the solid waste generated from processing the materials is disposed of in a solid waste facility authorized under this chapter, with the exception of small amounts of solid waste that may be inadvertently and unintentionally disposed of in another manner.

(d) A facility that is owned, operated, or affiliated with a person that has a permit to dispose of municipal solid waste is not subject to regulation or requirements for financial assurance under rules adopted under this section.

(e) A solid waste processing facility that is owned or operated by a local government is not subject to rules adopted under this section.

(f) The commission shall adopt rules to ensure that the owner or operator of a recycling facility, including a composting or mulching facility, has in place sufficient financial assurance conditioned on satisfactorily operating and closing the facility and consistent with the requirements of Section 361.085 for a solid waste facility other than a facility for the disposal of hazardous waste. This subsection applies only to an owner or operator of a recycling
facility:

(1) at which combustible material is stored outdoors; or
(2) that poses a significant risk to public health and safety as determined by the commission.

Sec. 361.1191. REGULATION OF CERTAIN RECYCLING FACILITIES IN CERTAIN COUNTIES. (a) This section applies only to a municipal solid waste recycling facility that does not hold a permit or registration issued by the commission that stores combustible materials to produce mulch or compost and is located in a county that:

(1) has a population of more than 1.3 million; and
(2) includes areas designated as a recharge or transition zone of an aquifer as defined under the commission's Edwards Aquifer Protection Program that is the sole or principal source of drinking water for an area designated under Section 1424(e), Safe Drinking Water Act of 1974 (42 U.S.C. Section 300h-3(e)) and by the Environmental Protection Agency as the Edwards Underground Reservoir under 40 Federal Register 58344.

(b) The commission by rule shall:

(1) prescribe time limits for processing and removing materials from a facility;
(2) limit the amount of combustible material that may be stored at a recycling facility;
(3) limit the size of a pile of combustible recyclable or recycled materials, including composting materials or mulch, at a recycling facility;
(4) impose different standards for a recycling facility appropriate to the size and number of piles of combustible materials to be stored or processed at the facility;
(5) require a recycling facility to establish fire lanes between piles of combustible materials;
(6) require buffer zones between a recycling facility and a residence, school, or church; and
(7) for a recycling facility that is located on a recharge
or transition zone referenced in Subsection 361.1191(a)(2):
   (A) impose more stringent standards; and
   (B) require groundwater protection features, such as liners and monitor wells.

(c) A rule adopted by the commission under this section does not become effective until the first anniversary of the date on which the rule was adopted.

Added by Acts 2007, 80th Leg., R.S., Ch. 1362 (H.B. 2541), Sec. 2, eff. September 1, 2007.

Sec. 361.120. NOTICE OF HEARING AND REQUIREMENTS FOR REOPENING OF CLOSED OR INACTIVE LANDFILLS. (a) This section applies to any municipal solid waste landfill facility permitted by the commission or any of its predecessor or successor agencies that have either stopped accepting waste, or only accepted waste pursuant to an emergency authorization, for a period of five years or longer. This section shall not apply to any solid waste landfill facility that has received a permit but never received waste.

(b) The commission or its successor agencies shall allow any municipal solid waste landfill facility covered by this section to be reopened and to accept waste again only if the permittee demonstrates compliance with all current state, federal, and local requirements, including but not limited to the requirements of Subtitle D of the federal Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.) and the implementing Texas State regulations.

(c) Except as provided in Subsections (d) and (e), the reopening of any such facility shall be considered a major amendment as such is defined by commission rules and shall subject the permittee to all of the procedural and substantive obligations imposed by the rules applicable to major amendments.

(d) This section shall not apply to any municipal solid waste landfill facility that has received an approved modification to its permit as of the effective date of this section.

(e) For any facility which is subject to a contract of sale as of January 1, 2001, the scope of the public hearing is to be limited to land use, as provided by Section 361.069.

Sec. 361.121. LAND APPLICATION OF CERTAIN SLUDGE; PERMIT REQUIRED. (a) In this section:

(1) "Class B sludge" is sewage sludge that meets one of the pathogen reduction requirements of 30 T.A.C. 312.82(b).

(2) "Land application unit" means an area where wastes are applied onto or incorporated into the soil surface for agricultural purposes or for treatment and disposal. The term does not include manure spreading operations.

(3) "Responsible person" means the person with ultimate responsibility for the land application of the Class B sludge at a land application unit. The responsible person is:

(A) the owner of the land application unit if the sludge being land applied was generated outside this state; or

(B) the person who is land applying the sludge if the sludge being land applied was generated in this state.

(b) Except as provided by Subsection (m), a responsible person may not apply Class B sludge on a land application unit unless the responsible person has obtained a permit for that land application unit issued by the commission under this section on or after September 1, 2003.

(c) The notice and hearing provisions of Subchapter M, Chapter 5, Water Code, as added by Chapter 1350, Acts of the 76th Legislature, Regular Session, 1999, apply to an application under this section for a permit, a permit amendment, or a permit renewal. In addition, at the time published notice of intent to obtain a permit is required under Section 5.552, Water Code, an applicant for a permit, permit amendment, or permit renewal under this section must notify by registered or certified mail each owner of land located within one-quarter mile of the proposed land application unit who lives on that land of the intent to obtain the permit, amendment, or renewal. Notice to landowners must include the information required by Section 5.552(c), Water Code, and information regarding the anticipated date of the first application of the sludge to the proposed land application unit. An owner of land located within one-quarter mile of the proposed land application unit who lives on that land is an affected person for purposes of Section 5.115, Water Code.

(d) In each permit, the commission shall prescribe the conditions under which it is issued, including:
(1) the duration of the permit;
(2) the location of the land application unit;
(3) the maximum quantity of Class B sludge that may be applied or disposed of under the permit;
(4) a requirement that the permit holder submit quarterly to the commission a computer-generated report that includes, at a minimum, information regarding:
   (A) the source, quality, and quantity of sludge applied to the land application unit;
   (B) the location of the land application unit, either in terms of longitude and latitude or by physical address, including the county;
   (C) the date of delivery of Class B sludge;
   (D) the date of application of Class B sludge;
   (E) the cumulative amount of metals applied to the land application unit through the application of Class B sludge;
   (F) crops grown at the land application unit site; and
   (G) the suggested agronomic application rate for the Class B sludge;
(5) a requirement that the permit holder submit annually to the commission evidence that the permit holder is complying with the nutrient management plan and the practice standards described by Subsection (h)(4);
(6) a requirement that the permit holder post a sign that is visible from a road or sidewalk that is adjacent to the premises on which the land application unit is located stating that a beneficial application site is located on the premises;
(7) any other monitoring and reporting requirements prescribed by the commission for the permit holder; and
(8) a requirement that the permit holder must report to the commission any noncompliance by the permit holder with the permit conditions or applicable commission rules.

(e) A permit does not become a vested right in the permit holder.

(f) A permit may be issued under this section for a term set by the board not to exceed six years from the date of issuance.

(g) The commission shall charge a fee for the issuance of a permit under this section in an amount not less than $1,000 and not more than $5,000. In determining the fee under this subsection, the commission shall consider the amount of sludge to be applied under
the permit.

(h) The commission by rule shall require an applicant for a permit under this section to submit with the application, at a minimum:

(1) information regarding:
   (A) the applicant;
   (B) the source, quality, and quantity of sludge to be applied; and
   (C) the hydrologic characteristics of the surface water and groundwater at and within one-quarter of a mile of the land application unit;

(2) proof evidencing that the applicant has a commercial liability insurance policy that:
   (A) is issued by an insurance company authorized to do business in this state that has a rating by the A. M. Best Company of A- or better;
   (B) designates the commission as an additional insured; and
   (C) is in an amount of not less than $3 million;

(3) proof evidencing that the applicant has an environmental impairment insurance policy or similar insurance policy that:
   (A) is issued by an insurance company authorized to do business in this state that has a rating by the A. M. Best Company of A- or better;
   (B) designates the commission as an additional insured; and
   (C) is in an amount of not less than $3 million; and

(4) proof that the applicant has minimized the risk of water quality impairment caused by nitrogen applied to the land application unit through the application of Class B sludge by having had a nutrient management plan prepared by a certified nutrient management specialist in accordance with the practice standards of the Natural Resources Conservation Service of the United States Department of Agriculture.

(i) The commission may expand the definition of Class B sludge only by expanding the definition to include sludge that meets more stringent pathogen reduction requirements.

(j) A permit holder must maintain an insurance policy required by Subsection (h) in effect for the duration of the permit.
(k) The commission shall create and operate a tracking system for the land application of Class B sludge. The commission shall require a permit holder to report deliveries and applications of Class B sludge using the tracking system and shall post the reported information on its website. The tracking system must allow a permit holder to report electronically:

(1) the date of delivery of Class B sludge to a land application unit; and
(2) for each application of Class B sludge to a land application unit:
   (A) the date of the application; and
   (B) the source, quality, and quantity of the sludge applied.

(1) A permit holder may not accept Class B sludge unless the sludge has been transported to the land application unit in a covered container with the covering firmly secured at the front and back.

(m) A person who holds a registration for the application of Class B sludge for a beneficial use approved by the commission and who, on or before September 1, 2002, has submitted to the commission an administratively complete application for a permit under this section may apply Class B sludge in accordance with the terms of the registration until the commission issues a final decision to issue or deny the permit for which the person has applied.

(n) The insurance requirements under Subsections (h)(2) and (3) do not apply to an applicant that is a political subdivision.

(o) The commission may not issue a permit under this section for a land application unit that is located both:
   (1) in a county that borders the Gulf of Mexico; and
   (2) 500 feet or less from any water well or surface water.

(2) the proposed site is located in a county with a population of more than 225,000 that is located adjacent to the Gulf of Mexico; and

(3) prior to final consideration of the application by the commission, the commissioners of the county in which the facility is located have adopted a resolution recommending denial of the application.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 9.08, eff. Sept. 1, 2001.

Sec. 361.123. LIMITATION ON LOCATION OF MUNICIPAL SOLID WASTE LANDFILLS. (a) This section applies to an application for a permit for a new Type I or new Type IV municipal solid waste landfill or for a permit or permit amendment authorizing the conversion of a Type IV municipal solid waste landfill to a Type I municipal solid waste landfill only if the landfill or proposed site for the new landfill is located in a county that is adjacent to a county with a population of more than 3.3 million and inside the boundaries of a national forest, as designated by the United States Forest Service, on public or private land.

(b) The commission may not issue a permit for a new Type I or new Type IV municipal solid waste landfill to be located as described by Subsection (a).

(c) The commission may not issue a permit or permit amendment authorizing the conversion of a Type IV municipal solid waste landfill located as described by Subsection (a) to a Type I municipal solid waste landfill.

(d) This section does not apply to an application for a permit or permit amendment authorizing an areal expansion of an existing Type I municipal solid waste landfill.

Added by Acts 2005, 79th Leg., Ch. 1027 (H.B. 1053), Sec. 1, eff. June 18, 2005.

Sec. 361.124. ALLOWED WASTES AND EXEMPTIONS FOR CERTAIN SMALL MUNICIPAL SOLID WASTE LANDFILLS IN ARID AREAS. (a) In this section:

(1) "Construction or demolition waste" means any material waste that is the byproduct of a construction or demolition project,
including paper, cartons, gypsum board, wood, excelsior, rubber, and plastics.

(2) "Small municipal solid waste landfill unit" means a discrete area of land or an excavation that:
   (A) receives municipal solid waste or other solid wastes allowed by law; and
   (B) disposes of less than 20 tons of municipal solid waste daily based on an annual average.

(b) This section applies only to a small municipal solid waste landfill unit that is permitted as an arid exempt landfill under commission rules.

(c) A small municipal solid waste landfill unit daily may dispose of less than 20 tons of construction or demolition waste in addition to the municipal solid waste the unit normally receives.

(d) The commission, in accordance with state and federal solid wastes laws, may, under rules adopted by the commission, grant a small municipal solid waste landfill unit an exemption from the requirements for groundwater protection design and operation and groundwater monitoring and corrective action if there is no evidence of groundwater contamination from the unit.

(e) The commission shall adopt rules as are necessary to implement this section in a manner that maintains compliance with and state program authorization under Section 3006 of the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.).

Added by Acts 2005, 79th Leg., Ch. 582 (H.B. 1609), Sec. 4, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 361.123 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(48), eff. September 1, 2007.

Sec. 361.126. DISPOSAL OF DEMOLITION WASTE FROM ABANDONED OR NUISANCE BUILDING. (a) This section applies only to a building that has been:

(1) abandoned or found to be a nuisance;
(2) acquired by the county or municipality by means of:
   (A) bankruptcy;
   (B) tax delinquency; or
(C) condemnation; and

(3) previously owned by a person not financially capable of paying the costs of the disposal of demolition waste at a permitted solid waste disposal facility, including transportation of the waste to the facility.

(b) The commission may issue a permit by rule to authorize the governing body of a county or municipality with a population of 12,000 or less to dispose of demolition waste from a building if the disposal occurs on land that:

(1) the county or municipality owns or controls; and
(2) would qualify for an arid exemption under commission rules.

(c) The commission shall adopt rules under Section 361.024 to control the collection, handling, storage, processing, and disposal of demolition waste under this section to protect public and private property, rights-of-way, groundwater, and any other right that requires protection.

Added by Acts 2011, 82nd Leg., R.S., Ch. 71 (S.B. 1258), Sec. 1, eff. May 17, 2011.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 449 (S.B. 819), Sec. 1, eff. June 14, 2013.

SUBCHAPTER D. INDUSTRIAL SOLID WASTE AND HAZARDOUS WASTE GENERATION, FACILITY, AND MANAGEMENT; FEES AND FUNDS
Sec. 361.131. DEFINITIONS. In this subchapter:

(1) "Captured facility" means a manufacturing or production facility which generates an industrial solid waste or hazardous waste which is routinely stored, processed, or disposed, on a shared basis, in an integrated waste management unit owned and operated by and located within a contiguous manufacturing facility.

(2) "Commercial waste storage, processing, or disposal facility" includes any facility that accepts an industrial solid waste or a hazardous waste for storage, processing, including incineration, or disposal for a charge.

(3) "Dry weight" means the weight of constituents other than water.

(4) "Generator" means a person whose act or process
produces industrial solid waste or hazardous waste or whose act first causes an industrial solid waste or a hazardous waste to be regulated by the commission.

(5) "Hazardous waste" means solid waste not otherwise exempt that is identified or listed as hazardous waste by the administrator of the United States Environmental Protection Agency under the federal Solid Waste Disposal Act, as amended (42 U.S.C. Section 6901 et seq.).

(6) "Land disposal" does not include the normal application of agricultural chemicals or fertilizers.

(7) "Land disposal facility" includes:
(A) a landfill;
(B) a surface impoundment, excluding an impoundment treating or storing waste that is disposed of under Chapter 26 or 27, Water Code;
(C) a waste pile;
(D) a facility at which land treatment, land farming, or a land application process is used; and
(E) an injection well.

(8) "Noncommercial waste storage, processing, or disposal facility" includes any facility that accepts an industrial solid waste or a hazardous waste for storage, processing, including incineration, or disposal for no charge or that stores, processes, or disposes of waste generated on site.

Sec. 361.132. HAZARDOUS AND SOLID WASTE FEES; WASTE MANAGEMENT ACCOUNT. (a) The waste management account is an account in the general revenue fund.

(b) The account consists of money:
(1) collected by the commission under this subchapter as:
(A) fees imposed on generators of industrial solid waste or hazardous waste under Section 361.134;
(B) fees imposed on owners or operators of permitted
industrial solid waste or hazardous waste facilities, or owners or operators of industrial solid waste or hazardous waste facilities subject to the requirement of permit authorization, under Section 361.135;

(C) fees imposed on the owner or operator of an industrial solid waste or hazardous waste facility for noncommercial and commercial management or disposal of hazardous waste or commercial disposal of industrial solid waste under Section 361.136;

(D) fees imposed on applicants for industrial solid waste and hazardous waste permits under Section 361.137; and

(E) interest and penalties imposed under Section 361.140 for late payment of industrial solid waste and hazardous waste fees authorized under this subchapter; or

(2) deposited to the account as otherwise provided by law.

(c) Except as provided by Section 361.136(l)(1), the commission may use the money collected under this subchapter only for regulation of industrial solid and hazardous waste under this chapter, including payment to other state agencies for services provided under contract concerning enforcement of this chapter.

(d) Any unobligated balance in the account at the end of the state fiscal year may, at the discretion of the commission, be transferred to the hazardous and solid waste remediation fee account.

Sec. 361.133. HAZARDOUS AND SOLID WASTE REMEDIATION FEE ACCOUNT. (a) The hazardous and solid waste remediation fee account is an account in the general revenue fund.

(b) The account consists of money collected by the commission from:

(1) fees imposed on the owner or operator of an industrial solid waste or hazardous waste facility for commercial and noncommercial management or disposal of hazardous waste or commercial disposal of industrial solid waste under Section 361.136 and fees imposed under Section 361.138;
(2) interest and penalties imposed under Section 361.140 for late payment of a fee or late filing of a report;

(3) money paid by a person liable for facility cleanup and maintenance under Section 361.197;

(4) the interest received from the investment of this account, in accounts under the charge of the treasurer, to be credited pro rata to the hazardous and solid waste remediation fee account;

(5) monies transferred from other agencies under provisions of this code or grants or other payments from any person made for the purpose of remediation of facilities under this chapter or the investigation, cleanup, or removal of a spill or release of a hazardous substance;

(6) fees imposed under Section 361.604; and

(7) federal grants received for the implementation or administration of state voluntary cleanup programs or federal brownfields initiatives.

(c) The commission may use the money collected and deposited to the credit of the account under this section, including interest credited under Subsection (b)(4), only for:

(1) necessary and appropriate removal and remedial action at sites at which solid waste or hazardous substances have been disposed if funds from a liable person, independent third person, or the federal government are not sufficient for the removal or remedial action;

(2) necessary and appropriate maintenance of removal and remedial actions for the expected life of those actions if:

(A) funds from a liable person have been collected and deposited to the credit of the account for that purpose; or

(B) funds from a liable person, independent third person, or the federal government are not sufficient for the maintenance;

(3) expenses concerning compliance with:

(A) the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. Section 9601 et seq.) as amended;

(B) the federal Superfund Amendments and Reauthorization Act of 1986 (10 U.S.C. Section 2701 et seq.); and

(C) Subchapters F and I;

(4) expenses concerning the regulation and management of
household hazardous substances and the prevention of pollution of the
water resources of the state from the uncontrolled release of
hazardous substances;

(5) expenses concerning the cleanup or removal of a spill,
release, or potential threat of release of a hazardous substance
where immediate action is appropriate to protect human health and the
environment;

(6) expenses concerning implementation of the voluntary
cleanup program under Subchapter S or federal brownfields
initiatives; and

(7) expenses, not to exceed 10 percent of the annually
appropriated amount of the fees on batteries collected under Section
361.138, related to lead-acid battery recycling activities, including
expenses for programs:

(A) for remediation; and

(B) to create incentives for the adoption of innovative
technology in lead-acid battery recycling to increase the efficiency
and effectiveness of the recycling process or reduce the negative
environmental impacts of the recycling process.

(c-1) Notwithstanding Subsection (c), money in the account
attributable to fees imposed under Section 361.138 may be used for
environmental remediation at the site of a closed battery recycling
facility located in the municipal boundaries of a municipality if the
municipality submits to the commission a voluntary compliance plan
for the site and is paying or has paid for part of the costs of the
environmental remediation of the site. This subsection expires
September 30, 2014.

(d) The commission shall establish the fee rates for waste
management under Section 361.136 and revise them as necessary. The
amount collected each year shall not exceed $16 million after making
payments to counties under Section 361.136(1)(1).

(e) The commission shall monitor the unobligated balance in the
hazardous and solid waste remediation fee account and all sources of
revenue to the account and may adjust the amount of fees collected
under Subsection (d) and Section 361.138, within prescribed limits,
to maintain an unobligated balance of no more than $25 million at the
end of each fiscal year.

(f) For the purpose of Subsection (e), the unobligated balance
in the hazardous and solid waste remediation fee account shall be
determined by subtracting from the cash balance of the account at the
end of each quarter:

(1) the total of all operating expenses encumbered by the commission from the account;

(2) the sum of the total balances remaining on all contracts entered into by the commission to be paid from the account; and

(3) the estimated total cost of investigation and remedial action at any site eligible for funding under the Comprehensive Environmental Response, Compensation and Liability Act, as amended, or Subchapter F or I and not currently under contract.

(g) Notwithstanding Subsection (c), the executive director may use money in the account, including interest credited under Subsection (b)(4), for expenses concerning a cleanup or removal of a spill, release, or potential threat of release of a hazardous substance if the site is eligible for listing under Subchapter F, proposed for listing under Subchapter F, or listed under the state registry before September 1, 1989, and:

(1) immediate action is appropriate to protect human health or the environment and there is a substantial likelihood that the cleanup or removal will prevent the site from needing to be listed under Subchapter F; or

(2) a cleanup or removal:
   (A) can be completed without extensive investigation and planning; and
   (B) will achieve a significant cost reduction for the site.

(h) If the commission collects a fee that is deposited in a dedicated fund established for the purpose of cleaning up a facility, tank, or site described by this subsection, the commission may not use money in the hazardous and solid waste remediation fee account to clean up a:

(1) waste tire recycling facility;
(2) municipal solid waste facility;
(3) petroleum storage tank; or
(4) used oil collection and recycling site that received used oil after August 31, 1995.

(i) Not later than the 31st day before the date the commission begins a cleanup or removal under Subsection (g), the commission must publish notice of its intent to perform the cleanup or removal in the Texas Register.
Sec. 361.134. INDUSTRIAL SOLID WASTE AND HAZARDOUS WASTE GENERATION FEE. (a) The annual generation fee prescribed by this section is imposed on each generator who generates Class I industrial solid waste or hazardous waste during any part of the year.

(b) The commission shall:

(1) require each generator of industrial solid waste or hazardous waste to register its activities; and

(2) collect the annual generation fee imposed under this section.

(c) The commission by rule shall adopt a generation fee schedule for use in determining the amount of fees to be charged. The annual generation fee may not be less than $50 and may not be more than $50,000 for generation of hazardous waste or more than $10,000 for generation of nonhazardous waste.

(d) The commission by rule may exempt generators of small quantities of Class I industrial solid waste or hazardous waste from the payment of a generation fee under this section.

(e) Wastes generated in a removal or remedial action accomplished through the expenditure of public funds from the hazardous and solid waste remediation fee account shall be exempt from any generation fee assessed under this section.

(f) Wastewaters containing hazardous wastes which are
designated as hazardous solely because they exhibit a hazardous characteristic as defined in 40 Code of Federal Regulations, Part 261, Subpart C, relating to characteristics of hazardous waste, and are rendered nonhazardous by neutralization or other treatment on-site in totally enclosed treatment facilities or wastewater treatment units for which no permit is required under this chapter are exempt from the assessment of hazardous waste generation fees. By rule, the commission may authorize additional exemptions if consistent with state waste management policy. An exemption from fee assessment does not limit a generator's obligation to report waste generation or waste management activity under any applicable regulation of the commission.

Sec. 361.135. INDUSTRIAL SOLID WASTE AND HAZARDOUS WASTE FACILITY FEE. (a) The annual facility fee prescribed by this section is imposed on each person who holds one or more permits for the management of Class I industrial solid waste or hazardous waste or is operating a waste management unit subject to the requirement for permit authorization to process, store, or dispose of Class I industrial solid waste or hazardous waste during any part of the year.

(b) The commission by rule shall adopt a facility fee schedule for determining the amount of each annual fee to be charged.

(c) The annual facility fee may not be less than $250. The maximum fee for a facility may not exceed $25,000. The annual fee to be charged each Class I industrial solid waste or hazardous waste facility must be that set by the fee schedule adopted by the commission.

(d) The commission shall collect the facility fee imposed under this section.

(e) During a year in which a facility subject to interim status hazardous waste management requirements receives a final permit, the facility fee under this section may be imposed only on one of those classifications.
Sec. 361.136. INDUSTRIAL SOLID WASTE AND HAZARDOUS WASTE MANAGEMENT FEE. (a) Except as provided by Subsections (e) through (i), a fee shall be imposed on the owner or operator of a waste storage, processing, or disposal facility for industrial solid waste and hazardous waste that is managed on site. This fee is in addition to any other fee that may be imposed under this chapter.

(b) The commission by rule shall establish fee rates for management of hazardous waste and commercial disposal of industrial solid waste, as well as the manner of collection, and shall revise the fee amounts as necessary.

(1) Fees under this section may apply only to the following:

(A) commercial and noncommercial storage, processing, or disposal of hazardous waste; or

(B) commercial disposal of Class I nonhazardous industrial solid waste.

(2) A fee established for the commercial disposal of a nonhazardous industrial solid waste shall not exceed 20 percent of the fee established for the disposal of a hazardous waste by the same method of disposal.

(3) A fee under this section shall not be assessed for the disposal of a waste subject to an assessment under Section 361.013.

(c) The waste management fee shall be based on the total weight or volume of a waste other than wastes that are disposed of in an underground injection well. The fee for those wastes shall be based on the dry weight of the waste.

(d) The waste management fee for wastes generated in this state may not exceed $40 per ton for wastes that are landfilled. The commission by rule shall establish the amount of the fee for all other waste management methods at a lesser amount and shall base the amount on the factors specified in Section 361.139.

(e) A fee, which must be the same for wastes generated both in state and out of state and consistent with fees assessed for the management of other hazardous wastes, shall be established by the commission for the storage, processing, incineration, and disposal of hazardous waste fuels that the commission by rule shall define.
considering:

(1) Btu content;
(2) metals content;
(3) chlorinated hydrocarbon content; and
(4) the degree to which the waste fuel is used for energy recovery.

(f) A fee imposed on the owner or operator of a commercial industrial solid waste or hazardous waste storage, processing, or disposal facility, for wastes that are generated in this state and received from an affiliate or wholly-owned subsidiary of the commercial facility, or from a captured facility, shall be the same fee imposed on a noncommercial facility. For the purpose of this subsection, an affiliate of a commercial industrial solid waste or hazardous waste facility must have a controlling interest in common with that facility.

(g) A fee may not be imposed on the owner or operator of a waste storage, processing, or disposal facility for the storage of hazardous wastes for fewer than 90 days.

(h) A fee may not be imposed under this section on the operation of a facility permitted under Chapter 26, Water Code, or the federal National Pollutant Discharge Elimination System program for wastes treated, processed, or disposed of in a wastewater treatment system that discharges into surface water of the state.

(i) The storage, processing, or disposal of industrial solid wastes or hazardous wastes generated in a removal or remedial action accomplished through the expenditure of money from the hazardous and solid waste remediation fee account or generated in a removal or remedial action in this state conducted by the United States Environmental Protection Agency shall be exempt from the assessment of a waste management fee under this section.

(j) The owner or operator of a waste storage, processing, or disposal facility receiving industrial solid waste or hazardous waste from out-of-state generators shall be assessed a fee amount required on wastes generated in state plus an additional increment that the commission by rule shall establish. In establishing an incremental fee for out-of-state wastes, the commission shall consider:

(1) factors specified by Section 361.139;
(2) added costs to the state of regulating the interstate transport and subsequent management and disposal of imported industrial solid wastes and hazardous wastes and their associated
risks;

(3) similar fees that may be imposed in a generator's state of origin for the storage, processing, or disposal of hazardous waste; and

(4) contributions in both fees and taxes paid by generators in this state to the support of the state's industrial solid waste and hazardous waste regulatory programs.

(k) A fee for industrial solid wastes or hazardous wastes that are legitimately reclaimed, reused, or recycled at a waste storage, processing, or disposal facility must be the same for wastes generated in state and out of state.

(l) Fees collected under this section shall be credited as follows:

(1) 25 percent of the waste management fees collected from each commercial waste storage, processing, or disposal facility under this section shall be credited to the waste management account to be distributed to the county in which the facility is located to assist that county in defraying the costs associated with commercial industrial solid waste and hazardous waste management facilities; and

(2) of the remaining amount of the commercial waste management fees and of the total amount of the noncommercial waste management fees collected from each waste storage, processing, or disposal facility:

(A) 50 percent of each amount shall be credited to the hazardous and solid waste remediation fee account; and

(B) 50 percent of each amount shall be credited to the waste management account.

(m) Funds due an affected county under Subsection (l)(1) shall be paid by the commission not later than the 60th day after the receipt and verification of the payments from commercial facilities in the county.

(n) The commission by rule shall provide:

(1) for methods of computing the dry weight of industrial solid waste and hazardous waste; and

(2) for a method to determine or estimate the dry weight of small volumes of waste delivered to waste disposal facilities for which the costs of a dry weight analysis are disproportionate to the costs of disposal.

(o) A generator of industrial solid waste or hazardous waste
shall provide to the operator of a land disposal facility certification of the computation of the dry weight of a waste to be disposed.

Sec. 361.137. PERMIT APPLICATION FEE. (a) A permit application fee is imposed on each applicant for an industrial solid waste or hazardous waste permit.

(b) The commission by rule shall establish the fee for permit applications at an amount that is reasonable to recover the demonstrable costs of processing an application and developing a draft permit, but that is not less than $2,000 nor more than $50,000. An additional fee may not be assessed for a draft permit returned for further processing unless the application is withdrawn.

(c) The commission may also establish a fee rate for approval of applications or petitions other than new permits, including but not limited to minor amendments, modifications, and closure plans, which fee may be less than $2,000.

(d) Application fees collected under this section shall be deposited to the credit of the waste management account.

Sec. 361.138. FEE ON THE SALE OF BATTERIES. (a) In this section:

(1) "Engaged in business in this state" has the meaning provided under Sections 151.107(a) and (b), Tax Code.

(2) "Lead-acid battery" means any battery which contains lead and sulfuric acid.

(3) "Purchased for resale" means acquired by means of a sale for resale as defined in Section 151.006, Tax Code.
(4) "Storage" and "use" have the meanings assigned those terms by Section 151.011, Tax Code.

(b) A wholesale or retail battery dealer who sells or offers to sell lead-acid batteries not for resale shall collect at the time and place of sale a fee for each nonexempt lead-acid battery sold, according to the following schedule:

(1) for a lead-acid battery with a capacity of less than 12 volts, a fee of $2;
(2) for a lead-acid battery with a capacity of 12 or more volts, a fee of $3.

(c) A dealer required to collect a fee under this section:
(1) shall list as a separate item on an invoice a fee due under this section; and
(2) except as provided by Subsection (d), on or before the 20th day of the month following the end of each calendar month and on a form and in the manner prescribed by the comptroller, shall file a report with and shall remit to the comptroller the amount of fees collected during the preceding calendar month.

(d) A person required to collect a fee under this section who collects less than $50 for a calendar month or less than $150 for a calendar quarter is not required to file a monthly report but shall file a quarterly report with and make a quarterly remittance to the comptroller. The quarterly report and remittance shall include fees collected during the preceding calendar quarter. The report and remittance are due not later than the 20th day following the end of the calendar quarter.

(e) An invoice or other record required by this section or rules of the comptroller must be maintained for at least four years after the date on which the invoice or record is prepared and be available for inspection by the comptroller at all reasonable times.

(f) The comptroller shall adopt rules necessary for the administration, collection, reporting, and payment of the fees payable or collected under this section.

(g) A person who does not file a report as provided by this section or who possesses a fee collected or payable under this section and who does not remit the fee to the comptroller at the time and in the manner required by this section and the rules of the comptroller shall pay a penalty of five percent of the amount of the fee due and payable. If the person does not file the report or pay the fee before the 30th day after the date on which the fee or report
is due, the person shall pay a penalty of an additional five percent of the amount of the fee due and payable.

(h) Except as provided in this section, the provisions of Chapters 101 and 111-113, Tax Code, apply to the administration, payment, collection and enforcement of fees under this section in the same manner that these provisions apply to the administration, payment, collection, and enforcement of taxes under Title 2, Tax Code.

(i) A dealer required to collect a fee under this section may retain 2-1/2 cents from each fee the dealer collects. A dealer shall account for amounts retained under this subsection in the manner prescribed by the comptroller.

(j) The comptroller may deduct a percentage of the fees collected under this section, not to exceed four percent of receipts, to pay the reasonable and necessary costs of administering and enforcing this section. The comptroller shall credit the amount deducted to the general revenue fund. The balance of the fees, penalties, and interest collected by the comptroller under this section shall be deposited to the hazardous and solid waste remediation fee account.

(k) A battery is exempt from this section if it meets all of the following criteria:
   1. the ampere-hour rating of the battery is less than 10 ampere-hours;
   2. the sum of the dimensions of the battery (height, width, and length) is less than 15 inches; and
   3. the battery is sealed so that no access to the interior of the battery is possible without destroying the battery.

(l) A fee is imposed on the storage, use, or other consumption in this state of a lead-acid battery, unless purchased for resale, at the same rate as provided by Subsection (b).

(m) A person storing, using, or consuming a lead-acid battery in this state is liable for the fee imposed by Subsection (l) and is responsible for reporting and paying it to the comptroller in the same manner as a person required to collect the fee provided for in Subsections (c)(2) and (d).

(n) A person storing, using, or consuming a lead-acid battery in this state is not liable for the fee if the person pays the fee to a wholesaler or retailer engaged in business in this state or other person authorized by the comptroller to collect the fee and receives
from the person a receipt showing that the fee has been paid.

Sec. 361.139. FACTORS TO BE CONSIDERED IN SETTING FEES. (a) To promote the public policy of preferred waste management methods under Section 361.023 and to provide for an equitable fee rate structure, the commission shall consider the following in establishing the fees authorized under this subchapter:

(1) the variation in risks to the public associated with different waste management methods, including storage, specifically:
   (A) promoting the establishment and maintenance of industrial solid waste and hazardous waste reclamation, reuse, and recycling facilities;
   (B) promoting the public policy of preferred waste management methods for waste streams that are amenable to multiple waste management methods; and
   (C) considering whether the waste is ultimately disposed of in the state;

(2) the funding needed to adequately and equitably support the regulation of industrial solid waste and hazardous waste generation, storage, processing, and disposal activities and the remediation of contaminated disposal sites, considering:
   (A) the nature and extent of regulated activities and the variation in the cost of regulating different types of facilities;
   (B) the cost to the state of operating an effective program for the regulation of industrial solid waste and hazardous waste which protects human health and the environment and is consistent with state and federal authority;
   (C) the higher costs of regulation and oversight that may be required for commercial waste management facilities;
   (D) the sources and causes of contamination at sites in need of remediation; and
   (E) the benefits and beneficiaries of the regulatory programs and activities supported through fees assessed under this
subchapter;

(3) promoting the efficient and effective use of existing industrial solid waste and hazardous waste storage, processing, and disposal facilities within the state;

(4) whether a volume of waste received by a facility has been or will be assessed a waste management fee at other facilities under Section 361.136; and

(5) the prevailing rates of similar fees for industrial solid waste and hazardous waste activities charged in other states to which wastes from this state may be exported or from which wastes may be imported for storage, processing, or disposal.

(b) In addition to the factors prescribed in Subsection (a), the commission, in establishing fees for the management of hazardous waste under Section 361.136, shall also consider:

(1) the amount of state matching funds necessary for remedial actions under the Comprehensive Environmental Response, Compensation and Liability Act; and

(2) the costs of state-funded remedial actions under Subchapter F.

Sec. 361.140. INTEREST AND PENALTIES. (a) The commission by rule shall establish requirements for the assessment of penalties and interest for late payment of fees owed the state under Sections 361.134 through 361.137. Penalties and interest established under this section shall not exceed rates established for delinquent taxes under Sections 111.060 and 111.061, Tax Code.

(b) Interest collected under this section for late payment of a fee shall be deposited in the state treasury to the credit of the respective fund to which the late fee is credited.

(c) Relettered as subsec. (b) by Acts 1997, 75th Leg., ch. 1072, Sec. 32, eff. Sept. 1, 1997.

SUBCHAPTER E. POWERS AND DUTIES OF LOCAL GOVERNMENTS

Sec. 361.151. RELATIONSHIP OF COUNTY AUTHORITY TO STATE AUTHORITY. (a) Each county has the solid waste management powers prescribed under this subchapter.

(b) The exercise of the licensing authority and other powers granted to a county by this chapter does not preclude the commission from exercising the powers vested in the commission under other provisions of this chapter, including the provisions authorizing the commission to issue a permit to construct, operate, and maintain a facility to process, store, or dispose of solid waste.

(c) The commission, by specific action or directive, may supersede any authority granted to or exercised by a county under this chapter.

Sec. 361.152. LIMITATION ON COUNTY POWERS CONCERNING INDUSTRIAL SOLID WASTE. The powers specified by Sections 361.154-361.162 and Section 364.011 (County Solid Waste Control Act) may not be exercised by a county with respect to the industrial solid waste disposal practices and areas to which Section 361.090 applies.

Sec. 361.153. COUNTY SOLID WASTE PLANS AND PROGRAMS; FEES. (a) A county may appropriate and spend money from its general revenues to manage solid waste and to administer a solid waste program and may charge reasonable fees for those services.

(b) As sufficient funds are made available by the commission, a county shall develop county solid waste plans and coordinate those plans with the plans of:
Sec. 361.154. COUNTY LICENSING AUTHORITY. (a) Except as provided by Sections 361.151 and 361.152, a county may require and issue licenses authorizing and governing the operation and maintenance of facilities used to process, store, or dispose of solid waste, other than hazardous waste, in an area not in the territorial limits or extraterritorial jurisdiction of a municipality.

(b) If a county exercises licensing authority, it shall adopt and enforce rules for the management of solid waste. The rules must be:

(1) compatible with and not less stringent than those of the commission; and

(2) approved by the commission.

(c) Sections 361.155-361.161 apply if a county exercises licensing authority under this section.

Sec. 361.155. COUNTY NOTIFICATION OF LICENSE APPLICATION TO COMMISSION. The county shall mail a copy of each license application with pertinent supporting data to the commission. The commission has at least 60 days to submit comments and recommendations on the license application before the county may act on the application unless that privilege is waived by the commission.

Sec. 361.156. SEPARATE LICENSE FOR EACH FACILITY. (a) A county shall issue a separate license for each solid waste facility.

(b) A license under this subchapter may be issued only to the person in whose name the application is made and only for the facility described in the license.

(c) A license may not be transferred without prior notice to and approval by the county that issued it.

Sec. 361.157. CONTENTS OF LICENSE. A license for a solid waste facility issued by a county must include:

(1) the name and address of each person who owns the land on which the solid waste facility is located and the person who is or will be the operator or person in charge of the facility;

(2) a legal description of the land on which the facility is located; and

(3) the terms and conditions on which the license is issued, including the duration of the license.

Sec. 361.158. LICENSE FEE. (a) A county may charge a license fee not to exceed $100, as set by the commissioners court of the county.

(b) The fees shall be deposited to the credit of the county's general fund.

Sec. 361.159. LICENSE ISSUANCE; AMENDMENT, EXTENSION, AND RENEWAL. (a) A county may amend, extend, or renew a license it issues in accordance with county rules.

(b) The procedures prescribed by Section 361.155 apply to an application to amend, extend, or renew a license.

(c) A license for the use of a facility to process, store, or dispose of solid waste may not be issued, amended, renewed, or extended without the prior approval of the commission.
Sec. 361.160. LICENSE AMENDMENT. (a) A county may, for good cause, after hearing with notice to the license holder and to the commission, amend a license it issues for reasons concerning:

(1) public health;
(2) air or water pollution;
(3) land use; or
(4) a violation of this chapter or of other applicable laws or rules controlling the processing, storage, or disposal of solid waste.

(b) For similar reasons, the commission may for good cause amend a license issued by a county, after hearing with notice to:

(1) the license holder; and
(2) the county that issued the license.

Sec. 361.161. PERMIT FROM COMMISSION NOT REQUIRED. If a county issues, amends, renews, or extends a license in accordance with Sections 361.154-361.160, the owner or operator of the facility is not required to obtain a permit from the commission for the same facility.

Sec. 361.162. DESIGNATION OF AREAS SUITABLE FOR FACILITIES. (a) Subject to the limitation under Sections 361.151 and 361.152, a county may designate land areas not in the territorial limits or extraterritorial jurisdiction of a municipality as suitable for use as solid waste facilities.

(b) The county shall base a designation on the principles of public health, safety, and welfare, including proper land use, compliance with state statutes, and other pertinent factors.
Sec. 361.163. COOPERATIVE AGREEMENTS WITH LOCAL GOVERNMENTS. A county may enter into cooperative agreements with local governments and other governmental entities to jointly operate solid waste management activities and to charge reasonable fees for the services.

Sec. 361.165. POLITICAL SUBDIVISIONS WITH JURISDICTION IN TWO OR MORE COUNTIES. (a) This section applies to a political subdivision of the state that:

(1) has jurisdiction of territory in more than one county; and

(2) has been granted the power by the legislature to regulate solid waste handling or disposal practices or activities in its jurisdiction.

(b) The governing body of the political subdivision may, by resolution, assume for the political subdivision the exclusive authority to exercise, in the area subject to its jurisdiction, the powers granted by this chapter to a county, to the exclusion of the exercise of the same powers by the counties otherwise having jurisdiction over the area.

(c) In the exercise of those powers, the political subdivision is subject to the same duties, limitations, and restrictions applicable to a county under this chapter.

(d) A political subdivision that assumes the authority granted under this section:

(1) serves as the coordinator of all solid waste management practices and activities for municipalities, counties, and other governmental entities in its jurisdiction that have solid waste management regulatory powers or engage in solid waste management practices or activities; and

(2) shall exercise the authority as long as the resolution of the political subdivision is effective.
Sec. 361.166. MUNICIPAL RESTRICTIONS. A municipality may not abolish or restrict the use or operation of a solid waste facility in its limits or extraterritorial jurisdiction if the solid waste facility:

(1) was in existence when the municipality was incorporated or was in existence when the municipality annexed the area in which it is located; and

(2) is operated in substantial compliance with applicable state and county regulations.

Sec. 361.167. OPERATION OF FACILITY BY POLITICAL SUBDIVISION. A municipality or other political subdivision operating a solid waste facility may not be prevented from operating the solid waste facility on the ground that the facility is located in the limits or extraterritorial jurisdiction of another municipality.

SUBCHAPTER F. REGISTRY AND CLEANUP OF CERTAIN HAZARDOUS WASTE FACILITIES

Sec. 361.181. STATE REGISTRY: ANNUAL PUBLICATION. (a) The commission shall annually publish an updated state registry identifying, to the extent feasible, each facility that may constitute an imminent and substantial endangerment to public health and safety or the environment due to a release or threatened release of hazardous substances into the environment.

(b) The registry shall identify the relative priority for action at each listed facility. The relative priority for action at facilities listed on the registry shall be periodically reviewed and revised by the commission as necessary to accurately reflect the need for action at the facilities.

(c) In this subchapter:

(1) "Facility" means any building, structure, installation, equipment, pipe, or pipeline (including any pipe into a sewer or publicly owned treatment works, well, pit, pond, lagoon, impoundment, ditch, landfill, storage container, motor vehicle, rolling stock, or aircraft), or any site or area where a hazardous substance has been...
deposited, stored, disposed of, or placed or otherwise come to be located. The term does not include any consumer product in consumer use or any vessel.

(2) "Homestead" has the meaning designated by Section 51, Article XVI, Texas Constitution.

Sec. 361.182. INVESTIGATIONS. (a) The executive director may conduct investigations of facilities that are listed on the state registry, or that the executive director has reason to believe should be included on the state registry, in accordance with Sections 361.032, 361.033, and 361.037.

(b) If there is a reasonable basis to believe there may be a release or threatened release of a hazardous substance at a facility, the executive director may submit requests for information and requests for the production of documents to any person who has or may have information or documents relevant to:

(1) the identification, nature, or quantity of materials that have been generated, treated, stored, or disposed of at a facility or transported to a facility;

(2) the identification of soils, groundwater, or surface water at a facility that have been or may be affected by an actual or threatened release of a hazardous substance;

(3) the nature or extent of a release or threatened release of a hazardous substance at or from a facility; or

(4) the ability of a person to pay for or to perform a remedial action.

(c) If the requested information or documents are not produced in a timely manner, the commission may issue an order directing compliance with the requests for information or production of documents. Information or documents requested under Subsection (b) or this subsection are public records, except that the commission shall consider the copied records as confidential if a showing satisfactory to the commission is made by the owner of the records that the records would divulge trade secrets if made public. This
subsection does not require the commission to consider the composition or characteristics of hazardous substances being processed, stored, disposed of, or otherwise handled to be held confidential.

(d) The commission shall adopt rules regarding the provision of notice and an opportunity for a hearing before the commission on whether the requested information or documents should be produced.

Sec. 361.183. REGISTRY LISTING PROCEDURE: DETERMINATION OF ELIGIBILITY. (a) Before listing a facility on the state registry, the executive director shall determine whether the potential endangerment to public health and safety or the environment at the facility can be resolved by:

(1) the present owner or operator under the federal Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901);

(2) some or all of the potentially responsible parties identified in Subchapter I, under an agreed administrative order issued by the commission; or

(3) an agreement under Subchapter S, as added by Chapter 986, Acts of the 74th Legislature, Regular Session, 1995.

(b) If the potential endangerment to public health and safety or the environment can be resolved in such a manner, the facility may not be listed on the state registry. Notice of the approach selected to resolve the apparent endangerment to public health and safety or the environment and the fact that this action is being taken in lieu of listing the facility on the state registry shall be published in the Texas Register.

(c) If after reasonable efforts the executive director determines that the potential endangerment to public health and safety or the environment cannot be resolved by either of the approaches under Subsection (a), the executive director shall evaluate the facility to determine whether the site exceeds the commission's minimum criteria for listing on the state registry. The commission by rule shall adopt the minimum criteria. The executive
director shall also evaluate the facility to determine whether it is
eligible for listing on the federal National Priorities List.

(d) The commission shall proceed under this subchapter only if,
based on information available to the executive director, the
facility is eligible for listing on the state registry but not
eligible for the federal National Priorities List.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1990, 71st Leg., 6th C.S., ch. 10, art. 2, Sec. 29, eff.
Sept. 6, 1990; Acts 1997, 75th Leg., ch. 793, Sec. 3, eff. Sept. 1,
1997.

Sec. 361.184. REGISTRY LISTING PROCEDURE: NOTICES AND HEARING.
(a) If the executive director determines that a facility is eligible
for listing on the state registry, the commission shall publish in
the Texas Register and in a newspaper of general circulation in the
county in which the facility is located a notice of intent to list
the facility on the state registry. The notice shall at least
specify the name and location of the facility, the general nature of
the potential endangerment to public health and safety or the
environment as determined by information available to the executive
director at that time, and the duties and restrictions imposed by
Subsection (c). The notice also shall provide that interested
parties may do either or both of the following:

(1) submit written comments to the commission relative to
the proposed listing of the facility; or

(2) request a public meeting to discuss the proposed
listing by submitting a request not later than the 30th day after the
date on which the notice is issued.

(b) If the facility is determined to be eligible for listing on
the state registry, the executive director shall make all reasonable
efforts to identify all potentially responsible parties for
remediation of the facility. Concurrent with the publication of
general notice under Subsection (a), the executive director shall
provide to each identified potentially responsible party direct,
written notification of the proposed listing of the facility on the
state registry and of the procedures for requesting a public meeting
to discuss the listing and the information included in the general
notice as required by Subsection (a). Written notifications under
this subsection shall be by certified mail, return receipt requested, to each named responsible party at the party's last known address.

(c) If a public meeting is requested regarding the proposed listing of a facility on the state registry, the commission shall publish general notice of the date, time, and location of the public meeting in the Texas Register and in the same newspaper in which the notice of the opportunity to request the public meeting was published. The public meeting notice shall be provided not later than the 31st day before the date of the meeting. Notice of the meeting also shall be provided by certified mail, return receipt requested, to each identified potentially responsible party at the party's last known address.

(d) Nonreceipt of any notice mailed to a potentially responsible party under Subsection (b) or this subsection does not affect the responsibilities, duties, or liabilities imposed on the party. Contemporaneously with issuing the notice of the public meeting, the executive director shall make available to all interested parties the public records the executive director has regarding the facility. For the purposes of providing this information, the executive director shall provide a brief summary of those public records and make those public records available for inspection and copying during regular business hours.

(e) A public meeting is legislative in nature and not a contested case hearing under Chapter 2001, Government Code. The meeting shall be held for the purpose of obtaining additional information regarding the facility relative to the eligibility of the facility for listing on the state registry and the identification of potentially responsible parties.

(f) After the public meeting or after opportunity to request a public meeting has passed, the commission shall file or cause to be filed an affidavit or notice in the real property records of the county in which the facility is located identifying the facility as one proposed for listing on the state registry unless the executive director determines, based on information presented at the public meeting, that efforts to list the facility on the state registry should not be pursued.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1990, 71st Leg., 6th C.S., ch. 10, art. 2, Sec. 29, eff. Sept. 6, 1990; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), eff.
Sec. 361.185. INVESTIGATION/FEASIBILITY STUDY. (a) After the public meeting or after opportunity to request a public meeting has passed, but before any listing of the facility on the state registry, the commission shall allow all identified potentially responsible parties the opportunity to fund or conduct, if appropriate, a remedial investigation/feasibility study, or a similar study as approved by the executive director, for the facility. Not later than the 90th day after notice under Section 361.184(a) is issued, the potentially responsible parties may make a good faith offer to conduct the study. If a good faith offer from all or some of the potentially responsible parties is received by the commission within that period, those making the offer have an additional 60 days within which to negotiate an agreed administrative order from the commission, which must include a scope of work. In the agreed administrative order the commission may not require the participating potentially responsible parties to agree to perform the remedial action or admit liability for the facility remediation.

(b) If no potentially responsible party makes a good faith offer to conduct the remedial investigation/feasibility study or similar study as approved by the executive director or if the participating potentially responsible parties fail to conduct or complete an approved study, the commission may conduct or complete the study using funds from the hazardous waste disposal fee fund.

(c) To encourage potentially responsible parties to perform the remedial investigation/feasibility study or other similar study as approved by the executive director, costs for commission oversight of the study may not be assessed against those parties who fund or perform the study. Nonparticipating potentially responsible parties who are ultimately determined to be liable for remediation of the facility under this chapter or who subsequently enter into an agreed order relative to the remediation of the facility may be assessed up to the full costs for commission oversight of the study process. If all potentially responsible parties participate or agree to fund the remedial investigation/feasibility study or other similar study, all commission oversight costs shall be paid from the hazardous waste disposal fee fund.
Sec. 361.1855. PROPOSAL OF LAND USE OTHER THAN RESIDENTIAL. (a) The executive director shall hold a public meeting to obtain public input and information regarding the appropriate use of land on which a facility is located that is the subject of a remedial investigation/feasibility study if:

(1) a land use other than residential is proposed as appropriate for the land by:
   (A) the executive director; or
   (B) a potentially responsible party who has entered into an agreed order with the commission;
   (2) the proposal is made before the study is completed; and
   (3) a local government has not zoned the land as residential only.

(b) Any interested person may comment at the meeting.

(c) The meeting is legislative in nature and not a contested case hearing under Chapter 2001, Government Code.

(d) Not later than the 31st day before the date of the meeting, the commission shall:
   (1) publish notice of the meeting in the Texas Register and in a newspaper of general circulation in the county in which the facility is located;
   (2) mail notice of the meeting to each potentially responsible party by certified mail, return receipt requested, at the party's most recent address as shown on the records of the commission; and
   (3) make the commission's records regarding the facility available to any interested person.

(e) The notice shall:
   (1) state the date, time, and place of the meeting; and
   (2) provide information regarding the proposed land use.

(f) The failure of a potentially responsible party to receive a notice under this section does not affect the responsibilities, duties, or liabilities of the party.

(g) After the meeting, the executive director shall select the
appropriate land use for purposes of selecting a proposed remedial action.

Added by Acts 1997, 75th Leg., ch. 793, Sec. 4, eff. Sept. 1, 1997.

Sec. 361.186. FACILITY ELIGIBLE FOR LISTING: ACTIVITIES AND CHANGE OF USE. (a) If the executive director determines that a facility is eligible for listing on the state registry, a person may not perform at the facility any partial or total removal activities except as authorized by the executive director in appropriate circumstances after notice and opportunity for comment to all other potentially responsible parties. The commission may adopt rules determining what constitutes an appropriate circumstance to take removal action under this subsection. Authorization by the executive director to conduct a partial or total removal action does not constitute:

(1) a final determination of the party's ultimate liability for remediation of the facility; or

(2) a determination of divisibility.

(b) If the facility is determined to be eligible for listing on the state registry, the owner or operator of the facility must provide the executive director with written notice of any substantial change in use of the facility before the 60th day before the date on which the change in use is made. Notice of a proposed substantial change in use must be in writing, addressed to the executive director, sent by certified mail, return receipt requested, and include a brief description of the proposed change in use. A substantial change in use shall be defined by rule and must include actions such as the erection of a building or other structure at the facility, the use of the facility for agricultural production, the paving of the facility for use as a roadway or parking lot, and the creation of a park or other public or private recreational use on the facility.

(c) If, within 30 days after the date of the notice, the executive director determines that the proposed substantial change in use will interfere significantly with a proposed or ongoing remedial investigation/feasibility study or similar study approved by the executive director or expose the public health and safety or the environment to a significantly increased threat of harm, the
executive director shall notify the owner or operator of the determination. After the determination is made and notification given, the owner or operator may not proceed with the proposed substantial change in use. The owner or operator may request a hearing before the commission on whether the determination should be modified or set aside by submitting a request not later than the 30th day after the receipt of the executive director's determination. If a hearing is requested, the commission shall initiate the hearing not later than the 45th day after the receipt of the request. The hearing shall be conducted in accordance with Chapter 2001, Government Code. The executive director's determination becomes unappealable on the 31st day after issuance if a hearing is not requested.

Sec. 361.187. PROPOSED REMEDIAL ACTION. (a) Within a reasonable time after the completion of the remedial investigation/feasibility study or other similar study, if required, the executive director shall select a proposed remedial action. After the selection of a proposed remedial action, the commission shall hold a public meeting to discuss the proposed action.

(b) The commission shall publish notice of the meeting in the Texas Register and in a newspaper of general circulation in the county in which the facility is located at least 30 days before the date of the public meeting. The notice shall provide information regarding the proposed remedial action and the date, time, and place of the meeting. The commission shall also mail the same information to each potentially responsible party by certified mail, return receipt requested, at the party's last known address at least 30 days before the public meeting. Contemporaneously with the issuance of notice of the public meeting, the executive director shall make available to all interested parties the public records the executive director has regarding the facility. For purposes of providing this information, the executive director shall provide a brief summary of those public records and make those public records available for
inspection and copying during regular business hours. Nonreceipt of any notice mailed to a potentially responsible party under this section does not affect the responsibilities, duties, or liabilities imposed on the party.

(c) The public meeting is legislative in nature and not a contested case hearing under Chapter 2001, Government Code. The meeting shall be held for the purpose of obtaining additional information regarding the facility and the identification of additional potentially responsible parties. Those in attendance may comment on the proposed remedial action, and the executive director may revise the proposed remedial action in light of the presentations.

(d) After the public meeting on the proposed remedial action, the commission shall provide all identified potentially responsible parties an opportunity to fund or perform the proposed remedial action. Not later than the 60th day after the date of the public meeting, the potentially responsible parties may make a good faith offer to fund or perform the proposed remedial action. If a good faith offer is made by all or some of the potentially responsible parties within this period, those parties have an additional 60 days to negotiate an agreed administrative order from the commission, which shall include a scope of work. The commission may not require an admission of liability in the agreed administrative order.

(e) To encourage potentially responsible parties to perform the remedial action, costs for commission oversight of the remedial action may not be assessed against those parties who fund or perform the remedial action. Nonparticipating potentially responsible parties who are ultimately determined to be liable for remediation of the facility may be assessed up to the full costs for commission oversight of the remedial action. If all potentially responsible parties conduct or fund the remedial action, all commission oversight costs shall be paid from the hazardous waste disposal fee fund. Participation in the remedial action does not relieve those who did not conduct or fund the remedial investigation/feasibility study or other similar study approved by the executive director from paying their portion of the oversight costs of that phase of the remediation.

(f) The executive director may authorize a potentially responsible party to conduct a partial remedial action at a portion of the facility if after notice and opportunity for comment to all
other potentially responsible parties the executive director
determines that the release or threatened release is divisible. In
this subchapter, "divisible" means that the hazardous substance
released or threatened to be released is capable of being managed
separately under the remedial action plan. A determination of
divisibility by the executive director does not have res judicata or
collateral estoppel effect on a potentially responsible party's
ultimate liability for remediation of the facility under Subchapter G
or I.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1990, 71st Leg., 6th C.S., ch. 10, art. 2, Sec. 29, eff.
Sept. 6, 1990; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), eff.
Sept. 1, 1995; Acts 1997, 75th Leg., ch. 793, Sec. 5, eff. Sept. 1,
1997.

Sec. 361.1875. EXCLUSION OF CERTAIN POTENTIALLY RESPONSIBLE
PARTIES. (a) The commission may not name a person as a responsible
party for an enforcement action or require a person to reimburse
remediation costs for a site if the commission has conducted an
investigation of a site owned or operated by the person and as a
result of the investigation has determined that:

(1) the contaminants that are the subject of investigation
under this subchapter appear to originate from an up-gradient, off-
site source that is not owned or operated by the person;

(2) additional corrective action is not required at the
site owned or operated by the person; and

(3) the commission will not undertake a formal enforcement
action in the matter.

(b) The commission may not name a land bank established under
Chapter 379C, Local Government Code, as a responsible party for an
enforcement action or require the land bank to reimburse remediation
costs for a site if the commission has conducted an investigation of
a site owned or operated by the land bank and as a result of the
investigation has determined that:

(1) the contaminants that are the subject of investigation
under this subchapter:

(A) appear to originate from an up-gradient, off-site
source that is not owned or operated by the land bank; or
(B) appear to have been present on the site before the land bank purchased the site; and

(2) the land bank could not have reasonably known about the contaminants at the time the land bank purchased the site.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 11.01, eff. Sept. 1, 2001.
Amended by:
 Acts 2007, 80th Leg., R.S., Ch. 1034 (H.B. 1742), Sec. 1, eff. September 1, 2007.

Sec. 361.188. FINAL ADMINISTRATIVE ORDER. (a) After consideration of all good faith offers to perform a remedial action, the commission shall issue a final administrative order that must:

(1) list the facility on the state registry, thus determining that the facility poses an imminent and substantial endangerment to public health and safety or the environment;

(2) specify the appropriate land use for purposes of selecting the appropriate remedial action;

(3) specify the selected remedial action;

(4) list the parties determined to be responsible for remediating the facility;

(5) make findings of fact describing actions voluntarily undertaken by responsible parties;

(6) order the responsible parties to remediate the facility and, if appropriate, reimburse the hazardous waste disposal fee fund for remedial investigation/feasibility study and remediation costs;

(7) establish a schedule for completion of the remedial action;

(8) state any determination of divisibility of responsible party liability; and

(9) give notice of the duties and restrictions imposed by Section 361.190.

(b) The provisions in Subchapters I, K, and L relating to administrative orders apply to orders issued under this section.

(c) If a potentially responsible party is newly identified after a final administrative order under Subsection (a) has been issued by the commission, that party has 60 days to negotiate an amendment to the existing order. The commission is not prohibited
from issuing a separate order for the newly identified potentially responsible party if the commission determines that the circumstances warrant a separate order. The responsible parties identified in the order issued under Subsection (a) shall be allowed to comment on the issuance of a separate order for the newly identified potentially responsible party.

(d) Within a reasonable period after a determination has been made, the commission shall file or cause to be filed in the real property records of the county in which the facility is located an affidavit or notice stating that the facility has been listed on or deleted from the state registry or is no longer proposed for listing on the state registry.

Sec. 361.189. DELETIONS FROM REGISTRY. (a) The executive director or an owner or operator or other named responsible party of a facility listed or to be listed on the state registry may request the commission to delete the facility from the state registry, modify the facility's priority within the state registry, or modify any information regarding the facility by submitting a written statement setting forth the grounds of the request in the form the commission may by rule require.

(b) The commission by rule shall establish procedures, including public meetings, for review of requests submitted under this section.

(c) If the commission deletes a facility from the state registry because the cleanup of the facility is being addressed under Subchapter S, as added by Chapter 986, Acts of the 74th Legislature, Regular Session, 1995, the facility automatically reverts to the status the facility had immediately before the facility was deleted from the registry on the date of the executive director's determination that the cleanup of the facility is not being addressed adequately. A public meeting is not required for an action under this subsection.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 361.190. CHANGE IN USE OF LISTED FACILITY. (a) After the listing of a facility on the state registry, a person may not substantially change the manner in which the facility is used without notifying the executive director and receiving written approval of the executive director for the change.

(b) A substantial change in use shall be defined by rule and shall include actions such as the erection of a building or other structure at the facility, the use of the facility for agricultural production, the paving of the facility for use as a roadway or parking lot, and the creation of a park or other public or private recreational use on the facility.

(c) The notice must be in writing, addressed to the executive director, sent by certified mail, return receipt requested, and include a brief description of the proposed change in use.

(d) The executive director shall approve or disapprove the proposed action within 60 days after the date of receipt of the notice of proposed change in use. The executive director may not approve the proposed change in use if the new use will significantly interfere with a proposed, ongoing, or completed remedial action program at a facility or expose the public health and safety or the environment to a significantly increased threat of harm.

Sec. 361.191. IMMEDIATE REMOVAL. (a) If the commission, after investigation, finds that there exists a release or threatened release of a hazardous substance at a facility that is causing irreversible or irreparable harm to the public health and safety or the environment and that the immediacy of the situation makes it prejudicial to the public interest to delay action until an administrative order can be issued to potentially responsible parties or until a judgment can be entered in an appeal of an administrative
order, the commission may, with the funds available to the commission from the hazardous waste disposal fee fund, undertake immediate removal action at the facility to alleviate the harm.

(b) After the immediate danger of irreversible or irreparable harm has been alleviated, the commission shall proceed under this subchapter.

(c) Findings required under this section must be in writing and may be made ex parte by the commission subject to judicial review under the substantial evidence rule as provided by Chapter 2001, Government Code.

(d) The reasonable expenses of any immediate removal action taken by the commission may be recoverable from the persons described in Subchapter G or I, and the state may seek to recover the reasonable expenses in any court of appropriate jurisdiction.

Sec. 361.192. REMEDIAL ACTION BY COMMISSION. (a) If a person ordered to eliminate an imminent and substantial endangerment to the public health and safety or the environment has failed to do so within the time limits specified in the order or any extension of time approved by the commission, the commission may implement the remedial action program for the facility.

(b) The reasonable expenses of implementing the remedial action program by the commission shall be paid by the persons to whom the order was issued and shall be recoverable under Section 361.197.

Sec. 361.193. GOAL OF REMEDIAL ACTION. (a) The goal of any remedial action is the elimination of the imminent and substantial endangerment to the public health and safety or the environment posed by a release or threatened release of a hazardous substance at a facility. The appropriate extent of the remedial action at any
particular facility shall be determined by the commission's selection of the remedial alternative that the commission determines is the lowest cost alternative that is technologically feasible and reliable and that effectively mitigates and minimizes damage to and provides adequate protection of the public health and safety or the environment.

(b) In considering the appropriate remedial action program at a particular facility, the commission may approve a program that does not attain a level or standard of control at least equivalent to a legally applicable or relevant and appropriate standard, requirement, criterion, or limitation, as required by state or local law, if the commission finds that:

(1) the remedial action selected is only part of a total remedial action that will attain that level or standard of control when completed;

(2) compliance with the requirement at that facility will result in greater risk to public health and safety or the environment than alternative options;

(3) compliance with the requirement is technically impracticable from an engineering perspective;

(4) the remedial action selected will attain a standard of performance that is equivalent to that required under the otherwise applicable standard, requirement, criterion, or limitation through use of another method or approach;

(5) with respect to a local standard, requirement, criterion, or limitation, the locality has not consistently applied or demonstrated the intention to consistently apply the standard, requirement, criterion, or limitation in similar circumstances of other remedial actions within the locality; or

(6) with respect to an action using solely state funds, selection of a remedial action that attains those levels or standards of control will not provide a balance between the need for protection of public health and safety or the environment at the facility and the availability of state funds to respond to other sites that present a threat to public health and safety or the environment, taking into consideration the relative immediacy of the threats.

Sec. 361.194. LIEN. (a) In addition to all other remedies available to the state under this chapter or other law, all remediation costs for which a person is liable to the state constitute a lien in favor of the state on the real property and the rights to the real property that are subject to or affected by a remedial action. This provision is cumulative of other remedies available to the state under this chapter.

(b) The lien imposed by this section arises and attaches to the real property subject to or affected by a remedial action at the time an affidavit is recorded and indexed in accordance with this section in the county in which the real property is located. For the purpose of determining rights of all affected parties, the lien does not relate back to a time before the date on which the affidavit is recorded, which date is the lien inception date. The lien continues until the liability for the costs is satisfied or becomes unenforceable through operation of law. The executive director shall determine whether to prepare an affidavit. In determining whether to prepare an affidavit or whether a lien is satisfied, the executive director:

(1) shall proceed in the manner that the executive director determines will most likely result in the least overall costs to the state after any cost recovery action; and

(2) may take into account a landowner's financial ability to satisfy the lien, including consideration of whether the landowner received financial compensation for the disposal of any substance addressed by the remedial action and whether the real property that is the subject of the lien:

(A) is a homestead and is being occupied as a home by the landowner; and

(B) has a fair market value of $250,000 or less.

(c) An authorized representative of the commission must execute the affidavit. The affidavit must show:

(1) the names and addresses of the persons liable for the costs;

(2) a description of the real property that is subject to or affected by the remediation action for the costs or claims; and

(3) the amount of the costs and the balance due.

(d) The county clerk shall record the affidavit in records kept
for that purpose and shall index the affidavit under the names of the persons liable for the costs.

(e) The commission shall record a relinquishment or satisfaction of the lien when the lien is paid or satisfied.

(f) The lien may be foreclosed only on judgment of a court of competent jurisdiction foreclosing the lien and ordering the sale of the property subject to the lien.

(g) The lien imposed by this section is not valid or enforceable if real property, an interest in real property, or a mortgage, lien, or other encumbrance on or against real property is acquired before the affidavit is recorded, unless the person acquiring the real property, an interest in the property, or the mortgage, lien, or other encumbrance on the property had or reasonably should have had actual notice or knowledge that the real property is subject to or affected by a clean-up action or has knowledge that the state has incurred clean-up costs.

(h) If a lien is fixed or attempted to be fixed as provided by this section, the owner of the real property affected by the lien may file a bond to indemnify against the lien. The bond must be filed with the county clerk of the county in which the real property subject to the lien is located. An action to establish, enforce, or foreclose any lien or claim of lien covered by the bond must be brought not later than the 30th day after the date of service of notice of the bond. The bond must:

(1) describe the real property on which the lien is claimed;

(2) refer to the lien claimed in a manner sufficient to identify it;

(3) be in an amount double the amount of the lien referred to;

(4) be payable to the commission;

(5) be executed by the party filing the bond as principal and a corporate surety authorized under the law of this state to execute the bond as surety; and

(6) be conditioned substantially that the principal and sureties will pay to the commission the amount of the lien claimed, plus costs, if the claim is proved to be a lien on the real property.

(i) After the bond is filed, the county clerk shall issue notice of the bond to the named obligee. A copy of the bond must be attached to the notice. The notice may be served on each obligee by
having a copy delivered to the obligee by any person competent to
make oath of the delivery. The original notice shall be returned to
the office of the county clerk, and the person making service of copy
shall make an oath on the back of the copies showing on whom and on
what date the copies were served. The county clerk shall record the
bond notice and return in records kept for that purpose. In
acquiring an interest in real property, a purchaser or lender may
rely on and is absolutely protected by the record of the bond,
notice, and return.

(j) The commission may sue on the bond after the 30th day after
the date on which the notice is served but may not sue on the bond
later than one year after the date on which the notice is served.
The commission is entitled to recover reasonable attorney's fees if
the commission recovers in a suit on the lien or on the bond.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1990, 71st Leg., 6th C.S., ch. 10, art. 2, Sec. 29, eff.
Sept. 6, 1990; Acts 1997, 75th Leg., ch. 793, Sec. 8, eff. Sept. 1,

Sec. 361.195. PAYMENTS FROM HAZARDOUS AND SOLID WASTE
REMEDIVATION FEE ACCOUNT. (a) Money for actions taken or to be taken
by the commission in connection with the elimination of an imminent
and substantial endangerment to the public health and safety or the
environment under this subchapter is payable directly to the
commission from the hazardous and solid waste remediation fee
account. These payments include any costs of inspection or sampling
and laboratory analysis of wastes, soils, air, surface water, and
groundwater done on behalf of a state agency and the costs of
investigations to identify and locate potentially responsible
parties.

(b) The commission shall seek remediation of facilities by
potentially responsible parties before expenditure of federal or
state funds for the remediations.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1990, 71st Leg., 6th C.S., ch. 10, art. 2, Sec. 29, eff.
Sept. 6, 1990; Acts 1997, 75th Leg., ch. 333, Sec. 44, eff. Sept. 1,
1997.
Sec. 361.196. REMEDIATION: PERMITS NOT REQUIRED; LIABILITY.
(a) Potentially responsible parties shall coordinate with ongoing federal and state hazardous waste programs although a state or local permit may not be required for any removal or remedial action conducted on site.

(b) Subject to Section 361.193, the state may enforce any federal or state standard, requirement, criterion, or limitation to which the remedial action would otherwise be required to conform if a permit were required.

(c) An action taken by the person to contain or remove a release or threatened release in accordance with an approved remedial action plan may not be construed as an admission of liability for the release or threatened release.

(d) A person who renders assistance in containing or removing a release or threatened release in accordance with an approved remedial action plan is not liable for any additional remediation costs at the facility resulting solely from acts or omissions of the person in rendering the assistance in compliance with the approvals required by this section, unless the remediation costs were caused by the person's gross negligence or wilful misconduct.

(e) Except as specifically provided by this section, these provisions do not expand or diminish the common law tort liability, if any, of private parties participating in a remediation action for civil damages to third parties.

Sec. 361.197. COST RECOVERY. (a) The commission shall file a cost recovery action against all responsible parties who have not complied with the terms of an administrative order issued under Section 361.188. The commission shall file the cost recovery action no later than one year after all remedial action has been completed.

(b) The state may seek a judgment against the noncompliant parties for the total amount of the cost of the remedial investigation and feasibility study, the remedial design, and the remedial action, including costs of any necessary studies and oversight costs, minus the amount agreed to be paid or expended by
any other responsible parties under an order issued under Section 361.185 or 361.188.

(c) The action may also include a plea seeking civil penalties for noncompliance with the commission's administrative order and a claim for up to triple the state's costs if the responsible party's defenses are determined by the court to be unreasonable, frivolous, or without foundation.

(d) The commission shall file a cost recovery action against each responsible party for the total costs of an action taken under Section 361.133(c)(1), (2), (3), (5), or (6) or Section 361.133(g).

(e) The commission may not file a cost recovery action under this section against an individual if the individual's only significant asset is a homestead that:
   (1) includes the facility subject to or affected by a remedial action;
   (2) is occupied by the individual as a home; and
   (3) has a fair market value of $250,000 or less.

Sec. 361.199. MIXED FUNDING PROGRAM. The commission by rule shall adopt a mixed funding program in which available money from potentially responsible parties is combined with state or federal funds to clean up a facility in a timely manner. Use of the state or federal funds in a mixed funding approach does not preclude the state or federal government from seeking recovery of its costs from nonparticipating potentially responsible parties.

Sec. 361.200. SETTLEMENT. The commission shall assess and by rule may develop and implement a settlement program. Under the
program, the commission shall consider the advantages of developing a final settlement with potentially responsible parties that are responsible for response costs at a facility because of hazardous substances. The settlement program may include:

(1) de minimis settlements;
(2) covenants not to sue;
(3) mixed funding; and
(4) partial settlements.

Sec. 361.201. FINANCIAL CAPABILITY AND FUNDING PRIORITY. (a) The commission may determine whether a potentially responsible party is financially capable of conducting any necessary remediation studies or remedial action. The commission by rule shall adopt the criteria for determination of financial capability.

(b) If no financially capable, potentially responsible parties exist for a facility, the commission shall issue an administrative order stating its determination that the facility constitutes an imminent and substantial endangerment and that there are no financially capable, potentially responsible parties. The commission shall then conduct its own remediation study and remedial action, using federal funds if available, or, if federal funds are not available, using state funds from the hazardous and solid waste remediation fee account.

(c) Generally, the remediation of listed facilities shall be achieved first by private party funding, second with the aid of federal funds, and third, if necessary, with state funds from the hazardous and solid waste remediation fee account.

(d) The commission shall determine whether a potentially responsible party is financially capable of conducting any necessary remediation studies or remedial action if the responsible party is an individual whose homestead includes the facility subject to or affected by a remedial action.

(e) The commission by rule shall adopt criteria for determining the financial capability of an individual under Subsection (d). The
rules must provide that the value of the individual's homestead may not be included in the total amount of the individual's assets if:

(1) the individual is occupying the homestead as a home; and

(2) the fair market value of the homestead is $250,000 or less.

Sec. 361.202. DEADLINE EXTENSIONS. The executive director or the commission may extend any period specified in this section if considered appropriate.

SUBCHAPTER I. ENFORCEMENT; ADMINISTRATIVE ORDERS CONCERNING IMMINENT AND SUBSTANTIAL ENDANGERMENT

Sec. 361.271. PERSONS RESPONSIBLE FOR SOLID WASTE. (a) Unless otherwise defined in applicable statutes and rules, a person is responsible for solid waste if the person:

(1) is any owner or operator of a solid waste facility;

(2) owned or operated a solid waste facility at the time of processing, storage, or disposal of any solid waste;

(3) by contract, agreement, or otherwise, arranged to process, store, or dispose of, or arranged with a transporter for transport to process, store, or dispose of, solid waste owned or possessed by the person, by any other person or entity at:

(A) the solid waste facility owned or operated by another person or entity that contains the solid waste; or

(B) the site to which the solid waste was transported that contains the solid waste; or

(4) accepts or accepted any solid waste for transport to a solid waste facility or site selected by the person.

(b) A political subdivision, a land bank established under
Chapter 379C, Local Government Code, or an officer or employee of the political subdivision or land bank is not a person responsible for solid waste released or threatened to be released from a facility or at a site if:

(1) the political subdivision or land bank acquired ownership or control of the facility or site through a tax delinquency or if the subdivision acquired ownership or control of the facility or site through bankruptcy, abandonment, or other circumstances in which the subdivision involuntarily acquired title to the facility or site by virtue of the subdivision's function as sovereign; and

(2) the political subdivision, land bank, officer, or employee did not cause or contribute to the release or threatened release of solid waste at the facility or site.

(c) A political subdivision that is in a county with a population of 3.3 million or more or is in a county adjacent to a county with a population of 3.3 million or more and that builds or installs a drainage project on a site of a solid waste facility is not a person responsible for solid waste released or threatened to be released from the facility or at a site of the facility if:

(1) the political subdivision acquired ownership or control of the facility or site through bankruptcy, tax delinquency, abandonment, or other circumstances in which the subdivision involuntarily acquired title to the facility or site by virtue of the subdivision's function as sovereign; and

(2) the plans for the drainage project have been submitted to and reviewed by the commission.

(d) A political subdivision that builds or installs a drainage project under Subsection (c) is not subject to civil or criminal liability arising from the building or installation of the drainage project. This subsection does not apply to an injury or property damage claim that results from an act or omission of the political subdivision constituting gross negligence, recklessness, or intentional misconduct.

(e) A fiduciary's responsibility for solid waste is subject to Subchapter T.

(f) A lender's responsibility for solid waste is subject to Subchapter U.

(g) A port authority or navigation district created under Section 59, Article XVI, or Section 52, Article III, Texas
Constitution, is not a person responsible under this chapter for the release or threatened release of hazardous waste from a facility or at a site solely for its activities related to construction or maintenance of waterways to facilitate navigation if, in performing those activities:

(1) the port authority or navigation district is acting by virtue of the authority's or district's function as sovereign;

(2) the port authority or navigation district requires that dredged materials be sampled and analyzed before placement or storage of those materials on land or submerged land; and

(3) the port authority or navigation district, after exercising due diligence, does not accept dredged materials that are hazardous waste.

(h) Subsection (g) may not be construed to relieve a port authority or navigation district of liability if the port authority or navigation district causes or contributes to the generation of hazardous waste.

(i) As used in Subsection (g), activities related to construction or maintenance of waterways to facilitate navigation include:

(1) the dredging of materials from navigable waters or the banks of navigable waters;

(2) the placement or storage of dredged materials on land or submerged land; and

(3) the construction, operation, or maintenance of a placement area for dredged material.

Amended by:

Acts 2005, 79th Leg., Ch. 589 (H.B. 1705), Sec. 1, eff. June 17, 2005.

Acts 2007, 80th Leg., R.S., Ch. 1034 (H.B. 1742), Sec. 2, eff. September 1, 2007.

Acts 2011, 82nd Leg., R.S., Ch. 1163 (H.B. 2702), Sec. 44, eff. September 1, 2011.
Sec. 361.272. ADMINISTRATIVE ORDERS CONCERNING IMMINENT AND SUBSTANTIAL ENDANGERMENT. (a) The commission may issue an administrative order to a person responsible for solid waste if it appears that there is an actual or threatened release of solid waste that presents an imminent and substantial endangerment to the public health and safety or the environment:

(1) from a solid waste facility at which solid waste is stored, processed, or disposed of; or

(2) at any site at which one or more of those activities concerning solid waste have been conducted in the past, regardless of whether the activity was lawful at the time.

(b) An administrative order may be issued under this section to:

(1) restrain the person from allowing or continuing the release or threatened release; and

(2) require the person to take any action necessary to provide and implement a cost effective and environmentally sound remedial action plan designed to eliminate the release or threatened release.

(c) An administrative order issued under this section shall:

(1) be delivered to the persons identified by the order by certified mail, return receipt requested;

(2) be delivered by hand delivery to the person identified by the order; or

(3) on failure of delivery of the order by certified mail or hand delivery, be served on the persons by publication:

(A) once in the Texas Register; and

(B) once in a newspaper of general circulation in each county in which a person identified by the order had the person's last known address.

Sec. 361.273. INJUNCTION AS ALTERNATIVE TO ADMINISTRATIVE ORDER. The commission may cause a civil suit for injunctive relief to be brought in a district court in the county in which the actual release is occurring or threatened release may occur to:

(1) restrain a person responsible for solid waste under
Section 361.271 from allowing or continuing the release or threatened release; and

(2) require the person to take actions necessary to provide and implement a cost effective and environmentally sound remedial action plan designed to eliminate the release or threatened release.

Sec. 361.274. NO PRIOR NOTICE CONCERNING ADMINISTRATIVE ORDER. An administrative order under Section 361.272 does not require prior notice or an adjudicative hearing before the commission. An emergency administrative order may be issued under Subchapter L, Chapter 5, Water Code.

Sec. 361.275. DEFENSES. (a) A person responsible for solid waste under Section 361.271 is liable under Section 361.272 or 361.273 unless the person can establish by a preponderance of the evidence that the release or threatened release was caused solely by:

(1) an act of God;
(2) an act of war;
(3) an act or omission of a third person; or
(4) any combination of Subdivisions (1), (2), and (3).

(b) In a defense under Subsection (a)(3), the defendant must establish by a preponderance of the evidence that the defendant:

(1) exercised due care concerning the solid waste, considering the characteristics of the solid waste, in light of all relevant facts and circumstances; and
(2) took precautions against foreseeable acts or omissions of the third person and the consequences that could foreseeably result from those acts or omissions.

(c) The defense under Subsection (a)(3) does not apply if the third person:

(1) is an employee or agent of the defendant; or
(2) has a direct or indirect contractual relationship with
the defendant and the act or omission of the third person occurred in connection with the contractual relationship.

(d) In Subsection (c)(2), "contractual relationship" includes land contracts, deeds, or other instruments transferring title or possession of real property.

(e) A defendant who enters into a contractual relationship as provided by Subsection (c)(2) is not liable under this subchapter if:

(1) the sole contractual relationship is acceptance for rail carriage by a common carrier under a published tariff; or

(2) the defendant acquired the real property on which the facility requiring the remedial action is located, after the disposal or placement of the hazardous substance on, in, or at the facility and the defendant establishes by a preponderance of the evidence that:

(A) the defendant has satisfied Subsection (b);

(B) at the time the defendant acquired the facility the defendant did not know and had no reason to know that a hazardous substance that is the subject of the release or threatened release was disposed of on, in, or at the facility;

(C) the defendant is a governmental entity that acquired the facility by escheat, by other involuntary transfer or acquisition, or by the exercise of the power of eminent domain; or

(D) the defendant acquired the facility by inheritance or bequest.

(f) To demonstrate the condition under Subsection (e)(2)(B), the defendant must have made, at the time of acquisition, appropriate inquiry into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. In deciding whether the defendant meets this condition, the court shall consider:

(1) any specialized knowledge or experience of the defendant;

(2) the relationship of the purchase price to the value of the property if the property were uncontaminated;

(3) commonly known or reasonably ascertainable information about the property;

(4) the obvious presence or likely presence of contamination of the property; and

(5) the defendant's ability to detect the contamination by appropriate inspection.
(g) This section does not decrease the liability of a previous owner or operator of a facility who is liable under this chapter. If the defendant obtained actual knowledge of the release or threatened release of a hazardous substance at a facility at the time the defendant owned the real property on which the facility is located and subsequently transferred ownership of the property to another person without disclosing that knowledge, the defendant is liable and a defense under this section is not available to the defendant.

(h) Subsections (e)-(g) do not affect the liability under this chapter of a defendant who, by an act or omission, caused or contributed to the release or threatened release of a hazardous substance that is the subject of the action concerning the facility.

Sec. 361.276. APPORTIONMENT OF LIABILITY. (a) If the release or threatened release caused by a person's acts or omissions is proved by a preponderance of the evidence to be divisible, that person is liable only for the elimination of that release or threatened release attributable to the person. If the release or threatened release is not proved to be divisible, persons liable under Section 361.272 or 361.273 are jointly and severally liable for eliminating the release or threatened release.

(b) In this section, "divisible" means that the waste released or threatened to be released has been and is capable of being managed separately under the remedial action plan.

Sec. 361.277. EFFECT OF SETTLEMENT AGREEMENT WITH STATE. (a) If fewer than all of the persons identified as liable under this subchapter agree with the state to take remedial action to abate an actual or threatened release of solid waste that is an imminent and substantial endangerment to the public health and safety or the environment under an administrative order issued under section 361.272 or an action filed by the state under this subchapter, the state may seek a judgment against a nonsettling person for the total amount of the cost of the remedial action minus that amount the settling persons agree to pay or spend.
(b) A person who enters a settlement agreement with the state that resolves all liability of the person to the state for a site subject to Subchapter F is released from liability to a person described by Section 361.344(a) for cost recovery, contribution, or indemnity under Section 361.344 regarding a matter addressed in the settlement agreement.

(c) A settlement agreement does not discharge the liability of a nonsettling person to the state unless the agreement provides otherwise.

(d) Notwithstanding Subsection (c), a settlement agreement reduces the potential liability to the state of the nonsettling persons by the amount of the settlement.

Sec. 361.278. LIABILITY OF ENGINEER OR CONTRACTOR. (a) An engineer or contractor performing a program of remedial action or cleanup of hazardous waste or solid waste under a contract with a state agency or political subdivision of the state is liable under this subchapter for any negligent act or omission or for wilful misconduct that results in an actual or threatened release of hazardous waste or solid waste after the abandonment or conclusion of the program only to the extent that the endangerment to public health and safety or the environment is aggravated as a result of the act, omission, or misconduct.

(b) In this section, "engineer or contractor" means a person, including the employee or subcontractor of the person, who performs a contract for evaluation, planning, designing, engineering, construction, equipment, or auxiliary services in connection with:
   (1) identifying a hazardous or solid waste site;
   (2) developing a plan to clean up the site; or
   (3) supervising or implementing the plan to clean up the site.

Sec. 361.279. CONTRACTS WITH STATE. A state agency contracting for services or products shall consider whether the person proposing
to contract with the state has been adjudicated during the preceding three-year period to have committed substantive, nonclerical violations resulting in an actual release of hazardous waste that presented an imminent and substantial danger to the public health and safety or the environment.

**SUBCHAPTER J. ENFORCEMENT; EMERGENCY ORDER; CORRECTIVE ACTION**

Sec. 361.301. EMERGENCY ORDER. The commission may issue an emergency mandatory, permissive, or prohibitory order concerning an activity of solid waste management under its jurisdiction under Section 5.512, Water Code, even if the activity is not covered by a permit.

**SUBCHAPTER K. APPEALS; JOINDER OF PARTIES**

Sec. 361.321. APPEALS. (a) A person affected by a ruling, order, decision, or other act of the commission may appeal the action by filing a petition in a district court of Travis County.

(b) A person affected by a ruling, order, decision, or other act of a county, or of a political subdivision exercising the authority granted by Section 361.165, may appeal by filing a petition in a district court with jurisdiction in the county or political subdivision.

(c) Except as provided by Section 361.322(a), the petition must be filed not later than the 30th day after the date of the ruling, order, decision, or other act of the governmental entity whose action is appealed. Service of citation must be accomplished not later than the 30th day after the date on which the petition is filed.

(d) The plaintiff shall pursue the action with reasonable diligence. The court shall presume that the action has been abandoned if the plaintiff does not prosecute the action within one year after it is filed and shall dismiss the suit on a motion for dismissal made by the governmental entity whose action is appealed unless the plaintiff, after receiving notice, can show good and sufficient cause...
for the delay.

(e) Except as provided by Section 361.322(e), in an appeal from an action of the commission, a county, or a political subdivision exercising the authority granted by Section 361.165, the issue is whether the action is invalid, arbitrary, or unreasonable.

Sec. 361.322. APPEAL OF ADMINISTRATIVE ORDER ISSUED UNDER SECTION 361.272; JOINDER OF PARTIES. (a) Any person subject to an administrative order under Section 361.272 may appeal the order by filing a petition before the 46th day after the date of receipt, hand delivery, or publication service of the order.

(b) The plaintiff shall pursue the action with reasonable diligence. The court shall presume that the action has been abandoned if the plaintiff does not prosecute the action within one year after it is filed and shall dismiss the suit on a motion for dismissal made by the governmental entity whose action is appealed unless the plaintiff, after receiving notice, can show good and sufficient cause for the delay.

(c) The filing of a motion for rehearing under Chapter 2001, Government Code is not a prerequisite for an appeal of the order.

(d) The person appealing the order must join the commission as a party and may join as parties any other person named as a responsible party in the administrative order and any other person who is or may be liable for the elimination of the actual or threatened release of solid waste or hazardous substances governed by the administrative order.

(e) The filing of the petition does not prevent the commission from proceeding with the remedial action program under Subchapter F unless the court enjoins the remedial action under its general equity jurisdiction.

(f) The administrative order is final as to a nonappealing party on the 46th day after the date of receipt, hand delivery, or publication service of the order by, to, or on the nonappealing party.
(g) The district court shall uphold the administrative order if the commission proves by a preponderance of the evidence that:

1. there is an actual or threatened release of solid waste or hazardous substances that is an imminent and substantial endangerment to the public health and safety or the environment; and

2. the person made subject to the administrative order is liable for the elimination of the release or threatened release, in whole or in part.

(h) If the appropriateness of the selected remedial action is contested in the appeal of the administrative order, the remedial action shall be upheld unless the court determines that the remedy is arbitrary or unreasonable.

(i) A person made a party to the appeal may join as a party any other person who is or may be liable for the elimination of the release or threatened release, but the failure by a party to file an action for contribution or indemnity does not waive any right under this chapter or other law.

(j) In an appeal under this section, the district court on establishing the validity of the order shall issue an injunction requiring any person named or joined against whom liability has been established by the commission or other party to comply with the order.

(k) As between parties determined to be liable under Subchapter I, the court may, as equity requires, apportion cleanup costs in accordance with Section 361.343 and grant any other appropriate relief.

Sec. 361.323. JOINDER OF PARTIES IN ACTION FILED BY STATE. (a) In an action brought by the attorney general under Section 361.273 seeking an injunction to eliminate a release or threatened release, the attorney general shall, and a party may, join as a party a person reasonably believed to be liable for the release or threatened release in accordance with Section 361.272.

(b) Failure of the attorney general or a party to name or join
a person as a party is not a defense to an action against that person for contribution or indemnity.

(c) In an action brought by the attorney general under Section 361.273, the district court shall grant relief on the grounds provided by Section 361.322(d), and Sections 361.322(f) and (g) apply to the action.

**SUBCHAPTER L. COST RECOVERY**

Sec. 361.341. COST RECOVERY BY STATE. (a) The state is entitled to recover reasonable attorney's fees, reasonable costs to prepare and provide witnesses, and reasonable costs of investigating and assessing the facility or site if it prevails in:

(1) an appeal of an administrative order issued under Section 361.272 or Section 361.188;
(2) an action to enforce such an administrative order;
(3) a civil suit seeking injunctive relief under Section 361.273; or
(4) a cost recovery suit under Section 361.197.

(b) The court shall apportion the costs among liable parties as it determines is equitable and just.

(c) All such costs recovered by the state under Subchapter F shall be remitted to the commission and deposited to the credit of a separate account of the hazardous waste disposal fee fund. All other costs recovered by the state under Sections 361.271 through 361.277 shall be remitted to the commission and deposited to the credit of a separate account of the hazardous waste generation and facility fees fund.

(d) If an appeal or third party claim is found by the court to be frivolous, unreasonable, or without foundation, the court may assess damages against the party bringing the appeal or third party claim in an amount not to exceed triple the costs incurred by the state or the third party defendant, including reasonable attorney's fees, reasonable costs of preparing and providing witnesses, and reasonable costs of studies, analyses, engineering reports, tests, or other projects the court finds were necessary for the preparation of the party's case.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 361.342.  COST RECOVERY BY APPEALING OR CONTESTING PARTY.  If the court finds that an administrative order referred to by Section 361.341 is frivolous, unreasonable, or without foundation with respect to a party named by the order, the party appealing or contesting the order is entitled to recover from the state its reasonable:

(1) attorney's fees;
(2) costs to prepare and provide witnesses; and
(3) costs of studies, analyses, engineering reports, tests, or other projects the court finds were necessary to prepare the party's case.

Sec. 361.343.  APPORTIONMENT OF COSTS.  (a)  Apportionment of costs for the elimination of the release or threatened release of solid waste among the persons responsible for solid waste under Section 361.271 shall be made according to:

(1) the relationship between the parties' actions in storing, processing, and disposing of solid waste and the remedy required to eliminate the release or threatened release;
(2) the volume of solid waste each party is responsible for at the solid waste facility or site to the extent that the costs of the remedy are based on the volume of solid waste present;
(3) consideration of toxicity or other waste characteristics if those characteristics affect the cost to eliminate the release or threatened release; and
(4) a party's cooperation with state agencies, its cooperation or noncooperation with the pending efforts to eliminate the release or threatened release, or a party's actions concerning storing, processing, or disposing of solid waste, as well as the degree of care that the party exercised.

(b) In apportioning costs under Subsection (a), the court shall credit against a responsible party's share of the costs of
eliminating a release or threatened release of solid waste the party's expenditures related to the cleanup at issue if the commission or the executive director approves the cleanup. If the expenditures were made before the property was proposed to be listed on the state registry and the commission or the executive director approves the cleanup, the court shall also reduce in an equitable and just manner the party's proportionate share of the costs.

(c) The apportionment of costs only adjusts the rights of parties identified by Section 361.271 and does not affect a person's liability to the state.

Sec. 361.344. COST RECOVERY BY LIABLE PARTY OR THIRD PARTY.
(a) A person who conducts a removal or remedial action that is approved by the commission and is necessary to address a release or threatened release may bring suit in a district court to recover the reasonable and necessary costs of that action and other costs as the court, in its discretion, considers reasonable. This right is in addition to the right to file an action for contribution, indemnity, or both in an appeal proceeding or in an action brought by the attorney general.

(b) Venue for the suit is:
(1) in the county in which the release or threatened release is or was located; or
(2) in any other county in which venue is proper under Chapter 15, Civil Practice and Remedies Code.

(c) To recover costs under this section in a proceeding that is not an appeal proceeding or an action brought by the attorney general under this subchapter, the person seeking cost recovery must have made reasonable attempts to notify the person against whom cost recovery is sought:
(1) of the existence of the release or threatened release; and
(2) that the person seeking cost recovery intended to take steps to eliminate the release or threatened release.

(d) The court shall determine the amount of cost recovery according to the criteria prescribed by Section 361.343.
(e) A fact determination or ruling by a district court in an appeal of an administrative order under Section 361.322 is not res judicata or collateral estoppel as to an issue brought in a proceeding under this section concerning a party not joined in the appeal.

Sec. 361.345. CREATION OF RIGHTS. Subchapter I and Section 361.344 and the enforcement by the commission of that subchapter and section do not:

(1) create rights or causes of action on behalf of a person other than those expressly stated by this chapter; or

(2) change common law or a rule of decision except as limited by this chapter to actions by the commission to eliminate an actual release or threatened release of solid waste that is an imminent and substantial endangerment to the public health and safety or the environment.

SUBCHAPTER M. REMOVAL AND REMEDIAL ACTION AGREEMENTS

Sec. 361.401. DEFINITIONS. In this subchapter:

(1) "Disposal facility" means a site or area at which a hazardous substance, pollutant, or contaminant has been deposited, stored, disposed of, or placed or otherwise come to be located that no longer receives hazardous substances, pollutants, and contaminants.

(2) "Fund" means the hazardous waste disposal fee fund.

(3) "Petroleum" means crude oil or any fraction of crude oil that is not otherwise listed or designated as a hazardous substance under Section 361.003.

(4) "Pollutant" or "contaminant" means any element, substance, compound, or mixture, including disease-causing agents, that after release into the environment and on exposure, ingestion, inhalation, or assimilation into any organism, either directly from
the environment or indirectly by ingestion through food chains, will
or may reasonably be anticipated to cause death, disease, behavioral
abnormalities, cancer, genetic mutation, physiological malfunctions,
including malfunctions in reproduction, or physical deformations in
the organism or its offspring. The term does not include petroleum,
natural gas, liquefied natural gas, synthetic gas of pipeline
quality, or mixtures of natural gas and synthetic gas.

(5) "Removal" means:

(A) cleaning up or removing released hazardous
substances, pollutants, or contaminants from the environment;
(B) taking necessary action in the event of the threat
of release of hazardous substances, pollutants, or contaminants into
the environment;
(C) taking necessary action to monitor, assess, and
evaluate the release or threat of release of hazardous substances,
pollutants, or contaminants;
(D) disposing of removed material;
(E) erecting security fencing or taking other measures
to limit access;
(F) providing alternate water supplies;
(G) temporarily evacuating and housing threatened
individuals not otherwise provided for;
(H) taking action under Section 104(b) of the
environmental response law;
(I) providing any emergency assistance under the
Disaster Relief Act of 1974 (42 U.S.C. Section 5121 et seq.); and
(J) taking other action as may be necessary to prevent,
minimize, or mitigate damage to the public health and safety or to
the environment that may otherwise result from a release or threat of
release.

(6) "Remedial action" means an action consistent with a
permanent remedy taken instead of or in addition to removal actions
in the event of a release or threatened release of a hazardous
substance, pollutant, or contaminant into the environment to prevent
or minimize the release of hazardous substances, pollutants, or
contaminants so that they do not migrate to cause substantial danger
to present or future public health and safety or the environment.
The term:

(A) includes:

(i) actions at the location of the release,
including storage, confinement, perimeter protection using dikes, trenches, or ditches, clay cover, neutralization, cleanup of released hazardous substances, pollutants, contaminants, or contaminated materials, recycling or reuse, diversion, destruction, segregation of reactive wastes, dredging or excavations, repair or replacement of leaking containers, collections of leachate and runoff, on-site treatment or incineration, provision of alternate water supplies, and any monitoring reasonably required to assure that those reactions protect the public health and safety or the environment; and

(ii) the costs of permanent relocation of residents and businesses and community facilities where the president of the United States determines that alone or in combination with other measures this relocation is more cost-effective than and environmentally preferable to the transportation, storage, treatment, destruction, or secure disposition off site of hazardous substances, pollutants, or contaminants or may otherwise be necessary to protect the public health or safety; but

(B) does not include off-site transport of hazardous substances or the storage, treatment, destruction, or secure disposition off site of the hazardous substances, pollutants, contaminants, or contaminated materials unless the president of the United States determines that those actions:

(i) are more cost-effective than other remedial actions;

(ii) will create new capacity to manage, in compliance with Subtitle C of the federal Solid Waste Disposal Act (42 U.S.C. Section 6921 et seq.), hazardous substances in addition to those located at the affected facility; or

(iii) are necessary to protect the public health and safety or the environment from a present or potential risk that may be created by further exposure to the continued presence of those substances, pollutants, contaminants, or materials.

(7) "Response" means removal and remedial action.

(1) administer this subchapter; and
(2) cooperate with municipalities and with agencies, departments, and political subdivisions of this state and the United States and its agencies in implementing this section and the environmental response law.

(b) The commission may:
(1) enter into contracts and cooperative agreements with the federal government to carry out removal and remedial action for a specific disposal facility as authorized by Section 104(c)(3) of the environmental response law or to carry out removal and remedial action with regard to a disposal facility under Section 104(d)(1) of the environmental response law;
(2) after notice and hearing, authorize the executive director to enter into contracts and cooperative agreements on behalf of the commission under Subdivision (1) under terms and conditions stated in the commission's order; and
(3) when acting under a cooperative agreement with the federal government under Subdivision (1), undertake the enforcement and remedial actions authorized under the environmental response law as may be reasonably necessary, in lieu of or in conjunction with actions by the federal government.

Sec. 361.403. TERMS AND CONDITIONS OF AGREEMENTS; COSTS. (a) If the commission enters into a contract or cooperative agreement under Section 104(c)(3) of the environmental response law, the commission shall include in the contract or agreement terms and conditions to:
(1) assure future maintenance of the removal and remedial actions provided for the expected life of those actions as determined by the federal government;
(2) assure the availability of a hazardous waste disposal facility acceptable to the federal government that complies with Subchapter III of the federal Solid Waste Disposal Act (42 U.S.C. Section 6921 et seq.) for any necessary off-site storage, destruction, treatment, or secure disposition of the hazardous
substances, pollutants, or contaminants; and

(3) assure payment by the state of:
   (A) 10 percent of the costs of the remedial actions, including future maintenance; or
   (B) at least 50 percent or more of the costs as determined appropriate by the federal government, taking into account the degree of responsibility of the state for any amount spent in response to a release at a disposal facility that was owned by the state at the time of disposal of hazardous substances at the disposal facility.

(b) A contract entered into with the federal government under Section 104(d)(1) of the environmental response law is subject to the same cost-sharing requirements provided for contracts in Subsection (a)(3).

(c) The state's share of reasonable response costs shall be paid from the fund.

Sec. 361.404. COOPERATION WITH FEDERAL GOVERNMENT. (a) Before entering into a contract or cooperative agreement under Section 361.402, the commission shall consult and work with the federal government in determining the response that will be necessary under the contract or cooperative agreement with regard to the particular disposal facility.

(b) The commission shall collect and shall file with the federal government any information required by the environmental response law and rules adopted under that law.

Sec. 361.405. INDEMNIFICATION OF ENGINEER OR CONTRACTOR. (a) Notwithstanding any other law or rule, the commission may agree in a contract retaining an engineer or contractor to perform a program of removal, remedial action, or cleanup of a hazardous substance in connection with a contract or cooperative agreement under Section 361.402 to indemnify the engineer or contractor against any claim or
liability arising from an actual or threatened release of a hazardous
substance that occurs during the performance of any work, including:

(1) damages arising from economic loss, personal injury,
property damages, or death;

(2) costs and expenses, including the cost of defense of a
lawsuit brought against the engineer or contractor; and

(3) claims by third parties for indemnification,
contribution, or damages for economic loss, personal injury, property
damages, or death.

(b) In determining whether to contract to indemnify an engineer
or contractor under this section, the commission shall consider the
availability of insurance to the engineer or contractor for the
claims and liabilities against which the commission may indemnify the
engineer or contractor under this section on the date the engineer or
contractor enters into a contract to perform services covered by this
section. The commission may not contract to indemnify an engineer or
contractor under this section if the engineer or contractor cannot
demonstrate that insurance is unavailable at a reasonable cost or if
another engineer or contractor submitting a comparable proposal
demonstrates that insurance is available at a reasonable cost.

(c) The commission is not obligated to award a contract if it
determines that adequate liability insurance is not available to an
engineer or contractor and that the award of the contract is not in
the public interest.

(d) The commission may not contract to indemnify an engineer or
contractor under this section unless the federal government agrees in
a contract or cooperative agreement to indemnify in turn the
commission under Section 119 of the environmental response law. The
commission's decision to contract or not to contract to indemnify an
engineer or contractor may be made as an executive act without an
adjudicative public hearing and is not subject to judicial review.

(e) An engineer or contractor performing a program of removal,
remedial action, or cleanup of a hazardous substance under a contract
entered into in connection with a contract or cooperative agreement
under Section 361.402 that results in an actual or threatened release
of hazardous substance is not liable under Section 361.221, 361.223
through 361.229, or 361.252 for an act or a failure to act during the
performance of the contract. This subsection does not in any way
limit or otherwise affect the liability of an engineer or contractor
in any other action.
(f) Subsections (a) and (e) do not apply to a grossly negligent act or omission or to wilful misconduct of an engineer or contractor during the performance of a contract. Notwithstanding any other law, an engineer or contractor performing a program of removal, remedial action, or cleanup of a hazardous substance under a contract entered into in connection with a contract or cooperative agreement under Section 361.402 is liable for a grossly negligent act or omission or for wilful misconduct that results in an actual or threatened release of a hazardous substance in violation of Subchapter G or I, or Section 361.252, only to the extent that the act, omission, or misconduct caused the violation.

(g) In this section, "engineer or contractor" means a person, including the employee or subcontractor of the person, who performs a contract for evaluation, planning, designing, engineering, construction, equipment, or auxiliary services in connection with the identification of a site containing a hazardous substance, the development of a plan of response to the site, or the supervision or performance of the response to the site.

SUBCHAPTER N. WASTE REDUCTION PROGRAMS; DISPOSAL FEES
Sec. 361.421. DEFINITIONS. In this subchapter:

(1) "Compost" is the disinfected and stabilized product of the decomposition process that is used or sold for use as a soil amendment, artificial top soil, growing medium amendment, or other similar uses.

(2) "Composting" means the controlled biological decomposition of organic materials through microbial activity. Depending on the specific application, composting can serve as both a volume reduction and a waste treatment measure. A beneficial organic composting activity is an appropriate waste management solution that shall divert compatible materials from the solid waste stream that cannot be recycled into higher grade uses and convert these materials into a useful product that is put to beneficial reuse as a soil amendment or mulch.

(3) "Life-cycle cost benefit analysis" means a method of determining the total equivalent costs and benefits of using products
over their lifetimes or over any other period of time. These costs and benefits are all associated costs and all associated benefits of each product over the time under consideration and include initial costs, annual operating costs, annual savings, future costs, and residual (salvage) values. The use of this method permits exact comparisons of these total costs and benefits to determine the most cost-effective product.

(4) "Postconsumer waste" means a material or product that has served its intended use and has been discarded after passing through the hands of a final user. For the purpose of this subchapter, the term does not include industrial or hazardous waste.

(5) "Recyclable material" means material that has been recovered or diverted from the solid waste stream for purposes of reuse, recycling, or reclamation, a substantial portion of which is consistently used in the manufacture of products which may otherwise be produced using raw or virgin materials. Recyclable material is not solid waste unless the material is deemed to be hazardous solid waste by the Administrator of the United States Environmental Protection Agency, whereupon it shall be regulated accordingly unless it is otherwise exempted in whole or in part from regulation under the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.), by Environmental Protection Agency regulation. However, recyclable material may become solid waste at such time, if any, as it is abandoned or disposed of rather than recycled, whereupon it will be solid waste with respect only to the party actually abandoning or disposing of the material.

(6) "Recycled material" means materials, goods, or products that consist of recyclable material or materials derived from postconsumer waste, industrial waste, or hazardous waste which may be used in place of a raw or virgin material in manufacturing a new product.

(7) "Recycled product" means a product which meets the requirements for recycled material content as prescribed by the rules established by the commission described in Section 361.427.

(8) "Recycling" means a process by which materials that have served their intended use or are scrapped, discarded, used, surplus, or obsolete are collected, separated, or processed and returned to use in the form of raw materials in the production of new products. Recycling includes:
(A) the composting process if the compost material is put to beneficial reuse as defined by the commission; and

(B) the application to land, as organic fertilizer, of processed sludge or biosolids from municipal wastewater treatment plants and other organic matter resulting from poultry, dairy, livestock, or other agricultural operations.

(9) "Source reduction" means an activity or process that avoids the creation of municipal solid waste in the state by reducing waste at the source and includes:

(A) redesigning a product or packaging so that less material is ultimately disposed of;

(B) changing a process for producing a good or providing a service so that less material is disposed of; or

(C) changing the way a material is used so that the amount of waste generated is reduced.

(10) "State agency" means a department, commission, board, office, council, or other agency in the executive branch of government that is created by the constitution or a statute of this state and has authority not limited to a geographical portion of the state. The term does not include a university system or institution of higher education as defined by Section 61.003, Education Code.

(11) "Virgin material" means a raw material used in manufacturing that has not yet become a product.

(12) "Yard waste" means leaves, grass clippings, yard and garden debris, and brush, including clean woody vegetative material not greater than six inches in diameter, that results from landscaping maintenance and land-clearing operations. The term does not include stumps, roots, or shrubs with intact root balls.

Sec. 361.422. STATE SOURCE REDUCTION AND RECYCLING GOAL. (a) It is the state's goal to reduce by January 1, 1994, the amount of municipal solid waste disposed of in this state by at least 40 percent through source reduction and recycling.
(b) In this section, "total municipal solid waste stream" means the sum of the state's total municipal solid waste that is disposed of as solid waste, measured in tons, and the total number of tons of recyclable material that has been diverted or recovered from the total municipal solid waste and recycled.

(c) The commission shall establish rules and reporting requirements through which progress toward achieving the established source reduction and recycling goals can be measured. The rules may take into consideration those ongoing community source reduction and recycling programs where substantial progress has already been achieved. The commission may also establish a limit on the amount of credit that may be given to certain high-volume materials in measuring recycling progress.

(d) For the purpose of measuring progress toward the municipal solid waste reduction goal, the commission shall use the weight of the total municipal solid waste stream in 1991 as a baseline for comparison. To compute progress toward the municipal solid waste reduction goal for a year, the commission shall compare the total number of tons disposed in the year under comparison, either by landfilling or by other disposal methods, to the total number of tons disposed in the base year, adjusting for changes in population, tons of solid waste imported and exported, and other relevant changes between the baseline year and the comparison year.

(e) Before January 1, 1994, the commission shall determine whether the goal established in Subsection (a) is being achieved. If the commission finds that the goal is not being achieved, it shall convene an advisory task force consisting of representatives of the commission, local governments, the Municipal Solid Waste Management and Resource Recovery Advisory Council, and the commercial solid waste disposal industry and may recommend to the legislature a phased-in ban on the disposal of yard waste in a landfill. The task force may recommend a plan to the legislature for implementing the ban after considering how the ban will:

1. affect the state's disposal capacity;
2. affect the economy of the state;
3. affect local governments; and
4. be accepted and adhered to by the citizens of the state.

Sec. 361.423. RECYCLING MARKET DEVELOPMENT IMPLEMENTATION PROGRAM. (a) The commission, the comptroller, and other consenting state agencies as appropriate shall regularly coordinate the recycling activities of state agencies and shall each pursue an economic development strategy that focuses on the state's waste management priorities established by Section 361.022 and that includes development of recycling industries and markets as an integrated component.

(b) The commission and the comptroller, on an ongoing basis, shall jointly:

(1) identify existing economic and regulatory incentives and disincentives for creating an optimal market development strategy;

(2) analyze or take into consideration the market development implications of:

(A) the state's waste management policies and regulations;

(B) existing and potential markets for plastic, glass, paper, lead-acid batteries, tires, compost, scrap gypsum, coal combustion by-products, and other recyclable materials; and

(C) the state's tax structure and overall economic base;

(3) examine and make policy recommendations regarding the need for changes in or the development of:

(A) economic policies that affect transportation, such as those embodied in freight rate schedules;

(B) tax incentives and disincentives;

(C) the availability of financial capital including grants, loans, and venture capital;

(D) enterprise zones;

(E) managerial and technical assistance;

(F) job-training programs;

(G) strategies for matching market supply and market demand for recyclable materials, including intrastate and interstate coordination;
(H) the state recycling goal;
(I) public-private partnerships;
(J) research and development;
(K) government procurement policies;
(L) educational programs for the public, corporate and regulated communities, and government entities; and
(M) public health and safety regulatory policies;

(4) establish a comprehensive statewide strategy to expand markets for recycled products in Texas;

(5) provide information and technical assistance to small and disadvantaged businesses, business development centers, chambers of commerce, educational institutions, and nonprofit associations on market opportunities in the area of recycling; and

(6) with the cooperation of the Office of State-Federal Relations, assist communities and private entities in identifying state and federal grants pertaining to recycling and solid waste management.

(c) In carrying out this section, the commission and the comptroller may obtain research and development and technical assistance from the Hazardous Waste Research Center at Lamar University at Beaumont or other similar institutions.

(d) In carrying out this section, the commission and the comptroller shall utilize the pollution prevention advisory committee as set out in Section 361.0215 of the Health and Safety Code.

Acts 2005, 79th Leg., Ch. 1122 (H.B. 2466), Sec. 2, eff. September 1, 2005.
Acts 2007, 80th Leg., R.S., Ch. 937 (H.B. 3560), Sec. 1.91, eff. September 1, 2007.

Sec. 361.425. GOVERNMENTAL ENTITY RECYCLING. (a) A state agency, state court or judicial agency, a university system or institution of higher education, a county, municipality, school
district, or special district shall:

(1) in cooperation with the comptroller or the commission establish a program for the separation and collection of all recyclable materials generated by the entity's operations, including, at a minimum, aluminum, steel containers, aseptic packaging and polycoated paperboard cartons, high-grade office paper, and corrugated cardboard;

(2) provide procedures for collecting and storing recyclable materials, containers for recyclable materials, and procedures for making contractual or other arrangements with buyers of recyclable materials;

(3) evaluate the amount of recyclable material recycled and modify the recycling program as necessary to ensure that all recyclable materials are effectively and practicably recycled; and

(4) establish educational and incentive programs to encourage maximum employee participation.

(b) The commission by order shall exempt a school district or a municipality with a population of less than 5,000 from compliance with this section if the commission finds that compliance would work a hardship on the district or the municipality. The commission shall adopt rules for administering this subsection.

(c) Expired.

(d) In this section, "recyclable materials" includes materials in the entity's possession that have been abandoned or disposed of by the entity's officers or employees or by any other person.

Added by Acts 1991, 72nd Leg., ch. 303, Sec. 1, eff. Sept. 1, 1991. Amended by Acts 1993, 73rd Leg., ch. 899, Sec. 4.03, eff. Oct. 1, 1993; Acts 1995, 74th Leg., ch. 76, Sec. 11.77, eff. Sept. 1, 1995. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 937 (H.B. 3560), Sec. 1.92, eff. September 1, 2007.

Sec. 361.426. GOVERNMENTAL ENTITY PREFERENCE FOR RECYCLED PRODUCTS. (a) A state agency, state court, or judicial agency not subject to Subtitle D, Title 10, Government Code, a county, municipality, school district, junior or community college district, or special district shall give preference in purchasing to products made of recycled materials if the products meet applicable
specifications as to quantity and quality.

(b) An entity subject to this section regularly shall review and revise its procurement procedures and specifications for the purchase of goods, supplies, equipment, and materials in order to:

1. eliminate procedures and specifications that explicitly discriminate against products made of recycled materials;
2. encourage the use of products made of recycled materials; and
3. ensure to the maximum extent economically feasible that the entity purchases products that may be recycled when they have served their intended use.

(c) In developing new procedures and specifications, the entity shall encourage the use of recycled products and products that may be recycled or reused.

(d) The commission by order shall exempt a school district or a municipality with a population of less than 5,000 from compliance with this section if the commission finds that compliance would work a hardship on the district or the municipality. The commission shall adopt rules for administering this subsection.

(e) Expired.

Sec. 361.427. SPECIFICATIONS FOR RECYCLED PRODUCTS. (a) The commission, in consultation with the comptroller, shall promulgate rules to establish guidelines which specify the percent of the total content of a product which must consist of recycled material for the product to be a "recycled product."

(b) The guidelines established under this section shall specify a minimum percent of the recycled material in a product which must be postconsumer waste.

(c) The guidelines established under this section shall be classified by types of products.

(d) The commission's guidelines shall be established taking into consideration the guidelines promulgated by the Environmental Protection Agency for federal procurement of recycled products as authorized by the Solid Waste Disposal Act (42 U.S.C. Sec. 3259 et
Sec. 361.428. COMPOSTING PROGRAM. (a) The commission shall put in place incentives for a composting program that is capable of achieving at least a 15 percent reduction in the amount of the municipal solid waste stream that is disposed of in landfills by January 1, 1994.

(b) The commission shall adopt rules establishing minimum standards and guidelines for the issuance of permits for processes or facilities that produce compost that is the product of material from the typical mixed solid waste stream generated by residential, institutional, commercial, or industrial sources. A reduction in the mixed solid waste stream that occurs as a result of the beneficial reuse of compost produced by a facility permitted under this subsection shall be used in achieving the goal established under Section 361.422. The minimum standards must include end-product standards and a definition of beneficial reuse. The commission shall consider regulations issued by the United States Environmental Protection Agency in developing minimum standards. Beneficial reuse does not include landfilling or the use of compost as daily landfill cover.

(c) A composting facility may not accept mixed municipal solid waste from a governmental unit for composting purposes at that facility unless residents have reasonable access to household hazardous waste collection and source-separated recycling programs in the area. The commission shall establish standards for household hazardous waste collection programs and source-separated recycling programs that qualify under this section.

(d) A person may not commercially compost grease trap waste, as defined by the commission, unless the person has first obtained a permit for composting grease trap waste issued by the commission under this section on or after September 1, 2003.
(e) The permit to compost grease trap waste must meet the minimum standards of a permit issued under rules adopted under Subsection (b).

Sec. 361.429. HOUSEHOLD HAZARDOUS WASTE. The commission shall develop standards for household hazardous waste diversion programs such as collection facilities or waste collection days for municipalities, counties, or regions. The commission's waste management financial assistance program described in Section 363.092 shall be expanded to include matching grants for costs of planning and implementing approved household hazardous waste diversion programs, excluding costs of disposal.

Sec. 361.430. NEWSPRINT RECYCLING PROGRAM. (a) It is the policy of this state that recycling of all paper products including old newspapers is vital to our economy and the preservation of our environment. It is the purpose of this section to promote the state's policy by encouraging newspaper publishers to promote recycling through purchase of recycled products and by cooperating with local community organizations to establish and promote community collection efforts for all paper products.

(b)(1) In order to observe and promote this policy the newspaper publishers of Texas will work with state officials and state agencies to identify potential sites and offer economic incentives in order to attract additional de-inking facilities and recycled newsprint mills to Texas.

(2) The newspaper publishers of Texas will also assist and participate in the market development study and implementation program established by Section 361.423.

(c) The commission shall promulgate rules and regulations which establish a newsprint recycling program for the state.
(d) The program shall include guidelines which set goals for the use of recycled newsprint by newspaper publishers, using the following target percentages of recycled newsprint in the total newsprint consumption of each newspaper publisher:

1. 10 percent by the end of the calendar year 1993;
2. 20 percent by the end of the calendar year 1997; and
3. 30 percent by the end of the calendar year 2000.

(e) Smaller newspapers may find it difficult to implement use of recycled newsprint. Therefore, larger newspapers will be responsible for the necessary consumption to allow the percentages specified in Subsection (d) to represent total consumption of recycled newsprint by all Texas newspapers.

(f) In this section:

1. "Newspaper" means a publication that is sold and that is printed on newsprint and published, printed, and distributed in the state, both daily and non-daily, to disseminate current news and information of general interest to the public.
2. "Recycled newsprint" means newsprint which meets the specified guidelines under Section 361.427 to be classified as a recycled product.

(g)(1) Publishers of newspapers subject to regulation under the newsprint recycling program shall submit annually, on or before January 31, a report to the executive director which states the percentage of recycled newsprint used by the publisher in the preceding year, and, if the target percentage is not met, the publisher must include in the report:

(A) whether the publisher is able to obtain sufficient quantities of recycled newsprint at competitive prices and of satisfactory quality;

(B) whether the publisher has attempted to obtain recycled newsprint from every producer of recycled newsprint that offered to sell recycled newsprint to the publisher during the preceding calendar year; and

(C) the publisher's efforts to obtain recycled newsprint, including the name and address of each producer of recycled newsprint that the publisher contacted and the name and telephone number of the contact person at each of the producers.

(2) The executive director shall develop forms for and regulations governing the submission of the reports required by this subsection.
If the executive director determines that newspaper publishers are not voluntarily meeting the target percentages prescribed by this section for the program, the commission may adopt mandatory enforcement measures.

Sec. 361.431. PRIORITIZATION OF NEW TECHNOLOGY. (a) A political subdivision or solid waste producer shall give preference in contracting for the disposal of solid waste to license or permit holders who use processes and technologies that reduce the volume of sludge and hazardous waste that is being disposed of through beneficial use land application, landfill disposal, and other methods.

(b) Technology that reduces the volume of solid waste, destroys the solid waste, or renders the solid waste inert is preferred to methods referred to under Subsection (a), to minimize the possibility of hazardous materials entering the state's air, waterways, and water sources.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 9.06, eff. Sept. 1, 2001.

SUBCHAPTER O. LEAD-ACID BATTERIES

Sec. 361.451. LAND DISPOSAL PROHIBITED. (a) No person may place a used lead-acid battery in mixed municipal solid waste nor discard or otherwise dispose of a lead-acid battery except by delivery to:

(1) a battery retailer or wholesaler;
(2) a secondary lead smelter; or
(3) a collection or recycling facility authorized under the laws of this state or by the United States Environmental Protection Agency.

(b) No battery retailer shall dispose of a used lead-acid battery except by delivery to:

(1) a battery wholesaler or a secondary lead smelter, or an agent thereof;
(2) a battery manufacturer for delivery to a secondary lead smelter; or

(3) a collection or recycling facility authorized under the laws of this state or by the United States Environmental Protection Agency.

(c) Repealed by Acts 1997, 75th Leg., ch. 1072, Sec. 60(b)(3), eff. Sept. 1, 1997.

Sec. 361.452. COLLECTION FOR RECYCLING. A person selling lead-acid batteries at retail or offering lead-acid batteries for retail sale in this state shall:

(1) accept from each customer, if offered, at least one but not more than three lead-acid batteries for recycling; and

(2) post written notice, which must be at least 8-1/2 inches by 11 inches in size, containing the universal recycling symbol and the following language:

(A) "It is illegal to discard or improperly dispose of a motor-vehicle battery or other lead-acid battery."

(B) "Recycle your used batteries."

(C) "State law requires us to accept used motor-vehicle batteries or other lead-acid batteries for recycling."

Sec. 361.453. INSPECTION OF BATTERY RETAILERS. The commission shall produce, print, and distribute the notices required by Section 361.452 to all places where lead-acid batteries are offered for sale at retail. In performing its duties under this section the commission may inspect any place, building, or premises governed by Section 361.452. Failure to post the required notice within three days following warning shall subject the establishment to an administrative or a civil penalty under Chapter 7, Water Code.
Sec. 361.454. LEAD-ACID BATTERY WHOLESALERS. Any person selling new lead-acid batteries at wholesale shall accept from customers, at the point of transfer, used lead-acid batteries for recycling, if offered by customers. A person accepting batteries in transfer from a battery retailer shall remove batteries from the retail point of collection within 90 days after acceptance.

SUBCHAPTER Q. POLLUTION PREVENTION

Sec. 361.501. DEFINITIONS. In this subchapter:

(1) "Acute hazardous waste" means hazardous waste listed by the administrator of the United States Environmental Protection Agency under the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.), because the waste meets the criteria for listing hazardous waste identified in 40 C.F.R. Section 261.11(a)(2).

(3) "Conditionally exempt small-quantity generator" means a generator that does not accumulate more than 1,000 kilograms of hazardous waste at any one time on his facility and who generates less than 100 kilograms of hazardous waste in any given month.

(4) "Committee" means the waste reduction advisory committee established by Section 361.0215.

(5) "Environment" means water, air, and land and the interrelationship that exists among and between water, air, land, and all living things.

(6) "Facility" means all buildings, equipment, structures, and other stationary items located on a single site or on contiguous or adjacent sites that are owned or operated by a person who is subject to this subchapter or by a person who controls, is controlled
by, or is under common control with a person subject to this subchapter.

(7) "Generator" and "generator of hazardous waste" have the meaning assigned by Section 361.131.

(8) "Large-quantity generator" means a generator that generates, through ongoing processes and operations at a facility:
   (A) more than 1,000 kilograms of hazardous waste in a month; or
   (B) more than one kilogram of acute hazardous waste in a month.

(9) "Media" and "medium" mean air, water, and land into which waste is emitted, released, discharged, or disposed.

(10) "Pollutant" or "contaminant" includes any element, substance, compound, disease-causing agent, or mixture that after release into the environment and on exposure, ingestion, inhalation, or assimilation into any organism, either directly from the environment or indirectly by ingestion through food chains, will or may reasonably be anticipated to cause death, disease, behavioral abnormalities, cancer, genetic mutation, physiological malfunctions, including malfunctions in reproduction, or physical deformations in the organism or its offspring. The term does not include petroleum, crude oil, or any fraction of crude oil that is not otherwise specifically listed or designated as a hazardous substance under Sections 101(14)(A) through (F) of the environmental response law, nor does it include natural gas, natural gas liquids, liquefied natural gas, synthetic gas of pipeline quality, or mixtures of natural gas and synthetic gas.

(11) "Source reduction" has the meaning assigned by the federal Pollution Prevention Act of 1990, Pub.L. 101-508, Section 6603, 104 Stat. 1388.

(12) "Waste minimization" means a practice that reduces the environmental or health hazards associated with hazardous wastes, pollutants, or contaminants. Examples may include reuse, recycling, neutralization, and detoxification.

Sec. 361.502. POLICY AND GOALS FOR SOURCE REDUCTION AND WASTE MINIMIZATION. (a) It is the policy of the state to reduce pollution at its source and to minimize the impact of pollution in order to reduce risk to public health and the environment and continue to enhance the quality of air, land, and waters of the state where feasible.

(b) Source reduction is the primary goal of the state in implementing this policy because hazardous wastes, pollutants, and contaminants that are not generated or produced pose no threat to the environment and eliminate societal management and disposal costs.

(c) To further promote this policy, hazardous wastes, pollutants, and contaminants that cannot be reduced at the source should be minimized wherever possible. Waste minimization, while secondary in preference to source reduction, is an important means for achieving more effective protection of public health and the environment while moving toward source reduction.

Sec. 361.503. COMMISSION PLANS. (a) Consistent with state and federal regulations, to achieve the policies stated in Section 361.502, the commission by rule shall, to the maximum extent that is technologically and economically feasible:

(1) develop plans to reduce the release of pollutants or contaminants into the air;

(2) develop plans to reduce the release of pollutants or contaminants into water; and

(3) establish reasonable goals for the reduction of the volume of hazardous waste generated in the state and the amount of pollutants and contaminants using source reduction and waste minimization.

(b) The commission by rule shall develop a list of pollutants or contaminants and the level of releases of those pollutants or contaminants subject to source reduction and waste minimization planning.

Added by Acts 1991, 72nd Leg., ch. 296, Sec. 2.01, eff. June 7, 1991. Renumbered from Sec. 361.433 and amended by Acts 1991, 72nd Leg., 1st
Sec. 361.504. APPLICATION. (a) Except as provided by Subsection (b), this subchapter applies to the following persons:
(1) all large-quantity generators of hazardous waste;
(2) all generators other than large-quantity generators and conditionally exempt small-quantity generators; and
(3) persons subject to Section 313, Title III, Superfund Amendments and Reauthorization Act of 1986 (42 U.S.C. Section 11023) whose releases exceed the levels established under Section 361.503(b).

(b) The commission by rule shall establish one or more schedules for the application of the requirements of this subchapter to designated classes of persons described by Subsection (a). The schedule shall provide for the inclusion of all persons described by Subsection (a) on a date to be determined by the commission, and until that date this subchapter applies only to those persons designated by rule of the commission.

(c) This subchapter does not apply to a facility regulated by the Railroad Commission of Texas under Section 91.101 or 141.012, Natural Resources Code.

Sec. 361.505. SOURCE REDUCTION AND WASTE MINIMIZATION PLANS. (a) Persons identified under Section 361.504(a)(1) or (a)(3) shall prepare a source reduction and waste minimization plan. Plans developed under this section shall contain a separate component addressing source reduction activities and a separate component addressing waste minimization activities. The plan shall include, at a minimum:

(1) an initial survey that identifies:
   (A) for facilities subject to Section 361.504(a)(1), activities that generate hazardous waste; and
(B) for facilities subject to Section 361.504(a)(3), activities that result in the release of pollutants or contaminants designated under Section 361.503(b);

(2) based on the initial survey, a prioritized list of economically and technologically feasible source reduction and waste minimization projects;

(3) an explanation of source reduction or waste minimization projects to be undertaken, with a discussion of technical and economic considerations, and environmental and human health risks considered in selecting each project to be undertaken;

(4) an estimate of the type and amount of reduction anticipated;

(5) a schedule for the implementation of each source reduction and waste minimization project;

(6) source reduction and waste minimization goals for the entire facility, including incremental goals to aid in evaluating progress;

(7) an explanation of employee awareness and training programs to aid in accomplishing source reduction and waste minimization goals;

(8) certification by the owner of the facility, or, if the facility is owned by a corporation, by an officer of the corporation that owns the facility who has the authority to commit the corporation's resources to implement the plan, that the plan is complete and correct;

(9) an executive summary of the plan; and

(10) identification of cases in which the implementation of a source reduction or waste minimization activity designed to reduce risk to human health or the environment may result in the release of a different pollutant or contaminant or may shift the release to another medium.

(b) The source reduction and waste minimization plan may include:

(1) a discussion of the person's previous efforts at the facility to reduce risk to human health and the environment or to reduce the generation of hazardous waste or the release of pollutants or contaminants;

(2) a discussion of the effect changes in environmental regulations have had on the achievement of the source reduction and waste minimization goals;
(3) the effect that events the person could not control have had on the achievement of the source reduction and waste minimization goals;

(4) a description of projects that have reduced the generation of hazardous waste or the release of pollutants or contaminants; and

(5) a discussion of the operational decisions made at the facility that have affected the achievement of the source reduction or waste minimization goals or other risk reduction efforts.

(c) The commission shall adopt rules for the development of simplified, as appropriate, source reduction and waste minimization plans and reports for persons identified under Section 361.504(a)(2).

(d) The commission shall provide information to aid in the preparation of source reduction and waste minimization plans to be prepared by a person under this section.

(e) Repealed by Acts 1995, 74th Leg., ch. 76, Sec. 11.334(c), eff. Sept. 1, 1995.

Sec. 361.506. SOURCE REDUCTION AND WASTE MINIMIZATION ANNUAL REPORT. (a) A person required to develop a source reduction and waste minimization plan for a facility under this subchapter shall submit to the commission an annual report and a current executive summary according to any schedule developed under Section 361.504.

(b) The annual report shall comply with rules adopted by the commission. The report shall detail the facility's progress in implementing the source reduction and waste minimization plan and include:

(1) an assessment of the progress toward the achievement of the facility source reduction goal and the facility waste minimization goal;

(2) a statement to include, for facilities subject to Section 361.504(a)(1), the amount of hazardous waste generated and, for facilities subject to Section 361.504(a)(3), the amount of the
release of pollutants or contaminants designated under Section 361.503(b) in the year preceding the report, and a comparison of those amounts with the amounts generated or released in a base year selected by the commission; and

(3) any modification to the plan.

(c) The annual report may include:

(1) a discussion of the person's previous effort at the facility to reduce hazardous waste or the release of pollutants or contaminants through source reduction or waste minimization;

(2) a discussion of the effect changes in environmental regulations have had on the achievement of the source reduction and waste minimization goals;

(3) the effect that events the person could not control have had on the achievement of the source reduction and waste minimization goals; and

(4) a discussion of the operational decisions the person has made that have affected the achievement of the source reduction and waste minimization goals.

(d) The annual report shall contain a separate component addressing source reduction activities and a separate component addressing waste minimization activities.

Sec. 361.5061. PLANNING AND REPORTING REQUIREMENTS: INSTITUTIONS OF HIGHER EDUCATION. An institution of higher education that is required to develop a source reduction and waste minimization plan under this subchapter for more than one facility may:

(1) develop and submit one plan that covers all of the facilities; and

(2) submit one annual report and one executive summary under Section 361.506 that covers all of the facilities.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1312 (S.B. 59), Sec. 67, eff. September 1, 2013.
Sec. 361.507. ADMINISTRATIVE COMPLETENESS. (a) The commission may review a source reduction and waste minimization plan or annual report to determine whether the plan or report complies with this subchapter and rules adopted under Section 361.504, 361.505, or 361.506, as appropriate.

(b) Failure to have a source reduction and waste minimization plan in accordance with Sections 361.504 and 361.505 or failure to submit a source reduction and waste minimization annual report in accordance with Section 361.506 is a violation of this chapter.

Sec. 361.508. CONFIDENTIALITY. (a) A source reduction and waste minimization plan shall be maintained at each facility owned or operated by a person who is subject to this subchapter and shall be available to commission personnel for inspection. The source reduction and waste minimization plan is not a public record for the purposes of Chapter 552, Government Code.

(b) The executive summary and the annual report are public records. On request, the person shall make available to the public a copy of the executive summary or annual report.

(c) If an owner or operator of a facility for which a source reduction and waste minimization plan has been prepared shows to the satisfaction of the commission that an executive summary, annual report, or portion of a summary or report prepared under this subchapter would divulge a trade secret if made public, the commission shall classify as confidential the summary, report, or portion of the summary or report.

(d) To the extent that a plan, executive summary, annual report, or portion of a plan, summary, or annual report would otherwise qualify as a trade secret, an action by the commission or an employee of the commission does not affect its status as a trade secret.

(e) Information classified by the commission as confidential under this section is not a public record for purposes of Chapter 552, Government Code, and may not be used in a public hearing or
disclosed to a person outside the commission unless a court decides that the information is necessary for the determination of an issue being decided at the public hearing.

Sec. 361.509. SOURCE REDUCTION AND WASTE MINIMIZATION ASSISTANCE. (a) The office of pollution prevention established under Section 361.0216 shall assist generators of hazardous waste and owners or operators of facilities that release pollutants or contaminants in reducing the volume, toxicity, and adverse public health and environmental effects of hazardous waste generated or pollutants or contaminants released in the state. To provide the assistance, the office may:

(1) compile, organize, and make available for distribution information on source reduction and waste minimization technologies and procedures;

(2) compile and make available for distribution to business and industry a list of consultants on source reduction and waste minimization technologies and procedures and a list of researchers at state universities who can assist in source reduction and waste minimization activities;

(3) sponsor and conduct conferences and individualized workshops on source reduction and waste minimization for specific classes of business or industry;

(4) facilitate and promote the transfer of source reduction and waste minimization technologies and procedures among businesses and industries;

(5) if appropriate, develop and distribute model source reduction and waste minimization plans for the major classes of business or industry, as identified by the office, that generate and subsequently treat, store, or dispose of hazardous waste or that release a pollutant or contaminant in the state;

(6) develop and make available for distribution recommended source reduction and waste minimization audit procedures for use by business or industry in conducting internal source reduction and
waste minimization audits;

(7) provide to business and industry, as resources allow, on-site assistance in identifying potential source reduction and waste minimization techniques and practices and in conducting internal source reduction and waste minimization audits;

(8) compile and make available for distribution information on tax benefits available to business or industry for implementing source reduction and waste minimization technologies and practices;

(9) establish procedures for setting priorities among key industries and businesses for receiving assistance from the office;

(10) develop the information base and data collection programs necessary to set program priorities and to evaluate progress in source reduction and waste minimization;

(11) develop training programs and materials for state and local regulatory personnel and private business and industry regarding the nature and applicability of source reduction and waste minimization practices;

(12) produce a biennial report on source reduction and waste minimization activities, achievements, problems, and goals, including a biennial work plan;

(13) participate in existing state, federal, and industrial networks of individuals and groups involved in source reduction and waste minimization; and

(14) publicize to business and industry, and participate in and support, waste exchange programs.

(b) The commission shall provide education and training to river authorities, municipalities, and public groups on source reduction and waste minimization technologies and practices.

(c) The commission shall develop incentives to promote the implementation of source reduction and waste minimization, including:

(1) commission recommendations to the governor for awards in recognition of source reduction and waste minimization efforts;

(2) an opportunity by rules of the commission for an owner or operator of a facility to be exempted from the requirements of this subchapter on meeting appropriate criteria for practical economic and technical completion of the source reduction and waste minimization plan for the facility; and

(3) expedited review of a permit amendment application if the amendment is necessary to implement a source reduction and waste minimization project, considering only the directly affected parts of
the permit.

(d) The commission shall work closely with the Gulf Coast Hazardous Substance Research Center to identify areas in which the center could perform research in the development of alternative technologies or conduct related projects to promote source reduction and waste minimization.

SUBCHAPTER R. USE OF LAND OVER MUNICIPAL SOLID WASTE LANDFILLS

Sec. 361.531. DEFINITIONS. In this subchapter:

(1) "Develop" or "development" means an activity on or related to real property that is intended to lead to the construction or alteration of an enclosed structure for the use or occupation of people for a commercial or public purpose or to the construction of residences for three or more families.

(2) "Municipal solid waste landfill unit" means a discrete area of land or an excavation that receives municipal solid waste or other solid wastes approved under this chapter and that is not a land application unit, surface impoundment, injection well, or waste pile as those terms are defined by 40 C.F.R. Section 257.2.

Added by Acts 1993, 73rd Leg., ch. 770, Sec. 1, eff. Sept. 1, 1993.

Sec. 361.532. PERMIT REQUIRED FOR DEVELOPMENT OF CERTAIN LAND.

(a) The owner or lessee of land located over any part of a closed municipal solid waste landfill unit may not develop the land unless the owner or lessee holds a permit for the development issued under this subchapter.

(b) This subchapter does not apply to an activity associated with solid waste disposal that is approved by the commission.

(c) The commission shall charge any applicant for a permit under this subchapter the actual cost of reviewing any application prior to the issuance of a permit.

Added by Acts 1993, 73rd Leg., ch. 770, Sec. 1, eff. Sept. 1, 1993.
Sec. 361.533. APPLICATION FOR DEVELOPMENT PERMIT. (a) The owner or lessee of land located over any part of a closed municipal solid waste landfill facility may apply for a permit to develop the land. The owner or lessee shall submit to the executive director an application for a permit on forms prescribed by the commission not later than 45 days before the development begins. The application must include a registered professional engineer's verified certification that the proposed development is necessary to reduce a potential threat to public health or the environment or that the proposed development will not increase or create a potential threat to public health or the environment. The certification must indicate the registered professional engineer's determination of whether the proposed development will damage the integrity or function of any component of the landfill's:

(1) final cover;
(2) containment systems;
(3) monitoring systems; or
(4) liners.

(b) The engineer's certification required under Subsection (a) must include documentation of all studies or data on which the engineer relied.

Added by Acts 1993, 73rd Leg., ch. 770, Sec. 1, eff. Sept. 1, 1993.

Sec. 361.534. PERMIT PUBLIC MEETING. (a) The commission may hold a public meeting on an application under this subchapter.

(b) The commission shall hold a public meeting on an application under this subchapter:

(1) on the request of a member of the legislature who represents the general area in which the development is proposed to be located; or

(2) if the executive director determines that there is substantial public interest in the proposed development.

(c) The commission by mail shall notify the applicant of the date, time, and place of the public meeting. The commission shall
require the applicant to publish notice of the public meeting in a newspaper that is generally circulated in each county in which the property proposed for development is located. The published notice must appear at least once a week for the two weeks before the date of the public meeting.

Added by Acts 1993, 73rd Leg., ch. 770, Sec. 1, eff. Sept. 1, 1993. Amended by:  
Acts 2005, 79th Leg., Ch. 582 (H.B. 1609), Sec. 5, eff. September 1, 2005.

Sec. 361.535. ISSUANCE OF PERMIT; PERMIT CONDITIONS. (a) The commission may issue a permit for the development of land over a closed municipal solid waste landfill facility only if the commission finds that the proposed development will not increase or create a potential threat to public health or the environment.

(b) The commission may impose conditions on a permit that are designed to prevent a threat to public health or the environment. Conditions may include:

(1) restrictions on building types, construction methods, pilings, boring, or digging;
(2) requiring ventilation, emissions or water quality monitoring devices, soil testing, warnings to subsequent owners or lessees, maintenance of structures or landfill containment, or the placement of additional soil layers or building pads; or
(3) any other conditions the commission finds to be reasonable and necessary to protect the public health or the environment or to ensure compliance with rules or conditions adopted or imposed under this subchapter.

Added by Acts 1993, 73rd Leg., ch. 770, Sec. 1, eff. Sept. 1, 1993.

Sec. 361.536. REQUIREMENTS FOR STRUCTURES ON CLOSED MUNICIPAL SOLID WASTE LANDFILL FACILITY. (a) The owner or lessee of an existing or new structure that overlies a closed municipal solid waste landfill facility shall install automatic methane gas sensors approved by the commission and designed to trigger an audible alarm if the volumetric concentration of methane in the sampled air is greater than one percent.
(b) In the development of land that overlies a closed municipal solid waste landfill facility, a person may not, unless approved by the commission:

(1) drive piling into or through the final cover or a liner;

(2) bore through or otherwise penetrate the final cover or a liner; or

(3) construct an enclosed area under the natural grade of the land or under the grade of the final cover of the closed landfill.

(c) The owner or lessee of a structure built over a closed municipal solid waste landfill facility shall modify the structure as is necessary to comply with commission rules for a new structure that overlies a landfill to minimize the effects of, or to prevent, gas accumulation. The commission shall adopt rules to allow the owner or lessee of a structure a reasonable amount of time to make required modifications.

(d) The commission by rule shall require plans for a new structure over a closed municipal solid waste landfill facility to prevent or minimize the effects of harmful gas accumulation. At a minimum, the commission shall require:

(1) ventilation or active gas collection systems;

(2) a low gas-permeable membrane and a vented, permeable layer of an open-graded, clean aggregate material installed between the area below the slab for the structure and the soil of the final cover; and

(3) automatic methane gas sensors that will sound an audible alarm if the sensor detects a methane gas volumetric concentration of greater than one percent installed:

(A) within the venting pipe or permeable layer; and

(B) inside the structure.

Added by Acts 1993, 73rd Leg., ch. 770, Sec. 1, eff. Sept. 1, 1993.
Sec. 361.538.  SOIL TEST REQUIRED BEFORE DEVELOPMENT OF CERTAIN LAND.  (a) A person may not undertake the development of a tract of land that is greater than one acre in area unless the person has conducted soil tests, in accordance with commission rules, to determine whether any part of the tract overlies a closed municipal solid waste landfill facility.

(b) Tests under this section must be conducted by a registered professional engineer.

(c) If an engineer who conducts a test under this section determines that part of the tract overlies a closed municipal solid waste landfill facility, the engineer shall notify the following persons of the determination:

(1) each owner and each lessee of the tract;
(2) the commission; and
(3) any local governmental official with the authority to disapprove an application for development.

(d) A local government official who receives a notice under this section shall prepare a written notice stating the legal description of the portion of the tract that overlies a closed municipal solid waste landfill facility, the current owner of the tract, notice of the tract's former use, and notice of the restrictions on the development or lease of the land imposed by this subchapter. The official shall file for record the notice in the real property records in the county where the tract is located.

(e) The owner or lessee of land for which a test is done under this section shall send the test results to the executive director not later than the 30th day before the development begins.

Added by Acts 1993, 73rd Leg., ch. 770, Sec. 1, eff. Sept. 1, 1993.
An owner of land that overlies a closed municipal solid waste landfill facility shall prepare a written notice stating the former use of the facility, the legal description of the pertinent part of the land, notice of the restrictions on the development or lease of the land imposed by this subchapter, and the name of the owner. The owner shall file for record the notice in the real property records in the county where the land is located.

(b) An owner of land that overlies a closed municipal solid waste landfill facility shall notify each lessee and each occupant of a structure that overlies the site of:

(1) the land's former use as a landfill; and

(2) the structural controls in place to minimize potential future danger posed by the landfill.

Added by Acts 1993, 73rd Leg., ch. 770, Sec. 1, eff. Sept. 1, 1993.

Subchapter S, Medical Waste; Criminal Penalties, consisting of Secs. 361.560 to 361.567, was added by Acts 1995, 74th Leg., ch. 448, Sec. 1.

For another Subchapter S, Voluntary Cleanup Program, added by Acts 1995, 74th Leg., ch. 986, Sec. 1, see Sec. 361.601 et seq., post.

SUBCHAPTER S. MEDICAL WASTE; CRIMINAL PENALTIES

Sec. 361.560. DEFINITIONS. In this subchapter:

(3) "Medical waste" includes animal waste, bulk blood and blood products, microbiological waste, pathological waste, sharps, and special waste from health care-related facilities as those terms are defined in 25 TAC Section 1.132 (Tex. Dept. of Health, Definition, Treatment, and Disposition of Special Waste from Health Care-Related Facilities). The term does not include medical waste produced on farmland and ranchland as defined in Section 252.001(6), Agriculture Code. The term does not include artificial, nonhuman materials removed from a patient and requested by the patient, including but not limited to orthopedic devices and breast implants.

Sec. 361.561. RADIOACTIVE MEDICAL WASTE. Disposal of radioactive medical waste is governed by Chapter 401.

Added by Acts 1995, 74th Leg., ch. 448, Sec. 1, eff. Sept. 1, 1995.

Subchapter S, Voluntary Cleanup Program, consisting of Secs. 361.601 to 361.613, was added by Acts 1995, 74th Leg., ch. 986, Sec. 1.

For another Subchapter S, Medical Waste; Criminal Penalties, added by Acts 1995, 74th Leg., ch. 448, Sec. 1, see Sec. 361.560 et seq., ante.

SUBCHAPTER S. VOLUNTARY CLEANUP PROGRAM

Sec. 361.601. DEFINITIONS. In this subchapter:

(1) "Contaminant" includes:
  (A) solid waste;
  (B) hazardous waste;
  (C) a hazardous waste constituent listed in 40 C.F.R. Part 261, Subpart D, or Table 1, 40 C.F.R. Section 261.24;
  (D) a pollutant as defined in Section 26.001, Water Code; and
  (E) a hazardous substance:
      (i) as defined in Section 361.003; or

(2) "Environmental assessment" means the assessment described by Section 361.604.

(3) "Response action" means the cleanup or removal of a hazardous substance or contaminant from the environment, excluding a waste, pollutant, or substance regulated by or that results from an activity under the jurisdiction of the Railroad Commission of Texas under Chapter 91 or 141, Natural Resources Code, or Chapter 27, Water Code.

(4) "Voluntary cleanup" means a response action taken under and in compliance with this subchapter.

Sec. 361.602. PURPOSE. The purpose of the voluntary cleanup program is to provide incentive to remediate property by removing liability of lenders and future landowners. The program does not replace other voluntary actions and is restricted to voluntary actions.

Sec. 361.603. ELIGIBILITY FOR VOLUNTARY CLEANUP PROGRAM. (a) Any site is eligible for participation in the voluntary cleanup program except the portion of a site that is subject to a commission permit or order.

(b) A person electing to participate in the voluntary cleanup program must:

(1) enter into a voluntary cleanup agreement as provided by Section 361.606; and

(2) pay all costs of commission oversight of the voluntary cleanup.

Text of subsec. (c) effective upon agreement with United States Environmental Protection Agency

(c) Notwithstanding Subsection (a), a site or portion of a site that is subject to a commission permit or order is eligible for participation in the voluntary cleanup program on dismissal of the permit or order. An administrative penalty paid to the general revenue fund under the permit or order is nonrefundable.

Added by Acts 1995, 74th Leg., ch. 986, Sec. 1, eff. Sept. 1, 1995. Amended by Acts 1997, 75th Leg., ch. 855, Sec. 2; Acts 1997, 75th Leg., ch. 1418, Sec. 1.

Text of section effective upon agreement with United States Environmental Protection Agency

Sec. 361.6035. ELIGIBILITY OF CERTAIN PERSONS FOR RELEASE FROM LIABILITY.

(a) A person who purchased a site before September 1, 1995, is
released, on certification under Section 361.609, from all liability to the state for cleanup of contamination that was released at the site covered by the certificate before the purchase date, except for releases or consequences that the person contributed to or caused, if:

(1) the person did not operate the site, or any portion of the site, before the purchase date; and

(2) another person that is a responsible party under Section 361.271 or 361.275(g) successfully completes a voluntary cleanup of the site under this subchapter.

(b) A person described by Subsection (a)(2):

(1) remains liable to the state for any contamination that was released at the site before the date the certificate is issued; and

(2) is not liable to the state for any contamination that was released at the site after the date the certificate is issued unless the person:

(A) contributes to or causes the release of contamination; or

(B) changes the land use from the use specified in the certificate of completion if the new use may result in increased risks to human health or the environment.

Added by Acts 1997, 75th Leg., ch. 855, Sec. 3; Acts 1997, 75th Leg., ch. 1418, Sec. 2.

Sec. 361.604. APPLICATION TO PARTICIPATE IN VOLUNTARY CLEANUP PROGRAM. (a) A person who desires to participate in the voluntary cleanup program under this subchapter must submit to the commission an application and an application fee as prescribed by this section.

Text of subsec. (b) effective until agreement with United States Environmental Protection Agency

(b) An application submitted under this section must:

(1) be on a form provided by the executive director;

(2) contain:

(A) general information concerning:

(i) the person and the person's capability, including the person's financial capability, to perform the voluntary cleanup; and
(ii) the site;
(B) other background information requested by the executive director; and
(C) an environmental assessment of the actual or threatened release of the hazardous substance or contaminant at the site;
(3) be accompanied by an application fee of $1,000; and
(4) be submitted according to schedules set by commission rule.

Text of subsec. (b) effective upon agreement with United States Environmental Protection Agency

(b) An application submitted under this section must:
(1) be on a form provided by the executive director;
(2) contain:
   (A) general information concerning:
       (i) the person and the person's capability, including the person's financial capability, to perform the voluntary cleanup;
       (ii) the site; and
       (iii) whether the voluntary cleanup is subject to Section 361.6035;
   (B) other background information requested by the executive director; and
   (C) an environmental assessment of the actual or threatened release of the hazardous substance or contaminant at the site;
(3) be accompanied by an application fee of $1,000; and
(4) be submitted according to schedules set by commission rule.

(c) The environmental assessment required by Subsection (b) must include:
(1) a legal description of the site;
(2) a description of the physical characteristics of the site;
(3) the operational history of the site to the extent that history is known by the applicant;
(4) information of which the applicant is aware concerning the nature and extent of any relevant contamination or release at the site and immediately contiguous to the site, or wherever the contamination came to be located; and
(5) relevant information of which the applicant is aware concerning the potential for human exposure to contamination at the site.

(d) An application shall be processed in the order in which it is received.

(e) Fees collected under this section shall be deposited to the credit of the waste management account.

Added by Acts 1995, 74th Leg., ch. 986, Sec. 1, eff. Sept. 1, 1995. Amended by Acts 1997, 75th Leg., ch. 333, Sec. 57, eff. Sept. 1, 1997; Acts 1997, 75th Leg., ch. 855, Sec. 4; Acts 1997, 75th Leg., ch. 1418, Sec. 3.

Sec. 361.605. REJECTION OF APPLICATION. (a) The executive director may reject an application submitted under Section 361.604 if:

(1) an administrative, state, or federal enforcement action is pending that concerns the remediation of the hazardous substance or contaminant described in the application;

(2) a federal grant requires an enforcement action at the site;

(3) the application is not complete or accurate; or

(4) the site is ineligible under Section 361.603.

(b) If an application is rejected because it is not complete or accurate, the executive director, not later than the 45th day after receipt of the application, shall provide the person with a list of all information needed to make the application complete or accurate. A person may resubmit an application once without submitting an additional application fee if the person resubmits the application not later than the 45th day after the date the executive director issues notice that the application has been rejected.

(c) If the executive director rejects the application, the executive director shall:

(1) notify the person that the application has been rejected;

(2) explain the reasons for rejection of the application; and

(3) inform the person that the commission will refund half the person's application fee unless the person indicates a desire to
Sec. 361.606. VOLUNTARY CLEANUP AGREEMENT. (a) Before the executive director evaluates any plan or report detailing the remediation goals and proposed methods of remediation, the person desiring to participate in the voluntary cleanup program must enter into a voluntary cleanup agreement that sets forth the terms and conditions of the evaluation of the reports and the implementation of work plans.

(b) A voluntary cleanup agreement must provide for:

(1) recovery by the commission of all reasonable costs:

(A) incurred by the commission in review and oversight of the person's work plan and reports and as a result of the commission's field activities;

(B) attributable to the voluntary cleanup agreement; and

(C) in excess of the amount of fees submitted by the applicant under Section 361.604;

(2) a schedule of payments to the commission to be made by the person for recovery of all commission costs fairly attributable to the voluntary cleanup program, including direct and indirect costs of overhead, salaries, equipment, and utilities, and legal, management, and support costs; and

(3) appropriate tasks, deliverables, and schedules.

(c) The voluntary cleanup agreement shall:

(1) identify all statutes and rules that must be complied with;

(2) describe any work plan or report to be submitted for review by the executive director, including a final report that provides all information necessary to verify that all work contemplated by the voluntary cleanup agreement has been completed;

(3) include a schedule for submitting the information required by Subdivision (2); and

(4) state the technical standards to be applied in evaluating the work plans and reports, with reference to the proposed future land use to be achieved.
(d) If an agreement is not reached between a person desiring to participate in the voluntary cleanup program and the executive director on or before the 30th day after good faith negotiations have begun:

(1) the person or the executive director may withdraw from the negotiations; and

(2) the commission retains the person's application fee.

(e) The commission may not initiate an enforcement action against a person who is in compliance with this section for the contamination or release that is the subject of the voluntary cleanup agreement or for the activity that resulted in the contamination or release.

Sec. 361.607. TERMINATION OF AGREEMENT; COST RECOVERY. (a) The executive director or the person in its sole discretion may terminate the agreement by giving 15 days' advance written notice to the other. Only those costs incurred or obligated by the executive director before notice of termination of the agreement are recoverable under the agreement if the agreement is terminated.

(b) Termination of the agreement does not affect any right the executive director has under other law to recover costs.

(c) If the person does not pay to the commission the state's costs associated with the voluntary cleanup before the 31st day after the date the person receives notice that the costs are due and owing, the attorney general, at the request of the executive director, shall bring an action in the name of the state in Travis County to recover the amount owed and reasonable legal expenses, including attorney's fees, witness costs, court costs, and deposition costs.

Sec. 361.608. VOLUNTARY CLEANUP WORK PLANS AND REPORTS. (a) After signing a voluntary cleanup agreement, the person shall prepare and submit the appropriate work plans and reports to the executive director.

(b) The executive director shall review and evaluate the work plans and reports for accuracy, quality, and completeness. The
The executive director may approve a voluntary cleanup work plan or report or, if a work plan or report is not approved, notify the person concerning additional information or commitments needed to obtain approval.

(c) At any time during the evaluation of a work plan or report, the executive director may request the person to submit additional or corrected information.

(d) After considering future land use, the executive director may approve work plans and reports submitted under this section that do not require removal or remedy of all discharges, releases, and threatened releases at a site if the partial response actions for the property:

1. Will be completed in a manner that protects human health and the environment;
2. Will not cause, contribute, or exacerbate discharges, releases, or threatened releases that are not required to be removed or remedied under the work plan; and
3. Will not interfere with or substantially increase the cost of response actions to address the remaining discharges, releases, or threatened releases.

Sec. 361.609. CERTIFICATE OF COMPLETION. (a) If the executive director determines that a person has successfully completed a voluntary cleanup approved under this subchapter, the executive director shall certify that the action has been completed by issuing the person a certificate of completion.

(b) The certificate of completion shall:
1. Acknowledge the protection from liability provided by Section 361.610;
2. Indicate the proposed future land use; and
3. Include a legal description of the site and the name of the site's owner at the time the application to participate in the voluntary cleanup program was filed.

(c) If the executive director determines that the person has not successfully completed a voluntary cleanup approved under this subchapter, the executive director shall notify the person who undertook the voluntary cleanup and the current owner of the site...
that is the subject of the cleanup of this determination.

Sec. 361.610. PERSONS RELEASED FROM LIABILITY. (a) A person who is not a responsible party under Section 361.271 or 361.275(g) at the time the person applies to perform a voluntary cleanup:

(1) does not become a responsible party solely because the person signs the application; and

(2) is released, on certification under Section 361.609, from all liability to the state for cleanup of areas of the site covered by the certificate, except for releases and consequences that the person causes.

(b) A person who is not a responsible party under Section 361.271 or 361.275(g) at the time the commission issues a certificate of completion under Section 361.609 is released, on issuance of the certificate, from all liability to the state for cleanup of areas of the site covered by the certificate, except for releases and consequences that the person causes.

(c) The release from liability provided by this section does not apply to a person who:

(1) acquires a certificate of completion by fraud, misrepresentation, or knowing failure to disclose material information;

(2) knows at the time the person acquires an interest in the site for which the certificate of completion was issued that the certificate was acquired in a manner provided by Subdivision (1); or

(3) changes land use from the use specified in the certificate of completion if the new use may result in increased risks to human health or the environment.

Sec. 361.611. PERMIT NOT REQUIRED. (a) A state or local permit is not required for removal or remedial action conducted on a site as part of a voluntary cleanup under this subchapter. A person shall coordinate a voluntary cleanup with ongoing federal and state
hazardous waste programs.

(b) The commission by rule shall require that the person conducting the voluntary cleanup comply with any federal or state standard, requirement, criterion, or limitation to which the remedial action would otherwise be subject if a permit were required.

Sec. 361.612. PUBLIC PARTICIPATION. The commission may adopt rules pertaining to public participation in voluntary cleanup decisions.

Sec. 361.613. COST REPORT; BUDGET ALLOCATION. (a) The executive director annually shall calculate the commission's costs to administer the voluntary cleanup program under this subchapter and shall publish in the Texas Register the rates established for the purposes of identifying the costs recoverable by the commission under this subchapter.

(b) Costs recovered under this subchapter and appropriated to the commission shall be budgeted and distributed to each organizational unit of the commission solely on the basis of costs fairly attributable to the voluntary cleanup program.

SUBCHAPTER T. FIDUCIARY LIABILITY

Sec. 361.651. DEFINITIONS. In this subchapter:

(1) "Fiduciary":

(A) means a person acting for the benefit of another party as a bona fide:

(i) trustee;
(ii) executor;
(iii) administrator;
(iv) custodian;
(v) guardian of an estate or guardian ad litem;
(vi) receiver;
(vii) conservator;
(viii) committee of the estate of an incapacitated person;
(ix) personal representative;
(x) trustee, including a successor to a trustee, under an indenture agreement, trust agreement, lease, or similar financing agreement, for debt securities, certificates of interest or certificates of participation in debt securities, or other forms of indebtedness as to which the trustee is not, in the capacity of trustee, the lender; or
(xi) representative in any other capacity that the commission, after providing public notice, determines to be similar to the capacities described in Subparagraphs (i)-(x); and
(B) does not include:
(i) a person that is acting as a fiduciary with respect to a trust or other fiduciary estate that was organized for the primary purpose of, or is engaged in, actively carrying on a trade or business for profit, unless the trust or other fiduciary estate was created as part of, or to facilitate, one or more estate plans or because of the incapacity of a natural person; or
(ii) a person that acquires ownership or control of a solid waste facility with the objective purpose of avoiding liability of the person or of any other person.
(2) "Fiduciary capacity" means the capacity of a person in holding title to a solid waste facility or otherwise having control of or an interest in the solid waste facility pursuant to the exercise of the responsibilities of the person as a fiduciary.
(3) "Solid waste facility":
(A) means:
(i) all contiguous land, including structures, appurtenances, and other improvements on the land, used for processing, storing, or disposing of solid waste, including a publicly or privately owned solid waste facility consisting of several processing, storage, or disposal operational units such as one or more landfills, surface impoundments, or a combination of units; and
(ii) any building, structure, installation, equipment, pipe, or pipeline, including any pipe into a sewer or publicly owned treatment works, well, pit, pond, lagoon, impoundment, ditch, landfill, storage container, motor vehicle, rolling stock, or
aircraft, or any site or area where a hazardous substance has been deposited, stored, disposed of, placed, or otherwise come to be located; and

(B) does not include a:

(i) consumer product in consumer use; or
(ii) vessel.

Added by Acts 1997, 75th Leg., ch. 793, Sec. 15, eff. Sept. 1, 1997.

Sec. 361.652. LIABILITY OF FIDUCIARIES. (a) Except as otherwise provided by Subchapter I, Chapter 26, Water Code, or rules adopted under that subchapter, the liability of a fiduciary under this code or the Water Code for the release or threatened release of solid waste at, from, or in connection with a solid waste facility held in a fiduciary capacity does not exceed the assets held in the fiduciary capacity.

(b) Subsection (a) does not apply to the extent that a person is liable independently of the person's ownership of a solid waste facility as a fiduciary or actions taken in a fiduciary capacity.

(c) Subsections (a) and (d) do not limit the liability pertaining to a release or threatened release of solid waste if negligence, gross negligence, or wilful misconduct of a fiduciary causes or contributes to the release or threatened release.

(d) Except as otherwise provided by Subchapter I, Chapter 26, Water Code, or rules adopted under that subchapter, a fiduciary is not liable in the fiduciary's personal capacity under this code or the Water Code for:

(1) undertaking or directing another person to undertake a response action under the national contingency plan adopted under 42 U.S.C. Section 9605, under a commission-approved cleanup plan, or under the direction of an on-scene coordinator designated under the national contingency plan or a commission-approved cleanup plan;

(2) undertaking or directing another person to undertake any other lawful means of addressing solid waste in connection with the solid waste facility;

(3) terminating the fiduciary relationship;

(4) including in the terms of the fiduciary agreement a covenant, warranty, or other term or condition that relates to compliance with an environmental law or monitoring or enforcing the
term or condition;
(5) monitoring or undertaking one or more inspections of the solid waste facility;
(6) providing financial or other advice or counseling to other parties to the fiduciary relationship, including the settlor or beneficiary;
(7) restructuring, renegotiating, or otherwise altering the terms and conditions of the fiduciary relationship;
(8) administering, as a fiduciary, a solid waste facility that was contaminated before the fiduciary relationship began; or
(9) declining to take an action described by Subdivisions (2)-(8).

(e) This section does not:
(1) affect a right, immunity, or defense available under this code or the Water Code that is applicable to a person subject to this section;
(2) create any liability for a person; or
(3) create a private right of action against a fiduciary or any other person.

(f) This section does not apply to a person if the person:
(1) acts in a capacity other than that of a fiduciary or in a beneficiary capacity and, in that capacity, directly or indirectly benefits from a trust or fiduciary relationship; or
(2) is a beneficiary and a fiduciary with respect to the same fiduciary estate and, as a fiduciary, receives benefits that exceed customary or reasonable compensation, and incidental benefits, permitted under other applicable law.

(g) This section does not preclude a claim under this code or the Water Code against:
(1) the assets of the estate or trust administered by the fiduciary; or
(2) a nonemployee agent or independent contractor retained by a fiduciary.

Added by Acts 1997, 75th Leg., ch. 793, Sec. 15, eff. Sept. 1, 1997.

SUBCHAPTER U. LENDER LIABILITY

Sec. 361.701. DEFINITIONS. In this subchapter:
(1) "Extension of credit" includes a lease finance
transaction:
(A) in which the lessor does not initially select the leased solid waste facility and does not during the lease term control the daily operations or maintenance of the solid waste facility; or
(B) that conforms with, as appropriate, regulations issued by:
   (i) the appropriate federal banking agency or the appropriate state bank supervisor, as those terms are defined by Section 3, Federal Deposit Insurance Act (12 U.S.C. Section 1813); or
   (ii) the National Credit Union Administration Board.
(2) "Financial or administrative function" includes a function such as a function of a credit manager, accounts payable officer, accounts receivable officer, personnel manager, comptroller, or chief financial officer, or a similar function.
(3) "Foreclosure" and "foreclose" mean, respectively, acquiring, and to acquire, a solid waste facility through:
   (A) purchase at sale under a judgment or decree, power of sale, or nonjudicial foreclosure sale;
   (B) a deed in lieu of foreclosure, or similar conveyance from a trustee;
   (C) repossession, if the solid waste facility was security for an extension of credit previously contracted;
   (D) conveyance under an extension of credit previously contracted, including the termination of a lease agreement; or
   (E) any other formal or informal manner by which the person acquires, for subsequent disposition, title to or possession of a solid waste facility in order to protect the security interest of the person.
(4) "Lender" means:
   (A) an insured depository institution, as that term is defined by Section 3, Federal Deposit Insurance Act (12 U.S.C. Section 1813);
   (B) an insured credit union, as that term is defined by Section 101, Federal Credit Union Act (12 U.S.C. Section 1752);
   (C) a bank or association chartered under the Farm Credit Act of 1971 (12 U.S.C. Section 2001 et seq.);
   (D) a leasing or trust company that is an affiliate of
an insured depository institution;

(E) any person, including a successor or assignee of any such person, that makes a bona fide extension of credit to or takes or acquires a security interest from a nonaffiliated person;

(F) the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Agricultural Mortgage Corporation, or any other entity that in a bona fide manner buys or sells loans or interests in loans;

(G) a person that insures or guarantees against a default in the repayment of an extension of credit, or acts as a surety with respect to an extension of credit, to a nonaffiliated person;

(H) a person that provides title insurance and that acquires a solid waste facility as a result of assignment or conveyance in the course of underwriting claims and claims settlement; and

(I) an agency of this state that makes an extension of credit to or acquires a security interest from:

   (i) a federal or state agency;

   (ii) a county, municipality, or other body politic or corporate of this state, including:

      (a) a district or authority created under Section 52, Article III, or Section 59, Article XVI, Texas Constitution;

      (b) an interstate compact commission to which this state is a party; or

      (c) a nonprofit water supply corporation created and operating under Chapter 67, Water Code; or

   (iii) another person.

(5) "Operational function" includes a function such as that of a facility or plant manager, operations manager, chief operating officer, or chief executive officer.

(6) "Security interest" includes a right under a mortgage, deed of trust, assignment, judgment lien, pledge, security agreement, factoring agreement, or lease and any other right accruing to a person to secure the repayment of money, the performance of a duty, or any other obligation by a nonaffiliated person.

(7) "Solid waste facility":

   (A) means:

      (i) all contiguous land, including structures,
appurtenances, and other improvements on the land, used for processing, storing, or disposing of solid waste, including a publicly or privately owned solid waste facility consisting of several processing, storage, or disposal operational units such as one or more landfills, surface impoundments, or a combination of units; and

(ii) any building, structure, installation, equipment, pipe, or pipeline, including any pipe into a sewer or publicly owned treatment works, well, pit, pond, lagoon, impoundment, ditch, landfill, storage container, motor vehicle, rolling stock, or aircraft, or any site or area where a hazardous substance has been deposited, stored, disposed of, placed, or otherwise come to be located; and

(B) does not include a:

(i) consumer product in consumer use; or

(ii) vessel.

Sec. 361.702. EXCLUSION OF LENDERS NOT PARTICIPANTS IN MANAGEMENT. (a) In Section 361.271, the term "owner or operator" does not include a person that is a lender that:

(1) without participating in the management of a solid waste facility, holds a security interest in or with regard to the solid waste facility; or

(2) did not participate in management of a solid waste facility before foreclosure, notwithstanding the fact that the person:

(A) forecloses on the solid waste facility; and

(B) after foreclosure, sells, re-leases, in the case of a lease finance transaction, or liquidates the solid waste facility, maintains business activities, winds up operations, undertakes a response action with respect to the solid waste facility under the national contingency plan adopted under 42 U.S.C. Section 9605, under a commission-approved cleanup plan, or under the direction of an on-scene coordinator appointed under the national contingency plan or a commission-approved cleanup plan, or takes any other measure to
preserve, protect, or prepare the solid waste facility before sale or disposition, if the person seeks to sell, re-lease, in the case of a finance transaction, or otherwise divest the person of the facility at the earliest practicable, commercially reasonable time, on commercially reasonable terms, taking into account market conditions and legal and regulatory requirements.

(b) For purposes of Subsection (a)(2)(B), a lender is presumed to divest the lender of the solid waste facility at the earliest practicable, commercially reasonable time if, within 12 months after foreclosure, the lender:

(1) lists the solid waste facility with a broker, dealer, or agent who deals in that type of property; or

(2) advertises the solid waste facility for sale or other disposition at least monthly in:

(A) a real estate publication;

(B) a trade or other publication appropriate for the solid waste facility being advertised; or

(C) a newspaper of general circulation in the area in which the solid waste facility is located.

(c) For purposes of Subsection (b), the 12-month period begins:

(1) when the lender acquires marketable title if the lender, after the expiration of any redemption period or other waiting period required by law, was acting diligently to acquire marketable title; or

(2) on the date of foreclosure or its equivalent if the lender does not act diligently to acquire marketable title.

(d) Except as otherwise provided by Subchapter I, Chapter 26, Water Code, or rules adopted under that subchapter, a lender is not liable under this code or the Water Code to undertake a removal or remedial action or to pay a fine or penalty arising from the release or threatened release of solid waste at, from, or in connection with the solid waste facility in which the lender maintains a security interest or that the lender has acquired through foreclosure if:

(1) the lender has not participated in management before foreclosure;

(2) the conditions giving rise to the release or threat of release existed before foreclosure; and

(3) the lender seeks to divest the lender of the property under Subsections (a)(2)(B) and (b).

(e) Notwithstanding Subsection (d), if a lender after
foreclosure operates, directs the operation of, or maintains the operation of business activities, this section does not exempt or excuse the lender from compliance with legal requirements applicable to the operation of that business. Those operational requirements include permitting, reporting, monitoring, compliance with emission limitations, financial responsibility and assurance requirements, payment of fees, and payment of fines and penalties for noncompliance with those requirements.

Added by Acts 1997, 75th Leg., ch. 793, Sec. 15, eff. Sept. 1, 1997.

Sec. 361.703. PARTICIPATION IN MANAGEMENT. (a) For purposes of Section 361.702, the term "participate in management":

(1) means actually participating in the management or operational affairs of a solid waste facility; and

(2) does not include merely having the capacity to influence, or the unexercised right to control, a solid waste facility or facility operations.

(b) A person that is a lender that holds a security interest in or with regard to a solid waste facility is considered to participate in management only if, while the borrower is still in possession of the solid waste facility encumbered by the security interest, the person:

(1) exercises decision-making control over the environmental compliance related to the solid waste facility such that the person has undertaken responsibility for the solid waste handling or disposal practices related to the solid waste facility; or

(2) exercises control at a level comparable to that of a manager of the solid waste facility such that the person has assumed or manifested responsibility:

(A) for the overall management of the solid waste facility encompassing day-to-day decisionmaking with respect to environmental compliance; or

(B) over all or substantially all of the operational functions, as distinguished from financial or administrative functions, of the solid waste facility other than the function of environmental compliance.

(c) The term "participate in management" does not include:
(1) performing an act or failing to act before the time at which a security interest is created in a solid waste facility;

(2) holding a security interest or abandoning or releasing a security interest;

(3) including in the terms of an extension of credit, or in a contract or security agreement relating to the extension, a covenant, warranty, or other term or condition that relates to environmental compliance;

(4) monitoring or enforcing the terms and conditions of the extension of credit or security interest;

(5) monitoring or undertaking one or more inspections of the solid waste facility;

(6) requiring a response action or other lawful means of addressing the release or threatened release of solid waste in connection with the solid waste facility before, during, or on the expiration of the term of the extension of credit;

(7) providing financial or other advice or counseling in an effort to mitigate, prevent, or cure default or diminution in the value of the solid waste facility;

(8) restructuring, renegotiating, or otherwise agreeing to alter the terms and conditions of the extension of credit or security interest, exercising forbearance;

(9) exercising other remedies that may be available under applicable law for the breach of a term or condition of the extension of credit or security agreement; or

(10) conducting a response action under the national contingency plan adopted under 42 U.S.C. Section 9605, under a commission-approved cleanup plan, or under the direction of an on-scene coordinator appointed under the national contingency plan or a commission-approved cleanup plan, if the actions do not rise to the level of participating in management within the meaning of Subsections (a) and (b).

Added by Acts 1997, 75th Leg., ch. 793, Sec. 15, eff. Sept. 1, 1997.

SUBCHAPTER V. IMMUNITY FROM LIABILITY OF INNOCENT OWNER OR OPERATOR

Sec. 361.751. DEFINITIONS. In this subchapter:

(1) "Contaminant" has the meaning assigned by Section 361.601.
"Innocent owner or operator" means a person that:

(A) is an owner or operator of property that has become contaminated as a result of a release or migration of contaminants from a source or sources not located on or at the property; and

(B) did not cause or contribute to the source or sources of the contamination referred to in Paragraph (A).

Added by Acts 1997, 75th Leg., ch. 793, Sec. 15, eff. Sept. 1, 1997.

Sec. 361.752. IMMUNITY FROM LIABILITY; ACCESS TO PROPERTY.
(a) An innocent owner or operator of property is not liable under this code or the Water Code for investigation, monitoring, remediation, or corrective or other response action regarding the conditions attributable to a release or migration of a contaminant or otherwise liable regarding those conditions.

(b) A person that acquires a portion of the tract on which the source of a release of contaminants is located from the person that caused the release is eligible for immunity under Subsection (a) only if, after appropriate inquiry consistent with good commercial or customary practice, the person did not know or have reason to know of the contamination at the time the person acquired the property.

(c) To be eligible for immunity under Subsection (a), an owner or operator must grant reasonable access to the property for purposes of investigation or remediation to a person designated by the executive director. An agreement for reasonable access may provide:

(1) that the designated person may not unreasonably interfere with the use of the property;

(2) for payment of reasonable compensation for access to the property; or

(3) that the owner or operator is indemnified from liability for an intentional or negligent act of the designated person arising from the person's access to and use of the property.

(d) This section does not limit any right of the commission under another provision of this code or the Water Code to obtain access to the property.

Added by Acts 1997, 75th Leg., ch. 793, Sec. 15, eff. Sept. 1, 1997.

Sec. 361.753. CERTIFICATION. (a) A person may apply to the
commission for a certificate confirming that the person is an innocent owner or operator. The application must include a complete site investigation report that demonstrates that:

(1) the property has become contaminated as a result of a release or migration of contaminants from a source or sources not located on or at the property;
(2) the owner or operator has not caused or contributed to the source or sources of the contamination referred to in Subdivision (1); and
(3) the owner or operator is eligible for immunity under Section 361.752(b).

(b) The commission may charge an application fee in an amount not to exceed the cost of reviewing the application. The commission shall deposit a fee collected under this subsection to the credit of the hazardous and solid waste remediation fee account.

(c) Not later than the 45th day after the date the commission receives the application, the commission shall notify the applicant whether the application is complete.

(d) Not later than the 90th day after the date the commission receives the application, the commission shall:
(1) issue or deny the certificate; or
(2) notify the applicant of any additional information needed to review the application.

(e) Not later than the 45th day after the date the commission receives the additional information requested under Subsection (d)(2), the commission shall issue or deny the certificate.

(f) The certificate evidences the immunity from liability of the applicant as provided by Section 361.752.

(g) The commission may condition the issuance of the certificate on the placement of restrictions on the use of the property that are reasonably necessary to protect the public health, including:
(1) institutional controls such as deed restrictions or municipal zoning restrictions; or
(2) at the owner's or operator's option, other control measures.

Added by Acts 1997, 75th Leg., ch. 793, Sec. 15, eff. Sept. 1, 1997. Amended by:
Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.010, eff.
Sec. 361.754. RIGHTS OF INNOCENT OWNER OR OPERATOR REGARDING CONTAMINATION FROM SOURCE NOT LOCATED ON OR AT PROPERTY. This subchapter does not limit the right of an innocent owner or operator to pursue any remedy available at law or in equity for conditions attributable to the release or migration of contaminants from a source or sources that are not located on or at the property.

Added by Acts 1997, 75th Leg., ch. 793, Sec. 15, eff. Sept. 1, 1997.

SUBCHAPTER W. MUNICIPAL SETTING DESIGNATIONS
Sec. 361.801. DEFINITIONS. In this subchapter:
(1) "Contaminant" includes:
(A) solid waste;
(B) hazardous waste;
(C) a hazardous waste constituent listed in 40 C.F.R. Part 261, Subpart D, or Table 1, 40 C.F.R. Section 261.24;
(D) a pollutant as defined in Section 26.001, Water Code; and
(E) a hazardous substance:
   (i) as defined in Section 361.003; or
   (ii) subject to Subchapter G, Chapter 26, Water Code.
(2) "Potable water" means water that is used for irrigating crops intended for human consumption, drinking, showering, bathing, or cooking purposes.
(3) "Response action" means the cleanup or removal from the environment of a hazardous substance or contaminant, excluding a waste, pollutant, or substance regulated by or that results from an activity under the jurisdiction of the Railroad Commission of Texas under Chapter 91 or 141, Natural Resources Code, or Chapter 27, Water Code.

Sec. 361.8015. LEGISLATIVE FINDINGS. (a) The legislature finds that access to and the use of groundwater may need to be
restricted to protect public health and welfare where the quality of groundwater presents an actual or potential threat to human health.

(b) The legislature finds that an action by a municipality to restrict access to or the use of groundwater in support of or to facilitate a municipal setting designation advances a substantial and legitimate state interest where the quality of the groundwater subject to the designation is an actual or potential threat to human health.

Sec. 361.802. PURPOSE. The purpose of this subchapter is to provide authorization to the executive director to certify municipal setting designations for municipal properties in order to limit the scope of or eliminate the need for investigation of or response actions addressing contaminant impacts to groundwater that has been restricted from use as potable water by ordinance or restrictive covenant.

Sec. 361.803. ELIGIBILITY FOR A MUNICIPAL SETTING DESIGNATION. A person, including a local government, may submit a request to the executive director for a municipal setting designation for property if:

(1) the property is within the corporate limits or extraterritorial jurisdiction of a municipality authorized by statute; and

(2) a public drinking water supply system exists that satisfies the requirements of Chapter 341 and that supplies or is capable of supplying drinking water to:

(A) the property for which designation is sought; and

(B) property within one-half mile of the property for which designation is sought.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 240 (H.B. 2018), Sec. 1, eff. May 25, 2007.
Sec. 361.804. APPLICATION FOR A MUNICIPAL SETTING DESIGNATION.

(a) A person seeking to obtain a municipal setting designation under this subchapter must submit an application to the executive director as prescribed by this section.

(b) An application submitted under this section must:
   (1) be on a form provided by the executive director;
   (2) contain the following:
      (A) the applicant's name and address;
      (B) a legal description of the outer boundaries of the proposed municipal setting designation and a specific description of the designated groundwater that will be restricted under the ordinance or restrictive covenant described by Section 361.8065(a)(2) or (c)(2), as applicable;
      (C) a statement as to whether the municipalities or the retail public utilities entitled to notice under Section 361.805 support the proposed designation;
      (D) an affidavit that affirmatively states that:
         (i) the municipal setting designation eligibility criteria contained in Section 361.803 are satisfied;
         (ii) true and accurate copies of all documents demonstrating that the municipal setting designation eligibility criteria provided by Section 361.803 have been satisfied are included with the application;
         (iii) a true and accurate copy of a legal description of the property for which the municipal setting designation is sought is included with the application; and
         (iv) notice was provided in accordance with Section 361.805;
      (E) a statement regarding the type of known contamination in the groundwater beneath the property proposed for a municipal setting designation;
      (F) proof of notice, as required by Section 361.805(c); and
      (G) if available at the time of the application, a copy of the ordinance or restrictive covenant and any required resolutions or other documentation satisfying the requirements described in Section 361.8065, or a statement that the applicant will provide a copy of the ordinance or restrictive covenant and any required
resolutions or other documentation satisfying the requirements described in Section 361.8065 before the executive director certifies the municipal setting designation in accordance with Section 361.807; and

(3) be accompanied by an application fee of $1,000.

(c) Not later than 90 days after receiving an application submitted as provided by Subsection (b), the executive director shall:

(1) issue a municipal setting designation certificate in accordance with Section 361.807;

(2) deny the application in accordance with Section 361.806; or

(3) request additional information for the municipal setting designation application.

(d) Not later than the 45th day after the date the executive director receives any additional information requested under Subsection (c)(3), the executive director shall certify or deny the application.

(e) Fees collected under this section shall be deposited to the credit of the waste management account.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 550 (H.B. 2826), Sec. 1, eff. September 1, 2011.

Sec. 361.805. NOTICE. (a) On or before the date of submission of an application to the executive director, a person seeking a municipal setting designation must provide notice to:

(1) each municipality:

(A) in which the property for which the designation is sought is located;

(B) with a boundary located not more than one-half mile from the property for which the designation is sought; or

(C) that owns or operates a groundwater supply well located not more than five miles from the property for which the designation is sought;

(2) each owner of a private water well registered with the commission that is located not more than five miles from a boundary
of the property for which the designation is sought; and

(3) each retail public utility, as defined by Section 13.002, Water Code, that owns or operates a groundwater supply well located not more than five miles from the property for which the designation is sought.

(b) The notice must include, at a minimum:

(1) the purpose of the municipal setting designation;

(2) the eligibility criteria for a municipal setting designation;

(3) the location and description of the property for which the designation is sought;

(4) a statement that a municipality described by Subsection (a)(1) or retail public utility described by Subsection (a)(3) may provide written comments on any information relevant to the executive director's consideration of the municipal setting designation;

(5) a statement that the executive director will certify or deny the application or request additional information from the applicant not later than 90 days after receiving the application;

(6) the type of contamination on the property for which the designation is sought;

(7) identification of the party responsible for the contamination of the property, if known; and

(8) if the property for which the municipal setting designation is sought is located in a municipality that has a population of two million or more and the applicant intends to comply with the requirements of Section 361.8065 for issuance of a municipal setting designation certificate under Section 361.807 by complying with the requirements of Section 361.8065(c), a statement that a municipality described by Subsection (a)(1)(B) or (C) of this section or a public utility described by Subsection (a)(3) of this section has 120 days from the date of receipt of the notice required by this section to pass a resolution opposing the application for a municipal setting designation.

(c) The applicant must submit copies of the notice letters delivered in accordance with Subsection (a) and the signed delivery receipts to the executive director with the application.

(d) For the purpose of this section, notice to a municipality must be provided to the city secretary for the municipality and notice to a retail public utility must be to the registered agent, the owner, or the manager.
A municipality, retail public utility, or private well owner entitled to notice under this section may file comments with the executive director not later than the 60th day after the date the municipality, retail public utility, or private well owner receives the notice under this section.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 550 (H.B. 2826), Sec. 2, eff. September 1, 2011.

Sec. 361.806. DENIAL OF APPLICATION. (a) The executive director shall deny an application submitted under Section 361.804 if:

(1) any of the eligibility criteria described in Section 361.803 have not been met for the property for which the municipal setting designation is sought;
(2) the application is incomplete or inaccurate; or
(3) after the 60-day comment period described by Section 361.805(e), the executive director determines that the municipal setting designation would negatively impact the current and future regional water resource needs or obligations of a municipality, a retail public utility, or a private well owner described by Section 361.805(a).

(b) If the executive director determines that an application is incomplete or inaccurate, the executive director, not later than the 90th day after receipt of the application, shall provide the applicant with a list of all information needed to make the application complete or accurate.

(c) If the executive director denies the application, the executive director shall:

(1) notify the applicant that the application has been denied; and
(2) explain the reasons for the denial of the application.

Sec. 361.8065. PRECERTIFICATION REQUIREMENTS. (a) Except as provided by Subsection (c), before the executive director may issue a
municipal setting designation certificate under Section 361.807, the applicant must provide documentation of the following:

(1) that the application is supported by a resolution adopted by:

(A) the city council of each municipality described by Section 361.805(a)(1)(B) or (C); and
(B) the governing body of each retail public utility described by Section 361.805(a)(3); and

(2) that the property for which designation is sought is:

(A) subject to an ordinance that prohibits the use of designated groundwater from beneath the property as potable water and that appropriately restricts other uses of and contact with that groundwater; or

(B) subject to a restrictive covenant enforceable by the municipality in which the property for which the designation is sought is located that prohibits the use of designated groundwater from beneath the property as potable water and appropriately restricts other uses of and contact with that groundwater.

(b) A designation described by Subsection (a)(2)(B) must be supported by a resolution passed by the city council of the municipality.

(c) If the property for which the municipal setting designation is sought is located in a municipality that has a population of two million or more and the applicant has complied with the requirements of Section 361.805(b)(8), the applicant is considered to have complied with the requirements of Subsection (a) of this section for eligibility for a municipal setting designation certificate under Section 361.807 if the applicant provides documentation of the following:

(1) that no resolution opposing the application has been adopted within 120 days of receipt of the notice provided under Section 361.805 by:

(A) the city council of any municipality described by Section 361.805(a)(1)(B) or (C); or

(B) the governing body of any retail public utility described by Section 361.805(a)(3); and

(2) that the property for which designation is sought:

(A) is currently or has previously been under the oversight of the commission or the United States Environmental Protection Agency; and
(B) is subject to:

(i) an ordinance that prohibits the use of designated groundwater from beneath the property as potable water and that appropriately restricts other uses of and contact with that groundwater; or

(ii) a restrictive covenant enforceable by the municipality in which the property for which the designation is sought is located that prohibits the use of designated groundwater from beneath the property as potable water and appropriately restricts other uses of and contact with that groundwater.

(d) The documentation required under Subsection (c)(1) may be in the form of an affidavit of the applicant or the applicant's representative.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 550 (H.B. 2826), Sec. 3, eff. September 1, 2011.

Sec. 361.807. CERTIFICATION. (a) If the executive director determines that an applicant has complied with Section 361.8065 and submitted a complete application, the executive director shall issue a copy of the municipal setting designation certificate to:

(1) the applicant for the municipal setting designation;
(2) each municipality, retail public utility, and private well owner described by Section 361.805(a); and
(3) each person who submitted comments on the application for the municipal setting designation and anyone else who requested a copy during the review period.

(b) The municipal setting designation certificate shall:

(1) indicate that the municipal setting designation eligibility criteria described in Section 361.803 are satisfied and that the executive director has certified the municipal setting designation;

(2) indicate that any person addressing environmental impacts for a property located in the certified municipal setting designation shall complete any necessary investigation and response action requirements in accordance with Section 361.808; and

(3) include a legal description of the outer boundaries of
the municipal setting designation.

(c) If the executive director determines that an applicant has submitted a complete application except that an ordinance or restrictive covenant and any required documentation satisfying the requirements described in Section 361.8065 have not been submitted, the executive director shall issue a letter to the applicant listed in Subsection (a) stating that a municipal setting designation will be certified on submission of a copy of the ordinance or restrictive covenant and any required documentation satisfying the requirements described in Section 361.8065. On submission of the ordinance or restrictive covenant and any required documentation satisfying the requirements described in Section 361.8065, the executive director shall issue a municipal setting designation certificate in accordance with Subsections (a) and (b).

Amended by:
   Acts 2011, 82nd Leg., R.S., Ch. 550 (H.B. 2826), Sec. 4, eff. September 1, 2011.

Sec. 361.808. INVESTIGATION AND RESPONSE ACTION REQUIREMENTS.
(a) If no potable water wells are located within one-half mile beyond the boundary of a municipal setting designation, the executive director shall not require a person addressing environmental impacts for a property located in the municipal setting designation to:
   (1) investigate the nature and extent of contamination in groundwater except to satisfy the requirements of Subsection (b); or
   (2) conduct response actions to remove, decontaminate, or control environmental impacts to groundwater based solely on potential potable water use.

(b) Notwithstanding Subsection (a), the executive director shall require a responsible person to complete a response action to address environmental impacts to groundwater in a certified municipal setting designation if action is necessary to ensure:
   (1) the protection of humans from exposures to environmental impacts to groundwater that are not related to a potable water use, including exposures from nonconsumptive uses and exposures resulting from inadvertent contact with contaminated groundwater; or
(2) the protection of ecological resources.

(c) If potable water wells are located within one-half mile beyond the boundary of a municipal setting designation, the executive director shall require a person addressing environmental impacts for a property located in the municipal setting designation to complete an investigation to determine whether groundwater contamination emanating from the property has caused or is reasonably anticipated to cause applicable human health or ecological standards to be exceeded in the area located within one-half mile beyond the boundary of the certified municipal setting designation.

(d) If an investigation described in Subsection (c) confirms that groundwater emanating from the property has not caused and is not reasonably anticipated to cause applicable human health or ecological standards to be exceeded in the area located within one-half mile beyond the boundary of the certified municipal setting designation, the executive director shall approve the completion of groundwater response actions at the property except to the extent that response actions are necessary to satisfy Subsection (b).

(e) If an investigation described in Subsection (c) confirms that groundwater emanating from the property has caused or is reasonably anticipated to cause applicable human health or ecological standards to be exceeded in the area located within one-half mile beyond the boundary of the certified municipal setting designation, the executive director shall approve the completion of groundwater response action at the source property if the person addressing environmental impacts:

(1) completes response actions at the source property to remove, decontaminate, or control environmental impacts to groundwater to meet applicable human health or ecological standards; or

(2) completes response actions at the source property to remove, decontaminate, or control environmental impacts to groundwater that are not related to a potable water use, including actions to protect humans from exposures from nonconsumptive uses and exposures resulting from inadvertent contact with contaminated groundwater and actions to protect ecological resources, and:

(A) provides to owners of impacted potable water wells described in Subsection (c) a reliable alternate water supply that will provide a volume of water sufficient for the intended use for a period not shorter than the period that the impacted wells exceed the
human health or ecological standards and, after obtaining permission from such owners, files a restrictive covenant that prohibits the use of groundwater from those wells as potable water and restricts other uses of groundwater in a manner consistent with groundwater quality; or

(B) expands the municipal setting designation in accordance with the procedures under this subchapter relating to the initial application for a municipal setting designation to include the properties with impacted potable water wells described in Subsection (c).

(f) Notwithstanding any other provision of this section, the executive director may require a person responsible for property within a certified municipal setting designation to complete a response action to address environmental impacts to groundwater emanating from the property that has caused or is reasonably anticipated to cause applicable human health or ecological standards to be exceeded in an area located more than one-half mile beyond the boundary of the certified municipal setting designation, provided such action is necessary to ensure:

(1) the protection of humans from exposures to environmental impacts to groundwater; or

(2) the protection of ecological resources.

(g) This subchapter relates to the scope of the response action that can be required by the executive director in municipal settings designated under this subchapter. Nothing in this subchapter shall be construed to alter or affect the private rights of action of any person under any statute or common law for personal injury or property damage caused by the release of contaminants. Nothing in this subchapter is meant to alter or supersede any requirement of a federally authorized environmental program administered by the State of Texas.

**SUBCHAPTER X. COUNTY PROGRAMS FOR CLEANUP AND ECONOMIC REDEVELOPMENT OF BROWNFIELDS**

Sec. 361.901. DEFINITIONS. In this subchapter:

(1) "Assessment" means an environmental assessment described by Section 361.904.
(2) "Brownfield" means real property the expansion, redevelopment, or reuse of which may be complicated by the presence or potential presence of environmental contamination.

(3) "Brownfield program" means a county brownfield cleanup and economic redevelopment program described by Section 361.902.

(4) "Eligible owner" means the owner of a brownfield who demonstrates to the commissioners court of the county in which the brownfield is located that the owner:
   (A) became the owner after the contamination occurred;
   (B) did not contribute to the contamination as an owner responsible for contamination or through association with previous owners responsible for the contamination;
   (C) exercises appropriate care at the brownfield by taking reasonable steps to stop continuing releases, prevent any threatened future releases, and prevent or limit human, environmental, or natural resource exposure to any previously released hazardous substance; and
   (D) complies with local, state, and federal laws with respect to land use and requests for information.

(5) "Eligible site" means a property or facility that is owned by a county or, if not owned by a county, for which the owner applies to a county for brownfield assistance or certification and a county determines is a brownfield under the county's brownfield program.

(6) "Licensed professional engineer" means a person licensed by the Texas Board of Professional Engineers.

(7) "Remediation" means an action included within the meanings of "remedial action" and "removal," as those terms are defined by Section 361.003.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.

Sec. 361.902. COUNTY BROWNFIELD CLEANUP AND ECONOMIC REDEVELOPMENT PROGRAM. (a) The commissioners court of a county with a population of 250,000 or more may establish a program for the cleanup and economic redevelopment of brownfields located in the county, as authorized by Section 52-a, Article III, Texas Constitution.
(b) A brownfield program must include:
   (1) procedures to:
      (A) identify eligible sites;
      (B) conduct assessments;
      (C) prioritize the remediation of eligible sites, with consideration given to:
         (i) the number of jobs related to the remediation; and
         (ii) the resulting economic and environmental benefits to the county;
      (D) conduct the remediation of an eligible site;
      (E) conduct the inspection of a property or facility after remediation; and
      (F) guide eligible owners in applying for county assistance under the program; and
   (2) standards by which the county can determine:
      (A) the eligibility of a person for a grant or loan under the program;
      (B) the eligibility of a person to enter into a contract with the county to perform remediation or inspection; and
      (C) the completeness of the remediation of a property or facility.
(c) The county shall make available to the public and to the commission a draft of the proposed program at least 60 days before a public hearing to receive comments on the proposed program.
(d) The county shall review comments received and make amendments to the draft as appropriate before adopting and implementing the program.
(e) The county shall submit a copy of the final draft of a program adopted under this section to the commission and shall make the final draft available to the public.
(f) The county may amend a program adopted under this section by applying the procedures described by Subsections (c), (d), and (e) to the proposed amendment.
(g) The county may assign current or employ additional staff to implement a program adopted under this section.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.
Sec. 361.903. BROWNFIELD CLEANUP AND ECONOMIC REDEVELOPMENT FUND. (a) The commissioners court of a county may establish a fund for a brownfield program and deposit to the credit of the fund any money the commissioners court considers appropriate, including revenue from property taxes, sales taxes, fees, gifts or grants, principal and interest payments made to repay loans from the fund, proceeds from the issuance of bonds, and contributions of other resources.

(b) Money from a fund established under this section may be used only to provide for economic growth and development of the county by paying for all or part of:

(1) the cost of an assessment;
(2) the cost of remediating a brownfield;
(3) the cost of inspecting a property or facility after remediation;
(4) a loan to an eligible owner or licensed professional engineer to conduct assessment, eligible site remediation, or inspection of a property or facility after remediation; or
(5) administrative expenses associated with implementing the brownfield program.

(c) For the purposes of the county's brownfield program, a county may solicit and leverage money from other sources, including federal money that may be available for brownfield assessment and eligible site remediation.

(d) Before a county may issue bonds payable from ad valorem taxes to provide money for a fund, the bond issuance must be approved by a majority of the voters voting on the issue at an election held for that purpose.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.

Sec. 361.904. ENVIRONMENTAL ASSESSMENT. An assessment under this subchapter must include:

(1) a legal description of the property or facility;
(2) a description of the physical characteristics of the property or facility;
(3) the operational history of the property or facility to the extent that history is known by the owner;
(4) information of which the owner is aware concerning the nature and extent of any relevant contamination or release at the property or facility and immediately contiguous to the property or facility, or wherever the contamination came to be located; and
(5) relevant information of which the owner is aware concerning the potential for human exposure to contamination at the property or facility.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.

Sec. 361.905. TAX ABATEMENT AGREEMENT INCENTIVES. Subject to the requirements of Subchapter C, Chapter 312, Tax Code, a county may designate an area of the county that contains a brownfield as a reinvestment zone and enter into a tax abatement agreement based on the remediation of the brownfield with the eligible owner of the brownfield.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.

Sec. 361.906. CONTRACTS FOR SITE REMEDIATION OR INSPECTION. (a) A county may contract with a licensed professional engineer or contractor to:
(1) conduct remediation for an eligible site owned by the county; or
(2) inspect a property or facility after remediation to determine whether it meets county standards for completeness of the remediation.
(b) To be eligible to enter into a contract with a county under this section or to receive a loan under Section 361.907, a licensed professional engineer or contractor at a minimum must provide evidence to the county of previous success in conducting remediation or inspection, as applicable, of at least one brownfield or other property or facility contaminated by a hazardous substance.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.
Sec. 361.907. GRANTS AND LOANS. To help finance an assessment, eligible site remediation, or inspection, a county may provide money as a grant or a loan from a county fund established under Section 361.903 to:

(1) an eligible owner; or

(2) a licensed professional engineer or contractor who meets the requirements of Section 361.906.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.

Sec. 361.908. LIAISON TO ENVIRONMENTAL PROTECTION AGENCY. A county that establishes a brownfield program may act as a liaison between an eligible owner, licensed professional engineer, or contractor and the Environmental Protection Agency to assist in obtaining a federal grant for an assessment or eligible site remediation under the Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. Section 9601 et seq.).

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.

Sec. 361.909. LIAISON TO COMMISSION. A county that establishes a brownfield program may act as a liaison between the commission and an eligible owner, licensed professional engineer, or contractor to assist in obtaining any available commission assistance for an assessment, eligible site remediation, or property or facility inspection after remediation.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.

Sec. 361.910. LIMITATIONS ON LIABILITY. (a) A person who is an eligible owner, licensed contractor, or licensed professional engineer engaged in an assessment, eligible site remediation, or property or facility inspection after remediation under a program adopted under this subchapter is not liable for damages or costs resulting from a release or threatened release of a hazardous
substance that occurs during the assessment, remediation, or inspection unless the person:

(1) qualified as an eligible owner, licensed professional engineer, or contractor by fraud, misrepresentation, or knowing failure to disclose material information; or

(2) negligently or knowingly contributed to or caused the release or threatened release.

(b) The county shall inspect a property or facility after remediation is completed to determine whether the remediation meets county standards for completeness under the brownfield program. On a finding that the remediation meets the standards, the county shall issue a certificate signifying the satisfactory remediation to the owner of the property or facility and shall file a copy of the certificate in the county property records. The owner or a subsequent owner of a remediated property or facility is not liable for the costs of any additional assessment or remediation for environmental contamination that occurred before the issuance of the certificate.

(c) This subchapter does not limit or impair any immunity or defense to liability or suit that may be available to a county under any other provision of law.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.

Sec. 361.911. FAILURE TO PASS INSPECTION. The owner of a property or facility who is denied a certificate under Section 361.910:

(1) is entitled to receive a detailed description of actions needed for the property or facility to meet county standards; and

(2) may apply for additional county assistance under the county's brownfield program.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.

Sec. 361.912. COMMISSION ASSISTANCE. The commission may provide:
(1) educational, advisory, and technical services concerning assessment, remediation, and inspection of brownfields to a county that establishes a brownfield program under this subchapter; and

(2) assistance to a county in obtaining federal grants for assessment and remediation of brownfields.

Added by Acts 2005, 79th Leg., Ch. 379 (S.B. 1413), Sec. 2, eff. September 1, 2005.

For expiration of this subchapter, see Section 361.966.

SUBCHAPTER Y. COMPUTER EQUIPMENT RECYCLING PROGRAM
Sec. 361.951. SHORT TITLE. This subchapter may be cited as the Manufacturer Responsibility and Consumer Convenience Computer Equipment Collection and Recovery Act.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Sec. 361.952. DEFINITIONS. In this subchapter:
(1) "Brand" means the name, symbol, logo, trademark, or other information that identifies a product rather than the components of the product.

(2) "Computer equipment" means a desktop or notebook computer and includes a computer monitor or other display device that does not contain a tuner.

(3) "Consumer" means an individual who uses computer equipment that is purchased primarily for personal or home business use.

(4) "Manufacturer" means a person:
(A) who manufactures or manufactured computer equipment under a brand that:
   (i) the person owns or owned; or
   (ii) the person is or was licensed to use, other than under a license to manufacture computer equipment for delivery exclusively to or at the order of the licensor;
   (B) who sells or sold computer equipment manufactured by others under a brand that:
(i) the person owns or owned; or 
(ii) the person is or was licensed to use, other than under a license to manufacture computer equipment for delivery exclusively to or at the order of the licensor; 
(C) who manufactures or manufactured computer equipment without affixing a brand; 
(D) who manufactures or manufactured computer equipment to which the person affixes or affixed a brand that: 
   (i) the person does not or has not owned; or 
   (ii) the person is not or was not licensed to use; or 
(E) who imports or imported computer equipment manufactured outside the United States into the United States unless at the time of importation the company or licensee that sells or sold the computer equipment to the importer has or had assets or a presence in the United States sufficient to be considered the manufacturer.

(5) "Television" means any telecommunication system device that can broadcast or receive moving pictures and sound over a distance and includes a television tuner or a display device peripheral to a computer that contains a television tuner.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Sec. 361.953. LEGISLATIVE FINDINGS AND PURPOSE. (a) Computers and related display devices are critical elements to the strength and growth of this state's economic prosperity and quality of life. Many of those products can be refurbished and reused, and many contain valuable components that can be recycled.

(b) The purpose of this subchapter is to establish a comprehensive, convenient, and environmentally sound program for the collection, recycling, and reuse of computer equipment that has reached the end of its useful life. The program is based on individual manufacturer responsibility and shared responsibility among consumers, retailers, and the government of this state.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.
Sec. 361.954. APPLICABILITY. (a) The collection, recycling, and reuse provisions of this subchapter apply to computer equipment used and returned to the manufacturer by a consumer in this state and do not impose any obligation on an owner or operator of a solid waste facility.

(b) This subchapter does not apply to:
   (1) a television, any part of a motor vehicle, a personal digital assistant, or a telephone;
   (2) a consumer's lease of computer equipment or a consumer's use of computer equipment under a lease agreement; or
   (3) the sale or lease of computer equipment to an entity when the manufacturer and the entity enter into a contract that effectively addresses the collection, recycling, and reuse of computer equipment that has reached the end of its useful life.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Sec. 361.955. MANUFACTURER RESPONSIBILITIES. (a) Before a manufacturer may offer computer equipment for sale in this state, the manufacturer must:
   (1) adopt and implement a recovery plan; and
   (2) affix a permanent, readily visible label to the computer equipment with the manufacturer's brand.

(b) The recovery plan must enable a consumer to recycle computer equipment without paying a separate fee at the time of recycling and must include provisions for:
   (1) the manufacturer's collection from a consumer of any computer equipment that has reached the end of its useful life and is labeled with the manufacturer's brand; and
   (2) recycling or reuse of computer equipment collected under Subdivision (1).

(c) The collection of computer equipment provided under the recovery plan must be:
   (1) reasonably convenient and available to consumers in this state; and
   (2) designed to meet the collection needs of consumers in this state.

(d) Examples of collection methods that alone or combined meet
the convenience requirements of this section include:

(1) a system by which the manufacturer or the manufacturer's designee offers the consumer a system for returning computer equipment by mail;

(2) a system using a physical collection site that the manufacturer or the manufacturer's designee keeps open and staffed and to which the consumer may return computer equipment; and

(3) a system using a collection event held by the manufacturer or the manufacturer's designee at which the consumer may return computer equipment.

(e) Collection services under this section may use existing collection and consolidation infrastructure for handling computer equipment and may include electronic recyclers and repair shops, recyclers of other commodities, reuse organizations, not-for-profit corporations, retailers, recyclers, and other suitable operations.

(f) The recovery plan must include information for the consumer on how and where to return the manufacturer's computer equipment. The manufacturer:

(1) shall include collection, recycling, and reuse information on the manufacturer's publicly available Internet site;

(2) shall provide collection, recycling, and reuse information to the commission; and

(3) may include collection, recycling, and reuse information in the packaging for or in other materials that accompany the manufacturer's computer equipment when the equipment is sold.

(g) Information about collection, recycling, and reuse on a manufacturer's publicly available Internet site does not constitute a determination by the commission that the manufacturer's recovery plan or actual practices are in compliance with this subchapter or other law.

(h) Each manufacturer shall submit a report to the commission not later than January 31 of each year that includes:

(1) the weight of computer equipment collected, recycled, and reused during the preceding calendar year; and

(2) documentation verifying the collection, recycling, and reuse of that computer equipment in a manner that complies with Section 361.964 regarding sound environmental management.

(i) If more than one person is a manufacturer of a certain brand of computer equipment as defined by Section 361.952, any of those persons may assume responsibility for and satisfy the
obligations of a manufacturer under this subchapter for that brand. If none of those persons assumes responsibility or satisfies the obligations of a manufacturer for the computer equipment of that brand, the commission may consider any of those persons to be the responsible manufacturer for purposes of this subchapter.

(j) The obligations under this subchapter of a manufacturer who manufactures or manufactured computer equipment, or sells or sold computer equipment manufactured by others, under a brand that was previously used by a different person in the manufacture of the computer equipment extends to all computer equipment bearing that brand regardless of its date of manufacture.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Sec. 361.956. RETAILER RESPONSIBILITY. (a) A person who is a retailer of computer equipment may not sell or offer to sell new computer equipment in this state unless the equipment is labeled with the manufacturer's label and the manufacturer is included on the commission's list of manufacturers that have recovery plans.

(b) Retailers can go to the commission's Internet site as outlined in Section 361.958 and view all manufacturers that are listed as having registered a compliant collection program. Covered electronic products from manufacturers on that list may be sold in or into the State of Texas.

(c) A retailer is not required to collect computer equipment for recycling or reuse under this subchapter.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Sec. 361.957. LIABILITY. (a) A manufacturer or retailer of computer equipment is not liable in any way for information in any form that a consumer leaves on computer equipment that is collected, recycled, or reused under this subchapter.

(b) This subchapter does not exempt a person from liability under other law.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff.
Sec. 361.958. COMMISSION'S EDUCATION RESPONSIBILITIES. (a) The commission shall educate consumers regarding the collection, recycling, and reuse of computer equipment.

(b) The commission shall host or designate another person to host an Internet site providing consumers with information about the recycling and reuse of computer equipment, including best management practices and information about and links to information on:

(1) manufacturers' collection, recycling, and reuse programs, including manufacturers' recovery plans; and

(2) computer equipment collection events, collection sites, and community computer equipment recycling and reuse programs.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Sec. 361.959. ENFORCEMENT. (a) The commission may conduct audits and inspections to determine compliance with this subchapter.

(b) The commission and the attorney general, as appropriate, shall enforce this subchapter and, except as provided by Subsections (d) and (e), take enforcement action against any manufacturer, retailer, or person who recycles or reuses computer equipment for failure to comply with this subchapter.

(c) The attorney general may file suit under Section 7.032, Water Code, to enjoin an activity related to the sale of computer equipment in violation of this subchapter.

(d) The commission shall issue a warning notice to a person on the person's first violation of this subchapter. The person must comply with this subchapter not later than the 60th day after the date the warning notice is issued.

(e) A retailer who receives a warning notice from the commission that the retailer's inventory violates this subchapter because it includes computer equipment from a manufacturer that has not submitted the recovery plan required by Section 361.955 must bring the inventory into compliance with this subchapter not later than the 60th day after the date the warning notice is issued.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff.
Sec. 361.960. FINANCIAL AND PROPRIETARY INFORMATION. Financial or proprietary information submitted to the commission under this subchapter is exempt from public disclosure under Chapter 552, Government Code.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Sec. 361.961. ANNUAL REPORT TO LEGISLATURE. The commission shall compile information from manufacturers and issue an electronic report to the committee in each house of the legislature having primary jurisdiction over environmental matters not later than March 1 of each year.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Sec. 361.962. FEES NOT AUTHORIZED. This subchapter does not authorize the commission to impose a fee, including a recycling fee or registration fee, on a consumer, manufacturer, retailer, or person who recycles or reuses computer equipment.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Sec. 361.963. CONSUMER RESPONSIBILITIES. (a) A consumer is responsible for any information in any form left on the consumer's computer equipment that is collected, recycled, or reused.

(b) A consumer is encouraged to learn about recommended methods for recycling and reuse of computer equipment that has reached the end of its useful life by visiting the commission's and manufacturers' Internet sites.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.
Sec. 361.964. SOUND ENVIRONMENTAL MANAGEMENT. (a) All computer equipment collected under this subchapter must be recycled or reused in a manner that complies with federal, state, and local law.

(b) The commission shall adopt as standards for recycling or reuse of computer equipment in this state the standards provided by "Electronics Recycling Operating Practices" as approved by the board of directors of the Institute of Scrap Recycling Industries, Inc., April 25, 2006, or other standards from a comparable nationally recognized organization.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Sec. 361.965. STATE PROCUREMENT REQUIREMENTS. (a) In this section, "state agency" has the meaning assigned by Section 2052.101, Government Code.

(b) A person who submits a bid for a contract with a state agency for the purchase or lease of computer equipment must be in compliance with this subchapter.

(c) A state agency that purchases or leases computer equipment shall require each prospective bidder to certify the bidder's compliance with this subchapter. Failure to provide that certification renders the prospective bidder ineligible to participate in the bidding.

(d) In considering bids for a contract for computer equipment, in addition to any other preferences provided under other laws of this state, the state shall give special preference to a manufacturer that has a program to recycle the computer equipment of other manufacturers, including collection events and manufacturer initiatives to accept computer equipment labeled with another manufacturer's brand.

(e) The Texas Building and Procurement Commission and the Department of Information Resources shall adopt rules to implement this section.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.
Sec. 361.966. FEDERAL PREEMPTION; EXPIRATION. (a) If federal law establishes a national program for the collection and recycling of computer equipment and the commission determines that the federal law substantially meets the purposes of this subchapter, the commission may adopt an agency statement that interprets the federal law as preemptive of this subchapter.

(b) This subchapter expires on the date the commission issues a statement under this section.

Added by Acts 2007, 80th Leg., R.S., Ch. 902 (H.B. 2714), Sec. 1, eff. September 1, 2007.

Text of subchapter effective until the date the Texas Commission on Environmental Quality issues a statement under Section 361.992.

SUBCHAPTER Z. TELEVISION EQUIPMENT RECYCLING PROGRAM

Sec. 361.971. DEFINITIONS. In this subchapter:

(1) "Brand" has the meaning assigned by Section 361.952.

(2) "Consumer" means an individual who uses covered television equipment that is purchased primarily for personal or home business use.

(3) "Covered television equipment" means the following equipment marketed to and intended for consumers:

(A) a direct view or projection television with a viewable screen of nine inches or larger whose display technology is based on cathode ray tube, plasma, liquid crystal, digital light processing, liquid crystal on silicon, silicon crystal reflective display, light-emitting diode, or similar technology; or

(B) a display device that is peripheral to a computer that contains a television tuner.

(4) "Market share allocation" means the quantity of covered television equipment, by weight, that an individual television manufacturer submitting a recovery plan under Section 361.978 is responsible for collecting, reusing, and recycling, as computed by the commission under Section 361.984(g).

(5) "Recycling" means any process by which equipment that would otherwise become solid waste or hazardous waste is collected, separated, and refurbished for reuse or processed to be returned to
use in the form of raw material or products. The term does not include incineration.

(6) "Retailer" means a person who owns or operates a business that sells new covered television equipment by any means directly to a consumer. The term does not include a person who, in the ordinary course of business, regularly leases, offers to lease, or arranges for leasing of merchandise under a rental-purchase agreement.

(7) "Television" means an electronic device that contains a tuner that locks onto a selected carrier frequency and is capable of receiving and displaying video programming from a broadcast, cable, or satellite source.

(8) "Television manufacturer" means a person that:
   (A) manufactures covered television equipment under a brand the person owns or is licensed to use;
   (B) manufactures covered television equipment without affixing a brand;
   (C) resells covered television equipment produced by other suppliers under a brand the person owns or is licensed to use;
   (D) manufactures covered television equipment, supplies it to any person within a distribution network that includes a wholesaler or retailer, and benefits from the sale of the covered television equipment through that distribution network; or
   (E) assumes the responsibilities of a television manufacturer under this subchapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.972. LEGISLATIVE FINDINGS AND PURPOSE. The purpose of this subchapter is to establish a comprehensive, convenient, and environmentally sound program for the collection and recycling of television equipment. The program is based on individual television manufacturer responsibility and shared responsibility among consumers, retailers, and the government of this state.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.
Sec. 361.973. APPLICABILITY. (a) Except as provided by this section and Section 361.991, this subchapter applies only to covered television equipment that is:

(1) offered for sale or sold to a consumer in this state; or

(2) used by a consumer in this state and returned for recycling.

(b) This subchapter does not apply to:

(1) computer equipment as that term is defined by Section 361.952;

(2) a manufacturer of a display device that is peripheral to a computer and contains a television tuner, if that manufacturer collects and recycles the device in accordance with Subchapter Y;

(3) any part of a motor vehicle, including a replacement part;

(4) a device that is functionally or physically part of or connected to another system or piece of equipment:

(A) designed and intended for use in an industrial, governmental, commercial, research and development, or medical setting, including diagnostic monitoring or control equipment; or

(B) used for security, sensing, monitoring, antiterrorism, or emergency services purposes;

(5) a device that is contained in exercise equipment intended for home use or an appliance intended for home use including a clothes washer, clothes dryer, refrigerator, refrigerator and freezer, microwave oven, conventional oven or range, dishwasher, room air conditioner, dehumidifier, and air purifier;

(6) a telephone of any type;

(7) a personal digital assistant;

(8) a global positioning system;

(9) a consumer's lease of covered television equipment or a consumer's use of covered television equipment under a lease agreement; or

(10) the sale or lease of covered television equipment to an entity when the television manufacturer and the entity enter into a contract that effectively addresses the recycling of equipment that has reached the end of its useful life.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.
Sec. 361.974. SALES PROHIBITION. A person may not offer for sale in this state new covered television equipment unless the equipment has been labeled in compliance with Section 361.975.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.975. MANUFACTURER'S LABELING REQUIREMENT. A television manufacturer may sell or offer for sale in this state only covered television equipment that is labeled with the television manufacturer's brand. The label must be permanently affixed and readily visible.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.976. MANUFACTURERS' REGISTRATION AND REPORTING. (a) A television manufacturer of covered television equipment shall register with the commission and, except as provided by Section 361.979, pay a registration fee of $2,500. A registered television manufacturer shall renew the registration and, except as provided by Section 361.979, pay the fee on or before January 31 of each year. The registration or registration renewal must include:

(1) a list of all brands the television manufacturer uses in this state on covered television equipment regardless of whether the television manufacturer owns or is licensed to use the brand; and

(2) contact information for the person the commission may contact regarding the television manufacturer's activities to comply with this subchapter.

(b) Except as provided by Section 361.979, not later than January 31 of each year, each registered television manufacturer of covered television equipment shall report to the commission:

(1) the total weight of covered television equipment for which the television manufacturer is responsible that was sold in this state during the preceding calendar year or, if the manufacturer does not track the weight of covered television equipment it sells by state, the television manufacturer may report the total amount of
covered television equipment the television manufacturer sold nationally in the preceding calendar year; and

(2) the total weight of covered television equipment the television manufacturer collected and recycled in this state during the preceding calendar year.

(c) Fees collected under this section shall be deposited to the credit of the television recycling account created under Section 361.977.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.977. TELEVISION RECYCLING ACCOUNT. (a) The television recycling account is an account in the general revenue fund that consists of the:

(1) fees collected under Section 361.976; and

(2) interest earned on the money in the account.

(b) Money in the account may be appropriated only to the commission to be used by the commission to maintain a public Internet website and toll-free telephone number that provide consumers with information about covered television equipment recycling opportunities in this state.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.978. MANUFACTURER'S RECOVERY PLAN AND RELATED RESPONSIBILITIES. (a) This section does not apply to a television manufacturer that participates in a recycling leadership program described by Section 361.979.

(b) Not later than the first January 31 that occurs after the date the television manufacturer first registers with the commission under Section 361.976, each television manufacturer of covered television equipment sold in this state shall, individually or as a member of a group of television manufacturers, submit to the commission a recovery plan to collect, reuse, and recycle covered television equipment.

(c) An individual television manufacturer that submits a recovery plan under Subsection (b) shall collect, reuse, and recycle
covered television equipment. Beginning with the television manufacturer's second year of registration, the individual television manufacturer shall collect, reuse, and recycle the quantity of covered television equipment computed by the commission as the television manufacturer's market share allocation.

(d) A group of television manufacturers that submits a recovery plan under Subsection (b) shall collect, reuse, and recycle covered television equipment. Beginning with the second year of registration for a group of television manufacturers, the group of television manufacturers shall collect, reuse, and recycle a quantity of covered television equipment equal to the sum of the combined market share allocations of the group's participants.

(e) A recovery plan under Subsection (b) must include at a minimum:

(1) a statement of whether the television manufacturer intends to collect and recycle its market share allocation through operation of its plan, individually or in partnership with other television manufacturers;

(2) beginning with the television manufacturer's second year of registration, the total weight of covered television equipment collected, reused, and recycled by or on behalf of the television manufacturer during the preceding year; and

(3) collection methods that allow a consumer to recycle covered television equipment without paying a separate fee at the time of recycling.

(f) The commission shall review the recovery plan for satisfaction of the requirements of this subchapter. If the registration and recovery plan are complete, the commission shall include the television manufacturer on the commission's Internet website listing as provided by Section 361.984(a). The commission may reject the recovery plan if it does not meet all requirements of this subchapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.979. MANUFACTURER RECYCLING LEADERSHIP PROGRAM. (a) A group of television manufacturers may establish a recycling leadership program to provide collection, transportation, and
recycling infrastructure for covered television equipment in this state.

(b) A recycling leadership program must provide at least 200 individual collection sites or programs in this state in a manner described by Subsection (d) where a consumer may return covered television equipment for reuse or recycling.

(c) A television manufacturer may not charge a separate fee at the time of recycling under this section unless at the time of recycling a financial incentive of equal or greater value to the fee charged is provided by the television manufacturer.

(d) Collection methods that may be used by a recycling leadership program under Subsection (b) for recycling of covered television equipment include:

(1) a system by which the television manufacturer, an entity designated by the television manufacturer, or another private or public sector entity associated with the television manufacturer offers a consumer a physical collection site to return covered television equipment;

(2) a system by which the television manufacturer, an entity designated by the television manufacturer, or another private or public sector entity associated with the television manufacturer offers the consumer a method for returning covered television equipment by mail; and

(3) a system by which the television manufacturer, an entity designated by the television manufacturer, or another private or public sector entity associated with the television manufacturer holds a collection event where the consumer may return covered television equipment.

(e) A television manufacturer of covered television equipment sold in this state that is participating in a recycling leadership program for covered television equipment as of January 1 of any year is not subject during that year to:

(1) the registration fees and renewal fees required by Section 361.976(a); and

(2) the reporting requirements of Section 361.976(b).

(f) Not later than January 31 of each year, each recycling leadership program must provide to the commission a list of the television manufacturers participating in the program for that year.

(g) A television manufacturer of covered television equipment that is sold in this state that participates in a recycling
leadership program shall individually or through the recycling leadership program establish and implement a public education program regarding collection, reuse, and recycling opportunities that exist in this state for covered television equipment. The public education program must:

(1) inform consumers about the collection, reuse, and recycling opportunities for covered television equipment available in this state;

(2) work with the commission and other interested parties to develop educational materials that inform consumers about collection, reuse, and recycling opportunities available in this state;

(3) use television manufacturer-developed customer outreach materials, such as packaging inserts, television manufacturers' Internet websites, and other communication methods, to inform consumers about collection, reuse, and recycling opportunities for covered television equipment available in this state; and

(4) use television manufacturer-developed customer outreach materials to provide rural communities with a centralized Internet-based information center that provides information for those communities about:

(A) best practices for collection, reuse, and recycling of covered television equipment; and

(B) collection events and other recycling opportunities in those communities and surrounding areas.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.980. RECYCLING LEADERSHIP PROGRAM COLLECTION REPORT. (a) Not later than January 31 of every other year beginning with the television manufacturer's second year of registration, a television manufacturer of covered television equipment sold in this state that is participating in a recycling leadership program under Section 361.979 shall, individually or as a member of the recycling leadership program, submit to the commission a collection report regarding the television manufacturer's collection, reuse, and recycling of covered television equipment.

(b) The collection report must include:
(1) an inventory of covered television equipment collection, reuse, and recycling opportunities that are currently available to consumers through the individual television manufacturer or the recycling leadership program in this state;

(2) documentation of collection opportunities available to consumers in counties with populations of less than 50,000, including an analysis of the number of collection sites available to consumers in those counties compared to the number of opportunities available to consumers in those counties to purchase new covered television equipment;

(3) the amount by weight of the covered television equipment that the individual television manufacturer or the recycling leadership program collected in the two preceding years; and

(4) documentation that the collection, reuse, and recycling of the collected covered television equipment complies with Section 361.990.

(c) The inventory of covered television equipment collection, reuse, and recycling opportunities required by Subsection (b)(1) may be submitted in the form of a map noting the location of the opportunities.

(d) The collection report may include a listing of other existing collection and recycling infrastructure for covered television equipment not associated with the recycling leadership program, including electronic recyclers and repair shops, recyclers of other appropriate commodities, reuse organizations, not-for-profit corporations, retailers, and other suitable operations, including local government collection events, if available.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.981. RETAILER RESPONSIBILITY. (a) A retailer may order and sell only products from a television manufacturer that is included on the list published under Section 361.984(a). A retailer shall consult that list before ordering covered television equipment in this state. A retailer is considered to have complied with this subsection and may sell a product in the retailer's inventory if, on the date the product was ordered from the television manufacturer,
the television manufacturer was listed on the Internet website described by Section 361.984(a).

(b) A person who is a retailer of covered television equipment shall provide to consumers in writing the information published by the commission regarding the legal disposition and recycling of television equipment. The information may be included with the sales receipt or as part of the packaging of the equipment. Alternatively, the retailer may provide the information required by this subsection through a toll-free telephone number and address of an Internet website provided to consumers.

(c) This subchapter does not require a retailer to collect covered television equipment for recycling.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.982. RECYCLER RESPONSIBILITIES. (a) This section does not apply to a television manufacturer.

(b) A person who is engaged in the business of recycling covered television equipment in this state shall:

(1) register with the commission and certify that the person is in compliance with the standards adopted under Section 361.990;

(2) on or before January 31 of each year renew the registration with the commission and certify the person's continued compliance with the standards adopted under Section 361.990;

(3) recycle all covered television equipment accepted for recycling in accordance with the standards adopted under Section 361.990;

(4) maintain a written log recording the weight of all covered television equipment received by the person and the disposition of that equipment; and

(5) annually report to the commission the total weight of covered television equipment received and recycled by the person in the preceding 12 months.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.
Sec. 361.983. LIABILITY. (a) A television manufacturer, retailer, or person who recycles covered television equipment is not liable in any way for information in any form that a consumer leaves on covered television equipment that is collected or recycled under this subchapter.

(b) This subchapter does not exempt a person from liability under other law.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.984. COMMISSION RESPONSIBILITIES. (a) The commission shall publish on a publicly accessible Internet website a list of television manufacturers:

(1) whose recovery plans have been approved by the commission;

(2) whose public education programs are in full compliance with this subchapter; and

(3) who are in compliance with the registration and fee requirements of this subchapter, if applicable.

(b) The commission shall remove television manufacturers no longer in compliance under Subsection (a) from the Internet website once each fiscal quarter.

(c) The commission shall educate consumers regarding the collection and recycling of covered television equipment.

(d) The commission shall host or designate another person to host an Internet website and shall provide a toll-free telephone number to provide consumers with information about the recycling of covered television equipment, including best management practices and information about or links to information about:

(1) television manufacturers' collection and recycling programs, including television manufacturers' recovery plans; and

(2) covered television equipment collection events, collection sites, and community television equipment recycling programs.

(e) Information about collection and recycling provided on a television manufacturer's publicly available Internet website and through a toll-free telephone number does not constitute a determination by the commission that the television manufacturer's
recovery plan or actual practices are in compliance with this subchapter or other law.

(f) Not later than November 1 of each year, the commission shall establish the state recycling rate by computing the ratio of the weight of total returns of covered television equipment in this state by television manufacturers submitting a recovery plan under Section 361.978 to the total weight of covered television equipment sold in this state by television manufacturers submitting a recovery plan under Section 361.978 during the preceding year.

(g) Not later than December 1 of each year, the commission shall compute and provide to each registered television manufacturer submitting a recovery plan under Section 361.978 the television manufacturer's market share allocation for collection, reuse, and recycling for that year. A television manufacturer's market share allocation equals the weight of the television manufacturer's covered television equipment sold in this state during the preceding calendar year multiplied by the state recycling rate determined under Subsection (f).

(h) In any year in which more than one recycling leadership program is implemented under Section 361.979, the commission shall review all active recycling leadership programs established under this subchapter to ensure the programs are operating in a manner consistent with the goals of this subchapter, including a balanced recycling effort. Based on the commission's review, the commission may make recommendations to the legislature on ways to improve the balance of the recycling effort.

(i) The commission shall provide to each county and municipality of this state information regarding the legal disposal and recycling of covered television equipment. The information must be provided in writing.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.985. ENFORCEMENT. (a) The commission may conduct audits and inspections to ensure compliance with this subchapter and rules adopted under this subchapter.

(b) The commission and the attorney general, as appropriate, shall enforce this subchapter and, except as provided by Subsections
(d) and (e), take enforcement action against a television manufacturer, a retailer, or a person who recycles covered television equipment.

(c) The executive director or the attorney general may institute a suit under Section 7.032, Water Code, to enjoin an activity related to the sale of covered television equipment in violation of this subchapter.

(d) The commission shall issue a warning notice to a person on the person's first violation of this subchapter. The person must comply with this subchapter not later than the 60th day after the date the warning notice is issued.

(e) A retailer who receives a warning notice from the commission that the retailer's inventory violates this subchapter because it includes covered television equipment from a television manufacturer that is not in compliance with this subchapter must bring the inventory into compliance with this subchapter not later than the 60th day after the date the warning notice is issued.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.986. FINANCIAL AND PROPRIETARY INFORMATION. Financial or proprietary information submitted to the commission under this subchapter is exempt from public disclosure under Chapter 552, Government Code.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.987. BIENNIAL REPORT TO LEGISLATURE. (a) The commission shall compile information from television manufacturers and issue an electronic report to the committee in each house of the legislature having primary jurisdiction over environmental matters not later than March 1 of each even-numbered year.

(b) The report must include:

(1) collection information provided to the commission by each television manufacturer's report required by Section 361.976(b) or 361.980(a), as applicable;

(2) a summary of comments that have been received from
stakeholders such as television manufacturers, electronic equipment recyclers, local governments, and nonprofit organizations;

(3) any recommendations under Section 361.984(h); and

(4) any other information that would assist the legislature in evaluating the effectiveness of this subchapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.988. FEES. (a) Except as provided by Section 361.976(a), this subchapter does not authorize the commission to impose a fee, including a recycling fee, on a consumer, television manufacturer, retailer, or person who recycles covered television equipment.

(b) Fees or costs collected under this subchapter may be used by the commission only to implement this subchapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.989. CONSUMER RESPONSIBILITIES. (a) A consumer is responsible for any information in any form left on the consumer's covered television equipment that is collected or recycled.

(b) A consumer is encouraged to learn about recommended methods for recycling covered television equipment that has reached the end of its useful life by visiting the commission's and television manufacturers' Internet websites or calling their toll-free telephone numbers.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.990. MANAGEMENT OF COLLECTED TELEVISION EQUIPMENT. (a) Covered television equipment collected under this subchapter must be disposed of or recycled in a manner that complies with federal, state, and local law.

(b) The commission shall adopt as standards for recycling or reuse of covered television equipment in this state the standards...
Sec. 361.991.  STATE PROCUREMENT REQUIREMENTS.  (a)  In this section, "state agency" has the meaning assigned by Section 2052.101, Government Code.

(b)  A person who submits a bid for a contract with a state agency for the purchase or lease of covered television equipment must be in compliance with this subchapter.

(c)  A state agency that purchases or leases covered television equipment shall require a prospective bidder to certify the bidder's compliance with this subchapter before the agency may accept the prospective bidder's bid.

(d)  In considering bids for a contract for covered television equipment, in addition to any other preferences provided under other laws of this state, the state shall give special preference to a television manufacturer that:

(1) through its recovery plan collects more than its market share allocation; or

(2) provides collection sites or recycling events in any county located in a council of governments region in which there are fewer than six permanent collection sites open at least twice each month.

(e) The comptroller shall adopt rules to implement this section.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

Sec. 361.992.  FEDERAL PREEMPTION; EXPIRATION.  (a)  If federal law establishes a national program for the collection and recycling of covered television equipment and the commission determines that the federal law substantially meets the purposes of this subchapter, the commission may adopt an agency statement that interprets the
federal law as preemptive of this subchapter.

(b) This subchapter expires on the date the commission issues a statement under this section.

Added by Acts 2011, 82nd Leg., R.S., Ch. 605 (S.B. 329), Sec. 1, eff. September 1, 2011.

CHAPTER 362. SOLID WASTE RESOURCE RECOVERY FINANCING ACT
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 362.001. SHORT TITLE. This chapter may be cited as the Solid Waste Resource Recovery Financing Act.

Sec. 362.002. POLICY AND PURPOSE. (a) The policy of the state is to safeguard the public health, general welfare, and physical property from solid waste pollution by encouraging the processing of solid waste for the purpose of extracting, converting to energy, or otherwise separating and preparing solid waste for reuse.

(b) It is the policy of the state that the processing of solid waste for reuse is essential to the well-being and survival of state inhabitants and the protection of the environment. That processing will conserve and develop state natural resources, within the meaning of Article XVI, Section 59(a), of the Texas Constitution by preventing further damage to the environment.

Sec. 362.003. DEFINITIONS. In this chapter:

(1) "Bond" includes a note or other evidence of indebtedness.

(2) "Cost" means expenses related or incidental to the acquisition, construction, or improvement of a system, including:
   (A) real property acquired for a system;
   (B) finance charges;
   (C) interest before and during construction and for a period the issuer finds reasonable after completion of construction;
   (D) expenses incurred for architectural, engineering,
and legal services;

(E) license fees and royalties;

(F) expenses incurred for plans, specifications, surveys, and estimates;

(G) expenses incurred in placing the system in operation; and

(H) administration expenses.

(3) "Issuer" means a district or authority that:

(A) is created under Article XVI, Section 59, or Article III, Section 52, of the Texas Constitution;

(B) is authorized by law to own a waste disposal system; and

(C) includes within its boundaries all of at least one county.

(4) "Public agency" means:

(A) an issuer;

(B) a municipality; or

(C) another political subdivision or agency of the state authorized to own and operate a solid waste collection, transportation, or disposal facility or system.

(5) "Real property" means land, a structure, a franchise or interest in land, air rights, or another thing or right pertaining to that property, including an easement, right-of-way, use, lease, license, or other incorporeal hereditament, or an estate, interest, or legal or equitable right, including a term for years or lien on that property because of a judgment, mortgage, or other reason.

(6) "Resolution" means the action, including an order or ordinance, that authorizes bonds and that is taken by the issuer's governing body.

(7) "Security agreement" means a trust indenture or other instrument securing bonds.

(8) "Solid waste" has the meaning assigned by Chapter 361 (Solid Waste Disposal Act).

(9) "System" means real property, plants, works, facilities, equipment, pipelines, machinery, vehicles, vessels, rolling stock, licenses, or franchises used or useful:

(A) in connection with processing solid waste to extract, recover, reclaim, salvage, reduce, or concentrate the solid waste, or convert it to energy or useful matter or resources including electricity, steam, or other form of energy, metal,
fertilizer, glass, or other form of resource; or

(B) in the transportation, receipt, storage, transfer, and handling of solid waste, the preparation, separation, or processing of solid waste for reuse, the handling and transportation of recovered matter, resources, or energy, and the handling, transportation, and disposition of nonrecoverable solid waste residue.

Sec. 362.004. EFFECT OF OTHER LAW. (a) This chapter does not limit the authority of the Texas Natural Resource Conservation Commission or a local government to:

(1) perform a power or duty provided by other law; or

(2) adopt and enforce rules to carry out duties under Chapter 361 (Solid Waste Disposal Act).

(b) Chapter 361 (Solid Waste Disposal Act) shall be enforced without regard to ownership of a system financed under this chapter.

(c) This chapter does not affect the right of a private person to pursue, against a person who contracts with an issuer under this chapter, a common-law remedy to abate, or recover damages for, a condition of pollution or other nuisance. A person purchasing or leasing a system under contract with an issuer may not assert the defense of sovereign immunity because of the issuer's ownership of the system.

(d) An issuer or public agency may use other law not in conflict with this chapter to the extent convenient or necessary to carry out any authority expressly or impliedly granted by this chapter.

Sec. 362.005. EXCEPTION FOR CERTAIN MATERIAL PRESORTED TO BE RECYCLED. This chapter does not authorize a public agency to compel burning of material presorted to be recycled.

SUBCHAPTER B. OPERATION OF SYSTEM

Sec. 362.011. AUTHORITY TO ACQUIRE AND TRANSFER PROPERTY. (a) An issuer may acquire, construct, and improve a system for lease or sale as provided by this chapter and may acquire real property as the issuer considers appropriate for the system.

(b) An issuer may lease its system to another person.

(c) An issuer may sell a system, by installment payments or other method of payment, to any person on conditions the issuer considers desirable.

(d) A lease or sales contract entered into under this chapter may be for the term agreed to by the parties, and must provide that it continues in effect until the bonds specified in the lease or contract, or refunding bonds issued in place of those bonds, are fully paid.

Sec. 362.012. LOCATION OF SYSTEM. A system may be located on the property of any person.

Sec. 362.013. CONTRACT TERMS AND PROCEDURES. (a) The provisions of Chapter 2253, Government Code, that relate to performance and payment bonds apply to a contract entered into by an issuer.

(b) An issuer may contract for the acquisition, construction, and improvement of a system on the terms and under the conditions that the governing body of the issuer considers appropriate, including a contract under which a person agrees to perform and supply all services and materials required in connection with the design, construction, and placing into operation of a system.

(c) The issuer shall publish notice of the time and place the contract will be let in a newspaper of general circulation within the boundaries of the issuer once a week for two consecutive weeks, with the first publication occurring not later than the 15th day before the date the contract will be let.
The issuer shall analyze competitive proposals received in response to the notice and let the contract to the responsible party making the proposal that is most advantageous to the issuer and that will result in the most economical completion of the system.

Sec. 362.014. PUBLIC AGENCY CONTRACT. (a) A public agency, on terms it considers appropriate, may contract with an issuer or other person who finances, constructs, or improves a system to sell, lease, or dedicate the use of real property or all or part of a solid waste disposal facility for use as part of the system.

(b) A public agency may contract with any person for the supply, collection, or transportation of solid waste for disposal at a system. The public agency may agree in the contract to supply minimum amounts of solid waste and to pay minimum fees for the right to dispose of the solid waste at the system during the term of the contract. The contract may continue in effect for the term of years that the public agency's governing body determines to be desirable.

Sec. 362.015. PAYMENT OF CONTRACT FROM SOURCES OTHER THAN TAXES. (a) A public agency may use any available revenue or resource for, or pledge the revenue or resource to, payment of all or part of the amount due under a contract under Section 362.014. The public agency may agree in the contract to assure availability of payment when required.

(b) The public agency may agree to make sufficient provision in its annual budget to make all payments under the contract.

(c) The public agency may fix, charge, and collect, from its inhabitants or other users or beneficiaries of a service or facility provided in connection with the contract, a fee, rate, charge, rental, or other amount for the service or facility, including a water charge, sewage charge, solid waste disposal fee or charge, garbage collection or handling fee, or other fee or charge. The public agency may use those amounts for, or pledge them to, payments required under the contract, and may agree in the contract to make
that use or pledge in an amount sufficient to make all or part of the payments when due.

Sec. 362.016. PAYMENT OF CONTRACT FROM TAXES. (a) A public agency that has taxing power and that, when it enters into a contract under Section 362.014, is using its general funds, including tax revenue, to pay all or part of the cost of providing solid waste collection, transportation, and disposal services may agree that the payments under the contract are an obligation against the public agency's taxing power.

(b) Except as provided by Subsection (c), a person is not entitled to demand payment from taxes during any period unless the contracting person is willing and able to receive and dispose of solid waste during the period as provided by the contract.

(c) A public agency that has taxing power may hold an election substantially in accordance with Chapter 1251, Government Code, applicable to issuance of bonds by a municipality to determine whether a contract may be an obligation secured by the taxing power of the public agency to an extent not permitted by Subsection (b). If it is determined by a favorable vote at the election that the public agency is authorized to levy an ad valorem tax to make all or part of the payments under the contract, and that the payments are to be made unconditionally regardless of whether the contracting person is willing and able to receive and dispose of solid waste as provided by the contract, the contract is an obligation secured by the public agency's taxing power to the extent provided. The ballot proposition at the election must plainly state that ad valorem tax funds may be used to make contract payments if the contractor cannot receive or dispose of solid waste because of mechanical failure of the facility financed by the bonds or for other reasons.

Sec. 362.017. INDUSTRIAL DEVELOPMENT CORPORATION. (a) A public agency that has entered into a contract under Section 362.014 may sponsor the creation of an industrial development corporation
under the Development Corporation Act (Subtitle C1, Title 12, Local Government Code).

(b) The corporation may issue bonds, notes, or other evidences of indebtedness under the Development Corporation Act (Subtitle C1, Title 12, Local Government Code) to finance the cost of a system under the contract regardless of whether the system is located within the boundaries of the public agency.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 885 (H.B. 2278), Sec. 3.15, eff. April 1, 2009.

Sec. 362.018. COST OF CERTAIN REQUIRED ALTERATIONS. The relocation, raising, lowering, rerouting, changing of grade, or altering of construction of a highway, railroad, electric transmission line, telegraph or telephone property or facility, or pipeline made necessary by the actions of an issuer shall be accomplished at the sole expense of the issuer, who shall pay the cost of the required activity as necessary to provide comparable replacement, minus the net salvage value of any replaced facility. The issuer shall pay that amount from the proceeds of bonds issued to finance a system.

Sec. 362.019. TAXATION. (a) Bonds issued under this chapter, the transfer of the bonds, and income from the bonds are exempt from taxation in this state.

(b) A system purchased or leased under this chapter is subject to ad valorem taxation payable by the person contracting with the issuer according to state law. An item purchased or leased as part of a system is subject to all applicable state taxation.

SUBCHAPTER C. BONDS

Sec. 362.031. AUTHORITY TO ISSUE BONDS AND BOND ANTICIPATION
NOTES.  (a) An issuer may issue bonds, payable from revenues of the
issuer, to finance or refinance the cost of acquiring, constructing,
or improving a system.
(b) The bonds may be issued in more than one series and from
time to time as required to carry out the purposes of this chapter.
(c) The issuer may declare an emergency because funds are not
available to pay the principal of and interest on its bonds or to
meet other needs of the issuer and may issue bond anticipation notes
to borrow the needed money. The bond anticipation notes may bear
interest at any fixed, floating, or other type of rate, and must
mature within one year of their date. The bond anticipation notes
shall be paid with the proceeds of bonds, or bonds may be issued and
delivered in exchange for and in substitution of the notes.

Sec. 362.032. FORM AND PROCEDURE. (a) Bonds under this
chapter must be authorized by resolution. The bonds must:
(1) be signed by the presiding officer or assistant
presiding officer of the issuer's governing body;
(2) be attested by the secretary of the issuer's governing
body; and
(3) have the seal of the issuer impressed, printed, or
lithographed on the bonds.
(b) The bonds may have the characteristics and bear the
designation determined by the issuer's governing body, except that
the designation must include:
(1) the name of each person guaranteeing the contractual
obligation of each person leasing or purchasing the system; or
(2) a statement, if applicable, that a group of persons
will be leasing or purchasing the system.
(c) The governing body may authorize a required signature to be
printed or lithographed on the bonds. The issuer may adopt or use
the signature of a person who has been an officer, regardless of
whether the person is an officer when the bonds are delivered to a
purchaser.

Sec. 362.033. TERMS. Bonds issued under this chapter must mature serially or in another manner not more than 40 years after they are issued. The bonds may:

(1) bear interest at a fixed, floating, or other type of rate, and be sold at public or private sale at a price or under terms that the issuer's governing body determines to be the most advantageous reasonably obtainable;

(2) be made callable before maturity at times and prices prescribed by the issuer's governing body;

(3) be in coupon form; and

(4) be registrable as to principal or as to principal and interest.

Sec. 362.034. APPROVAL AND REGISTRATION. (a) An issuer shall submit bonds that have been authorized by its governing body, including refunding bonds and the record relating to the bond issuance, to the attorney general for examination as to their validity. If the bonds state that they are secured by a pledge of proceeds of a lease or contract of sale previously entered into by the issuer, the issuer may submit the contract with the bonds.

(b) If the bonds have been authorized in accordance with state law and any contract has been made in accordance with state law, the attorney general shall approve the bonds and contract and the comptroller shall register the bonds.

(c) Following approval and registration, the bonds and contract are incontestable.

Sec. 362.035. PLEDGE OF REVENUE AND OTHER AMOUNTS AS SECURITY. 
(a) Bonds are payable solely from and shall be secured by a pledge of:

(1) revenues of the issuer derived from the lease or sale of a system;

(2) amounts attributable to bond proceeds; or

(3) amounts obtained through the exercise of a remedy provided by the governing body's resolution or a security agreement
securing the bonds in the manner specified in the resolution or security agreement.

(b) The governing body shall fix and periodically revise payments under a lease or contract for sale of a system so that the payments and other pledged revenue will be sufficient to pay the bonds and interest on the bonds as they mature and become due and to maintain reserve or other funds as provided by the resolution or security agreement.

(c) The governing body may direct the investment of money in the funds created by the resolution or security agreement, and may delegate this authority to its authorized agent.

Sec. 362.036. SECURITY MAY APPLY TO ADDITIONAL BONDS. (a) A pledge under Section 362.035 may reserve the right, under conditions specified by the pledge, to issue additional bonds to be on a parity with or subordinate to the bonds secured by the pledge.

(b) Bonds issued under this chapter may be combined in the same issue with bonds issued for other purposes authorized by law.

Sec. 362.037. TRUST AS SECURITY. (a) The issuer's governing body may additionally secure bonds, including refunding bonds, by a trust indenture under which the trustee may be a bank that has trust powers and that is located inside or outside the state.

(b) Regardless of any mortgage, deed of trust lien, or security interest under Section 362.038, the trust indenture may:

(1) contain any provision that the governing body prescribes for the security of the bonds and the preservation of the trust estate;

(2) provide for amendment or modification of the trust indenture;

(3) condition the right to spend the issuer's money or sell an issuer's system as provided by the trust indenture;

(4) provide in other manners for protection and enforcement of bondholders' rights and remedies as is reasonable and proper; and

(5) provide for the issuance of replacement bonds for lost,
stolen, or mutilated bonds.

Sec. 362.038. OTHER SECURITY. (a) The bonds may be additionally secured by a mortgage, deed of trust lien, or security interest in a designated system of the issuer's governing body and all property and rights appurtenant to the system.

(b) The mortgage, deed of trust lien, or security interest may give the trustee the power to operate the system, sell the system to pay the debt, or take any other action to secure the bonds.

(c) A purchaser at a sale under a mortgage or deed of trust lien is the absolute owner of the system and rights purchased.

Sec. 362.039. ACTION BY BONDHOLDERS. (a) The resolution or a security agreement may provide that on default in the payment of principal of or interest on the bonds, or threatened default under conditions stated in the resolution or security agreement, and on petition of the holders of outstanding bonds, a court of competent jurisdiction may appoint a receiver to collect and receive pledged income.

(b) The resolution or security agreement may limit or qualify the rights of less than all of the holders of outstanding bonds payable from the same source to institute or prosecute litigation affecting the issuer's property or income.

Sec. 362.040. INVESTMENT AND USE OF PROCEEDS. (a) The governing body of the issuer may set aside amounts from the proceeds of the sale of bonds for payment into an interest and sinking fund and reserve funds and may provide for this in the resolution or a security agreement. All expenses of issuing and selling the bonds shall be paid from the proceeds of the sale of the bonds.

(b) Proceeds from the sale of bonds shall be invested in the manner provided by the resolution or security agreement.
(c) A bank or trust company with trust powers may be designated as depository for proceeds of bonds or of sales contract or lease revenue. The bank or trust company shall furnish indemnifying bonds or pledge securities as required by the issuer to secure the deposits.

Sec. 362.041. REFUNDING BONDS. (a) The governing body of an issuer may issue refunding bonds to refund the principal of, interest on, and any redemption premium applicable to outstanding bonds. The refunding bonds may:

(1) refund more than one series of outstanding bonds and combine the revenue pledged to the outstanding bonds for the security of the refunding bonds; and

(2) be secured by other or additional revenues and deed of trust liens.

(b) The provisions of this chapter relating to issuance of bonds, security for bonds, approval by the attorney general, and remedies of bondholders apply to refunding bonds.

(c) The comptroller shall register refunding bonds:

(1) on the surrender and cancellation of the original bonds; or

(2) without surrender and cancellation of the original bonds if:

(A) the resolution authorizing the refunding bonds provides that their proceeds be deposited in the bank where the original bonds are payable; and

(B) the refunding bonds are issued in an amount sufficient to pay the principal of, interest on, and any redemption premium applicable to the original bonds up to their option date or maturity date.

Sec. 362.042. LEGAL INVESTMENTS; SECURITY FOR DEPOSITS. (a) Bonds issued under this chapter are legal and authorized investments for:

(1) a bank;
(2) a savings bank;
(3) a trust company;
(4) a savings and loan association;
(5) an insurance company;
(6) a fiduciary;
(7) a trustee; and
(8) a sinking fund of a municipality, county, school district, or other political corporation or subdivision of the state.

(b) The bonds may secure the deposits of public funds of the state or a municipality, county, school district, or other political corporation or subdivision of the state. The bonds are lawful and sufficient security for those deposits in an amount up to their face value, if accompanied by all appurtenant unmatured coupons.

Sec. 362.043. BONDS NOT GENERAL OBLIGATION. The bonds are special obligations payable solely from revenues pledged to their payment and are not general obligations of the governing body, the issuer, or the state. A bondholder may not demand payment from money obtained from a tax or other revenue of the issuer, excluding revenues pledged to the payment of the bonds.

CHAPTER 363. MUNICIPAL SOLID WASTE
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 363.001. SHORT TITLE. This chapter may be cited as the Comprehensive Municipal Solid Waste Management, Resource Recovery, and Conservation Act.

Sec. 363.002. POLICY. It is this state's policy to safeguard the health, general welfare, and physical property of the people and to protect the environment by encouraging the reduction in solid waste generation and the proper management of solid waste, including disposal and processing to extract usable materials or energy.
Encouraging a cooperative effort among federal, state, and local governments and private enterprise, to accomplish the purposes of this chapter, will further that policy.

Sec. 363.003. FINDINGS. The legislature finds that:

(1) the growth of the state's economy and population has resulted in an increase in discarded materials;

(2) the improper management of solid waste creates hazards to the public health, can cause air and water pollution, creates public nuisances, and causes a blight on the landscape;

(3) there is increasing public opposition to the location of solid waste land disposal facilities;

(4) because some communities lack sufficient financial resources, municipal solid waste land disposal sites in the state are being improperly operated and maintained, causing potential health problems to nearby residents, attracting vectors, and creating conditions that destroy the beauty and quality of our environment;

(5) often, operational deficiencies occur at rural solid waste land disposal sites operated by local governments that do not have the funds, personnel, equipment, and technical expertise to properly operate a disposal system;

(6) many smaller communities and rural residents have no organized solid waste collection and disposal system, resulting in dumping of garbage and trash along the roadside, in roadside parks, and at illegal dump sites;

(7) combining two or more small, inefficient operations into local, regional, or countywide systems may provide a more economical, efficient, and safe means for the collection and disposal of solid waste and will offer greater opportunities for future resource recovery;

(8) there are private operators of municipal solid waste management systems with whom persons can contract or franchise their services, and many of those private operators possess the management expertise, qualified personnel, and specialized equipment for the safe collection, handling, and disposal of solid waste;

(9) technologies exist to separate usable material from solid waste and to convert solid waste to energy, and it will benefit
this state to work in cooperation with private business, nonprofit
organizations, and public agencies that have acquired knowledge,
expertise, and technology in the fields of energy production and
recycling, reuse, reclamation, and collection of materials;

(10) the opportunity for resource recovery is diminished
unless local governments can exercise control over solid waste and
can enter long-term contracts to supply solid waste to resource
recovery systems or to operate those systems;

(11) the control of solid waste collection and disposal
should continue to be the responsibility of local governments and
public agencies, but the problems of solid waste management have
become a matter of state concern and require state financial
assistance to plan and implement solid waste management practices
that encourage the safe disposal of solid waste and the recovery of
material and energy resources from solid waste; and

(12) local governments should be encouraged to contract
with waste management firms to meet the requirements of this chapter.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1993, 73rd Leg., ch. 1045, Sec. 11, eff. Sept. 1, 1993.

Sec. 363.004. DEFINITIONS. In this chapter:

(1) "Advisory council" means the Municipal Solid Waste
Management and source Recovery Advisory Council.

(2) "Commission" means the Texas Natural Resource
Conservation Commission.

(3) "Executive director" means the executive director of
the Texas Natural Resource Conservation Commission.

(4) "Disposal" means the discharge, deposit, injection,
dumping, spilling, leaking, or placing of containerized or
uncontainerized solid waste or hazardous waste into or on land or
water so that the solid waste or hazardous waste or any constituent
of solid waste or hazardous waste may enter the environment or be
emitted into the air or discharged into surface water or groundwater.

(5) "Governing body" means the governing body of a
municipality, the commissioners court, the board of directors, the
trustees, or a similar body charged by law with governing a public
agency.

(6) "Hazardous waste" means solid waste identified or
listed as a hazardous waste by the administrator of the United States Environmental Protection Agency under the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act (42 U.S.C. Section 6901 et seq.).

(7) "Industrial solid waste" means solid waste resulting from or incidental to a process of industry or manufacturing, or mining or agricultural operations.

(8) "Local government" means a county, municipality, or other political subdivision of the state exercising the authority granted under Section 361.165 (Solid Waste Disposal Act).

(9) "Municipal solid waste" means solid waste resulting from or incidental to municipal, community, commercial, institutional, and recreational activities, and includes garbage, rubbish, ashes, street cleanings, dead animals, abandoned automobiles, and other solid waste other than industrial solid waste.

(10) "Planning fund" means the municipal solid waste management planning fund.

(11) "Planning region" means a region of this state identified by the governor as an appropriate region for municipal solid waste planning as provided by Section 4006 of the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act (42 U.S.C. Section 6901 et seq.).

(12) "Processing" means the extraction of materials, transfer, volume reduction, conversion to energy, or other separation and preparation of solid waste for reuse or disposal, including treatment or neutralization of hazardous waste designed to change the physical, chemical, or biological character or composition of hazardous waste so as to:

(A) neutralize hazardous waste;

(B) recover energy or material from hazardous waste;

or

(C) render hazardous waste nonhazardous or less hazardous, safer to transport, store, or dispose of, amenable for recovery or storage, or reduced in volume.

(13) "Property" means land, structures, interest in land, air rights, water rights, and rights that accompany interest in land, structures, water rights, and air rights and includes easements, rights-of-way, uses, leases, incorporeal hereditaments, legal and equitable estates, interest, or rights such as terms for years and liens.
(14) "Public agency" means a municipality, county, or district or authority created and operating under Article III, Section 52(b)(1) or (2), or Article XVI, Section 59, of the Texas Constitution, or a combination of two or more of those governmental entities acting under an interlocal agreement and having the authority under this chapter or other law to own and operate a solid waste management system.

(15) "Regional or local solid waste management plan" means a plan adopted by a planning region under Section 363.062 or a local government under Section 363.063.

(16) "Resolution" means the action, including an order or ordinance, that authorizes bonds and that is taken by the governing body.

(17) "Resource recovery" means recovering materials or energy from solid waste or otherwise converting solid waste to a useful purpose.

(18) "Resource recovery system" means real property, structures, plants, works, facilities, equipment, pipelines, machinery, vehicles, vessels, rolling stock, licenses, or franchises used or useful in connection with processing solid waste to extract, recover, reclaim, salvage, reduce, or concentrate the solid waste or convert it to energy or useful matter or resources, including electricity, steam, or other forms of energy, metal, fertilizer, glass, or other forms of material and resources. The term includes real property, structures, plants, works, facilities, pipelines, machinery, vehicles, vessels, rolling stock, licenses, or franchises used or useful in:

(A) transporting, receiving, storing, transferring, and handling solid waste;

(B) preparing, separating, or processing solid waste for reuse;

(C) handling and transporting recovered matter, resources, or energy; and

(D) handling, transporting, and disposing of nonrecoverable solid waste residue.

(19) "Solid waste" means garbage, rubbish, sludge from a wastewater treatment plant, water supply treatment plant, or air pollution control facility, and other discarded material, including solid, liquid, semisolid, or contained gaseous material resulting from industrial, municipal, commercial, mining, and agricultural
operations and from community and institutional activities, but does not include:

(A) solid or dissolved material in domestic sewage or irrigation return flows or industrial discharges subject to regulation by permit issued under Chapter 26, Water Code;

(B) soil, dirt, rock, sand, and other natural or man-made inert solid materials used to fill land if the object of the fill is to make the land suitable for surface improvement construction; or

(C) waste materials that result from activities associated with the exploration, development, or production of oil or gas and are subject to control by the Railroad Commission of Texas.

(20) "Solid waste management" means the systematic control of any of the following activities:

(A) generation;

(B) source separation;

(C) collection;

(D) handling;

(E) storage;

(F) transportation;

(G) processing;

(H) treatment;

(I) resource recovery; or

(J) disposal of solid waste.

(21) "Solid waste management system" means a plant, composting process plant, incinerator, sanitary landfill, transfer station, or other works and equipment that is acquired, installed, or operated to collect, handle, store, process, recover material or energy from, or dispose of solid waste, and includes sites for those works and equipment.

(22) "State solid waste management plan" means the Solid Waste Management Plan for Texas, Volume 1, Municipal Solid Waste, adopted by the Texas Board of Health, including subsequent amendments by the commission.

(23) "Technical assistance fund" means the municipal solid waste resource recovery applied research and technical assistance fund.

(24) "Yard waste" means leaves, grass clippings, yard and garden debris, and brush, including clean woody vegetative material not greater than six inches in diameter, that result from landscaping
maintenance and land-clearing operations. The term does not include stumps, roots, or shrubs with intact root balls.

Sec. 363.005. APPLICATION OF CHAPTER. This chapter applies only to solid waste and hazardous waste as described by Sections 361.011 and 361.012.

Sec. 363.006. CONSTRUCTION OF CHAPTER; EXEMPTIONS. (a) This chapter does not prohibit or limit a person from extracting or using materials that the person generates or legally collects or acquires for recycling or resale.

(b) Materials that are separated or recovered from solid waste for reuse or recycling by the generator, by a private person under contract with the generator, or by a collector of solid waste or recovered materials are not subject to this chapter.

Sec. 363.007. STATUTES NOT AFFECTED BY CHAPTER. This chapter does not affect:

(1) Chapter 361 (Solid Waste Disposal Act);
(2) Chapter 364 (County Solid Waste Control Act); or

SUBCHAPTER B. COMMISSION POWERS AND DUTIES
Sec. 363.021. COMMISSION RULEMAKING AUTHORITY. The commission may adopt rules necessary to implement this chapter.

Sec. 363.022. COMMISSION POWERS AND DUTIES. (a) The commission shall implement and enforce this chapter.

(b) The commission shall:
(1) provide technical assistance to public agencies and planning regions and cooperate with federal agencies and private organizations in carrying out this chapter;
(2) promote planning for and implementation of the recovery of materials and energy from solid waste;
(3) establish guidelines for regional and local municipal solid waste management plans;
(4) review and approve or disapprove regional and local municipal solid waste management plans;
(5) assist the advisory council in its duties;
(6) provide educational and informational programs to promote effective municipal solid waste management practices and to encourage resource recovery;
(7) provide procedures under which public agencies and planning regions may apply for financial assistance grants;
(8) evaluate applications and award financial assistance grants in accordance with commission rules; and
(9) coordinate programs under this chapter with other state agencies, including the Railroad Commission of Texas and any other state or federal agency having an interest in a program or project.

Sec. 363.023. APPLICATION FOR FEDERAL FUNDS; CONTRACTS AND AGREEMENTS WITH FEDERAL GOVERNMENT. The commission may apply for and accept federal funds and enter into contracts and agreements with the federal government relating to planning, developing, maintaining, and enforcing the municipal solid waste management program.
Sec. 363.024. DISBURSEMENT OF FEDERAL FUNDS. (a) The commission may accept and disburse funds received from the federal government for purposes relating to solid waste management and resource recovery in the manner provided by this chapter and by agreement between the federal government and the commission.

(b) State funds provided to public agencies or planning regions under this chapter may be combined with local or regional funds to match federal funds on approved programs for municipal solid waste management.

Sec. 363.041. COMPOSITION OF ADVISORY COUNCIL. The Municipal Solid Waste Management and Resource Recovery Advisory Council is composed of the following 18 members appointed by the commission:

(1) an elected official from a municipality with a population of 750,000 or more;

(2) an elected official from a municipality with a population of 100,000 or more but less than 750,000;

(3) an elected official from a municipality with a population of 25,000 or more but less than 100,000;

(4) an elected official from a municipality with a population of less than 25,000;

(5) two elected officials of separate counties, one of whom is from a county with a population of less than 150,000;

(6) an official from a municipality or county solid waste agency;

(7) a representative from a private environmental conservation organization;

(8) a representative from a public solid waste district or authority;

(9) a representative from a planning region;

(10) a representative of the financial community;
(11) a representative from a solid waste management organization composed primarily of commercial operators;
(12) two persons representing the public who would not otherwise qualify as members under this section;
(13) a registered waste tire processor;
(14) a professional engineer from a private engineering firm with experience in the design and management of solid waste facilities;
(15) a solid waste professional with experience managing or operating a commercial solid waste landfill; and
(16) a person who is experienced in the management and operation of a composting or recycling facility or an educator with knowledge of the design and management of solid waste facilities.

Sec. 363.042. TERMS; VACANCIES. (a) Advisory council members serve for staggered six-year terms, with the terms of five members expiring August 31 of each odd-numbered year.

(b) The commission shall fill a vacancy on the advisory council for the unexpired term by appointing a person who has the same qualifications as required under Section 363.041 for the person who previously held the vacated position.

(c) A person who is appointed to a term on the advisory council or to fill a vacancy on the advisory council may continue to serve as a member only while the person continues to qualify for the category from which the person is appointed.

Sec. 363.043. PRESIDENT. (a) The commission chairman shall appoint one member as advisory council president.

(b) The advisory council president serves for a term of two years expiring August 31 of each odd-numbered year.
Sec. 363.044. PAYMENT OF AND REIMBURSEMENT FOR EXPENSES. (a) Each advisory council member is entitled to compensation and reimbursement of travel expenses incurred by the member while conducting the business of the advisory council, as provided in the General Appropriations Act.

(b) The expenses incurred by the advisory council are to be paid from the planning fund, the technical assistance fund, or other money available for that purpose.

Sec. 363.045. MEETINGS. (a) The advisory council shall adopt and may amend procedures for the conduct of advisory council business.

(b) The advisory council shall hold at least one meeting every three months.

Sec. 363.046. DUTIES. The advisory council shall:

(1) review and evaluate the effect of state policies and programs on municipal solid waste management;

(2) make recommendations to the executive director and the commission on matters relating to municipal solid waste management;

(3) recommend legislation to the commission to encourage the efficient management of municipal solid waste;

(4) recommend policies to the commission for the use, allocation, or distribution of the planning fund that include:

(A) identification of statewide priorities for use of funds;

(B) the manner and form of application for financial assistance; and

(C) criteria, in addition to those prescribed by
Section 363.093(d), to be evaluated in establishing priorities for providing financial assistance to applicants; and

(5) recommend to the executive director special studies and projects to further the effectiveness of municipal solid waste management and resource recovery.

SUBCHAPTER D. REGIONAL AND LOCAL SOLID WASTE MANAGEMENT PLANS

Sec. 363.061. COMMISSION RULES; APPROVAL OF REGIONAL AND LOCAL SOLID WASTE MANAGEMENT PLANS. (a) The commission shall adopt rules relating to regional and local solid waste management plans, including procedures for review and criteria for approval of those plans.

(b) The commission by rule shall require as criteria for approval of a regional or local solid waste management plan that the plan reflect consideration of the preference of municipal solid waste management methods under Section 361.022 (Solid Waste Disposal Act).

Sec. 363.0615. RESPONSIBILITY FOR REGIONAL PLANNING. (a) A council of governments has primary responsibility for the regional planning process.

(b) A planning region may be divided into subregions as part of the regional planning process. If a planning region is divided into subregions, the council of governments with jurisdiction in the planning region may assist the local governments constituting a subregion to develop a joint local solid waste management plan that provides for solid waste services for solid waste generated within that subregion.

(c) A council of governments may:

(1) employ personnel necessary to carry out the regional planning process, including an administrator for each subregion if subregions are established; and

(2) adopt rules necessary to carry out responsibilities concerning the regional planning process.
(d) In this section, "council of governments" means a regional planning commission created under Chapter 391, Local Government Code.

Added by Acts 1990, 71st Leg., 6th C.S., ch. 10, art. 2, Sec. 31(b), eff. Sept. 6, 1990.

Sec. 363.0616. PREPARATION OF REGIONAL PLAN BY OTHER PUBLIC AGENCY IN CERTAIN REGIONS. (a) In a 10-county region with a population of less than 300,000, a council of governments is not required to prepare a regional solid waste management plan for that region if a public agency other than a municipality or county has received state funds for that purpose and has prepared a plan that has been approved by the state agency that administered the state funds.

(b) In this section, "council of governments" means a regional planning commission created under Chapter 391, Local Government Code.

Sec. 363.062. REGIONAL SOLID WASTE MANAGEMENT PLAN. (a) A planning region shall develop a regional solid waste management plan as provided by Section 363.0635 that must conform to the state solid waste management plan.

(b) A regional solid waste management plan shall be submitted to the commission for review.

(c) If the commission determines that a regional solid waste management plan conforms to the requirements adopted by the commission, the commission shall consider the regional solid waste management plan for approval.

(d) In each even-numbered year on the anniversary of the adoption of a municipal solid waste management plan, each planning region shall report to the commission on the progress of the region's municipal solid waste management program and recycling activities developed under this section. The commission may not require a planning region to submit to the commission information previously submitted to the commission by the planning region in an earlier plan or report.

(e) If the commission determines that a regional solid waste management plan does not conform to the requirements adopted by the
commission, the commission shall give written notice to the planning region of each aspect of the plan that must be changed to conform to commission requirements. After the changes have been made in the plan as provided by the commission, the commission shall consider the plan for approval.

(f) The commission by rule shall adopt an approved regional solid waste management plan.

Sec. 363.063. LOCAL SOLID WASTE MANAGEMENT PLAN. (a) A local government shall develop a local solid waste management plan as provided by Section 363.0635.

(b) A local solid waste management plan must conform to the adopted regional solid waste management plan that covers the area in the local government's jurisdiction.

(c) A local solid waste management plan shall be submitted to the commission for review. If the commission determines that the plan conforms to the requirements adopted by the commission, the commission shall consider the plan for approval.
