(d) In each even-numbered year on the anniversary of the adoption of a municipal solid waste management plan, each local government shall report to the commission on the progress of its municipal solid waste management program and recycling activities implemented under this section. The commission may not require a local government to submit to the planning region or to the commission information previously submitted to the planning region or commission by the local government in an earlier plan or report.

(e) If the commission determines that a local solid waste management plan does not conform to the requirements adopted by the commission, the commission shall give written notice to the local government of each aspect of the plan that must be changed to conform to commission requirements. After changes are made in the plan as requested by the commission, the commission shall consider the plan for approval.
(f) The commission by rule shall adopt an approved local solid waste management plan.

Sec. 363.0635. SCHEDULE FOR ADOPTION OF PLANS. (a) The commission shall establish a time schedule by which each planning region existing on September 1, 1989, shall develop a regional solid waste management plan, and local governments located in those planning regions shall develop local solid waste management plans as required by this section.

(b) The time schedule shall be based on the availability of funds to provide financial assistance to planning regions and local governments as prescribed by Sections 363.091 through 363.093 for the development of those plans.

(c) Unless otherwise required by federal law or federal regulations, a planning region or local government is not required to develop a solid waste management plan until after the date on which funds are provided to that planning region or local government by the commission as prescribed by Sections 363.091 through 363.093 for the development of plans.

(d) Each planning region existing on September 1, 1989, shall develop a regional solid waste management plan, and local governments located in that planning region shall develop local solid waste management plans in accordance with the time schedule established by the commission and as provided by this subchapter.

Sec. 363.064. CONTENTS OF REGIONAL OR LOCAL SOLID WASTE MANAGEMENT PLAN. (a) A regional or local solid waste management plan must:

(1) include a description and an assessment of current
efforts in the geographic area covered by the plan to minimize production of municipal solid waste, including sludge, and efforts to reuse or recycle waste;

(2) identify additional opportunities for waste minimization and waste reuse or recycling;

(3) include a description and assessment of existing or proposed community programs for the collection of household hazardous waste;

(4) make recommendations for encouraging and achieving a greater degree of waste minimization and waste reuse or recycling in the geographic area covered by the plan;

(5) encourage cooperative efforts between local governments in the siting of landfills for the disposal of solid waste;

(6) consider the need to transport waste between municipalities, from a municipality to an area in the jurisdiction of a county, or between counties, particularly if a technically suitable site for a landfill does not exist in a particular area;

(7) allow a local government to justify the need for a landfill in its jurisdiction to dispose of the solid waste generated in the jurisdiction of another local government that does not have a technically suitable site for a landfill in its jurisdiction;

(8) establish recycling rate goals appropriate to the area covered by the plan;

(9) recommend composting programs for yard waste and related organic wastes that may include:
   (A) creation and use of community composting centers;
   (B) adoption of the "Don't Bag It" program for lawn clippings developed by the Texas Agricultural Extension Service; and
   (C) development and promotion of education programs on home composting, community composting, and the separation of yard waste for use as mulch;

(10) include an inventory of municipal solid waste landfill units, including:
    (A) landfill units no longer in operation;
    (B) the exact boundaries of each former landfill unit or, if the exact boundaries are not known, the best approximation of each unit's boundaries;
    (C) a map showing the approximate boundaries of each former landfill unit, if the exact boundaries are not known;
    (D) the current owners of the land on which the former
landfill units were located; and

(E) the current use of the land;

(11) assess the need for new waste disposal capacity; and

(12) include a public education program.

(b) If the boundaries of a municipal solid waste unit that is
no longer operating are known to be wholly on an identifiable tract,
the council of governments for the area in which the former landfill
unit is located shall notify the owner of land that overlays the
former landfill unit of the former use of the land and shall notify
the county clerk of the county or counties in which the former
landfill unit is located of the former use. The notice to the county
clerk must include:

(1) a description of the exact boundaries of the former
landfill unit or, if the exact boundaries are not known, the best
approximation of each unit's boundaries;

(2) a legal description of the parcel or parcels of land in
which the former landfill unit is located;

(3) notice of the former landfill unit's former use; and

(4) notice of the restrictions on the land imposed by this
subchapter.

(c) The county clerk shall record the descriptions and notices
submitted by a council of governments under Subsection (b). The
county clerk may prescribe the method of arranging and indexing the
descriptions and notices. The county clerk shall make the
descriptions and notices available for public inspection.

(d) The municipalities and counties within each council of
governments shall cooperate fully in compiling the inventory of
landfill units.

(e) Each council of governments shall provide a copy of the
inventory of municipal solid waste landfill units to the commission
and to the chief planning official of each municipality and county in
which a unit is located. The commission and the officials shall make
the inventory available for public inspection.

(f) The commission may grant money from fees collected under
Section 361.013 to a municipality or association of municipalities
for the purpose of conducting the inventory required by this section.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1990, 71st Leg., 6th C.S., ch. 10, art. 2, Sec. 31(e), eff.
Sept. 6, 1990; Acts 1991, 72nd Leg., ch. 238, Sec. 1, eff. Sept. 1,
Sec. 363.065. PLANNING PROCESS; PLANNING AREA. (a) A regional or local solid waste management plan must result from a planning process that:

(1) is related to proper management of solid waste in the planning area under consideration; and

(2) identifies problems and collects and evaluates data necessary to provide a written public statement of goals, objectives, and recommended actions intended to accomplish those goals and objectives.

(b) A regional solid waste management plan must consider the entire area in an identified planning region.

(c) A local solid waste management plan must consider all the area in the jurisdiction of one or more local governments but may not include an entire planning region.

Sec. 363.066. CONFORMITY WITH REGIONAL OR LOCAL SOLID WASTE MANAGEMENT PLAN. (a) On the adoption of a regional or local solid waste management plan by commission rule, public and private solid waste management activities and state regulatory activities must conform to that plan.

(b) The commission may grant a variance from the adopted plan under procedures and criteria adopted by the commission.

Sec. 363.067. STUDY REQUIRED FOR RESOURCE RECOVERY OR OTHER SOLID WASTE MANAGEMENT SYSTEMS. (a) To develop programs to implement regional or local solid waste management plans or other solid waste management alternatives that include resource recovery, a study must be made to determine feasibility and acceptance of the programs.

(b) The study shall be conducted in three phases:
   (1) a screening study;
   (2) a feasibility study; and
   (3) an implementation study.

(c) Public agencies that conduct all or part of one or more phases may qualify for assistance to accomplish other phases or parts of phases.

(d) After each phase, the governing body shall determine whether to proceed to the next phase.

(e) A study may not include final design and working drawings of any request for proposals for project facilities or operations.

Sec. 363.068. SCREENING STUDY. (a) A screening study must provide a survey and assessment of the various factors affecting the suitability of resource recovery or other solid waste management systems with the scope and detail needed to make an initial determination of whether those systems are potentially successful alternatives to existing systems.

(b) The survey and assessment must include:
   (1) the amount and characteristics of available waste;
   (2) the suitability and economics of existing solid waste management systems;
   (3) institutional factors affecting potential alternatives;
   (4) technologies available;
   (5) identification of potential material and energy markets;
   (6) economics of alternative systems; and
   (7) interest of the local citizenry in available
Sec. 363.069. FEASIBILITY STUDY. A feasibility study must provide an evaluation of alternatives that:

(1) identifies current solid waste management practices and costs;

(2) analyzes the waste stream and its availability by composition and quantity;

(3) identifies potential markets and obtains statements of interest for recovered materials and energy;

(4) identifies and evaluates alternative solid waste management systems;

(5) provides an assessment of potential effects of alternatives in terms of their public health, physical, social, economic, fiscal, environmental, and aesthetic implications;

(6) conducts and evaluates results of public hearings or surveys of local citizens' opinions; and

(7) makes recommendations on alternatives for further consideration.

Sec. 363.070. IMPLEMENTATION STUDY. An implementation study must:

(1) provide a recommended course of action for a public agency;

(2) provide for the collection and analysis of data;

(3) identify and characterize solid waste problems and issues;

(4) determine waste stream composition and quantity;

(5) identify and analyze alternatives;

(6) evaluate risk elements of alternatives;

(7) identify and solidify markets;

(8) make site analyses;

(9) evaluate financing options and recommend preferred methods of financing;

(10) evaluate the application of resource recovery

technologies;
   (11) identify and discuss potential effects of alternative systems;
   (12) provide for public participation and recommend preferred alternatives; and
   (13) provide for implementation.

SUBCHAPTER E. PLANNING FUND AND TECHNICAL ASSISTANCE FUND

Sec. 363.091. MUNICIPAL SOLID WASTE MANAGEMENT PLANNING FUND. (a) The municipal solid waste management planning fund is in the state treasury.

(b) In addition to money appropriated by the legislature, money received from other sources, including money received under contracts or agreements entered into under Section 363.116, shall be deposited to the credit of the planning fund.

Sec. 363.092. PLANNING FUND USE; FINANCIAL ASSISTANCE TO LOCAL GOVERNMENTS AND PLANNING REGIONS. (a) The executive director shall administer the financial assistance program and the planning fund under the commission's direction.

(b) The commission shall adopt rules for the use and distribution to public agencies and planning regions of money in the planning fund.

(c) The commission shall use the planning fund to provide financial assistance to:
   (1) local governments and planning regions to develop regional and local solid waste management plans;
   (2) public agencies and planning regions to prepare screening, feasibility, and implementation studies; and
   (3) local governments and planning regions for costs of developing and implementing approved household hazardous waste diversion programs, excluding costs of disposal.

(d) The commission shall use at least 90 percent of the money appropriated to it for the planning fund to provide financial assistance, and not more than 10 percent of the total funds...
appropriated to the commission for the planning fund may be used to administer the financial assistance program and the planning fund and to pay the expenses of the advisory council.  
(e) The planning fund may not be used for construction or to prepare final design and working drawings, acquire land or an interest in land, or pay for recovered resources.
(f) The commission by rule shall allocate a specific percentage of money provided under Subsection (c)(1) to be used to develop plans for community household hazardous waste collection programs.

Sec. 363.093. APPLICATION FOR FINANCIAL ASSISTANCE. (a) An applicant for financial assistance from the planning fund must agree to comply with:
(1) the state solid waste management plan;
(2) the commission's municipal solid waste management rules; and
(3) other commission requirements.
(b) The commission may not authorize release of funds under a financial assistance application until the applicant furnishes to the commission a resolution adopted by the governing body of each public agency or planning region that is a party to the application certifying that:
(1) the applicant will comply with the financial assistance program's provisions and commission requirements;
(2) the funds will be used only for the purposes for which they are provided;
(3) regional or local solid waste management plans or studies developed with the financial assistance will be adopted by the governing body as its policy; and
(4) future municipal solid waste management activities will, to the extent reasonably feasible, conform to the regional or local solid waste management plan.
(c) Financial assistance provided by the commission to a public agency or planning region must be matched at least equally by funds...
provided by the recipient, except that this matching requirement does not apply if the recipient is a council of governments created under Chapter 391, Local Government Code, or a municipality or county.

(d) The priority given to applicants in receiving financial assistance must be determined by:

(1) the need to initiate or improve the solid waste management program in the applicant's jurisdiction;
(2) the needs of the state;
(3) the applicant's financial need; and
(4) the degree to which the proposed program will result in improvements that meet the requirements of state, regional, and local solid waste management plans.

(e) The commission may approve an application for financial assistance if:

(1) the application is consistent with the rules adopted by the commission under Section 363.092(b); and
(2) the commission finds that the applicant requires state financial assistance and that it is in the public interest to provide the financial assistance.

Sec. 363.094. MUNICIPAL SOLID WASTE RESOURCE RECOVERY APPLIED RESEARCH AND TECHNICAL ASSISTANCE FUND. (a) The municipal solid waste resource recovery applied research and technical assistance fund is in the state treasury.

(b) The technical assistance fund is composed of legislative appropriations.

(c) The technical assistance fund shall be used to:

(1) accomplish applied research and development studies; and

(2) provide technical assistance to public agencies to carry out investigations and to make studies relating to resource recovery and improved municipal solid waste management.

(d) The executive director shall administer the technical assistance fund under the commission's direction.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 363.095. USE OF TECHNICAL ASSISTANCE FUND. (a) Studies, applied research, investigations, and other purposes accomplished with and technical assistance provided through use of money in the technical assistance fund must comply with:

(1) the state solid waste management plan;
(2) the commission's municipal solid waste management rules; and
(3) other commission policy requirements.

(b) Technical assistance, applied research, investigations, studies, and other purposes for which funds may be provided may include:

(1) an evaluation of the long-term statewide needs of public agencies in financing municipal solid waste systems and consideration of the nature and extent of financial support that the state should provide for those systems;
(2) an evaluation of state of the art waste reduction systems and waste-to-energy systems that include steam generation and electrical production;
(3) establishment and evaluation of a pilot source separation and recycling project;
(4) feasibility studies of appropriate technology that may be applicable to several local governments for the improvement of solid waste management systems;
(5) cost and economic comparisons of alternative solid waste management systems;
(6) an evaluation of available markets for energy and recovered materials;
(7) an evaluation of the availability of recovered materials and energy resources for new market opportunities; and
(8) a citizen involvement program to educate citizens in solid waste management issues and the improvement of solid waste management practices.

(c) The commission may hire personnel to be paid from the technical assistance fund and may use the technical assistance fund for obtaining consultant services and for entering into interagency agreements with other state agencies, public agencies, or planning regions.
SUBCHAPTER F. LOCAL SOLID WASTE SERVICES AND REGULATION

Sec. 363.111. ADOPTION OF RULES BY PUBLIC AGENCY. (a) A governing body may adopt rules for regulating solid waste collection, handling, transportation, storage, processing, and disposal.

(b) The rules may not authorize any activity, method of operation, or procedure prohibited by Chapter 361 (Solid Waste Disposal Act) or by rules or regulations of the commission or other state or federal agencies.

Sec. 363.112. PROHIBITION OF PROCESSING OR DISPOSAL OF SOLID WASTE IN CERTAIN AREAS. (a) To prohibit the processing or disposal of municipal or industrial solid waste in certain areas of a municipality or county, the governing body of the municipality or county must by ordinance or order specifically designate the area of the municipality or county, as appropriate, in which the disposal of municipal or industrial solid waste will not be prohibited.

(b) The ordinance or order must be published for two consecutive weeks in a newspaper of general circulation in the area of the municipality or county, as appropriate, before the date the proposed ordinance or order is adopted by the governing body.

(c) The governing body of a municipality or county may not prohibit the processing or disposal of municipal or industrial solid waste in an area of that municipality or county for which:

(1) an application for a permit or other authorization under Chapter 361 has been filed with and is pending before the commission; or

(2) a permit or other authorization under Chapter 361 has been issued by the commission.

(d) The commission may not grant an application for a permit to process or dispose of municipal or industrial solid waste in an area in which the processing or disposal of municipal or industrial solid waste is prohibited by an ordinance or order authorized by Subsection
(a), unless the governing body of the municipality or county violated Subsection (c) in passing the ordinance or order. The commission by rule may establish procedures for determining whether an application is for the processing or disposal of municipal or industrial solid waste in an area for which that processing or disposal is prohibited by an ordinance or order.

(e) The powers specified by this section may not be exercised by the governing body of a municipality or county with respect to areas to which Section 361.090 applies.

Sec. 363.113. ESTABLISHMENT OF SOLID WASTE MANAGEMENT SERVICES. Each county with a population of more than 30,000 and each municipality shall review the provision of solid waste management services in its jurisdiction and shall assure that those services are provided to all persons in its jurisdiction by a public agency or private person.

Sec. 363.114. RESOURCE RECOVERY SERVICE; FEES. (a) A public agency may offer a resource recovery service to persons in its jurisdictional boundaries and may charge fees for that service.

(b) To aid in enforcing collection of fees for a resource recovery service, a public agency, after notice and hearing, may suspend service provided by any utility owned or operated by the public agency to a person who is delinquent in payment of those fees.

Sec. 363.115. TAX EXEMPT STATUS OF CERTAIN RESOURCE RECOVERY SYSTEMS. A resource recovery system acquired by a public agency to reduce municipal solid waste by mechanical means or incineration is exempt from property taxes of any municipality, county, school district, or other political subdivision of the state.

Sec. 363.116. AUTHORITY TO ENTER CONTRACTS CONCERNING SOLID WASTE MANAGEMENT SERVICES. (a) A public agency may enter into contracts to enable it to furnish or receive solid waste management services on the terms considered appropriate by the public agency's governing body.

(b) A home-rule municipality's charter provision restricting the duration of a municipal contract does not apply to a municipal contract that relates to solid waste management services.

Sec. 363.117. SOLID WASTE MANAGEMENT SERVICE CONTRACTS. Under a solid waste management service contract, a public agency may:

(1) acquire and operate all or any part of one or more solid waste management systems, including resource recovery systems;

(2) contract with a person or other public agency to manage solid waste for that person or agency;

(3) contract with a person to purchase or sell, by installments over a term considered desirable by the governing body or otherwise, all or any part of a solid waste management system, including a resource recovery system;

(4) contract with a person or other public agency for the operation of all or any part of a solid waste management system, including a resource recovery system;

(5) lease to or from a person or other public agency, for the term and on the conditions considered desirable by the governing body, all or any part of a solid waste management system, including a resource recovery system;

(6) contract to make all or any part of a solid waste management system available to other persons or public agencies and furnish solid waste management services through the public agency's system, provided the contract:

(A) includes provisions to assure equitable treatment of parties who contract with the public agency for solid waste management services from all or any part of the same solid waste management system;
(B) provides the method of determining the amounts to be paid by the parties;

(C) provides that the public agency shall either operate or contract with a person to operate for the public agency a solid waste management system or part of a solid waste management system;

(D) provides that the public agency is entitled to continued performance of the services after the amortization of the public agency's investment in the solid waste management system during the useful life of the system on payment of reasonable charges for the services, reduced to take into consideration the amortization; and

(E) includes any other provisions and requirements the public agency determines to be appropriate;

(7) contract with another public agency or other persons for solid waste management services, including contracts for the collection and transportation of solid waste and for processing or disposal at a permitted solid waste management facility, including a resource recovery facility, provided the contract may specify:

(A) the minimum quantity and quality of solid waste to be provided by the public agency; and

(B) the minimum fees and charges to be paid by the public agency for the right to have solid waste processed or disposed of at the solid waste management facility;

(8) contract with a person or other public agency to supply materials, fuel, or energy resulting from the operation of a resource recovery facility; and

(9) contract with a person or other public agency to receive or purchase solid waste, materials, fuel, or energy recovered from resource recovery facilities.

Sec. 363.118. INDUSTRIAL DEVELOPMENT CORPORATIONS. (a) A public agency that enters into a contract under Section 363.116 may sponsor the creation of an industrial development corporation as provided by the Development Corporation Act (Subtitle C1, Title 12, Local Government Code).

(b) If the system is located in the public agency's boundaries,
the corporation may issue its bonds, notes, or other evidences of indebtedness to finance the costs of a solid waste management system, including a resource recovery system, contemplated under the contract.

Amended by:
   Acts 2007, 80th Leg., R.S., Ch. 885 (H.B. 2278), Sec. 3.16, eff. April 1, 2009.

Sec. 363.119. FUNDING SOLID WASTE MANAGEMENT SERVICES. (a) A public agency may establish a solid waste management fund to make payments for solid waste management services covered by contracts entered into by the public agency.

(b) A public agency may agree to make sufficient provision in its annual budget to make payments under its contracts.

(c) Payments to be made by a public agency under a contract may also be made from revenues of the public agency's solid waste, water, sewer, electric, or gas system or any combination of utility systems.

(d) As a source of payment or as the sole source of payment, a public agency may use and pledge available revenues or resources for and to the payment of amounts due under contracts and may enter into covenants concerning those sources of payment to assure their availability if required.

(e) A public agency may establish, charge, and collect fees, rates, charges, rentals, and other amounts for services or facilities provided under or in connection with a contract. Those fees, rates, charges, rentals, and other amounts may be charged to and collected from the residents of the public agency, if any, or from users or beneficiaries of the services or facilities and may include water charges, sewage charges, and solid waste disposal fees and charges, including solid waste collection or handling fees. The public agency may use and pledge those fees, rates, charges, rentals, and other amounts to make payments required under a contract and may enter into a covenant to do so in amounts sufficient to make all or any part of the payments when due.

(f) A public agency that has taxing power, and that at the time of entering into a contract is using its general funds, including its tax revenues, to pay all or part of the costs of providing solid
waste collection, transportation, and disposal services, may agree and pledge that the contract is an obligation against the taxing power of the public agency.

**SUBCHAPTER G. BONDS**

Sec. 363.131. AUTHORITY TO ISSUE BONDS. (a) A public agency may issue bonds in the name of the public agency to acquire, construct, improve, enlarge, and repair all or part of a solid waste management system, including a resource recovery system.

(b) Pending the issuance of definitive bonds, a public agency may issue negotiable interim bonds eligible for exchange or substitution on issuance of definitive bonds.

Sec. 363.132. TERMS; FORM. (a) A public agency may issue its bonds in various series or issues.

(b) Bonds may mature serially or otherwise not more than 50 years after the date of issuance and shall bear interest at a rate permitted by state law.

(c) A public agency's bonds and interest coupons, if any, are investment securities under Chapter 8, Business & Commerce Code, and may be:

(1) issued registrable as to principal or as to principal and interest; and

(2) made redeemable before maturity, at the option of the public agency, or may contain a mandatory redemption provision.

(d) A public agency's bonds may be issued in the form, denominations, and manner, and under the terms, and shall be signed and executed, as provided by the governing body in the resolution or order authorizing the bonds.

Sec. 363.133. BOND PROVISIONS. (a) In the orders or resolutions authorizing the issuance of bonds, including refunding
bonds, the governing body may:

1. provide for the flow of funds and the establishment and maintenance of the interest and sinking fund, the reserve fund, and other funds; and
2. make additional covenants with respect to the bonds, the pledged revenues, and the operation and maintenance of the physical property of the solid waste management system, the revenue of which is pledged.

(b) In the orders or resolutions authorizing the issuance of bonds, the governing body may:

1. prohibit the further issuance of bonds or other obligations payable from the pledged revenue or may reserve the right to issue additional bonds to be secured by a pledge of and payable from the revenue on a parity with or subordinate to the lien and pledge in support of the bonds being issued; and
2. include other provisions as the governing body may determine.

(c) The governing body may adopt and have executed any other proceedings or instruments necessary and convenient in the issuance of bonds.

Sec. 363.134. APPROVAL AND REGISTRATION. (a) A public agency shall submit bonds issued by the public agency and records relating to their issuance to the attorney general for examination as to their validity. If the bonds are secured by a pledge of proceeds from a contract, the public agency shall submit to the attorney general for examination a copy of the contract and a copy of the records relating to the contract.

(b) If the attorney general finds that the bonds have been authorized and a contract entered into in accordance with law, the attorney general shall approve the bonds, and the comptroller shall register the bonds.

(c) Following approval and registration, the bonds are incontestable and are binding obligations according to their terms.

Sec. 363.135. BOND PAYMENT AND SECURITY. A public agency may pay the principal of and interest on bonds:

(1) from the levy and collection of taxes on all taxable property in the public agency's boundaries if the public agency is authorized by law to levy and collect property taxes;

(2) by pledging all or part of the designated revenues from the ownership or operation of physical property of a solid waste management system, including a resource recovery system, or from a contract entered into by a public agency under this chapter; or

(3) from other income of the public agency.

Sec. 363.136. BOND ELECTION. Bonds secured in whole or in part by taxes may not be issued by a public agency until authorized by a majority vote of the qualified voters of the public agency at an election ordered for that purpose. A bond election shall be held in the manner provided by law for other bond elections of the public agency.

Sec. 363.137. OTHER SECURITY. (a) The bonds may be additionally secured by a deed of trust or mortgage lien on part or all of the physical property of a solid waste management system, including a resource recovery system, of the public agency and rights appurtenant to that property.

(b) The deed of trust or mortgage lien may give the trustee the power to operate the property, sell the property to pay the debt, or take any other action to secure the bonds. A purchaser at a sale under a deed of trust or mortgage lien is the absolute owner of the property and rights purchased.

(c) Regardless of any deed of trust or mortgage lien under Subsection (a), the trust indenture may:

(1) contain any provision that the governing body prescribes for the security of the bonds and the preservation of the trust estate;

(2) provide for amendment or modification of the trust indenture; and
(3) provide for investment of the public agency's funds.

Sec. 363.138. BOND SALE AND EXCHANGE. (a) A public agency may sell bonds at a public or private sale at a price and on terms determined by the governing body.

(b) The public agency may exchange its bonds for property or an interest in property that its governing body considers necessary or convenient to carry out this chapter.

Sec. 363.139. INVESTMENT AND USE OF PROCEEDS. (a) Money may be set aside out of bond proceeds to provide for:

(1) interest to accrue on the bonds;
(2) administrative expenses up to the estimated date on which the solid waste management system will produce revenue; and
(3) reserve funds created by the resolution that authorized the bonds.

(b) Proceeds from the sale of bonds may be invested, pending their use, in the securities or time deposits specified by the resolution authorizing the issuance of the bonds or the trust indenture securing the bonds.

(c) The earnings on the investments may be applied as provided by the resolution or trust indenture.

Sec. 363.140. REFUNDING BONDS. (a) A public agency may issue refunding bonds to refund all or part of its outstanding bonds, including matured but unpaid interest coupons.

(b) Refunding bonds:

(1) mature serially or otherwise not more than 50 years after the date of issuance and bear interest at a rate permitted by state law; and

(2) may be payable from the same source as the bonds being refunded or from other additional sources.
(c) Refunding bonds must be approved by the attorney general in the same manner as other bonds.

(d) The comptroller shall register refunding bonds:
   (1) on the surrender and cancellation of the original bonds; or
   (2) without surrender and cancellation of the original bonds if:
       (A) the order or resolution authorizing the refunding bonds provides that their proceeds be deposited in the place where the original bonds are payable; and
       (B) the refunding bonds are issued in an amount sufficient to pay the principal of and interest on the original bonds up to their maturity date or to their option date if the bonds are called for payment before maturity according to their terms.

(e) A public agency may refund bonds in one or several installments.

(f) Instead of the method provided by this section, a public agency may refund bonds, notes, or other obligations as provided by general law.

Sec. 363.141. LEGAL INVESTMENTS; SECURITY FOR DEPOSITS. (a) Public agency bonds are legal and authorized investments for:
   (1) a bank;
   (2) a savings bank;
   (3) a trust company;
   (4) a savings and loan association;
   (5) an insurance company;
   (6) a fiduciary;
   (7) a trustee;
   (8) a guardian; and
   (9) a sinking fund of a municipality, county, school district, or other political subdivision of the state and other public funds of the state, including the permanent school fund.

(b) Public agency bonds may secure the deposits of public funds of the state or a municipality, county, school district, or other political subdivision of the state. The bonds are lawful and sufficient security for deposits to the extent of their value, if
accompanied by all unmatured coupons.

Sec. 363.142. TAX STATUS OF BONDS. Since a public agency is a public entity performing an essential public function, bonds issued by the public agency, any transaction relating to the bonds, and profits made in the sale of the bonds are exempt from taxation by the state or by a municipality, county, special district, or other political subdivision of the state.

Sec. 363.143. FEES FOR SERVICES. (a) While bonds are outstanding, the governing body may adopt and collect fees for services furnished or made available by the solid waste management system, including a resource recovery system.

(b) The fees must be adequate to provide and maintain the funds created by the resolution authorizing the bonds and to pay:

(1) operational costs or expenses allocable to the solid waste management system, including a resource recovery system; and

(2) the principal of and interest on the bonds.

Sec. 363.144. ADJUSTMENT OF RATES FOR ADEQUATE REVENUE. A public agency shall adopt and adjust the rates charged for solid waste management services so that revenues, together with taxes levied to support the services, will be sufficient to pay:

(1) the expense of operating and maintaining the solid waste management system, including a resource recovery system;

(2) the public agency's obligations under a contract; and

(3) the public agency's obligations under and in connection with bonds issued that are secured by revenues from the solid waste management service or a solid waste management system, including a resource recovery system.

Sec. 363.145. BOND ANTICIPATION NOTES. (a) A public agency may declare an emergency if funds are not available to pay the principal of or interest on the public agency's bonds issued under this chapter.

(b) The public agency may issue negotiable bond anticipation notes to borrow the money needed in an emergency, and the bond anticipation notes may bear interest at any rate authorized by state law and shall mature within one year of the date of issuance.

(c) The bond anticipation notes may be paid with the proceeds of bonds, or bonds may be issued and delivered in exchange for and in substitution of bond anticipation notes.

CHAPTER 364. COUNTY SOLID WASTE
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 364.001. SHORT TITLE. This chapter may be cited as the County Solid Waste Control Act.

Sec. 364.002. PURPOSE. The purpose of this chapter is to authorize a cooperative effort by counties, public agencies, and other persons for the safe and economical collection, transportation, and disposal of solid waste to control pollution in this state.

Sec. 364.003. DEFINITIONS. In this chapter:

(1) "Composting" has the meaning assigned by Chapter 361 (Solid Waste Disposal Act).

(2) "District" means a district or authority created under Article XVI, Section 59, or Article III, Section 52, of the Texas Constitution.

(3) "Public agency" means a district, municipality, regional planning commission created under Chapter 391, Local
Government Code, or other political subdivision or state agency authorized to own and operate a solid waste collection, transportation, or disposal facility or system.

(4) "Sanitary landfill" has the meaning assigned by Chapter 361 (Solid Waste Disposal Act).

(5) "Solid waste" has the meaning assigned by Chapter 361 (Solid Waste Disposal Act).

(6) "Solid waste disposal system" means a plant, composting process plant, incinerator, sanitary landfill, or other works and equipment that are acquired, installed, or operated to collect, handle, store, treat, neutralize, stabilize, or dispose of solid waste, and includes the sites.

**SUBCHAPTER B. COUNTY SOLID WASTE MANAGEMENT**

Sec. 364.011. COUNTY ADOPTION OF SOLID WASTE RULES. (a) Subject to the limitation provided by Sections 361.151 and 361.152 (Solid Waste Disposal Act), a commissioners court by rule may regulate solid waste collection, handling, storage, and disposal in areas of the county not in a municipality or the extraterritorial jurisdiction of a municipality.

(b) A county, in making any rules, including those under the licensing power granted by Chapter 361 (Solid Waste Disposal Act), may not impose an unreasonable requirement on the disposal of the solid waste in the county not warranted by the circumstances.

(c) A rule adopted under this section may not authorize an activity, method of operation, or procedure that is prohibited by Chapter 361 (Solid Waste Disposal Act) or by rules of the Texas Natural Resource Conservation Commission.

(d) A county may institute legal proceedings to enforce its rules.

Sec. 364.012. PROHIBITING SOLID WASTE DISPOSAL IN COUNTY. (a)
The county may prohibit the disposal of municipal or industrial solid waste in the county if the disposal of the municipal or industrial solid waste is a threat to the public health, safety, and welfare.

(b) To prohibit the disposal of municipal or industrial solid waste in a county, the commissioners court must adopt an ordinance in the general form prescribed for municipal ordinances specifically designating the area of the county in which municipal or industrial solid waste disposal is not prohibited.

(c) An ordinance required by Subsection (b) may be passed on first reading, but the proposed ordinance must be published in a newspaper of general circulation in the county for two consecutive weeks before the commissioners court considers the proposed ordinance. The publication must contain:

(1) a statement of the time, place, and date that the commissioners court will consider the proposed ordinance; and
(2) notice that an interested citizen of the county may testify at the hearing.

(d) A public hearing must be held on a proposed ordinance before it is considered by the commissioners court, and any interested citizen of the county shall be allowed to testify.

(e) The commissioners court of a county may not prohibit the processing or disposal of municipal or industrial solid waste in an area of that county for which:

(1) an application for a permit or other authorization under Chapter 361 has been filed with and is pending before the commission; or
(2) a permit or other authorization under Chapter 361 has been issued by the commission.

(f) The commission may not grant an application for a permit to process or dispose of municipal or industrial solid waste in an area in which the processing or disposal of municipal or industrial solid waste is prohibited by an ordinance, unless the county violated Subsection (e) in passing the ordinance. The commission by rule may specify the procedures for determining whether an application is for the processing or disposal of municipal or industrial solid waste in an area for which that processing or disposal is prohibited by an ordinance.

(g) The powers specified by this section may not be exercised by a county with respect to areas to which Section 361.090 applies.
Sec. 364.013. COUNTY AUTHORITY. A county may:
(1) acquire, construct, improve, enlarge, repair, operate, and maintain all or part of one or more solid waste disposal systems;
(2) contract with a person to collect, transport, handle, store, or dispose of solid waste for that person;
(3) contract with a person to purchase or sell, by installments for a term considered desirable, all or part of a solid waste disposal system;
(4) enter into an operating agreement with a person, for the terms and on the conditions considered desirable, for the operation of all or part of a solid waste disposal system by that person or by the county; and
(5) lease to or from a person, for the term and on the conditions considered desirable, all or part of a solid waste disposal system.

Sec. 364.014. ACQUISITION OF PROPERTY. (a) A county may acquire by purchase, lease, gift, condemnation, or any other manner and may own, maintain, use, and operate property or an interest in property necessary or convenient to the exercise of the powers and purposes provided by this chapter.
(b) The power of eminent domain is restricted to the county and may be exercised in the manner provided by law.
(c) A county may not exercise the power of eminent domain to acquire real property under this section if that power conflicts with a corporation's power of eminent domain as provided by law.

Sec. 364.015. DUMPING OR GARBAGE DISPOSAL GROUNDS. The commissioners court shall determine the consideration to be paid to acquire real property on which to locate dumping or garbage disposal
grounds. In determining where to locate dumping or garbage disposal grounds, the commissioners court shall consider:

(1) the convenience of the people to be served; and
(2) the general health of, and the annoyance to, the community to be served by the dumping or garbage disposal grounds.

Sec. 364.016. COST OF CERTAIN REQUIRED ALTERATIONS. The relocation, raising, rerouting, changing of grade, or altering of construction of a highway, railroad, electric transmission line, telegraph or telephone property or facility, or pipeline made necessary by the actions of a county shall be accomplished at the sole expense of the county, which shall pay the cost of the required activity as necessary to provide comparable replacement, minus the net salvage value of any replaced facility.

SUBCHAPTER C. SOLID WASTE MANAGEMENT SYSTEMS AND SERVICES CONTRACTS

Sec. 364.031. PUBLIC AGENCY CONTRACTS. (a) A public agency may contract with another public agency or a private contractor for the other public agency or private contractor to:

(1) make all or part of a solid waste disposal system available to a public agency, a group of public agencies, or other persons; and

(2) furnish solid waste collection, transportation, handling, storage, or disposal services through the other public agency's or private contractor's system.

(b) The contract may:

(1) be for the duration agreed on by the parties;

(2) provide that the contract remains in effect until bonds issued or to be issued by either public agency and refunding bonds issued for those original bonds are paid;

(3) contain provisions to assure equitable treatment of parties who contract with the other public agency or private contractor for solid waste collection, transportation, handling, storage, or disposal services from the same solid waste disposal system;
(4) provide for the sale or lease to or use by the other public agency or private contractor of a solid waste disposal system owned or to be acquired by the public agency;

(5) provide that the other public agency or private contractor will operate a solid waste disposal system owned or to be acquired by the public agency;

(6) provide that the public agency is entitled to continued performance of services after the amortization of the other public agency's or private contractor's investment in the disposal system during the useful life of the system on payment of reasonable charges, reduced to take into consideration the amortization; and

(7) contain any other provisions and requirements the other public agency or private contractor and the public agency determine to be appropriate or necessary.

(c) The contract must provide the method to determine the amount the public agency will pay to the other public agency or private contractor.

(d) A municipality may provide in its contract that the other public agency or private contractor has the right to use the streets, alleys, and public ways and places in the municipality during the term of the contract.

(e) This section does not expand the authority granted to a county under Section 364.013.

Sec. 364.032. PUBLIC AGENCY PAYMENTS. (a) Public agency payments to a county for solid waste collection, transportation, handling, storage, or disposal services may be made from income of the public agency's solid waste disposal fund as provided by the contract between the county and the public agency. The payments are an operating expense of the fund, and the revenues of the fund are to be applied toward those payments.

(b) Public agency payments to be made under the contract may be made from revenues of the public agency's water, sewer, electric, or gas system or a combination of utility systems.

(c) Unless the ordinance or resolution authorizing the outstanding bonds of the public agency expressly reserves the right
to accord contract payments a position of parity with, or a priority over, the public agency's bond requirements, the payments under a contract are subordinate to amounts required to be paid from the revenues of the utility system for principal of and interest on bonds of the public agency that are:

(1) outstanding at the time the contract is made; and
(2) payable from those revenues.

Sec. 364.033. ALTERNATIVE PAYMENT PROCEDURE USING TAX FUNDS.
(a) A contract between a public agency and a county that is authorized by the public agency's governing body is an obligation against the public agency's taxing power to the extent provided by the contract if:

(1) the public agency holds an election according to applicable procedure provided by Chapter 1251, Government Code, relating to the issuance of bonds by a municipality; and
(2) at the election, it is determined that the public agency's governing body may levy an ad valorem tax to make any payments required of the public agency under the contract.
(b) Except for the levy of a tax under this section, an election is not required for the exercise of a power granted by this chapter.
(c) Only qualified voters of the public agency are entitled to vote at an election held under this section, and except as otherwise provided by this section and by Chapter 1251, Government Code, the Election Code governs an election under this section.
(d) If the alternative procedure for payment provided by this section is followed, payments under the contract may be:

(1) payable from and are solely an obligation against the taxing power of the public agency; or
(2) payable both from taxes and from revenues as provided by the contract.
(e) If the alternative procedure of public agency payment to a county for disposal services provided by this section is not followed, the county or a holder of county bonds is not entitled to demand payment of the public agency's obligation from funds raised or to be raised by taxation.

Sec. 364.034. SOLID WASTE DISPOSAL SERVICE; FEES. (a) A public agency or a county may:
(1) offer solid waste disposal service to persons in its territory;
(2) require the use of the service by those persons;
(3) charge fees for the service; and
(4) establish the service as a utility separate from other utilities in its territory.
(b) A fee for a service provided under this section may be collected by:
(1) the county;
(2) a private or public entity that contracts with the county to provide the service; or
(3) another private or public entity that contracts with the county to collect the fees.
(c) A county may contract with a public or private utility to collect a fee for a service provided under this section. The contract may:
(1) require the billing of the fee within the bill for other utility services;
(2) allow a fee to be paid to the utility for billing and collecting the fee;
(3) require a system of accounting for fees collected by an entity other than the county; and
(4) contain other terms as agreed to by the parties.
(d) To aid enforcement of fee collection for the solid waste disposal service:
(1) a county or the public or private entity that has contracted with the county to provide the service may suspend service to a person who is delinquent in payment of solid waste disposal service fees until the delinquent claim is fully paid; and
(2) a public or private utility that bills and collects solid waste disposal service fees under this section may suspend service of that utility, in addition to the suspension of solid waste disposal service, to a person who is delinquent in the payment of the solid waste disposal service fee until the delinquent claim is fully
(e) Except as provided by Subsections (f), (g), and (h), this section does not apply to a person who provides the public or private entity, public agency, or county with written documentation that the person is receiving solid waste disposal services from another entity. Nothing in this section shall limit the authority of a public agency, including a county or a municipality, to enforce its grant of a franchise or contract for solid waste collection and transportation services within its territory. Except as provided by Subsection (f), the governing body of a municipality may provide that a franchise it grants or a contract it enters into for solid waste collection and transportation services under this subchapter or under other law supersedes inside of the municipality's boundaries any other franchise granted or contract entered into under this subchapter.

(f) Notwithstanding the other provisions of this section, a political subdivision, including a county or a municipality, may not restrict the right of an entity to contract with a licensed waste hauler for the collection and removal of domestic septage or of grease trap waste, grit trap waste, lint trap waste, or sand trap waste.

(g) Except as provided by this subsection, a person is exempt from the application of a requirement adopted by a public agency or county under Subsection (a) if the person, on the date the requirement is adopted, is receiving under a contract in effect on that date solid waste disposal services at a level that is the same as or higher than the level of services that otherwise would be required. The exception provided by this subsection does not apply to a requirement adopted under this section by a municipality. To qualify for the exemption provided by this subsection, the person must provide to the public agency or county written documentation acceptable to the public agency or county not later than the 30th day before the date the otherwise required services are scheduled to begin. The person who provides solid waste disposal services to a person who qualifies for the exemption shall notify the public agency or county that the services under the contract have stopped not later than the 15th day after the date those services are stopped for any reason.

(h) This section does not apply to a private entity that contracts to provide temporary solid waste disposal services to a
Sec. 364.035. PUBLIC AGENCY DUTY TO ADJUST RATES CHARGED. (a) A public agency shall establish, maintain, and adjust the rates charged by the public agency for solid waste disposal services if:

(1) the public agency executes a contract with a county under this chapter; and

(2) the payments under the contract are to be made either wholly or partly from the revenues of the public agency's solid waste disposal fund.

(b) The revenues of the public agency's solid waste disposal fund, and any taxes levied in support, must be sufficient to pay:

(1) the expense of operating and maintaining the solid waste disposal service or system; and

(2) the public agency's obligations to the county under the contract and in connection with bonds issued or that may be issued that are secured by revenues of the solid waste disposal service or system.

(c) A contract between a public agency and a county may require the use of consulting engineers and financial experts to advise the public agency whether and at what time rates are to be adjusted under this section.

Sec. 364.036. AUTHORITY TO PROVIDE DISPOSAL SERVICES TO MORE THAN ONE PERSON. A contract or group of contracts under this chapter may provide that:

(1) a county may render concurrently to more than one person services relating to the construction or operation of all or part of a solid waste disposal system; and

(2) the cost of the services will be allocated among the
several persons as determined by the contract or group of contracts.

Sec. 364.037. AGREEMENTS WITH OTHER POLITICAL SUBDIVISIONS FOR COLLECTION OF PAST DUE UTILITY OR SOLID WASTE DISPOSAL SERVICES FEES. (a) A county or public agency that offers solid waste disposal services under this subchapter may enter an agreement for the collection of unpaid utility or solid waste disposal services fees with:

(1) another county or public agency that provides solid waste disposal services under this subchapter;

(2) a municipality that operates a utility system, as defined by Section 552.001, Local Government Code; or

(3) another political subdivision acting on behalf of a municipality, county, or public agency to assist in the collection of unpaid utility charges or solid waste disposal fees.

(b) The agreement may provide that a county or public agency:

(1) may refuse to provide solid waste disposal services to a person if the person is past due on utility charges or solid waste disposal services fees owed to another party to the agreement; or

(2) may collect an amount equal to the past due utility charges or solid waste disposal services fees owed to another party to the agreement plus a service charge and provide the solid waste disposal services the person requests.

(c) The agreement shall provide for:

(1) the confidentiality of a person's utility or solid waste disposal account information and the prevention of disclosure to a person or other entity that is not a party to the agreement; and

(2) the apportionment of any past due charges, fees, and service charges authorized by Subsection (b)(2) between the collecting entity and the entity to which the fees are owed.

Added by Acts 2003, 78th Leg., ch. 271, Sec. 3, eff. June 18, 2003. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 885 (H.B. 2278), Sec. 3.77(2), eff. April 1, 2009.
SUBCHAPTER D. BONDS

Sec. 364.051. AUTHORITY TO ISSUE BONDS. (a) To acquire, construct, improve, enlarge, and repair all or part of a solid waste disposal system, a county may issue bonds payable:

(1) from and secured by a pledge of all or part of the revenues to accrue under a contract entered into under this chapter; and

(2) from other income pledged by the county.

(b) Pending issuance of definitive bonds, a county may issue negotiable interim bonds or obligations eligible for exchange or substitution by use of the definitive bonds.

Sec. 364.052. TERMS; FORM. (a) Bonds issued under this chapter must be in the form and denomination and bear the rate of interest prescribed by the commissioners court.

(b) The bonds may be:

(1) sold at a public or private sale at a price and on the terms determined by the commissioners court; or

(2) exchanged for property or an interest in property determined by the commissioners court to be necessary or convenient to the purposes authorized by this chapter.

(c) The bonds are investment securities under Chapter 8, Business & Commerce Code.

Sec. 364.053. APPROVAL AND REGISTRATION. (a) A county may submit bonds that have been authorized by the commissioners court and any record relating to their issuance to the attorney general for examination as to their validity. If the bonds state that they are secured by a pledge of proceeds of a contract between the county and a public agency, the county may submit to the attorney general a copy of the contract and the proceedings of the public agency authorizing the contract.

(b) If the attorney general finds that the bonds have been authorized and any contract has been made in accordance with state law, the attorney general shall approve the bonds and contract and
the comptroller shall register the bonds.

(c) Following approval and registration, the bonds and the contract are incontestable.

Sec. 364.054. DISTRICT BOND VALIDATION BY SUIT. (a) As an alternative for, or in addition to, the procedure provided by Section 364.053, the board of directors of a district may validate its bonds by filing suit under Chapter 1205, Government Code.

(b) The interest rate and sale price of the bonds need not be fixed until after the termination of the validation proceedings or suit.

(c) If the proposed bonds recite that they are secured by the proceeds of a contract made by the district and one or more public agencies, the petition must allege that fact and the notice of the suit must mention that allegation and each public agency's fund or revenues from which the contract is payable.

(d) The suit is a proceeding in rem, and the judgment is res judicata as to the validity of the bonds and any contract and the pledge of revenues.

Sec. 364.055. INVESTMENT AND USE OF PROCEEDS. (a) The commissioners court may set aside from proceeds of a bond sale:

1. interest to accrue on the bonds;
2. administrative expenses to the estimated date when the solid waste disposal system will become revenue producing; and
3. reserve funds created by the resolution authorizing the bonds.

(b) Proceeds from the sale of bonds may be invested, pending their use, in the securities or time deposits as specified by the resolution authorizing the issuance of the bonds or the trust indenture securing the bonds.

(c) The earnings on the investments may be applied as provided by the resolution or trust indenture.

Sec. 364.056. REFUNDING OF BONDS. A county may refund bonds issued under this chapter on terms and conditions and bearing the rate of interest prescribed by the commissioners court.

Sec. 364.057. LEGAL INVESTMENTS; SECURITY FOR DEPOSITS. (a) Bonds issued under this chapter are legal and authorized investments for:

1. a bank;
2. a savings bank;
3. a trust company;
4. a savings and loan association;
5. an insurance company;
6. a fiduciary;
7. a trustee; and
8. a sinking fund of a municipality, school district, or any other political corporation or subdivision of the state.

(b) The bonds may secure the deposits of public funds of the state or of a political subdivision of the state. The bonds are lawful and sufficient security for those deposits in an amount up to their face value, if accompanied by all appurtenant unmatured coupons.

Sec. 364.058. ADJUSTMENT OF RATES AND CHANGES TO MAINTAIN ADEQUATE REVENUE. If bonds are outstanding, the commissioners court shall establish, maintain, and collect rates and charges for services furnished or made available by the solid waste disposal system adequate to:

1. pay maintenance and operation costs of and expenses allocable to the solid waste disposal system and the principal of and interest on the bonds; and
2. provide and maintain funds created by the resolution authorizing the bonds.
CHAPTER 365. LITTER

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 365.001. SHORT TITLE. This chapter may be cited as the Texas Litter Abatement Act.

Sec. 365.002. WATER POLLUTION CONTROLLED BY WATER CODE. The pollution of water in the state is controlled by Chapter 26, Water Code, and other applicable law.

Sec. 365.003. LITTER ON BEACHES CONTROLLED BY NATURAL RESOURCES CODE. The regulation of litter on public beaches is controlled by Subchapters C and D, Chapter 61, Natural Resources Code.

Sec. 365.004. DISPOSAL OF GARBAGE, REFUSE, AND SEWAGE IN CERTAIN AREAS UNDER CONTROL OF PARKS AND WILDLIFE DEPARTMENT. The Parks and Wildlife Commission may adopt rules to govern the disposal of garbage, refuse, and sewage in state parks, public water in state parks, historic sites, scientific areas, and forts under the control of the Parks and Wildlife Department.

Sec. 365.005. VENUE AND RECOVERY OF COSTS. (a) Venue for the prosecution of a criminal offense under Subchapter B or Section 365.032 or 365.033 or for a suit for injunctive relief under any of those provisions is in the county in which the defendant resides, in the county in which the offense or the violation occurs, or in Travis County.
(b) If the attorney general or a local government brings a suit for injunctive relief under Subchapter B or Section 365.032 or 365.033, a prevailing party may recover its reasonable attorney fees, court costs, and reasonable investigative costs incurred in relation to the proceeding.

SUBCHAPTER B. CERTAIN ACTIONS PROHIBITED

Sec. 365.011. DEFINITIONS. In this subchapter:
(1) "Approved solid waste site" means:
(A) a solid waste site permitted or registered by the Texas Natural Resource Conservation Commission;
(B) a solid waste site licensed by a county under Chapter 361; or
(C) a designated collection area for ultimate disposal at a permitted or licensed municipal solid waste site.
(2) "Boat" means a vehicle, including a barge, airboat, motorboat, or sailboat, used for transportation on water.
(3) "Commercial purpose" means the purpose of economic gain.
(4) "Commercial vehicle" means a vehicle that is operated by a person for a commercial purpose or that is owned by a business or commercial enterprise.
(5) "Dispose" and "dump" mean to discharge, deposit, inject, spill, leak, or place litter on or into land or water.
(6) "Litter" means:
(A) decayable waste from a public or private establishment, residence, or restaurant, including animal and vegetable waste material from a market or storage facility handling or storing produce or other food products, or the handling, preparation, cooking, or consumption of food, but not including sewage, body wastes, or industrial by-products; or
(B) nondecayable solid waste, except ashes, that consists of:
   (i) combustible waste material, including paper, rags, cartons, wood, excelsior, furniture, rubber, plastics, yard trimmings, leaves, or similar materials;
   (ii) noncombustible waste material, including
glass, crockery, tin or aluminum cans, metal furniture, and similar materials that do not burn at ordinary incinerator temperatures of 1800 degrees Fahrenheit or less; and

(iii) discarded or worn-out manufactured materials and machinery, including motor vehicles and parts of motor vehicles, tires, aircraft, farm implements, building or construction materials, appliances, and scrap metal.

(7) "Motor vehicle" has the meaning assigned by Section 541.201, Transportation Code.

(8) "Public highway" means the entire width between property lines of a road, street, way, thoroughfare, bridge, public beach, or park in this state, not privately owned or controlled, if any part of the road, street, way, thoroughfare, bridge, public beach, or park:

(A) is opened to the public for vehicular traffic;
(B) is used as a public recreational area; or
(C) is under the state's legislative jurisdiction through its police power.

(9) "Solid waste" has the meaning assigned by Section 361.003.

Sec. 365.012. ILLEGAL DUMPING; DISCARDING LIGHTED MATERIALS; CRIMINAL PENALTIES. (a) A person commits an offense if the person disposes or allows or permits the disposal of litter or other solid waste at a place that is not an approved solid waste site, including a place on or within 300 feet of a public highway, on a right-of-way, on other public or private property, or into inland or coastal water of the state.

(a-1) A person commits an offense if:

(1) the person discards lighted litter, including a match, cigarette, or cigar, onto open-space land, a private road or the right-of-way of a private road, a public highway or other public road or the right-of-way of a public highway or other public road, or a
railroad right-of-way; and

(2) a fire is ignited as a result of the conduct described by Subdivision (1).

(b) A person commits an offense if the person receives litter or other solid waste for disposal at a place that is not an approved solid waste site, regardless of whether the litter or other solid waste or the land on which the litter or other solid waste is disposed is owned or controlled by the person.

(c) A person commits an offense if the person transports litter or other solid waste to a place that is not an approved solid waste site for disposal at the site.

(d) An offense under Subsection (a), (b), or (c) is a Class C misdemeanor if the litter or other solid waste to which the offense applies weighs five pounds or less or has a volume of five gallons or less.

(d-1) An offense under Subsection (a-1) is a misdemeanor under this subsection if the litter or other solid waste to which the offense applies weighs less than 500 pounds or has a volume of less than 100 cubic feet and is punishable by:

(1) a fine not to exceed $500;

(2) confinement in jail for a term not to exceed 30 days;

or

(3) both such fine and confinement.

(e) An offense under Subsection (a), (b), or (c) is a Class B misdemeanor if the litter or other solid waste to which the offense applies weighs more than five pounds but less than 500 pounds or has a volume of more than five gallons but less than 100 cubic feet.

(f) An offense under this section is a Class A misdemeanor if:

(1) the litter or other solid waste to which the offense applies weighs 500 pounds or more but less than 1,000 pounds or has a volume of 100 cubic feet or more but less than 200 cubic feet; or

(2) the litter or other solid waste is disposed for a commercial purpose and weighs more than five pounds but less than 200 pounds or has a volume of more than five gallons but less than 200 cubic feet.

(g) An offense under this section is a state jail felony if the litter or solid waste to which the offense applies:

(1) weighs 1,000 pounds or more or has a volume of 200 cubic feet or more;

(2) is disposed of for a commercial purpose and weighs 200
pounds or more or has a volume of 200 cubic feet or more; or

(3) is contained in a closed barrel or drum.

(h) If it is shown on the trial of the defendant for an offense under this section that the defendant has previously been convicted of an offense under this section, the punishment for the offense is increased to the punishment for the next highest category.

(i) On conviction for an offense under this section, the court shall provide to the defendant written notice that a subsequent conviction for an offense under this section may result in the forfeiture under Chapter 59, Code of Criminal Procedure, of the vehicle used by the defendant in committing the offense.

(j) The offenses prescribed by this section include the unauthorized disposal of litter or other solid waste in a dumpster or similar receptacle.

(k) This section does not apply to the temporary storage for future disposal of litter or other solid waste by a person on land owned by that person, or by that person's agent. The commission by rule shall regulate temporary storage for future disposal of litter or other solid waste by a person on land owned by the person or the person's agent.

(l) This section does not apply to an individual's disposal of litter or other solid waste if:

(1) the litter or waste is generated on land the individual owns;

(2) the litter or waste is not generated as a result of an activity related to a commercial purpose;

(3) the disposal occurs on land the individual owns; and

(4) the disposal is not for a commercial purpose.

(m) A municipality or county may offer a reward of $50 for reporting a violation of this section that results in a prosecution under this section.

(n) An offense under this section may be prosecuted without alleging or proving any culpable mental state, unless the offense is a state jail felony.

(o) For purposes of a prosecution under Subsection (g), a generator creates a rebuttable presumption of lack of culpable mental state if the generator of the solid waste to be disposed of secures, prior to the hauler's receipt of the solid waste, a signed statement from the hauler that the solid waste will be disposed of legally. The statement shall include the hauler's valid Texas driver's license.
number.

(p) It is an affirmative defense to prosecution under Subsection (a-1) that the person discarded the lighted litter in connection with controlled burning the person was conducting in the area into which the lighted litter was discarded.

(q) The operator of a public conveyance in which smoking tobacco is allowed shall post a sign stating the substance of Subsections (a-1) and (d-1) in a conspicuous place within any portion of the public conveyance in which smoking is allowed.

(r) If conduct that constitutes an offense under Subsection (a-1) also constitutes an offense under Subsection (a), the actor may be prosecuted only under Subsection (a-1). If conduct that constitutes an offense under Subsection (a-1) also constitutes an offense under Chapter 28, Penal Code, the actor may be prosecuted under Subsection (a-1) or Chapter 28, Penal Code, but not both.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 430 (S.B. 1043), Sec. 1, eff. September 1, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 430 (S.B. 1043), Sec. 2, eff. September 1, 2011.

Sec. 365.013. RULES AND STANDARDS; CRIMINAL PENALTY. (a) The Texas Natural Resource Conservation Commission shall adopt rules and standards regarding processing and treating litter disposed in violation of this subchapter.

(b) A person commits an offense if the person violates a rule adopted under this section.

(c) An offense under this section is a Class A misdemeanor.

Sec. 365.014. APPLICATION OF SUBCHAPTER; DEFENSES; PRESUMPTIONS. (a) This subchapter does not apply to farmers:

(1) in handling anything necessary to grow, handle, and care for livestock; or

(2) in erecting, operating, and maintaining improvements necessary to handle, thresh, and prepare agricultural products or for conservation projects.

(b) A person who dumps more than five pounds or 13 gallons of litter or other solid waste from a commercial vehicle in violation of this subchapter is presumed to be dumping the litter or other solid waste for a commercial purpose.

(c) It is an affirmative defense to prosecution under Section 365.012 that:

(1) the storage, processing, or disposal took place on land owned or leased by the defendant;

(2) the defendant received the litter or other solid waste from another person;

(3) the defendant, after exercising due diligence, did not know and reasonably could not have known that litter or other solid waste was involved; and

(4) the defendant did not receive, directly or indirectly, compensation for the receipt, storage, processing, or treatment.

Sec. 365.015. INJUNCTION; VENUE; RECOVERY OF COSTS. (a) A district attorney, a county attorney, or the attorney general may bring a civil suit for an injunction to prevent or restrain a violation of this subchapter. A person affected or to be affected by a violation is entitled to seek injunctive relief to enjoin the violation.

(b) Venue for a prosecution of a criminal offense under this subchapter or for a civil suit for injunctive relief under this subchapter is in the county in which the defendant resides, the county in which the offense or violation occurred, or in Travis County.

(c) In a suit for relief under this section, the prevailing
party may recover its reasonable attorney fees, court costs, and
reasonable investigative costs incurred in relation to the
proceeding.

Sec. 365.016. DISPOSAL OF LITTER IN A CAVE; CRIMINAL PENALTY.
(a) A person commits an offense if the person disposes litter, a
dead animal, sewage, or any chemical in a cave.
(b) An offense under this section is a Class C misdemeanor unless:
(1) it is shown on the trial of the defendant that the
defendant previously has been convicted once of an offense under this
section, in which event the offense is a Class A misdemeanor; or
(2) it is shown on the trial of the defendant that the
defendant previously has been convicted two or more times of an
offense under this section, in which event the offense is a felony of the
third degree.

Sec. 365.017. REGULATION OF LITTER IN CERTAIN COUNTIES. (a) The commissioners court of a county may adopt regulations to control
the disposal of litter and the removal of illegally dumped litter from private property in unincorporated areas of that county. The commissioners court may not adopt regulations under this section concerning the disposal of recyclable materials as defined in Chapter 361 of the Health and Safety Code.
(b) Prior to the adoption of regulations the commissioners
court of a county must find that the proposed regulations are
necessary to promote the public health, safety, and welfare of the
residents of that county.
(c) The definitions of Section 365.011 apply in this Act.
"Illegally dumped litter" means litter dumped anywhere other than in an approved solid waste site. "Litter" has the meaning assigned by Section 365.011, except that the term does not include equipment used for agricultural purposes.
(d) The regulations adopted by the commissioners court may require the record property owners to pay for the cost of removal after the commissioners court has given the record property owner 30 days written notice to remove the illegally dumped litter.

(e) Regulations adopted under this section are in addition to any other law regarding this issue and the stricter law shall apply.

(f) In addition to any other remedy provided by law, a district attorney, a county attorney, or the attorney general may bring a civil suit to enjoin violation of regulations adopted under this section and to recover the costs of removal of illegally dumped litter. In such a suit the prevailing party may recover its reasonable attorney fees, court fees, and reasonable investigative costs incurred in relation to that proceeding.

**SUBCHAPTER C. SPECIAL PROVISIONS**

Sec. 365.031. LITTER, GARBAGE, REFUSE, AND RUBBISH IN LAKE SABINE. The governing body of Port Arthur by ordinance may prohibit the depositing or placing of litter, garbage, refuse, or rubbish into or on the waters of Lake Sabine within the municipal limits.

Sec. 365.032. THROWING CERTAIN SUBSTANCES IN OR NEAR LAKE LAVON; CRIMINAL PENALTY. (a) The definitions provided by Section 365.011 apply to this section.

(b) A person commits an offense if the person throws, leaves, or causes to be thrown or left wastepaper, glass, metal, a tin can, refuse, garbage, waste, discarded or soiled personal property, or any other noxious or poisonous substance in the water of or near Lake Lavon in Collin County if the substance is detrimental to fish or to a person fishing in Lake Lavon.

(c) An offense under this section is a Class C misdemeanor unless it is shown on the trial of the defendant that the defendant has previously been convicted of an offense under this section, in which event the offense is a Class A misdemeanor.
Sec. 365.033. DISCARDING REFUSE IN CERTAIN COUNTY PARKS; CRIMINAL PENALTY. (a) The definitions provided by Section 365.011 apply to this section.

(b) In this section, "beach" means an area in which the public has acquired a right of use or an easement and that borders on the seaward shore of the Gulf of Mexico or extends from the line of mean low tide to the line of vegetation bordering on the Gulf of Mexico.

(c) This section applies only to a county park located in a county that has the Gulf of Mexico as one boundary, but does not apply to a beach located in that park.

(d) A person commits an offense if the person discards in a county park any junk, garbage, rubbish, or other refuse in a place that is not an officially designated refuse container or disposal unit.

(e) An offense under this section is a Class C misdemeanor unless it is shown on the trial of the defendant that the defendant has previously been convicted of an offense under this section, in which event the offense is a Class A misdemeanor.

Sec. 365.034. COUNTY REGULATION OF LITTER NEAR PUBLIC HIGHWAY; CRIMINAL PENALTY. (a) The commissioners court of a county may:

(1) by order prohibit the accumulation of litter for more than 30 days on a person's property within 50 feet of a public highway in the county;

(2) provide for the removal and disposition of litter accumulated near a public highway in violation of an order adopted under this section; and

(3) provide for the assessment against a person who owns the property from which litter is removed under Subdivision (2) of the costs incurred by the county in removing and disposing of the litter.

(b) Before the commissioners court takes any action to remove or dispose of litter under this section, the court shall send a notice by certified mail to the record owners of the property on
which the litter is accumulated in violation of an order adopted under this section. The court may not remove or dispose of the litter or assess the costs of the removal or disposition against a property owner before the 30th day after the date the notice is sent under this subsection.

(c) If a person assessed costs under this section does not pay the costs within 60 days after the date of assessment:

(1) a lien in favor of the county attaches to the property from which the litter was removed to secure the payment of the costs and interest accruing at an annual rate of 10 percent on any unpaid part of the costs; and

(2) the commissioners court shall file a record of the lien in the office of the county clerk.

(d) The violation of an order adopted under this section is a Class C misdemeanor.

(e) In this section:

(1) "Litter" has the meaning assigned by Section 365.011 except that the term does not include equipment used for agricultural purposes.

(2) "Public highway" has the meaning assigned by Section 365.011.

Sec. 365.035. PROHIBITION ON POSSESSING GLASS CONTAINERS WITHIN BOUNDARY OF STATE-OWNED RIVERBED; PENALTIES. (a) In this section, "glass container" means a glass container designed to contain a beverage, including a bottle or jar.

(b) A person commits an offense if the person knowingly possesses a glass container within the boundaries of a state-owned riverbed in a county:

(1) that is located within 85 miles of an international border; and

(2) in which at least four rivers are located.

(c) An offense under this section is a Class C misdemeanor.

(d) It is a defense to prosecution under Subsection (b) that the person who possessed the glass container:
(1) did not transport the glass container into the boundaries of the riverbed;

(2) possessed the glass container only for the purpose of lawfully disposing of the glass container in a designated waste receptacle; or

(3) is the owner of property adjacent to the section of the riverbed in which the person possessed the glass container.

(e) It is an exception to the application of Subsection (b) that the person possessed the glass container only for the purpose of water sampling or conducting scientific research as authorized by:

(1) a governmental entity;

(2) a utility as defined by Section 11.004, Utilities Code;

(3) a retail public utility as defined by Section 13.002, Water Code;

(4) a power generation company as defined by Section 31.002, Utilities Code;

(5) a surface coal mining and reclamation operation, as defined by Section 134.004, Natural Resources Code; or

(6) a school-sponsored or university-sponsored educational activity.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1124 (H.B. 218), Sec. 1, eff. September 1, 2011.

CHAPTER 366. ON-SITE SEWAGE DISPOSAL SYSTEMS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 366.001. POLICY AND PURPOSE. It is the public policy of this state and the purpose of this chapter to:

(1) eliminate and prevent health hazards by regulating and properly planning the location, design, construction, installation, operation, and maintenance of on-site sewage disposal systems;

(2) authorize the commission or authorized agent to impose and collect a permit fee for:

(A) construction, installation, alteration, repair, or extension of on-site sewage disposal systems; and

(B) tests, designs, and inspections of those systems;

(3) authorize the commission or authorized agent to impose a penalty for a violation of this chapter or a rule adopted under this chapter;
(4) authorize the commission to license or register certain persons; and

(5) allow the individual owner of a disposal system to install and repair the system in accordance with this chapter.

Sec. 366.002. DEFINITIONS. In this chapter:

(1) "Authorized agent" means a local governmental entity authorized by the commission to implement and enforce rules under this chapter.

(2) "Commission" means the Texas Natural Resource Conservation Commission.

(5) "Local governmental entity" means a municipality, county, river authority, or special district, including an underground water district, soil and water conservation district, or public health district.

(6) "Nuisance" means:

(A) sewage, human excreta, or other organic waste discharged or exposed in a manner that makes it a potential instrument or medium in the transmission of disease to or between persons; or

(B) an overflowing septic tank or similar device, including surface discharge from or groundwater contamination by a component of an on-site sewage disposal system, or a blatant discharge from an on-site sewage disposal system.

(7) "On-site sewage disposal system" means one or more systems of treatment devices and disposal facilities that:

(A) produce not more than 5,000 gallons of waste each day; and

(B) are used only for disposal of sewage produced on a site on which any part of the system is located.

(8) "Owner" means a person who owns a building or other property served by an on-site sewage disposal system.

(9) "Sewage" means waste that:
(A) is primarily organic and biodegradable or decomposable; and

(B) generally originates as human, animal, or plant waste from certain activities, including the use of toilet facilities, washing, bathing, and preparing food.

Sec. 366.003. IMMUNITY. The commission, an authorized agent, or a designated representative is not liable for damages resulting from the commission's or authorized agent's approval of the installation and operation of an on-site sewage disposal system.

Sec. 366.004. COMPLIANCE REQUIRED. A person may not construct, alter, repair, or extend, or cause to be constructed, altered, repaired, or extended, an on-site sewage disposal system that does not comply with this chapter and applicable rules.

Sec. 366.005. NOTICE OF UTILITY SERVICE CONNECTIONS. (a) An electric utility shall compile a list weekly for each county in this state of the addresses located in an unincorporated area of the county at which the electric utility has made new electric service connections during the preceding week. The electric utility shall submit the list to the county judge of the county, or to a county officer or employee designated by the county judge, who shall forward the list to each authorized agent having jurisdiction over an area in which an address on the list is included. The authorized agent may
use the list for the purpose of implementing and enforcing rules under this chapter. This section does not apply to a reconnection of service to a location previously served.

(b) An electric utility may not be held liable for a claim arising from the provision of information under this section.

(c) Information provided by a utility under this section is confidential and not subject to disclosure under Chapter 552, Government Code, or otherwise, except as provided by this section.

(d) The county judge shall forward the list compiled under Subsection (a) to each appraisal district and each emergency communication district in the county.

(e) In this section:

(1) "Appraisal district" means a district established under Section 6.01, Tax Code.

(2) "Electric utility" means an investor-owned utility, electric cooperative corporation, river authority, or municipally owned utility that provides distribution service to retail customers of electricity.

(3) "Emergency communication district" means a district established under Chapter 772.

SUBCHAPTER B. GENERAL POWERS AND DUTIES OF COMMISSION AND AUTHORIZED AGENTS

Sec. 366.011. GENERAL SUPERVISION AND AUTHORITY. The commission or authorized agents:

(1) have general authority over the location, design, construction, installation, and proper functioning of on-site sewage disposal systems; and

(2) shall administer this chapter and the rules adopted under this chapter.

Sec. 366.012. RULES CONCERNING ON-SITE SEWAGE DISPOSAL SYSTEMS.
(a) To assure the effective and efficient administration of this chapter, the commission shall:

(1) adopt rules governing the installation of on-site sewage disposal systems, including rules concerning the:
   (A) review and approval of on-site sewage disposal systems; and
   (B) temporary waiver of a permit for an emergency repair; and

(2) adopt rules under this chapter that:
   (A) encourage the use of economically feasible alternative techniques and technologies for on-site sewage disposal systems that can be used in soils not suitable for conventional on-site sewage disposal;
   (B) address the separation of graywater, as defined by Section 341.039, in a residence served by an on-site sewage disposal system; and
   (C) require on-site sewage disposal systems, including risers and covers, installed after September 1, 2012, to be designed to prevent access to the system by anyone other than:
      (i) the owner of the system; or
      (ii) a person described by Section 366.071(a) or (b).

(b) In rules adopted under this chapter, the commission shall include definitions and detailed descriptions of good management practices and procedures for the construction of on-site sewage disposal systems that:

(1) justify variation in field size or in other standard requirements;

(2) promote the use of good management practices or procedures in the construction of on-site sewage disposal systems;

(3) require the use of one or more specific management practices or procedures as a condition of approval of a standard on-site sewage disposal system if, in the opinion of the commission or authorized agent, site conditions or other problems require the use of additional management practices or procedures to ensure the proper operation of an on-site sewage disposal system; and

(4) make available general, operational information to the public.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 366.013. INSTALLATION AND USE OF WATER SOFTENERS AND REVERSE OSMOSIS SYSTEMS. (a) Except as provided by Subsection (b), an owner may install or use a water softener that discharges effluent into an on-site sewage disposal system only if the installed water softener:

(1) conserves water by design;
(2) regenerates using a demand-initiated regeneration control device, commonly known as a DIR device; and
(3) is clearly labeled as being equipped with a DIR device, with the label affixed to the outside of the system so that it may be inspected and easily read.

(b) An owner may use a water softener that discharges effluent into an on-site sewage disposal system and that does not meet the requirements of Subsection (a) if the water softener was installed before September 1, 2003. The owner must replace the water softener with a water softener that meets the requirements of Subsection (a) if the owner:

(1) replaces the water softener; or
(2) installs a new on-site sewage disposal system for the building or other property served by the existing system.

(c) An owner may install and use a point-of-use reverse osmosis system that discharges effluent into an on-site sewage disposal system.

(d) An owner may install and use a point-of-entry reverse osmosis system that discharges effluent into an on-site sewage disposal system if the calculated volume of effluent:

(1) does not cause hydraulic overloading; or
(2) has been adequately addressed in the design of the on-site sewage disposal system.

(e) This section does not apply to an aerobic, nonstandard, or proprietary on-site sewage treatment system unless the water softener drain line to the system bypasses the treatment system and flows into
the pump tank or directly into the discharge method.

(f) The commission by rule shall adopt and implement standards for the use of water softeners and reverse osmosis systems in a building or other property served by an on-site sewage disposal system.

Added by Acts 2003, 78th Leg., ch. 966, Sec. 1, eff. Sept. 1, 2003.

Sec. 366.014. DESIGNATED PERSON. Subject to the requirements of Section 366.071(b), the commission or an authorized agent may designate a person to:

(1) review permit applications, site evaluations, or planning materials; or

(2) inspect on-site sewage disposal systems.

Sec. 366.016. EMERGENCY ORDERS. The commission or authorized agent may issue an emergency order concerning an on-site sewage disposal system under Section 5.513, Water Code.

Amended by:
Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.011, eff. September 1, 2009.

Sec. 366.017. REQUIRED REPAIRS; PENALTY. (a) The commission or authorized agent may require a property owner to repair a malfunctioning on-site sewage disposal system on the owner's property:

(1) not later than the 30th day after the date on which the owner is notified by the commission or authorized agent of the
malfunctioning system if the owner has not been notified of the malfunctioning system during the preceding 12 months;

(2) not later than the 20th day after the date on which the owner is notified by the commission or authorized agent of the malfunctioning system if the owner has been notified of the malfunctioning system once during the preceding 12 months; or

(3) not later than the 10th day after the date on which the owner is notified by the commission or authorized agent of the malfunctioning system if the owner has been notified of the malfunctioning system at least twice during the preceding 12 months.

(b) The property owner must take adequate measures as soon as practicable to abate an immediate health hazard.

(c) The property owner may be assessed an administrative or a civil penalty under Chapter 7, Water Code, for each day that the on-site sewage disposal system remains unrepaired.

**SUBCHAPTER C. DESIGNATION OF LOCAL GOVERNMENTAL ENTITY AS AUTHORIZED AGENT**

Sec. 366.031. DESIGNATION. (a) The commission shall designate a local governmental entity as an authorized agent if the governmental entity:

(1) notifies the commission that the entity wants to regulate the use of on-site sewage disposal systems in its jurisdiction;

(2) in accordance with commission procedures, holds a public hearing and adopts an order or resolution that complies with Section 366.032; and

(3) submits the order or resolution to the commission.

(b) The commission in writing may approve the local governmental entity's order or resolution, and the designation takes effect only when the order or resolution is approved.

Sec. 366.032. ORDER OR RESOLUTION; REQUIREMENTS. (a) The local governmental entity's order or resolution must:

(1) incorporate the commission's rules on abatement or prevention of pollution and the prevention of injury to the public health;

(2) meet the commission's minimum requirements for on-site sewage disposal systems; and

(3) include a written enforcement plan.

(b) If the order or resolution adopts more stringent standards for on-site sewage disposal systems than this chapter or the commission's standards and provides greater public health and safety protection, the authorized agent's order or resolution prevails over this chapter or the standards.

(c) An authorized agent must obtain commission approval of substantive amendments to the agent's order or resolution.

Sec. 366.033. DELEGATION TO LOCAL GOVERNMENTAL ENTITIES. The commission shall delegate to local governmental entities responsibility for the implementation and enforcement of applicable rules.

Sec. 366.034. INVESTIGATION OF AUTHORIZED AGENTS. (a) The commission shall:

(1) conduct not more often than once a year an investigation of each authorized agent to determine the authorized agent's compliance with this chapter; and

(2) prepare an annual report concerning the status of the local governmental entity's regulatory program.

(b) If the commission determines that an authorized agent does not consistently enforce the commission's minimum requirements for on-site sewage disposal systems, the commission shall hold a hearing and determine whether to continue the designation as an authorized agent.
Sec. 366.035. MANDATORY APPLICATION FOR AND MAINTENANCE OF DESIGNATION. A local governmental entity that applies to the Texas Water Development Board for financial assistance under a program for economically distressed areas must take all actions necessary to receive and maintain a designation as an authorized agent of the commission.

Sec. 366.036. COUNTY MAP. (a) If the commission designates a local governmental entity as its authorized agent and if the entity intends to apply to the Texas Water Development Board for financial assistance under a program for economically distressed areas, the commissioners court of the county in which the entity is located shall prepare a map of the county area outside the limits of municipalities. The entity shall give to the commissioners court a written notice of the entity's intention to apply for the assistance. The map must show the parts of the area in which the different types of on-site sewage disposal systems may be appropriately located and the parts in which the different types of systems may not be appropriately located.

(b) The commissioners court shall file the map in the office of the county clerk.

(c) The commissioners court, at least every five years, shall review the map and make changes to it as necessary to keep the map accurate.

SUBCHAPTER D. PERMITS; FEES

Sec. 366.051. PERMITS. (a) A person must hold a permit and an
approved plan to construct, alter, repair, extend, or operate an on-site sewage disposal system.

(b) If the on-site sewage disposal system is located in the jurisdiction of an authorized agent, the permit is issued by the authorized agent; otherwise, the permit is issued by the commission.

(c) A person may not begin to construct, alter, repair, or extend an on-site sewage disposal system that is owned by another person unless the owner or owner's representative shows proof of a permit and approved plan from the commission or authorized agent.

Sec. 366.0512. MULTIPLE TREATMENT SYSTEMS. A multiple system of treatment devices and disposal facilities may be permitted as an on-site disposal system under this chapter if the system:

(1) is located on a tract of land of at least 100 acres in size;
(2) produces not more than 5,000 gallons a day on an annual average basis;
(3) is used only on a seasonal or intermittent basis; and
(4) is used only for disposal of sewage produced on the tract of land on which any part of the system is located.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 20.03, eff. Sept. 1, 2001.

Sec. 366.0515. MAINTENANCE CONTRACT AND PERFORMANCE BOND. (a) Except as provided by Subsection (g), an authorized agent or the commission may not condition a permit or the approval of a permit for an on-site sewage disposal system using aerobic treatment for a single-family residence on the system's owner contracting for the maintenance of the system.

(b) Except as provided by Subsection (a), an authorized agent by order or resolution or the commission by rule may condition approval of a permit for an on-site sewage disposal system on the system's owner contracting for the maintenance of the system. If a maintenance contract is required, the owner of the on-site sewage disposal system must submit to the permitting authority:
(1) a signed contract for the maintenance of the on-site sewage disposal system; and

(2) if the on-site sewage disposal system is located in a county with a population of more than 2.8 million, a performance bond obtained from the person with whom the owner of the on-site sewage disposal system has contracted for maintenance of the system.

(c) A performance bond required by Subsection (b) must be:

(1) solely for the protection of the owner of the on-site sewage disposal system;

(2) conditioned on the faithful performance of the maintenance of the on-site sewage disposal system in accordance with plans, specifications, laws, regulations, and ordinances of the state and the authorized agent;

(3) in an amount reasonably related to the cost that the owner of the on-site sewage disposal system would incur if the maintenance company did not adhere to maintenance standards or comply with applicable statutes, rules, or ordinances;

(4) executed by a corporate surety in accordance with Section 1, Chapter 87, Acts of the 56th Legislature, Regular Session, 1959 (Article 7.19-1, Vernon's Texas Insurance Code);

(5) in a form approved by the permitting authority; and

(6) payable to the owner of the on-site sewage disposal system.

(d) If the owner of the on-site sewage disposal system enters into a new maintenance contract or revises the original maintenance contract, the owner must submit a copy of the new or revised maintenance contract and a new performance bond to the permitting authority not later than the 30th day after the date on which the original contract terminates or is modified.

(e) The permitting authority may establish and collect a reasonable fee to cover the cost of administering the performance bond program.

(f) The installer of an on-site sewage disposal system shall provide the owner of the system with information regarding maintenance of the system at the time the system is installed.

(g) The owner of a single-family residence shall maintain the system directly or through a maintenance contract. If an authorized agent or the commission determines that an owner of a single-family residence located in a county with a population of at least 40,000 who maintains the owner's system directly has violated this chapter
or a rule adopted or order or permit issued under this chapter, the owner, not later than the 10th day after the date of receipt of notification of the violation, shall correct the violation or enter into a contract for the maintenance of the system. If before the third anniversary of the date of the determination the owner is determined to have committed another violation of this chapter or a rule adopted under this chapter, the owner, not later than the 10th day after the date of receipt of notification of the subsequent violation, shall enter into a contract for the maintenance of the system. An owner of a single-family residence located in a county with a population of at least 40,000 who maintains the owner's system directly and who violates this chapter or a rule adopted or order or permit issued under this chapter is also subject to an administrative penalty. The commission may recover the penalty in a proceeding conducted as provided by Subchapter C, Chapter 7, Water Code, or the authorized agent may recover the penalty in a proceeding conducted under an order or resolution of the agent. Notwithstanding Section 7.052, Water Code, the amount of the penalty may not exceed $100.

(h) Repealed by Acts 2007, 80th Leg., R.S., Ch. 892, Sec. 3, eff. September 1, 2007.

(i) Repealed by Acts 2007, 80th Leg., R.S., Ch. 892, Sec. 3, eff. September 1, 2007.

(j) Repealed by Acts 2007, 80th Leg., R.S., Ch. 892, Sec. 3, eff. September 1, 2007.

(k) If, under Subsection (b), an authorized agent or the commission conditions approval of a permit for an on-site sewage disposal system using aerobic treatment on the system's owner contracting for the maintenance of the system, the order, resolution, or rule may require the maintenance company to:

(1) inspect the system at specified intervals;

(2) submit a report on each inspection to the authorized agent or commission; and

(3) provide a copy of each report submitted under Subdivision (2) to the system's owner.

(1) A maintenance company that violates a provision of an order, resolution, or rule described by Subsection (k) is subject to an administrative penalty. The commission may recover the penalty in a proceeding conducted as provided by Subchapter C, Chapter 7, Water Code, or the authorized agent may recover the penalty in a proceeding conducted under an order or resolution of the agent. Notwithstanding
Section 7.052, Water Code, the amount of the penalty for the first violation of that order, resolution, or rule is $200, and the amount of the penalty for each subsequent violation is $500.

(m) If a maintenance company violates an order, resolution, or rule described by Subsection (k) three or more times, the commission, in the manner provided by Subchapter G, Chapter 7, Water Code, may revoke the license or registration of the maintenance company or any person employed by the maintenance company issued under:
(1) Section 26.0301, Water Code;
(2) Chapter 37, Water Code; or
(3) Section 366.071 of this code.

(n) Repealed by Acts 2007, 80th Leg., R.S., Ch. 892, Sec. 3, eff. September 1, 2007.

(o) Repealed by Acts 2007, 80th Leg., R.S., Ch. 892, Sec. 3, eff. September 1, 2007.

Added by Acts 1997, 75th Leg., ch. 1127, Sec. 4, eff. Sept. 1, 1997. Amended by:
Acts 2005, 79th Leg., Ch. 1129 (H.B. 2510), Sec. 1, eff. September 1, 2005.
Acts 2007, 80th Leg., R.S., Ch. 892 (H.B. 2482), Sec. 1, eff. September 1, 2007.
Acts 2007, 80th Leg., R.S., Ch. 892 (H.B. 2482), Sec. 3, eff. September 1, 2007.

Sec. 366.052. PERMIT NOT REQUIRED FOR ON-SITE SEWAGE DISPOSAL ON CERTAIN SINGLE RESIDENCES. (a) Sections 366.051, 366.053, 366.054, and 366.057 do not apply to an on-site sewage disposal system of a single residence that is located on a land tract that is 10 acres or larger in which the field line or sewage disposal line is not closer than 100 feet of the property line.

(b) Effluent from the on-site sewage disposal system on a single residence:
(1) must be retained in the specified limits;
(2) may not create a nuisance; and
(3) may not pollute groundwater.

Sec. 366.053. PERMIT APPLICATION. (a) Application for a permit must:

(1) be made on a form provided by the commission or authorized agent; and

(2) include information required by the commission or authorized agent to establish that the individual sewage disposal system complies with this chapter and rules adopted under this chapter.

(b) The commission shall adopt rules and procedures for the submission, review, and approval or rejection of permit applications.

Sec. 366.054. NOTICE FROM INSTALLER. An installer may not begin construction, alteration, repair, or extension of an on-site sewage disposal system unless the installer notifies the commission or authorized agent of the date on which the installer plans to begin work on the system.

Sec. 366.055. INSPECTIONS. (a) The commission or authorized agent shall review a proposal for an on-site sewage disposal system and make inspections of the system as necessary to ensure that the on-site sewage disposal system is in substantial compliance with this chapter and the rules adopted under this chapter.

(b) An on-site sewage disposal system may not be used unless it is inspected and approved by the commission or the authorized agent.

(c) A holder of a permit issued under this chapter shall notify the commission, the authorized agent, or a designated representative not later than the fifth working day before the proposed date of the operation of an installation that the installation is ready for inspection.

(d) The inspection shall be made on a date and time mutually agreed on by the holder of a permit and the commission, the authorized agent, or a designated representative.

(e) An installation inspection shall be made not later than the
second working day, excluding holidays, after the date on which notification that the installation is completed and ready for inspection is given to the commission, the authorized agent, or a designated representative.

(f) The owner, owner's representative, or occupant of the property on which the installation is located shall give the commission, the authorized agent, or a designated representative reasonable access to the property at reasonable times to make necessary inspections.

Sec. 366.056. APPROVAL OF ON-SITE SEWAGE DISPOSAL SYSTEM. (a) The commission or authorized agent may approve or disapprove the on-site sewage disposal system depending on the results of the inspections under Section 366.055.

(b) If a system is not approved under this section, the on-site sewage disposal system may not be used until all deficiencies are corrected and the system is reinspected and approved by the commission or authorized agent.

Sec. 366.057. PERMIT ISSUANCE. (a) The commission shall issue or authorize the issuance of permits and other documents.

(b) A permit and approved plan to construct, alter, repair, extend, or operate an on-site sewage disposal system must be issued in the name of the person who owns the system and must identify the specific property location or address for the specific construction, alteration, extension, repair, or operation proposed by the person.

(c) The commission may not issue a permit to construct, alter, repair, or extend an on-site sewage disposal system if the issuance of a permit conflicts with other applicable laws or public policy under this chapter.

Sec. 366.058. PERMIT FEE. (a) The commission by rule shall establish and collect a reasonable permit fee to cover the cost of issuing permits under this chapter and administering the permitting system. The commission may also use the fee to cover any other costs incurred to protect water resources in this state, including assessment of water quality, reasonably related to the activities of any of the persons required to pay a fee under the statutes listed in Section 5.701(q), Water Code.

(b) The commission at its discretion may provide variances to the uniform application of the permit fee.

(c) Fees collected under this section shall be deposited to the credit of the water resource management account.

Sec. 366.059. PERMIT FEE PAID TO DEPARTMENT OR AUTHORIZED AGENT. (a) The permit fee shall be paid to the authorized agent or the commission, whichever performs the permitting function.

(b) The commission may assess a reasonable and appropriate charge-back fee, not to exceed $500, to a local governmental entity for which the commission issues permits for administrative costs relating to the permitting function that are not covered by the permit fees collected. The commission shall base the amount of a charge-back fee under this subsection on the actual cost of issuing a permit under this section. The commission may assess a charge-back fee to a local governmental entity under this subsection if the local governmental entity is an authorized agent that:

(1) has repealed the order, ordinance, or resolution that established the entity as an authorized agent; or

(2) has had its authorization as an authorized agent revoked by the commission.

(c) Fees collected under this section shall be deposited to the credit of the water resource management account.

(d) The commission may not assess a charge-back fee to a local...
governmental entity if the local governmental entity has repealed the order, ordinance, or resolution that established the entity as an authorized agent or has lost its designation as an authorized agent due to material change in the commission's rules under this chapter.

SUBCHAPTER E. REGISTRATION OF INSTALLERS

Sec. 366.071. OCCUPATIONAL LICENSING AND REGISTRATION. (a) A person who constructs, installs, alters, extends, services, maintains, or repairs an on-site sewage disposal system or any part of an on-site sewage disposal system for compensation must hold a license or registration issued by the commission under Chapter 37, Water Code.

(b) A person designated by an authorized agent under Section 366.014 must hold a license issued by the commission under Chapter 37, Water Code.

(c) A person who conducts preconstruction site evaluations, including visiting a site and performing a soil analysis, a site survey, or other activities necessary to determine the suitability of a site for an on-site sewage disposal system must hold a license issued by the commission under Chapter 37, Water Code, unless the person is licensed by the Texas Board of Professional Engineers as an engineer.

(d) The commission may implement a program under Chapter 37, Water Code, to register persons who service or maintain on-site sewage disposal systems for compensation.

Amended by:

Acts 2005, 79th Leg., Ch. 1129 (H.B. 2510), Sec. 2, eff. September 1, 2006.
Acts 2005, 79th Leg., Ch. 1129 (H.B. 2510), Sec. 4, eff. September 1, 2005.
Acts 2007, 80th Leg., R.S., Ch. 892 (H.B. 2482), Sec. 2, eff. September 1, 2007.

SUBCHAPTER F. PENALTIES

Sec. 366.092. INJUNCTION OR CIVIL SUIT. (a) If it appears that a person has violated, is violating, or is threatening to violate any provision of this chapter, or any rule, permit, or other order of the commission issued pursuant to this chapter, an authorized agent or, at the request of the commission, the attorney general may bring a civil suit for:

(1) mandatory or prohibitory injunctive relief, as warranted by the facts;

(2) a civil penalty as provided by this chapter; or

(3) both injunctive relief and civil penalty.

(b) Repealed by Acts 1997, 75th Leg., ch. 1072, Sec. 60(b)(4), eff. Sept. 1, 1997.

Sec. 366.0922. COMMISSION ENFORCEMENT AT LOCAL GOVERNMENT REQUEST. A local government may request that the commission initiate an enforcement action under this chapter through a petition filed with the commission. If the commission chooses to initiate an enforcement action on behalf of a local government, civil penalties recovered shall be divided between the local government and the state based on the proportion of resources expended by each entity in the course of enforcement action.

Sec. 366.0923. FEES AND COSTS RECOVERABLE. If an authorized agent or the state prevails in a suit under this subchapter, it may recover reasonable attorney's fees, court costs, and reasonable investigative costs incurred in relation to the proceeding.
CHAPTER 367. ON-SITE WASTEWATER TREATMENT RESEARCH

Sec. 367.001. DEFINITIONS. In this chapter:

(1) "Commission" means the Texas Commission on Environmental Quality.

(2) "On-site wastewater treatment system" means a system of treatment devices or disposal facilities that:

(A) is used for the disposal of domestic sewage, excluding liquid waste resulting from the processes used in industrial and commercial establishments;

(B) is located on the site where the sewage is produced; and

(C) produces not more than 5,000 gallons of waste a day.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1021 (H.B. 2694), Sec. 8.02, eff. September 1, 2011.

Sec. 367.007. ADMINISTRATION. (a) The commission may accept grants and donations from other sources to supplement the fees collected under Section 367.010. Grants and donations shall be deposited to the credit of the water resource management account and may be disbursed as the commission directs and in accordance with Section 367.008.

(b) Administrative and facilities support costs are payable from the water resources management account.

Sec. 367.008. AWARD OF COMPETITIVE GRANTS. (a) The commission shall establish procedures for awarding competitive grants and disbursing grant money.

(b) The commission may award competitive grants to:
(1) support applied research and demonstration projects by accredited colleges and universities in this state, by other governmental entities, or by acceptable public or private research centers regarding on-site wastewater treatment technology and systems applicable to this state that are directed toward improving the quality of wastewater treatment and reducing the cost of providing wastewater treatment to consumers; and
(2) enhance technology transfer regarding on-site wastewater treatment by using educational courses, seminars, symposia, publications, and other forms of information dissemination.

(c) The commission shall seek the advice of relevant experts when choosing research topics, awarding grants, and holding educational conferences associated with activities under this chapter.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1021 (H.B. 2694), Sec. 8.03, eff. September 1, 2011.

Sec. 367.009. APPROPRIATIONS. Money collected and appropriated for the purposes of this chapter shall be disbursed as the commission directs and in accordance with Section 367.008.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1021 (H.B. 2694), Sec. 8.04, eff. September 1, 2011.
Sec. 367.010. FEES. (a) The commission and each county, municipality, public health department, and river authority shall collect a $10 fee for each on-site wastewater treatment permit application processed.

(b) A county, municipality, public health department, or river authority that collects a fee shall forward the fee to the commission.

(c) The commission shall enforce the collection and forwarding of the fee.

(d) The fee proceeds shall be deposited to the credit of the water resources management account.

CHAPTER 368. COUNTY REGULATION OF TRANSPORTATION OF WASTE

SUBCHAPTER A. TRANSPORTERS OF GREASE TRAP, SAND TRAP, AND SEPTIC WASTE

Sec. 368.001. REGULATORY PROGRAM. The commissioners court of a county may establish a program regulating transporters of grease trap, sand trap, and septic waste.

Sec. 368.002. PARTICIPATION BY MUNICIPALITY IN REGULATORY PROGRAM. The commissioners court may enter into a contract with a municipality that provides the terms and conditions under which the municipality may participate in the regulatory program.

Sec. 368.003. PERMITS. The commissioners court of a county may:

(1) require a permit for trucks that transport grease trap,
sand trap, and septic waste, including trucks serving unincorporated areas of the county;

(2) by order establish guidelines and procedures for issuing permits to trucks that transport grease trap, sand trap, and septic waste; and

(3) issue a single permit number that allows a municipality participating in the county regulatory program the option to add to that permit number a suffix unique to the municipality.

Sec. 368.004. INSPECTIONS. The commissioners court of a county may:

(1) coordinate with municipalities the inspection of trucks that transport grease trap, sand trap, and septic waste;

(2) by order establish guidelines and procedures to coordinate truck inspections; and

(3) assess an inspection fee sufficient to cover the cost to the county of providing the inspection service.

Sec. 368.005. CONTRACTS. The commissioners court of a county may contract with a person to provide a service that is part of the regulatory program.

Sec. 368.006. FORMS. The commissioners court of a county may develop a single manifest form with a uniform manifest registration and numbering system to be used by the county and each participating municipality.

**SUBCHAPTER B. REGULATION AND LICENSING OF WASTE HAULERS**

Sec. 368.011. DEFINITIONS. In this subchapter:
(1) "Waste" means:
   (A) animal and vegetable waste materials resulting from
       the handling, preparation, cooking, or consumption of food;
   (B) discarded paper, rags, cardboard, wood, rubber,
       plastics, yard trimmings, fallen leaves, brush materials, and similar
       combustible items; and
   (C) discarded glass, crockery, tin or aluminum cans,
       metal items, and similar items that are noncombustible at ordinary
       incinerator temperatures.

(2) "Waste hauler" means a person who, for compensation,
    transports waste by the use of a motor vehicle.

Sec. 368.012. COUNTY LICENSING AND REGULATION. To protect the
public health, safety, or welfare, the commissioners court of a
county with a population of less than 375,000 may by ordinance:
(1) require a waste hauler who transports waste in
    unincorporated areas of the county to be licensed by the county;
(2) establish requirements for obtaining and renewing a
    waste hauler license;
(3) impose a license issuance or renewal fee in an amount
    that generates annually the approximate amount of revenue needed to
    fund the licensing program for a year;
(4) establish standards governing the transportation of
    waste in unincorporated areas of the county;
(5) establish grounds for suspending or revoking a waste
    hauler license; and
(6) prescribe any other provisions necessary to administer
    the licensing program.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1997, 75th Leg., ch. 426, Sec. 1, eff. May 29, 1997.

Sec. 368.013. EXEMPTIONS FOR CERTAIN WASTE HAULERS. (a) This
subchapter does not apply to an entity that transports:
(1) material as part of a recycling program; or
(2) salt water, drilling fluids, or other waste associated
    with the exploration, development, and production of oil, gas, or
geothermal resources.

(b) Except as provided by Subsection (c), a county may not require a waste hauler license to be held by a waste hauler:
   (1) while transporting waste on behalf of a municipality or other governmental entity; or
   (2) operating regularly in more than three counties.

(c) A county may require a waste hauler who transports waste on behalf of a municipality or other governmental entity to have a waste hauler license if the hauler deposits any part of that waste in a county other than the county in which all or part of the municipality or other governmental entity is located.

Sec. 368.014. BOND OR OTHER FINANCIAL ASSURANCE. (a) An applicant for a waste hauler license must execute a surety bond or provide other financial assurance that is payable for the use and benefit of the county or any other person harmed by the waste hauler's actions.

(b) The bond or other financial assurance must be in an amount the commissioners court considers necessary or desirable according to the risk of harm associated with the operation of the waste hauling business.

(c) A bond executed under this section must comply with the insurance laws of this state.

Sec. 368.015. FEES. Fees or other money received by a county under the licensing program shall be deposited to the credit of the general fund of the county.

Sec. 368.016. CONFLICT WITH OTHER REGULATIONS. If a requirement or standard established under Section 368.012 conflicts with state law, a rule adopted under state law, or a municipal ordinance or charter, the stricter provision prevails.
Sec. 368.017. INJUNCTION. A county is entitled to appropriate injunctive relief to prevent the violation or threatened violation of an ordinance the county adopts under this subchapter.

Sec. 368.018. CRIMINAL PENALTY. (a) If a county ordinance adopted under this subchapter defines an offense for a violation of the ordinance, the offense is a Class C misdemeanor.

(b) A separate offense occurs on each day on which all the elements of the offense exist.

CHAPTER 369. PLASTIC CONTAINERS

Sec. 369.001. DEFINITIONS. In this chapter:

(1) "Commission" means the Texas Natural Resource Conservation Commission.

(2) "Plastic" means a material made of polymeric organic compounds and additives that can be shaped by flow.

(3) "Plastic bottle" means a plastic container that:

(A) has a neck smaller than the body of the container;

(B) is designed for a screw top, snap cap, or other closure; and

(C) has a capacity of not less than 16 fluid ounces or more than five gallons.

(4) "Rigid plastic container" means a formed or molded container, other than a plastic bottle, that:

(A) is intended for single use;

(B) is composed predominantly of plastic resin;

(C) has a relatively inflexible finite shape or form; and

(D) has a capacity of not less than eight ounces or more than five gallons.

Sec. 369.002. SYMBOLS FOR CERTAIN PLASTIC CONTAINERS. (a) A person may not manufacture or distribute a plastic bottle or rigid plastic container unless the appropriate symbol indicating the plastic resin used to produce the bottle or container is molded into or imprinted on the bottom or near the bottom of the bottle or container.

(b) A plastic bottle or rigid plastic container with a base cup or other component of a material different from the basic material used in making the bottle or container shall bear the symbol indicating its basic material.

(c) The symbols used under this section must consist of a number placed within a triangle of arrows and of letters placed below the triangle of arrows. The triangle must be equilateral, formed by three arrows with the apex of each point of the triangle at the midpoint of each arrow, rounded with a short radius. The arrowhead of each arrow must be at the midpoint of each side of the triangle with a short gap separating the arrowhead from the base of the adjacent arrow. The triangle formed by the arrows must depict a clockwise path around the number.

(d) The numbers, letters of the symbols, and the plastic resins represented by the symbols are:
   (1) 1 and PETE, representing polyethylene terephthalate;
   (2) 2 and HDPE, representing high density polyethylene;
   (3) 3 and V, representing vinyl;
   (4) 4 and LDPE, representing low density polyethylene;
   (5) 5 and PP, representing polypropylene;
   (6) 6 and PS, representing polystyrene; and
   (7) 7 and OTHER, representing all other resins, including layered plastics of a combination of materials.

(e) The commission may approve the use of another nationally or internationally recognized label coding system for special-purpose plastic bottles or rigid plastic containers which are components of motor vehicles in place of the symbols described by Subsections (c) and (d).

(f) The commission shall:
(1) maintain a list of the symbols; and
(2) provide a copy of that list to any person on request.

Amended by Acts 1993, 73rd Leg., ch. 99, Sec. 1, eff. May 7, 1993;
Acts 1995, 74th Leg., ch. 76, Sec. 11.121, eff. Sept. 1, 1995.

Sec. 369.003. PENALTY. (a) A person who violates Section 369.002(a) or (b) is subject to a civil penalty not to exceed $500 for each act of violation.

(b) If it appears that a person has violated or is violating Section 369.002, the attorney general or a district attorney, criminal district attorney, or county attorney shall institute and conduct a suit in the name of this state to recover the civil penalty imposed under this section.

(c) A civil penalty recovered under this section shall be deposited:
(1) in the state treasury if the attorney general brings the suit; or
(2) in the general fund of the county in which the violation occurred if a district attorney, criminal district attorney, or county attorney brings the suit.

CHAPTER 370. TOXIC CHEMICAL RELEASE REPORTING

Sec. 370.001. SHORT TITLE. This chapter may be cited as the Texas Toxic Chemical Release Reporting Act.

Sec. 370.002. DEFINITIONS. In this chapter:
(1) "Administrator" means the administrator of the United States Environmental Protection Agency.
(2) "Commission" means the Texas Natural Resource Conservation Commission.
(3) "Environment" means water, air, and land and the interrelationship that exists among and between water, air, and land
and all living things.

(4) "Executive director" means the executive director of the Texas Natural Resource Conservation Commission.

(5) "Facility" means all buildings, equipment, structures, and other stationary items that are located on a single site or on contiguous or adjacent sites and are owned or operated by the same person or by any person who controls, is controlled by, or is under common control with that person.

(6) "Manufacture" means to produce, prepare, import, or compound a toxic chemical.

(7) "Person" means an individual, trust, firm, joint-stock company, corporation, including a government corporation, partnership, association, state, commission, municipality or other political subdivision of a state, or interstate body.

(8) "Process" means to prepare a toxic chemical, after its manufacture, for distribution in commerce:
   (A) in the same form or physical state as, or in a different form or physical state from, the form in which the chemical was received by the person preparing the chemical; or
   (B) as part of an article containing the toxic chemical.

(9) "Release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or otherwise disposing into the environment any toxic chemical. The term includes the abandonment or discarding of barrels, containers, and other closed receptacles of any toxic chemical.

(10) "Threshold amount" means the amount established by the administrator under the Emergency Planning and Community Right-to-Know Act of 1986 (42 U.S.C. Section 11001 et seq.).

(11) "Toxic chemical" means a chemical designated as a toxic chemical by the administrator under the Emergency Planning and Community Right-to-Know Act of 1986 (42 U.S.C. Section 11001 et seq.).

(12) "Toxic chemical release form" means the form published by the administrator under the Emergency Planning and Community Right-to-Know Act of 1986 (42 U.S.C. Section 11001 et seq.).

Sec. 370.003. TOXIC CHEMICAL RELEASE FORM REQUIRED OF CERTAIN FACILITIES. (a) The owner or operator of a facility shall submit a toxic chemical release form to the executive director if the facility:

(1) has 10 or more full-time employees and a standard industrial classification code between 20 and 39 that was in effect on July 1, 1985, or has been designated as a facility subject to these requirements by the administrator; and

(2) manufactured, processed, or otherwise used a toxic chemical in excess of the threshold amount during the calendar year for which a toxic chemical release form is required.

(b) The owner or operator of a facility subject to Subsection (a) shall submit a toxic chemical release form for each toxic chemical manufactured, processed, or otherwise used at the facility during the preceding calendar year in a quantity exceeding the threshold amount.

(c) The form shall be submitted not later than July 1 of each year and must contain data that reflect each release that occurred during the preceding calendar year. The administrator may modify the frequency with which a report must be submitted under this section as provided under the Emergency Planning and Community Right-to-Know Act of 1986 (42 U.S.C. Section 11001 et seq.).

Sec. 370.004. THRESHOLD AMOUNTS FOR REPORTING. (a) The threshold amounts for purposes of reporting a toxic chemical under Section 370.003 are as follows:

(1) for a toxic chemical used, but not manufactured or processed, at a facility, 10,000 pounds of the toxic chemical used at the facility during the preceding calendar year; or

(2) for a toxic chemical manufactured or processed at a facility, 25,000 pounds of the toxic chemical manufactured or processed at the facility during the preceding calendar year.

(b) The administrator may establish a threshold amount for a toxic chemical different from the amount established under Subsection...
Sec. 370.005. USE OF AVAILABLE DATA. (a) To provide the information required on the toxic chemical release form, the owner or operator of a facility may use:

1. readily available data, including monitoring data, collected under other law; or

2. reasonable estimates of the amounts involved if data under Subdivision (1) are not readily available.

(b) This section does not require monitoring or measurement of the quantities, concentration, or frequency of a toxic chemical released into the environment beyond the monitoring and measurement required under other law or regulation.

(c) To ensure consistency, data must be expressed in common units, as designated by the administrator.

Sec. 370.006. PUBLIC AVAILABILITY OF TOXIC CHEMICAL RELEASE FORM. (a) A toxic chemical release form required under this chapter is intended to provide information to the public, including federal, state, and local governments and citizens of the communities surrounding a facility covered under Section 370.003.

(b) A toxic chemical release form shall be made available in a manner consistent with the Emergency Planning and Community Right-to-Know Act of 1986 (42 U.S.C. Section 11001 et seq.) and Chapter 552, Government Code.

Sec. 370.007. TOXIC CHEMICAL RELEASE REPORTING FUNDS. (a) Toxic chemical release reporting funds consist of money collected by the commission from:

1. fees imposed on owners and operators of facilities
required to submit a toxic chemical release form; and
  (2) penalties imposed under this chapter.

(b) The commission may use the money collected under this chapter to pay for:
  (1) costs incurred by the commission in implementing this chapter; and
  (2) other commission activities necessary to implement the Emergency Planning and Community Right-to-Know Act of 1986 (42 U.S.C. Section 11001 et seq.).

Sec. 370.008. DISPOSITION OF FEES. (a) The owner or operator of a facility required to submit a toxic chemical release form under this chapter shall pay, at the time of the submission, a fee of $25 for each toxic chemical release form submitted.

(b) The maximum fee for a facility may not exceed $250.

(c) The commission by rule may increase or decrease the toxic chemical release form reporting fee as necessary.

(d) Fees collected under this section shall be deposited in the state treasury to the credit of the waste management account.

CHAPTER 371. USED OIL COLLECTION, MANAGEMENT, AND RECYCLING

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 371.001. SHORT TITLE. This chapter may be cited as the Texas Used Oil Collection, Management, and Recycling Act.

Sec. 371.002. FINDINGS. The legislature finds that:
(1) when properly managed and recycled, used oil is a valuable energy resource;
(2) used oil can be recycled into a number of different products;
(3) improper disposal of used oil is a significant environmental problem and a waste of a potentially valuable energy resource;
(4) there is a need for an expanded statewide network of used oil collection sites for private citizens who change their own motor oil;
(5) the private sector, with incentives, is best equipped to establish and operate used oil collection centers that are convenient for the public;
(6) the need for publicly operated used oil collection centers is greatest in more sparsely populated areas of the state and should diminish over time;
(7) the United States Environmental Protection Agency has issued final regulations that properly classify and regulate used oil and used oil filters in accordance with the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.);
(8) the current used oil and used oil filter program in this state imposes more stringent management requirements than the regulations of the United States Environmental Protection Agency;
(9) limited public money is needed to finance public and private infrastructure investments to collect, manage, and recycle used motor oil;
(10) the used oil management standards under the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.) establish a balanced approach to the objectives of preserving a valuable resource and protecting the natural environment; and
(11) recycling, reuse, treatment, or proper disposal of used oil produces a more advantageous cost-benefit ratio in accomplishing the goals of state law, and these considerations should be included in the source reduction and waste minimization plans adopted under Section 361.505 to the extent applicable.

Sec. 371.0025. PURPOSE AND SCOPE. (a) The purposes of this chapter are to:

(1) ensure that this state's used oil program is consistent with and not more stringent than the federal program for the management of used oil under 40 C.F.R. Part 279 unless otherwise required by state or federal law; and

(2) establish a program to promote public and private do-it-yourselfer used oil collection centers and used oil collection centers.

(b) This chapter does not apply to used oil:

(1) generated in connection with activities regulated by the Railroad Commission of Texas under Chapter 91 or 141, Natural Resources Code, or Chapter 27, Water Code;

(2) exempted under 40 C.F.R. Section 279.10(g) because the oil has been introduced into a crude oil pipeline or is being processed at a petroleum refining facility; or

(3) generated through other activities exempted under 40 C.F.R. Part 271 or 279.

(c) This chapter does not apply to a used oil filter generated in connection with activities regulated by the Railroad Commission of Texas under Chapter 91 or 141, Natural Resources Code, or Chapter 27, Water Code.

Sec. 371.003. DEFINITIONS. In this chapter:

(1) "Aboveground tank" means a tank used to store or process oil that is not an underground storage tank as defined by 40 C.F.R. Section 280.12.

(2) "Automotive oil" means any lubricating oils intended for use in an internal combustion engine, crankcase, transmission, gear box, or differential for an automobile, bus, or truck. The term includes oil that is not labeled specifically for that use but is suitable for that use according to generally accepted industry specifications.

(3) "Commission" means the Texas Natural Resource Conservation Commission.

(4) "Container" means a portable device in which a material is stored, transported, treated, disposed of, or otherwise handled.
(5) "Do-it-yourselfer used oil collection center" means a site or facility that accepts or aggregates and stores used oil collected only from household do-it-yourselfers. A registered do-it-yourselfer used oil collection center that is also a used oil generator may commingle household do-it-yourselfer used oil with the used oil it generates.

(6) "Existing tank" means a tank that is used for the storage or processing of used oil and that as of September 1, 1995, is in operation or is being installed. A tank is being installed if the owner or operator has obtained all necessary federal, state, and local approvals or permits and:
   (A) a continuous on-site installation program has begun; or
   (B) the owner or operator has entered into contractual obligations for installation of the tank that cannot be cancelled or modified without substantial loss.

(7) "Household do-it-yourselfer used oil" means oil that is derived from a household, including used oil generated by an individual through the maintenance of the individual's personal vehicle or equipment.

(8) "Household do-it-yourselfer used oil generator" means an individual who generates household do-it-yourselfer used oil.

(9) "New tank" means a tank for the storage or processing of used oil the installation of which begins on or after September 1, 1995.

(10) "Petroleum refining facility" means an establishment primarily engaged in producing gasoline, kerosene, distillate fuel oils, residual fuel oils, and lubricants through fractionation, straight distillation of crude oil, redistillation of unfinished petroleum derivatives, cracking, or other processes.

(11) "Processing" means chemical or physical operations designed to produce from used oil, or to make used oil more amenable for production of, fuel oils, lubricants, or other used-oil-derived products, including blending used oil with virgin petroleum products, blending used oils to meet fuel specifications, filtration, simple distillation, chemical or physical separation, and rerefining.

(12) "Reclaiming" means processing material to recover a usable product or regenerating material, including recovering lead from a spent battery and regenerating spent solvents.

(13) "Recycling" means:
(A) preparing used oil for reuse as a petroleum product by rerefining, reclaiming, or other means;
(B) using used oil as a lubricant or petroleum product instead of using a petroleum product made from new oil; or
(C) burning used oil for energy recovery.

(14) "Rerefining" means applying processes to material composed primarily of used oil to produce high-quality base stocks for lubricants or other petroleum products, including settling, filtering, catalytic conversion, fractional/vacuum distillation, hydrotreating, or polishing.

(15) "Rerefining distillation bottoms" means the heavy fraction of filtered and dehydrated used oil produced by vacuum distillation. The composition of still bottoms varies with column operation and feedstock.

(16) "Tank" means a stationary device designed to contain an accumulation of used oil that is constructed primarily of nonearthen materials that provide structural support, including wood, concrete, steel, and plastic.

(17) "Used oil" means oil that has been refined from crude oil, or synthetic oil, that as a result of use has been contaminated by physical or chemical impurities.

(18) "Used oil aggregation point" means a site or facility that accepts, aggregates, or stores used oil collected from:

(A) used oil generation sites owned or operated by the owner or operator of the used oil aggregation point and transported to the used oil aggregation point in shipments of not more than 55 gallons; or

(B) household do-it-yourselfers.

(19) "Used oil burner" means a facility in which used oil not meeting the specifications in 40 C.F.R. Section 279.11 is burned for energy recovery in a device listed in 40 C.F.R. Section 279.61(a).

(20) "Used oil collection center" means a site or facility that is registered by the commission to manage used oil and accepts, aggregates, or stores used oil collected from:

(A) used oil generators regulated under 40 C.F.R. Part 279, Subpart C, who transport used oil to the used oil collection center in shipments of not more than 55 gallons under 40 C.F.R. Section 279.24; or

(B) household do-it-yourselfers.
(21) "Used oil fuel marketer" means a person who:
   (A) directs a shipment of used oil not meeting the specifications in 40 C.F.R. Section 279.11 from the person's facility to a used oil burner; or
   (B) first claims that used oil to be burned for energy recovery meets the used oil specifications in 40 C.F.R. Section 279.11.

(22) "Used oil generator" means a person, by site, whose act or process:
   (A) produces used oil; or
   (B) first causes used oil to become subject to regulation.

(23) "Used oil processor or rerefiner" means a facility that processes used oil.

(24) "Used oil transfer facility" means a transportation-related facility, including a loading dock, parking area, storage area, or other area, where shipments of used oil are held for more than 24 hours and not more than 35 days during the normal course of transportation. A transfer facility that stores used oil for more than 35 days is subject to 40 C.F.R. Part 279, Subpart F.

(25) "Used oil transporter" means a person who:
   (A) transports used oil; or
   (B) owns or operates a used oil transfer facility.

SUBCHAPTER B. USED OIL RECYCLING PROGRAM

Sec. 371.021. PUBLIC EDUCATION. The commission shall conduct an education program to inform the public of the need for and benefits of the collection and recycling of used oil and used oil filters. The program shall:

(1) establish, maintain, and publicize a used oil information center that prepares and disperses materials and information explaining laws and rules regulating used oil and informing the public of places and methods for proper recycling of
used oil;

(2) encourage the voluntary establishment of used oil collection and recycling programs by private businesses and organizations and by local governments and provide technical assistance to persons who organize those programs; and

(3) encourage local governments to procure recycled automotive and industrial oils and oils blended with recycled oils, if those oils meet equipment manufacturer's specifications.

Sec. 371.022. NOTICE BY RETAIL DEALER. A retail dealer who annually sells directly to the public more than 500 gallons of oil in containers for use off-premises shall post in a prominent place a sign provided by the commission:

(1) informing the public that improper disposal of used oil is prohibited by law;

(2) containing instructions for disposal of used oil filters; and

(3) prominently displaying the toll-free telephone number of the state used oil information center established under Section 371.021.

Sec. 371.023. GRANTS TO LOCAL GOVERNMENTS AND PRIVATE ENTITIES. (a) The commission shall develop a grant program for local governments and private entities that encourages the collection, reuse, and recycling of household do-it-yourselfer used oil.

(b) The commission may approve a grant for any project that uses one or more of the following programs:

(1) curbside pickup of containers of household do-it-yourselfer used oil by a local government or its representative;

(2) retrofitting of municipal solid waste equipment to facilitate curbside pickup of household do-it-yourselfer used oil;
establishment of do-it-yourselfer used oil collection centers and used oil collection centers at locations accessible to the public, including landfills, fire stations, retail stores, quick lubrication centers, and automobile repair shops;

(4) provision of containers and other materials and supplies that can be used to store household do-it-yourselfer used oil for pickup or delivery to a do-it-yourselfer used oil collection center in an environmentally sound manner; and

(5) any other activity the advisory committee established under Subsection (c) determines will encourage the proper recycling of household do-it-yourselfer used oil.

(c) The commission shall appoint an advisory committee for the used oil grant program. The advisory committee consists of seven members who serve at the pleasure of the commission and represent oil manufacturers as defined by Section 371.062, operators of used oil collection centers, and local governments. The advisory committee members serve without compensation and are not entitled to reimbursement for expenses incurred in the performance of their duties. The advisory committee shall:

(1) recommend criteria for grants;

(2) establish guidelines for allowable administrative expenses; and

(3) recommend grant recipients to the commission based on the used oil collection needs of this state.

(d) The commission by rule shall:

(1) establish procedures for the application for and criteria for the award of grants under this section; and

(2) adopt guidelines for allowable administrative expenses in accordance with guidelines established by the advisory committee.

Sec. 371.024. COLLECTION FACILITIES. (a) All appropriate businesses and government agencies are encouraged to serve as do-it-yourselfer used oil collection centers or used oil collection centers.

(b) A do-it-yourselfer used oil collection center and a used
oil collection center shall:

(1) register biennially with the commission; and
(2) report annually to the commission the amounts of used oil collected by the center from the public.

(c) The commission shall adopt rules governing the registration of and reporting by do-it-yourselfer used oil collection centers and used oil collection centers.

(d) The commission by rule shall adopt standards for managing and operating a do-it-yourselfer used oil collection center or a used oil collection center.

(e) The commission may impose a registration fee in an amount sufficient to cover the actual cost of registering do-it-yourselfer used oil collection centers and used oil collection centers. A private entity that serves voluntarily as a do-it-yourselfer used oil collection center or a used oil collection center is exempt from the registration fee.

Sec. 371.0245. REIMBURSEMENT OF USED OIL COLLECTION CENTER'S HAZARDOUS WASTE EXPENSE. (a) The commission, on proper application, shall reimburse the owner or operator of an eligible registered do-it-yourselfer used oil collection center or a used oil collection center for costs associated with the collection center's disposal of:

(1) household do-it-yourselfer used oil collected by the collection center that, unknown to the center at the time of collection, contains hazardous wastes or is unfit for recycling;
(2) household do-it-yourselfer used oil collected by the collection center that has been commingled with oils described in Subdivision (1) and is unsuitable for recycling; or
(3) contaminated used oil left at the collection center as used oil after posted business hours and without the knowledge of the collection center.

(b) A registered do-it-yourselfer used oil collection center or used oil collection center is eligible for reimbursement if it demonstrates to the satisfaction of the commission that:

(1) the center has established procedures to minimize the
risk that the center will mix the used oil the center generates or collects from the public with hazardous wastes, especially halogenated wastes;

(2) the center accepts not more than:
   (A) five gallons of used oil from any person at any one time if the center is a registered do-it-yourselfer used oil collection center; or
   (B) 55 gallons of used oil from any person at one time if the center is a registered used oil collection center; and
(3) the center can document to the satisfaction of the commission the volume of used oil the center collects from the public during any period under review by:
   (A) providing a process by which all individuals leaving household do-it-yourselfer used oil at the center are required to provide their names, addresses, and the approximate amounts of used oil brought to the collection center; or
   (B) another method approved by the commission.

(c) For the purpose of Subsection (b)(2), the owner or operator of a registered do-it-yourselfer used oil collection center or used oil collection center may presume that a quantity of used oil collected from a member of the public that does not exceed the applicable collection limit established by that subsection is not mixed with a hazardous substance if the owner or operator acts in good faith in the belief the oil is generated from the individual's personal activity.

(d) In any state fiscal year, a registered do-it-yourselfer used oil collection center or used oil collection center may not be reimbursed for more than $7,500 in total eligible disposal costs, subject to Section 371.0246(d).

(e) Reimbursements made under this section shall be paid out of the used oil recycling account and may not exceed an aggregate amount of $500,000 each fiscal year.

or used oil collection center may apply for reimbursement from the commission.

(b) An application for reimbursement shall be submitted on a form approved or provided by the commission.

(c) An application must contain:

1. the name, address, and telephone number of the applicant;
2. the name, mailing address, location address, and commission registration number of the registered do-it-yourselfer used oil collection center or used oil collection center from which the contaminated oil was removed;
3. the name, address, telephone number, and commission registration number of the hazardous waste transporter used to dispose of the contaminated used oil;
4. a copy of any shipping documents that accompanied the transportation of the shipment of used oil;
5. a copy of each invoice for which reimbursement is requested and evidence that the amount shown on the invoice has been paid in full in the form of:
   A. canceled checks;
   B. business receipts from the person who performed the work; or
   C. other documentation approved by the commission;
6. a waste-characterization or similar documentation required before acceptance of a hazardous waste by the disposal facility that accepted the contaminated used oil for treatment or disposal; and
7. any other information that the executive director may reasonably require.

(d) All claims for reimbursement filed under this section and Section 371.0245 are subject to funds available for disbursement in the used oil recycling account and to Section 371.0245(e). This subchapter does not create an entitlement to money in the used oil recycling account or any other fund.

Sec. 371.025. LIMITATION OF LIABILITY. (a) A person may not recover from the owner, operator, or lessor of a registered do-it-yourselfer used oil collection center or used oil collection center any damages or costs of response actions at another location resulting from a release or threatened release of used oil collected at the center if:

(1) the owner, operator, or lessor of the collection center does not mix the used oil collected with any hazardous waste or polychlorinated biphenyls (PCBs);

(2) the owner, operator, or lessor of the collection center does not accept used oil that the owner, operator, or lessor knows contains hazardous waste or PCBs; and

(3) the collection center is in compliance with management standards adopted by the commission.

(b) For purposes of this section, the owner, operator, or lessor of a do-it-yourselfer used oil collection center or a used oil collection center may presume that a quantity of less than five gallons of used oil accepted at any one time from any member of the public is not mixed with a hazardous waste or PCBs, provided that the owner, operator, or lessor acts in good faith.

(c) This section applies only to activities directly related to the collection of used oil by a do-it-yourselfer used oil collection center or a used oil collection center. This section does not apply to grossly negligent activities related to the operation of a do-it-yourselfer used oil collection center or a used oil collection center.

(d) This section does not affect or modify the obligations or liability of any person other than the owner, operator, or lessor of the collection center under any other provisions of state or federal law, including common law, for injury or damage resulting from a release of used oil or hazardous substances.

(e) This section does not affect or modify the obligations or liability of any owner, operator, or lessor of a collection center with regard to services other than accepting used oil from the public.

Sec. 371.026. REGISTRATION AND REPORTING REQUIREMENTS OF USED OIL HANDLERS OTHER THAN GENERATORS. (a) The commission shall adopt rules governing registration and reporting of used oil handlers other than generators. The rules shall require that:

(1) a used oil handler other than a generator:
   (A) register with the commission;
   (B) provide evidence of familiarity with applicable state laws and rules and management procedures applicable to used oil handling; and
   (C) provide proof of liability insurance or other evidence of financial responsibility for any liability that may be incurred in handling used oil, except that this provision does not apply to a used oil handler which is owned or otherwise effectively controlled by the owners or operators where the used oil is generated; and

(2) a used oil processor or rerefiner must report to the commission, in the form of a letter on a biennial basis by December 1 of each odd-numbered year, the calendar year covered by the report and the quantities of used oil accepted for processing or rerefining and the manner in which the used oil is processed or rerefined, including the specific processes employed.

(b) The commission by rule shall adopt reasonable management and safety standards for the handling of used oil.

(c) The commission may impose a registration fee in an amount sufficient to cover the actual cost of registering used oil handlers other than generators.

(d) A used oil transporter may consolidate or aggregate loads of used oil for purposes of transportation but may not process used oil, except that a used oil transporter may conduct incidental processing operations, including settling and water separation, that occur in the normal course of the transportation of used oil but that are not designed to produce, or make more amenable for the production of, used-oil-derived products or used oil fuel.

Sec. 371.027. GIFTS AND GRANTS. The commission may apply for, request, solicit, contract for, receive, and accept gifts, grants, donations, and other assistance from any source to carry out its powers and duties under this chapter.

Sec. 371.028. RULES. Not later than January 1, 1996, the commission shall adopt rules, standards, and procedures necessary to implement the used oil recycling program established by this chapter. Unless otherwise required by federal or state law, the rules, standards, and procedures must be consistent with and not more stringent than the used oil management standards under the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.).

SUBCHAPTER C. CERTAIN ACTIONS PROHIBITED; PENALTIES

Sec. 371.041. ACTIONS PROHIBITED. A person may not collect, transport, store, recycle, use, discharge, or dispose of used oil in any manner that endangers the public health or welfare or endangers or damages the environment.

SUBCHAPTER D. USED OIL RECYCLING ACCOUNT; FEES

Sec. 371.061. USED OIL RECYCLING ACCOUNT. (a) The used oil recycling account is in the state treasury.

(b) The account consists of:
(1) fees collected under Sections 371.024, 371.026, and
371.062;
(2) interest and penalties imposed under this chapter for late payment of fees, failure to file a report, or other violations of this chapter; and
(3) gifts, grants, donations, or other financial assistance the commission is authorized to receive under Section 371.027.
(c) The commission may use money in the account only for purposes authorized by this chapter, including:
(1) public education;
(2) grants to public and private do-it-yourselfer used oil collection centers and used oil collection centers;
(3) registration of do-it-yourselfer used oil collection centers, used oil collection centers, and used oil handlers other than generators; and
(4) administrative costs of implementing this chapter.
(d) The account is exempt from the application of Section 403.095, Government Code.
(e) For the purpose of consolidating appropriations, the commission may transfer any amount authorized under Subsection (c)(4) or by legislative appropriation to the waste management account subject to the limitations and requirements of this chapter.

Added by Acts 1991, 72nd Leg., ch. 303, Sec. 8, eff. Sept. 1, 1991.
Amended by Acts 1993, 73rd Leg., ch. 899, Sec. 4.06, eff. Oct. 1, 1993; Acts 1995, 74th Leg., ch. 76, Sec. 11.131, eff. Sept. 1, 1995; Acts 1995, 74th Leg., ch. 887, Sec. 8, eff. Sept. 1, 1995; Acts 1997, 75th Leg., ch. 333, Sec. 68, eff. Sept. 1, 1997.

Sec. 371.062. FEE ON SALE OF AUTOMOTIVE OIL. (a) In this section:
(1) "Distributor" means a person who maintains a distribution center or warehouse in this state and annually sells more than 25,000 gallons of automotive oil.
(2) "First sale" means the first actual sale of automotive oil delivered to a location in this state and sold to a purchaser who is not an automotive oil manufacturer or distributor. The term does not include the sale of automotive oil:
(A) exported from this state to a location outside this state for the purpose of sale or use outside this state;
for resale to or use by vessels exclusively engaged in foreign or interstate commerce;
(C) to a subsequent purchaser who maintains a do-it-yourselfer used oil collection center or used oil collection center registered by the commission at the location where the automotive oil is changed, used, consumed, or resold to do-it-yourselfers; or
(D) to the United States.

(3) "Importer" means any person who imports or causes to be imported automotive oil into this state for sale, use, or consumption.

(4) "Oil manufacturer" means any person or entity that formulates automotive oil and packages, distributes, or sells that automotive oil. The term includes any person packaging or repackaging automotive oil.

(b) An oil manufacturer or distributor who makes a first sale of automotive oil is liable for a fee.

(c) An oil importer who imports or causes to be imported automotive oil is liable for the fee at the time the oil is received.

(d) An oil distributor or retailer who exports from this state to a location outside this state oil on which the automotive oil fee has been paid may request from his supplier a refund or credit of the fee paid on the exported oil. The supplier or oil manufacturer and the importer may in turn request a refund of the fee paid to the comptroller. The amount of refund that may be claimed under this section may equal but not exceed the amount of the fee paid on the automotive oil.

(e) An oil manufacturer, importer, distributor, or retailer who makes a sale to a vessel or a sale for resale to a vessel of automotive oil on which the automotive oil fee has been paid may file with the comptroller a request for refund of the fee paid on the oil or, where applicable, may request a refund or credit from the supplier to whom the fee was paid. The supplier may in turn request a refund from the comptroller. The amount of refund that may be claimed under this section may equal but not exceed the amount of the fee paid on the automotive oil.

(f) Each oil manufacturer, distributor, or importer required to pay a fee under this section shall:

(1) prepare and maintain, on a form provided or approved by the comptroller, a report of each first sale or, in the case of an importer, the first receipt in Texas of automotive oil by the person
and the price received;

(2) retain the invoice or a copy of the invoice or other appropriate record of the sale or receipt for four years from the date of sale or receipt; and

(3) on or before the 25th day of the month following the end of each calendar quarter, file a report with the comptroller and remit to the comptroller the amount of fees required to be paid for the preceding quarter.

(g) Records required to be maintained under Subsection (f) shall be available for inspection by the comptroller at all reasonable times.

(h) The comptroller shall adopt rules necessary for the administration, collection, reporting, and payment of the fees payable or collected under this section.

(i) Except as provided by this section, Chapters 101 and 111 through 113, Tax Code, apply to the administration, payment, collection, and enforcement of fees under this section in the same manner that those chapters apply to the administration, payment, collection, and enforcement of taxes under Title 2, Tax Code.

(j) The fee imposed under this section is one cent per quart or four cents per gallon of automotive oil.

(k) A person required to pay a fee under this section may retain one percent of the amount of the fees due from each quarterly payment as reimbursement for administrative costs.

(l) The comptroller may deduct a percentage of the fees collected under this section in an amount sufficient to pay the reasonable and necessary costs of administering and enforcing this section. The comptroller shall credit the amount deducted to the general revenue fund. The balance of fees and all penalties and interest collected under this section shall be deposited to the credit of the used oil recycling account.

(m) A distributor must obtain a permit from the comptroller. The comptroller shall adopt an application form for the permit, which must include:

(1) the name under which the applicant transacts or intends to transact business;

(2) the location of the applicant's distribution center or warehouse in this state;

(3) if the applicant is a corporation or partnership, the names of the principal officers of the corporation or of the members
of the partnership and the address of each officer or member; and
(4) any other information required by the comptroller.

(n) The comptroller may deny or revoke a permit under Subsection (m) if false information is submitted on the application or on a required fuels tax report or supplement.

(o) A permit under Subsection (m) may not be assigned.

SUBCHAPTER E. FILTER STORAGE, TRANSPORTATION, OR PROCESSING

Sec. 371.101. DEFINITIONS. In this subchapter:

(1) "Bill of lading" means a shipping document that confirms the receipt of a shipment.

(2) "Bulk filter container" means a portable device that:

(A) is part of an integrated delivery and retrieval system; and

(B) has a capacity greater than 330 gallons.

(3) "Component parts" means the severable parts of an oil filter and includes oil present in an oil filter.

(4) "Do-it-yourselfer" means an individual who removes a used oil filter in the process of an oil change or automotive repair from the engine of a light duty motor vehicle, small utility engine, noncommercial motor vehicle, or farm equipment owned or operated by the individual.

(5) "Generator" means a person whose activities produce used oil filters. The term does not include a do-it-yourselfer.

(6) "Process" means to prepare a used oil filter for recycling, steel recovery, energy recovery, or proper disposal.

(7) "Processor" means a person that processes used oil filters generated by another person. The term does not include a generator that consolidates, drains, or crushes used oil filters for off-site recycling or disposal.

(8) "Store" means to hold in a location for any period.

(9) "Storage facility" means a location that stores used oil filters before transportation, processing, recycling, or disposal.
of the filters. The term does not include the location of a generator.

(10) "Transporter" means a person that transports used oil filters to a location for storage, processing, recycling, or disposal.

(11) "Used oil filter" means any device that is an integral part of an oil flow system, the primary purpose of which is to remove contaminants from flowing oil contained in the system, and that, as a result of use, has become contaminated and unsuitable for its original purpose, is removed from service, and contains entrapped used oil. The term does not include a filter attached to the equipment containing the oil flow system. This term continues to apply regardless of prior processing until but not after the filter has been burned for steel recovery or energy recovery or it is separated into its component parts.

Added by Acts 1999, 76th Leg., ch. 366, Sec. 1, eff. Sept. 1, 1999.

Sec. 371.102. APPLICABILITY. (a) This subchapter applies to a used oil filter only if the filter has not been:

(1) separated into its component parts; or
(2) burned for:
   (A) steel recovery; or
   (B) energy recovery.

(b) This subchapter does not apply to:

(1) an industrial generator that is:
   (A) registered with the commission as an industrial or hazardous waste facility; or
   (B) under the waste management authority of a state agency other than the commission; or
(2) a do-it-yourselfer.

Added by Acts 1999, 76th Leg., ch. 366, Sec. 1, eff. Sept. 1, 1999.

Sec. 371.103. GENERAL REQUIREMENTS. (a) A person may not store, process, or dispose of a used oil filter in a manner that results in the discharge of oil into soil or water.

(b) A person may not knowingly place on land a used oil filter that contains oil unless the used oil filter is in a container.
(c) A bulk filter container used to store used oil filters:
   (1) must not leak; and
   (2) must be securely closed, waterproof, and in good condition.

(d) A used oil filter may not be intentionally or knowingly placed in or accepted for disposal in a landfill permitted by the commission.

Added by Acts 1999, 76th Leg., ch. 366, Sec. 1, eff. Sept. 1, 1999.

Sec. 371.104. REGISTRATION AND REPORTING. (a) A transporter, storage facility, or processor may not store, process, recycle, or dispose of used oil filters unless the person is registered with the commission.

(b) Unless the person is registered with the commission as a storage facility, a person may not store used oil filters:
   (1) that in the aggregate have a volume greater than six 55-gallon drums; or
   (2) in more than one bulk filter container.

(c) A registered transporter, storage facility, or processor shall:
   (1) renew the registration biennially; and
   (2) report to the commission biennially the number of used oil filters the person transported, stored, or processed in the two years preceding the date of the report.

Sec. 371.105. SHIPMENT RECORDS. (a) Each shipment of used oil filters must be accompanied by a bill of lading that conforms to commission rules.

(b) In accordance with commission rules, a copy of the bill of lading for each shipment of used oil filters must be maintained by the generator of the filters, transporter of the filters, storage facility at which the filters were stored, and processor of the filters for at least three years after the date the filters were transported, stored, or processed.

(c) The copies of the bills of lading must be made available for the commission to inspect at any reasonable time.
Sec. 371.106. LIMITATIONS ON STORAGE. (a) A storage facility may not store a used oil filter for more than 120 days.

(b) A transporter may not store a used oil filter for more than 10 days.

(c) A processor may not store a used oil filter for more than 30 days before it is processed.

(d) A processor that stores used oil filters in a container shall label each container clearly with the phrase "Used Oil Filters."

Sec. 371.107. VARIANCES. (a) The commission may grant an individual variance to allow:

(1) a generator to store used oil filters in a greater aggregate volume than the volume prescribed by Section 371.104(b); or

(2) a person to store used oil filters for a period longer than the period prescribed for that person by Section 371.106.

(b) The commission may not grant a variance under this section for a period of longer than two years.

Sec. 371.108. SPILL PREVENTION AND CONTROL. Each registered storage facility and each facility of a registered processor shall develop a plan to prevent spills and respond to spills in accordance with the federal spill prevention, control, and countermeasure requirements provided by Title 40, Code of Federal Regulations, Part 112, as amended.

Sec. 371.109. FINANCIAL RESPONSIBILITY. The commission shall adopt rules requiring a person required to register under Section
371.104 to demonstrate adequate financial responsibility.

Added by Acts 1999, 76th Leg., ch. 366, Sec. 1, eff. Sept. 1, 1999.

Sec. 371.110. CIVIL AND ADMINISTRATIVE PENALTIES. (a) Notwithstanding Sections 7.052 and 7.102, Water Code, a person that violates this subchapter or a rule adopted under this subchapter is liable for a civil penalty of not less than $100 or more than $500 for each violation and for each day of a continuing violation.

(b) The commission or the attorney general at the request of the commission may bring a suit under Subchapter D, Chapter 7, Water Code, to recover the penalty.

(c) A local government with jurisdiction over the area in which the violation occurred may bring suit to recover the penalty.

(d) The violation described by Subsection (a) also is subject to an administrative penalty. The commission may recover the administrative penalty in a proceeding conducted as provided by Subchapter C, Chapter 7, Water Code.

CHAPTER 372. ENVIRONMENTAL PERFORMANCE STANDARDS FOR PLUMBING FIXTURES

Sec. 372.001. DEFINITIONS. In this chapter:

(1) "Commercial prerinse spray valve" means a handheld device that is designed and marketed for use with commercial dishwashing and ware washing equipment and that is used to spray water on dishes, flatware, and other food service items to remove food residue before the items are cleaned in a dishwasher or ware washer or by hand.

(2) "Commission" means the Texas Commission on Environmental Quality.

(3) "Executive director" means the executive director of the commission.

(4) "Plumbing fixture" means a device that receives water, waste, or both and discharges the water, waste, or both into a drainage system. The term includes a kitchen sink, utility sink, lavatory, bidet, bathtub, shower, urinal, toilet, or drinking water fountain.
"Plumbing fixture fitting" means a device that controls and directs the flow of water. The term includes a sink faucet, lavatory faucet, shower head, or bath filler.

"Pressurized flushing device" means a device that contains a valve that:

(A) is attached to a pressurized water supply pipe that is of sufficient size to deliver water at the necessary rate of flow to ensure flushing when the valve is open; and

(B) opens on actuation to allow water to flow into the fixture at a rate and in a quantity necessary for the proper operation of the fixture and gradually closes to avoid water hammer.

"Toilet" means a water closet.

"Water closet" means a plumbing fixture that has a water-containing receptor that receives liquid and solid body waste and, on actuation, conveys the waste through an exposed integral trap seal into a drainage system.

Sec. 372.002. WATER SAVING PERFORMANCE STANDARDS. (a) A person may not sell, offer for sale, distribute, or import into this state a plumbing fixture for use in this state unless:

(1) the plumbing fixture meets the water saving performance standards provided by Subsection (b); and

(2) the plumbing fixture is listed by the commission under Subsection (c).

(b) The water saving performance standards for a plumbing fixture are the following standards:

(1) for a sink or lavatory faucet or a faucet aerator, maximum flow may not exceed 2.2 gallons of water per minute at a
pressure of 60 pounds per square inch;

(2) for a shower head, maximum flow may not exceed 2.5 gallons of water per minute at a constant pressure over 80 pounds per square inch;

(3) for a urinal and the associated flush valve, if any, sold, offered for sale, or distributed in this state before January 1, 2014:

(A) maximum flow may not exceed an average of one gallon of water per flush; and

(B) the urinal and the associated flush valve, if any, must meet the performance, testing, and labeling requirements prescribed by American Society of Mechanical Engineers Standard A112.19.2-2008 and Canadian Standards Association Standard B45.1-2008 "Vitreous China Plumbing Fixtures and Hydraulic Requirements for Water Closets and Urinals";

(4) except as provided by Subsection (g), for a urinal and the associated flush valve, if any, sold, offered for sale, or distributed in this state on or after January 1, 2014:

(A) maximum flow may not exceed an average of 0.5 gallons of water per flush; and

(B) the urinal and the associated flush valve, if any, must meet the performance, testing, and labeling requirements prescribed by the following standards, as applicable:

(i) American Society of Mechanical Engineers Standard A112.19.2-2008 and Canadian Standards Association Standard B45.1-2008 "Vitreous China Plumbing Fixtures and Hydraulic Requirements for Water Closets and Urinals"; or

(ii) American Society of Mechanical Engineers Standard A112.19.19-2006 "Vitreous China Nonwater Urinals";

(5) for a toilet sold, offered for sale, or distributed in this state before January 1, 2014:

(A) maximum flow may not exceed an average of 1.6 gallons of water per flush; and

(B) the toilet must meet the performance, testing, and labeling requirements prescribed by the following standards, as applicable:

(i) American Society of Mechanical Engineers Standard A112.19.2-2008 and Canadian Standards Association Standard B45.1-2008 "Vitreous China Plumbing Fixtures and Hydraulic Requirements for Water Closets and Urinals"; and

(6) except as provided by Subsection (h), for a toilet sold, offered for sale, or distributed in this state on or after January 1, 2014:

(A) the toilet must be a dual flush water closet that meets the following standards:

(i) the average flush volume of two reduced flushes and one full flush may not exceed 1.28 gallons; and

(ii) the toilet must meet the performance, testing, and labeling requirements prescribed by the following standards, as applicable:

   (a) American Society of Mechanical Engineers Standard A112.19.2-2008 and Canadian Standards Association Standard B45.1-2008 "Vitreous China Plumbing Fixtures and Hydraulic Requirements for Water Closets and Urinals"; and

   (b) American Society of Mechanical Engineers Standard A112.19.14-2006 "Six-Liter Water Closets Equipped With a Dual Flushing Device"; or

(B) the toilet must be a single flush water closet that meets the following standards:

(i) the average flush volume may not exceed 1.28 gallons; and

(ii) the toilet must meet the performance, testing, and labeling requirements prescribed by American Society of Mechanical Engineers Standard A112.19.2-2008 and Canadian Standards Association Standard B45.1-2008 "Vitreous China Plumbing Fixtures and Hydraulic Requirements for Water Closets and Urinals"; and

(7) a drinking water fountain must be self-closing.

(c) The commission shall make and maintain a current list of plumbing fixtures that are certified to the commission by the manufacturer to meet the water saving performance standards established by Subsection (b). To have a plumbing fixture included on the list, a manufacturer must supply to the commission, in the form prescribed by the commission:

(1) the identification and the performance specifications of the plumbing fixture; and

(2) certified test results from a laboratory accredited by the American National Standards Institute verifying that the plumbing
fixture meets the water saving performance standards established by Subsection (b).

(d) Repealed by Acts 2009, 81st Leg., R.S., Ch. 1316, Sec. 6, eff. September 1, 2009.
(e) Repealed by Acts 2009, 81st Leg., R.S., Ch. 1316, Sec. 6, eff. September 1, 2009.
(f) This section does not apply to:
   (1) a plumbing fixture that has been ordered by or is in the inventory of a building contractor or a wholesaler or retailer of plumbing fixtures on January 1, 1992;
   (2) a fixture, such as a safety shower or aspirator faucet, that, because of the fixture's specialized function, cannot meet the standards provided by this section;
   (3) a fixture originally installed before January 1, 1992, that is removed and reinstalled in the same building on or after that date;
   (4) a fixture imported only for use at the importer's domicile;
   (5) a nonwater-supplied urinal; or
   (6) a plumbing fixture that has been certified by the United States Environmental Protection Agency under the WaterSense Program.

(g) The water saving performance standards for a urinal and the associated flush valve, if any, sold, offered for sale, or distributed in this state on or after January 1, 2014, are the standards prescribed by Subsection (b)(3) if the urinal was designed for heavy-duty commercial applications.

(h) The water saving performance standards for a toilet sold, offered for sale, or distributed in this state on or after January 1, 2014, are the standards prescribed by Subsection (b)(5) if the toilet is a water closet that has a design not typically found in a residential application or that is designed for a specialized application, including a water closet that:
   (1) is mounted on the wall and discharges to the drainage system through the floor;
   (2) is located in a correctional facility, as defined by Section 1.07, Penal Code;
   (3) is used in a bariatric application;
   (4) is used by children at a day-care facility; or
   (5) consists of a non-tank type commercial bowl connected
to the plumbing system through a pressurized flushing device.

Amended by:
  Acts 2009, 81st Leg., R.S., Ch. 1316 (H.B. 2667), Sec. 2, eff. September 1, 2009.
  Acts 2009, 81st Leg., R.S., Ch. 1316 (H.B. 2667), Sec. 6, eff. September 1, 2009.

Sec. 372.0025. EXCEPTION: ACTION BY MUNICIPALITY OR COUNTY.
The governing body of a municipality or county by ordinance or order may allow the sale in the municipality or county of a urinal or toilet that does not comply with Section 372.002(b)(4) or (6), respectively, if the governing body finds that to flush a public sewer system located in the municipality or county in a manner consistent with public health, a greater quantity of water is required because of the configuration of the drainage systems of buildings located in the municipality or county or the public sewer system.

Added by Acts 2009, 81st Leg., R.S., Ch. 1316 (H.B. 2667), Sec. 3, eff. September 1, 2009.

Sec. 372.003. LABELING REQUIREMENTS. (a) Repealed by Acts 2009, 81st Leg., R.S., Ch. 1316, Sec. 6, eff. September 1, 2009.
(b) Repealed by Acts 2009, 81st Leg., R.S., Ch. 1316, Sec. 6, eff. September 1, 2009.
(c) The commission by rule shall prohibit the sale, offering for sale, distribution, or importation into this state of a new commercial or residential clothes-washing machine, dish-washing machine, or lawn sprinkler unless:
  (1) the manufacturer has furnished to the commission, in the form prescribed by the commission, the identification and performance specifications of the device; and
  (2) the clothes-washing or dish-washing machine or lawn
sprinkler is labeled in accordance with rules adopted by the commission with a statement that describes the device’s water use characteristics.

(d) Rules adopted or amended under this section shall be developed by the commission in conjunction with a technical advisory panel of designated representatives of the Texas Water Development Board and the Texas State Board of Plumbing Examiners.

(e) This section shall not apply to those clothes-washing or dish-washing machines that are subject to and in compliance with the labeling requirements of the National Appliance Energy Conservation Act of 1987, Public Law 100-12.

Amended by: Acts 2009, 81st Leg., R.S., Ch. 1316 (H.B. 2667), Sec. 6, eff. September 1, 2009.

Sec. 372.0035. LEAD IN PLUMBING FIXTURES, PIPE, AND PIPE FITTING. (a) A person may not sell or offer for sale a plumbing fixture, pipe, or pipe fitting that contains more than eight percent lead for installing or repairing:

(1) a public drinking water system; or
(2) plumbing that provides water for human consumption and is connected to a public drinking water system.

(b) A person may not sell or offer for sale solder or flux that contains more than two-tenths percent lead for installing or repairing:

(1) a public drinking water system; or
(2) plumbing that provides water for human consumption and is connected to a public drinking water system.

(c) For purposes of this section, a person engaged in the business of installing or repairing plumbing is considered to have sold or offered for sale a plumbing fixture, pipe, pipe fitting, solder, or flux if the person uses or offers to use the fixture, pipe, fitting, solder, or flux to install or repair plumbing.
(d) This section does not prohibit the sale or offer for sale of a lead joint necessary for the repair of cast-iron pipe. The commission shall adopt rules to implement this subsection.

(e) The commission may adopt rules to implement this section.

(f) If a person licensed under Chapter 1301, Occupations Code, violates this section, the Texas State Board of Plumbing Examiners may discipline the person under Subchapter I of that chapter as if a violation of this section were a violation of that chapter.

(g) A person commits an offense if the person violates Subsection (a) or (b). An offense under this subsection is a Class C misdemeanor. Each violation is a separate offense and each day of a continuing violation is a separate offense.

(h) A field representative of the Texas State Board of Plumbing Examiners or, within the jurisdiction of a municipality, a municipal plumbing inspector may issue a citation to a person who violates this section.

Sec. 372.004. REPORT TO LEGISLATURE. (a) In this section, "water consumption factor" has the meaning assigned by 10 C.F.R. Part 430, Subpart B, Appendix J, as that appendix existed on September 1, 2001.

(b) This section does not apply to a clothes-washing machine with a capacity of more than 3.5 cubic feet or less than 1.6 cubic feet.

(c) The commission shall report to the legislature not later than February 28 of each year on:

(1) the number of clothes-washing machines with a water consumption factor of more than 11 that were imported into this state during the preceding calendar year;

(2) the number of clothes-washing machines with a water consumption factor of more than 9.5 but not more than 11 that were imported into this state during the preceding calendar year;

(3) the number of clothes-washing machines with a water consumption factor of 9.5 or less that were imported into this state.
during the preceding calendar year; and

(4) the average water consumption factor of all clothes-washing machines that were imported into this state during the preceding calendar year.

(d) The commission by rule shall require appropriate industry trade associations or other entities to provide the information described by Subsection (c) to the commission not later than January 31 of each year.

Sec. 372.005. COMMERCIAL PRERINSE SPRAY VALVE PERFORMANCE STANDARDS. (a) A person may not sell, offer for sale, distribute, lease, or import into this state a commercial prerinse spray valve for use in this state unless the prerinse spray valve:

(1) has a flow rate of 1.6 gallons of water per minute or less, as determined using the standard test method for prerinse spray valves developed by the American Society for Testing and Materials as specified in ASTM F2324-03 as that method existed on January 1, 2006; and

(2) is listed by the commission under Subsection (b).

(b) The commission shall make and maintain a current list of commercial prerinse spray valves that are certified to the commission by the manufacturer or importer to meet the performance standards provided by Subsection (a)(1). To have a commercial prerinse spray valve included on the list, the manufacturer or importer must supply to the commission, in the form prescribed by the commission, the identification and the performance specifications of the prerinse spray valve. The commission may test a listed commercial prerinse spray valve to determine the accuracy of the manufacturer's or importer's certification and shall remove from the list a prerinse spray valve the commission determines to be inaccurately certified.

(c) The commission may assess against a manufacturer or an importer a reasonable fee for an inspection of a commercial prerinse spray valve to determine the accuracy of the manufacturer's or importer's certification in an amount determined by the commission to cover the expenses incurred in the administration of this chapter. A fee received by the commission under this subsection shall be deposited in the state treasury to the credit of the water resource...
management account. Fees deposited under this section may be appropriated only for the administration of this chapter.

Added by Acts 2005, 79th Leg., Ch. 1117 (H.B. 2428), Sec. 2, eff. January 1, 2006.

Sec. 372.006. NONWATER-SUPPLIED URINAL PERFORMANCE STANDARDS. (a) A person may not sell, offer for sale, or distribute in this state a nonwater-supplied urinal for use in this state unless the nonwater-supplied urinal:

(1) meets the performance, testing, and labeling requirements prescribed by the following standards, as applicable:
   (A) American Society of Mechanical Engineers Standard A112.19.19-2006 "Vitreous China Nonwater Urinals"; or
   (B) International Association of Plumbing and Mechanical Officials Standard ANSI Z124.9-2004 "Plastic Urinal Fixtures";

(2) provides a trap seal that complies with the building code of the local government in which the urinal is installed; and

(3) permits the uninhibited flow of waste through the urinal to the sanitary drainage system.

(b) The manufacturer or importer must submit to the commission certified test results from a laboratory accredited by the American National Standards Institute verifying that the nonwater-supplied urinal conforms to the requirements described by Subsection (a)(1).

(c) A person who installs a nonwater-supplied urinal shall install water distribution and fixture supply piping sized to accommodate a water-supplied urinal to an in-wall point immediately adjacent to the nonwater-supplied urinal location so that the nonwater-supplied urinal can be replaced with a water-supplied urinal if desired by the owner or required by a code enforcement officer.

(d) A person who owns a nonwater-supplied urinal shall clean and maintain the nonwater-supplied urinal in accordance with the manufacturer's instructions.

Added by Acts 2009, 81st Leg., R.S., Ch. 1316 (H.B. 2667), Sec. 3, eff. September 1, 2009.
Sec. 373.001. XERISCAPE ASSISTANCE PROGRAM. (a) The board on request shall assist counties and municipalities by providing a model xeriscape code and other technical assistance.

(b) The board shall work with counties and municipalities to promote, through educational programs and publications, the use of xeriscape practices, including the use of compost, in existing residential and commercial development.

(c) In this section:
   (1) "Board" means the Texas Water Development Board.
   (2) "Xeriscape" has the meaning assigned by Section 2166.404, Government Code.

For expiration of this chapter, see Section 374.253.

CHAPTER 374. DRY CLEANER ENVIRONMENTAL RESPONSE

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 374.001. DEFINITIONS. In this chapter:
   (1) Repealed by Acts 2005, 79th Leg., Ch. 1110, Sec. 19, eff. September 1, 2005.
   (2) "Chlorinated dry cleaning solvent" means any dry cleaning solvent that contains a compound that has a molecular structure containing the element chlorine, including perchloroethylene, also known as tetrachloroethylene.
   (3) "Commission" means the Texas Commission on Environmental Quality.
   (4) "Corrective action" means those activities described by Section 374.152 or 374.153.
   (5) "Corrective action plan" means a plan approved by the commission to perform corrective action at a dry cleaning facility.
   (6) "Dry cleaning drop station" means a retail commercial establishment described in category 812320 of the 2002 North American Industry Classification System as an establishment the primary business of which is to act as a collection point for the drop-off and pick-up of garments or other fabrics that are sent to a dry cleaning facility for processing.
   (7) "Dry cleaning facility" means:
(A) a retail commercial establishment, described in category 812320 of the 2002 North American Industry Classification System, that operates, or has operated, in whole or in part for the purpose of cleaning garments or other fabrics using a process that involves any use of dry cleaning solvents;

(B) all contiguous land used in connection with the establishment; and

(C) all structures and other appurtenances and improvements located on the contiguous land and used in connection with the establishment.

(8) "Dry cleaning solvent" includes:

(A) perchloroethylene, also known as tetrachloroethylene, petroleum-based solvents, hydrocarbons, silicone-based solvents, and other nonaqueous solvents used in the cleaning of garments or other fabrics at a dry cleaning facility; and

(B) the chemicals and compounds into which the solvents degrade.

(9) "Dry cleaning unit" means a machine or device that uses dry cleaning solvents to clean garments and other fabrics and any piping, ancillary equipment, and containment system associated with the machine or device.

(10) "Executive director" means the executive director of the commission.

(11) "Fund" means the dry cleaning facility release fund.

(12) "Owner" means a person who owns or leases, or has owned or leased, a dry cleaning facility and who is or has been responsible for the operation of dry cleaning operations at the dry cleaning facility.

(13) "Release" means a spill, emission, discharge, escape, leak, or disposal of dry cleaning solvent from a dry cleaning facility into the soil or water of the state.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:

Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 1, eff. September 1, 2005.

Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 19, eff. September 1, 2005.
Sec. 374.002. APPLICABILITY OF OTHER LAW. To the extent that this chapter is inconsistent or in conflict with Chapter 361 or other general law, this chapter prevails.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.

Sec. 374.003. APPLICABILITY TO GOVERNMENTAL BODIES. This chapter does not apply to:

(1) a governmental entity, including a governmental agency or prison; or

(2) a political subdivision of this state, including a municipality or a conservation and reclamation district created under Section 59, Article XVI, Texas Constitution, that owns or operates a wholesale or retail water supply system, public solid waste system, public storm water and drainage system, or public solid waste disposal system.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.

Sec. 374.004. ADVISORY COMMITTEE. (a) The executive director shall appoint an advisory committee composed of:

(1) three representatives of the dry cleaning industry who shall provide professional and practical expertise to the commission;

(2) one public representative of urban areas; and

(3) one public representative of rural areas.

(b) The advisory committee shall:

(1) review and comment on the methodology the commission uses to rank contaminated sites under Section 374.154;

(2) review and comment on the report the commission prepares each biennium under Section 374.056; and

(3) assist in the ongoing development of rules to implement, administer, and enforce this chapter.

(c) A member of the committee serves at the will of the executive director.

(d) A member of the advisory committee serves without compensation but is entitled to be reimbursed by the commission for actual and necessary travel expenses related to the performance of committee duties.
Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:
Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 2, eff. September 1, 2005.

SUBCHAPTER B. RULES, STANDARDS, CRITERIA, AND REPORTS

Sec. 374.051. COMMISSION RULES AND STANDARDS. (a) The commission, with the assistance of the advisory committee, shall adopt rules necessary to administer and enforce this chapter. Rules adopted under this section must be reasonably necessary:
(1) to preserve, protect, and maintain the water and other natural resources of this state; and
(2) to provide for prompt and appropriate corrective action of releases from dry cleaning facilities.
(b) The commission shall adopt rules that establish:
(1) performance standards for dry cleaning facilities;
(2) requirements for the removal of chlorinated dry cleaning solvents and wastes from dry cleaning facilities that are to be closed by the owner to prevent future releases;
(3) criteria to be used in setting priorities for the expenditure of money from the fund after consideration of:
   (A) the benefit to be derived from corrective action compared to the cost of implementing the corrective action;
   (B) the degree to which human health and the environment are affected by exposure to contamination;
   (C) the present and reasonably foreseeable future uses of affected surface water or groundwater;
   (D) the effect that interim or immediate remedial measures may have on future costs;
   (E) the amount of money available for corrective action in the fund; and
   (F) any additional factors the commission considers relevant; and
(4) criteria under which the commission may determine the level at which corrective action is considered to be complete.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:
Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 3, eff.
Sec. 374.052. FACILITY RETROFITTING.
(a) The commission by rule shall require dry cleaning facilities operating on or before January 1, 2004, to implement the performance standards adopted under Section 374.053 not later than January 1, 2006.
(b) The commission by rule shall require businesses operating on or before January 1, 2004, whose annual gross receipts are $150,000 or less to implement the performance standards adopted under Sections 374.053(c)(3), (4), and (5) not later than January 1, 2015.
(c) Repealed by Acts 2005, 79th Leg., Ch. 1110, Sec. 19, eff. September 1, 2005.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.
Amended by:
Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 4, eff. September 1, 2005.
Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 19, eff. September 1, 2005.

Sec. 374.053. PERFORMANCE STANDARDS FOR NEW DRY CLEANING FACILITIES. (a) The commission by rule shall adopt performance standards for a new dry cleaning facility.
(b) Rules adopted under this section must allow for the use of new technologies as they become available.
(c) Rules adopted under this section must require:
(1) proper storage and disposal of wastes generated at the facility that contain any quantity of chlorinated dry cleaning solvent;
(2) compliance with emissions standards for hazardous air pollutants for perchloroethylene dry cleaning facilities adopted by the United States Environmental Protection Agency on September 22, 1993;
(3) dikes or other containment structures to be:
   (A) installed around each dry cleaning unit that uses chlorinated dry cleaning solvents and each storage area for chlorinated dry cleaning solvents or waste; and
(B) capable of containing any leak, spill, or release of chlorinated dry cleaning solvent;
(4) secondary containment for all new or replaced dry cleaning units, regardless of the solvent used;
(5) all diked floor surfaces on which any chlorinated dry cleaning solvent may leak, spill, or otherwise be released to be made of epoxy, steel, or another material impervious to chlorinated dry cleaning solvents; and
(6) all chlorinated dry cleaning solvents to be delivered to dry cleaning facilities by means of closed, direct-coupled delivery systems, when those systems have become generally available.

(d) Rules adopted under this section shall ensure that wastewater from a dry cleaning unit using chlorinated dry cleaning solvent or discharge of chlorinated dry cleaning solvent is not discharged to a sanitary sewer, to a septic tank, or to water of this state.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:
Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 5, eff. September 1, 2005.

Sec. 374.054. COMPLETION CRITERIA. (a) In determining whether a corrective action is complete, the commission shall consider the factors listed under Section 374.051(b)(3) and:
(1) individual site characteristics, including natural remediation processes;
(2) state water quality standards; and
(3) additional factors the commission considers relevant.
(b) A deviation from a state water quality standard may not result in the application of a standard that is more stringent than the applicable standard.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:
Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 6, eff. September 1, 2005.

Sec. 374.055. CRITERIA FOR ADMINISTRATION OF CHAPTER. (a) The
commission shall administer this chapter in accordance with this section.

(b) To the maximum extent possible, the commission shall deal with contamination from dry cleaning facilities by using money in the fund.

(c) The commission shall use money from the fund as sites are discovered in the normal course of the commission's business.

(d) The commission shall consider interim or early corrective action that may result in an overall reduction of risk to human health and the environment and in the reduction of total costs of corrective action at a site.

(e) The commission, in its discretion, may use innovative technology to perform corrective action.

(f) To the maximum extent possible, money in the fund must be used to address contamination resulting from releases.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.

Sec. 374.056. REPORT TO GOVERNOR AND LEGISLATURE. On or before December 1 of each even-numbered year, the executive director shall submit to the governor, lieutenant governor, speaker of the house of representatives, and members of the appropriate standing committees of the senate and the house of representatives a report regarding:

(1) money deposited to the credit of the fund during the two previous fiscal years and the sources of the receipts;

(2) disbursements from the fund during the two previous fiscal years and the purposes of the disbursements;

(3) the extent of corrective action taken under this chapter during the two previous fiscal years; and

(4) the ranking of sites on the date the report is made.

SUBCHAPTER C. FINANCIAL PROVISIONS

Sec. 374.101. DRY CLEANING FACILITY RELEASE FUND. (a) The dry cleaning facility release fund is an account in the general revenue fund.

(b) The fund consists of money from:

(1) proceeds from the charges and fees imposed by this
chapter;
(2) interest attributable to investment of money in the fund;
(3) money recovered by the state under this chapter, including any money paid:
   (A) under an agreement with the commission; or
   (B) as penalties; and
(4) money received by the commission in the form of gifts, grants, reimbursements, or appropriations from any source intended to be used for the purposes of this chapter.
(c) Money in the fund may be appropriated only to the commission for the purposes of this chapter, including any administrative duty imposed on the commission under this chapter.
(d) The commission may annually spend for administrative and start-up expenses incurred in fulfilling its duties under this chapter an amount of money from the fund not to exceed 15 percent of the amount of money credited to the fund in the same fiscal year as the expenditures.
(e) Subject to the limitations of this chapter, the commission shall use only money from the fund to pay for all expenses incurred by the commission in fulfilling its duties under this chapter.
(f) Section 403.095, Government Code, does not apply to money deposited to the fund.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:
   Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 7, eff. September 1, 2005.

Sec. 374.102. DRY CLEANING FACILITY OR DROP STATION REGISTRATION; FEE; POSTING. (a) Each owner of an operating dry cleaning facility or dry cleaning drop station shall register with the commission on a form provided by the commission.
(b) An annual registration fee, the total amount of which may be divided into quarterly payments and billed on dates established by the commission, is assessed as follows:
   (1) for a dry cleaning facility that:
      (A) has gross annual receipts of more than $150,000, a fee of $2,500;
(B) has gross annual receipts of $150,000 or less, a
fee of $250;

(C) is designated as nonparticipating under Section
374.104, a fee of $250; or

(D) depends entirely on revenue collected from an
associated dry cleaning drop station or drop stations, a fee in
accordance with Paragraphs (A) and (B) determined by the combined
gross annual receipts of the drop station or drop stations; or

(2) for a dry cleaning drop station that:

(A) has gross annual receipts of more than $150,000, a
fee of $750;

(B) has gross annual receipts of $150,000 or less, a
fee of $250; or

(C) is designated as nonparticipating under Section
374.104, a fee of $125.

(c) Fees paid under this section shall be deposited to the
credit of the fund.

(d) The owner of a dry cleaning facility or drop station shall
post the owner's registration number, in a manner prescribed by the
commission, in the public area of each of the owner's operating dry
cleaning facilities or drop stations.

(e) Registration under this section must be renewed annually.

(f) For each registration application, the commission shall
request that the comptroller verify whether the owner submitting the
registration application is in good standing with the state and
whether the owner's selection on the registration application of the
gross annual receipts classification for the dry cleaning facility or
drop station agrees with information reported to the comptroller for
the same tax or reporting year. Not later than the third business
day after the comptroller receives the verification request, based in
part on information supplied by the commission, the comptroller shall
report to the commission the owner's standing and whether the owner's
application information agrees with the comptroller's information.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.
Amended by:

Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 8, eff.
September 1, 2005.

Acts 2007, 80th Leg., R.S., Ch. 1091 (H.B. 3220), Sec. 1, eff.
Sec. 374.1022. REGISTRATION OF PROPERTY OWNER OR PRECEDING PROPERTY OWNER. (a) The following persons may participate in the fund benefits by registering as provided by this section:

(1) a person who owns real property on which a dry cleaning facility or drop station is or was located; or

(2) a preceding owner of real property on which a dry cleaning facility or drop station is or was located who entered into an agreement with the current owner associated with the sale of the real property to the current owner that requires the person to be responsible for any costs associated with cleaning up contamination covered under this chapter.

(b) For a person described by Subsection (a) to participate in fund benefits, the person must:

(1) register with the commission on or before December 31, 2007, using a form prescribed by the commission;

(2) include on the registration form information identifying the person as a:

(A) property owner; or

(B) preceding property owner; and

(3) pay the annual registration fee of $1,500.

(c) A person described by Subsection (a) may participate in the fund benefits by registering after December 31, 2007, in the same manner as provided by Subsection (b). A person registering after that date must also pay:

(1) all past annual registration fees; and

(2) a late fee of $100 for each month or partial month that has elapsed between December 2007 and the date of the registration.

(d) The annual registration fee may be divided into quarterly payments due over the year on dates established by the commission.

Added by Acts 2007, 80th Leg., R.S., Ch. 1091 (H.B. 3220), Sec. 2, eff. June 15, 2007.

Sec. 374.1023. LIEN. (a) In addition to other remedies available under other law, a lien is imposed against the real property that is subject to a corrective action taken under this chapter if the person does not pay a registration fee under Section
that is due while the corrective action is ongoing. The amount of the lien is the sum of:

1. the costs of the action; and
2. the fees due but not paid during the period of the corrective action.

(b) The lien imposed by this section arises and attaches to the real property subject to the corrective action at the time an affidavit is recorded and indexed in accordance with this section in the county in which the real property is located. For the purpose of determining rights of all affected parties, the lien does not relate back to a time before the date on which the affidavit is recorded, which date is the lien inception date. The lien continues until the liability for the corrective action costs and registration fees is satisfied or becomes unenforceable through operation of law. The executive director shall determine whether to prepare an affidavit. In determining whether to prepare an affidavit or whether a lien is satisfied, the executive director:

1. shall proceed in the manner that the executive director determines will most likely result in the least overall costs to the state after any cost and fee recovery action; and
2. may take into account a landowner's financial ability to satisfy the lien, including consideration of whether the real property that is the subject of the lien:
   A. is a homestead and is being occupied as a home by the landowner; and
   B. has a fair market value of $250,000 or less.

(c) An authorized representative of the commission must execute the affidavit. The affidavit must show:

1. the names and addresses of the persons liable for the corrective action costs and registration fees;
2. a description of the real property that is subject to or affected by the corrective action; and
3. the amount of the corrective action costs and registration fees and the balance due.

(d) The county clerk shall record the affidavit in records kept for that purpose and shall index the affidavit under the names of the persons liable for the corrective action costs and registration fees.

(e) The commission shall record a relinquishment or satisfaction of the lien when the lien is paid or satisfied.

(f) The lien may be foreclosed only on judgment of a court of
competent jurisdiction foreclosing the lien and ordering the sale of
the property subject to the lien.

(g) The lien imposed by this section is not valid or
enforceable if real property, an interest in real property, or a
mortgage, lien, or other encumbrance on or against real property is
acquired before the affidavit is recorded, unless the person
acquiring the real property, an interest in the property, or the
mortgage, lien, or other encumbrance on the property had or
reasonably should have had actual notice or knowledge that the real
property is subject to or affected by a corrective action or has
knowledge that the state has incurred corrective action costs and is
owed registration fees.

(h) If a lien is fixed or attempted to be fixed as provided by
this section, the owner of the real property affected by the lien may
file a bond to indemnify against the lien. The bond must be filed
with the county clerk of the county in which the real property
subject to the lien is located. An action to establish, enforce, or
foreclose any lien or claim of lien covered by the bond must be
brought not later than the 30th day after the date of service of
notice of the bond. The bond must:

(1) describe the real property on which the lien is
claimed;

(2) refer to the lien claimed in a manner sufficient to
identify it;

(3) be in an amount double the amount of the lien referred
to;

(4) be payable to the commission;

(5) be executed by the party filing the bond as principal
and a corporate surety authorized under the law of this state to
execute the bond as surety; and

(6) be conditioned substantially that the principal and
sureties will pay to the commission the amount of the lien claimed,
plus costs, if the claim is proved to be a lien on the real property.

(i) After the bond is filed, the county clerk shall issue
notice of the bond to the named obligee. A copy of the bond must be
attached to the notice. The notice may be served on each obligee by
having a copy delivered to the obligee by any person competent to
make oath of the delivery. The original notice shall be returned to
the office of the county clerk, and the person making service of copy
shall make an oath on the back of the copies showing on whom and on
what date the copies were served. The county clerk shall record the bond notice and return in records kept for that purpose. In acquiring an interest in real property, a purchaser or lender may rely on and is absolutely protected by the record of the bond, notice, and return.

(j) The commission may sue on the bond after the 30th day after the date on which the notice is served but may not sue on the bond later than one year after the date on which the notice is served. The commission is entitled to recover reasonable attorney's fees if the commission recovers in a suit on the lien or on the bond.

Added by Acts 2007, 80th Leg., R.S., Ch. 1091 (H.B. 3220), Sec. 2, eff. June 15, 2007.

Sec. 374.103. FEE ON PURCHASE OF DRY CLEANING SOLVENT; DISPOSITION OF PROCEEDS. (a) Except as provided by Subsection (b) and Section 374.104(d), a fee of $20 per gallon is imposed on the purchase of the dry cleaning solvent perchloroethylene and $3 per gallon on the purchase of any other dry cleaning solvent by an owner of a dry cleaning facility. The person who distributes the solvent shall collect the fees and shall pay to the commission the amount due, in accordance with Subsection (a-1).

(a-1) A person who distributes dry cleaning solvent must register as a distributor with the commission. A registered distributor is entitled to withhold one percent of the amount of the fee imposed by Subsection (a) for the distributor's administrative expenses if the distributor pays the remaining amount to the commission not later than the date prescribed by the commission.

(b) Subsection (a) does not apply to a dry cleaning facility designated as nonparticipating under Section 374.104.

(c) A person who distributes dry cleaning solvent may not sell the solvent for use in a dry cleaning facility unless the person first obtains and records the registration number of the owner of the facility.

(d) The commission shall adopt any procedures needed for the collection, administration, and enforcement of the fee imposed by this section and shall deposit all remitted fees to the credit of the fund.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.
Sec. 374.104. OPTION NOT TO PARTICIPATE IN FUND BENEFITS. (a) The owner of a dry cleaning facility or drop station may file with the commission an option for the facility or drop station not to participate in fund benefits.

(b) An option not to participate must be filed on or before February 28, 2006. An owner may not file an option not to participate unless the owner was:

(1) the owner of the dry cleaning facility or drop station on January 1, 2004; and

(2) eligible to file the option on or before January 1, 2004, and inadvertently failed to file before that date.

(b-1) An owner of a dry cleaning facility or drop station who files an option not to participate in accordance with Subsection (b) is entitled to a refund of registration fees paid under Section 374.102 to the extent that a registration fee paid under that section in 2004 or 2005 exceeded the amount due for a nonparticipating dry cleaning facility or drop station.

(c) The commission shall designate a dry cleaning facility or drop station as nonparticipating if the owner:

(1) demonstrates, at the owner's expense and in accordance with commission rules, that:
(A) the owner has never used or allowed the use of the
dry cleaning solvent perchloroethylene at any dry cleaning facility
or drop station in this state; and

(B) perchloroethylene has never been used at that
location;

(2) agrees that perchloroethylene will not be used as a dry
cleaning solvent at the facility or drop station; and

(3) obtains the written consent of the person who owns the
real property on which the dry cleaning facility or drop station is
located.

(d) A facility designated as nonparticipating is not subject to
the fees on dry cleaning solvents, other than perchloroethylene,
under Section 374.103.

(e) On payment of the registration fee, the commission shall
issue a specially marked registration document to the owner of a
nonparticipating facility or drop station. The owner shall post the
registration document in the public area of the facility or drop
station.

(f) After a dry cleaning facility or drop station is designated
as nonparticipating:

(1) the facility or drop station is not eligible for any
expenditures of money from the fund or other benefits of
participation under this chapter for that facility or drop station; and

(2) that facility or drop station may not later become a
participating facility.

(g) A person who is the owner of a dry cleaning drop station
who timely files an option not to participate in fund benefits under
this section may, as provided by this subsection, retain the status
of the drop station as nonparticipating if the person moves the drop
station to a new location. A person to whom this section applies
must:

(1) provide to the commission the written consent of the
property owner at the new location; and

(2) continue to comply with the other requirements of this
section.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.
Amended by:
Acts 2005, 79th Leg., Ch. 800 (S.B. 444), Sec. 1, eff. June 17,
SUBCHAPTER D. RESPONSE TO RELEASE; CORRECTIVE ACTION

Sec. 374.151. RESPONSE TO RELEASE. (a) A person may not knowingly allow a release.

(b) A person who knows of a release of more than one quart of a chlorinated dry cleaning solvent or of more than one gallon of a non-chlorinated dry cleaning solvent shall:

(1) immediately contain and control the release; and

(2) notify the commission of the release before the expiration of 24 hours after the person learns of the release.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:
Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 11, eff. September 1, 2005.

Sec. 374.152. INVESTIGATION AND ASSESSMENT OF RELEASE; EMERGENCY ACTION. (a) If a release or a potential release poses a threat to human health or to the environment, the commission shall:

(1) investigate and assess the extent of the resulting contamination; and

(2) take necessary or appropriate emergency action to ensure that human health or safety is not threatened by the release or the potential release.

(b) Emergency action under Subsection (a)(2) may include the treatment, restoration, or replacement of drinking water supplies.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.

Sec. 374.153. CORRECTIVE ACTION. (a) Subject to Subchapter E, the commission shall take corrective action for a release from a dry cleaning facility that results in contamination, including contamination that may have moved off the dry cleaning facility.
(b) Corrective action includes the cleanup of affected soil, groundwater, or surface water using the most cost-effective method that:

(1) is technologically feasible and reliable;
(2) provides adequate protection of human health and the environment; and
(3) minimizes, to the extent practical, environmental damage.

(c) The commission shall:

(1) operate and maintain corrective action;
(2) monitor releases from a dry cleaning facility, including contamination that may have moved off the dry cleaning facility;
(3) pay the reasonable costs incurred by the commission in providing field and laboratory services; and
(4) pay the reasonable costs of restoring property, as nearly as practicable, to the conditions that existed before the activities associated with:
   (A) the investigation of a release;
   (B) a cleanup; or
   (C) related corrective action.

(d) The commission shall ensure the removal and proper disposal of wastes generated by a release.

(e) Except as provided by Subchapter E, the commission shall pay the costs of corrective action conducted under this subchapter by the commission or by other entities approved by the commission, regardless of whether the corrective action is included in a corrective action plan.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.

Sec. 374.1535. SITE RESTRICTIONS AFTER CORRECTIVE ACTION. (a) If the commission has completed corrective action at a dry cleaning site, perchloroethylene may not be used at that site.

(b) If the owner of a dry cleaning site uses perchloroethylene at the site after the completion of corrective action at that site, the site is not eligible for future corrective action using money from the fund.

Added by Acts 2007, 80th Leg., R.S., Ch. 1091 (H.B. 3220), Sec. 5,
Sec. 374.154. RANKING OF CONTAMINATED DRY CLEANING SITES. (a) For a contaminated dry cleaning site that does not require emergency action under Section 374.152, the commission shall assign a rank for the site relative to other sites previously ranked and awaiting corrective action based on information contained in the application for ranking.

(b) The following persons are eligible to apply for a site to be ranked under Subsection (a):

(1) a person who is an owner of the dry cleaning facility or drop station; and

(2) a person who is registered with the commission under Section 374.1022.

(c) If the applicant for ranking:

(1) is not an owner of the real property, the application must include proof that an owner of the real property has been notified of the application;

(2) is an owner of the real property and the dry cleaning facility or drop station is leased, the application must include proof that a lessee has been notified of the application; or

(3) is a person described by Section 374.1022(a)(2), the application must include proof that the owner of the real property and any lessee have been notified of the application.

(d) The application for ranking must contain information and evidence required by commission rule to aid in ranking. The information and evidence required may include:

(1) water or soil samples;

(2) analyses of the water or soil samples;

(3) hydrogeologic information from the contaminated site;

(4) information concerning the site's proximity to a private or public water supply; and

(5) other information or evidence the commission considers necessary.

(e) The costs incurred by an applicant in collecting the information and evidence under Subsection (d) shall be credited against the deductible payable by the applicant under Section 374.203(d).

(f) The commission shall notify the applicant of the relative
ranking the commission assigns the applicant's site on or before the 90th day after the date the application is received by the commission.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:
   Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 12, eff. September 1, 2005.
   Acts 2007, 80th Leg., R.S., Ch. 1091 (H.B. 3220), Sec. 6, eff. June 15, 2007.

Sec. 374.155. POWER TO MODIFY COMMISSION RANKINGS OR POSTPONE CORRECTIVE ACTIONS. The commission may:
   (1) modify the ranked status of a site as warranted under the system of priorities established under Section 374.051(b)(3); or
   (2) postpone temporarily the completion of a corrective action for which money from the fund is being used, if the postponement is necessary to make money available for corrective action at a site with a higher ranking.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.

SUBCHAPTER E. LIABILITY AND RESPONSIBILITY

Sec. 374.202. OWNER RESPONSIBILITY. (a) The commission may hold an owner responsible for up to 100 percent of the costs of corrective action attributable to the owner if the commission finds, after notice and an opportunity for a hearing that:
   (1) requiring the owner to bear the responsibility will not prejudice another owner or person who is eligible, under this chapter, to have corrective action costs paid by the fund; and
   (2) the owner:
      (A) caused a release by operating practices contrary to those generally in use at the time of the release;
      (B) is in arrears for money owed under this chapter, after notice and an opportunity to correct the arrearage;
      (C) obstructed the efforts of the commission to carry out its obligations under this chapter other than by the exercise of the owner's legal rights;
      (D) caused or allowed the release because of a material

Statute text rendered on: 3/14/2015
violation of the performance standards established by this chapter or the rules adopted by the commission under this chapter; or

(E) has more than once violated Section 374.151 or related commission rules.

(b) To the extent that an owner is responsible for corrective action costs under this subsection, the owner is not entitled to the exemption under Section 374.207.

(c) The commission, or the attorney general at the request of the commission, may bring a civil action to recover any amounts owed to the commission under this section. The commission or attorney general, as applicable, may recover court costs, the costs of preparing for litigation, and reasonable attorney's fees incurred in an action brought under this section. An owner is jointly and severally liable with any other defendant for the entire amount of costs.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:

Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 13, eff. September 1, 2005.

Sec. 374.203. LIMITATION ON USE OF FUND FOR CORRECTIVE ACTION.

(a) In this section, "contaminated dry cleaning site" means the areal extent of soil or groundwater contamination with dry cleaning solvents.

(b) The commission may not use money from the fund for the payment of costs in excess of $5 million for corrective action at a single contaminated dry cleaning site.

(c) Except for dry cleaning sites that require emergency action under Section 374.152, the commission may not use money from the fund for corrective action at a contaminated dry cleaning site unless an eligible person applies for the ranking under Section 374.154 and is not otherwise ineligible for corrective action under this chapter.

(d) The owner of a dry cleaning facility or drop station, or other person who submits the application for ranking the facility under Section 374.154, shall pay as a nonrefundable deductible the first $5,000 of corrective action costs incurred because of a release from the dry cleaning facility or drop station. The commission may take corrective action regardless of whether the commission obtains
the deductible.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:
  Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 14, eff. September 1, 2005.

Sec. 374.204. LIMITATION ON LIABILITY. The fund, the commission, the executive director, this state, or agents or employees of this state may not be held liable for loss of business, damages, or taking of property associated with any corrective action taken under this chapter.

Sec. 374.205. LIMITATION ON USE OF FUND FOR THIRD PARTIES. Money from the fund may not be used to compensate third parties for bodily injury or property damage caused by a release, other than property damage included in a corrective action plan approved by the commission.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.

Sec. 374.206. USE OF OTHER SOURCES OF MONEY. This chapter does not create a liability or responsibility on the part of the commission, the executive director, this state, or agents or employees of this state to pay any corrective action costs from a source other than the fund or to take corrective action if the amount of money in the fund is insufficient.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.

Sec. 374.207. ELIGIBLE OWNER OR REGISTERED PERSON EXEMPT FROM CERTAIN CLAIMS. If an owner or a person registered under Section 374.1022 is eligible under this chapter to have corrective action costs paid by the fund, an administrative or judicial claim may not be made under state law against the owner or other person by or on
behalf of this state or by any other person, except a political subdivision, to compel corrective action or seek recovery of the costs of corrective action that result from the release.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Jan. 1, 2004. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 1091 (H.B. 3220), Sec. 7, eff. June 15, 2007.

Sec. 374.208. UNAUTHORIZED PAYMENTS. (a) The commission may pay costs from the fund under this chapter only if the costs are:

(1) integral to corrective action for a release; or
(2) required for the administration or enforcement of this chapter.

(b) The commission may not spend money from the fund:

(1) for corrective action at a site contaminated by solvents normally used in dry cleaning operations, if the contamination did not result from the operation of a dry cleaning facility;
(2) for corrective action at a site, other than a dry cleaning facility, that is contaminated by dry cleaning solvents that were released while being transported to or from a dry cleaning facility by a person other than the owner of the dry cleaning facility or the owner's agents or employees; or
(3) for the payment of any costs:

(A) associated with a fine or penalty brought against a dry cleaning facility owner under state or federal law; or
(B) related to corrective action at a dry cleaning facility that:

(i) has been included by the United States Environmental Protection Agency on the national priorities list; or
(ii) is a hazardous waste facility eligible for listing on the state registry under Subchapter F, Chapter 361.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003.

SUBCHAPTER F. REVIEW OF ORDERS AND DECISIONS; VIOLATIONS; PENALTIES; EXPIRATION

Sec. 374.251. REVIEW OF ORDERS. (a) A person affected by an
order of the commission under this chapter may, on or before the 15th day after the date of service of the order, make a written request for a hearing.

(b) A person affected by the final order in an administrative hearing under Subsection (a) is entitled to judicial review and may appeal the order on or before the 31st day after the date on which the order was rendered. If the state prevails in an appeal filed under this subsection, the state is entitled to recover reasonable expenses incurred in obtaining the judgment, including reasonable attorney's fees, costs involved in preparing for the litigation, and witness fees.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:

Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 15, eff. September 1, 2005.

Sec. 374.2511. CLOSURE OF UNREGISTERED FACILITY. The commission may issue a notice of violation to the owner or operator of a dry cleaning facility or dry cleaning drop station that is not registered under Section 374.102. The notice must inform the owner or operator of the nature of the violation and state that the commission may order the dry cleaning facility or dry cleaning drop station to cease operation if the violation is not corrected within 30 days after the receipt of the notice. If the owner or operator does not correct the violation within the prescribed time, the commission may order the dry cleaning facility or dry cleaning drop station to cease operation.

Added by Acts 2009, 81st Leg., R.S., Ch. 963 (H.B. 3547), Sec. 1, eff. September 1, 2009.

Sec. 374.252. VIOLATIONS; PENALTIES. (a) A person is subject to an administrative penalty under Section 7.0525, Water Code, if the person:

(1) operates a dry cleaning facility or drop station in violation of this chapter, rules adopted under this chapter, or orders of the commission made under this chapter;

(2) prevents or hinders a properly identified authorized
officer, employee, or agent of the commission, or a properly identified person under order of or contract with the commission, from entering, inspecting, sampling, or responding to a release as authorized by this chapter;

(3) knowingly makes any false material statement or representation in any record, report, or other document filed, maintained, or used for the purpose of compliance with this chapter;

(4) knowingly destroys, alters, or conceals any record that this chapter or rules adopted under this chapter require to be maintained; or

(5) violates Section 374.151 or related commission rules.

(b) If a registration fee is not paid on or before the 30th day after the date the fee is due, the commission may assess a penalty not to exceed $50 per day for each day the fee is not paid.

(c) If a registration application for an operating dry cleaning facility or drop station is not filed with the commission on or before the 30th day after the date the application is due, the commission may assess a penalty not to exceed $50 per day for each day the application is not filed.

(d) The commission may use normal commission procedures for the collection of penalties and interest on a penalty imposed under this section.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Jan. 1, 2004. Amended by:
Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 16, eff. September 1, 2005.

Sec. 374.253. EXPIRATION. (a) This chapter expires on September 1, 2021.

(b) A corrective action, including any administrative duties associated with the action, for which remediation of a contaminated site has begun before September 1, 2021, shall be completed in accordance with this chapter using money from the fund, to the extent possible, but money may not be collected for or added to the fund on or after that date.

(c) The commission may continue a corrective action that has not progressed beyond the investigative or planning stage after September 1, 2021, to the extent money from the fund is available.
(d) Any unobligated money remaining in the fund after the completion of all corrective actions under Subsection (b) shall be transferred to the general revenue fund to the credit of the commission or a successor agency. The fund is abolished on the date of the transfer.

Added by Acts 2003, 78th Leg., ch. 540, Sec. 1, eff. Sept. 1, 2003. Amended by:
Acts 2005, 79th Leg., Ch. 1110 (H.B. 2376), Sec. 17, eff. September 1, 2005.

For expiration of this chapter, see Section 375.003.

CHAPTER 375. REMOVAL OF CONVENIENCE SWITCHES

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 375.001. DEFINITIONS. In this chapter:

(1) "Capture rate" means the annual number of convenience switches removed, collected, and recovered, expressed as a percentage of the number of convenience switches estimated to be available for removal in that year from end-of-life vehicles.

(2) "Commission" means the Texas Commission on Environmental Quality.

(3) "Convenience switch" means a capsule, commonly known as a bullet, that:

(A) is part of a convenience light switch assembly; and

(B) because of its mercury content, is the type of switch subject to work practice standards promulgated by the United States Environmental Protection Agency under Section 112 of the federal Clean Air Act (42 U.S.C. Section 7412).

(4) "Convenience switch recovery program" means a program for removing, collecting, and recovering convenience switches from end-of-life vehicles in accordance with Subchapter B.

(5) "Eligible vehicle" means a vehicle identified by information provided by the manufacturer to the commission under Section 375.051 as a vehicle that might contain a convenience switch.

(6) "End-of-life vehicle" means a vehicle that:

(A) has not been intentionally flattened, crushed, shredded, or baled; and

(B) is sold, given, or otherwise conveyed to a vehicle recycler or scrap metal recycling facility for the purpose of recycling.
recycling.

(7) "Executive director" means the executive director of the commission.

(8) "Manufacturer" means:
   (A) a person who is the last entity in the production or assembly process of a new vehicle; or
   (B) the importer or domestic distributor of the vehicle, in the case of an imported vehicle.

(9) "Scrap metal recycling facility" means a facility at a fixed location that uses equipment to process and refabricate scrap metal into prepared grades and principally produces scrap iron, scrap steel, or nonferrous metallic scrap for sale.

(10) "Vehicle" means any automobile, station wagon, truck, van, or sport utility vehicle with a gross vehicle weight rating of less than 12,000 pounds.

(11) "Vehicle recycler" means a person engaged in the business of acquiring, dismantling, or preparing for recycling six or more end-of-life vehicles in a calendar year for the primary purpose of reselling the vehicles' parts. The term includes a salvage vehicle dealer licensed under Chapter 2302, Occupations Code.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff. August 29, 2005.

Sec. 375.002. APPLICABILITY OF CHAPTER. (a) This chapter applies only to:
   (1) a manufacturer of vehicles sold in this state that contain or contained convenience switches; and
   (2) a vehicle recycler or scrap metal recycling facility in this state.

   (b) The requirements of this chapter do not apply to a manufacturer on or after the 10th anniversary of the date on which the manufacturer last installed a convenience switch in a vehicle sold in this state.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff. August 29, 2005.

Sec. 375.003. EXPIRATION. This chapter expires August 31,
2015.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff. August 29, 2005.

SUBCHAPTER B. CONVENIENCE SWITCH RECOVERY PROGRAM

Sec. 375.051. MANUFACTURER PROGRAM COMPONENTS. (a) Each manufacturer of vehicles sold in this state, individually or as part of a group, shall, not later than January 1, 2006, implement a program that provides the following:

(1) information identifying that manufacturer's eligible vehicles, including:
   (A) a description of the convenience switches used by the manufacturer;
   (B) the location on each vehicle of each convenience switch;
   (C) the safe and environmentally sound methods for removing a convenience switch from an end-of-life vehicle; and
   (D) the estimated number of convenience switches available, for purposes of computing the capture rate;

(2) educational materials to assist a vehicle recycler or scrap metal recycling facility in following a safe and environmentally sound method to remove convenience switches from end-of-life vehicles, including educational materials on hazards presented by the content of a convenience switch and the proper handling of that content;

(3) methods for recycling or disposing of the manufacturer's convenience switches, including the method of packaging and shipping a convenience switch to an authorized recycling, storage, or disposal facility; and

(4) methods for the storage of a convenience switch collected and recovered from an end-of-life vehicle if environmentally appropriate recycling or disposal technologies are not available.

(b) To the extent possible, a convenience switch recovery program must use existing end-of-life vehicle infrastructure. If that infrastructure is not used, the program must include reasons for establishing a separate infrastructure.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff.
Sec. 375.052. PACKAGING, SHIPPING, AND RECYCLING COSTS. Each manufacturer, individually or as part of a group, shall pay the costs of:

(1) packaging and shipping of the manufacturer's convenience switches to recycling, storage, or disposal facilities; and

(2) recycling, storing, or disposing of the manufacturer's removed convenience switches.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff. August 29, 2005.

Sec. 375.053. COSTS OF EDUCATIONAL MATERIALS. Each manufacturer shall provide financing for:

(1) the preparation of educational materials required under Section 375.051; and

(2) the distribution of those materials at workshops that the commission is required to conduct as part of the commission's technical assistance.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff. August 29, 2005.

Sec. 375.054. PROVISION OF STORAGE CONTAINERS. Each manufacturer, individually or as part of a group, shall pay for and provide to each vehicle recycler and scrap metal recycling facility containers suitable for the safe storage of convenience switches, including switches encased in light assemblies from which the switches cannot be removed.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff. August 29, 2005.
(a) A vehicle recycler or scrap metal recycling facility that removes convenience switches from eligible vehicles in accordance with educational materials received under this chapter shall be provided regulatory incentives by the commission under programs implemented pursuant to Section 5.755, Water Code, including on-site technical assistance and compliance history classification adjustments.

(b) In order to qualify for the regulatory incentives provided by this section, a vehicle recycler or scrap metal recycling facility must submit a report to the commission by November 15 of each year documenting:
   (1) the number of convenience switches collected during the prior 12 months; and
   (2) the total number of eligible vehicles processed for recycling during the same time period.

(c) Nothing in this chapter shall be construed to require scrap metal recycling facilities or vehicle recyclers to remove convenience switches or maintain records regarding convenience switches they have not removed, and the commission shall not promulgate regulations that create such requirements.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff. August 29, 2005.

Sec. 375.102. HANDLING OF CONVENIENCE SWITCHES. After removal from a vehicle, a convenience switch shall be collected, stored, transported, and otherwise handled in accordance with:
   (1) the applicable convenience switch recovery program; and
   (2) the applicable solid waste rules of the commission.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff. August 29, 2005.

SUBCHAPTER D. REPORTS

Sec. 375.151. ANNUAL IMPLEMENTATION REPORT. (a) On or before December 31 of each year, the commission shall:
   (1) publish a report that documents the capture rate achieved through the implementation of this chapter; and
   (2) issue recommendations to the governor, the lieutenant
governor, the speaker of the house of representatives, and the chair of each standing committee of the legislature with jurisdiction over environmental issues, which identifies legislative action that may be appropriate to improve the capture rate referenced in Subsection (a)(1) while promoting vehicle recycling and preventing the export of scrap metal from the state.

(b) The executive director may discontinue the requirement for an annual report under this section if the executive director determines that the convenience switches in end-of-life vehicles no longer pose a significant threat to the environment or to public health.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff. August 29, 2005.

Sec. 375.152. ANNUAL MANUFACTURER'S IMPLEMENTATION REPORT. On or before November 15 of each year, each manufacturer, individually or as part of a group, shall report to the commission the total number of convenience switches recovered in this state and the total amount of mercury, by weight, recovered from those convenience switches during the preceding 12 months.

Added by Acts 2005, 79th Leg., Ch. 746 (H.B. 2793), Sec. 1, eff. August 29, 2005.

SUBTITLE C. AIR QUALITY
CHAPTER 382. CLEAN AIR ACT
SUBCHAPTER A. GENERAL PROVISIONS
Sec. 382.001. SHORT TITLE. This chapter may be cited as the Texas Clean Air Act.

Sec. 382.002. POLICY AND PURPOSE. (a) The policy of this state and the purpose of this chapter are to safeguard the state's air resources from pollution by controlling or abating air pollution and emissions of air contaminants, consistent with the protection of public health, general welfare, and physical property, including the
esthetic enjoyment of air resources by the public and the maintenance of adequate visibility.

(b) It is intended that this chapter be vigorously enforced and that violations of this chapter or any rule or order of the Texas Natural Resource Conservation Commission result in expeditious initiation of enforcement actions as provided by this chapter.

Sec. 382.003. DEFINITIONS. In this chapter:

(1) "Administrator" means the Administrator of the United States Environmental Protection Agency.

(1-a) "Advanced clean energy project" means a project for which an application for a permit or for an authorization to use a standard permit under this chapter is received by the commission on or after January 1, 2008, and before January 1, 2020, and that:

(A) involves the use of coal, biomass, petroleum coke, solid waste, natural gas, or fuel cells using hydrogen derived from such fuels, in the generation of electricity, or the creation of liquid fuels outside of the existing fuel production infrastructure while co-generating electricity, whether the project is implemented in connection with the construction of a new facility or in connection with the modification of an existing facility and whether the project involves the entire emissions stream from the facility or only a portion of the emissions stream from the facility;

(B) with regard to the portion of the emissions stream from the facility that is associated with the project, is capable of achieving:

(i) on an annual basis:

(a) a 99 percent or greater reduction of sulfur dioxide emissions;

(b) if the project is designed for the use of feedstock, substantially all of which is subbituminous coal, an emission rate of 0.04 pounds or less of sulfur dioxide per million British thermal units as determined by a 30-day average; or

(c) if the project is designed for the use of one or more combustion turbines that burn natural gas, a sulfur dioxide emission rate that meets best available control technology
requirements as determined by the commission;

(ii) on an annual basis:

(a) a 95 percent or greater reduction of mercury emissions; or

(b) if the project is designed for the use of one or more combustion turbines that burn natural gas, a mercury emission rate that complies with applicable federal requirements;

(iii) an annual average emission rate for nitrogen oxides of:

(a) 0.05 pounds or less per million British thermal units;

(b) if the project uses gasification technology, 0.034 pounds or less per million British thermal units; or

(c) if the project is designed for the use of one or more combustion turbines that burn natural gas, two parts per million by volume; and

(iv) an annual average emission rate for filterable particulate matter of 0.015 pounds or less per million British thermal units; and

(C) captures not less than 50 percent of the carbon dioxide in the portion of the emissions stream from the facility that is associated with the project and sequesters that captured carbon dioxide by geologic storage or other means.

(2) "Air contaminant" means particulate matter, radioactive material, dust, fumes, gas, mist, smoke, vapor, or odor, including any combination of those items, produced by processes other than natural.

(3) "Air pollution" means the presence in the atmosphere of one or more air contaminants or combination of air contaminants in such concentration and of such duration that:

(A) are or may tend to be injurious to or to adversely affect human health or welfare, animal life, vegetation, or property; or

(B) interfere with the normal use or enjoyment of animal life, vegetation, or property.

(3-a) "Coal" has the meaning assigned by Section 134.004, Natural Resources Code.

(4) "Commission" means the Texas Natural Resource Conservation Commission.
(4-a) "Electric vehicle" means a motor vehicle that draws propulsion energy only from a rechargeable energy storage system.

(5) "Executive director" means the executive director of the commission.

(6) "Facility" means a discrete or identifiable structure, device, item, equipment, or enclosure that constitutes or contains a stationary source, including appurtenances other than emission control equipment. A mine, quarry, well test, or road is not considered to be a facility.

(7) "Federal source" means a facility, group of facilities, or other source that is subject to the permitting requirements of Title IV or V of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549) and includes:

(A) an affected source as defined by Section 402 of the federal Clean Air Act (42 U.S.C. Section 7651a) as added by Section 401 of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549);

(B) a major source as defined by Title III of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549);

(C) a major source as defined by Title V of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549);

(D) a source subject to the standards or regulations under Section 111 or 112 of the federal Clean Air Act (42 U.S.C. Sections 7411 and 7412);

(E) a source required to have a permit under Part C or D of Title I of the federal Clean Air Act (42 U.S.C. Sections 7470 et seq. and 7501 et seq.);

(F) a major stationary source or major emitting facility under Section 302 of the federal Clean Air Act (42 U.S.C. Section 7602); and

(G) any other stationary source in a category designated by the United States Environmental Protection Agency as subject to the permitting requirements of Title V of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549).

(7-a) "Federally qualified clean coal technology" means a technology or process, including a technology or process applied at the precombustion, combustion, or postcombustion stage, for use at a new or existing facility that will achieve on an annual basis a 97 percent or greater reduction of sulfur dioxide emissions, an emission rate for nitrogen oxides of 0.08 pounds or less per million British
thermal units, and significant reductions in mercury emissions associated with the use of coal in the generation of electricity, process steam, or industrial products, including the creation of liquid fuels, hydrogen for fuel cells, and other coproducts. The technology used must comply with applicable federal law regarding mercury emissions and must render carbon dioxide capable of capture, sequestration, or abatement. Federally qualified clean coal technology includes atmospheric or pressurized fluidized bed combustion technology, integrated gasification combined cycle technology, methanation technology, magnetohydrodynamic technology, direct and indirect coal-fired turbines, undiluted high-flame temperature oxygen combustion technology that excludes air, and integrated gasification fuel cells.

(7-b) "Hybrid vehicle" means a motor vehicle that draws propulsion energy from both gasoline or conventional diesel fuel and a rechargeable energy storage system.

(8) "Local government" means a health district established under Chapter 121, a county, or a municipality.

(9) "Modification of existing facility" means any physical change in, or change in the method of operation of, a facility in a manner that increases the amount of any air contaminant emitted by the facility into the atmosphere or that results in the emission of any air contaminant not previously emitted. The term does not include:

(A) insignificant increases in the amount of any air contaminant emitted that is authorized by one or more commission exemptions;

(B) insignificant increases at a permitted facility;

(C) maintenance or replacement of equipment components that do not increase or tend to increase the amount or change the characteristics of the air contaminants emitted into the atmosphere;

(D) an increase in the annual hours of operation unless the existing facility has received a preconstruction permit or has been exempted, pursuant to Section 382.057, from preconstruction permit requirements;

(E) a physical change in, or change in the method of operation of, a facility that does not result in a net increase in allowable emissions of any air contaminant and that does not result in the emission of any air contaminant not previously emitted, provided that the facility:
(i) has received a preconstruction permit or permit amendment or has been exempted pursuant to Section 382.057 from preconstruction permit requirements no earlier than 120 months before the change will occur; or

(ii) uses, regardless of whether the facility has received a permit, an air pollution control method that is at least as effective as the best available control technology, considering technical practicability and economic reasonableness, that the commission required or would have required for a facility of the same class or type as a condition of issuing a permit or permit amendment 120 months before the change will occur;

(F) a physical change in, or change in the method of operation of, a facility where the change is within the scope of a flexible permit or a multiple plant permit; or

(G) a change in the method of operation of a natural gas processing, treating, or compression facility connected to or part of a natural gas gathering or transmission pipeline which does not result in an annual emission rate of a pollutant in excess of the volume emitted at the maximum designed capacity, provided that the facility is one for which:

(i) construction or operation started on or before September 1, 1971, and at which either no modification has occurred after September 1, 1971, or at which modifications have occurred only pursuant to standard exemptions; or

(ii) construction started after September 1, 1971, and before March 1, 1972, and which registered in accordance with Section 382.060 as that section existed prior to September 1, 1991.

(9-a) "Motor vehicle" means a fully self-propelled vehicle having four wheels that has as its primary purpose the transport of a person or persons, or property, on a public highway.

(9-b) "Natural gas vehicle" means a motor vehicle that uses only compressed natural gas or liquefied natural gas as fuel.

(10) "Person" means an individual, corporation, organization, government or governmental subdivision or agency, business trust, partnership, association, or any other legal entity.

(10-a) "Qualifying motor vehicle" means a motor vehicle that meets the requirements of Section 382.210(b).

(11) "Select-use technology" means a technology that involves simultaneous combustion of natural gas with other fuels in fossil fuel-fired boilers. The term includes cofiring, gas reburn,
and enhanced gas reburn/sorbent injection.

(11-a) "Solid waste" has the meaning assigned by Section 361.003.

(12) "Source" means a point of origin of air contaminants, whether privately or publicly owned or operated.

(13) "Well test" means the testing of an oil or gas well for a period of time less than 72 hours that does not constitute a major source or major modification under any provision of the federal Clean Air Act (42 U.S.C. Section 7401 et seq.).

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 1.01, eff. June 8, 2007.
Acts 2007, 80th Leg., R.S., Ch. 1277 (H.B. 3732), Sec. 2, eff. September 1, 2007.
Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 27.001(55), eff. September 1, 2009.

Sec. 382.004. CONSTRUCTION WHILE PERMIT APPLICATION PENDING.

(a) To the extent permissible under federal law and notwithstanding Section 382.0518, a person who submits an application for a permit for a modification of or a lesser change to an existing facility under this subtitle may, at the person's own risk, begin construction
related to the application after the application is submitted and before the commission has issued the permit.

(b) The commission may not consider construction begun under this section in determining whether to grant the permit sought in the application.

Added by Acts 2005, 79th Leg., Ch. 422 (S.B. 1740), Sec. 1, eff. September 1, 2005.

SUBCHAPTER B. POWERS AND DUTIES OF COMMISSION

Sec. 382.011. GENERAL POWERS AND DUTIES. (a) The commission shall:

(1) administer this chapter;
(2) establish the level of quality to be maintained in the state's air; and
(3) control the quality of the state's air.

(b) The commission shall seek to accomplish the purposes of this chapter through the control of air contaminants by all practical and economically feasible methods.

(c) The commission has the powers necessary or convenient to carry out its responsibilities.

Sec. 382.012. STATE AIR CONTROL PLAN. The commission shall prepare and develop a general, comprehensive plan for the proper control of the state's air.

Sec. 382.013. AIR QUALITY CONTROL REGIONS. The commission may designate air quality control regions based on jurisdictional boundaries, urban-industrial concentrations, and other factors, including atmospheric areas, necessary to provide adequate implementation of air quality standards.
Sec. 382.014. EMISSION INVENTORY. The commission may require a person whose activities cause emissions of air contaminants to submit information to enable the commission to develop an inventory of emissions of air contaminants in this state.

Sec. 382.0145. CLEAN FUEL INCENTIVE SURCHARGE. (a) The commission shall levy a clean fuel incentive surcharge of 20 cents per MMBtu on fuel oil used between April 15 and October 15 of each year in an industrial or utility boiler that is:

(1) capable of using natural gas; and

(2) located in a consolidated metropolitan statistical area or metropolitan statistical area with a population of 350,000 or more that has not met federal ambient air quality standards for ozone.

(b) The commission may not levy the clean fuel incentive surcharge on:

(1) waste oils, used oils, or hazardous waste-derived fuels burned for purposes of energy recovery or disposal, if the commission or the United States Environmental Protection Agency approves or permits the burning;

(2) fuel oil used during:

(A) any period of full or partial natural gas curtailment;

(B) any period when there is a failure to deliver sufficient quantities of natural gas to satisfy contractual obligations to the purchaser; or

(C) a catastrophic event as defined by Section 382.063;

(3) fuel oil used between April 15 and October 15 in equipment testing or personnel training up to an aggregate of the equivalent of 48 hours full-load operation; or

(4) any firm engaged in fixed price contracts with public works agencies for contracts entered into before August 28, 1989.

Sec. 382.015. POWER TO ENTER PROPERTY. (a) A member, employee, or agent of the commission may enter public or private property, other than property designed for and used exclusively as a private residence housing not more than three families, at a reasonable time to inspect and investigate conditions relating to emissions of air contaminants to or the concentration of air contaminants in the atmosphere.

(b) A member, employee, or agent who enters private property that has management in residence shall:

(1) notify the management, or the person then in charge, of the member's, employee's, or agent's presence; and

(2) show proper credentials.

(c) A member, employee, or agent who enters private property shall observe that establishment's rules concerning safety, internal security, and fire protection.

(d) The commission is entitled to the remedies provided by Sections 382.082-382.085 if a member, employee, or agent is refused the right to enter public or private property as provided by this section.

Sec. 382.016. MONITORING REQUIREMENTS; EXAMINATION OF RECORDS. (a) The commission may prescribe reasonable requirements for:

(1) measuring and monitoring the emissions of air contaminants from a source or from an activity causing or resulting in the emission of air contaminants subject to the commission's jurisdiction under this chapter; and

(2) the owner or operator of the source to make and maintain records on the measuring and monitoring of emissions.

(b) A member, employee, or agent of the commission may examine during regular business hours any records or memoranda relating to the operation of any air pollution or emission control equipment or facility, or relating to emission of air contaminants. This
subsection does not authorize the examination of records or memoranda relating to the operation of equipment or a facility on property designed for and used exclusively as a private residence housing not more than three families.

Sec. 382.0161. AIR POLLUTANT WATCH LIST. (a) The commission shall establish and maintain an air pollutant watch list. The air pollutant watch list must identify:

(1) each air contaminant that the commission determines, on the basis of federal or state ambient air quality standards for the contaminant, should be included on the air pollutant watch list; and

(2) each geographic area of the state for which ambient air quality monitoring data indicates that the individual or cumulative emissions of one or more air contaminants identified by the commission under Subdivision (1) may cause short-term or long-term adverse human health effects or odors in that area.

(b) The commission shall publish notice of and allow public comment on:

(1) an addition of an air contaminant to or removal of an air contaminant from the air pollutant watch list; or

(2) an addition of an area to or removal of an area from the air pollutant watch list.

(c) When considering the addition or removal of an area to or from the air pollutant watch list, the commission shall provide the monitoring data related to the area to the state senator and representative who represent the area.

(d) The commission may hold a public meeting in an area listed on the air pollutant watch list to provide residents of the area with information regarding:

(1) the reasons for the area's inclusion on the air pollutant watch list; and

(2) commission actions to reduce the emissions of air contaminants contributing to the area's inclusion on the air pollutant watch list.

(e) The air pollutant watch list and the addition or removal of a pollutant or area to or from the list are not matters subject to
Sec. 382.017. RULES. (a) The commission may adopt rules. The commission shall hold a public hearing before adopting a rule consistent with the policy and purposes of this chapter.

(b) If the rule will have statewide effect, notice of the date, time, place, and purpose of the hearing shall be published one time at least 20 days before the scheduled date of the hearing in at least three newspapers, the combined circulation of which will, in the commission's judgment, give reasonable circulation throughout the state. If the rule will have effect in only a part of the state, the notice shall be published one time at least 20 days before the scheduled date of the hearing in a newspaper of general circulation in the area to be affected.

(c) Any person may appear and be heard at a hearing to adopt a rule. The executive director shall make a record of the names and addresses of the persons appearing at the hearing. A person heard or represented at the hearing or requesting notice of the commission's action shall be sent by mail written notice of the commission's action.

(d) Subsections (a) and (b) notwithstanding, the commission may adopt rules consistent with Chapter 2001, Government Code, if the commission determines that the need for expeditious adoption of proposed rules requires use of those procedures.

(e) The terms and provisions of a rule adopted by the commission may differentiate among particular conditions, particular sources, and particular areas of the state. In adopting a rule, the commission shall recognize that the quantity or characteristic of air contaminants or the duration of their presence in the atmosphere may cause a need for air control in one area of the state but not in other areas. In this connection, the commission shall consider:

(1) the factors found by it to be proper and just, including existing physical conditions, topography, population, and prevailing wind direction and velocity; and

(2) the fact that a rule and the degrees of conformance with the rule that may be proper for an essentially residential area...
of the state may not be proper for a highly developed industrial area or a relatively unpopulated area.

(f) Except as provided by Sections 382.0171-382.021 or to comply with federal law or regulations, the commission by rule may not specify:

(1) a particular method to be used to control or abate air pollution;

(2) the type, design, or method of installation of equipment to be used to control or abate air pollution; or

(3) the type, design, method of installation, or type of construction of a manufacturing process or other kind of equipment.

Sec. 382.0171. ALTERNATIVE FUELS AND SELECT-USE TECHNOLOGIES. (a) In adopting rules, the commission shall encourage and may allow the use of natural gas and other alternative fuels, as well as select-use technologies, that will reduce emissions.

(b) Any orders or determinations made under this section must be consistent with Section 382.024.

Sec. 382.0172. INTERNATIONAL BORDER AREAS. (a) In order to qualify for the exceptions provided by Section 179B of the federal Clean Air Act (42 U.S.C. Section 7509a), as added by Section 818 of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549), the commission, in developing rules and control programs to be included in an implementation plan for an international border area, shall ensure that the plan or revision:

(1) meets all requirements applicable to the plan or revision under Title I of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549), other than a requirement that the plan or
(2) would be adequate to attain and maintain the relevant national ambient air quality standards by the attainment date specified by the applicable provision of Title I of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549) or by a regulation adopted under that provision; and

(b) For purposes of any emissions control or permit program adopted or administered by the commission and subject to Subsection (c), the commission, to the extent allowed by federal law, may:

(1) authorize the use of emissions reductions achieved outside the United States to satisfy otherwise applicable emissions reduction requirements if the commission finds that the emissions reductions achieved outside the United States are surplus to requirements imposed by applicable law and are appropriately quantifiable and enforceable; and

(2) allow the use of reductions in emissions of one air contaminant to satisfy otherwise applicable requirements for reductions in emissions of another air contaminant if the commission finds that the air contaminant emissions reductions that will be substituted are of equal or greater significance to the overall air quality of the area affected than reductions in emissions of the other air contaminant.

(c) The commission may authorize or allow substitution of emissions reductions under Subsection (b) only if:

(1) reductions in emissions of one air contaminant for which the area has been designated as nonattainment are substituted for reductions in emissions of another air contaminant for which the area has been designated as nonattainment; or

(2) the commission finds that the substitution will clearly result in greater health benefits for the community as a whole than would reductions in emissions at the original facility.
Sec. 382.0173. ADOPTION OF RULES REGARDING CERTAIN STATE
IMPLEMENTATION PLAN REQUIREMENTS AND STANDARDS OF PERFORMANCE FOR
CERTAIN SOURCES. (a) The commission shall adopt rules to comply
with Sections 110(a)(2)(D) and 111(d) of the federal Clean Air Act
(42 U.S.C. Sections 7410 and 7411). In adopting the rules, at a
minimum the commission shall adopt and incorporate by reference 40
C.F.R. Subparts AA through II and Subparts AAA through III of Part 96
and 40 C.F.R. Subpart HHHH of Part 60. The commission shall adopt a
state implementation plan in accordance with the rules and submit the
plan to the United States Environmental Protection Agency for
approval according to the schedules adopted by that agency.

(b) The commission may require emissions reductions in
conjunction with implementation of the rules adopted under Subsection
(a) only for electric generating units. The commission shall make
permanent allocations that are reflective of the allocation
requirements of 40 C.F.R. Subparts AA through HH and Subparts AAA
through HHH of Part 96 and 40 C.F.R. Subpart HHHH of Part 60, as
applicable, at no cost to units as defined in 40 C.F.R. Sections
51.123 and 60.4102 using the United States Environmental Protection
Agency's allocation method as specified by 40 C.F.R. Section
60.4142(a)(1)(i) or 40 C.F.R. Section 96.142(a)(1)(i), as applicable,
with the exception of nitrogen oxides which shall be allocated
according to the additional requirements of Subsection (c). The
commission shall maintain a special reserve of allocations for new
units commencing operation on or after January 1, 2001, as defined by
40 C.F.R. Subparts AA through HH and Subparts AAA through HHH of Part
96 and 40 C.F.R. Subpart HHHH of Part 60, as applicable, with the
exception of nitrogen oxides which shall be allocated according to
the additional requirements of Subsection (c).

(c) Additional requirements regarding NOx allocations:
(1) The commission shall maintain a special reserve of
allocations for nitrogen oxide of 9.5 percent for new units.
Beginning with the 2015 control period, units shall be considered new for each control period in which they do not have five years of operating data reported to the commission prior to the date of allocation for a given control period. Prior to the 2015 control period, units that commenced operation on or after January 1, 2001, will receive NOx allocations from the special reserve only.

(2) Nitrogen oxide allowances shall be established for the 2009-2014 control periods for units commencing operation before January 1, 2001, using the average of the three highest amounts of the unit's adjusted control period heat input for 2000 through 2004, with the adjusted control period heat input for each year calculated as follows:

(A) if the unit is coal-fired during the year, the unit's control period heat input for such year is multiplied by 90 percent;

(B) if the unit is natural gas-fired during the year, the unit's control period heat input for such year is multiplied by 50 percent; and

(C) if the fossil fuel fired unit is not subject to Paragraph (A) or (B) of this subdivision, the unit's control period heat input for such year is multiplied by 30 percent.

(3) Before the allocation date specified by EPA for the control period beginning January 1, 2018, and every five years thereafter, the commission shall adjust the baseline for all affected units using the average of the three highest amounts of the unit's adjusted control period heat input for periods one through five of the preceding nine control periods, with the adjusted control period heat input for each year calculated as follows:

(A) for units commencing operation before January 1, 2001:

(i) if the unit is coal-fired during the year, the unit's control period heat input for such year is multiplied by 90 percent;

(ii) if the unit is natural gas-fired during the year, the unit's control period heat input for such year is multiplied by 50 percent; and

(iii) if the fossil fuel fired unit is not subject to Subparagraph (i) or (ii) of this paragraph, the unit's control period heat input for such year is multiplied by 30 percent; and

(B) for units commencing operation on or after January
1, 2001, in accordance with the formulas set forth by USEPA in 40 C.F.R. 96.142 with any corrections to this section that may be issued by USEPA prior to the allocation date.

(d) This section applies only while the federal rules cited in this section are enforceable and does not limit the authority of the commission to implement more stringent emissions control requirements.

(e) In adopting rules under Subsection (a), the commission shall incorporate any modifications to the federal rules cited in this section that result from:

(1) a request for rehearing regarding those rules that is filed with the United States Environmental Protection Agency;
(2) a petition for review of those rules that is filed with a court; or
(3) a final rulemaking action of the United States Environmental Protection Agency.

(f) The commission shall take all reasonable and appropriate steps to exclude the West Texas Region and El Paso Region, as defined by Section 39.264(g), Utilities Code, from any requirement under, derived from, or associated with 40 C.F.R. Sections 51.123, 51.124, and 51.125, including filing a petition for reconsideration with the United States Environmental Protection Agency requesting that it amend 40 C.F.R. Sections 51.123, 51.124, and 51.125 to exclude such regions. The commission shall promptly amend the rules it adopts under Subsection (a) of this section to incorporate any exclusions for such regions that result from the petition required under this subsection.

(g) The commission shall study the availability of mercury control technology. The commission shall also examine the timeline for implementing the reductions required under the federal rules, the cost of additional controls both to the plant owners and consumers, and the fiscal impact on the state of higher levels of mercury emissions between 2005 and 2018, and consider the impact of trading on local communities. The commission shall report its findings by September 1, 2006.

Added by Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 2, eff. September 1, 2005.
Amended by:

Acts 2007, 80th Leg., R.S., Ch. 56 (S.B. 1672), Sec. 1, eff. May
Sec. 382.018. OUTDOOR BURNING OF WASTE AND COMBUSTIBLE MATERIAL. (a) Subject to Section 352.082, Local Government Code, and except as provided by Subsections (b) and (d), the commission by rule may control and prohibit the outdoor burning of waste and combustible material and may include requirements concerning the particular method to be used to control or abate the emission of air contaminants resulting from that burning.

(b) The commission by rule shall authorize outdoor burning of waste if the waste:

(1) consists of trees, brush, grass, leaves, branch trimmings, or other plant growth; and

(2) is burned:

(A) in an area that meets the national ambient air quality standards and that does not contain any part of a city that does not meet national ambient air quality standards; and

(B) on the property on which it was generated and by the owner of the property or any other person authorized by the owner.

(c) Rules adopted under Subsection (b) may not:

(1) require prior commission approval of the burning; or

(2) authorize the burning only when no practical alternative to burning exists.

(d) The commission may not control or prohibit outdoor burning of waste consisting of trees, brush, grass, leaves, branch trimmings, or other plant growth if:

(1) the person burning the waste is doing so at a site:

(A) designated for consolidated burning of waste generated from specific residential properties;

(B) located in a county with a population of less than 50,000;

(C) located outside of a municipality; and

(D) supervised at the time of the burning by an employee of a fire department who is part of the fire protection personnel, as defined by Section 419.021, Government Code, of the department and is acting in the scope of the person's employment; and

(2) the waste was generated from a property for which the site is designated.
(e) A fire department employee who will supervise a burning under Subsection (d)(1)(D) shall notify the commission of each burning supervised by the employee, and the commission shall provide the employee with information on practical alternatives to burning.

Acts 2005, 79th Leg., Ch. 904 (H.B. 39), Sec. 1, eff. September 1, 2005.

Reenacted and amended by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 8.001, eff. September 1, 2007.

Sec. 382.019. METHODS USED TO CONTROL AND REDUCE EMISSIONS FROM LAND VEHICLES. (a) Except as provided by Section 382.202(j), or another provision of this chapter, the commission by rule may provide requirements concerning the particular method to be used to control and reduce emissions from engines used to propel land vehicles.

(b) The commission may not require, as a condition precedent to the initial sale of a vehicle or vehicular equipment, the inspection, certification, or other approval of any feature or equipment designed to control emissions from motor vehicles if that feature or equipment has been certified, approved, or otherwise authorized under federal law.

(c) The commission or any other state agency may not adopt a rule requiring the use of Stage II vapor recovery systems that control motor vehicle refueling emissions at a gasoline dispensing facility in this state until the United States Environmental Protection Agency determines that the use of the system is required for compliance with the federal Clean Air Act (42 U.S.C. 7401 et seq.), except the commission may adopt rules requiring such vapor recovery systems installed in nonattainment areas if it can be demonstrated to be necessary for the attainment of federal ozone ambient air quality standards or, following appropriate health studies and in consultation with the Texas Department of Health, it is determined to be necessary for the protection of public health.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 382.0191. IDLING OF MOTOR VEHICLE. (a) In this section, "idling" means allowing an engine to run while the motor vehicle is not engaged in forward or reverse motion.

(b) The commission may not prohibit or limit the idling of any motor vehicle with a gross vehicle weight rating greater than 8,500 pounds that is equipped with a 2008 or subsequent model year heavy-duty diesel engine or liquefied or compressed natural gas engine that has been certified by the United States Environmental Protection Agency or another state environmental agency to emit no more than 30 grams of nitrogen oxides emissions per hour when idling.

Added by Acts 2011, 82nd Leg., R.S., Ch. 390 (S.B. 493), Sec. 1, eff. June 17, 2011.

Sec. 382.0195. COMMERCIAL INFECTIOUS WASTE INCINERATORS. (a) The commission shall adopt rules prescribing the most effective emissions control technology reasonably available to control emissions of air contaminants from a commercial infectious waste incinerator.

(b) Rules adopted under this section must require that the prescribed emissions control technology be installed as soon as practicable at each commercial infectious waste incinerator.

(c) In this section, "commercial infectious waste incinerator" means a facility that accepts for incineration infectious waste generated outside the property boundaries of the facility.

Sec. 382.020. CONTROL OF EMISSIONS FROM FACILITIES THAT HANDLE CERTAIN AGRICULTURAL PRODUCTS. (a) The commission, when it determines that the control of air pollution is necessary, shall
adopt rules concerning the control of emissions of particulate matter from plants at which grain, seed, legumes, or vegetable fibers are handled, loaded, unloaded, dried, manufactured, or processed according to a formula derived from the process weight of the materials entering the process.

(b) A person affected by a rule adopted under this section may use:

(1) the process weight method to control and measure the emissions from the plant; or

(2) any other method selected by that person that the commission or the executive director, if authorized by the commission, finds will provide adequate emission control efficiency and measurement.

Sec. 382.0201. PROHIBITION ON COMMISSION RULE RELATING TO EMISSIONS FROM CERTAIN HOSPITAL OR MEDICAL DISINFECTANTS. (a) In this section, "hospital or medical disinfectant" means an antimicrobial product that is registered with and meets the performance standards of the United States Environmental Protection Agency under the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. Sections 136, 136a).

(b) Except as specifically required to comply with federal law or regulation, the commission may not adopt a rule that lessens the efficacy of a hospital or medical disinfectant in killing or inactivating agents of an infectious disease, including a rule restricting volatile organic compound content of or emissions from the disinfectant.

Added by Acts 1999, 76th Leg., ch. 364, Sec. 1, eff. Sept. 1, 1999.

Sec. 382.0205. SPECIAL PROBLEMS RELATED TO AIR CONTAMINANT EMISSIONS. Consistent with applicable federal law, the commission by rule may control air contaminants as necessary to protect against adverse effects related to:

(1) acid deposition;

(2) stratospheric changes, including depletion of ozone;
and

(3) climatic changes, including global warming.

Sec. 382.021. SAMPLING METHODS AND PROCEDURES. (a) The commission may prescribe the sampling methods and procedures to be used in determining violations of and compliance with the commission's rules, variances, and orders, including:

(1) ambient air sampling;
(2) stack-sampling;
(3) visual observation; or
(4) any other sampling method or procedure generally recognized in the field of air pollution control.

(b) The commission may prescribe new sampling methods and procedures if:

(1) in the commission's judgment, existing methods or procedures are not adequate to meet the needs and objectives of the commission's rules, variances, and orders; and
(2) the scientific applicability of the new methods or procedures can be satisfactorily demonstrated to the commission.

Sec. 382.0215. ASSESSMENT OF EMISSIONS DUE TO EMISSIONS EVENTS. (a) In this section:

(1) "Emissions event" means an upset event, or unscheduled maintenance, startup, or shutdown activity, from a common cause that results in the unauthorized emissions of air contaminants from one or more emissions points at a regulated entity.

(2) "Regulated entity" means all regulated units, facilities, equipment, structures, or sources at one street address or location that are owned or operated by the same person. The term includes any property under common ownership or control identified in a permit or used in conjunction with the regulated activity at the same street address or location.
(a-1) Maintenance, startup, and shutdown activities shall not be considered unscheduled only if the activity will not and does not result in the emission of at least a reportable quantity of unauthorized emissions of air contaminants and the activity is recorded as may be required by commission rule, or if the activity will result in the emission of at least a reportable quantity of unauthorized emissions and:

1. the owner or operator of the regulated entity provides any prior notice or final report that the commission, by rule, may establish;

2. the notice or final report includes the information required in Subsection (b)(3); and

3. the actual emissions do not exceed the estimates submitted in the notice by more than a reportable quantity.

(b) The commission shall require the owner or operator of a regulated entity that experiences emissions events:

1. to maintain a record of all emissions events at the regulated entity in the manner and for the periods prescribed by commission rule;

2. to notify the commission in a single report for each emissions event, as soon as practicable but not later than 24 hours after discovery of the emissions event, of an emissions event resulting in the emission of a reportable quantity of air contaminants as determined by commission rule; and

3. to report to the commission in a single report for each emissions event, not later than two weeks after the occurrence of an emissions event that results in the emission of a reportable quantity of air contaminants as determined by commission rule, all information necessary to evaluate the emissions event, including:

   A. the name of the owner or operator of the reporting regulated entity;

   B. the location of the reporting regulated entity;

   C. the date and time the emissions began;

   D. the duration of the emissions;

   E. the nature and measured or estimated quantity of air contaminants emitted, including the method of calculation of, or other basis for determining, the quantity of air contaminants emitted;

   F. the processes and equipment involved in the emissions event;
(G) the cause of the emissions; and
(H) any additional information necessary to evaluate the emissions event.

(c) The owner or operator of a boiler or combustion turbine fueled by natural gas, coal, lignite, wood, or fuel oil containing hazardous air pollutants at concentrations of less than 0.02 percent by weight that is equipped with a continuous emission monitoring system that completes a minimum of one cycle per operation (sampling, analyzing, and data recording) for each successive 15-minute interval who is required to submit excess emission reports by other state or federal regulations, shall, by commission rule, be allowed to submit information from that monitoring system to meet the requirements under Subsection (b)(3) so long as the notice submitted under Subsection (b)(2) contains the information required under Subsection (b)(3). Such excess emission reports shall satisfy the recordkeeping requirements of Subsection (b)(1) so long as the information in such reports meets commission requirements. This subsection does not require the commission to revise the reportable quantity for boilers and combustion turbines.

(d) The commission shall centrally track emissions events and collect information relating to:

(1) inspections or enforcement actions taken by the commission in response to emissions events; and
(2) the number of emissions events occurring in each commission region and the quantity of emissions from each emissions event.

(e) The commission shall develop the capacity for electronic reporting and shall incorporate reported emissions events into a permanent online centralized database for emissions events. The commission shall develop a mechanism whereby the reporting entity shall be allowed to review the information relative to its reported emissions events prior to such information being included in the database. The database shall be easily searchable and accessible to the public. The commission shall evaluate information in the database to identify persons who repeatedly fail to report reportable emissions events. The commission shall enforce against such persons pursuant to Section 382.0216(i). The commission shall describe such enforcement actions in the report required in Subsection (g).

(f) An owner or operator of a regulated entity required by Section 382.014 to submit an annual emissions inventory report and
which has experienced no emissions events during the relevant year must include as part of the inventory a statement that the regulated entity experienced no emissions events during the prior year. An owner or operator of a regulated entity required by Section 382.014 to submit an annual emissions inventory report must include the total annual emissions from all emissions events in categories as established by commission rule.

(g) The commission annually, or at the request of a member of the legislature, shall assess the information received under this section, including actions taken by the commission in response to the emissions events, and shall include the assessment in the report required by Section 5.126, Water Code.

(h) The commission may allow operators of pipelines, gathering lines, and flowlines to treat all such facilities under common ownership or control in a particular county as a single regulated entity for the purpose of assessment and regulation of emissions events.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 5.01(a), eff. Sept. 1, 2001.
Amended by:
Acts 2005, 79th Leg., Ch. 728 (H.B. 2018), Sec. 9.0035(a), eff. September 1, 2005.
Acts 2005, 79th Leg., Ch. 1095 (H.B. 2129), Sec. 1, eff. September 1, 2005.
Acts 2011, 82nd Leg., R.S., Ch. 780 (H.B. 1981), Sec. 2, eff. September 1, 2011.
(5) the percentage of a facility's total annual operating hours during which emissions events occur; and
(6) the need for startup, shutdown, and maintenance activities.

(c) The commission shall require a facility to take action to reduce emissions from excessive emissions events. Consistent with commission rules, a facility required to take action under this subsection must either file a corrective action plan or file a letter of intent to obtain authorization for emissions from the excessive emissions events, provided that the emissions are sufficiently frequent, quantifiable, and predictable. If the intended authorization is a permit, a permit application shall be filed within 120 days of the filing of the letter of intent. If the intended authorization is a permit by rule or standard exemption, the authorization must be obtained within 120 days of the filing of the letter of intent. If the commission denies the requested authorization, within 45 days of receiving notice of the commission's denial, the facility shall file a corrective action plan to reduce emissions from the excessive emissions events.

(d) A corrective action plan filed under Subsection (c) must identify the cause or causes of each emissions event, specify the control devices or other measures that are reasonably designed to prevent or minimize similar emissions events in the future, and specify a time within which the corrective action plan will be implemented. A corrective action plan must be approved by the commission. A corrective action plan shall be deemed approved 45 days after filing, if the commission has not disapproved the plan; however, an owner or operator may request affirmative commission approval, in which case the commission must take final written action to approve or disapprove the plan within 120 days. An approved corrective action plan shall be made available to the public by the commission, except to the extent information in the plan is confidential information protected under Chapter 552, Government Code. The commission shall establish reasonable schedules for the implementation of corrective action plans and procedures for revision of a corrective action plan if the commission finds the plan, after implementation begins, to be inadequate to meet the goal of preventing or minimizing emissions and emissions events. The implementation schedule shall be enforceable by the commission.

(e) The rules may not exclude from the requirement to submit a
corrective action plan emissions events resulting from the lack of preventive maintenance or from operator error, or emissions that are a part of a recurring pattern of emissions events indicative of inadequate design or operation.

(f) The commission by rule may establish an affirmative defense to a commission enforcement action if the emissions event meets criteria defined by commission rule. In establishing rules under this subsection, the commission at a minimum must require consideration of the factors listed in Subsections (b)(1)-(6).

(g) The burden of proof in any claim of a defense to commission enforcement action for an emissions event is on the person claiming the defense.

(h) A person may not claim an affirmative defense to a commission enforcement action if the person failed to take corrective action under a corrective action plan approved by the commission within the time prescribed by the commission and an emissions event recurs because of that failure.

(i) In the event the owner or operator of a facility fails to report an emissions event, the commission shall initiate enforcement for such failure to report and for the underlying emissions event itself. This subsection does not apply where an owner or operator reports an emissions event and the report was incomplete, inaccurate, or untimely unless the owner or operator knowingly or intentionally falsified the information in the report.

(j) The commission shall account for and consider chronic excessive emissions events and emissions events for which the commission has initiated enforcement in the manner set forth by the commission in its review of an entity's compliance history.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 5.01(a), eff. Sept. 1, 2001.

Sec. 382.022. INVESTIGATIONS. The executive director may make or require the making of investigations:

(1) that the executive director considers advisable in administering this chapter and the commission's rules, orders, and determinations, including investigations of violations and general air pollution problems or conditions; or

(2) as requested or directed by the commission.
Sec. 382.023. ORDERS. (a) The commission may issue orders and make determinations as necessary to carry out the purposes of this chapter. Orders authorized by this chapter may be issued only by the commission unless expressly provided by this chapter.

(b) If it appears that this chapter or a commission rule, order, or determination is being violated, the commission, or the executive director if authorized by the commission or this chapter, may proceed under Sections 382.082-382.084, or hold a public hearing and issue orders on the alleged violation, or take any other action authorized by this chapter as the facts may warrant.

(c) In addition to the notice required by Chapter 2001, Government Code, the commission or the executive director shall give notice to such other interested persons as the commission or the executive director may designate.

Sec. 382.024. FACTORS IN ISSUING ORDERS AND DETERMINATIONS. In issuing an order and making a determination, the commission shall consider the facts and circumstances bearing on the reasonableness of emissions, including:

(1) the character and degree of injury to or interference with the public's health and physical property;

(2) the source's social and economic value;

(3) the question of priority of location in the area involved; and

(4) the technical practicability and economic reasonableness of reducing or eliminating the emissions resulting from the source.

Sec. 382.025. ORDERS RELATING TO CONTROLLING AIR POLLUTION.  
(a) If the commission determines that air pollution exists, the commission may order any action indicated by the circumstances to control the condition.  
(b) The commission shall grant to the owner or operator of a source time to comply with its orders as provided for by commission rules. Those rules must provide for time for compliance gauged to the general situations that the hearings on proposed rules indicate are necessary.

Sec. 382.026. ORDERS ISSUED UNDER EMERGENCIES. The commission may issue an order under an air emergency under Section 5.514, Water Code.

Sec. 382.027. PROHIBITION ON COMMISSION ACTION RELATING TO AIR CONDITIONS EXISTING SOLELY IN COMMERCIAL AND INDUSTRIAL FACILITIES.  
(a) The commission may not adopt a rule, determination, or order that:  
(1) relates to air conditions existing solely within buildings and structures used for commercial and industrial plants, works, or shops if the source of the offending air contaminants is under the control of the person who owns or operates the plants, works, or shops; or  
(2) affects the relations between employers and their employees relating to or arising out of an air condition from a source under the control of the person who owns or operates the plants, works, or shops.  
(b) This section does not limit or restrict the authority or powers granted to the commission under Sections 382.018 and 382.021.

Sec. 382.0275. COMMISSION ACTION RELATING TO RESIDENTIAL WATER HEATERS. (a) In this section, "residential water heater" means a water heater that:

(1) is designed primarily for residential use; and

(2) has a maximum rated capacity of 75,000 British thermal units per hour (Btu/hr) or less.

(b) Repealed by Acts 2007, 80th Leg., R.S., Ch. 49, Sec. 2, eff. May 8, 2007.

(c) Repealed by Acts 2007, 80th Leg., R.S., Ch. 49, Sec. 2, eff. May 8, 2007.

(d) The commission may not adopt or enforce a rule, determination, or order that relates to emissions of residential water heaters that is below 40 nanograms of NOx per joule unless a lower standard is established by a federal statute or rule. Any commission rule, determination, or order existing on or before the effective date of this subsection related to emission specifications for residential water heaters that is more stringent than the 40 nanograms of NOx per joule standard is hereby repealed.

Added by Acts 2005, 79th Leg., Ch. 59 (H.B. 965), Sec. 1, eff. September 1, 2005. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 49 (S.B. 1665), Sec. 1, eff. May 8, 2007.

Acts 2007, 80th Leg., R.S., Ch. 49 (S.B. 1665), Sec. 2, eff. May 8, 2007.

Sec. 382.028. VARIANCES. (a) This chapter does not prohibit the granting of a variance.

(b) A variance is an exceptional remedy that may be granted only on demonstration that compliance with a provision of this chapter or commission rule or order results in an arbitrary and unreasonable taking of property.

Sec. 382.029. HEARING POWERS. The commission may call and hold hearings, administer oaths, receive evidence at a hearing, issue subpoenas to compel the attendance of witnesses and the production of papers and documents related to a hearing, and make findings of fact and decisions relating to administering this chapter or the rules, orders, or other actions of the commission.

Sec. 382.0291. PUBLIC HEARING PROCEDURES. (a) Any statements, correspondence, or other form of oral or written communication made by a member of the legislature to a commission official or employee during a public hearing conducted by the commission shall become part of the record of the hearing, regardless of whether the member is a party to the hearing.

(b) When a public hearing conducted by the commission is required by law to be conducted at a certain location, the commission shall determine the place within that location at which the hearing will be conducted. In making that determination, the commission shall consider the cost of available facilities and the adequacy of a facility to accommodate the type of hearing and anticipated attendance.

(c) The commission shall conduct at least one session of a public hearing after normal business hours on request by a party to the hearing or any person who desires to attend the hearing.

(d) An applicant for a license, permit, registration, or similar form of permission required by law to be obtained from the commission may not amend the application after the 31st day before the date on which a public hearing on the application is scheduled to begin. If an amendment of an application would be necessary within that period, the applicant shall resubmit the application to the commission and must again comply with notice requirements and any other requirements of law or commission rule as though the application were originally submitted to the commission on that date.

(e) If an application for a license, permit, registration, or similar form of permission required by law is pending before the commission at a time when changes take effect concerning notice requirements imposed by law for that type of application, the
applicant must comply with the new notice requirements.

Sec. 382.030. DELEGATION OF HEARING POWERS. (a) The commission may delegate the authority to hold hearings called by the commission under this chapter to:

(1) one or more commission members;
(2) the executive director; or
(3) one or more commission employees.

(b) Except for hearings required to be held before the commission under Section 5.504, Water Code, the commission may authorize the executive director to:

(1) call and hold a hearing on any subject on which the commission may hold a hearing; and
(2) delegate the authority to hold any hearing called by the executive director to one or more commission employees.

(c) The commission may establish the qualifications for individuals to whom the commission or the executive director delegates the authority to hold hearings.

(d) An individual holding a hearing under this section may administer oaths and receive evidence at the hearing and shall report the hearing in the manner prescribed by the commission.

Sec. 382.031. NOTICE OF HEARINGS. (a) Notice of a hearing under this chapter shall be published at least once in a newspaper of general circulation in the municipality in which the facility is located or is proposed to be located or in the municipality nearest to the location or proposed location of the facility. The notice must be published not less than 30 days before the date set for the hearing.

(b) Notice of the hearing must describe briefly and in summary form the purpose of the hearing and the date, time, and place of the
hearing.

(c) If notice of the hearing is required by this chapter to be given to a person, the notice shall be served personally or mailed to the person at the person's most recent address known to the commission not less than 30 days before the date set for the hearing. If the party is not an individual, the notice may be given to an officer, agent, or legal representative of the party.

(d) The hearing body shall conduct the hearing at the time and place stated in the notice. The hearing body may continue the hearing from time to time and from place to place without the necessity of publishing, serving, mailing, or otherwise issuing new notice. If a hearing is continued and a time and place for the hearing to reconvene are not publicly announced by the hearing body at the hearing before it is recessed, a notice of any further setting of the hearing shall be served personally or mailed in the manner prescribed by Subsection (c) at a reasonable time before the new setting, but it is not necessary to publish a newspaper notice of the new setting. In this subsection, "hearing body" means the individual or individuals that hold a hearing under this section.

(e) This section applies to all hearings held under this chapter except as otherwise specified by Section 382.017.

Sec. 382.032. APPEAL OF COMMISSION ACTION. (a) A person affected by a ruling, order, decision, or other act of the commission or of the executive director, if an appeal to the commission is not provided, may appeal the action by filing a petition in a district court of Travis County.

(b) The petition must be filed within 30 days after the date of the commission's or executive director's action or, in the case of a ruling, order, or decision, within 30 days after the effective date of the ruling, order, or decision. If the appeal relates to the commission's failure to take final action on an application for a federal operating permit, a reopening of a federal operating permit, a revision to a federal operating permit, or a permit renewal
application for a federal operating permit in accordance with Section 382.0542(b), the petition may be filed at any time before the commission or the executive director takes final action.

(c) Service of citation on the commission must be accomplished within 30 days after the date on which the petition is filed. Citation may be served on the executive director or any commission member.

(d) The plaintiff shall pursue the action with reasonable diligence. If the plaintiff does not prosecute the action within one year after the date on which the action is filed, the court shall presume that the action has been abandoned. The court shall dismiss the suit on a motion for dismissal made by the attorney general unless the plaintiff, after receiving due notice, can show good and sufficient cause for the delay.

(e) In an appeal of an action of the commission or executive director other than cancellation or suspension of a variance, the issue is whether the action is invalid, arbitrary, or unreasonable.

(f) An appeal of the cancellation or suspension of a variance must be tried in the same manner as appeals from the justice court to the county court.

Sec. 382.033. CONTRACTS; INSTRUMENTS. The commission may execute contracts and instruments that are necessary or convenient to perform its powers or duties.

Sec. 382.0335. AIR CONTROL ACCOUNT. (a) The commission may apply for, solicit, contract for, receive, or accept money from any source to carry out its duties under this chapter.

(b) Money received by the commission under this section shall be deposited to the credit of the air control account, an account in the general revenue fund. The commission may use money in the account for any necessary expenses incurred in carrying out
commission duties under this chapter.

Added by Acts 1997, 75th Leg., ch. 333, Sec. 72, eff. Sept. 1, 1997.

Sec. 382.034. RESEARCH AND INVESTIGATIONS. The commission shall conduct or require any research and investigations it considers advisable and necessary to perform its duties under this chapter.

Sec. 382.035. MEMORANDUM OF UNDERSTANDING. The commission by rule shall adopt any memorandum of understanding between the commission and another state agency.

Sec. 382.036. COOPERATION AND ASSISTANCE. The commission shall:

(1) encourage voluntary cooperation by persons or affected groups in restoring and preserving the purity of the state's air;
(2) encourage and conduct studies, investigations, and research concerning air quality control;
(3) collect and disseminate information on air quality control;
(4) advise, consult, and cooperate with other state agencies, political subdivisions of the state, industries, other states, the federal government, and interested persons or groups concerning matters of common interest in air quality control; and
(5) represent the state in all matters relating to air quality plans, procedures, or negotiations for interstate compacts.

Sec. 382.040. DOCUMENTS; PUBLIC PROPERTY. All information,
documents, and data collected by the commission in performing its duties are state property. Subject to the limitations of Section 382.041, all commission records are public records open to inspection by any person during regular office hours.

Sec. 382.041. CONFIDENTIAL INFORMATION. (a) Except as provided by Subsection (b), a member, employee, or agent of the commission may not disclose information submitted to the commission relating to secret processes or methods of manufacture or production that is identified as confidential when submitted.

(b) A member, employee, or agent of the commission may disclose information confidential under Subsection (a) to a representative of the United States Environmental Protection Agency on the request of a representative of that agency if:

(1) at the time of disclosure the member, employee, or agent notifies the representative that the material has been identified as confidential when submitted; and

(2) the commission, before the information is disclosed, has entered into an agreement with the United States Environmental Protection Agency that ensures that the agency treats information identified as confidential as though it had been submitted by the originator of the information with an appropriate claim of confidentiality under federal law.

SUBCHAPTER C. PERMITS

Sec. 382.051. PERMITTING AUTHORITY OF COMMISSION; RULES. (a) The commission may issue a permit:

(1) to construct a new facility or modify an existing facility that may emit air contaminants;
(2) to operate an existing facility affected by Section 382.0518(g); or
(3) to operate a federal source.

(b) To assist in fulfilling its authorization provided by Subsection (a), the commission may issue:

(1) special permits for certain facilities;
(2) a general permit for numerous similar sources subject to Section 382.054;
(3) a standard permit for similar facilities;
(4) a permit by rule for types of facilities that will not significantly contribute air contaminants to the atmosphere;
(5) a single federal operating permit or preconstruction permit for multiple federal sources or facilities located at the same site;
(6) a multiple plant permit for existing facilities at multiple locations subject to Section 382.0518 or 382.0519;
(7) an existing facility permit or existing facility flexible permit under Section 382.05183;
(8) a small business stationary source permit under Section 382.05184;
(9) an electric generating facility permit under Section 382.05185 of this code and Section 39.264, Utilities Code;
(10) a pipeline facilities permit under Section 382.05186; or

(11) other permits as necessary.

(c) The commission may issue a federal operating permit for a federal source in violation only if the operating permit incorporates a compliance plan for the federal source as a condition of the permit.

(d) The commission shall adopt rules as necessary to comply with changes in federal law or regulations applicable to permits issued under this chapter.

Sec. 382.05101. DE MINIMIS AIR CONTAMINANTS. The commission may develop by rule the criteria to establish a de minimis level of air contaminants for facilities or groups of facilities below which a permit under Section 382.0518 or 382.0519, a standard permit under Section 382.05195 or 382.05198, or a permit by rule under Section 382.05196 is not required.

Sec. 382.05102. PERMITTING AUTHORITY OF COMMISSION; GREENHOUSE GAS EMISSIONS. (a) In this section, "greenhouse gas emissions" means emissions of:

(1) carbon dioxide;
(2) methane;
(3) nitrous oxide;
(4) hydrofluorocarbons;
(5) perfluorocarbons; and
(6) sulfur hexafluoride.

(b) To the extent that greenhouse gas emissions require authorization under federal law, the commission may authorize greenhouse gas emissions in a manner consistent with Section 382.051.

(c) The commission shall:

(1) adopt rules to implement this section, including rules specifying the procedures to transition to review by the commission any applications pending with the United States Environmental Protection Agency for approval under 40 C.F.R. Section 52.2305; and
(2) prepare and submit appropriate federal program revisions to the United States Environmental Protection Agency for approval.

(d) The permit processes authorized by this section are not subject to the requirements relating to a contested case hearing under this chapter, Chapter 5, Water Code, or Subchapters C-G, Chapter 2001, Government Code.

(e) If authorization to emit greenhouse gas emissions is no longer required under federal law, the commission shall:

(1) repeal the rules adopted under Subsection (c); and
(2) prepare and submit appropriate federal program revisions to the United States Environmental Protection Agency for
Sec. 382.0511. PERMIT CONSOLIDATION AND AMENDMENT. (a) The commission may consolidate into a single permit any permits, special permits, standard permits, permits by rule, or exemptions for a facility or federal source.

(b) Consistent with the rules adopted under Subsection (d) and the limitations of this chapter, including limitations that apply to the modification of an existing facility, the commission may amend, revise, or modify a permit.

(c) The commission may authorize changes in a federal source to proceed before the owner or operator obtains a federal operating permit or revisions to a federal operating permit if:

(1) the changes are de minimis under Section 382.05101; or

(2) the owner or operator:

(A) has obtained a preconstruction permit or permit amendment required by Section 382.0518; or

(B) is operating under:

(i) a standard permit under Section 382.05195 or 382.05198;

(ii) a permit by rule under Section 382.05196; or

(iii) an exemption allowed under Section 382.057.

(d) The commission by rule shall develop criteria and administrative procedures to implement Subsections (b) and (c).

(e) When multiple facilities have been consolidated into a single permit under this section and the consolidated permit is reopened for consideration of an amendment relating to one or more facilities authorized by that permit, the permit is not considered reopened with respect to facilities for which an amendment, revision, or modification is not sought unless this chapter specifically authorizes or requires that additional reopening in order to protect the public's health and physical property.

Sec. 382.0512. MODIFICATION OF EXISTING FACILITY. (a) Except as provided in Subsection (b), in determining whether a proposed change at an existing facility is a modification, the commission may not consider the effect on emissions of:

(1) any air pollution control method applied to a source; or

(2) any decreases in emissions from other sources.

(b) In determining whether a proposed change at an existing facility that meets the criteria of Section 382.003(9)(E) results in a net increase in allowable emissions, the commission shall consider the effect on emissions of:

(1) any air pollution control method applied to the facility;

(2) any decreases in allowable emissions from other facilities that have received a preconstruction permit or permit amendment no earlier than 120 months before the change will occur; and

(3) any decreases in actual emissions from other facilities that meet the criteria of Section 382.003(9)(E)(i) or (ii).

(c) Nothing in this section shall be construed to limit the application of otherwise applicable state or federal requirements, nor shall this section be construed to limit the commission's powers of enforcement under this chapter.

Sec. 382.0513. PERMIT CONDITIONS. The commission may establish and enforce permit conditions consistent with this chapter. Permit conditions of general applicability shall be adopted by rule.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 3, Sec. 2.08, eff. Sept. 1, 1991. Amended by Acts 1993, 73rd Leg., ch. 485, Sec. 8, eff. June 9, 1993; Acts 1995, 74th Leg., ch. 76, Sec. 11.161, eff. Sept. 1,
Sec. 382.0514. SAMPLING, MONITORING, AND CERTIFICATION. The
commission may require, at the expense of the permit holder and as a
condition of the permit:
(1) sampling and monitoring of a permitted federal source
or facility;
(2) certification of the compliance of the owner or
operator of the permitted federal source with the terms and
conditions of the permit and with all applicable requirements; and
(3) a periodic report of:
(A) the results of sampling and monitoring; and
(B) the certification of compliance.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 3, Sec. 2.08, eff. Sept.
1, 1991. Amended by Acts 1993, 73rd Leg., ch. 485, Sec. 9, eff. June
9, 1993; Acts 1995, 74th Leg., ch. 76, Sec. 11.161, eff. Sept. 1, 1995.

Sec. 382.0515. APPLICATION FOR PERMIT. A person applying for a
permit shall submit to the commission:
(1) a permit application;
(2) copies of all plans and specifications necessary to
determine if the facility or source will comply with applicable
federal and state air control statutes, rules, and regulations and
the intent of this chapter; and
(3) any other information the commission considers
necessary.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 3, Sec. 2.08, eff. Sept.

Sec. 382.05155. EXPEDITED PROCESSING OF APPLICATION. (a) An
applicant, in a manner prescribed by the commission, may request the
expedited processing of an application filed under this chapter if
the applicant demonstrates that the purpose of the application will
benefit the economy of this state or an area of this state.
(b) The executive director may grant an expedited processing request if the executive director determines that granting the request will benefit the economy of this state or an area of this state.

(c) The expediting of an application under this section does not affect a contested case hearing or applicable federal, state, and regulatory requirements, including the notice, opportunity for a public hearing, and submission of public comment required under this chapter.

(d) The commission by rule may add a surcharge to an application fee assessed under this chapter for an expedited application in an amount sufficient to cover the expenses incurred by the expediting, including overtime, contract labor, and other costs.

(e) The commission may authorize the use of overtime or contract labor to process expedited applications. The overtime or contract labor authorized under this section is not included in the calculation of the number of full-time equivalent commission employees allotted under other law.

(f) The commission may pay for compensatory time, overtime, or contract labor used to implement this section.

(g) A rule adopted under this section must be consistent with Chapter 2001, Government Code. A rule adopted under this section regarding notice must include a provision to require an indication that the application is being processed in an expedited manner.

Added by Acts 2013, 83rd Leg., R.S., Ch. 808 (S.B. 1756), Sec. 1, eff. June 14, 2013.

Sec. 382.0516. NOTICE TO STATE SENATOR, STATE REPRESENTATIVE, AND CERTAIN LOCAL OFFICIALS. (a) On receiving an application for a construction permit or an amendment to a construction permit, a special permit, or an operating permit for a facility that may emit air contaminants, the commission shall send notice of the application to the state senator and representative who represent the area in which the facility is or will be located.

(b) In addition to the notice required by Subsection (a), for an application that relates to an existing or proposed concrete batch plant, on receiving an application for a construction permit, an amendment to a construction permit, an operating permit, or an
authorization to use a standard permit, the commission shall send
notice of the application:

(1) to the county judge of the county in which the facility
is or will be located; and

(2) if the facility is or will be located in a municipality
or the extraterritorial jurisdiction of a municipality, to the
presiding officer of the municipality's governing body.

Renumbered from Sec. 382.0511 by Acts 1991, 72nd Leg., 1st C.S., ch.
3, Sec. 2.07, eff. Sept. 1, 1991. Amended by Acts 1995, 74th Leg.,
ch. 76, Sec. 11.161, eff. Sept. 1, 1995; Acts 2001, 77th Leg., ch.
1327, Sec. 1, eff. Sept. 1, 2001.
Amended by:

Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 5.01, eff.
September 1, 2007.

Sec. 382.0517. DETERMINATION OF ADMINISTRATIVE COMPLETION OF
APPLICATION. The commission shall determine when an application
filed under Section 382.054 or Section 382.0518 is administratively
complete. On determination, the commission by mail shall notify the
applicant and any interested party who has requested notification.
If the number of interested parties who have requested notification
makes it impracticable for the commission to notify those parties by
mail, the commission shall notify those parties by publication using
the method prescribed by Section 382.031(a).

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 3, Sec. 2.08, eff. Sept.
1, 1991. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 11.161, eff.

Sec. 382.0518. PRECONSTRUCTION PERMIT. (a) Before work is
begun on the construction of a new facility or a modification of an
existing facility that may emit air contaminants, the person planning
the construction or modification must obtain a permit or permit
amendment from the commission.

(b) The commission shall grant within a reasonable time a
permit or permit amendment to construct or modify a facility if, from
the information available to the commission, including information
presented at any hearing held under Section 382.056(k), the commission finds:

(1) the proposed facility for which a permit, permit amendment, or a special permit is sought will use at least the best available control technology, considering the technical practicability and economic reasonableness of reducing or eliminating the emissions resulting from the facility; and

(2) no indication that the emissions from the facility will contravene the intent of this chapter, including protection of the public's health and physical property.

(c) In considering the issuance, amendment, or renewal of a permit, the commission may consider the applicant's compliance history in accordance with the method for using compliance history developed by the commission under Section 5.754, Water Code. In considering an applicant's compliance history under this subsection, the commission shall consider as evidence of compliance information regarding the applicant's implementation of an environmental management system at the facility for which the permit, permit amendment, or permit renewal is sought. In this subsection, "environmental management system" has the meaning assigned by Section 5.127, Water Code.

(d) If the commission finds that the emissions from the proposed facility will contravene the standards under Subsection (b) or will contravene the intent of this chapter, the commission may not grant the permit, permit amendment, or special permit and shall set out in a report to the applicant its specific objections to the submitted plans of the proposed facility.

(e) If the person applying for a permit, permit amendment, or special permit makes the alterations in the person's plans and specifications to meet the commission's specific objections, the commission shall grant the permit, permit amendment, or special permit. If the person fails or refuses to alter the plans and specifications, the commission may not grant the permit, permit amendment, or special permit. The commission may refuse to accept a person's new application until the commission's objections to the plans previously submitted by that person are satisfied.

(f) A person may operate a facility or source under a permit issued by the commission under this section if:

(1) the facility or source is not required to obtain a federal operating permit under Section 382.054; and
(2) within the time and in the manner prescribed by commission rule, the permit holder demonstrates that:

(A) the facility complies with all terms of the existing preconstruction permit; and

(B) operation of the facility or source will not violate the intent of this chapter or standards adopted by the commission.

(g) Subsections (a)-(d) do not apply to a person who has executed a contract or has begun construction for an addition, alteration, or modification to a new or an existing facility on or before August 30, 1971, and who has complied with the requirements of Section 382.060, as it existed on November 30, 1991. To qualify for any exemption under this subsection, a contract may not have a beginning construction date later than February 29, 1972.

(h) Section 382.056 does not apply to an applicant for a permit amendment under this section if the total emissions increase from all facilities authorized under the amended permit will meet the de minimis criteria defined by commission rule and will not change in character. For a facility affected by Section 382.020, Section 382.056 does not apply to an applicant for a permit amendment under this section if the total emissions increase from all facilities authorized under the permit amendment is not significant and will not change in character. In this subsection, a finding that a total emissions increase is not significant must be made as provided under Section 382.05196 for a finding under that section.

(i) In considering a permit amendment under this section the commission shall consider any adjudicated decision or compliance proceeding within the five years before the date on which the application was filed that addressed the applicant's past performance and compliance with the laws of this state, another state, or the United States governing air contaminants or with the terms of any permit or order issued by the commission.

Sec. 382.05181. PERMIT REQUIRED. (a) Any facility affected by Section 382.0518(g) that does not have an application pending for a permit under this chapter, other than a permit required under Section 382.054, and that has not submitted a notice of shutdown under Section 382.05182, may not emit air contaminants on or after:

(1) September 1, 2003, if the facility is located in the East Texas region; or

(2) September 1, 2004, if the facility is located in the West Texas region.

(b) Any facility affected by Section 382.0518(g) that has obtained a permit under this chapter, other than a permit under Section 382.054, and has not fully complied with the conditions of the permit pertaining to the installation of emissions controls or reductions in emissions of air contaminants, may not emit air contaminants on or after:

(1) March 1, 2007, if the facility is located in the East Texas region; or

(2) March 1, 2008, if the facility is located in the West Texas region.

(c) The East Texas region:

(1) contains all counties traversed by or east of Interstate Highway 35 north of San Antonio or traversed by or east of Interstate Highway 37 south of San Antonio; and

(2) includes Bexar, Bosque, Coryell, Hood, Parker, Somervell, and Wise counties.

(d) The West Texas region includes all counties not contained in the East Texas region.

(e) The commission promptly shall review each application for a permit under this chapter for a facility affected by Section 382.0518(g). If the commission finds that necessary information is omitted from the application, that the application contains incorrect information, or that more information is necessary to complete the processing of the application, the commission shall issue a notice of deficiency and order the information to be provided not later than the 60th day after the date the notice is issued. If the information is not provided to the commission on or before that date, the
commission shall dismiss the application.

(f) The commission shall take final action on an application for a permit under this chapter for a facility affected by Section 382.0518(g) before the first anniversary of the date on which the commission receives an administratively complete application.

(g) An owner or operator of a facility affected by Section 382.0518(g) that does not obtain a permit within the 12-month period may petition the commission for an extension of the time period for compliance specified by Subsection (b). The commission may grant not more than one extension for a facility, for an additional period not to exceed 12 months, if the commission finds good cause for the extension.

(h) A permit application under this chapter for a facility affected by Section 382.0518(g) is subject to the notice and hearing requirements as provided by Section 382.05191.

(i) This section does not apply to a facility eligible for a permit under Section 382.05184.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 5.03, eff. Sept. 1, 2001.

Sec. 382.05182. NOTICE OF SHUTDOWN. (a) Any notice submitted in compliance with this section must be filed with the commission by the dates in Section 382.05181(a).

(b) A notice under this section shall include:

(1) the date the facility intends to cease operating;
(2) an inventory of the type and amount of emissions that will be eliminated when the facility ceases to operate; and
(3) any other necessary and relevant information the commission by rule deems appropriate.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 5.03, eff. Sept. 1, 2001.

Sec. 382.05183. EXISTING FACILITY PERMIT. (a) The owner or operator of a facility affected by Section 382.0518(g) may apply for a permit to operate the facility under this section.

(b) The commission shall grant a permit under this section if, from the information available to the commission, the commission
finds that the facility will use a control method at least as beneficial as that described by Section 382.003(9)(E)(ii), considering the age and the remaining useful life of the facility.

(c) The commission may issue an existing facility flexible permit for some or all of the facilities at a site affected by Section 382.0518(g) and facilities permitted under Section 382.0519 in order to implement the requirements of this section. Permits issued under this subsection shall follow the same permit issuance, modification, and renewal procedures as existing facility permits.

(d) If the commission finds that the emissions from the facility will contravene the standards under Subsection (b) or the intent of this chapter, including protection of the public's health and physical property, the commission may not grant the permit under this section.

(e) A person planning the modification of a facility previously permitted under this section must comply with Section 382.0518 before modifying.

(f) The commission may adopt rules as necessary to implement and administer this section.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 5.03, eff. Sept. 1, 2001.

Sec. 382.05184. SMALL BUSINESS STATIONARY SOURCE PERMIT. (a) Facilities affected by Section 382.0518(g) that are located at a small business stationary source, as defined by Section 5.135, Water Code, and are not required by commission rule to report to the commission under Section 382.014 may apply for a permit under this section before September 1, 2004.

(b) Facilities affected by Section 382.0518(g) that are located at a small business stationary source that does not have an application pending for a permit under this chapter, other than a permit required under Section 382.054, and that has not submitted a notice of shutdown under Section 382.05182, may not emit air contaminants on or after March 1, 2008.

(c) The commission shall grant a permit under this section if, from the information available to the commission, the commission finds that there is no indication that the emissions from the facility will contravene the intent of this chapter, including
protection of the public's health and physical property.

(d) If the commission finds that the emissions from the facility will not comply with Subsection (c), the commission may not grant the permit under this section.

(e) A person planning the modification of a facility previously permitted under this section must comply with Section 382.0518 before modifying.

(f) A permit application under this section is not subject to notice and hearing requirements and is not subject to Chapter 2001, Government Code.

(g) The commission may adopt rules as necessary to implement and administer this section.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 5.03, eff. Sept. 1, 2001.
Amended by:

Acts 2005, 79th Leg., Ch. 728 (H.B. 2018), Sec. 9.0035(b), eff. September 1, 2005.

Sec. 382.05185. ELECTRIC GENERATING FACILITY PERMIT. (a) An electric generating facility is considered permitted under this section with respect to all air contaminants if the facility is:

(1) a natural-gas-fired electric generating facility that has applied for or obtained a permit under Section 39.264, Utilities Code; or

(2) an electric generating facility exempted from permitting under Section 39.264(d), Utilities Code.

(b) A coal-fired electric generating facility that is required to obtain a permit under Section 39.264, Utilities Code:

(1) shall be considered permitted under this section with respect to nitrogen oxides, sulphur dioxide, and, as provided by commission rules, for opacity if the facility has applied for or obtained a permit under Section 39.264, Utilities Code; and

(2) is not considered permitted for criteria pollutants not described by Subsection (b)(1).

(c) The commission shall issue a permit for a facility subject to Subsection (b) for criteria pollutants not covered by Subsection (b)(1) if the commission finds that the emissions from the facility will not contravene the intent of this chapter, including protection
of the public's health and physical property. Upon request by the applicant, the commission shall include a permit application under this subsection with the applicant's pending permit application under Section 39.264, Utilities Code.

(d) The owner or operator of an electric generating facility with a permit or an application pending under Section 39.264, Utilities Code, may apply for a permit under this section before September 1, 2002, for a facility located at the same site if the facility not permitted or without a pending application under Section 39.264, Utilities Code, is:

(1) a generator that does not generate electric energy for compensation and is used not more than 10 percent of the normal annual operating schedule; or

(2) an auxiliary fossil-fuel-fired combustion facility that does not generate electric energy and does not emit more than 100 tons of any air contaminant annually.

(e) Emissions from facilities permitted under Subsection (d) shall be included in the emission allowance trading program established under Section 39.264, Utilities Code. The commission may not issue new allowances based on a permit issued under this section.

(f) A person planning the modification of a facility previously permitted under this section must comply with Section 382.0518 before modifying.

(g) The commission may adopt rules as necessary to implement and administer this section.

(h) A permit application under this section is subject to notice and hearing requirements as provided by Section 382.05191.

(i) For the purposes of this section, a natural-gas-fired electric generating facility includes a facility that was designed to burn either natural gas or fuel oil of a grade approved by commission rule. The commission shall adopt rules regarding acceptable fuel oil grades.

Added by Acts 2001, 77th Leg., ch. 965, Sec. 5.03, eff. Sept. 1, 2001.

Sec. 382.05186. PIPELINE FACILITIES PERMITS. (a) This section applies only to reciprocating internal combustion engines that are part of processing, treating, compression, or pumping facilities
affected by Section 382.0518(g) connected to or part of a gathering or transmission pipeline. Pipeline facilities affected by Section 382.0518(g) other than reciprocating internal combustion engines may apply for an existing facility permit or other applicable permit under this chapter other than a pipeline facilities permit.

(b) The commission by rule shall:

(1) provide for the issuance of a single permit for all reciprocating internal combustion facilities connected to or part of a gathering or transmission pipeline;

(2) provide for a means for mandatory emissions reductions for facilities permitted under this section to be achieved:

(A) at one source; or

(B) by averaging reductions among more than one reciprocating internal combustion facility connected to or part of a gathering or transmission pipeline; and

(3) allow an owner or operator to apply for separate permits under this section for discrete and separate reciprocating internal combustion facilities connected to or part of a gathering or transmission pipeline.

(c) If the mandatory emissions reductions under this section are to be achieved by averaging reductions among more than one source connected to or part of a gathering or transmission pipeline, the average may not include emissions reductions achieved in order to comply with other state or federal law.

(d) If the mandatory emissions reductions under this section are to be achieved at one source, the reduction may include emissions reductions achieved since January 1, 2001, in order to comply with other state or federal law.

(e) The commission shall grant a permit under this section for a facility or facilities located in the East Texas region if, from information available to the commission, the commission finds that the conditions of the permit will require a 50 percent reduction of the hourly emissions rate of nitrogen oxides, expressed in terms of grams per brake horsepower-hour. The commission may also require a 50 percent reduction of the hourly emissions rate of volatile organic compounds, expressed in terms of grams per brake horsepower-hour.

(f) The commission shall grant a permit under this section for facilities located in the West Texas region if, from information available to the commission, the commission finds that the conditions of the permit will require up to a 20 percent reduction of the hourly
emissions rate of nitrogen oxides, expressed in terms of grams per brake horsepower-hour. The commission may also require up to a 20 percent reduction of the hourly emissions rate of volatile organic compounds, expressed in terms of grams per brake horsepower-hour.

(g) A permit application under this section is subject to notice and hearing requirements as provided by Section 382.05191.

(h) A person planning the modification of a facility previously permitted under this section must comply with Section 382.0518 before modifying.

(i) The commission may adopt rules as necessary to implement and administer this section.

(j) A reciprocating internal combustion engine that is subject to this section and to a mass emissions cap as established by commission rule is considered permitted under this section with respect to all air contaminants if the facility is:

(1) located in an area designated nonattainment for an ozone national ambient air quality standard; and

(2) achieving compliance with all state and federal requirements designated for that area.

Sec. 382.051865. STATIONARY NATURAL GAS ENGINES USED IN COMBINED HEATING AND POWER SYSTEM. (a) In this section, "natural gas engine" includes a natural gas internal combustion engine, natural gas stationary internal combustion reciprocating engine, and natural gas turbine. The term does not include a natural gas engine that powers a motor vehicle as defined by Section 382.003(9-a), Health and Safety Code.

(b) This section applies only to a stationary natural gas engine used in a combined heating and power system.

(c) The commission shall issue a standard permit or permit by rule for stationary natural gas engines used in a combined heating and power system that establishes emission limits for air contaminants released by the engines.

(d) The commission in adopting a standard permit or permit by rule under this section may consider:
(1) the geographic location in which a stationary natural gas engine may be used, including the proximity to an area designated as a nonattainment area;
(2) the total annual operating hours of a stationary natural gas engine;
(3) the technology used by a stationary natural gas engine;
(4) the types of fuel used to power a stationary natural gas engine; and
(5) other emission control policies of the state.

(e) The commission in adopting a standard permit or permit by rule under this section may not distinguish between the end-use functions powered by a stationary natural gas engine.

(f) The commission must provide for the emission limits for stationary natural gas engines subject to this section to be measured in terms of air contaminant emissions per unit of total energy output. The commission shall consider both the primary and secondary functions when determining the engine's emissions per unit of energy output.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1175 (H.B. 3268), Sec. 1, eff. June 17, 2011.

Sec. 382.051866. EMISSIONS REDUCTIONS INCENTIVES ACCOUNT. (a) In this section, "affiliate" means a person that directly or indirectly controls, is controlled by, or is under common control with another person.

(b) The comptroller of public accounts shall establish an account within the clean air account to be known as the emissions reductions incentives account.

(c) The emissions reductions incentives account consists of money from:

(1) gifts, grants, or donations to the account for a designated or general use;
(2) money from any other source the legislature designates; and
(3) the interest earned on money in the emissions reductions incentives account.

(d) Money in the emissions reductions incentives account may be appropriated only to pay for emissions reduction project incentives.
under a program developed under Section 382.051867 and administrative expenses associated with providing the incentives or the incentive program established under that section.

(f) The emissions reductions incentives account is exempt from the application of Section 403.095, Government Code.

Added by Acts 2003, 78th Leg., ch. 1023, Sec. 2, eff. June 20, 2003. Amended by:

Sec. 382.0519. VOLUNTARY EMISSIONS REDUCTION PERMIT. (a) Before September 1, 2001, the owner or operator of an existing, unpermitted facility not subject to the requirement to obtain a permit under Section 382.0518(g) may apply for a permit to operate that facility under this section.

(b) The commission shall grant within a reasonable time a permit under this section if, from the information available to the commission, including information presented at any public hearing or through written comment:

(1) the commission finds that the facility will use an air pollution control method at least as beneficial as that described in Section 382.003(9)(E)(ii), considering the age and remaining useful life of the facility, except as provided by Subdivision (2); or

(2) for a facility located in a near-nonattainment or nonattainment area for a national ambient air quality standard, the commission finds that the facility will use the more stringent of:

   (A) a control method at least as beneficial as that described in Section 382.003(9)(E)(ii), considering the age and remaining useful life of the facility; or

   (B) a control technology that the commission finds is demonstrated to be generally achievable for facilities in that area of the same type that are permitted under this section, considering the age and remaining useful life of the facility.

(c) If the commission finds that the emissions from the
facility will contravene the standards under Subsection (b) or the intent of this chapter, including protection of the public's health and physical property, the commission may not grant the permit under this section.

(d) A person planning the modification of a facility previously permitted under this section must comply with Section 382.0518 before work is begun on the construction of the modification.

(e) A permit issued by the commission under this section may defer the implementation of the requirement of reductions in the emissions of certain air contaminants only if the applicant will make substantial emissions reductions in other specific air contaminants. The deferral shall be based on a prioritization of air contaminants by the commission as necessary to meet local, regional, and statewide air quality needs.

(f) The commission shall give priority to the processing of applications for the issuance, amendment, or renewal of a permit for those facilities authorized under Section 382.0518(g) that are located less than two miles from the outer perimeter of a school, child day-care facility, hospital, or nursing home.

Sec. 382.05191. EMISSIONS REDUCTION PERMITS: NOTICE AND HEARING. (a) An applicant for a permit under Section 382.05183, 382.05185(c) or (d), 382.05186, or 382.0519 shall publish notice of intent to obtain the permit in accordance with Section 382.056.

(b) The commission may authorize an applicant for a permit for a facility that constitutes or is part of a small business stationary source as defined in Section 5.135, Water Code, to provide notice using an alternative means if the commission finds that the proposed method will result in equal or better communication with the public, considering the effectiveness of the notice in reaching potentially affected persons, cost, and consistency with federal requirements.

(c) The commission shall provide an opportunity for a public hearing and the submission of public comment and send notice of a decision on an application for a permit under Section 382.05183, 382.05185(c) or (d), 382.05186, or 382.0519 in the same manner as provided by Sections 382.0561 and 382.0562.

(d) A person affected by a decision of the commission to issue
or deny a permit under Section 382.05183, 382.05185(c) or (d), or 382.05186 may move for rehearing and is entitled to judicial review under Section 382.032.

Amended by:
    Acts 2005, 79th Leg., Ch. 728 (H.B. 2018), Sec. 9.0035(c), eff. September 1, 2005.

Sec. 382.05192. REVIEW AND RENEWAL OF EMISSIONS REDUCTION AND MULTIPLE PLANT PERMITS. Review and renewal of a permit issued under Section 382.05183, 382.05185(c) or (d), 382.05186, 382.0519, or 382.05194 shall be conducted in accordance with Section 382.055.

Sec. 382.05193. EMISSIONS PERMITS THROUGH EMISSIONS REDUCTION. (a) The commission may issue a permit under Section 382.0519 for a facility:
    (1) that makes a good faith effort to make equipment improvements and emissions reductions necessary to meet the requirements of that section;
    (2) that, in spite of the effort, cannot reduce the facility's emissions to the degree necessary for the issuance of the permit; and
    (3) the owner or operator of which acquires a sufficient number of emissions reduction credits to offset the facility's excessive emissions under the program established under Subsection (b).

(b) The commission by rule shall establish a program to grant emissions reduction credits to a facility if the owner or operator conducts an emissions reduction project to offset the facility's excessive emissions. To be eligible for a credit to offset a facility's emissions, the emissions reduction project must reduce emissions in the airshed, as defined by commission rule, in which the
facility is located.

(c) The commission by rule shall provide that an emissions reduction project must reduce net emissions from one or more sources in this state in an amount and type sufficient to prevent air pollution to a degree comparable to the amount of the reduction in the facility's emissions that would be necessary to meet the permit requirement. Qualifying emissions reduction projects must include:

1. generation of electric energy by a low-emission method, including:
   (A) wind power;
   (B) biomass gasification power; and
   (C) solar power;
2. the purchase and destruction of high-emission automobiles or other mobile sources;
3. the reduction of emissions from a permitted facility that emits air contaminants to a level significantly below the levels necessary to comply with the facility's permit;
4. a carpooling or alternative transportation program for the owner's or operator's employees;
5. a telecommuting program for the owner's or operator's employees; and
6. conversion of a motor vehicle fleet operated by the owner or operator to a low-sulphur fuel or an alternative fuel approved by the commission.

(d) A permit issued under Section 382.0519 for a facility participating in the program established under this section must be conditioned on the successful and timely completion of the project or projects for which the facility owner or operator acquires the credits.

(e) To renew the permit of a facility permitted under Section 382.0519 with credits acquired under the program established under this section, the commission shall require the owner or operator of the facility to have:

1. made equipment improvements and emissions reductions necessary to meet the permit requirements under that section for a new permit; or
2. acquired additional credits under the program as necessary to meet the permit requirements under that section for a new permit.

(f) Emissions reduction credits acquired under the program
established under this section are not transferrable.

Sec. 382.05194. MULTIPLE PLANT PERMIT. (a) The commission may issue a multiple plant permit for multiple plant sites that are owned or operated by the same person or persons under common control if the commission finds that:

(1) the aggregate rate of emission of air contaminants to be authorized under the permit does not exceed the total of:

   (A) for previously permitted facilities, the rates authorized in the existing permits; and
   
   (B) for existing unpermitted facilities not subject to the requirement to obtain a preconstruction authorization under Section 382.0518(g) or for facilities authorized under Section 382.0519, the rates that would be authorized under Section 382.0519; and

(2) there is no indication that the emissions from the facilities will contravene the intent of this chapter, including protection of the public's health and physical property.

(b) A permit issued under this section may not authorize emissions from any of the facilities authorized under the permit that exceed the facility's highest historic annual rate or the levels authorized in the facility's most recent permit. In the absence of records extending back to the original construction of the facility, best engineering judgment shall be used to demonstrate the facility's highest historic annual rate to the commission.

(c) Emissions control equipment previously installed at a facility permitted under this section may not be removed or disabled unless the action is undertaken to maintain or upgrade the control equipment or to otherwise reduce the impact of emissions authorized by the commission.

(d) The commission by rule shall establish the procedures for application and approval for the use of a multiple plant permit.

(e) For a multiple plant permit that applies only to existing facilities for which an application is filed before September 1, 2001, the issuance, amendment, or revocation by the commission of the permit is not subject to Chapter 2001, Government Code.

(f) The commission may adopt rules as necessary to implement
Sec. 382.05195. STANDARD PERMIT. (a) The commission may issue a standard permit for new or existing similar facilities if the commission finds that:

(1) the standard permit is enforceable;
(2) the commission can adequately monitor compliance with the terms of the standard permit; and
(3) for permit applications for facilities subject to Sections 382.0518(a)-(d) filed before September 1, 2001, the facilities will use control technology at least as effective as that described in Section 382.0518(b). For permit applications filed after August 31, 2001, all facilities permitted under this section will use control technology at least as effective as that described in Section 382.0518(b).

(b) The commission shall publish notice of a proposed standard permit in the Texas Register and in one or more statewide or regional newspapers designated by the commission by rule that will, in the commission's judgment, provide reasonable notice throughout the state. If the standard permit will be effective for only part of the state, the notice shall be published in a newspaper of general circulation in the area to be affected. The commission by rule may require additional notice to be given. The notice must include an invitation for written comments by the public to the commission regarding the proposed standard permit and must be published not later than the 30th day before the date the commission issues the standard permit.

(c) The commission shall hold a public meeting to provide an additional opportunity for public comment. The commission shall give notice of a public meeting under this subsection as part of the notice described in Subsection (b) not later than the 30th day before the date of the meeting.

(d) If the commission receives public comment related to the issuance of a standard permit, the commission shall issue a written
response to the comments at the same time the commission issues or denies the permit. The response must be made available to the public, and the commission shall mail the response to each person who made a comment.

(e) The commission by rule shall establish procedures for the amendment of a standard permit and for an application for, the issuance of, the renewal of, and the revocation of an authorization to use a standard permit.

(f) A facility authorized to emit air contaminants under a standard permit shall comply with an amendment to the standard permit beginning on the date the facility's authorization to use the standard permit is renewed or the date the commission otherwise provides. Before the date the facility is required to comply with the amendment, the standard permit, as it read before the amendment, applies to the facility.

(g) The adoption or amendment of a standard permit or the issuance, renewal, or revocation of an authorization to use a standard permit is not subject to Chapter 2001, Government Code.

(h) The commission may adopt rules as necessary to implement and administer this section.

(i) The commission may delegate to the executive director the authority to issue, amend, renew, or revoke an authorization to use a standard permit.

(j) If a standard permit for a facility requires a distance, setback, or buffer from other property or structures as a condition of the permit, the determination of whether the distance, setback, or buffer is satisfied shall be made on the basis of conditions existing at the earlier of:

(1) the date new construction, expansion, or modification of a facility begins; or

(2) the date any application or notice of intent is first filed with the commission to obtain approval for the construction or operation of the facility.

Added by Acts 1999, 76th Leg., ch. 406, Sec. 5, eff. Aug. 30, 1999. Amended by:

 Acts 2005, 79th Leg., Ch. 422 (S.B. 1740), Sec. 2, eff. September 1, 2005.
Sec. 382.05196. PERMITS BY RULE. (a) Consistent with Section 382.051, the commission may adopt permits by rule for certain types of facilities if it is found on investigation that the types of facilities will not make a significant contribution of air contaminants to the atmosphere. The commission may not adopt a permit by rule authorizing any facility defined as "major" under any applicable preconstruction permitting requirements of the federal Clean Air Act (42 U.S.C. Section 7401 et seq.) or regulations adopted under that Act. Nothing in this subsection shall be construed to limit the commission's general power to control the state's air quality under Section 382.011(a).

(b) The commission by rule shall specifically define the terms and conditions for a permit by rule under this section.

Sec. 382.051961. PERMIT FOR CERTAIN OIL AND GAS FACILITIES. (a) This section applies only to new facilities or modifications of existing facilities that belong to Standard Industrial Classification Codes 1311 (Crude Petroleum and Natural Gas), 1321 (Natural Gas Liquids), 4612 (Crude Petroleum Pipelines), 4613 (Refined Petroleum Pipelines), 4922 (Natural Gas Transmission), and 4923 (Natural Gas Transmission and Distribution).

(b) The commission may not adopt a new permit by rule or a new standard permit or amend an existing permit by rule or an existing standard permit relating to a facility to which this section applies unless the commission:

(1) conducts a regulatory analysis as provided by Section 2001.0225, Government Code;

(2) determines, based on the evaluation of credible air quality monitoring data, that the emissions limits or other emissions-related requirements of the permit are necessary to ensure that the intent of this chapter is not contravened, including the protection of the public's health and physical property;

(3) establishes any required emissions limits or other emissions-related requirements based on:

(A) the evaluation of credible air quality monitoring data; and

(B) credible air quality modeling that is not based on
the worst-case scenario of emissions or other worst-case modeling scenarios unless the actual air quality monitoring data and evaluation of that data indicate that the worst-case scenario of emissions or other worst-case modeling scenarios yield modeling results that reflect the actual air quality monitoring data and evaluation; and

(4) considers whether the requirements of the permit should be imposed only on facilities that are located in a particular geographic region of the state.

(c) The air quality monitoring data and the evaluation of that data under Subsection (b):

(1) must be relevant and technically and scientifically credible, as determined by the commission; and

(2) may be generated by an ambient air quality monitoring program conducted by or on behalf of the commission in any part of the state or by another governmental entity of this state, a local or federal governmental entity, or a private organization.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1080 (S.B. 1134), Sec. 1, eff. June 17, 2011.

Sec. 382.051962. AUTHORIZATION FOR PLANNED MAINTENANCE, START-UP, OR SHUTDOWN ACTIVITIES RELATING TO CERTAIN OIL AND GAS FACILITIES. (a) In this section, "planned maintenance, start-up, or shutdown activity" means an activity with emissions or opacity that:

(1) is not expressly authorized by commission permit, rule, or order and involves the maintenance, start-up, or shutdown of a facility;

(2) is part of normal or routine facility operations;

(3) is predictable as to timing; and

(4) involves the type of emissions normally authorized by permit.

(b) The commission may adopt one or more permits by rule or one or more standard permits and may amend one or more existing permits by rule or standard permits to authorize planned maintenance, start-up, or shutdown activities for facilities described by Section 382.051961(a). The adoption or amendment of a permit under this subsection must comply with Section 382.051961(b).

(c) An unauthorized emission or opacity event from a planned
maintenance, start-up, or shutdown activity is subject to an affirmative defense as established by commission rules as those rules exist on the effective date of this section if:

1. the emission or opacity event occurs at a facility described by Section 382.051961(a);
2. an application or registration to authorize the planned maintenance, start-up, or shutdown activities of the facility is submitted to the commission on or before the earlier of:
   A. January 5, 2014; or
   B. the 120th day after the effective date of a new or amended permit adopted by the commission under Subsection (b); and
3. the affirmative defense criteria in the rules are met.

(d) The affirmative defense described by Subsection (c) is not available for a facility on or after the date that an application or registration to authorize the planned maintenance, start-up, or shutdown activities of the facility is approved, denied, or voided.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1080 (S.B. 1134), Sec. 1, eff. June 17, 2011.

Sec. 382.051963. AMENDMENT OF CERTAIN PERMITS. (a) A permit by rule or standard permit that has been adopted by the commission under this subchapter and is in effect on the effective date of this section may be amended to require:

1. the permit holder to provide to the commission information about a facility authorized by the permit, including the location of the facility; and
2. any facility handling sour gas to be a minimum distance from a recreational area, a residence, or another structure not occupied or used solely by the operator of the facility or by the owner of the property upon which the facility is located.

(b) The amendment of a permit under this section is not subject to Section 382.051961(b).

Added by Acts 2011, 82nd Leg., R.S., Ch. 1080 (S.B. 1134), Sec. 1, eff. June 17, 2011.

Sec. 382.051964. AGGREGATION OF FACILITIES. Notwithstanding any other provision of this chapter, the commission may not aggregate
a facility that belongs to a Standard Industrial Classification code identified by Section 382.051961(a) with another facility that belongs to a Standard Industrial Classification code identified by that section for purposes of consideration as an oil and gas site, a stationary source, or another single source in a permit by rule or a standard permit unless the facilities being aggregated:
(1) are under the control of the same person or are under the control of persons under common control;
(2) belong to the same first two-digit major grouping of Standard Industrial Classification codes;
(3) are operationally dependant; and
(4) are located not more than one-quarter mile from a condensate tank, oil tank, produced water storage tank, or combustion facility that:
   (A) is under the control of the same person who controls the facilities being aggregated or is under the control of persons under common control;
   (B) belongs to the same first two-digit major grouping of Standard Industrial Classification codes as the facilities being aggregated; and
   (C) is operationally dependant on the facilities being aggregated.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1080 (S.B. 1134), Sec. 1, eff. June 17, 2011.

Sec. 382.05197. MULTIPLE PLANT PERMIT: NOTICE AND HEARING.
(a) An applicant for a permit under Section 382.05194 shall publish notice of intent to obtain the permit in accordance with Section 382.056, except that the notice of a proposed multiple plant permit for existing facilities shall be published in one or more statewide or regional newspapers that provide reasonable notice throughout the state. If the multiple plant permit for existing facilities will be effective for only part of the state, the notice shall be published in a newspaper of general circulation in the area to be affected. The commission by rule may require that additional notice be given.
(b) The commission may authorize an applicant for a permit for an existing facility that constitutes or is part of a small business stationary source as defined in Section 5.135, Water Code, to provide
notice using an alternative means if the commission finds that the proposed method will result in equal or better communication with the public, considering the effectiveness of the notice in reaching potentially affected persons, the cost, and the consistency with federal requirements.

(c) The commission shall provide an opportunity for a public hearing and the submission of public comment and send notice of a decision on an application for a permit under Section 382.05194 in the same manner as provided by Sections 382.0561 and 382.0562.

(d) A person affected by a decision of the commission to issue or deny a multiple plant permit may move for rehearing and is entitled to judicial review under Section 382.032.

Added by Acts 2001, 77th Leg., ch. 935, Sec. 2, eff. June 14, 2001. Amended by:
Acts 2005, 79th Leg., Ch. 728 (H.B. 2018), Sec. 9.0035(d), eff. September 1, 2005.

Sec. 382.05198. STANDARD PERMIT FOR CERTAIN CONCRETE PLANTS.
(a) The commission shall issue a standard permit for a permanent concrete plant that performs wet batching, dry batching, or central mixing and that meets the following requirements:

(1) production records must be maintained on site while the plant is in operation until the second anniversary of the end of the period to which they relate;

(2) each cement or fly ash storage silo and weigh hopper must be equipped with a fabric or cartridge filter or vented to a fabric or cartridge filter system;

(3) each fabric or cartridge filter, fabric or cartridge filter system, and suction shroud must be maintained and operated properly with no tears or leaks;

(4) excluding the suction shroud filter system, each filter system must be designed to meet a standard of at least 0.01 outlet grain loading as measured in grains per dry standard cubic foot;

(5) each filter system and each mixer loading and batch truck loading emissions control device must meet a performance standard of no visible emissions exceeding 30 seconds in a five-minute period as determined using United States Environmental Protection Agency Test Method 22 as that method existed on September
(6) if a cement or fly ash silo is filled during nondaylight hours, the silo filter system exhaust must be sufficiently illuminated to enable a determination of compliance with the performance standard described by Subdivision (5);

(7) the conveying system for the transfer of cement or fly ash to and from each storage silo must be totally enclosed, operate properly, and be maintained without any tears or leaks;

(8) except during cement or fly ash tanker connection or disconnection, each conveying system for the transfer of cement or fly ash must meet the performance standard described by Subdivision (5);

(9) a warning device must be installed on each bulk storage silo to alert the operator in sufficient time for the operator to stop loading operations before the silo is filled to a level that may adversely affect the pollution abatement equipment;

(10) if filling a silo results in failure of the pollution abatement system or failure to meet the performance standard described by Subdivision (5), the failure must be documented and reported to the commission;

(11) each road, parking lot, or other area at the plant site that is used by vehicles must be paved with a cohesive hard surface that is properly maintained, cleaned, and watered so as to minimize dust emissions;

(12) each stockpile must be sprinkled with water or dust-suppressant chemicals or covered so as to minimize dust emissions;

(13) material used in the batch that is spilled must be immediately cleaned up and contained or dampened so as to minimize dust emissions;

(14) production of concrete at the plant must not exceed 300 cubic yards per hour;

(15) a suction shroud or other pickup device must be installed at the batch drop point or, in the case of a central mix plant, at the drum feed and vented to a fabric or cartridge filter system with a minimum capacity of 5,000 cubic feet per minute of air;

(16) the bag filter and capture system must be properly designed to accommodate the increased flow from the suction shroud and achieve a control efficiency of at least 99.5 percent;

(17) the suction shroud baghouse exhaust must be located more than 100 feet from any property line;
(18) stationary equipment, stockpiles, and vehicles used at the plant, except for incidental traffic and vehicles as they enter and exit the site, must be located or operated more than 100 feet from any property line; and

(19) the central baghouse must be located at least 440 yards from any building used as a single or multifamily residence, school, or place of worship at the time the application to use the permit is filed with the commission if the plant is located in an area that is not subject to municipal zoning regulation.

(b) Notwithstanding Subsection (a)(18), the commission shall issue a standard permit for a permanent concrete plant that performs wet batching, dry batching, or central mixing and does not meet the requirements of that subdivision if the plant meets the other requirements of Subsection (a) and:

(1) each road, parking lot, and other traffic area located within the distance of a property line provided by Subsection (a)(18) is bordered by dust-suppressing fencing or another barrier at least 12 feet high; and

(2) each stockpile located within the applicable distance of a property line is contained within a three-walled bunker that extends at least two feet above the top of the stockpile.

382.0518.

(b) An applicant for an authorization to use a standard permit under Section 382.05198 must publish notice under this section not later than the earlier of:

1. the 30th day after the date the applicant receives written notice from the executive director that the application is technically complete; or
2. the 75th day after the date the executive director receives the application.

(c) The applicant must publish notice at least once in a newspaper of general circulation in the municipality in which the plant is proposed to be located or in the municipality nearest to the proposed location of the plant. If the elementary or middle school nearest to the proposed plant provides a bilingual education program as required by Subchapter B, Chapter 29, Education Code, the applicant must also publish the notice at least once in an additional publication of general circulation in the municipality or county in which the plant is proposed to be located that is published in the language taught in the bilingual education program. This requirement is waived if such a publication does not exist or if the publisher refuses to publish the notice.

(d) The notice must include:

1. a brief description of the proposed location and nature of the proposed plant;
2. a description, including a telephone number, of the manner in which the executive director may be contacted for further information;
3. a description, including a telephone number, of the manner in which the applicant may be contacted for further information;
4. the location and hours of operation of the commission's regional office at which a copy of the application is available for review and copying; and
5. a brief description of the public comment process, including the time and location of the public hearing, and the mailing address and deadline for filing written comments.

(e) The public comment period begins on the first date notice is published under Subsection (b) and extends to the close of the public hearing.

(f) Section 382.056 of this code and Chapter 2001, Government
Code, do not apply to a public hearing held under this section. A public hearing held under this section is not an evidentiary proceeding. Any person may submit an oral or written statement concerning the application at the public hearing. The applicant may set reasonable limits on the time allowed for oral statements at the public hearing.

(g) The applicant, in cooperation with the executive director, must hold the public hearing not less than 30 days and not more than 45 days after the first date notice is published under Subsection (b). The public hearing must be held in the county in which the plant is proposed to be located.

(h) Not later than the 35th day after the date the public hearing is held, the executive director shall approve or deny the application for authorization to use the standard permit. The executive director shall base the decision on whether the application meets the requirements of Section 382.05198. The executive director shall consider all comments received during the public comment period and at the public hearing in determining whether to approve the application. If the executive director denies the application, the executive director shall state the reasons for the denial and any modifications to the application that are necessary for the proposed plant to qualify for the authorization.

(i) The executive director shall issue a written response to any public comments received related to the issuance of an authorization to use the standard permit at the same time as or as soon as practicable after the executive director grants or denies the application. Issuance of the response after the granting or denial of the application does not affect the validity of the executive director's decision to grant or deny the application. The executive director shall:

(1) mail the response to each person who filed a comment; and

(2) make the response available to the public.

Sec. 382.052. PERMIT TO CONSTRUCT OR MODIFY FACILITY WITHIN 3,000 FEET OF SCHOOL. In considering the issuance of a permit to construct or modify a facility within 3,000 feet of an elementary,
junior high, or senior high school, the commission shall consider possible adverse short-term or long-term side effects of air contaminants or nuisance odors from the facility on the individuals attending the school facilities.

Sec. 382.053. PROHIBITION ON ISSUANCE OF CONSTRUCTION PERMIT FOR LEAD SMELTING PLANT AT CERTAIN LOCATIONS. (a) The commission may not grant a construction permit for a lead smelting plant at a site:

(1) located within 3,000 feet of an individual's residence; and

(2) at which lead smelting operations have not been conducted before August 31, 1987.

(b) This section does not apply to:

(1) a modification of a lead smelting plant in operation on August 31, 1987;

(2) a lead smelting plant or modification of a plant with the capacity to produce not more than 200 pounds of lead each hour; or

(3) a lead smelting plant that, when the plant began operation, was located more than 3,000 feet from the nearest residence.

(c) In this section, "lead smelting plant" means a facility operated as a smeltery for processing lead.

Sec. 382.054. FEDERAL OPERATING PERMIT. Subject to Section 382.0511(c), a person may not operate a federal source unless the person has obtained a federal operating permit from the commission under Section 382.0541, 382.0542, or 382.0543.

Sec. 382.0541. ADMINISTRATION AND ENFORCEMENT OF FEDERAL OPERATING PERMIT. (a) The commission may:
(1) require a federal source to obtain a permit under the federal Clean Air Act (42 U.S.C. Section 7401 et seq.);
(2) require an existing facility or source to use, at a minimum, any applicable maximum achievable control technology required by the commission or by the United States Environmental Protection Agency;
(3) require facilities or federal sources that are new or modified and are subject to Section 112(g) of the federal Clean Air Act (42 U.S.C. Section 7412) to use, at a minimum, the more stringent of:
   (A) the best available control technology, considering the technical practicability and economic reasonableness of reducing or eliminating emissions from the proposed facility or federal source; or
   (B) any applicable maximum achievable control technology (MACT), including any MACT developed pursuant to Section 112(g) of the federal Clean Air Act (42 U.S.C. Section 7412);
(4) establish maximum achievable control technology requirements in accordance with Section 112(j) of the federal Clean Air Act (42 U.S.C. Section 7412);
(5) issue initial permits with terms not to exceed five years for federal sources under Title V of the federal Clean Air Act, with terms not to exceed five years for all subsequently issued or renewed permits;
(6) administer the use of emissions allowances under Section 408 of the federal Clean Air Act (42 U.S.C. Section 7651g);
(7) reopen and revise an affected federal operating permit if:
   (A) the permit has a term of three years or more remaining in order to incorporate requirements under the federal Clean Air Act (42 U.S.C. Section 7401 et seq.) adopted after the permit is issued;
   (B) additional requirements become applicable to an affected source under the acid rain program;
   (C) the federal operating permit contains a material
mistake;

(D) inaccurate statements were made in establishing the
emissions standards or other terms or conditions of the federal
operating permit; or

(E) a determination is made that the permit must be
reopened and revised to assure compliance with applicable
requirements;

(8) incorporate a federal implementation plan as a
condition of a permit issued by the commission;

(9) exempt federal sources from the obligation to obtain a
federal operating permit;

(10) provide that all representations in an application for
a permit under Title IV of the federal Clean Air Act (42 U.S.C.
Sections 7651-7651o) are binding on the applicant until issuance or
denial of the permit;

(11) provide that all terms and conditions of any federal
operating permit required under Title IV of the federal Clean Air Act
(42 U.S.C. Sections 7651-7651o) shall be a complete and segregable
section of the federal operating permit; and

(12) issue initial permits with fixed terms of five years
for federal sources under Title IV of the federal Clean Air Act (42
U.S.C. Sections 7651-7651o) with fixed five-year terms for all
subsequently issued or renewed permits.

(b) The commission by rule shall provide for objection by the
administrator to the issuance of any operating or general permit
subject to Title V of the federal Clean Air Act (42 U.S.C. Sections
7661-7661f) and shall authorize the administrator to revoke and
reissue, terminate, reopen, or modify a federal operating permit.

(c) This section does not affect the permit requirements of
Section 382.0518, except that the commission may consolidate with an
existing permit issued under this section a permit required by
Section 382.0518.

(d) The commission promptly shall provide to the applicant
notice of whether the application is complete. Unless the commission
requests additional information or otherwise notifies the applicant
that the application is incomplete before the 61st day after the
commission receives an application, the application shall be deemed
complete.

(e) Subsections (a)(3) and (4) do not prohibit the
applicability of at least the best available control technology to a
new or modified facility or federal source under Section 382.0518(b)(1).

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 3, Sec. 2.10. Amended by Acts 1993, 73rd Leg., ch. 485, Sec. 11, eff. June 9, 1993; Acts 1995, 74th Leg., ch. 76, Sec. 11.166, eff. Sept. 1, 1995.

Sec. 382.0542. ISSUANCE OF FEDERAL OPERATING PERMIT; APPEAL OF DELAY. (a) A federal source is eligible for a permit required by Section 382.054 if from the information available to the commission, including information presented at a hearing held under Section 382.0561, the commission finds that:

(1) the federal source will use, at a minimum, any applicable maximum achievable control technology required by the commission or by the United States Environmental Protection Agency;

(2) for a federal source that is new or modified and subject to Section 112(g) of the federal Clean Air Act (42 U.S.C. Section 7412), the federal source will use, at a minimum, the more stringent of:

(A) the best available control technology, considering the technical practicability and economic reasonableness of reducing or eliminating the emissions from the proposed federal source; or

(B) any applicable maximum achievable control technology required by the commission or by the United States Environmental Protection Agency; and

(3) the federal source will comply with the following requirements, if applicable:

(A) Title V of the federal Clean Air Act (42 U.S.C. Sections 7661-7661f) and the regulations adopted under that title;

(B) each standard or other requirement provided for in the applicable implementation plan approved or adopted by rule of the United States Environmental Protection Agency under Title I of the federal Clean Air Act (42 U.S.C. Sections 7401-7515) that implements the relevant requirements of that Act, including any revisions to the plan;

(C) each term or condition of a preconstruction permit issued by the commission or the United States Environmental Protection Agency in accordance with rules adopted by the commission or the United States Environmental Protection Agency under Part C or Part D of Title I of the federal Clean Air Act (42 U.S.C. Sections 7401-7515).
D, Title I of the federal Clean Air Act (42 U.S.C. 7401-7515);

(D) each standard or other requirement established
under Section 111 of the federal Clean Air Act (42 U.S.C. Section
7411), including Subsection (d) of that section;

(E) each standard or other requirement established
under Section 112 of the federal Clean Air Act (42 U.S.C. Section
7412) including any requirement concerning accident prevention under
Subsection (r)(7) of that section;

(F) each standard or other requirement of the acid rain
program established under Title IV of the federal Clean Air Act (42
U.S.C. Sections 7651-7651o) or the regulations adopted under that
title;

(G) each requirement established under Section 504(b)
or Section 114(a)(3) of the federal Clean Air Act (42 U.S.C. Section
7661c or 7414);

(H) each standard or other requirement governing solid
waste incineration established under Section 129 of the federal Clean
Air Act (42 U.S.C. Section 7429);

(I) each standard or other requirement for consumer and
commercial products established under Section 183(e) of the federal
Clean Air Act (42 U.S.C. Section 7511b);

(J) each standard or other requirement for tank vessels
established under Section 183(f) of the federal Clean Air Act (42
U.S.C. Section 7511b);

(K) each standard or other requirement of the program
to control air pollution from outer continental shelf sources
established under Section 328 of the federal Clean Air Act (42 U.S.C.
Section 7627);

(L) each standard or other requirement of regulations
adopted to protect stratospheric ozone under Title VI of the federal
Clean Air Act (42 U.S.C. Sections 7671-7671q) unless the
administrator has determined that the standard or requirement does
not need to be contained in a Title V permit; and

(M) each national ambient air quality standard or
increment or visibility requirement under Part C of Title I of the
federal Clean Air Act (42 U.S.C. Sections 7470-7492), but only as the
standard, increment, or requirement would apply to a temporary source
permitted under Section 504(e) of the federal Clean Air Act (42
U.S.C. Section 7661c).

(b) The commission shall:
(1) take final action on an application for a permit, permit revision, or permit renewal within 18 months after the date on which the commission receives an administratively complete application;

(2) under an interim program, for those federal sources for which initial applications are required to be filed not later than one year after the effective date of the interim program, take final action on at least one-third of those applications annually over a period not to exceed three years after the effective date of the interim program;

(3) under the fully approved program, for those federal sources for which initial applications are required to be filed not later than one year after the effective date of the fully approved program, take final action on at least one-third of those applications annually over a period not to exceed three years after the effective date of the program; and

(4) take final action on a permit reopening not later than 18 months after the adoption of the requirement that prompted the reopening.

(c) If the commission fails to take final action as required by Subsection (b)(1) or (4), a person affected by the commission's failure to act may obtain judicial review under Section 382.032 at any time before the commission takes final action. A reviewing court may order the commission to act on the application without additional delay if it finds that the commission's failure to act is arbitrary or unreasonable.

(d) Subsection (a)(2) does not prohibit the applicability of at least the best available control technology to a new or modified facility or federal source under Section 382.0518(b)(1).

whether the authority to operate should be renewed.

(b) The commission by rule shall establish:

(1) the procedures for notifying a permit holder that the permit is scheduled for review in accordance with this section;
(2) a deadline by which the holder of a permit must submit an application for renewal of the permit that is between the date six months before expiration of the permit and the date 18 months before expiration of the permit;
(3) the general requirements for an application; and
(4) the procedures for reviewing and acting on a renewal application.

(c) The commission promptly shall provide to the applicant notice of whether the application is complete. Unless the commission requests additional information or otherwise notifies the applicant that the application is incomplete before the 61st day after the commission receives an application, the application shall be deemed complete.

(d) The commission shall take final action on a renewal application for a federal operating permit within 18 months after the date an application is determined to be administratively complete. If the commission does not act on an application for permit renewal within 18 months after the date on which the commission receives an administratively complete application, a person who participated in the public participation process or a person affected by the commission's failure to act may obtain judicial review under Section 382.032 at any time before the commission takes final action.

(e) In determining whether and under which conditions a permit should be renewed, the commission shall consider:

(1) all applicable requirements in Section 382.0542(a)(3); and
(2) whether the federal source is in compliance with this chapter and the terms of the existing permit.

(f) The commission shall impose as terms and conditions in a renewed federal operating permit any applicable requirements under Title V of the federal Clean Air Act (42 U.S.C. Sections 7661-7661f). The terms or conditions of the renewed permit must provide for compliance with any applicable requirement under Title V of the federal Clean Air Act (42 U.S.C. Sections 7661-7661f). The commission may not impose requirements less stringent than those of the existing permit unless the commission determines that a proposed
change will meet the requirements of Section 382.0541.

(g) If the applicant submits a timely and complete application for federal operating permit renewal, but the commission fails to issue or deny the renewal permit before the end of the term of the previous permit:

(1) all terms and conditions of the permit shall remain in effect until the renewal permit has been issued or denied; and

(2) the applicant may continue to operate until the permit renewal application is issued or denied, if the applicant submits additional information that is requested in writing by the commission that the commission needs to process the application on or before the time specified in writing by the commission.

(h) This section does not affect the commission's authority to begin an enforcement action under Sections 382.082-382.084.

Sec. 382.055. REVIEW AND RENEWAL OF PRECONSTRUCTION PERMIT.

(a) A preconstruction permit issued or renewed by the commission is subject to review to determine whether the authority to operate should be renewed according to the following schedule:

(1) a preconstruction permit issued before December 1, 1991, is subject to review not later than 15 years after the date of issuance;

(2) a preconstruction permit issued on or after December 1, 1991, is subject to review:

(A) every 10 years after the date of issuance; or

(B) on the filing of an application for an amendment to the permit, if:

(i) the applicant is subject to Section 382.056;

(ii) the application is filed with the commission not more than three years before the date the permit is scheduled to expire; and

(iii) the applicant does not object to having the permit subjected to review at that time; and

(3) for cause, a preconstruction permit issued on or after December 1, 1991, for a facility at a nonfederal source may contain a
provision requiring the permit to be renewed at a period of between five and 10 years.

(b) The commission by rule shall establish:

(1) a deadline by which the holder of a preconstruction permit must submit an application to renew the permit;

(2) the general requirements for an application for renewal of a preconstruction permit; and

(3) the procedures for reviewing and acting on renewal applications.

(c) Not less than 180 days before the date on which the renewal application is due, the commission shall provide written notice to the permit holder, by registered or certified mail, that the permit is scheduled for review in accordance with this section. The notice must include a description of the procedure for filing a renewal application and the information to be included in the application.

(d) In determining whether and under which conditions a preconstruction permit should be renewed, the commission shall consider, at a minimum:

(1) the performance of the owner or operator of the facility according to the method developed by the commission under Section 5.754, Water Code; and

(2) the condition and effectiveness of existing emission control equipment and practices.

(e) The commission shall impose as a condition for renewal of a preconstruction permit only those requirements the commission determines to be economically reasonable and technically practicable considering the age of the facility and the effect of its emissions on the surrounding area. The commission may not impose requirements more stringent than those of the existing permit unless the commission determines that the requirements are necessary to avoid a condition of air pollution or to ensure compliance with otherwise applicable federal or state air quality control requirements. The commission may not impose requirements less stringent than those of the existing permit unless the commission determines that a proposed change will meet the requirements of Sections 382.0518 and 382.0541.

(f) On or before the 180th day after the date on which an application for renewal is filed, the commission shall renew the permit or, if the commission determines that the facility will not meet the requirements for renewing the permit, shall:

(1) set out in a report to the applicant the basis for the
commission's determination; and
(2) establish a schedule, to which the applicant must adhere in meeting the commission's requirements, that:
(A) includes a final date for meeting the commission's requirements; and
(B) requires completion of that action as expeditiously as possible.

g) If the applicant meets the commission's requirements in accordance with the schedule, the commission shall renew the permit. If the applicant does not meet those requirements in accordance with the schedule, the applicant must show in a contested case proceeding why the permit should not expire immediately. The applicant's permit is effective until:
(1) the final date specified by the commission's report to the applicant;
(2) the existing permit is renewed; or
(3) the date specified by a commission order issued following a contested case proceeding held under this section.

h) If the holder of a preconstruction permit to whom the commission has mailed notice under this section does not apply for renewal of that permit by the date specified by the commission under this section, the permit shall expire at the end of the period described in Subsection (a).

(i) This section does not affect the commission's authority to begin an enforcement action under Sections 382.082-382.084.
a permit renewal review under Section 382.055 shall publish notice of intent to obtain the permit, permit amendment, or permit review not later than the 30th day after the date the commission determines the application to be administratively complete. The commission by rule shall require an applicant for a federal operating permit under Section 382.054 to publish notice of intent to obtain a permit, permit amendment, or permit review consistent with federal requirements and with the requirements of Subsection (b). The applicant shall publish the notice at least once in a newspaper of general circulation in the municipality in which the facility or federal source is located or is proposed to be located or in the municipality nearest to the location or proposed location of the facility or federal source. If the elementary or middle school nearest to the facility or proposed facility provides a bilingual education program as required by Subchapter B, Chapter 29, Education Code, the applicant shall also publish the notice at least once in an additional publication of general circulation in the municipality or county in which the facility is located or proposed to be located that is published in the language taught in the bilingual education program. This requirement is waived if such a publication does not exist or if the publisher refuses to publish the notice. The commission by rule shall prescribe the form and content of the notice and when notice must be published. The commission may require publication of additional notice. The commission by rule shall prescribe alternative procedures for publication of the notice in a newspaper if the applicant is a small business stationary source as defined by Section 5.135, Water Code, and will not have a significant effect on air quality. The alternative procedures must be cost-effective while ensuring adequate notice. Notice required to be published under this section shall only be required to be published in the United States.

(b) The notice must include:

(1) a description of the location or proposed location of the facility or federal source;
(2) the location at which a copy of the application is available for review and copying as provided by Subsection (d);
(3) a description, including a telephone number, of the manner in which the commission may be contacted for further information;
(4) a description, including a telephone number, of the
manner in which the applicant may be contacted for further information;

(5) a description of the procedural rights and obligations of the public, printed in a font style or size that clearly provides emphasis and distinguishes it from the remainder of the notice, that includes a statement that a person who may be affected by emissions of air contaminants from the facility, proposed facility, or federal source is entitled to request a hearing from the commission;

(6) a description of the procedure by which a person may be placed on a mailing list in order to receive additional information about the application;

(7) the time and location of any public meeting to be held under Subsection (e); and

(8) any other information the commission by rule requires.

(c) At the site of a facility, proposed facility, or federal source for which an applicant is required to publish notice under this section, the applicant shall place a sign declaring the filing of an application for a permit or permit review for a facility at the site and stating the manner in which the commission may be contacted for further information. The commission shall adopt any rule necessary to carry out this subsection.

(d) The applicant shall make a copy of the application available for review and copying at a public place in the county in which the facility or federal source is located or proposed to be located.

(e) The applicant, in cooperation with the executive director, may hold a public meeting in the county in which the facility or federal source is located or proposed to be located in order to inform the public about the application and obtain public input.

(f) The executive director shall conduct a technical review of and issue a preliminary decision on the application.

(g) If, in response to the notice published under Subsection (a) for a permit or permit amendment under Section 382.0518 or a permit renewal review under Section 382.055, a person requests during the period provided by commission rule that the commission hold a public hearing and the request is not withdrawn before the date the preliminary decision is issued, the applicant shall publish notice of the preliminary decision in a newspaper, and the commission shall seek public comment on the preliminary decision. The commission shall consider the request for public hearing under the procedures
provided by Subsections (i)-(n). The commission may not seek further public comment or hold a public hearing under the procedures provided by Subsections (i)-(n) in response to a request for a public hearing on an amendment, modification, or renewal that would not result in an increase in allowable emissions and would not result in the emission of an air contaminant not previously emitted.

(h) If, in response to the notice published under Subsection (a) for a permit under Section 382.054, a person requests during the public comment period provided by commission rule that the commission hold a public hearing, the commission shall consider the request under the procedures provided by Section 382.0561 and not under the procedures provided by Subsections (i)-(n).

(i) The commission by rule shall establish the form and content of the notice, the manner of publication, and the duration of the public comment period. The notice must include:

1. the information required by Subsection (b);
2. a summary of the preliminary decision;
3. the location at which a copy of the preliminary decision is available for review and copying as provided by Subsection (j);
4. a description of the manner in which comments regarding the preliminary decision may be submitted; and
5. any other information the commission by rule requires.

(j) The applicant shall make a copy of the preliminary decision available for review and copying at a public place in the county in which the facility is located or proposed to be located.

(k) During the public comment period, the executive director may hold one or more public meetings in the county in which the facility is located or proposed to be located. The executive director shall hold a public meeting:

1. on the request of a member of the legislature who represents the general area in which the facility is located or proposed to be located; or
2. if the executive director determines that there is substantial public interest in the proposed activity.

(k-1) A permit applicant or the applicant's designated representative is required to attend a public meeting held under this section and must make a reasonable effort to respond to questions relevant to the permit application at the meeting.

1. The executive director, in accordance with procedures
adopted by the commission by rule, shall file with the chief clerk of the commission a response to each relevant and material public comment on the preliminary decision filed during the public comment period.

(m) The chief clerk of the commission shall transmit the executive director's decision, the executive director's response to public comments, and instructions for requesting that the commission reconsider the executive director's decision or hold a contested case hearing to:

(1) the applicant;
(2) any person who submitted comments during the public comment period;
(3) any person who requested to be on the mailing list for the permit action; and
(4) any person who timely filed a request for a public hearing in response to the notice published under Subsection (a).

(n) Except as provided by Section 382.0561, the commission shall consider a request that the commission reconsider the executive director's decision or hold a public hearing in accordance with the procedures provided by Sections 5.556 and 5.557, Water Code.

(o) Notwithstanding other provisions of this chapter, the commission may hold a hearing on a permit amendment, modification, or renewal if the commission determines that the application involves a facility for which the applicant's compliance history is classified as unsatisfactory according to commission standards under Sections 5.753 and 5.754, Water Code, and rules adopted and procedures developed under those sections.

(p) The commission by rule shall provide for additional notice, opportunity for public comment, or opportunity for public hearing to the extent necessary to satisfy a requirement to obtain or maintain delegation or approval of a federal program.

(q) The department shall establish rules to ensure that a permit applicant complies with the notice requirement under Subsection (a).

(r) This section does not apply to:

(1) the relocation or change of location of a portable facility to a site where a portable facility has been located at the proposed site at any time during the previous two years;
(2) a facility located temporarily in the right-of-way, or contiguous to the right-of-way, of a public works project; or
(3) a facility described by Section 382.065(c), unless that facility is in a county with a population of 3.3 million or more or in a county adjacent to such a county.

(s) For any permit application subject to this section, the measurement of distances to determine compliance with any location or distance restriction required by this chapter shall be taken toward structures that are in use as of the date that the application is filed with the commission.

Amended by:

Acts 2005, 79th Leg., Ch. 728 (H.B. 2018), Sec. 9.0035(e), eff. September 1, 2005.

Acts 2011, 82nd Leg., R.S., Ch. 1021 (H.B. 2694), Sec. 4.26, eff. September 1, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 1163 (H.B. 2702), Sec. 45, eff. September 1, 2011.

Sec. 382.0561. FEDERAL OPERATING PERMIT: HEARING. (a) Public hearings on applications for issuance, revision, reopening, or renewal of a federal operating permit shall be conducted under this section only and not under Chapter 2001, Government Code.

(b) On determination that an application for a federal operating permit under Sections 382.054-382.0542 or a renewal of a federal operating permit under Section 382.0543 is administratively
complete and before the beginning of the public comment period, the commission or its designee shall prepare a draft permit.

(c) The commission or its designee shall hold a public hearing on a federal operating permit, a reopening of a federal operating permit, or renewal application before granting the permit or renewal if within the public comment period a person who may be affected by the emissions or a member of the legislature from the general area in which the facility is located requests a hearing. The commission or its designee is not required to hold a hearing if the basis of the request by a person who may be affected is determined to be unreasonable.

(d) The following shall be available for public inspection in at least one location in the general area where the facility is located:

1. information submitted by the application, subject to applicable confidentiality laws;
2. the executive director's analysis of the proposed action; and
3. a copy of the draft permit.

(e) The commission or its designee shall hold a public comment period on a federal operating permit application, a federal operating permit reopening application, or a federal operating permit renewal application under Sections 382.054-382.0542 or 382.0543. Any person may submit a written statement to the commission during the public comment period. The commission or its designee shall receive public comment for 30 days after the date on which notice of the public comment period is published. The commission or its designee may extend or reopen the comment period if the executive director finds an extension or reopening to be appropriate.

(f) Notice of the public comment period and opportunity for a hearing under this section shall be published in accordance with Section 382.056.

(g) Any person may submit an oral or written statement concerning the application at the hearing. The individual holding the hearing may set reasonable limits on the time allowed for oral statements at the hearing. The public comment period extends to the close of the hearing and may be further extended or reopened if the commission or its designee finds an extension or reopening to be appropriate.

(h) Any person, including the applicant, who believes that any
condition of the draft permit is inappropriate or that the preliminary decision of the commission or its designee to issue or deny a permit is inappropriate must raise all reasonably ascertainable issues and submit all reasonably available arguments supporting that position by the end of the public comment period.

(i) The commission or its designee shall consider all comments received during the public comment period and at the public hearing in determining whether to issue the permit and what conditions should be included if a permit is issued.

Sec. 382.0562. NOTICE OF DECISION. (a) The commission or its designee shall send notice of a proposed final action on a federal operating permit by first-class mail to the applicant and all persons who comment during the public comment period or at the public hearing. The notice shall include a response to any comment submitted during the public comment period and shall identify any change in the conditions of the draft permit and the reasons for the change.

(b) The notice required by Subsection (a) shall:
(1) state that any person affected by the decision of the commission or its designee may petition the administrator in accordance with Section 382.0563 and rules adopted under that section;
(2) state the date by which the petition must be filed; and
(3) explain the petition process.

Sec. 382.0563. PUBLIC PETITION TO THE ADMINISTRATOR. (a) The commission by rule may provide for public petitions to the
administrator in accordance with Section 505 of the federal Clean Air Act (42 U.S.C. Section 7661d).

(b) The petition for review to the administrator under this section does not affect:

(1) a permit issued by the commission or its designee; or
(2) the finality of the commission's or its designee's action for purposes of an appeal under Section 382.032.

(c) The commission or its designee shall resolve any objection that the United States Environmental Protection Agency makes and terminate, modify, or revoke and reissue the permit in accordance with the objection not later than the 90th day after the date the commission receives the objection.

Sec. 382.0564. NOTIFICATION TO OTHER GOVERNMENTAL ENTITIES. The commission by rule may allow for notification of and review by the administrator and affected states of permit applications, revisions, renewals, or draft permits prepared under Sections 382.054-382.0543.

Sec. 382.0565. CLEAN COAL PROJECT PERMITTING PROCEDURE. (a) The United States Department of Energy may specify the FutureGen emissions profile for a project in that department's request for proposals or request for a contract. If the United States Department of Energy does not specify in a request for proposals or a request for a contract the FutureGen emissions profile, the profile means emissions of air contaminants at a component of the FutureGen project, as defined by Section 5.001, Water Code, that equal not more than:

(1) one percent of the average sulphur content of the coal or coals used for the generation of electricity at the component;
(2) 10 percent of the average mercury content of the coal or coals used for the generation of electricity at the component;  
(3) 0.05 pounds of nitrogen oxides per million British thermal units of energy produced at the component; and  
(4) 0.005 pounds of particulate matter per million British thermal units of energy produced at the component.

(b) As authorized by federal law, the commission by rule shall implement reasonably streamlined processes for issuing permits required to construct a component of the FutureGen project designed to meet the FutureGen emissions profile.

(c) When acting under a rule adopted under Subsection (b), the commission shall use public meetings, informal conferences, or advisory committees to gather the opinions and advice of interested persons.

(d) The permit processes authorized by this section are not subject to the requirements relating to a contested case hearing under this chapter, Chapter 5, Water Code, or Subchapters C-G, Chapter 2001, Government Code.

(e) This section does not apply to an application for a permit to construct or modify a new or existing coal-fired electric generating facility that will use pulverized or supercritical pulverized coal.

Added by Acts 2005, 79th Leg., Ch. 1097 (H.B. 2201), Sec. 3, eff. June 18, 2005.

Sec. 382.0566. ADVANCED CLEAN ENERGY PROJECT PERMITTING PROCEDURE. (a) As authorized by federal law, not later than nine months after the executive director declares an application for a permit under this chapter for an advanced clean energy project to be administratively complete, the executive director shall complete its technical review of the application.

(b) The commission shall issue a final order issuing or denying the permit not later than nine months after the executive director declares the application technically complete. The commission may extend the deadline set out in this subsection up to three months if it determines that the number of complex pending applications for permits under this chapter will prevent the commission from meeting the deadline imposed by this subsection without creating an
extraordinary burden on the resources of the commission.

(c) The permit process authorized by this section is subject to the requirements relating to a contested case hearing under this chapter, Chapter 5, Water Code, or Subchapters C-G, Chapter 2001, Government Code, as applicable.

(d) The commission shall adopt rules to implement this section.

Added by Acts 2007, 80th Leg., R.S., Ch. 1277 (H.B. 3732), Sec. 3, eff. September 1, 2007.

Sec. 382.0567. PROOF THAT TECHNOLOGY IS COMMERCIALLY FEASIBLE NOT REQUIRED; CONSIDERATION OF TECHNOLOGY TO BE ACHIEVABLE FOR CERTAIN PURPOSES PROHIBITED. (a) An applicant for a permit under this chapter for a project in connection with which advanced clean energy technology, federally qualified clean coal technology, or another technology is proposed to be used is not required to prove, as part of an analysis of whether the project will use the best available control technology or reduce emissions to the lowest achievable rate, that the technology proposed to be used has been demonstrated to be feasible in a commercial operation.

(b) The commission may not consider any technology or level of emission reduction to be achievable for purposes of a best available control technology analysis or lowest achievable emission rate analysis conducted by the commission under another provision of this chapter solely because the technology is used or the emission reduction is achieved by a facility receiving an incentive as an advanced clean energy project or new technology project, as described by Section 391.002.

Added by Acts 2007, 80th Leg., R.S., Ch. 1277 (H.B. 3732), Sec. 3, eff. September 1, 2007.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 4, eff. September 1, 2009.

Sec. 382.057. EXEMPTION. (a) Consistent with Section 382.0511, the commission by rule may exempt from the requirements of Section 382.0518 changes within any facility if it is found on investigation that such changes will not make a significant
contribution of air contaminants to the atmosphere. The commission by rule shall exempt from the requirements of Section 382.0518 or issue a standard permit for the installation of emission control equipment that constitutes a modification or a new facility, subject to such conditions restricting the applicability of such exemption or standard permit that the commission deems necessary to accomplish the intent of this chapter. The commission may not exempt any modification of an existing facility defined as "major" under any applicable preconstruction permitting requirements of the federal Clean Air Act or regulations adopted under that Act. Nothing in this subsection shall be construed to limit the commission's general power to control the state's air quality under Section 382.011(a).

(b) The commission shall adopt rules specifically defining the terms and conditions for an exemption under this section in a nonattainment area as defined by Title I of the federal Clean Air Act (42 U.S.C. Section 7401 et seq.).

Sec. 382.058. NOTICE OF AND HEARING ON CONSTRUCTION OF CONCRETE PLANT UNDER PERMIT BY RULE, STANDARD PERMIT, OR EXEMPTION. (a) A person may not begin construction on any concrete plant that performs wet batching, dry batching, or central mixing under a standard permit under Section 382.05195 or a permit by rule adopted by the commission under Section 382.05196 unless the person has complied with the notice and opportunity for hearing provisions under Section 382.056.

(b) This section does not apply to a concrete plant located temporarily in the right-of-way, or contiguous to the right-of-way, of a public works project.

(c) For purposes of this section, only those persons actually residing in a permanent residence within 440 yards of the proposed plant may request a hearing under Section 382.056 as a person who may be affected.

(d) If the commission considers air dispersion modeling
information in the course of adopting an exemption under Section 382.057 for a concrete plant that performs wet batching, dry batching, or central mixing, the commission may not require that a person who qualifies for the exemption conduct air dispersion modeling before beginning construction of a concrete plant, and evidence regarding air dispersion modeling may not be submitted at a hearing under Section 382.056.

For expiration of this section, see Subsection (g).

Sec. 382.059. HEARING AND DECISION ON PERMIT AMENDMENT APPLICATION OF CERTAIN ELECTRIC GENERATING FACILITIES. (a) This section applies to a permit amendment application submitted solely to allow an electric generating facility to reduce emissions and comply with a requirement imposed by Section 112 of the federal Clean Air Act (42 U.S.C. Section 7412) to use applicable maximum achievable control technology. A permit amendment application shall include a condition that the applicant is required to complete the actions needed for compliance by the time allowed under Section 112 of the federal Clean Air Act (42 U.S.C. Section 7412).

(b) The commission shall provide an opportunity for a public hearing and the submission of public comment on the application in the manner provided by Section 382.0561.

(c) Not later than the 45th day after the date the application is received, the executive director shall issue a draft permit.

(d) Not later than the 30th day after the date of issuance of the draft permit under Subsection (c), parties may submit to the commission any legitimate issues of material fact regarding whether the choice of technology approved in the draft permit is the maximum achievable control technology required under Section 112 of the federal Clean Air Act (42 U.S.C. Section 7412) and may request a contested case hearing before the commission. If a party requests a contested case hearing under this subsection, the commission shall conduct a contested case hearing and issue a final order issuing or
denying the permit amendment not later than the 120th day after the date of issuance of the draft permit under Subsection (c).

(e) The commission shall send notice of a decision on an application for a permit amendment under this section in the manner provided by Section 382.0562.

(f) A person affected by a decision of the commission to issue or deny a permit amendment may move for rehearing and is entitled to judicial review under Section 382.032.

(g) This section expires on the sixth anniversary of the date the administrator adopts standards for existing electric generating facilities under Section 112 of the federal Clean Air Act (42 U.S.C. Section 7412), unless a stay of the rules is granted.

(h) The commission shall adopt rules to implement this section.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1021 (H.B. 2694), Sec. 4.27, eff. September 1, 2011.

Sec. 382.0591. DENIAL OF APPLICATION FOR PERMIT; ASSISTANCE PROVIDED BY FORMER OR CURRENT EMPLOYEES. (a) The commission shall deny an application for the issuance, amendment, renewal, or transfer of a permit and may not issue, amend, renew, or transfer the permit if the commission determines that:

(1) a former employee participated personally and substantially as an employee in the commission's review, evaluation, or processing of the application before leaving employment with the commission; and

(2) after leaving employment with the commission, that former employee provided assistance to the applicant for the issuance, amendment, renewal, or transfer of the permit, including assistance with preparation or presentation of the application or legal representation of the applicant.

(b) The commission or the executive director may not issue a federal operating permit for a solid waste incineration unit if a member of the commission or the executive director is also responsible in whole or in part for the design and construction or the operation of the unit.

(c) The commission shall provide an opportunity for a hearing to an applicant before denying an application under this section.

(d) Action taken under this section does not prejudice any
application other than an application in which the former employee provided assistance.

(e) In this section, "former employee" means a person:
   (1) who was previously employed by the commission as a supervisory or exempt employee; and
   (2) whose duties during employment with the commission included involvement in or supervision of the commission's review, evaluation, or processing of applications.

Sec. 382.061. DELEGATION OF POWERS AND DUTIES. (a) The commission may delegate to the executive director the powers and duties under Sections 382.051-382.0563 and 382.059, except for the adoption of rules.

(b) An applicant or a person affected by a decision of the executive director may appeal to the commission any decision made by the executive director, with the exception of a decision regarding a federal operating permit, under Sections 382.051-382.055 and 382.059.

(c) Any person, including the applicant, affected by a decision of the executive director regarding federal operating permits may:
   (1) petition the administrator in accordance with rules adopted under Section 382.0563; or
   (2) file a petition for judicial review under Section 382.032.

Sec. 382.062. APPLICATION, PERMIT, AND INSPECTION FEES. (a) The commission shall adopt, charge, and collect a fee for:
   (1) each application for:
      (A) a permit or permit amendment, revision, or modification not subject to Title IV or V of the federal Clean Air Act (42 U.S.C. Sections 7651 et seq. and 7661 et seq.);
(B) a renewal review of a permit issued under Section 382.0518 not subject to Title IV or V of the federal Clean Air Act;
(2) inspections of a federal source performed to enforce this chapter or rules adopted by the commission under this chapter until the federal source is required to obtain an operating permit under Section 382.054; and
(3) inspections performed to enforce this chapter or rules adopted by the commission under this chapter at a facility not required to obtain an operating permit under Section 382.054.

(b) The commission may adopt rules relating to charging and collecting a fee for an exemption, for a permit, for a permit by rule, for a voluntary emissions reduction permit, for a multiple plant permit, or for a standard permit and for a variance.

(c) For purposes of the fees, the commission shall treat two or more facilities that compose an integrated system or process as a single facility if a structure, device, item of equipment, or enclosure that constitutes or contains a given stationary source operates in conjunction with and is functionally integrated with one or more other similar structures, devices, items of equipment, or enclosures.

(d) A fee assessed under this section may not be less than $25 or more than $75,000.

(e) The commission by rule shall establish the fees to be collected under Subsection (a) in amounts sufficient to recover:
(1) the reasonable costs to review and act on a variance application and enforce the terms and conditions of the variance; and
(2) not less than 50 percent of the commission's actual annual expenditures to:
(A) review and act on permits or special permits;
(B) amend and review permits;
(C) inspect permitted, exempted, and specially permitted facilities; and
(D) enforce the rules and orders adopted and permits, special permits, and exemptions issued under this chapter, excluding rules and orders adopted and permits required under Title IV or V of the federal Clean Air Act (42 U.S.C. Sections 7651 et seq. and 7661 et seq.).

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 382.0621. OPERATING PERMIT FEE. (a) The commission shall adopt, charge, and collect an annual fee based on emissions for each source that either:

(1) is subject to permitting requirements of Title IV or V of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549); or

(2) is based on plant operations, and the rate of emissions at the time the fee is due would be subject to the permitting requirements if the requirements were in effect on that date.

(b) Fees imposed under this section shall be at least sufficient to cover all reasonably necessary direct and indirect costs of developing and administering the permit program under Titles IV and V of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549), including the reasonable costs of:

(1) reviewing and acting on any application for a Title IV or V permit;

(2) implementing and enforcing the terms and conditions of a Title IV or V permit, excluding any court costs or other costs associated with any enforcement action;

(3) emissions and ambient monitoring;

(4) preparing generally applicable regulations or guidance;

(5) modeling, analyses, and demonstrations; and

(6) preparing inventories and tracking emissions.

(c) The commission by rule may provide for the automatic annual increase of fees imposed under this section by the percentage, if any, by which the consumer price index for the preceding calendar year exceeds the consumer price index for calendar year 1989. For purposes of this subsection:

(1) the consumer price index for any calendar year is the average of the Consumer Price Index for All Urban Consumers published by the United States Department of Labor as of the close of the 12-month period ending on August 31 of each calendar year; and

(2) the revision of the consumer price index that is most consistent with the consumer price index for calendar year 1989 shall
be used.

(d) Except as provided by this section, the commission may not impose a fee for any amount of emissions of an air contaminant regulated under the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549) in excess of 4,000 tons per year from any source. On and after September 1, 2001, for a facility that is not subject to the requirement to obtain a permit under Section 382.0518(g) that does not have a permit application pending, the commission shall:

(1) impose a fee under this section for all emissions, including emissions in excess of 4,000 tons; and

(2) treble the amount of the fee imposed for emissions in excess of 4,000 tons each fiscal year.

(e) This section does not restrict the authority of the commission under Section 382.062 to impose fees on sources not subject to the permitting requirements of Title IV or V of the federal Clean Air Act Amendments of 1990 (Pub.L. No. 101-549).

(f) The commission may impose fees for emissions of greenhouse gas only to the extent the fees are necessary to cover the commission's additional reasonably necessary direct costs of implementing Section 382.05102.

Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 272 (H.B. 788), Sec. 3, eff. June 14, 2013.

Sec. 382.0622. CLEAN AIR ACT FEES. (a) Clean Air Act fees consist of:

(1) fees collected by the commission under Sections 382.062, 382.0621, 382.202, and 382.302 and as otherwise provided by law;

(2) $2 of each fee collected for inspections of vehicles other than mopeds under Section 548.501, Transportation Code; and

(3) fees collected that are required under Section 185 of the federal Clean Air Act (42 U.S.C. Section 7511d).

(b) Except as provided by Subsection (b-1), Clean Air Act fees...
shall be deposited in the state treasury to the credit of the clean air account and shall be used to safeguard the air resources of the state.

(b-1) Fees collected under Section 382.0621(a) on or after September 1, 2003, shall be deposited in the state treasury to the credit of the operating permit fees account. Fees collected under Section 382.0621(a) may not be commingled with any fees in the clean air account or with any other money in the state treasury.

(b-2) Money in the operating permit fees account established under Subsection (b-1) may be appropriated to the commission only to cover the costs of developing and administering the federal permit programs under Title IV or V of the federal Clean Air Act (42 U.S.C. Section 7651 et seq. and Section 7661 et seq.).

(b-3) Section 403.095, Government Code, does not apply to the operating permit fees account established under Subsection (b-1), and any balance remaining in the operating permit fees account at the end of a fiscal year shall be left in the account and used in the next or subsequent fiscal years only for the purposes stated in Subsection (b-2).

(c) The commission shall request the appropriation of sufficient money to safeguard the air resources of the state, including payments to the Public Safety Commission for incidental costs of administering the vehicle emissions inspection and maintenance program, except that after the date of delegation of the state's permitting program under Title V of the federal Clean Air Act (42 U.S.C. Sections 7661 et seq.), fees collected under Section 382.0621(a) may be appropriated only to cover costs of developing and administering the federal permit program under Titles IV and V of the federal Clean Air Act (42 U.S.C. Sections 7651 et seq. and 7661 et seq.).

(d)(1) Through the option of contracting for air pollution control services, including but not limited to compliance and permit inspections and complaint response, the commission may utilize appropriated money to purchase services from units of local government meeting each of the following criteria:

(A) the unit of local government received federal fiscal year 1990 funds from the United States Environmental Protection Agency pursuant to Section 105 of the federal Clean Air Act (42 U.S.C. Section 7405) for the operation of an air pollution program by formal agreement;
(B) the local unit of government is in a federally
designated nonattainment area subject to implementation plan
requirements, including automobile emission inspection and
maintenance programs, under Title I of the federal Clean Air Act (42
U.S.C. Sections 7401-7515); and

(C) the local unit of government has not caused the
United States Environmental Protection Agency to provide written
notification that a deficiency in the quality or quantity of services
provided by its air pollution program is jeopardizing compliance with
a state implementation plan, a federal program delegation agreement,
or any other federal requirement for which federal sanctions can be
imposed.

(2) The commission may request appropriations of sufficient
money to contract for services of local units of government meeting
the eligibility criteria of this subsection to ensure that the
combination of federal and state funds annually available for an air
pollution program is equal to or greater than the program costs for
the operation of an air quality program by the local unit of
government. The commission is encouraged to fund an air pollution
program operated by a local unit of government meeting the
eligibility criteria of this subsection in a manner the commission
deems an effective means of addressing federal and state
requirements. The services to be provided by an eligible local unit
of government under a contractual arrangement under this subsection
shall be at least equal in quality and quantity to the services the
local unit of government committed to provide in agreements under
which it received its federal 1990 air pollution grant. The
commission and the local units of government meeting the eligibility
criteria of this subsection may agree to more extensive contractual
arrangements.

(3) Nothing in this subsection shall prohibit a local unit
of government from voluntarily discontinuing an air pollution program
and thereby relinquishing this responsibility to the state.

(e) Repealed by Acts 2007, 80th Leg., R.S., Ch. 262, Sec.
1.10(1), eff. June 8, 2007.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 3, Sec. 2.20, eff. Sept.
1, 1991. Amended by Acts 1993, 73rd Leg., ch. 485, Sec. 25, eff.
Sept. 1, 1993; Acts 1995, 74th Leg., ch. 76, Sec. 11.174, eff. Sept.
1, 1995; Acts 1997, 75th Leg., ch. 165, Sec. 30.209, eff. Sept. 1,
Sec. 382.063. ISSUANCE OF EMERGENCY ORDER BECAUSE OF CATASTROPHE. (a) The commission may issue an emergency order because of catastrophe under Section 5.515, Water Code.

(b) In this section, "catastrophe" means an unforeseen event, including an act of God, an act of war, severe weather, explosions, fire, or similar occurrences beyond the reasonable control of the operator that makes a facility or its functionally related appurtenances inoperable.

Sec. 382.064. INITIAL APPLICATION DATE. An application for a federal operating permit is not required to be submitted to the commission before the approval of the Title V permitting program by the United States Environmental Protection Agency.

Sec. 382.065. CERTAIN LOCATIONS FOR OPERATING CONCRETE CRUSHING FACILITY PROHIBITED. (a) The commission by rule shall prohibit the operation of a concrete crushing facility within 440 yards of a building in use as a single or multifamily residence, school, or place of worship at the time the application for a permit to operate the facility at a site near the residence, school, or place of worship is filed with the commission. The measurement of distance for purposes of this subsection shall be taken from the point on the concrete crushing facility that is nearest to the residence, school, or place of worship toward the point on the residence, school, or place of worship that is nearest the concrete crushing facility.

(b) Subsection (a) does not apply to a concrete crushing facility:
   (1) at a location for which commission authorization for the operation of a concrete crushing facility was in effect on September 1, 2001;
   (2) at a location that satisfies the distance requirements of Subsection (a) at the time the application for the initial authorization for the operation of that facility at that location is filed with the commission, provided that the authorization is granted and maintained, regardless of whether a single or multifamily residence, school, or place of worship is subsequently built or put to use within 440 yards of the facility; or
   (3) that:
       (A) uses a concrete crusher:
           (i) in the manufacture of products that contain recycled materials; and
           (ii) that is located in an enclosed building; and
       (B) is located:
           (i) within 25 miles of an international border; and
           (ii) in a municipality with a population of not less than 6,100 but not more than 20,000.
   (c) Except as provided by Subsection (d), Subsection (a) does not apply to a concrete crushing facility that:
       (1) is engaged in crushing concrete and other materials produced by the demolition of a structure at the location of the structure and the concrete and other materials are being crushed primarily for use at that location;
       (2) operates at that location for not more than 180 days;
       (3) the commission determines will cause no adverse
 environmental or health effects by operating at that location; and 
(4) complies with conditions stated in commission rules, 
including operating conditions.
(d) Notwithstanding Subsection (c), Subsection (a) applies to a 
concrete crushing facility in a county with a population of 3.3 
million or more or in a county adjacent to such a county.

Sec. 382.066. SHIPYARD FACILITIES. (a) In this section, 
"shipyard" means a shipbuilding or ship repair operation.
(b) In determining whether to issue, or in conducting a review 
of, a permit or other authorization issued or adopted under this 
chapter for a shipyard, the commission:
(1) may not require and may not consider air dispersion 
modeling results predicting ambient concentrations of noncriteria 
pollutants over coastal waters of the state; and
(2) shall determine compliance with noncriteria ambient air 
pollutant standards and guidelines according to the land-based off-
property concentrations of air contaminants.
(c) This section does not limit the commission's authority to 
take an enforcement action in response to a condition that 
constitutes a nuisance.

Renumbered from Health & Safety Code Sec. 382.065 by Acts 2003, 78th 
Leg., ch. 1275, Sec. 2(94), eff. Sept. 1, 2003.

Sec. 382.068. POULTRY FACILITY ODOR; RESPONSE TO COMPLAINTS. 
(a) In this section, "poultry facility" and "poultry litter" have 
the meanings assigned by Section 26.301, Water Code.
(b) The commission shall respond and investigate not later than
18 hours after receiving:

(1) a second complaint against a poultry facility concerning odor associated with:

(A) the facility; or

(B) the application of poultry litter to land by the poultry facility; or

(2) a complaint concerning odor from a poultry facility at which the commission has substantiated odor nuisance conditions in the previous 12 months.

(c) If after the investigation the commission determines that a poultry facility is violating the terms of its air quality authorization or is creating a nuisance, the commission shall issue a notice of violation.

(d) The commission by rule or order shall require the owner or operator of a poultry facility for which the commission has issued three notices of violation under this section during a 12-month period to enter into a comprehensive compliance agreement with the commission. The compliance agreement must include an odor control plan that the executive director determines is sufficient to control odors.

(e) The owner or operator of a new poultry facility shall complete a poultry facility training course on the prevention of poultry facility odor nuisances from the poultry science unit of the Texas AgriLife Extension Service not later than the 90th day after the date the facility first accepts poultry to raise. The owner or operator of a new poultry facility shall maintain records of the training and make the records available to the commission for inspection.

(f) The poultry science unit of the Texas AgriLife Extension Service may charge an owner or operator of a poultry facility a training fee to offset the direct cost of providing the training.

Added by Acts 2009, 81st Leg., R.S., Ch. 1386 (S.B. 1693), Sec. 1, eff. September 1, 2009.

**SUBCHAPTER D. PENALTIES AND ENFORCEMENT**

Sec. 382.085. UNAUTHORIZED EMISSIONS PROHIBITED. (a) Except as authorized by a commission rule or order, a person may not cause, suffer, allow, or permit the emission of any air contaminant or the
(b) A person may not cause, suffer, allow, or permit the emission of any air contaminant or the performance of any activity in violation of this chapter or of any commission rule or order.

SUBCHAPTER E. AUTHORITY OF LOCAL GOVERNMENTS

Sec. 382.111. INSPECTIONS; POWER TO ENTER PROPERTY. (a) A local government has the same power and is subject to the same restrictions as the commission under Section 382.015 to inspect the air and to enter public or private property in its territorial jurisdiction to determine if:

(1) the level of air contaminants in an area in its territorial jurisdiction and the emissions from a source meet the levels set by:

(A) the commission; or

(B) a municipality's governing body under Section 382.113; or

(2) a person is complying with this chapter or a rule, variance, or order issued by the commission.

(b) A local government shall send the results of its inspections to the commission when requested by the commission.

Sec. 382.112. RECOMMENDATIONS TO COMMISSION. A local government may make recommendations to the commission concerning a rule, determination, variance, or order of the commission that affects an area in the local government's territorial jurisdiction. The commission shall give maximum consideration to a local government's recommendations.

Sec. 382.113. AUTHORITY OF MUNICIPALITIES. (a) Subject to Section 381.002, a municipality has the powers and rights as are otherwise vested by law in the municipality to:

(1) abate a nuisance; and

(2) enact and enforce an ordinance for the control and abatement of air pollution, or any other ordinance, not inconsistent with this chapter or the commission's rules or orders.

(b) An ordinance enacted by a municipality must be consistent with this chapter and the commission's rules and orders and may not make unlawful a condition or act approved or authorized under this chapter or the commission's rules or orders.

Sec. 382.115. COOPERATIVE AGREEMENTS. A local government may execute cooperative agreements with the commission or other local governments:

(1) to provide for the performance of air quality management, inspection, and enforcement functions and to provide technical aid and educational services to a party to the agreement; and

(2) for the transfer of money or property from a party to the agreement to another party to the agreement for the purpose of air quality management, inspection, enforcement, technical aid, and education.

SUBCHAPTER G. VEHICLE EMISSIONS

Sec. 382.201. DEFINITIONS. In this subchapter:

(1) "Affected county" means a county with a motor vehicle emissions inspection and maintenance program established under Section 548.301, Transportation Code.

(2) "Commercial vehicle" means a vehicle that is owned or leased in the regular course of business of a commercial or business
entity.

(3) "Fleet vehicle" means a motor vehicle operated as one of a group that consists of more than 10 motor vehicles and that is owned and operated by a public or commercial entity or by a private entity other than a single household.

(4) "Participating county" means an affected county in which the commissioners court by resolution has chosen to implement a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program authorized by Section 382.209.

(5) "Retrofit" means to equip, or the equipping of, an engine or an exhaust or fuel system with new, emissions-reducing parts or equipment designed to reduce air emissions and improve air quality, after the manufacture of the original engine or exhaust or fuel system, so long as the parts or equipment allow the vehicle to meet or exceed state and federal air emissions reduction standards.

(6) "Retrofit equipment" means emissions-reducing equipment designed to reduce air emissions and improve air quality that is installed after the manufacture of the original engine or exhaust or fuel system.

(7) "Vehicle" includes a fleet vehicle.

Sec. 382.202. VEHICLE EMISSIONS INSPECTION AND MAINTENANCE PROGRAM. (a) The commission by resolution may request the Public Safety Commission to establish a vehicle emissions inspection and maintenance program under Subchapter F, Chapter 548, Transportation Code, in accordance with this section and rules adopted under this section. The commission by rule may establish, implement, and administer a program requiring emissions-related inspections of motor vehicles to be performed at inspection facilities consistent with the requirements of the federal Clean Air Act (42 U.S.C. Section 7401 et seq.) and its subsequent amendments.

(b) The commission by rule may require emissions-related inspection and maintenance of land vehicles, including testing exhaust emissions, examining emission control devices and systems, verifying compliance with applicable standards, and other requirements as provided by federal law or regulation.

(c) If the program is established under this section, the
(1) shall adopt vehicle emissions inspection and maintenance requirements for certain areas as required by federal law or regulation; and

(2) shall adopt vehicle emissions inspection and maintenance requirements for counties not subject to a specific federal requirement in response to a formal request by resolutions adopted by the county and the most populous municipality within the county according to the most recent federal decennial census.

(d) On adoption of a resolution by the commission and after proper notice, the Department of Public Safety of the State of Texas shall implement a system that requires, as a condition of obtaining a passing vehicle inspection report issued under Subchapter C, Chapter 548, Transportation Code, in a county that is included in a vehicle emissions inspection and maintenance program under Subchapter F of that chapter, that the vehicle, unless the vehicle is not covered by the system, be annually or biennially inspected under the vehicle emissions inspection and maintenance program as required by the state's air quality state implementation plan. The Department of Public Safety shall implement such a system when it is required by any provision of federal or state law, including any provision of the state's air quality state implementation plan.

(e) The commission may assess fees for vehicle emissions-related inspections performed at inspection or reinspection facilities authorized and licensed by the commission in amounts reasonably necessary to recover the costs of developing, administering, evaluating, and enforcing the vehicle emissions inspection and maintenance program. If the program relies on privately operated or contractor-operated inspection or reinspection stations, an appropriate portion of the fee as determined by commission rule may be retained by the station owner, contractor, or operator to recover the cost of performing the inspections and provide for a reasonable margin of profit. Any portion of the fee collected by the commission is a Clean Air Act fee under Section 382.0622.

(f) The commission:

(1) shall, no less frequently than biennially, review the fee established under Subsection (e); and

(2) may use part of the fee collected under Subsection (e) to provide incentives, including financial incentives, for
participation in the testing network to ensure availability of an adequate number of testing stations.

(g) The commission shall:

(1) use part of the fee collected under Subsection (e) to fund low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement programs created under Section 382.209; and

(2) to the extent practicable, distribute available funding created under Subsection (e) to participating counties in reasonable proportion to the amount of fees collected under Subsection (e) in those counties or in the regions in which those counties are located.

(h) Regardless of whether different tests are used for different vehicles as determined under Section 382.205, the commission may:

(1) set fees assessed under Subsection (e) at the same rate for each vehicle in a county or region; and

(2) set different fees for different counties or regions.

(i) The commission shall examine the efficacy of annually inspecting diesel vehicles for compliance with applicable federal emission standards, compliance with an opacity or other emissions-related standard established by commission rule, or both and shall implement that inspection program if the commission determines the program would minimize emissions. For purposes of this subsection, a diesel engine not used in a vehicle registered for use on public highways is not a diesel vehicle.

(j) The commission may not establish, before January 1, 2004, vehicle fuel content standards to provide for vehicle fuel content for clean motor vehicle fuels for any area of the state that are more stringent or restrictive than those standards promulgated by the United States Environmental Protection Agency applicable to that area except as provided in Subsection (o) unless the fuel is specifically authorized by the legislature.

(k) The commission by rule may establish classes of vehicles that are exempt from vehicle emissions inspections and by rule may establish procedures to allow and review petitions for the exemption of individual vehicles, according to criteria established by commission rule. Rules adopted by the commission under this subsection must be consistent with federal law. The commission by rule may establish fees to recover the costs of administering this subsection. Fees collected under this subsection shall be deposited to the credit of the clean air account, an account in the general
revenue fund, and may be used only for the purposes of this section.

(l) Except as provided by this subsection, a person who sells
or transfers ownership of a motor vehicle for which a passing vehicle
inspection report has been issued is not liable for the cost of
emission control system repairs that are required for the vehicle
subsequently to receive a passing report. This subsection does not
apply to repairs that are required because emission control equipment
or devices on the vehicle were removed or tampered with before the
sale or transfer of the vehicle.

(m) The commission may conduct audits to determine compliance
with this section.

(n) The commission may suspend the emissions inspection program
as it applies to pre-1996 vehicles in an affected county if:

(1) the department certifies that the number of pre-1996
vehicles in the county subject to the program is 20 percent or less
of the number of those vehicles that were in the county on September
1, 2001; and

(2) an alternative testing methodology that meets or
exceeds United States Environmental Protection Agency requirements is
available.

(o) The commission may not require the distribution of Texas
low-emission diesel as described in revisions to the State
Implementation Plan for the control of ozone air pollution prior to
February 1, 2005.

(p) The commission may consider, as an alternative method of
compliance with Subsection (o), fuels to achieve equivalent emissions
reductions.

(q) Repealed by Acts 2007, 80th Leg., R.S., Ch. 262, Sec.
1.10(2), eff. June 8, 2007.

(r) Repealed by Acts 2007, 80th Leg., R.S., Ch. 262, Sec.
1.10(2), eff. June 8, 2007.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1991, 72nd Leg., 1st C.S., ch. 3, Sec. 2.25, eff. Sept. 1,
1991; Acts 1993, 73rd Leg., ch. 547, Sec. 1, eff. Aug. 30, 1993;
Acts 1995, 74th Leg., ch. 1, Sec. 1, eff. Jan. 31, 1995; Acts 1995,

74th Leg., ch. 76, Sec. 11.157, eff. Sept. 1, 1995; Acts 1997, 75th
Leg., ch. 165, Sec. 30.207, eff. Sept. 1, 1997; Acts 1997, 75th
Leg., ch. 333, Sec. 73, eff. Sept. 1, 1997; Acts 1997, 75th Leg.,
Sec. 382.203. VEHICLES SUBJECT TO PROGRAM; EXEMPTIONS. (a) The inspection and maintenance program applies to any gasoline-powered vehicle that is:

(1) required to be registered in and is primarily operated in an affected county; and

(2) at least two and less than 25 years old; or

(3) subject to test-on-resale requirements under Section 548.3011, Transportation Code.

(b) In addition to a vehicle described by Subsection (a), the program applies to:

(1) a vehicle with United States governmental plates primarily operated in an affected county;

(2) a vehicle operated on a federal facility in an affected county; and

(3) a vehicle primarily operated in an affected county that is exempt from motor vehicle registration requirements or eligible under Chapter 502, Transportation Code, to display an "exempt" license plate.

(c) The Department of Public Safety of the State of Texas by rule may waive program requirements, in accordance with standards adopted by the commission, for certain vehicles and vehicle owners, including:

(1) the registered owner of a vehicle who cannot afford to comply with the program, based on reasonable income standards;

(2) a vehicle that cannot be brought into compliance with emissions standards by performing repairs;

(3) a vehicle:
(A) on which at least $100 has been spent to bring the vehicle into compliance; and

(B) that the department:
   (i) can verify was driven fewer than 5,000 miles since the last safety inspection; and
   (ii) reasonably determines will be driven fewer than 5,000 miles during the period before the next safety inspection is required; and

(4) a vehicle for which parts are not readily available.

(d) The program does not apply to a:
   (1) motorcycle;
   (2) slow-moving vehicle as defined by Section 547.001, Transportation Code; or
   (3) vehicle that is registered but not operated primarily in a county or group of counties subject to a motor vehicle emissions inspection program established under Subchapter F, Chapter 548, Transportation Code.

Sec. 382.204. REMOTE SENSING PROGRAM COMPONENT. (a) The commission and the Department of Public Safety of the State of Texas jointly shall develop a program component for enforcing vehicle emissions testing and standards by use of remote or automatic emissions detection and analysis equipment.

(b) The program component may be employed in any county designated as a nonattainment area within the meaning of Section 107(d) of the Clean Air Act (42 U.S.C. Section 7407) and its subsequent amendments, in any affected county, or in any county adjacent to an affected county.

(c) If a vehicle registered in a county adjacent to an affected county is detected under the program component authorized by this section as operating and exceeding acceptable emissions limitations in an affected county, the department shall provide notice of the violation under Section 548.306, Transportation Code.

Sec. 382.205. INSPECTION EQUIPMENT AND PROCEDURES. (a) The commission by rule may adopt:

(1) standards and specifications for motor vehicle emissions testing equipment;

(2) recordkeeping and reporting procedures; and

(3) measurable emissions standards a vehicle must meet to pass the inspection.

(b) In adopting standards and specifications under Subsection (a), the commission may require different types of tests for different vehicle models.

(c) In consultation with the Department of Public Safety of the State of Texas, the commission may contract with one or more private entities to provide testing equipment, training, and related services to inspection stations in exchange for part of the testing fee. A contract under this subsection may apply to one specified area of the state or to the entire state. The commission at least once during each year shall review each contract entered into under this subsection to determine whether the contracting entity is performing satisfactorily under the terms of the contract. Immediately after completing the review, the commission shall prepare a report summarizing the review and send a copy of the report to the speaker of the house of representatives, the lieutenant governor, and the governor.

(d) The Department of Public Safety of the State of Texas by rule shall adopt:

(1) testing procedures in accordance with motor vehicle emissions testing equipment specifications; and

(2) procedures for issuing a vehicle inspection report following an emissions inspection and submitting information to the inspection database described by Section 548.251, Transportation Code, following an emissions inspection.

(e) The commission and the Department of Public Safety of the State of Texas by joint rule may adopt procedures to encourage a stable private market for providing emissions testing to the public in all areas of an affected county, including:

(1) allowing facilities to perform one or more types of emissions tests; and
(2) any other measure the commission and the Department of Public Safety consider appropriate.

(f) Rules and procedures under this section must ensure that approved repair facilities participating in a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program established under Section 382.209 have access to adequate testing equipment.

(g) Subject to Subsection (h), the commission and the Department of Public Safety of the State of Texas by rule may allow alternative vehicle emissions testing if:

(1) the technology provides accurate and reliable results;

(2) the technology is widely and readily available to persons interested in performing alternative vehicle emissions testing; and

(3) the use of alternative testing is not likely to substantially affect federal approval of the state's air quality state implementation plan.

(h) A rule adopted under Subsection (g) may not be more restrictive than federal regulations governing vehicle emissions testing.

Acts 2013, 83rd Leg., R.S., Ch. 1291 (H.B. 2305), Sec. 7, eff. March 1, 2015.

Sec. 382.206. COLLECTION OF DATA; REPORT. (a) The commission and the Department of Public Safety of the State of Texas may collect inspection and maintenance information derived from the emissions inspection and maintenance program, including:

(1) inspection results;

(2) inspection station information;

(3) information regarding vehicles operated on federal facilities;

(4) vehicle registration information; and

(5) other data the United States Environmental Protection
Agency requires.

(b) The commission shall:

(1) report the information to the United States Environmental Protection Agency; and

(2) compare the information on inspection results with registration information for enforcement purposes.

Sec. 382.207. INSPECTION STATIONS; QUALITY CONTROL AUDITS.

(a) The Department of Public Safety of the State of Texas by rule shall adopt standards and procedures for establishing vehicle emissions inspection stations authorized and licensed by the state.

(b) A vehicle emissions inspection may be performed at a decentralized independent inspection station or at a centralized inspection facility operated or licensed by the state. In developing the program for vehicle emissions inspections, the Department of Public Safety shall make all reasonable efforts to preserve the present decentralized system.

(c) After consultation with the Texas Department of Transportation, the commission shall require state and local transportation planning entities designated by the commission to prepare long-term projections of the combined impact of significant planned transportation system changes on emissions and air quality. The projections shall be prepared using air pollution estimation methodologies established jointly by the commission and the Texas Department of Transportation. This subsection does not restrict the Texas Department of Transportation's function as the transportation planning body for the state or its role in identifying and initiating specific transportation-related projects in the state.

(d) The Department of Public Safety may authorize enforcement personnel or other individuals to remove, disconnect, adjust, or make inoperable vehicle emissions control equipment, devices, or systems and to operate a vehicle in the tampered condition in order to perform a quality control audit of an inspection station or other quality control activities as necessary to assess and ensure the effectiveness of the vehicle emissions inspection and maintenance
(e) The Department of Public Safety shall develop a challenge station program to provide for the reinspection of a motor vehicle at the option of the owner of the vehicle to ensure quality control of a vehicle emissions inspection and maintenance system.

(f) The commission may contract with one or more private entities to operate a program established under this section.

(g) In addition to other procedures established by the commission, the commission shall establish procedures by which a private entity with whom the commission has entered into a contract to operate a program established under this section may agree to perform:

1. testing at a fleet facility or dealership using mobile test equipment;
2. testing at a fleet facility or dealership using test equipment owned by the fleet or dealership but calibrated and operated by the private entity's personnel; or
3. testing at a fleet facility or dealership using test equipment owned and operated by the private entity and installed at the fleet or dealership facility.

(h) The fee for a test conducted as provided by Subsection (g) shall be set by the commission in an amount not to exceed twice the fee otherwise provided by law or by rule of the commission. An appropriate portion of the fee, as determined by the commission, may be remitted by the private entity to the fleet facility or dealership.

Sec. 382.208. ATTAINMENT PROGRAM. (a) Except as provided by Section 382.202(j) or another provision of this chapter, the commission shall coordinate with federal, state, and local transportation planning agencies to develop and implement
transportation programs and other measures necessary to demonstrate and maintain attainment of national ambient air quality standards and to protect the public from exposure to hazardous air contaminants from motor vehicles.

(b) Participating agencies include the Texas Department of Transportation and metropolitan planning organizations designated by the governor.

Sec. 382.209. LOW-INCOME VEHICLE REPAIR ASSISTANCE, RETROFIT, AND ACCELERATED VEHICLE RETIREMENT PROGRAM. (a) The commission and the Public Safety Commission by joint rule shall establish and authorize the commissioners court of a participating county to implement a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program subject to agency oversight that may include reasonable periodic commission audits.

(b) The commission shall provide funding for local low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement programs with available funds collected under Section 382.202, 382.302, or other designated and available funds. The programs shall be administered in accordance with Chapter 783, Government Code. Program costs may include call center management, application oversight, invoice analysis, education, outreach, and advertising. Not more than 10 percent of the money provided to a local low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program under this section may be used for the administration of the programs, including program costs.

(c) The rules adopted under Subsection (a) must provide procedures for ensuring that a program implemented under authority of that subsection does not apply to a vehicle that is:

(1) registered under Section 504.501 or 504.502, Transportation Code; and
(2) not regularly used for transportation during the normal course of daily activities.

(d) Subject to the availability of funds, a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program established under this section shall provide monetary or other compensatory assistance for:

(1) repairs directly related to bringing certain vehicles that have failed a required emissions test into compliance with emissions requirements;

(2) a replacement vehicle or replacement assistance for a vehicle that has failed a required emissions test and for which the cost of repairs needed to bring the vehicle into compliance is uneconomical; and

(3) installing retrofit equipment on vehicles that have failed a required emissions test, if practically and economically feasible, in lieu of or in combination with repairs performed under Subdivision (1). The commission and the Department of Public Safety of the State of Texas shall establish standards and specifications for retrofit equipment that may be used under this section.

(e) A vehicle is not eligible to participate in a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program established under this section unless:

(1) the vehicle is capable of being operated;

(2) the registration of the vehicle:
   (A) is current; and
   (B) reflects that the vehicle has been registered in the county implementing the program for at least 12 of the 15 months preceding the application for participation in the program;

(3) the commissioners court of the county administering the program determines that the vehicle meets the eligibility criteria adopted by the commission, the Texas Department of Motor Vehicles, and the Public Safety Commission;

(4) if the vehicle is to be repaired, the repair is done by a repair facility recognized by the Department of Public Safety, which may be an independent or private entity licensed by the state; and

(5) if the vehicle is to be retired under this subsection and Section 382.213, the replacement vehicle is a qualifying motor vehicle.

(f) A fleet vehicle, a vehicle owned or leased by a
governmental entity, or a commercial vehicle is not eligible to participate in a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program established and implemented under this section.

(g) A participating county may contract with any appropriate entity, including the regional council of governments or the metropolitan planning organization in the appropriate region, or with another county for services necessary to implement the participating county's low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program. The participating counties in a nonattainment region or counties participating in an early action compact under Subchapter H may agree to have the money collected in any one county be used in any other participating county in the same region.

(h) Participation by an affected county in a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program is not mandatory. To the extent allowed by federal law, any emissions reductions attributable to a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program in a county that are attained during a period before the county is designated as a nonattainment county shall be considered emissions reductions credit if the county is later determined to be a nonattainment county.

(i) Notwithstanding the vehicle replacement requirements provided by Subsection (d)(2), the commission by rule may provide monetary or other compensatory assistance under the low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program, subject to the availability of funds, for the replacement of a vehicle that meets the following criteria:

(1) the vehicle is gasoline-powered and is at least 10 years old;
(2) the vehicle owner meets applicable financial eligibility criteria;
(3) the vehicle meets the requirements provided by Subsections (e)(1) and (2); and
(4) the vehicle has passed a Department of Public Safety motor vehicle safety inspection or safety and emissions inspection within the 15-month period before the application is submitted.

(j) The commission may provide monetary or other compensatory assistance under the low-income vehicle repair assistance, retrofit,
and accelerated vehicle retirement program for a replacement vehicle or replacement assistance for a pre-1996 model year replacement vehicle that passes the required United States Environmental Protection Agency Start-Up Acceleration Simulation Mode Standards emissions test but that would have failed the United States Environmental Protection Agency Final Acceleration Simulation Mode Standards emissions test or failed to meet some other criterion determined by the commission; provided, however, that a replacement vehicle under this subsection must be a qualifying motor vehicle.

Added by Acts 2001, 77th Leg., ch. 1075, Sec. 1, eff. Sept. 1, 2001. Amended by:
   Acts 2005, 79th Leg., Ch. 958 (H.B. 1611), Sec. 3, eff. June 18, 2005.

   Acts 2011, 82nd Leg., R.S., Ch. 347 (H.B. 3272), Sec. 2, eff. September 1, 2011.

Sec. 382.210. IMPLEMENTATION GUIDELINES AND REQUIREMENTS. (a) The commission by rule shall adopt guidelines to assist a participating county in implementing a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program authorized under Section 382.209. The guidelines at a minimum shall recommend:

   (1) a minimum and maximum amount for repair assistance;
   (2) a minimum and maximum amount toward the purchase price of a replacement vehicle qualified for the accelerated retirement program, based on vehicle type and model year, with the maximum amount not to exceed:

      (A) $3,000 for a replacement car of the current model year or the previous three model years, except as provided by Paragraph (C);
      (B) $3,000 for a replacement truck of the current model year or the previous two model years, except as provided by Paragraph
(C); and

(C) $3,500 for a replacement vehicle of the current model year or the previous three model years that:

(i) is a hybrid vehicle, electric vehicle, or natural gas vehicle; or

(ii) has been certified to meet federal Tier 2, Bin 3 or a cleaner Bin certification under 40 C.F.R. Section 86.1811-04, as published in the February 10, 2000, Federal Register;

(3) criteria for determining eligibility, taking into account:

(A) the vehicle owner's income, which may not exceed 300 percent of the federal poverty level;
(B) the fair market value of the vehicle; and
(C) any other relevant considerations;
(4) safeguards for preventing fraud in the repair, purchase, or sale of a vehicle in the program; and
(5) procedures for determining the degree and amount of repair assistance a vehicle is allowed, based on:

(A) the amount of money the vehicle owner has spent on repairs;
(B) the vehicle owner's income; and
(C) any other relevant factors.

(b) A replacement vehicle described by Subsection (a)(2) must:

(1) except as provided by Subsection (c), be a vehicle in a class or category of vehicles that has been certified to meet federal Tier 2, Bin 5 or a cleaner Bin certification under 40 C.F.R. Section 86.1811-04, as published in the February 10, 2000, Federal Register;
(2) have a gross vehicle weight rating of less than 10,000 pounds;
(3) have an odometer reading of not more than 70,000 miles; and
(4) be a vehicle the total cost of which does not exceed:

(A) for a vehicle described by Subsection (a)(2)(A) or (B), $35,000; or
(B) for a vehicle described by Subsection (a)(2)(C), $45,000.

(c) The commission may adopt any revisions made by the federal government to the emissions standards described by Subsection (b)(1).

(d) A participating county shall provide an electronic means for distributing vehicle repair or replacement funds once all program
criteria have been met with regard to the repair or replacement. The county shall ensure that funds are transferred to a participating dealer under this section not later than the 10th business day after the date the county receives proof of the sale and any required administrative documents from the participating dealer.

(e) In rules adopted under this section, the commission shall require a mandatory procedure that:

(1) produces a document confirming that a person is eligible to purchase a replacement vehicle in the manner provided by this chapter, and the amount of money available to the participating purchaser;

(2) provides that a person who seeks to purchase a replacement vehicle in the manner provided by this chapter is required to have the document required by Subdivision (1) before the person enters into negotiation for a replacement vehicle in the manner provided by this chapter; and

(3) provides that a participating dealer who relies on a document issued as required by Subdivision (1) has no duty to otherwise confirm the eligibility of a person to purchase a replacement vehicle in the manner provided by this chapter.

(f) In this section, "total cost" means the total amount of money paid or to be paid for the purchase of a motor vehicle as set forth as "sales price" in the form entitled "Application for Texas Certificate of Title" promulgated by the Texas Department of Motor Vehicles. In a transaction that does not involve the use of that form, the term means an amount of money that is equivalent, or substantially equivalent, to the amount that would appear as "sales price" on the Application for Texas Certificate of Title if that form were involved.

Added by Acts 2001, 77th Leg., ch. 1075, Sec. 1, eff. Sept. 1, 2001. Amended by:
- Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 1.04, eff. June 8, 2007.
- Acts 2009, 81st Leg., R.S., Ch. 933 (H.B. 3097), Sec. 3F.02, eff. September 1, 2009.
- Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 12, eff. September 1, 2009.
- Acts 2011, 82nd Leg., R.S., Ch. 347 (H.B. 3272), Sec. 3, eff. September 1, 2011.
Sec. 382.211. LOCAL ADVISORY PANEL. (a) The commissioners court of a participating county may appoint one or more local advisory panels consisting of representatives of automobile dealerships, the automotive repair industry, safety inspection facilities, the public, antique and vintage car clubs, local nonprofit organizations, and locally affected governments to advise the county regarding the operation of the county's low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program, including the identification of a vehicle make or model with intrinsic value as an existing or future collectible.

(b) The commissioners court may delegate all or part of the administrative and financial matters to one or more local advisory panels established under Subsection (a).

Sec. 382.212. EMISSIONS REDUCTION CREDIT. (a) In this section, "emissions reduction credit" means an emissions reduction certified by the commission that is:

(1) created by eliminating future emissions, quantified during or before the period in which emissions reductions are made;

(2) expressed in tons or partial tons per year; and

(3) banked by the commission in accordance with commission rules relating to emissions banking.

(b) To the extent allowable under federal law, the commission by rule shall authorize:

(1) the assignment of a percentage of emissions reduction credit to a private, commercial, or business entity that purchases, for accelerated retirement, a qualified vehicle under a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program;

(2) the transferability of an assigned emissions reduction credit;

(3) the use of emissions reduction credit by the holder of the credit against any state or federal emissions requirements applicable to a facility owned or operated by the holder of the credit;
(4) the assignment of a percentage of emissions reduction credit, on the retirement of a fleet vehicle, a vehicle owned or leased by a governmental entity, or a commercial vehicle, to the owner or lessor of the vehicle; and

(5) other actions relating to the disposition or use of emissions reduction credit that the commission determines will benefit the implementation of low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement programs established under Section 382.209.

Sec. 382.213. DISPOSITION OF RETIRED VEHICLE. (a) Except as provided by Subsection (c) and Subdivision (5) of this subsection, a vehicle retired under an accelerated vehicle retirement program authorized by Section 382.209 may not be resold or reused in its entirety in this or another state. Subject to the provisions of Subsection (i), the automobile dealer who takes possession of the vehicle must submit to the program administrator proof, in a manner adopted by the commission, that the vehicle has been retired. The vehicle must be:

(1) destroyed;

(2) recycled;

(3) dismantled and its parts sold as used parts or used in the program;

(4) placed in a storage facility of a program established under Section 382.209 and subsequently destroyed, recycled, or dismantled and its parts sold or used in the program; or

(5) repaired, brought into compliance, and used as a replacement vehicle under Section 382.209(d)(2).

(a-1) The commission shall establish a partnership with representatives of the steel industry, automobile dismantlers, and the scrap metal recycling industry to ensure that:

(1) vehicles retired under Section 382.209 are scrapped or recycled; and

(2) proof of scrapping or recycling is provided to the commission.

(b) Not more than 10 percent of all vehicles eligible for retirement under this section may be used as replacement vehicles.
under Subsection (a)(5).

(c) A vehicle identified by a local advisory panel as an existing or future collectible vehicle under Section 382.211 may be sold to an individual if the vehicle:

1. is repaired and brought into compliance;
2. is removed from the state;
3. is removed from an affected county; or
4. is stored for future restoration and cannot be registered in an affected county except under Section 504.501 or 504.502, Transportation Code.

(d) Notwithstanding Subsection (a)(3), the dismantler of a vehicle shall scrap the emissions control equipment and engine. The dismantler shall certify that the equipment and engine have been scrapped and not resold into the marketplace. A person who causes, suffers, allows, or permits a violation of this subsection or of a rule adopted under this section is subject to a civil penalty under Subchapter D, Chapter 7, Water Code, for each violation. For purposes of this subsection, a separate violation occurs with each fraudulent certification or prohibited resale.

(e) Notwithstanding Subsection (d), vehicle parts not related to emissions control equipment or the engine may be resold in any state. The only cost to be paid by a recycler for the residual scrap metal of a vehicle retired under this section shall be the cost of transportation of the residual scrap metal to the recycling facility.

(f) Any dismantling of vehicles or salvaging of steel under this section must be performed at a facility located in this state.

(g) In dismantling a vehicle under this section, the dismantler shall remove any mercury switches in accordance with state and federal law.

(h) The commission shall adopt rules:

1. defining "emissions control equipment" and "engine" for the purposes of this section; and
2. providing a procedure for certifying that emissions control equipment and vehicle engines have been scrapped or recycled.

(i) Notwithstanding any other provision of this section, and except as provided by this subsection, a dealer is in compliance with this section and incurs no civil or criminal liability as a result of the disposal of a replaced vehicle if the dealer produces proof of transfer of the replaced vehicle by the dealer to a dismantler. The defense provided by this subsection is not available to a dealer who
Sec. 382.214. SALE OF VEHICLE WITH INTENT TO DEFRAUD. (a) A person who with intent to defraud sells a vehicle in an accelerated vehicle retirement program established under Section 382.209 commits an offense that is a third degree felony.

(b) Sale of a vehicle in an accelerated vehicle retirement program includes:

(1) sale of the vehicle to retire the vehicle under the program; and

(2) sale of a vehicle purchased for retirement under the program.

Sec. 382.215. SALE OF VEHICLE NOT REQUIRED. Nothing in this subchapter may be construed to require a vehicle that has failed a required emissions test to be sold or destroyed by the owner.

Sec. 382.216. INCENTIVES FOR VOLUNTARY PARTICIPATION IN VEHICLE EMISSIONS INSPECTION AND MAINTENANCE PROGRAM. The commission, the Texas Department of Transportation, and the Public Safety Commission may, subject to federal limitations:

(1) encourage counties likely to exceed federal clean air standards to implement voluntary:

(A) motor vehicle emissions inspection and maintenance...
programs; and

(B) low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement programs;

(2) establish incentives for counties to voluntarily implement motor vehicle emissions inspection and maintenance programs and low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement programs; and

(3) designate a county that voluntarily implements a motor vehicle emissions inspection and maintenance program or a low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement program as a "Clean Air County" and give preference to a county designated as a Clean Air County in any federal or state clean air grant program.

Sec. 382.218. REQUIRED PARTICIPATION BY CERTAIN COUNTIES. (a) This section applies only to a county with a population of 800,000 or more that borders the United Mexican States.

(b) A county that was at any time required, because of the county's designation as a nonattainment area under Section 107(d) of the federal Clean Air Act (42 U.S.C. Section 7407), to participate in the vehicle emissions inspection and maintenance program under this subchapter and Subchapter F, Chapter 548, Transportation Code, shall continue to participate in the program even if the county is designated as an attainment area under the federal Clean Air Act.

Added by Acts 2005, 79th Leg., Ch. 958 (H.B. 1611), Sec. 4, eff. June 18, 2005.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1163 (H.B. 2702), Sec. 47, eff. September 1, 2011.

Sec. 382.219. PURCHASE OF REPLACEMENT VEHICLE; AUTOMOBILE DEALERSHIPS. (a) An amount described by Section 382.210(a)(2) may be used as a down payment toward the purchase of a replacement vehicle.

(b) An automobile dealer that participates in the procedures and programs offered by this chapter must be located in the state.
No dealer is required to participate in the procedures and programs provided by this chapter.

Added by Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 1.06, eff. June 8, 2007.

Sec. 382.220. USE OF FUNDING FOR LOCAL INITIATIVE PROJECTS. (a) Money that is made available to participating counties under Section 382.202(g) or 382.302 may be appropriated only for programs administered in accordance with Chapter 783, Government Code, to improve air quality. A participating county may agree to contract with any appropriate entity, including a metropolitan planning organization or a council of governments to implement a program under Section 382.202, 382.209, or this section.

(b) A program under this section must be implemented in consultation with the commission and may include a program to:

(1) expand and enhance the AirCheck Texas Repair and Replacement Assistance Program;
(2) develop and implement programs or systems that remotely determine vehicle emissions and notify the vehicle's operator;
(3) develop and implement projects to implement the commission's smoking vehicle program;
(4) develop and implement projects in consultation with the director of the Department of Public Safety for coordinating with local law enforcement officials to reduce the use of counterfeit registration insignia and vehicle inspection reports by providing local law enforcement officials with funds to identify vehicles with counterfeit registration insignia and vehicle inspection reports and to carry out appropriate actions;
(5) develop and implement programs to enhance transportation system improvements; or
(6) develop and implement new air control strategies designed to assist local areas in complying with state and federal air quality rules and regulations.

(c) Money that is made available for the implementation of a program under Subsection (b) may not be expended for local government fleet or vehicle acquisition or replacement, call center management, application oversight, invoice analysis, education, outreach, or advertising purposes.
(d) Fees collected under Sections 382.202 and 382.302 may be used in an amount not to exceed $7 million per fiscal year for projects described by Subsection (b), of which $2 million may be used only for projects described by Subsection (b)(4). The remaining $5 million may be used for any project described by Subsection (b). The fees shall be made available only to counties participating in the low-income vehicle repair assistance, retrofit, and accelerated vehicle retirement programs created under Section 382.209 and only on a matching basis, whereby the commission provides money to a county in the same amount that the county dedicates to a project authorized by Subsection (b). The commission may reduce the match requirement for a county that proposes to develop and implement independent test facility fraud detection programs, including the use of remote sensing technology for coordinating with law enforcement officials to detect, prevent, and prosecute the use of counterfeit registration insignia and vehicle inspection reports.

Added by Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 1.07, eff. June 8, 2007.
Amended by:
   Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 13, eff. September 1, 2009.
   Acts 2013, 83rd Leg., R.S., Ch. 1038 (H.B. 2859), Sec. 1, eff. September 1, 2013.
   Acts 2013, 83rd Leg., R.S., Ch. 1291 (H.B. 2305), Sec. 8, eff. March 1, 2015.

SUBCHAPTER H. VEHICLE EMISSIONS PROGRAMS IN CERTAIN COUNTIES

Sec. 382.301. DEFINITIONS. In this subchapter:

(1) "Early action compact" means an agreement entered into before January 1, 2003, by the United States Environmental Protection Agency, the commission, the governing body of a county that is in attainment of the one-hour national ambient air quality standard for ozone but that has incidents approaching, or monitors incidents that exceed, the eight-hour national ambient air quality standard for ozone, and the governing body of the most populous municipality in that county that results in the submission of:
   (A) an early action plan to the commission that the commission finds to be adequate; and
(B) a state implementation plan revision to the United States Environmental Protection Agency on or before December 31, 2004, that provides for attainment of the eight-hour national ambient air quality standard for ozone on or before December 31, 2007.

(2) "Participating county" means a county that is a party to an early action compact.

Added by Acts 2003, 78th Leg., ch. 203, Sec. 1, eff. June 10, 2003.

Sec. 382.302. INSPECTION AND MAINTENANCE PROGRAM. (a) A participating county whose early action plan contains provisions for a motor vehicle emissions inspection and maintenance program and has been found adequate by the commission may formally request the commission to adopt motor vehicle emissions inspection and maintenance program requirements for the county. The request must be made by a resolution adopted by the governing body of the participating county and the governing body of the most populous municipality in the county.

(b) After approving a request made under Subsection (a), the commission by resolution may request the Public Safety Commission to establish motor vehicle emissions inspection and maintenance program requirements for the participating county under Subchapter F, Chapter 548, Transportation Code, in accordance with this section and rules adopted under this section. The motor vehicle emissions inspection and maintenance program requirements for the participating county may include exhaust emissions testing, emissions control devices and systems inspections, or other testing methods that meet or exceed United States Environmental Protection Agency requirements, and a remote sensing component as provided by Section 382.204. The motor vehicle emissions inspection and maintenance program requirements adopted for the participating county may apply to all or to a defined subset of vehicles described by Section 382.203.

(c) The commission may assess a fee for a vehicle inspection performed in accordance with a program established under this section. The fee must be in an amount reasonably necessary to recover the costs of developing, administering, evaluating, and enforcing the participating county's motor vehicle emissions inspection and maintenance program. An appropriate part of the fee as determined by commission rule may be retained by the station.
owner, contractor, or operator to recover the cost of performing the inspection and provide for a reasonable margin of profit.

(d) The incentives for voluntary participation established under Section 382.216 shall be made available to a participating county.

(e) A participating county may participate in the program established under Section 382.209.

Added by Acts 2003, 78th Leg., ch. 203, Sec. 1, eff. June 10, 2003.

**SUBCHAPTER I. PROGRAMS TO ENCOURAGE THE USE OF INNOVATIVE TECHNOLOGIES**

Sec. 382.401. ALTERNATIVE LEAK DETECTION TECHNOLOGY. (a) In this section, "alternative leak detection technology" means technology, including optical gas imaging technology, designed to detect leaks and emissions of air contaminants.

(b) The commission by rule shall establish a program that allows the owner or operator of a facility regulated under this chapter to use voluntarily as a supplemental detection method any leak detection technology that has been incorporated and adopted by the United States Environmental Protection Agency into a program for detecting leaks or emissions of air contaminants. The program must provide regulatory incentives to encourage voluntary use of the alternative leak detection technology at a regulated facility that is capable of detecting leaks or emissions that may not be detected by methods or technology approvable under the commission's regulatory program for leak detection and repair in effect on the date the commission adopts the program. The incentives may include:

(1) on-site technical assistance; and

(2) to the extent consistent with federal requirements:

(A) inclusion of the facility's use of alternative leak detection technology in the owner or operator's compliance history and compliance summaries;

(B) consideration of the implementation of alternative leak detection technology in scheduling and conducting compliance inspections; and

(C) credits or offsets to the facility's emissions reduction requirements based on the emissions reductions achieved by voluntary use of alternative leak detection technology.
(c) The owner or operator of a facility using an alternative leak detection technology shall repair and record an emission or leak of an air contaminant from a component subject to the commission's regulatory program for leak detection and repair that is detected by the alternative technology as provided by the commission's leak detection and repair rules in effect at the time of the detection. A repair to correct an emission or leak detected by the use of alternative leak detection technology may be confirmed using the same technology.

(d) As part of the program of incentives adopted under Subsection (b), the commission shall:

(1) ensure that the owner or operator of a facility records and repairs, if possible and within a reasonable period, any leak or emission of an air contaminant at the facility that is detected by the voluntary use of alternative leak detection technology from a component not subject to commission rules for leak detection and repair in effect on the date of detection;

(2) establish the reasonable period allowed for the repair of a component causing a leak or emission in a way that includes consideration of the size and complexity of the repair required;

(3) subject to commission reporting requirements only those components that are not repairable within the reasonable time frame established by the commission; and

(4) exempt from commission enforcement a leak or emission that is repaired within the reasonable period established by the commission.

(e) To the extent consistent with federal requirements, the commission may not take an enforcement action against an owner or operator of a facility participating in the program established under this section for a leak or an emission of an air contaminant that would otherwise be punishable as a violation of the law or of the terms of the permit under which the facility operates if the leak or emission was detected by using alternative technology and it would not have been detected under the commission's regulatory program for leak detection and repair in effect on the date of the detection.

Added by Acts 2007, 80th Leg., R.S., Ch. 870 (H.B. 1526), Sec. 1, eff. June 15, 2007.
SUBCHAPTER J. FEDERAL GREENHOUSE GAS REPORTING RULE

Sec. 382.451. DEVELOPMENT OF FEDERAL GREENHOUSE GAS REPORTING RULE. (a) The commission and the Railroad Commission of Texas, the Department of Agriculture, and the Public Utility Commission of Texas shall jointly participate in the federal government process for developing federal greenhouse gas reporting requirements and the federal greenhouse gas registry requirements.

(b) The commission shall adopt rules as necessary to comply with any federal greenhouse gas reporting requirements adopted by the federal government for private and public facilities eligible to participate in the federal greenhouse gas registry. In adopting the rules, the commission shall adopt and incorporate by reference rules implementing the federal reporting requirements and the federal registry.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 29, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 382.501 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(29), eff. September 1, 2011.

Sec. 382.452. VOLUNTARY ACTIONS INVENTORY. The commission shall:

(1) establish an inventory of voluntary actions taken by businesses in this state or by state agencies since September 1, 2001, to reduce carbon dioxide emissions; and

(2) work with the United States Environmental Protection Agency to give credit for early action under any federal rules that may be adopted for federal greenhouse gas regulation.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 29, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 382.502 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(29), eff. September 1, 2011.

SUBCHAPTER K. OFFSHORE GEOLOGIC STORAGE OF CARBON DIOXIDE

Sec. 382.501. DEFINITIONS. In this subchapter:

(1) "Board" means the School Land Board.
(2) "Bureau" means the Bureau of Economic Geology at The University of Texas at Austin.

(3) "Carbon dioxide repository" means an offshore deep subsurface geologic repository for the storage of anthropogenic carbon dioxide.

(4) "Land commissioner" means the commissioner of the General Land Office.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 1, eff. September 1, 2009.

Sec. 382.502. RULES. (a) The commission by rule may adopt standards for the location, construction, maintenance, monitoring, and operation of a carbon dioxide repository.

(b) If the United States Environmental Protection Agency issues requirements regarding carbon dioxide sequestration, the commission shall ensure that the construction, maintenance, monitoring, and operation of the carbon dioxide repository under this subchapter comply with those requirements.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 1, eff. September 1, 2009.

Sec. 382.503. STUDY; SELECTION OF LOCATION. (a) The land commissioner shall contract with the bureau to conduct a study of state-owned offshore submerged land to identify potential locations for a carbon dioxide repository.

(b) The land commissioner shall recommend suitable sites for carbon dioxide storage to the board based on the findings of the study.

(c) The board shall make the final determination of suitable locations for carbon dioxide storage.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 1, eff. September 1, 2009.

Sec. 382.504. CONTRACT FOR NECESSARY INFRASTRUCTURE AND OPERATION. (a) Once the location has been established for the
carbon dioxide repository, the board may issue requests for proposals for the lease of permanent school fund land for the construction of any necessary infrastructure for the transportation and storage of carbon dioxide to be stored in the carbon dioxide repository.

(b) The board may contract for construction or operational services for the repository.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 1, eff. September 1, 2009.

Sec. 382.505. ACCEPTANCE OF CARBON DIOXIDE FOR STORAGE; FEES AND CARBON CREDITS. (a) Once the carbon dioxide repository is established, the board may accept carbon dioxide for storage.

(b) The board by rule may establish a fee for the storage of carbon dioxide in the carbon dioxide repository. If this state participates in a program that facilitates the trading of carbon credits, a fee under this subsection may be established as a percentage of the carbon credits associated with the storage.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 1, eff. September 1, 2009.

Sec. 382.506. MEASURING, MONITORING, AND VERIFICATION; ROLE OF BUREAU. (a) The commission by rule may establish standards for the measurement, monitoring, and verification of the permanent storage status of the carbon dioxide in the carbon dioxide repository.

(b) The bureau shall perform the measurement, monitoring, and verification of the permanent storage status of carbon dioxide in the carbon dioxide repository.

(c) The bureau shall serve as a scientific advisor for the measuring, monitoring, and permanent storage status verification of the carbon dioxide repository.

(d) The bureau shall provide to the board data relating to the measurement, monitoring, and verification of the permanent storage status of the carbon dioxide in the carbon dioxide repository, as determined by the board.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 1, eff. September 1, 2009.
Sec. 382.507. OWNERSHIP OF CARBON DIOXIDE. (a) The board shall acquire title to carbon dioxide stored in the carbon dioxide repository on a determination by the board that permanent storage has been verified and that the storage location has met all applicable state and federal requirements for closure of carbon dioxide storage sites.

(b) The right, title, and interest in carbon dioxide acquired under this section are the property of the permanent school fund and shall be administered and controlled by the board.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 1, eff. September 1, 2009.

Sec. 382.508. LIABILITY. (a) The transfer of title to the state under Section 382.507 does not relieve a producer of carbon dioxide of liability for any act or omission regarding the generation of stored carbon dioxide performed before the carbon dioxide was stored.

(b) On the date the permanent school fund, under Section 382.507, acquires the right, title, and interest in carbon dioxide, the producer of the carbon dioxide is relieved of liability for any act or omission regarding the carbon dioxide in the carbon dioxide repository.

(c) This section does not relieve a person who contracts with the board under Section 382.504(b) of liability for any act or omission regarding the construction or operation, as applicable, of the carbon dioxide repository.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 1, eff. September 1, 2009.

Sec. 382.509. RATES FOR TRANSPORTATION. Neither the commission nor the board may establish or regulate the rates charged for the transportation of carbon dioxide to the carbon dioxide repository.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 1, eff. September 1, 2009.
Sec. 382.510. ANNUAL REPORT. The land commissioner shall issue annually a report regarding the carbon dioxide repository. The report may be submitted electronically by posting on the General Land Office's Internet website. The report must include information regarding:

(1) the total volume of carbon dioxide stored;
(2) the total volume of carbon dioxide received for storage during the year; and
(3) the volume of carbon dioxide received from each producer of carbon dioxide.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 1, eff. September 1, 2009.

CHAPTER 383. CLEAN AIR FINANCING ACT

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 383.001. SHORT TITLE. This chapter may be cited as the Clean Air Financing Act.

Sec. 383.002. POLICY AND PURPOSE. (a) The policy of the state and the purpose of this chapter are to:

(1) safeguard state air resources from emissions of air contaminants and other pollution;
(2) protect public health, general welfare, physical property, and the esthetic enjoyment of air resources by the public; and
(3) maintain adequate visibility.

(b) It is the policy of the state that the control of air pollution is essential to the well-being and survival of state inhabitants and the protection of the environment. The control, prevention, and abatement of air pollution will conserve and develop state natural resources, within the meaning of Article XVI, Section 59(a), of the Texas Constitution, by preventing further damage to the environment.
Sec. 383.003. DEFINITIONS. In this chapter:

(1) "Air contaminant" has the meaning assigned by Section 382.003 (Texas Clean Air Act).

(2) "Air pollution" has the meaning assigned by Section 382.003 (Texas Clean Air Act).

(3) "Bond" includes a note.

(4) "Coastal basin" means an area that:
   (A) is defined and designated as a coastal basin as of April 26, 1973, by the Texas Water Development Board, and as a separate unit that has the purpose of water development and interwatershed transfers; and
   (B) has boundaries determined by a contour map filed in the office of the Texas Water Development Board.

(5) "Commission" means the Texas Natural Resource Conservation Commission.

(6) "Control facility" means a facility that has been certified by the commission, or by its executive secretary if the commission authorizes, as being designed to reduce or eliminate air pollution.

(7) "Disposal system" has the meaning assigned by Section 30.003(10), Water Code.

(8) "District" means a district or authority created under Article XVI, Section 59, or Article III, Section 52, of the Texas Constitution, but does not include a district or authority located entirely within a river authority unless the district or authority:
   (A) has all or part of at least two municipalities within its boundaries;
   (B) is governed by Chapter 56, 60, 61, 62, or 63, Water Code; or
   (C) is created for the primary purpose of navigation of its coastal and inland waters.

(9) "Issuer" means a municipality, county, or district.

(10) "Real property" means land, a structure, a franchise or interest in land, water, land under water, riparian rights, air rights, or another thing or right pertaining to that property, including an easement, right-of-way, use, lease, license, or other incorporeal hereditament, or an estate, interest, or legal or
equitable right, including a term for years or lien on that property because of a judgment, mortgage, or other reason.

(11) "Resolution" means the action, including an order or ordinance, that authorizes bonds and that is taken by the governing body of an issuer.

(12) "River authority" has the meaning assigned by Section 30.003(4), Water Code.

(13) "River basin" means an area that:

(A) is defined and designated as a river basin as of April 26, 1973, by the Texas Water Development Board, and as a separate unit that has the purpose of water development and interwatershed transfers; and

(B) has boundaries determined by a contour map filed in the office of the Texas Water Development Board.

(14) "Security agreement" means a trust indenture or other instrument securing bonds.

Sec. 383.004. CERTIFICATION OF CONTROL FACILITY BY COMMISSION. The commission may prescribe necessary criteria and procedures for certifying a control facility and may limit certification to confirmation that a proposed facility is intended to control air pollution. Certification of a control facility's adequacy or expected performance or of other specifications is not necessary.

Sec. 383.005. ADOPTION OF ALTERNATE PROCEDURE. If a court holds that a procedure under this chapter violates the United States Constitution or Texas Constitution, an issuer by resolution may provide an alternate procedure that conforms to those constitutions.

Sec. 383.006. EFFECT OF CHAPTER ON OTHER LAW. (a) This
chapter does not limit the authority of the commission, a district, or a local government in performing a power or duty provided by other law. This chapter does not limit the authority of the commission or a local government to adopt and enforce rules or carry out duties under Chapter 382 (Texas Clean Air Act).

(b) Chapter 382 (Texas Clean Air Act) shall be enforced without regard to ownership of a control facility financed under this chapter.

(c) This chapter does not affect the right of a private person to pursue, against a person who contracts with an issuer under this chapter, a common-law remedy to abate or recover damages for a condition of pollution or other nuisance. A person purchasing or using a control facility under contract with an issuer may not assert the defense of sovereign immunity because of the issuer's ownership of the control facility.

(d) An issuer may use other law not in conflict with this chapter to the extent convenient or necessary to carry out a power or authority expressly or impliedly granted by this chapter.

SUBCHAPTER B. OPERATION OF CONTROL FACILITY

Sec. 383.011. AUTHORITY TO ACQUIRE AND TRANSFER PROPERTY. (a) An issuer may acquire, construct, and improve a control facility and may acquire real property as the issuer considers appropriate for the control facility.

(b) An issuer may enter into a lease or other contract under which another person uses or acquires the issuer's control facility. An issuer may sell a control facility, by installment payments or otherwise, to any person on conditions the issuer considers desirable.

Sec. 383.012. LOCATION OF CONTROL FACILITY. (a) A control facility may be located on the property of any person.

(b) A control facility of a municipality must be located in whole or in part within:
(1) the boundaries of the municipality; or
(2) the municipality's extraterritorial jurisdiction, as determined under Chapter 42, Local Government Code.

(c) A control facility of a river authority may be located outside the river authority's boundaries if it is located in whole or in part within the river authority's river basin or a coastal basin adjoining the river authority's boundaries. A control facility of a river authority may be located anywhere in the state if it is financed at the same time and with the same bond issue as a control facility located within the river authority's boundaries or located in whole or in part within the river authority's river basin or a coastal basin adjoining the river authority's boundaries.

(d) A control facility of a county or a district other than a river authority must be located in whole or in part within the county's or district's boundaries.

Sec. 383.013. CONTRACTS. (a) A lease or other contract entered into under this chapter may be for the term agreed to by the parties. The lease or other contract may provide that it continues in effect until specified bonds or refunding bonds issued in place of the specified bonds are fully paid.

(b) The provisions of Chapter 2253, Government Code, that relate to performance and payment bonds apply to a construction contract let by an issuer, except that an issuer is not required to receive construction bids on a project.

(c) Any law requiring competitive bids does not apply to a construction contract for a project authorized by this chapter.

Sec. 383.014. COST OF CERTAIN REQUIRED ALTERATIONS. The relocation, raising, lowering, rerouting, changing of grade, or altering of construction of a highway, railroad, electric transmission line, telegraph or telephone property or facility, or pipeline made necessary by the actions of an issuer shall be
accomplished at the sole expense of the issuer, who shall pay the cost of the required activity as necessary to provide comparable replacement, minus the net salvage value of any replaced facility. The issuer shall pay that amount from the proceeds of bonds issued to finance a control facility.

Sec. 383.015. TAXATION. (a) An issuer is not required to pay a tax or other assessment on a control facility or part of a control facility.

(b) Bonds issued under this chapter, the transfer of the bonds, and income from the bonds are exempt from taxation in this state.

(c) This chapter does not affect state law relating to an ad valorem tax imposed on a person who is not a public agency or political subdivision or on an interest held by such a person. A control facility purchased or used under this chapter is subject to ad valorem taxation payable by the person contracting with the issuer for the facility's purchase or use as if the contract created a leasehold.

SUBCHAPTER C. BONDS

Sec. 383.021. AUTHORITY TO ISSUE. (a) An issuer may issue negotiable bonds, payable from revenues of the issuer, to pay costs related to the acquisition, construction, or improvement of a control facility, including:

(1) the cost of real property acquired for the control facility;
(2) finance charges;
(3) interest before and during construction and for a period the issuer finds reasonable after completion of construction;
(4) expenses incurred for architectural, engineering, and legal services;
(5) expenses incurred for plans, specifications, surveys, and estimates;
(6) expenses incurred in placing the control facility in operation;
(7) expenses of administration; and
(8) other expenses necessary or incident to the
   acquisition, construction, or improvement.
(b) The bonds may be issued in more than one series and from
time to time as required to carry out the purposes of this chapter.
(c) Pending issuance of definitive bonds, the issuer may
   authorize the delivery of negotiable interim bonds eligible for
   exchange or substitution by use of the definitive bonds.
(d) An issuer may not issue bonds to acquire an existing
   control facility solely for the purpose of leasing or selling it back
to the person from whom it was acquired or to another person
   controlled by that person, unless the control facility is to be
   substantially improved before it is leased or sold back to such a
   person.

Sec. 383.022. FORM AND PROCEDURE. (a) Bonds under this
chapter must be authorized by resolution. The bonds must:
(1) be signed by the presiding officer or assistant
   presiding officer of the governing body;
(2) be attested by the secretary of the governing body;
   and
(3) have the seal of the issuer impressed, printed, or
   lithographed on the bonds.
(b) The bonds may have the characteristics and bear the
   designation determined by the governing body of the issuer, except
   that the designation must include for each control facility to be
   financed with the bonds:
   (1) the name of each person using or purchasing the control
       facility;
   (2) the name of each person guaranteeing the contractual
       obligations of each person using or purchasing the control facility;
       or
   (3) a statement, if applicable, that a group of persons
       will be using or purchasing the control facility.
(c) The governing body may authorize a required signature to be
   printed or lithographed on the bonds. The issuer may adopt or use
   the signature of a person who has been an officer, regardless of
whether the person is an officer when the bonds are delivered to a purchaser.

Sec. 383.023. TERMS. Bonds issued under this chapter must mature serially or otherwise not more than 40 years after they are issued. The bonds may:
(1) bear interest at a rate and be sold at a price or under terms that the governing body of the issuer determines to be the most advantageous reasonably obtainable;
(2) be made callable before maturity at times and prices prescribed in the resolution authorizing the bonds;
(3) be in coupon form; and
(4) be registrable as to principal or as to principal and interest.

Sec. 383.024. APPROVAL AND REGISTRATION. (a) An issuer shall submit bonds that have been authorized by its governing body, including refunding bonds and the record relating to the bond issuance, to the attorney general for examination as to their validity. If the bonds state that they are secured by a pledge of proceeds of a lease or other contract previously entered into by the issuer, the issuer may submit the contract with the bonds.
(b) If the bonds have been authorized in accordance with state law and any contract has been made in accordance with state law, the attorney general shall approve the bonds and contract and the comptroller shall register the bonds.
(c) Following approval and registration, the bonds and contract are incontestable.

Sec. 383.025. PLEDGE OF REVENUE AS SECURITY; ELECTION. (a) An issuer's bonds may be secured, as specified by the resolution or a security agreement, by a pledge of all or part of the revenues of the
issuer derived from:

(1) the use or sale of a control facility or disposal system; or
(2) services rendered by a disposal system.

(b) Except as provided by Section 383.026, before a municipality or county issues bonds secured under Subsection (a), the municipality or county must publish notice of its intention to issue the bonds at least once in a newspaper of general circulation within the boundaries of the municipality or county. Not later than 30 days after the date of the publication, not less than 10 percent of the qualified voters of the municipality or county may file a petition with the clerk or secretary of the governing body requesting the governing body to order an election on the issuance of the bonds. On the filing of the petition, the governing body shall order an election to be held in the municipality or county to determine whether the bonds may be issued as indicated in the notice. The governing body shall set the date of the election in accordance with Section 41.001, Election Code. If the majority of voters who vote at the election approve the issuance of the bonds, the governing body may issue the bonds. If a petition is not filed within the period provided by this subsection, the governing body may issue the bonds without an election.

(c) The governing body shall fix and periodically revise payments under a lease or other contract for the use or sale of a control facility so that the payments and other pledged revenue will be sufficient to pay the bonds and interest on the bonds as they mature and become due and to maintain reserve or other funds as provided by the resolution or security agreement. The governing body may direct the investment of money in the funds created by the resolution or security agreement.

Sec. 383.026. PLEDGE OF OTHER UTILITY REVENUE; ELECTION. (a) In addition to the security under Section 383.025, a municipality's or county's bonds may be secured, as specified by the resolution or a security agreement, by a pledge of other utility revenue of the municipality or county.

(b) Before issuing bonds secured by other utility revenue, the
governing body must order an election to determine whether the bonds may be issued. The governing body shall set the date of the election in accordance with Section 41.001, Election Code. The manner of holding the election is governed by Chapter 1251, Government Code. If the majority of voters who vote at the election approve the issuance of the bonds, the governing body may issue the bonds.

Sec. 383.027. SECURITY MAY APPLY TO ADDITIONAL BONDS. A pledge under Section 383.025 or 383.026 may reserve the right, under conditions specified by the pledge, to issue additional bonds to be on a parity with or subordinate to the bonds secured by the pledge. Bonds issued under this chapter may be combined in the same issue with bonds issued for other purposes authorized by law.

Sec. 383.028. TRUSTS AS SECURITY. (a) The governing body may additionally secure bonds, including refunding bonds, by a trust indenture under which the trustee may be a bank having trust powers located inside or outside the state.

(b) Regardless of any mortgage, deed of trust lien, or security interest under Section 383.029, the trust indenture may:

(1) contain any provision that the governing body prescribes for the security of the bonds and the preservation of the trust estate;

(2) provide for amendment or modification of the trust indenture;

(3) condition the right to spend the issuer's money or sell an issuer's control facility on approval of a registered professional engineer selected as provided by the trust indenture;

(4) contain provisions governing issuance of bonds to replace lost, stolen, or mutilated bonds; and

(5) otherwise provide for protecting and enforcing a bondholder's rights and remedies as is reasonable, proper, and lawful.
Sec. 383.029. OTHER SECURITY. (a) The bonds may be additionally secured by a mortgage, deed of trust lien, or security interest in a designated control facility of the governing body and all property and rights appurtenant to the control facility.

(b) The mortgage, deed of trust lien, or security interest may give the trustee the power to operate the control facility, sell the control facility to pay the debt, or take any other action to secure the bonds.

(c) A purchaser at a sale under a mortgage or deed of trust lien is the absolute owner of the control facility and rights purchased.

Sec. 383.030. ACTION BY BONDHOLDERS. (a) The resolution or a security agreement may provide that on default in the payment of principal of or interest on the bonds, or threatened default under conditions stated in the resolution or security agreement, and on petition of the holders of outstanding bonds, a court of competent jurisdiction may appoint a receiver to collect and receive pledged income.

(b) The resolution or security agreement may limit or qualify the rights of less than all of the holders of outstanding bonds payable from the same source to institute or prosecute litigation affecting the issuer's property or income.

Sec. 383.031. INVESTMENT AND USE OF PROCEEDS. (a) The governing body may set aside amounts from the proceeds of the sale of bonds for payment into an interest and sinking fund and reserve funds and may provide for this in the resolution or a security agreement. All expenses of issuing and selling the bonds must be paid from the proceeds of the sale of the bonds.

(b) Proceeds from the sale of bonds may be invested in:

(1) direct or indirect obligations of the United States
government or an agency of the United States government that mature in a manner specified by the resolution or a security agreement; or

(2) certificates of deposit of a bank or trust company if the deposits are secured by obligations described by Subdivision (1).

(c) A bank or trust company with trust powers may be designated as depository for proceeds of bonds or of lease or other contract revenue. The bank or trust company shall furnish indemnifying bonds or pledge securities as required by the issuer to secure the deposits.

Sec. 383.032. REFUNDING BONDS. (a) A governing body may issue refunding bonds to refund the principal of, interest on, and any redemption premium applicable to outstanding bonds. The refunding bonds may:

(1) refund more than one series of outstanding bonds and combine the revenue pledged to the outstanding bonds for the security of the refunding bonds; and

(2) be secured by other or additional revenues and deed of trust liens.

(b) The provisions of this chapter relating to issuance of bonds, security for bonds, approval by the attorney general, and remedies of bondholders apply to refunding bonds.

(c) The comptroller shall register refunding bonds:

(1) on the surrender and cancellation of the original bonds; or

(2) without surrender and cancellation of the original bonds if:

(A) the resolution authorizing the refunding bonds provides that their proceeds be deposited in the bank where the original bonds are payable; and

(B) the refunding bonds are issued in an amount sufficient to pay the principal of, interest on, and any redemption premium applicable to the original bonds up to their option date or maturity date.

Sec. 383.033. LEGAL INVESTMENTS; SECURITY FOR DEPOSITS. (a) Bonds issued under this chapter are legal and authorized investments for:

(1) a bank;
(2) a savings bank;
(3) a trust company;
(4) a savings and loan association;
(5) an insurance company;
(6) a fiduciary;
(7) a trustee; and
(8) a sinking fund of a municipality, county, school district, or other political corporation or subdivision of the state.

(b) The bonds may secure the deposits of public funds of the state or a municipality, county, school district, or other political corporation or subdivision of the state. The bonds are lawful and sufficient security for those deposits in an amount up to their face value, if accompanied by all appurtenant unmatured coupons.

Sec. 383.034. BONDS NOT GENERAL OBLIGATION. The bonds are special obligations payable solely from revenues pledged to their payment and are not general obligations of the governing body, the issuer, or the state. A bondholder may not demand payment from money obtained from a tax or other revenue of the issuer, excluding revenues pledged to the payment of the bonds.

CHAPTER 384. AREA EMISSION REDUCTION CREDIT ORGANIZATIONS
Sec. 384.001. DEFINITIONS. In this chapter:

(1) "Commission" means the Texas Natural Resource Conservation Commission.

(2) "Emission reduction credit" means a credit recognized by the commission and the United States Environmental Protection Agency for reductions in emissions of air pollutants.

(3) "Nonattainment area" means an area so designated within the meaning of Section 107(d) of the federal Clean Air Act (42 U.S.C. Section 7407).
Sec. 384.002. PURPOSE. The purpose of an area emission reduction credit organization shall be to promote the coexistence of the improvement of air quality and economic development within the region through the acquisition and distribution of emission reduction credits. Its activities may include the use of emission reduction credits to help meet federal reasonable further progress requirements as well as using emission reduction credits to facilitate the issuance of permits.

Added by Acts 1993, 73rd Leg., ch. 128, Sec. 1, eff. May 11, 1993.

Sec. 384.003. ESTABLISHMENT OF ORGANIZATION. A regional council of governments whose area of jurisdiction contains a nonattainment area may establish an organization on approval by the commission of its creation petition as provided by Section 384.015.

Sec. 384.004. FUNCTIONS; ORGANIZATION. An organization created under this chapter shall:

1. represent all counties within a nonattainment area;
2. have a board of directors appointed in accordance with the provisions of this chapter;
3. have the power, authority, and limitations provided by this chapter; and
(4) have bylaws setting forth its organization and procedures, including provisions for conflicts of interest.

Added by Acts 1993, 73rd Leg., ch. 128, Sec. 1, eff. May 11, 1993.

Sec. 384.005. OFFSET REQUIREMENTS. All transactions of an organization involving emission reduction credits shall be subject to the offset requirements of the federal Clean Air Act (42 U.S.C. Section 7401 et seq.).

Added by Acts 1993, 73rd Leg., ch. 128, Sec. 1, eff. May 11, 1993.

Sec. 384.006. LOCATION RESTRICTION. There shall not be more than one organization within a metropolitan statistical area or consolidated metropolitan statistical area.

Added by Acts 1993, 73rd Leg., ch. 128, Sec. 1, eff. May 11, 1993.

Sec. 384.007. STAFF. The regional council of governments may provide staff to an organization created under this chapter.

Added by Acts 1993, 73rd Leg., ch. 128, Sec. 1, eff. May 11, 1993.

Sec. 384.008. BOARD OF DIRECTORS. (a) The board of directors of an organization shall consist of not less than six and not more than 21 appointed members, provided, however, that the number of appointed members is divisible by three. The appointed members are appointed by and may be removed for cause by the governing body of the regional council of governments. The appointed members serve three-year terms, with one-third of the members' terms expiring each year. In order to stagger the terms, the initial appointees of a board of directors shall draw lots to determine which one-third serves for one year, which one-third serves for two years, and which one-third serves for three years. In addition, the board of directors shall have one ex officio nonvoting member from the commission, designated by the executive director of the commission to act as a liaison between the commission and the area emission
(b) The appointed members of the board of directors shall represent the general public, large industrial sources of emissions, small regulated businesses, and environmental and economic development interests. Each county in the nonattainment area shall be represented on the board of directors, and other areas in the region shall be represented in a manner that reflects the relative contributions of each area to total emissions or potential emission reductions.

Sec. 384.009. REMOVAL FOR CAUSE. The regional council of governments appointing a member of the board of directors of an organization may remove such member for cause if the member:

(1) cannot discharge the member's duties for a substantial portion of the term for which the member is appointed because of illness or disability; or

(2) is absent from more than half of the regularly scheduled meetings that the member is eligible to attend during a calendar year unless the absence is excused by a majority vote of the board of directors.

Added by Acts 1993, 73rd Leg., ch. 128, Sec. 1, eff. May 11, 1993.

Sec. 384.010. CONFLICT OF INTEREST. A member of a board of directors may not vote on a matter in which the member or the member's employer has a direct financial interest.

Added by Acts 1993, 73rd Leg., ch. 128, Sec. 1, eff. May 11, 1993.

Sec. 384.011. AUTHORITY. The board of directors of an organization shall have independent decision-making authority and shall not be required to have its decisions reviewed by the governing body of the regional council of governments. A regional council of governments shall not have any liability under any contracts entered
into by an organization.

Added by Acts 1993, 73rd Leg., ch. 128, Sec. 1, eff. May 11, 1993.

Sec. 384.012. POWERS AND DUTIES. An organization shall have the authority to:

(1) receive and use funds;
(2) have an account at the Texas Natural Resource Conservation Commission Air Emission Reduction Credit Bank;
(3) acquire emission reduction credits through purchase, donation, or other means;
(4) transfer emission reduction credits by sale or other means;
(5) identify, evaluate, promote, initiate, and facilitate potential projects and strategies to generate emission reduction credits;
(6) provide financial assistance for projects to generate emission reduction credits;
(7) employ staff;
(8) enter into contracts; and
(9) consider sustainability of projects.

Sec. 384.013. PROHIBITIONS. An organization created under this chapter shall have no regulatory or taxing authority.

Added by Acts 1993, 73rd Leg., ch. 128, Sec. 1, eff. May 11, 1993.

Sec. 384.014. ANNUAL REPORT. By March 1 of each year each area organization shall file with the commission and the regional council of governments an annual report for the preceding calendar year. The annual report shall contain a financial accounting, an accounting of emission reduction credits, and a listing of all emission reduction credit transactions entered into by the organization.
Sec. 384.015. PROCEDURE FOR FILING AND APPROVAL OF PETITION. (a) A regional council of governments may authorize by resolution the submission of a petition to the commission requesting the creation of an organization under this chapter. (b) The petition shall contain sufficient information to permit a determination of compliance with the provisions of this chapter and shall include a copy of the proposed bylaws and a plan for ensuring compliance with the requirements of this chapter. (c) The commission shall review the petition for compliance with this chapter and hold a hearing in the region to obtain public comment on the petition. (d) The commission shall approve the petition and creation of the organization if, after hearing, it finds that the requirements of this chapter are met and that such creation would be in the public interest.

Sec. 384.016. AUDIT. The commission shall have the authority to audit any organization created under this chapter.

Sec. 384.017. WITHDRAWAL OF APPROVAL. The commission shall have the authority to withdraw its approval of an organization created under this chapter and to dissolve such organization if it finds, after notice and hearing, that the organization has failed to comply with the provisions of this chapter.
Sec. 384.018. DISSOLUTION. An organization created under this chapter shall be dissolved by the commission 12 years after its creation unless the commission approves a petition, submitted and approved in accordance with Section 384.015, for an additional 12-year term. The commission may continue to approve successive 12-year terms for the organization as long as the need for the organization exists.

CHAPTER 385. INDOOR AIR QUALITY IN GOVERNMENT BUILDINGS

Sec. 385.001. DEFINITIONS. In this chapter:

(1) "Air contaminant" means a gaseous, liquid, or solid substance or combination of substances that is in a form that is transported by or in air and has the potential to be detrimental to human health.

(2) "Board" means the Texas Board of Health.

(3) "Government building" means a building that is:
   (A) owned, or leased for a term of at least three months, by a state governmental entity or by a political subdivision of this state, including a county, municipality, special purpose district, or school district; and
   (B) regularly open to members of the public or used by the state or local governmental entity for a purpose that involves regular occupancy of the building by an employee or by a person in the custody or control of the governmental entity such as a public school student.

(4) "Indoor air pollution" means the presence, in an indoor environment, of one or more air contaminants in sufficient concentration and of sufficient duration to be capable of causing adverse effects to human health.

Added by Acts 1995, 74th Leg., ch. 690, Sec. 1, eff. Sept. 1, 1995. Amended by Acts 2001, 77th Leg., ch. 1067, Sec. 1, eff. Sept. 1,
Sec. 385.002. POWERS AND DUTIES OF BOARD. (a) The board by rule shall establish voluntary guidelines for indoor air quality in government buildings, including guidelines for ventilation and indoor air pollution control systems. The board may adopt other rules necessary to implement this chapter.

(b) In establishing the guidelines, the board shall consider:
(1) the potential chronic effects of air contaminants on human health;
(2) the potential effects of insufficient ventilation of the indoor environment on human health;
(3) the potential costs of health care for the short-term and long-term effects on human health that may result from exposure to indoor air contaminants; and
(4) the potential costs of compliance with a proposed guideline.

(c) A guideline adopted under this chapter may include a contaminant concentration, a control method, a sampling method, a ventilation rate, design, or procedure, or a similar recommendation.

(d) The board's guidelines may differ for different pollution sources or different areas of the state and may differ for buildings that are regularly occupied or visited by children.

Sec. 385.003. LIABILITY AND IMMUNITY. This chapter does not create liability for a governmental entity for an injury caused by the failure to comply with the voluntary guidelines established under Section 385.002.

For expiration of this chapter, see Section 386.002.

CHAPTER 386. TEXAS EMISSIONS REDUCTION PLAN

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 386.001. DEFINITIONS.

In this chapter:

(1) "Advisory board" means the Texas Emissions Reduction Plan Advisory Board.

(2) "Affected county" includes:

(A) Bastrop County;
(B) Bexar County;
(C) Caldwell County;
(D) Comal County;
(E) Ellis County;
(F) Gregg County;
(G) Guadalupe County;
(H) Harrison County;
(I) Hays County;
(J) Henderson County;
(K) Hood County;
(L) Hunt County;
(M) Johnson County;
(N) Kaufman County;
(O) Nueces County;
(P) Parker County;
(Q) Rockwall County;
(R) Rusk County;
(S) San Patricio County;
(T) Smith County;
(U) Travis County;
(V) Upshur County;
(W) Victoria County;
(X) Williamson County;
(Y) Wilson County; and
(Z) any other county designated as an affected county by commission rule because of deteriorating air quality.

(3) "Commission" means the Texas Natural Resource Conservation Commission.

(4) Repealed by Acts 2005, 79th Leg., Ch. 1125, Sec. 22, eff. September 1, 2005.
(5) "Fund" means the Texas emissions reduction plan fund.

(6) "Incremental cost" means the cost of an applicant's project less a baseline cost that would otherwise be incurred by an applicant in the normal course of business. Incremental costs may include added lease or fuel costs as well as additional capital costs.

(7) "Laboratory" means the Energy Systems Laboratory at the Texas Engineering Experiment Station of The Texas A&M University System.

(8) "Nonattainment area" means an area so designated under Section 107(d) of the federal Clean Air Act (42 U.S.C. Section 7407), as amended.

(9) "Plan" means the Texas emissions reduction plan.

(10) "Site" means the total of all stationary sources located on one or more contiguous or adjacent properties, which are under common control of the same person or persons under common control.

(10-a) "Stationary engine" means a machine used in a nonmobile application that converts fuel into mechanical motion, including turbines and other internal combustion devices.

(11) "Utility commission" means the Public Utility Commission of Texas.

Amended by:
Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 22, eff. September 1, 2005.
Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 14, eff. September 1, 2009.

Sec. 386.002. EXPIRATION. This chapter expires August 31, 2019.

Amended by:
Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 3, eff. September 1, 2005.
SUBCHAPTER B. TEXAS EMISSIONS REDUCTION PLAN

Sec. 386.051. TEXAS EMISSIONS REDUCTION PLAN. (a) The utility commission, the commission, and the comptroller shall establish and administer the Texas emissions reduction plan in accordance with this chapter.

(b) Under the plan, the commission and the comptroller shall provide grants or other funding for:

1. the diesel emissions reduction incentive program established under Subchapter C, including for infrastructure projects established under that subchapter;
2. the motor vehicle purchase or lease incentive program established under Subchapter D;
3. the air quality research support program established under Chapter 387;
4. the clean school bus program established under Chapter 390;
5. the new technology implementation grant program established under Chapter 391;
6. the regional air monitoring program established under Section 386.252(a);
7. a health effects study as provided by Section 386.252(a);
8. air quality planning activities as provided by Section 386.252(a);
9. a contract with the Energy Systems Laboratory at the Texas Engineering Experiment Station for computation of creditable statewide emissions reductions as provided by Section 386.252(a)(14);
10. the clean fleet program established under Chapter 392;
11. the alternative fueling facilities program established under Chapter 393;
12. the natural gas vehicle grant program and clean transportation triangle program established under Chapter 394;
13. other programs the commission may develop that lead to reduced emissions of nitrogen oxides, particulate matter, or volatile...
organic compounds in a nonattainment area or affected county;

(14) other programs the commission may develop that support congestion mitigation to reduce mobile source ozone precursor emissions; and

(15) the drayage truck incentive program established under Subchapter D-1.

(b-1) Under the plan, the commission may establish and administer other programs, including other grants or funding programs, as determined by the commission to be necessary or effective in fulfilling its duties and achieving the objectives described under Section 386.052. The commission may apply the criteria and requirements applicable to the programs under Subsection (b) to programs established under this subsection, or the commission may establish separate criteria and requirements as necessary to achieve the commission's objectives. The additional programs shall be consistent with and comply with all applicable laws, regulations, and guidelines pertaining to the use of state funds, the awarding and administration of grants and contracts, and achieving reductions in ozone precursors or particulate matter. Under this subsection, the commission may place a priority on programs that address the following goals:

(1) reduction of emissions of oxides of nitrogen or particulate matter from heavy-duty on-road vehicles and non-road equipment, including drayage vehicles, locomotives, and marine vessels, at seaport facilities or servicing seaport facilities in nonattainment areas; and

(2) reduction of emissions from the operation of drilling, production, completions, and related heavy-duty on-road vehicles or non-road equipment in oil and gas production fields where the commission determines that the programs can help prevent that area or an adjacent area from being in violation of national ambient air quality standards.

(c) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1230, Sec. 25(1), eff. June 14, 2013.

(d) Equipment purchased before September 1, 2001, is not eligible for a grant or other funding under the plan.

Sec. 386.0515. AGRICULTURAL PRODUCT TRANSPORTATION PROJECTS.
(a) In this section, "agricultural product transportation" means the transportation of a raw agricultural product from the place of production using a heavy-duty truck to:
(1) a nonattainment area;
(2) an affected county;
(3) a destination inside the clean transportation triangle; or
(4) a county adjacent to a county described by Subdivision (2) or that contains an area described by Subdivision (1) or (3).
(b) Notwithstanding other eligibility requirements, the commission shall by rule or policy provide specific eligibility requirements under the Texas Clean Fleet Program established under Chapter 392 and under the Texas natural gas vehicle grant program established under Chapter 394, as added by Chapter 892 (Senate Bill No. 385), Acts of the 82nd Legislature, Regular Session, 2011, for projects relating to agricultural product transportation.
(c) The determining factor for eligibility for participation in a program established under Chapter 392 or Chapter 394, as added by Chapter 892 (Senate Bill No. 385), Acts of the 82nd Legislature, Regular Session, 2011, for a project relating to agricultural product transportation is the overall accumulative net reduction in emissions of oxides of nitrogen in a nonattainment area, an affected county, or the clean transportation triangle.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 2, eff. June 14, 2013.
Sec. 386.052. COMMISSION DUTIES. (a) In administering the plan established under this chapter and in accordance with the requirements of this chapter, the commission:

(1) shall:

(A) manage plan funds and oversee the plan;

(B) produce guidelines, protocols, and criteria for eligible projects;

(C) develop methodologies for evaluating project cost-effectiveness;

(D) prepare reports regarding the progress and effectiveness of the plan; and

(E) take all appropriate and necessary actions so that emissions reductions achieved through the plan are credited by the United States Environmental Protection Agency to the appropriate emissions reduction objectives in the state implementation plan; and

(2) may hire staff and consultants needed to complete the commission's duties under this section and ensure timely review of applications and reimbursement of grant applicants' eligible project costs.

(b) Appropriate commission objectives include:

(1) achieving maximum reductions in oxides of nitrogen to demonstrate compliance with the state implementation plan;

(2) preventing areas of the state from being in violation of national ambient air quality standards;

(3) achieving cost-saving and multiple benefits by reducing emissions of other pollutants;

(4) achieving reductions of emissions of diesel exhaust from school buses; and

(5) advancing new technologies that reduce oxides of nitrogen and other emissions from facilities and other stationary sources.

Amended by:

Acts 2005, 79th Leg., Ch. 766 (H.B. 3469), Sec. 2, eff. June 17, 2005.

Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 2.02, eff.
Sec. 386.053. GUIDELINES AND CRITERIA. (a) The commission shall adopt grant guidelines and criteria consistent with the requirements of this chapter.  
(b) Guidelines must include protocols to calculate projected emissions reductions, project cost-effectiveness, and safeguards to ensure that funded projects generate emissions reductions not otherwise required by state or federal law.  
(c) The commission shall make draft guidelines and criteria available to the public and the United States Environmental Protection Agency before the 30th day preceding the date of final adoption and shall hold at least one public meeting to consider public comments on the draft guidelines and criteria before final adoption. The public meeting shall be held in the affected state implementation plan area, and if the guidelines affect more than one state implementation plan area, a public meeting shall be held in each affected state implementation plan area affected by the guidelines.  
(d) The commission may propose revisions to the guidelines and criteria adopted under this section as necessary to improve the ability of the plan to achieve its goals. Revisions may include, among other changes, adding additional pollutants, adding stationary engines or engines used in stationary applications, adding vehicles and equipment that use fuels other than diesel, or adjusting eligible program categories, as appropriate, to ensure that incentives established under this chapter achieve the maximum possible emissions reductions. The commission shall make a proposed revision available to the public before the 30th day preceding the date of final adoption of the revision and shall hold at least one public meeting to consider public comments on the proposed revision before final adoption.  
(e) Because the legislature finds that the current state of air quality in the state jeopardizes the state's ability to meet federal air quality requirements, the commission and the comptroller may adopt emergency rules under Section 2001.034, Government Code, with abbreviated notice, to carry out any rulemaking necessary to
implement this chapter.

(f) Except as provided by Subsection (e), the rulemaking requirements of Chapter 2001, Government Code, do not apply to the adoption or revision of guidelines and criteria under this section.

Amended by:

Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 4, eff. September 1, 2005.

Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 2.03, eff. June 8, 2007.

Sec. 386.054. MONITORING PROCEDURES. (a) The commission shall develop procedures for monitoring whether the emissions reductions projected for projects awarded grants under this chapter are actually achieved. Monitoring procedures may include project reviews and contract requirements that the grant recipient provide information semiannually about the project. If the commission requires an annual report, the report shall contain a minimum amount of information required from a recipient and the report format shall be simple and convenient.

(b) Monitoring and reviewing procedures must be sufficient to enable emissions reductions generated by funded projects to be fully credited to air quality plans.

(c) The commission may revise monitoring and review procedures from time to time as necessary or appropriate to enhance the effectiveness of the plan.

Sec. 386.055. AVAILABILITY OF EMISSIONS REDUCTION CREDITS GENERALLY. (a) A project funded under a program established under this chapter may not be used for credit under any state or federal emissions reduction credit averaging, banking, or trading program.

(b) An emissions reduction generated by a program established under this chapter:
(1) may not be used as a marketable emissions reduction credit or, except as provided by Section 386.056, to offset any emissions reduction obligation; and

(2) may be used to demonstrate conformity with the state implementation plan.

(c) A project involving a new emissions reduction measure that would otherwise generate marketable credits under state or federal emissions reduction credit averaging, banking, or trading programs is not eligible for funding under a program established under this chapter unless:

(1) the project includes the transfer of the reductions that would otherwise be marketable credits to the state implementation plan or the owner or operator as provided by Section 386.056; and

(2) the reductions are permanently retired.

Sec. 386.056. AVAILABILITY OF EMISSIONS REDUCTIONS IN CERTAIN NONATTAINMENT AREAS. (a) An owner or operator of a site located in the Houston-Galveston or Dallas-Fort Worth nonattainment area may use emissions reductions generated by a program established under this chapter to offset the requirements of commission rules relating to control of air pollution from oxides of nitrogen if:

(1) the owner or operator of the site contributes to the fund $75,000 for each ton of emissions that is used, not to exceed 25 tons annually and not to exceed one-half ton per day;

(2) the owner or operator of the site demonstrates to the commission's satisfaction that the site will be in full compliance with the commission's emissions reduction rules not later than the fifth anniversary of the date on which the emissions reductions would otherwise be required;

(3) emissions from the site are reduced by at least 80 percent from the established baseline; and

(4) the commission approves a petition by the owner or operator that demonstrates that it is technically infeasible to comply with the commission's emissions reduction requirements above 80 percent.
(b) Funds collected under this section shall be used to generate emissions reductions needed to meet the commission's attainment demonstration.

(c) The commission shall verify that emissions reductions generated from funds collected under this section occur in the same nonattainment area in which the site that purchased the emissions reductions is located.

(d) The commission shall assure that the emissions reductions funded under the programs authorized by this subchapter used to offset commission requirements under this section benefit the community in which the site using the emissions reductions is located. If there are no eligible emissions reduction projects within the community, the commission may authorize projects in an adjacent community. In this subsection, "community" means a justice of the peace precinct.

(e) The commission shall assure that emission reduction credits may be received in the Houston-Galveston nonattainment area for energy efficiency and urban heat island programs in connection with the State Implementation Plan for the eight-hour ozone standard.

Amended by:
Acts 2005, 79th Leg., Ch. 1095 (H.B. 2129), Sec. 2, eff. September 1, 2005.

Sec. 386.057. REVIEW AND REPORTING REQUIREMENTS. (a) The commission, in consultation with the advisory board, annually shall review programs established under the plan, including each project funded under the plan, the amount granted for the project, the emissions reductions attributable to the project, and the cost-effectiveness of the project.

(b) Not later than December 1, 2002, and not later than December 1 of each subsequent second year, the commission, in consultation with the advisory board, shall publish and submit to the legislature a biennial plan report. The report must include:

(1) the information included in the annual reviews conducted under Subsection (a);

(2) specific information for individual projects as
required by Subsection (c);

(3) information contained in reports received under Sections 386.205, 388.003(e), 388.006, and 391.104; and

(4) a summary of the commission's activities under Section 386.052.

(c) For projects funded as part of the infrastructure program under Subchapter C, the report must:

(1) describe and evaluate:

(A) the infrastructure facilities funded under that subchapter;

(B) the degree to which the funded facilities are supporting on-road or non-road diesel projects;

(C) the amount of fuel or electricity dispensed for each facility; and

(D) associated emissions reductions and cost-effectiveness; and

(2) make a finding regarding the need for additional appropriations from the fund to improve the ability of the program to achieve its goals.

(d) The report must:

(1) account for money received, money disbursed as grants, money reserved for grants based on project approvals, and any recommended transfer of money between allocations and must estimate future demand for grant funds under the plan;

(2) describe the overall effectiveness of the plan in delivering the emissions reductions that may be credited to air quality plans;

(3) evaluate the effectiveness of the plan in soliciting and evaluating project applications, providing awards in a timely manner, and monitoring project implementation;

(4) describe adjustments made to project selection criteria and recommend any further needed changes or adjustments to the grant programs, including changes in grant award criteria, administrative procedures, or statutory provisions that would enhance the plan's effectiveness and efficiency;

(5) describe adjustments made to the maximum cost-effectiveness amount and award amount;

(6) evaluate the benefits of addressing additional pollutants as part of the plan; and

(7) include legislative recommendations necessary to
improve the effectiveness of the plan.

(e) Repealed by Acts 2005, 79th Leg., Ch. 1125, Sec. 22, eff. September 1, 2005.

Amended by:
Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 22, eff. September 1, 2005.
Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 7, eff. September 1, 2009.

Sec. 386.058. TEXAS EMISSIONS REDUCTION PLAN ADVISORY BOARD.

(a) The Texas Emissions Reduction Plan Advisory Board consists of 15 members appointed as provided by this section and seven ex officio members as provided by this section.

(b) The governor shall appoint to the advisory board:
   (1) a representative of the trucking industry;
   (2) a representative of the air conditioning manufacturing industry;
   (3) a representative of the electric utility industry;
   (4) a representative of regional transportation; and
   (5) a representative of the nonprofit organization described by Section 387.002.

(c) The lieutenant governor shall appoint to the advisory board:
   (1) a representative of the engine manufacturing industry;
   (2) a representative of the air transportation industry;
   (3) a representative of the environmental community;
   (4) a representative of the fuel cell industry; and
   (5) a representative of the energy-efficient construction industry.

(d) The speaker of the house of representatives shall appoint to the advisory board:
   (1) a representative of consumer groups;
   (2) a representative of the construction industry;
   (3) a representative of the automobile industry;
   (4) a representative of the agriculture industry; and
   (5) a representative of the fuel industry.
(e) Appointed members of the advisory board serve staggered four-year terms, with the terms of seven or eight appointed members expiring February 1 of each odd-numbered year. An appointed member may be reappointed to a subsequent term.

(f) Ex officio members of the advisory board are:

1. one member of the senate appointed by the lieutenant governor;
2. the presiding officer of the house standing committee having primary jurisdiction over matters related to environmental regulation;
3. a representative of the commission, designated by the executive director;
4. a representative of the General Land Office, designated by the Commissioner of the General Land Office;
5. a representative of the comptroller's office, designated by the comptroller;
6. a representative of the Railroad Commission of Texas, designated by the presiding officer of the agency; and
7. a representative of the United States Environmental Protection Agency's Region 6 office, designated by the United States Environmental Protection Agency Region 6 administrator.

(g) The advisory board annually shall elect a presiding officer.

(h) The advisory board shall review the plan and shall recommend to the commission changes to revenue sources or financial incentives or any legislative, regulatory, or budgetary changes needed.

(i) The commission shall provide necessary staff support to the advisory board.

Amended by:
Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 5, eff. September 1, 2005.
Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 3, eff. June 14, 2013.
SUBCHAPTER C. DIESEL EMISSIONS REDUCTION INCENTIVE PROGRAM
Sec. 386.101. DEFINITIONS. In this subchapter:

(1) "Cost-effectiveness" means the total dollar amount expended divided by the total number of tons of oxides of nitrogen emissions reduction attributable to that expenditure. Cost-effectiveness for the program as a whole and for particular projects under the program is calculated as provided by Sections 386.105 and 386.106.

(2) "Fuel cell" means an electrochemical device that uses fuel and oxidant to continuously generate electricity.

(3) "Motor vehicle" means a self-propelled device designed for transporting persons or property on a public highway that is required to be registered under Chapter 502, Transportation Code.

(4) "Non-road diesel" means a vehicle or piece of equipment, excluding a motor vehicle or on-road diesel, that is powered by a non-road engine, including:
   (A) non-road nonrecreational equipment and vehicles;
   (B) construction equipment;
   (C) locomotives;
   (D) marine vessels; and
   (E) other high-emitting diesel engine categories established by the commission.

(5) "Non-road engine" means an internal combustion engine that is:
   (A) in or on a piece of equipment that is self-propelled or that propels itself and performs another function, excluding a vehicle that is used solely for competition;
   (B) in or on a piece of equipment that is intended to be propelled while performing its function; or
   (C) designed to be and capable of being carried or moved from one location to another.

(6) "On-road diesel" means an on-road diesel-powered motor vehicle that has a gross vehicle weight rating of 8,500 pounds or more.

(7) "Program" means the diesel emissions reduction incentive program established under this subchapter.

(8) "Qualifying fuel" includes any liquid or gaseous fuel or additives registered or verified by the United States Environmental Protection Agency that is ultimately dispensed into a motor vehicle or on-road or non-road diesel that provides reductions
of emissions of oxides of nitrogen beyond reductions required by state or federal law.

(9) "Repower" means to replace an old engine powering an on-road or non-road diesel with a new engine, a used engine, a remanufactured engine, or electric motors, drives, or fuel cells.

(10) "Retrofit" means to equip an engine and fuel system with new emissions-reducing parts or technology verified by the United States Environmental Protection Agency after manufacture of the original engine and fuel system.

Sec. 386.102. PROGRAM. (a) The commission shall establish and administer a diesel emissions reduction incentive program. Under the program, the commission shall provide grants for eligible projects to offset the incremental cost of projects that reduce emissions of oxides of nitrogen from high-emitting diesel sources in nonattainment areas and affected counties of the state. The commission shall determine the eligibility of projects.

(b) Projects that may be considered for a grant under the program include:

(1) purchase or lease of on-road or non-road diesels;
(2) emissions-reducing retrofit projects for on-road or non-road diesels;
(3) emissions-reducing repower projects for on-road or non-road diesels;
(4) purchase and use of emissions-reducing add-on equipment for on-road or non-road diesels;
(5) development and demonstration of practical, low-emissions retrofit technologies, repower options, and advanced technologies for on-road or non-road diesels with lower emissions of oxides of nitrogen;
(6) use of qualifying fuel;
(7) implementation of infrastructure projects; and
(8) replacement of on-road or non-road diesels with newer on-road or non-road diesels.

(c) A project listed in Subsection (b) is not eligible if it is
required by any state or federal law, rule or regulation, memorandum of agreement, or other legally binding document. This subsection does not apply to:

(1) an otherwise qualified project, regardless of the fact that the state implementation plan assumes that the change in equipment, vehicles, or operations will occur, if on the date the grant is awarded the change is not required by any state or federal law, rule or regulation, memorandum of agreement, or other legally binding document; or

(2) the purchase of an on-road diesel or equipment required only by local law or regulation or by corporate or controlling board policy of a public or private entity.

(e) To improve the success of the program the commission:

(1) shall establish cost-effective limits for grants awarded under the program to an owner or operator of a locomotive or marine vessel that are lower than the cost-effectiveness limits applied to other emissions reductions grants;

(2) shall determine the maximum amount of reductions available from the locomotive and marine sectors and develop strategies to facilitate the maximum amount of reductions in these sectors; and

(3) shall include in the report required by Section 386.057(b) that is due not later than December 1, 2006, an analysis of the cost-effectiveness of the grants in these sectors.

Amended by:
Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 6, eff. September 1, 2005.

Sec. 386.103. APPLICATION FOR GRANT. (a) Any person as defined by Section 382.003 that owns one or more on-road or non-road diesels that operate primarily within a nonattainment area or affected county of this state or that otherwise contributes to the state inventory of emissions of oxides of nitrogen may apply for a grant under the program. The commission may adopt guidelines to allow a person other than the owner to apply for and receive a grant
in order to improve the ability of the program to achieve its goals.

(b) An application for a grant under this subchapter must be made on an application provided by the commission and must contain information required by the commission, including:

(1) a detailed description of the proposed project;
(2) information necessary for the commission to determine whether the project meets eligibility requirements for the type of project proposed, including a statement of the amounts of any other public financial assistance the project will receive; and
(3) other information the commission may require.

Sec. 386.104. ELIGIBILITY REQUIREMENTS. (a) The commission shall establish criteria for setting priorities for projects eligible to receive grants under this subchapter. The commission shall review and may modify the criteria and priorities as appropriate.

(b) A proposed project as described in Section 386.102 must meet the requirements of this section to be eligible for a grant under the program.

(c) For a proposed project as described by Section 386.102(b), other than a project involving a marine vessel or engine, not less than 75 percent of vehicle miles traveled or hours of operation projected for the five years immediately following the award of a grant must be projected to take place in a nonattainment area or affected county of this state. The commission may also allow vehicle travel on highways and roadways, or portions of a highway or roadway, designated by the commission and located outside a nonattainment area or affected county to count towards the percentage of use requirement in this subsection. For a proposed project involving a marine vessel or engine, the vessel or engine must be operated in the intercoastal waterways or bays adjacent to a nonattainment area or affected county of this state for a sufficient amount of time over the lifetime of the project, as determined by the commission, to meet the cost-effectiveness requirements of Section 386.105. For a proposed project involving non-road equipment used for natural gas recovery purposes, the equipment must be operated in a nonattainment area or
affected county for a sufficient amount of use over the lifetime of
the project, as determined by the commission, to meet the cost-
effectiveness requirements of Section 386.105.

(d) Each proposed project must meet the cost-effectiveness
requirements of Sections 386.105 and 386.106.

(e) A proposed repower project must exceed commission
requirements relating to baseline emissions levels of the engines
being replaced under the project.

(f) A proposed retrofit, repower, replacement, or add-on
equipment project must document, in a manner acceptable to the
commission, a reduction in emissions of oxides of nitrogen of at
least 30 percent compared with the baseline emissions adopted by the
commission for the relevant engine year and application. After study
of available emissions reduction technologies, after public notice
and comment, and after consultation with the advisory board, the
commission may revise the minimum percentage reduction in emissions
of oxides of nitrogen required by this subsection to improve the
ability of the program to achieve its goals.

(f-1) The commission may establish minimum percentage reduction
standards alternative to the standards established under Subsection
(f) as an incentive for the conversion of heavy-duty diesel on-road
vehicle engines or non-road engines to operate under a dual-fuel
configuration that uses natural gas and diesel fuels through an
alternative fuel conversion system certified by the United States
Environmental Protection Agency or the California Air Resources
Board. In determining the emissions rate of the converted vehicle
and engine to compute the emissions reductions that can be attributed
to the conversion system, the commission may take into account
whether the emissions certification requirements for the conversion
system prevent fully accounting for the emissions reductions. If the
commission determines it to be necessary and appropriate, the
commission may consider under this subsection certified engine test
information that demonstrates reductions of emissions of nitrogen
oxides and other pollutants and other information to verify the
emissions reductions.

(g) If a baseline emissions standard does not exist for on-road
or non-road diesels in a particular category, the commission, for
purposes of this subchapter, shall establish an appropriate baseline
emissions level for comparison purposes.

(h) The commission may approve payments to offset the
incremental cost, over the expected lifetime of the motor vehicle or on-road or non-road diesel, of the use of qualifying fuel in a motor vehicle or on-road or non-road diesel if the proposed project as a whole, including the incremental fuel cost, meets the requirements of this subchapter. The commission shall develop an appropriate method for converting incremental fuel costs over the lifetime of the motor vehicle or on-road or non-road diesel into an initial cost for purposes of determining cost-effectiveness as required by Section 386.105.

(i) If the commission determines that a heavy-duty motor vehicle or engine under this chapter must be decommissioned, the commission shall require the decommissioning to be carried out by crushing the vehicle, by making a hole in the engine block and permanently destroying the frame of the vehicle, or by another method approved by the commission that permanently removes the vehicle from operation in this state. The commission shall provide a means for an applicant to propose an alternative method for complying with the requirements of this subsection. The commission shall enforce the requirements of this subsection.

(j) The executive director shall waive any eligibility requirements established under this section on a finding of good cause, which may include a waiver for short lapses in registration or operation attributable to economic conditions, seasonal work, or other circumstances.

(k) The commission shall consider an application under this chapter for the replacement of a vehicle that has been owned, leased, or otherwise commercially financed by the applicant. If the commission determines that a heavy-duty motor vehicle or engine that is leased or otherwise commercially financed must be decommissioned, the commission shall ensure that the applicant has a legal right to decommission the vehicle or engine before awarding a grant to the applicant.

(l) The commission shall consider an application for a vehicle replacement or a fleet expansion for a project with an activity life of five years or more, or 400,000 miles, whichever is earlier.

(m) The commission shall provide a form that minimizes, to the maximum extent possible, the amount of paperwork required.
Sec. 386.105. CALCULATION OF COST-EFFECTIVENESS. (a) In calculating cost-effectiveness, one-time grants of money at the beginning of a project shall be annualized using a time value of public funds or discount rate determined for each project by the commission, taking into account the interest rate on bonds, interest earned by state funds, and other factors the commission considers appropriate.

(b) The commission shall establish reasonable methodologies for evaluating project cost-effectiveness consistent with Subsection (a) and with accepted methods.

(c) The commission shall develop protocols for calculating oxides of nitrogen emissions reductions not otherwise required by state or federal law in nonattainment areas and affected counties of this state from representative project types over the life of the projects.

(d) The commission may include in cost-effectiveness determinations only reductions in oxides of nitrogen emissions that are achieved in nonattainment areas and affected counties of this state.

(e) The commission may allow for the apportionment of credits associated with a project between the plan and another program or entity if the part of the credit assigned to the program that is part of the plan still meets any applicable cost-effectiveness criteria.

Sec. 386.106. COST-EFFECTIVENESS CRITERIA; DETERMINATION OF GRANT AMOUNT. (a) Except as otherwise provided by statute, the commission may not award a grant that, net of taxes, provides an amount that exceeds the incremental cost of the proposed project.

(b) The commission shall adopt guidelines for capitalizing incremental lease costs so those costs may be offset by a grant under this subchapter.

(c) In determining the amount of a grant under this subchapter, the commission shall reduce the incremental cost of a proposed new purchase, lease, retrofit, repower, or add-on equipment project by the value of any existing financial incentive that directly reduces the cost of the proposed project, including tax credits or deductions, other grants, or any other public financial assistance.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 2.05, eff. June 8, 2007.
Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 5, eff. June 14, 2013.

Sec. 386.107. ADJUSTMENT TO MAXIMUM COST-EFFECTIVENESS AMOUNT AND AWARD AMOUNT. After study of available emissions reduction technologies and costs and after public notice and comment, the commission, in consultation with the advisory board, may change the values of the maximum grant award criteria established in Section 386.106 to account for inflation or to improve the ability of the program to achieve its goals.

Sec. 386.108. INFRASTRUCTURE PROJECTS. (a) The commission shall provide funding under Section 386.252(a) for infrastructure projects.

(b) To implement the requirement of Subsection (a), the commission shall:
(1) solicit applications for a balanced mix of projects involving fueling and electrification infrastructure that is linked to motor vehicle and on-road and non-road diesel projects and consistent with program goals;

(2) coordinate infrastructure projects with motor vehicle and on-road and non-road diesel projects representing a broad range of fuels, technologies, and applications as appropriate and consistent with the goals of this chapter;

(3) adopt guidelines and criteria for infrastructure projects to be funded under the program; and

(4) oversee, monitor, and evaluate the use of grants awarded under this program and report on the effectiveness of this grant program in relation to the purposes and goals of this chapter.

Amended by:
- Acts 2011, 82nd Leg., R.S., Ch. 28 (S.B. 527), Sec. 2, eff. September 1, 2011.

Sec. 386.109. ELIGIBLE INFRASTRUCTURE PROJECTS. (a) The commission may consider for funding under Section 386.108:

(1) the purchase and installation at a site of equipment that is designed primarily to dispense qualifying fuel, other than standard gasoline or diesel, or the purchase of on-site mobile fueling equipment;

(2) infrastructure projects, including auxiliary power units, designed to dispense electricity to:
   (A) motor vehicles;
   (B) on-road and non-road diesels; and
   (C) marine vessels;

(3) a project that involves a technology that allows a vehicle to replace with electric power, while the vehicle is parked, the power normally supplied by the vehicle's internal combustion engine; and

(4) a project to reduce air pollution and engine idling by relieving congestion through rail relocation or improvement at a rail intersection that is located in a nonattainment or near nonattainment area.
(b) The commission may provide funding to other state agencies to implement projects under Subsection (a)(3), including funding for the lease, purchase, or installation of idle reduction technologies and facilities at rest areas and other public facilities on major highway transportation routes located in areas eligible for funding or for marine vessels operating on water routes eligible for funding. Funding under this subsection may include reasonable operational costs determined by the commission to be needed for the initial start-up and proper operation of the idle reduction technologies. The state agency leasing, owning, or operating the idle reduction facility constructed with funds provided under this subsection may, but is not required to, charge reasonable fees for the provision of idle reduction services provided that those fees are used to directly offset the cost of providing the services.

(c) In evaluating a request for funding of an eligible infrastructure project, the commission shall encourage the use of a technology that allows a vehicle to replace with electric power, while the vehicle is parked, the power normally supplied by the vehicle's internal combustion engine at the state's ports and border crossings in affected areas.

Amended by:
    Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 2.06, eff. June 8, 2007.
Reenacted by Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.012, eff. September 1, 2009.

Sec. 386.110. APPLICATION PACKAGE FOR INFRASTRUCTURE PROJECTS. (a) The commission shall develop a simple, standardized application package for infrastructure project grants under this subchapter. The package must include:
   (1) an application form;
   (2) a brief description of:
      (A) the program;
      (B) the projects that are eligible for available
funding;
(C) the selection criteria and evaluation process; and
(D) the required documentation;
(3) the name of a person or office to contact for more information;
(4) an example of the contract that an applicant will be required to execute before receiving a grant; and
(5) any other information the commission considers useful to inform the applicant and expedite the application process.

(b) The application form shall require as much information as the commission determines is necessary to properly evaluate each project but shall otherwise minimize the information required.

(c) The commission may not require an applicant, as part of the application process, to calculate tons of emissions reduced or cost-effectiveness.

Sec. 386.111. APPLICATION REVIEW PROCEDURES. (a) The commission shall review an application for a grant for a project authorized under this subchapter, including an application for a grant for an infrastructure project, immediately on receipt of the application. If the commission determines that an application is incomplete, the commission shall notify the applicant with an explanation of what is missing from the application. The commission shall evaluate the completed application according to the appropriate project criteria. Subject to available funding, the commission shall make a final determination on an application as soon as possible.

(b) The commission shall make every effort to expedite the application review process and to award grants to qualified projects in a timely manner. To the extent possible, the commission shall coordinate project review and approval with any timing constraints related to project purchases or installations to be made by an applicant.

(c) The commission may deny an application for a project that does not meet the applicable project criteria or that the commission determines is not made in good faith, is not credible, or is not in compliance with this chapter and the goals of this chapter.
(d) Subject to availability of funds, the commission shall award a grant under this subchapter in conjunction with the execution of a contract that obligates the commission to make the grant and the recipient to perform the actions described in the recipient's grant application. The contract must incorporate provisions for recapturing grant money in proportion to any loss of emissions reductions or underachievement in dispensing qualifying fuel compared with the volume of emissions reductions or amount of fuel dispensed that was projected in awarding the grant. Grant money recaptured under the contract provision shall be deposited in the fund and reallocated for other projects under this subchapter.

(e) An applicant may seek reimbursement for qualifying equipment installed after the effective date of this program.

Amended by:
Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 7, eff. September 1, 2005.

Sec. 386.112. ON-ROAD DIESEL PURCHASE OR LEASE INCENTIVE. (a) The commission shall develop a purchase or lease incentive program for new on-road diesels and shall adopt rules necessary to implement the program and to reimburse a purchaser or lessee of a new on-road diesel that is eligible for reimbursement of incremental costs under this subchapter.

(b) The program shall authorize statewide incentives for the reimbursement of incremental costs for the purchase or lease, according to the schedule provided by Section 386.113, of new on-road diesels that are certified by the United States Environmental Protection Agency or the California Air Resources Board to an emissions standard provided by Section 386.113 if the purchaser or lessee of the on-road diesel agrees to register the vehicle in this state and to operate the on-road diesel in this state for not less than 75 percent of the on-road diesel's annual mileage.

(c) Only one incentive will be provided for each new on-road diesel. The incentive shall be provided to the purchaser if the on-road diesel is not purchased for the purpose of leasing the on-road diesel to another person, or to the lessee and not to the purchaser.
if the on-road diesel is purchased for the purpose of leasing the on-road diesel to another person. A lease incentive for a new on-road diesel shall be prorated based on an eight-year lease term.

Sec. 386.113. ON-ROAD DIESEL PURCHASE OR LEASE INCENTIVE SCHEDULE. A new on-road diesel is eligible for reimbursement of incremental costs according to the following schedule:

<table>
<thead>
<tr>
<th>Incentive emissions (oxides of nitrogen)</th>
<th>Reimbursement amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Date of manufacture</td>
<td>Date of manufacture</td>
</tr>
<tr>
<td>(2001)</td>
<td>(10/1/02- 9/30/06)</td>
</tr>
<tr>
<td>2.5 g/bhp-hr NOx</td>
<td>1.2 g/bhp-hr NOx</td>
</tr>
<tr>
<td>1.5 g/bhp-hr NOx</td>
<td>0.5 g/bhp-hr NOx</td>
</tr>
<tr>
<td>0.0 g/bhp-hr NOx</td>
<td>0.0 g/bhp-hr NOx</td>
</tr>
</tbody>
</table>

Sec. 386.114. MODIFICATION OF INCENTIVE EMISSIONS STANDARDS. After evaluating new technologies and after public notice and comment, the commission, in consultation with the advisory board, may change the incentive emissions standards established by Section 386.113 to improve the ability of the program to achieve its goals.

Sec. 386.115. MODIFICATION OF VEHICLE ELIGIBILITY. After
evaluating the availability of vehicles meeting the emissions standards and after public notice and comment, the commission, in consultation with the advisory board, may expand the program to include other on-road vehicles, regardless of fuel type used, that meet the emissions standards, have a gross vehicle weight rating of greater than 8,500 pounds, and are purchased or leased in lieu of a new on-road diesel.

Added by Acts 2003, 78th Leg., ch. 1331, Sec. 10, eff. June 20, 2003.

Sec. 386.116. SMALL BUSINESS INCENTIVES. (a) In this section, "small business" means a business owned by a person who:

(1) owns and operates not more than two vehicles, one of which is:

(A) an on-road diesel with a pre-1994 engine model; or
(B) a non-road diesel with an engine with uncontrolled emissions; and

(2) has owned the vehicle described by Subdivision (1)(A) or (B) for more than one year.

(b) The commission by rule shall develop a method of providing fast and simple access to grants under this subchapter for a small business.

(c) The commission shall publicize and promote the availability of grants under this section to encourage the use of vehicles that produce fewer emissions.

(d) The commission shall include in the biennial plan report required by Section 386.057(b) a report of commission actions and results under this section.

Added by Acts 2003, 78th Leg., ch. 1331, Sec. 10, eff. June 20, 2003. Amended by:

Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 8, eff. September 1, 2005.

Sec. 386.117. REBATE GRANTS. (a) The commission shall adopt a process for awarding grants under this subchapter in the form of rebates to streamline the grant application, contracting, reimbursement, and reporting processes for certain projects. The process adopted under this section must:
(1) designate certain types of projects, such as repowers, replacements, and retrofits, as eligible for rebates;
(2) project standardized oxides of nitrogen emissions reductions for each designated project type;
(3) assign a standardized rebate amount for each designated project type;
(4) allow for processing rebates on an ongoing first-come, first-served basis; and
(5) consolidate, simplify, and reduce the administrative work for applicants and the commission associated with grant application, contracting, reimbursement, and reporting processes for designated project types.

(b) The commission may limit or expand the designated project types as necessary to further the goals of the program.
(c) The commission may award rebate grants as a pilot project for a specific region or may award the grants statewide.
(d) The commission may administer the rebate grants or may designate another entity to administer the grants.
(e) The commission shall:
   (1) investigate the requirements for establishing an Internet-based application process for rebate grants and report those requirements to the legislature not later than December 31, 2007; or
   (2) implement an Internet-based application process for rebate grants not later than June 1, 2008.
(f) The commission or its designee shall notify potential applicants of any changes to the rebate grant process by its e-mail list service and posting those changes on its Internet website at least 30 days before the changes become effective.

Added by Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 9, eff. September 1, 2005.
Amended by:
    Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 2.07, eff. June 8, 2007.

For expiration of this subchapter, see Section 386.162.

SUBCHAPTER D. MOTOR VEHICLE PURCHASE OR LEASE INCENTIVE PROGRAM
Sec. 386.151. DEFINITIONS. In this subchapter:
(1) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1230, Sec.
(2) "Light-duty motor vehicle" means a motor vehicle with a gross vehicle weight rating of less than 10,000 pounds.

(3) "Motor vehicle" means a self-propelled device designed for transporting persons or property on a public highway that is required to be registered under Chapter 502, Transportation Code.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 25(2), eff. June 14, 2013.

Sec. 386.152. COMMISSION DUTIES REGARDING LIGHT-DUTY MOTOR VEHICLE PURCHASE OR LEASE INCENTIVE PROGRAM. (a) The commission shall develop a purchase or lease incentive program for new light-duty motor vehicles and shall adopt rules necessary to implement the program.

(b) The program shall authorize statewide incentives for the purchase or lease of new light-duty motor vehicles powered by compressed natural gas, liquefied petroleum gas, or electric drives for a purchaser or lessee who agrees to register and operate the vehicle in this state for a minimum period of time to be established by the commission.

(c) Only one incentive will be provided for each new light-duty motor vehicle. The incentive shall be provided to the lessee and not to the purchaser if the motor vehicle is purchased for the purpose of leasing the vehicle to another person.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 6, eff. June 14, 2013.

Sec. 386.153. LIGHT-DUTY MOTOR VEHICLE PURCHASE OR LEASE INCENTIVE REQUIREMENTS. (a) A new light-duty motor vehicle powered by compressed natural gas or liquefied petroleum gas is eligible for a $2,500 incentive if the vehicle:
(1) has four wheels;
(2) was originally manufactured to comply with and has been certified by an original equipment manufacturer or intermediate or final state vehicle manufacturer as complying with, or has been altered to comply with, federal motor vehicle safety standards, state emissions regulations, and any additional state regulations applicable to vehicles powered by compressed natural gas or liquefied petroleum gas;
(3) was manufactured for use primarily on public streets, roads, and highways;
(4) is rated at not more than 9,600 pounds unloaded vehicle weight;
(5) has a dedicated or bi-fuel compressed natural gas or liquefied petroleum gas fuel system with a range of at least 125 miles as estimated, published, and updated by the United States Environmental Protection Agency;
(6) has, as applicable, a:
(A) compressed natural gas fuel system that complies with the:
   (i) 2013 NFPA 52 Vehicular Gaseous Fuel Systems Code; and
   (ii) American National Standard for Basic Requirements for Compressed Natural Gas Vehicle (NGV) Fuel Containers, commonly cited as "ANSI/CSA NGV2"; or
(B) liquefied petroleum gas fuel system that complies with:
   (i) the 2011 NFPA 58 Liquefied Petroleum Gas Code; and
   (ii) Section VII of the 2013 ASME Boiler and Pressure Vessel Code; and
(7) was acquired on or after September 1, 2013, or a later date established by the commission, by the person applying for the incentive under this subsection and for use or lease by that person and not for resale.

(b) If the commission determines that an updated version of a code or standard described by Subdivision (a)(6) is more stringent than the version of the code or standard described by Subdivision (a)(6), the commission by rule may provide that a vehicle for which a person applies for an incentive under Subsection (a) is eligible for the incentive only if the vehicle complies with the updated version
of the code or standard.

(b-1) The incentive under Subsection (a) is limited to 2,000 vehicles for the state fiscal biennium beginning September 1, 2013.

(c) A new light-duty motor vehicle powered by electric drive is eligible for a $2,500 incentive if the vehicle:

(1) has four wheels;
(2) was manufactured for use primarily on public streets, roads, and highways;
(3) has not been modified from the original manufacturer's specifications;
(4) is rated at not more than 8,500 pounds unloaded vehicle weight;
(5) has a maximum speed capability of at least 55 miles per hour;
(6) is propelled to a significant extent by an electric motor that draws electricity from a battery that:
   (A) has a capacity of not less than four kilowatt hours; and
   (B) is capable of being recharged from an external source of electricity; and
(7) was acquired on or after September 1, 2013, or a later date as established by the commission, by the person applying for the incentive under this subsection and for use or lease by that person and not for resale.

(d) The incentive under Subsection (c) is limited to 2,000 vehicles for the state fiscal biennium beginning September 1, 2013.

Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 6, eff. June 14, 2013.

Sec. 386.155. MANUFACTURER'S REPORT. At the beginning of but not later than July 1 of each year preceding the vehicle model year, a manufacturer of motor vehicles shall provide to the commission a list of the new vehicle models that the manufacturer intends to sell in this state during that model year that meet the incentive emissions standards established by the schedules set out under
Section 386.153. The manufacturer may supplement the list provided to the commission under this section as necessary to include additional new vehicle models the manufacturer intends to sell in this state during the model year.

Sec. 386.156. LIST OF ELIGIBLE MOTOR VEHICLES. (a) On August 1 each year the commission shall publish a list of new model motor vehicles eligible for inclusion in an incentive under this subchapter as listed for the commission under Section 386.155. The commission shall publish supplements to that list as necessary to include additional new vehicle models.

(b) The commission shall publish the list of eligible motor vehicles on the commission's Internet website.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 7, eff. June 14, 2013.

Sec. 386.158. LIGHT-DUTY MOTOR VEHICLE PURCHASE OR LEASE INCENTIVE. (a) A person who purchases or leases a new light-duty motor vehicle described by Section 386.153 and listed under Section 386.156(a) is eligible to apply for an incentive under this subchapter.

(b) A lease incentive for a new light-duty motor vehicle shall be prorated based on a four-year lease term.

(c) To receive money under an incentive program provided by this subchapter, the purchaser or lessee of a new light-duty motor vehicle who is eligible to apply for an incentive under this subchapter shall apply for the incentive in the manner provided by law or by rule of the commission.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 8, eff. June 14, 2013.

Sec. 386.160. COMMISSION TO ACCOUNT FOR MOTOR VEHICLE PURCHASE OR LEASE INCENTIVES. (a) The commission by rule shall develop a method to administer and account for the motor vehicle purchase or lease incentives authorized by this subchapter and to pay incentive money to the purchaser or lessee of a new motor vehicle, on application of the purchaser or lessee as provided by this subchapter.

(b) The commission shall develop and publish forms and instructions for the purchaser or lessee of a new motor vehicle to use in applying to the commission for an incentive payment under this subchapter. The commission shall make the forms available to new motor vehicle dealers and leasing agents. Dealers and leasing agents shall make the forms available to their prospective purchasers or lessees.

(c) In addition to other forms developed and published under this section, the commission shall develop and publish a verification form by which, with information provided by the dealer or leasing agent, the commission can verify the sale of a vehicle covered by this subchapter. The verification form shall include at least the name of the purchaser, the vehicle identification number of the vehicle involved, the date of the purchase, and the name of the new motor dealer or leasing agent involved in the transaction. At the time of sale or lease of a vehicle eligible for an incentive under this subchapter, the dealer or leasing agent shall complete the verification form supplied to the dealer by the commission. The purchaser or lessee shall include the completed verification form as part of the purchaser's application for an incentive. The dealer shall maintain a copy of the completed verification form for at least two years from the date of the transaction.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 9, eff. June 14, 2013.
Sec. 386.161. SUSPENSION OF PURCHASE OR LEASE INCENTIVES. (a) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1230, Sec. 25(4), eff. June 14, 2013.

(b) If the balance available for motor vehicle purchase or lease incentives falls below 15 percent of the total allocated for the incentives during that fiscal year, the commission by order shall suspend the incentives until the date the comptroller can certify that the balance available in the fund for incentives is an amount adequate to resume the incentives or the beginning of the next fiscal year, whichever is earlier. If the commission suspends the incentives, the commission shall immediately notify all new motor vehicle dealers and leasing agents that the incentives have been suspended.

(c) The commission shall establish a toll-free telephone number available to motor vehicle dealers and leasing agents for the dealers and agents to call to verify that incentives are available. The commission may provide for issuing verification numbers over the telephone line.

(d) Reliance by a dealer or leasing agent on information provided by the commission is a complete defense to an action involving or based on eligibility of a vehicle for an incentive or availability of vehicles eligible for an incentive.

Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 10, eff. June 14, 2013.
   Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 11, eff. June 14, 2013.
   Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 25(4), eff. June 14, 2013.

Sec. 386.162. EXPIRATION. This subchapter expires August 31, 2015.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 12, eff. June 14, 2013.
SUBCHAPTER D-1. DRAYAGE TRUCK INCENTIVE PROGRAM

Sec. 386.181. DEFINITION; RULES. (a) In this subchapter, "drayage truck" means a truck that transports a load to or from a seaport or rail yard.

(b) The commission may include more specific definitions in the rules or guidelines developed to implement the program established by this subchapter in order to reduce emissions in and around seaports in a nonattainment area.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 13, eff. June 14, 2013.

Sec. 386.182. COMMISSION DUTIES. (a) The commission shall develop a purchase incentive program to encourage owners to replace drayage trucks with pre-2007 model year engines with newer drayage trucks and shall adopt guidelines necessary to implement the program.

(b) The commission by rule shall establish criteria for the models of drayage trucks that are eligible for inclusion in an incentive program under this subchapter. The guidelines must provide that a drayage truck owner is not eligible for an incentive payment under this subchapter unless the truck being replaced contains a pre-2007 model year engine and the replacement truck's engine is from model year 2010 or later as determined by the commission and that the truck operates at a seaport or rail yard.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 13, eff. June 14, 2013.

Sec. 386.183. DRAYAGE TRUCK PURCHASE INCENTIVE. (a) To be eligible for an incentive under this subchapter, a person must:

(1) purchase a replacement drayage truck that under the guidelines adopted by the commission under Section 386.182 is eligible for inclusion in the program for an incentive under this subchapter; and

(2) agree to:

(A) register the truck in this state;

(B) operate the truck in and within a maximum distance established by the commission of a seaport or rail yard in a nonattainment area of this state for not less than 50 percent of the
vehicle's annual mileage or hours of operation, as determined by the commission; and

(C) permanently remove a pre-2007 drayage truck containing a pre-2007 engine owned by the person from operation in a nonattainment area of this state by destroying the engine and scrapping the truck after the purchase of the new truck in accordance with guidelines established by the commission.

(b) To receive money under an incentive program provided by this subchapter, the purchaser of a drayage truck eligible for inclusion in the program must apply for the incentive in the manner provided by law, rule, or guideline of the commission.

(c) Not more than one incentive may be provided for each drayage truck purchased.

(d) An incentive provided under this subchapter may be used to fund not more than 80 percent of the purchase price of the drayage truck.

(e) The commission shall establish procedures to verify that a person who receives an incentive:

(1) has operated in a seaport or rail yard and owned or leased the drayage truck to be replaced for at least two years prior to receiving the grant; and

(2) permanently destroys the engine and scraps the drayage truck that contained the pre-2007 engine owned or leased by the person, in accordance with guidelines established by the commission, after the purchase of the new truck.

(f) The commission may modify this program to improve its effectiveness or further the goals of Subchapter B.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 13, eff. June 14, 2013.

SUBCHAPTER E. EVALUATION OF UTILITY COMMISSION AND COMPTROLLER ENERGY EFFICIENCY PROGRAMS

Sec. 386.205. EVALUATION OF UTILITY COMMISSION AND COMPTROLLER ENERGY EFFICIENCY PROGRAMS. In cooperation with the laboratory, the utility commission shall provide an annual report to the commission that, by county, quantifies the reductions of energy demand, peak loads, and associated emissions of air contaminants achieved from programs implemented by the state energy conservation office and from...
programs implemented under Section 39.905, Utilities Code.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 15, eff. June 14, 2013.

SUBCHAPTER F. TEXAS EMISSIONS REDUCTION PLAN FUND
Sec. 386.251. FUND. (a) The Texas emissions reduction plan fund is an account in the state treasury.
(b) The fund is administered by the commission for the benefit of the plan established under this chapter. The fund is exempt from the application of Section 403.095, Government Code. Interest earned on the fund shall be credited to the fund.
(c) The fund consists of:
(1) the amount of money deposited to the credit of the fund under:
   (A) Section 386.056;
   (B) Sections 151.0515 and 152.0215, Tax Code; and
   (C) Sections 501.138, 502.358, and 548.5055, Transportation Code; and
(2) grant money recaptured under Section 386.111(d) and Chapter 391.

Amended by:
Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 10, eff. September 1, 2005.
Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 2.08, eff. June 8, 2007.
Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 8, eff. September 1, 2009.
Acts 2011, 82nd Leg., R.S., Ch. 1296 (H.B. 2357), Sec. 244, eff. January 1, 2012.

Sec. 386.252. USE OF FUND. (a) Money in the fund may be used only to implement and administer programs established under the plan.
Money appropriated to the commission to be used for the programs under Section 386.051(b) shall be allocated as follows:

(1) not more than four percent may be used for the clean school bus program under Chapter 390;

(2) not more than three percent may be used for the new technology implementation grant program under Chapter 391, from which at least $1 million will be set aside for electricity storage projects related to renewable energy;

(3) five percent shall be used for the clean fleet program under Chapter 392;

(4) not more than $3 million may be used by the commission to fund a regional air monitoring program in commission Regions 3 and 4 to be implemented under the commission's oversight, including direction regarding the type, number, location, and operation of, and data validation practices for, monitors funded by the program through a regional nonprofit entity located in North Texas having representation from counties, municipalities, higher education institutions, and private sector interests across the area;

(5) not less than 16 percent shall be used for the Texas natural gas vehicle grant program under Chapter 394;

(6) not more than five percent may be used to provide grants for natural gas fueling stations under the clean transportation triangle program under Section 394.010;

(7) not more than five percent may be used for the Texas alternative fueling facilities program under Chapter 393;

(8) a specified amount may be used each year to support research related to air quality as provided by Chapter 387;

(9) not more than $200,000 may be used for a health effects study;

(10) $500,000 is to be deposited in the state treasury to the credit of the clean air account created under Section 382.0622 to supplement funding for air quality planning activities in affected counties;

(11) at least $4 million and up to four percent to a maximum of $7 million, whichever is greater, is allocated to the commission for administrative costs;

(12) at least two percent and up to five percent of the fund is to be used by the commission for the drayage truck incentive program established under Subchapter D-1;

(13) not more than five percent may be used for the light-
duty motor vehicle purchase or lease incentive program established under Subchapter D;

(14) not more than $216,000 is allocated to the commission to contract with the Energy Systems Laboratory at the Texas Engineering Experiment Station annually for the development and annual computation of creditable statewide emissions reductions obtained through wind and other renewable energy resources for the state implementation plan;

(15) 1.5 percent of the money in the fund is allocated for administrative costs incurred by the laboratory; and

(16) the balance is to be used by the commission for the diesel emissions reduction incentive program under Subchapter C as determined by the commission.

(b) The commission may allocate unexpended money designated for the clean fleet program under Chapter 392 to other programs described under Subsection (a) after the commission allocates money to recipients under the clean fleet program.

(c) The commission may allocate unexpended money designated for the Texas alternative fueling facilities program under Chapter 393 to other programs described under Subsection (a) after the commission allocates money to recipients under the alternative fueling facilities program.

(d) The commission may reallocate money designated for the Texas natural gas vehicle grant program under Chapter 394 to other programs described under Subsection (a) if:

(1) the commission, in consultation with the governor and the advisory board, determines that the use of the money in the fund for that program will cause the state to be in noncompliance with the state implementation plan to the extent that federal action is likely; and

(2) the commission finds that the reallocation of some or all of the funding for the program would resolve the noncompliance.

(e) Under Subsection (d), the commission may not reallocate more than the minimum amount of money necessary to resolve the noncompliance.

(e-1) Money allocated under Subsection (a) to a particular program may be used for another program under the plan as determined by the commission.

(f) Money in the fund may be used by the commission for programs under Sections 386.051(b)(13), (b)(14), and (b-1) as may be
appropriated for those programs.

(g) If the legislature does not specify amounts or percentages from the total appropriation to the commission to be allocated under Subsection (a) or (f), the commission shall determine the amounts of the total appropriation to be allocated under each of those subsections, such that the total appropriation is expended while maximizing emissions reductions.

(h) Subject to the limitations outlined in this section and any additional limitations placed on the use of the appropriated funds, money allocated under this section to a particular program may be used for another program under the plan as determined by the commission.

CHAPTER 387. AIR QUALITY RESEARCH SUPPORT PROGRAM

Sec. 387.001. DEFINITIONS. In this chapter:
(1) "Commission" means the Texas Commission on Environmental Quality.
(2) "Program" means the air quality research support program established under this chapter.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 28 (S.B. 527), Sec. 5, eff. September 1, 2011.

Sec. 387.002. AIR QUALITY RESEARCH SUPPORT PROGRAM. (a) The commission shall contract with a nonprofit organization or institution of higher education to establish and administer a program to support research related to air quality.
(b) The board of directors of a nonprofit organization establishing and administering the research program related to air quality under this chapter may not have more than 11 members, must include two persons with relevant scientific expertise to be
nominated by the commission, and may not include more than four county judges selected from counties in the Houston-Galveston-Brazoria and Dallas-Fort Worth nonattainment areas. The two persons with relevant scientific expertise to be nominated by the commission may be employees or officers of the commission, provided that they do not participate in funding decisions affecting the granting of funds by the commission to a nonprofit organization on whose board they serve.

(c) The commission shall provide oversight as appropriate for grants provided under the program established under this chapter.

(d) A nonprofit organization or institution of higher education shall submit to the commission for approval a budget for the disposition of funds granted under the program established under this chapter.

(e) A nonprofit organization or institution of higher education shall be reimbursed for costs incurred in establishing and administering the research program related to air quality under this chapter. Reimbursable administrative costs of a nonprofit organization or institution of higher education may not exceed 10 percent of the program budget.

(f) A nonprofit organization that receives grants from the commission under this chapter is subject to Chapters 551 and 552, Government Code.

Redesignated and amended from Health and Safety Code, Section 387.010 by Acts 2011, 82nd Leg., R.S., Ch. 28 (S.B. 527), Sec. 6, eff. September 1, 2011.

Sec. 387.008. ENVIRONMENTAL RESEARCH FUND. (a) The environmental research fund is an account in the general revenue fund. The fund consists of money from gifts, grants, or donations to the fund for designated or general use and from any other source designated by the legislature.

(b) Money in the environmental research fund may be used only by the commission for operations and projects under this chapter.

(c) Sections 403.095 and 404.071, Government Code, do not apply to the fund. Interest earned on the fund shall be credited to the fund.

Added by Acts 2001, 77th Leg., ch. 967, Sec. 1(b), eff. Sept. 1,
Sec. 387.009. ADVISORY COMMITTEES. The commission may appoint advisory committees as necessary or desirable to assist the commission in performing its duties under this chapter. An advisory committee may include representatives of industry, environmental groups, consumer groups, local governments, agriculture, the commission, the General Land Office, and the Railroad Commission of Texas. Any senator or representative desiring to do so may participate on any advisory committee appointed under this section. Members of an advisory committee are not entitled to compensation.

CHAPTER 388. TEXAS BUILDING ENERGY PERFORMANCE STANDARDS

Sec. 388.001. LEGISLATIVE FINDINGS. (a) The legislature finds that an effective building energy code is essential to:

(1) reducing the air pollutant emissions that are affecting the health of residents of this state;
(2) moderating future peak electric power demand;
(3) assuring the reliability of the electrical grid; and
(4) controlling energy costs for residents and businesses in this state.

(b) The legislature further finds that this state has a number of unique climate types, all of which require more energy for cooling than for heating, and that there are many cost-effective measures that can reduce peak energy use and reduce cooling and other energy costs in buildings.

Sec. 388.002. DEFINITIONS. In this chapter:

(1) "Affected county" has the meaning assigned by Section
(2) "Building" has the meaning assigned by the International Building Code.

(3) "Code official" means an individual employed by a local jurisdiction to review construction plans and other documents, inspect construction, or administer and enforce building standards under this chapter.

(4) "Code-certified inspector" means an inspector who is certified by the International Code Council, the Building Officials and Code Administrators International, Inc., the International Conference of Building Officials, or the Southern Building Code Congress International to have met minimum standards for interpretation and enforcement of requirements of the International Energy Conservation Code and the energy efficiency chapter of the International Residential Code.

(5) "Commission" means the Texas Natural Resource Conservation Commission.

(8) "Laboratory" means the Energy Systems Laboratory at the Texas Engineering Experiment Station of The Texas A&M University System.

(9) "Local jurisdiction" means the authority responsible for implementation and enforcement of local building codes.

(10) "Municipality" has the meaning assigned by Section 1.005, Local Government Code.

(11) "Nonattainment area" has the meaning assigned by Section 386.001.

(12) "Single-family residential" means having the character of a detached one- or two-family dwelling or a multiple single-family dwelling not more than three stories high with separate means of egress, including the accessory structures of the dwelling.

Sec. 388.003. ADOPTION OF BUILDING ENERGY EFFICIENCY PERFORMANCE STANDARDS. (a) To achieve energy conservation in single-family residential construction, the energy efficiency chapter of the International Residential Code, as it existed on May 1, 2001, is adopted as the energy code in this state for single-family residential construction.

(b) To achieve energy conservation in all other residential, commercial, and industrial construction, the International Energy Conservation Code as it existed on May 1, 2001, is adopted as the energy code for use in this state for all other residential, commercial, and industrial construction.

Text of subsection as added by Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 3.01

(b-1) If the State Energy Conservation Office determines, based on written recommendations from the laboratory, that the latest published edition of the International Residential Code energy efficiency provisions or the latest published edition of the International Energy Conservation Code will result in residential or commercial energy efficiency and air quality that is equivalent to or better than the energy efficiency and air quality achievable under the editions adopted under Subsection (a) or (b), the office may by rule adopt the equivalent or more stringent editions and substitute them for the energy codes described by Subsection (a) or (b). The rule, if adopted, shall establish an effective date for the new energy codes but not earlier than nine months after the date of adoption. The laboratory shall make its recommendations not later than six months after publication of new editions at the end of each three-year code development cycle of the International Residential Code and the International Energy Conservation Code.

Text of subsection as added by Acts 2007, 80th Leg., R.S., Ch. 939 (H.B. 3693), Sec. 11

(b-1) If the State Energy Conservation Office determines, based on written recommendations from the laboratory, that the energy efficiency provisions of the latest published editions of the International Residential Code or the International Energy Conservation Code for residential or commercial energy efficiency and air quality are equivalent to or more stringent than the provisions of editions adopted under Subsection (a) or (b), the office by rule may adopt and substitute in the energy code the equivalent or more
stringent editions for of the initial editions described by Subsection (a) or (b). If the State Energy Conservation Office adopts the latest published editions of the International Residential Code or the International Energy Conservation Code into the energy code, the office shall establish an effective date for the new editions that is not earlier than nine months after the date of adoption. The laboratory shall submit recommendations concerning the latest published editions of the International Residential Code or the International Energy Conservation Code not later than six months after publication of new editions.

(b-2) The State Energy Conservation Office by rule shall establish a procedure for persons who have an interest in the adoption of energy codes under Subsection (b-1) to have an opportunity to comment on the codes under consideration. The office shall consider persons who have an interest in adoption of those codes to include:

(1) commercial and residential builders, architects, and engineers;
(2) municipal, county, and other local government authorities; and
(3) environmental groups.

(b-3) In developing written recommendations under Subsection (b-1), the laboratory shall consider the comments submitted under Subsection (b-2).

(c) A municipality shall establish procedures:
(1) for the administration and enforcement of the codes;
(2) to ensure that code-certified inspectors shall perform inspections and enforce the code in the inspectors' jurisdictions; and
(3) to track and report to the state energy conservation office on implementation of the codes.

(d) A municipality or county may establish procedures to adopt local amendments to the International Energy Conservation Code and the energy efficiency chapter of the International Residential Code.

(e) Local amendments may not result in less stringent energy efficiency requirements in nonattainment areas and in affected counties than the energy efficiency chapter of the International Residential Code or International Energy Conservation Code. Local amendments must comply with the National Appliance Energy Conservation Act of 1987 (42 U.S.C. Sections 6291-6309), as amended.
The laboratory, at the request of a municipality or county, shall determine the relative impact of proposed local amendments to an energy code, including whether proposed amendments are substantially equal to or less stringent than the unamended code. For the purpose of establishing uniform requirements throughout a region, and on request of a council of governments, a county, or a municipality, the laboratory may recommend a climatically appropriate modification or a climate zone designation for a county or group of counties that is different from the climate zone designation in the unamended code. The laboratory shall:

(1) report its findings to the council, county, or municipality, including an estimate of any energy savings potential above the unamended code from local amendments; and

(2) annually submit a report to the commission:
   (A) identifying the municipalities and counties whose codes are more stringent than the unamended code, and whose codes are equally stringent or less stringent than the unamended code; and
   (B) quantifying energy savings and emissions reductions from this program for consideration in the state implementation plan for emissions reduction credit.

(f) Each municipality, and each county that has established procedures under Subsection (d), shall periodically review and consider revisions made by the International Code Council to the International Energy Conservation Code and the energy efficiency chapter of the International Residential Code adopted after May 1, 2001.

(g) The laboratory shall have the authority to set and collect fees to perform certain tasks in support of the requirements in Sections 388.004, 388.007, and 388.008.

(h) Within the boundaries of an airport operated by a joint board created under Subchapter D, Chapter 22, Transportation Code, the constituent agencies of which are populous home-rule municipalities, the powers of a municipality under this section are exclusively the powers of the joint board.

(i) A building certified by a national, state, or local accredited energy efficiency program and determined by the laboratory to be in compliance with the energy efficiency requirements of this section may, at the option of the municipality, be considered in compliance. The United States Environmental Protection Agency's Energy Star Program certification of energy code equivalency shall be
Sec. 388.004. ENFORCEMENT OF ENERGY STANDARDS OUTSIDE OF MUNICIPALITY. (a) For construction outside of the local jurisdiction of a municipality:

(1) a building certified by a national, state, or local accredited energy efficiency program shall be considered in compliance;

(2) a building with inspections from private code-certified inspectors using the energy efficiency chapter of the International Residential Code or International Energy Conservation Code shall be considered in compliance; and

(3) a builder who does not have access to either of the above methods for a building shall certify compliance using a form provided by the laboratory, enumerating the code-compliance features of the building.

(b) A builder shall retain until the third anniversary of the date on which compliance is achieved the original copy of any documentation that establishes compliance under this section. The builder on receipt of any compliance documentation shall provide a copy to the owner of the building.

(c) A single-family residence built in the unincorporated area of a county the construction of which was completed on or after September 1, 2001, but not later than August 31, 2002, shall be
considered in compliance.

Sec. 388.005. ENERGY EFFICIENCY PROGRAMS IN INSTITUTIONS OF HIGHER EDUCATION AND CERTAIN GOVERNMENTAL ENTITIES. (a) In this section:

(1) "Institution of higher education" includes an institution of higher education as defined by Section 61.003, Education Code, and a private institution of higher education that receives funding from the state.

(2) "Political subdivision" means:

(A) an affected county; or

(B) any political subdivision in a nonattainment area or in an affected county other than:

(i) a school district; or

(ii) a district as defined by Section 36.001 or 49.001, Water Code, that had a total annual electricity expense of less than $200,000 in the previous fiscal year of the district.

(3) "State agency" means a department, commission, board, office, council, or other agency in the executive branch of state government that is created by the constitution or a statute of this state and has authority not limited to a geographical portion of the state.

(b) Each political subdivision, institution of higher education, or state agency shall implement all energy efficiency measures that meet the standards established for a contract for energy conservation measures under Section 302.004(b), Local Government Code, in order to reduce electricity consumption by the existing facilities of the entity.

(c) Each political subdivision, institution of higher education, or state agency shall establish a goal to reduce the electric consumption by the entity by at least five percent each state fiscal year for 10 years, beginning September 1, 2011.

(d) A political subdivision, institution of higher education, or state agency that does not attain the goals established under Subsection (c) must include in the report required by Subsection (e)
justification that the entity has already implemented all available cost-effective measures. An entity that submits a report under this subsection indicating that the entity has reviewed its available options, has determined that no additional measures are cost-effective, and has already implemented all available cost-effective measures is exempt from the annual reporting requirement of Subsection (e) if a subsequent report would indicate no change in status. An entity may be required to provide notice that it is exempt to the State Energy Conservation Office.

(e) A political subdivision, institution of higher education, or state agency annually shall report to the State Energy Conservation Office, on forms provided by that office, regarding the entity's goal, the entity's efforts to meet the goal, and progress the entity has made under this section. The State Energy Conservation Office shall provide assistance and information to the entity to help the entity meet goals established under this section. The office must develop and make available a standardized form for reporting purposes.

(f) This section does not apply to a state agency or an institution of higher education that the State Energy Conservation Office determines, before September 1, 2007, adopted a plan for conserving energy under which the agency or institution established a percentage goal for reducing the consumption of electricity. The exemption provided by this section applies only while the agency or institution has an energy conservation plan in effect and only if the agency or institution submits reports on the conservation plan each year to the governor, the Legislative Budget Board, and the State Energy Conservation Office.

(g) Except as provided by Subsection (h), this section does not apply to the electricity consumption of a district as defined by Section 36.001 or 49.001, Water Code, that relates to the operation and maintenance of facilities or improvements for:

(1) wastewater collection and treatment;
(2) water supply and distribution; or
(3) storm water diversion, detention, or pumping.

(h) At least once every five years, a political subdivision that is a district as defined by Section 36.001 or 49.001, Water Code, shall for district facilities described by Subsection (g):

(1) evaluate the consumption of electricity;
(2) establish goals to reduce the consumption of
electricity; and

(3) identify and implement cost-effective energy efficiency measures to reduce the consumption of electricity.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 262 (S.B. 12), Sec. 3.02, eff. June 8, 2007.

Acts 2007, 80th Leg., R.S., Ch. 939 (H.B. 3693), Sec. 12, eff. September 1, 2007.

Reenacted and amended by Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.014, eff. September 1, 2009.

Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 637 (S.B. 898), Sec. 1, eff. September 1, 2011.

Acts 2011, 82nd Leg., R.S., Ch. 1049 (S.B. 5), Sec. 6.12, eff. June 17, 2011.

Acts 2013, 83rd Leg., R.S., Ch. 105 (S.B. 902), Sec. 1, eff. September 1, 2013.

Sec. 388.006. STATE ENERGY CONSERVATION OFFICE EVALUATION. The State Energy Conservation Office annually shall provide the commission and the laboratory with an evaluation of the effectiveness of state and political subdivision energy efficiency programs, including programs under this chapter. The laboratory shall calculate, based on the evaluation and the forms submitted to the office, the amount of energy savings and estimated reduction in pollution achieved as a result of the implementation of programs. The laboratory shall share the information with the commission, the United States Environmental Protection Agency, and the Electric Reliability Council of Texas to help with long-term forecasting and in estimating pollution reduction.

Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 637 (S.B. 898), Sec. 2, eff. September 1, 2011.
Sec. 388.007. DISTRIBUTION OF INFORMATION AND TECHNICAL ASSISTANCE. (a) The laboratory shall make available to builders, designers, engineers, and architects code implementation materials that explain the requirements of the International Energy Conservation Code and the energy efficiency chapter of the International Residential Code and that describe methods of compliance acceptable to code officials.

(b) The materials may include software tools, simplified prescriptive options, and other materials as appropriate. The simplified materials may be designed for projects in which a design professional is not involved.

(c) The laboratory may provide local jurisdictions with technical assistance concerning implementation and enforcement of the International Energy Conservation Code and the energy efficiency chapter of the International Residential Code, including local amendments to those codes.

(d) The laboratory may conduct outreach to the real estate industry, including real estate agents, home builders, remodelers, appraisers, and financial institutions, on the value of energy code compliance and verified, above-code, high-performance construction.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 937 (H.B. 51), Sec. 4, eff. September 1, 2011.

Sec. 388.008. DEVELOPMENT OF HOME ENERGY RATINGS. (a) The laboratory shall develop a standardized report format to be used by providers of home energy ratings. The laboratory may develop different report formats for rating newly constructed residences from those for existing residences. The form must be designed to give potential buyers information on a structure's energy performance, including:

(1) insulation;
(2) types of windows;
(3) heating and cooling equipment;
(4) water heating equipment;
(5) additional energy conserving features, if any;
(6) results of performance measurements of building tightness and forced air distribution; and
(7) an overall rating of probable energy efficiency relative to the minimum requirements of the International Energy Conservation Code or the energy efficiency chapter of the International Residential Code, as appropriate.

(b) The laboratory shall establish a public information program to inform homeowners, sellers, buyers, and others regarding home energy ratings.

(c) The laboratory may cooperate with an industry organization or trade association to:

(1) develop guidelines for home energy ratings;
(2) provide training for individuals performing home energy ratings and providers of home energy ratings; and
(3) provide a registry of completed ratings for newly constructed residences and residential improvement projects for the purpose of computing the energy savings and emissions reductions benefits of the home energy ratings program.

(d) The laboratory shall include information on the benefits attained from this program in an annual report to the commission.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 939 (H.B. 3693), Sec. 13, eff. September 1, 2007.

Sec. 388.010. OUTREACH TO NEAR-NONATTAINMENT AREAS. The commission shall conduct outreach to near-nonattainment areas and affected counties on the benefits of implementing energy efficiency initiatives, including the promotion of energy-efficient building programs and urban heat island mitigation techniques, as a way to meet air quality attainment goals under the federal Clean Air Act (42 U.S.C. Section 7401 et seq.), as amended.

Added by Acts 2003, 78th Leg., ch. 1331, Sec. 17, eff. June 20, 2003.
Sec. 388.011. CERTIFICATION OF MUNICIPAL BUILDING INSPECTORS. The laboratory shall develop and administer statewide a training program for municipal building inspectors seeking to become code-certified inspectors. The laboratory shall also work with national code organizations to assist participants in the certification program. The laboratory may collect reasonable fees from participants in the program to pay the costs of administering the program.

Acts 2003, 78th Leg., ch. 1148, Sec. 1.
Renumbered from Health and Safety Code, Section 388.009 by Acts 2005, 79th Leg., Ch. 728 (H.B. 2018), Sec. 23.001(50), eff. September 1, 2005.

Sec. 388.012. DEVELOPMENT OF ALTERNATIVE ENERGY-SAVING METHODS. The laboratory shall develop at least three alternative methods for achieving a 15 percent greater potential energy savings in residential, commercial, and industrial construction than the potential energy savings of construction that is in minimum compliance with Section 388.003. The alternative methods:

(1) may include both prescriptive and performance-based approaches, such as the approach of the United States Environmental Protection Agency's Energy Star qualified new home labeling program; and

(2) must include an estimate of:

(A) the implementation costs and energy savings to consumers; and

(B) the related emissions reductions.

Added by Acts 2005, 79th Leg., Ch. 1095 (H.B. 2129), Sec. 4, eff. September 1, 2005.

CHAPTER 389. EMISSIONS REDUCTION RECOGNITION EFFORTS

Sec. 389.001. DEFINITION. In this chapter, "commission" means the Texas Natural Resource Conservation Commission.

Sec. 389.002. USE OF CERTAIN INFORMATION FOR FEDERAL RECOGNITION OF EMISSIONS REDUCTIONS. The commission, using information derived from the reports to the commission under Sections 386.205, 388.003(e), and 388.006, shall take all appropriate and necessary actions so that emissions reductions achieved by means of activities under Chapters 386 and 388 are credited by the United States Environmental Protection Agency to the appropriate emissions reduction objectives in the state implementation plan.

Sec. 389.003. COMPUTING ENERGY EFFICIENCY EMISSIONS REDUCTIONS AND ASSOCIATED CREDITS. (a) The commission shall develop a method to use in computing emissions reductions obtained through energy efficiency initiatives, including renewable energy initiatives, and the credits associated with those reductions.

(b) The laboratory shall assist the commission and affected political subdivisions in quantifying, as part of the state implementation plan, credits for emissions reductions attributable to energy efficiency programs, including renewable energy programs.

Added by Acts 2003, 78th Leg., ch. 1331, Sec. 18, eff. June 20, 2003. Amended by:

Acts 2005, 79th Leg., Ch. 1125 (H.B. 2481), Sec. 16, eff. September 1, 2005.

For expiration of this chapter, see Section 390.006.

CHAPTER 390. CLEAN SCHOOL BUS PROGRAM

Sec. 390.001. DEFINITIONS. In this chapter:

(1) "Diesel exhaust" means one or more of the air pollutants emitted from an engine by the combustion of diesel fuel, including particulate matter, nitrogen oxides, volatile organic compounds, air toxics, and carbon monoxide.

(2) "Incremental cost" has the meaning assigned by Section 386.001.

(3) "Program" means the clean school bus program established under this chapter.
(4) "Qualifying fuel" includes any liquid or gaseous fuel or additive registered or verified by the United States Environmental Protection Agency, other than standard gasoline or diesel, that is ultimately dispensed into a school bus that provides reductions of emissions of particulate matter.

(5) "Retrofit" has the meaning assigned by Section 386.101.

Added by Acts 2005, 79th Leg., Ch. 766 (H.B. 3469), Sec. 4, eff. June 17, 2005.

Sec. 390.002. PROGRAM. (a) The commission shall establish and administer a clean school bus program designed to reduce the exposure of school children to diesel exhaust in and around diesel-fueled school buses. Under the program, the commission shall provide grants for eligible projects to offset the incremental cost of projects that reduce emissions of diesel exhaust.

(b) Projects that may be considered for a grant under the program include:

(1) diesel oxidation catalysts for school buses built before 1994;
(2) diesel particulate filters for school buses built from 1994 to 1998;
(3) the purchase and use of emission-reducing add-on equipment for school buses, including devices that reduce crankcase emissions;
(4) the use of qualifying fuel; and
(5) other technologies that the commission finds will bring about significant emissions reductions.

Added by Acts 2005, 79th Leg., Ch. 766 (H.B. 3469), Sec. 4, eff. June 17, 2005.

Sec. 390.003. APPLICATION FOR GRANT. (a) A school district in this state that operates one or more diesel-fueled school buses or a transportation system provided by a countywide school district may apply for and receive a grant under the program.

(b) The commission may adopt guidelines to allow a regional planning commission, council of governments, or similar regional planning agency created under Chapter 391, Local Government Code, or
a private nonprofit organization to also apply for and receive a
grant to improve the ability of the program to achieve its goals.

(c) An application for a grant under this chapter must be made
on a form provided by the commission and must contain the information
required by the commission.

Added by Acts 2005, 79th Leg., Ch. 766 (H.B. 3469), Sec. 4, eff. June
17, 2005.

Sec. 390.004. ELIGIBILITY OF PROJECTS FOR GRANTS. (a) The
commission by rule shall establish criteria for setting priorities
for projects eligible to receive grants under this chapter. The
commission shall review and may modify the criteria and priorities as
appropriate.

(b) A school bus proposed for retrofit must be used on a
regular, daily route to and from a school and have at least five
years of useful life remaining unless the applicant agrees to remove
the retrofit device at the end of the life of the bus and reinstall
the device on another bus.

Added by Acts 2005, 79th Leg., Ch. 766 (H.B. 3469), Sec. 4, eff. June
17, 2005.

Sec. 390.005. RESTRICTION ON USE OF GRANT. A recipient of a
grant under this chapter shall use the grant to pay the incremental
costs of the project for which the grant is made, which may include
the reasonable and necessary expenses incurred for the labor needed
to install emissions-reducing equipment. The recipient may not use
the grant to pay the recipient's administrative expenses.

Added by Acts 2005, 79th Leg., Ch. 766 (H.B. 3469), Sec. 4, eff. June
17, 2005.

Sec. 390.006. EXPIRATION. This chapter expires August 31,
2019.

Added by Acts 2005, 79th Leg., Ch. 766 (H.B. 3469), Sec. 4, eff. June
17, 2005.
Sec. 391.001. DEFINITIONS. In this chapter:
(1) "Best available control technology" has the meaning assigned by Section 169 of the federal Clean Air Act (42 U.S.C. Section 7479(3)).
(2) "Commission" means the Texas Commission on Environmental Quality.
(3) "Facility" has the meaning assigned by Section 382.003.
(4) "Incremental cost" has the meaning assigned by Section 386.001.
(5) "New technology" means emissions control technology that results in emissions reductions that exceed state or federal requirements in effect at the time of submission of a new technology implementation grant application.
(6) "Stationary source" has the meaning assigned by Section 302 of the federal Clean Air Act (42 U.S.C. Section 7602(z)).

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.002. GRANT PROGRAM. (a) The commission shall establish and administer a new technology implementation grant program to assist the implementation of new technologies to reduce emissions from facilities and other stationary sources in this state. The commission may establish a minimum capital expenditure threshold for projects under Subsection (b)(2). Under the program, the commission shall provide grants or other financial incentives for eligible projects to offset the incremental cost of emissions reductions.
(b) Projects that may be considered for a grant under the program include:
(1) advanced clean energy projects, as defined by Section 382.003;  
(2) new technology projects that reduce emissions of regulated pollutants from point sources; and  
(3) electricity storage projects related to renewable energy, including projects to store electricity produced from wind and solar generation that provide efficient means of making the stored energy available during periods of peak energy use.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.  
Amended by:  
Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 20, eff. June 14, 2013.

Sec. 391.003. GUIDELINES AND CRITERIA. (a) The commission shall adopt grant guidelines and criteria consistent with the requirements of this chapter.  
(b) The guidelines must include:  
(1) protocols to compute projected emissions reductions and project cost-effectiveness; and  
(2) safeguards to ensure that the projects funded result in emissions reductions not otherwise required by state or federal law.  
(c) The commission may propose revisions to the guidelines and criteria adopted under this section as necessary to improve the ability of the program to achieve the program goals.  
(d) The commission may adopt emergency rules under Section 2001.034, Government Code, with abbreviated notice, to carry out any rulemaking necessary to implement this chapter.  
(e) Except as provided by Subsection (d), the rulemaking requirements of Chapter 2001, Government Code, do not apply to the adoption or revision of guidelines and criteria under this section.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.004. AVAILABILITY OF EMISSIONS REDUCTION CREDITS IN CERTAIN NONATTAINMENT AREAS. A project funded under this chapter must comply with Sections 386.055 and 386.056, as applicable.
Sec. 391.101. APPLICATION FOR GRANT. (a) The owner of a facility located in this state may apply for a grant under the program established under Section 391.002. To improve the ability of the program to achieve the program goals, the commission may adopt guidelines to allow a person other than the owner to apply for and receive a grant.

(b) An application for a grant under this chapter must be made on a form provided by the commission and must contain information required by the commission, including:

(1) a detailed description of the proposed project;

(2) information necessary for the commission to determine whether the project meets the commission's eligibility requirements, including a statement of the amounts of any other public financial assistance the project will receive; and

(3) other information the commission may require.

(c) An application for a grant under this chapter must contain a plan for implementation of a program that will provide project information and education to the public in the areas subject to public notice under federal and state permitting requirements for the proposed project until completion of the permitting process. The plan must provide for a publicly accessible informational Internet website.

Sec. 391.102. GRANT APPLICATION REVIEW PROCEDURES. (a) The commission shall review an application for a grant for a project authorized under this chapter according to dates specified in a request for grant applications. If the commission determines that an application is incomplete, the commission shall notify the applicant and provide an explanation of the information missing from the application. The commission shall evaluate the completed application according to the guidelines and criteria adopted under Section

Statute text rendered on: 3/14/2015
391.003.

(b) To the extent possible, the commission shall coordinate project review and approval with any timing constraints related to project purchases or installations to be made by an applicant.

(c) The commission may deny a grant application for a project that does not meet the applicable criteria or that the commission determines is not made in good faith, is not credible, or is not in compliance with this chapter or the goals of this chapter.

(d) Subject to the availability of funding, the commission shall award a grant under this chapter in conjunction with the execution of a contract that obligates the commission to make the grant and the recipient to perform the actions described by the recipient's grant application. Subject to Section 391.204, the contract must incorporate provisions for recapturing grant money for noncompliance with grant requirements. Grant money recaptured under the contract provisions shall be deposited in the Texas emissions reduction plan fund and reallocated for other projects under this subchapter.

(e) An applicant may seek reimbursement for qualifying equipment installed after the effective date of this program.

(f) In coordinating interagency application review procedures, the commission shall:

(1) solicit review and comments from:
   (A) the comptroller to assess:
      (i) the financial stability of the applicant;
      (ii) the economic benefits and job creation potential associated with the project; and
      (iii) any other information related to the duties of that office;
   (B) the Public Utility Commission of Texas to assess:
      (i) the reliability of the proposed technology;
      (ii) the feasibility and cost-effectiveness of electric transmission associated with the project; and
      (iii) any other information related to the duties of that agency; and
   (C) the Railroad Commission of Texas to assess:
      (i) the availability and cost of the fuel involved with the project; and
      (ii) any other information related to the duties of that agency;
(2) consider the comments received under Subdivision (1) in the commission's grant award decision process; and
(3) as part of the report required by Section 391.104, justify awards made to projects that have been negatively reviewed by agencies under Subdivision (1).

(g) The commission may solicit review and comments from other state agencies or other entities with subject matter expertise applicable to the review of a grant application.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.103. EVIDENCE OF EMISSIONS REDUCTION POTENTIAL REQUIRED. (a) An application for a new technology implementation grant under this chapter must show reasonable evidence that the proposed technology is capable of providing a significant reduction in emissions.

(b) The commission shall consider specifically, for each proposed new technology implementation grant application:
   (1) the projected potential for reduced emissions and the cost-effectiveness of the new technology;
   (2) the potential for the new technology to contribute significantly to air quality goals; and
   (3) the strength of the implementation plan.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.104. REPORTING REQUIREMENTS. The commission annually shall prepare a report that summarizes the applications received and grants awarded in the preceding year. Preparation of the report must include the participation of the state agencies involved in the review of applications under Section 391.102.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.
Sec. 391.201. ELIGIBILITY OF PROJECTS FOR GRANTS. (a) The commission shall establish criteria for prioritizing projects eligible to receive grants under this chapter. The commission shall review and may modify the criteria and priorities as appropriate.

(b) A proposed project must meet the requirements of this section to be eligible for a grant under the program established under Section 391.002.

(c) Each proposed project must meet the cost-effectiveness requirements established by the commission.

(d) A new technology implementation project must document, in a manner acceptable to the commission, an achieved reduction from the baseline emissions adopted by the commission for the relevant facility or stationary source. After studying available emissions reduction technologies, the commission may impose a required minimum percentage reduction of emissions to improve the ability of the program to achieve the program goals.

(e) If a baseline emissions standard does not exist for a facility, the commission, for purposes of this subchapter, shall adopt an appropriate baseline emissions level for comparison purposes.

(f) Planned water usage for proposed projects must be consistent with the state water plan.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.202. EVALUATING COST-EFFECTIVENESS. The commission shall establish reasonable methodologies for evaluating project cost-effectiveness, consistent with accepted methods.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.203. DETERMINATION OF GRANT AMOUNT. (a) The commission may not award a grant that, net of taxes, provides an amount that exceeds the incremental cost of the proposed project.

(b) In determining the amount of a grant under this subchapter, the commission shall reduce the incremental cost of a proposed project by the value of any existing financial incentive that
directly reduces the cost of the proposed project, including tax credits or deductions, other grants, or any other public financial assistance.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.204. COST SHARING; RECAPTURING GRANT. (a) The commission shall require an applicant to bear at least 50 percent of the costs of implementing a project funded under this chapter.

(b) The commission may not require repayment of grant money, except that the commission must require provisions for recapturing grant money for noncompliance with grant requirements.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.205. PREFERENCES. (a) Except as provided by Subsection (c), in awarding grants under this chapter the commission shall give preference to projects that:

(1) use natural resources originating or produced in this state;

(2) contain an energy efficiency component; or

(3) include the use of solar, wind, or other renewable energy sources.

(b) Projects that include more than one of the criteria described by Subsection (a) shall be given a greater preference in the award of grants under this chapter.

(c) The commission may give preference under Subsection (a) only if the cost-effectiveness and emission performance of the project are comparable to those of a project not claiming a preference described by that subsection.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

SUBCHAPTER D. FUNDING; EXPIRATION

Sec. 391.301. RESTRICTION ON USE OF GRANT. A recipient of a
grant under this chapter must use the grant to pay the incremental costs of the purchase and installation of the project for which the grant is made, which may include reasonable and necessary expenses for the labor needed to install emissions-reducing equipment. The recipient may not use the grant for the costs of operating and maintaining the emissions-reducing equipment.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.302. COMPTROLLER REVIEW OF USE OF GRANT FUNDS. (a) The comptroller annually shall conduct a review of each recipient of a new technology implementation grant under this chapter to ensure that the recipient’s use of the grant complies with state law and the terms of the award.

(b) To assist with a review under this section, the commission shall provide the comptroller with all monitoring reports received from grant recipients and any other documentation requested by the comptroller.

(c) On a finding of any misuse of grant money or other noncompliance with grant requirements, the comptroller shall provide a report to the commission with recommendations for subsequent action, including the recapture of money misused.

(d) A finding of any misuse of grant money by a recipient of a grant under this chapter results in a debt owed to the state, and the comptroller may withhold warrants and electronic funds transfers to the recipient in accordance with Section 403.055, Government Code.

(e) The comptroller may contract with another state agency, an institution of higher education, or a private entity to conduct a review under this section or to assist the comptroller in conducting any part of the review.

(f) The comptroller may adopt rules to implement this section.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.303. TIME OF USE OF GRANT FUNDING. Money appropriated for grants to be made by the commission under this chapter for a fiscal year may be distributed in subsequent fiscal years if the
grant has been awarded and treated as a binding encumbrance by the commission before the end of the appropriation year of the money appropriated for grant purposes. Distribution of the grant money is subject to Section 403.071, Government Code.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

Sec. 391.304. EXPIRATION. This chapter expires August 31, 2019.

Added by Acts 2009, 81st Leg., R.S., Ch. 1125 (H.B. 1796), Sec. 9, eff. September 1, 2009.

CHAPTER 392. TEXAS CLEAN FLEET PROGRAM

Sec. 392.001. DEFINITIONS. In this chapter:
(1) "Alternative fuel" means a fuel other than gasoline or diesel fuel, including electricity, compressed natural gas, liquefied natural gas, hydrogen, propane, or a mixture of fuels containing at least 85 percent methanol by volume.
(2) "Commission" means the Texas Commission on Environmental Quality.
(3) "Golf cart" has the meaning assigned by Section 502.001, Transportation Code.
(4) "Hybrid vehicle" means a vehicle with at least two different energy converters and two different energy storage systems on board the vehicle for the purpose of propelling the vehicle.
(5) "Incremental cost" has the meaning assigned by Section 386.001.
(6) "Light-duty motor vehicle" has the meaning assigned by Section 386.151.
(7) "Motor vehicle" has the meaning assigned by Section 386.151.
(8) "Neighborhood electric vehicle" means a motor vehicle that:
(A) is originally manufactured to meet, and does meet, the equipment requirements and safety standards established for "low-speed vehicles" in Federal Motor Vehicle Safety Standard No. 500 (49 C.F.R. Section 571.500);
(B) is a slow-moving vehicle, as defined by Section 547.001, Transportation Code, that is able to attain a speed of more than 20 miles per hour but not more than 25 miles per hour in one mile on a paved, level surface;
(C) is a four-wheeled motor vehicle;
(D) is powered by electricity or alternative power sources;
(E) has a gross vehicle weight rating of less than 3,000 pounds; and
(F) is not a golf cart.

(9) "Program" means the Texas clean fleet program established under this chapter.

Redesignated from Health and Safety Code, Chapter 391 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(30), eff. September 1, 2011.

Sec. 392.002. PROGRAM. (a) The commission shall establish and administer the Texas clean fleet program to encourage a person that has a fleet of diesel-powered vehicles to replace them with alternative fuel or hybrid vehicles. Under the program, the commission shall provide grants for eligible projects to offset the incremental cost of projects for fleet owners.
(b) An entity that places 20 or more qualifying vehicles in service for use entirely in this state during a calendar year is eligible to participate in the program.
(c) Notwithstanding Subsection (b), an entity that submits a grant application for 20 or more qualifying vehicles is eligible to participate in the program even if the commission denies approval for one or more of the vehicles during the application process.

Redesignated from Health and Safety Code, Chapter 391 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(30), eff. September 1, 2011.

Sec. 392.003. QUALIFYING VEHICLES. (a) A vehicle is a qualifying vehicle that may be considered for a grant under the program if during the calendar year the entity purchases a new on-road vehicle that:
(1) is certified to current federal emissions standards;
(2) replaces a diesel-powered on-road vehicle of the same
weight classification and use; and
(3) is a hybrid vehicle or fueled by an alternative fuel.

(b) A vehicle is not a qualifying vehicle if the vehicle:
(1) is a neighborhood electric vehicle;
(2) has been used as a qualifying vehicle to qualify for a
grant under this chapter for a previous reporting period or by
another entity; or
(3) has qualified for a similar grant or tax credit in
another jurisdiction.

Redesignated from Health and Safety Code, Chapter 391 by Acts 2011,
82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(30), eff. September
1, 2011.

Sec. 392.004. APPLICATION FOR GRANT. (a) An entity operating
in this state that operates a fleet of at least 75 vehicles may apply
for and receive a grant under the program.

(b) The commission may adopt guidelines to allow a regional
planning commission, council of governments, or similar regional
planning agency created under Chapter 391, Local Government Code, or
a private nonprofit organization to apply for and receive a grant to
improve the ability of the program to achieve its goals.

(c) An application for a grant under this chapter must be made
on a form provided by the commission and must contain the information
required by the commission.

(d) The commission shall minimize, to the maximum extent
possible, the amount of paperwork required for an application. An
applicant may be required to submit a photograph or other
documentation of a vehicle identification number, registration
information, inspection information, tire condition, or engine block
identification only if the photograph or documentation is requested
by the commission after the commission has decided to award a grant
to the applicant under this chapter.

Redesignated from Health and Safety Code, Chapter 391 by Acts 2011,
82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(30), eff. September
1, 2011.
Sec. 392.005. ELIGIBILITY OF PROJECTS FOR GRANTS. (a) The commission by rule shall establish criteria for prioritizing projects eligible to receive grants under this chapter. The commission shall review and revise the criteria as appropriate.

(b) To be eligible for a grant under the program, a project must:

1. result in a reduction in emissions of nitrogen oxides or other pollutants, as established by the commission, of at least 25 percent, based on:
   (A) the baseline emission level set by the commission under Subsection (g); and
   (B) the certified emission rate of the new vehicle; and

2. replace a vehicle that:
   (A) is an on-road vehicle that has been owned, leased, or otherwise commercially financed and registered and operated by the applicant in Texas for at least the two years immediately preceding the submission of a grant application;
   (B) satisfies any minimum average annual mileage or fuel usage requirements established by the commission;
   (C) satisfies any minimum percentage of annual usage requirements established by the commission; and
   (D) is in operating condition and has at least two years of remaining useful life, as determined in accordance with criteria established by the commission.

(c) As a condition of receiving a grant, the qualifying vehicle must be continuously owned, registered, and operated in the state by the grant recipient until the earlier of the fifth anniversary of the date of reimbursement of the grant-funded expenses or until the date the vehicle has been in operation for 400,000 miles after the date of reimbursement. Not less than 75 percent of the annual use of the qualifying vehicle, either mileage or fuel use as determined by the commission, must occur in the state.

(d) The commission shall include and enforce the usage provisions in the grant contracts. The commission shall monitor compliance with the contract requirements, including submission of reports on at least an annual basis, or more frequently as determined by the commission.

(e) The commission by contract may require the return of all or a portion of grant funds for a grant recipient's noncompliance with the usage and percentage of use requirements under this section.
(f) A vehicle or engine replaced under this program must be rendered permanently inoperable by crushing the vehicle, by making a hole in the engine block and permanently destroying the frame of the vehicle, or by another method approved by the commission that permanently removes the vehicle from operation in this state. The commission shall provide a means for an applicant to propose an alternative method of complying with the requirements of this subsection. The commission shall enforce the requirements of this subsection.

(g) The commission shall establish baseline emission levels for emissions of nitrogen oxides for on-road vehicles being replaced. The commission may consider and establish baseline emission rates for additional pollutants of concern, as determined by the commission.

(h) Mileage requirements established by the commission under Subsection (b)(2)(B) may differ by vehicle weight categories and type of use.

(i) The executive director shall waive the requirements of Subsection (b)(2)(A) on a finding of good cause, which may include a waiver for short lapses in registration or operation attributable to economic conditions, seasonal work, or other circumstances.

Redesignated from Health and Safety Code, Chapter 391 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(30), eff. September 1, 2011.

Sec. 392.006. RESTRICTION ON USE OF GRANT. A recipient of a grant under this chapter shall use the grant to pay the incremental costs of the project for which the grant is made, which may include the initial cost of the alternative fuel vehicle and the reasonable and necessary expenses incurred for the labor needed to install emissions-reducing equipment. The recipient may not use the grant to pay the recipient's administrative expenses.

Redesignated from Health and Safety Code, Chapter 391 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(30), eff. September 1, 2011.

Sec. 392.007. AMOUNT OF GRANT. (a) The amount the commission shall award for each vehicle being replaced is up to 80 percent, as
determined by the commission, of the total cost for replacement of a heavy-duty or light-duty diesel engine.

(b) The commission may revise the standards for determining grant amounts, as needed to reflect changes to federal emission standards and decisions on pollutants of concern.

Redesignated from Health and Safety Code, Chapter 391 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(30), eff. September 1, 2011.
Amended by:
    Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 21, eff. June 14, 2013.

Sec. 392.008. EXPIRATION. This chapter expires August 31, 2017.

Redesignated from Health and Safety Code, Chapter 391 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(30), eff. September 1, 2011.

For expiration of this chapter, see Section 393.007.

CHAPTER 393. ALTERNATIVE FUELING FACILITIES PROGRAM

Sec. 393.001. DEFINITIONS. In this chapter:
(1) "Alternative fuel" means a fuel other than gasoline or diesel fuel, other than biodiesel fuel, including electricity, compressed natural gas, liquified natural gas, hydrogen, propane, or a mixture of fuels containing at least 85 percent methanol by volume.
(2) "Commission" means the Texas Commission on Environmental Quality.
(3) "Program" means the Texas alternative fueling facilities program established under this chapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 393.002. PROGRAM. (a) The commission shall establish and administer the Texas alternative fueling facilities program to provide fueling facilities for alternative fuel in nonattainment...
areas. Under the program, the commission shall provide a grant for each eligible facility to offset the cost of those facilities.

(b) An entity that constructs, reconstructs, or acquires an alternative fueling facility is eligible to participate in the program.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 393.003. APPLICATION FOR GRANT. (a) An entity operating in this state that constructs, reconstructs, or acquires a facility to store, compress, or dispense alternative fuels may apply for and receive a grant under the program.

(b) The commission may adopt guidelines to allow a regional planning commission, council of governments, or similar regional planning agency created under Chapter 391, Local Government Code, or a private nonprofit organization to apply for and receive a grant to improve the ability of the program to achieve its goals.

(c) An application for a grant under this chapter must be made on a form provided by the commission and must contain the information required by the commission.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 393.004. ELIGIBILITY OF FACILITIES FOR GRANTS. (a) The commission by rule shall establish criteria for prioritizing facilities eligible to receive grants under this chapter. The commission shall review and revise the criteria as appropriate.

(b) To be eligible for a grant under the program, the entity receiving the grant must agree to make the alternative fueling facility available to persons not associated with the entity at times designated by the grant agreement.

(c) A recipient of a grant under this chapter is not eligible to receive a second grant under this chapter for the same facility.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.
Sec. 393.005. RESTRICTION ON USE OF GRANT. A recipient of a grant under this chapter shall use the grant only to pay the costs of the facility for which the grant is made. The recipient may not use the grant to pay the recipient's administrative expenses.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 393.006. AMOUNT OF GRANT. For each eligible facility for which a recipient is awarded a grant under the program, the commission shall award the grant in an amount equal to the lesser of:

(1) 50 percent of the sum of the actual eligible costs incurred by the grant recipient within deadlines established by the commission to construct, reconstruct, or acquire the facility; or

(2) $600,000.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.
Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 24, eff. June 14, 2013.

Sec. 393.007. EXPIRATION. This chapter expires August 31, 2018.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

For expiration of this chapter, see Section 394.012.

CHAPTER 394. TEXAS NATURAL GAS VEHICLE GRANT PROGRAM

Sec. 394.001. DEFINITIONS. In this chapter:

(1) "Advisory board" means the Texas Emissions Reduction Plan Advisory Board.

(2) "Commission" means the Texas Commission on Environmental Quality.

(3) "Executive director" means the executive director of the Texas Commission on Environmental Quality.

(4) "Heavy-duty motor vehicle" means a motor vehicle with:
(A) a gross vehicle weight rating of more than 8,500 pounds; and
(B) an engine certified to the United States Environmental Protection Agency's standards for heavy-duty engines.

(5) "Incremental cost" means the difference between the manufacturer's suggested retail price of a baseline vehicle, the documented dealer price of a baseline vehicle, cost to lease or otherwise commercially finance a baseline vehicle, cost to repower with a baseline engine, or other appropriate baseline cost established by the commission, and the actual cost of the natural gas vehicle purchase, lease, or other commercial financing, or repower.

(6) "Medium-duty motor vehicle" means a motor vehicle with a gross vehicle weight rating of more than 8,500 pounds that:
(A) is certified to the United States Environmental Protection Agency's light-duty emissions standard; or
(B) has an engine certified to the United States Environmental Protection Agency's light-duty emissions standard.

(7) "Motor vehicle" has the meaning assigned by Section 386.151.

(8) "Natural gas vehicle" means a motor vehicle that receives not less than 75 percent of its power from compressed or liquefied natural gas.

(9) "Program" means the Texas natural gas vehicle grant program established under this chapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 394.002. PROGRAM. The commission shall establish and administer the Texas natural gas vehicle grant program to encourage an entity that has a heavy-duty or medium-duty motor vehicle to repower the vehicle with a natural gas engine or replace the vehicle with a natural gas vehicle. Under the program, the commission shall provide grants for eligible heavy-duty motor vehicles and medium-duty motor vehicles to offset the incremental cost for the entity of repowering or replacing the heavy-duty or medium-duty motor vehicle.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.
Sec. 394.003. QUALIFYING VEHICLES. (a) A vehicle is a qualifying vehicle that may be considered for a grant under the program if during the calendar year the entity:

(1) purchased, leased, or otherwise commercially financed the vehicle as a new on-road heavy-duty or medium-duty motor vehicle that:

(A) is a natural gas vehicle;
(B) is certified to current federal emissions standards;
(C) replaces an on-road heavy-duty or medium-duty motor vehicle of the same weight classification and use; and
(D) is powered by an engine certified to:
   (i) emit not more than 0.2 grams of nitrogen oxides per brake horsepower hour; or
   (ii) meet or exceed the United States Environmental Protection Agency's Bin 5 standard for light-duty engines when powering the vehicle; or

(2) repowered the on-road motor vehicle to a natural gas vehicle powered by a natural gas engine that:

(A) is certified to current federal emissions standards; and
(B) is:
   (i) a heavy-duty engine that is certified to emit not more than 0.2 grams of nitrogen oxides per brake horsepower hour; or
   (ii) certified to meet or exceed the United States Environmental Protection Agency's Bin 5 standard for light-duty engines when powering the vehicle.

(b) A heavy-duty or medium-duty motor vehicle is not a qualifying vehicle if the vehicle or the natural gas engine powering the vehicle:

(1) has been awarded a grant under this chapter for a previous reporting period; or

(2) has received a similar grant or tax credit in another jurisdiction if that grant or tax credit program is relied on for credit in the state implementation plan.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.
Sec. 394.004. APPLICATION FOR GRANT. (a) Only an entity operating in this state that operates a heavy-duty or medium-duty motor vehicle may apply for and receive a grant under this chapter.

(b) An application for a grant under this chapter must be made on a form provided by the commission and must contain the information required by the commission.

(c) The commission, after consulting stakeholders, shall:
(1) simplify the application form; and
(2) minimize, to the maximum extent possible, documentation required for an application.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 394.005. ELIGIBILITY FOR GRANTS. (a) The commission by rule shall establish criteria for prioritizing qualifying vehicles eligible to receive grants under this chapter. The commission shall review and revise the criteria as appropriate after consultation with the advisory board.

(b) To be eligible for a grant under the program:
(1) the use of the qualifying vehicle must be projected to result in a reduction in emissions of nitrogen oxides of at least 25 percent as compared to the motor vehicle or engine being replaced, based on:
   (A) the baseline emission level set by the commission under Subsection (g); and
   (B) the certified emission rate of the new vehicle; and
(2) the qualifying vehicle must:
   (A) replace a heavy-duty or medium-duty motor vehicle that:
      (i) is an on-road vehicle that has been owned, leased, or otherwise commercially financed and registered and operated by the applicant in Texas for at least the two years immediately preceding the submission of a grant application;
      (ii) satisfies any minimum average annual mileage or fuel usage requirements established by the commission;
      (iii) satisfies any minimum percentage of annual usage requirements established by the commission; and
      (iv) is in operating condition and has at least two
years of remaining useful life, as determined in accordance with criteria established by the commission; or

(B) be a heavy-duty or medium-duty motor vehicle repowered with a natural gas engine that:

(i) is installed in an on-road vehicle that has been owned, leased, or otherwise commercially financed and registered and operated by the applicant in Texas for at least the two years immediately preceding the submission of a grant application;

(ii) satisfies any minimum average annual mileage or fuel usage requirements established by the commission;

(iii) satisfies any minimum percentage of annual usage requirements established by the commission; and

(iv) is installed in an on-road vehicle that, at the time of the vehicle's repowering, was in operating condition and had at least two years of remaining useful life, as determined in accordance with criteria established by the commission.

(c) As a condition of receiving a grant, the qualifying vehicle must be continuously owned, leased, or otherwise commercially financed and registered and operated in the state by the grant recipient until the earlier of the fourth anniversary of the date of reimbursement of the grant-funded expenses or until the date the vehicle has been in operation for 400,000 miles after the date of reimbursement. Not less than 75 percent of the annual use of the qualifying vehicle, either mileage or fuel use as determined by the commission, must occur in:

(1) the counties any part of which are included in the area described by Section 394.010(a); or

(2) counties designated as nonattainment areas within the meaning of Section 107(d) of the federal Clean Air Act (42 U.S.C. Section 7407).

(d) The commission shall include and enforce the usage provisions in the grant contracts. The commission shall monitor compliance with the ownership, leasing, and usage requirements, including submission of reports on at least an annual basis, or more frequently as determined by the commission.

(e) The commission by contract may require the return of all or a portion of grant funds for a grant recipient's noncompliance with the usage and percentage of use requirements under this section.

(f) A heavy-duty or medium-duty motor vehicle replaced under this program must be rendered permanently inoperable by crushing the
vehicle, by making a hole in the engine block and permanently destroying the frame of the vehicle, or by another method approved by the commission that permanently removes the vehicle from operation in this state. The commission shall establish criteria for ensuring the permanent destruction of the engine or vehicle. The commission shall enforce the destruction requirements.

(g) The commission shall establish baseline emission levels for emissions of nitrogen oxides for on-road heavy-duty or medium-duty motor vehicles being replaced by using the emission certification for the engine or vehicle being replaced. The commission may consider deterioration of the emission performance of the engine of the vehicle being replaced in establishing the baseline emission level. The commission may consider and establish baseline emission rates for additional pollutants of concern, as determined by the commission after consultation with the advisory board.

(h) Mileage or fuel use requirements established by the commission under Subsection (b)(2)(A)(ii) may differ by vehicle weight categories and type of use.

(i) The executive director shall waive the requirements of Subsection (b)(2)(A)(i) on a finding of good cause, which may include short lapses in registration or operation due to economic conditions, seasonal work, or other circumstances.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 394.006. RESTRICTION ON USE OF GRANT. A recipient of a grant under this chapter shall use the grant to pay the incremental costs of the replacement for which the grant is made, which may include the initial cost of the natural gas vehicle or natural gas engine and the reasonable and necessary expenses incurred for the labor needed to install emissions-reducing equipment. The recipient may not use the grant to pay the recipient's administrative expenses.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 394.007. AMOUNT OF GRANT. (a) The commission shall develop a grant schedule that:
assigns a standardized grant in an amount up to 90 percent of the incremental cost of a natural gas vehicle purchase, lease, other commercial finance, or repowering;

(2) is based on:

(A) the certified emission level of nitrogen oxides, or other pollutants as determined by the commission, of the engine powering the natural gas vehicle; and

(B) the usage of the natural gas vehicle; and

(3) may take into account the overall emissions reduction achieved by the natural gas vehicle.

(b) Not less than 60 percent of the total amount of grants awarded under this chapter for the purchase and repowering of motor vehicles must be awarded to motor vehicles with a gross vehicle weight rating of at least 33,001 pounds. The minimum grant requirement under this subsection does not apply if the commission does not receive enough grant applications to satisfy the requirement for motor vehicles described by this subsection that are eligible to receive a grant under this chapter.

(c) A person may not receive a grant under this chapter that, when combined with any other grant, tax credit, or other governmental incentive, exceeds the incremental cost of the vehicle for which the grant is awarded. A person shall return to the commission the amount of a grant awarded under this chapter that, when combined with any other grant, tax credit, or other governmental incentive, exceeds the incremental cost of the vehicle for which the grant is awarded.

(d) The commission shall reduce the amount of a grant awarded under this chapter as necessary to keep the combined incentive total at or below the incremental cost of the vehicle for which the grant is awarded if the grant recipient is eligible to receive an automatic incentive at or before the time a grant is awarded under this chapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.
Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 22, eff. June 14, 2013.

Sec. 394.008. GRANT PROCEDURES. (a) The commission shall
adopt procedures for:

(1) awarding grants under this chapter in the form of rebates; and

(2) streamlining the grant application, contracting, reimbursement, and reporting process for qualifying natural gas vehicle purchases or repowers.

(b) Procedures adopted under this section must:

(1) provide for the commission to compile and regularly update a listing of preapproved natural gas vehicles:

(A) powered by natural gas engines certified to emit not more than 0.2 grams of nitrogen oxides per brake horsepower hour; or

(B) certified to the United States Environmental Protection Agency's light-duty Bin 5 standard or better;

(2) if a federal standard for the calculation of emissions reductions exists, provide a method to calculate the reduction in emissions of nitrogen oxides, volatile organic compounds, carbon monoxide, particulate matter, and sulfur compounds for each replacement or repowering;

(3) assign a standardized rebate amount for each qualifying vehicle under Section 394.007;

(4) allow for processing rebates on an ongoing first-come, first-served basis;

(5) provide for contracts between the commission and participating dealers under Section 394.009;

(6) allow grant recipients to assign their grant funds to participating dealers to offset the purchase or lease price;

(7) require grant applicants to identify natural gas fueling stations that are available to fuel the qualifying vehicle in the area of its use;

(8) provide for payment not later than the 30th day after the date the request for reimbursement for an approved grant is received;

(9) provide for application submission and application status checks to be made over the Internet; and

(10) consolidate, simplify, and reduce the administrative work for applicants and the commission associated with grant application, contracting, reimbursement, and reporting requirements.

(c) The commission, or its designee, shall oversee the grant process and is responsible for final approval of any grant.
(d) Grant recipients are responsible for meeting all grant conditions, including reporting and monitoring as required by the commission through the grant contract.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 394.009. PARTICIPATING DEALERS. (a) In this section, "participating dealer" means a person who:

(1) sells, leases, or otherwise commercially finances on-road heavy-duty or medium-duty natural gas vehicles or heavy-duty or medium-duty natural gas engines; and

(2) has satisfied all requirements established by the commission for participation in the program as a dealer.

(b) A participating dealer must agree to the terms and conditions of a standardized contract developed by the commission.

(c) A participating dealer shall:

(1) provide information regarding natural gas vehicle grants to fleet operators;

(2) assist an applicant who purchases, leases, or otherwise commercially finances a natural gas vehicle or engine from the dealer with the completion of the application; and

(3) submit completed applications and documentation to the commission on behalf of an applicant who purchases, leases, or otherwise commercially finances a natural gas vehicle or engine from the dealer.

(d) A participating dealer may not approve a grant.

(e) The commission shall:

(1) maintain and make available to the public online a list of all qualified dealers; and

(2) establish requirements for participation in the program by sellers of on-road heavy-duty or medium-duty natural gas vehicles and heavy-duty or medium-duty natural gas engines.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 394.010. CLEAN TRANSPORTATION TRIANGLE. (a) To ensure that natural gas vehicles purchased, leased, or otherwise
commercially financed or repowered under the program have access to fuel, and to build the foundation for a self-sustaining market for natural gas vehicles in Texas, the commission shall award grants to support the development of a network of natural gas vehicle fueling stations along the interstate highways connecting Houston, San Antonio, Dallas, and Fort Worth, and in nonattainment areas and affected counties of the state. In awarding the grants, the commission shall provide for:

(1) strategically placed natural gas vehicle fueling stations in and between the Houston, San Antonio, and Dallas-Fort Worth areas, and in nonattainment areas and affected counties of the state, to enable a natural gas vehicle to travel in those areas relying solely on natural gas fuel;

(2) grants to be dispersed through a competitive bidding process to offset a portion of the cost of installation of the natural gas dispensing equipment;

(3) contracts that require the recipient stations to meet operational, maintenance, and reporting requirements as specified by the commission; and

(4) a listing, to be maintained by the commission and made available to the public online, of all natural gas vehicle fueling stations that have received grant funding, including location and hours of operation.

(b) The commission may not award more than one grant for each station.

(c) Grants awarded under this section may not exceed:

(1) $400,000 for a compressed natural gas station;

(2) $400,000 for a liquefied natural gas station; or

(3) $600,000 for a station providing both liquefied and compressed natural gas.

(d) Stations funded by grants under this section must be publicly accessible. The commission shall give preference to:

(1) stations providing both liquefied natural gas and compressed natural gas at a single location;

(2) stations located not more than one mile from an interstate highway system; and

(3) stations located in the triangular area between the Houston, San Antonio, and Dallas-Fort Worth areas.

(e) To meet the goals of this section, the commission may solicit grant applications under this section for a new fueling
station in a specific area or location.

(f) Grants made under this section are not subject to the requirements of Sections 394.002 through 394.008. The commission shall develop an application package and review applications in accordance with Sections 386.110 and 386.111.

(f-1) An application for a grant under this section must include a certification that the applicant complies with laws, rules, guidelines, and requirements applicable to taxation of fuel provided by the applicant at each fueling facility owned or operated by the applicant. The commission may terminate a grant awarded under this section without further obligation to the grant recipient if the commission determines that the recipient did not comply with a law, rule, guideline, or requirement described by this subsection. This subsection does not create a cause of action to contest an application or award of a grant.

(g) The commission, in consultation with the natural gas industry, shall determine the most efficient use of funding for the station grants under this section to maximize the availability of natural gas fueling stations.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.
Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 1230 (S.B. 1727), Sec. 23, eff. June 14, 2013.

Sec. 394.011. ADMINISTRATION OF PROGRAM. The commission may contract with one or more entities for administration of the program.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.

Sec. 394.012. EXPIRATION. This chapter expires August 31, 2017.

Added by Acts 2011, 82nd Leg., R.S., Ch. 892 (S.B. 385), Sec. 3, eff. September 1, 2011.
SUBTITLE D. NUCLEAR AND RADIOACTIVE MATERIALS
CHAPTER 401. RADIOACTIVE MATERIALS AND OTHER SOURCES OF RADIATION
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 401.0005. SHORT TITLE. This chapter may be cited as the Texas Radiation Control Act.

Sec. 401.001. POLICY. In furtherance of the state's responsibility to protect occupational and public health and safety and the environment, it is the policy of the state to institute and maintain:

(1) a regulatory program for sources of radiation that provides for:

(A) compatibility with federal standards and regulatory programs;

(B) a single, effective regulatory system in the state; and

(C) a regulatory system that is to the degree possible compatible with other states' systems; and

(2) a program that permits development and use of sources of radiation for peaceful purposes consistent with public health and safety and environmental protection.

Sec. 401.002. PURPOSE. It is the purpose of this chapter to carry out the policies stated in Section 401.001 by providing a program to:

(1) ensure effective regulation of sources of radiation for protection of the occupational and public health and safety and the environment;

(2) promote an orderly regulatory pattern in the state, among the states, and between the federal government and the state, and facilitate intergovernmental cooperation with respect to use and regulation of sources of radiation to minimize regulatory duplication;

(3) establish procedures for assumption and performance of certain regulatory responsibilities with respect to sources of
radiation; and

(4) permit maximum use of sources of radiation consistent with public health and safety and environmental protection.

Sec. 401.003. DEFINITIONS. In this chapter, unless otherwise specifically provided:

(1) "Advisory board" means the radiation advisory board.

(2) "Board" means the executive commissioner of the Health and Human Services Commission.

(3) "By-product material" means:

(A) a radioactive material, other than special nuclear material, that is produced in or made radioactive by exposure to radiation incident to the process of producing or using special nuclear material; and

(B) tailings or wastes produced by or resulting from the extraction or concentration of uranium or thorium from ore processed primarily for its source material content, including discrete surface wastes resulting from uranium solution extraction processes.

(4) "Commission" means the Texas Commission on Environmental Quality.

(5) "Commissioner" means the commissioner of state health services.

(6) "Department" means the Department of State Health Services or other department designated by the executive commissioner of the Health and Human Services Commission.

(7) "Director" means the director of the radiation control program under the department's jurisdiction.

(8) "Disposal" means, with regard to low-level radioactive waste, isolation or removal of low-level radioactive waste from mankind and mankind's environment without intent to retrieve that low-level radioactive waste later. The term does not include emissions and discharges under department rules.

(9) "Electronic product" means a manufactured product or device or component part of a manufactured product or device that has an electronic circuit that during operation can generate or emit a physical field of radiation.
(10) "Federal commission" means the United States Nuclear Regulatory Commission.

(11) "Perpetual care account" means the radiation and perpetual care account.

(12) "General license" means a license issued under department rules for which an application is not required to be filed to transfer, acquire, own, possess, or use quantities of or devices or equipment that make use of by-product, source, special nuclear, or other radioactive material.

(12-a) "Gross receipts" includes, with respect to an entity or affiliated members, owners, shareholders, or limited or general partners, all receipts from the entity's disposal operations in Texas licensed under this chapter including any bonus, commission, or similar payment received by the entity from a customer, contractor, subcontractor, or other person doing business with the entity or affiliated members, owners, shareholders, or limited or general partners. This term does not include receipts from the entity's operations in Texas, or affiliated members, owners, shareholders, or limited or general partners, for capital reimbursements, bona fide storage and processing, and federal or state taxes or fees on waste received uniquely required to meet the specifications of a license or contract. The commission may promulgate rules in establishing the criteria for determining gross receipts consistent with the parameters of this definition.

(13) "Local government" means a municipality, county, special district, or other political subdivision of the state.

(14) "Person" includes a legal successor to or representative, agent, or agency of any person but does not include the federal commission and federal agencies the federal commission licenses or exempts.

(15) "Person affected" means a person who demonstrates that the person has suffered or will suffer actual injury or economic damage and, if the person is not a local government:

(A) is a resident of a county, or a county adjacent to that county, in which nuclear or radioactive material is or will be located; or

(B) is doing business or has a legal interest in land in the county or adjacent county.

(16) "Processing" means the storage, extraction of material, transfer, volume reduction, compaction, or other separation
and preparation of low-level radioactive waste for reuse or disposal, including a treatment or activity that renders the waste less hazardous, safer for transport, or amenable to recovery, storage, or disposal.

(17) "Radiation" means one or more of the following:

(A) gamma-rays and X-rays, alpha and beta particles, and other atomic or nuclear particles or rays;

(B) emission of radiation from an electronic device to energy density levels that could reasonably cause bodily harm; or

(C) sonic, ultrasonic, or infrasonic waves emitted from an electronic device or resulting from the operation of an electronic circuit in an electronic device in the energy range to reasonably cause detectable bodily harm.

(18) "Radiation material" means a naturally occurring or artificially produced solid, liquid, or gas that emits radiation spontaneously.

(19) "Radioactive substance" includes:

(A) by-product material;

(B) naturally occurring radioactive material waste, excluding oil and gas NORM waste;

(C) radioactive material;

(D) low-level radioactive waste;

(E) source material;

(F) source of radiation; and

(G) special nuclear material.

(21) "Registration" includes:

(A) notice to the department of the service or use of an electronic product; and

(B) registration under Section 401.105.

(22) "Source material" means:

(A) uranium, thorium, or other material that the governor by order declares to be source material after the federal commission has determined the material to be source material; or

(B) ore that contains one or more of the materials listed in Subdivision (A) to the degree of concentration that the governor by order declares to be source material after the federal commission has determined the material to be of a degree of concentration to be source material.
(23) "Source of radiation" means radioactive material or a device or equipment that emits or is capable of producing radiation intentionally or incidentally.

(24) "Special nuclear material" means:
   (A) plutonium, uranium 233, uranium enriched in the isotope 233 or the isotope 235, and any other material other than source material that the governor by order declares to be special nuclear material after the federal commission determines the material to be special nuclear material; or
   (B) material other than source material that is artificially enriched by any of the materials listed in Subdivision (A).

(25) "Specific license" means a license, issued pursuant to an application, to use, manufacture, produce, transfer, receive, acquire, own, possess, process, or dispose of quantities of or devices or equipment using by-product, source, special nuclear, or other radioactive material.

(26) "Naturally occurring radioactive material waste" or "NORM waste" means solid, liquid, or gaseous material or combination of materials, excluding source material, special nuclear material, and by-product material, that:
   (A) in its natural physical state spontaneously emits radiation;
   (B) is discarded or unwanted; and
   (C) is not exempt by department rule adopted under Section 401.106.

(27) "Oil and gas NORM waste" means solid, liquid, or gaseous material or combination of materials, excluding source material, special nuclear material, and by-product material, that:
   (A) in its natural physical state spontaneously emits radiation;
   (B) is discarded or unwanted;
   (C) is not exempt by department rule adopted under Section 401.106; and
   (D) constitutes, is contained in, or has contaminated oil and gas waste as that term is defined in Section 91.1011 of the Natural Resources Code.

Sec. 401.004. LOW-LEVEL RADIOACTIVE WASTE DEFINED. (a) Except as provided by Subsection (b), "low-level radioactive waste" means radioactive material that:

(1) is discarded or unwanted and is not exempt by board rule adopted under Section 401.106;

(2) is waste, as that term is defined by 10 C.F.R. Section 61.2; and

(3) is subject to:

(A) concentration limits established under 10 C.F.R. Section 61.55, or compatible rules established by the department or commission, as applicable; and

(B) disposal criteria established under Title 10, Code of Federal Regulations, or established by the department or commission, as applicable.

(b) "Low-level radioactive waste" does not include:

(1) high-level radioactive waste as defined by 10 C.F.R. Section 60.2;

(2) spent nuclear fuel as defined by 10 C.F.R. Section 72.3;

(3) by-product material described by Section 401.003(3)(B);

(4) naturally occurring radioactive material waste that is not oil and gas NORM waste; or

(5) oil and gas NORM waste.

Added by Acts 1999, 76th Leg., ch. 1367, Sec. 2, eff. Sept. 1, 1999.

Sec. 401.005. CODE OF FEDERAL REGULATIONS REFERENCES. A reference in this chapter to the "C.F.R." or the "Code of Federal
"Regulations" means the Code of Federal Regulations as it existed on September 1, 1999.

Added by Acts 1999, 76th Leg., ch. 1367, Sec. 2, eff. Sept. 1, 1999.

**SUBCHAPTER B. ADMINISTRATIVE PROVISIONS**

Sec. 401.011. RADIATION CONTROL AGENCY. (a) The department is the Texas Radiation Control Agency. The department has jurisdiction over activities and substances regulated under this chapter except as provided by Subsection (b) and Subchapters E, F, G, and K.

(b) The commission has jurisdiction to regulate and license:

1. the disposal of radioactive substances;
2. the processing or storage of low-level radioactive waste or naturally occurring radioactive material waste received from other persons, except oil and gas NORM;
3. the recovery or processing of source material in accordance with Subchapter G;
4. the processing of by-product material as defined by Section 401.003(3)(B); and
5. sites for the disposal of:
   A. low-level radioactive waste;
   B. by-product material; or
   C. naturally occurring radioactive material waste.

(c) The department and commission each shall exercise its respective powers and duties under this chapter for the protection of the occupational health and safety and the environment.

Sec. 401.012. DESIGNATION OF DIRECTOR. The commissioner shall designate the director of the radiation control program under the department's jurisdiction.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1995, 74th Leg., ch. 76, Sec. 11.209, eff. Sept. 1, 1995.

Sec. 401.013. DUTIES OF DIRECTOR. The director or the director's designee shall perform the department's functions under this chapter.

Sec. 401.014. EMPLOYEES. The department and commission each within its jurisdiction may employ, compensate, and prescribe the powers and duties of persons as necessary to carry out this chapter.

Sec. 401.015. RADIATION ADVISORY BOARD. (a) The radiation advisory board is composed of the following 18 members appointed by the governor:

(1) one representative from industry who is trained in nuclear physics, science, or nuclear engineering;
(2) one representative from labor;
(3) one representative from agriculture;
(4) one representative from the insurance industry;
(5) one individual who is engaged in the use and application of nuclear physics in medicine and is certified by the American Board of Radiology or licensed by the Texas Board of Licensure for Professional Medical Physicists;
(6) one hospital administrator;
(7) one individual licensed by the Texas State Board of Medical Examiners who specializes in nuclear medicine;
(8) one individual licensed by the Texas State Board of Medical Examiners who specializes in pathology;
(9) one individual licensed by the Texas State Board of Medical Examiners who specializes in radiology;
(10) one representative from the nuclear utility industry;
(11) one representative from the radioactive waste industry;
(12) one representative from the petroleum industry;
(13) one health physicist certified by the American Board of Health Physics;
(14) one individual licensed by the State Board of Dental Examiners;
(15) one representative from the uranium mining industry;
and
(16) three representatives of the public.

(b) Advisory board members serve for staggered six-year terms.

(c) A person is not eligible to be appointed as a representative of the public on the advisory board if that person or that person's spouse is:

(1) engaged in an occupation in the health care field; or

(2) employed by, participates in the management of, or has a financial interest, other than as a consumer, in part of the nuclear utility industry or in a business entity or other organization that is licensed under Subchapter F or Subchapter G.

(d) In this subsection, "Texas trade association" means a cooperative and voluntarily joined association of business or professional competitors in this state designed to assist its members and its industry or profession in dealing with mutual business or professional problems and in promoting their common interest. A person may not be a member of the advisory board if:

(1) the person is an officer, employee, or paid consultant of a Texas trade association in the field of health physics or radiological health; or

(2) the person's spouse is an officer, manager, or paid consultant of a Texas trade association in the field of health physics or radiological health.

(e) A person may not be a member of the advisory board or act as the general counsel to the advisory board if the person is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a profession related to the operation of the advisory board.

(f) Appointments to the advisory board shall be made without regard to the race, color, disability, sex, religion, age, or national origin of the appointees.
Sec. 401.0151. TRAINING FOR ADVISORY BOARD MEMBERS. (a) A person who is appointed to and qualifies for office as a member of the advisory board may not vote, deliberate, or be counted as a member in attendance at a meeting of the advisory board until the person completes a training program that complies with this section.

(b) The training program must provide the person with information regarding:

1. the legislation that created the advisory board;
2. the role and functions of the advisory board;
3. the rules of the advisory board and applicable rules of the department, with an emphasis on the rules that relate to disciplinary and investigatory authority;
4. the requirements of:
   A. the open meetings law, Chapter 551, Government Code;
   B. the public information law, Chapter 552, Government Code;
   C. the administrative procedure law, Chapter 2001, Government Code; and
   D. other laws relating to public officials, including conflict-of-interest laws; and
5. any applicable ethics policies adopted by the advisory board or the Texas Ethics Commission.

(c) A person appointed to the advisory board is entitled to reimbursement, as provided by the General Appropriations Act, for the travel expenses incurred in attending the training program regardless of whether the attendance at the program occurs before or after the person qualifies for office.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 9.02, eff. Sept. 1, 1999.

Sec. 401.0152. INFORMATION ABOUT STANDARDS OF CONDUCT. The commissioner or the commissioner's designee shall provide to members
of the advisory board, as often as necessary, information regarding
the requirements for office under this subchapter, including
information regarding a person's responsibilities under applicable
laws relating to standards of conduct for state officers.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 9.02, eff. Sept. 1,
1999.

Sec. 401.0153. GROUNDS FOR REMOVAL. (a) It is a ground for
removal from the advisory board that a member:

(1) does not have at the time of taking office the
qualifications required by Section 401.015(a);

(2) does not maintain during service on the advisory board
the qualifications required by Section 401.015(a);

(3) is ineligible for membership under Section 401.015(c),
(d), or (e);

(4) cannot, because of illness or disability, discharge the
member's duties for a substantial part of the member's term; or

(5) is absent from more than half of the regularly
scheduled advisory board meetings that the member is eligible to
attend during a calendar year without an excuse approved by a
majority vote of the advisory board.

(b) The validity of an action of the advisory board is not
affected by the fact that it is taken when a ground for removal of an
advisory board member exists.

(c) If the commissioner has knowledge that a potential ground
for removal exists, the commissioner shall notify the advisory board
chairman of the potential ground. The advisory board chairman shall
then notify the governor and the attorney general that a potential
ground for removal exists. If the potential ground for removal
involves the advisory board chairman, the commissioner shall notify
the next highest ranking officer of the advisory board, who shall
then notify the governor and the attorney general that a potential
ground for removal exists.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 9.02, eff. Sept. 1,
1999.

Sec. 401.016. OFFICERS. (a) The governor shall designate a
member of the advisory board as the advisory board chairman to serve in that capacity at the will of the governor.

(b) The advisory board shall elect from its members a vice-chairman and secretary.

Sec. 401.017. SALARY; EXPENSES. A member of the advisory board is not entitled to receive a salary for service on the advisory board but may be reimbursed for actual expenses incurred in attending advisory board meetings or for engaging in authorized advisory board business.

Sec. 401.018. MEETINGS. (a) The advisory board shall meet quarterly on dates set by the advisory board.

(b) The advisory board shall hold special meetings that may be called by the advisory board chairman or by five advisory board members.

(c) Advisory board meetings may be held at any designated place in the state determined by the advisory board chairman to best serve the purpose for which the meeting is called.

(d) Each member of the advisory board shall be given timely notice of each advisory board meeting.

(e) A record must be kept of each advisory board meeting.

Sec. 401.0181. PUBLIC TESTIMONY. The advisory board shall develop and implement policies that provide the public with a reasonable opportunity to appear before the advisory board and to speak on any issue under the jurisdiction of the advisory board.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 9.04, eff. Sept. 1, 1999.
Sec. 401.019. ADVISORY BOARD DUTIES. The advisory board shall:
(1) review and evaluate state radiation policies and programs;
(2) make recommendations and furnish technical advice that may be required on matters relating to development, use, and regulation of sources of radiation to the department, the Texas Natural Resource Conservation Commission, the Railroad Commission of Texas, and other state agencies; and
(3) review proposed rules and guidelines of any state agency relating to regulation of sources of radiation and recommend changes in proposed or existing rules and guidelines relating to those matters.

Sec. 401.020. DUTY OF AGENCIES WITH RADIATION-RELATED PROGRAMS. A state agency shall:
(1) consider the recommendations and advice of the advisory board that concern the agency's policies or programs related to the development, use, or regulation of a source of radiation; and
(2) provide the advisory board a written response to the recommendations or advice.

Added by Acts 1997, 75th Leg., ch. 553, Sec. 2, eff. June 2, 1997.

SUBCHAPTER C. POWERS AND DUTIES
Sec. 401.051. ADOPTION OF RULES AND GUIDELINES. The board and commission each within its jurisdiction may adopt rules and
guidelines relating to control of sources of radiation.

Sec. 401.052. RULES FOR TRANSPORTATION AND ROUTING. (a) The board shall adopt rules that provide for transportation and routing of radioactive material and waste in this state.

(b) Rules adopted under this section for low-level radioactive waste must:

(1) to the extent practicable, be compatible with United States Department of Transportation and United States Nuclear Regulatory Commission regulations relating to the transportation of low-level radioactive waste;

(2) require each shipper and transporter of low-level radioactive waste to adopt an emergency plan approved by the department for responding to transportation accidents;

(3) require the notification and reporting of accidents to the department and to local emergency planning committees in the county where the accident occurs;

(4) require each shipper to adopt a quality control program approved by the department to verify that shipping containers are suitable for shipment to a licensed disposal facility;

(5) assess a fee on shippers for shipments to a Texas low-level radioactive waste disposal facility of low-level radioactive waste originating in Texas or out-of-state; and

(6) require a transporter to carry liability insurance in an amount the board determines is sufficient to cover damages likely to be caused by a shipping accident in accordance with regulations imposed by the United States Department of Transportation and the United States Nuclear Regulatory Commission.

(c) In adopting rules under this section, the board shall consult with the advisory board and the commission.

(d) Fees assessed under this section:

(1) may provide additional revenue to support the activities of the Texas Low-Level Radioactive Waste Disposal Compact Commission;

(2) may not exceed $10 per cubic foot of shipped low-level radioactive waste;
(3) shall be collected by the department and deposited to the credit of the perpetual care account;
(4) shall be used by the department for emergency planning for and response to transportation accidents involving low-level radioactive waste, including first responder training in counties through which transportation routes are designated in accordance with Subsection (a); and
(5) may not be collected on waste disposed of at a federal waste disposal facility.

(e) Money expended from the perpetual care account to respond to accidents involving low-level radioactive waste must be reimbursed to the perpetual care account by the responsible shipper or transporter according to rules adopted by the board.

(f) In this section, "shipper" means a person who generates low-level radioactive waste and ships or arranges with others to ship the waste to a disposal site.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 1, eff. September 1, 2013.

Sec. 401.0525. GROUNDWATER PROTECTION STANDARDS. (a) The commission shall adopt and enforce groundwater protection standards compatible with federal standards adopted under the Atomic Energy Act of 1954 (42 U.S.C. Section 2011 et seq.).
(b) In adopting any standards relating to nonradioactive constituents the commission shall consider the compatibility of those standards with the commission's groundwater protection standards adopted under other programs.

Sec. 401.053. CLASSIFICATION SYSTEM FOR LOW-LEVEL RADIOACTIVE WASTE. The department may establish a classification system for low-level radioactive waste that is based on radiological, chemical, and biological characteristics and on physical state so that low-level radioactive waste can be managed safely and compatibly.

Sec. 401.054. NOTICE AND HEARING. (a) The department shall provide notice and an opportunity for a hearing on a matter under its jurisdiction as provided by its formal hearing procedures and Chapter 2001, Government Code, on written request of a person affected by any of the following procedures:

(1) the denial, suspension, or revocation by the department of a license or registration;

(2) the determination by the department of compliance with or the grant of exemptions from a department rule or order; or

(3) the grant or amendment by the department of a specific license.

(b) This section does not apply to license or registration activities for which other notice and hearing procedures are required by this chapter.

Sec. 401.055. ORDERS. The department or commission shall issue and modify necessary orders in connection with proceedings conducted by the agency under this chapter on matters under the agency's jurisdiction.

Sec. 401.056. EMERGENCY ORDERS. (a) If the department or commission finds an emergency exists as a result of a matter under
its jurisdiction that requires immediate action to protect the public health and safety and the environment, the agency, without notice or hearing, may issue an order stating the existence of the emergency and requiring that action be taken at the agency's direction to meet the emergency.

(b) The emergency order is effective immediately.
(c) A person to whom an emergency order is directed shall comply immediately with that order.
(d) The agency shall provide a person to whom an emergency order is directed an opportunity for a hearing on written application to the agency not later than the 30th day following the date of the emergency order.
(e) The agency shall hold a requested hearing not earlier than the 11th day and not later than the 20th day following the date of receipt of the hearing application.
(f) The agency shall continue, modify, or revoke an emergency order based on the hearing.

Sec. 401.057. RECORDS. (a) The department or commission, within its jurisdiction, shall require each person who possesses or uses a source of radiation to maintain:
(1) records relating to the use, receipt, storage, transfer, or disposal of that source of radiation;
(2) appropriate records that show the radiation exposure of each individual for whom personnel monitoring is required by the agency's rules, licenses, registrations, and orders; and
(3) other records the agency requires.
(b) The board or commission by rule may provide exemptions to the records requirements under Subsections (a)(1) and (3).
(c) Copies of records required to be maintained under Subsection (a) shall be submitted to the agency on request.
(d) A person who possesses or uses a source of radiation shall furnish to each employee for whom personnel monitoring is required a copy of the employee's personal exposure record at any time the employee has received exposure that exceeds the maximum permissible levels provided by the agency's rules and on termination of
employment. The person shall furnish to an employee on request a copy of the employee's annual exposure record.

Sec. 401.058. INFORMATION. (a) The department shall collect and disseminate information relating to the transportation of sources of radiation. The department and the commission each within its jurisdiction shall collect and disseminate information relating to the control of sources of radiation.

(b) The department and commission each, as part of the collection and dissemination of information, shall maintain:

(1) a file of license applications, issuances, denials, amendments, transfers, renewals, modifications, suspensions, and revocations;

(2) a file of registrants possessing sources of radiation requiring registration under this chapter and any administrative or judicial action relating to those registrants; and

(3) a file of pending and adopted rules and guidelines relating to regulation of sources of radiation and proceedings relating to those rules and guidelines.

(c) The commission, as part of the collection and dissemination of information, shall maintain a file of:

(1) known locations in this state at which radioactive material has been disposed of and at which soil and facilities are contaminated; and

(2) information on inspection reports relating to the radioactive material disposed of and radiation levels at those locations.

Sec. 401.059. PROGRAM DEVELOPMENT. (a) The department shall develop programs to evaluate hazards associated with the use of sources of radiation.

(b) The department and commission shall develop programs within their respective jurisdictions with due regard for compatibility with
federal programs for the regulation of sources of radiation.

Sec. 401.060. STUDIES, INVESTIGATIONS, ETC. The department and commission each within its jurisdiction shall encourage, participate in, or conduct studies, investigations, training, research, and demonstrations relating to the control of sources of radiation.

Sec. 401.061. LOW-LEVEL RADIOACTIVE WASTE STUDIES. The department and commission each within its jurisdiction shall conduct studies of the need for low-level radioactive waste processing and disposal facilities and technologies as the agency considers necessary for minimizing the risks to the public and the environment from low-level radioactive waste management.

Sec. 401.062. TRAINING PROGRAMS. (a) The department and commission each may institute training programs to qualify their personnel to carry out this chapter.

(b) The department and commission each may make those personnel available to participate in a program of the federal government, another state, or an interstate agency to carry out this chapter's purposes.

Sec. 401.063. GENERAL INSPECTION AUTHORITY. (a) The department or commission or the agency's representative may enter
public or private property at reasonable times to determine whether, in a matter under the agency's jurisdiction, there is compliance with this chapter and the agency's rules, licenses, registrations, and orders under this chapter.

(b) The department or commission or the agency's representative may enter an area under the jurisdiction of the federal government only with the concurrence of the federal government or its designated representative.

Sec. 401.064. INSPECTION OF X-RAY EQUIPMENT. (a) The board shall adopt rules relating to the frequency of department inspections of electronic products.

(b) In adopting the rules, the board shall consider the threat to human health and safety that the electronic products may present.

(c) The board shall adopt an inspection interval of five years for routine inspections of electronic products that present a minimal threat to human health and safety.

(d) The board by rule shall require a person who inspects medical, podiatric medical, dental, veterinary, or chiropractic electronic products to have special training in the design and uses of the products.

(e) The department shall conduct inspections of medical, podiatric medical, dental, veterinary, and chiropractic electronic products in a manner designed to cause as little disruption of a medical, podiatric medical, dental, veterinary, or chiropractic practice as is practicable.

(f) In adopting rules under this section relating to the inspection of medical, podiatric medical, dental, veterinary, and chiropractic electronic products, the board shall solicit and follow the recommendations of the State Board of Dental Examiners for the inspections of dental electronic products, the Texas State Board of Podiatric Medical Examiners for the inspection of podiatric medical electronic products, the Texas State Board of Medical Examiners for the inspection of medical electronic products used in the practice of veterinary medicine, and
the State Board of Chiropractic Examiners for the inspection of chiropractic electronic products, unless in conflict with federal statutes or federal rules.

Sec. 401.065. INSPECTION AGREEMENTS. The department or commission, in matters under its jurisdiction, with the approval of the governor, may enter into an agreement with the federal government, another state, or an interstate agency under which the state, in cooperation with the other parties to the agreement, performs inspections or other functions relating to the control of sources of radiation.

Sec. 401.066. SURVEILLANCE PLANS. The department shall prepare and update emergency and environmental surveillance plans for fixed nuclear facilities in this state.

Sec. 401.067. LOCAL GOVERNMENT INSPECTIONS. (a) An agent or employee of a local government may examine and copy during regular business hours records relating to activities licensed under Subchapter F. Examinations and copying of records must be done at the local government's expense and subject to limitations in Chapter 552, Government Code.

(b) Records copied under this section are public records unless the record's owner shows to the satisfaction of the commission that the records if made public will divulge trade secrets. On such a showing, the commission shall consider the copied records confidential.

(c) A local government agent or employee may not enter private property that has management in residence unless the agent or
employee notifies the management, or person in charge, of the agent's or employee's presence and exhibits proper credentials. The agent or employee shall observe the rules of the establishment being inspected relating to safety, internal security, and fire protection.

Sec. 401.068. IMPOUNDING SOURCES OF RADIATION. The department or commission, in an emergency relating to a substance or activity under the agency's jurisdiction, may impound or order impounded sources of radiation that are in the possession of a person who is not equipped to observe or fails to observe this chapter or the agency's rules.

Sec. 401.069. MEMORANDUM OF UNDERSTANDING. The board or commission must adopt as a rule any memorandum of understanding between the department or commission, as appropriate, and another state agency.

Sec. 401.070. RELATIONSHIP WITH OTHER ENTITIES. The department shall advise, consult, and cooperate, on matters under its jurisdiction, with other state agencies, the federal government, other states, interstate agencies, local governments, and groups concerned with the control and transportation of sources of radiation. The commission shall advise, consult, and cooperate with those entities on matters under its jurisdiction.

Sec. 401.071. GENERAL POWERS OF COMMISSION IN RELATION TO LOW-LEVEL RADIOACTIVE WASTE. (a) The commission may:

(1) conduct, request, and participate in studies, investigations, and research relating to selection, preparation, construction, operation, maintenance, decommissioning, closing, and financing of disposal sites for and disposal of low-level radioactive waste; and

(2) advise, consult, and cooperate with the federal government, the state, interstate agencies, local governmental entities in this state, and private entities on matters involving the disposal of low-level radioactive waste.

(b) In carrying out its duties under this section the commission may:

(1) apply for, receive, accept, and administer gifts, grants, and other funds available from any source; and

(2) contract with the federal government, the state, interstate agencies, local governmental agencies, and private entities.

SUBCHAPTER D. LICENSING AND REGISTRATION

Sec. 401.101. LICENSE AND REGISTRATION REQUIREMENT. A person may not use, manufacture, produce, transport, transfer, receive, acquire, own, possess, process, or dispose of a source of radiation unless that person has a license, registration, or exemption from the department or commission as provided by this chapter.

Sec. 401.102. APPLICATION TO NUCLEAR REACTOR FACILITIES. Nuclear reactor facilities licensed by the federal commission are not required to be licensed or registered under this chapter.

Sec. 401.103. RULES AND GUIDELINES FOR LICENSING AND REGISTRATION. (a) The board shall adopt rules and guidelines that provide for licensing and registration for the transportation of sources of radiation.

(b) The board and commission each within its jurisdiction shall adopt rules and guidelines that provide for licensing and registration for the control of sources of radiation.

(c) In adopting rules and guidelines, the board and commission shall consider the compatibility of those rules and guidelines with federal regulatory programs.

Sec. 401.104. LICENSING AND REGISTRATION RULES. (a) Except as provided by Subsections (b) and (e), the board by rule shall provide for the general or specific licensing of:

(1) radioactive material; or
(2) devices or equipment using radioactive material.

(b) Except as provided by Subsection (e), the commission by rule shall provide for licensing for the disposal of radioactive substances.

(c) The board or commission shall provide in its rules for the issuance, amendment, suspension, and revocation of licenses.

(d) The board or commission, within its jurisdiction, may require the registration or licensing of other sources of radiation.

(e) The board or commission may not require a license for a person that is a party to an order issued under Section 361.188 or 361.272 for sites subject to Subchapter F, Chapter 361, or an agreement entered into under Section 361.606. This subsection does not exempt the person from complying with technical standards that a holder of a license otherwise required by this chapter for the particular activity is required to meet. The exemption granted by this subsection applies only to the assessment and remediation of the contamination at the site.

(f) A separate commercial storage and processing license may be issued for a site also licensed for disposal under this chapter.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 11.222, eff. Sept. 1, 1995;
Acts 1997, 75th Leg., ch. 1338, Sec. 3, eff. June 20, 1997; Acts 1999, 76th Leg., ch. 1367, Sec. 5, eff. Sept. 1, 1999; Acts 2003, 78th Leg., ch. 1067, Sec. 4, eff. Sept. 1, 2003. Amended by:

Sec. 401.105. RECOGNITION OF OTHER LICENSES. The board or commission, within its jurisdiction, by rule may recognize other federal or state licenses the board or commission, as appropriate, considers desirable, subject to registration requirements the board or commission, as appropriate, may prescribe.

Sec. 401.106. EXEMPTION FROM LICENSING OR REGISTRATION REQUIREMENTS OR FROM APPLICATION OF RULE. (a) The board or commission by rule may exempt a source of radiation or a kind of use or user from the licensing or registration requirements provided by this chapter and under the agency's jurisdiction if the board or commission finds that the exemption of that source of radiation or kind of use or user will not constitute a significant risk to the public health and safety and the environment.

(b) The department or commission, as applicable, may exempt a source of radiation or a kind of use or user from the application of a rule adopted by the department or commission under this chapter if the department or commission, respectively, determines that the exemption:

(1) is not prohibited by law; and
(2) will not result in a significant risk to public health and safety and the environment.

(c) Notwithstanding any other law, the commission may, on request or its own initiative, authorize on-site disposal of low-level radioactive waste on a specific basis at any site at which low-level radioactive waste disposal operations began before September 1, 1989, if after evaluation of the specific characteristics of the waste, the disposal site, and the method of disposal, the commission
finds that the continuation of the disposal activity will not constitute a significant risk to the public health and safety and to the environment.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1999, 76th Leg., ch. 1367, Sec. 6, eff. Sept. 1, 1999. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 4, eff. June 15, 2007.

Sec. 401.107. LICENSE APPLICATION. (a) An application for a specific license issued by the board or commission must be in writing and must state the information that the board or commission, as appropriate, by rule determines to be necessary to decide the technical, insurance, and financial qualifications or any other of the applicant's qualifications the issuing agency considers reasonable or necessary to protect the occupational and public health and safety and the environment.

(b) The issuing agency at any time after an application is filed with the agency, and if the application is for a renewal, before the expiration of the license, may require further written statements and may make inspections the agency considers necessary to determine if the license should be granted or denied or if the current license should be modified, suspended, or revoked.

(c) The applicant or license holder shall sign each license application and each statement, and the agency may require the applicant or license holder to make the application or statement under oath.

Sec. 401.108. FINANCIAL QUALIFICATIONS. (a) Before a license is issued or renewed by the commission, the applicant shall demonstrate to the commission that the applicant is financially qualified to conduct the licensed activity, including any required decontamination, decommissioning, reclamation, and disposal, by posting security acceptable to the commission.

(b) A license holder shall submit to the department or
commission, as appropriate, at intervals required by board or commission rules or the license, proof that the license holder has updated, as appropriate, the security posted under Subsection (a).

(c) The commission at regular intervals not to exceed five years shall reevaluate the qualifications and security provided by a license holder under Subchapter F or Subchapter G. The reevaluation may coincide with license renewal procedures if renewal and reevaluation occur in the same year.

Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 5, eff. June 15, 2007.

Sec. 401.109. SECURITY. (a) The department or commission may require a holder of a license issued by the agency to provide security acceptable to the agency to assure performance of the license holder's obligations under this chapter. The department shall deposit security provided to the department under this section to the credit of the perpetual care account. The department by rule shall provide that any evidence of security must be made payable to the credit of the perpetual care account. The commission shall deposit security provided to the commission under this section to the credit of the environmental radiation and perpetual care account. The commission shall provide that security must be made payable to the credit of the environmental radiation and perpetual care account.

(b) The commission shall require a holder of a license that authorizes the disposal of radioactive substances to provide security acceptable to the commission to assure performance of the license holder's obligations under this chapter.

(c) The amount and type of security required shall be determined under the agency's rules in accordance with criteria that include:

(1) the need for and scope of decontamination, decommissioning, reclamation, or disposal activity reasonably required to protect the public health and safety and the environment;

(2) reasonable estimates of the cost of decontamination,
decommissioning, reclamation, and disposal as provided by Section 401.303; and
(3) the cost of perpetual maintenance and surveillance, if any.

(d) In this section "security" includes:
(1) a cash deposit;
(2) a surety bond;
(3) a certificate of deposit;
(4) an irrevocable letter of credit;
(5) a deposit of government securities;
(6) an insurance policy, the form and content of which is acceptable to the agency; and
(7) other security acceptable to the agency.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 6, eff. June 15, 2007.
Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 2, eff. September 1, 2013.

Sec. 401.110. DETERMINATION ON LICENSE. (a) In making a determination whether to grant, deny, amend, renew, revoke, suspend, or restrict a license or registration, the commission may consider an applicant's or license holder's technical competence, financial qualifications, and compliance history under the method for using compliance history developed by the commission under Section 5.754, Water Code.

(b) In making a determination whether to grant, deny, amend, renew, revoke, suspend, or restrict a license or registration, the department may consider the technical competence, financial qualifications, and compliance history of an applicant, license holder, or registration holder. After an opportunity for a hearing, the department shall deny an application for a license or registration, license or registration amendment, or license or registration renewal if the applicant's compliance history reveals a
recurring pattern of conduct that demonstrates a consistent disregard for the regulatory process through significant violations of this chapter or the department's rules adopted under this chapter.

Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1021 (H.B. 2694), Sec. 4.28, eff. September 1, 2011.

Sec. 401.111. CRITERIA FOR CERTAIN UNSUITABLE NEW SITES. (a) The commission, in adopting rules for the issuance of licenses under the commission's jurisdiction for new sites for processing or disposal of radioactive substances from other persons, shall adopt criteria for the designation of unsuitable sites, including:

(1) flood hazard areas;
(2) areas with characteristics of discharge from or recharge of a groundwater aquifer system; or
(3) areas in which soil conditions make spill cleanup impracticable.

(b) The commission shall consult with the Texas Water Development Board, the State Soil and Water Conservation Board, the Bureau of Economic Geology, and other appropriate state agencies in developing proposed rules. The commission by rule shall:

(1) require selection of sites in areas in which natural conditions minimize potential contamination of surface water and groundwater; and
(2) prohibit issuance of licenses for unsuitable sites as defined by the rules.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 7, eff. June 15, 2007.
Sec. 401.112. LOW-LEVEL RADIOACTIVE WASTE PROCESSING OR DISPOSAL LICENSE APPLICATION AND CONSIDERATIONS. (a) The commission, in making a licensing decision on a specific license application to process or dispose of low-level radioactive waste from other persons, shall consider:

(1) site suitability, geological, hydrological, and meteorological factors, and natural hazards;

(2) compatibility with present uses of land near the site;

(3) socioeconomic effects on surrounding communities of operation of the licensed activity and of associated transportation of low-level radioactive waste;

(4) the need for and alternatives to the proposed activity, including an alternative siting analysis prepared by the applicant;

(5) the applicant's qualifications, including:
   (A) financial and technical qualifications and compliance history under the method for using compliance history developed by the commission under Section 5.754, Water Code, for an application to the commission; and
   (B) the demonstration of financial qualifications under Section 401.108;

(6) background monitoring plans for the proposed site;

(7) suitability of facilities associated with the proposed activities;

(8) chemical, radiological, and biological characteristics of the low-level radioactive waste and waste classification under Section 401.053;

(9) adequate insurance of the applicant to cover potential injury to any property or person, including potential injury from risks relating to transportation;

(10) training programs for the applicant's employees;

(11) a monitoring, record-keeping, and reporting program;

(12) spill detection and cleanup plans for the licensed site and related to associated transportation of low-level radioactive waste;

(13) decommissioning and postclosure care plans;

(14) security plans;

(15) worker monitoring and protection plans;

(16) emergency plans; and

(17) a monitoring program for applicants that includes prelicense and postlicense monitoring of background radioactive and
chemical characteristics of the soils, groundwater, and vegetation.

(b) An applicant for the specific license must submit with the application information necessary for the commission to consider the factors under Subsection (a).

(c) The commission by rule shall provide specific criteria for the different types of licensed low-level radioactive waste activities for the listed factors and may include additional factors and criteria that the commission determines necessary for full consideration of a license.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 8, eff. June 15, 2007.
Acts 2011, 82nd Leg., R.S., Ch. 1021 (H.B. 2694), Sec. 4.29, eff. September 1, 2011.

Sec. 401.113. ENVIRONMENTAL ANALYSIS. (a) Before a hearing under Section 401.114 begins, the commission shall prepare or have prepared a written analysis of the effect on the environment of a proposed licensed activity that the commission determines has a significant effect on the human environment.

(b) The commission shall make the analysis available to the public not later than the 31st day before the date of a hearing under Section 401.114.

(c) The analysis must include:

(1) an assessment of radiological and nonradiological effects of the activity on the public health;

(2) an assessment of any effect on a waterway or groundwater resulting from the activity;

(3) consideration of alternatives to the activities to be conducted under the license; and

(4) consideration of the long-term effects associated with activities, including decommissioning, decontamination, and reclamation impacts, including the management of low-level...
radioactive waste, to be conducted under the license.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 11.224, eff. Sept. 1, 1995; Acts 1999, 76th Leg., ch. 1367, Sec. 9, eff. Sept. 1, 1999. Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 9, eff. June 15, 2007.

Sec. 401.114. NOTICE AND HEARING. (a) Before the commission grants or renews a license to process or dispose of low-level radioactive waste from other persons, the commission shall give notice and shall provide an opportunity for a public hearing in the manner provided by the commission's formal hearing procedure and Chapter 2001, Government Code.

(b) In addition to other notice, the commission shall publish notice of the hearing in the manner provided by Chapter 313, Government Code, in the county in which the proposed facility is to be located. The notice shall state the subject and the time, place, and date of the hearing.

(c) The commission shall mail, by certified mail in the manner provided by the commission's rules, written notice to each person who owns property adjacent to the proposed site. The notice must be mailed not later than the 31st day before the date of the hearing and must include the same information that is in the published notice. If true, the commission or the applicant must certify that the notice was mailed as required by this subsection, and at the hearing the certificate is conclusive evidence of the mailing.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), 11.225, eff. Sept. 1, 1995; Acts 1999, 76th Leg., ch. 1367, Sec. 10, eff. Sept. 1, 1999. Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 10, eff. June 15, 2007.

Sec. 401.115. LICENSES FROM OTHER AGENCIES. A holder of a license to operate a facility to process or dispose of low-level radioactive waste may not operate the facility until the holder has
obtained all other required licenses or permits from other agencies.

Sec. 401.116. LICENSE AMENDMENT. (a) An amendment to a license to process or dispose of low-level radioactive waste from other persons may take effect immediately.

(b) The department or commission, as appropriate, shall publish notice of the license amendment once in the Texas Register and in a newspaper of general circulation in the county in which the licensed activity is located and shall give notice to any person who has notified the agency, in advance, of the desire to receive notice of proposed amendment of the license.

(c) Notice under this section must include:
(1) the identity of the license holder;
(2) identification of the license; and
(3) a short and plain statement of the license amendment's substance.

(d) The agency shall give notice and hold a hearing to consider the license amendment if a person affected files a written complaint with the agency before the 31st day after the date on which notice is published under Subsection (b). The agency shall give notice of the hearing as provided by Section 401.114.

Sec. 401.117. CONSTRUCTION LIMITATION. The commission shall prohibit major construction relating to activities to be permitted under a license issued by the commission to process or dispose of low-level radioactive waste from other persons until the requirements in Sections 401.113 and 401.114 are completed.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 11, eff. June 15, 2007.

Sec. 401.118. LICENSE FORM AND CONTENT. (a) The board or commission shall prescribe the form and the terms for each license it issues.

(b) Each license is subject to amendment, revision, or modification by rule or order.

Sec. 401.119. LICENSE TRANSFER. A license issued by the department or commission may be assigned only to a person qualified under rules of the issuing agency.

SUBCHAPTER E. MANAGEMENT OF LOW-LEVEL RADIOACTIVE WASTE

Sec. 401.151. COMPATIBILITY WITH FEDERAL STANDARDS. The department and commission each shall assure that the management of low-level radioactive waste under their respective jurisdictions is compatible with applicable federal commission standards.

Sec. 401.152. CORRECTIVE ACTION AND MEASURES. (a) If the department or commission, under procedures provided by Section 401.056, finds that low-level radioactive waste under its jurisdiction threatens the public health and safety and the environment and that the license holder managing the low-level radioactive waste is unable to remove the threat, the agency by order may require any action, including a corrective measure, that is necessary to remove the threat.
(b) The department shall use the security provided by the license holder to pay the costs of actions that are taken or that are to be taken under this section. The department shall send to the comptroller a copy of its order together with necessary written requests authorizing the comptroller to:

(1) enforce security supplied by the license holder;
(2) convert an amount of security into cash, as necessary; and
(3) disburse from the security in the radiation and perpetual care account the amount necessary to pay the costs.

(c) The commission shall use the security provided by the license holder to pay the costs of actions taken or to be taken under this section, including costs associated with the Texas Low-Level Radioactive Waste Disposal Compact Commission. The commission shall send to the comptroller a copy of its order together with necessary written requests authorizing the comptroller to:

(1) enforce security supplied by the license holder;
(2) convert an amount of security to cash, as necessary; and
(3) disburse from the security in the environmental radiation and perpetual care account the amount necessary to pay the costs.

Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 3, eff. September 1, 2013.

**SUBCHAPTER F. SPECIAL PROVISIONS CONCERNING LOW-LEVEL RADIOACTIVE WASTE DISPOSAL**

Sec. 401.2005. DEFINITIONS. In this subchapter:

(1) "Compact" means the Texas Low-Level Radioactive Waste Disposal Compact established under Section 403.006.

(1-a) "Compact waste" means low-level radioactive waste that:
(A) is originally generated onsite in a host state or a party state; or

(B) is not generated in a host state or a party state but has been approved for importation to this state by the compact commission under Section 3.05 of the compact.

(1-b) "Curie capacity" means the amount of the radioactivity of the waste that may be accepted by the compact waste disposal facility as determined by the commission in the compact waste disposal facility license.

(2) "Compact waste disposal facility" means the low-level radioactive waste disposal facility licensed by the commission under this subchapter for the disposal of compact waste.

(3) "Disposal facility site" means the tract of land on which is located the compact waste disposal facility and the federal facility waste disposal facility, if applicable. The term includes the immediate area surrounding the facility or facilities.

(5) "Federal facility waste disposal facility" means a facility for the disposal of federal facility waste licensed under Section 401.216.

(6) "Host state" has the meaning assigned by Section 2.01 of the compact established under Section 403.006.

(6-a) "Nonparty compact waste" means low-level radioactive waste imported from a state other than a party state as authorized under Section 3.05(6) of the compact.

(7) "Party state" has the meaning assigned by Section 2.01 of the compact established under Section 403.006.

(8) "Party state compact waste" means low-level radioactive waste generated in a party state.

(9) "Waste of international origin" means low-level radioactive waste that originates outside of the United States or a territory of the United States, including waste subsequently stored or processed in the United States.

Added by Acts 2003, 78th Leg., ch. 1067, Sec. 7, eff. Sept. 1, 2003. Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 1, eff. September 1, 2011.

Sec. 401.201. REGULATION OF LOW-LEVEL RADIOACTIVE WASTE DISPOSAL. The commission shall directly regulate the disposal of low-level radioactive waste in accordance with this subchapter. The person making the disposal shall comply with this subchapter and commission rules.

Sec. 401.202. LICENSING AUTHORITY. (a) The commission may grant, deny, renew, revoke, suspend, or withdraw licenses for the disposal of low-level radioactive waste from other persons and for the processing of that waste.

(b) The commission shall receive applications for and may issue not more than one license for a single compact waste disposal facility. The commission may issue the license only for a facility that meets:

(1) requirements for licensing provided by this subchapter and by commission rules; and

(2) requirements for disposal adopted by the commission that meet federal requirements for disposal.

(c) Except as provided by Section 401.216, the commission shall provide that the compact waste disposal facility license authorizes only the disposal of compact waste.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 12, eff. June 15, 2007.
Sec. 401.204. ACQUISITION OF PROPERTY. (a) An application for a compact waste disposal facility license may not be considered unless the applicant has acquired the title to and any interest in land and buildings as required by commission rule.

(b) If an applicant for a compact waste disposal license is unsuccessful in acquiring a mineral right that the rules adopted under Subsection (a) require the applicant to acquire, the commission may allow the applicant, to the extent permissible under federal law, to enter into a surface use agreement that restricts mineral access, including slant drilling and subsurface mining, to the extent necessary to prevent intrusion into the disposal facility site.

(c) If an applicant cannot reach a surface use agreement described by Subsection (b) with a private landowner, the attorney general shall, on request of the commission, institute condemnation proceedings as provided under Chapter 21, Property Code, to acquire fee simple interest in the mineral right.

Sec. 401.205. RESPONSIBILITIES OF PERSONS LICENSED TO DISPOSE OF LOW-LEVEL RADIOACTIVE WASTE. (a) The compact waste disposal facility license holder shall:

(1) arrange for and pay the costs of management, control, stabilization, and disposal of compact waste and the decommissioning of the licensed activity;

(2) convey to the state when the license is issued all required right, title, and interest in land and buildings acquired under commission rules adopted under Section 401.204, together with requisite rights of access to that property; and

(3) formally acknowledge before termination of the license the conveyance to the state of the right, title, and interest in compact waste located on the property conveyed.

(b) The compact waste disposal facility license holder, if licensed under Section 401.216 to dispose of federal facility waste, shall:

(1) arrange for and pay the costs of management, control,
stabilization, and disposal of federal facility waste and the
decommissioning of the licensed federal facility waste disposal
activity;

(2) on decommissioning of the licensed federal facility
waste disposal activity, convey to the federal government, as
provided by the federal Nuclear Waste Policy Act of 1982, Subtitle D
(42 U.S.C. Section 10171 et seq.), as amended, all required right,
title, and interest in land and buildings acquired under commission
rules under Section 401.204, together with requisite rights of access
to that property;

(3) formally acknowledge before termination of the license
the conveyance to the federal government of the right, title, and
interest in radioactive waste located on the property conveyed; and

(4) before accepting federal facility waste, submit to the
commission a written agreement, signed by an official of the federal
government, stating that the federal government will assume all
required right, title, and interest in land and buildings acquired
under commission rules under Section 401.204 for the disposal of
federal facility waste, together with requisite rights of access to
the land and buildings, in accordance with the federal Nuclear Waste
Policy Act of 1982, Subtitle D (42 U.S.C. Section 10171 et seq.), as
amended.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1995, 74th Leg., ch. 76, Sec. 11.231, eff. Sept. 1, 1995;
Acts 1999, 76th Leg., ch. 1367, Sec. 19, eff. Sept. 1, 1999; Acts
2003, 78th Leg., ch. 1067, Sec. 7, eff. Sept. 1, 2003.

Sec. 401.2051. CONVEYANCE OF WASTE. (a) The compact waste
disposal facility license holder shall convey to the state at no cost
to the state title to the compact waste delivered to the disposal
facility for disposal at the time the waste is accepted at the site.
Acceptance occurs when the acceptance criteria specified in the
license have been satisfied. This section does not apply to federal
facility waste accepted at a federal facility waste disposal
facility.

(b) The title and all related rights and interest in compact
waste conveyed under this section are the property of the commission
on the state's behalf. The commission may administer the waste as
property in the name of the state.

Sec. 401.206. RESIDENT INSPECTOR. (a) The compact waste disposal facility license holder shall reimburse the commission for the salary and other expenses of two or more resident inspectors employed by the commission.

(b) The commission may require that the compact waste disposal facility license holder provide facilities at the disposal site for the resident inspectors.

Sec. 401.207. OUT-OF-STATE WASTE; NONPARTY COMPACT WASTE. (a) The compact waste disposal facility license holder may not accept low-level radioactive waste generated in another state for disposal under a license issued by the commission unless the waste is:

(1) accepted under a compact to which the state is a contracting party;

(2) federal facility waste that the license holder is licensed to dispose of under Section 401.216; or

(3) generated from manufactured sources or devices originating in this state.

(b) The compact waste disposal facility license holder may accept for disposal at the compact waste disposal facility approved nonparty compact waste that is classified as Class A, Class B, or Class C low-level radioactive waste in accordance with the compact waste disposal facility license to the extent the acceptance does not diminish the disposal volume or curie capacity available to party states. The license holder may not accept any nonparty compact waste for disposal at the facility until the license has been modified by the commission to specifically authorize the disposal of nonparty compact waste.

(c) The compact waste disposal facility license holder may not accept waste of international origin for disposal at the facility.
(d) The compact waste disposal facility license holder may not accept for disposal at the compact waste disposal facility nonparty compact waste that does not meet the waste characteristics and waste forms for disposal applicable to compact waste as set forth by the commission in the compact waste disposal facility license. Before the license holder may accept nonparty compact waste for disposal, the commission must certify through a written evaluation that the waste is authorized for disposal under the license. If the disposal is not authorized under the license, the commission must inform the license holder of the license amendments necessary to authorize the disposal.

(d-1) Beginning September 1, 2015, the compact waste disposal facility license holder may accept nonparty compact waste for disposal at the facility only if:

(1) the waste has been volume-reduced, if eligible, by at least a factor of three in a manner consistent with this subchapter as provided by commission rule; and

(2) the compact waste disposal facility license holder collects a surcharge under Subsection (g).

(d-2) If volume reduction of a low-level radioactive waste stream would result in a change of waste classification to a class higher than Class C, the payment of the fee and compliance with other requirements of Subsection (d-1) do not apply.

(d-3) The commission may assess an additional fee on a nonparty compact waste generator for failing to comply with the volume reduction requirements established under this section. The fee shall be deposited to the credit of the low-level radioactive waste fund under Section 401.249. Fees deposited under this subsection may be transferred and used only to support the operations of the Texas Low-Level Radioactive Waste Disposal Compact Commission under Section 401.251.

(e) The compact waste disposal facility license holder may not collect a fee under this section or enter into a contract for the disposal of nonparty low-level radioactive waste that has been designated as Class A low-level radioactive waste under 10 C.F.R. Section 61.55 and commission rule unless the waste is containerized. The compact waste disposal facility license holder may collect a fee and dispose of:

(1) not more than the greater of:

(A) 1.167 million curies of nonparty compact waste; or
(B) an amount of nonparty compact waste equal to 30 percent of the initial licensed capacity of the facility; and

(2) not more than 275,000 curies of nonparty compact waste in any fiscal year.

(e-1) The legislature by general law may establish revised limits under Subsection (e) after considering the results of the study under Section 401.208.

(e-2) The commission's executive director, on completion of the study under Section 401.208, may prohibit the license holder from accepting any additional nonparty compact waste if the commission determines from the study that the capacity of the facility will be limited, regardless of whether the limit under Subsection (f) has been reached.

(f) Of the total initial licensed capacity of the compact waste disposal facility:

(1) not more than 30 percent of the volume and curie capacity shall be for nonparty compact waste; and

(2) of the remaining capacity, not less than 80 percent of the volume and curie capacity shall be for compact waste generated in the host state and 20 percent of the volume and curie capacity shall be for compact waste generated in Vermont.

(g) The commission shall assess a surcharge for the disposal of nonparty compact waste at the compact waste disposal facility. The surcharge is 20 percent of the total contracted rate under Section 401.2456 and must be assessed in addition to the total contracted rate under that section.

(h) A surcharge collected under Subsection (g) shall be deposited to the credit of the environmental radiation and perpetual care account.

(h-1) The commission shall conduct a study of the surcharge described by Subsection (g) and, not later than December 1, 2016, shall issue the results of the review to the legislature. The commission shall review the operations and expenses of the compact waste disposal facility license holder and shall require the compact waste disposal facility license holder to provide justification of disposal expenses and historical costs associated with the facility through appropriate evidentiary and empirical records, studies, and other applicable methodologies. The commission shall consider the impact of the surcharge on the overall revenue generated for the state and may request the assistance of the comptroller in conducting
the analysis of the impact of the surcharge.

(i) The Texas Low-Level Radioactive Waste Disposal Compact Commission by rule shall adopt procedures and forms for the approval of the importation of nonparty compact waste.

(j) An application for the approval of the importation of nonparty compact waste may be submitted to the Texas Low-Level Radioactive Waste Disposal Compact Commission only by the generator of the waste.

(k) The commission, in coordination with the Texas Low-Level Radioactive Waste Disposal Compact Commission, shall adopt rules establishing criteria and thresholds by which incidental commingling of party state compact waste and waste from other sources at a commercial processing facility is considered and reasonably limited. The criteria and thresholds for commingling under this subsection established by commission rule are binding on any criteria and thresholds that may be established by the Texas Low-Level Radioactive Waste Disposal Compact Commission.

Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 2, eff. September 1, 2011.
Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 4, eff. September 1, 2013.

Sec. 401.208. STUDY OF CAPACITY. (a) The commission shall conduct a study on the available volume and curie capacity of the compact waste disposal facility for the disposal of party state compact waste and nonparty compact waste.

(b) The commission shall consider and make recommendations regarding:

(1) the future volume and curie capacity needs of party state and nonparty state generators and any additional reserved capacity necessary to meet those needs;

(2) the calculation of radioactive decay related to the compact waste disposal facility and radiation dose assessments based
on the curie capacity;

(3) the necessity of containerization of the waste;

(4) the effects of the projected volume and radioactivity of the waste on the health and safety of the public; and

(5) the costs and benefits of volume reduction and stabilized waste forms.

(c) Not later than December 1, 2016, the commission shall submit a final report of the results of the study to the standing committees of the senate and the house of representatives with jurisdiction over the disposal of low-level radioactive waste.

(d) The Texas Low-Level Radioactive Waste Disposal Compact Commission shall use the study to anticipate the future capacity needs of the compact waste disposal facility.

(e) The commission may conduct a study described by Subsection (a) at any time after December 1, 2012, if the commission determines that a study is necessary.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 3, eff. September 1, 2011.

Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 5, eff. September 1, 2013.

Sec. 401.2085. REVIEW OF FINANCIAL ASSURANCE. (a) The commission shall conduct a review of the adequacy of the financial assurance mechanisms of the compact waste disposal facility license holder that were approved by the commission before January 1, 2011, against projected post-closure costs, including a review of the adequacy of funds for unplanned events. The review shall consider:

(1) the segregation of financial assurance funds from other funds;

(2) the degree of risk that the financial instruments are subject to financial reversal;

(3) potential post-closure risks associated with the compact waste disposal facility; and

(4) the adequacy of the financial instruments to cover the state's liabilities.

(b) Not later than December 1, 2012, the commission shall submit a final report of the results of the review to the standing
committees of the senate and the house of representatives with jurisdiction over the disposal of low-level radioactive waste.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 3, eff. September 1, 2011.

Sec. 401.209. ACQUISITION AND OPERATION OF LOW-LEVEL RADIOACTIVE WASTE DISPOSAL SITES. (a) The commission may acquire the fee simple title in land, affected mineral rights, and buildings at which low-level radioactive waste can be or is being disposed of in a manner consistent with public health and safety and the environment.

(b) Property acquired under this section may be used only for disposing of low-level radioactive waste until the commission determines that another use would not endanger the health, safety, or general welfare of the public or the environment.

(c) The commission may lease property acquired under this section for operating a disposal site for low-level radioactive waste.

(d) The right, title, and interest in low-level radioactive waste accepted for disposal at property and facilities acquired under this section and any other interest acquired under this chapter are the property of the commission, acting on behalf of the state, and shall be administered and controlled by the commission in the name of the state.

(e) A right, title, or interest acquired under this chapter does not vest in any fund created by the Texas Constitution.

Sec. 401.210. TRANSFER COSTS OF PROPERTY. Low-level radioactive waste and land and buildings transferred to the state or to the federal government under this chapter shall be transferred to the state or to the federal government without cost, other than administrative and legal costs incurred in making the transfer.
Sec. 401.211. LIABILITY. (a) The transfer of the title to low-level radioactive waste and land and buildings to the state or to the federal government does not relieve a license holder of liability for any act or omission performed before the transfer or while the low-level radioactive waste or land and buildings are in the possession and control of the license holder.

(b) The acceptance, storage, or disposal of federal facility waste by the compact waste disposal facility license holder at a federal facility waste disposal facility does not create any liability under state law on the part of the state, or on the part of any officer or agency of the state, for damages, removal, or remedial action with respect to the land, the facility, or the waste accepted, stored, or disposed of.

(c) The compact waste disposal facility license must require the license holder to indemnify the state for any liability imposed on the state under state or federal law, as required by the commission for the disposal of federal facility waste.

Sec. 401.212. MONITORING, MAINTENANCE, AND EMERGENCY MEASURES. The commission may undertake monitoring, maintenance, and emergency measures that are necessary to protect the public health and safety and the environment in connection with low-level radioactive waste and property for which it has assumed custody.
Sec. 401.213. INTERSTATE COMPACTS. The commission shall cooperate with and encourage the use of interstate compacts, including the Southern States Energy Board, to develop regional sites that divide among the states the disposal burden of low-level radioactive waste generated in the region.

Sec. 401.214. REGIONAL DISPOSAL FACILITY UNDER COMPACT. The compact waste disposal facility licensed under this subchapter is the regional disposal facility established and operated under the compact established under Chapter 403 for purposes of the federal Low-Level Radioactive Waste Policy Act, as amended by the Low-Level Radioactive Waste Policy Amendments Act of 1985 (42 U.S.C. Sections 2021b-2021j).

Sec. 401.215. ACCEPTANCE OF LOW-LEVEL RADIOACTIVE WASTE. Subject to limitations provided by Sections 401.207 and 401.248, the compact waste disposal facility shall accept for disposal all compact waste that is presented to it and that is properly processed and packaged.

Sec. 401.216. FEDERAL FACILITY WASTE DISPOSAL. (a) The commission may license the compact waste disposal facility license holder to dispose of federal facility waste. The commission may license federal facility waste disposal only at a separate and distinct facility that is operated exclusively for the disposal of federal facility waste and that is adjacent to the compact waste disposal facility.

(b) For the first five years after a license under this section is issued, the commission shall limit the overall capacity of the federal facility waste disposal facility to not more than three
million cubic yards. Of that amount, the commission shall limit the total volume of waste accepted at the federal facility waste disposal facility that must be disposed of in accordance with Section 401.218 to not more than 300,000 cubic yards.

(c) Unless the commission makes an affirmative finding that increasing the capacity of the federal facility waste disposal facility would pose a significant risk to human health, public safety, or the environment, on the fifth anniversary of the date the license under this section is issued, the commission shall increase the overall capacity of the federal facility waste disposal facility by three million cubic yards, for a total capacity of six million cubic yards, and shall increase the acceptable volume of waste that must be disposed of in accordance with Section 401.218 by 300,000 cubic yards, for a total volume of 600,000 cubic yards.

(d) The commission may not allow commingling of compact waste and federal facility waste.

(e) The compact waste disposal facility license holder may not accept federal facility waste at a federal facility waste disposal facility until the license holder begins accepting compact waste at the compact waste disposal facility.

Sec. 401.217. LOCATION OF DISPOSAL FACILITY SITE. The commission may not issue a license for a compact waste disposal facility or license the operation of a federal facility waste disposal facility if the disposal facility site is located:

(1) in a county any part of which is located 62 miles or less from an international boundary;

(2) in a county in which the average annual rainfall is greater than 20 inches;

(3) in a county that adjoins river segment 2309, 2310, or 2311 as identified by the commission in the Texas Surface Water Quality Standards, 30 T.A.C. Section 307.10(3);

(4) in a 100-year flood plain; or

(5) less than 20 miles upstream of or up-drainage from the maximum elevation of the surface of a reservoir project that:

(A) has been constructed or is under construction by the United States Bureau of Reclamation or the United States Army
Corps of Engineers; or

(B) has been approved for construction by the Texas Water Development Board as part of the state water plan under Subchapter C, Chapter 16, Water Code.

Sec. 401.218. DISPOSAL OF CERTAIN WASTE. (a) In this section, "Class A low-level radioactive waste," "Class B low-level radioactive waste," and "Class C low-level radioactive waste" have the meanings assigned by commission rule.

(b) The compact waste disposal facility license holder shall dispose of Class B low-level radioactive waste and Class C low-level radioactive waste:

(1) within a reinforced concrete container and within a reinforced concrete barrier or within containment structures made of materials technologically equivalent or superior to reinforced concrete; and

(2) in such a manner that the waste can be monitored and retrieved.

(c) The commission by rule may require a compact waste disposal facility license holder to dispose of certain Class A low-level radioactive wastes that present a hazard because of their high radiation levels in the manner required for Class B low-level radioactive waste and Class C low-level radioactive waste under Subsection (b). To the extent practicable, rules adopted under this subsection shall be consistent with federal rules regarding classification of low-level radioactive waste under 10 C.F.R. Part 61.

(d) In addition to the fees charged to support the operations of the Texas Low-Level Radioactive Waste Disposal Compact Commission, the commission's executive director may charge a license holder a fee to cover the administrative costs of the executive director's action to adjust, correct, or otherwise modify a license.

Added by Acts 2003, 78th Leg., ch. 1067, Sec. 7, eff. Sept. 1, 2003. Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 6, eff. September 1, 2013.
Sec. 401.219. TECHNIQUES FOR MANAGING LOW-LEVEL RADIOACTIVE WASTE. (a) As a condition for obtaining a compact waste disposal facility license, an applicant must submit to the commission or its designee evidence relating to the reasonableness of any technique for managing low-level radioactive waste to be practiced at the proposed disposal facility or facilities.

(b) Before determining the techniques to be used for managing low-level radioactive waste, an applicant shall study alternative techniques, including:

(1) waste processing and reduction at the site of waste generation and at the disposal facility; and

(2) the use of aboveground isolation facilities.

Sec. 401.220. DESIGN OF FACILITY. The design of a disposal facility should incorporate, to the extent practicable, safeguards against hazards resulting from local meteorological conditions, including phenomena such as hurricanes, tornados, earthquakes, earth tremors, violent storms, and susceptibility to flooding.

Sec. 401.221. MIXED WASTE. (a) In this section, "mixed waste" means a combination of hazardous waste as defined by Chapter 361 and low-level radioactive waste and includes federal mixed waste.

(b) The compact waste disposal facility license holder in accepting mixed waste at the compact waste disposal facility or a federal facility waste disposal facility shall comply with Chapter 361, the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.), as amended, and this chapter.

Sec. 401.222. TERM OF LICENSE. The compact waste disposal facility license issued under this subchapter expires on the 15th anniversary of its date of issuance and may be renewed for one or more terms of 10 years.
Sec. 401.223. HEALTH SURVEILLANCE SURVEY. The commission, the department, and local public health officials shall develop a health surveillance survey for the population located in the vicinity of the disposal facility site.

Sec. 401.224. PACKAGING OF RADIOACTIVE WASTE. The department shall adopt rules relating to the packaging of radioactive waste.

Sec. 401.225. SHIPMENT OF LOW-LEVEL RADIOACTIVE WASTE. (a) On arrival of a shipment of low-level radioactive waste at the compact waste disposal facility or a federal facility waste disposal facility, the compact waste disposal facility license holder must determine that the waste complies with all laws, rules, and standards relating to processing and packaging of low-level radioactive waste before the waste is accepted for disposal at the facility.

(b) A person making a shipment of low-level radioactive waste that is in excess of 75 cubic feet shall give the compact waste disposal facility license holder written notice of the shipment at least 72 hours before shipment to the compact waste disposal facility or a federal facility waste disposal facility begins. The written notice must contain information required by the department.

Sec. 401.226. IMPROPERLY PROCESSED OR PACKAGED LOW-LEVEL RADIOACTIVE WASTE. (a) If low-level radioactive waste that is not properly processed or packaged arrives at the compact waste disposal facility or a federal facility waste disposal facility, the compact waste disposal facility license holder shall properly process and package the waste for disposal and charge the person making the shipment a fee to have the low-level radioactive waste properly
processed and packaged.

(b) The compact waste disposal facility license holder shall report to the federal and state agencies that establish rules and standards for processing, packaging, and transporting low-level radioactive waste any person who delivers to the compact waste disposal facility or a federal facility waste disposal facility low-level radioactive waste that is not properly processed or packaged.

Sec. 401.227. SELECTION OF APPLICATION FOR COMPACT WASTE DISPOSAL FACILITY LICENSE. (a) In selecting an application for the compact waste disposal facility license, the commission shall:

(1) issue notice of the opportunity to submit an application to dispose of low-level radioactive waste in accordance with Section 401.228;

(2) review all applications received under Subdivision (1) for administrative completeness;

(3) evaluate all administratively complete applications in accordance with the evaluation criteria established by Sections 401.233-401.236 and shall select the application that has the highest comparative merit in accordance with Section 401.232; and

(4) review the selected application under Subdivision (3) for technical completeness and issue a draft license in accordance with Sections 401.237 and 401.238.

(b) If the selected application is rejected or denied by the commission, the commission may select the next highest comparative merit application and proceed in accordance with Subsection (a)(4).

Sec. 401.228. NOTICE TO RECEIVE APPLICATIONS. Not later than January 1, 2004, the commission shall give to the secretary of state for publication in the Texas Register notice that:

(1) the commission will accept applications for a 30-day period, beginning 180 days after the date of the Texas Register notice, for the siting, construction, and operation of a facility or facilities for disposal of low-level radioactive waste;

(2) applications must comply with Chapter 401, Health and
Safety Code, the rules of the commission, and any other applicable requirements in the commission's discretion;

(3) applications must include a nonrefundable $500,000 application processing fee;

(4) applications received within the 30-day application receipt period will be evaluated by the commission for administrative completeness;

(5) applications deemed administratively complete will be evaluated by the commission in accordance with the statutory evaluation criteria under Sections 401.233-401.236; and

(6) based on the commission's evaluation, one application will be selected to be processed by the commission.

Sec. 401.229. APPLICATION PROCESSING FEE. An application for a compact waste disposal facility license must include payment to the commission of an application processing fee of $500,000. The commission may not review an application for administrative completeness until the commission receives the application processing fee. The application processing fee is nonrefundable. If the commission's costs in processing an application under this subchapter exceed the $500,000 application processing fee, the commission may assess and collect additional fees from the applicant to recover the costs. Recoverable costs include costs incurred by the commission for administrative review, technical review, and hearings associated with the application.

Sec. 401.230. RECEIPT OF APPLICATIONS. (a) For a 30-day period beginning 180 days after the date notice is published under Section 401.228, the commission shall accept applications for a compact waste disposal facility license.

(b) Not later than the 45th day after the date an application is received, the commission shall issue an administrative notice of deficiency to each applicant whose application is timely submitted but is determined by the commission to be administratively incomplete.
(c) The commission shall provide an applicant for whom an administrative notice of deficiency is issued not more than three 30-day opportunities to cure the noted deficiencies in the application.

(d) The commission shall reject any application that, after the period for correcting deficiencies has expired, is not administratively complete.

Sec. 401.231. ADMINISTRATIVELY COMPLETE APPLICATION. The commission shall consider as administratively complete an application for which the commission has received the portions of the application necessary to allow the commission to review the technical merits of the application, including:

(1) the identity and qualifications of the applicant;
(2) a description of the proposed disposal facility or facilities and disposal facility site;
(3) a description of the character of the proposed activities and the types and quantities of waste to be managed at the disposal facility or facilities;
(4) a description of the proposed schedules for construction, receipt of waste, and closure;
(5) a description of the financial assurance mechanism to be used;
(6) a description of the design features of the facility or facilities, along with a description of the methods of construction and operation of the facility or facilities;
(7) a characterization of the area and disposal facility site characteristics, including ecology, geology, soils, hydrology, natural radiation background, climatology, meteorology, demography, and current land uses;
(8) a description of the safety programs to be used at the proposed facility or facilities;
(9) a copy of the warranty deed or other conveyance showing required right, title, and interest in the land and buildings on which the facility or facilities are proposed to be located is owned in fee by the applicant as required by Section 401.204;
(10) an application processing fee in the amount prescribed by Section 401.229 and proof of additional funds sufficient to cover
any further costs of processing the application as estimated by the commission; and

(11) a copy of a resolution of support of the proposed facility or facilities from the commissioners court of the county in which the facility or facilities are proposed to be located.

Sec. 401.232. EVALUATION OF APPLICATIONS; COMMISSION SELECTION. (a) The commission shall have prepared by commission personnel or an independent contractor a written evaluation of each administratively complete application in terms of the criteria established under Sections 401.233-401.236.

(b) The commission shall conduct at least one public meeting in the county or counties where a compact waste disposal facility or federal facility waste disposal facility is to be located to receive public comments on the administratively complete applications. The commission shall set the time and place of the meetings as soon as practicable after the close of the period for administrative review of the applications.

(c) The commission may issue a request for further information to each applicant whose application is determined by the commission to be insufficient for the purposes of the commission's evaluation.

(d) The commission shall provide an applicant for whom a request for further information is issued two 30-day opportunities to adequately respond in the discretion of the commission.

(e) The commission shall use the written evaluations and application materials to evaluate each application according to the statutory criteria established by Sections 401.233-401.236. The commission shall evaluate each application for each statutory criterion for purposes of comparing the relative merit of the applications, giving:

(1) equal weight to each criterion within a tier of criteria; and

(2) the greatest weight to tier 1 criteria, greater weight to tier 2 criteria than to tier 3 criteria, and the least weight to tier 4 criteria.

(f) Before publication of the notice of the commission's intention to accept applications under Section 401.228, the
commission by rule may adopt criteria in addition to the criteria under Sections 401.233-401.236 by which the commission may evaluate applications. The criteria must be consistent with those sections.

(g) Not later than the 270th day after it receives the last timely filed application, the commission, based on the written evaluations and application materials, shall select the application that has the highest comparative merit.

Sec. 401.233. TIER 1 CRITERIA. (a) The commission shall consider as tier 1 criteria:

(1) the natural characteristics of the disposal facility site for a proposed disposal facility or facilities;

(2) the adequacy of the proposed facility or facilities and activities to safely isolate, shield, and contain low-level radioactive waste from mankind and mankind's environment; and

(3) the adequacy of financial assurance related to the proposed activities.

(b) Natural characteristics of the disposal facility site include:

(1) the suitability of the site for the proposed activities, including the site's:

   (A) geological characteristics;

   (B) topography, including features relating to erosion;

   (C) surface and underground hydrology;

   (D) meteorological factors; and

   (E) natural hazards;

(2) the compatibility of disposal activities with any uses of land near the site that could affect the natural performance of the site or that could affect monitoring of the disposal facility or facilities and disposal facility site;

(3) the adequacy of plans for the collection of prelicense monitoring data and background monitoring plans for the disposal facility site, including analysis of the ambient conditions of the site and established trends of the site's natural parameters, including:

   (A) natural background radioactivity levels;

   (B) radon gas levels;
(C) air particulate levels;
(D) soil characteristics, including chemical characteristics;
(E) surface water and groundwater characteristics; and
(F) flora and fauna at the site;
(4) the possible effects of disposal activities on flora and fauna at or near the site; and
(5) the ease of access to the site.
(c) Adequacy of the proposed disposal facility or facilities and activities includes:
   (1) the capability of the proposed facility or facilities and activities to isolate, shield, and contain low-level radioactive waste in conformity with federal standards;
   (2) acceptable operational safety; and
   (3) acceptable long-term safety as demonstrated by analysis or study.
(d) Financial assurance criteria include:
   (1) adequacy of the applicant's financial qualifications to:
       (A) conduct the licensed activities as proposed, including:
           (i) any required decontamination, decommissioning, reclamation, or disposal; and
           (ii) control and maintenance of the disposal facility site and facility or facilities after the cessation of active operations; and
       (B) address any unanticipated extraordinary events that would pose a risk to public health and safety and the environment and that may occur at the disposal facility site after decommissioning and closure of the disposal facility or facilities;
   (2) the adequacy of the applicant's financial assurance in an amount and type acceptable to the commission and adequate to cover potential injury to any property or person;
   (3) the adequacy of the applicant's financial security, as required by commission rules; and
   (4) the degree of certainty that the applicant will be able to maintain adequate financial security.

Sec. 401.234. TIER 2 CRITERIA. The commission shall consider as tier 2 criteria:

(1) the suitability of facilities at the site that are associated with proposed activities and the adequacy of their engineering and design; and

(2) the suitability of the proposed disposal facility or facilities for the chemical, radiological, and biological characteristics of the low-level radioactive waste as classified under the system established under Section 401.053.

Sec. 401.235. TIER 3 CRITERIA. The commission shall consider as tier 3 criteria the applicant's:

(1) technical qualifications to receive, store, process, and dispose of low-level radioactive waste;

(2) experience in management and disposal of low-level radioactive waste and other radioactive materials;

(3) previous operating practices in this state and elsewhere, including the practices of a parent, subsidiary, or affiliated entity of the applicant, related to radioactive materials;

(4) record of compliance with environmental statutes, rules, and licenses in this state and in any other jurisdiction, including the records of a parent or subsidiary of the applicant, subject to Section 401.243;

(5) training programs proposed for its employees whose duties relate to the proposed disposal facility site and activities;

(6) monitoring, recordkeeping, and reporting plans;

(7) low-level radioactive waste spill detection and cleanup plans for the proposed disposal facility site and activities;

(8) decommissioning and postclosure plans;

(9) security plans;

(10) monitoring and protection plans for workers;

(11) emergency plans;

(12) plans for background monitoring during the license period, including analysis of the ambient conditions of the disposal facility site and analysis of established trends of the disposal facility site's natural parameters, including:

(A) natural background radioactivity levels;
(B) radon gas levels; 
(C) air particulate levels; 
(D) soil characteristics, including chemical characteristics; 
(E) surface water and groundwater characteristics; and 
(F) flora and fauna at the site; and 
(13) ability to adequately manage the proposed disposal facility or facilities and activities for the term of the license.

Sec. 401.236. TIER 4 CRITERIA. The commission shall consider as tier 4 criteria: 
(1) the compatibility of uses of land near the proposed disposal facility site that could be affected by the construction and operation of the disposal facility or facilities; and 
(2) possible socioeconomic effects on communities in the host county of: 
(A) the proposed disposal facility or facilities; 
(B) the operation of the proposed disposal facility or facilities; and 
(C) related transportation of low-level radioactive waste to the disposal facility or facilities.

Sec. 401.237. TECHNICAL REVIEW. (a) Immediately on the commission's selection of the application that has the highest comparative merit in accordance with Section 401.232, the commission shall begin a technical review of the selected application. 
(b) The commission shall complete the technical review and prepare a draft license not later than the 15th month after the month in which the technical review begins. 
(c) The commission shall give priority to the review of the selected application over all other radioactive materials and waste licensing and registration matters pending before the commission, except those the executive director of the commission determines necessary to avert or address a health and safety emergency.
Sec. 401.238. NOTICE OF DRAFT LICENSE AND OPPORTUNITY FOR HEARING. On completion of the technical review of the selected application and preparation of the draft license, the commission shall publish, at the applicant's expense, notice of the draft license and specify the requirements for requesting a contested case hearing by a person affected. The notice shall include a statement that the draft license is available for review on the commission's website and that the draft license and the application materials are available for review at the offices of the commission and in the county or counties in which the proposed disposal facility site is located. Notice shall be published in the Texas Register and in a newspaper of general circulation in each county in which the proposed disposal facility site is located. The applicant shall mail the notice by certified mail to each person who owns land adjacent to the proposed disposal facility site.

Sec. 401.239. CONTESTED CASE; FINAL ACTION ON APPLICATION. (a) An administrative law judge of the State Office of Administrative Hearings shall conduct a contested case hearing on the application and draft license if the applicant or a person affected requests a hearing. 

(b) The administrative law judge may not admit as a party to the contested case hearing a person other than the applicant, the executive director of the commission, or a person affected.

(c) The administrative law judge shall issue a proposal for decision not later than the first anniversary of the publication date of the notice of draft license published under Section 401.238.

(d) The commission shall take final action on the proposal for decision of the administrative law judge not later than the 90th day after the date the proposal is issued.

Sec. 401.240. JUDICIAL REVIEW. (a) Notwithstanding any other
law, a person affected by an action of the commission under this subchapter may file a petition for judicial review of the action only after the commission takes final action on a license application under Section 401.239(d). A petition must be filed not later than the 30th day after the date of the final action.

(b) In its review of an action under this subchapter, a court may not substitute its judgment for the judgment of the commission on the weight of the evidence the commission considered, but:

(1) may affirm the action in whole or in part; and
(2) shall reverse or remand the case for further proceedings if substantial rights of the petitioner have been prejudiced because the administrative findings, inferences, conclusions, or decisions:

(A) are in violation of a constitutional or statutory provision;
(B) are in excess of the commission's statutory authority;
(C) are made through unlawful procedure;
(D) are affected by other error of law;
(E) are not reasonably supported by substantial evidence considering the reliable and probative evidence in the record as a whole; or
(F) are arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

Sec. 401.241. SECURITY. (a) In determining the amount of security required of a compact waste disposal facility license holder under Section 401.109, the commission shall also consider the need for financial security to address and prevent unplanned events that pose a risk to public health and safety and that may occur after the decommissioning and closure of the compact waste disposal facility or a federal facility waste disposal facility licensed under Section 401.216.

(b) The amount of security required of a license holder under this section may not be less than $20 million at the time the disposal facility site is decommissioned. The commission shall use interest earned on the security to offset any other financial...
obligations incurred by the license holder to the commission. The commission shall establish a schedule for the total payment of the amount of the security required under this section based on:

(1) the amount of low-level radioactive waste received at the site;

(2) the long-term risk to health, safety, and the environment posed by the waste; and

(3) the need to address and prevent unplanned events that pose a risk to public health and safety.

(c) The payment schedule required under this section must be sufficient to ensure that the amount of security provided by the license holder at any time between the issuance of the license and the time at which the facility is decommissioned is sufficient to:

(1) address any increase in the risk to public health and safety that accompanies an increase in the volume of waste accepted by the license holder; and

(2) meet the requirements of the commission for addressing unplanned events that may occur after the site has been closed.

(d) The commission may require a license holder under this subchapter to provide security in the forms listed under Section 401.109(d).

Sec. 401.242. ACCEPTANCE OF WASTE. (a) The commission shall require the compact waste disposal facility license holder to follow, as closely as is possible, the schedule submitted to the commission under Section 401.231. If the compact waste disposal facility license holder holds a permit to process, store, or dispose of hazardous waste under Chapter 361, the license holder may accept hazardous waste according to the schedule under Section 401.231 before the compact waste disposal facility begins operation.

(b) If the commission finds that the compact waste disposal facility license holder has violated this chapter or any commission rule in a manner that may endanger public health or safety, the commission may prohibit the license holder from accepting low-level radioactive waste at either the compact waste disposal facility or the federal facility waste disposal facility until the commission finds that the license holder is in compliance with the statute or
rule found to be violated.

Sec. 401.243. COMPLIANCE HISTORY. After an opportunity for a hearing, the commission shall deny an application for a license under this subchapter or an amendment or renewal for a license under this subchapter if the applicant's compliance history reveals a recurring pattern of conduct that demonstrates a consistent disregard for the regulatory process through a history of violations of this chapter or the commission's rules under this chapter.

Sec. 401.244. HOST COUNTY PUBLIC PROJECTS. (a) The compact waste disposal facility license holder each quarter shall transfer to the commissioners court of the host county five percent of the gross receipts from:

(1) compact waste received at the compact waste disposal facility; and

(2) any federal facility waste received at a federal facility waste disposal facility licensed under Section 401.216.

(b) The commissioners court of the host county may:

(1) spend the money for public projects in the host county; or

(2) disburse the money to other local entities or to public nonprofit corporations to be spent for local public projects.

(c) Money received from the compact waste disposal facility license holder under this section may be spent only for public projects in the host county that are for the use and benefit of the public at large.

(d) Money received by the commissioners court of the host county under this section is not a loan or grant-in-aid subject to review by a regional planning commission under Chapter 391, Local Government Code.

Sec. 401.2445. STATE FEE. The compact waste disposal facility license holder each quarter shall transfer to the state general revenue fund five percent of the gross receipts from:

(1) compact waste received at the compact waste disposal facility; and

(2) any federal facility waste received at a federal facility waste disposal facility licensed under Section 401.216.

Added by Acts 2003, 78th Leg., ch. 1067, Sec. 9, eff. Sept. 1, 2003.

Sec. 401.245. PARTY STATE COMPACT WASTE DISPOSAL FEES. (a) A compact waste disposal facility license holder who receives party state compact waste for disposal pursuant to the compact shall have collected a waste disposal fee to be paid by each person who delivers party state compact waste to the compact waste disposal facility for disposal.

(b) The commission by rule shall adopt and periodically revise party state compact waste disposal fees under this section according to a schedule that is based on the projected annual volume of low-level radioactive waste received, the relative hazard presented by each type of low-level radioactive waste that is generated by the users of radioactive materials, and the costs identified in Section 401.246.

(c) In determining relative hazard, the commission shall consider the radioactive, physical, and chemical properties of each type of low-level radioactive waste.

(d) Rules adopted under this section may include provisions establishing:

(1) classification of customers and services; and

(2) applicability of fees.

(e) Fees adopted under this section must be consistent with the criteria listed under Section 401.246.

(f) A rule or order adopted by the commission under this section may not conflict with a ruling of a federal regulatory body.

(g) For the purposes of a contested case involving the adoption
of fees under this section, only a party state generator of low-level radioactive waste may be considered a person affected.

(h) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1159, Sec. 13(1), eff. September 1, 2013.

Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 4, eff. September 1, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 5, eff. September 1, 2011.
Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 13(1), eff. September 1, 2013.

Sec. 401.2455. INTERIM PARTY STATE COMPACT WASTE DISPOSAL FEES.
(a) The commission's executive director may establish interim party state compact waste disposal fees effective only for the period beginning on the date the compact waste disposal facility license holder is approved to accept waste at the disposal facility and ending on the effective date of the rules establishing the fees under Section 401.245. A generator is not entitled to a refund, and may not be charged a surcharge, for the disposal of waste under interim fees once the final fees have been adopted.

(b) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1159, Sec. 13(2), eff. September 1, 2013.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 6, eff. September 1, 2011.
Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 13(2), eff. September 1, 2013.

Sec. 401.2456. CONTRACTS FOR NONPARTY COMPACT WASTE DISPOSAL.
(a) At any time after the commission has granted approval to begin
operating the compact waste disposal facility, the compact waste disposal facility license holder may contract rates with nonparty compact waste generators for the disposal of nonparty compact waste at the facility in accordance with the compact waste disposal facility license.

(b) Rates and contract terms negotiated under this section are subject to review and approval by the commission's executive director to ensure they meet all of the requirements of this section.

(c) Rates negotiated under this section must be set both by a price per curie and a price per cubic foot. Fees resulting from the negotiated rates must be greater than, as applicable:

(1) the compact waste disposal fees under Section 401.245 as set by the commission that are in effect at the time the rates are negotiated; or

(2) the interim compact waste disposal fees under Section 401.2455 as set by the commission's executive director that are in effect at the time the rates are negotiated.

(d) A contract under this section must:

(1) be negotiated in good faith;
(2) conform to applicable antitrust statutes and regulations; and
(3) be nondiscriminatory.

(e) Rates set under this section must generate fees sufficient to meet the criteria for party state compact waste under Sections 401.246(a) and (c).

Added by Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 6, eff. September 1, 2011.

Sec. 401.246. WASTE DISPOSAL FEE CRITERIA. (a) Party state compact waste disposal fees adopted by the commission under Section 401.245 must be sufficient to:

(1) allow the compact waste facility license holder to recover costs of operating and maintaining the compact waste disposal facility and a reasonable profit on the operation of that facility;
(2) provide an amount necessary to meet future costs of decommissioning, closing, and postclosure maintenance and surveillance of the compact waste disposal facility and the compact waste disposal facility portion of the disposal facility site;
(3) provide an amount to fund local public projects under Section 401.244;

(4) provide a reasonable rate of return on capital investment in the facilities used for management or disposal of compact waste at the compact waste disposal facility;

(5) provide an amount necessary to pay compact waste disposal facility licensing fees, to pay compact waste disposal facility fees set by rule or statute, and to provide security for the compact waste disposal facility as required by the commission under law and commission rules; and

(6) provide an amount necessary to support the activities of the Texas Low-Level Radioactive Waste Disposal Compact Commission.

(b) To the extent practicable, the commission shall use the methods used by the Public Utility Commission of Texas under Sections 36.051, 36.052, and 36.053, Utilities Code, when establishing overall revenues, reasonable return, and invested capital for the purpose of setting fees under Subsection (a).

(c) In determining compact waste disposal fees, the commission shall only consider capital investment in property by the compact waste disposal facility license holder that is used and useful to the compact waste disposal facility as authorized under this chapter. The commission may not consider the capital investment costs or related costs incurred before September 1, 2003, in determining disposal fees.
under this subchapter are reasonable and necessary expenses for ratemaking purposes.

Sec. 401.248. LIMITATIONS ON LOW-LEVEL RADIOACTIVE WASTE DISPOSAL. (a) The commission by rule shall exclude from a disposal facility certain types of low-level radioactive waste that are incompatible with disposal operations.

(b) The state may enter into compacts with another state or several states for the disposal in this state of low-level radioactive waste only if the compact:

(1) limits the total volume of all low-level radioactive waste to be disposed of in this state from the other party state or party states to 20 percent of the annual average of low-level radioactive waste projected to be disposed of in this state from 1995 through 2045;

(2) gives this state full administrative control over management and operation of the compact waste disposal facility;

(3) requires the other state or states to join this state in any legal action necessary to prevent states that are not members of the compact from disposing of low-level radioactive waste at the compact waste disposal facility;

(4) allows this state to charge a fee for the disposal of low-level radioactive waste at the compact waste disposal facility;

(5) requires the other state or states to join in any legal action involving liability from the compact waste disposal facility;

(6) requires the other state or states to share the full cost of constructing the compact waste disposal facility;

(7) allows this state to regulate, in accordance with federal law, the means and routes of transportation of the low-level radioactive waste in this state;

(8) requires the other state or states to pay for community assistance projects selected by the host county in an amount not less than $1 million or 10 percent of the amount contributed by the other state or states;
(9) is agreed to by the Texas Legislature, the legislature of the other state or states, and the United States Congress; and

(10) complies with all applicable federal law.

(c) This section does not affect the ability of this state to transfer low-level radioactive waste to another state.

(d) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1244, Sec. 11, eff. September 1, 2011.

(e) The compact waste disposal facility license holder may not accept compact waste at the compact waste disposal facility unless the compact commission established by the compact under Section 403.006 has adopted bylaws necessary to carry out the terms of the compact.

Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1102 (S.B. 1605), Sec. 1, eff. September 1, 2011.

Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 8, eff. September 1, 2011.

Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 11, eff. September 1, 2011.

Sec. 401.249. LOW-LEVEL RADIOACTIVE WASTE FUND. (a) The low-level radioactive waste fund is in the state treasury.

(b) The low-level radioactive waste fund is an interest-bearing fund. Interest earned on money in the fund shall be deposited to the credit of the fund.

(c) Except as otherwise provided by this chapter, money collected by the commission, including fees collected under Section 401.229, any additional fees collected to recover costs of processing a license application, annual fees, and any other fees necessary to administer this subchapter shall be deposited to the credit of the low-level radioactive waste fund.
(d) Section 403.095, Government Code, does not apply to the low-level radioactive waste fund.

(e) The commission may transfer money from the low-level radioactive waste fund to the environmental radiation and perpetual care account to make payments required by the commission under Section 401.303. The commission shall notify the Texas Low-Level Radioactive Waste Disposal Compact Commission of an action the commission takes under this subsection.

(f) The commission shall deposit in the account the portion of the fee collected under Section 401.245 that is calculated to support the activities of the Texas Low-Level Radioactive Waste Disposal Compact Commission as required by Section 4.04(4), Texas Low-Level Radioactive Waste Disposal Compact (Section 403.006 of this code). The fee shall be assessed for party state compact waste and nonparty compact waste.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 7, eff. September 1, 2013.

Sec. 401.250. PAYMENTS BY PARTY STATES. (a) Notwithstanding any other provision of law, Act of the legislature or the executive branch, or any other agreement, the initial payment of $12.5 million due from each nonhost party state under Section 5.01 of the compact established under Section 403.006 is due not later than November 1, 2003. In accordance with Section 7.01 of the compact, the host state establishes the following terms and conditions for a state to become a party state to the compact after January 1, 2011:

(1) the state must make an initial payment of half of the total amount due to the host state under Subsection (b) on the later of September 1, 2011, or the date the state becomes a party state;
and

(2) the state must pay the remainder of the amount owed under Subsection (b) on the later of the date of the opening of the compact waste disposal facility or the date the facility first accepts waste from the state.

(b) Each state that becomes a party state:

(1) after January 1, 2011, and before September 1, 2018, shall contribute a total of $30 million to the host state, including the initial payment under Subsection (a)(1); and

(2) on or after September 1, 2018, and before September 1, 2023, shall contribute $50 million to the host state, including the initial payment under Subsection (a)(1).

(c) The requirements of this section apply to a state that becomes a party state after January 1, 2011, regardless of whether the state had previously been a party to the compact. A state that has withdrawn as a party state shall pay the previously committed fee of $25 million in addition to the fees set in Subsection (b).

(d) A payment made under this section may not be refunded, even if a party state withdraws from the compact.

(e) For the purposes of calculating the amount of a payment required under Section 4.05(5) of the compact, the amount of a payment under this section is considered to be a payment under Article V of the compact.

(f) This section prevails over any other law or agreement in conflict or inconsistent with this section.

Added by Acts 2003, 78th Leg., ch. 1067, Sec. 13, eff. Sept. 1, 2003. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 9, eff. September 1, 2011.

Sec. 401.251. LOW-LEVEL RADIOACTIVE WASTE DISPOSAL COMPACT COMMISSION ACCOUNT. (a) The low-level radioactive waste disposal compact commission account is an account in the general revenue fund.

(b) On the first day of each state fiscal year, the comptroller shall transfer from the low-level radioactive waste fund to the low-level radioactive waste disposal compact commission account an amount equal to the amount appropriated for that state fiscal year. On September 30 of each fiscal year, the comptroller shall transfer the
unexpended and unencumbered money from the previous fiscal year in
the low-level radioactive waste disposal compact commission account
to the low-level radioactive waste fund.

(c) Money in the low-level radioactive waste disposal compact
commission account may be used only to support the operations of the
Texas Low-Level Radioactive Waste Disposal Compact Commission.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1021 (H.B. 2694), Sec. 6.02,
eff. September 1, 2011.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 8, eff.
September 1, 2013.

SUBCHAPTER G. SPECIAL PROVISIONS CONCERNING BY-PRODUCT MATERIAL

Sec. 401.261. SUBCHAPTER APPLICATION. In this subchapter:
(1) "By-product material" does not include that by-product
material defined by Section 401.003(3)(A).
(2) "Processing" means the possession, use, storage,
extraction of material, transfer, volume reduction, compaction, or
other separation incidental to recovery of source material.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1993, 73rd Leg., ch. 992, Sec. 1, eff. Sept. 1, 1993; Acts
1995, 74th Leg., ch. 76, Sec. 11.232, eff. Sept. 1, 1995.

Sec. 401.262. MANAGEMENT OF CERTAIN BY-PRODUCT MATERIAL. The
commission has sole and exclusive authority to assure that processing
and disposal sites are closed and that by-product material is managed
and disposed of in compliance with:
(1) the federal commission's applicable standards; and
(2) closure criteria the federal commission and the United
States Environmental Protection Agency have determined are protective
of human health and safety and the environment.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1993, 73rd Leg., ch. 992, Sec. 1, eff. Sept. 1, 1993; Acts
1997, 75th Leg., ch. 1338, Sec. 4, eff. June 20, 1997.
Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 13, eff.
Sec. 401.2625. LICENSING AUTHORITY. The commission has sole and exclusive authority to grant, deny, renew, revoke, suspend, amend, or withdraw licenses for source material recovery and processing or for storage, processing, or disposal of by-product material.

Amended by Acts 1993, 73rd Leg., ch. 992, Sec. 1, eff. Sept. 1, 1993; Acts 1997, 75th Leg., ch. 1338, Sec. 5, eff. June 20, 1997.
Amended by:

Sec. 401.263. APPLICATION; ENVIRONMENTAL ANALYSIS. (a) If the commission is considering the issuance, renewal, or amendment of a license to process materials that produce by-product materials or a license to dispose of by-product material and the commission determines that the licensed activity will have a significant impact on the human environment, the commission shall prepare or have prepared a written environmental analysis.

(b) The analysis must include:
(1) an assessment of the radiological and nonradiological effects of the licensed activity on the public health;
(2) an assessment of any effect of the licensed activity on a waterway or groundwater;
(3) consideration of alternatives to the licensed activity, including alternative sites and engineering methods; and
(4) consideration of decommissioning, decontamination, reclamation, and other long-term effects associated with a licensed activity, including management of by-product material.

(c) The commission shall give notice of the analysis as provided by commission rule and shall make the analysis available to the public for written comment not later than the 31st day before the date of the hearing on the license.

(d) After notice is given, the commission shall provide an opportunity for written comments by persons affected.
(e) The analysis shall be included as part of the record of the commission's proceedings.

(f) The commission by rule shall prohibit major construction with respect to an activity that is to be licensed until the requirements of Subsections (a), (b), (c), and (e) are completed.

Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 15, eff. June 15, 2007.

Sec. 401.264. NOTICE AND HEARING. (a) The commission on its own motion may or on the written request of a person affected shall provide an opportunity for a public hearing on an application over which the commission has jurisdiction to determine whether to issue, renew, or amend a license to process materials that produce by-product materials or a license to dispose of by-product materials in the manner provided by Chapter 2001, Government Code, and permit appearances with or without counsel and the examination and cross-examination of witnesses under oath.

(b) A person affected may become a party to a proceeding on a determination that the person possesses a justiciable interest in the result of the proceeding.

(c) The commission shall make a record of the proceedings and provide a transcript of the hearing on request of, and payment for, the transcript or provision of a sufficient deposit to assure payment by any person requesting the transcript.

(d) The commission shall provide an opportunity to obtain a written determination of action to be taken. The determination must be based on evidence presented to the commission and include findings. The written determination is available to the public.

(e) The determination is subject to judicial review in a district court of Travis County.

Sec. 401.265. CONDITIONS OF CERTAIN BY-PRODUCT MATERIAL LICENSES. The commission shall prescribe conditions in a radioactive substances license issued, renewed, or amended for an activity that results in production of by-product material to minimize or, if possible, eliminate the need for long-term maintenance and monitoring before the termination of the license, including conditions that:

(1) the license holder will comply with the applicable decontamination, decommissioning, reclamation, and disposal standards that are prescribed by the commission and that are compatible with the federal commission's standards for sites at which those ores were processed and at which the by-product material is deposited; and

(2) the ownership of a disposal site, other than a disposal well covered by a permit issued under Chapter 27, Water Code, and the by-product material resulting from the licensed activity are transferred, subject to Sections 401.266-401.269, to:

(A) the state; or

(B) the federal government if the state declines to acquire the site, the by-product material, or both the site and the by-product material.

Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 17, eff. June 15, 2007.

Sec. 401.266. TRANSFER OF LAND REQUIRED. (a) The commission by rule or order may require that before a license covering land used for the disposal of by-product material is terminated, the land, including any affected interests in the land, must be transferred to the federal government or to the state unless:

(1) the federal commission determines before the license terminates that the transfer of title to the land and the by-product
material is unnecessary to protect the public health, safety, or welfare or to minimize danger to life or property; or

(2) the land is held in trust by the federal government for an Indian tribe, is owned by an Indian tribe subject to a restriction against alienation imposed by the federal government, is owned by the federal government, or is owned by the state.

(b) By-product material transferred to the state under this section shall be transferred without cost to the state.

Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 18, eff. June 15, 2007.

Sec. 401.267. ACQUISITION AND SALE OF CERTAIN BY-PRODUCT MATERIALS AND SITES. (a) The commission may acquire by-product material and fee simple title in land, affected mineral rights, and buildings at which that by-product material is disposed of and abandoned so that the by-product material and property can be managed in a manner consistent with protecting public health, safety, and the environment.

(b) The commission may sell land acquired under this section at the land's fair market value after the commission has taken corrective action to restore the land to a condition that does not compromise the public health or safety or the environment. The General Land Office shall negotiate and close a transaction under this subsection on behalf of the commission using procedures under Section 31.158(c), Natural Resources Code. Proceeds from the transaction shall be deposited in the Texas capital trust fund.

Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 19, eff. June 15, 2007.
Sec. 401.268. LIABILITY. The transfer of the title to by-product material, land, and buildings under Section 401.267 does not relieve a license holder of liability for acts performed before the transfer.

Sec. 401.269. MONITORING, MAINTENANCE, AND EMERGENCY MEASURES. (a) The commission may undertake monitoring, maintenance, and emergency measures in connection with by-product material and property for which it has assumed custody under Section 401.267 that are necessary to protect the public health and safety and the environment.

(b) The commission shall maintain the by-product material and property transferred to it in a manner that will protect the public health and safety and the environment.

   Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 20, eff. June 15, 2007.

Sec. 401.270. CORRECTIVE ACTION AND MEASURES. (a) If the commission finds that by-product material or the operation by which that by-product material is derived threatens the public health and safety or the environment, the commission by order may require any action, including a corrective measure, that is necessary to correct or remove the threat.

(b) The commission may issue an emergency order to a person responsible for an activity, including a past activity, concerning the recovery or processing of source material or the disposal of by-product material if it appears that there is an actual or threatened release of source material or by-product material that presents an imminent and substantial danger to the public health and safety or the environment, regardless of whether the activity was lawful at the time. The emergency order may be issued without notice or hearing.
(c) An emergency order may be issued under Subsection (b) to:
   (1) restrain the person from allowing or continuing the
       release or threatened release; and
   (2) require the person to take any action necessary to
       provide and implement an environmentally sound remedial action plan
       designed to eliminate the release or threatened release.

(d) An emergency order issued under Subsection (b) shall:
   (1) be delivered to the person identified by the order by
       certified mail, return receipt requested;
   (2) be delivered by hand delivery to the person identified
       by the order; or
   (3) on failure of delivery of the order by certified mail
       or hand delivery, be served on the person by publication:
       (A) once in the Texas Register; and
       (B) once in a newspaper of general circulation in each
           county in which was located the last known address of a person
           identified by the order.

(e) The commission shall use the security provided by the
license holder to pay the costs of actions that are taken or that are
to be taken under this section. The commission shall send to the
comptroller a copy of its order together with necessary written
requests authorizing the comptroller to:
   (1) enforce security supplied by the licensee;
   (2) convert an amount of security into cash, as necessary;
   and
   (3) disburse from the security in the perpetual care
       account the amount necessary to pay the costs.

(f) If an order issued by the commission under this section is
adopted without notice or hearing, the order shall set a time, at
least 10 but not more than 30 days following the date of issuance of
the emergency order, and a place for a hearing to be held in
accordance with the rules of the commission. As a result of this
hearing, the commission shall decide whether to affirm, modify, or
set aside the emergency order. All provisions of the emergency order
shall remain in force and effect during the pendency of the hearing,
unless otherwise altered by the commission.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1993, 73rd Leg., ch. 992, Sec. 1, eff. Sept. 1, 1993; Acts
1997, 75th Leg., ch. 1072, Sec. 47, eff. Sept. 1, 1997; Acts 1997,
Sec. 401.271. STATE FEE ON RADIOACTIVE SUBSTANCES. (a) A holder of a license issued by the commission under this chapter that authorizes the disposal of a radioactive substance from other persons shall remit each quarter an amount equal to 10 percent of the license holder's gross receipts received from disposal operations under a license issued under this chapter that occur after the effective date of the Act enacting this section as follows:

(1) five percent shall be remitted to the comptroller for deposit to the credit of the general revenue fund; and
(2) five percent shall be remitted to the host county in accordance with Sections 401.244(b) and (d).

(b) Subsection (a) does not apply to compact waste or federal facility waste as defined by Section 401.2005 or industrial solid waste as defined by Section 361.003.

(c) A holder of a license or permit issued by the commission under this chapter or Chapter 361 that authorizes the storage, other than disposal, of a radioactive waste or elemental mercury from other persons shall remit each quarter to the commission for deposit into the general revenue fund an amount equal to 20 percent of the license or permit holder's gross receipts received from the storage of the substance for any period exceeding one year. This subsection applies only to the storage of the substance for any period exceeding one year. This subsection applies only to the storage of radioactive waste or elemental mercury at or adjacent to the compact waste disposal facility.

Added by Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 22, eff. June 15, 2007.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1244 (S.B. 1504), Sec. 10, eff. September 1, 2011.
Sec. 401.272. AUDIT AUTHORITY. The commission may audit a license holder's financial records and waste manifest information to ensure that the fees imposed under this chapter are accurately paid. The license holder shall comply with the commission's audit-related requests for information.

Added by Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 22, eff. June 15, 2007.

SUBCHAPTER H. FINANCIAL PROVISIONS

Sec. 401.301. LICENSE AND REGISTRATION FEES. (a) The commission and department may collect a fee for each license and registration the agency issues.

(b) The commission and the board each by rule shall set the fee in an amount that may not exceed the actual expenses annually incurred to:

1. process applications for licenses or registrations;
2. amend or renew licenses or registrations;
3. make inspections of license holders and registrants; and
4. enforce this chapter and rules, orders, licenses, and registrations under this chapter.

(c) The commission and department may collect a fee, in addition to the license and registration fee, of not less than 20 percent of the amount of the license and registration fee nor more than $10,000 from each licensee or registrant who fails to pay the fees authorized by this section.

(d) The commission and department shall require that each person who holds a specific license issued by the agency pay to the agency an additional five percent of the appropriate fee set under Subsection (b). Fees collected by the department under this subsection shall be deposited to the credit of the perpetual care account. Fees collected by the commission under this subsection shall be deposited to the environmental radiation and perpetual care account. The fees are not refundable. The holder of a specific license authorizing the extraction, processing, or concentration of uranium or thorium from ore is not required to pay the additional fee described by this subsection before the beginning of operations under the license.
(e) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1159, Sec. 13(3), eff. September 1, 2013.

(f) Notwithstanding any other provision of this section, the department may not assess a fee on a local law enforcement agency for the licensing and registration of an X-ray machine that is used to screen packages or other objects the agency suspects may contain an explosive or other item that would pose a danger to the public health and safety. Except as otherwise provided by this subsection, a local law enforcement agency is subject to the licensing and registration requirements of this chapter.

(g) The commission may assess and collect additional fees from the applicant to recover the costs the commission incurs for administrative review, technical review, and hearings on the application.

Amended by:
   Acts 2007, 80th Leg., R.S., Ch. 1061 (H.B. 2285), Sec. 3, eff. September 1, 2007.

   Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.015, eff. September 1, 2009.
   Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.016, eff. September 1, 2009.
   Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 9, eff. September 1, 2013.
   Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 13(3), eff. September 1, 2013.

Sec. 401.302. NUCLEAR REACTOR AND FIXED NUCLEAR FACILITY FEE.

(a) The department, in coordination with the commission, may set and
collect an annual fee from the operator of each nuclear reactor or
other fixed nuclear facility in the state that uses special nuclear
material.

(b) The amount of fees collected may not exceed the actual
expenses that arise from emergency planning and implementation and
environmental surveillance activities.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 24, eff.

Sec. 401.303. PAYMENT FOR MAINTENANCE, SURVEILLANCE, OR OTHER
CARE. (a) The department or commission may require the holder of a
license issued by the agency to pay annually to the issuing agency an
amount determined by the issuing agency if continuing or perpetual
maintenance, surveillance, or other care is required after
termination of a licensed activity.

(b) The issuing agency annually shall review the license
holder's payments under this section to determine if the payment
schedule is adequate for the maintenance and surveillance that the
licensed activity requires or may require in the future.

(c) The issuing agency may review estimates of costs that are
required to be incurred under this chapter in accordance with the
need, nature, and cost of decontamination, stabilization,
decommissioning, reclamation, and disposal activity and the
maintenance and surveillance required for public health and safety
and the environment.

(d) The issuing agency shall set the charges for maintenance
and perpetual care at amounts consistent with existing technology.

(e) The issuing agency may not impose charges that exceed the
amount that the issuing agency projects to be required for
maintenance, surveillance, and other necessary care required after
the licensed activity is terminated.

(f) An increase in costs may not be applied retroactively but
may apply to increases in subsequent annual payments.

(g) If a license holder satisfies the obligations under this
chapter, the issuing agency shall have the comptroller promptly
refund to the license holder from the perpetual care account or the
environmental radiation and perpetual care account, as applicable, the excess of the amount of all payments made by the license holder to the issuing agency and the investment earnings of those payments over the amount determined to be required for the continuing maintenance and surveillance of land, buildings, and radioactive material conveyed to the state.

Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 10, eff. September 1, 2013.

Sec. 401.304. ACCEPTANCE AND ADMINISTRATION OF FUNDS. The department and commission each may accept and administer conditional or other loans, grants, gifts, or other funds from the federal government or other sources to carry out their respective functions.

Sec. 401.305. RADIATION AND PERPETUAL CARE ACCOUNT. (a) The radiation and perpetual care account is an account in the general revenue fund.

(b) The department shall deposit to the credit of the perpetual care account money and security it receives under this chapter, including an administrative penalty collected by the department under Sections 401.384-401.390 but excluding fees collected under Sections 401.301(a)-(c) and 401.302. Interest earned on money in the perpetual care account shall be credited to the perpetual care account.

(c) Money and security in the perpetual care account may be administered by the department only for storage, maintenance, and distribution of mammography medical records or the decontamination, decommissioning, stabilization, reclamation, maintenance, surveillance, control, storage, and disposal of radioactive substances for the protection of the public health and safety and the
environment under this chapter and for refunds under Section 401.303.

(d) Money and security in the perpetual care account may not be
used for normal operating expenses of the department.

(e) The department may use money in the perpetual care account
to pay for measures:

(1) to prevent or mitigate the adverse effects of
abandonment of radioactive substances, default on a lawful
obligation, insolvency, or other inability by the holder of a license
issued by the department to meet the requirements of this chapter or
of department rules;

(2) to assure the protection of the public health and
safety and the environment from the adverse effects of ionizing
radiation; and

(3) to protect the health and safety of mammography
patients by assuring mammography medical records are made available
to affected patients.

(f) The department may provide, by the terms of a contract or
lease entered into between the department and any person, by the
terms of a mammography certification issued by the department to any
person, or by the terms of a license issued to any person, for the
storage, maintenance, and distribution of mammography medical
records. The department may provide, by the terms of a contract or
lease entered into between the department and any person or by the
terms of a license issued by the department to any person, for the
decontamination, closure, decommissioning, reclamation, surveillance,
or other care of a site or facility subject to department
jurisdiction under this chapter as needed to carry out the purpose of
this chapter.

(g) The existence of the perpetual care account does not make
the department liable for the costs of storage, maintenance, and
distribution of mammography medical records arising from a
mammography certification holder's failure to store, maintain, and
make available mammography medical records or for the costs of
decontamination, transfer, transportation, reclamation, surveillance,
or disposal of radioactive substances arising from a license holder's
abandonment of radioactive substances, default on a lawful
obligation, insolvency, or inability to meet the requirements of this
chapter or of department rules.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 401.306. ENVIRONMENTAL RADIATION AND PERPETUAL CARE ACCOUNT. (a) The environmental radiation and perpetual care account is an account in the general revenue fund to support the activities of the Texas Low-Level Radioactive Waste Disposal Compact Commission.

(b) The commission shall deposit to the credit of the environmental radiation and perpetual care account money and security it receives under this chapter, including fees collected under Section 401.301(d). Interest earned on money in the environmental radiation and perpetual care account shall be credited to the environmental radiation and perpetual care account.

(c) Money and security in the environmental radiation and perpetual care account may be administered by the commission only for the decontamination, decommissioning, stabilization, reclamation, maintenance, surveillance, control, storage, and disposal of radioactive substances for the protection of the public health and safety and the environment under this chapter and for refunds under Section 401.303.

(d) Money and security in the environmental radiation and perpetual care account may not be used for normal operating expenses of the commission.

(e) The commission may use money in the environmental radiation and perpetual care account to pay for measures:

(1) to prevent or mitigate the adverse effects of abandonment of radioactive substances, default on a lawful obligation, insolvency, or other inability by the holder of a license issued by the commission to meet the requirements of this chapter or
of commission rules; and

(2) to ensure the protection of the public health and safety and the environment.

(f) The commission may provide, by the terms of a contract or lease entered into between the commission and any person, or by the terms of a license issued to any person, for the decontamination, closure, decommissioning, reclamation, surveillance, or other care of a site or facility subject to commission jurisdiction under this chapter as needed to carry out the purposes of this chapter.

(g) The existence of the environmental radiation and perpetual care account does not make the commission liable for the costs of decontamination, transfer, transportation, reclamation, surveillance, or disposal of radioactive substances arising from a license holder's abandonment of radioactive substances, default on a lawful obligation, insolvency, or inability to meet the requirements of this chapter or of commission rules.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 12, eff. September 1, 2013.

Sec. 401.307. PERPETUAL CARE ACCOUNT AND ENVIRONMENTAL RADIATION AND PERPETUAL CARE ACCOUNT CAPS. (a) The fees imposed under Sections 401.052(d) and 401.301(d) are suspended when the sum of the balances of the perpetual care account and the environmental radiation and perpetual care account reaches $100 million. The fees are reinstated when the sum of the balances of the perpetual care account and the environmental radiation and perpetual care account falls to $50 million or less.

(b) The surcharge collected under Section 401.207(g) is collected without regard to the balances of the perpetual care account and the environmental radiation and perpetual care account.

(c) Notwithstanding Subsection (a), a fee imposed by the commission under Section 401.301(d) on the holder of a license authorizing the extraction, processing, or concentration of uranium or thorium from ore is suspended when the amount in the environmental radiation and perpetual care account attributable to those fees reaches $2 million. If the amount in that account attributable to those fees is reduced to $1.5 million or less, the fee is reinstated until the amount reaches $2 million.
(d) Notwithstanding Subsection (a), a fee imposed under Section 401.052(d) is suspended from imposition against a party state compact waste generator when the amount in the perpetual care account attributable to those fees reaches $500,000. If the amount in that account attributable to those fees is reduced to $350,000 or less, the fee is reinstated until the amount reaches $500,000.

(e) This section does not relieve a generator from liability for a transportation accident involving low-level radioactive waste.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1159 (S.B. 347), Sec. 12, eff. September 1, 2013.

**SUBCHAPTER I. COURT PROCEEDINGS**

Sec. 401.341. JUDICIAL REVIEW. A person who is affected by a final decision of the department and who has exhausted all administrative remedies available in the appropriate agency is entitled to judicial review under Chapter 2001, Government Code.

Sec. 401.342. SUIT BY ATTORNEY GENERAL. (a) The attorney general, at the request of the department regarding an activity under its jurisdiction, shall institute an action in a district court in Travis County or in any county in which a violation occurs or is about to occur if in the department's judgment a person has engaged in or is about to engage in an act or practice that violates or will violate this chapter or a rule, license, registration, or order adopted or issued by the department under this chapter. The attorney general may determine the court in which suit will be instituted.

(b) The attorney general may petition the court for:

1. an order enjoining the act or practice or an order directing compliance and reimbursement of the perpetual care account, if applicable;
2. civil penalties as provided by Section 401.381; or
3. a permanent or temporary injunction, restraining order, or other appropriate order if the department shows that the person engaged in or is about to engage in any of the acts or practices.
Sec. 401.343. RECOVERY OF SECURITY. (a) The department or commission shall seek reimbursement, either by an order of the department or commission or a suit filed by the attorney general at the request of the department or commission, of security from the perpetual care account used by the department or commission to pay for actions, including corrective measures, to remedy spills or contamination by radioactive substances resulting from a violation of this chapter relating to an activity under the jurisdiction of the department or commission or a violation of a rule, license, registration, or order adopted or issued by the department or commission under this chapter.

(b) On request by the department or commission, the attorney general shall file suit to recover security under this section.
the county in which the violation occurred. If the attorney general seeks to recover civil penalties for violations that have occurred in more than one county, the attorney general may join all of the violations in one suit and may file the suit either in a district court in Travis County or in a district court in a county in which at least one of the violations occurred.

(c) The civil penalty provided by this section is cumulative of any other remedy provided by law.

Sec. 401.382. GENERAL CRIMINAL PENALTY. (a) A person commits an offense if the person intentionally or knowingly violates a provision of this chapter other than the offense described by Section 401.383.

(b) An offense under this section is a Class B misdemeanor, unless it is shown on the trial of the person that the person has been previously convicted of an offense under this section, in which event the offense is a Class A misdemeanor.

Sec. 401.383. CRIMINAL PENALTY FOR CERTAIN ACTS RELATED TO LOW-LEVEL RADIOACTIVE WASTE. (a) A person commits an offense if the person intentionally or knowingly receives, processes, concentrates, stores, transports, or disposes of low-level radioactive waste without a license issued under this chapter.

(b) An offense under this section is a Class A misdemeanor, unless it is shown at the trial of the person that the person has been previously convicted of an offense under this section, in which event the offense is punishable by a fine of not less than $2,000 or more than $100,000, confinement in the county jail for not more than one year, or both.

Sec. 401.384. ADMINISTRATIVE PENALTY. (a) The department may assess an administrative penalty as provided by this section and Sections 401.385-401.390 against a person who causes, suffers, allows, or permits a violation of a provision of this chapter relating to an activity under the department's jurisdiction, a rule or order adopted by the department under this chapter, or a condition of a license or registration issued by the department under this chapter.

(b) The penalty for each violation may not exceed $10,000 a day for a person who violates this chapter or a rule, order, license, or registration issued under this chapter. Each day a violation continues may be considered a separate violation.

(c) In determining the amount of the penalty, the department shall consider:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the prohibited acts and the hazard or potential hazard created to the public health or safety;

(2) the history of previous violations;

(3) the amount necessary to deter future violations;

(4) efforts to correct the violation; and

(5) any other matters that justice requires.

Sec. 401.385. PRELIMINARY REPORT OF VIOLATION. If the department, after an investigation, concludes that a violation relating to an activity under its jurisdiction has occurred, the department may issue a preliminary report:

(1) stating the facts that support the conclusion;

(2) recommending that an administrative penalty under Section 401.384 be imposed; and

(3) recommending the amount of the penalty, which shall be based on the seriousness of the violation as determined from the
facts surrounding the violation.

Sec. 401.386. NOTICE OF PRELIMINARY REPORT. (a) The department shall give written notice of its preliminary report to the person charged with the violation not later than the 10th day after the date on which the report is issued.

(b) The notice must include:
(1) a brief summary of the charges;
(2) a statement of the recommended penalty amount; and
(3) a statement of the right of the person charged to a hearing on the occurrence of the violation, the amount of the penalty, or both.

(c) Not later than the 20th day after the date on which the notice is sent, the person charged may consent in writing to the report, including the recommended penalty, or make a written request for a hearing.

Sec. 401.387. CONSENT TO PENALTY. (a) If the person charged with the violation consents to the penalty recommended by the department or does not respond to the notice on time, the commissioner or the commissioner's designee, by order shall assess that penalty or order a hearing to be held on the findings and recommendations in the report.

(b) If the commissioner or the commissioner's designee assesses the recommended penalty, the department shall give written notice to the person charged of the decision and that person must pay the penalty.

Sec. 401.388. HEARING AND DECISION.  (a) If the person charged requests a hearing, the commissioner shall order a hearing and shall give notice of that hearing.

(b) The hearing shall be held by a hearing examiner designated by the commissioner.

(c) The hearing examiner shall make findings of fact and promptly issue to the commissioner a written decision as to the occurrence of the violation and a recommendation of the amount of the proposed penalty if a penalty is warranted.

(d) Based on the findings of fact and the recommendations of the hearing examiner, the commissioner by order may find that a violation has occurred and assess an administrative penalty or may find that no violation occurred.

(e) All proceedings under Subsections (a)-(d) are subject to Chapter 2001, Government Code.

(f) The commissioner shall give notice to the person charged of the commissioner's decision, and if the commissioner finds that a violation has occurred and an administrative penalty has been assessed, the commissioner shall give to the person charged written notice of:

(1) the commissioner's findings;

(2) the amount of the penalty; and

(3) the person's right to judicial review of the commissioner's order.

Sec. 401.389. DISPOSITION OF PENALTY; JUDICIAL REVIEW.  (a) Not later than the 30th day after the date on which the commissioner's order is final, the person charged with the penalty shall pay the full amount of the penalty or file a petition for judicial review.

(b) If the person seeks judicial review of the violation, the
amount of the penalty, or both, the person, within the time provided by Subsection (a), shall:

(1) send the amount of the penalty to the commissioner for placement in an escrow account; or

(2) post with the commissioner a supersedeas bond in a form approved by the commissioner for the amount of the penalty, the bond to be effective until judicial review of the order or decision is final.

(c) The commissioner may request enforcement by the attorney general if the person charged fails to comply with this section.

(d) Judicial review of the order or decision of the commissioner assessing the penalty shall be under Subchapter G, Chapter 2001, Government Code.

Sec. 401.390. REMITTING PENALTY PAYMENTS; RELEASING BONDS.
(a) If a penalty is reduced or not assessed, the commissioner shall:

(1) remit to the person charged the appropriate amount of any penalty payment plus accrued interest; or

(2) execute a release of the bond if a supersedeas bond has been posted.

(b) Accrued interest on amounts remitted by the commissioner shall be paid:

(1) at a rate equal to the rate charged on loans to depository institutions by the New York Federal Reserve Bank; and

(2) for the period beginning on the date the penalty is paid to the commissioner under Section 401.389(a) and ending on the date the penalty is remitted.

Sec. 401.393. COMMISSION ENFORCEMENT. The commission may enforce the provisions of this chapter under the commission's jurisdiction as provided by Chapter 7, Water Code.
SUBCHAPTER K. LICENSING AUTHORITY OF TEXAS COMMISSION ON ENVIRONMENTAL QUALITY AND THE RAILROAD COMMISSION OF TEXAS

Sec. 401.412. COMMISSION LICENSING AUTHORITY. (a) Notwithstanding any other provision of this chapter and subject to Sections 401.102 and 401.415, the commission has sole and exclusive authority to directly regulate and to grant, deny, renew, revoke, suspend, amend, or withdraw licenses for the disposal of radioactive substances.

(b) Notwithstanding any other provision of this chapter, the commission has the sole and exclusive authority to grant, deny, renew, revoke, suspend, amend, or withdraw licenses for the recovery and processing of source material or disposal of by-product material under Subchapter G.

(c) The commission may adopt any rules and guidelines reasonably necessary to exercise its authority under this section. In adopting rules and guidelines, the commission shall consider the compatibility of those rules and guidelines with federal regulatory programs and the rules and guidelines of the board.

(d) The commission may assess and collect an annual fee for each license and registration and for each application in an amount sufficient to recover its reasonable costs to administer its authority under this chapter.

(e) The commission may set and collect an annual fee from the operator of each nuclear reactor or other fixed nuclear facilities in the state that uses special nuclear material. The amount of the fees collected may not exceed the actual expenses that arise from emergency response activities, including training.

(f) The commission shall establish by rule the amounts appropriate for the fees collected under this section. The fees collected under this section shall be deposited in the waste management account and reappropriated for use by the commission for expenses incurred by the commission in administering the provisions of this chapter.

Sec. 401.413. COMMISSION DISPOSAL LICENSE REQUIRED. A person required by another section of this chapter to obtain a license for the disposal of a radioactive substance is required to obtain the license from the commission and not from the department.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 29, eff. June 15, 2007.

Sec. 401.414. MEMORANDA OF UNDERSTANDING. The Texas Commission on Environmental Quality, the Health and Human Services Commission, and the Railroad Commission of Texas by rule shall adopt memoranda of understanding defining their respective duties under this chapter.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1332 (S.B. 1604), Sec. 30, eff. June 15, 2007.

Sec. 401.415. OIL AND GAS NORM WASTE. (a) Notwithstanding any other provision of this chapter, the Railroad Commission of Texas:

(1) has sole authority to regulate and issue licenses, permits, and orders for the disposal of oil and gas NORM waste; and

(2) may, in order to protect public health and safety and the environment, require the owner or operator of oil and gas equipment used in exploration, production, or disposal to:

(A) determine whether the equipment contains or is
contaminated with oil and gas NORM waste; and

(B) identify any equipment determined to contain or be contaminated with oil and gas NORM.

(b) The Railroad Commission of Texas may adopt any rules reasonably necessary to exercise its authority under this section.

(c) The Railroad Commission of Texas may enforce this section or any rule, order, license, or permit adopted or issued under this section in the manner and subject to the conditions provided in Title 3 of the Natural Resources Code, including the authority to seek and obtain civil penalties and injunctive relief as provided in that title.

(d) The Railroad Commission of Texas shall consult with the department and the Texas Natural Resource Conservation Commission as appropriate regarding administration of this section.

(e) To ensure that the State of Texas retains its Agreement Status with the U.S. Nuclear Regulatory Commission, and to ensure that radioactive materials are managed consistently to protect the public health and safety and the environment, the Railroad Commission of Texas shall issue rules on the management of oil and gas NORM waste and in so doing shall consult with the Texas Natural Resource Conservation Commission and the Department of Health regarding protection of the public health and the environment. The rules of the railroad commission shall provide protection for public health, safety, and the environment equivalent to the protection provided by rules applicable to disposal of other NORM wastes having similar properties, quantities, and distribution, although the approved methods and sites for disposing of oil and gas NORM wastes may be different from those approved for other NORM wastes.

SUBCHAPTER L. CERTIFICATION OF MAMMOGRAPHY SYSTEMS

Sec. 401.421. DEFINITIONS. In this subchapter:

(1) "Certification" means an authorization for the use of a mammography system.
(2) "Mammography" means the use of radiation to produce an image of the breast on film, paper, or digital display that may be used to detect the presence of pathological conditions of the breast.

(3) "Mammography system" includes the following:
   (A) an x-ray unit used as a source of radiation in producing images of breast tissue;
   (B) an imaging system used for the formation of a latent image of breast tissue;
   (C) an imaging processing device for changing a latent image of breast tissue to a visual image that can be used for diagnostic purposes;
   (D) a viewing device used for the visual evaluation of an image of breast tissue if the image is produced in interpreting visual data captured on an image receptor;
   (E) a medical radiological technologist who performs a mammography; and
   (F) a physician who engages in, and who meets the requirements adopted by board rule relating to, the reading, evaluation, and interpretation of mammograms.

Sec. 401.422. CERTIFICATION REQUIRED. (a) A person may not perform mammography unless the mammography system used has been issued a certification under this subchapter.

(b) A certification under Subsection (a) is required in addition to any license, registration, or other requirement under this chapter.

Added by Acts 1993, 73rd Leg., ch. 138, Sec. 1, eff. July 1, 1994.

Sec. 401.423. POWERS AND DUTIES OF BOARD. (a) The board shall:
   (1) prescribe application forms for original and renewal certifications;
   (2) adopt rules for the administration of this subchapter; and
   (3) take other action necessary to enforce this subchapter.

(b) The department shall apply under the Mammography Quality
Standards Act of 1992 (42 U.S.C. Section 263b) to become an accreditation body and carry out the certification program requirements and to implement the standards established by the United States Secretary of Health under that Act in this state. If the United States Secretary of Health grants the department's application, the department shall assume those responsibilities.

Sec. 401.424. MAMMOGRAPHY CERTIFICATION STANDARDS. (a) To receive a mammography certification under this subchapter, the mammography system must, at a minimum:

(1) meet criteria at least as stringent as the American College of Radiology mammography accreditation program;

(2) be specifically designed and used for the performance of mammography;

(3) be operated by an individual certified as a medical radiologic technologist under Chapter 601, Occupations Code, who meets, at a minimum, the requirements for personnel who perform mammography established by the Mammography Quality Standards Act of 1992 (42 U.S.C. Section 263b); and

(4) be used in a facility that:
   (A) meets, at minimum, the requirements for certification of the Mammography Quality Standards Act of 1992 (42 U.S.C. Section 263b);
   (B) has a licensed medical physicist specialized in radiology under Chapter 602, Occupations Code, who at least annually provides on-site consultation to the facility, including a complete evaluation of the entire mammography system to ensure compliance with this subchapter;
   (C) maintains records of the consultations required under Paragraph (B) for not less than seven years after the date the consultation was performed;
   (D) establishes a quality control program that meets requirements that are at least as stringent as those of the American College of Radiology mammography accreditation program; and
   (E) maintains and makes available to a patient of the facility original mammograms performed at the facility until the
earlier of either:

   (i) the fifth anniversary of the mammography or, if an additional mammogram of the same patient is not performed by the facility, the 10th anniversary of the mammography; or

   (ii) at the request of the patient, the date the patient's medical records are forwarded to another medical institution.

(b) To protect the public health, the board by rule may adopt more stringent or additional requirements for:

   (1) the certification of mammography systems; and

   (2) the retention of original mammograms.

(c) To protect the public health, the board by rule shall adopt qualifications for a physician who reads, evaluates, and interprets a mammogram that are no less stringent than the standards of the American College of Radiology.

(d) The board shall make available to the public copies of the criteria of the American College of Radiology mammography accreditation program or the modified criteria adopted by board rule.

(e) Notwithstanding any other provision of this chapter, the standards imposed for certification under this chapter may not be less stringent than the standards imposed on a facility under the Mammography Quality Standards Act of 1992 (42 U.S.C. Section 263b).

Sec. 401.426. APPLICATION FOR CERTIFICATION. (a) A person who owns, leases, or uses or the agent of a person who owns, leases, or uses a mammography system must file a written application for certification under Section 401.424 on a form prescribed by the board.

(b) The department may require, at any time after an application is filed, further information from the applicant and conduct inspections necessary to determine whether the application for certification should be granted or denied.

Sec. 401.427. CERTIFICATION RENEWAL; FEES. (a) A certification is valid for three years.

(b) The board by rule may adopt a system under which certifications under this subchapter expire on various dates during the year.

(c) The board shall set and collect an annual fee for certification holders in an amount reasonable and necessary to administer this subchapter. A certification holder who fails to pay the annual fee before the date set by the board shall pay the annual fee and a late fee set by the board. The board may revoke the certification of a certification holder who does not pay the annual fee and late fee before the required date.

(d) A certification holder may renew the certification by filing an application for renewal and paying the annual fee before the date the certification expires. If a certification holder fails to renew the certification by the required date, the certification holder may renew the certification on payment of the annual fee and a late fee set by the board. If the certification is not renewed before the 181st day after the date on which the certification expired, the certification holder must apply for an original certification under this subchapter.

(e) A mammography system may not be used after the expiration date of the certification unless the holder of the expired certification has made a timely and sufficient application for renewal of the certification as provided under Section 2001.054, Government Code, and a final determination of the application by the board has not been made.

Sec. 401.428. DENIAL, SUSPENSION, REVOCATION, OR REINSTATEMENT OF CERTIFICATION. (a) The department may deny, suspend, revoke, or reinstate a certification.

(b) The board shall adopt rules establishing the grounds for denial, suspension, revocation, or reinstatement of a certification and establishing procedures for disciplinary actions.

(c) Proceedings relating to the suspension or revocation of a
certification issued under this subchapter are subject to Chapter 2001, Government Code.

(d) A person whose certification has been revoked may apply for a new certification on the expiration of one year after the date the certification was revoked.

Sec. 401.429. CERTIFICATION FOR MULTIPLE MAMMOGRAPHY SYSTEMS.
(a) An applicant for certification under Section 401.426 must obtain a separate certification for each mammography system that is owned, leased, or used by the applicant.

(b) Certification of multiple mammography systems by a single applicant may be recorded on a single certification document. If multiple mammography systems are recorded on a single certification document, each specific machine certified, if any, must be identified on the certification document by referring to the machine's manufacturer, model number, and serial number.

Sec. 401.430. INSPECTIONS. (a) The department shall inspect each mammography system that has not been fully certified under the Mammography Quality Standards Act of 1992 (42 U.S.C. Section 263b) not later than the 60th day after the date the certification under this subchapter is issued.

(b) The board by rule shall establish the routine inspection frequency for mammography systems that receive certification under this subchapter.

(c) The department shall make reasonable attempts to coordinate inspections under this section with other inspections required under this chapter for the facility where the mammography system is used.

(d) After each satisfactory inspection, the department shall issue a certificate of inspection for each mammography system inspected. The certificate of inspection must be posted at a conspicuous place on or near the place where the mammography system is used. The certificate of inspection shall:
(1) specifically identify the mammography system inspected;
(2) state the name and address of the facility where the mammography system was used at the time of the inspection; and
(3) state the date of the inspection.

(e) A notice of a mammography system's failure to satisfy department standards shall be posted:
(1) on the mammography system at a conspicuous place if the system is a machine; or
(2) near the place where the mammography system practices if the system is an individual.

(f) If a facility's mammography system fails to meet the department's certification standards and the failure is a Severity Level I violation under the department's rules, the facility shall notify each patient on whom the facility performed a mammography during the period in which the system failed to meet the department's certification standards. The facility shall:
(1) inform the patient that the mammography system failed to satisfy the department's certification standards;
(2) recommend that the patient consult with the patient's physician regarding the need for another mammogram; and
(3) list the three facilities closest to the original testing facility that have a certified mammography system.

(g) In addition to the requirement of Subsection (f), the department may require a facility to notify a patient of any other failure of the facility's mammography system to meet the department's certification standards.

(h) To protect the public health, the board may adopt rules concerning the grounds for posting a failure notice and the placement and size of the failure notice, and for patient notification under Subsections (f) and (g), as appropriate.

Acts 2009, 81st Leg., R.S., Ch. 1355 (S.B. 527), Sec. 1, eff. September 1, 2009.

SUBCHAPTER M. LASER HAIR REMOVAL
Sec. 401.501. DEFINITIONS. In this subchapter:

(1) "Department" means the Department of State Health Services.

(2) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(3) "Laser hair removal" means the use of a laser or pulsed light device for nonablative hair removal procedures.

(4) "Laser hair removal facility" means a business location that provides laser hair removal.

(5) "Laser or pulsed light device" means a device approved by the department and the United States Food and Drug Administration for laser hair removal.

(6) "Nonablative hair removal procedure" means a hair removal procedure using a laser or pulsed light device that does not remove the epidermis.

(7) "Operator" means the owner of a laser hair removal facility, an agent of an owner, or an independent contractor of a laser hair removal facility.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.502. EXAMINATION. The executive commissioner may adopt rules to govern the development and administration of an examination for an applicant under this subchapter.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.503. APPLICATION PROCESS. (a) An application for a certificate or license under this subchapter must be made on a form prescribed and provided by the department.

(b) The application must require an applicant to provide sworn statements relating to the applicant's education and to provide other information required by the department.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.
Sec. 401.504. CERTIFICATE FOR INDIVIDUALS REQUIRED. (a) A person may not perform or attempt to perform laser hair removal unless the person holds the appropriate certificate under this subchapter.

(b) A certificate issued under this subchapter only authorizes a person to perform nonablative cosmetic laser hair removal. The certificate does not authorize the person to diagnose, treat, or offer to treat any client for any illness, disease, injury, defect, or deformity of the human body. The certificate holder shall specifically disclose this limitation in writing to all clients and prospective clients.

(c) This subchapter does not require a health professional licensed under another law to hold a certificate under this subchapter to perform laser hair removal if the performance of laser hair removal is within the scope of that professional's practice as determined by the professional's licensing board.

(d) This subchapter does not apply to a physician or to a physician's employee or delegate acting under Chapter 157, Occupations Code.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2010.

Sec. 401.505. CERTIFIED LASER HAIR REMOVAL PROFESSIONAL. (a) An applicant for a laser hair removal professional certificate must:

(1) be certified by a recognized certifying agency, including the Society for Clinical and Medical Hair Removal or another certification entity approved by the department;

(2) meet the requirements for a senior laser hair removal technician certificate under Section 401.506; and

(3) pass an examination administered by the department.

(b) A certified laser hair removal professional acting under the protocol established with a consulting physician may perform laser hair removal without supervision.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.506. SENIOR LASER HAIR REMOVAL TECHNICIAN. (a)
Except as provided by Subsection (b), an applicant for a senior laser hair removal technician certificate must:

(1) meet the requirements for a laser hair removal technician certificate under Section 401.507; and

(2) have supervised at least 100 laser hair removal procedures, as audited by a certified laser hair removal professional.

(b) The qualifications for eligibility for an applicant for a senior laser hair removal technician certificate who is a licensed health professional shall be established by the entity that issues licenses for that health profession.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.507. LASER HAIR REMOVAL TECHNICIAN. An applicant for a laser hair removal technician certificate must:

(1) meet the requirements for a laser hair removal apprentice-in-training certificate under Section 401.508; and

(2) have performed at least 100 laser hair removal procedures under the direct supervision of a senior laser hair removal technician or a certified laser hair removal professional.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.508. LASER HAIR REMOVAL APPRENTICE-IN-TRAINING. (a) An applicant for a laser hair removal apprentice-in-training certificate must have at least 24 hours of training in safety, laser physics, skin typing, skin reactions, treatment protocols, burns, eye protection, emergencies, and posttreatment protocols.

(b) A laser hair removal apprentice-in-training must work directly under the supervision of a senior laser hair removal technician or a certified laser hair removal professional.

(c) A person must be at least 18 years of age to qualify to be a laser hair removal apprentice-in-training.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.
Sec. 401.509. CONTINUING EDUCATION. The department shall recognize, prepare, or administer continuing education programs for certificate holders. A certificate holder must participate in the programs to the extent required by department rule to renew the person's certificate.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.510. FACILITY LICENSE REQUIRED. (a) A person may not operate a laser hair removal facility unless the person holds a license issued under this subchapter to operate the facility.

(b) A separate license is required for each laser hair removal facility.

(c) This section does not apply to:
   (1) a facility owned or operated by a physician for the practice of medicine;
   (2) a licensed hospital; or
   (3) a clinic owned or operated by a licensed hospital.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2010.

Sec. 401.511. EXPIRATION OF CERTIFICATE OR LICENSE. The executive commissioner by rule may adopt a system under which certificates and licenses expire on various dates during the year.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.512. RENEWAL OF CERTIFICATE OR LICENSE. (a) A certificate or license expires on the second anniversary of the date of issuance.

(b) A person must renew the person's certificate or license on or before the expiration date.

(c) The department shall issue a renewal certificate or license
on receipt of a renewal application in the form prescribed by the
department, accompanied by a renewal fee in an amount equal to the
original certificate or license fee.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff.
September 1, 2009.

Sec. 401.513. DISPLAY OF LICENSE OR CERTIFICATE. A person
holding a license or certificate under this subchapter shall display
the person's license or certificate in an open public area of the
laser hair removal facility.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff.
September 1, 2009.

Sec. 401.514. LASER OR PULSED LIGHT DEVICE. (a) A laser or
pulsed light device used for laser hair removal in a laser hair
removal facility must comply with all applicable federal and state
laws and regulations.

(b) A person who adulterates or misbrands a laser or pulsed
light device violates Chapter 431. The department may investigate a
person accused of adulterating or misbranding a laser or pulsed light
device.

(c) A person may only use a laser or pulsed light device
approved for laser hair removal by the federal Food and Drug
Administration for that purpose and may only use the device at the
settings expected to safely remove hair.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff.
September 1, 2009.

Sec. 401.515. CUSTOMER NOTICE; LIABILITY. (a) A laser hair
removal facility shall give each customer a written statement
outlining the relevant risks associated with laser hair removal, including a warning that failure to use the eye protection provided
to the customer by the laser hair removal facility may result in
damage to the eyes.

(b) The executive commissioner shall adopt rules relating to
the customer notice.

(c) Compliance with the notice requirement does not affect the liability of the laser hair removal facility operator or a manufacturer of a laser or pulsed light device.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.516. WARNING SIGNS. (a) A laser hair removal facility shall post a warning sign as prescribed by the department in a conspicuous location readily visible to a person entering the facility. The sign must provide a toll-free telephone number for the department and inform the customer that the customer may call the department.

(b) The executive commissioner shall adopt rules specifying the size, content, and design of the sign, with wording listing the potential dangers involved.

(c) The department shall include with a license application and an application for renewal of a license a description of the design standards required for a sign under this section.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.517. OPERATIONAL REQUIREMENTS. (a) Except as provided by Subsection (b), a laser hair removal facility shall have a certified laser hair removal professional or a licensed health professional described by Section 401.504(c) present to supervise the laser hair removal procedures performed at the facility during the facility's operating hours.

(b) A laser hair removal facility may continue to perform laser hair removal procedures after the facility's certified laser hair removal professional leaves the facility if a senior laser hair removal technician is present to perform or supervise each procedure. Not later than the 45th day after the date the facility's certified laser hair removal professional leaves the facility:

(1) the facility's senior laser hair removal technician must become certified as a laser hair removal professional under Section 401.505; or
(2) the facility must hire a new certified laser hair removal professional.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2010.

Sec. 401.518. SAFETY. (a) A laser hair removal facility operator is responsible for maintaining the laser hair removal facility's compliance with the requirements of this subchapter and department rules relating to laser and pulsed light devices.

(b) A laser hair removal facility operator may not claim, advertise, or distribute promotional materials that claim that laser hair removal is free from risk or provides any medical benefit.

(c) A laser hair removal facility operator may not produce false or misleading advertising regarding the services offered at the facility.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.519. CONSULTING PHYSICIAN. (a) A laser hair removal facility must have a written contract with a consulting physician to:

(1) establish proper protocols for the services provided at the facility; and

(2) audit the laser hair removal facility's protocols and operations.

(b) Under the rules of the department, a laser hair removal facility must document with the department the facility's contractual relationship with the consulting physician.

(c) The consulting physician must be available for emergency consultation with the facility as appropriate to the circumstances, including, if the physician considers it necessary, an emergency appointment with the client. If the consulting physician is unavailable for an emergency consultation, another designated physician must be available for the consultation with the facility relating to care for the client.

(d) This subchapter does not relieve a consulting physician or another health care professional from complying with applicable regulations prescribed by a state or federal agency.
Sec. 401.520. DISCLOSURE OF RECORD PROHIBITED; EXCEPTION. (a) Except as provided by Subsection (b), an operator or other person may not disclose a customer record required to be kept by the department.

(b) An operator or other person may disclose a customer record if:

(1) the customer or a person authorized to act on behalf of the customer requests the record;

(2) the department, the Texas Medical Board, a health authority, or an authorized agent requests the record;

(3) the customer consents in writing to disclosure of the record to another person;

(4) the customer is a victim, witness, or defendant in a criminal proceeding and the record is relevant to that proceeding;

(5) the record is requested in a criminal or civil proceeding by court order or subpoena; or

(6) disclosure is otherwise required by law.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 401.521. PROHIBITED PRACTICE. (a) A person may not operate a laser or pulsed light device with the intent to treat an illness, disease, injury, or physical defect or deformity unless the person is:

(1) a physician;

(2) acting under a physician's order; or

(3) authorized under other law to treat the illness, disease, injury, or physical defect or deformity in that manner.

(b) A person who violates Subsection (a) is practicing medicine in violation of Subtitle B, Title 3, Occupations Code, and is subject to the penalties under that subtitle and under Section 401.522.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2010.
Sec. 401.522. ENFORCEMENT; PENALTIES. (a) The department may impose an administrative penalty on a person who violates this subchapter or a rule adopted under this subchapter. The amount of the penalty may not exceed $5,000 for each violation.

(b) The department may suspend or revoke a license or certificate issued under this subchapter in addition to or instead of imposing a penalty under Subsection (a).

(c) The executive commissioner shall adopt rules as necessary to implement this section.

Added by Acts 2009, 81st Leg., R.S., Ch. 303 (H.B. 449), Sec. 1, eff. September 1, 2010.

CHAPTER 403. TEXAS LOW-LEVEL RADIOACTIVE WASTE DISPOSAL COMPACT

Sec. 403.0005. DEFINITIONS. In this chapter:

(1) "Commission" means the commission established by Article III of the Texas Low-Level Radioactive Waste Disposal Compact.

(2) "Host state commissioner" means a person who is appointed from this state to serve on the commission under this chapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1102 (S.B. 1605), Sec. 2, eff. September 1, 2011.

Sec. 403.001. MEMBERS OF COMMISSION. (a) The governor shall appoint six members to represent this state on the commission established by Article III of the Texas Low-Level Radioactive Waste Disposal Compact. One of the voting members of the compact commission shall be a legal resident of the host county.

(b) The governor may provide an alternate for each commissioner appointed under this section.

Sec. 403.002. TERMS OF COMMISSION MEMBERS; VACANCY. Host state
commissioners serve staggered six-year terms, with the terms of two host state commissioners expiring on September 1 of each odd-numbered year. A host state commissioner serves until a successor is appointed and qualified. A vacancy in the office of host state commissioner is filled for the unexpired term by appointment of the governor.

Added by Acts 1993, 73rd Leg., ch. 460, Sec. 1, eff. Aug. 30, 1993. Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1102 (S.B. 1605), Sec. 3, eff. September 1, 2011.

Sec. 403.003. OATH. A host state commissioner shall take the constitutional oath of office and shall also take an oath to faithfully perform the duties of commissioner.

Added by Acts 1993, 73rd Leg., ch. 460, Sec. 1, eff. Aug. 30, 1993.

Sec. 403.004. COMPENSATION. A host state commissioner is not entitled to compensation for performing the duties of host state commissioner but is entitled to reimbursement for actual and necessary expenses incurred in the performance of the duties of host state commissioner.

Added by Acts 1993, 73rd Leg., ch. 460, Sec. 1, eff. Aug. 30, 1993. Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1102 (S.B. 1605), Sec. 3, eff. September 1, 2011.

Sec. 403.005. POWERS AND DUTIES. The Texas Low-Level Radioactive Waste Disposal Compact Commission and the members of the commission have the powers and duties prescribed by the compact. The members of the commission are responsible for administering the provisions of the compact.

Added by Acts 1993, 73rd Leg., ch. 460, Sec. 1, eff. Aug. 30, 1993.
Sec. 403.0051. COMMISSION AS INDEPENDENT ENTITY. (a) The commission is an independent entity and not a program, department, or other division of, or administratively attached to, the Texas Commission on Environmental Quality.

(b) Money for the commission may not be appropriated as part of an appropriation for the Texas Commission on Environmental Quality.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1102 (S.B. 1605), Sec. 4, eff. September 1, 2011.

Sec. 403.0053. ATTORNEY GENERAL TO REPRESENT COMMISSION. The attorney general shall represent the commission under this chapter in all matters before the state courts and any court of the United States.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1102 (S.B. 1605), Sec. 4, eff. September 1, 2011.

Sec. 403.0054. APPLICABILITY OF SUNSET ACT. (a) The commission is subject to review under Chapter 325, Government Code (Texas Sunset Act), as if it were a state agency subject to review under that chapter, but may not be abolished under that chapter.

(b) The commission shall be reviewed during each period in which the Texas Commission on Environmental Quality is reviewed.

(c) The commission shall pay the cost incurred by the Sunset Advisory Commission in performing a review of the commission under this section. The Sunset Advisory Commission shall determine the cost, and the commission shall pay the amount promptly on receipt of a statement from the Sunset Advisory Commission detailing the cost.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1102 (S.B. 1605), Sec. 4, eff. September 1, 2011.

Sec. 403.0055. AUDIT. The commission is subject to audit by the state auditor in accordance with Chapter 321, Government Code.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1102 (S.B. 1605), Sec. 4, eff. September 1, 2011.
Sec. 403.006. TEXT OF COMPACT. The Texas Low-Level Radioactive Waste Disposal Compact reads as follows:

ARTICLE I. POLICY AND PURPOSE

Sec. 1.01. The party states recognize a responsibility for each state to seek to manage low-level radioactive waste generated within its boundaries, pursuant to the Low-Level Radioactive Waste Policy Act, as amended by the Low-Level Radioactive Waste Policy Amendments Act of 1985 (42 U.S.C. Sections 2021b-2021j). They also recognize that the United States Congress, by enacting the Act, has authorized and encouraged states to enter into compacts for the efficient management and disposal of low-level radioactive waste. It is the policy of the party states to cooperate in the protection of the health, safety, and welfare of their citizens and the environment and to provide for and encourage the economical management and disposal of low-level radioactive waste. It is the purpose of this compact to provide the framework for such a cooperative effort; to promote the health, safety, and welfare of the citizens and the environment of the party states; to limit the number of facilities needed to effectively, efficiently, and economically manage low-level radioactive waste and to encourage the reduction of the generation thereof; and to distribute the costs, benefits, and obligations among the party states; all in accordance with the terms of this compact.

ARTICLE II. DEFINITIONS

Sec. 2.01. As used in this compact, unless the context clearly indicates otherwise, the following definitions apply:

(2) "Commission" means the Texas Low-Level Radioactive Waste Disposal Compact Commission established in Article III of this compact.

(3) "Compact facility" or "facility" means any site, location, structure, or property located in and provided by the host state for the purpose of management or disposal of low-level radioactive waste for which the party states are responsible.

(4) "Disposal" means the permanent isolation of low-level radioactive waste pursuant to requirements established by the United
States Nuclear Regulatory Commission and the United States Environmental Protection Agency under applicable laws, or by the host state.

(5) "Generate," when used in relation to low-level radioactive waste, means to produce low-level radioactive waste.

(6) "Generator" means a person who produces or processes low-level radioactive waste in the course of its activities, excluding persons who arrange for the collection, transportation, management, treatment, storage, or disposal of waste generated outside the party states, unless approved by the commission.

(7) "Host county" means a county in the host state in which a disposal facility is located or is being developed.

(8) "Host state" means a party state in which a compact facility is located or is being developed. The state of Texas is the host state under this compact.

(9) "Institutional control period" means that period of time following closure of the facility and transfer of the facility license from the operator to the custodial agency in compliance with the appropriate regulations for long-term observation and maintenance.

(10) "Low-level radioactive waste" has the same meaning as that term is defined in Section 2(9) of the Act (42 U.S.C. Section 2021b(9)), or in the host state statute so long as the waste is not incompatible with management and disposal at the compact facility.

(11) "Management" means collection, consolidation, storage, packaging, or treatment.

(12) "Operator" means a person who operates a disposal facility.

(13) "Party state" means any state that has become a party in accordance with Article VII of this compact. Texas, Maine, and Vermont are initial party states under this compact.

(14) "Person" means an individual, corporation, partnership, or other legal entity, whether public or private.

(15) "Transporter" means a person who transports low-level radioactive waste.

ARTICLE III. THE COMMISSION
Sec. 3.01. There is hereby established the Texas Low-Level Radioactive Waste Disposal Compact Commission. The commission shall consist of one voting member from each party state except that the host state shall be entitled to six voting members. Commission
members shall be appointed by the party state governors, as provided by the laws of each party state. Each party state may provide alternates for each appointed member.

Sec. 3.02. A quorum of the commission consists of a majority of the members. Except as otherwise provided in this compact, an official act of the commission must receive the affirmative vote of a majority of its members.

Sec. 3.03. The commission is a legal entity separate and distinct from the party states and has governmental immunity to the same extent as an entity created under the authority of Article XVI, Section 59, of the Texas Constitution. Members of the commission shall not be personally liable for actions taken in their official capacity. The liabilities of the commission shall not be deemed liabilities of the party states.

Sec. 3.04. The commission shall:

(1) Compensate its members according to the host state's law.

(2) Conduct its business, hold meetings, and maintain public records pursuant to laws of the host state, except that notice of public meetings shall be given in the nonhost party states in accordance with their respective statutes.

(3) Be located in the capital city of the host state.

(4) Meet at least once a year and upon the call of the chair, or any member. The governor of the host state shall appoint a chair and vice-chair.

(5) Keep an accurate account of all receipts and disbursements. An annual audit of the books of the commission shall be conducted by an independent certified public accountant, and the audit report shall be made a part of the annual report of the commission.

(6) Approve a budget each year and establish a fiscal year that conforms to the fiscal year of the host state.

(7) Prepare, adopt, and implement contingency plans for the disposal and management of low-level radioactive waste in the event that the compact facility should be closed. Any plan which requires the host state to store or otherwise manage the low-level radioactive waste from all the party states must be approved by at least four host state members of the commission. The commission, in a contingency plan or otherwise, may not require a nonhost party state to store low-level radioactive waste generated outside of the state.
(8) Submit communications to the governors and to the presiding officers of the legislatures of the party states regarding the activities of the commission, including an annual report to be submitted on or before January 31 of each year.

(9) Assemble and make available to the party states and to the public information concerning low-level radioactive waste management needs, technologies, and problems.

(10) Keep a current inventory of all generators within the party states, based upon information provided by the party states.

(11) By no later than 180 days after all members of the commission are appointed under Section 3.01 of this article, establish by rule the total volume of low-level radioactive waste that the host state will dispose of in the compact facility in the years 1995-2045, including decommissioning waste. The shipments of low-level radioactive waste from all nonhost party states shall not exceed 20 percent of the volume estimated to be disposed of by the host state during the 50-year period. When averaged over such 50-year period, the total of all shipments from nonhost party states shall not exceed 20,000 cubic feet a year. The commission shall coordinate the volumes, timing, and frequency of shipments from generators in the nonhost party states in order to assure that over the life of this agreement shipments from the nonhost party states do not exceed 20 percent of the volume projected by the commission under this paragraph.

Sec. 3.05. The commission may:

(1) Employ staff necessary to carry out its duties and functions. The commission is authorized to use to the extent practicable the services of existing employees of the party states. Compensation shall be as determined by the commission.

(2) Accept any grants, equipment, supplies, materials, or services, conditional or otherwise, from the federal or state government. The nature, amount, and condition, if any, of any donation, grant, or other resources accepted pursuant to this paragraph and the identity of the donor or grantor shall be detailed in the annual report of the commission.

(3) Enter into contracts to carry out its duties and authority, subject to projected resources. No contract made by the commission shall bind a party state.

(4) Adopt, by a majority vote, bylaws and rules necessary to carry out the terms of this compact. Any rules promulgated by the
commission shall be adopted in accordance with Chapter 2001, Government Code.

(5) Sue and be sued and, when authorized by a majority vote of the members, seek to intervene in administrative or judicial proceedings related to this compact.

(6) Enter into an agreement with any person, state, regional body, or group of states for the importation of low-level radioactive waste into the compact for management or disposal, provided that the agreement receives a majority vote of the commission. The commission may adopt such conditions and restrictions in the agreement as it deems advisable.

(7) Upon petition, allow an individual generator, a group of generators, or the host state of the compact to export low-level radioactive waste to a low-level radioactive waste disposal facility located outside the party states. The commission may approve the petition only by a majority vote of its members. The permission to export low-level radioactive waste shall be effective for that period of time and for the specified amount of low-level radioactive waste, and subject to any other term or condition, as is determined by the commission.

(8) Monitor the exportation outside of the party states of material which otherwise meets the criteria of low-level radioactive waste, where the sole purpose of the exportation is to manage or process the material for recycling or waste reduction and return it to the party states for disposal in the compact facility.

Sec. 3.06. Jurisdiction and venue of any action contesting any action of the commission shall be in the United States District Court in the district where the commission maintains its office.

ARTICLE IV. RIGHTS, RESPONSIBILITIES, AND OBLIGATIONS OF PARTY STATES

Sec. 4.01. The host state shall develop and have full administrative control over the development, management, and operation of a facility for the disposal of low-level radioactive waste generated within the party states. The host state shall be entitled to unlimited use of the facility over its operating life. Use of the facility by the nonhost party states for disposal of low-level radioactive waste, including such waste resulting from decommissioning of any nuclear electric generation facilities located in the party states, is limited to the volume requirements of Section 3.04(11) of Article III.

Sec. 4.02. Low-level radioactive waste generated within the
party states shall be disposed of only at the compact facility, except as provided in Section 3.05(7) of Article III.

Sec. 4.03. The initial states of this compact cannot be members of another low-level radioactive waste compact entered into pursuant to the Act.

Sec. 4.04. The host state shall do the following:

1. Cause a facility to be developed in a timely manner and operated and maintained through the institutional control period.

2. Ensure, consistent with any applicable federal and host state laws, the protection and preservation of the environment and the public health and safety in the siting, design, development, licensing, regulation, operation, closure, decommissioning, and long-term care of the disposal facilities within the host state.

3. Close the facility when reasonably necessary to protect the public health and safety of its citizens or to protect its natural resources from harm. However, the host state shall notify the commission of the closure within three days of its action and shall, within 30 working days of its action, provide a written explanation to the commission of the closure, and implement any adopted contingency plan.

4. Establish reasonable fees for disposal at the facility of low-level radioactive waste generated in the party states based on disposal fee criteria set out in Sections 402.272 and 402.273, Texas Health and Safety Code. The same fees shall be charged for the disposal of low-level radioactive waste that was generated in the host state and in the nonhost party states. Fees shall also be sufficient to reasonably support the activities of the commission.

5. Submit an annual report to the commission on the status of the facility, including projections of the facility's anticipated future capacity, and on the related funds.

6. Notify the commission immediately upon the occurrence of any event that could cause a possible temporary or permanent closure of the facility and identify all reasonable options for the disposal of low-level radioactive waste at alternate compact facilities or, by arrangement and commission vote, at noncompact facilities.

7. Promptly notify the other party states of any legal action involving the facility.

8. Identify and regulate, in accordance with federal and host state law, the means and routes of transportation of low-level
Sec. 4.05. Each party state shall do the following:

1. Develop and enforce procedures requiring low-level radioactive waste shipments originating within its borders and destined for the facility to conform to packaging, processing, and waste form specifications of the host state.

2. Maintain a registry of all generators within the state that may have low-level radioactive waste to be disposed of at the facility, including but not limited to the amount of low-level radioactive waste and the class of low-level radioactive waste generated by each generator.

3. Develop and enforce procedures requiring generators within its borders to minimize the volume of low-level radioactive waste requiring disposal. Nothing in this compact shall prohibit the storage, treatment, or management of waste by a generator.

4. Provide the commission with any data and information necessary for the implementation of the commission's responsibilities, including taking those actions necessary to obtain this data or information.

5. Pay for community assistance projects designated by the host county in an amount for each nonhost party state equal to 10 percent of the payment provided for in Article V for each such state. One-half of the payment shall be due and payable to the host county on the first day of the month following ratification of this compact agreement by congress and one-half of the payment shall be due and payable on the first day of the month following the approval of a facility operating license by the host state's regulatory body.

6. Provide financial support for the commission's activities prior to the date of facility operation and subsequent to the date of congressional ratification of this compact under Section 7.07 of Article VII. Each party state will be responsible for annual payments equaling its pro-rata share of the commission's expenses, incurred for administrative, legal, and other purposes of the commission.

7. If agreed by all parties to a dispute, submit the dispute to arbitration or other alternate dispute resolution process. If arbitration is agreed upon, the governor of each party state shall appoint an arbitrator. If the number of party states is an even number, the arbitrators so chosen shall appoint an additional arbitrator. The determination of a majority of the arbitrators shall
be binding on the party states. Arbitration proceedings shall be conducted in accordance with the provisions of 9 U.S.C. Sections 1 through 16. If all parties to a dispute do not agree to arbitration or alternate dispute resolution process, the United States District Court in the district where the commission maintains its office shall have original jurisdiction over any action between or among parties to this compact.

(8) Provide on a regular basis to the commission and host state:

(A) an accounting of waste shipped and proposed to be shipped to the compact facility, by volume and curies;
(B) proposed transportation methods and routes; and
(C) proposed shipment schedules.

(9) Seek to join in any legal action by or against the host state to prevent nonparty states or generators from disposing of low-level radioactive waste at the facility.

Sec. 4.06. Each party state shall act in good faith and may rely on the good faith performance of the other party states regarding requirements of this compact.

ARTICLE V. PARTY STATE CONTRIBUTIONS

Sec. 5.01. Each party state, except the host state, shall contribute a total of $25 million to the host state. Payments shall be deposited in the host state treasury to the credit of the low-level waste fund in the following manner except as otherwise provided. Not later than the 60th day after the date of congressional ratification of this compact, each nonhost party state shall pay to the host state $12.5 million. Not later than the 60th day after the date of the opening of the compact facility, each nonhost party state shall pay to the host state an additional $12.5 million.

Sec. 5.02. As an alternative, the host state and the nonhost states may provide for payments in the same total amount as stated above to be made to meet the principal and interest expense associated with the bond indebtedness or other form of indebtedness issued by the appropriate agency of the host state for purposes associated with the development, operation, and post-closure monitoring of the compact facility. In the event the member states proceed in this manner, the payment schedule shall be determined in accordance with the schedule of debt repayment. This schedule shall replace the payment schedule described in Section 5.01 of this
ARTICLE VI. PROHIBITED ACTS AND PENALTIES

Sec. 6.01. No person shall dispose of low-level radioactive waste generated within the party states unless the disposal is at the compact facility, except as otherwise provided in Section 3.05(7) of Article III.

Sec. 6.02. No person shall manage or dispose of any low-level radioactive waste within the party states unless the low-level radioactive waste was generated within the party states, except as provided in Section 3.05(6) of Article III. Nothing herein shall be construed to prohibit the storage or management of low-level radioactive waste by a generator, nor its disposal pursuant to 10 C.F.R. Section 20.302.

Sec. 6.03. Violations of this article may result in prohibiting the violator from disposing of low-level radioactive waste in the compact facility, or in the imposition of penalty surcharges on shipments to the facility, as determined by the commission.

ARTICLE VII. ELIGIBILITY; ENTRY INTO EFFECT; CONGRESSIONAL CONSENT; WITHDRAWAL; EXCLUSION

Sec. 7.01. The states of Texas, Maine, and Vermont are party states to this compact. Any other state may be made eligible for party status by a majority vote of the commission and ratification by the legislature of the host state, subject to fulfillment of the rights of the initial nonhost party states under Section 3.04(11) of Article III and Section 4.01 of Article IV, and upon compliance with those terms and conditions for eligibility that the host state may establish. The host state may establish all terms and conditions for the entry of any state, other than the states named in this section, as a member of this compact; provided, however, the specific provisions of this compact, except for those pertaining to the composition of the commission and those pertaining to Section 7.09 of this article, may not be changed except upon ratification by the legislatures of the party states.

Sec. 7.02. Upon compliance with the other provisions of this compact, a state made eligible under Section 7.01 of this article may become a party state by legislative enactment of this compact or by executive order of the governor of the state adopting this compact. A state becoming a party state by executive order shall cease to be a party state upon adjournment of the first general session of its legislature convened after the executive order is issued, unless
before the adjournment, the legislature enacts this compact.

Sec. 7.03. Any party state may withdraw from this compact by repealing enactment of this compact subject to the provisions herein. In the event the host state allows an additional state or additional states to join the compact, the host state's legislature, without the consent of the nonhost party states, shall have the right to modify the composition of the commission so that the host state shall have a voting majority on the commission; provided, however, that any modification maintains the right of each initial party state to retain one voting member on the commission.

Sec. 7.04. If the host state withdraws from the compact, the withdrawal shall not become effective until five years after enactment of the repealing legislation and the nonhost party states may continue to use the facility during that time. The financial obligation of the nonhost party states under Article V shall cease immediately upon enactment of the repealing legislation. If the host state withdraws from the compact or abandons plans to operate a facility prior to the date of any nonhost party state payment under Sections 4.05(5) and (6), of Article IV or Article V, the nonhost party states are relieved of any obligations to make the contributions. This section sets out the exclusive remedies for the nonhost party states if the host state withdraws from the compact or is unable to develop and operate a compact facility.

Sec. 7.05. A party state, other than the host state, may withdraw from the compact by repealing the enactment of this compact, but this withdrawal shall not become effective until two years after the effective date of the repealing legislation. During this two-year period the party state will continue to have access to the facility. The withdrawing party shall remain liable for any payments under Sections 4.05(5) and (6) of Article IV that were due during the two-year period and shall not be entitled to any refund of payments previously made.

Sec. 7.06. Any party state that substantially fails to comply with the terms of the compact or to fulfill its obligations hereunder may have its membership in the compact revoked by a seven-eighths vote of the commission following notice that a hearing will be scheduled not less than six months from the date of the notice. In all other respects, revocation proceedings undertaken by the commission will be subject to Chapter 2001, Government Code, except that a party state may appeal the commission's revocation decision to
the United States District Court in accordance with Section 3.06 of Article III. Revocation shall take effect one year from the date such party state receives written notice from the commission of a final action. Written notice of revocation shall be transmitted immediately following the vote of the commission, by the chair, to the governor of the affected party state, all other governors of party states, and to the United States Congress.

Sec. 7.07. This compact shall take effect following its enactment under the laws of the host state and any other party state and thereafter upon the consent of the United States Congress and shall remain in effect until otherwise provided by federal law. If Texas and either Maine or Vermont ratify this compact, the compact shall be in full force and effect as to Texas and the other ratifying state, and this compact shall be interpreted as follows:

(1) Texas and the other ratifying state are the initial party states.

(2) The commission shall consist of two voting members from the other ratifying state and six from Texas.

(3) Each party state is responsible for its pro-rata share of the commission's expenses.

Sec. 7.08. This compact is subject to review by the United States Congress and the withdrawal of the consent of congress every five years after its effective date, pursuant to federal law.

Sec. 7.09. The host state legislature, with the approval of the governor, shall have the right and authority, without the consent of the nonhost party states, to modify the provisions contained in Section 3.04(11) of Article III to comply with Section 402.219(c)(1), Texas Health and Safety Code, as long as the modification does not impair the rights of the initial nonhost party states.

ARTICLE VIII. CONSTRUCTION AND SEVERABILITY

Sec. 8.01. The provisions of this compact shall be broadly construed to carry out the purposes of the compact, but the sovereign powers of a party shall not be infringed upon unnecessarily.

Sec. 8.02. This compact does not affect any judicial proceeding pending on the effective date of this compact.

Sec. 8.03. No party state acquires any liability, by joining this compact, resulting from the siting, operation, maintenance, long-term care, or any other activity relating to the compact facility. No nonhost party state shall be liable for any harm or damage from the siting, operation, maintenance, or long-term care.
relating to the compact facility. Except as otherwise expressly provided in this compact, nothing in this compact shall be construed to alter the incidence of liability of any kind for any act or failure to act. Generators, transporters, owners, and operators of the facility shall be liable for their acts, omissions, conduct, or relationships in accordance with applicable law. By entering into this compact and securing the ratification by congress of its terms, no party state acquires a potential liability under Section 5(d)(2)(C) of the Act (42 U.S.C. Section 2021e(d)(2)(C)) that did not exist prior to entering into this compact.

Sec. 8.04. If a party state withdraws from the compact pursuant to Section 7.03 of Article VII or has its membership in this compact revoked pursuant to Section 7.06 of Article VII, the withdrawal or revocation shall not affect any liability already incurred by or chargeable to the affected state under Section 8.03 of this article.

Sec. 8.05. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared by a court of competent jurisdiction to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person, or circumstances is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby to the extent the remainder can in all fairness be given effect. If any provision of this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the state affected as to all severable matters.

Sec. 8.06. Nothing in this compact diminishes or otherwise impairs the jurisdiction, authority, or discretion of either of the following:

(1) the United States Nuclear Regulatory Commission pursuant to the Atomic Energy Act of 1954, as amended (42 U.S.C. Section 2011 et seq.); or

(2) an agreement state under Section 274 of the Atomic Energy Act of 1954, as amended (42 U.S.C. Section 2021).

Sec. 8.07. Nothing in this compact confers any new authority on the states or commission to do any of the following:

(1) Regulate the packaging or transportation of low-level radioactive waste in a manner inconsistent with the regulations of the United States Nuclear Regulatory Commission or the United States
Department of Transportation.

(2) Regulate health, safety, or environmental hazards from source, by-product, or special nuclear material.

(3) Inspect the activities of licensees of the agreement states or of the United States Nuclear Regulatory Commission.

SUBTITLE F. LIGHT POLLUTION
CHAPTER 425. REGULATION OF CERTAIN OUTDOOR LIGHTING
Sec. 425.001. DEFINITIONS. In this chapter:

(1) "Cutoff luminaire" means a luminaire in which 2.5% or less of the lamp lumens are emitted above a horizontal plane through the luminaire's lowest part and 10% or less of the lamp lumens are emitted at a vertical angle 80 degrees above the luminaire's lowest point.

(2) "Light pollution" means the night sky glow caused by the scattering of artificial light in the atmosphere.

(3) "Outdoor lighting fixture" means any type of fixed or movable lighting equipment that is designed or used for illumination outdoors. The term includes billboard lighting, street lights, searchlights and other lighting used for advertising purposes, and area lighting. The term does not include lighting equipment that is required by law to be installed on motor vehicles or lighting required for the safe operation of aircraft.

(4) "State funds" means:

(A) money appropriated by the legislature; or

(B) bond revenues of the state.

Sec. 425.002. STANDARDS FOR STATE-FUNDED OUTDOOR LIGHTING FIXTURES. (a) An outdoor lighting fixture may be installed, replaced, maintained, or operated using state funds only if:

(1) the new or replacement outdoor lighting fixture is a
cutoff luminaire if the rated output of the outdoor lighting fixture is greater than 1,800 lumens;

(2) the minimum illuminance adequate for the intended purpose is used with consideration given to nationally recognized standards;

(3) for lighting of a designated highway of the state highway system, the Texas Department of Transportation determines that the purpose of the outdoor lighting fixture cannot be achieved by the installation of reflective road markers, lines, warning or informational signs, or other effective passive methods; and

(4) full consideration has been given to energy conservation, reducing glare, minimizing light pollution, and preserving the natural night environment.

(b) For purposes of Subsection (a)(4), "energy conservation" means reducing energy costs and resources used and includes using a light with lower wattage or a timer switch.

(c) Subsection (a) does not apply if:

(1) a federal law, rule, or regulation preempts state law;

(2) the outdoor lighting fixture is used on a temporary basis because emergency personnel require additional illumination for emergency procedures;

(3) the outdoor lighting fixture is used on a temporary basis for nighttime work;

(4) special events or situations require additional illumination;

(5) the outdoor lighting fixture is used solely to enhance the aesthetic beauty of an object; or

(6) a compelling safety interest exists that cannot be addressed by another method.

(d) Special events or situations that may require additional illumination include sporting events and illumination of monuments, historic structures, or flags. Illumination for special events or situations must be installed to shield the outdoor lighting fixtures from direct view and to minimize upward lighting and light pollution.

SUBTITLE G. ENVIRONMENTAL HEALTH

CHAPTER 427. TEXAS ENVIRONMENTAL HEALTH INSTITUTE

Sec. 427.001. DEFINITIONS. In this chapter:

(1) "Commission" means the Texas Commission on Environmental Quality.

(2) "Department" means the Department of State Health Services.

(3) "Federal superfund site" means a site defined by the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. Section 9601 et seq.), as amended.

(4) "Immediately surrounding area" means an area determined by the commission to have been significantly exposed to one or more pollutants from the identified site.

(5) "Institute" means the Texas Environmental Health Institute.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.017, eff. September 1, 2009.

Sec. 427.002. TEXAS ENVIRONMENTAL HEALTH INSTITUTE. The commission shall enter into an agreement with the department to jointly establish the Texas Environmental Health Institute in order to examine ways to identify, treat, manage, prevent, and reduce health problems associated with environmental contamination.

Sec. 427.003. PURPOSES. The purposes of the institute are to:

(1) develop a statewide plan to identify health conditions, related or potentially related to environmental contamination, of residents of this state who live or have lived within the immediately surrounding area of a federal superfund site or a state superfund site;

(2) develop a plan to promote and protect the health and safety of residents in immediately surrounding areas by preventing or
reducing their health risks from exposure to chemical and biological contaminants, radioactive materials, and other hazards in the environment and the workplace;

(3) develop a plan for informing and educating citizens in immediately surrounding areas about the identified health risks and ways to prevent or reduce exposure;

(4) identify private and federal funding opportunities for institute operations; and

(5) conduct, coordinate, or pursue funding for research concerning short-term and long-term impacts of exposure to environmental contamination.

Sec. 427.004. PROGRAMS. The commission and the department may establish at the institute any programs necessary to carry out the institute's established purposes under this chapter. The commission and the executive commissioner of the Health and Human Services Commission may contract with public or private entities to carry out the institute's purposes.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.018, eff. September 1, 2009.

Sec. 427.005. GIFTS AND GRANTS. The commission and the department may accept and administer gifts and grants to fund the institute from any individual, corporation, trust, or foundation or the United States, subject to limitations or conditions imposed by law.

TITLE 6. FOOD, DRUGS, ALCOHOL, AND HAZARDOUS SUBSTANCES
SUBTITLE A. FOOD AND DRUG HEALTH REGULATIONS

CHAPTER 431. TEXAS FOOD, DRUG, AND COSMETIC ACT

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 431.001. SHORT TITLE. This chapter may be cited as the Texas Food, Drug, and Cosmetic Act.

Sec. 431.002. DEFINITIONS. In this chapter:

(1) "Advertising" means all representations disseminated in any manner or by any means, other than by labeling, for the purpose of inducing, or that are likely to induce, directly or indirectly, the purchase of food, drugs, devices, or cosmetics.

(2) "Animal feed," as used in Subdivision (23), in Section 512 of the federal Act, and in provisions of this chapter referring to those paragraphs or sections, means an article intended for use as food for animals other than man as a substantial source of nutrients in the diet of the animals. The term is not limited to a mixture intended to be the sole ration of the animals.

(3) "Authorized agent" means an employee of the department who is designated by the commissioner to enforce the provisions of this chapter.

(4) "Board" means the Texas Board of Health.

(5) "Butter" means the food product usually known as butter that is made exclusively from milk or cream, or both, with or without common salt or additional coloring matter, and containing not less than 80 percent by weight of milk fat, after allowing for all tolerances.

(6)(A) "Color additive" means a material that:

(i) is a dye, pigment, or other substance made by a process of synthesis or similar artifice, or extracted, isolated, or otherwise derived, with or without intermediate or final change of identity from a vegetable, animal, mineral, or other source; and

(ii) when added or applied to a food, drug, or cosmetic, or to the human body or any part of the human body, is capable, alone or through reaction with other substance, of imparting color. The term does not include any material exempted under the federal Act.

(B) "Color" includes black, white, and intermediate
grays.

(C) Paragraph (A) does not apply to any pesticide chemical, soil or plant nutrient, or other agricultural chemical solely because of its effect in aiding, retarding, or otherwise affecting, directly or indirectly, the growth or other natural physiological processes of produce of the soil and thereby affecting its color, whether before or after harvest.

(7) "Commissioner" means the commissioner of health.

(8) "Consumer commodity," except as otherwise provided by this subdivision, means any food, drug, device, or cosmetic, as those terms are defined by this chapter or by the federal Act, and any other article, product, or commodity of any kind or class that is customarily produced or distributed for sale through retail sales agencies or instrumentalities for consumption by individuals, or for use by individuals for purposes of personal care or in the performance of services ordinarily rendered within the household, and that usually is consumed or expended in the course of the consumption or use. The term does not include:

(A) a meat or meat product, poultry or poultry product, or tobacco or tobacco product;

(B) a commodity subject to packaging or labeling requirements imposed under the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136), or The Virus-Serum-Toxin Act (21 U.S.C. 151 et seq.);

(C) a drug subject to the provisions of Section 431.113(c)(1) or 431.112(j), or Section 503(b)(1) of the federal Act;

(D) a beverage subject to or complying with packaging or labeling requirements imposed under the Federal Alcohol Administration Act (27 U.S.C. 205(e)); or

(E) a commodity subject to the provisions of Chapter 61, Agriculture Code, relating to the inspection, labeling, and sale of agricultural and vegetable seed.

(9) "Contaminated with filth" applies to any food, drug, device, or cosmetic not securely protected from dust, dirt, and as far as may be necessary by all reasonable means, from all foreign or injurious contaminations.

(10) "Cosmetic" means articles intended to be rubbed, poured, sprinkled, or sprayed on, introduced into, or otherwise applied to the human body or any part of the human body for cleaning, beautifying, promoting attractiveness, or altering the appearance,
and articles intended for use as a component of those articles. The term does not include soap.

(11) "Counterfeit drug" means a drug, or the container or labeling of a drug, that, without authorization, bears the trademark, trade name or other identifying mark, imprint, or device of a drug manufacturer, processor, packer, or distributor other than the person who in fact manufactured, processed, packed, or distributed the drug, and that falsely purports or is represented to be the product of, or to have been packed or distributed by, the other drug manufacturer, processor, packer, or distributor.

(12) "Department" means the Texas Department of Health.

(13) "Device," except when used in Sections 431.003, 431.021(l), 431.082(g), 431.112(c) and 431.142(c), means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, including any component, part, or accessory, that is:

(A) recognized in the official United States Pharmacopoeia National Formulary or any supplement to it;

(B) intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease in man or other animals; or

(C) intended to affect the structure or any function of the body of man or other animals and that does not achieve any of its principal intended purposes through chemical action within or on the body of man or other animals and is not dependent on metabolization for the achievement of any of its principal intended purposes.

(14) "Drug" means articles recognized in the official United States Pharmacopoeia National Formulary, or any supplement to it, articles designed or intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in man or other animals, articles, other than food, intended to affect the structure or any function of the body of man or other animals, and articles intended for use as a component of any article specified in this subdivision. The term does not include devices or their components, parts, or accessories. A food for which a claim is made in accordance with Section 403(r) of the federal Act, and for which the claim is approved by the secretary, is not a drug solely because the label or labeling contains such a claim.

(15) "Federal Act" means the Federal Food, Drug and Cosmetic Act (Title 21 U.S.C. 301 et seq.).
(16) "Food" means:
   (A) articles used for food or drink for man;
   (B) chewing gum; and
   (C) articles used for components of any such article.

(17) "Food additive" means any substance the intended use of which results or may reasonably be expected to result, directly or indirectly, in its becoming a component or otherwise affecting the characteristics of any food (including any substance intended for use in producing, manufacturing, packing, processing, preparing, treating, packaging, transporting, or holding food; and including any source of radiation intended for any use), if such substance is not generally recognized, among experts qualified by scientific training and experience to evaluate its safety, as having been adequately shown through scientific procedures (or, in the case of a substance used in food prior to January 1, 1958, through either scientific procedures or experience based on common use in food) to be safe under the conditions of its intended use; except that such term does not include:
   (A) a pesticide chemical in or on a raw agricultural commodity;
   (B) a pesticide chemical to the extent that it is intended for use or is used in the production, storage, or transportation of any raw agricultural commodity;
   (C) a color additive;
   (D) any substance used in accordance with a sanction or approval granted prior to the enactment of the Food Additives Amendment of 1958, Pub. L. No. 85-929, 52 Stat. 1041 (codified as amended in various sections of 21 U.S.C.), pursuant to the federal Act, the Poultry Products Inspection Act (21 U.S.C. 451 et seq.) or the Meat Inspection Act of 1907 (21 U.S.C. 603); or
   (E) a new animal drug.

(18) "Health authority" means a physician designated to administer state and local laws relating to public health.

(19) "Immediate container" does not include package liners.

(20) "Infant formula" means a food that is represented for special dietary use solely as a food for infants by reason of its simulation of human milk or its suitability as a complete or partial substitute for human milk.

(21) "Label" means a display of written, printed, or graphic matter upon the immediate container of any article; and a
requirement made by or under authority of this chapter that any word, statement, or other information that appears on the label shall not be considered to be complied with unless the word, statement, or other information also appears on the outside container or wrapper, if any, of the retail package of the article, or is easily legible through the outside container or wrapper.

(22) "Labeling" means all labels and other written, printed, or graphic matter (1) upon any article or any of its containers or wrappers, or (2) accompanying such article.

(23) "Manufacture" means:

(A) the process of combining or purifying food or packaging food for sale to a person at wholesale or retail, and includes repacking, labeling, or relabeling of any food;

(B) the process of preparing, propagating, compounding, processing, packaging, repackaging, labeling, testing, or quality control of a drug or drug product, but does not include compounding that is done within the practice of pharmacy and pursuant to a prescription drug order or initiative from a practitioner for a patient or prepackaging that is done in accordance with Section 562.154, Occupations Code;

(C) the process of preparing, fabricating, assembling, processing, packing, repacking, labeling, or relabeling a device; or

(D) the making of any cosmetic product by chemical, physical, biological, or other procedures, including manipulation, sampling, testing, or control procedures applied to the product.

(24) "New animal drug" means any drug intended for use for animals other than man, including any drug intended for use in animal feed:

(A) the composition of which is such that the drug is not generally recognized among experts qualified by scientific training and experience to evaluate the safety and effectiveness of animal drugs as safe and effective for use under the conditions prescribed, recommended, or suggested in the labeling of the drug (except that such an unrecognized drug is not deemed to be a "new animal drug" if at any time before June 25, 1938, it was subject to the Food and Drug Act of June 30, 1906, and if at that time its labeling contained the same representations concerning the conditions of its use);

(B) the composition of which is such that the drug, as a result of investigations to determine its safety and effectiveness
for use under those conditions, has become recognized but that has
not, otherwise than in the investigations, been used to a material
extent or for a material time under those conditions; or

(C) is composed wholly or partly of penicillin,
streptomycin, chloratetracycline, chloramphenicol, or bacitracin, or
any derivative of those substances, unless:

(i) a published order of the secretary is in effect
that declares the drug not to be a new animal drug on the grounds
that the requirement of certification of batches of the drug, as
provided by Section 512(n) of the federal Act, is not necessary to
ensure that the objectives specified in Section 512(n)(3) of that Act
are achieved; and

(ii) Paragraph (A) or (B) of this subdivision does
not apply to the drug.

(25) "New drug" means:

(A) any drug, except a new animal drug, the composition
of which is such that such drug is not generally recognized among
experts qualified by scientific training and experience to evaluate
the safety and effectiveness of drugs, as safe and effective for use
under the conditions prescribed, recommended, or suggested in the
labeling thereof (except that such an unrecognized drug is not a "new
drug" if at any time before May 26, 1985, it was subject to the Food
and Drug Act of June 30, 1906, and if at that time its labeling
contained the same representations concerning the conditions of its
use); or

(B) any drug, except a new animal drug, the composition
of which is such that such drug, as a result of investigations to
determine its safety and effectiveness for use under such conditions,
has become so recognized, but which has not, otherwise than in such
investigations, been used to a material extent or for a material time
under such conditions.

(26) "Official compendium" means the official United States
Pharmacopoeia National Formulary, or any supplement to it.

(27) "Package" means any container or wrapping in which a
consumer commodity is enclosed for use in the delivery or display of
that consumer commodity to retail purchasers. The term includes
wrapped meats enclosed in papers or other materials as prepared by
the manufacturers thereof for sale. The term does not include:

(A) shipping containers or wrappings used solely for
the transportation of a consumer commodity in bulk or in quantity to
manufacturers, packers, or processors, or to wholesale or retail distributors;

(B) shipping containers or outer wrappings used by retailers to ship or deliver a commodity to retail customers if the containers and wrappings do not bear printed matter relating to any particular commodity; or

(28) "Person" includes individual, partnership, corporation, and association.

(29) "Pesticide chemical" means any substance which, alone, in chemical combination or in formulation with one or more other substances, is a "pesticide" within the meaning of the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136(u)), as now in force or as amended, and that is used in the production, storage, or transportation of raw agricultural commodities.

(30) "Principal display panel" means that part of a label that is most likely to be displayed, presented, shown, or examined under normal and customary conditions of display for retail sale.

(31) "Raw agricultural commodity" means any food in its raw or natural state, including all fruits that are washed, colored, or otherwise treated in their unpeeled natural form prior to marketing.

(32) "Saccharin" includes calcium saccharin, sodium saccharin, and ammonium saccharin.

(33) "Safe" refers to the health of humans or animals.

(34) "Secretary" means the secretary of the United States Department of Health and Human Services.

Amended by:

Acts 2005, 79th Leg., Ch. 28 (S.B. 492), Sec. 5, eff. September
Sec. 431.003. ARTICLE MISBRANDED BECAUSE OF MISLEADING LABELING OR ADVERTISING. If an article is alleged to be misbranded because the labeling or advertising is misleading, then in determining whether the labeling or advertising is misleading, there shall be taken into account, among other things, not only representations made or suggested by statement, word, design, device, sound, or any combination of these, but also the extent to which the labeling or advertising fails to reveal facts material in the light of such representations or material with respect to consequences which may result from the use of the article to which the labeling or advertising relates under the conditions of use prescribed in the labeling or advertising thereof, or under such conditions of use as are customary or usual.

Sec. 431.004. REPRESENTATION OF DRUG AS ANTISEPTIC. The representation of a drug, in its labeling, as an antiseptic shall be considered to be a representation that the drug is a germicide, except in the case of a drug purporting to be, or represented as, an antiseptic for inhibitory use as a wet dressing, ointment, dusting powder, or such other use as involves prolonged contact with the body.

Sec. 431.005. PROVISIONS REGARDING SALE OF FOOD, DRUGS, DEVICES, OR COSMETICS. The provisions of this chapter regarding the selling of food, drugs, devices, or cosmetics, shall be considered to include the manufacture, production, processing, packaging, exposure, offer, possession, and holding of any such article for sale; and the sale, dispensing, and giving of any such article, and the supplying or applying of any such articles in the conduct of any food, drug, or cosmetic establishment.

Sec. 431.006. CERTAIN COMBINATION PRODUCTS. If the United States Food and Drug Administration determines, with respect to a product that is a combination of a drug and a device, that:

(1) the primary mode of action of the product is as a drug, a person who engages in wholesale distribution of the product is subject to licensure under Subchapter I; and

(2) the primary mode of action of the product is as a device, a distributor or manufacturer of the product is subject to licensure under Subchapter L.

Added by Acts 1999, 76th Leg., ch. 132, Sec. 1, eff. May 20, 1999.

Sec. 431.007. COMPLIANCE WITH OTHER LAW; MOLLUSCAN SHELLFISH. A person who is subject to this chapter and who handles molluscan shellfish, as that term is defined by Section 436.002, shall comply with Section 436.105.

Sec. 431.008. APPLICABILITY OF CHAPTER TO DISTRESSED OR RECONDITIONED MERCHANDISE AND CERTAIN LICENSED ENTITIES. (a) This chapter applies to a food, drug, device, or cosmetic that is distressed merchandise for purposes of Chapter 432 or that has been subject to reconditioning in accordance with Chapter 432.

(b) Except as provided by Subsection (c), this chapter applies to the conduct of a person licensed under Chapter 432.

(c) A person who holds a license under Chapter 432 and is engaging in conduct within the scope of that license is not required to hold a license as a wholesale drug distributor under Subchapter I, a food wholesaler under Subchapter J, or a device distributor under Subchapter L.

Sec. 431.009. APPLICABILITY OF CHAPTER TO FROZEN DESSERTS. (a) This chapter applies to a frozen dessert, an imitation frozen dessert, a product sold in semblance of a frozen dessert, or a mix for one of those products subject to Chapter 440. A frozen dessert, an imitation frozen dessert, a product sold in semblance of a frozen dessert, or a mix for one of those products is food for purposes of this chapter.

(b) Except as provided by Subsection (c), this chapter applies to the conduct of a person licensed under Chapter 440.

(c) A person who holds a license under Chapter 440 related to the manufacturing of a product regulated under that chapter and is engaging in conduct within the scope of that license is not required to hold a license as a food manufacturer or food wholesaler under Subchapter J.

Sec. 431.010. APPLICABILITY OF CHAPTER TO MILK AND MILK PRODUCTS. (a) This chapter applies to milk or a milk product subject to Chapter 435. Milk or a milk product is a food for purposes of this chapter.

(b) Except as provided by Subsection (c), this chapter applies to the conduct of a person who holds a permit under Chapter 435.

(c) A person who holds a permit under Chapter 435 related to the processing, producing, bottling, receiving, transferring, or transporting of Grade A milk or milk products and who is engaging in conduct within the scope of that permit is not required to hold a license as a food manufacturer or food wholesaler under Subchapter J.

Added by Acts 2003, 78th Leg., ch. 757, Sec. 1, eff. Sept. 1, 2003.

SUBCHAPTER B. PROHIBITED ACTS

Sec. 431.021. PROHIBITED ACTS. The following acts and the causing of the following acts within this state are unlawful and prohibited:

(a) the introduction or delivery for introduction into commerce of any food, drug, device, or cosmetic that is adulterated or misbranded;

(b) the adulteration or misbranding of any food, drug, device,
or cosmetic in commerce;

(c) the receipt in commerce of any food, drug, device, or cosmetic that is adulterated or misbranded, and the delivery or proffered delivery thereof for pay or otherwise;

(d) the distribution in commerce of a consumer commodity, if such commodity is contained in a package, or if there is affixed to that commodity a label that does not conform to the provisions of this chapter and of rules adopted under the authority of this chapter; provided, however, that this prohibition shall not apply to persons engaged in business as wholesale or retail distributors of consumer commodities except to the extent that such persons:

(1) are engaged in the packaging or labeling of such commodities; or

(2) prescribe or specify by any means the manner in which such commodities are packaged or labeled;

(e) the introduction or delivery for introduction into commerce of any article in violation of Section 431.084, 431.114, or 431.115;

(f) the dissemination of any false advertisement;

(g) the refusal to permit entry or inspection, or to permit the taking of a sample or to permit access to or copying of any record as authorized by Sections 431.042-431.044; or the failure to establish or maintain any record or make any report required under Section 512(j), (l), or (m) of the federal Act, or the refusal to permit access to or verification or copying of any such required record;

(h) the manufacture within this state of any food, drug, device, or cosmetic that is adulterated or misbranded;

(i) the giving of a guaranty or undertaking referred to in Section 431.059, which guaranty or undertaking is false, except by a person who relied on a guaranty or undertaking to the same effect signed by, and containing the name and address of the person residing in this state from whom the person received in good faith the food, drug, device, or cosmetic; or the giving of a guaranty or undertaking referred to in Section 431.059, which guaranty or undertaking is false;

(j) the use, removal, or disposal of a detained or embargoed article in violation of Section 431.048;

(k) the alteration, mutilation, destruction, obliteration, or removal of the whole or any part of the labeling of, or the doing of any other act with respect to a food, drug, device, or cosmetic, if such act is done while such article is held for sale after shipment.
in commerce and results in such article being adulterated or misbranded;

(1) forging, counterfeiting, simulating, or falsely representing, or without proper authority using any mark, stamp, tag, label, or other identification device authorized or required by rules adopted under this chapter or the regulations promulgated under the provisions of the federal Act;

(2) making, selling, disposing of, or keeping in possession, control, or custody, or concealing any punch, die, plate, stone, or other thing designed to print, imprint, or reproduce the trademark, trade name, or other identifying mark, imprint, or device of another or any likeness of any of the foregoing on any drug or container or labeling thereof so as to render such drug a counterfeit drug;

(3) the doing of any act that causes a drug to be a counterfeit drug, or the sale or dispensing, or the holding for sale or dispensing, of a counterfeit drug;

(m) the using by any person to the person's own advantage, or revealing, other than to the commissioner, an authorized agent, a health authority or to the courts when relevant in any judicial proceeding under this chapter, of any information acquired under the authority of this chapter concerning any method or process that as a trade secret is entitled to protection;

(n) the using, on the labeling of any drug or device or in any advertising relating to such drug or device, of any representation or suggestion that approval of an application with respect to such drug or device is in effect under Section 431.114 or Section 505, 515, or 520(g) of the federal Act, as the case may be, or that such drug or device complies with the provisions of such sections;

(o) the using, in labeling, advertising or other sales promotion of any reference to any report or analysis furnished in compliance with Sections 431.042-431.044 or Section 704 of the federal Act;

(p) in the case of a prescription drug distributed or offered for sale in this state, the failure of the manufacturer, packer, or distributor of the drug to maintain for transmittal, or to transmit, to any practitioner licensed by applicable law to administer such drug who makes written request for information as to such drug, true and correct copies of all printed matter that is required to be included in any package in which that drug is distributed or sold, or
such other printed matter as is approved under the federal Act.
Nothing in this subsection shall be construed to exempt any person
from any labeling requirement imposed by or under other provisions of
this chapter;

(q)(1) placing or causing to be placed on any drug or device or
container of any drug or device, with intent to defraud, the trade
name or other identifying mark, or imprint of another or any likeness
of any of the foregoing;

(2) selling, dispensing, disposing of or causing to be
sold, dispensed, or disposed of, or concealing or keeping in
possession, control, or custody, with intent to sell, dispense, or
dispose of, any drug, device, or any container of any drug or device,
with knowledge that the trade name or other identifying mark or
imprint of another or any likeness of any of the foregoing has been
placed thereon in a manner prohibited by Subdivision (1) of this
subsection; or

(3) making, selling, disposing of, causing to be made,
sold, or disposed of, keeping in possession, control, or custody, or
concealing with intent to defraud any punch, die, plate, stone, or
other thing designed to print, imprint, or reproduce the trademark,
trade name, or other identifying mark, imprint, or device of another
or any likeness of any of the foregoing on any drug or container or
labeling of any drug or container so as to render such drug a
counterfeit drug;

(r) dispensing or causing to be dispensed a different drug in
place of the drug ordered or prescribed without the express
permission in each case of the person ordering or prescribing;

(s) the failure to register in accordance with Section 510 of
the federal Act, the failure to provide any information required by
Section 510(j) or (k) of the federal Act, or the failure to provide a
notice required by Section 510(j)(2) of the federal Act;

(t)(1) the failure or refusal to:

(A) comply with any requirement prescribed under
Section 518 or 520(g) of the federal Act; or

(B) furnish any notification or other material or
information required by or under Section 519 or 520(g) of the federal
Act;

(2) with respect to any device, the submission of any
report that is required by or under this chapter that is false or
misleading in any material respect;
(u) the movement of a device in violation of an order under Section 304(g) of the federal Act or the removal or alteration of any mark or label required by the order to identify the device as detained;

(v) the failure to provide the notice required by Section 412(b) or 412(c), the failure to make the reports required by Section 412(d)(1)(B), or the failure to meet the requirements prescribed under Section 412(d)(2) of the federal Act;

(w) except as provided under Subchapter M of this chapter and Section 562.1085, Occupations Code, the acceptance by a person of an unused prescription or drug, in whole or in part, for the purpose of resale, after the prescription or drug has been originally dispensed, or sold;

(x) engaging in the wholesale distribution of drugs or operating as a distributor or manufacturer of devices in this state without obtaining a license issued by the department under Subchapter I, L, or N, as applicable;

(y) engaging in the manufacture of food in this state or operating as a warehouse operator in this state without having a license as required by Section 431.222 or operating as a food wholesaler in this state without having a license under Section 431.222 or being registered under Section 431.2211, as appropriate;

(z) unless approved by the United States Food and Drug Administration pursuant to the federal Act, the sale, delivery, holding, or offering for sale of a self-testing kit designed to indicate whether a person has a human immunodeficiency virus infection, acquired immune deficiency syndrome, or a related disorder or condition;

(aa) making a false statement or false representation in an application for a license or in a statement, report, or other instrument to be filed with or requested by the department under this chapter;

(bb) failing to comply with a requirement or request to provide information or failing to submit an application, statement, report, or other instrument required by the department;

(cc) performing, causing the performance of, or aiding and abetting the performance of an act described by Subdivision (x);

(dd) purchasing or otherwise receiving a prescription drug from a pharmacy in violation of Section 431.411(a);

(ee) selling, distributing, or transferring a prescription drug
to a person who is not authorized under state or federal law to receive the prescription drug in violation of Section 431.411(b);

(ff) failing to deliver prescription drugs to specified premises as required by Section 431.411(c);

(gg) failing to maintain or provide pedigrees as required by Section 431.412 or 431.413;

(hh) failing to obtain, pass, or authenticate a pedigree as required by Section 431.412 or 431.413;

(ii) the introduction or delivery for introduction into commerce of a drug or prescription device at a flea market;

(jj) the receipt of a prescription drug that is adulterated, misbranded, stolen, obtained by fraud or deceit, counterfeit, or suspected of being counterfeit, and the delivery or proffered delivery of such a drug for payment or otherwise; or

(kk) the alteration, mutilation, destruction, obliteration, or removal of all or any part of the labeling of a prescription drug or the commission of any other act with respect to a prescription drug that results in the prescription drug being misbranded.

Amended by:

Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(i), eff. March 1, 2006.

Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 1, eff. September 1, 2007.

Sec. 431.0211. EXCEPTION. Any provision of Section 431.021 that relates to a prescription drug does not apply to a prescription drug manufacturer, or an agent of a prescription drug manufacturer,
who is obtaining or attempting to obtain a prescription drug for the sole purpose of testing the prescription drug for authenticity.

Added by Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 2, eff. September 1, 2007.

Sec. 431.022. OFFENSE: TRANSFER OF PRODUCT CONTAINING EPHEDRINE. (a) A person commits an offense if the person knowingly sells, transfers, or otherwise furnishes a product containing ephedrine to a person 17 years of age or younger, unless:

(1) the actor is:
   (A) a practitioner or other health care provider licensed by this state who has obtained, as required by law, consent to the treatment of the person to whom the product is furnished; or
   (B) the parent, guardian, or managing conservator of the person to whom the product is furnished;

(2) the person to whom the product is furnished has had the disabilities of minority removed for general purposes under Chapter 31, Family Code; or

(3) the product is a drug.

(b) An offense under this section is a Class C misdemeanor unless it is shown on the trial of the offense that the defendant has been previously convicted of an offense under this section, in which event the offense is a Class B misdemeanor.

(c) A product containing ephedrine that is not described in Subsection (a)(3) must be labeled in accordance with rules adopted by the Texas Department of Health to indicate that sale to persons 17 years of age or younger is prohibited.

Added by Acts 1999, 76th Leg., ch. 151, Sec. 1, eff. Sept. 1, 1999.

Sec. 431.023. LIMITED EXEMPTION FOR DISTRESSED FOOD, DRUGS, DEVICES, OR COSMETICS. In relation to a food, drug, device, or cosmetic that is distressed merchandise for purposes of Chapter 432, Sections 431.021(a), (c), and (d) do not prohibit:

(1) the introduction or delivery for introduction into commerce of the merchandise for the purpose of reconditioning in accordance with Chapter 432 and not for sale to the ultimate consumer;
(2) the receipt in commerce of the merchandise for the purpose of reconditioning in accordance with Chapter 432 and not for sale to the ultimate consumer;

(3) the holding of merchandise for the purpose of reconditioning in accordance with Chapter 432 and not for resale to the ultimate consumer; or

(4) the reconditioning of the merchandise in accordance with Chapter 432.

SUBCHAPTER C. ENFORCEMENT

Sec. 431.041. DEFINITION. In this subchapter, "detained or embargoed article" means a food, drug, device, cosmetic, or consumer commodity that has been detained or embargoed under Section 431.048.

Sec. 431.042. INSPECTION. (a) To enforce this chapter, the commissioner, an authorized agent, or a health authority may, on presenting appropriate credentials to the owner, operator, or agent in charge:

(1) enter at reasonable times an establishment, including a factory or warehouse, in which a food, drug, device, or cosmetic is manufactured, processed, packed, or held for introduction into commerce or held after the introduction;

(2) enter a vehicle being used to transport or hold the food, drug, device, or cosmetic in commerce; or

(3) inspect at reasonable times, within reasonable limits, and in a reasonable manner, the establishment or vehicle and all equipment, finished and unfinished materials, containers, and labeling of any item and obtain samples necessary for the enforcement of this chapter.

(b) The inspection of an establishment, including a factory, warehouse, or consulting laboratory, in which a prescription drug or restricted device is manufactured, processed, packed, or held for introduction into commerce extends to any place or thing, including a record, file, paper, process, control, or facility, in order to determine whether the drug or device:
(1) is adulterated or misbranded;
(2) may not be manufactured, introduced into commerce, sold, or offered for sale under this chapter; or
(3) is otherwise in violation of this chapter.

(c) An inspection under Subsection (b) may not extend to:
(1) financial data;
(2) sales data other than shipment data;
(3) pricing data;
(4) personnel data other than data relating to the qualifications of technical and professional personnel performing functions under this chapter;
(5) research data other than data:
   (A) relating to new drugs, antibiotic drugs, and devices; and
   (B) subject to reporting and inspection under regulations issued under Section 505(i) or (j), 519, or 520(g) of the federal Act; or
(6) data relating to other drugs or devices that, in the case of a new drug, would be subject to reporting or inspection under regulations issued under Section 505(j) of the federal Act.

(d) An inspection under Subsection (b) shall be started and completed with reasonable promptness.

(e) This section does not apply to:
(1) a pharmacy that:
   (A) complies with Subtitle J, Title 3, Occupations Code;
   (B) regularly engages in dispensing prescription drugs or devices on prescriptions of practitioners licensed to administer the drugs or devices to their patients in the course of their professional practice; and
   (C) does not, through a subsidiary or otherwise, manufacture, prepare, propagate, compound, or process a drug or device for sale other than in the regular course of its business of dispensing or selling drugs or devices at retail;
(2) a practitioner licensed to prescribe or administer a drug who manufactures, prepares, propagates, compounds, or processes the drug solely for use in the course of the practitioner's professional practice;
(3) a practitioner licensed to prescribe or use a device who manufactures or processes the device solely for use in the course
of the practitioner's professional practice; or

(4) a person who manufactures, prepares, propagates, compounds, or processes a drug or manufactures or processes a device solely for use in research, teaching, or chemical analysis and not for sale.

(f) The board may exempt a class of persons from inspection under this section if the board finds that inspection as applied to the class is not necessary for the protection of the public health.

(g) An authorized agent or health authority who makes an inspection under this section to enforce the provisions of this chapter applicable to infant formula shall be permitted, at all reasonable times, to have access to and to copy and verify records:

(1) in order to determine whether the infant formula manufactured or held in the inspected facility meets the requirements of this chapter; or

(2) that are required by this chapter.

(h) An authorized agent or health authority who makes an inspection of an establishment, including a factory or warehouse, and obtains a sample during or on completion of the inspection and before leaving the establishment, shall give to the owner, operator, or the owner's or operator's agent a receipt describing the sample.

Sec. 431.043. ACCESS TO RECORDS. A person who is required to maintain records under this chapter or Section 519 or 520(g) of the federal Act or a person who is in charge or custody of those records shall, at the request of an authorized agent or health authority, permit the authorized agent or health authority at all reasonable times access to and to copy and verify the records.

Sec. 431.044. ACCESS TO RECORDS SHOWING MOVEMENT IN COMMERCE. (a) To enforce this chapter, a carrier engaged in commerce or other person receiving a food, drug, device, or cosmetic in commerce or holding a food, drug, device, or cosmetic received in commerce shall,
at the request of an authorized agent or health authority, permit the authorized agent or health authority at all reasonable times to have access to and to copy all records showing:

(1) the movement in commerce of the food, drug, device, or cosmetic;
(2) the holding of the food, drug, device, or cosmetic after movement in commerce; and
(3) the quantity, shipper, and consignee of the food, drug, device, or cosmetic.

(b) The carrier or other person may not refuse access to and copying of the requested record if the request is accompanied by a written statement that specifies the nature or kind of food, drug, device, or cosmetic to which the request relates.

(c) Evidence obtained under this section or evidence that is directly or indirectly derived from the evidence obtained under this section may not be used in a criminal prosecution of the person from whom the evidence is obtained.

(d) A carrier is not subject to other provisions of this chapter because of the carrier's receipt, carriage, holding, or delivery of a food, drug, device, or cosmetic in the usual course of business as a carrier.

Sec. 431.045. EMERGENCY ORDER. (a) The commissioner or a person designated by the commissioner may issue an emergency order, either mandatory or prohibitory in nature, in relation to the manufacture or distribution of a food, drug, device, or cosmetic in the department's jurisdiction if the commissioner or the person designated by the commissioner determines that:

(1) the manufacture or distribution of the food, drug, device, or cosmetic creates or poses an immediate and serious threat to human life or health; and
(2) other procedures available to the department to remedy or prevent the occurrence of the situation will result in unreasonable delay.

(b) The commissioner or a person designated by the commissioner may issue the emergency order without notice and hearing if the commissioner or a person designated by the commissioner determines
this is practicable under the circumstances.

(c) If an emergency order is issued without a hearing, the department shall determine a time and place for a hearing at which the emergency order is affirmed, modified, or set aside. The hearing shall be held under the contested case provisions of Chapter 2001, Government Code, and the board's formal hearing rules.

(d) This section prevails over Sections 11.013 and 12.001.

Sec. 431.046. VIOLATION OF RULES. A violation of a rule adopted under this chapter is a violation of this chapter.

Sec. 431.047. VIOLATION; INJUNCTION. (a) The commissioner, an authorized agent, or a health authority may petition the district court for a temporary restraining order to restrain a continuing violation of Subchapter B or a threat of a continuing violation of Subchapter B if the commissioner, authorized agent, or health authority finds that:

(1) a person has violated, is violating, or is threatening to violate Subchapter B; and

(2) the violation or threatened violation creates an immediate threat to the health and safety of the public.

(b) A district court, on petition of the commissioner, an authorized agent, or a health authority, and on a finding by the court that a person is violating or threatening to violate Subchapter B shall grant any injunctive relief warranted by the facts.

(c) Venue for a suit brought under this section is in the county in which the violation or threat of violation is alleged to have occurred or in Travis County.

(d) The commissioner and the attorney general may each recover reasonable expenses incurred in obtaining injunctive relief under this section, including investigative costs, court costs, reasonable attorney fees, witness fees, and deposition expenses. The expenses recovered by the commissioner are hereby appropriated to the
department for the administration and enforcement of this chapter. The expenses recovered by the attorney general are hereby appropriated to the attorney general.

Sec. 431.048. DETAINED OR EMBARGOED ARTICLE. (a) The commissioner or an authorized agent shall affix to an article that is a food, drug, device, cosmetic, or consumer commodity a tag or other appropriate marking that gives notice that the article is, or is suspected of being, adulterated or misbranded and that the article has been detained or embargoed if the commissioner or the authorized agent finds or has probable cause to believe that the article:

(1) is adulterated;

(2) is misbranded so that the article is dangerous or fraudulent under this chapter; or

(3) violates Section 431.084, 431.114, or 431.115.

(b) The tag or marking on a detained or embargoed article must warn all persons not to use the article, remove the article from the premises, or dispose of the article by sale or otherwise until permission for use, removal, or disposal is given by the commissioner, the authorized agent, or a court.

(c) A person may not use a detained or embargoed article, remove a detained or embargoed article from the premises, or dispose of a detained or embargoed article by sale or otherwise without permission of the commissioner, the authorized agent, or a court. The commissioner or the authorized agent may permit perishable goods to be moved to a place suitable for proper storage.

(d) The commissioner or an authorized agent shall remove the tag or other marking from an embargoed or detained article if the commissioner or an authorized agent finds that the article is not adulterated or misbranded.

(e) The commissioner or an authorized agent may not detain or embargo an article, including an article that is distressed merchandise, that is in the possession of a person licensed under Chapter 432 and that is being held for the purpose of reconditioning in accordance with Chapter 432, unless the commissioner or an authorized agent finds or has probable cause to believe that the
article cannot be adequately reconditioned in accordance with that chapter and applicable rules.

Sec. 431.049. REMOVAL ORDER FOR DETAINED OR EMBARGOED ARTICLE.
(a) If the claimant of the detained or embargoed articles or the claimant's agent fails or refuses to transfer the articles to a secure place after the tag or other appropriate marking has been affixed as provided by Section 431.048, the commissioner or an authorized agent may order the transfer of the articles to one or more secure storage areas to prevent their unauthorized use, removal, or disposal.

(b) The commissioner or an authorized agent may provide for the transfer of the article if the claimant of the article or the claimant's agent does not carry out the transfer order in a timely manner. The costs of the transfer shall be assessed against the claimant of the article or the claimant's agent.

(c) The claimant of the article or the claimant's agent shall pay the costs of the transfer.

(d) The commissioner may request the attorney general to bring an action in the district court in Travis County to recover the costs of the transfer. In a judgment in favor of the state, the court may award costs, attorney fees, court costs, and interest from the time the expense was incurred through the date the department is reimbursed.

Sec. 431.0495. RECALL ORDERS. (a) In conjunction with the issuance of an emergency order under Section 431.045 or the detention or embargo of an article under Section 431.048, the commissioner may order a food, drug, device, cosmetic, or consumer commodity to be recalled from commerce.

(b) The commissioner's recall order may require the articles to
be removed to one or more secure areas approved by the commissioner or an authorized agent.

(c) The recall order must be in writing and signed by the commissioner.

(d) The recall order may be issued before or in conjunction with the affixing of the tag or other appropriate marking as provided by Section 431.048(a) or in conjunction with the commissioner's issuance of an emergency order under Section 431.045.

(e) The recall order is effective until the order:
   (1) expires on its own terms;
   (2) is withdrawn by the commissioner;
   (3) is reversed by a court in an order denying condemnation under Section 431.050; or
   (4) is set aside at the hearing provided to affirm, modify, or set aside an emergency order under Section 431.045.

(f) The claimant of the articles or the claimant's agent shall pay the costs of the removal and storage of the articles removed.

(g) If the claimant or the claimant's agent fails or refuses to carry out the recall order in a timely manner, the commissioner may provide for the recall of the articles. The costs of the recall shall be assessed against the claimant of the articles or the claimant's agent.

(h) The commissioner may request the attorney general to bring an action in the district court of Travis County to recover the costs of the recall. In a judgment in favor of the state, the court may award costs, attorney fees, court costs, and interest from the time the expense was incurred through the date the department is reimbursed.

Sec. 431.050. CONDEMNATION. An action for the condemnation of an article may be brought before a court in whose jurisdiction the article is located, detained, or embargoed if the article is adulterated, misbranded, or in violation of Section 431.084, 431.114, or 431.115.

Sec. 431.051. DESTRUCTION OF ARTICLE.  (a) A court shall order the destruction of a sampled article or a detained or embargoed article if the court finds that the article is adulterated or misbranded.

(b) After entry of the court's order, an authorized agent shall supervise the destruction of the article.

(c) The claimant of the article shall pay the cost of the destruction of the article.

(d) The court shall tax against the claimant of the article or the claimant's agent all court costs and fees, and storage and other proper expenses.

Sec. 431.052. CORRECTION BY PROPER LABELING OR PROCESSING.  (a) A court may order the delivery of a sampled article or a detained or embargoed article that is adulterated or misbranded to the claimant of the article for labeling or processing under the supervision of an agent of the commissioner or an authorized agent if:

(1) the decree has been entered in the suit;

(2) the costs, fees, and expenses of the suit have been paid;

(3) the adulteration or misbranding can be corrected by proper labeling or processing; and

(4) a good and sufficient bond, conditioned on the correction of the adulteration or misbranding by proper labeling or processing, has been executed.

(b) The claimant shall pay the costs of the supervision.

(c) The court shall order that the article be returned to the claimant and the bond discharged on the representation to the court by the commissioner or an authorized agent that the article no longer violates this chapter and that the expenses of the supervision are paid.

Sec. 431.053. CONDEMNATION OF PERISHABLE ARTICLES.  (a) The commissioner or an authorized agent shall immediately condemn or render by any means unsalable as human food an article that is a
nuisance under Subsection (b) and that the commissioner or authorized agent finds in any room, building, or other structure or in a vehicle.

(b) Any meat, seafood, poultry, vegetable, fruit, or other perishable article is a nuisance if it:

(1) is unsound;
(2) contains a filthy, decomposed, or putrid substance; or
(3) may be poisonous or deleterious to health or otherwise unsafe.

Sec. 431.054. ADMINISTRATIVE PENALTY. (a) The commissioner may assess an administrative penalty against a person who violates Subchapter B or an order adopted or registration issued under this chapter.

(b) In determining the amount of the penalty, the commissioner shall consider:

(1) the person's previous violations;
(2) the seriousness of the violation;
(3) any hazard to the health and safety of the public;
(4) the person's demonstrated good faith; and
(5) such other matters as justice may require.

(c) The penalty may not exceed $25,000 a day for each violation.

(d) Each day a violation continues may be considered a separate violation.

Sec. 431.055. ADMINISTRATIVE PENALTY ASSESSMENT PROCEDURE. (a) An administrative penalty may be assessed only after a person charged with a violation is given an opportunity for a hearing.

(b) If a hearing is held, the commissioner shall make findings of fact and shall issue a written decision regarding the occurrence of the violation and the amount of the penalty that may be warranted.

(c) If the person charged with the violation does not request a hearing, the commissioner may assess a penalty after determining that
a violation has occurred and the amount of the penalty that may be warranted.

(d) After making a determination under this section that a penalty is to be assessed against a person, the commissioner shall issue an order requiring that the person pay the penalty.

(e) The commissioner may consolidate a hearing held under this section with another proceeding.

Sec. 431.056. PAYMENT OF ADMINISTRATIVE PENALTY. (a) Not later than the 30th day after the date an order finding that a violation has occurred is issued, the commissioner shall inform the person against whom the order is issued of the amount of the penalty for the violation.

(b) Not later than the 30th day after the date on which a decision or order charging a person with a penalty is final, the person shall:

(1) pay the penalty in full; or
(2) if the person seeks judicial review of the amount of the penalty, the fact of the violation, or both:
   (A) send the amount of the penalty to the commissioner for placement in an escrow account; or
   (B) post with the commissioner a bond for the amount of the penalty.

(c) A bond posted under this section must be in a form approved by the commissioner and be effective until all judicial review of the order or decision is final.

(d) A person who does not send money to the commissioner or post the bond within the period prescribed by Subsection (b) waives all rights to contest the violation or the amount of the penalty.

Sec. 431.057. REFUND OF ADMINISTRATIVE PENALTY. Not later than the 30th day after the date of a judicial determination that an administrative penalty against a person should be reduced or not assessed, the commissioner shall:

(1) remit to the person the appropriate amount of any

Statute text rendered on: 3/14/2015
penalty payment plus accrued interest; or

(2) execute a release of the bond if the person has posted a bond.

Sec. 431.058. RECOVERY OF ADMINISTRATIVE PENALTY BY ATTORNEY GENERAL. The attorney general at the request of the commissioner may bring a civil action to recover an administrative penalty under this subchapter.

Sec. 431.0585. CIVIL PENALTY. (a) At the request of the commissioner, the attorney general or a district, county, or city attorney shall institute an action in district court to collect a civil penalty from a person who has violated Section 431.021.

(b) The civil penalty may not exceed $25,000 a day for each violation. Each day of violation constitutes a separate violation for purposes of the penalty assessment.

(c) The court shall consider the following in determining the amount of the penalty:

(1) the person's history of any previous violations of Section 431.021;
(2) the seriousness of the violation;
(3) any hazard posed to the public health and safety by the violation; and
(4) demonstrations of good faith by the person charged.

(d) Venue for a suit brought under this section is in the city or county in which the violation occurred or in Travis County.

(e) A civil penalty recovered in a suit instituted by a local government under this section shall be paid to that local government.

Sec. 431.059. CRIMINAL PENALTY; DEFENSES. (a) A person commits an offense if the person violates any of the provisions of Section 431.021 relating to unlawful or prohibited acts. A first
offense under this subsection is a Class A misdemeanor unless it is shown on the trial of an offense under this subsection that the defendant was previously convicted of an offense under this subsection, in which event the offense is a state jail felony. In a criminal proceeding under this section, it is not necessary to prove intent, knowledge, recklessness, or criminal negligence of the defendant beyond the degree of culpability, if any, stated in Subsection (a-2) or Section 431.021, as applicable, to establish criminal responsibility for the violation.

(a-1) Repealed by Acts 2007, 80th Leg., R.S., Ch. 980, Sec. 14.
(a-2) Repealed by Acts 2007, 80th Leg., R.S., Ch. 980, Sec. 14.

(b) A person is not subject to the penalties of Subsection (a):
(1) for having received an article in commerce and having delivered or offered delivery of the article, if the delivery or offer was made in good faith, unless the person refuses to furnish on request of the commissioner, an authorized agent, or a health authority, the name and address of the person from whom the article was received and copies of any documents relating to the receipt of the article;

(2) for having violated Section 431.021(a) or (e) if the person establishes a guaranty or undertaking signed by, and containing the name and address of, the person residing in this state from whom the person received in good faith the article, to the effect that:

(A) in the case of an alleged violation of Section 431.021(a), the article is not adulterated or misbranded within the meaning of this chapter; and

(B) in the case of an alleged violation of Section 431.021(e), the article is not an article that may not, under the provisions of Section 404 or 405 of the federal Act or Section 431.084 or 431.114, be introduced into commerce;

(3) for having violated Section 431.021, if the violation exists because the article is adulterated by reason of containing a color additive not from a batch certified in accordance with regulations promulgated under the federal Act, if the person establishes a guaranty or undertaking signed by, and containing the name and address of, the manufacturer of the color additive, to the effect that the color additive was from a batch certified in accordance with the applicable regulations promulgated under the federal Act;
(4) for having violated Section 431.021(b), (c), or (k) by failure to comply with Section 431.112(i) with respect to an article received in commerce to which neither Section 503(a) nor Section 503(b)(1) of the federal Act applies if the delivery or offered delivery was made in good faith and the labeling at the time of the delivery or offer contained the same directions for use and warning statements as were contained in the labeling at the same time of the receipt of the article; or

(5) for having violated Section 431.021(1)(2) if the person acted in good faith and had no reason to believe that use of the punch, die, plate, stone, or other thing would result in a drug being a counterfeit drug, or for having violated Section 431.021(1)(3) if the person doing the act or causing it to be done acted in good faith and had no reason to believe that the drug was a counterfeit drug.

(c) A publisher, radio-broadcast licensee, or agency or medium for the dissemination of an advertisement, except the manufacturer, packer, distributor, or seller of the article to which a false advertisement relates, is not liable under this section for the dissemination of the false advertisement, unless the person has refused, on the request of the commissioner to furnish the commissioner the name and post-office address of the manufacturer, packer, distributor, seller, or advertising agency, residing in this state who caused the person to disseminate the advertisement.

(d) A person is not subject to the penalties of Subsection (a) for a violation of Section 431.021 involving misbranded food if the violation exists solely because the food is misbranded under Section 431.082 because of its advertising, and a person is not subject to the penalties of Subsection (a) for such a violation unless the violation is committed with the intent to defraud or mislead.

(e) It is an affirmative defense to prosecution under Subsection (a) that the conduct charged is exempt, in accordance with Section 431.023, from the application of Section 431.021.

Amended by:
Sec. 431.060. INITIATION OF PROCEEDINGS. (a) The attorney general, or a district, county, or municipal attorney to whom the commissioner, an authorized agent, or a health authority reports a violation of this chapter, shall initiate and prosecute appropriate proceedings without delay.

(b) The commissioner, the commissioner's authorized agent, or the attorney general may, as authorized by Section 307 of the federal Act, bring in the name of this state a suit for civil penalties or to restrain a violation of Section 401 or Section 403(b) through (i), (k), (q), or (r) of the federal Act if the food that is the subject of the proceedings is located in this state.

(c) The commissioner, the commissioner's authorized agent, or the attorney general may not bring a proceeding under Subsection (b):

(1) before the 31st day after the date on which the state has given notice to the secretary of its intent to bring a suit;

(2) before the 91st day after the date on which the state has given notice to the secretary of its intent to bring a suit if the secretary has, not later than the 30th day after receiving notice from the state, commenced an informal or formal enforcement action pertaining to the food that would be the subject of the suit brought by the state; or

(3) if the secretary is diligently prosecuting a suit in court pertaining to that food, has settled a suit pertaining to that food, or has settled the informal or formal enforcement action pertaining to that food.

Sec. 431.061. MINOR VIOLATION. This chapter does not require the commissioner, an authorized agent, or a health authority to
report for prosecution or the institution of proceedings under this chapter a minor violation of this chapter if the commissioner, authorized agent, or health authority believes that the public interest is adequately served by a suitable written notice or warning.

**SUBCHAPTER D. FOOD**

Sec. 431.081. ADULTERATED FOOD. A food shall be deemed to be adulterated:

(a) if:

(1) it bears or contains any poisonous or deleterious substance which may render it injurious to health; but in case the substance is not an added substance the food shall not be considered adulterated under this subdivision if the quantity of the substance in the food does not ordinarily render it injurious to health; or

(2) it:

(A) bears or contains any added poisonous or added deleterious substance, other than one that is a pesticide chemical in or on a raw agricultural commodity, a food additive, a color additive, or a new animal drug which is unsafe within the meaning of Section 431.161; or

(B) is a raw agricultural commodity and it bears or contains a pesticide chemical which is unsafe within the meaning of Section 431.161(a); or

(C) is, or it bears or contains, any food additive which is unsafe within the meaning of Section 431.161(a); provided, that where a pesticide chemical has been used in or on a raw agricultural commodity in conformity with an exemption granted or a tolerance prescribed under Section 431.161(a), and such raw agricultural commodity has been subjected to processing such as canning, cooking, freezing, dehydrating, or milling, the residue of such pesticide chemical remaining in or on such processed food shall, notwithstanding the provisions of Section 431.161 and Section 409 of the federal Act, not be deemed unsafe if such residue in or on the raw agricultural commodity has been removed to the extent possible in good manufacturing practice, and the concentration of such residue in the processed food, when ready to eat, is not greater than the
tolerance prescribed for the raw agricultural commodity; or

(D) is, or it bears or contains, a new animal drug, or a conversion product of a new animal drug, that is unsafe under Section 512 of the federal Act; or

(3) it consists in whole or in part of a diseased, contaminated, filthy, putrid, or decomposed substance, or if it is otherwise unfit for foods; or

(4) it has been produced, prepared, packed or held under unsanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered diseased, unwholesome, or injurious to health; or

(5) it is, in whole or in part, the product of a diseased animal, an animal which has died otherwise than by slaughter, or an animal that has been fed upon the uncooked offal from a slaughterhouse; or

(6) its container is composed, in whole or in part, of any poisonous or deleterious substance which may render the contents injurious to health; or

(7) it has been intentionally subjected to radiation, unless the use of the radiation was in conformity with a regulation or exemption in effect in accordance with Section 409 of the federal Act;

(b) if:

(1) any valuable constituent has been in whole or in part omitted or abstracted therefrom; or

(2) any substance has been substituted wholly or in part therefor; or

(3) damage or inferiority has been concealed in any manner; or

(4) any substance has been added thereto or mixed or packed therewith so as to increase its bulk or weight, or reduce its quality or strength or make it appear better or of greater value than it is; or

(5) it contains saccharin, dulcin, glucin, or other sugar substitutes except in dietary foods, and when so used shall be declared; or

(6) it be fresh meat and it contains any chemical substance containing sulphites, sulphur dioxide, or any other chemical preservative which is not approved by the United States Department of Agriculture, the Animal Plant Health Inspection Service (A.P.H.I.S.)
or by rules of the board;

(c) if it is, or it bears or contains, a color additive that is unsafe under Section 431.161(a); or

(d) if it is confectionery and:

(1) has any nonnutritive object partially or completely imbedded in it; provided, that this subdivision does not apply if, in accordance with rules of the board, the object is of practical, functional value to the confectionery product and would not render the product injurious or hazardous to health;

(2) bears or contains any alcohol, other than alcohol not in excess of five percent by volume. Any confectionery that bears or contains any alcohol in excess of one-half of one percent by volume derived solely from the use of flavoring extracts and less than five percent by volume:

(A) may not be sold to persons under the legal age necessary to consume an alcoholic beverage in this state;

(B) must be labeled with a conspicuous, readily legible statement that reads, "Sale of this product to a person under the legal age necessary to consume an alcoholic beverage is prohibited";

(C) may not be sold in a form containing liquid alcohol such that it is capable of use for beverage purposes as that term is used in the Alcoholic Beverage Code;

(D) may not be sold through a vending machine;

(E) must be labeled with a conspicuous, readily legible statement that the product contains not more than five percent alcohol by volume; and

(F) may not be sold in a business establishment which derives less than 50 percent of its gross sales from the sale of confectioneries; or

(3) bears or contains any nonnutritive substance; provided, that this subdivision does not apply to a nonnutritive substance that is in or on the confectionery by reason of its use for a practical, functional purpose in the manufacture, packaging, or storage of the confectionery if the use of the substance does not promote deception of the consumer or otherwise result in adulteration or misbranding in violation of this chapter; and provided further, that the board may for the purpose of avoiding or resolving uncertainty as to the application of this subdivision, adopt rules allowing or prohibiting the use of particular nonnutritive substances.
Sec. 431.082. MISBRANDED FOOD. A food shall be deemed to be misbranded:

(a) if its labeling is false or misleading in any particular or fails to conform with the requirements of Section 431.181;

(b) if, in the case of a food to which Section 411 of the federal Act applies, its advertising is false or misleading in a material respect or its labeling is in violation of Section 411(b)(2) of the federal Act;

(c) if it is offered for sale under the name of another food;

(d) if it is an imitation of another food, unless its label bears, in prominent type of uniform size, the word "imitation" and immediately thereafter the name of the food imitated;

(e) if its container is so made, formed, or filled as to be misleading;

(f) if in package form unless it bears a label containing:

(1) the name and place of business of the manufacturer, packer, or distributor; and

(2) an accurate statement, in a uniform location on the principal display panel of the label, of the quantity of the contents in terms of weight, measure, or numerical count; provided, that under this subsection reasonable variations shall be permitted, and exemptions as to small packages shall be established, by rules adopted by the board;

(g) if any word, statement, or other information required by or under the authority of this chapter to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;

(h) if it purports to be or is represented as a food for which a definition and standard of identity has been prescribed by federal regulations or rules of the board as provided by Section 431.245, unless:
(1) it conforms to such definition and standard; and
(2) its label bears the name of the food specified in the definition and standard, and, in so far as may be required by those regulations or rules, the common names of ingredients, other than spices, flavoring, and coloring, present in such food;

(i) if it purports to be or is represented as:
(1) a food for which a standard of quality has been prescribed by federal regulations or rules of the board as provided by Section 431.245, and its quality falls below such standard unless its label bears, in such manner and form as those regulations or rules specify, a statement that it falls below such standard; or

(2) a food for which a standard or standards of fill of container have been prescribed by federal regulations or rules of the board as provided by Section 431.245, and it falls below the standard of fill of container applicable thereto, unless its label bears, in such manner and form as those regulations or rules specify, a statement that it falls below such standard;

(j) unless its label bears:
(1) the common or usual name of the food, if any; and
(2) in case it is fabricated from two or more ingredients, the common or usual name of each such ingredient, and if the food purports to be a beverage containing vegetable or fruit juice, a statement with appropriate prominence on the information panel of the total percentage of the fruit or vegetable juice contained in the food; except that spices, flavorings, and colors not required to be certified under Section 706(c) of the federal Act, other than those sold as such, may be designated as spices, flavorings, and colors, without naming each; provided that, to the extent that compliance with the requirements of this subdivision is impractical or results in deception or unfair competition, exemptions shall be established by rules of the board;

(k) if it purports to be or is represented for special dietary uses, unless its label bears such information concerning its vitamin, mineral, and other dietary properties as the board determines to be, and by rule prescribed, as necessary in order to fully inform purchasers as to its value for such uses;

(l) if it bears or contains any artificial flavoring, artificial coloring, or chemical preservative, unless it bears labeling stating that fact; provided that, to the extent that compliance with the requirements of this subsection is impracticable,
exemptions shall be established by rules of the board. The provisions of this subsection and Subsections (h) and (j) with respect to artificial coloring do not apply in the case of butter, cheese, and ice cream;

(m) if it is a raw agricultural commodity that is the produce of the soil and bears or contains a pesticide chemical applied after harvest, unless the shipping container of the commodity bears labeling that declares the presence of the chemical in or on the commodity and the common or usual name and the function of the chemical, except that the declaration is not required while the commodity, after removal from the shipping container, is being held or displayed for sale at retail out of the container in accordance with the custom of the trade;

(n) if it is a product intended as an ingredient of another food and if used according to the directions of the purveyor will result in the final food product being adulterated or misbranded;

(o) if it is a color additive, unless its packaging and labeling are in conformity with the packaging and labeling requirements applicable to the color additive as may be contained in regulations issued under Section 706 of the federal Act;

(p) if its packaging or labeling is in violation of an applicable regulation issued under Section 3 or 4 of the Federal Poison Prevention Packaging Act of 1970 (15 U.S.C. 1491 et seq.);

(q) if it contains saccharin, unless its label and labeling and retail display comply with the requirements of Sections 403(o) and 403(p) of the federal Act;

(r) if it contains saccharin and is offered for sale, but not for immediate consumption, at a retail establishment, unless the retail establishment displays prominently, where the food is held for sale, notice that is provided by the manufacturer of the food under Section 403(o)(2) of the federal Act for consumers concerning the information required by Section 403(p) of the federal Act to be on food labels and labeling;

(s)(1) if it is a food intended for human consumption and is offered for sale, unless its label or labeling bears nutrition information that provides:

(A)(i) the serving size that is an amount customarily consumed and that is expressed in a common household measure that is appropriate to the food; or

(ii) if the use of the food is not typically
expressed in a serving size, the common household unit of measure that expresses the serving size of the food;

(B) the number of servings or other units of measure per container;

(C) the total number of calories in each serving size or other unit of measure that are:
   (i) derived from any source; and
   (ii) derived from fat;

(D) the amount of total fat, saturated fat, cholesterol, sodium, total carbohydrates, complex carbohydrates, sugar, dietary fiber, and total protein contained in each serving size or other unit of measure; and

(E) any vitamin, mineral, or other nutrient required to be placed on the label and labeling of food under the federal Act; or

(2)(A) if it is a food distributed at retail in bulk display cases, or a food received in bulk containers, unless it has nutrition labeling prescribed by the secretary; and

(B) if the secretary determines it is necessary, nutrition labeling will be mandatory for raw fruits, vegetables, and fish, including freshwater or marine finfish, crustaceans, mollusks including shellfish, amphibians, and other forms of aquatic animal life, except that:

(3)(A) Subdivisions (1) and (2) do not apply to food:
   (i) that is served in restaurants or other establishments in which food is served for immediate human consumption or that is sold for sale or use in those establishments;
   (ii) that is processed and prepared primarily in a retail establishment, that is ready for human consumption, that is of the type described in Subparagraph (i), that is offered for sale to consumers but not for immediate human consumption in the establishment, and that is not offered for sale outside the establishment;
   (iii) that is an infant formula subject to Section 412 of the federal Act;
   (iv) that is a medical food as defined in Section 5(b) of the Orphan Drug Act (21 U.S.C. Section 360ee(b)); or
   (v) that is described in Section 405, clause (2), of the federal Act;

(B) Subdivision (1) does not apply to the label of
a food if the secretary determines by regulation that compliance with that subdivision is impracticable because the package of the food is too small to comply with the requirements of that subdivision and if the label of that food does not contain any nutrition information;

(C) if the secretary determines that a food contains insignificant amounts of all the nutrients required by Subdivision (1) to be listed in the label or labeling of food, the requirements of Subdivision (1) do not apply to the food if the label, labeling, or advertising of the food does not make any claim with respect to the nutritional value of the food, provided that if the secretary determines that a food contains insignificant amounts of more than half the nutrients required by Subdivision (1) to be in the label or labeling of the food, the amounts of those nutrients shall be stated in a simplified form prescribed by the secretary;

(D) if a person offers food for sale and has annual gross sales made or business done in sales to consumers that is not more than $500,000 or has annual gross sales made or business done in sales of food to consumers that is not more than $50,000, the requirements of this subsection do not apply to food sold by that person to consumers unless the label or labeling of food offered by that person provides nutrition information or makes a nutrition claim;

(E) if foods are subject to Section 411 of the federal Act, the foods shall comply with Subdivisions (1) and (2) in a manner prescribed by the rules; and

(F) if food is sold by a food distributor, Subdivisions (1) and (2) do not apply if the food distributor principally sells food to restaurants or other establishments in which food is served for immediate human consumption and the food distributor does not manufacture, process, or repackage the food it sells;

(t) if it is a food intended for human consumption and is offered for sale, and a claim is made on the label, labeling, or retail display relating to the nutrient content or a nutritional quality of the food to a specific disease or condition of the human body, except as permitted by Section 403(r) of the federal Act; or

(u) if it is a food intended for human consumption and its label, labeling, and retail display do not comply with the requirements of Section 403(r) of the federal Act pertaining to nutrient content and health claims.
Sec. 431.083. FOOD LABELING EXEMPTIONS. (a) Except as provided by Subsection (c), the board shall adopt rules exempting from any labeling requirement of this chapter:

(1) small open containers of fresh fruits and fresh vegetables; and

(2) food that is in accordance with the practice of the trade, to be processed, labeled, or repacked in substantial quantities at establishments other than those where originally processed or packed, on conditions that the food is not adulterated or misbranded under the provisions of this chapter when removed from the processing, labeling, or repacking establishment.

(b) Food labeling exemptions adopted under the federal Act apply to food in this state except as modified or rejected by rules adopted by the board.

(c) The board may not adopt rules under Subsection (a) to exempt foods from the labeling requirements of Sections 403(q) and (r) of the federal Act.

Sec. 431.084. EMERGENCY PERMITS FOR FOODS CONTAMINATED WITH MICROORGANISMS. (a) The commissioner shall provide for the issuance of temporary permits to a manufacturer, processor, or packer of a class of food in any locality that provides conditions for the manufacture, processing, or packing for the class of food as necessary to protect the public health only if the commissioner finds after investigation that:

(1) the distribution in this state of a class of food may, because the food is contaminated with microorganisms during the manufacture, processing, or packing of the food in any locality, be injurious to health; and

(2) the injurious nature of the food cannot be adequately determined after the food has entered commerce.
(b) The board by rule shall establish standards and procedures for the enforcement of this section.

(c) During the period for which permits are issued for a class of food determined by the commissioner to be injurious under Subsection (a), a person may not introduce or deliver for introduction into commerce the food unless the person is a manufacturer, processor, or packer who has a permit issued by the commissioner as authorized by rules adopted under this section.

(d) The commissioner may immediately suspend a permit issued under this section if a condition of the permit is violated. An immediate suspension is effective on notice to the permit holder.

(e) A holder of a permit that has been suspended may at any time apply for the reinstatement of the permit. Immediately after a hearing and an inspection of the permit holder's establishment, the commissioner shall reinstate the permit if adequate measures have been taken to comply with and maintain the conditions of the permit as originally issued or as amended.

(f) A permit holder shall provide access to the permit holder's factory or establishment to an authorized agent to allow the agent to determine whether the permit holder complies with the conditions of the permit. Denial of access is grounds for suspension of the permit until the permit holder freely provides the access.

SUBCHAPTER E. DRUGS AND DEVICES

Sec. 431.111. ADULTERATED DRUG OR DEVICE. A drug or device shall be deemed to be adulterated:

(a)(1) if it consists in whole or in part of any filthy, putrid, or decomposed substance; or

(2)(A) if it has been prepared, packed, or held under insanitary conditions whereby it may have been contaminated with filth, or whereby it may have been rendered injurious to health; or

(B) if it is a drug and the methods used in, or the facilities or controls used for, its manufacture, processing, packing, or holding do not conform to or are not operated or administered in conformity with current good manufacturing practice to assure that such drug meets the requirements of this chapter as to safety and has the identity and strength, and meets the quality and
purity characteristics, which it purports or is represented to possess; or

(3) if its container is composed, in whole or in part, of any poisonous or deleterious substance which may render the contents injurious to health; or

(4) if it:
   (A) bears or contains, for purposes of coloring only, a color additive that is unsafe under Section 431.161(a); or
   (B) is a color additive, the intended use of which in or on drugs or devices is for purposes of coloring only, and is unsafe under Section 431.161(a); or

(5) if it is a new animal drug that is unsafe under Section 512 of the federal Act;

(b) if it purports to be or is represented as a drug, the name of which is recognized in an official compendium, and its strength differs from, or its quality or purity falls below, the standards set forth in such compendium. Such determination as to strength, quality or purity shall be made in accordance with the tests or methods of assay set forth in such compendium, or in the absence of or inadequacy of such tests or methods of assay, those prescribed under the authority of the federal Act. No drug defined in an official compendium shall be deemed to be adulterated under this paragraph because it differs from the standards of strength, quality, or purity therefor set forth in such compendium, if its difference in strength, quality, or purity from such standards is plainly stated on its label. Whenever a drug is recognized in the United States Pharmacopoeia National Formulary, it shall be subject to the requirements of the United States Pharmacopoeia National Formulary;

(c) if it is not subject to the provision of Paragraph (b) and its strength differs from, or its purity or quality falls below, that which it purports or is represented to possess;

(d) if it is a drug and any substance has been:
   (1) mixed or packed therewith so as to reduce its quality or strength; or
   (2) substituted wholly or in part therefor;

(e) if it is, or purports to be or is represented as, a device that is subject to a performance standard established under Section 514 of the federal Act, unless the device is in all respects in conformity with the standard;

(f)(1) if it is a class III device:
(A)(i) that is required by a regulation adopted under Section 515(b) of the federal Act to have an approval under that section of an application for premarket approval and that is not exempt from Section 515 as provided by Section 520(g) of the federal Act; and

(ii)(I) for which an application for premarket approval or a notice of completion of a product development protocol was not filed with the United States Food and Drug Administration by the 90th day after the date of adoption of the regulation; or

(II) for which that application was filed and approval was denied or withdrawn, for which that notice was filed and was declared incomplete, or for which approval of the device under the protocol was withdrawn;

(B) that was classified under Section 513(f) of the federal Act into class III, which under Section 515(a) of the federal Act is required to have in effect an approved application for premarket approval, that is not exempt from Section 515 as provided by Section 520(g) of the federal Act, and that does not have the application in effect; or

(C) that was classified under Section 520(l) of the federal Act into class III, which under that section is required to have in effect an approved application under Section 515 of the federal Act, and that does not have the application in effect, except that:

(2)(A) in the case of a device classified under Section 513(f) of the federal Act into class III and intended solely for investigational use, Subdivision (1)(B) does not apply to the device during the period ending on the 90th day after the date of adoption of the regulations prescribing the procedures and conditions required by Section 520(g)(2) of the federal Act; and

(B) in the case of a device subject to a regulation adopted under Section 515(b) of the federal Act, Subdivision (1) does not apply to the device during the period ending on whichever of the following dates occurs later:

(i) the last day of the 30-day calendar month beginning after the month in which the classification of the device into class III became effective under Section 513 of the federal Act; or

(ii) the 90th day after the date of adoption of the regulation;
(g) if it is a banned device;
(h) if it is a device and the methods used in, or the facilities or controls used for its manufacture, packing, storage, or installations are not in conformity with applicable requirements under Section 520(f)(1) of the federal Act or an applicable condition as prescribed by an order under Section 520(f)(2) of the federal Act; or
(i) if it is a device for which an exemption has been granted under Section 520(g) of the federal Act for investigational use and the person who was granted the exemption or any investigator who uses the device under the exemption fails to comply with a requirement prescribed by or under that section.

Sec. 431.112. MISBRANDED DRUG OR DEVICE. A drug or device shall be deemed to be misbranded:
(a)(1) if its labeling is false or misleading in any particular; or
(2) if its labeling or packaging fails to conform with the requirements of Section 431.181.
(b) if in a package form unless it bears a label containing (1) the name and place of business of the manufacturer, packer, or distributor; and (2) an accurate statement of the quantity of the contents in terms of weight, measure, or numerical count; provided, that under Subdivision (2) reasonable variations shall be permitted, and exemptions as to small packages shall be allowed in accordance with regulations prescribed by the secretary under the federal Act;
(c) if any word, statement, or other information required by or under authority of this chapter to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;
(d)(1) if it is a drug, unless:
(A) its label bears, to the exclusion of any other nonproprietary name (except the applicable systematic chemical name
or the chemical formula):

(i) the established name (as defined in Subdivision (3)) of the drug, if any;  and

(ii) in case it is fabricated from two or more ingredients, the established name and quantity of each active ingredient, including the quantity, kind, and proportion of any alcohol, and also including, whether active or not, the established name and quantity or proportion of any bromides, ether, chloroform, acetaldehyde, acetanilid, acetphenetidin, amidopyrine, antipyrine, atropine, hyoscine, hyoscyamine, arsenic, digitalis, digitalis glucosides, mercury, ouabain, strophanthin, strychnine, thyroid, or any derivative or preparation of any such substances, contained therein; provided, that the requirement for stating the quantity of the active ingredients, other than the quantity of those specifically named in this subparagraph shall apply only to prescription drugs; and

(B) for any prescription drug the established name of the drug or ingredient, as the case may be, on the label (and on any labeling on which a name for such drug or ingredient is used) is printed prominently and in type at least half as large as that used thereon for any proprietary name or designation for such drug or ingredient; and provided, that to the extent that compliance with the requirements of Paragraph (A)(ii) or this paragraph is impracticable, exemptions shall be allowed under regulations promulgated by the secretary under the federal Act;

(2) if it is a device and it has an established name, unless its label bears, to the exclusion of any other nonproprietary name, its established name (as defined in Subdivision (4)) prominently printed in type at least half as large as that used thereon for any proprietary name or designation for such device, except that to the extent compliance with this subdivision is impracticable, exemptions shall be allowed under regulations promulgated by the secretary under the federal Act;

(3) as used in Subdivision (1), the term "established name," with respect to a drug or ingredient thereof, means:

(A) the applicable official name designated pursuant to Section 508 of the federal Act; or

(B) if there is no such name and such drug, or such ingredient, is an article recognized in an official compendium, then the official title thereof in such compendium; or

(C) if neither Paragraph (A) nor Paragraph (B) applies,
then the common or usual name, if any, of such drug or of such ingredient; provided further, that where Paragraph (B) applies to an article recognized in the United States Pharmacopoeia National Formulary, the official title used in the United States Pharmacopoeia National Formulary shall apply;

(4) as used in Subdivision (2), the term "established name" with respect to a device means:

(A) the applicable official name of the device designated pursuant to Section 508 of the federal Act;

(B) if there is no such name and such device is an article recognized in an official compendium, then the official title thereof in such compendium; or

(C) if neither Paragraph (A) nor Paragraph (B) applies, then any common or usual name of such device;

(e) unless its labeling bears:

(1) adequate directions for use; and

(2) such adequate warnings against use in those pathological conditions or by children where its use may be dangerous to health, or against unsafe dosage or methods or durations of administration or application, in such manner and form, as are necessary for the protection of users unless the drug or device has been exempted from those requirements by the regulations adopted by the secretary;

(f) if it purports to be a drug the name of which is recognized in an official compendium, unless it is packaged and labeled as prescribed therein unless the method of packing has been modified with the consent of the secretary. Whenever a drug is recognized in the United States Pharmacopoeia National Formulary, it shall be subject to the requirements of the United States Pharmacopoeia National Formulary with respect to packaging and labeling. If there is an inconsistency between the requirements of this subsection and those of Subsection (d) as to the name by which the drug or its ingredients shall be designated, the requirements of Subsection (d) prevail;

(g) if it has been found by the secretary to be a drug liable to deterioration, unless it is packaged in such form and manner, and its label bears a statement of such precautions, as the secretary shall by regulations require as necessary for the protection of public health;

(h) if:
(1) it is a drug and its container is so made, formed, or filled as to be misleading; or
(2) it is an imitation of another drug; or
(3) it is offered for sale under the name of another drug;
   (i) if it is dangerous to health when used in the dosage, or manner or with the frequency or duration prescribed, recommended, or suggested in the labeling thereof;
   (j) if it is a color additive, the intended use of which is for the purpose of coloring only, unless its packaging and labeling are in conformity with such packaging and labeling requirements applicable to such color additive, as may be contained in rules issued under Section 431.161(b);
   (k) in the case of any prescription drug distributed or offered for sale in this state, unless the manufacturer, packer, or distributor thereof includes in all advertisements and other descriptive printed matter issued or caused to be issued by the manufacturer, packer, or distributor with respect to that drug a true statement of:
      (1) the established name as defined in Subsection (d), printed prominently and in type at least half as large as that used for any trade or brand name;
      (2) the formula showing quantitatively each ingredient of the drug to the extent required for labels under Subsection (d); and
      (3) other information in brief summary relating to side effects, contraindications, and effectiveness as required in regulations issued under Section 701(e) of the federal Act;
   (l) if it was manufactured, prepared, propagated, compounded, or processed in an establishment in this state not registered under Section 510 of the federal Act, if it was not included in a list required by Section 510(j) of the federal Act, if a notice or other information respecting it was not provided as required by that section or Section 510(k) of the federal Act, or if it does not bear symbols from the uniform system for identification of devices prescribed under Section 510(e) of the federal Act as required by regulation;
   (m) if it is a drug and its packaging or labeling is in violation of an applicable regulation issued under Section 3 or 4 of the federal Poison Prevention Packaging Act of 1970 (15 U.S.C. 1472 or 1473);
   (n) if a trademark, trade name, or other identifying mark,
imprint or device of another, or any likeness of the foregoing has been placed thereon or on its container with intent to defraud;

(o) in the case of any restricted device distributed or offered for sale in this state, if:

(1) its advertising is false or misleading in any particular; or

(2) it is sold, distributed, or used in violation of regulations prescribed under Section 520(e) of the federal Act;

(p) in the case of any restricted device distributed or offered for sale in this state, unless the manufacturer, packer, or distributor thereof includes in all advertisements and other descriptive printed matter issued by the manufacturer, packer, or distributor with respect to that device:

(1) a true statement of the device's established name as defined in Section 502(e) of the federal Act, printed prominently and in type at least half as large as that used for any trade or brand name thereof; and

(2) a brief statement of the intended uses of the device and relevant warnings, precautions, side effects, and contraindications and in the case of specific devices made subject to regulations issued under the federal Act, a full description of the components of such device or the formula showing quantitatively each ingredient of such device to the extent required in regulations under the federal Act;

(q) if it is a device subject to a performance standard established under Section 514 of the federal Act, unless it bears such labeling as may be prescribed in such performance standard; or

(r) if it is a device and there was a failure or refusal:

(1) to comply with any requirement prescribed under Section 518 of the federal Act respecting the device; or

(2) to furnish material required by or under Section 519 of the federal Act respecting the device.

Sec. 431.113. EXEMPTION FOR CERTAIN DRUGS AND DEVICES. (a)
The board is directed to adopt rules exempting from any labeling or packaging requirement of this chapter drugs and devices that are, in accordance with the practice of the trade, to be processed, labeled, or repacked in substantial quantities at establishments other than those where originally processed or packaged on condition that such drugs and devices are not adulterated or misbranded under the provisions of this chapter on removal from such processing, labeling, or repacking establishment.

(b) Drugs and device labeling or packaging exemptions adopted under the federal Act shall apply to drugs and devices in this state except insofar as modified or rejected by rules of the board.

(c)(1) A drug intended for use by man that:

(A) because of its toxicity or other potentiality for harmful effect, or the method of its use, or the collateral measures necessary to its use, is not safe for use except under the supervision of a practitioner licensed by law to administer such drug; or

(B) is limited by an approved application under Section 505 of the federal Act to use under the professional supervision of a practitioner licensed by law to administer such drug shall be dispensed only:

(i) on a written prescription of a practitioner licensed by law to administer such drug; or

(ii) on an oral prescription of such practitioner that is reduced promptly to writing and filed by the pharmacist; or

(iii) by refilling any such written or oral prescription if such refilling is authorized by the prescriber either in the original prescription or by oral order that is reduced promptly to writing and filed by the pharmacist. The act of dispensing a drug contrary to the provisions of this paragraph shall be deemed to be an act that results in a drug being misbranded while held for sale.

(2) Any drug dispensed by filling or refilling a written or oral prescription of a practitioner licensed by law to administer such drug shall be exempt from the requirements of Section 431.112, except Sections 431.112(a)(1), (h)(2), and (h)(3), and the packaging requirements of Sections 431.112(f), (g), and (m), if the drug bears a label containing the name and address of the dispenser, the serial number and date of the prescription or of its filling, the name of the prescriber, and, if stated in the prescription, the name of the
patient, and the directions for use and cautionary statements, if any, contained in such prescription. This exemption shall not apply to any drugs dispensed in the course of the conduct of business of dispensing drugs pursuant to diagnosis by mail, or to a drug dispensed in violation of Subdivision (1).

(3) A drug that is subject to Subdivision (1) shall be deemed to be misbranded if at any time prior to dispensing its label fails to bear at a minimum, the symbol "RX Only." A drug to which Subdivision (1) does not apply shall be deemed to be misbranded if at any time prior to dispensing its label bears the caution statement quoted in the preceding sentence.

Sec. 431.114. NEW DRUGS. (a) A person shall not sell, deliver, offer for sale, hold for sale or give away any new drug unless:

(1) an application with respect thereto has been approved and the approval has not been withdrawn under Section 505 of the federal Act; and

(2) a copy of the letter of approval or approvability issued by the Federal Food and Drug Administration is on file with the commissioner if the product is manufactured in this state.

(b) A person shall not use in or on human beings or animals a new drug or new animal drug limited to investigational use unless the person has filed with the Federal Food and Drug Administration a completed and signed "Notice of claimed investigational exemption for a new drug" form in accordance with 21 C.F.R. 312.1 (1980) and the exemption has not been terminated. The drug shall be plainly labeled in compliance with Section 505(i) of the federal Act.

(c) This section shall not apply:

(1) to any drug that is not a new drug as defined in the federal Act;

(2) to any drug that is licensed under the Public Health Services Act of July 1, 1944 (42 U.S.C. 201 et seq.); or

(3) to any drug approved by the commissioner by the authority of any prior law.
Sec. 431.115. NEW ANIMAL DRUGS. (a) A new animal drug shall, with respect to any particular use or intended use of the drug, be deemed unsafe for the purposes of this chapter unless:

(1) there is in effect an approval of an application filed pursuant to Section 512(b) of the federal Act with respect to the use or intended use of the drug; and

(2) the drug, its labeling, and the use conforms to the approved application.

(b) A new animal drug shall not be deemed unsafe for the purposes of this chapter if the article is for investigational use and conforms to the terms of an exemption in effect with respect thereto under Section 512(j) of the federal Act.

(c) This section does not apply to any drug:

(1) licensed under the virus-serum-toxin law of March 4, 1913 (21 U.S.C. 151-159);

(2) approved by the United States Department of Agriculture; or

(3) approved by the commissioner by the authority of any prior law.

Sec. 431.116. AVERAGE MANUFACTURER PRICE. (a) In this section, "average manufacturer price" has the meaning assigned by 42 U.S.C. Section 1396r-8(k), as amended.

(b) A person who manufactures a drug, including a person who manufactures a generic drug, that is sold in this state shall file with the department:

(1) the average manufacturer price for the drug; and

(2) the price that each wholesaler in this state pays the manufacturer to purchase the drug.

(c) The information required under Subsection (b) must be filed annually or more frequently as determined by the department.
(d) The department and the attorney general may investigate the manufacturer to determine the accuracy of the information provided under Subsection (b). The attorney general may take action to enforce this section.

(e) Repealed by Acts 2005, 79th Leg., Ch. 349, Sec. 29, eff. September 1, 2007.

(f) Notwithstanding any other state law, pricing information disclosed by manufacturers or labelers under this section may be provided by the department only to the Medicaid vendor drug purchase program for its sole use. The Medicaid vendor drug purchase program may use the information only as necessary to administer its drug programs, including Medicaid drug programs.

(g) Notwithstanding any other state law, pricing information disclosed by manufacturers or labelers under this section is confidential and, except as necessary to permit the attorney general to enforce state and federal laws, may not be disclosed by the Health and Human Services Commission or any other state agency in a form that discloses the identity of a specific manufacturer or labeler or the prices charged by a specific manufacturer or labeler for a specific drug.

(h) The attorney general shall treat information obtained under this section in the same manner as information obtained by the attorney general through a civil investigative demand under Section 36.054, Human Resources Code.

(i) Notwithstanding any other state law, the penalties for unauthorized disclosure of confidential information under Chapter 552, Government Code, apply to unauthorized disclosure of confidential information under this section.

Acts 2005, 79th Leg., Ch. 349 (S.B. 1188), Sec. 29, eff. September 1, 2007.

Sec. 431.117. PRIORITY FOR HEALTH CARE PROVIDERS IN DISTRIBUTION OF INFLUENZA VACCINE. The executive commissioner of the Health and Human Services Commission shall study the wholesale
distribution of influenza vaccine in this state to determine the feasibility of implementing a system that requires giving a priority in filling orders for influenza vaccine to physicians and other licensed health care providers authorized to administer influenza vaccine over retail establishments. The executive commissioner may implement such a system if it is determined to be feasible.

Added by Acts 2007, 80th Leg., R.S., Ch. 922 (H.B. 3184), Sec. 2, eff. June 15, 2007.

**SUBCHAPTER F. COSMETICS**

Sec. 431.141. ADULTERATED COSMETIC. A cosmetic shall be deemed to be adulterated:

(a) if it bears or contains any poisonous or deleterious substance which may render it injurious to users under the conditions of use prescribed in the labeling thereof, or under such conditions of use as are customary or usual; provided, that this provision shall not apply to coal-tar hair dye, the label of which bears the following legend conspicuously displayed thereon; "Caution: This product contains ingredients which may cause skin irritation on certain individuals and a preliminary test according to accompanying directions should first be made. This product must not be used for dyeing the eyelashes or eyebrows; to do so may cause blindness"; and the labeling of which bears adequate directions for such preliminary testing. For the purposes of this subsection and Subsection (e) the term "hair dye" shall not include eyelash dyes or eyebrow dyes;

(b) if it consists in whole or in part of any filthy, putrid, or decomposed substance;

(c) if it has been produced, prepared, packed, or held under unsanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health;

(d) if its container is composed, in whole or in part, of any poisonous or deleterious substance which may render the contents injurious to health;

(e) if it is not a hair dye and it is, or it bears or contains, a color additive that is unsafe within the meaning of Section 431.161(a).

Sec. 431.142. MISBRANDED COSMETIC. (1) A cosmetic shall be deemed to be misbranded:

(a) if:
   (1) its labeling is false or misleading in any particular; and
   (2) its labeling or packaging fails to conform with the requirements of Section 431.181;

(b) if in package form unless it bears a label containing (1) the name and place of business of the manufacturer, packer, or distributor; and (2) an accurate statement of the quantity of the contents in terms of weight, measure or numerical count, which statement shall be separately and accurately stated in a uniform location on the principal display panel of the label; provided, that under Subdivision (2) reasonable variations shall be permitted, and exemptions as to small packages shall be established by regulations prescribed by rules adopted by the board;

(c) if any word, statement, or other information required by or under authority of this chapter to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;

(d) if its container is so made, formed, or filled as to be misleading;

(e) if it is a color additive, unless its packaging and labeling are in conformity with the packaging and labeling requirements, applicable to the color additive, prescribed under Section 706 of the federal Act. This subsection shall not apply to packages of color additives which, with respect to their use for cosmetics, are marketed and intended for use only in or on hair dyes, as defined by Section 431.141(a); or

(f) if its packaging or labeling is in violation of an applicable regulation issued pursuant to Section 3 or 4 of the Federal Poison Prevention Packaging Act of 1970 (15 U.S.C. 1472 or 1473).

(2) The board shall adopt rules exempting from any labeling requirement of this chapter cosmetics that are in accordance with the...
practice of the trade, to be processed, labeled, or repacked in substantial quantities at an establishment other than the establishment where it was originally processed or packed, on condition that the cosmetics are not adulterated or misbranded under the provisions of this chapter on removal from the processing, labeling, or repacking establishment. Cosmetic labeling exemptions adopted under the federal Act shall apply to cosmetics in this state except insofar as modified or rejected by rules adopted by the board.

SUBCHAPTER G. POISONOUS OR DELETERIOUS SUBSTANCES

Sec. 431.161. POISONOUS OR DELETERIOUS SUBSTANCES. (a) Any poisonous or deleterious substance, food additive, pesticide chemical in or on a raw agricultural commodity, or color additive shall, with respect to any particular use or intended use, be deemed unsafe for the purpose of Section 431.081(a)(2) with respect to any food, Section 431.111(a) with respect to any drug or device, or Section 431.141 with respect to any cosmetic. However, if a rule adopted under Section 431.181 or Subsection (b) is in effect that limits the quantity of that substance, and if the use or intended use of that substance conforms to the terms prescribed by the rule, a food, drug, or cosmetic shall not, by reason of bearing or containing that substance in accordance with the rules, be considered adulterated within the meaning of Section 431.081(a)(1), 431.111, or 431.141.

(b) The board, whenever public health or other considerations in the state so require or on the petition of an interested party, may adopt rules prescribing tolerances for any added, poisonous, or deleterious substances, food additives, pesticide chemicals in or on raw agricultural commodities, or color additives, including zero tolerances and exemptions from tolerances in the case of pesticide chemicals in or on raw agricultural commodities. The rule may prescribe the conditions under which a food additive or a color additive may be safely used and may prescribe exemptions if the food additive or color additive is to be used solely for investigational or experimental purposes. Rules adopted under this section limiting the quantity of poisonous or deleterious substances in food must provide equal or stricter standards than those adopted by the federal
Food and Drug Administration or its successor. A person petitioning for the adoption of a rule shall establish by data submitted to the board that a necessity exists for the rule and that its effect will not be detrimental to the public health. If the data furnished by the petitioner are not sufficient to allow the board to determine whether the rules should be adopted, the board may require additional data to be submitted. The petitioner's failure to comply with the request is sufficient grounds to deny the request. In adopting rules relating to those substances, the board shall consider, among other relevant factors, the following information furnished by the petitioner, if any:

(1) the name and all pertinent information concerning the substance, including, if available, its chemical identity and composition, a statement of the conditions of the proposed use, directions, recommendations, and suggestions, specimens of proposed labeling, all relevant data bearing on the physical or other technical effect, and the quantity required to produce that effect;

(2) the probable composition of any substance formed in or on a food, drug, or cosmetic resulting from the use of that substance;

(3) the probable consumption of that substance in the diet of man and animals, taking into account any chemically or pharmacologically related substance in the diet;

(4) safety factors that, in the opinion of experts qualified by scientific training and experience to evaluate the safety of those substances for the use or uses for which they are proposed to be used, are generally recognized as appropriate for the use of animal experimentation data;

(5) the availability of any needed practicable methods of analysis for determining the identity and quantity of:
   (A) that substance in or on an article;
   (B) any substance formed in or on an article because of the use of that substance; and
   (C) the pure substance and all intermediates and impurities; and

(6) facts supporting a contention that the proposed use of that substance will serve a useful purpose.

(c) Notwithstanding Sections 11.013 and 12.001, the commissioner may adopt emergency rules under Chapter 2001, Government Code to establish tolerance levels of poisonous or deleterious
SUBCHAPTER H.  FAIR PACKAGING AND LABELING;  FALSE ADVERTISING

Sec. 431.181.  FAIR PACKAGING AND LABELING.  (a)  All labels of consumer commodities, as defined by this chapter, shall conform with the requirements for the declaration of net quantity of contents of Section 4 of the Fair Packaging and Labeling Act (15 U.S.C. 1451 et seq.) and the regulations promulgated pursuant thereto;  provided, that consumer commodities exempted from the requirements of Section 4 of the Fair Packaging and Labeling Act shall also be exempt from this subsection.

(b)  The label of any package of a consumer commodity that bears a representation as to the number of servings of the commodity contained in the package shall bear a statement of the net quantity (in terms of weight, measure, or numerical count) of each serving.

(c)  No person shall distribute or cause to be distributed in commerce any packaged consumer commodity if any qualifying words or phrases appear in conjunction with the separate statement of the net quantity of contents required by Subsection (a), but nothing in this subsection shall prohibit supplemental statements at other places on the package describing in nondeceptive terms the net quantity of contents;  provided, that the supplemental statements of net quantity of contents shall not include any term qualifying a unit of weight, measure, or count that tends to exaggerate the amount of the commodity contained in the package.

(d)  Whenever the board determines that rules containing prohibitions or requirements other than those prescribed by Subsection (a) are necessary to prevent the deception of consumers or to facilitate value comparisons as to any consumer commodity, the board shall adopt with respect to that commodity rules effective to:

(1)  establish and define standards for the characterization of the size of a package enclosing any consumer commodity, which may be used to supplement the label statement of net quantity of contents of packages containing such commodity, but this paragraph shall not be construed as authorizing any limitation on the size, shape, weight, dimensions, or number of packages that may be used to enclose substances in food.

any commodity;

(2) regulate the placement on any package containing any commodity, or on any label affixed to the commodity, of any printed matter stating or representing by implication that such commodity is offered for retail sale at a price lower than the ordinary and customary retail sale price or that a retail sale price advantage is accorded to purchasers thereof by reason of the size of that package or the quantity of its contents;

(3) require that the label on each package of a consumer commodity (other than one which is a food within the meaning of Section 431.002(15)) bear:

(A) the common or usual name of the consumer commodity, if any; and

(B) in case the consumer commodity consists of two or more ingredients, the common or usual name of each ingredient listed in order of decreasing predominance, but nothing in this paragraph shall be deemed to require that any trade secret be divulged; or

(4) prevent the nonfunctional slack-fill of packages containing consumer commodities. For the purpose of this subdivision, a package shall be deemed to be nonfunctionally slack-filled if it is filled of substantially less than its capacity for reasons other than:

(A) protection of the contents of the package; or

(B) the requirements of the machine used for enclosing the contents in the package.

Sec. 431.182. FALSE ADVERTISEMENT. (a) An advertisement of a food, drug, device, or cosmetic shall be deemed to be false if it is false or misleading in any particular.

(b) The advertising of a food that incorporates a health claim not in conformance with or defined by Section 403(r) of the federal Act is deemed to be false or misleading for the purposes of this chapter.

Sec. 431.183. FALSE ADVERTISEMENT OF DRUG OR DEVICE. (a) An advertisement of a drug or device is false if the advertisement represents that the drug or device affects:

1. infectious and parasitic diseases;
2. neoplasms;
3. endocrine, nutritional, and metabolic diseases and immunity disorders;
4. diseases of blood and blood-forming organs;
5. mental disorders;
6. diseases of the nervous system and sense organs;
7. diseases of the circulatory system;
8. diseases of the respiratory system;
9. diseases of the digestive system;
10. diseases of the genitourinary system;
11. complications of pregnancy, childbirth, and the puerperium;
12. diseases of the skin and subcutaneous tissue;
13. diseases of the musculoskeletal system and connective tissue;
14. congenital anomalies;
15. certain conditions originating in the perinatal period;
16. symptoms, signs, and ill-defined conditions; or
17. injury and poisoning.

(b) Subsection (a) does not apply to an advertisement of a drug or device if the advertisement does not violate Section 431.182 and is disseminated:

1. to the public for self-medication and is consistent with the labeling claims permitted by the federal Food and Drug Administration;
2. only to members of the medical, dental, and veterinary professions and appears only in the scientific periodicals of those professions; or
3. only for the purpose of public health education by a person not commercially interested, directly or indirectly, in the sale of the drug or device.

(c) The board by rule shall authorize the advertisement of a drug having a curative or therapeutic effect for a disease listed under Subsection (a) if the board determines that an advance in medical science has made any type of self-medication safe for the
disease. The board may impose conditions and restrictions on the advertisement of the drug necessary in the interest of public health.

(d) This section does not indicate that self-medication for a disease other than a disease listed under Subsection (a) is safe or effective.

SUBCHAPTER I. WHOLESALE DISTRIBUTORS OF NONPRESCRIPTION DRUGS

Sec. 431.201. DEFINITIONS. In this subchapter:

(1) "Nonprescription drug" means any drug that is not a prescription drug as defined by Section 431.401.

(2) "Place of business" means each location at which a drug for wholesale distribution is located.

(3) "Wholesale distribution" means distribution to a person other than a consumer or patient, and includes distribution by a manufacturer, repackager, own label distributor, broker, jobber, warehouse, or wholesaler.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:

Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(b), eff. March 1, 2006.

Sec. 431.2011. APPLICABILITY OF SUBCHAPTER. This subchapter applies only to the wholesale distribution of nonprescription drugs.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(c), eff. March 1, 2006.

Sec. 431.202. LICENSE REQUIRED. (a) A person may not engage in wholesale distribution of nonprescription drugs in this state unless the person holds a wholesale drug distribution license issued by the department under this subchapter or Subchapter N.

(b) An applicant for a license under this subchapter must submit an application to the department on the form prescribed by the
department or electronically on the state electronic Internet portal.

(c) A license issued under this subchapter expires on the second anniversary of the date of issuance.

Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(d), eff. March 1, 2006.

Acts 2011, 82nd Leg., R.S., Ch. 973 (H.B. 1504), Sec. 28, eff. June 17, 2011.

Text of section as repealed by Acts 2005, 79th Leg., R.S., Ch. 282 (H.B. 164), Sec. 3 effective September 1, 2005

Sec. 431.2021. EXEMPTION FROM LICENSING.

Text of subsection as amended by Acts 2005, 79th Leg., R.S., Ch. 28 (S.B. 492), Sec. 6

(a) A person who engages in wholesale distribution of prescription drugs in this state for use in humans is exempt from this subchapter if the person is exempt under:

(1) the Prescription Drug Marketing Act of 1987, as amended (21 U.S.C. Section 353(c)(3)(B));

(2) the regulations adopted by the secretary to administer and enforce that Act;

(3) the interpretations of that Act set out in the compliance policy manual of the United States Food and Drug Administration; or

(4) Section 562.154, Occupations Code.

(b) An exemption from the licensing requirements under this section does not constitute an exemption from the other provisions of this Act or the rules adopted by the board to administer and enforce this Act.

Added by Acts 1991, 72nd Leg., ch. 539, Sec. 6, eff. Sept. 1, 1991. Amended by Acts 1993, 73rd Leg., ch. 375, Sec. 1, eff. June 2, 1993. Amended by:

Acts 2005, 79th Leg., Ch. 28 (S.B. 492), Sec. 6, eff. September
Sec. 431.203. CONTENTS OF LICENSE STATEMENT. The license statement must contain:

(1) the name under which the business is conducted;
(2) the address of each place of business that is licensed;
(3) the name and residence address of:
   (A) the proprietor, if the business is a proprietorship;
   (B) all partners, if the business is a partnership; or
   (C) all principals, if the business is an association;
(4) the date and place of incorporation, if the business is a corporation;
(5) the names and residence addresses of the individuals in an administrative capacity showing:
   (A) the managing proprietor, if the business is a proprietorship;
   (B) the managing partner, if the business is a partnership;
   (C) the officers and directors, if the business is a corporation; or
   (D) the persons in a managerial capacity, if the business is an association; and
(6) the residence address of an individual in charge of each place of business.

Sec. 431.2031. EFFECT OF OPERATION IN OTHER JURISDICTIONS; REPORTS. (a) A person who engages in the wholesale distribution of drugs outside this state may engage in the wholesale distribution of drugs in this state if the person holds a license issued by the department.

(b) The department may accept reports from authorities in other jurisdictions to determine the extent of compliance with this chapter.
and the minimum standards adopted under this chapter.

(c) The department may issue a license to a person who engages in the wholesale distribution of drugs outside this state to engage in the wholesale distribution of drugs in this state, if after an examination of the reports of the person's compliance history and current compliance record, the department determines that the person is in compliance with this subchapter and the board's rules.

(d) The department shall consider each licensing statement filed by a person who wishes to engage in wholesale distribution of drugs in this state on an individual basis.

Added by Acts 1991, 72nd Leg., ch. 539, Sec. 8, eff. Sept. 1, 1991.

Sec. 431.204. FEES. (a) The department shall collect fees for:

(1) a license that is filed or renewed;
(2) a license that is amended, including a notification of a change in the location of a licensed place of business required under Section 431.206; and
(3) an inspection performed in enforcing this subchapter and rules adopted under this subchapter.

(b) The executive commissioner of the Health and Human Services Commission by rule shall set the fees in amounts that allow the department to recover the biennial expenditures of state funds by the department in:

(1) reviewing and acting on a license;
(2) amending and renewing a license;
(3) inspecting a licensed facility; and
(4) implementing and enforcing this subchapter, including a rule or order adopted or a license issued under this subchapter.

(c) Fees collected under this section shall be deposited to the credit of the food and drug registration fee account of the general revenue fund and appropriated to the department to carry out the administration and enforcement of this chapter.

Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(e), eff. March 1, 2006.
Sec. 431.206. CHANGE OF LOCATION OF PLACE OF BUSINESS. (a) Not fewer than 30 days in advance of the change, the licensee shall notify the department in writing of the licensee's intent to change the location of a licensed place of business.

(b) The notice shall include the address of the new location, and the name and residence address of the individual in charge of the business at the new location.

(c) Not more than 10 days after the completion of the change of location, the licensee shall notify the department in writing to confirm the completion of the change of location and provide verification of the information previously provided or correct and confirm any information that has changed since providing the notice of intent.

(d) The notice and confirmation required by this section are deemed adequate if the licensee sends the notices by certified mail, return receipt requested, to the central office of the department or submits them electronically through the state electronic Internet portal.

Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(f), eff. March 1, 2006.

Acts 2011, 82nd Leg., R.S., Ch. 973 (H.B. 1504), Sec. 29, eff. June 17, 2011.

Sec. 431.207. REFUSAL TO LICENSE; SUSPENSION OR REVOCATION OF LICENSE. (a) The commissioner of state health services may refuse an application for a license or may suspend or revoke a license if the applicant or licensee:

(1) has been convicted of a felony or misdemeanor that involves moral turpitude;

(2) is an association, partnership, or corporation and the managing officer has been convicted of a felony or misdemeanor that involves moral turpitude;

(3) has been convicted in a state or federal court of the
illegal use, sale, or transportation of intoxicating liquors, narcotic drugs, barbiturates, amphetamines, desoxyephedrine, their compounds or derivatives, or any other dangerous or habit-forming drugs;

(4) is an association, partnership, or corporation and the managing officer has been convicted in a state or federal court of the illegal use, sale, or transportation of intoxicating liquors, narcotic drugs, barbiturates, amphetamines, desoxyephedrine, their compounds or derivatives, or any other dangerous or habit-forming drugs;

(5) has not complied with this chapter or the rules implementing this chapter;

(6) has violated Section 431.021(1)(3), relating to the counterfeiting of a drug or the sale or holding for sale of a counterfeit drug;

(7) has violated Chapter 481 or 483;

(8) has violated the rules of the director of the Department of Public Safety, including being responsible for a significant discrepancy in the records that state law requires the applicant or licensee to maintain; or

(9) fails to complete a license application or submits an application that contains false, misleading, or incorrect information or contains information that cannot be verified by the department.

(b) The executive commissioner of the Health and Human Services Commission by rule shall establish minimum standards required for the issuance or renewal of a license under this subchapter.

(c) The refusal to license an applicant or the suspension or revocation of a license by the department and the appeal from that action are governed by the procedures for a contested case hearing under Chapter 2001, Government Code.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1991, 72nd Leg., ch. 539, Sec. 9, eff. Sept. 1, 1991; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), eff. Sept. 1, 1995. Amended by:

Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(f), eff. March 1, 2006.

Sec. 431.208. REPORTING OF PURCHASE PRICE. (a) On the
department's request, a person who engages in the wholesale distribution of drugs in this state shall file with the department information showing the actual price at which the wholesale distributor sells a particular drug to a retail pharmacy.

(b) The department shall adopt rules to implement this section.

(c) The department and the attorney general may investigate the distributor to determine the accuracy of the information provided under Subsection (a). The attorney general may take action to enforce this section.

(d) Repealed by Acts 2005, 79th Leg., Ch. 349, Sec. 29, eff. September 1, 2007.

Added by Acts 2001, 77th Leg., ch. 1003, Sec. 3, eff. Sept. 1, 2001. Amended by:

Acts 2005, 79th Leg., Ch. 349 (S.B. 1188), Sec. 29, eff. September 1, 2007.

SUBCHAPTER J. FOOD MANUFACTURERS, FOOD WHOLESALERS, AND WAREHOUSE OPERATORS

Sec. 431.221. DEFINITIONS. In this subchapter:

(1) "Place of business" means:

(A) each location where:

(i) a person manufactures food; or

(ii) food for wholesale is distributed; or

(B) a warehouse where food is stored.

(2) "Food manufacturer" means a person who combines, purifies, processes, or packages food for sale through a wholesale outlet. The term also includes a retail outlet that packages or labels food before sale and a person that represents itself as responsible for the purity and proper labeling of an article of food by labeling the food with the person's name and address. The term does not include a restaurant that provides food for immediate human consumption to a political subdivision or to a licensed nonprofit organization if the restaurant would not otherwise be considered a food manufacturer under this subdivision.

(3) "Food wholesaler" means a person who distributes food for resale, either through a retail outlet owned by that person or through sales to another person. The term "food wholesaler" shall not include:

---

Statute text rendered on: 3/14/2015 - 2790 -
(A) a commissary which distributes food primarily intended for immediate consumption on the premises of a retail outlet under common ownership;

(B) an establishment engaged solely in the distribution of nonalcoholic beverages in sealed containers; or

(C) a restaurant that provides food for immediate human consumption to a political subdivision or to a licensed nonprofit organization if the restaurant would not otherwise be considered a food wholesaler under this subdivision.

(4) Deleted by Acts 1997, 75th Leg., ch. 629, Sec. 2, eff. Sept. 1, 1997

(5) "Direct seller" means an individual:

(A) who is not affiliated with a permanent retail establishment and who engages in the business of:

(i) in-person sales of prepackaged nonperishable foods, including dietary supplements, to a buyer on a buy-sell basis, a deposit-commission basis, or a similar basis for resale in a home; or

(ii) sales of prepackaged nonperishable foods, including dietary supplements, in a home;

(B) who receives substantially all remuneration for a service, whether in cash or other form of payment, which is directly related to sales or other output, including the performance of the service, and not to the number of hours worked; and

(C) who performs services under a written contract between the individual and the person for whom the service is performed, and the contract provides that the individual is not treated as an employee with respect to federal tax purposes.

(6) "Licensed nonprofit organization" means an organization that is licensed under any statutory authority of the State of Texas and is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, and its subsequent amendments, as an organization described in Section 501(c)(3) of that code.

(7) "Warehouse operator" means a person that operates a warehouse where food is stored.

Sec. 431.2211. APPLICATION OF SUBCHAPTER. (a) A person is not required to hold a license under this subchapter if the person is:

(1) a person, firm, or corporation that only harvests, packages, or washes raw fruits or vegetables for shipment at the location of harvest;

(2) an individual who only sells prepackaged nonperishable foods, including dietary supplements, from a private home as a direct seller;

(3) a person who holds a license under Chapter 432 and who only engages in conduct within the scope of that license; or

(4) a restaurant that provides food for immediate human consumption to a political subdivision or to a licensed nonprofit organization if the restaurant would not otherwise be required to hold a license under this subchapter.

(a-1) A person is not required to hold a license under this subchapter if the person holds a license under Chapter 440 and is engaging in conduct within the scope of that license.

(a-2) A person is not required to hold a license under this subchapter if the person holds a permit under Chapter 435 related to the processing, producing, bottling, receiving, transferring, or transporting of Grade A milk or milk products and is engaging in conduct within the scope of that permit.

(b) An exemption from the licensing requirements prescribed by this subchapter does not exempt the person from other provisions prescribed by this subchapter or from rules adopted by the board to administer and enforce those provisions.

(c) This subchapter does not apply to the distribution of beverages in sealed containers by holders of licenses or permits issued under Chapter 19, 20, 21, 23, 64, or 65, Alcoholic Beverage Code. The provisions of the Alcoholic Beverage Code prevail to the extent of any conflict with this chapter.
(d) A food wholesaler is not required to obtain a license under this subchapter for a place of business if all of the food distributed from that place of business will be stored in a warehouse licensed under this subchapter.

(e) A food wholesaler that is not required to obtain a license for a place of business under Subsection (d) shall register that place of business with the department. The department shall adopt rules for the registration of food wholesalers under this section.

Acts 2011, 82nd Leg., R.S., Ch. 1317 (S.B. 81), Sec. 1, eff. September 1, 2012.

Sec. 431.222. LICENSE REQUIRED; LICENSING FEES. (a) Except as provided by Section 431.2211, a food manufacturer, food wholesaler, or warehouse operator in this state must apply for and obtain from the department each year a license for each place of business that the food manufacturer, food wholesaler, or warehouse operator operates in this state. The food manufacturer, food wholesaler, or warehouse operator must pay a licensing fee for each establishment.

(b) The department shall require a food manufacturer that distributes only food manufactured by that firm to obtain only a license as a food manufacturer. A person that does not manufacture food and serves only as a food wholesaler must obtain only a food wholesaler's license. A person that distributes both its own manufactured food and food it does not manufacture must obtain only a food manufacturer's license. A warehouse operator who also distributes food is required to obtain only a warehouse operator license.
Sec. 431.223. CONTENTS OF LICENSE APPLICATION. (a) The person applying for a license under this subchapter must provide, at a minimum, the following information in a license application:

1. the name under which the food manufacturer, wholesale distributor, or warehouse operator conducts business;
2. the address of each place of business in this state that is licensed;
3. if the food manufacturer, wholesale distributor, or warehouse operator is an individual, a partnership, or an association, the name or names of:
   A. the proprietor, if the business is a sole proprietorship;
   B. all partners, if the business is a partnership; or
   C. all principals, if the business is an association;
4. if the food manufacturer, wholesale distributor, or wholesale operator is a corporation, the date and place of incorporation and the name and address of its registered agent in this state;
5. the names and residences of the individuals in an administrative capacity, showing:
   A. the managing proprietor, if the business is a sole proprietorship;
   B. the managing partner, if the business is a partnership;
   C. the officers and directors, if the business is a corporation; or
   D. the persons in a managerial capacity, if the business is an association; and
6. the residence address of a person in charge of each place of business.

(b) The license application must be signed, verified, and filed on a form furnished by the department according to the rules adopted by the board.
Sec. 431.224.  FEES.  (a) The board shall collect fees for:
(1) a license that is filed or renewed;
(2) a license that is amended, including a notification of a change in the location of a licensed place of business required under Section 431.2251; and
(3) an inspection performed to enforce this subchapter and rules adopted under this subchapter.
(b) The board may charge annual fees.
(c) The board by rule shall set the fees in amounts that allow the department to recover at least 50 percent of the annual expenditures of state funds by the department in:
(1) reviewing and acting on a license;
(2) amending and renewing a license;
(3) inspecting a licensed facility; and
(4) implementing and enforcing this subchapter, including a rule or order adopted or a license issued under this subchapter.
(d) The department shall use not less than one-half of license fees collected for inspecting a licensed place of business or enforcing this subchapter, and the remainder for the administration of this subchapter.
(e) All license fees received by the department under this subchapter shall be deposited in the state treasury to the credit of the food and drug license fee fund.

Sec. 431.2245.  PROCESSING OF LICENSING FEES.  (a) The commissioner shall establish a system for processing licensing fees under this chapter, including vended water facility licensing fees.
(b) Under the fee processing system, the maximum time for processing a fee payment made by a negotiable instrument may not exceed 48 hours, beginning at the time that the negotiable instrument
is first received by the department and ending at the time that the fee payment is submitted for deposit by the department to the treasury division of the office of the comptroller.

(c) The comptroller shall cooperate with the commissioner in developing the fee processing system.

Added by Acts 1999, 76th Leg., ch. 697, Sec. 1, eff. Aug. 30, 1999.

Sec. 431.225. EXPIRATION DATE. (a) The board by rule may provide that licenses expire on different dates during the year.

(b) For the year in which the license expiration date is changed, license fees payable on or before September 1 shall be prorated so that each license holder pays only that portion of the license fee allocable to the number of months during which the license is valid. On renewal of the license on the new expiration date, the total license renewal fee is payable.

Sec. 431.2251. CHANGE IN LOCATION OF PLACE OF BUSINESS. Not later than the 31st day before the date of the change, the license holder shall notify in writing the commissioner or the commissioner's designee of the license holder's intent to change the location of a licensed place of business. The notice shall include the address of the new location and the name and residence address of the individual in charge of the place of business. Not later than the 10th day after the completion of the change of location, the license holder shall forward to the commissioner or the commissioner's designee the name and residence address of the individual in charge of the new place of business. Notice is considered adequate if the license holder provides the intent and verification notices to the commissioner or the commissioner's designee by certified mail, return receipt requested, mailed to the central office of the department.

Added by Acts 1993, 73rd Leg., ch. 713, Sec. 1, eff. Sept. 1, 1993.
Sec. 431.226. REFUSAL TO GRANT LICENSE; SUSPENSION OR REVOCATION OF LICENSE. (a) The commissioner may refuse an application for a license or may suspend or revoke a license. (b) The board by rule shall establish minimum standards for granting and maintaining a license. In adopting rules under this section, the board shall: (1) ensure that the minimum standards prioritize safe handling of fruits and vegetables based on known safety risks, including any history of outbreaks of food-borne communicable diseases; and (2) consider acceptable produce safety standards developed by a federal agency, state agency, or university. (c) The refusal or the suspension or revocation of a license by the commissioner and the appeal from that action are governed by the procedures for a contested case hearing under Chapter 2001, Government Code.

Sec. 431.227. FOOD SAFETY BEST PRACTICE EDUCATION PROGRAM. (a) The department shall approve food safety best practice education programs for places of business licensed under this chapter. (b) A place of business that completes a food safety best practice education program approved by the department shall receive a certificate valid for five years from the date of completion of the program. (c) When determining which places of business to inspect under Section 431.042, the appropriate inspecting authority shall consider whether the place of business holds a valid certificate from a food safety best practice education program under this section. (d) The executive commissioner of the Health and Human Services Commission shall adopt rules to implement this section.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1317 (S.B. 81), Sec. 3, eff. September 1, 2011.
SUBCHAPTER K.  GENERAL ADMINISTRATIVE PROVISIONS AND RULEMAKING AUTHORITY

Sec. 431.241. RULEMAKING AUTHORITY. (a) The board may adopt rules for the efficient enforcement of this chapter.
(b) The board may conform its rules, if practicable, with regulations adopted under the federal Act.
(c) The enumeration of specific federal laws and regulations in Sections 431.244 and 431.245 does not limit the general authority granted to the board in Subsection (b) to conform its rules to those adopted under the federal Act.
(d) The board may adopt the federal regulations issued by the secretary pursuant to the Prescription Drug Marketing Act of 1987 (21 U.S.C. Sections 331, 333, 353, and 381), as necessary or desirable so that the state wholesale drug distributor licensing program in Subchapter I of this chapter may achieve compliance with that Act.
(e) The board and the Texas Department of Human Services shall not establish a drug formulary that restricts by any prior or retroactive approval process a physician's ability to treat a patient with a prescription drug that has been approved and designated as safe and effective by the United States Food and Drug Administration, in compliance with federal law and subject to review by the Texas Department of Human Services, Vendor Drug Advisory Subcommittee.
(f) Nothing in this section shall effect a prior approval program in operation on the effective date of this section nor shall any portion of this chapter prohibit a prior approval process on any federally exempted products.
(g) The department may assess a fee for the issuance of a certificate of free sale and another certification issued under this chapter. The board by rule shall set each fee in an amount sufficient to recover the cost to the department of issuing the particular certificate.

Sec. 431.242. CONTESTED CASE HEARINGS AND APPEALS. A hearing
under this chapter or an appeal from a final administrative decision shall be conducted under Chapter 2001, Government Code.

Sec. 431.243. PERSONS TO CONDUCT HEARINGS. The commissioner or an officer, agent, or employee designated by the commissioner shall conduct a hearing authorized or required under this chapter.

Sec. 431.244. FEDERAL REGULATIONS ADOPTED AS STATE RULES. (a) A regulation adopted by the secretary under the federal Act concerning pesticide chemicals, food additives, color additives, special dietary use, processed low acid food, acidified food, infant formula, bottled water, or vended bottled water is a rule for the purposes of this chapter, unless the board modifies or rejects the rule.

(b) A regulation adopted under the Fair Packaging and Labeling Act (15 U.S.C. 1451 et seq.) is a rule for the purposes of this chapter, unless the board modifies or rejects the rule. The board may not adopt a rule that conflicts with the labeling requirements for the net quantity of contents required under Section 4 of the Fair Packaging and Labeling Act (15 U.S.C. 1453) and the regulations adopted under that Act.

(c) A regulation adopted by the secretary under Sections 403(b) through (i) of the federal Act is a rule for the purposes of this chapter unless the board modifies or rejects the rule. The board may not adopt a rule that conflicts with the limitations provided by Sections 403(q) and (r) of the federal Act.

(d) A federal regulation that this section provides as a rule for the purposes of this chapter is effective:

(1) on the date that the regulation becomes effective as a federal regulation; and

(2) whether or not the department has fulfilled the rulemaking provisions of Chapter 2001, Government Code.

(e) If the board modifies or rejects a federal regulation, the board shall comply with the rulemaking provisions of Chapter 2001,
Government Code.
(f) For any federal regulation adopted as a state rule under this chapter, including a regulation considered to be a rule for purposes of this chapter under Subsection (a), (b), or (c), the Department of State Health Services shall provide on its Internet website:

(1) a link to the text of the federal regulation;
(2) a clear explanation of the substance of and purpose for the regulation; and
(3) information on providing comments in response to any proposed or pending federal regulation, including an address to which and the manner in which comments may be submitted.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1317 (S.B. 81), Sec. 4, eff. September 1, 2011.

Sec. 431.245. DEFINITION OR STANDARD OF IDENTITY, QUALITY, OR FILL OF CONTAINER. (a) A definition or standard of identity, quality, or fill of container of the federal Act is a definition or standard of identity, quality, or fill of container in this chapter, except as modified by board rules.

(b) The board by rule may establish definitions and standards of identity, quality, and fill of container for a food if:

(1) a federal regulation does not apply to the food; and
(2) the board determines that adopting the rules will promote honest and fair dealing in the interest of consumers.

(c) A temporary permit granted for interstate shipment of an experimental pack of food that varies from the requirements of federal definitions and standards of identity is automatically effective in this state under the conditions of the permit.

(d) The commissioner may issue additional permits if the commissioner determines that:

(1) it is necessary for the completion of an otherwise adequate investigation; and
(2) the interests of consumers are safeguarded.

(e) A permit issued under Subsection (d) is subject to the terms and conditions of board rules.

Sec. 431.246. REMOVAL OF ADULTERATED ITEM FROM STORES. The board shall adopt rules that provide a system for removing adulterated items from the shelves of a grocery store or other retail establishment selling those items.

Sec. 431.247. DELEGATION OF POWERS OR DUTIES. (a) The board by rule may delegate a power or duty imposed on the commissioner by this chapter to a designee of the board, including the power or duty to issue an emergency rule, an emergency manufacturing permit, or an order or to render a final administrative decision.

(b) A health authority may, unless otherwise restricted by law, delegate a power or duty imposed on the health authority by this chapter to an employee of the local health department, the local health unit, or the public health district in which the health authority serves.

Sec. 431.2471. TEXAS DEPARTMENT OF HEALTH PEACE OFFICERS. (a) The department may employ a peace officer to administer and enforce this chapter.

(b) The department may not employ a peace officer under this section unless:

(1) the employee will enforce the food and drug portions of this chapter;

(2) the Texas Commission on Law Enforcement certifies the employee as qualified to be a peace officer;

(3) the commissioner recommends the employee to the department as being qualified to enforce the food and drug laws within the jurisdiction of the department; and
the employee also serves simultaneously as the director of the food and drugs division of the department.

(c) A person employed as a peace officer under this section has the powers, privileges, and immunities of a peace officer while carrying out the employee's duties under this chapter.

Added by Acts 1993, 73rd Leg., ch. 339, Sec. 1, eff. Sept. 1, 1993. Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 93 (S.B. 686), Sec. 2.38, eff. May 18, 2013.

Sec. 431.248. MEMORANDUM OF UNDERSTANDING WITH DEPARTMENT OF AGRICULTURE. (a) The department and the Department of Agriculture shall execute a memorandum of understanding that:

(1) requires each agency to disclose to the other agency any positive results of testing conducted by the agency for pesticides in food; and

(2) specifies how each agency will assist the other in performing its duties regarding pesticides in food.

(b) The department and the Department of Agriculture shall adopt the memorandum of understanding as a rule.

(c) The department and the Department of Agriculture shall request the federal Food and Drug Administration to join in execution of the memorandum of understanding.

Sec. 431.249. DISSEMINATION OF INFORMATION. (a) The commissioner may publish reports summarizing the judgments, decrees, and court orders rendered under this chapter, including the nature and disposition of the charge.

(b) The commissioner may disseminate information regarding a food, drug, device, or cosmetic in a situation that the commissioner determines to involve imminent danger to health or gross deception of consumers.

(c) This section does not prohibit the commissioner from collecting, reporting, and illustrating the results of an investigation by the commissioner.
SUBCHAPTER L. DEVICE DISTRIBUTORS AND MANUFACTURERS

Sec. 431.271. DEFINITIONS. In this subchapter:

(1) "Distributor" means a person who furthers the marketing of a finished domestic or imported device from the original place of manufacture to the person who makes final delivery or sale to the ultimate consumer or user. The term includes an importer or an own-label distributor. The term does not include a person who repackages a finished device or who otherwise changes the container, wrapper, or labelling of the finished device or the finished device package.

(2) "Finished device" means a device, or any accessory to a device, that is suitable for use, without regard to whether it is packaged or labelled for commercial distribution.

(3) "Importer" means any person who initially distributes a device imported into the United States.

(4) "Manufacturer" means a person who manufactures, fabricates, assembles, or processes a finished device. The term includes a person who repackages or relabels a finished device. The term does not include a person who only distributes a finished device.

(5) "Place of business" means each location at which a finished device is manufactured or held for distribution.

Sec. 431.272. LICENSE REQUIRED; MINIMUM STANDARDS. (a) Except as provided by Section 431.273, a person may not operate as a distributor or manufacturer of devices in this state unless the person has a license from the commissioner for each place of business.

(b) A distributor or manufacturer of devices in this state must comply with the minimum requirements specified in the federal Act and in this chapter.

Added by Acts 1993, 73rd Leg., ch. 440, Sec. 3, eff. Sept. 1, 1993. Amended by Acts 1995, 74th Leg., ch. 1047, Sec. 2, eff. Sept. 1,
Sec. 431.273. EXEMPTION FROM LICENSING. (a) A person is exempt from licensing under this subchapter if the person engages only in the following types of device distribution:

(1) intracompany sales;

(2) distribution from a place of business located outside of this state; or

(3) the sale, purchase, or trade of a distressed or reconditioned device by a salvage broker or a salvage operator licensed under Chapter 432 (Texas Food, Drug, Device, and Cosmetic Salvage Act).

(a-1) A person is exempt from licensing under this subchapter if the person holds a registration certificate issued under Chapter 266, Occupations Code, and engages only in conduct within the scope of that registration.

(b) An exemption from the licensing requirements under this section does not constitute an exemption from the other provisions of this chapter or the rules adopted by the board to administer and enforce this chapter.

Sec. 431.274. LICENSE APPLICATION. (a) A person applying for a license under this subchapter shall provide, at a minimum, the following information on a license application form furnished by the commissioner:

(1) the name under which the business is conducted;

(2) the address of each place of business that is licensed;

(3) the name and residence address of:

(A) the proprietor, if the business is a proprietorship;

(B) all partners, if the business is a partnership; or
(C)  all principals, if the business is an association;
(4)  the date and place of incorporation if the business is a corporation;
(5)  the names and residence addresses of the individuals in an administrative capacity showing:
  (A)  the managing proprietor, if the business is a proprietorship;
  (B)  the managing partner, if the business is a partnership;
  (C)  the officers and directors, if the business is a corporation;  or
  (D)  the persons in a managerial capacity, if the business is an association;  and
(6)  the residence address of an individual in charge of each place of business.

(b)  The license application must be signed, verified, and completed in a manner described in the rules adopted by the board.
(c)  A person applying for a license under this subchapter must pay a licensing fee for each place of business.

Added by Acts 1993, 73rd Leg., ch. 440, Sec. 3, eff. Sept. 1, 1993.

Sec. 431.275. ADVISORY COMMITTEE.  (a)  The board shall appoint a committee to:
(1) advise the board in the development of standards and procedures relating to the licensing of distributors and manufacturers of devices under this subchapter;
(2) make recommendations to the board relating to the content of the rules adopted to implement this subchapter;  and
(3) perform any other functions requested by the board in implementing and administering this subchapter.

(b)  The advisory committee is composed of:
(1)  one person representing a distributor of devices;
(2)  two persons representing manufacturers of devices;  and
(3)  two public members.

(c)  A person is not eligible for appointment as a public member if the person or the person's spouse:
(1) is licensed by an occupational regulatory agency in the health care field;
(2) is employed by a manufacturer or distributor of devices, by a health care facility, corporation, or agency, or by a corporation authorized to underwrite health care insurance;

(3) governs or administers a manufacturer or distributor of devices or a health care facility, corporation, or agency;

(4) has a financial interest, other than a consumer's interest, in a manufacturer or distributor of devices or a health care facility, corporation, or agency; or

(5) would qualify for appointment under Subsection (b)(1) or (2).

(d) The advisory committee members serve staggered three-year terms.

(e) A vacancy on the advisory committee is filled by the board in the same manner as other appointments to the advisory committee.

(f) A member of the advisory committee is not entitled to compensation, but is entitled to reimbursement of the member's travel expenses as provided in the General Appropriations Act for state employees.

(g) The advisory committee may elect a chair, vice chair, and secretary from among its members and may adopt rules for the conduct of its own activities.

(h) The advisory committee will have an opportunity to review and comment on the board's rules to carry out this subchapter before the rules are proposed.

Sec. 431.276. FEES. (a) The department shall collect fees for:

(1) a license that is filed or renewed;

(2) a license that is amended, including notification of a change of location of a licensed place of business required under Section 431.278, a change of the name of an association or corporation, or a change in the ownership of the licensee; and

(3) an inspection performed to enforce this subchapter and rules adopted under this subchapter.

(b) The board may charge annual fees.
(c) The board by rule shall set the fees in amounts that allow the department to recover at least 50 percent of the annual expenditures of state funds by the department in:

1. reviewing and acting on a license or renewal license;
2. amending a license;
3. inspecting a licensed facility; and
4. implementing and enforcing this subchapter, including a rule or order adopted or a license issued under this subchapter.

(d) At least half of the licensing fees collected shall be used to inspect an applicant or licensed place of business.

(e) Fees collected under this section shall be deposited to the credit of the food and drug registration fee account of the general revenue fund and may be appropriated to the department only to carry out this chapter.

Added by Acts 1993, 73rd Leg., ch. 440, Sec. 3, eff. Sept. 1, 1993.

Sec. 431.277. LICENSE EXPIRATION. (a) The board by rule may provide that licenses expire on different dates during the year.

(b) If the board changes a license expiration date, the board shall prorate the license fee payable on or before September 1 so that the licensee is required to pay only that portion of the fee that is allocable to the number of months during which the license is valid.

(c) The total renewal license fee is payable when the license is renewed on the new expiration date.

Added by Acts 1993, 73rd Leg., ch. 440, Sec. 3, eff. Sept. 1, 1993.

Sec. 431.278. CHANGE OF LOCATION OF PLACE OF BUSINESS. (a) Not fewer than 30 days in advance of the change, the licensee shall notify the commissioner or the commissioner's designee in writing of the licensee's intent to change the location of a licensed place of business. The notice shall include the address of the new location and the name and residence address of the individual in charge of the business at the new location.

(b) Not later than the 10th day after the date of completion of the change of location, the licensee shall notify the commissioner or the commissioner's designee in writing to verify the change of
location, the address of the new location, and the name and residence address of the individual in charge of the business at the new address.

(c) Notice is adequate if the licensee provides the intent and verification notices to the commissioner or the commissioner's designee by certified mail, return receipt requested, mailed to the central office of the department.

Added by Acts 1993, 73rd Leg., ch. 440, Sec. 3, eff. Sept. 1, 1993.

Sec. 431.279. REFUSAL TO LICENSE; SUSPENSION OR REVOCATION OF LICENSE. (a) The commissioner may refuse an application or may suspend or revoke a license if the applicant or licensee:

(1) has been convicted of a felony or misdemeanor that involves moral turpitude;

(2) is an association, partnership, or corporation and the managing officer has been convicted of a felony or misdemeanor that involves moral turpitude;

(3) has been convicted in a state or federal court of the illegal use, sale, or transportation of intoxicating liquors, narcotic drugs, barbiturates, amphetamines, desoxyephedrine, their compounds or derivatives, or any other dangerous or habit-forming drugs;

(4) is an association, partnership, or corporation and the managing officer has been convicted in a state or federal court of the illegal use, sale, or transportation of intoxicating liquors, narcotic drugs, barbiturates, amphetamines, desoxyephedrine, their compounds or derivatives, or any other dangerous or habit-forming drugs; or

(5) has not complied with this chapter or the board's rules implementing this chapter.

(b) The commissioner may refuse an application for a license or may suspend or revoke a license if the commissioner determines from evidence presented during a hearing that the applicant or licensee:

(1) has violated Section 431.021(1)(3), relating to the counterfeiting of a drug or the sale or holding for sale of a counterfeit drug;

(2) has violated Chapter 481 (Texas Controlled Substances Act) or 483 (Dangerous Drugs); or
(3) has violated the rules of the director of the Department of Public Safety, including being responsible for a significant discrepancy in the records that state law requires the applicant or licensee to maintain.

(c) The refusal to license an applicant or the suspension or revocation of a license by the commissioner and the appeal from that action are governed by the board's formal hearing procedures and the procedures for a contested case hearing under Chapter 2001, Government Code.

SUBCHAPTER M. DRUG DONATION PROGRAM

Sec. 431.321. DEFINITIONS. (a) "Charitable medical clinic" means a clinic, including a licensed pharmacy that is a community pharmaceutical access program provider, that provides medical care or drugs without charge or for a substantially reduced charge, complies with the insurance requirements of Chapter 84, Civil Practice and Remedies Code, and is exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986 by being listed as an exempt organization in Section 501(c)(3) or 501(c)(4) of the code and is operated exclusively for the promotion of social welfare by being primarily engaged in promoting the common good and general welfare of the people in a community.

(b) "Seller" means a person, other than a charitable drug donor, as defined in Chapter 82, Civil Practice and Remedies Code.
(c) "Manufacturer" means a person, other than a charitable drug donor, as defined in Chapter 82, Civil Practice and Remedies Code.
(d) "Charitable drug donor" means a licensed convalescent or nursing home or related institution, licensed hospice, hospital, physician, pharmacy, or a pharmaceutical seller or manufacturer that donates drugs pursuant to a qualified patient assistance program, that donates drugs to a charitable medical clinic.
(d-1) In this subchapter, "community pharmaceutical access program" means a program offered by a licensed pharmacy under which the pharmacy assists financially disadvantaged persons to access prescription drugs at no charge or at a substantially reduced charge.
(e) In this subchapter, "patient assistance program" means a qualified program offered by a pharmaceutical manufacturer under which the manufacturer provides drugs to financially disadvantaged persons at no charge or at a substantially reduced cost. The term does not include the provision of a drug as part of a clinical trial.

Added by Acts 2001, 77th Leg., ch. 1138, Sec. 1, eff. Jan. 1, 2002. Amended by:

Sec. 431.322. DONATION OF UNUSED DRUGS TO CHARITABLE MEDICAL CLINIC. (a) A charitable drug donor may donate certain unused prescription drugs to a charitable medical clinic, and a charitable clinic may accept, dispense, or administer the donated drugs in accordance with this subchapter.

(b) A seller or manufacturer of a drug may not donate drugs to a charitable medical clinic except pursuant to a qualified patient assistance program. A seller or manufacturer of a drug that donates drugs through a qualified patient assistance program shall be considered a charitable drug donor.

(c) The charitable drug donor shall use appropriate safeguards established by the board to ensure that the drugs are not compromised or illegally diverted while being stored or transported to the charitable medical clinic.

(d) The charitable medical clinic may not accept the donated drugs unless:

(1) the charitable drug donor certifies that the drugs have been properly stored while in the possession of the donor or of the person for whom the drugs were originally dispensed;

(2) the charitable drug donor provides the clinic with a verifiable address and telephone number; and

(3) the person transferring possession of the drugs presents the charitable medical clinic with photographic identification.

Sec. 431.323. CIRCUMSTANCES UNDER WHICH DONATED DRUGS MAY BE
ACCEPTED AND DISPENSED. (a) A charitable medical clinic may accept and dispense or administer donated drugs only in accordance with this subchapter.

(b) The donated drugs must be drugs that require a prescription. A donated drug may not be a controlled substance under Chapter 481.

(c) The donated drugs must be approved by the federal Food and Drug Administration and:

1. be sealed in the manufacturer's unopened original tamper-evident packaging and either:
   (A) individually packaged; or
   (B) packaged in unit-dose packaging;

2. be oral or parenteral medication in sealed single-dose containers approved by the federal Food and Drug Administration;

3. be topical or inhalant drugs in sealed units-of-use containers approved by the federal Food and Drug Administration; or

4. be parenteral medication in sealed multiple-dose containers approved by the federal Food and Drug Administration from which no doses have been withdrawn; and

5. must not be the subject of a mandatory recall by a state or federal agency or a voluntary recall by a drug seller or manufacturer.

(d) The charitable medical clinic may dispense or administer the donated drugs only:

1. before the expiration date or within the recommended shelf life of the donated drugs, as applicable; and

2. after a licensed pharmacist has determined that the drugs are of an acceptable integrity.

(e) The donated drugs may be accepted and dispensed or administered by the charitable medical clinic only in accordance with rules adopted by the department.

Sec. 431.324. RULES. The department shall adopt rules to implement this subchapter that are designed to protect the public health and safety.

Sec. 431.325. LIMITATION ON LIABILITY. (a) Charitable drug donors, charitable medical clinics, and their employees are not liable for harm caused by the accepting, dispensing, or administering of drugs donated in strict compliance with this subchapter unless the harm is caused by:

(i) willful or wanton acts of negligence;
(ii) conscious indifference or reckless disregard for the safety of others; or
(iii) intentional conduct.

(b) This section does not limit, or in any way affect or diminish, the liability of a drug seller or manufacturer pursuant to Chapter 82, Civil Practice and Remedies Code.

(c) This section shall not apply where harm results from the failure to fully and completely comply with the requirements of this subchapter.

(d) This section shall not apply to a charitable medical clinic that fails to comply with the insurance provisions of Chapter 84, Civil Practice and Remedies Code.

SUBCHAPTER N. WHOLESALE DISTRIBUTORS OF PRESCRIPTION DRUGS

Sec. 431.401. DEFINITIONS. In this subchapter:

(1) "Authentication" means to affirmatively verify before any wholesale distribution of a prescription drug occurs that each transaction listed on the pedigree for the drug has occurred.

(2) "Authorized distributor of record" means a distributor with whom a manufacturer has established an ongoing relationship to distribute the manufacturer's products in accordance with Section 431.4011.

(3) "Pharmacy warehouse" means a location for which a person holds a wholesale drug distribution license under this subchapter, that serves as a central warehouse for drugs or devices, and from which intracompany sales or transfers of drugs or devices are made to a group of pharmacies under common ownership and control.

(3-a) "Co-licensed product partner" means one of two or more parties that have the right to engage in the manufacturing or marketing of a prescription drug consistent with the United States Food and Drug Administration's regulations and guidances implementing

(3-b) "Drop shipment" means the sale of a prescription drug to a wholesale distributor by the manufacturer of the prescription drug, or by the manufacturer's co-licensed product partner, third-party logistics provider, or exclusive distributor, in which:

(A) the wholesale distributor takes title but not physical possession of the prescription drug;

(B) the wholesale distributor invoices the pharmacy, pharmacy warehouse, or other person authorized by law to dispense or administer the drug to a patient; and

(C) the pharmacy, pharmacy warehouse, or other authorized person receives delivery of the prescription drug directly from the manufacturer or the manufacturer's third-party logistics provider or exclusive distributor.

(4) "Logistics provider" means a person that receives prescription drugs only from the original manufacturer, delivers the prescription drugs at the direction of that manufacturer, and does not purchase, sell, trade, or take title to any prescription drug.

(4-a) "Manufacturer" means a person licensed or approved by the United States Food and Drug Administration to engage in the manufacture of drugs or devices, consistent with the federal agency's definition of "manufacturer" under the agency's regulations and guidances implementing the Prescription Drug Marketing Act of 1987 (Pub. L. No. 100-293). The term does not include a pharmacist engaged in compounding that is done within the practice of pharmacy and pursuant to a prescription drug order or initiative from a practitioner for a patient or prepackaging that is done in accordance with Section 562.154, Occupations Code.

(4-b) "Manufacturer's exclusive distributor" means a person who holds a wholesale distributor license under this subchapter, who contracts with a manufacturer to provide or coordinate warehousing, distribution, or other services on behalf of the manufacturer, and who takes title to, but does not have general responsibility to direct the sale or disposition of, the manufacturer's prescription drug. A manufacturer's exclusive distributor must be an authorized distributor of record to be considered part of the normal distribution channel.

(5) "Normal distribution channel" means a chain of custody for a prescription drug, either directly or by drop shipment, from the manufacturer of the prescription drug, the manufacturer to the
manufacturer's co-licensed product partner, the manufacturer to the manufacturer's third-party logistics provider, or the manufacturer to the manufacturer's exclusive distributor, to:

(A) a pharmacy to:
   (i) a patient; or
   (ii) another designated person authorized by law to dispense or administer the drug to a patient;

(B) an authorized distributor of record to:
   (i) a pharmacy to a patient; or
   (ii) another designated person authorized by law to dispense or administer the drug to a patient;

(C) an authorized distributor of record to a wholesale distributor licensed under this chapter to another designated person authorized by law to administer the drug to a patient;

(D) an authorized distributor of record to a pharmacy warehouse to the pharmacy warehouse's intracompany pharmacy;

(E) a pharmacy warehouse to the pharmacy warehouse's intracompany pharmacy or another designated person authorized by law to dispense or administer the drug to a patient;

(F) a person authorized by law to prescribe a prescription drug that by law may be administered only under the supervision of the prescriber; or

(G) an authorized distributor of record to one other authorized distributor of record to a licensed practitioner for office use.

(6) "Pedigree" means a document or electronic file containing information that records each wholesale distribution of a prescription drug, from sale by a manufacturer, through acquisition and sale by any wholesale distributor or repackager, until final sale to a pharmacy or other person dispensing or administering the prescription drug.

(7) "Place of business" means each location at which a drug for wholesale distribution is located.

(8) "Prescription drug" has the meaning assigned by 21 C.F.R. Section 203.3.

(9) "Repackage" means repackaging or otherwise changing the container, wrapper, or labeling of a drug to further the distribution of a prescription drug. The term does not include repackaging by a pharmacist to dispense a drug to a patient.

(10) "Repackager" means a person who engages in
repackaging.

(10-a) "Third-party logistics provider" means a person who holds a wholesale distributor license under this subchapter, who contracts with a prescription drug manufacturer to provide or coordinate warehousing, distribution, or other services on behalf of the manufacturer, and who does not take title to the prescription drug or have general responsibility to direct the prescription drug's sale or disposition. A third-party logistics provider must be an authorized distributor of record to be considered part of the normal distribution channel.

(11) "Wholesale distribution" means distribution of prescription drugs to a person other than a consumer or patient. The term does not include:

(A) intracompany sales of prescription drugs, which means transactions or transfers of prescription drugs between a division, subsidiary, parent, or affiliated or related company that is under common ownership and control, or any transaction or transfer between co-license holders of a co-licensed product;

(B) the sale, purchase, distribution, trade, or transfer of prescription drugs or the offer to sell, purchase, distribute, trade, or transfer a prescription drug for emergency medical reasons;

(C) the distribution of prescription drug samples by a representative of a manufacturer;

(D) the return of drugs by a hospital, health care entity, or charitable institution in accordance with 21 C.F.R. Section 203.23;

(E) the sale of reasonable quantities by a retail pharmacy of a prescription drug to a licensed practitioner for office use;

(F) the sale, purchase, or trade of a drug, an offer to sell, purchase, or trade a drug, or the dispensing of a drug under a prescription;

(G) the sale, transfer, merger, or consolidation of all or part of the business of a pharmacy from or with another pharmacy, whether accomplished as a purchase and sale of stock or business assets;

(H) the sale, purchase, or trade of a drug, or the offer to sell, purchase, or trade a drug, for emergency medical reasons, including a transfer of a prescription drug by a retail
pharmacy to another retail pharmacy to alleviate a temporary shortage;

(I) the delivery of, or offer to deliver, a prescription drug by a common carrier solely in the common carrier's usual course of business of transporting prescription drugs, if the common carrier does not store, warehouse, or take legal ownership of the prescription drug; or

(J) the sale or transfer from a retail pharmacy or pharmacy warehouse of expired, damaged, returned, or recalled prescription drugs to the original manufacturer or to a third-party returns processor.

(12) "Wholesale distributor" means a person engaged in the wholesale distribution of prescription drugs, including a manufacturer, repackager, own-label distributor, private-label distributor, jobber, broker, manufacturer warehouse, distributor warehouse, or other warehouse, manufacturer's exclusive distributor, authorized distributor of record, drug wholesaler or distributor, independent wholesale drug trader, specialty wholesale distributor, third-party logistics provider, retail pharmacy that conducts wholesale distribution, and pharmacy warehouse that conducts wholesale distribution.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Amended by:
Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 3, eff. September 1, 2007.
Acts 2009, 81st Leg., R.S., Ch. 1384 (S.B. 1645), Sec. 3, eff. June 19, 2009.

Sec. 431.4011. ONGOING RELATIONSHIP. In this subchapter, "ongoing relationship" means an association that exists when a manufacturer and distributor enter into a written agreement under which the distributor is authorized to distribute the manufacturer's products for a period of time or for a number of shipments. If the distributor is not authorized to distribute the manufacturer's entire product line, the agreement must identify the specific drug products that the distributor is authorized to distribute.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff.
Sec. 431.4012. APPLICABILITY OF SUBCHAPTER. This subchapter applies only to the wholesale distribution of prescription drugs.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.

Sec. 431.402. LICENSE REQUIRED. (a) A person may not engage in wholesale distribution of prescription drugs in this state unless the person holds a wholesale drug distribution license under this subchapter for each place of business.

(b) A license issued under this subchapter expires on the second anniversary of the date of issuance.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.

Sec. 431.403. EXEMPTION FROM LICENSING. (a) A person who engages in wholesale distribution of prescription drugs in this state for use in humans is exempt from this subchapter if the person is exempt under:

(1) the Prescription Drug Marketing Act of 1987 (21 U.S.C. Section 353(c)(3)(B));

(2) the regulations adopted by the secretary to administer and enforce that Act; or

(3) the interpretations of that Act set out in the compliance policy manual of the United States Food and Drug Administration.

(b) An exemption from the licensing requirements under this section does not constitute an exemption from the other provisions of this chapter or the rules adopted under this chapter to administer and enforce the other provisions of this chapter.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Sec. 431.4031. EXEMPTION FROM CERTAIN PROVISIONS FOR CERTAIN WHOLESALE DISTRIBUTORS. (a) A wholesale distributor that distributes prescription drugs that are medical gases or a wholesale distributor that is a manufacturer or a third-party logistics provider on behalf of a manufacturer is exempt from Sections 431.404(a)(5) and (6), (b), and (c), 431.4045(2), 431.405, 431.407, and 431.408.

(b) A state agency or a political subdivision of this state that distributes prescription drugs using federal or state funding to nonprofit health care facilities or local mental health or mental retardation authorities for distribution to a pharmacy, practitioner, or patient is exempt from Sections 431.405(b), 431.407, 431.408, 431.412, and 431.413.

(c) The executive commissioner of the Health and Human Services Commission by rule may exempt specific purchases of prescription drugs by state agencies and political subdivisions of this state if the executive commissioner determines that the requirements of this subchapter would result in a substantial cost to the state or a political subdivision of the state.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Amended by:
Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 4, eff. September 1, 2007.
Acts 2009, 81st Leg., R.S., Ch. 1384 (S.B. 1645), Sec. 4, eff. June 19, 2009.

Sec. 431.404. LICENSE APPLICATION. (a) An applicant for a license under this subchapter must submit an application to the department on the form prescribed by the department. The application must contain:

(1) the name, full business address, and telephone number of the applicant;

(2) all trade or business names under which the business is conducted;

(3) the address, telephone number, and name of a contact person for each of the applicant's places of business;

(4) the type of business entity and:
(A) if the business is a sole proprietorship, the name of the proprietor;

(B) if the business is a partnership, the name of the partnership and each of the partners; or

(C) if the business is a corporation, the name of the corporation, the place of incorporation, and the name and title of each corporate officer and director;

(5) the name and telephone number of, and any information necessary to complete a criminal history record check on, a designated representative of each place of business; and

(6) a list of all licenses and permits issued to the applicant by any other state under which the applicant is permitted to purchase or possess prescription drugs.

(b) Each person listed in Subsection (a)(5) shall provide the following to the department:

(1) the person's places of residence for the past seven years;

(2) the person's date and place of birth;

(3) the person's occupations, positions of employment, and offices held during the past seven years;

(4) the business name and address of any business, corporation, or other organization in which the person held an office under Subdivision (3) or in which the person conducted an occupation or held a position of employment;

(5) a statement of whether during the preceding seven years the person was the subject of a proceeding to revoke a license or a criminal proceeding and the nature and disposition of the proceeding;

(6) a statement of whether during the preceding seven years the person has been enjoined, either temporarily or permanently, by a court from violating any federal or state law regulating the possession, control, or distribution of prescription drugs, including the details concerning the event;

(7) a written description of any involvement by the person as an officer or director with any business, including any investments, other than the ownership of stock in a publicly traded company or mutual fund during the past seven years, that manufactured, administered, prescribed, distributed, or stored pharmaceutical products and any lawsuits in which the businesses were named as a party;

(8) a description of any misdemeanor or felony offense for
which the person, as an adult, was found guilty, regardless of whether adjudication of guilt was withheld or whether the person pled guilty or nolo contendere;

(9) a description of any criminal conviction of the person under appeal, a copy of the notice of appeal for that criminal offense, and a copy of the final written order of an appeal not later than the 15th day after the date of the appeal's disposition; and

(10) a photograph of the person taken not earlier than 180 days before the date the application was submitted.

(c) The information submitted under Subsection (b) must be attested to under oath.

(d) An applicant or license holder shall submit to the department any change in or correction to the information required under this section in the form and manner prescribed by the department.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Amended by:
 Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 5, eff. September 1, 2007.

Sec. 431.4045. INSPECTION REQUIRED. The department may not issue a wholesale distributor license to an applicant under this subchapter unless the department:

(1) conducts a physical inspection of the place of business at the address provided by the applicant under Section 431.404 or determines that an inspection is unnecessary after thoroughly evaluating the information in the application, the compliance history of the applicant and the applicant's principals, and the risk of counterfeiting in the applicant's product; and

(2) determines that the designated representative of the place of business meets the qualifications required by Section 431.405.

Added by Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 6, eff. September 1, 2007.

Sec. 431.405. QUALIFICATIONS FOR LICENSE. (a) The department
may not issue a wholesale distributor license to an applicant without considering the minimum federal information and related qualification requirements published in federal regulations at 21 C.F.R. Part 205, including:

(1) factors in reviewing the qualifications of persons who engage in wholesale distribution, 21 C.F.R. Section 205.6;
(2) appropriate education and experience for personnel employed in wholesale distribution, 21 C.F.R. Section 205.7; and
(3) the storage and handling of prescription drugs and the establishment and maintenance of prescription drug distribution records, 21 C.F.R. Section 205.50.

(b) In addition to meeting the minimum federal requirements as provided by Subsection (a), to qualify for the issuance or renewal of a wholesale distributor license under this subchapter, the designated representative of an applicant or license holder must:

(1) be at least 21 years of age;
(2) have been employed full-time for at least three years by a pharmacy or a wholesale distributor in a capacity related to the dispensing or distributing of prescription drugs, including recordkeeping for the dispensing or distributing of prescription drugs;
(3) be employed by the applicant full-time in a managerial-level position;
(4) be actively involved in and aware of the actual daily operation of the wholesale distributor;
(5) be physically present at the applicant's place of business during regular business hours, except when the absence of the designated representative is authorized, including sick leave and vacation leave;
(6) serve as a designated representative for only one applicant at any one time, except in a circumstance, as the department determines reasonable, in which more than one licensed wholesale distributor is colocated in the same place of business and the wholesale distributors are members of an affiliated group, as defined by Section 1504, Internal Revenue Code of 1986;
(7) not have been convicted of a violation of any federal, state, or local laws relating to wholesale or retail prescription drug distribution or the distribution of controlled substances; and
(8) not have been convicted of a felony under a federal, state, or local law.
Sec. 431.406. EFFECT OF OPERATION IN OTHER JURISDICTIONS; REPORTS. (a) A person who engages in the wholesale distribution of drugs outside this state may engage in the wholesale distribution of drugs in this state if the person holds a license issued by the department.

(b) The department may accept reports from authorities in other jurisdictions to determine the extent of compliance with this subchapter and the minimum standards adopted under this subchapter.

(c) The department may issue a license to a person who engages in the wholesale distribution of drugs outside this state to engage in the wholesale distribution of drugs in this state if, after an examination of the reports of the person's compliance history and current compliance record, the department determines that the person is in compliance with this subchapter and the rules adopted under this subchapter.

(d) The department shall consider each license application and any related documents or reports filed by or in connection with a person who wishes to engage in wholesale distribution of drugs in this state on an individual basis.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.

Sec. 431.407. CRIMINAL HISTORY RECORD INFORMATION. The department shall submit to the Department of Public Safety the fingerprints provided by a person with an initial or a renewal license application to obtain the person's criminal history record information and may forward the fingerprints to the Federal Bureau of Investigation for a federal criminal history check.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Sec. 431.408. BOND. (a) A wholesale distributor applying for or renewing a license shall submit payable to this state a bond or other equivalent security acceptable to the department, including an irrevocable letter of credit or a deposit in a trust account or financial institution, in the amount of $100,000 payable to this state.

(a-1) A pharmacy warehouse that is not engaged in wholesale distribution is exempt from the bond requirement under Subsection (a).

(b) The bond or equivalent security submitted under Subsection (a) shall secure payment of any fines or penalties imposed by the department or imposed in connection with an enforcement action by the attorney general, any fees or other enforcement costs, including attorney's fees payable to the attorney general, and any other fees and costs incurred by this state related to that license holder, that are authorized under the laws of this state and that the license holder fails to pay before the 30th day after the date a fine, penalty, fee, or cost is assessed.

(c) The department or this state may make a claim against a bond or security submitted under Subsection (a) before the first anniversary of the date a license expires or is revoked under this subchapter.

(c-1) A single bond is sufficient to cover all places of business operated by a wholesale distributor in this state.

(d) The department shall deposit the bonds and equivalent securities received under this section in a separate account.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Amended by:
Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 8, eff. September 1, 2007.

Sec. 431.409. FEES. (a) The department shall collect fees for:

(1) a license that is filed or renewed;

(2) a license that is amended, including a notification of a change in the location of a licensed place of business required under Section 431.410; and
(3) an inspection performed in enforcing this subchapter and rules adopted under this subchapter.

(b) The executive commissioner of the Health and Human Services Commission by rule shall set the fees in amounts that are reasonable and necessary and allow the department to recover the biennial expenditures of state funds by the department in:

(1) reviewing and acting on a license;
(2) amending and renewing a license;
(3) inspecting a licensed facility; and
(4) implementing and enforcing this subchapter, including a rule or order adopted or a license issued under this subchapter.

(c) Fees collected under this section shall be deposited to the credit of the food and drug registration fee account of the general revenue fund and appropriated to the department to carry out this chapter.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.

Sec. 431.4095. RENEWAL NOTIFICATION; CHANGE OR RENEWAL. (a) Before the expiration of a license issued under this subchapter, the department shall send to each licensed wholesale distributor a form containing a copy of the information the distributor provided to the department under Section 431.404.

(b) Not later than the 30th day after the date the wholesale distributor receives the form under Subsection (a), the wholesale distributor shall identify and state under oath to the department any change in or correction to the information.

Added by Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 9, eff. September 1, 2007.

Sec. 431.410. CHANGE OF LOCATION OF PLACE OF BUSINESS. (a) Not fewer than 30 days in advance of the change, the license holder shall notify the department in writing of the license holder's intent to change the location of a licensed place of business.

(b) The notice shall include the address of the new location and the name and residence address of the individual in charge of the business at the new location.
(c) Not more than 10 days after the completion of the change of location, the license holder shall notify the department in writing to confirm the completion of the change of location and provide verification of the information previously provided or correct and confirm any information that has changed since providing the notice of intent.

(d) The notice and confirmation required by this section are considered adequate if the license holder sends the notices by certified mail, return receipt requested, to the central office of the department or submits the notices electronically through the state electronic Internet portal.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 973 (H.B. 1504), Sec. 30, eff. June 17, 2011.

Sec. 431.411. MINIMUM RESTRICTIONS ON TRANSACTIONS. (a) A wholesale distributor shall receive prescription drug returns or exchanges from a pharmacy or pharmacy warehouse in accordance with the terms and conditions of the agreement between the wholesale distributor and the pharmacy or pharmacy warehouse. An expired, damaged, recalled, or otherwise nonsalable prescription drug that is returned to the wholesale distributor may be distributed by the wholesale distributor only to either the original manufacturer or a third-party returns processor. The returns or exchanges, salable or otherwise, received by the wholesale distributor as provided by this subsection, including any redistribution of returns or exchanges by the wholesale distributor, are not subject to the pedigree requirement under Section 431.412 if the returns or exchanges are exempt from pedigree under:

(1) Section 503, Prescription Drug Marketing Act of 1987 (21 U.S.C. Section 353(c)(3)(B));
(2) the regulations adopted by the secretary to administer and enforce that Act; or
(3) the interpretations of that Act set out in the compliance policy guide of the United States Food and Drug Administration.
(a-1) Each wholesale distributor and pharmacy shall administer the process of drug returns and exchanges to ensure that the process is secure and does not permit the entry of adulterated or counterfeit drugs into the distribution channel.

(a-2) Notwithstanding any provision of state or federal law to the contrary, a person that has not otherwise been required to obtain a wholesale license under this subchapter and that is a pharmacy engaging in the sale or transfer of expired, damaged, returned, or recalled prescription drugs to the originating wholesale distributor or manufacturer and pursuant to federal statute, rules, and regulations, including the United States Food and Drug Administration's applicable guidances implementing the Prescription Drug Marketing Act of 1987 (Pub. L. No. 100-293), is exempt from wholesale licensure requirements under this subchapter.

(b) A manufacturer or wholesale distributor may distribute prescription drugs only to a person licensed by the appropriate state licensing authorities or authorized by federal law to receive the drug. Before furnishing prescription drugs to a person not known to the manufacturer or wholesale distributor, the manufacturer or wholesale distributor must verify that the person is legally authorized by the appropriate state licensing authority to receive the prescription drugs or authorized by federal law to receive the drugs.

(c) Except as otherwise provided by this subsection, prescription drugs distributed by a manufacturer or wholesale distributor may be delivered only to the premises listed on the license. A manufacturer or wholesale distributor may distribute prescription drugs to an authorized person or agent of that person at the premises of the manufacturer or wholesale distributor if:

(1) the identity and authorization of the recipient is properly established; and

(2) delivery is made only to meet the immediate needs of a particular patient of the authorized person.

(d) Prescription drugs may be distributed to a hospital pharmacy receiving area if a pharmacist or an authorized receiving person signs, at the time of delivery, a receipt showing the type and quantity of the prescription drug received. Any discrepancy between the receipt and the type and quantity of the prescription drug actually received shall be reported to the delivering manufacturer or wholesale distributor not later than the next business day after the
Sec. 431.412. PEDIGREE REQUIRED.  (a) A person who is engaged in the wholesale distribution of a prescription drug, including a repackager but excluding the original manufacturer, shall provide a pedigree for each prescription drug for human consumption that leaves or at any time has left the normal distribution channel and is sold, traded, or transferred to any other person.

(b) Repealed by Acts 2007, 80th Leg., R.S., Ch. 980, Sec. 14.

(b-1) A retail pharmacy or pharmacy warehouse is required to comply with this section only if the pharmacy or warehouse engages in the wholesale distribution of a prescription drug.

(c) Repealed by Acts 2007, 80th Leg., R.S., Ch. 980, Sec. 14.

(d) A person who is engaged in the wholesale distribution of a prescription drug, including a repackager, but excluding the original manufacturer of the finished form of a prescription drug, and who is in possession of a pedigree for a prescription drug must verify before distributing the prescription drug that each transaction listed on the pedigree has occurred.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Amended by:

Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 11, eff. September 1, 2007.

Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 14 eff. September 1, 2007.

Sec. 431.413. PEDIGREE CONTENTS.  (a) A pedigree must include all necessary identifying information concerning each sale in the product's chain of distribution from the manufacturer, through acquisition and sale by a wholesale distributor or repackager, until final sale to a pharmacy or other person dispensing or administering
the drug. At a minimum, the chain of distribution information must include:

(1) the name, address, telephone number, and, if available, the e-mail address of each person who owns the prescription drug and each wholesale distributor of the prescription drug;
(2) the name and address of each location from which the product was shipped, if different from the owner's name and address;
(3) the transaction dates; and
(4) certification that each recipient has authenticated the pedigree.

(b) The pedigree must include, at a minimum, the:
(1) name of the prescription drug;
(2) dosage form and strength of the prescription drug;
(3) size of the container;
(4) number of containers;
(5) lot number of the prescription drug; and
(6) name of the manufacturer of the finished dosage form.

(c) Each pedigree statement must be:
(1) maintained by the purchaser and the wholesale distributor for at least three years; and
(2) available for inspection and photocopying not later than the second business day after the date a request is submitted by the department or a peace officer in this state.

(d) The executive commissioner of the Health and Human Services Commission shall adopt rules to implement this section.

(e-1) If, after consulting with manufacturers, distributors, and pharmacies responsible for the sale and distribution of prescription drugs in this state, the department determines that electronic track and trace pedigree technology is universally available across the entire prescription pharmaceutical supply chain, the department shall establish a targeted implementation date for electronic track and trace pedigree technology. After the department has established a targeted implementation date, the department may revise the date. The targeted implementation date may not be earlier than July 1, 2010.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Amended by:

Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 12, eff.
Sec. 431.414. REFUSAL TO LICENSE; SUSPENSION OR REVOCATION OF LICENSE. (a) The commissioner of state health services may refuse an application for a license or may suspend or revoke a license if the applicant or license holder:

(1) has been convicted of a felony or misdemeanor that involves moral turpitude;

(2) is an association, partnership, or corporation and the managing officer has been convicted of a felony or misdemeanor that involves moral turpitude;

(3) has been convicted in a state or federal court of the illegal use, sale, or transportation of intoxicating liquors, narcotic drugs, barbiturates, amphetamines, desoxyephedrine, their compounds or derivatives, or any other dangerous or habit-forming drugs;

(4) is an association, partnership, or corporation and the managing officer has been convicted in a state or federal court of the illegal use, sale, or transportation of intoxicating liquors, narcotic drugs, barbiturates, amphetamines, desoxyephedrine, their compounds or derivatives, or any other dangerous or habit-forming drugs;

(5) has not complied with this subchapter or the rules implementing this subchapter;

(6) has violated Section 431.021(l)(3), relating to the counterfeiting of a drug or the sale or holding for sale of a counterfeit drug;

(7) has violated Chapter 481 or 483; or

(8) has violated the rules of the director of the Department of Public Safety, including being responsible for a significant discrepancy in the records that state law requires the applicant or license holder to maintain.

(a-1) The commissioner of state health services may suspend or revoke a license if the license holder no longer meets the qualifications for obtaining a license under Section 431.405.

(b) The executive commissioner of the Health and Human Services Commission by rule shall establish minimum standards required for the issuance or renewal of a license under this subchapter.

(c) The department shall deny a license application that is
incomplete, contains false, misleading, or incorrect information, or contains information that cannot be verified by the department.

(d) The refusal to license an applicant or the suspension or revocation of a license by the department and the appeal from that action are governed by the procedures for a contested case hearing under Chapter 2001, Government Code.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Amended by:
    Acts 2007, 80th Leg., R.S., Ch. 980 (S.B. 943), Sec. 13, eff. September 1, 2007.

Sec. 431.415. ORDER TO CEASE DISTRIBUTION. (a) The commissioner of state health services shall issue an order requiring a person, including a manufacturer, distributor, or retailer of a prescription drug, to immediately cease distribution of the drug if the commissioner determines there is a reasonable probability that:

(1) a wholesale distributor has:
    (A) violated this subchapter;
    (B) falsified a pedigree; or
    (C) sold, distributed, transferred, manufactured, repackaged, handled, or held a counterfeit prescription drug intended for human use that could cause serious adverse health consequences or death; and

(2) other procedures would result in unreasonable delay.

(b) An order under Subsection (a) must provide the person subject to the order with an opportunity for an informal hearing on the actions required by the order to be held not later than the 10th day after the date of issuance of the order.

(c) If, after providing an opportunity for a hearing, the commissioner of state health services determines that inadequate grounds exist to support the actions required by the order, the commissioner shall vacate the order.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 3(g), eff. March 1, 2006.
Sec. 432.001. SHORT TITLE. This chapter may be cited as the Texas Food, Drug, Device, and Cosmetic Salvage Act.

Sec. 432.002. PURPOSE. The purpose of this chapter is to protect the health of the people of this state by preventing the sale or distribution of adulterated or misbranded food, drugs, devices, or cosmetics.

Sec. 432.003. DEFINITIONS. In this chapter:

(1) "Board" means the Texas Board of Health.
(2) "Commissioner" means the commissioner of health.
(3) "Cosmetic" means an article or a substance, or a component of an article or substance, that is intended to be rubbed, poured, sprinkled, or sprayed on, introduced into, or otherwise applied to the human body for cleansing, beautifying, promoting attractiveness, or altering the appearance. The term does not include soap.

(B) has been subjected to prolonged or improper storage;

(C) has been subjected for any reason to abnormal
environmental conditions, including temperature extremes, humidity, smoke, water, fumes, pressure, or radiation;

(D) has been subjected to conditions that result in either its strength, purity, or quality falling below that which it purports or is represented to possess; or

(E) may have been rendered unsafe or unsuitable for human consumption or use for any reason other than those specified by this subdivision.

(7) "Drug" means an article or substance, other than a device, that is:

(A) recognized in the official United States Pharmacopoeia, the official Homeopathic Pharmacopoeia of the United States, the official National Formulary, or a supplement to any of those publications;

(B) designed or intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in humans or other animals;

(C) intended to affect the structure or any function of the body of a human or other animal, excluding food; or

(D) intended for use as a component of an article or substance specified by this subdivision.

(8) "Food" means an article or a component of an article of human food or drink, and includes chewing gum.

(9) "Manufacture" means the combining, purifying, processing, packing, or repacking of food, drugs, devices, or cosmetics for wholesale or retail sale.

(10) "Manufacturer" includes a person who represents himself as responsible for the purity and proper labeling of a food, drug, device, or cosmetic.

(11) "Nonprofit organization" means an organization that has received an exemption from federal taxation under 26 U.S.C. Section 501 and is described by Subsection (c)(3) of that section.

(12) "Reconditioning" means any appropriate process or procedure by which distressed merchandise can be brought into compliance with departmental standards for the consumption or use of that merchandise by the public.

(13) "Sale or distribution" means the act of selling or distributing, whether or not for compensation. The term includes delivery, holding or offering for sale, transfer, auction, storage, or any other means of handling or trafficking.
(14) "Salvage broker" means a person who engages in the business of selling, distributing, or otherwise trafficking in distressed or salvaged merchandise, but who does not operate a salvage establishment.

(15) "Salvage establishment" means a place of business that is engaged in reconditioning or otherwise salvaging distressed merchandise, or that buys, sells, or distributes salvaged merchandise for human use.

(16) "Salvage operator" means a person who is engaged in the business of operating a salvage establishment.

(17) "Salvage warehouse" means a separate storage facility used by a salvage broker or salvage establishment to hold distressed or salvaged merchandise.

(18) "Salvaged merchandise" means distressed merchandise that has been reconditioned.

Sec. 432.004. EXCEPTIONS. (a) This chapter does not apply to:

1. a manufacturer, distributor, or processor of a food, drug, device, or cosmetic who, in the normal course of business, reconditions the items manufactured, distributed, or processed by or for that person and not purchased by that person solely for the purpose of reconditioning and sale;

2. a common carrier, or the common carrier’s agent, who disposes of or otherwise transfers undamaged or distressed food, drugs, devices, or cosmetics to a person who is exempt under this section or to a licensed salvage broker or salvage operator;

3. a person who transfers distressed merchandise to a licensed salvage broker or salvage operator; or

4. a nonprofit organization that distributes food to the needy under Chapter 76, Civil Practice and Remedies Code (Good Faith Donor Act), but that does not recondition the food.

(b) In this chapter, a pharmacist licensed under the law of this state is not considered a manufacturer when the pharmacist fills a prescription from a licensed practitioner or when the pharmacist compounds or mixes drugs or medicine in the pharmacist’s professional capacity.
Sec. 432.005. LICENSE REQUIRED. (a) A person may not operate a salvage establishment in this state without a salvage operator license issued by the department.

(b) A person may not act as a salvage broker in this state without a salvage broker license issued by the department.

(c) A salvage operator or salvage broker who is engaging only within the scope of the license issued under this chapter is not required to also be licensed under Chapter 431.

Sec. 432.006. LICENSE APPLICATION. An applicant for a salvage broker license or salvage operator license must:

(1) file a license application on a form prescribed by the department;

(2) pay a nonrefundable license fee to the department; and

(3) cooperate with the department in any required prelicensing inspections.

Sec. 432.007. ISSUANCE OF LICENSE. (a) The department shall issue a license to an applicant who complies with Section 432.006 and who meets the minimum qualifications established by the board.

(b) A license issued under this chapter expires one year after the date of issuance.

(c) A separate license is required for each salvage establishment.

(d) A license may not be transferred from one person to another or from one location to another.

(e) A salvage operator or salvage broker shall display the license in accordance with board rules.

Sec. 432.008. LICENSE RENEWAL. (a) A license holder under this chapter may renew the license by filing with the department, before the expiration date of the current license, a renewal application on a form prescribed by the department, accompanied by a nonrefundable renewal fee.
(b) After an inspection to determine the license holder's compliance with the rules adopted by the board, the department shall renew the license of a license holder who submits a renewal application and pays the renewal fee.

Sec. 432.009. FEES. (a) The board shall adopt, charge, and collect fees for each license application or renewal application submitted under this chapter and for inspections performed to enforce this chapter and the rules adopted under this chapter. The board may charge the fees annually.
(b) The board by rule shall set the fees in amounts sufficient for the department to recover not less than half of the actual annual expenditures of state funds by the department to:
   (1) review and act on licenses;
   (2) amend and renew licenses;
   (3) inspect establishments operated by license holders;
   and
   (4) implement and enforce this chapter and rules and orders adopted and licenses issued under this chapter.
(c) A nonprofit organization is exempt from the payment of a fee imposed under this chapter.

Sec. 432.0095. PROCESSING OF FOOD SALVAGE ESTABLISHMENT LICENSING FEES. (a) The commissioner shall establish a system for processing food salvage establishment licensing fees.
(b) Under the fee processing system, the maximum time for processing a fee payment made by a negotiable instrument may not exceed 48 hours, beginning at the time that the negotiable instrument is first received by the department and ending at the time that the fee payment is submitted for deposit by the department to the
treasury division of the office of the comptroller.

(c) The comptroller shall cooperate with the commissioner in developing the fee processing system.

Sec. 432.010. FUND. A fee collected by the department under this chapter shall be deposited in the state treasury to the credit of the food, drug, device, and cosmetic salvage fund. The fund may be used only to implement this chapter.

Sec. 432.011. MINIMUM STANDARDS. (a) The board shall adopt rules prescribing minimum standards or related requirements for:

(1) the operation of salvage establishments and salvage warehouses; and

(2) qualifications for licenses issued under this chapter.

(b) The rules shall prescribe standards for food, drugs, devices, and cosmetics in separate subchapters.

Sec. 432.012. POWERS OF DEPARTMENT. The department may:

(1) enter into contracts or agreements necessary to implement this chapter;

(2) conduct inspections and secure samples;

(3) establish and maintain educational programs for salvage operators and salvage brokers; and

(4) compile and publish statistical and other studies on the nature and scope of the salvage industry in this state.

Sec. 432.013. DENIAL, SUSPENSION, OR REVOCATION OF LICENSE. (a) The department may deny, suspend, or revoke the license of an
applicant or license holder who fails to comply with this chapter or
the rules adopted under this chapter.

(b) When there is an imminent threat to the health or safety of
the public, the department may suspend a license without notice in
accordance with rules adopted by the board for the emergency
suspension of licenses.

(c) The department's hearing rules and the applicable
provisions of Chapter 2001, Government Code govern a hearing before
the department for the denial, suspension, emergency suspension, or
revocation of a license and any appeal from that hearing.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), eff. Sept. 1, 1995.

Sec. 432.014. REINSTATEMENT OF LICENSE. (a) Not later than
the 30th day after the date of the denial or emergency suspension, a
person whose license application has been denied or whose license has
been placed under an emergency suspension may request a reinspection
for the purpose of granting or reinstating the license.

(b) The department shall perform the reinspection not later
than the 10th day after the date of receipt of a written request for
reinspection from the applicant or license holder.

Sec. 432.015. EFFECT OF OPERATION IN OTHER JURISDICTION;
REPORTS. (a) A person who operates a salvage establishment or acts
as a salvage broker outside this state may sell, distribute, or
otherwise traffic in distressed or salvaged merchandise in this state
if the person holds a license issued by the department.

(b) The department may accept reports from authorities in other
jurisdictions to determine the extent of compliance with the minimum
standards adopted under this chapter.

Sec. 432.016. MUNICIPAL REGULATION. A municipality by
ordinance may regulate salvage operators, salvage brokers, and
salvage establishments. An ordinance may be stricter than the minimum standards established under this chapter or by rules adopted under this chapter, but it may not be less strict.

Sec. 432.017. USE OF SALVAGE WAREHOUSE. A person may not use a salvage warehouse to recondition merchandise or to sell to consumers.

Sec. 432.018. CIVIL PENALTY; INJUNCTION. (a) If it appears that a person has violated, is violating, or is threatening to violate this chapter or a rule adopted or order issued under this chapter, the commissioner may request the attorney general or a district, county, or municipal attorney of the municipality or county in which the violation has occurred, is occurring, or may occur to institute a civil suit for:

(1) an order enjoining the act or an order directing compliance;

(2) a permanent or temporary injunction, restraining order, or other appropriate order if the department shows that the person is engaged in or is about to engage in any of the acts;

(3) the assessment and recovery of a civil penalty; or

(4) both the injunctive relief and civil penalty.

(b) The penalty may be in an amount not to exceed $25,000 for each violation. Each day a violation continues is a separate violation.

(c) In determining the amount of the penalty, the court shall consider:

(1) the person's history of previous violations;

(2) the seriousness of the violation;

(3) any hazard to the health and safety of the public;

(4) the demonstrated good faith of the person charged; and

(5) other matters as justice may require.

(d) Venue for a suit brought under this section is in the municipality or county in which the violation occurred or in Travis County.

(e) A civil penalty recovered in a suit instituted by a local
government under this chapter shall be paid to the local government.

(f) The commissioner and the attorney general may each recover reasonable expenses incurred in obtaining injunctive relief, civil penalties, or both under this section, including investigative costs, court costs, reasonable attorney fees, witness fees, and deposition expenses.

Sec. 432.019. CRIMINAL PENALTY. (a) A person commits an offense if the person:

(1) operates a salvage establishment or acts as a salvage broker without a license issued under this chapter; or

(2) fails to comply with a rule adopted under Section 432.011.

(b) An offense under this section is a Class A misdemeanor.

Sec. 432.020. EMERGENCY ORDER. (a) The commissioner or the commissioner's designee may issue an emergency order, either mandatory or prohibitory, concerning the sale or distribution of distressed foods, drugs, devices, or cosmetics in the department's jurisdiction if the commissioner or the commissioner's designee determines that:

(1) the sale or distribution of those foods, drugs, devices, or cosmetics creates or poses an immediate and serious threat to human life or health; and

(2) other procedures available to the department to remedy or prevent the occurrence of the situation will result in unreasonable delay.

(b) The commissioner or the commissioner's designee may issue the emergency order without notice and hearing if the commissioner or the commissioner's designee determines it is necessary under the circumstances.

(c) If an emergency order is issued without a hearing, the department, not later than the 30th day after the date on which the
emergency order is issued, shall determine a time and place for a hearing at which the emergency order will be affirmed, modified, or set aside. The hearing shall be held under departmental formal hearing rules.

Added by Acts 1993, 73rd Leg., ch. 556, Sec. 1, eff. Sept. 1, 1993.

Sec. 432.021. ADMINISTRATIVE PENALTY. (a) The commissioner may assess an administrative penalty against a person who violates a rule adopted under Section 432.011 or an order adopted or license issued under this chapter.

(b) In determining the amount of the penalty, the commissioner shall consider:

(1) the person's previous violations;
(2) the seriousness of the violation;
(3) any hazard to the health and safety of the public;
(4) the person's demonstrated good faith; and
(5) other matters as justice may require.

(c) The penalty may not exceed $25,000 for each violation. Each day a violation continues is a separate violation.

Added by Acts 1993, 73rd Leg., ch. 556, Sec. 1, eff. Sept. 1, 1993.

Sec. 432.022. ADMINISTRATIVE PENALTY ASSESSMENT PROCEDURE. (a) An administrative penalty may be assessed only after a person charged with a violation is given an opportunity for a hearing.

(b) If a hearing is held, the commissioner shall make findings of fact and shall issue a written decision regarding the occurrence of the violation and the amount of the penalty.

(c) If the person charged with the violation does not request a hearing, the commissioner may assess a penalty after determining that a violation has occurred and the amount of the penalty.

(d) After making a determination under this section that a penalty is to be assessed, the commissioner shall issue an order requiring that the person pay the penalty.

(e) The commissioner may consolidate a hearing held under this section with another proceeding.

Added by Acts 1993, 73rd Leg., ch. 556, Sec. 1, eff. Sept. 1, 1993.
Sec. 432.023. PAYMENT OF ADMINISTRATIVE PENALTY. (a) Not later than the 30th day after the date of issuance of an order finding that a violation has occurred, the commissioner shall inform the person against whom the order is issued of the amount of the penalty.

(b) Not later than the 30th day after the date on which a decision or order charging a person with a penalty is final, the person shall:

(1) pay the penalty in full; or

(2) if the person seeks judicial review of the amount of the penalty, the fact of the violation, or both:

(A) send the amount of the penalty to the commissioner for placement in an escrow account; or

(B) post with the commissioner a bond for the amount of the penalty.

(c) A bond posted under this section must be in a form approved by the commissioner and be effective until all judicial review of the order or decision is final.

(d) A person who does not send money to the commissioner or post the bond within the period prescribed by Subsection (b) waives all rights to contest the violation or the amount of the penalty.

Added by Acts 1993, 73rd Leg., ch. 556, Sec. 1, eff. Sept. 1, 1993.

Sec. 432.024. REFUND OF ADMINISTRATIVE PENALTY. Not later than the 30th day after the date of a judicial determination that an administrative penalty against a person should be reduced or not assessed, the commissioner shall:

(1) remit to the person the appropriate amount of any penalty payment plus accrued interest; or

(2) execute a release of the bond if the person has posted a bond.

Added by Acts 1993, 73rd Leg., ch. 556, Sec. 1, eff. Sept. 1, 1993.

Sec. 432.025. RECOVERY OF ADMINISTRATIVE PENALTY BY ATTORNEY GENERAL. The attorney general, at the request of the commissioner,
may bring a civil action to recover an administrative penalty under this chapter.

Added by Acts 1993, 73rd Leg., ch. 556, Sec. 1, eff. Sept. 1, 1993.

Sec. 432.026. DETAINED OR EMBARGOED ARTICLE. In accordance with Subchapter C, Chapter 431, the department may detain or embargo an article, including an article that is distressed merchandise, that is in the possession of a person licensed under this chapter and that is being held for the purpose of reconditioning in accordance with this chapter if the department makes the finding required by Section 431.048(e).

Added by Acts 2001, 77th Leg., ch. 265, Sec. 8, eff. May 22, 2001.

CHAPTER 433. TEXAS MEAT AND POULTRY INSPECTION ACT

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 433.001. SHORT TITLE. This chapter may be cited as the Texas Meat and Poultry Inspection Act.

Sec. 433.002. POLICY. (a) Meat and meat food products are an important source of the nation's total food supply. It is essential in the public interest that the health and welfare of consumers be protected by assuring that meat and meat food products distributed to them are wholesome, unadulterated, and properly marked, labeled, and packaged. Unwholesome, adulterated, or misbranded meat or meat food products:

1. injure the public welfare;
2. destroy markets for wholesome, unadulterated, and properly labeled and packaged meat and meat food products;
3. cause losses to livestock producers and processors of meat and meat food products;
4. cause injury to consumers; and
5. can be sold at lower prices and compete unfairly with wholesome, unadulterated, and properly labeled and packaged articles, to the detriment of consumers and the public.
(b) Regulation by the commissioner and cooperation by this state and the United States as provided by this chapter are appropriate to protect the health and welfare of consumers and otherwise accomplish the purposes of this chapter.

Sec. 433.003. DEFINITIONS. In this chapter:

(1) "Animal food manufacturer" means a person in the business of manufacturing or processing animal food any part of which is derived from a carcass, or a part or product of a carcass, of livestock.

(2) "Capable of use as human food" means:
(A) not naturally inedible by humans; or
(B) not denatured or otherwise identified as required by rule of the commissioner to deter its use as human food.

(3) "Color additive" has the meaning given by the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.).

(4) "Commissioner" means the commissioner of health.

(5) "Exotic animal" means a member of a species of game not indigenous to this state, including an axis deer, nilga antelope, red sheep, or other cloven-hooved ruminant animal.

(6) "Food additive" has the meaning given by the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.).

(7) "Inedible animal product" means a product, other than a meat food product, any part of which is made from a carcass, or a part or product of a carcass, of livestock.

(8) "Interstate commerce" means commerce between this state and:
(A) another state of the United States; or
(B) a foreign country.

(9) "Label" means a display of written, printed, or other graphic matter on the product or the immediate container, other than a package liner, of an article.

(10) "Labeling" means:
(A) a label; or
(B) other written, printed, or graphic material on an article or any container or wrapper of an article, or accompanying an article.
(11) "Livestock" means cattle, bison, sheep, swine, goats, horses, mules, other equines, poultry, domestic rabbits, exotic animals, or domesticated game birds.

(12) "Meat broker" means a person in the business of buying or selling, on commission, carcasses, parts of carcasses, meat, or meat food products of livestock, or otherwise negotiating purchases or sales of those articles other than for the person's own account or as an employee of another person.

(13) "Meat food product" means a product that is capable of use as human food and that is made in whole or part from meat or other portion of the carcass of livestock, except a product that:

(A) contains meat or other portions of the carcass only in a relatively small proportion or that historically has not been considered by consumers as a product of the meat food industry; and

(B) is exempted from the definition of meat food product by the commissioner under conditions that the commissioner prescribes to assure that the meat or other portions of the carcass contained in the product are unadulterated and that the product is not represented as a meat food product.

(14) "Official certificate" means a certificate prescribed by rule of the commissioner for issuance by an inspector or other person performing official functions under this chapter.

(15) "Official marking device" means a device prescribed or authorized by the commissioner for use in applying an official mark.

(16) "Official establishment" means an establishment designated by the commissioner at which inspection of the slaughter of livestock or the preparation of livestock products is maintained under this chapter.

(17) "Official inspection legend" means a symbol prescribed by rule of the commissioner showing that an article was inspected and passed as provided by this chapter.

(18) "Official mark" means the official inspection legend or other symbol prescribed by rule of the commissioner to identify the status of an article or animal under this chapter.

(19) "Pesticide chemical" has the meaning given by the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.).

(20) "Poultry" means a live or dead domesticated bird.

(21) "Poultry product" means a poultry carcass, part of a poultry carcass, or a product any part of which is made from a poultry carcass or part of a poultry carcass, except a product that:
(A) contains poultry ingredients only in a relatively small proportion or that historically has not been considered by consumers as a product of the poultry food industry; and

(B) is exempted from the definition of poultry product by the commissioner under conditions that the commissioner prescribes to assure that the poultry ingredients in the product are unadulterated and that the product is not represented as a poultry product.

(22) "Prepared" means slaughtered, canned, salted, rendered, boned, cut up, stuffed, or manufactured or processed in any other manner.

(23) "Processing establishment" means a slaughtering, packing, meat-canning, or rendering establishment or a similar establishment.

(24) "Raw agricultural commodity" has the meaning given by the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.).

(25) "Renderer" means a person in the business of rendering carcasses, or parts or products of carcasses, of livestock, other than rendering conducted under inspection under Subchapter B.

Sec. 433.004. ADULTERATION. A carcass, part of a carcass, meat, or a meat food product is adulterated if:

(1) it bears or contains a poisonous or deleterious substance that may render it injurious to health unless:

(A) the substance is not an added substance; and

(B) the quantity of the substance in or on the article does not ordinarily render it injurious to health;

(2) it bears or contains, because of administration of a substance to a live animal or otherwise, an added poisonous or deleterious substance that the commissioner believes makes the article unfit for human food, other than a:

(A) pesticide chemical in or on a raw agricultural commodity;

(B) food additive; or

(C) color additive;
(3) any part of it is a raw agricultural commodity that bears or contains a pesticide chemical that is unsafe under Section 408, Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 346a);

(4) it bears or contains a food additive that is unsafe under Section 409, Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 348) or a color additive that is unsafe for purposes of Section 706 of that Act (21 U.S.C. Section 376);

(5) it is not adulterated under Subdivision (3) or (4), but use of the pesticide chemical, food additive, or color additive that the article bears or contains is prohibited by rule of the commissioner in establishments at which inspection is maintained under Subchapter B;

(6) any part of it consists of a filthy, putrid, or decomposed substance or is for another reason unsound, unhealthy, unwholesome, or otherwise unfit for human food;

(7) it is prepared, packed, or held under unsanitary conditions that may have caused it to become contaminated with filth or rendered injurious to health;

(8) any part of it is the product of an animal, including an exotic animal, that has died in a manner other than slaughter;

(9) any part of its container is composed of a poisonous or deleterious substance that may render the contents injurious to health;

(10) it is intentionally subjected to radiation, unless the use of the radiation is in conformity with a regulation or exemption under Section 409, Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 348);

(11) any part of a valuable constituent is omitted or abstracted from it, or a substance is substituted for all or part of it;

(12) damage or inferiority is concealed;

(13) a substance has been added to or mixed or packed with it in a manner that:

   (A) increases its bulk or weight;
   (B) reduces its quality or strength; or
   (C) makes it appear better or of greater value than it is; or

(14) it is margarine containing animal fat and any part of the raw material used in it consists of a filthy, putrid, or decomposed substance.
Sec. 433.005. MISBRANDING. (a) A livestock or poultry product is misbranded if:

(1) any part of its labeling is false or misleading;
(2) it is offered for sale under the name of another food;
(3) it is an imitation of another food, unless its label bears, in prominent type of uniform size, the word "imitation" immediately followed by the name of the food imitated;
(4) its container is made, formed, or filled so as to be misleading;
(5) except as provided by Subsection (b), it does not bear a label showing:
   (A) the manufacturer's, packer's, or distributor's name and place of business; and
   (B) an accurate statement of the quantity of the product by weight, measure, or numerical count;
(6) a word, statement, or other information required by or under the authority of this chapter to appear on the label or labeling is not prominently placed on the label or labeling in sufficient terms and with sufficient conspicuousness, compared with other words, statements, designs, or devices in the label or labeling, to make it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;
(7) it purports to be or is represented as a food for which a definition and standard of identity or composition has been prescribed by rule of the commissioner under Section 433.043 unless:
   (A) it conforms to the definition and standard; or
   (B) its label bears:
      (i) the name of the food specified in the definition and standard; and
      (ii) to the extent required by rule of the commissioner, the common names of optional ingredients present in the food, other than spices, flavoring, and coloring;
(8) it purports to be or is represented as a food for which a standard of fill of container has been prescribed by rule of the commissioner under Section 433.043 and the food does not meet the standard of fill of container, unless its label bears, in the manner and form prescribed by rule of the commissioner, a statement that it...
does not meet the standard;

(9) except as provided by Subsection (c), it does not purport to be or is not represented as a food for which a standard of identity or composition has been prescribed by rule of the commissioner unless its label bears:
   (A) any common or usual name of the food; and
   (B) if it is fabricated from two or more ingredients, the common or usual name of each ingredient;

(10) it purports to be or is represented for special dietary uses and its label does not bear the information concerning its vitamin, mineral, and other dietary properties that the commissioner, after consultation with the United States Secretary of Agriculture, has determined and prescribed by rule to be necessary to fully inform purchasers of its value for those uses;

(11) it bears or contains artificial flavoring, artificial coloring, or a chemical preservative unless it bears labeling stating that fact, except as otherwise prescribed by rule of the commissioner for situations in which compliance with this subdivision is impracticable; or

(12) it does not bear on itself or its container, as prescribed by rule of the commissioner:
   (A) the inspection legend and establishment number of the establishment in which the product was prepared; and
   (B) notwithstanding any other provision of this section, other information the commissioner by rule requires to assure that the product will not have false or misleading labeling and that the public will be informed of the manner of handling required to keep the product in wholesome condition.

(b) The commissioner may adopt rules:
   (1) exempting from Subsection (a)(5) livestock products not in containers; and
   (2) providing reasonable variations from Subsection (a)(5)(B) and exempting from that subsection small packages of livestock products or poultry products.

(c) For products subject to Subsection (a)(9), the commissioner may authorize the designation of spices, flavorings, and colorings without naming them. The commissioner may adopt rules establishing exemptions from Subsection (a)(9)(B) to the extent that compliance with that subsection is impracticable or would result in deception or unfair competition.
Sec. 433.006. PERSONAL USE EXEMPTION. (a) The provisions of this chapter requiring inspection of the slaughter of livestock and the preparation of carcasses, parts of carcasses, meat, and meat food products at establishments conducting those operations do not apply to the slaughtering of livestock or the preparation and transportation in intrastate commerce of those articles if:

(1) the articles are exclusively for personal use by the owner of the livestock, a member of the owner's family, or a nonpaying guest of the owner;

(2) the slaughter or preparation is conducted at the owner's premises or at a processing establishment; and

(3) the transportation is limited to moving the carcasses, parts of carcasses, meat, and meat food products to and from the owner's premises and a processing establishment.

(b) The adulteration and misbranding provisions of this chapter, other than the requirement of an inspection legend, apply to articles prepared by a processing establishment under Subsection (a).

(c) This section does not grant a personal use exemption to an owner who intends to give carcasses, parts of carcasses, meat, or meat food products to any person other than a person listed in Subsection (a)(1).

Sec. 433.007. CONSTRUCTION WITH OTHER LAW. (a) This chapter prevails over any other law, including Chapter 431 (Texas Food, Drug, and Cosmetic Act), to the extent of any conflict.

(b) This chapter applies to a person, establishment, animal, or article regulated under the Federal Meat Inspection Act (21 U.S.C. Section 601 et seq.) or the Federal Poultry Products Inspection Act (21 U.S.C. Section 451 et seq.).

Sec. 433.008. RULES. (a) The commissioner shall adopt rules necessary for the efficient execution of this chapter.

(b) The commissioner shall adopt and use federal rules, regulations, and procedures for meat and poultry inspection, as applicable.

(c) The department may adopt rules requiring a processing establishment that processes livestock under Section 433.006(a)(2) to obtain a grant of custom exemption for that activity.

Sec. 433.009. FEES. The Texas Department of Health may collect fees for overtime and special services rendered to establishments, and may collect a fee for services required to be performed under this chapter relating to the inspection of animals, birds, or products that are not regulated under the Federal Meat Inspection Act (21 U.S.C. Section 601 et seq.) or the Federal Poultry Products Inspection Act (21 U.S.C. Section 451 et seq.). The Texas Board of Health by rule shall set the inspection fee in an amount sufficient to recover the department's costs of providing those services.

SUBCHAPTER B. INSPECTION AND OTHER REGULATION

Sec. 433.021. INSPECTION BEFORE SLAUGHTER. (a) To prevent the use in intrastate commerce of adulterated meat and meat food products, the commissioner, through livestock inspectors, shall examine and inspect each livestock animal before it is allowed to enter a processing establishment in this state in which slaughtering and preparation of meat and meat food products of livestock are conducted solely for intrastate commerce.

(b) Any livestock animal found on inspection to show symptoms of disease shall be set apart and slaughtered separately from other livestock. The carcass of the animal shall be carefully examined and inspected as provided by rule of the commissioner.

Sec. 433.022. INSPECTION OF CARCASSES. (a) To prevent the use in intrastate commerce of adulterated meat and meat food products, the commissioner, through livestock inspectors, shall inspect each livestock carcass or part of a carcass capable of use as human food that is to be prepared at a processing establishment in this state in which those articles are prepared solely for intrastate commerce. If a carcass or part of a carcass is brought into the processing establishment, the inspection shall be made before a carcass or part of a carcass is allowed to enter a department in which it is to be treated and prepared for meat food products. The commissioner shall also inspect products that have left a processing establishment and are returned to a processing establishment in which inspection is maintained.

(b) The inspector shall mark, stamp, tag, or label a carcass or part of a carcass found on inspection to be unadulterated as "inspected and passed," and one found adulterated as "inspected and condemned."

(c) If an inspector considers a subsequent inspection necessary, the inspector may reinspect any carcass or part of a carcass and condemn it if it has become adulterated.

(d) The processing establishment, in the presence of an inspector, shall destroy for food purposes each condemned carcass or part of a carcass. If the establishment fails to destroy a condemned carcass or part of a carcass, the commissioner may remove the inspectors from the establishment.

(e) The commissioner may limit the entry of carcasses, parts of carcasses, meat, or meat food products into an establishment in which inspection under this chapter is maintained, under conditions the commissioner prescribes to assure that entry of the article into the establishment is consistent with the purposes of this chapter.

Sec. 433.023. INVESTIGATION OF DISEASE FINDINGS; QUARANTINE. (a) The commissioner may investigate a disease finding by a livestock inspector if the commissioner determines that the investigation is in the best interest of public health.

(b) If a disease adverse to the public health is found under this chapter, the commissioner may quarantine the premises where an
animal is located that is afflicted with any stage of a disease that may be transmitted to man or other animals. A quarantined animal may be removed from a quarantined area only on permission from and under supervision by the commissioner.

Sec. 433.024. INSPECTION OF PROCESSING AND SLAUGHTERING ESTABLISHMENTS. (a) The commissioner, through sanitation experts and other competent inspectors, shall inspect each processing establishment in which livestock is slaughtered and meat and meat food products of the livestock are prepared solely for intrastate commerce as necessary to obtain information about the establishment's sanitary conditions.

(b) The commissioner, through sanitation experts and other competent inspectors, shall inspect each slaughtering establishment whose primary business is the selling of livestock to be slaughtered by the purchaser on premises owned or operated by the seller. This subsection does not nullify the provisions in Section 433.006 of the Health and Safety Code relating to personal use exemption.

(c) The commissioner shall adopt rules governing sanitation maintenance in processing and slaughtering establishments as defined by this section.

(d) If sanitary conditions of a processing establishment render meat or meat food products adulterated, the commissioner shall prohibit the meat or meat food products from being labeled, marked, stamped, or tagged as "Texas inspected and passed."

Sec. 433.0245. REQUIREMENTS FOR CERTAIN LOW-VOLUME LIVESTOCK PROCESSING ESTABLISHMENTS. (a) Except as provided by this section, the inspection and regulatory provisions of this chapter do not apply to a low-volume livestock processing establishment that is exempt from federal inspection.

(b) A low-volume livestock processing establishment that is exempt from federal inspection shall register with the Texas Department of Health in accordance with rules adopted by the
commissioner for registration.

(c) A low-volume livestock processing establishment that is exempt from federal inspection shall develop a sanitary operation procedures plan.

(d) If contaminated livestock can be reasonably traced to a low-volume livestock processing establishment that is exempt from federal inspection, the commissioner may request the attorney general or the district or county attorney in the jurisdiction where the facility is located to institute a civil suit to enjoin the operation of the establishment until the commissioner determines that the establishment has been sanitized and is operating safely.

Sec. 433.025. INSPECTION OF MEAT FOOD PRODUCTS. (a) To prevent the use in intrastate commerce of adulterated meat food products, the commissioner, through inspectors, shall examine and inspect all meat food products prepared in a processing establishment solely for intrastate commerce. To make the examination and inspection, an inspector shall be given access at all times to each part of the establishment, regardless of whether the establishment is being operated.

(b) The inspector shall mark, stamp, tag, or label products found unadulterated as "Texas inspected and passed" and those found adulterated as "Texas inspected and condemned."

(c) The establishment shall, in the manner provided for condemned livestock or carcasses, destroy for food purposes each condemned meat food product. If the establishment does not destroy a condemned meat food product, the commissioner may remove inspectors from the establishment.

Sec. 433.026. NIGHT INSPECTION; HOURS OF OPERATION. (a) The commissioner shall provide for inspection at night of livestock slaughtered at night and food products prepared at night for the purposes of intrastate commerce.

(b) If the commissioner determines that a person's operating hours are capricious or unnecessarily difficult, the commissioner may
set the person's time and duration of operation.

Sec. 433.027. INSPECTORS. (a) The commissioner shall appoint the inspectors of livestock that is subject to inspection under this chapter, and of carcasses, parts of carcasses, meat, meat food products, and sanitary conditions of establishments in which meat and meat food products are prepared. An inspector is an employee of the Texas Department of Health and is under supervision of the chief officer in charge of inspection.

(b) The commissioner shall designate at least one state inspector for each state representative district.

(c) The chief officer in charge of inspection is a person designated by the commissioner as responsible for animal health as it relates to public health. The chief officer in charge of inspection must be licensed to practice veterinary medicine in this state or must be eligible for such a license when employed and must obtain the license not later than two years after the date of employment. The chief officer in charge of inspection is directly responsible to the commissioner.

(d) An inspector shall perform the duties provided by this chapter and rules of the commissioner. An inspection or examination must be performed as provided by rules of the commissioner.

(e) An inspector may not stamp, mark, tag, or label a carcass, part of a carcass, or a meat food product unless it has been inspected and found unadulterated.

Sec. 433.028. REFUSAL TO INSPECT. (a) The commissioner may withdraw or refuse to provide inspection service under this subchapter from an establishment for the period the commissioner determines necessary to carry out the purposes of this chapter if the commissioner determines after opportunity for hearing that the applicant for or recipient of the service is unfit to engage in a business requiring inspection under this subchapter because the applicant or recipient, or a person responsibly connected with the applicant or recipient, has been convicted in a federal or state
court of a felony or more than one violation of another law based on:

(1) acquiring, handling, or distributing unwholesome, mislabeled, or deceptively packaged food; or
(2) fraud in connection with a transaction in food.

(b) The commissioner's determination and order under this section is final unless, not later than the 30th day after the effective date of the order, the affected applicant or recipient files an application for judicial review in the appropriate court as provided by Section 433.082. Judicial review of the order is on the record from which the determination and order was made.

(c) This section does not affect the provisions of this subchapter relating to withdrawal of inspection services from establishments failing to maintain sanitary conditions or to destroy condemned carcasses, parts of carcasses, meat, or meat food products.

(d) For the purposes of this section, a person is responsibly connected with the business if the person is a partner, officer, director, holder or owner of 10 percent or more of the business's voting stock, or managerial or executive employee.

Sec. 433.029. ARTICLES NOT INTENDED FOR HUMAN CONSUMPTION. (a) Under this subchapter, the commissioner may not inspect an establishment for the slaughter of livestock or the preparation of carcasses, parts of carcasses, or products of livestock if the articles are not intended for use as human food. Before offered for sale or transportation in intrastate commerce, those articles, unless naturally inedible by humans, shall be denatured or identified as provided by rule of the commissioner to deter their use for human food.

(b) A person may not buy, sell, transport, offer for sale or transportation, or receive for transportation in intrastate commerce a carcass, part of a carcass, meat, or a meat food product that is not intended for use as human food unless the article is naturally inedible by humans, denatured, or identified as required by rule of the commissioner.

Sec. 433.030. DETENTION. (a) A representative of the commissioner may detain a carcass, part of a carcass, meat, a meat food product of livestock, a product exempted from the definition of meat food product, or a dead, dying, disabled, or diseased livestock animal if the representative finds the article on premises where it is held for purposes of intrastate commerce, or during or after distribution in intrastate commerce, and there is reason to believe that the article:

(1) is adulterated or misbranded and is capable of use as human food; or

(2) has not been inspected as required by, or has been or is intended to be distributed in violation of:

(A) this subchapter;
(B) the Federal Meat Inspection Act (21 U.S.C. Section 601 et seq.);
(C) the Federal Poultry Products Inspection Act (21 U.S.C. Section 451 et seq.); or
(D) the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.).

(b) An article may be detained for not more than 20 days and only pending action under Section 433.031 or notification of a federal authority having jurisdiction over the article.

(c) A person may not move a detained article from the place where it is detained until the article is released by the commissioner's representative.

(d) The commissioner's representative may require that each official mark be removed from the article before it is released, unless the commissioner determines that the article is eligible to bear the official mark.

Sec. 433.031. SEIZURE. (a) A carcass, part of a carcass, meat, or a meat food product of livestock, or a dead, dying, disabled, or diseased livestock animal, that is being transported in intrastate commerce or held for sale after transportation in intrastate commerce may be proceeded against, seized, and condemned if the article:

(1) is or has been prepared, sold, transported, or
otherwise distributed or offered or received for distribution in violation of this chapter;

(2) is capable of use as human food and is adulterated or misbranded; or

(3) is otherwise in violation of this chapter.

(b) An action against an article under this section must be on a complaint in the proper court in the county in which the article is found. To the extent possible, the law governing admiralty cases applies to a case under this section, except that:

(1) either party may demand trial by jury of an issue of fact in the case; and

(2) the proceedings must be brought by and in the name of this state.

(c) After entry of the decree, a condemned article shall be destroyed or sold as the court directs. If the article is sold, the proceeds, minus court costs, court fees, and storage and other proper expenses, shall be deposited in the state treasury. An article may not be sold in violation of this chapter, the Federal Meat Inspection Act (21 U.S.C. Section 601 et seq.), the Federal Poultry Products Inspection Act (21 U.S.C. Section 451 et seq.), or the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.). On execution and delivery of a good and sufficient bond conditioned that the article will not be disposed of in violation of this chapter or federal law, the court may direct the article to be delivered to its owner by the commissioner's representative subject to supervision as necessary to ensure compliance with applicable laws.

(d) If a decree of condemnation is entered against the article and it is released under bond or destroyed, the court shall award court costs, court fees, and storage and other proper expenses against any person intervening as claimant of the article.

Sec. 433.032. STORAGE AND HANDLING. (a) The commissioner may adopt rules prescribing conditions under which carcasses, parts of carcasses, meat, and meat food products of livestock must be stored and handled by a person in the business of buying, selling, freezing, storing, or transporting those articles in or for intrastate commerce if the commissioner considers the rules necessary to prevent
adulterated or misbranded articles from being delivered to a consumer.

(b) A person may not violate a rule adopted under this section.

Sec. 433.033. EQUINE PRODUCTS. A person may not sell, transport, offer for sale or transportation, or receive for transportation, in intrastate commerce, a carcass, part of a carcass, meat, or a meat food product of a horse, mule, or other equine unless the article is plainly and conspicuously marked or labeled or otherwise identified, as required by rule of the commissioner, to show the kind of animal from which the article was derived. The commissioner may require an establishment at which inspection is maintained under this chapter to prepare those articles in an establishment separate from one in which livestock other than equines is slaughtered or carcasses, parts of carcasses, meat, or meat food products of livestock other than equines are prepared.

Sec. 433.034. RECORDS. (a) A person engaged for intrastate commerce in any of the following business activities shall keep records of each of the person's business transactions:

(1) slaughtering livestock;
(2) preparing, freezing, packaging, or labeling a livestock carcass or a part or product of a livestock carcass for use as human food or animal food;
(3) transporting, storing, buying, or selling, as a meat broker, wholesaler, or otherwise, a livestock carcass or a part or product of a livestock carcass;
(4) rendering; or
(5) buying, selling, or transporting dead, dying, disabled, or diseased livestock, or a part of a carcass of a livestock animal that died in a manner other than slaughter.

(b) On notice by the commissioner's representative, a person required to keep records shall at all reasonable times give the commissioner's representative and any representative of the United States Secretary of Agriculture accompanying the commissioner's
representative:

(1) access to the person's place of business; and
(2) an opportunity to:
   (A) examine the facilities, inventory, and records;
   (B) copy the records required by this section; and
   (C) take a reasonable sample of the inventory, on payment of the fair market value of the sample.

(c) The person shall maintain a record required by this section for the period the commissioner by rule prescribes.

Sec. 433.035. INSPECTION AND OTHER REGULATION OF EXOTIC ANIMALS IN INTERSTATE COMMERCE. (a) The commissioner has the same rights of examination, inspection, condemnation, and detention of live exotic animals and carcasses, parts of carcasses, meat, and meat food products of exotic animals slaughtered and prepared for shipment in interstate commerce as the commissioner has with respect to exotic animals slaughtered and prepared for shipment in intrastate commerce.

(b) The commissioner has the same rights of inspection of establishments handling exotic animals slaughtered and prepared for shipment in interstate commerce as the commissioner has with respect to establishments handling exotic animals slaughtered and prepared for intrastate commerce.

(c) The record-keeping requirements of Section 433.034 that apply to persons slaughtering, preparing, buying, selling, transporting, storing, or rendering in intrastate commerce apply to persons performing similar functions with exotic animals in interstate commerce.

(d) A rulemaking power of the commissioner relating to animals in intrastate commerce applies to exotic animals in interstate commerce.

SUBCHAPTER C. LABELING AND OTHER STANDARDS

Sec. 433.041. LABELING PASSED PRODUCTS. (a) When meat or a meat food product prepared for intrastate commerce that has been inspected as provided by this chapter and marked "Texas inspected and
"passed" is placed or packed in a container or covering in an establishment in which inspection is performed under this chapter, the person preparing the product shall attach a label to the container or covering stating that the contents have been "Texas inspected and passed" under this chapter. The inspector shall supervise the attachment of the label and the sealing or enclosing of the meat or meat food product in the container or covering.

(b) When an inspected carcass, part of a carcass, meat, or a meat food product is found to be unadulterated and leaves the establishment, it must bear legible information on itself or its container, as the commissioner requires, that is necessary to prevent it from being misbranded.

**Sec. 433.042. SALE OF MISLABELED ARTICLES PROHIBITED.** A person may not sell an article subject to this chapter or offer the article for sale, in intrastate commerce, under a false or misleading name or other marking or in a container of a misleading form or size. An established trade name, other marking and labeling, or a container that is not false or misleading and that is approved by the commissioner is permitted.

**Sec. 433.043. STANDARDS OF LABELING, COMPOSITION, AND FILL.**

(a) If the commissioner determines that standards are necessary to protect the public, the commissioner may prescribe:

(1) the style and type size that must be used for material required to be incorporated in labeling to avoid false or misleading labeling of an article subject to this subchapter or Subchapter B; and

(2) subject to Subsection (b), a definition or standard of identity or composition or a standard of fill of container for an article subject to this subchapter.

(b) A standard prescribed under Subsection (a)(2) must be consistent with standards established under the Federal Meat Inspection Act (21 U.S.C. Section 601 et seq.), the Federal Poultry Products Inspection Act (21 U.S.C. Section 451 et seq.), and the
Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.). To avoid inconsistency, the commissioner shall consult with the United States Secretary of Agriculture before prescribing the standard.

Sec. 433.044. ORDER TO CEASE FALSE OR MISLEADING PRACTICE. (a) If the commissioner has reason to believe that a marking or labeling or the size or form of a container in use or proposed for use in relation to an article subject to this subchapter is false or misleading, the commissioner may prohibit the use until the marking, labeling, or container is modified in the manner the commissioner prescribes to prevent it from being false or misleading.

(b) The person using or proposing to use the marking, labeling, or container may request a hearing by the commissioner. The commissioner may prohibit the use pending a final determination by the commissioner.

Sec. 433.045. PROTECTION OF OFFICIAL DEVICE, MARK, AND CERTIFICATE. A person may not:

(1) cast, print, lithograph, or make in any other manner, except as authorized by the commissioner:

(A) a device containing or label bearing an official mark or a simulation of an official mark; or

(B) a form of official certificate or simulation of an official certificate;

(2) forge an official device, mark, or certificate;

(3) without the commissioner's authorization, use, alter, detach, deface, or destroy an official device, mark, or certificate or use a simulation of an official device, mark, or certificate;

(4) detach, deface, destroy, or fail to use an official device, mark, or certificate, in violation of a rule of the commissioner;

(5) knowingly possess, without promptly notifying the commissioner or the commissioner's representative:

(A) an official device;
(B) a counterfeit, simulated, forged, or improperly altered official certificate; or

(C) a device, label, animal carcass, or part or product of an animal carcass, bearing a counterfeit, simulated, forged, or improperly altered official mark;

(6) knowingly make a false statement in a shipper's certificate or other certificate provided for by rule of the commissioner; or

(7) knowingly represent that an article has been inspected and passed, when it has not, or is exempted, when it is not.

SUBCHAPTER D. MISCELLANEOUS PROHIBITIONS

Sec. 433.051. SLAUGHTER OR PREPARATION NOT IN COMPLIANCE WITH CHAPTER. A person, at an establishment preparing articles only for intrastate commerce, may not slaughter a livestock animal or prepare a carcass, part of a carcass, meat, or a meat food product of a livestock animal, capable of use as human food, except in compliance with this chapter.

Sec. 433.052. SALE, RECEIPT, OR TRANSPORTATION OF ARTICLES NOT IN COMPLIANCE WITH CHAPTER. A person may not:

(1) sell, transport, offer for sale or transportation, or receive for transportation, in intrastate commerce, livestock or a carcass, part of a carcass, meat, or a meat food product of livestock that is:

(A) capable of use as human food and is adulterated or misbranded when sold, offered, transported, or received for transportation; or

(B) required to be inspected by this chapter but has not been inspected and passed; or

(2) perform an act with respect to livestock or a carcass, part of a carcass, meat, or a meat food product of livestock, while the article is being transported in intrastate commerce or held for sale after transportation in intrastate commerce, that causes or is intended to cause the article to be adulterated or misbranded.
Sec. 433.053. SALE, RECEIPT, OR TRANSPORTATION OF POULTRY. A person may not sell, transport, offer for sale or transportation, or receive for transportation, in intrastate commerce or from an official establishment, slaughtered poultry from which blood, feathers, feet, head, or viscera have not been removed as provided by rule of the commissioner, except as authorized by rule of the commissioner.

Sec. 433.054. DEAD, DYING, DISABLED, AND DISEASED ANIMALS; ANIMALS DYING IN MANNER OTHER THAN SLAUGHTER. (a) If registration is required by rule of the commissioner, a person may not engage in any of the following businesses, in or for intrastate commerce, unless the person has registered with the commissioner:

(1) meat brokering or rendering;
(2) manufacturing animal food;
(3) wholesaling or warehousing for the public livestock or any part of a carcass of livestock, regardless of whether it is intended for human food; or
(4) buying, selling, or transporting dead, dying, disabled, or diseased livestock or part of a carcass of livestock.

(b) A registration must include the person's name, each of the person's places of business, and each trade name under which the person does business.

(c) A person may not engage in the business of selling, buying, or transporting in intrastate commerce dead, dying, disabled, or diseased livestock or part of the carcass of livestock that died otherwise than by slaughter unless the transaction or transportation complies with rules adopted by the commissioner to assure that the animals or unwholesome parts or products of the animals are not used for human food.

Sec. 433.055. MISCELLANEOUS PROHIBITIONS APPLICABLE TO EXOTIC

Statute text rendered on: 3/14/2015 - 2863 -
ANIMALS IN INTERSTATE COMMERCE. The prohibitions of Sections 433.051-433.054 that apply to intrastate commerce also apply to exotic animals in interstate commerce.

Sec. 433.056. INEDIBLE ANIMAL PRODUCTS. A person in the business of buying, selling, or transporting, in intrastate commerce, may not offer an inedible animal product for sale unless:

(1) the sale is for further sterilization processing; or
(2) the product has been processed in a manner that prevents the survival of disease-producing organisms or deleterious substances in the processed material.

SUBCHAPTER E. COOPERATION WITH FEDERAL GOVERNMENT

Sec. 433.071. RESPONSIBLE AGENCY. (a) The Texas Department of Health is the state agency responsible for cooperating with the United States Secretary of Agriculture under Section 301, Federal Meat Inspection Act (21 U.S.C. Section 661), and Section 5, Federal Poultry Products Inspection Act (21 U.S.C. Section 454).

(b) The department shall cooperate with the secretary of agriculture in developing and administering the meat and poultry inspection program of this state under this chapter in a manner that will achieve the purposes of this chapter and federal law and that will ensure that the requirements will be at least equal to those imposed under Titles I and IV, Federal Meat Inspection Act (21 U.S.C. Sections 601 et seq. and 671 et seq.), and Sections 1-4, 6-10, and 12-22, Federal Poultry Products Inspection Act (21 U.S.C. Sections 451-453, 455-459, and 461-467b), not later than the dates prescribed by federal law.

Sec. 433.072. ADVISORY COMMITTEES. The commissioner may recommend to the United States Secretary of Agriculture state officials or employees for appointment to advisory committees
provided for by Section 301, Federal Meat Inspection Act (21 U.S.C. Section 661), and Section 5, Federal Poultry Products Inspection Act (21 U.S.C. Section 454). The commissioner shall serve as the representative of the governor for consultation with the secretary of agriculture under those Acts unless the governor selects another representative.

Sec. 433.073. TECHNICAL AND LABORATORY ASSISTANCE AND TRAINING PROGRAM. The commissioner may accept from the United States Secretary of Agriculture:

(1) advisory assistance in planning and otherwise developing the state program;
(2) technical and laboratory assistance;
(3) training, including necessary curricular and instructional materials and equipment; and
(4) financial and other aid for administration of the program.

Sec. 433.074. FINANCING. The commissioner may spend state funds appropriated for administration of this chapter to pay 50 percent of the estimated total cost of cooperation with the federal government under this subchapter, and all of the costs of performing services in relation to the inspection of animals or products not regulated under the Federal Meat Inspection Act (21 U.S.C. Section 601 et seq.) or the Federal Poultry Products Inspection Act (21 U.S.C. Section 451 et seq.).

SUBCHAPTER F. ENFORCEMENT

Sec. 433.081. GENERAL CRIMINAL PENALTY. (a) A person commits an offense if the person violates a provision of this chapter for which this chapter does not provide another criminal penalty.

(b) Except as provided by Subsection (c), an offense under this
section is punishable by a fine of not more than $1,000, imprisonment for not more than one year, or both.

(c) If an offense under this section involves intent to defraud or a distribution or attempted distribution of an adulterated article, except adulteration described by Section 433.004(11), (12), or (13), the offense is punishable by a fine of not more than $10,000, imprisonment for not more than three years, or both.

(d) A person does not commit an offense under this section by receiving for transportation an article in violation of this chapter if the receipt is in good faith and if the person furnishes, on request of a representative of the commission:
   (1) the name and address of the person from whom the article is received; and
   (2) any document pertaining to the delivery of the article.

(e) This chapter does not require the commissioner to report for prosecution, or for institution of complaint or injunction proceedings, a minor violation of this chapter if the commissioner believes that the public interest will be adequately served by a suitable written warning notice.

Sec. 433.0815. INTERFERENCE WITH INSPECTION; CRIMINAL PENALTIES. (a) A person commits an offense if the person with criminal negligence interrupts, disrupts, impedes, or otherwise interferes with a livestock inspector while the inspector is performing a duty under this chapter.

(b) An offense under this section is a Class B misdemeanor.

(c) It is a defense to prosecution under this section that the interruption, disruption, impediment, or interference alleged consisted of speech only.

Sec. 433.082. JURISDICTION FOR VIOLATION. The district court has jurisdiction of:
   (1) an action to enforce and to prevent and restrain a violation of this chapter; and
   (2) any other case arising under this chapter.
Sec. 433.083. INVESTIGATION BY COMMISSIONER. The commissioner may investigate and gather and compile information concerning the organization, business, conduct, practices, and management of a person engaged in intrastate commerce and the person's relation to other persons.

Sec. 433.084. EVIDENCE AND TESTIMONY. (a) For the purposes of this chapter, the commissioner at all reasonable times shall be given access to documentary evidence of a person being investigated or proceeded against to examine or copy the evidence. The commissioner by subpoena may require the attendance and testimony of a witness and the production of documentary evidence relating to a matter under investigation, at a designated place of hearing in a county in which the witness resides, is employed, or has a place of business.

(b) The commissioner may sign subpoenas, administer oaths and affirmations, examine witnesses, and receive evidence. On disobedience of a subpoena, the commissioner may request the district court to require attendance and testimony of a witness and the production of documentary evidence, and the district court having jurisdiction over the inquiry may order the compliance. Failure to obey the court's order is punishable as contempt.

Sec. 433.085. REPORT TO COMMISSIONER. The commissioner, by general or special order, may require a person engaged in intrastate commerce to file with the commissioner an annual report, special report, or both, or answers in writing to specific questions furnishing the commissioner information that the commissioner requires concerning the person's organization, business, conduct, practices, management, and relation to other persons filing written answers and reports. The commissioner may prescribe the form of the report or answers, require the report or answers to be given under oath, and prescribe a reasonable deadline for filing the report or
answers, subject to the granting of additional time by the commissioner.

Sec. 433.086. MANDAMUS TO COMPEL COMPLIANCE. On application of the attorney general at the request of the commissioner, the district court may issue a writ of mandamus ordering a person to comply with this chapter or an order of the commissioner under this chapter.

Sec. 433.087. DEPOSITIONS. (a) The commissioner may order testimony to be taken before a person designated by the commissioner and having power to administer oaths at any stage of a proceeding or investigation under this chapter. A person may be compelled to appear and depose or produce documentary evidence at a deposition in the same manner as a witness may be compelled to appear and testify and produce documentary evidence before the commissioner under this chapter.

(b) The person taking the deposition shall transcribe or supervise the transcription of the testimony. The transcript must be signed by the person deposed.

Sec. 433.088. COMPENSATION OF WITNESS OR REPORTER. A witness summoned before the commissioner is entitled to the same fees and mileage paid a witness in a state court. A witness whose deposition is taken and the person taking the deposition are each entitled to the same fees paid for similar services in a state court.

Sec. 433.089. IMMUNITY. (a) A person is not excused from attending and testifying or producing documentary evidence before the commissioner or in obedience to the commissioner's subpoena, whether
signed by the commissioner or the commissioner's delegate, or in a cause or proceeding based on or growing out of an alleged violation of this chapter, on the ground that the required testimony or evidence may tend to incriminate the person or subject the person to penalty or forfeiture.

(b) A person may not be prosecuted or subjected to a penalty or forfeiture for or because of a transaction or matter concerning which the person is compelled to testify or produce evidence after having claimed a privilege against self-incrimination.

(c) The person testifying under this section is not exempt from prosecution and punishment for perjury committed in that testimony.

Sec. 433.090. CONTEMPT. (a) A person commits an offense if the person neglects or refuses to attend and testify or answer a lawful inquiry or to produce documentary evidence, if the person has the power to do so, in obedience to a subpoena or lawful requirement of the commissioner.

(b) An offense under this section is punishable by a fine of not less than $1,000 or more than $5,000, imprisonment for not more than one year, or both.

Sec. 433.091. FALSE REPORT; FAILURE TO REPORT; CRIMINAL PENALTY. (a) A person commits an offense if the person intentionally:

1. makes or causes to be made a false entry in an account, record, or memorandum kept by a person subject to this chapter;
2. neglects or fails to make or cause to be made full entries in an account, record, or memorandum kept by a person subject to this chapter of all facts and transactions pertaining to the person's business;
3. removes from the jurisdiction of this state or mutilates, alters, or otherwise falsifies documentary evidence of a person subject to this chapter; or
4. refuses to submit to the commissioner or to the commissioner's authorized agent, for inspection and copying,
documentary evidence in the person's possession or control of a person subject to this chapter.

(b) An offense under this section is punishable by a fine of not less than $1,000 or more than $5,000, imprisonment for not more than three years, or both.

Sec. 433.092. FAILURE TO REPORT; CIVIL PENALTY. (a) If a person required by this chapter to file an annual or special report does not file the report before the deadline for filing set by the commissioner and the failure continues for 30 days after notice of the default, the person forfeits to the state $100 for each day the failure continues.

(b) An amount due under this section is payable to the state treasury and is recoverable in a civil suit in the name of the state brought in the district court of the county in which the person's principal office is located or in which the person does business.

(c) Each district attorney, under the direction of the attorney general, shall prosecute for the recovery of an amount due under this section.

Sec. 433.093. UNLAWFUL DISCLOSURE; CRIMINAL PENALTY. (a) A state officer or employee commits an offense if the officer or employee makes public information obtained by the commissioner without the approval of the commissioner.

(b) An offense under this section is a misdemeanor punishable by a fine of not more than $5,000, imprisonment for not more than one year, or both.

Sec. 433.094. ADMINISTRATIVE PENALTY. (a) The commissioner may assess an administrative penalty against a person who violates this chapter, a rule adopted by the board under the authority of this chapter, or an order or license issued under this chapter.
(b) In determining the amount of the penalty, the commissioner shall consider:

(1) the person's previous violations;
(2) the seriousness of the violation;
(3) any hazard to the health and safety of the public;
(4) the person's demonstrated good faith; and
(5) such other matters as justice may require.

(c) The penalty may not exceed $25,000 a day for each violation.

(d) Each day a violation continues may be considered a separate violation.

Sec. 433.095. ADMINISTRATIVE PENALTY ASSESSMENT PROCEDURE. (a) An administrative penalty may be assessed only after a person charged with a violation is given an opportunity for a hearing.

(b) If a hearing is held, the commissioner shall make findings of fact and shall issue a written decision regarding the occurrence of the violation and the amount of the penalty that may be warranted.

(c) If the person charged with the violation does not request a hearing, the commissioner may assess a penalty after determining that a violation has occurred and the amount of the penalty that may be warranted.

(d) After making a determination under this section that a penalty is to be assessed against a person, the commissioner shall issue an order requiring that the person pay the penalty.

(e) The commissioner may consolidate a hearing held under this section with another proceeding.

Sec. 433.096. PAYMENT OF ADMINISTRATIVE PENALTY. (a) Not later than the 30th day after the date an order finding that a violation has occurred is issued, the commissioner shall inform the person against whom the order is issued of the amount of the penalty for the violation.

(b) Not later than the 30th day after the date on which a decision or order charging a person with a penalty is final, the
person shall:

(1) pay the penalty in full; or

(2) if the person seeks judicial review of the amount of the penalty, the fact of the violation, or both:
   (A) send the amount of the penalty to the commissioner for placement in an escrow account; or
   (B) post with the commissioner a bond for the amount of the penalty.

(c) A bond posted under this section must be in a form approved by the commissioner and be effective until all judicial review of the order or decision is final.

(d) A person who does not send money to the commissioner or post the bond within the period prescribed by Subsection (b) waives all rights to contest the violation or the amount of the penalty.

Sec. 433.097. REFUND OF ADMINISTRATIVE PENALTY. Not later than the 30th day after the date of a judicial determination that an administrative penalty against a person should be reduced or not assessed, the commissioner shall:

(1) remit to the person the appropriate amount of any penalty payment plus accrued interest; or

(2) execute a release of the bond if the person has posted a bond.

Sec. 433.098. RECOVERY OF ADMINISTRATIVE PENALTY BY ATTORNEY GENERAL. The attorney general at the request of the commissioner may bring a civil action to recover an administrative penalty under this subchapter.

Sec. 433.099. INJUNCTION. (a) If it appears that a person has violated or is violating this chapter or a rule adopted under this chapter, the commissioner may request the attorney general or the
district attorney or county attorney in the jurisdiction where the violation is alleged to have occurred, is occurring, or may occur to institute a civil suit for:

(1) an order enjoining the violation; or
(2) a permanent or temporary injunction, a temporary restraining order, or other appropriate remedy, if the commissioner shows that the person has engaged in or is engaging in a violation.

(b) Venue for a suit brought under this section is in the county in which the violation occurred or in Travis County.

(c) The commissioner or the attorney general may recover reasonable expenses incurred in obtaining injunctive relief under this section, including investigation and court costs, reasonable attorney's fees, witness fees, and other expenses. The expenses recovered by the commissioner under this section may be used for the administration and enforcement of this chapter. The expenses recovered by the attorney general may be used by the attorney general for any purpose.

Sec. 433.100. EMERGENCY WITHDRAWAL OF MARK OR SUSPENSION OF INSPECTION SERVICES. (a) The commissioner or the commissioner's designee may immediately withhold the mark of inspection or suspend or withdraw inspection services if:

(1) the commissioner or the commissioner's designee determines that a violation of this chapter presents an imminent threat to public health and safety; or
(2) a person affiliated with the processing establishment impedes an inspection under this chapter.

(b) An affected person is entitled to a review of an action of the commissioner or the commissioner's designee under Subsection (a) in the same manner that a refusal or withdrawal of inspection services may be reviewed under Section 433.028.

Sec. 434.001. DEFINITION. In this subchapter "bakery" means a business producing, preparing, storing, or displaying bakery products intended for sale for human consumption.

Sec. 434.002. BAKERY REQUIREMENTS. (a) A building used or occupied as a bakery shall be clean and properly lighted, drained, and ventilated.

(b) A bakery shall have adequate plumbing and drainage facilities, including suitable wash sinks and restroom facilities. Restroom facilities shall be separate from the rooms in which the bakery products are produced or handled. Each wash sink area and restroom facility shall be clean, sanitary, well lit, and ventilated.

(c) The floors, walls, and ceilings of a room in which dough is mixed or handled, pastry is prepared for baking, or bakery products or the ingredients of those products are otherwise handled or stored shall be clean, wholesome, and sanitary. Each opening into the room, including a window or door, shall be properly screened or otherwise protected to exclude flies.

(d) A showcase, shelf, or other place from which bakery products are sold shall at all times be clean, wholesome, covered, properly ventilated, and protected from dust and flies.

(e) A workroom may not be used for purposes other than those directly connected with the preparation, baking, storage, or handling of food. A workroom may not be used as a washing, sleeping, or living room and shall at all times be kept separate and closed from living and sleeping rooms.

(f) Each bakery shall provide, separate from the workrooms, a dressing room for the changing and hanging of wearing apparel. Each dressing room shall be kept clean at all times.

Sec. 434.003. SANITARY REQUIREMENTS. (a) A person may not sit or lie on any table, bench, trough, or shelf intended for dough or bakery products.

(b) Animals or fowl may not be kept or allowed in any bakery or other place where bakery products are produced or stored.
(c) A person engaged in the preparation or handling of bakery products shall wash the person's arms and hands thoroughly before beginning the preparation, mixing, or handling of ingredients used in baking. A bakery shall provide sufficient soap, washbasins, and clean towels for that purpose.

(d) A person may not use tobacco in any form in any room in which a bakery product is manufactured, wrapped, or prepared for sale.

(e) A person with a communicable disease may not work in a bakery, handle any product in the bakery, or deliver a product from the bakery.

Sec. 434.004. WHOLESOME INGREDIENTS REQUIRED. (a) Materials used in the production or preparation of bakery products shall be stored, handled, and maintained in a manner that protects the materials from spoiling and contamination. Materials may not be used if spoiled, contaminated, or otherwise likely to make the bakery product unwholesome or unfit as food.

(b) The ingredients used in the production of bakery products and the sale or offering for sale of those products shall comply with the laws relating to the adulteration and misbranding of food. Ingredients may not be used that may make the bakery product injurious to health.

Sec. 434.005. REQUIREMENTS FOR TRANSPORTATION OF BAKERY PRODUCTS. A vehicle, box, basket, or other receptacle in which bakery products are transported shall at all times be kept clean and free from dust, flies, or other contaminants.

Sec. 434.006. STORAGE RECEPTACLE REQUIREMENTS. (a) A box or other receptacle for the storage or receipt of bakery products shall be:
(1) constructed and placed to be free from contamination from streets, alleys, and sidewalks;
(2) raised at least 10 inches above the level of the street or sidewalk; and
(3) clean and sanitary.

(b) Bread may not be placed in a storage box with other food except other bakery products.

(c) A storage box shall be equipped with a private lock and shall be kept locked except when opened to receive or remove bakery products or when being cleaned.

Sec. 434.007. WEIGHT STANDARDS FOR BREAD LOAVES. (a) Loaves of bread made by persons in the business of wholesaling and retailing bread must comply with the weight standards in this section.

(b) The standard weights for a loaf of bread are:
(1) one pound;
(2) 1-1/2 pounds; or
(3) any other multiple of one pound.

(c) This section does not prohibit the sale of bread slices in properly labeled packages weighing eight ounces or less.

(d) Variations in the weight standard may not exceed one ounce a pound within 24 hours after baking.

(e) This section does not affect the authority of the Department of Agriculture under Subchapter B, Chapter 13, Agriculture Code.

(f) This section does not apply to a food service establishment as defined under Chapter 437 or a food establishment licensed under Chapter 431 as a food manufacturer.

Sec. 434.008. CRIMINAL PENALTY. (a) A person who violates this subchapter commits an offense.

(b) An offense under this section is punishable by a fine of not less than $25 or more than $200.
SUBCHAPTER B. ADULTERATED INGREDIENTS

Sec. 434.021. BAKING POWDER. Baking powder that contains less than 10 percent of available carbon dioxide is adulterated.

Sec. 434.022. SELF-RISING FLOUR. (a) In this section, "self-rising flour" means a combination of flour, salt, and chemical leavening ingredients. The flour must be at least of the "straight" grade, and the chemical leavening ingredients must be bicarbonate of soda and:

(1) calcium acid phosphate;
(2) sodium aluminum sulphate;
(3) cream of tartar;
(4) tartaric acid; or
(5) a combination of those ingredients.

(b) A self-rising flour or other compound by that name must produce when sold not less than one-half percent by weight of available carbon dioxide gas and may not contain more than 3-1/2 percent chemical leavening ingredients.

(c) A self-rising flour or other compound by that name that does not meet the requirements of Subsection (b) is adulterated.

CHAPTER 435. DAIRY PRODUCTS

SUBCHAPTER A. MILK OFFERED FOR SALE AND MILK GRADING

Sec. 435.001. DEFINITIONS. In this subchapter:

(1) "Board" means the Texas Board of Health.
(2) "Department" means the Texas Department of Health.
(3) "Person" means an individual, plant operator, partnership, corporation, company, firm, trustee, or association.

Sec. 435.0015. APPLICABILITY OF OTHER LAW. Except as provided by Section 431.010(c), Chapter 431 applies to a person and milk or a milk product regulated under this chapter.

Sec. 435.002. GRADING OF MILK AND MILK PRODUCTS. (a) The board may supervise and regulate the grading and labeling of milk and milk products according to the standards, specifications, and requirements it adopts for each grade and in conformity with this subchapter.

(b) Repealed by Acts 2007, 80th Leg., R.S., Ch. 1387, Sec. 5, eff. September 1, 2007.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1387 (S.B. 1714), Sec. 5, eff. September 1, 2007.

Sec. 435.003. MILK SPECIFICATIONS. (a) The board by rule may:

(1) define what constitutes Grade "A" raw milk, Grade "A" raw milk products, Grade "A" pasteurized milk, Grade "A" pasteurized milk products, milk for manufacturing purposes, and dairy products; and

(2) provide specifications for the production and handling of milk and milk products listed in Subdivision (1) according to the safety and food value of the milk or milk products and the sanitary conditions under which they are produced and handled.

(b) The rules must be based on and consistent with the most recent federal definitions, specifications, rules, and regulations relating to milk and milk products.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1387 (S.B. 1714), Sec. 1, eff. September 1, 2007.
Acts 2007, 80th Leg., R.S., Ch. 1387 (S.B. 1714), Sec. 2, eff. September 1, 2007.
Sec. 435.004. INSPECTION OF MILK AND MILK PRODUCTS BY BOARD.

(a) The board or its representative shall sample, test, or inspect Grade "A" pasteurized milk and milk products, Grade "A" raw milk and milk products for pasteurization, milk for manufacturing purposes, and dairy products that are offered for sale.

(b) Grade "A" pasteurized milk and milk products and Grade "A" raw milk and milk products for pasteurization that come from beyond the limits of state inspection shall be sampled, tested, or inspected to determine if department standards and requirements for milk and milk products are met.

(c) Sampling, testing, and inspection of Grade "A" pasteurized milk and milk products and Grade "A" raw milk and milk for pasteurization shall include, in addition to any other tests that may be required, tests for:

(1) plate count or direct microscopic count;
(2) antibiotics;
(3) sediments;
(4) phosphatase; and
(5) water and any elements foreign to the natural contents of Grade "A" pasteurized milk and milk products and Grade "A" raw milk and milk products for pasteurization.

(d) Repealed by Acts 2007, 80th Leg., R.S., Ch. 1387, Sec. 5, eff. September 1, 2007.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 1387 (S.B. 1714), Sec. 3, eff. September 1, 2007.
Acts 2007, 80th Leg., R.S., Ch. 1387 (S.B. 1714), Sec. 5, eff. September 1, 2007.

Sec. 435.005. INSPECTION OF MILK AND MILK PRODUCTS BY OTHER ENTITIES. (a) The board may contract with a county or municipality to act as the agent of the board to inspect milk and milk products and to perform other regulatory functions necessary to enforce this subchapter.

(b) A municipality, county, or other political subdivision may test and inspect milk or milk products. In the absence of a contract under Subsection (a), the municipality, county, or other political
subdivision must pay the cost of the test or inspection.

Sec. 435.006. PERMIT TO SELL MILK. (a) A person who offers milk or milk products for sale or to be sold in this state must hold a permit issued by the board. The person must apply to the board or the board's representative for a permit.

(b) After receiving the application, the board or the board's representative may determine and award the grade of milk or milk products offered for sale by each applicant according to the specifications for grades established under this chapter.

(c) The board shall maintain a list of the names of all applicants to whom the board has awarded permission to use a Grade "A" label and remove from the list the name of a person whose permit is revoked.

(d) The board may not issue a permit to a person for a producer dairy located in an area infected with or at a high risk for bovine tuberculosis, as determined epidemiologically and defined by rule of the Texas Animal Health Commission.

Sec. 435.007. USE OF MISLEADING LABEL. (a) A person may not use a label, device, or design marked Grade "A," or any other grade, statement, device, or design related to the safety, sanitary quality, or food value, on milk or milk products produced, offered for sale, or sold in this state that is misleading or does not conform to the requirements of this subchapter.

(b) A person may not represent, publish, label, or advertise milk or milk products as being Grade "A" unless the milk or milk products are:

(1) produced or processed by a person having a permit to use a Grade "A" label as provided by this subchapter; and

(2) produced, treated, and handled in accordance with the specifications and requirements adopted by the board for Grade "A" milk and milk products.

(c) A person may not sell to a consumer milk or a milk product
labeled Grade "A" that has not been produced or processed by a person who has a Grade "A" permit under this subchapter.

Sec. 435.008. MILK FOR RESALE. A person is not required to hold a permit to resell or offer for resale in the same container any milk or milk products that are represented or advertised as a grade of milk or milk products and that are purchased from a person holding a permit authorizing that representation or advertisement.

Sec. 435.009. FEES. (a) A political subdivision or agency of this state, other than the department, may not impose a fee on milk or a milk product, or on a person for the movement, distribution, or sale of milk or a milk product.

(b) The department shall impose the following fees only:

(1) a permit fee of $200 every two years for a producer dairy farm;

(2) a permit fee of $800 every two years for a processing or bottling plant;

(3) a permit fee of $800 every two years for a receiving and transfer station;

(4) a permit fee of $200 every two years for a milk transport tanker;

(5) a fee of 4-1/2 cents for each 100 pounds of milk or milk products processed and distributed in this state by a processing or bottling plant in this state, or processed by an out-of-state processing or bottling plant and sold in this state; and

(6) a fee of 1-1/2 cents for each 100 pounds of dairy products processed by a processing or bottling plant in this state.

(c) The board shall adopt rules to assess and collect the fees imposed by Subsections (b)(5) and (6) monthly, quarterly, semiannually, or annually according to amounts due by the plant. Monthly fees shall be assessed and collected in accordance with board rules.

(d) A permit issued under this chapter is valid for two years and must be renewed not later than September 1 of the year in which...
The permit expires.

(e) The department shall prorate fees paid for permits issued under this chapter after the beginning of a permit year.

(f) In this section:
   (1) "Dairy farm" means a place where one or more cows or goats are kept and from which milk or milk products are provided, sold, or offered for sale to a milk plant or transfer station.
   (2) "Transfer station" means a place where milk or milk products are transferred directly from one transport tank to another.

(g) Subject to legislative appropriation, the department may use money collected under Subsection (b)(5) only for milk inspection.

Acts 2007, 80th Leg., R.S., Ch. 1387 (S.B. 1714), Sec. 4, eff. September 1, 2007.

Sec. 435.010. RECORDS. The board by rule shall establish minimum standards for recordkeeping by persons required to pay a fee under this subchapter. Those persons shall make the records available to the department on request.

Sec. 435.011. HEARING. (a) The board shall establish a procedure by which a person aggrieved by the application of a board rule may receive a hearing under Chapter 2001, Government Code.

(b) The refusal or the suspension or revocation of a permit by the department and the appeal of that action are governed by the procedures for a contested case hearing under Chapter 2001, Government Code.

Sec. 435.012. REFUSAL TO GRANT PERMIT; SUSPENSION OR
REVOCATION OF PERMIT. (a) The department may refuse an application for a permit under this chapter or may suspend or revoke a permit issued under this chapter.

(b) The board and its representative may revoke and regrade permits if on inspection the board or its representative finds that the use of the grade label does not conform to the specifications or requirements adopted by the board under this chapter.

(c) The board by rule shall:

(1) provide for the denial, suspension, or revocation of a permit; and

(2) establish reasonable minimum standards for granting and maintaining a permit issued under this chapter.

Sec. 435.013. MUNICIPAL REGULATION AUTHORIZED. A municipality by ordinance may allow only pasteurized milk and pasteurized milk products to be sold at retail in that municipality.

Sec. 435.014. CRIMINAL PENALTY. (a) A person commits an offense if the person violates this chapter.

(b) An offense under this section is punishable by a fine of not less than $25 or more than $200.

(c) Each violation constitutes a separate offense.

(d) The penalty prescribed by this section is subject to either the sanctions prescribed in the Grade A Pasteurized Milk Ordinance for products covered by the ordinance or any civil or administrative penalty or sanction otherwise imposed by Chapter 431 or other law for products not covered by the ordinance.

SUBCHAPTER B. SPECIAL REQUIREMENTS; SALE OF MILK
Sec. 435.021. IMPORTED MILK. (a) In this section:
(1) "Political subdivision" means a county or municipality or a school, junior college, water, hospital, reclamation, or other special-purpose district.

(2) "State agency" means an agency, department, board, or commission of the state or a state eleemosynary, educational, rehabilitative, correctional, or custodial facility.

(b) A state agency or political subdivision may not purchase milk, cream, butter, or cheese, or a product consisting largely of one or more of those items, that has been imported from outside the United States.

(c) This section does not apply to the purchase of milk powder if domestic milk powder is not readily available in the normal course of business.

Renumbered from Sec. 435.022 by Acts 1989, 71st Leg., ch. 1100, Sec. 5.06(b), eff. Sept. 1, 1989.

CHAPTER 436. AQUATIC LIFE

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 436.001. SHORT TITLE. This chapter may be cited as the Texas Aquatic Life Act.

Amended by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.002. DEFINITIONS. In this chapter:

(1) "Approved area" means a molluscan shellfish growing area determined to be acceptable for harvesting of molluscan shellfish for direct marketing according to the National Shellfish Sanitation Program.

(2) "Approved source" means a source of molluscan shellfish acceptable to the director.

(3) "Aquatic life" means animals and plants that live in water.

(4) "Authorized agent" means an employee of the department who is designated by the director to enforce provisions of this chapter.

(5) "Board" means the Texas Board of Health.

(6) "Closed area" means a molluscan shellfish growing area
where the taking including the harvesting for sale, the harvesting for transplant, or the gathering for depuration of molluscan shellfish is temporarily or permanently not permitted. A closed area status may be placed on any one of the five classified area designations established by the National Shellfish Sanitation Program.

(7) "Conditionally approved area" means a molluscan shellfish growing area determined to meet approved area criteria for a predictable period conditioned on performance standards specified in a management plan. A conditionally approved area is a closed area when the area does not meet the approved area criteria.

(8) "Conditionally restricted area" means a molluscan shellfish growing area determined to meet restricted area criteria for a predictable period conditioned on performance standards specified in a management plan. A conditionally restricted area is open for transplanting or gathering for depuration only during the times it meets the restricted area criteria and is specified as a conditionally restricted area by the department. A conditionally restricted area is a closed area at all times for harvesting of molluscan shellfish for direct marketing.

(9) "Container" means the physical material in contact with or immediately surrounding molluscan shellfish or crabmeat that confines it into a single unit.

(10) "Crabmeat" means the edible meat of steamed or cooked crabs that has not been processed other than by picking, packing, and chilling.

(11) "Crabmeat processing license" means a numbered document issued by the department that authorizes a person to process crabmeat for sale.

(12) "Crabmeat processor" means a person who cooks and backs crabs and who picks, packs, or pasteurizes crabmeat.

(13) "Department" means the Texas Department of Health.

(14) "Depletion" means the removal of all existing commercial quantities of market-size molluscan shellfish.

(15) "Depuration" means the process of using any approved artificially controlled aquatic environment to reduce the level of bacteria and viruses in molluscan shellfish.

(16) "Depuration plant" means a place where depuration of molluscan shellfish occurs.

(17) "Director" means the executive head of the Texas
Department of Health.

(18) "Growing area" means an area that supports or could support live molluscan shellfish.

(19) "Health authority" means a physician authorized to administer state or local laws relating to public health.

(20) "Label" means written, printed, or graphic matter appearing on a container of molluscan shellfish or crabmeat, including any written, printed, or graphic matter on any wrappers or accompanying any molluscan shellfish or crabmeat.

(21) "Molluscan shellfish" means an edible species of oyster, clam, or mussel that is shucked, in the shell, fresh, or fresh frozen, in whole or in part, as defined by the National Shellfish Sanitation Program.

(22) "National Shellfish Sanitation Program" means the cooperative program by the states, the United States Food and Drug Administration, and the shellfish industry that classifies molluscan shellfish growing areas and certifies interstate molluscan shellfish shippers according to the National Shellfish Sanitation Program Manual of Operations or its successor program and documents.

(23) "Open area" means a molluscan shellfish growing area where harvesting for sale, harvesting for transplant, or gathering for depuration of molluscan shellfish is permitted. An open area status may be placed on any one of the classified area designations established by the National Shellfish Sanitation Program except for a prohibited area.

(24) "Pasteurization plant" means a place where crabmeat is heat-treated in compliance with rules adopted by the board, without complete sterilization, to improve the keeping qualities of the meat.

(25) "Picking plant" means a place where crabs are cooked and edible meat is picked from the crabs.

(26) "Possess" means the act of having in possession or control, keeping, detaining, restraining, or holding as owner, agent, bailee, or custodian for another.

(27) "Prohibited area" means an area where the director finds, according to a sanitary, chemical, or bacteriological survey, that the area contains aquatic life that is unfit for human consumption. A prohibited area for molluscan shellfish means a molluscan shellfish growing area determined to be unacceptable for transplanting, gathering for depuration, or harvesting of molluscan shellfish. The only molluscan shellfish removal permitted from a
prohibited area is for the purpose of depletion.

(28) "Principal display panel" means the part of a label that is most likely to be displayed, presented, shown, or examined under normal and customary conditions of display for sale.

(29) "Public water" means all bodies of water that are the property of the state under Section 1.011, Parks and Wildlife Code.

(30) "Restricted area" means a molluscan shellfish growing area that is determined to be unacceptable for harvesting of molluscan shellfish for direct marketing but that is acceptable for transplanting or gathering for depuration. A restricted area may be closed for transplanting or gathering for depuration when the area does not meet the restricted area criteria established by the National Shellfish Sanitation Program.

(31) "Sale" means the transfer of ownership or the right of possession of an item to a person for consideration and includes barter.

(32) "Shellfish certificate" means a numbered document issued by the department that authorizes a person to process molluscan shellfish for sale.

(33) "Shellfish processor" means a person who depurates, shucks, packs, or repacks molluscan shellfish.

(34) "Take" means catch, hook, net, snare, trap, kill, or capture by any means, including the attempt to take.

Amended by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.003. AUTHORITY TO DELEGATE POWERS AND DUTIES. (a) The board by rule may delegate a power or duty imposed on the director in this chapter, including the power or duty to issue emergency rules or orders or to render a final administrative decision.

(b) A health authority may delegate any power or duty imposed on the health authority in this chapter to an employee of the local health department, the local health unit, or the public health district in which the health authority serves, unless otherwise restricted by law.

Amended by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.
SUBCHAPTER B. PROHIBITED ACTS

Sec. 436.011. PROHIBITED ACTS. The following acts and the causing of the following acts within this state are unlawful and prohibited:

(1) taking, selling, offering for sale, or holding for sale molluscan shellfish from a closed area;

(2) taking, selling, offering for sale, or holding for sale molluscan shellfish from a restricted or conditionally restricted area without complying with a rule adopted by the board to ensure that the molluscan shellfish have been purified, unless:
   (A) permission is first obtained from the Parks and Wildlife Department and the transplanting is supervised by that department; and
   (B) the Parks and Wildlife Department furnishes a copy of the transplant permit to the director before transplanting activities begin;

(3) possessing a species of aquatic life taken from a prohibited area while the area was prohibited for that species;

(4) operating as a molluscan shellfish processor without a shellfish certificate for each plant or place of business;

(5) operating as a crabmeat processor without a crabmeat processing license for each plant;

(6) selling, offering for sale, or holding for sale molluscan shellfish or crabmeat that has not been picked, handled, packaged, or pasteurized in accordance with the rules adopted by the board;

(7) selling, offering for sale, or holding for sale molluscan shellfish or crabmeat from facilities for the handling and packaging of molluscan shellfish or crabmeat that do not comply with the rules adopted by the board;

(8) selling, offering for sale, or holding for sale molluscan shellfish or crabmeat that is not labeled in accordance with the rules adopted by the board;

(9) selling, offering for sale, or holding for sale molluscan shellfish that is not in a container bearing a valid certificate number from a state or nation whose molluscan shellfish certification program conforms to the current Manual of Operations for Sanitary Control of the Shellfish Industry issued by the Food and Drug Administration or its successor, except selling molluscan shellfish removed from a container bearing a valid certificate number
for on-premises consumption; in the event the Texas Molluscan Shellfish Program is found to be out of conformity with the current Manual of Operations, selling, offering for sale, or holding for sale molluscan shellfish in a container bearing a valid Texas certificate number shall not be considered a violation of this chapter provided all other requirements of this chapter are complied with and the shellfish have come from an approved source;

(10) processing, transporting, storing for sale, possessing with intent to sell, offering for sale, or selling molluscan shellfish or crabmeat for human consumption that is adulterated or misbranded;

(11) removing or disposing of a detained or embargoed article in violation of Section 436.028;

(12) altering, mutilating, destroying, obliterating, or removing all or part of the labeling of a container;

(13) adulterating or misbranding molluscan shellfish or crabmeat in commerce;

(14) refusing to permit entry or inspection, to permit the taking of a sample, or to permit access to or copying by an authorized agent of a record required by this chapter;

(15) failing to establish or maintain a record or report required by this chapter or by a rule adopted by the board; or

(16) violating a rule adopted by the board or an emergency rule or order adopted by the director.

Amended by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

### SUBCHAPTER C. ENFORCEMENT

Sec. 436.021. DEFINITION. In this subchapter, "detained or embargoed article" means molluscan shellfish or crabmeat that has been detained or embargoed under Section 436.028.

Amended by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.022. INSPECTION. (a) The director, an authorized agent, or a health authority may, on presenting appropriate credentials to the owner, operator, or agent in charge:

(1) enter at reasonable times, including when processing is conducted, an establishment or location in which molluscan shellfish
or crabmeat is processed, packed, pasteurized, or held for introduction into commerce or held after introduction into commerce;
(2) enter a vehicle being used to transport or hold the molluscan shellfish or crabmeat in commerce; or
(3) inspect the establishment, location, or vehicle, including equipment, records, files, papers, materials, containers, labels, or other items, and obtain samples necessary for enforcement of this chapter.

(b) The inspection of an establishment or location is to determine whether the molluscan shellfish or crabmeat:
(1) is adulterated or misbranded;
(2) may not be processed, introduced into commerce, sold, or offered for sale under this chapter or the rules adopted by the board; or
(3) is otherwise in violation of this chapter.

(c) The director, an authorized agent, or a health authority may not inspect:
(1) financial data;
(2) sales data, other than shipment data;
(3) pricing data;
(4) personnel data, other than personnel data relating to the qualifications of technical and professional personnel; or
(5) research data.

Amended by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.023. ACCESS TO RECORDS. A person who is required to maintain records under this chapter or a rule adopted by the board or a person who is in charge or custody of those records on request shall permit the director, authorized agent, or health authority at all reasonable times to have access to and to copy the records.

Amended by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.024. ACCESS TO RECORDS SHOWING MOVEMENT IN COMMERCE.
(a) A commercial carrier or other person receiving or holding molluscan shellfish or crabmeat in commerce on request shall permit the director, authorized agent, or health authority at all reasonable times to have access to and to copy all records showing:
(1) the movement in commerce of the molluscan shellfish or crabmeat;
(2) the holding after movement in commerce of the molluscan shellfish or crabmeat; or
(3) the quantity, shipper, and consignee of the molluscan shellfish or crabmeat.

(b) The carrier or other person may not refuse access to and copying of the requested records if the request is accompanied by a written statement that specifies the nature or kind of molluscan shellfish or crabmeat to which the request relates.

(c) A carrier is not subject to other provisions of this chapter solely because of the carrier's receipt, carriage, holding, or delivery of molluscan shellfish or crabmeat in the usual course of business as a carrier.

Amended by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.025. EMERGENCY ORDER. (a) The director may issue an emergency order that mandates or prohibits the taking, processing, or sale of molluscan shellfish or crabmeat in the department's jurisdiction if:

(1) the processing or sale of the molluscan shellfish or crabmeat creates or poses an immediate threat to human life or health; and

(2) other procedures available to the department to remedy or prevent the threat will result in unreasonable delay.

(b) The director may issue the emergency order without notice and hearing if the director or a person designated by the director determines that issuing the emergency order without notice and hearing is necessary under the circumstances.

(c) If an emergency order is issued without a hearing, the department shall determine the earliest time and place for a hearing at which the emergency order shall be affirmed, modified, or set aside. The hearing shall be held under board rules.

(d) This section prevails over Sections 11.013 and 12.001.

Amended by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.026. VIOLATION; INJUNCTION. (a) The director, an
authorized agent, or a health authority may petition the district
court for a temporary restraining order to restrain a continuing
violation or a threat of a continuing violation of Section 436.011 if
the director, authorized agent, or health authority believes that:

(1) a person has violated, is violating, or is threatening
to violate a provision of Section 436.011; and

(2) the violation or threatened violation creates an
immediate threat to the health and safety of the public.

(b) If the court finds that a person is violating or
threatening to violate Section 436.011, the court shall grant
injunctive relief.

(c) Venue for a suit brought under this section is in the
county in which the violation or threat of violation is alleged to
have occurred or in Travis County.

Amended by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.027. CIVIL PENALTY. (a) At the request of the
director, the attorney general or a district, county, or municipal
attorney shall institute an action in district or county court to
collect a civil penalty from a person who has violated Section
436.011.

(b) A person who violates Section 436.011 is liable for a civil
penalty not to exceed $25,000 a day for each violation. Each day of
a continuing violation constitutes a separate violation for purposes
of penalty assessment.

(c) In determining the amount of the penalty, the court shall
consider:

(1) the person's history of previous violations under this
chapter;

(2) the seriousness of the violation;

(3) any hazard to the health and safety of the public;

(4) the demonstrated good faith of the person; and

(5) other matters as justice may require.

(d) A civil penalty recovered in a suit instituted by the
attorney general under this chapter shall be deposited in the state
treasury to the credit of the general revenue fund. A civil penalty
recovered in a suit instituted by a local government under this
chapter shall be paid to the local government.
(e) Venue for a suit to collect a civil penalty brought under this section is in the municipality or county in which the violation occurred or in Travis County.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.028. DETAINED OR EMBARGOED ARTICLE. (a) The director or an authorized agent may detain or embargo molluscan shellfish or crabmeat if the director or authorized agent believes or has probable cause to believe that the molluscan shellfish or crabmeat:

(1) is adulterated; or

(2) is misbranded so that the molluscan shellfish or crabmeat is dangerous or fraudulent under this chapter.

(b) The director or an authorized agent shall affix to any molluscan shellfish or crabmeat a tag or other appropriate marking that gives notice that the molluscan shellfish or crabmeat is, or is suspected of being, adulterated or misbranded and that the molluscan shellfish or crabmeat has been detained or embargoed.

(c) The tag or marking on a detained or embargoed article must prohibit the removal or disposal of the article unless permission is given by the director, the authorized agent, or a court.

(d) A person may not remove a detained or embargoed article from the premises or dispose of it without permission of the director, the authorized agent, or a court. The director or the authorized agent may permit perishable goods to be moved to a place suitable for proper storage.

(e) The director or an authorized agent shall remove the tag or other marking from a detained or embargoed article if the director or an authorized agent believes that the article is not adulterated or misbranded.

(f) The claimant of a detained or embargoed article may move the article to a secure storage area with the permission of the director or an authorized agent.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.029. REMOVAL ORDER FOR DETAINED OR EMBARGOED ARTICLE. (a) The director or authorized agent may order the claimant or the claimant's agent to move a detained or embargoed article to a secure
place to prevent the unauthorized disposal or removal of the article.

(b) If the claimant fails to carry out the order, the director or the authorized agent may move the article.

(c) If the director or the authorized agent moves the article, the director shall assess the cost of removal against the claimant.

(d) The director may request the attorney general to bring an action in the district court in Travis County to recover the costs of removal. In a judgment in favor of the state, the court may award costs, attorney fees, and interest from the date the expense was incurred until the date the department is reimbursed.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.030. RECALL FROM COMMERCE. (a) The director may order a recall of molluscan shellfish or crabmeat with:

(1) the detention or embargo of molluscan shellfish or crabmeat;

(2) the issuance of an emergency order under Section 436.025; or

(3) both.

(b) The director's recall order may require that the molluscan shellfish or crabmeat be removed to one or more secure areas approved by the director or authorized agent.

(c) The recall order must be in writing and be signed by the director and may be issued:

(1) before or in conjunction with a tag or other marking as provided by Section 436.028;

(2) with an emergency order authorized by Section 436.025; or

(3) both.

(d) The recall order is effective until it expires by its own terms, is withdrawn by the director, is reversed by a court in an order denying condemnation, or is set aside at a hearing authorized by Section 436.025.

(e) The claimant shall pay the costs of the removal and storage of a recalled product. If the claimant or the claimant's agent fails to carry out the recall order, the director may recall the product. The director shall assess the costs of the recall against the claimant.
(f) The director may request the attorney general to bring an action in a district court in Travis County to recover the costs of recall. In a judgment in favor of the state, the court may award costs, attorney fees, and interest from the date the expense was incurred until the date the department is reimbursed.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.031. CONDEMNATION. If molluscan shellfish or crabmeat is adulterated or misbranded, an action for the condemnation of the molluscan shellfish or crabmeat may be filed in a district court in whose jurisdiction the molluscan shellfish or crabmeat is located.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.032. DESTRUCTION OF MOLLUSCAN SHELLFISH OR CRABMEAT. (a) The court may order the destruction of sampled, detained, or embargoed molluscan shellfish or crabmeat if the court finds that the article is adulterated or misbranded.

(b) After entry of the court's order, an authorized agent shall supervise the destruction of the article.

(c) The claimant shall pay the cost of the destruction of the article.

(d) The court shall order the claimant or the claimant's agent to pay court costs, storage fees, and other proper expenses.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.033. CORRECTION BY PROPER LABELING. (a) A court may order the delivery of sampled, detained, or embargoed molluscan shellfish or crabmeat that is misbranded to the claimant for relabeling under the supervision of the director or an authorized agent if:

(1) the court costs and other expenses have been paid;
(2) proper labeling can correct the misbranding; and
(3) the claimant executes a bond, conditioned on the correction of the misbranding by proper labeling.

(b) The claimant shall pay the costs of the supervision.
(c) The court shall order the return of the molluscan shellfish or crabmeat to the claimant if the director or an authorized agent represents to the court that the molluscan shellfish or crabmeat no longer violates this chapter and that the expenses of supervision are paid.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.034. ADMINISTRATIVE PENALTY. (a) The director may assess an administrative penalty against a person who violates Section 436.011 or an order issued under this chapter.

(b) In determining the amount of the penalty, the director shall consider:

1. the person's previous violations;
2. the seriousness of the violation;
3. the hazard to the health and safety of the public;
4. the person's demonstrated good faith; and
5. other matters as justice may require.

(c) The penalty may not exceed $25,000 a day for each violation.

(d) Each day of a continuing violation constitutes a separate violation.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.035. ADMINISTRATIVE PENALTY ASSESSMENT PROCEDURE. (a) The director may assess an administrative penalty only after a person charged with a violation is given an opportunity for a hearing.

(b) If a hearing is held, the director shall make findings of fact and shall issue a written decision regarding the violation and the amount of the penalty.

(c) If the person charged with the violation does not request a hearing, the director may assess a penalty after determining that a violation has occurred and the amount of the penalty.

(d) The director shall issue an order requiring a person to pay a penalty assessed under this section.

(e) The director may consolidate a hearing held under this section with another proceeding.
Sec. 436.036. PAYMENT OF ADMINISTRATIVE PENALTY. (a) Not later than the 30th day after the date an order is issued under Section 436.035(d), the director shall notify the person against whom the penalty is assessed of the order and the amount of the penalty.

(b) Not later than the 30th day after the date notice of the order is given to the person, the person shall:

(1) pay the penalty in full; or

(2) seek judicial review of the amount of the penalty, the findings of the director, or both.

(c) If the person seeks judicial review, the person shall:

(1) send the amount of the penalty to the director for placement in an escrow account; or

(2) post with the director a bond for the amount of the penalty.

(d) A bond posted under this section must be in a form approved by the director and must be effective until judicial review of the order or decision is final.

(e) A person who does not send the money to the director or post the bond within the period described by Subsection (b) waives all rights to contest the violation or the amount of the penalty.

(f) The attorney general, at the request of the director, may bring a civil action to recover an administrative penalty assessed under this subchapter.

Sec. 436.037. REFUND OF ADMINISTRATIVE PENALTY. Not later than the 30th day after the date of a judicial determination that an administrative penalty against a person should be reduced or not assessed, the director shall:

(1) remit to the person the appropriate amount of any penalty payment plus accrued interest; or

(2) execute a release of the bond if the person has posted a bond.
Sec. 436.038. CRIMINAL PENALTY; DEFENSES. (a) A person commits an offense if the person intentionally, knowingly, recklessly, or with criminal negligence commits an unlawful act under Section 436.011.

(b) A violation of Section 436.011(1), (2), or (3) is a Class B Parks and Wildlife Code misdemeanor under Section 12.405, Parks and Wildlife Code. Each day of a continuing violation constitutes a separate offense. Commissioned officers of the Parks and Wildlife Department shall enforce Sections 436.011(1), (2), and (3).

(c) If it is shown at trial that the defendant has been convicted once within five years before the trial date of a violation of Section 436.011(1) or (2), a violation by the defendant under Section 436.011(1) or (2) is a Class A Parks and Wildlife Code misdemeanor under Section 12.404, Parks and Wildlife Code.

(d) If it is shown at trial that the defendant has been convicted two or more times within five years before the trial date of a violation of Section 436.011(1) or (2), a violation by the defendant under Section 436.011(1) or (2) is a Parks and Wildlife Code felony under Section 12.407, Parks and Wildlife Code.

(e) A violation of Section 436.011(4), (5), (6), (7), (8), (9), (10), (11), (12), (13), (14), or (15) is a Class A misdemeanor. Each day of a continuing violation constitutes a separate offense.

(f) A person is not subject to the penalties of Subsection (e) if the person received molluscan shellfish or crabmeat in commerce and delivered or offered to deliver the molluscan shellfish or crabmeat in good faith, unless the person refuses to furnish on request of the director, an authorized agent, or a health authority the name and address of the person from whom the product was received and copies of any documents relating to the receipt of the product.

(g) A publisher, radiobroadcast licensee, or agency or medium for the publication or broadcast of an advertisement, except the harvester, processor, distributor, or seller of molluscan shellfish or crabmeat to which a false advertisement relates, is not liable under this section for the publication or broadcast of the false advertisement unless the person has refused to furnish, on the request of the director, the name and address of the harvester, processor, distributor, seller, or advertising agency residing in this state who caused the person to publish or broadcast the advertisement.

(h) A person is not subject to the penalties of Subsection (e)
for a violation of Section 436.011 involving misbranded molluscan shellfish or crabmeat if the violation exists only because the product is misbranded because of a mistake in advertising, unless the violation is committed with intent to defraud or mislead.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.039. INITIATION OF PROCEEDINGS. The attorney general or a district, county, or municipal attorney to whom the director, an authorized agent, or a health authority reports a violation of this chapter shall prosecute without delay.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.040. MINOR VIOLATION. This chapter does not require the director, an authorized agent, or a health authority to report for prosecution a minor violation of this chapter if the director, authorized agent, or health authority believes that the public interest is adequately served by a written warning.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

SUBCHAPTER D. ADULTERATED AQUATIC LIFE

Sec. 436.061. ADULTERATED AQUATIC LIFE. (a) A species of aquatic life is adulterated if it has been taken from an area declared prohibited for that species by the director.

(b) Molluscan shellfish or crabmeat is adulterated if:

(1) it bears or contains a poisonous or deleterious substance that may render it injurious to health unless the substance is a naturally occurring substance and the quantity of the substance in the molluscan shellfish or crabmeat does not ordinarily render the substance injurious to health;

(2) it consists in whole or in part of a diseased, contaminated, filthy, or putrid substance or if it is otherwise unfit for human consumption;

(3) it has been produced, prepared, packed, or held under unsanitary conditions whereby it may have become contaminated with filth or may have been rendered diseased, unwholesome, or injurious...
to health;

(4) it is in whole or in part the product of diseased aquatic life or has died otherwise than by taking;

(5) its container is made in whole or in part of a poisonous or deleterious substance that may render the contents injurious to health;

(6) it has been intentionally exposed to radiation, unless the use of the radiation complied with a regulation or an exemption under Section 409, Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 348);

(7) a substance has been substituted in whole or in part for it;

(8) damage to or inferiority of the product has been concealed;

(9) a substance has been added, mixed, or packed to increase its bulk or weight, to reduce its quality or strength, or to make it appear better or of greater value than it is;

(10) it contains a chemical substance containing sulphites, sulphur dioxide, or any other chemical preservative that is not approved by the Animal Plant Health Inspection Service or by rules of the board;

(11) the molluscan shellfish have been taken from a closed area;

(12) the molluscan shellfish have been taken from a restricted or conditionally restricted area and have not been purified under the rules adopted by the board;

(13) the molluscan shellfish have been processed by a person without a shellfish certificate;

(14) the molluscan shellfish have not been handled and packaged in accordance with the rules adopted by the board;

(15) the crabmeat has been processed by a person without a crabmeat processing license; or

(16) the crabmeat was not picked, packed, or pasteurized in accordance with the rules adopted by the board.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

SUBCHAPTER E. MISBRANDING
Sec. 436.071. MISBRANDED MOLLUSCAN SHELLFISH AND CRABMEAT.
Molluscan shellfish or crabmeat is misbranded if:
(1) its labeling is false, misleading, or fails to conform with the requirements of Section 436.081;
(2) it is offered for sale under the name of another food;
(3) its container is made, formed, or filled so as to be misleading;
(4) a word, statement, or other information required by this chapter or a rule adopted under this chapter to appear on a label is not prominently and conspicuously placed on the label and is not likely to be read and understood by the ordinary individual under customary conditions of purchase and use; or
(5) it does not have a label containing:
   (A) the name, address, and certification or license number of the processor;
   (B) an accurate statement in a uniform location on the principal display panel of the quantity of the contents in terms of weight, measure, or numerical count; and
   (C) a date as provided by rules adopted by the board.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

SUBCHAPTER F. LABELING AND PACKAGING

Sec. 436.081. FAIR PACKAGING AND LABELING. (a) A label on molluscan shellfish or crabmeat shall conform to the requirements for the declaration of net quantity of contents under Section 1453, Fair Packaging and Labeling Act (15 U.S.C. Section 1453), and the regulations adopted under that Act.

(b) The label on a package of molluscan shellfish or crabmeat that represents the number of servings contained in the package shall state the net quantity in terms of weight, measure, or numerical count of each serving.

(c) A person may not distribute or cause to be distributed in commerce any molluscan shellfish or crabmeat if a qualifying word or phrase appears with the statement of the net quantity of contents required by Subsection (a). A supplemental statement at another place on the package may contain descriptions in nondeceptive terms of the net quantity of contents, except the supplemental statement of net quantity of contents may not include a term qualifying a unit of weight, measure, or count that tends to exaggerate the amount of the
shellfish or crabmeat in the package.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.082. FALSE ADVERTISEMENT. An advertisement of molluscan shellfish or crabmeat is false if it is false or misleading in any manner.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

**SUBCHAPTER G. AQUATIC LIFE FROM PROHIBITED AREAS**

Sec. 436.091. DECLARATION OF PROHIBITED AREAS. (a) The director by order shall declare a body of public water to be a prohibited area if:

(1) the director finds, according to a sanitary, chemical, or bacteriological survey, that the area contains aquatic life that is unfit for human consumption; or

(2) aquatic life from a prohibited area may have been transferred to that body of public water.

(b) The director shall modify or revoke an order according to the results of a sanitary, chemical, or bacteriological survey conducted by the department. The director shall file the order in the department's office and shall furnish without charge a copy of the order describing prohibited areas on request.

(c) The director shall conspicuously outline prohibited areas on maps and shall furnish the maps without charge on request. The failure of a person to obtain that information does not relieve that person from liability under this chapter.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

**SUBCHAPTER H. MOLLUSCAN SHELLFISH**

Sec. 436.101. CLASSIFICATION OF GROWING AREAS. (a) The director by order shall designate an area that is coastal water according to the rules of the Parks and Wildlife Commission as an approved area, a conditionally approved area, a restricted area, a conditionally restricted area, or a prohibited area, according to the classification categories in the current National Shellfish...
Sanitation Program Manual of Operations or its successor. Coastal water is a prohibited area for the taking of molluscan shellfish unless designated otherwise by the director.

(b) The director shall prohibit the taking of molluscan shellfish for a specified period from water to which molluscan shellfish may have been transferred from a restricted or conditionally restricted area.

(c) The director by order shall designate growing areas as closed areas or open areas. The director shall modify or revoke an order according to the results of sanitary and bacteriological surveys conducted by the department. The director shall file the order in the department's office and shall furnish without charge a copy of the order describing the open or closed area on request.

(d) The director shall conspicuously outline the classifications of areas for the taking of molluscan shellfish on maps and shall furnish the maps without charge on request. The failure of a person to obtain that information does not relieve that person from liability under this chapter.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.102. DEPURATION. (a) The director may allow depuration by artificial means of molluscan shellfish taken from a restricted or conditionally restricted area, subject to the rules adopted by the board and under the supervision the director considers necessary to protect public health.

(b) A molluscan shellfish plant operator may employ an off-duty peace officer to monitor the gathering of shellfish for depuration from a restricted or conditionally restricted area as provided by the rules adopted by the board under Subsection (a). In this subsection, "peace officer" includes those persons listed in Article 2.12, Code of Criminal Procedure.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.103. FEE ON OYSTER SALES; PENALTIES. (a) The first certified shellfish dealer who harvests, purchases, handles, stores, packs, labels, unloads at dockside, or holds oysters taken from the water of this state shall pay the state a fee of $1 for each barrel
of oysters harvested, purchased, handled, or processed by the certified shellfish dealer.

(b) For purposes of assessing the fee required by this section, three 100-pound containers of oysters is the equivalent of one barrel of oysters. A certified shellfish dealer may not purchase or pack oysters in containers that, when packed, exceed 110 pounds in weight. A dealer who violates this subsection is liable for a penalty of $5 for each container that exceeds 110 pounds.

(c) A certified shellfish dealer shall pay a fee or penalty imposed by Subsection (a) or (b) not later than the 20th day of the month following the month in which the barrel of oysters was handled. A dealer who fails to pay the fee or penalty in full within the prescribed period is liable for the amount of the fee or penalty and an additional penalty of 10 percent of the amount of the fee or penalty due. On certification by the comptroller that a fee is past due, the department may suspend, until the fee, penalty, or additional penalty is paid, the shellfish certificate of a certified shellfish dealer who fails to timely pay the fee, penalty, or additional penalty in full. The department, on certification from the comptroller that a certified shellfish dealer has refused to pay a fee, penalty, or additional penalty on written demand, may revoke the shellfish certificate of a certified shellfish dealer who refuses to pay a fee, penalty, or additional penalty.

(d) The comptroller shall collect fees and penalties under this section and may adopt rules, forms, and procedures for submission of fees and penalties under this section. Each month the comptroller shall report to the department the fees and penalties that are submitted to the comptroller.

(e) Before any other disposition of the fees and penalties collected under this section is made, two percent of the amount of the fees and penalties shall be deposited in the state treasury for appropriation for the use of the comptroller in the administration and enforcement of this section. The remainder of the fees and penalties collected under this section shall be deposited to the credit of the oyster sales account in the general revenue fund to be allocated each year for oyster-related activities, including:

1. collecting bay water and shellfish meat samples;
2. contracting for sample analysis for classification and opening or closing of oyster harvesting areas;
3. marking the boundaries of areas that are designated...
(4) studying oyster diseases and other concerns affecting the availability of oysters for harvest;
(5) studying and analyzing organisms that may be associated with human illness and that can be transmitted through the consumption of oysters;
(6) contributing to the support of the oyster shell recovery and replacement program created under Section 76.020, Parks and Wildlife Code; and
(7) other oyster-related activities authorized or required by this chapter.

(f) After deducting the amount deposited into the state treasury for the comptroller's use under Subsection (e), the comptroller at the beginning of each state fiscal year shall allocate $100,000 of the unencumbered balance deposited to the credit of the oyster sales account in the general revenue fund to Texas A&M University at Galveston for use in performing the activities described by Subsection (e)(5). The remainder of the money in the oyster sales account may be allocated only for the purposes described by Subsection (e).

(g) Subtitles A and B, Title 2, Tax Code, apply to the comptroller's administration, collection, and enforcement of this section to the same extent as if the fee imposed under this section were a tax imposed under Title 2, Tax Code.

(h) In monitoring compliance with the payment of fees imposed under this section, the comptroller shall monthly or annually, as determined by the comptroller, compare records of fees collected under this section to data collected by the Parks and Wildlife Department relating to oyster barrel purchases. If the comptroller finds a discrepancy between the two sources of information, the comptroller may consult the dealer's log required by the National Shellfish Sanitation Program to resolve the discrepancy. The comptroller may use the process described by this subsection in place of any other administrative process used by the comptroller in determining compliance with this section.

(i) A finding by the comptroller under Subsection (h) of a discrepancy that reflects an underreporting of oysters harvested, purchased, handled, or processed by a dealer constitutes prima facie evidence of a violation of this section in any administrative proceeding under this chapter.
Sec. 436.104. OYSTER PROGRAM. (a) The department shall conduct sanitary surveys, bay water and shellfish meat sampling, and any other activities that are necessary to classify the bays from which oysters are harvested from private leases or public reefs as authorized by Section 436.101.

(b) The department shall conduct reasonable and prudent sampling activities at the earliest possible time following the designation as a closed area of an area from which oysters are harvested from private leases or public reefs:

(1) if a question exists about the closure, to confirm the need for the closure; or

(2) if there is reason to believe that the sampling will result in opening the area.

(c) In implementing the oyster program, the department shall follow standards that are at least as stringent as the guidelines adopted by the National Shellfish Sanitation Program. The department's approach shall be consistent with the purpose and intent of the National Shellfish Sanitation Program and the federal Food and Drug Administration policy statements regarding the consumption of raw molluscan shellfish.

(d) Until Vibrio parahaemolyticus guidelines are formally adopted into the National Shellfish Sanitation Program, the department shall follow standards that are at least as stringent as guidelines of the Interim Control Plan for Vibrio parahaemolyticus of the Interstate Shellfish Sanitation Conference for the purpose of designating harvest areas as closed areas related to Vibrio parahaemolyticus.

(e) The department shall open harvest areas designated as closed areas due to excessive levels of Vibrio parahaemolyticus in shellfish meat samples when the levels of Vibrio parahaemolyticus in the shellfish meat samples return to baseline levels.

(f) The department shall open harvest areas designated as
closed areas due to sporadic non-outbreak illnesses as specified in the Interim Control Plan when the levels in shellfish meats return to baseline levels or, if tdh+ serotypes were confirmed as the cause of the illnesses, when the virulent serotypes of Vibrio parahaemolyticus are absent in two consecutive samples of shellfish meats collected from the Vibrio parahaemolyticus sample stations in the closed area.

(g) The department shall open harvest areas designated as closed areas due to a confirmed Vibrio parahaemolyticus outbreak when the department determines that Vibrio parahaemolyticus strains of virulent serotypes are absent in those situations where 03:K6 or other tdh+ serotypes were confirmed as the cause of the outbreak. For purposes of this subsection, in Galveston Bay, Vibrio parahaemolyticus virulent strains shall be considered absent when 25 shellfish meat samples from any delineated harvest area that has been designated as a closed area do not result in reporting of the virulent strain that caused the outbreak.

(h) If a second confirmed outbreak of Vibrio parahaemolyticus illness occurs in an area, the department shall open a harvest area designated as closed when 50 shellfish samples do not result in the reporting of the virulent strain that caused the outbreak.

(i) If harvest areas designated as closed areas as a result of Vibrio parahaemolyticus cannot be opened as a result of the sampling under Subsection (f) or (g), the areas may be opened when environmental conditions develop that are unfavorable for Vibrio parahaemolyticus growth or when environmental conditions shift to conditions that are historically unrelated to outbreaks of Vibrio parahaemolyticus.

Added by Acts 1999, 76th Leg., ch. 1298, Sec. 3, eff. June 18, 1999.

Sec. 436.105. TEMPERATURE REQUIREMENTS. Following initial refrigeration after unloading from a harvest boat, molluscan shellfish shall be refrigerated in air temperatures at or below 45 degrees Fahrenheit at all times except during transfer from one storage area or transportation vehicle to another. Except for an immediate transfer, molluscan shellfish may not remain unrefrigerated during transfer from one storage area or transportation vehicle to another.

Added by Acts 1999, 76th Leg., ch. 1298, Sec. 3, eff. June 18, 1999.
Sec. 436.106. TEMPERATURE ABUSE. If temperature abuse of oysters associated with possible Vibrio parahaemolyticus illnesses is identified at any point in the market chain from harvest to consumer, the department may not designate a harvest area as a closed area if the temperature abuse is the probable cause of the illness. This section does not preclude closures for investigations conducted in accordance with the National Shellfish Sanitation Program that are necessary to protect public health. If a harvest area has been designated as a closed area because the investigation could not be completed within the time required in the National Shellfish Sanitation Program and temperature abuse is determined, as a result of the investigation, to be the probable cause of the illnesses, the harvest area must be immediately designated as an open area.

Added by Acts 1999, 76th Leg., ch. 1298, Sec. 3, eff. June 18, 1999.

Sec. 436.107. TEXAS OYSTER COUNCIL. (a) The Texas Oyster Council is created.

(b) The council is composed of:

(1) two members appointed by the board as nominated by the Texas Oyster Growers and Dealers Association;

(2) one member appointed by the board as nominated by the Coastal Oyster Leaseholder's Association;

(3) two members appointed by the board from a list of oyster dealers who have held a shellfish certificate in this state for not less than six months of each of the three years preceding the nomination and who are certified at the time of appointment;

(4) one representative appointed by the chairman of the Interstate Shellfish Sanitation Conference; and

(5) three consumer members, including one person professionally licensed or with work experience in the field of environmental survey, environmental sanitation, environmental engineering, or a similar field related to environmental or pollution conditions and their effect on molluscan shellfish harvest areas, appointed by the speaker of the house of representatives.

(c) Members of the Texas Oyster Council serve one-year terms expiring August 31 of each year and may be reappointed at the end of
(d) A member of the Texas Oyster Council may not receive compensation for service on the council, but is entitled to reimbursement of expenses incurred by the member while conducting the business of the council, as provided by the General Appropriations Act.

(e) A person is not eligible for appointment as a consumer member of the Texas Oyster Council if the person or the person's spouse:

1. is a harvester, processor, or wholesaler regulated under this chapter;
2. is employed by a harvester, processor, or wholesaler regulated under this chapter;
3. is a retailer of molluscan shellfish; or
4. is employed by a retailer of molluscan shellfish.

(f) The Texas Oyster Council shall elect a presiding officer from among its members.

Sec. 436.108. POWERS AND DUTIES OF TEXAS OYSTER COUNCIL. (a) The Texas Oyster Council shall:

1. advise the board on the criteria used by the director under Section 436.101 to designate growing areas as open or closed areas;
2. advise the board on the development of standards and procedures relating to the licensing of molluscan shellfish processors under this chapter;
3. advise the board on the content of the rules adopted to implement the provisions of this chapter relating to molluscan shellfish;
4. perform any other functions requested by the board in implementing and administering the provisions of this chapter relating to molluscan shellfish; and
5. review information brought before the council relating to molluscan shellfish.

(b) The Texas Oyster Council is entitled to:

1. obtain information that is furnished to the department
or developed by the department as part of an investigation of a food-
borne illness that is suspected of being related to molluscan
shellfish, including:

(A) location and handling practices where suspect food
may have been served;

(B) product labeling and records;

(C) distribution agent, methods, and handling
practices;

(D) sources of product;

(E) sample collection and laboratory analysis; and

(F) any other nonmedical information that may aid in
determining causes or routes of transmission of food-borne illness or
suspected food-borne illness; and

(2) review the information provided under Subdivision (1)
and report to the department on any matter of concern.

(c) The Texas Oyster Council may establish procedures for:

(1) meetings of the council;

(2) submission, consideration, and resolution of issues
before the council; and

(3) reporting relating to the council's activities.

(d) The Texas Oyster Council may meet at the request of the
department, may meet periodically to review completed activities of
the department, or may meet to review ongoing activities of the
department if the department appears to have exceeded the guidelines
established in the National Shellfish Sanitation Program.

(e) A member of the Texas Oyster Council who receives
information under Subsection (b) from confidential communications or
records, as identified by the department, may not disclose the
information outside of the council or the department. The
department, by providing to the council public information that is
confidential or otherwise excepted from public disclosure under law,
does not waive or affect the confidentiality of the information for
the purposes of state or federal law or waive the right to assert
exceptions to required disclosure of the information.

(f) The Texas Oyster Council is subject to Chapter 551,
Government Code. The Texas Oyster Council is not required to conduct
an open meeting to deliberate confidential communications and records
provided under this section relating to the investigation of a food-
borne illness that is suspected of being related to molluscan
shellfish.
SUBCHAPTER I. GENERAL ADMINISTRATIVE PROVISIONS AND RULEMAKING AUTHORITY

Sec. 436.111. DEFINITIONS. In this subchapter:

(1) "Certificate" means a shellfish certificate issued by the department.

(2) "License" means a crabmeat processing license issued by the department.

Sec. 436.112. RULEMAKING AUTHORITY. The board may adopt rules for the enforcement of this chapter. The board shall adopt rules establishing specifications for molluscan shellfish processing and crabmeat processing and shall furnish without charge printed copies of the rules on request.

Sec. 436.113. CERTIFICATION AND LICENSING PROCEDURES. (a) A person may not operate as a molluscan shellfish or crabmeat processor unless the person submits an application for a certificate or a license to the department according to rules adopted by the board and receives a certificate or license for each plant or place of business.

(b) When an application has been properly filed with the department, the director or an authorized agent shall inspect the property identified in the application, including buildings and equipment, and the operating procedures under which the product is processed.

(c) The director shall issue a certificate or license to a person who operates a plant or place of business that conforms to the requirements of this chapter and rules adopted by the board.

(d) A certificate is nontransferrable and expires at 11:59 p.m.
on August 31 of each year.

(e) A license is nontransferrable and expires at 11:59 p.m. on the last day of February each year.

(f) A person shall apply for a new certificate or license each year for each plant or place of business.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.114. REFUSAL TO CERTIFY OR LICENSE; SUSPENSION OR REVOCATION OF CERTIFICATE OR LICENSE. (a) After notice to the applicant and opportunity for a hearing, the department may refuse an application for a certificate or a license or may suspend or revoke a certificate or license.

(b) The board by rule shall establish minimum standards for a certificate or license and criteria for the refusal to issue a certificate or license and the suspension or revocation of a certificate or license.

Added by Acts 1993, 73rd Leg., ch. 336, Sec. 1, eff. Sept. 1, 1993.

Sec. 436.115. HEARINGS AND APPEALS. (a) A hearing under this chapter is governed by the procedures for a contested case hearing under Chapter 2001, Government Code and the board's formal hearing rules.

(b) An appeal from a final administrative decision under this chapter shall be conducted under Chapter 2001, Government Code.

CHAPTER 437. REGULATION OF FOOD SERVICE ESTABLISHMENTS, RETAIL FOOD STORES, MOBILE FOOD UNITS, AND ROADSIDE FOOD VENDORS

Sec. 437.001. DEFINITIONS. In this chapter:

(1) "Board" means the executive commissioner.

(2) "Commissioner" means the commissioner of health.

(2-a) "Baked good" includes cookies, cakes, breads, Danish, donuts, pastries, pies, and other items that are prepared by baking
the item in an oven.

(2-b) "Cottage food production operation" means an individual, operating out of the individual's home, who:

(A) produces at the individual's home, subject to Section 437.0196:

(i) a baked good that is not a potentially hazardous food, as defined by Section 437.0196;
(ii) candy;
(iii) coated and uncoated nuts;
(iv) unroasted nut butters;
(v) fruit butters;
(vi) a canned jam or jelly;
(vii) a fruit pie;
(viii) dehydrated fruit or vegetables, including dried beans;
(ix) popcorn and popcorn snacks;
(x) cereal, including granola;
(xi) dry mix;
(xii) vinegar;
(xiii) pickles;
(xiv) mustard;
(xv) roasted coffee or dry tea; or
(xvi) a dried herb or dried herb mix;

(B) has an annual gross income of $50,000 or less from the sale of food described by Paragraph (A);

(C) sells the foods produced under Paragraph (A) only directly to consumers at the individual's home, a farmers' market, a farm stand, or a municipal, county, or nonprofit fair, festival, or event; and

(D) delivers products to the consumer at the point of sale or another location designated by the consumer.

(3) "Department" means the Department of State Health Services.

(3-a) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(3-b) "Farm stand" means a premises owned and operated by a producer of agricultural food products at which the producer or other persons may offer for sale produce or foods described by Subdivision (2-b)(A).

(4) "Food," "food service establishment," "retail food
"store," "mobile food unit," "roadside food vendor", and "temporary food service establishment" have the meanings assigned to those terms by rules adopted by the board under this chapter.

(5) "Home" means a primary residence that contains a kitchen and appliances designed for common residential usage.

(6) "Produce" means fresh fruits or vegetables.

Acts 2011, 82nd Leg., R.S., Ch. 1317 (S.B. 81), Sec. 5, eff. September 1, 2011.

Acts 2013, 83rd Leg., R.S., Ch. 653 (H.B. 970), Sec. 1, eff. September 1, 2013.

Acts 2013, 83rd Leg., R.S., Ch. 1275 (H.B. 1382), Sec. 1, eff. September 1, 2013.

Sec. 437.002. ENFORCEMENT OF STATE LAW BY COUNTY OR PUBLIC HEALTH DISTRICT. (a) A county or public health district may enforce state law and rules adopted under state law concerning food service establishments, retail food stores, mobile food units, and roadside food vendors.

(b) This chapter does not authorize a county or public health district to adopt orders establishing standards for the operation of food service establishments, retail food stores, mobile food units, or roadside food vendors.

Sec. 437.003. COUNTY AUTHORITY TO REQUIRE PERMIT. To enforce state law and rules adopted under state law, the commissioners court of a county by order may require food service establishments, retail food stores, mobile food units, and roadside food vendors in unincorporated areas of the county, including areas in the extraterritorial jurisdiction of a municipality, to obtain a permit from the county.

Sec. 437.004. PUBLIC HEALTH DISTRICT AUTHORITY TO REQUIRE PERMIT. (a) A public health district that is established by at least one county and one or more municipalities in the county by order may require food service establishments, retail food stores, mobile food units, and roadside food vendors in the district to obtain a permit from the district.

(b) If the public health district has an administrative board, the administrative board must adopt the order in accordance with its procedures.

(c) If the district does not have an administrative board, the governing body of each member of the district must adopt the order. The order is effective throughout the public health district on the 30th day after the first date on which the governing bodies of all members have adopted the order.

(d) This chapter does not restrict the authority of a municipality that is a member of a public health district to adopt ordinances or administer a permit system concerning food service establishments, retail food stores, mobile food units, and roadside food vendors.

Sec. 437.005. PUBLIC HEARING. (a) A commissioners court, governing body, or administrative board, as applicable, may adopt an order under Section 437.003 or 437.004 only after conducting a public hearing on the proposed order.

(b) At least two weeks' public notice must be given before a public hearing may be held.

(c) The notice must be published in a newspaper of general circulation in the county or public health district on three consecutive days and be printed in 10 point bold-faced type.

Sec. 437.0055. PERMIT FROM DEPARTMENT REQUIRED IN AREAS NOT REGULATED BY COUNTY OR PUBLIC HEALTH DISTRICT. (a) A person may not operate a food service establishment, retail food store, mobile food unit, or temporary food service establishment located in an area in which a county or public health district does not require a permit or

Statute text rendered on: 3/14/2015 - 2915 -
conduct inspections under this chapter unless the person has a permit issued by the department.

(b) A person required to obtain a permit under Subsection (a) must apply annually for the permit and must pay any fees required by the department.

Sec. 437.0056. RULEMAKING AUTHORITY. The board may adopt rules for the efficient enforcement of this chapter by the department in an area not regulated under this chapter by a county or public health district. The board by rule shall establish minimum standards for granting and maintaining a permit in an area not regulated under this chapter by a county or public health district. The commissioner may refuse an application for permit or suspend or revoke a permit in an area not regulated under this chapter by a county or public health district.

Sec. 437.0057. REGULATION OF FOOD HANDLERS AND OTHER FOOD SERVICE EMPLOYEES BY COUNTIES, PUBLIC HEALTH DISTRICTS, AND THE DEPARTMENT. (a) A county, a public health district, or the department may require certification under Subchapter D, Chapter 438, for each food handler who is employed by a food service establishment in which food is prepared on-site for sale to the public and which holds a permit issued by the county, the public health district, or the department. This section applies without regard to whether the food service establishment is at a fixed location or is a mobile food unit.

(b) The requirements of certification under this section may not be more stringent than the requirements of Subchapter D, Chapter 438.

(c) A county, a public health district, or the department may not require an establishment that handles only prepackaged food and does not prepare or package food to employ certified food handlers under this section.

(d) A county, a public health district, or the department may exempt a food service establishment from the requirement that the
county, public health district, or department has imposed under Subsection (a) if the county, the public health district, or the department determines that the application of Subsection (a) to that establishment is not necessary to protect public health and safety.

(e) A county, a public health district, or the department may require a food service establishment to:
   (1) post a sign in a place conspicuous to employees, in a form adopted by the executive commissioner of the Health and Human Services Commission, describing a food service employee's responsibilities to report certain health conditions to the permit holder under rules adopted by the executive commissioner; or
   (2) require that each food service employee sign a written agreement in a form adopted by the executive commissioner to report those health conditions.

Added by Acts 2009, 81st Leg., R.S., Ch. 926 (H.B. 3012), Sec. 1, eff. September 1, 2009.

Sec. 437.006. MORE THAN ONE PERMIT PROHIBITED. A food service establishment or retail food store may not be required under this chapter to obtain more than one permit for each location.

Sec. 437.007. NONPROFIT ORGANIZATIONS EXEMPT. A county or public health district may not require a nonprofit organization to obtain a permit.

Sec. 437.0073. MEDALLION FOR MOBILE FOOD UNITS IN CERTAIN POPULOUS MUNICIPALITIES. (a) This section applies only to a municipality with a population of 1.5 million or more.
   (b) Any person desiring to operate one or more mobile food units in a municipality subject to this section other than restricted operations mobile food units shall obtain an individual medallion for each operating mobile food unit from the health officer of the municipality. Each medallion will be issued unit-by-unit only after
an inspection reveals satisfactory compliance with the provisions of this chapter and applicable municipal regulations or ordinances relating to mobile food units. The medallions shall remain the property of the municipality.

(c) A person may not operate or cause to be operated any mobile food unit that does not possess a valid medallion issued by the health officer.

(d) A medallion shall be affixed by the health officer or the health officer's authorized agents on the mobile food unit in a conspicuous place where it can be viewed by patrons.

(e) Application for a medallion shall be made on forms provided by the health officer and must include:

1. the applicant's full name and mailing address;
2. the address of the location at which the mobile food unit is stationed when not in use;
3. the business name and address of the commissary or other fixed food service establishment from which potentially hazardous food supplies are obtained;
4. the address of the servicing area;
5. a description of the mobile food unit that includes the manufacturer's make, model, and serial number;
6. the vehicle's state registration number; and
7. the signature of the applicant.

(f) All of the provisions of this chapter and applicable municipal regulations or ordinances pertaining to food service establishments apply to the commissary or other fixed food service establishment from which the food supplies are obtained. Any suspension or revocation of the food dealer's permit for a food service establishment is cause for suspension or revocation of the medallion of any mobile food unit that is supplied or serviced by the establishment.

Added by Acts 2009, 81st Leg., R.S., Ch. 403 (H.B. 1802), Sec. 1, eff. June 19, 2009.

Sec. 437.0074. MOBILE FOOD UNITS IN CERTAIN POPULOUS COUNTIES.
(a) A county with a population of at least 2.8 million, or a municipality or public health district in the county, shall require a mobile food unit to:
(1) return to the food service establishment or commissary from which the unit operates within the 24-hour period preceding operation of the mobile food unit to have cleaning and other services performed on the unit; and

(2) obtain, on completion of an inspection following servicing, written documentation that the mobile food unit has been serviced daily as required by Subdivision (1).

(b) A county, municipality, or public health district that has installed an electronic tagging system shall register and record confirmation that the unit has been serviced as required by Subsection (a)(1).

(c) A municipality with a population of 1.5 million or more in a county with a population of 2.8 million or more shall require a mobile food unit, other than a mobile food unit that handles only prepackaged food and does not prepare or package food, to obtain a time and date stamp on the documentation required under Subsection (a)(2) from a time and date stamp unit that is constructed to prevent tampering and approved by the municipality's governing body. A record kept by the municipality regarding the time and date stamp on the documentation under Subsection (a)(2) by means of an electronic tagging system under Subsection (b) controls if that record is inconsistent with the record kept by the mobile food unit.

Added by Acts 2007, 80th Leg., R.S., Ch. 1276 (H.B. 3672), Sec. 1, eff. September 1, 2007.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 403 (H.B. 1802), Sec. 2, eff. January 1, 2010.

Sec. 437.0075. FOOD MANAGERS IN CERTAIN POPULOUS COUNTIES. (a) A county with a population of at least 2.8 million may require a trained food manager to be on duty during the operating hours of a food establishment.

(b) The training required of food managers can be no more extensive than that specified under Subchapter D, Chapter 438.

(c) A food establishment that handles only prepackaged food and does not prepare or package food may not be required to have a certified food manager under this section.

Added by Acts 1999, 76th Leg., ch. 1378, Sec. 7, eff. June 19, 1999.
Sec. 437.0076. CERTIFIED FOOD MANAGER. (a) A county or public health district may require each fixed or mobile location retail establishment in which food is prepared on-site for sale to the public that holds a permit issued by the county or public health district to employ a food manager certified under Subchapter G, Chapter 438.

(b) The board may require each fixed or mobile location retail establishment in which food is prepared on-site for sale to the public that is required to be operated under a permit under Section 437.0055 to employ a food manager certified under Subchapter G, Chapter 438.

(c) An establishment that handles only prepackaged food and does not prepare or package food may not be required to have a certified food manager under this section.

(d) The board by rule may exempt establishments other than the establishments described by Subsection (c) from the requirement imposed under this section if the board determines that the application of the requirement to those establishments is not necessary to protect public health and safety.

(e) A county or public health district may exempt establishments other than the establishments exempt under Subsections (c) and (d) from the requirement imposed by the county or public health district under this section if the county or public health district determines that the application of the requirement to those establishments is not necessary to protect public health and safety.

(f) A child-care facility, as that term is defined by Section 42.002, Human Resources Code, is exempt from the requirements imposed under this section.

Sec. 437.008. PERMIT RENEWAL. A county or public health district may require the annual renewal of a permit.

Sec. 437.009. INSPECTIONS. Authorized agents or employees of
the department, a county, or a public health district may enter the premises of a food service establishment, retail food store, mobile food unit, roadside food vendor, or temporary food service establishment under the department's, county's, or district's jurisdiction during normal operating hours to conduct inspections to determine compliance with:

(1) state law, including a requirement to hold and display written authorization under Section 437.021;
(2) rules adopted under state law; and
(3) orders adopted by the department, county, or district.

Acts 2007, 80th Leg., R.S., Ch. 1402 (H.B. 3138), Sec. 1, eff. June 15, 2007.

Sec. 437.0095. DETENTION. The commissioner or an authorized agent may detain an article of food that is located on the premises of a food service establishment, retail food store, mobile food unit, roadside food vendor, or temporary food service establishment and is adulterated or misbranded under Chapter 431.

Added by Acts 1999, 76th Leg., ch. 448, Sec. 1, eff. Sept. 1, 1999.

Sec. 437.010. SUBMISSION OF PLANS AND SUBSEQUENT INSPECTION.
(a) Before issuing a permit, a county or public health district may require an applicant to provide plans of the food preparation, storage, and sales areas to determine if the applicant is in compliance with state law and rules adopted under state law governing the applicant.
(b) The county or public health district may deny the permit after initial inspection only if the applicant is not in compliance with the plans approved by the county or district.
(c) If the county or public health district finds on inspection that an applicant is not in compliance with state law and rules adopted under state law, the county or public health district may reinspect the applicant at a later date to determine if the applicant is in compliance.
Sec. 437.011. INSPECTION OF EXISTING ENTITIES ON ADOPTION OF ORDER. (a) When a county or public health district requires a permit, the county or district shall make an initial inspection of the facilities of any existing entity applying for the permit.

(b) An existing entity is entitled to continue to operate pending its initial inspection.

(c) If the county or public health district determines on inspection that an entity does not meet the standards established by state law or rules adopted under state law, the county or district may start revocation proceedings as if the entity had obtained a permit.

Sec. 437.012. COUNTY AND PUBLIC HEALTH DISTRICT FEES. (a) A county or public health district may require the payment of a fee for issuing or renewing a permit.

(b) Except as provided by Subsection (f), the fee charged by a county or public health district for issuing or renewing a permit may not exceed $150.

(c) Fees collected by a county under this chapter shall be deposited to the credit of a special fund of the county. Fees collected by a public health district under this chapter shall be deposited to the credit of a special fund created by the cooperative agreement under which the district operates.

(d) Fees deposited as provided by this section may be spent only for conducting inspections required by this chapter and issuing permits.

(e) This section does not apply to a county or public health district covered by Section 437.0123.

(f) A county or public health district may, by rule or order, adopt a variable scale to determine the fee charged for a permit under this section. In adopting a rule or order under this subsection, the county or public health district may consider:

(1) the size of the food service establishment, retail food store, mobile food unit, or roadside food vendor;
(2) the number of people employed at the food service establishment, retail food store, mobile food unit, or roadside food vendor; and

(3) the gross sales of the food service establishment, retail food store, mobile food unit, or roadside food vendor.

(g) A fee charged under Subsection (f) may not exceed $300.

(h) The fee charged to a child care facility under this section may not exceed $150.

Sec. 437.0123. COUNTY AND PUBLIC HEALTH DISTRICT FEES IN CERTAIN POPULOUS COUNTIES. (a) A county that has a population of at least 2.8 million or a public health district at least part of which is in a county that has a population of at least 2.8 million may require the payment of a fee for issuing or renewing a permit or for performing an inspection to enforce this chapter or a rule adopted under this chapter. A county with a population of at least 2.8 million may require a trained food manager to be on duty during each day of operation of a food service establishment. The training required of food managers can be no more extensive than that specified under Subchapter D, Chapter 438. A food service establishment that handles only prepackaged food and does not prepare or package food may not be required to have a certified food manager under this section.

(b) A county or public health district that requires payment of a fee under Subsection (a) shall set the fee in an amount that allows the county or district to recover at least 50 percent of the annual expenditures by the county or district for:

(1) reviewing and acting on a permit;

(2) amending and renewing a permit; and

(3) inspecting a facility as provided by this chapter and rules adopted under this chapter.

(c) Notwithstanding Subsection (b), the fee charged by a county or public health district may not exceed the highest fee charged by a municipality in the county or public health district or $300,
whichever amount is less.

(d) Fees collected by a county under this chapter shall be deposited to the credit of a special fund of the county. Fees collected by a public health district under this chapter shall be deposited to the credit of a special fund created by the cooperative agreement under which the district operates.

(e) Fees deposited as provided by this section may be spent only for a purpose described by Subsection (b).

Sec. 437.0125. DEPARTMENT FEES. (a) The department shall collect fees for:

(1) filing, renewing, or amending a permit; and
(2) an inspection performed to enforce this chapter or a rule adopted under this chapter.

(b) The department may charge annual fees.

(c) The board by rule shall set the fees in amounts that allow the department to recover at least 50 percent of the annual expenditures by the department for:

(1) reviewing and acting on a permit;
(2) amending and renewing a permit;
(3) inspecting a facility as provided by this chapter and rules adopted under this chapter; and
(4) implementing and enforcing this chapter, including a rule or order adopted or a license issued by the department.

(d) The department shall spend not less than 50 percent of the permit fees collected to inspect facilities and to enforce and administer this chapter.

(e) All permit fees collected by the department under this chapter shall be deposited in the state treasury to the credit of the food and drug retail fee fund.

Added by Acts 1993, 73rd Leg., ch. 617, Sec. 4, eff. Sept. 1, 1993.

Sec. 437.013. AUDITED STATEMENT. (a) A county or public health district shall file an audited statement with the Texas Department of Health on or before January 15 of each year.
(b) The statement must include the receipts of funds collected under this chapter, all expenditures of funds, and fund balances.

(c) A county or public health district that fails to timely file the statement may not require the payment of a fee for issuing or renewing a permit until the statement is filed.

Sec. 437.014. DENIAL, SUSPENSION, OR REVOCATION OF PERMIT. (a) A county or public health district may refuse to issue a permit or may suspend or revoke a permit if the county or district finds that the food service establishment, retail food store, mobile food unit, or roadside food vendor is not in compliance with state law, rules adopted under state law, or orders adopted by the county or district.

(b) A permit may be denied, suspended, or revoked only after notice and an opportunity for a hearing.

(c) A county or public health district that requires a permit to operate a food service establishment, retail food store, mobile food unit, or roadside food vendor shall adopt procedures for denying, suspending, or revoking a permit that afford due process to the applicant or permit holder.

Sec. 437.0145. EMERGENCY SUSPENSION OR CLOSING ORDER. (a) The department shall suspend the license of a food service establishment, retail food store, mobile food unit, roadside food vendor, or temporary food service establishment or order the immediate closing of the food service establishment, retail food store, mobile food unit, roadside food vendor, or temporary food service establishment if:

(1) the department finds the food service establishment, retail food store, mobile food unit, roadside food vendor, or temporary food service establishment is operating in violation of the standards prescribed by this chapter; and

(2) the violation creates an immediate threat to the health and safety of the public.

(b) An order suspending a license or closing a food service establishment, retail food store, mobile food unit, roadside food

Statute text rendered on: 3/14/2015 - 2925 -
vendor, or temporary food service establishment under this section is immediately effective on the date on which the license holder receives written notice or a later date specified in the order.

(c) An order suspending a license or ordering an immediate closing of a food service establishment, retail food store, mobile food unit, roadside food vendor, or temporary food service establishment is valid for 10 days after the effective date of the order.

Added by Acts 1999, 76th Leg., ch. 448, Sec. 1, eff. Sept. 1, 1999.

Sec. 437.015. INJUNCTION. A city attorney, county attorney, or district attorney may sue in district court to enjoin a food service establishment, retail food store, mobile food unit, or roadside food vendor from operating without a permit if a permit is required.

Sec. 437.0155. DEPARTMENT INJUNCTION. (a) If it appears that a person has violated, is violating, or threatens to violate this chapter or a rule adopted under this chapter, the department may institute a civil suit in a district court for injunctive relief to restrain the person from continuing the violation or threat of violation.

(b) The department may petition a district court for a temporary restraining order to immediately halt a violation or other action creating an emergency condition if it appears that:

(1) a person is violating or threatening to violate this chapter or a rule or order adopted under this chapter; and

(2) the violation or threatened violation creates an immediate threat to the health and safety of the public.

(c) On the department's request, the attorney general shall institute a suit in the name of the state for injunctive relief.

(d) In an action for injunctive relief under this section, the court may grant any prohibitory or mandatory injunction warranted by the facts, including temporary restraining orders, temporary injunctions, and permanent injunctions. The court shall grant injunctive relief without a bond or other undertaking by the department.
(e) Venue for a suit brought under this section is in the county in which the violation or threat of violation is alleged to have occurred.

Added by Acts 1999, 76th Leg., ch. 448, Sec. 1, eff. Sept. 1, 1999.

Sec. 437.016. CRIMINAL PENALTY: VIOLATION OF COUNTY AND PUBLIC HEALTH DISTRICT PERMIT REQUIREMENTS. (a) A person commits an offense if the person operates a food service establishment, retail food store, mobile food unit, or roadside food vendor without a permit required by the county or public health district in which the entity is operating.

(b) An offense under this section is a Class C misdemeanor.

(c) Each day on which a violation occurs constitutes a separate offense.

Sec. 437.0165. CRIMINAL PENALTY: VIOLATION OF DEPARTMENT PERMIT REQUIREMENT. (a) A person commits an offense if the person operates a food service establishment, retail food store, mobile food unit, or temporary food service establishment without a permit that is required by the department under Section 437.0055.

(b) An offense under this section is a Class A misdemeanor.

(c) Each day on which a violation occurs constitutes a separate offense.

Added by Acts 1993, 73rd Leg., ch. 617, Sec. 6, eff. Jan. 1, 1994.

Sec. 437.017. CONFLICT WITH ALCOHOLIC BEVERAGE CODE. The Alcoholic Beverage Code and rules adopted by the Alcoholic Beverage Commission control to the extent of a conflict between this chapter or an order adopted under this chapter.

Sec. 437.018. ADMINISTRATIVE PENALTY. (a) The commissioner may impose an administrative penalty against a person who holds a permit or who is regulated under this chapter and who violates this chapter or a rule or order adopted under this chapter.

(b) The penalty for a violation may be in an amount not to exceed $10,000. Each day a violation continues or occurs is a separate violation for purposes of imposing a penalty.

(c) The amount of the penalty shall be based on:

1. the seriousness of the violation, including the nature, circumstances, extent, and gravity of any prohibited acts, and the hazard or potential hazard created to the health, safety, or economic welfare of the public;

2. the enforcement costs relating to the violation;

3. the history of previous violations;

4. the amount necessary to deter future violations;

5. efforts to correct the violation; and

6. any other matter that justice may require.

(d) If the commissioner determines that a violation has occurred, the commissioner shall issue an order that states the facts on which the determination is based, including an assessment of the penalty.

(e) Within 14 days after the date the order is issued, the commissioner shall give written notice of the order to the person. The notice may be given by certified mail. The notice must include a brief summary of the alleged violation and a statement of the amount of the recommended penalty and must inform the person that the person has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(f) Within 20 days after the date the person receives the notice, the person in writing may accept the determination and recommended penalty of the commissioner or may make a written request for a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(g) If the person accepts the determination and recommended penalty of the commissioner, the commissioner by order shall approve the determination and impose the recommended penalty.

(h) If the person requests a hearing or fails to respond timely to the notice, the commissioner shall set a hearing and give notice
of the hearing to the person. An administrative law judge shall make findings of fact and conclusions of law and promptly issue to the commissioner a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty. Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner by order may find that a violation has occurred and impose a penalty or may find that no violation occurred.

(i) The notice of the commissioner's order given to the person under Chapter 2001, Government Code must include a statement of the right of the person to judicial review of the order.

(j) Within 30 days after the date the board's order is final as provided by Subchapter F, Chapter 2001, Government Code, the person shall:

1. pay the amount of the penalty;
2. pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or
3. without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(k) Within the 30-day period, a person who acts under Subsection (j)(3) of this section may:

1. stay enforcement of the penalty by:
   A. paying the amount of the penalty to the court for placement in an escrow account; or
   B. giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the board's order is final; or
2. request the court to stay enforcement of the penalty by:
   A. filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and
   B. giving a copy of the affidavit to the commissioner by certified mail.

1. The commissioner on receipt of a copy of an affidavit under
Subsection (k)(2) of this section may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(m) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the commissioner may refer the matter to the attorney general for collection of the amount of the penalty.

(n) Judicial review of the order of the commissioner:
   (1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and
   (2) is under the substantial evidence rule.

(o) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(p) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

(q) A penalty collected under this section shall be remitted to the comptroller for deposit in the general revenue fund.

(r) All proceedings under this section are subject to Chapter 2001, Government Code.

Added by Acts 1993, 73rd Leg., ch. 617, Sec. 6, eff. Jan. 1, 1994.
Sec. 437.0185. ADMINISTRATIVE PENALTY BY PUBLIC HEALTH DISTRICT OR COUNTY.  (a) The director of a public health district or the commissioners court of a county may impose an administrative penalty on a person the district or county requires to hold a permit under Section 437.003 or 437.004 if the person violates this chapter or a rule or order adopted under this chapter.

(b) The amount of the penalty may not exceed $500 per day, and each day a violation continues or occurs is a separate violation for the purpose of imposing a penalty. The amount shall be based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
(2) the history of previous violations;
(3) the amount necessary to deter a future violation;
(4) efforts to correct the violation; and
(5) any other matter that justice may require.

(c) The enforcement of the penalty may be stayed during the time the order is under judicial review if the person pays the penalty to the clerk of the court. A person who cannot afford to pay the penalty may stay the enforcement by filing an affidavit in the manner required by the Texas Rules of Civil Procedure for a party who cannot afford to file security for costs.

(d) Not later than the 20th day after the date the person receives notice of the penalty, the person in writing may:

(1) accept the determination and pay the recommended penalty of the director or commissioners court; or
(2) make a request for a hearing on the occurrence of the violation, the amount of the penalty, or both.

(e) The justice of the peace for the justice precinct in which the retail food store or food establishment is located or the mobile food establishment or roadside food vendor is based shall hold a hearing requested under Subsection (d).

(f) If the court sustains the finding that a violation occurred, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty.

(g) If the court does not sustain the finding that a violation
occurred, the court shall order that a penalty is not owed.

(h) If the person paid the penalty to the clerk of the court and if the amount of the penalty is reduced or the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, that the appropriate amount be remitted to the person.

Added by Acts 2007, 80th Leg., R.S., Ch. 1202 (H.B. 1585), Sec. 1, eff. September 1, 2007.

Sec. 437.0186. ASSESSMENT OF ADMINISTRATIVE PENALTY. An administrative penalty may be imposed for a violation of this chapter or a rule or order under this chapter by the state under Section 437.018 or by the director of a public health district or commissioners court of a county under Section 437.0185, but not both.

Added by Acts 2007, 80th Leg., R.S., Ch. 1202 (H.B. 1585), Sec. 1, eff. September 1, 2007.

Sec. 437.019. EXEMPTION FOR CERTAIN BED AND BREAKFAST ESTABLISHMENTS. (a) Except as provided by Subsection (c), a bed and breakfast establishment with seven or fewer rooms for rent that serves only breakfast to its overnight guests is not a food service establishment for purposes of this chapter. An owner or manager of a bed and breakfast establishment covered by this subsection shall successfully complete a food manager's certification course accredited by the department.

(b) Except as provided by Subsection (c), a bed and breakfast establishment that has more than seven rooms for rent, or that provides food service other than breakfast to its overnight guests, is a food service establishment for purposes of this chapter but may not be required to meet all criteria applicable to a larger food service establishment such as a restaurant. The board, commissioners court, governing body, or administrative board, as applicable, shall adopt minimum standards for a bed and breakfast establishment covered by this subsection.

(c) A bed and breakfast establishment that provides food service other than to overnight guests is a food service establishment for purposes of this chapter and is subject to all rules and regulations applicable to a food service establishment.
Sec. 437.0191. EXEMPTION FOR COTTAGE FOOD PRODUCTION OPERATIONS. (a) A cottage food production operation is not a food service establishment for purposes of this chapter.

(b) The exemption provided by Subsection (a) does not affect the application of Sections 431.045, 431.0495, and 431.247 authorizing the department or other local health authority to act to prevent an immediate and serious threat to human life or health.

Sec. 437.0192. REGULATION OF COTTAGE FOOD PRODUCTION OPERATIONS BY LOCAL GOVERNMENT AUTHORITIES PROHIBITED; COMPLAINTS. (a) A local government authority, including a local health department, may not regulate the production of food at a cottage food production operation.

(b) Each local health department and the department shall maintain a record of a complaint made by a person against a cottage food production operation.

Sec. 437.0193. PACKAGING AND LABELING REQUIREMENTS FOR COTTAGE FOOD PRODUCTION OPERATIONS. (a) Food described by Section 437.001(2-b)(A) sold by a cottage food production operation must be packaged in a manner that prevents product contamination, except that a food item is not required to be packaged if it is too large or
bulky for conventional packaging.

(b) The executive commissioner shall adopt rules requiring a
cottage food production operation to label all of the foods described
in Section 437.001(2-b)(A) that the operation sells to consumers.
The label must include:

(1) the name and address of the cottage food production
operation; and

(2) a statement that the food is not inspected by the
department or a local health department.

(c) For foods not required to be packaged under Subsection (a),
the information required to be included on the label under Subsection
(b) must be provided to the consumer on an invoice or receipt.

Sec. 437.0194. CERTAIN SALES BY COTTAGE FOOD PRODUCTION
OPERATIONS PROHIBITED. A cottage food production operation may not
sell any of the foods described in Section 437.001(2-b)(A):

(1) through the Internet;
(2) by mail order; or
(3) at wholesale.

Acts 2013, 83rd Leg., R.S., Ch. 653 (H.B. 970), Sec. 5, eff.
September 1, 2013.

Sec. 437.0195. PRODUCTION OF COTTAGE FOOD PRODUCTS. (a) An
individual who operates a cottage food production operation must have
successfully completed a basic food safety education or training
program for food handlers accredited under Subchapter D, Chapter 438.

(b) An individual may not process, prepare, package, or handle
cottage food products unless the individual:

(1) meets the requirements of Subsection (a);
(2) is directly supervised by an individual described by Subsection (a); or
(3) is a member of the household in which the cottage food products are produced.

Added by Acts 2013, 83rd Leg., R.S., Ch. 653 (H.B. 970), Sec. 6, eff. September 1, 2013.

Sec. 437.0196. POTENTIALLY HAZARDOUS FOOD; PROHIBITION FOR COTTAGE FOOD PRODUCTION OPERATIONS. (a) In this section, "potentially hazardous food" means a food that requires time and temperature control for safety to limit pathogen growth or toxin production. The term includes a food that must be held under proper temperature controls, such as refrigeration, to prevent the growth of bacteria that may cause human illness. A potentially hazardous food may include a food that contains protein and moisture and is neutral or slightly acidic, such as meat, poultry, fish, and shellfish products, pasteurized and unpasteurized milk and dairy products, raw seed sprouts, baked goods that require refrigeration, including cream or custard pies or cakes, and ice products. The term does not include a food that uses potentially hazardous food as ingredients if the final food product does not require time or temperature control for safety to limit pathogen growth or toxin production.

(b) A cottage food production operation may not sell to customers potentially hazardous foods.

Added by Acts 2013, 83rd Leg., R.S., Ch. 653 (H.B. 970), Sec. 6, eff. September 1, 2013.

Sec. 437.020. REGULATION OF FOOD SAMPLES AT FARMS AND FARMERS' MARKETS. (a) In this section:
(1) "Farmers' market" means a designated location used primarily for the distribution and sale directly to consumers of food by farmers or other producers.
(2) "Food" means an agricultural, apicultural, horticultural, silvicultural, viticultural, or vegetable product for human consumption, in either its natural or processed state, that has been produced or processed or otherwise has had value added to the product in this state. The term includes:
(A) fish or other aquatic species;
(B) livestock, a livestock product, or a livestock by-product;
(C) planting seed;
(D) poultry, a poultry product, or a poultry by-product;
(E) wildlife processed for food or by-products;
(F) a product made from a product described by this subdivision by a farmer or other producer who grew or processed the product; or
(G) produce.

(b) Except as provided by this section and Sections 437.0201, 437.0202, and 437.0203:
(1) this chapter does not regulate the provision of samples of food or the sale of food to consumers at a farm or farmers' market; and
(2) a rule adopted under state law may not regulate the provision of samples of food or the sale of food to consumers at a farm or farmers' market.

(c) Samples of food may be prepared and distributed at a farm or farmers' market if the following sanitary conditions exist:
(1) samples must be distributed in a sanitary manner;
(2) a person preparing produce samples on-site must:
   (A) wear clean, disposable plastic gloves when preparing samples; or
   (B) observe proper hand washing techniques immediately before preparing samples;
(3) produce intended for sampling must be washed in potable water to remove any soil or other visible material;
(4) potable water must be available for washing;
(5) except as provided by Section 437.0202(b), potentially hazardous food, as determined by rule of the department, must be maintained at or below 41 degrees Fahrenheit or disposed of within two hours after cutting or preparing; and
(6) utensils and cutting surfaces used for cutting samples must be smooth, nonabsorbent, and easily cleaned or disposed of.

(d) A person who sells or provides a sample of meat or poultry or food containing meat or poultry must comply with Chapter 433.

(e) This section does not authorize the sale of or provision of samples of raw milk or raw milk products at a farmers' market.
Sec. 437.0201. REGULATION OF FOOD AT FARMERS' MARKETS UNDER TEMPORARY FOOD ESTABLISHMENT PERMITS. (a) In this section, "farmers' market" and "food" have the meanings assigned by Section 437.020.

(b) The department or a local health department may issue a temporary food establishment permit to a person who sells food at a farmers' market without limiting the number of days for which the permit is effective to the number of days during which the farmers' market takes place.

(c) A permit issued under Subsection (b) may be valid for up to one year and may be renewed on expiration.

(d) This section does not apply to a farmers' market in a county:

(1) that has a population of less than 50,000; and
(2) over which no local health department has jurisdiction.

(e) The executive commissioner or a state or local enforcement agency may not adopt a rule requiring a farmers' market to pay a permit fee for conducting a cooking demonstration or providing samples of food if the demonstration or provision of samples is conducted for a bona fide educational purpose.

Sec. 437.0202. TEMPERATURE REQUIREMENTS FOR FOOD AT FARMERS' MARKETS. (a) In this section, "farmers' market" and "food" have the meanings assigned by Section 437.020.

(b) The executive commissioner by rule may adopt temperature requirements for food sold at, prepared on-site at, or transported to
or from a farmers' market under Section 437.020, 437.0201, or 437.0203. Food prepared on-site at a farmers' market may be sold or distributed at the farmers' market only if the food is prepared in compliance with the temperature requirements adopted under this section.

(c) Except as provided by Subsection (d), the executive commissioner or a state or local enforcement agency may not mandate a specific method for complying with the temperature control requirements adopted under Subsection (b).

(d) The municipality in which a municipally owned farmers' market is located may adopt rules specifying the method or methods that must be used to comply with the temperature control requirements adopted under Subsection (b).

(e) This section does not apply to a farmers' market in a county:

1. that has a population of less than 50,000; and
2. over which no local health department has jurisdiction.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1317 (S.B. 81), Sec. 7, eff. September 1, 2011.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1275 (H.B. 1382), Sec. 4, eff. September 1, 2013.

Sec. 437.0203. REGULATION OF COOKING DEMONSTRATIONS AT FARMERS' MARKETS. (a) In this section, "farmers' market" and "food" have the meanings assigned by Section 437.020.

(b) Except as provided by this section and Sections 437.020, 437.0201, and 437.0202:

1. this chapter does not regulate cooking demonstrations at a farmers' market; and
2. a rule adopted under state law may not regulate cooking demonstrations at a farmers' market.

(c) A person may conduct a cooking demonstration at a farmers' market only if:

1. regardless of whether the demonstrator provides a sample of food to consumers, the farmers' market that hosts the demonstration:
   (A) has an establishment operator with a valid
certification under Subchapter D, Chapter 438, supervising the
demonstration; and

(B) complies with Sections 437.020 and 437.0202, the
requirements of a temporary food establishment under this chapter,
and rules adopted under this chapter; and

(2) when the demonstrator provides a sample of food to
consumers:

(A) the demonstrator provides a sample only and not a
full serving; and

(B) samples of food prepared during a demonstration are
disposed of not later than two hours after the beginning of the
demonstration.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1275 (H.B. 1382), Sec. 5,
eff. September 1, 2013.

Sec. 437.021. AUTHORITY TO OPERATE ON CERTAIN PROPERTY. A
person operating a mobile food unit, roadside food vendor, or
temporary food service establishment in a county with a population of
more than 3.3 million shall acquire written authorization from the
owner of the property on which the unit, vendor, or establishment is
operating. The written authorization must:

(1) be notarized;

(2) provide that the operator has the property owner's
permission to operate the unit, vendor, or establishment on the
property; and

(3) be prominently displayed in the unit, vendor, or
establishment in plain view of the public at all times.

Added by Acts 2007, 80th Leg., R.S., Ch. 1402 (H.B. 3138), Sec. 2,

Sec. 437.023. SERVICE ANIMALS. (a) A food service
establishment, retail food store, or other entity regulated under
this chapter may not deny a service animal admittance into an area of
the establishment or store or of the physical space occupied by the
entity that is open to customers and is not used to prepare food if:

(1) the service animal is accompanied and controlled by a
person with a disability; or
(2) the service animal is in training and is accompanied and controlled by an approved trainer.

(b) If a service animal is accompanied by a person whose disability is not readily apparent, for purposes of admittance to a food service establishment, retail food store, or physical space occupied by another entity regulated under this chapter, a staff member of the establishment, store, or entity may only inquire about:

(1) whether the service animal is required because the person has a disability; and
(2) what type of work the service animal is trained to perform.

(c) In this section, "service animal" means a canine that is specially trained or equipped to help a person with a disability. An animal that provides only comfort or emotional support to a person is not a service animal under this section. The tasks that a service animal may perform in order to help a person with a disability must be directly related to the person's disability and may include:

(1) guiding a person who has a visual impairment;
(2) alerting a person who has a hearing impairment or who is deaf;
(3) pulling a wheelchair;
(4) alerting and protecting a person who has a seizure disorder;
(5) reminding a person who has a mental illness to take prescribed medication; and
(6) calming a person who has post-traumatic stress disorder.

Added by Acts 2013, 83rd Leg., R.S., Ch. 838 (H.B. 489), Sec. 1, eff. January 1, 2014.

CHAPTER 438. PUBLIC HEALTH MEASURES RELATING TO FOOD
SUBCHAPTER A. UNPACKAGED FOODS

Sec. 438.001. DEFINITIONS. In this subchapter:

(1) "Gravity feed type container" means a self-service container in which food is dispensed by operating a mechanism that permits the food to drop into a receptacle.

(2) "Scoop utensil type container" means a self-service container from which food is dispensed by using a utensil provided
(3) "Unpackaged food" means food that is:
(A) not in individual packaging or wrapping;
(B) offered for sale by a retail food store; and
(C) sold in bulk from a container that permits a customer to dispense the food directly into a receptacle.

Sec. 438.002. EXEMPTIONS. This subchapter does not apply to:
(1) a beverage;
(2) fresh fruit or vegetables;
(3) food that is intended to be shelled or cooked before consumption; or
(4) food, such as milk products, eggs, meat, poultry, fish, or shellfish, that is capable of supporting rapid and progressive growth of infectious or toxic microorganisms.

Sec. 438.003. SALE FROM SELF-SERVICE CONTAINERS. (a) A person may sell unpackaged food that is displayed and sold in bulk from a self-service container if:
(1) the self-service container has a tight-fitting lid that is securely attached to the container; and
(2) the container, lid, and any utensil are constructed of nontoxic materials that provide for easy cleaning and proper repair.
(b) The lid of a gravity feed type container shall be kept closed except when the container is being serviced or refilled.
(c) The lid of a scoop utensil type container shall be kept closed except during customer service. The container must have a utensil, equipped with a handle, to be used in dispensing the food.
(d) The seller shall:
(1) keep the container, lid, and any utensil sanitary to prevent spoilage and insect infestation; and
(2) post in the immediate display area a conspicuous sign that instructs the customer on the proper procedure for dispensing the food.
Sec. 438.004. STRICTER RULES. (a) The Texas Board of Health by rule may establish requirements stricter than the requirements prescribed by Section 438.003 for the display and sale of unpackaged foods if the transmission of a disease infestation or contamination is directly related to a method of displaying and selling unpackaged food authorized by this subchapter.

(b) The stricter requirement must be:

(1) adopted according to laboratory evidence supporting the specific relationship between the disease infestation or contamination and the method of dispensing the unpackaged food; and

(2) applied uniformly to all nonexempted food sources and dispensing methods.

Sec. 438.005. SALE OF UNPACKAGED FOOD; CRIMINAL PENALTY. (a) A person commits an offense if the person knowingly or intentionally sells unpackaged food in a manner that does not comply with Section 438.003 or a rule adopted under Section 438.004.

(b) An offense under this section is a Class C misdemeanor.

Sec. 438.006. EFFECT ON OTHER LAWS. (a) This subchapter supersedes an ordinance or rule adopted by a political subdivision to regulate the method of dispensing unpackaged food.

(b) This subchapter does not affect an ordinance or rule adopted and enforced by a political subdivision to require the maintenance of sanitary conditions in the sale of unpackaged food dispensed in a manner authorized by this subchapter.

SUBCHAPTER B. CLEANING AND STERILIZATION OF FOOD SERVICE ITEMS

Sec. 438.011. DEFINITIONS. In this subchapter:
(1) "Dish" includes a vessel of any shape or size, made of any type of material, commonly used in eating or drinking.
(2) "Food factory" includes a place in which, as a business, food is manufactured or prepared for human consumption.
(3) "Receptacle" includes a vessel, tray, pot, pan, or other article used for holding food.
(4) "Utensil" includes a vessel or article of any shape or size, made of any material, commonly used in preparing, holding, storing, transporting, serving, or eating food.

Sec. 438.012. USE OFUNCLEAN DISHES. A person who operates or manages a food factory may not use or keep for use a dish or utensil or a food-grinding machine or implement that after its previous use has not been cleaned in the manner required by Section 438.013(a).

Sec. 438.013. CLEANING DISHES, RECEP TACLES, AND UTENSILS. (a) A person who operates or manages a hotel, cafe, restaurant, dining car, drugstore, soda fountain, meat market, bakery, confectionery, liquor dispensary, or other establishment where food or drink is served to the public may not furnish to a person a dish, receptacle, or utensil that after its previous use has not been washed in warm water containing soap or alkali cleanser until the item is clean to the sight and touch.

(b) A dish or utensil that has been cleaned or polished with a poisonous substance may not be offered for use to a person or used in the manufacturing of food unless all traces of the poisonous substance have been removed from the dish or utensil.

(c) In this section, "liquor dispensary" means a place where beer, ale, wine, or any other alcoholic beverage is stored, prepared, labeled, bottled, served, or handled.

Sec. 438.014. STERILIZATION OF FOOD SERVICE ITEMS. (a) After
cleaning dishes, receptacles, utensils, food-grinding machines, and implements as required by Section 438.012 or 438.013, the items shall be:

(1) placed in a wire cage and immersed in a still bath of clear water for at least:
   (A) three minutes in water heated to a minimum temperature of 170 degrees Fahrenheit; or
   (B) two minutes in water heated to a minimum temperature of 180 degrees Fahrenheit;

(2) immersed for at least two minutes in a lukewarm chlorine bath made up at a strength of 100 parts per milliliter or more of hypochlorites and not reduced to less than 50 parts per milliliter available chlorine, or a concentration of equal bacteriacidal strength if chloramines are used; or

(3) sterilized by any other chemical method approved by the Texas Board of Health.

(b) A three-compartment vat shall be used to sterilize dishes, receptacles, and utensils if a chlorine solution is used. The first compartment of the vat shall be used for washing, the second compartment for plain rinsing, and the third compartment for chlorine immersion. A satisfactory rinsing or spraying device may be substituted for the second rinsing compartment on an existing installation.

(c) The same chlorine solution may not be used as bacteriacidal treatment for more than one day.

(d) After sterilization, all dishes, receptacles, and utensils shall be stored in a manner that protects the food service items from contaminants.

(e) Subsections (a)-(d) do not apply to an establishment that uses electrically operated dishwashing and glasswashing machines that clean and sterilize mechanically.

Sec. 438.015. USE OF DAMAGED DISHES, RECEPTACLES, OR UTENSILS. A public eating or drinking establishment or a person who operates or manages a food factory may not use or keep for use a dish, receptacle, or utensil that is made or damaged in a manner that makes cleaning or sterilizing the item impossible or doubtful.
Sec. 438.016. NAPKINS. A napkin, cloth, or other article used by a person shall be laundered or sterilized before it is furnished for use to another person.

Sec. 438.017. PROTECTION OF OTHER FOOD SERVICE ITEMS. (a) A paper receptacle, ice cream cone, or other single service utensil to be used for serving food or drink shall be kept in a sanitary manner, protected from dust, flies, and other contaminants.

(b) A napkin, straw, toothpick, or other article may not be offered for the use of a person unless the article has been securely protected from dust, dirt, insects, rodents, and, as necessary and by all reasonable means, other contaminants.

Sec. 438.018. CRIMINAL PENALTY. (a) A person commits an offense if the person violates this subchapter.

(b) An offense under this subchapter is punishable by a fine of not less than $5 or more than $100.

SUBCHAPTER C. FOOD SERVICE EMPLOYEES

Sec. 438.031. DEFINITION. In this subchapter, "food" includes simple, mixed, or compounded articles used for food, drink, flavoring, confectionery, and condiment for human consumption.

Sec. 438.032. INFECTED PERSONS; FOOD HANDLING PROHIBITED. (a) A person may not handle food, utensils, dishes, or serving implements that are for public sale or for the consumption or use by another if
the person:

(1) is infected with a disease that is transmissible through the handling of food;
(2) resides in a household in which there is a transmissible case of a communicable disease that may be food borne;
(3) is known to be a carrier of the organisms causing a communicable disease that may be food borne; or
(4) has a local infection that is commonly transmitted through the handling of food.

(b) A person, firm, corporation, or organization operating or managing a public eating place or vehicle or other place where food is manufactured, processed, prepared, dispensed, or handled in a manner or under circumstances that would permit the probable transmission of disease from a handler to a consumer may not employ a person described in Subsection (a) to handle the food, utensils, dishes, or serving implements.

Sec. 438.033. PHYSICAL EXAMINATION; DOCTOR'S CERTIFICATE. (a) On the request of an employer, the Texas Board of Health or the board's representative, or the local health authority or the local health authority's representative, a person employed or seeking employment in an activity regulated under Section 438.032:

(1) shall be examined by a licensed physician; and
(2) must receive a certificate signed by the physician stating that the examination has been performed and that to the best of the physician's knowledge the person examined did not have on the date of the examination a transmissible condition of a communicable disease or a local infection commonly transmitted through the handling of food.

(b) The examination must be actual and thorough and conducted with practical scientific procedures to determine the existence of a communicable disease that may be transmitted through the handling of food.

Sec. 438.034. EMPLOYEE CLEANLINESS. (a) A person handling
food or unsealed food containers shall:

(1) maintain personal cleanliness;
(2) wear clean outer garments;
(3) keep the person's hands clean; and
(4) wash the person's hands and exposed portions of the
person's arms with soap and water:
   (A) before starting work;
   (B) during work as often as necessary to avoid cross-
   contaminating food; and
   (C) to maintain cleanliness, after smoking, eating, and
   each visit to the toilet.

(b) A person handling food or unsealed food containers may not
contact with bare hands exposed ready-to-eat food unless:

(1) documentation is maintained at the food service
establishment listing the foods and food handling activities that
involve bare-hand contact; and

(2) the food service establishment uses two or more of the
following contamination control measures:
   (A) requiring employees to perform double hand washing;
   (B) requiring employees to use fingernail brushes while
   hand washing;
   (C) requiring employees to use a hand sanitizer after
   hand washing;
   (D) implementing an incentive program that encourages
   employees not to come to work when ill; and
   (E) any other contamination control measure approved by
   the regulatory authority.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Amended by:

Acts 2009, 81st Leg., R.S., Ch. 926 (H.B. 3012), Sec. 2, eff.
September 1, 2009.

Sec. 438.035. USE OF UNLAUNDERED TOWELS. A person at a place
where food for public consumption is handled or sold may not use a
towel unless the towel has been thoroughly laundered after it has
been previously used by another person.

Sec. 438.036. CRIMINAL PENALTY. (a) A person, firm, corporation, or organization commits an offense if the person, firm, corporation, or organization violates this subchapter.

(b) An offense under this section is punishable by a fine of not less than $10 or more than $200.

(c) Each day of a violation constitutes a separate offense.

Sec. 438.037. MUNICIPAL ORDINANCES. This subchapter does not affect the authority granted under Article XI, Section 5, of the Texas Constitution, Article 1175, Revised Statutes, Subchapter F of this chapter, and the applicable chapters of the Local Government Code to a Type A general-law municipality or a home-rule municipality to adopt an ordinance relating to this subchapter.

SUBCHAPTER D. FOOD SERVICE PROGRAMS

Sec. 438.041. DEFINITION. In this subchapter:

(1) "Department" means the Department of State Health Services.

(2) "Food handler" means a food service employee who works with unpackaged food, food equipment or utensils, or food-contact surfaces.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 1299 (S.B. 552), Sec. 1, eff. September 1, 2007.

Sec. 438.042. DUTIES OF BOARD. (a) The Texas Board of Health shall adopt standards and procedures for the accreditation of education and training programs for persons employed in the food service industry.

Text of (b) as added by Acts 1991, 72nd Leg., ch. 539, Sec. 15
(b) The Texas Board of Health shall adopt standards and procedures for the accreditation of education and training programs for recertification of persons employed in the food service industry who have previously completed a program accredited in accordance with this subchapter or have been certified by a local health jurisdiction and have completed training and testing requirements substantially similar to those required by this subchapter for program accreditation. The requirements for accreditation in Section 438.043 need not be met by an education or training program for recertification.

Text of (b) as added by Acts 1991, 72nd Leg., ch. 885, Sec. 1

(b) The Texas Board of Health shall adopt standards and procedures for the accreditation of education and training programs for recertification of persons employed in the food service industry who:

(1) have previously completed a program accredited under this subchapter; or

(2) have been certified by a local health jurisdiction and have completed training and testing requirements that are substantially similar to those required by this subchapter for program accreditation.

Sec. 438.043. REQUIREMENTS FOR ACCREDITATION. (a) The department may not accredit an education or training program unless the program includes:

(1) four hours of training on the subject of food, including:

(A) a description of food-borne disease and its cause and prevention; and

(B) protection of food in location, receipt, storage, preparation, service, and transportation;

(2) four hours of training on the subject of food service facilities, including:

(A) waste disposal and sanitary plumbing and water;

(B) cleaning and sanitization of dishes and utensils;
(C) storage of equipment and utensils;
(D) housekeeping procedures and schedules;
(E) proper handling of nonfood supplies, including single service items, linens, and toxic materials; and
(F) cleanliness of the physical plant, including building construction, ventilation, lighting, pest control, and general safety of the environment;

(3) two hours of training on the subject of sanitary habits for food handlers, including:
   (A) personal hygiene, including proper dress, handwashing, personal habits, and illness;
   (B) food handling practices, including minimum handling and proper use of food service utensils; and
   (C) operational problems, including identification and correction of commonly occurring deficiencies; and

(4) four hours of training on the subject of management in the food service industry, including:
   (A) self-inspection promotion and techniques;
   (B) motivation, including safety, the economics of safe food handling, and planning to meet sanitation guidelines; and
   (C) personnel training, including management responsibility, resources, and methods.

   (b) In addition to the course requirements in Subsection (a), the department shall require that, to receive accreditation, a course include an examination of at least one hour to allow the instructor to evaluate the students' comprehension of the subject matter covered.

   (c) The department shall ensure that each accredited program may be presented in not less than 15 hours.

   (d) The course requirements in Subsection (a) do not apply to an education or training program for recertification.

   (e) The department may modify the requirements of Subsection (a), (b), or (c) for a course used in training employees under the common control of a single entity.

Sec. 438.0431. BASIC FOOD SAFETY ACCREDITATION. (a) Notwithstanding Section 438.043, the department may accredit an education or training program for basic food safety for food handlers as provided by this section.

(b) The executive commissioner of the Health and Human Services Commission shall by rule define the basic food safety training or education required to be included in a course curriculum. The course length may not exceed two hours.

(c) A training or education program accredited under this section may require a participant to achieve a passing score on an examination to successfully complete the course for certification.

(d) A program accredited under this section may be delivered through the Internet.

Added by Acts 2007, 80th Leg., R.S., Ch. 1299 (S.B. 552), Sec. 2, eff. September 1, 2007.

Sec. 438.044. APPLICATION FOR ACCREDITATION. (a) A person seeking accreditation for an education or training program must apply to the department for accreditation. The applicant must demonstrate to the department the contents of the course.

(b) The department shall accredit a course that meets the minimum requirements of this subchapter.

Sec. 438.045. AUDIT OF EDUCATION AND TRAINING PROGRAMS. The department shall conduct a regular audit of each program accredited under this subchapter to ensure compliance with this subchapter.

Sec. 438.046. LIST OF ACCREDITED PROGRAMS. (a) The department shall maintain a registry of course programs accredited under this subchapter.

(b) A local health jurisdiction that requires training for a food service worker shall accept as sufficient to meet the jurisdiction's training and testing requirements a training course
that is accredited by the department and listed with the registry. A food service worker trained in a course for the employees of a single entity is considered to have met a local health jurisdiction's training and testing requirements only as to food service performed for that entity.

(c) Any fee charged by a local health jurisdiction for a certificate issued to a food service worker trained by an accredited course listed in the registry may not exceed the lesser of:

1. the reasonable cost incurred by the jurisdiction in issuing the certificate; or
2. the fee charged by the jurisdiction to issue a certificate to a food service worker certified by the jurisdiction as having met the training and testing requirements by any other means.

Sec. 438.047. FEES. The department shall charge an application fee and an audit fee sufficient to cover the entire cost of accreditation, audit, and maintenance of the registry.

SUBCHAPTER F. FOOD INSPECTIONS

Sec. 438.061. FOOD INSPECTIONS BY TYPE A GENERAL-LAW MUNICIPALITY. (a) The governing body of a Type A general-law municipality may regulate the inspection of beef, pork, flour, meal, salt, and other provisions.

(b) The governing body of a Type A general-law municipality may appoint weighers, gaugers, and inspectors, and may prescribe their duties and regulate their fees.

SUBCHAPTER G. CERTIFICATION OF FOOD MANAGERS

Sec. 438.101. DEFINITIONS. In this subchapter:

1. "Board" means the Texas Board of Health.
(2) "Food establishment" means a fixed or mobile location retail establishment in which food is prepared on-site for sale to the public.

(3) "Food manager" means an individual who conducts, manages, or operates a food establishment.

Sec. 438.102. CERTIFICATION PROGRAM. (a) The board shall establish a certification program for food managers in accordance with this subchapter.

(b) The board by rule shall prescribe the requirements for issuance and renewal of a food manager certificate under this subchapter.

Sec. 438.103. CERTIFICATION AND RENEWAL OF CERTIFICATION; EXAMINATION REQUIRED. A person who satisfies the requirements of this subchapter may receive and renew a food manager certificate by passing a state-approved examination.

Sec. 438.104. APPROVAL OF EXAMINATIONS; SELECTION OF EXAMINATION SITES. (a) The board shall adopt criteria to approve examinations.

(b) In administering this subchapter, the board shall consider the impact of the traveling distance and time required for a food manager to obtain certification. The board shall give particular consideration to mitigating the impact of this subchapter on food managers in rural areas. The board shall use the Internet to implement the certification and may develop a system to permit administration of the examination using the Internet.

Sec. 438.105. CERTIFICATE AS EVIDENCE OF COMPLIANCE WITH OTHER LAW. A food manager certificate, including a renewal certificate, obtained under this subchapter shall be accepted as meeting the training and testing requirements under Section 438.046(b).

Sec. 438.106. POWERS AND DUTIES OF BOARD; FEES. (a) The board by rule may adopt a fee for issuance or renewal of a food manager certificate under this subchapter in amounts reasonable and necessary to administer this subchapter, but not to exceed $35.

(b) The board by rule may adopt a fee, in an amount not to exceed $10, for an examination administered by the department under this subchapter.

(c) The board may adopt rules for the denial, suspension, and revocation of a food manager certificate issued under this subchapter.

(d) The board by rule may prescribe standards for:
   (1) examination sites;
   (2) expenses of administration of examinations under this subchapter; and
   (3) site audits for administration of this subchapter.

SUBCHAPTER H. INFORMATION ON DEPARTMENT FOOD REGULATION

Sec. 438.151. DEFINITIONS. In this subchapter:

(1) "Department" means the Department of State Health Services.

(2) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

Added by Acts 2013, 83rd Leg., R.S., Ch. 918 (H.B. 1392), Sec. 1, eff. September 1, 2013.

Sec. 438.152. REQUEST FOR INFORMATION. Unless otherwise prohibited by state or federal law, on receipt of a written request for information pertaining to the regulation of food under this
subtitle, the department shall provide a reasonable and substantial response to the request not later than the 30th day after the date the department receives the request.

Added by Acts 2013, 83rd Leg., R.S., Ch. 918 (H.B. 1392), Sec. 1, eff. September 1, 2013.

Sec. 438.153. REQUEST FOR OFFICIAL DETERMINATION. (a) On receipt of a written request regarding the applicability to a specific circumstance of a regulation or the requirements for compliance with the regulation, the department shall provide an official written determination regarding the applicability of the regulation or the requirements for compliance with the regulation to the requestor not later than the 30th day after the date the department receives the request.

(b) An official determination made under this section is valid until the regulation that is the subject of the determination is amended by statute or department rule.

Added by Acts 2013, 83rd Leg., R.S., Ch. 918 (H.B. 1392), Sec. 1, eff. September 1, 2013.

Sec. 438.154. EFFECT OF OFFICIAL DETERMINATION. An inspector may not issue to a person a citation for a violation of a food regulation governed by this subtitle if the person provides the inspector with an official determination made under Section 438.153 that contradicts the opinion of the inspector.

Added by Acts 2013, 83rd Leg., R.S., Ch. 918 (H.B. 1392), Sec. 1, eff. September 1, 2013.

Sec. 438.155. RULES. (a) The executive commissioner shall adopt rules to implement this subchapter.

(b) The executive commissioner periodically shall evaluate the department's food safety rules and modify the rules as necessary to improve consistency and communication in food regulation in this state.
CHAPTER 439. MANUFACTURE AND DISTRIBUTION OF CERTAIN DRUGS

SUBCHAPTER A. LAETRILE

Sec. 439.001. DEFINITION. In this chapter, "laetrile" means amygdalin.

Sec. 439.002. MANUFACTURE AND SALE. Laetrile may be manufactured in this state in accordance with Chapter 431 (Texas Food, Drug and Cosmetic Act) and may be sold in this state for distribution by licensed physicians.

Sec. 439.003. PRESCRIPTION AND ADMINISTRATION. (a) A licensed physician may prescribe or administer laetrile in the treatment of cancer.

(b) A physician is not subject to disciplinary action by the Texas State Board of Medical Examiners for prescribing or administering laetrile to a patient under the physician's care who has requested the substance unless that board makes a formal finding that the substance is harmful.

(c) A finding under Subsection (b) must be made in a hearing conducted as provided by Chapter 2001, Government Code.

Sec. 439.004. REGULATION BY HEALTH CARE FACILITY. (a) A hospital or other health care facility may not forbid or restrict the use of laetrile when it is requested by a patient and prescribed or administered by a physician unless the Texas Board of Health finds that the substance is harmful as prescribed or administered by the physician.
(b) A finding under Subsection (a) must be made after a hearing conducted as provided by Chapter 2001, Government Code.

Sec. 439.005. RECORDS; DISCIPLINARY ACTIONS. (a) A physician shall keep records of the physician's purchases and disposals, including sales and dispensations, of laetrile. The records shall include the date of each purchase or disposal by the physician, the name and address of the person receiving laetrile, and the reason for the disposal of laetrile to that person.

(b) The Texas State Board of Medical Examiners may suspend, cancel, or revoke the license of any physician who:

(1) fails to keep complete and accurate records of purchases and disposals of laetrile;

(2) prescribes or dispenses laetrile to a person known to be a habitual user of narcotic or dangerous drugs or to a person who the physician should have known was a habitual user of narcotic or dangerous drugs;

(3) uses any advertising that tends to mislead or deceive the public; or

(4) is unable to practice medicine with reasonable skill and safety to patients because of any mental or physical condition, including age, illness, or drunkenness, or because of excessive use of drugs, narcotics, chemicals, or any other type of material.

(c) Subsection (b)(2) does not apply to a person being treated by the physician for narcotic use after the physician notifies the Texas State Board of Medical Examiners in writing of the name and address of the patient being treated.

SUBCHAPTER B. DIMETHYL SULFOXIDE

Sec. 439.011. DEFINITION. In this subchapter, "DMSO" means sterile and pyrogen-free dimethyl sulfoxide.

Sec. 439.012. MANUFACTURE AND SALE. DMSO may be manufactured in this state and may be sold in this state for human use when prescribed or administered by a licensed physician or dispensed by a licensed pharmacist as prescribed by a licensed physician.

Sec. 439.013. PRESCRIPTION, ADMINISTRATION, AND DISPENSATION. (a) Except as prohibited by Subsection (b), a licensed physician may prescribe or administer DMSO.

(b) A physician may not prescribe or administer DMSO in a formulation not approved for human use by the Food and Drug Administration of the United States Department of Health and Human Services unless the physician:

(1) provides a written statement to the patient informing the patient that DMSO, in the formulation to be prescribed or administered, has not been approved for human use by the United States Food and Drug Administration; and

(2) informs the patient of the alternative methods of treatment for the patient's disorder and the potential of alternative methods for cure.

(c) A licensed pharmacist may dispense DMSO on the written prescription of a licensed physician.

Sec. 439.014. REGULATION BY HEALTH CARE FACILITY. (a) A hospital or health care facility may not forbid or restrict the use of DMSO prescribed or administered by a licensed physician having staff privileges at that hospital or facility unless the hospital or facility:

(1) makes a formal finding that the DMSO as prescribed or administered by the physician is or will be harmful to the patient; or

(2) determines that the prescription or administration of DMSO creates an immediate danger to the public.

(b) A hospital or health care facility that forbids or restricts the use of DMSO under Subsection (a)(2) shall conduct a hearing on the restriction or prohibition as soon as practicable.
after its determination.

Sec. 439.015. RECORDS; DISCIPLINARY ACTIONS. (a) A physician shall keep records of the physician's purchases and disposals, including sales and dispensations, of DMSO. The records shall include the date of each purchase or disposal by the physician, the name and address of the person receiving DMSO, and the reason for the disposal of DMSO to that person.

(b) The Texas State Board of Medical Examiners may suspend, cancel, or revoke the license of any physician who:

(1) fails to keep complete and accurate records of purchases and disposals of DMSO in a formulation not approved for human use; or

(2) prescribes or administers DMSO in a manner that has been proven, in a formal hearing held by the board, to be harmful to the patient.

(c) The Texas State Board of Medical Examiners may temporarily suspend the license of a physician who prescribes or administers DMSO in a manner that, in the board's opinion, creates an immediate danger to the public. The board must conduct a hearing on the temporary suspension as soon as practicable after the suspension.

Sec. 439.016. MISREPRESENTATION; CRIMINAL PENALTY. (a) A person commits an offense if, in connection with advertising or promoting the sale of DMSO, the person knowingly or intentionally represents DMSO as a cure for any human disease, ailment, or disorder.

(b) An offense under this section is a Class B misdemeanor.

Sec. 439.017. RESTRICTIONS ON MANUFACTURE, DISTRIBUTION, AND SALE; CRIMINAL PENALTY. (a) A person commits an offense if the person manufactures, distributes, or sells a dimethyl sulfoxide
formulation that is not sterile and pyrogen-free unless the substance is packaged in a container with a label that includes:

1. information about the concentration of the dimethyl sulfoxide; and

2. the following statement: "Avoid contact with your skin. This dimethyl sulfoxide is not sterile and pyrogen-free DMSO approved for human use. It may contain harmful impurities that can be absorbed through the skin. Dimethyl sulfoxide is a potent solvent that may have adverse effects on fabrics, plastics, and other materials."

(b) An offense under this section is a Class B misdemeanor.

SUBCHAPTER C. PRESERVATION AND DISTRIBUTION OF CERTAIN UNUSED DRUGS

Sec. 439.021. SHIPMENT TO FOREIGN COUNTRIES. (a) A consulting pharmacist of a nursing home may select, from a supply of drugs due for destruction, certain drugs to be used for shipment to a foreign country as provided by this subchapter.

(b) The supply of drugs due for destruction are those drugs accumulated because of the death of a resident of the nursing home or because a physician has ordered the use of the drug to be discontinued.

(c) Quarterly, before the drugs are destroyed, the consulting pharmacist may, in the pharmacist's professional judgment, select the drugs to be used under this subchapter and seal them in a box for shipment.

(d) The consulting pharmacist shall account to the Texas Department of Health for all drugs selected for shipment under this subchapter.

(e) This subchapter does not apply if the unused drug is a controlled substance as defined by Chapter 481 (Texas Controlled Substances Act).

Sec. 439.022. ADMINISTRATION. (a) The Texas Board of Health shall adopt rules consistent with federal and state law to implement this subchapter, including rules relating to:
(1) the packaging and inventory of drugs for shipment;
(2) the manner of shipment of the drugs from original
shipment under this subchapter until the final destination; and
(3) safeguards to ensure the proper handling of and
accounting for all drugs shipped.

(b) The Texas Board of Health by rule shall determine, in
consultation with the United States Department of State and other
appropriate federal agencies, the foreign countries to receive the
drugs.

(c) The salvaging of drugs under this subchapter is not subject
to Chapter 431 (Texas Food, Drug and Cosmetic Act).

Sec. 439.023. CONTRACTS; FUNDS. (a) The Texas Department of
Health may contract with other entities, including local governments
and civic organizations, to implement this subchapter.

(b) The department may accept gifts, grants, and any other
funds to implement this subchapter.

CHAPTER 440. FROZEN DESSERTS MANUFACTURER LICENSING ACT

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 440.001. SHORT TITLE. This chapter may be cited as the
Frozen Desserts Manufacturer Licensing Act.

Sec. 440.002. PURPOSE. The legislature finds that a statewide
licensing act is needed to:

(1) regulate manufacturers of frozen desserts, imitation
frozen desserts, products sold in semblance of frozen desserts, or
mixes for those products;

(2) provide for uniformity of inspections of the premises
of frozen dessert manufacturers;

(3) protect the health and safety of consumers by
preventing the manufacture or distribution of frozen desserts,
imitation frozen desserts, products sold in semblance of frozen
desserts, or mixes for those products that do not meet state
standards or related requirements of purity or labeling; and
(4) assist manufacturers in meeting state standards or
related requirements.

Sec. 440.003. DEFINITIONS. In this Act:
(1) "Adulterated or misbranded frozen desserts mix" means
any frozen dessert or mix that contains an unwholesome substance or,
if defined in this standard, that does not conform with its
definition or that does not comply with Chapter 431 (Texas Food,
Drug, and Cosmetic Act) or any other applicable regulation.
(2) "Board" means the Texas Board of Health.
(3) "Commissioner" means the commissioner of health.
(4) "Department" means the Texas Department of Health.
(5) "Frozen dessert" means any of the following: ice
cream, ice milk, fruit sherbet, water ice, nonfruit sherbet, nonfruit
water ice, frozen dietary dairy desserts, frozen yogurt, quiescently
frozen confection, quiescently frozen dairy confection, mellorine,
lorine, parevine, freezer-made milk shake, freezer-made shake, or
nondairy frozen dessert. The term includes the mix used in the
freezing of one of those frozen desserts.
(6) "Frozen desserts manufacturer" means a person who
manufactures, processes, converts, partially freezes, or freezes any
mix (regardless of whether it is dairy, nondairy, imitation,
pasteurized or unpasteurized), frozen desserts, imitation frozen
desserts, or nondairy frozen desserts for distribution or sale at
wholesale. The term does not include a frozen desserts retail
establishment.
(7) "Frozen desserts plant" means premises where a frozen
dessert or mix is manufactured, processed, or frozen for sale.
(8) "Frozen desserts retail establishment" means premises,
including a retail store, approved type stand, hotel, restaurant,
vehicle, or mobile unit, where frozen dessert mixes are frozen or
partially frozen and dispensed for retail sale or distribution.
(9) "Health authority" means the municipal, county, or
state health officer or the officer's representative or any other
agency having jurisdiction or control over the matters embraced within the specifications and requirements of this chapter.

(10) "Imitation frozen dessert" means any frozen substance, mixture, or compound, regardless of the name under which it is represented, that is made in imitation or semblance of any of the following products or is prepared or frozen in the manner in which any of the following products is customarily prepared or frozen and that is not the product: ice cream, ice milk, fruit sherbet, water ice, nonfruit sherbet, nonfruit ice, frozen low fat yogurt, nonfat yogurt, frozen yogurt, quiescently frozen confection, quiescently frozen dairy confection, mellorine, lorine, parevine, freezer-made milk shake, freezer-made shake, or nondairy frozen dessert.

(11) "Manufacture" means the processing, freezing, or packaging of frozen desserts, imitation frozen desserts, products sold in semblance of frozen desserts, or mixes for those products for sale at wholesale. The term does not include a retailer purchasing those products from a manufacturer displaying the retailer's brand name.

(12) "Mix" means the pasteurized or unpasteurized, liquid or dry, unfrozen combination of the ingredients permitted in a frozen dessert with or without fruits, fruit juices, candy, baked goods and confections, nutmeats, or other harmless flavor or color.

(13) "Official laboratory" means a biological, chemical, or physical laboratory that is under the supervision of a state or local health authority.

(14) "Sale" means the:
   (A) manufacture, production, processing, packing, exposure, offer, or holding of any frozen dessert product for sale;
   (B) sale, dispensing, or giving of any frozen dessert product;
   or
   (C) supplying or applying of any frozen dessert product in the conduct of any frozen desserts retail establishment.

(15) "State health officer" means the commissioner of health.

(16) "Wholesale" means the exposing, offering, possessing, selling, dispensing, holding, or giving of any frozen dessert, imitation frozen dessert, product sold in semblance of frozen dessert, or a mix for one of those products to other than the ultimate consumer. The term does not include sale by a retail store.
Sec. 440.004. EXEMPTIONS. This chapter does not apply to:
(1) a person operating a frozen desserts retail establishment; or
(2) a person operating a retail store unless the person is also a manufacturer.

Sec. 440.005. HEARINGS. (a) A hearing conducted by the board in the administration of this chapter is governed by Chapter 2001, Government Code.
(b) Based on the record of a hearing conducted under this chapter, the department shall make a finding and shall sustain, change, or rescind an official notice or order considered in the hearing.

Sec. 440.006. POWERS AND DUTIES OF BOARD. The board may:
(1) adopt rules prescribing standards or related requirements for the operation of establishments for the manufacture of frozen desserts, imitation frozen desserts, products sold in semblance of frozen desserts, or mixes for those products, including standards or requirements for the:
(A) health, cleanliness, education, and training of personnel who are employed in the establishments;
(B) protection of raw materials, manufactured merchandise, and merchandise held for sale;
(C) design, construction, installation, and cleanliness of equipment and utensils;
(D) sanitary facilities and controls of the establishments;
(E) establishment construction and maintenance, including vehicles;
(F) production processes and controls; and
(G) institution and content of a system of records to
be maintained by the establishment; and
(2) adopt rules prescribing procedures for the enforcement
of the standards or related requirements prescribed under Subdivision
(1), including procedures for the:
(A) requirement of a valid license to operate an
establishment;
(B) issuance, suspension, revocation, and reinstatement
of licenses;
(C) administrative hearings before the board or its
designee;
(D) institution of certain court proceedings by the
board or its designee;
(E) inspection of establishments and securing of
samples of frozen desserts, imitation frozen desserts, products sold
in semblance of frozen desserts, or mixes for those products;
(F) access to the establishments and to the vehicles
used in operations;
(G) compliance by manufacturers outside the
jurisdiction of the state; and
(H) review of plans for future construction.

Sec. 440.007. APPLICABILITY OF OTHER LAW. Except as provided
by Section 431.009(c), Chapter 431 applies to a person or product
regulated under this chapter, including a frozen dessert
manufacturer, a frozen dessert, an imitation frozen dessert, a
product sold in semblance of a frozen dessert, and a mix for one of
those products.

SUBCHAPTER B. LICENSING

Sec. 440.011. PROHIBITED ACT. (a) A person may not operate an
establishment for the manufacture of a frozen dessert, imitation
frozen dessert, product sold in semblance of a frozen dessert, or a
mix for one of those products in this state unless the person has a
valid license issued under this chapter.

(b) A political subdivision or agency of the state, other than the department, may not impose a license fee on any manufacturer covered by this section.

Sec. 440.012. LICENSE. (a) A person desiring to operate an establishment for the manufacture of a frozen dessert, imitation frozen dessert, product sold in semblance of a frozen dessert, or a mix for one of those products may apply to the department for a license. A license shall be granted under the procedural rules adopted by the board and shall be issued only for the purpose and use as stated on the application for a license.

(b) The department shall inspect the establishment under Section 440.031 before issuing a license.

(c) A license may not be issued to a person who does not comply with the standards prescribed by the board under this chapter.

(d) A license issued under this chapter must be renewed on or before September 1 of each year in accordance with rules adopted by the board.

Sec. 440.013. FEES. (a) A $200 nonrefundable fee for each establishment must accompany each application for a license.

(b) The department also shall assess the following fees:

1. a fee for a frozen dessert manufacturer located in this state in the amount of one cent per 100 pounds of manufactured or processed frozen dessert manufactured or processed and distributed in this state by that manufacturer;

2. a fee for a frozen dessert manufacturer not located in this state in the amount of one cent per 100 pounds of frozen desserts manufactured or processed by the manufacturer in another state and imported for sale in this state; and

3. a fee for the actual cost of analyzing samples of frozen desserts for a frozen dessert manufacturer not located in this state.

(c) The board shall adopt rules to collect fees imposed under
this section monthly, quarterly, semiannually, or annually based on amounts due by the frozen dessert manufacturer.

(d) The department may revoke a license to operate a frozen desserts plant if the licensee fails to make a timely payment of the monthly fees required under this section. The department's rules of procedure for a contested case hearing and Chapter 2001, Government Code govern the revocation of a license.

Sec. 440.014. RECORD KEEPING. The board shall adopt rules establishing minimum standards for record keeping by persons required to pay fees under this chapter and the records shall be made available to the department on request.

Sec. 440.015. ESTABLISHMENTS OUTSIDE STATE. A frozen dessert, imitation frozen dessert, product sold in semblance of a frozen dessert, or a mix for one of those products from a manufacturer located outside this state may be sold or distributed in this state if the manufacturer complies with this chapter or complies with other regulatory requirements that are substantially equivalent to those of this state. To determine the extent of the manufacturer's compliance, the department may accept reports from responsible authorities in the jurisdiction in which the manufacturer is located.

Sec. 440.016. TEMPORARY PERMIT. The department may issue a temporary permit to continue the operation of an establishment for the manufacture of a frozen dessert, imitation frozen dessert, product sold in semblance of a frozen dessert, or mix for one of those products until the department performs the inspection required by this chapter.
Sec. 440.017. REFUSAL TO GRANT LICENSE; SUSPENSION OR REVOCATION OF LICENSE. In accordance with rules adopted under Section 440.006, the commissioner may refuse an application for a license under this chapter or may suspend or revoke a license issued under this chapter.

Sec. 440.031. INSPECTION BY DEPARTMENT. (a) Under rules adopted by the board, the department's authorized representatives have free access at all reasonable hours to any establishment for the manufacture of a frozen dessert, imitation frozen dessert, product sold in semblance of a frozen dessert, or a mix for one of those products or to any vehicle being used to transport in commerce a frozen dessert, imitation frozen dessert, product sold in semblance of a frozen dessert, or a mix for one of those products for the purpose of:

(1) inspecting the establishment or vehicle to determine compliance with the standards or related requirements prescribed by the board under this chapter; or

(2) securing samples of frozen desserts, imitation frozen desserts, products sold in semblance of frozen desserts, or a mix for one of those products for the purpose of making or causing to be made an examination of the samples to determine compliance with the standards or related requirements prescribed by the board under this chapter.

(b) A political subdivision or an agency other than the department that collects samples described by Subsection (a)(2) shall bear the cost of the samples and any analyses of the samples.

(c) The inspection procedures provided by this section are in addition to the procedures provided by Chapter 431.
Sec. 440.032. PENALTIES. (a) A person commits an offense if the person knowingly or intentionally violates Section 440.011 or a rule adopted by the board under this chapter.

(b) An offense under this section is a Class C misdemeanor.

(c) The penalty prescribed by this section is in addition to any civil or administrative penalty or sanction otherwise imposed under Chapter 431 or other law.

CHAPTER 441. REGULATION OF BOTTLED AND VENDED DRINKING WATER

Sec. 441.001. DEFINITION. In this chapter, "department" means the Texas Department of Health.

Added by Acts 1999, 76th Leg., ch. 879, Sec. 1, eff. Sept. 1, 1999.

Sec. 441.002. CERTIFICATION OF BOTTLED AND VENDED WATER OPERATORS. (a) A bottled or vended water operator may not furnish bottled or vended water to the public or for distribution to the public unless the bottled or vended water operator holds a certificate of competency under this chapter. A person may not furnish bottled or vended water to the public or for distribution to the public unless the processing, bottling, and distribution of the bottled or vended water are performed by or under the supervision of a bottled or vended water operator who holds a certificate of competency under this chapter.

(b) To obtain or renew a certificate an applicant must pay the department a $25 fee.

(c) On receipt of the required fee, the department shall provide for the testing of the applicant and issue a certificate of competency to the applicant if the applicant passes the test.

Added by Acts 1999, 76th Leg., ch. 879, Sec. 1, eff. Sept. 1, 1999.

Sec. 441.003. RULES. The department may adopt rules that are necessary to implement this chapter that promote the public health and safety. The rules may include rules relating to certificate
suspension, revocation, or other disciplinary action and relating to certificate renewal.

Added by Acts 1999, 76th Leg., ch. 879, Sec. 1, eff. Sept. 1, 1999.

**SUBTITLE B. ALCOHOL AND SUBSTANCE ABUSE PROGRAMS**

According to Section 461.004, this chapter expired September 1, 2009. In 2003, the Texas Commission on Alcohol and Drug Abuse was abolished and the powers, duties, functions, programs, and activities of that agency were transferred to the Department of State Health Services by Section 1.19(a)(3), Chapter 198 (H.B. 2292), Acts of the 78th Legislature, Regular Session.

**CHAPTER 461. TEXAS COMMISSION ON ALCOHOL AND DRUG ABUSE**

Sec. 461.001. POLICY. Chemical dependency is a preventable and treatable illness and public health problem affecting the general welfare and the economy of the state. The legislature recognizes the need for proper and sufficient facilities, programs, and procedures for prevention, intervention, treatment, and rehabilitation. It is the policy of this state that a chemically dependent person shall be offered a continuum of services that will enable the person to lead a normal life as a productive member of society.

Sec. 461.002. DEFINITIONS. In this chapter:

1. "Chemical dependency" means:
   (A) abuse of alcohol or a controlled substance;
   (B) psychological or physical dependence on alcohol or a controlled substance; or
   (C) addiction to alcohol or a controlled substance.

2. "Commission" means the Texas Commission on Alcohol and Drug Abuse.

3. "Controlled substance" means a:
   (A) toxic inhalant; or
   (B) substance designated as a controlled substance by Chapter 481 (Texas Controlled Substances Act).

4. "Intervention" means the interruption of the onset or
progression of chemical dependency in the early stages.

(5) "Prevention" means the reduction of a person's risk of abusing alcohol or a controlled substance or becoming chemically dependent.

(6) "Rehabilitation" means the reestablishment of the social and vocational life of a person after treatment.

(7) "Toxic inhalant" means a gaseous substance that is inhaled by a person to produce a desired physical or psychological effect and that may cause personal injury or illness to the inhaler.

(8) "Treatment" means the initiation and promotion, in a planned, structured, and organized manner, of a person's chemical-free status or the maintenance of a person free of illegal drugs.

(9) "Treatment facility" means a public or private hospital, a detoxification facility, a primary care facility, an intensive care facility, a long-term care facility, an outpatient care facility, a community mental health center, a health maintenance organization, a recovery center, a halfway house, an ambulatory care facility, another facility that is required to be licensed and approved by the commission, or a facility licensed or operated by the Texas Department of Mental Health and Mental Retardation. The term does not include an educational program for intoxicated drivers or the individual office of a private, licensed health care practitioner who personally renders private individual or group services within the scope of the practitioner's license and in the practitioner's office.

Sec. 461.003. COMPOSITION OF COMMISSION. (a) The purpose of this chapter is to prevent broken homes and the loss of lives by creating the Texas Commission on Alcohol and Drug Abuse.

(b) The commission is composed of five members appointed by the governor with the advice and consent of the senate.

(c) Appointments to the commission shall be made without regard to race, color, disability, sex, religion, age, or national origin of the appointees.

(d) In appointing members to the commission under this section,
the governor shall appoint not fewer than three members with experience in business management, financial management, auditing, contract management, or similar activities that are relevant to the commission's duties.

Sec. 461.004. APPLICATION OF SUNSET ACT. The Texas Commission on Alcohol and Drug Abuse is subject to Chapter 325, Government Code (Texas Sunset Act). Unless continued in existence as provided by that chapter, the commission is abolished and this chapter expires September 1, 2009.

Sec. 461.005. RESTRICTIONS ON COMMISSION APPOINTMENT, MEMBERSHIP, AND EMPLOYMENT. (a) A person is not eligible for appointment or service as a commission member if the person or the person's spouse:

(1) is licensed by an occupational regulatory agency in the field of chemical dependency;

(2) is employed by or participates in the management of a business entity or other organization regulated by the commission or receiving funds from the commission;

(3) owns, controls, or has, directly or indirectly, more than a 10 percent interest in a business entity or other organization regulated by the commission or receiving funds from the commission; or

(4) uses or receives a substantial amount of tangible goods, services, or funds from the commission.

(b) An officer, employee, or paid consultant of an association that is primarily interested in the provision of services or in other matters relating to chemical dependency may not be a member or
employee of the commission.

(c) A person who cohabits with or is the spouse of an officer, managerial employee, or paid consultant of an association described by Subsection (b) may not be a commission member or a commission employee grade 17 or over, including exempt employees, according to the position classification schedule under the General Appropriations Act.

(d) A person may not serve as a member of the commission or act as the general counsel to the commission if the person is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a provider of chemical dependency services.

Sec. 461.0051. COMMISSION MEMBER TRAINING. (a) To be eligible to take office as a member of the commission, a person appointed to the commission must complete at least one course of a training program that complies with Subsection (b).

(b) The training program required by Subsection (a) must provide information to the person regarding:

(1) the enabling legislation that created the commission and its policymaking body to which the member is appointed to serve;
(2) the programs operated by the commission;
(3) the role and functions of the commission;
(4) the rules of the commission, with an emphasis on the rules that relate to disciplinary and investigatory authority;
(5) the current budget for the commission;
(6) the results of the most recent formal audit of the commission;
(7) the requirements of the:
   (A) open meetings law, Chapter 551, Government Code;
   (B) open records law, Chapter 552, Government Code;
   and
   (C) administrative procedure law, Chapter 2001, Government Code;
(8) the requirements of the conflict-of-interest laws and other laws relating to public officials; and
(9) any applicable ethics policies adopted by the commission or the Texas Ethics Commission.

(c) A person appointed to the commission is entitled to reimbursement for travel expenses incurred in attending the training program required by Subsection (a) as provided by the General Appropriations Act and as if the person were a member of the commission.

Added by Acts 1997, 75th Leg., ch. 577, Sec. 7, eff. Sept. 1, 1997.

Sec. 461.006. TERMS. Commission members serve staggered six-year terms, with the terms of one or two members expiring February 1 of each odd-numbered year.

Sec. 461.007. OFFICERS. (a) The governor shall annually appoint one commission member as chairman.

(b) The members of the commission shall annually elect one member as vice-chairman. The members may elect one member as secretary or designate the executive director of the commission as secretary.

Sec. 461.008. REMOVAL OF COMMISSION MEMBERS. (a) It is a ground for removal from the commission if a member:

(1) is not eligible for appointment to the commission at the time of appointment as provided by Section 461.005(a);

(2) is not eligible to serve on the commission as provided by Section 461.005(a);

(3) violates a prohibition established by Section 461.005(b), (c), or (d);

(4) cannot discharge the member's duties for a substantial part of the term for which the member is appointed because of illness
or disability; or

(5) is absent from more than half of the regularly
scheduled commission meetings that the member is eligible to attend
during a calendar year unless the absence is excused by majority vote
of the commission.

(b) The validity of an action of the commission is not affected
by the fact that it is taken when a ground for removal of a
commission member exists.

(c) If the executive director has knowledge that a potential
ground for removal exists, the executive director shall notify the
chairman of the commission of the ground. The chairman shall then
notify the governor that a potential ground for removal exists.

Sec. 461.009. PER DIEM; REIMBURSEMENT FOR EXPENSES. A
commission member is entitled to receive:

(1) the compensatory per diem authorized by the General
Appropriations Act for each day spent in performing the member's
official duties; and

(2) reimbursement for travel expenses and other necessary
expenses incurred in performing official duties.

Sec. 461.010. MEETINGS; TRAVEL. (a) The commission shall
meet at least quarterly at the call of the chairman or at the request
of five members. The commission may not meet for more than 24 days
in a fiscal year.

(b) The commission may authorize its members to travel in this
state and in other states to perform commission duties under this
chapter.

Sec. 461.011. PERSONNEL. (a) The commissioner of health and
human services shall employ an executive director in accordance with
Section 531.0056, Government Code. The executive director shall hire
other necessary employees.

(b) The executive director or the executive director's designee shall develop an intra-agency career ladder program that addresses opportunities for mobility and advancement for employees within the commission. The program shall require intra-agency posting of all positions concurrently with any public posting.

(c) The executive director or the executive director's designee shall develop a system of annual performance evaluations that are based on documented employee performance. All merit pay for commission employees must be based on the system established under this subsection.

(d) The commission shall provide to its members and employees, as often as necessary, information regarding their qualifications under this chapter and their responsibilities under applicable laws relating to standards of conduct for state officers or employees.

(e) The executive director or the executive director's designee shall prepare and maintain a written policy statement to assure implementation of a program of equal employment opportunity under which all personnel transactions are made without regard to race, color, disability, sex, religion, age, or national origin. The policy statement must include:

(1) personnel policies, including policies relating to recruitment, evaluation, selection, appointment, training, and promotion of personnel, that are in compliance with requirements of Chapter 21, Labor Code;

(2) a comprehensive analysis of the commission work force that meets federal and state laws, rules, regulations, and instructions directly promulgated from those laws, rules, and regulations;

(3) procedures by which a determination can be made about the extent of underuse in the commission work force of all persons for whom federal or state laws, rules, regulations, and instructions directly promulgated from those laws, rules, and regulations encourage a more equitable balance; and

(4) reasonable methods to appropriately address those areas of underuse.

(f) A policy statement prepared under Subsection (e) must:

(1) cover an annual period;

(2) be updated annually and reviewed by the Texas Commission on Human Rights for compliance with Subsection (e); and
be filed with the governor's office.

The governor's office shall deliver a biennial report to the legislature based on the information received under Subsection (f). The report may be made separately or as a part of other biennial reports made to the legislature.

The commission shall develop and implement policies that clearly separate the respective responsibilities of the commission and the staff of the commission.

Sec. 461.0115. POWERS AND DUTIES OF COMMISSIONER OF HEALTH AND HUMAN SERVICES. The commissioner of health and human services has the powers and duties relating to the commission and executive director as provided by Section 531.0055, Government Code. To the extent a power or duty given to the commission or executive director by this chapter or another law conflicts with Section 531.0055, Government Code, Section 531.0055 controls.

Added by Acts 1999, 76th Leg., ch. 1460, Sec. 2.20, eff. Sept. 1, 1999.

Sec. 461.012. POWERS AND DUTIES. (a) The commission shall:
(1) provide for research and study of the problems of chemical dependency in this state and seek to focus public attention on those problems through public information and education programs;
(2) plan, develop, coordinate, evaluate, and implement constructive methods and programs for the prevention, intervention, treatment, and rehabilitation of chemical dependency in cooperation with federal and state agencies, local governments, organizations, and persons, and provide technical assistance, funds, and consultation services for statewide and community-based services;
(3) cooperate with and enlist the assistance of:
(A) other state, federal, and local agencies;
(B) hospitals and clinics;
(C) public health, welfare, and criminal justice system
authorities;

(D) educational and medical agencies and organizations;

and

(E) other related public and private groups and persons;

(4) expand chemical dependency services for children when funds are available because of the long-term benefits of those services to the state and its citizens;

(5) sponsor, promote, and conduct educational programs on the prevention and treatment of chemical dependency, and maintain a public information clearinghouse to purchase and provide books, literature, audiovisuals, and other educational material for the programs;

(6) sponsor, promote, and conduct training programs for persons delivering prevention, intervention, treatment, and rehabilitation services and for persons in the criminal justice system or otherwise in a position to identify chemically dependent persons and their families in need of service;

(7) require programs rendering services to chemically dependent persons to safeguard those persons' legal rights of citizenship and maintain the confidentiality of client records as required by state and federal law;

(8) maximize the use of available funds for direct services rather than administrative services;

(9) consistently monitor the expenditure of funds and the provision of services by all grant and contract recipients to assure that the services are effective and properly staffed and meet the standards adopted under this chapter;

(10) make the monitoring reports prepared under Subdivision (9) a matter of public record;

(11) license treatment facilities under Chapter 464;

(12) use funds appropriated to the commission to carry out this chapter and maximize the overall state allotment of federal funds;

(13) develop and implement policies that will provide the public with a reasonable opportunity to appear before the commission and to speak on any issue under the commission's jurisdiction;

(14) establish minimum criteria that peer assistance programs must meet to be governed by and entitled to the benefits of a law that authorizes licensing and disciplinary authorities to
establish or approve peer assistance programs for impaired professionals;

(15) adopt rules governing the functions of the commission, including rules that prescribe the policies and procedures followed by the commission in administering any commission programs;

(16) plan, develop, coordinate, evaluate, and implement constructive methods and programs to provide healthy alternatives for youth at risk of selling controlled substances;

(17) submit to the federal government reports and strategies necessary to comply with Section 1926 of the federal Alcohol, Drug Abuse, and Mental Health Administration Reorganization Act, Pub. L. 102-321 (42 U.S.C. Section 300x-26); reports and strategies are to be coordinated with appropriate state governmental entities; and

(18) regulate, coordinate, and provide training for alcohol awareness courses required under Section 106.115, Alcoholic Beverage Code, and may charge a fee for an activity performed by the commission under this subdivision.

(b) The commission may establish regional alcohol advisory committees consistent with the regions established under Section 531.024, Government Code.

(c) The commission may appoint advisory committees to assist the commission in performing its duties. State advisory committee members are entitled to receive the per diem and travel expense allowance authorized by the General Appropriations Act for state employees.

(d) The commission shall comply with federal and state laws related to program and facility accessibility.

(e) The executive director shall prepare and maintain a written plan that describes how a person who does not speak English can be provided reasonable access to the commission's programs and services.

(f) Subsection (a)(18) does not apply to a 12-step or similar self-help alcohol dependency recovery program:

(1) that does not offer or purport to offer an alcohol dependency treatment program;

(2) that does not charge program participants; and

(3) in which program participants may maintain anonymity.

(g) Repealed by Acts 2007, 80th Leg., R.S., Ch. 268, Sec. 32(f), eff. September 1, 2008.

Amended by:
  Acts 2005, 79th Leg., Ch. 281 (H.B. 2702), Sec. 4.02, eff. June 14, 2005.
  Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 32(d), eff. September 1, 2008.
  Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 32(f), eff. September 1, 2008.

Sec. 461.0121. EMERGENCY TREATMENT RESOURCES. The executive director may develop emergency treatment resources for persons who appear to be:
  (1) chemically dependent;
  (2) under the influence of alcohol or a controlled substance and in need of medical attention; or
  (3) undergoing withdrawal or experiencing medical complications related to a chemical dependency.

Sec. 461.0122. REFERRAL SERVICES FOR PERSONS FROM CRIMINAL JUSTICE SYSTEM. (a) The executive director may establish programs for the referral, treatment, or rehabilitation of persons from the criminal justice system within the terms of bail, probation, conditional discharge, parole, or other conditional release.
  (b) A referral may not be inconsistent with medical or clinical judgment or conflict with this chapter or Chapter 462 or applicable federal regulations.

Sec. 461.0123. REPORTING OF CHILDREN INVOLVED IN SUBSTANCE ABUSE OR FROM A FAMILY INVOLVED IN SUBSTANCE ABUSE. (a) The Texas Department of Human Services, the Texas Department of Mental Health and Mental Retardation, the Texas Youth Commission, and the Texas Juvenile Probation Commission shall:

1. attempt to determine whether a child under the agency's jurisdiction is involved in substance abuse or is from a substance-abusing family;
2. record its determination in the case record of the child; and
3. record the information for statistical reporting purposes.

(b) The agencies shall revise their assessment forms, as needed, to include a determination under this section.

(c) The commission shall coordinate the efforts of the agencies described by Subsection (a) in complying with this section.

Added by Acts 1991, 72nd Leg., ch. 627, Sec. 4, eff. Sept. 1, 1991.

Sec. 461.0124. STATEWIDE SERVICE DELIVERY PLAN. (a) The commission shall develop and adopt a statewide service delivery plan. The commission shall update the plan not later than February 1 of each even-numbered year. The plan must include:

1. a statement of the commission's mission, goals, and objectives regarding chemical dependency prevention, intervention, and treatment;
2. a statement of how chemical dependency services and chemical dependency case management services should be organized, managed, and delivered;
3. a comprehensive assessment of:
   (A) chemical dependency services available in this state at the time the plan is prepared; and
   (B) future chemical dependency services needs;
4. a service funding process that ensures equity in the availability of chemical dependency services across this state and within each service region established under Section 531.024, Government Code;
5. a provider selection and monitoring process that emphasizes quality in the provision of services;
(6) a description of minimum service levels for each region;

(7) a mechanism for the commission to obtain and consider local public participation in identifying and assessing regional needs for chemical dependency services;

(8) a process for coordinating and assisting administration and delivery of services among federal, state, and local public and private chemical dependency programs that provide similar services; and

(9) a process for coordinating the commission's activities with those of other state health and human services agencies and criminal justice agencies to avoid duplications and inconsistencies in the efforts of the agencies in chemical dependency prevention, intervention, treatment, rehabilitation, research, education, and training.

(b) The commission shall gather information needed for the development of the plan through systematic methods designed to include local, regional, and statewide perspectives.

(c) In developing the plan, the commission shall analyze the costs of implementation of proposed features of the plan by both the commission and service providers. The commission shall use the analysis to maximize the efficiency of service delivery under the final plan.

(d) The plan must provide a priority for obtaining treatment services for individuals in need of treatment who are parents of a child in foster care.

Added by Acts 1997, 75th Leg., ch. 577, Sec. 7, eff. Sept. 1, 1997.

Sec. 461.0125. CLIENT SERVICE CONTRACT STANDARDS. (a) In each contract for the purchase of chemical dependency program-related client services, the commission shall include:

(1) clearly defined contract goals, outputs, and measurable outcomes that relate directly to program objectives;

(2) clearly defined sanctions or penalties for failure to comply with or perform contract terms or conditions; and

(3) clearly specified accounting, reporting, and auditing requirements applicable to money received under the contract.

(b) Contract goals must include a standard developed by the
commission that is based on a percentage of program clients who maintain long-term recovery for an extended period as defined by the commission.

Added by Acts 1997, 75th Leg., ch. 577, Sec. 7, eff. Sept. 1, 1997.

Sec. 461.0126. CONTRACT MONITORING. The commission shall establish a formal program to monitor program-related client services contracts made by the commission. The commission must:
(1) monitor compliance with financial and performance requirements using a risk assessment methodology; and
(2) obtain and evaluate program cost information to ensure that each cost, including an administrative cost, is reasonable and necessary to achieve program objectives.

Added by Acts 1997, 75th Leg., ch. 577, Sec. 7, eff. Sept. 1, 1997.

Sec. 461.0127. TECHNICAL ASSISTANCE PROGRAM. The commission shall adopt technical assistance policies and procedures for a technical assistance program that:
(1) is clearly separate from the commission's contract monitoring activities;
(2) has a single office for technical assistance requests; and
(3) includes explicit response time frames.

Added by Acts 1997, 75th Leg., ch. 577, Sec. 7, eff. Sept. 1, 1997.

Sec. 461.0128. STATE AGENCY SERVICES STANDARDS. (a) The commission by rule shall develop model program standards for substance abuse services for use by each state agency that provides or pays for substance abuse services. The commission shall provide the model standards to each agency that provides substance abuse services as identified by the Health and Human Services Commission.

(b) Model standards developed under Subsection (a) must be designed to improve the consistency of substance abuse services provided by or through a state agency.

(c) Biennially the commission shall review the model standards.
developed under Subsection (a) and determine whether each standard contributes effectively to the consistency of service delivery by state agencies.

Added by Acts 1999, 76th Leg., ch. 1187, Sec. 17, eff. Sept. 1, 1999.

Sec. 461.0129. LOCAL BEHAVIORAL HEALTH AUTHORITIES. The commission may designate and provide services through local behavioral health authorities as provided by Section 533.0356 and rules adopted jointly with the Texas Board of Mental Health and Mental Retardation.

Added by Acts 1999, 76th Leg., ch. 1187, Sec. 18, eff. Sept. 1, 1999.

Sec. 461.013. EDUCATION AND RESEARCH PROGRAMS CONCERNING CONTROLLED SUBSTANCES. (a) In this section, "controlled substances" means those substances designated as controlled substances by Chapter 481 (Texas Controlled Substances Act).

(b) The commission, in cooperation with other appropriate state agencies, shall carry out educational programs designed to prevent or deter misuse and abuse of controlled substances. In connection with those programs the commission may:

(1) promote better recognition of the problems of misuse and abuse of controlled substances within the regulated industry and among interested groups and organizations;

(2) assist the regulated industry and interested groups and organizations in contributing to the reduction of misuse and abuse of controlled substances;

(3) consult with interested groups and organizations to aid those groups in solving administrative and organizational problems;

(4) evaluate procedures, projects, techniques, and controls conducted or proposed as part of educational programs on misuse and abuse of controlled substances;

(5) disseminate the results of research on misuse and abuse of controlled substances to promote a better public understanding of problems that exist and ways to combat those problems; and

(6) assist in educating and training state and local law enforcement officials in their efforts to control misuse and abuse of controlled substances.
(c) The commission shall encourage research on misuse and abuse of controlled substances. In connection with research, and in furtherance of the enforcement of Chapter 481 (Texas Controlled Substances Act), the executive director may:

(1) establish methods to assess accurately the effects of controlled substances and identify and characterize those with potential for abuse;
(2) make studies and undertake programs of research to:
   (A) develop new or improved approaches, techniques, systems, equipment, and devices to strengthen the enforcement of Chapter 481 (Texas Controlled Substances Act);
   (B) determine patterns and social effects of misuse and abuse of controlled substances; and
   (C) improve methods for preventing, predicting, understanding, and dealing with the misuse and abuse of controlled substances; and
(3) contract with public agencies, institutions of higher education, and private organizations or individuals to conduct research, demonstrations, or special projects that bear directly on misuse and abuse of controlled substances.

Sec. 461.0131. OUTREACH PROGRAMS FOR INTRAVENOUS DRUG USERS.  
(a) The commission may fund community outreach programs that have direct contact with intravenous drug users.
(b) An outreach program funded by the commission must:
   (1) provide education on HIV infection based on the model education program developed by the Texas Department of Health;
   (2) encourage behavior changes to reduce the possibility of HIV transmission;
   (3) promote other HIV risk reduction activities; and
   (4) encourage behavior consistent with state criminal laws.
(c) In this section, "HIV" means human immunodeficiency virus.

Sec. 461.0132. MINIMUM PROGRAM REQUIREMENTS.  (a) A chemical dependency intensive intervention, outpatient, residential treatment,
or rehabilitation program that is provided by the commission or that is funded in whole or part by funds allocated through the commission must include:

(1) coping skills training;
(2) education regarding the manifestations and dynamics of dysfunctional relationships within the family; and
(3) support group opportunities for children and adults.

(b) This section does not apply to:

(1) a detoxification program or that part of a program that provides detoxification; or
(2) a program provided by the Texas Youth Commission.

(c) In this section, "coping skills training" means instruction in the elements and practice of and reasons for the skills of communication, stress management, problem solving, daily living, and decision making.

Sec. 461.0133. RELAPSE RATE REPORTING. (a) A treatment program provided or funded by the commission shall report to the commission on the effectiveness of the chemical dependency treatment program.

(b) The report must show to the extent possible, without violating the confidentiality of information received by the program, the rate of relapse of persons who have received treatment services.

(c) The commission by rule may provide for the content of a report and the procedure for reporting under this section. Reports must be uniform in classifications of persons receiving treatment according to the severity of addiction, substance abused, age of person treated, and modality of treatment. A report may not reveal the name of an individual subject to treatment or of a family member or acquaintance of an individual treated and may not describe circumstances from which any of those individuals may be identified.

Sec. 461.014. FINANCES. (a) The commission may accept gifts and grants.

(b) All money paid to the commission under this chapter is
subject to Subchapter F, Chapter 404, Government Code.

(c) The commission shall prepare annually a complete and detailed written report accounting for all funds received and disbursed by the commission during the preceding fiscal year. The annual report must meet the reporting requirements applicable to financial reporting provided in the General Appropriations Act.

(d) The financial transactions of the commission are subject to audit by the state auditor in accordance with Chapter 321, Government Code.

(e) The commission is the state agency to:

(1) receive and administer federal funds for alcohol and drug abuse, including applying for, administering, and disbursing funds under the Drug Abuse Office and Treatment Act of 1972 (21 U.S.C. Section 1101 et seq.); and

(2) prescribe all necessary policies relating to alcohol and drug abuse.

(f) An organization or other entity is not eligible for a grant of state funds from the commission unless the organization or entity provides matching funds in either cash or in-kind contributions equal to at least five percent of the total grant of state funds from the commission. The commission may waive that requirement if the commission determines that the requirement may jeopardize the provision of needed services.

(g) In allocating grant funds, the commission shall consider the state facility hospitalization rate of substance abusers who are from the service area of the entity requesting the grant. An organization or other entity is not eligible for a grant of state funds for a treatment or rehabilitation program unless the program will, at a minimum, reduce state facility hospitalization of substance abusers by a percentage established by the commission.

(h) As a condition to receiving contract or grant funds under this chapter, a public or private organization or entity must provide to the commission information relating to:

(1) the number of chemically dependent persons the organization or entity served, if any, during the preceding year, the municipalities and counties of residence of those persons, and the number of persons served from each municipality and county; and

(2) the number of chemically dependent persons the organization or entity expects to serve during the term of the requested grant or contract, the expected municipalities and counties
of residence for those persons, and the expected number of persons served from each municipality and county.

Sec. 461.0141. SERVICES FUNDING. (a) The commission by rule shall adopt a system of funding the provision of chemical dependency services that includes competitive and noncompetitive procedures to:

(1) maximize the range of treatment services available in each service region;

(2) provide reasonable access in each region to available services; and

(3) include local public participation in making regional funding decisions and formal funding recommendations.

(b) The system must require that the commission award each proposed chemical dependency services contract to the applicant that the commission determines has made the bid that provides the best value.

(c) In determining the best value bid for a contract under this section, the commission shall consider:

(1) the quality of the proposed service;

(2) cost;

(3) the applicant's ability to:
   (A) perform the contract;
   (B) provide the required services; and
   (C) provide continuity of service;

(4) whether the applicant can perform the contract or provide the services within the period required, without delay or interference;

(5) the applicant's history of:
   (A) contract performance; and
   (B) compliance with the laws relating to the applicant's business operations and the affected services;

(6) whether the applicant's financial resources are sufficient to perform the contract and to provide the services;
whether necessary or desirable support and ancillary services are available to the applicant;
the degree of community support for the applicant;
the quality of the facilities and equipment available to or proposed by the applicant;
the ability of the applicant to meet all applicable written commission policies, principles, and regulations;
state investment in the applicant; and
other factors the commission determines relevant.

(d) Rules adopted under this section must set out the commission's provider selection processes, including:

(1) service purchase methods;
(2) eligibility criteria;
(3) provider selections criteria; and
(4) selection determination procedures.

Added by Acts 1997, 75th Leg., ch. 577, Sec. 7, eff. Sept. 1, 1997.

Sec. 461.0142. FUNDING POLICY MANUAL. (a) The commission shall publish a funding policy manual that explains:

(1) the commission's funding priorities and provider selection criteria; and
(2) the methods the commission used to develop funding policies.

(b) The commission shall update the manual annually.

Added by Acts 1997, 75th Leg., ch. 577, Sec. 7, eff. Sept. 1, 1997.

Sec. 461.0143. UNIT RATE REIMBURSEMENT. (a) The commission shall study the procurement of and payment for chemical dependency treatment services on a unit rate reimbursement basis.

(b) If the commission determines, after consideration of the study, that procurement of and payment for chemical dependency treatment services on a unit rate reimbursement basis in appropriate areas of the state would result in obtaining the highest quality treatment services at the best price and the lowest administrative cost to the commission, the commission shall adopt a unit rate reimbursement system for those services. The system must:

(1) include competitive procurement;
monitor provider performance;
(3) monitor the reasonableness of provider costs and expenditures;
(4) verify provider costs before and after a contract term to ensure rates are set appropriately;
(5) ensure accountability of providers; and
(6) contain costs.

(c) The commission may procure and pay for chemical dependency prevention and intervention services under a unit rate reimbursement system when the commission determines it is appropriate.

(d) In this section, "unit rate reimbursement" means reimbursement for a service paid at a specified rate for a unit of the service provided to a client multiplied by the number of units provided.

Added by Acts 1997, 75th Leg., ch. 577, Sec. 7, eff. Sept. 1, 1997.

Sec. 461.015.  PUBLIC INTEREST INFORMATION AND COMPLAINTS.  (a) The commission shall prepare information of public interest describing the functions of the commission and the commission's procedures by which complaints are filed with and resolved by the commission.  The commission shall make the information available to the public and appropriate state agencies.

(b) The commission by rule shall establish methods by which consumers and service recipients can be notified of the name, mailing address, and telephone number of the commission for the purpose of directing complaints to the commission.  The commission may provide for that notification:
   (1) on each registration form, application, or written contract for services of a person or entity regulated or authorized by this chapter;
   (2) on a sign that is prominently displayed in the place of business of each person or entity regulated or authorized by this chapter; or
   (3) in a bill for service provided by a person or entity regulated or authorized by this chapter.

(c) The commission shall keep a file about each written complaint filed with the commission that the commission has authority to resolve.  The commission shall provide to the person filing the
complaint and to the persons or entities complained about the commission's policies and procedures pertaining to complaint investigation and resolution. The commission, at least quarterly and until final disposition of the complaint, shall notify the complainant and each person or entity complained about of the status of the complaint unless notice would jeopardize an undercover investigation.

(d) The commission shall keep information about each complaint filed with the commission. The information must include:

1. the date the complaint is received;
2. the name of the complainant;
3. the subject matter of the complaint;
4. a record of all persons contacted in relation to the complaint;
5. a summary of the results of the review or investigation of the complaint;
6. an explanation of the reason the complaint was closed without action, for complaints on which the commission took no action.

Sec. 461.016. COOPERATION WITH COMMISSION. (a) Each department, agency, officer, and employee of the state, when requested by the commission, shall cooperate with the commission in appropriate activities to implement this chapter.

(b) This section does not give the commission control over existing facilities, institutions, or agencies or require the facilities, institutions, or agencies to serve the commission in a manner that is inconsistent with their functions, the authority of their offices, or the laws and rules governing their activities.

(c) This section does not authorize the commission to use a private institution or agency without its consent or to pay a private institution or agency for services that a public institution or agency is willing and able to provide.

Sec. 461.017. ADVISORY COMMITTEE ON REDUCING DRUG DEMAND. (a) The Drug Demand Reduction Advisory Committee is composed of the following members:

(1) five representatives of the public from different geographic regions of the state who have knowledge and expertise in issues relating to reducing drug demand and who are appointed by the commissioner of the Department of State Health Services; and

(2) one representative of each of the following agencies or offices who is appointed by the executive director or commissioner of the agency or office and who is directly involved in the agency's or office's policies, programs, or funding activities relating to reducing drug demand:

(A) the criminal justice division of the governor's office;

(B) the Criminal Justice Policy Council;

(C) the Department of Family and Protective Services;

(D) the Department of Public Safety of the State of Texas;

(E) the Health and Human Services Commission;

(F) the Texas Alcoholic Beverage Commission;

(G) the Department of State Health Services;

(H) the Texas Council on Offenders with Mental Impairments;

(I) the Texas Department of Criminal Justice;

(J) the Health and Human Services Commission;

(K) the Department of Aging and Disability Services;

(L) the Texas Education Agency;

(M) the Texas Juvenile Probation Commission;

(N) the Texas Youth Commission;

(O) the Department of Assistive and Rehabilitative Services;

(P) the Texas Workforce Commission;

(Q) the Texas Department of Motor Vehicles;

(R) the comptroller of public accounts; and

(S) the adjutant general's department.

(b) The representative of the Texas Commission on Alcohol and Drug Abuse shall serve as the presiding officer of the Drug Demand Reduction Advisory Committee. The commission may provide administrative support to the committee.

(c) The Drug Demand Reduction Advisory Committee shall meet at
least once in each quarter of each calendar year on dates determined by the committee.

(d) The Drug Demand Reduction Advisory Committee shall serve as a single source of information for the governor, the legislature, and the public about issues relating to reducing drug demand, including available prevention programs and services.

(e) The Drug Demand Reduction Advisory Committee shall develop a statewide strategy to reduce drug demand. The strategy must:

1. incorporate multidisciplinary approaches using current empirical research;
2. include performance-based measurement and accountability standards, short-term objectives, and ten-year targets for reducing drug demand;
3. coordinate, to the extent possible, the efforts of private sector entities and local, state, and federal agencies, including the Office of National Drug Control Policy and the United States Drug Enforcement Administration, to reduce drug demand; and
4. provide opportunities for representatives from the public and private sectors to comment on the committee's activities and make recommendations related to the strategy.

(f) The Drug Demand Reduction Advisory Committee shall identify lead or contributing agencies or offices that shall implement the strategy described in Subsection (e). The committee shall coordinate the implementation of the strategy by those agencies or offices.

(g) The Drug Demand Reduction Advisory Committee may establish additional advisory committees composed of representatives from governmental entities and the private sector to assist the committee in carrying out its duties.

(h) Not later than January 15 of each odd-numbered year, the Drug Demand Reduction Advisory Committee shall present to the governor, the lieutenant governor, and the speaker of the house of representatives a report that states:

1. the committee's progress in developing and coordinating the strategy described in Subsection (e);
2. the status and funding of state programs relating to reducing drug demand; and
3. recommendations for legislation to address issues involved in reducing drug demand.

Added by Acts 2001, 77th Leg., ch. 239, Sec. 1, eff. May 22, 2001.
Sec. 461.018. COMPULSIVE GAMBLING PROGRAM. (a) The commission shall establish a program for:

(1) public education, research, and training regarding problem or compulsive gambling; and

(2) the treatment and prevention of problem or compulsive gambling.

(b) The commission's program under Subsection (a) must include:

(1) establishing and maintaining a list of webpages and toll-free "800" telephone numbers of nonprofit entities that provide crisis counseling and referral services to families experiencing difficulty as a result of problem or compulsive gambling;

(2) promoting public awareness regarding the recognition and prevention of problem or compulsive gambling;

(3) facilitating, through in-service training and other means, the availability of effective assistance programs for problem or compulsive gamblers; and

(4) conducting studies to identify adults and juveniles in this state who are, or who are at risk of becoming, problem or compulsive gamblers.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 6, Sec. 11. Amended by Acts 2003, 78th Leg., ch. 198, Sec. 2.72(a), eff. Sept. 1, 2003.
(B) psychological or physical dependence on alcohol or a controlled substance; or

(C) addiction to alcohol or a controlled substance.

(4) "Commission" means the Texas Commission on Alcohol and Drug Abuse.

(5) "Controlled substance" means a:

(A) toxic inhalant; or

(B) substance designated as a controlled substance by Chapter 481 (Texas Controlled Substances Act).

(6) "Legal holiday" means a state holiday listed in Section 662.021, Government Code, or an officially declared county holiday applicable to a court in which proceedings under this chapter are held.

(7) "Proposed patient" means a person named in an application for emergency detention, protective custody, or commitment under this chapter.

(8) "Toxic inhalant" means a gaseous substance that is inhaled by a person to produce a desired physical or psychological effect and that may cause personal injury or illness to the inhaler.

(9) "Treatment" means the initiation and promotion of a person's chemical-free status or the maintenance of a person free of illegal drugs.

(10) "Treatment facility" means a public or private hospital, a detoxification facility, a primary care facility, an intensive care facility, a long-term care facility, an outpatient care facility, a community mental health center, a health maintenance organization, a recovery center, a halfway house, an ambulatory care facility, another facility that is required to be licensed and approved by the commission, a facility licensed by the Texas Department of Mental Health and Mental Retardation, or a facility operated by the Texas Department of Mental Health and Mental Retardation which has been designated by the commission to provide chemical dependency treatment. The term does not include an educational program for intoxicated drivers or the individual office of a private, licensed health care practitioner who personally renders private individual or group services within the scope of the practitioner's license and in the practitioner's office.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991; Acts 1993, 73rd Leg., ch. 671, Sec. 1, eff. June 15, 1993;
Sec. 462.002. FILING REQUIREMENTS. (a) Each application, petition, certificate, or other paper permitted or required to be filed in a court having original jurisdiction under this chapter must be filed with the county clerk of the proper county.

(b) The county clerk shall file each paper after endorsing on it:

(1) the date on which the paper is filed;
(2) the docket number; and
(3) the clerk's official signature.

(c) A person may initially file a paper with the county clerk by the use of reproduced, photocopied, or electronically transmitted paper if the person files the original signed copies of the paper with the clerk not later than the 72nd hour after the hour on which the initial filing is made. If the 72-hour period ends on a Saturday, Sunday, or legal holiday, the filing period is extended until 4 p.m. on the first succeeding business day. If extremely hazardous weather conditions exist or a disaster occurs, the presiding judge or magistrate may by written order made each day extend the filing period until 4 p.m. on the first succeeding business day. The written order must declare that an emergency exists because of the weather or the occurrence of a disaster. If a person detained under this chapter would otherwise be released because the original signed copy of a paper is not filed within the 72-hour period but for the extension of the filing period under this section, the person may be detained until the expiration of the extended filing period. This subsection does not affect another provision of this chapter requiring the release or discharge of a person.

(d) If the clerk does not receive the original signed copy of a paper within the period prescribed by this section, the judge may dismiss the proceeding on the court's own motion or on the motion of a party and, if the proceeding is dismissed, shall order the immediate release of a proposed patient who is not at liberty.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991; Acts 1991, 72nd Leg., ch. 567, Sec. 8, eff. Sept. 1, 1991; Acts 1993, 73rd Leg., ch. 107, Sec. 5.03, eff. Aug. 30, 1993.
Sec. 462.0025. COURT HOURS. (a) The probate court or court having probate jurisdiction shall be open for proceedings under this chapter during normal business hours.

(b) The probate judge or magistrate shall be available at all times at the request of a person taken into custody or detained under Subchapter C or a proposed patient under Subchapter D.

Amended by Acts 1991, 72nd Leg., ch. 567, Sec. 9, eff. Sept. 1, 1991. Amended by:

Sec. 462.003. INSPECTION OF COURT RECORDS. (a) Each paper in a docket for commitment proceedings in the county clerk's office, including the docket book, indexes, and judgment books, is a public record of a private nature that may be used, inspected, or copied only under a written order issued by the:

(1) county judge;
(2) judge of a court that has probate jurisdiction; or
(3) judge of a district court having jurisdiction in the county.

(b) A judge may not issue an order under Subsection (a) unless the judge enters a finding that:

(1) the use, inspection, or copying is justified and in the public interest; or
(2) the paper is to be released to the person to whom it relates or to a person designated in a written release signed by the person to whom the paper relates.

(c) In addition to the finding required by Subsection (b), if a law relating to confidentiality of mental health information or physician-patient privilege applies, the judge must find that the reasons for the use, inspection, or copying fall within the statutory exemptions.

(d) The papers shall be released to an attorney representing the proposed patient in a proceeding held under this chapter.

(e) This section does not affect access of law enforcement personnel to necessary information in the execution of a writ or
warrant.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.004. REPRESENTATION OF STATE. In a hearing on court-ordered treatment held under this chapter:

(1) the county attorney shall represent the state; or
(2) if the county has no county attorney, the district attorney shall represent the state.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.005. COSTS. (a) The laws relating to the payment of the costs of commitment, support, maintenance, and treatment and to the securing of reimbursement for the actual costs applicable to court-ordered mental health, probation, or parole services apply to each item of expense incurred by the state or the county in connection with the commitment, care, custody, treatment, and rehabilitation of a person receiving care and treatment under this chapter.

(b) A county that enters an order of commitment or detention under this chapter is liable for payment of the costs of any proceedings related to that order, including:

(1) court-appointed attorney fees;
(2) physician examination fees;
(3) compensation for language or sign interpreters;
(4) compensation for masters; and
(5) expenses to transport a patient to a hearing or to a treatment facility.

(c) A county or the state is entitled to reimbursement from any of the following persons for costs actually paid by the county or state and that relate to an order of commitment or detention:

(1) the patient;
(2) the applicant; or
(3) a person or estate liable for the patient's support in a treatment facility.

(d) On a motion of the county or district attorney or on the
court's own motion, the court may require an applicant to file a cost bond with the court.

(e) The state shall pay the costs of transporting a discharged patient to the patient's home or of returning to a treatment facility a patient absent without permission unless the patient or a person responsible for the patient is able to pay the costs.

(f) The state or the county may not pay any costs for a patient committed to a private hospital unless no public facilities are available and unless authorized by the commission or the commissioners court of the county, as appropriate.

(g) Notwithstanding Subsection (c), a person who files an application for the commitment of another while acting in the person's capacity as an employee of a local mental health authority is not liable for the payment of any costs under this section.

Sec. 462.006. WRIT OF HABEAS CORPUS. This chapter does not limit a person's right to obtain a writ of habeas corpus.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.007. LIMITATION OF LIABILITY. (a) A person who participates in the examination, certification, apprehension, custody, transportation, detention, commitment, treatment, or discharge of a proposed patient or in the performance of any act required or authorized by this chapter and who acts in good faith, reasonably, and without malice or negligence is not civilly or criminally liable for that action.

(b) A physician performing a medical examination or providing information to a court in a court proceeding under this chapter or providing information to a peace officer to demonstrate the necessity to apprehend a person under Section 462.041 is considered an officer of the court and is not civilly or criminally liable for the examination or testimony when acting without malice.

(c) A physician or inpatient mental health facility that discharges a voluntary patient is not liable for the discharge if:
(1) a written request for the patient's release was filed and not withdrawn; and

(2) the person who filed the written request for release is notified that the person assumes all responsibility for the patient on discharge.

Sec. 462.008. CRIMINAL PENALTY; ENFORCEMENT. (a) A person commits an offense if the person intentionally causes, conspires with another person to cause, or assists another to cause the unwarranted commitment of a person to a treatment facility.

(b) A person commits an offense if the person knowingly violates this chapter.

(c) An individual who commits an offense under this section is subject on conviction to:

(1) a fine of not less than $50 or more than $25,000 for each violation and each day of a continuing violation;

(2) confinement in jail for not more than two years for each violation and each day of a continuing violation; or

(3) both fine and confinement.

(d) A person other than an individual who commits an offense under this section is subject on conviction to a fine of not less than $500 or more than $100,000 for each violation and each day of a continuing violation.

(e) If it is shown on the trial of an individual that the individual has previously been convicted of an offense under this section, the offense is punishable by:

(1) a fine of not less than $100 or more than $50,000 for each violation and each day of a continuing violation;

(2) confinement in jail for not more than four years for each violation and each day of a continuing violation; or

(3) both fine and confinement.

(f) If it is shown on the trial of a person other than an individual that the person previously has been convicted of an offense under this section, the offense is punishable by a fine of not less than $1,000 or more than $200,000 for each violation and each day of a continuing violation.
(g) The appropriate district or county attorney shall prosecute violations of this chapter.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991; Acts 1991, 72nd Leg., ch. 567, Sec. 12, eff. Sept. 1, 1991; Acts 1993, 73rd Leg., ch. 705, Sec. 3.05, eff. Sept. 1, 1993.

Sec. 462.009. CONSENT TO TREATMENT. (a) A patient receiving treatment in a treatment facility is entitled to refuse a medication, therapy, or treatment unless:

(1) the patient is younger than 18 years of age, the patient is admitted under Section 462.022(a)(3)(A), and the patient's parent, managing conservator, or guardian consents to the medication, therapy, or treatment on behalf of the patient;

(2) the patient has been adjudicated to be incompetent to manage the patient's personal affairs or to make a decision to refuse the medication, therapy, or treatment and the patient's guardian of the person or another person legally authorized to consent to medical treatment consents to the medication, therapy, or treatment on behalf of the patient; or

(3) a physician treating the patient determines that the medication is necessary to prevent imminent serious physical harm to the patient or to another individual and the physician issues a written order, or a verbal order if authenticated in writing by the physician within 24 hours, to administer the medication to the patient.

(b) The decision of a guardian or of a person legally authorized to consent to medical treatment on the patient's behalf under Subsection (a)(2) must be based on knowledge of what the patient would desire, if known.

(c) A patient's refusal to receive medication, therapy, or treatment under Subsection (a), or a patient's attempt to refuse if the patient's right to refuse is limited by that subsection, shall be documented in the patient's clinical record together with the patient's expressed reason for refusal.

(d) If a physician orders a medication to be administered to a patient under Subsection (a)(3), the physician shall document in the patient's clinical record in specific medical and behavioral terms the reasons for the physician's determination of the necessity of the
Consent given by a patient or by a person authorized by law to consent to treatment on the patient's behalf for the administration of a medication, therapy, or treatment is valid only if:

1. for consent to therapy or treatment:
   a. the consent is given voluntarily and without coercive or undue influence; and
   b. before administration of the therapy or treatment, the treating physician or the psychologist, social worker, professional counselor, or chemical dependency counselor explains to the patient and to the person giving consent, in simple, nontechnical language:
      i. the specific condition to be treated;
      ii. the beneficial effects on that condition expected from the therapy or treatment;
      iii. the probable health and mental health consequences of not consenting to the therapy or treatment;
      iv. the side effects and risks associated with the therapy or treatment;
      v. the generally accepted alternatives to the therapy or treatment, if any, and whether an alternative might be appropriate for the patient; and
      vi. the proposed course of the therapy or treatment;

2. for consent to the administration of medication:
   a. the consent is given voluntarily and without coercive or undue influence; and
   b. the treating physician provides each explanation required by Subdivision (1)(B) to the patient and to the person giving consent in simple, nontechnical language; and

3. for consent to medication, therapy, or treatment, the informed consent is evidenced in the patient's clinical record by a signed form prescribed by the commission for this purpose or by a statement of the treating physician or the psychologist, social worker, professional counselor, or chemical dependency counselor who obtained the consent that documents that consent was given by the appropriate person and the circumstances under which the consent was obtained.

(f) A person who consents to the administration of a
medication, therapy, or treatment may revoke the consent at any time and for any reason, regardless of the person's capacity. Revocation of consent is effective immediately and further medication, therapy, or treatment may not be administered unless new consent is obtained in accordance with this section.

(g) Consent given by a patient or by a person authorized by law to consent to treatment on the patient's behalf applies to a series of doses of medication or to multiple therapies or treatments for which consent was previously granted. If the treating physician or the psychologist, social worker, professional counselor, or chemical dependency counselor obtains new information relating to a therapy or treatment for which consent was previously obtained, the physician or the psychologist, social worker, professional counselor, or chemical dependency counselor must explain the new information and obtain new consent. If the treating physician obtains new information relating to a medication for which consent was previously obtained, the physician must explain the new information and obtain new consent.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 345 (H.B. 3146), Sec. 1, eff. September 1, 2011.

SUBCHAPTER B. VOLUNTARY TREATMENT OR REHABILITATION

Sec. 462.021. VOLUNTARY ADMISSION OF ADULT. A facility may admit an adult who requests admission for emergency or nonemergency treatment or rehabilitation if:

(1) the facility is:
   (A) a treatment facility licensed by the commission to provide the necessary services;
   (B) a facility licensed by the Texas Department of Mental Health and Mental Retardation; or
   (C) a facility operated by the Texas Department of Mental Health and Mental Retardation which has been designated by the commission to provide chemical dependency treatment; and

(2) the admission is appropriate under the facility's admission policies.
Sec. 462.022. VOLUNTARY ADMISSION OF MINOR. (a) A facility may admit a minor for treatment and rehabilitation if:

(1) the facility is:
   (A) a treatment facility licensed by the commission to provide the necessary services to minors;
   (B) a facility licensed by the Texas Department of Mental Health and Mental Retardation; or
   (C) a facility operated by the Texas Department of Mental Health and Mental Retardation which has been designated by the commission to provide chemical dependency treatment;

(2) the admission is appropriate under the facility's admission policies; and

(3) the admission is requested by:
   (A) a parent, managing conservator, or guardian of the minor; or
   (B) the minor, without parental consent, if the minor is 16 years of age or older.

(b) The admission of a minor under Subsection (a) is considered a voluntary admission.

(c) A person or agency appointed as the guardian or a managing conservator of a minor and acting as an employee or agent of the state or a political subdivision of the state may request admission of the minor only with the minor's consent.

(d) In this section, "minor" means an individual younger than 18 years of age for whom the disabilities of minority have not been removed.

Sec. 462.023. DISCHARGE OR RELEASE. (a) Except as provided by Subsection (b), a facility shall release a voluntary patient within a reasonable time, not to exceed 96 hours, after the patient requests
in writing to be released.

(b) A facility is not required to release the patient if before the end of the 96-hour period:
   (1) the patient files a written withdrawal of the request;
   (2) an application for court-ordered treatment or emergency detention is filed and the patient is detained in accordance with this chapter; or
   (3) the patient is a minor under the age of 16 admitted with the consent of a parent, guardian, or conservator and that person, after consulting with facility personnel, objects in writing to the release of the patient.

(c) Subsection (a) applies to a minor admitted under Section 462.022 if the request for release is made in writing to the facility by the person who requested the initial admission.

(d) If extremely hazardous weather conditions exist or a disaster occurs, the facility administrator may request the judge of a court that has jurisdiction over proceedings brought under Subchapter D to extend the period during which the person may be detained. The judge or a magistrate appointed by the judge may by written order made each day extend the period during which the person may be detained until 4 p.m. on the first succeeding business day. The written order must declare that an emergency exists because of the weather or the occurrence of a disaster.

Sec. 462.0235. DISCHARGE OR RELEASE OF MINOR 16 OR 17 YEARS OF AGE. (a) Except as provided by this section, a facility shall release a minor who is 16 or 17 years of age within a reasonable time, not to exceed 96 hours, after:
   (1) the minor requests in writing to be released; or
   (2) for a minor admitted under Section 462.022(a)(3)(A), the minor's parent, managing conservator, or guardian requests the release in writing.

(b) A facility is not required to release a minor who is 16 or 17 years of age within the period described by Subsection (a) if:
   (1) the request is filed with the facility by the minor
before the 15th day after the date of the minor's admission to the facility; or

(2) the request is filed with the facility by the minor on or after the 15th day after the minor's date of admission to the facility and, not later than 96 hours after the request is filed:
   (A) the minor files with the facility a written withdrawal of the minor's request; or
   (B) an examining physician places in the minor's medical record a certificate of medical examination described by Subsection (c).

(c) The certificate of medical examination placed in a minor's medical record under Subsection (b)(2)(B) must include:
   (1) the name and address of the examining physician;
   (2) the name and address of the examined minor;
   (3) the date and place of the examination;
   (4) a brief diagnosis of the examined minor's physical and mental condition;
   (5) the period, if any, during which the examined minor has been under the care of the examining physician;
   (6) an accurate description of the chemical dependency treatment, if any, administered to the examined minor by or under the direction of the examining physician; and
   (7) the examining physician's opinion that:
       (A) the examined minor is chemically dependent;
       (B) there is no reasonable alternative to the treatment the physician recommends for the examined minor; and
       (C) as a result of the examined minor's chemical dependency, the minor, if released, is likely to cause serious harm to the minor or others or:
           (i) would suffer severe and abnormal mental, emotional, or physical distress;
           (ii) would experience a substantial mental or physical deterioration of the minor's ability to function independently that would be manifested by the minor's inability, for reasons other than indigence, to provide for the minor's basic needs, including food, clothing, health, and safety; and
           (iii) would not be able to make a rational and informed decision as to whether to submit to treatment.

(d) A facility shall release a minor whose release was postponed under Subsection (b)(2)(B) on the 15th day after the date
of the most recent examination for which a certificate described by Subsection (c) is performed unless the physician conducts an additional examination of the minor and places another certificate of examination described by Subsection (c) in the minor's medical record.

(e) If a minor who is 16 or 17 years of age requests to be released from a facility on or after the 60th day after the date of the minor's admission to the facility, the facility shall release the minor within a reasonable time, not to exceed 96 hours, unless:

(1) an application for court-ordered treatment of the minor or for emergency detention of the minor is filed; and

(2) the minor is detained in accordance with this chapter.

(f) If extremely hazardous weather conditions exist or a disaster occurs, the facility administrator may request the judge of a court that has jurisdiction over proceedings brought under Subchapter D to extend the period during which a minor may be detained under this section. The judge or a magistrate appointed by the judge may, by written order made each day, extend the period during which the minor may be detained until 4 p.m. on the first succeeding business day. The written order must declare that an emergency exists because of the weather or the occurrence of a disaster.

Sec. 462.024. APPLICATION FOR COURT-ORDERED TREATMENT DURING VOLUNTARY INPATIENT CARE. (a) An application for court-ordered treatment may not be filed against a patient receiving voluntary care under this subchapter unless:

(1) a request for release of the patient has been filed; or

(2) in the opinion of the physician responsible for the patient's treatment, the patient meets the criteria for court-ordered treatment and:

(A) is absent from the facility without authorization;

(B) is unable to consent to appropriate and necessary treatment; or

(C) refuses to consent to necessary and appropriate treatment recommended by the physician responsible for the patient's
treatment and that physician completes a certificate of medical examination for chemical dependency that, in addition to the information required by Section 462.064, includes the opinion of the physician that:

(i) there is no reasonable alternative to the treatment recommended by the physician; and

(ii) the patient will not benefit from continued inpatient care without the recommended treatment.

(b) The physician responsible for the patient's treatment shall notify the patient if the physician intends to file an application for court-ordered treatment.

Sec. 462.025. INTAKE, SCREENING, ASSESSMENT, AND ADMISSION.
(a) The commission shall adopt rules governing the voluntary admission of a patient to a treatment facility, including rules governing the intake, screening, and assessment procedures of the admission process.

(b) The rules governing the intake process shall establish minimum standards for:

(1) reviewing a prospective patient's finances and insurance benefits;

(2) explaining to a prospective patient the patient's rights; and

(3) explaining to a prospective patient the facility's services and treatment process.

(b-1) The rules governing the screening process shall establish minimum standards for determining whether a prospective patient presents sufficient signs, symptoms, or behaviors indicating a potential chemical dependency disorder to warrant a more in-depth assessment by a qualified professional. The screening must be reviewed and approved by a qualified professional.

(c) The assessment provided for by the rules may be conducted only by a professional who meets the qualifications prescribed by commission rules.

(d) The rules governing the assessment process shall prescribe:

(1) the types of professionals who may conduct an
assessment;
(2) the minimum credentials each type of professional must have to conduct an assessment; and
(3) the type of assessment that professional may conduct.

(e) In accordance with commission rule, a treatment facility shall provide annually a minimum of two hours of inservice training regarding intake and screening for persons who will be conducting an intake or screening for the facility. A person may not conduct intake or screenings without having completed the initial and applicable annual inservice training.

(f) A prospective voluntary patient may not be formally accepted for chemical dependency treatment in a treatment facility unless the facility's administrator or a person designated by the administrator has agreed to accept the prospective patient and has signed a statement to that effect.

(g) An assessment conducted as required by rules adopted under this section does not satisfy a statutory or regulatory requirement for a personal evaluation of a patient or a prospective patient by a qualified professional before admission.

(h) In this section:
(1) "Admission" means the formal acceptance of a prospective patient to a treatment facility.
(2) "Assessment" means the clinical process a treatment facility uses to gather information from a prospective patient, including a medical history and the problem for which the patient is seeking treatment, to determine whether a prospective patient should be admitted.
(3) "Intake" means the administrative process for gathering information about a prospective patient and giving a prospective patient information about the treatment facility and the facility's treatment and services.
(4) "Screening" means the process a treatment facility uses to determine whether a prospective patient presents sufficient signs, symptoms, or behaviors to warrant a more in-depth assessment by a qualified professional.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 4.08, eff. Aug. 30, 1993.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 345 (H.B. 3146), Sec. 2, eff.
SUBCHAPTER C. EMERGENCY DETENTION

Sec. 462.041. APPREHENSION BY PEACE OFFICER WITHOUT WARRANT.

(a) A peace officer, without a warrant, may take a person into custody if the officer:

(1) has reason to believe and does believe that:
   (A) the person is chemically dependent; and
   (B) because of that chemical dependency there is a substantial risk of harm to the person or to others unless the person is immediately restrained; and

(2) believes that there is not sufficient time to obtain a warrant before taking the person into custody.

(b) A substantial risk of serious harm to the person or others under Subsection (a)(1)(B) may be demonstrated by:

(1) the person's behavior; or

(2) evidence of severe emotional distress and deterioration in the person's mental or physical condition to the extent that the person cannot remain at liberty.

(c) The peace officer may form the belief that the person meets the criteria for apprehension:

(1) from a representation of a credible person; or

(2) on the basis of the conduct of the apprehended person or the circumstances under which the apprehended person is found.

(d) A peace officer who takes a person into custody under Subsection (a) shall immediately transport the apprehended person to:

(1) the nearest appropriate inpatient treatment facility; or

(2) if an appropriate inpatient treatment facility is not available, a facility considered suitable by the county's health authority.

(e) A person may not be detained in a jail or similar detention facility except in an extreme emergency. A person detained in a jail or a nonmedical facility shall be kept separate from any person who is charged with or convicted of a crime.
(f) A peace officer shall immediately file an application for detention after transporting a person to a facility under this section. The application for detention must contain:

(1) a statement that the officer has reason to believe and does believe that the person evidences chemical dependency;

(2) a statement that the officer has reason to believe and does believe that the person evidences a substantial risk of serious harm to himself or others;

(3) a specific description of the risk of harm;

(4) a statement that the officer has reason to believe and does believe that the risk of harm is imminent unless the person is immediately restrained;

(5) a statement that the officer's beliefs are derived from specific recent behavior, overt acts, attempts, or threats that were observed by or reliably reported to the officer;

(6) a detailed description of the specific behavior, acts, attempts, or threats; and

(7) the name and relationship to the apprehended person of any person who reported or observed the behavior, acts, attempts, or threats.

(g) The person shall be released on completion of a preliminary examination conducted under Section 462.044 unless the examining physician determines that emergency detention is necessary and provides the statement prescribed by Section 462.044(b). If a person is not admitted to a facility, is not arrested, and does not object, arrangements shall be made to immediately return the person to:

(1) the location of the person's apprehension;

(2) the person's residence in this state; or

(3) another suitable location.

(h) The county in which the person was apprehended shall pay the costs of the person's return.

(i) A treatment facility may provide to a person medical assistance regardless of whether the facility admits the person or refers the person to another facility.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.
DETENTION.  (a) An adult may file a written application for emergency detention of a minor or another adult.

(b) The application must state:

(1) that the applicant has reason to believe and does believe that the person who is the subject of the application is a chemically dependent person;

(2) that the applicant has reason to believe and does believe that the person evidences a substantial risk of serious harm to himself or others;

(3) a specific description of the risk of harm;

(4) that the applicant has reason to believe and does believe that the risk of harm is imminent unless the person is immediately restrained;

(5) that the applicant's beliefs are derived from specific recent behavior, overt acts, attempts, or threats;

(6) a detailed description of the specific behavior, acts, attempts, or threats; and

(7) the relationship, if any, of the applicant to the person.

(c) The application may be accompanied by any relevant information.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.043. ISSUANCE OF WARRANT.  (a) An applicant for emergency detention must present the application personally to a judge or magistrate. The judge or magistrate shall examine the application and may interview the applicant. Except as provided by Subsection (f), the judge of a court with probate jurisdiction by administrative order may provide that the application must be:

(1) presented personally to the court; or

(2) retained by court staff and presented to another judge or magistrate as soon as is practicable if the judge of the court is not available at the time the application is presented.

(b) The judge or magistrate shall deny the application unless the judge or magistrate finds that there is reasonable cause to believe that:

(1) the person who is the subject of the application is a
chemically dependent person;
(2) the person evidences a substantial risk of serious harm
to himself or others;
(3) the risk of harm is imminent unless the person is
immediately restrained; and
(4) the necessary restraint cannot be accomplished without
emergency detention.
(c) The judge or magistrate shall issue a warrant for the
person's immediate apprehension if the judge or magistrate finds that
each criteria under Subsection (b) is satisfied.
(d) A person apprehended under this section shall be
transported for a preliminary examination in accordance with Section
462.044 to:
(1) a treatment facility; or
(2) another appropriate facility if a treatment facility is
not readily available.
(e) The warrant and copies of the application for the warrant
shall be served on the person as soon as possible and transmitted to
the facility.
(f) If there is more than one court with probate jurisdiction
in a county, an administrative order regarding presentation of an
application must be jointly issued by all of the judges of those
courts.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1,

Sec. 462.044. PRELIMINARY EXAMINATION. (a) A physician shall
conduct a preliminary examination of the apprehended person as soon
as possible within 24 hours after the time the person is apprehended
under Section 462.041 or 462.043.

(b) The person shall be released on completion of the
preliminary examination unless the examining physician or the
physician's designee provides a written opinion that the person meets
the criteria specified by Section 462.043(b).

(c) A person released under Subsection (b) is entitled to
reasonably prompt return to the location of apprehension or other
suitable place unless the person is arrested or objects to the
return.
Sec. 462.045. DETENTION PERIOD. (a) A person apprehended under this subchapter may be detained for not longer than 24 hours after the time that the person is presented to the facility unless an application for court-ordered treatment is filed and a written order for further detention is obtained under Section 462.065.

(b) If the 24-hour period ends on a Saturday, Sunday, or legal holiday, the person may be detained until 4 p.m. on the next day that is not a Saturday, Sunday, or legal holiday. If extremely hazardous weather conditions exist or a disaster occurs, the presiding judge or magistrate may, by written order made each day, extend by an additional 24 hours the period during which the person may be detained. The written order must declare that an emergency exists because of the weather or the occurrence of a disaster.

Sec. 462.046. INFORMATION TO BE PROVIDED ON ADMISSION. (a) The personnel of a treatment facility shall immediately advise a person admitted under Section 462.044 that:

(1) the person may be detained for treatment for not longer than 24 hours after the time of the initial detention unless an order for further detention is obtained;

(2) if the administrator finds that the statutory criteria for emergency detention no longer apply, the administrator shall release the person;

(3) not later than the 24th hour after the hour of the initial detention, the facility administrator may file in a court having original jurisdiction under this chapter a petition to have the person committed for court-ordered treatment under Subchapter D;

(4) if the administrator files a petition for court-ordered treatment, the person is entitled to a judicial probable cause hearing not later than the 72nd hour after the hour the detention begins under an order of protective custody to determine whether the person should remain detained in the facility;
when the application for court-ordered services is filed, the person has the right to have counsel appointed if the person does not have an attorney;

(6) the person has the right to communicate with counsel at any reasonable time and to have assistance in contacting the counsel;

(7) the person's communications to the personnel of the treatment facility may be used in making a determination relating to detention, may result in the filing of a petition for court-ordered treatment, and may be used at a court hearing;

(8) the person is entitled to present evidence and to cross-examine witnesses who testify on behalf of the petitioner at a hearing;

(9) the person may refuse medication unless there is an imminent likelihood of serious physical injury to the person or others if the medication is refused;

(10) beginning on the 24th hour before a hearing for court-ordered treatment, the person may refuse to take medication unless the medication is necessary to save the person's life; and

(11) the person is entitled to request that a hearing be held in the county of the person's residence, if the county is in the state.

(b) The personnel of the treatment facility shall provide the information required by Subsection (a) to the person orally, in writing, and in simple, nontechnical terms.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.047. RELEASE FROM EMERGENCY DETENTION. (a) A person detained under this subchapter shall be released if the facility administrator or the administrator's designee determines at any time during the emergency detention period that one of the criteria prescribed by Section 462.043(b) no longer applies.

(b) If a person is released from emergency detention and is not arrested and does not object, arrangements shall be made to return the person to the location of apprehension or other suitable place.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.
Sec. 462.048. RIGHTS OF PERSON APPREHENDED OR DETAINED. (a) A person apprehended or detained under this subchapter has the right:

(1) to be advised of the location of detention, the reasons for the detention, and the fact that detention could result in a longer period of involuntary commitment;
(2) to contact an attorney of the person's choice and to a reasonable opportunity to contact that attorney;
(3) to be transported to the location of apprehension or other suitable place if the person is not admitted for emergency detention, unless the person is arrested or objects to the return;
(4) to be released from a facility as provided by Section 462.047; and
(5) to be advised that communications to a chemical dependency treatment professional may be used in proceedings for further detention.

(b) Within 24 hours after the time of admission, a person apprehended or detained under this subchapter shall be advised, orally, in writing, and in simple, nontechnical terms, of the rights provided by this section.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

SUBCHAPTER D. COURT-ORDERED TREATMENT
Sec. 462.061. COURT-ORDERED TREATMENT; JURISDICTION. (a) A proceeding for court-ordered treatment under this chapter shall be held in a constitutional county court, a statutory county court having probate jurisdiction, or a statutory probate court in the county in which the proposed patient resides, is found, or is receiving court-ordered treatment or treatment under Section 462.041 when the application is filed unless otherwise specifically designated.

(b) If the hearing is to be held in a constitutional county court in which the judge is not a licensed attorney, the proposed patient may request that the proceeding be transferred to a statutory court having probate jurisdiction or to a district court. The county judge shall transfer the case after receiving the request and the receiving court shall hear the case as if it had been originally filed in that court.
(c) The commitment of a juvenile under this subchapter must be heard in a district court or statutory court that has juvenile or probate jurisdiction. The commitment of a juvenile under Section 462.081 may be heard only in a court that has juvenile jurisdiction.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.062. APPLICATION FOR COURT-ORDERED TREATMENT. (a) A county or district attorney or other adult may file a sworn written application for court-ordered treatment of another person. Only the district or county attorney may file an application that is not accompanied by a certificate of medical examination for chemical dependency.

(b) The application must be filed with the county clerk in the county in which the proposed patient:

(1) resides;
(2) is found; or
(3) is receiving treatment services by court order or under Section 462.041.

(c) If the application is not filed in the county in which the proposed patient resides, the court may, on request of the proposed patient or the proposed patient's attorney and if good cause is shown, transfer the application to that county.

(d) The application must be styled using the initials of the proposed patient and not the proposed patient's full name.

(e) The application must contain the following information according to the applicant's information and belief:

(1) the proposed patient's name and address, including the county in which the proposed patient resides, if known;
(2) a statement that the proposed patient is a chemically dependent person who:
   (A) is likely to cause serious harm to himself or others; or
   (B) will continue to suffer abnormal mental, emotional, or physical distress, will continue to deteriorate in ability to function independently if not treated, and is unable to make a rational and informed choice as to whether to submit to treatment; and
(3) a statement that the proposed patient is not charged with a criminal offense that involves an act, attempt, or threat of serious bodily injury to another person.

(f) Subsection (e)(3) does not apply if the proposed patient is a juvenile alleged to be a child engaged in delinquent conduct or conduct indicating a need for supervision as defined by Section 51.03, Family Code.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.063. PREHEARING PROCEDURE. (a) When the application is filed, the court shall set a date for a hearing on the merits of the application to be held within 14 days after the date on which the application is filed. The hearing may not be held during the first three days after the application is filed if the proposed patient or the proposed patient's attorney objects. The court may grant one or more continuances of the hearing on motion by a party and for good cause shown or on agreement of the parties. However, the hearing shall be held not later than the 30th day after the date on which the original application is filed.

(b) Immediately after the date for the hearing is set, the clerk shall give written notice of the hearing and a copy of the application to the proposed patient and the proposed patient's attorney in the manner the court directs.

(c) The court shall appoint an attorney to represent the proposed patient if the proposed patient does not retain an attorney of the proposed patient's choice.

(d) The court shall appoint an attorney for a proposed patient who is a minor, regardless of the ability of the proposed patient or the proposed patient's family to afford an attorney.

(e) The court shall allow a court-appointed attorney a reasonable fee for services. The fee shall be collected as costs of the court.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.064. CERTIFICATE OF MEDICAL EXAMINATION FOR CHEMICAL
DEPENDENCY. (a) A hearing on court-ordered treatment may not be held unless there are on file with the court at least two certificates of medical examination for chemical dependency completed by different physicians each of whom has examined the proposed patient not earlier than the 30th day before the date the final hearing is held.

(b) If the certificates are not filed with the application, the court may appoint the necessary physicians to examine the proposed patient and file the certificates. The court may order the proposed patient to submit to the examinations and may issue a warrant authorizing a peace officer to take the proposed patient into custody for the examinations.

(c) A certificate must be dated and signed by the examining physician. The certificate must include:

1. the name and address of the examining physician;
2. the name and address of the proposed patient;
3. the date and place of the examination;
4. the period, if any, during which the proposed patient has been under the care of the examining physician;
5. an accurate description of the treatment, if any, given by or administered under the direction of the examining physician; and
6. the examining physician's opinions whether the proposed patient is a chemically dependent person and:
   A. is likely to cause serious harm to himself;
   B. is likely to cause serious harm to others; or
   C. will continue to suffer abnormal mental, emotional, or physical distress and to deteriorate in ability to function independently if not treated and is unable to make a rational and informed choice as to whether or not to submit to treatment.

(d) The certificate must include the detailed reason for each of the examining physician's opinions under this section.

(e) If the certificates required under this section are not on file at the time set for the hearing on the application, the judge shall dismiss the application and order the immediate release of the proposed patient if that person is not at liberty. If extremely hazardous weather conditions exist or a disaster occurs, the presiding judge or magistrate may by written order made each day extend the period during which the two certificates of medical examination for chemical dependency may be filed, and the person may
be detained until 4 p.m. on the first succeeding business day. The written order must declare that an emergency exists because of the weather or the occurrence of a disaster.

Sec. 462.065. ORDER OF PROTECTIVE CUSTODY. (a) A motion for an order of protective custody may be filed only in the court in which an application for court-ordered treatment is pending. The motion may be filed by the county or district attorney or on the court's own motion.

(b) The motion must state that:

(1) the judge or county or district attorney has reason to believe and does believe that the proposed patient meets the criteria authorizing the court to order protective custody; and

(2) the belief is derived from:

(A) the representations of a credible person;

(B) the proposed patient's conduct; or

(C) the circumstances under which the proposed patient is found.

(c) The motion must be accompanied by a certificate of medical examination for chemical dependency prepared by a physician who has examined the proposed patient not earlier than the fifth day before the date the motion is filed.

(d) The judge of the court in which the application is pending may designate a magistrate to issue protective custody orders in the judge's absence.

(e) The judge or designated magistrate may issue a protective custody order if the judge or magistrate determines:

(1) that a physician has stated his opinion and the detailed basis for his opinion that the proposed patient is a chemically dependent person; and

(2) the proposed patient presents a substantial risk of serious harm to himself or others if not immediately restrained pending the hearing.

(f) The determination that the proposed patient presents a substantial risk of serious harm may be demonstrated by the proposed patient's behavior or by evidence that the proposed patient cannot
remain at liberty. The judge or magistrate may make a determination that the proposed patient meets the criteria prescribed by this subsection from the application and certificate alone if the judge or magistrate determines that the conclusions of the applicant and certifying physician are adequately supported by the information provided. The judge or magistrate may take additional evidence if a fair determination of the matter cannot be made from consideration of the application and certificate only.

(g) The judge or magistrate may issue a protective custody order for a proposed patient who is charged with a criminal offense if the proposed patient meets the requirements of this section and the administrator of the facility designated to detain the proposed patient agrees to the detention.

(h) A protective custody order shall direct a peace officer or other designated person to take the proposed patient into protective custody and transport the proposed patient immediately to a treatment facility or other suitable place for detention. The proposed patient shall be detained in the facility until a hearing is held under Section 462.066.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.066. PROBABLE CAUSE HEARING AND DETENTION. (a) The court shall set a hearing to determine if there is probable cause to believe that a proposed patient under a protective custody order presents a substantial risk of serious harm to himself or others if not restrained until the hearing on the application. The hearing must be held not later than 72 hours after the protective custody order is signed unless the proposed patient waives the right to a hearing. If the period ends on a Saturday, Sunday, or legal holiday, the hearing must be held on the next day that is not a Saturday, Sunday, or legal holiday. The judge or magistrate may postpone the hearing each day for an additional 24 hours if the judge or magistrate declares that an extreme emergency exists because of extremely hazardous weather conditions or on the occurrence of a disaster that threatens the safety of the proposed patient or another essential party to the hearing.

(b) The hearing shall be held before a magistrate or, at the
discretion of the presiding judge, before a master appointed by the
presiding judge. The master is entitled to reasonable compensation.

(c) The proposed patient and the proposed patient's attorney
are entitled to an opportunity at the hearing to appear and present
evidence on any allegation or statement in the certificate of medical
examination for chemical dependency. The magistrate or master may
consider any evidence. The state may prove its case on the
certificate.

(d) The magistrate or master shall order the release of a
person under a protective custody order if the magistrate or master
determines after the hearing that no probable cause exists to believe
that the proposed patient presents a substantial risk of serious harm
to himself or others.

(e) The magistrate shall order that a proposed patient be
detained until the hearing on the court-ordered treatment or until
the administrator of the facility determines that the proposed
patient no longer meets the criteria for detention under this section
if the magistrate or master determines that probable cause does exist
to believe that the proposed patient presents a substantial risk of
serious harm to himself or others to the extent that the proposed
patient cannot be at liberty pending the hearing on court-ordered
treatment.

(f) The magistrate or master shall arrange for a proposed
patient detained under Subsection (e) to be returned to the treatment
facility or other suitable place, along with a copy of the
certificate of medical examination for chemical dependency, any
affidavits or other material submitted as evidence in the hearing,
and the notification prepared as prescribed by Subsection (g). A copy
of the notification of probable cause hearing and the supporting
evidence shall be filed with the court that entered the original
order of protective custody.

(g) The notification of probable cause hearing shall read as
follows:

(Style of Case)

NOTIFICATION OF PROBABLE CAUSE HEARING

On this the __________ day of __________, 19___, the undersigned
hearing officer heard evidence concerning the need for protective
custody of __________ (hereinafter referred to as proposed patient).
The proposed patient was given the opportunity to challenge the
allegations that (s)he presents a substantial risk of serious harm to
self or others.

The proposed patient and the proposed patient's attorney have been given written notice that the proposed patient was placed under an order of protective custody and the reasons for such order on _________________.

(date of notice)

I have examined the certificate of medical examination for chemical dependency and ________________________________. Based on this evidence, I find that there is probable cause to believe that the proposed patient presents a substantial risk of serious harm to self (yes ___ or no ___) or others (yes ___ or no ___) such that (s)he cannot be at liberty pending final hearing because ____________________________________________

(reasons for finding; type of risk found)

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.067. HEARING ON APPLICATION FOR COURT-ORDERED TREATMENT. (a) A hearing on court-ordered treatment must be before a jury unless the proposed patient and the proposed patient's attorney waive the right to a jury. The waiver may be filed at any time after the proposed patient is served with the application and receives notice of the hearing. The waiver must be in writing, under oath, and signed and sworn to by the proposed patient and the proposed patient's attorney.

(b) The proposed patient is entitled to a hearing and to be present at the hearing, but the proposed patient or the proposed patient's attorney may waive either right.

(c) A court hearing may be held at any suitable location in the county. On the request of the proposed patient or the proposed patient's attorney, the hearing shall be held in the county courthouse.

(d) The Texas Rules of Civil Procedure and Texas Rules of Evidence apply to a hearing unless the rules are inconsistent with this chapter. The hearing is on the record, and the state must prove
each issue by clear and convincing evidence.

(e) In addition to the rights prescribed by this chapter, the proposed patient is entitled to:

(1) present evidence on the proposed patient's own behalf;
(2) cross-examine witnesses who testify on behalf of the applicant;
(3) view and copy all petitions and reports in the court file of the cause; and
(4) elect to have the hearing open or closed to the public.

(f) The proposed patient or the proposed patient's attorney, by a written document filed with the court, may waive the right to cross-examine witnesses, and, if that right is waived, the court may admit as evidence the certificates of medical examination for chemical dependency. The certificates admitted under this subsection constitute competent medical or psychiatric testimony, and the court may make its findings solely from the certificates. If the proposed patient or the proposed patient's attorney does not waive the right to cross-examine witnesses, the court shall hear testimony. The testimony must include competent medical or psychiatric testimony.

Sec. 462.068. RELEASE AFTER HEARING. (a) The court shall enter an order denying an application for court-ordered treatment if after a hearing the court or jury fails to find, from clear and convincing evidence, that the proposed patient is a chemically dependent person and meets the criteria for court-ordered treatment.

(b) If the court denies the application, the court shall order the discharge of a proposed patient who is not at liberty.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.069. COURT ORDER AND PLACE OF TREATMENT. (a) The court shall commit the proposed patient to a treatment facility approved by the commission to accept court commitments for not more than 90 days if:
(1) the proposed patient admits the allegations of the application; or

(2) at the hearing on the merits, the court or jury finds that the material allegations in the application have been proved by clear and convincing evidence.

(b) The judge may, on request by the proposed patient, enter an order requiring the proposed patient to participate in a licensed outpatient treatment facility or services provided by a private licensed physician, psychologist, social worker, or professional counselor if the judge finds that the participation is in the proposed patient's best interest considering the proposed patient's impairment.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.070. MOTION FOR MODIFICATION OF ORDER FOR OUTPATIENT TREATMENT. (a) The court that entered an order directing a patient to participate in outpatient care or services may set a hearing to determine if the order should be modified to specifically require inpatient treatment. The court may set the hearing on its own motion, at the request of the person responsible for the care or treatment, or at the request of any other interested person.

(b) The court shall appoint an attorney to represent the patient if a hearing is held. The patient shall be given notice of the matters to be considered at the hearing. The notice must comply with the requirements of Section 462.063 for notice before a hearing on court-ordered treatment.

(c) The hearing shall be held before the court, without a jury, and as prescribed by Section 462.067. The patient shall be represented by an attorney and receive proper notice.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.071. ORDER FOR TEMPORARY DETENTION. (a) The person responsible for a patient's court-ordered outpatient care or treatment or the administrator of the outpatient treatment facility in which a patient receives care or treatment shall file a sworn
application for the patient's temporary detention pending the modification hearing.

(b) The application must state the applicant's opinion and detail the basis for the applicant's opinion that:

(1) the patient meets the criteria described by Section 462.072; and

(2) detention in an approved inpatient treatment facility is necessary to evaluate the appropriate setting for continued court-ordered services.

(c) The court may issue an order for temporary detention if the court finds from the information in the application that there is probable cause to believe that the opinions stated in the application are valid.

(d) At the time the order for temporary detention is signed, the court shall appoint an attorney to represent a patient who does not have an attorney.

(e) Within 72 hours after the time the detention begins, the court that issued the temporary detention order shall provide to the patient and the patient's attorney a written notice that states:

(1) that the patient has been placed under a temporary detention order;

(2) the grounds for the order; and

(3) the time and place of the modification hearing.

(f) A temporary detention order shall direct a peace officer or other designated person to take the patient into custody and transport the patient immediately to:

(1) the nearest appropriate approved inpatient treatment facility; or

(2) a suitable facility if an appropriate approved inpatient treatment facility is not available.

(g) A patient may be detained under a temporary detention order for not more than 72 hours. The exceptions applicable to the 72-hour limitation for holding a probable cause hearing for an order of protective custody under Section 462.066(a) apply to detention under this section.

(h) A facility administrator shall immediately release a patient held under a temporary detention order if the facility administrator does not receive notice that the patient's continued detention was authorized after a modification hearing was held within the period prescribed by Subsection (g).
(i) A patient released from an inpatient treatment facility under Subsection (h) continues to be subject to the order committing the person to an approved outpatient treatment facility, if the order has not expired.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.072. MODIFICATION OF ORDER FOR OUTPATIENT SERVICES.
(a) The court may modify an order for outpatient services at the modification hearing if the court determines that the patient continues to meet the applicable criteria for court-ordered treatment prescribed by this chapter and that:

(1) the patient has not complied with the court's order; or

(2) the patient's condition has deteriorated to the extent that outpatient care or services are no longer appropriate.

(b) A court may refuse to modify the order and may direct the patient to continue to participate in outpatient care or treatment in accordance with the original order even if the criteria prescribed by Subsection (a) have been met.

(c) The court's decision to modify an order must be supported by at least one certificate of medical examination for chemical dependency signed by a physician who examined the patient not earlier than the seventh day before the date the hearing is held.

(d) A modification may include:

(1) incorporating in the order a revised treatment program and providing for continued outpatient care or treatment under the modified order, if a revised general program of treatment was submitted to and accepted by the court; or

(2) providing for commitment to an approved treatment facility for inpatient care.

(e) A court may not extend the provision of court-ordered treatment beyond the period prescribed in the original order.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.073. MODIFICATION OF ORDER FOR INPATIENT TREATMENT.
(a) The administrator of a facility to which a patient is committed for inpatient treatment may request the court that entered the commitment order to modify the order to require the patient to participate in outpatient care or services.

(b) The facility administrator's request must explain in detail the reason for the request. The request must be accompanied by a certificate of medical examination for chemical dependency signed by a physician who examined the patient during the preceding seven days.

(c) The patient shall be given notice of the request.

(d) On request of the patient or any other interested person, the court shall hold a hearing on the request. The court shall appoint an attorney to represent the patient at the hearing. The hearing shall be held before the court without a jury and as prescribed by Section 462.067. The patient shall be represented by an attorney and receive proper notice.

(e) If a hearing is not requested, the court may make the decision solely from the request and the supporting certificate.

(f) If the court modifies the order, the court shall identify a person to be responsible for the outpatient care or services.

(g) The person responsible for the care or services shall submit to the court within two weeks after the court enters the order a general program of the treatment to be provided. The program must be incorporated into the court order.

(h) A modified order may not extend beyond the term of the original order.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.0731. OUTPATIENT CARE IN CERTAIN COUNTIES. (a) This section applies to a chemically dependent patient who is a resident of a county with a population of more than 3.3 million, according to the most recent federal decennial census, and whose inpatient commitment is modified to an outpatient commitment, who is furloughed from an inpatient facility, or who is committed to treatment on an outpatient basis.

(b) The commission shall arrange and furnish alternative settings for outpatient care, treatment, and supervision in the patient's county of residence. The services must be provided as
close as possible to the patient's residence.

(c) A patient receiving services under this section shall report at least weekly to the person responsible for the patient's outpatient care and services.

(d) The person responsible for the patient's outpatient care or treatment shall notify the committing court of the patient's treatment plan and condition at least monthly until the end of the commitment period.

Added by Acts 1991, 72nd Leg., ch. 567, Sec. 16, eff. Sept. 1, 1991. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1163 (H.B. 2702), Sec. 48, eff. September 1, 2011.

Sec. 462.074. HOSPITALIZATION OUTSIDE TREATMENT FACILITY. (a) A patient receiving court-ordered treatment in a treatment facility may be transferred to a hospital if, in the opinion of a licensed physician, the patient requires immediate medical care and treatment.

(b) The hospital may, with the patient's consent, provide any necessary medical treatment, including surgery. The hospital may provide medical treatment without the patient's consent to the extent provided by other law.

(c) The patient shall be returned to the treatment facility if the order for court-ordered treatment has not expired at the completion of the hospital treatment.

(d) An order for court-ordered treatment may be renewed while the person is in the hospital.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.075. RENEWAL OF ORDER FOR COURT-ORDERED TREATMENT. (a) A court may renew an order for court-ordered treatment entered under this subchapter.

(b) An applicant who has reasonable cause to believe that a patient remains chemically dependent and that, because of the chemical dependency, the patient is likely to cause serious physical harm to himself or others may file an application to renew the original order for court-ordered treatment. The application must
comply with the requirements of Section 462.062. The applicant must file the application not later than the 14th day before the date on which the previous order expires.

(c) The application must be accompanied by two new certificates of medical examination for chemical dependency. The certificates must comply with the requirements of Section 462.064.

(d) An application for renewal is considered an original application for court-ordered treatment. The provisions of this subchapter relating to notice, hearing procedure, and the proposed patient's rights apply to the application for renewal.

(e) The court shall enter an order denying an application for court-ordered treatment if the court or jury fails to find, from clear and convincing evidence, that the proposed patient is a chemically dependent person and meets the criteria for court-ordered treatment. If the court denies the application, the court shall order the discharge of a proposed patient who is not at liberty.

(f) The court shall commit the proposed patient to a treatment facility approved by the commission to accept commitments for not more than 90 days if:

(1) the proposed patient admits the allegations of the application; or

(2) at the hearing on the merits, the court or jury finds that the material allegations in the application have been proved by clear and convincing evidence.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.076. APPEAL. (a) The appeal of an order requiring court-ordered treatment must be filed in the court of appeals for the county in which the order is issued.

(b) Notice of appeal must be filed not later than the 10th day after the date on which the order is signed.

(c) When the notice of appeal is filed, the clerk shall immediately send a certified transcript of the proceedings to the court of appeals.

(d) Pending the appeal, the trial judge in whose court the case is pending may:

(1) stay the order and release the person from custody
pending the appeal if the judge is satisfied that the person does not meet the criteria for protective custody under Section 462.065; and
(2) if the person is at liberty, require an appearance bond in an amount set by the court.
(e) The court of appeals and supreme court shall give an appeal under this section preference over all other cases and shall advance the appeal on the docket. The courts may suspend any rule concerning the time for filing briefs and docketing cases.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.077. PASS OR FURLOUGH FROM INPATIENT CARE. (a) The facility administrator may permit a patient admitted to the facility under an order for inpatient services to leave the facility under a pass or furlough.
(b) A pass authorizes the patient to leave the facility for not more than 72 hours. A furlough authorizes the patient to leave for a longer period.
(c) The pass or furlough may be subject to specified conditions.
(d) When a patient is furloughed, the facility administrator shall notify the court that issued the commitment order.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.078. RETURN TO FACILITY UNDER FACILITY ADMINISTRATOR'S CERTIFICATE OR COURT ORDER. (a) The administrator of a facility to which a patient was admitted for court-ordered inpatient services may have an absent patient taken into custody, detained, and returned to the facility by:
(1) signing a certificate authorizing the patient's return; or
(2) filing the certificate with a magistrate and requesting the magistrate to order the patient's return.
(b) A magistrate may issue an order directing a peace or health officer to take a patient into custody and return the patient to the facility if the facility administrator files the certificate as
prescribed by this section. The facility head may sign or file the certificate if the facility head reasonably believes that:

(1) the patient is absent without authority from the facility;

(2) the patient has violated the conditions of a pass or furlough; or

(3) the patient's condition has deteriorated to the extent that the patient's continued absence from the facility under a pass or furlough is inappropriate.

(c) A peace or health officer shall take the patient into custody and return the patient to the facility as soon as possible if the patient's return is authorized by the facility administrator's certificate or the court order. The peace or health officer may take the patient into custody without having the certificate or court order in the officer's possession.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.079. REVOCATION OF FURLOUGH. (a) A furlough may be revoked only after an administrative hearing held in accordance with commission rules. The hearing must be held within 72 hours after the patient is returned to the facility.

(b) A hearing officer shall conduct the hearing. The hearing officer may be a mental health or chemical dependency professional if the person is not directly involved in treating the patient.

(c) The hearing is informal, and the patient is entitled to present information and argument.

(d) The hearing officer may revoke the furlough if the officer determines that the revocation is justified under Section 462.078(b)(1) or (2).

(e) A hearing officer who revokes a furlough shall place in the patient's file:

(1) a written notation of the decision; and

(2) a written explanation of the reasons for the decision and the information on which the hearing officer relied.

(f) The patient shall be permitted to leave the facility under the furlough if the hearing officer determines that the furlough should not be revoked.
Sec. 462.080. RELEASE FROM COURT-ORDERED TREATMENT. (a) The administrator of a facility to which a person has been committed for treatment shall discharge the person when the court order expires.

(b) The administrator may discharge a patient before the court order expires if the administrator determines that the patient no longer meets the criteria for court-ordered treatment.

(c) The administrator of a facility to which the patient has been committed for inpatient services shall consider before discharging the patient whether the patient should receive outpatient court-ordered care or services in accordance with:

(1) a furlough under Section 462.077; or

(2) a modified order under Section 462.073 that directs the patient to participate in outpatient treatment.

(d) A discharge terminates the court order, and the person discharged may not be compelled to submit to involuntary treatment unless a new order is issued in accordance with this subchapter.

(e) When a person is discharged under this section, the administrator shall prepare a certificate of discharge and file it with the court that issued the order.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1, 1991.

Sec. 462.081. COMMITMENT BY COURTS IN CRIMINAL PROCEEDINGS; ALTERNATIVE SENTENCING. (a) The judge of a court with jurisdiction of misdemeanor cases may remand the defendant to a treatment facility approved by the commission to accept court commitments for care and treatment for not more than 90 days, instead of incarceration or fine, if:

(1) the court or a jury has found the defendant guilty of an offense classified as a Class A or B misdemeanor;

(2) the court finds that the offense resulted from or was related to the defendant's chemical dependency;

(3) a treatment facility approved by the commission is available to treat the defendant; and
(4) the treatment facility agrees in writing to admit the
defendant under this section.
(b) A defendant who, in the opinion of the court, is mentally
ill is not eligible for sentencing under this section.
(c) The court's sentencing order is a final conviction, and the
order may be appealed in the same manner as appeals are made from
other judgments of that court.
(d) A juvenile court may remand a child to a treatment facility
for care and treatment for not more than 90 days after the date on
which the child is remanded if:
(1) the court finds that the child has engaged in
delinquent conduct or conduct indicating a need for supervision and
that the conduct resulted from or was related to the child's chemical
dependency;
(2) a treatment facility approved by the commission to
accept court commitments is available to treat the child; and
(3) the facility agrees in writing to receive the child
under this section.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 175, eff. Sept. 1,

CHAPTER 463. CONTRIBUTING TO DELINQUENCY OF HABITUAL DRUNKARD OR
NARCOTIC ADDICT

SUBCHAPTER A. CONTRIBUTING TO DELINQUENCY OF HABITUAL DRUNKARD

Sec. 463.001. CONTRIBUTING TO DELINQUENCY OF HABITUAL DRUNKARD;
CRIMINAL PENALTY. (a) In this section, "delinquency" means any act
that tends to debase or injure the morals, health, or welfare of a
habitual drunkard and includes:
(1) drinking intoxicating liquor;
(2) entering or remaining in any bawdy house, assignation
house, disorderly house, roadhouse, hotel, or public dance hall where
prostitutes, gamblers, or thieves are permitted to enter and ply
their trade;
(3) entering a place where intoxicating liquors are kept,
drunk, used, or sold;
(4) associating with thieves and immoral persons;
(5) causing a habitual drunkard to leave home or to leave
the custody of the drunkard's parents, guardian, or person acting for
the drunkard's parents or guardian without first receiving their consent or against their will; or

(6) causing the habitual drunkard, by undue influence, to unlawfully cohabit with a person known by the actor to be a habitual drunkard.

(b) A person commits an offense if the person by any act or in any manner encourages, causes, acts in conjunction with, or contributes to the delinquency, dependency, or neglect of a habitual drunkard, regardless of the drunkard's previous convictions.

(c) An offense under this section is punishable by a fine of not more than $500, confinement in jail for not more than one year, or both.

Sec. 463.002. CONFLICTING OFFENSES. To the extent of any conflict, the offenses prescribed by the Penal Code or other law enacted after June 9, 1949, prevail over the offense prescribed by Section 463.001.

SUBCHAPTER B. CONTRIBUTING TO NARCOTIC ADDICTION

Sec. 463.011. CONTRIBUTING TO DELINQUENCY OF NARCOTIC ADDICT; CRIMINAL PENALTY. (a) In this section, "delinquency" means any act that tends to debase or injure the morals, health, or welfare of a narcotic addict, and includes:

(1) drinking intoxicating liquor;

(2) going into or remaining in any bawdy house, assignation house, disorderly house, roadhouse, hotel, or public dance hall where prostitutes, gamblers, or thieves are permitted to enter and ply their trade;

(3) going into a place where intoxicating liquors are kept, drunk, used, or sold;

(4) associating with thieves and immoral persons;

(5) causing a narcotic addict to leave home or to leave the custody of the addict's parents, guardian, or person acting for the
(a) A person commits an offense if the person, by any act or in any manner, encourages, causes, acts in conjunction with, or contributes to the delinquency, dependency, or neglect of a narcotic addict, regardless of the addict's previous convictions.

(b) An offense under this section is punishable by a fine of not more than $500, confinement in jail for not more than one year, or both.

Sec. 463.012. CONFLICTING OFFENSES. To the extent of any conflict, the offenses defined by the Penal Code or other law enacted after June 9, 1949, prevail over the offense defined by Section 463.011.

Sec. 463.013. EXCEPTION. (a) In this section, "informant" means a person who has communicated information to a law enforcement official in connection with a law enforcement function.

(b) It is an exception to the application of Section 463.011(b) that the person is a law enforcement official and the narcotic addict is an informant.

Added by Acts 1999, 76th Leg., ch. 422, Sec. 1, eff. Sept. 1, 1999.

CHAPTER 464. FACILITIES TREATING ALCOHOLICS AND DRUG-DEPENDENT PERSONS

SUBCHAPTER A. REGULATION OF CHEMICAL DEPENDENCY TREATMENT FACILITIES

Sec. 464.001. DEFINITIONS. In this subchapter:

(1) "Chemical dependency" means:

(A) abuse of alcohol or a controlled substance;
(B) psychological or physical dependence on alcohol or a controlled substance; or
(C) addiction to alcohol or a controlled substance.
(2) "Commission" means the Texas Commission on Alcohol and Drug Abuse.
(3) "Controlled substance" has the meaning assigned by Chapter 481 (Texas Controlled Substances Act).
(4) "Treatment" means a planned, structured, and organized program designed to initiate and promote a person's chemical-free status or to maintain the person free of illegal drugs.
(5) "Treatment facility" means:
(A) a public or private hospital;
(B) a detoxification facility;
(C) a primary care facility;
(D) an intensive care facility;
(E) a long-term care facility;
(F) an outpatient care facility;
(G) a community mental health center;
(H) a health maintenance organization;
(I) a recovery center;
(J) a halfway house;
(K) an ambulatory care facility; or
(L) any other facility that offers or purports to offer treatment.

Sec. 464.002. LICENSE REQUIRED. A person may not offer or purport to offer chemical dependency treatment without a license issued under this subchapter, unless the person is exempted under Subchapter C or is working for or providing counseling with a program exempted under Subchapter C.

Sec. 464.003. EXEMPTIONS. This subchapter does not apply to:
(1) a facility maintained or operated by the federal government;
(2) a facility directly operated by the state;
(3) a facility licensed by the Texas Department of Health;
(4) an educational program for intoxicated drivers;
(5) the individual office of a private, licensed health care practitioner who personally renders private individual or group services within the scope of the practitioner's license and in the practitioner's office;
(6) an individual who personally provides counseling or support services to a chemically dependent person but does not offer or purport to offer a chemical dependency treatment program; or
(7) a 12-step or similar self-help chemical dependency recovery program:
   (A) that does not offer or purport to offer a chemical dependency treatment program;
   (B) that does not charge program participants; and
   (C) in which program participants may maintain anonymity.

Sec. 464.004. LICENSE APPLICATION AND ISSUANCE. (a) To receive a license to operate a treatment facility to treat chemically dependent persons, a person must:
(1) file a written application on a form prescribed by the commission;
(2) cooperate with the review of the facility; and
(3) comply with the licensing standards.
(b) The commission shall issue a license to an applicant:
(1) whose application meets the content requirements of the commission; and
(2) who receives approval of the facility after the commission's review; and
(3) who timely complies with the licensing standards.
(c) The license is issued only for the person named in the
license and not the legal successors of that person.

(d) The license expires two years after the date on which the license is issued.

(e) A license may be issued without prior notice and an opportunity for a hearing. A person other than the applicant and commission may not contest the issuance of a license.

Sec. 464.005. LICENSE RENEWAL. (a) The commission shall provide renewal application forms and information relating to renewal procedures to each license holder.

(b) The Department of State Health Services may require an inspection before renewing a license, unless the applicant submits an accreditation review from the Commission on Accreditation of Rehabilitation Facilities, the Joint Commission, or another national accreditation organization recognized by the department in accordance with Section 464.0055.

(c) The commission may establish deadlines for receiving and acting on renewal applications.

(d) A license may be renewed without prior notice and an opportunity for a hearing. A person other than the applicant and commission may not contest the renewal of a license.

Acts 2011, 82nd Leg., R.S., Ch. 1096 (S.B. 1449), Sec. 1, eff. September 1, 2011.

Sec. 464.0055. ACCREDITATION REVIEW TO SATISFY INSPECTION REQUIREMENTS. (a) In this section:

(1) "Accreditation commission" means the Commission on Accreditation of Rehabilitation Facilities, the Joint Commission, or another national accreditation organization recognized by the Department of State Health Services.

(2) "Department" means the Department of State Health Services.
(b) The department shall accept an accreditation review from an accreditation commission for a treatment facility instead of an inspection by the department for renewal of a license under Section 464.005, but only if:

(1) the treatment facility is accredited by the Commission on Accreditation of Rehabilitation Facilities, the Joint Commission, or another national accreditation organization recognized by the department;

(2) the accreditation commission maintains and updates an inspection or review program that, for each treatment facility, meets the department's applicable minimum standards;

(3) the accreditation commission conducts a regular on-site inspection or review of the treatment facility according to the accreditation commission's guidelines; and

(4) the treatment facility submits to the department a copy of its most recent accreditation review from the accreditation commission in addition to the application, fee, and any report or other document required for renewal of a license.

(c) This section does not limit the department in performing any duties, investigations, or inspections authorized by this chapter, including authority to take appropriate action relating to a treatment facility, such as closing the treatment facility.

(d) This section does not require a treatment facility to obtain accreditation from an accreditation commission.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1096 (S.B. 1449), Sec. 2, eff. September 1, 2011.

Sec. 464.006. INSPECTIONS. The commission or its representative may without notice enter the premises of a treatment facility at reasonable times, including any time treatment services are provided, to conduct an inspection or investigation the commission considers necessary.

Sec. 464.007. APPLICATION AND INSPECTION FEES. (a) The commission shall charge nonrefundable application and review fees for
a license or renewal license. The commission may charge a fee for approving a facility to treat court committed clients.

(b) If the General Appropriations Act does not specify the amount of the fee, the commission shall establish reasonable fees to administer this subchapter in amounts necessary for the fees to cover at least 50 percent of the costs of the licensing program.

(c) The commission may not maintain unnecessary fund balances.

Sec. 464.008. ALCOHOL AND DRUG ABUSE TREATMENT LICENSURE FUND. All application and inspection fees collected by the commission under this subchapter are subject to Subchapter F, Chapter 404, Government Code.

Sec. 464.009. RULES AND STANDARDS. (a) The commission shall license treatment facilities in a manner consistent with state and federal law and rules, including commission licensing standards.

(b) The commission shall adopt rules for:

1. a treatment facility's organization and structure, policies and procedures, and minimum staffing requirements;
2. the services to be provided by a facility, including:
   (A) the categories of services the facility may provide;
   (B) the client living environment the facility requires; and
   (C) the requirement that a facility provide discharge planning and client follow-up contact;
3. client rights and standards for medication, nutrition, and emergency situations;
4. the client records kept by a facility;
5. the general physical plant requirements for a facility, including environmental considerations, fire protection, safety, and other conditions to ensure the health and comfort of the clients;
6. standards necessary to protect the client, including...
standards required or authorized by federal or other state law; and
(7) the approval of a facility to treat adult or minor clients who are referred by the criminal justice system or by a court order for involuntary civil or criminal commitment or detention.
(c) The commission shall adopt rules to protect the rights of individuals receiving services from a treatment facility and to maintain the confidentiality of client records as required by state and federal law.
(d) The commission by rule may not restrict competitive bidding or advertising by a facility regulated by the commission except to prohibit false, misleading, or deceptive practices by the facility. However, those rules may not:
(1) restrict the facility's use of any medium for advertising;
(2) restrict in an advertisement the personal appearance of a person representing the facility or the use of that person's voice;
(3) regulate the size or duration of an advertisement by the facility; or
(4) restrict the facility's advertisement under a trade name.

Sec. 464.0095. RESTRAINT AND SECLUSION. A person providing services to a client at a treatment facility shall comply with Chapter 322 and the rules adopted under that chapter.

Added by Acts 2005, 79th Leg., Ch. 698 (S.B. 325), Sec. 5, eff. September 1, 2005.

Sec. 464.010. REPORTS OF ABUSE OR NEGLECT. (a) A person, including treatment facility personnel, who believes that a client's physical or mental health or welfare has been, is, or will be adversely affected by abuse or neglect caused by any person shall report the facts underlying that belief to the commission. This requirement is in addition to the requirements prescribed by Chapter 261, Family Code, and Chapter 48, Human Resources Code.
(b) The commission shall prescribe procedures for the
investigation of reports under Subsection (a) and for coordination with law enforcement agencies or other agencies.

(c) An individual who in good faith reports to the commission under this section is immune from civil or criminal liability based on the report. That immunity extends to participation in a judicial proceeding resulting from the report but does not extend to an individual who caused the abuse or neglect.

(d) The commission may request the attorney general's office to file a petition for temporary care and protection of a client of a residential treatment facility if it appears that immediate removal of the client is necessary to prevent further abuse.

(e) All records made by the commission during its investigation of alleged abuse or neglect are confidential and may not be released except that the release may be made:

(1) on court order;
(2) on written request and consent of the person under investigation or that person's authorized attorney; or
(3) as provided by Section 464.011.

Sec. 464.011. DISCLOSURE OF COMMISSION RECORDS. Unless prohibited or limited by federal or other state law, the commission may make its licensing and investigatory records that identify a client available to a state or federal agency or law enforcement authority on request and for official purposes.

Sec. 464.012. HIV INFECTION EDUCATION, TESTING, AND COUNSELING. (a) A treatment facility licensed under this chapter shall provide to employees of the facility education regarding methods of transmitting and preventing human immunodeficiency virus infection based on the model education program developed by the Texas Department of Health and shall make the education available to facility clients.
(b) Employees of the facility who counsel clients shall provide counseling in accordance with the model protocol for counseling related to HIV infection developed by the Texas Department of Health.

(c) A treatment facility licensed under this chapter shall make available or make referrals to voluntary, anonymous, and affordable counseling and testing services concerning human immunodeficiency virus infection.

Sec. 464.013. COMMISSION INTERACTION WITH TEXAS DEPARTMENT OF HEALTH AND OTHER AGENCIES. (a) Sections 464.007, 464.008, and 464.009 do not affect the powers and duties of the Texas Department of Health under Chapter 466. The commission by rule may recognize and defer to rules adopted by the Texas Board of Health under Chapter 466. The commission and the Texas Department of Health may enter into any agreements necessary to implement this subsection.

(b) The commission may enter into interagency agreements necessary to prevent duplication in regulatory activities by other agencies and to conserve state resources in relation to its on-site inspections under this subchapter.

Sec. 464.014. DENIAL, REVOCATION, SUSPENSION, OR NONRENEWAL OF LICENSE. (a) The commission shall deny, revoke, suspend, or refuse to renew a license, place on probation a person whose license has been suspended, or reprimand a license holder if the applicant or license holder or the owner, director, administrator, or a clinical staff member of the facility:

(1) has a documented history of client abuse or neglect; or

(2) violates this subchapter or a rule of the commission.

(b) If a license suspension is probated, the commission may establish the conditions for completion or violation of the probation.

(c) The denial, revocation, suspension, probation, or nonrenewal takes effect on the 30th day after the date on which the
notice was mailed unless:
   (1) the commission secures an injunction under Section 464.015; or
   (2) an administrative appeal is requested.

   (d) The commission may restrict attendance at an appeals hearing to the parties and their agents. A license holder whose license is suspended or revoked may not admit new clients until the license is reissued.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1993, 73rd Leg., ch. 705, Sec. 3.06, eff. Sept. 1, 1993; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), eff. Sept. 1, 1995; Acts 1997, 75th Leg., ch. 577, Sec. 9, eff. Sept. 1, 1997.

Sec. 464.0145. DISCIPLINARY ACTION HEARING. (a) If the commission proposes to suspend, revoke, or refuse to renew a person's license, the person is entitled to a hearing conducted by the State Office of Administrative Hearings.

   (b) Procedures for a disciplinary action are governed by the administrative procedure law, Chapter 2001, Government Code.

   (c) Rules of practice adopted by the commission under Section 2001.004, Government Code, applicable to the proceedings for a disciplinary action may not conflict with rules adopted by the State Office of Administrative Hearings.

Added by Acts 1997, 75th Leg., ch. 577, Sec. 11, eff. Sept. 1, 1997.

Sec. 464.015. INJUNCTION. (a) The commission may petition a district court to restrain a person or facility that violates the rules, standards, or licensing requirements provided under this subchapter in a manner that causes immediate threat to the health and safety of individual clients.

   (b) A suit for injunctive relief, civil penalties authorized by Section 464.017, or both, must be brought in Travis County or the county in which the violation occurs.

   (c) A district court, on petition of the commission, the attorney general, or a district or county attorney, and on a finding by the court that a person or facility is violating or has violated this subchapter or a standard adopted under this subchapter, shall
grant any prohibitory or mandatory injunctive relief warranted by the facts, including a temporary restraining order, temporary injunction, or permanent injunction.

(d) The court granting injunctive relief shall order the person or facility to reimburse the commission and the party bringing the suit for all costs of investigation and litigation, including reasonable attorney's fees, reasonable investigative expenses, court costs, witness fees, deposition expenses, and civil administrative costs.

(e) At the request of the commission, the attorney general or the appropriate district or county attorney shall institute and conduct a suit authorized by Subsection (a) in the name of this state.

(f) On his own initiative, the attorney general or a district attorney or county attorney may maintain an action for injunctive relief in the name of the state for a violation of this subchapter or a standard adopted under this subchapter.

(g) The injunctive relief and civil penalty authorized by this section and Section 464.017 are in addition to any other civil, administrative, or criminal penalty provided by law.

Sec. 464.016. CRIMINAL PENALTY. (a) A person commits an offense if the person establishes, conducts, manages, or operates a treatment facility without a license. Each day of violation constitutes a separate offense.

(b) A person commits an offense if the person intentionally, maliciously, or recklessly makes a false report under Section 464.010.

(c) A person commits an offense if the person has reasonable grounds to suspect that abuse or neglect of a client may have occurred and does not report the suspected or possible abuse or neglect.

(d) An offense under this section is a Class A misdemeanor.

Sec. 464.017. CIVIL PENALTY. (a) A person or facility is subject to a civil penalty of not more than $25,000 for each day of violation and for each act of violation of this subchapter or a rule adopted under this subchapter. In determining the amount of the civil penalty, the court shall consider:

(1) the person's or facility's previous violations;
(2) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
(3) whether the health and safety of the public was threatened by the violation;
(4) the demonstrated good faith of the person or facility; and
(5) the amount necessary to deter future violations.

(b) The commission may:

(1) combine a suit to assess and recover civil penalties with a suit for injunctive relief brought under Section 464.015; or
(2) file a suit to assess and recover civil penalties independently of a suit for injunctive relief.

(c) At the request of the commission, the attorney general or the appropriate district or county attorney shall institute and conduct the suit authorized by Subsection (b) in the name of this state. The commission and the party bringing the suit may recover reasonable expenses incurred in obtaining civil penalties, including investigation costs, court costs, reasonable attorney fees, witness fees, and deposition expenses.

(d) The civil penalty authorized by this section is in addition to any other civil, administrative, or criminal penalty provided by law.

(e) On his own initiative, the attorney general, a district attorney, or a county attorney may maintain an action for civil penalties in the name of the state for a violation of this subchapter or a standard adopted under this subchapter.

(f) Penalties collected under this section by the attorney general shall be deposited to the credit of the alcohol and drug abuse treatment licensure fund account. Penalties collected under this section by a district or county attorney shall be deposited to the credit of the general fund of the county in which the suit was heard.
(g) The commission and the party bringing the suit may recover reasonable expenses incurred in obtaining civil penalties, including investigation costs, court costs, reasonable attorney fees, witness fees, and deposition expenses.

Sec. 464.018. NOTICE OF SUIT. Not later than the seventh day before the date on which the attorney general intends to bring suit on his own initiative under Section 464.015 or 464.017, the attorney general shall provide to the commission notice of the suit. The attorney general is not required to provide notice of a suit if the attorney general determines that waiting to bring suit until the notice is provided will create an immediate threat to the health and safety of a client. This section does not create a requirement that the attorney general obtain the permission of or a referral from the commission before filing suit.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 3.09, eff. Sept. 1, 1993.

Sec. 464.019. ADMINISTRATIVE PENALTY. (a) The commission may impose an administrative penalty against a person licensed or regulated under this chapter who violates this chapter or a rule or order adopted under this chapter.

(b) The penalty for a violation may be in an amount not to exceed $25,000. Each day a violation continues or occurs is a separate violation for purposes of imposing a penalty.

(c) The amount of the penalty shall be based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of any prohibited acts, and the hazard or potential hazard created to the health, safety, or economic welfare of the public;

(2) enforcement costs relating to the violation;

(3) the history of previous violations;

(4) the amount necessary to deter future violations;

(5) efforts to correct the violation; and
(6) any other matter that justice may require.

(d) If the executive director determines that a violation has occurred, the director may issue to the commission a report that states the facts on which the determination is based and the director's recommendation on the imposition of a penalty, including a recommendation on the amount of the penalty.

(e) Within 14 days after the date the report is issued, the executive director shall give written notice of the report to the person. The notice may be given by certified mail. The notice must include a brief summary of the alleged violation and a statement of the amount of the recommended penalty and must inform the person that the person has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(f) Within 20 days after the date the person receives the notice, the person in writing may accept the determination and recommended penalty of the commissioner or may make a written request for a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(g) If the person accepts the determination and recommended penalty of the commissioner, the board by order shall approve the determination and impose the recommended penalty.

(h) If the person requests a hearing or fails to respond timely to the notice, the commissioner shall set a hearing and give notice of the hearing to the person. The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the board a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty. Based on the findings of fact, conclusions of law, and proposal for a decision, the board by order may find that a violation has occurred and impose a penalty or may find that no violation occurred.

(i) The notice of the board's order given to the person under Chapter 2001, Government Code must include a statement of the right of the person to judicial review of the order.

(j) Within 30 days after the date the board's order is final as provided by Subchapter F, Chapter 2001, Government Code, the person shall:

1. pay the amount of the penalty;
2. pay the amount of the penalty and file a petition for
judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or

(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(k) Within the 30-day period, a person who acts under Subsection (j)(3) may:

(1) stay enforcement of the penalty by:
   (A) paying the amount of the penalty to the court for placement in an escrow account; or
   (B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the board's order is final; or

(2) request the court to stay enforcement of the penalty by:
   (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and
   (B) giving a copy of the affidavit to the commissioner by certified mail.

(1) The commissioner on receipt of a copy of an affidavit under Subsection (k)(2) may file with the court within five days after the date the copy is received a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(m) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the commissioner may refer the matter to the attorney general for collection of the amount of the penalty.

(n) Judicial review of the order of the board:
   (1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and
   (2) is under the substantial evidence rule.
(o) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(p) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

(q) A penalty collected under this section shall be remitted to the comptroller for deposit in the general revenue fund.

(r) All proceedings under this section are subject to Chapter 2001, Government Code.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 3.09, eff. Sept. 1, 1993. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), (53), (59), eff. Sept. 1, 1995.

Sec. 464.0195. RECOVERY OF COSTS. If the attorney general brings an action to enforce an administrative penalty assessed under Section 464.019 and the court orders the payment of the penalty, the attorney general may recover reasonable expenses incurred in the investigation, initiation, or prosecution of the enforcement suit, including investigative costs, court costs, reasonable attorney fees, witness fees, and deposition expenses.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.091, eff. Sept. 1, 1993.

Sec. 464.020. ADDITIONAL REQUIREMENTS FOR DISCIPLINARY
ALTERNATIVE EDUCATION TREATMENT PROGRAMS. (a) A disciplinary alternative education program under Section 37.008, Education Code, may apply for a license under this chapter to offer chemical dependency treatment services.

(b) The board of trustees of a school district with a disciplinary alternative education program, or the board's designee, shall employ a mental health professional, as defined by Section 164.003, to provide the services authorized by a license issued under this chapter to the disciplinary alternative education program.

(c) The commission may not issue a license that authorizes a disciplinary alternative education program to provide detoxification or residential services.

(d) The board of trustees of a school district with a disciplinary alternative education program, or the board's designee, may contract with a private treatment facility or a person employed by or under contract with a private treatment facility to provide chemical dependency treatment services. The contract may not permit the services to be provided at a site that offers detoxification or residential services. Section 164.006 applies to a contract made under this section.

SUBCHAPTER B. COUNTY CONTRACTS WITH ALCOHOLISM PROGRAMS AND CENTERS

Sec. 464.031. DEFINITIONS. In this subchapter:

(1) "Alcoholism program or center" means a public or private alcoholism prevention, intervention, treatment, or rehabilitation program or center.

(2) "Commission" means the Texas Commission on Alcohol and Drug Abuse.

Sec. 464.032. COUNTY CONTRACTS WITH ALCOHOLISM PROGRAMS OR CENTERS. (a) A county or a group of counties acting together may contract with an alcoholism program or center to provide prevention, treatment, and rehabilitation services to persons suffering from
alcoholism or at risk of becoming alcoholics.

(b) The county or group of counties may contract only with a program or center included in a list submitted under Section 464.034.

Sec. 464.033. APPLICATION FOR CONTRACT. (a) To be eligible to contract with a county, an alcoholism program or center providing prevention or intervention services must submit an application to the regional alcoholism advisory committee established by the commission to serve the area in which the program or center is located or in which the program or center will provide services.

(b) To be eligible to contract with a county, an alcoholism program or center providing treatment or rehabilitation services must:

(1) submit an application as provided by Subsection (a); and

(2) be licensed by the commission.

(c) A regional alcoholism advisory committee shall adopt rules governing the procedure for submitting an application.

Sec. 464.034. REVIEW OF CONTRACT APPLICATIONS; LIST. (a) A regional alcoholism advisory committee shall:

(1) review each application received; and

(2) rank the applications using guidelines established by the commission for reviewing funding applications.

(b) At least twice each year, each regional alcoholism advisory committee shall submit a ranked list of all applications received during the preceding six months to each county in the region the committee serves.

Sec. 464.035. PAYMENT OF CONTRACT AMOUNTS. To pay for services provided under a contract with an alcoholism program or center, the commissioners court by order may dedicate for payment to the program
or center a percentage of the money received by the county as fines for alcohol-related offenses committed while operating a motor vehicle under Sections 49.04 and 49.07, Penal Code.

SUBCHAPTER C. FAITH-BASED CHEMICAL DEPENDENCY TREATMENT PROGRAMS

Sec. 464.051. DEFINITIONS. In this subchapter:

(1) "Chemical dependency" has the meaning assigned by Section 464.001.

(2) "Commission" has the meaning assigned by Section 464.001.

(3) "Religious organization" means a church, synagogue, mosque, or other religious institution:
   (A) the purpose of which is the propagation of religious beliefs; and
   (B) that is exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986 (26 U.S.C. Section 501(a)) by being listed as an exempt organization under Section 501(c) of that code (26 U.S.C. Section 501(c)).

(4) "Treatment" has the meaning assigned by Section 464.001.

(5) "Treatment facility" has the meaning assigned by Section 464.001.

Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

Sec. 464.052. EXEMPTION FOR FAITH-BASED CHEMICAL DEPENDENCY TREATMENT PROGRAM. (a) Subchapter A does not apply to a chemical dependency treatment program that:

(1) is conducted by a religious organization;

(2) is exclusively religious, spiritual, or ecclesiastical in nature;

(3) does not treat minors; and

(4) is registered under Section 464.053.

(b) The commission may not prohibit the use, by a program exempted under this subchapter, of the term "counseling," "treatment," or "rehabilitation."
Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

Sec. 464.053. EXEMPT PROGRAM REGISTRATION. The commission by rule shall establish a simple procedure for a faith-based chemical dependency treatment program to register the program's exemption under Section 464.052.

Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

Sec. 464.054. MEDICAL SERVICES PROHIBITED. A program exempted under this subchapter may not provide medical care, medical detoxification, or medical withdrawal services.

Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

Sec. 464.055. REPRESENTATIONS IN PROGRAM ADVERTISING OR LITERATURE. A program exempted under this subchapter shall conspicuously include in any advertisement or literature that promotes or describes the program or the program's chemical dependency treatment services the following statement:

"The treatment and recovery services at (name of program) are exclusively religious in nature and are not subject to licensure or regulation by the Texas Commission on Alcohol and Drug Abuse. This program offers only nonmedical treatment and recovery methods such as prayer, moral guidance, spiritual counseling, and scriptural study."

Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

Sec. 464.056. DECLARATION ON ADMISSION. (a) A program exempted under this subchapter may not admit a person unless the person signs the following statement on admission:

"DECLARATION:

I understand that:

(1) the treatment and recovery services at (name of program) are exclusively religious in nature and are not subject to licensure or regulation by the Texas Commission on Alcohol and Drug Abuse; and
HEALTH AND SAFETY CODE

(2) (name of program) offers only nonmedical treatment and recovery methods, such as prayer, moral guidance, spiritual counseling, and scriptural study."

signed _____________________________ date _____________

(b) The program shall:
(1) keep the original signed statement on file; and
(2) provide a copy of the signed statement to the person admitted.

Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

Sec. 464.057. REVOCATION OF EXEMPTION. The commission may revoke the exemption after notice and hearing if:
(1) the organization conducting the program fails to timely inform the commission of any material change in the program's registration information;
(2) any program advertisement or literature fails to include the statements required by Section 464.055; or
(3) the organization violates this subchapter or a commission rule adopted under this subchapter.

Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

Sec. 464.058. GENERAL DIRECTIVE TO STATE AGENCIES. A state agency may not deny to an individual a state or federal social service benefit on the basis that the individual is participating in a faith-based residential chemical dependency treatment program.

Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

Sec. 464.059. RELIGION NOT ENDORSED. This subchapter is not intended to aid religion. This subchapter is intended to aid chemically dependent persons by supporting programs that serve the valid public purpose of combating chemical dependency, regardless of whether the programs are religious, spiritual, or ecclesiastical in nature. The exemption of faith-based chemical dependency treatment programs from licensure and regulation is not an endorsement or sponsorship by the state of the religious character, expression,
beliefs, doctrines, or practices of the treatment programs.

Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

Sec. 464.060. DIRECT PUBLIC FUNDING PROHIBITED. A program exempted under this subchapter is not eligible to compete against a licensed program for direct federal or state treatment funding.

Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

Sec. 464.061. EFFECT ON HEALTH AND SAFETY DUTIES OR POWERS. This subchapter does not affect the authority of a local, regional, or state health department official, the state fire marshal, or a local fire prevention official to inspect a facility used by a program exempted under this subchapter.

Added by Acts 1997, 75th Leg., ch. 663, Sec. 1, eff. Sept. 1, 1997.

CHAPTER 465. LOCAL DRUG AND ALCOHOL EDUCATION PROGRAMS

Sec. 465.001. COMMISSION. A municipality or county may create and support with public funds a commission to:

(1) educate the public on drug and alcohol abuse;
(2) promote drug and alcohol education at all levels of the schools;
(3) study the effectiveness of efforts, including the commission's efforts, in reducing drug and alcohol abuse; and
(4) create and administer a program to counsel or treat drug and alcohol abusers or to provide both counseling and treatment.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 191.

Sec. 465.002. INDIVIDUAL OR JOINT ACTION. The municipality or county may create the commission by its own action or jointly by agreement with another municipality or county or a private foundation, nonprofit organization, church, or other entity. If the commission is created by agreement, all matters regarding the creation and operation of the commission are governed as provided by
the agreement.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 191.

Sec. 465.003. REPORT. The commission shall report annually to each entity that participates in the creation of the commission regarding the commission's activities.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 191.

CHAPTER 466. REGULATION OF NARCOTIC DRUG TREATMENT PROGRAMS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 466.001. LEGISLATIVE INTENT. (a) It is the intent of the legislature that the department exercise its administrative powers and regulatory authority to ensure the proper use of approved narcotic drugs in the treatment of narcotic dependent persons.

(b) Treatment of narcotic addiction by permitted treatment programs is recognized as a specialty chemical dependency treatment area using the medical model.

(c) Short-term goals should have an emphasis of personal and public health, crime prevention, reintegration of narcotic addicted persons into the public work force, and social and medical stabilization. Narcotic treatment programs are an important component of the state's effort to prevent the further proliferation of the AIDS virus. Total drug abstinence is recognized as a long-term goal of treatment, subject to medical determination of the medical appropriateness and prognosis of the narcotic addicted person.

Sec. 466.002. DEFINITIONS. In this chapter:

(1) "Approved narcotic drug" means a drug approved by the United States Food and Drug Administration for maintenance or detoxification of a person physiologically addicted to the opiate class of drugs.

(2) "Authorized agent" means an employee of the department
who is designated by the commissioner to enforce this chapter.

(3) "Board" means the Texas Board of Health.

(4) "Commissioner" means the commissioner of public health.

(5) "Department" means the Texas Department of Health.

(6) "Facility" includes a medical office, an outpatient clinic, a general or special hospital, a community mental health center, and any other location in which a structured narcotic dependency program is conducted.

(7) "Narcotic drug" has the meaning assigned by Chapter 481 (Texas Controlled Substances Act).

Sec. 466.003. EXCLUSION OF COCAINE. Cocaine is excluded for the purpose of this chapter.

Sec. 466.004. POWERS AND DUTIES OF BOARD AND DEPARTMENT. (a) The board shall adopt and the department shall administer and enforce rules to ensure the proper use of approved narcotic drugs in the treatment of narcotic drug-dependent persons, including rules that:

(1) require an applicant or a permit holder to make annual, periodic, and special reports that the department determines are necessary;

(2) require an applicant or permit holder to keep records that the department determines are necessary;

(3) provide for investigations that the department determines are necessary; and

(4) provide for the coordination of the approval of narcotic drug treatment programs by the United States Food and Drug Administration and the United States Drug Enforcement Administration.

(b) The board shall adopt rules for the issuance of permits to operate narcotic drug treatment programs including rules:

(1) governing the submission and review of applications;

(2) establishing the criteria for the issuance and renewal of permits; and
(3) establishing the criteria for the suspension and revocation of permits.

SUBCHAPTER B. PERMIT

Sec. 466.021. PERMIT REQUIRED. A person may not operate a narcotic drug treatment program unless the person has a permit issued under this chapter.

Sec. 466.022. LIMITATION ON PRESCRIPTION, ORDER, OR ADMINISTRATION OF NARCOTIC DRUG. A physician may not prescribe, order, or administer a narcotic drug for the purpose of treating drug dependency unless the physician prescribes, orders, or administers an approved narcotic drug for the maintenance or detoxification of drug-dependent persons as part of a program permitted by the department.

Sec. 466.023. APPLICATION FOR PERMIT; FEES. (a) The department shall issue a permit to an applicant who qualifies under rules and standards adopted by the board.

(b) A permit issued under this section is valid until suspended or revoked by the department or surrendered by the permit holder in accordance with board rules.

(c) A person must obtain a permit for each facility that the person operates.

(d) A permit issued by the department is not transferable from one facility to another facility and must be returned to the department if the permit holder sells or otherwise conveys the facility to another person.

(e) The board by rule shall establish and collect a nonrefundable application fee to defray the cost to the department of
processing each application for a permit. The application fee must be submitted with the application. An application may not be considered unless the application is accompanied by the application fee.

(f) The board shall adopt rules that set permit fees in amounts sufficient for the department to recover not less than half of the actual annual expenditures of state funds by the department to:
   (1) amend permits;
   (2) inspect facilities operated by permit holders; and
   (3) implement and enforce this chapter.

(g) Fees collected by the department shall be deposited in the state treasury to the credit of the narcotic treatment permitting fee fund.

Sec. 466.024. PERMIT LIMITATIONS. (a) The department may issue a permit to:
   (1) a person constituting a legal entity organized and operating under the laws of this state; or
   (2) a physician.

(b) The department may issue a permit to a person other than a physician only if the person provides health care services under the supervision of one or more physicians licensed by the Texas State Board of Medical Examiners.

Sec. 466.025. INSPECTION. (a) An authorized agent may enter the facility of a person who is an applicant for a permit or who is a permit holder during any hours in which the facility is in operation for the purpose of inspecting the facility to determine:
   (1) if the person meets the standards set in the rules of the board for the issuance of a permit; or
   (2) if a person who holds a permit is in compliance with this chapter, the standards set in the rules of the board for the operation of a facility, any special provisions contained in the
permit, or an order of the commissioner or the department.

(b) The inspection may be conducted without prior notice to the applicant or the permit holder.

(c) The authorized agent shall provide the applicant or permit holder with a copy of the inspection report. An inspection report shall be made a part of the applicant's submission file or the permit holder's compliance record.

Sec. 466.026. MULTIPLE ENROLLMENT PREVENTION. The department shall work with representatives from permitted narcotic treatment programs in this state to develop recommendations for a plan to prevent the simultaneous multiple enrollment of persons in narcotic treatment programs. The board may adopt rules to implement these recommendations.

Sec. 466.027. DENIAL, SUSPENSION, OR REVOCATION OF PERMIT. (a) After notice to an applicant or a permit holder and after the opportunity for a hearing, the department may:

(1) deny an application of the person if the person fails to comply with this chapter or the rules establishing minimum standards for the issuance of a permit adopted under this chapter; or

(2) suspend or revoke the permit of a person who has violated this chapter, an order issued under this chapter, or a minimum standard required for the issuance of a permit.

(b) The board may adopt rules that establish the criteria for the denial, suspension, or revocation of a permit.

(c) Hearings, appeals from, and judicial review of final administrative decisions under this section shall be conducted according to the contested case provisions of Chapter 2001, Government Code and the board's formal hearing rules.

(d) This section does not prevent the informal reconsideration of a case before the setting of a hearing or before the issuance of
the final administrative decision under this section. The program rules must contain provisions establishing the procedures for the initiation and conduct of the informal reconsideration by the department.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 193, eff. Sept. 1, 1991; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), eff. Sept. 1, 1995.

**SUBCHAPTER C. ENFORCEMENT**

Sec. 466.041. EMERGENCY ORDERS. (a) The commissioner or the commissioner's designee may issue an emergency order, either mandatory or prohibitory in nature, in relation to the operation of a permitted facility or the treatment of patients by the facility staff, in the department's jurisdiction. The order may be issued if the commissioner or the commissioner's designee determines that the treatment of patients by the staff of the permit holder creates or poses an immediate and serious threat to human life or health and other procedures available to the department to remedy or prevent the occurrence of the situation will result in an unreasonable delay.

(b) The commissioner or the commissioner's designee may issue the emergency order, including an emergency order suspending or revoking a permit issued by the department, without notice and hearing, if the commissioner or the commissioner's designee determines that action to be practicable under the circumstances.

(c) If an emergency order is issued without a hearing, the department shall determine a time and place for a hearing at which the emergency order is affirmed, modified, or set aside. The hearing shall be held under the contested case provisions of Chapter 2001, Government Code and the board's formal hearing rules.

(d) If an emergency order is issued to suspend or revoke the permit, the department shall ensure that treatment services for the patients are maintained at the same location until appropriate referrals to an alternate treatment program are made.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 193, eff. Sept. 1, 1991; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), eff. Sept. 1, 1995.
Sec. 466.042. INJUNCTION. (a) The commissioner, the commissioner's designee, or an authorized agent may request the attorney general or a district, county, or municipal attorney to petition the district court for a temporary restraining order to restrain:

(1) a continuing violation of this chapter, a rule adopted under this chapter, or an order or permit issued under this chapter; or

(2) a threat of a continuing violation of this chapter, a rule, or an order or permit.

(b) To request a temporary restraining order, the commissioner, commissioner's designee, or an authorized agent must find that a person has violated, is violating, or is threatening to violate this chapter, a rule adopted under this chapter, or an order or permit issued under this chapter and:

(1) the violation or threatened violation creates an immediate threat to the health and safety of the public; or

(2) there is reasonable cause to believe that the permit holder or the staff of the permit holder is party to the diversion of a narcotic drug or drugs in violation of Chapter 481 (Texas Controlled Substances Act).

(c) On finding by the court that a person is violating or threatening to violate this chapter, a rule adopted under this chapter, or an order or permit issued under this chapter, the court shall grant the injunctive relief warranted by the facts.

(d) Venue for a suit brought under this section is in the county in which the violation or threat of violation is alleged to have occurred or in Travis County.

Sec. 466.043. ADMINISTRATIVE PENALTY. If a person violates this chapter, a rule adopted under this chapter, or an order or permit issued under this chapter, the commissioner may assess an administrative penalty against the person as provided by Chapter 431 (Texas Food, Drug, and Cosmetic Act).

Sec. 466.044. CRIMINAL PENALTY. (a) A person commits an offense if the person operates a narcotic drug treatment program without a permit issued by the department.

(b) An offense under this section is a Class A misdemeanor.

Sec. 466.045. CIVIL PENALTY. (a) If it appears that a person has violated this chapter, a rule adopted under this chapter, or an order or permit issued under this chapter, the commissioner may request the attorney general or the district, county, or municipal attorney of the municipality or county in which the violation occurred to institute a civil suit for the assessment and recovery of a civil penalty.

(b) The penalty may be in an amount not to exceed $10,000 for each violation.

(c) In determining the amount of the penalty, the court shall consider:

(1) the person's history of previous violations;
(2) the seriousness of the violation;
(3) any hazard to the health and safety of the public; and
(4) the demonstrated good faith of the person charged.

(d) A civil penalty recovered in a suit instituted by the attorney general under this chapter shall be deposited in the state treasury to the credit of the General Revenue Fund. A civil penalty recovered in a suit instituted by a local government under this chapter shall be paid to the local government.

CHAPTER 467. PEER ASSISTANCE PROGRAMS

Sec. 467.001. DEFINITIONS. In this chapter:

(1) "Approved peer assistance program" means a program that is designed to help an impaired professional and that is:

(A) established by a licensing or disciplinary
authority; or

(B) approved by a licensing or disciplinary authority
as meeting the criteria established by the department and any
additional criteria established by that licensing or disciplinary
authority.

(2) "Department" means the Department of State Health
Services.

(3) "Impaired professional" means an individual whose
ability to perform a professional service is impaired by chemical
dependency on drugs or alcohol or by mental illness.

(4) "Licensing or disciplinary authority" means a state
agency or board that licenses or has disciplinary authority over
professionals.

(5) "Professional" means an individual who:
(A) may incorporate under The Texas Professional
Corporation Act (Article 1528e, Vernon's Texas Civil Statutes); or
(B) is licensed, registered, certified, or otherwise
authorized by the state to practice as a licensed vocational nurse,
social worker, chemical dependency counselor, occupational therapist,
speech-language pathologist, audiologist, licensed dietitian, or
dental or dental hygiene school faculty member.

(6) "Professional association" means a national or
statewide association of professionals, including any committee of a
professional association and any nonprofit organization controlled by
or operated in support of a professional association.

(7) "Student" means an individual enrolled in an
educational program or course of study leading to initial licensure
as a professional as such program or course of study is defined by
the appropriate licensing or disciplinary authority.

(8) "Impaired student" means a student whose ability to
perform the services of the profession for which the student is
preparing for licensure would be, or would reasonably be expected to
be, impaired by chemical dependency on drugs or alcohol or by mental
illness.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1995, 74th Leg., ch. 570, Sec. 1, eff. Sept. 1, 1995; Acts
2003, 78th Leg., ch. 17, Sec. 27, eff. Sept. 1, 2003; Acts 2003,
78th Leg., ch. 892, Sec. 26, eff. Sept. 1, 2003.

Amended by:
Sec. 467.002. OTHER PEER ASSISTANCE PROGRAMS. This chapter does not apply to a peer assistance program for licensed physicians or pharmacists or for any other profession that is authorized under other law to establish a peer assistance program.

Sec. 467.003. PROGRAMS. (a) A professional association or licensing or disciplinary authority may establish a peer assistance program to identify and assist impaired professionals in accordance with the minimum criteria established by the department and any additional criteria established by the appropriate licensing or disciplinary authority.

(b) A peer assistance program established by a professional association is not governed by or entitled to the benefits of this chapter unless the association submits evidence to the appropriate licensing or disciplinary authority showing that the association's program meets the minimum criteria established by the department and any additional criteria established by that authority.

(c) If a licensing or disciplinary authority receives evidence showing that a peer assistance program established by a professional association meets the minimum criteria established by the department and any additional criteria established by that authority, the authority shall approve the program.

(d) A licensing or disciplinary authority may revoke its approval of a program established by a professional association under this chapter if the authority determines that:

(1) the program does not comply with the criteria established by the department or by that authority; and

(2) the professional association does not bring the program into compliance within a reasonable time, as determined by that authority.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 1373 (S.B. 155), Sec. 22, eff.
Sec. 467.0035. PROVISION OF SERVICES TO STUDENTS. (a) An approved peer assistance program may provide services to impaired students. A program that elects to provide services to impaired students is not required to provide the same services to those students that it provides to impaired professionals.

(b) An approved peer assistance program that provides services to students shall comply with any criteria for those services that are adopted by the appropriate licensing or disciplinary authority.

Added by Acts 1995, 74th Leg., ch. 570, Sec. 2, eff. Sept. 1, 1995.

Sec. 467.004. FUNDING. (a) Except as provided by Section 467.0041(b) of this code and Section 504.058, Occupations Code, a licensing or disciplinary authority may add a surcharge of not more than $10 to its license or license renewal fee to fund an approved peer assistance program. The authority must adopt the surcharge in accordance with the procedure that the authority uses to initiate and adopt an increase in its license or license renewal fee.

(b) A licensing or disciplinary authority may accept, transfer, and expend funds made available by the federal or state government or by another public or private source to fund an approved peer assistance program.

(c) A licensing or disciplinary authority may contract with, provide grants to, or make other arrangements with an agency, professional association, institution, or individual to implement this chapter.

(d) Money collected under this section may be used only to implement this chapter and may not be used to pay for the actual treatment and rehabilitation costs required by an impaired professional.

Acts 2011, 82nd Leg., R.S., Ch. 564 (H.B. 3145), Sec. 1, eff.
Sec. 467.0041. FUNDING FOR TEXAS STATE BOARD OF DENTAL EXAMINERS. (a) Except as provided by this section, the Texas State Board of Dental Examiners is subject to Section 467.004.

(b) The board may add a surcharge of not more than $10 to its license or license renewal fee to fund an approved peer assistance program.

(c) The board may collect a fee of not more than $50 each month from a participant in an approved peer assistance program. Fees collected under this subsection shall be remitted to the comptroller for deposit to the credit of the dental registration account.

(d) Subject to the General Appropriations Act, the board may use the fees and surcharges collected under this section and fines collected in the enforcement of Chapter 9, Title 71, Revised Statutes, and that are deposited in the dental registration account, to fund an approved program and to pay the administrative costs incurred by the board that are related to the program.

Sec. 467.005. REPORTS. (a) A person who knows or suspects that a professional is impaired by chemical dependency on alcohol or drugs or by mental illness may report the professional's name and any relevant information to an approved peer assistance program.

(b) A person who is required by law to report an impaired professional to a licensing or disciplinary authority satisfies that requirement if the person reports the professional to an approved peer assistance program. The program shall notify the person making the report and the appropriate licensing or disciplinary authority if the person fails to participate in the program as required by the appropriate licensing or disciplinary authority.

(c) An approved peer assistance program may report in writing to the appropriate licensing or disciplinary authority the name of a
professional who the program knows or suspects is impaired and any relevant information concerning that professional.

(d) A licensing or disciplinary authority that receives a report made under Subsection (c) shall treat the report in the same manner as it treats an initial allegation of misconduct against a professional.

Sec. 467.006. ASSISTANCE TO IMPAIRED PROFESSIONALS. (a) A licensing or disciplinary authority that receives an initial complaint concerning an impaired professional may:

(1) refer the professional to an approved peer assistance program; or

(2) require the professional to participate in or successfully complete a course of treatment or rehabilitation.

(b) A licensing or disciplinary authority that receives a second or subsequent complaint or a report from a peer assistance program concerning an impaired professional may take the action permitted by Subsection (a) in addition to any other action the authority is otherwise authorized to take in disposing of the complaint.

(c) An approved peer assistance program that receives a report or referral under Subsection (a) or (b) or a report under Section 467.005(a) may intervene to assist the impaired professional to obtain and successfully complete a course of treatment and rehabilitation.

Sec. 467.007. CONFIDENTIALITY. (a) Any information, report, or record that an approved peer assistance program or a licensing or disciplinary authority receives, gathers, or maintains under this chapter is confidential. Except as prescribed by Subsection (b) or by Section 467.005(c), a person may not disclose that information, report, or record without written approval of the impaired professional or other interested person. An order entered by a licensing or disciplinary authority may be confidential only if the
licensee subject to the order agrees to the order and there is no previous or pending action, complaint, or investigation concerning the licensee involving malpractice, injury, or harm to any member of the public. It is the intent of the legislature to encourage impaired professionals to seek treatment for their impairments.

(b) Information that is confidential under Subsection (a) may be disclosed:

(1) at a disciplinary hearing before a licensing or disciplinary authority in which the authority considers taking disciplinary action against an impaired professional whom the authority has referred to a peer assistance program under Section 467.006(a) or (b);

(2) at an appeal from a disciplinary action or order imposed by a licensing or disciplinary authority;

(3) to qualified personnel for bona fide research or educational purposes only after information that would identify a person is removed;

(4) to health care personnel to whom an approved peer assistance program or a licensing or disciplinary authority has referred the impaired professional; or

(5) to other health care personnel to the extent necessary to meet a health care emergency.

Sec. 467.0075. CONSENT TO DISCLOSURE. An impaired professional who is reported to a peer assistance program by a third party shall, as a condition of participation in the program, give consent to the program that at a minimum authorizes the program to disclose the impaired professional's failure to successfully complete the program to the appropriate licensing or disciplinary authority.

Added by Acts 1997, 75th Leg., ch. 414, Sec. 2, eff. Sept. 1, 1997.

Sec. 467.008. CIVIL IMMUNITY. (a) A person who in good faith reports information or takes action in connection with a peer assistance program is immune from civil liability for reporting the information or taking the action.
(b) The civil immunity provided by this section shall be liberally construed to accomplish the purposes of this chapter.

(c) The persons entitled to immunity under this section include:

1. an approved peer assistance program;
2. the professional association or licensing or disciplinary authority operating the peer assistance program;
3. a member, employee, or agent of the program, association, or authority;
4. a person who reports or provides information concerning an impaired professional;
5. a professional who supervises or monitors the course of treatment or rehabilitation of an impaired professional; and
6. a person who employs an impaired professional in connection with the professional's rehabilitation, unless the person:
   A. knows or should have known that the professional is incapable of performing the job functions involved; or
   B. fails to take reasonable precautions to monitor the professional's job performance.

(d) A professional association, licensing or disciplinary authority, program, or person acting under this chapter is presumed to have acted in good faith. A person alleging a lack of good faith has the burden of proof on that issue.

(e) The immunity provided by this section is in addition to other immunity provided by law.

CHAPTER 468. PROGRAMS AND INITIATIVES TO PREVENT THE MANUFACTURE AND USE OF METHAMPHETAMINE
SUBCHAPTER A. METHAMPHETAMINE WATCH PROGRAM

Sec. 468.001. DEFINITIONS. In this subchapter:

1. "Department" means the Department of State Health Services.

2. "Program" means the methamphetamine watch program established under this subchapter.

Added by Acts 2005, 79th Leg., Ch. 283 (S.B. 66), Sec. 1, eff. June 15, 2005.
Sec. 468.002. METHAMPHETAMINE WATCH PROGRAM. (a) The department shall implement a methamphetamine watch program to:

(1) inform retailers of the problems associated with the illicit manufacture and use of methamphetamine in this state; and

(2) encourage retailers to limit patron access to products used in the illicit manufacture of methamphetamine, including products containing pseudoephedrine.

(b) The department shall implement the program in consultation with the Department of Public Safety of the State of Texas and other state agencies as necessary. The department shall involve retailers, state and local law enforcement agencies, local governments, and community-based organizations in determining the manner in which to implement the program.

Added by Acts 2005, 79th Leg., Ch. 283 (S.B. 66), Sec. 1, eff. June 15, 2005.

Sec. 468.003. RETAILER PARTICIPATION. (a) Retailer participation in the program is voluntary.

(b) A retailer participating in the program shall make reasonable efforts to deter the theft or improper sale of products used in the illicit manufacture of methamphetamine, including products containing pseudoephedrine, by:

(1) implementing product management practices that deter theft or suspicious purchases of the products, including limiting the quantity of the products on display for purchase, limiting the quantity of the products that may be purchased, and placing the products in high-traffic areas;

(2) placing signs adjacent to the products and at checkout counters to inform patrons of the retailer's participation in the program; and

(3) providing annual personnel training on:

(A) items commonly purchased for use in the illicit manufacture of methamphetamine;

(B) product management practices that deter theft or suspicious purchases of products used in the illicit manufacture of methamphetamine; and

(C) proper responses to observations of theft or suspicious purchases of products used in the illicit manufacture of
methamphetamine.

Added by Acts 2005, 79th Leg., Ch. 283 (S.B. 66), Sec. 1, eff. June 15, 2005.

Sec. 468.004. GOOD FAITH REPORTING; LIMITATION ON LIABILITY. (a) In consultation with the Department of Public Safety of the State of Texas and local law enforcement agencies, the department shall establish guidelines for retailers and retail personnel to follow in making good faith reports of thefts, suspicious purchases, or other transactions involving products used in the illicit manufacture of methamphetamine. The guidelines must be designed to ensure that:

(1) reports are made to law enforcement agencies only under circumstances that are believed to reasonably justify a criminal investigation; and

(2) a person is not encouraged to maintain any record of purchases that are made or other transactions that occur for apparently legitimate purposes.

(b) The department shall involve retailers in determining the manner in which to implement the guidelines established under Subsection (a).

(c) A person is not liable for damages, other than economic damages, from an act relating to the reporting of information made in good faith and in accordance with the guidelines established under this section.

Added by Acts 2005, 79th Leg., Ch. 283 (S.B. 66), Sec. 1, eff. June 15, 2005.

Sec. 468.005. FALSE REPORT; PENALTY. (a) A person commits an offense if the person knowingly makes a report or causes a report to be made to a law enforcement agency of a theft, suspicious purchase, or other transaction involving a product used in the manufacture of methamphetamine and the person knows the report is false.

(b) An offense under this section is a Class C misdemeanor.

Added by Acts 2005, 79th Leg., Ch. 283 (S.B. 66), Sec. 1, eff. June 15, 2005.
SUBCHAPTER B. PREVENTION AND EDUCATION PROGRAMS

Sec. 468.051. PROGRAMS DESIGNED TO HELP STUDENTS. In administering human services programs as required by Section 1001.073, the Department of State Health Services shall:

(1) administer, coordinate, and contract for the delivery of programs designed to prevent the use of methamphetamine among students enrolled in a public or private school in this state; and

(2) provide education to appropriate school personnel and parents of school-age children on identifying and helping children who use methamphetamine or who are exposed to chemicals and other hazardous materials used in the manufacture of methamphetamine.

Added by Acts 2005, 79th Leg., Ch. 283 (S.B. 66), Sec. 1, eff. June 15, 2005.

Sec. 468.052. EDUCATION REGARDING ANHYDROUS AMMONIA. (a) In cooperation with other state agencies, the Office of the Texas State Chemist of the Texas Agricultural Experiment Station shall distribute materials used to educate distributors, farmers, retail dealers, cooperatives, and other appropriate persons regarding:

(1) the use of anhydrous ammonia in the illicit manufacture of methamphetamine; and

(2) practices and equipment that can be used to deter the theft of anhydrous ammonia.

(b) In the materials distributed under this section, the Office of the Texas State Chemist shall encourage local law enforcement and community groups to cooperate in deterring the theft of anhydrous ammonia.

Added by Acts 2005, 79th Leg., Ch. 283 (S.B. 66), Sec. 1, eff. June 15, 2005.

SUBCHAPTER C. DRUG-ENDANGERED CHILD INITIATIVE

Sec. 468.101. DEFINITIONS. In this subchapter:

(1) "Child" means a person under 18 years of age.

(2) "Department" means the Department of Family and HEALTH AND SAFETY CODE
Sec. 468.102. DRUG-ENDANGERED CHILD INITIATIVE. The department shall establish a drug-endangered child initiative aimed at protecting children who are exposed to methamphetamine or to chemicals and other hazardous materials used in the illicit manufacture of methamphetamine.

Added by Acts 2005, 79th Leg., Ch. 283 (S.B. 66), Sec. 1, eff. June 15, 2005.

Sec. 468.103. DUTY TO REPORT; DEPARTMENT RECORDS. (a) To the extent that reporting does not interfere with an ongoing criminal investigation, the Department of Public Safety of the State of Texas and each local law enforcement agency shall report to the department on discovering the presence of a child in a location where methamphetamine is manufactured.

(b) The department shall maintain a record of reports received under this section and shall include in the record information regarding actions taken by the department to ensure the child's safety and well-being.

Added by Acts 2005, 79th Leg., Ch. 283 (S.B. 66), Sec. 1, eff. June 15, 2005.
(1) "Administer" means to directly apply a controlled substance by injection, inhalation, ingestion, or other means to the body of a patient or research subject by:
   (A) a practitioner or an agent of the practitioner in the presence of the practitioner; or
   (B) the patient or research subject at the direction and in the presence of a practitioner.

(2) "Agent" means an authorized person who acts on behalf of or at the direction of a manufacturer, distributor, or dispenser. The term does not include a common or contract carrier, public warehouseman, or employee of a carrier or warehouseman acting in the usual and lawful course of employment.

(3) "Commissioner" means the commissioner of public health or the commissioner's designee.

(4) "Controlled premises" means:
   (A) a place where original or other records or documents required under this chapter are kept or are required to be kept; or
   (B) a place, including a factory, warehouse, other establishment, or conveyance, where a person registered under this chapter may lawfully hold, manufacture, distribute, dispense, administer, possess, or otherwise dispose of a controlled substance or other item governed by this chapter, including a chemical precursor and a chemical laboratory apparatus.

(5) "Controlled substance" means a substance, including a drug, an adulterant, and a dilutant, listed in Schedules I through V or Penalty Groups 1, 1-A, or 2 through 4. The term includes the aggregate weight of any mixture, solution, or other substance containing a controlled substance.

(6) "Controlled substance analogue" means:
   (A) a substance with a chemical structure substantially similar to the chemical structure of a controlled substance in Schedule I or II or Penalty Group 1, 1-A, or 2; or
   (B) a substance specifically designed to produce an effect substantially similar to, or greater than, the effect of a controlled substance in Schedule I or II or Penalty Group 1, 1-A, or 2.

(7) "Counterfeit substance" means a controlled substance that, without authorization, bears or is in a container or has a label that bears an actual or simulated trademark, trade name, or
other identifying mark, imprint, number, or device of a manufacturer, distributor, or dispenser other than the person who in fact manufactured, distributed, or dispensed the substance.

(8) "Deliver" means to transfer, actually or constructively, to another a controlled substance, counterfeit substance, or drug paraphernalia, regardless of whether there is an agency relationship. The term includes offering to sell a controlled substance, counterfeit substance, or drug paraphernalia.

(9) "Delivery" or "drug transaction" means the act of delivering.

(10) "Designated agent" means an individual designated under Section 481.073 to communicate a practitioner's instructions to a pharmacist.

(11) "Director" means the director of the Department of Public Safety or an employee of the department designated by the director.

(12) "Dispense" means the delivery of a controlled substance in the course of professional practice or research, by a practitioner or person acting under the lawful order of a practitioner, to an ultimate user or research subject. The term includes the prescribing, administering, packaging, labeling, or compounding necessary to prepare the substance for delivery.

(13) "Dispenser" means a practitioner, institutional practitioner, pharmacist, or pharmacy that dispenses a controlled substance.

(14) "Distribute" means to deliver a controlled substance other than by administering or dispensing the substance.

(15) "Distributor" means a person who distributes.

(16) "Drug" means a substance, other than a device or a component, part, or accessory of a device, that is:
   (A) recognized as a drug in the official United States Pharmacopoeia, official Homeopathic Pharmacopoeia of the United States, official National Formulary, or a supplement to either pharmacopoeia or the formulary;
   (B) intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in man or animals;
   (C) intended to affect the structure or function of the body of man or animals but is not food; or
   (D) intended for use as a component of a substance described by Paragraph (A), (B), or (C).
(17) "Drug paraphernalia" means equipment, a product, or material that is used or intended for use in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, or concealing a controlled substance in violation of this chapter or in injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance in violation of this chapter. The term includes:

(A) a kit used or intended for use in planting, propagating, cultivating, growing, or harvesting a species of plant that is a controlled substance or from which a controlled substance may be derived;

(B) a material, compound, mixture, preparation, or kit used or intended for use in manufacturing, compounding, converting, producing, processing, or preparing a controlled substance;

(C) an isomerization device used or intended for use in increasing the potency of a species of plant that is a controlled substance;

(D) testing equipment used or intended for use in identifying or in analyzing the strength, effectiveness, or purity of a controlled substance;

(E) a scale or balance used or intended for use in weighing or measuring a controlled substance;

(F) a dilutant or adulterant, such as quinine hydrochloride, mannitol, inositol, nicotinamide, dextrose, lactose, or absorbent, blotter-type material, that is used or intended to be used to increase the amount or weight of or to transfer a controlled substance regardless of whether the dilutant or adulterant diminishes the efficacy of the controlled substance;

(G) a separation gin or sifter used or intended for use in removing twigs and seeds from or in otherwise cleaning or refining marihuana;

(H) a blender, bowl, container, spoon, or mixing device used or intended for use in compounding a controlled substance;

(I) a capsule, balloon, envelope, or other container used or intended for use in packaging small quantities of a controlled substance;

(J) a container or other object used or intended for use in storing or concealing a controlled substance;
(K) a hypodermic syringe, needle, or other object used or intended for use in parenterally injecting a controlled substance into the human body; and

(L) an object used or intended for use in ingesting, inhaling, or otherwise introducing marihuana, cocaine, hashish, or hashish oil into the human body, including:

(i) a metal, wooden, acrylic, glass, stone, plastic, or ceramic pipe with or without a screen, permanent screen, hashish head, or punctured metal bowl;
(ii) a water pipe;
(iii) a carburetion tube or device;
(iv) a smoking or carburetion mask;
(v) a chamber pipe;
(vi) a carburetor pipe;
(vii) an electric pipe;
(viii) an air-driven pipe;
(ix) a chillum;
(x) a bong; or
(xi) an ice pipe or chiller.

(19) "Federal Drug Enforcement Administration" means the Drug Enforcement Administration of the United States Department of Justice or its successor agency.

(20) "Hospital" means:

(A) a general or special hospital as defined by Section 241.003;

(B) an ambulatory surgical center licensed under Chapter 243 and approved by the federal government to perform surgery paid by Medicaid on patients admitted for a period of not more than 24 hours; or

(C) a freestanding emergency medical care facility licensed under Chapter 254.

(21) "Human consumption" means the injection, inhalation, ingestion, or application of a substance to or into a human body.

(22) "Immediate precursor" means a substance the director finds to be and by rule designates as being:

(A) a principal compound commonly used or produced primarily for use in the manufacture of a controlled substance;
(B) a substance that is an immediate chemical intermediary used or likely to be used in the manufacture of a controlled substance; and

(C) a substance the control of which is necessary to prevent, curtail, or limit the manufacture of a controlled substance.

(23) "Institutional practitioner" means an intern, resident physician, fellow, or person in an equivalent professional position who:

(A) is not licensed by the appropriate state professional licensing board;

(B) is enrolled in a bona fide professional training program in a base hospital or institutional training facility registered by the Federal Drug Enforcement Administration; and

(C) is authorized by the base hospital or institutional training facility to administer, dispense, or prescribe controlled substances.

(24) "Lawful possession" means the possession of a controlled substance that has been obtained in accordance with state or federal law.

(25) "Manufacture" means the production, preparation, propagation, compounding, conversion, or processing of a controlled substance other than marihuana, directly or indirectly by extraction from substances of natural origin, independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis, and includes the packaging or repackaging of the substance or labeling or relabeling of its container. However, the term does not include the preparation, compounding, packaging, or labeling of a controlled substance:

(A) by a practitioner as an incident to the practitioner's administering or dispensing a controlled substance in the course of professional practice; or

(B) by a practitioner, or by an authorized agent under the supervision of the practitioner, for or as an incident to research, teaching, or chemical analysis and not for delivery.

(26) "Marihuana" means the plant Cannabis sativa L., whether growing or not, the seeds of that plant, and every compound, manufacture, salt, derivative, mixture, or preparation of that plant or its seeds. The term does not include:

(A) the resin extracted from a part of the plant or a compound, manufacture, salt, derivative, mixture, or preparation of
the resin;

(B) the mature stalks of the plant or fiber produced from the stalks;

(C) oil or cake made from the seeds of the plant;

(D) a compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks, fiber, oil, or cake; or

(E) the sterilized seeds of the plant that are incapable of beginning germination.

(27) "Medical purpose" means the use of a controlled substance for relieving or curing a mental or physical disease or infirmity.

(28) "Medication order" means an order from a practitioner to dispense a drug to a patient in a hospital for immediate administration while the patient is in the hospital or for emergency use on the patient's release from the hospital.

(29) "Narcotic drug" means any of the following, produced directly or indirectly by extraction from substances of vegetable origin, independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis:

(A) opium and opiates, and a salt, compound, derivative, or preparation of opium or opiates;

(B) a salt, compound, isomer, derivative, or preparation of a salt, compound, isomer, or derivative that is chemically equivalent or identical to a substance listed in Paragraph (A) other than the isoquinoline alkaloids of opium;

(C) opium poppy and poppy straw; or

(D) cocaine, including:

(i) its salts, its optical, position, or geometric isomers, and the salts of those isomers;

(ii) coca leaves and a salt, compound, derivative, or preparation of coca leaves; and

(iii) a salt, compound, derivative, or preparation of a salt, compound, derivative that is chemically equivalent or identical to a substance described by Subparagraph (i) or (ii), other than decocainized coca leaves or extractions of coca leaves that do not contain cocaine or ecgonine.

(30) "Opiate" means a substance that has an addiction-forming or addiction-sustaining liability similar to morphine or is capable of conversion into a drug having addiction-forming or addiction-sustaining liability. The term includes its racemic and
levorotatory forms. The term does not include, unless specifically designated as controlled under Subchapter B, the dextrorotatory isomer of 3-methoxy-n-methylmorphinan and its salts (dextromethorphan).

(31) "Opium poppy" means the plant of the species Papaver somniferum L., other than its seeds.

(32) "Patient" means a human for whom or an animal for which a drug:

(A) is administered, dispensed, delivered, or prescribed by a practitioner; or

(B) is intended to be administered, dispensed, delivered, or prescribed by a practitioner.

(33) "Person" means an individual, corporation, government, business trust, estate, trust, partnership, association, or any other legal entity.

(34) "Pharmacist" means a person licensed by the Texas State Board of Pharmacy to practice pharmacy and who acts as an agent for a pharmacy.

(35) "Pharmacist-in-charge" means the pharmacist designated on a pharmacy license as the pharmacist who has the authority or responsibility for the pharmacy's compliance with this chapter and other laws relating to pharmacy.

(36) "Pharmacy" means a facility licensed by the Texas State Board of Pharmacy where a prescription for a controlled substance is received or processed in accordance with state or federal law.

(37) "Poppy straw" means all parts, other than the seeds, of the opium poppy, after mowing.

(38) "Possession" means actual care, custody, control, or management.

(39) "Practitioner" means:

(A) a physician, dentist, veterinarian, podiatrist, scientific investigator, or other person licensed, registered, or otherwise permitted to distribute, dispense, analyze, conduct research with respect to, or administer a controlled substance in the course of professional practice or research in this state;

(B) a pharmacy, hospital, or other institution licensed, registered, or otherwise permitted to distribute, dispense, conduct research with respect to, or administer a controlled substance in the course of professional practice or research in this state.
(C) a person practicing in and licensed by another state as a physician, dentist, veterinarian, or podiatrist, having a current Federal Drug Enforcement Administration registration number, who may legally prescribe Schedule II, III, IV, or V controlled substances in that state; or

(D) an advanced practice registered nurse or physician assistant to whom a physician has delegated the authority to prescribe or order a drug or device under Section 157.0511, 157.0512, or 157.054, Occupations Code.

(40) "Prescribe" means the act of a practitioner to authorize a controlled substance to be dispensed to an ultimate user.

(41) "Prescription" means an order by a practitioner to a pharmacist for a controlled substance for a particular patient that specifies:

(A) the date of issue;

(B) the name and address of the patient or, if the controlled substance is prescribed for an animal, the species of the animal and the name and address of its owner;

(C) the name and quantity of the controlled substance prescribed with the quantity shown numerically followed by the number written as a word if the order is written or, if the order is communicated orally or telephonically, with the quantity given by the practitioner and transcribed by the pharmacist numerically;

(D) directions for the use of the drug;

(E) the intended use of the drug unless the practitioner determines the furnishing of this information is not in the best interest of the patient; and

(F) the legibly printed or stamped name, address, Federal Drug Enforcement Administration registration number, and telephone number of the practitioner at the practitioner's usual place of business.

(42) "Principal place of business" means a location where a person manufactures, distributes, dispenses, analyzes, or possesses a controlled substance. The term does not include a location where a practitioner dispenses a controlled substance on an outpatient basis unless the controlled substance is stored at that location.

(43) "Production" includes the manufacturing, planting, cultivating, growing, or harvesting of a controlled substance.

(44) "Raw material" means a compound, material, substance,
or equipment used or intended for use, alone or in any combination, in manufacturing a controlled substance.

(45) "Registrant" means a person who is registered under Section 481.063.

(46) "Substitution" means the dispensing of a drug or a brand of drug other than that which is ordered or prescribed.

(47) "Official prescription form" means a prescription form that contains the prescription information required by Section 481.075.

(48) "Ultimate user" means a person who has lawfully obtained and possesses a controlled substance for the person's own use, for the use of a member of the person's household, or for administering to an animal owned by the person or by a member of the person's household.

(49) "Adulterant or dilutant" means any material that increases the bulk or quantity of a controlled substance, regardless of its effect on the chemical activity of the controlled substance.

(50) "Abuse unit" means:

(A) except as provided by Paragraph (B):

   (i) a single unit on or in any adulterant, dilutant, or similar carrier medium, including marked or perforated blotter paper, a tablet, gelatin wafer, sugar cube, or stamp, or other medium that contains any amount of a controlled substance listed in Penalty Group 1-A, if the unit is commonly used in abuse of that substance; or

   (ii) each quarter-inch square section of paper, if the adulterant, dilutant, or carrier medium is paper not marked or perforated into individual abuse units; or

(B) if the controlled substance is in liquid form, 40 micrograms of the controlled substance including any adulterant or dilutant.

(51) "Chemical precursor" means:

(A) Methylamine;
(B) Ethylamine;
(C) D-lysergic acid;
(D) Ergotamine tartrate;
(E) Diethyl malonate;
(F) Malonic acid;
(G) Ethyl malonate;
(H) Barbituric acid;
Piperidine;
N-acetylanthranilic acid;
Pyrrolidine;
Phenylacetic acid;
Anthranilic acid;
Ephedrine;
Pseudoephedrine;
Norpseudoephedrine; or
Phenylpropanolamine.

(52) "Department" means the Department of Public Safety.

(53) "Chemical laboratory apparatus" means any item of equipment designed, made, or adapted to manufacture a controlled substance or a controlled substance analogue, including:

(A) a condenser;
(B) a distilling apparatus;
(C) a vacuum drier;
(D) a three-neck or distilling flask;
(E) a tableting machine;
(F) an encapsulating machine;
(G) a filter, Buchner, or separatory funnel;
(H) an Erlenmeyer, two-neck, or single-neck flask;
(I) a round-bottom, Florence, thermometer, or filtering flask;
(J) a Soxhlet extractor;
(K) a transformer;
(L) a flask heater;
(M) a heating mantel; or
(N) an adaptor tube.

(54) "Health information exchange" means an organization that:

(A) assists in the transmission or receipt of health-related information among organizations transmitting or receiving the information according to nationally recognized standards and under an express written agreement;

(B) as a primary business function, compiles or organizes health-related information that is designed to be securely transmitted by the organization among physicians, health care providers, or entities within a region, state, community, or hospital system; or

(C) assists in the transmission or receipt of
electronic health-related information among physicians, health care
providers, or entities within:

(i) a hospital system;
(ii) a physician organization;
(iii) a health care collaborative, as defined by Section 848.001, Insurance Code;
(iv) an accountable care organization participating in the Pioneer Model under the initiative by the Innovation Center of the Centers for Medicare and Medicaid Services; or
(v) an accountable care organization participating in the Medicare shared savings program under 42 U.S.C. Section 1395jjj.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 418 (S.B. 406), Sec. 23, eff. November 1, 2013.
Acts 2013, 83rd Leg., R.S., Ch. 1226 (S.B. 1643), Sec. 1, eff. September 1, 2013.

Sec. 481.003. RULES. (a) The director may adopt rules to administer and enforce this chapter.

(b) The director by rule shall prohibit a person in this state, including a person regulated by the Texas Department of Insurance under the Insurance Code or the other insurance laws of this state, from using a practitioner's Federal Drug Enforcement Administration number for a purpose other than a purpose described by federal law or by this chapter. A person who violates a rule adopted under this subsection commits a Class C misdemeanor.
SUBCHAPTER B. SCHEDULES

Sec. 481.031. NOMENCLATURE. Controlled substances listed in Schedules I through V and Penalty Groups 1 through 4 are included by whatever official, common, usual, chemical, or trade name they may be designated.

Sec. 481.032. SCHEDULES. (a) The commissioner shall establish and modify the following schedules of controlled substances under this subchapter: Schedule I, Schedule II, Schedule III, Schedule IV, and Schedule V.

(b) A reference to a schedule in this chapter means the most current version of the schedule established or altered by the commissioner under this subchapter and published in the Texas Register on or after January 1, 1998.

Sec. 481.033. EXCLUSION FROM SCHEDULES AND APPLICATION OF ACT.

(a) A nonnarcotic substance is excluded from Schedules I through V if the substance may lawfully be sold over the counter without a prescription, under the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.).

(b) The commissioner may not include in the schedules:
   (1) a substance described by Subsection (a); or
   (2) distilled spirits, wine, malt beverages, or tobacco.

(c) A compound, mixture, or preparation containing a stimulant substance listed in Schedule II and having a potential for abuse associated with a stimulant effect on the central nervous system is excepted from the application of this chapter if the compound, mixture, or preparation contains one or more active medicinal
ingredients not having a stimulant effect on the central nervous system and if the admixtures are included in combinations, quantity, proportions, or concentrations that vitiate the potential for abuse of the substance having a stimulant effect on the central nervous system.

(d) A compound, mixture, or preparation containing a depressant substance listed in Schedule III or IV and having a potential for abuse associated with a depressant effect on the central nervous system is excepted from the application of this chapter if the compound, mixture, or preparation contains one or more active medicinal ingredients not having a depressant effect on the central nervous system and if the admixtures are included in combinations, quantity, proportions, or concentrations that vitiate the potential for abuse of the substance having a depressant effect on the central nervous system.

(e) A nonnarcotic prescription substance is exempted from Schedules I through V and the application of this chapter to the same extent that the substance has been exempted from the application of the Federal Controlled Substances Act, if the substance is listed as an exempt prescription product under 21 C.F.R. Section 1308.32 and its subsequent amendments.

(f) A chemical substance that is intended for laboratory, industrial, educational, or special research purposes and not for general administration to a human being or other animal is exempted from Schedules I through V and the application of this chapter to the same extent that the substance has been exempted from the application of the Federal Controlled Substances Act, if the substance is listed as an exempt chemical preparation under 21 C.F.R. Section 1308.24 and its subsequent amendments.

(g) An anabolic steroid product, which has no significant potential for abuse due to concentration, preparation, mixture, or delivery system, is exempted from Schedules I through V and the application of this chapter to the same extent that the substance has been exempted from the application of the Federal Controlled Substances Act, if the substance is listed as an exempt anabolic steroid product under 21 C.F.R. Section 1308.34 and its subsequent amendments.

Sec. 481.034. ESTABLISHMENT AND MODIFICATION OF SCHEDULES BY COMMISSIONER. (a) The commissioner shall annually establish the schedules of controlled substances. These annual schedules shall include the complete list of all controlled substances from the previous schedules and modifications in the federal schedules of controlled substances as required by Subsection (g). Any further additions to and deletions from these schedules, any rescheduling of substances and any other modifications made by the commissioner to these schedules of controlled substances shall be made:

(1) in accordance with Section 481.035;
(2) in a manner consistent with this subchapter; and
(3) with approval of the Texas Board of Health.

(b) Except for alterations in schedules required by Subsection (g), the commissioner may not make an alteration in a schedule unless the commissioner holds a public hearing on the matter in Austin and obtains approval from the Texas Board of Health.

(c) The commissioner may not:

(1) add a substance to the schedules if the substance has been deleted from the schedules by the legislature;
(2) delete a substance from the schedules if the substance has been added to the schedules by the legislature; or
(3) reschedule a substance if the substance has been placed in a schedule by the legislature.

(d) In making a determination regarding a substance, the commissioner shall consider:

(1) the actual or relative potential for its abuse;
(2) the scientific evidence of its pharmacological effect, if known;
(3) the state of current scientific knowledge regarding the substance;
(4) the history and current pattern of its abuse;
(5) the scope, duration, and significance of its abuse;
(6) the risk to the public health;
(7) the potential of the substance to produce psychological or physiological dependence liability; and
(8) whether the substance is a controlled substance
analogue, chemical precursor, or an immediate precursor of a substance controlled under this chapter.

(e) After considering the factors listed in Subsection (d), the commissioner shall make findings with respect to those factors and adopt a rule controlling the substance if the commissioner finds the substance has a potential for abuse.

(f) Repealed by Acts 2003, 78th Leg., ch. 1099, Sec. 17.

(g) Except as otherwise provided by this subsection, if a substance is designated, rescheduled, or deleted as a controlled substance under federal law and notice of that fact is given to the commissioner, the commissioner similarly shall control the substance under this chapter. After the expiration of a 30-day period beginning on the day after the date of publication in the Federal Register of a final order designating a substance as a controlled substance or rescheduling or deleting a substance, the commissioner similarly shall designate, reschedule, or delete the substance, unless the commissioner objects during the period. If the commissioner objects, the commissioner shall publish the reasons for the objection and give all interested parties an opportunity to be heard. At the conclusion of the hearing, the commissioner shall publish a decision, which is final unless altered by statute. On publication of an objection by the commissioner, control as to that particular substance under this chapter is stayed until the commissioner publishes the commissioner's decision.

(h) Not later than the 10th day after the date on which the commissioner designates, deletes, or reschedules a substance under Subsection (a), the commissioner shall give written notice of that action to the director and to each state licensing agency having jurisdiction over practitioners.

Sec. 481.035. FINDINGS. (a) The commissioner shall place a substance in Schedule I if the commissioner finds that the substance:

(1) has a high potential for abuse; and
(2) has no accepted medical use in treatment in the United
States or lacks accepted safety for use in treatment under medical supervision.

(b) The commissioner shall place a substance in Schedule II if the commissioner finds that:

(1) the substance has a high potential for abuse;
(2) the substance has currently accepted medical use in treatment in the United States; and
(3) abuse of the substance may lead to severe psychological or physical dependence.

(c) The commissioner shall place a substance in Schedule III if the commissioner finds that:

(1) the substance has a potential for abuse less than that of the substances listed in Schedules I and II;
(2) the substance has currently accepted medical use in treatment in the United States; and
(3) abuse of the substance may lead to moderate or low physical dependence or high psychological dependence.

(d) The commissioner shall place a substance in Schedule IV if the commissioner finds that:

(1) the substance has a lower potential for abuse than that of the substances listed in Schedule III;
(2) the substance has currently accepted medical use in treatment in the United States; and
(3) abuse of the substance may lead to a more limited physical or psychological dependence than that of the substances listed in Schedule III.

(e) The commissioner shall place a substance in Schedule V if the commissioner finds that the substance:

(1) has a lower potential for abuse than that of the substances listed in Schedule IV;
(2) has currently accepted medical use in treatment in the United States; and
(3) may lead to a more limited physical or psychological dependence liability than that of the substances listed in Schedule IV.

Sec. 481.036. PUBLICATION OF SCHEDULES. (a) The commissioner shall publish the schedules by filing a certified copy of the schedules with the secretary of state for publication in the Texas Register not later than the fifth working day after the date the commissioner takes action under this subchapter.

(b) Each published schedule must show changes, if any, made in the schedule since its latest publication.

(c) An action by the commissioner that establishes or modifies a schedule under this subchapter may take effect not earlier than the 21st day after the date on which the schedule or modification is published in the Texas Register unless an emergency exists that necessitates earlier action to avoid an imminent hazard to the public safety.

Sec. 481.037. CARISOPRODOL. Schedule IV includes carisoprodol.

Added by Acts 2009, 81st Leg., R.S., Ch. 774 (S.B. 904), Sec. 4, eff. June 19, 2009.

SUBCHAPTER C. REGULATION OF MANUFACTURE, DISTRIBUTION, AND DISPENSATION OF CONTROLLED SUBSTANCES, CHEMICAL PRECURSORS, AND CHEMICAL LABORATORY APPARATUS

Sec. 481.061. REGISTRATION REQUIRED. (a) Except as otherwise provided by this chapter, a person who is not a registrant may not manufacture, distribute, prescribe, possess, analyze, or dispense a controlled substance in this state.

(b) A person who is registered by the director to manufacture, distribute, analyze, dispense, or conduct research with a controlled substance may possess, manufacture, distribute, analyze, dispense, or conduct research with that substance to the extent authorized by the person's registration and in conformity with this chapter.

(c) A separate registration is required at each principal place of business or professional practice where the applicant manufactures, distributes, analyzes, dispenses, or possesses a controlled substance, except that the director may not require
separate registration for:

(1) a physician licensed under Subtitle B, Title 3, Occupations Code; or

(2) a practitioner engaged in research with a nonnarcotic controlled substance listed in Schedules II through V if the registrant is already registered under this subchapter in another capacity.

(d) A person shall provide the department with the person's Federal Drug Enforcement Administration number not later than the 45th day after the director issues a registration to the person under this subchapter.

Acts 2011, 82nd Leg., R.S., Ch. 1228 (S.B. 594), Sec. 1, eff. September 1, 2011.

Acts 2011, 82nd Leg., R.S., Ch. 1342 (S.B. 1273), Sec. 1, eff. September 1, 2011.

Acts 2013, 83rd Leg., R.S., Ch. 956 (H.B. 1803), Sec. 1, eff. January 1, 2014.

Sec. 481.062. EXEMPTIONS. (a) The following persons are not required to register and may possess a controlled substance under this chapter:

(1) an agent or employee of a registered manufacturer, distributor, analyzer, or dispenser of the controlled substance acting in the usual course of business or employment;

(2) a common or contract carrier, a warehouseman, or an employee of a carrier or warehouseman whose possession of the controlled substance is in the usual course of business or employment;

(3) an ultimate user or a person in possession of the controlled substance under a lawful order of a practitioner or in lawful possession of the controlled substance if it is listed in Schedule V;

(4) an officer or employee of this state, another state, a political subdivision of this state or another state, or the United States who is lawfully engaged in the enforcement of a law relating
to a controlled substance or drug or to a customs law and authorized to possess the controlled substance in the discharge of the person's official duties; or

(5) if the substance is tetrahydrocannabinol or one of its derivatives:
   (A) a Texas Department of Health official, a medical school researcher, or a research program participant possessing the substance as authorized under Subchapter G; or
   (B) a practitioner or an ultimate user possessing the substance as a participant in a federally approved therapeutic research program that the commissioner has reviewed and found, in writing, to contain a medically responsible research protocol.

(b) The director by rule may waive the requirement for registration of certain manufacturers, distributors, or dispensers if the director finds it consistent with the public health and safety and if the attorney general of the United States has issued a similar waiver under the Federal Controlled Substances Act.

Sec. 481.0621. EXCEPTIONS. (a) This subchapter does not apply to an educational or research program of a school district or a public or private institution of higher education. This subchapter does not apply to a manufacturer, wholesaler, retailer, or other person who sells, transfers, or furnishes materials covered by this subchapter to those educational or research programs.

(b) The department and the Texas Higher Education Coordinating Board shall adopt a memorandum of understanding that establishes the responsibilities of the board, the department, and the public or private institutions of higher education in implementing and maintaining a program for reporting information concerning controlled substances, controlled substance analogues, chemical precursors, and chemical laboratory apparatus used in educational or research activities of institutions of higher education.

(c) The department and the Texas Education Agency shall adopt a memorandum of understanding that establishes the responsibilities of
the agency, the department, and school districts in implementing and maintaining a program for reporting information concerning controlled substances, controlled substance analogues, chemical precursors, and chemical laboratory apparatus used in educational or research activities of those schools and school districts.

Sec. 481.063. REGISTRATION APPLICATION; ISSUANCE OR DENIAL. (a) The director may refuse to issue a registration to a person to manufacture, distribute, analyze, or conduct research with a controlled substance if the person fails or refuses to provide to the director a consent form signed by the person granting the director the right to inspect the person's controlled premises and any record, controlled substance, or other item covered by this chapter.

(b) The director may not issue a registration to a person to dispense a controlled substance unless the director receives a consent form signed by the person granting the director the right to inspect records as required by this chapter.

(c) The director shall register a person to manufacture, distribute, or analyze a controlled substance listed in Schedules II through V if:

(1) the person furnishes the director evidence that the person is registered for that purpose under the Federal Controlled Substances Act;

(2) the person has made proper application and paid the applicable fee; and

(3) the person has not been found by the director to have violated a provision of Subsection (e).

(d) The director shall register a person to dispense or conduct research with a controlled substance listed in Schedules II through V if the person:

(1) is a practitioner licensed under the laws of this state;

(2) has made proper application and paid the applicable fee; and
(3) has not been found by the director to have violated a provision of Subsection (e).

(e) An application for registration to manufacture, distribute, analyze, dispense, or conduct research with a controlled substance may be denied on a finding that the applicant:

(1) has furnished material information in an application filed under this chapter that the applicant knows is false or fraudulent;

(2) has been convicted of or placed on community supervision or other probation for:
   (A) a felony;
   (B) a violation of this chapter or of Chapters 482-485; or
   (C) an offense reasonably related to the registration sought;

(3) has voluntarily surrendered or has had suspended, denied, or revoked a registration or application for registration to manufacture, distribute, analyze, or dispense controlled substances under the Federal Controlled Substances Act;

(4) has had suspended, probated, or revoked a registration or a practitioner's license under the laws of this state or another state;

(5) has intentionally or knowingly failed to establish and maintain effective security controls against diversion of controlled substances into other than legitimate medical, scientific, or industrial channels as provided by federal regulations or laws, this chapter, or a rule adopted under this chapter;

(6) has intentionally or knowingly failed to maintain records required to be kept by this chapter or a rule adopted under this chapter;

(7) has refused to allow an inspection authorized by this chapter or a rule adopted under this chapter;

(8) has intentionally or knowingly violated this chapter or a rule adopted under this chapter; or

(9) has voluntarily surrendered a registration that has not been reinstated.

(f) The director may inspect the premises or establishment of an applicant for registration in accordance with this chapter.

(g) Except as otherwise provided by Section 481.0645 for a physician licensed under Subtitle B, Title 3, Occupations Code, a
registration is valid until the first anniversary of the date of issuance and may be renewed annually under rules adopted by the director, unless a rule provides for a longer period of validity or renewal.

(h) Chapter 2001, Government Code, does not apply to a denial of a registration under Subsection (e)(2)(A) or (B), (e)(3), (e)(4), or (e)(9).

(i) For good cause shown, the director may probate the denial of an application for registration. If a denial of an application is probated, the director may require the person to report regularly to the department on matters that are the basis of the probation or may limit activities of the person to those prescribed by the director, or both.

Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 956 (H.B. 1803), Sec. 2, eff. January 1, 2014.

Sec. 481.064. REGISTRATION FEES. (a) Except as otherwise provided by Section 481.0645 for a physician licensed under Subtitle B, Title 3, Occupations Code, the director may charge a nonrefundable fee of not more than $25 before processing an application for annual registration and may charge a late fee of not more than $50 for each application for renewal the department receives after the date the registration expires. The director by rule shall set the amounts of the fees at the amounts that are necessary to cover the cost of administering and enforcing this subchapter. Except as provided by Subsection (b) or Section 156.004, Occupations Code, registrants shall pay the fees to the director. Not later than 60 days before the date the registration expires, the director shall send a renewal notice to the registrant at the last known address of the registrant according to department records, unless the registrant is a physician to whom notice of expiration is provided under Section 156.004,
Occupations Code.

(a-1) Notwithstanding Subsection (a), the director shall continue to send renewal notices to registrants who are physicians. This subsection expires January 1, 2016.

(b) The director may authorize a contract between the department and an appropriate state agency for the collection and remittance of the fees. The director by rule may provide for remittance of the fees collected by state agencies for the department.

(c) The director shall deposit the collected fees to the credit of the operator's and chauffeur's license account in the general revenue fund. The fees may be used only by the department in the administration or enforcement of this subchapter.

Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 1, eff. September 1, 2007.

Acts 2013, 83rd Leg., R.S., Ch. 956 (H.B. 1803), Sec. 3, eff. January 1, 2014.

Sec. 481.0645. REGISTRATION, RENEWAL, AND FEES FOR PHYSICIANS. (a) The registration under this chapter of a physician licensed under Subtitle B, Title 3, Occupations Code, is valid for a period of not less than two years and expires on the same date the physician's registration permit issued by the Texas Medical Board under Chapter 156, Occupations Code, expires.

(a-1) Notwithstanding Subsection (a), a registration of a physician licensed under Subtitle B, Title 3, Occupations Code, that is in effect on January 1, 2014, expires on the date on which the physician's registration permit issued by the Texas Medical Board under Chapter 156, Occupations Code, expires. This subsection expires January 1, 2017.

(b) The director may charge a physician registered under this section a nonrefundable registration fee of not more than $50 and a late fee for each application submitted after the expiration of the grace period described by Section 156.004(b), Occupations Code.
(c) A physician may request the renewal of the physician's registration under this chapter by remitting the information required under Section 481.063 and the fee required under Subsection (b) to the Texas Medical Board. The Texas Medical Board must allow a physician to submit the information and pay the fee electronically.

(d) A physician requesting renewal under this section must meet all eligibility requirements under Section 481.063(e).

(e) The director shall adopt any rules necessary to administer this section. The director shall coordinate with the Texas Medical Board in the adoption of rules necessary under this section to prevent any conflicts between rules adopted by the agencies and to ensure that administrative burden to physicians is minimized.

Added by Acts 2013, 83rd Leg., R.S., Ch. 956 (H.B. 1803), Sec. 4, eff. January 1, 2014.

Sec. 481.065. AUTHORIZATION FOR CERTAIN ACTIVITIES. (a) The director may authorize the possession, distribution, planting, and cultivation of controlled substances by a person engaged in research, training animals to detect controlled substances, or designing or calibrating devices to detect controlled substances. A person who obtains an authorization under this subsection does not commit an offense involving the possession or distribution of controlled substances to the extent that the possession or distribution is authorized.

(b) A person may conduct research with or analyze substances listed in Schedule I in this state only if the person is a practitioner registered under federal law to conduct research with or analyze those substances and the person provides the director with evidence of federal registration.

Sec. 481.066. VOLUNTARY SURRENDER, CANCELLATION, SUSPENSION, PROBATION, OR REVOCATION OF REGISTRATION. (a) The director may accept a voluntary surrender of a registration.

(b) The director may cancel, suspend, or revoke a registration, place on probation a person whose license has been suspended, or reprimand a registrant for a cause described by Section 481.063(e).
(c) The director may cancel a registration that was issued in error.

(d) The director may limit the cancellation, suspension, probation, or revocation to the particular schedule or controlled substance within a schedule for which grounds for cancellation, suspension, probation, or revocation exist.

(e) After accepting the voluntary surrender of a registration or ordering the cancellation, suspension, probation, or revocation of a registration, the director may seize or place under seal all controlled substances owned or possessed by the registrant under the authority of that registration. If the director orders the cancellation, suspension, probation, or revocation of a registration, a disposition may not be made of the seized or sealed substances until the time for administrative appeal of the order has elapsed or until all appeals have been concluded, except that the director may order the sale of perishable substances and deposit of the proceeds of the sale in a special interest-bearing account in the general revenue fund. When a surrender or cancellation, suspension, probation, or revocation order becomes final, all controlled substances may be forfeited to the state as provided under Subchapter E.

(f) The operation of a registrant in violation of this section is a public nuisance, and the director may apply to any court of competent jurisdiction for an injunction suspending the registration of the registrant.

(g) Chapter 2001, Government Code, applies to a proceeding under this section to the extent that that chapter does not conflict with this subchapter. Chapter 2001, Government Code, does not apply to a cancellation, suspension, probation, or revocation of a registration for a cause described by Section 481.063(e)(2)(A) or (B), (e)(3), (e)(4), or (e)(9).

(h) The director shall promptly notify appropriate state agencies of an order accepting a voluntary surrender or canceling, suspending, probating, or revoking a registration and the forfeiture of controlled substances.

(i) The director shall give written notice to the applicant or registrant of the acceptance of a voluntary surrender of a registration, or of the cancellation, suspension, probation, revocation, or denial of a registration. The notice shall be sent by certified mail, return receipt requested, to the most current address.
of the applicant or registrant contained in department files.

(j) After a voluntary surrender, cancellation, suspension, probation, revocation, or denial of a registration, on petition of the applicant or former registrant, the director may issue or reinstate the registration for good cause shown by the petitioner.

Sec. 481.067. RECORDS. (a) A person who is registered to manufacture, distribute, analyze, or dispense a controlled substance shall keep records and maintain inventories in compliance with recordkeeping and inventory requirements of federal law and with additional rules the director adopts.

(b) The pharmacist-in-charge of a pharmacy shall maintain the records and inventories required by this section.

(c) A record required by this section must be made at the time of the transaction that is the basis of the record. A record or inventory required by this section must be kept or maintained for at least two years after the date the record or inventory is made.

Sec. 481.068. CONFIDENTIALITY. (a) The director may authorize a person engaged in research on the use and effects of a controlled substance to withhold the names and other identifying characteristics of individuals who are the subjects of the research. A person who obtains the authorization may not be compelled in a civil, criminal, administrative, legislative, or other proceeding to identify the individuals who are the subjects of the research for which the authorization is obtained.

(b) Except as provided by Sections 481.074 and 481.075, a practitioner engaged in authorized medical practice or research may not be required to furnish the name or identity of a patient or research subject to the department, the director of the Texas Commission on Alcohol and Drug Abuse, or any other agency, public official, or law enforcement officer. A practitioner may not be
compelled in a state or local civil, criminal, administrative, legislative, or other proceeding to furnish the name or identity of an individual that the practitioner is obligated to keep confidential.

(c) The director may not provide to a federal, state, or local law enforcement agency the name or identity of a patient or research subject whose identity could not be obtained under Subsection (b).

Sec. 481.069. ORDER FORMS. A registrant may not distribute or order a controlled substance listed in Schedule I or II to or from another registrant except under an order form. A registrant complying with the federal law concerning order forms is in compliance with this section.

Sec. 481.070. ADMINISTERING OR DISPENSING SCHEDULE I CONTROLLED SUBSTANCE. Except as permitted by this chapter, a person may not administer or dispense a controlled substance listed in Schedule I.

Sec. 481.071. MEDICAL PURPOSE REQUIRED BEFORE PRESCRIBING, DISPENSING, DELIVERING, OR ADMINISTERING CONTROLLED SUBSTANCE. (a) A practitioner defined by Section 481.002(39)(A) may not prescribe, dispense, deliver, or administer a controlled substance or cause a controlled substance to be administered under the practitioner's direction and supervision except for a valid medical purpose and in the course of medical practice.

(b) An anabolic steroid or human growth hormone listed in Schedule III may only be:

(1) dispensed, prescribed, delivered, or administered by a practitioner, as defined by Section 481.002(39)(A), for a valid medical purpose and in the course of professional practice; or
(2) dispensed or delivered by a pharmacist according to a prescription issued by a practitioner, as defined by Section 481.002(39)(A) or (C), for a valid medical purpose and in the course of professional practice.

(c) For the purposes of Subsection (b), bodybuilding, muscle enhancement, or increasing muscle bulk or strength through the use of an anabolic steroid or human growth hormone listed in Schedule III by a person who is in good health is not a valid medical purpose.

Sec. 481.072. MEDICAL PURPOSE REQUIRED BEFORE DISTRIBUTING OR DISPENSING SCHEDULE V CONTROLLED SUBSTANCE. A person may not distribute or dispense a controlled substance listed in Schedule V except for a valid medical purpose.

Sec. 481.073. COMMUNICATION OF PRESCRIPTIONS BY AGENT. (a) Only a practitioner defined by Section 481.002(39)(A) and an agent designated in writing by the practitioner in accordance with rules adopted by the department may communicate a prescription by telephone. A pharmacy that receives a telephonically communicated prescription shall promptly write the prescription and file and retain the prescription in the manner required by this subchapter. A practitioner who designates an agent to communicate prescriptions shall maintain the written designation of the agent in the practitioner's usual place of business and shall make the designation available for inspection by investigators for the Texas State Board of Medical Examiners, the State Board of Dental Examiners, the State Board of Veterinary Medical Examiners, and the department. A practitioner who designates a different agent shall designate that agent in writing and maintain the designation in the same manner in which the practitioner initially designated an agent under this section.

(b) On the request of a pharmacist, a practitioner shall furnish a copy of the written designation authorized under Subsection
(a).

(c) This section does not relieve a practitioner or the practitioner's designated agent from the requirement of Subchapter A, Chapter 562, Occupations Code. A practitioner is personally responsible for the actions of the designated agent in communicating a prescription to a pharmacist.

Sec. 481.074. PRESCRIPTIONS. (a) A pharmacist may not:

(1) dispense or deliver a controlled substance or cause a controlled substance to be dispensed or delivered under the pharmacist's direction or supervision except under a valid prescription and in the course of professional practice;

(2) dispense a controlled substance if the pharmacist knows or should have known that the prescription was issued without a valid patient-practitioner relationship;

(3) fill a prescription that is not prepared or issued as prescribed by this chapter;

(4) permit or allow a person who is not a licensed pharmacist or pharmacist intern to dispense, distribute, or in any other manner deliver a controlled substance even if under the supervision of a pharmacist, except that after the pharmacist or pharmacist intern has fulfilled his professional and legal responsibilities, a nonpharmacist may complete the actual cash or credit transaction and delivery; or

(5) permit the delivery of a controlled substance to any person not known to the pharmacist, the pharmacist intern, or the person authorized by the pharmacist to deliver the controlled substance without first requiring identification of the person taking possession of the controlled substance, except as provided by Subsection (n).

(b) Except in an emergency as defined by rule of the director or as provided by Subsection (o) or Section 481.075(j) or (m), a person may not dispense or administer a controlled substance listed in Schedule II without a written prescription of a practitioner on an official prescription form or without an electronic prescription that
meets the requirements of and is completed by the practitioner in accordance with Section 481.075. In an emergency, a person may dispense or administer a controlled substance listed in Schedule II on the oral or telephonically communicated prescription of a practitioner. The person who administers or dispenses the substance shall:

(1) if the person is a prescribing practitioner or a pharmacist, promptly comply with Subsection (c); or

(2) if the person is not a prescribing practitioner or a pharmacist, promptly write the oral or telephonically communicated prescription and include in the written record of the prescription the name, address, and Federal Drug Enforcement Administration number issued for prescribing a controlled substance in this state of the prescribing practitioner, all information required to be provided by a practitioner under Section 481.075(e)(1), and all information required to be provided by a dispensing pharmacist under Section 481.075(e)(2).

(c) Not later than the seventh day after the date a prescribing practitioner authorizes an emergency oral or telephonically communicated prescription, the prescribing practitioner shall cause a written or electronic prescription, completed in the manner required by Section 481.075, to be delivered to the dispensing pharmacist at the pharmacy where the prescription was dispensed. A written prescription may be delivered in person or by mail. The envelope of a prescription delivered by mail must be postmarked not later than the seventh day after the date the prescription was authorized. On receipt of a written prescription, the dispensing pharmacy shall file the transcription of the telephonically communicated prescription and the pharmacy copy and shall send information to the director as required by Section 481.075. On receipt of an electronic prescription, the pharmacist shall annotate the electronic prescription record with the original authorization and date of the emergency oral or telephonically communicated prescription.

(d) Except as specified in Subsections (e) and (f), the director, by rule and in consultation with the Texas Medical Board and the Texas State Board of Pharmacy, shall establish the period after the date on which the prescription is issued that a person may fill a prescription for a controlled substance listed in Schedule II. A person may not refill a prescription for a substance listed in Schedule II.
(d-1) Notwithstanding Subsection (d), a prescribing practitioner may issue multiple prescriptions authorizing the patient to receive a total of up to a 90-day supply of a Schedule II controlled substance if:

(1) each separate prescription is issued for a legitimate medical purpose by a prescribing practitioner acting in the usual course of professional practice;

(2) the prescribing practitioner provides instructions on each prescription to be filled at a later date indicating the earliest date on which a pharmacy may fill each prescription;

(3) the prescribing practitioner concludes that providing the patient with multiple prescriptions in this manner does not create an undue risk of diversion or abuse; and

(4) the issuance of multiple prescriptions complies with other applicable state and federal laws.

(e) The partial filling of a prescription for a controlled substance listed in Schedule II is permissible, if the pharmacist is unable to supply the full quantity called for in a written or electronic prescription or emergency oral prescription and the pharmacist makes a notation of the quantity supplied on the face of the written prescription, on the written record of the emergency oral prescription, or in the electronic prescription record. The remaining portion of the prescription may be filled within 72 hours of the first partial filling; however, if the remaining portion is not or cannot be filled within the 72-hour period, the pharmacist shall so notify the prescribing individual practitioner. No further quantity may be supplied beyond 72 hours without a new prescription.

(f) A prescription for a Schedule II controlled substance for a patient in a long-term care facility (LTCF) or for a patient with a medical diagnosis documenting a terminal illness may be filled in partial quantities to include individual dosage units. If there is any question about whether a patient may be classified as having a terminal illness, the pharmacist must contact the practitioner before partially filling the prescription. Both the pharmacist and the practitioner have a corresponding responsibility to assure that the controlled substance is for a terminally ill patient. The pharmacist must record the prescription on an official prescription form or in the electronic prescription record and must indicate on the official prescription form or in the electronic prescription record whether the patient is "terminally ill" or an "LTCF patient." A prescription
that is partially filled and does not contain the notation "terminally ill" or "LTCF patient" is considered to have been filled in violation of this chapter. For each partial filling, the dispensing pharmacist shall record on the back of the official prescription form or in the electronic prescription record the date of the partial filling, the quantity dispensed, the remaining quantity authorized to be dispensed, and the identification of the dispensing pharmacist. Before any subsequent partial filling, the pharmacist must determine that the additional partial filling is necessary. The total quantity of Schedule II controlled substances dispensed in all partial fillings may not exceed the total quantity prescribed. Schedule II prescriptions for patients in a long-term care facility or patients with a medical diagnosis documenting a terminal illness are valid for a period not to exceed 60 days following the issue date unless sooner terminated by discontinuance of the medication.

(g) A person may not dispense a controlled substance in Schedule III or IV that is a prescription drug under the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.) without a written, electronic, oral, or telephonically communicated prescription of a practitioner defined by Section 481.002(39)(A) or (D), except that the practitioner may dispense the substance directly to an ultimate user. A prescription for a controlled substance listed in Schedule III or IV may not be filled or refilled later than six months after the date on which the prescription is issued and may not be refilled more than five times, unless the prescription is renewed by the practitioner. A prescription under this subsection must comply with other applicable state and federal laws.

(h) A pharmacist may dispense a controlled substance listed in Schedule III, IV, or V under a written, electronic, oral, or telephonically communicated prescription issued by a practitioner defined by Section 481.002(39)(C) and only if the pharmacist determines that the prescription was issued for a valid medical purpose and in the course of professional practice. A prescription issued under this subsection may not be filled or refilled later than six months after the date the prescription is issued and may not be refilled more than five times, unless the prescription is renewed by the practitioner.

(i) A person may not dispense a controlled substance listed in Schedule V and containing 200 milligrams or less of codeine, or any
of its salts, per 100 milliliters or per 100 grams, or containing 100 milligrams or less of dihydrocodeine, or any of its salts, per 100 milliliters or per 100 grams, without the prescription of a practitioner defined by Section 481.002(39)(A), except that a practitioner may dispense the substance directly to an ultimate user. A prescription issued under this subsection may not be filled or refilled later than six months after the date the prescription is issued and may not be refilled more than five times, unless the prescription is renewed by the practitioner.

(j) A practitioner or institutional practitioner may not allow a patient, on the patient's release from the hospital, to possess a controlled substance prescribed by the practitioner unless:

(1) the substance was dispensed under a medication order while the patient was admitted to the hospital;
(2) the substance is in a properly labeled container; and
(3) the patient possesses not more than a seven-day supply of the substance.

(k) A prescription for a controlled substance must show:

(1) the quantity of the substance prescribed:
(A) numerically, followed by the number written as a word, if the prescription is written;
(B) numerically, if the prescription is electronic; or
(C) if the prescription is communicated orally or telephonically, as transcribed by the receiving pharmacist;
(2) the date of issue;
(2-a) if the prescription is issued for a Schedule II controlled substance to be filled at a later date under Subsection (d-1), the earliest date on which a pharmacy may fill the prescription;
(3) the name, address, and date of birth or age of the patient or, if the controlled substance is prescribed for an animal, the species of the animal and the name and address of its owner;
(4) the name and strength of the controlled substance prescribed;
(5) the directions for use of the controlled substance;
(6) the intended use of the substance prescribed unless the practitioner determines the furnishing of this information is not in the best interest of the patient;
(7) the name, address, Federal Drug Enforcement Administration number, and telephone number of the practitioner at
the practitioner's usual place of business, which must be legibly printed or stamped on a written prescription; and

(8) if the prescription is handwritten, the signature of the prescribing practitioner.

(1) A pharmacist may exercise his professional judgment in refilling a prescription for a controlled substance in Schedule III, IV, or V without the authorization of the prescribing practitioner provided:

(1) failure to refill the prescription might result in an interruption of a therapeutic regimen or create patient suffering;

(2) either:

(A) a natural or manmade disaster has occurred which prohibits the pharmacist from being able to contact the practitioner; or

(B) the pharmacist is unable to contact the practitioner after reasonable effort;

(3) the quantity of prescription drug dispensed does not exceed a 72-hour supply;

(4) the pharmacist informs the patient or the patient's agent at the time of dispensing that the refill is being provided without such authorization and that authorization of the practitioner is required for future refills; and

(5) the pharmacist informs the practitioner of the emergency refill at the earliest reasonable time.

(l-1) Notwithstanding Subsection (1), in the event of a natural or manmade disaster, a pharmacist may dispense not more than a 30-day supply of a prescription drug, other than a controlled substance listed in Schedule II, without the authorization of the prescribing practitioner if:

(1) failure to refill the prescription might result in an interruption of a therapeutic regimen or create patient suffering;

(2) the natural or manmade disaster prohibits the pharmacist from being able to contact the practitioner;

(3) the governor has declared a state of disaster under Chapter 418, Government Code; and

(4) the Texas State Board of Pharmacy, through its executive director, has notified pharmacies in this state that pharmacists may dispense up to a 30-day supply of a prescription drug.

(l-2) The prescribing practitioner is not liable for an act or
omission by a pharmacist in dispensing a prescription drug under Subsection (l-1).

(m) A pharmacist may permit the delivery of a controlled substance by an authorized delivery person, by a person known to the pharmacist, a pharmacist intern, or the authorized delivery person, or by mail to the person or address of the person authorized by the prescription to receive the controlled substance. If a pharmacist permits delivery of a controlled substance under this subsection, the pharmacist shall retain in the records of the pharmacy for a period of not less than two years:

(1) the name of the authorized delivery person, if delivery is made by that person;

(2) the name of the person known to the pharmacist, a pharmacist intern, or the authorized delivery person if delivery is made by that person; or

(3) the mailing address to which delivery is made, if delivery is made by mail.

(n) A pharmacist may permit the delivery of a controlled substance to a person not known to the pharmacist, a pharmacist intern, or the authorized delivery person without first requiring the identification of the person to whom the controlled substance is delivered if the pharmacist determines that an emergency exists and that the controlled substance is needed for the immediate well-being of the patient for whom the controlled substance is prescribed. If a pharmacist permits delivery of a controlled substance under this subsection, the pharmacist shall retain in the records of the pharmacy for a period of not less than two years all information relevant to the delivery known to the pharmacist, including the name, address, and date of birth or age of the person to whom the controlled substance is delivered.

(o) A pharmacist may dispense a Schedule II controlled substance pursuant to a facsimile copy of an official prescription completed in the manner required by Section 481.075 and transmitted by the practitioner or the practitioner's agent to the pharmacy if:

(1) the prescription is written for:

(A) a Schedule II narcotic or nonnarcotic substance for a patient in a long-term care facility (LTCF), and the practitioner notes on the prescription "LTCF patient";

(B) a Schedule II narcotic product to be compounded for the direct administration to a patient by parenteral, intravenous,
intramuscular, subcutaneous, or intraspinal infusion; or

(C) a Schedule II narcotic substance for a patient with
a medical diagnosis documenting a terminal illness or a patient
enrolled in a hospice care program certified or paid for by Medicare
under Title XVIII, Social Security Act (42 U.S.C. Section 1395 et
seq.), as amended, by Medicaid, or by a hospice program that is
licensed under Chapter 142, and the practitioner or the
practitioner's agent notes on the prescription "terminally ill" or
"hospice patient"; and

(2) after transmitting the prescription, the prescribing
practitioner or the practitioner's agent:

(A) writes across the face of the official prescription
"VOID--sent by fax to (name and telephone number of receiving
pharmacy)"; and

(B) files the official prescription in the patient's
medical records instead of delivering it to the patient.

(p) On receipt of the prescription, the dispensing pharmacy
shall file the facsimile copy of the prescription and shall send
information to the director as required by Section 481.075.

(q) Each dispensing pharmacist shall send all information
required by the director, including any information required to
complete the Schedule III through V prescription forms, to the
director by electronic transfer or another form approved by the
director not later than the seventh day after the date the
prescription is completely filled.

Acts 2005, 79th Leg., Ch. 1345 (S.B. 410), Sec. 44(a), eff. June
Sec. 481.075. OFFICIAL PRESCRIPTION PROGRAM. (a) A practitioner who prescribes a controlled substance listed in Schedule II shall, except as provided by rule adopted under Section 481.0761, record the prescription on an official prescription form or in an electronic prescription that includes the information required by this section.

(b) Each official prescription form must be sequentially numbered.

(c) The director shall issue official prescription forms to practitioners for a fee covering the actual cost of printing, processing, and mailing the forms at 100 a package. Before mailing or otherwise delivering prescription forms to a practitioner, the director shall print on each form the number of the form and any other information the director determines is necessary.

(d) A person may not obtain an official prescription form unless the person is a practitioner as defined by Section 481.002(39)(A) or an institutional practitioner.

(e) Each official prescription form or electronic prescription used to prescribe a Schedule II controlled substance must contain:

(1) information provided by the prescribing practitioner,
including:

(A) the date the prescription is issued;
(B) the controlled substance prescribed;
(C) the quantity of controlled substance prescribed, shown:
   (i) numerically, followed by the number written as a word, if the prescription is written; or
   (ii) numerically, if the prescription is electronic;
(D) the intended use of the controlled substance or the diagnosis for which it is prescribed and the instructions for use of the substance;
(E) the practitioner's name, address, and Federal Drug Enforcement Administration number issued for prescribing a controlled substance in this state;
(F) the name, address, and date of birth or age of the person for whom the controlled substance is prescribed; and
(G) if the prescription is issued to be filled at a later date under Section 481.074(d-1), the earliest date on which a pharmacy may fill the prescription;

(2) information provided by the dispensing pharmacist, including the date the prescription is filled; and
(3) for a written prescription, the signatures of the prescribing practitioner and the dispensing pharmacist or for an electronic prescription, the prescribing practitioner's electronic signature or other secure method of validation authorized by federal law.

(f) Not more than one prescription may be recorded on an official prescription form, except as provided by rule adopted under Section 481.0761.

(g) Except for an oral prescription prescribed under Section 481.074(b), the prescribing practitioner shall:
   (1) legibly fill in, or direct a designated agent to legibly fill in, on the official prescription form or in the electronic prescription, each item of information required to be provided by the prescribing practitioner under Subsection (e)(1), unless the practitioner determines that:
      (A) under rule adopted by the director for this purpose, it is unnecessary for the practitioner or the practitioner's agent to provide the patient identification number; or
(B) it is not in the best interest of the patient for the practitioner or practitioner's agent to provide information regarding the intended use of the controlled substance or the diagnosis for which it is prescribed; and

(2) sign the official prescription form and give the form to the person authorized to receive the prescription or, in the case of an electronic prescription, electronically sign or validate the electronic prescription as authorized by federal law and transmit the prescription to the dispensing pharmacy.

(h) In the case of an oral prescription prescribed under Section 481.074(b), the prescribing practitioner shall give the dispensing pharmacy the information needed to complete the official prescription form or electronic prescription record.

(i) Each dispensing pharmacist shall:

(1) fill in on the official prescription form or note in the electronic prescription record each item of information given orally to the dispensing pharmacy under Subsection (h) and the date the prescription is filled, and:

(A) for a written prescription, fill in the dispensing pharmacist's signature; or

(B) for an electronic prescription, appropriately record the identity of the dispensing pharmacist in the electronic prescription record;

(2) retain with the records of the pharmacy for at least two years:

(A) the official prescription form or the electronic prescription record, as applicable; and

(B) the name or other patient identification required by Section 481.074(m) or (n); and

(3) send all information required by the director, including any information required to complete an official prescription form or electronic prescription record, to the director by electronic transfer or another form approved by the director not later than the seventh day after the date the prescription is completely filled.

(j) A medication order written for a patient who is admitted to a hospital at the time the medication order is written and filled is not required to be on an official prescription form or in an electronic prescription record that meets the requirements of this section.
(k) Not later than the 30th day after the date a practitioner's department registration number, Federal Drug Enforcement Administration number, or license to practice has been denied, suspended, canceled, surrendered, or revoked, the practitioner shall return to the department all official prescription forms in the practitioner's possession that have not been used for prescriptions.

(1) Each prescribing practitioner:
   (1) may use an official prescription form only to prescribe a controlled substance;
   (2) shall date or sign an official prescription form only on the date the prescription is issued; and
   (3) shall take reasonable precautionary measures to ensure that an official prescription form issued to the practitioner is not used by another person to violate this subchapter or a rule adopted under this subchapter.

(m) A pharmacy in this state may fill a prescription for a controlled substance listed in Schedule II issued by a practitioner in another state if:
   (1) a share of the pharmacy's business involves the dispensing and delivery or mailing of controlled substances;
   (2) the prescription is issued by a prescribing practitioner in the other state in the ordinary course of practice; and
   (3) the prescription is filled in compliance with a written plan providing the manner in which the pharmacy may fill a Schedule II prescription issued by a practitioner in another state that:
      (A) is submitted by the pharmacy to the director; and
      (B) is approved by the director in consultation with the Texas State Board of Pharmacy.

Amended by:
Acts 2009, 81st Leg., R.S., Ch. 774 (S.B. 904), Sec. 2, eff. June
Sec. 481.076. OFFICIAL PRESCRIPTION INFORMATION. (a) The director may not permit any person to have access to information submitted to the director under Section 481.074(q) or 481.075 except:

(1) an investigator for the Texas Medical Board, the Texas State Board of Podiatric Medical Examiners, the State Board of Dental Examiners, the State Board of Veterinary Medical Examiners, the Texas Board of Nursing, or the Texas State Board of Pharmacy;

(2) an authorized officer or member of the department engaged in the administration, investigation, or enforcement of this chapter or another law governing illicit drugs in this state or another state; or

(3) if the director finds that proper need has been shown to the director:

(A) a law enforcement or prosecutorial official engaged in the administration, investigation, or enforcement of this chapter or another law governing illicit drugs in this state or another state;

(B) a pharmacist or a pharmacy technician, as defined by Section 551.003, Occupations Code, acting at the direction of a pharmacist or a practitioner who is a physician, dentist, veterinarian, podiatrist, or advanced practice nurse or is a physician assistant described by Section 481.002(39)(D) or a nurse licensed under Chapter 301, Occupations Code, acting at the direction of a practitioner and is inquiring about a recent Schedule II, III, IV, or V prescription history of a particular patient of the practitioner; or

(C) a pharmacist or practitioner who is inquiring about the person's own dispensing or prescribing activity.

(a-1) A person authorized to receive information under Subsection (a)(3)(B) or (C) may access that information through a health information exchange, subject to proper security measures to ensure against disclosure to unauthorized persons.

(a-2) A person authorized to receive information under
Subsection (a)(3)(B) may include that information in any form in the medical or pharmacy record of the patient who is the subject of the information. Any information included in a patient's medical or pharmacy record under this subsection is subject to any applicable state or federal confidentiality or privacy laws.

(b) This section does not prohibit the director from creating, using, or disclosing statistical data about information received by the director under this section if the director removes any information reasonably likely to reveal the identity of each patient, practitioner, or other person who is a subject of the information.

(c) The director by rule shall design and implement a system for submission of information to the director by electronic or other means and for retrieval of information submitted to the director under this section and Sections 481.074 and 481.075. The director shall use automated information security techniques and devices to preclude improper access to the information. The director shall submit the system design to the Texas State Board of Pharmacy and the Texas Medical Board for review and approval or comment a reasonable time before implementation of the system and shall comply with the comments of those agencies unless it is unreasonable to do so.

(d) Information submitted to the director under this section may be used only for:

(1) the administration, investigation, or enforcement of this chapter or another law governing illicit drugs in this state or another state;

(2) investigatory or evidentiary purposes in connection with the functions of an agency listed in Subsection (a)(1); or

(3) dissemination by the director to the public in the form of a statistical tabulation or report if all information reasonably likely to reveal the identity of each patient, practitioner, or other person who is a subject of the information has been removed.

(e) The director shall remove from the information retrieval system, destroy, and make irretrievable the record of the identity of a patient submitted under this section to the director not later than the end of the 36th calendar month after the month in which the identity is entered into the system. However, the director may retain a patient identity that is necessary for use in a specific ongoing investigation conducted in accordance with this section until the 30th day after the end of the month in which the necessity for retention of the identity ends.
(f) If the director permits access to information under Subsection (a)(2) relating to a person licensed or regulated by an agency listed in Subsection (a)(1), the director shall notify and cooperate with that agency regarding the disposition of the matter before taking action against the person, unless the director determines that notification is reasonably likely to interfere with an administrative or criminal investigation or prosecution.

(g) If the director permits access to information under Subsection (a)(3)(A) relating to a person licensed or regulated by an agency listed in Subsection (a)(1), the director shall notify that agency of the disclosure of the information not later than the 10th working day after the date the information is disclosed.

(h) If the director withholds notification to an agency under Subsection (f), the director shall notify the agency of the disclosure of the information and the reason for withholding notification when the director determines that notification is no longer likely to interfere with an administrative or criminal investigation or prosecution.

(i) Information submitted to the director under Section 481.074(q) or 481.075 is confidential and remains confidential regardless of whether the director permits access to the information under this section.

Sec. 481.0761. RULES; AUTHORITY TO CONTRACT. (a) The director shall consult with the Texas State Board of Pharmacy and by rule establish and revise as necessary a standardized database format that may be used by a pharmacy to transmit the information required by Sections 481.074(q) and 481.075(i) to the director electronically or to deliver the information on storage media, including disks, tapes, and cassettes.

(b) The director shall consult with the Department of State Health Services, the Texas State Board of Pharmacy, and the Texas Medical Board and by rule may:

(1) remove a controlled substance listed in Schedules II through V from the official prescription program, if the director determines that the burden imposed by the program substantially outweighs the risk of diversion of the particular controlled substance; or

(2) return a substance previously removed from Schedules II through V to the official prescription program, if the director determines that the risk of diversion substantially outweighs the burden imposed by the program on the particular controlled substance.

(c) The director by rule may:

(1) permit more than one prescription to be administered or dispensed and recorded on one prescription form for a Schedule III through V controlled substance;

(1-a) establish a procedure for the issuance of multiple prescriptions of a Schedule II controlled substance under Section 481.074(d-1);

(2) remove from or return to the official prescription program any aspect of a practitioner's or pharmacist's hospital practice, including administering or dispensing;

(3) waive or delay any requirement relating to the time or manner of reporting;

(4) establish compatibility protocols for electronic data transfer hardware, software, or format;

(5) establish a procedure to control the release of information under Sections 481.074, 481.075, and 481.076; and

(6) establish a minimum level of prescription activity below which a reporting activity may be modified or deleted.

(d) The director by rule shall authorize a practitioner to determine whether it is necessary to obtain a particular patient identification number and to provide that number on the official
prescription form or in the electronic prescription record.

(e) In adopting a rule relating to the electronic transfer of information under this subchapter, the director shall consider the economic impact of the rule on practitioners and pharmacists and, to the extent permitted by law, act to minimize any negative economic impact, including the imposition of costs related to computer hardware or software or to the transfer of information. The director may not adopt a rule relating to the electronic transfer of information under this subchapter that imposes a fee in addition to the fees authorized by Section 481.064.

(f) The director may authorize a contract between the department and another agency of this state or a private vendor as necessary to ensure the effective operation of the official prescription program.

(g) Repealed by Acts 1999, 76th Leg., ch. 145, Sec. 5(4), eff. Sept. 1, 1999.

Added by Acts 1997, 75th Leg., ch. 745, Sec. 16, eff. Sept. 1, 1997.
Amended by:

Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 4, eff. September 1, 2007.

Acts 2011, 82nd Leg., R.S., Ch. 1228 (S.B. 594), Sec. 5, eff. September 1, 2011.

Sec. 481.077. CHEMICAL PRECURSOR RECORDS AND REPORTS. (a) Except as provided by Subsection (l), a person who sells, transfers, or otherwise furnishes a chemical precursor to another person shall make an accurate and legible record of the transaction and maintain the record for at least two years after the date of the transaction.

(b) The director by rule may:

(1) name an additional chemical substance as a chemical precursor for purposes of Subsection (a) if the director determines that public health and welfare are jeopardized by evidenced proliferation or use of the chemical substance in the illicit manufacture of a controlled substance or controlled substance
analogue; or

(2) exempt a chemical precursor from the requirements of Subsection (a) if the director determines that the chemical precursor does not jeopardize public health and welfare or is not used in the illicit manufacture of a controlled substance or a controlled substance analogue.

(b-1) If the director names a chemical substance as a chemical precursor for purposes of Subsection (a) or designates a substance as an immediate precursor, a substance that is a precursor of the chemical precursor or the immediate precursor is not subject to control solely because it is a precursor of the chemical precursor or the immediate precursor.

(c) This section and Section 481.078 do not apply to a person to whom a registration has been issued under Section 481.063.

(d) Before selling, transferring, or otherwise furnishing to a person in this state a chemical precursor subject to Subsection (a), a manufacturer, wholesaler, retailer, or other person shall:

(1) if the recipient does not represent a business, obtain from the recipient:

(A) the recipient's driver's license number or other personal identification certificate number, date of birth, and residential or mailing address, other than a post office box number, from a driver's license or personal identification certificate issued by the department that contains a photograph of the recipient;

(B) the year, state, and number of the motor vehicle license of the motor vehicle owned or operated by the recipient;

(C) a complete description of how the chemical precursor is to be used; and

(D) the recipient's signature; or

(2) if the recipient represents a business, obtain from the recipient:

(A) a letter of authorization from the business that includes the business license or comptroller tax identification number, address, area code, and telephone number and a complete description of how the chemical precursor is to be used; and

(B) the recipient's signature; and

(3) for any recipient, sign as a witness to the signature and identification of the recipient.

(e) If the recipient does not represent a business, the recipient shall present to the manufacturer, wholesaler, retailer, or
other person a permit issued in the name of the recipient by the department under Section 481.078.

(f) Except as provided by Subsection (h), a manufacturer, wholesaler, retailer, or other person who sells, transfers, or otherwise furnishes to a person in this state a chemical precursor subject to Subsection (a) shall submit, at least 21 days before the delivery of the chemical precursor, a report of the transaction on a form obtained from the director that includes the information required by Subsection (d).

(g) The director shall supply to a manufacturer, wholesaler, retailer, or other person who sells, transfers, or otherwise furnishes a chemical precursor subject to Subsection (a) a form for the submission of:

1. the report required by Subsection (f);
2. the name and measured amount of the chemical precursor delivered; and
3. any other information required by the director.

(h) The director may authorize a manufacturer, wholesaler, retailer, or other person to submit a comprehensive monthly report instead of the report required by Subsection (f) if the director determines that:

1. there is a pattern of regular supply and purchase of the chemical precursor between the furnisher and the recipient; or
2. the recipient has established a record of use of the chemical precursor solely for a lawful purpose.

(i) A manufacturer, wholesaler, retailer, or other person who receives from a source outside this state a chemical precursor subject to Subsection (a) or who discovers a loss or theft of a chemical precursor subject to Subsection (a) shall:

1. submit a report of the transaction to the director in accordance with department rule; and
2. include in the report:
   (A) any difference between the amount of the chemical precursor actually received and the amount of the chemical precursor shipped according to the shipping statement or invoice; or
   (B) the amount of the loss or theft.

(j) A report under Subsection (i) must:

1. be made not later than the third day after the date that the manufacturer, wholesaler, retailer, or other person learns of the discrepancy, loss, or theft; and
if the discrepancy, loss, or theft occurred during a shipment of the chemical precursor, include the name of the common carrier or person who transported the chemical precursor and the date that the chemical precursor was shipped.

(k) Unless the person is the holder of only a permit issued under Section 481.078(b)(1), a manufacturer, wholesaler, retailer, or other person who sells, transfers, or otherwise furnishes any chemical precursor subject to Subsection (a) or a permit holder, commercial purchaser, or other person who receives a chemical precursor subject to Subsection (a):

(1) shall maintain records and inventories in accordance with rules established by the director;

(2) shall allow a member of the department or a peace officer to conduct audits and inspect records of purchases and sales and all other records made in accordance with this section at any reasonable time; and

(3) may not interfere with the audit or with the full and complete inspection or copying of those records.

(1) This section does not apply to the sale or transfer of any compound, mixture, or preparation containing ephedrine, pseudoephedrine, or norpseudoephedrine that is in liquid, liquid capsule, or liquid gel capsule form.

Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 4, eff. August 1, 2005.

Sec. 481.0771. RECORDS AND REPORTS ON PSEUDOEPHEDRINE. (a) A wholesaler who sells, transfers, or otherwise furnishes a product containing ephedrine, pseudoephedrine, or norpseudoephedrine to a retailer shall:

(1) before delivering the product, obtain from the retailer the retailer's address, area code, and telephone number; and
(2) make an accurate and legible record of the transaction and maintain the record for at least two years after the date of the transaction.

(b) The wholesaler shall make all records available to the director in accordance with department rule, including:

(1) the information required by Subsection (a)(1);
(2) the amount of the product containing ephedrine, pseudoephedrine, or norpseudoephedrine delivered; and
(3) any other information required by the director.

(c) Not later than 10 business days after receipt of an order for a product containing ephedrine, pseudoephedrine, or norpseudoephedrine that requests delivery of a suspicious quantity of the product as determined by department rule, a wholesaler shall submit to the director a report of the order in accordance with department rule.

(d) A wholesaler who, with reckless disregard for the duty to report, fails to report as required by Subsection (c) may be subject to disciplinary action in accordance with department rule.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 5, eff. August 1, 2005.

Sec. 481.078. CHEMICAL PRECURSOR TRANSFER PERMIT. (a) A person must obtain a chemical precursor transfer permit from the department to be eligible:

(1) to sell, transfer, or otherwise furnish a chemical precursor subject to Section 481.077(a) to a person in this state;
(2) to receive a chemical precursor subject to Section 481.077(a) from a source outside this state; or
(3) to receive a chemical precursor subject to Section 481.077(a) if the person, in receiving the chemical precursor, does not represent a business.

(b) The director by rule shall adopt procedures and standards for the issuance and renewal or the voluntary surrender, cancellation, suspension, probation, or revocation of:

(1) a permit for one sale, transfer, receipt, or otherwise furnishing of a chemical precursor; or
(2) a permit for more than one sale, transfer, receipt, or otherwise furnishing of a chemical precursor.
(c) A permit issued or renewed under Subsection (b)(1) is valid only for the transaction indicated on the permit. A permit issued or renewed under Subsection (b)(2) is valid for one year after the date of issuance or renewal.

(d) A permit holder must report in writing or by telephone to the director a change in the holder's business name, address, area code, and telephone number not later than the seventh day after the date of the change.

(e) The director may not issue a permit under this section unless the person applying for the permit delivers to the director a written consent to inspect signed by the person that grants to the director the right to inspect any controlled premises, record, chemical precursor, or other item governed by this chapter in the care, custody, or control of the person. After the director receives the consent, the director may inspect any controlled premises, record, chemical precursor, or other item to which the consent applies.

(f) The director may adopt rules to establish security controls and provide for the inspection of a place, entity, or item to which a chemical precursor transfer permit applies.

Sec. 481.080. CHEMICAL LABORATORY APPARATUS RECORD-KEEPING REQUIREMENTS AND PENALTIES. (a) A manufacturer, wholesaler, retailer, or other person who sells, transfers, or otherwise furnishes a chemical laboratory apparatus shall make an accurate and legible record of the transaction and maintain the record for at least two years after the date of the transaction.

(b) The director may adopt rules to implement this section.

(c) The director by rule may:

(1) name an additional item of equipment as a chemical laboratory apparatus for purposes of Subsection (a) if the director determines that public health and welfare are jeopardized by evidenced proliferation or use of the item of equipment in the illicit manufacture of a controlled substance or controlled substance analogue; or
(2) exempt a chemical laboratory apparatus from the requirement of Subsection (a) if the director determines that the apparatus does not jeopardize public health and welfare or is not used in the illicit manufacture of a controlled substance or a controlled substance analogue.

(d) This section and Section 481.081 do not apply to a person to whom a registration has been issued under Section 481.063.

(e) Before selling, transferring, or otherwise furnishing to a person in this state a chemical laboratory apparatus subject to Subsection (a), a manufacturer, wholesaler, retailer, or other person shall:

(1) if the recipient does not represent a business, obtain from the recipient:
   (A) the recipient's driver's license number or other personal identification certificate number, date of birth, and residential or mailing address, other than a post office box number, from a driver's license or personal identification certificate issued by the department that contains a photograph of the recipient;
   (B) the year, state, and number of the motor vehicle license of the motor vehicle owned or operated by the recipient;
   (C) a complete description of how the apparatus is to be used; and
   (D) the recipient's signature; or

(2) if the recipient represents a business, obtain from the recipient:
   (A) a letter of authorization from the business that includes the business license or comptroller tax identification number, address, area code, and telephone number and a complete description of how the apparatus is to be used; and
   (B) the recipient's signature; and

(3) for any recipient, sign as a witness to the signature and identification of the recipient.

(f) If the recipient does not represent a business, the recipient shall present to the manufacturer, wholesaler, retailer, or other person a permit issued in the name of the recipient by the department under Section 481.081.

(g) Except as provided by Subsection (i), a manufacturer, wholesaler, retailer, or other person who sells, transfers, or otherwise furnishes to a person in this state a chemical laboratory apparatus subject to Subsection (a) shall, at least 21 days before
the delivery of the apparatus, submit a report of the transaction on a form obtained from the director that includes the information required by Subsection (e).

(h) The director shall supply to a manufacturer, wholesaler, retailer, or other person who sells, transfers, or otherwise furnishes a chemical laboratory apparatus subject to Subsection (a) a form for the submission of:

(1) the report required by Subsection (g);
(2) the name and number of apparatus delivered; and
(3) any other information required by the director.

(i) The director may authorize a manufacturer, wholesaler, retailer, or other person to submit a comprehensive monthly report instead of the report required by Subsection (g) if the director determines that:

(1) there is a pattern of regular supply and purchase of the apparatus between the furnisher and the recipient; or
(2) the recipient has established a record of use of the apparatus solely for a lawful purpose.

(j) A manufacturer, wholesaler, retailer, or other person who receives from a source outside this state a chemical laboratory apparatus subject to Subsection (a) or who discovers a loss or theft of such an apparatus shall:

(1) submit a report of the transaction to the director in accordance with department rule; and
(2) include in the report:
   (A) any difference between the number of the apparatus actually received and the number of the apparatus shipped according to the shipping statement or invoice; or
   (B) the number of the loss or theft.

(k) A report under Subsection (j) must:

(1) be made not later than the third day after the date that the manufacturer, wholesaler, retailer, or other person learns of the discrepancy, loss, or theft; and
(2) if the discrepancy, loss, or theft occurred during a shipment of the apparatus, include the name of the common carrier or person who transported the apparatus and the date that the apparatus was shipped.

(1) This subsection applies to a manufacturer, wholesaler, retailer, or other person who sells, transfers, or otherwise furnishes any chemical laboratory apparatus subject to Subsection (a)
and to a permit holder, commercial purchaser, or other person who receives such an apparatus unless the person is the holder of only a permit issued under Section 481.081(b)(1). A person covered by this subsection:

(1) shall maintain records and inventories in accordance with rules established by the director;

(2) shall allow a member of the department or a peace officer to conduct audits and inspect records of purchases and sales and all other records made in accordance with this section at any reasonable time; and

(3) may not interfere with the audit or with the full and complete inspection or copying of those records.

Sec. 481.081. CHEMICAL LABORATORY APPARATUS TRANSFER PERMIT.
(a) A person must obtain a chemical laboratory apparatus transfer permit from the department to be eligible:

(1) to sell, transfer, or otherwise furnish an apparatus subject to Section 481.080(a) to a person in this state;

(2) to receive an apparatus subject to Section 481.080(a) from a source outside this state; or

(3) to receive an apparatus subject to Section 481.080(a) if the person, in receiving the apparatus, does not represent a business.

(b) The director by rule shall adopt procedures and standards for the issuance and renewal or the voluntary surrender, cancellation, suspension, probation, or revocation of:

(1) a permit for one sale, transfer, receipt, or otherwise furnishing of a chemical laboratory apparatus; or

(2) a permit for more than one sale, transfer, receipt, or otherwise furnishing of a chemical laboratory apparatus.

(c) A permit issued or renewed under Subsection (b)(1) is valid only for the transaction indicated on the permit. A permit issued or renewed under Subsection (b)(2) is valid for one year after the date of issuance or renewal.

(d) A permit holder must report in writing or by telephone to
the director a change in the holder's business name, address, area code, and telephone number not later than the seventh day after the date of the change.

(e) The director may not issue a permit under this section unless the person applying for the permit delivers to the director a written consent to inspect signed by the person that grants to the director the right to inspect any controlled premises, record, chemical laboratory apparatus, or other item governed by this chapter in the care, custody, or control of the person. After the director receives the consent, the director may inspect any controlled premises, record, chemical laboratory apparatus, or other item to which the consent applies.

(f) The director may by rule establish security controls and provide for the inspection of a place, entity, or item to which a chemical laboratory apparatus transfer permit applies.

SUBCHAPTER D. OFFENSES AND PENALTIES

Sec. 481.101. CRIMINAL CLASSIFICATION. For the purpose of establishing criminal penalties for violations of this chapter, controlled substances, including a material, compound, mixture, or preparation containing the controlled substance, are divided into Penalty Groups 1 through 4.

Sec. 481.102. PENALTY GROUP 1. Penalty Group 1 consists of:

(1) the following opiates, including their isomers, esters, ethers, salts, and salts of isomers, esters, and ethers, unless specifically excepted, if the existence of these isomers, esters, ethers, and salts is possible within the specific chemical designation:

Alfentanil;
Allylprodine;
Alphacetylmethadol;
Benzethidine;
Betaprodine;
Clonitazene;
Diampromide;
Diethylthiambutene;
Difenoxin not listed in Penalty Group 3 or 4;
Dimenoxadol;
Dimethylthiambutene;
Dioxaphetyl butyrate;
Dipipanone;
Ethylmethylthiambutene;
Etonitazene;
Etoxeridine;
Furethidine;
Hydroxypethidine;
Ketobemidone;
Levophenacymorphan;
Meprodine;
Methadol;
Moramide;
Morpheridine;
Noracymethadol;
Norlevorphanol;
Normethadone;
Norpipanone;
Phenadoxone;
Phenampromide;
Phenomorphan;
Phenoperidine;
Piritramide;
Proheptazine;
Properidine;
Propiram;
Sufentanil;
Tilidine; and
Trimeperidine;

(2) the following opium derivatives, their salts, isomers, and salts of isomers, unless specifically excepted, if the existence of these salts, isomers, and salts of isomers is possible within the specific chemical designation:
Acetorphine;
Acetyldihydrocodeine;
Benzylmorphine;
Codeine methylbromide;
Codeine-N-Oxide;
Cyprenorphone;
Desomorphine;
Dihydromorphine;
Drotebanol;
Etorphine, except hydrochloride salt;
Heroin;
Hydromorphinol;
Methyldesorphine;
Methyldihydromorphine;
Monoacetylmorphine;
Morphine methylbromide;
Morphine methylsulfonate;
Morphine-N-Oxide;
Myrophine;
Nicocodeine;
Nicomorphine;
Normorphine;
Pholcodine; and
Thebacon;

(3) the following substances, however produced, except those narcotic drugs listed in another group:

(A) Opium and opiate not listed in Penalty Group 3 or 4, and a salt, compound, derivative, or preparation of opium or opiate, other than thebaine derived butorphanol, nalmefene and its salts, naloxone and its salts, and naltrexone and its salts, but including:

Codeine not listed in Penalty Group 3 or 4;
Dihydroetorphine;
Ethylmorphine not listed in Penalty Group 3 or 4;
Granulated opium;
Hydrocodone not listed in Penalty Group 3;
Hydromorphone;
Metopon;
Morphine not listed in Penalty Group 3;
Opium extracts;
Opium fluid extracts;  
Oripavine;  
Oxycodone;  
Oxymorphone;  
Powdered opium;  
Raw opium;  
Thebaine; and  
Tincture of opium;  

(B) a salt, compound, isomer, derivative, or preparation of a substance that is chemically equivalent or identical to a substance described by Paragraph (A), other than the isoquinoline alkaloids of opium;  
(C) Opium poppy and poppy straw;  
(D) Cocaine, including:  
   (i) its salts, its optical, position, and geometric isomers, and the salts of those isomers;  
   (ii) coca leaves and a salt, compound, derivative, or preparation of coca leaves;  
   (iii) a salt, compound, derivative, or preparation of a salt, compound, or derivative that is chemically equivalent or identical to a substance described by Subparagraph (i) or (ii), other than decocainized coca leaves or extractions of coca leaves that do not contain cocaine or ecgonine; and  
(E) concentrate of poppy straw, meaning the crude extract of poppy straw in liquid, solid, or powder form that contains the phenanthrine alkaloids of the opium poppy;  

(4) the following opiates, including their isomers, esters, ethers, salts, and salts of isomers, if the existence of these isomers, esters, ethers, and salts is possible within the specific chemical designation:  
   Acetyl-alpha-methylfentanyl (N-[1-(1-methyl-2-phenethyl)-4-piperidinyl]-N-phenylacetamide);  
   Alpha-methylthiofentanyl (N-[1-methyl-2-(2-thienyl)ethyl-4-piperidinyl]-N-phenylpropanamide);  
   Alphaprodine;  
   Anileridine;  
   Beta-hydroxyfentanyl (N-[1-(2-hydroxy-2-phenethyl)-4-piperidinyl]-N-phenylpropanamide);  
   Beta-hydroxy-3-methylfentanyl;  
   Bezitramide;
Carfentanil;
Dihydrocodeine not listed in Penalty Group 3 or 4;
Diphenoxylate not listed in Penalty Group 3 or 4;
Fentanyl or alpha-methylfentanyl, or any other
derivative of Fentanyl;
Isomethadone;
Levomethorphan;
Levorphanol;
Metazocine;
Methadone;
Methadone-Intermediate, 4-cyano-2-dimethylamino- 4, 4-
diphenyl butane;
3-methylfentanyl(N-[3-methyl-1-(2-phenylethyl)- 4-
piperidyl]-N-phenylpropanamide);
3-methylthiofentanyl(N-[3-methyl-1-(2-thienyl) ethyl-4-
piperidinyl]-N-phenylpropanamide);
Moramide-Intermediate, 2-methyl-3-morpholino-1, 1-
diphenyl-propane-carboxylic acid;
Para-fluorofentanyl(N-(4-fluorophenyl)-N-1-(2-
phenylethyl)-4-piperidinylpropanamide);
PEPAP (1-(2-phenethyl)-4-phenyl-4- acetoxy piperidine);
Pethidine (Meperidine);
Pethidine-Intermediate-A, 4-cyano-1-methyl-4-
phenyl piperidine;
Pethidine-Intermediate-B, ethyl-4- phenyl piperidine-4
carboxylate;
Pethidine-Intermediate-C, 1-methyl-4- phenyl piperidine-4-
carboxylic acid;
Phenazocine;
Piminodine;
Racemethorphan;
Racemorphan;
Remifentanil; and
Thiofentanyl(N-phenyl-N-[1-(2-thienyl)ethyl-4-
piperidinyl]-propanamide);
(5) Flunitrazepam (trade or other name: Rohypnol);
(6) Methamphetamine, including its salts, optical isomers,
and salts of optical isomers;
(7) Phenylacetone and methylamine, if possessed together
with intent to manufacture methamphetamine;
(8) Phencyclidine, including its salts;
(9) Gamma hydroxybutyric acid (some trade or other names: gamma hydroxybutyrate, GHB), including its salts; and
(10) Ketamine.

Amended by:
Acts 2009, 81st Leg., R.S., Ch. 739 (S.B. 449), Sec. 1, eff. September 1, 2009.

Sec. 481.1021. PENALTY GROUP 1-A. Penalty Group 1-A consists of lysergic acid diethylamide (LSD), including its salts, isomers, and salts of isomers.

Sec. 481.103. PENALTY GROUP 2. (a) Penalty Group 2 consists of:

(1) any quantity of the following hallucinogenic substances, their salts, isomers, and salts of isomers, unless specifically excepted, if the existence of these salts, isomers, and salts of isomers is possible within the specific chemical designation:

alpha-ethyltryptamine;
alpha-methyltryptamine;
4-bromo-2, 5-dimethoxyamphetamine (some trade or other names: 4-bromo-2, 5-dimethoxy-alpha-methylphenethylamine; 4-bromo-2, 5-DMA);
4-bromo-2, 5-dimethoxyphenethylamine;
Bufotenine (some trade and other names: 3-(beta-Dimethylaminoethyl)-5-hydroxyindole; 3-(2-dimethylaminoethyl)-5-indolol; N, N-dimethylserotonin; 5-hydroxy-N, N-dimethyltryptamine; mappine);
Diethyltryptamine (some trade and other names: N, N-Diethyltryptamine, DET);
2, 5-dimethoxyamphetamine (some trade or other names: 2, 5-dimethoxy-alpha-methylphenethylamine; 2, 5-DMA);
2, 5-dimethoxy-4-ethylamphetamine (trade or other name: DOET);
2, 5-dimethoxy-4-(n)-propylthiophenethylamine (trade or other name: 2C-T-7);
Dimethyltryptamine (trade or other name: DMT);
Dronabinol (synthetic) in sesame oil and encapsulated in a soft gelatin capsule in a U.S. Food and Drug Administration approved drug product (some trade or other names for Dronabinol: (a6aR-trans)-6a,7,8,10a-tetrahydro-6,6,9-trimethyl-3-pentyl-6H-dibenzo [b,d]pyran-1-ol or (-)-delta-9- (trans)-tetrahydrocannabinol);
Ethylamine Analog of Phencyclidine (some trade or other names: N-ethyl-1-phenylcyclohexylamine, (1-phenylcyclohexyl) ethylamine, N-(1-phenylcyclohexyl) ethylamine, cyclohexamine, PCE);
Ibogaine (some trade or other names: 7-Ethyl-6, 6, beta 7, 8, 9, 10, 12, 13-octahydro-2-methoxy-6,9-methano-5H-pyrido [1',2':1, 2] azepino [5, 4-b] indole; tabernanthe iboga.);
Mescaline;
5-methoxy-N, N-diisopropyltryptamine;
5-methoxy-3, 4-methylenedioxy amphetamine;
4-methoxyamphetamine (some trade or other names: 4-methoxy-alpha-methylphenethylamine; paramethoxyamphetamine; PMA);
1-methyl-4-phenyl-4-propionoxypiperidine (MPPP, PPMP);
4-methyl-2, 5-dimethoxyamphetamine (some trade and other names: 4-methyl-2, 5-dimethoxy-alpha-methylphenethylamine; "DOM"; "STP");
3,4-methylenedioxy methamphetamine (MDMA, MDM);
3,4-methylenedioxyamphetamine;
3,4-methylenedioxy N-ethylamphetamine (Also known as N-ethyl MDA);
Nabilone (Another name for nabilone: (+)-trans-3-(1,1-dimethylheptyl)-6,6a, 7,8,10,10a-hexahydro-1-hydroxy-6, 6-dimethyl-9H-dibenzo[b,d] pyran-9-one;
N-benzylpiperazine (some trade or other names: BZP; 1-benzylpiperazine);
N-ethyl-3-piperidyl benzilate;
N-hydroxy-3,4-methylenedioxyamphetamine (Also known as N-hydroxy MDA);
4-methylaminorex;
N-methyl-3-piperidyl benzilate;
Parahexyl (some trade or other names: 3-Hexyl-1-hydroxy-7, 8, 9, 10-tetrahydro-6, 6, 9-trimethyl-6H-dibenzo [b, d] pyran; Synhexyl);
1-Phenylcyclohexylamine;
1-Piperidinocyclohexanecarbonitrile (PCC);
Psilocin;
Psilocybin;
Pyrrolidine Analog of Phencyclidine (some trade or other names: 1-(1-phenylcyclohexyl)-pyrrolidine, PCPy, PHP);
Tetrahydrocannabinols, other than marihuana, and synthetic equivalents of the substances contained in the plant, or in the resinous extractives of Cannabis, or synthetic substances, derivatives, and their isomers with similar chemical structure and pharmacological activity such as:
delta-1 cis or trans tetrahydrocannabinol, and their optical isomers;
delta-6 cis or trans tetrahydrocannabinol, and their optical isomers;
delta-3, 4 cis or trans tetrahydrocannabinol, and its optical isomers;
compounds of these structures, regardless of numerical designation of atomic positions, since nomenclature of these substances is not internationally standardized;
Thiophene Analog of Phencyclidine (some trade or other names: 1-[1-(2-thienyl) cyclohexyl] piperidine; 2-Thienyl Analog of Phencyclidine; TPCP, TCP);
1-pyrrolidine (some trade or other name: TCPy);
1-(3-trifluoromethylphenyl)piperazine (trade or other name: TFMPP); and
3,4,5-trimethoxy amphetamine;
(2) Phenylacetone (some trade or other names: Phenyl-2-propanone; P2P, Benzylmethyl ketone, methyl benzyl ketone);
(3) unless specifically excepted or unless listed in another Penalty Group, a material, compound, mixture, or preparation that contains any quantity of the following substances having a potential for abuse associated with a depressant or stimulant effect
on the central nervous system:

Aminorex (some trade or other names: aminoxaphen; 2-amino-5-phenyl-2-oxazoline; 4,5-dihydro-5-phenyl-2-oxazolamine);

Amphetamine, its salts, optical isomers, and salts of optical isomers;

Cathinone (some trade or other names: 2-amino-1-phenyl-1-propanone, alpha-aminopropiophenone, 2-amino-1-propanone);

Etorphine Hydrochloride;

Fenethylline and its salts;

Lisdexamfetamine, including its salts, isomers, and salts of isomers;

Mecloqualone and its salts;

Methaqualone and its salts;

Methcathinone (some trade or other names: 2-methylamino-propiophenone; alpha-(methylamino)propiophenone; 2-(methylamino)-1-phenylpropan-1-one; alpha-N-methylamino-propiophenone; monomethylpropion; ephedrine, N-methylvinilcathinone; methylcathinone; AL-464; AL-422; AL-463; and UR 1431);

N-Ethylamphetamine, its salts, optical isomers, and salts of optical isomers; and

N,N-dimethylamphetamine (some trade or other names: N,N,alpha-trimethylbenzeneethaneamine; N,N,alpha-trimethylphenethylamine), its salts, optical isomers, and salts of optical isomers; and

(4) any compound structurally derived from 2-aminopropanal by substitution at the 1-position with any monocyclic or fused-polycyclic ring system, including:

(A) compounds further modified by:

(i) substitution in the ring system to any extent (including alkyl, alkoxy, alkylenedioxy, haloalkyl, or halide substituents), whether or not further substituted in the ring system by other substituents;

(ii) substitution at the 3-position with an alkyl substituent; or

(iii) substitution at the 2-amino nitrogen atom with alkyl or dialkyl groups, or inclusion of the 2-amino nitrogen atom in a cyclic structure; and

(B) by example, compounds such as:

4-Methylmethcathinone (Also known as Mephedrone);
3,4-Dimethylmethcathinone (Also known as 3,4-DMMC);
3-Fluoromethcathinone (Also known as 3-FMC);
4-Fluoromethcathinone (Also known as Flephedrone);
3,4-Methylenedioxy-N-methylcathinone (Also known as
Methylone);
3,4-Methylenedioxypyrovalerone (Also known as MDPV);
alpha-Pyrrolidinopentiophenone (Also known as alpha-
PVP);
Naphthylpyrovalerone (Also known as Naphyrone);
beta-Keto-N-methylbenzodioxolylpropylamine (Also
known as Butylone);
beta-Keto-N-methylbenzodioxolylpentanamine (Also
known as Pentyline);
beta-Keto-Ethylbenzodioxolylbutanamine (Also known
as Eutylone); and
3,4-methylenedioxy-N-ethylcathinone (Also known as
Ethylone).

(b) For the purposes of Subsection (a)(1) only, the term "isomer" includes an optical, position, or geometric isomer.

(c) To the extent Subsection (a)(4) conflicts with this subtitle or another law, the subtitle or other law prevails.

Amended by Acts 1997, 75th Leg., ch. 745, Sec. 23, eff. Jan. 1, 1998; Acts 2001, 77th Leg., ch. 251, Sec. 17, eff. Sept. 1, 2001; Acts 2003, 78th Leg., ch. 1099, Sec. 8, eff. Sept. 1, 2003. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 739 (S.B. 449), Sec. 2, eff. September 1, 2009.

Sec. 481.1031. PENALTY GROUP 2-A. Penalty Group 2-A consists of any quantity of a synthetic chemical compound that is a cannabinoid receptor agonist and mimics the pharmacological effect of naturally occurring cannabinoids, including:

naphthoylindoles structurally derived from 3-(1-naphthoyl)indole by substitution at the nitrogen atom of the indole ring by alkyl, alkenyl, cycloalkylmethyl, cycloalkylethyl, or 2-(4-morpholinyl)ethyl, whether or not further substituted in the indole
ring to any extent, whether or not substituted in the napthyl ring to any extent, including:

AM-2201;
JWH-004;
JWH-007;
JWH-009;
JWH-015;
JWH-016;
JWH-018;

Added by Acts 2011, 82nd Leg., R.S., Ch. 170 (S.B. 331), Sec. 1, eff. September 1, 2011.

Sec. 481.104. PENALTY GROUP 3. (a) Penalty Group 3 consists of:

(1) a material, compound, mixture, or preparation that contains any quantity of the following substances having a potential for abuse associated with a stimulant effect on the central nervous system:

Methylphenidate and its salts; and
Phenmetrazine and its salts;

(2) a material, compound, mixture, or preparation that contains any quantity of the following substances having a potential for abuse associated with a depressant effect on the central nervous system:
system:

- a substance that contains any quantity of a derivative of barbituric acid, or any salt of a derivative of barbituric acid not otherwise described by this subsection;
- a compound, mixture, or preparation containing amobarbital, secobarbital, pentobarbital, or any salt of any of these, and one or more active medicinal ingredients that are not listed in any penalty group;
- a suppository dosage form containing amobarbital, secobarbital, pentobarbital, or any salt of any of these drugs, and approved by the United States Food and Drug Administration for marketing only as a suppository;
  - Alprazolam;
  - Amobarbital;
  - Bromazepam;
  - Camazepam;
  - Chlordiazepoxide;
  - Chlorhexadol;
  - Clobazam;
  - Clonazepam;
  - Clorazepate;
  - Cloxazolam;
  - Delorazepam;
  - Diazepam;
  - Estazolam;
  - Ethyl loflazepate;
  - Fludiazepam;
  - Flurazepam;
  - Glutethimide;
  - Halazepam;
  - Haloxzolam;
  - Ketazolam;
  - Loprazolam;
  - Lorazepam;
  - Lormetazepam;
  - Lysergic acid, including its salts, isomers, and salts of isomers;
  - Lysergic acid amide, including its salts, isomers, and salts of isomers;
Mebutamate;
Medazepam;
Methyprylon;
Midazolam;
Nimetazepam;
Nitrazepam;
Nordiazepam;
Oxazepam;
Oxazolam;
Pentazocine, its salts, derivatives, or compounds or mixtures thereof;
Pentobarbital;
Pinazepam;
Prazepam;
Quazepam;
Secobarbital;
Sulfondiethylmethane;
Sulfonethylmethane;
Sulfonmethane;
Temazepam;
Tetrazepam;
Tiletamine and zolazepam in combination, and its salts.
(some trade or other names for a tiletamine-zolazepam combination product: Telazol, for tiletamine: 2-(ethylamino)-2-(2-thienyl)-cyclohexanone, and for zolazepam: 4-(2-fluorophenyl)-6,8-dihydro-1,3,8,-trimethylpyrazolo-[3,4- e](1,4)-d diazepin-7(1H)-one, flupyrazapon);
Triazolam;
Zaleplon;
Zolpidem; and
Zopiclone;
(3) Nalorphine;
(4) a material, compound, mixture, or preparation containing limited quantities of the following narcotic drugs, or any of their salts:
not more than 1.8 grams of codeine, or any of its salts, per 100 milliliters or not more than 90 milligrams per dosage unit, with an equal or greater quantity of an isoquinoline alkaloid of opium;
not more than 1.8 grams of codeine, or any of its salts,
per 100 milliliters or not more than 90 milligrams per dosage unit, with one or more active, nonnarcotic ingredients in recognized therapeutic amounts;

not more than 300 milligrams of dihydrocodeinone (hydrocodone), or any of its salts, per 100 milliliters or not more than 15 milligrams per dosage unit, with a fourfold or greater quantity of an isoquinoline alkaloid of opium;

not more than 300 milligrams of dihydrocodeinone (hydrocodone), or any of its salts, per 100 milliliters or not more than 15 milligrams per dosage unit, with one or more active, nonnarcotic ingredients in recognized therapeutic amounts;

not more than 1.8 grams of dihydrocodeine, or any of its salts, per 100 milliliters or not more than 90 milligrams per dosage unit, with one or more active, nonnarcotic ingredients in recognized therapeutic amounts;

not more than 300 milligrams of ethylmorphine, or any of its salts, per 100 milliliters or not more than 15 milligrams per dosage unit, with one or more active, nonnarcotic ingredients in recognized therapeutic amounts;

not more than 500 milligrams of opium per 100 milliliters or per 100 grams, or not more than 25 milligrams per dosage unit, with one or more active, nonnarcotic ingredients in recognized therapeutic amounts;

not more than 50 milligrams of morphine, or any of its salts, per 100 milliliters or per 100 grams with one or more active, nonnarcotic ingredients in recognized therapeutic amounts; and

not more than 1 milligram of difenoxin and not less than 25 micrograms of atropine sulfate per dosage unit;

(5) a material, compound, mixture, or preparation that contains any quantity of the following substances:

Barbital;
Chloral betaine;
Chloral hydrate;
Ethchlorvynol;
Ethinamate;
Meprobamate;
Methohexital;
Methylphenobarbital (Mephobarbital);
Paraldehyde;
Petrichloral; and
Phenobarbital;

(6) Peyote, unless unharvested and growing in its natural state, meaning all parts of the plant classified botanically as Lophophora, whether growing or not, the seeds of the plant, an extract from a part of the plant, and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or extracts;

(7) unless listed in another penalty group, a material, compound, mixture, or preparation that contains any quantity of the following substances having a stimulant effect on the central nervous system, including the substance's salts, optical, position, or geometric isomers, and salts of the substance's isomers, if the existence of the salts, isomers, and salts of isomers is possible within the specific chemical designation:

- Benzphetamine;
- Cathine [(+)−norpseudoephedrine];
- Chlorphentermine;
- Clortermine;
- Diethylpropion;
- Fencamfamin;
- Fenfluramine;
- Fenproporex;
- Mazindol;
- Mefenorex;
- Modafinil;
- Pemoline (including organometallic complexes and their chelates);
- Phendimetrazine;
- Phentermine;
- Pipradrol;
- Sibutramine; and
- SPA [(-)-1-dimethylamino-1,2-diphenylethane];

(8) unless specifically excepted or unless listed in another penalty group, a material, compound, mixture, or preparation that contains any quantity of the following substance, including its salts:

- Dextropropoxyphene (Alpha-(+)−4-dimethylamino-1,2-diphenyl-3-methyl-2-propionoxybutane);

(9) an anabolic steroid, including any drug or hormonal substance, or any substance that is chemically or pharmacologically
related to testosterone, other than an estrogen, progestin, dehydroepiandrosterone, or corticosteroid, and promotes muscle growth, including the following drugs and substances and any salt, ester, or ether of the following drugs and substances:

Androstanediol;
Androstanedione;
Androstenediol;
Androstenedione;
Bolasterone;
Boldenone;
Calusterone;
Clostebol;
Dehydrochlormethyltestosterone;
Delta-1-dihydrotestosterone;
Dihydrotestosterone (4-dihydrotestosterone);
Drostanolone;
Ethylestrenol;
Fluoxymesterone;
Formebulone;
Furazabol;
13beta-ethyl-17beta-hydroxygon-4-en-3-one;
4-hydroxytestosterone;
4-hydroxy-19-nortestosterone;
Mestanolone;
Mesterolone;
Methandienone;
Methandriol;
Methenolone;
17alpha-methyl-3beta, 17 beta-dihydroxy-5alpha-androstan-17-one;
17alpha-methyl-3beta, 17 beta-dihydroxy-5alpha-androstan-17-one;
17alpha-methyl-4-hydroxynandrolone;
Methyldienolone;
Methyltestosterone;
Methyltrienolone;
17alpha-methyl-delta-1-dihydrotestosterone;
Mibolerone;
Nandrolone;
Norandrostenediol;  
Norandrostenedione;  
Norbolethone;  
Norclostebol;  
Norethandrolone;  
Normethandrolone;  
Oxandrolone;  
Oxymesterone;  
Oxymetholone;  
Stanozolol;  
Stenbolone;  
Testolactone;  
Testosterone;  
Tetrahydrogestrinone; and  
Trenbolone; and

(10) Salvia divinorum, unless unharvested and growing in its natural state, meaning all parts of that plant, whether growing or not, the seeds of that plant, an extract from a part of that plant, and every compound, manufacture, salt, derivative, mixture, or preparation of that plant, its seeds, or extracts, including Salvinorin A.

(b) Penalty Group 3 does not include a compound, mixture, or preparation containing a stimulant substance listed in Subsection (a)(1) if the compound, mixture, or preparation contains one or more active medicinal ingredients not having a stimulant effect on the central nervous system and if the admixtures are included in combinations, quantity, proportion, or concentration that vitiate the potential for abuse of the substances that have a stimulant effect on the central nervous system.

(c) Penalty Group 3 does not include a compound, mixture, or preparation containing a depressant substance listed in Subsection (a)(2) or (a)(5) if the compound, mixture, or preparation contains one or more active medicinal ingredients not having a depressant effect on the central nervous system and if the admixtures are included in combinations, quantity, proportion, or concentration that vitiate the potential for abuse of the substances that have a depressant effect on the central nervous system.

Sec. 481.105. PENALTY GROUP 4. Penalty Group 4 consists of:

(1) a compound, mixture, or preparation containing limited quantities of any of the following narcotic drugs that includes one or more nonnarcotic active medicinal ingredients in sufficient proportion to confer on the compound, mixture, or preparation valuable medicinal qualities other than those possessed by the narcotic drug alone:

- not more than 200 milligrams of codeine per 100 milliliters or per 100 grams;
- not more than 100 milligrams of dihydrocodeine per 100 milliliters or per 100 grams;
- not more than 100 milligrams of ethylmorphine per 100 milliliters or per 100 grams;
- not more than 2.5 milligrams of diphenoxylate and not less than 25 micrograms of atropine sulfate per dosage unit;
- not more than 15 milligrams of opium per 29.5729 milliliters or per 28.35 grams; and
- not more than 0.5 milligram of difenoxin and not less than 25 micrograms of atropine sulfate per dosage unit;

(2) unless specifically excepted or unless listed in another penalty group, a material, compound, mixture, or preparation containing any quantity of the narcotic drug Buprenorphine or Butorphanol or a salt of either; and

(3) unless specifically exempted or excluded or unless listed in another penalty group, any material, compound, mixture, or preparation that contains any quantity of pyrovalerone, a substance having a stimulant effect on the central nervous system, including its salts, isomers, and salts of isomers.

Sec. 481.106. CLASSIFICATION OF CONTROLLED SUBSTANCE ANALOGUE. For the purposes of the prosecution of an offense under this subchapter involving the manufacture, delivery, or possession of a controlled substance, Penalty Groups 1, 1-A, and 2 include a controlled substance analogue that:

(1) has a chemical structure substantially similar to the chemical structure of a controlled substance listed in the applicable penalty group; or

(2) is specifically designed to produce an effect substantially similar to, or greater than, a controlled substance listed in the applicable penalty group.

Added by Acts 2003, 78th Leg., ch. 1099, Sec. 9, eff. Sept. 1, 2003.

Sec. 481.108. PREPARATORY OFFENSES. Title 4, Penal Code, applies to an offense under this chapter.

Sec. 481.111. EXEMPTIONS. (a) The provisions of this chapter relating to the possession and distribution of peyote do not apply to the use of peyote by a member of the Native American Church in bona fide religious ceremonies of the church. However, a person who supplies the substance to the church must register and maintain appropriate records of receipts and disbursements in accordance with rules adopted by the director. An exemption granted to a member of the Native American Church under this section does not apply to a member with less than 25 percent Indian blood.

(b) The provisions of this chapter relating to the possession of denatured sodium pentobarbital do not apply to possession by personnel of a humane society or an animal control agency for the purpose of destroying injured, sick, homeless, or unwanted animals if the humane society or animal control agency is registered with the Federal Drug Enforcement Administration. The provisions of this chapter relating to the distribution of denatured sodium pentobarbital do not apply to a person registered as required by Subchapter C, who is distributing the substance for that purpose to
a humane society or an animal control agency registered with the Federal Drug Enforcement Administration.

(c) A person does not violate Section 481.113, 481.116, 481.1161, 481.121, or 481.125 if the person possesses or delivers tetrahydrocannabinols or their derivatives, or drug paraphernalia to be used to introduce tetrahydrocannabinols or their derivatives into the human body, for use in a federally approved therapeutic research program.

(d) The provisions of this chapter relating to the possession and distribution of anabolic steroids do not apply to the use of anabolic steroids that are administered to livestock or poultry.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1989, 71st Leg., ch. 1100, Sec. 5.03(d), eff. Sept. 1, 1989. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 170 (S.B. 331), Sec. 2, eff. September 1, 2011.

Sec. 481.112. OFFENSE: MANUFACTURE OR DELIVERY OF SUBSTANCE IN PENALTY GROUP 1. (a) Except as authorized by this chapter, a person commits an offense if the person knowingly manufactures, delivers, or possesses with intent to deliver a controlled substance listed in Penalty Group 1.

(b) An offense under Subsection (a) is a state jail felony if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, less than one gram.

(c) An offense under Subsection (a) is a felony of the second degree if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, one gram or more but less than four grams.

(d) An offense under Subsection (a) is a felony of the first degree if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, four grams or more but less than 200 grams.

(e) An offense under Subsection (a) is punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than 10 years, and a fine not to exceed $100,000, if the amount of the controlled
substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, 200 grams or more but less than 400 grams.

(f) An offense under Subsection (a) is punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than 15 years, and a fine not to exceed $250,000, if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, 400 grams or more.

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.095, eff. September 1, 2009.

Sec. 481.1121. OFFENSE: MANUFACTURE OR DELIVERY OF SUBSTANCE IN PENALTY GROUP 1-A. (a) Except as provided by this chapter, a person commits an offense if the person knowingly manufactures, delivers, or possesses with intent to deliver a controlled substance listed in Penalty Group 1-A.

(b) An offense under this section is:
(1) a state jail felony if the number of abuse units of the controlled substance is fewer than 20;
(2) a felony of the second degree if the number of abuse units of the controlled substance is 20 or more but fewer than 80;
(3) a felony of the first degree if the number of abuse units of the controlled substance is 80 or more but fewer than 4,000; and
(4) punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than 15 years and a fine not to exceed $250,000, if the number of abuse units of the controlled substance is 4,000 or more.

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.096, eff.
Sec. 481.1122.  MANUFACTURE OF SUBSTANCE IN PENALTY GROUP 1: PRESENCE OF CHILD. If it is shown at the punishment phase of a trial for the manufacture of a controlled substance listed in Penalty Group 1 that when the offense was committed a child younger than 18 years of age was present on the premises where the offense was committed:

(1) the punishments specified by Sections 481.112(b) and (c) are increased by one degree;

(2) the minimum term of imprisonment specified by Section 481.112(e) is increased to 15 years and the maximum fine specified by that section is increased to $150,000; and

(3) the minimum term of imprisonment specified by Section 481.112(f) is increased to 20 years and the maximum fine specified by that section is increased to $300,000.

Added by Acts 2007, 80th Leg., R.S., Ch. 840 (H.B. 946), Sec. 1, eff. September 1, 2007.

Sec. 481.113. OFFENSE: MANUFACTURE OR DELIVERY OF SUBSTANCE IN PENALTY GROUP 2 OR 2-A. (a) Except as authorized by this chapter, a person commits an offense if the person knowingly manufactures, delivers, or possesses with intent to deliver a controlled substance listed in Penalty Group 2 or 2-A.

(b) An offense under Subsection (a) is a state jail felony if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, less than one gram.

(c) An offense under Subsection (a) is a felony of the second degree if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, one gram or more but less than four grams.

(d) An offense under Subsection (a) is a felony of the first degree if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, four grams or more but less than 400 grams.

(e) An offense under Subsection (a) is punishable by imprisonment in the Texas Department of Criminal Justice for life or
for a term of not more than 99 years or less than 10 years, and a fine not to exceed $100,000, if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, 400 grams or more.

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.097, eff. September 1, 2009.
Acts 2011, 82nd Leg., R.S., Ch. 170 (S.B. 331), Sec. 3, eff. September 1, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 170 (S.B. 331), Sec. 4, eff. September 1, 2011.

Sec. 481.114. OFFENSE: MANUFACTURE OR DELIVERY OF SUBSTANCE IN PENALTY GROUP 3 OR 4. (a) Except as authorized by this chapter, a person commits an offense if the person knowingly manufactures, delivers, or possesses with intent to deliver a controlled substance listed in Penalty Group 3 or 4.

(b) An offense under Subsection (a) is a state jail felony if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, less than 28 grams.

(c) An offense under Subsection (a) is a felony of the second degree if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, 28 grams or more but less than 200 grams.

(d) An offense under Subsection (a) is a felony of the first degree, if the amount of the controlled substance to which the offense applies is, by aggregate weight, including adulterants or dilutants, 200 grams or more but less than 400 grams.

(e) An offense under Subsection (a) is punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than 10 years, and a fine not to exceed $100,000, if the amount of the controlled substance to which the offense applies is, by aggregate weight, including any adulterants or dilutants, 400 grams or more.
Sec. 481.115. OFFENSE: POSSESSION OF SUBSTANCE IN PENALTY GROUP 1.

(a) Except as authorized by this chapter, a person commits an offense if the person knowingly or intentionally possesses a controlled substance listed in Penalty Group 1, unless the person obtained the substance directly from or under a valid prescription or order of a practitioner acting in the course of professional practice.

(b) An offense under Subsection (a) is a state jail felony if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, less than one gram.

(c) An offense under Subsection (a) is a felony of the third degree if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, one gram or more but less than four grams.

(d) An offense under Subsection (a) is a felony of the second degree if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, four grams or more but less than 200 grams.

(e) An offense under Subsection (a) is a felony of the first degree if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 200 grams or more but less than 400 grams.

(f) An offense under Subsection (a) is punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than 10 years, and a fine not to exceed $100,000, if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 400 grams or more.

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.098, eff. September 1, 2009.
Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.099, eff. September 1, 2009.

Sec. 481.1151. OFFENSE: POSSESSION OF SUBSTANCE IN PENALTY GROUP 1-A. (a) Except as provided by this chapter, a person commits an offense if the person knowingly possesses a controlled substance listed in Penalty Group 1-A.

(b) An offense under this section is:

(1) a state jail felony if the number of abuse units of the controlled substance is fewer than 20;
(2) a felony of the third degree if the number of abuse units of the controlled substance is 20 or more but fewer than 80;
(3) a felony of the second degree if the number of abuse units of the controlled substance is 80 or more but fewer than 4,000;
(4) a felony of the first degree if the number of abuse units of the controlled substance is 4,000 or more but fewer than 8,000; and
(5) punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than 15 years and a fine not to exceed $250,000, if the number of abuse units of the controlled substance is 8,000 or more.

Added by Acts 1997, 75th Leg., ch. 745, Sec. 26, eff. Jan. 1, 1998. Amended by:
Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.100, eff. September 1, 2009.

Sec. 481.116. OFFENSE: POSSESSION OF SUBSTANCE IN PENALTY GROUP 2. (a) Except as authorized by this chapter, a person commits an offense if the person knowingly or intentionally possesses a controlled substance listed in Penalty Group 2, unless the person obtained the substance directly from or under a valid prescription or order of a practitioner acting in the course of professional practice.

(b) An offense under Subsection (a) is a state jail felony if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, less than one gram.

(c) An offense under Subsection (a) is a felony of the third
degree if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, one gram or more but less than four grams.

(d) An offense under Subsection (a) is a felony of the second degree if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, four grams or more but less than 400 grams.

(e) An offense under Subsection (a) is punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than five years, and a fine not to exceed $50,000, if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 400 grams or more.

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.101, eff. September 1, 2009.

Sec. 481.1161. OFFENSE: POSSESSION OF SUBSTANCE IN PENALTY GROUP 2-A. (a) Except as authorized by this chapter, a person commits an offense if the person knowingly possesses a controlled substance listed in Penalty Group 2-A, unless the person obtained the substance directly from or under a valid prescription or order of a practitioner acting in the course of professional practice.

(b) An offense under this section is:

(1) a Class B misdemeanor if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, two ounces or less;

(2) a Class A misdemeanor if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, four ounces or less but more than two ounces;

(3) a state jail felony if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, five pounds or less but more than four ounces;

(4) a felony of the third degree if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 50 pounds or less but more than 5 pounds;
(5) a felony of the second degree if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 2,000 pounds or less but more than 50 pounds; and

(6) punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than 5 years, and a fine not to exceed $50,000, if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, more than 2,000 pounds.

Added by Acts 2011, 82nd Leg., R.S., Ch. 170 (S.B. 331), Sec. 5, eff. September 1, 2011.

Sec. 481.117. OFFENSE: POSSESSION OF SUBSTANCE IN PENALTY GROUP 3. (a) Except as authorized by this chapter, a person commits an offense if the person knowingly or intentionally possesses a controlled substance listed in Penalty Group 3, unless the person obtains the substance directly from or under a valid prescription or order of a practitioner acting in the course of professional practice.

(b) An offense under Subsection (a) is a Class A misdemeanor if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, less than 28 grams.

(c) An offense under Subsection (a) is a felony of the third degree if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 28 grams or more but less than 200 grams.

(d) An offense under Subsection (a) is a felony of the second degree, if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 200 grams or more but less than 400 grams.

(e) An offense under Subsection (a) is punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than five years, and a fine not to exceed $50,000, if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 400 grams or more.

Sec. 481.118. OFFENSE: POSSESSION OF SUBSTANCE IN PENALTY GROUP 4. (a) Except as authorized by this chapter, a person commits an offense if the person knowingly or intentionally possesses a controlled substance listed in Penalty Group 4, unless the person obtained the substance directly from or under a valid prescription or order of a practitioner acting in the course of practice.

(b) An offense under Subsection (a) is a Class B misdemeanor if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, less than 28 grams.

(c) An offense under Subsection (a) is a felony of the third degree if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 28 grams or more but less than 200 grams.

(d) An offense under Subsection (a) is a felony of the second degree, if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 200 grams or more but less than 400 grams.

(e) An offense under Subsection (a) is punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than five years, and a fine not to exceed $50,000, if the amount of the controlled substance possessed is, by aggregate weight, including adulterants or dilutants, 400 grams or more.

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.103, eff. September 1, 2009.

Sec. 481.119. OFFENSE: MANUFACTURE, DELIVERY, OR POSSESSION OF MISCELLANEOUS SUBSTANCES. (a) A person commits an offense if the person knowingly manufactures, delivers, or possesses with intent to deliver a controlled substance listed in a schedule by an action of
the commissioner under this chapter but not listed in a penalty group. An offense under this subsection is a Class A misdemeanor.

(b) A person commits an offense if the person knowingly or intentionally possesses a controlled substance listed in a schedule by an action of the commissioner under this chapter but not listed in a penalty group. An offense under this subsection is a Class B misdemeanor.

Sec. 481.120. OFFENSE: DELIVERY OF MARIHUANA. (a) Except as authorized by this chapter, a person commits an offense if the person knowingly or intentionally delivers marihuana.

(b) An offense under Subsection (a) is:

(1) a Class B misdemeanor if the amount of marihuana delivered is one-fourth ounce or less and the person committing the offense does not receive remuneration for the marihuana;

(2) a Class A misdemeanor if the amount of marihuana delivered is one-fourth ounce or less and the person committing the offense receives remuneration for the marihuana;

(3) a state jail felony if the amount of marihuana delivered is five pounds or less but more than one-fourth ounce;

(4) a felony of the second degree if the amount of marihuana delivered is 50 pounds or less but more than five pounds;

(5) a felony of the first degree if the amount of marihuana delivered is 2,000 pounds or less but more than 50 pounds; and

(6) punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than 10 years, and a fine not to exceed $100,000, if the amount of marihuana delivered is more than 2,000 pounds.

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.104, eff. September 1, 2009.

Sec. 481.121. OFFENSE: POSSESSION OF MARIHUANA. (a) Except
as authorized by this chapter, a person commits an offense if the person knowingly or intentionally possesses a usable quantity of marihuana.

(b) An offense under Subsection (a) is:
(1) a Class B misdemeanor if the amount of marihuana possessed is two ounces or less;
(2) a Class A misdemeanor if the amount of marihuana possessed is four ounces or less but more than two ounces;
(3) a state jail felony if the amount of marihuana possessed is five pounds or less but more than four ounces;
(4) a felony of the third degree if the amount of marihuana possessed is 50 pounds or less but more than 5 pounds;
(5) a felony of the second degree if the amount of marihuana possessed is 2,000 pounds or less but more than 50 pounds; and
(6) punishable by imprisonment in the Texas Department of Criminal Justice for life or for a term of not more than 99 years or less than 5 years, and a fine not to exceed $50,000, if the amount of marihuana possessed is more than 2,000 pounds.

Sec. 481.122. OFFENSE: DELIVERY OF CONTROLLED SUBSTANCE OR MARIHUANA TO CHILD. (a) A person commits an offense if the person knowingly delivers a controlled substance listed in Penalty Group 1, 1-A, 2, or 3 or knowingly delivers marihuana and the person delivers the controlled substance or marihuana to a person:
(1) who is a child;
(2) who is enrolled in a public or private primary or secondary school; or
(3) who the actor knows or believes intends to deliver the controlled substance or marihuana to a person described by Subdivision (1) or (2).
(b) It is an affirmative defense to prosecution under this section that:
(1) the actor was a child when the offense was committed; or

(2) the actor:
   (A) was younger than 21 years of age when the offense was committed;
   (B) delivered only marihuana in an amount equal to or less than one-fourth ounce; and
   (C) did not receive remuneration for the delivery.

(c) An offense under this section is a felony of the second degree.

(d) In this section, "child" means a person younger than 18 years of age.

(e) If conduct that is an offense under this section is also an offense under another section of this chapter, the actor may be prosecuted under either section or both.

Sec. 481.123. DEFENSE TO PROSECUTION FOR OFFENSE INVOLVING CONTROLLED SUBSTANCE ANALOGUE. (a) It is an affirmative defense to the prosecution of an offense under this subchapter involving the manufacture, delivery, or possession of a controlled substance analogue that the analogue:

(1) was not in any part intended for human consumption;
(2) was a substance for which there is an approved new drug application under Section 505 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 355); or
(3) was a substance for which an exemption for investigational use has been granted under Section 505 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 355), if the actor's conduct with respect to the substance is in accord with the exemption.

(b) For the purposes of this section, Section 505 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 355) applies to the introduction or delivery for introduction of any new drug into intrastate, interstate, or foreign commerce.

Sec. 481.124. OFFENSE: POSSESSION OR TRANSPORT OF CERTAIN CHEMICALS WITH INTENT TO MANUFACTURE CONTROLLED SUBSTANCE. (a) A person commits an offense if, with intent to unlawfully manufacture a controlled substance, the person possesses or transports:

(1) anhydrous ammonia;
(2) an immediate precursor; or
(3) a chemical precursor or an additional chemical substance named as a precursor by the director under Section 481.077(b)(1).

(b) For purposes of this section, an intent to unlawfully manufacture the controlled substance methamphetamine is presumed if the actor possesses or transports:

(1) anhydrous ammonia in a container or receptacle that is not designed and manufactured to lawfully hold or transport anhydrous ammonia;

(2) lithium metal removed from a battery and immersed in kerosene, mineral spirits, or similar liquid that prevents or retards hydration; or

(3) in one container, vehicle, or building, phenylacetic acid, or more than nine grams, three containers packaged for retail sale, or 300 tablets or capsules of a product containing ephedrine or pseudoephedrine, and:
   (A) anhydrous ammonia;
   (B) at least three of the following categories of substances commonly used in the manufacture of methamphetamine:
      (i) lithium or sodium metal or red phosphorus, iodine, or iodine crystals;
      (ii) lye, sulfuric acid, hydrochloric acid, or muriatic acid;
      (iii) an organic solvent, including ethyl ether, alcohol, or acetone;
      (iv) a petroleum distillate, including naphtha, paint thinner, or charcoal lighter fluid; or
      (v) aquarium, rock, or table salt; or
   (C) at least three of the following items:
(i) an item of equipment subject to regulation under Section 481.080, if the person is not registered under Section 481.063; or

(ii) glassware, a plastic or metal container, tubing, a hose, or other item specially designed, assembled, or adapted for use in the manufacture, processing, analyzing, storing, or concealing of methamphetamine.

(c) For purposes of this section, a substance is presumed to be anhydrous ammonia if the substance is in a container or receptacle that is:

(1) designed and manufactured to lawfully hold or transport anhydrous ammonia; or

(2) not designed and manufactured to lawfully hold or transport anhydrous ammonia, if:

   (A) a properly administered field test of the substance using a testing device or instrument designed and manufactured for that purpose produces a positive result for anhydrous ammonia; or

   (B) a laboratory test of a water solution of the substance produces a positive result for ammonia.

(d) An offense under this section is:

(1) a felony of the second degree if the controlled substance is listed in Penalty Group 1 or 1-A;

(2) a felony of the third degree if the controlled substance is listed in Penalty Group 2;

(3) a state jail felony if the controlled substance is listed in Penalty Group 3 or 4; or

(4) a Class A misdemeanor if the controlled substance is listed in a schedule by an action of the commissioner under this chapter but not listed in a penalty group.

(e) If conduct constituting an offense under this section also constitutes an offense under another section of this code, the actor may be prosecuted under either section or under both sections.

(f) This section does not apply to a chemical precursor exempted by the director under Section 481.077(b)(2) from the requirements of that section.

Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 6, eff. August 1,
2005.

Sec. 481.1245. OFFENSE: POSSESSION OR TRANSPORT OF ANHYDROUS AMMONIA; USE OF OR TAMPERING WITH EQUIPMENT. (a) A person commits an offense if the person:

(1) possesses or transports anhydrous ammonia in a container or receptacle that is not designed or manufactured to hold or transport anhydrous ammonia;
(2) uses, transfers, or sells a container or receptacle that is designed or manufactured to hold anhydrous ammonia without the express consent of the owner of the container or receptacle; or
(3) tampers with equipment that is manufactured or used to hold, apply, or transport anhydrous ammonia without the express consent of the owner of the equipment.

(b) An offense under this section is a felony of the third degree.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 7, eff. August 1, 2005.

Sec. 481.125. OFFENSE: POSSESSION OR DELIVERY OF DRUG PARAPHERNALIA. (a) A person commits an offense if the person knowingly or intentionally uses or possesses with intent to use drug paraphernalia to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, or conceal a controlled substance in violation of this chapter or to inject, ingest, inhale, or otherwise introduce into the human body a controlled substance in violation of this chapter.

(b) A person commits an offense if the person knowingly or intentionally delivers, possesses with intent to deliver, or manufactures with intent to deliver drug paraphernalia knowing that the person who receives or who is intended to receive the drug paraphernalia intends that it be used to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, or conceal a controlled substance in violation of this chapter or to inject, ingest, inhale, or otherwise introduce into the human body a
controlled substance in violation of this chapter.

(c) A person commits an offense if the person commits an
offense under Subsection (b), is 18 years of age or older, and the
person who receives or who is intended to receive the drug
paraphernalia is younger than 18 years of age and at least three
years younger than the actor.

(d) An offense under Subsection (a) is a Class C misdemeanor.

(e) An offense under Subsection (b) is a Class A misdemeanor,
unless it is shown on the trial of a defendant that the defendant has
previously been convicted under Subsection (b) or (c), in which event
the offense is punishable by confinement in jail for a term of not
more than one year or less than 90 days.

(f) An offense under Subsection (c) is a state jail felony.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1993, 73rd Leg., ch. 900, Sec. 2.02, eff. Sept. 1, 1994.

Sec. 481.126. OFFENSE: ILLEGAL BARTER, EXPENDITURE, OR
INVESTMENT. (a) A person commits an offense if the person:

(1) barters property or expends funds the person knows are
derived from the commission of an offense under this chapter
punishable by imprisonment in the Texas Department of Criminal
Justice for life;

(2) barters property or expends funds the person knows are
derived from the commission of an offense under Section 481.121(a)
that is punishable under Section 481.121(b)(5);

(3) barters property or finances or invests funds the
person knows or believes are intended to further the commission of an
offense for which the punishment is described by Subdivision (1); or

(4) barters property or finances or invests funds the
person knows or believes are intended to further the commission of an
offense under Section 481.121(a) that is punishable under Section
481.121(b)(5).

(b) An offense under Subsection (a)(1) or (3) is a felony of
the first degree. An offense under Subsection (a)(2) or (4) is a
felony of the second degree.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1993, 73rd Leg., ch. 900, Sec. 2.02, eff. Sept. 1, 1994;
Acts 1995, 74th Leg., ch. 318, Sec. 37, eff. Sept. 1, 1995; Acts
Sec. 481.127. OFFENSE: UNAUTHORIZED DISCLOSURE OF INFORMATION.
(a) A person commits an offense if the person knowingly gives, permits, or obtains unauthorized access to information submitted to the director under Section 481.074(q) or 481.075.
(b) An offense under this section is a state jail felony.

Acts 2013, 83rd Leg., R.S., Ch. 1226 (S.B. 1643), Sec. 3, eff. September 1, 2013.

Sec. 481.128. OFFENSE AND CIVIL PENALTY: COMMERCIAL MATTERS.
(a) A registrant or dispenser commits an offense if the registrant or dispenser knowingly:
   (1) distributes, delivers, administers, or dispenses a controlled substance in violation of Sections 481.070-481.075;
   (2) manufactures a controlled substance not authorized by the person's registration or distributes or dispenses a controlled substance not authorized by the person's registration to another registrant or other person;
   (3) refuses or fails to make, keep, or furnish a record, report, notification, order form, statement, invoice, or information required by this chapter;
   (4) prints, manufactures, possesses, or produces an official prescription form without the approval of the director;
   (5) delivers or possesses a counterfeit official prescription form;
   (6) refuses an entry into a premise for an inspection authorized by this chapter;
   (7) refuses or fails to return an official prescription
form as required by Section 481.075(k);

(8) refuses or fails to make, keep, or furnish a record, report, notification, order form, statement, invoice, or information required by a rule adopted by the director; or

(9) refuses or fails to maintain security required by this chapter or a rule adopted under this chapter.

(b) If the registrant or dispenser knowingly refuses or fails to make, keep, or furnish a record, report, notification, order form, statement, invoice, or information or maintain security required by a rule adopted by the director, the registrant or dispenser is liable to the state for a civil penalty of not more than $5,000 for each act.

(c) An offense under Subsection (a) is a state jail felony.

(d) If a person commits an act that would otherwise be an offense under Subsection (a) except that it was committed without the requisite culpable mental state, the person is liable to the state for a civil penalty of not more than $1,000 for each act.

(e) A district attorney of the county where the act occurred may file suit in district court in that county to collect a civil penalty under this section, or the district attorney of Travis County or the attorney general may file suit in district court in Travis County to collect the penalty.

Sec. 481.1285. OFFENSE: DIVERSION OF CONTROLLED SUBSTANCE BY REGISTRANTS, DISPENSERS, AND CERTAIN OTHER PERSONS. (a) This section applies only to a registrant, a dispenser, or a person who, pursuant to Section 481.062(a)(1) or (2), is not required to register under this subchapter.

(b) A person commits an offense if the person knowingly:

(1) converts to the person's own use or benefit a controlled substance to which the person has access by virtue of the person's profession or employment; or

(2) diverts to the unlawful use or benefit of another person a controlled substance to which the person has access by virtue of the person's profession or employment.
(c) An offense under Subsection (b)(1) is a state jail felony. An offense under Subsection (b)(2) is a felony of the third degree.

(d) If conduct that constitutes an offense under this section also constitutes an offense under any other law, the actor may be prosecuted under this section, the other law, or both.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1200 (S.B. 158), Sec. 1, eff. September 1, 2011.

Sec. 481.129. OFFENSE: FRAUD. (a) A person commits an offense if the person knowingly:

(1) distributes as a registrant or dispenser a controlled substance listed in Schedule I or II, unless the person distributes the controlled substance under an order form as required by Section 481.069;

(2) uses in the course of manufacturing, prescribing, or distributing a controlled substance a registration number that is fictitious, revoked, suspended, or issued to another person;

(3) issues a prescription bearing a forged or fictitious signature;

(4) uses a prescription issued to another person to prescribe a Schedule II controlled substance;

(5) possesses, obtains, or attempts to possess or obtain a controlled substance or an increased quantity of a controlled substance:

(A) by misrepresentation, fraud, forgery, deception, or subterfuge;

(B) through use of a fraudulent prescription form; or

(C) through use of a fraudulent oral or telephonically communicated prescription; or

(6) furnishes false or fraudulent material information in or omits material information from an application, report, record, or other document required to be kept or filed under this chapter.

(a-1) A person commits an offense if the person, with intent to obtain a controlled substance or combination of controlled substances that is not medically necessary for the person or an amount of a controlled substance or substances that is not medically necessary for the person, obtains or attempts to obtain from a practitioner a controlled substance or a prescription for a controlled substance by
misrepresentation, fraud, forgery, deception, subterfuge, or concealment of a material fact. For purposes of this subsection, a material fact includes whether the person has an existing prescription for a controlled substance issued for the same period of time by another practitioner.

(b) A person commits an offense if the person knowingly or intentionally:

(1) makes, distributes, or possesses a punch, die, plate, stone, or other thing designed to print, imprint, or reproduce an actual or simulated trademark, trade name, or other identifying mark, imprint, or device of another on a controlled substance or the container or label of a container for a controlled substance, so as to make the controlled substance a counterfeit substance; or

(2) manufactures, delivers, or possesses with intent to deliver a counterfeit substance.

(c) A person commits an offense if the person knowingly or intentionally:

(1) delivers a prescription or a prescription form for other than a valid medical purpose in the course of professional practice; or

(2) possesses a prescription for a controlled substance or a prescription form unless the prescription or prescription form is possessed:

(A) during the manufacturing or distribution process;  
(B) by a practitioner, practitioner's agent, or an institutional practitioner for a valid medical purpose during the course of professional practice;  
(C) by a pharmacist or agent of a pharmacy during the professional practice of pharmacy;  
(D) under a practitioner's order made by the practitioner for a valid medical purpose in the course of professional practice; or

(E) by an officer or investigator authorized to enforce this chapter within the scope of the officer's or investigator's official duties.

(d) An offense under Subsection (a) is:

(1) a felony of the second degree if the controlled substance that is the subject of the offense is listed in Schedule I or II;

(2) a felony of the third degree if the controlled substance that is the subject of the offense is not listed in Schedule I or II.
substance that is the subject of the offense is listed in Schedule III or IV; and
(3) a Class A misdemeanor if the controlled substance that is the subject of the offense is listed in Schedule V.

(d-1) An offense under Subsection (a-1) is:
(1) a felony of the second degree if any controlled substance that is the subject of the offense is listed in Schedule I or II;
(2) a felony of the third degree if any controlled substance that is the subject of the offense is listed in Schedule III or IV; and
(3) a Class A misdemeanor if any controlled substance that is the subject of the offense is listed in Schedule V.

(e) An offense under Subsection (b) is a Class A misdemeanor.

(f) An offense under Subsection (c)(1) is:
(1) a felony of the second degree if the defendant delivers:
   (A) a prescription form; or
   (B) a prescription for a controlled substance listed in Schedule II; and
(2) a felony of the third degree if the defendant delivers a prescription for a controlled substance listed in Schedule III, IV, or V.

(g) An offense under Subsection (c)(2) is:
(1) a state jail felony if the defendant possesses:
   (A) a prescription form; or
   (B) a prescription for a controlled substance listed in Schedule II or III; and
(2) a Class B misdemeanor if the defendant possesses a prescription for a controlled substance listed in Schedule IV or V.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1200 (S.B. 158), Sec. 2, eff. September 1, 2011.
Sec. 481.130. PENALTIES UNDER OTHER LAW. A penalty imposed for an offense under this chapter is in addition to any civil or administrative penalty or other sanction imposed by law.

Sec. 481.131. OFFENSE: DIVERSION OF CONTROLLED SUBSTANCE PROPERTY OR PLANT. (a) A person commits an offense if the person intentionally or knowingly:

(1) converts to the person's own use or benefit a controlled substance property or plant seized under Section 481.152 or 481.153; or

(2) diverts to the unlawful use or benefit of another person a controlled substance property or plant seized under Section 481.152 or 481.153.

(b) An offense under this section is a state jail felony.

Sec. 481.132. MULTIPLE PROSECUTIONS. (a) In this section, "criminal episode" means the commission of two or more offenses under this chapter under the following circumstances:

(1) the offenses are committed pursuant to the same transaction or pursuant to two or more transactions that are connected or constitute a common scheme, plan, or continuing course of conduct; or

(2) the offenses are the repeated commission of the same or similar offenses.

(b) A defendant may be prosecuted in a single criminal action for all offenses arising out of the same criminal episode. If a single criminal action is based on more than one charging instrument within the jurisdiction of the trial court, not later than the 30th day before the date of the trial, the state shall file written notice of the action.

(c) If a judgment of guilt is reversed, set aside, or vacated and a new trial is ordered, the state may not prosecute in a single criminal action in the new trial any offense not joined in the former
prosecution unless evidence to establish probable guilt for that offense was not known to the appropriate prosecution official at the time the first prosecution began.

(d) If the accused is found guilty of more than one offense arising out of the same criminal episode prosecuted in a single criminal action, sentence for each offense for which the accused has been found guilty shall be pronounced, and those sentences run concurrently.

(e) If it appears that a defendant or the state is prejudiced by a joinder of offenses, the court may order separate trials of the offenses or provide other relief as justice requires.

(f) This section provides the exclusive method for consolidation and joinder of prosecutions for offenses under this chapter. This section is not a limitation of Article 36.09 or 36.10, Code of Criminal Procedure.

Sec. 481.133. OFFENSE: FALSIFICATION OF DRUG TEST RESULTS.
(a) A person commits an offense if the person knowingly or intentionally uses or possesses with intent to use any substance or device designed to falsify drug test results.
(b) A person commits an offense if the person knowingly or intentionally delivers, possesses with intent to deliver, or manufactures with intent to deliver a substance or device designed to falsify drug test results.
(c) In this section, "drug test" means a lawfully administered test designed to detect the presence of a controlled substance or marihuana.
(d) An offense under Subsection (a) is a Class B misdemeanor.
(e) An offense under Subsection (b) is a Class A misdemeanor.

Sec. 481.134. DRUG-FREE ZONES. (a) In this section:
(1) "Minor" means a person who is younger than 18 years of age.

(2) "Institution of higher education" means any public or private technical institute, junior college, senior college or university, medical or dental unit, or other agency of higher education as defined by Section 61.003, Education Code.

(3) "Playground" means any outdoor facility that is not on the premises of a school and that:
   (A) is intended for recreation;
   (B) is open to the public; and
   (C) contains three or more play stations intended for the recreation of children, such as slides, swing sets, and teeterboards.

(4) "Premises" means real property and all buildings and appurtenances pertaining to the real property.

(5) "School" means a private or public elementary or secondary school or a day-care center, as defined by Section 42.002, Human Resources Code.

(6) "Video arcade facility" means any facility that:
   (A) is open to the public, including persons who are 17 years of age or younger;
   (B) is intended primarily for the use of pinball or video machines; and
   (C) contains at least three pinball or video machines.

(7) "Youth center" means any recreational facility or gymnasium that:
   (A) is intended primarily for use by persons who are 17 years of age or younger; and
   (B) regularly provides athletic, civic, or cultural activities.

(b) An offense otherwise punishable as a state jail felony under Section 481.112, 481.113, 481.114, or 481.120 is punishable as a felony of the third degree, and an offense otherwise punishable as a felony of the second degree under any of those sections is punishable as a felony of the first degree, if it is shown at the punishment phase of the trial of the offense that the offense was committed:

   (1) in, on, or within 1,000 feet of premises owned, rented, or leased by an institution of higher learning, the premises of a public or private youth center, or a playground; or
(2) in, on, or within 300 feet of the premises of a public swimming pool or video arcade facility.

(c) The minimum term of confinement or imprisonment for an offense otherwise punishable under Section 481.112(c), (d), (e), or (f), 481.113(c), (d), or (e), 481.114(c), (d), or (e), 481.115(c)-(f), 481.116(c), (d), or (e), 481.1161(b)(4), (5), or (6), 481.117(c), (d), or (e), 481.118(c), (d), or (e), 481.120(b)(4), (5), or (6), or 481.121(b)(4), (5), or (6) is increased by five years and the maximum fine for the offense is doubled if it is shown on the trial of the offense that the offense was committed:

(1) in, on, or within 1,000 feet of the premises of a school, the premises of a public or private youth center, or a playground; or

(2) on a school bus.

(d) An offense otherwise punishable under Section 481.112(b), 481.113(b), 481.114(b), 481.115(b), 481.116(b), 481.1161(b)(3), 481.120(b)(3), or 481.121(b)(3) is a felony of the third degree if it is shown on the trial of the offense that the offense was committed:

(1) in, on, or within 1,000 feet of any real property that is owned, rented, or leased to a school or school board, the premises of a public or private youth center, or a playground; or

(2) on a school bus.

(e) An offense otherwise punishable under Section 481.117(b), 481.119(a), 481.120(b)(2), or 481.121(b)(2) is a state jail felony if it is shown on the trial of the offense that the offense was committed:

(1) in, on, or within 1,000 feet of any real property that is owned, rented, or leased to a school or school board, the premises of a public or private youth center, or a playground; or

(2) on a school bus.

(f) An offense otherwise punishable under Section 481.118(b), 481.119(b), 481.120(b)(1), or 481.121(b)(1) is a Class A misdemeanor if it is shown on the trial of the offense that the offense was committed:

(1) in, on, or within 1,000 feet of any real property that is owned, rented, or leased to a school or school board, the premises of a public or private youth center, or a playground; or

(2) on a school bus.

(g) Subsection (f) does not apply to an offense if:

(1) the offense was committed inside a private residence;
and

(2) no minor was present in the private residence at the time the offense was committed.

(h) Punishment that is increased for a conviction for an offense listed under this section may not run concurrently with punishment for a conviction under any other criminal statute.

Acts 2009, 81st Leg., R.S., Ch. 452 (H.B. 2467), Sec. 1, eff. September 1, 2009.
Acts 2009, 81st Leg., R.S., Ch. 452 (H.B. 2467), Sec. 2, eff. September 1, 2009.
Acts 2011, 82nd Leg., R.S., Ch. 170 (S.B. 331), Sec. 6, eff. September 1, 2011.

Sec. 481.135. MAPS AS EVIDENCE OF LOCATION OR AREA. (a) In a prosecution under Section 481.134, a map produced or reproduced by a municipal or county engineer for the purpose of showing the location and boundaries of drug-free zones is admissible in evidence and is prima facie evidence of the location or boundaries of those areas if the governing body of the municipality or county adopts a resolution or ordinance approving the map as an official finding and record of the location or boundaries of those areas.

(b) A municipal or county engineer may, on request of the governing body of the municipality or county, revise a map that has been approved by the governing body of the municipality or county as provided by Subsection (a).

(c) A municipal or county engineer shall file the original or a copy of every approved or revised map approved as provided by Subsection (a) with the county clerk of each county in which the area is located.

(d) This section does not prevent the prosecution from:
(1) introducing or relying on any other evidence or testimony to establish any element of an offense for which punishment
is increased under Section 481.134; or
(2) using or introducing any other map or diagram otherwise admissible under the Texas Rules of Evidence.

Added by Acts 1993, 73rd Leg., ch. 888, Sec. 3, eff. Sept. 1, 1993. Amended by:
Acts 2005, 79th Leg., Ch. 728 (H.B. 2018), Sec. 9.004, eff. September 1, 2005.

Sec. 481.136. OFFENSE: UNLAWFUL TRANSFER OR RECEIPT OF CHEMICAL PRECURSOR. (a) A person commits an offense if the person sells, transfers, furnishes, or receives a chemical precursor subject to Section 481.077(a) and the person:
(1) does not hold a chemical precursor transfer permit as required by Section 481.078 at the time of the transaction;
(2) does not comply with Section 481.077 or 481.0771;
(3) knowingly makes a false statement in a report or record required by Section 481.077, 481.0771, or 481.078; or
(4) knowingly violates a rule adopted under Section 481.077, 481.0771, or 481.078.
(b) An offense under this section is a state jail felony, unless it is shown on the trial of the offense that the defendant has been previously convicted of an offense under this section or Section 481.137, in which event the offense is a felony of the third degree.

Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 8, eff. August 1, 2005.

Sec. 481.137. OFFENSE: TRANSFER OF PRECURSOR SUBSTANCE FOR UNLAWFUL MANUFACTURE. (a) A person commits an offense if the person sells, transfers, or otherwise furnishes a chemical precursor subject to Section 481.077(a) with the knowledge or intent that the recipient will use the chemical precursor to unlawfully manufacture a controlled substance or controlled substance analogue.
(b) An offense under this section is a felony of the third
Sec. 481.138. OFFENSE: UNLAWFUL TRANSFER OR RECEIPT OF CHEMICAL LABORATORY APPARATUS. (a) A person commits an offense if the person sells, transfers, furnishes, or receives a chemical laboratory apparatus subject to Section 481.080(a) and the person:

(1) does not have a chemical laboratory apparatus transfer permit as required by Section 481.081 at the time of the transaction;
(2) does not comply with Section 481.080;
(3) knowingly makes a false statement in a report or record required by Section 481.080 or 481.081; or
(4) knowingly violates a rule adopted under Section 481.080 or 481.081.

(b) An offense under this section is a state jail felony, unless it is shown on the trial of the offense that the defendant has been previously convicted of an offense under this section, in which event the offense is a felony of the third degree.

Sec. 481.139. OFFENSE: TRANSFER OF CHEMICAL LABORATORY APPARATUS FOR UNLAWFUL MANUFACTURE. (a) A person commits an offense if the person sells, transfers, or otherwise furnishes a chemical laboratory apparatus with the knowledge or intent that the recipient will use the apparatus to unlawfully manufacture a controlled substance or controlled substance analogue.

(b) An offense under Subsection (a) is a felony of the third degree.

Statute text rendered on: 3/14/2015 - 3180 -
Sec. 481.140. USE OF CHILD IN COMMISSION OF OFFENSE. (a) If it is shown at the punishment phase of the trial of an offense otherwise punishable as a state jail felony, felony of the third degree, or felony of the second degree under Section 481.112, 481.1121, 481.113, 481.114, 481.120, or 481.122 that the defendant used or attempted to use a child younger than 18 years of age to commit or assist in the commission of the offense, the punishment is increased by one degree, unless the defendant used or threatened to use force against the child or another to gain the child's assistance, in which event the punishment for the offense is a felony of the first degree.

(b) Notwithstanding Article 42.08, Code of Criminal Procedure, if punishment for a defendant is increased under this section, the court may not order the sentence for the offense to run concurrently with any other sentence the court imposes on the defendant.

Sec. 481.141. MANUFACTURE OR DELIVERY OF CONTROLLED SUBSTANCE CAUSING DEATH OR SERIOUS BODILY INJURY. (a) If at the guilt or innocence phase of the trial of an offense described by Subsection (b), the judge or jury, whichever is the trier of fact, determines beyond a reasonable doubt that a person died or suffered serious bodily injury as a result of injecting, ingesting, inhaling, or introducing into the person's body any amount of the controlled substance manufactured or delivered by the defendant, regardless of whether the controlled substance was used by itself or with another substance, including a drug, adulterant, or dilutant, the punishment for the offense is increased by one degree.

(b) This section applies to an offense otherwise punishable as a state jail felony, felony of the third degree, or felony of the second degree under Section 481.112, 481.1121, 481.113, 481.114, or 481.122.

(c) Notwithstanding Article 42.08, Code of Criminal Procedure, if punishment for a defendant is increased under this section, the court may not order the sentence for the offense to run concurrently with any other sentence the court imposes on the defendant.

SUBCHAPTER E. FORFEITURE

Sec. 481.151. DEFINITIONS. In this subchapter:

(1) "Controlled substance property" means a controlled substance, mixture containing a controlled substance, controlled substance analogue, counterfeit controlled substance, drug paraphernalia, chemical precursor, chemical laboratory apparatus, or raw material.

(2) "Controlled substance plant" means a species of plant from which a controlled substance listed in Schedule I or II may be derived.

(3) "Summary destruction" or "summarily destroy" means destruction without the necessity of any court action, a court order, or further proceedings.

(4) "Summary forfeiture" or "summarily forfeit" means forfeiture without the necessity of any court action, a court order, or further proceedings.

Sec. 481.152. SEIZURE, SUMMARY FORFEITURE, AND SUMMARY DESTRUCTION OF CONTROLLED SUBSTANCE PLANTS. (a) Controlled substance plants are subject to seizure and summary forfeiture to the state if:

(1) the plants have been planted, cultivated, or harvested in violation of this chapter;

(2) the plants are wild growths; or

(3) the owners or cultivators of the plants are unknown.

(b) Subsection (a) does not apply to unharvested peyote growing in its natural state.

(c) If a person who occupies or controls land or premises on which the plants are growing fails on the demand of a peace officer to produce an appropriate registration or proof that the person is the holder of the registration, the officer may seize and summarily forfeit the plants.

(d) If a controlled substance plant is seized and forfeited
under this section, a court may order the disposition of the plant 
under Section 481.159, or the department or a peace officer may
summarily destroy the property under the rules of the department.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Amended by:
   Acts 2007, 80th Leg., R.S., Ch. 152 (S.B. 722), Sec. 2, eff. May
   Acts 2007, 80th Leg., R.S., Ch. 152 (S.B. 722), Sec. 3, eff. May

Sec. 481.153. SEIZURE, SUMMARY FORFEITURE, AND SUMMARY
DESTRUCTION OF CONTROLLED SUBSTANCE PROPERTY. (a) Controlled
substance property that is manufactured, delivered, or possessed in
violation of this chapter is subject to seizure and summary
forfeiture to the state.
   (b) If an item of controlled substance property is seized and
forfeited under this section, a court may order the disposition of
the property under Section 481.159, or the department or a peace
officer may summarily destroy the property under the rules of the
department.

Amended by:
   Acts 2007, 80th Leg., R.S., Ch. 152 (S.B. 722), Sec. 4, eff. May
   Acts 2007, 80th Leg., R.S., Ch. 152 (S.B. 722), Sec. 5, eff. May

Sec. 481.154. RULES. (a) The director may adopt reasonable
rules and procedures, not inconsistent with the provisions of this
chapter, concerning:
   (1) summary forfeiture and summary destruction of
controlled substance property or plants;
   (2) establishment and operation of a secure storage area;
   (3) delegation by a law enforcement agency head of the
authority to access a secure storage area; and
   (4) minimum tolerance for and the circumstances of loss or
destruction during an investigation.

(b) The rules for the destruction of controlled substance property or plants must require:

(1) more than one person to witness the destruction of the property or plants;
(2) the preparation of an inventory of the property or plants destroyed; and
(3) the preparation of a statement that contains the names of the persons who witness the destruction and the details of the destruction.

(c) A document prepared under a rule adopted under this section must be completed, retained, and made available for inspection by the director.

Amended by Acts 1991, 72nd Leg., ch. 141, Sec. 1, eff. Sept. 1, 1991. Amended by:
Acts 2007, 80th Leg., R.S., Ch. 152 (S.B. 722), Sec. 6, eff. May 21, 2007.

Sec. 481.159. DISPOSITION OF CONTROLLED SUBSTANCE PROPERTY OR PLANT. (a) If a district court orders the forfeiture of a controlled substance property or plant under Chapter 59, Code of Criminal Procedure, or under this code, the court shall also order a law enforcement agency to:

(1) retain the property or plant for its official purposes, including use in the investigation of offenses under this code;
(2) deliver the property or plant to a government agency for official purposes;
(3) deliver the property or plant to a person authorized by the court to receive it;
(4) deliver the property or plant to a person authorized by the director to receive it for a purpose described by Section 481.065(a); or
(5) destroy the property or plant that is not otherwise disposed of in the manner prescribed by this subchapter.

(b) The district court may not require the department to receive, analyze, or retain a controlled substance property or plant forfeited to a law enforcement agency other than the department.

(c) In order to ensure that a controlled substance property or
plant is not diluted, substituted, diverted, or tampered with while being used in the investigation of offenses under this code, law enforcement agencies using the property or plant for this purpose shall:

(1) employ a qualified individual to conduct qualitative and quantitative analyses of the property or plant before and after their use in an investigation;

(2) maintain the property or plant in a secure storage area accessible only to the law enforcement agency head and the individual responsible for analyzing, preserving, and maintaining security over the property or plant; and

(3) maintain a log documenting:
   (A) the date of issue, date of return, type, amount, and concentration of property or plant used in an investigation; and
   (B) the signature and the printed or typed name of the peace officer to whom the property or plant was issued and the signature and the printed or typed name of the individual issuing the property or plant.

d) A law enforcement agency may contract with another law enforcement agency to provide security that complies with Subsection (c) for controlled substance property or plants.

e) A law enforcement agency may adopt a written policy with more stringent requirements than those required by Subsection (c). The director may enter and inspect, in accordance with Section 481.181, a location at which an agency maintains records or controlled substance property or plants as required by this section.

f) If a law enforcement agency uses a controlled substance property or plant in the investigation of an offense under this code and the property or plant has been transported across state lines before the forfeiture, the agency shall cooperate with a federal agency in the investigation if requested to do so by the federal agency.

g) Under the rules of the department, a law enforcement agency head may grant to another person access to a secure storage facility under Subsection (c)(2).

h) A county, justice, or municipal court may order forfeiture of a controlled substance property or plant, unless the lawful possession of and title to the property or plant can be ascertained. If the court determines that a person had lawful possession of and title to the controlled substance property or plant before it was
seized, the court shall order the controlled substance property or plant returned to the person, if the person so desires. The court may only order the destruction of a controlled substance property or plant that is not otherwise disposed of in the manner prescribed by Section 481.160.

(i) If a controlled substance property or plant seized under this chapter was forfeited to an agency for the purpose of destruction or for any purpose other than investigation, the property or plant may not be used in an investigation unless a district court orders disposition under this section and permits the use of the property or plant in the investigation.

Sec. 481.160. DESTRUCTION OF EXCESS QUANTITIES. (a) If a controlled substance property or plant is forfeited under this code or under Chapter 59, Code of Criminal Procedure, the law enforcement agency that seized the property or plant or to which the property or plant is forfeited may summarily destroy the property or plant without a court order before the disposition of a case arising out of the forfeiture if the agency ensures that:

(1) at least five random and representative samples are taken from the total amount of the property or plant and a sufficient quantity is preserved to provide for discovery by parties entitled to discovery;

(2) photographs are taken that reasonably depict the total amount of the property or plant; and

(3) the gross weight or liquid measure of the property or plant is determined, either by actually weighing or measuring the property or plant or by estimating its weight or measurement after making dimensional measurements of the total amount seized.

(b) If the property consists of a single container of liquid, taking and preserving one representative sample complies with Subsection (a)(1).

(c) A representative sample, photograph, or record made under this section is admissible in civil or criminal proceedings in the same manner and to the same extent as if the total quantity of the
suspected controlled substance property or plant was offered in evidence, regardless of whether the remainder of the property or plant has been destroyed. An inference or presumption of spoliation does not apply to a property or plant destroyed under this section.

(d) If hazardous waste, residuals, contaminated glassware, associated equipment, or by-products from illicit chemical laboratories or similar operations that create a health or environmental hazard or are not capable of being safely stored are forfeited, those items may be disposed of under Subsection (a) or may be seized and summarily forfeited and destroyed by a law enforcement agency without a court order before the disposition of a case arising out of the forfeiture if current environmental protection standards are followed.

(e) A law enforcement agency seizing and destroying or disposing of materials described in Subsection (d) shall ensure that photographs are taken that reasonably depict the total amount of the materials seized and the manner in which the materials were physically arranged or positioned before seizure.

(f) Repealed by Acts 2005, 79th Leg., Ch. 1224, Sec. 19(2), eff. September 1, 2005.

Acts 2005, 79th Leg., Ch. 1224 (H.B. 1068), Sec. 19(2), eff. September 1, 2005.

**SUBCHAPTER F. INSPECTIONS, EVIDENCE, AND MISCELLANEOUS LAW ENFORCEMENT PROVISIONS**

Sec. 481.181. INSPECTIONS. (a) The director may enter controlled premises at any reasonable time and inspect the premises and items described by Subsection (b) in order to inspect, copy, and verify the correctness of a record, report, or other document required to be made or kept under this chapter and to perform other
functions under this chapter. For purposes of this subsection, "reasonable time" means any time during the normal business hours of the person or activity regulated under this chapter or any time an activity regulated under this chapter is occurring on the premises. The director shall:

(1) state the purpose of the entry;
(2) display to the owner, operator, or agent in charge of the premises appropriate credentials; and
(3) deliver to the owner, operator, or agent in charge of the premises a written notice of inspection authority.

(b) The director may:

(1) inspect and copy a record, report, or other document required to be made or kept under this chapter;
(2) inspect, within reasonable limits and in a reasonable manner, the controlled premises and all pertinent equipment, finished and unfinished drugs, other substances, and materials, containers, labels, records, files, papers, processes, controls, and facilities as appropriate to verify a record, report, or document required to be kept under this chapter or to administer this chapter;
(3) examine and inventory stock of a controlled substance and obtain samples of the controlled substance;
(4) examine a hypodermic syringe, needle, pipe, or other instrument, device, contrivance, equipment, control, container, label, or facility relating to a possible violation of this chapter; and
(5) examine a material used, intended to be used, or capable of being used to dilute or adulterate a controlled substance.

(c) Unless the owner, operator, or agent in charge of the controlled premises consents in writing, the director may not inspect:

(1) financial data;
(2) sales data other than shipment data; or
(3) pricing data.

Sec. 481.182. EVIDENTIARY RULES RELATING TO OFFER OF DELIVERY. For the purpose of establishing a delivery under this chapter, proof
of an offer to sell must be corroborated by:

(1) a person other than the person to whom the offer is made; or

(2) evidence other than a statement of the person to whom the offer is made.

Sec. 481.183. EVIDENTIARY RULES RELATING TO DRUG PARAPHERNALIA.

(a) In considering whether an item is drug paraphernalia under this chapter, a court or other authority shall consider, in addition to all other logically relevant factors, and subject to rules of evidence:

(1) statements by an owner or person in control of the object concerning its use;

(2) the existence of any residue of a controlled substance on the object;

(3) direct or circumstantial evidence of the intent of an owner or other person in control of the object to deliver it to a person whom the person knows or should reasonably know intends to use the object to facilitate a violation of this chapter;

(4) oral or written instructions provided with the object concerning its use;

(5) descriptive material accompanying the object that explains or depicts its use;

(6) the manner in which the object is displayed for sale;

(7) whether the owner or person in control of the object is a supplier of similar or related items to the community, such as a licensed distributor or dealer of tobacco products;

(8) direct or circumstantial evidence of the ratio of sales of the object to the total sales of the business enterprise;

(9) the existence and scope of uses for the object in the community;

(10) the physical design characteristics of the item; and

(11) expert testimony concerning the item's use.

(b) The innocence of an owner or other person in charge of an object as to a direct violation of this chapter does not prevent a finding that the object is intended or designed for use as drug
paraphernalia.

Sec. 481.184. BURDEN OF PROOF; LIABILITIES. (a) The state is not required to negate an exemption or exception provided by this chapter in a complaint, information, indictment, or other pleading or in any trial, hearing, or other proceeding under this chapter. A person claiming the benefit of an exemption or exception has the burden of going forward with the evidence with respect to the exemption or exception.

(b) In the absence of proof that a person is the duly authorized holder of an appropriate registration or order form issued under this chapter, the person is presumed not to be the holder of the registration or form. The presumption is subject to rebuttal by a person charged with an offense under this chapter.

(c) This chapter does not impose a liability on an authorized state, county, or municipal officer engaged in the lawful performance of official duties.

Sec. 481.185. ARREST REPORTS. (a) Each law enforcement agency in this state shall file monthly with the director a report of all arrests made for drug offenses and quantities of controlled substances seized during the preceding month. The agency shall make the report on a form provided by the director and shall provide the information required by the form.

(b) The director shall publish an annual summary of all drug arrests and controlled substances seized in the state.

Sec. 481.186. COOPERATIVE ARRANGEMENTS. (a) The director shall cooperate with federal and state agencies in discharging the director's responsibilities concerning traffic in controlled...
substances and in suppressing the abuse of controlled substances. The director may:

(1) arrange for the exchange of information among government officials concerning the use and abuse of controlled substances;

(2) cooperate in and coordinate training programs concerning controlled substances law enforcement at local and state levels;

(3) cooperate with the Federal Drug Enforcement Administration and state agencies by establishing a centralized unit to accept, catalog, file, and collect statistics, including records on drug-dependent persons and other controlled substance law offenders in this state and, except as provided by Section 481.068, make the information available for federal, state, and local law enforcement purposes; and

(4) conduct programs of eradication aimed at destroying wild or illegal growth of plant species from which controlled substances may be extracted.

(b) In the exercise of regulatory functions under this chapter, the director may rely on results, information, and evidence relating to the regulatory functions of this chapter received from the Federal Drug Enforcement Administration or a state agency.

SUBCHAPTER G. THERAPEUTIC RESEARCH PROGRAM

Sec. 481.201. RESEARCH PROGRAM; REVIEW BOARD. (a) The Texas Board of Health may establish a controlled substance therapeutic research program for the supervised use of tetrahydrocannabinols for medical and research purposes to be conducted in accordance with this chapter.

(b) If the Texas Board of Health establishes the program, the board shall create a research program review board. The review board members are appointed by the Texas Board of Health and serve at the will of the board.

(c) The review board shall be composed of:

(1) a licensed physician certified by the American Board of Ophthalmology;
(2) a licensed physician certified by the American Board of Internal Medicine and certified in the subspecialty of medical oncology;

(3) a licensed physician certified by the American Board of Psychiatry;

(4) a licensed physician certified by the American Board of Surgery;

(5) a licensed physician certified by the American Board of Radiology; and

(6) a licensed attorney with experience in law pertaining to the practice of medicine.

(d) Members serve without compensation but are entitled to reimbursement for actual and necessary expenses incurred in performing official duties.

Sec. 481.202. REVIEW BOARD POWERS AND DUTIES. (a) The review board shall review research proposals submitted and medical case histories of persons recommended for participation in a research program and determine which research programs and persons are most suitable for the therapy and research purposes of the program. The review board shall approve the research programs, certify program participants, and conduct periodic reviews of the research and participants.

(b) The review board, after approval of the Texas Board of Health, may seek authorization to expand the research program to include diseases not covered by this subchapter.

(c) The review board shall maintain a record of all persons in charge of approved research programs and of all persons who participate in the program as researchers or as patients.

(d) The Texas Board of Health may terminate the distribution of tetrahydrocannabinols and their derivatives to a research program as it determines necessary.

Sec. 481.203. PATIENT PARTICIPATION. (a) A person may not be considered for participation as a recipient of tetrahydrocannabinols
and their derivatives through a research program unless the person is recommended to a person in charge of an approved research program and the review board by a physician who is licensed by the Texas State Board of Medical Examiners and is attending the person.

(b) A physician may not recommend a person for the research program unless the person:

1) has glaucoma or cancer;
2) is not responding to conventional treatment for glaucoma or cancer or is experiencing severe side effects from treatment; and
3) has symptoms or side effects from treatment that may be alleviated by medical use of tetrahydrocannabinols or their derivatives.

Sec. 481.204. ACQUISITION AND DISTRIBUTION OF CONTROLLED SUBSTANCES. (a) The Texas Board of Health shall acquire the tetrahydrocannabinols and their derivatives for use in the research program by contracting with the National Institute on Drug Abuse to receive tetrahydrocannabinols and their derivatives that are safe for human consumption according to the regulations adopted by the institute, the Food and Drug Administration, and the Federal Drug Enforcement Administration.

(b) The Texas Board of Health shall supervise the distribution of the tetrahydrocannabinols and their derivatives to program participants. The tetrahydrocannabinols and derivatives of tetrahydrocannabinols may be distributed only by the person in charge of the research program to physicians caring for program participant patients, under rules adopted by the Texas Board of Health in such a manner as to prevent unauthorized diversion of the substances and in compliance with all requirements of the Federal Drug Enforcement Administration. The physician is responsible for dispensing the substances to patients.

Sec. 481.205. RULES; REPORTS. (a) The Texas Board of Health shall adopt rules necessary for implementing the research program.
(b) If the Texas Board of Health establishes a program under this subchapter, the commissioner shall publish a report not later than January 1 of each odd-numbered year on the medical effectiveness of the use of tetrahydrocannabinols and their derivatives and any other medical findings of the research program.

**SUBCHAPTER H. ADMINISTRATIVE PENALTY**

Sec. 481.301. IMPOSITION OF PENALTY. The department may impose an administrative penalty on a person who violates Section 481.061, 481.066, 481.067, 481.069, 481.074, 481.075, 481.077, 481.0771, 481.078, 481.080, or 481.081 or a rule or order adopted under any of those sections.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.302. AMOUNT OF PENALTY. (a) The amount of the penalty may not exceed $1,000 for each violation, and each day a violation continues or occurs is a separate violation for purposes of imposing a penalty. The total amount of the penalty assessed for a violation continuing or occurring on separate days under this subsection may not exceed $20,000.

(b) The amount shall be based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
(2) the threat to health or safety caused by the violation;
(3) the history of previous violations;
(4) the amount necessary to deter a future violation;
(5) whether the violator demonstrated good faith, including when applicable whether the violator made good faith efforts to correct the violation; and
(6) any other matter that justice may require.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.
Sec. 481.303. REPORT AND NOTICE OF VIOLATION AND PENALTY. (a) If the department initially determines that a violation occurred, the department shall give written notice of the report to the person by certified mail, registered mail, personal delivery, or another manner of delivery that records the person's receipt of the notice.

(b) The notice must:
(1) include a brief summary of the alleged violation;
(2) state the amount of the recommended penalty; and
(3) inform the person of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.304. PENALTY TO BE PAID OR INFORMAL HEARING REQUESTED. (a) Before the 21st day after the date the person receives notice under Section 481.303, the person in writing may:
(1) accept the determination and recommended penalty; or
(2) make a request for an informal hearing held by the department on the occurrence of the violation, the amount of the penalty, or both.

(b) At the conclusion of an informal hearing requested under Subsection (a), the department may modify the amount of the recommended penalty.

(c) If the person accepts the determination and recommended penalty, including any modification of the amount, or if the person fails to timely respond to the notice, the director by order shall approve the determination and impose the recommended penalty.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.305. FORMAL HEARING. (a) The person may request a formal hearing only after participating in an informal hearing.

(b) The request must be submitted in writing and received by the department before the 21st day after the date the person is notified of the decision from the informal hearing.

(c) If a timely request for a formal hearing is not received, the director by order shall approve the determination from the
informal hearing and impose the recommended penalty.

(d) If the person timely requests a formal hearing, the director shall refer the matter to the State Office of Administrative Hearings, which shall promptly set a hearing date and give written notice of the time and place of the hearing to the director and to the person. An administrative law judge of the State Office of Administrative Hearings shall conduct the hearing.

(e) The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the director a proposal for a decision about the occurrence of the violation and the amount of any proposed penalty.

(f) If a penalty is proposed under Subsection (e), the administrative law judge shall include in the proposal for a decision a finding setting out costs, fees, expenses, and reasonable and necessary attorney's fees incurred by the state in bringing the proceeding. The director may adopt the finding and impose the costs, fees, and expenses on the person as part of the final order entered in the proceeding.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.306. DECISION. (a) Based on the findings of fact, conclusions of law, and proposal for a decision, the director by order may:

(1) find that a violation occurred and impose a penalty; or
(2) find that a violation did not occur.

(b) The notice of the director's order under Subsection (a) that is sent to the person in the manner provided by Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.307. OPTIONS FOLLOWING DECISION: PAY OR APPEAL. Before the 31st day after the date the order under Section 481.306 that imposes an administrative penalty becomes final, the person shall:
(1) pay the penalty; or
(2) file a petition for judicial review of the order contesting the occurrence of the violation, the amount of the penalty, or both.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.308. STAY OF ENFORCEMENT OF PENALTY. (a) Within the period prescribed by Section 481.307, a person who files a petition for judicial review may:
(1) stay enforcement of the penalty by:
(A) paying the penalty to the court for placement in an escrow account; or
(B) giving the court a supersedeas bond approved by the court that:
(i) is for the amount of the penalty; and
(ii) is effective until all judicial review of the order is final; or
(2) request the court to stay enforcement of the penalty by:
(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the penalty and is financially unable to give the supersedeas bond; and
(B) sending a copy of the affidavit to the director by certified mail.
(b) Following receipt of a copy of an affidavit under Subsection (a)(2), the director may file with the court, before the sixth day after the date of receipt, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty or to give a supersedeas bond.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.309. COLLECTION OF PENALTY. (a) If the person does
not pay the penalty and the enforcement of the penalty is not stayed, the penalty may be collected.

(b) The attorney general may sue to collect the penalty.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.310. DECISION BY COURT. (a) If the court sustains the finding that a violation occurred, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty.

(b) If the court does not sustain the finding that a violation occurred, the court shall order that a penalty is not owed.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.311. REMITTANCE OF PENALTY AND INTEREST. (a) If the person paid the penalty and if the amount of the penalty is reduced or the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, that the appropriate amount plus accrued interest be remitted to the person before the 31st day after the date that the judgment of the court becomes final.

(b) The interest accrues at the rate charged on loans to depository institutions by the New York Federal Reserve Bank.

(c) The interest shall be paid for the period beginning on the date the penalty is paid and ending on the date the penalty is remitted.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.312. RELEASE OF BOND. (a) If the person gave a supersedeas bond and the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, the release of the bond.

(b) If the person gave a supersedeas bond and the amount of the penalty is reduced, the court shall order the release of the bond.
after the person pays the reduced amount.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.313. ADMINISTRATIVE PROCEDURE. A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

Sec. 481.314. DISPOSITION OF PENALTY. The department shall send any amount collected as a penalty under this subchapter to the comptroller for deposit to the credit of the general revenue fund.

Added by Acts 2007, 80th Leg., R.S., Ch. 1391 (S.B. 1879), Sec. 5, eff. September 1, 2007.

SUBCHAPTER I. INTERAGENCY PRESCRIPTION MONITORING WORK GROUP

Sec. 481.351. INTERAGENCY PRESCRIPTION MONITORING WORK GROUP. The interagency prescription monitoring work group is created to evaluate the effectiveness of prescription monitoring under this chapter and offer recommendations to improve the effectiveness and efficiency of recordkeeping and other functions related to the regulation of dispensing controlled substances by prescription.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1226 (S.B. 1643), Sec. 4, eff. September 1, 2013.

Sec. 481.352. MEMBERS. The work group is composed of:

1. the director or the director's designee;
2. the commissioner of state health services or the commissioner's designee;
3. the executive director of the Texas State Board of Pharmacy or the executive director's designee;
4. the executive director of the Texas Medical Board or...
the executive director's designee;
(5) the executive director of the Texas Board of Nursing or the executive director's designee; and
(6) the executive director of the Texas Physician Assistant Board or the executive director's designee.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1226 (S.B. 1643), Sec. 4, eff. September 1, 2013.

Sec. 481.353. MEETINGS. (a) The work group shall meet at least quarterly.
(b) The work group is subject to Chapter 551, Government Code.
(c) The work group shall proactively engage stakeholders and solicit and take into account input from the public.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1226 (S.B. 1643), Sec. 4, eff. September 1, 2013.

Sec. 481.354. REPORT. Not later than December 1 of each even-numbered year, the work group shall submit to the legislature its recommendations relating to prescription monitoring.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1226 (S.B. 1643), Sec. 4, eff. September 1, 2013.

CHAPTER 482. SIMULATED CONTROLLED SUBSTANCES

Sec. 482.001. DEFINITIONS. In this chapter:
(1) "Controlled substance" has the meaning assigned by Sec. 481.002 (Texas Controlled Substances Act).
(2) "Deliver" means to transfer, actually or constructively, from one person to another a simulated controlled substance, regardless of whether there is an agency relationship. The term includes offering to sell a simulated controlled substance.
(3) "Manufacture" means to make a simulated controlled substance and includes the preparation of the substance in dosage form by mixing, compounding, encapsulating, tableting, or any other process.
(4) "Simulated controlled substance" means a substance that
is purported to be a controlled substance, but is chemically
different from the controlled substance it is purported to be.

Sec. 482.002. UNLAWFUL DELIVERY OR MANUFACTURE WITH INTENT TO
DELIVER; CRIMINAL PENALTY. (a) A person commits an offense if the
person knowingly or intentionally manufactures with the intent to
deliver or delivers a simulated controlled substance and the person:

(1) expressly represents the substance to be a controlled
substance;

(2) represents the substance to be a controlled substance
in a manner that would lead a reasonable person to believe that the
substance is a controlled substance; or

(3) states to the person receiving or intended to receive
the simulated controlled substance that the person may successfully
represent the substance to be a controlled substance to a third
party.

(b) It is a defense to prosecution under this section that the
person manufacturing with the intent to deliver or delivering the
simulated controlled substance was:

(1) acting in the discharge of the person's official duties
as a peace officer;

(2) manufacturing the substance for or delivering the
substance to a licensed medical practitioner for use as a placebo in
the course of the practitioner's research or practice; or

(3) a licensed medical practitioner, pharmacist, or other
person authorized to dispense or administer a controlled substance,
and the person was acting in the legitimate performance of the
person's professional duties.

(c) It is not a defense to prosecution under this section that
the person manufacturing with the intent to deliver or delivering the
simulated controlled substance believed the substance to be a
controlled substance.

(d) An offense under this section is a state jail felony.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1993, 73rd Leg., ch. 900, Sec. 2.03, eff. Sept. 1, 1994.
Sec. 482.003. EVIDENTIARY RULES. (a) In determining whether a person has represented a simulated controlled substance to be a controlled substance in a manner that would lead a reasonable person to believe the substance was a controlled substance, a court may consider, in addition to all other logically relevant factors, whether:

(1) the simulated controlled substance was packaged in a manner normally used for the delivery of a controlled substance;

(2) the delivery or intended delivery included an exchange of or demand for property as consideration for delivery of the substance and the amount of the consideration was substantially in excess of the reasonable value of the simulated controlled substance; and

(3) the physical appearance of the finished product containing the substance was substantially identical to a controlled substance.

(b) Proof of an offer to sell a simulated controlled substance must be corroborated by a person other than the offeree or by evidence other than a statement of the offeree.

Sec. 482.004. SUMMARY FORFEITURE. A simulated controlled substance seized as a result of an offense under this chapter is subject to summary forfeiture and to destruction or disposition in the same manner as is a controlled substance property under Subchapter E, Chapter 481.

Sec. 482.005. PREPARATORY OFFENSES. Title 4, Penal Code, applies to an offense under this chapter.

Sec. 483.0001. SHORT TITLE. This Act may be cited as the Texas Dangerous Drug Act.

Added by Acts 1993, 73rd Leg., ch. 789, Sec. 18, eff. Sept. 1, 1993.

Sec. 483.001. DEFINITIONS. In this chapter:

(1) "Board" means the Texas State Board of Pharmacy.

(2) "Dangerous drug" means a device or a drug that is unsafe for self-medication and that is not included in Schedules I through V or Penalty Groups 1 through 4 of Chapter 481 (Texas Controlled Substances Act). The term includes a device or a drug that bears or is required to bear the legend:

(A) "Caution: federal law prohibits dispensing without prescription" or "Rx only" or another legend that complies with federal law; or

(B) "Caution: federal law restricts this drug to use by or on the order of a licensed veterinarian."

(3) "Deliver" means to sell, dispense, give away, or supply in any other manner.

(4) "Designated agent" means:

(A) a licensed nurse, physician assistant, pharmacist, or other individual designated by a practitioner to communicate prescription drug orders to a pharmacist;

(B) a licensed nurse, physician assistant, or pharmacist employed in a health care facility to whom the practitioner communicates a prescription drug order; or

(C) a registered nurse or physician assistant authorized by a practitioner to carry out a prescription drug order for dangerous drugs under Subchapter B, Chapter 157, Occupations Code.

(5) "Dispense" means to prepare, package, compound, or label a dangerous drug in the course of professional practice for delivery under the lawful order of a practitioner to an ultimate user or the user's agent.

(6) "Manufacturer" means a person, other than a pharmacist, who manufactures dangerous drugs. The term includes a person who prepares dangerous drugs in dosage form by mixing, compounding, encapsulating, entableting, or any other process.

(7) "Patient" means:
(A) an individual for whom a dangerous drug is prescribed or to whom a dangerous drug is administered; or

(B) an owner or the agent of an owner of an animal for which a dangerous drug is prescribed or to which a dangerous drug is administered.

(8) "Person" includes an individual, corporation, partnership, and association.

(9) "Pharmacist" means a person licensed by the Texas State Board of Pharmacy to practice pharmacy.

(10) "Pharmacy" means a facility where prescription drug or medication orders are received, processed, dispensed, or distributed under this chapter, Chapter 481 of this code, and Subtitle J, Title 3, Occupations Code. The term does not include a narcotic drug treatment program that is regulated by Chapter 466, Health and Safety Code.

(11) "Practice of pharmacy" means:

(A) provision of those acts or services necessary to provide pharmaceutical care;

(B) interpretation and evaluation of prescription drug orders or medication orders;

(C) participation in drug and device selection as authorized by law, drug administration, drug regimen review, or drug or drug-related research;

(D) provision of patient counseling;

(E) responsibility for:

   (i) dispensing of prescription drug orders or distribution of medication orders in the patient's best interest;

   (ii) compounding and labeling of drugs and devices, except labeling by a manufacturer, repackager, or distributor of nonprescription drugs and commercially packaged prescription drugs and devices;

   (iii) proper and safe storage of drugs and devices; or

   (iv) maintenance of proper records for drugs and devices. In this subdivision, "device" has the meaning assigned by Subtitle J, Title 3, Occupations Code; or

(F) performance of a specific act of drug therapy management for a patient delegated to a pharmacist by a written protocol from a physician licensed by the state under Subtitle B, Title 3, Occupations Code.
(12) "Practitioner" means:
   (A) a person licensed by the Texas Medical Board, State Board of Dental Examiners, Texas State Board of Podiatric Medical Examiners, Texas Optometry Board, or State Board of Veterinary Medical Examiners to prescribe and administer dangerous drugs;
   (B) a person licensed by another state in a health field in which, under the laws of this state, a licensee may legally prescribe dangerous drugs;
   (C) a person licensed in Canada or Mexico in a health field in which, under the laws of this state, a licensee may legally prescribe dangerous drugs; or
   (D) an advanced practice registered nurse or physician assistant to whom a physician has delegated the authority to prescribe or order a drug or device under Section 157.0511, 157.0512, or 157.054, Occupations Code.

(13) "Prescription" means an order from a practitioner, or an agent of the practitioner designated in writing as authorized to communicate prescriptions, or an order made in accordance with Subchapter B, Chapter 157, Occupations Code, or Section 203.353, Occupations Code, to a pharmacist for a dangerous drug to be dispensed that states:
   (A) the date of the order's issue;
   (B) the name and address of the patient;
   (C) if the drug is prescribed for an animal, the species of the animal;
   (D) the name and quantity of the drug prescribed;
   (E) the directions for the use of the drug;
   (F) the intended use of the drug unless the practitioner determines the furnishing of this information is not in the best interest of the patient;
   (G) the name, address, and telephone number of the practitioner at the practitioner's usual place of business, legibly printed or stamped; and
   (H) the name, address, and telephone number of the licensed midwife, registered nurse, or physician assistant, legibly printed or stamped, if signed by a licensed midwife, registered nurse, or physician assistant.

(14) "Warehouseman" means a person who stores dangerous drugs for others and who has no control over the disposition of the drugs except for the purpose of storage.
(15) "Wholesaler" means a person engaged in the business of
distributing dangerous drugs to a person listed in Sections
483.041(c)(1)-(6).

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1989, 71st Leg., ch. 1100, Sec. 5.03(h), 5.04(b), eff. Sept.
1, 1989; Acts 1991, 72nd Leg., ch. 14, Sec. 200, eff. Sept. 1, 1991;
Acts 1991, 72nd Leg., ch. 237, Sec. 10, eff. Sept. 1, 1991; Acts

Sept. 1, 2001; Acts 2003, 78th Leg., ch. 88, Sec. 10, eff. May 20,
2003.

Amended by:
Acts 2005, 79th Leg., Ch. 1240 (H.B. 1535), Sec. 54, eff.
September 1, 2005.
Acts 2013, 83rd Leg., R.S., Ch. 418 (S.B. 406), Sec. 24, eff.
November 1, 2013.

Sec. 483.002. RULES. The board may adopt rules for the proper
administration and enforcement of this chapter.

Sec. 483.003. BOARD OF HEALTH HEARINGS REGARDING CERTAIN
DANGEROUS DRUGS. (a) The Texas Board of Health may hold public
hearings in accordance with Chapter 2001, Government Code to
determine whether there is compelling evidence that a dangerous drug
has been abused, either by being prescribed for nontherapeutic
purposes or by the ultimate user.
(b) On making that finding, the Texas Board of Health may limit
the availability of the abused drug by permitting its dispensing only
on the prescription of a practitioner described by Section
483.001(12)(A), (B), or (D).
Sec. 483.004. COMMISSIONER OF HEALTH EMERGENCY AUTHORITY RELATING TO DANGEROUS DRUGS. If the commissioner of health has compelling evidence that an immediate danger to the public health exists as a result of the prescription of a dangerous drug by practitioners described by Section 483.001(12)(C), the commissioner may use the commissioner's existing emergency authority to limit the availability of the drug by permitting its prescription only by practitioners described by Section 483.001(12)(A), (B), or (D).

SUBCHAPTER B. DUTIES OF PHARMACISTS, PRACTITIONERS, AND OTHER PERSONS

Sec. 483.021. DETERMINATION BY PHARMACIST ON REQUEST TO DISPENSE DRUG. (a) A pharmacist who is requested to dispense a dangerous drug under a prescription issued by a practitioner shall determine, in the exercise of the pharmacist's professional judgment, that the prescription is a valid prescription. A pharmacist may not dispense a dangerous drug if the pharmacist knows or should have known that the prescription was issued without a valid patient-practitioner relationship.

(b) A pharmacist who is requested to dispense a dangerous drug under a prescription issued by a therapeutic optometrist shall determine, in the exercise of the pharmacist's professional judgment, whether the prescription is for a dangerous drug that a therapeutic optometrist is authorized to prescribe under Section 351.358, Occupations Code.
Sec. 483.022. PRACTITIONER'S DESIGNATED AGENT; PRACTITIONER'S RESPONSIBILITIES. (a) A practitioner shall provide in writing the name of each designated agent as defined by Section 483.001(4)(A) and (C), and the name of each healthcare facility which employs persons defined by Section 483.001(4)(B).

(b) The practitioner shall maintain at the practitioner's usual place of business a list of the designated agents or healthcare facilities as defined by Section 483.001(4).

(c) The practitioner shall provide a pharmacist with a copy of the practitioner's written authorization for a designated agent as defined by Section 483.001(4) on the pharmacist's request.

(d) This section does not relieve a practitioner or the practitioner's designated agent from the requirements of Subchapter A, Chapter 562, Occupations Code.

(e) A practitioner remains personally responsible for the actions of a designated agent who communicates a prescription to a pharmacist.

(f) A practitioner may designate a person who is a licensed vocational nurse or has an education equivalent to or greater than that required for a licensed vocational nurse to communicate prescriptions of an advanced practice nurse or physician assistant authorized by the practitioner to sign prescription drug orders under Subchapter B, Chapter 157, Occupations Code.

Sec. 483.023. RETENTION OF PRESCRIPTIONS. A pharmacy shall retain a prescription for a dangerous drug dispensed by the pharmacy for two years after the date of the initial dispensing or the last refilling of the prescription, whichever date is later.

Sec. 483.024. RECORDS OF ACQUISITION OR DISPOSAL. The
following persons shall maintain a record of each acquisition and each disposal of a dangerous drug for two years after the date of the acquisition or disposal:

(1) a pharmacy;
(2) a practitioner;
(3) a person who obtains a dangerous drug for lawful research, teaching, or testing purposes, but not for resale;
(4) a hospital that obtains a dangerous drug for lawful administration by a practitioner; and
(5) a manufacturer or wholesaler registered with the commissioner of health under Chapter 431 (Texas Food, Drug, and Cosmetic Act).

Sec. 483.025. INSPECTIONS; INVENTORIES. A person required to keep records relating to dangerous drugs shall:

(1) make the records available for inspection and copying at all reasonable hours by any public official or employee engaged in enforcing this chapter; and
(2) allow the official or employee to inventory all stocks of dangerous drugs on hand.

SUBCHAPTER C. CRIMINAL PENALTIES

Sec. 483.041. POSSESSION OF DANGEROUS DRUG. (a) A person commits an offense if the person possesses a dangerous drug unless the person obtains the drug from a pharmacist acting in the manner described by Section 483.042(a)(1) or a practitioner acting in the manner described by Section 483.042(a)(2).

(b) Except as permitted by this chapter, a person commits an offense if the person possesses a dangerous drug for the purpose of selling the drug.

(c) Subsection (a) does not apply to the possession of a dangerous drug in the usual course of business or practice or in the performance of official duties by the following persons or an agent or employee of the person:

(1) a pharmacy licensed by the board;
(2) a practitioner;
(3) a person who obtains a dangerous drug for lawful research, teaching, or testing, but not for resale;
(4) a hospital that obtains a dangerous drug for lawful administration by a practitioner;
(5) an officer or employee of the federal, state, or local government;
(6) a manufacturer or wholesaler licensed by the Department of State Health Services under Chapter 431 (Texas Food, Drug, and Cosmetic Act);
(7) a carrier or warehouseman;
(8) a home and community support services agency licensed under and acting in accordance with Chapter 142;
(9) a licensed midwife who obtains oxygen for administration to a mother or newborn or who obtains a dangerous drug for the administration of prophylaxis to a newborn for the prevention of ophthalmia neonatorum in accordance with Section 203.353, Occupations Code;
(10) a salvage broker or salvage operator licensed under Chapter 432; or
(11) a certified laser hair removal professional under Subchapter M, Chapter 401, who possesses and uses a laser or pulsed light device approved by and registered with the department and in compliance with department rules for the sole purpose of cosmetic nonablative hair removal.

(d) An offense under this section is a Class A misdemeanor.

Amended by:
Acts 2005, 79th Leg., Ch. 1240 (H.B. 1535), Sec. 55, eff. September 1, 2005.
Sec. 483.042. DELIVERY OR OFFER OF DELIVERY OF DANGEROUS DRUG. (a) A person commits an offense if the person delivers or offers to deliver a dangerous drug:
(1) unless:
   (A) the dangerous drug is delivered or offered for delivery by a pharmacist under:
      (i) a prescription issued by a practitioner described by Section 483.001(12)(A) or (B);
      (ii) a prescription signed by a registered nurse or physician assistant in accordance with Subchapter B, Chapter 157, Occupations Code; or
      (iii) an original written prescription issued by a practitioner described by Section 483.001(12)(C); and
   (B) a label is attached to the immediate container in which the drug is delivered or offered to be delivered and the label contains the following information:
      (i) the name and address of the pharmacy from which the drug is delivered or offered for delivery;
      (ii) the date the prescription for the drug is dispensed;
      (iii) the number of the prescription as filed in the prescription files of the pharmacy from which the prescription is dispensed;
      (iv) the name of the practitioner who prescribed the drug and, if applicable, the name of the registered nurse or physician assistant who signed the prescription;
      (v) the name of the patient and, if the drug is prescribed for an animal, a statement of the species of the animal; and
      (vi) directions for the use of the drug as contained in the prescription; or
   (2) unless:
      (A) the dangerous drug is delivered or offered for delivery by:
      (i) a practitioner in the course of practice; or
      (ii) a registered nurse or physician assistant in
the course of practice in accordance with Subchapter B, Chapter 157, Occupations Code; and

(B) a label is attached to the immediate container in which the drug is delivered or offered to be delivered and the label contains the following information:

(i) the name and address of the practitioner who prescribed the drug, and if applicable, the name and address of the registered nurse or physician assistant;
(ii) the date the drug is delivered;
(iii) the name of the patient and, if the drug is prescribed for an animal, a statement of the species of the animal; and
(iv) the name of the drug, the strength of the drug, and directions for the use of the drug.

(b) Subsection (a) does not apply to the delivery or offer for delivery of a dangerous drug to a person listed in Section 483.041(c) for use in the usual course of business or practice or in the performance of official duties by the person.

(c) Proof of an offer to sell a dangerous drug must be corroborated by a person other than the offeree or by evidence other than a statement by the offeree.

(d) An offense under this section is a state jail felony.

(e) The labeling provisions of Subsection (a) do not apply to a dangerous drug prescribed or dispensed for administration to a patient who is institutionalized. The board shall adopt rules for the labeling of such a drug.

(f) Provided all federal requirements are met, the labeling provisions of Subsection (a) do not apply to a dangerous drug prescribed or dispensed for administration to food production animals in an agricultural operation under a written medical directive or treatment guideline from a veterinarian licensed under Chapter 801, Occupations Code.
Sec. 483.043. MANUFACTURE OF DANGEROUS DRUG. (a) A person commits an offense if the person manufactures a dangerous drug and the person is not authorized by law to manufacture the drug.

(b) An offense under this section is a state jail felony.

Sec. 483.045. FORGING OR ALTERING PRESCRIPTION. (a) A person commits an offense if the person:

(1) forges a prescription or increases the prescribed quantity of a dangerous drug in a prescription;

(2) issues a prescription bearing a forged or fictitious signature;

(3) obtains or attempts to obtain a dangerous drug by using a forged, fictitious, or altered prescription;

(4) obtains or attempts to obtain a dangerous drug by means of a fictitious or fraudulent telephone call; or

(5) possesses a dangerous drug obtained by a forged, fictitious, or altered prescription or by means of a fictitious or fraudulent telephone call.

(b) An offense under this section is a Class B misdemeanor unless it is shown on the trial of the defendant that the defendant has previously been convicted of an offense under this chapter, in which event the offense is a Class A misdemeanor.

Sec. 483.046. FAILURE TO RETAIN PRESCRIPTION. (a) A pharmacist commits an offense if the pharmacist:

(1) delivers a dangerous drug under a prescription; and

(2) fails to retain the prescription as required by Section 483.023.

(b) An offense under this section is a Class B misdemeanor unless it is shown on the trial of the defendant that the defendant
has previously been convicted of an offense under this chapter, in which event the offense is a Class A misdemeanor.

Sec. 483.047. REFILLING PRESCRIPTION WITHOUT AUTHORIZATION.
(a) Except as authorized by Subsection (b), a pharmacist commits an offense if the pharmacist refills a prescription unless:
(1) the prescription contains an authorization by the practitioner for the refilling of the prescription, and the pharmacist refills the prescription in the manner provided by the authorization; or
(2) at the time of refilling the prescription, the pharmacist is authorized to do so by the practitioner who issued the prescription.
(b) A pharmacist may exercise his professional judgment in refilling a prescription for a dangerous drug without the authorization of the prescribing practitioner provided:
(1) failure to refill the prescription might result in an interruption of a therapeutic regimen or create patient suffering;
(2) either:
(A) a natural or manmade disaster has occurred which prohibits the pharmacist from being able to contact the practitioner; or
(B) the pharmacist is unable to contact the practitioner after reasonable effort;
(3) the quantity of drug dispensed does not exceed a 72-hour supply;
(4) the pharmacist informs the patient or the patient's agent at the time of dispensing that the refill is being provided without such authorization and that authorization of the practitioner is required for future refills; and
(5) the pharmacist informs the practitioner of the emergency refill at the earliest reasonable time.
(c) An offense under this section is a Class B misdemeanor unless it is shown on the trial of the defendant that the defendant has previously been convicted under this chapter, in which event the offense is a Class A misdemeanor.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 483.048. UNAUTHORIZED COMMUNICATION OF PRESCRIPTION. (a) An agent of a practitioner commits an offense if the agent communicates by telephone a prescription unless the agent is designated in writing under Section 483.022 as authorized by the practitioner to communicate prescriptions by telephone.

(b) An offense under this section is a Class B misdemeanor unless it is shown on the trial of the defendant that the defendant has previously been convicted of an offense under this chapter, in which event the offense is a Class A misdemeanor.

Sec. 483.049. FAILURE TO MAINTAIN RECORDS. (a) A person commits an offense if the person is required to maintain a record under Section 483.023 or 483.024 and the person fails to maintain the record in the manner required by those sections.

(b) An offense under this section is a Class B misdemeanor unless it is shown on the trial of the defendant that the defendant has previously been convicted of an offense under this chapter, in which event the offense is a Class A misdemeanor.

Sec. 483.050. REFUSAL TO PERMIT INSPECTION. (a) A person commits an offense if the person is required to permit an inspection authorized by Section 483.025 and fails to permit the inspection in the manner required by that section.

(b) An offense under this section is a Class B misdemeanor unless it is shown on the trial of the defendant that the defendant has previously been convicted of an offense under this chapter, in which event the offense is a Class A misdemeanor.

Sec. 483.051. USING OR REVEALING TRADE SECRET. (a) A person
commits an offense if the person uses for the person's advantage or reveals to another person, other than to an officer or employee of the board or to a court in a judicial proceeding relevant to this chapter, information relating to dangerous drugs required to be kept under this chapter, if that information concerns a method or process subject to protection as a trade secret.

(b) An offense under this section is a Class B misdemeanor unless it is shown on the trial of the defendant that the defendant has previously been convicted of an offense under this chapter, in which event the offense is a Class A misdemeanor.

Sec. 483.052. VIOLATION OF OTHER PROVISION. (a) A person commits an offense if the person violates a provision of this chapter other than a provision for which a specific offense is otherwise described by this chapter.

(b) An offense under this section is a Class B misdemeanor, unless it is shown on the trial of the defendant that the defendant has previously been convicted of an offense under this chapter, in which event the offense is a Class A misdemeanor.

Sec. 483.053. PREPARATORY OFFENSES. Title 4, Penal Code, applies to an offense under this subchapter.

SUBCHAPTER D. CRIMINAL AND CIVIL PROCEDURE

Sec. 483.071. EXCEPTIONS; BURDEN OF PROOF. (a) In a complaint, information, indictment, or other action or proceeding brought for the enforcement of this chapter, the state is not required to negate an exception, excuse, proviso, or exemption contained in this chapter.

(b) The defendant has the burden of proving the exception, excuse, proviso, or exemption.
Sec. 483.072. UNCORROBORATED TESTIMONY. A conviction under this chapter may be obtained on the uncorroborated testimony of a party to the offense.

Sec. 483.073. SEARCH WARRANT. A peace officer may apply for a search warrant to search for dangerous drugs possessed in violation of this chapter. The peace officer must apply for and execute the search warrant in the manner prescribed by the Code of Criminal Procedure.

Sec. 483.074. SEIZURE AND DESTRUCTION. (a) A dangerous drug that is manufactured, sold, or possessed in violation of this chapter is contraband and may be seized by an employee of the board or by a peace officer authorized to enforce this chapter and charged with that duty.

(b) If a dangerous drug is seized under Subsection (a), the board may direct an employee of the board or an authorized peace officer to destroy the drug. The employee or authorized peace officer directed to destroy the drug must act in the presence of another employee of the board or authorized peace officer and shall destroy the drug in any manner designated as appropriate by the board.

(c) Before the dangerous drug is destroyed, an inventory of the drug must be prepared. The inventory must be accompanied by a statement that the dangerous drug is being destroyed at the direction of the board, by an employee of the board or an authorized peace officer, and in the presence of another employee of the board or authorized peace officer. The statement must also contain the names of the persons in attendance at the time of destruction, state the capacity in which each of those persons acts, be signed by those persons, and be sworn to by those persons that the statement is correct. The statement shall be filed with the board.
Sec. 483.075. INJUNCTION. The board may institute an action in its own name to enjoin a violation of this chapter.

Sec. 483.076. LEGAL REPRESENTATION OF BOARD. (a) If the board institutes a legal proceeding under this chapter, the board may be represented only by a county attorney, a district attorney, or the attorney general.

(b) The board may not employ private counsel in any legal proceeding instituted by or against the board under this chapter.

CHAPTER 485. ABUSABLE VOLATILE CHEMICALS
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 485.001. DEFINITIONS. In this chapter:
(1) "Abusable volatile chemical" means:
(A) a chemical, including aerosol paint, that:
(i) is packaged in a container subject to the labeling requirements concerning precautions against inhalation established under the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), as amended, and regulations adopted under that Act and is labeled with the statement of principal hazard on the principal display panel "VAPOR HARMFUL" or other labeling requirement subsequently established under that Act or those regulations;
(ii) when inhaled, ingested, or otherwise introduced into a person's body, may:
(a) affect the person's central nervous system;
(b) create or induce in the person a condition of intoxication, hallucination, or elation; or
(c) change, distort, or disturb the person's eyesight, thinking process, balance, or coordination; and
(iii) is not:
(a) a pesticide subject to Chapter 76,
Agriculture Code, or to the Federal Environmental Pesticide Control Act of 1972 (7 U.S.C. Section 136 et seq.), as amended; (b) a food, drug, or cosmetic subject to Chapter 431 or to the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.), as amended; or (c) a beverage subject to the Federal Alcohol Administration Act (27 U. S. C. Section 201 et seq.), as amended; or (B) nitrous oxide that is not: (i) a pesticide subject to Chapter 76, Agriculture Code, or to the Federal Environmental Pesticide Control Act of 1972 (7 U.S.C. Section 136 et seq.), as amended; (ii) a food, drug, or cosmetic subject to Chapter 431 or to the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.), as amended; or (iii) a beverage subject to the Federal Alcohol Administration Act (27 U.S.C. Section 201 et seq.), as amended.

(2) "Aerosol paint" means an aerosolized paint product, including a clear or pigmented lacquer or finish.

(3) "Board" means the Texas Board of Health.

(4) "Commissioner" means the commissioner of health.

(5) "Deliver" means to make the actual or constructive transfer from one person to another of an abusable volatile chemical, regardless of whether there is an agency relationship. The term includes an offer to sell an abusable volatile chemical.

(6) "Delivery" means the act of delivering.

(7) "Department" means the Texas Department of Health.

(8) "Inhalant paraphernalia" means equipment or materials of any kind that are intended for use in inhaling, ingesting, or otherwise introducing into the human body an abusable volatile chemical. The term includes a tube, balloon, bag, fabric, bottle, or other container used to concentrate or hold in suspension an abusable volatile chemical or vapors of the chemical.

(9) "Sell" includes a conveyance, exchange, barter, or trade.

comply with any labeling requirements concerning precautions against inhalation of an abusable volatile chemical established under the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), as amended, or under regulations adopted under that Act.

SUBCHAPTER B. SALES PERMITS AND SIGNS

Sec. 485.011. PERMIT REQUIRED. A person may not sell an abusable volatile chemical at retail unless the person or the person's employer holds, at the time of the sale, a volatile chemical sales permit for the location of the sale.

Sec. 485.012. ISSUANCE AND RENEWAL OF PERMIT. (a) To be eligible for the issuance or renewal of a volatile chemical sales permit, a person must:

(1) hold a sales tax permit that has been issued to the person;

(2) complete and return to the department an application as required by the department; and

(3) pay to the department the application fee established under Section 485.013 for each location at which an abusable volatile chemical may be sold by the person holding a volatile chemical sales permit.

(b) The board shall adopt rules as necessary to administer this chapter, including application procedures and procedures by which the department shall give each permit holder reasonable notice of permit expiration and renewal requirements.

(c) The department shall issue or deny a permit and notify the applicant of the department's action not later than the 60th day after the date on which the department receives the complete application and appropriate fee. If the department denies an application, the department shall include in the notice the reasons for the denial.

(d) A permit issued or renewed under this chapter is valid for
one year from the date of issuance or renewal.

(e) A permit is not valid if the permit holder has been convicted more than once in the preceding year of an offense committed:

(1) at a location for which the permit is issued; and
(2) under Section 485.031, 485.032, or 485.033.

(f) A permit issued by the department is the property of the department and must be surrendered on demand by the department.

(g) The department shall prepare an annual roster of permit holders.

(h) The department shall monitor and enforce compliance with this chapter.

Sec. 485.013. FEE. The board by rule may establish fees in amounts not to exceed $25 for the issuance of a permit under this chapter.

Sec. 485.014. PERMIT AVAILABLE FOR INSPECTION. A permit holder must have the volatile chemical sales permit or a copy of the permit available for inspection by the public at each location where the permit holder sells an abusable volatile chemical.

Sec. 485.015. REFUSAL TO ISSUE OR RENEW PERMIT. A proceeding for the failure to issue or renew a volatile chemical sales permit under Section 485.012 or for an appeal from that proceeding is governed by the contested case provisions of Chapter 2001, Government Code.

Sec. 485.016. DISPOSITION OF FUNDS; EDUCATION AND PREVENTION PROGRAMS. (a) The department shall account for all amounts received under Section 485.013 and send those amounts to the comptroller.

(b) The comptroller shall deposit the amounts received under Subsection (a) in the state treasury to the credit of the general revenue fund to be used only by the department to:

(1) administer, monitor, and enforce this chapter; and

(2) finance statewide education projects concerning the hazards of abusable volatile chemicals and the prevention of inhalant abuse.

Sec. 485.017. SIGNS. A business establishment that sells an abusable volatile chemical at retail shall display a conspicuous sign, in English and Spanish, that states the following:

It is unlawful for a person to sell or deliver an abusable volatile chemical to a person under 18 years of age. Except in limited situations, such an offense is a state jail felony.

It is also unlawful for a person to abuse a volatile chemical by inhaling, ingesting, applying, using, or possessing with intent to inhale, ingest, apply, or use a volatile chemical in a manner designed to affect the central nervous system. Such an offense is a Class B misdemeanor.

Sec. 485.018. PROHIBITED ORDINANCE AND RULE. (a) A political subdivision or an agency of this state may not enact an ordinance or
rule that requires a business establishment to display an abusable volatile chemical, other than aerosol paint, in a manner that makes the chemical accessible to patrons of the business only with the assistance of personnel of the business.

(b) This section does not apply to an ordinance or rule that was enacted before September 1, 1989.

Acts 2009, 81st Leg., R.S., Ch. 1130 (H.B. 2086), Sec. 28, eff. September 1, 2009.

Sec. 485.019. RESTRICTION OF ACCESS TO AEROSOL PAINT. (a) A business establishment that holds a permit under Section 485.012 and that displays aerosol paint shall display the paint:
(1) in a place that is in the line of sight of a cashier or in the line of sight from a workstation normally continuously occupied during business hours;
(2) in a manner that makes the paint accessible to a patron of the business establishment only with the assistance of an employee of the establishment; or
(3) in an area electronically protected, or viewed by surveillance equipment that is monitored, during business hours.
(b) This section does not apply to a business establishment that has in place a computerized checkout system at the point of sale for merchandise that alerts the cashier that a person purchasing aerosol paint must be over 18 years of age.
(c) A court may issue a warning to a business establishment or impose a civil penalty of $50 on the business establishment for a first violation of this section. After receiving a warning or penalty for the first violation, the business establishment is liable to the state for a civil penalty of $100 for each subsequent violation.
(d) For the third violation of this section in a calendar year, a court may issue an injunction prohibiting the business establishment from selling aerosol paint for a period of not more than two years. A business establishment that violates the
injunction is liable to the state for a civil penalty of $100, in addition to any other penalty authorized by law, for each day the violation continues.

(e) If a business establishment fails to pay a civil penalty under this section, the court may issue an injunction prohibiting the establishment from selling aerosol paint until the establishment pays the penalty, attorney's fees, and court costs.

(f) The district or county attorney for the county in which a violation of this section is alleged to have occurred, or the attorney general, if requested by the district or county attorney for that county, may file suit for the issuance of a warning, the collection of a penalty, or the issuance of an injunction.

(g) A penalty collected under this section shall be sent to the comptroller for deposit in the state treasury to the credit of the general revenue fund.

(h) This section applies only to a business establishment that is located in a county with a population of 75,000 or more.

SUBCHAPTER C. CRIMINAL PENALTIES

Sec. 485.031. POSSESSION AND USE. (a) A person commits an offense if the person inhales, ingests, applies, uses, or possesses an abusable volatile chemical with intent to inhale, ingest, apply, or use the chemical in a manner:

(1) contrary to directions for use, cautions, or warnings appearing on a label of a container of the chemical; and

(2) designed to:

(A) affect the person's central nervous system;

(B) create or induce a condition of intoxication, hallucination, or elation; or

(C) change, distort, or disturb the person's eyesight, thinking process, balance, or coordination.

(b) An offense under this section is a Class B misdemeanor.

Sec. 485.032. DELIVERY TO A MINOR. (a) A person commits an offense if the person knowingly delivers an abusable volatile chemical to a person who is younger than 18 years of age.

(b) It is a defense to prosecution under this section that:

(1) the abusable volatile chemical that was delivered contains additive material that effectively discourages intentional abuse by inhalation; or

(2) the person making the delivery is not the manufacturer of the chemical and the manufacturer of the chemical failed to label the chemical with the statement of principal hazard on the principal display panel "VAPOR HARMFUL" or other labeling requirement subsequently established under the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), as amended, or regulations subsequently adopted under that Act.

(c) It is an affirmative defense to prosecution under this section that:

(1) the person making the delivery is an adult having supervisory responsibility over the person younger than 18 years of age and:

(A) the adult permits the use of the abusable volatile chemical only under the adult's direct supervision and in the adult's presence and only for its intended purpose; and

(B) the adult removes the chemical from the person younger than 18 years of age on completion of that use; or

(2) the person to whom the abusable volatile chemical was delivered presented to the defendant an apparently valid Texas driver's license or an identification certificate, issued by the Department of Public Safety of the State of Texas and containing a physical description consistent with the person's appearance, that purported to establish that the person was 18 years of age or older.

(d) Except as provided by Subsections (e) and (f), an offense under this section is a state jail felony.

(e) An offense under this section is a Class B misdemeanor if it is shown on the trial of the defendant that at the time of the delivery the defendant or the defendant's employer held a volatile chemical sales permit for the location of the sale.

(f) An offense under this section is a Class A misdemeanor if it is shown on the trial of the defendant that at the time of the delivery the defendant or the defendant's employer:

(1) did not hold a volatile chemical sales permit but did
hold a sales tax permit for the location of the sale; and

(2) had not been convicted previously under this section for an offense committed after January 1, 1988.

Sec. 485.033. INHALANT PARAPHERNALIA. (a) A person commits an offense if the person knowingly uses or possesses with intent to use inhalant paraphernalia to inhale, ingest, or otherwise introduce into the human body an abusable volatile chemical in violation of Section 485.031.

(b) A person commits an offense if the person:

(1) knowingly:

(A) delivers or sells inhalant paraphernalia;

(B) possesses, with intent to deliver or sell, inhalant paraphernalia; or

(C) manufactures, with intent to deliver or sell, inhalant paraphernalia; and

(2) at the time of the act described by Subdivision (1), knows that the person who receives or is intended to receive the paraphernalia intends that it be used to inhale, ingest, apply, use, or otherwise introduce into the human body a volatile chemical in violation of Section 485.031.

(c) An offense under Subsection (a) is a Class B misdemeanor, and an offense under Subsection (b) is a Class A misdemeanor.

Sec. 485.034. FAILURE TO POST SIGN. (a) A person commits an offense if the person sells an abusable volatile chemical in a business establishment and the person does not display the sign required by Section 485.017.

(b) An offense under this section is a Class C misdemeanor.
Sec. 485.035. SALE WITHOUT PERMIT. (a) A person commits an offense if the person sells an abusable volatile chemical in violation of Section 485.011 and the purchaser is 18 years of age or older.

(b) An offense under this section is a Class B misdemeanor.

Sec. 485.036. PROOF OF OFFER TO SELL. Proof of an offer to sell an abusable volatile chemical must be corroborated by a person other than the offeree or by evidence other than a statement of the offeree.

Sec. 485.037. SUMMARY FORFEITURE. An abusable volatile chemical or inhalant paraphernalia seized as a result of an offense under this chapter is subject to summary forfeiture and to destruction or disposition in the same manner as controlled substance property under Subchapter E, Chapter 481.

Sec. 485.038. PREPARATORY OFFENSES. Title 4, Penal Code, applies to an offense under this subchapter.
Subchapter D. Administrative Penalty

Sec. 485.101. Imposition of Penalty. (a) The department may impose an administrative penalty on a person who sells abusable glue or aerosol paint at retail who violates this chapter or a rule or order adopted under this chapter.

(b) A penalty collected under this subchapter shall be deposited in the state treasury in the general revenue fund.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.102. Amount of Penalty. (a) The amount of the penalty may not exceed $1,000 for each violation, and each day a violation continues or occurs is a separate violation for purposes of imposing a penalty. The total amount of the penalty assessed for a violation continuing or occurring on separate days under this subsection may not exceed $5,000.

(b) The amount shall be based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
(2) the threat to health or safety caused by the violation;
(3) the history of previous violations;
(4) the amount necessary to deter a future violation;
(5) whether the violator demonstrated good faith, including when applicable whether the violator made good faith efforts to correct the violation; and
(6) any other matter that justice may require.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.103. Report and Notice of Violation and Penalty. (a) If the department initially determines that a violation occurred, the department shall give written notice of the report by certified mail to the person.
(b) The notice must:

(1) include a brief summary of the alleged violation;
(2) state the amount of the recommended penalty; and
(3) inform the person of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.104. PENALTY TO BE PAID OR HEARING REQUESTED. (a) Within 20 days after the date the person receives the notice sent under Section 485.103, the person in writing may:

(1) accept the determination and recommended penalty of the department; or
(2) make a request for a hearing on the occurrence of the violation, the amount of the penalty, or both.

(b) If the person accepts the determination and recommended penalty or if the person fails to respond to the notice, the commissioner by order shall approve the determination and impose the recommended penalty.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.105. HEARING. (a) If the person requests a hearing, the commissioner shall refer the matter to the State Office of Administrative Hearings, which shall promptly set a hearing date and give written notice of the time and place of the hearing to the person. An administrative law judge of the State Office of Administrative Hearings shall conduct the hearing.

(b) The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the commissioner a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.
Sec. 485.106. DECISION BY COMMISSIONER. (a) Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner by order may:

(1) find that a violation occurred and impose a penalty; or

(2) find that a violation did not occur.

(b) The notice of the commissioner's order under Subsection (a) that is sent to the person in accordance with Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.107. OPTIONS FOLLOWING DECISION: PAY OR APPEAL. Within 30 days after the date the order of the commissioner under Section 485.106 that imposes an administrative penalty becomes final, the person shall:

(1) pay the penalty; or

(2) file a petition for judicial review of the commissioner's order contesting the occurrence of the violation, the amount of the penalty, or both.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.108. STAY OF ENFORCEMENT OF PENALTY. (a) Within the 30-day period prescribed by Section 485.107, a person who files a petition for judicial review may:

(1) stay enforcement of the penalty by:

(A) paying the penalty to the court for placement in an escrow account; or

(B) giving the court a supersedeas bond approved by the court that:

(i) is for the amount of the penalty; and

(ii) is effective until all judicial review of the commissioner's order is final; or

(2) request the court to stay enforcement of the penalty by:

Statute text rendered on: 3/14/2015 - 3230 -
(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the penalty and is financially unable to give the supersedeas bond; and

(B) sending a copy of the affidavit to the commissioner by certified mail.

(b) If the commissioner receives a copy of an affidavit under Subsection (a)(2), the commissioner may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty or to give a supersedeas bond.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.109. COLLECTION OF PENALTY. (a) If the person does not pay the penalty and the enforcement of the penalty is not stayed, the penalty may be collected.

(b) The attorney general may sue to collect the penalty.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.110. DECISION BY COURT. (a) If the court sustains the finding that a violation occurred, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty.

(b) If the court does not sustain the finding that a violation occurred, the court shall order that a penalty is not owed.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.111. REMITTANCE OF PENALTY AND INTEREST. (a) If the person paid the penalty and if the amount of the penalty is reduced
or the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, that the appropriate amount plus accrued interest be remitted to the person within 30 days after the date that the judgment of the court becomes final.

(b) The interest accrues at the rate charged on loans to depository institutions by the New York Federal Reserve Bank.

(c) The interest shall be paid for the period beginning on the date the penalty is paid and ending on the date the penalty is remitted.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.112. RELEASE OF BOND. (a) If the person gave a supersedeas bond and the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, the release of the bond.

(b) If the person gave a supersedeas bond and the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the reduced amount.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

Sec. 485.113. ADMINISTRATIVE PROCEDURE. A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 6.01, eff. Sept. 1, 1999.

CHAPTER 486. OVER-THE-COUNTER SALES OF EPHEDRINE, PSEUDOEPHEDRINE, AND NORPSEUDOEPHEDRINE

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 486.001. DEFINITIONS. (a) In this chapter:

(1) "Commissioner" means the commissioner of state health services.

(2) "Council" means the State Health Services Council.
(3) "Department" means the Department of State Health Services.

(4) "Ephedrine," "pseudoephedrine," and "norpseudoephedrine" mean any compound, mixture, or preparation containing any detectable amount of that substance, including its salts, optical isomers, and salts of optical isomers. The term does not include any compound, mixture, or preparation that is in liquid, liquid capsule, or liquid gel capsule form.

(5) "Sale" includes a conveyance, exchange, barter, or trade.

(6) "Real-time electronic logging system" means a system intended to be used by law enforcement agencies and pharmacies or other business establishments that:

(A) is installed, operated, and maintained free of any one-time or recurring charge to the business establishment or to the state;

(B) is able to communicate in real time with similar systems operated in other states and similar systems containing information submitted by more than one state;

(C) complies with the security policy of the Criminal Justice Information Services division of the Federal Bureau of Investigation;

(D) complies with information exchange standards adopted by the National Information Exchange Model;

(E) uses a mechanism to prevent the completion of a sale of a product containing ephedrine, pseudoephedrine, or norpseudoephedrine that would violate state or federal law regarding the purchase of a product containing those substances; and

(F) is equipped with an override of the mechanism described in Paragraph (E) that:

(i) may be activated by an employee of a business establishment; and

(ii) creates a record of each activation of the override.

(b) A term that is used in this chapter but is not defined by Subsection (a) has the meaning assigned by Section 481.002.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 742 (H.B. 1137), Sec. 1, eff. September 1, 2011.

Sec. 486.002. APPLICABILITY. This chapter does not apply to the sale of any product dispensed or delivered by a pharmacist according to a prescription issued by a practitioner for a valid medical purpose and in the course of professional practice.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.003. RULES. The council shall adopt rules necessary to implement and enforce this chapter.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.004. FEES. (a) The department shall collect fees for:

(1) the issuance of a certificate of authority under this chapter; and
(2) an inspection performed in enforcing this chapter and rules adopted under this chapter.

(b) The commissioner by rule shall set the fees in amounts that allow the department to recover the biennial expenditures of state funds by the department in:

(1) reviewing applications for the issuance of a certificate of authority under this chapter;
(2) issuing certificates of authority under this chapter;
(3) inspecting and auditing a business establishment that is issued a certificate of authority under this chapter; and
(4) otherwise implementing enforcing this chapter.

(c) Fees collected under this section shall be deposited to the credit of a special account in the general revenue fund and appropriated to the department to implement and enforce this chapter.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.
Sec. 486.005. STATEWIDE APPLICATION AND UNIFORMITY. (a) To ensure uniform and equitable implementation and enforcement throughout this state, this chapter constitutes the whole field of regulation regarding over-the-counter sales of products that contain ephedrine, pseudoephedrine, or norpseudoephedrine.

(b) This chapter preempts and supersedes a local ordinance, rule, or regulation adopted by a political subdivision of this state pertaining to over-the-counter sales of products that contain ephedrine, pseudoephedrine, or norpseudoephedrine.

(c) This section does not preclude a political subdivision from imposing administrative sanctions on the holder of a business or professional license or permit issued by the political subdivision who engages in conduct that violates this chapter.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

SUBCHAPTER B. OVER-THE-COUNTER SALES

Sec. 486.011. SALES BY PHARMACIES. A business establishment that operates a pharmacy licensed by the Texas State Board of Pharmacy may engage in over-the-counter sales of ephedrine, pseudoephedrine, and norpseudoephedrine.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.012. SALES BY ESTABLISHMENTS OTHER THAN PHARMACIES; CERTIFICATE OF AUTHORITY. (a) A business establishment that does not operate a pharmacy licensed by the Texas State Board of Pharmacy may engage in over-the-counter sales of ephedrine, pseudoephedrine, or norpseudoephedrine only if the establishment holds a certificate of authority issued under this section.

(b) The department may issue a certificate of authority to engage in over-the-counter sales of ephedrine, pseudoephedrine, and norpseudoephedrine to a business establishment that does not operate a pharmacy licensed by the Texas State Board of Pharmacy if the establishment:
(1) applies to the department for the certificate in accordance with department rule; and

(2) complies with the requirements established by the department for issuance of a certificate.

(c) The department by rule shall establish requirements for the issuance of a certificate of authority under this section. The rules must include a consideration by the department of whether the establishment:

(1) complies with the requirements of the Texas State Board of Pharmacy for the issuance of a license to operate a pharmacy;
(2) sells a wide variety of healthcare products; and
(3) employs sales techniques and other measures designed to deter the theft of products containing ephedrine, pseudoephedrine, or norpseudoephedrine and other items used in the manufacture of methamphetamine.

(d) The department may inspect or audit a business establishment that is issued a certificate of authority under this section at any time the department determines necessary.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.013. RESTRICTION OF ACCESS TO EPHEDRINE, PSEUDOEPHEDRINE, AND NORPSEUDOEPHEDRINE. A business establishment that engages in over-the-counter sales of products containing ephedrine, pseudoephedrine, or norpseudoephedrine shall:

(1) if the establishment operates a pharmacy licensed by the Texas State Board of Pharmacy, maintain those products:
   (A) behind the pharmacy counter; or
   (B) in a locked case within 30 feet and in a direct line of sight from a pharmacy counter staffed by an employee of the establishment; or

(2) if the establishment does not operate a pharmacy licensed by the Texas State Board of Pharmacy, maintain those products:
   (A) behind a sales counter; or
   (B) in a locked case within 30 feet and in a direct line of sight from a sales counter continuously staffed by an employee of the establishment.
Sec. 486.014. PREREQUISITES TO AND RESTRICTIONS ON SALE. (a) Before completing an over-the-counter sale of a product containing ephedrine, pseudoephedrine, or norpseudoephedrine, a business establishment that engages in those sales shall:

(1) require the person making the purchase to:

(A) display a driver's license or other form of government-issued identification containing the person's photograph and indicating that the person is 16 years of age or older; and

(B) sign for the purchase;

(2) make a record of the sale, including the name and date of birth of the person making the purchase, the address of the purchaser, the date and time of the purchase, the type of identification displayed by the person and the identification number, and the item and number of grams purchased; and

(3) transmit the record of sale as required by Section 486.0141.

(b) A business establishment may not sell to a person who makes over-the-counter purchases of one or more products containing ephedrine, pseudoephedrine, or norpseudoephedrine:

(1) within any calendar day, more than 3.6 grams of ephedrine, pseudoephedrine, norpseudoephedrine, or a combination of those substances; and

(2) within any 30-day period, more than nine grams of ephedrine, pseudoephedrine, norpseudoephedrine, or a combination of those substances.

Sec. 486.0141. TRANSMISSION OF SALES INFORMATION TO REAL-TIME ELECTRONIC LOGGING SYSTEM. (a) Before completing an over-the-counter sale of a product containing ephedrine, pseudoephedrine, or
pseudoephedrine, a business establishment that engages in those sales shall transmit the information in the record made under Section 486.014(a)(2) to a real-time electronic logging system.

(b) Except as provided by Subsection (c), a business establishment may not complete an over-the-counter sale of a product containing ephedrine, pseudoephedrine, or norpseudoephedrine if the real-time electronic logging system returns a report that the completion of the sale would result in the person obtaining an amount of ephedrine, pseudoephedrine, norpseudoephedrine, or a combination of those substances greater than the amount described by Section 486.014(b), regardless of whether all or some of the products previously obtained by the buyer were sold at the establishment or another business establishment.

(c) An employee of a business establishment may complete a sale prohibited by Subsection (b) by using the override mechanism described by Section 486.001(a)(6)(F) only if the employee has a reasonable fear of imminent bodily injury or death from the person attempting to obtain ephedrine, pseudoephedrine, or norpseudoephedrine.

(d) On request of the Department of Public Safety, the administrators of a real-time electronic logging system shall make available to the department a copy of each record of an over-the-counter sale of a product containing ephedrine, pseudoephedrine, or norpseudoephedrine that is submitted by a business establishment located in this state.

Added by Acts 2011, 82nd Leg., R.S., Ch. 742 (H.B. 1137), Sec. 3, eff. September 1, 2011.

Sec. 486.0142. TEMPORARY EXEMPTION. (a) On application by a business establishment that operates a pharmacy and engages in over-the-counter sales of products containing ephedrine, pseudoephedrine, or norpseudoephedrine as authorized by Section 486.011, the State Board of Pharmacy may grant that business establishment a temporary exemption, not to exceed 180 days, from the requirement of using a real-time electronic logging system under this chapter.

(b) On application by a business establishment that engages in over-the-counter sales of products containing ephedrine, pseudoephedrine, or norpseudoephedrine in accordance with a
certificate of authority issued under Section 486.012, the department
may grant that business establishment a temporary exemption, not to
exceed 180 days, from the requirement of using a real-time electronic
logging system under this chapter.

(c) A business establishment granted a temporary exemption
under this section must keep records of sales in the same manner
required under Section 486.0143 for a business establishment that
experiences a mechanical or electronic failure of the real-time
electronic logging system.

(d) An exemption granted under this section does not relieve a
business establishment of any duty under this chapter other than the
duty to use a real-time electronic logging system.

Added by Acts 2011, 82nd Leg., R.S., Ch. 742 (H.B. 1137), Sec. 3, eff.
September 1, 2011.

Sec. 486.0143. WRITTEN LOG OR OTHER ELECTRONIC RECORDKEEPING.
If a business establishment that engages in over-the-counter sales of
a product containing ephedrine, pseudoephedrine, or
norpseudoephedrine experiences a mechanical or electronic failure of
the real-time electronic logging system, the business shall:

(1) maintain a written record or an electronic record made
by any means that satisfies the requirements of Section
486.014(a)(2); and

(2) enter the information in the real-time electronic
logging system as soon as practicable after the system becomes
operational.

Added by Acts 2011, 82nd Leg., R.S., Ch. 742 (H.B. 1137), Sec. 3, eff.
September 1, 2011.

Sec. 486.0144. ONLINE PORTAL. The administrators of a real-
time electronic logging system shall provide real-time access to the
information in the system to the Department of Public Safety if the
department executes a memorandum of understanding with the
administrators.

Added by Acts 2011, 82nd Leg., R.S., Ch. 742 (H.B. 1137), Sec. 3, eff.
September 1, 2011.
Sec. 486.0145. LIMITATION ON CIVIL LIABILITY. A person is not liable for an act done or omission made in compliance with the requirements of Section 486.014 or 486.0141.

Added by Acts 2011, 82nd Leg., R.S., Ch. 742 (H.B. 1137), Sec. 3, eff. September 1, 2011.

Sec. 486.0146. PRIVACY PROTECTIONS. (a) The privacy protections provided an individual under 21 C.F.R. Section 1314.45 apply to information entered or stored in a real-time electronic logging system.

(b) A business establishment that engages in over-the-counter sales of a product containing ephedrine, pseudoephedrine, or norpseudoephedrine may disclose information entered or stored in a real-time electronic logging system only to the United States Drug Enforcement Administration and other federal, state, and local law enforcement agencies.

(c) A business establishment that engages in over-the-counter sales of a product containing ephedrine, pseudoephedrine, or norpseudoephedrine may not use information entered or stored in a real-time electronic logging system for any purpose other than for a disclosure authorized by Subsection (b) or to comply with the requirements of this chapter.

(d) Notwithstanding Subsection (c), a business establishment that engages in over-the-counter sales of a product containing ephedrine, pseudoephedrine, or norpseudoephedrine or an employee or agent of the business establishment is not civilly liable for the release of information entered or stored in a real-time electronic logging system unless the release constitutes negligence, recklessness, or wilful misconduct.

Added by Acts 2011, 82nd Leg., R.S., Ch. 742 (H.B. 1137), Sec. 3, eff. September 1, 2011.

Sec. 486.015. MAINTENANCE OF RECORDS. (a) Except as provided by Subsection (b), a business establishment shall maintain each record made under Section 486.014(a)(2) until at least the second
anniversary of the date the record is made and shall make each record available on request by the department or any local, state, or federal law enforcement agency, including the United States Drug Enforcement Administration.

(b) Subsection (a) does not apply to a business establishment that has used a real-time electronic logging system for longer than two years.

(c) A business establishment that has used a real-time electronic logging system for longer than two years shall destroy all paper records maintained under this section unless the destruction is otherwise prohibited by law.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 742 (H.B. 1137), Sec. 4, eff. September 1, 2011.

**SUBCHAPTER C. ADMINISTRATIVE PENALTY**

Sec. 486.021. IMPOSITION OF PENALTY. The department may impose an administrative penalty on a person who violates this chapter.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.022. AMOUNT OF PENALTY. (a) The amount of the penalty may not exceed $1,000 for each violation, and each day a violation continues or occurs is a separate violation for purposes of imposing a penalty. The total amount of the penalty assessed for a violation continuing or occurring on separate days under this subsection may not exceed $20,000.

(b) The amount shall be based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
(2) the threat to health or safety caused by the violation;
(3) the history of previous violations;
(4) the amount necessary to deter a future violation;
(5) whether the violator demonstrated good faith, including when applicable whether the violator made good faith efforts to
correct the violation; and
(6) any other matter that justice may require.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.023. REPORT AND NOTICE OF VIOLATION AND PENALTY. (a) If the department initially determines that a violation occurred, the department shall give written notice of the report by certified mail to the person.

(b) The notice must:
(1) include a brief summary of the alleged violation;
(2) state the amount of the recommended penalty; and
(3) inform the person of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.024. PENALTY TO BE PAID OR HEARING REQUESTED. (a) Before the 21st day after the date the person receives notice under Section 486.023, the person in writing may:
(1) accept the determination and recommended penalty; or
(2) make a request for a hearing on the occurrence of the violation, the amount of the penalty, or both.

(b) If the person accepts the determination and recommended penalty or if the person fails to respond to the notice, the commissioner by order shall approve the determination.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.025. HEARING. (a) If the person requests a hearing, the commissioner shall refer the matter to the State Office of Administrative Hearings, which shall promptly set a hearing date and give written notice of the time and place of the hearing to the person. An administrative law judge of the State Office of Administrative Hearings shall conduct the hearing.
(b) The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the commissioner a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.026. DECISION. (a) Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner by order may:

(1) find that a violation occurred and impose a penalty; or
(2) find that a violation did not occur.

(b) The notice of the commissioner's order under Subsection (a) that is sent to the person in the manner provided by Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.027. OPTIONS FOLLOWING DECISION: PAY OR APPEAL. Before the 31st day after the date the order under Section 486.026 that imposes an administrative penalty becomes final, the person shall:

(1) pay the penalty; or
(2) file a petition for judicial review of the order contesting the occurrence of the violation, the amount of the penalty, or both.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.028. STAY OF ENFORCEMENT OF PENALTY. (a) Within the period prescribed by Section 486.027, a person who files a petition for judicial review may:

(1) stay enforcement of the penalty by:
(A) paying the amount of the penalty to the court for
placement in an escrow account; or
   (B) giving the court a supersedeas bond approved by the court that:
      (i) is for the amount of the penalty; and
      (ii) is effective until all judicial review of the order is final; or
   (2) request the court to stay enforcement of the penalty by:
      (A) filing with the court an affidavit of the person stating that the person is financially unable to pay the penalty and is financially unable to give the supersedeas bond; and
      (B) sending a copy of the affidavit to the commissioner by certified mail.
   (b) Following receipt of a copy of an affidavit under Subsection (a)(2), the commissioner may file with the court, before the sixth day after the date of receipt, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty or to give a supersedeas bond.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.029. COLLECTION OF PENALTY. (a) If the person does not pay the penalty and the enforcement of the penalty is not stayed, the penalty may be collected.
   (b) The attorney general may sue to collect the penalty.

Added by Acts 2005, 79th Leg., Ch. 282 (H.B. 164), Sec. 9, eff. August 1, 2005.

Sec. 486.030. DECISION BY COURT. (a) If the court sustains the finding that a violation occurred, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty.
   (b) If the court does not sustain the finding that a violation occurred, the court shall order that a penalty is not owed.
Sec. 486.031. REMITTANCE OF PENALTY AND INTEREST. (a) If the person paid the penalty and if the amount of the penalty is reduced or the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, that the appropriate amount plus accrued interest be remitted to the person before the 31st day after the date that the judgment of the court becomes final.

(b) The interest accrues at the rate charged on loans to depository institutions by the New York Federal Reserve Bank.

(c) The interest shall be paid for the period beginning on the date the penalty is paid and ending on the date the penalty is remitted.

Sec. 486.032. RELEASE OF BOND. (a) If the person gave a supersedeas bond and the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, the release of the bond.

(b) If the person gave a supersedeas bond and the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the reduced amount.

Sec. 486.033. ADMINISTRATIVE PROCEDURE. A proceeding to impose the penalty under this subchapter is considered to be a contested case under Chapter 2001, Government Code.

SUBTITLE D. HAZARDOUS SUBSTANCES
CHAPTER 501. HAZARDOUS SUBSTANCES
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 501.001. DEFINITIONS. In this chapter:

(1) "Board" means the Texas Board of Health.

(2) "Commerce" includes the operation of a business or service establishment and other commerce in this state that is subject to the jurisdiction of this state.

(3) "Commissioner" means the commissioner of public health.

(4) "Department" means the Texas Department of Health.

(5) "Label" means a display of written, printed, or other graphic matter:

(A) on the immediate container, excluding the package liner, of any substance; or

(B) directly on the article or on a tag or other suitable material affixed to the article, if the article is unpackaged or not packaged in an immediate container intended or suitable for delivery to the ultimate consumer.

(6) "Misbranded hazardous substance" means either of the following that is not properly packaged or does not bear a proper label required by this chapter:

(A) a hazardous substance; or

(B) a toy or other article intended for use by children that bears or contains a hazardous substance in a manner that is accessible by a child to whom the toy or other article is entrusted, intended, or packaged in a form suitable for use in a household or by children.

Sec. 501.002. HAZARDOUS SUBSTANCE DESCRIBED. (a) A hazardous substance is:

(1) a substance or mixture of substances that is toxic, corrosive, extremely flammable, flammable, combustible, an irritant, or a strong sensitizer, or that generates pressure through decomposition, heat, or other means, if the substance or mixture of substances may cause substantial personal injury or substantial illness during or as a proximate result of any customary or reasonably foreseeable handling or use, including reasonably
foreseeable ingestion by children;

(2) a toy or other article, other than clothing, that is intended for use by a child and that presents an electrical, mechanical, or thermal hazard; or

(3) a radioactive substance designated as a hazardous substance under Section 501.003.

(b) A substance is corrosive if, when in contact with living tissue, it causes destruction of that tissue by chemical action. A chemical action on an inanimate surface is not corrosive for the purpose of this section.

(c) An article is an electrical hazard if, in normal use or when subjected to reasonably foreseeable damage or abuse, it may cause, because of its design or manufacture, personal injury or illness by electric shock.

(d) A substance or article is extremely flammable, flammable, or combustible if it is defined as extremely flammable, flammable, or combustible by rule of the board. The board shall define the terms as they are defined by the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), as amended, and by federal regulations adopted under that Act. The terms each have the meaning assigned by the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.) and by federal regulations adopted under that Act, as of September 1, 2001.

(e) A substance is an irritant if it is noncorrosive and if, on immediate, prolonged, or repeated contact with normal living tissue, it induces a local inflammatory reaction.

(f) An article is a mechanical hazard if, in normal use or when subjected to reasonably foreseeable damage or abuse, it presents, because of its design or manufacture, an unreasonable risk of personal injury or illness:

(1) from fracture, fragmentation, or disassembly of the article;

(2) from propulsion of the article or a part or accessory of the article;

(3) from points or other protrusions, surfaces, edges, openings, or closures;

(4) from moving parts;

(5) from lack or insufficiency of controls to reduce or stop motion;

(6) as a result of self-adhering characteristics of the
article;

(7) because the article or a part or accessory of the article may be aspirated or ingested;

(8) because of instability; or

(9) because of any other aspect of the article's design or manufacture.

(g) A substance is radioactive if it emits ionizing radiation.

(h) A substance is a strong sensitizer if, when on normal living tissue, it causes, through an allergic or photodynamic process, a hypersensitivity that becomes evident on reapplication of the same substance.

(i) An article is a thermal hazard if, in normal use or when subject to reasonably foreseeable damage or abuse, it presents, because of its design or manufacture, an unreasonable risk of personal injury or illness because of heat, including heat from heated parts, substances, or surfaces.

(j) A substance is toxic if it is capable of producing personal injury or illness to any person through ingestion, inhalation, or absorption through any body surface and it is not radioactive.

(k) The following are not hazardous substances:

(1) a pesticide subject to Chapter 76, Agriculture Code, or to the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. Section 135 et seq.);

(2) a food, drug, or cosmetic subject to the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.) or Chapter 431 (Texas Food, Drug, and Cosmetic Act);

(3) a beverage complying with or subject to the Federal Alcohol Administration Act (27 U.S.C. Section 201 et seq.);

(4) a substance intended for use as fuel that is stored in a container and used in the heating, cooking, or refrigeration system of a private residence; and

(5) source material, special nuclear material, or by-product material as defined in the Atomic Energy Act of 1954 (42 U.S.C. Chapter 23) and regulations issued under that Act by the Atomic Energy Commission.

Sec. 501.003. DESIGNATION OF RADIOACTIVE SUBSTANCE AS HAZARDOUS. The board by rule shall designate a radioactive substance to be a hazardous substance if, with respect to the substance as used in a particular class of article or as packaged, the board finds that the substance is sufficiently hazardous as to require labeling as a hazardous substance under this chapter in order to protect the public health.

Sec. 501.004. DESIGNATION OF STRONG SENSITIZER. Before designating a substance as a strong sensitizer, the department must determine that the substance has a significant potential for causing hypersensitivity considering the frequency of occurrence and the severity of the reaction.

Sec. 501.005. EXCLUSION. This chapter does not apply to the manufacture, distribution, sale, or use of diapers.

SUBCHAPTER B. REGULATION OF SUBSTANCES

Sec. 501.021. FLAMMABILITY STANDARDS; DETERMINATION OF FLAMMABILITY. (a) The board by rule shall establish the methods for determining the flammability of solids, fabrics, children's clothing, household furnishings, and the contents of self-pressurized containers that the board finds are generally applicable to those materials or containers.

(c) The department may obtain samples of articles described by Subsection (a) and determine the flammability of the articles for compliance with applicable standards established under this section.

Sec. 501.022. DESIGNATION OF BANNED HAZARDOUS SUBSTANCES. (a) The board by rule shall designate as a banned hazardous substance any article, including clothing intended for the use of children, that is not properly packaged or that does not comply with applicable flammability standards established by the board. The board's determination that articles of clothing of a specified range of sizes are intended for the use of a child 14 years of age or younger is conclusive.

(b) The board by rule shall designate as a banned hazardous substance any toy or other article, other than clothing, intended for the use of children that is a hazardous substance or bears or contains a hazardous substance in a manner accessible by a child to whom the toy or other article is entrusted.

(c) The board by rule shall designate as a banned hazardous substance any hazardous substance intended or packaged in a form suitable for use in a household that, notwithstanding cautionary labeling required by this chapter, is potentially so dangerous or hazardous when present or used in a household that the protection of the public health and safety may be adequately served only by keeping the substance out of commerce.

(d) The board by rule shall designate as a banned hazardous substance any article subject to this chapter that cannot be labeled adequately to protect the public health and safety or that presents an imminent danger to the public health and safety.

(e) This section does not apply to a toy or article such as a chemical set that because of its functional purpose requires the inclusion of a hazardous substance or necessarily presents an
electrical, mechanical, or thermal hazard if the toy or article:

(1) bears labeling that in the judgment of the board gives adequate directions and warnings for safe use; and

(2) is intended for use by children who have attained sufficient maturity and may reasonably be expected to read and heed those directions and warnings.

(f) This section does not apply to the manufacture, sale, distribution, or use of fireworks of any class.

Sec. 501.023. GENERAL LABELING AND PACKAGING REQUIREMENTS. (a) The department shall ensure that each hazardous substance is labeled sufficiently to inform its user of the dangers involved in using, storing, or handling the substance, of actions to be taken or avoided, and to give instructions as necessary for proper first aid treatment. The department shall develop labeling instructions consistent with and in conformity with federal requirements.

(b) A statement required by Subsection (a) must be located prominently and written in English in conspicuous and legible type that contrasts in typography, layout, or color with other printed matter on the label. The department may also require the statement to be written in Spanish.

(c) The statement must also appear:

(1) on the outside container or wrapper of a substance and on a container sold separately and intended for the storage of a hazardous substance unless the statement required by Subsection (a) is easily legible through the outside container or wrapper; and

(2) on all accompanying literature containing directions for use, whether written or in other form.

Sec. 501.0231. LABELING OF CERTAIN TOYS AND GAMES. (a) Toys or games intended for use by children, including the parts of those toys or games, shall be labeled in the manner required by rule of the board. The board's rules under this subsection shall be consistent
with federal guidelines and regulations adopted under the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), as amended. Until the board adopts rules under this subsection, the toys, games, and parts shall be labeled in the manner required by federal guidelines and regulations adopted under the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.) as of September 1, 2001.

(b) Latex balloons, small balls, marbles, and any toy or game that contains such a balloon, ball, or marble shall be labeled in the manner required by rule of the board. The board's rules under this subsection shall be consistent with federal guidelines and regulations adopted under the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), as amended. Until the board adopts rules under this subsection, latex balloons, small balls, marbles, and any toy or game that contains such a balloon, ball, or marble shall be labeled in the manner required by federal guidelines and regulations adopted under the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.) as of September 1, 2001.

Added by Acts 2001, 77th Leg., ch. 360, Sec. 6, eff. Sept. 1, 2001.

Sec. 501.0232. REVIEW AND LABELING OF HAZARDOUS ART MATERIALS. (a) Art materials shall be reviewed by a toxicologist.

(b) Art materials shall be labeled in the manner required by rule of the board. The board's rules under this subsection shall be consistent with the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), as amended, and federal regulations adopted under that Act. Until the board adopts rules under this subsection, art materials shall be labeled in the manner required by the Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), and federal regulations adopted under that Act, as of September 1, 2001.

Added by Acts 2001, 77th Leg., ch. 360, Sec. 6, eff. Sept. 1, 2001.

Sec. 501.0233. PACKAGING OF HAZARDOUS SUBSTANCES. Hazardous substances shall be packaged in the manner required by special packaging rules adopted by the board. The board's rules under this section shall be consistent with federal special packaging regulations adopted under the federal Poison Prevention Packaging Act

Added by Acts 2001, 77th Leg., ch. 360, Sec. 6, eff. Sept. 1, 2001.

Sec. 501.024. REGISTRATION. (a) A person who manufactures, imports, or repacks a hazardous substance that is distributed in this state or who distributes a hazardous substance in this state under the person's private brand name shall have on file with the department a registration statement as provided by this section.

(b) The board by rule shall detail the registration requirements and prescribe the contents of the registration statement.

(c) The person must file the registration statement with the department:

(1) before beginning business in this state as a manufacturer, importer, repacker, or distributor of a hazardous substance; and

(2) in each succeeding year that the person continues the business in this state, not later than the anniversary of the initial filing.

(d) The initial registration statement and each annual registration statement must be accompanied by a fee prescribed by the board.

(e) The department, after notice and hearing, may refuse to register or may cancel, revoke, or suspend the registration of a person who manufactures, imports, repacks, or distributes a hazardous substance if the person fails to comply with the requirements of this chapter.

(f) A hazardous substance is subject to seizure and disposition under Section 501.033 if the person who manufactures, imports, repacks, or distributes the hazardous substance does not, after notice by the department, register with the department and make timely payment of the fee under this section.

(g) This section does not apply to a retailer who distributes a hazardous substance to the general public unless the retailer
distributes a hazardous substance made to its specifications.

Sec. 501.026. FEES. The board by rule shall set reasonable registration fees in an amount designed to recover not more than the costs to the department of administering, monitoring compliance with, enforcing, and conducting tests under this chapter.

Added by Acts 2001, 77th Leg., ch. 360, Sec. 9, eff. Sept. 1, 2001.

SUBCHAPTER C. ENFORCEMENT

Sec. 501.031. EXAMINATIONS AND INVESTIGATIONS. (a) To enforce this chapter, an officer, employee, or agent of the department, on the presentation of appropriate credentials to the owner, operator, or agent, at reasonable times may enter a factory, warehouse, or establishment in which a hazardous substance is manufactured, processed, packaged, or held for introduction into commerce in this state or in which a hazardous substance is held after introduction into commerce, or a vehicle used to transport or hold a hazardous substance in commerce, for the purpose of inspecting within reasonable limits and in a reasonable manner the factory, warehouse, establishment, or vehicle and all pertinent equipment, finished and unfinished materials, and labeling in the factory, warehouse,
establishment, or vehicle.

(b) The officer, employee, or agent of the department may obtain samples of any materials, packaging, labeling, or finished product.

Sec. 501.032. RECORDS OF HAZARDOUS SUBSTANCE IN COMMERCE. (a) For the enforcement of this chapter, a carrier engaged in commerce, a person receiving a hazardous substance in commerce, or a person holding a hazardous substance received in commerce, on request of the department shall permit a representative of the department at reasonable times to have access to and to copy all records showing the movement in commerce or the holding after movement in commerce of any hazardous substance and the quantity, consignees, and shipper of the hazardous substance.

(b) Evidence obtained under this section may not be used in the criminal prosecution of the person from whom the evidence is obtained.

(c) A carrier is not subject to the other provisions of this chapter because of the carrier's receipt, carriage, holding, or delivery of a hazardous substance in the usual course of the carrier's business.

Sec. 501.033. SEIZURE AND DISPOSITION OF BANNED OR MISBRANDED HAZARDOUS SUBSTANCE. (a) If an authorized agent of the department has good reason to believe that a hazardous substance is a banned or misbranded hazardous substance, the agent shall affix to the article a tag or other appropriate marking giving notice that the article is or is suspected to be a banned or misbranded hazardous substance and that the article has been detained, and warning all persons not to remove the article from the premises or dispose of the article by sale or in any other manner until permission to do so is given by the agent or a court.

(b) The department shall petition a district court of Travis County or of the county in which the article is located to authorize
the destruction of the article. If the court determines that the article is a banned or misbranded hazardous substance, the department shall destroy the article, and the court shall impose all court costs and fees and storage and other proper expenses against the claimant of the article. However, if the court finds that misbranding occurred in good faith and can be corrected by proper labeling, the court may direct that the article be delivered to the claimant for proper labeling with the approval of the department.

(c) If the court finds that the article is not a banned or misbranded hazardous substance, the court shall order the department to remove the tags or other markings.

Sec. 501.034. PROHIBITED ACTS. (a) A person may not hold or offer for sale, sell, or introduce or deliver for introduction into commerce a misbranded hazardous substance or banned hazardous substance.

(b) A person may not alter, mutilate, destroy, or remove all or part of the label of a hazardous substance, or do any other act relating to a hazardous substance, when the substance is in commerce or is held for sale, whether or not the first sale, after shipment in commerce, if the act results in the hazardous substance being a banned or misbranded hazardous substance.

(c) A person may not receive a banned or misbranded hazardous substance in commerce or deliver or offer to deliver a banned or misbranded hazardous substance for pay or otherwise.

(d) A person may not fail to permit entry or inspection as authorized by this chapter or to provide records as required by this chapter.

(e) A person may not use to his own advantage or reveal to any person other than the department or a court, if relevant to a judicial proceeding under this chapter, information acquired in an inspection authorized by this chapter and relating to a method or process that is entitled to protection as a trade secret.

(f) A person may not remove or dispose of a detained article or substance in violation of Section 501.035.

(g) A person may not manufacture, import, or repack a hazardous substance.
substance that is to be distributed in this state or otherwise
distribute a hazardous substance in this state without complying with
Section 501.024.

(h) A person may not package a hazardous substance in a new or
reused food, drug, or cosmetic container that is identifiable as a
food, drug, or cosmetic container by its labeling or other
identification.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended

Sec. 501.035. OFFENSES; EXCEPTIONS. (a) A person commits an
offense if the person intentionally, knowingly, or recklessly
violates this chapter or a rule adopted under this chapter.

(b) An offense under this section is a Class A misdemeanor.

(c) This section does not apply to a person who delivers or
receives a banned or misbranded hazardous substance if the delivery
or receipt is made in good faith and if the person subsequently
delivers on request:

(1) the name and address of the person from whom the
substance was purchased or received; and

(2) copies of all documents, if any, relating to the
original delivery of the substance to the person.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended

Sec. 501.036. INJUNCTION. (a) If it appears that a person has
violated, is violating, or is threatening to violate this chapter or
a rule adopted or order issued under this chapter, the commissioner
may request the attorney general or a district, county, or city
attorney of the county or municipality in which the violation has
occurred, is occurring, or may occur to institute a civil suit for:

(1) an order enjoining the violation or an order directing
compliance; or

(2) a permanent or temporary injunction, restraining order,
or other appropriate order if the department shows that the person
has engaged in, is engaging in, or is about to engage in a violation
of this chapter or a rule adopted or order issued under this chapter.
(b) Venue for a suit brought under this section is in the county or municipality in which the violation occurred or in Travis County.

(c) The commissioner and either the attorney general or the district, county, or city attorney, as appropriate, may each recover from the violator reasonable expenses incurred in obtaining injunctive relief under this section, including investigative costs, court costs, reasonable attorney's fees, witness fees, and deposition expenses. Expenses recovered by the commissioner may be appropriated only to the department to administer and enforce this chapter. Expenses recovered by the attorney general may be appropriated only to the attorney general.

Sec. 501.037. RECALL ORDERS. (a) In conjunction with the detention of an article under Section 501.033, the commissioner may order that a hazardous substance be recalled from commerce.

(b) The commissioner's recall order may require the articles to be removed to one or more secure areas approved by the commissioner or an authorized agent of the commissioner.

(c) The recall order must be in writing and signed by the commissioner.

(d) The recall order may be issued before or in conjunction with the affixing of the tag or other appropriate marking as provided by Section 501.033.

(e) The recall order is effective until the order:

(1) expires on its own terms;

(2) is withdrawn by the commissioner; or

(3) is reversed by a court in an order denying destruction under Section 501.033.

(f) The claimant of the articles or the claimant's agent shall pay the costs of the removal and storage of the articles removed.

(g) If the claimant or the claimant's agent does not implement the recall order in a timely manner, the commissioner may provide for the recall of the articles. The costs of the recall shall be assessed against the claimant of the articles or the claimant's agent.

(h) The commissioner may request the attorney general to bring
an action in a district court of Travis County to recover costs of
the recall. In a judgment in favor of the state, the court may award
costs, attorney's fees, and court costs related to the recall
together with interest on those costs from the time an expense was
incurred through the date the department is reimbursed.

SUBCHAPTER D. ADMINISTRATIVE PENALTY

Sec. 501.101. IMPOSITION OF PENALTY. (a) The department may
impose an administrative penalty on a person:
(1) who manufactures or repacks a hazardous substance that
is distributed in this state or who distributes a hazardous substance
in this state; and
(2) who violates this chapter or a rule or order adopted
under this chapter.
(b) A penalty collected under this subchapter shall be
deposited in the state treasury in the general revenue fund.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 7.01, eff. Sept. 1,
1999.

Sec. 501.102. AMOUNT OF PENALTY. (a) The amount of the
penalty may not exceed $1,000 for each violation, and each day a
violation continues or occurs is a separate violation for purposes of
imposing a penalty. The total amount of the penalty assessed for a
violation continuing or occurring on separate days under this
subsection may not exceed $5,000.
(b) The amount shall be based on:
(1) the seriousness of the violation, including the nature,
circumstances, extent, and gravity of the violation;
(2) the threat to health or safety caused by the violation;
(3) the history of previous violations;
(4) the amount necessary to deter a future violation;
(5) whether the violator demonstrated good faith, including
when applicable whether the violator made good faith efforts to
correct the violation; and
(6) any other matter that justice may require.
Sec. 501.103. REPORT AND NOTICE OF VIOLATION AND PENALTY. (a) If the department initially determines that a violation occurred, the department shall give written notice of the report by certified mail to the person.

(b) The notice must:

1. include a brief summary of the alleged violation;
2. state the amount of the recommended penalty; and
3. inform the person of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both.

Sec. 501.104. PENALTY TO BE PAID OR HEARING REQUESTED. (a) Within 20 days after the date the person receives the notice sent under Section 501.103, the person in writing may:

1. accept the determination and recommended penalty of the department; or
2. make a request for a hearing on the occurrence of the violation, the amount of the penalty, or both.

(b) If the person accepts the determination and recommended penalty or if the person fails to respond to the notice, the commissioner of public health by order shall approve the determination and impose the recommended penalty.

Sec. 501.105. HEARING. (a) If the person requests a hearing, the commissioner of public health shall refer the matter to the State Office of Administrative Hearings, which shall promptly set a hearing date and give written notice of the time and place of the hearing to the person. An administrative law judge of the State Office of Administrative Hearings shall conduct the hearing.

(b) The administrative law judge shall make findings of fact
and conclusions of law and promptly issue to the commissioner of public health a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 7.01, eff. Sept. 1, 1999.

Sec. 501.106. DECISION BY COMMISSIONER. (a) Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner of public health by order may:

(1) find that a violation occurred and impose a penalty; or

(2) find that a violation did not occur.

(b) The notice of the commissioner's order under Subsection (a) that is sent to the person in accordance with Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 7.01, eff. Sept. 1, 1999.

Sec. 501.107. OPTIONS FOLLOWING DECISION: PAY OR APPEAL. Within 30 days after the date an order of the commissioner of public health under Section 501.106 that imposes an administrative penalty becomes final, the person shall:

(1) pay the penalty; or

(2) file a petition for judicial review of the commissioner's order contesting the occurrence of the violation, the amount of the penalty, or both.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 7.01, eff. Sept. 1, 1999.

Sec. 501.108. STAY OF ENFORCEMENT OF PENALTY. (a) Within the 30-day period prescribed by Section 501.107, a person who files a petition for judicial review may:

(1) stay enforcement of the penalty by:

(A) paying the penalty to the court for placement in an
escrow account; or

(B) giving the court a supersedeas bond approved by the court that:

(i) is for the amount of the penalty; and

(ii) is effective until all judicial review of the commissioner's order is final; or

(2) request the court to stay enforcement of the penalty by:

(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the penalty and is financially unable to give the supersedeas bond; and

(B) giving a copy of the affidavit to the commissioner of public health by certified mail.

(b) If the commissioner of public health receives a copy of an affidavit under Subsection (a)(2), the commissioner may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty or to give a supersedeas bond.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 7.01, eff. Sept. 1, 1999.

Sec. 501.109. COLLECTION OF PENALTY. (a) If the person does not pay the penalty and the enforcement of the penalty is not stayed, the penalty may be collected.

(b) The attorney general may sue to collect the penalty.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 7.01, eff. Sept. 1, 1999.

Sec. 501.110. DECISION BY COURT. (a) If the court sustains the finding that a violation occurred, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty.

(b) If the court does not sustain the finding that a violation
occurred, the court shall order that a penalty is not owed.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 7.01, eff. Sept. 1, 1999.

Sec. 501.111. REMITTANCE OF PENALTY AND INTEREST. (a) If the person paid the penalty and if the amount of the penalty is reduced or the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, that the appropriate amount plus accrued interest be remitted to the person within 30 days after the date that the judgment of the court becomes final.

(b) The interest accrues at the rate charged on loans to depository institutions by the New York Federal Reserve Bank.

(c) The interest shall be paid for the period beginning on the date the penalty is paid and ending on the date the penalty is remitted.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 7.01, eff. Sept. 1, 1999.

Sec. 501.112. RELEASE OF BOND. (a) If the person gave a supersedeas bond and the penalty is not upheld by the court, the court shall order, when the court's judgment becomes final, the release of the bond.

(b) If the person gave a supersedeas bond and the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the reduced amount.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 7.01, eff. Sept. 1, 1999.

Sec. 501.113. ADMINISTRATIVE PROCEDURE. A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 7.01, eff. Sept. 1, 1999.
CHAPTER 502. HAZARD COMMUNICATION ACT

Sec. 502.001. SHORT TITLE. This chapter may be cited as the Hazard Communication Act.

Sec. 502.002. FINDINGS; PURPOSE. (a) The legislature finds that:

(1) the health and safety of persons working in this state may be improved by providing access to information regarding hazardous chemicals to which those persons may be exposed during normal employment activities, during emergency situations, or as a result of proximity to the manufacture or use of those chemicals; and

(2) many employers in this state have established suitable information programs for their employees and that access to the information is required of most employers under the federal Occupational Safety and Health Administration's (OSHA) Hazard Communication Standard.

(b) It is the intent and purpose of this chapter to assure that employers provide information regarding hazardous chemicals in the workplace to employees who may be exposed to those chemicals in their workplace.

Sec. 502.0021. FEDERAL LAWS AND REGULATIONS. In this chapter, a reference to a federal law or regulation means a reference to the most current version of that law or regulation.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 1, eff. Sept. 1, 1993.

Sec. 502.003. DEFINITIONS. In this chapter:

(1) "Article" means a manufactured item:

(A) that is formed to a specific shape or design during manufacture;
(B) that has end-use functions dependent in whole or in part on its shape or design during end use; and
(C) that does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use.

(2) "Board" means the Texas Board of Health.

(3) "Chemical manufacturer" means an employer in Standard Industrial Classification (SIC) Codes 20-39 with a workplace where chemicals are produced for use or distribution.

(4) "Chemical name" means:
(A) the scientific designation of a chemical in accordance with the nomenclature system developed by the International Union of Pure and Applied Chemistry (IUPAC) or the Chemical Abstracts Service (CAS) rules of nomenclature; or
(B) a name that clearly identifies the chemical for the purpose of conducting a hazard evaluation.

(5) "Common name" means a designation of identification, such as a code name, code number, trade name, brand name, or generic name, used to identify a chemical other than by its chemical name.

(6) "Department" means the Texas Department of Health.

(7) "Designated representative" means the individual or organization to whom an employee gives written authorization to exercise the employee's rights under this chapter, except that a recognized or certified collective bargaining agent is a designated representative regardless of written employee authorization.

(8) "Director" means the director of the Texas Department of Health.

(9) "Distributor" means a business in Standard Industrial Classification Major Industry Group 516 or 517 that supplies hazardous chemicals to an employer who must comply with this Act.

(10) "Employee" means a person who may be or may have been exposed to hazardous chemicals in the person's workplace under normal operating conditions or foreseeable emergencies, and includes a person working for this state, a person working for a political subdivision of this state, or a member of a volunteer emergency service organization or, if the applicable OSHA standard or MSHA standard is not in effect, a person working for a private employer. Workers such as office workers or accountants who encounter hazardous chemicals only in nonroutine, isolated instances are not employees for purposes of this chapter.

(11) "Employer" means a person engaged in private business
who is regulated by the federal Occupational Safety and Health Act of 1970 (Pub. L. No. 91-596), the Federal Coal Mine Health and Safety Act of 1969 (Pub. L. No. 91-173), or the Federal Mine Safety and Health Amendments Act of 1977 (Pub. L. No. 95-164) on the effective date of this Act, or the state or a political subdivision of the state, including a state, county, or municipal agency, a public school, a college or university, a river authority or publicly owned utility, a volunteer emergency service organization, and other similar employers. The term does not include any person to whom the federal Occupational Safety and Health Act of 1970 (Pub. L. No. 91-596), the Federal Coal Mine Health and Safety Act of 1969 (Pub. L. No. 91-173), or the Federal Mine Safety and Health Amendments Act of 1977 (Pub. L. No. 95-164) is applicable if that employer is covered by the OSHA standard or the other two federal laws.

(12) "Expose" or "exposure" means that an employee is subjected to a hazardous chemical in the course of employment through any route of entry, including inhalation, ingestion, skin contact, or absorption. The term includes potential, possible, or accidental exposure under normal conditions of use or in a reasonably foreseeable emergency.

(13) "Hazardous chemical" or "chemical" means an element, compound, or mixture of elements or compounds that is a physical hazard or health hazard as defined by the OSHA standard in 29 CFR Section 1910.1200(c), or a hazardous substance as defined by the OSHA standard in 29 CFR Section 1910.1200(d)(3), or by OSHA's written interpretations. A hazard determination may be made by employers who choose not to rely on the evaluations made by their suppliers if there are relevant qualitative or quantitative differences. A hazard determination shall involve the best professional judgment.

(14) "Health hazard" has the meaning given that term by the OSHA standard (29 CFR 1910.1200(c)).

(15) "Identity" means a chemical or common name, or alphabetical or numerical identification, that is indicated on the material safety data sheet (MSDS) for the chemical. The identity used must permit cross-references to be made among the workplace chemical list, the label, and the MSDS.

(16) "Label" means any written, printed, or graphic material displayed on or affixed to a container of hazardous chemicals.

(17) "Material Safety Data Sheet" ("MSDS") means a document
containing chemical hazard and safe handling information that is prepared in accordance with the requirements of the OSHA standard for that document.

(18) "MSHA standard" means the Hazard Communication Standard issued by the Mining Safety and Health Administration.

(19) "OSHA standard" means the Hazard Communication Standard issued by the Occupational Safety and Health Administration and codified as 29 CFR Section 1910.1200.

(20) "Physical hazard" means a chemical for which there is scientifically valid evidence that it is a combustible liquid, a compressed gas, explosive, flammable, an organic peroxide, an oxidizer, pyrophoric, unstable (reactive), or water-reactive in terms defined in the OSHA standard.

(21) "Temporary workplace" means a stationary workplace that is staffed less than 20 hours a week. A temporary workplace may be considered to be a work area of the headquarters workplace from which employees are routinely dispatched. Temporary workplaces may include pumping stations, emergency response sites, and similar workplaces.

(22) "Work area" means a room, a defined space, a utility structure, or an emergency response site in a workplace where hazardous chemicals are present, produced, or used and where employees are present.

(23) "Workplace" means an establishment, job site, or project, at one geographical location containing one or more work areas, with or without buildings, that is staffed 20 or more hours a week.

(24) "Workplace chemical list" means a list of hazardous chemicals developed under Section 502.005(a).

(b) Chemical manufacturers, importers, and distributors shall provide MSDSs as required by Section 502.006. Penalties provided by Sections 502.014, 502.015, and 502.016 may be assessed against chemical manufacturers, importers, and distributors for failure to provide MSDSs.

(c) If an employer is covered by both this chapter and Chapter 125, Agriculture Code, the employer is required to comply only with this chapter.

(d) This chapter, except Section 502.009, does not apply to a hazardous chemical in a sealed and labeled package that is received and subsequently sold or transferred in that package if:
   (1) the seal and label remain intact while the chemical is in the workplace; and
   (2) the chemical does not remain in the workplace longer than five working days.

(e) This chapter does not require labeling of the following chemicals:
   (1) any pesticide, as that term is defined in the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. Section 136 et seq.), when subject to the labeling requirements of that Act and labeling regulations issued under that Act by the Environmental Protection Agency;
   (2) any food, food additive, color additive, drug, cosmetic, or medical or veterinary device, including materials intended for use as ingredients in those products such as flavors and fragrances, as those terms are defined in the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.) and regulations issued under that Act, when they are subject to the labeling requirements under that Act by the Food and Drug Administration;
   (3) any distilled spirits that are beverage alcohols, wine, or malt beverages intended for nonindustrial use, as those terms are defined in the Federal Alcohol Administration Act (27 U.S.C. Section 201 et seq.) and regulations issued under that Act, when subject to the labeling requirements of that Act and labeling regulations issued under that Act by the Bureau of Alcohol, Tobacco, and Firearms; and
   (4) any consumer product or hazardous substance, as those terms are defined in the Consumer Product Safety Act (15 U.S.C. Section 2051 et seq.) and Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), respectively, when subject to a consumer product safety standard or labeling requirement of those Acts or
regulations issued under those Acts by the Consumer Product Safety Commission.

(f) This chapter does not apply to:

(1) any hazardous waste, as that term is defined by the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901 et seq.), when subject to regulations issued under that Act by the Environmental Protection Agency;

(2) a chemical in a laboratory under the direct supervision or guidance of a technically qualified individual if:
   (A) labels on incoming containers of chemicals are not removed or defaced;
   (B) the employer complies with Sections 502.006 and 502.009 with respect to laboratory employees; and
   (C) the laboratory is not used primarily to produce hazardous chemicals in bulk for commercial purposes;

(3) tobacco or tobacco products;

(4) wood or wood products;

(5) articles;

(6) food, drugs, cosmetics, or alcoholic beverages in a retail food sale establishment that are packaged for sale to consumers;

(7) food, drugs, or cosmetics intended for personal consumption by an employee while in the workplace;

(8) any consumer product or hazardous substance, as those terms are defined in the Consumer Product Safety Act (15 U.S.C. Section 2051 et seq.) and Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), respectively, if the employer can demonstrate it is used in the workplace in the same manner as normal consumer use and if the use results in a duration and frequency of exposure that is not greater than exposures experienced by consumers;

(9) any drug, as that term is defined in the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.); and

(10) radioactive waste.

Sec. 502.005. WORKPLACE CHEMICAL LIST. (a) For the purpose of
worker right-to-know, an employer shall compile and maintain a workplace chemical list that contains the following information for each hazardous chemical normally present in the workplace or temporary workplace in excess of 55 gallons or 500 pounds or in excess of an amount that the board determines by rule for certain highly toxic or dangerous hazardous chemicals:

(1) the identity used on the MSDS and container label; and
(2) the work area in which the hazardous chemical is normally present.

(b) The employer shall update the workplace chemical list as necessary but at least by December 31 of each year. Each workplace chemical list shall be dated and signed by the person responsible for compiling the information.

(c) The workplace chemical list may be prepared for the workplace as a whole or for each work area or temporary workplace and must be readily available to employees and their representatives. All employees shall be made aware of the workplace chemical list before working with or in a work area containing hazardous chemicals.

(d) An employer shall maintain a workplace chemical list for at least 30 years. The employer shall send complete records to the director if the employer ceases to operate.

Sec. 502.006. MATERIAL SAFETY DATA SHEET. (a) A chemical manufacturer or distributor shall provide appropriate material safety data sheets to employers who acquire hazardous chemicals in this state with each initial shipment and with the first shipment after an MSDS is updated. The MSDSs must conform to the most current requirements of the OSHA standard.

(b) An employer shall maintain a legible copy of a current MSDS for each hazardous chemical purchased. If the employer does not have a current MSDS for a hazardous chemical when the chemical is received at the workplace, the employer shall request an MSDS in writing from the manufacturer or distributor in a timely manner or shall otherwise obtain a current MSDS. The manufacturer or distributor shall respond with an appropriate MSDS in a timely manner.

(c) Material safety data sheets shall be readily available, on
request, for review by employees or designated representatives at each workplace.

(d) A copy of an MSDS maintained by an employer under this section shall be provided to the director on request.

Sec. 502.007. LABEL. (a) A label on an existing container of a hazardous chemical may not be removed or defaced unless it is illegible, inaccurate, or does not conform to the OSHA standard or other applicable labeling requirement. Primary containers must be relabeled with at least the identity appearing on the MSDS, the pertinent physical and health hazards, including the organs that would be affected, and the manufacturer's name and address. Except as provided by Subsection (b), secondary containers must be relabeled with at least the identity appearing on the MSDS and appropriate hazard warnings.

(b) An employee may not be required to work with a hazardous chemical from an unlabeled container except for a portable container intended for the immediate use of the employee who performs the transfer.

Sec. 502.008. OUTREACH PROGRAM. (a) The director shall develop an outreach program that:

(1) consists of an education and training program in the form of instructional materials to assist employers in fulfilling the requirements of Section 502.009; and

(2) includes the development and distribution of a supply of informational leaflets concerning employer's duties, employee rights, the outreach program, and the effects of hazardous chemicals.

(b) The director may contract with a public institution of higher education or other public or private organization to develop and implement the outreach program.

(c) The director shall develop and provide to each employer a suitable form of notice providing employees with information relating
to employee rights under this chapter.

(d) The director shall publicize the availability of information to answer inquiries from employees, employers, or the public in this state concerning the effects of hazardous chemicals.

(e) In cooperation with the director, an employer may provide an outreach program in the community.

Sec. 502.009. EMPLOYEE EDUCATION PROGRAM. (a) An employer shall provide an education and training program for employees who use or handle hazardous chemicals.

(b) An employer shall develop, implement, and maintain at the workplace a written hazard communication program for the workplace that describes how the criteria specified in this chapter will be met.

(c) An education and training program must include, as appropriate:

(1) information on interpreting labels and MSDSs and the relationship between those two methods of hazard communication;

(2) the location by work area, acute and chronic effects, and safe handling of hazardous chemicals known to be present in the employees' work area and to which the employees may be exposed;

(3) the proper use of protective equipment and first aid treatment to be used with respect to the hazardous chemicals to which the employees may be exposed; and

(4) general safety instructions on the handling, cleanup procedures, and disposal of hazardous chemicals.

(d) Training may be conducted by categories of chemicals. An employer must advise employees that information is available on the specific hazards of individual chemicals through the MSDSs. Protective equipment and first aid treatment may be by categories of hazardous chemicals.

(e) An employer shall provide additional instruction to an employee when the potential for exposure to hazardous chemicals in the employee's work area increases significantly or when the employer receives new and significant information concerning the hazards of a
chemical in the employee's work area. The addition of new chemicals alone does not necessarily require additional training.

(f) An employer shall provide training to a new or newly assigned employee before the employee works with or in a work area containing a hazardous chemical.

(g) An employer shall keep the written hazard communication program and a record of each training session given to employees, including the date, a roster of the employees who attended, the subjects covered in the training session, and the names of the instructors. Those records shall be maintained for at least five years by the employer. The department shall have access to those records and may interview employees during inspections.

(h) Emergency service organizations shall provide, to their members or employees who may encounter hazardous chemicals during an emergency, information on recognizing, evaluating, and controlling exposure to the chemicals.

(i) As part of an outreach program created in accordance with Section 502.008, the director shall develop an education and training assistance program to assist employers who are unable to develop the programs because of size or other practical considerations. The program shall be made available to those employers on request.

Sec. 502.010. LIABILITY UNDER OTHER LAW. Providing information to an employee does not affect:

(1) the liability of an employer with regard to the health and safety of an employee or other person exposed to hazardous chemicals;

(2) the employer's responsibility to take any action to prevent occupational disease as required under other law; or

(3) any other duty or responsibility of a manufacturer, producer, or formulator to warn ultimate users of a hazardous chemical under other law.

Sec. 502.011. COMPLAINTS AND INVESTIGATIONS. (a) The director or the director's representative shall investigate in a timely manner a complaint received in writing from an employee or an employee's designated representative relating to an alleged violation of this chapter by an employer.

(b) A complaint received from a person relating to an alleged violation shall be referred to the federal Occupational Safety and Health Administration (OSHA) or to the federal Mine Safety and Health Administration (MSHA) if the complaint is related to an applicable OSHA or MSHA requirement and the applicable OSHA or MSHA standard is in effect. The director or the director's representative shall investigate the complaint if:

(1) the applicable OSHA or MSHA standard is not in effect; or

(2) the complaint is based on a requirement of this chapter.

(c) On presentation of appropriate credentials, an officer or representative of the director may enter a workplace at reasonable times to inspect and investigate complaints.

(d) The department may find multiple violations by an employer based on distinct requirements of this chapter.

Sec. 502.012. REPORTING FATALITIES AND INJURIES. (a) Within 48 hours after the occurrence of an employee accident that directly or indirectly involves chemical exposure or that involves asphyxiation, and that is fatal to one or more employees or results in the hospitalization of five or more employees, the employer of any of the employees so injured or killed shall report the accident either orally or in writing to the department.

(b) The report to the department shall relate the circumstances of the accident, the number of fatalities, and the extent of any injuries. If it is necessary to complete the investigation of an incident, the department may require additional reports in writing as
Sec. 502.014. ADMINISTRATIVE PENALTY. (a) The director may assess an administrative penalty against an employer who violates this chapter, board rules adopted under this chapter, or an order issued under this chapter.

(b) If the department finds one or more violations of this chapter, the director may issue a notice of violation to the employer. The notice of violation shall specifically describe the violation, refer to the applicable section or subsection of the chapter, and state the amount of the penalty, if any, to be assessed by the director.

(c) An employer who receives a notice of violation may respond to the department in writing within 15 days after the date of receipt of the notice of violation in one of the ways provided by Subsection (d), (e), or (f).

(d) If the employer disputes the validity of the violation and has reason to believe that the findings of the department were based on inaccurate or incomplete information, the employer may request an informal conference with representatives of the department. The purpose of an informal conference is to permit the employer to meet with department representatives to discuss the basis of the violation and to provide information to the department. The department shall schedule the informal conference. A request for an informal conference made in bad faith is a violation of this chapter.

(e) The employer may correct the violation and certify to the department that the corrections have been made.

(f) The employer may request a hearing.

(g) Following an informal conference, the department shall respond in writing to the employer, stating whether the department intends to withdraw the notice of violation or pursue it. If the department intends to pursue the notice of violation, the employer may respond as provided by either Subsection (h) or (i) within 10 days after the date of receipt of the department's correspondence.

(h) The employer may correct the violation and certify to the department that the corrections have been made.

(i) The employer may request a hearing.
(j) A request for an informal conference or a statement by an employer that the employer is in compliance with the provision of this chapter does not waive the employer's right to a hearing.

(k) The director may not assess an administrative penalty for any violation that has been corrected within 15 days after the date of receipt of the notice of violation, the date of receipt of the department's response by the employer, or 10 days after the date of receipt by the employer of the department's response to the informal conference provided for in Subsection (c), whichever is later.

(l) In determining the amount of the penalty, the director shall consider:

(1) the employer's previous violations;
(2) the seriousness of the violation;
(3) any hazard to the health and safety of the employee;
(4) the employer's demonstrated good faith;
(5) the duration of the violation; and
(6) other matters as justice may require.

(m) Each day a violation continues may be considered a separate violation.

(n) The penalty may not exceed $500 for each violation.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 1, eff. Sept. 1, 1993.

---

Sec. 502.0141. ADMINISTRATIVE PENALTY ASSESSMENT PROCEDURE.
(a) An administrative penalty may be assessed only after an employer charged with a violation is given an opportunity for a hearing.

(b) If a hearing is held, the director shall make findings of fact and shall issue a written decision regarding the occurrence of the violation and the amount of the penalty that may be warranted.

(c) If the employer charged with the violation does not request a hearing in a timely manner, the director may assess a penalty after determining that a violation has occurred and the amount of the penalty that may be warranted.

(d) After making a determination under this section that a penalty is to be assessed against an employer, the director shall issue an order requiring that the employer pay the penalty.

(e) The director may consolidate a hearing held under this section with another proceeding.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 1, eff. Sept. 1, 1993.
Sec. 502.0142. PAYMENT OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW. (a) Not later than the 30th day after the date an order finding that a violation has occurred is issued, the director shall inform the employer against whom the order is issued of the amount of the penalty for the violation.

(b) Within 30 days after the date the director's order is final as provided by Subchapter F, Chapter 2001, Government Code, the employer shall:

(1) pay the amount of the penalty;

(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or

(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(c) Within the 30-day period, an employer who acts under Subsection (b)(3) may:

(1) stay enforcement of the penalty by:

(A) paying the amount of the penalty to the court for placement in an escrow account; or

(B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the director's order is final; or

(2) request the court to stay enforcement of the penalty by:

(A) filing with the court a sworn affidavit of the employer stating that the employer is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and

(B) giving a copy of the affidavit to the director by certified mail.

(d) Subsection (c)(1) does not apply to the state or a political subdivision. The penalty may not be enforced against the state or a political subdivision until all judicial review has been exhausted.
(e) If the director receives a copy of an affidavit under Subsection (c)(2), the director may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The employer who files an affidavit has the burden of proving that the employer is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(f) If the employer does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the director may refer the matter to the attorney general for collection of the amount of the penalty.

(g) Judicial review of the order of the director:
   (1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and
   (2) is under the substantial evidence rule.

(h) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the employer to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(i) When the judgment of the court becomes final, the court shall proceed under this subsection. If the employer paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the employer. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the employer gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the employer gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the employer pays the amount.

(j) All proceedings under this section are subject to Chapter 2001, Government Code.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 1, eff. Sept. 1, 1993. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), (53), (59),
Sec. 502.015. CIVIL PENALTY; INJUNCTION. (a) If it appears that an employer has violated, is violating, or is threatening to violate this chapter or any rule adopted or order issued under this chapter, the director may request the attorney general or the district, county, or city attorney of the municipality or county in which the violation has occurred, is occurring, or may occur to institute a civil suit for:

(1) injunctive relief to restrain the employer from continuing the violation or threat of violation;
(2) the assessment and recovery of a civil penalty for a violation; or
(3) both the injunctive relief and the civil penalty.

(b) The penalty may be in an amount not to exceed $2,000 a day for each violation, with a total not to exceed $20,000 for that violation.

(c) In determining the amount of the penalty, the court shall consider the employer's history of previous violations, the seriousness of the violation, any hazard to health and safety of the public, the demonstrated good faith of the employer charged, and other matters as justice may require.

(d) Any civil penalty recovered in a suit instituted by the attorney general under this chapter shall be deposited in the state treasury to the credit of the general revenue fund. Any civil penalty recovered in a suit instituted by a local government under this chapter shall be paid to the local government.

(e) This section does not affect any other right of an employee or any other employer to receive compensation for damages under other law.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 1, eff. Sept. 1, 1993.

Sec. 502.016. CRIMINAL PENALTY. An employer who is required to disclose hazard information under this chapter and who proximately causes an occupational disease or injury to an individual by knowingly disclosing false hazard information or knowingly failing to disclose hazard information provided on an MSDS commits an offense...
that is punishable by a fine of not more than $10,000 for each violation. Each day of violation constitutes a separate offense, except that the fine may not exceed $100,000 for that violation. This section does not affect any other right of an employee or any other employer to receive compensation for damages under other law.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 1, eff. Sept. 1, 1993.

Sec. 502.017. EMPLOYEE NOTICE; RIGHTS OF EMPLOYEES. (a) An employer shall post and maintain adequate notice, at locations where notices are normally posted, informing employees of their rights under this chapter. If the director does not prepare the notice under Section 502.008, the employer shall prepare the notice.

(b) Employees who may be exposed to hazardous chemicals shall be informed of the exposure and shall have access to the workplace chemical list and MSDSs for the hazardous chemicals. Employees, on request, shall be provided a copy of a specific MSDS with any trade secret information deleted. In addition, employees shall receive training concerning the hazards of the chemicals and measures they can take to protect themselves from those hazards. Employees shall be provided with appropriate personal protective equipment. These rights are guaranteed.

(c) An employer may not discharge, cause to be discharged, otherwise discipline, or in any manner discriminate against an employee because the employee has:

(1) filed a complaint;
(2) assisted an inspector of the department who may make or is making an inspection under Section 502.011;
(3) instituted or caused to be instituted any proceeding under or related to this chapter;
(4) testified or is about to testify in a proceeding under this chapter; or
(5) exercised any rights afforded under this chapter on behalf of the employee or on behalf of others.

(d) Pay, position, seniority, or other benefits may not be lost as the result of the exercise of any right provided by this chapter.

(e) A waiver by an employee of the benefits or requirements of this chapter is void. An employer's request or requirement that an employee waive any rights under this chapter as a condition of
employment is a violation of this chapter.

Sec. 502.018. STANDARD FOR PHYSICIAN TREATMENT. For the purposes of this chapter, the requirements in the OSHA standard for physicians treating employees (29 CFR 1910.1200(l)) apply to physicians treating persons.

Sec. 502.019. RULES. The board may adopt rules and administrative procedures reasonably necessary to carry out the purposes of this chapter.

Sec. 502.020. WORKPLACE SAFETY FOR INMATES. A person imprisoned in a facility operated by or for the Texas Department of Criminal Justice is not an employee for the purposes of this chapter. The Texas Department of Criminal Justice shall provide a person imprisoned in a facility operated by or for the Texas Department of Criminal Justice the protections from exposure to hazardous chemicals in the workplace as provided for in this chapter.

CHAPTER 503. HEALTH RISK ASSESSMENT OF TOXIC SUBSTANCES AND HARMFUL PHYSICAL AGENTS
Sec. 503.001. DEFINITIONS. In this chapter:

(1) "Board" means the Texas Board of Health.

(2) "Committee" means the Toxic Substances Coordinating Committee.

(3) "Department" means the Texas Department of Health.

(4) "Harmful physical agent" means a physical phenomenon, other than a toxic substance, that has or may have carcinogenic, mutagenic, teratogenic, or other harmful effects on humans, and includes:

(A) ionizing radiation, X-rays, gamma rays, ultraviolet light, or other electromagnetic radiation; and

(B) acoustical, thermal, or mechanical vibration.

(5) "Health risk assessment" means the use of objective data to characterize the potential adverse health effects that exposure to a toxic substance or a harmful physical agent may have on a person.

(6) "Toxic substance" means a substance that has or may have toxic, carcinogenic, mutagenic, teratogenic, or other harmful effects on humans, and includes a product that contains a toxic substance that poses or may pose a substantial hazard to human health.

Sec. 503.002. TOXIC SUBSTANCES COORDINATING COMMITTEE. (a) The Toxic Substances Coordinating Committee is composed of one representative from the:

(1) department;

(2) Department of Agriculture;

(3) Texas Natural Resource Conservation Commission;

(4) Parks and Wildlife Department;

(5) Department of Public Safety; and

(6) Railroad Commission of Texas.

(b) The chief administrative officer of each agency shall appoint the agency representative to the committee. A representative serves at the will of the chief administrative officer or until the representative terminates employment with the agency, whichever occurs first.

(c) The representative of the department serves as chairman of
the committee.
(d) The department shall provide administrative support to the committee.

Sec. 503.003. MEETINGS; NOTICE. (a) The committee shall meet:
(1) at the call of the chief administrative officer of any member agency; or
(2) at least once each quarter on a meeting date set by the committee.
(b) The committee must provide public notice of the meeting date not later than the 15th day before the date on which the committee holds the meeting.
(c) The committee shall adopt rules for the conduct of its meetings.

Sec. 503.004. DUTIES OF COMMITTEE. (a) The committee shall coordinate communication among member agencies concerning each agency's efforts to regulate toxic substances and harmful physical agents.
(b) The committee shall develop a plan that provides for:
(1) intergovernmental cooperation concerning regulations to prevent and control the adverse health effects of toxic substances and harmful physical agents;
(2) a health risk assessment of emergency responses to accidents involving toxic substances or harmful physical agents;
(3) the coordination of agency programs relating to the prevention and control of adverse health effects resulting from exposure to toxic substances or harmful physical agents;
(4) the establishment of an integrated system to collect and manage information relating to toxic substances and harmful physical agents; and
(5) public education concerning the use of toxic substances and harmful physical agents and the potential adverse health effects.
Sec. 503.005. HEALTH RISK ASSESSMENTS. (a) In its capacity to protect the public health, the department shall coordinate health risk assessments conducted under this chapter.

(b) Each agency represented on the committee shall consult with and advise the department concerning health risk assessment activities when beginning a health risk assessment. The agency shall consult with and advise the department when taking the action in an emergency or as soon as possible after taking the action. This section does not require department approval of the agency's action or health risk assessment.

(c) Each agency represented on the committee shall use federal standards and health risk assessments, if appropriate, and avoid duplicating federal efforts.

Sec. 503.006. POWERS OF DEPARTMENT. (a) The department may establish an information management system and may collect and evaluate information relating to the use of toxic substances and harmful physical agents.

(b) The department may enter into agreements or contracts with federal, state, or local governmental entities, planning regions, and other public or private entities to implement this chapter.

Sec. 503.007. EFFECT ON OTHER LAWS. This chapter does not amend or affect the regulatory activities or procedures authorized under other law.

Sec. 505.002. FINDINGS; PURPOSE. (a) The legislature finds that:

(1) the health and safety of persons living in this state may be improved by providing access to information regarding hazardous chemicals to which those persons may be exposed during emergency situations or as a result of proximity to the manufacture or use of those chemicals; and

(2) many facility operators in this state have established suitable information programs for their communities and that access to the information is required of most facility operators under the federal Emergency Planning and Community Right-To-Know Act (EPCRA).

(b) It is the intent and purpose of this chapter to ensure that accessibility to information regarding hazardous chemicals is provided to:

(1) fire departments responsible for dealing with chemical hazards during an emergency;

(2) local emergency planning committees and other emergency planning organizations; and

(3) the director to make the information available to the public through specific procedures.

Sec. 505.003. FEDERAL LAWS AND REGULATIONS; OTHER STANDARDS. (a) In this chapter, a reference to a federal law or regulation means a reference to the most current version of that law or regulation.

(b) In this chapter, a reference to Standard Industrial Classification (SIC), to nomenclature systems developed by the International Union of Pure and Applied Chemistry (IUPAC) or the Chemical Abstracts Service (CAS), or to other information, including information such as classification codes, performance standards, systematic names, standards, and systems described in publications sponsored by private technical or trade organizations, means a reference to the most current version of the publication.
Sec. 505.004. DEFINITIONS. In this chapter:

(1) "Article" means a manufactured item:
   (A) that is formed to a specific shape or design during manufacture;
   (B) that has end-use functions dependent in whole or in part on its shape or design during end use; and
   (C) that does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use.

(2) "Board" means the Texas Board of Health.

(3) "Chemical name" means:
   (A) the scientific designation of a chemical in accordance with the nomenclature system developed by the International Union of Pure and Applied Chemistry (IUPAC) or the Chemical Abstracts Service (CAS) rules of nomenclature; or
   (B) a name that clearly identifies the chemical for the purpose of conducting a hazard evaluation.

(4) "Common name" means a designation of identification, such as a code name, code number, trade name, brand name, or generic name, used to identify a chemical other than by its chemical name.

(5) "Department" means the Texas Department of Health.

(6) "Director" means the director of the Texas Department of Health.

(7) "EPA" means the United States Environmental Protection Agency.

(8) "EPCRA" or "SARA Title III" means the federal Emergency Planning and Community Right-To-Know Act, also known as the Superfund Amendments and Reauthorization Act of 1986, Title III, Pub. L. No. 99-499 et seq.

(9) "Extremely hazardous substance" means any substance as defined in EPCRA, Section 302, or listed by the United States Environmental Protection Agency in 40 CFR Part 355, Appendices A and B.

(10) "Facility" means all buildings, equipment, structures, and other stationary items that are located on a single site or on contiguous or adjacent sites, that are owned or operated by the same person, or by any person who controls, is controlled by, or is under common control with that person, and that is in Standard Industrial Codes (SIC) 20-39.
(11) "Facility operator" or "operator" means the person who controls the day-to-day operations of the facility.

(12) "Fire chief" means the elected or paid administrative head of a fire department.

(13) "Hazardous chemical" has the meaning given that term by 29 CFR 1910.1200(c), except that the term does not include:
   (A) any food, food additive, color additive, drug, or cosmetic regulated by the Food and Drug Administration;
   (B) any substance present as a solid in any manufactured item to the extent exposure to the substance does not occur under normal conditions of use;
   (C) any substance to the extent it is used for personal, family, or household purposes, or is present in the same form and concentration as a product packaged for distribution and use by the public;
   (D) any substance to the extent it is used in a research laboratory or a hospital or other medical facility under the direct supervision of a technically qualified individual; and
   (E) any substance to the extent it is used in routine agricultural operations or is a fertilizer held for sale by a retailer to the ultimate consumer.

(14) "Health hazard" has the meaning given that term by the OSHA standard (29 CFR 1910.1200(c)).

(15) "Identity" means any chemical or common name, or alphabetical or numerical identification, that is indicated on the material safety data sheet (MSDS) for the chemical. The identity used must permit cross-references to be made among the facility chemical list, the label, and the MSDS.

(16) "Label" means any written, printed, or graphic material displayed on or affixed to a container of hazardous chemicals.

(17) "Local emergency planning committee" means a committee formed under the requirements of EPCRA, Section 301, and recognized by the state emergency response commission for the purposes of emergency planning and public information.

(18) "Material safety data sheet" or "MSDS" means a document containing chemical hazard and safe handling information that is prepared in accordance with the requirements of the OSHA standard for that document.

(19) "OSHA standard" means the Hazard Communication
Standard issued by the Occupational Safety and Health Administration and codified as 29 CFR Section 1910.1200.

(20) "Physical hazard" means a chemical for which there is scientifically valid evidence that it is a combustible liquid, a compressed gas, explosive, flammable, an organic peroxide, an oxidizer, pyrophoric, unstable (reactive), or water-reactive in terms defined in the OSHA standard.

(21) "State emergency response commission" means the state emergency management council or other committee appointed by the governor in accordance with EPCRA.

(22) "Threshold planning quantity" means the minimum quantity of an extremely hazardous substance for which a facility owner or operator must participate in emergency planning, as defined by the EPA pursuant to EPCRA, Section 302.

(23) "Tier two form" means:

(A) a form specified by the department under Section 505.006 for listing hazardous chemicals as required by EPCRA; or

(B) a form accepted by the EPA under EPCRA for listing hazardous chemicals together with additional information required by the department for administering its functions related to EPCRA.

(24) "Workplace chemical list" means a list of hazardous chemicals developed under 29 CFR Section 1910.1200(e)(i).

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 505.005. APPLICABILITY OF CHAPTER. (a) Facility operators whose facilities are in SIC Codes 20-39 shall comply with this chapter.

(b) This chapter does not apply to a hazardous chemical in a sealed package that is received and subsequently sold or transferred in that package if:

(1) the seal remains intact while the chemical is in the facility;

(2) the chemical does not remain in the facility longer than five working days; and

(3) the chemical is not an extremely hazardous substance at or above the threshold planning quantity or 500 pounds, whichever is less, as listed by the EPA in 40 CFR Part 355, Appendices A and B.

(c) This chapter does not apply to:
(1) any hazardous waste, as that term is defined by the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901 et seq.), when subject to regulations issued under that Act by the EPA;

(2) tobacco or tobacco products;
(3) wood or wood products;
(4) articles;
(5) food, drugs, cosmetics, or alcoholic beverages in a retail food sale establishment that are packaged for sale to consumers;
(6) foods, drugs, or cosmetics intended for personal consumption by an employee while in the facility;
(7) any consumer product or hazardous substance, as those terms are defined in the Consumer Product Safety Act (15 U.S.C. Section 2051 et seq.) and Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), respectively, if the employer can demonstrate it is used in the facility in the same manner as normal consumer use and if the use results in a duration and frequency of exposure that is not greater than exposures experienced by consumers;
(8) any drug, as that term is defined by the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.), when it is in solid, final form for direct administration to the patient, such as tablets or pills;
(9) the transportation, including storage incident to that transportation, of any substance or chemical subject to this chapter, including the transportation and distribution of natural gas; and
(10) radioactive waste.

(d) The director shall develop an outreach program concerning the public's ability to obtain information under this chapter similar to the outreach program under Section 502.008.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 505.006. FACILITY CHEMICAL LIST. (a) For the purpose of community right-to-know, a facility operator covered by this chapter shall compile and maintain a tier two form that contains information on hazardous chemicals present in the facility in quantities that meet or exceed thresholds determined by the EPA in 40 CFR Part 370,
or at any other reporting thresholds as determined by board rule for certain highly toxic or extremely hazardous substances.

(b) Multiple facilities may be reported on the same tier two form, with appropriate facility identifiers, if the hazardous chemicals or hazardous chemical categories present at the multiple facilities are in the same ranges. In multiple facility reporting, the reporting thresholds must be applied to each facility rather than to the total quantities present at all facilities.

(c) Each tier two form shall be filed annually with the appropriate fee according to the procedures specified by board rules. The facility operator shall furnish a copy of each tier two form to the fire chief of the fire department having jurisdiction over the facility and to the appropriate local emergency planning committee.

(d) The tier two form shall be used to comply with the updating requirements in EPCRA Section 311, but a fee may not be associated with filing the report.

(e) A facility operator shall file the tier two form with the department not later than the 90th day after the date on which the operator begins operation or has a reportable addition, at the appropriate threshold, of a previously unreported hazardous chemical or extremely hazardous substance. The operator shall furnish a copy of each tier two form to the fire chief of the fire department having jurisdiction over the facility and to the appropriate local emergency planning committee.

(f) A facility operator shall file a material safety data sheet with the department on the department's request.

(g) The department shall maintain records of the tier two forms and other documents filed under this chapter or EPCRA for at least 30 years.

(h) Except as provided by Section 505.015, documents filed under this chapter are subject to Chapter 552, Government Code.

Sec. 505.007. DIRECT CITIZEN ACCESS TO INFORMATION. (a) Except as otherwise provided by this section, a person may request in writing copies of the facility's existing workplace chemical list for
community right-to-know purposes.

(b) Except as otherwise provided by this section, any facility covered by this chapter shall furnish or mail, within 10 working days of the date of receipt of a request under Subsection (a), either a copy of the facility's existing workplace chemical list or a modified version of the most recent tier two form using a 500-pound threshold.

(c) Any facility that has received five requests under Subsection (a) in a calendar month, four requests in a calendar month for two or more months in a row, or more than 10 requests in a year may elect to furnish the material to the department.

(d) Any facility electing to furnish the material to the department under Subsection (c) may during that same filing period inform persons making requests under Subsection (a) of the availability of the information at the department and refer the request to the department for that filing period. The notice to persons making requests shall state the address of the department and shall be mailed within seven days of the date of receipt of the request, if by mail, and at the time of the request if in person.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 505.008. EMERGENCY PLANNING INFORMATION. (a) The fire chief or the fire chief's representative, on request, may conduct on-site inspections of the chemicals on the tier two form for the sole purpose of planning fire department activities in case of an emergency.

(b) A facility operator, on request, shall give the fire chief or the local emergency planning committee such additional information on types and amounts of hazardous chemicals present at a facility as the requestor may need for emergency planning purposes. A facility operator, on request, shall give the director, the fire chief, or the local emergency planning committee a copy of the MSDS for any chemical on the tier two form furnished under Section 505.006 or for any chemical present at the facility.

(c) The board by rule may require certain categories of facility operators under certain circumstances to implement the National Fire Protection Association 704 identification system if an equivalent system is not in use.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.
Sec. 505.009. COMPLAINTS AND INVESTIGATIONS. On presentation of appropriate credentials, an officer or representative of the director may enter a facility at reasonable times to inspect and investigate complaints.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 505.010. ADMINISTRATIVE PENALTY. (a) The director may assess an administrative penalty against an operator who violates this chapter, board rules adopted under this chapter, or an order issued under this chapter.

(b) If the department finds one or more violations of this chapter, the director may issue a notice of violation to the operator. The notice of violation shall specifically describe the violation, refer to the applicable section or subsection of this chapter, and state the amount of the penalty, if any, to be assessed by the director.

(c) An operator who receives a notice of violation may respond to the department in writing within 15 days of the date of receipt of the notice of violation in one of the ways provided by Subsection (d), (e), or (f).

(d) If the operator disputes the validity of the violation and has reason to believe that the findings of the department were based on inaccurate or incomplete information, the operator may request an informal conference with representatives of the department. The purpose of an informal conference is to permit the operator to meet with department representatives to discuss the basis of the violation and to provide information to the department. The department shall schedule the informal conference. A request for an informal conference made in bad faith is a violation of this chapter.

(e) The operator may correct the violation and certify to the department that the corrections have been made.

(f) The operator may request a hearing.

(g) Following an informal conference, the department shall respond in writing to the operator, stating whether the department intends to withdraw the notice of violation or pursue it. If the department intends to pursue the notice of violation, the operator
may respond as provided by either Subsection (h) or (i) within 10 days of the date of receipt of the department's correspondence.

(h) The operator may correct the violation and certify to the department that the corrections have been made.

(i) The operator may request a hearing.

(j) A request for an informal conference or a statement by an operator that the operator is in compliance with the provisions of this chapter does not waive the operator's right to a hearing.

(k) Except as provided in Subsection (l), the director may not assess an administrative penalty for any violation that has been corrected within 15 days of the date of the notice of violation, the date of receipt of the department's response by the employer, or 10 days after the date of receipt by the operator of the department's response to the informal conference provided for in Subsection (d), whichever is later.

(l) If a violation involves a failure to make a good faith effort to comply with this chapter, the director may assess the administrative penalty at any time.

(m) In determining the amount of the penalty, the director shall consider:

(1) the operator's previous violations;
(2) the seriousness of the violation;
(3) any hazard to the health and safety of the public;
(4) the employer's demonstrated good faith;
(5) the duration of the violation; and
(6) other matters as justice may require.

(n) The penalty may not exceed $500 a day for each day a violation continues, with a total not to exceed $5,000 for each violation.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.
(c) If the facility operator charged with the violation does not request a hearing, the director may assess a penalty after determining that a violation has occurred and the amount of the penalty that may be warranted.

(d) After making a determination under this section that a penalty is to be assessed against a facility operator, the director shall issue an order requiring that the facility operator pay the penalty.

(e) If a penalty is assessed on a complaint, the department may allow the facility operator to make a grant to the local emergency planning committee or a member organization instead of paying the penalty. The department may specify that the operator join the local emergency planning committee and attend all meetings for one year or write an article, approved by the department, concerning community right-to-know laws applicable in Texas for a trade journal or other business publication.

(f) The director may consolidate a hearing held under this section with another proceeding.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 505.012. PAYMENT OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW. (a) Not later than the 30th day after the date an order finding that a violation has occurred is issued, the director shall inform the facility operator against whom the order is issued of the amount of the penalty for the violation.

(b) Except as provided by in Section 505.011(e), within 30 days after the date the director's order is final as provided by Subchapter F, Chapter 2001, Government Code, the facility operator shall:

(1) pay the amount of the penalty;

(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or

(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.
(c) Within the 30-day period, a facility operator who acts under Subsection (b)(3) may:

(1) stay enforcement of the penalty by:
   (A) paying the amount of the penalty to the court for placement in an escrow account; or
   (B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the director's order is final; or

(2) request the court to stay enforcement of the penalty by:
   (A) filing with the court a sworn affidavit of the facility operator stating that the facility operator is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and
   (B) giving a copy of the affidavit to the director by certified mail.

(d) If the director receives a copy of an affidavit under Subsection (c)(2), the director may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The facility operator who files an affidavit has the burden of proving that the facility operator is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(e) If the facility operator does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the director may refer the matter to the attorney general for collection of the amount of the penalty.

(f) Judicial review of the order of the director:
   (1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and
   (2) is under the substantial evidence rule.

(g) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the facility operator to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(h) When the judgment of the court becomes final, the court
shall proceed under this subsection. If the facility operator paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the facility operator. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the facility operator gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the facility operator gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the facility operator pays the amount.

(i) All proceedings under this section are subject to Chapter 2001, Government Code.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), (53), (59), eff. Sept. 1, 1995.

Sec. 505.013. CIVIL PENALTIES. (a) A person who knowingly discloses false information or negligently fails to disclose a hazard as required by this chapter is subject to a civil penalty of not more than $5,000 for each violation.

(b) This section does not affect any other right of a person to receive compensation under other law.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 505.014. CRIMINAL PENALTIES. (a) A person who proximately causes an occupational disease or injury to an individual by knowingly disclosing false information or knowingly failing to disclose hazard information as required by this chapter commits an offense punishable by a fine of not more than $25,000.

(b) This section does not affect any other right of a person to receive compensation under other law.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.
Sec. 505.015. TRADE SECRETS. Facility operators must substantiate trade secret claims to the administrator of the EPA in accordance with EPCRA, Section 322.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 505.016. RULES; FEES. (a) The board may adopt rules and administrative procedures reasonably necessary to carry out the purposes of this chapter.

(b) The board may authorize the collection of annual fees from facility operators for the filing of tier two forms required by this chapter. Except as provided by Subsection (d), fees may be used only to fund activities under this chapter. The fee for facilities may not exceed:

(1) $100 for each required submission having no more than 25 hazardous chemicals or hazardous chemical categories;
(2) $200 for each required submission having no more than 50 hazardous chemicals or hazardous chemical categories;
(3) $300 for each required submission having no more than 75 hazardous chemicals or hazardous chemical categories;
(4) $400 for each required submission having no more than 100 hazardous chemicals or hazardous chemical categories; or
(5) $500 for each required submission having more than 100 hazardous chemicals or chemical categories.

(c) To minimize the fees, the board by rule shall provide for consolidated filings of multiple tier two forms for facility operators covered by Subsection (b) if each of the tier two forms contains fewer than 25 items.

(d) The department may use up to 20 percent of the fees collected under this section as grants to local emergency planning committees to assist them to fulfill their responsibilities under EPCRA. The department may use up to 15 percent of the fees collected under this chapter and Chapter 506, or the amount of fees paid by the state and its political subdivisions under Chapter 506, whichever is greater, to administer Chapter 502.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 505.017. NOTICE ISSUED UNDER EMERGENCIES. (a) When
immediate notification of a release by a facility to the state emergency response commission is required in accordance with EPCRA, the state agency responsible for the information submitted to the state emergency response commission, on receipt of the required notification, shall make a determination as to whether the release reported will substantially endanger human health or the environment.

(b) If the responsible state agency determines that a release will substantially endanger human health or the environment, the agency shall, on request, notify the state senator or representative who represents the area in which the facility is located of the release within four hours of receipt of the original notification.

Added by Acts 2011, 82nd Leg., R.S., Ch. 780 (H.B. 1981), Sec. 3, eff. September 1, 2011.

CHAPTER 506. PUBLIC EMPLOYER COMMUNITY RIGHT-TO-KNOW ACT

Sec. 506.001. SHORT TITLE. This chapter may be cited as the Public Employer Community Right-To-Know Act.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.002. FINDINGS; PURPOSE. (a) The legislature finds that:

(1) the health and safety of persons living in this state may be improved by providing access to information regarding hazardous chemicals to which those persons may be exposed during emergency situations or as a result of proximity to the manufacture or use of those chemicals; and

(2) many facility operators in this state have established suitable information programs for their communities and that access to the information is required of most facility operators under the federal Emergency Planning and Community Right-To-Know Act (EPCRA).

(b) It is the intent and purpose of this chapter to ensure that accessibility to information regarding hazardous chemical is provided to:

(1) fire departments responsible for dealing with chemical hazards during an emergency;

(2) local emergency planning committees and other emergency planning organizations; and
(3) the director to make the information available to the public through specific procedures.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.003. FEDERAL LAWS AND REGULATIONS; OTHER STANDARDS.
(a) In this chapter, a reference to a federal law or regulation means a reference to the most current version of that law or regulation.
(b) In this chapter, a reference to nomenclature systems developed by the International Union of Pure and Applied Chemistry (IUPAC) or the Chemical Abstracts Service (CAS), or to other information, including information such as classification codes, performance standards, systematic names, standards, and systems described in publications sponsored by private technical or trade organizations, means a reference to the most current version of the publication.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.004. DEFINITIONS. In this chapter:
(1) "Article" means a manufactured item:
   (A) that is formed to a specific shape or design during manufacture;
   (B) that has end-use functions dependent in whole or in part on its shape or design during end use; and
   (C) that does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use.
(2) "Board" means the Texas Board of Health.
(3) "Chemical name" means:
   (A) the scientific designation of a chemical in accordance with the nomenclature system developed by the International Union of Pure and Applied Chemistry (IUPAC) or the Chemical Abstracts Service (CAS) rules of nomenclature; or
   (B) a name that clearly identifies the chemical for the purpose of conducting a hazard evaluation.
(4) "Common name" means a designation of identification, such as a code name, code number, trade name, brand name, or generic name, used to identify a chemical other than by its chemical name.
(5) "Department" means the Texas Department of Health.
(6) "Director" means the director of the Texas Department of Health.
(7) "EPA" means the United States Environmental Protection Agency.
(8) "EPCRA" or "SARA Title III" means the federal Emergency Planning and Community Right-To-Know Act, also known as the Superfund Amendments and Reauthorization Act of 1986, Title III, Pub. L. No. 99-499 et seq.
(9) "Extremely hazardous substance" means any substance as defined in EPCRA, Section 302, or listed by the United States Environmental Protection Agency in 40 CFR Part 355, Appendices A and B.
(10) "Facility" means all buildings, equipment, structures, and other stationary items that are located on a single site or on contiguous or adjacent sites, that are owned or operated by the same person, or by any person who controls, is controlled by, or is under common control with that person and that is operated by the state or a political subdivision of the state.
(11) "Facility operator" or "operator" means the person who controls the day-to-day operations of the facility.
(12) "Fire chief" means the elected or paid administrative head of a fire department.
(13) "Hazardous chemical" has the meaning given that term by 29 CFR 1910.1200(c), except that the term does not include:
   (A) any food, food additive, color additive, drug, or cosmetic regulated by the Food and Drug Administration;
   (B) any substance present as a solid in any manufactured item to the extent exposure to the substance does not occur under normal conditions of use;  
   (C) any substance to the extent that it is used for personal, family, or household purposes, or is present in the same form and concentration as a product packaged for distribution and use by the public;
   (D) any substance to the extent it is used in a research laboratory or a hospital or other medical facility under the direct supervision of a technically qualified individual; and
   (E) any substance to the extent it is used in routine agricultural operations or is a fertilizer held for sale by a retailer to the ultimate consumer.
"Health hazard" has the meaning given that term by the OSHA standard (29 CFR 1910.1200(c)).

"Identity" means any chemical or common name, or alphabetical or numerical identification, that is indicated on the material safety data sheet (MSDS) for the chemical. The identity used must permit cross-references to be made among the facility chemical list, the label, and the MSDS.

"Label" means any written, printed, or graphic material displayed on or affixed to a container of hazardous chemicals.

"Local emergency planning committee" means a committee formed under the requirements of EPCRA, Section 301, and recognized by the state emergency response commission for the purposes of emergency planning and public information.

"Material safety data sheet" or "MSDS" means a document containing chemical hazard and safe handling information that is prepared in accordance with the requirements of the OSHA standard for that document.

"OSHA standard" means the Hazard Communication Standard issued by the Occupational Safety and Health Administration and codified as 29 CFR Section 1910.1200.

"Physical hazard" means a chemical for which there is scientifically valid evidence that it is a combustible liquid, a compressed gas, explosive, flammable, an organic peroxide, an oxidizer, pyrophoric, unstable (reactive), or water-reactive in terms defined in the OSHA standard.

"Public employer" means:

(A) the state and political subdivisions of the state, including state, county, and municipal agencies;
(B) public schools, colleges, and universities;
(C) river authorities and publicly owned utilities;
(D) volunteer emergency service organizations; and

"State emergency response commission" means the state emergency management council or other committee appointed by the governor in accordance with EPCRA.
(23) "Threshold planning quantity" means the minimum quantity of an extremely hazardous substance for which a facility owner or operator must participate in emergency planning, as defined by the EPA pursuant to EPCRA, Section 302.

(24) "Tier two form" means:
   (A) a form specified by the department under Section 506.006 for listing hazardous chemicals as required by EPCRA; or
   (B) a form accepted by the EPA under EPCRA for listing hazardous chemicals together with additional information required by the department for administering its functions related to EPCRA.

(25) "Workplace chemical list" means a list of hazardous chemicals developed under Section 502.005(a).

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.005. APPLICABILITY OF CHAPTER. (a) Public employers shall comply with this chapter.
   (b) This chapter does not apply to a hazardous chemical in a sealed package that is received and subsequently sold or transferred in that package if:
      (1) the seal remains intact while the chemical is in the facility;
      (2) the chemical does not remain in the facility longer than five working days; and
      (3) the chemical is not an extremely hazardous substance at or above the threshold planning quantity or 500 pounds, whichever is less, as listed by the EPA in 40 CFR Part 355, Appendices A and B.
   (c) This chapter does not apply to:
      (1) any hazardous waste as that term is defined by the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901 et seq.), when subject to regulations issued under that Act by the EPA;
      (2) tobacco or tobacco products;
      (3) wood or wood products;
      (4) articles;
      (5) food, drugs, cosmetics, or alcoholic beverages in a retail food sale establishment that are packaged for sale to consumers;
(6) food, drugs, or cosmetics intended for personal consumption by an employee while in the facility;

(7) any consumer product or hazardous substance, as those terms are defined by the Consumer Product Safety Act (15 U.S.C. Section 2051 et seq.) and Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), respectively, if the employer can demonstrate it is used in the facility in the same manner as normal consumer use and if the use results in a duration and frequency of exposure that is not greater than exposures experienced by consumers;

(8) any drug, as that term is defined by the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.), when it is in solid, final form for direct administration to the patient, such as tablets or pills;

(9) the transportation, including storage incident to that transportation, of any substance or chemical subject to this chapter, including the transportation and distribution of natural gas; and

(10) radioactive waste.

(d) The director shall develop an outreach program concerning the public's ability to obtain information under this chapter similar to the outreach program under Section 502.008.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.006. FACILITY CHEMICAL LIST. (a) For the purpose of community right-to-know, a facility operator covered by this chapter shall compile and maintain a tier two form that contains information on hazardous chemicals present in the facility in quantities that meet or exceed thresholds determined by the EPA in 40 CFR Part 370, or at any other reporting thresholds as determined by board rule for certain highly toxic or extremely hazardous substances.

(b) Multiple facilities may be reported on the same tier two form, with appropriate facility identifiers, if the hazardous chemicals or hazardous chemical categories present at the multiple facilities are in the same ranges. In multiple facility reporting, the reporting thresholds must be applied to each facility rather than to the total quantities present at all facilities.

(c) Each tier two form shall be filed annually with the appropriate fee according to the procedures specified by board rules. The facility operator shall furnish a copy of each tier two form to
the fire chief of the fire department having jurisdiction over the facility and to the appropriate local emergency planning committee.

(d) A facility operator shall file the tier two form with the department not later than the 90th day after the date on which the operator begins operation or has a reportable addition, at the appropriate threshold, of a previously unreported hazardous chemical or extremely hazardous substance, but a fee may not be associated with filing this report. The operator shall furnish a copy of each tier two form to the fire chief of the fire department having jurisdiction over the facility and to the appropriate local emergency planning committee.

(e) A facility operator shall file a material safety data sheet with the department on the department's request.

(f) The department shall maintain records of the tier two forms and other documents filed under this chapter or EPCRA for at least 30 years.

(g) Documents filed under this chapter are subject to Chapter 552, Government Code.

Sec. 506.007. DIRECT CITIZEN ACCESS TO INFORMATION. (a) Except as otherwise provided by this section, a person may request in writing copies of the facility's existing workplace chemical list for community right-to-know purposes.

(b) Except as otherwise provided by this section, any facility covered by this chapter shall furnish or mail, within 10 working days of the date of receipt of a request under Subsection (a), either a copy of the facility's existing workplace chemical list or a modified version of the most recent tier two form using a 500-pound threshold.

(c) Any facility that has received five requests under Subsection (a) in a calendar month, four requests in a calendar month for two or more months in a row, or more than 10 requests in a year may elect to furnish the material to the department.

(d) Any facility electing to furnish the material to the department under Subsection (c) may during that same filing period inform persons making requests under Subsection (a) of the
availability of the information at the department and refer the request to the department for that filing period. The notice to persons making requests shall state the address of the department and shall be mailed within seven days of the date of receipt of the request, if by mail, and at the time of the request if in person.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.008. EMERGENCY PLANNING INFORMATION. (a) The fire chief or the fire chief's representative, on request, may conduct on-site inspections of the chemicals on the tier two form for the sole purpose of planning fire department activities in case of an emergency.

(b) A facility operator, on request, shall give the fire chief or the local emergency planning committee such additional information on types and amounts of hazardous chemicals present at a facility as the requestor may need for emergency planning purposes. A facility operator, on request, shall give the director, the fire chief, or the local emergency planning committee a copy of the MSDS for any chemical on the tier two form furnished under Section 506.006 or for any chemical present at the facility.

(c) The board by rule may require certain categories of facility operators under certain circumstances to implement the National Fire Protection Association 704 identification system if an equivalent system is not in use.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.009. COMPLAINTS AND INVESTIGATIONS. On presentation of appropriate credentials, an officer or representative of the director may enter a facility at reasonable times to inspect and investigate complaints.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.010. ADMINISTRATIVE PENALTY. (a) The director may assess an administrative penalty against an operator who violates this chapter, board rules adopted under this chapter, or an order
issued under this chapter.

(b) If the department finds one or more violations of this chapter, the director may issue a notice of violation to the operator. The notice of violation shall specifically describe the violation, refer to the applicable section or subsection of this chapter, and state the amount of the penalty, if any, to be assessed by the director.

(c) An operator who receives a notice of violation may respond to the department in writing within 15 days of the date of receipt of the notice of violation in one of the ways provided by Subsection (d), (e), or (f).

(d) If the operator disputes the validity of the violation and has reason to believe that the findings of the department were based on inaccurate or incomplete information, the operator may request an informal conference with representatives of the department. The purpose of an informal conference is to permit the operator to meet with department representatives to discuss the basis of the violation and to provide information to the department. The department shall schedule the informal conference. A request for an informal conference made in bad faith is a violation of this chapter.

(e) The operator may correct the violation and certify to the department that the corrections have been made.

(f) The operator may request a hearing.

(g) Following an informal conference, the department shall respond in writing to the operator, stating whether the department intends to withdraw the notice of violation or pursue it. If the department intends to pursue the notice of violation, the operator may respond as provided by Subsection (h) or (i) within 10 days of the date of receipt of the department's correspondence.

(h) The operator may correct the violation and certify to the department that the corrections have been made.

(i) The operator may request a hearing.

(j) A request for an informal conference or a statement by an operator that the operator is in compliance with the provisions of this chapter does not waive the operator's right to a hearing.

(k) The director may not assess an administrative penalty for any violation that has been corrected within 15 days of the date of receipt of the notice of violation, the date of receipt of the department's response by the employer, or 10 days after the date of receipt by the operator of the department's response to the informal
conference provided for in Subsection (d), whichever is later.

(1) In determining the amount of the penalty, the director shall consider:

(1) the operator's previous violations;
(2) the seriousness of the violation;
(3) any hazard to the health and safety of the public;
(4) the employer's demonstrated good faith;
(5) the duration of the violation; and
(6) other matters as justice may require.

(m) The penalty may not exceed $50 a day for each day a violation continues, with a total not to exceed $1,000 for each violation.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.011. ADMINISTRATIVE PENALTY ASSESSMENT PROCEDURE. (a) An administrative penalty may be assessed only after a facility operator charged with a violation is given an opportunity for a hearing.

(b) If a hearing is held, the director shall make findings of fact and shall issue a written decision regarding the occurrence of the violation and the amount of the penalty that may be warranted.

(c) If the facility operator charged with the violation does not request a hearing, the director may assess a penalty after determining that a violation has occurred and the amount of the penalty that may be warranted.

(d) After making a determination under this section that a penalty is to be assessed against a facility operator, the director shall issue an order requiring that the facility operator pay the penalty.

(e) If a penalty is assessed on a complaint, the department may allow the facility operator to make a grant to the local emergency planning committee or a member organization instead of paying the penalty. The department may specify that the operator join the local emergency planning committee and attend all meetings for one year or write an article, approved by the department, concerning community right-to-know laws applicable in Texas for a trade journal or other business publication.

(f) The director may consolidate a hearing held under this
section with another proceeding.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.012. PAYMENT OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW.  (a) Not later than the 30th day after the date an order finding that a violation has occurred is issued, the director shall inform the facility operator against whom the order is issued of the amount of the penalty for the violation.

(b) Except as provided in Section 506.011(e), not later than the 30th day after the date on which a decision or order charging a facility operator with a penalty is final, the facility operator shall pay the penalty in full, unless the facility operator seeks judicial review of the amount of the penalty, the fact of the violation, or both. The board may by rule provide for appeals by the state and political subdivisions of the state.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.013. REFUND OF ADMINISTRATIVE PENALTY. Not later than the 30th day after the date of a judicial determination that an administrative penalty against a facility operator should be reduced or not assessed, the director shall remit to the facility operator the appropriate amount of any penalty payment already paid plus accrued interest.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.014. RECOVERY OF ADMINISTRATIVE PENALTY BY ATTORNEY GENERAL. The attorney general at the request of the director may bring a civil action to recover an administrative penalty under this chapter.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.015. CIVIL PENALTIES. (a) A person who knowingly discloses false information or negligently fails to disclose a hazard
as required by this chapter is subject to a civil penalty of not more than $5,000 for each violation.

(b) This section does not affect any other right of a person to receive compensation under other law.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.016. CRIMINAL PENALTIES. (a) A person who proximately causes an occupational disease or injury to an individual by knowingly disclosing false information or knowingly failing to disclose hazard information as required by this chapter commits an offense punishable by a fine of not more than $25,000.

(b) This section does not affect any other right of a person to receive compensation under other law.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 506.017. RULES; FEES. (a) The board may adopt rules and administrative procedures reasonably necessary to carry out the purposes of this chapter.

(b) The board may authorize the collection of annual fees from facility operators for the filing of tier two forms required by this chapter. The fee may not exceed:

1. $50 for each required submission having no more than 75 hazardous chemicals or hazardous chemical categories; or
2. $100 for each required submission having more than 75 hazardous chemicals or chemical categories.

(c) To minimize the fees, the board by rule shall provide for consolidated filings of multiple tier two forms for facility operators covered by Subsection (b) if each of the tier two forms contains fewer than 25 items.

(d) The department may use up to 15 percent of the fees collected under Chapter 505 and this chapter, or the amount of fees paid by the state and its political subdivisions under this chapter, whichever is greater, to administer Chapter 502.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.
CHAPTER 507. NONMANUFACTURING FACILITIES COMMUNITY RIGHT-TO-KNOW ACT

Sec. 507.001. SHORT TITLE. This chapter may be cited as the Nonmanufacturing Facilities Community Right-To-Know Act.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 507.002. FINDINGS; PURPOSE. (a) The legislature finds that:

(1) the health and safety of persons living in this state may be improved by providing access to information regarding hazardous chemicals to which those persons may be exposed during emergency situations or as a result of proximity to the use of those chemicals; and

(2) many facility operators in this state have established suitable information programs for their communities and that access to the information is required of most facility operators under the federal Emergency Planning and Community Right-To-Know Act (EPCRA).

(b) It is the intent and purpose of this chapter to ensure that accessibility to information regarding hazardous chemicals is provided to:

(1) fire departments responsible for dealing with chemical hazards during an emergency;

(2) local emergency planning committees and other emergency planning organizations; and

(3) the director to make the information available to the public through specific procedures.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 507.003. FEDERAL LAWS AND REGULATIONS. In this chapter, a reference to a federal law or regulation means a reference to the most current version of that law or regulation.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 507.004. DEFINITIONS. In this chapter:

(1) "Article" means a manufactured item:

(A) that is formed to a specific shape or design during
manufacture;

(B) that has end-use functions dependent in whole or in part on its shape or design during end use; and
(C) that does not release, or otherwise result in exposure to, a hazardous chemical under normal conditions of use.

(2) "Board" means the Texas Board of Health.

(3) "Chemical name" means:
(A) the scientific designation of a chemical in accordance with the nomenclature system developed by the International Union of Pure and Applied Chemistry (IUPAC) or the Chemical Abstracts Service (CAS) rules of nomenclature; or
(B) a name that clearly identifies the chemical for the purpose of conducting a hazard evaluation.

(4) "Common name" means a designation of identification, such as a code name, code number, trade name, brand name, or generic name, used to identify a chemical other than by its chemical name.

(5) "Department" means the Texas Department of Health.

(6) "Director" means the director of the Texas Department of Health.

(7) "EPA" means the United States Environmental Protection Agency.

(8) "EPCRA" or "SARA Title III" means the federal Emergency Planning and Community Right-To-Know Act, also known as the Superfund Amendments and Reauthorization Act of 1986, Title III, Pub. L. No. 99-499 et seq.

(9) "Extremely hazardous substance" means any substance as defined in EPCRA, Section 302, or listed by the United States Environmental Protection Agency in 40 CFR Part 355, Appendices A and B.

(10) "Facility" means all buildings, equipment, structures, and other stationary items that are located on a single site or on contiguous or adjacent sites and that are owned or operated by the same person or by any person who controls, is controlled by, or is under common control with that person. The term does not include a facility subject to Chapter 505 or 506.

(11) "Facility operator" or "operator" means the person who controls the day-to-day operations of the facility.

(12) "Fire chief" means the elected or paid administrative head of a fire department.

(13) "Hazardous chemical" has the meaning given that term.
by 29 CFR 1910.1200(c), except that the term does not include:

(A) any food, food additive, color additive, drug, or cosmetic regulated by the Food and Drug Administration;

(B) any substance present as a solid in any manufactured item to the extent exposure to the substance does not occur under normal conditions of use;

(C) any substance to the extent that it is used for personal, family, or household purposes, or is present in the same form and concentration as a product packaged for distribution and use by the general public;

(D) any substance to the extent it is used in a research laboratory or a hospital or other medical facility under the direct supervision of a technically qualified individual; and

(E) any substance to the extent it is used in routine agricultural operations or is a fertilizer held for sale by a retailer to the ultimate consumer.

(14) "Health hazard" has the meaning given that term by the OSHA standard (29 CFR 1910.1200(c)).

(15) "Identity" means a chemical or common name, or alphabetical or numerical identification, that is indicated on the material safety data sheet (MSDS) for the chemical. The identity used must permit cross-references to be made among the facility chemical list, the label, and the MSDS.

(16) "Label" means any written, printed, or graphic material displayed on or affixed to a container of hazardous chemicals.

(17) "Local emergency planning committee" means a committee formed under the requirements of EPCRA, Section 301, and recognized by the state emergency response commission for the purposes of emergency planning and public information.

(18) "Material safety data sheet" or "MSDS" means a document containing chemical hazard and safe handling information that is prepared in accordance with the requirements of the OSHA standard for that document.

(19) "OSHA standard" means the Hazard Communication Standard issued by the Occupational Safety and Health Administration and codified as 29 CFR Section 1910.1200.

(20) "Physical hazard" means a chemical for which there is scientifically valid evidence that it is a combustible liquid, a compressed gas, explosive, flammable, an organic peroxide, an
oxidizer, pyrophoric, unstable (reactive), or water-reactive in terms defined in the OSHA standard.

(21) "State emergency response commission" means the state emergency management council or other committee appointed by the governor in accordance with EPCRA.

(22) "Threshold planning quantity" means the minimum quantity of an extremely hazardous substance for which a facility owner or operator must participate in emergency planning, as defined by the EPA pursuant to EPCRA, Section 302.

(23) "Tier two form" means:
   (A) a form specified by the department under Section 507.006 for listing hazardous chemicals as required by EPCRA; or
   (B) a form accepted by the EPA under EPCRA for listing hazardous chemicals together with additional information required by the department for administering its functions related to EPCRA.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 507.005. APPLICABILITY OF CHAPTER. (a) Facility operators who are not subject to Chapter 505 or 506 shall comply with this chapter.

(b) This chapter does not apply to a hazardous chemical in a sealed package that is received and subsequently sold or transferred in that package if:
   (1) the seal remains intact while the chemical is in the facility;
   (2) the chemical does not remain in the facility longer than five working days; and
   (3) the chemical is not an extremely hazardous substance at or above the threshold planning quantity or 500 pounds, whichever is less, as listed by the EPA in 40 CFR Part 355, Appendices A and B.

(c) This chapter does not apply to:
   (1) any hazardous waste as that term is defined by the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. Section 6901 et seq.), when subject to regulations issued under that Act by the EPA;
   (2) tobacco or tobacco products;
   (3) wood or wood products;
(4) articles;
(5) food, drugs, cosmetics, or alcoholic beverages in a retail food sale establishment that are packaged for sale to consumers;
(6) food, drugs, or cosmetics intended for personal consumption by an employee while in the facility;
(7) any consumer product or hazardous substance, as those terms are defined by the Consumer Product Safety Act (15 U.S.C. Section 2051 et seq.) and Federal Hazardous Substances Act (15 U.S.C. Section 1261 et seq.), respectively, if the employer can demonstrate it is used in the facility in the same manner as normal consumer use and if the use results in a duration and frequency of exposure that is not greater than exposures experienced by consumers;
(8) any drug, as that term is defined by the Federal Food, Drug, and Cosmetic Act (21 U.S.C. Section 301 et seq.), when it is in solid, final form for direct administration to the patient, such as tablets or pills;
(9) the transportation, including storage incident to that transportation, of any substance or chemical subject to this chapter, including the transportation and distribution of natural gas; and
(10) radioactive waste.

(d) The director shall develop an outreach program concerning the public's ability to obtain information under this chapter similar to the outreach program under Section 502.008.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 507.006. FACILITY CHEMICAL LIST. (a) For the purpose of community right-to-know, a facility operator covered by this chapter shall compile and maintain a tier two form that contains information on hazardous chemicals present in the facility in quantities that meet or exceed thresholds determined by the EPA in 40 CFR Part 370, or at any other reporting thresholds as determined by board rule for certain highly toxic or extremely hazardous substances.
(b) Multiple facilities may be reported on the same tier two form, with appropriate facility identifiers, if the hazardous chemicals or hazardous chemical categories present at the multiple facilities are in the same ranges. In multiple facility reporting, the reporting thresholds must be applied to each facility rather than
to the total quantities present at all facilities.

(c) Each tier two form shall be filed annually with the appropriate fee according to the procedures specified by board rules. The facility operator shall furnish a copy of each tier two form to the fire chief of the fire department having jurisdiction over the facility and to the appropriate local emergency planning committee.

(d) The tier two form shall be used to comply with the updating requirements in EPCRA, Section 311, but a fee may not be associated with filing the report.

(e) A facility operator shall file the tier two form with the department not later than the 90th day after the date on which the operator begins operation or has a reportable addition, at the appropriate threshold, of a previously unreported hazardous chemical or extremely hazardous substance. The operator shall furnish a copy of each tier two form to the fire chief of the fire department having jurisdiction over the facility and to the appropriate local emergency planning committee.

(f) A facility operator shall file a material safety data sheet with the department on the department's request.

(g) The department shall maintain records of the tier two forms and other documents filed under this chapter or EPCRA for at least 30 years.

(h) Except as provided by Section 507.012, documents filed under this chapter are subject to Chapter 552, Government Code.

Sec. 507.007. EMERGENCY PLANNING INFORMATION. (a) The fire chief or the fire chief's representative, on request, may conduct on-site inspections of the chemicals on the tier two form for the sole purpose of planning fire department activities in case of an emergency.

(b) A facility operator, on request, shall give the fire chief or the local emergency planning committee such additional information on types and amounts of hazardous chemicals present at a facility as the requestor may need for emergency planning purposes. A facility operator, on request, shall give the director, the fire chief, or the
local emergency planning committee a copy of the MSDS for any chemical on the tier two form furnished under Section 507.006 or for any chemical present at the facility.

(c) The board by rule may require certain categories of facility operators under certain circumstances to implement the National Fire Protection Association 704 identification system if an equivalent system is not in use.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 507.008. COMPLAINTS AND INVESTIGATIONS. On presentation of appropriate credentials, an officer or representative of the director may enter a facility at reasonable times to inspect and investigate complaints.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 507.009. ADMINISTRATIVE PENALTY. (a) The director may assess an administrative penalty against a facility operator who violates this chapter, board rules adopted under this chapter, or an order issued under this chapter.

(b) If the department finds one or more violations of this chapter, the director may issue a notice of violation to the operator. The notice of violation shall specifically describe the violation, refer to the applicable section or subsection of this chapter, and state the amount of the penalty, if any, to be assessed by the director.

(c) An operator who receives a notice of violation may respond to the department in writing within 15 days of the date of receipt of the notice of violation in one of the ways provided by Subsection (d), (e), or (f).

(d) If the operator disputes the validity of the violation and has reason to believe that the findings of the department were based on inaccurate or incomplete information, the operator may request an informal conference with representatives of the department. The purpose of an informal conference is to permit the operator to meet with department representatives to discuss the basis of the violation and to provide information to the department. The department shall schedule the informal conference. A request for an informal
conference made in bad faith is a violation of this chapter.

(e) The operator may correct the violation and certify to the department that the corrections have been made.

(f) The operator may request a hearing.

(g) Following an informal conference, the department shall respond in writing to the operator, stating whether the department intends to withdraw the notice of violation or pursue it. If the department intends to pursue the notice of violation, the operator may respond as provided by either Subsection (h) or (i) within 10 days of the date of receipt of the department's correspondence.

(h) The operator may correct the violation and certify to the department that the corrections have been made.

(i) The operator may request a hearing.

(j) A request for an informal conference or a statement by an operator that the operator is in compliance with the provisions of this chapter does not waive the operator's right to a hearing.

(k) Except as provided in Subsection (l), the director may not assess an administrative penalty for any violation that has been corrected within 15 days of the date of receipt of the notice of violation, the date of receipt of the department's response by the employer, or 10 days after the date of receipt by the operator of the department's response to the informal conference provided for in Subsection (d), whichever is later.

(l) If a violation involves a failure to make a good-faith effort to comply with this chapter, the director may assess the administrative penalty at any time.

(m) In determining the amount of the penalty, the director shall consider:

1. the operator's previous violations;
2. the seriousness of the violation;
3. any hazard to the health and safety of the public;
4. the operator's demonstrated good faith;
5. the duration of the violation; and
6. other matters as justice may require.

(n) The penalty may not exceed $50 for each day a violation continues, with a total not to exceed $1,000 for each violation.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.
Sec. 507.010. ADMINISTRATIVE PENALTY ASSESSMENT PROCEDURE. (a) An administrative penalty may be assessed only after a facility operator charged with a violation is given an opportunity for a hearing.

(b) If a hearing is held, the director shall make findings of fact and shall issue a written decision regarding the occurrence of the violation and the amount of the penalty that may be warranted.

(c) If the facility operator charged with the violation does not request a hearing, the director may assess a penalty after determining that a violation has occurred and the amount of the penalty that may be warranted.

(d) After making a determination under this section that a penalty is to be assessed against a facility operator, the director shall issue an order requiring that the facility operator pay the penalty.

(e) If a penalty is assessed on a complaint, the department may allow the facility operator to make a grant to the local emergency planning committee or a member organization instead of paying the penalty. The department may specify that the operator join the local emergency planning committee and attend all meetings for one year or write an article, approved by the department, concerning community right-to-know laws applicable in Texas for a trade journal or other business publication.

(f) The director may consolidate a hearing held under this section with another proceeding.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 507.011. PAYMENT OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW. (a) Not later than the 30th day after the date an order finding that a violation has occurred is issued, the director shall inform the facility operator against whom the order is issued of the amount of the penalty for the violation.

(b) Except as provided by Section 507.010(e), within 30 days after the date the director's order is final as provided by Subchapter F, Chapter 2001, Government Code, the facility operator shall:

(1) pay the amount of the penalty;
(2) pay the amount of the penalty and file a petition for
judicial review contesting the occurrence of the violation, the 
amount of the penalty, or both the occurrence of the violation and 
the amount of the penalty; or
(3) without paying the amount of the penalty, file a 
petition for judicial review contesting the occurrence of the 
violation, the amount of the penalty, or both the occurrence of the 
violation and the amount of the penalty.
(c) Within the 30-day period, a facility operator who acts 
under Subsection (b)(3) may:
(1) stay enforcement of the penalty by:
(A) paying the amount of the penalty to the court for 
placement in an escrow account; or
(B) giving to the court a supersedeas bond that is 
approved by the court for the amount of the penalty and that is 
effective until all judicial review of the director's order is final; 
or
(2) request the court to stay enforcement of the penalty 
by:
(A) filing with the court a sworn affidavit of the 
facility operator stating that the facility operator is financially 
unable to pay the amount of the penalty and is financially unable to 
give the supersedeas bond; and
(B) giving a copy of the affidavit to the executive 
director by certified mail.
(d) If the director receives a copy of an affidavit under 
Subsection (c)(2), the director may file with the court, within five 
days after the date the copy is received, a contest to the affidavit. 
The court shall hold a hearing on the facts alleged in the affidavit 
as soon as practicable and shall stay the enforcement of the penalty 
on finding that the alleged facts are true. The facility operator 
who files an affidavit has the burden of proving that the facility 
operator is financially unable to pay the amount of the penalty and 
to give a supersedeas bond.
(e) If the facility operator does not pay the amount of the 
penalty and the enforcement of the penalty is not stayed, the 
director may refer the matter to the attorney general for collection 
of the amount of the penalty.
(f) Judicial review of the order of the director:
(1) is instituted by filing a petition as provided by 
Subchapter G, Chapter 2001, Government Code; and
(2) is under the substantial evidence rule.

(g) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the facility operator to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(h) When the judgment of the court becomes final, the court shall proceed under this subsection. If the facility operator paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the facility operator. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the facility operator gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the facility operator gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the facility operator pays the amount.

(i) All proceedings under this section are subject to Chapter 2001, Government Code.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), (53), (59), eff. Sept. 1, 1995.

Sec. 507.012. TRADE SECRETS. Facility operators must substantiate trade secret claims to the administrator of the EPA in accordance with EPCRA, Section 322.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

Sec. 507.013. RULES; FEES. (a) The board may adopt rules and administrative procedures reasonably necessary to carry out the purposes of this chapter.

(b) The board may authorize the collection of annual fees from facility operators for the filing of tier two forms required by this chapter. Except as provided by Subsection (d), fees may be used only
to fund activities under this chapter. The fee may not exceed:

(1) $50 for each required submission having no more than 75 hazardous chemicals or hazardous chemical categories; or

(2) $100 for each required submission having more than 75 hazardous chemicals or chemical categories.

c) To minimize the fees, the board by rule shall provide for consolidated filings of multiple tier two forms for facility operators covered by Subsection (b) if each of the tier two forms contains fewer than 25 items.

d) The department may use up to 20 percent of the fees collected under this section as grants to local emergency planning committees to assist them to fulfill their responsibilities under EPCRA.

Added by Acts 1993, 73rd Leg., ch. 528, Sec. 2, eff. Sept. 1, 1993.

CHAPTER 508. AREA QUARANTINE FOR ENVIRONMENTAL OR TOXIC AGENT

Sec. 508.001. DEFINITIONS. In this chapter:

(1) "Environmental or toxic agent" means any bacterium or other disease-producing organism, toxic substance, radioactive substance, or other hazardous substance capable of causing widespread human illness, death, or substantial negative economic impact.

(2) "Health authority" means a physician appointed as a health authority or a regional director under Chapter 121.

Added by Acts 2003, 78th Leg., ch. 1022, Sec. 1, eff. June 20, 2003.

Sec. 508.002. APPLICABILITY. This chapter applies to any circumstance in which an environmental or toxic agent is introduced into the environment, including an act of terrorism.

Added by Acts 2003, 78th Leg., ch. 1022, Sec. 1, eff. June 20, 2003.

Sec. 508.003. AREA QUARANTINE. (a) If the commissioner of public health or one or more health authorities determine that the introduction of an environmental or toxic agent into the environment has occurred, the commissioner or authorities may impose an area quarantine in the manner and subject to the procedures provided for
an area quarantine imposed under Section 81.085. The commissioner of public health or a health authority may, with respect to an area quarantine imposed under this chapter, exercise any power for a response to the introduction of an environmental or toxic agent into the environment under this section that is authorized by Section 81.085 for a response to an outbreak of a communicable disease. The area quarantine must be accomplished by the least restrictive means necessary to protect public health considering the availability of resources.

(b) A quarantine imposed by a health authority under this section expires at the earlier of:

(1) the 24th hour after the time the quarantine is imposed; or

(2) the time that appropriate action to terminate the quarantine or impose superseding requirements is taken under Chapter 418, Government Code, or is taken by the commissioner of public health under this section.

Added by Acts 2003, 78th Leg., ch. 1022, Sec. 1, eff. June 20, 2003.

Sec. 508.004. CRIMINAL PENALTY. A person commits an offense if the person knowingly fails or refuses to obey an order or instruction of the commissioner of public health or a health authority issued under this chapter and published during an area quarantine under this section. An offense under this subsection is a felony of the third degree.

Added by Acts 2003, 78th Leg., ch. 1022, Sec. 1, eff. June 20, 2003.

TITLE 7. MENTAL HEALTH AND MENTAL RETARDATION

SUBTITLE A. TEXAS DEPARTMENT OF MENTAL HEALTH AND MENTAL RETARDATION

CHAPTER 531. PROVISIONS GENERALLY APPLICABLE TO THE TEXAS DEPARTMENT OF MENTAL HEALTH AND MENTAL RETARDATION

Sec. 531.001. PURPOSE; POLICY. (a) It is the purpose of this subtitle to provide for the effective administration and coordination of mental health and mental retardation services at the state and local levels.

(b) Recognizing that a variety of alternatives for serving the mentally disabled exists, it is the purpose of this subtitle to
ensure that a continuum of services is provided. The continuum of services includes facilities operated by the Texas Department of Mental Health and Mental Retardation and community services provided by the department and other entities through contracts with the department.

(c) It is the goal of this state to provide a comprehensive range of services for persons with mental illness or mental retardation who need publicly supported care, treatment, or habilitation. In providing those services, efforts will be made to coordinate services and programs with services and programs provided by other governmental entities to minimize duplication and to share with other governmental entities in financing those services and programs.

(d) It is the policy of this state that, when appropriate and feasible, persons with mental illness or mental retardation shall be afforded treatment in their own communities.

(e) It is the public policy of this state that mental health and mental retardation services be the responsibility of local agencies and organizations to the greatest extent possible. The department shall assist the local agencies and organizations by coordinating the implementation of a statewide system of services. The department shall ensure that mental health and mental retardation services are provided. The department shall provide technical assistance for and regulation of the programs that receive funding through contracts with the department.

(f) It is the public policy of this state to offer services first to those persons who are most in need. Therefore, funds appropriated by the legislature for mental health and mental retardation services may be spent only to provide services to the priority populations identified in the department's long-range plan.

(g) It is the goal of this state to establish at least one special officer for mental health assignment in each county. To achieve this goal, the department shall assist a local law enforcement agency that desires to have an officer certified under Section 1701.404, Occupations Code.

(h) It is the policy of this state that the board serves as the state's mental health and mental retardation authority and is responsible for the planning, policy development, and resource development and allocation for and oversight of mental health and mental retardation services in this state. It is the policy of this
state that, when appropriate and feasible, the board may delegate the board's authority to a single entity in each region of the state that may function as the local mental health or mental retardation authority for one or more service areas in the region.

Sec. 531.002. DEFINITIONS. In this subtitle:
(1) "Board" means the Texas Board of Mental Health and Mental Retardation.
(2) "Business entity" means a sole proprietorship, partnership, firm, corporation, holding company, joint-stock company, receivership, trust, or any other entity recognized by law.
(3) "Chemical dependency" has the meaning assigned by Section 461.002.
(4) "Commissioner" means the commissioner of mental health and mental retardation.
(5) "Community center" means a center established under Subchapter A, Chapter 534.
(6) "Department" means the Texas Department of Mental Health and Mental Retardation.
(7) "Effective administration" includes continuous planning and evaluation within the system that result in more efficient fulfillment of the purposes and policies of this subtitle.
(8) "ICF-MR" means the medical assistance program serving persons with mental retardation who receive care in intermediate care facilities.
(9) "Local agency" means:
(A) a municipality, county, hospital district, rehabilitation district, school district, state-supported institution of higher education, or state-supported medical school; or
(B) any organizational combination of two or more of those entities.
(10) "Local mental health authority" means an entity to which the board delegates its authority and responsibility within a specified region for planning, policy development, coordination,
including coordination with criminal justice entities, and resource
development and allocation and for supervising and ensuring the
provision of mental health services to persons with mental illness in
the most appropriate and available setting to meet individual needs
in one or more local service areas.
