HEALTH AND SAFETY CODE

TITLE 1. GENERAL PROVISIONS

CHAPTER 1. GENERAL PROVISIONS

Sec. 1.001. PURPOSE OF CODE. (a) This code is enacted as a part of the state's continuing statutory revision program, begun by the Texas Legislative Council in 1963 as directed by the legislature in the law codified as Chapter 323, Government Code. The program contemplates a topic-by-topic revision of the state's general and permanent statute law without substantive change.

(b) Consistent with the objectives of the statutory revision program, the purpose of this code is to make the law encompassed by this code more accessible and understandable, by:

(1) rearranging the statutes into a more logical order;
(2) employing a format and numbering system designed to facilitate citation of the law and to accommodate future expansion of the law;
(3) eliminating repealed, duplicative, unconstitutional, expired, executed, and other ineffective provisions; and
(4) restating the law in modern American English to the greatest extent possible.

Sec. 1.002. CONSTRUCTION OF CODE. Chapter 311, Government Code (Code Construction Act), applies to the construction of each provision in this code except as otherwise expressly provided by this code.

Sec. 1.003. INTERNAL REFERENCES. In this code:

(1) a reference to a title, chapter, or section without further identification is a reference to a title, chapter, or section of this code; and

(2) a reference to a subtitle, subchapter, subsection, subdivision, paragraph, or other numbered or lettered unit without further identification is a reference to a unit of the next larger unit of this code in which the reference appears.
Sec. 1.004. REFERENCE IN LAW TO STATUTE REVISED BY CODE. A reference in a law to a statute or a part of a statute revised by this code is considered to be a reference to the part of this code that revises that statute or part of the statute.

Sec. 1.005. DEFINITION. In this code, "licensed practitioner" includes a sex offender treatment provider who is licensed under Chapter 110, Occupations Code.

Added by Acts 2005, 79th Leg., Ch. 1089 (H.B. 2036), Sec. 1, eff. September 1, 2005.

TITLE 2. HEALTH
SUBTITLE A. TEXAS DEPARTMENT OF HEALTH
CHAPTER 11. ORGANIZATION OF TEXAS DEPARTMENT OF HEALTH
Sec. 11.001. DEFINITIONS. In this title:
(1) "Board" means the Texas Board of Health.
(2) "Commissioner" means the commissioner of public health.
(3) "Department" means the Texas Department of Health.

Sec. 11.002. PURPOSE OF BOARD AND DEPARTMENT. The Texas Board of Health and the Texas Department of Health are established to better protect and promote the health of the people of this state.

For expiration of Subsections (b) and (c), see Subsection (c).
Sec. 11.003. SUNSET PROVISION. (a) The Texas Board of Health and the Texas Department of Health were abolished by Section 1.26,
Chapter 198 (H.B. 2292), Acts of the 78th Legislature, Regular Session, 2003, and the powers and duties of those entities under this chapter were transferred to other agencies, which are subject to Chapter 325, Government Code (Texas Sunset Act). Unless the agencies to which those powers and duties are transferred are continued in existence as provided by that chapter, this chapter expires September 1, 2015.

(b) In the review of the Department of State Health Services by the Sunset Advisory Commission, as required by this section and Section 1001.003, the sunset commission shall review the powers and duties exercised by the department under Chapter 108 and determine whether the department, under that chapter, is:

(1) achieving the legislature's intent of empowering consumers with information to make informed health care decisions;
(2) maintaining appropriate privacy and security standards for patient information; and
(3) limiting the patient information the department collects to the information necessary for performing the department's duties under Chapter 108.

(c) The Sunset Advisory Commission shall report its findings to the legislature in the report required by Section 325.010, Government Code. This subsection and Subsection (b) expire September 1, 2015.

Acts 2011, 82nd Leg., R.S., Ch. 1232 (S.B. 652), Sec. 2.08, eff. June 17, 2011.
Acts 2013, 83rd Leg., R.S., Ch. 919 (H.B. 1394), Sec. 1, eff. June 14, 2013.

Sec. 11.004. COMPOSITION AND RESPONSIBILITY OF DEPARTMENT. (a) The department is composed of the board, the commissioner, an administrative staff, the Texas Center for Infectious Disease, the Rio Grande State Center, and other officers and employees necessary to perform efficiently its powers and duties.

(b) The department is the state agency with primary responsibility for providing health services, including:
(1) disease prevention;
(2) health promotion;
(3) indigent health care;
(4) certain acute care services;
(5) health care facility regulation, excluding long-term care facilities;
(6) licensing of certain health professions; and
(7) other health-related services as provided by law.

Sec. 11.0045. COMPREHENSIVE STRATEGIC AND OPERATIONAL PLAN.
(a) The board shall develop, publish, and to the extent allowed by law implement a comprehensive strategic and operational plan.
(b) The board shall publish the plan not later than September 1 of each even-numbered year. The board shall at a minimum:
(1) make the plan available on its generally accessible Internet site; and
(2) make printed copies of the plan available on request to members of the public.
(c) The plan at a minimum must include:
(1) a statement of the aim and purpose of each of the department's missions, including:
   (A) the prevention of disease;
   (B) the promotion of health;
   (C) indigent health care;
   (D) the protection of parents' fundamental right to direct the health care and general upbringing of their children;
   (E) acute care services for which the department is responsible;
   (F) health care facility regulation for which the department is responsible;
   (G) the licensing of health professions for which the
department is responsible; and

(H) all other health-related services for which the
department is responsible under law;

(2) an analysis regarding how each of the department's
missions relate to other department missions;

(3) a detailed analysis of how to integrate or continue to
integrate department programs with other department programs,
including the integration of information gathering and information
management within and across programs, for the purpose of minimizing
duplication of effort, increasing administrative efficiency,
simplifying access to department programs, and more efficiently
meeting the health needs of this state;

(4) a detailed proposal to integrate or continue to
integrate department programs with other department programs during
the two-year period covered by the plan, to the extent allowed by law
and in accordance with the department's analysis;

(5) a determination regarding whether it is necessary to
collect each type of information that the department collects, and
for each type of information that it is necessary for the department
to collect, whether the department is efficiently and effectively
collecting, analyzing, and disseminating the information and
protecting the privacy of individuals;

(6) an assessment of services provided by the department
that evaluates the need for the department to provide those services
in the future;

(7) a method for soliciting the advice and opinions of
local health departments, hospital districts, and other public health
entities, of recipients and providers of services that are related to
the department's missions, and of advocates for recipients or
providers for the purpose of identifying and assessing:

(A) the health-related needs of the state;

(B) ways in which the department's programs and
information services can be better integrated and coordinated; and

(C) factors that the department should consider before
adopting rules that affect recipients or providers of services that
are related to the department's missions;

(8) a comprehensive inventory of health-related information
resources that meet department criteria for usefulness and
applicability to local health departments, to recipients or providers
of services that are related to the department's missions, and to
nonprofit entities, private businesses, and community groups with missions that are related to health;

(9) a statement regarding the ways in which the department will coordinate or attempt to coordinate with federal, state, local, and private programs that provide services similar to the services provided by the department;

(10) a list of other plans that the department is required to prepare under state law and a recommendation regarding which plans are obsolete or duplicate other required department plans; and

(11) an assessment of the extent to which previous plans prepared by the department under this section have effectively helped the department to identify and achieve its objectives, to improve its operations, or to guide persons who need to identify department services, identify department requirements, or communicate effectively with department personnel.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 1.03, eff. Sept. 1, 1999.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1050 (S.B. 71), Sec. 5, eff. September 1, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 1083 (S.B. 1179), Sec. 12, eff. June 17, 2011.

Sec. 11.005. COMPOSITION OF BOARD. (a) The board is composed of seven members appointed by the governor with the advice and consent of the senate.

(b) Appointments to the board shall be made without regard to the race, color, handicap, sex, religion, age, or national origin of the appointees.

(c) Four members of the board must have a demonstrated interest in the services provided by the department, and three members must represent the public.

Sec. 11.0055. REQUIRED BOARD MEMBER TRAINING. (a) A person
who is appointed to and qualifies for office as a member of the board may not vote, deliberate, or be counted as a member in attendance at a meeting of the board until the person completes a training program that complies with this section.

(b) The training program must provide the person with information regarding:
   (1) the legislation that created the department and the board;
   (2) the programs operated by the department;
   (3) the role and functions of the department;
   (4) the rules of the department, with an emphasis on the rules that relate to disciplinary and investigatory authority;
   (5) the current budget for the department;
   (6) the results of the most recent formal audit of the department;
   (7) the requirements of:
      (A) the open meetings law, Chapter 551, Government Code;
      (B) the public information law, Chapter 552, Government Code;
      (C) the administrative procedure law, Chapter 2001, Government Code; and
      (D) other laws relating to public officials, including conflict-of-interest laws; and
   (8) any applicable ethics policies adopted by the department or the Texas Ethics Commission.

(c) A person appointed to the board is entitled to reimbursement, as provided by the General Appropriations Act, for the travel expenses incurred in attending the training program regardless of whether the attendance at the program occurs before or after the person qualifies for office.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 1.04, eff. Sept. 1, 1999.
business entity or other organization regulated by the department or receiving funds from the department;

(2) is registered, certified, or licensed by the department or by a regulatory board or other agency that is under the jurisdiction of the department or administratively attached to the department;

(3) owns, controls, or has, directly or indirectly, more than a 10 percent interest in a business entity or other organization regulated by the department or receiving funds from the department; or

(4) uses or receives a substantial amount of tangible goods, services, or funds from the department other than compensation or reimbursement authorized by law for board membership, attendance, or expenses.

(b) An officer, employee, or paid consultant of a trade association in the field of health care may not be a member or employee of the board.

(c) A person who is the spouse of an officer, managerial employee, or paid consultant of a trade association in the field of health care may not be a board member or a board employee grade 17 or over, including exempt employees, according to the position classification schedule under the General Appropriations Act.

(d) A person may not serve as a member of the board or act as the general counsel to the board if the person is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a profession related to the operation of the board.

Sec. 11.007. TERMS. Board members serve for staggered six-year terms, with the terms of two or three members expiring February 1 of each odd-numbered year.

Sec. 11.008. OFFICERS. Not later than September 1 of each odd-numbered year, the governor shall designate one board member as chairman and one member as vice-chairman.

Sec. 11.009. REMOVAL OF BOARD MEMBERS. (a) It is a ground for removal from the board if a member:

1. does not have at the time of appointment the qualifications required by Section 11.005(a);
2. does not maintain during service on the board the qualifications required by Section 11.005(a);
3. violates a prohibition established by Section 11.006(b), (c), or (d);
4. cannot discharge the member's duties for a substantial part of the term for which the member is appointed because of illness or disability; or
5. is absent from more than half of the regularly scheduled board meetings that the member is eligible to attend during a calendar year unless the absence is excused by majority vote of the board.

(b) The validity of an action of the board is not affected by the fact that it is taken when a ground for removal of a board member exists.

(c) If the commissioner has knowledge that a potential ground for removal exists, the commissioner shall notify the chairman of the board of the ground. The chairman shall then notify the governor and the attorney general that a potential ground for removal exists. If the potential ground for removal involves the chairman, the commissioner shall notify the next highest ranking officer of the board, who shall then notify the governor and the attorney general that a potential ground for removal exists.

Sec. 11.010. PER DIEM; REIMBURSEMENT FOR EXPENSES. A board member receives no fixed salary but is entitled to receive:

1. a per diem as prescribed by the General Appropriations
Act for each day spent in performing the member's official duties; and

(2) reimbursement for travel expenses and other necessary expenses incurred in performing official duties.

Sec. 11.011. MEETINGS. (a) The board shall meet in the city of Austin or in other places fixed by the board.

(b) The board shall meet at least once each calendar quarter on dates determined by the board and shall hold special meetings at the call of the chairman. The chairman shall give timely notice to each member of any special meeting.

(c) A meeting of a board committee shall be held in compliance with Chapter 551, Government Code.

(d) Four members of the board constitute a quorum.

Sec. 11.012. COMMISSIONER. (a) The commissioner of health and human services shall employ the commissioner in accordance with Section 531.0056, Government Code.

(b) Except as provided in Subsection (c), the commissioner must:

(1) have at least five years of experience in the administration of public health systems; and

(2) be a person licensed to practice medicine in this state.

(c) The commissioner of health and human services may, based on the qualifications and experience in administering public health systems, employ a person other than a physician as the commissioner.

(d) If the commissioner of health and human services employs a person as commissioner who is not a physician, then the board shall designate a person licensed to practice medicine in this state as chief medical executive.

(e) The commissioner is the executive head of the department.
The commissioner shall perform the duties assigned by the board and state law, subject to the provisions of this subtitle.

(f) The board may supplement the salary of the commissioner with the approval of the governor. The salary may not exceed 1.5 times the salary of the governor, from funds appropriated to the department. The use of funds from other sources are not limited by this subsection.

Sec. 11.013. SEPARATION OF AUTHORITY. (a) The board shall adopt policies and rules and shall govern the department.

(b) The board may delegate to the commissioner, or to the person acting as commissioner in the commissioner's absence, any power or duty imposed on the board by law, including the authority to make final orders or decisions, except that the board may not delegate the power or duty to adopt rules. The delegation must be written.

(c) The board shall:

(1) supervise the commissioner's administration and enforcement of the health laws of this state; and

(2) develop and implement policies that clearly separate the respective responsibilities of the board and the staff of the department.

Sec. 11.014. INVESTIGATION OF DEPARTMENT. The board shall investigate the conduct of the work of the department. For that purpose, the board shall have access at any time to all department books and records and may require an officer or employee of the department to furnish written or oral information.

Sec. 11.015. PERSONNEL. (a) The commissioner or the commissioner's designee shall develop an intra-agency career ladder program. The program shall require intra-agency postings of all nonentry level positions concurrently with any public posting. The commissioner may waive the posting requirements under circumstances outlined in department policies.

(b) The commissioner or the commissioner's designee shall develop a system of annual performance evaluations based on measurable job tasks. All merit pay for department employees must be based on the system established under this subsection.

(c) The board shall provide to its members and employees, as often as necessary, information regarding their qualifications under this chapter and their responsibilities under applicable laws relating to standards of conduct for state officers or employees.

(d) The commissioner or the commissioner's designee shall prepare and maintain a written policy statement to assure implementation of a program of equal employment opportunity under which all personnel transactions are made without regard to race, color, handicap, sex, religion, age, or national origin. The policy statement must include:

1. personnel policies, including policies relating to recruitment, evaluation, selection, appointment, training, and promotion of personnel;
2. a comprehensive analysis of the department work force that meets federal and state guidelines; and
3. procedures by which a determination can be made of significant underutilization in the department work force of all persons for whom federal or state guidelines encourage a more equitable balance and reasonable methods to appropriately address those areas of significant underutilization.

(e) A policy statement prepared under Subsection (d) must:
1. cover an annual period;
2. be updated at least annually; and
3. be filed with the governor.

(f) The governor shall deliver a biennial report to the legislature based on the information received under Subsection (e)(3). The report may be made separately or as a part of other biennial reports made to the legislature.

Sec. 11.016. ADVISORY COMMITTEES. (a) The board may appoint advisory committees to assist the board in performing its duties.

(b) The board shall appoint an advisory committee in a manner that provides for:

1. a balanced representation of persons with knowledge and interest in the committee's field of work;

2. the inclusion on the committee of at least two members who represent the interests of the public; and

3. a balanced representation of the geographic regions of the state.

(c) Repealed by Acts 1999, 76th Leg., ch. 1411, Sec. 1.17, eff. Sept. 1, 1999.

(d) Except as otherwise provided by law and contingent on the availability of department funds for this purpose, a member of an advisory committee appointed by the board is entitled to receive, with regard to travel expenses, the per diem and travel allowance authorized by the General Appropriations Act for state employees.

(e) The board shall specify each committee's purpose, powers, and duties, and shall require each committee to report to the board in the manner specified by the board concerning the committee's activities and the results of its work.

(f) The board shall establish procedures for receiving reports relating to the activities and accomplishments of an advisory committee established by statute to advise the board or department. The board may appoint additional members to those advisory committees and may establish additional duties of those committees as the board determines to be necessary.

(g) The board shall adopt rules to implement this section.

Sec. 11.0161. COMPENSATORY PER DIEM FOR ADVISORY COMMITTEE MEMBER. (a) Within the limit of available funds, a member of an advisory committee appointed to assist the board and the department is entitled to receive, if authorized by board rule, a compensatory
per diem, not to exceed the rate set in the General Appropriations Act, for each meeting the member attends.

(b) If a member has been appointed under the authority of a prior statute that provides no compensatory per diem or that provides for compensatory per diem in a specific amount, this section supersedes that statute.

Sec. 11.017. FINANCES. (a) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1083, Sec. 25(78), eff. June 17, 2011.

(b) The state auditor may audit the financial transactions of the board in accordance with Chapter 321, Government Code, subject to a risk assessment performed by the state auditor and to the legislative audit committee's approval of including the audit in the audit plan under Section 321.013, Government Code.

Acts 2011, 82nd Leg., R.S., Ch. 1083 (S.B. 1179), Sec. 25(78), eff. June 17, 2011.

Sec. 11.018. PUBLIC INTEREST INFORMATION AND COMPLAINTS. (a) The board shall develop and implement policies that provide the public with a reasonable opportunity to appear before the board and to speak on any issue under the jurisdiction of the board.

(b) The board shall prepare information of public interest describing the functions of the board and department and the board's and department's procedures by which complaints are filed with and resolved by the board and department. The department shall make the information available to the public and appropriate state agencies.

(c) The board by rule shall establish methods by which consumers and service recipients can be notified of the names, mailing addresses, and telephone numbers of the board and department for the purpose of directing complaints to the board and department. The board may provide for that notification:

(1) on each registration form, application, or written
contract for services of a person or entity regulated by the board or department;

(2) on a sign prominently displayed in the place of business of each person or entity regulated by the board or department; or

(3) in a bill for service provided by a person or entity regulated by the board or department.

(d) The department shall keep an information file about each complaint filed with the department relating to a license holder or entity regulated by the department or a service delivered by the department. The file must include:

(1) the name of the person who filed the complaint;
(2) the date the complaint is received by the department;
(3) the subject matter of the complaint;
(4) the name of each person contacted in relation to the complaint;
(5) a summary of the results of the review or investigation of the complaint; and
(6) an explanation of the reason the file was closed, if the department closed the file without taking action other than to investigate the complaint.

(e) If a written complaint is filed with the department relating to a license holder or entity regulated by the department or a service delivered by the department, the department, at least quarterly and until final disposition of the complaint, shall notify the parties to the complaint of the status of the complaint unless notice would jeopardize an undercover investigation.

CHAPTER 12. POWERS AND DUTIES OF TEXAS DEPARTMENT OF HEALTH

SUBCHAPTER A. POWERS AND DUTIES OF BOARD

Sec. 12.0001. POWERS AND DUTIES OF COMMISSIONER OF HEALTH AND HUMAN SERVICES. The commissioner of health and human services has the powers and duties relating to the board and commissioner as provided by Section 531.0055, Government Code. To the extent a power or duty given to the board or commissioner by this title or another law conflicts with Section 531.0055, Government Code, Section
Sec. 12.001. GENERAL POWERS AND DUTIES.  (a) The board has general supervision and control over all matters relating to the health of the citizens of this state.

(b) The board shall:

(1) adopt rules for its procedure and for the performance of each duty imposed by law on the board, the department, or the commissioner and file a copy of those rules with the department; and

(2) examine, investigate, enter, and inspect any public place or public building as the board determines necessary for the discovery and suppression of disease and the enforcement of any health or sanitation law of this state.

(c) The board has all the powers, duties, and functions granted by law to:

(1) the Texas Board of Health;
(2) the state commissioner of health;
(3) the Texas Department of Health;
(4) the Texas Board of Health Resources; and
(5) the Texas Department of Health Resources.

Sec. 12.002. BOARD INVESTIGATIONS.  (a) A member of the board may administer oaths, summon witnesses, and compel the attendance of witnesses in any matter proper for board investigation, including the determination of nuisances and the investigation of:

(1) public water supplies;
(2) sanitary conditions;
(3) the existence of infection; or
(4) any matter that requires the board to exercise its discretionary powers and that is within the general scope of its authority under this subchapter.

(b) Each district court shall aid the board in its investigations and in compelling compliance with this subchapter. If a witness summoned by the board is disobedient or disrespectful to...
the board's lawful authority, the district court of the county in which the witness is summoned to appear shall punish the witness in the manner provided for contempt of court.

Sec. 12.003. LEGAL REPRESENTATION. (a) A suit brought by the board must be brought in the name of the state.

(b) The attorney general shall assign a special assistant to attend to the board's legal matters, and on the board's request shall furnish necessary assistance to the board relating to its legal requirements.

Sec. 12.004. DEVELOPMENT OF PROPOSED RULES. (a) This section applies to the process by which the department develops proposed rules for the board's consideration before the proposed rules are published in the Texas Register and before the board, commissioner, or department complies with the rulemaking requirements of the administrative procedure law, Chapter 2001, Government Code. This section does not affect the duty of the board, commissioner, or department to comply with the rulemaking requirements of that law.

(b) The board shall require the department to establish a checklist of methods that, to the extent appropriate, the department will follow to obtain early in the rule development process the advice and opinions of the public and of persons who will be most affected by a proposed rule. The checklist must include methods for identifying persons who will be most affected and for soliciting at a minimum the advice and opinions of affected local health departments, of recipients and providers of affected services, and of advocates for affected recipients or providers.

(c) The checklist may include negotiated rulemaking, informal conferences, advisory committees, and any other appropriate method.

(d) A rule adopted by the board may not be challenged on the grounds that the board, commissioner, or department did not comply with this section. If the department was unable to solicit a significant amount of advice and opinion from the public or from affected persons early in the rule development process, the
department shall state in writing to the board the reasons why the department was unable to do so.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 1.08, eff. Sept. 1, 1999.

Sec. 12.005. MEDICAL DIRECTOR: MEDICAID MANAGED CARE AND CHIPS PROGRAMS. (a) In addition to any other medical director employed by the department, the board shall require the department to employ a separate medical director whose duties consist of acting as the medical director for the children's health insurance program created under Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.) and also as the medical director for the Medicaid managed care program, to the extent that those programs are administered by the department.

(b) The medical director shall be primarily responsible for implementing and maintaining policies and systems for the programs that relate to clinical and professional medical issues, including clinical oversight.

(c) The medical director must be a physician licensed to practice medicine in this state.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 1.08, eff. Sept. 1, 1999.

SUBCHAPTER B. POWERS AND DUTIES OF DEPARTMENT

Sec. 12.011. APPROPRIATIONS, GRANTS, AND DONATIONS. (a) To carry out its duties and functions, the department may apply for, contract for, receive, and spend an appropriation or grant from the state, the federal government, or any other public source, subject to any limitation or condition prescribed by legislative appropriation.

(b) The department may accept donations and contributions to be spent in the interest of public health and the enforcement of public health laws.

Sec. 12.0111. LICENSING FEES. (a) This section applies in
relation to each licensing program administered by the department or administered by a regulatory board or other agency that is under the jurisdiction of the department or administratively attached to the department. In this section and Section 12.0112, "license" includes a permit, certificate, or registration.

(b) Notwithstanding other law, the department shall charge a fee for issuing or renewing a license that is in an amount designed to allow the department to recover from its license holders all of the department's direct and indirect costs in administering and enforcing the applicable licensing program.

(c) Notwithstanding other law, each regulatory board or other agency that is under the jurisdiction of the department or administratively attached to the department and that issues licenses shall charge a fee for issuing or renewing a license that is in an amount designed to allow the department and the regulatory board or agency to recover from the license holders all of the direct and indirect costs to the department and to the regulatory board or agency in administering and enforcing the applicable licensing program.

(d) This section does not apply to:
   (1) a person regulated under Chapter 773; or
   (2) a license or registration under Chapter 401.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.42(a), eff. Sept. 1, 2003.
Amended by:
   Acts 2007, 80th Leg., R.S., Ch. 1061 (H.B. 2285), Sec. 1, eff. September 1, 2007.

Sec. 12.0112. TERM OF LICENSE. (a) Notwithstanding other law and except as provided by Subsection (b), the term of each license issued by the department, or by a regulatory board or other agency that is under the jurisdiction of the department or administratively attached to the department, is two years. The department, regulatory board, or agency may provide for staggering the issuance and renewal of licenses.

(b) This section does not apply to:
   (1) a license issued for a youth camp under Chapter 141;
   (2) a food manager certificate issued under Subchapter G,
Sec. 12.0115. INTEGRATION OF HEALTH CARE DELIVERY PROGRAMS.

(a) In this section, "health care delivery programs" includes the department's primary health care services program, its program to improve maternal and infant health, its services for chronically ill and disabled children, any aspects of health care delivery under the state Medicaid program assigned to the department by law or by the Health and Human Services Commission, and the part of any other department program concerned with the department's responsibility for the delivery of health care services.

(b) The department shall integrate the functions of its different health care delivery programs to the maximum extent possible, including integrating the functions of health care delivery programs that are part of the state Medicaid program with functions of health care delivery programs that are not part of the state Medicaid program.

(c) At a minimum, the department's integration of the functions of its different health care delivery programs must include the integration within and across the programs of:

(1) the development of health care policy;

(2) the delivery of health care services, to the extent appropriate for the recipients of the health care services; and

(3) to the extent possible, the administration of contracts with providers of health care services, particularly providers who concurrently provide health care services under more than one contract or program with the department.

(d) One of the primary goals of the department in integrating...
the delivery of health care services for the benefit of recipients shall be providing for continuity of care for individuals and families, accomplished to the extent possible by providing an individual or family with a medical home that serves as the primary initial health care provider.

(e) One of the primary goals of the department in integrating the administration of its contracts with providers of health care services shall be designing an integrated contract administration system that reduces the administrative and paperwork burden on providers while still providing the department with the information it needs to effectively administer the contracts. The department's integration of contract administration must include:

(1) the integration of the initial procurement process within and across programs, at least in part by efficiently combining requests for bids or proposals within or across programs to the extent it reduces the administrative burden for providers;

(2) the establishment of uniform contract terms, including:
   (A) contract terms that require information from providers, or that prescribe performance standards for providers, that could be made uniform within or across programs while remaining effective as contract terms;
   (B) the establishment of a procedure under which a contractor or a person responding to a request for bids or proposals may supply the department with requested information whenever possible by referencing current and correct information previously supplied to and on file with the department; and
   (C) contract terms regarding incentives for contractors to meet or exceed contract requirements;

(3) the integration of contract monitoring, particularly with regard to monitoring providers that deliver health services for the department under more than one contract or under more than one department program; and

(4) the integration of reimbursement methods:
   (A) particularly for a provider that delivers health services for the department under more than one contract or under more than one department program; and
   (B) including the application across programs of the most effective and efficient reimbursement technologies or methods that are available to the department under any of its programs.

(f) The department shall examine the extent to which the
department could integrate all or part of its health care delivery programs into a single delivery system.

(g) If a federal requirement that the federal government may waive restricts the department's integration efforts under this section, the department may seek a waiver of the requirement from the federal government. If the waiver affects a program for which another state agency is designated the single state agency for federal purposes, the department shall request the single state agency to seek the waiver.

(h) The department may not integrate health care delivery programs under this section in a way that affects the single state agency status of another state agency for federal purposes without obtaining the approval of the Health and Human Services Commission and any necessary federal approval.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 1.09, eff. Sept. 1, 1999.

Sec. 12.012. AWARDING CONTRACTS OR GRANTS AND SELECTING SERVICE PROVIDERS. (a) In awarding contracts or grants for services, or in selecting service providers under any program administered by the department, the department shall give preference to providers who can deliver appropriate services of similar quality in the most cost-effective manner.

(b) In awarding the contracts or grants or selecting the providers, the department may not discriminate among licensed health care providers who can provide the services under the authority of their licenses.

Sec. 12.0121. CONTRACTING FOR PROFESSIONAL SERVICES. (a) In this section, "professional services" means those services performed by an individual who is licensed, certified, registered, or otherwise authorized by the state and who acts within the scope of the individual's license, certification, registration, or other authorization in the practice of a health or allied health profession.

(b) The board by rule shall adopt a list of categories of
licensed, certified, registered, or otherwise authorized providers to whom the department may award a grant for professional services under this section or with whom the department may contract or otherwise engage to perform professional services under this section.

(c) The department may award a grant, enter into a contract, or otherwise engage an individual or a group or association of individuals to perform professional services selected on the basis of competitive proposals submitted for the grant, contract, or services to be performed. The department may also make the selection on the basis of:

(1) demonstrated competence and qualifications for the type of professional services to be performed; and
(2) whether the fees for the professional services to be performed are fair, reasonable, and consistent with and not higher than the usual and customary fees for the services to be performed and do not exceed any maximum provided by state law.

(d) The department may award a grant, enter into a contract, or otherwise engage an individual or a group or association of individuals to perform professional services without complying with Subsection (c) if the commissioner by order ratified by the board at its next regular meeting determines that an emergency exists that necessitates the use of different procedures. A grant, contract, or engagement under this subsection is effective only for the period specified by the commissioner's order.

Sec. 12.0122. SALE OF LABORATORY SERVICES. (a) The department may enter into a contract for the sale and provision of laboratory services in accordance with this section.

(b) The department may enter into a contract with:
(1) a federal, state, or local governmental entity; or
(2) a freestanding public health clinic owned or controlled by a nonprofit organization.

(c) For purposes of Subsection (b)(1), a contract with a federal governmental entity does not include a contract relating to Medicare managed care services.

(d) The department by rule may establish charges for the sale of laboratory services.
(e) The department may enter into a contract with a party in or outside of this state.

(f) In this section, "laboratory services" means the activities performed by the laboratory established by the department. The term includes the provision of supplies and test materials and the performance of scientific procedures to analyze or assess specimens from any source, but does not include tissue and cytology specimens, except for pap smears for recipients under federally funded programs or genetic testing.

Sec. 12.01221. MUTUAL AID AGREEMENT FOR NEWBORN SCREENING LABORATORY SERVICES. (a) In this section, "newborn screening laboratory services" means the performance of tests to analyze specimens collected as part of the newborn screenings performed under Subchapter B, Chapter 33.

(b) Notwithstanding Section 12.0122 or other law, the department may enter into a mutual aid agreement to provide newborn screening laboratory services to another state and to receive newborn screening laboratory services from another state in the event of an unexpected interruption of service, including an interruption caused by a disaster.

(c) Each mutual aid agreement under Subsection (b) shall include provisions:

(1) to address the confidentiality of the identity of the newborn child and the newborn child's family; and

(2) to ensure the return of blood specimens and related records to the state that received the newborn screening laboratory services.

Added by Acts 2009, 81st Leg., R.S., Ch. 109 (H.B. 1671), Sec. 1, eff. September 1, 2009.

Text of section as added by Acts 1999, 76th Leg., ch. 1411, Sec. 1.10
Based on Risk. (a) In this section, "Medicaid contractor" means an entity that:

(1) is not a health and human services agency as defined by Section 531.001, Government Code; and

(2) under a contract with or otherwise on behalf of the department, performs one or more administrative services in relation to the department's operation of a part of the state Medicaid program, such as claims processing, utilization review, client enrollment, provider enrollment, quality monitoring, or payment of claims.

(b) The department shall contract with an independent auditor to perform independent external financial and performance audits of any Medicaid contractor used by the department in the department's operation of a part of the state Medicaid program. The department regularly shall review its Medicaid contracts and ensure that:

(1) the frequency and extent of audits of a Medicaid contractor under this section are based on the amount of risk to the state involved in the administrative services being performed by the contractor;

(2) audit procedures related to financial audits and performance audits are used consistently in audits under this section; and

(3) to the extent possible, audits under this section are completed in a timely manner.

(c) If another state agency succeeds to the department's operation of a part of the state Medicaid program for which the department used a Medicaid contractor, the successor agency shall comply with this section with regard to the Medicaid contractor, including the requirement to contract with an independent auditor to perform the external financial and performance audits required by this section.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 1.10, eff. Sept. 1, 1999.

Text of section as added by Acts 1999, 76th Leg., ch. 1447, Sec. 1 and by Acts 1999, 76th Leg., ch. 1460, Sec. 9.01

Sec. 12.0123. EXTERNAL AUDITS OF CERTAIN MEDICAID CONTRACTORS.

(a) In this section, "Medicaid contractor" means an entity that:
(1) is not a health and human services agency as defined by Section 531.001, Government Code; and
(2) under contract with or otherwise on behalf of the department, performs one or more administrative services in relation to the department's operation of a part of the state Medicaid program, such as claims processing, utilization review, client enrollment, provider enrollment, quality monitoring, or payment of claims.

(b) The department shall contract with an independent auditor to perform annual independent external financial and performance audits of any Medicaid contractor used by the department in the department's operation of a part of the state Medicaid program.

(c) The department shall ensure that audit procedures related to financial audits and performance audits are used consistently in audits under this section.

(d) An audit required by this section must be completed before the end of the fiscal year immediately following the fiscal year for which the audit is performed.

Added by Acts 1999, 76th Leg., ch. 1447, Sec. 1, eff. June 19, 1999; Acts 1999, 76th Leg., ch. 1460, Sec. 9.01, eff. Sept. 1, 1999.

Sec. 12.0124. ELECTRONIC TRANSACTIONS; STATE MEDICAID PROGRAM. The department or the department's successor in function in relation to the department's operation of a part of the state Medicaid program shall implement policies that encourage the use of electronic transactions. The policies shall require payment to Medicaid service providers by electronic funds transfer, including electronic remittance and status reports. The policies shall also include the establishment of incentives to submit claims electronically and of disincentives to submit claims on paper that are reasonably based on the higher administrative costs to process claims submitted on paper.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 1.10, eff. Sept. 1, 1999.

Sec. 12.0125. DRUG REBATES. (a) The department shall develop a voluntary drug manufacturer rebate program for drugs purchased by or on behalf of a client of the Kidney Health Care Program or the
Chronically Ill and Disabled Children's Services Program for which rebates are not available under the Medicaid drug manufacturer rebate program.

(b) The department shall consult with drug manufacturers to develop rebate amounts for the new voluntary rebate program. The average percentage savings from rebates in the new program may not be less than the average percentage savings from rebates in the Medicaid drug manufacturer rebate program.

(c) Amounts received by the department under the drug rebate program established under this section may be appropriated only for the Kidney Health Care Program or the Chronically Ill and Disabled Children's Services Program.

Added by Acts 1999, 76th Leg., ch. 669, Sec. 2, eff. June 18, 1999.

Sec. 12.0127. IMMIGRATION VISA WAIVERS FOR PHYSICIANS. (a) The department, in accordance with 8 U.S.C. Section 1182(e), as amended, under exceptions provided by 8 U.S.C. Section 1184(l), as amended, may request waiver of the foreign country residence requirement for a qualified alien physician who agrees to practice medicine in a medically underserved area or health professional shortage area, as designated by the United States Department of Health and Human Services, that has a current shortage of physicians.

(b) The department may charge a fee to cover the costs incurred by the department in administering the visa waiver program established under this section.

Sec. 12.0128. HEALTH ALERT NETWORK. The department shall include the Texas Association of Local Health Officials, the Texas Association of Community Health Centers, and the Texas Organization of Rural and Community Hospitals in the department's Texas Health Alert Network to the extent federal funds for bioterrorism preparedness are available for that purpose.

Added by Acts 2005, 79th Leg., Ch. 1337 (S.B. 9), Sec. 17, eff. June 18, 2005.
Sec. 12.013. DRIVING AND TRAFFIC POLICIES. (a) The department shall continuously study and investigate the medical aspects of:

(1) the licensing of drivers;
(2) the enforcement of traffic safety laws, including differentiation between drivers who are ill or intoxicated; and
(3) accident investigation, including examination for alcohol or drugs in the bodies of persons killed in traffic accidents.

(b) Based on the studies and investigations, the department periodically shall recommend to the Department of Public Safety appropriate policies, standards, and procedures relating to those medical aspects.

Sec. 12.014. REGISTRY. (a) The department may establish a registry or system of registries for providers of health-related services who are not otherwise licensed, registered, or certified by any state agency, board, or commission.

(b) The board by rule may adopt reasonable registration fees to cover the costs of establishing and maintaining a registry and may adopt other rules as necessary to administer this section.

(c) A person seeking to register with the department must submit a request for registration on a form prescribed by the department.

Sec. 12.0145. INFORMATION ABOUT ENFORCEMENT ACTIONS. (a) The department shall publish and provide information in accordance with this section regarding each final enforcement action taken by the department, commissioner, or board against a person or facility regulated by the department in which any kind of sanction is imposed, including:

(1) the imposition of a reprimand, a period of probation, a monetary penalty, or a condition on a person's continued practice or a facility's continued operation; and
(2) the refusal to renew or the suspension, probation, or revocation of a license or other form of permission to engage in an
activity.

(b) Except to the extent that the information is specifically made confidential under other law, the department shall publish and provide the name, including any trade name, of the person or facility against which an enforcement action was taken, the violation that the person or facility was found to have committed, and the sanction imposed. The department shall publish and provide the information in a way that does not serve to identify a complainant.

(c) The department shall publish the information on its generally accessible Internet site. The department also shall provide the information by establishing a system under which members of the public can call toll-free numbers to obtain the information efficiently and with a minimum of delay. The department shall appropriately publicize the toll-free numbers.

(d) The department shall publish and provide the information promptly after the sanction has been imposed or, when applicable, promptly after the period during which the sanction is imposed has begun. The department by rule shall establish the length of time during which the required information will be published and provided under this section based on the department's determination regarding the types of services provided by regulated entities and the length of time for which information about a category of enforcement actions is useful to a member of the public.

(e) The department shall publish and provide the information using clear language that can be readily understood by a person with a high school education.

(f) If another law specifically requires that particular information subject to this section shall be published in another manner, the department shall comply with this section and with the other law.

(g) A determination that the department is not required to publish and provide information under this section does not affect a determination regarding whether the information is subject to required disclosure under the open records law, Chapter 552, Government Code. The department's determination regarding the length of the period during which information should continue to be published and provided under this section does not affect a determination regarding the period for which the information must be preserved under Chapter 441, Government Code, or under another law.
Sec. 12.0146. TRENDS IN ENFORCEMENT. The department shall publish annually an analysis of its enforcement actions taken under state law with regard to each profession, industry, or type of facility regulated by the department. The analysis for each regulatory area must show at a minimum the year-to-year trends in the number and types of enforcement actions taken by the department in its regulation of the profession, industry, or type of facility.

Sec. 12.015. INFORMATION ON COMMUNITY SERVICES. (a) If the department determines that a person is not eligible for a level of care in a nursing home, the department shall inform the person that community services might be available under the community care for the aged and disabled program administered by the Texas Department of Human Services.

(b) The department shall provide to the person a list of services available under the program and a telephone number to call for more information on the services.

Sec. 12.016. PUBLIC HEARING PROCEDURES. (a) Any statements, correspondence, or other form of oral or written communication made by a member of the legislature to a department official or employee during a public hearing conducted by the department shall become part of the record of the hearing, regardless of whether the member is a party to the hearing.

(b) When a public hearing conducted by the department is required by law to be conducted at a certain location, the department shall determine the place within that location at which the hearing will be conducted. In making that determination, the department shall consider the cost of available facilities and the adequacy of a facility to accommodate the type of hearing and anticipated
attendance.

(c) The department shall conduct at least one session of a public hearing after normal business hours on request by a party to the hearing or any person who desires to attend the hearing.

(d) An applicant for a license, permit, registration, or similar form of permission required by law to be obtained from the department may not amend the application after the 31st day before the date on which a public hearing on the application is scheduled to begin. If an amendment of an application would be necessary within that period, the applicant shall resubmit the application to the department and must again comply with notice requirements and any other requirements of law or board rule as though the application were originally submitted to the department on that date.

(e) If an application for a license, permit, registration, or similar form of permission required by law is pending before the department at the time when changes take effect concerning notice requirements imposed by law for that type of application, the applicant must comply with the new notice requirements.

Sec. 12.017. MANAGED CARE ORGANIZATIONS: MEDICAID PROGRAM.

(a) Except as provided by Section 533.047, the department shall develop for managed care organizations that serve Medicaid clients performance, operation, quality of care, marketing, and financial standards and standards relating to children's access to good quality health care services. In developing the standards, the department shall include measures to monitor and assess the performance of managed care organizations relating to the health status and outcome of care for Medicaid clients.

(b) In establishing standards under this section, the department shall ensure that:

(1) to the extent possible, each Medicaid client can receive good quality health care services in the client's local community;

(2) plans serving children have adequate capacity to provide pediatric care; and

(3) plans provide timely access and appropriate referrals
for specialty care.

Sec. 12.018. UNANNOUNCED INSPECTIONS. The department may make any inspection of a facility or program under the department's jurisdiction without announcing the inspection.

Sec. 12.019. GENETIC COUNSELING FEES. (a) The department may charge for providing genetic counseling services. The fee may not exceed the actual cost of providing the services.

(b) The department shall use the fees for providing genetic counseling services.

Sec. 12.020. PROTECTION AND USE OF INTELLECTUAL PROPERTY. (a) The department may:

(1) apply for, register, secure, hold, and protect under the laws of the United States, any state, or any nation:

(A) a patent for an invention or discovery of, or improvement to, any process, machine, manufacture, or composition of matter;

(B) a copyright for an original work of authorship fixed in any tangible medium of expression now known or later developed that can be perceived, reproduced, or otherwise communicated;

(C) a trademark, service mark, collective mark, or certification mark for a word, name, symbol, device, or slogan, or any combination of those items, that has been adopted and used by the
department to identify goods or services and distinguish those goods or services from other goods or services; or

(D) other evidence of protection or exclusivity issued in or for intellectual property;

(2) enter into a contract with an individual or company for the sale, lease, marketing, or other distribution of intellectual property of the department;

(3) obtain under a contract entered into under Subdivision (2) a royalty, license right, or other appropriate means of securing appropriate compensation for the development or purchase of intellectual property of the department; and

(4) waive or reduce the amount of a fee, royalty, or other thing of monetary or nonmonetary value to be assessed by the department if the department determines that the waiver will:

(A) further the goals and missions of the department; and

(B) result in a net benefit to the state.

(b) Intellectual property for which the department has applied for or received a patent, copyright, trademark, or other evidence of protection or exclusivity is excepted from required disclosure under Chapter 552, Government Code.

(c) Money paid to the department under this section shall be deposited to the credit of the general revenue fund except as otherwise provided in Section 2054.115, Government Code.

(d) It is not a violation of Chapter 572, Government Code, or another law of this state for an employee of the department who conceives, creates, discovers, invents, or develops intellectual property to own or to be awarded any amount of equity interest or participation in the research, development, licensing, or exploitation of that intellectual property with the approval of the commissioner.

(e) The commissioner shall institute intellectual property policies for the department that establish minimum standards for:

(1) the public disclosure or availability of products, technology, and scientific information, including inventions, discoveries, trade secrets, and computer software;

(2) review by the department of products, technology, and scientific information, including consideration of ownership and appropriate legal protection;

(3) the licensing of products, technology, and scientific
information;
(4) the identification of ownership and licensing responsibilities for each class of intellectual property; and
(5) royalty participation by inventors and the department.

Added by Acts 1997, 75th Leg., ch. 143, Sec. 1, eff. May 19, 1997.

SUBCHAPTER C. POWERS AND DUTIES OF COMMISSIONER
Sec. 12.021. ADMINISTRATION AND ENFORCEMENT DUTIES. The commissioner shall administer and enforce the health laws of this state under the board's supervision.

SUBCHAPTER D. FEES FOR PUBLIC HEALTH SERVICES
Sec. 12.031. DEFINITION. In this subchapter, "public health services" means:
(1) personal health promotion, maintenance, and treatment services;
(2) infectious disease control and prevention services;
(3) environmental and consumer health protection services;
(4) laboratory services;
(5) health facility architectural plan review;
(6) public health planning, information, and statistical services;
(7) public health education and information services; and
(8) administration services.

Sec. 12.032. FEES FOR PUBLIC HEALTH SERVICES. (a) The board by rule may charge fees to a person who receives public health services from the department.
(b) The board by rule may require department contractors to charge fees for public health services provided by department contractors participating in the department's programs. A department contractor shall retain a fee collected under this subsection and shall use the fee in accordance with the contract provisions.
(c) The amount of a fee charged for a public health service may not exceed the cost to the department of providing the service.

(d) The board may establish a fee schedule. In establishing the schedule, the board shall consider a person's ability to pay the entire amount of a fee.

(e) The board may not deny public health services to a person because of the person's inability to pay for the services.

Sec. 12.033. DISTRIBUTION AND ADMINISTRATION OF CERTAIN VACCINES AND SERA. (a) Except as otherwise provided by this section, the board by rule shall charge fees for the distribution and administration of vaccines and sera provided under:

(1) Section 38.001, Education Code;
(2) Section 42.043, Human Resources Code;
(3) Chapter 826 (Rabies Control Act of 1981);
(4) Chapter 81 (Communicable Disease Prevention and Control Act); and
(5) Section 161.005.

(b) Except as otherwise provided by this section, the board by rule may require a department contractor to charge fees for public health services provided by a contractor participating in a department program under the laws specified by Subsection (a).

(c) Provided the board finds that the monetary savings of this subsection are greater than any costs associated with administering it, the board by rule shall establish a fee schedule for fees under this section. In establishing the fee schedule, the board shall consider a person's financial ability to pay all or part of the fee, including the availability of health insurance coverage. In the event the fee schedule conflicts with any federal law or regulation, the board shall seek a waiver from the applicable federal law or regulation to permit the fee schedule. In the event the waiver is denied, the fee schedule shall not go into effect.

(d) The commissioner may waive the fee requirement for any type of vaccine or serum if the commissioner determines that:

(1) a public health emergency exists; and
(2) the vaccine or serum is needed to meet the emergency.

(e) The department may not deny an immunization to an
individual required to be immunized under a law specified by Subsection (a) because of the individual's inability to pay for the immunization. The department shall provide the immunization at a reduced charge or no charge according to the financial ability of the individual or a person with a legal obligation to support the individual to pay for the immunization. The department shall give priority to those persons least able to pay for immunization.

Sec. 12.034. COLLECTION PROCEDURES. (a) The board shall establish procedures for the collection of fees for public health services. The procedures shall be used by the department and by those department contractors required by the board to charge fees.

(b) The fees may be collected either before the performance of the services or by billing after the services are performed.

(c) The department shall make a reasonable effort to collect fees billed after services are performed. However, the board by rule may waive the collection procedures if the administrative costs exceed the fees to be collected.

(d) If the board elects to require cash payments by program participants, the money received shall be deposited locally at the end of each day and retained by the department for not more than seven days. At the end of that time, the money shall be deposited in the state treasury.

Sec. 12.035. PUBLIC HEALTH SERVICES FEE FUND. (a) The department shall deposit all money collected for fees and charges collected under Sections 12.0122(d) and 12.032(a) in the state treasury to the credit of the Texas Department of Health public health services fee fund.

(b) The department shall maintain proper accounting records to allocate the fund among the state and federal programs generating the fees and administrative costs incurred in collecting the fees.

(c) The public health services fee fund is exempt from Section
Sec. 12.036. SUBROGATION. (a) In furnishing public health services to a person, the department is subrogated to the person's right of recovery from:

(1) personal insurance;
(2) another person, for a personal injury caused by the other person's negligence or wrongdoing; or
(3) any other source.

(b) The department's right of subrogation is limited to the cost of the services provided.

(c) The board or the board's designee may waive the department's right of subrogation in whole or in part if the board or the designee determines that:

(1) enforcement of the right would tend to defeat the purpose of the department's program; or

(2) the administrative expense of the enforcement would be greater than the expected recovery.

(d) The board may adopt rules for the enforcement of the department's right of subrogation.

Sec. 12.037. MODIFICATION, SUSPENSION, OR TERMINATION OF SERVICES. (a) The department may modify, suspend, or terminate public health services to a person for nonpayment of billed services after notice to the affected person and an opportunity for a fair hearing.

(b) The board by rule shall prescribe the criteria for department action under this section.

Sec. 12.038. RULES. The board may adopt rules necessary to
implement this subchapter.

Sec. 12.039. CONSTRUCTION OF OTHER LAWS. (a) This subchapter does not repeal or modify a statute in effect on August 29, 1983, that fixes the amount, directs the disposition, prohibits the collection, or prescribes the basis for computing any fee or charge.

(b) This section does not restrict the determination or recomputing of a fee or charge in accordance with the prescribed basis for computing the fee or charge.

SUBCHAPTER E. GRANTS OR CONTRACTS FOR PURCHASES OF PUBLIC HEALTH SERVICES, EQUIPMENT, OR SUPPLIES

Sec. 12.051. PROVISION OF FUNDS. The department may provide funds by grant or contract to a qualified person for the purchase of services, equipment, or supplies to be used to promote and maintain the public health.

Sec. 12.052. REQUIREMENTS FOR EXPENDITURE OF CERTAIN FUNDS.

(a) The expenditure of funds received by local units of government from the department is governed by Chapter 783, Government Code, and the rules adopted under that law, except as provided by Section 12.055.

(b) The expenditure of funds received by other state agencies from the department is governed by Subtitle D, Title 10, Government Code, and the rules adopted under that law, except as provided by Section 12.055.

(c) The expenditure of funds received by any other qualified person from the department is governed by the grant or contract between the person and the department.

Sec. 12.053. INVENTORY REQUIREMENTS. All equipment and supplies which are purchased through a program, contract, or grant with the department by or for qualified entities, including but not limited to individuals, corporations, local units of government and other state agencies and that are used to promote and maintain public health are exempt from the statewide personal property accounting system administered by the comptroller of public accounts described in Subchapter L, Chapter 403, Government Code. The qualified entities shall maintain complete equipment and supply records. The department may request the return of any usable equipment or supplies purchased with funds provided by the department upon the termination of the program, contract, or grant.

Added by Acts 1991, 72nd Leg., 2nd C.S., ch. 8, Sec. 5.05, eff. Sept. 1, 1991.

Sec. 12.054. DISPOSITION OF CERTAIN DEPARTMENT PROPERTY. (a) This section applies only to property that is surplus or salvage property under Chapter 2175, Government Code, and that is:

(1) exempt under Section 12.053 from the statewide personal property accounting system; or

(2) lawfully in the possession of an emergency medical services provider or governmental entity as those terms are defined by Section 773.003.

(b) The department may negotiate directly with an emergency medical services provider or governmental entity to transfer title to property covered by this section for which the department determines that it holds title. The department and the provider or governmental entity may mutually agree upon the value of the property and shall take any action incident to the transaction that is required by federal law.

(c) The department shall initiate necessary procedures under Chapter 2175, Government Code, to dispose of surplus or salvage property for which the department does not transfer title under this section.

Added by Acts 1993, 73rd Leg., ch. 164, Sec. 1, eff. Sept. 1, 1993.
Sec. 12.055. CERTAIN PROCUREMENTS MADE WITH DEPARTMENT FUNDS.
(a) A state agency or local unit of government that expends funds received from the department for the acquisition of goods and services may satisfy the requirements of Section 12.052 or of another state law requiring procurements by competitive bidding or competitive sealed proposals by procuring goods or services with those funds in accordance with Section 12.056 or in accordance with:

(1) Section 2155.144, Government Code, if the entity is a state agency subject to that law;
(2) Section 32.043 or 32.044, Human Resources Code, if the entity is a public hospital subject to those laws; or
(3) this section, if the entity is not covered by Subdivision (1) or (2).

(b) A state agency or local unit of government under Subsection (a)(3) shall acquire goods or services by any procurement method approved by the Health and Human Services Commission that provides the best value to the state agency or local unit of government. The state agency or local unit of government shall document that the state agency or local unit of government considered all relevant factors under Subsection (c) in making the acquisition.

(c) Subject to Subsection (d), the state agency or local unit of government may consider all relevant factors in determining the best value, including:

(1) any installation costs;
(2) the delivery terms;
(3) the quality and reliability of the vendor's goods or services;
(4) the extent to which the goods or services meet the state agency's or local unit of government's needs;
(5) indicators of probable vendor performance under the contract such as past vendor performance, the vendor's financial resources and ability to perform, the vendor's experience and responsibility, and the vendor's ability to provide reliable maintenance agreements;
(6) the impact on the ability of the state agency or local unit of government to comply with laws and rules relating to
historically underutilized businesses or relating to the procurement of goods and services from persons with disabilities;

(7) the total long-term cost to the state agency or local unit of government of acquiring the vendor's goods or services;

(8) the cost of any employee training associated with the acquisition;

(9) the effect of an acquisition on the state agency's or local unit of government's productivity;

(10) the acquisition price; and

(11) any other factor relevant to determining the best value for the state agency or local unit of government in the context of a particular acquisition.

(d) If a state agency to which this section applies acquires goods or services with a value that exceeds $100,000, the state agency shall consult with and receive approval from the Health and Human Services Commission before considering factors other than price and meeting specifications.

(e) The state auditor or the department may audit the state agency's or local unit of government's acquisitions of goods and services under this section.

(f) The state agency or local unit of government may adopt rules and procedures for the acquisition of goods and services under this section.

Added by Acts 1997, 75th Leg., ch. 1045, Sec. 4, eff. Sept. 1, 1997.

Sec. 12.056. PARTICIPATION IN DEPARTMENT PURCHASING CONTRACTS OR GROUP PURCHASING PROGRAM. The department may allow a state agency, local unit of government, or private entity that expends funds received by the department to purchase goods or services using those funds by participating in:

(1) a contract the department has made to purchase goods or services; or

(2) a group purchasing program established or designated by the department that offers discounts to providers of health services.

Added by Acts 1997, 75th Leg., ch. 1045, Sec. 4, eff. Sept. 1, 1997.
Sec. 12.071. OFFICE OF TEXAS-MEXICO HEALTH AND ENVIRONMENTAL ISSUES. The department shall establish and maintain an office in the department to coordinate and promote health and environmental issues between this state and Mexico.

SUBCHAPTER H. MEDICAL ADVISORY BOARD

Sec. 12.091. DEFINITIONS. In this subchapter:
(1) "Medical standards division" means the Medical Standards on Motor Vehicle Operations Division of the department.
(2) "Panel" means a panel of the medical advisory board.

Added by Acts 1995, 74th Leg., ch. 165, Sec. 9, eff. Sept. 1, 1995.

Sec. 12.092. MEDICAL ADVISORY BOARD; BOARD MEMBERS. (a) The commissioner shall appoint the medical advisory board members from:
(1) persons licensed to practice medicine in this state, including physicians who are board certified in internal medicine, psychiatry, neurology, physical medicine, or ophthalmology and who are jointly recommended by the Texas Department of Health and the Texas Medical Association; and
(2) persons licensed to practice optometry in this state who are jointly recommended by the department and the Texas Optometric Association.

(b) The medical advisory board shall assist the Department of Public Safety of the State of Texas in determining whether:
(1) an applicant for a driver's license or a license holder is capable of safely operating a motor vehicle; or
(2) an applicant for or holder of a license to carry a concealed handgun under the authority of Subchapter H, Chapter 411, Government Code, or an applicant for or holder of a commission as a security officer under Chapter 1702, Occupations Code, is capable of exercising sound judgment with respect to the proper use and storage of a handgun.

Sec. 12.093. ADMINISTRATION; RULES. (a) The medical advisory board is administratively attached to the medical standards division.

(b) The medical standards division:

(1) shall provide administrative support for the medical advisory board and panels of the medical advisory board; and

(2) may collect and maintain the individual medical records necessary for use by the medical advisory board and the panels under this section from a physician, hospital, or other health care provider.

Added by Acts 1995, 74th Leg., ch. 165, Sec. 9, eff. Sept. 1, 1995.

Sec. 12.094. RULES RELATING TO MEDICAL ADVISORY BOARD MEMBERS. (a) The board:

(1) may adopt rules to govern the activities of the medical advisory board;

(2) by rule may establish a reasonable fee to pay a member of the medical advisory board for the member's professional consultation services; and

(3) if appropriate, may authorize per diem and travel allowances for each meeting a member attends, not to exceed the amounts authorized for state employees by the General Appropriations Act.

(b) The fee under Subsection (a)(2) may not be less than $75 or more than $150 for each meeting that the member attends.

Added by Acts 1995, 74th Leg., ch. 165, Sec. 9, eff. Sept. 1, 1995.

Sec. 12.095. BOARD PANELS; POWERS AND DUTIES. (a) If the Department of Public Safety of the State of Texas requests an opinion or recommendation from the medical advisory board as to the ability of an applicant or license holder to operate a motor vehicle safely or to exercise sound judgment with respect to the proper use and storage of a handgun, the commissioner or a person designated by the
commissioner shall convene a panel to consider the case or question submitted by that department.

(b) To take action as a panel, at least three members of the medical advisory board must be present.

(c) Each panel member shall prepare an individual independent written report for the Department of Public Safety of the State of Texas that states the member's opinion as to the ability of the applicant or license holder to operate a motor vehicle safely or to exercise sound judgment with respect to the proper use and storage of a handgun, as appropriate. In the report the panel member may also make recommendations relating to that department's subsequent action.

(d) In its deliberations, a panel may examine any medical record or report that contains material that may be relevant to the ability of the applicant or license holder.

(e) The panel may require the applicant or license holder to undergo a medical or other examination at the applicant's or holder's expense. A person who conducts an examination under this subsection may be compelled to testify before the panel and in any subsequent proceedings under Subchapter H, Chapter 411, Government Code, or Subchapter N, Chapter 521, Transportation Code, as applicable, concerning the person's observations and findings.

Sec. 12.096. PHYSICIAN REPORT. (a) A physician licensed to practice medicine in this state may inform the Department of Public Safety of the State of Texas or the medical advisory board, orally or in writing, of the name, date of birth, and address of a patient older than 15 years of age whom the physician has diagnosed as having a disorder or disability specified in a rule of the Department of Public Safety of the State of Texas.

(b) The release of information under this section is an exception to the patient-physician privilege requirements imposed under Section 159.002, Occupations Code.
Sec. 12.097. CONFIDENTIALITY REQUIREMENTS. (a) All records, reports, and testimony relating to the medical condition of an applicant or license holder:

(1) are for the confidential use of the medical advisory board, a panel, or the Department of Public Safety of the State of Texas;

(2) are privileged information; and

(3) may not be disclosed to any person or used as evidence in a trial except as provided by Subsection (b).

(b) In a subsequent proceeding under Subchapter H, Chapter 411, Government Code, or Subchapter N, Chapter 521, Transportation Code, the medical standards division may provide a copy of the report of the medical advisory board or panel and a medical record or report relating to an applicant or license holder to:

(1) the Department of Public Safety of the State of Texas;

(2) the applicant or license holder; and

(3) the officer who presides at the hearing.

Added by Acts 1995, 74th Leg., ch. 165, Sec. 9, eff. Sept. 1, 1995. Amended by: Acts 2009, 81st Leg., R.S., Ch. 1146 (H.B. 2730), Sec. 11.23, eff. September 1, 2009.

Sec. 12.098. LIABILITY. A member of the medical advisory board, a member of a panel, a person who makes an examination for or on the recommendation of the medical advisory board, or a physician who reports to the medical advisory board or a panel under Section 12.096 is not liable for a professional opinion, recommendation, or report made under this subchapter.

Added by Acts 1995, 74th Leg., ch. 165, Sec. 9, eff. Sept. 1, 1995.

SUBCHAPTER I. TEXAS VOLUNTEER HEALTH CORPS
Sec. 12.111. TEXAS VOLUNTEER HEALTH CORPS. (a) The department
shall establish the Texas Volunteer Health Corps to enhance community-based public health services.

(b) The Texas Volunteer Health Corps shall connect volunteers with residents of local communities to involve those residents in preventive health care, expand the role of those residents in making decisions about their own health, and build community support for public health.

Sec. 12.112. COORDINATORS. (a) The department may employ coordinators to recruit, train, and refer volunteers for service in local communities.

(b) A coordinator employed under this section may apply for grants from any public or private source for purposes of this subchapter.

Sec. 12.113. VOLUNTEERS. (a) Volunteers recruited under this subchapter may include students in high school or an institution of higher education, senior citizens, participants in the AFDC job opportunities and basic skills (JOBS) training program, VISTA and AmeriCorps volunteers, and volunteers from business and community networks.

(b) To build healthy local communities, Texas Volunteer Health Corps volunteers may promote health, expand clients' capacity for self-help, make clinic appointments, arrange transportation, and identify community resources and provide links to those resources.

Sec. 12.114. VITAL HEALTH CARE ISSUES. (a) The department may identify vital health care issues, including the use of tobacco and alcohol, end-of-life needs, health and safety issues on the Texas/Mexico border, family issues, oral health, violence, immunizations, homelessness, responsible adult and teen pregnancy, substance abuse, health promotion and education, and disease prevention.

(b) The Texas Volunteer Health Corps may address a vital health care issue if a local community identifies the issue as a priority.

Sec. 12.115. MENTORS. The department shall encourage health care professionals to volunteer as mentors in the Texas Volunteer Health Corps.

Sec. 12.116. INFORMATION. The department may provide public health information materials as needed by the Texas Volunteer Health Corps.

SUBCHAPTER J. TOBACCO SETTLEMENT PROCEEDS

Sec. 12.131. DEFINITIONS. In this subchapter:

(1) "Account" has the meaning assigned by Section 403.1041, Government Code.

(2) "Advisory committee" means the tobacco settlement permanent trust account administration advisory committee.

(3) "Agreement" has the meaning assigned by Section 403.1041, Government Code.
(4) "Political subdivision" has the meaning assigned by Section 403.1041, Government Code.

Added by Acts 1999, 76th Leg., ch. 753, Sec. 2.01, eff. Aug. 30, 1999.

Sec. 12.132. CERTIFICATION TO COMPTROLLER. The department shall collect information relating to the unreimbursed health care expenditures of each political subdivision and, based on that information and using the formula established in Paragraph 5.B. of the agreement, shall certify to the comptroller the percentage of each annual distribution to be paid from the account to each political subdivision.

Added by Acts 1999, 76th Leg., ch. 753, Sec. 2.01, eff. Aug. 30, 1999.

Sec. 12.133. COLLECTION OF INFORMATION. (a) Each political subdivision shall submit to the department, in the manner and at the time required by the department, information that relates to the political subdivision's unreimbursed health care expenditures and is required by the department to make the certification under Section 12.132.

(b) Subject to the approval of the advisory committee, the board shall adopt rules governing the collection of information under Subsection (a). The rules may provide for regular audits of randomly selected political subdivisions and may govern the manner in which a political subdivision is selected for an audit and the selection of an auditor.

Added by Acts 1999, 76th Leg., ch. 753, Sec. 2.01, eff. Aug. 30, 1999.

Sec. 12.134. DISPUTES RELATING TO INFORMATION COLLECTED. (a) Subject to the approval of the advisory committee, the board shall adopt rules under which a political subdivision or agency of this state may dispute information submitted by a political subdivision under Section 12.133.
(b) The rules may provide for:

(1) an audit of the political subdivision that submitted the disputed information;

(2) payment of the costs of the audit by the party to the dispute who does not prevail in the dispute;

(3) a deadline for filing a dispute for a particular year; and

(4) a reasonable monetary penalty to be applied to a subsequent annual distribution made to a political subdivision that is found to have overstated unreimbursed health care expenditures in the information submitted under Section 12.133.

(c) The monetary penalty applied under Subsection (b)(4) may not exceed 10 percent of the amount of the overstatement of unreimbursed health care costs.

(d) A dispute under this section is a contested case for purposes of Chapter 2001, Government Code.

Added by Acts 1999, 76th Leg., ch. 753, Sec. 2.01, eff. Aug. 30, 1999.

Sec. 12.135. EFFECT OF DISPUTE. A dispute filed under department rules adopted under Section 12.134 does not affect the percentage of the annual distribution of the earnings from the account to be paid to the political subdivision for the year for which the information that is the subject of the dispute was submitted.

Added by Acts 1999, 76th Leg., ch. 753, Sec. 2.01, eff. Aug. 30, 1999.

Sec. 12.136. ADJUSTMENT FOLLOWING AUDIT. (a) If the board finds, after an audit conducted under Section 12.133 or 12.134, that a political subdivision has overstated unreimbursed health care expenditures in the information submitted under Section 12.133 for any year, the department shall report that fact to the comptroller and shall reduce that political subdivision's percentage of the subsequent annual distribution of the earnings from the account appropriately.

(b) If a monetary penalty is applied under Section 12.134, the
department shall also reduce the political subdivision's percentage of the subsequent annual distribution of the earnings from the account appropriately.

(c) If a political subdivision is assessed the cost of an audit under Section 12.134, the department shall report the amount assessed to the comptroller, and the comptroller may withhold that amount from the political subdivision's subsequent annual distribution. The comptroller may use the amount withheld to reimburse the general revenue fund for the cost of the audit.

Added by Acts 1999, 76th Leg., ch. 753, Sec. 2.01, eff. Aug. 30, 1999.

Sec. 12.137. TOBACCO SETTLEMENT PERMANENT TRUST ACCOUNT ADMINISTRATION ADVISORY COMMITTEE. (a) The tobacco settlement permanent trust account administration advisory committee shall advise the board on the implementation of the department's duties under this subchapter.

(b) The advisory committee is composed of 11 members appointed as follows:

(1) one member appointed by the board to represent a public hospital or hospital district located in a county with a population of 50,000 or less or a public hospital owned or maintained by a municipality;

(2) one member appointed by the political subdivision that, in the year preceding the appointment, received the largest annual distribution paid from the account;

(3) one member appointed by the political subdivision that, in the year preceding the appointment, received the second largest annual distribution paid from the account;

(4) four members appointed by the Texas Conference of Urban Counties from nominations received from political subdivisions that in the year preceding the appointment, received the 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, or 12th largest annual distribution paid from the account;

(5) one member appointed by the County Judges and Commissioners Association of Texas;

(6) one member appointed by the North and East Texas County Judges and Commissioners Association;
(7) one member appointed by the South Texas County Judges and Commissioners Association; and

(8) one member appointed by the West Texas County Judges and Commissioners Association.

(b-1) An appointing entity under Subsection (b) is not a state association of counties.

(c) A commissioners court that sets the tax rate for a hospital district must approve any person appointed by the hospital district to serve on the advisory committee.

(d) The advisory committee shall elect the officers of the committee from among the members of the committee.

(e) The advisory committee may act only on the affirmative votes of eight members of the committee.

(f) Members of the advisory committee serve staggered six-year terms expiring on August 31 of each odd-numbered year.

(g) Appointments to the advisory committee shall be made without regard to the race, color, disability, sex, religion, age, or national origin of the appointees.

(h) A member of the advisory committee may not receive compensation from the trust fund or the state for service on the advisory committee and may not be reimbursed from the trust fund or the state for travel expenses incurred while conducting the business of the advisory committee.

(i) The department shall provide administrative support and resources to the advisory committee as necessary for the advisory committee to perform the advisory committee's duties under this subchapter.

(j) Chapter 2110, Government Code, does not apply to the advisory committee.

Added by Acts 1999, 76th Leg., ch. 753, Sec. 2.01, eff. Aug. 30, 1999.
Amended by:

Acts 2005, 79th Leg., Ch. 1094 (H.B. 2120), Sec. 9, eff. September 1, 2005.

Sec. 12.138. APPROVAL OF RULES. A rule to be adopted by the board relating to certification of a percentage of an annual distribution under Section 12.132 or collection of information under
Sections 12.132, 12.133, and 12.134 must be submitted to the advisory committee and may not become effective before the rule is approved by the advisory committee. If the advisory committee disapproves a proposed rule, the advisory committee shall provide the board the specific reasons that the rule was disapproved.

Added by Acts 1999, 76th Leg., ch. 753, Sec. 2.01, eff. Aug. 30, 1999.

Sec. 12.139. ANNUAL REVIEW. The advisory committee shall annually:

(1) review the results of any audit conducted under this subchapter and the results of any dispute filed under Section 12.134; and

(2) review the rules adopted by the board under this subchapter and propose any amendments to the rules the advisory committee considers necessary.

Added by Acts 1999, 76th Leg., ch. 753, Sec. 2.01, eff. Aug. 30, 1999.

CHAPTER 13. HEALTH DEPARTMENT HOSPITALS AND RESPIRATORY FACILITIES

SUBCHAPTER A. CARE AND TREATMENT IN HEALTH DEPARTMENT HOSPITALS

Sec. 13.002. ADMISSION OF OTHER PATIENTS. (a) The board may admit to any hospital under its supervision a patient who:

(1) is eligible to receive patient services under a department program; and

(2) will benefit from hospitalization.

(b) Admission to a hospital as authorized under this section is subject to the availability of:

(1) appropriate space after the needs of eligible tuberculosis and chronic respiratory disease patients have been met; and

(2) trained medical personnel for the necessary medical care and treatment.

(c) The board may adopt rules and enter into contracts as necessary to implement this section.

(d) This section does not require the board or department to:

(1) admit a patient to a particular hospital;
(2) guarantee the availability of space at any hospital; or

(3) provide treatment for a particular medical need at any hospital.

Sec. 13.003. SERVICES AT RIO GRANDE STATE CENTER. (a) The primary purpose of the Rio Grande State Center is to provide inpatient and outpatient services, either directly or by contract with one or more public or private health care providers or entities, to the residents of the Lower Rio Grande Valley.

(b) The board may establish at the Rio Grande State Center:

(1) cancer screening;
(2) diagnostic services;
(3) educational services;
(4) obstetrical services;
(5) gynecological services;
(6) other inpatient health care services; and
(7) outpatient health care services, including diagnostic, treatment, disease management, and supportive care services.

Acts 2009, 81st Leg., R.S., Ch. 650 (H.B. 1850), Sec. 2, eff. June 19, 2009.

Sec. 13.004. TREATMENT OF CERTAIN MENTALLY ILL OR MENTALLY RETARDED PERSONS. (a) The Texas Department of Mental Health and Mental Retardation may transfer a mentally ill or mentally retarded person who is infected with tuberculosis to the Texas Center for Infectious Disease.

(b) The person may be transferred without that person's consent.

(c) The cost of maintaining and treating the person at the Texas Center for Infectious Disease shall be paid from appropriations to that hospital.
Sec. 13.005. CARE AND TREATMENT OF CERTAIN PATIENTS. (a) The board shall fully develop essential services needed for the control of tuberculosis. To provide those services, the board may contract for the support, maintenance, care, and treatment of tuberculosis patients:

(1) admitted to facilities under the board's jurisdiction; or

(2) otherwise subject to the board's jurisdiction.

(b) The board may contract with:

(1) municipal, county, or state hospitals;
(2) private physicians;
(3) licensed nursing homes and hospitals; and
(4) hospital districts.

(c) The board may contract for diagnostic and other services available in a community or region as necessary to prevent further spread of tuberculosis.

(d) A contract may not include the assignment of any lien accruing to the state.

(e) The board may establish and operate outpatient clinics as necessary to provide follow-up treatment on discharged patients. A person who receives treatment as an outpatient is financially liable in the manner provided for inpatients.

Sec. 13.006. PURPOSE OF TUBERCULOSIS CONTROL PROGRAM. The primary objectives of the tuberculosis control program are:

(1) case-finding;
(2) inpatient and outpatient treatment; and
(3) the eventual eradication of tuberculosis.

Sec. 13.007. COLONEL H. WILLIAM "BILL" CARD, JR., OUTPATIENT CLINIC. The outpatient clinic operated by the South Texas Health
Care System in Harlingen, Texas, is named the Colonel H. William "Bill" Card, Jr., Outpatient Clinic in honor of Colonel H. William "Bill" Card, Jr.

Added by Acts 2009, 81st Leg., R.S., Ch. 1056 (H.B. 4642), Sec. 1, eff. June 19, 2009.
Amended by:
   Acts 2011, 82nd Leg., R.S., Ch. 1118 (S.B. 1926), Sec. 1, eff. June 17, 2011.

SUBCHAPTER B. TEXAS TUBERCULOSIS CODE
Sec. 13.031. SHORT TITLE. This subchapter may be cited as the Texas Tuberculosis Code.

Sec. 13.032. PURPOSE. The purpose of this subchapter is to:
(1) enable persons with tuberculosis to obtain needed care;
(2) provide care and treatment for those persons; and
(3) facilitate their hospitalization.

Sec. 13.033. DEFINITIONS. In this subchapter:
(1) "Legally responsible person" means a parent, guardian, or spouse, or any person whom the laws of this state hold responsible for debts incurred as a result of the hospitalization or treatment of a patient.
(2) "Local health authority" means a practicing physician who acts as:
   (A) a municipal or county health authority;
   (B) a director of a local health department or public health district; or
   (C) a regional director of a public health region.
(3) "Physician" means a person licensed by the Texas State Board of Medical Examiners to practice medicine in this state.
(4) "Political subdivision" includes a county, municipality, or hospital district.
(5) "State chest hospital" means the Texas Center for Infectious Disease and the Rio Grande State Center.

(6) "Tuberculosis patient" means a person who has any form of tuberculosis in any part of the body.

Acts 2009, 81st Leg., R.S., Ch. 650 (H.B. 1850), Sec. 3, eff. June 19, 2009.

Sec. 13.034. BOARD DUTIES. (a) The board shall adopt rules and bylaws relating to:
(1) the management of state chest hospitals;
(2) the duties of officers and employees of those hospitals; and
(3) the enforcement of necessary discipline and restraint of patients.

(b) The board shall supply each hospital with the necessary personnel for the operation and maintenance of the hospital.

(c) The board may:
(1) prescribe the form and content of applications, certificates, records, and reports provided for under this subchapter;
(2) require reports from the administrator of a state chest hospital relating to the admission, examination, diagnosis, release, or discharge of a patient;
(3) visit each hospital regularly to review admitting procedures and the care and treatment of all new patients admitted since the last visit;
(4) investigate by personal visit a complaint made by a patient or by another person on behalf of a patient; and
(5) adopt rules as necessary for the proper and efficient hospitalization of tuberculosis patients.

(d) The board may delegate a power or duty of the board to an employee. The delegation does not relieve the board from its responsibility.

Sec. 13.035. EMPLOYMENT OF HOSPITAL ADMINISTRATORS. (a) The department shall employ a qualified hospital administrator for each state chest hospital.

(b) A hospital administrator employed under this section is not required to be a licensed physician.

(c) The hospital administrator may delegate a power or duty of the administrator to an employee. The delegation does not relieve the hospital administrator from the responsibility.

Sec. 13.036. PATIENT ADMISSION; EXAMINATION CERTIFICATE. (a) A resident of this state who has tuberculosis may be admitted to a state chest hospital. A person who is not a resident of this state and who has tuberculosis may be admitted to a state chest hospital in accordance with Section 13.046.

(b) The hospital shall review applications for admission and admit or deny admission to applicants.

(c) An application for admission to a state chest hospital shall be accompanied by a certificate issued by a physician stating that the physician has thoroughly examined the applicant and that the applicant has tuberculosis. In the case of an applicant who is not a resident of this state, the certificate may be issued by a physician who holds a license to practice medicine in the state of residence of the applicant.

(d) In the case of an indigent applicant, the certificate may be issued by the local health authority.

(e) The department shall prescribe the form and content of the certificate.

(f) If the applicant has a communicable disease other than tuberculosis, the hospital administrator may delay the admission until the other disease is no longer contagious.

Sec. 13.037. DETERMINATION OF RESIDENCY. (a) A person is a
resident of this state if the person:
   (1) is physically present and living voluntarily in this state;
   (2) intends to make a home in this state; and
   (3) is not in this state temporarily.

(b) The intent to make a home in this state may be demonstrated by proof similar to or including:
   (1) the possession of documentation, such as a Texas driver's license, motor vehicle registration, or voter registration certificate;
   (2) the presence of personal effects at a specific abode in this state; or
   (3) employment in this state.

Sec. 13.038. CLASSIFICATION OF PATIENTS; LIEN. (a) A patient admitted to a state chest hospital is a public patient and classified as indigent, nonindigent, or nonresident.

(b) An indigent public patient is a person who:
   (1) does not possess property of any kind;
   (2) has no person who is legally responsible for the patient's support; and
   (3) is unable to reimburse the state.

(c) A nonindigent public patient is a person who possesses property out of which the state may be reimbursed, or who has a person who is legally responsible for the patient's support.

(d) Except as provided by Section 13.040, the state shall support and maintain an indigent or nonindigent public patient at state expense but is entitled to reimbursement for a nonindigent public patient's support.

(e) The state's claim for nonindigent support and maintenance constitutes a lien against the property of the patient or the legally responsible person who is financially able to contribute.

(f) A nonresident public patient is a person who is admitted in accordance with an interstate agreement under Section 13.046.

Sec. 13.039. COLLECTION OF STATE'S CLAIM. (a) A state claim for patient support and maintenance may be collected through an action brought against the patient or the person legally responsible for the patient. The action shall be brought in the county from which the patient was sent and shall be brought in the name of the state by the county or district attorney of that county or by the attorney general.

(b) The action shall be brought on the written request of the state chest hospital administrator, accompanied by a certificate as to the amount owed to the state. In any action, the certificate is sufficient evidence of the amount owed to the state for the support of that patient.

(c) On receipt of the request, the attorney shall bring and conduct the suit and is entitled to a commission of 10 percent of the amount collected. All money collected under this section, less the amount of the commission, shall be paid by the attorney to the hospital administrator, who shall receive the amount and give a receipt.

Sec. 13.040. EFFECT OF INDIGENT HEALTH CARE AND TREATMENT ACT. If an indigent or nonindigent public patient is eligible for health care assistance from a county hospital or public hospital under Chapter 61 (Indigent Health Care and Treatment Act), the state is entitled to reimbursement from that hospital for the treatment and support of the patient to the extent prescribed by that chapter.

Sec. 13.041. RETURN OF CERTAIN NONRESIDENTS; RECIPROCAL AGREEMENTS. (a) The board may:

(1) return a nonresident patient admitted to a state chest hospital to the proper agency of the state of the patient's residence; and

(2) permit the return of a resident of this state who has been admitted to a tuberculosis hospital in another state.

(b) The state that is returning a patient shall pay the expenses of the return.
(c) The board may enter into reciprocal agreements with the proper agencies of other states to facilitate the return to the states of their residence of nonresident patients admitted to state chest hospitals in other states.

Sec. 13.042. DISCRIMINATION PROHIBITED. (a) A state chest hospital may not discriminate against a patient.

(b) Each patient is entitled to equal facilities, attention, and treatment. However, a state chest hospital may provide different care and treatment of patients because of differences in the condition of the individual patients.

Sec. 13.043. GRATUITIES PROHIBITED. (a) A patient in a state chest hospital may not offer an officer, agent, or employee of the hospital a tip, payment, or reward of any kind.

(b) A patient who violates this section may be expelled from the hospital. An employee who accepts a tip, payment, or reward of any kind from a patient may be discharged.

(c) The board shall strictly enforce this section.

Sec. 13.044. PRIVATE ACCOMMODATIONS. (a) On the request of any charitable organization in this state, the board may permit the erection, furnishing, and maintenance by the charitable organization of accommodations on the grounds of a state chest hospital for persons who have tuberculosis and who are:

(1) members of the charitable organization;

(2) members of the families of persons who are members of the charitable organization; or

(3) surviving spouses or minor children of deceased persons who are members of the charitable organization.

(b) The accommodations shall be reserved for the preferential use of persons described by Subsection (a).
(c) The state may not incur any expense in the erection, furnishing, and maintenance of the accommodations. The charitable organization that enters a patient under this section may be required to pay the pro rata part of the maintenance costs of that patient that is found to be just and equitable, pending the next legislative appropriation for the maintenance of state chest hospitals. Any part of the accommodations not used by persons described by Subsection (a) may be used, at the discretion of the hospital administrator, by other patients in the hospital without charge to the state.

(d) The officers or a board or committee of the charitable organization and the board must enter into a written agreement relating to the location, construction, style, and character, and terms of existence of buildings, and other questions arising in connection with the grant of permission to erect and maintain private accommodations. The written agreement must be recorded in the minutes of the board.

(e) Except for the preferential right to occupy vacant accommodations erected by the person's charitable organization, a person described by Subsection (a) shall be classified in the same manner as other state chest hospital patients and shall be admitted, maintained, cared for, and treated in those hospitals in the same manner and under the same conditions and rules that apply to other patients.

Sec. 13.045. DONATION OF LAND BY COUNTY. (a) A county may donate and convey land to the state in consideration of the establishment of a state chest hospital by the board.

(b) The commissioners court of the county may determine the desirability, manner, and form of the donation and conveyance.

(c) This section does not authorize the commissioners court of a county to convey land donated or granted for educational purposes to the county in any manner other than that directed by law.

Sec. 13.046. ADMISSION OF NONRESIDENT PATIENTS. (a) The department may enter into an agreement with an agency of another
state responsible for the care of residents of that state who have tuberculosis under which:

(1) residents of the other state who have tuberculosis may be admitted to a state chest hospital, subject to the availability of appropriate space after the needs of eligible tuberculosis and chronic respiratory disease patients who are residents of this state have been met; and

(2) the other state is responsible for paying all costs of the hospitalization and treatment of patients admitted under the agreement.

(b) Section 13.041 does not apply to the return of a nonresident patient admitted to a state chest hospital in accordance with an agreement entered into under this section. The return of that patient to the state of residence is governed by the agreement.

SUBTITLE B. HEALTH PROGRAMS
CHAPTER 31. PRIMARY HEALTH CARE

Sec. 31.001. SHORT TITLE. This chapter may be cited as the Texas Primary Health Care Services Act.

Sec. 31.002. DEFINITIONS. (a) In this chapter:

(1) "Facility" includes a hospital, ambulatory surgical center, public health clinic, birthing center, outpatient clinic, and community health center.

(2) "Medical transportation" means transportation services that are required to obtain appropriate and timely primary health care services for eligible individuals.

(3) "Other benefit" means a benefit, other than a benefit provided under this chapter, to which an individual is entitled for payment of the costs of primary health care services, including benefits available from:

(A) an insurance policy, group health plan, or prepaid medical care plan;

(B) Title XVIII or XIX of the Social Security Act (42 U.S.C. Section 1395 et seq. or Section 1396 et seq.).
(C) the Veterans Administration;
(D) the Civilian Health and Medical Program of the
Uniformed Services;
(E) workers' compensation or any other compulsory
employers' insurance program;
(F) a public program created by federal or state law,
or by an ordinance or rule of a municipality or political subdivision
of the state, excluding benefits created by the establishment of a
municipal or county hospital, a joint municipal-county hospital, a
county hospital authority, a hospital district, or the facilities of
a publicly supported medical school; or
(G) a cause of action for medical, facility, or medical
transportation expenses, or a settlement or judgment based on the
cause of action, if the expenses are related to the need for services
provided under this chapter.

(4) "Primary health care services" includes:
(A) diagnosis and treatment;
(B) emergency services;
(C) family planning services;
(D) preventive health services, including
immunizations;
(E) health education;
(F) laboratory, X-ray, nuclear medicine, or other
appropriate diagnostic services;
(G) nutrition services;
(H) health screening;
(I) home health care;
(J) dental care;
(K) transportation;
(L) prescription drugs and devices and durable
supplies;
(M) environmental health services;
(N) podiatry services; and
(O) social services.

(5) "Program" means the primary health care services
program authorized by this chapter.

(6) "Provider" means a person who, through a grant or a
contract with the department, provides primary health care services
that are purchased by the department for the purposes of this
chapter.
(7) "Support" means the contribution of money or services necessary for a person's maintenance, including food, clothing, shelter, transportation, and health care.

(b) The board by rule may define a word or term not defined by Subsection (a) as necessary to administer this chapter. The board may not define a word or term so that the word or term is inconsistent or in conflict with the purposes of this chapter, or is in conflict with the definition and conditions of practice governing a provider who is required to be licensed, registered, certified, identified, or otherwise sanctioned under the laws of this state.

Sec. 31.003. PRIMARY HEALTH CARE SERVICES PROGRAM. (a) The board may establish a program in the department to provide primary health care services to eligible individuals.

(b) If the program is established, the board shall adopt rules relating to:
   (1) the type, amount, and duration of services to be provided under this chapter; and
   (2) the determination by the department of the services needed in each service area.

(c) If budgetary limitations exist, the board by rule shall establish a system of priorities relating to the types of services provided, geographic areas covered, or classes of individuals eligible for services.

(d) The board shall adopt rules under Subsection (c) relating to the geographic areas covered and the classes of individuals eligible for services according to a statewide determination of the need for services.

(e) The board shall adopt rules under Subsection (c) relating to the types of services provided according to the set of service priorities established under this subsection. Initial service priorities shall focus on the funding of, provision of, and access to:
   (1) diagnosis and treatment;
   (2) emergency services;
   (3) family planning services;
   (4) preventive health services, including immunizations;
(5) health education; and
(6) laboratory, X-ray, nuclear medicine, or other appropriate diagnostic services.

(f) Except as limited by this section, the department shall develop an integrated framework for the equitable provision of services throughout the state and shall use existing public and private health, transportation, and education resources.

(g) The board should require that the services provided under this chapter be reserved to the greatest extent possible for low-income individuals who are not eligible for similar services through any other publicly funded program.

Sec. 31.004. ADMINISTRATION. (a) The board shall adopt rules necessary to administer this chapter, and the department shall administer the program in accordance with board rules.

(b) With the advice and assistance of the commissioner and the department, the board by rule shall:
   (1) establish the administrative structure of the program;
   (2) establish a plan of areawide administration to provide authorized services;
   (3) designate, if possible, local public and private resources as providers; and
   (4) prevent duplication by coordinating authorized primary health care services with existing federal, state, and local programs.

(c) The department shall prescribe the design and content of all necessary forms used in the program.

Sec. 31.005. PROVISION OF PROGRAM SERVICES BY DEPARTMENT. (a) The board shall adopt rules relating to the department's determination of whether program services are to be provided through a network of approved providers, directly by the department, or by a combination of the department and approved providers as prescribed by this section.

(b) The department shall provide services only as prescribed by
board rule.

(c) The department may provide primary health care services directly to eligible individuals to the extent that the board determines that existing private or public providers or other resources in the service area are unavailable or unable to provide those services. In making that determination, the department shall:

1. initially determine the proposed need for services in the service area;
2. notify existing private and public providers and other resources in the service area of the department's initial determination of need and the services the department proposes to provide directly to eligible individuals;
3. provide existing private and public providers and other resources in the service area a reasonable opportunity to comment on the department's initial determination of need and the availability and ability of existing private or public providers or other resources in the service area to satisfy the need;
4. provide existing private and public providers and other resources in the service area a reasonable opportunity to obtain approval as providers under the program; and
5. eliminate, reduce, or otherwise modify the proposed scope or type of services the department proposes to provide directly to the extent that those services may be provided by existing private or public providers or other resources in the service area that meet the board's criteria for approval as providers.

(d) The department shall maintain a continuing review of the services it provides directly to the eligible individuals who participate in the program. At least annually, the department shall review and determine the continued need for the services it provides directly in each service area, in accordance with the methods and procedures used to make the initial determination as prescribed by this section.

(e) If after a review the board determines that a private or public provider or other resource is available to provide services and has been approved as a provider, the department shall, immediately after approving the provider, eliminate, reduce, or modify the scope and type of services the department provides directly to the extent the private or public provider or other resource is available and able to provide the service.

Sec. 31.006. SERVICE PROVIDERS. (a) The board shall adopt rules relating to:
   (1) the selection and expedited selection of providers, including physicians, registered nurses, and facilities; and
   (2) the denial, modification, suspension, and termination of program participation.
   (b) The department shall select and approve providers to participate in the program according to the criteria and following the procedures prescribed by board rules.
   (c) The department shall pay only for program services provided by approved providers, except in an emergency.
   (d) The board may not adopt facility approval criteria that discriminate against a facility solely because it is operated for profit.
   (e) The department may not exclude a provider solely because the provider receives federal funds if the federal funds are inadequate to provide the services authorized by this chapter to all eligible individuals seeking services from that provider.
   (f) The board shall provide a due process hearing procedure for the resolution of conflicts between the department and a provider. Chapter 2001, Government Code, do not apply to conflict resolution procedures adopted under this section.
   (g) The department shall render the final administrative decision in a due process hearing to modify, suspend, or terminate the approval of a provider.
   (h) The department may not terminate a grant or contract while a due process hearing is pending under this section. The department may withhold payments while the hearing is pending but shall pay the withheld payments and resume grant or contract payments if the final determination is in favor of the provider.
   (i) The notice and hearing required by this section do not apply if a grant or contract:
      (1) is canceled by the department because of exhaustion of funds or because insufficient funds require the board to adopt service priorities; or
      (2) expires according to its terms.
Sec. 31.007. APPLICATION FOR SERVICES. (a) The board shall adopt rules relating to application procedures for admission to the program.

(b) An applicant must complete or cause to be completed an application form prescribed by the department.

(c) The application form must be accompanied by:

(1) a statement by the applicant, or by the person with a legal obligation to provide for the applicant's support, that the applicant or person is financially unable to pay for all or part of the cost of the necessary services; and

(2) any other assurances from the applicant or any documentary evidence required by the board that is necessary to support the applicant's eligibility.

(d) Except as permitted by program rules, the department may not provide services or authorize payment for services delivered to an individual before the eligibility date assigned to the individual by the department.

(e) The department shall determine or cause to be determined the eligibility date in accordance with board rules. The date may not be later than the date on which the individual submits a properly completed application form and all supporting documents required by this chapter or board rules.

Sec. 31.008. ELIGIBILITY FOR SERVICES. (a) The board shall adopt rules relating to eligibility criteria for an individual to receive services under the program, including health, medical, and financial criteria. The department shall determine or cause to be determined an applicant's eligibility in accordance with this chapter and board rules.

(b) Except as modified by other rules adopted under this chapter, the board by rule shall provide that to be eligible to receive services, the individual must be a resident of this state.

Sec. 31.009. DENIAL, MODIFICATION, SUSPENSION, OR TERMINATION OF SERVICES. (a) The department for cause may deny an application for services after notice to the applicant and an opportunity for a fair hearing.

(b) The department may modify, suspend, or terminate services to an individual eligible for or receiving services after notice to the individual and an opportunity for a fair hearing.

(c) The board by rule shall provide criteria for action by the department under this section.

(d) Chapter 2001, Government Code, do not apply to the granting, denial, modification, suspension, or termination of services. The department shall conduct hearings in accordance with the board's due process hearing rules.

(e) The department shall render the final administrative decision in a due process hearing to deny, modify, suspend, or terminate the receipt of services.

(f) The notice and hearing required by this section do not apply if the department restricts program services to conform to budgetary limitations that require the board to establish service priorities.

Sec. 31.010. FINANCIAL ELIGIBILITY; OTHER BENEFITS. (a) The department shall require an individual receiving services under this chapter, or the person with a legal obligation to support the individual, to pay for or reimburse the department for that part of the cost of the services that the individual or person is financially able to pay.

(b) Except as provided by board rules, an individual is not eligible to receive services under this chapter to the extent that the individual, or a person with a legal obligation to support the individual, is eligible for some other benefit that would pay for all or part of the services.

(c) When an application is made under this chapter or when services are received, the individual applying for or receiving
services shall inform the department of any other benefit to which the individual, or a person with a legal obligation to support the individual, may be entitled.

(d) An individual who has received services that are covered by some other benefit, or a person with a legal obligation to support that individual, shall reimburse the department to the extent of the services provided when the other benefit is received.

(e) The commissioner may waive enforcement of Subsections (b)-(d) of this section as prescribed by board rules in certain individually considered cases in which enforcement will deny services to a class of otherwise eligible individuals because of conflicting federal, state, or local laws or rules.

Sec. 31.011. RECOVERY OF COSTS. (a) The department may recover the cost of services provided under this chapter from a person who does not reimburse the department as required by Section 31.010 or from any third party who has a legal obligation to pay other benefits and to whom notice of the department's interest has been given.

(b) At the request of the commissioner, the attorney general may bring suit in the appropriate court of Travis County on behalf of the department.

(c) In a judgment in favor of the department, the court may award attorney's fees, court costs, and interest accruing from the date on which the department provides the services to the date on which the department is reimbursed.

Sec. 31.012. FEES. (a) The board may charge fees for the services provided directly by the department or through approved providers in accordance with Subchapter D, Chapter 12.

(b) The board shall adopt standards and procedures to develop and implement a schedule of allowable charges for program services.

Sec. 31.013. FUNDING. (a) Except as provided by this chapter or by other law, the board may seek, receive, and spend funds received through an appropriation, grant, donation, or reimbursement from any public or private source to administer this chapter.

(b) The department is not required to provide primary health care services unless funds are appropriated to the department to administer this chapter.

Sec. 31.014. CONTRACTS. The department shall enter into contracts and agreements or award grants necessary to facilitate the efficient and economical provision of services under this chapter, including contracts and grants for the purchase of services, equipment, and supplies from approved providers.

Sec. 31.015. RECORDS AND REVIEW. (a) The department shall require each provider receiving reimbursement under this chapter to maintain records and information for each applicant for or recipient of services.

(b) The board shall adopt rules relating to the information a provider is required to report to the department and shall adopt procedures to prevent unnecessary and duplicative reporting of data.

(c) The department shall review records, information, and reports prepared by program providers and shall annually prepare a report for submission to the governor and the legislature relating to the status of the program. The department shall make the report available to the public.

(d) The report required under Subsection (c) must include:

(1) the number of individuals receiving care under this chapter;

(2) the total cost of the program, including a delineation of the total administrative costs and the total cost for each service authorized under Section 31.003(e);

(3) the average cost per recipient of services;

(4) the number of individuals who received services in each public health region; and
(5) any other information required by the board.

(e) In computing the number of individuals to be reported under Subsection (d)(1), the department shall ensure that no individual is counted more than once.

Sec. 31.016. PROGRAM PLANS. (a) The department shall have a long-range plan, covering at least six years, that includes at least the following elements:

(1) quantifiable indicators of effort and success;

(2) identification of priority client population and the minimum types of services necessary for that population;

(3) a description of the appropriate use of providers, including the role of providers, and considering the type, location, and specialization of the providers;

(4) criteria for phasing out unnecessary services;

(5) a comprehensive assessment of needs and inventory of resources; and

(6) coordination of administration and service delivery with federal, state, and local public and private programs that provide similar services.

(b) The department shall revise the plan by January 1 of each even-numbered year.

(c) The department shall develop a short-range plan that is derived from the long-range plan and that identifies and projects the costs relating to implementing the short-range plan.

(d) As part of the department's budget preparation process, the department shall biennially assess its achievement of the goals identified in each plan. The department's biennial budget shall be made according to the results of the assessment and the short-range plan. The department shall make its requests for new program funding and for continued funding according to demonstrated need.

(e) The department shall use the information collected under Section 31.015 to develop the long-range and short-range plans.

Sec. 31.017. FEDERALLY QUALIFIED HEALTH CENTERS. The
department may make grants to establish new or expand existing facilities and to support new or expanded services at facilities that can qualify as federally qualified health centers, as defined by 42 U.S.C. Section 1396d(l)(2)(B), in this state, including:

(1) planning grants;
(2) development grants;
(3) capital improvement grants; and
(4) grants for transitional operating support.

Added by Acts 2003, 78th Leg., ch. 860, Sec. 1, eff. Sept. 1, 2003.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 127 (S.B. 526), Sec. 1, eff. August 31, 2009.

CHAPTER 32. MATERNAL AND INFANT HEALTH IMPROVEMENT
SUBCHAPTER A. PROGRAM FOR WOMEN AND CHILDREN

Sec. 32.001. SHORT TITLE. This chapter may be cited as the Maternal and Infant Health Improvement Act.

Sec. 32.002. DEFINITIONS. (a) In this chapter:
(1) "Adolescent" means an individual younger than 18 years of age.
(2) "Ancillary services" means services necessary to obtain timely, effective, and appropriate maternal and infant health improvement services, and includes prescription drugs, medical social services, transportation, health promotion services, and laboratory services.
(3) "Facility" includes a hospital, public health clinic, birthing center, outpatient clinic, or community health center.
(4) "Infant care" means maternal and infant health improvement services and ancillary services appropriate for an individual from birth to 12 months of age.
(5) "Intrapartum care" means maternal and infant health improvement services and ancillary services appropriate for a woman, fetus, or infant during childbirth.
(6) "Maternal and infant health improvement services" means services necessary to assure quality health care for women and
children.

(7) "Medical assistance program" means the program administered by the single state agency under Title XIX of the Social Security Act (42 U.S.C. Section 1396 et seq.).

(8) "Other benefit" means a benefit, other than a benefit provided under this chapter, to which an individual is entitled for payment of the costs of maternal and infant health improvement services, ancillary services, educational services, or transportation services, including benefits available from:

(A) an insurance policy, group health plan, or prepaid medical care plan;

(B) Title XVIII of the Social Security Act (42 U.S.C. Section 1395 et seq.);

(C) the Veterans Administration;

(D) the Civilian Health and Medical Program of the Uniformed Services;

(E) workers' compensation or any other compulsory employers' insurance program;

(F) a public program created by federal or state law, other than Title XIX of the Social Security Act (42 U.S.C. Section 1396 et seq.), or by an ordinance or rule of a municipality or political subdivision of the state, excluding benefits created by the establishment of a municipal or county hospital, a joint municipal-county hospital, a county hospital authority, a hospital district, or the facilities of a publicly supported medical school; or

(G) a cause of action for medical, facility, or medical transportation expenses, or a settlement or judgment based on the cause of action, if the expenses are related to the need for services provided under this chapter.

(9) "Perinatal care" means maternal and infant health improvement services and ancillary services that are appropriate for women and infants during the perinatal period, which begins before conception and ends on the infant's first birthday.

(10) "Postpartum care" means maternal and infant health improvement services and ancillary services appropriate for a woman following a pregnancy.

(11) "Preconceptional care" means maternal and infant health improvement services and ancillary services appropriate for a woman before conception that are provided with the intent of planning and reducing health risks that might adversely affect her
pregnancies.

(12) "Prenatal care" means maternal and infant health improvement services and ancillary services that are appropriate for a pregnant woman and the fetus during the period beginning on the date of conception and ending on the commencement of labor.

(13) "Program" means the maternal and infant health improvement services program authorized by this chapter.

(14) "Provider" means a person who, through a grant or a contract with the department or through other means approved by the department, provides maternal and infant health improvement services and ancillary services that are purchased by the department for the purposes of this chapter.

(15) "Support" means the contribution of money or services necessary for a person's maintenance, including food, clothing, shelter, transportation, and health care.

(b) The board by rule may define a word or term not defined by Subsection (a) as necessary to administer this chapter. The board may not define a word or term so that the word or term is inconsistent or in conflict with the purposes of this chapter, or is in conflict with the definition and conditions of practice governing a provider who is required to be licensed, registered, certified, identified, or otherwise sanctioned under the laws of this state.

Sec. 32.003. MATERNAL AND INFANT HEALTH IMPROVEMENT SERVICES PROGRAM. (a) The board may establish a maternal and infant health improvement services program in the department to provide comprehensive maternal and infant health improvement services and ancillary services to eligible women and infants.

(b) If the program is established, the board shall adopt rules relating to:

(1) the type, amount, and duration of services to be provided under this chapter; and

(2) the determination by the department of the services needed in each service area.

(c) If budgetary limitations exist, the board by rule shall establish a system of priorities relating to the types of services
provided, geographic areas covered, or classes of individuals eligible for services.

(d) The board shall adopt the rules according to a statewide determination of the need for services.

(e) In structuring the program and adopting rules, the department and board shall attempt to maximize the amount of federal matching funds available for maternal and infant health improvement services while continuing to serve targeted populations.

(f) If necessary, the board by rule may coordinate services and other parts of the program with the medical assistance program. However, the board may not adopt rules relating to the services under either program that would:

(1) cause the program established under this chapter not to conform with federal law to the extent that federal matching funds would not be available; or

(2) affect the status of the single state agency to administer the medical assistance program.

Sec. 32.005. ABORTION SERVICES RESTRICTED. Notwithstanding any other provision of this chapter, funds administered under this chapter may not be used to provide abortion services unless the mother's life is in danger.

Sec. 32.006. ADMINISTRATION. (a) The board shall adopt rules necessary to administer this chapter, and the department shall administer the program in accordance with board rules.

(b) The department shall prescribe the design and content of all necessary forms used in the program.

Sec. 32.011. DENIAL, MODIFICATION, SUSPENSION, OR TERMINATION OF SERVICES. (a) The department may, for cause, deny, modify,
suspend, or terminate services to an individual eligible for or receiving services after notice to the individual and an opportunity for a hearing.

(b) The board by rule shall provide criteria for action by the department under this section.

(c) Chapter 2001, Government Code, does not apply to the granting, denial, modification, suspension, or termination of services. The department shall conduct hearings in accordance with the board's due process hearing rules.

(d) The department shall render the final administrative decision in a due process hearing to deny, modify, suspend, or terminate the receipt of services.

(e) The notice and hearing required by this section do not apply if the department restricts program services to conform to budgetary limitations that require the board to establish service priorities.

Sec. 32.012. FINANCIAL ELIGIBILITY; OTHER BENEFITS. (a) The department shall require an individual receiving services under this chapter, or the person with a legal obligation to support the individual, to pay for or reimburse the department for that part of the cost of the services that the individual or person is financially able to pay.

(b) Except as provided by board rules, an individual is not eligible to receive services under this chapter to the extent that the individual or a person with a legal obligation to support the individual is eligible for some other benefit that would pay for all or part of the services.

(c) When a determination of eligibility to receive maternal and infant health improvement services is made under this chapter or when the services are received, the individual requesting or receiving services shall inform the department of any other benefit to which the individual or a person with a legal obligation to support the individual may be entitled.

(d) An individual who has received services that are covered by
some other benefit, or any other person with a legal obligation to support that individual, shall reimburse the department to the extent of the services provided when the other benefit is received.

(e) The commissioner may waive enforcement of Subsections (b)-(d) of this section as prescribed by board rules in certain individually considered cases in which enforcement will deny services to a class of otherwise eligible individuals because of conflicting federal, state, or local laws or rules.

Sec. 32.013. RECOVERY OF COSTS. (a) The department may recover the cost of services provided under this chapter from a person who does not reimburse the department as required by Section 32.012 or from any third party who has a legal obligation to pay other benefits and to whom notice of the department's interest has been given.

(b) At the request of the commissioner, the attorney general may bring suit in the appropriate court of Travis County on behalf of the department.

(c) In a judgment in favor of the department, the court may award attorney's fees, court costs, and interest accruing from the date on which the department provides the services to the date on which the department is reimbursed.

Sec. 32.014. FEES. (a) Except as prohibited by federal law or regulation, the board may charge fees for the services provided directly by the department or through approved providers in accordance with Subchapter D, Chapter 12.

(b) The board shall adopt standards and procedures to develop and implement a schedule of allowable charges for program services.

Sec. 32.015. FUNDING. (a) Except as provided by this chapter
or by other law, the board may seek, receive, and spend funds received through an appropriation, grant, donation, or reimbursement from any public or private source to administer this chapter.

(b) Notwithstanding other law, the department's authority to spend funds appropriated for the program established by this chapter is not affected by the amount of federal funds the department receives.

(c) The department is not required to provide maternal and infant health improvement services unless funds are appropriated to the department to administer this chapter.

Sec. 32.016. CONTRACTS. The department shall enter into contracts and agreements or award grants necessary to facilitate the efficient and economical provision of services under this chapter, including contracts and grants for the purchase of services, equipment, and supplies from approved providers.

Sec. 32.017. RECORDS. (a) The department shall require each provider receiving reimbursement under this chapter to maintain records and information for each applicant for or recipient of services.

(b) The board shall adopt rules relating to the information a provider is required to report to the department and shall adopt procedures to prevent unnecessary and duplicative reporting of data.

(c) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1083, Sec. 25(79), eff. June 17, 2011.

(d) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1083, Sec. 25(79), eff. June 17, 2011.

(e) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1083, Sec. 25(79), eff. June 17, 2011.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1050 (S.B. 71), Sec. 6, eff.
Sec. 32.018. PROGRAM PLANS. (a) The department shall have a long-range plan covering at least six years that includes at least the following elements:

(1) quantifiable indicators of effort and success;
(2) identification of priority client population and the minimum types of services necessary for that population;
(3) a description of the appropriate use of providers, including the role of providers and considering the type, location, and specialization of the providers;
(4) criteria for phasing out unnecessary services;
(5) a comprehensive assessment of needs and inventory of resources; and
(6) coordination of administration and service provision with federal, state, and local public and private programs that provide similar services.

(b) The department shall revise the plan by January 1 of each even-numbered year.

(c) The department shall develop a short-range plan that is derived from the long-range plan and that identifies and projects the costs relating to implementing the short-range plan.

(d) As part of the department's budget preparation process, the department shall biennially assess its achievement of the goals identified in each plan. The department's biennial budget shall be made according to the results of the assessment and the short-range plan. The department shall make its requests for new program funding and for continued funding according to demonstrated need.

(e) The department shall use the information collected under Section 32.017 to develop the long-range and short-range plans.

 CHILDREN PROGRAM. (a) An agency, organization, or other entity that contracts with the Special Supplemental Nutrition Program for Women, Infants and Children shall each month provide the clinical and nutritional services supported by that program during extended hours, as defined by the department.

(b) Each agency, organization, or other entity that contracts with the program to provide clinical or nutritional services shall include in its annual plan submitted to the department a plan to expand client access to services through extended hours, the schedule for each site that provides services, and the reasons for each site's schedule. An agency, organization, or other entity that contracts with the program is not required to offer extended hours at each of its service sites.

(c) The department shall adopt guidelines for extended hours and waivers from the requirement of Subsection (a).

(d) To obtain a waiver, an agency, organization, or other entity shall submit a written justification to the department explaining the extraordinary circumstances involved and identifying the time frame needed for their resolution.

(e) The department may not grant a waiver to an agency, organization, or other entity for a period of more than two years.

(f) If an agency, organization, or other entity required by this section to maintain extended hours provides other maternal and child health services, that entity shall also make those services available during the extended hours.

Sec. 32.0211. WOMEN, INFANTS AND CHILDREN PROGRAM OUTREACH CAMPAIGN TO PROMOTE FATHERS' INVOLVEMENT. (a) The attorney general shall:

(1) subject to Subsections (b) and (c), develop and periodically update a publication that:

(A) describes the importance and long-term positive effects on children of a father's involvement during a mother's pregnancy; and

(B) provides guidance to prospective fathers on the
positive actions that they can take to support the pregnant mother during pregnancy and the effect those actions have on pregnancy outcomes; and

(2) make the publication described by Subdivision (1) available to any agency, organization, or other entity that contracts with the Special Supplemental Nutrition Program for Women, Infants and Children and on the attorney general's Internet website in a format that allows the public to download and print the publication.

(b) The publication developed by the attorney general under Subsection (a) must include:

(1) information regarding the steps that unmarried parents must take if the parents want to establish legal paternity and the benefits of paternity establishment for children;

(2) a worksheet to help fathers identify personal risk behaviors, including smoking, substance abuse, and unemployment;

(3) information regarding how a father's personal risk behaviors may affect the father's child and a guide to resources that are available to the father to assist in making necessary lifestyle changes;

(4) information for fathers about the mother's prenatal health, including the emotional and physical changes a mother will experience throughout pregnancy, the mother's nutritional needs, and an explanation of how the father may help the mother meet those needs;

(5) an explanation of prenatal health care visits, including an explanation of what they are and what to expect, and the practical ways a father may support the mother throughout pregnancy;

(6) information regarding a child's prenatal health, including the child's developmental stages, the importance of attending prenatal health care visits, the practical ways a father may contribute to healthy baby outcomes, and actions the father may take to prepare for the birth of a child;

(7) an explanation regarding prenatal tests, including an explanation of what the tests are and what tests to expect;

(8) basic infant care information, including:

(A) information regarding the basics of dressing, diapering, bathing, consoling, and stimulating an infant;

(B) health and safety issues, including issues relating to nutritional information, sleep needs and expectations, baby-proofing a home, and what to expect at the first well-child visits;
and

(C) information on bonding and attachment and how each relates to an infant's development;

(9) healthy relationship and coparenting information, including communication strategies, conflict resolution strategies, and problem-solving techniques for coparenting;

(10) worksheets, activities, and exercises to aid fathers and the couple in exploring the following topics:

(A) personal ideas about fatherhood and the role of the father in the family system;

(B) the immediate and long-term benefits of father involvement specific to their family; and

(C) perceived barriers to father involvement and strategies for overcoming those barriers; and

(11) activities and projects for fathers that increase the fathers' understanding of the stages of child developmental and health and safety issues.

(c) In developing the publication required by Subsection (a), the attorney general shall consult with:

(1) the department as the state agency responsible for administering the Special Supplemental Nutrition Program for Women, Infants and Children and this state's program under the Maternal and Child Health Services Block Grant Act (42 U.S.C. Section 701 et seq.); and

(2) the Texas Council on Family Violence.

(d) An agency, organization, or other entity that contracts with the Special Supplemental Nutrition Program for Women, Infants and Children shall make the publication described by Subsection (a) available to each client receiving clinical or nutritional services under the program.

Added by Acts 2011, 82nd Leg., R.S., Ch. 241 (H.B. 824), Sec. 1, eff. June 17, 2011.

**SUBCHAPTER B. PERINATAL HEALTH CARE SYSTEM**

Sec. 32.041. LEGISLATIVE FINDINGS. (a) The legislature finds that the perinatal period beginning before conception and continuing through the first year of life poses unique challenges for the health care system. The development of a coordinated, cooperative system of
perinatal health care within a geographic area will reduce unnecessary mortality and morbidity for women and infants.

(b) In order to improve the health of women and infants, it is necessary to promote health education, to provide assurance of reasonable access to safe and appropriate perinatal services, and to improve the quality of perinatal care by encouraging optimal use of health care personnel.

Added by Acts 1995, 74th Leg., ch. 124, Sec. 7, eff. Sept. 1, 1995.

Sec. 32.042. DUTIES OF BOARD; RULES. (a) The board by rule shall adopt:

(1) minimum standards and objectives to implement voluntary perinatal health care systems; and
(2) policies for health promotion and education, risk assessment, access to care, and perinatal system structure, including the transfer and transportation of pregnant women and infants.

(b) The rules must:

(1) reflect all geographic areas of the state, considering time and distance;
(2) provide specific requirements for appropriate care of perinatal patients; and
(3) facilitate coordination among all perinatal service providers and health care facilities in the delivery area.

(c) The rules must include:

(1) risk reduction guidelines for preconceptional, prenatal, intrapartum, postpartum, and infant care, including guidelines for the transfer and transportation of perinatal patients;
(2) criteria for determining geographic boundaries of perinatal health care systems;
(3) minimum requirements of health promotion and education, risk assessment, access to care, and coordination of services that must be present in a perinatal health care system;
(4) minimum requirements for resources and equipment needed by a health care facility to treat perinatal patients;
(5) standards for the availability and qualifications of the health care personnel treating perinatal patients in a facility;
(6) requirements for data collection, including operation of the perinatal health care system and patient outcomes;
(7) requirements for periodic performance evaluation of the system and its components; and

(8) assurances that health care facilities will not refuse to accept the transfer of a perinatal patient solely because of the person's inability to pay for services or because of the person's age, sex, race, religion, or national origin.

Added by Acts 1995, 74th Leg., ch. 124, Sec. 7, eff. Sept. 1, 1995.

Sec. 32.043. DUTIES OF DEPARTMENT. The department shall:

(1) develop and monitor a statewide network of voluntary perinatal health care systems;

(2) develop and maintain a perinatal reporting and analysis system to monitor and evaluate perinatal patient care in the perinatal health care systems in this state; and

(3) provide for coordination and cooperation in this state and among this state and adjoining states.

Added by Acts 1995, 74th Leg., ch. 124, Sec. 7, eff. Sept. 1, 1995.

Sec. 32.044. SYSTEM REQUIREMENTS. (a) Each voluntary perinatal health care system must have:

(1) a coordinating board responsible for ensuring, providing, or coordinating planning access to services, data collection, and provider education;

(2) access to appropriate emergency medical services;

(3) risk assessment, transport, and transfer protocols for perinatal patients;

(4) one or more health care facilities categorized according to perinatal care capabilities using standards adopted by board rule; and

(5) documentation of broad-based participation in planning by providers of perinatal services and community representatives throughout the defined geographic region.

(b) This subchapter does not prohibit a health care facility from providing services that it is authorized to provide under a license issued to the facility by the department.

Added by Acts 1995, 74th Leg., ch. 124, Sec. 7, eff. Sept. 1, 1995.
Sec. 32.045. GRANT PROGRAM. (a) The department may establish a program to award grants to initiate, expand, maintain, and improve voluntary perinatal health care systems.

(b) The board by rule shall establish eligibility criteria for awarding the grants. The rules must require the department to consider:

1. the need of an area and the extent to which the grant would meet the identified need;
2. the availability of personnel and training programs;
3. the availability of other funding sources;
4. the assurance of providing quality services;
5. the need for emergency transportation of perinatal patients and the extent to which the system meets the identified needs; and
6. the stage of development of a perinatal health care system.

(c) The department may approve grants according to rules adopted by the board. A grant awarded under this section is governed by Chapter 783, Government Code, and rules adopted under that chapter.

Added by Acts 1995, 74th Leg., ch. 124, Sec. 7, eff. Sept. 1, 1995.

For expiration of this subchapter, see Section 32.065.

SUBCHAPTER C. TASK FORCE ON DOMESTIC VIOLENCE

Sec. 32.061. DEFINITION. In this subchapter, "task force" means the task force on domestic violence.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1021 (H.B. 2620), Sec. 1, eff. June 14, 2013.

Sec. 32.062. ESTABLISHMENT; PRESIDING OFFICER. (a) The task force is composed of 25 members appointed by the executive commissioner of the Health and Human Services Commission as follows:

1. four representatives of family violence centers, as defined by Section 51.002, Human Resources Code, from different

Statute text rendered on: 3/14/2015 - 86 -
geographic regions in this state, including both rural and urban areas;
(2) one representative of a statewide family violence advocacy organization;
(3) one representative of a statewide association of obstetricians and gynecologists;
(4) two representatives of the family and community health programs in the Department of State Health Services;
(5) one representative of a statewide sexual assault advocacy organization;
(6) one representative of the Health and Human Services Commission Texas Home Visiting Program;
(7) one representative of a statewide association of midwifery;
(8) one representative of a statewide family physician's association;
(9) one representative of a statewide nursing association;
(10) one representative of a statewide hospital association;
(11) one representative of a statewide pediatric medical association;
(12) one representative of a statewide medical association;
(13) one representative of The University of Texas School of Social Work Institute on Domestic Violence and Sexual Assault;
(14) one representative of The University of Texas School of Law Domestic Violence Clinic;
(15) one representative of the governor's EMS and Trauma Advisory Council;
(16) one representative of a Department of Family and Protective Services prevention and early intervention program;
(17) one representative of a statewide osteopathic medical association;
(18) one representative of a statewide association of community health centers;
(19) one representative of the office of the attorney general;
(20) one representative from a medical school or a teaching hospital in the state who is either an attending physician of the hospital or a faculty member of the medical school; and
(21) one representative of the Health and Human Services Commission...
Commission's Family Violence Program.

(b) The executive commissioner of the Health and Human Services Commission shall appoint a task force member to serve as presiding officer of the task force.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1021 (H.B. 2620), Sec. 1, eff. June 14, 2013.

Sec. 32.063. DUTIES OF TASK FORCE. The task force shall meet at the call of the presiding officer to:

(1) examine the impact of domestic violence on maternal and infant mortality, the health of mothers, and the health and development of fetuses, infants, and children;

(2) identify the health care services available to children age two and younger and mothers and explore opportunities for improving the ability of those services to address domestic violence;

(3) identify methods to effectively include domestic violence information and support in educational standards for educators and protocols for health care providers; and

(4) investigate and make recommendations relating to the coordination of health care services for children age two and younger and pregnant and postpartum women who are victims of domestic violence, including recommendations for improving early screening and detection and public awareness efforts.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1021 (H.B. 2620), Sec. 1, eff. June 14, 2013.

Sec. 32.064. REPORT. Not later than September 1, 2015, the task force shall submit a report to the governor, the lieutenant governor, the speaker of the house of representatives, the presiding officers of the standing committees of the legislature having primary jurisdiction over health and human services, the executive commissioner of the Health and Human Services Commission, and the commissioner of state health services containing:

(1) the findings and legislative, policy, and research recommendations of the task force; and

(2) a description of the activities of the task force.
Sec. 32.065. EXPIRATION. The task force is abolished and this subchapter expires January 1, 2016.

CHAPTER 33. PHENYLKETONURIA, OTHER HERITABLE DISEASES, HYPOTHYROIDISM, AND CERTAIN OTHER DISORDERS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 33.001. DEFINITIONS. In this chapter:

(1) "Birthing facility" means an inpatient or ambulatory health care facility that offers obstetrical or newborn care services. The term includes:
   (A) a hospital licensed under Chapter 241 that offers obstetrical services;
   (B) a birthing center licensed under Chapter 244;
   (C) a children's hospital; or
   (D) a facility that provides obstetrical services and is maintained and operated by this state or an agency of this state.

(1-a) "Critical congenital heart disease" means an abnormality in the structure or function of the heart that exists at birth, causes severe, life-threatening symptoms, and requires medical intervention within the first few hours, days, or months of life.

(1-b) "Heritable disease" means an inherited disease that may result in mental or physical retardation or death.

(2) "Hypothyroidism" means a condition that may cause severe mental retardation if not treated.

(3) "Other benefit" means a benefit, other than a benefit under this chapter, to which an individual is entitled for the payment of the costs of services. The term includes:
   (A) benefits available under:
       (i) an insurance policy, group health plan, or prepaid medical care plan;
       (ii) Title XVIII of the Social Security Act (42 U.S.C. Section 1395);
(iii) Title XIX of the Social Security Act (42 U.S.C. Section 1396);
(iv) the Veterans' Administration;
(v) the Civilian Health and Medical Program of the Uniformed Services; or
(vi) workers' compensation or any other compulsory employers insurance program;

(B) a public program created by federal or state law or by ordinance or rule of a municipality or political subdivision of the state, except those benefits created by the establishment of a municipal or county hospital, a joint municipal-county hospital, a county hospital authority, a hospital district, or by the facilities of a publicly supported medical school; and

(C) benefits resulting from a cause of action for health care expenses, or a settlement or judgment based on the cause of action, if the expenses are related to the need for services provided under this chapter.

(4) "Phenylketonuria" means an inherited condition that may cause severe mental retardation if not treated.

(5) "Screening test" means a rapid analytical procedure to determine the need for further diagnostic evaluation.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 8, eff. Sept. 1, 1991. Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 268 (H.B. 740), Sec. 2, eff. September 1, 2013.

Sec. 33.002. DETECTION AND TREATMENT PROGRAM ESTABLISHED. (a) The department shall carry out a program to combat morbidity, including mental retardation, and mortality in persons who have phenylketonuria, other heritable diseases, or hypothyroidism.

(b) The board shall adopt rules necessary to carry out the program, including a rule specifying other heritable diseases covered by this chapter.

(c) The department shall establish and maintain a laboratory to:

(1) conduct experiments, projects, and other activities necessary to develop screening or diagnostic tests for the early detection of phenylketonuria, other heritable diseases, and
hypothyroidism;

(2) develop ways and means or discover methods to be used to prevent or treat phenylketonuria, other heritable diseases, and hypothyroidism; and

(3) serve other purposes considered necessary by the department to carry out the program.

Sec. 33.0021. SICKLE-CELL TRAIT. Notwithstanding any provision of this chapter, the department shall include sickle-cell trait in the detection and treatment program established under this chapter, in the screening for heritable diseases conducted under Subchapter B, and in the newborn screening services provided under Subchapter C.

Added by Acts 2009, 81st Leg., R.S., Ch. 179 (H.B. 1672), Sec. 1, eff. May 27, 2009.

Sec. 33.003. COOPERATION OF HEALTH CARE PROVIDERS AND GOVERNMENTAL ENTITIES. (a) The department may invite all physicians, hospitals, and other health care providers in the state that provide maternity and newborn infant care to cooperate and participate in any program established by the department under this chapter.

(b) Other boards, agencies, departments, and political subdivisions of the state capable of assisting the department in carrying out the program may cooperate with the department and are encouraged to furnish their services and facilities to the program.

Sec. 33.004. STUDY ON NEWBORN SCREENING METHODOLOGY AND EQUIPMENT. (a) Not later than March 1, 2006, the department shall:

(1) conduct a study to determine the most cost-effective method of conducting newborn screening, including screening for disorders listed in the core uniform panel of newborn screening conditions recommended in the 2005 report by the American College of Medical Genetics entitled "Newborn Screening: Toward a Uniform
Screening Panel and System" or another report determined by the department to provide more appropriate newborn screening guidelines, to protect the health and welfare of this state's newborns and to maximize the number of newborn screenings that may be conducted with the funding available for the screening;

(2) determine the disorders to be studied under Subdivision (1) and ensure the study does not examine screening and services provided under Chapter 47; and

(3) obtain proposals or information regarding the conduct of newborn screening and compare the costs of the department performing newborn screening services to the costs of outsourcing screening to a qualified laboratory with at least two years' experience performing newborn screening tests.

(b) In accordance with rules adopted by the executive commissioner of the Health and Human Services Commission, the department may implement a newborn screening program.

(c) If the department determines under Subsection (a) that the department's performance of newborn screening services is more cost-effective than outsourcing newborn screening, the department shall obtain the use of screening methodologies, including tandem mass spectrometers, and hire the employees necessary to administer newborn screening under this chapter.

(d) If the department determines under Subsection (a) that outsourcing of newborn screening is more cost-effective, the department shall contract for the resources and services necessary to conduct newborn screening using a competitive procurement process.

(e) The department shall periodically review the newborn screening program as revised under this section to determine the efficacy and cost-effectiveness of the program and determine whether adjustments to the program are necessary to protect the health and welfare of this state's newborns and to maximize the number of newborn screenings that may be conducted with the funding available for the screening.

(f) The department may adjust the amounts charged for newborn screening fees, including fees assessed for follow-up services, tracking confirmatory testing, and diagnosis.

Added by Acts 2005, 79th Leg., Ch. 940 (H.B. 790), Sec. 2, eff. September 1, 2005.
SUBCHAPTER B. NEWBORN SCREENING

Sec. 33.011. TEST REQUIREMENT. (a) The physician attending a newborn child or the person attending the delivery of a newborn child that is not attended by a physician shall cause the child to be subjected to screening tests approved by the department for phenylketonuria, other heritable diseases, hypothyroidism, and other disorders for which screening is required by the department.

(a-1) Except as provided by this subsection and to the extent funding is available for the screening, the department shall require newborn screening tests to screen for disorders listed as core and secondary conditions in the December 2011 Recommended Uniform Screening Panel of the Secretary's Advisory Committee on Heritable Disorders in Newborns and Children or another report determined by the department to provide more stringent newborn screening guidelines to protect the health and welfare of this state's newborns. The department, with the advice of the Newborn Screening Advisory Committee, may require additional newborn screening tests under this subsection to screen for other disorders or conditions. The department may exclude from the newborn screening tests required under this subsection screenings for galactose epimerase and galactokinase.

(b) The department may prescribe the screening test procedures to be used and the standards of accuracy and precision required for each test.

(c) Except as provided by Subsection (d), the screening tests required by this section must be performed by the laboratory established by the department or by a laboratory approved by the department under Section 33.016.

(d) The department, with the advice of the Newborn Screening Advisory Committee, shall authorize a screening test for critical congenital heart disease to be performed at a birthing facility that provides care to newborn patients and that complies with the test procedures and the standards of accuracy and precision required by the department for each screening test.

(e) If the department under Subsection (d) authorizes the performance at a birthing facility of a screening test for critical congenital heart disease, a birthing facility must perform the screening test on each newborn who is a patient of the facility before the newborn is discharged from the facility unless:

(1) the parent declines the screening;
(2) the newborn is transferred to another facility before the screening test is performed;
(3) the screening test has previously been completed; or
(4) the newborn is discharged from the birthing facility not more than 10 hours after birth and a referral for the newborn was made to another birthing facility, physician, or health care provider.

(f) Before requiring any additional screening test for critical congenital heart disease, the department must review the necessity of the additional screening test, including an assessment of the test implementation costs to the department, birthing facilities, and other health care providers.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 8, eff. Sept. 1, 1991. Amended by:
Acts 2005, 79th Leg., Ch. 940 (H.B. 790), Sec. 3, eff. September 1, 2005.
Acts 2009, 81st Leg., R.S., Ch. 1124 (H.B. 1795), Sec. 2, eff. September 1, 2009.
Acts 2013, 83rd Leg., R.S., Ch. 268 (H.B. 740), Sec. 3, eff. September 1, 2013.

Sec. 33.0111. DISCLOSURE STATEMENT AND CONSENT. (a) The department shall develop a disclosure statement that clearly discloses to the parent, managing conservator, or guardian of a newborn child subjected to screening tests under Section 33.011:
(1) that the department or a laboratory established or approved by the department under Section 33.016 may retain for use by the department or laboratory genetic material used to conduct the newborn screening tests and discloses how the material is managed and used subject to this section and Sections 33.0112 and 33.018;
(2) that reports, records, and information obtained by the department under this chapter that do not identify a child or the family of a child will not be released for public health research purposes under Section 33.018(c-1) unless a parent, managing conservator, or guardian of the child consents to disclosure; and
(3) that newborn screening blood spots and associated data are confidential under law and may only be used as described by Section 33.018.
(b) The disclosure statement required by Subsection (a) must be included on the form developed by the department to inform parents about newborn screening. The disclosure statement must:

1. be in a format that allows a parent, managing conservator, or guardian of a newborn child to consent to disclosure under Section 33.018(c-1);
2. include instructions on how to complete the portions of the form described by Subdivision (1);
3. include the department's mailing address; and
4. describe how a parent, managing conservator, or guardian of a newborn child may obtain information regarding consent through alternative sources.

(c) At the time a newborn child is subjected to screening tests under Section 33.011, the physician attending a newborn child or the person attending the delivery of a newborn child that is not attended by a physician shall provide the parent, managing conservator, or guardian of a newborn child a copy of the written disclosure statement developed by the department under this section.

(d) The department shall establish procedures for a physician attending a newborn child or the person attending the delivery of a newborn child to provide verification to the department that the physician or person has provided the parent, managing conservator, or guardian of the newborn child the disclosure statement required under this section.

(e) The physician attending a newborn child or the person attending the delivery of a newborn child that is not attended by a physician shall submit any document required by the department.

(f) This section does not supersede the requirements imposed by Section 33.018.

(g) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 268, Sec. 7, eff. September 1, 2013.

(h) Nothing in this section prohibits a physician attending a newborn child from delegating the physician's responsibilities under this section to any qualified and properly trained person acting under the physician's supervision.

Added by Acts 2009, 81st Leg., R.S., Ch. 179 (H.B. 1672), Sec. 2, eff. May 27, 2009.
Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 1, eff.
Sec. 33.0112. DESTRUCTION OF GENETIC MATERIAL. (a) The department shall destroy any genetic material obtained from a child under this chapter not later than the second anniversary of the date the department receives the genetic material unless a parent, managing conservator, or guardian of the child consents to disclosure under Section 33.017(c-1).

(b) The department shall destroy any genetic material obtained from a child under this chapter not later than the second anniversary of the date the department receives the genetic material if:

(1) a parent, managing conservator, or guardian of the child consents to disclosure under Section 33.017(c-1);

(2) the parent, managing conservator, or guardian who consented to the disclosure revokes the consent under Section 33.017(i); and

(3) the department receives the written revocation of consent under Section 33.017(i) not later than the second anniversary of the date the department received the genetic material.

(c) The department shall destroy any genetic material obtained from a child under this chapter not later than the 60th day after the date the department receives a written revocation of consent under Section 33.017(i) if:

(1) a parent, managing conservator, or guardian of the child consented to disclosure under Section 33.017(c-1);

(2) the parent, managing conservator, or guardian who consented to the disclosure or the child revokes the consent under Section 33.017(i); and

(3) the department receives the written revocation of consent later than the second anniversary of the date the department received the genetic material.

(d) A reference in this section to Section 33.017 means Section 33.017 as added by Chapter 179 (H.B. 1672), Acts of the 81st
Sec. 33.012. EXEMPTION. (a) Screening tests may not be administered to a newborn child whose parents, managing conservator, or guardian objects on the ground that the tests conflict with the religious tenets or practices of an organized church of which they are adherents.

(b) If a parent, managing conservator, or guardian objects to the screening tests, the physician or the person attending the newborn child that is not attended by a physician shall ensure that the objection of the parent, managing conservator, or guardian is entered into the medical record of the child. The parent, managing conservator, or guardian shall sign the entry.

Sec. 33.013. LIMITATION ON LIABILITY. A physician, technician, or other person administering the screening tests required by this chapter is not liable or responsible because of the failure or refusal of a parent, managing conservator, or guardian to consent to the tests for which this chapter provides.

Sec. 33.014. DIAGNOSIS; FOLLOW-UP. (a) If, because of an analysis of a specimen submitted under Section 33.011, the department reasonably suspects that a newborn child may have phenylketonuria, another heritable disease, hypothyroidism, or another disorder for which the screening tests are required, the department shall notify the person who submits the specimen that the results are abnormal and provide the test results to that person. The department may notify one or more of the following that the results of the analysis are

Statute text rendered on: 3/14/2015 - 97 -
abnormal and recommend further testing when necessary:

(1) the physician attending the newborn child or the physician's designee;
(2) the person attending the delivery of the newborn child that was not attended by a physician;
(3) the parents of the newborn child;
(4) the health authority of the jurisdiction in which the newborn child was born or in which the child resides, if known; or
(5) physicians who are cooperating pediatric specialists for the program.

(b) If a screening test indicates that a newborn child is at high risk, the department shall recommend that the child be placed under the medical care of a licensed physician for diagnosis and provide the name of a consultant pediatric specialist in the child's geographic area.

(c) The department, the health authority, and the consulting pediatric specialist may follow up a positive test with the attending physician or with a parent of the newborn child if the child was not attended by a physician at birth.

Sec. 33.015. REPORTS; RECORD KEEPING. (a) Each physician, health authority, birthing facility, or other individual who has the information of a confirmed case of a disorder for which a screening test is required that has been detected by a mechanism other than identification through a screening of a specimen by the department's diagnostic laboratory shall report the confirmed case to the department.

(b) The department may collect data to derive incidence and prevalence rates of disorders covered by this chapter from the information on the specimen form submitted to the department for screening determinations.

(c) The department shall maintain a roster of children born in this state who have been diagnosed as having one of the disorders for which the screening tests are required.
(d) The department may cooperate with other states in the development of a national roster of individuals who have been diagnosed as having one of the disorders for which the screening tests are required if:

(1) participation in the national roster encourages systematic follow-up in the participating states;

(2) incidence and prevalence information is made available to participating newborn screening programs in other states; and

(3) each participating newborn screening program subscribes to an agreement to protect the identity and diagnosis of the individuals whose names are included in the national roster.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 268 (H.B. 740), Sec. 5, eff. September 1, 2013.

Sec. 33.016. APPROVAL OF LABORATORIES. (a) The department may develop a program to approve any laboratory that wishes to perform the tests required to be administered under this chapter. To the extent that they are not otherwise provided in this chapter, the board may adopt rules prescribing procedures and standards for the conduct of the program.

(b) The department may prescribe the form and reasonable requirements for the application and the procedures for processing the application.

(c) The department may prescribe the test procedure to be employed and the standards of accuracy and precision required for each test.

(d) The department may extend or renew any approval in accordance with reasonable procedures prescribed by the board.

(e) The department may for good cause, after notice to the affected laboratory and a hearing if requested, restrict, suspend, or revoke any approval granted under this section.

(f) Hearings under this section shall be conducted in accordance with the hearing rules adopted by the board and the applicable provisions of Chapter 2001, Government Code.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 8, eff. Sept. 1, 1991; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(49), eff. Sept. 1, 1995.
Sec. 33.017. NEWBORN SCREENING ADVISORY COMMITTEE. (a) The department shall establish the Newborn Screening Advisory Committee.

(b) The advisory committee consists of members appointed by the commissioner of state health services. The advisory committee must include the following members:

(1) at least four physicians licensed to practice medicine in this state, including at least two physicians specializing in neonatal-perinatal medicine;

(2) at least two hospital representatives;

(3) at least two persons who have family members affected by a condition for which newborn screening is or may be required under this subchapter; and

(4) at least two health care providers who are involved in the delivery of newborn screening services, follow-up, or treatment in this state.

(c) The advisory committee shall:

(1) advise the department regarding strategic planning, policy, rules, and services related to newborn screening and additional newborn screening tests for each disorder included in the list described by Section 33.011(a-1); and

(2) review the necessity of requiring additional screening tests, including an assessment of the test implementation costs to the department, birthing facilities, and other health care providers.

(d) The advisory committee shall adopt bylaws governing the committee's operations.

(e) The advisory committee may appoint subcommittees.

(f) The advisory committee shall meet at least three times each year and at other times at the call of the commissioner of state health services.

(g) A member of the advisory committee is not entitled to compensation, but is entitled to reimbursement for travel or other expenses incurred by the member while conducting the business of the advisory committee, as provided by the General Appropriations Act.

(h) The advisory committee is not subject to Chapter 2110, Government Code.

Added by Acts 2009, 81st Leg., R.S., Ch. 1124 (H.B. 1795), Sec. 3, eff. September 1, 2009.
Sec. 33.018. CONFIDENTIALITY. (a) In this section:

(1) "Affiliated with a health agency" means a person who is an employee or former employee of a health agency.

(2) "Commission" means the Health and Human Services Commission.

(3) "Commissioner" means the commissioner of state health services.

(4) "Health agency" means the commission and the health and human services agencies listed in Section 531.001, Government Code.

(5) "Public health purpose" means a purpose that relates to cancer, a birth defect, an infectious disease, a chronic disease, environmental exposure, or newborn screening.

(a-1) Reports, records, and information obtained or developed by the department under this chapter are confidential and are not subject to disclosure under Chapter 552, Government Code, are not subject to subpoena, and may not otherwise be released or made public except as provided by this section.

(b) Notwithstanding other law, reports, records, and information obtained or developed by the department under this chapter may be disclosed:

(1) for purposes of diagnosis or follow-up authorized under Section 33.014;

(2) with the consent of each identified individual or an individual authorized to consent on behalf of an identified child;

(3) as authorized by court order;

(4) to a medical examiner authorized to conduct an autopsy on a child or an inquest on the death of a child;

(5) to public health programs of the department for public health research purposes, provided that the disclosure is approved by:

(A) the commissioner or the commissioner's designee; and

(B) an institutional review board or privacy board of the department as authorized by the federal privacy requirements adopted under the Health Insurance Portability and Accountability Act.
(6) for purposes relating to review or quality assurance of the department's newborn screening under this chapter or the department's newborn screening program services under Subchapter C, provided that no disclosure occurs outside of the department's newborn screening program;

(7) for purposes related to obtaining or maintaining federal certification, including related quality assurance, for the department's laboratory, provided that no disclosure occurs outside of the department's newborn screening program; or

(8) for purposes relating to improvement of the department's newborn screening under this chapter or the department's newborn screening program services under Subchapter C, provided that the disclosure is approved by the commissioner or the commissioner's designee.

(c) Notwithstanding other law, reports, records, and information that do not identify a child or the family of a child may be released without consent if the disclosure is for:

(1) statistical purposes;

(2) purposes related to obtaining or maintaining federal certification, including related review and quality assurance:
   (A) for the department's laboratory that require disclosure outside of the department's newborn screening program; or
   (B) for a public or private laboratory to perform newborn screening tests that are not part of inter-laboratory exchanges required for federal certification of the department's laboratory, provided that the disclosure is approved by the commissioner or the commissioner's designee; or

(3) other quality assurance purposes related to public health testing equipment and supplies, provided that the disclosure is approved by:
   (A) the commissioner or the commissioner's designee; and
   (B) an institutional review board or privacy board of the department.

(c-1) Notwithstanding other law, reports, records, and information that do not identify a child or the family of a child may be released for public health research purposes not described by Subsection (b)(5) if:
(1) a parent, managing conservator, or guardian of the child consents to the disclosure; and

(2) the disclosure is approved by:

(A) an institutional review board or privacy board of the department; and

(B) the commissioner or the commissioner's designee.

(d) A state officer or employee, a department contractor, or a department contractor's employee, officer, director, or subcontractor may not be examined in a civil, criminal, special, or other judicial or administrative proceeding as to the existence or contents of records, reports, or information made confidential by this section unless disclosure is authorized by this section.

(e) If disclosure is approved by the commissioner or the commissioner's designee under Subsection (c)(3) or (c-1), the department shall post notice on the newborn screening web page on the department's Internet website that disclosure has been approved. The commissioner shall determine the form and content of the notice.

(f) In accordance with this section, the commissioner or the commissioner's designee:

(1) may approve disclosure of reports, records, or information obtained or developed under this chapter only for a public health purpose; and

(2) may not approve disclosure of reports, records, or information obtained or developed under this chapter for purposes related to forensic science or health insurance underwriting.

(g) An institutional review board or privacy board of the department that reviews a potential disclosure under this section must include at least three persons who are not affiliated with a health agency, one of whom must be a member of the public.

(h) Nothing in this section affects the requirement that screening tests be performed under Section 33.011.

(i) If a parent, managing conservator, or guardian of a child consents to disclosure under this section:

(1) the parent, managing conservator, or guardian who consented to the disclosure may revoke the consent, in writing, at any time by using a form designated by the department; and

(2) the child may revoke the consent, in writing, at any time on or after the date the child attains the age of majority by using a form designated by the department.

(j) If a person revokes consent under Subsection (i), the
department shall destroy any genetic material obtained from the child as provided by Section 33.0112.

Added by Acts 2009, 81st Leg., R.S., Ch. 179 (H.B. 1672), Sec. 3, eff. May 27, 2009.
Redesignated from Health and Safety Code, Section 33.017 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(24), eff. September 1, 2011.
Amended by:
  Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 4, eff. June 1, 2012.
  Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 4, eff. June 17, 2011.

SUBCHAPTER C. NEWBORN SCREENING PROGRAM SERVICES

Sec. 33.031. COORDINATION WITH CHILDREN WITH SPECIAL HEALTH CARE NEEDS SERVICES. (a) All newborn children and other individuals under 21 years of age who have been screened, have been found to be presumptively positive through the newborn screening program for phenylketonuria, other heritable diseases, hypothyroidism, or another disorder for which the screening tests are required, and may be financially eligible may be referred to the department's services program for children with special health care needs.

(b) An individual who is determined to be eligible for services under the services program for children with special health care needs shall be given approved services through that program. An individual who does not meet that eligibility criteria shall be referred to the newborn screening program for a determination of eligibility for newborn screening program services.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 8, eff. Sept. 1, 1991;
Acts 1999, 76th Leg., ch. 1505, Sec. 3.11, eff. Sept. 1, 1999.
Amended by:
  Acts 2005, 79th Leg., Ch. 940 (H.B. 790), Sec. 5, eff. September 1, 2005.

Sec. 33.032. PROGRAM SERVICES. (a) Within the limits of funds available for this purpose and in cooperation with the individual's physician, the department may provide services directly or through
approved providers to individuals of any age who meet the eligibility
criteria specified by board rules on the confirmation of a positive
test for phenylketonuria, other heritable diseases, hypothyroidism,
or another disorder for which the screening tests are required.

(b) The board may adopt:
(1) rules specifying the type, amount, and duration of
program services to be offered;
(2) rules establishing the criteria for eligibility for
services, including the medical and financial criteria;
(3) rules establishing the procedures necessary to
determine the medical, financial, and other eligibility of the
individual;
(4) substantive and procedural rules for applying for
program services and processing those applications;
(5) rules for providing services according to a sliding
scale of financial eligibility;
(6) substantive and procedural rules for the denial,
modification, suspension, and revocation of an individual's approval
to receive services; and
(7) substantive and procedural rules for the approval of
providers to furnish program services.

(c) The department may select providers according to the
criteria in the board's rules.

(d) The board may charge fees for the provision of services,
extcept that services may not be denied to an individual because of
the individual's inability to pay the fees.

Amended by:
Acts 2005, 79th Leg., Ch. 940 (H.B. 790), Sec. 6, eff. September 1,
2005.

Sec. 33.033. CONSENT. The department may not provide services
without the consent of the individual or, if the individual is a
minor, the minor's parent, managing conservator, or guardian.

Sec. 33.034. DENIAL, MODIFICATION, SUSPENSION, AND REVOCATION
OF APPROVAL TO PROVIDE SERVICES. (a) After notice and an opportunity for a fair hearing, the department may deny the approval or modify, suspend, or revoke the approval of a person to provide services under this chapter.

(b) Notice shall be given and the hearing shall be conducted in accordance with the department's informal hearing procedures.

(c) Chapter 2001, Government Code, does not apply to the notice and hearing required by this section.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 8, eff. Sept. 1, 1991; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(66), eff. Sept. 1, 1995.
Amended by:
Acts 2005, 79th Leg., Ch. 728 (H.B. 2018), Sec. 9.001, eff. September 1, 2005.

Sec. 33.035. INDIVIDUALS ELIGIBLE FOR SERVICES. (a) An individual is not eligible to receive the services authorized by this chapter at no cost or reduced cost to the extent that the individual or the parent, managing conservator, guardian, or other person with a legal obligation to support the individual is eligible for some other benefit that would pay for all or part of the services.

(b) The department may waive ineligibility under Subsection (a) if the department finds that:

(1) good cause for the waiver is shown; and

(2) enforcement of the requirement would tend to defeat the purpose of this chapter or disrupt the administration or prevent the provision of services to an otherwise eligible recipient.

(c) When an application for services is filed or at any time that an individual is eligible for or receiving services, the applicant or recipient shall inform the department of any other benefit to which the applicant, recipient, or person with a legal obligation to support the applicant or recipient may be entitled.

(d) The board by rule shall provide criteria for actions taken under this section.

Sec. 33.036. DENIAL, MODIFICATION, SUSPENSION, AND REVOCATION OF ELIGIBILITY TO RECEIVE SERVICES. (a) After notice to the
individual or, if the individual is a minor, the individual's parent, managing conservator, or guardian and an opportunity for a fair hearing, the department may deny, modify, suspend, or revoke the determination of a person's eligibility to receive services at no cost or at reduced cost under this chapter.

(b) Notice shall be given and the hearing shall be conducted in accordance with the department's informal hearing procedures.

(c) Chapter 2001, Government Code, do not apply to the notice and hearing required by this section.

Amended by Acts 1991, 72nd Leg., ch. 14, Sec. 8, eff. Sept. 1, 1991; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(66), eff. Sept. 1, 1995.

Sec. 33.037. REIMBURSEMENT. (a) The board may require an individual or, if the individual is a minor, the minor's parent, managing conservator, or guardian, or other person with a legal obligation to support the individual to pay or reimburse the department for all or part of the cost of the services provided.

(b) The recipient or the parent, managing conservator, guardian, or other person with a legal obligation to support an individual who has received services from the department that are covered by some other benefit shall, when the other benefit is received, reimburse the department for the cost of services provided.

Sec. 33.038. RECOVERY OF COSTS. (a) The department is entitled to recover an expenditure for services provided under this chapter from:

(1) a person who does not reimburse the department as required by this chapter; or

(2) a third party with a legal obligation to pay other benefits and who has received prior written notice of the department's interests in the other benefits.

(b) This section creates a separate and distinct cause of action, and the commissioner may request the attorney general to bring suit in the appropriate court of Travis County on behalf of the department.

(c) In a judgment in favor of the department, the court may
award attorney fees, court costs, and interest accruing from the date on which the department provides the service to the date on which the department is reimbursed.

(d) The board by rule shall provide criteria for actions taken under this section.

For expiration of this subchapter, see Section 33.056.

SUBCHAPTER D. SICKLE CELL DISEASE PROGRAM

Sec. 33.051. DEFINITIONS. In this subchapter:

(1) "Commission" means the Health and Human Services Commission.
(2) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.
(3) "Health and human services agency" means a health and human services agency listed by Section 531.001, Government Code.
(4) "Program" means the sickle cell disease program established under this subchapter.
(5) "Sickle cell disease" means any variant of sickle cell disease, including sickle cell anemia and sickle cell thalassemia.

Added by Acts 2011, 82nd Leg., R.S., Ch. 315 (H.B. 2312), Sec. 1, eff. June 17, 2011.

Sec. 33.052. DUTIES OF DEPARTMENT. The department shall:

(1) identify efforts related to the expansion and coordination of education, treatment, and continuity of care programs for individuals with sickle cell trait and sickle cell disease;
(2) assist the advisory committee created under Section 33.053; and
(3) provide the advisory committee created under Section 33.053 with staff support necessary for the advisory committee to fulfill its duties.

Added by Acts 2011, 82nd Leg., R.S., Ch. 315 (H.B. 2312), Sec. 1, eff. June 17, 2011.
Sec. 33.053. ADVISORY COMMITTEE. (a) The governor shall appoint an advisory committee composed of 11 members, including a program administrator. The members must be located in geographically diverse areas of the state and must be interested in and knowledgeable about sickle cell trait and sickle cell disease. In making appointments to the advisory committee, the governor shall consider appointing members who are:

(1) representatives of a community agency;
(2) state or local officials responsible for public health, social services, or rehabilitation;
(3) representatives from educational institutions, including schools and universities;
(4) physicians and other health care providers; and
(5) persons with, or relatives of persons with, sickle cell trait or sickle cell disease.

(b) Members of the advisory committee serve staggered three-year terms, with the terms of three or four members expiring each year.

(c) The advisory committee shall meet at least twice a year.

(d) The advisory committee shall conduct a needs assessment and advise the department and the program administrator regarding the needs of individuals with sickle cell trait and sickle cell disease and make recommendations, including recommendations regarding legislative action, department rules, and program administration.

(e) The program administrator shall report periodically to the executive commissioner and annually to the governor regarding the advisory committee's activities and findings.

(f) A member of the advisory committee is not entitled to compensation but is entitled to reimbursement for travel or other expenses incurred while conducting the business of the advisory committee as provided by the General Appropriations Act.

(g) Chapter 2110, Government Code, does not apply to the advisory committee.

Added by Acts 2011, 82nd Leg., R.S., Ch. 315 (H.B. 2312), Sec. 1, eff. June 17, 2011.

Sec. 33.054. GRANTS. (a) The program administrator shall investigate and identify grants and other funding mechanisms for
entities that:

(1) provide education regarding sickle cell trait and sickle cell disease;
(2) improve the detection of sickle cell trait and sickle cell disease and the treatment of sickle cell disease;
(3) coordinate delivery of services for people with sickle cell disease;
(4) provide access to information regarding genetic testing and counseling;
(5) bundle technical services related to the prevention and treatment of sickle cell disease; and
(6) provide training for health professionals regarding sickle cell trait and sickle cell disease.

(b) The program administrator shall award grants, if possible, to eligible organizations in different regions of this state.

(c) The department may solicit and accept gifts, grants, and donations of money from the federal government, local governments, private corporations, and other persons to be used for the purpose of awarding grants under the program.

Added by Acts 2011, 82nd Leg., R.S., Ch. 315 (H.B. 2312), Sec. 1, eff. June 17, 2011.

Sec. 33.055. RULES. The executive commissioner may adopt rules to implement this subchapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 315 (H.B. 2312), Sec. 1, eff. June 17, 2011.

Sec. 33.056. EXPIRATION. This subchapter expires September 1, 2017.

Added by Acts 2011, 82nd Leg., R.S., Ch. 315 (H.B. 2312), Sec. 1, eff. June 17, 2011.

CHAPTER 34. MATERNAL MORTALITY AND MORBIDITY TASK FORCE

Sec. 34.001. DEFINITIONS. In this chapter:
(1) "Commissioner" means the commissioner of state health
(2) "Department" means the Department of State Health Services.

(3) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(4) "Health care provider" means an individual or facility licensed, certified, or otherwise authorized to administer health care, for profit or otherwise, in the ordinary course of business or professional practice, including a physician or a hospital or birthing center.

(5) "Institution of higher education" has the meaning assigned by Section 61.003, Education Code.

(6) "Intrapartum care" has the meaning assigned by Section 32.002.

(7) "Life-threatening condition" means a condition from which the likelihood of death is probable unless the course of the condition is interrupted.

(8) "Maternal morbidity" means a pregnancy-related health condition occurring during pregnancy, labor, or delivery or within one year of delivery or end of pregnancy.

(9) "Patient" means the woman who while pregnant or within one year of delivery or end of pregnancy suffers death or severe maternal morbidity.

(10) "Perinatal care" has the meaning assigned by Section 32.002.

(11) "Physician" means a person licensed to practice medicine in this state under Subtitle B, Title 3, Occupations Code.

(12) "Pregnancy-related death" means the death of a woman while pregnant or within one year of delivery or end of pregnancy, regardless of the duration and site of the pregnancy, from any cause related to or aggravated by the pregnancy or its management, but not from accidental or incidental causes.

(13) "Severe maternal morbidity" means maternal morbidity that constitutes a life-threatening condition.

(14) "Task force" means the Maternal Mortality and Morbidity Task Force.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.
Sec. 34.002. MATERNAL MORTALITY AND MORBIDITY TASK FORCE. (a) The Maternal Mortality and Morbidity Task Force is administered by the department.

(b) The task force is a multidisciplinary advisory committee within the department and is composed of the following 15 members:

1. 13 members appointed by the commissioner as follows:
   (A) four physicians specializing in obstetrics, at least one of whom is a maternal fetal medicine specialist;
   (B) one certified nurse-midwife;
   (C) one registered nurse;
   (D) one physician specializing in family practice;
   (E) one physician specializing in psychiatry;
   (F) one physician specializing in pathology;
   (G) one epidemiologist, biostatistician, or researcher of pregnancy-related deaths;
   (H) one social worker or social service provider;
   (I) one community advocate in a relevant field; and
   (J) one medical examiner or coroner responsible for recording deaths;

2. a representative of the department's family and community health programs; and

3. the state epidemiologist for the department or the epidemiologist's designee.

(c) In appointing members to the task force, the commissioner shall:

1. include members:
   (A) working in and representing communities that are diverse with regard to race, ethnicity, immigration status, and English proficiency; and
   (B) from differing geographic regions in the state, including both rural and urban areas;

2. endeavor to include members who are working in and representing communities that are affected by pregnancy-related deaths and severe maternal morbidity and by a lack of access to relevant perinatal and intrapartum care services; and

3. ensure that the composition of the task force reflects the racial, ethnic, and linguistic diversity of this state.

(d) The commissioner shall appoint from among the task force members a presiding officer.

(e) A member of the task force appointed under Subsection
(f) In carrying out its duties, the task force may use technology, including teleconferencing or videoconferencing, to eliminate travel expenses.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.003. TERMS; VACANCY. (a) Task force members appointed by the commissioner serve staggered six-year terms, with the terms of four or five members, as appropriate, expiring February 1 of each odd-numbered year.

(b) A task force member may serve more than one term.

(c) A vacancy on the task force shall be filled for the unexpired term in the same manner as the original appointment.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.004. MEETINGS. (a) The task force shall meet at least quarterly. The task force may meet at other times at the call of the commissioner.

(b) Meetings of the task force are closed to the public and are not subject to Chapter 551, Government Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.005. DUTIES OF TASK FORCE. The task force shall:

1. study and review:
   (A) cases of pregnancy-related deaths; and
   (B) trends in severe maternal morbidity;
2. determine the feasibility of the task force studying cases of severe maternal morbidity; and
3. make recommendations to help reduce the incidence of pregnancy-related deaths and severe maternal morbidity in this state.
Sec. 34.006. CONSULTATIONS AND AGREEMENTS WITH OUTSIDE PARTIES.  
(a) The department and task force may consult with any relevant experts and stakeholders, including:  
   (1) anesthesiologists;  
   (2) intensivists or critical care physicians;  
   (3) nutritionists;  
   (4) substance abuse treatment specialists;  
   (5) hospital staff or employees;  
   (6) representatives of the state Medicaid program;  
   (7) paramedics or other emergency medical response personnel;  
   (8) hospital-based risk management specialists;  
   (9) representatives of local health departments and public health districts in this state;  
   (10) public health experts;  
   (11) government representatives or officials; and  
   (12) law enforcement officials.  
(b) In gathering information, the department and task force may consult with representatives of any relevant state professional associations and organizations, including:  
   (1) District XI of the American Congress of Obstetricians and Gynecologists;  
   (2) the Texas Association of Obstetricians and Gynecologists;  
   (3) the Texas Nurses Association;  
   (4) the Texas Section of the Association of Women's Health, Obstetric and Neonatal Nurses;  
   (5) the Texas Academy of Family Physicians;  
   (6) the Texas Pediatric Society;  
   (7) the Consortium of Texas Certified Nurse-Midwives;  
   (8) the Association of Texas Midwives;  
   (9) the Texas Hospital Association;  
   (10) the Texas Medical Association; and  
   (11) the Texas Public Health Association.  
(c) In consulting with individuals or organizations under Subsection (a) or (b), a member of the task force or employee of the
department may not disclose any identifying information of a patient or health care provider.

(d) The department on behalf of the task force may enter into agreements with institutions of higher education or other organizations consistent with the duties of the department or task force under this chapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.007. SELECTION AND REVIEW OF CASES. (a) The department shall determine a statistically significant number of cases of pregnancy-related deaths for review. The department shall randomly select cases for the task force to review under this subsection to reflect a cross-section of pregnancy-related deaths in this state.

(b) The department shall analyze aggregate data of severe maternal morbidity in this state to identify any trends.

(c) If feasible, the department may select cases of severe maternal morbidity for review. In selecting cases under this subsection, the department shall randomly select cases for the task force to review to reflect trends identified under Subsection (b).

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.008. OBTAINING DE-IDENTIFIED INFORMATION FOR REVIEW. (a) On selecting a case of pregnancy-related death or severe maternal morbidity for review, the department shall, in accordance with this section, obtain information relevant to the case to enable the task force to review the case. The department shall provide the information to the task force.

(b) The information provided to the task force may not include identifying information of a patient or health care provider, including:

(1) the name, address, or date of birth of the patient or a member of the patient's family; or

(2) the name or specific location of a health care provider that treated the patient.
(c) On the request of the department, a hospital, birthing center, or other custodian of the requested information shall provide the information to the department. The information shall be provided without the authorization of the patient or, if the patient is deceased, without the authorization of the patient's family.

(d) A person who provides information to the department under this section is not subject to an administrative, civil, or criminal action for damages or other relief for providing the information.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.009. CONFIDENTIALITY; PRIVILEGE. (a) Any information pertaining to a pregnancy-related death or severe maternal morbidity is confidential for purposes of this chapter.

(b) Confidential information that is acquired by the department and that includes identifying information of an individual or health care provider is privileged and may not be disclosed to any person. Information that may not be disclosed under this subsection includes:

(1) the name and address of a patient or a member of the patient's family;
(2) any service received by the patient or a member of the patient's family;
(3) the social and economic condition of the patient or a member of the patient's family;
(4) medical, dental, and mental health care information related to the patient or a member of the patient's family, including diagnoses, conditions, diseases, or disability; and
(5) the identity of a health care provider that provided any services to the patient or a member of the patient's family.

(c) Task force work product or information obtained by the department under this chapter, including information contained in an electronic database established and maintained under Section 34.012, or any other document or record, is confidential. This subsection does not prevent the task force or department from releasing information described by Subsection (d) or (e) or from submitting the report required by Section 34.015.

(d) Information is not confidential under this section if the information is general information that cannot be connected with any
specific individual, case, or health care provider, such as:

1. total expenditures made for specified purposes;
2. the number of families served by particular health care providers or agencies;
3. aggregated data on social and economic conditions;
4. medical data and information related to health care services that do not include any identifying information relating to a patient or the patient's family; and
5. other statistical information.

(e) The task force may publish statistical studies and research reports based on information that is confidential under this section, provided that the information:

1. is published in the aggregate;
2. does not identify a patient or the patient's family;
3. does not include any information that could be used to identify a patient or the patient's family; and
4. does not identify a health care provider.

(f) The department shall adopt and implement practices and procedures to ensure that information that is confidential under this section is not disclosed in violation of this section.

(g) Information that is confidential under this section is excepted from disclosure under Chapter 552, Government Code, as provided by Section 552.101 of that chapter.

(h) The task force and the department shall comply with all state and federal laws and rules relating to the transmission of health information, including the Health Insurance Portability and Accountability Act of 1996 (Pub. L. No. 104-191) and rules adopted under that Act.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.010. SUBPOENA AND DISCOVERY. Task force work product or information that is confidential under Section 34.009 is privileged, is not subject to subpoena or discovery, and may not be introduced into evidence in any administrative, civil, or criminal proceeding against a patient, a member of the family of a patient, or a health care provider.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff.
Sec. 34.011. IMMUNITY. (a) A member of the task force or a person employed by or acting in an advisory capacity to the task force and who provides information, counsel, or services to the task force is not liable for damages for an action taken within the scope of the functions of the task force.

(b) Subsection (a) does not apply if the person acts with malice or without the reasonable belief that the action is warranted by the facts known to the person.

(c) This section does not provide immunity to a person described by Subsection (a) for a violation of a state or federal law or rule relating to the privacy of health information or the transmission of health information, including the Health Insurance Portability and Accountability Act of 1996 (Pub. L. No. 104-191) and rules adopted under that Act.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.012. DATABASE OF DE-IDENTIFIED INFORMATION. (a) The department may establish and maintain an electronic database to track cases of pregnancy-related deaths and severe maternal morbidity to assist the department and task force in performing functions under this chapter.

(b) The information in the database may not include identifying information, including:

(1) the name of a patient; or

(2) the name or specific location of a health care provider that treated a patient.

(c) The database may be accessed only by the department and the task force for the purposes described in this chapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.013. INAPPLICABILITY OF CHAPTER. This chapter does not apply to disclosure of records pertaining to voluntary or therapeutic
termination of pregnancy, and those records may not be collected, maintained, or disclosed under this chapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.014. FUNDING. The department may accept gifts and grants from any source to fund the duties of the department and the task force under this chapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.015. REPORTS. (a) Not later than September 1 of each even-numbered year, the task force and the department shall submit a joint report on the findings of the task force under this chapter to the governor, lieutenant governor, speaker of the house of representatives, and appropriate committees of the legislature.

(b) The report must include the task force's recommendations under Section 34.005(3).

(c) The department shall disseminate the report to the state professional associations and organizations listed in Section 34.006(b) and make the report publicly available in paper or electronic form.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.016. RULES. The executive commissioner may adopt rules to implement this chapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.017. DEPARTMENT ACCESS TO INFORMATION. (a) Notwithstanding Chapter 108 or any other law, the department may have access to the following information that may include the identity of
a patient to fulfill its duties under this chapter:
   (1) birth records;
   (2) fetal death records;
   (3) maternal death records; and
   (4) hospital and birthing center discharge data.

   (b) The department may not disclose the information described by Subsection (a) to the task force or any other person.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

Sec. 34.018. SUNSET PROVISION. The task force is subject to Chapter 325, Government Code (Texas Sunset Act). Unless continued in existence as provided by that chapter, the task force is abolished and this chapter expires September 1, 2019.

Added by Acts 2013, 83rd Leg., R.S., Ch. 527 (S.B. 495), Sec. 1, eff. September 1, 2013.

CHAPTER 35. CHILDREN WITH SPECIAL HEALTH CARE NEEDS

Sec. 35.001. SHORT TITLE. This chapter may be cited as the Children with Special Health Care Needs Services Act.

Sec. 35.0021. DEFINITIONS. In this chapter:
   (1) "Case management services" includes:
       (A) coordinating medical services, marshaling available assistance, serving as a liaison between the child and the child's family and caregivers, insurance services, and other services needed to improve the well-being of the child and the child's family; and
       (B) counseling for the child and the child's family about measures to prevent the transmission of AIDS or HIV and the availability in the geographic area of any appropriate health care services, such as mental health care, psychological health care, and social and support services.
   (2) "Child with special health care needs" has the meaning
assigned by Section 35.0022.

(3) "Dentist" means a person licensed by the State Board of Dental Examiners to practice dentistry in this state.

(4) "Facility" includes a hospital, an ambulatory surgical center, and an outpatient clinic.

(5) "Family support services" means support, resources, or other assistance provided to the family of a child with special health care needs. The term may include services described by Part A of the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.), as amended, and permanency planning, as that term is defined by Section 531.151, Government Code.

(6) "Other benefit" means a benefit, other than a benefit provided under this chapter, to which a person is entitled for payment of the costs of services provided under the program, including benefits available from:

(A) an insurance policy, group health plan, health maintenance organization, or prepaid medical or dental care plan;

(B) Title XVIII, Title XIX, or Title XXI of the Social Security Act (42 U.S.C. Sec. 1395 et seq., 42 U.S.C. Sec. 1396 et seq., and 42 U.S.C. Sec. 1397aa et seq.), as amended;

(C) the Department of Veterans Affairs;

(D) the Civilian Health and Medical Program of the Uniformed Services;

(E) workers' compensation or any other compulsory employers' insurance program;

(F) a public program created by federal or state law or the ordinances or rules of a municipality or other political subdivision of the state, excluding benefits created by the establishment of a municipal or county hospital, a joint municipal-county hospital, a county hospital authority, a hospital district, or the facilities of a publicly supported medical school; or

(G) a cause of action for the cost of care, including medical care, dental care, facility care, and medical supplies, required for a person applying for or receiving services from the department, or a settlement or judgment based on the cause of action, if the expenses are related to the need for services provided under this chapter.

(7) "Physician" means a person licensed by the Texas State Board of Medical Examiners to practice medicine in this state.

(8) "Program" means the services program for children with
special health care needs.

(9) "Provider" means a person who delivers services purchased by the department for the purposes of this chapter.

(10) "Rehabilitation services" means the process of the physical restoration, improvement, or maintenance of a body function destroyed or impaired by congenital defect, disease, or injury and includes:

(A) facility care, medical and dental care, and occupational, speech, and physical therapy;

(B) the provision of braces, artificial appliances, durable medical equipment, and other medical supplies; and

(C) other types of care specified by the board in the program rules.

(11) "Services" means the care, activities, and supplies provided under this chapter or program rules, including medical care, dental care, facility care, medical supplies, occupational, physical, and speech therapy, and other care specified by program rules.

(12) "Specialty center" means a facility and staff that meet minimum standards established under the program and are designated by the board for program use in the comprehensive diagnostic and treatment services for a specific medical condition.

(13) "Support" means to contribute money or services necessary for a person's maintenance, including food, clothing, shelter, transportation, and health care.

Added by Acts 1999, 76th Leg., ch. 1505, Sec. 3.02, eff. Sept. 1, 1999.

Sec. 35.0022. CHILD WITH SPECIAL HEALTH CARE NEEDS. (a) In this chapter, "child with special health care needs" means a person who:

(1) is younger than 21 years of age and who has a chronic physical or developmental condition; or

(2) has cystic fibrosis, regardless of the person's age.

(b) The term "child with special health care needs" may include a person who has a behavioral or emotional condition that accompanies the person's physical or developmental condition. The term does not include a person who has a behavioral or emotional condition without having an accompanying physical or developmental condition.
Sec. 35.003. SERVICES PROGRAM FOR CHILDREN WITH SPECIAL HEALTH CARE NEEDS. (a) The program is in the department to provide services to eligible children with special health care needs. The program shall provide:

(1) early identification of children with special health care needs;
(2) diagnosis and evaluation of children with special health care needs;
(3) rehabilitation services to children with special health care needs;
(4) development and improvement of standards and services for children with special health care needs;
(5) case management services;
(6) other family support services; and
(7) access to health benefits plan coverage under Section 35.0031.

(b) The board by rule shall:

(1) specify the type, amount, and duration of services to be provided under this chapter; and
(2) permit the payment of insurance premiums for eligible children.

(c) If budgetary limitations exist, the board by rule shall establish a system of priorities relating to the types of services or the classes of persons eligible for the services. A waiting list of eligible persons may be established if necessary for the program to remain within the budgetary limitations. The department shall collect from each applicant for services who is placed on a waiting list appropriate information to facilitate contacting the applicant when services become available and to allow efficient enrollment of the applicant in those services. The information collected must include:

(1) the applicant's name, address, and phone number;
(2) the name, address, and phone number of a contact person other than the applicant;
(3) the date of the applicant's earliest application for services;
the applicant's functional needs;
(5) the range of services needed by the applicant; and
(6) a date on which the applicant is scheduled for reassessment.

(d) The program may provide:
(1) transportation and subsistence for an eligible child with special health care needs and the child's parent, managing conservator, guardian, or other adult caretaker approved by the program to obtain services provided by the program; and
(2) the following services to an eligible child with special health care needs who dies in an approved facility outside the child's municipality of residence while receiving program services:
   (A) the transportation of the child's remains, and the transportation of a parent or other person accompanying the remains, from the facility to the place of burial in this state that is designated by the parent or other person legally responsible for interment;
   (B) the expense of embalming, if required for transportation;
   (C) the cost of a coffin purchased at a minimum price, if a coffin is required for transportation; and
   (D) any other necessary expenses directly related to the care and return of the child's remains to the place of burial in this state.

(e) The department may:
(1) develop methods to improve the efficiency and effectiveness of the program; and
(2) conduct pilot studies.

(f) The program is separate from the financial or medical assistance program established by Chapters 31 and 32, Human Resources Code.

Sec. 35.0031. HEALTH BENEFITS PLAN COVERAGE FOR CERTAIN ELIGIBLE CHILDREN. The department shall obtain coverage under a health benefits plan for a child who:
is eligible for services under this chapter; and
(2) is not eligible for assistance under:
(A) a program established under Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.), as amended; or
(B) the medical assistance program under Chapter 32, Human Resources Code.

Added by Acts 1999, 76th Leg., ch. 1505, Sec. 3.04, eff. Sept. 1, 1999.

Sec. 35.0032. BENEFITS COVERAGE REQUIRED. To the extent possible, the health benefits plan required by Section 35.0031 must provide benefits comparable to the benefits provided under the state child health plan established by this state to implement Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.), as amended.

Added by Acts 1999, 76th Leg., ch. 1505, Sec. 3.04, eff. Sept. 1, 1999.

Sec. 35.0033. HEALTH BENEFITS PLAN PROVIDER. (a) A health benefits plan provider who provides coverage for benefits under Section 35.0031 must:
(1) hold a certificate of authority or other appropriate license issued by the Texas Department of Insurance that authorizes the health benefits plan provider to provide the type of coverage to be offered under Section 35.0031; and
(2) satisfy, except as provided by Subsection (b), any other applicable requirement of the Insurance Code or another insurance law of this state.

(b) Except as required by the department, a health benefits plan provider under this chapter is not subject to a law that requires coverage or the offer of coverage of a health care service or benefit.

Added by Acts 1999, 76th Leg., ch. 1505, Sec. 3.04, eff. Sept. 1, 1999.
Sec. 35.0034. COST-SHARING PAYMENTS. (a) Except as provided by Subsection (b), the department may not require a child who is provided health benefits plan coverage under Section 35.0031 and who meets the income eligibility requirement of the medical assistance program under Chapter 32, Human Resources Code, to pay a premium, deductible, coinsurance, or other cost-sharing payment as a condition of health benefits plan coverage under this chapter.

(b) The department may require a child described by Subsection (a) to pay a copayment as a condition of health benefits plan coverage under Section 35.0031 that is equal to any copayment required under the state child health plan established by this state to implement Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.), as amended.

(c) The department may require a child who is provided health benefits plan coverage under Section 35.0031 and who meets the income eligibility requirement of a program established under Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.), as amended, to pay a premium, deductible, coinsurance, or other cost-sharing payment as a condition of health benefits plan coverage. The payment must be equal to any premium, deductible, coinsurance, or other cost-sharing payment required under the state child health plan established by this state to implement Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.), as amended.

Added by Acts 1999, 76th Leg., ch. 1505, Sec. 3.04, eff. Sept. 1, 1999.

Sec. 35.0035. DISALLOWANCE OF MATCHING FUNDS FROM FEDERAL GOVERNMENT. Expenditures made to provide health benefits plan coverage under Section 35.0031 may not be included for the purpose of determining the state children's health insurance expenditures, as that term is defined by 42 U.S.C. Section 1397ee(d)(2)(B), as amended.

Added by Acts 1999, 76th Leg., ch. 1505, Sec. 3.04, eff. Sept. 1, 1999.

Sec. 35.004. SERVICE PROVIDERS. (a) The board shall adopt substantive and procedural rules for the selection of providers to
participate in the program, including rules for the selection of specialty centers and rules requiring that providers accept program payments as payment in full for services provided.

(b) The board shall approve physicians, dentists, licensed dietitians, facilities, specialty centers, and other providers to participate in the program according to the criteria and following the procedures prescribed by the board.

(c) The department may pay only for services delivered by an approved provider, except in an emergency.

(d) Except as specified in the program rules, a recipient of services may select any provider approved by the board. If the recipient is a minor, the person legally authorized to consent to the treatment may select the provider.

(e) The board shall adopt substantive and procedural rules for the modification, suspension, or termination of the approval of a provider.

(f) The board shall provide a due process hearing procedure for the resolution of conflicts between the department and a provider. Chapter 2001, Government Code, do not apply to conflict resolution procedures adopted under this section.

(g) The department may not terminate the approval of a provider while a hearing is pending under this section. The department may withhold payments while the hearing is pending, but shall pay the withheld payments and resume contract payments if the final determination is favorable to the provider.

(h) Subsection (f) does not apply if a contract:

(1) is canceled by the department because services are restricted to conform to budgetary limitations and service priorities are adopted by the board regarding types of services to be provided; or

(2) expires according to its terms.

(i) The Interagency Cooperation Act (Article 4413(32), Vernon's Texas Civil Statutes) does not apply to a payment made by the department for services provided by a publicly supported medical school facility to an eligible child. A publicly supported medical school facility receiving payment under this chapter shall deposit the payment in local funds.

(j) This section does not apply to services for which coverage is provided under the health benefits plan established under Section 35.0031.
Sec. 35.0041. PARTICIPATION AND REIMBURSEMENT OF TELEMEDICINE MEDICAL SERVICE PROVIDERS. (a) The department by rule shall develop and implement policies permitting reimbursement of a provider for services under the program performed using telemedicine medical services.

(b) The policies must provide for reimbursement of:

(1) providers using telemedicine medical services and telehealth services in a cost-effective manner that ensures the availability to a child with special health care needs of services appropriately performed using telemedicine medical services and telehealth services that are comparable to the same types of services available to that child without use of telemedicine medical services and telehealth services;

(2) a provider for a service performed using telemedicine medical services and telehealth services at an amount equal to the amount paid to a provider for performing the same service without using telemedicine medical services and telehealth services;

(3) multiple providers of different services who participate in a single telemedicine medical services or telehealth services session for a child with special health care needs, if the department determines that reimbursing each provider for the session is cost-effective in comparison to the costs that would be involved in obtaining the services from providers without the use of telemedicine medical services and telehealth services, including the costs of transportation and lodging and other direct costs; and

(4) providers using telemedicine medical services and telehealth services included in the school health and related services program.

(c) In developing and implementing the policies required by this section, the department shall consult with:

(1) The University of Texas Medical Branch at Galveston;

(2) Texas Tech University Health Sciences Center;

(3) the Health and Human Services Commission, including the state Medicaid office;
(4) providers of telemedicine medical services and telehealth services hub sites in this state;
(5) providers of services to children with special health care needs; and
(6) representatives of consumer or disability groups affected by changes to services for children with special health care needs.

(d) This section applies to services for which coverage is provided under the health benefits plan established under Section 35.0031.

Sec. 35.005. ELIGIBILITY FOR SERVICES. (a) The board by rule shall:

(1) define medical, financial, and other criteria for eligibility to receive services; and
(2) establish a system for verifying eligibility information submitted by an applicant for or recipient of services.

(b) In defining medical and financial criteria for eligibility under Subsection (a), the board may not:

(1) establish an exclusive list of coverable medical conditions; or
(2) consider as a source of support to provide services assets legally owned or available to a child's household.

(c) A child is not eligible to receive rehabilitation services unless:

(1) the child is a resident of this state;
(2) at least one physician or dentist certifies to the department that the physician or dentist has examined the child and finds the child to be a child with special health care needs whose disability meets the medical criteria established by the board;
(3) the department determines that the persons who have any legal obligation to provide services for the child are unable to pay for the entire cost of the services;
(4) the child has a family income that is less than or equal to 200 percent of the federal poverty level; and
(5) the child meets all other eligibility criteria established by board rules.
(d) A child is not eligible to receive services, other than rehabilitation services, unless the child:
   (1) is a resident of this state; and
   (2) meets all other eligibility criteria established by board rules.

(e) Notwithstanding Subsection (c)(4), a child with special health care needs who has a family income that is greater than 200 percent of the federal poverty level and who meets all other eligibility criteria established by this section and by board rules is eligible for services if the department determines that the child's family is or will be responsible for medical expenses that are equal to or greater than the amount by which the family's income exceeds 200 percent of the federal poverty level.

Sec. 35.006. DENIAL, MODIFICATION, SUSPENSION, OR TERMINATION OF SERVICES. (a) The board shall adopt substantive and procedural rules for the denial of applications and the modification, suspension, or termination of services.

(b) The department may deny services to an applicant and modify, suspend, or terminate services to a recipient after:
   (1) notice to the child or the person who is legally obligated to support the child;
   (2) a preliminary program review; and
   (3) an opportunity for a fair hearing.

(c) The board by rule shall provide criteria for action by the department under this section.

(d) The department shall conduct hearings under this section in accordance with the board's due process hearing rules. Chapter 2001, Government Code, do not apply to the granting, denial, modification, suspension, or termination of services.

(e) This section does not apply if the department restricts services to conform to budgetary limitations that require the board to adopt service priorities regarding types of services to be provided.

Sec. 35.0061. REFERRAL FOR BEHAVIORAL OR EMOTIONAL CONDITIONS. If a child with special health care needs who is eligible for services under this chapter has a behavioral or emotional condition and the child is eligible for services from another provider of services that would address the behavioral or emotional condition, the department shall refer the child to that provider for those services.

Added by Acts 1999, 76th Leg., ch. 1505, Sec. 3.07, eff. Sept. 1, 1999.

Sec. 35.007. FINANCIAL ELIGIBILITY; OTHER BENEFITS. (a) The board shall require a child receiving services, or the person who has a legal obligation to support the child, to pay for or reimburse the department for that part of the cost of the services that the child or person is financially able to pay.

(b) A child is not eligible to receive services under this chapter to the extent that the child or a person with a legal obligation to support the child is eligible for some other benefit that would pay for all or part of the services. The board may waive this subsection if its enforcement will deny services to a class of children because of conflicting state and federal laws or rules and regulations.

(c) When the application is made under this chapter or at any time before, during, or after the receipt of services, an applicant for or recipient of services shall inform the department of any other benefit to which the child or any person who has a legal obligation to support the child may be entitled.

(d) A child who has received services that are covered by some other benefit, or any other person with a legal obligation to support the child, shall reimburse the department to the extent of the services provided when the other benefit is received.

(e) The department may collect the cost of services provided under this chapter directly:

(1) in accordance with Title XVIII, Title XIX, or Title XXI of the Social Security Act (42 U.S.C. Sec. 1395 et seq., 42 U.S.C. Sec. 1396 et seq., and 42 U.S.C. Sec. 1397aa et seq.), as amended;
or

(2) from any personal insurance, a health maintenance organization, or any other third party who has a legal obligation to pay other benefits.

Sec. 35.008. RECOVERY OF COSTS. (a) The department may recover the cost of services provided under this chapter from a person who does not pay or reimburse the department as required by Section 35.007 or from any third party who has a legal obligation to pay other benefits.

(b) This section creates a separate cause of action, and the commissioner may request the attorney general to bring suit in the appropriate court of Travis County on behalf of the department.

(c) In a judgment in favor of the department, the court may award attorney's fees, court costs, and interest accruing from the date on which the department provides the service to the date on which the department is reimbursed.

Sec. 35.009. FEES. The board may adopt reasonable procedures and standards for the determination of fees and charges for program services.

Sec. 35.010. FUNDING. The department may receive and spend:

(1) gifts made for the purposes of this chapter; and

(2) funds appropriated or granted by the state or federal government to provide services for children.

Sec. 35.011. CONTRACTS. The department may enter into
contracts and agreements necessary to carry out this chapter, including interagency agreements to provide for the efficient and uninterrupted provision of necessary services to children who are eligible to receive services from two or more public programs.

Sec. 35.012. RECORDS. (a) The department may take a census, make surveys, and establish permanent records of children with special health care needs.

(b) The department shall maintain a record of orthotic and prosthetic devices, durable medical equipment, and medical supplies purchased by the department for children with special health care needs. Those items are not state-owned personal property and are exempt from the personal property inventory requirements of Subtitle D, Title 10, Government Code.

(c) The purchase of the items described by Subsection (b) is subject to audit by the state auditor in accordance with Chapter 321, Government Code.

Sec. 35.013. LIMITATIONS ON AUTHORITY. (a) This chapter does not limit the authority of a parent, managing conservator, or guardian over a minor.

(b) This chapter does not entitle an employee, agent, or representative of the department or other official agent to enter a home over the objection of a child or, if the child is a minor, over the objection of the child's parent, managing conservator, or guardian.

Sec. 36.002. PURPOSE. (a) The purpose of this chapter is to establish a program to identify, at as early an age as possible, those individuals from birth through 20 years of age who have special senses and communication disorders and who need remedial vision, hearing, speech, and language services. Early detection and remediation of those disorders provide the individuals with the opportunity to reach academic and social status through adequate educational planning and training.

(b) This chapter shall be implemented in accordance with the provisions of professional license laws that pertain to professional examinations and remedial services for individuals with special senses and communication disorders.

Sec. 36.003. DEFINITIONS. In this chapter:

(1) "Communication disorder" means an abnormality of functioning related to the ability to express and receive ideas.

(2) "Other benefit" means a benefit, other than a benefit under this chapter, to which an individual is entitled for payment of the costs of remedial services, and includes:

(A) benefits received under a personal insurance contract;

(B) payments received from another person for personal injury caused by the other person's negligence or wrongdoing; and

(C) payments received from any other source.

(3) "Preschool" means an educational or child-care institution that admits children who are three years of age or older but younger than five years of age.

(4) "Professional examination" means a diagnostic evaluation performed by an appropriately licensed professional or, if the professional is not required to be licensed under the laws of this state, by a certified or sanctioned individual whose area of expertise addresses the diagnostic needs of an individual identified as having a possible special senses or communication disorder.
(5) "Provider" means a person who provides remedial services to individuals who have special senses and communication disorders, and includes a physician, audiologist, speech pathologist, optometrist, psychologist, hospital, clinic, rehabilitation center, university, or medical school.

(6) "Remedial services" means professional examinations and prescribed remediation, including prosthetic devices, for individuals with special senses or communication disorders.

(7) "School" means an educational institution that admits children who are five years of age or older but younger than 21 years of age.

(8) "Screening" means a test or battery of tests administered to rapidly determine the need for a professional examination.

(9) "Special senses" means the faculties by which the conditions or properties of things are perceived, and includes vision and hearing.

Sec. 36.004. SCREENING PROGRAM FOR SPECIAL SENSES AND COMMUNICATION DISORDERS. (a) The board by rule shall require screening of individuals who attend public or private preschools or schools to detect vision and hearing disorders and any other special senses or communication disorders specified by the board. In developing the rules, the board may consider the number of individuals to be screened and the availability of:

(1) personnel qualified to administer the required screening;

(2) appropriate screening equipment; and

(3) state and local funds for screening activities.

(b) The rules must include procedures necessary to administer screening activities.

(c) The board shall adopt a schedule for implementing the screening requirements and shall give priority to the age groups that may derive the greatest educational and social benefits from early identification of special senses and communication disorders.

(d) The rules must provide for acceptance of results of screening conducted by a licensed professional, regardless of whether
that professional is under contract with the department, if:

(1) the professional's legally defined scope of practice includes the area for which the screening is conducted; and

(2) the professional uses acceptable procedures for the screening.

(e) The department may coordinate the special senses and communication disorders screening activities of school districts, private schools, state agencies, volunteer organizations, and other entities so that the efforts of each entity are complementary and not fragmented and duplicative. The department may provide technical assistance to those entities in developing screening programs and may provide educational and other material to assist local screening activities.

(f) The department may provide screening personnel, equipment, and services only if the screening requirements cannot otherwise be met.

(g) The department shall monitor the quality of screening activities provided under this chapter.

(h) This section does not prohibit a volunteer from participating in the department's screening programs.

(i) A hearing screening performed under this section is in addition to any hearing screening test performed under Chapter 47.

individual is a minor, the minor's parent, managing conservator, or guardian, must submit to the admitting officer of the preschool or school on or before the day of admission an affidavit stating the objections to screening.

(c) The chief administrator of each preschool or school shall ensure that each individual admitted to the preschool or school complies with the screening requirements set by the board or submits an affidavit of exemption.

Sec. 36.006. RECORDS; REPORTS. (a) The chief administrator of each preschool or school shall maintain, on a form prescribed by the department, screening records for each individual in attendance, and the records are open for inspection by the department or the local health department.

(b) The department may, directly or through local health departments, enter a preschool or school and inspect records maintained by the preschool or school relating to screening for special senses and communication disorders.

(c) An individual's screening records may be transferred among preschools and schools without the consent of the individual or, if the individual is a minor, the minor's parent, managing conservator, or guardian.

(d) Each preschool or school shall submit to the department an annual report on the screening status of the individuals in attendance during the reporting year and shall include in the report any other information required by the board. The report must be on a form prescribed by the department and must be submitted according to the board's rules.

Sec. 36.007. PROVISION OF REMEDIAL SERVICES. (a) The department may provide remedial services directly or through approved providers to eligible individuals who have certain special senses and communication disorders and who are not eligible for special education services that remediate those disorders and that are administered by the Texas Education Agency through the public
schools.

(b) The board by rule shall:
(1) describe the type, amount, and duration of remedial services that the department provides;
(2) establish medical, financial, and other criteria to be applied by the department in determining an individual's eligibility for the services;
(3) establish criteria for the selection by the department of providers of remedial services; and
(4) establish procedures necessary to provide remedial services.
(c) The board may establish a schedule to determine financial eligibility.
(d) The department may not require remedial services without the consent of the individual or, if the individual is a minor, the minor's parent, managing conservator, or guardian.

Sec. 36.008. INDIVIDUALS ELIGIBLE FOR REMEDIAL SERVICES. (a) An individual is not eligible to receive the remedial services authorized by this chapter to the extent that the individual or the parent, managing conservator, or other person with a legal obligation to support the individual is eligible for some other benefit that would pay for all or part of the services.
(b) The department may waive ineligibility under Subsection (a) if the department finds that:
(1) good cause for the waiver is shown; and
(2) enforcement of the requirement would tend to defeat the purpose of this chapter or disrupt the administration or prevent the provision of remedial services to an otherwise eligible recipient.
(c) When an application for remedial services is filed or at any time that an individual is eligible for and receiving remedial services, the applicant or recipient shall inform the department of any other benefit to which the applicant, recipient, or person with a legal obligation to support the applicant or recipient may be entitled.
(d) The department may modify, suspend, or terminate the
eligibility of an applicant for or recipient of remedial services after notice to the affected individual and an opportunity for a fair hearing that is conducted in accordance with the informal hearing rules adopted by the board.

(e) The board by rule shall provide criteria for actions taken under this section.

Sec. 36.009. REIMBURSEMENT. (a) The board may require an individual or, if the individual is a minor, the minor's parent, managing conservator, or guardian, to pay or reimburse the department for a part of the cost of the remedial services provided.

(b) The recipient or the parent, managing conservator, or other person with a legal obligation to support an individual who has received remedial services from the department that are covered by some other benefit shall, when the other benefit is received, reimburse the department for the cost of services provided.

Sec. 36.010. RECOVERY OF COSTS. (a) The department is entitled to recover an expenditure for services provided under this chapter from:

(1) a person who does not reimburse the department as required by this chapter; or

(2) a third party with a legal obligation to pay other benefits and who has notice of the department's interests in the other benefits.

(b) The commissioner may request the attorney general to bring suit in the appropriate court of Travis County on behalf of the department. A suit brought under this section need not be ancillary or dependent on any other action.

(c) In a judgment in favor of the department, the court may award attorney's fees, court costs, and interest accruing from the date on which the department provides the service to the date on which the department is reimbursed.

(d) The board by rule shall provide criteria for actions taken under this section.

Sec. 36.011. QUALIFICATIONS OF PERSONS PROVIDING SCREENING AND REMEDIAL SERVICES. (a) The department may require that persons who administer special senses and communication disorders screening complete an approved training program, and the department may train those persons and approve training programs.

(b) A person who provides speech and language screening services authorized by this chapter must be:
   (1) appropriately licensed; or
   (2) trained and monitored by a person who is appropriately licensed.

(c) A person who is not an appropriately licensed professional may not conduct hearing screening authorized by this chapter other than screening of hearing sensitivity. The person shall refer an individual who is unable to respond reliably to that screening to an appropriately licensed professional.

(d) A person who provides a professional examination or remedial services authorized by this chapter for speech, language, or hearing disorders must be appropriately licensed.

Sec. 36.012. RESEARCH. (a) The department may conduct research and compile statistics on the provision of remedial services to individuals with special senses and communication disorders and on the availability of those services in the state.

(b) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1083, Sec. 25(80), eff. June 17, 2011.

Amended by:

   Acts 2011, 82nd Leg., R.S., Ch. 1050 (S.B. 71), Sec. 7, eff. September 1, 2011.

   Acts 2011, 82nd Leg., R.S., Ch. 1050 (S.B. 71), Sec. 22(2), eff. September 1, 2011.

   Acts 2011, 82nd Leg., R.S., Ch. 1083 (S.B. 1179), Sec. 25(80), eff. June 17, 2011.
Sec. 36.013. FUNDING. The department may accept appropriations, donations, and reimbursements, including donations of prosthetic devices, and may apply those items to the purposes of this chapter.

Sec. 36.014. CONTRACTS. The department may enter into contracts and agreements necessary to administer this chapter, including contracts for the purchase of remedial services.

CHAPTER 37. ABNORMAL SPINAL CURVATURE IN CHILDREN

Sec. 37.001. SCREENING PROGRAM FOR ABNORMAL SPINAL CURVATURE.
(a) The department, in cooperation with the Texas Education Agency, shall establish a program to detect abnormal spinal curvature in children.

(b) The board, in cooperation with the Texas Education Agency, shall adopt rules for the mandatory spinal screening of children in grades 6 and 9 attending public or private schools. The department shall coordinate the spinal screening program with any other screening program conducted by the department on those children.

(c) The board shall adopt substantive and procedural rules necessary to administer screening activities.

(d) A rule adopted by the board under this chapter may not require any expenditure by a school, other than an incidental expense required for certification training for nonhealth practitioners and for notification requirements under Section 37.003.

(e) The department may coordinate the spinal screening activities of school districts, private schools, state agencies, volunteer organizations, and other entities so that the efforts of each entity are complementary and not duplicative. The department may provide technical assistance to those entities in developing screening programs and may provide educational and other material to assist local screening activities.

(f) The department shall monitor the quality of screening activities provided under this chapter.
Sec. 37.002. COMPLIANCE WITH SCREENING REQUIREMENTS. (a) Each individual required by board rule to be screened shall undergo approved screening for abnormal spinal curvature. The individual's parent, managing conservator, or guardian may substitute professional examinations for the screening.

(b) An individual is exempt from screening if screening conflicts with the tenets and practices of a recognized church or religious denomination of which the individual is an adherent or a member. To qualify for the exemption, the individual's parent, managing conservator, or guardian must submit to the chief administrator on or before the day of the screening procedure an affidavit stating the objections to screening.

(c) The chief administrator of each school shall ensure that each individual admitted to the school complies with the screening requirements set by the board or submits an affidavit of exemption.

Sec. 37.003. REPORTS. (a) If the screening performed under this chapter indicates that an individual may have abnormal spinal curvature, the individual performing the screening shall fill out a report on a form prescribed by the department.

(b) The chief administrator of the school shall retain one copy of the report and shall mail one copy to the parent, managing conservator, or guardian of the individual screened.

Sec. 37.004. QUALIFICATIONS OF PERSONS PROVIDING SCREENING. (a) The department may train persons who administer the spinal screening procedure and may approve training programs.

(b) A person who provides screening services authorized by this chapter must be:

(1) appropriately licensed or certified as a health practitioner; or
(2) certified as having completed an approved training program in screening for abnormal spinal curvature.

(c) A person who provides a professional examination authorized by this chapter for abnormal spinal curvature must be appropriately licensed or certified as a health practitioner.

(d) It is the intent of the legislature that the department provide certification training for nonhealth practitioners through Texas Education Agency regional education service centers.

Sec. 37.005. FUNDING. The department may accept appropriations, donations, and reimbursements and may apply those items to the purposes of this chapter.

Sec. 37.006. CONTRACTS. The department may enter into contracts and agreements necessary to administer this chapter.

CHAPTER 39. CHILDREN'S OUTREACH HEART PROGRAM

Sec. 39.001. DEFINITION. In this chapter, "heart disease or defect" means an abnormality or disease of the heart or major blood vessel near the heart.

Sec. 39.002. CHILDREN'S OUTREACH HEART PROGRAM. The department, with approval of the board, may establish a children's outreach heart program to provide:

(1) prediagnostic cardiac screening and follow-up evaluation services to persons under 21 years of age who are from low-income families and who may have a heart disease or defect; and

(2) training to local physicians and public health nurses
in screening and diagnostic procedures for heart disease or defect.

Sec. 39.003. RULES. The board shall adopt rules it considers necessary to define the scope of the children's outreach heart program and the medical and financial standards for eligibility.

Sec. 39.004. FEES. Recipients of services or training provided by the program may be charged a fee for services or training according to rules adopted by the board.

Sec. 39.005. FUNDING. The department may seek, receive, and spend any funds received through appropriations, grants, or donations from public or private sources for the purposes of the children's outreach heart program.

Sec. 39.006. CONTRACTS. The department may enter into contracts or agreements it considers necessary to facilitate the provision of services under this chapter, including contracts with other departments, agencies, boards, educational institutions, individuals, county governments, municipal governments, states, and the United States.

**CHAPTER 40. EPILEPSY**

Sec. 40.001. DEFINITION. In this chapter, "epilepsy" means a variable symptom complex characterized by recurrent paroxysmal attacks of unconsciousness or impaired consciousness, usually with a
succession of clonic or tonic muscular spasms or other abnormal behavior.

Sec. 40.002. EPILEPSY PROGRAM. (a) The department, with approval of the board, may establish an epilepsy program to provide diagnostic services, treatment, and support services to eligible persons who have epilepsy.

(b) The commissioner may appoint an epilepsy advisory board to assist the department in developing the epilepsy program.

Sec. 40.003. RULES. The board may adopt rules it considers necessary to define the scope of the epilepsy program and the medical and financial standards for eligibility.

Sec. 40.004. ADMINISTRATION. (a) The commissioner, with the approval of the board, may appoint an administrator to carry out the epilepsy program.

(b) The administrator shall report to and be under the direction of the commissioner.

Sec. 40.005. FEES. Program patients may be charged a fee for services according to rules adopted by the board.

Sec. 40.006. FUNDING. The department may seek, receive, and spend any funds received through appropriations, grants, or donations from public or private sources for the purposes of the epilepsy program.
Sec. 40.007. CONTRACTS. The department may enter into contracts or other agreements it considers necessary to facilitate the provision of services under this chapter, including contracts with other departments, agencies, boards, educational institutions, individuals, county governments, municipal governments, states, and the United States.

CHAPTER 41. HEMOPHILIA

Sec. 41.001. DEFINITIONS. In this chapter:
(1) "Hemophilia" means a human physical condition characterized by bleeding resulting from a genetically determined deficiency of a blood coagulation factor or hereditarily resulting in an abnormal or deficient plasma procoagulant.
(2) "Other benefit" means a benefit, other than a benefit under this chapter, to which a person is entitled for payment of the costs of blood, blood derivatives and concentrates, and other substances provided under this chapter, including benefits available from:
   (A) an insurance policy, group health plan, or prepaid medical or dental care plan;
   (B) Title XVIII or Title XIX of the Social Security Act (42 U.S.C. Sec. 1395 et seq. or 42 U.S.C. Sec. 1396 et seq.);
   (C) the Veterans Administration;
   (D) the Civilian Health and Medical Program of the Uniformed Services;
   (E) workers' compensation or any compulsory employers' insurance program;
   (F) a public program created by federal law, state law, or the ordinances or rules of a municipality or political subdivision of the state, excluding benefits created by the establishment of a municipal or county hospital, a joint municipal-county hospital, a county hospital authority, a hospital district, or the facilities of a publicly supported medical school; or
a cause of action for medical or dental expenses to a person applying for or receiving services from the department, or a settlement or judgment based on the cause of action, if the expenses are related to the need for services provided under this chapter.

Sec. 41.002. HEMOPHILIA ASSISTANCE PROGRAM. (a) The hemophilia assistance program is in the department to assist persons who have hemophilia and who require continuing treatment with blood, blood derivatives, or manufactured pharmaceutical products, but who are unable to pay the entire cost of the treatment.

(b) The department shall establish standards of eligibility for assistance under this chapter in accordance with Section 41.004.

(c) The department shall provide, through approved providers, financial assistance for medically eligible persons in obtaining blood, blood derivatives and concentrates, and other substances for use in medical or dental facilities or in the home.

Sec. 41.003. ADMINISTRATION. (a) The commissioner may employ or appoint an administrator who shall carry out the hemophilia assistance program and report to the commissioner.

(b) The administrator may employ two persons to help carry out the program.

Sec. 41.004. FINANCIAL ELIGIBILITY. (a) A person is not eligible to receive services provided by this chapter:

(1) to the extent that another person with a legal obligation to provide for the person's care and treatment is financially able to pay for all or part of the services provided by this chapter; or

(2) to the extent that the person or a person with a legal obligation to support the person is eligible for some other benefit that would pay for all or part of the services provided by this
When the application is made under this chapter or when the services are received, the person applying for or receiving services shall inform the department of any other benefit to which the person or any other person with a legal obligation to support the person may be entitled.

Sec. 41.005. REIMBURSEMENT. (a) The department shall require a person receiving services under this chapter who is financially able to bear part of the expense, or a person who has a legal obligation to provide for the person's care and treatment and who is financially able to bear part of the expense, to pay for or reimburse the department for that part of the cost of the services provided to the person by the department.

(b) A person who has received services that are covered by some other benefit, or any other person with a legal obligation to support that person, shall reimburse the department to the extent of the services provided when the other benefit is received.

Sec. 41.006. RECOVERY OF COSTS. (a) The department may recover the cost of services provided under this chapter from a person who does not reimburse the department as required by Section 41.005 or from any third party who has a legal obligation to pay other benefits and to whom notice of the department's interest has been given.

(b) At the request of the commissioner, the attorney general may bring suit in the appropriate court of Travis County on behalf of the department.

(c) In a judgment in favor of the department, the court may award attorney's fees, court costs, and interest accruing from the date on which the department provides the service to the date on which the department is reimbursed.

Sec. 41.007. FUNDING. (a) The department may accept gifts and grants from individuals, private or public organizations, or federal or local funds to support the hemophilia assistance program.

(b) The department shall investigate any potential sources of funding from federal grants or programs.

CHAPTER 42. KIDNEY HEALTH CARE

Sec. 42.001. SHORT TITLE; PURPOSE. (a) This chapter may be cited as the Texas Kidney Health Care Act.

(b) The state finds that one of the most serious and tragic problems facing the public health and welfare is the death each year from chronic kidney disease of hundreds of persons in this state, when the present state of medical art and technology could return many of those individuals to a socially productive life. Patients may die for lack of personal financial resources to pay for the expensive equipment and care necessary for survival. The state therefore recognizes a responsibility to allow its citizens to remain healthy without being pauperized and a responsibility to use the resources and organization of the state to gather and disseminate information on the prevention and treatment of chronic kidney disease.

(c) A comprehensive program to combat kidney disease must be implemented through the combined and correlated efforts of individuals, state and local governments, persons in the field of medicine, universities, and nonprofit organizations. The program provided by this chapter is designed to direct the use of resources and to coordinate the efforts of the state in this vital matter of public health.

Sec. 42.002. DEFINITIONS. In this chapter:

(1) "Division" means the kidney health care division.

(2) "Other benefit" means a benefit, other than one provided under this chapter, to which a person is entitled for payment of the costs of medical care and treatment, services, pharmaceuticals, transportation, and supplies, including benefits
available from:

(A) an insurance policy, group health plan, or prepaid medical care plan;

(B) Title XVIII or Title XIX of the Social Security Act (42 U.S.C. Sec. 1395 et seq. and 42 U.S.C. Sec. 1396 et seq.);

(C) the Veterans Administration;

(D) the Civilian Health and Medical Program of the Uniformed Services;

(E) workers' compensation or other compulsory employers' insurance program;

(F) a public program created by federal law, state law, or the ordinances or rules of a municipality or other political subdivision of the state, excluding benefits created by the establishment of a municipal or county hospital, a joint municipal-county hospital, a county hospital authority, or a hospital district; or

(G) a cause of action for medical expenses brought by an applicant for or recipient of services from the department, or a settlement or judgment based on the cause of action, if the expenses are related to the need for services provided under this chapter.

(3) "Serum creatinine test" is a diagnostic test of a person's blood that measures the level of creatinine present in the blood.

(4) "Estimated glomerular filtration rate" is a calculation of a person's kidney function based on:

(A) the person's age, race, and gender; and

(B) the results of the person's serum creatinine test.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 1296 (H.B. 2330), Sec. 1, eff. September 1, 2009.

Sec. 42.003. KIDNEY HEALTH CARE DIVISION. (a) The kidney health care division is in the department to carry out this chapter. The board shall administer the division.

(b) The division may assist in the development and expansion of programs for the care and treatment of persons with chronic kidney disease, including dialysis and other lifesaving medical procedures
(c) The board may adopt rules necessary to carry out this chapter and to provide adequate kidney care and treatment for citizens of this state.

Sec. 42.004. SERVICES. (a) The division shall provide kidney care services directly or through public or private resources to persons determined by the board to be eligible for services authorized under this chapter.

(b) The division may cooperate with other departments, agencies, political subdivisions, and public and private institutions to provide the services authorized by this chapter to eligible persons, to study the public health and welfare needs involved, and to plan, establish, develop, and provide programs or facilities and services that are necessary or desirable, including any that are jointly administered with state agencies.

(c) The division may conduct research and compile statistics relating to the provision of kidney care services and the need for the services by disabled or handicapped persons.

(d) The division may contract with schools, hospitals, corporations, agencies, and individuals, including doctors, nurses, and technicians, for training, physical restoration, transportation, and other services necessary to treat and care for persons with kidney disease.

Sec. 42.0045. DISTRIBUTION OF DRUGS AND DEVICES. (a) Sections 483.041(a) and 483.042, Subtitle J, Title 3, Occupations Code, and other applicable laws establishing prohibitions do not apply to a dialysate, device, or drug exclusively used or necessary to perform dialysis that a physician prescribes or orders for administration or delivery to a person with chronic kidney failure if:

(1) the dialysate, device, or drug is lawfully held by a manufacturer or wholesaler registered with the board;

(2) the manufacturer or wholesaler delivers the dialysate, device, or drug to:
(A) a person with chronic kidney failure for self-administration at the person's home or a specified address, as ordered by a physician; or

(B) a physician for administration or delivery to a person with chronic kidney failure; and

(3) the manufacturer or wholesaler has sufficient and qualified supervision to adequately protect the public health.

(b) The board shall adopt rules necessary to ensure the safe distribution, without the interruption of supply, of a dialysate, device, or drug covered by Subsection (a). The rules must include provisions regarding manufacturer and wholesaler licensing, record keeping, evidence of a delivery to a patient or a patient's designee, patient training, specific product and quantity limitation, physician prescriptions or order forms, adequate facilities, and appropriate labeling to ensure that necessary information is affixed to or accompanies the dialysate, device, or drug.

(c) If the board determines that a dialysate, device, or drug distributed under this chapter is ineffective or unsafe for its intended use, the board may immediately recall the dialysate, device, or drug distributed to an individual patient.

(d) A dialysate, device, or drug covered by Subsection (a) may be delivered only by:

(1) the manufacturer or wholesaler to which the physician has issued an order; or

(2) a carrier authorized to possess the dialysate, device, or drug under Section 483.041(c).

Sec. 42.0047. ESTIMATED GLOMERULAR FILTRATION RATE REPORTING.

(a) A laboratory that performs a serum creatinine test on a sample from a person 18 years of age or older shall also calculate and include in the reported results the person's estimated glomerular filtration rate or the results of an alternative equivalent calculation measuring kidney function if the laboratory receives along with the sample all relevant clinical information about the person necessary to calculate the person's estimated glomerular filtration rate.
filtration rate or perform an alternative equivalent calculation. A physician requesting a serum creatinine test shall provide to the laboratory all relevant clinical information about the person necessary to calculate the person's estimated glomerular filtration rate or perform an alternative equivalent calculation unless the physician determines that the calculation is unnecessary.

(b) The requirements under Subsection (a) do not apply to:
(1) a laboratory that uses equipment to perform serum creatinine tests that cannot be reprogrammed to calculate the estimated glomerular filtration rate or perform an alternative equivalent calculation measuring kidney function; or
(2) a laboratory performing a serum creatinine test on a sample taken from a patient who is being treated in a hospital.

Added by Acts 2009, 81st Leg., R.S., Ch. 1296 (H.B. 2330), Sec. 2, eff. September 1, 2009.

Sec. 42.005. FACILITIES. (a) The board may establish and maintain standards for the accreditation of all facilities designed or intended to deliver care or treatment for persons with chronic kidney disease.

(b) The division may conduct surveys of existing facilities in this state that diagnose, evaluate, and treat patients with kidney disease and may prepare and submit its findings and a specific program of action.

(c) The division may evaluate the need to create local or regional facilities and to establish a major kidney research center.

(d) The division may:
(1) establish or construct rehabilitation facilities and workshops;
(2) make grants to public agencies and make contracts or other arrangements with public and other nonprofit agencies, organizations, or institutions for the establishment of workshops and rehabilitation facilities; and
(3) operate facilities to carry out this chapter.

(e) The board may provide for the establishment, supervision, management, and control of kidney care facilities.

Sec. 42.006. SELECTION OF SERVICE PROVIDERS. (a) The department shall select providers to furnish kidney health care services under the program according to the criteria and procedures adopted by the board.

(b) The board shall provide a hearing procedure for the resolution of conflicts between the department and a provider. Chapter 2001, Government Code, do not apply to conflict resolution procedures adopted under this section.

(c) The department may not terminate a contract while a hearing is pending under this section. The department may withhold payments while the hearing is pending, but shall pay the withheld payments and resume contract payments if the final determination is in favor of the provider.

(d) Subsections (b) and (c) do not apply if a contract:
   (1) is canceled because program services are restricted to conform to budgetary limitations that require the board to adopt service priorities regarding types of services to be furnished or classes of eligible individuals; or
   (2) expires according to its terms.

Sec. 42.007. ELIGIBILITY FOR SERVICES. The board may determine the terms, conditions, and standards, including medical and financial standards, for the eligibility of persons with chronic kidney disease to receive the aid, care, or treatment provided under this chapter.

Sec. 42.008. DENIAL, MODIFICATION, SUSPENSION, OR TERMINATION OF SERVICES. (a) After notice and an opportunity for a hearing, the department for cause may deny the application of or modify, suspend, or terminate services to an applicant for or recipient of services.

(b) The program rules adopted by the board must contain the criteria for the department's action under this section.

(c) Chapter 2001, Government Code, do not apply to the granting, denial, modification, suspension, or termination of services provided under this chapter. Hearings under this section
must be conducted in accordance with the board's hearing rules.

(d) This section does not apply if program services are restricted to conform to budgetary limitations that require the board to adopt service priorities regarding types of services to be furnished or classes of eligible persons.

Sec. 42.009. REIMBURSEMENT. (a) An applicant or recipient is not eligible to receive services provided by this chapter to the extent that the applicant or recipient, or another person with a legal obligation to support the applicant or recipient, is eligible for some other benefit that would pay for all or part of the services provided by this chapter.

(b) When an application is made under this chapter or at any time while a person is eligible and receiving services under this chapter, the applicant or recipient, or the person with a legal obligation to support the applicant or recipient, shall inform the department of any other benefit to which the applicant or recipient, or the person with a legal obligation to support the applicant or recipient, may be entitled.

(c) A recipient who has received services that are covered by some other benefit, or the person with a legal obligation to support that recipient, shall reimburse the department to the extent of the cost of services provided when the other benefit is received.

(d) The board may waive the provisions of Subsection (a) in certain individually considered cases when the enforcement of that provision will deny services to a class of end stage renal disease patients because of conflicting state or federal laws or rules.

Sec. 42.010. RECOVERY OF COSTS. (a) The department may recover the costs of services provided under this chapter from a person who does not reimburse the department as required by Section 42.009(c), or from any third party who has a legal obligation to pay other benefits and to whom notice of the department's interest has been given.
(b) At the request of the commissioner, the attorney general may bring suit in the appropriate court of Travis County on behalf of the department.

(c) In a judgment in favor of the department, the court may award attorney's fees, court costs, and interest accruing from the date on which the department provides the service to the date on which the department is reimbursed.

Sec. 42.011. FUNDING. (a) The division may receive and use gifts to carry out this chapter.

(b) The board may comply with any requirements necessary to obtain federal funds in the maximum amount and most advantageous proportions possible to carry out this chapter.

(c) The comptroller may receive all money appropriated by congress and allotted to this state for carrying out this chapter or agreements or plans authorized by this chapter.

Sec. 42.012. CONTRACTS. (a) The division may enter into contracts and agreements with persons, colleges, universities, associations, corporations, municipalities, and other units of government as necessary to carry out this chapter.

(b) A contract may provide for payment by the state, within the limits of funds available, for material, equipment, or services.

Sec. 42.013. COOPERATION. (a) The division may cooperate with private or public agencies to facilitate the availability of adequate care for all citizens with chronic kidney disease.

(b) The board shall make agreements, arrangements, or plans to cooperate with the federal government in carrying out the purposes of this chapter or of any federal statute or rule relating to the prevention, care, or treatment of kidney disease or the care,
treatment, or rehabilitation of persons with kidney disease. The board may adopt rules and methods of administration found by the federal government to be necessary for the proper and efficient operation of the agreements, arrangements, or plans.

(c) The division may enter into reciprocal agreements with other states.

Sec. 42.014. SCIENTIFIC INVESTIGATIONS. (a) The division may develop and administer scientific investigations into the cause, prevention, methods of treatment, and cure of kidney disease, including research into kidney transplantation.

(b) The division may develop techniques for an effective method of mass testing to detect kidney disease and urinary tract infections.

Sec. 42.015. EDUCATIONAL PROGRAMS. (a) The division may institute, carry on, and supervise educational programs for the public and health providers, including physicians, hospitals, and public health departments, concerning chronic kidney disease, including prevention and methods of care and treatment.

(b) The division may use existing public or private programs or groups for the educational programs.

Sec. 42.016. REPORTS. The board shall report to the governor and the legislature not later than February 1 of each year concerning its findings, progress, and activities under this chapter and the state's total need in the field of kidney health care.

Sec. 42.017. INSURANCE PREMIUMS. The board may provide for
payment of the premiums required to maintain coverage under Title XVIII of the Social Security Act (42 U.S.C. Section 1395 et seq.) for certain classes of persons with end stage renal disease, in individually considered instances according to criteria established by board rules.

Sec. 42.018. FREEDOM OF SELECTION. The freedom of an eligible person to select a treating physician, a treatment facility, or a treatment modality is not limited by Section 42.009 if the physician, facility, or modality is approved by the board as required by this chapter.

CHAPTER 43. ORAL HEALTH IMPROVEMENT

Sec. 43.001. SHORT TITLE. This chapter may be cited as the Texas Oral Health Improvement Act.

Sec. 43.002. LIBERAL CONSTRUCTION. It is the intent of the legislature that this chapter be construed liberally so that eligible individuals may receive appropriate and adequate oral health services in a timely manner.

Sec. 43.003. DEFINITIONS. (a) In this chapter:

(1) "Dentist" means an individual licensed by the State Board of Dental Examiners to practice dentistry in this state.

(2) "Oral health services" means:

(A) preventive or treatment services affecting the structures of the mouth, including the hard and soft tissues such as teeth, jaws, gums, vestibule, tongue, cheeks, lips, floor and roof of the mouth, and adjacent masticatory structures; and
(B) oral health education and promotion activities.

(3) "Other benefit" means a benefit, other than a benefit provided under this chapter, to which an individual is entitled for the payment of the costs of oral health treatment services, including benefits available from:

(A) an insurance policy, group oral health plan, or prepaid oral care plan;

(B) Title XVIII or Title XIX of the Social Security Act, as amended (42 U.S.C. Sec. 1395 et seq. and 42 U.S.C. Sec. 1396 et seq.);

(C) the Veterans Administration;

(D) the Civilian Health and Medical Program of the Uniformed Services;

(E) workers' compensation or any other compulsory employer's insurance program;

(F) a public program created by federal law, state law, or the ordinances or rules of a municipality or other political subdivision of the state; or

(G) a cause of action for the expenses of dental or oral health treatment services, or a settlement or judgment based on the cause of action, if the expenses are related to the need for treatment services provided under this chapter.

(4) "Provider" means a person who, through a contract with the department, furnishes oral health treatment services that are purchased by the department for the purposes of this chapter.

(5) "Support" means to contribute money or services necessary for a person's maintenance, including food, clothing, shelter, transportation, and health care.

(b) The board by rule may define a word or term not defined by Subsection (a) as necessary to administer this chapter. The board may not define a word or term so that the word or term is inconsistent or in conflict with the purposes of this chapter.

Sec. 43.004. ORAL HEALTH IMPROVEMENT SERVICES PROGRAM. (a) The oral health improvement services program is in the department to provide comprehensive oral health services to eligible individuals.

(b) The board shall adopt rules to govern the program, to
prescribe the type, amount, and duration of oral health services to be provided, and, if necessary to conform to budgetary limitations, to prescribe a system of program priorities regarding the types of services to be furnished, the geographic areas to be covered, or the classes of individuals eligible for services.

(c) Except as limited by Subsection (b), the department shall develop an integrated framework for the equitable provision of oral health services throughout the state or designated geographic areas, using existing public and private health care resources when possible.

(d) The program may consist of all or any combination of the following:

(1) treatment services for eligible individuals, including:
   (A) emergency care for relief of pain and infection, including extractions and basic restorative services to prevent premature loss of teeth;
   (B) periodontal therapy for the prevention and treatment of periodontal disease;
   (C) endodontics to maintain aesthetics and occlusion;
   (D) orthodontic care only in cases of severely handicapping malocclusion; and
   (E) oral surgery and prosthetics in cases in which health is impaired;

(2) a program of oral disease prevention, including:
   (A) the fluoridation of community water supplies;
   (B) fluoride mouth rinse programs in schools;
   (C) the promotion and implementation of sealants programs; and
   (D) the development of appropriate means for prevention of oral disease, including the continued use of recognized methods of primary, secondary, and tertiary prevention;

(3) oral health education and promotion, including:
   (A) public health education to promote the prevention of oral disease through self-help methods, including the initiation and expansion of preschool, school age, and adult education programs;
   (B) organized continuing health education training programs for health care providers; and
   (C) preventive health education information for the public; and

(4) facilitation of access to oral health services,
including:

(A) the improvement of the existing oral health services delivery system for the provision of services to low-income residents;

(B) outreach activities to inform the public of the type and availability of oral health services to increase the accessibility of oral health care for low-income residents; and

(C) assistance and cooperation in promoting better distribution of dentists and other oral health professionals throughout the state.

(e) The department may provide services only as prescribed by board rules.

(f) The services listed in Subsection (d) may be furnished either directly by the department or through a network of approved providers.

Sec. 43.005. ADMINISTRATION. (a) The department shall:
(1) administer the program of oral health services established by the board; and
(2) adopt the design and content of all forms necessary for the program.

(b) The department may conduct field research, collect data, and prepare statistical and other reports relating to the need for and the availability of oral health services.

Sec. 43.006. SERVICE PROVIDERS. (a) The board may adopt substantive and procedural rules relating to:
(1) the selection of dentists, physicians, facilities, and other providers to furnish program services, including criteria for the emergency selection of providers; and
(2) the denial, modification, suspension, or termination of a provider's program participation.

(b) The department shall approve providers to participate in the program according to the criteria, rules, and procedures adopted by the board.
(c) The department may pay only for program services furnished by approved providers, except in an emergency.

(d) The board shall provide a due process hearing procedure for the resolution of conflicts between the department and a provider. Chapter 2001, Government Code, do not apply to conflict resolution procedures adopted under this section.

(e) The department shall render the final administrative decision in a due process hearing to modify, suspend, or terminate the approval of a provider.

(f) The department may not terminate a contract while a due process hearing is pending under this section. The department may withhold payments while the hearing is pending, but shall pay the withheld payments and resume contract payments if the final determination is favorable to the provider.

(g) Subsections (d)-(f) do not apply if a contract:
   (1) is canceled by the department because of the exhaustion of funds;
   (2) expires according to its terms; or
   (3) is canceled because program services are restricted to conform to budgetary limitations as prescribed by Section 43.004(b).

Sec. 43.007. INDIVIDUAL REFERRAL AND APPLICATION FOR SERVICES. 
(a) The board may adopt substantive and procedural rules to govern the application for admission to the program and the receipt of treatment services, including the dental, financial, and other criteria for eligibility to receive treatment services.

(b) An applicant for treatment services must be referred to the program by a person who knows the individual's economic condition, such as a school administrator or school nurse, social worker, municipal or county official, dentist, physician, public health clinic, community health center, hospital, or any other source acceptable to the board.

(c) An applicant for treatment services must complete or cause to be completed an application form prescribed by the department.

(d) The application form must include or be accompanied by:
   (1) a statement by the individual, or by the person with a
legal obligation to support the individual, that the individual or
the person is financially unable to pay for all or part of the cost
of the necessary treatment services;
(2) a statement from the referring person that the
treatment services are necessary to prevent or reduce the probability
of pain, infection, or disease; and
(3) any other assurances from the applicant or any other
documentary evidence required by the board to support the applicant's
eligibility.

Sec. 43.008. ELIGIBILITY FOR SERVICES. (a) The department
shall determine an individual's eligibility for treatment services
according to this chapter and the program rules.
(b) An individual is not eligible to receive treatment services
provided under this chapter unless:
(1) the individual is a resident of this state;
(2) the department has determined that neither the
individual nor a person with a legal obligation to support the
individual is financially able to pay for all or part of the
treatment services provided by this chapter;
(3) the individual complies with any other requirements
stated in the program rules; and
(4) at least one licensed dentist or licensed physician has
certified to the department that the dentist or physician has
examined the individual and has found that:
(A) the individual meets the board's dental criteria;
and
(B) the dentist or physician has reason to expect that
the treatment services provided by or through the department will
prevent or reduce the probability of the individual's experiencing
pain, infection, or disease.
(c) Except as permitted by program rules, the department may
not provide treatment services before an individual's eligibility
date assigned by the department or authorize payment for treatment
services furnished by a provider before that date.

Sec. 43.009. DENIAL, MODIFICATION, SUSPENSION, OR TERMINATION OF SERVICES. (a) The department may, for cause, deny an application for treatment services or modify, suspend, or terminate a recipient's treatment services after notice to the applicant or recipient and the opportunity for a due process hearing.

(b) The board by rule shall provide criteria for action by the department under this section.

(c) Chapter 2001, Government Code, do not apply to the granting, denial, modification, suspension, or termination of treatment services. The department shall conduct hearings in accordance with the board's due process hearing rules.

(d) The department shall render the final administrative decision in a due process hearing to deny, modify, suspend, or terminate the receipt of oral health services.

(e) This section does not apply if oral health services are restricted to conform to budgetary limitations as prescribed by Section 43.004(b).

Sec. 43.010. FINANCIAL ELIGIBILITY; OTHER BENEFITS. (a) The department shall require an individual receiving treatment services under this chapter or a person with a legal obligation to support the individual to pay for or reimburse the department for that part of the cost of the treatment services that the individual or person is financially able to pay.

(b) An individual is not eligible to receive treatment services under this chapter to the extent that the individual or a person with a legal obligation to support the individual is eligible for some other benefit that would pay for all or part of the treatment services.

(c) When the application is made under this chapter or at any time during eligibility and the receipt of treatment services, the applicant for or recipient of treatment services shall inform the department of any other benefit to which the individual or a person with a legal obligation to support the individual may be entitled.

(d) An individual who has received treatment services that are covered by some other benefit, or a person with a legal obligation to
support the individual, shall reimburse the department to the extent of the treatment services provided when the other benefit is received.

(e) The commissioner may waive the enforcement of Subsection (b) as prescribed by board rules in certain individually considered cases in which enforcement will deny treatment services to a class of otherwise eligible individuals because of conflicting federal, state, or local laws or rules.

Sec. 43.011. RECOVERY OF COSTS. (a) The department may recover the cost of treatment services provided under this chapter from a person who does not pay or reimburse the department as required by this chapter or from any third party who has a legal obligation to pay other benefits and to whom notice of the department's interest has been given.

(b) At the request of the commissioner, the attorney general may bring suit in the appropriate court of Travis County on behalf of the department.

(c) In a judgment in favor of the department, the court may award attorney's fees, court costs, and interest accruing from the date on which the department provides the service to the date on which the department is reimbursed.

Sec. 43.012. FEES. The board may charge fees for the oral health services provided directly by the department or through approved providers in accordance with Subchapter D, Chapter 12.

Sec. 43.013. FUNDS. (a) Subject to limitations or conditions prescribed by the legislature, the board may seek, receive, and spend funds received from any public or private source for the purposes of this chapter.

(b) The department is not required to provide oral health
services unless funds are appropriated to the department for that express purpose.

Sec. 43.014. CONTRACTS. The department may enter into contracts and agreements necessary to facilitate the efficient and economical provision of oral health services under this chapter, including contracts for the purchase of services, equipment, and supplies from qualified providers.

CHAPTER 45. DISTRIBUTION OF CHILD PASSENGER SAFETY SEAT SYSTEMS

Sec. 45.001. DEFINITION. In this chapter, "child passenger safety seat system" has the meaning assigned by Section 545.412, Transportation Code.

Sec. 45.002. CHILD PASSENGER SAFETY SEAT SYSTEM PROGRAM. (a) The department may establish a program to distribute child passenger safety seat systems to indigent persons in this state.

(b) A program established under this section may distribute new or used child passenger safety seat systems that have been donated to the department for distribution.

Added by Acts 1993, 73rd Leg., ch. 311, Sec. 1, eff. Aug. 30, 1993.

Sec. 45.003. RULES. The board may adopt rules governing eligibility for a child passenger safety seat system from the program established under Section 45.002.

Added by Acts 1993, 73rd Leg., ch. 311, Sec. 1, eff. Aug. 30, 1993.
CHAPTER 47. HEARING LOSS IN NEWBORNS

Sec. 47.001. DEFINITIONS. In this chapter:
(1) "Birth admission" means the time after birth that a newborn remains in the birthing facility before the newborn is discharged.
(2) "Birthing facility" means:
(A) a hospital licensed under Chapter 241 that offers obstetrical services;
(B) a birthing center licensed under Chapter 244;
(C) a children's hospital; or
(D) a facility, maintained or operated by this state or an agency of this state, that provides obstetrical services.
(3) "Health care provider" means a registered nurse recognized as an advanced practice nurse by the Texas Board of Nursing or a physician assistant licensed by the Texas Physician Assistant Board.
(4) "Hearing loss" means a hearing loss of 30 dB HL or greater in the frequency region important for speech recognition and comprehension in one or both ears, approximately 500 through 4,000 Hz. As technological advances permit the detection of less severe hearing loss, the department may modify this definition by rule.
(5) "Infant" means a child who is at least 30 days but who is younger than 24 months old.
(6) "Intervention or follow-up care" means the early intervention services described in Part C, Individuals with Disabilities Education Act (20 U.S.C. Sections 1431-1445), as amended by Pub. L. No. 105-17.
(7) "Newborn" means a child younger than 30 days old.
(8) "Parent" means a natural parent, stepparent, adoptive parent, legal guardian, or other legal custodian of a child.
(9) "Physician" means a person licensed to practice medicine by the Texas State Board of Medical Examiners.
(10) "Program" means a newborn hearing screening, tracking, and intervention program certified by the department under this chapter.

Added by Acts 1999, 76th Leg., ch. 1347, Sec. 1, eff. Sept. 1, 1999. Amended by:
Acts 2007, 80th Leg., R.S., Ch. 889 (H.B. 2426), Sec. 60, eff. September 1, 2007.
Sec. 47.003. NEWBORN HEARING SCREENING, TRACKING, AND INTERVENTION PROGRAM. (a) A birthing facility, through a program certified by the department under Section 47.004, shall perform, either directly or through a referral to another program certified under that section, a hearing screening for the identification of hearing loss on each newborn or infant born at the facility before the newborn or infant is discharged from the facility unless:

(1) the parent declines the screening;
(2) the newborn or infant is transferred to another facility before the screening is performed;
(3) the screening has previously been completed; or
(4) the newborn was discharged from the birthing facility not more than 10 hours after birth and a referral for the newborn was made to a program certified under Section 47.004 at another birthing facility or operated by a physician or other health care provider.

(a-1) The birthing facility shall inform the parents during admission that:

(1) the facility is required by law to screen a newborn or infant for hearing loss; and
(2) the parents may decline the screening.

(b) The department or the department's designee shall approve program protocols.

(c) Subject to Section 47.008, the department shall maintain data and information on each newborn or infant who receives a hearing screening under Subsection (a).

(d) The department shall ensure that intervention is available to families for a newborn or infant identified as having hearing loss and that the intervention is managed by state programs operating under the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.).

(e) The department shall ensure that the intervention described by Subsection (d) is available for a newborn or infant identified as having hearing loss not later than the sixth month after the newborn's or infant's birth and through the time the child is an
infant unless the infant has been hospitalized since birth.

(f) If a newborn or an infant receives medical intervention services, including a hearing aid or cochlear implant, the intervention specialist shall report the results of the intervention to the department.

Added by Acts 1999, 76th Leg., ch. 1347, Sec. 1, eff. Sept. 1, 1999. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 6, eff. June 17, 2011.
Acts 2013, 83rd Leg., R.S., Ch. 586 (S.B. 793), Sec. 1, eff. June 14, 2013.

Sec. 47.0031. FOLLOW-UP SCREENING. (a) The program that performed the hearing screening under Section 47.003 shall provide the newborn's or infant's parents with the screening results. A birthing facility, through the program, shall offer a follow-up hearing screening to the parents of a newborn or infant who does not pass the screening, or refer the parents to another program for the follow-up hearing screening. The follow-up hearing screening should be performed not later than the 30th day after the date the newborn or infant is discharged from the facility.

(b) If a newborn or an infant does not pass the screening in a follow-up hearing screening, the program that performed the follow-up hearing screening on the newborn or infant shall:

(1) provide the newborn's or infant's parents with the screening results;

(2) assist in scheduling a diagnostic audiological evaluation for the newborn or infant, consistent with the most current guidelines in the Joint Committee on Infant Hearing Position Statement, or refer the newborn or infant to a licensed audiologist who provides diagnostic audiological evaluations for newborns or infants that are consistent with the most current guidelines in the Joint Committee on Infant Hearing Position Statement; and

(3) refer the newborn or infant to early childhood intervention services.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 7, eff. June 17, 2011.
Sec. 47.0035. REFERRAL TO PROGRAM BY MIDWIFE. (a) In this section, "midwife" has the meaning assigned by Section 203.002, Occupations Code.

(b) A midwife who attends the birth of a newborn:
   (1) is not required to offer the parents of a newborn a hearing screening for the newborn for the identification of hearing loss; and
   (2) shall refer the parents of the newborn to a birthing facility or a provider that participates in the program.

Added by Acts 2011, 82nd Leg., R.S., Ch. 601 (S.B. 229), Sec. 2, eff. September 1, 2011.

Sec. 47.004. CERTIFICATION OF SCREENING PROGRAMS. (a) The department or the department's designee shall establish certification criteria for implementing a program.

(b) In order to be certified, the program must:
   (1) provide hearing screening using equipment recommended by the department;
   (2) use appropriate staff to provide the screening;
   (3) maintain and report data electronically as required by the department;
   (4) distribute family, health care provider, and physician educational materials standardized by the department;
   (5) provide information, as recommended by the department, to the parents on follow-up services for newborns and infants who do not pass the screening; and
   (6) be supervised by:
      (A) a physician;
      (B) an audiologist;
      (C) a registered nurse; or
      (D) a physician assistant.

(c) The department may certify a program that meets and maintains the certification criteria.

(d) The department may renew the certification of a program on a periodic basis as established by board rule in order to ensure quality services to newborns, infants, and families.

(e) A fee may not be charged to certify or recertify a program.

Added by Acts 1999, 76th Leg., ch. 1347, Sec. 1, eff. Sept. 1, 1999.
Sec. 47.005. INFORMATION CONCERNING SCREENING RESULTS AND FOLLOW-UP CARE.
(a) A birthing facility that operates a program shall distribute to the parents of each newborn or infant who is screened educational materials that are standardized by the department regarding screening results and follow-up care.
(b) A birthing facility that operates a program shall report screening results to:
   (1) the parents;
   (2) the newborn's or infant's attending physician, primary care physician, or other applicable health care provider; and
   (3) the department.
(c) Appropriate and necessary care for the infant who needs follow-up care should be directed and coordinated by the infant's physician or health care provider, with support from appropriate ancillary services.
(d) The department may coordinate the diagnostic audiological evaluation required under Section 47.0031(b)(2). A diagnostic audiological evaluation must be completed on the newborn or infant:
   (1) not later than the third month after the newborn's or infant's birth unless the newborn or infant has been hospitalized since birth; or
   (2) upon referral by the newborn's or infant's primary care physician or other applicable health care provider.
(e) An audiologist who performs a diagnostic audiological evaluation under this chapter shall report the results of the evaluation to:
   (1) the parents;
   (2) the newborn's or infant's primary care physician or other applicable health care provider; and
   (3) the department under Section 47.007(b).
Sec. 47.006. TECHNICAL ASSISTANCE BY DEPARTMENT. The department may consult with a birthing facility and provide to the facility technical assistance associated with the implementation of a certified program.

Added by Acts 1999, 76th Leg., ch. 1347, Sec. 1, eff. Sept. 1, 1999.

Sec. 47.007. INFORMATION MANAGEMENT, REPORTING, AND TRACKING SYSTEM. (a) The department shall provide each birthing facility that provides newborn hearing screening under the state's medical assistance program provided under Chapter 32, Human Resources Code, with access to the appropriate information management, reporting, and tracking system for the program. The information management, reporting, and tracking system must be capable of providing the department with information and data necessary to plan, monitor, and evaluate the program, including the program's screening, follow-up, diagnostic, and intervention components.

(b) Subject to Section 47.008, a qualified hearing screening provider, hospital, health care provider, physician, audiologist, or intervention specialist shall access the information management, reporting, and tracking system to provide information to the department and may obtain information from the department relating to:

1. the results of each hearing screening performed under Section 47.003(a) or 47.0031(a);
2. the results of each diagnostic audiological evaluation required under Section 47.0031(b)(2);
3. infants who receive follow-up care;
4. infants identified with hearing loss;
5. infants who are referred for intervention services; and
6. case level information necessary to report required statistics to:
   (A) the Maternal and Child Health Bureau on an annual basis; and
   (B) the federal Centers for Disease Control and Prevention.

(c) A birthing facility described by Subsection (a) shall
report the resulting information in the format and within the time frame specified by the department.

Text of subsection as added by Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 10

(d) A birthing facility described by Subsection (a) shall report the resulting information in the format and within the time frame specified by the department.

Text of subsection as added by Acts 2011, 82nd Leg., R.S., Ch. 601 (S.B. 229), Sec. 3

(d) A qualified hearing screening provider, audiologist, intervention specialist, educator, or other person who receives a referral from a program under this chapter shall:

(1) provide the services needed by the child or refer the child to a person who provides the services needed by the child; and

(2) provide, with the consent of the child's parent, the following information to the department or the department's designee:

(A) results of follow-up care;
(B) results of audiologic testing of infants identified with hearing loss; and
(C) reports on the initiation of intervention services.

Text of subsection as added by Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 10

(e) A qualified hearing screening provider, audiologist, intervention specialist, educator, or other person who receives a referral from a program under this chapter shall:

(1) provide the services needed by the newborn or infant or refer the newborn or infant to a person who provides the services needed by the newborn or infant; and

(2) provide, with the consent of the newborn's or infant's parent, the following information to the department or the department's designee:

(A) results of follow-up care;
(B) results of audiologic testing of an infant identified with hearing loss; and
(C) reports on the initiation of intervention services.

Text of subsection as added by Acts 2011, 82nd Leg., R.S., Ch. 601 (S.B. 229), Sec. 3

(e) A qualified hearing screening provider, audiologist, intervention specialist, educator, or other person who provides
services to infants who are diagnosed with hearing loss shall provide, with the consent of the infant's parent, the following information to the department or the department's designee:

(1) results of follow-up services;
(2) results of audiologic testing of infants identified with hearing loss; and
(3) reports on the initiation of intervention services.

Text of subsection as added by Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 10

(f) A qualified hearing screening provider, audiologist, intervention specialist, educator, or other person who provides services to an infant who is diagnosed with hearing loss shall provide, with the consent of the infant's parent, the following information to the department or the department's designee:

(1) results of follow-up care;
(2) results of audiologic testing; and
(3) reports on the initiation of intervention services.

Text of subsection as added by Acts 2011, 82nd Leg., R.S., Ch. 601 (S.B. 229), Sec. 3

(f) A hospital that provides services under this chapter shall use the information management, reporting, and tracking system, which the department has provided the hospital with access to, to report, with the consent of the infant's parent, the following information to the department or the department's designee:

(1) results of all follow-up services for infants who do not pass the birth admission screening if the hospital provides the follow-up services; or
(2) the name of the provider or facility where the hospital refers an infant who does not pass the birth admission screening for follow-up services.

Text of subsection as added by Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 10

(g) A hospital that provides services under this chapter shall use the information management, reporting, and tracking system described by this section, access to which has been provided to the hospital by the department, to report, with the consent of the infant's parent, the following information to the department or the department's designee:

(1) results of all follow-up services for an infant who
does not pass the screening described by Section 47.003(a) if the hospital provides the follow-up services; or

(2) the name of the provider or facility to which the hospital refers an infant who does not pass the screening described by Section 47.003(a) for follow-up services.

Text of subsection as added by Acts 2011, 82nd Leg., R.S., Ch. 601 (S.B. 229), Sec. 3

(g) The department shall ensure that the written consent of a parent is obtained before any information individually identifying the newborn or infant is released through the information management, reporting, and tracking system.

(h) Subject to Section 47.008, a qualified hearing screening provider, hospital, health care provider, physician, audiologist, or intervention specialist may obtain information from the department relating to:

(1) the results of each hearing screening performed under Section 47.003(a) or 47.0031(a);
(2) the results of each diagnostic audiological evaluation required under Section 47.0031(b)(2);
(3) infants who receive follow-up care;
(4) infants identified with hearing loss; and
(5) infants who are referred for intervention services.

Added by Acts 1999, 76th Leg., ch. 1347, Sec. 1, eff. Sept. 1, 1999. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 601 (S.B. 229), Sec. 3, eff. September 1, 2011.

Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 10, eff. June 17, 2011.

Sec. 47.008. CONFIDENTIALITY AND GENERAL ACCESS TO DATA. (a) The information management, reporting, and tracking system provided in accordance with this chapter must meet confidentiality requirements in accordance with required state and federal privacy guidelines.

(b) Data obtained through the information management, reporting, and tracking system under this chapter are for the confidential use of the department, the department's designee, and the persons or public or private entities that the department
determines are necessary to carry out the functions of the tracking system.

(c) The department by rule shall develop guidelines to protect the confidentiality of patients in accordance with Chapter 159, Occupations Code, and require the written consent of a parent or guardian of a patient before any individually identifying information is provided to the department as set out in this chapter. The department shall permit a parent or guardian at any time to withdraw information provided to the department under this chapter.

(d) Statistical or aggregated information that is about activities conducted under this chapter and that could not be used to individually identify a newborn, infant, or patient or a parent or guardian of a newborn, infant, or patient is not confidential.

Sec. 47.009. IMMUNITY FROM LIABILITY. A birthing facility, a clinical laboratory, an audiologist, a health care provider, a physician, a registered nurse, or any other officer or employee of a birthing facility, a laboratory, a physician, or an audiologist is not criminally or civilly liable for furnishing information in good faith to the department or its designee as required by this chapter. This section does not apply to information gathered and furnished after a parent of a newborn or infant declined screening offered through a program.

Added by Acts 1999, 76th Leg., ch. 1347, Sec. 1, eff. Sept. 1, 1999.

Sec. 47.010. RULEMAKING. (a) The executive commissioner of the Health and Human Services Commission may adopt rules for the department to implement this chapter.

(b) If the executive commissioner adopts rules, the executive commissioner shall consider the most current guidelines established by the Joint Committee on Infant Hearing.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 11, eff. June 17, 2011.
Sec. 47.011. DUTIES OF MIDWIFE. (a) In this section, "midwife" has the meaning assigned by Section 203.002, Occupations Code, and includes a nurse midwife described by Section 301.152, Occupations Code.

(b) A midwife who attends the birth of a newborn:

(1) is not required to offer the parents of the newborn a hearing screening for the newborn for the identification of hearing loss; and

(2) shall refer the parents of the newborn to a birthing facility or a provider that participates in the program and make a record of the referral.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1273 (H.B. 411), Sec. 11, eff. June 17, 2011.

CHAPTER 48. PROMOTORAS AND COMMUNITY HEALTH WORKERS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 48.001. DEFINITIONS. In this chapter:

(1) "Advisory committee" means the Promotora and Community Health Worker Training and Certification Advisory Committee.

(2) "Commission" means the Health and Human Services Commission.

(3) "Commissioner" means the commissioner of state health services.

(4) "Compensation" includes receiving payment or receiving reimbursement for expenses.

(5) "Department" means the Department of State Health Services.

(6) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(7) "Promotora" or "community health worker" means a person who, with or without compensation, provides a liaison between health care providers and patients through activities that may include activities such as assisting in case conferences, providing patient education, making referrals to health and social services, conducting needs assessments, distributing surveys to identify barriers to health care delivery, making home visits, and providing bilingual
language services.

Amended by:
   Acts 2011, 82nd Leg., R.S., Ch. 537 (H.B. 2610), Sec. 2, eff. September 1, 2011.

**SUBCHAPTER B. TRAINING AND REGULATION OF PROMOTORAS AND COMMUNITY HEALTH WORKERS**

Sec. 48.051. PROMOTORA AND COMMUNITY HEALTH WORKER TRAINING PROGRAM. (a) The department shall establish and operate a program designed to train and educate persons who act as promotoras or community health workers. In establishing the training program, the department, to the extent possible, shall consider the applicable recommendations of the advisory committee.

(b) Participation in a training and education program established under this section is voluntary for a promotora or community health worker who provides services without receiving any compensation and mandatory for a promotora or community health worker who provides services for compensation. The executive commissioner may adopt rules to exempt a promotora or community health worker from mandatory training who has served for three or more years or who has 1,000 or more hours of experience.

Amended by:
   Acts 2011, 82nd Leg., R.S., Ch. 537 (H.B. 2610), Sec. 2, eff. September 1, 2011.

Sec. 48.052. CERTIFICATION PROGRAM FOR PROMOTORAS AND COMMUNITY HEALTH WORKERS. (a) The department shall establish and operate a certification program for persons who act as promotoras or community health workers. In establishing the program, the executive commissioner shall adopt rules that provide minimum standards and guidelines, including participation in the training and education program under Section 48.051, for issuance of a certificate to a person under this section. In adopting the minimum standards and
guidelines, the executive commissioner shall consider the applicable recommendations of the advisory committee.

(b) Receipt of a certificate issued under this section may not be a requirement for a person to act as a promotora or community health worker without receiving any compensation and is a requirement for a person to act as a promotora or community health worker for compensation.

(c) The commission shall require health and human services agencies to use certified promotoras to the extent possible in health outreach and education programs for recipients of medical assistance under Chapter 32, Human Resources Code.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 537 (H.B. 2610), Sec. 2, eff. September 1, 2011.

Sec. 48.053. RULES. The executive commissioner shall adopt rules for the administration of this subchapter.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 537 (H.B. 2610), Sec. 2, eff. September 1, 2011.

SEC. 48.101. PROMOTORA AND COMMUNITY HEALTH WORKER TRAINING AND CERTIFICATION ADVISORY COMMITTEE. (a) The department shall establish a statewide Promotora and Community Health Worker Training and Certification Advisory Committee composed of representatives from relevant entities appointed by the commissioner. The commissioner shall appoint a member of the advisory committee as presiding officer of the advisory committee.

(b) The advisory committee shall:
(1) advise the department and the commission on the implementation of standards, guidelines, and requirements under this chapter that relate to the training and regulation of promotoras and community health workers;
(2) advise the department on matters related to the employment and funding of promotoras and community health workers;
and provide to the department recommendations for a sustainable program for promotoras and community health workers consistent with the purposes of this subchapter.

(c) Chapter 2110, Government Code, applies to the advisory committee.

Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 537 (H.B. 2610), Sec. 2, eff. September 1, 2011.

SUBTITLE C. PROGRAMS PROVIDING HEALTH CARE BENEFITS AND SERVICES

CHAPTER 61. INDIGENT HEALTH CARE AND TREATMENT ACT

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 61.001. SHORT TITLE. This chapter may be cited as the Indigent Health Care and Treatment Act.

Sec. 61.002. DEFINITIONS. In this chapter:

(1) "Department" means the Texas Department of Health.

(2) "Eligible county resident" means an eligible resident of a county who does not reside in the service area of a public hospital or hospital district.

(3) "Eligible resident" means a person who meets the income and resources requirements established by this chapter or by the governmental entity, public hospital, or hospital district in whose jurisdiction the person resides.

(4) "Emergency services" has the meaning assigned by Chapter 773.

(5) "General revenue levy" means:

(A) the property taxes imposed by a county that are not dedicated to:

(i) the construction and maintenance of farm-to-market roads under Article VII, Section 1-a, Texas Constitution;

(ii) flood control under Article VII, Section 1-a, Texas Constitution;

(iii) the further maintenance of the public roads under Article VIII, Section 9, Texas Constitution; or
(iv) the payment of principal or interest on county debt; and

(B) the sales and use tax revenue to be received by the county during the calendar year in which the state fiscal year begins under Chapter 323, Tax Code, as determined under Section 26.041(d), Tax Code.

(6) "Governmental entity" includes a county, municipality, or other political subdivision of the state, but does not include a hospital district or hospital authority.

(7) "Hospital district" means a hospital district created under the authority of Article IX, Sections 4-11, of the Texas Constitution.

(8) "Mandated provider" means a person who provides health care services, is selected by a county, public hospital, or hospital district, and agrees to provide health care services to eligible residents, including the primary teaching hospital of a state medical school located in a county which does not have a public hospital or hospital district, and the faculty members practicing in both the inpatient and outpatient care facilities affiliated with the teaching hospital.

(9) "Medicaid" means the medical assistance program provided under Chapter 32, Human Resources Code.

(10) "Public hospital" means a hospital owned, operated, or leased by a governmental entity, except as provided by Section 61.051.

(11) "Service area" means the geographic region in which a governmental entity, public hospital, or hospital district has a legal obligation to provide health care services.

Acts 2011, 82nd Leg., R.S., Ch. 1295 (H.B. 2315), Sec. 1, eff. June 17, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 1341 (S.B. 1233), Sec. 16, eff. June 17, 2011.
Sec. 61.003. RESIDENCE. (a) For purposes of this chapter, a person is presumed to be a resident of the governmental entity in which the person's home or fixed place of habitation to which the person intends to return after a temporary absence is located. However, if a person's home or fixed place of habitation is located in a hospital district, the person is presumed to be a resident of that hospital district.

(b) If a person does not have a residence, the person is a resident of the governmental entity or hospital district in which the person intends to reside.

(c) Intent to reside may be evidenced by any relevant information, including:
   (1) mail addressed to the person or to the person's spouse or children if the spouse or children live with the person;
   (2) voting records;
   (3) automobile registration;
   (4) Texas driver's license or other official identification;
   (5) enrollment of children in a public or private school; or
   (6) payment of property tax.

(d) A person is not considered a resident of a governmental entity or hospital district if the person attempted to establish residence solely to obtain health care assistance.

(e) The burden of proving intent to reside is on the person requesting assistance.

(f) For purposes of this chapter, a person who is an inmate or resident of a state school or institution operated by the Texas Department of Criminal Justice, Department of Aging and Disability Services, Department of State Health Services, Texas Youth Commission, Texas School for the Blind, Texas School for the Deaf, or any other state agency or who is an inmate, patient, or resident of a school or institution operated by a federal agency is not considered a resident of a hospital district or of any governmental entity except the state or federal government.

Amended by:
   Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.091, eff. September 1, 2009.
Sec. 61.004. RESIDENCE OR ELIGIBILITY DISPUTE. (a) If a provider of assistance and a governmental entity or hospital district cannot agree on a person's residence or whether a person is eligible for assistance under this chapter, the provider or the governmental entity or hospital district may submit the matter to the department.

(b) The provider of assistance and the governmental entity or hospital district shall submit all relevant information to the department in accordance with the application, documentation, and verification procedures established by the department under Section 61.006.

(c) If the department determines that another governmental entity or hospital district may be involved in the dispute, the department shall notify the governmental entity or hospital district and allow the governmental entity or hospital district to respond.

(d) From the information submitted, the department shall determine the person's residence or whether the person is eligible for assistance under this chapter, as appropriate, and shall notify each governmental entity or hospital district and the provider of assistance of the decision and the reasons for the decision.

(e) If a governmental entity, hospital district, or provider of assistance does not agree with the department's decision, the governmental entity, hospital district, or provider of assistance may file an appeal with the department. The appeal must be filed not later than the 30th day after the date on which the governmental entity, hospital district, or provider of assistance receives notice of the decision.

(f) The department shall issue a final decision not later than the 45th day after the date on which the appeal is filed.

(g) A governmental entity, hospital district, or provider of assistance may appeal the final order of the department under Chapter 2001, Government Code, using the substantial evidence rule on appeal.

(h) Service may not be denied pending an administrative or judicial review of residence.

Sec. 61.0045. INFORMATION NECESSARY TO DETERMINE ELIGIBILITY. (a) Any provider, including a mandated provider, public hospital, or hospital district, that delivers health care services to a patient who the provider suspects is an eligible resident of the service area of a county, hospital district, or public hospital under this chapter may require the patient to:

(1) provide any information necessary to establish that the patient is an eligible resident of the service area of the county, hospital district, or public hospital; and

(2) authorize the release of any information relating to the patient, including medical information and information obtained under Subdivision (1), to permit the provider to submit a claim to the county, hospital district, or public hospital that is liable for payment for the services as described by Section 61.033 or 61.060.

(b) A county, hospital district, or public hospital that receives information obtained under Subsection (a) shall use the information to determine whether the patient to whom services were provided is an eligible resident of the service area of the county, hospital district, or public hospital and, if so, shall pay the claim made by the provider to the extent that the county, hospital district, or public hospital is liable under Section 61.033 or 61.060.

(c) The application, documentation, and verification procedures established by the department for counties under Section 61.006 may include a standard format for obtaining information under Subsection (a) to facilitate eligibility and residence determinations.

Added by Acts 1999, 76th Leg., ch. 1377, Sec. 1.03, eff. Sept. 1, 1999.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 916 (H.B. 2963), Sec. 1, eff. September 1, 2009.

Sec. 61.005. CONTRIBUTION TOWARD COST OF ASSISTANCE. (a) A county, public hospital, or hospital district may request an eligible resident receiving health care assistance under this chapter to contribute a nominal amount toward the cost of the assistance.

(b) The county, public hospital, or hospital district may not deny or reduce assistance to an eligible resident who cannot or
Sec. 61.006. STANDARDS AND PROCEDURES. (a) The department shall establish minimum eligibility standards and application, documentation, and verification procedures for counties to use in determining eligibility under this chapter.

(b) The minimum eligibility standards must incorporate a net income eligibility level equal to 21 percent of the federal poverty level based on the federal Office of Management and Budget poverty index.

(b-1) Expired.

(c) The department shall also define the services and establish the payment standards for the categories of services listed in Sections 61.028(a) and 61.0285 in accordance with Texas Department of Human Services rules relating to the Temporary Assistance for Needy Families-Medicaid program.

(d) The department shall establish application, documentation, and verification procedures that are consistent with the analogous procedures used to determine eligibility in the Temporary Assistance for Needy Families-Medicaid program. Except as provided by Section 61.008(a)(6), the department may not adopt a standard or procedure that is more restrictive than the Temporary Assistance for Needy Families-Medicaid program or procedures.

(e) The department shall ensure that each person who meets the basic income and resources requirements for Temporary Assistance for Needy Families program payments but who is categorically ineligible for Temporary Assistance for Needy Families will be eligible for assistance under Subchapter B. Except as provided by Section 61.023(b), the department by rule shall also provide that a person who receives or is eligible to receive Temporary Assistance for Needy Families, Supplemental Security Income, or Medicaid benefits is not eligible for assistance under Subchapter B even if the person has exhausted a part or all of that person's benefits.

(f) The department shall notify each county and public hospital of any change to department rules that affect the provision of

services under this chapter.

(g) Notwithstanding Subsection (a), (b), or (c) or any other provision of law, the department shall permit payment to a licensed dentist for services provided under Sections 61.028(a)(4) and (6) if the dentist can provide those services within the scope of the dentist's license.

(h) Notwithstanding Subsection (a), (b), or (c), the department shall permit payment to a licensed podiatrist for services provided under Sections 61.028(a)(4) and (6), if the podiatrist can provide the services within the scope of the podiatrist's license.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 173 (S.B. 420), Sec. 1, eff. May 28, 2011.

Sec. 61.007. INFORMATION PROVIDED BY APPLICANT. The department by rule shall require each applicant to provide at least the following information:

(1) the applicant's full name and address;

(2) the applicant's social security number, if available;

(3) the number of persons in the applicant's household, excluding persons receiving Temporary Assistance for Needy Families, Supplemental Security Income, or Medicaid benefits;

(4) the applicant's county of residence;

(5) the existence of insurance coverage or other hospital or health care benefits for which the applicant is eligible;

(6) any transfer of title to real property that the applicant has made in the preceding 24 months;

(7) the applicant's annual household income, excluding the income of any household member receiving Temporary Assistance for Needy Families, Supplemental Security Income, or Medicaid benefits; and

(8) the amount of the applicant's liquid assets and the

Statute text rendered on: 3/14/2015 - 186 -
equity value of the applicant's car and real property.

Sec. 61.008. ELIGIBILITY RULES. (a) The department by rule shall provide that in determining eligibility:

(1) a county may not consider the value of the applicant's homestead;

(2) a county must consider the equity value of a car that is in excess of the amount exempted under department guidelines as a resource;

(3) a county must subtract the work-related and child care expense allowance allowed under department guidelines;

(4) a county must consider as a resource real property other than a homestead and, except as provided by Subsection (b), must count that property in determining eligibility;

(5) if an applicant transferred title to real property for less than market value to become eligible for assistance under this chapter, the county may not credit toward eligibility for state assistance an expenditure for that applicant made during a two-year period beginning on the date on which the property is transferred; and

(6) if an applicant is a sponsored alien, a county may include in the income and resources of the applicant:

(A) the income and resources of a person who executed an affidavit of support on behalf of the applicant; and

(B) the income and resources of the spouse of a person who executed an affidavit of support on behalf of the applicant, if applicable.

(b) A county may disregard the applicant's real property if the applicant agrees to an enforceable obligation to reimburse the county for all or part of the benefits received under this chapter. The county and the applicant may negotiate the terms of the obligation.

(c) In this section, "sponsored alien" means a person who has been lawfully admitted to the United States for permanent residence under the Immigration and Nationality Act (8 U.S.C. Section 1101 et seq.) and who, as a condition of admission, was sponsored by a person who executed an affidavit of support on behalf of the person.
Sec. 61.009. REPORTING REQUIREMENTS. (a) The department shall establish uniform reporting requirements for governmental entities that own, operate, or lease public hospitals providing assistance under this chapter and for counties.

(b) The reports must include information relating to:

(1) expenditures for and nature of hospital and health care provided to eligible residents;

(2) eligibility standards and procedures established by counties and governmental entities that own, operate, or lease public hospitals; and

(3) relevant characteristics of eligible residents.

Sec. 61.010. DEDICATED TAX REVENUES. If the governing body of a governmental entity adopts a property tax rate that exceeds the rate calculated under Section 26.04, Tax Code, by more than eight percent, and if a portion of the tax rate was designated to provide revenue for indigent health care services required by this chapter, the revenue produced by the portion of the tax rate designated for that purpose may be spent only to provide indigent health care services.

Sec. 61.011. SERVICES BY STATE HOSPITAL OR CLINIC. A state hospital or clinic shall be entitled to payment for services rendered to an eligible resident under the provisions of this chapter applicable to other providers. The department may adopt rules as necessary to implement this section.

Added by Acts 1999, 76th Leg., ch. 1377, Sec. 1.05, eff. Sept. 1,
Sec. 61.012. REIMBURSEMENT FOR SERVICES. (a) In this section, "sponsored alien" means a person who has been lawfully admitted to the United States for permanent residence under the Immigration and Nationality Act (8 U.S.C. Section 1101 et seq.) and who, as a condition of admission, was sponsored by a person who executed an affidavit of support on behalf of the person.

(b) A public hospital or hospital district that provides health care services to a sponsored alien under this chapter may recover from a person who executed an affidavit of support on behalf of the alien the costs of the health care services provided to the alien.

(c) A public hospital or hospital district described by Subsection (b) must notify a sponsored alien and a person who executed an affidavit of support on behalf of the alien, at the time the alien applies for health care services, that a person who executed an affidavit of support on behalf of a sponsored alien is liable for the cost of health care services provided to the alien.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.16(a), eff. September 28, 2011.

SUBCHAPTER B. COUNTY RESPONSIBILITY FOR PERSONS NOT RESIDING IN AN AREA SERVED BY A PUBLIC HOSPITAL OR HOSPITAL DISTRICT

Sec. 61.021. APPLICATION OF SUBCHAPTER. This subchapter applies to health care services and assistance provided to a person who does not reside in the service area of a public hospital or hospital district.

Sec. 61.022. COUNTY OBLIGATION. (a) A county shall provide health care assistance as prescribed by this subchapter to each of its eligible county residents.

(b) The county is the payor of last resort and shall provide assistance only if other adequate public or private sources of payment are not available.

Sec. 61.0221. AUTHORITY RELATING TO OTHER ASSISTANCE PROGRAMS. This subchapter does not affect the authority of the commissioners court of a county to provide eligibility standards or other requirements relating to assistance programs or services that are not covered by this subchapter.

Added by Acts 1999, 76th Leg., ch. 62, Sec. 13.11(g), eff. Sept. 1, 1999.

Sec. 61.023. GENERAL ELIGIBILITY PROVISIONS. (a) A person is eligible for assistance under this subchapter if:

1. the person does not reside in the service area of a public hospital or hospital district;
2. the person meets the basic income and resources requirements established by the department under Sections 61.006 and 61.008 and in effect when the assistance is requested; and
3. no other adequate source of payment exists.

(b) A county may use a less restrictive standard of eligibility for residents than prescribed by Subsection (a). A county may credit toward eligibility for state assistance under this subchapter the services provided to each person who is an eligible resident under a standard that incorporates a net income eligibility level that is less than 50 percent of the federal poverty level based on the federal Office of Management and Budget poverty index.

(c) A county may contract with the department to perform eligibility determination services.

(d) Not later than the beginning of a state fiscal year, the county shall adopt the eligibility standards it will use during that fiscal year and shall make a reasonable effort to notify the public of the standards. The county may change the eligibility standards to make them more or less restrictive than the preceding standards, but the standards may not be more restrictive than the standards established by the department under Section 61.006.

Sec. 61.024. COUNTY APPLICATION PROCEDURE. (a) A county shall adopt an application procedure.

(b) The county may use the application, documentation, and verification procedures established by the department under Sections 61.006 and 61.007 or may use a less restrictive application, documentation, or verification procedure.

(c) Not later than the beginning of a state fiscal year, the county shall specify the procedure it will use during that fiscal year to verify eligibility and the documentation required to support a request for assistance and shall make a reasonable effort to notify the public of the application procedure.

(d) The county shall furnish an applicant with written application forms.

(e) On request of an applicant, the county shall assist the applicant in filling out forms and completing the application process. The county shall inform an applicant of the availability of assistance.

(f) The county shall require an applicant to sign a written statement in which the applicant swears to the truth of the information supplied.

(g) The county shall explain to the applicant that if the application is approved, the applicant must report to the county any change in income or resources that might affect the applicant's eligibility. The report must be made not later than the 14th day after the date on which the change occurs. The county shall explain the possible penalties for failure to report a change.

(h) The county shall review each application and shall accept or deny the application not later than the 14th day after the date on which the county receives the completed application.

(i) The county shall provide a procedure for reviewing applications and for allowing an applicant to appeal a denial of assistance.

(j) The county shall provide an applicant written notification of the county's decision. If the county denies assistance, the written notification shall include the reason for the denial and an explanation of the procedure for appealing the denial.

(k) The county shall maintain the records relating to an application at least until the end of the third complete state fiscal
year following the date on which the application is submitted.

(1) If an applicant is denied assistance, the applicant may resubmit an application at any time circumstances justify a redetermination of eligibility.

Sec. 61.025. COUNTY AGREEMENT WITH MUNICIPALITY. (a) This section applies to a municipality that has a population of less than 15,000, that owns, operates, or leases a hospital, and that has made a transfer agreement before August 31, 1989, by the adoption of an ordinance, resolution, or order by the commissioners court and the governing body of the municipality.

(b) The transfer agreement may transfer partial responsibility to the county under which the municipal hospital continues to provide health care services to eligible residents of the municipality, but the county agrees to assume the hospital's responsibility to reimburse other providers who provide:

(1) mandatory inpatient or outpatient services to eligible residents that the municipal hospital cannot provide; or
(2) emergency services to eligible residents.

(c) The hospital is a public hospital for the purposes of this chapter, but it does not have a responsibility to provide reimbursement for services it cannot provide or for emergency services provided in another facility.

(d) Expenditures made by the county under Subsection (b) may be credited toward eligibility for state assistance under this subchapter if the person who received the health care services meets the eligibility standards established under Section 61.052 and would have been eligible for assistance under the county program if the person had not resided in a public hospital's service area.

(e) The agreement to transfer partial responsibility to a county under this section must take effect on a September 1 that occurs not later than two years after the date on which the county and municipality agree to the transfer. A county and municipality may not revoke or amend an agreement made under this section, except that the county may revoke or amend the agreement if a hospital district is created after the effective date of the agreement and the boundaries of the district cover all or part of the county.
(f) The county, the hospital, and any other entity in the county that provides services under this chapter shall adopt coordinated application and eligibility verification procedures. In establishing the coordinated procedures, the county and other entities shall focus on facilitating the efficient and timely referral of residents to the proper entity in the county. In addition, the procedures must comply with the requirements of Sections 61.024 and 61.053. Expenditures made by a county in establishing the coordinated procedures prescribed by this section may not be credited toward eligibility for state assistance under this subchapter.

Sec. 61.026. REVIEW OF ELIGIBILITY. A county shall review at least once every six months the eligibility of a resident for whom an application for assistance has been granted and who has received assistance under this chapter.

Sec. 61.027. CHANGE IN ELIGIBILITY STATUS. (a) An eligible resident must report any change in income or resources that might affect the resident's eligibility. The report must be made not later than the 14th day after the date on which the change occurs.

(b) If an eligible resident fails to report a change in income or resources as prescribed by this section and the change has made the resident ineligible for assistance under the standards adopted by the county, the resident is liable for any benefits received while ineligible. This section does not affect a person's criminal liability under any relevant statute.

Sec. 61.028. BASIC HEALTH CARE SERVICES. (a) A county shall, in accordance with department rules adopted under Section 61.006,
provide the following basic health care services:
(1) primary and preventative services designed to meet the needs of the community, including:
   (A) immunizations;
   (B) medical screening services; and
   (C) annual physical examinations;
(2) inpatient and outpatient hospital services;
(3) rural health clinics;
(4) laboratory and X-ray services;
(5) family planning services;
(6) physician services;
(7) payment for not more than three prescription drugs a month; and
(8) skilled nursing facility services, regardless of the patient's age.

(b) The county may provide additional health care services, but may not credit the assistance toward eligibility for state assistance, except as provided by Section 61.0285.

Sec. 61.0285. OPTIONAL HEALTH CARE SERVICES. (a) In addition to basic health care services provided under Section 61.028, a county may, in accordance with department rules adopted under Section 61.006, provide other medically necessary services or supplies that the county determines to be cost-effective, including:
(1) ambulatory surgical center services;
(2) diabetic and colostomy medical supplies and equipment;
(3) durable medical equipment;
(4) home and community health care services;
(5) social work services;
(6) psychological counseling services;
(7) services provided by physician assistants, nurse practitioners, certified nurse midwives, clinical nurse specialists, and certified registered nurse anesthetists;
(8) dental care;
(9) vision care, including eyeglasses;
(10) services provided by federally qualified health
centers, as defined by 42 U.S.C. Section 1396d(1)(2)(B);
(11) emergency medical services;
(12) physical and occupational therapy services; and
(13) any other appropriate health care service identified by department rule that may be determined to be cost-effective.

(b) A county must notify the department of the county's intent to provide services specified by Subsection (a). If the services are approved by the department under Section 61.006, or if the department fails to notify the county of the department's disapproval before the 31st day after the date the county notifies the department of its intent to provide the services, the county may credit the services toward eligibility for state assistance under this subchapter.

(c) A county may provide health care services that are not specified in Subsection (a), or may provide the services specified in Subsection (a) without actual or constructive approval of the department, but may not credit the services toward eligibility for state assistance.

Added by Acts 1999, 76th Leg., ch. 1377, Sec. 1.09, eff. Sept. 1, 1999. Amended by Acts 2001, 77th Leg., ch. 874, Sec. 9, eff. Sept. 1, 2001; Acts 2003, 78th Leg., ch. 892, Sec. 24, eff. Sept. 1, 2003. Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 947 (H.B. 871), Sec. 1, eff. September 1, 2011.

Sec. 61.029. PROVISION OF HEALTH CARE SERVICES. (a) A county may arrange to provide health care services through a local health department, a publicly owned facility, or a contract with a private provider regardless of the provider's location, or through the purchase of insurance for eligible residents.

(b) The county may affiliate with other governmental entities or with a public hospital or hospital district to provide regional administration and delivery of health care services.

(c) A county may provide or arrange to provide health care services for eligible county residents through the purchase of health coverage or other health benefits, including benefits described by Chapter 75.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:
Acts 2009, 81st Leg., R.S., Ch. 916 (H.B. 2963), Sec. 2, eff. September 1, 2009.

Sec. 61.030. MANDATED PROVIDER. A county may select one or more providers of health care services. The county may require eligible county residents to obtain care from a mandated provider except:

(1) in an emergency;
(2) when medically inappropriate; or
(3) when care is not available.

Sec. 61.031. NOTIFICATION OF PROVISION OF NONEMERGENCY SERVICES. (a) A county may require any provider, including a mandated provider, to obtain approval from the county before providing nonemergency health care services to an eligible county resident.

(b) If the county does not require prior approval and a provider delivers or will deliver nonemergency health care services to a patient who the provider suspects may be eligible for assistance under this subchapter, the provider shall notify the patient's county of residence that health care services have been or will be provided to the patient. The notice shall be made:

(1) by telephone not later than the 72nd hour after the provider determines the patient's county of residence; and
(2) by mail postmarked not later than the fifth working day after the date on which the provider determines the patient's county of residence.

(c) If the provider knows that the patient's county of residence has selected a mandated provider or if, after contacting the patient's county of residence, that county requests that the patient be transferred to a mandated provider, the provider shall transfer the patient to the mandated provider unless it is medically inappropriate to do so.

(d) Not later than the 14th day after the date on which the patient's county of residence receives sufficient information to determine eligibility, the county shall determine if the patient is
eligible for assistance from that county. If the county does not determine the patient's eligibility within that period, the patient is considered to be eligible. The county shall notify the provider of its decision.

(e) If a provider delivers nonemergency health care services to a patient who is eligible for assistance under this subchapter and fails to comply with this section, the provider is not eligible for payment for the services from the patient's county of residence.

Sec. 61.032. NOTIFICATION OF PROVISION OF EMERGENCY SERVICES.

(a) If a nonmandated provider delivers emergency services to a patient who the provider suspects might be eligible for assistance under this subchapter, the provider shall notify the patient's county of residence that emergency services have been or will be provided to the patient. The notice shall be made:

(1) by telephone not later than the 72nd hour after the provider determines the patient's county of residence; and

(2) by mail postmarked not later than the fifth working day after the date on which the provider determines the patient's county of residence.

(b) The provider shall attempt to determine the patient's county of residence when the patient first receives services.

(c) The provider, the patient, and the patient's family shall cooperate with the county of which the patient is presumed to be a resident in determining if the patient is an eligible resident of that county.

(d) Not later than the 14th day after the date on which the patient's county of residence receives notification and sufficient information to determine eligibility, the county shall determine if the patient is eligible for assistance from that county. If the county does not determine the patient's eligibility within that period, the patient is considered to be eligible. The county shall notify the provider of its decision.

(e) If the county and the provider disagree on the patient's residence or eligibility, the county or the provider may submit the matter to the department as provided by Section 61.004.
(f) If a provider delivers emergency services to a patient who is eligible for assistance under this subchapter and fails to comply with this section, the provider is not eligible for payment for the services from the patient's county of residence.

Sec. 61.033. PAYMENT FOR SERVICES. (a) To the extent prescribed by this chapter, a county is liable for health care services provided under this subchapter by any provider, including a public hospital or hospital district, to an eligible county resident. A county is not liable for payment for health care services provided:

(1) by any provider, including a public hospital or hospital district, to a resident of that county who resides in the service area of a public hospital or hospital district; or

(2) to an eligible resident of that county who does not reside within the service area of a public hospital or hospital district by a hospital having a Hill-Burton or state-mandated obligation to provide free services and considered to be in noncompliance with the requirements of the Hill-Burton or state-mandated obligation.

(b) To the extent prescribed by this chapter, if another source of payment does not adequately cover a health care service a county provides to an eligible county resident, the county shall pay for or provide the health care service for which other payment is not available.

Sec. 61.034. PAYMENT STANDARDS FOR HEALTH CARE SERVICES. (a) A county is not liable for the cost of a health care service provided under Section 61.028 or 61.0285 that is in excess of the payment standards for that service established by the department under Section 61.006.

(b) A county may contract with a provider of assistance to provide a health care service at a rate below the payment standard set by the department.
Sec. 61.035. LIMITATION OF COUNTY LIABILITY. The maximum county liability for each state fiscal year for health care services provided by all assistance providers, including a hospital and a skilled nursing facility, to each eligible county resident is:

(1) $30,000; or

(2) the payment of 30 days of hospitalization or treatment in a skilled nursing facility, or both, or $30,000, whichever occurs first, if the county provides hospital or skilled nursing facility services to the resident.

Sec. 61.036. DETERMINATION OF ELIGIBILITY FOR PURPOSES OF STATE ASSISTANCE. (a) A county may not credit an expenditure made to assist an eligible county resident toward eligibility for state assistance under this subchapter unless the county complies with the department's application, documentation, and verification procedures.

(b) Except as provided by Section 61.023(b), a county may not credit an expenditure for an applicant toward eligibility for state assistance if the applicant does not meet the department's eligibility standards.

(c) Regardless of the application, documentation, and verification procedures or eligibility standards established by the department under Subchapter A, a county may credit an expenditure for an eligible resident toward eligibility for state assistance if the eligible resident received the health care services at:

(1) a hospital maintained or operated by a state agency that has a contract with the county to provide health care services;

(2) a federally qualified health center delivering federally qualified health center services, as those terms are defined in 42 U.S.C. Sections 1396d(1)(2)(A) and (B), that has a contract with the county to provide health care services; or

(3) a hospital or other health care provider if the eligible resident is an inmate of a county jail or another county correctional facility.
(d) Regardless of the application, documentation, and verification procedures or eligibility standards established by the department under Subchapter A, a county may credit an intergovernmental transfer to the state toward eligibility for state assistance if the transfer was made to provide health care services as part of the Texas Healthcare Transformation and Quality Improvement Program waiver issued under 42 U.S.C. Section 1315.

(e) A county may credit toward eligibility for state assistance intergovernmental transfers made under Subsection (d) that in the aggregate do not exceed four percent of the county's general revenue levy in any state fiscal year, provided:

1. the commissioners court determines that the expenditure fulfills the county's obligations to provide indigent health care under this chapter;
2. the commissioners court determines that the amount of care available through participation in the waiver is sufficient in type and amount to meet the requirements of this chapter; and
3. the county receives periodic reports from health care providers that receive supplemental or incentive payments under the Texas Healthcare Transformation and Quality Improvement Program waiver that document the number and types of services provided to persons who are eligible to receive services under this chapter.

Acts 2005, 79th Leg., Ch. 1133 (H.B. 2618), Sec. 1, eff. September 1, 2005.
Acts 2013, 83rd Leg., R.S., Ch. 1007 (H.B. 2454), Sec. 1, eff. September 1, 2013.
Acts 2013, 83rd Leg., R.S., Ch. 1176 (S.B. 872), Sec. 1, eff. June 14, 2013.

Sec. 61.037. COUNTY ELIGIBILITY FOR STATE ASSISTANCE. (a) The department may distribute funds as provided by this subchapter to eligible counties to assist the counties in providing health care services under Sections 61.028 and 61.0285 to their eligible county residents.
(b) Except as provided by Subsection (c), (d), (e), or (g), to be eligible for state assistance, a county must:

(1) spend in a state fiscal year at least eight percent of the county general revenue levy for that year to provide health care services described by Subsection (a) to its eligible county residents who qualify for assistance under Section 61.023; and

(2) notify the department, not later than the seventh day after the date on which the county reaches the expenditure level, that the county has spent at least six percent of the applicable county general revenue levy for that year to provide health care services described by Subsection (a) to its eligible county residents who qualify for assistance under Section 61.023.

(c) If a county and a health care provider signed a contract on or before January 1, 1985, under which the provider agrees to furnish a certain level of health care services to indigent persons, the value of services furnished in a state fiscal year under the contract is included as part of the computation of a county expenditure under this section if the value of services does not exceed the payment rate established by the department under Section 61.006.

(d) If a hospital district is located in part but not all of a county, that county's appraisal district shall determine the taxable value of the property located inside the county but outside the hospital district. In determining eligibility for state assistance, that county shall consider only the county general revenue levy resulting from the property located outside the hospital district. A county is eligible for state assistance if:

(1) the county spends in a state fiscal year at least eight percent of the county general revenue levy for that year resulting from the property located outside the hospital district to provide health care services described by Subsection (a) to its eligible county residents who qualify for assistance under Section 61.023; and

(2) the county complies with the other requirements of this subchapter.

(e) A county that provides health care services described by Subsection (a) to its eligible residents through a hospital established by a board of managers jointly appointed by a county and a municipality under Section 265.011 is eligible for state assistance if:

(1) the county spends in a state fiscal year at least eight percent
percent of the county general revenue levy for the year to provide
the health care services to its eligible county residents who qualify
for assistance under Section 61.052; and
(2) the county complies with the requirements of this
subchapter.

(f) If a county anticipates that it will reach the eight
percent expenditure level, the county must notify the department as
soon as possible before the anticipated date on which the county will
reach the level.

(g) The department may waive the requirement that the county
meet the minimum expenditure level imposed by Subsection (b), (d), or
(e) and provide state assistance under this chapter at a lower level
determined by the department if the county demonstrates, through an
appropriate actuarial analysis, that the county is unable to satisfy
the eight percent expenditure level:

(1) because, although the county's general revenue tax levy
has increased significantly, expenditures for health care services
described by Subsection (a) have not increased by the same
percentage;

(2) because the county is at the maximum allowable ad
valorem tax rate, has a small population, or has insufficient taxable
property; or

(3) because of a similar reason.

(h) The department shall adopt rules governing the
circumstances under which a waiver may be granted under Subsection
(g) and the procedures to be used by a county to apply for the
waiver. The procedures must provide that the department shall make a
determination with respect to an application for a waiver not later
than the 90th day after the date the application is submitted to the
department in accordance with the procedures established by the
department. To be eligible for state assistance under Subsection
(g), a county must submit monthly financial reports, in the form
required by the department, covering the 12-month period preceding
the date on which the assistance is sought.

(i) The county must give the department all necessary
information so that the department can determine if the county meets
the requirements of Subsection (b), (d), (e), or (g).

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1997, 75th Leg., ch. 651, Sec. 1, eff. June 11, 1997; Acts
Sec. 61.038. DISTRIBUTION OF ASSISTANCE FUNDS. (a) If the department determines that a county is eligible for assistance, the department shall distribute funds appropriated to the department from the indigent health care assistance fund or any other available fund to the county to assist the county in providing health care services under Sections 61.028 and 61.0285 to its eligible county residents who qualify for assistance as described by Section 61.037.

(b) State funds provided under this section to a county must be equal to at least 90 percent of the actual payment for the health care services for the county's eligible residents during the remainder of the state fiscal year after the eight percent expenditure level is reached.

Sec. 61.039. FAILURE TO PROVIDE STATE ASSISTANCE. If the department fails to provide assistance to an eligible county as prescribed by Section 61.038, the county is not liable for payments for health care services provided to its eligible county residents after the county reaches the eight percent expenditure level.

Sec. 61.0395. LIMITED TO APPROPRIATED FUNDS. (a) The total amount of state assistance provided to counties under this chapter for a fiscal year may not exceed the amount appropriated for that purpose for that fiscal year.

(b) The department may adopt rules governing the distribution of state assistance under this chapter that establish a maximum annual allocation for each county eligible for assistance under this chapter in compliance with Subsection (a).

(c) The rules adopted under this section:
(1) may consider the relative populations of the service areas of eligible counties and other appropriate factors; and

(2) notwithstanding Subsection (b), may provide for, at the end of each state fiscal year, the reallocation of all money that is allocated to a county under Subsection (b) but that the county is not eligible to receive and the distribution of that money to other eligible counties.

Sec. 61.040. TAX INFORMATION. The comptroller shall give the department information relating to:

(1) the taxable value of property taxable by each county and each county's applicable general revenue tax levy for the relevant period; and

(2) the amount of sales and use tax revenue received by each county for the relevant period.

Sec. 61.041. COUNTY REPORTING. (a) The department shall establish monthly reporting requirements for a county seeking state assistance and establish procedures necessary to determine if the county is eligible for state assistance.

(b) The department shall establish requirements relating to:

(1) documentation required to verify the eligibility of residents to whom the county provides assistance; and

(2) county expenditures for health care services under Sections 61.028 and 61.0285.

(c) The department may audit county records to determine if the county is eligible for state assistance.

(d) The department shall establish annual reporting requirements for each county that is required to provide indigent health care under this chapter but that is not required to report under Subsection (a). A county satisfies the annual reporting
requirement of this subsection if the county submits information to
the department as required by law to obtain an annual distribution
under the Agreement Regarding Disposition of Settlement Proceeds
filed on July 24, 1998, in the United States District Court, Eastern
District of Texas, in the case styled The State of Texas v. The
American Tobacco Co., et al., No. 5-96CV-91.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1999, 76th Leg., ch. 1377, Sec. 1.16, eff. Sept. 1, 1999.

Sec. 61.042. EMPLOYMENT SERVICES PROGRAM. (a) A county may
establish procedures consistent with those used by the Texas
Department of Human Services under Chapter 31, Human Resources Code,
for administering an employment services program and requiring an
applicant or eligible resident to register for work with the Texas
Employment Commission.

(b) The county shall notify all persons with pending
applications and eligible residents of the employment service program
requirements not less than 30 days before the program is established.

Added by Acts 1993, 73rd Leg., ch. 880, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 1995, 74th Leg., ch. 76, Sec. 8.122, eff. Sept. 1,
1995.

Sec. 61.043. PREVENTION AND DETECTION OF FRAUD. (a) The
county shall adopt reasonable procedures for minimizing the
opportunity for fraud, for establishing and maintaining methods for
detecting and identifying situations in which a question of fraud may
exist, and for administrative hearings to be conducted on
disqualifying persons in cases where fraud appears to exist.

(b) Procedures established by a county for administrative
hearings conducted under this section shall provide for appropriate
due process, including procedures for appeals.

Added by Acts 1993, 73rd Leg., ch. 880, Sec. 1, eff. Sept. 1, 1993.

Sec. 61.044. SUBROGATION. (a) The filing of an application
for or receipt of services constitutes an assignment of the
applicant's or recipient's right of recovery from:

(1) personal insurance;
(2) other sources; or
(3) another person for personal injury caused by the other person's negligence or wrong.

(b) A person who applies for or receives services shall inform the county, at the time of application or at any time during eligibility, of any unsettled tort claim that may affect medical needs and of any private accident or sickness insurance coverage that is or may become available. An applicant or eligible resident shall inform the county of any injury that is caused by the act or failure to act of some other person. An applicant or eligible resident shall inform the county as required by this subsection within 10 days of the date the person learns of the person's insurance coverage, tort claim, or potential cause of action.

(c) A claim for damages for personal injury does not constitute grounds for denying or discontinuing services under this chapter.

(d) A separate and distinct cause of action in favor of the county is hereby created, and the county may, without written consent, take direct civil action in any court of competent jurisdiction. A suit brought under this section need not be ancillary to or dependent on any other action.

(e) The county's right of recovery is limited to the amount of the cost of services paid by the county. Other subrogation rights granted under this section are limited to the cost of the services provided.

(f) An applicant or eligible resident who knowingly and intentionally fails to disclose the information required by Subsection (b) commits a Class C misdemeanor.

(g) An applicant or eligible resident is subject to denial of services under this chapter following an administrative hearing.

Added by Acts 1993, 73rd Leg., ch. 880, Sec. 1, eff. Sept. 1, 1993.

SUBCHAPTER C. PERSONS WHO RESIDE IN AN AREA SERVED BY A PUBLIC HOSPITAL OR HOSPITAL DISTRICT

Sec. 61.051. APPLICATION OF SUBCHAPTER. (a) This subchapter applies to health care services and assistance provided to a person who resides in the service area of a public hospital or hospital...
(b) For the purposes of this subchapter, a hospital is not considered to be a public hospital and is not responsible for providing care under this subchapter if the hospital:

(1) is owned, operated, or leased by a municipality with a population of less than 5,500;

(2) was leased before January 1, 1981, by a municipality that at the time of the lease did not have a legal obligation to provide indigent health care; or

(3) was established under Section 265.031.

Sec. 61.052. GENERAL ELIGIBILITY PROVISIONS. (a) A public hospital or hospital district shall provide health care assistance to each eligible resident in its service area who meets:

(1) the basic income and resources requirements established by the department under Sections 61.006 and 61.008 and in effect when the assistance is requested; or

(2) a less restrictive income and resources standard adopted by the hospital or hospital district serving the area in which the person resides.

(b) If a public hospital used an income and resources standard during the operating year that ended before January 1, 1985, that was less restrictive than the income and resources requirements established by the department under Section 61.006, the hospital shall adopt that standard to determine eligibility under this subchapter.

(c) If a public hospital did not use an income and resources standard during the operating year that ended before January 1, 1985, but had a Hill-Burton obligation during part of that year, the hospital shall adopt the standard the hospital used to meet the Hill-Burton obligation to determine eligibility under this subchapter.

(d) A public hospital established after September 1, 1985, shall provide health care services to each resident who meets the income and resources requirements established by the department under Sections 61.006 and 61.008, or the hospital may adopt a less restrictive income and resources standard. The hospital may adopt a
less restrictive income and resources standard at any time.

(e) If because of a change in the income and resources requirements established by the department under Sections 61.006 and 61.008 the standard adopted by a public hospital or hospital district becomes stricter than the requirements established by the department, the hospital or hospital district shall change its standard to at least comply with the requirements established by the department.

(f) A public hospital or hospital district may contract with the department to perform eligibility determination services.

(g) A county that provides health care services to its eligible residents through a hospital established by a board of managers jointly appointed by a county and a municipality under Section 265.011 and that establishes an income and resources standard in accordance with Subsection (a)(2) may credit the services provided to all persons who are eligible under that standard toward eligibility for state assistance as described by Section 61.037(e).

Sec. 61.053. APPLICATION PROCEDURE. (a) A public hospital or hospital district shall adopt an application procedure.

(b) Not later than the beginning of a public hospital's or hospital district's operating year, the hospital or district shall specify the procedure it will use during the operating year to determine eligibility and the documentation required to support a request for assistance and shall make a reasonable effort to notify the public of the procedure.

(c) The public hospital or hospital district shall furnish an applicant with written application forms.

(d) On request of an applicant, the public hospital or hospital district shall assist an applicant in filling out forms and completing the application process. The hospital or district shall inform an applicant of the availability of assistance.

(e) The public hospital or hospital district shall require an applicant to sign a written statement in which the applicant swears to the truth of the information supplied.

(f) The public hospital or hospital district shall explain to the applicant that if the application is approved, the applicant must
report to the hospital or district any change in income or resources that might affect the applicant's eligibility. The report must be made not later than the 14th day after the date on which the change occurs. The hospital or district shall explain the possible penalties for failure to report a change.

(g) The public hospital or hospital district shall review each application and shall accept or deny the application not later than the 14th day after the date on which the hospital or district receives the completed application.

(h) The public hospital or hospital district shall provide a procedure for reviewing applications and for allowing an applicant to appeal a denial of assistance.

(i) The public hospital or hospital district shall provide an applicant written notification of the hospital's or district's decision. If the hospital or district denies assistance, the written notification shall include the reason for the denial and an explanation of the procedure for appealing the denial.

(j) The public hospital or hospital district shall maintain the records relating to an application for at least three years after the date on which the application is submitted.

(k) If an applicant is denied assistance, the applicant may resubmit an application at any time circumstances justify a redetermination of eligibility.

Sec. 61.054. BASIC HEALTH CARE SERVICES PROVIDED BY A PUBLIC HOSPITAL. (a) Except as provided by Subsection (c), a public hospital shall endeavor to provide the basic health care services a county is required to provide under Section 61.028.

(b) If a public hospital provided additional health care services to eligible residents during the operating year that ended before January 1, 1985, the hospital shall continue to provide those services.

(c) A public hospital shall coordinate the delivery of basic health care services to eligible residents and may provide any basic health care services the hospital was not providing on January 1, 1999, but only to the extent the hospital is financially able to do so.
(d) A public hospital may provide health care services in addition to basic health care services.

Sec. 61.055. BASIC HEALTH CARE SERVICES PROVIDED BY HOSPITAL DISTRICTS. (a) Except as provided by Subsection (b), a hospital district shall endeavor to provide the basic health care services a county is required to provide under Section 61.028, together with any other services required under the Texas Constitution and the statute creating the district.

(b) A hospital district shall coordinate the delivery of basic health care services to eligible residents and may provide any basic health care services the district was not providing on January 1, 1999, but only to the extent the district is financially able to do so.

(c) This section may not be construed to discharge a hospital district from its obligation to provide the health care services required under the Texas Constitution and the statute creating the district.

Sec. 61.056. PROVISION OF HEALTH CARE SERVICES. (a) A public hospital or hospital district may arrange to provide health care services through a local health department, a publicly owned facility, or a contract with a private provider regardless of the provider's location, or through the purchase of insurance for eligible residents.

(b) The public hospital or hospital district may affiliate with other public hospitals or hospital districts or with a governmental entity to provide regional administration and delivery of health care services.

(c) A hospital district created in a county with a population of more than 800,000 that was not included in the boundaries of a hospital district before September 1, 2003, may affiliate with any public or private entity to provide regional administration and
delivery of health care services. The regional affiliation, in accordance with the affiliation agreement, shall use money contributed by an affiliated governmental entity to provide health care services to an eligible resident of that governmental entity.

Text of subsection as added by Acts 2009, 81st Leg., R.S., Ch. 217 (S.B. 1063), Sec. 3

(d) A hospital district created in a county with a population of more than 800,000 that was not included in the boundaries of a hospital district before September 1, 2003, may provide or arrange to provide health care services for eligible residents through the purchase of health coverage or other health benefits, including benefits described by Chapter 75. For purposes of this subsection, the board of managers of the district has the powers and duties provided to the commissioners court of a county under Chapter 75.

Text of subsection as added by Acts 2009, 81st Leg., R.S., Ch. 916 (H.B. 2963), Sec. 3

(d) A public hospital or hospital district may provide or arrange to provide health care services for eligible residents through the purchase of health coverage or other health benefits, including benefits described by Chapter 75. For purposes of this subsection, the board of directors or managers of the hospital or district have the powers and duties provided to the commissioners court of a county under Chapter 75.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 164 (S.B. 1107), Sec. 3, eff. September 1, 2007.
Acts 2009, 81st Leg., R.S., Ch. 217 (S.B. 1063), Sec. 3, eff. May 27, 2009.
Acts 2009, 81st Leg., R.S., Ch. 916 (H.B. 2963), Sec. 3, eff. September 1, 2009.

Sec. 61.057. MANDATED PROVIDER. A public hospital may select one or more providers of health care services. A public hospital may require eligible residents to obtain care from a mandated provider except:

(1) in an emergency;
(2) when medically inappropriate; or
Sec. 61.058. NOTIFICATION OF PROVISION OF NONEMERGENCY SERVICES. (a) A public hospital may require any provider, including a mandated provider, to obtain approval from the hospital before providing nonemergency health care services to an eligible resident in the hospital's service area.

(b) If the public hospital does not require prior approval and a provider delivers or will deliver nonemergency health care services to a patient who the provider suspects might be eligible for assistance under this subchapter, the provider shall notify the hospital that health care services have been or will be provided to the patient. The notice shall be made:

(1) by telephone not later than the 72nd hour after the provider determines that the patient resides in the hospital's service area; and

(2) by mail postmarked not later than the fifth working day after the date on which the provider determines that the patient resides in the hospital's service area.

(c) If the provider knows that the public hospital serving the area in which the patient resides has selected a mandated provider or if, after contacting the hospital, the hospital requests that the patient be transferred to a mandated provider, the provider shall transfer the patient to the mandated provider unless it is medically inappropriate to do so.

(d) Not later than the 14th day after the date on which the public hospital receives sufficient information to determine eligibility, the hospital shall determine if the patient is eligible for assistance from the hospital. If the hospital does not determine the patient's eligibility within that period, the patient is considered to be eligible. The hospital shall notify the provider of its decision.

(e) If a provider delivers nonemergency health care services to a patient who is eligible for assistance under this subchapter and fails to comply with this section, the provider is not eligible for payment for the services from the public hospital serving the area in which the patient resides.
Sec. 61.059. NOTIFICATION OF PROVISION OF EMERGENCY SERVICES.

(a) If a nonmandated provider delivers emergency services to a patient who the provider suspects might be eligible for assistance under this subchapter, the provider shall notify the hospital that emergency services have been or will be provided to the patient. The notice shall be made:

(1) by telephone not later than the 72nd hour after the provider determines that the patient resides in the hospital's service area; and

(2) by mail postmarked not later than the fifth working day after the date on which the provider determines that the patient resides in the hospital's service area.

(b) The provider shall attempt to determine if the patient resides in a public hospital's service area when the patient first receives services.

(c) The provider, the patient, and the patient's family shall cooperate with the public hospital in determining if the patient is an eligible resident of the hospital's service area.

(d) Not later than the 14th day after the date on which the public hospital receives sufficient information to determine eligibility, the hospital shall determine if the patient is eligible for assistance from the hospital. If the hospital does not determine the patient's eligibility within that period, the patient is considered to be eligible. The hospital shall notify the provider of its decision.

(e) If the public hospital and the provider disagree on the patient's residence or eligibility, the hospital or the provider may submit the matter to the department as provided by Section 61.004.

(f) If a provider delivers emergency services to a patient who is eligible for assistance under this subchapter and fails to comply with this section, the provider is not eligible for payment for the services from the public hospital serving the area in which the patient resides.

(g) If emergency services are customarily available at a facility operated by a public hospital, that hospital is not liable for emergency services furnished to an eligible resident by another...
Sec. 61.060. PAYMENT FOR SERVICES. (a) To the extent prescribed by this chapter, a public hospital is liable for health care services provided under this subchapter by any provider, including another public hospital, to an eligible resident in the hospital's service area. A public hospital is not liable for payment for health care services provided to:

(1) a person who does not reside in the hospital's service area; or

(2) an eligible resident of the hospital's service area by a hospital having a Hill-Burton or state-mandated obligation to provide free services and considered to be in noncompliance with the requirements of the Hill-Burton or state-mandated obligation.

(b) A hospital district is liable for health care services as provided by the Texas Constitution and the statute creating the district.

(c) A public hospital is the payor of last resort under this subchapter and is not liable for payment or assistance to an eligible resident in the hospital's service area if any other public or private source of payment is available.

(d) If another source of payment does not adequately cover a health care service a public hospital provides to an eligible resident of the hospital's service area, the hospital shall pay for or provide the health care service for which other payment is not available.

Sec. 61.061. PAYMENT RATES AND LIMITS. The payment rates and limits prescribed by Sections 61.034 and 61.035 that relate to county services apply to inpatient and outpatient hospital services a public hospital is required to provide if:

(1) the hospital cannot provide the services or emergency services that are required; and
the services are provided by an entity other than the hospital.

Sec. 61.062. RESPONSIBILITY OF GOVERNMENTAL ENTITY. A governmental entity that owns, operates, or leases a public hospital shall provide sufficient funding to the hospital to provide basic health care services.

Sec. 61.063. PROCEDURE TO CHANGE ELIGIBILITY STANDARDS OR SERVICES PROVIDED. (a) A public hospital may not change its eligibility standards to make the standards more restrictive and may not reduce the health care services it offers unless it complies with the requirements of this section.

(b) Not later than the 90th day before the date on which a change would take effect, the public hospital must publish notice of the proposed change in a newspaper of general circulation in the hospital's service area and set a date for a public hearing on the change. The published notice must include the date, time, and place of the public meeting. The notice is in addition to the notice required by Chapter 551, Government Code.

(c) Not later than the 30th day before the date on which the change would take effect, the public hospital must conduct a public meeting to discuss the change. The meeting must be held at a convenient time in a convenient location in the hospital's service area. Members of the public may testify at the meeting.

(d) If, based on the public testimony and on other relevant information, the governing body of the hospital finds that the change would not have a detrimental effect on access to health care for the residents the hospital serves, the hospital may adopt the change. That finding must be formally adopted.

Sec. 61.064. TRANSFER OF A PUBLIC HOSPITAL. (a) A governmental entity that owns, operates, or leases a public hospital and that closes, sells, or leases the hospital:

(1) has the obligation to provide basic health care services under this chapter;
(2) shall adopt the eligibility standards that the hospital was or would have been required to adopt; and
(3) shall provide the same services the hospital was or would have been required to provide under this chapter on the date of the closing, sale, or lease.

(b) If the governmental entity owned, operated, or leased the public hospital before January 1, 1985, and sold or leased the hospital on or after that date but before September 1, 1986, the obligation retained is the obligation the hospital would have had on September 1, 1986.

(c) Notwithstanding Subsections (a) and (b), if a hospital district that owns, operates, or leases a public hospital dissolves, the district has no responsibility under this chapter. If on or before dissolution the district sold or transferred its hospital to another governmental entity, that governmental entity assumes the district's responsibility to provide health care services in accordance with this subchapter. If the district did not sell or transfer the hospital to another governmental entity, the county shall provide health care services to the residents of the district's service area in accordance with Subchapter B.

(d) This section does not apply to a governmental entity that sold or leased a public hospital to a hospital district or a hospital authority on or after January 1, 1985, but before September 1, 1986. If a governmental entity sold or leased a hospital as provided by this subsection, the hospital ceased being a public hospital for the purposes of this chapter on the date it was sold or leased, and neither the governmental entity nor the hospital district or hospital authority has any responsibility under this chapter.

Sec. 61.065. COUNTY RESPONSIBILITY FOR HOSPITAL SOLD ON OR AFTER JANUARY 1, 1988. (a) This section applies to a county that,
on or after January 1, 1988, sells to a purchaser that is not a governmental entity a county hospital that was leased at the time of the sale to a person who is not a governmental entity.

(b) On the date the hospital is sold, the hospital ceases being a public hospital for the purposes of this chapter, and the county shall provide health care services to county residents in accordance with Subchapter B.

(c) If the contract for the sale of the hospital provides for the provision by the hospital of health care services to county residents, the value of the health care services credited or paid in a state fiscal year under the contract is included as part of the computation of a county expenditure under Section 61.037 to the extent that the value of the services does not exceed the payment standard established by the department for allowed inpatient and outpatient services.

Added by Acts 1989, 71st Leg., ch. 1100, Sec. 5.10(c), eff. Sept. 1, 1989.

Sec. 61.066. PREVENTION AND DETECTION OF FRAUD. (a) A hospital district may adopt reasonable procedures for minimizing the opportunity for fraud, for establishing and maintaining methods for detecting and identifying situations in which a question of fraud may exist, and for administrative hearings to be conducted on disqualifying persons in cases where fraud appears to exist.

(b) Procedures established by a hospital district for administrative hearings conducted under this section shall provide for appropriate due process, including procedures for appeals.

(c) A hospital district may recover, from the eligible resident perpetrating a fraud, an amount equal to the value of any fraudulently obtained health care services provided to the eligible resident disqualified under this section.

Added by Acts 2001, 77th Leg., ch. 563, Sec. 1, eff. Aug. 27, 2001. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1320 (S.B. 303), Sec. 1, eff. September 1, 2011.

Sec. 61.067. LIEN BY NON-PROVIDER HOSPITAL DISTRICT. (a) This
section applies to a hospital district that does not operate a hospital.

(b) After the hospital district pays the providing hospital for the actual cost of the service, the district may file a lien on a tort cause of action or claim of an eligible resident who receives health care services for injuries caused by an accident that is attributed to the negligence of another person.

(c) A person who applies for or receives health care services shall inform the hospital district, at the time of application or at any time during eligibility for services, of:

(1) any unsettled tort claim that may affect medical needs;
(2) any private accident or health insurance coverage that is or may become available; and
(3) any injury that is caused by the act or failure to act of some other person.

(d) An applicant or eligible resident shall inform the hospital district of information required by Subsection (c) within 30 days of the date the person learns of the person's insurance coverage, tort claim, or potential cause of action.

(e) A claim for damages for personal injury does not constitute grounds for denying or discontinuing services under this chapter.

(f)(1) A lien under this chapter attaches to:

(A) a tort cause of action for damages arising from an injury for which the injured eligible resident receives health care services;

(B) a judgment of a court in this state or the decision of a public agency in a proceeding brought by the eligible resident or by another person entitled to bring the suit in case of the death of the eligible resident to recover tort damages arising from an injury for which the eligible resident receives health care services; and

(C) the proceeds of a settlement of a tort cause of action or a tort claim by the eligible resident or another person entitled to make the claim, arising from an injury for which the eligible resident receives health care services.

(2) If the eligible resident has health insurance, the providing hospital is obligated to timely bill the applicable health insurer in accordance with Chapter 146, Civil Practice and Remedies Code.

(g) The lien does not attach to a claim under the workers'
compensation law of this state, the Federal Employees Liability Act, or the Federal Longshore and Harbor Workers' Compensation Act.

(h) A hospital district's lien established under Subsection (b) is for the amount actually paid by the hospital district for services provided to the eligible resident for health care services caused by an accident that is attributed to the negligence of another person.

(i) To secure the lien, a hospital district must file written notice of the lien with the county clerk of the county in which the services were provided. The notice must be filed and indexed before money is paid by the third-party liability insurer. The notice must contain:

1. the injured individual's name and address;
2. the date of the accident;
3. the name and location of the hospital district claiming the lien; and
4. the name of the person alleged to be liable for damages arising from the injury, if known.

(j) The county clerk shall record the name of the injured individual, the date of the accident, and the name and address of the hospital district and shall index the record in the name of the injured individual.

(k) The procedures set forth in Sections 55.006 and 55.007, Property Code, for discharging and releasing the lien shall apply to liens filed under this section.

(l) Procedures established by a hospital district for administrative hearings under this section shall provide for appropriate due process, including procedures for appeals.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1320 (S.B. 303), Sec. 2, eff. September 1, 2011.

Sec. 61.068. EMPLOYMENT SERVICES PROGRAM. (a) A public hospital or hospital district may establish procedures consistent with those used by the Health and Human Services Commission under Chapter 31, Human Resources Code, for administering an employment services program and requiring an applicant or eligible resident to register for work with the Texas Workforce Commission.

(b) The public hospital or hospital district shall notify each person with a pending application and all eligible residents of the
requirements of the employment services program not less than 30 days before the program is established.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1206 (S.B. 304), Sec. 1, eff. June 17, 2011.
Redesignated from Health and Safety Code, Section 61.067 by Acts 2013, 83rd Leg., R.S., Ch. 161 (S.B. 1093), Sec. 22.001(24), eff. September 1, 2013.

CHAPTER 62. CHILD HEALTH PLAN FOR CERTAIN LOW-INCOME CHILDREN

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 62.001. OBJECTIVE OF THE STATE CHILD HEALTH PLAN. The principal objective of the state child health plan is to provide primary and preventative health care to low-income, uninsured children of this state, including children with special health care needs, who are not served by or eligible for other state assisted health insurance programs.

Sec. 62.002. DEFINITIONS. In this chapter:
(1) "Commission" means the Health and Human Services Commission.
(2) "Commissioner" means the commissioner of health and human services.
(3) "Health plan provider" means an insurance company, health maintenance organization, or other entity that provides health benefits coverage under the child health plan program. The term includes a primary care case management provider network.
(4) "Net family income" means the amount of income established for a family after reduction for offsets for child care expenses, in accordance with standards applicable under the Medicaid program.

Amended by Acts 2003, 78th Leg., ch. 198, Sec. 2.45, eff. Sept. 1, 2003.
Amended by:
Acts 2007, 80th Leg., R.S., Ch. 1353 (H.B. 109), Sec. 1, eff.

Sec. 62.003. NOT AN ENTITLEMENT; TERMINATION OF PROGRAM. (a) This chapter does not establish an entitlement to assistance in obtaining health benefits for a child.

(b) The program established under this chapter terminates at the time that federal funding terminates under Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.), as amended, unless a successor program providing federal funding for a state-designed child health plan program is created.

(c) Unless the legislature authorizes the expenditure of other revenue for the program established under this chapter, the program terminates on the date that money obtained by the state as a result of the Comprehensive Settlement Agreement and Release filed in the case styled The State of Texas v. The American Tobacco Co., et al., No. 5-96CV-91, in the United States District Court, Eastern District of Texas, is no longer available to provide state funding for the program.

Sec. 62.004. FEDERAL LAW AND REGULATIONS. The commissioner shall monitor federal legislation affecting Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.) and changes to the federal regulations implementing that law. If the commissioner determines that a change to Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.) or the federal regulations implementing that law conflicts with this chapter, the commissioner shall report the changes to the governor, lieutenant governor, and speaker of the house of representatives, with recommendations for legislation necessary to implement the federal law or regulations, seek a waiver, or withdraw from participation.

SUBCHAPTER B. ADMINISTRATION OF CHILD HEALTH PLAN PROGRAM

Sec. 62.051. DUTIES OF COMMISSION. (a) The commission shall develop a state-designed child health plan program to obtain health
benefits coverage for children in low-income families. The
commission shall ensure that the child health plan program is
designed and administered in a manner that qualifies for federal
funding under Title XXI of the Social Security Act (42 U.S.C. Section
1397aa et seq.), as amended, and any other applicable law or
regulations.

(b) The commission is the agency responsible for making policy
for the child health plan program, including policy related to
covered benefits provided under the child health plan. The
commission may not delegate this duty to another agency or entity.

(c) The commission shall oversee the implementation of the
child health plan program and coordinate the activities of each
agency necessary to the implementation of the program, including the
Texas Department of Health, Texas Department of Human Services, and
Texas Department of Insurance.

(d) The commission shall adopt rules as necessary to implement
this chapter. The commission may require the Texas Department of
Health, the Texas Department of Human Services, or any other health
and human services agency to adopt, with the approval of the
commission, any rules that may be necessary to implement the program.
With the consent of another agency, including the Texas Department of
Insurance, the commission may delegate to that agency the authority
to adopt, with the approval of the commission, any rules that may be
necessary to implement the program.

(e) The commission shall conduct a review of each entity that
enters into a contract under Section 62.055 or Section 62.155, to
ensure that the entity is available, prepared, and able to fulfill
the entity's obligations under the contract in compliance with the
contract, this chapter, and rules adopted under this chapter.

(f) The commission shall ensure that the amounts spent for
administration of the child health plan program do not exceed any
limit on those expenditures imposed by federal law.

Sec. 62.052. DUTIES OF TEXAS DEPARTMENT OF HEALTH. (a) The
commission may direct the Texas Department of Health to:

(1) implement contracts with health plan providers under
Section 62.155;
monitor the health plan providers, through reporting requirements and other means, to ensure performance under the contracts and quality delivery of services;

(3) monitor the quality of services delivered to enrollees through outcome measurements including:

(A) rate of hospitalization for ambulatory sensitive conditions, including asthma, diabetes, epilepsy, dehydration, gastroenteritis, pneumonia, and UTI/kidney infection;

(B) rate of hospitalization for injuries;

(C) percent of enrolled adolescents reporting risky health behavior such as injuries, tobacco use, alcohol/drug use, dietary behavior, physical activity, or other health related behaviors; and

(D) percent of adolescents reporting attempted suicide; and

(4) provide payment under the contracts to the health plan providers.

(b) The commission, or the Texas Department of Health under the direction of and in consultation with the commission, shall adopt rules as necessary to implement this section.

Sec. 62.053. DUTIES OF TEXAS DEPARTMENT OF HUMAN SERVICES. (a) Under the direction of the commission, the Texas Department of Human Services may:

(1) accept applications for coverage under the child health plan and implement the child health plan program eligibility screening and enrollment procedures;

(2) resolve grievances relating to eligibility determinations; and

(3) coordinate the child health plan program with the Medicaid program.

(b) If the commission contracts with a third party administrator under Section 62.055, the commission may direct the Texas Department of Human Services to:

(1) implement the contract;

(2) monitor the third party administrator, through reporting requirements and other means, to ensure performance under
the contract and quality delivery of services; and

(3) provide payment under the contract to the third party administrator.

(c) The commission, or the Texas Department of Human Services under the direction of and in consultation with the commission, shall adopt rules as necessary to implement this section.

Sec. 62.054. DUTIES OF TEXAS DEPARTMENT OF INSURANCE. (a) At the request of the commission, the Texas Department of Insurance shall provide any necessary assistance with the development of the child health plan. The department shall monitor the quality of the services provided by health plan providers and resolve grievances relating to the health plan providers.

(b) The commission and the Texas Department of Insurance may adopt a memorandum of understanding that addresses the responsibilities of each agency in developing the plan.

(c) The Texas Department of Insurance, in consultation with the commission, shall adopt rules as necessary to implement this section.

Sec. 62.055. CONTRACTS FOR IMPLEMENTATION OF CHILD HEALTH PLAN. (a) It is the intent of the legislature that the commission maximize the use of private resources in administering the child health plan created under this chapter. In administering the child health plan, the commission may contract with a third party administrator to provide enrollment and related services under the state child health plan.

(b), (c) Repealed by Acts 2003, 78th Leg., ch. 198, Sec. 2.156(a)(1).

(d) A third party administrator may perform tasks under the contract that would otherwise be performed by the Texas Department of Health or Texas Department of Human Services under this chapter.

(e) The commission shall:

(1) retain all policymaking authority over the state child health plan;

(2) procure all contracts with a third party administrator
through a competitive procurement process in compliance with all applicable federal and state laws or regulations; and

(3) ensure that all contracts with child health plan providers under Section 62.155 are procured through a competitive procurement process in compliance with all applicable federal and state laws or regulations.

Sec. 62.056. COMMUNITY OUTREACH CAMPAIGN; TOLL-FREE HOTLINE.
(a) The commission shall conduct a community outreach and education campaign to provide information relating to the availability of health benefits for children under this chapter. The commission shall conduct the campaign in a manner that promotes enrollment in, and minimizes duplication of effort among, all state-administered child health programs.

(b) The community outreach campaign must include:

(1) outreach efforts that involve school-based health clinics;

(2) a toll-free telephone number through which families may obtain information about health benefits coverage for children; and

(3) information regarding the importance of each conservator of a child promptly informing the other conservator of the child about the child's health benefits coverage.

(c) The commission shall contract with community-based organizations or coalitions of community-based organizations to implement the community outreach campaign and shall also promote and encourage voluntary efforts to implement the community outreach campaign. The commission shall procure the contracts through a process designed by the commission to encourage broad participation of organizations, including organizations that target population groups with high levels of uninsured children.

(d) The commission may direct that the Department of State Health Services perform all or part of the community outreach campaign.

(e) The commission shall ensure that information provided under this section is available in both English and Spanish.
Sec. 62.058. FRAUD PREVENTION. The commission shall develop and implement rules for the prevention and detection of fraud in the child health plan program.

Added by Acts 2007, 80th Leg., R.S., Ch. 1353 (H.B. 109), Sec. 2, eff. June 15, 2007.

Sec. 62.0582. THIRD-PARTY BILLING VENDORS. (a) A third-party billing vendor may not submit a claim with the commission for payment on behalf of a health plan provider under the program unless the vendor has entered into a contract with the commission authorizing that activity.

(b) To the extent practical, the contract shall contain provisions comparable to the provisions contained in contracts between the commission and health plan providers, with an emphasis on provisions designed to prevent fraud or abuse under the program. At a minimum, the contract must require the third-party billing vendor to:

1. Provide documentation of the vendor's authority to bill on behalf of each provider for whom the vendor submits claims;

2. Submit a claim in a manner that permits the commission to identify and verify the vendor, any computer or telephone line used in submitting the claim, any relevant user password used in submitting the claim, and any provider number referenced in the claim; and

3. Subject to any confidentiality requirements imposed by federal law, provide the commission, the office of the attorney general, or authorized representatives with:

   A. Access to any records maintained by the vendor, including original records and records maintained by the vendor on behalf of a provider, relevant to an audit or investigation of the vendor's services or another function of the commission or office of attorney general relating to the vendor; and

   B. If requested, copies of any records described by Paragraph (A) at no charge to the commission, the office of the attorney general, or authorized representatives.
(c) On receipt of a claim submitted by a third-party billing vendor, the commission shall send a remittance notice directly to the provider referenced in the claim. The notice must include detailed information regarding the claim submitted on behalf of the provider.

(d) The commission shall take all action necessary, including any modifications of the commission's claims processing system, to enable the commission to identify and verify a third-party billing vendor submitting a claim for payment under the program, including identification and verification of any computer or telephone line used in submitting the claim, any relevant user password used in submitting the claim, and any provider number referenced in the claim.

(e) The commission shall audit each third-party billing vendor subject to this section at least annually to prevent fraud and abuse under the program.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.44(a), eff. Jan. 1, 2006.

Sec. 62.059. HEALTH INSURANCE PREMIUM ASSISTANCE PROGRAM FOR CHILDREN ELIGIBLE FOR CHILD HEALTH PLAN. (a) In this section, "group health benefit plan" means a plan described by Section 1207.001, Insurance Code.

(b) The commission shall identify children, otherwise eligible to enroll in the state child health plan under this chapter, who are eligible to enroll in a group health benefit plan.

(c) For a child identified under Subsection (b), the commission shall determine whether it is cost-effective to enroll the child in the group health benefit plan under this section. The commission may determine cost-effectiveness on an aggregate basis for the premium assistance program as a whole.

(d) If the commission determines that it is cost-effective to enroll the child in the group health benefit plan, the commission shall:

(1) inform the child and the child's parent or guardian of the availability of the premium assistance program under this section;

(2) offer, as an optional alternative to enrollment in the commission's state child health plan program, a premium assistance
payment to assist with the employee's or member's share of the required premiums for the group health benefit plan that is available to the child; and

(3) provide written notice to the issuer of the group health benefit plan in accordance with Chapter 1207, Insurance Code.

(e) The commission shall determine the amount of the premium assistance payment. The premium assistance payment shall be paid only for the reimbursement of the employee's or member's share of required premiums for coverage of a child enrolled in the group health benefit plan.

(f) The premium assistance payment paid under Subsection (e) may provide assistance for the payment of a group health benefit plan premium that includes the child's parent or other individuals who are members of the child's family.

(g) The commission may not provide for the payment of any deductible, copayment, coinsurance, or other cost-sharing obligation for the child or another individual enrolled in a group health benefit plan under Subsection (f).

(h) Repealed by Acts 2003, 78th Leg., ch. 198, Sec. 2.07(b).

(i) Redesignated as subsec. (h) by Acts 2003, 78th Leg., ch. 11, Sec. 1.

Sec. 62.060. HEALTH INFORMATION TECHNOLOGY STANDARDS. (a) In this section, "health information technology" means information technology used to improve the quality, safety, or efficiency of clinical practice, including the core functionalities of an electronic health record, an electronic medical record, a computerized health care provider order entry, electronic prescribing, and clinical decision support technology.

(b) The commission shall ensure that any health information technology used by the commission or any entity acting on behalf of the commission in the child health plan program conforms to standards
required under federal law.

Added by Acts 2009, 81st Leg., R.S., Ch. 1120 (H.B. 1218), Sec. 2, eff. September 1, 2009.

SUBCHAPTER C. ELIGIBILITY FOR COVERAGE UNDER CHILD HEALTH PLAN

Sec. 62.101. ELIGIBILITY. (a) A child is eligible for health benefits coverage under the child health plan if the child:

(1) is younger than 19 years of age;
(2) is not eligible for medical assistance under the Medicaid program;
(3) is not covered by a health benefits plan offering adequate benefits, as determined by the commission;
(4) has a family income that is less than or equal to the income eligibility level established under Subsection (b); and
(5) satisfies any other eligibility standard imposed under the child health plan program in accordance with 42 U.S.C. Section 1397bb, as amended, and any other applicable law or regulations.

(a-1) A child who is the dependent of an employee of an agency of this state and who meets the requirements of Subsection (a) may be eligible for health benefits coverage in accordance with 42 U.S.C. Section 1397jj(b)(6) and any other applicable law or regulations.

(b) The commission shall establish income eligibility levels consistent with Title XXI, Social Security Act (42 U.S.C. Section 1397aa et seq.), as amended, and any other applicable law or regulations, and subject to the availability of appropriated money, so that a child who is younger than 19 years of age and whose net family income is at or below 200 percent of the federal poverty level is eligible for health benefits coverage under the program. In addition, the commission may establish eligibility standards regarding the amount and types of allowable assets for a family whose net family income is above 150 percent of the federal poverty level.

(b-1) The eligibility standards adopted under Subsection (b) related to allowable assets:

(1) must allow a family to own at least $10,000 in allowable assets; and
(2) may not in calculating the amount of allowable assets under Subdivision (1) consider:

(A) the value of one vehicle that qualifies for an
exemption under commission rule based on its use;

(B) the value of a second or subsequent vehicle that qualifies for an exemption under commission rule based on its use if:
   (i) the vehicle is worth $18,000 or less; or 
   (ii) the vehicle has been modified to provide transportation for a household member with a disability;
(C) if no vehicle qualifies for an exemption based on its use under commission rule, the first $18,000 of value of the highest valued vehicle; or 
(D) the first $7,500 of value of any vehicle not described by Paragraph (A), (B), or (C).

(c) The commissioner shall evaluate enrollment levels and program impact every six months during the first 12 months of implementation and at least annually thereafter and shall submit a finding of fact to the Legislative Budget Board and the Governor's Office of Budget and Planning as to the adequacy of funding and the ability of the program to sustain enrollment at the eligibility level established by Subsection (b). In the event that appropriated money is insufficient to sustain enrollment at the authorized eligibility level, the commissioner shall:
   (1) suspend enrollment in the child health plan;
   (2) establish a waiting list for applicants for coverage;
and
   (3) establish a process for periodic or continued enrollment of applicants in the child health plan program as the availability of money allows.

Amended by:
   Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 1.03(a), eff. September 28, 2011.

Sec. 62.1011. VERIFICATION OF INCOME. The commission shall continue employing methods of verifying the net income of the individuals considered in the calculation of an applicant's net
family income. The commission shall verify income under this section unless the applicant reports a net family income that exceeds the income eligibility level established under Section 62.101(b).

Added by Acts 2007, 80th Leg., R.S., Ch. 1353 (H.B. 109), Sec. 4, eff. June 15, 2007.

Sec. 62.1012. EXCLUSION OF ASSETS IN PREPAID TUITION PROGRAMS AND HIGHER EDUCATION SAVINGS PLANS. For purposes of determining whether a child meets family income and resource requirements for eligibility for the child health plan, the commission may not consider as income or resources a right to assets held in or a right to receive payments or benefits under:

(1) any fund or plan established under Subchapter G, H, or I, Chapter 54, Education Code, including an interest in a savings trust account, prepaid tuition contract, or related matching account; or

(2) any qualified tuition program of any state that meets the requirements of Section 529, Internal Revenue Code of 1986.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1186 (H.B. 3708), Sec. 7, eff. June 17, 2011.

Sec. 62.1015. ELIGIBILITY OF CERTAIN CHILDREN; DISALLOWANCE OF MATCHING FUNDS. (a) In this section, "charter school," "employee," and "regional education service center" have the meanings assigned by Section 2, Article 3.50-7, Insurance Code.

(b) A child of an employee of a charter school, school district, other educational district whose employees are members of the Teacher Retirement System of Texas, or regional education service center may be enrolled in health benefits coverage under the child health plan. A child enrolled in the child health plan under this section:

(1) participates in the same manner as any other child enrolled in the child health plan; and

(2) is subject to the same requirements and restrictions relating to income eligibility, continuous coverage, and enrollment, including applicable waiting periods, as any other child enrolled in the child health plan.
(c) The cost of health benefits coverage for children enrolled in the child health plan under this section shall be paid as provided in the General Appropriations Act. Expenditures made to provide health benefits coverage under this section may not be included for the purpose of determining the state children's health insurance expenditures, as that term is defined by 42 U.S.C. Section 1397ee(d)(2)(B), as amended, unless the Health and Human Services Commission, after consultation with the appropriate federal agencies, determines that the expenditures may be included without adversely affecting federal matching funding for the child health plan provided under this chapter.

Sec. 62.102. CONTINUOUS COVERAGE. (a) Subject to a review under Subsection (b), the commission shall provide that an individual who is determined to be eligible for coverage under the child health plan remains eligible for those benefits until the earlier of:

(1) the end of a period not to exceed 12 months, beginning the first day of the month following the date of the eligibility determination; or

(2) the individual's 19th birthday.

(b) During the sixth month following the date of initial enrollment or reenrollment of an individual whose net family income exceeds 185 percent of the federal poverty level, the commission shall:

(1) review the individual's net family income and may use electronic technology if available and appropriate; and

(2) continue to provide coverage if the individual's net family income does not exceed the income eligibility limits prescribed by this chapter.

(c) If, during the review required under Subsection (b), the commission determines that the individual's net family income exceeds the income eligibility limits prescribed by this chapter, the commission may not disenroll the individual until:

(1) the commission has provided the family an opportunity to demonstrate that the family's net family income is within the
income eligibility limits prescribed by this chapter; and
(2) the family fails to demonstrate such eligibility.

(d) The commission shall provide written notice of termination of eligibility to the individual not later than the 30th day before the date the individual's eligibility terminates.

Amended by Acts 2003, 78th Leg., ch. 198, Sec. 2.48, eff. Sept. 1, 2003.
Amended by:
Acts 2005, 79th Leg., Ch. 899 (S.B. 1863), Sec. 3.01, eff. August 29, 2005.

Sec. 62.103. APPLICATION FORM AND PROCEDURES. (a) The commission, or the Texas Department of Human Services at the direction of and in consultation with the commission, shall adopt an application form and application procedures for requesting child health plan coverage under this chapter.

(b) The form and procedures must be coordinated with forms and procedures under the Medicaid program to ensure that there is a single consolidated application to seek assistance under this chapter or the Medicaid program.

(c) To the extent possible, the application form shall be made available in languages other than English.

(d) The commission may permit application to be made by mail, over the telephone, or through the Internet.

Amended by Acts 2001, 77th Leg., ch. 584, Sec. 1.

Sec. 62.104. ELIGIBILITY SCREENING AND ENROLLMENT. (a) The commission, or the Texas Department of Human Services at the direction of and in consultation with the commission, shall develop eligibility screening and enrollment procedures for children that comply with the requirements of 42 U.S.C. Section 1397bb, as amended, and any other applicable law or regulations. The procedures shall ensure that Medicaid-eligible children are identified and referred to
the Medicaid program.

(b) The Texas Integrated Enrollment Services eligibility determination system or a compatible system may be used to screen and enroll children under the child health plan.

(c) The eligibility screening and enrollment procedures shall ensure that children who appear to be Medicaid-eligible are identified and that their families are assisted in applying for Medicaid coverage.

(d) A child who applies for enrollment in the child health plan, who is denied Medicaid coverage after completion of a Medicaid application under Subsection (c), but who is eligible for enrollment in the child health plan, shall be enrolled in the child health plan without further application or qualification.

(e) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1083, Sec. 25(81), eff. June 17, 2011.

(f) A determination of whether a child is eligible for child health plan coverage under the program and the enrollment of an eligible child with a health plan provider must be completed, and information on the family's available choice of health plan providers must be provided, in a timely manner, as determined by the commission. The commission must require that the determination be made and the information be provided not later than the 30th day after the date a complete application is submitted on behalf of the child, unless the child is referred for Medicaid application under this section.

(g) In the first year of implementation of the child health plan, enrollment shall be open. Thereafter, the commission may establish enrollment periods.

Added by Acts 1999, 76th Leg., ch. 235, Sec. 1, eff. Aug. 30, 1999. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1050 (S.B. 71), Sec. 22(3), eff. September 1, 2011.

Acts 2011, 82nd Leg., R.S., Ch. 1083 (S.B. 1179), Sec. 25(81), eff. June 17, 2011.

Sec. 62.105. COVERAGE FOR QUALIFIED ALIENS. The commission shall provide coverage under the state Medicaid program and under the program established under this chapter to a child who is a qualified
alien, as that term is defined by 8 U.S.C. Section 1641(b), if the federal government authorizes the state to provide that coverage. The commission shall comply with any prerequisite imposed under the federal law to providing that coverage.

**SUBCHAPTER D. CHILD HEALTH PLAN**

Sec. 62.151. CHILD HEALTH PLAN COVERAGE. (a) The child health plan must comply with this chapter and the coverage requirements prescribed by 42 U.S.C. Section 1397cc, as amended, and any other applicable law or regulations.

(b) In developing the covered benefits, the commission shall consider the health care needs of healthy children and children with special health care needs.

(c) In developing the plan, the commission shall ensure that primary and preventive health benefits do not include reproductive services, other than prenatal care and care related to diseases, illnesses, or abnormalities related to the reproductive system.

(d) The child health plan must allow an enrolled child with a chronic, disabling, or life-threatening illness to select an appropriate specialist as a primary care physician.

(e) In developing the covered benefits, the commission shall seek input from the Public Assistance Health Benefit Review and Design Committee established under Section 531.067, Government Code.

(f) The commission, if it determines the policy to be cost-effective, may ensure that an enrolled child does not, unless authorized by the commission in consultation with the child's attending physician or advanced practice nurse, receive under the child health plan:

1. more than four different outpatient brand-name prescription drugs during a month; or
2. more than a 34-day supply of a brand-name prescription drug at any one time.

Sec. 62.152. APPLICATION OF INSURANCE LAW. To provide the flexibility necessary to satisfy the requirements of Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.), as amended, and any other applicable law or regulations, the child health plan is not subject to a law that requires:

(1) coverage or the offer of coverage of a health care service or benefit;

(2) coverage or the offer of coverage for the provision of services by a particular health care services provider, except as provided by Section 62.155(b); or

(3) the use of a particular policy or contract form or of particular language in a policy or contract form.

Sec. 62.153. COST SHARING. (a) To the extent permitted under 42 U.S.C. Section 1397cc, as amended, and any other applicable law or regulations, the commission shall require enrollees to share the cost of the child health plan, including provisions requiring enrollees under the child health plan to pay:

(1) a copayment for services provided under the plan;

(2) an enrollment fee; or

(3) a portion of the plan premium.

(b) Subject to Subsection (d), cost-sharing provisions adopted under this section shall ensure that families with higher levels of income are required to pay progressively higher percentages of the cost of the plan.

(c) If cost-sharing provisions imposed under Subsection (a) include requirements that enrollees pay a portion of the plan premium, the commission shall specify the manner in which the premium is paid. The commission may require that the premium be paid to the Texas Department of Health, the Texas Department of Human Services, or the health plan provider.

(d) Cost-sharing provisions adopted under this section may be determined based on the maximum level authorized under federal law and applied to income levels in a manner that minimizes administrative costs.

Added by Acts 1999, 76th Leg., ch. 235, Sec. 1, eff. Aug. 30, 1999. Amended by Acts 2003, 78th Leg., ch. 198, Sec. 2.50, eff. Sept. 1,
Sec. 62.154. WAITING PERIOD; CROWD OUT. (a) To the extent permitted under Title XXI of the Social Security Act (42 U.S.C. Section 1397aa et seq.), as amended, and any other applicable law or regulations, the child health plan must include a waiting period and may include copayments and other provisions intended to discourage:

1. employers and other persons from electing to discontinue offering coverage for children under employee or other group health benefit plans; and

2. individuals with access to adequate health benefit plan coverage, other than coverage under the child health plan, from electing not to obtain or to discontinue that coverage for a child.

(b) A child is not subject to a waiting period adopted under Subsection (a) if:

1. the family lost coverage for the child as a result of:
   (A) termination of employment because of a layoff or business closing;
   (B) termination of continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (Pub. L. No. 99-272);
   (C) change in marital status of a parent of the child;
   (D) termination of the child's Medicaid eligibility because:
      (i) the child's family's earnings or resources increased; or
      (ii) the child reached an age at which Medicaid coverage is not available; or
   (E) a similar circumstance resulting in the involuntary loss of coverage;

2. the family terminated health benefits plan coverage for the child because the cost to the child's family for the coverage exceeded 10 percent of the family's net income;

3. the child has access to group-based health benefits plan coverage and is required to participate in the health insurance premium payment reimbursement program administered by the commission; or

4. the commission has determined that other grounds exist for a good cause exception.
(c) A child described by Subsection (b) may enroll in the child health plan program at any time, without regard to any open enrollment period established under the enrollment procedures.

(d) The waiting period required by Subsection (a) must:

(1) extend for a period of 90 days after the last date on which the applicant was covered under a health benefits plan; and

(2) apply to a child who was covered by a health benefits plan at any time during the 90 days before the date of application for coverage under the child health plan.

Sec. 62.155. HEALTH PLAN PROVIDERS. (a) The commission, or the Texas Department of Health at the direction of and in consultation with the commission, shall select the health plan providers under the program through a competitive procurement process. A health plan provider, other than a state administered primary care case management network, must hold a certificate of authority or other appropriate license issued by the Texas Department of Insurance that authorizes the health plan provider to provide the type of child health plan offered and must satisfy, except as provided by this chapter, any applicable requirement of the Insurance Code or another insurance law of this state.

(b) A managed care organization or other entity shall seek to obtain, in the organization's or entity's provider network, the participation of significant traditional providers, as defined by commission rule, if that organization or entity:

(1) contracts with the commission or with another agency or entity to operate a part of the child health plan under this chapter; and

(2) uses a provider network to provide or arrange for health care services under the child health plan.

(c) In selecting a health plan provider, the commission:

(1) may give preference to a person who provides similar
coverage under the Medicaid program; and
(2) shall provide for a choice of at least two health plan
providers in each service area.
(d) The commissioner may authorize an exception to Subsection
(c)(2) if there is only one acceptable applicant to become a health
plan provider in the service area.

Amended by Acts 2003, 78th Leg., ch. 198, Sec. 2.52, eff. Sept. 1,
2003.

Sec. 62.1551. INCLUSION OF CERTAIN HEALTH CARE PROVIDERS IN
PROVIDER NETWORKS. Notwithstanding any other law, including Sections
843.312 and 1301.052, Insurance Code, the executive commissioner of
the commission shall adopt rules to require a managed care
organization or other entity to ensure that advanced practice
registered nurses and physician assistants are available as primary
care providers in the organization's or entity's provider network.
The rules must require advanced practice registered nurses and
physician assistants to be treated in the same manner as primary care
physicians with regard to:
(1) selection and assignment as primary care providers;
(2) inclusion as primary care providers in the provider
network; and
(3) inclusion as primary care providers in any provider
network directory maintained by the organization or entity.

Added by Acts 2013, 83rd Leg., R.S., Ch. 418 (S.B. 406), Sec. 22, eff.
November 1, 2013.

Sec. 62.156. HEALTH CARE PROVIDERS. Health care providers who
provide health care services under the child health plan must satisfy
certification and licensure requirements, as required by the
commission, consistent with law.

Sec. 62.1561. PROHIBITION OF CERTAIN HEALTH CARE PROVIDERS.
The executive commissioner of the commission shall adopt rules for prohibiting a person from participating in the child health plan program as a health care provider for a reasonable period, as determined by the executive commissioner, if the person:

(1) fails to repay overpayments under the program; or

(2) owns, controls, manages, or is otherwise affiliated with and has financial, managerial, or administrative influence over a provider who has been suspended or prohibited from participating in the program.

Added by Acts 2011, 82nd Leg., R.S., Ch. 980 (H.B. 1720), Sec. 8, eff. September 1, 2011.

Sec. 62.157. TELEMEDICINE MEDICAL SERVICES AND TELEHEALTH SERVICES FOR CHILDREN WITH SPECIAL HEALTH CARE NEEDS.

(a) In providing covered benefits to a child with special health care needs, a health plan provider must permit benefits to be provided through telemedicine medical services and telehealth services in accordance with policies developed by the commission.

(b) The policies must provide for:

(1) the availability of covered benefits appropriately provided through telemedicine medical services and telehealth services that are comparable to the same types of covered benefits provided without the use of telemedicine medical services and telehealth services; and

(2) the availability of covered benefits for different services performed by multiple health care providers during a single telemedicine medical services and telehealth services session, if the commission determines that delivery of the covered benefits in that manner is cost-effective in comparison to the costs that would be involved in obtaining the services from providers without the use of telemedicine medical services and telehealth services, including the costs of transportation and lodging and other direct costs.

(c) In developing the policies required by Subsection (a), the commission shall consult with:

(1) The University of Texas Medical Branch at Galveston;

(2) Texas Tech University Health Sciences Center;
(3) the Texas Department of Health;
(4) providers of telemedicine hub sites in this state;
(5) providers of services to children with special health care needs; and
(6) representatives of consumer or disability groups affected by changes to services for children with special health care needs.

Sec. 62.157. TELEMEDICINE MEDICAL SERVICES.
(a) In providing covered benefits to a child, a health plan provider must permit benefits to be provided through telemedicine medical services in accordance with policies developed by the commission.
(b) The policies must provide for:
(1) the availability of covered benefits appropriately provided through telemedicine medical services that are comparable to the same types of covered benefits provided without the use of telemedicine medical services; and
(2) the availability of covered benefits for different services performed by multiple health care providers during a single session of telemedicine medical services, if the commission determines that delivery of the covered benefits in that manner is cost-effective in comparison to the costs that would be involved in obtaining the services from providers without the use of telemedicine medical services, including the costs of transportation and lodging and other direct costs.
(c) In developing the policies required by Subsection (a), the commission shall consult with the telemedicine advisory committee.
(d) In this section, "telemedicine medical service" has the meaning assigned by Section 57.042, Utilities Code.

Sec. 62.158. STATE TAXES. The commission shall ensure that any
experience rebate or profit-sharing for health plan providers under the child health plan is calculated by treating premium, maintenance, and other taxes under the Insurance Code and any other taxes payable to this state as allowable expenses for purposes of determining the amount of the experience rebate or profit-sharing.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.53, eff. Sept. 1, 2003.

Sec. 62.159. DISEASE MANAGEMENT SERVICES. (a) In this section, "disease management services" means services to assist a child manage a disease or other chronic health condition, such as heart disease, diabetes, respiratory illness, end-stage renal disease, HIV infection, or AIDS, and with respect to which the commission identifies populations for which disease management would be cost-effective.

(b) The child health plan must provide disease management services or coverage for disease management services in the manner required by the commission, including:

1. patient self-management education;
2. provider education;
3. evidence-based models and minimum standards of care;
4. standardized protocols and participation criteria; and
5. physician-directed or physician-supervised care.

Added by Acts 2003, 78th Leg., ch. 589, Sec. 1, eff. June 20, 2003.

CHAPTER 63. HEALTH BENEFITS PLAN FOR CERTAIN CHILDREN

Sec. 63.001. DEFINITION. In this chapter, "commission" means the Health and Human Services Commission.

Sec. 63.002. NOT AN ENTITLEMENT. This chapter does not establish an entitlement to assistance in obtaining health benefits for a child.

Sec. 63.003. HEALTH BENEFITS PLAN COVERAGE FOR CERTAIN CHILDREN. The commission shall develop and implement a program to provide health benefits plan coverage for a child who:

(1) is a qualified alien, as that term is defined by 8 U.S.C. Section 1641(b);
(2) is younger than 19 years of age;
(3) entered the United States after August 22, 1996;
(4) has resided in the United States for less than five years; and
(5) meets the income eligibility requirement of, but is not eligible for assistance under:
    (A) the child health plan program under Chapter 62; or
    (B) the medical assistance program under Chapter 32, Human Resources Code.

Sec. 63.004. BENEFITS COVERAGE REQUIRED. To the extent possible, the program required by Section 63.003 must provide benefits comparable to the benefits provided under the child health plan program under Chapter 62.

Sec. 63.005. HEALTH BENEFITS PLAN PROVIDER. (a) A health benefits plan provider under this chapter must:

(1) hold a certificate of authority or other appropriate license issued by the Texas Department of Insurance that authorizes the health benefits plan provider to provide the type of coverage to be offered through the program required by Section 63.003; and
(2) satisfy, except as provided by Subsection (b), any other applicable requirement of the Insurance Code or another insurance law of this state.

(b) Except as required by the commission, a health benefits plan provider under this chapter is not subject to a law that requires coverage or the offer of coverage of a health care service or benefit.
Sec. 63.006. COST-SHARING PAYMENTS. (a) Except as provided by Subsection (b), the commission may not require a child who is provided health benefits plan coverage under Section 63.003 and who meets the income eligibility requirement of the medical assistance program under Chapter 32, Human Resources Code, to pay a premium, deductible, coinsurance, or other cost-sharing payment as a condition of health benefits plan coverage under this chapter.

(b) The commission may require a child described by Subsection (a) to pay a copayment as a condition of health benefits plan coverage under this chapter that is equal to any copayment required under the child health plan program under Chapter 62.

(c) The commission may require a child who is provided health benefits plan coverage under Section 63.003 and who meets the income eligibility requirement of the child health plan program under Chapter 62 to pay a premium, deductible, coinsurance, or other cost-sharing payment as a condition of health benefits plan coverage under this chapter. The payment must be equal to any premium, deductible, coinsurance, or other cost-sharing payment required under the child health plan program under Chapter 62.

Sec. 63.007. DISALLOWANCE OF MATCHING FUNDS FROM FEDERAL GOVERNMENT. Expenditures made to provide health benefits plan coverage under this chapter may not be included for the purpose of determining the state children's health insurance expenditures, as that term is defined by 42 U.S.C. Section 1397ee(d)(2)(B), as amended.

CHAPTER 64. MISCELLANEOUS PROVISIONS

Sec. 64.001. TEACHING HOSPITAL ACCOUNT. The Texas Department of Health state-owned multi-categorical teaching hospital account is an account in the general revenue fund. Money in the account may be appropriated only to the department to provide funding for indigent
CHAPTER 75. REGIONAL OR LOCAL HEALTH CARE PROGRAMS FOR EMPLOYEES OF SMALL EMPLOYERS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 75.001. PURPOSE. The purpose of this chapter is to:

(1) improve the health of employees of small employers and their families by improving the employees' access to health care and by reducing the number of those employees who are uninsured;

(2) reduce the likelihood that those employees and their families will require services from state-funded entitlement programs such as Medicaid;

(3) contribute to economic development by helping small businesses remain competitive with a healthy workforce and health care benefits that will attract employees; and

(4) encourage innovative solutions for providing and funding health care services and benefits.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

Sec. 75.002. DEFINITIONS. In this chapter:

(1) "Employee" means an individual employed by an employer. The term includes a partner of a partnership and the proprietor of a sole proprietorship.

(2) "Governing body" means:

(A) the commissioners courts of the counties participating in a regional health care program;

(B) the commissioners court of a county participating in a local health care program; or

(C) the governing body of the joint council, nonprofit entity exempt from federal taxation, or other entity that operates a regional or local health care program.

(3) "Local health care program" means a local health care program operating in one county and established for the benefit of the employees of small employers under Subchapter B.
"Regional health care program" means a regional health care program operating in two or more counties and established for the benefit of the employees of small employers under Subchapter B.

"Small employer" means a person who employed an average of at least two employees but not more than 50 employees on business days during the preceding calendar year and who employs at least two employees on the first day of the plan year.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

 SUBCHAPTER B. REGIONAL OR LOCAL HEALTH CARE PROGRAM

Sec. 75.051. ESTABLISHMENT OF PROGRAM; MULTICOUNTY COOPERATION.
(a) The commissioners court of a county may, by order, establish or participate in a local health care program under this subchapter.
(b) The commissioners courts of two or more counties may, by joint order, establish or participate in a regional health care program under this subchapter.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

Sec. 75.052. GOVERNANCE OF PROGRAM. (a) A regional health care program may be operated subject to the direct governance of the commissioners courts of the participating counties. A local health care program may be operated subject to the direct governance of the commissioners court of the participating county. A regional or local health care program may be operated by a joint council, tax-exempt nonprofit entity, or other entity that:
   (1) operates the program under a contract with the commissioners court or courts, as applicable; or
   (2) is an entity in which the county or counties participate or that is established or designated by the commissioners court or courts, as applicable, to operate the program.
(b) In selecting an entity described by Subsection (a)(1) or (2) to operate a regional or local health care program, the commissioners court or courts, as applicable, shall require, to the extent possible, that the entity be authorized under federal law to accept donations on a basis that is tax-deductible or otherwise tax-
Sec. 75.053. OPERATION OF PROGRAM. A regional or local health care program provides health care services or benefits to the employees of participating small employers who are located within the boundaries of the participating county or counties, as applicable. A program may also provide services or benefits to the dependents of those employees.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

Sec. 75.054. PARTICIPATION BY SMALL EMPLOYERS; SHARE OF COST. Subject to Section 75.153, the governing body may establish criteria for participation in a regional or local health care program by small employers, the employees of the small employers, and their dependents. The criteria must require that participating employers and participating employees pay a share of the premium or other cost of the program.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

Sec. 75.055. ADDITIONAL FUNDING. (a) A governing body may accept and use state money made available through an appropriation from the general revenue fund or a gift, grant, or donation from any source to operate the regional or local health care program and to provide services or benefits under the program.

(b) A governing body may apply for and receive funding from the health opportunity pool trust fund under Subchapter D.

(c) A governing body shall actively solicit gifts, grants, and donations to:

(1) fund services and benefits provided under the regional or local health care program; and

(2) reduce the cost of participation in the program for
small employers and their employees.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

**SUBCHAPTER C. HEALTH CARE SERVICES AND BENEFITS**

Sec. 75.101. ALTERNATIVE PROGRAMS AUTHORIZED; PROGRAM OBJECTIVES. In developing a regional or local health care program, a governing body may provide health care services or benefits as described by this subchapter or may develop another type of program to accomplish the purposes of this chapter. A regional or local health care program must be developed, to the extent practicable, to:

(1) reduce the number of individuals without health benefit plan coverage within the boundaries of the participating county or counties;

(2) address rising health care costs and reduce the cost of health care services or health benefit plan coverage for small employers and their employees within the boundaries of the participating county or counties;

(3) promote preventive care and reduce the incidence of preventable health conditions, such as heart disease, cancer, and diabetes and low birth weight in infants;

(4) promote efficient and collaborative delivery of health care services;

(5) serve as a model for the innovative use of health information technology to promote efficient delivery of health care services, reduce health care costs, and improve the health of the community; and

(6) provide fair payment rates for health care providers.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

Sec. 75.102. HEALTH BENEFIT PLAN COVERAGE. (a) A regional or local health care program may provide health care benefits to the employees of small employers by purchasing or facilitating the purchase of health benefit plan coverage for those employees from a health benefit plan issuer, including coverage under:

(1) a small employer health benefit plan offered under
Chapter 1501, Insurance Code;
(2) a standard health benefit plan offered under Chapter 1507, Insurance Code; or
(3) any other health benefit plan available in this state.
(b) The governing body may form one or more cooperatives under Subchapter B, Chapter 1501, Insurance Code.
(c) Notwithstanding Chapter 1251, Insurance Code, an insurer may issue a group accident and health insurance policy, including a group contract issued by a group hospital service corporation, to cover the employees of small employers participating in a regional or local health care program. The group policyholder of a policy issued in accordance with this subsection is the governing body or the designee of the governing body.
(d) A health maintenance organization may issue a health care plan to cover the employees of small employers participating in a regional or local health care program. The group contract holder of a contract issued in accordance with this subsection is the governing body or the designee of the governing body.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

Sec. 75.103. OTHER HEALTH BENEFIT PLANS OR PROGRAMS. To the extent authorized by federal law, the governing body may establish or facilitate the establishment of self-funded health benefit plans or may facilitate the provision of health benefit coverage through health savings accounts and high-deductible health plans.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

Sec. 75.104. HEALTH CARE SERVICES. (a) A regional or local health care program may contract with health care providers within the boundaries of the participating county or counties to provide health care services directly to the employees of participating small employers and the dependents of those employees.
(b) A regional or local health care program shall allow any individual who receives state premium assistance to buy into the health benefit plan offered by the regional or local health care
(c) A governing body that operates a regional or local health care program under this section may require that participating employees and dependents obtain health care services only from health care providers that contract to provide those services under the program and may limit the health care services provided under the program to services provided within the boundaries of the participating county or counties.

(d) A governing body operating a regional or local health care program operated under this section is not an insurer or health maintenance organization and the program is not subject to regulation by the Texas Department of Insurance.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

SUBCHAPTER D. TEXAS HEALTH OPPORTUNITY POOL FUNDS

Sec. 75.151. DEFINITION. In this subchapter, "health opportunity pool trust fund" means the trust fund established under Subchapter N, Chapter 531, Government Code.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

Sec. 75.152. FUNDING AUTHORIZED. Notwithstanding any other law, a regional or local health care program may apply for funding from the health opportunity pool trust fund and the fund may provide funding in accordance with this subchapter.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

Sec. 75.153. ELIGIBILITY FOR FUNDS; STATEWIDE ELIGIBILITY CRITERIA. To be eligible for funding from money in the health opportunity pool trust fund, a regional or local health care program must:

(1) comply with any requirement imposed under the waiver obtained under Section 531.502, Government Code, including, to the
extent applicable, any requirement that health care benefits or services provided under the program be provided in accordance with statewide eligibility criteria; and
(2) provide health care benefits or services under the program to a person receiving premium payment assistance for health benefits coverage through a program established under Section 531.507, Government Code, regardless of whether the person is an employee, or dependent of an employee, of a small employer.

Added by Acts 2007, 80th Leg., R.S., Ch. 268 (S.B. 10), Sec. 13(a), eff. September 1, 2007.

**SUBTITLE D. PREVENTION, CONTROL, AND REPORTS OF DISEASES**

**CHAPTER 81. COMMUNICABLE DISEASES**

**SUBCHAPTER A. GENERAL PROVISIONS**

Sec. 81.001. SHORT TITLE. This chapter may be cited as the Communicable Disease Prevention and Control Act.

Sec. 81.002. RESPONSIBILITY OF STATE AND PUBLIC. The state has a duty to protect the public health. Each person shall act responsibly to prevent and control communicable disease.

Sec. 81.003. DEFINITIONS. In this chapter:
(1) "Communicable disease" means an illness that occurs through the transmission of an infectious agent or its toxic products from a reservoir to a susceptible host, either directly, as from an infected person or animal, or indirectly through an intermediate plant or animal host, a vector, or the inanimate environment.
(2) "Health authority" means:
(A) a physician appointed as a health authority under Chapter 121 (Local Public Health Reorganization Act) or the health authority's designee; or
(B) a physician appointed as a regional director under Chapter 121 (Local Public Health Reorganization Act) who performs the
duties of a health authority or the regional director's designee.

(3) "Health professional" means an individual whose:
   (A) vocation or profession is directly or indirectly related to the maintenance of the health of another individual or of an animal; and
   (B) duties require a specified amount of formal education and may require a special examination, certificate or license, or membership in a regional or national association.

(4) "Local health department" means a department created under Chapter 121 (Local Public Health Reorganization Act).

(4-a) "Peace officer" has the meaning assigned by Article 2.12, Code of Criminal Procedure. The term includes a sheriff or constable.

(5) "Physician" means a person licensed to practice medicine by the Texas State Board of Medical Examiners.

(6) "Public health district" means a district created under Chapter 121 (Local Public Health Reorganization Act).

(7) "Public health disaster" means:
   (A) a declaration by the governor of a state of disaster; and
   (B) a determination by the commissioner that there exists an immediate threat from a communicable disease that:
      (i) poses a high risk of death or serious long-term disability to a large number of people; and
      (ii) creates a substantial risk of public exposure because of the disease's high level of contagion or the method by which the disease is transmitted.

(8) "Reportable disease" includes only a disease or condition included in the list of reportable diseases.

(9) "Resident of this state" means a person who:
   (A) is physically present and living voluntarily in this state;
   (B) is not in the state for temporary purposes; and
   (C) intends to make a home in this state, which may be demonstrated by the presence of personal effects at a specific abode in the state; employment in the state; possession of a Texas driver's license, motor vehicle registration, voter registration, or other similar documentation; or other pertinent evidence.

(10) "School authority" means:
   (A) the superintendent of a public school system or the
superintendent's designee; or

(B) the principal or other chief administrative officer of a private school.

(11) "Sexually transmitted disease" means an infection, with or without symptoms or clinical manifestations, that may be transmitted from one person to another during, or as a result of, sexual relations between two persons and that may:

(A) produce a disease in, or otherwise impair the health of, either person; or

(B) cause an infection or disease in a fetus in utero or a newborn.

Acts 2013, 83rd Leg., R.S., Ch. 314 (H.B. 1690), Sec. 1, eff. June 14, 2013.

Sec. 81.004. ADMINISTRATION OF CHAPTER. (a) The commissioner is responsible for the general statewide administration of this chapter.

(b) The board may adopt rules necessary for the effective administration and implementation of this chapter.

(c) A designee of the board may exercise a power granted to or perform a duty imposed on the board under this chapter except as otherwise required by law.

(d) A designee of the commissioner may exercise a power granted to or perform a duty imposed on the commissioner under this chapter except as otherwise required by law.

Sec. 81.005. CONTRACTS. The department may enter into contracts or agreements with persons as necessary to implement this chapter. The contracts or agreements may provide for payment by the state for materials, equipment, and services.

Sec. 81.006. FUNDS. The department may seek, receive, and spend appropriations, grants, fees, or donations for the purpose of identifying, reporting, preventing, or controlling communicable diseases or conditions determined to be injurious or to be a threat to the public health subject to any limitations or conditions prescribed by the legislature.

Sec. 81.007. LIMITATION ON LIABILITY. A private individual performing duties in compliance with orders or instructions of the department or a health authority issued under this chapter is not liable for the death of or injury to a person or for damage to property, except in a case of wilful misconduct or gross negligence.

Sec. 81.008. COMMUNICABLE DISEASE IN ANIMALS; EXCHANGE OF INFORMATION. The Texas Animal Health Commission and the Texas A&M University Veterinary Diagnostic Laboratory shall each adopt by rule a memorandum of understanding with the department to exchange information on communicable diseases in animals.

Sec. 81.009. EXEMPTION FROM MEDICAL TREATMENT. (a) This chapter does not authorize or require the medical treatment of an individual who chooses treatment by prayer or spiritual means as part of the tenets and practices of a recognized church of which the individual is an adherent or member. However, the individual may be isolated or quarantined in an appropriate facility and shall obey the rules, orders, and instructions of the department or health authority while in isolation or quarantine.

(b) An exemption from medical treatment under this section does not apply during an emergency or an area quarantine or after the issuance by the governor of an executive order or a proclamation.
Sec. 81.010. INTERAGENCY COORDINATING COUNCIL FOR HIV AND HEPATITIS. (a) In this section, "AIDS" and "HIV" have the meanings assigned by Section 85.002.

(b) The Interagency Coordinating Council for HIV and Hepatitis facilitates communication between state agencies concerning policies relating to AIDS, HIV, and hepatitis.

(c) The council consists of one representative from each of the following agencies appointed by the executive director or commissioner of each agency:

1. the Department of State Health Services;
2. the Department of Aging and Disability Services;
3. the Department of Assistive and Rehabilitative Services;
4. the Department of Family and Protective Services;
5. the Texas Youth Commission;
6. the Texas Department of Criminal Justice;
7. the Texas Juvenile Probation Commission;
8. the Texas Medical Board;
9. the Texas Board of Nursing;
10. the State Board of Dental Examiners;
11. the Health and Human Services Commission;
12. the Texas Workforce Commission; and
13. the Texas Higher Education Coordinating Board.

(d) All representatives appointed to the council must be directly involved in policy or program activities related to services for AIDS, HIV, or hepatitis for their respective agencies.

(e) The representative from the Health and Human Services Commission serves as chairperson of the council.

(f) The council may meet on meeting dates set by the council. Each agency that has a representative appointed to the council should ensure that a representative of the agency attends each meeting of the council.

(g) The council shall provide an opportunity for interested members of the public, including consumers and providers of health services, to provide recommendations and information to the council.
during:
(1) any meeting at which the council intends to vote or votes on any matter; and
(2) at least one of any two consecutive meetings of the council.

(h) The council shall:
(1) coordinate communication among the member agencies listed in Subsection (c) concerning each agency's programs in providing services related to AIDS, HIV, and hepatitis;
(2) develop a plan that facilitates coordination of agency programs based on statistical information regarding this state for:
   (A) prevention of AIDS, HIV infection, and hepatitis; and
   (B) provision of services to individuals who have hepatitis or are infected with HIV;
(3) identify all statewide plans related to AIDS, HIV, and hepatitis;
(4) compile a complete inventory of all federal, state, and local money spent in this state on HIV infection, AIDS, and hepatitis prevention and health care services, including services provided through or covered under Medicaid and Medicare;
(5) identify the areas with respect to which state agencies interact on HIV, AIDS, and hepatitis issues and the policy issues arising from that interaction;
(6) assess gaps in prevention and health care services for HIV infection, AIDS, and hepatitis in this state, including gaps in services that result from provision of services by different state agencies, and develop strategies to address these gaps through service coordination;
(7) identify barriers to prevention and health care services for HIV infection, AIDS, and hepatitis faced by marginalized populations;
(8) identify the unique health care service and other service needs of persons who are infected with HIV or who have AIDS or hepatitis;
(9) evaluate the level of service and quality of health care in this state for persons who are infected with HIV or who have AIDS or hepatitis as compared to national standards;
(10) identify issues that emerge related to HIV, AIDS, and hepatitis and the potential impact on delivery of prevention and
health care services; and

(11) provide the information required under Subdivisions (1) through (10) to the Department of State Health Services.

(h-1) Each agency listed in Subsection (c) shall provide information under Subsection (h) to the council. The council may request information under Subsection (h) from an agency, and the agency shall comply with the request.

(i) Not later than September 1 of each year, the Department of State Health Services shall file a report with the legislature and the governor containing policy recommendations based on information reported to the council in Subsection (h) relating to:

(1) prevention of AIDS, HIV infection, and hepatitis; and

(2) delivery of health services to individuals who have AIDS or hepatitis or are infected with HIV.

(j) The council shall establish advisory committees composed of representatives from associations, consumer advocates, and regulatory agencies, boards, or commissions as needed to assist in carrying out its duties under this section.

(k) The Health and Human Services Commission shall provide administrative support to the council.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 670 (H.B. 1370), Sec. 1, eff. September 1, 2007.

Acts 2007, 80th Leg., R.S., Ch. 889 (H.B. 2426), Sec. 61, eff. September 1, 2007.

Acts 2011, 82nd Leg., R.S., Ch. 1176 (H.B. 3278), Sec. 4, eff. June 17, 2011.

Sec. 81.011. REQUEST FOR INFORMATION. In times of emergency or epidemic declared by the commissioner, the department is authorized to request information pertaining to names, dates of birth, and most recent addresses of individuals from the driver's license records of
the Department of Public Safety for the purpose of notification to individuals of the need to receive certain immunizations or diagnostic, evaluation, or treatment services for suspected communicable diseases.

Redesignated from Health and Safety Code Sec. 81.023, subsec. (d) and amended by Acts 2003, 78th Leg., ch. 198, Sec. 2.169, eff. Sept. 1, 2003.

SUBCHAPTER B. PREVENTION

Sec. 81.021. BOARD'S DUTY. The board shall exercise its power in matters relating to protecting the public health to prevent the introduction of disease into the state.

Sec. 81.022. HEALTH EDUCATION. (a) The department may conduct a program of health education for the prevention and control of communicable disease.

(b) The department may contract for presentations to increase the public awareness of individual actions needed to prevent and control communicable disease. The types of presentations include mass media productions, outdoor display advertising, newspaper advertising, literature, bulletins, pamphlets, posters, and audiovisual displays.

(c) The department shall recommend a public school health curriculum to the State Board of Education.

Sec. 81.023. IMMUNIZATION. (a) The board shall develop immunization requirements for children.

(b) The board shall cooperate with the Department of Protective and Regulatory Services in formulating and implementing the immunization requirements for children admitted to child-care facilities.
(c) The board shall cooperate with the State Board of Education in formulating and implementing immunization requirements for students admitted to public or private primary or secondary schools.

(d) Redesignated as V.T.C.A., Health and Safety Code Sec. 81.011 by Acts 2003, 78th Leg., ch. 198, Sec. 2.169.

Sec. 81.024. REPORTS BY BOARD. The board shall provide regular reports of the incidence, prevalence, and medical and economic effects of each disease that the board determines is a threatening risk to the public health. A disease may be a risk because of its indirect complications.

**SUBCHAPTER C. REPORTS AND REPORTABLE DISEASES**

Sec. 81.041. REPORTABLE DISEASES. (a) The board shall identify each communicable disease or health condition that shall be reported under this chapter.

(b) The board shall classify each reportable disease according to its nature and the severity of its effect on the public health.

(c) The board shall maintain and revise as necessary the list of reportable diseases.

(d) The board may establish registries for reportable diseases and other communicable diseases and health conditions. The provision to the department of information relating to a communicable disease or health condition that is not classified as reportable is voluntary only.

(e) Acquired immune deficiency syndrome and human immunodeficiency virus infection are reportable diseases under this chapter for which the board shall require reports.

(f) In a public health disaster, the commissioner may require reports of communicable diseases or other health conditions from providers without board rule or action. The commissioner shall issue appropriate instructions relating to complying with the reporting
requirements of this section.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 2003, 78th Leg., ch. 198, Sec. 2.170, eff. Sept. 1, 2003.

Sec. 81.042. PERSONS REQUIRED TO REPORT. (a) A report under
Subsection (b), (c), or (d) shall be made to the local health
authority.

(b) A dentist or veterinarian licensed to practice in this
state or a physician shall report, after the first professional
encounter, a patient or animal examined that has or is suspected of
having a reportable disease.

(c) A local school authority shall report a child attending
school who is suspected of having a reportable disease. The board by
rule shall establish procedures to determine if a child should be
suspected and reported and to exclude the child from school pending
appropriate medical diagnosis or recovery.

(d) A person in charge of a clinical or hospital laboratory,
blood bank, mobile unit, or other facility in which a laboratory
examination of a specimen derived from a human body yields
microscopical, cultural, serological, or other evidence of a
reportable disease shall report the findings, in accordance with this
section and procedures adopted by the board, in the jurisdiction in
which:

(1) the physician's office is located, if the laboratory
examination was requested by a physician; or

(2) the laboratory is located, if the laboratory
examination was not requested by a physician.

(e) The following persons shall report to the local health
authority or the department a suspected case of a reportable disease
and all information known concerning the person who has or is
suspected of having the disease if a report is not made as required
by Subsections (a)-(d):

(1) a professional registered nurse;

(2) an administrator or director of a public or private
temporary or permanent child-care facility;

(3) an administrator or director of a nursing home,
personal care home, adult respite care center, or adult day-care
center;
(4) an administrator of a home health agency;
(5) an administrator or health official of a public or private institution of higher education;
(6) an owner or manager of a restaurant, dairy, or other food handling or processing establishment or outlet;
(7) a superintendent, manager, or health official of a public or private camp, home, or institution;
(8) a parent, guardian, or householder;
(9) a health professional;
(10) an administrator or health official of a penal or correctional institution; or
(11) emergency medical service personnel, a peace officer, or a firefighter.

Acts 2011, 82nd Leg., R.S., Ch. 1082 (S.B. 1178), Sec. 14, eff. September 1, 2012.

Sec. 81.043. RECORDS AND REPORTS OF HEALTH AUTHORITY. (a) Each health authority shall keep a record of each case of a reportable disease that is reported to the authority.
(b) Except as provided by Subsection (c), a health authority shall report reportable diseases to the department's central office at least as frequently as the interval set by board rule.
(c) A health authority each week shall report to the department's central office all cases reported to the authority during the previous week of:
(1) acquired immune deficiency syndrome; and
(2) human immunodeficiency virus infection.
(d) A health authority must include in a report filed under Subsection (c) all information required by the department for purposes of this section or other law, including:
(1) an infected person's city and county of residence, age, gender, race, ethnicity, and national origin; and
(2) the method by which the disease was transmitted.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 81.044. REPORTING PROCEDURES. (a) The board shall prescribe the form and method of reporting under this chapter, which may be in writing, by telephone, by electronic data transmission, or by other means.

(b) The board may require the reports to contain any information relating to a case that is necessary for the purposes of this chapter, including:

(1) the patient's name, address, age, sex, race, and occupation;
(2) the date of onset of the disease or condition;
(3) the probable source of infection; and
(4) the name of the attending physician or dentist.

(c) The commissioner may authorize an alternate routing of information in particular cases if the commissioner determines that the reporting procedure would cause the information to be unduly delayed.

(d) For a case of acquired immune deficiency syndrome or human immunodeficiency virus infection, the department shall require the reports to contain:

(1) the information described by Subsection (b); and
(2) the patient's ethnicity, national origin, and city and county of residence.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 447 (H.B. 246), Sec. 2, eff. September 1, 2007.

Sec. 81.045. REPORTS OF DEATH. (a) A physician who attends a person during the person's last illness shall immediately notify the health authority of the jurisdiction in which the person's death is pronounced or the department if the physician knows or suspects that the person died of a reportable disease or other communicable disease
that the physician believes may be a threat to the public health.

(b) An attending physician or health authority, with consent of the survivors, may request an autopsy if the physician or health authority needs further information concerning the cause of death in order to protect the public health. The health authority shall order the autopsy to determine the cause of death if there are no survivors or the survivors withhold consent to the autopsy. The autopsy results shall be reported to the department.

(c) A justice of the peace acting as coroner or a county medical examiner in the course of an inquest under Chapter 49, Code of Criminal Procedure, who finds that a person's cause of death was a reportable disease or other communicable disease that the coroner or medical examiner believes may be a threat to the public health shall immediately notify the health authority of the jurisdiction in which the finding is made or the department.

Sec. 81.046. CONFIDENTIALITY. (a) Reports, records, and information received from any source, including from a federal agency or from another state, furnished to a public health district, a health authority, a local health department, or the department that relate to cases or suspected cases of diseases or health conditions are confidential and may be used only for the purposes of this chapter.

(b) Reports, records, and information relating to cases or suspected cases of diseases or health conditions are not public information under Chapter 552, Government Code, and may not be released or made public on subpoena or otherwise except as provided by Subsections (c), (d), and (f).

(c) Medical or epidemiological information may be released:

(1) for statistical purposes if released in a manner that prevents the identification of any person;

(2) with the consent of each person identified in the information;

(3) to medical personnel treating the individual, appropriate state agencies in this state or another state, a health authority or local health department in this state or another state, or federal, county, or district courts to comply with this chapter.
and related rules relating to the control and treatment of communicable diseases and health conditions or under another state or federal law that expressly authorizes the disclosure of this information;

(4) to appropriate federal agencies, such as the Centers for Disease Control and Prevention of the United States Public Health Service, but the information must be limited to the name, address, sex, race, and occupation of the patient, the date of disease onset, the probable source of infection, and other requested information relating to the case or suspected case of a communicable disease or health condition; or

(5) to medical personnel to the extent necessary in a medical emergency to protect the health or life of the person identified in the information.

(d) In a case of sexually transmitted disease involving a minor under 13 years of age, information may not be released, except that the child's name, age, and address and the name of the disease may be released to appropriate agents as required by Chapter 261, Family Code. If that information is required in a court proceeding involving child abuse, the information shall be disclosed in camera.

(e) A state or public health district officer or employee, local health department officer or employee, or health authority may not be examined in a civil, criminal, special, or other proceeding as to the existence or contents of pertinent records of, or reports or information about, a person examined or treated for a reportable disease by the public health district, local health department, or health authority without that person's consent.

(f) Reports, records, and information relating to cases or suspected cases of diseases or health conditions may be released to the extent necessary during a public health disaster to law enforcement personnel solely for the purpose of protecting the health or life of the person identified in the report, record, or information. Only the minimum necessary information may be released under this subsection, as determined by the health authority, the local health department, or the department.

(g) A judge of a county or district court may issue a protective order or take other action to limit disclosure of medical or epidemiological information obtained under this section before that information is entered into evidence or otherwise disclosed in a court proceeding.
Sec. 81.047. EPIDEMIOLOGICAL REPORTS. Subject to the confidentiality requirements of this chapter, the department shall require epidemiological reports of disease outbreaks and of individual cases of disease suspected or known to be of importance to the public health. The department shall evaluate the reports to determine the trends involved and the nature and magnitude of the hazards.

Sec. 81.048. NOTIFICATION OF EMERGENCY PERSONNEL, PEACE OFFICERS, DETENTION OFFICERS, COUNTY JAILERS, AND FIRE FIGHTERS. (a) The board shall:
(1) designate certain reportable diseases for notification under this section; and
(2) define the conditions that constitute possible exposure to those diseases.

(b) Notice of a positive test result for a reportable disease designated under Subsection (a) shall be given to an emergency medical service personnel, peace officer, detention officer, county jailer, or fire fighter as provided by this section if:
(1) the emergency medical service personnel, peace officer, detention officer, county jailer, or fire fighter delivered a person to a hospital as defined by Section 74.001, Civil Practice and Remedies Code;
(2) the hospital has knowledge that the person has a reportable disease and has medical reason to believe that the person had the disease when the person was admitted to the hospital; and
(3) the emergency medical service personnel, peace officer, detention officer, county jailer, or fire fighter was exposed to the
reportable disease during the course of duty.

(c) Notice of the possible exposure shall be given:
   (1) by the hospital to the local health authority;
   (2) by the local health authority to the director of the appropriate department of the entity that employs the emergency medical service personnel, peace officer, detention officer, county jailer, or fire fighter; and
   (3) by the director to the employee affected.

(d) A person notified of a possible exposure under this section shall maintain the confidentiality of the information as provided by this chapter.

(e) A person is not liable for good faith compliance with this section.

(f) This section does not create a duty for a hospital to perform a test that is not necessary for the medical management of the person delivered to the hospital.

(g) A hospital that gives notice of a possible exposure under Subsection (c) or a local health authority that receives notice of a possible exposure under Subsection (c) may give notice of the possible exposure to a person other than emergency medical personnel, a peace officer, a detention officer, a county jailer, or a fire fighter if the person demonstrates that the person was exposed to the reportable disease while providing emergency care. The executive commissioner of the Health and Human Services Commission shall adopt rules to implement this subsection.

Amended by:
    Acts 2005, 79th Leg., Ch. 135 (H.B. 738), Sec. 1, eff. September 1, 2005.
    Acts 2005, 79th Leg., Ch. 243 (H.B. 162), Sec. 1, eff. September 1, 2005.
    Acts 2005, 79th Leg., Ch. 243 (H.B. 162), Sec. 2, eff. September 1, 2005.

Sec. 81.049. FAILURE TO REPORT; CRIMINAL PENALTY. (a) A person commits an offense if the person knowingly fails to report a reportable disease or health condition under this subchapter.

(b) An offense under this section is a Class B misdemeanor.
Sec. 81.050. MANDATORY TESTING OF PERSONS SUSPECTED OF EXPOSING CERTAIN OTHER PERSONS TO REPORTABLE DISEASES, INCLUDING HIV INFECTION. (a) The board by rule shall prescribe the criteria that constitute exposure to reportable diseases, including HIV infection. The criteria must be based on activities that the United States Public Health Service determines pose a risk of infection.

(b) A person whose occupation or whose volunteer service is included in one or more of the following categories may request the department or a health authority to order testing of another person who may have exposed the person to a reportable disease, including HIV infection:

(1) a law enforcement officer;
(2) a fire fighter;
(3) an emergency medical service employee or paramedic;
(4) a correctional officer;
(5) an employee, contractor, or volunteer, other than a correctional officer, who performs a service in a correctional facility as defined by Section 1.07, Penal Code, or a secure correctional facility or secure detention facility as defined by Section 51.02, Family Code; or
(6) an employee of a juvenile probation department.

(c) A request under this section may be made only if the person:

(1) has experienced the exposure in the course of the person's employment or volunteer service;
(2) believes that the exposure places the person at risk of a reportable disease, including HIV infection; and
(3) presents to the department or health authority a sworn affidavit that delineates the reasons for the request.

(d) The department or the department's designee who meets the minimum training requirements prescribed by board rule shall review the person's request and inform the person whether the request meets the criteria establishing risk of infection with a reportable disease, including HIV infection.

(e) The department or the department's designee shall give the person who is subject to the order prompt and confidential written notice of the order. The order must:
(1) state the grounds and provisions of the order, including the factual basis for its issuance;

(2) refer the person to appropriate health care facilities where the person can be tested for reportable diseases, including HIV infection; and

(3) inform the person who is subject to the order of that person's right to refuse to be tested and the authority of the department or health authority to ask for a court order requiring the test.

(f) If the person who is subject to the order refuses to comply, the prosecuting attorney who represents the state in district court, on request of the department or the department's designee, shall petition the district court for a hearing on the order. The person who is subject to the order has the right to an attorney at the hearing, and the court shall appoint an attorney for a person who cannot afford legal representation. The person may not waive the right to an attorney unless the person has consulted with an attorney.

(g) In reviewing the order, the court shall determine whether exposure occurred and whether that exposure presents a possible risk of infection as defined by board rule. The attorney for the state and the attorney for the person subject to the order may introduce evidence at the hearing in support of or opposition to the testing of the person. On conclusion of the hearing, the court shall either issue an appropriate order requiring counseling and testing of the person for reportable diseases, including HIV infection, or refuse to issue the order if the court has determined that the counseling and testing of the person is unnecessary. The court may assess court costs against the person who requested the test if the court finds that there was not reasonable cause for the request.

(h) The department or the department's designee shall inform the person who requested the order of the results of the test. If the person subject to the order is found to have a reportable disease, the department or the department's designee shall inform that person and the person who requested the order of the need for medical follow-up and counseling services. The department or the department's designee shall develop protocols for coding test specimens to ensure that any identifying information concerning the person tested will be destroyed as soon as the testing is complete.

(i) HIV counseling and testing conducted under this section
must conform to the model protocol on HIV counseling and testing prescribed by the department.

(j) For the purpose of qualifying for workers' compensation or any other similar benefits for compensation, an employee who claims a possible work-related exposure to a reportable disease, including HIV infection, must provide the employer with a sworn affidavit of the date and circumstances of the exposure and document that, not later than the 10th day after the date of the exposure, the employee had a test result that indicated an absence of the reportable disease, including HIV infection.

(k) A person listed in Subsection (b) who may have been exposed to a reportable disease, including HIV infection, may not be required to be tested.

(l) In this section "HIV" and "test result" have the meanings assigned by Section 81.101.

Added by Acts 1991, 72nd Leg., ch. 14, Sec. 17, eff. Sept. 1, 1991. Amended by:
Acts 2005, 79th Leg., Ch. 320 (S.B. 665), Sec. 1, eff. September 1, 2005.
Acts 2009, 81st Leg., R.S., Ch. 925 (H.B. 3005), Sec. 1, eff. June 19, 2009.

Sec. 81.051. PARTNER NOTIFICATION PROGRAMS; HIV INFECTION.
(a) The department shall establish programs for partner notification and referral services.

(b) The partner notification services offered by health care providers participating in a program shall be made available and easily accessible to all persons with clinically validated HIV seropositive status.

(c) If a person with HIV infection voluntarily discloses the name of a partner, that information is confidential. Partner names may be used only for field investigation and notification.

(d) An employee of a partner notification program shall make the notification. The employee shall inform the person who is named as a partner of the:

(1) methods of transmission and prevention of HIV infection;

(2) telephone numbers and addresses of HIV antibody testing
sites; and
(3) existence of local HIV support groups, mental health services, and medical facilities.

(e) The employee may not disclose:
(1) the name of or other identifying information concerning the identity of the person who gave the partner's name; or
(2) the date or period of the partner's exposure.

(f) If the person with HIV infection also makes the notification, the person should provide the information listed in Subsection (d).

(g) A partner notification program shall be carried out as follows:
(1) a partner notification program shall make the notification of a partner of a person with HIV infection in the manner authorized by this section regardless of whether the person with HIV infection who gave the partner's name consents to the notification; and
(2) a health care professional shall notify the partner notification program when the health care professional knows the HIV+ status of a patient and the health care professional has actual knowledge of possible transmission of HIV to a third party. Such notification shall be carried out in the manner authorized in this section and Section 81.103.

(h) A health care professional who fails to make the notification required by Subsection (g) is immune from civil or criminal liability for failure to make that notification.

(i) A partner notification program shall provide counseling, testing, or referral services to a person with HIV infection regardless of whether the person discloses the names of any partners.

(j) A partner notification program shall routinely evaluate the performance of counselors and other program personnel to ensure that high quality services are being delivered. A program shall adopt quality assurance and training guidelines according to recommendations of the Centers for Disease Control of the United States Public Health Service for professionals participating in the program.

(k) In this section, "HIV" has the meaning assigned by Section 81.101.

Sec. 81.052. REPORTS AND ANALYSES CONCERNING AIDS AND HIV INFECTION. (a) The department shall ensure timely and accurate reporting under this chapter of information relating to acquired immune deficiency syndrome and human immunodeficiency virus infection.

(b) The department shall:

(1) quarterly compile the information submitted under Section 81.043(c) and make the compiled data available to the public within six months of the last day of each quarter;

(2) annually analyze and determine trends in incidence and prevalence of AIDS and HIV infection by region, city, county, age, gender, race, ethnicity, national origin, transmission category, and other factors as appropriate; and

(3) annually prepare a report on the analysis conducted under Subdivision (2) and make the report available to the public.

(b-1) The department may not include any information that would allow the identification of an individual in an analysis conducted under Subsection (b) or in a report prepared under that subsection.

(c) The department shall annually project the number of AIDS cases expected in this state based on the reports.

(d) The department shall make available epidemiologic projections and other analyses, including comparisons of Texas and national trends, to state and local agencies for use in planning, developing, and evaluating AIDS and HIV-related programs and services.

Added by Acts 1991, 72nd Leg., ch. 14, Sec. 19, eff. Sept. 1, 1991. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 447 (H.B. 246), Sec. 3, eff. September 1, 2007.

SUBCHAPTER D. INVESTIGATION AND INSPECTION

Sec. 81.061. INVESTIGATION. (a) The department shall investigate the causes of communicable disease and methods of prevention.
(b) The department may require special investigations of specified cases of disease to evaluate the status in this state of epidemic, endemic, or sporadic diseases. Each health authority shall provide information on request according to the department's written instructions.

(c) The department may investigate the existence of communicable disease in the state to determine the nature and extent of the disease and to formulate and evaluate the control measures used to protect the public health. A person shall provide records and other information to the department on request according to the department's written instructions.

Sec. 81.062. WITNESSES; DOCUMENTS. (a) For the purpose of an investigation under Section 81.061(c), the department may administer oaths, summon witnesses, and compel the attendance of a witness or the production of a document. The department may request the assistance of a county or district court to compel the attendance of a summoned witness or the production of a requested document at a hearing.

(b) A witness or deponent who is not a party and who is subpoenaed or otherwise compelled to appear at a hearing or proceeding under this section conducted outside the witness's or deponent's county of residence is entitled to a travel and per diem allowance. The board by rule shall set the allowance in an amount not to exceed the travel and per diem allowance authorized for state employees traveling in this state on official business.

Sec. 81.063. SAMPLES. (a) A person authorized to conduct an investigation under this subchapter may take samples of materials present on the premises, including soil, water, air, unprocessed or processed foodstuffs, manufactured clothing, pharmaceuticals, and household goods.

(b) A person who takes a sample under this section shall offer a corresponding sample to the person in control of the premises for independent analysis.
(c) A person who takes a sample under this section may reimburse or offer to reimburse the owner for the materials taken. The reimbursement may not exceed the actual monetary loss to the owner.

Sec. 81.064. INSPECTION. (a) The department or a health authority may enter at reasonable times and inspect within reasonable limits a public place in the performance of that person's duty to prevent or control the entry into or spread in this state of communicable disease by enforcing this chapter or the rules of the board adopted under this chapter.

(b) In this section, "a public place" means all or any portion of an area, building or other structure, or conveyance that is not used for private residential purposes, regardless of ownership.

(c) Evidence gathered during an inspection by the department or health authority under this section may not be used in a criminal proceeding other than a proceeding to assess a criminal penalty under this chapter.

Sec. 81.065. RIGHT OF ENTRY. (a) For an investigation or inspection, the commissioner, an employee of the department, or a health authority has the right of entry on land or in a building, vehicle, watercraft, or aircraft and the right of access to an individual, animal, or object that is in isolation, detention, restriction, or quarantine instituted by the commissioner, an employee of the department, or a health authority or instituted voluntarily on instructions of a private physician.

(b) Evidence gathered during an entry by the commissioner, department, or health authority under this section may not be used in a criminal proceeding other than a proceeding to assess a criminal penalty under this chapter.

Sec. 81.066. CONCEALING COMMUNICABLE DISEASE OR EXPOSURE TO COMMUNICABLE DISEASE; CRIMINAL PENALTY. (a) A person commits an offense if the person knowingly conceals or attempts to conceal from the department, a health authority, or a peace officer, during the course of an investigation under this chapter, the fact that:

(1) the person has, has been exposed to, or is the carrier of a communicable disease that is a threat to the public health; or

(2) a minor child or incompetent adult of whom the person is a parent, managing conservator, or guardian has, has been exposed to, or is the carrier of a communicable disease that is a threat to the public health.

(b) An offense under this section is a Class B misdemeanor.

Sec. 81.067. CONCEALING, REMOVING, OR DISPOSING OF AN INFECTED OR CONTAMINATED ANIMAL, OBJECT, VEHICLE, WATERCRAFT, OR AIRCRAFT; CRIMINAL PENALTY. (a) A person commits an offense if the person knowingly conceals, removes, or disposes of an infected or contaminated animal, object, vehicle, watercraft, or aircraft that is the subject of an investigation under this chapter by the department, a health authority, or a peace officer.

(b) An offense under this Section is a Class B misdemeanor.

Sec. 81.068. REFUSING ENTRY OR INSPECTION; CRIMINAL PENALTY. (a) A person commits an offense if the person knowingly refuses or attempts to refuse entry to the department, a health authority, or a peace officer on presentation of a valid search warrant to investigate, inspect, or take samples on premises controlled by the person or by an agent of the person acting on the person's instruction.

(b) A person commits an offense if the person knowingly refuses or attempts to refuse inspection under Section 81.064 or entry or
access under Section 81.065.

(c) An offense under this section is a Class A misdemeanor.

SUBCHAPTER E. CONTROL

Sec. 81.081. BOARD'S DUTY. The board shall impose control measures to prevent the spread of disease in the exercise of its power to protect the public health.

Sec. 81.082. ADMINISTRATION OF CONTROL MEASURES. (a) A health authority has supervisory authority and control over the administration of communicable disease control measures in the health authority's jurisdiction unless specifically preempted by the department. Control measures imposed by a health authority must be consistent with, and at least as stringent as, the control measure standards in rules adopted by the board.

(b) A communicable disease control measure imposed by a health authority in the health authority's jurisdiction may be amended, revised, or revoked by the department if the department finds that the modification is necessary or desirable in the administration of a regional or statewide public health program or policy. A control measure imposed by the department may not be modified or discontinued until the department authorizes the action.

(c) The control measures may be imposed on an individual, animal, place, or object, as appropriate.

(c-1) A health authority may designate health care facilities within the health authority's jurisdiction that are capable of providing services for the examination, observation, quarantine, isolation, treatment, or imposition of control measures during a public health disaster or during an area quarantine under Section 81.085. A health authority may not designate a nursing home or other institution licensed under Chapter 242.

(d) A declaration of a public health disaster may continue for not more than 30 days. A public health disaster may be renewed one time by the commissioner for an additional 30 days.
(e) The governor may terminate a declaration of a public health disaster at any time.

(f) In this section, "control measures" includes:

1. immunization;
2. detention;
3. restriction;
4. disinfection;
5. decontamination;
6. isolation;
7. quarantine;
8. disinfestation;
9. chemoprophylaxis;
10. preventive therapy;
11. prevention; and
12. education.

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.01, eff. September 1, 2007.

Sec. 81.083. APPLICATION OF CONTROL MEASURES TO INDIVIDUAL.
(a) Any person, including a physician, who examines or treats an individual who has a communicable disease shall instruct the individual about:

1. measures for preventing reinfection and spread of the disease; and
2. the necessity for treatment until the individual is cured or free from the infection.

(b) If the department or a health authority has reasonable cause to believe that an individual is ill with, has been exposed to, or is the carrier of a communicable disease, the department or health authority may order the individual, or the individual's parent, legal guardian, or managing conservator if the individual is a minor, to implement control measures that are reasonable and necessary to prevent the introduction, transmission, and spread of the disease in this state.
(c) An order under this section must be in writing and be delivered personally or by registered or certified mail to the individual or to the individual's parent, legal guardian, or managing conservator if the individual is a minor.

(d) An order under this section is effective until the individual is no longer infected with a communicable disease or, in the case of a suspected disease, expiration of the longest usual incubation period for the disease.

(e) An individual may be subject to court orders under Subchapter G if the individual is infected or is reasonably suspected of being infected with a communicable disease that presents an immediate threat to the public health and:

(1) the individual, or the individual's parent, legal guardian, or managing conservator if the individual is a minor, does not comply with the written orders of the department or a health authority under this section; or

(2) a public health disaster exists, regardless of whether the department or health authority has issued a written order and the individual has indicated that the individual will not voluntarily comply with control measures.

(f) An individual who is the subject of court orders under Subchapter G shall pay the expense of the required medical care and treatment except as provided by Subsections (g)-(i).

(g) A county or hospital district shall pay the medical expenses of a resident of the county or hospital district who is:

(1) indigent and without the financial means to pay for part or all of the required medical care or treatment; and

(2) not eligible for benefits under an insurance contract, group policy, or prepaid health plan, or benefits provided by a federal, state, county, or municipal medical assistance program or facility.

(h) The state may pay the medical expenses of a nonresident individual who is:

(1) indigent and without the financial means to pay for part or all of the required medical care and treatment; and

(2) not eligible for benefits under an insurance contract, group policy, or prepaid health plan, or benefits provided by a federal, state, county, or municipal medical assistance program.

(i) The provider of the medical care and treatment under Subsection (h) shall certify the reasonable amount of the required
medical care to the comptroller. The comptroller shall issue a warrant to the provider of the medical care and treatment for the certified amount.

(j) The department may:

(1) return a nonresident individual involuntarily hospitalized in this state to the program agency in the state in which the individual resides; and

(2) enter into reciprocal agreements with the proper agencies of other states to facilitate the return of individuals involuntarily hospitalized in this state.

(k) If the department or a health authority has reasonable cause to believe that a group of five or more individuals has been exposed to or infected with a communicable disease, the department or health authority may order the members of the group to implement control measures that are reasonable and necessary to prevent the introduction, transmission, and spread of the disease in this state. If the department or health authority adopts control measures under this subsection, each member of the group is subject to the requirements of this section.

(l) An order under Subsection (k) must be in writing and be delivered personally or by registered or certified mail to each member of the group, or the member's parent, legal guardian, or managing conservator if the member is a minor. If the name, address, and county of residence of any member of the group is unknown at the time the order is issued, the department or health authority must publish notice in a newspaper of general circulation in the county that includes the area of the suspected exposure and any other county in which the department or health authority suspects a member of the group resides. The notice must contain the following information:

(1) that the department or health authority has reasonable cause to believe that a group of individuals is ill with, has been exposed to, or is the carrier of a communicable disease;

(2) the suspected time and place of exposure to the disease;

(3) a copy of any orders under Subsection (k);

(4) instructions to an individual to provide the individual's name, address, and county of residence to the department or health authority if the individual knows or reasonably suspects that the individual was at the place of the suspected exposure at the time of the suspected exposure;
that the department or health authority may request
that an application for court orders under Subchapter G be filed for
the group, if applicable; and

(6) that a criminal penalty applies to an individual who:
(A) is a member of the group; and
(B) knowingly refuses to perform or allow the
performance of the control measures in the order.

(m) A peace officer, including a sheriff or constable, may use
reasonable force to:

(1) secure the members of a group subject to an order
issued under Subsection (k); and

(2) except as directed by the department or health
authority, prevent the members from leaving the group or other
individuals from joining the group.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Amended by:

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.02, eff.
September 1, 2007.

Acts 2013, 83rd Leg., R.S., Ch. 314 (H.B. 1690), Sec. 2, eff.
June 14, 2013.

Sec. 81.084. APPLICATION OF CONTROL MEASURES TO PROPERTY. (a) If the department or a health authority has reasonable cause to
believe that property in its jurisdiction is or may be infected or
contaminated with a communicable disease, the department or health
authority may place the property in quarantine for the period
necessary for a medical examination or technical analysis of samples
taken from the property to determine if the property is infected or
contaminated. The department or health authority may tag an object
for identification with a notice of possible infection or
contamination.

(b) The department or health authority shall send notice of its
action by registered or certified mail or by personal delivery to the
person who owns or controls the property. If the property is land or
a structure or an animal or other property on the land, the
department or health authority shall also post the notice on the land
and at a place convenient to the public in the county courthouse. If
the property is infected or contaminated as a result of a public health disaster, the department or health authority is not required to provide notice under this subsection.

(c) The department or health authority shall remove the quarantine and return control of the property to the person who owns or controls it if the property is found not to be infected or contaminated. The department or health authority by written order may require the person who owns or controls the property to impose control measures that are technically feasible to disinfect or decontaminate the property if the property is found to be infected or contaminated.

(d) The department or health authority shall remove the quarantine and return control of the property to the person who owns or controls it if the control measures are effective. If the control measures are ineffective or if there is not a technically feasible control measure available for use, the department or health authority may continue the quarantine and order the person who owns or controls the property:

(1) to destroy the property, other than land, in a manner that disinfects or decontaminates the property to prevent the spread of infection or contamination;

(2) if the property is land, to securely fence the perimeter of the land or any part of the land that is infected or contaminated; or

(3) to securely seal off an infected or contaminated structure or other property on land to prevent entry into the infected or contaminated area until the quarantine is removed by the board or health authority.

(d-1) In a public health disaster, the department or health authority by written order may require a person who owns or controls property to impose control measures that are technically feasible to disinfect or decontaminate the property or, if technically feasible control measures are not available, may order the person who owns or controls the property:

(1) to destroy the property, other than land, in a manner that disinfects or decontaminates the property to prevent the spread of infection or contamination;

(2) if the property is land, to securely fence the perimeter of the land or any part of the land that is infected or contaminated; or
(3) to securely seal off an infected or contaminated
structure or other property on land to prevent entry into the
infected or contaminated area until the department or health
authority authorizes entry into the structure or property.

(e) The department or health authority may petition the county
or district court of the county in which the property is located for
orders necessary for public health if:

(1) a person fails or refuses to comply with the orders of
the department or health authority as required by this section; and

(2) the department or health authority has reason to
believe that the property is or may be infected or contaminated with
a communicable disease that presents an immediate threat to the
public health.

(f) After the filing of a petition, the court may grant
injunctive relief for the health and safety of the public.

(g) The person who owns or controls the property shall pay all
expenses of implementing control measures, court costs, storage, and
other justifiable expenses. The court may require the person who
owns or controls the property to execute a bond in an amount set by
the court to ensure the performance of any control measures,
restoration, or destruction ordered by the court. If the property is
an object, the bond may not exceed the value of the object in a
noninfected or noncontaminated state. The bond shall be returned to
the person when the department or health authority informs the court
that the property is no longer infected or contaminated or that the
property has been destroyed.

(h) If the court finds that the property is not infected or
contaminated, it shall order the department or health authority to:

(1) remove the quarantine;

(2) if the property is an object, remove the quarantine
tags; and

(3) release the property to the person who owns or controls
it.

(i) The department or health authority, as appropriate, shall
charge the person who owns or controls the property for the cost of
any control measures performed by the department's or health
authority's employees. The department shall deposit the payments
received to the credit of the general revenue fund to be used for the
administration of this chapter. A health authority shall distribute
payments received to each county, municipality, or other jurisdiction
in an amount proportional to the jurisdiction's contribution to the quarantine and control expense.

(j) In this section, "property" means:
(1) an object;
(2) a parcel of land; or
(3) a structure, animal, or other property on a parcel of land.

(k) In a public health disaster, the department or a health authority may impose additional control measures the department or health authority considers necessary and most appropriate to arrest, control, and eradicate the threat to the public health.

(l) A peace officer, including a sheriff or constable, may use reasonable force to:
(1) secure a property subject to a court order issued under this section; and
(2) except as directed by the department or health authority, prevent an individual from entering or leaving the property subject to the order.

Acts 2013, 83rd Leg., R.S., Ch. 314 (H.B. 1690), Sec. 3, eff. June 14, 2013.

Sec. 81.085. AREA QUARANTINE; CRIMINAL PENALTY. (a) If an outbreak of communicable disease occurs in this state, the commissioner or one or more health authorities may impose an area quarantine coextensive with the area affected. The commissioner may impose an area quarantine, if the commissioner has reasonable cause to believe that individuals or property in the area may be infected or contaminated with a communicable disease, for the period necessary to determine whether an outbreak of communicable disease has occurred. A health authority may impose the quarantine only within the boundaries of the health authority's jurisdiction.

(b) A health authority may not impose an area quarantine until the authority consults with the department. A health authority that imposes an area quarantine shall give written notice to and shall consult with the governing body of each county and municipality in
the health authority's jurisdiction that has territory in the affected area as soon as practicable.

(c) The department may impose additional disease control measures in a quarantine area that the department considers necessary and most appropriate to arrest, control, and eradicate the threat to the public health. Absent preemptive action by the department under this chapter or by the governor under Chapter 418, Government Code (Texas Disaster Act of 1975), a health authority may impose in a quarantine area under the authority's jurisdiction additional disease control measures that the health authority considers necessary and most appropriate to arrest, control, and eradicate the threat to the public health.

(d) If an affected area includes territory in an adjacent state, the department may enter into cooperative agreements with the appropriate officials or agencies of that state to:

(1) exchange morbidity, mortality, and other technical information;
(2) receive extrajurisdictional inspection reports;
(3) coordinate disease control measures;
(4) disseminate instructions to the population of the area, operators of interstate private or common carriers, and private vehicles in transit across state borders; and
(5) participate in other public health activities appropriate to arrest, control, and eradicate the threat to the public health.

(e) The department or health authority may use all reasonable means of communication to inform persons in the quarantine area of the department's or health authority's orders and instructions during the period of area quarantine. The department or health authority shall publish at least once each week during the area quarantine period, in a newspaper of general circulation in the area, a notice of the orders or instructions in force with a brief explanation of their meaning and effect. Notice by publication is sufficient to inform persons in the area of their rights, duties, and obligations under the orders or instructions.

(f) The department or, with the department's consent, a health authority may terminate an area quarantine.

(g) To provide isolation and quarantine facilities during an area quarantine, the commissioner's court of a county, the governing body of a municipality, or the governing body of a hospital district
may suspend the admission of patients desiring admission for elective care and treatment, except for needy or indigent residents for whom the county, municipality, or district is constitutionally or statutorily required to care.

(h) A person commits an offense if the person knowingly fails or refuses to obey a rule, order, or instruction of the department or an order or instruction of a health authority issued under a department rule and published during an area quarantine under this section. An offense under this subsection is a felony of the third degree.

(i) On request of the department during a public health disaster, an individual shall disclose the individual's immunization information. If the individual does not have updated or appropriate immunizations, the department may take appropriate action during a quarantine to protect that individual and the public from the communicable disease.

(j) A peace officer, including a sheriff or constable, may use reasonable force to:

(1) secure a quarantine area; and
(2) except as directed by the department or health authority, prevent an individual from entering or leaving the quarantine area.

Acts 2013, 83rd Leg., R.S., Ch. 314 (H.B. 1690), Sec. 4, eff. June 14, 2013.

Sec. 81.086. APPLICATION OF CONTROL MEASURES TO PRIVATE AND COMMON CARRIERS AND PRIVATE CONVEYANCES. (a) This section applies to any private or common carrier or private conveyance, including a vehicle, aircraft, or watercraft, while the vehicle or craft is in this state.

(b) If the department or health authority has reasonable cause to believe that a carrier or conveyance has departed from or traveled through an area infected or contaminated with a communicable disease, the department or health authority may order the owner, operator, or authorized agent in control of the carrier or conveyance to:
(1) stop the carrier or conveyance at a port of entry or place of first landing or first arrival in this state; and

(2) provide information on passengers and cargo manifests that includes the details of:

(A) any illness suspected of being communicable that occurred during the journey;

(B) any condition on board the carrier or conveyance during the journey that may lead to the spread of disease; and

(C) any control measures imposed on the carrier or conveyance, its passengers or crew, or its cargo or any other object on board during the journey.

(c) The department or health authority may impose necessary technically feasible control measures under Section 81.083 or 81.084 to prevent the introduction and spread of communicable disease in this state if the department or health authority, after inspection, has reasonable cause to believe that a carrier or conveyance that has departed from or traveled through an infected or contaminated area:

(1) is or may be infected or contaminated with a communicable disease;

(2) has cargo or an object on board that is or may be infected or contaminated with a communicable disease; or

(3) has an individual on board who has been exposed to, or is the carrier of, a communicable disease.

(d) The owner or operator of a carrier or conveyance placed in quarantine by order of the department or health authority, or of a county or district court under Section 81.083 or 81.084, shall bear the expense of the control measures employed to disinfect or decontaminate the carrier or conveyance. The department or health authority, as appropriate, shall charge and be reimbursed for the cost of control measures performed by the department's or health authority's employees. The board shall deposit the reimbursements to the credit of the general revenue fund to be used to administer this chapter. A health authority shall distribute the reimbursements to each county, municipality, or other governmental entity in an amount proportional to that entity's contribution to the quarantine and control expense.

(e) The owner or claimant of cargo or an object on board the carrier or conveyance shall pay the expense of the control measures employed in the manner provided by Section 81.084. The cost of services rendered or provided by the board or health authority is
subject to reimbursement as provided by Subsection (d).

(f) A crew member, passenger, or individual on board the carrier or conveyance shall pay the expense of control measures employed under Section 81.083. The state may pay the expenses of an individual who is:

(1) without the financial means to pay for part or all of the required medical care or treatment; and

(2) not eligible for benefits under an insurance contract, group policy, or prepaid health plan, or benefits provided by a federal, state, or local medical assistance program, as provided by Section 81.083.

(g) A carrier, a conveyance, cargo, an object, an animal, or an individual placed in quarantine under this section may not be removed from or leave the area of quarantine without the department's or health authority's permission.

(h) If the department or health authority has reasonable cause to believe that a carrier or conveyance is transporting cargo or an object that is or may be infected or contaminated with a communicable disease, the department or health authority may:

(1) require that the cargo or object be transported in secure confinement or sealed in a car, trailer, hold, or compartment, as appropriate, that is secured on the order and instruction of the board or health authority, if the cargo or object is being transported through this state;

(2) require that the cargo or object be unloaded at an alternate location equipped with adequate investigative and disease control facilities if the cargo or object is being transported to an intermediate or ultimate destination in this state that cannot provide the necessary facilities; and

(3) investigate and, if necessary, quarantine the cargo or object and impose any required control measure as authorized by Section 81.084.

(i) The department or health authority may require an individual transported by carrier or conveyance who the department or health authority has reasonable cause to believe has been exposed to or is the carrier of a communicable disease to be isolated from other travelers and to disembark with the individual's personal effects and baggage at the first location equipped with adequate investigative and disease control facilities, whether the person is in transit through this state or to an intermediate or ultimate destination in
this state. The department or health authority may investigate and, if necessary, isolate or involuntarily hospitalize the individual until the department or health authority approves the discharge as authorized by Section 81.083.

Sec. 81.087. VIOLATION OF CONTROL MEASURE ORDERS; CRIMINAL PENALTY. (a) A person commits an offense if the person knowingly refuses to perform or allow the performance of certain control measures ordered by a health authority or the department under Sections 81.083-81.086.

(b) An offense under this section is a Class B misdemeanor.

Sec. 81.088. REMOVAL, ALTERATION, OR DESTRUCTION OF QUARANTINE DEVICES; CRIMINAL PENALTY. (a) A person commits an offense if the person knowingly or intentionally:

(1) removes, alters, or attempts to remove or alter an object the person knows is a quarantine device, notice, or security item in a manner that diminishes the effectiveness of the device, notice, or item; or

(2) destroys an object the person knows is a quarantine device, notice, or security item.

(b) An offense under this section is a Class B misdemeanor.

Sec. 81.089. TRANSPORTATION; CRIMINAL PENALTY. (a) A person commits an offense if, before notifying the department or health authority at a port of entry or a place of first landing or first arrival in this state, the person knowingly or intentionally:

(1) transports or causes to be transported into this state an object the person knows or suspects may be infected or contaminated with a communicable disease that is a threat to the
Section 81.080. TRANSPORT OF INFECTED INDIVIDUALS.

(a) A person shall not:

(1) transport or cause to be transported into this state an individual who the person knows has or is the carrier of a communicable disease that is a threat to the public health; or

(2) transports or causes to be transported into this state a person, animal, or object in a private or common carrier or a private conveyance that the person knows is or suspects may be infected or contaminated with a communicable disease that is a threat to the public health.

(b) An offense under this section is a Class A misdemeanor, except that if the person acts with the intent to harm or defraud another, the offense is a felony of the third degree.

Sec. 81.090. DIAGNOSTIC TESTING DURING PREGNANCY AND AFTER BIRTH. (a) A physician or other person permitted by law to attend a pregnant woman during gestation or at delivery of an infant shall:

(1) take or cause to be taken a sample of the woman's blood or other appropriate specimen at the first examination and visit;

(2) submit the sample to an appropriately certified laboratory for diagnostic testing approved by the United States Food and Drug Administration for:

(A) syphilis;

(B) HIV infection; and

(C) hepatitis B infection; and

(3) retain a report of each case for nine months and deliver the report to any successor in the case.

(a-1) A physician or other person permitted by law to attend a pregnant woman during gestation or at delivery of an infant shall:

(1) take or cause to be taken a sample of the woman's blood or other appropriate specimen at an examination in the third trimester of the pregnancy;

(2) submit the sample to an appropriately certified laboratory for a diagnostic test approved by the United States Food and Drug Administration for HIV infection; and

(3) retain a report of each case for nine months and deliver the report to any successor in the case.
(b) A successor is presumed to have complied with this section if the successor in good faith obtains a record that indicates compliance with Subsections (a) and (a-1), if applicable.

(c) A physician or other person in attendance at a delivery shall:

(1) take or cause to be taken a sample of blood or other appropriate specimen from the mother on admission for delivery; and

(2) submit the sample to an appropriately certified laboratory for diagnostic testing approved by the United States Food and Drug Administration for:

(A) syphilis; and

(B) hepatitis B infection.

(c-1) If the physician or other person in attendance at the delivery does not find in the woman's medical records results from the diagnostic test for HIV infection performed under Subsection (a-1), the physician or person shall:

(1) take or cause to be taken a sample of blood or other appropriate specimen from the mother;

(2) submit the sample to an appropriately certified laboratory for diagnostic testing approved by the United States Food and Drug Administration for HIV infection; and

(3) instruct the laboratory to expedite the processing of the test so that the results are received less than six hours after the time the sample is submitted.

(c-2) If the physician or other person in attendance at the delivery does not find in the woman's medical records results from a diagnostic test for HIV infection performed under Subsection (a-1), and the diagnostic test for HIV infection was not performed before delivery under Subsection (c-1), the physician or other person in attendance at delivery shall:

(1) take or cause to be taken a sample of blood or other appropriate specimen from the newborn child less than two hours after the time of birth;

(2) submit the sample to an appropriately certified laboratory for a diagnostic test approved by the United States Food and Drug Administration for HIV infection; and

(3) instruct the laboratory to expedite the processing of the test so that the results are received less than six hours after the time the sample is submitted.

(d) Repealed by Acts 2009, 81st Leg., R.S., Ch. 1124, Sec. 7,
(i) Before conducting or causing to be conducted a diagnostic test for HIV infection under this section, the physician or other person shall advise the woman that the result of a test taken under this section is confidential as provided by Subchapter F, but that the test is not anonymous. The physician or other person shall explain the difference between a confidential and an anonymous test to the woman and that an anonymous test may be available from another entity. The physician or other person shall make the information available in another language, if needed, and if resources permit. The information shall be provided by the physician or another person, as needed, in a manner and in terms understandable to a person who may be illiterate if resources permit.

(j) The result of a test for HIV infection under Subsection (a)(2)(B), (a-1), (c-1), or (c-2) is a test result for purposes of Subchapter F.

(k) Before the sample is taken, the health care provider shall distribute to the patient printed materials about AIDS, HIV, hepatitis B, and syphilis. A health care provider shall verbally notify the patient that an HIV test shall be performed if the patient does not object. If the patient objects, the patient shall be referred to an anonymous testing facility or instructed about anonymous testing methods. The health care provider shall note on the medical records that the distribution of printed materials was made and that verbal notification was given. The materials shall be provided to the health care provider by the department and shall be prepared and designed to inform the patients about:

(1) the incidence and mode of transmission of AIDS, HIV, hepatitis B, and syphilis;

(2) how being infected with HIV, AIDS, hepatitis B, or syphilis could affect the health of their child;

(3) the available cure for syphilis;
(4) the available treatment to prevent maternal-infant HIV transmission; and

(5) methods to prevent the transmission of the HIV virus, hepatitis B, and syphilis.

(1) A physician or other person may not conduct a diagnostic test for HIV infection under Subsection (a)(2)(B), (a-1), or (c-1) if the woman objects. A physician or other person may not conduct a diagnostic test for HIV infection under Subsection (c-2) if a parent, managing conservator, or guardian objects.

(m) If a screening test and a confirmatory test conducted under this section show that the woman is or may be infected with HIV, hepatitis B, or syphilis, the physician or other person who submitted the sample for the test shall provide or make available to the woman disease-specific information on the disease diagnosed, including:

(1) information relating to treatment of HIV infection, acquired immune deficiency syndrome, hepatitis B, or syphilis, which must be in another language, if needed, and must be presented, as necessary, in a manner and in terms understandable to a person who may be illiterate if resources permit; and

(2) counseling under Section 81.109, if HIV infection or AIDS is diagnosed.

(n) A physician or other person may comply with the requirements of Subsection (m)(1) by referring the woman to an entity that provides treatment for individuals infected with the disease diagnosed.

(o) In this section, "HIV" has the meaning assigned by Section 81.101.

Acts 2009, 81st Leg., R.S., Ch. 1124 (H.B. 1795), Sec. 5, eff. September 1, 2009.

Acts 2009, 81st Leg., R.S., Ch. 1124 (H.B. 1795), Sec. 6, eff. September 1, 2009.

Acts 2009, 81st Leg., R.S., Ch. 1124 (H.B. 1795), Sec. 7, eff. September 1, 2009.
Sec. 81.091. OPHTHALMIA NEONATORUM PREVENTION; CRIMINAL PENALTY. (a) A physician, nurse, midwife, or other person in attendance at childbirth shall use or cause to be used prophylaxis approved by the board to prevent ophthalmia neonatorum.

(b) A midwife is responsible for the administration of the prophylaxis to each infant the midwife delivers by:

(1) administering the prophylaxis under standing delegation orders issued by a licensed physician; or

(2) requiring the prophylaxis to be administered by an appropriately licensed and trained individual under standing delegation orders issued by a licensed physician.

(c) Subject to the availability of funds, the department shall furnish prophylaxis approved by the board free of charge to:

(1) health care providers if the newborn's financially responsible adult is unable to pay; and

(2) a midwife identified under Chapter 203, Occupations Code, who requests prophylaxis for administration under standing delegation orders issued by a licensed physician under Subsection (b) and subject to the provisions of Subchapter A, Chapter 157, Occupations Code.

(d) If a physician is not available to issue a standing delegation order or if no physician will agree to issue a standing delegation order, a midwife shall administer or cause to be administered by an appropriately trained and licensed individual prophylaxis approved by the Texas Board of Health to prevent ophthalmia neonatorum to each infant that the midwife delivers.

(e) Administration and possession by a midwife of prophylaxis under this section is not a violation of Chapter 483.

(f) A health care provider may not charge for prophylaxis received free from the department.

(g) A person commits an offense if the person is a physician or other person in attendance on a pregnant woman either during pregnancy or at delivery and fails to perform a duty required by this section. An offense under this section is a Class B misdemeanor.

(h) In this section, "financially responsible adult" means a parent, guardian, spouse, or any other person whom the laws of this state hold responsible for the debts incurred as a result of hospitalization or treatment.
Sec. 81.092. CONTRACTS FOR SERVICES. The department may contract with a physician to provide services to persons infected or reasonably suspected of being infected with a sexually transmitted disease or tuberculosis if:

1. Local or regional health department services are not available;
2. The person in need of examination or treatment is unable to pay for the services; and
3. There is an immediate need for examination or treatment of the person.

Sec. 81.093. PERSONS PROSECUTED FOR CERTAIN CRIMES. (a) A court may direct a person convicted of an offense under Section 43.02, Penal Code, under Chapter 481 (Texas Controlled Substances Act), or under Sections 485.031 through 485.035 to be subject to the control measures of Section 81.083 and to the court-ordered management provisions of Subchapter G.

(b) The court shall order that a presentencing report be prepared under Section 9, Article 42.12, Code of Criminal Procedure, to determine if a person convicted of an offense under Chapter 481 (Texas Controlled Substances Act) or under Sections 485.031 through 485.035 should be subject to Section 81.083 and Subchapter G.

(c) On the request of a prosecutor who is prosecuting a person under Section 22.012, Penal Code, the court shall release to the prosecutor the presentencing report and a statement as to whether the court directed the person to be subject to control measures and court-ordered management for human immunodeficiency virus infection or acquired immune deficiency syndrome.

Sec. 81.094. TESTING BY HOSPITALS OF PERSONS INDICTED FOR

CERTAIN CRIMES. A hospital shall perform a medical procedure or test on a person if a court orders the hospital to perform the procedure or test on a person whom the court orders to undergo the procedure or test under Article 21.31, Code of Criminal Procedure. The procedure or test is a cost of court.

Sec. 81.095. TESTING FOR ACCIDENTAL EXPOSURE. (a) In a case of accidental exposure of a health care worker to blood or other body fluids of a patient in a licensed hospital, the hospital, following a report of the exposure incident, shall take reasonable steps to test the patient for hepatitis B or hepatitis C.

(b) This subsection applies only in a case of accidental exposure of certified emergency medical services personnel, a firefighter, a peace officer, or a first responder who renders assistance at the scene of an emergency or during transport to the hospital to blood or other body fluids of a patient who is transported to a licensed hospital. The hospital receiving the patient, following a report of the exposure incident, shall take reasonable steps to test the patient for hepatitis B or hepatitis C if the report shows there is significant risk to the person exposed. The organization that employs the person or for which the person works as a volunteer in connection with rendering the assistance is responsible for paying the costs of the test. The hospital shall provide the test results to the department or to the local health authority, which are responsible for following the procedures prescribed by Section 81.050(h) to inform the person exposed and, if applicable, the patient regarding the test results. The hospital shall follow applicable reporting requirements prescribed by Subchapter C. This subsection does not impose a duty on a hospital to provide any further testing, treatment, or services or to perform further procedures.

(c) A test conducted under this section may be performed without the patient's specific consent.

(d) The facility shall have a policy concerning the disclosure of the result of the testing as authorized or required by law.

(e) The facility shall abide by all patient confidentiality standards as set out in Section 81.046.
Sec. 81.0955. TESTING FOR ACCIDENTAL EXPOSURE INVOLVING A DECEASED PERSON. (a) This section applies only to the accidental exposure to the blood or other body fluids of a person who dies at the scene of an emergency or during transport to the hospital involving certified emergency medical services personnel, a firefighter, a peace officer, or a first responder who renders assistance at the scene of an emergency or during transport of a person to the hospital.

(b) A hospital, certified emergency medical services personnel, or a physician on behalf of the person exposed, following a report of the exposure incident, shall take reasonable steps to test the deceased person for communicable diseases. The hospital, certified emergency medical services personnel, or physician shall provide the test results to the department or to the local health authority responsible for following the procedures prescribed by Section 81.050(h) to inform the person exposed and, if applicable, the next of kin of the deceased person regarding the test results. The hospital, certified emergency medical services personnel, or physician shall follow applicable reporting requirements prescribed by Subchapter C. This subsection does not impose a duty on a hospital, certified emergency medical services personnel, or a physician to provide any further testing, treatment, or services or to perform further procedures. The executive commissioner of the Health and Human Services Commission shall adopt rules to implement this subsection.

(c) The organization that employs the exposed person or for which the exposed person works as a volunteer in connection with rendering the assistance is responsible for paying the costs of the test.

(d) If the deceased person is delivered to a funeral establishment as defined in Section 651.001, Occupations Code, before a hospital, certified emergency medical services personnel, or a physician has tested the deceased person, the funeral establishment shall allow, if requested by the hospital, certified emergency medical services personnel, or a physician, access to the deceased
person for testing under this section.

(e) A test conducted under this section may be performed without the consent of the next of kin of the deceased person being tested.

(f) A hospital, certified emergency medical services personnel, or a physician that conducts a test under this section must comply with the confidentiality requirements of Section 81.046 except as specifically provided by this section.

Added by Acts 2005, 79th Leg., Ch. 243 (H.B. 162), Sec. 3, eff. September 1, 2005.

SUBCHAPTER F. TESTS FOR ACQUIRED IMMUNE DEFICIENCY SYNDROME AND RELATED DISORDERS

Sec. 81.101. DEFINITIONS. In this subchapter:

(1) "AIDS" means acquired immune deficiency syndrome as defined by the Centers for Disease Control of the United States Public Health Service.

(2) "HIV" means human immunodeficiency virus.

(3) "Bona fide occupational qualification" means a qualification:

(A) that is reasonably related to the satisfactory performance of the duties of a job; and

(B) for which there is a reasonable cause for believing that a person of the excluded group would be unable to perform satisfactorily the duties of the job with safety.

(4) "Blood bank" means a blood bank, blood center, regional collection center, tissue bank, transfusion service, or other similar facility licensed by the Bureau of Biologics of the United States Food and Drug Administration, accredited for membership in the American Association of Blood Banks, or qualified for membership in the American Association of Tissue Banks.

(5) "Test result" means any statement that indicates that an identifiable individual has or has not been tested for AIDS or HIV infection, antibodies to HIV, or infection with any other probable causative agent of AIDS, including a statement or assertion that the individual is positive, negative, at risk, or has or does not have a certain level of antigen or antibody.

Sec. 81.102. TESTS; CRIMINAL PENALTY. (a) A person may not require another person to undergo a medical procedure or test designed to determine or help determine if a person has AIDS or HIV infection, antibodies to HIV, or infection with any other probable causative agent of AIDS unless:

(1) the medical procedure or test is required under Subsection (d), under Section 81.050, or under Article 21.31, Code of Criminal Procedure;

(2) the medical procedure or test is required under Section 81.090, and no objection has been made under Section 81.090(1);

(3) the medical procedure or test is authorized under Chapter 545, Insurance Code;

(4) a medical procedure is to be performed on the person that could expose health care personnel to AIDS or HIV infection, according to board guidelines defining the conditions that constitute possible exposure to AIDS or HIV infection, and there is sufficient time to receive the test result before the procedure is conducted; or

(5) the medical procedure or test is necessary:

(A) as a bona fide occupational qualification and there is not a less discriminatory means of satisfying the occupational qualification;

(B) to screen blood, blood products, body fluids, organs, or tissues to determine suitability for donation;

(C) in relation to a particular person under this chapter;

(D) to manage accidental exposure to blood or other body fluids, but only if the test is conducted under written infectious disease control protocols adopted by the health care agency or facility;

(E) to test residents and clients of residential facilities of the Texas Department of Mental Health and Mental Retardation, but only if:

(i) the test result would change the medical or social management of the person tested or others who associated with that person; and

(ii) the test is conducted in accordance with guidelines adopted by the residential facility or the Texas Department of Mental Health and Mental Retardation and approved by
the department; or

(F) to test residents and clients of residential facilities of the Texas Youth Commission, but only if:

(i) the test result would change the medical or social management of the person tested or others who associate with that person; and

(ii) the test is conducted in accordance with guidelines adopted by the Texas Youth Commission.

(b) An employer who alleges that a test is necessary as a bona fide occupational qualification has the burden of proving that allegation.

(c) Protocols adopted under Subsection (a)(4)(D) must clearly establish procedural guidelines with criteria for testing that respect the rights of the person with the infection and the person who may be exposed to that infection. The protocols may not require the person who may have been exposed to be tested and must ensure the confidentiality of the person with the infection in accordance with this chapter.

(d) The board may adopt emergency rules for mandatory testing for HIV infection if the commissioner files a certificate of necessity with the board that contains supportive findings of medical and scientific fact and that declares a sudden and imminent threat to public health. The rules must provide for:

(1) the narrowest application of HIV testing necessary for the protection of the public health;

(2) procedures and guidelines to be followed by an affected entity or state agency that clearly specify the need and justification for the testing, specify methods to be used to assure confidentiality, and delineate responsibility and authority for carrying out the recommended actions;

(3) counseling of persons with seropositive test results; and

(4) confidentiality regarding persons tested and their test results.

(e) This section does not create a duty to test for AIDS and related disorders or a cause of action for failure to test for AIDS and related disorders.

(f) A person who requires a medical procedure or test in violation of this section commits an offense. An offense under this subsection is a Class A misdemeanor.
Sec. 81.103. CONFIDENTIALITY; CRIMINAL PENALTY. (a) A test result is confidential. A person that possesses or has knowledge of a test result may not release or disclose the test result or allow the test result to become known except as provided by this section.

(b) A test result may be released to:

(1) the department under this chapter;

(2) a local health authority if reporting is required under this chapter;

(3) the Centers for Disease Control and Prevention of the United States Public Health Service if reporting is required by federal law or regulation;

(4) the physician or other person authorized by law who ordered the test;

(5) a physician, nurse, or other health care personnel who have a legitimate need to know the test result in order to provide for their protection and to provide for the patient's health and welfare;

(6) the person tested or a person legally authorized to consent to the test on the person's behalf;

(7) the spouse of the person tested if the person tests positive for AIDS or HIV infection, antibodies to HIV, or infection with any other probable causative agent of AIDS;

(8) a person authorized to receive test results under Article 21.31, Code of Criminal Procedure, concerning a person who is tested as required or authorized under that article;

(9) a person exposed to HIV infection as provided by Section 81.050; and

(10) a county or district court to comply with this chapter or rules relating to the control and treatment of communicable diseases and health conditions.

(c) The court shall notify persons receiving test results under Subsection (b)(8) of the requirements of this section.
(d) A person tested or a person legally authorized to consent to the test on the person's behalf may voluntarily release or disclose that person's test results to any other person, and may authorize the release or disclosure of the test results. An authorization under this subsection must be in writing and signed by the person tested or the person legally authorized to consent to the test on the person's behalf. The authorization must state the person or class of persons to whom the test results may be released or disclosed.

(e) A person may release or disclose a test result for statistical summary purposes only without the written consent of the person tested if information that could identify the person is removed from the report.

(f) A blood bank may report positive blood test results indicating the name of a donor with a possible infectious disease to other blood banks if the blood bank does not disclose the infectious disease that the donor has or is suspected of having. A report under this subsection is not a breach of any confidential relationship.

(g) A blood bank may report blood test results to the hospitals where the blood was transfused, to the physician who transfused the infected blood, and to the recipient of the blood. A blood bank may also report blood test results for statistical purposes. A report under this subsection may not disclose the name of the donor or person tested or any information that could result in the disclosure of the donor's or person's name, including an address, social security number, a designated recipient, or replacement information.

(h) A blood bank may provide blood samples to hospitals, laboratories, and other blood banks for additional, repetitive, or different testing.

(i) An employee of a health care facility whose job requires the employee to deal with permanent medical records may view test results in the performance of the employee's duties under reasonable health care facility practices. The test results viewed are confidential under this chapter.

(j) A person commits an offense if, with criminal negligence and in violation of this section, the person releases or discloses a test result or other information or allows a test result or other information to become known. An offense under this subsection is a Class A misdemeanor.

(k) A judge of a county or district court may issue a
protective order or take other action to limit disclosure of a test result obtained under this section before that information is entered into evidence or otherwise released in a court proceeding.

Acts 2009, 81st Leg., R.S., Ch. 788 (S.B. 1171), Sec. 2, eff. June 19, 2009.

Sec. 81.104. INJUNCTION; CIVIL LIABILITY. (a) A person may bring an action to restrain a violation or threatened violation of Section 81.102 or 81.103.

(b) A person who violates Section 81.102 or who is found in a civil action to have negligently released or disclosed a test result or allowed a test result to become known in violation of Section 81.103 is liable for:

(1) actual damages;
(2) a civil penalty of not more than $5,000; and
(3) court costs and reasonable attorney's fees incurred by the person bringing the action.

(c) A person who is found in a civil action to have wilfully released or disclosed a test result or allowed a test result to become known in violation of Section 81.103 is liable for:

(1) actual damages;
(2) a civil penalty of not less than $5,000 nor more than $10,000; and
(3) court costs and reasonable attorney's fees incurred by the person bringing the action.

(d) Each release or disclosure made, or allowance of a test result to become known, in violation of this subchapter constitutes a separate offense.

(e) A defendant in a civil action brought under this section is not entitled to claim any privilege as a defense to the action.

Sec. 81.105. INFORMED CONSENT. (a) Except as otherwise
provided by law, a person may not perform a test designed to identify HIV or its antigen or antibody without first obtaining the informed consent of the person to be tested.

(b) Consent need not be written if there is documentation in the medical record that the test has been explained and the consent has been obtained.

Sec. 81.106. GENERAL CONSENT. (a) A person who has signed a general consent form for the performance of medical tests or procedures is not required to also sign or be presented with a specific consent form relating to medical tests or procedures to determine HIV infection, antibodies to HIV, or infection with any other probable causative agent of AIDS that will be performed on the person during the time in which the general consent form is in effect.

(b) Except as otherwise provided by this chapter, the result of a test or procedure to determine HIV infection, antibodies to HIV, or infection with any probable causative agent of AIDS performed under the authorization of a general consent form in accordance with this section may be used only for diagnostic or other purposes directly related to medical treatment.

Sec. 81.107. CONSENT TO TEST FOR CERTAIN ACCIDENTAL EXPOSURES. (a) In a case of accidental exposure to blood or other body fluids under Section 81.102(a)(4)(D), the health care agency or facility may test a person who may have exposed the health care worker to HIV without the person's specific consent to the test.

(b) A test under this section may be done only if:

(1) the test is done according to protocols established as provided by Section 81.102(c); and

(2) those protocols ensure that any identifying information concerning the person tested will be destroyed as soon as the testing is complete and the person who may have been exposed is notified of the result.

(c) A test result under this section is subject to the
Sec. 81.108. TESTING BY INSURERS. The Insurance Code and any rules adopted by the State Board of Insurance exclusively govern all practices of insurers in testing applicants to show or help show whether a person has AIDS or HIV infection, antibodies to HIV, or infection with any other probable causative agent of AIDS.

Sec. 81.109. COUNSELING REQUIRED FOR POSITIVE TEST RESULTS. (a) A positive test result may not be revealed to the person tested without giving that person the immediate opportunity for individual, face-to-face post-test counseling about:

1. the meaning of the test result;
2. the possible need for additional testing;
3. measures to prevent the transmission of HIV;
4. the availability of appropriate health care services, including mental health care, and appropriate social and support services in the geographic area of the person's residence;
5. the benefits of partner notification; and
6. the availability of partner notification programs.

(b) Post-test counseling should:

1. increase a person's understanding of HIV infection;
2. explain the potential need for confirmatory testing;
3. explain ways to change behavior conducive to HIV transmission;
4. encourage the person to seek appropriate medical care; and
5. encourage the person to notify persons with whom there has been contact capable of transmitting HIV.

(c) Subsection (a) does not apply if:

1. a report of a test result is used for statistical or research purposes only and any information that could identify the person is removed from the report; or
2. the test is conducted for the sole purpose of screening blood, blood products, bodily fluids, organs, or tissues to determine...
(d) A person who is injured by an intentional violation of this section may bring a civil action for damages and may recover for each violation from a person who violates this section:

(1) $1,000 or actual damages, whichever is greater; and
(2) reasonable attorney fees.

(e) This section does not prohibit disciplinary proceedings from being conducted by the appropriate licensing authorities for a health care provider's violation of this section.

(f) A person performing a test to show HIV infection, antibodies to HIV, or infection with any other probable causative agent of AIDS is not liable under Subsection (d) for failing to provide post-test counseling if the person tested does not appear for the counseling.

SUBCHAPTER G. COURT ORDERS FOR MANAGEMENT OF PERSONS WITH COMMUNICABLE DISEASES

Sec. 81.151. APPLICATION FOR COURT ORDER. (a) At the request of the health authority, a municipal, county, or district attorney shall file a sworn written application for a court order for the management of a person with a communicable disease. At the request of the department, the attorney general shall file a sworn written application for a court order for the management of a person with a communicable disease.

(b) The application must be filed with the district court in the county in which the person:

(1) resides;
(2) is found; or
(3) is receiving court-ordered health services.

(c) If the application is not filed in the county in which the person resides, the court may, on request of the person or the person's attorney and if good cause is shown, transfer the application to that county.

(d) A copy of written orders made under Section 81.083, if applicable, and a medical evaluation must be filed with the application, except that a copy of the written orders need not be filed with an application for outpatient treatment.
A single application may be filed for a group if:

(1) the department or health authority reasonably suspects that a group of five or more persons has been exposed to or infected with a communicable disease; and

(2) each person in the group meets the criteria of this chapter for court orders for the management of a person with a communicable disease.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.03, eff. September 1, 2007.

Sec. 81.1511. APPLICABILITY OF SUBCHAPTER TO GROUP. To the extent possible, and except as otherwise provided, if a group application is filed under Section 81.151(e), the provisions of this subchapter apply to the group in the same manner as they apply to an individual, except that:

(1) except as provided by Subdivision (2), any statement or determination regarding the conduct or status of a person must be made in regard to the majority of the members of the group;

(2) any finding or statement related to compliance with orders under Section 81.083 must be made for the entire group;

(3) any notice required to be provided to a person must:

(A) in addition to being sent to each individual in the group for whom the department or health authority has an address, be published in a newspaper of general circulation in the county that includes the area of the suspected contamination and any other county in which the department or health authority suspects a member of the group resides;

(B) state that the group is appointed an attorney but that a member of the group is entitled to the member's own attorney on request; and

(C) include instructions for any person who reasonably suspects that the person was at the place of the suspected exposure at the time of the suspected exposure to provide the person's name, address, and county of residence to the department or health.
authority; and

(4) an affidavit of medical evaluation for the group may be based on evaluation of one or more members of the group if the physician reasonably believes that the condition of the individual or individuals represents the condition of the majority of the members of the group.

Added by Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.04, eff. September 1, 2007.

Sec. 81.152. FORM OF APPLICATION. (a) An application for a court order for the management of a person with a communicable disease must be styled using the person's initials and not the person's full name.

(b) The application must state whether the application is for temporary or extended management of a person with a communicable disease.

(c) Any application must contain the following information according to the applicant's information and belief:

1. the person's name and address;
2. the person's county of residence in this state;
3. a statement that the person is infected with or is reasonably suspected of being infected with a communicable disease that presents a threat to public health and that the person meets the criteria of this chapter for court orders for the management of a person with a communicable disease; and
4. a statement, to be included only in an application for inpatient treatment, that the person fails or refuses to comply with written orders of the department or health authority under Section 81.083, if applicable.

(d) A group application must contain the following information according to the applicant's information and belief:

1. a description of the group and the location where the members of the group may be found;
2. a narrative of how the group has been exposed or infected;
3. an estimate of how many persons are included in the group;
4. to the extent known, a list containing the name,
address, and county of residence in this state of each member of the group;

(5) if the applicant is unable to obtain the name and address of each member of the group:
   (A) a statement that the applicant has sought each of the unknown names and addresses; and
   (B) the reason that the names and addresses are unavailable; and

(6) a statement, to be included only in an application for inpatient treatment, that the members of the group fail or refuse to comply with written orders of the department or health authority under Section 81.083, if applicable.

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.05, eff. September 1, 2007.

Sec. 81.153. APPOINTMENT OF ATTORNEY. (a) The judge shall appoint an attorney to represent a person not later than the 24th hour after the time an application for a court order for the management of a person with a communicable disease is filed if the person does not have an attorney. The judge shall also appoint a language or sign interpreter if necessary to ensure effective communication with the attorney in the person's primary language.

(b) The person's attorney shall receive all records and papers in the case and is entitled to have access to all hospital and physicians' records.

Sec. 81.1531. APPOINTMENT OF ATTORNEY FOR GROUP. (a) A judge shall appoint an attorney to represent a group identified in a group application under Section 81.151(e) and shall appoint an attorney for each person who is listed in the application if requested by a person in the group who does not have an attorney.

(b) To the extent possible, the provisions of this chapter that
apply to an individual's attorney apply to a group's attorney.

Added by Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.06, eff. September 1, 2007.

Sec. 81.154. SETTING ON APPLICATION. (a) The judge or a magistrate designated under this chapter shall set a date for a hearing to be held within 14 days after the date on which the application is served on the person.

(b) The hearing may not be held within the first three days after the application is filed if the person or the person's attorney objects.

(c) The court may grant one or more continuances of the hearing on the motion by a party and for good cause shown or on agreement of the parties. However, the hearing shall be held not later than the 30th day after the date on which the original application is served on the person.

Sec. 81.155. NOTICE. (a) The person and the person's attorney are entitled to receive a copy of the application and written notice of the time and place of the hearing immediately after the date for the hearing is set.

(b) A copy of the application and the written notice shall be delivered in person or sent by certified mail to:

(1) the person's parent, if the person is a minor;
(2) the person's appointed guardian, if the person is the subject of a guardianship; or
(3) each managing and possessory conservator, that has been appointed for the person.

(c) The court shall appoint a guardian ad litem for a minor if the parent cannot be located and a guardian or conservator has not been appointed.

Sec. 81.156. DISCLOSURE OF INFORMATION. (a) The person's attorney may request information from the attorney general or the municipal, county, or district attorney, as appropriate, in accordance with this section if the attorney cannot otherwise obtain the information. The attorney must request the information at least 48 hours before the time set for the hearing.

(b) If the person's attorney requests the information in accordance with Subsection (a), the attorney general or the municipal, county, or district attorney shall, within a reasonable time before the hearing, provide the attorney with a statement that includes:

(1) the provisions of this chapter that will be relied on at the hearing to establish that the person requires a court order for the temporary or extended management of a person with a communicable disease;

(2) the name, address, and telephone number of each witness who may testify at the hearing;

(3) a brief description of the reasons why temporary or extended management is required; and

(4) a list of any acts committed by the person that the applicant will attempt to prove at the hearing.

(c) At the hearing, the judge may admit evidence or testimony that relates to matters not disclosed under this chapter if the admission would not deprive the person of a fair opportunity to contest the evidence or testimony.

Sec. 81.157. DISTRICT COURT JURISDICTION. (a) A proceeding under this chapter must be held in a district court of the county in which the person is found, resides, or is receiving court-ordered health services.

(b) If a person subject to an order for temporary management is receiving services in a county other than the county in which the court that entered the temporary order is located and requires extended management, the county in which the temporary order was issued shall pay the expenses of transporting the person back to the county for the hearing unless the court that entered the temporary
order arranges with the appropriate court in the county in which the
person is receiving services to hold the hearing on the application
for extended order before the temporary order expires.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1997, 75th Leg., ch. 242, Sec. 5, eff. May 23, 1997.

Sec. 81.158. AFFIDAVIT OF MEDICAL EVALUATION. (a) An
affidavit of medical evaluation must be dated and signed by the
commissioner or the commissioner's designee, or by a health authority
with the concurrence of the commissioner or the commissioner's
designee. The certificate must include:

(1) the name and address of the examining physician, if
applicable;

(2) the name and address of the person examined or to be
examined;

(3) the date and place of the examination, if applicable;

(4) a brief diagnosis of the examined person's physical and
mental condition, if applicable;

(5) the period, if any, during which the examined person
has been under the care of the examining physician;

(6) an accurate description of the health treatment, if
any, given by or administered under the direction of the examining
physician; and

(7) the opinion of the health authority or department and
the reason for that opinion, including laboratory reports, that:

(A) the examined person is infected with or is
reasonably suspected of being infected with a communicable disease
that presents a threat to public health; and

(B) as a result of that communicable disease the
examined person:

(i) is likely to cause serious harm to himself; or

(ii) will, if not examined, observed, or treated,
continue to endanger public health.

(b) The department or health authority must specify in the
affidavit each criterion listed in Subsection (a)(7)(B) that in the
opinion of the department or health authority applies to the person.

(c) If the affidavit is offered in support of an application
for extended management, the affidavit must also include the
department's or health authority's opinion that the examined person's condition is expected to continue for more than 90 days.

(d) If the affidavit is offered in support of a motion for a protective custody order, the affidavit must also include the department's or health authority's opinion that the examined person presents a substantial risk of serious harm to himself or others if not immediately restrained. The harm may be demonstrated by the examined person's behavior to the extent that the examined person cannot remain at liberty.

(e) The affidavit must include the detailed basis for each of the department's or health authority's opinions under this section.

Sec. 81.159. DESIGNATION OF FACILITY. (a) The commissioner shall designate health care facilities throughout the state that are capable of providing services for the examination, observation, isolation, or treatment of persons having or suspected of having a communicable disease. However, the commissioner may not designate:

(1) a nursing home or custodial care home required to be licensed under Chapter 242; or

(2) an intermediate care facility for the mentally retarded required to be licensed under Chapter 252.

(b) The health authority shall select a designated facility in the county in which the application is filed. If no facility is designated in the county, the commissioner shall select the facility.

(c) This section does not relieve a county of its responsibility under other provisions of this chapter or applicable law for providing health care services.

(d) A designated facility must comply with this section only to the extent that the commissioner determines that the facility has sufficient resources to perform the necessary services.

(e) This section does not apply to a person for whom treatment in a private health facility is proposed.

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.07, eff. September 1, 2007.
Sec. 81.160. LIBERTY PENDING HEARING. The person who is the subject of an application for management is entitled to remain at liberty pending the hearing on the application unless the person is detained under an appropriate provision of this chapter.

Sec. 81.161. MOTION FOR ORDER OF PROTECTIVE CUSTODY. (a) A motion for an order of protective custody may be filed only in the court in which an application for a court order for the management of a person with a communicable disease is pending.

(b) The motion may be filed by the municipal, county, or district attorney on behalf of the health authority. The motion shall be filed by the attorney general at the request of the department.

(c) The motion must state that:
(1) the department or health authority has reason to believe and does believe that the person meets the criteria authorizing the court to order protective custody; and
(2) the belief is derived from:
(A) the representations of a credible person;
(B) the conduct of the person who is the subject of the motion; or
(C) the circumstances under which the person is found.

(d) The motion must be accompanied by an affidavit of medical evaluation.

(e) The judge of the court in which the application is pending may designate a magistrate to issue protective custody orders in the judge's absence.

Sec. 81.162. ISSUANCE OF ORDER. (a) The judge or designated magistrate may issue a protective custody order if the judge or magistrate determines:

(1) that the health authority or department has stated its
opinion and the detailed basis for its opinion that the person is infected with or is reasonably suspected of being infected with a communicable disease that presents an immediate threat to the public health; and

(2) that the person fails or refuses to comply with the written orders of the health authority or the department under Section 81.083, if applicable.

(b) Noncompliance with orders issued under Section 81.083 may be demonstrated by the person's behavior to the extent that the person cannot remain at liberty.

(c) The judge or magistrate may consider only the application and affidavit in making a determination that the person meets the criteria prescribed by Subsection (a). If only the application and certificate are considered the judge or magistrate must determine that the conclusions of the health authority or department are adequately supported by the information provided.

(d) The judge or magistrate may take additional evidence if a fair determination of the matter cannot be made from consideration of the application and affidavit only.

(e) The judge or magistrate may issue a protective custody order for a person who is charged with a criminal offense if the person meets the requirements of this section and the head of the facility designated to detain the person agrees to the detention.

(f) Notwithstanding Section 81.161 or Subsection (c), a judge or magistrate may issue a temporary protective custody order before the filing of an application for a court order for the management of a person with a communicable disease under Section 81.151 if:

(1) the judge or magistrate takes testimony that an application under Section 81.151, together with a motion for protective custody under Section 81.161, will be filed with the court on the next business day; and

(2) the judge or magistrate determines based on evidence taken under Subsection (d) that there is probable cause to believe that the person presents a substantial risk of serious harm to himself or others to the extent that the person cannot be at liberty pending the filing of the application and motion.

(g) A temporary protective custody order issued under Subsection (f) may continue only until 4 p.m. on the first business day after the date the order is issued unless the application for a court order for the management of a person with a communicable
disease and a motion for protective custody, as described by Subsection (f)(1), are filed at or before that time. If the application and motion are filed at or before 4 p.m. on the first business day after the date the order is issued, the temporary protective custody order may continue for the period reasonably necessary for the court to rule on the motion for protective custody.

(h) The judge or magistrate may direct a peace officer, including a sheriff or constable, to prevent a person who is the subject of a protective custody order from leaving the facility designated to detain the person if the court finds that a threat to the public health exists because the person may attempt to leave the facility.

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.08, eff. September 1, 2007.
Acts 2013, 83rd Leg., R.S., Ch. 314 (H.B. 1690), Sec. 5, eff. June 14, 2013.

Sec. 81.163. APPREHENSION UNDER ORDER. (a) A protective custody order shall direct a peace officer, including a sheriff or constable, to take the person who is the subject of the order into protective custody and transport the person immediately to an appropriate inpatient health facility that has been designated by the commissioner as a suitable place.

(b) If an appropriate inpatient health facility is not available, the person shall be transported to a facility considered suitable by the health authority.

(c) The person shall be detained in the facility until a hearing is held under Section 81.165.

(d) A facility must comply with this section only to the extent that the commissioner determines that the facility has sufficient resources to perform the necessary services.

(e) A person may not be detained in a private health facility without the consent of the head of the facility.

(f) A protective custody order issued under Section 81.162 may direct an emergency medical services provider to provide an ambulance...
and staff to immediately transport the person who is the subject of the order to an appropriate inpatient health facility designated by the order or other suitable facility. The provider may seek reimbursement for the costs of the transport from any appropriate source.

Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 314 (H.B. 1690), Sec. 6, eff. June 14, 2013.

Sec. 81.164. APPOINTMENT OF ATTORNEY. (a) The judge or designated magistrate shall appoint an attorney to represent a person who is the subject of a protective custody order who does not have an attorney when the order is signed.

(b) Within a reasonable time before a hearing is held under Section 81.165, the court that ordered the protective custody shall provide the person and the person's attorney with a written notice that states:
   (1) that the person has been placed under a protective custody order;
   (2) the grounds for the order; and
   (3) the time and place of the hearing to determine probable cause.

Sec. 81.165. PROBABLE CAUSE HEARING. (a) A hearing must be held to determine if:
   (1) there is probable cause to believe that a person under a protective custody order presents a substantial risk of serious harm to himself or others to the extent that the person cannot be at liberty pending the hearing on a court order for the management of a person with a communicable disease; and
   (2) the health authority or department has stated its opinion and the detailed basis for its opinion that the person is infected with or is reasonably suspected of being infected with a communicable disease that presents an immediate threat to public health.

Statute text rendered on: 3/14/2015 - 315 -
(b) The hearing must be held not later than 72 hours after the time that the person was detained under the protective custody order. If the period ends on a Saturday, Sunday, or legal holiday, the hearing must be held on the next day that is not a Saturday, Sunday, or legal holiday. The judge or magistrate may postpone the hearing for an additional 24 hours if the judge or magistrate declares that an extreme emergency exists because of extremely hazardous weather conditions that threaten the safety of the person or another essential party to the hearing. If the area in which the person is found, or the area where the hearing will be held, is under a public health disaster, the judge or magistrate may postpone the hearing until the period of disaster is ended.

(c) A magistrate or a master appointed by the presiding judge shall conduct the hearing. The master is entitled to reasonable compensation.

(d) The person and his attorney shall have an opportunity at the hearing to appear and present evidence to challenge the allegation that the person presents a substantial risk of serious harm to himself or others. If the health authority advises the court that the person must remain in isolation or quarantine and that exposure to the judge, jurors, or the public would jeopardize the health and safety of those persons and the public health, a magistrate or a master may order that a person entitled to a hearing for a protective custody order may not appear in person and may appear only by teleconference or another means the magistrate or master finds appropriate to allow the person to speak, to interact with witnesses, and to confer with the person's attorney.

(e) The magistrate or master may consider evidence that may not be admissible or sufficient in a subsequent commitment hearing, including letters, affidavits, and other material.

(f) The state may prove its case on the health authority's or department's affidavit of medical evaluation filed in support of the initial motion.

Amended by:
    Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.09, eff. September 1, 2007.
Sec. 81.166. ORDER FOR CONTINUED DETENTION. (a) The magistrate or master shall order that a person remain in protective custody if the magistrate or master determines after the hearing that an adequate factual basis exists for probable cause to believe that the person presents a substantial risk of serious harm to himself or others to the extent that the person cannot remain at liberty pending the hearing on the application.

(b) The magistrate or master shall arrange for the person to be returned to the health facility or other suitable place, along with copies of the affidavits and other material submitted as evidence in the hearing and the notification prepared as prescribed by Subsection (d).

(c) A copy of the notification of probable cause hearing and the supporting evidence shall be filed with the district court that entered the original order of protective custody.

(d) The notification of probable cause hearing shall read as follows:

(Style of Case)
NOTIFICATION OF PROBABLE CAUSE HEARING

On this the _____ day of ________________, 19__, the undersigned hearing officer heard evidence concerning the need for protective custody of ___________ (hereinafter referred to as proposed patient). The proposed patient was given the opportunity to challenge the allegations that (s)he presents a substantial risk of serious harm to self or others.

The proposed patient and his or her attorney _______________________________ have been given written notice that the proposed patient was placed under an order of protective custody and the reasons for such order on __________ (date of notice).

I have examined the affidavit of medical evaluation and ________________ (other evidence considered). Based on this evidence, I find that there is probable cause to believe that the proposed patient presents a substantial risk of serious harm to himself or herself (yes ___ or no ___) or others (yes ___ or no ___) such that (s)he cannot be at liberty pending final hearing because (s)he is infected with or is reasonably suspected of being infected with a communicable disease that presents an immediate threat to the public health and (s)he has failed or refused to comply with the orders of the health authority or the Texas Department of Health delivered on __________ (date of service) __________.
Sec. 81.167. DETENTION IN PROTECTIVE CUSTODY. (a) The head of a facility or the facility head's designee shall detain a person under a protective custody order in the facility pending a court order for the management of a person with a communicable disease or until the person is released or discharged under Section 81.168.

(b) A person under a protective custody order shall be detained in an appropriate inpatient health facility that has been designated by the commissioner or by a health authority and selected by the health authority under Section 81.159.

(c) A person under a protective custody order may be detained in a nonmedical facility used to detain persons who are charged with or convicted of a crime only with the consent of the medical director of the facility and only if the facility has respiratory isolation capability for airborne communicable diseases. The person may not be detained in a nonmedical facility under this subsection for longer than 72 hours, excluding Saturdays, Sundays, legal holidays, the period prescribed by Section 81.165(b) for an extreme weather emergency, and the duration of a public health disaster. The person must be isolated from any person who is charged with or convicted of a crime.

(d) The health authority shall ensure that proper isolation methods are used and medical care is made available to a person who is detained in a nonmedical facility under Subsection (c).

Sec. 81.168. RELEASE FROM DETENTION. (a) The magistrate or master shall order the release of a person under a protective custody order if the magistrate or master determines after the hearing under Section 81.165 that no probable cause exists to believe that the person presents a substantial risk of serious harm to himself or others.
(b) Arrangements shall be made to return a person released under Subsection (a) to:

(1) the location at which the person was apprehended;
(2) the person's place of residence in this state; or
(3) another suitable location.

(c) The head of a facility shall discharge a person held under a protective custody order if:

(1) the head of the facility does not receive notice within 72 hours after detention begins, excluding Saturdays, Sundays, legal holidays, the period prescribed by Section 81.165(b) for an extreme weather emergency, and the duration of a public health disaster, that a probable cause hearing was held and the person's continued detention was authorized;
(2) a final court order for the management of a person with a communicable disease has not been entered within the time prescribed by Section 81.154; or
(3) the health authority or commissioner determines that the person no longer meets the criteria for protective custody prescribed by Section 81.162.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:
Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.11, eff. September 1, 2007.

Sec. 81.169. GENERAL PROVISIONS RELATING TO HEARING. (a) Except as provided by Subsection (b), the judge may hold a hearing on an application for a court order for the management of a person with a communicable disease at any suitable location in the county. The hearing should be held in a physical setting that is not likely to have a harmful effect on the public or the person.

(b) On the request of the person or the person's attorney, the hearing on the application shall be held in the county courthouse.

(c) The health authority shall advise the court on appropriate control measures to prevent the transmission of the communicable disease alleged in the application.

(d) The person is entitled to be present at the hearing. The person or the person's attorney may waive this right.

(e) The hearing must be open to the public unless the person or
the person's attorney requests that the hearing be closed and the judge determines that there is good cause to close the hearing.

(f) The Texas Rules of Evidence apply to the hearing unless the rules are inconsistent with this chapter.

(g) The court may consider the testimony of a nonphysician health professional in addition to medical testimony.

(h) The hearing is on the record, and the state must prove each element of the application criteria by clear and convincing evidence.

(i) Notwithstanding Subsection (d), if the health authority advises the court that the person must remain in isolation or quarantine and that exposure to the judge, jurors, or the public would jeopardize the health and safety of those persons and the public health, a judge may order that a person entitled to a hearing may not appear in person and may appear only by teleconference or another means that the judge finds appropriate to allow the person to speak, to interact with witnesses, and to confer with the person's attorney.

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.12, eff. September 1, 2007.

Sec. 81.170. RIGHT TO JURY. (a) A hearing for temporary management must be before the court unless the person or the person's attorney requests a jury.

(b) A hearing for extended management must be before a jury unless the person or the person's attorney waives the right to a jury.

(c) A waiver of the right to a jury must be in writing, under oath, and signed by the person and the person's attorney.

(d) The court may permit a waiver of the right to a jury to be withdrawn for good cause shown. The withdrawal must be made at least seven days before the date on which the hearing is scheduled.

(e) A court may not require a jury fee.

(f) The jury shall determine if the person is infected with or is reasonably suspected of being infected with a communicable disease that presents a threat to the public health and, if the application
is for inpatient treatment, has refused or failed to follow the orders of the health authority. The jury may not make a finding about the type of services to be provided to the person.

Sec. 81.171. RELEASE AFTER HEARING. (a) The court shall enter an order denying an application for a court order for temporary or extended management if after a hearing the judge or jury fails to find, from clear and convincing evidence, that the person:

(1) is infected with or is reasonably suspected of being infected with a communicable disease that presents a threat to the public health;

(2) has refused or failed to follow the orders of the health authority if the application is for inpatient treatment; and

(3) meets the applicable criteria for orders for the management of a person with a communicable disease.

(b) If the court denies the application, the court shall order the immediate release of a person who is not at liberty.

Sec. 81.172. ORDER FOR TEMPORARY MANAGEMENT. (a) The judge or jury may determine that a person requires court-ordered examination, observation, isolation, or treatment only if the judge or jury finds, from clear and convincing evidence, that:

(1) the person is infected with or is reasonably suspected of being infected with a communicable disease that presents a threat to the public health and, if the application is for inpatient treatment, has failed or refused to follow the orders of the health authority of department; and

(2) as a result of the communicable disease the person:

(A) is likely to cause serious harm to himself; or

(B) will, if not examined, observed, isolated, or treated, continue to endanger public health.

(b) The judge or jury must specify each criterion listed in Subsection (a)(2) that forms the basis for the decision.
(c) The person or the person's attorney, by a written document filed with the court, may waive the right to cross-examine witnesses, and the court may admit, as evidence, the affidavit of medical evaluation. The affidavit admitted under this subsection constitutes competent medical testimony, and the court may make its findings solely from the affidavit.

(d) An order for temporary management shall state that examinations, treatment, and surveillance are authorized for a period not longer than 90 days.

(e) The department, with the cooperation of the head of the facility, shall submit to the court a general program of treatment to be provided. The program must be submitted not later than the 14th day after the date the order is issued and must be incorporated into the court order.

Sec. 81.173. ORDER FOR EXTENDED MANAGEMENT. (a) The jury, or the judge if the right to a jury is waived, may determine that a proposed patient requires court-ordered examination, observation, isolation, or treatment only if the jury or judge finds, from clear and convincing evidence, that:

(1) the person is infected with a communicable disease that presents a threat to the public health and, if the application is for inpatient treatment, has failed to follow the orders of the health authority or department;

(2) as a result of that communicable disease the person:
   (A) is likely to cause serious harm to himself; or
   (B) will, if not examined, observed, isolated, or treated, continue to endanger public health; and

(3) the person's condition is expected to continue for more than 90 days.

(b) The jury or judge must specify each criterion listed in Subsection (a)(2) that forms the basis for the decision.

(c) The court may not make findings solely from the affidavit of medical evaluation, but shall hear testimony. The court may not enter an order for extended management unless appropriate findings are made and are supported by testimony taken at the hearing. The
testimony must include competent medical testimony.

(d) An order for extended management shall state that examination, treatment, and surveillance are authorized for not longer than 12 months.

(e) The department, with the cooperation of the head of the facility, shall submit to the court a general program of treatment to be provided. The program must be submitted not later than the 14th day after the date the order is issued and must be incorporated into the court order.

Sec. 81.174. ORDER OF CARE OR COMMITMENT. (a) The judge shall dismiss the jury, if any, after a hearing in which a person is found:

(1) to be infected with or reasonably suspected of being infected with a communicable disease;

(2) to have failed or refused to follow the orders of a health authority or the department if the application is for inpatient treatment; and

(3) to meet the criteria for orders for the management of a patient with a communicable disease.

(b) The judge may hear additional evidence relating to alternative settings for examination, observation, treatment, or isolation before entering an order relating to the setting for the care the person will receive.

(c) The judge shall consider in determining the setting for care the recommendation for the appropriate health care facility filed under this chapter.

(d) The judge may enter an order:

(1) committing the person to a health care facility for inpatient care; or

(2) requiring the person to participate in other communicable disease management programs.

Sec. 81.175. COURT-ORDERED OUTPATIENT SERVICES. (a) The
court, in an order that directs a person to participate in an outpatient communicable disease program, shall designate a health authority to monitor the person's compliance. The head of a health care facility or an individual involved in providing the services in which the person is to participate under the order shall cooperate with the health authority in implementing the court orders.

(b) The health authority or the department, with the cooperation of the head of the facility, shall submit to the court within two weeks after the court enters the order a general program of the treatment to be provided. The program must be incorporated into the court order.

(c) The health authority or department shall inform the court:

(1) if the person fails to comply with the court order; and

(2) of any substantial change in the general program of treatment that occurs before the order expires.

(d) A facility must comply with this section to the extent that the commissioner determines that the designated facility has sufficient resources to perform the necessary services.

(e) A person may not be detained in a private health care facility without the consent of the facility head.

Sec. 81.176. DESIGNATION OF FACILITY. In a court order for the temporary or extended management of a person with a communicable disease specifying inpatient care, the court shall commit the person to a health care facility designated by the commissioner or a health authority in accordance with Section 81.159.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.13, eff. September 1, 2007.

Sec. 81.177. COMMITMENT TO PRIVATE FACILITY. (a) The court may order a person committed to a private health care facility at no expense to the state if the court receives:

(1) an application signed by the person or the person's
guardian or next friend requesting that the person be placed in a
designated private health care facility at the person's or
applicant's expense; and
(2) a written agreement from the head of the private health
care facility to admit the person and to accept responsibility for
the person in accordance with this chapter.
(b) Consistent with Subsection (a), the court may order a
person committed to a private health care facility at no expense to
the state, a county, a municipality, or a hospital district if:
(1) a state of disaster or a public health disaster has
been declared or an area quarantine is imposed under Section 81.085;
(2) the health care facility is located within the disaster
area or area quarantine, as applicable; and
(3) the judge determines that there is no public health
care facility within the disaster area or area quarantine, as
applicable, that has appropriate facilities and the capacity
available to receive and treat the person.
(c) Nothing in this section prevents a health care facility
that accepts a person under this section from pursuing reimbursement
from any appropriate source, such as a third-party public or private
payor or disaster relief fund.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 14.14, eff.
September 1, 2007.

Sec. 81.178. COMMITMENT TO FEDERAL FACILITY. (a) A court may
order a person committed to a federal agency that operates a health
care facility if the court receives written notice from the agency
that facilities are available and that the person is eligible for
care or treatment in the facility. The court may place the person in
the agency's custody for transportation to the health care facility.
(b) A person admitted under court order to a health care
facility operated by a federal agency, regardless of location, is
subject to the agency's rules and regulations.
(c) The head of the health care facility has the same authority
and responsibility with respect to the person as the head of a
facility.
(d) The appropriate courts of this state retain jurisdiction to inquire at any time into the person's mental condition and the necessity of the person's continued commitment.

Sec. 81.179. TRANSPORTATION OF PERSON. (a) The court shall order the sheriff or constable to transport the person to the designated health care facility.

(b) A female shall be accompanied by a female attendant during conveyance to the health care facility.

(c) The health authority or department shall instruct the sheriff or constable on procedures that may be necessary in transporting the person to prevent the spread of the disease.

Sec. 81.180. WRIT OF COMMITMENT. The court shall direct the court clerk to issue to the individual authorized to transport the person two writs of commitment requiring the individual to take custody of and transport the person to the designated health care facility.

Sec. 81.181. ACKNOWLEDGEMENT OF DELIVERY. The head of the facility, after receiving a copy of the writ of commitment and after admitting the person, shall:

(1) give the individual transporting the person a written statement acknowledging acceptance of the person and of any personal property belonging to the person; and

(2) file a copy of the statement with the clerk of the committing court.

Sec. 81.182. MODIFICATION OF ORDER FOR INPATIENT TREATMENT.  
(a) At the request of the health authority, a municipal, county, or district attorney, as appropriate, shall request the court that entered the commitment order to modify the order to provide for outpatient care. At the request of the department, the attorney general shall request the court that entered the commitment order to modify the order to provide for outpatient care.  
(b) The request must explain in detail the reason for the request. The request must be accompanied by an affidavit of a physician who examined the person during the preceding seven days.  
(c) The person shall be given notice of the request.  
(d) On the request of the person or any other interested individual, the court shall hold a hearing on the request. The court shall appoint an attorney to represent the person at the hearing. The hearing shall be held before the court without a jury and as prescribed by Section 81.169. The person shall be represented by an attorney and receive proper notice.  
(e) If a hearing is not requested, the court may make the decision solely from the request and the supporting affidavit.  
(f) If the court modifies the order, the court shall designate the health authority to monitor the person's compliance.  
(g) The head of a health care facility or an individual involved in providing the services in which the person is to participate under the order shall cooperate with the health authority and shall comply with Section 81.175(b).  
(h) A modified order may not extend beyond the term of the original order.  

Sec. 81.183. MOTION FOR MODIFICATION OF ORDER FOR OUTPATIENT TREATMENT.  
(a) The court that entered an order directing a person to participate in outpatient health services may set a hearing to determine if the order should be modified in a way that is a substantial deviation from the original program of treatment incorporated in the court's order. The court may set the hearing on its own motion, on the motion of a municipal, county, or district attorney at the request of the health authority, on the motion of the
attorney general at the request of the department, or at the request of any other interested person.

(b) The court shall appoint an attorney to represent the person if a hearing is scheduled. The person shall be given notice of the matters to be considered at the hearing. The notice must comply with the requirements of Section 81.155 for notice before a hearing on an application for court orders for the management of a person with a communicable disease.

(c) The hearing shall be held before the court, without a jury, and as prescribed by this chapter. The person shall be represented by an attorney and receive proper notice.

Sec. 81.184. ORDER FOR TEMPORARY DETENTION. (a) At the request of the health authority, a municipal, county, or district attorney, as appropriate, shall file a sworn application for the person's temporary detention pending a modification hearing under Section 81.183. At the request of the department, the attorney general shall file a sworn application for the person's temporary detention pending a modification hearing under Section 81.183.

(b) The application must state the applicant's opinion and detail the reason for the applicant's opinion that:

(1) the person meets the criteria described by this chapter; and

(2) detention in an inpatient health care facility is necessary to evaluate the appropriate setting for continued court-ordered care.

(c) The court shall decide from the information in the application. The court may issue an order for temporary detention if a modification hearing is set and the court finds that there is probable cause to believe that the opinions stated in the application are valid.

(d) The judge shall appoint an attorney to represent a person who does not have an attorney when the order for temporary detention is signed.

(e) Within 24 hours after the time detention begins, the court that issued the temporary detention order shall provide to the person
and the person's attorney a written notice that contains:

(1) a statement that the person has been placed under a temporary detention order;
(2) the grounds for the order; and
(3) the time and place of the modification hearing.

Sec. 81.185. APPREHENSION AND RELEASE UNDER ORDER FOR TEMPORARY DETENTION. (a) The order for temporary detention shall direct a peace officer, including a sheriff or constable, to take the person into custody and immediately transport the person to an appropriate inpatient health care facility. The person shall be transported to a facility considered suitable by the health authority if an appropriate inpatient health care facility is not available.

(b) A person may be detained under a temporary detention order for not longer than 72 hours, excluding Saturdays, Sundays, legal holidays, and the period prescribed by Section 81.165(b) for an extreme weather emergency.

(c) A facility head shall immediately release a person held under an order for temporary detention if the facility head does not receive notice that a modification hearing was held within the time prescribed by Subsection (b) at which the patient's continued detention was authorized.

(d) A person released from custody under Subsection (c) continues to be subject to the terms of the outpatient orders for the management of the person issued before the order for temporary detention, if the orders have not expired.

(e) The order for temporary detention may direct an emergency medical services provider to provide an ambulance and staff to immediately transport the person who is the subject of the order to an appropriate inpatient health care facility designated by the order or other suitable facility. The provider may seek reimbursement for the costs of the transport from any appropriate source.

Sec. 81.186. ORDER OF MODIFICATION OF ORDER FOR OUTPATIENT SERVICES. (a) The court may modify an order for outpatient services at the modification hearing if the court determines that the person continues to meet the applicable criteria for court orders for the management of a person with a communicable disease and that:

(1) the person has not complied with the court's order; or
(2) the person's condition has deteriorated to the extent that outpatient services are no longer appropriate.

(b) The court's decision to modify an order must be supported by an affidavit of medical evaluation prepared by the health authority or department.

(c) A court may refuse to modify the order and may direct the person to continue to participate in outpatient health services in accordance with the original order even if the criteria prescribed by Subsection (a) have been met.

(d) A modification may include:

(1) incorporating in the order a revised treatment program and providing for continued outpatient health services under the modified order, if a revised general program of treatment was submitted to and accepted by the court; or

(2) providing for examination, observation, isolation, or treatment at an appropriate inpatient health care facility.

Sec. 81.187. RENEWAL OF ORDER FOR EXTENDED MANAGEMENT. (a) A municipal, county, or district attorney, as appropriate, at the request of the health authority, shall file an application to renew an order for extended management. At the request of the department, the attorney general shall file an application to renew an order for extended management.

(b) The application must explain in detail why the person requests renewal. An application to renew an order committing the person to extended inpatient services must also explain in detail why a less restrictive setting is not appropriate.

(c) The application must be accompanied by an affidavit of medical evaluation dated and signed by the health authority or
department according to an examination conducted within the preceding 30 days.

(d) The court shall appoint an attorney to represent the person when an application is filed.

(e) The person or the person's attorney may request a hearing on the application. The court may set a hearing on its own motion. An application for which a hearing is requested or set is considered an original application for a court order for the extended management of a person with a communicable disease.

(f) A court may not renew an order unless the court finds that the patient meets the criteria for extended management required by this chapter. The court must make the findings prescribed by this subsection to renew an order, regardless of whether a hearing is requested or set. A renewed order authorizes treatment for not more than 12 months.

(g) The court may admit into evidence the affidavit of medical evaluation if a hearing is not requested or set. The affidavit constitutes competent medical testimony and the court may make its findings solely from the affidavit and the detailed request for renewal.

(h) The court, after renewing an order for extended inpatient health services, may modify the order to provide for outpatient health services in accordance with this chapter.

Sec. 81.188. MOTION FOR REHEARING. (a) The court may set aside an order for the management of a person with a communicable disease and grant a motion for rehearing for good cause shown.

(b) The court may stay the order and release the person from custody before the hearing if the court is satisfied that the person does not meet the criteria for protective custody under this chapter.

(c) The court may require an appearance bond in an amount set by the court.

Sec. 81.189. REQUEST FOR REEXAMINATION. (a) A person subject
to an order for extended management, or any interested person on the
person's behalf and with the person's consent, may file a request
with a court for a reexamination and a hearing to determine if the
person continues to meet the criteria for the court order.

(b) The request must be filed in the county in which the person
is receiving the services.

(c) The court may, on good cause shown:
(1) require that the patient be reexamined;
(2) schedule a hearing on the request; and
(3) notify the health authority, department, and the head
of the facility providing health services to the person.

(d) A court is not required to order a reexamination or hearing
if the request is filed within six months after an order for extended
management is entered or after a similar request is filed.

(e) The head of the facility shall arrange for the person to be
reexamined after receiving the court's notice.

(f) The head of the facility shall immediately discharge the
person if the health authority or department determines that the
person no longer meets the criteria for court-ordered extended health
services.

(g) If the health authority or department determines that the
person continues to meet the criteria for a court order for extended
management, the health authority or department shall file an
affidavit of medical evaluation with the court within 10 days after
the request for reexamination and hearing is filed.

Sec. 81.190. HEARING ON REQUEST FOR REEXAMINATION. (a) A
court that required a patient's reexamination under Section 81.189
may set a date and place for a hearing on the request if, not later
than the 10th day after the request is filed:
(1) an affidavit of medical evaluation stating that the
patient continues to meet the criteria for extended management has
been filed; or
(2) an affidavit has not been filed and the person has not
been discharged.

(b) When the hearing is set, the judge shall appoint an
attorney to represent the person if the person does not already have
an attorney. The judge shall also give notice of the hearing to the person, the person's attorney, the health authority or department, and the facility head.

(c) The judge shall appoint a physician who is not on the staff of the health care facility in which the person is receiving services to examine the person and file an affidavit with the court setting out the person's diagnosis and recommended treatment. The court shall ensure that the person may be examined by a physician of the person's choice and own expense if requested by the person.

(d) The hearing is held before the court and without a jury. The hearing must be held in accordance with the requirements for a hearing on an application for a court order for the management of a person with a communicable disease.

(e) The court shall dismiss the request if the court finds from clear and convincing evidence that the person continues to meet the criteria for extended management.

(f) The judge shall order the head of the facility to discharge the person if the court fails to find from clear and convincing evidence that the person continues to meet the criteria.

(g) If the department or health authority advises the court that the person must remain in isolation or quarantine and that exposure to the judge or the public would jeopardize the health and safety of those persons and the public health, the judge may order that a person entitled to a hearing may not appear in person and may appear only by teleconference or another means that the judge finds appropriate to allow the person to speak, to interact with witnesses, and to confer with the person's attorney.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 314 (H.B. 1690), Sec. 8, eff. June 14, 2013.

Sec. 81.191. APPEAL. (a) An appeal from an order for the management of a person with a communicable disease, or from a renewal or modification of an order, must be filed in the court of appeals for the county in which the order is entered.

(b) Notice of appeal must be filed not later than the 10th day after the date on which the order is signed.
(c) When an appeal is filed the clerk shall immediately send a certified transcript of the proceedings to the court of appeals.

(d) The trial judge in whose court the cause is pending may:
   (1) stay the order and release the person from custody before the appeal if the judge is satisfied that the person does not meet the criteria for protective custody under this chapter; and
   (2) if the person is at liberty, require an appearance bond in an amount set by the court.

(e) The court of appeals and supreme court shall give an appeal under this section preference over all other cases and shall advance the appeal on the docket. The courts may suspend all rules relating to the time for filing briefs and docketing cases.

Sec. 81.192. CONTINUING CARE PLAN BEFORE DISCHARGE. The health authority or department, in consultation with the person, shall prepare a continuing care plan for a person who is scheduled to be discharged if the person requires continuing care.

Sec. 81.193. PASS FROM INPATIENT CARE. (a) The head of a facility may permit a person admitted to the facility under order for extended inpatient management of a person with a communicable disease to leave the facility under a pass.
   (b) A pass authorizes the person to leave the facility for not more than 72 hours.
   (c) The pass may be subject to specified conditions.
   (d) A pass may not be authorized without the concurrence of the health authority or department.

Sec. 81.194. RETURN TO FACILITY. (a) If a person is permitted to leave a facility under Section 81.193, the head of the facility may have the person taken into custody, detained, and returned to the facility by:
(1) signing a certificate authorizing the person's return; or

(2) filing the certificate with a magistrate and requesting the magistrate to order the person's return.

(b) The health authority or department may also have a person returned by signing the certificate authorized by Subsection (a)(1).

(c) A magistrate may issue an order directing a peace officer to take a person into custody and return the person to the facility if the head of the facility, health authority, or department files the certificate as prescribed by this section.

(d) The head of the facility, health authority, or department may sign or file the certificate on a reasonable belief that:

(1) the person is absent without authority from the facility;

(2) the person has violated the conditions of a pass; or

(3) the person's condition has deteriorated to the extent that the person's continued absence from the facility under a pass is inappropriate.

(e) A peace officer shall take the person into custody and return the person to the facility as soon as possible if the person's return is authorized by the certificate or the court order.

(f) The peace officer may take the person into custody without having the certificate or court order in the officer's possession.

Sec. 81.195. DISCHARGE ON EXPIRATION OF COURT ORDER. The head of a facility to which a person was committed or from which a person was required to receive temporary or extended inpatient or outpatient health services shall discharge the person when the court order expires.

Sec. 81.196. DISCHARGE BEFORE EXPIRATION OF COURT ORDER. (a) The health authority or department may direct the head of a facility to which a person was committed for inpatient health services or that provides outpatient health services to discharge the person at any time before the court order expires if the health authority or
department determines that the person no longer meets the criteria for court-ordered health services.

(b) The health authority or department shall consider before discharging the person whether the person should receive outpatient health services in accordance with:

(1) a court order; or
(2) a modified order under Section 81.182 that directs the person to participate in outpatient health services.

(c) A discharge under Subsection (a) terminates the court order.

Sec. 81.197. CERTIFICATE OF DISCHARGE. Before a person is discharged under Section 81.195 or 81.196, the health authority or department shall prepare a discharge certificate, file it with the court that entered the order, and notify the head of the facility.

Sec. 81.198. AUTHORIZATION FOR ADMISSION. The head of a health care facility may admit and detain a person under the procedures prescribed by this subchapter.

Sec. 81.199. TRANSFER TO FEDERAL FACILITY. The health authority or department may authorize the head of a health care facility to transfer a person to a federal agency if:

(1) the federal agency sends notice that facilities are available and that the patient is eligible for care or treatment in the facility;
(2) notice of the transfer is sent to the committing court; and
(3) the committing court enters an order approving the transfer.

Sec. 81.200. TRANSFER OF RECORDS. The head of the transferring inpatient health care facility shall send the person's appropriate medical records, or a copy of the records, to the head of the health care facility to which the person is transferred.

Sec. 81.201. WRIT OF HABEAS CORPUS. This subchapter does not limit a person's right to obtain a writ of habeas corpus.

Sec. 81.202. EFFECT ON GUARDIANSHIP. This subchapter, or an action taken or a determination made under this subchapter, does not affect a guardianship established under law.

Sec. 81.203. CONFIDENTIALITY OF RECORDS. Records of a health care facility that directly or indirectly identify a present, former, or proposed patient are confidential unless disclosure is permitted by this chapter or other state law.

Sec. 81.204. RIGHTS SUBJECT TO LIMITATION BY HEAD OF FACILITY. (a) A person in an inpatient health care facility has the right to:

(1) receive visitors;
(2) communicate with a person outside the facility; and
(3) communicate by uncensored and sealed mail with legal counsel, the department, the courts, and the state attorney general.

(b) The rights provided in Subsection (a) are subject to facility rules. The head of the facility may restrict a right to the extent the head of the facility determines that the restriction is necessary to the public health or the person's welfare but may not
restrict the right to communicate with legal counsel if an attorney-client relationship has been established.

(c) A restriction imposed by the head of the facility for the public health or the person's welfare and the reasons for the restriction shall be made a part of the person's clinical record.

Sec. 81.205. NOTIFICATION OF RIGHTS. A person receiving inpatient health services shall be informed of the rights provided by Section 81.206:

(1) orally, in simple, nontechnical terms;
(2) in writing that, if possible, is in the person's primary language; and
(3) through the use of a means reasonably calculated to communicate with a hearing impaired or visually impaired person, if applicable.

Sec. 81.206. GENERAL RIGHTS RELATING TO TREATMENT. A person receiving health services under this subchapter has the right to:

(1) appropriate treatment for the person's illness in an appropriate setting consistent with the protection of the person and the community;
(2) not receive unnecessary or excessive medication;
(3) refuse to participate in a research program; and
(4) a humane treatment environment that provides reasonable protection from harm and appropriate privacy for personal needs.

Sec. 81.207. ADEQUACY OF TREATMENT. (a) The head of an inpatient health care facility shall provide adequate medical care and treatment to every patient in accordance with accepted standards of medical practice.

(b) The head of the facility is responsible for the detention of the patient and for providing suitable security to prevent the
patient from transmitting the communicable disease.

Sec. 81.208. PERIODIC EXAMINATION. The head of a health care facility is responsible for the examination by a physician of each person admitted to the facility under this subchapter at least once every seven days and more frequently as necessary.

Sec. 81.209. USE OF PHYSICAL RESTRAINT. (a) A physical restraint may not be applied to a person unless a physician prescribes the restraint.

(b) A physical restraint shall be removed as soon as possible.

(c) Each use of a physical restraint and the reason for the use shall be made a part of the patient's clinical record. The physician who prescribed the restraint shall sign the record.

Sec. 81.210. COSTS. (a) A county shall pay the costs for a hearing or proceeding under this subchapter if a health authority:

(1) initiates an application for a court order under Section 81.151; or

(2) has an application for court-ordered management transferred to it under Section 81.157.

(b) Costs under this section include:

(1) attorney's fees;

(2) physician examination fees;

(3) compensation for court-ordered personal services;

(4) security; and

(5) expenses of transportation to a designated facility.

(c) A county is entitled to reimbursement for costs actually paid by the county from:

(1) the person who is the subject of the application; or

(2) a person or estate liable for the person's support.
(d) The department shall pay the costs of returning a person absent without authorization unless the person is able to pay the costs.

Sec. 81.211. FILING AND STATUS OF FOREIGN COURT ORDERS. (a) In the case of a person who is not a resident of this state and who may be admitted to a state chest hospital in accordance with Section 13.046, the attorney general, at the request of the department, shall file a copy of an order issued by a court of another state that authorizes the commitment of the person to a health care facility for inpatient care in the manner provided by Chapter 35, Civil Practice and Remedies Code, for enforcement of foreign judgments.

(b) The application must be filed with the district court in the county in which the state chest hospital to which the person will be admitted is located.

(c) A filed foreign court order that authorizes the commitment of a person to a health care facility for inpatient care may be enforced in the same manner as a court order of the court in which it is filed.

(d) A foreign court order that authorizes the commitment of a person to a health care facility for inpatient care is subject to the contractual agreement with the foreign state entered into under Section 13.046.

Added by Acts 2003, 78th Leg., ch. 107, Sec. 4, eff. Sept. 1, 2003.

Sec. 81.212. EVADING OR RESISTING APPREHENSION OR TRANSPORT; CRIMINAL PENALTY. (a) A person who is subject to a protective custody order or temporary detention order issued by a court under this subchapter commits an offense if the person resists or evades apprehension by a sheriff, constable, or other peace officer enforcing the order or resists or evades transport to an appropriate inpatient health care facility or other suitable facility under the order.

(b) A person commits an offense if the person assists a person who is subject to a protective custody order or temporary detention order issued by a court under this subchapter in resisting or evading
apprehension by a sheriff, constable, or other peace officer enforcing the order or in resisting or evading transport to an appropriate inpatient health care facility or other suitable facility under the order.

(c) An offense under this section is a Class A misdemeanor.

Added by Acts 2013, 83rd Leg., R.S., Ch. 314 (H.B. 1690), Sec. 9, eff. June 14, 2013.

SUBCHAPTER H. BLOODBORNE PATHOGEN EXPOSURE CONTROL PLAN

Sec. 81.301. DEFINITIONS. In this subchapter:

(1) "Bloodborne pathogens" means pathogenic microorganisms that are present in human blood and that can cause diseases in humans. The term includes hepatitis B virus, hepatitis C virus, and human immunodeficiency virus.

(2) "Engineered sharps injury protection" means:

(A) a physical attribute that is built into a needle device used for withdrawing body fluids, accessing a vein or artery, or administering medications or other fluids and that effectively reduces the risk of an exposure incident by a mechanism such as barrier creation, blunting, encapsulation, withdrawal, retraction, destruction, or another effective mechanism; or

(B) a physical attribute built into any other type of needle device, into a nonneedle sharp, or into a nonneedle infusion safety securement device that effectively reduces the risk of an exposure incident.

(3) "Governmental unit" means:

(A) this state and any agency of the state, including a department, bureau, board, commission, or office;

(B) a political subdivision of this state, including any municipality, county, or special district; and

(C) any other institution of government, including an institution of higher education.

(4) "Needleless system" means a device that does not use a needle and that is used:

(A) to withdraw body fluids after initial venous or arterial access is established;

(B) to administer medication or fluids; or

(C) for any other procedure involving the potential for
an exposure incident.

(5) "Sharp" means an object used or encountered in a health care setting that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident, including a needle device, a scalpel, a lancet, a piece of broken glass, a broken capillary tube, an exposed end of a dental wire, or a dental knife, drill, or bur.

(6) "Sharps injury" means any injury caused by a sharp, including a cut, abrasion, or needlestick.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 26.01, eff. Sept. 1, 1999.

Sec. 81.302. APPLICABILITY OF SUBCHAPTER. This subchapter applies only to a governmental unit that employs employees who:

(1) provide services in a public or private facility providing health care-related services, including a home health care organization; or

(2) otherwise have a risk of exposure to blood or other material potentially containing bloodborne pathogens in connection with exposure to sharps.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 26.01, eff. Sept. 1, 1999.

Sec. 81.303. EXPOSURE CONTROL PLAN. The department shall establish an exposure control plan designed to minimize exposure of employees described by Section 81.302 to bloodborne pathogens. In developing the plan, the department must consider:

(1) policies relating to occupational exposure to bloodborne pathogens;

(2) training and educational requirements for employees;

(3) measures to increase vaccinations of employees; and

(4) increased use of personal protective equipment by employees.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 26.01, eff. Sept. 1, 1999.
Sec. 81.304. MINIMUM STANDARDS. The board by rule shall adopt minimum standards to implement the exposure control plan and the other provisions of this subchapter. The rules shall be analogous to standards adopted by the federal Occupational Safety and Health Administration. Each governmental unit shall comply with the minimum standards adopted under this subchapter.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 26.01, eff. Sept. 1, 1999.

Sec. 81.305. NEEDLELESS SYSTEMS. (a) The board by rule shall recommend that governmental units implement needleless systems and sharps with engineered sharps injury protection for employees.

(b) The recommendation adopted under Subsection (a) does not apply to the use of a needleless system or sharps with engineered sharps injury protection in circumstances and in a year in which an evaluation committee has established that the use of needleless systems and sharps with engineered sharps injury protection will jeopardize patient or employee safety with regard to a specific medical procedure or will be unduly burdensome. A report of the committee's decision shall be submitted to the department annually.

(c) At least half of the members of an evaluation committee established by a governmental unit to implement Subsection (b) must be employees who are health care workers who have direct contact with patients or provide services on a regular basis.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 26.01, eff. Sept. 1, 1999.

Sec. 81.306. SHARPS INJURY LOG. (a) The board by rule shall require that information concerning exposure incidents be recorded in a written or electronic sharps injury log to be maintained by a governmental unit. This information must be reported to the department and must include:

(1) the date and time of the exposure incident;
(2) the type and brand of sharp involved in the exposure incident; and
(3) a description of the exposure incident, including:
   (A) the job classification or title of the exposed
employee;
   (B) the department or work area where the exposure incident occurred;
   (C) the procedure that the exposed employee was performing at the time of the incident;
   (D) how the incident occurred;
   (E) the employee's body part that was involved in the exposure incident; and
   (F) whether the sharp had engineered sharps injury protection and, if so, whether the protective mechanism was activated and whether the injury occurred before, during, or after the activation of the protective mechanism.

(b) Information regarding which recommendations under Section 81.305(a) were adopted by the governmental entity shall be included in the log.

(c) All information and materials obtained or compiled by the department in connection with a report under this section are confidential and not subject to disclosure under Chapter 552, Government Code, and not subject to disclosure, discovery, subpoena, or other means of legal compulsion for their release by the department. The department shall make available, in aggregate form, the information described in Section 81.305(b) and this section, provided that the name and other information identifying the facility is deleted and the information is provided according to public health regions established by the department.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 26.01, eff. Sept. 1, 1999.

Sec. 81.307. DEVICE REGISTRATION. (a) The department, in accordance with rules adopted by the board, shall implement a registration program for existing needleless systems and sharps with engineered sharps injury protection.

(b) The department shall compile and maintain a list of existing needleless systems and sharps with engineered sharps injury protection that are available in the commercial marketplace and registered with the department to assist governmental units to comply with this subchapter.

(c) The department shall charge a fee to register a device in
an amount established by the board. The fees collected under this section may be appropriated only to the department to implement this subchapter.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 26.01, eff. Sept. 1, 1999.

SUBCHAPTER I. ANIMAL-BORNE DISEASES

Sec. 81.351. DEFINITION. In this subchapter, "pet store" means a retail store that sells animals as pets.

Sec. 81.352. WARNING SIGN REQUIRED; RULES. (a) The owner or operator of a pet store that sells reptiles shall:

(1) post a sign warning of reptile-associated salmonellosis in accordance with department rules; and

(2) ensure that a written warning related to reptile-associated salmonellosis is provided to each purchaser of a reptile.

(b) The department shall adopt rules to govern:

(1) the form and content of the sign required by Subsection (a) and the manner and place of posting of the sign; and

(2) the form and content of the written warning required by Subsection (a).

Sec. 81.353. ADMINISTRATIVE PENALTY. (a) The department may assess an administrative penalty if a person violates this section or a rule adopted under this section.

(b) In determining the amount of the penalty, the department shall consider:

(1) the person's previous violations;

(2) the seriousness of the violation;

(3) any hazard to the health and safety of the public;

(4) the person's demonstrated good faith; and

(5) such other matters as justice may require.

(c) The penalty may not exceed $500 for each month a violation
(d) The enforcement of the penalty may be stayed during the time the order is under judicial review if the person pays the penalty to the clerk of the court or files a supersedeas bond with the court in the amount of the penalty. A person who cannot afford to pay the penalty or file the bond may stay the enforcement by filing an affidavit in the manner required by the Texas Rules of Civil Procedure for a party who cannot afford to file security for costs, subject to the right of the board to contest the affidavit as provided by those rules.

(e) The attorney general may sue to collect the penalty.

(f) A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.

CHAPTER 82. CANCER REGISTRY

Sec. 82.001. SHORT TITLE. This chapter may be cited as the Texas Cancer Incidence Reporting Act.

Sec. 82.002. DEFINITIONS. In this chapter:

(1) "Cancer" includes:

(A) a large group of diseases characterized by uncontrolled growth and spread of abnormal cells;

(B) any condition of tumors having the properties of anaplasia, invasion, and metastasis;

(C) a cellular tumor the natural course of which is fatal, including malignant and benign tumors of the central nervous system; and

(D) malignant neoplasm, other than nonmelanoma skin cancers such as basal and squamous cell carcinomas.

(2) "Clinical laboratory" means an accredited facility in which:

(A) tests are performed identifying findings of anatomical changes; and

(B) specimens are interpreted and pathological
diagnoses are made.

(3) "Health care facility" means:
   (A) a general or special hospital as defined by Chapter 241 (Texas Hospital Licensing Law);
   (B) an ambulatory surgical center licensed under Chapter 243;
   (C) an institution licensed under Chapter 242; or
   (D) any other facility, including an outpatient clinic, that provides diagnosis or treatment services to patients with cancer.

(4) "Health care practitioner" means:
   (A) a physician as defined by Section 151.002, Occupations Code; or
   (B) a person who practices dentistry as described by Section 251.003, Occupations Code.

Sec. 82.003. APPLICABILITY OF CHAPTER. This chapter applies to records of cases of cancer, diagnosed on or after January 1, 1979, and to records of all ongoing cancer cases diagnosed before January 1, 1979.

Sec. 82.004. REGISTRY REQUIRED. The board shall maintain a cancer registry for the state.

Sec. 82.005. CONTENT OF REGISTRY. (a) The cancer registry must be a central data bank of accurate, precise, and current information that medical authorities agree serves as an invaluable tool in the early recognition, prevention, cure, and control of cancer.

   (b) The cancer registry must include:
(1) a record of the cases of cancer that occur in the state; and

(2) information concerning cancer cases as the board considers necessary and appropriate for the recognition, prevention, cure, or control of cancer.

Sec. 82.006. BOARD POWERS. To implement this chapter, the board may:

(1) adopt rules that the board considers necessary;

(2) execute contracts that the board considers necessary;

(3) receive the data from medical records of cases of cancer that are in the custody or under the control of clinical laboratories, health care facilities, and health care practitioners to record and analyze the data directly related to those diseases;

(4) compile and publish statistical and other studies derived from the patient data obtained under this chapter to provide, in an accessible form, information that is useful to physicians, other medical personnel, and the general public;

(5) comply with requirements as necessary to obtain federal funds in the maximum amounts and most advantageous proportions possible;

(6) receive and use gifts made for the purpose of this chapter; and

(7) limit cancer reporting activities under this chapter to specified geographic areas of the state to ensure optimal use of funds available for obtaining the data.

Sec. 82.007. REPORTS. (a) The department shall publish an annual report to the legislature of the information obtained under this chapter.

(b) The department, in cooperation with other cancer reporting organizations and research institutions, may publish reports the department determines are necessary or desirable to carry out the
Sec. 82.008. DATA FROM MEDICAL RECORDS. (a) To ensure an accurate and continuing source of data concerning cancer, each health care facility, clinical laboratory, and health care practitioner shall furnish to the board or its representative, on request, data the board considers necessary and appropriate that is derived from each medical record pertaining to a case of cancer that is in the custody or under the control of the health care facility, clinical laboratory, or health care practitioner. The department may not request data that is more than three years old unless the department is investigating a possible cancer cluster.

(b) A health care facility, clinical laboratory, or health care practitioner shall furnish the data requested under Subsection (a) in a reasonable format prescribed by the department and within six months of the patient's admission, diagnosis, or treatment for cancer unless a different period is prescribed by the United States Department of Health and Human Services.

(c) The data required to be furnished under this section must include patient identification and diagnosis.

(d) The department may access medical records that would identify cases of cancer, establish characteristics or treatment of cancer, or determine the medical status of any identified patient from the following sources:

(1) a health care facility or clinical laboratory providing screening, diagnostic, or therapeutic services to a patient with respect to cancer; or

(2) a health care practitioner diagnosing or providing treatment to a patient with cancer, except as described by Subsection (g).

(e) The board shall adopt procedures that ensure adequate notice is given to the health care facility, clinical laboratory, or health care practitioner before the department accesses data under Subsection (d).

(f) A health care facility, clinical laboratory, or health care practitioner that knowingly or in bad faith fails to furnish data as
required by this chapter shall reimburse the department or its authorized representative for the costs of accessing and reporting the data. The costs reimbursed under this subsection must be reasonable, based on the actual costs incurred by the department or by its authorized representative in the collection of data under Subsection (d), and may include salary and travel expenses. The department may assess a late fee on an account that is 60 days or more overdue. The late fee may not exceed one and one-half percent of the total amount due on the late account for each month or portion of a month the account is not paid in full. A health care facility, clinical laboratory, or health care practitioner may request that the department conduct a hearing to determine whether reimbursement to the department under this subsection is appropriate.

(g) The department may not require a health care practitioner to furnish data or provide access to records if:

(1) the data or records pertain to cases reported by a health care facility providing screening, diagnostic, or therapeutic services to cancer patients that involve patients referred directly to or previously admitted to the facility; and

(2) the facility reported the same data the practitioner would be required to report.

(h) The data required to be furnished under this section may be shared with cancer registries of health care facilities subject to the confidentiality provisions in Section 82.009.

Sec. 82.009. CONFIDENTIALITY. (a) Reports, records, and information obtained under this chapter are confidential and are not subject to disclosure under Chapter 552, Government Code, are not subject to subpoena, and may not otherwise be released or made public except as provided by this section or Section 82.008(h). The reports, records, and information obtained under this chapter are for the confidential use of the department and the persons or public or private entities that the department determines are necessary to
carry out the intent of this chapter.

(b) Medical or epidemiological information may be released:

(1) for statistical purposes in a manner that prevents identification of individuals, health care facilities, clinical laboratories, or health care practitioners;

(2) with the consent of each person identified in the information; or

(3) to promote cancer research, including release of information to other cancer registries and appropriate state and federal agencies, under rules adopted by the board to ensure confidentiality as required by state and federal laws.

(c) A state employee may not testify in a civil, criminal, special, or other proceeding as to the existence or contents of records, reports, or information concerning an individual whose medical records have been used in submitting data required under this chapter unless the individual consents in advance.

(d) Data furnished to a cancer registry or a cancer researcher under Subsection (b) or Section 82.008(h) is for the confidential use of the cancer registry or the cancer researcher, as applicable, and is subject to Subsection (a).

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(90), eff. Sept. 1, 1995; Acts 1997, 75th Leg., ch. 343, Sec. 2, eff. May 27, 1997; Acts 1999, 76th Leg., ch. 1411, Sec. 23.02, eff. Sept. 1, 1999; Acts 2001, 77th Leg., ch. 589, Sec. 6, eff. Sept. 1, 2001.

Sec. 82.010. IMMUNITY FROM LIABILITY. The following persons subject to this chapter that act in compliance with this chapter are not civilly or criminally liable for furnishing the information required under this chapter:

(1) a health care facility or clinical laboratory;

(2) an administrator, officer, or employee of a health care facility or clinical laboratory;

(3) a health care practitioner or employee of a health care practitioner; and

(4) an employee of the department.

Sec. 82.011. EXAMINATION AND SUPERVISION NOT REQUIRED. This chapter does not require an individual to submit to any medical examination or supervision or to examination or supervision by the board or its representatives.

CHAPTER 84. REPORTING OF OCCUPATIONAL CONDITIONS

Sec. 84.001. SHORT TITLE. This chapter may be cited as the Occupational Condition Reporting Act.

Sec. 84.002. DEFINITIONS. In this chapter:

(1) "Health professional" means an individual whose:
(A) vocation or profession is directly or indirectly related to the maintenance of health in another individual; and
(B) duties require a specified amount of formal education and may require a special examination, a certificate or license, or membership in a regional or national association.

(2) "Occupational condition" means a disease, abnormal health condition, or laboratory finding that is caused by or is related to exposures in the workplace.

(3) "Reportable condition" means a disease, condition, or laboratory finding required to be reported under this chapter.

Sec. 84.003. REPORTABLE CONDITIONS; RULES. (a) Asbestosis and silicosis are occupational conditions that are reportable to the department.

(b) Blood lead levels in adults are laboratory findings that are reportable to the department as provided by board rule.

(c) The board may adopt rules that require other occupational
conditions to be reported under this chapter. Before the board requires another occupational condition to be reported, the board must find that the condition:

(1) has a well-understood etiology;
(2) results predominantly from occupational exposures; and
(3) is preventable.

(d) The board shall maintain a list of reportable conditions.
(e) The board shall adopt rules necessary to administer and implement this chapter.

Sec. 84.004. REPORTING REQUIREMENTS. (a) The following persons shall report cases or suspected cases of reportable conditions to the department:

(1) a physician who diagnoses or treats the individual with the condition;
(2) a person who is in charge of a clinical or hospital laboratory, blood bank, mobile unit, or other facility in which a laboratory examination of any specimen derived from a human body yields microscopical, cultural, serological, or other evidence suggestive of the condition; and
(3) a health professional.

(b) The department may contact a physician attending a person with a case or a suspected case of an occupational condition.

(c) The board shall prescribe the form and method of reporting. The board may require the reports to contain any information necessary to achieve the purposes of this chapter, including the person's name, address, age, sex, race, occupation, employer, and attending physician.

Sec. 84.005. POWERS AND DUTIES OF DEPARTMENT. (a) The department may enter into contracts or agreements as necessary to implement this chapter. The contracts or agreements may provide for payment by the state for materials, equipment, and services.
(b) The department may seek, receive, and spend any funds received through appropriations, grants, or donations from public or private sources for the purpose of identifying, reporting, or preventing those occupational conditions that have been determined by the board to be injurious or to be a threat to the public health, subject to any limitations or conditions prescribed by the legislature.

(c) Subject to the confidentiality requirements of this chapter, the department shall evaluate the reports of occupational conditions to establish the nature and magnitude of the hazards associated with those conditions, to prevent the occurrence of those hazards, and to establish any trends involved.

(d) The department may make inspections and investigations as authorized by this chapter and other law.

Sec. 84.006. CONFIDENTIALITY. (a) All information and records relating to reportable conditions are confidential. That information may not be released or made public on subpoena or otherwise, except that release of information may be made:

(1) for statistical purposes, but only if a person is not identified;

(2) with the consent of each person identified in the information released; or

(3) to medical personnel in a medical emergency to the extent necessary to protect the health or life of the named person.

(b) The board shall adopt rules establishing procedures to ensure that all information and records maintained by the department under this chapter are kept confidential and protected from release to unauthorized persons.

Sec. 84.007. INVESTIGATIONS. (a) The department shall investigate the causes of occupational conditions and methods of prevention.
(b) In performing the commissioner's duty to prevent an occupational condition, the commissioner or the commissioner's designee may enter at reasonable times and inspect within reasonable limits all or any part of an area, structure, or conveyance, regardless of ownership, that is not used for private residential purposes.

(c) Persons authorized to conduct investigations under this section may take samples of materials present on the premises, including samples of soil, water, air, unprocessed or processed foodstuffs, manufactured items of clothing, and household goods. If samples are taken, a corresponding sample shall be offered to the person in control of the premises for independent analysis.

(d) Persons securing the required samples may reimburse or offer to reimburse the owner for the materials taken, but the reimbursement may not exceed the actual monetary loss sustained by the owner.

CHAPTER 85. ACQUIRED IMMUNE DEFICIENCY SYNDROME AND HUMAN IMMUNODEFICIENCY VIRUS INFECTION

SUBCHAPTER A. GENERAL PROVISIONS AND EDUCATION PROGRAMS

Sec. 85.001. SHORT TITLE. This chapter may be cited as the Human Immunodeficiency Virus Services Act.

Sec. 85.002. DEFINITIONS. In this chapter:

(1) "AIDS" means acquired immune deficiency syndrome as defined by the Centers for Disease Control of the United States Public Health Service.

(2) "Communicable disease" has the meaning assigned by Section 81.003 (Communicable Disease Prevention and Control Act).

(3) "Contact tracing" means identifying all persons who may have been exposed to an infected person and notifying them that they have been exposed, should be tested, and should seek treatment.

(4) "HIV" means human immunodeficiency virus.

(5) "State agency" means:
(A) a board, commission, department, office, or other agency that is in the executive branch of state government and that was created by the Texas Constitution or a state statute and includes an institution of higher education as defined by Section 61.003, Education Code;

(B) the legislature or a legislative agency; and

(C) the supreme court, the court of criminal appeals, a court of appeals, the State Bar of Texas, or another state judicial agency.

(6) "Testing program" means a medical program to test for AIDS, HIV infection, antibodies to HIV, or infection with any other probable causative agent of AIDS.

Sec. 85.003. DEPARTMENT AS LEAD AGENCY AND PRIMARY RESOURCE. The department, in the discharge of its duty to protect the public health, shall act as the lead agency for AIDS and HIV policy for Texas and is the primary resource for HIV education, prevention, risk reduction materials, policies, and information in this state.

Sec. 85.004. EDUCATION PROGRAMS. (a) The department shall develop model education programs to be available to educate the public about AIDS and HIV infection.

(b) As part of the programs, the department shall develop a model educational pamphlet about methods of transmission and prevention of HIV infection, about state laws relating to the transmission, and to conduct that may result in the transmission of HIV.

(c) The programs must be scientifically accurate and factually correct and designed to:

(1) communicate to the public knowledge about methods of transmission and prevention of HIV infection;

(2) educate the public about transmission risks in social, employment, and educational situations;

(3) educate health care workers and health facility
employees about methods of transmission and prevention in their particular workplace environments; and

(4) educate the public about state laws relating to the transmission and conduct that may result in the transmission of HIV.

Sec. 85.005. SPECIAL COMPONENTS OF EDUCATION PROGRAMS. (a) The department shall include in the education programs special components designed to reach:

(1) persons with behavior conducive to HIV transmission;
(2) persons younger than 18 years of age; and
(3) minority groups.

(b) In designing education programs for ethnic minorities and in assisting local community organizations in developing education programs for minority groups, the department shall ensure that the programs reflect the nature and spread of HIV infection in minorities in this state.

Sec. 85.006. EDUCATION PROGRAMS FOR DISABLED PERSONS. (a) The department shall develop and promote HIV education and prevention programs specifically designed to address the concerns of persons with physical or mental disabilities.

(b) In designing those programs, the department shall consult persons with disabilities or consult experts in the appropriate professional disciplines.

(c) To the maximum extent possible, state-funded HIV education and prevention programs shall be accessible to persons with physical disabilities.

Sec. 85.007. EDUCATION PROGRAMS FOR MINORS. (a) The department shall give priority to developing model education programs for persons younger than 18 years of age.

(b) The materials in the education programs intended for
persons younger than 18 years of age must:

(1) emphasize sexual abstinence before marriage and fidelity in marriage as the expected standard in terms of public health and the most effective ways to prevent HIV infection, sexually transmitted diseases, and unwanted pregnancies; and

(2) state that homosexual conduct is not an acceptable lifestyle and is a criminal offense under Section 21.06, Penal Code.

(c) In addition, the materials in the education program intended for persons younger than 18 years of age must:

(1) teach that sexual activity before marriage is likely to have harmful psychological and physical consequences;

(2) teach adolescents ways to recognize and respond to unwanted physical and verbal sexual advances;

(3) teach that the use of alcohol or drugs increases a person's vulnerability to unwanted sexual advances; and

(4) emphasize the importance of attaining self-sufficiency before engaging in sexual activity.

Sec. 85.008. DISTRIBUTION OF EDUCATION PROGRAMS. (a) The department shall determine where HIV education efforts are needed in this state and shall initiate programs in those areas by identifying local resources.

(b) The department shall assist communities, especially those in rural areas, in establishing self-sustaining education programs, using public and private resources.

Sec. 85.009. EDUCATION PROGRAMS AVAILABLE ON REQUEST. The department shall make the education programs available to local governments and private businesses on request.

Sec. 85.010. EDUCATIONAL COURSE FOR EMPLOYEES AND CLIENTS OF HEALTH CARE FACILITIES. A health care facility licensed by the department, the Texas Department of Mental Health and Mental Retardation, or the Texas Department of Human Services shall require its employees to complete an educational course about HIV infection based on the model education programs developed by the department.

Sec. 85.011. CONTRACTS FOR EDUCATION PROGRAMS. (a) The department may contract with any person, other than a person who advocates or promotes conduct that violates state law, for the design, development, and distribution of education programs.

(b) This section does not restrict an education program from providing accurate information about different ways to reduce the risk of exposure to or the transmission of HIV.

Sec. 85.012. MODEL WORKPLACE GUIDELINES. (a) To ensure consistent public policy, the department, in consultation with appropriate state and local agencies and private entities, shall develop model workplace guidelines concerning persons with HIV infection and related conditions.

(b) The model workplace guidelines must include provisions stating that:

(1) all employees will receive some education about methods of transmission and prevention of HIV infection and related conditions;

(2) accommodations will be made to keep persons with HIV infection employed and productive for as long as possible;

(3) the confidentiality of employee medical records will be protected;

(4) HIV-related policies will be consistent with current information from public health authorities, such as the Centers for Disease Control of the United States Public Health Service, and with state and federal law and regulations;

(5) persons with HIV infection are entitled to the same rights and opportunities as persons with other communicable diseases;
and

(6) employers and employees should not engage in discrimination against persons with HIV infection unless based on accurate scientific information.

(c) The department shall develop more specific model workplace guidelines for employers in businesses with educational, correctional, health, or social service responsibilities.

(d) The department shall make the model workplace guidelines available on request.

(e) Employers should be encouraged to adopt HIV-related workplace guidelines that incorporate, at a minimum, the guidelines established by the board under this section.

(f) This chapter does not create a new cause of action for a violation of workplace guidelines.

Sec. 85.013. FUNDING INFORMATION. (a) The department shall:

(1) maintain current information on public and private sources of funding for HIV-related prevention, education, treatment, and social support services; and

(2) maintain information on the type, amount, and sources of funding for HIV-related prevention, education, treatment, and social support services being provided throughout the state.

(b) To encourage and maximize the use of federal and private funds, the department shall forward the information as soon as possible after receipt to public and nonprofit agencies that may be eligible for funding and shall make the information available to public and private entities on request.

(c) The department may seek, accept, and spend funds from state, federal, local, and private entities to carry out this section.

Sec. 85.014. TECHNICAL ASSISTANCE TO COMMUNITY ORGANIZATIONS. (a) The department shall provide technical assistance to nonprofit community organizations to maximize the use of limited resources and volunteer efforts and to expand the availability of health care,
education, prevention, and social support services needed to address the HIV epidemic.

(b) The department shall provide technical assistance in:

(1) recruiting, training, and effectively using volunteers in the delivery of HIV-related services;

(2) identifying funding opportunities and sources, including information on developing sound grant proposals; and

(3) developing and implementing effective service delivery approaches for community-based health care, education, prevention, and social support services pertaining to HIV.

Sec. 85.015. CONTRACT FOR SERVICES; DURATION. (a) The department may contract with an entity to provide the services required by Subchapters A through F if:

(1) the contract would minimize duplication of effort and would deliver services cost-effectively; and

(2) the contracting entity does not advocate or promote conduct that violates state law.

(b) Subsection (a)(2) does not restrict an education program from providing accurate information about ways to reduce the risk of exposure to or transmission of HIV.

(c) The department may audit an entity contracting with the department under Subsection (a).

(d) The department may seek, accept, and spend funds from state, federal, local, and private entities to carry out Subsections (a) through (c).

(e) A contract entered into by the department under this subchapter may not be for a term of more than one year, except that a contract may be renewed without a public hearing.

Sec. 85.016. RULES. The board may adopt rules necessary to implement Subchapters A through F.

SUBCHAPTER B. STATE GRANT PROGRAM TO COMMUNITY ORGANIZATIONS

Sec. 85.031. STATE GRANT PROGRAM TO COMMUNITY ORGANIZATIONS. The department shall establish and administer a state grant program to nonprofit community organizations for:

(1) HIV education, prevention, and risk reduction programs; and

(2) treatment, health, and social service programs for persons with HIV infection.

Sec. 85.032. RULES; PROGRAM STRUCTURE. (a) The board may adopt rules relating to:

(1) the services that may be furnished under the program;
(2) a system of priorities regarding the types of services provided, geographic areas covered, or classes of individuals or communities targeted for services under the program; and
(3) a process for resolving conflicts between the department and a program receiving money under this subchapter.

(b) Board or department actions relating to service, geographic, and other priorities shall be based on the set of priorities and guidelines established under this section.

(c) In structuring the program and adopting rules, the department and the board shall attempt to:

(1) coordinate the use of federal, local, and private funds;
(2) encourage the provision of community-based services;
(3) address needs that are not met by other sources of funding;
(4) provide funding as extensively as possible across the regions of the state in amounts that reflect regional needs; and
(5) encourage cooperation among local service providers.

Sec. 85.033. COORDINATION OF SERVICES. (a) To prevent unnecessary duplication of services, the board and the department shall seek to coordinate the services provided by eligible programs under Subchapters A through G with existing federal, state, and local
programs.

(b) The department shall consult with the Texas Department of Human Services to ensure that programs funded under this subchapter complement and do not unnecessarily duplicate services provided through the Texas Department of Human Services.

Sec. 85.034. APPLICATION PROCEDURES AND ELIGIBILITY GUIDELINES.

(a) The department shall establish application procedures and eligibility guidelines for the state grants under this subchapter.

(b) Application procedures must include regional public hearings after reasonable notice in the region in which the community organization is based before awarding an initial grant or grants totalling more than $25,000 annually.

(c) Before the 10th day before the date of the public hearing, notice shall be given to each state representative and state senator who represents any part of the region in which any part of the grant will be expended.

Sec. 85.035. APPLICANT INFORMATION. An applicant for a state grant under this subchapter shall submit to the department for approval:

(1) a description of the objectives established by the applicant for the conduct of the program;

(2) documentation that the applicant has consulted with appropriate local officials, community groups, and individuals with expertise in HIV education and treatment and knowledge of the needs of the population to be served;

(3) a description of the methods the applicant will use to evaluate the activities conducted under the program to determine if the objectives are met; and

(4) any other information requested by the department.

Sec. 85.036. AWARDING OF GRANTS. (a) In awarding grants for education programs under this subchapter, the department shall give special consideration to nonprofit community organizations whose primary purpose is serving persons younger than 18 years of age.

(b) In awarding grants for treatment, health, and social services, the department shall endeavor to distribute grants in a manner that prevents unnecessary duplication of services within a community.

(c) In awarding grants for education programs, the department shall endeavor to complement existing education programs in a community, to prevent unnecessary duplication of services within a community, to provide HIV education programs for populations engaging in behaviors conducive to HIV transmission, to initiate needed HIV education programs where none exist, and to promote early intervention and treatment of persons with HIV infection.

Sec. 85.037. RESTRICTIONS ON GRANTS. (a) The department may not award a grant to an entity or community organization that advocates or promotes conduct that violates state law.

(b) This section does not prohibit the award of a grant to an entity or community organization that provides accurate information about ways to reduce the risk of exposure to or transmission of HIV.

Sec. 85.038. RESTRICTIONS ON FUNDS. (a) The department may not use more than five percent of the funds appropriated for the grant program to employ sufficient staff to review and process grant applications, monitor and evaluate the effectiveness of funded programs, and provide technical assistance to grantees.

(b) Not more than one-third of the funds available under this subchapter may be used for HIV education, prevention, and risk reduction.

Sec. 85.039. INFORMATION PROVIDED BY FUNDED PROGRAM. (a) A program funded with a grant under this subchapter shall provide information and educational materials that are accurate, comprehensive, and consistent with current findings of the United States Public Health Service.

(b) Information and educational materials developed with a grant awarded under this subchapter must contain materials and be presented in a manner that is specifically directed to the group for which the materials are intended.

Sec. 85.040. EVALUATION OF FUNDED PROGRAMS. (a) The department shall develop evaluation criteria to document effectiveness, unit-of-service costs, and number of volunteers used in programs funded with grants under this subchapter.

(b) An organization that receives funding under the program shall:

(1) collect and maintain relevant data as required by the department; and

(2) submit to the department copies of all material the organization has printed or distributed relating to HIV infection.

(c) The department shall provide prompt assistance to grantees in obtaining materials and skills necessary to collect and report the data required under this section.

Sec. 85.041. RECORDS AND REPORTS. (a) The department shall require each program receiving a grant under this subchapter to maintain records and information specified by the department.

(b) The board may adopt rules relating to the information a program is required to report to the department and shall adopt procedures and forms for reporting the information to prevent unnecessary and duplicative reporting of data.

(c) The department shall review records, information, and reports prepared by programs funded under this subchapter. Before December 1 of each year, the department shall prepare a report that is available to the public and that summarizes data regarding the
type, level, quality, and cost-effectiveness of services provided under this subchapter.

Sec. 85.042. FINANCIAL RECORDS. (a) The department shall review periodically the financial records of a program funded with a grant under this subchapter.

(b) As a condition of accepting a grant under this subchapter, a community organization must allow the department to periodically review the financial records of that organization.

Sec. 85.043. DUE PROCESS. The department may provide a due process hearing procedure for the resolution of conflicts between the department and a program funded with a state grant under this subchapter.

Sec. 85.044. ADVISORY COMMITTEE. The board may appoint an advisory committee to assist in the development of procedures and guidelines required by this subchapter.

SUBCHAPTER C. HIV MEDICATION PROGRAM

Sec. 85.061. HIV MEDICATION PROGRAM. (a) The Texas HIV medication program is established in the department.

(b) The program shall assist hospital districts, local health departments, public or nonprofit hospitals and clinics, nonprofit community organizations, and HIV-infected individuals in the purchase of medications approved by the board that have been shown to be effective in reducing hospitalizations due to HIV-related conditions.

Sec. 85.062.  ELIGIBILITY.  (a)  To be eligible for the program, an individual:

(1) must not be eligible for Medicaid benefits;
(2) must meet financial eligibility criteria set by board rule;
(3) must not qualify for any other state or federal program available for financing the purchase of the prescribed medication; and
(4) must be diagnosed by a licensed physician as having AIDS or an HIV-related condition or illness of at least the minimal severity set by the board.

(b) The department shall give priority to participation in the program to eligible individuals younger than 18 years of age.

Sec. 85.063.  PROCEDURES AND ELIGIBILITY GUIDELINES.  The board by rule shall establish:

(1) application and distribution procedures;
(2) eligibility guidelines to ensure the most appropriate distribution of funds available each year; and
(3) appellate procedures to resolve any eligibility or funding conflicts.

Sec. 85.064.  FUNDING.  (a)  The department may accept and use local, state, and federal funds and private donations to fund the program.

(b) State, local, and private funds may be used to qualify for federal matching funds if federal funding becomes available.

(c) A hospital district, local health department, public or nonprofit hospital or clinic, or nonprofit community organization may participate in the program by sending funds to the department for the purpose of providing assistance to clients for the purchase of HIV medication. A hospital district may send funds obtained from any source, including taxes levied by the district.
(d) The department shall deposit money received under this section in the state treasury to the credit of the HIV medication fund and to the credit of a special account in that fund that shall be established for each entity sending funds under this section.

(e) Funds received from a hospital district, local health department, public or nonprofit hospital or clinic, or nonprofit community organization under this section may be used only to provide assistance to clients of that entity. The funds may be supplemented with other funds available for the purpose of the program.

(f) Funds appropriated by the General Appropriations Act may not be transferred from other line items for the program.

Sec. 85.065. SLIDING FEE SCALE TO PURCHASE MEDICATION. The department may institute a sliding fee scale to help eligible HIV-infected individuals purchase medications under the program.

SUBCHAPTER D. TESTING PROGRAMS AND COUNSELING

Sec. 85.081. MODEL PROTOCOLS FOR COUNSELING AND TESTING. (a) The department shall develop model protocols for counseling and testing related to HIV infection. The protocols shall be made available to health care providers on request.

(b) A testing program shall adopt and comply with the model protocols developed by the department under Subsection (a).

Sec. 85.082. DEPARTMENT VOLUNTARY TESTING PROGRAMS. (a) The department shall establish voluntary HIV testing programs in each public health region to make confidential counseling and testing available. The department shall complete contact tracing after a confirmed positive test.

(b) The department may contract with public and private entities to perform the testing as necessary according to local circumstances.
(c) The results of a test conducted by a testing program or department program under this section may not be used for insurance purposes, to screen or determine suitability for employment, or to discharge a person from employment.

(d) A person who is injured by an intentional violation of Subsection (c) may bring a civil action for damages and may recover for each violation from a person who violates Subsection (c):
(1) $1,000 or actual damages, whichever is greater; and
(2) reasonable attorney fees.

(e) In addition to the remedies provided by Subsection (d), the person may bring an action to restrain a violation or threatened violation of Subsection (c).

Sec. 85.083. REGISTRATION OF TESTING PROGRAM. (a) A person may not advertise or represent to the public that the person conducts a testing program for AIDS, HIV infection, or related conditions without registering with the department.

(b) A hospital licensed under Chapter 241 (Texas Hospital Licensing Law) or a physician licensed under Subtitle B, Title 3, Occupations Code, is not required to be registered under this section unless the hospital or physician advertises or represents to the public that the hospital or physician conducts or specializes in testing programs for AIDS, HIV infection, or related conditions.

(c) The department may assess and collect a registration fee in an amount that does not exceed the estimated costs of administering this section.

(d) A person who violates Subsection (a) is liable for a civil penalty of $1,000 for each day of a continuing violation.

Sec. 85.084. FOR-PROFIT TESTING PROGRAM. A testing program that operates for profit, that advertises or represents to the public that it conducts or specializes in testing programs, and that is required to register under Section 85.083 shall:
(1) obtain the informed consent of the person to be tested before conducting the test; and
(2) provide an itemized statement of charges to the person tested or counseled.

Sec. 85.085. PHYSICIAN SUPERVISION OF MEDICAL CARE. A licensed physician shall supervise any medical care or procedure provided under a testing program.

Sec. 85.086. REPORTS. A testing program shall report test results for HIV infection in the manner provided by Chapter 81 (Communicable Disease Prevention and Control Act).

Sec. 85.087. TRAINING OF COUNSELORS. (a) The department shall develop and offer a training course for persons providing HIV counseling. The training course shall include information relating to the special needs of persons with positive HIV test results, including the importance of early intervention and treatment and recognition of psychosocial needs.

(b) The department shall maintain a registry of persons who successfully complete the training course.

(c) The department may charge a fee for the course to persons other than employees of entities receiving state or federal funds for HIV counseling and testing programs through a contract with the department.

(d) The board shall set the fee in an amount that is reasonable and necessary to cover the costs of providing the course.

(e) The department may contract for the training of counselors.

Sec. 85.088. STATE-FUNDED HEALTH CLINICS. (a) State-funded primary health, women's reproductive health, and sexually transmitted disease clinics shall:

(1) make available to patients and clients information and educational materials concerning the prevention of HIV infection; and

(2) provide voluntary, anonymous, and affordable counseling and testing programs concerning HIV infection or provide referrals to those programs.

(b) Information provided under Subsection (a)(1) shall be routinely incorporated into patient education and counseling in clinics specializing in sexually transmitted diseases and women's reproductive health.

Sec. 85.089. DISCIPLINARY ACTION. This subchapter does not prohibit disciplinary proceedings from being conducted by the appropriate licensing authorities for a health care provider's violation of this subchapter.

SUBCHAPTER E. DUTIES OF STATE AGENCIES AND STATE CONTRACTORS

Sec. 85.111. EDUCATION OF STATE EMPLOYEES. (a) Each state agency annually shall provide to each state employee an educational pamphlet about:

(1) methods of transmission and prevention of HIV infection;

(2) state laws relating to the transmission of HIV infection; and

(3) conduct that may result in the transmission of HIV infection.

(b) The educational pamphlet shall be provided to a newly hired state employee on the first day of employment.

(c) The educational pamphlet shall be based on the model developed by the department and shall include the workplace guidelines adopted by the state agency.

(d) The department shall prepare and distribute to each state
agency a model informational pamphlet that can be reproduced by each state agency to meet the requirements of this section.

Sec. 85.112. WORKPLACE GUIDELINES. (a) Each state agency shall adopt and implement workplace guidelines concerning persons with AIDS and HIV infection.

(b) The workplace guidelines shall incorporate at a minimum the model workplace guidelines developed by the department.

Sec. 85.113. WORKPLACE GUIDELINES FOR STATE CONTRACTORS. An entity that contracts with or is funded by any of the following state agencies to operate a program involving direct client contact shall adopt and implement workplace guidelines similar to the guidelines adopted by the agency that funds or contracts with the entity:

(1) the Texas Commission on Alcohol and Drug Abuse;
(2) the Texas Commission for the Blind;
(3) the Texas Commission for the Deaf and Hard of Hearing;
(4) the Texas Juvenile Probation Commission;
(5) the Texas Department of Criminal Justice;
(6) the Texas Youth Commission;
(7) the department;
(8) the Texas Department of Human Services;
(9) the Texas Department of Mental Health and Mental Retardation; and
(10) the Texas Rehabilitation Commission.

Sec. 85.114. EDUCATION OF CERTAIN CLIENTS, INMATES, PATIENTS, AND RESIDENTS. (a) Each state agency listed in Section 85.113 shall routinely make available HIV education for clients, inmates, patients, and residents of treatment, educational, correctional, or
residential facilities under the agency's jurisdiction. (b) Education available under this section shall be based on the model education program developed by the department and tailored to the cultural, educational, language, and developmental needs of the clients, inmates, patients, or residents, including the use of Braille or telecommunication devices for the deaf.

Sec. 85.115. CONFIDENTIALITY GUIDELINES. (a) Each state agency shall develop and implement guidelines regarding confidentiality of AIDS and HIV-related medical information for employees of the agency and for clients, inmates, patients, and residents served by the agency.

(b) Each entity that receives funds from a state agency for residential or direct client services or programs shall develop and implement guidelines regarding confidentiality of AIDS and HIV-related medical information for employees of the entity and for clients, inmates, patients, and residents served by the entity.

(c) The confidentiality guidelines shall be consistent with guidelines published by the department and with state and federal law and regulations.

(d) An entity that does not adopt confidentiality guidelines as required by Subsection (b) is not eligible to receive state funds until the guidelines are developed and implemented.

Sec. 85.116. TESTING AND COUNSELING FOR STATE EMPLOYEES EXPOSED TO HIV INFECTION ON THE JOB. (a) On an employee's request, a state agency shall pay the costs of testing and counseling an employee of that agency concerning HIV infection if:

(1) the employee documents to the agency's satisfaction that the employee may have been exposed to HIV while performing duties of employment with that agency; and

(2) the employee was exposed to HIV in a manner that the United States Public Health Service has determined is capable of transmitting HIV.

(b) The board by rule shall prescribe the criteria that
constitute possible exposure to HIV under this section. The criteria must be based on activities the United States Public Health Service determines pose a risk of HIV infection.

(c) For the purpose of qualifying for workers' compensation or any other similar benefits or compensation, an employee who claims a possible work-related exposure to HIV infection must provide the employer with a written statement of the date and circumstances of the exposure and document that, within 10 days after the date of the exposure, the employee had a test result that indicated an absence of HIV infection.

(d) The cost of a state employee's testing and counseling shall be paid from funds appropriated for payment of workers' compensation benefits to state employees. The director of the workers' compensation division of the attorney general's office shall adopt rules necessary to administer this subsection.

(e) Counseling or a test conducted under this section must conform to the model protocol on HIV counseling and testing prescribed by the department.

(f) A state employee who may have been exposed to HIV while performing duties of state employment may not be required to be tested.

**SUBCHAPTER F. DEMONSTRATION PROJECTS ON NURSING CARE**

Sec. 85.131. RESEARCH ON NURSING CARE. To ensure a continuum of nursing care for persons with AIDS or HIV infection and related conditions who require long-term nursing care but do not require hospitalization except for acute exacerbations of their condition, the Texas Department of Human Services shall develop one or more demonstration projects to research the cost and need for services that are appropriate to provide the special care necessary for those persons and for the specific medical complications resulting from AIDS or HIV infection.

Sec. 85.132. DEMONSTRATION PROJECTS IN NURSING FACILITIES. (a) The Texas Department of Human Services shall establish one or more
demonstration projects in nursing facilities to:

(1) assist the Texas Department of Human Services in analyzing the cost of providing care for persons with AIDS or HIV infection and related conditions authorized by this subchapter;

(2) provide test sites in designated nursing facilities to study the costs and requirements of the operation of those facilities and the provision of appropriate nursing care and other related programs and services;

(3) demonstrate the extent of the need for facilities that can provide the long-term nursing care that is required by a person with AIDS or HIV infection and related conditions when those persons are not in need of hospitalization for an acute exacerbated condition;

(4) determine the extent of the individualized nursing care required to adequately meet the specific needs of persons with AIDS or HIV infection and related conditions without imposing the costs of providing those programs and services on all facilities that currently provide nursing care to persons whose needs are different than the needs of persons with AIDS or HIV infection and related conditions; and

(5) provide one or more teaching and demonstration models for caring for persons with AIDS or HIV infection and related conditions.

(b) Participants in the demonstration project are entitled to reimbursement at a special rate that covers all the cost of the care provided.

Sec. 85.142. ADOPTION OF POLICY. (a) Each state and local law enforcement agency, fire department, emergency medical services provider, municipal and county correctional facility, and district probation department shall adopt a policy for handling persons with AIDS or HIV infection who are in their custody or under their supervision.

(b) The policy must be substantially similar to a model policy developed by the department under Section 85.141.

(c) A policy adopted under this section applies to persons who contract or subcontract with an entity required to adopt the policy under Subsection (a).

Sec. 85.143. CONTENT OF POLICY. A policy adopted under this subchapter must:

(1) provide for periodic education of employees, inmates, and probationers concerning HIV;

(2) ensure that education programs for employees include information and training relating to infection control procedures and that employees have infection control supplies and equipment readily available; and

(3) ensure access to appropriate services and protect the confidentiality of medical records relating to HIV infection.

SUBCHAPTER I. PREVENTION OF TRANSMISSION OF HIV AND HEPATITIS B VIRUS BY INFECTED HEALTH CARE WORKERS

Sec. 85.201. LEGISLATIVE FINDINGS. (a) The legislature finds that:

(1) the Centers for Disease Control of the United States Public Health Service have made recommendations for preventing transmission of human immunodeficiency virus (HIV) and hepatitis B virus (HBV) to patients in the health care setting;

(2) the Centers for Disease Control of the United States
Public Health Service have found that when health care workers adhere to recommended infection-control procedures, the risk of transmitting HBV from an infected health care worker to a patient is small, and the risk of transmitting HIV is likely to be even smaller;

(3) the risk of transmission of HIV and HBV in health care settings will be minimized if health care workers adhere to the Centers for Disease Control of the United States Public Health Service recommendations; and

(4) health care workers who perform exposure-prone procedures should know their HIV antibody status; health care workers who perform exposure-prone procedures and who do not have serologic evidence of immunity to HBV from vaccination or from previous infection should know their HBsAg status and, if that is positive, should also know their HBeAg status.

(b) Any testing for HIV antibody status shall comply with Subchapters C, D, and F, Chapter 81.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 15, Sec. 5.05, eff. Sept. 1, 1991.

Sec. 85.202. DEFINITIONS. In this subchapter:

(1) "Exposure-prone procedure" means a specific invasive procedure that poses a direct and significant risk of transmission of HIV or hepatitis B virus, as designated by a health professional association or health facility, as provided by Section 85.204(b)(4).

(2) "Health care worker" means a person who furnishes health care services in direct patient care situations under a license, certificate, or registration issued by this state or a person providing direct patient care in the course of a training or educational program.

(3) "Invasive procedure" means:

(A) a surgical entry into tissues, cavities, or organs; or

(B) repair of major traumatic injuries associated with any of the following:

(i) an operating or delivery room, emergency department, or outpatient setting, including a physician's or dentist's office;

(ii) cardiac catheterization or angiographic
procedures;

(iii) a vaginal or cesarean delivery or other invasive obstetric procedure during which bleeding may occur; or

(iv) the manipulation, cutting, or removal of any oral or perioral tissues, including tooth structure, during which bleeding occurs or the potential for bleeding exists.

(4) "Universal precautions" means procedures for disinfection and sterilization of reusable medical devices and the appropriate use of infection control, including hand washing, the use of protective barriers, and the use and disposal of needles and other sharp instruments as those procedures are defined by the Centers for Disease Control of the United States Public Health Service.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 15, Sec. 5.05, eff. Sept. 1, 1991.

Sec. 85.203. INFECTION CONTROL STANDARDS. (a) All health care workers shall adhere to universal precautions as defined by this subchapter.

(b) Health care workers with exudative lesions or weeping dermatitis shall refrain from all direct patient care and from handling patient care equipment and devices used in performing invasive procedures until the condition resolves.

(c) All institutions of higher education and professional and vocational schools training health care workers shall provide instruction on universal precautions.

(d) Health care institutions shall establish procedures for monitoring compliance with universal precautions.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 15, Sec. 5.05, eff. Sept. 1, 1991.

Sec. 85.204. MODIFICATION OF PRACTICE. (a) Except as provided by Subsections (b) and (c), a health care worker who is infected with HIV or who is infected with hepatitis B virus and is HBeAg positive may not perform an exposure-prone procedure.

(b)(1) A health care worker who is infected with HIV or who is infected with hepatitis B virus and is HBeAg positive may perform an exposure-prone procedure only if the health care worker has sought
counsel from an expert review panel and been advised under what circumstances, if any, the health care worker may continue to perform the exposure-prone procedure.

(2) An expert review panel should include the health care worker's personal physician and experts with knowledge of infectious diseases, infection control, the epidemiology of HIV and hepatitis B virus, and procedures performed by the health care worker.

(3) All proceedings and communications of the expert review panel are confidential and release of information relating to a health care worker's HIV status shall comply with Chapter 81.

(4) Health professional associations and health facilities should develop guidelines for expert review panels and identify exposure-prone procedures, as defined by this subchapter.

(c) A health care worker who performs an exposure-prone procedure as provided under Subsection (b) shall notify a prospective patient of the health care worker's seropositive status and obtain the patient's consent before the patient undergoes an exposure-prone procedure, unless the patient is unable to consent.

(d) To promote the continued use of the talents, knowledge, and skills of a health care worker whose practice is modified because of the worker's HIV or hepatitis B virus infection status, the worker should:

(1) be provided opportunities to continue patient care activities, if practicable; and

(2) receive career counseling and job retraining.

(e) A health care worker whose practice is modified because of hepatitis B virus infection may request periodic redeterminations by the expert review panel under Subsection (b) of any change in the worker's HBeAg status due to resolution of infection or as a result of treatment.

(f) A health care worker who is infected with HIV or who is infected with hepatitis B virus and is HBeAg positive who performs invasive procedures not identified as exposure-prone should not have his or her practice restricted, provided the infected health care worker adheres to the standards for infection control provided in Section 85.203.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 15, Sec. 5.05, eff. Sept. 1, 1991.
Sec. 85.205. DISCIPLINARY PROCEDURES. A health care worker who fails to comply with this subchapter is subject to disciplinary procedures by the appropriate licensing entity.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 15, Sec. 5.05, eff. Sept. 1, 1991.

Sec. 85.206. RETENTION OF LICENSE; PERMITTED ACTS. This subchapter does not:

(1) require the revocation of the license, registration, or certification of a health care worker who is infected with HIV or hepatitis B virus;

(2) prohibit a health care worker who is infected with HIV or hepatitis B virus and who adheres to universal precautions, as defined by this subchapter, from:

(A) performing procedures not identified as exposure-prone; or

(B) providing health care services in emergency situations;

(3) prohibit a health care worker who is infected with HIV and who adheres to universal precautions from providing health care services, including exposure-prone procedures, to persons who are infected with HIV; or

(4) require the testing of health care workers.

Added by Acts 1991, 72nd Leg., 1st C.S., ch. 15, Sec. 5.05, eff. Sept. 1, 1991.

SUBCHAPTER J. HOME COLLECTION KITS FOR HIV INFECTION TESTING

Sec. 85.251. DEFINITIONS. In this subchapter:

(1) "Home collection kit" means a product sold to the general public and used by an individual to collect a specimen from the human body and to submit the specimen to a laboratory for testing and a report.

(2) "Service provider" means the manufacturer of a home collection kit or a person designated by the manufacturer to provide the services required by this subchapter.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.
Sec. 85.252. PROHIBITIONS RELATING TO HOME COLLECTION KIT. A person may not market, distribute, or sell a home collection kit for HIV infection testing in this state unless the kit complies with Chapter 431.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

Sec. 85.253. PROHIBITIONS RELATING TO HOME TESTING. (a) A person may not market, distribute, or sell a product to be used by a member of the public to test a specimen collected from the human body for HIV infection unless the kit complies with Chapter 431.

(b) This section does not apply to a product marketed, distributed, or sold only to physicians or other persons authorized by law to test for HIV infection a specimen collected from the human body.

(c) A person may not require an individual to be tested for HIV infection as provided in Section 81.102.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

Sec. 85.254. PACKAGE OF SERVICES. A home collection kit for HIV infection testing shall be sold as part of a package of services that includes:

(1) laboratory testing by a qualified facility;
(2) reporting of test results;
(3) verification of positive test results;
(4) counseling as required by this subchapter; and
(5) information, upon request, describing how test results and related information are stored by the service provider, how long the information is retained, and under what circumstances the information may be communicated to other persons.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

Sec. 85.255. QUALIFIED FACILITY. A laboratory facility that conducts testing of a specimen collected with a home collection kit
for HIV infection testing must comply with the Clinical Laboratory Improvement Amendments of 1988 (42 U.S.C. Section 263a).

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

Sec. 85.256. ORAL REPORTING. A service provider shall report test results from a home collection kit for HIV infection testing orally to the individual tested. Notwithstanding Section 81.109, the test results may be provided by telephone.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

Sec. 85.257. COUNSELING; COUNSELING PROTOCOLS. (a) A service provider shall provide pretesting counseling to an individual who is considering using a home collection kit for HIV infection testing. This counseling may be provided orally by telephone or through written information included with the home collection kit.

(b) At the time the test results are reported to the individual tested, the service provider shall provide counseling and appropriate referrals for care and treatment.

(c) Counseling provided by a service provider, including written information provided under Subsection (a) and referrals, must conform with counseling protocols adopted by the board. Except as provided by Section 85.256, the counseling protocols must be consistent with the requirements of Section 81.109 and the protocols adopted under Section 85.081.

(d) Counseling provided by a service provider under this section must be provided in English and in Spanish. The board may require a service provider to provide counseling in another language if the board finds that the service provider is marketing home collection kits in a community in which a significant portion of the population speaks a language other than English or Spanish.

(e) A service provider, in providing counseling, may not:

(1) solicit the purchase of additional services or products; or

(2) refer the individual being counseled to an entity:

(A) that is owned or controlled by the service provider;

(B) that owns or controls the service provider;
(C) that is owned or controlled by an entity that owns or controls the service provider; or
(D) that has another ongoing financial relationship with the service provider.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

Sec. 85.258. LABELING. (a) A home collection kit for HIV infection testing shall meet the requirements of Chapter 431.
(b) In addition to the requirements in Subsection (a), the labeling shall explain which persons and entities will have access to the test results for the individual.
(c) In addition to the labeling requirements in Subsections (a) and (b), a home collection kit labeled in Spanish must also be available. The board may require a service provider to label a home collection kit in another language if the board finds that the service provider is marketing home collection kits in a community in which a significant portion of the population speaks a language other than English or Spanish.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

Sec. 85.259. ENFORCEMENT. A home collection kit for HIV infection testing is a "device" as that term is defined in Section 431.002 and is subject to the provisions for enforcement contained in Chapter 431. Any violation of the requirement in Section 85.258 shall be subject to the enforcement provisions of Chapter 431.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

Sec. 85.260. CONFIDENTIALITY. (a) Any statement that an identifiable individual has or has not been tested with a home collection kit for HIV infection testing, including a statement or assertion that the individual is positive, is negative, is at risk, or has or does not have a certain level of antigen or antibody, is confidential as provided by Section 81.103.
(b) A person commits an offense if the person violates this section. The punishment for an offense under this section is the
same as the punishment for an offense under Section 81.103.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

Sec. 85.261. CERTAIN TECHNOLOGY PROHIBITED. A service provider may not use technology that permits the service provider to identify an individual to whom test results or counseling is provided or to identify the telephone number from which that individual is calling.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

Sec. 85.262. REPORTS. A service provider shall report test results from a home collection kit for HIV infection testing in the manner provided by Subchapter C, Chapter 81.

Added by Acts 1995, 74th Leg., ch. 33, Sec. 1, eff. April 28, 1995.

SUBCHAPTER K. TEXAS HIV MEDICATION ADVISORY COMMITTEE

Sec. 85.271. DEFINITIONS. In this subchapter:
(1) "Commissioner" means the commissioner of the department.
(2) "Committee" means the Texas HIV Medication Advisory Committee.
(3) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.
(4) "Program" means the Texas HIV medication program established under Subchapter C.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.272. TEXAS HIV MEDICATION ADVISORY COMMITTEE. (a) The executive commissioner shall establish the committee.
(b) The committee consists of 11 members appointed by the executive commissioner. The committee must include:
(1) three physicians who are actively engaged in the treatment of adults who are infected with HIV;
(2) one physician who is actively engaged in the treatment of infants and children who are infected with HIV;
(3) four consumers who are diagnosed with HIV;
(4) one person who is an administrator for a public, nonprofit hospital that provides services to individuals who are infected with HIV;
(5) one social worker who works with individuals who are infected with HIV; and
(6) one pharmacist who participates in the program.
(c) The department shall provide staff support for the committee.
(d) Except as provided by this subchapter, the committee is subject to Chapter 2110, Government Code.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.273. DUTIES. (a) The committee shall advise the executive commissioner and the department in the development of procedures and guidelines for the program.
(b) The committee shall:
(1) review the program's goals and aims;
(2) evaluate the program's ongoing efforts;
(3) recommend both short-range and long-range goals and objectives for medication needs; and
(4) perform any other tasks assigned by the executive commissioner.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.274. TERMS. A committee member serves at the will of the executive commissioner.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.275. OFFICERS. (a) The committee shall select a
presiding officer and an assistant presiding officer from the committee members.

(b) An officer shall begin serving on March 1 of each odd-numbered year and serve until February 27 of the following odd-numbered year.

(c) An officer may continue to serve until a replacement is elected for the officer's position.

(d) The presiding officer shall:

(1) preside at all committee meetings attended by the presiding officer;
(2) call meetings in accordance with this subchapter;
(3) appoint subcommittees as necessary; and
(4) ensure annual reports are made to the commissioner.

(e) The presiding officer may serve as an ex officio member of any subcommittee.

(f) The assistant presiding officer shall:

(1) perform the duties of the presiding officer if the presiding officer is absent or becomes disabled; and
(2) complete the unexpired portion of the presiding officer's term if the office of the presiding officer becomes vacant.

(g) The committee may elect a committee member to replace the assistant presiding officer if the office of the assistant presiding officer becomes vacant.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.276. MEETINGS. (a) The committee shall meet only as necessary to conduct committee business.

(b) A meeting may be called by agreement between the department staff and:

(1) the presiding officer; or
(2) three or more members of the committee.

(c) The department staff shall:

(1) make meeting arrangements; and
(2) contact each committee member to determine the member's availability for a meeting date and place.

(d) The committee is not a "governmental body" as defined by Chapter 551, Government Code. However, each committee meeting must
be announced and conducted in accordance with Chapter 551, Government Code, except that the provisions allowing executive sessions do not apply to the committee.

(e) Each member of the committee must be informed of a committee meeting at least five working days before the meeting is to take place.

(f) An agenda for each committee meeting must include an item entitled "public comment" under which any person may address the committee on matters relating to committee business. The presiding officer may establish procedures for public comment, including a time limit for each comment.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.277. ATTENDANCE. (a) A member shall attend:
(1) a scheduled committee meeting; and
(2) a meeting of a subcommittee to which the member is assigned.

(b) A member shall notify the presiding officer or the appropriate department staff if the member is unable to attend a scheduled meeting.

(c) The committee shall include the attendance records of each member in the committee's annual report to the commissioner. The report must include a member's attendance at both committee and subcommittee meetings.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.278. PROCEDURES. (a) The committee shall use Robert's Rules of Order as the basis of parliamentary decisions except as provided by other law or rule.

(b) An action taken by the committee must be approved by a majority vote of the members present after a quorum is established.

(c) Each member shall have one vote.

(d) A member may not authorize another individual to represent the member by proxy.

(e) The committee shall make decisions in the discharge of the
committee's duties without discrimination based on a person's race, creed, gender, religion, national origin, age, physical condition, or economic status.

(f) The department staff shall take minutes of each committee meeting. After the minutes are approved by the committee, the presiding officer shall sign the minutes.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.279. SUBCOMMITTEES. (a) The committee may establish subcommittees as necessary to assist the committee in performing the committee's duties.

(b) The presiding officer shall appoint committee members to serve on subcommittees and to act as subcommittee chairs. The presiding officer may appoint a person who is not a committee member to serve on a subcommittee.

(c) A subcommittee shall meet when called by the subcommittee's chair or when directed by the committee.

(d) A subcommittee chair shall make a regular report to the committee at each committee meeting or in an interim written report as needed. The report must include an executive summary or minutes of each subcommittee meeting.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.280. STATEMENT BY MEMBER; MEMBER DUTIES. (a) The executive commissioner, the department, and the committee may not be bound by any statement made or action taken by a committee member unless the member makes the statement or takes the action based on specific instructions from the executive commissioner, the department, or the committee.

(b) The committee and committee members may not participate in any legislative activity in the name of the executive commissioner, the department, or the committee unless the committee or committee member obtains approval through the department's legislative process. Committee members may represent themselves or another entity in the legislative process.
(c) A committee member may not accept or solicit a benefit that might reasonably tend to influence the member in the discharge of the member's official duties.

(d) A committee member may not disclose confidential information acquired through the member's service on the committee.

(e) A committee member may not knowingly solicit, accept, or agree to accept a benefit for exercising the member's official powers or duties in favor of another person.

(f) A committee member who has a personal or private interest in a matter pending before the committee shall publicly disclose the fact and may not vote or otherwise participate in the matter.

(g) In this section, "personal or private interest" means a direct pecuniary interest in a matter but does not include a person's engagement in a profession, trade, or occupation if the person's interest is the same as any other person who is similarly engaged in the profession, trade, or occupation.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.281. COMPENSATION; EXPENSES. (a) A committee member may receive reimbursement for expenses incurred for each day the member engages in official committee business if the reimbursement is authorized by the General Appropriations Act or through the budget execution process.

(b) A committee member is not entitled to a salary or stipend unless required by law.

(c) A committee member who is an employee of a state agency, other than the department, is not entitled to reimbursement for expenses from the department.

(d) A person who serves on a subcommittee and who is not a committee member is not entitled to reimbursement for expenses from the department.

(e) Only a consumer who is diagnosed with HIV and serves as a committee member is eligible for reimbursement of actual travel expenses incurred.

(f) A committee member who is eligible for reimbursement of expenses shall submit to the department staff the member's receipts for the expenses and any required forms not later than 14 days after
a committee meeting.

    (g) A member shall make a request for reimbursement of expenses on an official state travel voucher prepared by the department staff.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

Sec. 85.282. REPORTS. (a) The committee shall file an annual written report with the commissioner not later than March 31 of each year. The report must cover the meetings and activities of the committee for the year preceding the date of the report.

(b) The report must include:

1. the meeting dates of the committee and any subcommittee;
2. attendance records for each committee member;
3. a brief description of any action taken by the committee;
4. a description of how the committee has accomplished any specific tasks officially given to the committee;
5. the status of any rules recommended by the committee; and
6. the anticipated activities of the committee for the following year.

(c) The committee shall identify the costs for the committee's existence in the report, including the cost of department staff used to support the committee's activities and the source of funds used to support the committee's activities.

(d) The presiding officer and appropriate department staff shall sign the report.

Added by Acts 2011, 82nd Leg., R.S., Ch. 520 (H.B. 2229), Sec. 1, eff. September 1, 2011.

CHAPTER 86. BREAST CANCER AND LUNG CANCER
SUBCHAPTER B. BREAST CANCER SCREENING

Sec. 86.013. INFORMATION ON SUPPLEMENTAL BREAST CANCER SCREENING. (a) On completion of a mammogram, a mammography facility certified by the United States Food and Drug Administration or by a certification agency approved by the United States Food and Drug
Administration shall provide to the patient the following notice:

"If your mammogram demonstrates that you have dense breast tissue, which could hide abnormalities, and you have other risk factors for breast cancer that have been identified, you might benefit from supplemental screening tests that may be suggested by your ordering physician.

"Dense breast tissue, in and of itself, is a relatively common condition. Therefore, this information is not provided to cause undue concern, but rather to raise your awareness and to promote discussion with your physician regarding the presence of other risk factors, in addition to dense breast tissue.

"A report of your mammography results will be sent to you and your physician. You should contact your physician if you have any questions or concerns regarding this report."

(b) Notwithstanding any other law, this section does not create a cause of action or create a standard of care, obligation, or duty that provides a basis for a cause of action.

(c) The information required by this section or evidence that a person violated this section is not admissible in a civil, judicial, or administrative proceeding.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1154 (H.B. 2102), Sec. 2, eff. September 1, 2011.

CHAPTER 87. BIRTH DEFECTS
SUBCHAPTER A. GENERAL PROVISIONS
Sec. 87.001. DEFINITIONS. In this chapter:

(1) "Birth defect" means a physical or mental functional deficit or impairment in a human embryo, fetus, or newborn resulting from one or more genetic or environmental causes.

(2) "Communicable disease" has the meaning assigned by Section 81.003.

(4) "Environmental causes" means the sum total of all the conditions and elements that make up the surroundings and influence the development of an individual.

(5) "Harmful physical agent" has the meaning assigned by Section 503.001.
(6) "Health professional" means an individual whose:
   (A) vocation or profession is directly or indirectly related to the maintenance of health in another individual; and
   (B) duties require a specified amount of formal education and may require a special examination, certificate, or license or membership in a regional or national association.

(7) "Health facility" includes:
   (A) a general or special hospital licensed by the department under Chapter 241;
   (B) a physician-owned or physician-operated clinic;
   (C) a publicly or privately funded medical school;
   (D) a state hospital or state school maintained and managed by the Texas Department of Mental Health and Mental Retardation;
   (E) a genetic evaluation and counseling center;
   (F) a public health clinic conducted by a local health unit, health department, or public health district organized and recognized under Chapter 121;
   (G) a physician peer review organization; and
   (H) another facility specified by board rule.

(8) "Midwife" has the meaning assigned by Section 203.002, Occupations Code.

(9) "Local health unit" has the meaning assigned by Section 121.004.

(10) "Toxic substance" has the meaning assigned by Section 503.001.

Sec. 87.002. CONFIDENTIALITY. (a) Except as specifically authorized by this chapter, reports, records, and information furnished to a department employee or to an authorized agent of the department that relate to cases or suspected cases of a health condition are confidential and may be used only for the purposes of this chapter.

(b) Reports, records, and information relating to cases or
suspected cases of health conditions are not public information under Chapter 552, Government Code, and may not be released or made public on subpoena or otherwise except as provided by this chapter.

(c) The department may release medical, epidemiological, or toxicological information:

(1) for statistical purposes, if released in a manner that prevents the identification of any person;

(2) with the consent of each person identified in the information or, if the person is a minor, the minor's parents, managing conservator, guardian, or other person who is legally authorized to consent;

(3) to medical personnel, appropriate state agencies, health authorities, regional directors, and public officers of counties and municipalities as necessary to comply with this chapter and board rules relating to the identification, monitoring, and referral of children with birth defects;

(4) to appropriate federal agencies, such as the Centers for Disease Control of the United States Public Health Service; or

(5) to medical personnel to the extent necessary to protect the health or life of the child identified in the information.

(d) A board member, the commissioner, another employee of the department, or an authorized agent may not be examined in a civil, criminal, special, or other proceeding as to the existence or contents of pertinent records of or reports or information about a child identified or monitored for a birth defect by the department without the consent of the child's parents, managing conservator, guardian, or other person authorized by law of this state or another state or by a court order to give consent.

Sec. 87.003. CONTRACTS. The department may enter into contracts or agreements with persons as necessary to implement this chapter. The contracts or agreements may provide for payment by the state for supplies, equipment, data, and data collection and other services.

Added by Acts 1993, 73rd Leg., ch. 602, Sec. 1, eff. Sept. 1, 1993.
Sec. 87.004. LIMITATION OF LIABILITY. A health professional, a health facility, or an administrator, officer, or employee of a health facility subject to this chapter is not civilly or criminally liable for divulging information required to be released under this chapter, except in a case of gross negligence or wilful misconduct.

Added by Acts 1993, 73rd Leg., ch. 602, Sec. 1, eff. Sept. 1, 1993.

Sec. 87.005. COOPERATION OF GOVERNMENTAL ENTITIES. Another state board, commission, agency, or governmental entity capable of assisting the department in carrying out the intent of this chapter shall cooperate with the department and furnish expertise, services, and facilities to the program.

Added by Acts 1993, 73rd Leg., ch. 602, Sec. 1, eff. Sept. 1, 1993.

SUBCHAPTER B. BIRTH DEFECTS MONITORING PROGRAM

Sec. 87.021. SURVEILLANCE PROGRAM; REGISTRY ESTABLISHED. (a) The board shall establish in the department a program to:

(1) identify and investigate certain birth defects in children; and

(2) maintain a central registry of cases of birth defects.

(b) The board may authorize the department to implement a statewide program or to limit the program to a part or all of one or more public health regions, depending on the funding available to the department. In establishing the program, the board shall consider:

(1) the number and geographic distribution of births in the state;

(2) the trained personnel and other departmental resources that may be assigned to the program activities; and

(3) the occurrence or probable occurrence of an urgent situation that requires or will require an unusual commitment of the department's personnel and other resources.

(c) The board and the department shall design the program so that the program will:

(1) provide information to identify risk factors and causes of birth defects;
(2) provide information on other possible causes of birth defects;
(3) provide for the development of strategies to prevent birth defects;
(4) provide for interview studies about the causes of birth defects;
(5) together with other departmental programs, contribute birth defects data to a central registry;
(6) provide for the appointment of authorized agents to collect birth defects information; and
(7) provide for the active collection of birth defects information.

(d) The board shall adopt rules to govern the operation of the program and carry out the intent of this chapter. At a minimum, the rules shall:

   (1) use a medically recognized system to specify the birth defects to be identified and investigated;
   (2) select a system for classifying the birth defects according to the public health significance of each defect to prioritize the use of resources;
   (3) develop a system to select and specify the cases to be investigated;
   (4) specify a system for selecting the demographic areas in which the department may undertake investigations; and
   (5) prescribe the training and experience a person must have for appointment as an authorized agent of the department.

(e) In adopting the rules required by Subsection (d), the board shall consider at least:

   (1) the known incidence and prevalence rates of a birth defect in the state or portions of the state;
   (2) the known incidence and prevalence rates of a particular birth defect in specific population groups who live in the state or portions of the state;
   (3) the morbidity and mortality resulting from the birth defect; and
   (4) the existence, cost, and availability of a strategy to prevent and treat the birth defect.

(f) In addition to providing for the active collection of birth defects information under Subsection (c)(7), the board and the department may design the program to also provide for the passive
Sec. 87.022. DATA COLLECTION. (a) To ensure an accurate source of data necessary to investigate the incidence, prevalence, and trends of birth defects, the board may require a health facility, health professional, or midwife to make available for review by the department or by an authorized agent medical records or other information that is in the facility's, professional's, or midwife's custody or control and that relates to the occurrence of a birth defect specified by the board.

(b) The board by rule shall prescribe the manner in which records and other information are made available to the department.

(c) The board shall adopt procedural rules to facilitate cooperation between the health care facility, health professional, or midwife and a department employee or authorized agent, including rules for notice, requests for medical records, times for record reviews, and record management during review.

Added by Acts 1993, 73rd Leg., ch. 602, Sec. 1, eff. Sept. 1, 1993.

Sec. 87.023. REFERRAL FOR SERVICES. A child who meets the medical criteria prescribed by board rule, and the child's family, shall be referred to the department's case management program for guidance in applying for financial or medical assistance available through existing state and federal programs.

Added by Acts 1993, 73rd Leg., ch. 602, Sec. 1, eff. Sept. 1, 1993.

SUBCHAPTER C. INVESTIGATIONS AND INSPECTIONS

Sec. 87.041. INVESTIGATIONS. (a) The department may conduct investigations, including epidemiological or toxicological investigations, of cases of specified birth defects.

(b) The department may conduct these investigations to determine the nature and extent of the disease or the known or
suspected cause of the birth defect and to formulate and evaluate control measures to protect the public health. The department's investigation is not limited to geographic, temporal, or occupational associations and may include investigation of past exposures.

(c) A person shall provide medical, demographic, epidemiological, toxicological, and environmental information to the department under this chapter.

(d) A person is not liable in damages or other relief for providing medical or other confidential information to the department during an epidemiological or toxicological investigation.

Added by Acts 1993, 73rd Leg., ch. 602, Sec. 1, eff. Sept. 1, 1993.

Sec. 87.042. DEPARTMENTAL INVESTIGATORY POWERS. To conduct an investigation under this chapter, the commissioner or the commissioner's designee has the same authority to enter, inspect, investigate, and take samples and to do so in the same manner as is provided for communicable diseases under Sections 81.061, 81.063, 81.064, and 81.065.

SUBCHAPTER D. CENTRAL REGISTRY

Sec. 87.061. REGISTRY; CONFIDENTIALITY. (a) Information collected and analyzed by the department or an authorized agent under this chapter may be placed in a central registry to facilitate research and to maintain security. The department may also store information available from other departmental programs and information from other reporting systems and health care providers.

(b) The department shall use the registry to:

(1) investigate the causes of birth defects and other health conditions as authorized by Texas statutes;

(2) design and evaluate measures to prevent the occurrence of birth defects and other health conditions; and

(3) conduct other investigations and activities necessary for the board and department to fulfill their obligation to protect the health of the public.
(c) The department may store in the central registry information that is obtained from the section of the birth certificate entitled "For Medical and Health Use Only." This information may be used only as provided by Section 191.002(b), relating to the form and contents of the birth certificate.

Added by Acts 1993, 73rd Leg., ch. 602, Sec. 1, eff. Sept. 1, 1993.

Sec. 87.062. ACCESS TO INFORMATION. (a) Access to the central registry information is limited to authorized department employees and other persons with a valid scientific interest who are engaged in demographic, epidemiological, or other studies related to health and who agree in writing to maintain confidentiality.

(b) The department shall maintain a listing of each person who is given access to the information in the central registry. The listing shall include:

(1) the name of the person authorizing access;
(2) the name, title, and organizational affiliation of each person given access;
(3) the dates of access; and
(4) the specific purpose for which the information was used.

(c) The listing is public information, is open to the public under Chapter 552, Government Code, and may be inspected during the department's normal hours of operation.

Sec. 87.063. RESEARCH; REVIEW AND APPROVAL. (a) The commissioner and the department's committee for the protection of human subjects shall review each research proposal that requests the use of information in the central registry. The board shall adopt rules establishing criteria to be used in deciding if the research design should be approved. A proposal that meets the approval criteria is considered to establish a valid interest as required by Section 87.062(a), and the commissioner and the committee shall authorize the researcher to review the records relevant to the
research proposal and to contact cases and controls.

(b) If an investigator using central registry data under a research design approved under this section believes it is necessary to contact case subjects and controls, the investigator must submit a protocol describing the purpose and method to the commissioner and the department's committee for the protection of human subjects. If the contact protocol is approved, the investigator is considered to have established a bona fide research, development, or planning purpose and is entitled to carry out the contacts without securing additional approvals or waivers from any entity.

Sec. 87.064. REPORT OF CENTRAL REGISTRY ACTIVITIES AND FINDINGS. (a) The department shall publish an annual report of activities using data contained in the central registry. The report shall include:

(1) a description of research projects in progress since the last report and the sponsors and principal investigators directing each project;

(2) results of the completed research projects either as an abstract or a complete scientific paper that has been reviewed and approved by an appropriate jury;

(3) a summary of the statistical information compiled in the registry, including a specific discussion of any clusters, high or low incidences, or prevalences or trends encountered;

(4) any policy, research, educational, or other recommendations the department considers appropriate; and

(5) such other information the editors of the report find is appropriate.

(b) The department may publish periodic reports in addition to the annual report.

Added by Acts 1993, 73rd Leg., ch. 602, Sec. 1, eff. Sept. 1, 1993.

Sec. 87.065. COORDINATION WITH MEXICO. In developing the central registry and conducting research in areas of this state that
border Mexico, the department shall make every effort to coordinate its efforts with similar efforts and research programs in Mexico.

Added by Acts 1993, 73rd Leg., ch. 602, Sec. 1, eff. Sept. 1, 1993.

CHAPTER 88. REPORTS OF CHILDHOOD LEAD POISONING

Sec. 88.001. DEFINITIONS. In this chapter:

(1) "Child care" includes a school, preschool, kindergarten, nursery school, or other similar activity that provides care or instruction for young children.

(2) "Child care facility" means a public place or a residence in which a person furnishes child care.

(3) "Health authority" means a physician appointed as such under Chapter 121.

(4) "Health professional" means an individual whose:

(A) vocation or profession is directly or indirectly related to the maintenance of health in another individual; and

(B) duties require a specified amount of formal education and may require a special examination, certificate or license, or membership in a regional or national association.

(5) "Lead" includes metallic lead and materials containing metallic lead with a potential for release in sufficient concentrations to pose a threat to public health.

(6) "Blood lead levels of concern" means the presence of blood lead concentrations suspected to be associated with mental and physical disorders due to absorption, ingestion, or inhalation of lead as specified in the most recent criteria issued by the United States Department of Health and Human Services, United States Public Health Service, Centers for Disease Control and Prevention of the United States Public Health Service.

(7) "Lead poisoning" means the presence of a confirmed venous blood level established by board rule in the range specified for medical evaluation and possible pharmacologic treatment in the most recent criteria issued by the United States Department of Health and Human Services, United States Public Health Service, Centers for Disease Control and Prevention of the United States Public Health Service.

(8) "Local health department" means a department created under Chapter 121.
(9) "Physician" means a person licensed to practice medicine by the Texas State Board of Medical Examiners.

(10) "Public health district" means a district created under Chapter 121.

(11) "Regional director" means a physician appointed by the board as the chief administrative officer of a public health region under Chapter 121.

(12) "Board" means the Texas Board of Health.

(13) "Child-occupied facility" means a building or part of a building, including a day-care center, preschool, or kindergarten classroom, that is visited regularly by the same child, six years of age or younger, at least two days in any calendar week if the visits are for at least:

(A) three hours each day; and
(B) 60 hours each year.

(14) "Lead hazard" means an item, surface coating, or environmental media that contains or is contaminated with lead and, when ingested or inhaled, may cause exposures that contribute to blood lead levels in children, including:

(A) an accessible painted surface or coating;
(B) an article for residential or consumer use;
(C) accessible soil and dust, including attic dust; and
(D) food, water, or remedies.

(15) "Certified lead risk assessor" means a person who has been certified by the department to conduct lead risk assessments, inspections, and lead-hazard screens, as defined by department rule.

(16) "Environmental lead investigation" means an investigation performed by a certified lead risk assessor of the home environment of, or other premises frequented by, a child who has a confirmed blood lead level warranting such an investigation, under the most recent criteria issued by the Centers for Disease Control and Prevention of the United States Public Health Service.

Sec. 88.002. CONFIDENTIALITY. (a) Except as specifically authorized by this chapter, reports, records, and information furnished to a health authority, a regional director, or the department that relate to cases or suspected cases of children with blood lead levels of concern or lead poisoning are confidential and may be used only for the purposes of this chapter.

(b) Reports, records, and information relating to cases or suspected cases of childhood lead poisoning and children with blood lead levels of concern are not public information under the open records law, Chapter 552, Government Code, and may not be released or made public on subpoena or otherwise except as provided by this chapter.

(c) Medical, epidemiologic, or toxicologic information may be released:

(1) for statistical purposes if released in a manner that prevents the identification of any person;

(2) with the consent of each person identified in the information;

(3) to medical personnel, appropriate state agencies, health authorities, regional directors, and public officers of counties and municipalities as necessary to comply with this chapter and related rules;

(4) to appropriate federal agencies, such as the Centers for Disease Control and Prevention of the United States Public Health Service, except that the information must be limited to the information requested by the agency; or

(5) to medical personnel to the extent necessary in a medical emergency to protect the health or life of the child identified in the information.

(d) The commissioner, a regional director or other department employee, a health authority or employee of a public health district, a health authority or employee of a county or municipal health department, or a public official of a county or municipality may not be examined in a civil, criminal, special, or other proceeding as to the existence or contents of pertinent records of or reports or information about a child identified, examined, or treated for lead poisoning or about a child possessing blood lead levels of concern by the department, a public health district, a local health department, or a health authority without the consent of the child's parents, managing conservator, guardian, or other person authorized by law to
Sec. 88.0025. CHILDHOOD LEAD POISONING PREVENTION. The board may implement policies and procedures to promote the elimination of childhood lead poisoning within the state. The board may adopt measures to:

(1) significantly reduce the incidence of childhood lead poisoning throughout the state; 

(2) improve public awareness of lead safety issues and educate both property owners and tenants about practices that can reduce the incidence of lead poisoning; and 

(3) encourage the testing of children likely to suffer the consequences of lead poisoning so that prompt diagnosis and treatment and the prevention of harm are possible.

Added by Acts 2003, 78th Leg., ch. 740, Sec. 4, eff. Sept. 1, 2003.

Sec. 88.003. REPORTABLE HEALTH CONDITION. (a) Childhood blood lead levels of concern are reportable. 

(b) The board by rule may designate:

(1) blood lead concentrations in children that must be reported; and 

(2) the ages of children for whom the reporting requirements apply.

(c) The board may adopt rules that establish a registry of children with blood lead levels of concern and lead poisoning.

Added by Acts 1995, 74th Leg., ch. 965, Sec. 52, eff. Jan. 1, 1996.

Sec. 88.004. PERSONS REQUIRED TO REPORT. (a) A person required to report childhood blood lead levels of concern shall report to the department in the manner specified by board rule. Except as provided by this section, a person required by this section to report must make the report immediately after the person gains knowledge of the case or suspected case of a child with a blood lead level of concern.
(b) A physician shall report a case or suspected case of childhood lead poisoning or of a child with a blood lead level of concern after the physician's first examination of a child for whom reporting is required by board rule.

(c) A person in charge of an independent clinical laboratory, a hospital or clinic laboratory, or other facility in which a laboratory examination of a specimen derived from the human body yields evidence of a child with a blood lead level of concern shall report the findings to the department as required by board rule.

(d) If a report is not made as required by Subsection (b) or (c), the following persons shall report a case or suspected case of a child with lead poisoning or a blood lead level of concern and all information known concerning the child:

(1) the administrator of a hospital licensed under Chapter 241;
(2) a professional registered nurse;
(3) an administrator or director of a public or private child care facility;
(4) an administrator of a home health agency;
(5) an administrator or health official of a public or private institution of higher education;
(6) a superintendent, manager, or health official of a public or private camp, home, or institution;
(7) a parent, managing conservator, or guardian; and
(8) a health professional.

Added by Acts 1995, 74th Leg., ch. 965, Sec. 52, eff. Jan. 1, 1996.

Sec. 88.005. REPORTING PROCEDURES. (a) The board shall prescribe the form and method of reporting under this chapter, including a report in writing, by telephone, or by electronic data transmission.

(b) Board rules may require the reports to contain any information relating to a case that is necessary for the purposes of this chapter, including:

(1) the child's name, address, age, sex, and race;
(2) the child's blood lead concentration;
(3) the procedure used to determine the child's blood lead concentration; and
(4) the name of the attending physician.

(c) The commissioner may authorize an alternate routing of information in particular cases if the commissioner determines that the customary reporting procedure would cause the information to be unduly delayed.

Added by Acts 1995, 74th Leg., ch. 965, Sec. 52, eff. Jan. 1, 1996.

Sec. 88.006. REPORTS OF HOSPITALIZATION; DEATH. (a) A physician who attends a child during the child's hospitalization shall immediately notify the department if the physician knows or suspects that the child has lead poisoning or a blood lead level of concern and the physician believes the lead poisoning or blood lead level of concern resulted from the child's exposure to a dangerous level of lead that may be a threat to the public health.

(b) A physician who attends a child during the child's last illness shall immediately notify the department if the physician:

(1) knows or suspects that the child died of lead poisoning; and

(2) believes the lead poisoning resulted from the child's exposure to a dangerous level of lead that may be a threat to the public health.

(c) An attending physician, health authority, or regional director, with the consent of the child's survivors, may request an autopsy if the physician, health authority, or regional director needs further information concerning the cause of death in order to protect the public health. The health authority or regional director may order the autopsy to determine the cause of death if the child's survivors do not consent to the autopsy. The autopsy results shall be reported to the department.

(d) A justice of the peace acting as coroner or a medical examiner in the course of an inquest under Chapter 49, Code of Criminal Procedure, who finds that a child's cause of death was lead poisoning that resulted from exposure to a dangerous level of lead that the justice of the peace or medical examiner believes may be a threat to the public health shall immediately notify the health authority or the regional director in the jurisdiction in which the finding is made.

Added by Acts 1995, 74th Leg., ch. 965, Sec. 52, eff. Jan. 1, 1996.
Sec. 88.007. DEPARTMENT RULES FOR FOLLOW-UP CARE; COORDINATION OF CARE. (a) The department may adopt rules establishing standards for follow-up care provided to children with a confirmed blood lead level of concern.

(b) Rules adopted under this section must meet any federal requirements for coordinated follow-up care for children with confirmed blood lead levels of concern and may include, in a manner consistent with current federal guidelines:

(1) an environmental lead investigation of all or parts of a child's home environment, child-care facility, or child-occupied facility that may be a source of a lead hazard causing or contributing to the child's lead exposure; and

(2) guidance to parents, guardians, and consulting physicians on how to eliminate or control lead exposures that may be contributing to the child's blood lead level.

Added by Acts 2007, 80th Leg., R.S., Ch. 398 (S.B. 814), Sec. 2, eff. September 1, 2007.

Sec. 88.008. ENVIRONMENTAL LEAD INVESTIGATIONS. (a) On receiving a report of a child with a confirmed blood lead level warranting an environmental lead investigation, the department or its authorized agent may conduct an environmental lead investigation of:

(1) the home environment in which the child resides, if the department or the department's authorized agent obtains the written consent of an adult occupant;

(2) any child-care facility with which the child has regular contact and that may be contributing to the child's blood lead level, if the department or the department's authorized agent obtains the written consent of the owner, operator, or principal of the facility; and

(3) any child-occupied facility with which the child has regular contact and that may be contributing to the child's blood lead level, if the department or the department's authorized agent obtains the written consent of:

(A) the owner, operator, or principal of the facility; or
(B) an adult occupant of the facility if the facility is subject to a lease agreement.

(b) Notwithstanding the consent requirements under Subsection (a), consent for an investigation is not required to be in writing for an investigation related to a report of a child with a blood lead level of 45 micrograms per deciliter or more if a good faith attempt to contact the persons authorized to provide written consent under Subsection (a) has been unsuccessful.

Added by Acts 2007, 80th Leg., R.S., Ch. 398 (S.B. 814), Sec. 2, eff. September 1, 2007.

Sec. 88.009. ENVIRONMENTAL LEAD INVESTIGATION PROCEDURES. The department may adopt rules establishing procedures for environmental lead investigations of dwellings and other premises subject to this chapter. The rules must meet, but may not exceed, any requirements established under regulations adopted by the federal Environmental Protection Agency under Subchapter IV, Toxic Substances Control Act (15 U.S.C. Section 2681 et seq.).

Added by Acts 2007, 80th Leg., R.S., Ch. 398 (S.B. 814), Sec. 2, eff. September 1, 2007.

CHAPTER 89. SCREENING AND TREATMENT FOR TUBERCULOSIS IN JAILS AND OTHER CORRECTIONAL FACILITIES

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 89.001. DEFINITIONS. In this chapter:
(1) "Community corrections facility" means a facility established under Chapter 509, Government Code.
(2) "County jail" means a facility operated by or for a county for the confinement of persons accused or convicted of an offense and includes:
   (A) a facility operated by or for a county for the confinement of persons accused or convicted of an offense;
   (B) a county jail or a correctional facility authorized by Subchapter F, Chapter 351, Local Government Code; and
   (C) a county correctional center authorized by Subchapter H, Chapter 351, Local Government Code.
(3) "Governing body" means:
(A) the commissioners court of a county, for a county jail;

(B) the district judges governing a community corrections facility, for a community corrections facility;

(C) the governing body of a municipality, for a jail operated by or under contract to a municipality; or

(D) the community supervision and corrections department, for a jail operated under contract to a community supervision and corrections department.

(4) "Health authority" has the meaning assigned by Section 121.021.

(5) "Jail" means:

(A) a county jail; or

(B) a facility for the confinement of persons accused of an offense that is:

   (i) operated by a municipality or a vendor under contract with a municipality under Subchapter E, Chapter 351, Local Government Code; or

   (ii) operated by a vendor under contract with a community supervision and corrections department under Chapter 76, Government Code.

(6) "Local health department" means a health department created under Subchapter D, Chapter 121.

(7) "Physician" means a person licensed to practice medicine in a state of the United States.

(8) "Public health district" means a health district established under Subchapter E, Chapter 121.

(9) "Screening test" means a rapid analytical laboratory or other procedure to determine the need for further diagnostic evaluation.

(10) "Tuberculosis" means a disease caused by Mycobacterium tuberculosis or other members of the Mycobacterium tuberculosis complex.

Subchapter E, this chapter applies only to a jail that:
   (1) has a capacity of at least 100 beds; or
   (2) houses inmates:
      (A) transferred from a county that has a jail that has
      a capacity of at least 100 beds; or
      (B) from another state.

Added by Acts 1997, 75th Leg., ch. 348, Sec. 2, eff. Sept. 1, 1997.

**SUBCHAPTER B. SCREENING OF JAIL EMPLOYEES AND VOLUNTEERS**

Sec. 89.011. SCREENING OF JAIL EMPLOYEES AND VOLUNTEERS. (a) The governing body of a jail or community corrections facility, through the community supervision and corrections department, shall require that each employee or volunteer working or providing services in a jail or a community corrections facility, who meets the screening guidelines prescribed by board rule, present to the governing body a certificate signed by a physician that states that:
   (1) the employee or volunteer has been tested for tuberculosis infection in accordance with board rules; and
   (2) the results of the test indicate that the person does not have tuberculosis.

(b) In lieu of a screening test, an employee or volunteer with a history of a positive screening test may provide:
   (1) documentation of that positive test result and of any diagnostic and therapeutic follow-up; and
   (2) a certificate signed by a physician that states that the person does not have tuberculosis.

(c) The health authority may require an employee or volunteer to have an additional screening test or medical examination if the department determines that an additional test or examination is necessary and appropriate to protect the public health.

(d) An employee or volunteer is exempt from the screening test required by this section if:
   (1) the screening test conflicts with the tenets of an organized religion to which the individual belongs; or
   (2) the screening test is medically contraindicated based on an examination by a physician.

Sec. 89.012. FOLLOW-UP EVALUATIONS AND TREATMENT. (a) An employee or a volunteer with a positive screening test result must obtain a diagnostic evaluation from the person's own physician to determine if the person has tuberculosis.

(b) If the employee or volunteer has tuberculosis, the governing body may not permit the person to begin or continue the person's employment duties or volunteer services unless the person is under treatment for the disease by a physician and the person provides to the governing body a certificate signed by the attending physician stating that the patient is noninfectious.

Sec. 89.013. CERTIFICATE REQUIRED. (a) The governing body or a designee of the governing body shall confirm that each employee or volunteer required to be screened under this subchapter has the required certificate.

(b) The governing body may not permit an employee or volunteer to carry out the person's duties if the person does not have the required certificate.

Sec. 89.014. COST OF TESTS, FOLLOW-UP, AND TREATMENT. The employee or volunteer shall pay the expense of a screening test, diagnostic evaluation, or other professional medical service required under this subchapter unless the commissioners court, the governing body of a municipality, or a local health department or public health district elects to provide the service.

Sec. 89.051. INMATE SCREENING REQUIRED. (a) Each inmate in a jail or community corrections facility shall undergo a screening test for tuberculosis infection approved by the board if:

(1) the inmate will probably be confined in jail or a community corrections facility for more than seven days; and

(2) the inmate meets the screening guidelines prescribed by board rules.

(b) The inmate must be tested on or before the seventh day after the day the inmate is first confined.

(c) An inmate listed by Subsection (a) is not required to be retested at each rebooking if the inmate is booked into a jail or a community corrections facility more than once during a 12-month period unless the inmate shows symptoms of tuberculosis or is known to have been exposed to tuberculosis.

(d) An inmate is exempt from the screening test required by this section if:

(1) the screening test conflicts with the tenets of an organized religion to which the individual belongs; or

(2) the screening test is medically contraindicated based on an examination by a physician.

Sec. 89.052. RESCREENING; DIAGNOSTIC EVALUATIONS. The department or a health authority may require a governing body to provide an additional screening test or a diagnostic evaluation if the department or health authority determines that an additional screening test or a diagnostic evaluation is necessary and appropriate to protect the health of the jail inmates, employees, volunteers, or the public.

Sec. 89.053. FOLLOW-UP EVALUATIONS. (a) If an inmate has a confirmed positive screening test result, the governing body shall provide a diagnostic evaluation to determine whether the inmate has tuberculosis.
(b) The sheriff, jail administrator, or director of the community corrections facility shall provide appropriate accommodations to an inmate who has tuberculosis or is suspected of having tuberculosis, including respiratory isolation, if necessary, and adequate medical care and treatment that meet the accepted standards of medical practice.

(c) The jail or community corrections facility shall provide preventive therapy to an infected inmate if the preventive therapy is prescribed by the attending physician and the inmate consents to the treatment.

Sec. 89.054. INMATE TRANSFER AND RELEASE. A copy of an inmate's medical records or documentation of screenings or treatment received during confinement must accompany an inmate transferred from one jail or community corrections facility to another or the Texas Department of Criminal Justice and be available for medical review on arrival of the inmate.

Added by Acts 1993, 73rd Leg., ch. 786, Sec. 1, eff. Sept. 1, 1993.

SUBCHAPTER D. REPORTING; RULEMAKING; MINIMUM STANDARDS

Sec. 89.071. REPORTING. (a) A case of tuberculosis shall be reported to the appropriate health authority or to the department not later than the third day after the day on which the diagnosis is suspected.

(b) The results of a screening test shall be reported to the department monthly in a manner approved by the department.

Added by Acts 1993, 73rd Leg., ch. 786, Sec. 1, eff. Sept. 1, 1993.

Sec. 89.072. RULEMAKING. The department shall recommend to the Commission on Jail Standards and the Texas Department of Criminal Justice rules to carry out this chapter, including rules describing:

(1) the types of screening tests and diagnostic evaluations and the scope of the professional examinations that may be used to
meet the requirements of this chapter;

(2) the categories of employees, volunteers, or inmates who must have a screening test under this chapter;

(3) the form and content of the certificate required under Subchapter B for employees and volunteers;

(4) the deadlines for filing a certificate;

(5) the transfer of employee or volunteer certificates and inmate records between facilities;

(6) the frequency of screening tests for employees, volunteers, and inmates;

(7) the criteria for requiring an additional screening test or a diagnostic evaluation or examination; and

(8) the reporting of a screening test or an evaluation or examination result to the appropriate health authority or to the department.

Sec. 89.073. ADOPTION OF LOCAL STANDARDS. (a) The standards prescribed by this chapter and the rules adopted by the board relating to screening tests or examinations for tuberculosis required for certain employees and volunteers are minimum standards.

(b) With the prior approval of the department:

(1) a governing body may adopt and enforce standards for carrying out this chapter if the standards are compatible with and equal to or more stringent than the standards prescribed by this chapter and the board's rules; and

(2) a private facility may adopt and enforce standards for carrying out this chapter if the standards are compatible with and equal to or more stringent than the standards prescribed by this chapter and the board's rules.

(c) The board shall adopt substantive and procedural rules to govern the submission of standards adopted under Subsection (b). At a minimum these rules must contain:

(1) a procedure for the submission of standards for departmental review; and

(2) an internal departmental appeal process by which a governing body or private entity may seek a review of the
department's decision to reject proposed standards.

**SUBCHAPTER E. CONTINUITY OF CARE**

Sec. 89.101. DEFINITIONS. In this subchapter:

(1) "Corrections facility" means:

(A) a jail or community corrections facility, without regard to whether the jail or facility satisfies the requirements of Section 89.002;

(B) any correctional facility operated by or under contract with a division of the Texas Department of Criminal Justice; or

(C) a detention facility operated by the Texas Youth Commission.

(2) "Offender" means a juvenile or adult who is arrested or charged with a criminal offense.

Added by Acts 1997, 75th Leg., ch. 348, Sec. 11, eff. Sept. 1, 1997.

Sec. 89.102. REPORT OF RELEASE. A corrections facility shall report to the department the release of an offender who is receiving treatment for tuberculosis. The department shall arrange for continuity of care for the offender.

Added by Acts 1997, 75th Leg., ch. 348, Sec. 11, eff. Sept. 1, 1997.

**CHAPTER 92. INJURY PREVENTION AND CONTROL**

**SUBCHAPTER A. GENERAL PROVISIONS**

Sec. 92.001. DEFINITIONS. In this chapter:

(1) "Injury" means damage to the body that results from intentional or unintentional acute exposure to thermal, mechanical, electrical, or chemical energy or from the absence of essentials such as heat or oxygen.

(2) "Reportable injury" means an injury or condition required to be reported under this subchapter.
(3) "Traumatic brain injury" means an acquired injury to
the brain, including brain injuries caused by anoxia due to near
drowning. The term does not include brain dysfunction caused by
congenital or degenerative disorders or birth trauma.

Added by Acts 1993, 73rd Leg., ch. 41, Sec. 1, eff. Sept. 1, 1993.
Renumbered from Health & Safety Code Sec. 87.001 by Acts 1995, 74th
Leg., ch. 76, Sec. 17.01(18), eff. Sept. 1, 1995. Renumbered from
Health and Safety Code Sec. 88.001 by Acts 1997, 75th Leg., ch. 165,
Sec. 31.01(53), eff. Sept. 1, 1997. Amended by Acts 1997, 75th Leg.,
ch. 893, Sec. 1, eff. Sept. 1, 1997; Acts 2003, 78th Leg., ch. 1088,
Sec. 3, eff. Sept. 1, 2003.

Sec. 92.002. REPORTABLE INJURY; RULES. (a) Spinal cord
injuries, traumatic brain injuries, and submersion injuries are
reportable to the department. The board by rule shall define those
terms for reporting purposes.

(b) The board may adopt rules that require other injuries to be
reported under this subchapter.

(c) The board shall maintain and revise, as necessary, the list
of reportable injuries.

(d) The board shall adopt rules necessary to administer this
subchapter.

Added by Acts 1993, 73rd Leg., ch. 41, Sec. 1, eff. Sept. 1, 1993.
Renumbered from Health & Safety Code Sec. 87.002 by Acts 1995, 74th
Leg., ch. 76, Sec. 17.01(18), eff. Sept. 1, 1995. Renumbered from
Health and Safety Code Sec. 88.002 by Acts 1997, 75th Leg., ch. 165,
Sec. 31.01(53), eff. Sept. 1, 1997. Amended by Acts 1997, 75th Leg.,
ch. 893, Sec. 2, eff. Sept. 1, 1997; Acts 2003, 78th Leg., ch. 1088,
Sec. 4, eff. Sept. 1, 2003.

Sec. 92.003. REPORTING REQUIREMENTS. (a) The following
persons shall report cases or suspected cases of reportable injuries
to the department:

(1) a physician who diagnoses or treats a reportable
injury; and

(2) a medical examiner or justice of the peace.

(b) The department may contact a physician attending a person
with a case or suspected case of a reportable injury.

(c) The board shall prescribe the form and method of reporting. The board may require the reports to contain any information, including the person's name, address, age, sex, race, occupation, employer, and attending physician, necessary to achieve the purposes of this subchapter.

Sec. 92.004. POWERS AND DUTIES OF DEPARTMENT. (a) The department may enter into contracts or agreements as necessary to carry out this subchapter. The contracts or agreements may provide for payment by the state for materials, equipment, and services.

(b) The department may seek, receive, and spend any funds received through appropriations, grants, donations, or contributions from public or private sources for the purpose of identifying, reporting, or preventing those injuries that have been determined by the board to be harmful or to be a threat to the public health.

(c) Subject to the confidentiality provisions of this subchapter, the department shall evaluate the reports of injuries to establish the nature and magnitude of the hazards associated with those injuries, to reduce the occurrence of those risks, and to establish any trends involved.

(d) The department may make inspections and investigations as authorized by this subchapter and other law.

Sec. 92.005. ACCESS TO INFORMATION. Subject to the confidentiality provisions of this subchapter, the department may collect, or cause to be collected, medical, demographic, or epidemiologic information from any medical or laboratory record or file to help the department in the epidemiologic investigation of injuries and their causes.

Sec. 92.006. CONFIDENTIALITY. (a) All information and records relating to injuries are confidential, including information from injury investigations. That information may not be released or made public on subpoena or otherwise, except that release may be made:

(1) for statistical purposes, but only if a person is not identified;

(2) with the consent of each person identified in the information released; or

(3) to medical personnel in a medical emergency to the extent necessary to protect the health or life of the named person.

(b) The board shall adopt rules establishing procedures to ensure that all information and records maintained by the department under this subchapter are kept confidential and protected from release to unauthorized persons.

(c) The director, the director's designee, or an employee of the department may not be examined in a judicial or other proceeding about the existence or contents of pertinent records of, investigation reports of, or reports or information about a person examined or treated for an injury without that person's consent.

Sec. 92.007. INVESTIGATIONS. (a) The department shall investigate the causes of injuries and methods of prevention.

(b) The director or the director's designee may enter at reasonable times and inspect within reasonable limits a public place or building, including a public conveyance, in the director's duty to prevent an injury.

(c) The director or the director's designee may not enter a private residence to conduct an investigation about the causes of injuries without first receiving permission from a lawful adult occupant of the residence.

Sec. 92.008. TECHNICAL ADVISORY COMMITTEE ON INJURY REPORTING.

(a) The board shall appoint a technical advisory committee to advise the board of injuries other than spinal cord injuries, traumatic brain injuries, and submersion injuries that should be required by rule to be reported under this subchapter.

(b) The technical advisory committee is composed of:

1. three doctors of medicine or doctors of osteopathic medicine licensed to practice in this state; and

2. three hospital representatives, one of whom must be a public hospital representative.

(c) A technical advisory committee member serves at the pleasure of the board.

(d) A vacancy on the technical advisory committee is filled by the board in the same manner as other appointments to the advisory committee.

(e) A member of the technical advisory committee is not entitled to reimbursement for expenses incurred in performing duties under this subchapter.

(f) The technical advisory committee may elect a chairman, vice-chairman, and secretary from among its members and may adopt
rules to conduct its activities.

(g) The technical advisory committee is entitled to review and comment on the board's rules under Section 92.002(b) before the rules are proposed.

Sec. 92.009. COORDINATION WITH TEXAS DEPARTMENT OF INSURANCE. The department and the Texas Department of Insurance shall enter into a memorandum of understanding which shall include the following:

1. The department and the Texas Department of Insurance shall exchange relevant injury data on an ongoing basis notwithstanding Section 92.006;

2. Confidentiality of injury data provided to the department by the Texas Department of Insurance is governed by Subtitle A, Title 5, Labor Code;

3. Confidentiality of injury data provided to the Texas Department of Insurance by the department is governed by Section 92.006; and

4. Cooperation in conducting investigations of work-related injuries.

Amended by:

Acts 2005, 79th Leg., Ch. 265 (H.B. 7), Sec. 6.101, eff. September 1, 2005.

Sec. 92.010. COORDINATION WITH TEXAS REHABILITATION COMMISSION.
The department and the Texas Rehabilitation Commission shall enter into a memorandum of understanding to:

(1) exchange relevant injury data on an ongoing basis notwithstanding Section 92.006;
(2) maintain the confidentiality of injury data provided to the department by the commission in accordance with Section 92.006 and Section 111.057, Human Resources Code; and
(3) cooperate in conducting investigations of spinal cord and traumatic brain injuries.

Added by Acts 1997, 75th Leg., ch. 893, Sec. 6, eff. Sept. 1, 1997. Renumbered from Sec. 88.010 and amended by Acts 1999, 76th Leg., ch. 62, Sec. 11.01, eff. Sept. 1, 1999.

Sec. 92.011. COORDINATION WITH TEXAS TRAUMATIC BRAIN INJURY ADVISORY COUNCIL. (a) The department and the Texas Traumatic Brain Injury Advisory Council established within the department under Subchapter B shall:

(1) exchange relevant injury data on an ongoing basis to the extent allowed by Section 92.006;
(2) maintain the confidentiality of injury data provided to the council by the department in accordance with Section 92.006;
(3) permit the council to review and comment on the board's rules under Section 92.002(b) before the rules are proposed; and
(4) cooperate in conducting investigations of traumatic brain injuries.

(b) The department and the Texas Traumatic Brain Injury Advisory Council may enter into a memorandum of understanding to facilitate cooperation under Subsection (a).

SUBCHAPTER B. TEXAS TRAUMATIC BRAIN INJURY ADVISORY COUNCIL

Sec. 92.051. DEFINITIONS. In this subchapter:

(1) "Traumatic brain injury support group" means a local, state, or national organization that:
(A) is established to provide support services to aid persons with a traumatic brain injury and their primary family caregivers;

(B) encourages research into the cause, prevention, and treatment of traumatic brain injury and care of persons with a traumatic brain injury; and

(C) is dedicated to the development of essential services for persons with a traumatic brain injury and their primary family caregivers.

(2) "Council" means the Texas Traumatic Brain Injury Advisory Council.

(3) "Primary family caregiver" means an individual who is a relative of a person with a traumatic brain injury who has or has had a major responsibility for the care and supervision of the person with a traumatic brain injury and who is not a professional health care provider paid to care for the person with a traumatic brain injury.

Sec. 92.052. ADVISORY COUNCIL; ASSOCIATED AGENCY. (a) The Texas Traumatic Brain Injury Advisory Council is an advisory council within the department.

(b) Notwithstanding Subsection (a), if, as a result of legislation enacted in the 78th Legislature, Regular Session, 2003, a state agency other than the department is designated to serve as the agency with primary responsibility in relation to persons with physical disabilities, the council is an advisory council within that state agency and a reference in this chapter to the department means that agency.

Sec. 92.053. MEMBERSHIP. (a) The council must be composed in accordance with federal law. Appointments to the council shall be made without regard to:

(1) the race, color, sex, religion, age, or national origin of the appointees; or

(2) the disability of the appointees, except as required by
federal law.

(b) The council is composed of 22 members appointed as follows:

1. eight public consumer members appointed by the commissioner of health and human services, at least three of whom must be individuals related to persons with a traumatic brain injury and at least three of whom must be persons with a brain injury;
2. six professional members appointed by the commissioner of health and human services, each of whom must have special training and interest in the care, treatment, or rehabilitation of persons with a traumatic brain injury, with one representative each from:
   (A) acute hospital trauma units;
   (B) the National Institute for Disability Rehabilitation Research Traumatic Brain Injury Model System in this state;
   (C) acute or post-acute rehabilitation facilities;
   (D) community-based services;
   (E) faculties of institutions of higher education; and
   (F) providers in the areas of physical therapy, occupational therapy, or cognitive rehabilitation; and
3. eight state agency members, with one representative from each of the following agencies appointed by the chief executive officer of the agency:
   (A) Texas Department of Health;
   (B) Texas Department of Human Services;
   (C) Texas Department of Mental Health and Mental Retardation;
   (D) Texas Rehabilitation Commission;
   (E) Health and Human Services Commission;
   (F) Texas Education Agency;
   (G) Texas Planning Council for Developmental Disabilities; and
   (H) Texas Department of Insurance.

(c) One of the six public consumer members appointed under Subsection (b)(1) must be a member of a statewide traumatic brain injury support group.

annually shall elect a presiding officer and an assistant presiding officer from the council members.

(b) A representative of a state agency may not serve as presiding officer or assistant presiding officer.

(c) At least one of the officers must be a public consumer member.

Sec. 92.055. RESTRICTIONS ON MEMBERS. (a) In this section, "Texas trade association" means a cooperative and voluntarily joined association of business or professional competitors in this state designed to assist its members and its industry or profession in dealing with mutual business or professional problems and in promoting their common interest. The term does not include a voluntary health organization.

(b) A person may not be a public consumer member of the council if the person or the person's spouse:

(1) is employed by or participates in the management of a business entity or other organization receiving money from the council;

(2) owns or controls, directly or indirectly, more than a 10 percent interest in a business entity or other organization receiving money from the council; or

(3) uses or receives a substantial amount of tangible goods, services, or money from the council, other than compensation or reimbursement authorized by law for council membership, attendance, or expenses.

(c) A person may not be a member of the council if the person is an officer, employee, or paid consultant of a Texas trade association in a health care field.

(d) A person may not be a member of the council if the person is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a profession related to the operation of the council.

(e) It is a ground for removal from the council that a member:

(1) does not have at the time of taking office the qualifications required by Section 92.053(b);

(2) does not maintain during service on the council the
qualifications required by Section 92.053(b);

(3) is ineligible for membership under Subsection (b), (c), or (d);  

(4) cannot, because of illness or disability, discharge the member's duties for a substantial part of the member's term; or

(5) is absent from more than half of the regularly scheduled council meetings that the member is eligible to attend during a calendar year without an excuse approved by a majority vote of the council.

(f) The validity of an action of the council is not affected by the fact that it is taken when a ground for removal of a council member exists.

Sec. 92.056. TERMS; VACANCY. (a) The public consumer and professional members of the council are appointed for staggered six-year terms, with the terms of four or five members expiring February 1 of each odd-numbered year.

(b) In addition to other methods by which a position may become vacant, a position on the council becomes vacant if a member resigns from the council by providing written notice to the presiding officer of the council.

(c) If a position on the council becomes vacant, the presiding officer shall provide written notice to the appropriate appointing official requesting a new appointment to fill the remainder of the member's term.

(d) If a vacancy occurs, the appropriate appointing official shall appoint a person, in the same manner as the original appointment, to serve for the remainder of the unexpired term.

(e) A person who has served one full term on the council is not eligible for reappointment.

Sec. 92.057. COMPENSATION; EXPENSES. (a) Except as provided by Subsections (b) and (c), a member of the council is not entitled to compensation for service on the council and is not entitled to reimbursement for travel expenses.

Statute text rendered on: 3/14/2015
(b) A member who is a representative of a state agency shall be reimbursed for travel expenses incurred while conducting council business from the funds of the agency the person represents in accordance with the General Appropriations Act.

(c) If money is available for this purpose in the account established under Section 92.062(b), the department shall reimburse a public consumer member for the member's actual and necessary expenses incurred in performing council duties, including travel, meals, lodging, respite care for a dependent with a disability, and telephone long-distance charges.

Sec. 92.058. MEETINGS. The council shall meet at least once each calendar quarter on meeting dates set by the council and at the call of the presiding officer.

Sec. 92.059. DUTIES OF THE COUNCIL. The council shall:

1. inform state leaders of issues and policies as they relate to meeting the needs of persons with a traumatic brain injury and their primary family caregivers;

2. recommend to state leaders policies and programs that more effectively serve persons with a traumatic brain injury and their families;

3. recommend to the department methods to explore and promote innovative approaches to providing services and support to persons with a traumatic brain injury and their families;

4. recommend to the department methods to promote education, training, and information about traumatic brain injury issues;

5. advocate for persons with a traumatic brain injury and their families;

6. recommend to the department methods to support activities aimed at reducing preventable brain injuries; and

7. recommend to the department methods to conduct outreach to obtain public input.
Sec. 92.060. DUTIES OF THE DEPARTMENT. (a) The department shall:

(1) provide administrative support services to the council;
(2) accept gifts and grants on behalf of the council from any public or private entity;
(3) receive, deposit, and disburse gifts and grants for the council in accordance with this subchapter and provide other administrative services in support of the council as requested by and negotiated with the council; and
(4) enter into a memorandum of understanding with the council that delineates the responsibilities of the department and the council under this subchapter and amend the memorandum as necessary to reflect changes in those responsibilities.

(b) The board may adopt rules as necessary to implement the department's duties under this subchapter and federal developmental disability laws.

Sec. 92.061. ADDITIONAL COUNCIL DUTIES. The council shall:

(1) make recommendations, at the request of the governor or legislative leaders, relating to activities appropriate to the achievement of legislative and executive functions relating to persons with a traumatic brain injury; and
(2) submit to the governor, legislature, and other appropriate state and federal authorities periodic reports on the council's responsibilities and performance.

Sec. 92.062. GIFTS AND GRANTS. (a) The council is encouraged to seek a gift or grant from any public or private entity.

(b) The health and human services commission shall deposit any money received under Subsection (a) to the credit of the Texas Traumatic Brain Injury Advisory Council account. The Texas Traumatic Brain Injury Advisory Council account is an account in the general
revenue fund that may be appropriated only for the purpose of carrying out this subchapter.

Sec. 92.063. ADVISORY COMMITTEE STATUTE INAPPLICABLE. Chapter 2110, Government Code, does not apply to the council.

CHAPTER 93. PREVENTION OF CARDIOVASCULAR DISEASE AND STROKE

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 93.001. DEFINITIONS. In this chapter:

(1) "Cardiovascular disease" means the group of diseases that target the heart and blood vessels and that are the result of complex interactions between multiple inherited traits and environmental factors.

(2) "Council" means the Council on Cardiovascular Disease and Stroke.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 25.01, eff. Sept. 1, 1999.

Sec. 93.002. APPOINTMENT OF COUNCIL; TERMS OF MEMBERS. (a) The Council on Cardiovascular Disease and Stroke is composed of:

(1) 11 public members appointed by the governor, with the advice and consent of the senate, as follows:

(A) a licensed physician with a specialization in cardiology;

(B) a licensed physician with a specialization in neurology to treat stroke;

(C) a licensed physician employed in a primary care setting;

(D) a registered nurse with a specialization in quality improvement practices for cardiovascular disease and stroke;

(E) a registered and licensed dietitian;

(F) two persons with experience and training in public health policy, research, or practice;
(G) two consumer members, with special consideration given to persons actively participating in the Texas affiliates of the American Heart Association or American Stroke Association, managed care, or hospital or rehabilitation settings; and

(H) two members from the general public that have or care for persons with cardiovascular disease or stroke; and

(2) one nonvoting member representing each of the state agencies that oversee:

(A) health services;

(B) assistive and rehabilitative services; and

(C) aging and disability services.

(b) In appointing public members under Subsection (a)(1), the governor shall attempt to appoint female members and members of different minority groups, including African Americans, Hispanic Americans, Native Americans, and Asian Americans.

(c) The head of each agency overseeing services listed in Subsection (a)(2) shall appoint the agency's representative nonvoting member.

(d) Public members of the council serve staggered six-year terms, with the terms of three or four of the public members expiring February 1 of each odd-numbered year. A nonvoting member representing a state agency serves at the will of the appointing agency.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 25.01, eff. Sept. 1, 1999. Amended by Acts 2003, 78th Leg., ch. 1170, Sec. 6.01, eff. Sept. 1, 2003.
Amended by:
   Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 1, eff. September 1, 2005.
   Acts 2011, 82nd Leg., R.S., Ch. 1176 (H.B. 3278), Sec. 5, eff. June 17, 2011.

Sec. 93.003. REIMBURSEMENT. (a) Except as provided by Subsection (b), a member of the council may be reimbursed for travel expenses incurred while conducting the business of the council at the same rate provided for state employees in the General Appropriations Act, provided funds are appropriated to the department for this purpose.
(b) If funds are not appropriated to support reimbursement of travel expenses, the commissioner may authorize reimbursement of the travel expenses incurred by a member while conducting the business of the council, as provided in the General Appropriations Act, if the commissioner finds on application of the member that travel for council business imposes a financial hardship on the member.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 25.01, eff. Sept. 1, 1999.
Amended by:
Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 2, eff. September 1, 2005.

Sec. 93.004. DUTIES OF DEPARTMENT; FUNDS. The department shall accept funds appropriated for the purposes of this chapter and shall allocate those funds. The council shall make recommendations to the department concerning the allocation of funds.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 25.01, eff. Sept. 1, 1999.

Sec. 93.005. CONSULTANTS; ADVISORY COMMITTEE. To advise and assist the council with respect to the council's duties under this chapter, the council may appoint one or more:
(1) consultants to the council; or
(2) advisory committees under Chapter 2110, Government Code.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 25.01, eff. Sept. 1, 1999.

Sec. 93.007. RESTRICTIONS ON COUNCIL APPOINTMENT, MEMBERSHIP, OR EMPLOYMENT. (a) A person is not eligible to serve as a public member if the person or the person's spouse:
(1) is employed by or participates in the management of a business entity or other organization receiving funds at the council's direction;
(2) owns or controls directly or indirectly more than a 10
percent interest in a business entity or other organization receiving funds at the council's direction; or

(3) uses or receives a substantial amount of tangible goods, services, or funds from the department at the council's direction, other than compensation or reimbursement authorized by law for council membership, attendance, or expenses.

(b) A person who is required to register as a lobbyist under Chapter 305, Government Code, may not serve as a member of the council or act as the general counsel of the council.

(c) An officer, employee, or paid consultant of a trade association in the field of health care may not be a member or employee of the council. A person who is the spouse of an officer, employee, or paid consultant of a trade association in the field of health care may not be a member of the council and may not be an employee, including an employee exempt from the state's position classification plan, who is compensated at or above the amount prescribed by the General Appropriations Act for step 1, salary group A17, of the position classification salary schedule.

(d) For purposes of Subsection (c), a trade association is a nonprofit, cooperative, and voluntary association of business or professional competitors designed to assist its members and its industry or profession in dealing with mutual business or professional problems and in promoting their common interests.

Added by Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 5, eff. September 1, 2005.

Sec. 93.008. REMOVAL OF COUNCIL MEMBER. (a) It is a ground for removal from the council if a member:

(1) is not eligible for appointment to the council at the time of appointment as provided by Section 93.007(a);

(2) is not eligible to serve on the council as provided by Section 93.007(a);

(3) violates a prohibition established by Section 93.007(b) or (c);

(4) cannot discharge the member's duties for a substantial part of the term for which the member is appointed because of illness or disability; or

(5) is absent from more than half of the regularly
scheduled council meetings that the member is eligible to attend 
during each calendar year, unless the absence is excused by a 
majority vote of the council.

(b) The validity of an action of the council is not affected by 
the fact that it is taken when a ground for removal of a member of 
the council exists.

(c) If the presiding officer of the council knows that a 
potential ground for removal exists, the presiding officer shall 
notify the governor of its existence.

(d) The council shall inform its members as often as necessary 
of:

(1) the qualifications for office prescribed by this 
chapter; and
(2) the responsibilities under applicable laws relating to 
standards of conduct for state officers or employees.

Added by Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 5, eff. 
September 1, 2005.

Sec. 93.009. PRESIDING OFFICER. The governor shall designate a 
member of the council as the presiding officer of the council to 
serve in that capacity at the will of the governor.

Added by Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 5, eff. 
September 1, 2005.

Sec. 93.010. STAFF SUPPORT. Each agency represented on the 
council:

(1) shall provide the council with staff support of 
specialists as needed; and
(2) may provide staff support to an advisory committee.

Added by Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 5, eff. 
September 1, 2005.

Sec. 93.011. DIVISION OF POLICY AND MANAGEMENT 
RESPONSIBILITIES. The council shall develop and implement policies 
that clearly separate the policy-making responsibilities of the 

Statute text rendered on: 3/14/2015
council and the management responsibilities of the commissioner and staff of the department.

Added by Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 5, eff. September 1, 2005.

Sec. 93.012. MEETINGS. (a) The council shall meet at least quarterly and shall adopt rules for the conduct of its meetings.

(b) An action taken by the council must be approved by a majority of the voting members present.

Added by Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 5, eff. September 1, 2005.

Sec. 93.013. GIFTS AND GRANTS. (a) The council may receive gifts and grants from any public or private source to perform its duties under this chapter. The department shall accept the gifts on behalf of the council and shall deposit any funds accepted under this section to the credit of a special account in the general revenue fund as required by Section 93.014.

(b) The department may retain five percent of any monetary gifts accepted on behalf of the council to cover its costs in administering this section.

Added by Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 5, eff. September 1, 2005.

Sec. 93.014. HEART DISEASE AND STROKE RESOURCE FUND. (a) The heart disease and stroke resource fund is an account of the general revenue fund.

(b) The legislature may appropriate money deposited to the credit of the heart disease and stroke resource fund only to the council for:

(1) heart disease and stroke prevention, research, and medical care for heart attack and stroke victims; and

(2) grants to nonprofit heart disease and stroke organizations.

(c) The council shall develop a policy governing the award of
funds for clinical research that follows scientific peer review
guidelines for primary and secondary prevention of heart disease or
stroke or that follows other review procedures that are designed to
distribute those funds on the basis of scientific merit.

(d) Interest earned from the investment of the heart disease
and stroke resource fund shall be deposited to the credit of the
fund.

Added by Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 5, eff.
September 1, 2005.

SUBCHAPTER B. POWERS AND DUTIES OF COUNCIL

Sec. 93.051. CARDIOVASCULAR DISEASE AND STROKE PREVENTION PLAN;
DUTIES OF COUNCIL. (a) The council shall develop an effective and
resource-efficient plan to reduce the morbidity, mortality, and
economic burden of cardiovascular disease and stroke in this state.
The council shall:

(1) conduct health education, public awareness, and
community outreach activities that relate to primary and secondary
prevention of cardiovascular disease and stroke;

(2) promote, enhance, and coordinate health education,
public awareness, and community outreach activities that relate to
primary and secondary prevention of cardiovascular disease and stroke
and that are provided by private and other public organizations;

(3) coordinate activities with other entities that are
concerned with medical conditions that are similar to cardiovascular
disease and stroke or that have similar risk factors;

(4) identify to health care providers, employers, schools,
community health centers, and other groups the benefits of
encouraging treatment, primary and secondary prevention, and public
awareness of cardiovascular disease and stroke and recognize
innovative and effective programs that achieve the objectives of
improved treatment, prevention, and public awareness;

(5) provide guidance regarding the roles and
responsibilities of government agencies, health care providers,
employers, third-party payers, patients, and families of patients in
the treatment, primary and secondary prevention, and public awareness
of cardiovascular disease and stroke;

(6) improve access to treatment for and primary and
secondary prevention of cardiovascular disease and stroke through public awareness programs, including access for uninsured individuals and individuals living in rural or underserved areas;

(7) assist communities to develop comprehensive local cardiovascular disease and stroke prevention programs;

(8) assist the Texas Education Agency and local school districts to promote a public school curriculum that includes physical, nutritional, and health education relating to cardiovascular disease and stroke prevention;

(9) establish appropriate forums, programs, or initiatives designed to educate the public regarding the impact of heart disease and stroke on women's health, with an emphasis on preventive health and healthy lifestyles; and

(10) evaluate and enhance the implementation and effectiveness of the program developed under this chapter.

(b) The council shall make written recommendations for performing its duties under this chapter to the department and the legislature.

(c) The council shall advise the legislature on legislation that is needed to develop further and maintain a statewide system of quality education services for all persons with cardiovascular disease or stroke. The council may develop and submit legislation to the legislature or comment on pending legislation that affects persons with cardiovascular disease and stroke.

(d) The council shall collaborate with the Governor's EMS and Trauma Advisory Council, the American Stroke Association, and other stroke experts to make recommendations to the department for rules on the recognition and rapid transportation of stroke patients to health care facilities capable of treating strokes 24 hours a day and recording stroke patient outcomes.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 25.01, eff. Sept. 1, 1999.
Amended by:
Acts 2005, 79th Leg., Ch. 732 (H.B. 2344), Sec. 6, eff. September 1, 2005.

Sec. 93.052. DATABASE OF CLINICAL RESOURCES. The council shall review available clinical resources and shall develop a database of
recommendations for appropriate care and treatment of patients with cardiovascular disease or who have suffered from or are at risk for stroke. The council shall make the database accessible to the public.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 25.01, eff. Sept. 1, 1999.

Sec. 93.053. CARDIOVASCULAR DISEASE AND STROKE DATABASE. (a) The council shall collect and analyze information related to cardiovascular disease and stroke at the state and regional level and, to the extent feasible, at the local level. The council shall obtain the information from federal and state agencies and from private and public organizations. The council shall maintain a database of this information.

(b) The database may include:

(1) information related to behavioral risk factors identified for cardiovascular disease and stroke;

(2) morbidity and mortality rates for cardiovascular disease and stroke; and

(3) community indicators relevant to cardiovascular disease and stroke.

(c) In compiling the database, the council may use information available from other sources, such as the Behavioral Risk Factor Surveillance System established by the Centers for Disease Control and Prevention, reports of hospital discharge data, and information included in death certificates.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 25.01, eff. Sept. 1, 1999.

Sec. 93.054. INFORMATION RECEIVED FROM ANOTHER STATE AGENCY; CONFIDENTIALITY. (a) To perform its duties under this chapter, the council may request and receive information in the possession of any state agency. In addition to the restriction imposed by Subsection (b), information provided to the council under this subsection is subject to any restriction on disclosure or use of the information that is imposed by law on the agency from which the council obtained the information.
(b) Information in the possession of the council that identifies a patient or that is otherwise confidential under law is confidential, is excepted from required public disclosure under Chapter 552, Government Code, and may not be disclosed for any purpose.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 25.01, eff. Sept. 1, 1999.

CHAPTER 94. STATE PLAN FOR HEPATITIS C; EDUCATION AND PREVENTION PROGRAM

Sec. 94.001. STATE PLAN FOR HEPATITIS C. (a) The department shall develop a state plan for prevention and treatment of hepatitis C. The plan must include strategies for prevention and treatment of hepatitis C in specific demographic groups that are disproportionately affected by hepatitis C, including persons infected with HIV, veterans, racial or ethnic minorities that suffer a higher incidence of hepatitis C, and persons who engage in high risk behavior, such as intravenous drug use.

(b) In developing the plan, the department shall seek the input of:

(1) the public, including members of the public that have hepatitis C;

(2) each state agency that provides services to persons with hepatitis C or the functions of which otherwise involve hepatitis C, including any appropriate health and human services agency described by Section 531.001, Government Code;

(3) any advisory body that addresses issues related to hepatitis C;

(4) public advocates concerned with issues related to hepatitis C; and

(5) providers of services to persons with hepatitis C.

(c) The department shall update the state plan developed under this section biennially.

Added by Acts 2001, 77th Leg., ch. 918, Sec. 1, eff. June 14, 2001. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1050 (S.B. 71), Sec. 10, eff. September 1, 2011.

Acts 2011, 82nd Leg., R.S., Ch. 1083 (S.B. 1179), Sec. 13, eff.
Sec. 94.002. HEPATITIS C EDUCATION AND PREVENTION PROGRAM. (a) The department shall develop a program to heighten awareness and enhance knowledge and understanding of hepatitis C. The department shall:

(1) conduct a seroprevalence study to estimate the current and future impact of hepatitis C on the state;

(2) conduct health education, public awareness, and community outreach activities to promote public awareness and knowledge about the risk factors, the value of early detection, available screening services, and the options available for the treatment of hepatitis C;

(3) provide training to public health clinic staff regarding the treatment, detection, and methods of transmission of hepatitis C;

(4) identify to health care providers and employers the benefits of disease awareness and prevention; and

(5) develop a prevention program to reduce the risk of transmission of hepatitis C.

(b) In developing the prevention program required by Subsection (a)(5), the department may forecast the economic and clinical impacts of hepatitis C and the impact of hepatitis C on quality of life. The department may develop the forecasts in conjunction with an academic medical center or a nonprofit institution with experience using disease management prospective modeling and simulation techniques.

Sec. 94.003. DEPARTMENT VOLUNTARY TESTING PROGRAMS. (a) The department shall establish voluntary hepatitis C testing programs to be performed at facilities providing voluntary HIV testing under Section 85.082 in each public health region to make confidential counseling and testing available.

(b) The department may contract with public and private entities to perform the testing as necessary according to local
circumstances.

(c) The results of a test conducted by a testing program or department program under this section may not be used for insurance purposes, to screen or determine suitability for employment, or to discharge a person from employment.

(d) A person who intentionally violates Subsection (c) is liable to a person injured by the violation. The injured person may bring a civil action for damages and may recover for each violation from a person who violates Subsection (c):

1. the greater of $1,000 or actual damages; and
2. reasonable attorney's fees.

(e) In addition to the remedies provided by Subsection (d), the person may bring an action to restrain a violation or threatened violation of Subsection (c).

Sec. 94.004. TRAINING OF COUNSELORS. (a) The department shall develop and offer a training course for persons providing hepatitis C counseling. The training course must include information relating to the special needs of persons with positive hepatitis C test results, including the importance of early intervention and treatment and recognition of psychosocial needs.

(b) The department shall maintain a registry of persons who successfully complete the training course.

(c) The department may charge a fee for the course to persons other than employees of entities receiving state or federal funds for hepatitis C counseling and testing programs through a contract with the department. The board shall set the fee in an amount necessary to cover the costs of providing the course.

(d) The department may contract for the training of counselors.

SUBCHAPTER A. RISK ASSESSMENT FOR TYPE 2 DIABETES

Sec. 95.001. DEFINITIONS. In this subchapter:

(1) "Acanthosis nigricans" means a light brown or black velvety, rough, or thickened area on the surface of the skin that may signal high insulin levels indicative of insulin resistance.

(2) "Advisory committee" means the Type 2 Diabetes Risk Assessment Program Advisory Committee established under Section 95.006.

(3) "Council" means the Texas Diabetes Council.

(4) "Office" means The University of Texas-Pan American Border Health Office.

(5) "Professional examination" means an evaluation performed by an appropriately licensed professional.

(6) "School" means an educational institution that admits children who are five years of age or older but younger than 21 years of age.

Added by Acts 2001, 77th Leg., ch. 1465, Sec. 1, eff. Sept. 1, 2001. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 504 (S.B. 415), Sec. 2, eff. September 1, 2007.

Acts 2007, 80th Leg., R.S., Ch. 504 (S.B. 415), Sec. 6, eff. September 1, 2007.

Acts 2011, 82nd Leg., R.S., Ch. 392 (S.B. 510), Sec. 3, eff. September 1, 2011.

Sec. 95.002. TYPE 2 DIABETES EDUCATION AND RISK ASSESSMENT PROGRAM. (a) The office shall administer a risk assessment program for Type 2 diabetes in accordance with this chapter.

(b) The office, after reviewing recommendations made by the advisory committee, by rule shall coordinate the risk assessment for Type 2 diabetes of individuals who attend public or private schools located in Texas Education Agency Regional Education Service Centers 1, 2, 3, 4, 10, 11, 13, 15, 18, 19, and 20 and, by using existing funding as efficiently as possible or by using other available funding, in additional regional education service centers.

(c) The rules must include procedures necessary to administer the risk assessment program, including procedures that require each school to record and report risk assessment activities using:
(1) an existing database used to administer and track risk assessment data; or
(2) widely accepted surveillance software selected by the office.

(d) The office shall require a risk assessment for Type 2 diabetes to be performed at the same time hearing and vision screening is performed under Chapter 36 or spinal screening is performed under Chapter 37. The risk assessment for Type 2 diabetes should:

(1) identify students with acanthosis nigricans; and
(2) further assess students identified under Subdivision (1) to determine the students':
   (A) body mass index; and
   (B) blood pressure.

(e) The office may:

(1) coordinate the risk assessment for Type 2 diabetes activities of school districts, private schools, state agencies, volunteer organizations, universities, and other entities so that the efforts of each entity are complementary and not fragmented and duplicative; and
(2) provide technical assistance to those entities in developing risk assessment programs.

(f) The office shall:

(1) provide educational and other material to assist local risk assessment activities;
(2) monitor the quality of risk assessment activities provided under this chapter; and
(3) consult with the Board of Nurse Examiners to determine the training requirements necessary for a nurse or other person to conduct risk assessment activities under this chapter.

(g) The office shall provide on the office's Internet website information on obesity, Type 2 diabetes, and related conditions to health care providers and update the information at least annually.

Acts 2007, 80th Leg., R.S., Ch. 504 (S.B. 415), Sec. 3, eff. September 1, 2007.
Sec. 95.003. COMPLIANCE WITH RISK ASSESSMENT REQUIREMENTS. (a) Each individual required by rules adopted under this chapter to be assessed shall undergo approved risk assessment for Type 2 diabetes. The individual shall comply with the requirements as soon as possible after the individual's admission to a school and as required by rule. The individual or, if the individual is a minor, the minor's parent, managing conservator, or guardian may substitute a professional examination for the risk assessment.

(b) An individual is exempt from risk assessment if risk assessment conflicts with the tenets and practices of a recognized church or religious denomination of which the individual is an adherent or a member. To qualify for the exemption, the individual or, if the individual is a minor, the individual's parent, managing conservator, or guardian must submit to the chief administrator of the school on or before the day of the risk assessment process an affidavit stating the objections to the risk assessment.

(c) The chief administrator of each school shall ensure that each individual admitted to the school complies with the risk assessment requirements set by the office or submits an affidavit of exemption.

Added by Acts 2001, 77th Leg., ch. 1465, Sec. 1, eff. Sept. 1, 2001. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 504 (S.B. 415), Sec. 3, eff. September 1, 2007.

Sec. 95.004. RECORDS; REPORTS. (a) The chief administrator of each school shall maintain, on a form prescribed by the office, risk assessment records for each individual in attendance and enter the risk assessment information for each individual on the surveillance software selected by the office. The risk assessment records are open for inspection by the office or the local health department.

(b) The office may, directly or through local health departments, enter a school and inspect records maintained by the school relating to risk assessment for Type 2 diabetes.

(c) An individual's risk assessment records may be transferred among schools without the consent of the individual or, if the
individual is a minor, the minor's parent, managing conservator, or guardian.

(d) The person performing the risk assessment shall send a report indicating that an individual may be at risk for developing Type 2 diabetes to the individual or, if the individual is a minor, the minor's parent, managing conservator, or guardian. The report must include:

1. an explanation of:
   A. the process for assessing risk for developing Type 2 diabetes;
   B. the reasons the individual was identified in the risk assessment process as being at risk for developing Type 2 diabetes;
   C. the risk factors associated with developing Type 2 diabetes; and
   D. the individual's body mass index;

2. a statement concerning an individual's or family's need for further evaluation for Type 2 diabetes and related conditions;

3. instructions to help the individual or family receive evaluation by a physician or other health care provider; and

4. information on procedures for applying for the state child health plan program and the state Medicaid program.

(e) Each school shall submit to the office an annual report on the risk assessment status of the individuals in attendance during the reporting year and shall include in the report any other information required by the office.

(f) The report required under Subsection (e) must:

1. be compiled from the information entered into the surveillance software;

2. be on a form prescribed by the office; and

3. be submitted according to the timetable established by the office's rules.

(g) After the end of the reporting period under Subsection (e), the office shall:

1. analyze and compile a summary of the reports submitted by schools during that reporting period;

2. file a copy of the summary with the advisory committee; and

3. post on an Internet website accessible to each school required to submit a report under Subsection (e):
(A) the number of students and the percentage of the student population identified by each of those schools during the reporting period as at risk for Type 2 diabetes; and

(B) comparison data and analyses regarding the information required to be reported under that subsection.

(h) The office shall deliver to the chief administrator of each school and the school nurse or other person responsible for conducting risk assessment activities for the school under this chapter an annual summary compilation of the reports submitted by schools under Subsection (e).

(i) Not later than January 15 of each odd-numbered year, the office shall submit to the governor and the legislature a report relating to the implementation and effectiveness of the Type 2 diabetes risk assessment program established by this chapter that includes a detailed description of the expenses related to the program.

Added by Acts 2001, 77th Leg., ch. 1465, Sec. 1, eff. Sept. 1, 2001. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 504 (S.B. 415), Sec. 3, eff. September 1, 2007.

Sec. 95.005. GIFTS AND GRANTS. The office may accept gifts, grants, and donations to support the Type 2 diabetes risk assessment program conducted under this chapter.

Added by Acts 2007, 80th Leg., R.S., Ch. 504 (S.B. 415), Sec. 4, eff. September 1, 2007.

Sec. 95.006. ADVISORY COMMITTEE. (a) The Type 2 Diabetes Risk Assessment Program Advisory Committee is established to advise the office on the Type 2 diabetes risk assessment program conducted under this chapter.

(b) The advisory committee is composed of:

(1) the following representatives appointed by the executive director of the office:

(A) one representative of the office;

(B) one representative of the Texas Education Agency;

(C) one representative of the Texas Pediatric Society;
(D) one representative of the American Diabetes Association;

(E) one school nurse representative from an urban school located within the boundaries of a regional education service center;

(F) one parent or guardian of a child who resides within the boundaries of a regional education service center; and

(G) one person with knowledge and experience in health care in school settings; and

(2) the following representatives appointed by the chairman of the council:

(A) one representative of the council;

(B) one representative of the Texas Medical Association;

(C) one school district administrator representative from a school district located within the boundaries of a regional education service center;

(D) one school principal representative from a school district located within the boundaries of a regional education service center; and

(E) one school nurse representative from a rural school located within the boundaries of a regional education service center.

(c) A person may not be a member of the advisory committee if the person is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a health care profession or related business or another profession related to the operation of the council.

(d) The representative of the office appointed under Subsection (b)(1)(A) shall serve as the presiding officer of the advisory committee.

(e) The advisory committee shall meet at least twice a year and at other times at the call of the presiding officer. The advisory committee may meet by teleconference if an in-person meeting of all the members is not practicable.

(f) Members of the advisory committee may not receive compensation for service on the committee. An advisory committee member is entitled to reimbursement of travel expenses incurred by the member while conducting the business of the advisory committee to the extent that funds are available to the office for that purpose.

(g) Chapter 2110, Government Code, does not apply to the size,
composition, or duration of the advisory committee.

(h) The advisory committee shall:

(1) recommend the person who should be responsible for conducting risk assessment activities under this chapter for schools that do not employ a school nurse;

(2) advise the office on the age groups that would benefit most from the risk assessment activities under this chapter;

(3) recommend a method to record and report the number of children who are identified in the risk assessment process as being at risk for having or developing Type 2 diabetes and who qualify for the national free or reduced-price lunch program established under 42 U.S.C. Section 1751 et seq.;

(4) recommend a deadline, which may not be later than the first anniversary of the date the advisory committee submits a recommendation to the office under this section, by which the office shall implement the advisory committee's recommended risk assessment activities, surveillance methods, reports, and quality improvements;

(5) contribute to the state plan for diabetes treatment developed by the council under Section 103.013 by providing statistics and information on the risk assessment activities conducted under this chapter and recommendations for assisting children in this state at risk for developing Type 2 diabetes; and

(6) recommend any additional information to be included in the report required by Section 95.004.

(i) The advisory committee shall submit to the office a report of the recommendations developed under Subsection (h) not later than September 1 of each even-numbered year. The office, subject to the availability of funds, shall implement each advisory committee recommendation concerning the Type 2 diabetes risk assessment program.

(j) In this section, "regional education service center" means a Texas Education Agency Regional Education Service Center listed in Section 95.002(b).

Added by Acts 2007, 80th Leg., R.S., Ch. 504 (S.B. 415), Sec. 4, eff. September 1, 2007.
Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1049 (S.B. 5), Sec. 5.02, eff. June 17, 2011.
SUBCHAPTER B. DIABETES MELLITUS REGISTRY

Sec. 95.051. DEFINITIONS. In this subchapter:

(1) "Department" means the Department of State Health Services.

(2) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(3) "Public health district" means a district created under Chapter 121.

Added by Acts 2011, 82nd Leg., R.S., Ch. 392 (S.B. 510), Sec. 4, eff. September 1, 2011.

Sec. 95.052. APPLICABILITY OF SUBCHAPTER. This subchapter applies only to a public health district that serves a county that has a population of more than 1.5 million and in which more than 75 percent of the population lives in a single municipality.

Added by Acts 2011, 82nd Leg., R.S., Ch. 392 (S.B. 510), Sec. 4, eff. September 1, 2011.

Sec. 95.053. DIABETES MELLITUS REGISTRY. (a) The department, in coordination with participating public health districts, shall create and maintain an electronic diabetes mellitus registry to track the glycosylated hemoglobin level of each person who has a laboratory test to determine that level performed at a clinical laboratory in the participating district.

(b) A public health district may participate in the diabetes mellitus registry. A public health district that participates in the registry is solely responsible for the costs of establishing and administering the program in that district.

(c) Except as provided by Subsection (d), a physician practicing in a participating public health district who, on or after November 1, 2011, orders a glycosylated hemoglobin test for a patient shall submit to a clinical laboratory located in the participating public health district the diagnosis codes of a patient along with the patient's sample. The clinical laboratory shall submit to the district for a patient whose diagnosis codes were submitted with the patient's sample the results of the patient's glycosylated hemoglobin test along with the diagnosis codes provided by the physician for
that patient.

(d) A physician who orders a glycosylated hemoglobin test for a patient must provide the patient with a form developed by the department that allows the patient to opt out of having the patient's information included in the registry. If the patient opts out by signing the form, the physician:

(1) shall keep the form in the patient's medical records; and

(2) may not submit to the clinical laboratory the patient's diagnosis codes along with the patient's sample.

(e) The participating public health districts shall:

(1) compile results submitted under Subsection (c) in order to track:

(A) the prevalence of diabetes mellitus among people tested in the district;

(B) the level of diabetic control for the patients with diabetes mellitus in each demographic group;

(C) the trends of new diagnoses of diabetes mellitus in the district; and

(D) the health care costs associated with diabetes mellitus and glycosylated hemoglobin testing; and

(2) provide the department with de-identified aggregate data.

(f) The department and participating public health districts shall promote discussion and public information programs regarding diabetes mellitus.

Added by Acts 2011, 82nd Leg., R.S., Ch. 392 (S.B. 510), Sec. 4, eff. September 1, 2011.

Sec. 95.054. CONFIDENTIALITY. Reports, records, and information obtained under this subchapter are not public health information under Chapter 552, Government Code, and are subject to the confidentiality requirements described by Section 81.046.

Added by Acts 2011, 82nd Leg., R.S., Ch. 392 (S.B. 510), Sec. 4, eff. September 1, 2011.

Sec. 95.055. RULES. The executive commissioner shall adopt
rules to implement this subchapter, including rules to govern the format and method of collecting glycosylated hemoglobin data.

Added by Acts 2011, 82nd Leg., R.S., Ch. 392 (S.B. 510), Sec. 4, eff. September 1, 2011.

Sec. 95.056. REPORT. Not later than December 1 of each even-numbered year, the department shall submit to the governor, lieutenant governor, speaker of the house of representatives, and appropriate standing committees of the legislature a report regarding the diabetes mellitus registry that includes an evaluation of the effectiveness of the registry and the number of public health districts voluntarily participating in the registry.

Added by Acts 2011, 82nd Leg., R.S., Ch. 392 (S.B. 510), Sec. 4, eff. September 1, 2011.

CHAPTER 95A. REPORTS ON PREVENTION AND TREATMENT OF DIABETES

Sec. 95A.001. DEFINITIONS. In this chapter:

(1) "Commission" means the Health and Human Services Commission.

(2) "Council" means the Texas Diabetes Council.

Added by Acts 2011, 82nd Leg., R.S., Ch. 409 (S.B. 796), Sec. 1, eff. September 1, 2011.

Sec. 95A.002. BIENNIAL REPORT ON COMMISSION'S PRIORITIES FOR ADDRESSING DIABETES. (a) The commission, in coordination with the council, shall prepare a biennial report that identifies the commission's priorities for addressing diabetes within the Medicaid population.

(b) Not later than December 1 of each even-numbered year, the commission shall submit the report to the legislature and the governor.

Added by Acts 2011, 82nd Leg., R.S., Ch. 409 (S.B. 796), Sec. 1, eff. September 1, 2011.
CHAPTER 96. RESPIRATORY SYNCYTIAL VIRUS

Sec. 96.001. DEFINITIONS. In this chapter:

(1) "Department" means the Department of State Health Services.

(2) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(3) "Health facility" includes:

(A) a general or special hospital licensed by the department under Chapter 241;
(B) a physician-owned or physician-operated clinic;
(C) a publicly or privately funded medical school;
(D) a state hospital or state school maintained and managed by the Department of State Health Services or the Department of Aging and Disability Services;
(E) a public health clinic conducted by a local health unit, health department, or public health district organized and recognized under Chapter 121; and
(F) another facility specified by a rule adopted by the executive commissioner.

(4) "Local health unit" has the meaning assigned by Section 121.004.

(5) "RSV" means respiratory syncytial virus.

Added by Acts 2005, 79th Leg., Ch. 152 (H.B. 1677), Sec. 1, eff. September 1, 2005.

Sec. 96.002. CONFIDENTIALITY. (a) Except as specifically authorized by this chapter, reports, records, and information furnished to a department employee or to an authorized agent of the department that relate to cases or suspected cases of a health condition are confidential and may be used only for the purposes of this chapter.

(b) Reports, records, and information relating to cases or suspected cases of health conditions are not public information under Chapter 552, Government Code, and may not be released or made public on subpoena or otherwise except as provided by this chapter.

(c) The department may release medical, epidemiological, or toxicological information:

(1) for statistical purposes, if released in a manner that
prevents the identification of any person;

(2) to medical personnel, appropriate state agencies, health authorities, regional directors, and public officers of counties and municipalities as necessary to comply with this chapter and rules relating to the identification, monitoring, and referral of children with RSV; or

(3) to appropriate federal agencies, such as the Centers for Disease Control and Prevention of the United States Public Health Service.

Added by Acts 2005, 79th Leg., Ch. 152 (H.B. 1677), Sec. 1, eff. September 1, 2005.

Sec. 96.003. LIMITATION OF LIABILITY. A health professional, a health facility, or an administrator, officer, or employee of a health facility subject to this chapter is not civilly or criminally liable for divulging information required to be released under this chapter, except in a case of gross negligence or wilful misconduct.

Added by Acts 2005, 79th Leg., Ch. 152 (H.B. 1677), Sec. 1, eff. September 1, 2005.

Sec. 96.004. COOPERATION OF GOVERNMENTAL ENTITIES. Another state board, commission, agency, or governmental entity capable of assisting the department in carrying out the intent of this chapter shall cooperate with the department and furnish expertise, services, and facilities to the sentinel surveillance program.

Added by Acts 2005, 79th Leg., Ch. 152 (H.B. 1677), Sec. 1, eff. September 1, 2005.

Sec. 96.005. SENTINEL SURVEILLANCE PROGRAM. (a) The executive commissioner shall establish in the department a program to:

(1) identify by sentinel surveillance RSV infection in children; and

(2) maintain a central database of laboratory-confirmed cases of RSV that can be used to investigate the incidence, prevalence, and trends of RSV.
(b) In establishing the sentinel surveillance program for RSV, the executive commissioner shall consider:
   (1) the number and geographic distribution of children in the state;
   (2) the location of health facilities that collect RSV information locally; and
   (3) the use of existing data collected by health facilities.
(c) The executive commissioner shall adopt rules to govern the operation of the program and carry out the intent of this chapter, including rules that specify a system for selecting the demographic areas in which the department collects information.

Added by Acts 2005, 79th Leg., Ch. 152 (H.B. 1677), Sec. 1, eff. September 1, 2005.

Sec. 96.006. DATA COLLECTION. (a) To ensure an accurate source of data, the executive commissioner may require a health facility or health professional to make available for review by the department or by an authorized agent medical records or other information that is in the facility's or professional's custody or control and that relates to an occurrence of RSV.

(b) The executive commissioner by rule shall prescribe the manner in which data are reported to the department.

Added by Acts 2005, 79th Leg., Ch. 152 (H.B. 1677), Sec. 1, eff. September 1, 2005.

Sec. 96.007. DATABASE. (a) Information collected and analyzed by the department or an authorized agent under this chapter may be placed in a central database to facilitate information sharing and provider education.

(b) The department may use the database to:
   (1) design and evaluate measures to prevent the occurrence of RSV and other health conditions; and
   (2) provide information and education to providers on the incidence of RSV infection.

Added by Acts 2005, 79th Leg., Ch. 152 (H.B. 1677), Sec. 1, eff.
September 1, 2005.

CHAPTER 97. ARTHRITIS CONTROL AND PREVENTION

Sec. 97.001. DEFINITIONS. In this chapter:

(1) "Arthritis" means a rheumatic disease consisting of the chronic inflammation of joints, muscles, or connective tissue.

(2) "Program" means the arthritis control and prevention program.

Added by Acts 2005, 79th Leg., Ch. 326 (S.B. 691), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 96.001 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(45), eff. September 1, 2007.

Sec. 97.002. ARTHRITIS CONTROL AND PREVENTION PROGRAM. To the extent that money has been appropriated or is otherwise available, the department shall develop and implement an arthritis control and prevention program to:

(1) heighten awareness and enhance knowledge and understanding of arthritis among consumers, health professionals, teachers, and human services providers; and

(2) work to increase and improve community-based services available to persons with arthritis and their families.

Added by Acts 2005, 79th Leg., Ch. 326 (S.B. 691), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 96.002 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(45), eff. September 1, 2007.

Sec. 97.003. NEEDS ASSESSMENT. As part of the program, the department shall work with public and private organizations to assess the current status of arthritis, considering information such as:

(1) mortality and morbidity;

(2) public and professional awareness; and

(3) educational needs for and support services available to people with arthritis.
Sec. 97.004. PUBLIC AWARENESS. (a) The department through the program shall work with public and private organizations to raise public awareness of:

(1) the causes and nature of arthritis;
(2) personal risk factors;
(3) the value of prevention and early detection;
(4) ways to minimize preventable pain; and
(5) options for diagnosing and treating arthritis.

(b) The department may use strategies, including strategies consistent with the National Arthritis Action Plan and other state arthritis planning efforts to heighten public awareness under Subsection (a).

Sec. 97.005. TECHNICAL ASSISTANCE. In implementing the program, the department may:

(1) identify, replicate, and use successful evidence-based arthritis programs; and
(2) obtain relevant materials and services from organizations with appropriate expertise and knowledge of arthritis.

Added by Acts 2005, 79th Leg., Ch. 326 (S.B. 691), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 96.003 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(45), eff. September 1, 2007.
Sec. 97.006. ADMINISTRATIVE PROVISIONS. (a) The department may enter into contracts or agreements as necessary to carry out this chapter. The contracts or agreements may provide for payment by the state for materials, equipment, and services.

(b) The department may seek, receive, and spend any money received through appropriations, grants, donations, or contributions from public or private sources to develop and implement the program.

(c) The department shall provide and train staff to implement the program.

Added by Acts 2005, 79th Leg., Ch. 326 (S.B. 691), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 96.006 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(45), eff. September 1, 2007.

Sec. 97.007. ARTHRITIS ADVISORY COMMITTEE. (a) The department shall establish and coordinate the Arthritis Advisory Committee. The committee consists of members appointed by the commissioner, including:

(1) persons with arthritis;
(2) public health educators or other persons knowledgeable in health education;
(3) medical experts on arthritis;
(4) providers of arthritis health care; and
(5) representatives of national arthritis organizations and their local chapters.

(b) The committee shall advise the department on developing and implementing the program.

(c) A member of the committee receives no additional compensation for serving on the committee and may not be reimbursed for travel or other expenses incurred while conducting the business of the committee.

(d) The committee is not subject to Chapter 2110, Government Code.

Added by Acts 2005, 79th Leg., Ch. 326 (S.B. 691), Sec. 1, eff. September 1, 2005.
Renumbered from Health and Safety Code, Section 96.007 by Acts 2007, 80th Leg., R.S., Ch. 921 (H.B. 3167), Sec. 17.001(45), eff. September
CHAPTER 98.  REPORTING OF HEALTH CARE-ASSOCIATED INFECTIONS AND PREVENTABLE ADVERSE EVENTS

SUBCHAPTER A.  GENERAL PROVISIONS

Sec. 98.001.  DEFINITIONS.  In this chapter:

(1) "Advisory panel" means the Advisory Panel on Health Care-Associated Infections and Preventable Adverse Events.

(2) "Ambulatory surgical center" means a facility licensed under Chapter 243.

(3) "Commissioner" means the commissioner of state health services.

(4) "Department" means the Department of State Health Services.

(5) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(6) "General hospital" means a general hospital licensed under Chapter 241 or a hospital that provides surgical or obstetrical services and that is maintained or operated by this state.  The term does not include a comprehensive medical rehabilitation hospital.

(7) "Health care-associated infection" means a localized or symptomatic condition resulting from an adverse reaction to an infectious agent or its toxins to which a patient is exposed in the course of the delivery of health care to the patient.

(8) "Health care facility" means a general hospital or an ambulatory surgical center.

(8-a) "Health care professional" means an individual licensed, certified, or otherwise authorized to administer health care, for profit or otherwise, in the ordinary course of business or professional practice.  The term does not include a health care facility.

(9) "Infection rate" means the number of health care-associated infections of a particular type at a health care facility divided by a numerical measure over time of the population at risk for contracting the infection, unless the term is modified by rule of the executive commissioner to accomplish the purposes of this chapter.

(10) "Pediatric and adolescent hospital" has the meaning assigned by Section 241.003.
(10-a) "Potentially preventable complication" and "potentially preventable readmission" have the meanings assigned by Section 1002.001, Health and Safety Code.

(11) "Reporting system" means the Texas Health Care-Associated Infection and Preventable Adverse Events Reporting System.

(12) "Special care setting" means a unit or service of a general hospital that provides treatment to inpatients who require extraordinary care on a concentrated and continuous basis. The term includes an adult intensive care unit, a burn intensive care unit, and a critical care unit.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.
Amended by:
   Acts 2009, 81st Leg., R.S., Ch. 724 (S.B. 203), Sec. 2(b), eff. September 1, 2009.
   Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 6.01, eff. September 28, 2011.

Sec. 98.002. APPLICABILITY OF OTHER LAW. Chapter 2110, Government Code, does not apply to the advisory panel created under Subchapter B.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.

SUBCHAPTER B. ADVISORY PANEL

Sec. 98.051. ESTABLISHMENT. The commissioner shall establish the Advisory Panel on Health Care-Associated Infections and Preventable Adverse Events within the department to guide the implementation, development, maintenance, and evaluation of the reporting system. The commissioner may establish one or more subcommittees to assist the advisory panel in addressing health care-associated infections and preventable adverse events relating to hospital care provided to children or other special patient populations.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.
Sec. 98.052. MEMBERSHIP; TERM. (a) The advisory panel is composed of 18 members as follows:
   (1) two infection control professionals who:
       (A) are certified by the Certification Board of Infection Control and Epidemiology; and
       (B) are practicing in hospitals in this state, at least one of which must be a rural hospital;
   (2) two infection control professionals who:
       (A) are certified by the Certification Board of Infection Control and Epidemiology; and
       (B) are nurses licensed to engage in professional nursing under Chapter 301, Occupations Code;
   (3) three board-certified or board-eligible physicians who:
       (A) are licensed to practice medicine in this state under Chapter 155, Occupations Code, at least two of whom have active medical staff privileges at a hospital in this state and at least one of whom is a pediatric infectious disease physician with expertise and experience in pediatric health care epidemiology;
       (B) are active members of the Society for Healthcare Epidemiology of America; and
       (C) have demonstrated expertise in quality assessment and performance improvement or infection control in health care facilities;
   (4) four additional professionals in quality assessment and performance improvement;
   (5) one officer of a general hospital;
   (6) one officer of an ambulatory surgical center;
   (7) three nonvoting members who are department employees representing the department in epidemiology and the licensing of hospitals or ambulatory surgical centers; and
   (8) two members who represent the public as consumers.

(b) Members of the advisory panel serve two-year terms.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.
Sec. 98.053. MEMBER ELIGIBILITY. (a) A person may not be a member of the advisory panel if the person is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a profession related to health care.

(b) A person may not be a member of the advisory panel if the person is an officer, employee, or paid consultant of a Texas trade association in the field of health care.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.

Sec. 98.054. OFFICERS. The members of the advisory panel shall elect a presiding officer and an assistant presiding officer from among the members. The officers serve two-year terms.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.

Sec. 98.055. COMPENSATION; EXPENSES. Members of the advisory panel serve without compensation but are entitled to reimbursement of the travel expenses incurred by the member while conducting the business of the advisory panel from department funds, in accordance with the General Appropriations Act.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.

Sec. 98.056. VACANCY. A vacancy on the advisory panel shall be filled by the commissioner.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.
SEC. 98.101. RULEMAKING. (a) The executive commissioner may adopt rules for the department to implement this chapter.
(b) The executive commissioner may not adopt rules that conflict with or duplicate any federally mandated infection reporting program or requirement.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.

SEC. 98.102. DEPARTMENTAL RESPONSIBILITIES; REPORTING SYSTEM.
(a) The department shall establish the Texas Health Care-Associated Infection and Preventable Adverse Events Reporting System within the department. The purpose of the reporting system is to provide for:
(1) the reporting of health care-associated infections by health care facilities to the department;
(2) the reporting of health care-associated preventable adverse events by health care facilities to the department;
(3) the public reporting of information regarding the health care-associated infections by the department;
(4) the public reporting of information regarding health care-associated preventable adverse events by the department; and
(5) the education and training of health care facility staff by the department regarding this chapter.
(b) The reporting system shall provide a mechanism for this state to collect data, at state expense, through a secure electronic interface with health care facilities.
(c) The data reported by health care facilities to the department must contain sufficient patient identifying information to:
(1) avoid duplicate submission of records;
(2) allow the department to verify the accuracy and completeness of the data reported; and
(3) for data reported under Section 98.103, allow the department to risk adjust the facilities' infection rates.
(d) The department shall review the infection control and
Sec. 98.103. REPORTABLE INFECTIONS. (a) A health care facility, other than a pediatric and adolescent hospital, shall report to the department the incidence of surgical site infections, including the causative pathogen if the infection is laboratory-confirmed, occurring in the following procedures:

(1) colon surgeries;
(2) hip arthroplasties;
(3) knee arthroplasties;
(4) abdominal hysterectomies;
(5) vaginal hysterectomies;
(6) coronary artery bypass grafts; and
(7) vascular procedures.

(b) A pediatric and adolescent hospital shall report the incidence of surgical site infections, including the causative pathogen if the infection is laboratory-confirmed, occurring in the following procedures to the department:

(1) cardiac procedures, excluding thoracic cardiac procedures;
(2) ventricular shunt procedures; and
(3) spinal surgery with instrumentation.

(c) A general hospital shall report the following to the department:

(1) the incidence of laboratory-confirmed central line-associated primary bloodstream infections, including the causative pathogen, occurring in any special care setting in the hospital; and
(2) the incidence of respiratory syncytial virus occurring in any pediatric inpatient unit in the hospital.
(d) The department shall ensure that the health care-associated infections a health care facility is required to report under this section have the meanings assigned by the federal Centers for Disease Control and Prevention.

(d-1) The executive commissioner by rule may designate the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor, to receive reports of health care-associated infections from health care facilities on behalf of the department. A health care facility must file a report required in accordance with a designation made under this subsection in accordance with the National Healthcare Safety Network's definitions, methods, requirements, and procedures. A health care facility shall authorize the department to have access to facility-specific data contained in a report filed with the National Healthcare Safety Network in accordance with a designation made under this subsection.

(e) A report made under this section must specify whether the infection resulted in the death of the patient while hospitalized.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.
Amended by:
   Acts 2009, 81st Leg., R.S., Ch. 369 (H.B. 1362), Sec. 2, eff. June 19, 2009.
   Acts 2009, 81st Leg., R.S., Ch. 724 (S.B. 203), Sec. 1, eff. September 1, 2009.
   Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 6.03, eff. September 28, 2011.
   Acts 2013, 83rd Leg., R.S., Ch. 1072 (H.B. 3285), Sec. 1, eff. September 1, 2013.

Sec. 98.1045. REPORTING OF PREVENTABLE ADVERSE EVENTS. (a) Each health care facility shall report to the department the occurrence of any of the following preventable adverse events involving the facility's patient:

(1) a health care-associated adverse condition or event for which the Medicare program will not provide additional payment to the facility under a policy adopted by the federal Centers for Medicare and Medicaid Services; and
(2) subject to Subsection (b), an event included in the list of adverse events identified by the National Quality Forum that is not included under Subdivision (1).

(b) The executive commissioner may exclude an adverse event described by Subsection (a)(2) from the reporting requirement of Subsection (a) if the executive commissioner, in consultation with the advisory panel, determines that the adverse event is not an appropriate indicator of a preventable adverse event.

(c) The executive commissioner by rule may designate an agency of the United States Department of Health and Human Services to receive reports of preventable adverse events by health care facilities on behalf of the department. A health care facility shall authorize the department to have access to facility-specific data contained in a report made in accordance with a designation made under this subsection.

Added by Acts 2009, 81st Leg., R.S., Ch. 724 (S.B. 203), Sec. 2(f), eff. September 1, 2009.
Amended by:
Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 6.04, eff. September 28, 2011.

Sec. 98.1046. PUBLIC REPORTING OF CERTAIN POTENTIALLY PREVENTABLE EVENTS FOR HOSPITALS. (a) In consultation with the Texas Institute of Health Care Quality and Efficiency under Chapter 1002, the department, using data submitted under Chapter 108, shall publicly report for hospitals in this state risk-adjusted outcome rates for those potentially preventable complications and potentially preventable readmissions that the department, in consultation with the institute, has determined to be the most effective measures of quality and efficiency.

(b) The department shall make the reports compiled under Subsection (a) available to the public on the department's Internet website.

(c) The department may not disclose the identity of a patient or health care professional in the reports authorized in this section.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 6.05, eff. September 28, 2011.
Sec. 98.1047. STUDIES ON LONG-TERM CARE FACILITY REPORTING OF ADVERSE HEALTH CONDITIONS. (a) In consultation with the Texas Institute of Health Care Quality and Efficiency under Chapter 1002, the department shall study which adverse health conditions commonly occur in long-term care facilities and, of those health conditions, which are potentially preventable.

(b) The department shall develop recommendations for reporting adverse health conditions identified under Subsection (a).

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 6.05, eff. September 28, 2011.

Sec. 98.105. REPORTING SYSTEM MODIFICATIONS. Based on the recommendations of the advisory panel, the executive commissioner by rule may modify in accordance with this chapter the list of procedures that are reportable under Section 98.103. The modifications must be based on changes in reporting guidelines and in definitions established by the federal Centers for Disease Control and Prevention.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.
Amended by:

Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 6.06, eff. September 28, 2011.

Sec. 98.106. DEPARTMENTAL SUMMARY. (a) The department shall compile and make available to the public a summary, by health care facility, of:

(1) the infections reported by facilities under Section 98.103, including whether the infections resulted in the death of the patient while hospitalized; and

(2) the preventable adverse events reported by facilities under Section 98.1045.

(b) Information included in the departmental summary with respect to infections reported by facilities under Section 98.103 must be risk adjusted and include a comparison of the risk-adjusted
infection rates for each health care facility in this state that is required to submit a report under Section 98.103.

(c) In consultation with the advisory panel, the department shall publish the departmental summary in a format that is easy to read.

(d) The department shall publish the departmental summary at least annually and may publish the summary more frequently as the department considers appropriate. Data made available to the public must include aggregate data covering a period of at least a full calendar quarter.

(e) The executive commissioner by rule shall allow a health care facility to submit concise written comments regarding information contained in the departmental summary that relates to the facility. The department shall attach the facility's comments to the public report and the comments must be in the same format as the summary.

(f) The disclosure of written comments to the department by a health care facility as provided by Subsection (e) does not constitute a waiver of a privilege or protection under Section 98.109.

(g) The department shall make the departmental summary available on an Internet website administered by the department and may make the summary available through other formats accessible to the public. The website must contain a statement informing the public of the option to report suspected health care-associated infections and preventable adverse events to the department.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.
Amended by:
   Acts 2009, 81st Leg., R.S., Ch. 724 (S.B. 203), Sec. 2(g), eff. September 1, 2009.
   Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 6.07, eff. September 28, 2011.
   Acts 2013, 83rd Leg., R.S., Ch. 1072 (H.B. 3285), Sec. 2, eff. September 1, 2013.
Institute of Health Care Quality and Efficiency under Chapter 1002, shall conduct a study on developing a recognition program to recognize exemplary health care facilities for superior quality of health care and make recommendations based on that study.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 6.08, eff. September 28, 2011.

Sec. 98.107. EDUCATION AND TRAINING REGARDING REPORTING SYSTEM. The department shall provide education and training for health care facility staff regarding this chapter. The training must be reasonable in scope and focus primarily on:

1. the implementation and management of a facility reporting mechanism;
2. characteristics of the reporting system, including public reporting by the department and facility reporting to the department;
3. confidentiality; and
4. legal protections.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.

Sec. 98.108. FREQUENCY OF REPORTING. (a) In consultation with the advisory panel, the executive commissioner by rule shall establish the frequency of reporting by health care facilities required under Sections 98.103 and 98.1045.

(b) Except as provided by Subsection (c), facilities may not be required to report more frequently than quarterly.

(c) The executive commissioner may adopt rules requiring reporting more frequently than quarterly if more frequent reporting is necessary to meet the requirements for participation in the federal Centers for Disease Control and Prevention's National Healthcare Safety Network.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 724 (S.B. 203), Sec. 2(h), eff.
Sec. 98.109. CONFIDENTIALITY; PRIVILEGE. (a) Except as provided by Sections 98.1046, 98.106, and 98.110, all information and materials obtained or compiled or reported by the department under this chapter or compiled or reported by a health care facility under this chapter, and all related information and materials, are confidential and:

(1) are not subject to disclosure under Chapter 552, Government Code, or discovery, subpoena, or other means of legal compulsion for release to any person; and

(2) may not be admitted as evidence or otherwise disclosed in any civil, criminal, or administrative proceeding.

(b) The confidentiality protections under Subsection (a) apply without regard to whether the information or materials are obtained from or compiled or reported by a health care facility or an entity that has an ownership or management interest in a facility.

(b-1) A state employee or officer may not be examined in a civil, criminal, or special proceeding, or any other proceeding, regarding the existence or contents of information or materials obtained, compiled, or reported by the department under this chapter.

(c) The transfer of information or materials under this chapter is not a waiver of a privilege or protection granted under law.

(d) The provisions of this section regarding the confidentiality of information or materials compiled or reported by a health care facility in compliance with or as authorized under this chapter do not restrict access, to the extent authorized by law, by the patient or the patient's legally authorized representative to records of the patient's medical diagnosis or treatment or to other primary health records.

(e) A department summary or disclosure may not contain information identifying a patient, employee, contractor, volunteer, consultant, health care professional, student, or trainee in connection with a specific incident.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.
Sec. 98.110. DISCLOSURE AMONG CERTAIN AGENCIES. (a) Notwithstanding any other law, the department may disclose information reported by health care facilities under Section 98.103 or 98.1045 to other programs within the department, to the Health and Human Services Commission, to other health and human services agencies, as defined by Section 531.001, Government Code, and to the federal Centers for Disease Control and Prevention, or any other agency of the United States Department of Health and Human Services, for public health research or analysis purposes only, provided that the research or analysis relates to health care-associated infections or preventable adverse events. The privilege and confidentiality provisions contained in this chapter apply to such disclosures.

(b) If the executive commissioner designates an agency of the United States Department of Health and Human Services to receive reports of health care-associated infections or preventable adverse events, that agency may use the information submitted for purposes allowed by federal law.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 724 (S.B. 203), Sec. 2(i), eff. September 1, 2009.
Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 6.10, eff. September 28, 2011.

Sec. 98.111. CIVIL ACTION. Published infection rates or preventable adverse events may not be used in a civil action to establish a standard of care applicable to a health care facility.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 724 (S.B. 203), Sec. 2(j), eff. September 1, 2009.

SUBCHAPTER D.  ENFORCEMENT

Sec. 98.151.  VIOLATIONS.  (a) Except as provided by Subsection (b), a general hospital that violates this chapter or a rule adopted under this chapter is subject to the enforcement provisions of Subchapter C, Chapter 241, and rules adopted and enforced under that subchapter as if the hospital violated Chapter 241 or a rule adopted under that chapter.

(b) Subsection (a) does not apply to a comprehensive medical rehabilitation hospital as defined in Section 241.003.

(c) An ambulatory surgical center that violates this chapter or a rule adopted under this chapter is subject to the enforcement provisions of Chapter 243 and rules adopted and enforced under that chapter as if the center violated Chapter 243 or a rule adopted under that chapter.

Added by Acts 2007, 80th Leg., R.S., Ch. 359 (S.B. 288), Sec. 1, eff. June 15, 2007.

SUBTITLE E. HEALTH CARE COUNCILS AND RESOURCE CENTERS

CHAPTER 101. TEXAS COUNCIL ON ALZHEIMER'S DISEASE AND RELATED DISORDERS

Sec. 101.001.  DEFINITIONS.  In this chapter:

(1) "Alzheimer's disease and related disorders support group" means a local, state, or national organization that:

(A) is established to provide support services to aid victims of Alzheimer's disease and related disorders and their caregivers;

(B) encourages research into the cause, prevention, treatment, and care of victims of Alzheimer's disease and related disorders; and

(C) is dedicated to the development of essential services for victims of Alzheimer's disease and related disorders and their caregivers.

(2) "Council" means the Texas Council on Alzheimer's Disease and Related Disorders.
"Primary family caregiver" means an individual who is a relative of a victim of Alzheimer's disease or related disorders, who has or has had a major responsibility for care and supervision of the victim, and who is not a professional health care provider paid to care for the victim.

Sec. 101.002. COMPOSITION OF COUNCIL. (a) The Texas Council on Alzheimer's Disease and Related Disorders is composed of:

(1) five public members, one of whom is an individual related to a victim of Alzheimer's disease or related disorders but who is not a primary family caregiver, one of whom is a primary family caregiver, two of whom are members of an Alzheimer's disease and related disorders support group, and one of whom is an interested citizen;

(2) seven professional members with special training and interest in Alzheimer's disease and related disorders, with one representative each from nursing homes, physicians, nurses, public hospitals, private hospitals, home health agencies, and faculty of institutions of higher education; and

(3) the chief executive officer or the officer's designated representative from the department, Texas Department on Aging, Texas Department of Human Services, Texas Department of Mental Health and Mental Retardation, and Long-Term Care Coordinating Council for the Elderly.

(b) The governor shall appoint two public members and two professional members, the lieutenant governor shall appoint two public members and two professional members, and the speaker of the house of representatives shall appoint one public member and three professional members.

(c) The governor shall designate a member of the council who is not an agency representative as the chairman of the council to serve in that capacity at the will of the governor.

(d) Appointments to the council shall be made without regard to the race, color, disability, sex, religion, age, or national origin of the appointees.

Sec. 101.0021. CONFLICT OF INTEREST. (a) In this section, "Texas trade association" means a cooperative and voluntarily joined association of business or professional competitors in this state designed to assist its members and its industry or profession in dealing with mutual business or professional problems and in promoting their common interest.

(b) A person may not be a member of the council if:
   (1) the person is an officer, employee, or paid consultant of a Texas trade association in the field of medicine; or
   (2) the person's spouse is an officer, manager, or paid consultant of a Texas trade association in the field of medicine.

(c) A person may not be a member of the council if the person is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a profession related to the operation of the council.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 10.02, eff. Sept. 1, 1999.

Sec. 101.0022. GROUNDS FOR REMOVAL. (a) It is a ground for removal from the council that a member:
   (1) does not have at the time of taking office the qualifications required by Section 101.002(a);
   (2) does not maintain during service on the council the qualifications required by Section 101.002(a);
   (3) is ineligible for membership under Section 101.0021;
   (4) cannot, because of illness or disability, discharge the member's duties for a substantial part of the member's term; or
   (5) is absent from more than half of the regularly scheduled council meetings that the member is eligible to attend during a calendar year without an excuse approved by a majority vote of the council.

(b) The validity of an action of the council is not affected by the fact that it is taken when a ground for removal of a council member exists.

(c) If the commissioner has knowledge that a potential ground for removal exists, the commissioner shall notify the chairman of the
council of the potential ground. The chairman shall then notify the governor and the attorney general that a potential ground for removal exists. If the potential ground for removal involves the chairman, the commissioner shall notify the next highest ranking officer of the council, who shall then notify the governor and the attorney general that a potential ground for removal exists.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 10.02, eff. Sept. 1, 1999.

Sec. 101.0023. TRAINING. (a) A person who is appointed to and qualifies for office as a member of the council may not vote, deliberate, or be counted as a member in attendance at a meeting of the council until the person completes a training program that complies with this section.

(b) The training program must provide the person with information regarding:

(1) the legislation that created the council;
(2) the programs operated by the council;
(3) the role and functions of the council;
(4) the rules of the council;
(5) the current budget for the council;
(6) the results of the most recent formal audit of the council;
(7) the requirements of:
   (A) the open meetings law, Chapter 551, Government Code;
   (B) the public information law, Chapter 552, Government Code;
   (C) the administrative procedure law, Chapter 2001, Government Code; and
   (D) other laws relating to public officials, including conflict-of-interest laws; and
(8) any applicable ethics policies adopted by the council or the Texas Ethics Commission.

(c) A person appointed to the council is entitled to reimbursement, as provided by the General Appropriations Act, for the travel expenses incurred in attending the training program regardless of whether the attendance at the program occurs before or after the
person qualifies for office.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 10.02, eff. Sept. 1, 1999.

Sec. 101.004. TERMS; VACANCY. (a) Appointed council members serve for staggered six-year terms, with the terms of four members expiring August 31 of each odd-numbered year.

(b) If a vacancy occurs, the appropriate appointing authority shall appoint a person, in the same manner as the original appointment, to serve for the remainder of the unexpired term.

(c) A person who has served one full term is not eligible for reappointment.

Sec. 101.005. COMPENSATION. (a) A member of the council is not entitled to compensation but is entitled to reimbursement for actual and necessary expenses incurred in performing council duties.

(b) A representative of a state agency shall be reimbursed from the funds of the agency the person represents. Other members shall be reimbursed from funds made available to the council.

(c) If funds are not made available to the council, members who are not representatives of state agencies serve at their own expense.

Sec. 101.006. MEETINGS. (a) The council shall meet at least twice each calendar year and at the call of the chairman.

(b) The council shall adopt rules for the conduct of its meetings.

(c) Any action taken by the council must be approved by a majority of the members present.

Sec. 101.0065. PUBLIC TESTIMONY. The council shall develop and implement policies that provide the public with a reasonable opportunity to appear before the council and to speak on any issue under the jurisdiction of the council.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 10.03, eff. Sept. 1, 1999.

Sec. 101.007. POWERS AND DUTIES OF COUNCIL. (a) The council shall:

(1) advise the board and recommend needed action for the benefit of victims of Alzheimer's disease and related disorders and for their caregivers;

(2) coordinate public and private family support networking systems for primary family caregivers;

(3) disseminate information on services and related activities for victims of Alzheimer's disease and related disorders to the medical and health care community, the academic community, primary family caregivers, advocacy associations, and the public;

(4) coordinate a volunteer assistance program primarily for in-home and respite care services;

(5) encourage research to benefit victims of Alzheimer's disease and related disorders;

(6) recommend to the board disbursement of grants and funds available for the council; and

(7) facilitate coordination of state agency services and activities relating to victims of Alzheimer's disease and related disorders.

(b) The council is subject to Chapter 551, Government Code, and Chapter 2001, Government Code.

Sec. 101.0075. DIVISION OF POLICY AND MANAGEMENT RESPONSIBILITIES. The council shall develop and implement policies that clearly separate the policymaking responsibilities of the council and the management responsibilities of the commissioner and
the staff of the department.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 10.04, eff. Sept. 1, 1999.

Sec. 101.008. DUTIES OF DEPARTMENT. The department shall:

(1) provide administrative assistance, services, and materials to the council;

(2) accept, deposit, and disburse funds made available to the council at the direction of the board;

(3) accept gifts and grants on behalf of the council from any public or private entity;

(4) maintain a population data base of victims of Alzheimer's disease and related disorders in this state; and

(5) apply for and receive on behalf of the council any appropriations, gifts, or other funds from the state or federal government or any other public or private entity, subject to limitations and conditions prescribed by legislative appropriation.

Sec. 101.0081. INFORMATION ABOUT STANDARDS OF CONDUCT. The commissioner or the commissioner's designee shall provide to members of the council, as often as necessary, information regarding the requirements for office under this chapter, including information regarding a person's responsibilities under applicable laws relating to standards of conduct for state officers.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 10.05, eff. Sept. 1, 1999.

Sec. 101.009. GIFTS AND GRANTS. (a) The council is encouraged to seek and the department may accept on behalf of the council a gift or grant from any public or private entity.

(b) The board shall deposit any money received under Subsection (a) in the state treasury to the credit of the Alzheimer's disease and related disorders council fund to be used for the purposes of this chapter.

Sec. 101.010. REPORT. Before September 1 of each even-numbered year, the council shall submit a biennial report of the council's activities and recommendations to the governor, lieutenant governor, speaker of the house of representatives, members of the legislature, Long-Term Care Coordinating Council for the Elderly, and board.

CHAPTER 102. CANCER PREVENTION AND RESEARCH INSTITUTE OF TEXAS
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 102.001. DEFINITIONS. In this chapter:
(1) "Institute" means the Cancer Prevention and Research Institute of Texas.
(2) "Oversight committee" means the Cancer Prevention and Research Institute of Texas Oversight Committee.
(2-a) "Program integration committee" means the Cancer Prevention and Research Institute of Texas Program Integration Committee.
(3) "Research and prevention programs committee" means a Cancer Prevention and Research Institute of Texas Scientific Research and Prevention Programs committee appointed by the chief executive officer.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 1, eff. June 19, 2009.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 1, eff. June 14, 2013.

Sec. 102.002. PURPOSES. The Cancer Prevention and Research Institute of Texas is established to:
(1) create and expedite innovation in the area of cancer research and in enhancing the potential for a medical or scientific
breakthrough in the prevention of cancer and cures for cancer;
(2) attract, create, or expand research capabilities of public or private institutions of higher education and other public or private entities that will promote a substantial increase in cancer research and in the creation of high-quality new jobs in this state; and
(3) develop and implement the Texas Cancer Plan.

Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.

Sec. 102.003. SUNSET PROVISION. The Cancer Prevention and Research Institute of Texas is subject to Chapter 325, Government Code (Texas Sunset Act). Unless continued in existence as provided by that chapter, the institute is abolished and this chapter expires September 1, 2021.

Acts 2005, 79th Leg., Ch. 1227 (H.B. 1116), Sec. 2.02, eff. September 1, 2005.
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2007, 80th Leg., R.S., Ch. 928 (H.B. 3249), Sec. 3.02, eff. June 15, 2007.
Reenacted by Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.002, eff. September 1, 2009.

Sec. 102.004. STATE AUDITOR. Nothing in this chapter limits the authority of the state auditor under Chapter 321, Government Code, or other law.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 2,
Sec. 102.051. POWERS AND DUTIES.  (a) The institute:

(1) may make grants to provide funds to public or private persons to implement the Texas Cancer Plan, and may make grants to institutions of learning and to advanced medical research facilities and collaborations in this state for:

(A) research into the causes of and cures for all types of cancer in humans;

(B) facilities for use in research into the causes of and cures for cancer;

(C) research, including translational research, to develop therapies, protocols, medical pharmaceuticals, or procedures for the cure or substantial mitigation of all types of cancer in humans; and

(D) cancer prevention and control programs in this state to mitigate the incidence of all types of cancer in humans;

(2) may support institutions of learning and advanced medical research facilities and collaborations in this state in all stages in the process of finding the causes of all types of cancer in humans and developing cures, from laboratory research to clinical trials and including programs to address the problem of access to advanced cancer treatment;

(3) may establish the appropriate standards and oversight bodies to ensure the proper use of funds authorized under this chapter for cancer research and facilities development;

(4) may employ necessary staff to provide administrative support;

(5) shall continuously monitor contracts and agreements authorized by this chapter and ensure that each grant recipient complies with the terms and conditions of the grant contract;

(6) shall ensure that all grant proposals comply with this chapter and rules adopted under this chapter before the proposals are submitted to the oversight committee for approval; and

(7) shall establish procedures to document that the institute, its employees, and its committee members appointed under this chapter comply with all laws and rules governing the peer review process and conflicts of interest.

eff. June 14, 2013.
(b) The institute shall work to implement the Texas Cancer Plan and continually monitor and revise the Texas Cancer Plan as necessary.

(c) The institute shall employ a chief compliance officer to monitor and report to the oversight committee regarding compliance with this chapter and rules adopted under this chapter.

(d) The chief compliance officer shall:

(1) ensure that all grant proposals comply with this chapter and rules adopted under this chapter before the proposals are submitted to the oversight committee for approval; and

(2) attend and observe the meetings of the program integration committee to ensure compliance with this chapter and rules adopted under this chapter.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.

Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 3, eff. June 14, 2013.

Sec. 102.0511. CHIEF EXECUTIVE OFFICER; OTHER OFFICERS. (a) The oversight committee shall hire a chief executive officer. The chief executive officer shall perform the duties required by this chapter or designated by the oversight committee.

(b) The chief executive officer must have a demonstrated ability to lead and develop academic, commercial, and governmental partnerships and coalitions.

(c) The chief executive officer shall hire:

(1) one chief scientific officer;
(2) one chief operating officer;
(3) one chief product development officer; and
(4) one chief prevention officer.

(d) The officers described by Subsections (c)(1)-(4) shall report directly to the chief executive officer and assist the chief executive officer in collaborative outreach to further cancer research and prevention.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 4, eff. June 14, 2013.
Sec. 102.052.  ANNUAL PUBLIC REPORT; INTERNET POSTING.  (a) Not later than January 31 of each year, the institute shall submit to the lieutenant governor, the speaker of the house of representatives, the governor, and the standing committee of each house of the legislature with primary jurisdiction over institute matters and post on the institute's Internet website a report outlining the institute's activities, grants awarded, grants in progress, research accomplishments, and future program directions. The report must include:

(1) the number and dollar amounts of research and facilities grants;
(2) identification of the grant recipients for the reported year;
(3) the institute's administrative expenses;
(4) an assessment of the availability of funding for cancer research from sources other than the institute;
(5) a summary of findings of research funded by the institute, including promising new research areas;
(6) an assessment of the relationship between the institute's grants and the overall strategy of its research program;
(7) a statement of the institute's strategic research and financial plans;
(8) an estimate of how much cancer has cost the state during the year, including the amounts spent by the state relating to cancer by the child health program, the Medicaid program, the Teacher Retirement System of Texas, and the Employees Retirement System of Texas;
(9) a statement of the institute's compliance program activities, including any proposed legislation or other recommendations identified through the activities; and
(10) for the previous 12 months, a list of any conflicts of interest under this chapter or rules adopted under this chapter, any conflicts of interest that require recusal under Section 102.1061, any unreported conflicts of interest confirmed by an investigation conducted under Section 102.1063, including any actions taken by the institute regarding an unreported conflict of interest and subsequent investigation, and any waivers granted through the process established under Section 102.1062.

(b) The institute shall submit the annual public report to the governor and the legislature.
(c) The institute shall post on the institute's Internet website the list described by Subsection (a)(10).

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 5, eff. June 14, 2013.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 6, eff. June 14, 2013.

Sec. 102.053. INDEPENDENT FINANCIAL AUDIT FOR REVIEW BY COMPTROLLER. (a) The institute shall annually commission an independent financial audit of its activities from a certified public accounting firm. The institute shall provide the audit to the comptroller. The comptroller shall review and evaluate the audit and annually issue a public report of that review. The comptroller shall make recommendations concerning the institute's financial practices and performance.

(b) The oversight committee shall review the annual financial audit, the comptroller's report and evaluation of that audit, and the financial practices of the institute.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.

Sec. 102.0535. GRANT RECORDS. (a) The institute shall maintain complete records of:

(1) the review of each grant application submitted to the institute, including the score assigned to each grant application reviewed by a research and prevention programs committee in accordance with rules adopted under Section 102.251(a)(1), even if the grant application is not funded by the institute or is withdrawn after submission to the institute;

(2) each grant recipient's financial reports, including the amount of matching funds dedicated to the research specified for the grant award;

(3) each grant recipient's progress reports;
(4) for the purpose of determining any conflict of interest, the identity of each principal investor and owner of each grant recipient as provided by institute rules; and
(5) the institute's review of the grant recipient's financial reports and progress reports.

(b) The institute shall have periodic audits made of any electronic grant management system used to maintain records of grant applications and grant awards under this section. The institute shall address in a timely manner each weakness identified in an audit of the system.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 7, eff. June 14, 2013.

Sec. 102.054. GIFTS AND GRANTS. The institute may solicit and accept gifts and grants from any source for the purposes of this chapter.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.

Sec. 102.055. QUARTERLY MEETINGS. The oversight committee shall hold a public meeting at least once in each quarter of the calendar year, with appropriate notice and with a formal public comment period.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.

Sec. 102.056. SALARY. (a) The institute may not supplement the salary of any institute employee with a gift or grant received by the institute.
(b) The institute may supplement the salary of the chief scientific officer. Funding for a salary supplement for the chief scientific officer may only come from legislative appropriations or bond proceeds.
(c) The institute may not supplement the salary of the chief executive officer. The salary of the chief executive officer may only be paid from legislative appropriations.

Added by Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 2, eff. June 19, 2009.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 8, eff. June 14, 2013.

Sec. 102.057. PROHIBITED OFFICE LOCATION. An institute employee may not have an office in a facility owned by an entity receiving or applying to receive money from the institute.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 9, eff. June 14, 2013.

SUBCHAPTER C. OVERSIGHT COMMITTEE

Sec. 102.101. COMPOSITION OF OVERSIGHT COMMITTEE. (a) The Cancer Prevention and Research Institute of Texas Oversight Committee is the governing body of the institute.

(b) The oversight committee is composed of the following nine members:

(1) three members appointed by the governor;
(2) three members appointed by the lieutenant governor; and
(3) three members appointed by the speaker of the house of representatives.

(c) The members of the oversight committee must represent the geographic and cultural diversity of the state.

(d) In making appointments to the oversight committee, the governor, lieutenant governor, and speaker of the house of representatives:

(1) must each appoint at least one person who is a physician or a scientist with extensive experience in the field of oncology or public health; and
(2) should attempt to include cancer survivors and family members of cancer patients if possible.

(e) A person may not be a member of the oversight committee if the person or the person's spouse:
is employed by or participates in the management of a business entity or other organization receiving money from the institute;

(2) owns or controls, directly or indirectly, an interest in a business entity or other organization receiving money from the institute; or

(3) uses or receives a substantial amount of tangible goods, services, or money from the institute, other than reimbursement authorized by this chapter for oversight committee membership, attendance, or expenses.

(f) A person appointed to the oversight committee shall disclose to the institute each political contribution to a candidate for a state or federal office over $1,000 made by the person in the five years preceding the person's appointment and each year after the person's appointment until the person's term expires. The institute annually shall post a report of the political contributions made by oversight committee members on the institute's publicly accessible Internet website and post a link to the report on the oversight committee's main Internet web page.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 10, eff. June 14, 2013.

Sec. 102.102. REMOVAL. (a) It is a ground for removal from the oversight committee that a member:

(1) is ineligible for membership under Section 102.101(e);

(2) cannot, because of illness or disability, discharge the member's duties for a substantial part of the member's term; or

(3) is absent from more than half of the regularly scheduled oversight committee meetings that the member is eligible to attend during a calendar year without an excuse approved by a majority vote of the committee.

(b) The validity of an action of the oversight committee is not affected by the fact that it is taken when a ground for removal of a committee member exists.

(c) If the chief executive officer has knowledge that a
potential ground for removal exists, the chief executive officer shall notify the presiding officer of the oversight committee of the potential ground. The presiding officer shall then notify the appointing authority and the attorney general that a potential ground for removal exists. If the potential ground for removal involves the presiding officer, the chief executive officer shall notify the next highest ranking officer of the oversight committee, who shall then notify the appointing authority and the attorney general that a potential ground for removal exists.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 11, eff. June 14, 2013.

Sec. 102.103. TERMS; VACANCY. (a) Oversight committee members appointed by the governor, lieutenant governor, and speaker of the house serve at the pleasure of the appointing office for staggered six-year terms, with the terms of three members expiring on January 31 of each odd-numbered year.

(b) Not later than the 30th day after the date an oversight committee member's term expires, the appropriate appointing authority shall appoint a replacement.

(c) If a vacancy occurs on the oversight committee, the appropriate appointing authority shall appoint a successor, in the same manner as the original appointment, to serve for the remainder of the unexpired term. The appropriate appointing authority shall appoint the successor not later than the 30th day after the date the vacancy occurs.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 3, eff. June 19, 2009.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 12, eff. June 14, 2013.
Sec. 102.104. OFFICERS. (a) The oversight committee shall elect a presiding officer and assistant presiding officer from among its members every two years. The oversight committee may elect additional officers from among its members.

(b) The presiding officer and assistant presiding officer may not serve in the position to which the officer was elected for two consecutive terms.

(c) The oversight committee shall:

(1) establish and approve duties and responsibilities for officers of the committee; and

(2) develop and implement policies that distinguish the responsibilities of the oversight committee and the committee's officers from the responsibilities of the chief executive officer and the employees of the institute.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 13, eff. June 14, 2013.

Sec. 102.105. EXPENSES. A member of the oversight committee is not entitled to compensation but is entitled to reimbursement for actual and necessary expenses incurred in attending meetings of the committee or performing other official duties authorized by the presiding officer.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.

Sec. 102.106. CONFLICT OF INTEREST. (a) The oversight committee shall adopt conflict-of-interest rules, based on standards applicable to members of scientific review committees of the National Institutes of Health, to govern members of the oversight committee, the program integration committee, the research and prevention programs committees, and institute employees.

(b) An institute employee, oversight committee member, program integration committee member, or research and prevention programs
committee member shall recuse himself or herself, as provided by
Section 102.1061(a), (b), or (c) as applicable, if the employee or
member, or a person who is related to the employee or member within
the second degree of affinity or consanguinity, has a professional or
financial interest in an entity receiving or applying to receive
money from the institute.

(c) A person has a professional interest in an entity receiving
or applying to receive money from the institute if the person:

(1) is a member of the board of directors, another
governing board, or any committee of the entity, or of a foundation
or similar organization affiliated with the entity, during the same
grant cycle;

(2) serves as an elected or appointed officer of the entity
or of a foundation or similar organization affiliated with the entity;

(3) is an employee of or is negotiating future employment
with the entity or with a foundation or similar organization
affiliated with the entity;

(4) represents the entity or a foundation or similar
organization affiliated with the entity;

(5) is a professional associate of a primary member of the
entity's research or prevention program team;

(6) is, or within the preceding six years has been, a
student, postdoctoral associate, or part of a laboratory research
group for a primary member of the entity's research or prevention
program team;

(7) is engaged or is actively planning to be engaged in
collaboration with a primary member of the entity's research or
prevention program team; or

(8) has long-standing scientific differences or
disagreements with a primary member of the entity's research or
prevention program team, and those differences:

(A) are known to the professional community; and

(B) could be perceived as affecting objectivity.

(d) A person has a financial interest in an entity receiving or
applying to receive money from the institute if the person:

(1) owns or controls, directly or indirectly, an ownership
interest, including sharing in profits, proceeds, or capital gains,
in an entity receiving or applying to receive money from the
institute or in a foundation or similar organization affiliated with
the entity; or

  (2) could reasonably foresee that an action taken by the institute, a research and prevention programs committee, the program integration committee, or the oversight committee could result in a financial benefit to the person.

(e) Nothing in this chapter limits the authority of the oversight committee to adopt additional conflict-of-interest standards.

Amended by:

  Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
  Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 14, eff. June 14, 2013.

Sec. 102.1061. DISCLOSURE OF CONFLICT OF INTEREST; RECUSAL.

(a) If an oversight committee member or program integration committee member has a conflict of interest as described by Section 102.106 regarding an application that comes before the member for review or other action, the member shall:

  (1) provide written notice to the chief executive officer and the presiding officer of the oversight committee or the next ranking member of the committee if the presiding officer has the conflict of interest;

  (2) disclose the conflict of interest in an open meeting of the oversight committee; and

  (3) recuse himself or herself from participating in the review, discussion, deliberation, and vote on the application and from accessing information regarding the matter to be decided.

(b) If an institute employee has a conflict of interest described by Section 102.106 regarding an application that comes before the employee for review or other action, the employee shall:

  (1) provide written notice to the chief executive officer of the conflict of interest; and

  (2) recuse himself or herself from participating in the review of the application and be prevented from accessing information regarding the matter to be decided.

(c) If a research and prevention programs committee member has a conflict of interest described by Section 102.106 regarding an
application that comes before the member's committee for review or other action, the member shall:

(1) provide written notice to the chief executive officer of the conflict of interest; and

(2) recuse himself or herself from participating in the review, discussion, deliberation, and vote on the application and from accessing information regarding the matter to be decided.

(d) An oversight committee member, program integration committee member, research and prevention programs committee member, or institute employee with a conflict of interest may seek a waiver as provided by Section 102.1062.

(e) An oversight committee member, program integration committee member, research and prevention programs committee member, or institute employee who reports a potential conflict of interest or another impropriety or self-dealing of the member or employee and who fully complies with the recommendations of the general counsel and recusal requirements is considered in compliance with the conflict-of-interest provisions of this chapter. The member or employee is subject to other applicable laws, rules, requirements, and prohibitions.

(f) An oversight committee member, program integration committee member, research and prevention programs committee member, or institute employee who intentionally violates this section is subject to removal from further participation in the institute's grant review process.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 15, eff. June 14, 2013.

Sec. 102.1062. EXCEPTIONAL CIRCUMSTANCES REQUIRING PARTICIPATION. The oversight committee shall adopt rules governing the waiver of the conflict-of-interest requirements of this chapter under exceptional circumstances for an oversight committee member, program integration committee member, research and prevention programs committee member, or institute employee. The rules must:

(1) authorize the chief executive officer or an oversight committee member to propose the granting of a waiver by submitting to the presiding officer of the oversight committee a written statement about the conflict of interest, the exceptional circumstance
requiring the waiver, and any proposed limitations to the waiver;
(2) require a proposed waiver to be publicly reported at a
meeting of the oversight committee;
(3) require a majority vote of the oversight committee
members present and voting to grant a waiver;
(4) require any waiver granted to be reported annually to
the lieutenant governor, the speaker of the house of representatives,
the governor, and the standing committee of each house of the
legislature with primary jurisdiction over institute matters; and
(5) require the institute to retain documentation of each
waiver granted.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 15,
eff. June 14, 2013.

Sec. 102.1063. INVESTIGATION OF UNREPORTED CONFLICTS OF
INTEREST. (a) An oversight committee member, a program integration
committee member, a research and prevention programs committee
member, or an institute employee who becomes aware of a potential
conflict of interest described by Section 102.106 that has not been
reported shall immediately notify the chief executive officer of the
potential conflict of interest. On notification, the chief executive
officer shall notify the presiding officer of the oversight committee
and the general counsel, who shall determine the nature and extent of
any unreported conflict.

(b) A grant applicant seeking an investigation regarding
whether a prohibited conflict of interest was not reported shall file
a written request with the institute's chief executive officer. The
applicant must:
(1) include in the request all facts regarding the alleged
conflict of interest; and
(2) submit the request not later than the 30th day after
the date the chief executive officer presents final funding
recommendations for the affected grant cycle to the oversight
committee.

(c) On notification of an alleged conflict of interest under
Subsection (a) or (b), the institute's general counsel shall:
(1) investigate the matter; and
(2) provide to the chief executive officer and presiding
officer of the oversight committee an opinion that includes:

(A) a statement of facts;
(B) a determination of whether a conflict of interest or another impropriety or self-dealing exists; and
(C) if the opinion provides that a conflict of interest or another impropriety or self-dealing exists, recommendations for an appropriate course of action.

(d) If the conflict of interest, impropriety, or self-dealing involves the presiding officer of the oversight committee, the institute's general counsel shall provide the opinion to the next ranking oversight committee member who is not involved with the conflict of interest, impropriety, or self-dealing.

(e) After receiving the opinion and consulting with the presiding officer of the oversight committee, the chief executive officer shall take action regarding the recusal of the individual from any discussion of or access to information related to the conflict of interest or other recommended action related to the impropriety or self-dealing. If the alleged conflict of interest, impropriety, or self-dealing is held by, or is an act of, the chief executive officer, the presiding officer of the oversight committee shall take actions regarding the recusal or other action.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 15, eff. June 14, 2013.

Sec. 102.1064. FINAL DETERMINATION OF UNREPORTED CONFLICT OF INTEREST. (a) The chief executive officer or, if applicable, the presiding officer of the oversight committee shall make a determination regarding the existence of an unreported conflict of interest described by Section 102.1063 or other impropriety or self-dealing. The determination must specify any actions to be taken to address the conflict of interest, impropriety, or self-dealing, including:

(1) reconsideration of the application; or
(2) referral of the application to another research and prevention programs committee for review.

(b) The determination made under Subsection (a) is considered final unless three or more oversight committee members request that the issue be added to the agenda of the oversight committee.
(c) The chief executive officer or, if applicable, the presiding officer of the oversight committee, shall provide written notice of the final determination, including any further actions to be taken, to the grant applicant requesting the investigation.

(d) Unless specifically determined by the chief executive officer or, if applicable, the presiding officer of the oversight committee, or the oversight committee, the validity of an action taken on a grant application is not affected by the fact that an individual who failed to report a conflict of interest participated in the action.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 15, eff. June 14, 2013.

Sec. 102.107. POWERS AND DUTIES. The oversight committee shall:

(1) hire a chief executive officer;

(2) annually set priorities as prescribed by the legislature for each grant program that receives money under this chapter; and

(3) consider the priorities set under Subdivision (2) in awarding grants under this chapter.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 16, eff. June 14, 2013.

Sec. 102.108. RULEMAKING AUTHORITY. The oversight committee may adopt rules to administer this chapter.

Added by Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 4, eff. June 19, 2009.

Sec. 102.109. CODE OF CONDUCT. (a) The oversight committee shall adopt a code of conduct applicable to each oversight committee member, program integration committee member, and institute employee.
(b) The code of conduct at a minimum must include provisions prohibiting the member, the employee, or the member's or employee's spouse from:

(1) accepting or soliciting any gift, favor, or service that could reasonably influence the member or employee in the discharge of official duties or that the member, employee, or spouse of the member or employee knows or should know is being offered with the intent to influence the member's or employee's official conduct;

(2) accepting employment or engaging in any business or professional activity that would reasonably require or induce the member or employee to disclose confidential information acquired in the member's or employee's official position;

(3) accepting other employment or compensation that could reasonably impair the member's or employee's independent judgment in the performance of official duties;

(4) making personal investments or having a financial interest that could reasonably create a substantial conflict between the member's or employee's private interest and the member's or employee's official duties;

(5) intentionally or knowingly soliciting, accepting, or agreeing to accept any benefit for exercising the member's official powers or performing the member's or employee's official duties in favor of another;

(6) leasing, directly or indirectly, any property, capital equipment, employee, or service to any entity that receives a grant from the institute;

(7) submitting a grant application for funding by the institute;

(8) serving on the board of directors of an organization established with a grant from the institute; or

(9) serving on the board of directors of a grant recipient.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 17, eff. June 14, 2013.

Sec. 102.110. FINANCIAL STATEMENT REQUIRED. Each member of the oversight committee shall file with the chief compliance officer a verified financial statement complying with Sections 572.022 through 572.0252, Government Code, as required of a state officer by Section
572.021, Government Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 17, eff. June 14, 2013.

**SUBCHAPTER D. COMMITTEES**

Sec. 102.151. SCIENTIFIC RESEARCH AND PREVENTION PROGRAMS COMMITTEE.

(a) Repealed by Acts 2009, 81st Leg., R.S., Ch. 368, Sec. 16, eff. June 19, 2009.

(a-1) The oversight committee shall establish research and prevention programs committees. The chief executive officer, with approval by simple majority of the members of the oversight committee, shall appoint as members of research and prevention programs committees experts in the field of cancer research and prevention, including qualified trained cancer patient advocates who meet the qualifications developed by rule as provided by Subsection (c).

(b) The institute shall adopt a written policy on in-state or out-of-state residency requirements for members of the research and prevention programs committees.

(c) The oversight committee shall adopt rules regarding the qualifications required for an individual who will serve as a trained cancer patient advocate committee member for a research and prevention programs committee. The rules must require a trained cancer patient advocate to receive science-based training.

(d) A member of a scientific research and prevention programs committee may receive an honorarium. Subchapter B, Chapter 2254, Government Code, does not apply to an honorarium made to a committee member under this chapter.

(e) The chief executive officer, in consultation with the oversight committee, shall adopt a policy and document any change in the amount of honorarium paid to a member of a research and prevention programs committee, including information explaining the basis for changing the amount.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Sec. 102.152. TERMS OF RESEARCH AND PREVENTION PROGRAMS COMMITTEE MEMBERS. Members of a research and prevention programs committee serve for terms as determined by the chief executive officer.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 6, eff. June 19, 2009.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 19, eff. June 14, 2013.

Sec. 102.153. EXPENSES. Members of the university advisory committee or any ad hoc advisory committee appointed under this subchapter serve without compensation but are entitled to reimbursement for actual and necessary expenses in attending meetings of the committee or performing other official duties authorized by the presiding officer.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 8, eff. June 19, 2009.

Sec. 102.154. UNIVERSITY ADVISORY COMMITTEE. (a) The Cancer Prevention and Research Institute of Texas University Advisory Committee is composed of the following members:
(1) two members appointed by the chancellor of The University of Texas System to represent:
(A) The University of Texas Southwestern Medical Center;  
(B) The University of Texas Medical Branch at Galveston;  
(C) The University of Texas Health Science Center at Houston;  
(D) The University of Texas Health Science Center at San Antonio;  
(E) The University of Texas Health Center at Tyler; or  
(F) The University of Texas M. D. Anderson Cancer Center;  
(2) one member appointed by the chancellor of the Texas A&M University System to represent:  
(A) The Texas A&M University System Health Science Center; or  
(B) the teaching hospital for The Texas A&M Health Science Center College of Medicine;  
(3) one member appointed by the chancellor of the Texas Tech University System to represent the Texas Tech University Health Sciences Center;  
(4) one member appointed by the chancellor of the University of Houston System to represent the system;  
(5) one member appointed by the chancellor of the Texas State University System to represent the system;  
(6) one member appointed by the chancellor of the University of North Texas System to represent the system;  
(7) one member appointed by the president of Baylor College of Medicine;  
(8) one member appointed by the president of Rice University; and  
(9) members appointed at the executive director's discretion by the chancellors of other institutions.

(b) The university advisory committee shall advise the oversight committee and a research and prevention programs committee regarding the role of institutions of higher education in cancer research.

Added by Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 9, eff. June 19, 2009.
Amended by:
Sec. 102.155. AD HOC ADVISORY COMMITTEE. (a) The oversight committee shall create an ad hoc committee of experts to address childhood cancers. The oversight committee, as necessary, may create additional ad hoc committees of experts to advise the oversight committee on issues relating to cancer.

(b) Ad hoc committee members shall serve for a period determined by the oversight committee.

Added by Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 9, eff. June 19, 2009.

Sec. 102.156. CONFLICT OF INTEREST. (a) A member of a research and prevention programs committee appointed under this subchapter shall disclose in writing to the chief executive officer if the member has a professional or financial interest, as defined by Section 102.106, in an entity that has a direct interest in a matter that comes before the member's committee.

(b) The member shall recuse himself or herself in the manner described by Section 102.1061 from the committee's deliberations and actions on the matter in Subsection (a) and may not participate in the committee's decision on the matter.

(c) A member of a research and prevention programs committee appointed under this chapter may not serve on the board of directors or other governing board of an entity receiving a grant from the institute or of a foundation or similar organization affiliated with the entity.

Added by Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 9, eff. June 19, 2009.
Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 20, eff. June 14, 2013.

SUBCHAPTER E. CANCER PREVENTION AND RESEARCH FUND

Sec. 102.201. CANCER PREVENTION AND RESEARCH FUND. (a) The
cancer prevention and research fund is a dedicated account in the general revenue fund.

(b) The cancer prevention and research fund consists of:
   (1) appropriations of money to the fund by the legislature, except that the appropriated money may not include the proceeds from the issuance of bonds authorized by Section 67, Article III, Texas Constitution;
   (2) gifts, grants, including grants from the federal government, and other donations received for the fund; and
   (3) interest earned on the investment of money in the fund.

(c) The fund may be used only to pay for:
   (1) grants for cancer research and for cancer research facilities in this state to realize therapies, protocols, and medical procedures for the cure or substantial mitigation of all types of cancer in humans;
   (2) the purchase, subject to approval by the institute, of laboratory facilities by or on behalf of a state agency or grant recipient;
   (3) grants to public or private persons to implement the Texas Cancer Plan;
   (4) the operation of the institute;
   (5) grants for cancer prevention and control programs in this state to mitigate the incidence of all types of cancer in humans; and
   (6) debt service on bonds issued as authorized by Section 67, Article III, Texas Constitution.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 21, eff. June 14, 2013.

Sec. 102.202. ISSUANCE OF GENERAL OBLIGATION BONDS. (a) The institute may request the Texas Public Finance Authority to issue and sell general obligation bonds of the state as authorized by Section 67, Article III, Texas Constitution.

(b) The Texas Public Finance Authority may not issue and sell general obligation bonds authorized by this section before January 1,
2008, and may not issue and sell more than $300 million in general
obligation bonds authorized by this section in a state fiscal year.

(c) The institute shall determine, and include in its request
for issuing bonds, the amount, exclusive of costs of issuance, of the
bonds to be issued and the preferred time for issuing the bonds.

(d) The Texas Public Finance Authority shall issue the bonds in
accordance with and subject to Chapter 1232, Government Code, and
Texas Public Finance Authority rules. The bonds may be issued in
installments.

(e) Proceeds of the bonds issued under this section shall be
deposited in separate funds or accounts, in the state treasury, as
shall be set out in the proceedings authorizing the bonds.

(f) The proceeds of the bonds may be used only to:

1. make grants authorized by Section 67, Article III, Texas Constitution;
2. purchase laboratory facilities approved by the institute;
3. pay costs of operating the institute; or
4. pay the costs of issuing the bonds and related bond administration costs of the Texas Public Finance Authority.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff.
November 6, 2007.

Sec. 102.203. AUTHORIZED USE OF FUNDS. (a) A person awarded
money from the cancer prevention and research fund or from bond
proceeds under this subchapter may use the money for research
consistent with the purpose of this chapter and in accordance with a
contract between the person and the institute.

(b) Except as otherwise provided by this section, money awarded
under this subchapter may be used for authorized expenses, including
honoraria, salaries and benefits, travel, conference fees and
expenses, consumable supplies, other operating expenses, contracted
research and development, capital equipment, and construction or
renovation of state or private facilities.

(c) A person receiving money under this subchapter for cancer
research may not spend more than five percent of the money for
indirect costs. For purposes of this subsection, "indirect costs"
means the expenses of doing business that are not readily identified with a particular grant, contract, project, function, or activity, but are necessary for the general operation of the organization or the performance of the organization's activities.

(d) Not more than five percent of the money awarded under this subchapter may be used for facility purchase, construction, remodel, or renovation purposes during any year. Expenditures of money awarded under this subchapter for facility purchase, construction, remodel, or renovation projects must benefit cancer prevention and research.

(e) Not more than 10 percent of the money awarded under this subchapter may be used for cancer prevention and control programs during any year.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 10, eff. June 19, 2009.

Sec. 102.204. PREFERENCE FOR TEXAS BUSINESSES. If the Texas Public Finance Authority contracts with a private entity to issue the bonds under this subchapter, the Texas Public Finance Authority shall consider contracting with an entity that has its principal place of business in this state and shall include using a historically underutilized business as defined by Section 2161.001, Government Code.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.

SUBCHAPTER F. PROCEDURE FOR MAKING AWARDS

Sec. 102.251. RULES FOR GRANT AWARD PROCEDURE. (a) The oversight committee shall issue rules regarding the procedure for awarding grants to an applicant under this chapter. The rules must include the following procedures:

(1) a research and prevention programs committee shall score grant applications and make recommendations to the program
integration committee, established under Section 102.264, and the oversight committee regarding the award of cancer research and prevention grants, including a prioritized list that:

(A) ranks the grant applications in the order the committee determines applications should be funded; and

(B) includes information explaining how each grant application on the list meets the research and prevention programs committee's standards for recommendation;

(2) the program integration committee shall submit to the oversight committee a list of grant applications the program integration committee by majority vote approved for recommendation that:

(A) includes documentation on the factors the program integration committee considered in making the grant recommendations;

(B) is substantially based on the list submitted by the research and prevention programs committee under Subdivision (1); and

(C) to the extent possible, gives priority to proposals that:

(i) could lead to immediate or long-term medical and scientific breakthroughs in the area of cancer prevention or cures for cancer;

(ii) strengthen and enhance fundamental science in cancer research;

(iii) ensure a comprehensive coordinated approach to cancer research;

(iv) are interdisciplinary or interinstitutional;

(v) address federal or other major research sponsors' priorities in emerging scientific or technology fields in the area of cancer prevention or cures for cancer;

(vi) are matched with funds available by a private or nonprofit entity and institution or institutions of higher education;

(vii) are collaborative between any combination of private and nonprofit entities, public or private agencies or institutions in this state, and public or private institutions outside this state;

(viii) have a demonstrable economic development benefit to this state;

(ix) enhance research superiority at institutions of higher education in this state by creating new research
superiority, attracting existing research superiority from institutions not located in this state and other research entities, or enhancing existing research superiority by attracting from outside this state additional researchers and resources;

(x) expedite innovation and product development, attract, create, or expand private sector entities that will drive a substantial increase in high-quality jobs, and increase higher education applied science or technology research capabilities; and

(xi) address the goals of the Texas Cancer Plan; and

(3) the institute's chief compliance officer shall compare each grant application submitted to the institute to a list of donors from any nonprofit organization established to provide support to the institute compiled from information made available under Section 102.262(c) before the application is submitted to a research and prevention programs committee for review and again before any grant is awarded to the applicant.

(b) A member of a research and prevention programs committee may not attempt to use the committee member's official position to influence a decision to approve or award a grant or contract to the committee member's employer.

(c) The chief executive officer shall submit a written affidavit for each grant application recommendation included on the list submitted to the oversight committee under Subsection (a)(2). The affidavit must contain all relevant information on:

(1) the peer review process for the grant application;

(2) the application's peer review score assigned by the research and prevention programs committee; and

(3) if applicable, the intellectual property and other due diligence reviews of the application.

(d) A member of the program integration committee may not discuss a grant applicant recommendation with a member of the oversight committee unless the chief executive officer and the program integration committee have fulfilled the requirements of Subsections (a)(2) and (c), as applicable.

(e) The institute may not award a grant to an applicant who has made a gift or grant to the institute or a nonprofit organization established to provide support to the institute.

Amended by:
Sec. 102.252. FUNDING RECOMMENDATIONS. Two-thirds of the members of the oversight committee present and voting must vote to approve each funding recommendation of the program integration committee. If the oversight committee does not approve a funding recommendation of the program integration committee, a statement explaining the reasons a funding recommendation was not followed must be included in the minutes of the meeting.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 11, eff. June 19, 2009.
Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 22, eff. June 14, 2013.

Sec. 102.253. MAXIMUM AMOUNT OF ANNUAL AWARDS. The oversight committee may not award more than $300 million in grants under Subchapter E in a fiscal year.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.

Sec. 102.254. PERIOD FOR AWARDS. The oversight committee may not award money under Subchapter E before January 1, 2008, or after August 31, 2020.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Sec. 102.255. CONTRACT TERMS. (a) The oversight committee shall negotiate on behalf of the state regarding awarding, by grant, money under this chapter.

(b) Before awarding a grant under Subchapter E, the committee shall enter into a written contract with the grant recipient. The contract may specify that:

(1) if all or any portion of the amount of the grant is used to build a capital improvement:
   (A) the state retains a lien or other interest in the capital improvement in proportion to the percentage of the grant amount used to pay for the capital improvement; and
   (B) the grant recipient shall, if the capital improvement is sold:
      (i) repay to the state the grant money used to pay for the capital improvement, with interest at the rate and according to the other terms provided by the contract; and
      (ii) share with the state a proportionate amount of any profit realized from the sale;

(2) if the grant recipient has not used grant money awarded under Subchapter E for the purposes for which the grant was intended, the recipient shall repay that amount and any related interest applicable under the contract to the state at the agreed rate and on the agreed terms; and

(3) if the grant recipient fails to meet the terms and conditions of the contract, the institute may terminate the contract using the written process prescribed in the contract and require the recipient to repay the grant money awarded under Subchapter E and any related interest applicable under the contract to this state at the agreed rate and on the agreed terms.

(c) The contract must:

(1) include terms relating to intellectual property rights consistent with the standards developed by the oversight committee under Section 102.256;

(2) require, in accordance with Subsection (d), the grant recipient to dedicate an amount of matching funds equal to one-half of the amount of the research grant awarded; and

(3) specify:
   (A) the amount of matching funds to be dedicated under
Subdivision (2);
   (B) the period in which the grant award must be spent;
   (C) the name of the research project to which matching funds are to be dedicated; and
   (D) the specific deliverables of the project that is the subject of the grant proposal.

(d) Before the oversight committee may make for cancer research any grant of any proceeds of the bonds issued under Subchapter E, the recipient of the grant must certify that the recipient has an amount of funds equal to one-half of the grant and dedicate those funds to the research that is the subject of the grant request. The institute shall adopt rules specifying how a grant recipient fulfills obligations under this subchapter. At a minimum, the rules must:
   (1) allow a grant recipient that is a public or private institution of higher education, as defined by Section 61.003, Education Code, to credit toward the recipient's matching funds the dollar amount equivalent to the difference between the indirect cost rate authorized by the federal government for research grants awarded to the recipient and the indirect cost rate authorized by Section 102.203(c);
   (2) require that a grant recipient certify before the distribution of any money awarded under a grant for cancer research:
      (A) that encumbered funds equal to one-half of the amount of the total grant award are available and not yet expended for research that is the subject of the grant; or
      (B) if the grant recipient is a public or private institution of higher education, the indirect cost rate authorized by the federal research grants awarded to the recipient;
   (3) specify that:
      (A) a grant recipient receiving more than one grant award may provide matching funds certification at an institutional level;
      (B) the recipient of a multiyear grant award may certify matching funds on a yearly basis; and
      (C) grant funds may not be distributed to the grant recipient until the annual certification of the matching funds has been approved;
   (4) specify that money used for purposes of certification may include:
      (A) federal funds, including funds provided under the
American Recovery and Reinvestment Act of 2009 (Pub. L. No. 111-5) and the fair market value of drug development support provided to the recipient by the National Cancer Institute or other similar programs;

(B) funds of this state;
(C) funds of other states; and
(D) nongovernmental funds, including private funds, foundation grants, gifts, and donations;

(5) specify that the following items do not qualify for purposes of the certification required by this subsection:

(A) in-kind costs;
(B) volunteer services furnished to a grant recipient;
(C) noncash contributions;
(D) income earned by the grant recipient that is not available at the time of the award;

(E) preexisting real estate of the grant recipient, including buildings, facilities, and land;
(F) deferred giving, including a charitable remainder annuity trust, a charitable remainder unitrust, or a pooled income fund; or

(G) other items as may be determined by the oversight committee;

(6) require a grant recipient and the institute to include the certification in the grant award contract;

(7) specify that a grant recipient's failure to provide certification shall serve as grounds for terminating the grant award contract;

(8) require a grant recipient to maintain adequate documentation supporting the source and use of the funds required by this subsection and to provide documentation to the institute upon request; and

(9) require that the institute establish a procedure to conduct an annual review of the documentation supporting the source and use of funds reported in the required certification.

(e) The institute shall adopt a policy on advance payments to grant recipients.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 13, eff.
Sec. 102.256. PATENT ROYALTIES AND LICENSE REVENUES PAID TO STATE. (a) The oversight committee shall establish standards that require all grant awards to be subject to an intellectual property agreement that allows the state to collect royalties, income, and other benefits, including interest or proceeds resulting from securities and equity ownership, realized as a result of projects undertaken with money awarded under Subchapter E.

(b) In determining the state's interest in any intellectual property rights, the oversight committee shall balance the opportunity of the state to benefit from the patents, royalties, licenses, and other benefits that result from basic research, therapy development, and clinical trials with the need to ensure that essential medical research is not unreasonably hindered by the intellectual property agreement and that the agreement does not unreasonably remove the incentive on the part of the individual researcher, research team, or institution.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2011, 82nd Leg., R.S., Ch. 448 (S.B. 1421), Sec. 1, eff. September 1, 2011.

Sec. 102.257. MULTIYEAR PROJECTS. The oversight committee may grant funds for a multiyear project. The oversight committee must specify the total amount of money approved to fund the multiyear project. The total amount specified is considered for purposes of this subchapter to have been awarded in the state fiscal year that the project is approved by the research and prevention programs committee. The institute shall distribute only the money that will be expended during that fiscal year. The remaining money shall be distributed by the institute as the money is needed in each subsequent fiscal year.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Acts 2011, 82nd Leg., R.S., Ch. 521 (H.B. 2251), Sec. 6, eff. June 17, 2011.

Sec. 102.258. PREFERENCE FOR TEXAS SUPPLIERS. The oversight committee shall establish standards to ensure that grant recipients purchase goods and services from suppliers in this state to the extent reasonably possible, in a good faith effort to achieve a goal of more than 50 percent of such purchases from suppliers in this state.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.

Sec. 102.259. HISTORICALLY UNDERUTILIZED BUSINESSES. The oversight committee shall establish standards to ensure that grant recipients purchase goods and services from historically underutilized businesses as defined by Chapter 2161, Government Code, and any other applicable state law.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.

Sec. 102.260. GRANT EVALUATION. (a) The oversight committee shall require as a condition of a grant that the grant recipient submit to regular inspection reviews of the grant project by institute staff, including progress oversight reviews, to ensure compliance with the terms of the award and to ensure the scientific merit of the research.

(b) The chief executive officer shall determine the grant review process under this section. The chief executive officer may terminate grants that do not meet contractual obligations.

(c) The chief executive officer shall report at least annually to the oversight committee on the progress and continued merit of each research program funded by the institute.
(d) The institute shall establish and implement reporting requirements to ensure that each grant recipient complies with the terms and conditions in the grant contract, including verification of the amounts of matching funds dedicated to the research that is the subject of the grant award to the grant recipient.

(e) The institute shall implement a system to:
   (1) track the dates on which grant recipient reports are due and are received by the institute; and
   (2) monitor the status of any required report that is not timely submitted to the institute by a grant recipient.

(f) The chief compliance officer shall monitor compliance with this section and at least annually shall inquire into and monitor the status of any required report that is not timely submitted to the institute by a grant recipient. The chief compliance officer shall notify the general counsel and the oversight committee of a grant recipient that has not maintained compliance with the reporting requirements or matching funds provisions of the grant contract to allow the institute to begin suspension or termination of the grant contract under Subsection (b). This subsection does not limit other remedies available under the grant contract.

Amended by:
   Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
   Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 14, eff. June 19, 2009.
   Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 25, eff. June 14, 2013.

Sec. 102.261. MEDICAL ETHICS. Any research project that receives money under Subchapter E must:
   (1) be conducted with full consideration for the ethical and medical implications of the research; and
   (2) comply with all federal and state laws regarding the conduct of research.

Amended by:
   Acts 2007, 80th Leg., R.S., Ch. 266 (H.B. 14), Sec. 4., eff. November 6, 2007.
Sec. 102.262. PUBLIC INFORMATION. (a) The following information is public information and may be disclosed under Chapter 552, Government Code:

(1) the applicant's name and address;
(2) the amount of funding applied for;
(3) the type of cancer to be addressed under the proposal; and
(4) any other information designated by the institute with the consent of the grant applicant.

(b) In order to protect the actual or potential value of information submitted to the institute by an applicant for or recipient of an institute grant, the following information submitted by such applicant or recipient is confidential and is not subject to disclosure under Chapter 552, Government Code, or any other law:

(1) all information, except as provided in Subsection (a), that is contained in a grant award contract between the institute and a grant recipient, relating to a product, device, or process, the application or use of such a product, device, or process, and all technological and scientific information, including computer programs, developed in whole or in part by an applicant for or recipient of an institute grant, regardless of whether patentable or capable of being registered under copyright or trademark laws, that has a potential for being sold, traded, or licensed for a fee; and

(2) the plans, specifications, blueprints, and designs, including related proprietary information, of a scientific research and development facility.

(c) The records of a nonprofit organization established to provide support to the institute are public information subject to Chapter 552, Government Code.

(d) The institute shall post on the institute's Internet website records that pertain specifically to any gift, grant, or other consideration provided to the institute, an institute employee, or a member of an institute committee. The posted information must include each donor's name and the amount and date of the donor's donation.

Added by Acts 2009, 81st Leg., R.S., Ch. 368 (H.B. 1358), Sec. 15, eff. June 19, 2009.
Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 448 (S.B. 1421), Sec. 2, eff.
Sec. 102.263. COMPLIANCE PROGRAM. (a) In this section, "compliance program" means a process to assess and ensure compliance by the institute's committee members and employees with applicable laws, rules, and policies, including matters of:

(1) ethics and standards of conduct;
(2) financial reporting;
(3) internal accounting controls; and
(4) auditing.

(b) The institute shall establish a compliance program that operates under the direction of the institute's chief compliance officer. The institute may establish procedures, such as a telephone hotline, to allow private access to the compliance program office and to preserve the confidentiality of communications and the anonymity of a person making a compliance report or participating in a compliance investigation.

(c) The following are confidential and are not subject to disclosure under Chapter 552, Government Code:

(1) information that directly or indirectly reveals the identity of an individual who made a report to the institute's compliance program office, sought guidance from the office, or participated in an investigation conducted under the compliance program;

(2) information that directly or indirectly reveals the identity of an individual who is alleged to have or may have planned, initiated, or participated in activities that are the subject of a report made to the office if, after completing an investigation, the office determines the report to be unsubstantiated or without merit; and

(3) other information that is collected or produced in a compliance program investigation if releasing the information would interfere with an ongoing compliance investigation.

(d) Subsection (c) does not apply to information related to an individual who consents to disclosure of the information.
(e) Information made confidential or excepted from public disclosure by this section may be made available to the following on request in compliance with applicable laws and procedures:

(1) a law enforcement agency or prosecutor;

(2) a governmental agency responsible for investigating the matter that is the subject of a compliance report, including the Texas Workforce Commission civil rights division or the federal Equal Employment Opportunity Commission; or

(3) a committee member or institute employee who is responsible under institutional policy for a compliance program investigation or for a review of a compliance program investigation.

(f) A disclosure under Subsection (e) is not a voluntary disclosure for purposes of Section 552.007, Government Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 27, eff. June 14, 2013.

Sec. 102.2631. COMPLIANCE MATTERS; CLOSED MEETING. The oversight committee may conduct a closed meeting under Chapter 551, Government Code, to discuss an ongoing compliance investigation into issues related to fraud, waste, or abuse of state resources.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 27, eff. June 14, 2013.

Sec. 102.264. PROGRAM INTEGRATION COMMITTEE. (a) The institute shall establish a program integration committee. The committee is composed of the following five members:

(1) the chief executive officer;

(2) the chief scientific officer;

(3) the chief product development officer;

(4) the commissioner of state health services; and

(5) the chief prevention officer.

(b) The committee has the duties assigned under this chapter.

(c) The chief executive officer shall serve as the presiding officer of the program integration committee.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 27, eff. June 14, 2013.
SUBCHAPTER G. CANCER PREVENTION AND RESEARCH INTEREST AND SINKING FUND

Sec. 102.270. ESTABLISHMENT OF FUND. (a) The cancer prevention and research interest and sinking fund is a dedicated account in the general revenue fund.

(b) The fund consists of:

(1) patent, royalty, and license fees and other income received under a contract entered into as provided by Section 102.255; and

(2) interest earned on the investment of money in the fund.

(c) The fund may be used only to pay for debt service on bonds issued as authorized by Section 67, Article III, Texas Constitution, at a time and in a manner to be determined by the legislature in the General Appropriations Act.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1150 (S.B. 149), Sec. 28, eff. June 14, 2013.

CHAPTER 103. TEXAS DIABETES COUNCIL

Sec. 103.001. DEFINITIONS. In this chapter:

(1) "Council" means the Texas Diabetes Council.

(2) "Person with diabetes" means a person diagnosed by a physician as having diabetes.

Sec. 103.002. COMPOSITION OF COUNCIL. (a) The Texas Diabetes Council is composed of 11 citizen members appointed from the public and one representative each from the department, the Health and Human Services Commission, and the Department of Assistive and Rehabilitative Services.

(b) The governor, with the advice and consent of the senate, shall appoint the following citizen members:

(1) a licensed physician with a specialization in treating diabetes;

(2) a registered nurse with a specialization in diabetes education and training;
(3) a registered and licensed dietitian with a specialization in the diabetes education field;
(4) a person with experience and training in public health policy;
(5) three consumer members, with special consideration given to persons active in the Texas affiliates of the Juvenile Diabetes Foundation or the American Diabetes Association; and
(6) four members from the general public with expertise or demonstrated commitment to diabetes issues.

(b-1) In making appointments under this section, the governor shall attempt to appoint members of different minority groups including females, African-Americans, Hispanic-Americans, Native Americans, and Asian-Americans.

(c) The chairman of the board of each agency listed in Subsection (a) shall appoint that agency's representative. Agency representatives shall be nonvoting members of the council.

(d) Appointments to the council shall be made without regard to the race, color, disability, creed, sex, religion, age, or national origin of the appointees.

Acts 2011, 82nd Leg., R.S., Ch. 1176 (H.B. 3278), Sec. 6, eff. June 17, 2011.

Sec. 103.0024. TRAINING. (a) A person who is appointed to and qualifies for office as a member of the council may not vote, deliberate, or be counted as a member in attendance at a meeting of the council until the person completes a training program that complies with this section.

(b) The training program must provide the person with information regarding:

(1) the legislation that created the council;
(2) the programs operated by the council;
(3) the role and functions of the council;
(4) the rules of the council;
(5) the current budget for the council;
(6) the results of the most recent formal audit of the council;
(7) the requirements of:
   (A) the open meetings law, Chapter 551, Government Code;
   (B) the public information law, Chapter 552, Government Code;
   (C) the administrative procedure law, Chapter 2001, Government Code; and
   (D) other laws relating to public officials, including conflict-of-interest laws; and
(8) any applicable ethics policies adopted by the council or the Texas Ethics Commission.

(c) A person appointed to the council is entitled to reimbursement, as provided by the General Appropriations Act, for the travel expenses incurred in attending the training program regardless of whether the attendance at the program occurs before or after the person qualifies for office.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 12.03, eff. Sept. 1, 1999.

Sec. 103.0025. INFORMATION ABOUT STANDARDS OF CONDUCT. The commissioner or the commissioner's designee shall provide to members of the council, as often as necessary, information regarding the requirements for office under this chapter, including information regarding a person's responsibilities under applicable laws relating to standards of conduct for state officers.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 12.03, eff. Sept. 1, 1999.

Sec. 103.004. RESTRICTIONS ON COUNCIL APPOINTMENT, MEMBERSHIP, OR EMPLOYMENT. (a) A person is not eligible for appointment or service as a citizen member if the person or the person's spouse:
   (1) is employed by or participates in the management of a business entity or other organization receiving funds at the
council's direction;

(2) owns or controls directly or indirectly more than a 10 percent interest in a business entity or other organization receiving funds at the council's direction; or

(3) uses or receives a substantial amount of tangible goods, services, or funds from the department at the council's direction, other than compensation or reimbursement authorized by law for council membership, attendance, or expenses.

(b) A person who is required to register as a lobbyist under Chapter 305, Government Code, may not serve as a member of the council or act as the general counsel.

(c) An officer, employee, or paid consultant of a trade association in the field of health care may not be a member or employee of the council. A person who is the spouse of an officer, employee, or paid consultant of a trade association in the field of health care may not be a member of the council and may not be an employee, including an employee exempt from the state's position classification plan, who is compensated at or above the amount prescribed by the General Appropriations Act for step 1, salary group 17, of the position classification salary schedule.

(d) For purposes of Subsection (c), a trade association is a nonprofit, cooperative, and voluntary association of business or professional competitors designed to assist its members and its industry or profession in dealing with mutual business or professional problems and in promoting their common interests.

Sec. 103.005. TERMS. (a) Council members appointed by the governor serve for staggered six-year terms, with the terms of three or four members expiring February 1 of each odd-numbered year.

(b) A council member appointed as a representative of an agency serves at the will of the appointing agency.

Sec. 103.006. CHAIRMAN. The governor shall designate a member of the council as the chairman of the council to serve in that capacity at the will of the governor.

Sec. 103.007. REMOVAL OF COUNCIL MEMBER. (a) It is a ground for removal from the council if a member:

(1) is not eligible for appointment to the council at the time of appointment as provided by Section 103.004(a);
(2) is not eligible to serve on the council as provided by Section 103.004(a);
(3) violates a prohibition established by Section 103.004(b) or (c);
(4) cannot discharge the member's duties for a substantial part of the term for which the member is appointed because of illness or disability; or
(5) is absent from more than half of the regularly scheduled council meetings that the member is eligible to attend during each calendar year unless the absence is excused by majority vote of the council.

(b) The validity of an action of the council is not affected by the fact that it is taken when a ground for removal of a member of the council exists.

(c) If the chairman of the council has knowledge that a potential ground for removal exists, the chairman shall notify the governor of its existence.

(d) The council shall inform its members as often as necessary of:

(1) the qualifications for office prescribed by this chapter; and
(2) their responsibilities under applicable laws relating to standards of conduct for state officers or employees.

Sec. 103.008. VACANCY. (a) The office of a member appointed by an agency becomes vacant when the person terminates employment
with the agency or when the agency elects to replace the person as provided by Section 103.005.

(b) If the office of a member who is an agency representative becomes vacant, the chairman of the board of that agency shall appoint an agency representative to serve for the remainder of that member's term.

Sec. 103.009. REIMBURSEMENT. (a) The department shall reimburse council and advisory committee members for travel and other necessary expenses incurred in performing official duties at the same rate provided for state employees in the General Appropriations Act.

(b) Funds for travel reimbursement shall be appropriated to the department.

Sec. 103.010. STAFF SUPPORT. Each agency represented on the council shall provide the council with periodic staff support of specialists as needed and may provide staff support to an advisory committee.

Sec. 103.0105. DIVISION OF POLICY AND MANAGEMENT RESPONSIBILITIES. The council shall develop and implement policies that clearly separate the policymaking responsibilities of the council and the management responsibilities of the commissioner and the staff of the department.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 12.04, eff. Sept. 1, 1999.

Sec. 103.011. ADVISORY COMMITTEES. (a) The council may establish advisory committees the council considers necessary and may
determine the appropriate membership for each committee.

(b) The council shall specify the purpose and duties of each advisory committee and shall specify any product the committee is required to develop.

(c) Members of an advisory committee serve at the will of the council. The council may dissolve an advisory committee when necessary.

Sec. 103.012. MEETINGS. (a) The council shall meet at least quarterly and shall adopt rules for the conduct of its meetings.

(b) Any action taken by the council must be approved by a majority of the voting members present.

Sec. 103.013. STATE PLAN. (a) The council shall develop and implement a state plan for diabetes treatment, education, and training to ensure that:

(1) this chapter is properly implemented by the agencies affected;

(2) incentives are offered for private sources to maintain present commitments and to assist in developing new programs; and

(3) a procedure for review of individual complaints about services provided under this chapter is implemented.

(b) The state plan may include provisions to ensure that:

(1) individual and family needs are assessed statewide and all available resources are coordinated to meet those needs; and

(2) health care provider needs are assessed statewide and strategies are developed to meet those needs.

(c) The council shall make written recommendations for performing its duties under this chapter to the board and the legislature. If the council considers a recommendation that will affect an agency not represented on the council, the council shall seek the advice and assistance of the agency before taking action on the recommendation. The council's recommendations shall be implemented by the agencies affected by the recommendations.
(d) The council shall submit the state plan to the state agency designated as the state health planning and development agency not later than November 1 of each odd-numbered year.

(e) Each state agency affected by the state plan shall:

(1) determine what resources would be required to implement the portions of the state plan affecting that agency; and

(2) determine whether that agency will seek funds to implement that portion of the state plan.

(f) Not later than November 1 of each even-numbered year, each state agency affected by the state plan shall report to the council, the Legislative Budget Board, and the Governor's Office of Budget and Planning:

(1) information determined under Subsection (e); and

(2) each deviation from the council's proposed plan, including an explanation for the deviation.

(g) The report required under Subsection (f) may be published electronically on a state agency's Internet website. A state agency that electronically publishes a report under this subsection shall notify each agency entitled to receive a copy of the report that the report is available on the agency's Internet website on or before the date the report is due.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1312 (S.B. 59), Sec. 64, eff. September 1, 2013.

Sec. 103.0131. ASSESSMENT OF PROGRAMS TO PREVENT AND TREAT DIABETES. (a) In conjunction with developing each state plan described in Section 103.013, the council shall conduct a statewide assessment of existing programs for the prevention of diabetes and treatment of individuals with diabetes that are administered by the Health and Human Services Commission or a health and human services agency, as defined by Section 531.001, Government Code. As part of the assessment, the council shall collect data regarding:

(1) the number of individuals served by the programs;

(2) the areas where services to prevent diabetes and treat individuals with diabetes are unavailable; and

(3) the number of health care providers treating
individuals with diabetes under the programs.

(b) Not later than November 1 of each odd-numbered year, the council shall submit to the governor, the lieutenant governor, and the legislature a written report containing the findings of the assessment conducted under Subsection (a).

Added by Acts 2011, 82nd Leg., R.S., Ch. 409 (S.B. 796), Sec. 2, eff. September 1, 2011.

Sec. 103.014. POWERS AND DUTIES. (a) The council shall address contemporary issues affecting health promotion services in the state, including:

(1) professional and patient education;
(2) successful diabetes education strategies;
(3) personnel preparation and continuing education;
(4) state expenditures for treatment of chronic diseases;
(5) screening services; and
(6) public awareness.

(b) The council shall advise the legislature on legislation that is needed to develop further and maintain a statewide system of quality education services for all persons with diabetes. The council may develop and submit legislation to the legislature or comment on pending legislation that affects persons with diabetes.

(c) The council may:

(1) compile and publish regional directories of services for persons with diabetes;
(2) design or adapt and publish a handbook in English and Spanish relating to diet, exercise, and other self-care management skills for persons with diabetes;
(3) study the feasibility of a statewide hotline for persons with diabetes; and
(4) study the standards and structure of pilot programs to provide diabetes education and training in this state.

(d) The council may engage in studies that it determines are necessary or suitable under the state plan as provided by this chapter.

(e) The department shall accept funds appropriated for the purposes of this chapter and shall allocate those funds. The council shall make recommendations to the department concerning the
Sec. 103.015. GIFTS AND GRANTS. (a) The council may receive gifts and grants from any public or private source to perform its duties under this chapter. The department shall accept the gifts on behalf of the council and shall deposit any funds accepted under this section to the credit of a special account in the general revenue fund.

(b) The department may retain five percent of any monetary gifts accepted on behalf of the council to cover its costs in administering this section.

Sec. 103.016. PUBLIC INFORMATION AND PARTICIPATION; COMPLAINTS. (a) The council shall prepare information of public interest describing the functions of the council and describing council procedures by which complaints are filed with and resolved by the council. The council shall make the information available to the general public and appropriate state agencies.

(b) The council by rule shall establish methods by which consumers or service recipients are notified of the name, mailing address, and telephone number of the council for the purpose of directing complaints to the council.

(c) The council shall develop and implement policies that provide the public with a reasonable opportunity to appear before the council and to speak on any issue under the jurisdiction of the council.

Sec. 103.017. PUBLIC AWARENESS AND TRAINING. (a) The department, the Department of Assistive and Rehabilitative Services, and the Health and Human Services Commission shall work with the council to jointly develop, produce, and implement a general public awareness strategy focusing on diabetes, its complications, and
techniques for achieving good management. Each agency shall pay for the costs of producing and disseminating information on diabetes to clients served by that agency.

(b) The strategy developed under Subsection (a) must include a plan under which the council provides public awareness information through businesses, civic organizations, and similar entities.

(c) The department, the Department of Assistive and Rehabilitative Services, and the Health and Human Services Commission may jointly develop and implement a statewide plan for conducting regional training sessions for public and private service providers, including institutional health care providers, who have routine contact with persons with diabetes.

(d) The council must approve the strategies and plans developed under this section.

Acts 2011, 82nd Leg., R.S., Ch. 1176 (H.B. 3278), Sec. 7, eff. June 17, 2011.

Sec. 103.0175. MATERIALS FOR SCHOOL-BASED AND SCHOOL-LINKED CLINICS. The council, in consultation with the department, shall develop and make available materials that provide information about diabetes to be distributed to students and the parents of students by health clinics at public primary or secondary schools.

Added by Acts 1997, 75th Leg., ch. 1285, Sec. 4.01, eff. Sept. 1, 1997.

Sec. 103.019. AUDIT. The financial transactions pertaining to the council are subject to audit by the state auditor in accordance with Chapter 321, Government Code.

For expiration of this chapter, see Section 103A.011.

CHAPTER 103A.  TEXAS BLEEDING DISORDERS ADVISORY COUNCIL

Sec. 103A.001.  DEFINITIONS.  In this chapter:

(1) "Commissioner" means the commissioner of state health services.

(2) "Council" means the Texas Bleeding Disorders Advisory Council.

(3) "Department" means the Department of State Health Services.

(4) "Hemophilia" has the meaning assigned by Section 41.001.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 1, eff. September 1, 2011.

Sec. 103A.002.  COMPOSITION OF COUNCIL.  (a) The council is composed of:

(1) the commissioner and the commissioner of insurance, or their designees, serving as nonvoting members; and

(2) 10 voting members jointly appointed by the commissioner and the commissioner of insurance as follows:

(A) one member who is a physician licensed to practice medicine in this state under Subtitle B, Title 3, Occupations Code, who at the time of appointment treats individuals with hemophilia or other bleeding or clotting disorders;

(B) one member who is a nurse licensed under Chapter 301, Occupations Code, who at the time of appointment treats individuals with hemophilia or other bleeding or clotting disorders;

(C) one member who is a social worker licensed under Chapter 505, Occupations Code, who at the time of appointment treats individuals with hemophilia or other bleeding or clotting disorders;

(D) one member who is a representative of a hemophilia treatment center in this state that is federally funded;

(E) one member who is a representative of a health insurer or other health benefit plan issuer that holds a certificate of authority issued by the Texas Department of Insurance;

(F) one member who is a representative of a volunteer or nonprofit health organization that serves residents of this state who have hemophilia or another bleeding or clotting disorder;
(G) one member who has hemophilia or is a caregiver of a person with hemophilia;

(H) one member who has a bleeding disorder other than hemophilia or is a caregiver of a person with a bleeding disorder other than hemophilia;

(I) one member who has a clotting disorder or is a caregiver of a person with a clotting disorder; and

(J) one member who is a pharmacist licensed under Subtitle J, Title 3, Occupations Code, with hemophilia therapy experience, who at the time of appointment represents a pharmacy provider that is not a specialty pharmacy provider participating in the Drug Pricing Program under Section 340B, Public Health Service Act (42 U.S.C. Section 256b).

(b) In addition to council members appointed under Subsection (a), the commissioner and the commissioner of insurance may jointly appoint up to five nonvoting members, including:

(1) persons with hemophilia or other bleeding or clotting disorders or caregivers of persons with hemophilia or other bleeding or clotting disorders; and

(2) persons experienced in the diagnosis, treatment, care, and support of persons with hemophilia or other bleeding or clotting disorders.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 1, eff. September 1, 2011.

Sec. 103A.003. VACANCY. If a vacancy occurs on the council, the commissioner and the commissioner of insurance shall jointly appoint a person to serve for the remainder of the unexpired term.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 1, eff. September 1, 2011.

Sec. 103A.004. PRESIDING OFFICER. Council members shall elect from among the voting council members a presiding officer. The presiding officer retains all voting rights.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 1, eff. September 1, 2011.
Sec. 103A.005. COMPENSATION AND REIMBURSEMENT. A council member may not:

(1) receive compensation for service on the council; and
(2) be reimbursed for actual and necessary expenses incurred while performing council business except to the extent that money available under Section 103A.009 is designated for that purpose.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 1, eff. September 1, 2011.

Sec. 103A.006. MEETINGS. The council shall meet at least quarterly and at the call of the commissioner or presiding officer.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 1, eff. September 1, 2011.

Sec. 103A.007. DUTIES OF COUNCIL. The council using existing resources may conduct studies and advise the department, the Health and Human Services Commission, and the Texas Department of Insurance on:

(1) public use data, outcome data, and other information submitted to or collected by the department under Chapter 108 or other law related to hemophilia or other bleeding or clotting disorders and the department's disclosure and dissemination of that information within and outside the department; and
(2) other issues that affect the health and wellness of persons living with hemophilia or other bleeding or clotting disorders.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 1, eff. September 1, 2011.

Sec. 103A.008. ANNUAL REPORTS BY COUNCIL AND COMMISSIONER. (a) Not later than December 1 of each even-numbered year, the council using existing resources shall submit a report of its findings and
recommendations to the governor, the lieutenant governor, and the speaker of the house of representatives. The council's report must be made public and is subject to public review and comment before adoption by the council.

(b) Not later than six months after the date the council's annual report is issued, the commissioner shall report on efforts to implement the recommendations in the report. The commissioner's annual report must:

1. be made available to the public; and
2. include any related state or national activities in which the council participates.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 1, eff. September 1, 2011.

Sec. 103A.009. GIFTS, GRANTS, AND DONATIONS. The commissioner may accept for the council gifts, grants, and donations to fulfill the council's purposes and duties under this chapter. The department is not required to perform any fund-raising activities or to solicit donations for the council.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 1, eff. September 1, 2011.

Sec. 103A.011. EXPIRATION. This chapter expires and the council is abolished September 1, 2015.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 1, eff. September 1, 2011.

CHAPTER 104. STATEWIDE HEALTH COORDINATING COUNCIL AND STATE HEALTH PLAN

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 104.001. POLICY; PURPOSE. (a) The policy of this state and the purpose of this chapter are to ensure that health care services and facilities are available to all citizens in an orderly and economical manner.

(b) To achieve this purpose it is essential that:
(1) appropriate health planning activities are undertaken and implemented; and

(2) health care services and facilities are provided in a cost-effective manner, compatible with the health care needs of the different areas and populations of the state.

Acts 2009, 81st Leg., R.S., Ch. 797 (S.B. 1326), Sec. 1, eff. June 19, 2009.

Sec. 104.002. DEFINITIONS. In this chapter:

(1) "Commission" means the Health and Human Services Commission.

(2) "Commissioner" means the commissioner of the Department of State Health Services.

(3) "Department" means the Department of State Health Services.

(4) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(5) "Health care facility" means a public or private hospital, skilled nursing facility, intermediate care facility, ambulatory surgical center, family planning clinic that performs ambulatory surgical procedures, rural or urban health initiative clinic, end stage renal disease facility, and inpatient rehabilitation facility. The term does not include the office of physicians or practitioners of the healing arts practicing individually or in groups.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:
Acts 2009, 81st Leg., R.S., Ch. 797 (S.B. 1326), Sec. 2, eff. June 19, 2009.

Sec. 104.004. INTERAGENCY COOPERATION. Each state agency, department, instrumentality, grantee, political subdivision, and institution of higher education shall cooperate with the department in performing assigned duties and functions.
Sec. 104.005. LIMITATIONS ON POWERS OF DEPARTMENT. This chapter does not authorize the department or an official or employee of the department to:

(1) supervise or control the practice of medicine, the manner in which physician's services in private practice are provided, or the selection, tenure, compensation, or fees of a physician in the delivery of physician's services; or

(2) perform a duty or function under Title XI of the Social Security Act (42 U.S.C. Sec. 1301 et seq.) or a rule or regulation adopted under that Act.

SUBCHAPTER B. STATEWIDE HEALTH COORDINATING COUNCIL

Sec. 104.011. COMPOSITION OF COUNCIL. (a) The statewide health coordinating council is composed of 17 members determined as follows:

(1) the executive commissioner or a representative designated by the executive commissioner;

(2) the chair of the Texas Higher Education Coordinating Board or a representative designated by the presiding officer;

(3) the commissioner or a representative designated by the commissioner;

(4) the presiding officer of the Department of Aging and Disability Services or a representative designated by the presiding officer; and

(5) the following members appointed by the governor:

(A) three health care professionals from the allied health, dental, medical, mental health, and pharmacy professions, no two of whom may be from the same profession;

(B) one registered nurse;

(C) two representatives of a university or health-related institution of higher education;

(D) one representative of a junior or community college with a nursing program;

(E) one hospital administrator;
(F) one managed care administrator; and
(G) four public members.

(b) The appointments of the governor shall be with the advice and consent of the senate.

(c) The governor shall designate a member of the council as the presiding officer of the council to serve in that capacity at the will of the governor.

(d) Appointments to the council shall be made without regard to the race, color, disability, sex, religion, age, or national origin of the appointees.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 797 (S.B. 1326), Sec. 3, eff. June 19, 2009.

Sec. 104.0111. CONFLICT OF INTEREST. (a) In this section, "Texas trade association" means a cooperative and voluntarily joined association of business or professional competitors in this state designed to assist its members and its industry or profession in dealing with mutual business or professional problems and in promoting their common interest.

(b) A person may not be a member of the statewide health coordinating council if:

(1) the person is an officer, employee, or paid consultant of a Texas trade association in the field of medicine; or

(2) the person's spouse is an officer, manager, or paid consultant of a Texas trade association in the field of medicine.

(c) A person may not be a member of the council if the person is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a profession related to the operation of the council.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 11.02, eff. Sept. 1, 1999.
Sec. 104.0112. GROUNDS FOR REMOVAL. (a) It is a ground for removal from the statewide health coordinating council that a member:

(1) does not have at the time of taking office the qualifications required by Section 104.011(a);
(2) does not maintain during service on the council the qualifications required by Section 104.011(a);
(3) is ineligible for membership under Section 104.0111;
(4) cannot, because of illness or disability, discharge the member's duties for a substantial part of the member's term; or
(5) is absent from more than half of the regularly scheduled council meetings that the member is eligible to attend during a calendar year without an excuse approved by a majority vote of the council.

(b) The validity of an action of the council is not affected by the fact that it is taken when a ground for removal of a council member exists.

(c) If the commissioner has knowledge that a potential ground for removal exists, the commissioner shall notify the presiding officer of the council of the potential ground. The presiding officer shall then notify the governor and the attorney general that a potential ground for removal exists. If the potential ground for removal involves the presiding officer, the commissioner shall notify the next highest ranking officer of the council, who shall then notify the governor and the attorney general that a potential ground for removal exists.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 11.02, eff. Sept. 1, 1999.

Sec. 104.0113. TRAINING. (a) A person who is appointed to and qualifies for office as a member of the statewide health coordinating council may not vote, deliberate, or be counted as a member in attendance at a meeting of the council until the person completes a training program that complies with this section.

(b) The training program must provide the person with information regarding:

(1) the legislation that created the council;
(2) the programs operated by the council;
(3) the role and functions of the council;
(4) the rules of the council;
(5) the current budget for the council;
(6) the results of the most recent formal audit of the council;
(7) the requirements of:
   (A) the open meetings law, Chapter 551, Government Code;
   (B) the public information law, Chapter 552, Government Code;
   (C) the administrative procedure law, Chapter 2001, Government Code; and
   (D) other laws relating to public officials, including conflict-of-interest laws; and
(8) any applicable ethics policies adopted by the council or the Texas Ethics Commission.

(c) A person appointed to the council is entitled to reimbursement, as provided by the General Appropriations Act, for the travel expenses incurred in attending the training program regardless of whether the attendance at the program occurs before or after the person qualifies for office.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 11.02, eff. Sept. 1, 1999.

Sec. 104.0115. TERMS. (a) Members of the council serve for staggered six-year terms, with the terms of four or five members expiring August 31 of each odd-numbered year.

(b) An appointment to fill a vacancy is for the unexpired term.

Sec. 104.012. RULES. The statewide health coordinating council shall adopt rules governing the development and implementation of the state health plan.

Sec. 104.013. FEES. The statewide health coordinating council may establish and charge fees for public health planning, data, and statistical services.

Sec. 104.014. ASSISTANCE. The department, in accordance with rules adopted by the statewide health coordinating council, shall assist the council in performing the council's duties and functions.

Sec. 104.0141. DIVISION OF POLICY AND MANAGEMENT RESPONSIBILITIES. The statewide health coordinating council shall develop and implement policies that clearly separate the policymaking responsibilities of the council and the management responsibilities of the commissioner and the staff of the department.
Added by Acts 1999, 76th Leg., ch. 1411, Sec. 11.03, eff. Sept. 1, 1999.

Sec. 104.0142. INFORMATION ABOUT STANDARDS OF CONDUCT. The commissioner or the commissioner's designee shall provide to members of the statewide health coordinating council, as often as necessary, information regarding the requirements for office under this chapter, including information regarding a person's responsibilities under applicable laws relating to standards of conduct for state officers.
Added by Acts 1999, 76th Leg., ch. 1411, Sec. 11.03, eff. Sept. 1, 1999.

Sec. 104.015. ADVISORY BOARDS AND AD HOC COMMITTEES. The statewide health coordinating council may form advisory boards or ad hoc committees composed of individuals from the public and private sectors to review policy matters related to the council's purpose.
Sec. 104.0155. NURSING ADVISORY COMMITTEE. (a) The statewide health coordinating council shall form a nursing advisory committee the majority of the members of which must be nurses. The committee:

(1) must include:
  (A) members of associations that represent nurses, educators of nurses, and employers of nurses;
  (B) members who represent the Texas Board of Nursing; and
  (C) a nurse researcher; and

(2) may include other members who are health care experts from the public or private sector, nurses, nurse educators, employers of nurses, or consumers of nursing services.

(b) The committee shall:

(1) review policy matters on the collection of data and reports performed under Chapter 105 that relate to the nursing profession;

(2) subject to approval of the council, develop priorities and an operations plan for the nursing resource section under Section 105.002(b); and

(3) review reports and information before dissemination.

(c) A nurse member of the committee and a nurse member of the statewide health coordinating council shall cochair the committee.

(d) Chapter 2110, Government Code, does not apply to the committee formed under this section.

(e) Meetings of the committee under this section are subject to Chapter 551, Government Code.

Added by Acts 2003, 78th Leg., ch. 728, Sec. 7, eff. June 20, 2003. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 797 (S.B. 1326), Sec. 5, eff. June 19, 2009.

Sec. 104.0156. HEALTH CARE INFORMATION TECHNOLOGY ADVISORY COMMITTEE. (a) The statewide health coordinating council shall form
an advisory committee on health care information technology. The committee must include representatives of interested groups, including the academic community, health plans, pharmacies, and associations of physicians, hospitals, and nurses. The committee must also include at least one member with at least 10 years of experience in the health care information technology industry.

(b) The advisory committee shall develop a long-range plan for health care information technology, including the use of electronic medical records, computerized clinical support systems, computerized physician order entry, regional data sharing interchanges for health care information, and other methods of incorporating information technology in pursuit of greater cost-effectiveness and better patient outcomes in health care. In developing the long-range plan, the advisory committee shall study the effect of health care information technology on price disparities in insurance coverage for residents of this state.

(c) The advisory committee shall elect a presiding officer.

(d) Members of the advisory committee serve without compensation but are entitled to reimbursement for the members' travel expenses as provided by Chapter 660, Government Code, and the General Appropriations Act.

(e) Chapter 2110, Government Code, does not apply to the size, composition, or duration of the advisory committee.

(f) Meetings of the advisory committee under this section are subject to Chapter 551, Government Code.

Added by Acts 2005, 79th Leg., Ch. 785 (S.B. 45), Sec. 1, eff. September 1, 2005.

Sec. 104.016. PUBLIC TESTIMONY. The statewide health coordinating council shall develop and implement policies that provide the public with a reasonable opportunity to appear before the council and to speak on any issue under the jurisdiction of the council.

Added by Acts 1999, 76th Leg., ch. 1411, Sec. 11.04, eff. Sept. 1, 1999.

SUBCHAPTER C. STATE HEALTH PLAN
Sec. 104.021. PROPOSED STATE HEALTH PLAN. (a) The department, in accordance with rules adopted by the statewide health coordinating council, shall prepare and review a proposed state health plan every six years and shall revise and update the plan biennially.

(b) The department shall submit the proposed plan to the statewide health coordinating council.

Sec. 104.022. STATE HEALTH PLAN. (a) Information needed for the development of the state health plan shall be gathered through systematic methods designed to include local, regional, and statewide perspectives.

(b) The statewide health coordinating council, in consultation with the commission, shall issue overall directives for the development of the state health plan.

(c) The department shall consult with the Department of Aging and Disability Services, the commission, and other appropriate health-related state agencies designated by the governor before performing the duties and functions prescribed by state and federal law regarding the development of the state health plan.

(d) The statewide health coordinating council shall provide guidance to the department in developing the state health plan.

(e) The state health plan shall be developed and used in accordance with applicable state and federal law. The plan must identify:

1. major statewide health concerns;
2. the availability and use of current health resources of the state, including resources associated with information technology and state-supported institutions of higher education; and
3. future health service, information technology, and facility needs of the state.

(f) The state health plan must:
1. propose strategies for the correction of major deficiencies in the service delivery system;
2. propose strategies for incorporating information technology in the service delivery system;
3. propose strategies for involving state-supported
institutions of higher education in providing health services and for coordinating those efforts with health and human services agencies in order to close gaps in services; and

(4) provide direction for the state's legislative and executive decision-making processes to implement the strategies proposed by the plan.

Amended by:
Acts 2005, 79th Leg., Ch. 785 (S.B. 45), Sec. 2, eff. September 1, 2005.
Acts 2009, 81st Leg., R.S., Ch. 797 (S.B. 1326), Sec. 6, eff. June 19, 2009.

Sec. 104.023. REVIEW OF STATE HEALTH PLAN. The statewide health coordination council shall submit the state health plan to the Health and Human Services Commission for review and comment before the plan is sent to the governor.

Sec. 104.024. SUBMISSION OF PLAN TO GOVERNOR. The statewide health coordination council shall approve the state health plan for submission to the governor in accordance with applicable federal law and, not later than November 1 of each even-numbered year, submit the plan to the governor for adoption.

Sec. 104.025. IMPLEMENTATION OF STATE HEALTH PLAN. The statewide health coordinating council shall promote the implementation of the recommendations made in the state health plan.
Sec. 104.026. COST DATA. (a) A state agency directly affected by a recommendation in the state health plan shall submit cost data for the implementation of the recommendation to the department and to the statewide health coordinating council, and shall indicate whether the agency is requesting funds in a manner consistent with the plan's recommendation.

(b) If the agency does not request funds consistent with the state health plan's recommendation, the agency shall submit an explanation and justification of any deviation.

(c) The department shall submit information received under this section to the Legislative Budget Board and the governor's budget office not later than November 1 of each even-numbered year.

SUBCHAPTER D. THE DEPARTMENT AND THE STATE HEALTH PLAN

Sec. 104.042. DATA COLLECTION. (a) The executive commissioner by rule shall establish reasonable procedures for the collection of data by the department from health care facilities and for the distribution of data necessary to facilitate and expedite proper and effective health planning and resource development.

(b) The executive commissioner by rule shall specify the type of data required, the entities required to submit the data, and the period during which the data must be submitted.

(c) The department, in accordance with rules adopted by the statewide health coordinating council, shall collect and distribute data necessary to support specific state health plan goals.

(d) The department shall file, index, and periodically publish in a coherent manner summaries or analyses of the data collected.

(e) Data received by the department under this section containing information identifying specific patients is confidential, is not subject to disclosure under Chapter 552, Government Code, and may not be released unless the information identifying the patient is removed. This subsection does not authorize the release of information that is confidential under Chapter 108.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 104.0421.  STATEWIDE DATA COLLECTION AND COORDINATION.  (a) The statewide health coordinating council shall work with appropriate health professional licensing agencies to develop uniform standards for health professional data collected by those agencies to enable the council to maintain a comprehensive health professional database.

(b) The council shall retrieve data on health professionals from the appropriate licensing agencies. The council may seek the assistance of the appropriate licensing agency or department in the retrieval of data on health professionals.

(c) The council shall monitor and evaluate long-term regional, statewide, and local health needs. The council shall use this evaluation for developing recommendations relating to health education, training, and regulation.

(d) The council shall use data collected under this section to develop workforce goals for health professionals and to recommend the appropriate level and distribution of state funding for education and training to achieve these goals. The council shall evaluate the short-term and long-term effects of the recommendations made under this subsection.

(e) The council shall, with the assistance of higher education agencies and institutions, area health education centers, teaching hospitals, and health education institutions, improve coordination of statewide health planning. The council may seek the assistance of the National Association of Health Data Organizations, the Association of American Medical Colleges, the National Council of State Legislatures, the American Association of Colleges of Osteopathic Medicine, the Association of American Health Centers, and any other appropriate entities.

(f) The department shall continue to assist the council and the health professions resource center with the development of the state health plan. The council shall coordinate related health planning functions within the department. The staff of the health professions
resource center shall continue to be department employees but are governed by the council.

Added by Acts 1997, 75th Leg., ch. 1386, Sec. 8, eff. Sept. 1, 1997. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 797 (S.B. 1326), Sec. 8, eff. June 19, 2009.

Sec. 104.043. FAILURE TO SUBMIT DATA; CIVIL PENALTY. (a) If the department does not receive necessary data from an entity as required by the executive commissioner's rules, the department shall send to the entity a notice requiring the entity to submit the data not later than the 30th day after the date on which the entity receives the notice.

(b) An entity that does not submit the data during the period determined under Subsection (a) is subject to a civil penalty of not more than $500 for each day after the period that the entity fails to submit the data.

(c) At the request of the executive commissioner, the attorney general shall sue in the name of the state to recover the civil penalty.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 797 (S.B. 1326), Sec. 9, eff. June 19, 2009.

Sec. 104.044. SORTING COLLECTED DATA. (a) The department shall compile the health data collected under this subchapter and organize the results, to the extent possible, according to the following geographic areas:

(1) the Texas-Mexico border region;
(2) each public health region;
(3) rural areas;
(4) urban areas;
(5) each county; and
(6) the state.

(b) Health data released under this subchapter must be released in accordance with the way it is compiled under this section.
CHAPTER 105. HEALTH PROFESSIONS RESOURCE CENTER

Sec. 105.001. DEFINITIONS. In this chapter:

(1) "Health profession" means any health or allied health profession that is licensed, certified, or registered by a state board, agency, or association.

(2) "Council" means the statewide health coordinating council.

Sec. 105.002. ESTABLISHMENT OF CENTER. (a) In conjunction with the Texas Higher Education Coordinating Board and in such a way as to avoid duplication of effort, the council shall establish a comprehensive health professions resource center for the collection and analysis of educational and employment trends for health professions in this state.

(b) In conjunction with the committee formed under Section 104.0155, to avoid duplication of effort, and to the extent funding is available through fees collected under Section 301.155(c), Occupations Code, the council shall establish a nursing resource section within the center for the collection and analysis of educational and employment trends for nurses in this state.

(c) If the nursing resource section established under Subsection (b) is funded from surcharges collected under Section 301.155(c), Occupations Code, the council shall provide the Texas Board of Nursing with an annual accounting of the money received from the board. The council may expend a reasonable amount of the money to pay administrative costs of maintaining the nursing resource section.

Sec. 105.003. COLLECTION OF DATA. (a) The council shall place a high priority on collecting and disseminating data on health professions demonstrating an acute shortage in this state, including:

(1) data concerning nursing personnel; and

(2) data concerning the health professions in which shortages occur in rural areas.

(b) To the extent possible, the council may collect the data from existing sources that the council determines are credible. The council may enter agreements with those sources that establish guidelines concerning the identification, acquisition, transfer, and confidentiality of the data.

(c) The Department of Information Resources, through the state electronic Internet portal and in consultation with the council and the Health Professions Council, shall add and label as "mandatory" the following fields on an application or renewal form for a license, certificate, or registration for a person subject to Subsection (c-2):

(1) full name and last four digits of social security number;

(2) full mailing address; and

(3) educational background and training, including basic health professions degree, school name and location of basic health professions degree, and graduation year for basic health professions degree, and, as applicable, highest professional degree obtained, related professional school name and location, and related graduation year.

(c-1) The Department of Information Resources, through the state electronic Internet portal and in consultation with the council and the Health Professions Council, shall add the following fields on an application or renewal form for a license, certificate, or registration for a person subject to Subsection (c-2):

(1) date and place of birth;

(2) sex;

(3) race and ethnicity;
(4) location of high school;
(5) mailing address of primary practice;
(6) number of hours per week spent at primary practice location;
(7) description of primary practice setting;
(8) primary practice information, including primary specialty practice, practice location zip code, and county; and
(9) information regarding any additional practice, including description of practice setting, practice location zip code, and county.

(c-2) The following health professionals are subject to this section:

(1) audiologists;
(2) chiropractors;
(3) licensed professional counselors;
(4) licensed chemical dependency counselors;
(5) dentists;
(6) dental hygienists;
(7) emergency medical services personnel;
(8) marriage and family therapists;
(9) medical radiologic technologists;
(10) licensed vocational nurses;
(11) registered nurses;
(12) certified nurse aides;
(13) occupational therapists;
(14) optometrists;
(15) pharmacists;
(16) physical therapists;
(17) physicians;
(18) physician assistants;
(19) psychologists;
(20) social workers; and
(21) speech-language pathologists.

(c-3) The relevant members of the Health Professions Council shall encourage each person described by Subsection (c-2) licensed, certified, or registered under that council's authority to submit application and renewal information under Subsections (c) and (c-1) through the system developed by the Department of Information Resources and the state electronic Internet portal.

(d) To the extent feasible, the council shall use a researcher
with a doctorate in nursing to collect, analyze, and disseminate nursing data that may be used to predict supply and demand for nursing personnel in this state using appropriate federal or state supply-and-demand models. The nursing data must at least:

(1) include demographics, areas of practice, supply, demand, and migration; and

(2) be analyzed to identify trends relating to numbers and geographical distribution, practice setting, and area of practice and, to the extent possible, compare those trends with corresponding national trends.

(e) Data received under this section by the nursing resource section established under Section 105.002 that contains information identifying specific patients or health care facilities is confidential, is not subject to disclosure under Chapter 552, Government Code, and may not be released unless all identifying information is removed.

(f) The relevant members of the Health Professions Council, in conjunction with the Department of Information Resources, shall ensure that the information collected under Subsections (c) and (c-1) is transmitted to the statewide health coordinating council. The council shall store the information as needed and conduct related workforce studies, including a determination of the geographical distribution of the reporting professionals.

(g) The relevant members of the Health Professions Council, in conjunction with the Department of Information Resources, shall ensure that the following information is submitted to the statewide health coordinating council for a person subject to Subsection (c-2):

(1) certification, registration, or license number;

(2) issuance date;

(3) method of certification, registration, or licensure; and

(4) certification, registration, or licensure status.

(h) The Department of Information Resources shall work with the health occupation regulatory agencies that are members of the Health Professions Council to minimize the costs to Health Professions Council members of obtaining the information under Subsections (c) and (c-1). The Department of Information Resources shall provide the Health Professions Council with the appropriate federal information processing standards code based on the information in Subsections (c-1)(8) and (9).
Sec. 105.004. REPORTS. (a) The council may use the data collected and analyzed under this chapter to publish reports regarding:

(1) the educational and employment trends for health professions;
(2) the supply and demand of health professions; and
(3) other issues, as necessary, concerning health professions in this state.

(b) The council shall publish reports regarding the data collected and analyzed under this chapter related to:

(1) the educational and employment trends of nursing professionals;
(2) the supply and demand of nursing professionals; and
(3) other issues, as determined necessary by the council, concerning nursing professionals in this state.

Sec. 105.005. RULES. The executive commissioner of the Health and Human Services Commission may adopt rules to govern the reporting and collection of data.

Sec. 105.005. RULES. The executive commissioner of the Health and Human Services Commission may adopt rules to govern the reporting and collection of data.

Added by Acts 1991, 72nd Leg., ch. 14, Sec. 40, eff. Sept. 1, 1991. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 797 (S.B. 1326), Sec. 10, eff. June 19, 2009.
Sec. 105.006. ASSISTANCE OF OTHER STATE AGENCIES. The Texas Higher Education Coordinating Board or the department may require the assistance of other state agencies or institutions of higher education for the development of, or the collection of data for, any report.

Sec. 105.007. CLEARINGHOUSE. (a) As part of the comprehensive health professions resource center, the council shall develop and establish a clearinghouse for health professionals seeking collaborative practice.

(b) The council may:
    (1) set and collect a reasonable fee to offset the cost of complying with this section;
    (2) solicit, receive, and spend grants, gifts, and donations from public and private sources to comply with this section; and
    (3) contract with public or private entities in the performance of its responsibilities under this section.

Sec. 105.008. STUDY OF ALTERNATE WAYS TO ASSURE CLINICAL COMPETENCY OF GRADUATES OF NURSING EDUCATIONAL PROGRAMS. (a) In this section:

(1) "Clinical competency assessment program" means a professional nursing prelicensure program that employs a criterion-referenced summative performance examination, developed by subject matter experts, to verify its graduates' attainment of the clinical competency necessary for initial licensure as a registered nurse.

(2) "Professional nursing prelicensure program" means a professional nursing educational program that prepares students to
obtain an initial license as a registered nurse.

(3) "Research study" means the study described by Subsection (b).

(4) "Supervised clinical learning experiences program" means a professional nursing prelicensure program that requires students to complete a required number of supervised clinical learning experiences provided by qualified clinical faculty involving multiple, ongoing assessments and feedback.

(b) To the extent funding is available, the nursing resource section established under Section 105.002(b) shall conduct a research study to identify:

(1) a set of expected student outcomes in terms of clinical judgment and behaviors that professional nursing students should possess at the time of graduation from a professional nursing prelicensure program;

(2) standardized, reliable, and valid clinical exit evaluation tools that could be used to evaluate the competencies in clinical judgment and behaviors that professional nursing students possess at the time of graduation from a professional nursing prelicensure program;

(3) any correlation between the success rate of graduates of professional nursing prelicensure programs on standardized clinical exit evaluation tools and their educational and experiential background, including:

   (A) length and type of health care work experience before entering the professional nursing prelicensure programs;

   (B) health care work experience during the professional nursing prelicensure programs; and

   (C) alternative methods of teaching clinical judgment and behaviors, including supervised clinicals and simulation laboratories; and

(4) any correlation between the required number of hours in supervised clinical learning experiences and expected student outcomes in terms of clinical judgment and behaviors.

(c) In addition to any other objective, the research study must be designed to determine if the graduates of a clinical competency assessment program are substantially equivalent to the graduates of supervised clinical learning experiences programs in terms of clinical judgments and behaviors. For purposes of this subsection, the clinical competency assessment program must be one that:
(1) has been requiring a clinical competency assessment for at least 10 years;
(2) has students who reside in this state;
(3) has graduates who have been considered by the Texas Board of Nursing to be eligible to apply for a registered nurse license as a result of graduating from the program on or before January 1, 2007; and
(4) conducts the clinical competency assessment at a facility or facilities located in this state under the supervision of a qualified clinical faculty member who is a registered nurse and who holds a master's or doctoral degree in nursing.

(d) Considerations to be used in determining substantial equivalence under Subsection (c) must include the differences between the clinical competency assessment program and the supervised clinical learning experiences program in:
   (1) the methods of evaluating students' clinical judgment and behaviors;
   (2) performance on standardized clinical exit evaluation tools;
   (3) the ability of graduates to transition to and assimilate in the registered nurse's role; and
   (4) passage rates on the National Council Licensure Examination.

(e) The nursing resource section shall contract with an independent researcher to develop the research design and conduct the research. The independent researcher must be selected by a selection committee composed of:
   (1) one representative elected by a majority of the nursing advisory committee under Section 104.0155, who is the chair of the selection committee;
   (2) one representative designated by the Texas Health Care Policy Council;
   (3) the presiding officer of the Texas Board of Nursing;
   (4) one representative of the Texas Higher Education Coordinating Board, designated by the governor;
   (5) one representative designated by the Texas Hospital Association;
   (6) one representative designated by the Texas Association of Business;
   (7) one representative designated by a clinical competency
assessment program that meets the requirements of Section 301.157(d-8), Occupations Code; and

(8) the nurse researcher member of the nursing advisory committee under Section 104.0155.

(f) The nursing resource section shall complete the study not later than June 30, 2014, and shall submit a report to the office of the governor, the Senate Committee on Health and Human Services, and the House Committee on Public Health. The report must include a research abstract prepared by the independent researcher.

(g) The nursing resource section may cooperate with the Texas Board of Nursing and the Texas Higher Education Coordinating Board in conducting the study.

(h) The nursing advisory committee formed under Section 104.0155 shall serve as the oversight committee for the study.

(i) Any data collected as part of the study that contains information identifying specific students, patients, or health care facilities is confidential, is not subject to disclosure under Chapter 552, Government Code, and may not be released unless all identifying information is removed.

(j) In addition to funds appropriated by the legislature, the nursing resource section may solicit, receive, and spend grants, gifts, and donations from public or private sources for the purpose of conducting the study.

(k) If grants or other funds are available through the National Council of State Boards of Nursing that could be used to fund the study, the nursing resource section shall apply for the funds to the maximum amount available up to the estimated cost of the study. In making the application or accepting the funding, the nursing resource section may not relinquish any oversight responsibility for the study, including responsibility for designing and conducting the research or developing the findings.

Added by Acts 2009, 81st Leg., R.S., Ch. 999 (H.B. 3961), Sec. 16, eff. June 19, 2009.

CHAPTER 107A. CENTER FOR ELIMINATION OF DISPROPORTIONALITY AND DISPARITIES

Sec. 107A.001. CENTER FOR ELIMINATION OF DISPROPORTIONALITY AND DISPARITIES. The executive commissioner of the Health and Human
Services Commission shall maintain a center for elimination of disproportionality and disparities in the Health and Human Services Commission to:

(1) assume a leadership role in working or contracting with state and federal agencies, universities, private interest groups, communities, foundations, and offices of minority health to develop health initiatives to decrease or eliminate health and health access disparities among racial, multicultural, disadvantaged, ethnic, and regional populations, including appropriate language services; and

(2) maximize use of existing resources without duplicating existing efforts.

Redesignated from Health and Safety Code, Subchapter G, Chapter 12 and amended by Acts 2007, 80th Leg., R.S., Ch. 222 (H.B. 1396), Sec. 1, eff. September 1, 2007.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 121 (S.B. 501), Sec. 2, eff. May 21, 2011.

Sec. 107A.002. POWERS OF CENTER. The center may:

(1) provide a central information and referral source, including a clearinghouse for health disparities information, and serve as the primary state resource in coordinating, planning, and advocating access to health care services to eliminate health disparities in this state;

(2) coordinate conferences and other training opportunities to increase skills among state agencies and government staff in management and in the appreciation of cultural diversity;

(3) pursue and administer grant funds for innovative projects for communities, groups, and individuals;

(4) provide recommendations and training in improving minority recruitment in state agencies;

(5) publicize information regarding health disparities and minority health issues through the use of the media;

(6) network with existing minority organizations, community-based health groups, and statewide health coalitions;

(7) solicit, receive, and spend grants, gifts, and donations from public and private sources; and

(8) contract with public and private entities in the
performance of its responsibilities.

Redesignated from Health and Safety Code, Subchapter G, Chapter 12 and amended by Acts 2007, 80th Leg., R.S., Ch. 222 (H.B. 1396), Sec. 1, eff. September 1, 2007.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 121 (S.B. 501), Sec. 2, eff. May 21, 2011.

Sec. 107A.003. FUNDING. The Health and Human Services Commission may distribute to the center unobligated and unexpended appropriations to be used to carry out its powers.

Redesignated from Health and Safety Code, Subchapter G, Chapter 12 and amended by Acts 2007, 80th Leg., R.S., Ch. 222 (H.B. 1396), Sec. 1, eff. September 1, 2007.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 121 (S.B. 501), Sec. 2, eff. May 21, 2011.

CHAPTER 108. TEXAS HEALTH CARE INFORMATION COUNCIL

Sec. 108.001. CREATION OF COUNCIL. The Texas Health Care Information Council shall administer this chapter and report to the governor, the legislature, and the public.

Added by Acts 1995, 74th Leg., ch. 726, Sec. 1, eff. Sept. 1, 1995.

Sec. 108.002. DEFINITIONS. In this chapter:
(1) "Accurate and consistent data" means data that has been edited by the council and subject to provider validation and certification.
(2) "Board" means the Texas Board of Health.
(3) "Certification" means the process by which a provider confirms the accuracy and completeness of the data set required to produce the public use data file in accordance with council rule.
(4) "Charge" or "rate" means the amount billed by a provider for specific procedures or services provided to a patient before any adjustment for contractual allowances. The term does not
include copayment charges to enrollees in health benefit plans charged by providers paid by capitation or salary.

(4-a) "Commission" means the Health and Human Services Commission.

(5) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 873, Sec. 7, eff. September 1, 2011.

(6) "Data" means information collected under Section 108.0065 or 108.009 in the form initially received.

(7) "Department" means the Department of State Health Services.

(8) "Edit" means to use an electronic standardized process developed and implemented by council rule to identify potential errors and mistakes in data elements by reviewing data fields for the presence or absence of data and the accuracy and appropriateness of data.

(8-a) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(9) "Health benefit plan" means a plan provided by:
   A health maintenance organization; or
   B an approved nonprofit health corporation that is certified under Section 162.001, Occupations Code, and that holds a certificate of authority issued by the commissioner of insurance under Chapter 844, Insurance Code.

(10) "Health care facility" means:
   A a hospital;
   B an ambulatory surgical center licensed under Chapter 243;
   C a chemical dependency treatment facility licensed under Chapter 464;
   D a renal dialysis facility;
   E a birthing center;
   F a rural health clinic;
   G a federally qualified health center as defined by 42 U.S.C. Section 1396d(l)(2)(B); or
   H a free-standing imaging center.

(11) "Health maintenance organization" means an organization as defined in Section 843.002, Insurance Code.

(12) "Hospital" means a public, for-profit, or nonprofit institution licensed or owned by this state that is a general or special hospital, private mental hospital, chronic disease hospital,
or other type of hospital.

(13) "Outcome data" means measures related to the provision of care, including:

(A) patient demographic information;
(B) patient length of stay;
(C) mortality;
(D) co-morbidity;
(E) complications; and
(F) charges.

(14) "Physician" means an individual licensed under the laws of this state to practice medicine under Subtitle B, Title 3, Occupations Code.

(15) "Provider" means a physician or health care facility.

(16) "Provider quality" means the extent to which a provider renders care that, within the capabilities of modern medicine, obtains for patients medically acceptable health outcomes and prognoses, after severity adjustment.

(17) "Public use data" means patient level data relating to individual hospitalizations that has not been summarized or analyzed, that has had patient identifying information removed, that identifies physicians only by use of uniform physician identifiers, and that is severity and risk adjusted, edited, and verified for accuracy and consistency. Public use data may exclude some data elements submitted to the council.

(19) "Severity adjustment" means a method to stratify patient groups by degrees of illness and mortality.

(20) "Uniform patient identifier" means a number assigned by the council to an individual patient and composed of numeric, alpha, or alphanumeric characters.

(21) "Uniform physician identifier" means a number assigned by the council to an individual physician and composed of numeric, alpha, or alphanumeric characters.

(22) "Validation" means the process by which a provider verifies the accuracy and completeness of data and corrects any errors identified before certification in accordance with council rule.

Added by Acts 1995, 74th Leg., ch. 726, Sec. 1, eff. Sept. 1, 1995. Amended by Acts 1997, 75th Leg., ch. 261, Sec. 1, eff. Sept. 1, 1997; Acts 1999, 76th Leg., ch. 802, Sec. 1, eff. Sept. 1, 1999; Acts
Sec. 108.0026. TRANSFER OF DUTIES; REFERENCE TO COUNCIL. (a) The powers and duties of the Texas Health Care Information Council under this chapter were transferred to the Department of State Health Services in accordance with Section 1.19, Chapter 198 (H.B. 2292), Acts of the 78th Legislature, Regular Session, 2003.

(b) In this chapter or other law, a reference to the Texas Health Care Information Council means the Department of State Health Services.

Added by Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 3, eff. September 1, 2011.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 7.02, eff. September 28, 2011.

Sec. 108.003. COUNCIL COMPOSITION; EXPENSES. (a) The council is composed of four ex officio state agency members and 15 members appointed by the governor in accordance with this section.

(b) The ex officio members of the council are:

(1) the commissioner of public health or the commissioner's designee;

(2) the commissioner of health and human services or the commissioner's designee;

(3) the commissioner of insurance or the commissioner's
(4) the public insurance counsel or the counsel's designee.

(c) The governor shall appoint the following members of the council:

(1) three representatives of the business community, with at least one representing small businesses, who are purchasers of health care but who are not involved in the provision of health care or health insurance;

(2) two representatives from labor, one of whom is not directly involved with management of health care benefits;

(3) two representatives of consumers who are not professionally involved in the purchase, provision, administration, or review of health care or health care insurance;

(4) two representatives of hospitals;

(5) one representative of health maintenance organizations;

(6) three representatives of physicians who are involved in direct patient care; and

(7) two members who are not professionally involved in the purchase, provision, administration, or utilization review of health care or health care insurance and who have expertise in:

(A) health planning;

(B) health economics;

(C) provider quality assurance;

(D) information systems; or

(E) the reimbursement of medical education and research costs.

(d) The chairman is appointed by and serves at the pleasure of the governor. Members annually shall elect a vice chairman.

(e) A majority of voting members constitutes a quorum for the transaction of any business. An act by the majority of the voting members present at any meeting at which there is a quorum is considered to be an act of the council.

(f) The council may appoint committees and may elect any officers subordinate to those provided for in Subsection (d).

(g) The council shall appoint technical advisory committees and shall consult with the appropriate technical advisory committee with respect to a rule before the rule is finally adopted by the council. The council is not required to consult with a technical advisory committee before adopting an emergency rule in accordance with Section 2001.034, Government Code. The council shall submit an
emergency rule adopted by the council to the appropriate advisory
committee for review not later than the first advisory committee
meeting that occurs after the rule is adopted. The council may
consult with the appropriate technical advisory committee with
respect to other formal action of the council. A technical advisory
committee may consult with other professionals as necessary. Chapter
2110, Government Code, does not apply to an advisory committee
appointed under this subsection. The technical advisory committees
shall include:

(1) a technical advisory committee that includes, among
other individuals, at least five practicing physicians licensed in
this state to provide advice and recommendations to the council on
the development and implementation of the methodology and the
interpretation of a provider quality report and data under Section
108.010;

(2) a technical advisory committee composed of at least
five practicing physicians licensed in this state who have been
actively engaged in organized peer review at a hospital in this state
to provide advice, recommendations, and peer review expertise to the
council on:

(A) the use of peer review in the determination of
quality inpatient care;

(B) the development and interpretation of data elements
necessary to the determination of quality inpatient care; and

(C) the development and format of reports and
information relating to provider quality;

(3) a technical advisory committee that includes providers
and consumers to provide advice and recommendations to the council
relating to education about the development and dissemination of
provider reports and data;

(4) a technical advisory committee that includes
representatives of consumers and each type of issuer of health
benefit plans to assist the council in complying with Section
108.009(o); and

(5) a technical advisory committee composed of providers,
consumers, and individuals who have expertise in hospital information
systems, health information management, quality management, and
security of confidential data.

(h) A member of the council may not receive compensation for
service on the council. However, the member shall be reimbursed for
the member's actual and necessary meals, lodging, transportation, and incidental expenses if incurred while performing council business.

(i) A member of an advisory committee appointed by the council may not receive compensation or reimbursement of any expense incurred while serving on the committee.

(j) Appointments to the council shall be made without regard to the race, color, disability, sex, religion, age, or national origin of appointees. Additionally, in making the appointments to the council, the governor shall consider geographical representation.

(k) A person may not serve as a member of the council if the person is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a profession related to the operation of the council.

Sec. 108.004. MEETINGS. (a) The council, council committees, and technical advisory committees are subject to the open meetings law, Chapter 551, Government Code.

(b) The council shall meet as often as necessary, but not less often than quarterly, to perform its duties under this chapter.

(c) The council shall publish a notice of its meetings in the Texas Register.

Sec. 108.0045. OPEN RECORDS. Subject to the restrictions of this chapter, the council is subject to the open records law, Chapter 552, Government Code.

Added by Acts 1997, 75th Leg., ch. 261, Sec. 5, eff. Sept. 1, 1997.

Sec. 108.005. TERMS. (a) The terms of the agency members are concurrent with their terms of office. The appointed council members serve six-year staggered terms, with the terms of five members
expiring September 1 of each odd-numbered year.

(b) An appointed member may not serve more than two full consecutive terms.

(c) It is a ground for removal from the council if a member of the council:

(1) does not have at the time of appointment the qualifications required by Section 108.003;

(2) does not maintain during service the qualifications required by Section 108.003;

(3) cannot discharge the member's duties for a substantial part of the term for which the member is appointed because of illness or disability; or

(4) fails to attend at least one-half of the regularly scheduled meetings that the member is eligible to attend during a calendar year.

Added by Acts 1995, 74th Leg., ch. 726, Sec. 1, eff. Sept. 1, 1995.

Sec. 108.006. POWERS AND DUTIES OF COUNCIL. (a) The council shall develop a statewide health care data collection system to collect health care charges, utilization data, provider quality data, and outcome data to facilitate the promotion and accessibility of cost-effective, good quality health care. The council shall:

(1) direct the collection, dissemination, and analysis of data under this chapter;

(2) contract with the department to collect the data under this chapter;

(3) adopt policies and rules necessary to carry out this chapter, including rules concerning data collection requirements;

(4) build on and not duplicate other data collection required by state or federal law, by an accreditation organization, or by board rule;

(5) working with appropriate agencies, review public health data collection programs in this state and recommend, where appropriate, consolidation of the programs and any legislation necessary to effect the consolidation;

(6) assure that public use data is made available and accessible to interested persons;

(7) prescribe by rule the process for providers to submit
data consistent with Section 108.009;

(8) adopt by rule and implement a methodology to collect and disseminate data reflecting provider quality in accordance with Section 108.010;

(9) make reports to the legislature, the governor, and the public on:
    (A) the charges and rate of change in the charges for health care services in this state;
    (B) the effectiveness of the council in carrying out the legislative intent of this chapter;
    (C) if applicable, any recommendations on the need for further legislation; and
    (D) the quality and effectiveness of health care and access to health care for all citizens of this state;

(10) develop an annual work plan and establish priorities to accomplish its duties;

(11) provide consumer education on the interpretation and understanding of the public use or provider quality data before the data is disseminated to the public;

(12) work with the Health and Human Services Commission and each health and human services agency that administers a part of the state Medicaid program to avoid duplication of expenditures of state funds for computer systems, staff, or services in the collection and analysis of data relating to the state Medicaid program;

(13) work with the Department of Information Resources in developing and implementing the statewide health care data collection system and maintain consistency with Department of Information Resources standards; and

(14) develop and implement a health care information plan to be used by the department to:
    (A) support public health and preventative health initiatives;
    (B) assist in the delivery of primary and preventive health care services;
    (C) facilitate the establishment of appropriate benchmark data to measure performance improvements;
    (D) establish and maintain a systematic approach to the collection, storage, and analysis of health care data for longitudinal, epidemiological, and policy impact studies; and
    (E) develop and use system-based protocols to identify
individuals and populations at risk.

(b) The council may:

(1) employ or contract with the department to employ an executive director and other staff, including administrative personnel, necessary to comply with this chapter and rules adopted under this chapter;

(2) engage professional consultants as it considers necessary to the performance of its duties;

(3) adopt rules clarifying which health care facilities must provide data under this chapter; and

(4) apply for and receive any appropriation, donation, or other funds from the state or federal government or any other public or private source, subject to Section 108.015 and limitations and conditions provided by legislative appropriation.

(c) The council may not establish or recommend rates of payment for health care services.

(d) The council may not take an action that affects or relates to the validity, status, or terms of an interagency agreement or a contract with the department without the board's approval.

(e) In the collection of data, the council shall consider the research and initiatives being pursued by the United States Department of Health and Human Services, the National Committee for Quality Assurance, and the Joint Commission on Accreditation of Healthcare Organizations to reduce potential duplication or inconsistencies. The council may not adopt rules that conflict with or duplicate any federally mandated data collection programs or requirements of comparable scope.

(f) The council shall prescribe by rule a public use data file minimum data set that maintains patient confidentiality and establishes data accuracy and consistency.

(g) The public use data file minimum data set as defined by council rule is subject to annual review by the council with the assistance of the advisory committee under Section 108.003(g)(5). The purpose of the review is to evaluate requests to modify the existing minimum data set and editing process. A decision to modify the minimum data set by the addition or deletion of data elements shall include consideration of the value of the specific data to be added or deleted and the technical feasibility of establishing data accuracy and consistency. The council may also consider the costs to the council and providers associated with modifying the minimum data.
In accordance with Section 108.0135, the council may release data collected under Section 108.009 that is not included in the public use data file minimum data set established under Subsection (f).

Sec. 108.0062. DRUG PURCHASING COOPERATIVES. (a) The council shall develop criteria for evaluating drug purchasing cooperatives that purchase drugs on behalf of consumers and create an evaluation form for consumers to evaluate drug purchasing cooperatives.

(b) The council shall distribute the evaluation forms to the department, local health departments, the Texas Department of Insurance, and the consumer protection division of the office of the attorney general.

(c) The council shall compile the information from completed evaluation forms and make the information available to the public.

Sec. 108.0065. POWERS AND DUTIES OF COUNCIL RELATING TO MEDICAID MANAGED CARE. (a) In this section:

(1) "Commission" means the Health and Human Services Commission.

(2) "Medicaid managed care organization" means a managed care organization, as defined by Section 533.001, Government Code, that is contracting with the commission to implement the Medicaid managed care program under Chapter 533, Government Code.

(b) The commission may direct the council to collect data under this chapter with respect to Medicaid managed care organizations. The council shall coordinate the collection of the data with the collection of data for health benefit plan providers, but with the approval of the commission may collect data in addition to the data otherwise required of health benefit plan providers.

(c) Each Medicaid managed care organization shall provide the data required by the council in the form required by the council or,
if the data is also being submitted to the commission or Medicaid operating agency, in the form required by the commission or Medicaid operating agency.

(d) Dissemination of data collected under this section is subject to Sections 108.010, 108.011, 108.012, 108.013, 108.014, and 108.0141.

(e) The commission shall analyze the data collected in accordance with this section and shall use the data to:

(1) evaluate the effectiveness and efficiency of the Medicaid managed care system;

(2) determine the extent to which Medicaid managed care does or does not serve the needs of Medicaid recipients in this state; and

(3) assess the cost-effectiveness of the Medicaid managed care system in comparison to the fee-for-service system, considering any improvement in the quality of care provided.

(f) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1083, Sec. 25(85), eff. June 17, 2011.

(g) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 1083, Sec. 25(85), eff. June 17, 2011.

(h) The commission, using existing funds, may contract with an entity to comply with the requirements under Subsection (e).

Added by Acts 1999, 76th Leg., ch. 1460, Sec. 8.03, eff. Sept. 1, 1999.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 1050 (S.B. 71), Sec. 11, eff. September 1, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 1050 (S.B. 71), Sec. 22(5), eff. September 1, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 1083 (S.B. 1179), Sec. 14, eff. June 17, 2011.
Acts 2011, 82nd Leg., R.S., Ch. 1083 (S.B. 1179), Sec. 25(85), eff. June 17, 2011.

Sec. 108.007. REVIEW POWERS. (a) The council, through the department and subject to reasonable rules and guidelines, may:

(1) inspect documents and records used by data sources that are required to compile data and reports; and
(2) compel providers to produce accurate documents and records.

(b) The council may enter into a memorandum of understanding with a state agency, including the division of the Health and Human Services Commission responsible for the state Medicaid program, or with a school of public health or another institution of higher education, to share data and expertise, to obtain data for the council, or to make data available to the council. An agreement entered into under this subsection must protect patient confidentiality.

Added by Acts 1995, 74th Leg., ch. 726, Sec. 1, eff. Sept. 1, 1995.

Sec. 108.008. DUTIES OF DEPARTMENT. (a) The department, as the state health planning and development agency under Chapter 104, is responsible for the collection of data under Chapter 311.

(b) The department shall:

(1) contract with the council to collect data under this chapter;

(2) provide administrative assistance to the council;

(3) coordinate administrative responsibilities with the council to avoid unnecessary duplication of the collection of data and other duties;

(4) on request of the council, give the council access to data collected by the department;

(5) submit or assist in the council's budget request to the legislature; and

(6) work with the Department of Information Resources in developing and implementing the statewide health care data collection system and maintain consistency with Department of Information Resources standards.

(c) The department may not take an action that affects or relates to the validity, status, or terms of an interagency agreement or a contract with the council without the council's approval.

Sec. 108.0081. MEMORANDUM OF UNDERSTANDING. The council and
the department shall enter into a memorandum of understanding to implement the department's duties under Section 108.008(b). The memorandum of understanding must address:

(1) payroll and travel reimbursement services;
(2) purchasing services;
(3) personnel services;
(4) budget management services;
(5) computer support and maintenance services;
(6) meeting coordination services;
(7) any other administrative support or other services to be provided by the department for the council; and
(8) the manner in which the council will reimburse the department for the cost of services provided by the department for the council.

Added by Acts 1997, 75th Leg., ch. 261, Sec. 8, eff. Sept. 1, 1997.

Sec. 108.0085. DUTIES OF ATTORNEY GENERAL. The attorney general shall furnish the council with advice and legal assistance that may be required to implement this chapter.

Added by Acts 1997, 75th Leg., ch. 261, Sec. 8, eff. Sept. 1, 1997.

Sec. 108.009. DATA SUBMISSION AND COLLECTION. (a) The council may collect, and, except as provided by Subsections (c) and (d), providers shall submit to the council or another entity as determined by the council, all data required by this section. The data shall be collected according to uniform submission formats, coding systems, and other technical specifications necessary to make the incoming data substantially valid, consistent, compatible, and manageable using electronic data processing, if available.

(b) The council shall adopt rules to implement the data submission requirements imposed by Subsection (a) in appropriate stages to allow for the development of efficient systems for the collection and submission of the data. A rule adopted by the council that requires submission of a data element that, before adoption of the rule, was not required to be submitted may not take effect before the 90th day after the date the rule is adopted and must take effect not later than the first anniversary after the date the rule is
(c) Repealed by Acts 2011, 82nd Leg., 1st C.S., Ch. 7, Sec. 7.07(b), eff. September 1, 2014.

(d) The council may not collect data from individual physicians or from an entity that is composed entirely of physicians and that is a professional association organized under the Texas Professional Association Act (Article 1528f, Vernon's Texas Civil Statutes), a limited liability partnership organized under Section 3.08, Texas Revised Partnership Act (Article 6132b-3.08, Vernon's Texas Civil Statutes), or a limited liability company organized under the Texas Limited Liability Company Act (Article 1528n, Vernon's Texas Civil Statutes), except to the extent the entity owns and operates a health care facility in this state. This subsection does not prohibit the release of data about physicians using uniform physician identifiers that has been collected from a health care facility under this chapter.

(e) The council shall establish the department as the single collection point for receipt of data from providers. With the approval of the council and the board, the department may transfer collection of any data required to be collected by the department under any other law to the statewide health care data collection system.

(f) The council may not require providers to submit data more frequently than quarterly, but providers may submit data on a more frequent basis.

(g) The council shall coordinate data collection with the data collection formats used by federally qualified health centers. To satisfy the requirements of this chapter:

(1) a federally qualified health center shall submit annually to the council a copy of the Medicaid cost report of federally qualified health centers; and

(2) a provider receiving federal funds under 42 U.S.C. Section 254b, 254c, or 256 shall submit annually to the council a copy of the Bureau of Common Reporting Requirements data report developed by the United States Public Health Service.

(h) The department shall coordinate data collection with the data submission formats used by hospitals and other providers. The department shall accept data in the format developed by the American National Standards Institute or its successor or other nationally accepted standardized forms that hospitals and other providers use.
for other complementary purposes.

(i) The council shall develop by rule reasonable alternate data submission procedures for providers that do not possess electronic data processing capacity.

(k) The council shall collect health care data elements relating to payer type, the racial and ethnic background of patients, and the use of health care services by consumers. The council shall prioritize data collection efforts on inpatient and outpatient surgical and radiological procedures from hospitals, ambulatory surgical centers, and free-standing radiology centers.

(m) To the extent feasible, the council shall obtain from public records the information that is available from those records.

(o) A provider of a health benefit plan shall annually submit to the council aggregate data by service area required by the Health Plan Employer Data Information Set (HEDIS) as operated by the National Committee for Quality Assurance. The council may approve the submission of data in accordance with other methods generally used by the health benefit plan industry. If the Health Plan Employer Data Information Set does not generally apply to a health benefit plan, the council shall require submission of data in accordance with other methods. This subsection does not relieve a health care facility that provides services under a health benefit plan from the requirements of this chapter. Information submitted under this section is subject to Section 108.011 but is not subject to Section 108.010.

Added by Acts 1995, 74th Leg., ch. 726, Sec. 1, eff. Sept. 1, 1995. Amended by Acts 1997, 75th Leg., ch. 261, Sec. 9, 14, eff. Sept. 1, 1997; Acts 1999, 76th Leg., ch. 802, Sec. 4, eff. Sept. 1, 1999. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 997 (S.B. 1731), Sec. 3, eff. September 1, 2007.

Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 4, eff. September 1, 2011.
Sec. 108.010. COLLECTION AND DISSEMINATION OF PROVIDER QUALITY DATA. (a) Subject to Section 108.009, the council shall collect data reflecting provider quality based on a methodology and review process established through the council's rulemaking process. The methodology shall identify and measure quality standards and adhere to any federal mandates.

(b) The council shall study and analyze initial methodologies for obtaining provider quality data, including outcome data.

(c) The council shall test the methodology by collecting provider quality data for one year, subject to Section 108.009. The council may test using pilot methodologies. After collecting provider quality data for one year, the council shall report findings applicable to a provider to that provider and allow the provider to review and comment on the initial provider quality data applicable to that provider. The council shall verify the accuracy of the data during this review and revision process. After the review and revision process, provider quality data for subsequent reports shall be published and made available to the public, on a time schedule the council considers appropriate.

(d) If the council determines that provider quality data to be published under Subsection (c) does not provide the intended result or is inaccurate or inappropriate for dissemination, the council is not required to publish the data or reports based in whole or in part on the data. This subsection does not affect the release of public use data in accordance with Section 108.011 or the release of information submitted under Section 108.009(o).

(e) The council shall adopt rules allowing a provider to submit concise written comments regarding any specific provider quality data to be released concerning the provider. The council shall make the comments available to the public at the office of the council and in an electronic form accessible through the Internet. The comments shall be attached to any public release of provider quality data. Providers shall submit the comments to the council to be attached to the public release of provider quality data in the same format as the
provider quality data that is to be released.

(f) The methodology adopted by the council for measuring quality shall include case-mix qualifiers, severity adjustment factors, adjustments for medical education and research, and any other factors necessary to accurately reflect provider quality.

(g) In addition to the requirements of this section, any release of provider quality data shall comply with Sections 108.011(e) and (f).

(h) A provider quality data report may not identify an individual physician by name, but must identify the physician by the uniform physician identifier designated by the council under Section 108.011(c).

(i) The council shall release provider quality data in an aggregate form without uniform physician identifiers when:
   (1) the data relates to providers described by Section 108.0025(1); or
   (2) the cell size of the data is below the minimum size established by council rule that would enable identification of an individual patient or physician.

Sec. 108.011. DISSEMINATION OF PUBLIC USE DATA AND COUNCIL PUBLICATIONS. (a) The council shall promptly provide public use data and data collected in accordance with Section 108.009(o) to those requesting it. The public use data does not include provider quality data prescribed by Section 108.010 or confidential data prescribed by Section 108.013.

(b) Subject to the restrictions on access to council data prescribed by Sections 108.010 and 108.013, and using the public use data and other data, records, and matters of record available to it, the council shall prepare and issue reports to the governor, the legislature, and the public as provided by this section and Section 108.006(a). The council must issue the reports at least annually.

(c) Subject to the restrictions on access to council data prescribed by Sections 108.010 and 108.013, the council shall use public use data to prepare and issue reports that provide information
relating to providers, such as the incidence rate of selected medical or surgical procedures. The reports must provide the data in a manner that identifies individual providers, including individual physicians, and that identifies and compares data elements for all providers. Individual physicians may not be identified by name, but shall be identified by uniform physician identifiers. The council by rule shall designate the characters to be used as uniform physician identifiers.

(c-1) The council shall use public use data to prepare and issue reports that provide information for review and analysis by the Health and Human Services Commission relating to services that are provided in a niche hospital, as defined by Section 105.002, Occupations Code, and that are provided by a physician with an ownership interest in the niche hospital.

(c-2) Subsection (c-1) does not apply to an ownership interest in publicly available shares of a registered investment company, such as a mutual fund, that owns publicly traded equity securities or debt obligations issued by a niche hospital or an entity that owns the niche hospital.

(d) The council shall adopt procedures to establish the accuracy and consistency of the public use data before releasing the public use data to the public.

(e) If public use data is requested from the council about a specific provider, the council shall notify the provider about the release of the data. This subsection does not authorize the provider to interfere with the release of that data.

(f) A report issued by the council shall include a reasonable review and comment period for the affected providers before public release of the report.

(g) The council shall adopt rules allowing a provider to submit concise written comments regarding any specific public use data to be released concerning the provider. The council shall make the comments available to the public and the office of the council and in an electronic form accessible through the Internet. The comments shall be attached to any public release of the public use data. Providers shall submit the comments to the council to be attached to the public release of public use data in the same format as the public use data that is to be released.

(h) Tapes containing public use data and provider quality reports that are released to the public must include general consumer
education material, including an explanation of the benefits and limitations of the information provided in the public use data and provider quality reports.

(i) The council shall release public use data in an aggregate form without uniform physician identifiers when:

(1) the data relates to providers described by Section 108.0025(1); or

(2) the cell size of the data is below the minimum size established by council rule that would enable identification of an individual patient or physician.

Added by Acts 1995, 74th Leg., ch. 726, Sec. 1, eff. Sept. 1, 1995. Amended by Acts 1997, 75th Leg., ch. 261, Sec. 11, eff. Sept. 1, 1997; Acts 1999, 76th Leg., ch. 802, Sec. 6, eff. Sept. 1, 1999. Amended by:

Acts 2005, 79th Leg., Ch. 836 (S.B. 872), Sec. 4, eff. September 1, 2005.

Sec. 108.012. COMPUTER ACCESS TO DATA. (a) The council shall provide a means for computer-to-computer access to the public use data. All reports shall maintain patient confidentiality as provided by Section 108.013.

(b) The council may charge a person requesting public use or provider quality data a fee for the data. The fees may reflect the quantity of information provided and the expense incurred by the council in collecting and providing the data and shall be set at a level that will raise revenue sufficient for the operation of the council. The council may not charge a fee for providing public use data to another state agency.

Sec. 108.013. CONFIDENTIALITY AND GENERAL ACCESS TO DATA. (a) The data received by the department under this chapter shall be used by the department and commission for the benefit of the public. Subject to specific limitations established by this chapter and executive commissioner rule, the department shall make determinations
on requests for information in favor of access.

(b) The executive commissioner by rule shall designate the characters to be used as uniform patient identifiers. The basis for assignment of the characters and the manner in which the characters are assigned are confidential.

(c) Unless specifically authorized by this chapter, the department may not release and a person or entity may not gain access to any data obtained under this chapter:

(1) that could reasonably be expected to reveal the identity of a patient;
(2) that could reasonably be expected to reveal the identity of a physician;
(3) disclosing provider discounts or differentials between payments and billed charges;
(4) relating to actual payments to an identified provider made by a payer; or
(5) submitted to the department in a uniform submission format that is not included in the public use data set established under Sections 108.006(f) and (g), except in accordance with Section 108.0135.

(d) Except as provided by this section, all data collected and used by the department under this chapter is subject to the confidentiality provisions and criminal penalties of:

(1) Section 311.037;
(2) Section 81.103; and
(3) Section 159.002, Occupations Code.

(e) Data on patients and compilations produced from the data collected that identify patients are not:

(1) subject to discovery, subpoena, or other means of legal compulsion for release to any person or entity except as provided by this section; or
(2) admissible in any civil, administrative, or criminal proceeding.

(f) Data on physicians and compilations produced from the data collected that identify physicians are not:

(1) subject to discovery, subpoena, or other means of legal compulsion for release to any person or entity except as provided by this section; or
(2) admissible in any civil, administrative, or criminal proceeding.
(g) Unless specifically authorized by this chapter, the department may not release data elements in a manner that will reveal the identity of a patient. The department may not release data elements in a manner that will reveal the identity of a physician.

(h) Subsections (c) and (g) do not prohibit the release of a uniform physician identifier in conjunction with associated public use data in accordance with Section 108.011 or a provider quality report in accordance with Section 108.010.

(i) Notwithstanding any other law and except as provided by this section, the department may not provide information made confidential by this section to any other agency of this state.

(j) The executive commissioner shall by rule develop and implement a mechanism to comply with Subsections (c)(1) and (2).

(k) The department may disclose data collected under this chapter that is not included in public use data to any department or commission program if the disclosure is reviewed and approved by the institutional review board under Section 108.0135.

(l) Confidential data collected under this chapter that is disclosed to a department or commission program remains subject to the confidentiality provisions of this chapter and other applicable law. The department shall identify the confidential data that is disclosed to a program under Subsection (k). The program shall maintain the confidentiality of the disclosed confidential data.

(m) The following provisions do not apply to the disclosure of data to a department or commission program:

(1) Section 81.103;
(2) Sections 108.010(g) and (h);
(3) Sections 108.011(e) and (f);
(4) Section 311.037; and
(5) Section 159.002, Occupations Code.

(n) Nothing in this section authorizes the disclosure of physician identifying data.

Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 7.04, eff. September 28, 2011.

Sec. 108.0131. LIST OF PURCHASERS OR RECIPIENTS OF DATA. The department shall post on the department's Internet website a list of each entity that purchases or receives data collected under this chapter.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 7.06, eff. September 28, 2011.

Sec. 108.0135. INSTITUTIONAL REVIEW BOARD. (a) The department shall establish an institutional review board to review and approve requests for access to data not contained in public use data. The members of the institutional review board must have experience and expertise in ethics, patient confidentiality, and health care data.

(b) To assist the institutional review board in determining whether to approve a request for information, the executive commissioner shall adopt rules similar to the federal Centers for Medicare and Medicaid Services' guidelines on releasing data.

(c) A request for information other than public use data must be made on the form prescribed by the department.

(d) Any approval to release information under this section must require that the confidentiality provisions of this chapter be maintained and that any subsequent use of the information conform to the confidentiality provisions of this chapter.

Added by Acts 1999, 76th Leg., ch. 802, Sec. 8, eff. Sept. 1, 1999. Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 873 (S.B. 156), Sec. 6, eff. September 1, 2011.
Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 7.05, eff. September 28, 2011.

Sec. 108.014. CIVIL PENALTY. (a) A person who knowingly or negligently releases data in violation of this chapter is liable for a civil penalty of not more than $10,000.

(b) A person who fails to supply available data under Sections
108.009 and 108.010 is liable for a civil penalty of not less than $1,000 or more than $10,000 for each act of violation.

(c) The attorney general, at the request of the council, shall enforce this chapter. The venue of an action brought under this section is in Travis County.

(d) A civil penalty recovered in a suit instituted by the attorney general under this chapter shall be deposited in the general revenue fund to the credit of the health care information account.

Sec. 108.0141. CRIMINAL PENALTY. (a) A person who knowingly accesses data in violation of this chapter or who with criminal negligence releases data in violation of this chapter commits an offense.

(b) An offense under this section is a state jail felony.

Sec. 108.015. CONFLICT OF INTEREST. The council may not accept a donation from a person required to provide data under this chapter or from a person or business entity who provides goods or services to the council for compensation.

Added by Acts 1995, 74th Leg., ch. 726, Sec. 1, eff. Sept. 1, 1995.

Sec. 108.016. SUNSET REVIEW. Unless continued in existence in accordance with Chapter 325, Government Code (Texas Sunset Act), after the review required by Section 11.003(b), this chapter expires September 1, 2015.

Added by Acts 2013, 83rd Leg., R.S., Ch. 919 (H.B. 1394), Sec. 2, eff. June 14, 2013.
CHAPTER 112. BORDER HEALTH FOUNDATION

Sec. 112.001. DEFINITIONS. In this chapter:

(1) "Board of directors" means the board of directors of the Border Health Foundation.

(2) "Foundation" means the Border Health Foundation.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

Sec. 112.002. CREATION OF FOUNDATION. (a) The department shall establish the Border Health Foundation as a nonprofit corporation that complies with the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes), except as otherwise provided by this chapter, and qualifies as an organization exempt from federal income tax under Section 501(c)(3), Internal Revenue Code of 1986, as amended.

(b) The department shall ensure that the foundation operates independently of any state agency or political subdivision of this state.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

Sec. 112.003. POWERS AND DUTIES. (a) The foundation shall raise money from other foundations, governmental entities, and other sources to finance health programs in areas adjacent to the border with the United Mexican States.

(b) The foundation shall:

(1) identify and seek potential partners in the private sector that will afford this state the opportunity to maintain or increase the existing levels of financing of health programs and activities;

(2) engage in outreach efforts to make the existence of the office known to potential partners throughout this area; and

(3) perform any other function necessary to carry out the purposes of this section.

(c) The department shall review programs from all agencies under its control to determine which projects should be available to receive money under Subsection (a).
(d) The foundation has the powers necessary and convenient to carry out its duties.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.
Amended by:
   Acts 2005, 79th Leg., Ch. 1215 (H.B. 925), Sec. 6, eff. September 1, 2005.

Sec. 112.004. ADMINISTRATION. (a) The foundation is governed by a board of five directors. Vacancies shall be filled by a vote of the board of directors of the foundation from individuals recommended by the department.

(b) Members of the board of directors serve for staggered terms of six years, with as near as possible to one-third of the members' terms expiring every two years.

(c) Appointments to the board of directors shall be made without regard to the race, color, disability, sex, religion, age, or national origin of the appointees.

(d) The board of directors shall ensure that the foundation remains eligible for an exemption from federal income tax under Section 501(a), Internal Revenue Code of 1986, as amended, by being listed as an exempt organization under Section 501(c)(3) of that code, as amended.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.
Amended by:
   Acts 2005, 79th Leg., Ch. 1215 (H.B. 925), Sec. 7, eff. September 1, 2005.

Sec. 112.005. RESTRICTIONS ON BOARD APPOINTMENT, MEMBERSHIP, AND EMPLOYMENT. (a) In this section, "Texas trade association" means a cooperative and voluntarily joined association of business or professional competitors in this state designed to assist its members and its industry or profession in dealing with mutual business or professional problems and in promoting their common interest.

(b) A person may not be a member of the board of directors and may not be a foundation employee employed in a "bona fide executive,
administrative, or professional capacity," as that phrase is used for purposes of establishing an exemption to the overtime provisions of the federal Fair Labor Standards Act of 1938 (29 U.S.C. Section 201 et seq.), as amended, if:

(1) the person is an officer, employee, or paid consultant of a Texas trade association in the field of health care; or
(2) the person's spouse is an officer, manager, or paid consultant of a Texas trade association in the field of health care.

(c) A person may not be a member of the board of directors or act as the general counsel to the board of directors or the foundation if the person is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a profession related to the operation of the foundation.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

Sec. 112.006. REMOVAL OF BOARD MEMBER. (a) It is a ground for removal from the board of directors that a member:

(1) is ineligible for membership under Section 112.005;
(2) cannot, because of illness or disability, discharge the member's duties for a substantial part of the member's term; or
(3) is absent from more than half of the regularly scheduled board meetings that the member is eligible to attend during a calendar year without an excuse approved by a majority vote of the board of directors.

(b) The validity of an action of the board of directors is not affected by the fact that it is taken when a ground for removal of a board member exists.

(c) The foundation in its articles or bylaws shall establish the manner in which a board member may be removed under this section and may establish other grounds for removal of a member.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

Sec. 112.007. VACANCY. A vacancy on the board of directors shall be filled for the remainder of the unexpired term in the same
manner as provided in Section 112.004(a).

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

Sec. 112.008. OFFICERS. The board of directors shall elect from among its members a presiding officer, an assistant presiding officer, and other necessary officers. The presiding officer and assistant presiding officer serve for a period of one year and may be reelected.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

Sec. 112.009. MEETINGS. The board of directors may meet as often as necessary, but shall meet at least twice a year.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

Sec. 112.010. TAX EXEMPTION. All income, property, and other assets of the foundation are exempt from taxation by this state and political subdivisions of this state.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

Sec. 112.011. MEMORANDUM OF UNDERSTANDING. The foundation and the department shall enter into a memorandum of understanding that:

(1) requires the board of directors and staff of the foundation to report to the commissioner and department;

(2) allows the department to provide staff functions to the foundation; and

(3) outlines the financial contributions to be made to the foundation from funds obtained from grants and other sources.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1,
Sec. 112.012. FUNDING. (a) The department, another agency of this state, including an institution of higher education as defined by Section 61.003, Education Code, or a political subdivision of this state may contract with the foundation to finance, on behalf of the department, agency, or political subdivision, health programs described by Section 112.003.

(b) The foundation may apply for and accept funds from the federal government or any other public or private entity. The foundation or any member of the foundation may also solicit and accept pledges, gifts, and endowments from private sources on the foundation's behalf. The foundation may only accept a pledge, gift, or endowment solicited under this section that is consistent with the purposes of the foundation.

(c) The board of directors of the foundation shall manage and approve disbursements of funds, pledges, gifts, and endowments that are the property of the foundation.

(d) The board of directors of the foundation shall manage any capital improvements constructed, owned, or leased by the foundation and any real property acquired by the foundation.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

Sec. 112.013. RECORDS. (a) The foundation shall maintain financial records and reports independently from those of the department.

(b) The foundation shall comply with all filing requirements of the secretary of state and the Internal Revenue Service.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

Sec. 112.014. REPORT TO DEPARTMENT. Not later than the 60th day after the last day of the fiscal year, the foundation shall submit to the department a report itemizing all income and expenditures and describing all activities of the foundation during
the preceding fiscal year.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.54(a), eff. Sept. 1, 2003.

CHAPTER 114. INTERAGENCY OBESITY COUNCIL

Sec. 114.001. DEFINITION. In this chapter, "council" means the interagency obesity council created by this chapter.

Added by Acts 2007, 80th Leg., R.S., Ch. 509 (S.B. 556), Sec. 1, eff. June 16, 2007.
Amended by:
    Acts 2009, 81st Leg., R.S., Ch. 1212 (S.B. 870), Sec. 1, eff. September 1, 2009.

Sec. 114.002. INTERAGENCY OBESITY COUNCIL. The council is composed of the commissioner of agriculture, the commissioner of state health services, and the commissioner of education, or a staff member designated by each of those commissioners.

Amended by:
    Acts 2009, 81st Leg., R.S., Ch. 1212 (S.B. 870), Sec. 1, eff. September 1, 2009.

Sec. 114.003. CONTRACTS FOR ASSISTANCE. The council may contract with a private or public university to assist in gathering information under this chapter.

Amended by:
    Acts 2009, 81st Leg., R.S., Ch. 1212 (S.B. 870), Sec. 1, eff. September 1, 2009.

Sec. 114.004. GIFTS AND GRANTS. An agency represented on the council may accept gifts and grants on behalf of the council.

Amended by:
    Acts 2009, 81st Leg., R.S., Ch. 1212 (S.B. 870), Sec. 1, eff.
Sec. 114.005. REVIEW OF AGENCY PROGRAMS. The council shall review the status of the programs of the Department of Agriculture, the Department of State Health Services, and the Texas Education Agency that promote better health and nutrition and prevent obesity among children and adults in this state.

Amended by:
Acts 2009, 81st Leg., R.S., Ch. 1212 (S.B. 870), Sec. 1, eff. September 1, 2009.

Sec. 114.006. EVIDENCE-BASED PUBLIC HEALTH AWARENESS PLAN. (a) The council shall create an evidence-based public health awareness plan. In creating the plan, the council shall explore past successful public health awareness efforts.

(b) The plan must include:
(1) a cost estimate that accounts for continuing implementation of the plan;
(2) recommendations on reaching populations that would most benefit from increased public health awareness; and
(3) recommendations on encouraging employers to participate in wellness programs for employees.

(c) The council shall solicit input on the plan from the private sector.

(d) The council shall provide to the Department of State Health Services information on effective strategies for employers to use to promote workplace wellness, including information on the projected costs and benefits. The Department of State Health Services shall post the information on its Internet website.

Amended by:
Acts 2009, 81st Leg., R.S., Ch. 1212 (S.B. 870), Sec. 1, eff. September 1, 2009.

Sec. 114.007. REPORTS. (a) Not later than January 15 of each odd-numbered year, the council shall submit a report to the governor, the lieutenant governor, and the speaker of the house of
representatives on the activities of the council under Sections 114.005 and 114.006 during the preceding two calendar years.

(b) A report submitted by the council under Subsection (a) must include the following information regarding discussions of agency programs under Section 114.005:

(1) a list of the programs within each agency represented on the council that are designed to promote better health and nutrition;
(2) an assessment of the steps taken by each program during the preceding two calendar years;
(3) a report of the progress made by taking these steps in reaching each program's goals;
(4) the areas of improvement that are needed in each program; and
(5) recommendations for future goals or legislation.

(c) A report submitted by the council under Subsection (a) must include the following information regarding the evidence-based public health awareness plan under Section 114.006:

(1) a cost estimate for an ongoing program to implement the plan;
(2) projected benefits of the program;
(3) a summary of the information provided to the Department of State Health Services for its Internet website; and
(4) recommendations for goals and future legislation.

Amended by:
Acts 2009, 81st Leg., R.S., Ch. 1212 (S.B. 870), Sec. 1, eff. September 1, 2009.

Sec. 114.008. MEETINGS. (a) The council shall meet at least once each year to perform its duties under Sections 114.005 and 114.006.

(b) A meeting held under this chapter is not subject to the provisions of the open meetings law, Chapter 551, Government Code.

Amended by:
Acts 2009, 81st Leg., R.S., Ch. 1212 (S.B. 870), Sec. 1, eff. September 1, 2009.
CHAPTER 115. TASK FORCE FOR CHILDREN WITH SPECIAL NEEDS

Sec. 115.001. DEFINITIONS. In this chapter:

(1) "Children with special needs" means children younger than 22 years of age diagnosed with a chronic illness, intellectual or other developmental disability, or serious mental illness.

(2) "Commission" means the Health and Human Services Commission.

(3) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(4) "Task force" means the Interagency Task Force for Children with Special Needs established under this chapter.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.
Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

Sec. 115.002. TASK FORCE FOR CHILDREN WITH SPECIAL NEEDS. The governor, or the governor's designee, shall oversee the task force created and administered by the commission to improve the coordination, quality, and efficiency of services for children with special needs.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.
Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

Sec. 115.003. DUTIES. The task force shall:

(1) not later than September 1, 2010, coordinate with federal agencies to compile a list of opportunities to increase flexible funding for services for children with special needs, including alternative funding sources and service delivery options;

(2) conduct a review of state agency policies and procedures related to service delivery for children with special needs;

(3) perform a needs assessment, including public hearings to identify service delivery gaps, system entry points, and service obstacles; and
(4) develop a five-year plan to improve the coordination, quality, and efficiency of services for children with special needs under Section 115.004.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.
Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

Sec. 115.004. TASK FORCE PLAN. (a) In developing the five-year plan under this chapter, the task force shall:

(1) identify the party responsible for each action set forth in the plan and set deadlines for implementation of each recommendation;

(2) create benchmarks to measure progress toward goals and objectives;

(3) consult with the Legislative Budget Board to coordinate relevant cost studies and account for long-term savings of short-term child investments;

(4) consult with personnel from other states to identify best practices;

(5) consult with the state demographer and relevant federal agencies to account for future demographic trends;

(6) consult with pediatric specialists and other health care providers to determine best medical practices;

(7) coordinate with mental health and developmental disability advocates; and

(8) develop a timeline for plan implementation.

(b) The plan created under this chapter must provide recommendations to:

(1) maximize the use of federal funds available to this state for the purposes described by Section 115.002;

(2) reduce the number of families who experience crisis due to insufficient and ineffective interventions or services or lack of coordination and planning of interventions or services;

(3) improve families' ability to navigate the system through improved coordination between service providers and increased outreach;

(4) remove barriers to local coordination of services and
supports;

(5) evaluate the feasibility of creating an interagency legally authorized representative program to provide support services for children with special needs;

(6) improve early detection and intervention services;

(7) increase the number of community-based options for children with special needs;

(8) improve accountability for each agency represented on the task force and other service providers;

(9) reduce existing fragmentation of service delivery to reflect best practices and eliminate ineffective interventions;

(10) reduce service gaps and overlap;

(11) improve data management;

(12) prevent unnecessary parental relinquishment of custody;

(13) create a core set of quality measures to determine quality of care and improvements to quality of life; and

(14) improve availability of high-quality community-based acute and long-term care services and supports.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.

Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

Sec. 115.005. MEMORANDUM OF UNDERSTANDING. The governor's office and each agency represented on the task force shall enter into a memorandum of understanding to implement the task force's duties under this chapter.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.

Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

Sec. 115.006. REPORT. (a) The task force shall submit a biennial report on the progress of each agency represented on the task force in accomplishing the goals described by Section 115.002 to the governor, lieutenant governor, and speaker of the house of
representatives.

(b) The report must include:

1. stakeholder input, including testimony from parents in each health and human services district;
2. progress toward meeting each goal outlined in the plan under Section 115.004;
3. current barriers that prevent accomplishing each goal listed in Subdivision (2);
4. additional resource needs;
5. current resources that could be redirected for more efficient and effective use;
6. amendments to the plan under this chapter;
7. recommendations and proposed legislation to help fulfill the goals of this chapter; and
8. feasibility statements on related recommendations.

(c) The task force shall publish the report on the commission's website.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.
Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

Sec. 115.007. COMPOSITION. (a) The task force consists of:

1. the commissioner, the executive director or director, or a deputy or assistant commissioner of:
   A. the commission, designated by the executive commissioner;
   B. the Department of Aging and Disability Services, designated by the commissioner of that agency;
   C. the Department of Assistive and Rehabilitative Services, designated by the commissioner of that agency;
   D. the division of early childhood intervention services, designated by the commissioner of the Department of Assistive and Rehabilitative Services;
   E. the Department of Family and Protective Services, designated by the commissioner of that agency;
   F. the Department of State Health Services, designated by the commissioner of that agency;
(G) the Texas Education Agency, designated by the commissioner of that agency;
(H) the Texas Youth Commission, designated by the executive commissioner of that agency;
(I) the Texas Juvenile Probation Commission, designated by the executive director of that agency; and
(J) the Texas Correctional Office on Offenders with Medical or Mental Impairments, designated by the director of that office; and

(2) eight nonvoting members who are:
(A) a representative of a local mental health authority or a local mental retardation authority, appointed by the governor;
(B) two members of the house of representatives, appointed by the speaker of the house of representatives;
(C) two senators, appointed by the lieutenant governor; and
(D) three parents or consumer advocates, one each appointed by the commission, the Texas Education Agency, and the Texas Youth Commission.

(b) The members of the task force appointed under Subsection (a)(2)(D) may serve a five-year term or may elect to serve for a shorter period.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.
Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

Sec. 115.008. MEETINGS. (a) The task force shall meet at least once each quarter.
(b) The task force shall provide an opportunity for statewide public participation in at least two meetings in each calendar year.
(c) All meetings of the task force shall be conducted in accordance with Chapter 551, Government Code.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.
Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.
Sec. 115.009. INTERAGENCY COORDINATOR; STAFF. (a) The governor shall appoint an interagency coordinator from the commission as the presiding officer of the task force.

(b) The interagency coordinator shall hire a full-time director and administrative assistant to support the duties and functions of the task force.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.
Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

Sec. 115.010. TASK FORCE DIRECTOR. The task force director hired by the interagency coordinator under Section 115.009 shall:

(1) prepare on behalf of the task force the plan and reports required under this chapter;

(2) work with each task force representative to schedule meetings and deadlines relevant to the representative’s agency; and

(3) work with the interagency coordinator to assign subcommittee leadership positions under Section 115.011.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.
Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

Sec. 115.011. SUBCOMMITTEES. (a) The interagency coordinator, assisted by the task force director, shall establish subcommittees to address:

(1) early childhood detection and intervention;
(2) education;
(3) health care;
(4) transitioning youth;
(5) crisis prevention and intervention;
(6) juvenile justice;
(7) long-term, community-based services and supports; and
(8) mental health.

(b) Each subcommittee shall include at least one task force member to serve as chair. Consistent with the purpose of each
subcommittee, members shall consult with relevant subject matter experts, relevant advocacy organizations, staff from related agencies, and parents or consumers who have used related services.

(c) Each subcommittee shall report the subcommittee's findings and related recommendations at a task force meeting at least once each year. On a biennial basis, the subcommittee shall provide a written report with findings and recommendations not less than two months before the scheduled release of the task force report under this chapter.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.
Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

Sec. 115.012. SUNSET PROVISION. The Interagency Task Force for Children With Special Needs is subject to Chapter 325, Government Code (Texas Sunset Act). Unless continued in existence as provided by that chapter, the task force is abolished and this chapter expires September 1, 2015.

Added by Acts 2009, 81st Leg., R.S., Ch. 835 (S.B. 1824), Sec. 1, eff. September 1, 2009.
Added by Acts 2009, 81st Leg., R.S., Ch. 1133 (H.B. 2196), Sec. 2, eff. September 1, 2009.

CHAPTER 116. EARLY CHILDHOOD HEALTH AND NUTRITION INTERAGENCY COUNCIL

Sec. 116.001. DEFINITION. In this chapter, "council" means the Early Childhood Health and Nutrition Interagency Council.

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.001 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.

Sec. 116.002. REVIEW BY SUNSET ADVISORY COMMISSION. The Sunset
Advisory Commission shall review the Early Childhood Health and Nutrition Interagency Council as part of its periodic review of the Department of Agriculture under Chapter 325, Government Code (Texas Sunset Act).

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.002 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.
Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 1279 (H.B. 1675), Sec. 6.01, eff. June 14, 2013.

Sec. 116.003. COMPOSITION OF COUNCIL; PRESIDING OFFICER. (a) The Department of Agriculture shall establish the Early Childhood Health and Nutrition Interagency Council. The council is composed of eight members as follows:

(1) a representative of the Health and Human Services Commission who is involved in the coordination of children's programs, appointed by the executive commissioner of the Health and Human Services Commission;

(2) a representative of the Department of State Health Services' health promotion and chronic disease prevention programs, appointed by the commissioner of state health services;

(3) a representative of the Department of State Health Services' Special Supplemental Nutrition Program for Women, Infants and Children, appointed by the commissioner of state health services;

(4) a representative of the Texas Workforce Commission, appointed by the executive director of the Texas Workforce Commission;

(5) a representative of the Department of Agriculture, appointed by the commissioner of agriculture;

(6) a representative of the Texas Education Agency's school health programs, appointed by the commissioner of education;

(7) a representative of the Department of Family and Protective Services' Child Care Licensing Division, appointed by the commissioner of the Department of Family and Protective Services; and

(8) a representative of the Texas AgriLife Extension
Service, appointed by the director of the Texas AgriLife Extension Service.

(b) The representative appointed under Subsection (a)(5) shall serve as the presiding officer of the council.

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.003 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.

Sec. 116.004. DEPARTMENT DUTIES. The Department of Agriculture shall provide staff and resources as necessary for the operation of the council.

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.004 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.

Sec. 116.005. TERMS; VACANCY. (a) Members of the council serve two-year terms, with the terms expiring February 1 of each odd-numbered year.
(b) A member may be reappointed.
(c) A vacancy on the council shall be filled for the remainder of the unexpired term in the same manner as provided by Section 116.003(a).

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.005 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.
Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.002(4), eff. September 1, 2011.
Sec. 116.006. MEETINGS. (a) The council shall meet in person three times each year and may hold meetings by conference call as necessary. The council shall invite stakeholders to participate in at least two council meetings each year and provide an opportunity for submission of oral or written testimony. The council at a minimum shall invite:

(1) one individual with expertise in early childhood nutrition and physical activity, such as a registered dietician, physical therapist, or physical education specialist;
(2) one staff member or manager of a child-care facility;
(3) one staff member or manager of a child-care facility operated in a private residence;
(4) two individuals with medical experience in early childhood health, such as a family practice physician, registered nurse, nurse practitioner, pediatrician, or child health consultant;
(5) one representative from a nonprofit organization that provides family or wellness services; and
(6) one representative from an agency or organization with expertise in community health education and outreach, such as a local health department, public relations or marketing firm, or university.

(b) Section 551.125, Government Code, applies to a meeting held by conference call under this section, except that Section 551.125(b), Government Code, does not apply.

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.006 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.

Sec. 116.007. COUNCIL POWERS AND DUTIES. (a) The council shall review current research to assess:

(1) the health of children under the age of six in this state compared to the health of similar children in other states;
(2) the significance of nutrition and physical activity in the development of children under the age of six; and
(3) the existence of nutrition and physical activity requirements and practices in early childhood care settings.

(b) The council shall review the status of the programs
administered by each agency represented on the council that promote healthy nutrition and physical activity in early childhood care settings.

(c) The council shall identify existing state and federal funding sources available for the promotion of health and nutrition in early childhood care settings.

(d) The council shall consult with key stakeholders to identify:

(1) barriers to improving nutrition and physical activity standards in early childhood care settings; and

(2) evidence-based best practices for improving early childhood health through nutrition and physical activity.

(e) The Department of Agriculture for the council may contract with a university to study and report on best practices and obstacles for addressing early childhood health through nutrition and physical activity.

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.007 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.

Sec. 116.008. COMPENSATION; REIMBURSEMENT. (a) A member of the council may not receive compensation for service on the council.

(b) A member may be reimbursed for the member's actual and necessary expenses for meals, lodging, transportation, and incidental expenses incurred while performing council business, subject to any applicable limitation on reimbursement prescribed by the General Appropriations Act.

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.008 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.

Sec. 116.009. EARLY CHILDHOOD NUTRITION AND PHYSICAL ACTIVITY PLAN. (a) The council shall develop an early childhood nutrition
and physical activity plan with a recommended timeline for implementation over a six-year period.

(b) The six-year plan must account for stakeholder recommendations, address the financing, staffing, and training required to implement the plan, and include methods to:

1. increase fruit and vegetable consumption among children under the age of six;
2. increase daily structured and unstructured physical activity in early childhood care settings;
3. increase awareness among parents of the benefits of breast-feeding, healthy eating, and appropriate activity in children under the age of six;
4. facilitate the consumption of breast milk in early childhood care settings;
5. decrease malnutrition and undernourishment among children under the age of six; and
6. engage existing community and state resources and service providers to educate and increase the awareness of parents and caretakers regarding the need for proper nutrition.

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.009 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.

Sec. 116.010. GIFTS, GRANTS, AND DONATIONS. The Department of Agriculture for the council may accept a gift, grant, or donation from any source to carry out the purposes of this chapter.

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.010 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.

Sec. 116.011. REPORT. The council shall submit to both houses of the legislature and the governor on or before November 1 of each even-numbered year a written report on:
(1) the actions taken in furtherance of the six-year plan;
(2) the areas that need improvement in implementing the six-year plan;
(3) any change to the six-year plan; and
(4) the programs and practices that address nutrition and physical activity in early childhood settings in this state.

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.011 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.

Sec. 116.012. RULES. The commissioner of agriculture may adopt rules necessary to implement this chapter.

Added by Acts 2009, 81st Leg., R.S., Ch. 733 (S.B. 395), Sec. 1, eff. September 1, 2009.
Redesignated from Health and Safety Code, Section 115.012 by Acts 2011, 82nd Leg., R.S., Ch. 91 (S.B. 1303), Sec. 27.001(25), eff. September 1, 2011.

CHAPTER 117. PUBLIC HEALTH FUNDING AND POLICY COMMITTEE

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 117.001. DEFINITIONS. In this chapter:
(1) "Commissioner" means the commissioner of state health services.
(2) "Committee" means the Public Health Funding and Policy Committee established under Section 117.051.
(3) "Department" means the Department of State Health Services.
(4) "Local health department" means a local health department established under Subchapter D, Chapter 121.
(5) "Local health entity" means a local health unit, a local health department, or a public health district.
(6) "Local health unit" has the meaning assigned by Section 121.004.
(7) "Public health district" means a health district established under Subchapter E, Chapter 121.
Sec. 117.002. APPLICATION OF SUNSET ACT. The Public Health Funding and Policy Committee is subject to Chapter 325, Government Code (Texas Sunset Act). Unless continued in existence as provided by that chapter, the committee is abolished and this chapter expires September 1, 2023.

Sec. 117.003. ADMINISTRATIVE COSTS. To the extent that a term or condition of a federal grant or federal law does not limit the use of federal grant money, the department or a local health entity may use federal grant money to pay the administrative costs incurred by the department or the local health entity in implementing and administering this chapter.

Sec. 117.051. ESTABLISHMENT OF COMMITTEE. The commissioner shall establish the Public Health Funding and Policy Committee within the department.

Sec. 117.052. APPOINTMENT OF MEMBERS. (a) The commissioner shall appoint nine members to the committee as follows:

(1) two regional health directors, each of whom is serving as a health authority in a municipality or county;

(2) one local health entity representative of a municipality or county with a population of 50,000 or less;

(3) one local health entity representative from a
municipality or county with a population greater than 50,000 but less than 250,000;

(4) one local health entity representative from a municipality or county with a population of at least 250,000;

(5) two local health entity representatives, each of whom serves in a municipality or county as the health authority; and

(6) two representatives of schools of public health at institutions of higher education in this state.

(b) In making appointments under Subsections (a)(2), (3), (4), and (5), the commissioner shall select the members from nominations by associations representing local health departments, county governments, and municipal governments.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.

Sec. 117.053. TERMS; VACANCY. (a) Committee members serve staggered six-year terms, with the terms of three members expiring on February 1 of each odd-numbered year.

(b) If a vacancy occurs on the committee, a person shall be appointed to fill the vacancy for the unexpired term in the same manner as the original appointment.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.

Sec. 117.054. COMPENSATION AND REIMBURSEMENT. A committee member is not entitled to compensation for service on the committee and is not entitled to reimbursement for any travel expenses.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.

Sec. 117.055. PRESIDING OFFICER. The presiding officer is elected by a majority vote of all the committee members.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.
Sec. 117.056. MEETINGS. (a) The committee shall meet at least quarterly or more frequently at the call of the presiding officer.

(b) To ensure appropriate representation from all areas of this state, the committee may meet by videoconference or telephone conference call. A meeting held by videoconference or telephone conference call under this subsection must comply with the requirements applicable to a telephone conference call under Sections 551.125(c), (d), (e), and (f), Government Code. Sections 551.125(b) and 551.127, Government Code, do not apply to the committee.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.

SUBCHAPTER C. DUTIES OF COMMITTEE

Sec. 117.101. GENERAL DUTIES OF COMMITTEE. (a) The committee shall:

(1) define the core public health services a local health entity should provide in a county or municipality;

(2) evaluate public health in this state and identify initiatives for areas that need improvement;

(3) identify all funding sources available for use by local health entities to perform core public health functions;

(4) establish public health policy priorities for this state; and

(5) at least annually, make formal recommendations to the department regarding:

(A) the use and allocation of funds available exclusively to local health entities to perform core public health functions;

(B) ways to improve the overall public health of citizens in this state;

(C) methods for transitioning from a contractual relationship between the department and the local health entities to a cooperative-agreement relationship between the department and the local health entities; and

(D) methods for fostering a continuous collaborative relationship between the department and the local health entities.
(b) Recommendations made under Subsection (a)(5)(A) must be in accordance with:

(1) prevailing epidemiological evidence, variations in geographic and population needs, best practices, and evidence-based interventions related to the populations to be served;
(2) state and federal law; and
(3) federal funding requirements.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.

Sec. 117.102. PUBLIC TESTIMONY. (a) At least semiannually, the committee shall:

(1) invite public health stakeholders, including federal public health officials, county and municipal governments, schools of public health at institutions of higher education, and federally qualified health centers, to give oral or written testimony to the committee; and
(2) provide opportunities for the general public to give oral or written testimony to the committee.

(b) The committee shall consult with public health stakeholders to carry out the general duties of the committee.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.

Sec. 117.103. ANNUAL REPORT. Beginning in 2012, not later than November 30 of each year the committee shall file a report on the implementation of this chapter with the governor, the lieutenant governor, and the speaker of the house of representatives.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.

Sec. 117.104. SUPPORT STAFF. Using existing personnel and videoconferencing equipment, local health entities or their designees may assist the committee in the performance of its duties under this chapter.
Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.

Sec. 117.105. OPEN MEETINGS ACT. Except as provided by Section 117.056, the committee is subject to Chapter 551, Government Code.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.

SUBCHAPTER D. POWERS AND DUTIES OF DEPARTMENT

Sec. 117.151. ANNUAL REPORT. (a) Beginning in 2012, not later than November 30 of each year the department shall file an annual report with the governor, the lieutenant governor, and the speaker of the house of representatives detailing:

(1) the implementation of the committee's recommendations described in Section 117.101(a)(5); and
(2) an explanation of the department's reasons for not implementing a recommendation.

(b) A decision by the department not to implement a recommendation of the committee must be based on:

(1) a lack of available funding;
(2) evidence that the recommendation is not in accordance with prevailing epidemiological evidence, variations in geographic and population needs, best practices, or evidence-based interventions related to the populations to be served;
(3) evidence that implementing the recommendation would violate state or federal law; or
(4) evidence that the recommendation would violate federal funding requirements.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1, eff. September 1, 2011.

Sec. 117.152. COLLABORATIVE RELATIONSHIP WITH LOCAL HEALTH ENTITIES. The department shall establish a continuous collaborative relationship with local health departments.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1237 (S.B. 969), Sec. 1,
SUBTITLE F. LOCAL REGULATION OF PUBLIC HEALTH

CHAPTER 121. LOCAL PUBLIC HEALTH REORGANIZATION ACT

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 121.001. SHORT TITLE. This chapter may be cited as the Local Public Health Reorganization Act.

Sec. 121.002. DEFINITIONS. In this chapter:

(1) "Essential public health services" means services to:
    (A) monitor the health status of individuals in the community to identify community health problems;
    (B) diagnose and investigate community health problems and community health hazards;
    (C) inform, educate, and empower the community with respect to health issues;
    (D) mobilize community partnerships in identifying and solving community health problems;
    (E) develop policies and plans that support individual and community efforts to improve health;
    (F) enforce laws and rules that protect the public health and ensure safety in accordance with those laws and rules;
    (G) link individuals who have a need for community and personal health services to appropriate community and private providers;
    (H) ensure a competent workforce for the provision of essential public health services;
    (I) research new insights and innovative solutions to community health problems; and
    (J) evaluate the effectiveness, accessibility, and quality of personal and population-based health services in a community.

(2) "Physician" means a person licensed to practice medicine by the Texas State Board of Medical Examiners.

Sec. 121.003. POWERS OF MUNICIPALITIES AND COUNTIES.  (a) The governing body of a municipality or the commissioners court of a county may enforce any law that is reasonably necessary to protect the public health.

(b) The governing bodies of municipalities and the commissioners courts of counties may cooperate with one another in making necessary improvements and providing services to promote the public health in accordance with The Interlocal Cooperation Act (Article 4413(32c), Vernon's Texas Civil Statutes).

(c) The commissioners court of a county may grant authority under this subsection to a county employee who is trained by a health authority appointed by the county under Section 121.021, by a local health department established under Section 121.031, or by a public health district established under Section 121.041 and who is not a peace officer. The court may grant to the employee the power to issue a citation in an unincorporated area of the county to enforce any law or order of the commissioners court that is reasonably necessary to protect the public health. A citation issued under this subsection must state the name of the person cited, the violation charged, and the time and place the person is required to appear in court. If a person who receives a citation under this subsection fails to appear on the return date of the citation, the court may issue a warrant for the person's arrest for the violation described in the citation.

Sec. 121.0035. REGULATION OF MOBILE FOOD UNITS AND ROADSIDE FOOD VENDORS IN CERTAIN POPULOUS AREAS.  (a) In this section, "mobile food unit" and "roadside food vendor" have the meanings assigned under Section 437.001.

(b) A municipality with a population of 1.5 million or more and a county with a population of 3.4 million or more shall enforce state law and rules adopted under state law concerning mobile food units and roadside food vendors in the same manner that the county or municipality enforces other health and safety regulations relating to
food service.

Added by Acts 2005, 79th Leg., Ch. 1288 (H.B. 2507), Sec. 1, eff. September 1, 2005.

Sec. 121.004. LOCAL HEALTH UNITS. A local health unit is a division of municipal or county government that provides public health services but does not provide each service required of a local health department under Section 121.032(a) or of a public health district under Section 121.043(a).

Sec. 121.005. STATE AND LOCAL AFFILIATION; CONTRACTS. (a) A local health unit, local health department, or public health district may become affiliated with the department to facilitate the exchange of information and the coordination of public health services.

(b) To be affiliated with the department, a local health unit, local health department, or public health district must annually provide to the department information relating to:

(1) services provided;
(2) staffing patterns; and
(3) funding sources and budget.

(c) The department may contract with a local health unit, local health department, or public health district for the provision of public health services.

(d) The board may adopt rules necessary to implement this section.

Sec. 121.006. PUBLIC HEALTH SERVICES FEES; STATE SUPPORT. (a) The governing body of a municipality, the commissioners court of a county, or the administrative board of a public health district may adopt ordinances or rules to charge fees for public health services.

(b) A municipality, county, or public health district may not deny public health services to an individual because of inability to pay for the services. A municipality, county, or public health
district shall provide for the reduction or waiver of a fee for an individual who cannot pay for services in whole or in part.

(c) The Uniform Grant and Contract Management Act of 1981 (Article 4413(32g), Vernon's Texas Civil Statutes) and standards adopted under that Act control, if applicable, if the local health unit, local health department, or public health district receives state support for the provision of public health services.

(c-1) A fee for a public health service charged in the jurisdiction of a public health district may be uniform throughout the district regardless of which governmental entity member of the district charges the fee. The fee may be set at an amount up to the highest amount charged by any governmental entity member of the district.

(d) In this section, "public health services" means:

(1) personal health promotion and maintenance services;
(2) infectious disease control and prevention services;
(3) environmental and consumer health programs;
(4) public health education and information services;
(5) laboratory services; and
(6) administrative services.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 810 (S.B. 1380), Sec. 1, eff. September 1, 2007.

Sec. 121.0065. GRANTS FOR ESSENTIAL PUBLIC HEALTH SERVICES.
(a) Subject to the availability of funds, the department shall administer a program under which appropriated money may be granted to counties, municipalities, public health districts, and other political subdivisions for use by the counties, municipalities, public health districts, and other political subdivisions to provide or pay for essential public health services.

(b) The grants authorized by Subsection (a) shall be distributed equally between urban and rural areas of the state.

(c) The board shall adopt rules governing:

(1) the allocation formula for grants awarded under this section;
(2) the manner in which a municipality, county, public...
health district, or other political subdivision applies for a grant;

(3) the procedures for awarding grants; and

(4) the minimum essential public health services to be provided under the grant and other standards applicable to the services to be provided under the grant.

(d) A municipality, county, public health district, or other political subdivision that receives a grant under this section, in consultation with the department, shall develop a plan to evaluate the effectiveness, accessibility, and quality of the essential public health services that are provided under the grant. The plan must:

(1) identify the outcomes that are intended to result from the use of the grant money and establish a mechanism to measure those outcomes; and

(2) establish performance standards for the delivery of essential public health services and a mechanism to measure compliance with those standards.

(e) The governing body of the municipality, the commissioners court of the county, or the members of a public health district may appoint a local health board to monitor the use of the money received under this section.

(f) A public health board established under Section 121.034 or 121.046 may serve as the local health board authorized under Subsection (e).

(g) The governing body of the municipality or the commissioners court of a county may serve as the local health board authorized under Subsection (e). If the governing body of the municipality or the commissioners court of the county elects to serve as the local health board, the governing body or commissioners court may appoint an advisory committee to advise the governing body or commissioners court with respect to the use of the money granted under this section.

(h) Chapter 783, Government Code, and standards adopted under that chapter control if applicable to a grant made under this section.

Added by Acts 1999, 76th Leg., ch. 1378, Sec. 2, eff. June 19, 1999.
department may provide essential public health services for a population for which a municipality, county, public health district, or other political subdivision is not receiving a grant to provide those services under Section 121.0065.

(b) Subject to the availability of funds, the department shall develop a plan that complies with Section 121.0065(d) to evaluate the effectiveness, accessibility, and quality of essential public health services provided under this section.

Added by Acts 1999, 76th Leg., ch. 1378, Sec. 2, eff. June 19, 1999.

Sec. 121.007. PUBLIC HEALTH REGIONS. (a) The board may designate geographic areas of the state as public health regions to provide public health services.

(b) The board shall appoint a physician to serve as regional director for each public health region. The regional director is the chief administrative officer of the region. The board shall establish the qualifications and terms of employment of a regional director.

(c) The board or its designee may require a regional director to perform the duties of a health authority. The regional director may perform those duties, as authorized by the board or commissioner, in a jurisdiction in the region in which the health authority fails to perform duties prescribed by the board under Section 121.024. The regional director shall perform the duties of a health authority in a jurisdiction in the region in which there is not a health authority.

(d), (e) Repealed by Acts 1999, 76th Leg., ch. 1378, Sec. 8, eff. June 19, 1999.

Sec. 121.008. ANNUAL CONFERENCE. (a) The board shall hold an annual conference for health authorities and for directors of local health departments and public health districts. The commissioner or the commissioner's designee shall preside over the conference.

(b) A county or municipality may pay necessary expenses incurred by its health authority or director in attending the
conference.

**SUBCHAPTER B. HEALTH AUTHORITIES**

Sec. 121.021. HEALTH AUTHORITY. A health authority is a physician appointed under the provisions of this chapter to administer state and local laws relating to public health within the appointing body's jurisdiction.

Sec. 121.022. QUALIFICATIONS. (a) A health authority must be:
(1) a competent physician with a reputable professional standing who is legally qualified to practice medicine in this state; and
(2) a resident of this state.

(b) To be qualified to serve as a health authority, the appointee must:
(1) take and subscribe to the official oath; and
(2) file a copy of the oath and appointment with the board.

Sec. 121.023. TERM OF OFFICE. A health authority serves for a term of two years and may be appointed to successive terms.

Sec. 121.024. DUTIES. (a) A health authority is a state officer when performing duties prescribed by state law.
(b) A health authority shall perform each duty that is:
(1) necessary to implement and enforce a law to protect the public health; or
(2) prescribed by the board.
(c) The duties of a health authority include:
(1) establishing, maintaining, and enforcing quarantine in the health authority's jurisdiction;

(2) aiding the board in relation to local quarantine, inspection, disease prevention and suppression, birth and death statistics, and general sanitation in the health authority's jurisdiction;

(3) reporting the presence of contagious, infectious, and dangerous epidemic diseases in the health authority's jurisdiction to the board in the manner and at the times prescribed by the board;

(4) reporting to the board on any subject on which it is proper for the board to direct that a report be made; and

(5) aiding the board in the enforcement of the following in the health authority's jurisdiction:
   (A) proper rules, requirements, and ordinances;
   (B) sanitation laws;
   (C) quarantine rules; and
   (D) vital statistics collections.

Sec. 121.025. REMOVAL FROM OFFICE. A health authority may be removed from office for cause under the personnel procedures applicable to the heads of departments of the local government that the health authority serves.

SUBCHAPTER C. MUNICIPALITIES AND COUNTIES WITHOUT ORGANIZED LOCAL PUBLIC HEALTH DEPARTMENTS OR DISTRICTS

Sec. 121.028. APPOINTMENT OF HEALTH AUTHORITY. (a) The governing body of a municipality or the commissioners court of a county that has not established a local health department or a public health district may appoint a physician as health authority to administer state and local laws relating to public health in the municipality's or county's jurisdiction.

(b) The governing body of a municipality or the commissioners court of a county described by Subsection (a) that is receiving a grant under Section 121.0065 shall appoint a physician as health authority.
(c) An individual appointed to serve as health authority for a county or municipality may serve as the health authority for one or more other jurisdictions under an interlocal contract made in accordance with Chapter 791, Government Code.

Sec. 121.029. DELEGATION OF AUTHORITY. (a) A health authority, unless otherwise restricted by law, may delegate a power or duty imposed on the health authority by the board, or by this or any other law, to a properly qualified physician to act while the health authority is absent or incapacitated.

(b) The physician designated by the health authority must:
    (1) meet the qualifications set out in Section 121.022(a);
    (2) be appointed as a designee in the same manner as the appointment of the health authority;
    (3) take, subscribe, and file the official oath and appointment with the board as required by Section 121.022(b); and
    (4) file a certified copy of the written delegation with the board.

(c) The delegation is effective during the term of the health authority who made the delegation; however, the health authority may limit the time to a shorter duration in the written delegation of authority.

(d) The health authority is responsible for the acts of the physician to whom the health authority has delegated the power or duty.

(e) The entity that appoints the health authority and the designee health authority must adopt procedures for the service of the designee as health authority under this section. The procedures shall prevent duplication of authority between the health authority and the designee and provide notice to the department when authority is transferred.

Sec. 121.031. ESTABLISHMENT. The governing body of a municipality or the commissioners court of a county may establish a local health department by majority vote.

Sec. 121.032. POWERS AND DUTIES. A local health department may perform all public health functions that the municipality or county that establishes the local health department may perform.

Sec. 121.033. DEPARTMENT DIRECTOR. (a) The governing body of a municipality or the commissioners court of a county shall appoint the director of the municipality's or county's local health department.

(b) The director is the chief administrative officer of the local health department, and if the director is a physician, the director is the health authority in the local health department's jurisdiction.

(c) The governing body of a municipality or the commissioners court of a county may designate a person to perform its appointment duties under this section.

(d) A director of a local health department who is not a physician shall appoint a physician as the health authority in the local health department's jurisdiction, subject to the approval of the governing body or the commissioners court, as appropriate, and the board.

(e) The governing body or the commissioners court, as appropriate, shall set the compensation of the director and the health authority in its jurisdiction, except that the compensation, including a salary, may be allowed only for services actually rendered.

Sec. 121.0331. DELEGATION OF AUTHORITY. (a) A health authority, unless otherwise restricted by law, may delegate a power or duty imposed on the health authority by the board, or by this or any other law, to a properly qualified physician who is employed by the municipality's or county's local health department to act while the health authority is absent or incapacitated.

(b) The physician designated by the health authority must:
  (1) meet the qualifications set out in Section 121.022(a);
  (2) be appointed as a designee in the same manner as the appointment of the health authority;
  (3) take, subscribe, and file the official oath and appointment with the board as required by Section 121.022(b); and
  (4) file a certified copy of the written delegation with the board.

(c) The delegation is effective during the term of the health authority who made the delegation; however, the health authority may limit the delegation to a shorter duration in the written delegation of authority.

(d) The health authority is responsible for the acts of the physician to whom the health authority has delegated the power or duty.

(e) The entity or entities that appoint the health authority and the designee health authority must adopt procedures for the service of the designee as health authority under this section. The procedures shall prevent duplication of authority between the health authority and the designee and provide notice to the department when authority is transferred.

Sec. 121.034. PUBLIC HEALTH BOARD. (a) The governing body of a municipality that establishes a local health department may provide for the creation of an administrative or advisory public health board and the appointment of representatives to that board.

(b) The commissioners court of a county that establishes a local health department may provide for the creation of an advisory public health board and the appointment of representatives to that board.

(c) The director of the local health department is an ex
officio, nonvoting member of any public health board established for the local health department.

**SUBCHAPTER E. PUBLIC HEALTH DISTRICTS**

Sec. 121.041. ESTABLISHMENT. By a majority vote of each governing body, a public health district may be established by:

1. two or more counties;
2. two or more municipalities;
3. a county and one or more municipalities in the county;
4. two or more counties and one or more municipalities in those counties.

Sec. 121.042. ADMISSION TO DISTRICT. (a) Any governmental entity, including a school district, may apply to become a member of a public health district.

(b) The governing body of each member shall review the application.

(c) The governmental entity may be admitted to membership on terms acceptable to the applicant and the members if a majority of the governing body of each member approves the application.

Sec. 121.043. POWERS AND DUTIES. (a) A public health district may perform any public health function that any of its members may perform unless otherwise restricted by law.

(b) For purposes of Section 121.005, a public health district shall be identified by its program of public health services and shall, at a minimum, provide the services listed for a local health department under Section 121.032(b).

(c) A public health district may sue and be sued.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 121.044. COOPERATIVE AGREEMENT. (a) The members of a public health district shall prepare a written cooperative agreement that sets out fully the terms of operation of the district.

(b) The terms in a cooperative agreement must include:

(1) organizational structure;

(2) financial administration; and

(3) procedures for:

(A) modification of the cooperative agreement;

(B) admission, withdrawal, and expulsion of members;

(C) dissolution of the district; and

(D) selection and removal of a director.

(c) A cooperative agreement must be:

(1) approved by the governing body of each member; and

(2) signed by the appropriate officers of each governing body.

(d) A modification of a cooperative agreement must be in writing. A modification is effective on approval by the governing body of each member.

(e) A copy of a cooperative agreement and of each modification shall be:

(1) included in the minutes of the governing body of each member; and

(2) filed with the clerk of each county and municipality in the district and with the department.

Sec. 121.045. DISTRICT DIRECTOR. (a) The members of a public health district shall appoint the director of the district.

(b) The director is the chief administrative officer of the public health district, and if the director is a physician, the director is the health authority in the district's jurisdiction.

(c) A member may designate a person to perform its appointment duties under this section.

(d) A director of a public health district who is not a physician shall appoint a physician as the health authority for the
district, subject to the approval of the members and the board.

Sec. 121.0451. DELEGATION OF AUTHORITY. (a) A health authority, unless otherwise restricted by law, may delegate a power or duty imposed on the health authority by the board, or by this or any other law, to a properly qualified physician who is employed by the public health district to act while the health authority is absent or incapacitated.

(b) The physician designated by the health authority must:
(1) meet the qualifications set out in Section 121.022(a);
(2) be appointed as a designee in the same manner as the appointment of the health authority;
(3) take, subscribe, and file the official oath and appointment with the board as required by Section 121.022(b); and
(4) file a certified copy of the written delegation with the board.

(c) The delegation is effective during the term of the health authority who made the delegation; however, the health authority may limit the delegation to a shorter duration in the written delegation of authority.

(d) The health authority is responsible for the acts of the physician to whom the health authority has delegated the power or duty.

(e) The entity or entities that appoint the health authority and the designee health authority must adopt procedures for the service of the designee as health authority under this section. The procedures shall prevent duplication of authority between the health authority and the designee and provide notice to the department when authority is transferred.

Sec. 121.046. PUBLIC HEALTH BOARD. (a) The cooperative agreement of a public health district may provide for the creation of an advisory or administrative public health board.

(b) An advisory public health board shall advise the members
and director on matters of public health.

(c) An administrative public health board may adopt substantive and procedural rules that are necessary and appropriate to promote and preserve the health and safety of the public. However, an administrative board may not adopt a rule that is not specifically authorized by state law, conflicts with a law of this state, or conflicts with an ordinance of a municipality or county in the district.

(d) A public health board may perform any function relating to the operation of the public health district that is required under the cooperative agreement.

(e) The terms of a cooperative agreement that provides for a public health board must include:

1. the composition and number of the representatives that compose the public health board;
2. a method for appointing representatives to the public health board;
3. the length of the representatives' terms, which must be staggered;
4. a requirement that a representative must have resided in the district for at least three years before the date of the representative's appointment;
5. a requirement that each representative serve without compensation;
6. the manner in which a vacancy is filled for an unexpired term;
7. the procedure and substantive criteria for the removal of a representative; and
8. a description of the relationship between the director and the public health board.

(f) The director is an ex officio, nonvoting member of a public health board established by the cooperative agreement.

Sec. 121.047. FINANCES. The members of a public health district shall pay the costs necessary to operate the district, including costs for:

1. staff salaries;
(2) supplies;
(3) suitable offices;
(4) health and clinic centers;
(5) health services and facilities; and
(6) maintenance.

SUBCHAPTER F. PUBLIC HEALTH CONSORTIUM

Sec. 121.101. DEFINITION. In this chapter, "consortium" means the public health consortium established under this subchapter.

Added by Acts 1999, 76th Leg., ch. 1378, Sec. 6, eff. June 19, 1999.

Sec. 121.102. CONSORTIUM ESTABLISHED. Subject to availability of funds, the department shall establish a public health consortium composed of:
(1) The University of Texas Health Science Center at San Antonio;
(2) The University of Texas M. D. Anderson Cancer Center;
(3) The University of Texas Southwestern Medical Center;
(4) The University of Texas Medical Branch at Galveston;
(5) The University of Texas Health Science Center at Houston;
(6) The University of Texas Health Science Center at Tyler;
(7) the Texas Tech University Health Sciences Center;
(8) The Texas A&M University Health Science Center;
(9) the University of North Texas Health Science Center at Fort Worth; and
(10) any other public institution of higher education that elects to participate in the consortium.

Added by Acts 1999, 76th Leg., ch. 1378, Sec. 6, eff. June 19, 1999. Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 179 (H.B. 1844), Sec. 15, eff. September 1, 2013.

Sec. 121.103. GENERAL DUTIES. (a) Subject to the availability
of funds, the department, in consultation with the consortium and local health units, local health departments, and public health districts, shall:

1. develop curricula to provide training to public health workers;
2. conduct research on improving health status outcomes and methods of monitoring those outcomes;
3. develop performance standards for local health units, local health departments, and public health districts;
4. develop competency certification standards for public health workers; and
5. study the technology infrastructure available to local health units, local health departments, and public health districts and improve the use of this infrastructure to permit:
   A. statewide communication relating to disease surveillance and reporting of public health information; and
   B. immediate access to public health information and collaboration among public health professionals.

(b) The training curricula described by Subsection (a)(1) may include training for local health authorities.

Added by Acts 1999, 76th Leg., ch. 1378, Sec. 6, eff. June 19, 1999.

CHAPTER 122. POWERS AND DUTIES OF COUNTIES AND MUNICIPALITIES RELATING TO PUBLIC HEALTH

Sec. 122.001. COUNTY FUNDING FOR PUBLIC HEALTH AND SANITATION. The commissioners court of a county may appropriate and spend money from the county general revenues for public health and sanitation in the county.

Sec. 122.002. HEALTH UNIT IN COUNTY WITH POPULATION OF LESS THAN 22,000. (a) The commissioners court of a county with a population of less than 22,000 may impose an ad valorem tax at a rate not to exceed five cents on each $100 of the taxable value of property taxable by the county for:
1. the creation of a county health unit;
2. vaccines and medical services required to immunize
schoolchildren and indigent persons from communicable diseases; and

(3) medical treatment for indigent persons who are not
entitled to treatment under Chapter 61 (Indigent Health Care and
Treatment Act).

(b) This section is effective for a county only if it is
approved by a majority of the voters of the county at an election
called for that purpose by the commissioners court on receipt of a
petition signed by at least five percent of the property taxpaying
voters in the county.

(c) The commissioners court may pay not more than half of the
costs of medical treatment and immunization for an indigent person
who is not entitled to treatment under Chapter 61 (Indigent Health
Care and Treatment Act).

(d) A commissioners court that creates a county health unit
under this section shall create a county health unit fund. The
proceeds of the tax shall be deposited to the credit of that fund. Amounts in the fund shall be used for the purposes for which the
commissioners court may impose a tax under Subsection (a).

Sec. 122.003. HEALTH UNIT IN COUNTY WITH POPULATION OF 22,200
TO 22,500. (a) The commissioners court of a county with a
population of 22,200 to 22,500 may impose an ad valorem tax at a rate
not to exceed 10 cents on each $100 of the taxable value of property
taxable by the county for:

(1) the creation of a county health unit;
(2) vaccines and medical services required to immunize
schoolchildren and indigent persons from communicable diseases; and
(3) medical treatment or hospitalization of indigent
persons who are not entitled to treatment or hospitalization under
Chapter 61 (Indigent Health Care and Treatment Act).

(b) The commissioners court may pay not more than half of the
costs of medical treatment or hospitalization for an indigent person
who is not entitled to treatment under Chapter 61 (Indigent Health
Care and Treatment Act).

(c) A commissioners court that creates a county health unit
under this section shall create a county health unit fund. The
proceeds of the tax shall be deposited to the credit of that fund.
Amounts in the fund shall be used for the purposes for which the commissioners court may impose a tax under Subsection (a).

Sec. 122.004. APPROPRIATION TO HOSPITAL ESTABLISHED BY DONATION. If a fund of at least $50,000 is left by will or otherwise to establish and maintain a hospital in a municipality with a population of at least 10,000, the governing body of that municipality or the commissioners court of the county in which the municipality is located may make an appropriation to the hospital, in an amount that the governing body or commissioners court considers proper, to provide hospitalization and medical and surgical services for indigent residents of the municipality or county who are sick or wounded.

Sec. 122.005. POWERS OF TYPE A GENERAL-LAW MUNICIPALITY. (a) The governing body of a Type A general-law municipality may take any action necessary or expedient to promote health or suppress disease, including actions to:

(1) prevent the introduction of a communicable disease into the municipality, including stopping, detaining, and examining a person coming from a place that is infected or believed to be infected with a communicable disease;

(2) establish, maintain, and regulate hospitals in the municipality or in any area within five miles of the municipal limits; or

(3) abate any nuisance that is or may become injurious to the public health.

(b) The governing body of a Type A general-law municipality may adopt rules:

(1) necessary or expedient to promote health or suppress disease; or

(2) to prevent the introduction of a communicable disease into the municipality, including quarantine rules, and may enforce those rules in the municipality and in any area within 10 miles of the municipality.
(c) The governing body of a Type A general-law municipality may fine a person who fails or refuses to observe the orders and rules of the health authority.

Sec. 122.006. POWERS OF HOME-RULE MUNICIPALITIES. A home-rule municipality may:
(1) adopt rules to protect the health of persons in the municipality, including quarantine rules to protect the residents against communicable disease; and
(2) provide for the establishment of quarantine stations, emergency hospitals, and other hospitals.

Sec. 122.007. ESTABLISHMENT OF MEDICAL CLINICS IN CERTAIN COUNTIES. (a) The commissioners court of a county with a population of less than 20,000 may establish a medical clinic for the provision of health care services.

(b) The commissioners court may determine the types of health care services to be provided at the clinic, including medical care and treatment provided by a licensed physician, nursing care provided by a registered nurse, and dental care provided by a licensed dentist.

(c) The commissioners court may:
(1) purchase land on which to construct the clinic;
(2) construct the clinic, lease space for the clinic, or purchase and develop an existing building for the clinic; and
(3) operate or contract for the operation of the clinic.

(d) A county with a population of less than 20,000 that constructs a medical clinic under this section may continue to operate the clinic and exercise the powers provided by this section after the county exceeds that population.

Sec. 122.008. EMPLOYMENT FOR PUBLIC SCHOOLS AND COMPENSATION.
(a) The commissioners court of a county may employ one or more registered nurses to visit the public schools in the county.

(b) A nurse employed under Subsection (a) shall:

(1) investigate the health conditions and sanitary surroundings of the schools and the personal, physical, and health condition of students in the schools;

(2) cooperate with the Texas Department of Health and local health authorities; and

(3) perform other duties required by the commissioners court.

Added by Acts 1999, 76th Leg., ch. 388, Sec. 4, eff. Sept. 1, 1999.

SUBTITLE G. LICENSES

CHAPTER 141. YOUTH CAMPS

Sec. 141.001. SHORT TITLE. This chapter may be cited as the Texas Youth Camp Safety and Health Act.

Sec. 141.002. DEFINITIONS. In this chapter:

(1) "Camper" means a minor who is attending a youth camp on a day care or boarding basis.

(2) "Day camp" includes any camp that primarily operates during any portion of the day between 7 a.m. and 10 p.m. for a period of four or more consecutive days but may incidentally offer not more than two overnight stays each camp session. The term does not include a facility required to be licensed with the Department of Protective and Regulatory Services.

(3) "Person" means an individual, partnership, corporation, association, or organization.

(4) "Resident youth camp" includes any camp that for a period of four or more days continuously provides residential services, including overnight accommodations for the duration of the camp session.

(5) "Youth camp" means a facility or property, other than a facility required to be licensed by the Department of Protective and Regulatory Services, that:

(A) has the general characteristics of a day camp,
resident camp, or travel camp;
(B) is used primarily or partially for recreational, athletic, religious, or educational activities; and
(C) accommodates at least five minors who attend or temporarily reside at the camp for all or part of at least four days.
(6) "Youth camp operator" means a person who owns, operates, controls, or supervises a youth camp, regardless of profit.

Sec. 141.0021. EXEMPTION. This chapter does not apply to a facility or program operated by or on the campus of an institution of higher education or a private or independent institution of higher education as those terms are defined by Section 61.003, Education Code, that is regularly inspected by one or more local governmental entities for compliance with health and safety standards.

Added by Acts 2003, 78th Leg., ch. 1302, Sec. 1, eff. June 20, 2003.

Sec. 141.003. LICENSE REQUIRED. A person may not own, operate, control, or supervise a youth camp unless the person:
(1) holds a license issued under this chapter for that camp; and
(2) complies with this chapter and department rules and orders.

Sec. 141.0035. LICENSE FEES. (a) The board by rule shall establish the amount of the fee for obtaining or renewing a license under this chapter. The board shall set the fee in a reasonable amount designed to recover the direct and indirect costs to the department of administering and enforcing this chapter. The board may set fees in a different amount for resident youth camps and day youth camps to reflect differences in the costs of administering and
enforcing this chapter for resident and day camps.

(b) Before adopting or amending a rule under Subsection (a), the board shall solicit comments and information from the operators of affected youth camps and allow affected youth camp operators the opportunity to meet with appropriate department staff who are involved with the rulemaking process.

Sec. 141.004. LICENSE APPLICATION AND ISSUANCE. (a) To obtain a license, a person must submit a license application accompanied by a license fee in an amount set by the board.

(b) On receiving a license application, the department shall inspect the applicant's facilities, operations, and premises and shall issue a license to each applicant who will operate a youth camp in accordance with this chapter and rules adopted under this chapter.

(c) The department shall issue serially numbered licenses.

Sec. 141.005. LICENSE RENEWAL. (a) A person holding a license issued under this chapter must renew the license annually by submitting a renewal application on a date determined by board rule on a form provided by the department.

(b) The application must be accompanied by a renewal fee in an amount set by the board.

(c) The department may not renew the license of a youth camp which has not corrected deficiencies before the application for renewal is submitted. The board shall adopt substantive and procedural rules for the submission by a youth camp operator of evidence that a deficiency or deficiencies have been corrected.

Sec. 141.006. PRINCIPAL AUTHORITY FOR YOUTH CAMPS. The department is the principal authority on matters relating to health and safety conditions at youth camps. In addition to the powers and duties established by this chapter, the department has any other powers necessary and convenient to carry out its responsibilities under this chapter.

Sec. 141.007. INSPECTIONS. (a) An employee or agent of the department may enter any property for which a license is issued under this chapter, property for which a license application to operate a youth camp is pending, or property on which a youth camp is in operation to investigate and inspect conditions relating to the health and safety of the campers.

(b) An employee or agent who enters a youth camp to investigate and inspect conditions shall notify the person in charge of the camp of the inspector's presence and shall present proper credentials. The department may exercise the remedies authorized by Section 141.014(b) if the employee or agent is not allowed to enter.

(c) The department may prescribe reasonable record-keeping requirements for licensed youth camps, including a requirement that the youth camp keep records relating to matters involving the health and safety of campers. An employee or agent of the department may examine, during regular business hours, any records relating to the health and safety of campers.

(d) An employee or agent of the department who enters a youth camp to investigate and inspect conditions shall:

(1) notify the person in charge of the camp or the person's designee of any violations as they are discovered; and

(2) allow the camp to correct the violations while the investigation and inspection is occurring.

(e) The department may not extend or delay an investigation or inspection to allow the youth camp to correct a violation under Subsection (d)(2).

(f) An employee or agent of the department performing an investigation and inspection under this section may not report a violation that is significant under the department's rules if the violation is corrected during the investigation and inspection.
(g) A penalty may not be imposed on a youth camp for a violation that is significant under the department's rules if the violation is corrected during an investigation and inspection under this section.

Sec. 141.008. ADOPTION OF RULES; EXEMPTION FROM APPLICATION OF CERTAIN RULES. (a) The board may adopt rules to implement this chapter. In adopting the rules the board shall comply with Subchapter B, Chapter 2001, Government Code, including Sections 2001.032(b) and 2001.033, Government Code. In developing the rules, the board shall consult parents, youth camp operators, and appropriate public and private officials and organizations.

(b) A youth camp operator may grant an exemption from compliance with a rule that requires physical examinations or inoculations for children or staff if the exemption is requested on the grounds of religious convictions.

Sec. 141.009. STANDARDS. The board by rule shall establish health and safety standards for youth camps. The standards may relate to:

(1) adequate and proper supervision at all times of camp activities;
(2) qualifications for directors, supervisors, and staff and sufficient numbers of those persons;
(3) proper safeguards for sanitation and public health;
(4) adequate medical services for personal health and first aid;
(5) proper procedures for food preparation, handling, and mass feeding;
(6) healthful and sufficient water supply;
(7) proper waste disposal;
(8) proper water safety procedures for swimming pools, lakes, and waterways;
(9) safe boating equipment;
(10) proper maintenance and safe use of motor vehicles;
(11) safe buildings and physical facilities;
(12) proper fire precautions;
(13) safe and proper recreational and other equipment;
(14) proper regard for density and use of the premises;

and

(15) records of criminal convictions of camp personnel.

Sec. 141.0095. TRAINING AND EXAMINATION PROGRAM.  (a) A person holding a license issued under this chapter may not employ or accept the volunteer service of an individual for a position involving contact with campers at a youth camp unless:

(1) the individual submits to the person or the youth camp has on file documentation that verifies the individual within the preceding two years successfully completed the training and examination program required by this section; or

(2) the individual successfully completes the youth camp's training and examination program, which must be approved by the department as required by this section, during the individual's first workweek and the youth camp issues and files documentation verifying that fact.

(b) A person holding a license issued under this chapter must retain in the person's records a copy of the documentation required or issued under Subsection (a) for each employee or volunteer until the second anniversary of the examination date.

(c) A person applying for or holding an employee or volunteer position involving contact with campers at a youth camp must successfully complete the training and examination program on sexual abuse and child molestation required by this section during the applicable period described by Subsection (a).

(d) In accordance with this section and the criteria and guidelines developed by the training advisory committee established under Section 141.0096, the executive commissioner of the Health and Human Services Commission by rule shall establish criteria and guidelines for training and examination programs on sexual abuse and
child molestation. The department may approve training and examination programs offered by trainers under contract with youth camps or by online training organizations or may approve programs offered in another format authorized by the department.

(e) A training and examination program on sexual abuse and child molestation approved by the department must include training and an examination on:

(1) the definitions and effects of sexual abuse and child molestation;

(2) the typical patterns of behavior and methods of operation of child molesters and sex offenders that put children at risk;

(3) the warning signs and symptoms associated with sexual abuse or child molestation, recognition of the signs and symptoms, and the recommended methods of reporting suspected abuse; and

(4) the recommended rules and procedures for youth camps to implement to address, reduce, prevent, and report suspected sexual abuse or child molestation.

(f) The department may assess a fee in the amount necessary to cover the costs of administering this section to each person that applies for the department's approval of a training and examination program on sexual abuse and child molestation under this section.

(g) The department at least every five years shall review each training and examination program on sexual abuse and child molestation approved by the department to ensure the program continues to meet the criteria and guidelines established by rule under this section.

Added by Acts 2005, 79th Leg., Ch. 860 (S.B. 990), Sec. 1, eff. September 1, 2005.

Sec. 141.0096. TRAINING ADVISORY COMMITTEE. (a) The department shall appoint a training advisory committee to advise the department and the executive commissioner of the Health and Human Services Commission in the development of criteria and guidelines for the training and examination program on sexual abuse and child molestation required under Section 141.0095 and to perform any other functions requested by the department.

(b) The training advisory committee consists of not more than
nine members selected by the commissioner of state health services as follows:

(1) at least two members who represent the general public; and

(2) other members, who include experienced camping professionals representing the camping communities of this state, representatives of youth camps selected by the department, and representatives of the Council on Sex Offender Treatment established under Chapter 110, Occupations Code.

(c) The training advisory committee shall meet at the call of the commissioner of state health services.

(d) The training advisory committee may elect a chair, vice chair, and secretary from among its members and may adopt rules for the conduct of its own activities.

(e) An advisory committee member may not receive compensation or reimbursement of expenses for serving on the advisory committee.

Added by Acts 2005, 79th Leg., Ch. 860 (S.B. 990), Sec. 1, eff. September 1, 2005.
of the commissioner.

(f) The advisory committee may elect a chairperson, vice-chairperson, and secretary from among its members and may adopt rules for the conduct of its own activities.

Sec. 141.011. OPERATOR'S DUTY. A youth camp operator shall provide each camper with safe and healthful conditions, facilities, and equipment that are free from recognized hazards that cause or may tend to cause death, serious illness, or bodily harm.

Sec. 141.012. LICENSE REVOCATION. (a) If the department finds that a violation of this chapter or a rule adopted under this chapter has occurred or is occurring at a youth camp for which a license has been issued, the department shall give written notice to the licensee setting forth the nature of the violation and demanding that the violation cease.

(b) The department may initiate proceedings to revoke the license if the licensee refuses or fails to comply with the notice in the time and manner directed in the notice.

Sec. 141.013. BOARD HEARINGS. (a) The board may:

1. call and conduct hearings;
2. administer oaths;
3. receive evidence;
4. issue subpoenas for witnesses, papers, and documents related to the hearing; and
5. make findings of fact and decisions concerning the
administration of this chapter and rules adopted under this chapter.

(b) The board may delegate the authority to call and conduct hearings to employees of the department.

(c) Reasonable notice of the hearing shall be given to all involved parties.

Renumbered from Sec. 141.012 by Acts 1991, 72nd Leg., ch. 251, Sec. 4, eff. Sept. 1, 1991.

Sec. 141.014. JUDICIAL REVIEW. A person affected by a ruling, order, or other act of the department may appeal the action.

Renumbered from Sec. 141.013 by Acts 1991, 72nd Leg., ch. 251, Sec. 4, eff. Sept. 1, 1991.

Sec. 141.015. CIVIL PENALTY; INJUNCTION. (a) A person who violates this chapter or a rule or order adopted under this chapter is subject to a civil penalty of not less than $50 or more than $1,000 for each act of violation.

(b) If it appears that a person has violated, is violating, or is threatening to violate this chapter or a rule or order adopted under this chapter, the department may bring a civil action in a district court for:

(1) injunctive relief to restrain the person from continuing the violation or threat of violation;
(2) the assessment of a civil penalty; or
(3) both injunctive relief and a civil penalty.

(c) The district court, on a finding that the person is violating this chapter or a rule or order adopted under this chapter, shall grant the injunctive relief, assess a civil penalty, or both, as warranted by the facts.

(d) The department may petition a district court for a temporary restraining order to immediately halt a violation or other action creating an emergency condition if it appears that a person:

(1) is violating or threatening to violate this chapter or a rule or order adopted under this chapter; or
(2) is taking any other action that creates an emergency condition.
condition that constitutes an imminent danger to the health, safety, or welfare of campers at a youth camp.

(e) An action for injunctive relief, recovery of a civil penalty, or both, may be brought in the county in which the defendant resides or in which the violation or threat of violation occurs.

(f) In an action for injunctive relief under this section, the court may grant any prohibitory or mandatory injunction warranted by the facts, including temporary restraining orders, temporary injunctions, and permanent injunctions. The court shall grant injunctive relief without a bond or other undertaking by the department.

(g) An appellate court shall give precedence to an action brought under this section over other cases of a different nature on the docket of the court.

(h) A civil penalty recovered in an action brought by the department under this chapter shall be deposited to the credit of the youth camp health and safety fund.

Sec. 141.016. ADMINISTRATIVE PENALTY. (a) The commissioner may assess an administrative penalty if a person violates this Act or a rule or order adopted or license issued under this Act.

(b) In determining the amount of the penalty, the commissioner shall consider:

(1) the person's previous violations;
(2) the seriousness of the violation;
(3) any hazard to the health and safety of the public;
(4) the person's demonstrated good faith; and
(5) such other matters as justice may require.

(c) The penalty may not exceed $1,000 a day for each violation.

(d) Each day a violation continues may be considered a separate violation.

Sec. 141.017. ADMINISTRATIVE PENALTY ASSESSMENT PROCEDURE. (a) An administrative penalty may be assessed only after a person charged with a violation is given an opportunity for a hearing.

(b) If a hearing is held, the commissioner shall make findings of fact and shall issue a written decision regarding the occurrence of the violation and the amount of the penalty that may be warranted.

(c) If the person charged with the violation does not request a hearing, the commissioner may assess a penalty after determining that a violation has occurred and the amount of the penalty that may be warranted.

(d) After making a determination under this section that a penalty is to be assessed against a person, the commissioner shall issue an order requiring that the person pay the penalty.

(e) The commissioner may consolidate a hearing held under this section with another proceeding.

Sec. 141.018. PAYMENT OF ADMINISTRATIVE PENALTY. (a) Not later than the 30th day after the date an order finding that a violation has occurred is issued, the commissioner shall inform the person against whom the order is issued of the amount of the penalty for the violation.

(b) Not later than the 30th day after the date on which a decision or order charging a person with a penalty is final, the person shall:

(1) pay the penalty in full; or

(2) if the person seeks judicial review of the amount of the penalty, the fact of the violation, or both:

(A) send the amount of the penalty to the commissioner for placement in an escrow account; or

(B) post with the commissioner a bond for the amount of the penalty.

(c) A bond posted under this section must be in a form approved by the commissioner and be effective until all judicial review of the order or decision is final.

(d) A person who does not send money to the commissioner or post the bond within the period prescribed by Subsection (b) waives all rights to contest the violation or the amount of the penalty.
Sec. 141.019. REFUND OF ADMINISTRATIVE PENALTY. Not later than the 30th day after the date of a judicial determination that an administrative penalty against a person should be reduced or not assessed, the commissioner shall:

(1) remit to the person the appropriate amount of any penalty payment plus accrued interest; or

(2) execute a release of the bond if the person has posted a bond.

Sec. 141.020. RECOVERY OF ADMINISTRATIVE PENALTY BY ATTORNEY GENERAL. The attorney general at the request of the commissioner may bring a civil action to recover an administrative penalty under this chapter.

CHAPTER 142. HOME AND COMMUNITY SUPPORT SERVICES

SUBCHAPTER A. HOME AND COMMUNITY SUPPORT SERVICES LICENSE

Sec. 142.001. DEFINITIONS. In this chapter:

(1) "Administrative support site" means a facility or site where a home and community support services agency performs administrative and other support functions but does not provide direct home health, hospice, or personal assistance services.

(2) "Alternate delivery site" means a facility or site, including a residential unit or an inpatient unit:

(A) that is owned or operated by a hospice;

(B) that is not the hospice's principal place of business;

(C) that is located in the geographical area served by the hospice; and

(D) from which the hospice provides hospice services.

(3) "Bereavement" means the process by which a survivor of a deceased person mourns and experiences grief.

(4) "Bereavement services" means support services offered
to a family during bereavement.

(5) "Branch office" means a facility or site in the geographical area served by a home and community support agency where home health or personal assistance services are delivered or active client records are maintained.

(6) "Certified agency" means a home and community support services agency, or a portion of the agency, that:
   (A) provides a home health service; and
   (B) is certified by an official of the Department of Health and Human Services as in compliance with conditions of participation in Title XVIII, Social Security Act (42 U.S.C. Section 1395 et seq.).

(7) "Certified home health services" means home health services that are provided by a certified agency.

(8) "Chief financial officer" means an individual who is responsible for supervising and managing all financial activities for a home and community support services agency.

(9) "Controlling person" means a person who controls a home and community support services agency or other person as described by Section 142.0012.

(10) "Council" means the Home and Community Support Services Advisory Council.

(11) "Counselor" means an individual qualified under Medicare standards to provide counseling services, including bereavement, dietary, spiritual, and other counseling services, to both the client and the family.

(11-a) "Department" means the Department of Aging and Disability Services.

(11-b) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(12) "Home and community support services agency" means a person who provides home health, hospice, or personal assistance services for pay or other consideration in a client's residence, an independent living environment, or another appropriate location.

(12-a) "Home and community support services agency administrator" or "administrator" means the person who is responsible for implementing and supervising the administrative policies and operations of the home and community support services agency and for administratively supervising the provision of all services to agency clients on a day-to-day basis.
(13) "Home health service" means the provision of one or more of the following health services required by an individual in a residence or independent living environment:

(A) nursing, including blood pressure monitoring and diabetes treatment;

(B) physical, occupational, speech, or respiratory therapy;

(C) medical social service;

(D) intravenous therapy;

(E) dialysis;

(F) service provided by unlicensed personnel under the delegation or supervision of a licensed health professional;

(G) the furnishing of medical equipment and supplies, excluding drugs and medicines; or

(H) nutritional counseling.

(14) "Hospice" means a person licensed under this chapter to provide hospice services, including a person who owns or operates a residential unit or an inpatient unit.

(15) "Hospice services" means services, including services provided by unlicensed personnel under the delegation of a registered nurse or physical therapist, provided to a client or a client's family as part of a coordinated program consistent with the standards and rules adopted under this chapter. These services include palliative care for terminally ill clients and support services for clients and their families that:

(A) are available 24 hours a day, seven days a week, during the last stages of illness, during death, and during bereavement;

(B) are provided by a medically directed interdisciplinary team; and

(C) may be provided in a home, nursing home, residential unit, or inpatient unit according to need. These services do not include inpatient care normally provided in a licensed hospital to a terminally ill person who has not elected to be a hospice client.

(16) "Inpatient unit" means a facility that provides a continuum of medical or nursing care and other hospice services to clients admitted into the unit and that is in compliance with:

(A) the conditions of participation for inpatient units adopted under Title XVIII, Social Security Act (42 U.S.C. Section
(B) standards adopted under this chapter.

(17) "Independent living environment" means:
   (A) a client's individual residence, which may include
   a group home or foster home; or
   (B) other settings where a client participates in
   activities, including school, work, or church.

(18) "Interdisciplinary team" means a group of individuals
   who work together in a coordinated manner to provide hospice services
   and must include a physician, registered nurse, social worker, and
   counselor.

(19) "Investigation" means an inspection or survey
   conducted by a representative of the department to determine if a
   licensee is in compliance with this chapter.

(20) "Palliative care" means intervention services that
   focus primarily on the reduction or abatement of physical,
   psychosocial, and spiritual symptoms of a terminal illness.

(21) "Person" means an individual, corporation, or
   association.

(22) "Personal assistance service" means routine ongoing
   care or services required by an individual in a residence or
   independent living environment that enable the individual to engage
   in the activities of daily living or to perform the physical
   functions required for independent living, including respite
   services. The term includes:
   (A) personal care;
   (B) health-related services performed under
   circumstances that are defined as not constituting the practice of
   professional nursing by the Texas Board of Nursing through a
   memorandum of understanding with the department in accordance with
   Section 142.016; and
   (C) health-related tasks provided by unlicensed
   personnel under the delegation of a registered nurse or that a
   registered nurse determines do not require delegation.

(22-a) "Personal care" means the provision of one or more
   of the following services required by an individual in a residence or
   independent living environment:
   (A) bathing;
   (B) dressing;
   (C) grooming;
(D) feeding;
(E) exercising;
(F) toileting;
(G) positioning;
(H) assisting with self-administered medications;
(I) routine hair and skin care; and
(J) transfer or ambulation.

(23) "Place of business" means an office of a home and community support services agency that maintains client records or directs home health, hospice, or personal assistance services. The term does not include an administrative support site.

(24) "Residence" means a place where a person resides and includes a home, a nursing home, a convalescent home, or a residential unit.

(25) "Residential unit" means a facility that provides living quarters and hospice services to clients admitted into the unit and that is in compliance with standards adopted under this chapter.

(26) "Respite services" means support options that are provided temporarily for the purpose of relief for a primary caregiver in providing care to individuals of all ages with disabilities or at risk of abuse or neglect.

(27) "Social worker" means an individual licensed as a social worker under Chapter 505, Occupations Code.

(28) "Support services" means social, spiritual, and emotional care provided to a client and a client's family by a hospice.

(29) "Terminal illness" means an illness for which there is a limited prognosis if the illness runs its usual course.

(30) "Volunteer" means an individual who provides assistance to a home and community support services agency without compensation other than reimbursement for actual expenses.

Sec. 142.0011. SCOPE, PURPOSE, AND IMPLEMENTATION. (a) The purpose of this chapter is to ensure that home and community support services agencies in this state deliver the highest possible quality of care. This chapter and the rules adopted under this chapter establish minimum standards for acceptable quality of care, and a violation of a minimum standard established or adopted under this chapter is a violation of law. For purposes of this chapter, components of quality of care include:

(1) client independence and self-determination;
(2) humane treatment;
(3) continuity of care;
(4) coordination of services;
(5) professionalism of service providers;
(6) quality of life; and
(7) client satisfaction with services.

(b) The department shall protect clients of home and community support services agencies by regulating those agencies and:

(1) adopting rules relating to quality of care and quality of life;
(2) strictly monitoring factors relating to the health, safety, welfare, and dignity of each client;
(3) imposing prompt and effective remedies for violations of this chapter and rules and standards adopted under this chapter;
(4) enabling agencies to provide services that allow clients to maintain the highest possible degree of independence and self-determination; and
(5) providing the public with helpful and understandable information relating to agencies in this state.

Added by Acts 1999, 76th Leg., ch. 276, Sec. 2, eff. Sept. 1, 1999.
Sec. 142.0012. CONTROLLING PERSON. (a) A person is a controlling person if the person, acting alone or with others, has the ability to directly or indirectly influence, direct, or cause the direction of the management, expenditure of money, or policies of a home and community support services agency or other person.

(b) For purposes of this chapter, "controlling person" includes:

(1) a management company or other business entity that operates or contracts with others for the operation of a home and community support services agency;

(2) a person who is a controlling person of a management company or other business entity that operates a home and community support services agency or that contracts with another person for the operation of a home and community support services agency; and

(3) any other individual who, because of a personal, familial, or other relationship with the owner, manager, or provider of a home and community support services agency, is in a position of actual control or authority with respect to the agency, without regard to whether the individual is formally named as an owner, manager, director, officer, provider, consultant, contractor, or employee of the agency.

(c) A controlling person described by Subsection (b)(3) does not include an employee, lender, secured creditor, or other person who does not exercise formal or actual influence or control over the operation of a home and community support services agency.

(d) The department may adopt rules that specify the ownership interests and other relationships that qualify a person as a controlling person.

Added by Acts 1999, 76th Leg., ch. 276, Sec. 2, eff. Sept. 1, 1999.

Sec. 142.002. LICENSE REQUIRED. (a) Except as provided by Section 142.003, a person, including a health care facility licensed under this code, may not engage in the business of providing home health, hospice, or personal assistance services, or represent to the public that the person is a provider of home health, hospice, or personal assistance services for pay without a home and community health and safety code

Statute text rendered on: 3/14/2015 - 638 -
support services agency license authorizing the person to perform those services issued by the department for each place of business from which home health, hospice, or personal assistance services are directed. A certified agency must have a license to provide certified home health services.

(b) A person who is not licensed to provide home health services under this chapter may not indicate or imply that the person is licensed to provide home health services by the use of the words "home health services" or in any other manner.

(c) A person who is not licensed to provide hospice services under this chapter may not use the word "hospice" in a title or description of a facility, organization, program, service provider, or services or use any other words, letters, abbreviations, or insignia indicating or implying that the person holds a license to provide hospice services under this chapter.

(d) A license to provide hospice services issued under this chapter authorizes a hospice to own or operate a residential unit or inpatient unit at the licensed site in compliance with the standards and rules adopted under this chapter.

(e) A license issued under this chapter may not be transferred to another person, but may be transferred from one location to another location. A change of ownership or location shall be reported to the department.

(f) A person who is not licensed to provide personal assistance services under this chapter may not indicate or imply that the person is licensed to provide personal assistance services by the use of the words "personal assistance services" or in any other manner.

Sec. 142.0025. TEMPORARY LICENSE. If a person is in the process of becoming certified by the United States Department of Health and Human Services to qualify as a certified agency, the department may issue a temporary home and community support services agency license to the person authorizing the person to provide certified home health services. A temporary license is effective as provided by rules adopted by the executive commissioner.
Sec. 142.003. EXEMPTIONS FROM LICENSING REQUIREMENT. (a) The following persons need not be licensed under this chapter:

(1) a physician, dentist, registered nurse, occupational therapist, or physical therapist licensed under the laws of this state who provides home health services to a client only as a part of and incidental to that person's private office practice;

(2) a registered nurse, licensed vocational nurse, physical therapist, occupational therapist, speech therapist, medical social worker, or any other health care professional as determined by the department who provides home health services as a sole practitioner;

(3) a registry that operates solely as a clearinghouse to put consumers in contact with persons who provide home health, hospice, or personal assistance services and that does not maintain official client records, direct client services, or compensate the person who is providing the service;

(4) an individual whose permanent residence is in the client's residence;

(5) an employee of a person licensed under this chapter who provides home health, hospice, or personal assistance services only as an employee of the license holder and who receives no benefit for providing the services, other than wages from the license holder;

(6) a home, nursing home, convalescent home, assisted living facility, special care facility, or other institution for individuals who are elderly or who have disabilities that provides home health or personal assistance services only to residents of the home or institution;

(7) a person who provides one health service through a contract with a person licensed under this chapter;

(8) a durable medical equipment supply company;

(9) a pharmacy or wholesale medical supply company that does not furnish services, other than supplies, to a person at the
person's house;
    (10) a hospital or other licensed health care facility that provides home health or personal assistance services only to inpatient residents of the hospital or facility;
    (11) a person providing home health or personal assistance services to an injured employee under Title 5, Labor Code;
    (12) a visiting nurse service that:
        (A) is conducted by and for the adherents of a well-recognized church or religious denomination; and
        (B) provides nursing services by a person exempt from licensing by Section 301.004, Occupations Code, because the person furnishes nursing care in which treatment is only by prayer or spiritual means;
    (13) an individual hired and paid directly by the client or the client's family or legal guardian to provide home health or personal assistance services;
    (14) a business, school, camp, or other organization that provides home health or personal assistance services, incidental to the organization's primary purpose, to individuals employed by or participating in programs offered by the business, school, or camp that enable the individual to participate fully in the business's, school's, or camp's programs;
    (15) a person or organization providing sitter-companion services or chore or household services that do not involve personal care, health, or health-related services;
    (16) a licensed health care facility that provides hospice services under a contract with a hospice;
    (17) a person delivering residential acquired immune deficiency syndrome hospice care who is licensed and designated as a residential AIDS hospice under Chapter 248;
    (18) the Texas Department of Criminal Justice;
    (19) a person that provides home health, hospice, or personal assistance services only to persons receiving benefits under:
        (A) the home and community-based services (HCS) waiver program;
        (B) the Texas home living (TxHmL) waiver program; or
        (C) Section 534.152, Government Code; or
    (20) an individual who provides home health or personal assistance services as the employee of a consumer or an entity or
employee of an entity acting as a consumer's fiscal agent under Section 531.051, Government Code.

(b) A home and community support services agency that owns or operates an administrative support site is not required to obtain a separate license under this chapter for the administrative support site.

(c) A hospice that operates or provides hospice services to an inpatient unit under a contract with a licensed health care facility is not required to obtain an alternate delivery site license for that inpatient unit.

Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1310 (S.B. 7), Sec. 1.02, eff. September 1, 2013.

Sec. 142.004. LICENSE APPLICATION. (a) An applicant for a license to provide home health, hospice, or personal assistance services must:

(1) file a written application on a form prescribed by the department indicating the type of service the applicant wishes to provide;

(2) cooperate with any surveys required by the department for a license; and

(3) pay the license fee prescribed by this chapter.

(b) In addition to the requirements of Subsection (a), if the applicant is a certified agency when the application for a license to provide certified home health services is filed, the applicant must maintain its Medicare certification. If the applicant is not a certified agency when the application for a license to provide certified home health services is filed, the applicant must establish that it is in the process of receiving its certification from the United States Department of Health and Human Services.

(c) The board by rule shall require that, at a minimum, before
the department may approve a license application, the applicant must provide to the department:

(1) documentation establishing that, at a minimum, the applicant has sufficient financial resources to provide the services required by this chapter and by the department during the term of the license;

(2) a list of the management personnel for the proposed home and community support services agency, a description of personnel qualifications, and a plan for providing continuing training and education for the personnel during the term of the license;

(3) documentation establishing that the applicant is capable of meeting the minimum standards established by the board relating to the quality of care;

(4) a plan that provides for the orderly transfer of care of the applicant's clients if the applicant cannot maintain or deliver home health, hospice, or personal assistance services under the license;

(5) identifying information on the home and community support services agency owner, administrator, and chief financial officer to enable the department to conduct criminal background checks on those persons;

(6) identification of any controlling person with respect to the applicant; and

(7) documentation relating to any controlling person identified under Subdivision (6), if requested by the department and relevant to the controlling person's compliance with any applicable licensing standard required or adopted by the board under this chapter.

(d) Information received by the department relating to the competence and financial resources of the applicant or a controlling person with respect to the applicant is confidential and may not be disclosed to the public.

(e) A home and community support services agency owned or operated by a state agency directly providing services is not required to provide the information described in Subsections (c)(1) and (5).

(f) The department shall evaluate and consider all information collected during the application process.
Sec. 142.005. COMPLIANCE RECORD IN OTHER STATES. The department may require an applicant or license holder to provide the department with information relating to compliance by the applicant, the license holder, or a controlling person with respect to the applicant or license holder with regulatory requirements in any other state in which the applicant, license holder, or controlling person operates or operated a home and community support services agency.

Added by Acts 1999, 76th Leg., ch. 276, Sec. 5, eff. Sept. 1, 1999.

Sec. 142.006. LICENSE ISSUANCE; TERM. (a) The department shall issue a home and community support services agency license to provide home health, hospice, or personal assistance services for each place of business to an applicant if:

(1) the applicant:

(A) qualifies for the license to provide the type of service that is to be offered by the applicant;

(B) submits an application and license fee as required by this chapter; and

(C) complies with all applicable licensing standards required or adopted by the board under this chapter; and

(2) any controlling person with respect to the applicant complies with all applicable licensing standards required or adopted by the board under this chapter.

(b) A license issued under this chapter expires two years after the date of issuance. The executive commissioner of the Health and Human Services Commission by rule may adopt a system under which licenses expire on various dates during the two-year period. For the year in which a license expiration date is changed, the department shall prorate the license fee on a monthly basis. Each license holder shall pay only that portion of the license fee allocable to the number of months for which the license is valid. A license...
holder shall pay the total license renewal fee at the time of renewal. The department may issue an initial license for a shorter term to conform expiration dates for a locality or an applicant. The department may issue a temporary license to an applicant for an initial license.

(c) The department may find that a home and community support services agency has satisfied the requirements for licensing if the agency is accredited by an accreditation organization, such as the Joint Commission on Accreditation of Healthcare Organizations or the Community Health Accreditation Program, and the department finds that the accreditation organization has standards that meet or exceed the requirements for licensing under this chapter. A license fee is required of the home and community support services agency at the time of a license application.

(d) to (f) Repealed by Acts 2003, 78th Leg., ch. 198, Sec. 2.156(a)(1).

(g) The license must designate the types of services that the home and community support services agency is authorized to provide at or from the designated place of business.

Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 5, eff. September 1, 2007.

Sec. 142.0061. POSSESSION OF STERILE WATER OR SALINE. A home and community support services agency or its employees who are registered nurses or licensed vocational nurses may purchase, store, or transport for the purpose of administering to their home health or hospice patients under physician's orders:

(1) sterile water for injection and irrigation; and
(2) sterile saline for injection and irrigation.

Added by Acts 1993, 73rd Leg., ch. 16, Sec. 1, eff. April 2, 1993. Amended by Acts 1993, 73rd Leg., ch. 789, Sec. 23, eff. Sept. 1, 1993; Acts 1995, 74th Leg., ch. 307, Sec. 1, eff. Sept. 1, 1995;
Sec. 142.0062. POSSESSION OF CERTAIN VACCINES OR TUBERCULIN.
(a) A home and community support services agency or its employees who are registered nurses or licensed vocational nurses may purchase, store, or transport for the purpose of administering to the agency's employees, home health or hospice patients, or patient family members under physician's standing orders the following dangerous drugs:

1. hepatitis B vaccine;
2. influenza vaccine;
3. tuberculin purified protein derivative for tuberculosis testing; and
4. pneumococcal polysaccharide vaccine.

(b) A home and community support services agency that purchases, stores, or transports a vaccine or tuberculin under this section shall ensure that any standing order for the vaccine or tuberculin:

1. is signed and dated by the physician;
2. identifies the vaccine or tuberculin covered by the order;
3. indicates that the recipient of the vaccine or tuberculin has been assessed as an appropriate candidate to receive the vaccine or tuberculin and has been assessed for the absence of any contraindication;
4. indicates that appropriate procedures are established for responding to any negative reaction to the vaccine or tuberculin; and
5. orders that a specific medication or category of medication be administered if the recipient has a negative reaction to the vaccine or tuberculin.

Sec. 142.0063. POSSESSION OF CERTAIN DANGEROUS DRUGS. (a) A home and community support services agency in compliance with this section or its employees who are registered nurses or licensed
vocational nurses may purchase, store, or transport for the purpose of administering to their home health or hospice patients in accordance with Subsection (c) the following dangerous drugs:

(1) any of the following items in a sealed portable container of a size determined by the dispensing pharmacist:
   (A) 1,000 milliliters of 0.9 percent sodium chloride intravenous infusion;
   (B) 1,000 milliliters of five percent dextrose in water injection; or
   (C) sterile saline; or

(2) not more than five dosage units of any of the following items in an individually sealed, unused portable container:
   (A) heparin sodium lock flush in a concentration of 10 units per milliliter or 100 units per milliliter;
   (B) epinephrine HCl solution in a concentration of 1 to 1,000;
   (C) diphenhydramine HCl solution in a concentration of 50 milligrams per milliliter;
   (D) methylprednisolone in a concentration of 125 milligrams per two milliliters;
   (E) naloxone in a concentration of one milligram per milliliter in a two-milliliter vial;
   (F) promethazine in a concentration of 25 milligrams per milliliter;
   (G) glucagon in a concentration of one milligram per milliliter;
   (H) furosemide in a concentration of 10 milligrams per milliliter;
   (I) lidocaine 2.5 percent and prilocaine 2.5 percent cream in a five-gram tube; or
   (J) lidocaine HCl solution in a concentration of one percent in a two-milliliter vial.

(b) A home and community support services agency or the agency's authorized employees may purchase, store, or transport dangerous drugs in a sealed portable container under this section only if the agency has established policies and procedures to ensure that:

(1) the container is handled properly with respect to storage, transportation, and temperature stability;

(2) a drug is removed from the container only on a
physician's written or oral order;
(3) the administration of any drug in the container is performed in accordance with a specific treatment protocol; and
(4) the agency maintains a written record of the dates and times the container is in the possession of a registered nurse or licensed vocational nurse.

(c) A home and community support services agency or the agency's authorized employee who administers a drug listed in Subsection (a) may administer the drug only in the patient's residence under physician's orders in connection with the provision of emergency treatment or the adjustment of:
(1) parenteral drug therapy; or
(2) vaccine or tuberculin administration.

(d) If a home and community support services agency or the agency's authorized employee administers a drug listed in Subsection (a) pursuant to a physician's oral order, the physician shall promptly send a signed copy of the order to the agency, and the agency shall:
(1) not later than 24 hours after receipt of the order, reduce the order to written form and send a copy of the form to the dispensing pharmacy by mail or facsimile transmission; and
(2) not later than 20 days after receipt of the order, send a copy of the order as signed by and received from the physician to the dispensing pharmacy.

(e) A pharmacist that dispenses a sealed portable container under this section shall ensure that the container:
(1) is designed to allow access to the contents of the container only if a tamper-proof seal is broken;
(2) bears a label that lists the drugs in the container and provides notice of the container's expiration date, which is the earlier of:
   (A) the date that is six months after the date on which the container is dispensed; or
   (B) the earliest expiration date of any drug in the container; and
(3) remains in the pharmacy or under the control of a pharmacist, registered nurse, or licensed vocational nurse.

(f) If a home and community support services agency or the agency's authorized employee purchases, stores, or transports a sealed portable container under this section, the agency shall
deliver the container to the dispensing pharmacy for verification of drug quality, quantity, integrity, and expiration dates not later than the earlier of:
  (1) the seventh day after the date on which the seal on the container is broken; or
  (2) the date for which notice is provided on the container label.

(g) A pharmacy that dispenses a sealed portable container under this section shall take reasonable precautionary measures to ensure that the home and community support services agency receiving the container complies with Subsection (f). On receipt of a container under Subsection (f), the pharmacy shall perform an inventory of the drugs used from the container and shall restock and reseal the container before delivering the container to the agency for reuse.

Added by Acts 1997, 75th Leg., ch. 1129, Sec. 1, eff. Sept. 1, 1997.

Sec. 142.0065. DISPLAY OF LICENSE. A license issued under this chapter shall be displayed in a conspicuous place in the designated place of business and must show:
  (1) the name and address of the licensee;
  (2) the name of the owner or owners, if different from the information provided under Subdivision (1);
  (3) the license expiration date; and
  (4) the types of services authorized to be provided under the license.

Added by Acts 1993, 73rd Leg., ch. 800, Sec. 9, eff. Sept. 1, 1993.

Sec. 142.007. NOTICE OF DRUG TESTING POLICY. An agency licensed under this chapter shall provide to the following persons a written statement describing the agency's policy for the drug testing of employees who have direct contact with clients:
  (1) each person applying for services from the agency; and
  (2) any person requesting the information.

Added by Acts 1999, 76th Leg., ch. 1020, Sec. 1, eff. Sept. 1, 1999.
Sec. 142.008. BRANCH OFFICE. (a) The department may issue a branch office license to a person who holds a license to provide home health or personal assistance services.

(b) The board by rule shall establish eligibility requirements for a branch office license.

(c) A branch office license expires on the same date as the license to provide home health or personal assistance services held by the applicant for the branch office license.

Sec. 142.0085. ALTERNATE DELIVERY SITE LICENSE. (a) The department shall issue an alternate delivery site license to a qualified hospice.

(b) The board by rule shall establish standards required for the issuance of an alternate delivery site license.

(c) An alternate delivery site license expires on the same date as the license to provide hospice services held by the hospice.

Added by Acts 1993, 73rd Leg., ch. 800, Sec. 11, eff. Sept. 1, 1993.

Sec. 142.009. SURVEYS; CONSUMER COMPLAINTS. (a) The department or its representative may enter the premises of a license applicant or license holder at reasonable times to conduct a survey incidental to the issuance of a license and at other times as the department considers necessary to ensure compliance with this chapter and the rules adopted under this chapter.

(a-1) A license applicant or license holder must provide the department representative conducting the survey with a reasonable and safe workspace at the premises. The executive commissioner may adopt rules to implement this subsection.

(b) A home and community support services agency shall provide each person who receives home health, hospice, or personal assistance services with a written statement that contains the name, address, and telephone number of the department and a statement that informs the recipient that a complaint against a home and community support services agency may be directed to the department.

(c) The department or its authorized representative shall
investigate each complaint received regarding the provision of home health, hospice, or personal assistance services, including any allegation of abuse, neglect, or exploitation of a child under the age of 18, and may, as a part of the investigation:

(1) conduct an unannounced survey of a place of business, including an inspection of medical and personnel records, if the department has reasonable cause to believe that the place of business is in violation of this chapter or a rule adopted under this chapter;

(2) conduct an interview with a recipient of home health, hospice, or personal assistance services, which may be conducted in the recipient's home if the recipient consents;

(3) conduct an interview with a family member of a recipient of home health, hospice, or personal assistance services who is deceased or other person who may have knowledge of the care received by the deceased recipient of the home health, hospice, or personal assistance services; or

(4) interview a physician or other health care practitioner, including a member of the personnel of a home and community support services agency, who cares for a recipient of home health, hospice, or personal assistance services.

(d) The reports, records, and working papers used or developed in an investigation made under this section are confidential and may not be released or made public except:

(1) to a state or federal agency;

(2) to federal, state, or local law enforcement personnel;

(3) with the consent of each person identified in the information released;

(4) in civil or criminal litigation matters or licensing proceedings as otherwise allowed by law or judicial rule;

(5) on a form developed by the department that identifies any deficiencies found without identifying a person, other than the home and community support services agency;

(6) on a form required by a federal agency if:

(A) the information does not reveal the identity of an individual, including a patient or a physician or other medical practitioner;

(B) the service provider subject to the investigation had a reasonable opportunity to review the information and offer comments to be included with the information released or made public; and
(C) the release of the information complies with any other federal requirement; or

(7) as provided by Section 142.0092.

(e) The department's representative shall hold a conference with the person in charge of the home and community support services agency before beginning the on-site survey to explain the nature and scope of the survey. When the survey is completed, the department's representative shall hold a conference with the person who is in charge of the agency and shall identify any records that were duplicated. Agency records may be removed from an agency only with the agency's consent.

(f) At the conclusion of a survey or complaint investigation, the department shall fully inform the person who is in charge of the home and community support services agency of the preliminary findings of the survey at an exit conference and shall give the person a reasonable opportunity to submit additional facts or other information to the department's authorized representative in response to those findings. The response shall be made a part of the record of the survey for all purposes. The department's representative shall leave a written list of the preliminary findings with the agency at the exit conference.

(g) After a survey of a home and community support services agency by the department, the department shall provide to the home and community support services agency administrator:

(1) specific and timely written notice of the official findings of the survey, including:
   (A) the specific nature of the survey;
   (B) any alleged violations of a specific statute or rule;
   (C) the specific nature of any finding regarding an alleged violation or deficiency; and
   (D) if a deficiency is alleged, the severity of the deficiency;

(2) information on the identity, including the name, of each department representative conducting or reviewing the results of the survey and the date on which the department representative acted on the matter; and

(3) if requested by the agency, copies of all documents relating to the survey maintained by the department or provided by the department to any other state or federal agency that are not
confidential under state law.

(g-1) If the department or the department's authorized representative discovers any additional violations during the review of field notes or preparation of the official statement of deficiencies for a home and community support services agency, the department or the department's representative shall conduct an additional exit conference regarding the additional violations. The additional exit conference must be held in person and may not be held over the telephone, by e-mail, or by facsimile transmission.

(h) Except for the investigation of complaints, a home and community support services agency licensed by the department under this chapter is not subject to additional surveys relating to home health, hospice, or personal assistance services while the agency maintains accreditation for the applicable service from the Joint Commission for Accreditation of Healthcare Organizations, the Community Health Accreditation Program, or other accreditation organizations that meet or exceed the regulations adopted under this chapter. Each provider must submit to the department documentation from the accrediting body indicating that the provider is accredited when the provider is applying for the initial license and annually when the license is renewed.

(i) Repealed by Acts 2003, 78th Leg., ch. 198, Sec. 2.156(a)(1).

(j) Except as provided by Subsection (h), the department may not renew an initial home and community support services agency license unless the department has conducted an initial on-site survey of the agency.

(k) Except as provided by Subsections (h) and (l), an on-site survey must be conducted within 18 months after a survey for an initial license. After that time, an on-site survey must be conducted at least every 36 months.

(l) If a person is renewing or applying for a license to provide more than one type of service under this chapter, the surveys required for each of the services the license holder or applicant seeks to provide shall be completed during the same surveyor visit.

(m) The department and other state agencies that are under the Health and Human Services Commission and that contract with home and community support services agencies to deliver services for which a license is required under this chapter shall execute a memorandum of understanding that establishes procedures to eliminate or reduce
duplication of standards or conflicts between standards and of functions in license, certification, or compliance surveys and complaint investigations. The Health and Human Services Commission shall review the recommendation of the council relating to the memorandum of understanding before considering approval. The memorandum of understanding must be approved by the commission.

Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 980 (H.B. 1720), Sec. 11, eff. September 1, 2011.

Sec. 142.0091. TRAINING. (a) The department shall provide specialized training to representatives of the department who survey home and community support services agencies. The training must include information relating to:
(1) the conduct of appropriate surveys that do not focus exclusively on medical standards under an acute care model; and
(2) acceptable delegation of nursing tasks.
(b) In developing and updating the training required by Subsection (a), the department shall consult with and include providers of home health, hospice, and personal assistance services, recipients of those services and their family members, and representatives of appropriate advocacy organizations.
(c) The department at least semiannually shall provide joint training for home and community support services agencies and surveyors on subjects that address the 10 most common violations of federal or state law by home and community support services agencies.
The department may charge a home and community support services agency a fee, not to exceed $50 per person, for the training.

Added by Acts 1999, 76th Leg., ch. 276, Sec. 8, eff. Sept. 1, 1999. Amended by:

   Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 1.04, eff. September 1, 2011.
   Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 1.05, eff. September 1, 2011.

   Acts 2011, 82nd Leg., R.S., Ch. 980 (H.B. 1720), Sec. 13, eff. September 1, 2011.

Sec. 142.0092. CONSUMER COMPLAINT DATA. (a) The department shall maintain records or documents relating to complaints directed to the department by consumers of home health, hospice, or personal assistance services. The department shall organize the records or documents according to standard, statewide categories as determined by the department. In determining appropriate categories, the department shall make distinctions based on factors useful to the public in assessing the quality of services provided by a home and community support services agency, including whether the complaint:

   (1) was determined to be valid or invalid;
   (2) involved significant physical harm or death to a patient;
   (3) involved financial exploitation of a patient; or
   (4) resulted in any sanction imposed against the agency.

   (b) The department shall make the information maintained under this section available to the public in a useful format that does not identify individuals implicated in the complaints.

Added by Acts 1999, 76th Leg., ch. 276, Sec. 8, eff. Sept. 1, 1999.

Sec. 142.0093. RETALIATION PROHIBITED. (a) A person licensed under this chapter may not retaliate against another person for filing a complaint, presenting a grievance, or providing in good faith information relating to home health, hospice, or personal assistance services provided by the license holder.
(b) This section does not prohibit a license holder from terminating an employee for a reason other than retaliation.

Added by Acts 1999, 76th Leg., ch. 276, Sec. 8, eff. Sept. 1, 1999.

Sec. 142.0094. USE OF REGULATORY SURVEY REPORTS AND OTHER DOCUMENTS. (a) Except as otherwise provided by this section, a survey report or other document prepared by the department that relates to regulation of a home and community support services agency is not admissible as evidence in a civil action to prove that the agency violated a standard prescribed under this chapter.

(b) Subsection (a) does not:

(1) bar the admission into evidence of department survey reports or other documents in an enforcement action in which the state or an agency or political subdivision of the state is a party, including:

(A) an action seeking injunctive relief under Section 142.013;

(B) an action seeking imposition of a civil penalty under Section 142.014;

(C) a contested case hearing involving imposition of an administrative penalty under Section 142.017; and

(D) a contested case hearing involving denial, suspension, or revocation of a license issued under this chapter;

(2) bar the admission into evidence of department survey reports or other documents that are offered:

(A) to establish warning or notice to a home and community support services agency of a relevant department determination; or

(B) under any rule or evidentiary predicate of the Texas Rules of Evidence;

(3) prohibit or limit the testimony of a department employee, in accordance with the Texas Rules of Evidence, as to observations, factual findings, conclusions, or determinations that a home and community support services agency violated a standard prescribed under this chapter if the observations, factual findings, conclusions, or determinations were made in the discharge of the employee's official duties for the department; or

(4) prohibit or limit the use of department survey reports
or other documents in depositions or other forms of discovery conducted in connection with a civil action if use of the survey reports or other documents appears reasonably calculated to lead to the discovery of admissible evidence.

Added by Acts 1999, 76th Leg., ch. 276, Sec. 8, eff. Sept. 1, 1999.

Sec. 142.010. FEES. (a) The department shall set license fees for home and community support services agencies in amounts that are reasonable to meet the costs of administering this chapter, except that the fees may not be less than $600 or more than $2,000 for a license to provide home health, hospice, or personal assistance services.

(b) The board shall consider the size of the home and community support services agency, the number of clients served, the number of services provided, and the necessity for review of other accreditation documentation in determining the amount of initial and renewal license fees.

(c) A fee charged under this section is nonrefundable.

Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 7, eff. September 1, 2007.

Sec. 142.0104. CHANGE IN APPLICATION INFORMATION. (a) If certain application information as specified by executive commissioner rule changes after the applicant submits an application to the department for a license under this chapter or after the department issues the license, the license holder shall report the change to the department and pay a fee not to exceed $50 not later than the time specified by executive commissioner rule.

(b) The executive commissioner by rule shall:

(1) specify the information provided in an application that a license holder shall report to the department if the information changes;

(2) prescribe the time for reporting a change in the
application information required by Subdivision (1);

(3) establish which changes required to be reported under Subdivision (1) will require department evaluation and approval; and

(4) set the amount of a late fee to be assessed against a license holder who fails to report a change in the application information within the time prescribed under Subdivision (2).

Added by Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 1.06, eff. September 1, 2011.
Added by Acts 2011, 82nd Leg., R.S., Ch. 980 (H.B. 1720), Sec. 14, eff. September 1, 2011.

Sec. 142.0105. LICENSE RENEWAL. (a) A person who is otherwise eligible to renew a license may renew an unexpired license by submitting a completed application for renewal and paying the required renewal fee to the department not later than the 45th day before the expiration date of the license. A person whose license has expired may not engage in activities that require a license.

(b) An applicant for a license renewal who submits an application later than the 45th day before the expiration date of the license is subject to a late fee in accordance with department rules.

(c) Not later than the 120th day before the date a person's license is scheduled to expire, the department shall send written notice of the impending expiration to the person at the person's last known address according to the records of the department. The written notice must include an application for license renewal and instructions for completing the application.

Added by Acts 1999, 76th Leg., ch. 887, Sec. 1, eff. Sept. 1, 1999. Amended by:
Acts 2007, 80th Leg., R.S., Ch. 809 (S.B. 1318), Sec. 8, eff. September 1, 2007.

Sec. 142.011. DENIAL, SUSPENSION, OR REVOCATION OF LICENSE. (a) The department may deny a license application or suspend or revoke the license of a person who:

(1) fails to comply with the rules or standards for licensing required by this chapter; or

(2) engages in conduct that violates Section 102.001,
Occupations Code.

(b) The department may immediately suspend or revoke a license when the health and safety of persons are threatened. If the department issues an order of immediate suspension or revocation, the department shall immediately give the chief executive officer of the home and community support services agency adequate notice of the action taken, the legal grounds for the action, and the procedure governing appeal of the action. A person whose license is suspended or revoked under this subsection is entitled to a hearing not later than the seventh day after the effective date of the suspension or revocation.

(c) The department may suspend or revoke a home and community support services agency's license to provide certified home health services if the agency fails to maintain its certification qualifying the agency as a certified agency. A home and community support services agency that is licensed to provide certified home health services and that submits a request for a hearing as provided by Subsection (d) is subject to the requirements of this chapter relating to a home and community support services agency that is licensed to provide home health services, but not certified home health services, until the suspension or revocation is finally determined by the department or, if the license is suspended or revoked, until the last day for seeking review of the department order or a later date fixed by order of the reviewing court.

(d) A person whose application is denied or whose license is suspended or revoked is entitled to a hearing before the department if the person submits a written request to the department. Chapter 2001, Government Code and the department's rules for contested case hearings apply to hearings conducted under this section and to appeals from department decisions.

Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 1.07, eff. September 1, 2011.

Acts 2011, 82nd Leg., R.S., Ch. 980 (H.B. 1720), Sec. 15, eff.
Sec. 142.012. POWERS AND DUTIES. (a) The executive commissioner shall adopt rules necessary to implement this chapter. The executive commissioner may adopt rules governing the duties and responsibilities of home and community support services agency administrators, including rules regarding:

(1) an administrator's management of daily operations of the home and community support services agency;

(2) an administrator's responsibility for supervising the provision of quality care to agency clients;

(3) an administrator's implementation of agency policy and procedures; and

(4) an administrator's responsibility to be available to the agency at all times in person or by telephone.

(b) The executive commissioner by rule shall set minimum standards for home and community support services agencies licensed under this chapter that relate to:

(1) qualifications for professional and nonprofessional personnel, including volunteers;

(2) supervision of professional and nonprofessional personnel, including volunteers;

(3) the provision and coordination of treatment and services, including support and bereavement services, as appropriate;

(4) the management, ownership, and organizational structure, including lines of authority and delegation of responsibility and, as appropriate, the composition of an interdisciplinary team;

(5) clinical and business records;

(6) financial ability to carry out the functions as proposed;

(7) safety, fire prevention, and sanitary standards for residential units and inpatient units; and

(8) any other aspects of home health, hospice, or personal assistance services as necessary to protect the public.

(c) The initial minimum standards adopted under Subsection (b) for hospice services must be at least as stringent as the conditions of participation for a Medicare certified provider of hospice services in effect on April 30, 1993, under Title XVIII, Social
Security Act (42 U.S.C. Section 1395 et seq.).

(d) The department shall prescribe forms necessary to perform its duties.

(e) The department shall require each person or home and community support services agency providing home health, hospice, or personal assistance services to implement and enforce the applicable provisions of Chapter 102, Human Resources Code.

Acts 2011, 82nd Leg., R.S., Ch. 879 (S.B. 223), Sec. 1.08, eff. September 1, 2011.

Acts 2011, 82nd Leg., R.S., Ch. 980 (H.B. 1720), Sec. 16, eff. September 1, 2011.

Sec. 142.013. INJUNCTION. (a) A district court, on petition of the department and on a finding by the court that a person is violating this chapter, may by injunction:

(1) prohibit the person from continuing the violation; or

(2) grant any other injunctive relief warranted by the facts.

(b) The attorney general shall institute and conduct a suit authorized by this section at the request of the department and in the name of the state.

(c) A suit for injunctive relief must be brought in Travis County.

Sec. 142.014. CIVIL PENALTY. (a) A person who engages in the business of providing home health, hospice, or personal assistance service, or represents to the public that the person is a provider of home health, hospice, and personal assistance services for pay, without a license issued under this chapter authorizing the services that are being provided is liable for a civil penalty of not less than $1,000 or more than $2,500 for each day of violation. Penalties may be appropriated only to the department and to administer this chapter.
(b) An action to recover a civil penalty is in addition to an action brought for injunctive relief under Section 142.013 or any other remedy provided by law. The attorney general shall bring suit on behalf of the state to collect the civil penalty.

Sec. 142.0145. VIOLATION OF LAW RELATING TO ADVANCE DIRECTIVES.
(a) The department shall assess an administrative penalty against a home and community support services agency that violates Section 166.004.
(b) A penalty assessed under this section shall be $500.
(c) The penalty shall be assessed in accordance with department rules. The rules must provide for notice and an opportunity for a hearing.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 2.02, eff. Sept. 1, 1999.

Sec. 142.015. ADVISORY COUNCIL. (a) The Home and Community Support Services Advisory Council is composed of the following 13 members, appointed by the governor:
(1) three consumer representatives;
(2) two representatives of agencies that are licensed to provide certified home health services;
(3) two representatives of agencies that are licensed to provide home health services but are not certified home health services;
(4) three representatives of agencies that are licensed to provide hospice services, with one representative appointed from:
   (A) a community-based non-profit provider of hospice services;
   (B) a community-based proprietary provider of hospice services; and
   (C) a hospital-based provider of hospice services; and
(5) three representatives of agencies that are licensed to provide personal assistance services.
(b) Repealed by Acts 1991, 72nd Leg., 1st C.S., ch. 17, Sec.
7.01(18), eff. Nov. 12, 1991.

(c) The council shall advise the department on licensing standards and on the implementation of this chapter. At each meeting of the council, the department shall provide an analysis of enforcement actions taken under this chapter, including the type of enforcement action, the results of the action, and the basis for the action. The council may advise the department on its implementation of the enforcement provisions of this chapter.

(d) Members of the council serve staggered two-year terms, with the terms of seven members expiring on January 31 of each even-numbered year and the terms of six members expiring on January 31 of each odd-numbered year.

(e) The council shall elect a presiding officer from among its members to preside at meetings and to notify members of meetings. The presiding officer shall serve for one year and may not serve in that capacity for more than two years.

(f) The council shall meet at least once a year and may meet at other times at the call of the presiding officer, any three members of the council, or the commissioner.

(g) Members of the council serve without compensation.

Sec. 142.016. MEMORANDUM OF UNDERSTANDING RELATING TO NURSING SERVICES; GUIDELINES. (a) The Texas Board of Nursing and the department shall adopt a memorandum of understanding governing the circumstances under which the provision of health-related tasks or services do not constitute the practice of professional nursing. The agencies periodically shall review and shall renew or modify the memorandum as necessary.

(b) The Texas Board of Nursing and the department shall consult with an advisory committee in developing, modifying, or renewing the memorandum of understanding. The advisory committee shall be appointed by the Texas Board of Nursing and the department and at a minimum shall include:
(1) one representative from the Texas Board of Nursing and one representative from the department to serve as cochairmen;
(2) one representative from the Texas Department of Mental Health and Mental Retardation;
(3) one representative from the Texas Nurses Association;
(4) one representative from the Texas Association for Home Care, Incorporated, or its successor;
(5) one representative from the Texas Hospice Organization, Incorporated, or its successor;
(6) one representative of the Texas Respite Resource Network or its successor; and
(7) two representatives of organizations such as the Personal Assistance Task Force or the Disability Consortium that advocate for clients in community-based settings.

(c) The department shall prepare guidelines according to the memorandum of understanding required by Subsection (a) for licensed home and community support services agencies in providing personal assistance services to clients.

Sec. 142.017. ADMINISTRATIVE PENALTY. (a) The department may assess an administrative penalty against a person who violates:
(1) this chapter or a rule adopted under this chapter; or
(2) Section 102.001, Occupations Code, if the violation relates to the provision of home health, hospice, or personal assistance services.

(b) The penalty shall be not less than $100 or more than $1,000 for each violation. Each day of a violation that occurs before the day on which the person receives written notice of the violation from the department does not constitute a separate violation and shall be considered to be one violation. Each day of a continuing violation that occurs after the day on which the person receives written notice of the violation from the department constitutes a separate
violation.

(c) The department by rule shall specify each violation for which an administrative penalty may be assessed. In determining which violations warrant penalties, the department shall consider:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation and the hazard of the violation to the health or safety of clients; and

(2) whether the affected home and community support services agency had identified the violation as a part of its internal quality assurance process and had made appropriate progress on correction.

(d) The department by rule shall establish a schedule of appropriate and graduated penalties for each violation based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation and the hazard or safety of clients;

(2) the history of previous violations by the person or a controlling person with respect to that person;

(3) whether the affected home and community support services agency had identified the violation as a part of its internal quality assurance process and had made appropriate progress on correction;

(4) the amount necessary to deter future violations;

(5) efforts made to correct the violation; and

(6) any other matters that justice may require.

(e) Except as provided by Subsection (j), the department by rule shall provide the home and community support services agency with a reasonable period of time following the first day of a violation to correct the violation before assessing an administrative penalty if a plan of correction has been implemented.

(f) An administrative penalty may not be assessed for minor violations unless those violations are of a continuing nature or are not corrected.

(g) The department shall establish a system to ensure standard and consistent application of penalties regardless of the home and community support services agency location.

(h) All proceedings for the assessment of an administrative penalty under this chapter are subject to Chapter 2001, Government Code.

(i) The department may not assess an administrative penalty
against a state agency.

(j) The department may assess an administrative penalty without providing a reasonable period of time to the agency to correct the violation if the violation:

1. results in serious harm or death;
2. constitutes a serious threat to health or safety;
3. substantially limits the agency's capacity to provide care;
4. is a violation in which a person:
   A. makes a false statement, that the person knows or should know is false, of a material fact:
      i. on an application for issuance or renewal of a license or in an attachment to the application; or
      ii. with respect to a matter under investigation by the department;
   B. refuses to allow a representative of the department to inspect a book, record, or file required to be maintained by an agency;
   C. wilfully interferes with the work of a representative of the department or the enforcement of this chapter;
   D. wilfully interferes with a representative of the department preserving evidence of a violation of this chapter or a rule, standard, or order adopted or license issued under this chapter;
   E. fails to pay a penalty assessed by the department under this chapter not later than the 10th day after the date the assessment of the penalty becomes final; or
   F. fails to submit:
      i. a plan of correction not later than the 10th day after the date the person receives a statement of licensing violations; or
      ii. an acceptable plan of correction not later than the 30th day after the date the person receives notification from the department that the previously submitted plan of correction is not acceptable;
5. is a violation of Section 142.0145; or
6. involves the rights of the elderly under Chapter 102, Human Resources Code.

Added by Acts 1997, 75th Leg., ch. 1191, Sec. 7, eff. Sept. 1, 1997.
Sec. 142.0171. NOTICE; REQUEST FOR HEARING. (a) If, after investigation of a possible violation and the facts surrounding that possible violation, the department determines that a violation has occurred, the department shall give written notice of the violation to the person alleged to have committed the violation. The notice shall include:

(1) a brief summary of the alleged violation;

(2) a statement of the amount of the proposed penalty based on the factors listed in Section 142.017(d); and

(3) a statement of the person's right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(b) Not later than the 20th day after the date on which the notice is received, the person notified may accept the determination of the department made under this section, including the proposed penalty, or may make a written request for a hearing on that determination.

(c) If the person notified of the violation accepts the determination of the department or if the person fails to respond in a timely manner to the notice, the commissioner or the commissioner's designee shall issue an order approving the determination and ordering that the person pay the proposed penalty.

Added by Acts 1997, 75th Leg., ch. 1191, Sec. 7, eff. Sept. 1, 1997.

Sec. 142.0172. HEARING; ORDER. (a) If the person notified requests a hearing, the department shall:

(1) set a hearing;

(2) give written notice of the hearing to the person; and

(3) designate a hearings examiner to conduct the hearing.

(b) The hearings examiner shall make findings of fact and
conclusions of law and shall promptly issue to the commissioner or the commissioner's designee a proposal for decision as to the occurrence of the violation and a recommendation as to the amount of the proposed penalty if a penalty is determined to be warranted.

(c) Based on the findings of fact and conclusions of law and the recommendations of the hearings examiner, the commissioner or the commissioner's designee by order may find that a violation has occurred and may assess a penalty or may find that no violation has occurred.

Added by Acts 1997, 75th Leg., ch. 1191, Sec. 7, eff. Sept. 1, 1997.

Sec. 142.0173. NOTICE AND PAYMENT OF ADMINISTRATIVE PENALTY; JUDICIAL REVIEW; REFUND. (a) The department shall give notice of the order under Section 142.0172(c) to the person alleged to have committed the violation. The notice must include:

(1) separate statements of the findings of fact and conclusions of law;
(2) the amount of any penalty assessed; and
(3) a statement of the right of the person to judicial review of the order.

(b) Not later than the 30th day after the date on which the decision is final as provided by Chapter 2001, Government Code, the person shall:

(1) pay the penalty;
(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or
(3) without paying the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(c) Within the 30-day period, a person who acts under Subsection (b)(3) may:

(1) stay enforcement of the penalty by:
   (A) paying the penalty to the court for placement in an escrow account; or
   (B) giving to the court a supersedeas bond that is
approved by the court for the amount of the penalty and that is effective until all judicial review of the order is final; or

(2) request the court to stay enforcement of the penalty by:

(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and

(B) giving a copy of the affidavit to the department by certified mail.

(d) If the department receives a copy of an affidavit under Subsection (c)(2), the department may file with the court, within 10 days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the penalty and to give a supersedeas bond.

(e) If the person does not pay the penalty and the enforcement of the penalty is not stayed, the department may refer the matter to the attorney general for collection of the penalty.

(f) Judicial review of the order:

(1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and

(2) is under the substantial evidence rule.

(g) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(h) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty under Subsection (b)(2) and if that amount is reduced or is not upheld by the court, the court shall order that the department pay the appropriate amount plus accrued interest to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person paid the penalty under Subsection (c)(1)(A), or gave a
supersedeas bond, and if the amount of the penalty is not upheld by the court, the court shall order the release of the escrow account or bond. If the person paid the penalty under Subsection (c)(1)(A) and the amount of the penalty is reduced, the court shall order that the amount of the penalty be paid to the department from the escrow account and that the remainder of the account be released. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

Added by Acts 1997, 75th Leg., ch. 1191, Sec. 7, eff. Sept. 1, 1997.

Sec. 142.0174. USE OF ADMINISTRATIVE PENALTY. An administrative penalty collected under this subchapter may be appropriated for the purpose of funding the grant program established under Section 161.074, Human Resources Code.

Added by Acts 1997, 75th Leg., ch. 1191, Sec. 7, eff. Sept. 1, 1997. Amended by:

Acts 2005, 79th Leg., Ch. 786 (S.B. 52), Sec. 1, eff. September 1, 2005.

Sec. 142.0175. EXPENSES AND COSTS FOR COLLECTION OF CIVIL OR ADMINISTRATIVE PENALTY. (a) If the attorney general brings an action against a person under Section 142.013 or 142.014 or to enforce an administrative penalty assessed under Section 142.0173 and an injunction is granted against the person or the person is found liable for a civil or administrative penalty, the attorney general may recover, on behalf of the attorney general and the department, reasonable expenses and costs.

(b) For purposes of this section, reasonable expenses and costs include expenses incurred by the department and the attorney general in the investigation, initiation, and prosecution of an action, including reasonable investigative costs, attorney's fees, witness fees, and deposition expenses.

Added by Acts 1997, 75th Leg., ch. 1191, Sec. 7, eff. Sept. 1, 1997.
Sec. 142.018. REPORTS OF ABUSE, EXPLOITATION, OR NEGLECT. (a) In this section, "abuse," "exploitation," and "neglect" have the meanings applicable through a rule adopted by the executive commissioner of the Health and Human Services Commission under Section 48.002(c), Human Resources Code, except that if the executive commissioner has not adopted applicable rules under that section, the statutory definitions of those terms under Section 48.002(a), Human Resources Code, shall be used.

(b) A home and community support services agency that has cause to believe that a person receiving services from the agency has been abused, exploited, or neglected by an employee of the agency shall report the information to:

(1) the department; and

(2) the Department of Protective and Regulatory Services or other appropriate state agency as required by Section 48.051, Human Resources Code.

(c) This section does not affect the duty or authority of any state agency to conduct an investigation of alleged abuse, exploitation, or neglect as provided by other law. An investigation of alleged abuse, exploitation, or neglect may be conducted without an on-site survey, as appropriate.

Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1056 (S.B. 221), Sec. 3, eff. September 1, 2011.

Sec. 142.019. CERTAIN PHYSICIAN REFERRALS PROHIBITED. A physician may not refer a patient to a home and community support services agency if the referral violates 42 U.S.C. Section 1395nn and its subsequent amendments.

Added by Acts 1999, 76th Leg., ch. 276, Sec. 11, eff. Sept. 1, 1999.

Sec. 142.020. DISPOSAL OF SPECIAL OR MEDICAL WASTE. (a) A home and community support services agency that generates special or medical waste while providing home health services must dispose of
the waste in the same manner that the home and community support services agency disposes of special or medical waste generated in the agency's office location.

(b) A home and community support services agency shall provide both verbal and written instructions to the agency's client regarding the proper procedure for disposing of sharps. Sharps include hypodermic needles; hypodermic syringes with attached needles; scalpel blades; razor blades, disposable razors, and disposable scissors used in medical procedures; and intravenous stylets and rigid introducers.

Added by Acts 1999, 76th Leg., ch. 276, Sec. 12, eff. Sept. 1, 1999; Acts 1999, 76th Leg., ch. 1317, Sec. 1, eff. Sept. 1, 1999.

Sec. 142.0201. REGISTRATION FOR EVACUATION; DISASTER PREPAREDNESS. A home and community support services agency shall:

(1) assist clients as necessary with registering for disaster evacuation assistance through 2-1-1 services provided by the Texas Information and Referral Network; and

(2) counsel clients as necessary regarding disaster preparedness.

Added by Acts 2009, 81st Leg., R.S., Ch. 459 (H.B. 2558), Sec. 1, eff. June 19, 2009.

SUBCHAPTER B. PERMITS TO ADMINISTER MEDICATION

Sec. 142.021. ADMINISTRATION OF MEDICATION. A person may not administer medication to a client of a home and community support services agency unless the person:

(1) holds a license under state law that authorizes the person to administer medication;

(2) holds a permit issued under Section 142.025 and acts under the delegated authority of a person who holds a license under state law that authorizes the person to administer medication;

(3) administers a medication to a client of a home and community support service agency in accordance with rules of the Texas Board of Nursing that permit delegation of the administration of medication to a person not holding a permit under Section 142.025; or
(4) administers noninjectable medication under circumstances authorized by the memorandum of understanding adopted under Section 142.016.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 889 (H.B. 2426), Sec. 65, eff. September 1, 2007.

Sec. 142.022. EXEMPTIONS FOR NURSING STUDENTS AND MEDICATION AIDE TRAINEES. (a) Sections 142.021 and 142.029 do not apply to:
(1) a graduate nurse holding a temporary permit issued by the Texas Board of Nursing;
(2) a student enrolled in an accredited school of nursing or program for the education of registered nurses who is administering medications as part of the student's clinical experience;
(3) a graduate vocational nurse holding a temporary permit issued by the Texas Board of Nursing;
(4) a student enrolled in an accredited school of vocational nursing or program for the education of vocational nurses who is administering medications as part of the student's clinical experience; or
(5) a trainee in a medication aide training program approved by the department under Section 142.024 who is administering medications as part of the trainee's clinical experience.
(b) The administration of medications by persons exempted under Subdivisions (1) through (4) of Subsection (a) is governed by the terms of the memorandum of understanding executed by the department and the Texas Board of Nursing.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 889 (H.B. 2426), Sec. 66, eff. September 1, 2007.
Sec. 142.023. RULES FOR ADMINISTRATION OF MEDICATION. The board by rule shall establish:

(1) minimum requirements for the issuance, denial, renewal, suspension, emergency suspension, and revocation of a permit to a home health medication aide;

(2) curricula to train a home health medication aide;

(3) minimum standards for the approval of home health medication aide training programs and for rescinding approval;

(4) the acts and practices that are allowed or prohibited to a permit holder; and

(5) minimum standards for on-site supervision of a permit holder by a registered nurse.

Sec. 142.024. HOME HEALTH MEDICATION AIDE TRAINING PROGRAMS. (a) An application for the approval of a home health medication aide training program must be made to the department on a form and under rules prescribed by the board.

(b) The department shall approve a home health medication aide training program that meets the minimum standards adopted under Section 142.023. The department may review the approval annually.

Sec. 142.025. ISSUANCE AND RENEWAL OF HOME HEALTH MEDICATION AIDE PERMIT. (a) To be issued or to have renewed a home health medication aide permit, a person shall apply to the department on a form prescribed and under rules adopted by the board.

(b) The department shall prepare and conduct an examination for the issuance of a permit.

(c) The department shall require a permit holder to satisfactorily complete a continuing education course approved by the
department for renewal of the permit.

(d) The department shall issue a permit or renew a permit to an applicant who:

(1) meets the minimum requirements adopted under Section 142.023;

(2) successfully completes the examination or the continuing education requirements; and

(3) pays a nonrefundable application fee determined by the board.

(e) A permit is valid for one year and is not transferable.

Sec. 142.026. FEES FOR ISSUANCE AND RENEWAL OF HOME HEALTH MEDICATION AIDE PERMIT. (a) The board shall set the fees in amounts reasonable and necessary to recover the amount projected by the department as required to administer its functions under this subchapter. The fees may not exceed:

(1) $25 for a combined permit application and examination fee; and

(2) $15 for a renewal permit application fee.

(b) Fees received under this section may only be appropriated to the department to administer this subchapter.

Sec. 142.027. VIOLATION OF HOME HEALTH MEDICATION AIDE PERMITS. (a) For the violation of this subchapter or a rule adopted under this subchapter, the department may:

(1) deny, suspend, revoke, or refuse to renew a permit;

(2) suspend a permit in an emergency; or

(3) rescind training program approval.

(b) Except as provided by Section 142.028, the procedure by which the department takes a disciplinary action and the procedure by which a disciplinary action is appealed are governed by the
Sec. 142.028. EMERGENCY SUSPENSION OF HOME HEALTH MEDICATION AIDE PERMITS. (a) The department shall issue an order to suspend a permit issued under Section 142.025 if the department has reasonable cause to believe that the conduct of the permit holder creates an imminent danger to the public health or safety.

(b) An emergency suspension is effective immediately without a hearing on notice to the permit holder.

(c) If requested in writing by a permit holder whose permit is suspended, the department shall conduct a hearing to continue, modify, or rescind the emergency suspension.

(d) The hearing must be held not earlier than the 10th day or later than the 30th day after the date on which the hearing request is received.

(e) The hearing and an appeal from a disciplinary action related to the hearing are governed by the department's rules for a formal hearing and Chapter 2001, Government Code.

Sec. 142.029. ADMINISTRATION OF MEDICATION; CRIMINAL PENALTY.

(a) A person commits an offense if the person knowingly administers medication to a client of a home and community support services agency and the person is not authorized to administer the medication under Section 142.021 or 142.022.

(b) An offense under this section is a Class B misdemeanor.

Sec. 142.030. DISPENSING DANGEROUS DRUGS OR CONTROLLED SUBSTANCES; CRIMINAL PENALTY. (a) A person authorized by this subchapter to administer medication to a client of a home and community support services agency may not dispense dangerous drugs or controlled substances without complying with Subtitle J, Title 3, Occupations Code.

(b) An offense under this section is a Class A misdemeanor.

CHAPTER 143. INDUSTRIAL HOMEWORK

Sec. 143.001. DEFINITIONS. In this chapter:

(1) "Employer" means a person who, directly, indirectly, or through an employee, agent, independent contractor, or any other person, delivers to another person materials for articles that are:

(A) to be manufactured in a home and returned to the employer; and

(B) not for the personal use of the employer or a member of the employer's family.

(2) "Home" means a room, house, apartment, or other premises, whichever is most extensive, that is used in whole or in part as a dwelling.

(3) "Industrial homework" means the manufacture, in a home, of articles for an employer.

(4) "Manufacture" includes preparation, alteration, repair, or finishing, in whole or in part, for profit or compensation.

Sec. 143.002. EMPLOYER'S PERMIT REQUIRED. (a) An employer may not deliver materials for industrial homework to any person in this state without an employer's permit issued by the board.

(b) If the employer is not a resident of this state, the
employer's agent must hold the employer's permit.

Sec. 143.003. EMPLOYER'S PERMIT APPLICATION AND ISSUANCE; TERM. (a) An applicant must apply for an employer's permit in the form prescribed by board rule.
   (b) The application must be accompanied by a $50 permit fee.
   (c) An employer's permit is valid for one year from the date of issuance.

Sec. 143.004. SUSPENSION OR REVOCATION OF EMPLOYER'S PERMIT. The board may suspend or revoke an employer's permit if the board finds that the employer has violated this chapter or has failed to comply with a provision of the permit.

Sec. 143.005. HOMEWORKER'S CERTIFICATE REQUIRED. (a) A person may not engage in industrial homework without a homeworker's certificate issued by the board.
   (b) A homeworker's certificate is valid only for work performed by the certificate holder in the certificate holder's home.

Sec. 143.006. HOMEWORKER'S CERTIFICATE APPLICATION AND ISSUANCE; TERM. (a) An applicant must apply for a homeworker's certificate in the form prescribed by board rule. Each applicant must present a health certificate or other evidence of good health as required by the board.
   (b) The application must be accompanied by a fee in an amount set by the board, but not to exceed 50 cents.
   (c) A homeworker's certificate is valid for one year from the date of issuance.
(d) The board may not issue a homeworker's certificate to a person who:

(1) is younger than 15 years of age;
(2) suffers from a communicable disease; or
(3) lives in a home that is not clean, sanitary, and free from communicable diseases.

Sec. 143.007. SUSPENSION OR REVOCATION OF HOMEWORKER'S CERTIFICATE. The board may suspend or revoke a homeworker's certificate if the board finds that the industrial homeworker:

(1) is performing industrial homework in violation of the conditions under which the certificate was issued or in violation of this chapter; or
(2) has allowed a person who does not hold a homeworker's certificate to assist the homeworker in performing the industrial homework.

Sec. 143.008. PROHIBITION ON ISSUANCE OF PERMIT OR CERTIFICATE. The board may not issue an employer's permit or a homeworker's certificate to authorize industrial homework or the delivery of materials for industrial homework if the board determines that the industrial homework:

(1) is injurious to the health or welfare of industrial homeworkers in that industry or to the public; or
(2) makes it unduly difficult to maintain or enforce health standards established by law or rule for factory workers in that industry.

Sec. 143.009. ORDER PROHIBITING CERTAIN INDUSTRIAL HOMEWORK; HEARING. (a) The board by order shall prohibit industrial homework in a certain industry and shall require employers in that industry to stop delivering in this state any materials for that industrial
homework if the board determines, after investigation, that the industrial homework may not be continued in that industry without injuring the health and welfare of industrial homeworkers in that industry or of the public.

(b) Before adopting an order under Subsection (a), the board must hold a public hearing at which an opportunity to be heard must be afforded to any person having an interest in the subject matter of the hearing, including:

(1) an employer or a representative of employers; or
(2) an industrial homeworker or a representative of industrial homeworkers.

(c) The board must give public notice of the hearing:

(1) not later than the 30th day before the date on which the hearing is held; and

(2) in a manner determined by the board.

(d) The board shall hold the hearing in the place the board determines to be most convenient to the employers and industrial homeworkers affected by the order.

(e) The board shall determine the effective date of the order, which may not be less than 90 days after the date of its adoption.

(f) After an order becomes effective, a person holding an employer's permit may not deliver materials for the industrial homework prohibited by the order.

Sec. 143.010. GENERAL POWERS AND DUTIES OF BOARD. (a) The board may adopt rules necessary to implement this chapter and shall enforce this chapter.

(b) The board or the board's representative shall conduct all inspections and investigations necessary to enforce this chapter.

(c) The board or the board's representative may:

(1) administer oaths;
(2) take affidavits;
(3) issue subpoenas;
(4) compel the attendance of witnesses and the production of books, contracts, documents, or any other evidence;
(5) hear testimony under oath; and
(6) take depositions of witnesses who reside in this state.
or outside this state in the manner provided by law for similar depositions in civil actions in a justice court.

(d) A subpoena or commission to take testimony shall be issued under the seal of the board.

Sec. 143.011. PROHIBITION ON CERTAIN DELIVERIES BY EMPLOYER. An employer may not deliver or cause to be delivered any materials for industrial homework to a person who does not possess an employer's permit or a homeworker's certificate issued in accordance with this chapter.

Sec. 143.012. RECORD REQUIREMENTS; INVESTIGATION. (a) A person who holds an employer's permit may not deliver or cause to be delivered or received materials for industrial homework or receive an article as a result of industrial homework unless the employer keeps a record of:

(1) the persons engaged in industrial homework on materials delivered by that employer;
(2) the places where those persons work;
(3) the articles that those persons have manufactured;
(4) the agents or contractors to whom the employer has delivered materials for industrial homework; and
(5) the persons from whom the employer has received materials for industrial homework.

(b) The employer shall maintain and report the information in the manner prescribed by board rule and on forms that the board may provide.

(c) The information and records required by this section may be used by the board only to enforce this chapter and may not be published or disclosed except to representatives of the board enforcing this chapter.

Sec. 143.013. LABEL REQUIREMENT. (a) An employer may not deliver or cause to be delivered materials for industrial homework unless there has been conspicuously affixed to those materials a label or other identifying trademark that bears the employer's name and address printed or written legibly in English.

(b) The label must be affixed to the package or container in which the materials are delivered or are to be kept if it is impossible to affix the label to the materials.

Sec. 143.014. DISPOSITION OF UNLAWFULLY MANUFACTURED ARTICLES. (a) The board may remove from a home articles that are being manufactured in the home in violation of this chapter and materials used to manufacture those articles.

(b) The board shall give notice of the removal by registered mail to the person whose name and address are affixed to the materials as provided by Section 143.013.

(c) The board may retain the materials or articles until they are claimed by the employer, and if they are not claimed before the 31st day after the date on which the notice is sent, the board may destroy or otherwise dispose of the materials or articles.

Sec. 143.015. CRIMINAL PENALTY. (a) An employer commits an offense if the employer:

(1) violates Section 143.002;

(2) refuses to allow the board or its representative to enter the employer's place of business to conduct an investigation authorized by this chapter;

(3) refuses to permit the board or its representative to inspect or copy the employer's records or other documents related to the enforcement of this chapter;

(4) makes an oral statement that the employer is required by the commissioner to make and the statement made is false; or

(5) otherwise violates this chapter or any provision of the employer's permit.

(b) A person commits an offense if the person violates a rule
adopted by the board.

(c) An offense under this section is a misdemeanor punishable by a fine of not less than $25 or more than $200, imprisonment for not less than 30 days or more than 60 days, or both.

CHAPTER 144. RENDERERS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 144.001. SHORT TITLE. This chapter may be cited as the Texas Renderers' Licensing Act.

Sec. 144.002. DEFINITIONS. In this chapter:

(1) "Dead animal" means the whole or substantially whole carcass of a dead or fallen domestic animal, or domesticated wild animal, that was not slaughtered for human consumption.

(2) "Dead animal hauler" means a person who collects and disposes of dead animals for commercial purposes.

(3) "Disposal" means the burying, burning, cooking, processing, or rendering of dead animals or of renderable raw materials.

(4) "Employee" means a person who:

(A) is a legal employee of a rendering establishment; and

(B) handles or operates rendering equipment, utensils, containers, vehicles, or packaging materials owned or leased by the rendering establishment.

(5) "Nuisance" means any situation or condition that constitutes a nuisance under Section 341.011.

(6) "Person" means an individual, firm, partnership, association, corporation, trust, company, or organization, and includes an agent, officer, or employee of that individual or entity.

(7) "Processing" means an operation or combination of operations through which materials derived from a dead animal or renderable raw material sources are:

(A) prepared for disposal at a rendering establishment;

(B) stored; or
(C) treated for commercial use or disposition, other than as food for human consumption.

(8) "Related station" means an operation or facility that is necessary or incidental to the operation of a rendering establishment and that is operated or maintained separately from the rendering establishment.

(9) "Rendering business" means the collection, transportation, disposal, or storage of dead animals or renderable raw materials for commercial purposes at locations where dead animals or renderable raw materials are rendered, boiled, processed, stored, transferred, or otherwise prepared, either as a separate business or in connection with any other established business.

(10) "Rendering establishment" means an establishment or part of an establishment, a plant, or any other premises at which dead animals or renderable raw materials are rendered, boiled, processed, or otherwise prepared to obtain a product for commercial use or disposition, other than as food for human consumption. The term includes all other operations and facilities that are necessary or incidental to the establishment.

(11) "Renderable raw material" means any unprocessed or partially processed material of animal or plant origin, other than a dead animal, that is processed by rendering establishments. The term includes:

   (A) animals, poultry, or fish slaughtered or processed for human consumption but that are unsuitable for that use;

   (B) the inedible products and by-products of animals, poultry, or fish slaughtered or processed for human consumption;

   (C) parts from dead animals;

   (D) whole or partial carcasses of dead poultry or fish;

   (E) waste cooking greases; and

   (F) recyclable cooking oil.

(12) "Recyclable cooking oil" means any unprocessed or partially processed grease, fat, or oil previously used in the cooking or preparation of food for human consumption and intended for recycling by being used or reused as:

   (A) an ingredient in a process to make a product; or

   (B) an effective substitute for a commercial product.

(13) "Renderable raw material hauler" means a person who collects or transports renderable raw materials for commercial purposes.
"Transfer station" means a facility at which renderable raw materials are transferred from one conveyance to another.

"Waste cooking grease" means any unprocessed or partially processed grease, fat, or oil previously used in the cooking or preparation of food for human consumption and no longer suitable for such use.

Sec. 144.003. CONSTRUCTION OF OTHER LAWS. (a) This chapter does not affect:

(1) Chapter 141, Agriculture Code; or
(2) any state law or a rule of any public regulatory body that relates to the control of water or air pollution.

(b) This chapter does not affect a municipality's power to regulate by ordinance rendering businesses within the boundaries of the municipality. However, each rendering establishment, related station, transfer station, dead animal hauler, or renderable raw material hauler subject to a municipal ordinance shall comply with this chapter.

SUBCHAPTER B. OPERATING LICENSES
Sec. 144.011. LICENSE REQUIRED. (a) A person may not operate a rendering business, or any adjunct to a rendering business, without having a rendering establishment operating license issued by the department or another appropriate operating license under this section.

(b) A person may not operate or maintain a related station without a related station operating license issued by the department.

(c) A person may not operate or maintain a transfer station without a transfer station operating license issued by the department.

(d) A person may not operate as a dead animal hauler without a dead animal hauler operating license issued by the department unless
the person is an employee of a rendering establishment.

(e) A person may not operate as a renderable raw material hauler without a renderable raw material hauler operating license issued by the department unless the person is an employee of a rendering establishment.

Sec. 144.012. EXEMPTIONS FROM LICENSING REQUIREMENT. (a) Unless the person also performs rendering operations or processes, this chapter does not apply to a person who:

(1) slaughters, butchers, manufactures, or sells animal flesh or products only for use as food for human consumption;

(2) transports or disposes of the bodies of animals killed for use as food for human consumption, or the products of those bodies, only for that purpose and use; or

(3) is an individual and who disposes of the individual's own animal.

(b) This chapter does not apply to a governmental agency that collects, transports, or disposes of dead animals or renderable raw materials.

Sec. 144.013. LICENSE APPLICATION AND ISSUANCE. (a) To be considered by the department for an operating license, a person must submit a sworn application to the department. The application must:

(1) state whether the applicant intends to operate as a rendering establishment, related station, transfer station, dead animal hauler, or renderable raw material hauler;

(2) state the location from which the business is to be conducted; and

(3) include other relevant information required by the department to determine the applicant's compliance with the operating procedures established under Subchapter C.

(b) The application must be accompanied by the application fee.

(c) The department shall issue the appropriate operating
license if, after investigation, it finds that the applicant's operations or proposed operations meet the requirements of Subchapter C.

(d) If the department finds that the applicant's operations or proposed operations do not meet the requirements of Subchapter C, the department shall deny the application and shall notify the applicant in writing of each reason why the applicant fails to meet those requirements. The applicant is entitled to 90 days to meet the requirements, after which the department shall reinvestigate.

(e) If the department determines after reinvestigation that the applicant is not in compliance, the department shall again deny the application and promptly notify the applicant in writing of each reason why the applicant fails to meet the requirements.

(f) If the department denies an application twice, the application is canceled. The applicant is entitled to a hearing before the commissioner on the denial if the applicant requests the hearing not later than the 30th day after the date of the second denial.

(g) Unless the period is extended by a written agreement between the department and the applicant, the department shall grant or deny a license application not later than the 30th day after the date on which:

(1) the application and the required fee is filed with the department;
(2) the period to meet the requirements expires; or
(3) a hearing on the application denial is conducted.

SUBCHAPTER C. OPERATING PROCEDURES FOR ALL LICENSE HOLDERS
Sec. 144.021. GENERAL REQUIREMENTS FOR OPERATING LICENSES. (a) Each applicant for or holder of an operating license shall adopt operating procedures that:

(1) provide for the sanitary performance of rendering operations and processes;
(2) prevent the spread of infectious or noxious materials; and
(3) ensure that finished products are free from disease-
producing organisms.

(b) As a condition of licensure, the department may prescribe other reasonable and appropriate construction, operational, maintenance, and inspection requirements to ensure compliance with this chapter and applicable rules of the department.

Sec. 144.022. RECORDS. (a) Each licensed rendering establishment, related station, or dead animal hauler shall have a dead animal log that meets the requirements prescribed by the department. The name of the licensed rendering establishment, related station, or dead animal hauler must be on the front of the log.

(b) When a license holder receives a dead animal, the license holder shall enter the following information in the log:

(1) the date and time of the pickup of the dead animal;
(2) the name of the driver of the collection vehicle;
(3) a description of the dead animal;
(4) the location of the dead animal, including the county; and
(5) the owner of the dead animal, if known.

(c) The license holder shall also keep a record in the log, or in an appendix to the log, of the general route followed in making the collection.

(d) The log is subject to inspection at all reasonable times by the department or a person with written authorization from the department. Repeated or wilful failure or refusal to produce the log for inspection or to permit inspection by persons properly authorized to inspect the log constitutes grounds for license revocation.

(e) This section does not apply to a licensed renderable raw material hauler.

Sec. 144.023. VEHICLES; PERMIT REQUIRED. (a) A vehicle used to transport dead animals or renderable raw materials to or from a rendering establishment must:
(1) be leak-proof and maintained in a manner that precludes
the creation of a nuisance; and
(2) comply with each applicable requirement for operation
on the public roads or highways, including applicable insurance
requirements and gross vehicle weight limitations.

(b) A collection vehicle shall be held to a minimum number of
stops, and the stops shall be brief, while traveling to the
establishment with dead animals or renderable raw materials. Each
collection vehicle shall be washed and sanitized at the end of each
day's operations.

(c) A truck bed used to transport dead animals or renderable
raw materials shall be thoroughly washed and sanitized before use for
the transport of finished rendered products. A truck bed used to
transport dead animals or renderable raw materials to a rendering
establishment, or to transfer finished rendered products from an
establishment, shall, before being used to transport any product
intended for human consumption, be thoroughly sanitized with a
bactericidal agent that is determined by the department to be safe in
a rendering establishment. A truck bed may not be used to transport
dead animals or renderable raw materials at the same time the truck
bed or any part of the truck bed is used to transport any product
intended for human consumption, notwithstanding the manner in which
part of the truck bed is sealed or separated from the remainder of
the bed.

(d) The owner of a vehicle may not operate the vehicle on
public roads and highways to haul dead animals or renderable raw
materials unless the owner holds a permit for the vehicle issued by
the department. To obtain a permit for the vehicle from the
department, the owner must provide to the department:
(1) the owner's name and address;
(2) a description of the operations to be performed under
the registration;
(3) the year, make, model, license plate number, and
manufacturer's vehicle identification number for the vehicle;
(4) a list of names of drivers employed by the hauler to
drive the vehicle and their driver's license numbers; and
(5) any other information required by the department.

(e) The department may require that a dead animal or renderable
raw material hauling vehicle conspicuously display a permit decal
issued by the department and the number and license holder's name for
any operating license required under Section 144.011. As a condition of issuance and maintenance of the permit, the department may require that the vehicle comply with any other construction, operational, maintenance, inspection, and marking requirements as prescribed by the department.

Sec. 144.024. TREATMENT OF DEAD ANIMALS OR RENDERABLE RAW MATERIALS. (a) Dead animals or renderable raw materials received by a rendering establishment shall either be immediately placed in the rendering process or stored for not more than 48 hours in a manner that precludes the creation of a nuisance or a malodorous condition.

(b) Cooking or other dehydration operations shall be conducted in a manner that prevents the survival of disease-producing organisms in the processed material. Adequate and suitable means for the treatment of cooking vapors shall be provided and operated in a manner that controls odors.

(c) All cooked or finished materials shall be kept apart from areas where dead animals or renderable raw materials are kept in a manner that prevents contamination.

(d) If a person intends to use oil or grease as an ingredient in livestock feed or in topical cosmetic products, the person may not contaminate or commingle waste cooking greases or recyclable cooking oils with grease trap waste, grit trap waste, or any other substance that would render the greases or oils harmful or otherwise unsuitable for use as an ingredient in livestock feed or in topical cosmetic products.

Sec. 144.025. FLOORS. (a) During operations, the floors in processing areas shall be kept reasonably free from processing wastes, including:

(1) blood;
(2) manure;
(3) scraps;

(4) grease;
(5) water;
(6) dirt; and
(7) litter.

(b) The floors shall be thoroughly cleaned at the end of each day's operations.

Sec. 144.026. WASTE TREATMENT. (a) Waste shall be handled and disposed of in a manner that prevents contamination of:

(1) the water supply;
(2) processing equipment;
(3) packaging materials; and
(4) finished products.

(b) Liquid waste shall be treated in the manner required by the department and disposed of in a manner approved by the department.

Sec. 144.027. EMPLOYEE FACILITIES. (a) Adequate and convenient toilet facilities for employees shall be located in an establishment.

(b) An adequate number of lavatory facilities for employees to wash their hands shall be provided at convenient locations in the establishment and must be supplied with warm water under pressure and with soap or another detergent.

(c) A drinking water supply approved by the department shall be provided at convenient locations in the establishment for the use of employees.

Sec. 144.028. HYGIENE REQUIREMENTS. A person engaging in rendering processes or operations shall wear washable garments and accessories and conform to hygienic practices.

Sec. 144.029. SANITARY CONDITIONS REQUIRED. (a) The premises of a rendering establishment shall be kept clean and neat, in good repair, and reasonably free from:

(1) undue collection of refuse;
(2) waste materials;
(3) rodent infestation;
(4) insect breeding places;
(5) standing water; and
(6) other objectionable conditions.

(b) Equipment and utensils shall be provided as necessary for the rendering establishment to conduct operations in a sanitary manner.

(c) Rodents, roaches, and other vermin shall be controlled.

(d) Hide storage facilities shall be in closed areas separate from all other areas.

Sec. 144.030. COLLECTION CONTAINER REQUIREMENTS. (a) A container in which dead animals or renderable raw materials are accumulated by a producer at collecting points for pickup by a dead animal hauler or renderable raw material hauler must remain on the premises at each collecting point.

(b) The owner of the containers shall maintain the containers in a leak-proof and sanitary condition and shall replace them as necessary.

(c) The transportation, delivery, transfer, loading, and off-loading of dead animals and renderable raw materials shall be performed in a manner that prevents the release of animal parts and spills or leaks of renderable raw materials from containers. A release of dead animal parts or spill or leak of renderable raw materials shall immediately be cleaned up and reported in the log required by Section 144.022.

Sec. 144.031. PROHIBITED PURCHASES OR SALES. (a) A person may not sell or offer for sale a raw or uncooked dead animal or renderable raw material that contains disease-producing organisms to any person who is not licensed under this chapter.

(b) A person licensed under this chapter may not purchase a dead animal from a dead animal hauler who is not licensed under this chapter.

(c) A person licensed under this chapter may not purchase renderable raw materials from a renderable raw material hauler who is not licensed under this chapter.

SUBCHAPTER D. CONSTRUCTION PERMITS

Sec. 144.041. PERMIT REQUIRED. (a) Except as provided by Section 144.042, a person may not construct a new rendering establishment or engage in construction involving an addition or replacement at a rendering establishment without a construction permit issued by the department.

(b) Except as provided by Section 144.042, a person may not construct a new related station or engage in construction involving an addition or replacement at a related station without a construction permit issued by the department.

(c) Except as provided by Section 144.042, a person may not construct a new transfer station or engage in construction involving an addition or replacement at a transfer station without a construction permit issued by the department.

(d) Construction at a rendering business is subject to the construction and layout requirements established under Subchapter E.

Sec. 144.042. EXEMPTION FROM PERMIT REQUIREMENT. A construction permit from the department for the construction of a new rendering business or for construction at a rendering business is not required if the cost to the rendering business is less than $10,000. However, the construction and layout requirements established under

Sec. 144.043. PERMIT APPLICATION AND ISSUANCE. (a) To receive a construction permit, a person must submit a sworn application to the department. The application must:

(1) describe the type of construction proposed, whether the construction is of a new rendering establishment, related station, or transfer station or additions or replacements;
(2) specify when the proposed construction is to occur; and
(3) include other relevant information required by the department to determine the applicant's compliance with the requirements of Subchapter E.

(b) The department shall issue the construction permit if, after investigation, it finds that the proposed construction meets the requirements of Subchapter E.

(c) If the department finds that the applicant's proposed construction does not meet the requirements of Subchapter E, the department shall deny the application and shall notify the applicant in writing of each reason why the applicant fails to meet the requirements. The applicant is entitled to 90 days in which to meet the requirements, after which the department shall reinvestigate.

(d) If the department determines after reinvestigation that the applicant is not in compliance, the department shall again deny the application and notify the applicant in writing of each reason why the applicant fails to meet the requirements.

(e) If the department denies an application twice, the application is canceled. The applicant is entitled to a hearing before the commissioner on the denial if the applicant requests the hearing not later than the 30th day after the date of the second denial.

(f) Unless the period is extended by a written agreement between the department and the applicant, the department shall grant or deny a permit application not later than the 30th day after the date on which:

(1) the application and the required fees are filed with
the department;
(2)  the period to meet the requirements expires;  or
(3)  a hearing on the application denial is conducted.

**SUBCHAPTER E. CONSTRUCTION AND LAYOUT REQUIREMENTS FOR RENDERING ESTABLISHMENTS AND RELATED STATIONS**

Sec. 144.051.  RENDERING ESTABLISHMENT AND RELATED STATION CONSTRUCTION.  (a) All construction of a rendering establishment, related station, or transfer station subject to this chapter must:
(1)  provide for sanitary operations and environmental conditions;
(2)  prevent the spread of disease-producing organisms and infectious or noxious materials;  and
(3)  prevent the development of a malodorous condition or a nuisance.

(b)  Except to the extent the department grants a written variance from a requirement, each construction permit holder shall comply with the specific requirements established under this subchapter.  The department may grant a variance from the requirements of this subchapter if the department determines that construction or operational features established at a rendering establishment will provide protection for public health and safety equivalent to that afforded by the requirements of this subchapter.

Sec. 144.052.  GENERAL CONSTRUCTION AND LAYOUT REQUIREMENTS.
(a) A rendering establishment shall provide sufficient space for:
(1)  the sanitary administration of rendering operations and processes;
(2)  the installation of necessary utility equipment;  and
(3)  the installation of processing equipment in a manner that makes the equipment easily accessible for cleaning.

(b)  A rendering establishment must be constructed so as to be easily maintained in a sanitary condition and to prevent shelter for
rodents, roaches, and other vermin.

(c) A floor in a rendering establishment must be constructed of good quality concrete, metal, or other equally impervious and easily cleanable material. It must be smooth, graded to drain, and provided with an adequate number of trapped drains or other waste disposal facilities approved by the department. A gutter used to conduct drainage must be constructed and located so it can be easily cleaned and maintained in a sanitary condition.

(d) A wall, partition, or post in a rendering establishment must be finished with a smooth, washable surface of concrete, metal, or other equally impervious and easily cleanable material.

(e) A ceiling, the underside of a roof if used as a ceiling, and any exposed overhead structure in a rendering establishment must have easily cleanable surfaces.

(f) Each exterior wall and roof, and any opening in an outer wall or roof, must protect against the entrance of insects, rodents, and other vermin. An interior wall, partition, post, ceiling, or other overhead structure may not contain crevices or openings that may provide shelter for rodents or insects.

(g) A rendering establishment shall provide a paved area of adequate size for washing and sanitizing trucks. The paved area must be provided with adequate drains that lead to a sanitary sewer system.

Sec. 144.053. RESTROOM FACILITIES. (a) A rendering establishment shall provide toilet and dressing room facilities for employees of each sex. The department must approve the design, construction, and equipment of those facilities.

(b) This section does not apply to toilet or dressing room facilities located in the managerial office area of a rendering establishment.

Sec. 144.054. VENTILATION REQUIREMENTS. (a) A rendering establishment shall provide sufficient ventilation to dispel disagreeable odors, condensate, and vapor.
(b) The establishment shall provide ventilating equipment as necessary, including individual fans, vents, and hoods. The establishment shall locate and control mechanical ventilating equipment to prevent contamination of finished products or processing equipment from nearby or preceding operations or other sources.

(c) An employee toilet room or dressing room must be adequately vented to the outside air.

(d) A space heater, gas stove, water heater, or other equipment that emits noxious odors, fumes, or vapors must be vented to the outside air.

(e) An exhaust outlet from a mechanical ventilation device must be conducted to the outside air and must be arranged, placed, and extended to avoid creating a nuisance to adjacent areas.

Sec. 144.055. WATER SUPPLY. (a) The water supply used by a rendering establishment must be either a public water supply acceptable to the department or a private supply that is located, constructed, and treated, if necessary, to provide water of a safe, sanitary quality and that complies with department requirements.

(b) The establishment's water supply may not be physically connected to any unsafe or questionable supply. Water from an unsafe or questionable supply may be used only for limited purposes, such as fire control or for ammonia condensers. A supply line for unsafe or questionable water must be clearly identified.

(c) Hot and cold water must be conveniently accessible to all parts of the establishment. The water must be under ample pressure, and must be available through outlets and in quantities as necessary to meet effectively the needs of the establishment at all times. The hot water system must have sufficient capacity to furnish ample water with a temperature of at least 180 degrees Fahrenheit during processing and cleanup.

(d) The plumbing system in a rendering establishment must be installed in compliance with state law and applicable local plumbing ordinances, and must be designed, installed, and maintained to protect the establishment's water supply from contamination through cross-connections, back siphonage, back-flow leakage, or condensation. The plumbing system must readily carry away all liquid
wastes.

(e) If necessary to prevent discharge into the drainage system of solid wastes likely to clog the drainage system, liquid wastes containing solid materials must be passed through a separator or indirect-waste receptor that effectively retains the solids before discharge into the drainage system.

SUBCHAPTER F. PROVISIONS APPLICABLE TO LICENSES AND PERMITS

Sec. 144.061. CONTENTS AND DISPLAY OF LICENSE OR PERMIT. (a) Each operating license and construction permit must state the name and address of the license holder or permit holder.

(b) The license or permit must be displayed at the place of business named in the license or the place of construction named in the permit.

Sec. 144.062. NOT TRANSFERABLE OR ASSIGNABLE. A license or permit may not be transferred or assigned without the department's approval.

Sec. 144.063. RENEWAL OF LICENSE OR PERMIT. (a) A license or permit is effective until it is relinquished, suspended, or revoked, or it expires.

(b) An operating license is valid for one year and may be renewed annually by the license holder. The department shall set an annual renewal fee.

(c) A license holder may renew a license by paying the renewal fee to the department on or before January 1 of each year. On receipt of the fee, the license is automatically renewed for the next calendar year.

(d) If the renewal fee is not paid before the expiration of the 15th day after the date on which written notice of delinquency is given to the license holder by the department, the license expires.
unless the department grants an extension to renew. After an operating license expires, a new application for the license must be submitted.

Sec. 144.064. DENIAL, SUSPENSION, OR REVOCATION OF LICENSE OR PERMIT; REINSTATEMENT. (a) The commissioner may deny, suspend, or revoke an operating license, construction permit, or renewal of an operating license or construction permit if the commissioner finds that:

(1) the license holder or permit holder has violated this chapter or a rule or order adopted under this chapter or did not exercise due care to prevent the violation; or

(2) a fact or condition exists that would have justified the denial of the license or permit application if the fact or condition was known at the time the original application was filed.

(b) On the discovery of such a violation, the commissioner shall notify the license holder or permit holder of the violation. If the license holder or permit holder fails to make the necessary corrections, the department shall notify the license holder or permit holder of a hearing to suspend or revoke the license or permit.

(c) The commissioner may reinstate a suspended license or permit, or may issue a new license or permit to a person whose license or permit has been revoked, if a ground to deny the original license or permit application does not exist.

SUBCHAPTER G. ADMINISTRATIVE AND ENFORCEMENT PROVISIONS; PENALTIES

Sec. 144.071. INSPECTIONS. (a) At least once each year and at other times as the department considers necessary, the department shall inspect the place of business of each operating license holder, the vehicles of each renderable raw material hauler, and the construction site of each construction permit holder if construction is continuing.

(b) The department shall inquire into and inspect the premises,
equipment, and operations of the license holder or permit holder that relate to matters regulated by this chapter.

(c) The department has free access to the place of business, construction site, or vehicle to conduct the inspection.

(d) A license holder or permit holder who unreasonably fails or refuses to cooperate and assist the department in an inspection violates this chapter, and the failure or refusal constitutes a ground for the suspension or revocation of the license or permit.

Sec. 144.072. FEES. (a) An application for an operating license must be accompanied by an application fee.

(b) An application for a construction permit must be accompanied by a fee. Construction permit fees must be based on the dollar value at the cost to the rendering establishment or related station of the construction.

(c) An application for a vehicle permit under Section 144.023 must be accompanied by a permit fee for each vehicle for which a permit is to be issued.

(d) If an application is withdrawn not later than the fifth day after the date on which it is received by the department, the department shall refund the full amount of the application fee.

(e) The department by rule shall set the fees authorized by this chapter in amounts that allow the department to recover the annual expenditures of state funds by the department in:

(1) reviewing and acting on a license renewal or registration;

(2) amending a license, renewal license, or registration;

(3) inspecting a licensed facility or vehicles and equipment regulated under this chapter; and

(4) implementing and enforcing this chapter, including a rule or order adopted or a license issued under this chapter.

Sec. 144.073. ACCOUNT. All fees collected under this chapter
are payable to the department and shall be deposited to the credit of the rendering fee account in the general revenue fund. Money in the account may be appropriated only to the department to be used to process and investigate applications filed under this chapter and to administer this chapter.

Sec. 144.074. ADOPTION OF RULES. The board may adopt rules consistent with this chapter as necessary for the enforcement of this chapter.

Sec. 144.075. CERTIFICATES; CERTIFIED COPIES. (a) On application by any person and on payment of the associated costs, the department shall furnish a certificate of good standing and a certified copy of any license, permit, rule, or order.

(b) The department shall furnish the certificate or copy under its seal and signed by a representative of the department.

Sec. 144.076. PUBLIC RECORDS. The transcript of any hearing held by the commissioner and findings made by the commissioner or the department under this chapter are public records open to inspection at all reasonable times.

Sec. 144.077. HEARINGS AND JUDICIAL REVIEW. (a) A hearing held under this chapter is subject to Chapter 2001, Government Code.

(b) A person aggrieved by a final decision under this chapter is entitled to judicial review.

(c) The manner of judicial review is by substantial evidence review.
Sec. 144.078. INJUNCTION. (a) On request of the department, the attorney general may bring an action in any district court of this state that has jurisdiction and venue for an injunction to compel compliance with this chapter or to restrain any actual or threatened violation of this chapter.

(b) The court may enter an order or judgment to award a preliminary or final injunction as it considers appropriate.

(c) The attorney general on behalf of the department may bring an action under Subsection (a) in addition to any other action provided by this chapter and without prejudice to that action.

Sec. 144.079. PROHIBITED ACTS. (a) A person may not receive, hold, slaughter, butcher, or otherwise process any animal as food for human consumption in a building or compartmented area of a building used as a rendering establishment or related station.

(b) A person may not steal, misappropriate, contaminate, or damage recyclable cooking oil or containers of recyclable cooking oil.

(c) A renderer, hauler, or any other person may not:
   (1) take possession of recyclable cooking oil from an unlicensed hauler or an employee or contractor of an unlicensed hauler; or
   (2) knowingly take possession of stolen recyclable cooking oil.

Sec. 144.080. CRIMINAL PENALTY. (a) A person commits an offense if the person continues any operation or construction subject to regulation under this chapter without obtaining and maintaining an operating license or construction permit.
(b) An offense under this section is a misdemeanor punishable by:

(1) a fine of not less than $50 or more than $500;
(2) confinement in the county jail for not more than 30 days; or
(3) both the fine and confinement.

(c) Each day of violation constitutes a separate offense.

Sec. 144.081. ADMINISTRATIVE PENALTY. (a) The commissioner may assess an administrative penalty against a person who violates this chapter, a rule adopted by the board under the authority of this chapter, or an order or license issued under this chapter.

(b) In determining the amount of the penalty, the commissioner shall consider:

(1) the person's previous violations;
(2) the seriousness of the violation;
(3) any hazard to the health and safety of the public;
(4) the person's demonstrated good faith;
(5) such other matters as justice may require.

(c) The penalty may not exceed $25,000 a day for each violation.

(d) Each day a violation continues may be considered a separate violation.

Sec. 144.082. ADMINISTRATIVE PENALTY ASSESSMENT PROCEDURE. (a) An administrative penalty may be assessed only after a person notified of a violation is given an opportunity for a hearing.

(b) If a hearing is held, the commissioner shall make findings of fact and shall issue a written decision regarding the occurrence of the violation and the amount of the penalty that may be warranted.

(c) If the person notified of the violation does not request a hearing, the commissioner may assess a penalty after determining that a violation has occurred and the amount of the penalty that may be warranted.

(d) After making a determination under this section that a
penalty is to be assessed against a person, the commissioner shall issue an order requiring that the person pay the penalty.

(e) The commissioner may consolidate a hearing held under this section with another proceeding.

Sec. 144.083. PAYMENT OF ADMINISTRATIVE PENALTY. (a) Not later than the 30th day after the date an order finding that a violation has occurred is issued, the commissioner shall inform the person against whom the order is issued of the amount of the penalty for the violation.

(b) Not later than the 30th day after the date on which a decision or order charging a person with a penalty is final, the person shall:

(1) pay the penalty in full; or
(2) if the person seeks judicial review of the amount of the penalty, the fact of the violation, or both:
   (A) send the amount of the penalty to the commissioner for placement in an escrow account; or
   (B) post with the commissioner a bond for the amount of the penalty.

(c) A bond posted under this section must be in a form approved by the commissioner and be effective until all judicial review of the order or decision is final.

(d) A person who does not send money to the commissioner or post the bond within the period prescribed by Subsection (b) waives all rights to contest the violation or the amount of the penalty.

Sec. 144.084. REFUND OF ADMINISTRATIVE PENALTY. Not later than the 30th day after the date of a judicial determination that an administrative penalty against a person should be reduced or not assessed, the commissioner shall:

(1) remit to the person the appropriate amount of any penalty payment plus accrued interest; or
(2) execute a release of the bond if the person has posted a bond.

Sec. 144.085. RECOVERY OF ADMINISTRATIVE PENALTY BY ATTORNEY GENERAL. The attorney general at the request of the commissioner may bring a civil action to recover an administrative penalty under this subchapter.

CHAPTER 145. TANNING FACILITIES

Sec. 145.001. SHORT TITLE. This chapter may be cited as the Tanning Facility Regulation Act.

Sec. 145.002. DEFINITIONS. In this chapter:

(1) "Authorized agent" means an employee of the department designated by the commissioner to enforce this chapter.

(2) "Fitzpatrick scale" means the following scale for classifying a skin type, based on the skin's reaction to the first 10 to 45 minutes of sun exposure after the winter season:

<table>
<thead>
<tr>
<th>Skin Type</th>
<th>Sunburning and Tanning History</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Always burns easily; never tans</td>
</tr>
<tr>
<td>2</td>
<td>Always burns easily; tans minimally</td>
</tr>
<tr>
<td>3</td>
<td>Burns moderately; tans gradually</td>
</tr>
<tr>
<td>4</td>
<td>Burns minimally; always tans well</td>
</tr>
<tr>
<td>5</td>
<td>Rarely burns; tans profusely</td>
</tr>
<tr>
<td>6</td>
<td>Never burns; deeply pigmented</td>
</tr>
</tbody>
</table>

(3) "Health authority" has the meaning assigned by Section 121.021.

(4) "Operator" means an owner of a tanning facility or an agent of an owner of a tanning facility.

(5) "Person" means an individual, partnership, corporation,
or association.

(6) "Phototherapy device" means a piece of equipment that emits ultraviolet radiation and is used by a health care professional in the treatment of disease.

(7) "Tanning device" means a device under Section 431.002 and includes any equipment, including a sunlamp, tanning booth, and tanning bed, that emits electromagnetic radiation with wavelengths in the air between 200 and 400 nanometers and is used for the tanning of human skin. The term also includes any accompanying equipment, including protective eyewear, timers, and handrails.

(8) "Tanning facility" means a business that provides persons access to or use of tanning devices.

Sec. 145.003. EXEMPTION. This chapter does not apply to a phototherapy device used by or under the supervision of a licensed physician trained in the use of phototherapy devices.

Sec. 145.004. COMPLIANCE WITH LAW. (a) A tanning device used by a tanning facility must comply with all applicable federal and state laws and regulations.

(b) The Texas Department of Health may enforce Chapter 431 against a person who adulterates or misbrands a tanning device. The department may investigate a person accused of adulterating or misbranding a tanning device. For the purposes of this subsection, a tanning device is adulterated or misbranded if the tanning device would be an adulterated or misbranded device under Section 431.111 or 431.112, Health and Safety Code.

Sec. 145.005. CUSTOMER NOTICE; LIABILITY. (a) A tanning
facility shall give each customer a written statement warning that:

(1) failure to use the eye protection provided to the customer by the tanning facility may result in damage to the eyes;

(2) overexposure to ultraviolet light causes burns;

(3) repeated exposure may result in premature aging of the skin and skin cancer;

(4) abnormal skin sensitivity or burning may be caused by reactions of ultraviolet light to certain:
   (A) foods;
   (B) cosmetics; or
   (C) medications, including:
       (i) tranquilizers;
       (ii) diuretics;
       (iii) antibiotics;
       (iv) high blood pressure medicines; or
       (v) birth control pills;

(5) any person taking a prescription or over-the-counter drug should consult a physician before using a tanning device;

(6) a person with skin that always burns easily and never tans should avoid a tanning device; and

(7) a person with a family or past medical history of skin cancer should avoid a tanning device.

(b) Compliance with the notice requirement does not affect the liability of a tanning facility operator or a manufacturer of a tanning device.

Sec. 145.006. WARNING SIGNS. (a) A tanning facility shall post a warning sign in a conspicuous location where it is readily visible by persons entering the establishment. The board by rule shall specify the size, design, and graphic design of the sign. The sign must have dimensions of at least 11 inches by 17 inches and must contain the following wording:

Repeated exposure to ultraviolet radiation may cause chronic sun damage characterized by wrinkling, dryness, fragility, bruising of the skin, and skin cancer.

   DANGER: ULTRAVIOLET RADIATION
Failure to use protective eyewear may result in severe burns or permanent injury to the eyes.

Medications or cosmetics may increase your sensitivity to ultraviolet radiation. Consult a physician before using a sunlamp if you are using medications, have a history of skin problems, or believe you are especially sensitive to sunlight. Pregnant women or women taking oral contraceptives who use this product may develop discolored skin.

A customer may call the Texas Department of Health at (insert toll-free telephone number) to report an alleged injury regarding this tanning facility.

IF YOU DO NOT TAN IN THE SUN, YOU ARE UNLIKELY TO TAN FROM USE OF AN ULTRAVIOLET LAMP OR SUNLAMP.

(b) A tanning facility operator shall also post a warning sign at each tanning device in a conspicuous location that is readily visible to a person about to use the device. The board by rule shall specify the size, design, and graphic design of the sign. The sign must have dimensions of at least 11 inches by 17 inches and must contain the following wording:

DANGER: ULTRAVIOLET RADIATION

1. Follow the manufacturer's instructions for use of this device.

2. Avoid too frequent or lengthy exposure. As with natural sunlight, exposure can cause serious eye and skin injuries and allergic reactions. Repeated exposure may cause skin cancer.

3. Wear protective eyewear. Failure to use protective eyewear may result in severe burns or permanent damage to the eyes.

4. Do not sunbathe before or after exposure to ultraviolet radiation from sunlamps.

5. Medications or cosmetics may increase your sensitivity to ultraviolet radiation. Consult a physician before using a sunlamp if you are using medication, have a history of skin problems, or believe you are especially sensitive to sunlight. Pregnant women or women using oral contraceptives who use this product may develop discolored skin.

A customer may call the Texas Department of Health at (insert toll-free telephone number) to report an alleged injury regarding this tanning device.

IF YOU DO NOT TAN IN THE SUN, YOU ARE UNLIKELY TO TAN FROM USE OF THIS DEVICE.
(c) The Texas Department of Health shall include with a license application and an application for renewal of a license a description of the design standards required for signs under this section.

Sec. 145.007. PROHIBITED CLAIMS ABOUT SAFETY. A tanning facility operator may not claim or distribute promotional materials that claim that using a tanning device is safe or free from risk or that using a tanning device will result in medical or health benefits.

Sec. 145.008. OPERATIONAL REQUIREMENTS. (a) A tanning facility shall have an operator present during operating hours. The operator must:

(1) be sufficiently knowledgeable in the correct operation of the tanning devices used at the facility;
(2) instruct, inform, and assist each customer in the proper use of the tanning devices;
(3) complete and maintain records required by this chapter; and
(4) explain or otherwise inform each customer initially using the tanning facility of:

(A) the potential hazards of and protective measures necessary for ultraviolet radiation;
(B) the requirement that protective eyewear be worn while using a tanning device;
(C) the possibility of photosensitivity or of a photoallergic reaction to certain drugs, medicine, or other agents when a person is subjected to the sun or ultraviolet radiation;
(D) the correlation between skin type and exposure time;
(E) the maximum exposure time to the facility's devices;
(F) the biological process of tanning; and
(G) the dangers of and the necessity to avoid overexposure to ultraviolet radiation.

(b) Before each use of a tanning device, the operator shall provide with each device clean and properly sanitized protective eyewear that protects the eyes from ultraviolet radiation and allows adequate vision to maintain balance. The protective eyewear shall be located in the immediate area of each tanning device and shall be provided without charge to each user of a tanning device. The operator may not allow a person to use a tanning device if that person does not use protective eyewear that meets the requirements of the United States Food and Drug Administration. The operator also shall show each customer how to use suitable physical aids, such as handrails and markings on the floor, to maintain proper exposure distance as recommended by the manufacturer of the tanning device.

(c) The tanning facility operator shall clean and properly sanitize the body contact surfaces of a tanning device after each use of the tanning device.

(d) The tanning facility shall use a timer with an accuracy of at least plus or minus 10 percent of the maximum timer interval of the tanning device. The operator shall limit the exposure time of a customer on a tanning device to the maximum exposure time recommended by the manufacturer. A timer shall be located so that a customer cannot set or reset the customer's exposure time. The operator shall control the temperature of the customer contact surfaces of a tanning device and the surrounding area so that it may not exceed 100 degrees Fahrenheit.

(e) Before a customer uses a tanning facility's tanning device for the first time and each time a person executes or renews a contract to use a tanning facility, the person must provide photo identification and sign a written statement acknowledging that the person has read and understood the required warnings before using the device and agrees to use protective eyewear.

(f) To ensure the proper operation of the tanning equipment, a tanning facility may not allow a person younger than 18 years of age to use a tanning device.

(g) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1381, Sec. 2, eff. September 1, 2013.

(h) When a tanning device is in use by a person, another person may not be allowed in the area of the tanning device.
(i) A record of each customer using a tanning device shall be maintained at the tanning facility at least until the third anniversary of the date of the customer's last use of a tanning device. The executive commissioner of the Health and Human Services Commission by rule shall prescribe the form and content of the records. The record shall include:

(1) the date and time of the customer's use of a tanning device;
(2) the length of time the tanning device was used;
(3) any injury or illness resulting from the use of a tanning device;
(4) any written informed consent statement required to be signed under Subsection (e);
(5) the customer's skin type, as determined by the customer by using the Fitzpatrick scale for classifying a skin type;
(6) whether the customer has a family history of skin cancer; and
(7) whether the customer has a past medical history of skin cancer.

(j) An operator shall keep an incident log at each tanning facility. The log shall be maintained at the tanning facility at least until the third anniversary of the date of an incident. The board by rule shall prescribe the form and content of the log. The log shall include each:

(1) alleged injury;
(2) use of a tanning device by a customer not wearing protective eyewear;
(3) mechanical problem with a tanning device; and
(4) customer complaint.

(k) The Texas Department of Health shall provide to each applicant for an original or renewal license a written copy of the Fitzpatrick scale.

Acts 2009, 81st Leg., R.S., Ch. 626 (H.B. 1310), Sec. 1, eff. January 1, 2010.
Acts 2013, 83rd Leg., R.S., Ch. 1381 (S.B. 329), Sec. 1, eff.
Sec. 145.009. LICENSES. (a) A person may not operate a tanning facility unless the person holds a license issued by the department to operate the facility. Unless revoked or suspended, a license is valid until the first anniversary of the date the license was issued. A separate license is required for each tanning facility.

(b) The license shall be displayed in an open public area of the tanning facility.

(c) The board annually shall renew licenses after application for renewal is made on forms provided by the department for this purpose and after receipt of renewal fees.

(d) The department by rule may adopt a system under which licenses expire on various dates during the year. As part of this system the license fees and the annual renewal fees may be prorated on a monthly basis to reflect the actual number of months the license is valid.

(e) The department may revoke, suspend, suspend on an emergency basis, or probate by an emergency order of the commissioner, or the commissioner's designee a license to operate a tanning facility for:

(1) a failure to pay a license fee or an annual renewal fee for a license;

(2) an applicant's acquisition or attempted acquisition of a license by fraud or deception;

(3) a violation of this chapter;

(4) a violation of a rule of the department adopted under this chapter; or

(5) a violation of an order issued under this chapter.

(f) A license issued under this chapter shall be returned to the department if the tanning facility:

(1) ceases to operate as a business permanently;

(2) changes the ownership of the tanning facility;

(3) changes the location of the tanning facility; or

(4) changes the name of the business under which the tanning facility operates.
Sec. 145.0095. ISSUANCE OF LICENSE FOR CERTAIN FACILITIES PROHIBITED. (a) The department may not issue or renew a license under Section 145.009 with respect to a facility that:

1. is operated under a license or permit as a sexually oriented business issued in accordance with Section 243.007, Local Government Code;
2. offers, as its primary business, a service or the sale, rental, or exhibition of a device or other item that is intended to provide sexual stimulation or sexual gratification to a customer; or
3. is owned or operated by a person who has been convicted of an offense under Chapter 21 or 43, Penal Code, or Section 71.02(a)(3), Penal Code.

(b) The department shall revoke a license issued with respect to a facility if the license may not be renewed under Subsection (a).

(c) For purposes of this section, a person has been convicted of an offense if the person receives community supervision for the offense after sentence is imposed or after the person enters a plea of guilty or nolo contendere and is placed on deferred adjudication.

Added by Acts 1995, 74th Leg., ch. 684, Sec. 6, eff. June 15, 1995.

Sec. 145.0096. CERTAIN ADVERTISING PROHIBITED. (a) A business described by Section 145.0095(a)(1) or (2) may not use the word "tan" or "tanning" in a sign or any other form of advertising.

(b) A person commits an offense if the person violates Subsection (a). Except as provided by Subsection (c), an offense under this subsection is a Class C misdemeanor.

(c) If it is shown on the trial of an offense under Subsection (b) that the person has previously been convicted of an offense under that subsection, the offense is a Class A misdemeanor.

Sec. 145.010. FEES. (a) The board shall collect a fee for:

1. a license issued or renewed; or
(2) a license that is modified.

(b) The board may charge prorated or annual fees.

(c) The board by rule shall set the fees in amounts that allow the department to recover not less than 50 percent of the costs to the department in:

(1) reviewing and acting on a license application;
(2) modifying or renewing a license;
(3) inspecting a licensed facility; and
(4) implementing and enforcing this chapter or rules relating to this chapter.

(d) The department shall use not less than 50 percent of the license fees collected for inspecting a licensed facility or enforcement of this chapter or a rule relating to this chapter. The remainder of the license fees collected shall be used to administer this chapter.

(e) A license fee received by the department shall be deposited in the state treasury to the credit of the food and drug registration fund. The fees are dedicated to the department for the administration and enforcement of this chapter.

Sec. 145.011. RULES; INSPECTION. (a) The board may adopt rules as necessary to implement this chapter.

(b) The commissioner or an authorized agent may inspect a tanning facility at any reasonable time to determine compliance with this chapter.

(c) A person who is required to maintain records under this chapter or a person in charge of the custody of those records shall, at the request of an authorized agent or health authority, permit the authorized agent or health authority access to copy or verify the records at reasonable times.

Sec. 145.012. EMERGENCY ORDER. (a) The commissioner or the commissioner's designee may issue an emergency order relating to the
operation of a tanning facility in the department's jurisdiction if
the commissioner or the commissioner's designee determines that:

(1) operation of the tanning facility creates or poses an
immediate and serious threat to human life or health; and

(2) other procedures available to the department to remedy
or prevent the threat will result in unreasonable delay.

(b) The commissioner or the commissioner's designee may issue
an emergency order without notice or a hearing if the commissioner or
the designee determines notice or a hearing is not practical under
the circumstances.

(c) If an emergency order is issued without a hearing, the
department shall determine a time and place for a hearing at which
the emergency order is affirmed, modified, or set aside. The hearing
shall be held under rules of the department.

Sec. 145.0121. CIVIL PENALTY; INJUNCTION. (a) If it appears
that a person has violated or is violating this chapter or an order
issued or a rule adopted under this chapter, the commissioner may
request the attorney general or the district or county attorney or
the municipal attorney of a municipality in the jurisdiction where
the violation is alleged to have occurred or may occur to institute a
civil suit for:

(1) an order enjoining the violation;

(2) a permanent or temporary injunction, a temporary
restraining order, or other appropriate remedy if the department
shows that the person has engaged in or is engaging in a violation;

(3) the assessment and recovery of a civil penalty; or

(4) both injunctive relief and a civil penalty.

(b) A civil penalty may not exceed $25,000 a day for each
violation. Each day the violation occurs constitutes a separate
violation for the purposes of the assessment of a civil penalty.

(c) In determining the amount of the civil penalty, the court
hearing the matter shall consider:

(1) the person's history of previous violations;

(2) the seriousness of the violation;
the hazard to the health and safety of the public;
(4) the demonstrated good faith of the person charged; and
(5) any other matter as justice may require.
(d) Venue for a suit brought under this section is the municipality or county in which the violation occurred or in Travis County.
(e) A civil penalty recovered in a suit instituted by a local government under this chapter shall be paid to the local government.
(f) The commissioner or the attorney general may each recover reasonable expenses incurred in obtaining injunctive relief or a civil penalty under this section, including investigation and court costs, reasonable attorney's fees, witness fees, and other expenses. The expenses recovered by the commissioner under this section shall be used for the administration and enforcement of this chapter. The expenses recovered by the attorney general shall be used by the attorney general.

Added by Acts 1995, 74th Leg., ch. 684, Sec. 11, eff. June 15, 1995.

Sec. 145.0122. ADMINISTRATIVE PENALTY. (a) The board or the board's designee may impose an administrative penalty against a person licensed or regulated under this chapter who violates this chapter or a rule or order adopted under this chapter.
(b) The penalty for a violation may be in an amount not to exceed $25,000. Each day a violation continues or occurs is a separate violation for purposes of imposing an administrative penalty.
(c) The amount of the penalty shall be based on:
(1) the person's history of previous violations;
(2) the seriousness of the violation;
(3) the hazard the violation caused or will cause to the health and safety of the public;
(4) the demonstrated good faith of the person charged with a violation; and
(5) any other matter that justice may require.
(d) If the commissioner or the commissioner's designee determines a violation has occurred, the commissioner or the commissioner's designee may issue to the board or the board's designee a report that states the facts on which the determination is
based and the commissioner's or the designee's recommendation on the imposition of a penalty, including a recommendation on the amount of the penalty.

(e) Within 14 days after the date the report is issued, the commissioner or the commissioner's designee shall give written notice of the report to the person. The notice may be given by certified mail. The notice must include a brief summary of the alleged violation and a statement of the amount of the recommended penalty and must inform the person that the person has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(f) Within 20 days after the date the person receives the notice, the person in writing may accept the determination and recommended penalty of the commissioner or the commissioner's designee or may make a written request for a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(g) If the person accepts the determination and recommended penalty of the commissioner or the commissioner's designee, the board by order shall approve the determination and impose the recommended penalty.

(h) If the person requests a hearing or fails to respond timely to the notice, the commissioner or the commissioner's designee shall set a hearing and give notice of the hearing to the person. The hearing shall be held by an administrative law judge of the department. The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the board a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty. Based on the findings of fact, conclusions of law, and proposal for a decision, the board by order may find that a violation has occurred and impose a penalty or may find that no violation occurred.

(i) The notice of the board's order given to the person under Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

(j) Within 30 days after the date the board's order becomes final as provided by Section 2001.144, Government Code, the person shall:

1. pay the amount of the penalty;
2. pay the amount of the penalty and file a petition for
judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or

(3) without paying the amount of the penalty, file a petition for judicial review in a district court in Travis County contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(k) Within the 30-day period, a person who acts under Subsection (j)(3) may:

(1) stay enforcement of the penalty by:
   (A) paying the amount of the penalty to the court for placement in an escrow account; or
   (B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the board's order is final; or

(2) request the court to stay enforcement of the penalty by:
   (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and
   (B) giving a copy of the affidavit to the commissioner by certified mail.

(1) If the commissioner receives a copy of an affidavit under Subsection (k)(2), the commissioner may file with the court, not later than the fifth day after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and give a supersedeas bond.

(m) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the commissioner may refer the matter to the attorney general for collection of the amount of the penalty.

(n) Judicial review of the order of the board:

(1) is instituted by filing a petition as provided by
Subchapter G, Chapter 2001, Government Code; and
(2) is under the substantial evidence rule.

(o) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(p) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

(q) A penalty collected under this section shall be remitted to the comptroller for deposit in the general revenue fund.

(r) All proceedings under this section are subject to Chapter 2001, Government Code.

Added by Acts 1995, 74th Leg., ch. 684, Sec. 11, eff. June 15, 1995.

Sec. 145.013. CRIMINAL PENALTY. (a) A person, other than a customer, commits an offense if the person violates this chapter or a rule adopted under this chapter.

(b) An offense under this chapter is a Class A misdemeanor.

Sec. 145.015. TOLL-FREE NUMBER. The department shall maintain a toll-free telephone number that a customer may call to report an alleged injury regarding a tanning device or incurred at a tanning facility.
Sec. 145.016. DISCLOSURE OF RECORD PROHIBITED; EXCEPTION. (a) Except as provided by Subsection (b), an operator or other person may not disclose a customer record required by Section 145.008(i).

(b) An operator or other person may disclose a customer record:
(1) if the customer, or a person authorized to act on behalf of the customer, requests the record;
(2) if the commissioner or an authorized agent or health authority requests the record under Section 145.011;
(3) if the customer consents in writing to the disclosure to another person;
(4) in a criminal proceeding in which the customer is a victim, witness, or defendant;
(5) if the record is requested in a criminal or civil proceeding by court order or subpoena; or
(6) as otherwise required by law.

Added by Acts 2001, 77th Leg., ch. 473, Sec. 6, eff. Sept. 1, 2001.

CHAPTER 146. TATTOO AND CERTAIN BODY PIERCING STUDIOS
Sec. 146.001. DEFINITIONS. In this chapter:
(1) "Body piercing" means the creation of an opening in an individual's body, other than in an individual's earlobe, to insert jewelry or another decoration.
(1-a) "Body piercer" means a person who performs body piercing.
(2) "Body piercing studio" means a facility in which body piercing is performed.
(3) "Tattoo" means the practice of producing an indelible mark or figure on the human body by scarring or inserting a pigment under the skin using needles, scalpels, or other related equipment. The term includes the application of permanent cosmetics.
(4) "Tattooist" means a person who performs tattooing.
(5) "Tattoo studio" means an establishment or facility in which tattooing is performed.
(6) "Temporary location" means a fixed location at which an
individual operator performs tattooing or body piercing for a specified period of not more than seven days in conjunction with a single event or celebration, where the primary function of the event or celebration is tattooing or body piercing.

Sec. 146.002. LICENSE REQUIRED. (a) A person may not conduct, operate, or maintain a tattoo studio unless the person holds a license issued by the department to operate the tattoo studio. Except as provided by Section 146.0025, a person may not conduct, operate, or maintain a body piercing studio unless the person holds a license issued by the department to operate the body piercing studio.

(b) Except as provided by Section 146.0025, a person may not practice tattooing or body piercing at a temporary location unless the person holds a temporary location license for tattooing or body piercing, as appropriate, issued by the department.

(c) The license must be displayed in a prominent place in the tattoo or body piercing studio or temporary location.

(d) Tattooing and body piercing are permitted only at a location that is in compliance with this chapter and rules adopted under this chapter.

Sec. 146.0021. EMPLOYMENT OF TATTOOISTS AND BODY PIERCERS; REGISTRATION REQUIRED. A tattoo studio or a body piercing studio may not employ a tattooist or a body piercer unless the person is registered with the department under this chapter.

Sec. 146.0025. EXEMPTIONS FROM LICENSING REQUIREMENTS; EAR
PIERCING ESTABLISHMENTS EXEMPT. (a) This chapter does not apply to:
(1) a medical facility licensed under other law;
(2) an office or clinic of a person licensed by the Texas State Board of Medical Examiners;
(3) a person who performs only ear piercing; or
(4) a facility in which only ear piercing is performed.
(b) A person who conducts, operates, or maintains a facility, office, or clinic described by Subsection (a)(1), (2), or (4) is not required to obtain a license under this chapter to operate that facility.

Added by Acts 1999, 76th Leg., ch. 516, Sec. 3, eff. Sept. 1, 1999.

Sec. 146.003. LICENSE APPLICATION. (a) To receive a tattoo studio license, body piercing studio license, or temporary location license, a person must submit a signed, verified license application to the department on a form prescribed by the department and must submit an application fee. In addition, the person must submit evidence from the appropriate zoning officials in the municipality or county in which the studio is proposed to be located that confirms that the studio is in compliance with existing zoning codes applicable to the studio.

Text of subsec. (b) as amended by Acts 1999, 76th Leg., ch. 516, Sec. 4

(b) On receipt of a tattoo studio or body piercing studio license application, the department shall inspect the proposed tattoo or body piercing studio to determine compliance with this chapter and rules adopted by the board under this chapter. In addition, the department shall request confirmation from the appropriate building and zoning officials in the municipality or county in which the studio is proposed to be located to determine compliance with existing building and zoning codes applicable to the studio. The department may issue a license for a tattoo or body piercing studio after determining that the studio is in compliance with applicable statutes, rules, and building and zoning codes.

Text of subsec. (b) as amended by Acts 1999, 76th Leg., ch. 1528, Sec. 1

(b) The department may issue a license or temporary location license for a tattoo studio after determining that the studio is in compliance with
compliance with applicable statutes, rules, and zoning codes.

(c) Repealed by Acts 1999, 76th Leg., ch. 1528, Sec. 9(1), eff. September 1, 1999.

Sec. 146.004. LICENSE TERM; RENEWAL. (a) A tattoo studio or body piercing studio license is valid for one year from the date of issuance. A temporary tattooing or body piercing location license is valid for a specified period not to exceed seven days.

(b) A tattoo studio or body piercing studio license may be renewed annually on payment of the required renewal fee.

Sec. 146.0041. GENERAL GROUNDS FOR REFUSAL. (a) The department may refuse to issue an original or renewal tattoo studio or body piercing studio license if it has reasonable grounds to believe and finds that any of the following circumstances exist:

(1) the applicant has been convicted of a violation of this chapter during the two years immediately preceding the filing of the application;

(2) three years have not elapsed since the termination, by pardon or otherwise, of a sentence imposed on the applicant for a conviction associated with tattooing or body piercing;

(3) the applicant violated or caused to be violated a provision of this chapter or a rule of the department adopted under this chapter involving moral turpitude during the six months immediately preceding the filing of the application;

(4) the applicant failed to answer or falsely or incorrectly answered a question in an original or renewal application;

(5) the applicant is indebted to the state for a fee or penalty imposed by this chapter or by rule of the department adopted
under this chapter;

(6) the applicant is a minor; or

(7) the applicant does not provide an adequate building available at the address for which the license is sought before conducting any activity authorized by the license.

(b) The department may refuse to issue or renew, for a period of one year from the date of application for the initial or renewal license, a tattoo studio or body piercing studio license for a premises where a shooting, stabbing, or other violent act or an offense involving drugs occurred that involved a license applicant, license holder, or registrant under this chapter or a patron or employee of the studio.

Sec. 146.0042. REVOCATION OR SUSPENSION OF LICENSE. (a) In Subsection (b), "license holder" includes each member of a partnership or association and, with respect to a corporation, each officer and the owner or owners of a majority of the corporate stock.

(b) The department may suspend for not more than 60 days or revoke an original or renewal tattoo studio or body piercing studio license if it is found, after notice and hearing, that any of the following is true:

(1) the license holder has been finally convicted of a violation of this chapter;

(2) the license holder violated a provision of this chapter or a rule of the department adopted under this chapter;

(3) the license holder made a false or misleading statement in connection with the original or renewal application, either in the formal application itself or in any other written instrument relating to the application submitted to the department;

(4) the license holder is indebted to the state for fees or payment of penalties imposed by this chapter or by a rule of the department adopted under this chapter;

(5) the license holder knowingly misrepresented to a customer or the public any tattoo or body piercing jewelry sold by the license holder; or

(6) the license holder was intoxicated on the licensed premises.
(c) The department may refuse to renew or, after notice and hearing, suspend for not more than 60 days or revoke a tattoo studio or body piercing studio license if the department finds that the license holder is shown on the records of the comptroller as being subject to a final determination of taxes due and payable under Chapter 151, Tax Code, or is shown on the records of the comptroller as being subject to a final determination of taxes due and payable under Chapter 321, Tax Code.

(d) If a license holder cannot be located for any notice required under this section, the department shall provide notice by posting a copy of the order on the front door of the licensed premises.

Sec. 146.005. FEES. (a) The board shall set license and registration fees and license and registration renewal fees in amounts necessary to administer this chapter.

(b) Fees collected under this section may only be appropriated to the department to administer and enforce this chapter.

Sec. 146.006. CHANGE OF LOCATION. (a) A person holding a tattoo studio or body piercing studio license under this chapter who intends to change the location of the tattoo or body piercing studio shall notify the department in writing of that intent not less than 30 days before the change is to occur. The notice shall include the street address of the new location and the name and residence address of the individual in charge of the business at the new location.

(b) Not later than the 10th day after the change of location is complete, a person holding a license under this chapter shall notify the department in writing and shall verify the information submitted under Subsection (a).

(c) Notice under this section must be sent to the department's central office by certified mail, return receipt requested.
Sec. 146.007. COMPLIANCE WITH CHAPTER AND RULES. (a) A person who owns, operates, or maintains a tattoo or body piercing studio or practices tattooing or body piercing at a temporary location shall comply with this chapter, Chapter 431, and rules adopted under this chapter and Chapter 431.

(b) The board, commissioner, and department may enforce Chapter 431 in relation to a drug, cosmetic, or device that is used in tattooing and that is not otherwise subject to that chapter as if the drug, cosmetic, or device satisfied the definitions assigned those terms under Section 431.002.

Sec. 146.008. ASEPTIC TECHNIQUES. A person who owns, operates, or maintains a tattoo or body piercing studio and each tattooist or person who performs body piercing who works in the studio or at a temporary location shall take precautions to prevent the spread of infection, including:

(1) using germicidal soap to clean the hands of the tattooist or person who performs body piercing and the skin area of the client to be tattooed or pierced;

(2) wearing clean apparel and rubber gloves;

(3) using sterile tools and equipment as provided by Section 146.011; and

(4) keeping the tattoo or body piercing studio or temporary location in a sanitary condition.

Sec. 146.010. SANITATION REQUIREMENTS. (a) The board by rule shall establish sanitation requirements for tattoo and body piercing studios and any other necessary requirements relating to the building or part of the building in which a tattoo or body piercing studio is located.

(b) A person who owns, operates, or maintains a tattoo or body piercing studio shall comply with the rules adopted under this section.

Sec. 146.011. TOOLS AND EQUIPMENT. (a) A tattooist or person who performs body piercing shall use tools and equipment for tattooing or body piercing that have been properly sterilized and kept in a sterile condition.

(b) A tattooist or person who performs body piercing shall sterilize tools and equipment used on one client before using them on another client.

(c) Tools and equipment shall be sterilized by:
   (1) the use of a dry heat sterilizer; or
   (2) steam pressure treatment in an autoclave.

(d) All needles and instruments shall be kept in a clean, dust-tight container when not in use.

Sec. 146.012. TATTOOS PROHIBITED FOR CERTAIN PERSONS. (a) A tattooist may not tattoo:
   (1) except as provided by Subsection (a-1), a person younger than 18 years of age; or
   (2) a person who the tattooist suspects is under the influence of alcohol or drugs.

(a-1) A tattooist may tattoo a person younger than 18 years of age if:
   (1) the tattoo will cover a tattoo that contains:
(A) obscene or offensive language or symbols;
(B) gang-related names, symbols, or markings;
(C) drug-related names, symbols, or pictures; or
(D) other words, symbols, or markings that the person's parent or guardian considers would be in the best interest of the person to cover; and

(2) the person has obtained consent from the person's parent or guardian to cover the tattoo.

(b) The consent required by Subsection (a-1) may be satisfied by the individual's parent or guardian:
   (1) being physically present at the tattoo studio at the time the tattooing is performed;
   (2) executing an affidavit stating that the person is the parent or guardian of the individual on whom the tattooing is to be performed;
   (3) presenting evidence of the person's identity to the person who will perform the tattooing; and
   (4) presenting evidence of the person's status as parent or guardian of the individual who will receive the tattoo.

(c) A person younger than 18 years of age commits an offense if the person falsely states that the person is 18 years of age or older or presents any document that indicates that the person is 18 years of age or older to a person engaged in the operation of a tattoo studio. An offense under this subsection is a Class B misdemeanor.

Sec. 146.0124. BODY PIERCING PROHIBITED FOR CERTAIN PERSONS. A person may not perform body piercing if the person suspects that the individual on whom the body piercing is to be performed is under the influence of alcohol or drugs.

Added by Acts 1999, 76th Leg., ch. 516, Sec. 12, eff. Sept. 1, 1999.

Sec. 146.0125. BODY PIERCING PROHIBITED WITHOUT PARENTAL CONSENT; EXCEPTION. (a) A person may not perform body piercing on
a person younger than 18 years of age without the consent of a parent, managing conservator, or guardian of the individual.

(b) The consent must indicate the part of the person's body that may be pierced.

(c) The consent required by Subsections (a) and (b) may be satisfied by the individual's parent or guardian:

(1) being physically present at the body piercing studio at the time the body piercing is performed;

(2) executing an affidavit stating that the person is the parent or guardian of the individual on whom the body piercing is to be performed;

(3) presenting evidence of the person's identity to the person who will perform the body piercing; and

(4) presenting evidence of the person's status as parent or guardian of the individual who will receive the body piercing.

(d) A person younger than 18 years of age commits an offense if the person falsely states that the person is 18 years of age or older or presents any document that indicates that the person is 18 years of age or older to a person engaged in the operation of a body piercing studio. An offense under this subsection is a Class B misdemeanor.

Sec. 146.0126. TONGUE SPLITTING PROHIBITED. (a) For purposes of this section, "tongue splitting" means cutting a human tongue into two or more parts.

(b) A person may not perform tongue splitting.

Sec. 146.013. MAINTENANCE OF RECORDS. (a) A tattooist shall maintain a permanent record of each person tattooed by the tattooist for a period established by the board. A person who performs body piercing shall maintain a permanent record of each individual whose body is pierced by the person for a period established by the board.

(b) The record shall be available for inspection on the request
of the department.

Added by Acts 1993, 73rd Leg., ch. 580, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 1999, 76th Leg., ch. 516, Sec. 13, eff. Sept. 1, 1999.

Sec. 146.014. REPORT OF INFECTION. A person who owns, operates, or maintains a tattoo or body piercing studio shall report to the department any infection resulting from tattooing or body piercing as soon as it becomes known.

Added by Acts 1993, 73rd Leg., ch. 580, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 1995, 74th Leg., ch. 936, Sec. 12, eff. Sept. 1, 1995; Acts 1999, 76th Leg., ch. 516, Sec. 14, eff. Sept. 1, 1999.

Sec. 146.015. RULES; ENFORCEMENT. (a) The board shall adopt rules to implement this chapter.

(b) The department shall enforce this chapter and the rules adopted under this chapter and may issue orders to compel compliance.

Added by Acts 1993, 73rd Leg., ch. 580, Sec. 1, eff. Sept. 1, 1993.

Sec. 146.016. INSPECTIONS. (a) The department shall inspect a tattoo or body piercing studio to determine if the studio complies with this chapter and the rules adopted under this chapter.

(b) A person who owns, operates, or maintains a tattoo or body piercing studio shall allow inspection of the studio by the department at any time the studio is in operation.

(c) The department shall inform the person who owns, operates, or maintains a tattoo or body piercing studio of any violation discovered by the department under this section and shall give the person a reasonable period in which to take necessary corrective action.

Added by Acts 1993, 73rd Leg., ch. 580, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 1995, 74th Leg., ch. 936, Sec. 13, eff. Sept. 1, 1995; Acts 1999, 76th Leg., ch. 516, Sec. 15, eff. Sept. 1, 1999.
Sec. 146.017. LICENSE DENIAL, SUSPENSION, OR REVOCA TION. (a) The department may refuse to issue a license or suspend or revoke a license issued under this chapter if an applicant or license holder does not comply with this chapter or a rule adopted or order issued under this chapter.

(b) The refusal to issue a license, the suspension or revocation of a license, and any appeals are governed by the board's formal hearing procedures and the procedures for a contested case hearing under Chapter 2001, Government Code. A person may appeal a final decision of the department as provided by that chapter.

Sec. 146.018. OFFENSE; CRIMINAL PENALTY. (a) A person commits an offense if the person violates this chapter or a rule adopted under this chapter.

(b) An offense under this section is a Class A misdemeanor.

(c) Each day of violation constitutes a separate offense.

Sec. 146.019. ADMINISTRATIVE PENALTY. (a) The commissioner may impose an administrative penalty against a person who violates a rule adopted under Section 146.007 or an order adopted or license issued under this chapter.

(b) The penalty for a violation may be in an amount not to exceed $5,000. Each day a violation continues or occurs is a separate violation for purposes of imposing a penalty.

(c) The amount of the penalty shall be based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of any prohibited acts, and the hazard or potential hazard created to the health, safety, or economic welfare of the public;

(2) the economic harm to property or the environment caused by the violation;
(3) the history of previous violations;
(4) the amounts necessary to deter future violations;
(5) efforts to correct the violation; and
(6) any other matter that justice may require.

(d) The commissioner who determines that a violation has occurred shall issue an order that states the facts on which the determination is based, including an assessment of the penalty.

(e) Within 14 days after the date the report is issued, the commissioner shall give written notice of the report to the person. The notice may be given by certified mail. The notice must include a brief summary of the alleged violation and a statement of the amount of the recommended penalty and must inform the person that the person has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(f) Within 20 days after the date the person receives the notice, the person in writing may accept the determination and recommended penalty of the commissioner or may make written request for a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(g) If the person accepts the determination and recommended penalty of the commissioner, the commissioner by order shall approve the determination and impose the recommended penalty.

(h) If the person requests a hearing or fails to respond timely to the notice, the commissioner shall set a hearing and give notice of the hearing to the person. The hearing shall be held by an administrative law judge of the State Office of Administrative Hearings. The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the commissioner a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty. Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner by order may find that a violation has occurred and impose a penalty or may find that no violation occurred.

(i) The notice of the commissioner's order given to the person under Chapter 2001, Government Code must include a statement of the right of the person to judicial review of the order.

(j) Within 30 days after the date the commissioner's order is final as provided by Subchapter F, Chapter 2001, Government Code, the
person shall:

(1) pay the amount of the penalty;
(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or
(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(k) Within the 30-day period, a person who acts under Subsection (j)(3) of this section may:

(1) stay enforcement of the penalty by:
   (A) paying the amount of the penalty to the court for placement in an escrow account; or
   (B) giving to the court a supersedeas bond approved by the court for the amount of the penalty and that is effective until all judicial review of the commissioner's order is final; or
(2) request the court to stay enforcement of the penalty by:
   (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and
   (B) giving a copy of the affidavit to the commissioner by certified mail.

(1) The commissioner who receives a copy of an affidavit under Subsection (k)(2) of this section may file, with the court within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(m) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the commissioner may refer the matter to the attorney general for collection of the amount of the penalty.

(n) Judicial review of the order of the commissioner:
Sec. 146.020. CIVIL PENALTY; INJUNCTION. (a) If it appears that a person has violated or is violating this chapter or an order issued or a rule adopted under this chapter, the commissioner may request the attorney general or the district attorney, county attorney, or municipal attorney in the jurisdiction where the
violation is alleged to have occurred, is occurring, or may occur to institute a civil suit for:
   (1) an order enjoining the violation;
   (2) a permanent or temporary injunction, a temporary restraining order, or other appropriate remedy, if the department shows that the person has engaged in or is engaging in a violation;
   (3) the assessment and recovery of a civil penalty; or
   (4) both injunctive relief and a civil penalty.
   (b) A civil penalty may not exceed $5,000 a day for each violation. Each day the violation occurs constitutes a separate violation for the purposes of the assessment of a civil penalty.
   (c) In determining the amount of the civil penalty, the court hearing the matter shall consider:
      (1) the person's history of previous violations;
      (2) the seriousness of the violation;
      (3) the hazard to the health and safety of the public;
      (4) the demonstrated good faith of the person charged; and
      (5) any other matter as justice may require.
   (d) Venue for a suit brought under this section is in the county in which the violation occurred or in Travis County.
   (e) A civil penalty recovered in a suit instituted by a local government under this chapter shall be paid to the local government.
   (f) The commissioner or the attorney general may recover reasonable expenses incurred in obtaining injunctive relief or a civil penalty under this section, including investigation and court costs, reasonable attorney's fees, witness fees, and other expenses. The expenses recovered by the commissioner under this section may be used for the administration and enforcement of this chapter. The expenses recovered by the attorney general may be used by the attorney general for any purpose.

Added by Acts 1999, 76th Leg., ch. 1528, Sec. 8, eff. Sept. 1, 1999.

Sec. 146.021. EMERGENCY ORDERS. (a) The commissioner may, with or without notice or hearing, issue an emergency order relating to regulation under this chapter of a tattooist or body piercer, or to the operation of a tattoo studio or body piercing studio, if the commissioner finds:
   (1) that:
(A) the operation of the tattoo studio or body piercing studio or the performance of tattooing or body piercing by the tattooist or body piercer presents an immediate and serious threat to human health; or
(B) a shooting, stabbing, or other violent act or an offense involving drugs:
   (i) occurred at the tattoo studio or body piercing studio; or
   (ii) involved the tattooist or body piercer; and
(2) that other procedures available to the department to remedy or prevent the threat will result in an unreasonable delay.

(b) If the commissioner issues an emergency order under this section without a hearing, the department shall set a hearing under Chapter 2001, Government Code, to affirm, modify, or set aside the emergency order.

(c) If the license or registration holder cannot be located for a notice required under this section, the department shall provide notice by posting a copy of the order on the front door of the premises of the license holder or the premises where the registration holder is employed.

Added by Acts 2003, 78th Leg., ch. 1226, Sec. 8, eff. Sept. 1, 2003.

Sec. 146.022. REGISTRATION REQUIRED FOR TATTOOISTS AND BODY PIERCERS. (a) A person may not perform tattooing or body piercing at a tattoo studio or a body piercing studio unless the person holds a registration issued by the department as a tattooist or body piercer under this section.

(b) The registration holder shall display the registration in a prominent place at each tattoo studio or body piercing studio or temporary location where the person is employed.

Added by Acts 2003, 78th Leg., ch. 1226, Sec. 8, eff. Sept. 1, 2003.

Sec. 146.023. REGISTRATION APPLICATION. To receive a tattooist or body piercer registration, the person must submit:
(1) a signed registration application to the department on a form prescribed by the department;
(2) the application fee; and
(3) proof of completion of a training course approved by the department for tattooists and body piercers that includes not less than six hours related to bloodborne pathogens, infection control, and aseptic technique.

Added by Acts 2003, 78th Leg., ch. 1226, Sec. 8, eff. Sept. 1, 2003.

Sec. 146.024. REGISTRATION TERM; RENEWAL. (a) A tattooist or body piercer registration is valid for one year from the date of issuance.

(b) A tattooist or body piercer registration may be renewed annually on:

(1) payment of the required renewal fee; and

(2) submission of proof of completion of a training course approved by the department that includes not less than four hours related to bloodborne pathogens, infection control, and aseptic technique.

Added by Acts 2003, 78th Leg., ch. 1226, Sec. 8, eff. Sept. 1, 2003.

Sec. 146.025. COURSE OF INSTRUCTION FOR TATTOOISTS AND BODY PIERCERS; RULES; FEES. (a) The department shall prepare or approve a course of instruction sufficient to meet the requirements for application for a registration under Section 146.023 or renewal of a registration under Section 146.024.

(b) The department may approve a course of instruction based on standards set by the department to reasonably ensure that a tattooist or body piercer develops the job skills and knowledge necessary to protect public health and safety.

(c) A prospective course provider must submit to the department for approval the course length and curriculum content for each course offered by the provider. The provider may implement a course length and curriculum content only after department approval.

(d) The department by rule shall set a fee in an amount reasonable and necessary to cover the cost of reviewing the course content and issuing the approval.

Added by Acts 2003, 78th Leg., ch. 1226, Sec. 8, eff. Sept. 1, 2003.
SUBTITLE H. PUBLIC HEALTH PROVISIONS
CHAPTER 161. PUBLIC HEALTH PROVISIONS
SUBCHAPTER A. IMMUNIZATIONS
Sec. 161.0001. DEFINITIONS. In this subchapter:
(1) "Data elements" means the information:
   (A) a health care provider who administers a vaccine is required to record in a medical record under 42 U.S.C. Section 300aa-25, as amended, including:
      (i) the date the vaccine is administered;
      (ii) the vaccine manufacturer and lot number of the vaccine;
      (iii) any adverse or unexpected events for a vaccine; and
      (iv) the name, the address, and if appropriate, the title of the health care provider administering the vaccine; and
   (B) specified in rules adopted to implement Section 161.00705.
(1-a) "First responder" means:
   (A) any federal, state, local, or private personnel who may respond to a disaster, including:
      (i) public health and public safety personnel;
      (ii) commissioned law enforcement personnel;
      (iii) fire protection personnel, including volunteer firefighters;
      (iv) emergency medical services personnel, including hospital emergency facility staff;
      (v) a member of the National Guard;
      (vi) a member of the Texas State Guard; or
      (vii) any other worker who responds to a disaster in the worker's scope of employment; or
   (B) any related personnel that provide support services during the prevention, response, and recovery phases of a disaster.
(1-b) "Immediate family member" means the parent, spouse, child, or sibling of a person who resides in the same household as the person.
(1-c) "Individual's legally authorized representative" means:
   (A) a parent, managing conservator, or guardian of an individual, if the individual is a minor;
   (B) a guardian of the individual, if the individual has
been adjudicated incompetent to manage the individual's personal affairs; or

(C) an agent of the individual authorized under a durable power of attorney for health care.

(2) "Payor" means an insurance company, a health maintenance organization, or another organization that pays a health care provider to provide health care benefits, including providing immunizations.

(3) "Electronically," as related to a communication authorized under this chapter, means by e-mail, text message, online communication, or another electronic method of communication approved by the department.

Added by Acts 2003, 78th Leg., ch. 1081, Sec. 1, eff. Sept. 1, 2003. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 12.01, eff. September 1, 2007.
Acts 2009, 81st Leg., R.S., Ch. 9 (S.B. 346), Sec. 1, eff. September 1, 2009.
Acts 2009, 81st Leg., R.S., Ch. 803 (S.B. 1409), Sec. 1, eff. June 19, 2009.
Acts 2009, 81st Leg., R.S., Ch. 1280 (H.B. 1831), Sec. 4.03, eff. September 1, 2009.

Sec. 161.001. LIABILITY OF PERSON WHO ORDERS OR ADMINISTERS IMMUNIZATION. (a) A person who administers or authorizes the administration of a vaccine or immunizing agent is not liable for an injury caused by the vaccine or immunizing agent if the immunization is required by the board or is otherwise required by law or rule.

(b) A person who administers or authorizes the administration of a vaccine or immunizing agent is not liable or responsible for the failure to immunize a child because of the failure or refusal of a parent, managing conservator, or guardian to consent to the vaccination or immunization required under this chapter. Consent to the vaccination or immunization must be given in the manner authorized by Chapter 32, Family Code.

(c) A person who fails to comply with Section 161.004 is not liable or responsible for that failure, and that failure does not create a cause of action.
(d) This section does not apply to a negligent act in administering the vaccine or immunizing agent.

Sec. 161.002. INADMISSIBILITY OF IMMUNIZATION SURVEY INFORMATION. Information obtained from a physician's medical records by a person conducting an immunization survey for the department is not admissible as evidence in a suit against the physician that involves an injury relating to the immunization of an individual.

Sec. 161.003. IMMUNIZATION REMINDER NOTICES. (a) In a program administered by the department in which an immunization reminder notice is sent regarding the immunization of a child, the notice must be sent without discrimination based on the legitimacy of the child.

(b) The reminder notice must be addressed to an adult or parent and may not use:

(1) an indication of the marital status of the addressee; or

(2) the terms "Mr.," "Mrs.," "Miss," or "Ms."

Sec. 161.004. STATEWIDE IMMUNIZATION OF CHILDREN. (a) Every child in the state shall be immunized against vaccine preventable diseases caused by infectious agents in accordance with the immunization schedule adopted by the board.

(b) Hospitals shall be responsible for:

(1) referring newborns for immunization at the time the newborn screening test is performed;

(2) reviewing the immunization history of every child admitted to the hospital or examined in the hospital's emergency room or outpatient clinic; and

(3) administering needed vaccinations or referring the
child for immunization.

(c) Physicians shall be responsible for reviewing the immunization history of every child examined and administering any needed vaccinations or referring the child for immunization.

(d) A child is exempt from an immunization required by this section if:

(1) a parent, managing conservator, or guardian states that the immunization is being declined for reasons of conscience, including a religious belief; or

(2) the immunization is medically contraindicated based on the opinion of a physician licensed by any state in the United States who has examined the child.

(e) For purposes of this section, "child" means a person under 18 years of age.

(f) The board shall adopt rules that are necessary to administer this section.

(g) A parent, managing conservator, or guardian may choose the health care provider who administers the vaccine or immunizing agent under this chapter.

Sec. 161.0041. IMMUNIZATION EXEMPTION AFFIDAVIT FORM. (a) A person claiming an exemption from a required immunization based on reasons of conscience, including a religious belief, under Section 161.004 of this code, Section 38.001, 51.9192, or 51.933, Education Code, or Section 42.043, Human Resources Code, must complete an affidavit on a form provided by the department stating the reason for the exemption. This subsection does not apply to a person claiming the exemption using the Internet-based process under Section 51.9192(d-3), Education Code.

(b) The affidavit must be signed by the person claiming the exemption or, if the person is a minor, the person's parent, managing conservator, or guardian, and the affidavit must be notarized.

(c) A person claiming an exemption from a required immunization under this section may only obtain the affidavit form by submitting a written request for the affidavit form to the department.
(d) The department shall develop a blank affidavit form that contains a seal or other security device to prevent reproduction of the form. The affidavit form shall contain a statement indicating that the person or, if a minor, the person's parent, managing conservator, or guardian understands the benefits and risks of immunizations and the benefits and risks of not being immunized.

(e) The department shall maintain a record of the total number of affidavit forms sent out each year and shall report that information to the legislature each year. The department may not maintain a record of the names of individuals who request an affidavit under this section.

Added by Acts 2003, 78th Leg., ch. 198, Sec. 2.163, eff. Sept. 1, 2003.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 729 (S.B. 62), Sec. 2, eff. October 1, 2013.

Sec. 161.005. IMMUNIZATIONS REQUIRED. (a) On admission of a child to a facility of the Texas Department of Mental Health and Mental Retardation, the Texas Department of Criminal Justice, or the Texas Youth Commission, the facility physician shall review the immunization history of the child and administer any needed vaccinations or refer the child for immunization.

(b) The department and the board have the same powers and duties under this section as those entities have under Sections 38.001 and 51.933, Education Code. In addition, the provisions of those sections relating to provisional admissions and exceptions apply to this section.

(c) A facility covered by this section shall keep an individual immunization record during the individual's period of admission, detention, or commitment in the facility, and the records shall be open for inspection at all reasonable times by a representative of the local health department or the department.

(d) This section does not affect the requirements of Section 38.001 or 51.933, Education Code, or Section 42.043, Human Resources Code.

Added by Acts 1993, 73rd Leg., ch. 43, Sec. 3, eff. Sept. 1, 1993.
Amended by Acts 1997, 75th Leg., ch. 165, Sec. 6.41, eff. Sept. 1,
Sec. 161.0051. REQUIRED IMMUNIZATIONS FOR NURSING HOMES. (a) This section applies only to a nursing home that:

(1) is an institution licensed under Chapter 242; and
(2) serves residents who are elderly persons as defined by Section 242.002.

(b) The board by rule may require nursing homes to offer, in accordance with an immunization schedule adopted by the board, immunizations to elderly residents or to staff who are in contact with elderly residents against diseases that the board determines to be:

(1) caused by infectious agents;
(2) potentially deadly; and
(3) preventable by vaccine.

(c) The board by rule shall require nursing homes to offer, in accordance with an immunization schedule adopted by the board:

(1) pneumococcal vaccine to elderly residents; and
(2) influenza vaccine to elderly residents and to staff who are in contact with elderly residents.

Added by Acts 1999, 76th Leg., ch. 259, Sec. 1, eff. Sept. 1, 1999.

Sec. 161.0052. IMMUNIZATION OF ELDERLY PERSONS BY HOSPITALS, END STAGE RENAL DISEASE FACILITIES, AND PHYSICIANS' OFFICES. (a) In this section:

(1) "Elderly person" means a person who is 65 years of age or older.
(2) "End stage renal disease facility" has the meaning assigned by Section 251.001.
(3) "Hospital" has the meaning assigned by Section 241.003.

(b) The executive commissioner of the Health and Human Services Commission by rule shall require a hospital to inform each elderly person admitted to the hospital for a period of 24 hours or more that the pneumococcal and influenza vaccines are available. If the elderly person requests a vaccine, and if a physician, or an advanced nurse practitioner or physician assistant on behalf of a physician, determines that the vaccine is in the person's best interest, the
hospital must make the vaccination available to the person before the person is discharged from the hospital.

(c) The executive commissioner of the Health and Human Services Commission by rule shall require an end stage renal disease facility to offer, to the extent possible as determined by the facility, the opportunity to receive the pneumococcal and influenza vaccines to each elderly person who receives ongoing care at the facility if a physician, or an advanced nurse practitioner or physician assistant on behalf of a physician, determines that the vaccine is in the person's best interest. If the facility decides it is not feasible to offer the vaccine, the facility must provide the person with information on other options for obtaining the vaccine.

(d) The Texas State Board of Medical Examiners by rule shall require a physician responsible for the management of a physician's office that provides ongoing medical care to elderly persons to offer, to the extent possible as determined by the physician, the opportunity to receive the pneumococcal and influenza vaccines to each elderly person who receives ongoing care at the office. If the physician decides it is not feasible to offer the vaccine, the physician must provide the person with information on other options for obtaining the vaccine.

(e) Rules adopted under this section must require that:
   (1) a hospital, end stage renal disease facility, or physician's office:
      (A) offer the influenza vaccine in October and November, and if the vaccine is available, December; and
      (B) offer the pneumococcal vaccine year-round; and
   (2) a person administering a vaccine:
      (A) ask whether the elderly person is currently vaccinated against the influenza virus or pneumococcal disease, as appropriate;
      (B) administer the vaccine under institution-approved or physician-approved protocols after making an assessment for contraindications; and
      (C) permanently document the vaccination in the elderly person's medical records.

(f) In adopting rules under this section, the executive commissioner of the Health and Human Services Commission and the Texas State Board of Medical Examiners shall consider the recommendations of the Advisory Committee on Immunization Practices.
of the Centers for Disease Control and Prevention.

(g) Rules adopted under this section may consider the potential for a shortage of a vaccine.

(h) The department shall make available to hospitals and end stage renal disease facilities, and the Texas State Board of Medical Examiners shall make available to physicians' offices, educational and informational materials concerning vaccination against influenza virus and pneumococcal disease.

Added by Acts 2005, 79th Leg., Ch. 368 (S.B. 1330), Sec. 1, eff. September 1, 2005.

Sec. 161.006. DEPARTMENT IMMUNIZATION SERVICE. The department, to the extent permitted by law, is authorized to pay employees who are exempt or not exempt for purposes of the Fair Labor Standards Act of 1938 (29 U.S.C. Section 201 et seq.) on a straight-time basis for work on a holiday or for regular compensatory time hours when the taking of regular compensatory time off would be disruptive to normal business operations. Authorization for payment under this section is limited to work directly related to immunizations.

Added by Acts 1993, 73rd Leg., ch. 43, Sec. 3, eff. Sept. 1, 1993.

Sec. 161.007. IMMUNIZATION REGISTRY; REPORTS TO DEPARTMENT. (a) The department, for the primary purpose of establishing and maintaining a single repository of accurate, complete, and current immunization records to be used in aiding, coordinating, and promoting efficient and cost-effective communicable disease prevention and control efforts, shall establish and maintain an immunization registry. The executive commissioner of the Health and Human Services Commission by rule shall develop guidelines to:

(1) protect the confidentiality of patients in accordance with Section 159.002, Occupations Code;

(2) inform the individual or the individual's legally authorized representative about the registry and that registry information may be released under Section 161.00735;

(3) require the written or electronic consent of the individual or the individual's legally authorized representative before any information relating to the individual is included in the
registry;

(4) permit the individual or the individual's legally authorized representative to withdraw consent for the individual to be included in the registry; and

(5) determine the process by which consent is verified, including affirmation by a health care provider, birth registrar, regional health information exchange, or local immunization registry that consent has been obtained.

(a-1) The written or electronic consent required by Subsection (a)(3) for an individual younger than 18 years of age is required to be obtained only one time. The consent is valid until the individual becomes 18 years of age unless the consent is withdrawn in writing or electronically. A parent, managing conservator, or guardian of a minor may provide the consent by using an electronic signature on the minor's birth certificate.

(a-2) An individual's legally authorized representative or the individual, after the individual has attained 18 years of age, may consent in writing or electronically for the individual's information to remain in the registry after the individual's 18th birthday and for the individual's subsequent immunizations to be included in the registry. The written or electronic consent of the minor's legally authorized representative as described by Section 161.0001(1-c)(A) must be submitted to the department before the individual's 18th birthday. The written or electronic consent of the individual or the individual's legally authorized representative as described by Section 161.0001(1-c)(B) or (C) must be submitted to the department not later than the individual's 19th birthday. The consent of the representative or individual is valid until the individual or the individual's legally authorized representative withdraws consent in writing or electronically. The department may not include in the registry the immunization information of an individual who is 18 years of age or older until written or electronic consent has been obtained as provided by this subsection. The department shall coordinate with the Texas Education Agency to distribute materials described in Section 161.0095(a)(2) to students and parents through local school districts.

(a-3) The executive commissioner of the Health and Human Services Commission by rule shall develop guidelines and procedures for obtaining consent from an individual after the individual's 18th birthday, including procedures for retaining immunization information
in a separate database that is inaccessible by any person other than the department during the one-year period during which an 18-year-old may consent to inclusion in the registry under Subsection (a-2).

(b) Except as provided by Section 161.0071, the immunization registry must contain information on the immunization history that is obtained by the department under:

(1) this section of each individual for whom consent has been obtained in accordance with guidelines adopted under Subsection (a) or (a-3), as applicable;

(2) Section 161.00705 of persons immunized to prepare for or in response to a declared disaster, public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency;

(3) Section 161.00706 of first responders or their immediate family members; and

(4) Section 161.00735 of persons evacuated or relocated to this state because of a disaster.

(b-1) The department shall remove from the registry information for any individual for whom consent has been withdrawn. The department may not retain individually identifiable information about any individual:

(1) for whom consent has been withdrawn;

(2) for whom a consent for continued inclusion in the registry following the end of the declared disaster, public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency has not been received under Section 161.00705(f);

(3) for whom a request to be removed from the registry has been received under Section 161.00706(e);

(4) for whom consent for continued inclusion in the registry following the end of a disaster has not been received under Section 161.00735(f); or

(5) for whom a request to remove information from the registry has been received under Section 161.00735(g).

(c) A payor that receives data elements from a health care provider who administers an immunization to an individual younger than 18 years of age shall provide the data elements to the department. A payor is required to provide the department with only the data elements the payor receives from a health care provider. A payor that receives data elements from a health care provider who
administers an immunization to an individual 18 years of age or older may provide the data elements to the department. The data elements shall be submitted in a format prescribed by the department. The department shall verify consent before including the reported information in the immunization registry. The department may not retain individually identifiable information about an individual for whom consent cannot be verified.

(d) A health care provider who administers an immunization to an individual younger than 18 years of age shall provide data elements regarding an immunization to the department. A health care provider who administers an immunization to an individual 18 years of age or older may submit data elements regarding an immunization to the department. The data elements shall be submitted in a format prescribed by the department. The department shall verify consent before including the information in the immunization registry. The department may not retain individually identifiable information about an individual for whom consent cannot be verified.

(e) The department shall provide notice to a health care provider that submits an immunization history for an individual for whom consent cannot be verified. The notice shall contain instructions for obtaining consent in accordance with guidelines adopted under Subsections (a) and (a-3) and resubmitting the immunization history to the department.

(f) The department and health care providers may use the registry to provide notices by mail, telephone, personal contact, or other means to an individual or the individual's legally authorized representative regarding an individual who is due or overdue for a particular type of immunization according to the department's immunization schedule for children or another analogous schedule recognized by the department for individuals 18 years of age or older. The department shall consult with health care providers to determine the most efficient and cost-effective manner of using the registry to provide those notices.

(g) The department shall provide instruction and education to providers about the immunization registry provider application and enrollment process. The department shall:

(1) initially target providers in the geographic regions of the state with immunization rates below the state average for preschool children; and

(2) expedite the processing of provider applications.
(h) Nothing in this section diminishes a parent's, managing conservator's, or guardian's responsibility for having a child immunized properly, subject to Section 161.004(d).

(i) A person, including a health care provider, payor, or an employee of the department who submits or obtains in good faith immunization data elements to or from the department in compliance with the provisions of this section and any rules adopted under this section is not liable for any civil damages.

(j) Except as provided by Sections 161.00705, 161.00706, 161.00735(b), and 161.008, information obtained by the department for the immunization registry is confidential and may be disclosed only with the written or electronic consent of the individual or the individual's legally authorized representative.

(k) The executive commissioner of the Health and Human Services Commission shall adopt rules to implement this section.

   Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 12.03, eff. September 1, 2007.
   Acts 2009, 81st Leg., R.S., Ch. 9 (S.B. 346), Sec. 2, eff. September 1, 2009.
   Acts 2009, 81st Leg., R.S., Ch. 35 (S.B. 347), Sec. 1, eff. September 1, 2009.

Sec. 161.00705. RECORDING ADMINISTRATION OF IMMUNIZATION AND MEDICATION FOR DISASTERS AND EMERGENCIES. (a) The department shall maintain a registry of persons who receive an immunization, antiviral, and other medication administered to prepare for a potential disaster, public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency or in response to a declared disaster, public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency. A health care provider who administers an immunization, antiviral, or other medication shall provide the data elements to the department.

(b) The department shall maintain the registry as part of the
immunization registry required by Section 161.007.

(c) The department shall track adverse reactions to an immunization, antiviral, and other medication administered to prepare for a potential disaster, public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency or in response to a declared disaster, public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency. A health care provider who administers an immunization, antiviral, or other medication may provide data related to adverse reactions to the department.

(d) Sections 161.007, 161.0071, 161.0072, and 161.0074 apply to the data elements submitted to the department under this section, unless a provision in those sections conflicts with a requirement in this section.

(e) The executive commissioner of the Health and Human Services Commission by rule shall determine the period during which the information collected under this section must remain in the immunization registry following the end of the disaster, public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency.

(f) Unless an individual or the individual's legally authorized representative consents in writing or electronically to continued inclusion of the individual's information in the registry, the department shall remove the immunization records collected under this section from the registry on expiration of the period prescribed under Subsection (e).

(g) The immunization information of a child or other individual received by the department under this section, including individually identifiable information, may be released only:

1. on consent of the individual or, if a child, the child's parent, managing conservator, or guardian; or
2. to a state agency or health care provider consistent with the purposes of this subchapter or the purposes of aiding or coordinating communicable disease prevention and control efforts during a declared disaster, public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency.

(h) The report required under Section 161.0074 must also include the number of complaints received by the department related
to the department's failure to remove information from the registry as required by Subsection (f).

(i) The executive commissioner of the Health and Human Services Commission shall adopt rules necessary to implement this section.

Added by Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 12.02, eff. September 1, 2007.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 9 (S.B. 346), Sec. 3, eff. September 1, 2009.

Sec. 161.00706. FIRST RESPONDER IMMUNIZATION INFORMATION. (a) A person 18 years of age or older who is a first responder or an immediate family member of a first responder may:

(1) request that a health care provider who administers an immunization to the person provide data elements regarding the immunization to the department for inclusion in the immunization registry; or

(2) provide the person's immunization history directly to the department for inclusion in the immunization registry.

(b) A health care provider, on receipt of a request under Subsection (a)(1), shall submit the data elements to the department in a format prescribed by the department. The department shall verify the person's request before including the information in the immunization registry.

(c) The executive commissioner of the Health and Human Services Commission shall:

(1) develop rules to ensure that immunization history submitted under Subsection (a)(2) is medically verified immunization information;

(2) develop guidelines for use by the department in informing first responders about the registry and that registry information may be released under Section 161.00735; and

(3) adopt rules necessary for the implementation of this section.

(d) Except as provided by Section 161.00735, a person's immunization history or data received by the department under this section may be released only on consent of the person or to any health care provider licensed or otherwise authorized to administer
(e) A person whose immunization records are included in the immunization registry as authorized by this section may request in writing or electronically that the department remove that information from the registry. Not later than the 10th day after receiving a request under this subsection, the department shall remove the person's immunization records from the registry.

(f) The report required under Section 161.0074 must also include the number of complaints received by the department related to the department's failure to comply with requests for removal of information from the registry under Subsection (e).

Added by Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 12.02, eff. September 1, 2007.
Amended by:
   Acts 2009, 81st Leg., R.S., Ch. 9 (S.B. 346), Sec. 4, eff. September 1, 2009.
   Acts 2009, 81st Leg., R.S., Ch. 35 (S.B. 347), Sec. 2, eff. September 1, 2009.

Sec. 161.00707. INFORMATION AND EDUCATION FOR FIRST RESPONDERS. The department shall develop a program for informing first responders about the immunization registry and educating first responders about the benefits of being included in the immunization registry, including:

1. ensuring that first responders receive necessary immunizations to prevent the spread of communicable diseases to which a first responder may be exposed during a public health emergency, declared disaster, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency; and
2. preventing duplication of vaccinations.

Added by Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 12.02, eff. September 1, 2007.

Sec. 161.0071. NOTICE OF RECEIPT OF REGISTRY DATA; EXCLUSION FROM REGISTRY. (a) The first time the department receives registry data for an individual for whom the department has received consent to be included in the registry, the department shall send notice to
the individual or the individual's legally authorized representative disclosing:

(1) that providers and payors may be sending the individual's immunization information to the department;
(2) the information that is included in the registry;
(3) the persons to whom the information may be released under Sections 161.00735(b) and 161.008(d);
(4) the purpose and use of the registry;
(5) the procedure to exclude an individual from the registry; and
(6) the procedure to report a violation if an individual's information is included in the registry after exclusion has been requested or consent has been withdrawn.

(b) On discovering that consent to be included in the registry has not been granted or has been withdrawn, the department shall exclude the individual's immunization records from the registry and any other registry-related department record that individually identifies the individual.

(c) On receipt of a written or electronic request to exclude an individual's immunization records from the registry, the department shall send to the individual or the individual's legally authorized representative who makes the request a written confirmation of receipt of the request for exclusion and shall exclude the individual's records from the registry.

(d) The department commits a violation if the department fails to exclude an individual's immunization information from the registry as required by Subsection (b) or (c).

(e) The department shall accept a written or electronic statement from an individual or the individual's legally authorized representative communicating to the department that an individual's information should be excluded from the registry, including a statement on a minor's birth certificate, as a request for exclusion under Subsection (c).

Added by Acts 2003, 78th Leg., ch. 1081, Sec. 3, eff. Sept. 1, 2003. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 9 (S.B. 346), Sec. 5, eff. September 1, 2009.
Acts 2009, 81st Leg., R.S., Ch. 35 (S.B. 347), Sec. 3, eff. September 1, 2009.
Sec. 161.0072. PROVIDING IMMUNIZATION INFORMATION TO DEPARTMENT. (a) If the individual or the individual's legally authorized representative has reasonable concern that the individual's health care provider is not submitting the immunization history to the department, the individual or the individual's legally authorized representative may provide the individual's immunization history directly to the department to be included in the immunization registry.

(b) The individual or the individual's legally authorized representative may send evidence of the individual's immunization history to the department electronically, by facsimile transmission, or by mail. The evidence may include a copy of:

1. the individual's medical record indicating the immunization history;
2. an invoice from a health care provider for the immunization; or
3. documentation showing that a claim for the immunization was paid by a payor.

(c) The board shall develop rules to ensure that the immunization history submitted by an individual or the individual's legally authorized representative is medically verified immunization information.

Added by Acts 2003, 78th Leg., ch. 1081, Sec. 3, eff. Sept. 1, 2003. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 9 (S.B. 346), Sec. 6, eff. September 1, 2009.

Sec. 161.0073. REGISTRY CONFIDENTIALITY. (a) Except as provided by Sections 161.00705 and 161.00735, information that individually identifies an individual that is received by the department for the immunization registry is confidential and may be used by the department for registry purposes only.

(b) Unless specifically authorized under this subchapter, the department may not release registry information to any individual or entity without the consent of the individual or the individual's legally authorized representative.
(c) A person required to report information to the department for registry purposes or authorized to receive information from the registry may not disclose the individually identifiable information of an individual to any other person without the written or electronic consent of the individual or the individual's legally authorized representative, except as provided by Chapter 159, Occupations Code, or Section 602.053, Insurance Code.

(d) Registry information is not:

(1) subject to discovery, subpoena, or other means of legal compulsion for release to any person or entity except as provided by this subchapter; or

(2) admissible in any civil, administrative, or criminal proceeding.

Acts 2009, 81st Leg., R.S., Ch. 35 (S.B. 347), Sec. 4, eff. September 1, 2009.

Sec. 161.00735. RELEASE AND RECEIPT OF REGISTRY DATA IN DISASTER. (a) In this section, "disaster" means a disaster declared by the president of the United States, the governor of this state, or the governor of another state.

(b) If the department determines that residents of this state have evacuated or relocated to another state in response to a disaster, the department may release registry data, except registry data obtained under Section 161.00705, to the appropriate health authority of that state or to local health authorities in that state.

(c) The department may receive immunization information from a health authority of another state or from a local health authority in another state if the department determines that residents of that state have evacuated or relocated to this state in response to a disaster. The department shall include information received under
this subsection in the registry. Notwithstanding Section 161.007, the department is not required to obtain written consent for the inclusion in the registry of information received under this subsection.

(d) Immunization information received under Subsection (c) is subject to Section 161.0073, and may not be released except as authorized by this chapter.

(e) The executive commissioner of the Health and Human Services Commission, by rule, shall determine the period during which the information collected under Subsection (c) must remain in the immunization registry following the end of the disaster.

(f) Unless an individual or, if a child, the child's parent, managing conservator, or guardian consents in writing to continued inclusion of the individual's or child's information in the registry, the department shall remove the immunization records collected under Subsection (c) from the registry on the expiration of the period prescribed by Subsection (e).

(g) If an individual or, if a child, the child's parent, managing conservator, or guardian requests in writing that the individual's or child's information obtained under Subsection (c) be removed from the registry, the department shall remove that information from the registry.

(h) The executive commissioner of the Health and Human Services Commission shall make every effort to enter into a memorandum of agreement with each state to which residents of this state are likely to evacuate in a disaster on:

(1) the release and use of registry information under this section to the appropriate health authority or local health authority of that state, including the length of time the information may be retained by that state; and

(2) the receipt and use of information submitted by the health authority or local health authority of that state for inclusion in the registry under this section.

Added by Acts 2009, 81st Leg., R.S., Ch. 35 (S.B. 347), Sec. 5, eff. September 1, 2009.

Sec. 161.0074. REPORT TO LEGISLATURE. (a) The department shall report to the Legislative Budget Board, the governor, the
lieutenant governor, the speaker of the house of representatives, and appropriate committees of the legislature not later than September 30 of each even-numbered year.

(b) The department shall use the report required under Subsection (a) to develop ways to increase immunization rates using state and federal resources.

(c) The report must:

(1) include the current immunization rates by geographic region of the state, where available;

(2) focus on the geographic regions of the state with immunization rates below the state average for preschool children;

(3) describe the approaches identified to increase immunization rates in underserved areas and the estimated cost for each;

(4) identify changes to department procedures needed to increase immunization rates;

(5) identify the services provided under and provisions of contracts entered into by the department to increase immunization rates in underserved areas;

(6) identify performance measures used in contracts described by Subdivision (5);

(7) include the number and type of exemptions used in the past year;

(8) include the number of complaints received by the department related to the department's failure to comply with requests for exclusion of individuals from the registry;

(9) identify all reported incidents of discrimination for requesting exclusion from the registry or for using an exemption for a required immunization;

(10) include department recommendations about the best way to use, and communicate with, local registries in the state; and

(11) include ways to increase provider participation in the registry.

Sec. 161.0075. IMMUNITY FROM LIABILITY. Except as provided by Section 161.009, the following persons subject to this subchapter that act in compliance with Sections 161.007, 161.00705, 161.00706,
161.0071, 161.0073, 161.0074, and 161.008 are not civilly or criminally liable for furnishing the information required under this subchapter:

1. a payor;
2. a health care provider who administers immunizations; and
3. an employee of the department.

Added by Acts 2003, 78th Leg., ch. 1081, Sec. 3, eff. Sept. 1, 2003. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 12.05, eff. September 1, 2007.

Sec. 161.0076. COMPLIANCE WITH FEDERAL LAW. If the provisions of this chapter relating to the use or disclosure of information in the registry are more stringent than the Health Insurance Portability and Accountability Act and Privacy Standards, as defined by Section 181.001, then the use or disclosure of information in the registry is governed by this chapter.

Sec. 161.008. IMMUNIZATION RECORD. (a) An immunization record is part of the immunization registry.

(b) An immunization record contains the:
1. name and date of birth of the person immunized;
2. dates of immunization;
3. types of immunization administered; and
4. name and address of the health care provider administering the immunization.

(c) The department may obtain the data constituting an immunization record for an individual from a public health district, a local health department, the individual or the individual's legally authorized representative, a physician to the individual, a payor, or any health care provider licensed or otherwise authorized to administer vaccines. The department shall verify consent before including the reported information in the immunization registry. The department may not retain individually identifiable information about an individual for whom consent cannot be verified.
(d) The department may release the data constituting an immunization record for the individual to:
   (1) any entity that is described by Subsection (c); 
   (2) a school or child care facility in which the individual is enrolled; or 
   (3) a state agency having legal custody of the individual.  
(e) An individual or the individual's legally authorized representative may obtain and on request to the department shall be provided with all individually identifiable immunization registry information concerning the individual.  
(f) A person, including a health care provider, a payor, or an employee of the department, that submits in good faith an immunization history or data to or obtains in good faith an immunization history or data from the department in compliance with the provisions of this section and any rules adopted under this section is not liable for any civil damages.  
(g) The department may release nonidentifying summary statistics related to the registry that do not individually identify an individual.  
(h) The executive commissioner of the Health and Human Services Commission shall adopt rules to implement this section.  

Sec. 161.009. PENALTIES FOR DISCLOSURE OF INFORMATION. (a) A person commits an offense if the person:  
   (1) negligently releases or discloses immunization registry information in violation of Section 161.007, 161.0071, 161.0073, or 161.008; 
   (2) fails to exclude an individual's immunization information in violation of Section 161.0071;  
   (3) fails to remove a person's immunization information in violation of Section 161.00705, 161.00706, or 161.00735; or  
   (4) negligently uses information in the immunization
registry to solicit new patients or clients or for other purposes that are not associated with immunization or quality-of-care purposes, unless authorized under this section.

(b) An offense under this section is a Class A misdemeanor.

Added by Acts 1997, 75th Leg., ch. 900, Sec. 1, eff. Sept. 1, 1997. Amended by Acts 2003, 78th Leg., ch. 1081, Sec. 5. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 12.06, eff. September 1, 2007.
Acts 2009, 81st Leg., R.S., Ch. 9 (S.B. 346), Sec. 9, eff. September 1, 2009.
Acts 2009, 81st Leg., R.S., Ch. 35 (S.B. 347), Sec. 6, eff. September 1, 2009.

Sec. 161.0095. EDUCATION PROGRAMS AND INFORMATION. (a) The department shall develop:

(1) continuing education programs for health care providers relating to immunizations and the vaccines for children program operated by the department under authority of 42 U.S.C. Section 1396s; and

(2) educational information, for health care providers, health care clinics, hospitals, and any other health care facility that provides health care to children 14 to 18 years of age, relating to the immunization registry and the option for an individual who is 18 years of age or older to consent to submission and retention of the individual's information in the immunization registry.

(b) The department shall establish a work group to assist the department in developing the continuing education programs and educational information. The work group shall include physicians, nurses, department representatives, representatives of managed care organizations that provide health care services under Chapter 533, Government Code, representatives of health plan providers that provide health care services under Chapter 62, and members of the public.

Added by Acts 2003, 78th Leg., ch. 613, Sec. 1, eff. Sept. 1, 2003. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 9 (S.B. 346), Sec. 10, eff. September 1, 2009.
Sec. 161.010. IMMUNIZATION EDUCATION; STATEWIDE COALITION.
(a) The department shall establish a continuous statewide education program to educate the public about the importance of immunizing children and the risks and contraindications of an immunization.

(b) The department shall increase coordination among public and private local, regional, and statewide entities that have an interest in immunizations.

Added by Acts 2003, 78th Leg., ch. 125, Sec. 1, eff. Sept. 1, 2003.

Sec. 161.0101. INCREASE IMMUNIZATION AWARENESS. (a) The department shall develop new public-private partnerships and work with existing public-private partnership programs, including the Seniors and Volunteers Program For Childhood Immunization, to increase public and private awareness of and support for early childhood immunizations.

(b) The department shall work with the Texas Education Agency to increase immunization awareness and participation among parents of preschool and school-age children by:

(1) jointly applying for federal funds for immunization awareness and vaccination programs; and

(2) creating partnerships with public and private health, service, and education organizations, including parent-teacher associations, the United Way, schools, local businesses, community-based organizations, chambers of commerce, and athletic booster clubs, to increase awareness and participation in the state's early childhood vaccination program.

(c) The department shall work to increase immunization awareness and participation among parents of children in child-care facilities, as defined by Section 42.002, Human Resources Code, in the state's early childhood vaccination program by publishing on the department's website information about the benefits of annual immunization against influenza for children aged six months to five years. The department shall work with the Department of Family and Protective Services and with child-care facilities to ensure that the information is annually distributed to parents in August or September.
Sec. 161.0102. VACCINES FOR CHILDREN PROGRAM; INFLUENZA VACCINES. (a) In this section, "vaccines for children program" means the program operated by the department under authority of 42 U.S.C. Section 1396s, as amended.

(b) The department shall allow each health care provider participating in the vaccines for children program to:

(1) select influenza vaccines from the list of all influenza vaccines that:

(A) are approved by the United States Food and Drug Administration and recommended by the federal Advisory Committee on Immunization Practices; and

(B) are either:

(i) within the limits of the vaccines annually allocated by the Centers for Disease Control and Prevention of the United States Public Health Service to the department for the vaccines for children program; or

(ii) not offered in the annual allocation under Subparagraph (i), but are available from the Centers for Disease Control and Prevention of the United States Public Health Service and for which the Centers for Disease Control and Prevention awards to the department additional funds; and

(2) use both inactivated influenza vaccines and live, attenuated influenza vaccines.

Added by Acts 2007, 80th Leg., R.S., Ch. 397 (S.B. 811), Sec. 1, eff. June 15, 2007.

Sec. 161.01035. PROVIDER CHOICE SYSTEM. (a) The department shall implement a provider choice system for the vaccines for children program operated by the department under authority of 42...
U.S.C. Section 1396s and the adult safety net vaccination program.

(b) The department shall ensure that eligible health care providers participating in the vaccines for children program or the adult safety net vaccination program may select any licensed vaccine, including combination vaccines and any dosage forms that:

(1) are recommended by the federal Advisory Committee on Immunization Practices;

(2) are made available to the department by the Centers for Disease Control and Prevention of the United States Public Health Service; and

(3) for adult vaccines, are on the department-approved list of vaccines offered by the adult safety net vaccination program.

(c) For the purposes of this section, "equivalent vaccines" means two or more vaccines, excluding the influenza vaccine, that meet all of the following:

(1) protect a recipient of a vaccine against the same infection or infections;

(2) require the same number of doses;

(3) have similar safety and efficacy profiles; and

(4) are recommended for comparable populations by the Centers for Disease Control and Prevention of the United States Public Health Service.

(d) The department shall provide a vaccine selected by a health care provider under Subsection (b) only if the cost to the department of providing the vaccine is not more than 115 percent of the lowest-priced equivalent vaccine.

(e) This section does not apply in the event of a disaster or public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency.

(f) The department shall convene the immunization work group established under Section 161.0095 and solicit its recommendations regarding development of a plan for the implementation of the provider choice system under this section. The plan shall include the education of participating health care providers about:

(1) procedures and distribution systems of the Centers for Disease Control and Prevention of the United States Public Health Service; and

(2) vaccine options, the enrollment process, ordering, accountability, and reporting procedures.
Sec. 161.0104. DISASTER PREPARATION. The department shall consult with public health departments and appropriate health care providers to identify adult immunizations that may be necessary to respond to or prepare for a disaster or public health emergency, terrorist attack, hostile military or paramilitary action, or extraordinary law enforcement emergency.

Added by Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 12.07, eff. September 1, 2007.
Renumbered from Health and Safety Code, Section 161.0102 by Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 27.001(52), eff. September 1, 2009.

Sec. 161.0105. LIMITATION ON LIABILITY. (a) A health care provider who acts in compliance with Sections 161.007, 161.00705, 161.00706, and 161.008 and any rules adopted under those sections is not civilly or criminally liable for furnishing the information required under those sections. This subsection does not apply to criminal liability established under Section 161.009.

(b) A person who administers a vaccination under a department program may be held liable only to the extent the person would be liable if the person administered the vaccination outside the program. The person is not liable for damages arising from the acts or omissions of another person acting under the program or the department.

(c) The immunity created by this section is in addition to any immunity created by Sections 161.001 and 161.007(g).

Added by Acts 2003, 78th Leg., ch. 844, Sec. 1, eff. Sept. 1, 2003.
Amended by:
Acts 2007, 80th Leg., R.S., Ch. 258 (S.B. 11), Sec. 12.08, eff. September 1, 2007.

Sec. 161.0106. RESPIRATORY SYNCYTIAL VIRUS; IMMUNIZATION. As part of the education programs under Sections 161.0095 and 161.010,
the department shall include information about:

(1) respiratory syncytial virus and the importance of preventative activities for children at risk of contracting the virus;

(2) respiratory syncytial virus prophylaxis for children who are at high risk of complications from the disease; and

(3) immunization for respiratory syncytial virus when a vaccine is recommended and available.

Added by Acts 2005, 79th Leg., Ch. 115 (S.B. 1211), Sec. 1, eff. September 1, 2005.

Sec. 161.0107. ELECTRONIC MEDICAL RECORDS SYSTEMS. (a) In this section:

(1) "Electronic medical records software package or system" means an electronic system for maintaining medical records in the clinical setting.

(2) "Medical records" has the meaning assigned by Section 151.002, Occupations Code.

(b) A person who sells, leases, or otherwise provides an electronic medical records software package or system to a person who administers immunizations in this state or to an entity that manages records for the person shall provide, as part of the electronic medical records software package or system, the ability to:

(1) electronically interface with the immunization registry created under this subchapter; and

(2) generate electronic reports that contain the fields necessary to populate the immunization registry.

(c) The executive commissioner of the Health and Human Services Commission by rule shall specify:

(1) the fields necessary to populate the immunization registry, including a field that indicates the patient's consent to be listed in the immunization registry has been obtained; and

(2) the data standards that must be used for electronic submission of immunization information.

(d) The data standards specified under Subsection (b) must be compatible with the standards for immunization information transmission adopted by the Healthcare Information Technology Standards Panel sponsored by the American National Standards
Institute and included in certification criteria by the Certification Commission for Healthcare Information Technology.

Added by Acts 2007, 80th Leg., R.S., Ch. 352 (S.B. 204), Sec. 1, eff. June 15, 2007.

Sec. 161.0108. INJUNCTION. (a) The attorney general may bring an action in the name of the state to enjoin a violation of Section 161.0107.

(b) If the state prevails in a suit under this section, the attorney general may recover on behalf of the state reasonable attorney’s fees, court costs, and reasonable investigative costs incurred in relation to the proceeding.

Added by Acts 2007, 80th Leg., R.S., Ch. 352 (S.B. 204), Sec. 1, eff. June 15, 2007.

Sec. 161.0109. HUMAN PAPILLOMAVIRUS; VACCINES EDUCATION MATERIALS. (a) The department, using existing resources, shall produce and distribute informational materials regarding vaccines against human papillomavirus that are approved by the United States Food and Drug Administration for human use. The materials must include information relating to the effectiveness, availability, and contraindications of the vaccines. The materials must be available in English and in Spanish.

(b) The department shall collaborate with the Texas Cancer Council or its successor entity to develop educational programs for parents regarding human papillomavirus and promoting awareness of a minor’s need for preventive services for cervical cancer and its precursors.

(c) The department shall develop and maintain an Internet website that targets the public and health care professionals and provides accurate, comprehensive information on all aspects of cervical cancer prevention, including vaccination against human papillomavirus.

Added by Acts 2007, 80th Leg., R.S., Ch. 59 (H.B. 1379), Sec. 1, eff. September 1, 2007.
Renumbered from Health and Safety Code, Section 161.0107 by Acts
SUBCHAPTER B. HEALTH INSPECTION OF PRIVATE RESIDENCE

Sec. 161.011. PERMISSION REQUIRED. A person, including an officer or agent of this state or of an instrumentality or political subdivision of this state, may not enter a private residence to conduct a health inspection without first receiving:

(1) permission obtained from a lawful adult occupant of the residence; or

(2) an authorization to inspect the residence for a specific public health purpose by a magistrate or by an order of a court of competent jurisdiction on a showing of a probable violation of a state health law, a control measure under Chapter 81, or a health ordinance of a political subdivision.

Sec. 161.012. CRIMINAL PENALTIES. (a) A person commits an offense if the person violates Section 161.011. An offense under this subsection is punishable by confinement in the Texas Department of Criminal Justice for not more than two years, a fine of not more than $1,000, or both.

(b) A person commits an offense if the person knowingly gives evidence obtained in violation of Section 161.011 to the federal government or to an instrumentality of the federal government. An offense under this subsection is punishable by confinement in the county jail for not more than one year, a fine of not more than $500, or both.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 25.092, eff. September 1, 2009.

SUBCHAPTER C. PROVISION OF INFORMATION RELATING TO CERTAIN HEALTH CONDITIONS
Sec. 161.021. AUTHORIZATION TO PROVIDE INFORMATION; USE OF INFORMATION; LIABILITY. (a) Unless prohibited by other law, a person, including a hospital, sanatorium, nursing home, rest home, medical society, cancer registry, or other organization, may provide interviews, reports, statements, memoranda, or other information relating to the condition and treatment of any person, to be used in a study to reduce morbidity or mortality or to identify persons who may need immunization, to:

1. the department;
2. a person that makes inquiries under immunization surveys conducted for the department;
3. a medical organization;
4. a hospital;
5. a hospital committee; or
6. a cancer registry, including a cancer registry of a cancer treatment center as defined by Section 82.002.

(b) A person is not liable for damages or other relief for:

1. providing the information;
2. releasing or publishing the findings or conclusions to advance medical research or medical education; or
3. releasing or publishing a general summary of those studies.

Sec. 161.0211. EPIDEMIOLOGIC OR TOXICOLOGIC INVESTIGATIONS. (a) Under its duty to protect the public health, the department shall conduct epidemiologic or toxicologic investigations of human illnesses or conditions and of environmental exposures that are harmful or believed to be harmful to the public health.

(b) The department may conduct those investigations to determine the nature and extent of the disease or environmental exposure believed to be harmful to the public health. Any findings or determinations from such investigations that relate to environmental exposures believed to be harmful to the public shall be reported in writing to the Texas Commission on Environmental Quality, and the two agencies shall coordinate corrective measures as
appropriate. The department shall use generally accepted methods of
epidemiology or toxicology in the conduct of an investigation.

(c) A person shall provide medical, demographic, epidemiologic,
toxicologic, or environmental information to the department as
described by Section 81.061(c).

(d) A person is not liable for damages or other relief for
providing medical or other confidential information to the department
during an epidemiologic or toxicologic investigation.

Added by Acts 1993, 73rd Leg., ch. 34, Sec. 1, eff. Sept. 1, 1993.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1312 (S.B. 59), Sec. 65, eff. September 1, 2013.

Sec. 161.0212. RIGHT OF ENTRY. To conduct an epidemiologic or
toxicologic investigation, the commissioner or the commissioner's
designee has the same authority to investigate, sample, inspect, and
enter as that described by Sections 81.061, 81.063, 81.064, and
81.065.

Added by Acts 1993, 73rd Leg., ch. 34, Sec. 1, eff. Sept. 1, 1993.

Sec. 161.0213. CONFIDENTIALITY. Reports, records, and
information furnished to the commissioner or the commissioner's
designee or the Texas Natural Resource Conservation Commission that
relate to an epidemiologic or toxicologic investigation of human
illnesses or conditions and of environmental exposures that are
harmful or believed to be harmful to the public health are not public
information under Chapter 552, Government Code, and are subject to
the same confidentiality requirements as described by Section 81.046.

Added by Acts 1993, 73rd Leg., ch. 34, Sec. 1, eff. Sept. 1, 1993.
Amended by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(88), eff. Sept. 1, 1995.

Sec. 161.022. USE AND PUBLICATION RESTRICTIONS;
CONFIDENTIALITY. (a) The department, a medical organization, a
hospital, a hospital committee, or a cancer registry may use or
publish information under Section 161.021 only to advance medical research or medical education in the interest of reducing morbidity or mortality, except that a summary of the studies may be released by those persons for general publication.

(b) The identity of a person whose condition or treatment has been studied is confidential and may not be revealed except in immunization surveys conducted for the department to identify persons who need immunization.

(c) Interviews, reports, statements, memoranda, and other information, other than immunization information, furnished under this chapter and any findings or conclusions resulting from the study of that information, are privileged.

Sec. 161.023. NO LIABILITY FOR REPORTS TO MEDICAL COMMITTEE.

(a) This section applies to:

(1) a physician, hospital, medical organization, university health science center, university medical school, or an officer or employee of that person or entity; and

(2) a health maintenance organization or an officer, employee, or agent of the health maintenance organization, including an independent practice association or other physician association contracting with the health maintenance organization.

(b) A person or entity covered by this section is not liable for damages to any person for furnishing information, reports, or records to a medical committee relating to a patient:

(1) examined or treated by the physician; or

(2) treated or confined in:

(A) the hospital;

(B) a clinic or facility staffed or operated by a university health science center or university medical school; or

(C) a hospital, clinic, or facility staffed, operated, or used by a health maintenance organization.

Sec. 161.024. APPLICATION TO HEALTH MAINTENANCE ORGANIZATION.
This subchapter does not apply to a function of a health maintenance organization other than medical peer review and quality assurance conducted under Chapter 843, Insurance Code, the rules adopted under that chapter, or other applicable state and federal statutes and rules.

### SUBCHAPTER D. MEDICAL COMMITTEES, MEDICAL PEER REVIEW COMMITTEES, AND COMPLIANCE OFFICERS

**Sec. 161.031. MEDICAL COMMITTEE DEFINED.** (a) In this subchapter, "medical committee" includes any committee, including a joint committee, of:

1. a hospital;
2. a medical organization;
3. a university medical school or health science center;
4. a health maintenance organization licensed under Chapter 843, Insurance Code, including an independent practice association or other physician association whose committee or joint committee is a condition of contract with the health maintenance organization;
5. an extended care facility;
6. a hospital district; or
7. a hospital authority.

(b) The term includes a committee appointed ad hoc to conduct a specific investigation or established under state or federal law or rule or under the bylaws or rules of the organization or institution.

(c) The term includes a committee, including a joint committee, of one or more health care systems if each health care system includes one or more of the entities listed in Subsection (a).

**Sec. 161.0315. AUTHORITY OF GOVERNING BODY TO FORM COMMITTEE TO EVALUATE MEDICAL AND HEALTH CARE SERVICES.** (a) The governing body
of a hospital, medical organization, university medical school or health science center, health maintenance organization, extended care facility, hospital district, or hospital authority may form a medical peer review committee, as defined by Section 151.002, Occupations Code, or a medical committee, as defined by Section 161.031, to evaluate medical and health care services, except as provided by this section.

(b) Except as provided by Subsection (d), a medical peer review committee or medical committee formed by the governing body of a hospital district may not evaluate medical and health care services provided by a health care facility that:

(1) contracts with the district to provide those services; and

(2) has formed a medical peer review committee or medical committee to evaluate the services provided by the facility.

(c) A hospital district may require in a contract with a health care facility described by Subsection (b) a provision that allows the governing body of the district to appoint a specified number of members to the facility's medical peer review committee or medical committee to evaluate medical and health care services for which the district contracts with the facility to provide. The governing body of a hospital district may receive a report from the facility's medical peer review committee or medical committee under this section in a closed meeting. A report, information, or a record that the district receives from the facility related to a review action conducted under the terms of the contract is:

(1) confidential;

(2) not subject to disclosure under Chapter 552, Government Code; and

(3) subject to the same confidentiality and disclosure requirements to which a report, information, or record of a medical peer review committee under Section 160.006, Occupations Code, is subject.

(d) If a hospital district and a health care facility described by Subsection (b) do not agree on a contract provision described by Subsection (c), the hospital district has, with respect to a review action for the evaluation of medical and health care services provided by the facility under a contract with the district, a right to:

(1) initiate the review action;
(2) appoint from the medical staff of the facility a number of members to the facility's medical peer review committee or medical committee equal to the number of members appointed to the committee by the facility to conduct the review action, without regard to whether the district initiates the action; and

(3) receive records, information, or reports from the medical peer review committee or medical committee related to the review action.

(e) The governing body of a hospital district may receive a report under Subsection (d)(3) in a closed meeting. A report, information, or a record that the hospital district receives under Subsection (d)(3) is:

(1) confidential;
(2) not subject to disclosure under Chapter 552, Government Code; and
(3) subject to the same confidentiality and disclosure requirements to which a report, information, or record of a medical peer review committee under Section 160.006, Occupations Code, is subject.

(f) A medical peer review committee or medical committee formed by the governing body of a hospital district may compile a report, information, or record of the medical and health care services provided by a health care facility described by Subsection (b) and submit the compilation to the facility's medical peer review committee or medical committee. A report, information, or record compiled under this subsection is:

(1) confidential;
(2) not subject to disclosure under Chapter 552, Government Code; and
(3) subject to the same confidentiality and disclosure requirements to which a report, information, or record of a medical peer review committee under Section 160.007, Occupations Code, is subject.

Sec. 161.032. RECORDS AND PROCEEDINGS CONFIDENTIAL. (a) The
records and proceedings of a medical committee are confidential and are not subject to court subpoena.

(b) Notwithstanding Section 551.002, Government Code, the following proceedings may be held in a closed meeting following the procedures prescribed by Subchapter E, Chapter 551, Government Code:

(1) a proceeding of a medical peer review committee, as defined by Section 151.002, Occupations Code, or medical committee;

(2) a meeting of the governing body of a public hospital, hospital district, hospital authority, or health maintenance organization of a public hospital, hospital authority, hospital district, or state-owned teaching hospital at which the governing body receives records, information, or reports provided by a medical committee, medical peer review committee, or compliance officer.

(c) Records, information, or reports of a medical committee, medical peer review committee, or compliance officer and records, information, or reports provided by a medical committee, medical peer review committee, or compliance officer to the governing body of a public hospital, hospital district, or hospital authority are not subject to disclosure under Chapter 552, Government Code.

(d) The records and proceedings may be used by the committee and the committee members only in the exercise of proper committee functions.

(e) The records, information, and reports received or maintained by a compliance officer retain the protection provided by this section only if the records, information, or reports are received, created, or maintained in the exercise of a proper function of the compliance officer as provided by the Office of Inspector General of the United States Department of Health and Human Services.

(f) This section and Subchapter A, Chapter 160, Occupations Code, do not apply to records made or maintained in the regular course of business by a hospital, health maintenance organization, medical organization, university medical center or health science center, hospital district, hospital authority, or extended care facility.

(g) Notwithstanding any other provision of this section, the records of a medical committee of a university medical school or a health science center, including a joint committee, may be disclosed to the extent required under federal law as a condition on the receipt of federal money.
Sec. 161.033. IMMUNITY FOR COMMITTEE MEMBERS. A member of a medical committee is not liable for damages to a person for an action taken or recommendation made within the scope of the functions of the committee if the committee member acts without malice and in the reasonable belief that the action or recommendation is warranted by the facts known to the committee member.

SUBCHAPTER E. REPORTS OF GUNSHOT WOUNDS AND CONTROLLED SUBSTANCE OVERDOSES

Sec. 161.041. MANDATORY REPORTING OF GUNSHOT WOUNDS. A physician who attends or treats, or who is requested to attend or treat, a bullet or gunshot wound, or the administrator, superintendent, or other person in charge of a hospital, sanitorium, or other institution in which a bullet or gunshot wound is attended or treated or in which the attention or treatment is requested, shall report the case at once to the law enforcement authority of the municipality or county in which the physician practices or in which the institution is located.

Sec. 161.042. MANDATORY REPORTING OF CONTROLLED SUBSTANCE OVERDOSES. (a) A physician who attends or treats, or who is requested to attend or treat, an overdose of a controlled substance listed in Penalty Group 1 under Section 481.102, or the administrator, superintendent, or other person in charge of a hospital, sanitorium, or other institution in which an overdose of a
controlled substance listed in Penalty Group 1 under Section 481.102 is attended or treated or in which the attention or treatment is requested, shall report the case at once to the department.

(b) A physician or other person who reports an overdose of a controlled substance under this section shall include in the report information regarding the date of the overdose, the type of controlled substance used, the sex and approximate age of the person attended or treated for the overdose or for whom treatment was sought, the symptoms associated with the overdose, the extent of treatment made necessary by the overdose, and the patient outcome. The physician or other person making the report may provide other demographic information concerning the person attended or treated or for whom treatment was sought but may not disclose the person's name or address or any other information concerning the person's identity.

(c) A hospital, sanitorium, or other institution that makes a report under this section is not subject to civil or criminal liability for damages arising out of the report. An individual who makes a good-faith report under this section is not subject to civil or criminal liability for damages arising out of the report.

Added by Acts 1999, 76th Leg., ch. 38, Sec. 1, eff. Sept. 1, 1999.

Sec. 161.043. CRIMINAL PENALTY. (a) A person commits an offense if the person is required to report under this subchapter and intentionally fails to report.

(b) An offense under this section is a misdemeanor punishable by confinement in jail for not more than six months or by a fine of not more than $100.

Sec. 161.044. CONTROLLED SUBSTANCE OVERDOSE INFORMATION REPOSITORY. (a) The department shall maintain a central repository for the collection and analysis of information relating to incidents of a controlled substance overdose for which a physician or other person is required to report to the department under Section 161.042. The department may not include in the repository any information the
physician or other person is precluded from reporting under that section.

(b) The department shall release statistical information contained in the central repository on the request of a medical professional or representative of a law enforcement agency.

Added by Acts 1999, 76th Leg., ch. 38, Sec. 1, eff. Sept. 1, 1999.

**SUBCHAPTER F. DISCLOSURE OF CERTAIN AGREEMENTS FOR PAYMENT OF LABORATORY TESTS**

Sec. 161.061. LABORATORY INFORMATION REQUIRED. (a) A person licensed in this state to practice medicine, dentistry, podiatry, veterinary medicine, or chiropractic may not agree with a clinical, bioanalytical, or hospital laboratory to make payments to the laboratory for individual tests, combinations of tests, or test series for a patient unless:

1. the person discloses on the bill or statement to the patient or to a third party payor the name and address of the laboratory and the net amount paid to or to be paid to the laboratory; or

2. discloses in writing on request to the patient or third party payor the net amount.

(b) The disclosure permitted by Subsection (a)(2) must show the charge for the laboratory test or test series and may include an explanation, in net dollar amounts or percentages, of the charge from the laboratory, the charge for handling, and an interpretation charge.

Sec. 161.062. GROUNDS FOR LICENSE DENIAL. The agency responsible for licensing and regulating a person subject to this subchapter may, in addition to any other authority granted, deny a license application or other permission to practice if the person violates this subchapter.

SUBCHAPTER G. HUMAN MILK BANKS

Sec. 161.071. MINIMUM GUIDELINES FOR HUMAN DONOR MILK BANKS.
The department shall establish minimum guidelines for the procurement, processing, distribution, or use of human milk by donor milk banks.

SUBCHAPTER H. DISTRIBUTION OF CIGARETTES OR TOBACCO PRODUCTS

Sec. 161.081. DEFINITIONS. In this subchapter:
(1) "Cigarette" has the meaning assigned by Section 154.001, Tax Code.
(2) "Permit holder" has the meaning assigned by Section 154.001 or 155.001, Tax Code, as applicable.
(3) "Retail sale" means a transfer of possession from a retailer to a consumer in connection with a purchase, sale, or exchange for value of cigarettes or tobacco products.
(4) "Retailer" has the meaning assigned by Section 154.001 or 155.001, Tax Code, as applicable.
(5) "Tobacco product" has the meaning assigned by Section 155.001, Tax Code.
(6) "Wholesaler" has the meaning assigned by Section 154.001 or 155.001, Tax Code, as applicable.

Amended by Acts 1997, 75th Leg., ch. 671, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 161.082. SALE OF CIGARETTES OR TOBACCO PRODUCTS TO PERSONS YOUNGER THAN 18 YEARS OF AGE PROHIBITED; PROOF OF AGE REQUIRED. (a) A person commits an offense if the person, with criminal negligence:
(1) sells, gives, or causes to be sold or given a cigarette or tobacco product to someone who is younger than 18 years of age; or
(2) sells, gives, or causes to be sold or given a cigarette or tobacco product to another person who intends to deliver it to someone who is younger than 18 years of age.
(b) If an offense under this section occurs in connection with a sale by an employee of the owner of a store in which cigarettes or tobacco products are sold at retail, the employee is criminally
responsible for the offense and is subject to prosecution.

(c) An offense under this section is a Class C misdemeanor.

(d) It is a defense to prosecution under Subsection (a)(1) that the person to whom the cigarette or tobacco product was sold or given was presented to the defendant apparently valid proof of identification.

(e) A proof of identification satisfies the requirements of Subsection (d) if it contains a physical description and photograph consistent with the person's appearance, purports to establish that the person is 18 years of age or older, and was issued by a governmental agency. The proof of identification may include a driver's license issued by this state or another state, a passport, or an identification card issued by a state or the federal government.

Sec. 161.0825. USE OF CERTAIN ELECTRONICALLY READABLE INFORMATION. (a) In this section, "transaction scan device" means a device capable of deciphering electronically readable information on a driver's license, commercial driver's license, or identification certificate.

(b) A person may access electronically readable information on a driver's license, commercial driver's license, or identification certificate for the purpose of complying with Section 161.082.

(c) Information accessed under this section may not be sold or otherwise disseminated to a third party for any purpose, including any marketing, advertising, or promotional activities. The information may be obtained by court order or on proper request by the comptroller, a law enforcement officer, or a law enforcement agency.

(d) A person who violates this section commits an offense. An offense under this section is a Class A misdemeanor.

(e) It is an affirmative defense to prosecution under Section 161.082 that:

(1) a transaction scan device identified a license or certificate as valid and the defendant accessed the information and
relied on the results in good faith; or

(2) if the defendant is the owner of a store in which cigarettes or tobacco products are sold at retail, the offense under Section 161.082 occurs in connection with a sale by an employee of the owner, and the owner had provided the employee with:

(A) a transaction scan device in working condition; and

(B) adequate training in the use of the transaction scan device.

Added by Acts 2005, 79th Leg., Ch. 391 (S.B. 1465), Sec. 1, eff. September 1, 2005.

Sec. 161.083. SALE OF CIGARETTES OR TOBACCO PRODUCTS TO PERSONS YOUNGER THAN 27 YEARS OF AGE. (a) Pursuant to federal regulation under 21 C.F.R. Section 897.14(b), a person may not sell, give, or cause to be sold or given a cigarette or tobacco product to someone who is younger than 27 years of age unless the person to whom the cigarette or tobacco product was sold or given presents an apparently valid proof of identification.

(b) A retailer shall adequately supervise and train the retailer's agents and employees to prevent a violation of Subsection (a).

(c) A proof of identification described by Section 161.082(e) satisfies the requirements of Subsection (a).

(d) Notwithstanding any other provision of law, a violation of this section is not a violation of this subchapter for purposes of Section 154.1142 or 155.0592, Tax Code.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 1.01, eff. Jan. 1, 1998.

Sec. 161.084. WARNING NOTICE. (a) Each person who sells cigarettes or tobacco products at retail or by vending machine shall post a sign in a location that is conspicuous to all employees and customers and that is close to the place at which the cigarettes or tobacco products may be purchased.

(b) The sign must include the statement:

PURCHASING OR ATTEMPTING TO PURCHASE TOBACCO PRODUCTS BY A MINOR UNDER 18 YEARS OF AGE IS PROHIBITED BY LAW. SALE OR PROVISION OF TOBACCO PRODUCTS TO A MINOR UNDER 18 YEARS OF AGE IS PROHIBITED BY
LAW. UPON CONVICTION, A CLASS C MISDEMEANOR, INCLUDING A FINE OF UP TO $500, MAY BE IMPOSED. VIOLATIONS MAY BE REPORTED TO THE TEXAS COMPTROLLER'S OFFICE BY CALLING (insert toll-free telephone number).

PREGNANT WOMEN SHOULD NOT SMOKE. SMOKERS ARE MORE LIKELY TO HAVE BABIES WHO ARE BORN PREMATURE OR WITH LOW BIRTH WEIGHT.

(c) The comptroller by rule shall determine the design and size of the sign.

(d) The comptroller on request shall provide the sign without charge to any person who sells cigarettes or tobacco products. The comptroller may provide the sign without charge to distributors of cigarettes or tobacco products or wholesale dealers of cigarettes or tobacco products in this state for distribution to persons who sell cigarettes or tobacco products. A distributor or wholesale dealer may not charge for distributing a sign under this subsection.

(e) A person commits an offense if the person fails to display a sign as prescribed by this section. An offense under this subsection is a Class C misdemeanor.

(f) The comptroller may accept gifts or grants from any public or private source to perform the comptroller's duties under this section.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 62 (S.B. 91), Sec. 1, eff. September 1, 2007.
Acts 2007, 80th Leg., R.S., Ch. 488 (S.B. 143), Sec. 2, eff. September 1, 2007.

Sec. 161.085. NOTIFICATION OF EMPLOYEES AND AGENTS. (a) Each retailer shall notify each individual employed by that retailer who is to be engaged in retail sales of cigarettes or tobacco products that state law:

(1) prohibits the sale or distribution of cigarettes or tobacco products to any person who is younger than 18 years of age as provided by Section 161.082 and that a violation of that section is a Class C misdemeanor; and
(2) requires each person who sells cigarettes or tobacco products at retail or by vending machine to post a warning notice as provided by Section 161.084, requires each employee to ensure that the appropriate sign is always properly displayed while that employee is exercising the employee's duties, and provides that a violation of Section 161.084 is a Class C misdemeanor.

(b) The notice required by Subsection (a) must be provided within 72 hours of the date an individual begins to engage in retail sales of tobacco products. The individual shall signify that the individual has received the notice required by Subsection (a) by signing a form stating that the law has been fully explained, that the individual understands the law, and that the individual, as a condition of employment, agrees to comply with the law.

(c) Each form signed by an individual under this section shall indicate the date of the signature and the current address and social security number of the individual. The retailer shall retain the form signed by each individual employed as a retail sales clerk until the 60th day after the date the individual has left the employer's employ.

(d) A retailer required by this section to notify employees commits an offense if the retailer fails, on demand of a peace officer or an agent of the comptroller, to provide the forms prescribed by this section. An offense under this section is a Class C misdemeanor.

(e) It is a defense to prosecution under Subsection (d) to show proof that the employee did complete, sign, and date the forms required by Subsections (b) and (c). Proof must be shown to the comptroller or an agent of the comptroller not later than the seventh day after the date of a demand under Subsection (d).

Sec. 161.086. VENDOR ASSISTED SALES REQUIRED; VENDING MACHINES. (a) Except as provided by Subsection (b), a retailer or other person may not:

(1) offer cigarettes or tobacco products for sale in a manner that permits a customer direct access to the cigarettes or
tobacco products; or
(2) install or maintain a vending machine containing
  cigarettes or tobacco products.
(b) Subsection (a) does not apply to:
  (1) a facility or business that is not open to persons
      younger than 18 years of age at any time;
      (2) that part of a facility or business that is a humidor
          or other enclosure designed to store cigars in a climate-controlled
          environment; or
      (3) a premises for which a person holds a package store
          permit issued under the Alcoholic Beverage Code.
(c) The comptroller or a peace officer may, with or without a
    warrant, seize, seal, or disable a vending machine installed or
    maintained in violation of this section. Property seized under this
    subsection must be seized in accordance with, and is subject to
    forfeiture to the state in accordance with, Subchapter H, Chapter
    154, Tax Code, and Subchapter E, Chapter 155, Tax Code.
(d) A person commits an offense if the person violates
    Subsection (a). An offense under this subsection is a Class C
    misdemeanor.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 1.01, eff. Jan. 1, 1998.
Amended by Acts 1999, 76th Leg., ch. 567, Sec. 1, eff. Sept. 1, 1999.

Sec. 161.087. DISTRIBUTION OF CIGARETTES OR TOBACCO PRODUCTS.
(a) A person may not distribute to persons younger than 18 years of
    age:
    (1) a free sample of a cigarette or tobacco product; or
    (2) a coupon or other item that the recipient may use to
        receive a free or discounted cigarette or tobacco product or a sample
        cigarette or tobacco product.
(b) Except as provided by Subsection (c), a permit holder may
    not accept or redeem, offer to accept or redeem, or hire a person to
    accept or redeem a coupon or other item that the recipient may use to
    receive a free or discounted cigarette or tobacco product or a sample
    cigarette or tobacco product if the recipient is younger than 18
    years of age. A coupon or other item that such a recipient may use
    to receive a free or discounted cigarette or tobacco product or a
    sample cigarette or tobacco product may not be redeemable through
mail or courier delivery.

(c) Subsections (a)(2) and (b) do not apply to a transaction between permit holders unless the transaction is a retail sale.

(d) A person commits an offense if the person violates this section. An offense under this subsection is a Class C misdemeanor.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 161.088. ENFORCEMENT; UNANNOUNCED INSPECTIONS. (a) The comptroller shall enforce this subchapter in partnership with local law enforcement agencies and with their cooperation and shall ensure the state's compliance with Section 1926 of the federal Public Health Service Act (42 U.S.C. Section 300x-26) and any implementing regulations adopted by the United States Department of Health and Human Services. Except as expressly authorized by law, the comptroller may not adopt any rules governing the subject matter of this subchapter or Subchapter K, N, or O.

(b) The comptroller may make block grants to counties and municipalities to be used by local law enforcement agencies to enforce this subchapter in a manner that can reasonably be expected to reduce the extent to which cigarettes and tobacco products are sold or distributed to persons who are younger than 18 years of age. At least annually, random unannounced inspections shall be conducted at various locations where cigarettes and tobacco products are sold or distributed to ensure compliance with this subchapter. The comptroller shall rely, to the fullest extent possible, on local law enforcement agencies to enforce this subchapter.

(c) To facilitate the effective administration and enforcement of this subchapter, the comptroller may enter into interagency contracts with other state agencies, and those agencies may assist the comptroller in the administration and enforcement of this subchapter.

(d) The use of a person younger than 18 years of age to act as a minor decoy to test compliance with this subchapter shall be conducted in a fashion that promotes fairness. A person may be enlisted by the comptroller or a local law enforcement agency to act as a minor decoy only if the following requirements are met:

(1) written parental consent is obtained for the use of a
person younger than 18 years of age to act as a minor decoy to test compliance with this subchapter;

(2) at the time of the inspection, the minor decoy is younger than 17 years of age;

(3) the minor decoy has an appearance that would cause a reasonably prudent seller of cigarettes or tobacco products to request identification and proof of age;

(4) the minor decoy carries either the minor's own identification showing the minor's correct date of birth or carries no identification, and a minor decoy who carries identification presents it on request to any seller of cigarettes or tobacco products; and

(5) the minor decoy answers truthfully any questions about the minor's age.

(e) The comptroller shall annually prepare for submission by the governor to the secretary of the United States Department of Health and Human Services the report required by Section 1926 of the federal Public Health Service Act (42 U.S.C. Section 300x-26).

Sec. 161.089. PREEMPTION OF LOCAL LAW. This subchapter does not preempt a local regulation of the sale, distribution, or use of cigarettes or tobacco products or affect the authority of a political subdivision to adopt or enforce an ordinance or requirement relating to the sale, distribution, or use of cigarettes or tobacco products if the regulation, ordinance, or requirement:

(1) is compatible with and equal to or more stringent than a requirement prescribed by this subchapter; or

(2) relates to an issue that is not specifically addressed by this subchapter or Chapter 154 or 155, Tax Code.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 161.090. REPORTS OF VIOLATION. A local or state law enforcement agency or other governmental unit shall notify the
comptroller, on the 10th day of each month, or the first working day after that date, of any violation of this subchapter that occurred in the preceding month that the agency or unit detects, investigates, or prosecutes.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 1.01, eff. Sept. 1, 1997.

Sec. 161.0901. REPORT OF OFFICE OF SMOKING AND HEALTH. (a) Not later than January 5th of each odd-numbered year the Office of Smoking and Health of the department shall report to the governor, lieutenant governor, and the speaker of the house of representatives on the status of smoking and the use of tobacco and tobacco products in this state.

(b) The report must include, at a minimum:

(1) a baseline of statistics and analysis regarding retail compliance with this subchapter, Subchapter K, and Chapters 154 and 155, Tax Code;

(2) a baseline of statistics and analysis regarding illegal tobacco sales, including:
   (A) sales to minors;
   (B) enforcement actions concerning minors; and
   (C) sources of citations;

(3) tobacco controls and initiatives by the Office of Smoking and Health of the department, or any other state agency, including an evaluation of the effectiveness of the controls and initiatives;

(4) the future goals and plans of the Office of Smoking and Health of the department to decrease the use of tobacco and tobacco products;

(5) the educational programs of the Office of Smoking and Health of the department and the effectiveness of those programs; and

(6) the incidence of use of tobacco and tobacco products by regions in this state, including use of cigarettes and tobacco products by ethnicity.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 1.01, eff. Sept. 1, 1997.
SUBCHAPTER J. EXPOSURE TO LEAD

Sec. 161.101. TESTS FOR EXPOSURE TO LEAD. (a) At the request of an attending physician, the department shall conduct tests for lead poisoning if the physician suspects that a person has been exposed to lead and that the person may have been harmed by that exposure.

(b) The department shall charge only for the cost to the department of conducting the test.

(c) The board shall adopt rules to implement this section.

SUBCHAPTER K. PROHIBITION OF CERTAIN CIGARETTE OR TOBACCO PRODUCT ADVERTISING; FEE

Sec. 161.121. DEFINITIONS. In this subchapter:

(1) "Church" means a facility that is owned by a religious organization and that is used primarily for religious services.

(2) "Cigarette" has the meaning assigned by Section 154.001, Tax Code.

(3) "School" means a private or public elementary or secondary school.

(4) "Sign" means an outdoor medium, including a structure, display, light device, figure, painting, drawing, message, plaque, poster, or billboard, that is:

(A) used to advertise or inform; and

(B) visible from the main-traveled way of a street or highway.

(5) "Tobacco product" has the meaning assigned by Section 155.001, Tax Code.

Added by Acts 1993, 73rd Leg., ch. 107, Sec. 5.02(a), eff. Aug. 30, 1993. Amended by Acts 1997, 75th Leg., ch. 671, Sec. 2.01, eff. Sept. 1, 1997.

Sec. 161.122. PROHIBITION RELATING TO CERTAIN SIGNS; EXCEPTIONS. (a) Except as provided by this section, a sign containing an advertisement for cigarettes or tobacco products may not be located closer than 1,000 feet to a church or school.

(b) The measurement of the distance between the sign containing
an advertisement for cigarettes or tobacco products and an institution listed in Subsection (a) is from the nearest property line of the institution to a point on a street or highway closest to the sign, along street lines and in direct lines across intersections.

(c) This section does not apply to a sign located on or in a facility owned or leased by a professional sports franchise or in a facility where professional sports events are held at least 10 times during a 12-month period.

(d) In Subsection (c), a "facility" includes a stadium, arena, or events center and any land or property owned or leased by the professional sports franchise that is connected to or immediately contiguous to the stadium, arena, or events center.

(e) Subsection (a) does not apply to a sign containing an advertisement for cigarettes or tobacco products that, before September 1, 1997, was located closer than 1,000 feet to a church or school but that was not located closer than 500 feet to the church or school.

(f) A person commits an offense if the person places or authorizes the placement of a sign in violation of this section. An offense under this subsection is a Class C misdemeanor.

Added by Acts 1993, 73rd Leg., ch. 107, Sec. 5.02(a), eff. Aug. 30, 1993. Amended by Acts 1997, 75th Leg., ch. 671, Sec. 2.01, eff. Sept. 1, 1997; Acts 2003, 78th Leg., ch. 209, Sec. 1, eff. Oct. 1, 2003.

Sec. 161.123. ADVERTISING FEE. (a) A purchaser of advertising is liable for and shall remit to the comptroller a fee that is 10 percent of the gross sales price of any outdoor advertising of cigarettes and tobacco products in this state.

(b) The comptroller shall collect the fee and deposit the money as provided in this section.

(c) The liability for the payment of fees under this section may not be nullified by contract.

(d) The comptroller shall establish by rule the periods for collection of the fees and the methods of payment and shall adopt other rules necessary to administer and enforce this section.

(e) In this section, "gross sales price" means the sum of:
(1) production costs;
(2) media cost; and
(3) cost of sales or commissions paid to an agency or broker.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 2.01, eff. Sept. 1, 1997.

Sec. 161.124. USE OF ADVERTISING FEE. (a) The comptroller shall deposit the fee collected under Section 161.123 to a special account in the state treasury called the tobacco education and enforcement education fund.

(b) Money in the account may be appropriated only for administration and enforcement of this section, enforcement of law relating to cigarettes and tobacco products, and the education advertising campaign and grant program established under Subchapter O, Chapter 161.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 2.01, eff. Sept. 1, 1997.

Sec. 161.125. ADMINISTRATIVE PENALTY. (a) The comptroller by order may impose an administrative penalty against a purchaser of advertising required to comply with Section 161.123 who violates that section or a rule or order adopted under that section.

(b) The penalty for a violation may be in an amount not to exceed $5,000. Each day a violation continues or occurs is a separate violation for purposes of imposing a penalty.

(c) The amount of the penalty shall be based on:
(1) the amount of fees due and owing;
(2) attempted concealment of misconduct by the person who committed the violation;
(3) premeditated misconduct by the person who committed the violation;
(4) intentional misconduct by the person who committed the violation;
(5) the motive of the person who committed the violation;
(6) prior misconduct of a similar or related nature by the person who committed the violation;
prior written warnings or written admonishments from any government agency or official regarding statutes or regulations pertaining to the misconduct;

(8) violation by the person who committed the violation of an order of the comptroller;

(9) lack of rehabilitative potential or likelihood for future misconduct of a similar nature;

(10) relevant circumstances increasing the seriousness of the misconduct; and

(11) any other matter justice may require.

(d) The comptroller shall prescribe the procedure by which the comptroller may impose an administrative penalty under this section.

(e) A proceeding under this section is subject to Chapter 2001, Government Code.

(f) If the comptroller by order finds that a violation has occurred and imposes an administrative penalty, the comptroller shall give notice to the person of the comptroller's order. The notice must include a statement of the rights of the person to judicial review of the order.

(g) If the purchaser of advertising does not pay the amount of the penalty, the comptroller may refer the matter to the attorney general for collection of the amount of the penalty.

(h) A penalty collected under this section shall be deposited in the general revenue fund.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 2.01, eff. Sept. 1, 1997.

SUBCHAPTER L. ABUSE, NEGLECT, AND UNPROFESSIONAL OR UNETHICAL CONDUCT IN HEALTH CARE FACILITIES

Sec. 161.131. DEFINITIONS. In this subchapter:

(1) "Abuse" has the meaning assigned by the federal Protection and Advocacy for Mentally Ill Individuals Act of 1986 (42 U.S.C. Section 10801 et seq.).

(2) "Comprehensive medical rehabilitation" means the provision of rehabilitation services that are designed to improve or minimize a person's physical or cognitive disabilities, maximize a person's functional ability, or restore a person's lost functional capacity through close coordination of services, communication,
interaction, and integration among several professions that share the responsibility to achieve team treatment goals for the person.

(3) "Hospital" has the meaning assigned by Section 241.003.
(4) "Illegal conduct" means conduct prohibited by law.
(5) "Inpatient mental health facility" has the meaning assigned by Section 571.003.
(6) "License" means a state agency permit, certificate, approval, registration, or other form of permission required by state law.
(7) "Mental health facility" has the meaning assigned by Section 571.003.
(8) "Neglect" has the meaning assigned by the federal Protection and Advocacy for Mentally Ill Individuals Act of 1986 (42 U.S.C. Section 10801 et seq.).
(9) "State health care regulatory agency" means a state agency that licenses a health care professional.
(10) "Treatment facility" has the meaning assigned by Section 464.001.
(11) "Unethical conduct" means conduct prohibited by the ethical standards adopted by state or national professional organizations for their respective professions or by rules established by the state licensing agency for the respective profession.
(12) "Unprofessional conduct" means conduct prohibited under rules adopted by the state licensing agency for the respective profession.

Added by Acts 1993, 73rd Leg., ch. 573, Sec. 1.01, eff. Sept. 1, 1993.

Sec. 161.132. REPORTS OF ABUSE AND NEGLECT OR OF ILLEGAL, UNPROFESSIONAL, OR UNETHICAL CONDUCT. (a) A person, including an employee, volunteer, or other person associated with an inpatient mental health facility, a treatment facility, or a hospital that provides comprehensive medical rehabilitation services, who reasonably believes or who knows of information that would reasonably cause a person to believe that the physical or mental health or welfare of a patient or client of the facility who is receiving chemical dependency, mental health, or rehabilitation services has
been, is, or will be adversely affected by abuse or neglect caused by any person shall as soon as possible report the information supporting the belief to the agency that licenses the facility or to the appropriate state health care regulatory agency.

(b) An employee of or other person associated with an inpatient mental health facility, a treatment facility, or a hospital that provides comprehensive medical rehabilitation services, including a health care professional, who reasonably believes or who knows of information that would reasonably cause a person to believe that the facility or an employee of or health care professional associated with the facility has, is, or will be engaged in conduct that is or might be illegal, unprofessional, or unethical and that relates to the operation of the facility or mental health, chemical dependency, or rehabilitation services provided in the facility shall as soon as possible report the information supporting the belief to the agency that licenses the facility or to the appropriate state health care regulatory agency.

(c) The requirement prescribed by this section is in addition to the requirements provided by Chapter 261, Family Code, and Chapter 48, Human Resources Code.

(d) The Texas Board of Mental Health and Mental Retardation, Texas Board of Health, Texas Commission on Alcohol and Drug Abuse, and each state health care regulatory agency by rule shall:

(1) prescribe procedures for the investigation of reports received under Subsection (a) or (b) and for coordination with and referral of reports to law enforcement agencies or other appropriate agencies; and

(2) prescribe follow-up procedures to ensure that a report referred to another agency receives appropriate action.

(e) Each hospital, inpatient mental health facility, and treatment facility shall prominently and conspicuously post for display in a public area of the facility that is readily available to patients, residents, volunteers, employees, and visitors a statement of the duty to report under this section. The statement must be in English and in a second language and contain a toll-free telephone number that a person may call to report.

(f) Each state health care regulatory agency by rule shall provide for appropriate disciplinary action against a health care professional licensed by the agency who fails to report as required by this section.
(g) An individual who in good faith reports under this section is immune from civil or criminal liability arising from the report. That immunity extends to participation in an administrative or judicial proceeding resulting from the report but does not extend to an individual who caused the abuse or neglect or who engaged in the illegal, unprofessional, or unethical conduct.

(h) A person commits an offense if the person:

(1) intentionally, maliciously, or recklessly reports false material information under this section; or

(2) fails to report as required by Subsection (a).

(i) An offense under Subsection (h) is a Class A misdemeanor.

(j) In this section, "abuse" includes coercive or restrictive actions that are illegal or not justified by the patient's condition and that are in response to the patient's request for discharge or refusal of medication, therapy, or treatment.

Sec. 161.133. MEMORANDUM OF UNDERSTANDING ON INSERVICE TRAINING. (a) The Texas Board of Mental Health and Mental Retardation, Texas Board of Health, and Texas Commission on Alcohol and Drug Abuse by rule shall adopt a joint memorandum of understanding that requires each inpatient mental health facility, treatment facility, or hospital that provides comprehensive medical rehabilitation services to annually provide as a condition of continued licensure a minimum of eight hours of inservice training designed to assist employees and health care professionals associated with the facility in identifying patient abuse or neglect and illegal, unprofessional, or unethical conduct by or in the facility.

(b) The memorandum must prescribe:

(1) minimum standards for the training program; and

(2) a means for monitoring compliance with the requirement.

(c) Each agency shall review and modify the memorandum as necessary not later than the last month of each state fiscal year.

Added by Acts 1993, 73rd Leg., ch. 573, Sec. 1.01, eff. Sept. 1, 1993.
Sec. 161.134. RETALIATION AGAINST EMPLOYEES PROHIBITED. (a) A hospital, mental health facility, or treatment facility may not suspend or terminate the employment of or discipline or otherwise discriminate against an employee for reporting to the employee's supervisor, an administrator of the facility, a state regulatory agency, or a law enforcement agency a violation of law, including a violation of this chapter, a rule adopted under this chapter, or a rule adopted by the Texas Board of Mental Health and Mental Retardation, the Texas Board of Health, or the Texas Commission on Alcohol and Drug Abuse.

(b) A hospital, mental health facility, or treatment facility that violates Subsection (a) is liable to the person discriminated against. A person who has been discriminated against in violation of Subsection (a) may sue for injunctive relief, damages, or both.

(c) A plaintiff who prevails in a suit under this section may recover actual damages, including damages for mental anguish even if an injury other than mental anguish is not shown.

(d) In addition to an award under Subsection (c), a plaintiff who prevails in a suit under this section may recover exemplary damages and reasonable attorney fees.

(e) In addition to amounts recovered under Subsections (c) and (d), a plaintiff is entitled to, if applicable:
   (1) reinstatement in the plaintiff's former position;
   (2) compensation for lost wages; and
   (3) reinstatement of lost fringe benefits or seniority rights.

(f) A plaintiff suing under this section has the burden of proof, except that it is a rebuttable presumption that the plaintiff's employment was suspended or terminated, or that the employee was disciplined or discriminated against, for making a report related to a violation if the suspension, termination, discipline, or discrimination occurs before the 60th day after the date on which the plaintiff made a report in good faith.

(g) A suit under this section may be brought in the district court of the county in which:
   (1) the plaintiff was employed by the defendant; or
   (2) the defendant conducts business.

(h) A person who alleges a violation of Subsection (a) must sue under this section before the 180th day after the date the alleged violation occurred or was discovered by the employee through the use
of reasonable diligence.

(i) This section does not abrogate any other right to sue or interfere with any other cause of action.

(j) Each hospital, mental health facility, and treatment facility shall prominently and conspicuously post for display in a public area of the facility that is readily available to patients, residents, employees, and visitors a statement that employees and staff are protected from discrimination or retaliation for reporting a violation of law. The statement must be in English and in a second language.

Added by Acts 1993, 73rd Leg., ch. 573, Sec. 1.01, eff. Sept. 1, 1993.

Sec. 161.135. RETALIATION AGAINST NONEMPLOYEES PROHIBITED. (a) A hospital, mental health facility, or treatment facility may not retaliate against a person who is not an employee for reporting a violation of law, including a violation of this chapter, a rule adopted under this chapter, or a rule adopted by the Texas Board of Mental Health and Mental Retardation, the Texas Board of Health, or the Texas Commission on Alcohol and Drug Abuse.

(b) A hospital, mental health facility, or treatment facility that violates Subsection (a) is liable to the person retaliated against. A person who has been retaliated against in violation of Subsection (a) may sue for injunctive relief, damages, or both.

(c) A person suing under this section has the burden of proof, except that it is a rebuttable presumption that the plaintiff was retaliated against if:

(1) before the 60th day after the date on which the plaintiff made a report in good faith, the hospital, mental health facility, or treatment facility:

(A) discriminates in violation of Section 161.134 against a relative who is an employee of the facility;

(B) transfers, disciplines, suspends, terminates, or otherwise discriminates against the person or a relative who is a volunteer in the facility or who is employed under the patient work program administered by the Texas Department of Mental Health and Mental Retardation;

(C) commits or threatens to commit, without
justification, the person or a relative of the person; or

(D) transfers, discharges, punishes, or restricts the privileges of the person or a relative of the person who is receiving inpatient or outpatient services in the facility; or

(2) a person expected to testify on behalf of the plaintiff is intentionally made unavailable through an action of the facility, including a discharge, resignation, or transfer.

(d) A plaintiff who prevails in a suit under this section may recover actual damages, including damages for mental anguish even if an injury other than mental anguish is not shown.

(e) In addition to an award under Subsection (c), a plaintiff who prevails in a suit under this section may recover exemplary damages and reasonable attorney fees.

(f) A suit under this section may be brought in the district court of the county in which:

(1) the plaintiff received care or treatment; or

(2) the defendant conducts business.

(g) This section does not abrogate any other right to sue or interfere with any other cause of action.

(h) Each hospital, mental health facility, and treatment facility shall prominently and conspicuously post for display in a public area of the facility that is readily available to patients, residents, employees, and visitors a statement that nonemployees are protected from discrimination or retaliation for reporting a violation of law. The statement must be in English and in a second language. The sign may be combined with the sign required by Section 161.134(j).

Added by Acts 1993, 73rd Leg., ch. 573, Sec. 1.01, eff. Sept. 1, 1993.

Sec. 161.136. BROCHURE RELATING TO SEXUAL EXPLOITATION. (a) A state health care regulatory agency by rule may require a mental health services provider licensed by that agency to provide a standardized written brochure, in wording a patient can understand, that summarizes the law prohibiting sexual exploitation of patients. The brochure must be available in English and in a second language.

(b) The brochure shall include:

(1) procedures for filing a complaint relating to sexual
exploitation, including any toll-free telephone number available; and

(2) the rights of a victim of sexual exploitation.
(c) In this section, "mental health services provider" has the meaning assigned by Section 81.001, Civil Practice and Remedies Code.

Added by Acts 1993, 73rd Leg., ch. 573, Sec. 1.01, eff. Sept. 1, 1993.

Sec. 161.137. PENALTIES. In addition to the penalties prescribed by this subchapter, a violation of a provision of this subchapter by an individual or facility that is licensed by a state health care regulatory agency is subject to the same consequence as a violation of the licensing law applicable to the individual or facility or of a rule adopted under that licensing law.

Added by Acts 1993, 73rd Leg., ch. 573, Sec. 1.01, eff. Sept. 1, 1993.

SUBCHAPTER M. MEDICAL OR MENTAL HEALTH RECORDS

Sec. 161.201. DEFINITION. In this subchapter, "health care provider" means a person who is licensed, certified, or otherwise authorized by the laws of this state to provide or render health care in the ordinary course of business or practice of a profession.

Sec. 161.202. FEES. (a) A health care provider or health care facility may not charge a fee for a medical or mental health record requested by a patient or former patient, or by an attorney or other authorized representative of the patient or former patient, for use in supporting an application for disability benefits or other benefits or assistance the patient or former patient may be eligible to receive based on that patient's or former patient's disability, or an appeal relating to denial of those benefits or assistance under:

(1) Chapter 31, Human Resources Code;
(2) the state Medicaid program;
(3) Title II, the federal Social Security Act, as amended
(42 U.S.C. Section 401 et seq.);
(4) Title XVI, the federal Social Security Act, as amended
(42 U.S.C. Section 1382 et seq.);
(5) Title XVIII, the federal Social Security Act, as
amended (42 U.S.C. Section 1395 et seq.);
(6) 38 U.S.C. Section 1101 et seq., as amended; or
(7) 38 U.S.C. Section 1501 et seq., as amended.

(b) A health care provider or health care facility may charge a
fee for the medical or mental health record of a patient or former
patient requested by a state or federal agency in relation to the
patient or former patient's application for benefits or assistance
under Subsection (a) or an appeal relating to denial of those
benefits or assistance.

(c) A person, including a state or federal agency, that
requests a record under this section shall include with the request a
statement or document from the department or agency that administers
the issuance of the assistance or benefits that confirms the
application or appeal.

(d) A health care provider or health facility is not required
to provide more than one complete record for a patient or former
patient requested under Subsection (a)(6) or (7) without charge. If
additional material is added to the patient or former patient's
record, on request the health care provider or health facility shall
supplement the record provided under Subsection (a)(6) or (7) without
charge. This subsection does not affect the ability of a person to
receive a medical or mental health record under Subsections (a)(1)-
(5).

Amended by Acts 1999, 76th Leg., ch. 201, Sec. 1, eff. Sept. 1, 1999.

Sec. 161.203. DISTRIBUTION OF RECORDS. A health care provider
or health care facility shall provide to the requestor a medical or
mental health record requested under Section 161.202 not later than
the 30th day after the date on which the provider or facility
receives the request.

Sec. 161.204. APPLICATION OF OTHER LAW. This subchapter controls over Section 611.0045 of this code and Section 159.006, Occupations Code, and any other provision that authorizes the charging of a fee for providing medical or mental health records.

SUBCHAPTER N. TOBACCO USE BY MINORS

Sec. 161.251. DEFINITIONS. In this subchapter:

(1) "Cigarette" has the meaning assigned by Section 154.001, Tax Code.

(2) "Tobacco product" has the meaning assigned by Section 155.001, Tax Code.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 3.01, eff. Jan. 1, 1998.

Sec. 161.252. POSSESSION, PURCHASE, CONSUMPTION, OR RECEIPT OF CIGARETTES OR TOBACCO PRODUCTS BY MINORS PROHIBITED. (a) An individual who is younger than 18 years of age commits an offense if the individual:

(1) possesses, purchases, consumes, or accepts a cigarette or tobacco product; or

(2) falsely represents himself or herself to be 18 years of age or older by displaying proof of age that is false, fraudulent, or not actually proof of the individual's own age in order to obtain possession of, purchase, or receive a cigarette or tobacco product.

(b) It is an exception to the application of this section that the individual younger than 18 years of age possessed the cigarette or tobacco product in the presence of:

(1) an adult parent, a guardian, or a spouse of the individual; or

(2) an employer of the individual, if possession or receipt of the tobacco product is required in the performance of the employee's duties as an employee.

(c) It is an exception to the application of this section that the individual younger than 18 years of age is participating in an inspection or test of compliance in accordance with Section 161.088.
(d) An offense under this section is punishable by a fine not to exceed $250.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 3.01, eff. Jan. 1, 1998.

Sec. 161.253. TOBACCO AWARENESS PROGRAM; COMMUNITY SERVICE.
(a) On conviction of an individual for an offense under Section 161.252, the court shall suspend execution of sentence and shall require the defendant to attend a tobacco awareness program approved by the commissioner. The court may require the parent or guardian of the defendant to attend the tobacco awareness program with the defendant.

(b) On request, a tobacco awareness program may be taught in languages other than English.

(c) If the defendant resides in a rural area of this state or another area of this state in which access to a tobacco awareness program is not readily available, the court shall require the defendant to perform eight to 12 hours of tobacco-related community service instead of attending the tobacco awareness program.

(d) The tobacco awareness program and the tobacco-related community service are remedial and are not punishment.

(e) Not later than the 90th day after the date of a conviction under Section 161.252, the defendant shall present to the court, in the manner required by the court, evidence of satisfactory completion of the tobacco awareness program or the tobacco-related community service.

(f) On receipt of the evidence required under Subsection (e), the court shall:

(1) if the defendant has been previously convicted of an offense under Section 161.252, execute the sentence, and at the discretion of the court, reduce the fine imposed to not less than half the fine previously imposed by the court; or

(2) if the defendant has not been previously convicted of an offense under Section 161.252, discharge the defendant and dismiss the complaint or information against the defendant.

(g) If the court discharges the defendant under Subsection (f)(2), the defendant is released from all penalties and disabilities resulting from the offense except that the defendant is considered to have been convicted of the offense if the defendant is subsequently
convicted of an offense under Section 161.252 committed after the dismissal under Subsection (f)(2).

Added by Acts 1997, 75th Leg., ch. 671, Sec. 3.01, eff. Jan. 1, 1998.

Sec. 161.254. DRIVER'S LICENSE SUSPENSION OR DENIAL. (a) If the defendant does not provide the evidence required under Section 161.253(e) within the period specified by that subsection, the court shall order the Department of Public Safety to suspend or deny issuance of any driver's license or permit to the defendant. The order must specify the period of the suspension or denial, which may not exceed 180 days after the date of the order.

(b) The Department of Public Safety shall send to the defendant notice of court action under Subsection (a) by first class mail. The notice must include the date of the order and the reason for the order and must specify the period of the suspension or denial.

Sec. 161.255. EXPUNGEMENT OF CONVICTION. (a) An individual convicted of an offense under Section 161.252 may apply to the court to have the conviction expunged. If the court finds that the individual satisfactorily completed the tobacco awareness program or tobacco-related community service ordered by the court, the court shall order the conviction and any complaint, verdict, sentence, or other document relating to the offense to be expunged from the individual's record and the conviction may not be shown or made known for any purpose.

(b) The court shall charge an applicant a fee in the amount of $30 for each application for expungement filed under this section to defray the cost of notifying state agencies of orders of expungement under this section.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 3.01, eff. Jan. 1, 1998. Amended by:

Acts 2005, 79th Leg., Ch. 886 (S.B. 1426), Sec. 5, eff. September 1, 2005.
Sec. 161.256. JURISDICTION OF COURTS. A justice court or municipal court may exercise jurisdiction over any matter in which a court under this subchapter may:

(1) impose a requirement that a defendant attend a tobacco awareness program or perform tobacco-related community service; or
(2) order the suspension or denial of a driver's license or permit.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 3.01, eff. Jan. 1, 1998.

Sec. 161.257. APPLICATION OF OTHER LAW. Title 3, Family Code, does not apply to a proceeding under this subchapter.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 3.01, eff. Jan. 1, 1998.

SUBCHAPTER O. PREVENTION OF TOBACCO USE BY MINORS

Sec. 161.301. TOBACCO USE PUBLIC AWARENESS CAMPAIGN. (a) The commissioner shall develop and implement a public awareness campaign designed to reduce tobacco use by minors in this state. The campaign may use advertisements or similar media to provide educational information about tobacco use.

(b) The commissioner may contract with another person to develop and implement the public awareness campaign. The contract shall be awarded on the basis of competitive bids.

(c) A contract awarded under Subsection (b) may be awarded only to a business that has a proven background in advertising and public relations campaigns.

(d) The commissioner may not award a contract under Subsection (b) to:

(1) a person or entity that is required to register with the Texas Ethics Commission under Chapter 305, Government Code, except as provided by Subsection (f);

(2) any partner, employee, employer, relative, contractor, consultant, or related entity of a person or entity described by Subdivision (1) and not described by Subsection (f); or

(3) a person or entity who has been hired to represent associations or other entities for the purpose of affecting the
outcome of legislation, agency rules, or other government policies through grassroots or media campaigns.

(e) The persons or entities described by Subsection (d) are not eligible to receive the money or participate either directly or indirectly in the public awareness campaign.

(f) A registrant under Chapter 305, Government Code, is not ineligible under Subsections (d) and (e) if the person is required to register under that chapter solely because the person communicates directly with a member of the executive branch to influence administrative action concerning a matter relating to the purchase of products or services by a state agency.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 3.01, eff. Sept. 1, 1997.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 1174 (H.B. 3445), Sec. 6, eff. September 1, 2009.

Sec. 161.302. GRANT PROGRAM FOR YOUTH GROUPS. (a) The entity administering Section 161.301 shall also develop and implement a grant program to support youth groups that include as a part of the group's program components related to reduction of tobacco use by the group's members.

(b) "Youth group" means a nonprofit organization that:
   (1) is chartered as a national or statewide organization;
   (2) is organized and operated exclusively for youth recreational or educational purposes and that includes, as part of the group's program, in addition to the components described by Subsection (a), components relating to:
       (A) prevention of drug abuse;
       (B) character development;
       (C) citizenship training; and
       (D) physical and mental fitness;
   (3) has been in existence for at least 10 years; and
   (4) has a membership of which at least 65 percent is younger than 22 years of age.

Added by Acts 1997, 75th Leg., ch. 671, Sec. 3.01, eff. Sept. 1, 1997.
Sec. 161.325. MENTAL HEALTH PROMOTION AND INTERVENTION, SUBSTANCE ABUSE PREVENTION AND INTERVENTION, AND SUICIDE PREVENTION. (a) The department, in coordination with the Texas Education Agency and regional education service centers, shall provide and annually update a list of recommended best practice-based programs in the areas specified under Subsection (a-1) for implementation in public elementary, junior high, middle, and high schools within the general education setting. Each school district may select from the list a program or programs appropriate for implementation in the district. (a-1) The list must include programs in the following areas: (1) early mental health intervention; (2) mental health promotion and positive youth development; (3) substance abuse prevention; (4) substance abuse intervention; and (5) suicide prevention. (a-2) The department, the Texas Education Agency, and each regional education service center shall make the list easily accessible on their websites. (b) The programs on the list must include components that provide for training counselors, teachers, nurses, administrators, and other staff, as well as law enforcement officers and social workers who regularly interact with students, to: (1) recognize students at risk of committing suicide, including students who are or may be the victims of or who engage in bullying; (2) recognize students displaying early warning signs and a possible need for early mental health or substance abuse intervention, which warning signs may include declining academic performance, depression, anxiety, isolation, unexplained changes in sleep or eating habits, and destructive behavior toward self and others; and (3) intervene effectively with students described by Subdivision (1) or (2) by providing notice and referral to a parent or guardian so appropriate action, such as seeking mental health or substance abuse services, may be taken by a parent or guardian. (c) In developing the list of programs, the department and the Texas Education Agency shall consider: (1) any existing suicide prevention method developed by a school district; and
any Internet or online course or program developed in this state or another state that is based on best practices recognized by the Substance Abuse and Mental Health Services Administration or the Suicide Prevention Resource Center.

(c-1) Except as otherwise provided by this subsection, each school district shall provide training described in the components set forth under Subsection (b) for teachers, counselors, principals, and all other appropriate personnel. A school district is required to provide the training at an elementary school campus only to the extent that sufficient funding and programs are available. A school district may implement a program on the list to satisfy the requirements of this subsection.

(c-2) If a school district provides the training under Subsection (c-1):

(1) a school district employee described under that subsection must participate in the training at least one time; and

(2) the school district shall maintain records that include the name of each district employee who participated in the training.

(d) The board of trustees of each school district may adopt a policy concerning mental health promotion and intervention, substance abuse prevention and intervention, and suicide prevention that:

(1) establishes a procedure for providing notice of a recommendation for early mental health or substance abuse intervention regarding a student to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs as described by Subsection (b)(2);

(2) establishes a procedure for providing notice of a student identified as at risk of committing suicide to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs as described by Subsection (b)(2);

(3) establishes that the district may develop a reporting mechanism and may designate at least one person to act as a liaison officer in the district for the purposes of identifying students in need of early mental health or substance abuse intervention or suicide prevention; and

(4) sets out available counseling alternatives for a parent or guardian to consider when their child is identified as possibly being in need of early mental health or substance abuse intervention or suicide prevention.
(e) The policy must prohibit the use without the prior consent of a student's parent or guardian of a medical screening of the student as part of the process of identifying whether the student is possibly in need of early mental health or substance abuse intervention or suicide prevention.

(f) The policy and any necessary procedures adopted under Subsection (d) must be included in:
   (1) the annual student handbook; and
   (2) the district improvement plan under Section 11.252, Education Code.

(g) The department may accept donations for purposes of this section from sources without a conflict of interest. The department may not accept donations for purposes of this section from an anonymous source.

(i) Nothing in this section is intended to interfere with the rights of parents or guardians and the decision-making regarding the best interest of the child. Policy and procedures adopted in accordance with this section are intended to notify a parent or guardian of a need for mental health or substance abuse intervention so that a parent or guardian may take appropriate action. Nothing in this section shall be construed as giving school districts the authority to prescribe medications. Any and all medical decisions are to be made by a parent or guardian of a student.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1134 (H.B. 1386), Sec. 3, eff. June 17, 2011.
Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 578 (S.B. 831), Sec. 2, eff. September 1, 2013.
   Acts 2013, 83rd Leg., R.S., Ch. 578 (S.B. 831), Sec. 3, eff. September 1, 2013.
   Acts 2013, 83rd Leg., R.S., Ch. 1321 (S.B. 460), Sec. 4, eff. September 1, 2013.

Sec. 161.326. IMMUNITY. This subchapter does not:
   (1) waive any immunity from liability of a school district or of district school officers or employees;
   (2) create any liability for a cause of action against a school district or against district school officers or employees; or
(3) waive any immunity from liability under Section 74.151, Civil Practice and Remedies Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1321 (S.B. 460), Sec. 5, eff. September 1, 2013.

SUBCHAPTER P. DISCLOSURE OF INGREDIENTS IN CIGARETTES AND TOBACCO PRODUCTS

Sec. 161.351. DEFINITIONS. In this subchapter:
(1) "Cigarette" has the meaning assigned by Section 154.001, Tax Code.
(2) "Manufacturer" has the meanings assigned by Sections 154.001 and 155.001, Tax Code.
(3) "Tobacco product" has the meaning assigned by Section 155.001, Tax Code.

Sec. 161.352. REPORT TO DEPARTMENT. (a) Each manufacturer shall file with the department an annual report for each cigarette or tobacco product distributed in this state, stating:
(1) the identity of each ingredient in the cigarette or tobacco product, listed in descending order according to weight, measure, or numerical count, other than:
(A) tobacco;
(B) water; or
(C) a reconstituted tobacco sheet made wholly from tobacco; and
(2) a nicotine yield rating for the cigarette or tobacco product established under Section 161.353.

(b) This section does not require a manufacturer to disclose the specific amount of any ingredient in a cigarette or tobacco product if that ingredient has been approved as safe when burned and inhaled by the United States Food and Drug Administration or a successor entity.

(c) The department by rule shall establish the time for filing an annual report under this section and shall prescribe the form for
the report.

Sec. 161.353. NICOTINE YIELD RATES. (a) Each manufacturer shall assign a nicotine yield rating to each cigarette or tobacco product distributed in this state. The rating shall be assigned in accordance with standards adopted by the department.

(b) The department standards must be developed so that the nicotine yield rating reflects, as accurately as possible, nicotine intake for an average consumer of the cigarette or tobacco product.

Sec. 161.354. PUBLIC INFORMATION. (a) Except as provided by Subsections (b), (c), and (d), information included in a report filed under this subchapter is public information and is not confidential unless it is determined to be confidential under this section.

(b) The department may not disclose information under Subsection (a) until the department has obtained the advice of the attorney general under this section with respect to the particular information to be disclosed. If the attorney general determines that the disclosure of particular information would constitute an unconstitutional taking of property, the information is confidential and the department shall exclude that information from disclosure.

(c) Information included in a report filed under this subchapter is confidential if the department determines that there is no reasonable scientific basis for concluding that the availability of the information could reduce risks to public health.

(d) Information included in a report filed under this subchapter is confidential under Chapter 552, Government Code, if the information would be excepted from public disclosure as a trade secret under state or federal law.
Sec. 161.355. INJUNCTION. (a) A district court, on petition of the department and on a finding by the court that a manufacturer has failed to file the report required by Section 161.352, may by injunction:

(1) prohibit the sale or distribution in this state of a cigarette or tobacco product manufactured by the manufacturer; or

(2) grant any other injunctive relief warranted by the facts.

(b) The attorney general shall institute and conduct a suit authorized by this section at the request of the department and in the name of the state.

(c) A suit for injunctive relief must be brought in Travis County.

Amended by Acts 1999, 76th Leg., ch. 62, Sec. 19.02(13), eff. Sept. 1, 1999.

SUBCHAPTER Q. INSTALLATION OF ASBESTOS

Sec. 161.401. DEFINITIONS. In this subchapter:

(1) "Asbestos" means the asbestiform varieties of chrysotile, amosite, crocidolite, tremolite, anthophyllite, and actinolite.

(2) "Contractor" means a person who constructs, repairs, or maintains a public building as an independent contractor. The term includes a subcontractor.

(3) "Public building" means a building used or to be used for purposes that provide for public access or occupancy. The term does not include:

(A) an industrial facility to which access is limited principally to employees of the facility because of processes or functions that are hazardous to human safety or health;

(B) a federal building or installation;
(C) a private residence;
(D) an apartment building with not more than four dwelling units; or
(E) a manufacturing facility or building that is part of a facility to which access is limited to workers and invited guests under controlled conditions.

Sec. 161.402. MATERIAL SAFETY DATA SHEET REQUIRED; ASBESTOS INSTALLATION OR REINSTALLATION PROHIBITED. The board shall adopt rules designating the materials or replacement parts for which a person must obtain a material safety data sheet before installing the materials or parts in a public building. A person may not install materials or replacement parts in a public building if:

(1) the person does not obtain a required material safety data sheet; or
(2) the materials or parts, according to the material safety data sheet, contain more than one percent asbestos and there is an alternative material or part.

Sec. 161.403. INJUNCTION. (a) The attorney general or the appropriate district or county attorney, in the name of the state, may bring an action for an injunction or other process against a contractor who is violating or threatening to violate this subchapter. The action may be brought in a district court of Travis County or of a county in which any part of the violation or threatened violation occurs.

(b) The district court may grant any prohibitory or mandatory relief warranted by the facts, including a temporary restraining order, temporary injunction, or permanent injunction.

Sec. 161.404. CIVIL PENALTY. (a) A contractor who violates this subchapter is subject to a civil penalty not to exceed $10,000 a
day for each violation. Each day of violation constitutes a separate violation for purposes of penalty assessment.

(b) In determining the amount of the civil penalty, the court shall consider:

(1) the contractor's previous violations;
(2) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
(3) whether the health and safety of the public was threatened by the violation;
(4) the demonstrated good faith of the contractor; and
(5) the amount necessary to deter future violations.

(c) The attorney general or the appropriate district or county attorney, in the name of the state, may bring an action under this section in a district court of Travis County or of a county in which any part of the violation occurs.

(d) The party bringing the suit may:

(1) combine a suit to assess and recover civil penalties with a suit for injunctive relief brought under Section 161.403; or
(2) file a suit to assess and recover civil penalties independently of a suit for injunctive relief.

(e) A penalty collected under this section by the attorney general shall be deposited in the state treasury to the credit of the general revenue fund. A penalty collected under this section by a district or county attorney shall be deposited to the credit of the general fund of the county in which the suit was heard.

Sec. 161.405. RECOVERY OF COSTS. The party bringing a suit under Section 161.403 or 161.404 may recover reasonable expenses incurred in obtaining injunctive relief, civil penalties, or both, including investigation costs, court costs, reasonable attorney's fees, witness fees, and deposition expenses.

Sec. 161.406. ADMINISTRATIVE PENALTY. (a) The department may impose an administrative penalty on a contractor who violates this subchapter.
(b) The amount of the penalty may not exceed $10,000 a day for a violation. Each day a violation continues or occurs is a separate violation for the purpose of imposing a penalty.

(c) The penalty amount shall be based on:
   (1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
   (2) the history of previous violations;
   (3) the amount necessary to deter a future violation;
   (4) efforts to correct the violation; and
   (5) any other matter that justice may require.

(d) The enforcement of the penalty may be stayed during the time the order is under judicial review if the contractor pays the penalty to the clerk of the court or files a supersedeas bond with the court in the amount of the penalty. A contractor who cannot afford to pay the penalty or file the bond may stay the enforcement by filing an affidavit in the manner required by the Texas Rules of Civil Procedure for a party who cannot afford to file security for costs, subject to the right of the department to contest the affidavit as provided by those rules.

(e) The attorney general may sue to collect the penalty.

(f) A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.

Sec. 161.407. REMEDIES CUMULATIVE. The civil penalty, administrative penalty, and injunction authorized by this subchapter are in addition to any other civil, administrative, or criminal action provided by law.

SUBCHAPTER R. DELIVERY SALES OF CIGARETTES

Sec. 161.451. DEFINITIONS. In this subchapter:
   (1) "Delivery sale" means a sale of cigarettes to a consumer in this state in which the purchaser submits the order for the sale by means of a telephonic or other method of voice transmission, by using the mails or any other delivery service, or through the Internet or another on-line service, or the cigarettes
are delivered by use of the mails or another delivery service. A sale of cigarettes is a delivery sale regardless of whether the seller is located within or without this state. A sale of cigarettes not for personal consumption to a person who is a wholesale dealer or a retail dealer is not a delivery sale.

(2) "Delivery service" means a person, including the United States Postal Service, that is engaged in the commercial delivery of letters, packages, or other containers.

(3) "Shipping container" means a container in which cigarettes are shipped in connection with a delivery sale.

(4) "Shipping documents" means a bill of lading, airbill, United States Postal Service form, or any other document used to evidence the undertaking by a delivery service to deliver letters, packages, or other containers.

Added by Acts 2003, 78th Leg., ch. 730, Sec. 1, eff. Sept. 1, 2003.

Sec. 161.452. REQUIREMENTS FOR DELIVERY SALES. (a) A person may not make a delivery sale of cigarettes to an individual who is under the age prescribed by Section 161.082.

(b) A person taking a delivery sale order shall comply with:

(1) the age verification requirements prescribed by Section 161.453;

(2) the disclosure requirements prescribed by Section 161.454;

(3) the shipping requirements prescribed by Section 161.455;

(4) the registration and reporting requirements prescribed by Section 161.456;

(5) the tax collection requirements prescribed by Section 161.457; and

(6) each law of this state that generally applies to sales of cigarettes that occur entirely within this state, including a law:

(A) imposing a tax; or

(B) prescribing a permitting or tax-stamping requirement.

Added by Acts 2003, 78th Leg., ch. 730, Sec. 1, eff. Sept. 1, 2003.
Sec. 161.453. AGE VERIFICATION REQUIREMENT. (a) A person may not mail or ship cigarettes in connection with a delivery sale order unless before mailing or shipping the cigarettes the person accepting the delivery sale order first:

(1) obtains from the prospective customer a certification that includes:

(A) reliable confirmation that the purchaser is at least 18 years of age; and

(B) a statement signed by the prospective purchaser in writing and under penalty of law:

(i) certifying the prospective purchaser's address and date of birth;

(ii) confirming that the prospective purchaser understands that signing another person's name to the certification is illegal, that sales of cigarettes to an individual under the age prescribed by Section 161.082 are illegal under state law, and that the purchase of cigarettes by an individual under that age is illegal under state law; and

(iii) confirming that the prospective purchaser wants to receive mailings from a tobacco company;

(2) makes a good faith effort to verify the information contained in the certification provided by the prospective purchaser under Subdivision (1) against a commercially available database or obtains a photocopy or other image of a government-issued identification bearing a photograph of the prospective purchaser and stating the date of birth or age of the prospective purchaser;

(3) sends to the prospective purchaser, by e-mail or other means, a notice that complies with Section 161.454; and

(4) for an order made over the Internet or as a result of an advertisement, receives payment for the delivery sale from the prospective purchaser by a credit or debit card that has been issued in the purchaser's name or by check.

(b) A person taking a delivery sale order may request that a prospective purchaser provide the purchaser's e-mail address.

Added by Acts 2003, 78th Leg., ch. 730, Sec. 1, eff. Sept. 1, 2003.

Sec. 161.454. DISCLOSURE REQUIREMENTS. The notice required by Section 161.453(a)(3) must include a prominent and clearly legible
statement that:

(1) cigarette sales to individuals who are below the age prescribed by Section 161.082 are illegal under state law;

(2) sales of cigarettes are restricted to those individuals who provide verifiable proof of age in accordance with Section 161.453; and

(3) cigarette sales are taxable under Chapter 154, Tax Code, and an explanation of how that tax has been or is to be paid with respect to the delivery sale.

Added by Acts 2003, 78th Leg., ch. 730, Sec. 1, eff. Sept. 1, 2003.

Sec. 161.455. SHIPPING REQUIREMENTS. (a) A person who mails or ships cigarettes in connection with a delivery sale order shall:

(1) include as part of the shipping documents a clear and conspicuous statement: "CIGARETTES: TEXAS LAW PROHIBITS SHIPPIING TO INDIVIDUALS UNDER 18 YEARS OF AGE AND REQUIRES THE PAYMENT OF ALL APPLICABLE TAXES";

(2) use a method of mailing or shipping that obligates the delivery service to require:

   (A) the purchaser placing the delivery sale order, or an adult who is at least 18 years of age and who resides at the purchaser's address, to sign to accept delivery of the shipping container; and

   (B) the person signing to accept delivery of the shipping container to provide proof, in the form of a government-issued identification bearing a photograph that the person is:

   (i) the addressee or an adult who is at least 18 years of age and who resides at the purchaser's address; and

   (ii) at least 18 years of age if the person appears to be younger than 27 years of age; and

(3) provide to the delivery service retained to make the delivery evidence of full compliance with Section 161.457.

(b) A person taking a delivery sale order who delivers the cigarettes without using a third-party delivery service shall comply with the requirements prescribed by this subchapter that apply to a delivery service.

Added by Acts 2003, 78th Leg., ch. 730, Sec. 1, eff. Sept. 1, 2003.
Sec. 161.456. REGISTRATION AND REPORTING REQUIREMENTS. (a) A person may not make a delivery sale or ship cigarettes in connection with a delivery sale unless the person first files with the comptroller a statement that includes:

1. the person's name and trade name; and
2. the address of the person's principal place of business and any other place of business, and the person's telephone number and e-mail address.

(b) Not later than the 10th day of each month, each person who has made a delivery sale or shipped or delivered cigarettes in connection with a delivery sale during the previous month shall file with the comptroller a memorandum or a copy of the invoice that provides for each delivery sale:

1. the name, address, telephone number, and e-mail address of the individual to whom the delivery sale was made;
2. the brand or brands of the cigarettes that were sold; and
3. the quantity of cigarettes that were sold.

(c) A person who complies with 15 U.S.C. Section 376, as amended, is considered to have complied with this section.

Added by Acts 2003, 78th Leg., ch. 730, Sec. 1, eff. Sept. 1, 2003.

Sec. 161.457. COLLECTION OF TAXES. A person who makes a delivery sale shall collect and remit to the comptroller any taxes imposed by this state in relation to the delivery sale. A person is not required to collect and remit any taxes for which the person has obtained proof, in the form of the presence of applicable tax stamps or otherwise, that the taxes have already been paid to this state.

Added by Acts 2003, 78th Leg., ch. 730, Sec. 1, eff. Sept. 1, 2003.

Sec. 161.458. GENERAL OFFENSES. (a) A person commits an offense if the person violates a provision of this subchapter for which a criminal penalty is not otherwise provided.

(b) An offense under Subsection (a) is a Class C misdemeanor.

(c) If it is shown on the trial of a person that the person has previously been convicted of an offense under this section, the offense is a Class B misdemeanor.
Sec. 161.459. KNOWING VIOLATION. (a) A person who knowingly violates a provision of this subchapter or who knowingly submits a certification under Section 161.453(a)(1) in another person's name commits an offense.

(b) An offense under this section is a felony of the third degree.

Sec. 161.460. CIVIL PENALTY FOR NONPAYMENT OF TAX. A person who fails to pay a tax imposed in connection with a delivery sale shall pay to the state a civil penalty in an amount equal to five times the amount of the tax due. The penalty provided by this section is in addition to any other penalty provided by law.

Sec. 161.461. FORFEITURE. (a) Cigarettes sold or that a person attempted to sell in a delivery sale that does not comply with this subchapter are forfeited to the state and shall be destroyed.

(b) A fixture, equipment, or other material or personal property on the premises of a person who, with the intent to defraud this state, fails to comply with this subchapter is forfeited to the state.

Sec. 161.462. ENFORCEMENT. The attorney general or the attorney general's designee may bring an action in a court of this state to prevent or restrain a violation of this subchapter by any person or by a person controlling such a person.
SUBCHAPTER S. ALLOCATION OF KIDNEYS AVAILABLE FOR TRANSPLANT

Sec. 161.471. DEFINITION. In this subchapter, "organ procurement organization" means an organization that is a qualified organ procurement organization under 42 U.S.C. Section 273 that is currently certified or recertified in accordance with that federal law.

Sec. 161.472. FORMATION OF KIDNEY SHARING POOL AND DISTRIBUTION TO LONGEST WAITING PATIENTS. (a) Under the system for allocating kidneys available for transplant in this state, to the extent allowed by federal law, a statewide pool of 20 percent of the kidneys from deceased donors of each blood type recovered by each organ procurement organization that has a defined service area that includes all or part of this state is provided to a special pool for redistribution to patients who have been waiting the longest for transplantation in this state.

(b) Medically eligible patients with low panel reactive antibodies of less than 10 percent who, in terms of accumulated waiting time, comprise the top 20 percent of all patients waiting will be put in a pool. As one of those patients receives a transplant, the patient will be replaced in the pool, in turn, by the next longest waiting patient. Only accumulated waiting time will be used to establish priority access to the pool.

(c) With the exception of assigning points for a six antigen match with zero antigen mismatch, assigning points for human leukocyte antigen (HLA) match will be eliminated by organ procurement organizations that are participating in the pool established under Subsection (a).

(d) After a patient has qualified for entry into the pool established under Subsection (b), the order of distribution is based solely on the length of time each patient has waited.

(e) Use of the pools will be managed by the federal Organ Procurement and Transplantation Network.

(f) A panel of appropriate physician specialists of Texas'
Organ Procurement and Transplantation Network members will monitor the listing of patients and the appropriate use of the pools.

**SUBCHAPTER T. INFORMATION FOR PARENTS OF NEWBORN CHILDREN**

Sec. 161.501. RESOURCE PAMPHLET AND RESOURCE GUIDE PROVIDED TO PARENTS OF NEWBORN CHILDREN. (a) A hospital, birthing center, physician, nurse midwife, or midwife who provides prenatal care to a pregnant woman during gestation or at delivery of an infant shall:

(1) provide the woman and the father of the infant, if possible, or another adult caregiver for the infant, with a resource pamphlet that includes:

(A) a list of the names, addresses, and phone numbers of professional organizations that provide postpartum counseling and assistance to parents relating to postpartum depression and other emotional trauma associated with pregnancy and parenting;

(B) information regarding the prevention of shaken baby syndrome including:

(i) techniques for coping with anger caused by a crying baby;

(ii) different methods for preventing a person from shaking a newborn, infant, or other young child;

(iii) the dangerous effects of shaking a newborn, infant, or other young child; and

(iv) the symptoms of shaken baby syndrome and who to contact, as recommended by the American Academy of Pediatrics, if a parent suspects or knows that a baby has been shaken in order to receive prompt medical treatment;

(C) a list of diseases for which a child is required by state law to be immunized and the appropriate schedule for the administration of those immunizations;

(D) the appropriate schedule for follow-up procedures for newborn screening;

(E) information regarding sudden infant death syndrome, including current recommendations for infant sleeping conditions to
lower the risk of sudden infant death syndrome; and

(F) educational information in both English and Spanish on pertussis disease and the availability of a vaccine to protect against pertussis, including information on the Centers for Disease Control recommendation that parents receive Tdap during the postpartum period to protect newborns from the transmission of pertussis;

(2) if the woman is a recipient of medical assistance under Chapter 32, Human Resources Code, provide the woman and the father of the infant, if possible, or another adult caregiver with a resource guide that includes information in both English and Spanish relating to the development, health, and safety of a child from birth until age five, including information relating to:

(A) selecting and interacting with a primary health care practitioner and establishing a "medical home" for the child;
(B) dental care;
(C) effective parenting;
(D) child safety;
(E) the importance of reading to a child;
(F) expected developmental milestones;
(G) health care resources available in the state;
(H) selecting appropriate child care; and
(I) other resources available in the state;

(3) document in the woman's record that the woman received the resource pamphlet described in Subdivision (1) and the resource guide described in Subdivision (2), if applicable; and

(4) retain the documentation for at least five years in the hospital's, birthing center's, physician's, nurse midwife's, or midwife's records.

(b) A hospital, birthing center, physician, nurse midwife, or midwife:

(1) may use the pamphlet provided on the department's website or an alternative pamphlet that provides the information required by Subsection (a)(1); and

(2) may use the resource guide provided on the department's website or an alternative guide that provides the information required by Subsection (a)(2).

(c) The department may make available online and distribute an existing publication created by another health and human services agency as the resource guide required by Subsection (a)(2).
Sec. 161.502. DUTIES OF DEPARTMENT. (a) The department shall:
(1) establish guidelines for the provision of the information required by Section 161.501;
(2) make available on the department's website:
   (A) a printable version of the pamphlet required by Section 161.501(a)(1); and
   (B) a printable version of the resource guide required by Section 161.501(a)(2);
(3) update the list of resources and required immunizations in the pamphlet required under Subdivision (2)(A) quarterly;
(4) make the pamphlet and resource guide required by Section 161.501 available for distribution to hospitals, physicians, birthing centers, nurse midwives, and midwives; and
(5) coordinate funding for the development, publication, and distribution of the informational pamphlet and resource guide with other health and human services agencies, and solicit funding for the department's duties under this subchapter through means other than appropriations, such as gifts, grants, and sales of sponsorship or advertising.

(b) The department may include additional information in the pamphlet or resource guide as appropriate for parents of newborns.

(c) The Health and Human Services Commission shall develop specific performance measures by which the commission may evaluate the effectiveness of the resource guide under Section 161.501(a)(2) in:

(1) reducing costs to the state; and
(2) improving outcomes for children.

(d) Not later than December 1 of each even-numbered year, the
Health and Human Services Commission shall submit a report to the legislature on the effectiveness of the resource guide under Section 161.501(a)(2), including legislative recommendations concerning the guide.

Amended by:
Acts 2009, 81st Leg., R.S., Ch. 171 (H.B. 1240), Sec. 1, eff. September 1, 2009.

Sec. 161.503. LIABILITY NOT CREATED. This subchapter does not create civil or criminal liability.

**SUBCHAPTER U. INFORMATION REGARDING PROGRAMS FOR MILITARY PERSONNEL AND THEIR FAMILIES**

Sec. 161.551. DEFINITIONS. In this subchapter:
(1) "Commission" means the Health and Human Services Commission.
(2) "Department" means the Department of State Health Services.
(3) "Servicemember" means a member or former member of the state military forces or a component of the United States armed forces, including a reserve component. In this section, "state military forces" has the meaning assigned by Section 437.001, Government Code.

Added by Acts 2007, 80th Leg., R.S., Ch. 1381 (S.B. 1058), Sec. 6, eff. September 1, 2007.
Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 1217 (S.B. 1536), Sec. 3.11, eff. September 1, 2013.
Sec. 161.552. DIRECTORY OF SERVICES.  (a) The department and commission shall compile, maintain, and disseminate through the Texas Information and Referral Network and through other appropriate media, a directory of services and other resources, tools, and counseling programs available to servicemembers and their immediate family.

(b) The directory must include:

(1) information regarding counseling services that:

(A) facilitate the reintegration of the servicemember into civilian and family life;

(B) identify and treat stress disorders, trauma, and traumatic brain injury;

(C) address parenting and family well-being, employment, and substance abuse issues; and

(D) provide crisis intervention services;

(2) to the greatest degree possible in the judgment of the department, all private and public community, state, and national resources that protect and promote the health and well-being of servicemembers and their immediate family and that are accessible in the state directly or through electronic media, print media, or the Internet; and

(3) other resources that support the health of servicemembers and their families.

(c) The department and commission shall organize the directory in a manner that allows a person to locate services in a specific community in the state.

(d) The department and commission shall develop and maintain the directory in collaboration with local, state, and national private and government organizations, including:

(1) the United States Veterans Health Administration;

(2) the United States Department of Defense;

(3) the Texas military forces;

(4) the Texas Veterans Commission; and

(5) other public and private national and community-based organizations that provide support to servicemembers and their families.

(e) The department shall provide the directory to the Texas Information and Referral Network of the commission in the time periods and in the manner and format specified by the Texas Information and Referral Network.

(f) The department shall provide the directory on the
department's website or through links appearing on the department's website.

Added by Acts 2007, 80th Leg., R.S., Ch. 1381 (S.B. 1058), Sec. 6, eff. September 1, 2007.
Amended by:
   Acts 2013, 83rd Leg., R.S., Ch. 1217 (S.B. 1536), Sec. 2.10, eff. September 1, 2013.

**SUBCHAPTER V. FEE ON CIGARETTES AND CIGARETTE TOBACCO PRODUCTS MANUFACTURED BY CERTAIN COMPANIES**

Sec. 161.601. PURPOSE. The purpose of this subchapter is to:
(1) recover health care costs to the state imposed by non-settling manufacturers;
(2) prevent non-settling manufacturers from undermining this state's policy of reducing underage smoking by offering cigarettes and cigarette tobacco products at prices that are substantially below the prices of cigarettes and cigarette tobacco products of other manufacturers;
(3) protect the tobacco settlement agreement and funding, which has been reduced because of the growth of sales of non-settling manufacturer cigarettes and cigarette tobacco products, for programs that are funded wholly or partly by payments to this state under the tobacco settlement agreement and recoup for this state settlement payment revenue lost because of sales of non-settling manufacturer cigarettes and cigarette tobacco products;
(4) ensure evenhanded treatment of manufacturers and further protect the tobacco settlement agreement and funding by imposing a partial payment obligation on non-settling manufacturers that already make payments on Texas sales under the master settlement agreement until a credit amendment to that agreement that will provide those manufacturers with a credit for payments to Texas is effective; and
(5) provide funding for any purpose the legislature determines.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1, eff. September 1, 2013.
Sec. 161.602. DEFINITIONS. In this subchapter:

(1) "Brand family" means each style of cigarettes or cigarette tobacco products sold under the same trademark. The term includes any style of cigarettes or cigarette tobacco products that have a brand name, trademark, logo, symbol, motto, selling message, recognizable pattern of colors, or other indication of product identification that is identical to, similar to, or identifiable with a previously known brand of cigarettes or cigarette tobacco products.

(2) "Cigarette" means a roll for smoking that is:
   (A) made of tobacco or tobacco mixed with another ingredient and wrapped or covered with a material other than tobacco; and
   (B) not a cigar.

(3) "Cigarette tobacco product" means roll-your-own tobacco or tobacco that, because of the tobacco's appearance, type, packaging, or labeling, is suitable for use in making cigarettes and is likely to be offered to or purchased by a consumer for that purpose.

(4) "Credit amendment" means an amendment to the master settlement agreement that offers a credit to subsequent participating manufacturers for fees paid under this subchapter with respect to their products in a form agreed on by settling states, as defined in the master settlement agreement, with aggregate allocable shares, as defined in the master settlement agreement, equal to at least 99.937049 percent; by the original participating manufacturers, as defined in the master settlement agreement; and by subsequent participating manufacturers whose aggregate market share, expressed as a percentage of the total number of individual cigarettes sold in the United States, the District of Columbia, and Puerto Rico during the calendar year at issue, as measured by excise taxes collected by the federal government, and in the case of cigarettes sold in Puerto Rico, by arbitrios de cigarillos collected by the Puerto Rico taxing authority, is greater than 2.5 percent. For purposes of the calculation of subsequent participating manufacturer market share under this subchapter, 0.09 ounces of roll-your-own tobacco constitutes one cigarette.

(5) "Distributor" has the meaning assigned by Section 154.001 or 155.001, Tax Code, as appropriate.

(6) "Fee" or "monthly fee" means the fee imposed under Section 161.603.
(7) "Manufacturer" means a person that manufactures, fabricates, or assembles cigarettes or cigarette tobacco products, or causes or arranges for the manufacture, fabrication, or assembly of cigarettes or cigarette tobacco products for sale or distribution. For purposes of this subchapter, the term includes a person that is the first importer into the United States of cigarettes or cigarette tobacco products manufactured, fabricated, or assembled outside the United States.

(8) "Master settlement agreement" means the settlement agreement entered into on November 23, 1998, by 46 states and leading United States tobacco manufacturers, as amended as of September 1, 2013.

(9) "Non-settling manufacturer" means a manufacturer of cigarettes or cigarette tobacco products that did not sign a tobacco settlement agreement described by Subdivision (15).

(10) "Non-settling manufacturer cigarettes" means cigarettes of a non-settling manufacturer.

(11) "Non-settling manufacturer cigarette tobacco products" means cigarette tobacco products of a non-settling manufacturer.

(12) "Released claim" means:
  (A) "released claims" as that term is defined in the agreement described by Subdivision (15)(A); and
  (B) all claims encompassed in Paragraph 7 of the agreement described by Subdivision (15)(B).

(13) "Settling manufacturer" means a manufacturer of cigarettes or cigarette tobacco products that signed a tobacco settlement agreement described by Subdivision (15).

(14) "Subsequent participating manufacturer" has the same meaning provided for that term in the master settlement agreement, except that the term excludes any settling manufacturer under the tobacco settlement agreement described by Subdivision (15)(B). A manufacturer may not be treated as a subsequent participating manufacturer for purposes of Section 161.604(c) unless it has provided to the comptroller notice and proof, in the form and manner the comptroller may prescribe, that it is a subsequent participating manufacturer.

(15) "Tobacco settlement agreement" means either:
  (A) the Comprehensive Settlement Agreement and Release filed on January 16, 1998, in the United States District Court, Eastern District of Texas, in the case styled The State of Texas v.
The American Tobacco Co., et al., No. 5-96CV-91, and all subsequent amendments; or

(B) the settlement agreement entered into on March 20, 1997, regarding the matter described in Paragraph (A), but only as to companies that signed that agreement on that date.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1, eff. September 1, 2013.

Sec. 161.603. FEE IMPOSED. (a) A fee is imposed on the sale, use, consumption, or distribution in this state of:

(1) non-settling manufacturer cigarettes if a stamp is required to be affixed to a package of those cigarettes under Section 154.041, Tax Code;

(2) non-settling manufacturer cigarettes that are sold, purchased, or distributed in this state but that are not required to have a stamp affixed to a package of those cigarettes under Chapter 154, Tax Code;

(3) non-settling manufacturer cigarette tobacco products that are subject to the tax imposed by Section 155.0211, Tax Code; and

(4) non-settling manufacturer cigarette tobacco products that are sold, purchased, or distributed in this state but that are not subject to the tax imposed by Section 155.0211, Tax Code.

(b) The fee imposed by this section does not apply to cigarettes or cigarette tobacco products that a settling manufacturer claims as its own, and that are included in computing payments to be made by that settling manufacturer, under the tobacco settlement agreement described by Section 161.602(15)(A).

(c) The fee imposed by this section does not apply to cigarettes or cigarette tobacco products that are sold into another state for resale to consumers outside of this state, provided that the sale is reported to the state into which the cigarettes are sold under 15 U.S.C. Section 376.

(d) The fee imposed by this section is in addition to any other privilege, license, fee, or tax required or imposed by state law.

(e) Except as otherwise provided by this subchapter, the fee imposed by this section is imposed, collected, paid, administered, and enforced in the same manner as the taxes imposed by Chapter 154.
or 155, Tax Code, as appropriate.

(f) The fee imposed by this section shall be collected only once on each cigarette or cigarette tobacco product on which it is due.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1, eff. September 1, 2013.

Sec. 161.604. RATE OF FEE. (a) For cigarettes or cigarette tobacco products sold, used, consumed, or distributed in this state, as provided by Section 161.603, during the 2013 calendar year, the fee is imposed at the rate of 2.75 cents for:

(1) each non-settling manufacturer cigarette; and

(2) each 0.09 ounces of non-settling manufacturer cigarette tobacco product described by Section 161.602(3).

(b) Beginning in January 2014, and in January of each subsequent year, the comptroller shall compute the rate of the fee applicable during that calendar year by increasing the rate for the preceding calendar year by the greater of:

(1) three percent; or

(2) the actual total percentage change in the Consumer Price Index for All Urban Consumers (CPI-U), as published by the Bureau of Labor Statistics of the United States Department of Labor, during the preceding calendar year, calculated by comparing the CPI-U for December of the preceding calendar year with the CPI-U for December a year earlier.

(c) Notwithstanding Subsection (a), the rate of the fee on the cigarettes and cigarette tobacco products of a subsequent participating manufacturer shall, for calendar months beginning before the effective date of a credit amendment, be calculated by substituting 0.75 cents for 2.75 cents in Subsection (a). For calendar months beginning on or after the effective date of a credit amendment, the rate of the fee on the cigarettes and cigarette tobacco products of subsequent participating manufacturers shall be the same as the rate that applies for those months to the cigarettes of non-settling manufacturers who are not subsequent participating manufacturers.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1, eff. September 1, 2013.
Sec. 161.605. DISTRIBUTOR'S REPORT AND PAYMENT OF MONTHLY FEE.

(a) A distributor required to file a report under Section 154.210 or 155.111, Tax Code, shall, in addition to the information required by those sections, include in that required report, as appropriate:

(1) the number and denominations of stamps affixed to individual packages of non-settling manufacturer cigarettes during the preceding month;

(2) the amount of non-settling manufacturer cigarette tobacco products subject to the tax imposed by Section 155.0211, Tax Code, during the preceding month;

(3) the number of individual packages of non-settling manufacturer cigarettes and the amount of non-settling manufacturer cigarette tobacco products not subject to the tax imposed by Chapter 154, Tax Code, or Section 155.0211, Tax Code, sold or purchased in this state or otherwise distributed in this state for sale in the United States;

(4) a calculation of the monthly fee required to be paid by the distributor; and

(5) any other information the comptroller considers necessary or appropriate to determine the amount of the fee imposed by this subchapter or to enforce this subchapter.

(b) A distributor shall include with the report required under this section the fee imposed under Section 161.603 based on the non-settling manufacturer cigarettes and cigarette tobacco products required to be included in the distributor's report under this section and calculated using the rate under Section 161.604.

(c) The information required by Subsections (a)(1), (2), and (3) must be itemized for each place of business and by manufacturer and brand family.

(d) The requirement to report information under this section shall be enforced in the same manner as the requirement to deliver to or file with the comptroller a report required under Section 154.210 or 155.111, Tax Code, as appropriate.

(e) Notwithstanding any other law, a distributor that remits a monthly fee under this section is, subject to Section 154.051, Tax Code, entitled to a stamping allowance of three percent of the face value of all stamps purchased under Section 154.041, Tax Code, for providing the service of affixing stamps to cigarette packages.
(f) Information obtained from a report provided under Subsection (a) regarding cigarettes or cigarette tobacco products sold, purchased, or otherwise distributed by a non-settling manufacturer may be disclosed by the comptroller to the manufacturer or to the authorized representative of the manufacturer.

(g) The comptroller shall, for the purpose of assisting distributors in calculating the monthly fee, publish and maintain on the comptroller's Internet website:

(1) a list of the names and brand families of settling manufacturers;

(2) a list of each non-settling manufacturer showing whether that manufacturer:
   (A) is a subsequent participating manufacturer; or
   (B) is not a subsequent participating manufacturer; and

(3) the effective date of any credit amendment.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1, eff. September 1, 2013.

Sec. 161.606. REPORT TO ATTORNEY GENERAL BEFORE OFFERING NON-SETTLING MANUFACTURER CIGARETTES OR CIGARETTE TOBACCO PRODUCTS FOR SALE OR DISTRIBUTION IN THIS STATE. (a) If cigarettes or cigarette tobacco products of a non-settling manufacturer were not offered for sale or distribution in this state on September 1, 2013, the non-settling manufacturer shall, before the date the cigarettes or cigarette tobacco products are offered for sale or distribution in this state, provide to the attorney general on a form prescribed by the attorney general:

(1) the non-settling manufacturer's complete name, address, and telephone number;

(2) the date that the non-settling manufacturer will begin offering cigarettes or cigarette tobacco products for sale or distribution in this state;

(3) the names of the brand families of the cigarettes or cigarette tobacco products that the non-settling manufacturer will offer for sale or distribution in this state;

(4) a statement that the non-settling manufacturer intends to comply with this subchapter; and

(5) the name, address, telephone number, and signature of
an officer of the non-settling manufacturer attesting to all of the
included information.

(b) The attorney general shall make the information provided
under this section available to the comptroller.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1,
eff. September 1, 2013.

Sec. 161.607. PENALTIES FOR NONCOMPLIANCE. Cigarettes and
cigarette tobacco products of a non-settling manufacturer that are
sold, used, consumed, or distributed in this state in violation of
this subchapter, including cigarettes and cigarette tobacco products
for which full payment of the fee imposed under Section 161.603 is
not made, shall be treated as cigarettes or cigarette tobacco
products for which the tax assessed by Chapter 154 or 155, Tax Code,
as appropriate, has not been paid, and the distributor or non-
settling manufacturer is subject to all penalties imposed by those
chapters for violations of those chapters.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1,
eff. September 1, 2013.

Sec. 161.608. APPOINTMENT OF AGENT FOR SERVICE OF PROCESS. A
non-settling manufacturer shall appoint and engage a resident agent
for service of process.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1,
eff. September 1, 2013.

Sec. 161.609. AUDIT OR INSPECTION. The comptroller or attorney
general is entitled to conduct reasonable periodic audits or
inspections of the financial records of a non-settling manufacturer
and its distributors to ensure compliance with this subchapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1,
eff. September 1, 2013.
Sec. 161.610. COMPTROLLER INFORMATION SHARING. On request, the comptroller shall report annually to the independent auditor or other entities responsible for making calculations or other determinations under a tobacco settlement agreement or the master settlement agreement, as the master settlement agreement may be amended or supplemented by some or all of the parties thereto, the volume of cigarettes on which the fee required under Section 161.603 is paid, itemized by cigarette manufacturer and brand family.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1, eff. September 1, 2013.

Sec. 161.611. REVENUE DEPOSITED IN GENERAL REVENUE FUND. The revenue from the fees imposed by this subchapter shall be deposited in the state treasury to the credit of the general revenue fund.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1, eff. September 1, 2013.

Sec. 161.612. RELEASED CLAIMS. All fees paid by a manufacturer under this subchapter shall apply on a dollar for dollar basis to reduce any judgment or settlement on a released claim brought against the manufacturer that made the payment.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1, eff. September 1, 2013.

Sec. 161.613. APPLICATION OF SUBCHAPTER. (a) This subchapter applies without regard to Section 154.022, Tax Code, or any other law that might be read to create an exemption for interstate sales.

(b) This subchapter does not apply to a tobacco product described by Section 155.001(15)(C), Tax Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1, eff. September 1, 2013.

Sec. 161.614. RULES. The comptroller may issue rules and
regulations as necessary to carry out or enforce this subchapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1305 (H.B. 3536), Sec. 1, eff. September 1, 2013.

CHAPTER 162. BLOOD BANKS AND DONATION OF BLOOD

Sec. 162.001. DEFINITIONS. In this chapter:

(1) "Blood bank" means a facility that obtains blood from voluntary donors, as that term is defined by the United States Food and Drug Administration, the American Association of Blood Banks, and the American Red Cross Blood Services and that is registered or licensed by the Office of Biologics of the United States Food and Drug Administration and accredited by the American Association of Blood Banks or the American Red Cross Blood Services, or is qualified for membership in the American Association of Tissue Banks. The term includes a blood center, regional collection center, tissue bank, and transfusion service.

(2) "AIDS" means acquired immune deficiency syndrome as defined by the Centers for Disease Control of the United States Public Health Service.

(3) "HIV" means human immunodeficiency virus.

Sec. 162.002. REQUIRED TESTING OF BLOOD. (a) For each donation of blood, a blood bank shall require the donor to submit to tests for infectious diseases, including tests for AIDS, HIV, or hepatitis, and serological tests for contagious venereal diseases.

(b) A blood bank is not required to obtain the donor's informed consent before administering tests for infectious diseases and is not required to provide counseling concerning the test results.

Sec. 162.003. CONFIDENTIALITY OF BLOOD BANK RECORDS. The medical and donor records of a blood bank are confidential and may not be disclosed except as provided by this chapter.
Sec. 162.004. DISCLOSURE REQUIRED BY LAW. A blood bank shall disclose all information required by law, including HIV test results, to:

(1) the department and a local health authority as required under Chapter 81 (Communicable Disease Prevention and Control Act);
(2) the Centers for Disease Control of the United States Public Health Service, as required by federal law or regulation; or
(3) any other local, state, or federal entity, as required by law, rule, or regulation.

Sec. 162.005. DISCLOSURE TO CERTAIN PHYSICIANS OR PERSON TESTED. A blood bank shall disclose blood test results and the name of the person tested to:

(1) the physician or other person authorized by law who ordered the test;
(2) the physician attending the person tested; or
(3) the person tested or a person legally authorized to consent to the test on behalf of the person tested.

Sec. 162.006. DISCLOSURE TO OTHER BLOOD BANKS. (a) A blood bank may report to other blood banks the name of a donor with a possible infectious disease according to positive blood test results.

(b) A blood bank that reports a donor's name to other blood banks under this section may not disclose the infectious disease that the donor has or is suspected of having.

(c) A blood bank that reports as provided by this section does not breach a confidence arising out of any confidential relationship.

Sec. 162.007. REPORT TO RECIPIENT OR TRANSFUSER. (a) A blood
bank shall report blood test results for blood confirmed as HIV positive by the normal procedures blood banks presently use or found to be contaminated by any other infectious disease to:

(1) the hospital or other facility in which the blood was transfused or provided;
(2) the physician who transfused the infected blood; or
(3) the recipient of the blood.

(b) A blood bank may report blood test results for statistical purposes.
(c) A blood bank that reports test results under this section may not disclose the name of the donor or person tested or any other information that could result in the disclosure of the donor's or person's identity, including an address, social security number, designated recipient, or replacement donation information.

Sec. 162.008. PROCEDURES FOR NOTIFYING BLOOD RECIPIENTS. Each hospital, physician, health agency, and other transfuser of blood shall strictly follow the official "Operation Look-Back" procedure of the American Association of Blood Banks or the American Red Cross Blood Services in notifying past and future recipients of blood. The only exception to notifying a recipient of blood is if the recipient is dead or cannot be located.

Sec. 162.009. PROVISION OF BLOOD SAMPLES FOR TESTING. On request, a blood bank shall provide blood samples to hospitals, laboratories, and other blood banks for additional, repetitive, or different testing.

Sec. 162.010. GENERAL POWERS AND DUTIES OF COURT. (a) After notice and hearing, a court of competent jurisdiction may require a blood bank to provide a recipient of blood from the blood bank with
the results of tests of the blood of each donor of blood transfused
into the recipient. The court may also require the test results to
be given to an heir, parent, or guardian of the recipient, or a
personal representative of the recipient's estate. The test results
must be given in accordance with Section 162.007.

(b) If a blood bank fails to or cannot provide the test results
as required under Subsection (a), the court may require the blood
bank to use every reasonable effort, including any effort directed by
the court, to locate any donor of the blood in question. The court
may require the blood bank to obtain from that donor a blood sample
for testing and may direct the blood bank to provide blood test
results, samples of the blood, or both, to an independent laboratory
designated by the court for testing. The results of the independent
laboratory test must be made available to the recipient, an heir,
parent, or guardian of the recipient, or the personal representative
of the recipient's estate.

(c) Section 162.002 applies if a blood bank requires a donor to
provide a blood sample for testing under Subsection (b).

(d) If a blood test result is positive or if the blood bank
fails to or cannot provide a blood test result or blood sample as
required under Subsection (b), the court may require the blood bank
to provide any information that the court determines is necessary to
satisfy the court that the blood bank has complied in all respects
with this section and the court's order or has demonstrated every
reasonable effort to comply. The blood bank must provide the
information to the judge of the court in camera and under seal.

(e) The court may not disclose to any other person the name of
a donor or any other information that could result in the disclosure
of a donor's identity, including an address, social security number,
designated recipient, or replacement donation information. However,
on the motion of any party, the court shall order the taking of the
donor's deposition at a specified time and in a manner that maintains
the donor's anonymity.

(f) The court may not deny a party's attorney the right to
orally cross-examine the donor.

Sec. 162.011. DISCOVERY POWERS OF COURT. (a) A court of
competent jurisdiction shall exercise the discovery powers granted in this section on the motion of any party. The court shall exercise the powers to the extent reasonably necessary to obtain information from or relating to a donor if that information:

(1) is reasonably calculated to lead to the discovery of admissible evidence regarding any matter relevant to the subject matter of a pending proceeding; and

(2) cannot otherwise be obtained without threatening the disclosure of the name of a donor or other information that could result in the disclosure of a donor's identity, including an address, social security number, designated recipient, or replacement donation information.

(b) This section does not apply to information obtainable under Section 162.010.

(c) The court may:

(1) order the deposition of any witness, including a donor, orally, on written questions and cross-questions propounded by the parties, or both; and

(2) compel the production of documents and things.

(d) A subpoena issued to a donor under this section may be served only in person at the donor's residence address. On a showing that service in person cannot be made at the donor's residence despite diligent efforts to do so, the court may order service on the donor at other places as directed by the court.

(e) The court shall deliver to the parties all discoverable information obtained through the exercise of powers provided by this section, including testimony, documents, or things. The court shall first delete from that information the name of any donor or any other information that could result in the disclosure of a donor's identity, including information described by Subsection (a)(2). The court may substitute fictitious names, such as "John Doe," or make other changes as necessary to protect the confidentiality of the donor's identity in the information made available to the parties.

(f) The court may not disclose confidential donor information to any person other than a person acting under Section 162.010(e) or (f). That person may not disclose the information to others.

(g) The exercise of the court's powers under this section is governed by the Texas Rules of Civil Procedure, except to the extent of any conflict with this section.
Sec. 162.012. LIMITATION ON LIABILITY. (a) A donor who provides information or blood samples under Section 162.010 is immune from all liability arising out of the donation of the blood transfused into a recipient.

(b) A blood bank is not liable for the disclosure of information to a court in accordance with an order issued under Sections 162.010(b)-(f).

(c) A presumption of negligence or causation does not attach to a donor's positive test result if the test result is obtained after the donation of blood or blood components that is the subject of discovery as provided under Section 162.011.

(d) Except as provided by Section 162.013 or 162.014, a person who negligently or intentionally discloses blood bank records in violation of this chapter is liable only for actual damages resulting from the negligent or intentional disclosure.

(e) This chapter does not give rise to any liability under Subchapter E, Chapter 17, Business & Commerce Code (Deceptive Trade Practices-Consumer Protection Act).

Sec. 162.013. CIVIL PENALTY. (a) A person who is injured by a violation of Section 162.006, 162.007, 162.010, or 162.011 may bring a civil action for damages. In addition, any person may bring an action to restrain such a violation or threatened violation.

(b) If it is found in a civil action that a person has violated a section listed in Subsection (a), that person is liable for:
   (1) actual damages;
   (2) a civil penalty of not more than $1,000; and
   (3) court costs and reasonable attorney's fees incurred by the person bringing the action.

Sec. 162.014. CRIMINAL PENALTY. (a) A person commits an offense if the person discloses information in violation of Section
(b) An offense under this section is a Class C misdemeanor.
(c) Each disclosure made in violation of Section 162.006 or 162.007 constitutes a separate offense.

Sec. 162.015. DONATION OF BLOOD BY PERSONS YOUNGER THAN 18 YEARS OF AGE. A person who is 17 years of age may consent to the donation of the person's blood or blood components. A person younger than 18 years of age may not receive any compensation from a blood bank for a donation of the person's blood or blood components.

Sec. 162.016. BE A BLOOD DONOR ACCOUNT. (a) The be a blood donor account is a separate account in the general revenue fund. The account is composed of:

(1) money deposited to the credit of the account under Section 504.641, Transportation Code; and
(2) gifts, grants, donations, and legislative appropriations.

(b) The department administers the account and may spend money credited to the account only to:

(1) make grants to nonprofit blood centers in this state for programs to recruit and retain volunteer blood donors; and
(2) defray the cost of administering the account.

(c) The board:

(1) may accept gifts, grants, and donations from any source for the benefit of the account; and
(2) by rule shall establish guidelines for spending money credited to the account.

Added by Acts 2003, 78th Leg., ch. 1320, Sec. 9, eff. Sept. 1, 2003.

Sec. 162.017. BE A BLOOD DONOR ADVISORY COMMITTEE. (a) The commissioner shall appoint a five-member be a blood donor advisory committee composed of:
(1) one volunteer blood donor who has given at least one
gallon of blood in the two years preceding the appointment;
(2) two representatives from nonprofit blood centers;
(3) one person who has received a blood transfusion in the
five years preceding the appointment; and
(4) one representative from the department.
(b) The commissioner shall designate one member as presiding
officer of the committee.
(c) The committee shall:
(1) meet at least annually or as called by the
commissioner;
(2) assist the board in establishing guidelines for the
expenditure of money credited to the be a blood donor account; and
(3) review and make recommendations to the department on
applications submitted to the department for grants funded with money
credited to the be a blood donor account.
(d) Members of the committee serve without compensation and are
not entitled to reimbursement for expenses. Members of the committee
serve staggered four-year terms, with the terms of as near one-half
as possible of the members expiring on January 31 of each even-
numbered year.

Added by Acts 2003, 78th Leg., ch. 1320, Sec. 9, eff. Sept. 1, 2003.

Sec. 162.018. BROCHURE ON UMBILICAL CORD BLOOD OPTIONS. (a)
The executive commissioner of the Health and Human Services
Commission shall prepare and update as necessary a brochure based on
nationally accepted, peer reviewed, scientific research information
regarding stem cells contained in the umbilical cord blood after
delivery of an infant. The information in the brochure must include:
(1) the current and potential uses, risks, and benefits of
stem cells contained in umbilical cord blood to a potential recipient
of donated stem cells, including a biological family member, extended
family member, or nonrelated individual;
(2) the options available for future use or storage of
umbilical cord blood after delivery of an infant, including:
(A) discarding the stem cells;
(B) donating the stem cells to a public umbilical cord
blood bank;
(C) storing the stem cells in a private family umbilical cord blood bank for use by immediate and extended family members; and

(D) storing the stem cells for immediate and extended family use through a family or sibling donor banking program that provides free collection, processing, and storage when a medical need exists;

(3) the medical process used to collect umbilical cord blood after delivery of an infant;

(4) any risk associated with umbilical cord blood collection to the mother and the infant;

(5) any costs that may be incurred by a pregnant woman who chooses to donate or store umbilical cord blood after delivery of the woman's infant; and

(6) the average cost of public and private umbilical cord blood banking.

(b) The Department of State Health Services shall make the brochure available on the department's website and shall distribute the brochure on request to physicians or other persons permitted by law to attend a pregnant woman during gestation or at delivery of an infant.

Added by Acts 2007, 80th Leg., R.S., Ch. 104 (H.B. 709), Sec. 1, eff. May 17, 2007.

Sec. 162.019. DUTY OF CERTAIN PROFESSIONALS. (a) Except as otherwise provided by this section, a physician or other person permitted by law to attend a pregnant woman during gestation or at delivery of an infant shall provide the woman with the brochure described in Section 162.018 before the third trimester of the woman's pregnancy or as soon as reasonably feasible.

(b) A person described in Subsection (a) who attends a pregnant woman during delivery of her infant shall permit the mother to arrange for umbilical cord blood storage or donation if the mother requests unless, in the opinion of the person, the donation threatens the health of the mother or her infant.

(c) A person described by Subsection (a) is not required to distribute the brochure under Subsection (a) or to permit for the arrangement of umbilical cord blood storage or donation under
Subsection (b) if the action conflicts with the person's religious beliefs and the person makes this fact known to the mother as soon as reasonably feasible.

(d) A person described by Subsection (a) is not required to distribute the brochure under Subsection (a) while treating the pregnant woman for an emergency condition or when the mother presents in labor and delivers the infant during that presentation.

(e) A person described by Subsection (a) is not required to distribute the brochure under Subsection (a) if the woman provides the person with a written statement that she chooses to view the materials on the website described by Section 162.018(b).

(f) A person described by Subsection (a) who fails to distribute the brochure is not subject to discipline by the appropriate licensing agency and a cause of action is not created by any failure to distribute the brochure as required by this section.

Added by Acts 2007, 80th Leg., R.S., Ch. 104 (H.B. 709), Sec. 1, eff. May 17, 2007.

CHAPTER 163. EDUCATION PROGRAM ABOUT SEXUAL CONDUCT AND SUBSTANCE ABUSE

Sec. 163.001. PROGRAM. (a) The department shall develop a model public health education program suitable for school-age children and shall make the program available to any person on request. The program should emphasize:

(1) that abstinence from sexual intercourse is the most effective protection against unwanted teenage pregnancy, sexually transmitted diseases, and acquired immune deficiency syndrome (AIDS) when transmitted sexually;

(2) that abstinence from sexual intercourse outside of lawful marriage is the expected societal standard for school-age unmarried persons; and

(3) the physical, emotional, and psychological dangers of substance abuse, including the risk of acquired immune deficiency syndrome (AIDS) through the sharing of needles during intravenous drug usage.

(b) Course materials and instruction relating to sexual education or sexually transmitted diseases should be age appropriate.

Sec. 163.002. INSTRUCTIONAL ELEMENTS. Course materials and instruction relating to sexual education or sexually transmitted diseases should include:

(1) an emphasis on sexual abstinence as the only completely reliable method of avoiding unwanted teenage pregnancy and sexually transmitted diseases;

(2) an emphasis on the importance of self-control, responsibility, and ethical conduct in making decisions relating to sexual behavior;

(3) statistics, based on the latest medical information, that indicate the efficacy of the various forms of contraception;

(4) information concerning the laws relating to the financial responsibilities associated with pregnancy, childbirth, and child rearing;

(5) information concerning the laws prohibiting sexual abuse and the legal and counseling options available to victims of sexual abuse;

(6) information on how to cope with and rebuff unwanted physical and verbal sexual advances, as well as the importance of avoiding the sexual exploitation of other persons;

(7) psychologically sound methods of resisting unwanted peer pressure; and

(8) emphasis, provided in a factual manner and from a public health perspective, that homosexuality is not a lifestyle acceptable to the general public and that homosexual conduct is a criminal offense under Section 21.06, Penal Code.

Sec. 163.003. ADDITIONAL INSTRUCTIONAL ELEMENTS REGARDING HUMAN PAPILLOMAVIRUS. Course materials and instruction relating to sexually transmitted diseases must be available in English and in Spanish and should include:

(1) the following specific information on human papillomavirus:

(A) that sexual intercourse is not required to become infected with human papillomavirus and that the avoidance of skin-to-
skin contact involving the genital areas offers the best protection; 
(B) that both males and females may be infected with 
human papillomavirus and symptoms may not be present; 
(C) that younger women are at greater risk of human 
papillomavirus infection than older women; and 
(D) that human papillomavirus may be transmitted to an 
infant during childbirth; 
(2) information regarding the role of human papillomavirus 
in the development of genital warts, cervical cancer, and other 
diseases; and 
(3) information regarding the continuing need for women to 
undergo Pap smear testing, even if they have received a vaccination 
against human papillomavirus.

Added by Acts 2007, 80th Leg., R.S., Ch. 59 (H.B. 1379), Sec. 2, eff. 
September 1, 2007.

CHAPTER 164. TREATMENT FACILITIES MARKETING AND ADMISSION PRACTICES

Sec. 164.001. SHORT TITLE. This chapter may be cited as the 

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1, 
1993.

Sec. 164.002. LEGISLATIVE PURPOSE. The purpose of this chapter is to safeguard the public against fraud, deceit, and misleading 
marketing practices and to foster and encourage competition and fair 
dealing by mental health facilities and chemical dependency treatment 
facilities by prohibiting or restricting practices by which the 
public has been injured in connection with the marketing and 
advertising of mental health services and the admission of patients. 
Nothing in this chapter should be construed to prohibit a mental 
health facility from advertising its services in a general way or 
promoting its specialized services. However, the public should be 
able to distinguish between the marketing activities of the facility 
and its clinical functions.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1, 
1993.
Sec. 164.003. DEFINITIONS. In this chapter:

(1) "Advertising" or "advertise" means a solicitation or inducement, through print or electronic media, including radio, television, or direct mail, to purchase the services provided by a treatment facility.

(2) "Chemical dependency" has the meaning assigned by Section 462.001.

(3) "Chemical dependency facility" means a treatment facility as that term is defined by Section 462.001.

(4) "Intervention and assessment service" means a service that offers assessment, counseling, evaluation, intervention, or referral services or makes treatment recommendations to an individual with respect to mental illness or chemical dependency.

(5) "Mental health facility" means:
   (A) a "mental health facility" as defined by Section 571.003;
   (B) a residential treatment facility, other than a mental health facility, in which persons are treated for emotional problems or disorders in a 24-hour supervised living environment; and
   (C) an adult day-care facility or adult day health care facility as defined by Section 103.003, Human Resources Code.

(6) "Mental health professional" means an:
   (A) "physician" as defined by Section 571.003;
   (B) "licensed professional counselor" as defined by Section 503.002, Occupations Code;
   (C) "chemical dependency counselor" as defined by Section 504.001, Occupations Code;
   (D) "psychologist" offering "psychological services" as defined by Section 501.003, Occupations Code;
   (E) "registered nurse" licensed under Chapter 301, Occupations Code;
   (F) "vocational nurse" licensed under Chapter 301, Occupations Code;
   (G) "licensed marriage and family therapist" as defined by Section 502.002, Occupations Code; and
   (H) "social worker" as defined by Section 505.002, Occupations Code.
(7) "Mental health services" has the meaning assigned by Section 531.002.

(8) "Mental illness" has the meaning assigned by Section 571.003.

(9) "Referral source" means a person who is in a position to refer or who refers a person to a treatment facility. "Referral source" does not include a physician, an insurer, a health maintenance organization (HMO), a preferred provider arrangement (PPA), or other third party payor or discount provider organization (DPO) where the insurer, HMO, PPA, third party payor, or DPO pays in whole or in part for the treatment of mental illness or chemical dependency.

(10) "Treatment facility" means a chemical dependency facility and a mental health facility.

Sec. 164.004. EXEMPTIONS. This chapter does not apply to:

(1) a treatment facility:
   (A) operated by the Texas Department of Mental Health and Mental Retardation, a federal agency, or a political subdivision; or
   (B) funded by the Texas Commission on Alcohol and Drug Abuse;

(2) a community center established under Subchapter A, Chapter 534, or a facility operated by a community center; or

(3) a facility owned and operated by a nonprofit or not-for-profit organization offering counseling concerning family violence, help for runaway children, or rape.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1, 1993. Amended by Acts 2003, 78th Leg., ch. 96, Sec. 1, eff. May 20, 2003.

Sec. 164.005. CONDITIONING EMPLOYEE OR AGENT RELATIONSHIPS ON PATIENT REVENUE. A treatment facility may not permit or provide
compensation or anything of value to its employees or agents, condition employment or continued employment of its employees or agents, set its employee or agent performance standards, or condition its employee or agent evaluations, based on:

(1) the number of patient admissions resulting from an employee's or agent's efforts;

(2) the number or frequency of telephone calls or other contacts with referral sources or patients if the purpose of the telephone calls or contacts is to solicit patients for the treatment facility; or

(3) the existence of or volume of determinations made respecting the length of patient stay.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1, 1993.

Sec. 164.006. SOLICITING AND CONTRACTING WITH CERTAIN REFERRAL SOURCES. A treatment facility or a person employed or under contract with a treatment facility, if acting on behalf of the treatment facility, may not:

(1) contact a referral source or potential client for the purpose of soliciting, directly or indirectly, a referral of a patient to the treatment facility without disclosing its soliciting agent's, employee's, or contractor's affiliation with the treatment facility;

(2) offer to provide or provide mental health or chemical dependency services to a public or private school in this state, on a part-time or full-time basis, the services of any of its employees or agents who make, or are in a position to make, a referral, if the services are provided on an individual basis to individual students or their families. Nothing herein prohibits a treatment facility from:

(A) offering or providing educational programs in group settings to public schools in this state if the affiliation between the educational program and the treatment facility is disclosed;

(B) providing counseling services to a public school in this state in an emergency or crisis situation if the services are provided in response to a specific request by a school; provided that, under no circumstances may a student be referred to the
treatment facility offering the services; or

(C) entering into a contract under Section 464.020 with
the board of trustees of a school district with a disciplinary
alternative education program, or with the board's designee, for the
provision of chemical dependency treatment services;

(3) provide to an entity of state or local government, on a
part-time or full-time basis, the mental health or chemical
dependency services of any of its employees, agents, or contractors
who make or are in a position to make referrals unless:

(A) the treatment facility discloses to the governing
authority of the entity:

   (i) the employee's, agent's, or contractor's
   relationship to the facility; and

   (ii) the fact that the employee, agent, or
   contractor might make a referral, if permitted, to the facility; and

(B) the employee, agent, or contractor makes a referral
only if:

   (i) the treatment facility obtains the governing
authority's authorization in writing for the employee, agent, or
contractor to make the referrals; and

   (ii) the employee, agent, or contractor discloses
to the prospective patient the employee's, agent's, or contractor's
relationship to the facility at initial contact; or

(4) in relation to intervention and assessment services,
contract with, offer to remunerate, or remunerate a person who
operates an intervention and assessment service that makes referrals
to a treatment facility for inpatient treatment of mental illness or
chemical dependency unless the intervention and assessment service
is:

(A) operated by a community mental health and mental
retardation center funded by the Texas Department of Mental Health
and Mental Retardation;

(B) operated by a county or regional medical society;

(C) a qualified mental health referral service as
defined by Section 164.007; or

(D) owned and operated by a nonprofit or not-for-profit
organization offering counseling concerning family violence, help for
runaway children, or rape.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1,
Sec. 164.007. QUALIFIED MENTAL HEALTH REFERRAL SERVICE: DEFINITION AND STANDARDS. (a) A qualified mental health referral service means a service that conforms to all of the following standards:

(1) the referral service does not exclude as a participant in the referral service an individual who meets the qualifications for participation and qualifications for participation cannot be based in whole or in part on an individual's or entity's affiliation or nonaffiliation with other participants in the referral service;

(2) a payment the participant makes to the referral service is assessed equally against and collected equally from all participants, and is only based on the cost of operating the referral service and not on the volume or value of any referrals to or business otherwise generated by the participants of the referral service;

(3) the referral service imposes no requirements on the manner in which the participant provides services to a referred person, except that the referral service may require that the participant charge the person referred at the same rate as it charges other persons not referred by the referral service, or that these services be furnished free of charge or at a reduced charge;

(4) a referral made to a mental health professional or chemical dependency treatment facility is made only in accordance with Subdivision (1) and the referral service does not make referrals to mental health facilities other than facilities maintained or operated by the Texas Department of Mental Health and Mental Retardation, community mental health and mental retardation centers, or other political subdivisions, provided that a physician may make a referral directly to any mental health facility;

(5) the referral service is staffed by appropriately licensed and trained mental health professionals and a person who makes assessments for the need for treatment of mental illness or chemical dependency is a mental health professional as defined by this chapter;

(6) in response to each inquiry or after personal
assessment, the referral service makes referrals, on a clinically appropriate, rotational basis, to at least three mental health professionals or chemical dependency treatment facilities whose practice addresses or facilities are located in the county of residence of the person seeking the referral or assessment, but if there are not three providers in the inquirer's county of residence, the referral service may include additional providers from other counties nearest the inquirer's county of residence;

(7) no information that identifies the person seeking a referral, such as name, address, or telephone number, is used, maintained, distributed, or provided for a purpose other than making the requested referral or for administrative functions necessary to operating the referral service;

(8) the referral service makes the following disclosures to each person seeking a referral:

(A) the manner in which the referral service selects the group of providers participating in the referral service;

(B) whether the provider participant has paid a fee to the referral service;

(C) the manner in which the referral service selects a particular provider from its list of provider participants to which to make a referral;

(D) the nature of the relationship or any affiliation between the referral service and the group of provider participants to whom it could make a referral; and

(E) the nature of any restriction that would exclude a provider from continuing as a provider participant;

(9) the referral service maintains each disclosure in a written record certifying that the disclosure has been made and the record certifying that the disclosure has been made is signed by either the person seeking a referral or by the person making the disclosure on behalf of the referral service; and

(10) if the referral service refers callers to a 1-900 telephone number or another telephone number that requires the payment of a toll or fee payable to or collected by the referral service, the referral service discloses the per minute charge.

(b) A qualified mental health referral service may not limit participation by a person for a reason other than:

(1) failure to have a current, valid license without limitation to practice in this state;
(2) failure to maintain professional liability insurance while participating in the service;
(3) a decision by a peer review committee that the person has failed to meet prescribed standards or has not acted in a professional or ethical manner;
(4) termination of the contract between the participant and the qualified mental health referral service by either party under the terms of the contract; or
(5) significant dissatisfaction of consumers that is documented and verifiable.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1, 1993.

Sec. 164.008. OPERATING AN INTERVENTION AND ASSESSMENT SERVICE. A treatment facility may not own, operate, manage, or control an intervention and assessment service that makes referrals to a treatment facility for inpatient treatment of mental illness or chemical dependency unless the intervention and assessment service:
(1) is a qualified mental health referral service under Section 164.007;
(2) discloses in all advertising the relationship between the treatment facility and the intervention and assessment service; and
(3) discloses to each person contacting the service, at the time of initial contact, the relationship between the treatment facility and the intervention and assessment service.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1, 1993.

Sec. 164.009. DISCLOSURES AND REPRESENTATIONS. (a) A treatment facility may not admit a patient to its facilities without fully disclosing to the patient or, if the patient is a minor, the patient's parent, managing conservator, or guardian, in, if possible, the primary language of the patient, managing conservator, or guardian, as the case may be, the following information in writing before admission:
(1) the treatment facility's estimated average daily charge
for inpatient treatment with an explanation that the patient may be billed separately for services provided by mental health professionals;

(2) the name of the attending physician, if the treatment facility is a mental health facility, or the name of the attending mental health professional, if the facility is a chemical dependency facility; and

(3) the current "patient's bill of rights" as adopted by the Texas Department of Mental Health and Mental Retardation, the Texas Commission on Alcohol and Drug Abuse, or the Texas Department of Health that sets out restrictions to the patient's freedom that may be imposed on the patient during the patient's stay in a treatment facility.

(b) A treatment facility may not misrepresent to a patient or the parent, guardian, managing conservator, or spouse of a patient, the availability or amount of insurance coverage available to the prospective patient or the amount and percentage of a charge for which the patient will be responsible.

(c) A treatment facility may not represent to a patient who requests to leave a treatment facility against medical advice that:

(1) the patient will be subject to an involuntary commitment proceeding or subsequent emergency detention unless that representation is made by a physician or on the written instruction of a physician who has evaluated the patient within 48 hours of the representation; or

(2) the patient's insurance company will refuse to pay all or any portion of the medical expenses previously incurred.

(d) A mental health facility may not represent or recommend that a prospective patient should be admitted for inpatient treatment unless the representation is made by a licensed physician or, subsequent to evaluation by a licensed physician, by a mental health professional.

(e) A chemical dependency facility may not represent or recommend that a prospective patient should be admitted to a facility for treatment unless and until:

(1) the prospective patient has been evaluated, in person, by a mental health professional; and

(2) the mental health professional determines that the patient meets the facility's admission standards.
Sec. 164.010. PROHIBITED ACTS. It is a violation of this chapter, in connection with the marketing of mental health services, for a person to:

(1) advertise, expressly or impliedly, the services of a treatment facility through the use of:
   (A) promises of cure or guarantees of treatment results that cannot be substantiated; or
   (B) any unsubstantiated claims;

(2) advertise, expressly or impliedly, the availability of intervention and assessment services unless and until the services are available and are provided by mental health professionals licensed or certified to provide the particular service;

(3) fail to disclose before soliciting a referral source or prospective patient to induce a person to use the services of the treatment facility an affiliation between a treatment facility and its soliciting agents, employees, or contractors;

(4) obtain information considered confidential by state or federal law regarding a person for the purpose of soliciting that person to use the services of a treatment facility unless and until consent is obtained from the person or, in the case of a minor, the person's parent, managing conservator, or legal guardian or another person with authority to give that authorization; or

(5) represent that a referral service is a qualified mental health referral service unless and until the referral service complies with Section 164.007.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1, 1993.

Sec. 164.011. INJUNCTION. (a) If it appears that a person is in violation of this chapter, the attorney general, a district attorney, or a county attorney may institute an action for injunctive relief to restrain the person from continuing the violation and for civil penalties of not less than $1,000 and not more than $25,000 per violation.
(b) A civil action filed under this section shall be filed in a district court in Travis County or in the county in which the defendant resides.

(c) The attorney general, a district attorney, or a county attorney may recover reasonable expenses incurred in obtaining injunctive relief, civil penalties, or both, under this section, including court costs, reasonable attorney fees, investigative costs, witness fees, and deposition expenses.

(d) A civil penalty recovered in a suit instituted by a local government under this chapter shall be paid to that local government.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1, 1993.

Sec. 164.012. PENALTIES. In addition to the penalties prescribed by this chapter, a violation of a provision of this chapter by an individual or treatment facility that is licensed by a state health care regulatory agency is subject to the same consequences as a violation of the licensing law applicable to the individual or treatment facility or of a rule adopted under that licensing law.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1, 1993.

Sec. 164.013. DECEPTIVE TRADE PRACTICES. A person may bring suit under Subchapter E, Chapter 17, Business & Commerce Code, for a violation of this chapter, and a public or private right or remedy prescribed by that subchapter may be used to enforce this chapter.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 2.01, eff. Sept. 1, 1993.

Sec. 164.014. RULE-MAKING AUTHORITY. The Texas Commission on Alcohol and Drug Abuse and Texas Board of Mental Health and Mental Retardation may adopt rules interpreting the provisions of this chapter relating to the activities of a chemical dependency facility or mental health facility under its jurisdiction.
CHAPTER 165. BREAST-FEEDING

SUBCHAPTER A. BREAST-FEEDING RIGHTS AND POLICIES

Sec. 165.001. LEGISLATIVE FINDING. The legislature finds that breast-feeding a baby is an important and basic act of nurture that must be encouraged in the interests of maternal and child health and family values. In compliance with the breast-feeding promotion program established under the federal Child Nutrition Act of 1966 (42 U.S.C. Section 1771 et seq.), the legislature recognizes breast-feeding as the best method of infant nutrition.

Sec. 165.002. RIGHT TO BREAST-FEED. A mother is entitled to breast-feed her baby in any location in which the mother is authorized to be.

Sec. 165.003. BUSINESS DESIGNATION AS "MOTHER-FRIENDLY". (a) A business may use the designation "mother-friendly" in its promotional materials if the business develops a policy supporting the practice of worksite breast-feeding that addresses the following:

(1) work schedule flexibility, including scheduling breaks and work patterns to provide time for expression of milk;

(2) the provision of accessible locations allowing privacy;

(3) access nearby to a clean, safe water source and a sink for washing hands and rinsing out any needed breast-pumping equipment; and

(4) access to hygienic storage alternatives in the workplace for the mother's breast milk.

(b) The business shall submit its breast-feeding policy to the department. The department shall maintain a list of "mother-friendly" businesses covered under this section and shall make the list available for public inspection.
Sec. 165.004. SERVICES PROVIDED BY STATE AGENCIES. Any state agency that administers a program providing maternal or child health services shall provide information that encourages breast-feeding to program participants who are pregnant women or mothers with infants.

Added by Acts 1995, 74th Leg., ch. 600, Sec. 1, eff. Aug. 28, 1995.

SUBCHAPTER B. DEMONSTRATION PROJECT

Sec. 165.031. LEGISLATIVE RECOGNITION. The legislature recognizes a mother's responsibility to both her job and her child when she returns to work and acknowledges that a woman's choice to breast-feed benefits the family, the employer, and society.

Added by Acts 1995, 74th Leg., ch. 600, Sec. 1, eff. Aug. 28, 1995.

Sec. 165.032. DEMONSTRATION PROJECT. (a) The department shall establish a demonstration project in Travis County to provide access to worksite breast-feeding for department employees who are mothers with infants.

(b) The department shall administer the demonstration project and shall determine the benefits of, potential barriers to, and potential costs of implementing worksite breast-feeding support policies for state employees.

Added by Acts 1995, 74th Leg., ch. 600, Sec. 1, eff. Aug. 28, 1995.

Sec. 165.033. BREAST-FEEDING POLICY. The department shall develop recommendations supporting the practice of worksite breast-feeding that address the following:

(1) work schedule flexibility, including scheduling breaks and work patterns to provide time for expression of milk;

(2) the provision of accessible locations allowing privacy;

(3) access nearby to a clean, safe water source and a sink for washing hands and rinsing out any needed breast-pumping equipment; and
(4) access to hygienic storage alternatives in the workplace for the mother's breast milk.

Added by Acts 1995, 74th Leg., ch. 600, Sec. 1, eff. Aug. 28, 1995.

CHAPTER 166. ADVANCE DIRECTIVES
SUBCHAPTER A. GENERAL PROVISIONS
Sec. 166.001. SHORT TITLE. This chapter may be cited as the Advance Directives Act.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 1.02, eff. Sept. 1, 1999.

Sec. 166.002. DEFINITIONS. In this chapter:
(1) "Advance directive" means:
   (A) a directive, as that term is defined by Section 166.031;
   (B) an out-of-hospital DNR order, as that term is defined by Section 166.081; or
   (C) a medical power of attorney under Subchapter D.
(2) "Artificial nutrition and hydration" means the provision of nutrients or fluids by a tube inserted in a vein, under the skin in the subcutaneous tissues, or in the stomach (gastrointestinal tract).
(3) "Attending physician" means a physician selected by or assigned to a patient who has primary responsibility for a patient's treatment and care.
(4) "Competent" means possessing the ability, based on reasonable medical judgment, to understand and appreciate the nature and consequences of a treatment decision, including the significant benefits and harms of and reasonable alternatives to a proposed treatment decision.
(5) "Declarant" means a person who has executed or issued a directive under this chapter.
(5-a) "Digital signature" means an electronic identifier intended by the person using it to have the same force and effect as the use of a manual signature.
(5-b) "Electronic signature" means a facsimile, scan, uploaded image, computer-generated image, or other electronic
representation of a manual signature that is intended by the person using it to have the same force and effect of law as a manual signature.

(6) "Ethics or medical committee" means a committee established under Sections 161.031-161.033.

(7) "Health care or treatment decision" means consent, refusal to consent, or withdrawal of consent to health care, treatment, service, or a procedure to maintain, diagnose, or treat an individual's physical or mental condition, including such a decision on behalf of a minor.

(8) "Incompetent" means lacking the ability, based on reasonable medical judgment, to understand and appreciate the nature and consequences of a treatment decision, including the significant benefits and harms of and reasonable alternatives to a proposed treatment decision.

(9) "Irreversible condition" means a condition, injury, or illness:

(A) that may be treated but is never cured or eliminated;
(B) that leaves a person unable to care for or make decisions for the person's own self; and
(C) that, without life-sustaining treatment provided in accordance with the prevailing standard of medical care, is fatal.

(10) "Life-sustaining treatment" means treatment that, based on reasonable medical judgment, sustains the life of a patient and without which the patient will die. The term includes both life-sustaining medications and artificial life support, such as mechanical breathing machines, kidney dialysis treatment, and artificial nutrition and hydration. The term does not include the administration of pain management medication or the performance of a medical procedure considered to be necessary to provide comfort care, or any other medical care provided to alleviate a patient's pain.

(11) "Medical power of attorney" means a document delegating to an agent authority to make health care decisions executed or issued under Subchapter D.

(12) "Physician" means:

(A) a physician licensed by the Texas State Board of Medical Examiners; or
(B) a properly credentialed physician who holds a commission in the uniformed services of the United States and who is
serving on active duty in this state.

(13) "Terminal condition" means an incurable condition caused by injury, disease, or illness that according to reasonable medical judgment will produce death within six months, even with available life-sustaining treatment provided in accordance with the prevailing standard of medical care. A patient who has been admitted to a program under which the person receives hospice services provided by a home and community support services agency licensed under Chapter 142 is presumed to have a terminal condition for purposes of this chapter.

(14) "Witness" means a person who may serve as a witness under Section 166.003.

(15) "Cardiopulmonary resuscitation" means any medical intervention used to restore circulatory or respiratory function that has ceased.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 1.02, eff. Sept. 1, 1999. Amended by Acts 2003, 78th Leg., ch. 1228, Sec. 1, eff. June 20, 2003. Amended by:

Acts 2009, 81st Leg., R.S., Ch. 461 (H.B. 2585), Sec. 1, eff. September 1, 2009.

Sec. 166.003. WITNESSES. In any circumstance in which this chapter requires the execution of an advance directive or the issuance of a nonwritten advance directive to be witnessed:

(1) each witness must be a competent adult; and

(2) at least one of the witnesses must be a person who is not:

(A) a person designated by the declarant to make a treatment decision;

(B) a person related to the declarant by blood or marriage;

(C) a person entitled to any part of the declarant's estate after the declarant's death under a will or codicil executed by the declarant or by operation of law;

(D) the attending physician;

(E) an employee of the attending physician;

(F) an employee of a health care facility in which the
declarant is a patient if the employee is providing direct patient care to the declarant or is an officer, director, partner, or business office employee of the health care facility or of any parent organization of the health care facility; or

(G) a person who, at the time the written advance directive is executed or, if the directive is a nonwritten directive issued under this chapter, at the time the nonwritten directive is issued, has a claim against any part of the declarant's estate after the declarant's death.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 1.02, eff. Sept. 1, 1999.

Sec. 166.004. STATEMENT RELATING TO ADVANCE DIRECTIVE. (a) In this section, "health care provider" means:

(1) a hospital;
(2) an institution licensed under Chapter 242, including a skilled nursing facility;
(3) a home and community support services agency;
(4) a personal care facility; and
(5) a special care facility.

(b) A health care provider shall maintain written policies regarding the implementation of advance directives. The policies must include a clear and precise statement of any procedure the health care provider is unwilling or unable to provide or withhold in accordance with an advance directive.

(c) Except as provided by Subsection (g), the health care provider shall provide written notice to an individual of the written policies described by Subsection (b). The notice must be provided at the earlier of:

(1) the time the individual is admitted to receive services from the health care provider; or
(2) the time the health care provider begins providing care to the individual.

(d) If, at the time notice is to be provided under Subsection (c), the individual is incompetent or otherwise incapacitated and unable to receive the notice required by this section, the provider shall provide the required written notice, in the following order of preference, to:
(1) the individual's legal guardian;
(2) a person responsible for the health care decisions of the individual;
(3) the individual's spouse;
(4) the individual's adult child;
(5) the individual's parent; or
(6) the person admitting the individual.

(e) If Subsection (d) applies and except as provided by Subsection (f), if a health care provider is unable, after diligent search, to locate an individual listed by Subsection (d), the health care provider is not required to provide the notice.

(f) If an individual who was incompetent or otherwise incapacitated and unable to receive the notice required by this section at the time notice was to be provided under Subsection (c) later becomes able to receive the notice, the health care provider shall provide the written notice at the time the individual becomes able to receive the notice.

(g) This section does not apply to outpatient hospital services, including emergency services.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 1.02, eff. Sept. 1, 1999.

Sec. 166.005. ENFORCEABILITY OF ADVANCE DIRECTIVES EXECUTED IN ANOTHER JURISDICTION. An advance directive or similar instrument validly executed in another state or jurisdiction shall be given the same effect as an advance directive validly executed under the law of this state. This section does not authorize the administration, withholding, or withdrawal of health care otherwise prohibited by the laws of this state.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 1.02, eff. Sept. 1, 1999.

Sec. 166.006. EFFECT OF ADVANCE DIRECTIVE ON INSURANCE POLICY AND PREMIUMS. (a) The fact that a person has executed or issued an advance directive does not:

(1) restrict, inhibit, or impair in any manner the sale, procurement, or issuance of a life insurance policy to that person;
or

(2) modify the terms of an existing life insurance policy.

(b) Notwithstanding the terms of any life insurance policy, the fact that life-sustaining treatment is withheld or withdrawn from an insured qualified patient under this chapter does not legally impair or invalidate that person's life insurance policy and may not be a factor for the purpose of determining, under the life insurance policy, whether benefits are payable or the cause of death.

(c) The fact that a person has executed or issued or failed to execute or issue an advance directive may not be considered in any way in establishing insurance premiums.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 1.02, eff. Sept. 1, 1999.

Sec. 166.007. EXECUTION OF ADVANCE DIRECTIVE MAY NOT BE REQUIRED. A physician, health facility, health care provider, insurer, or health care service plan may not require a person to execute or issue an advance directive as a condition for obtaining insurance for health care services or receiving health care services.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 1.02, eff. Sept. 1, 1999.

Sec. 166.008. CONFLICT BETWEEN ADVANCE DIRECTIVES. To the extent that a treatment decision or an advance directive validly executed or issued under this chapter conflicts with another treatment decision or an advance directive executed or issued under this chapter, the treatment decision made or instrument executed later in time controls.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 1.02, eff. Sept. 1, 1999.

Sec. 166.009. CERTAIN LIFE-SUSTAINING TREATMENT NOT REQUIRED. This chapter may not be construed to require the provision of life-sustaining treatment that cannot be provided to a patient without denying the same treatment to another patient.
Sec. 166.010. APPLICABILITY OF FEDERAL LAW RELATING TO CHILD ABUSE AND NEGLECT. This chapter is subject to applicable federal law and regulations relating to child abuse and neglect to the extent applicable to the state based on its receipt of federal funds.

Added by Acts 2003, 78th Leg., ch. 1228, Sec. 2, eff. June 20, 2003.

Sec. 166.011. DIGITAL OR ELECTRONIC SIGNATURE. (a) For an advance directive in which a signature by a declarant, witness, or notary public is required or used, the declarant, witness, or notary public may sign the directive or a written revocation of the directive using:

(1) a digital signature that:
   (A) uses an algorithm approved by the department;
   (B) is unique to the person using it;
   (C) is capable of verification;
   (D) is under the sole control of the person using it;
   (E) is linked to data in a manner that invalidates the digital signature if the data is changed;
   (F) persists with the document and not by association in separate files; and
   (G) is bound to a digital certificate; or

(2) an electronic signature that:
   (A) is capable of verification;
   (B) is under the sole control of the person using it;
   (C) is linked to data in a manner that invalidates the electronic signature if the data is changed; and
   (D) persists with the document and not by association in separate files.

(b) In approving an algorithm for purposes of Subsection (a)(1)(A), the department may consider an algorithm approved by the National Institute of Standards and Technology.

(c) The executive commissioner of the Health and Human Services Commission by rule shall modify the advance directive forms required under this chapter as necessary to provide for the use of a digital
or electronic signature that complies with the requirements of this section.

Added by Acts 2009, 81st Leg., R.S., Ch. 461 (H.B. 2585), Sec. 2, eff. September 1, 2009.

**SUBCHAPTER B. DIRECTIVE TO PHYSICIANS**

Sec. 166.031. DEFINITIONS. In this subchapter:

(1) "Directive" means an instruction made under Section 166.032, 166.034, or 166.035 to administer, withhold, or withdraw life-sustaining treatment in the event of a terminal or irreversible condition.

(2) "Qualified patient" means a patient with a terminal or irreversible condition that has been diagnosed and certified in writing by the attending physician.

Sec. 166.032. WRITTEN DIRECTIVE BY COMPETENT ADULT; NOTICE TO PHYSICIAN. (a) A competent adult may at any time execute a written directive.

(b) Except as provided by Subsection (b-1), the declarant must sign the directive in the presence of two witnesses who qualify under Section 166.003, at least one of whom must be a witness who qualifies under Section 166.003(2). The witnesses must sign the directive.

(b-1) The declarant, in lieu of signing in the presence of witnesses, may sign the directive and have the signature acknowledged before a notary public.

(c) A declarant may include in a directive directions other than those provided by Section 166.033 and may designate in a directive a person to make a treatment decision for the declarant in the event the declarant becomes incompetent or otherwise mentally or physically incapable of communication.

(d) A declarant shall notify the attending physician of the existence of a written directive. If the declarant is incompetent or
otherwise mentally or physically incapable of communication, another
person may notify the attending physician of the existence of the
written directive. The attending physician shall make the directive
a part of the declarant's medical record.

September 1, 2009.

Sec. 166.033. FORM OF WRITTEN DIRECTIVE. A written directive
may be in the following form:

DIRECTIVE TO PHYSICIANS AND FAMILY OR SURROGATES
Instructions for completing this document:
This is an important legal document known as an Advance
Directive. It is designed to help you communicate your wishes about
medical treatment at some time in the future when you are unable to
make your wishes known because of illness or injury. These wishes
are usually based on personal values. In particular, you may want to
consider what burdens or hardships of treatment you would be willing
to accept for a particular amount of benefit obtained if you were
seriously ill.

You are encouraged to discuss your values and wishes with your
family or chosen spokesperson, as well as your physician. Your
physician, other health care provider, or medical institution may
provide you with various resources to assist you in completing your
advance directive. Brief definitions are listed below and may aid
you in your discussions and advance planning. Initial the treatment
choices that best reflect your personal preferences. Provide a copy
of your directive to your physician, usual hospital, and family or
spokesperson. Consider a periodic review of this document. By
periodic review, you can best assure that the directive reflects your
preferences.

In addition to this advance directive, Texas law provides for
two other types of directives that can be important during a serious
illness. These are the Medical Power of Attorney and the Out-of-Hospital Do-Not-Resuscitate Order. You may wish to discuss these with your physician, family, hospital representative, or other advisers. You may also wish to complete a directive related to the donation of organs and tissues.

DIRECTIVE

I, __________, recognize that the best health care is based upon a partnership of trust and communication with my physician. My physician and I will make health care decisions together as long as I am of sound mind and able to make my wishes known. If there comes a time that I am unable to make medical decisions about myself because of illness or injury, I direct that the following treatment preferences be honored:

If, in the judgment of my physician, I am suffering with a terminal condition from which I am expected to die within six months, even with available life-sustaining treatment provided in accordance with prevailing standards of medical care:

__________

I request that all treatments other than those needed to keep me comfortable be discontinued or withheld and my physician allow me to die as gently as possible; OR

__________

I request that I be kept alive in this terminal condition using available life-sustaining treatment. (THIS SELECTION DOES NOT APPLY TO HOSPICE CARE.)

If, in the judgment of my physician, I am suffering with an irreversible condition so that I cannot care for myself or make decisions for myself and am expected to die without life-sustaining treatment provided in accordance with prevailing standards of care:

__________

I request that all treatments other than those needed to keep me comfortable be discontinued or withheld and my physician allow me to die as gently as possible; OR
__________

I request that I be kept alive in this irreversible condition using available life-sustaining treatment. (THIS SELECTION DOES NOT APPLY TO HOSPICE CARE.)

Additional requests: (After discussion with your physician, you may wish to consider listing particular treatments in this space that you do or do not want in specific circumstances, such as artificial nutrition and fluids, intravenous antibiotics, etc. Be sure to state whether you do or do not want the particular treatment.)

__________

__________

__________

__________

After signing this directive, if my representative or I elect hospice care, I understand and agree that only those treatments needed to keep me comfortable would be provided and I would not be given available life-sustaining treatments.

If I do not have a Medical Power of Attorney, and I am unable to make my wishes known, I designate the following person(s) to make treatment decisions with my physician compatible with my personal values:

1. _________
2. _________

(If a Medical Power of Attorney has been executed, then an agent already has been named and you should not list additional names in this document.)

If the above persons are not available, or if I have not designated a spokesperson, I understand that a spokesperson will be chosen for me following standards specified in the laws of Texas. If, in the judgment of my physician, my death is imminent within minutes to hours, even with the use of all available medical treatment provided within the prevailing standard of care, I acknowledge that all treatments may be withheld or removed except those needed to maintain my comfort. I understand that under Texas law this directive has no effect if I have been diagnosed as pregnant. This directive will remain in effect until I revoke it.
No other person may do so.

Signed__________ Date__________ City, County, State of Residence

Two competent adult witnesses must sign below, acknowledging the signature of the declarant. The witness designated as Witness 1 may not be a person designated to make a treatment decision for the patient and may not be related to the patient by blood or marriage. This witness may not be entitled to any part of the estate and may not have a claim against the estate of the patient. This witness may not be the attending physician or an employee of the attending physician. If this witness is an employee of a health care facility in which the patient is being cared for, this witness may not be involved in providing direct patient care to the patient. This witness may not be an officer, director, partner, or business office employee of a health care facility in which the patient is being cared for or of any parent organization of the health care facility.

Witness 1 __________ Witness 2 __________

Definitions:

"Artificial nutrition and hydration" means the provision of nutrients or fluids by a tube inserted in a vein, under the skin in the subcutaneous tissues, or in the stomach (gastrointestinal tract).

"Irreversible condition" means a condition, injury, or illness:
(1) that may be treated, but is never cured or eliminated;
(2) that leaves a person unable to care for or make decisions for the person's own self; and
(3) that, without life-sustaining treatment provided in accordance with the prevailing standard of medical care, is fatal.

Explanation: Many serious illnesses such as cancer, failure of major organs (kidney, heart, liver, or lung), and serious brain disease such as Alzheimer's dementia may be considered irreversible early on. There is no cure, but the patient may be kept alive for prolonged periods of time if the patient receives life-sustaining treatments. Late in the course of the same illness, the disease may be considered terminal when, even with treatment, the patient is expected to die. You may wish to consider which burdens of treatment you would be willing to accept in an effort to achieve a particular outcome. This is a very personal decision that you may wish to discuss with your physician, family, or other important persons in your life.

"Life-sustaining treatment" means treatment that, based on
reasonable medical judgment, sustains the life of a patient and without which the patient will die. The term includes both life-sustaining medications and artificial life support such as mechanical breathing machines, kidney dialysis treatment, and artificial hydration and nutrition. The term does not include the administration of pain management medication, the performance of a medical procedure necessary to provide comfort care, or any other medical care provided to alleviate a patient's pain.

"Terminal condition" means an incurable condition caused by injury, disease, or illness that according to reasonable medical judgment will produce death within six months, even with available life-sustaining treatment provided in accordance with the prevailing standard of medical care.

Explanation: Many serious illnesses may be considered irreversible early in the course of the illness, but they may not be considered terminal until the disease is fairly advanced. In thinking about terminal illness and its treatment, you again may wish to consider the relative benefits and burdens of treatment and discuss your wishes with your physician, family, or other important persons in your life.

Sec. 166.034. ISSUANCE OF NONWRITTEN DIRECTIVE BY COMPETENT ADULT QUALIFIED PATIENT. (a) A competent qualified patient who is an adult may issue a directive by a nonwritten means of communication.

(b) A declarant must issue the nonwritten directive in the presence of the attending physician and two witnesses who qualify under Section 166.003, at least one of whom must be a witness who qualifies under Section 166.003(2).

(c) The physician shall make the fact of the existence of the directive a part of the declarant's medical record, and the names of the witnesses shall be entered in the medical record.

Sec. 166.035. EXECUTION OF DIRECTIVE ON BEHALF OF PATIENT YOUNGER THAN 18 YEARS OF AGE. The following persons may execute a directive on behalf of a qualified patient who is younger than 18 years of age:

(1) the patient's spouse, if the spouse is an adult;
(2) the patient's parents; or
(3) the patient's legal guardian.

Renumbered from Sec. 672.006 by Acts 1999, 76th Leg., ch. 450, Sec. 1.03, eff. Sept. 1, 1999.

Sec. 166.036. NOTARIZED DOCUMENT NOT REQUIRED; REQUIREMENT OF SPECIFIC FORM PROHIBITED. (a) Except as provided by Section 166.032(b-1), a written directive executed under Section 166.033 or 166.035 is effective without regard to whether the document has been notarized.

(b) A physician, health care facility, or health care professional may not require that:

(1) a directive be notarized; or
(2) a person use a form provided by the physician, health care facility, or health care professional.

Added by Acts 1999, 76th Leg., ch. 450, Sec. 1.03, eff. Sept. 1, 1999.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 461 (H.B. 2585), Sec. 4, eff. September 1, 2009.

Sec. 166.037. PATIENT DESIRE SUPERSEDES DIRECTIVE. The desire of a qualified patient, including a qualified patient younger than 18 years of age, supersedes the effect of a directive.

Renumbered from Sec. 672.007 and amended by Acts 1999, 76th Leg., ch.
Sec. 166.038. PROCEDURE WHEN DECLARANT IS INCOMPETENT OR INCAPABLE OF COMMUNICATION. (a) This section applies when an adult qualified patient has executed or issued a directive and is incompetent or otherwise mentally or physically incapable of communication.

(b) If the adult qualified patient has designated a person to make a treatment decision as authorized by Section 166.032(c), the attending physician and the designated person may make a treatment decision in accordance with the declarant's directions.

(c) If the adult qualified patient has not designated a person to make a treatment decision, the attending physician shall comply with the directive unless the physician believes that the directive does not reflect the patient's present desire.

Renumbered from 672.008 and amended by Acts 1999, 76th Leg., ch. 450, Sec. 1.03, eff. Sept. 1, 1999.

Sec. 166.039. PROCEDURE WHEN PERSON HAS NOT EXECUTED OR ISSUED A DIRECTIVE AND IS INCOMPETENT OR INCAPABLE OF COMMUNICATION. (a) If an adult qualified patient has not executed or issued a directive and is incompetent or otherwise mentally or physically incapable of communication, the attending physician and the patient's legal guardian or an agent under a medical power of attorney may make a treatment decision that may include a decision to withhold or withdraw life-sustaining treatment from the patient.

(b) If the patient does not have a legal guardian or an agent under a medical power of attorney, the attending physician and one person, if available, from one of the following categories, in the following priority, may make a treatment decision that may include a decision to withhold or withdraw life-sustaining treatment:

(1) the patient's spouse;
(2) the patient's reasonably available adult children;
(3) the patient's parents; or
(4) the patient's nearest living relative.

(c) A treatment decision made under Subsection (a) or (b) must
be based on knowledge of what the patient would desire, if known.

(d) A treatment decision made under Subsection (b) must be documented in the patient's medical record and signed by the attending physician.

(e) If the patient does not have a legal guardian and a person listed in Subsection (b) is not available, a treatment decision made under Subsection (b) must be concurred in by another physician who is not involved in the treatment of the patient or who is a representative of an ethics or medical committee of the health care facility in which the person is a patient.

(f) The fact that an adult qualified patient has not executed or issued a directive does not create a presumption that the patient does not want a treatment decision to be made to withhold or withdraw life-sustaining treatment.

(g) A person listed in Subsection (b) who wishes to challenge a treatment decision made under this section must apply for temporary guardianship under Section 875, Texas Probate Code. The court may waive applicable fees in that proceeding.

Sec. 166.040. PATIENT CERTIFICATION AND PREREQUISITES FOR COMPLYING WITH DIRECTIVE. (a) An attending physician who has been notified of the existence of a directive shall provide for the declarant's certification as a qualified patient on diagnosis of a terminal or irreversible condition.

(b) Before withholding or withdrawing life-sustaining treatment from a qualified patient under this subchapter, the attending physician must determine that the steps proposed to be taken are in accord with this subchapter and the patient's existing desires.

Sec. 166.041. DURATION OF DIRECTIVE. A directive is effective until it is revoked as prescribed by Section 166.042.

Sec. 166.042. REVOCATION OF DIRECTIVE. (a) A declarant may revoke a directive at any time without regard to the declarant's mental state or competency. A directive may be revoked by:

(1) the declarant or someone in the declarant's presence and at the declarant's direction canceling, defacing, obliterating, burning, tearing, or otherwise destroying the directive;

(2) the declarant signing and dating a written revocation that expresses the declarant's intent to revoke the directive; or

(3) the declarant orally stating the declarant's intent to revoke the directive.

(b) A written revocation executed as prescribed by Subsection (a)(2) takes effect only when the declarant or a person acting on behalf of the declarant notifies the attending physician of its existence or mails the revocation to the attending physician. The attending physician or the physician's designee shall record in the patient's medical record the time and date when the physician received notice of the written revocation and shall enter the word "VOID" on each page of the copy of the directive in the patient's medical record.

(c) An oral revocation issued as prescribed by Subsection (a)(3) takes effect only when the declarant or a person acting on behalf of the declarant notifies the attending physician of the revocation. The attending physician or the physician's designee shall record in the patient's medical record the time, date, and place of the revocation, and, if different, the time, date, and place that the physician received notice of the revocation. The attending physician or the physician's designees shall also enter the word "VOID" on each page of the copy of the directive in the patient's medical record.

(d) Except as otherwise provided by this subchapter, a person is not civilly or criminally liable for failure to act on a revocation made under this section unless the person has actual
knowledge of the revocation.

Sec. 166.043. REEXECUTION OF DIRECTIVE. A declarant may at any time reexecute a directive in accordance with the procedures prescribed by Section 166.032, including reexecution after the declarant is diagnosed as having a terminal or irreversible condition.

Sec. 166.044. LIMITATION OF LIABILITY FOR WITHHOLDING OR WITHDRAWING LIFE-SUSTAINING PROCEDURES. (a) A physician or health care facility that causes life-sustaining treatment to be withheld or withdrawn from a qualified patient in accordance with this subchapter is not civilly liable for that action unless the physician or health care facility fails to exercise reasonable care when applying the patient's advance directive.

(b) A health professional, acting under the direction of a physician, who participates in withholding or withdrawing life-sustaining treatment from a qualified patient in accordance with this subchapter is not civilly liable for that action unless the health professional fails to exercise reasonable care when applying the patient's advance directive.

(c) A physician, or a health professional acting under the direction of a physician, who participates in withholding or withdrawing life-sustaining treatment from a qualified patient in accordance with this subchapter is not criminally liable or guilty of unprofessional conduct as a result of that action unless the physician or health professional fails to exercise reasonable care when applying the patient's advance directive.

(d) The standard of care that a physician, health care facility, or health care professional shall exercise under this section is that degree of care that a physician, health care
facility, or health care professional, as applicable, of ordinary
prudence and skill would have exercised under the same or similar
circumstances in the same or a similar community.

Renumbered from Sec. 672.015 and amended by Acts 1999, 76th Leg., ch.
450, Sec. 1.03, eff. Sept. 1, 1999.

Sec. 166.045. LIABILITY FOR FAILURE TO EFFECTUATE DIRECTIVE.
(a) A physician, health care facility, or health care professional
who has no knowledge of a directive is not civilly or criminally
liable for failing to act in accordance with the directive.

(b) A physician, or a health professional acting under the
direction of a physician, is subject to review and disciplinary
action by the appropriate licensing board for failing to effectuate a
qualified patient's directive in violation of this subchapter or
other laws of this state. This subsection does not limit remedies
available under other laws of this state.

(c) If an attending physician refuses to comply with a
directive or treatment decision and does not wish to follow the
procedure established under Section 166.046, life-sustaining
treatment shall be provided to the patient, but only until a
reasonable opportunity has been afforded for the transfer of the
patient to another physician or health care facility willing to
comply with the directive or treatment decision.

(d) A physician, health professional acting under the direction
of a physician, or health care facility is not civilly or criminally
liable or subject to review or disciplinary action by the person's
appropriate licensing board if the person has complied with the
procedures outlined in Section 166.046.

Renumbered from Sec. 672.016 and amended by Acts 1999, 76th Leg., ch.
450, Sec. 1.03, eff. Sept. 1, 1999.

Sec. 166.046. PROCEDURE IF NOT EFFECTUATING A DIRECTIVE OR
TREATMENT DECISION. (a) If an attending physician refuses to honor
a patient's advance directive or a health care or treatment decision
made by or on behalf of a patient, the physician's refusal shall be
reviewed by an ethics or medical committee. The attending physician may not be a member of that committee. The patient shall be given life-sustaining treatment during the review.

(b) The patient or the person responsible for the health care decisions of the individual who has made the decision regarding the directive or treatment decision:

(1) may be given a written description of the ethics or medical committee review process and any other policies and procedures related to this section adopted by the health care facility;

(2) shall be informed of the committee review process not less than 48 hours before the meeting called to discuss the patient's directive, unless the time period is waived by mutual agreement;

(3) at the time of being so informed, shall be provided:

(A) a copy of the appropriate statement set forth in Section 166.052; and

(B) a copy of the registry list of health care providers and referral groups that have volunteered their readiness to consider accepting transfer or to assist in locating a provider willing to accept transfer that is posted on the website maintained by the Texas Health Care Information Council under Section 166.053; and

(4) is entitled to:

(A) attend the meeting; and

(B) receive a written explanation of the decision reached during the review process.

(c) The written explanation required by Subsection (b)(2)(B) must be included in the patient's medical record.

(d) If the attending physician, the patient, or the person responsible for the health care decisions of the individual does not agree with the decision reached during the review process under Subsection (b), the physician shall make a reasonable effort to transfer the patient to a physician who is willing to comply with the directive. If the patient is a patient in a health care facility, the facility's personnel shall assist the physician in arranging the patient's transfer to:

(1) another physician;

(2) an alternative care setting within that facility; or

(3) another facility.

(e) If the patient or the person responsible for the health
care decisions of the patient is requesting life-sustaining treatment that the attending physician has decided and the review process has affirmed is inappropriate treatment, the patient shall be given available life-sustaining treatment pending transfer under Subsection (d). The patient is responsible for any costs incurred in transferring the patient to another facility. The physician and the health care facility are not obligated to provide life-sustaining treatment after the 10th day after the written decision required under Subsection (b) is provided to the patient or the person responsible for the health care decisions of the patient unless ordered to do so under Subsection (g).

(e-1) If during a previous admission to a facility a patient's attending physician and the review process under Subsection (b) have determined that life-sustaining treatment is inappropriate, and the patient is readmitted to the same facility within six months from the date of the decision reached during the review process conducted upon the previous admission, Subsections (b) through (e) need not be followed if the patient's attending physician and a consulting physician who is a member of the ethics or medical committee of the facility document on the patient's readmission that the patient's condition either has not improved or has deteriorated since the review process was conducted.

(f) Life-sustaining treatment under this section may not be entered in the patient's medical record as medically unnecessary treatment until the time period provided under Subsection (e) has expired.

(g) At the request of the patient or the person responsible for the health care decisions of the patient, the appropriate district or county court shall extend the time period provided under Subsection (e) only if the court finds, by a preponderance of the evidence, that there is a reasonable expectation that a physician or health care facility that will honor the patient's directive will be found if the time extension is granted.

(h) This section may not be construed to impose an obligation on a facility or a home and community support services agency licensed under Chapter 142 or similar organization that is beyond the scope of the services or resources of the facility or agency. This section does not apply to hospice services provided by a home and community support services agency licensed under Chapter 142.
Sec. 166.047. HONORING DIRECTIVE DOES NOT CONSTITUTE OFFENSE OF AIDING SUICIDE. A person does not commit an offense under Section 22.08, Penal Code, by withholding or withdrawing life-sustaining treatment from a qualified patient in accordance with this subchapter.

Sec. 166.048. CRIMINAL PENALTY; PROSECUTION. (a) A person commits an offense if the person intentionally conceals, cancels, defaces, obliterates, or damages another person's directive without that person's consent. An offense under this subsection is a Class A misdemeanor.

(b) A person is subject to prosecution for criminal homicide under Chapter 19, Penal Code, if the person, with the intent to cause life-sustaining treatment to be withheld or withdrawn from another person contrary to the other person's desires, falsifies or forges a directive or intentionally conceals or withholds personal knowledge of a revocation and thereby directly causes life-sustaining treatment to be withheld or withdrawn from the other person with the result that the other person's death is hastened.

Sec. 166.049. PREGNANT PATIENTS. A person may not withdraw or withhold life-sustaining treatment under this subchapter from a pregnant patient.

Sec. 166.050. MERCY KILLING NOT CONDONED. This subchapter does not condone, authorize, or approve mercy killing or permit an affirmative or deliberate act or omission to end life except to permit the natural process of dying as provided by this subchapter.

Sec. 166.051. LEGAL RIGHT OR RESPONSIBILITY NOT AFFECTED. This subchapter does not impair or supersede any legal right or responsibility a person may have to effect the withholding or withdrawal of life-sustaining treatment in a lawful manner, provided that if an attending physician or health care facility is unwilling to honor a patient’s advance directive or a treatment decision to provide life-sustaining treatment, life-sustaining treatment is required to be provided the patient, but only until a reasonable opportunity has been afforded for transfer of the patient to another physician or health care facility willing to comply with the advance directive or treatment decision.

Sec. 166.052. STATEMENTS EXPLAINING PATIENT’S RIGHT TO TRANSFER. (a) In cases in which the attending physician refuses to honor an advance directive or treatment decision requesting the provision of life-sustaining treatment, the statement required by Section 166.046(b)(2)(A) shall be in substantially the following form:

When There Is A Disagreement About Medical Treatment: The Physician Recommends Against Life-Sustaining Treatment That You Wish To Continue

You have been given this information because you have requested life-sustaining treatment,* which the attending physician believes is
not appropriate. This information is being provided to help you understand state law, your rights, and the resources available to you in such circumstances. It outlines the process for resolving disagreements about treatment among patients, families, and physicians. It is based upon Section 166.046 of the Texas Advance Directives Act, codified in Chapter 166 of the Texas Health and Safety Code.

When an attending physician refuses to comply with an advance directive or other request for life-sustaining treatment because of the physician's judgment that the treatment would be inappropriate, the case will be reviewed by an ethics or medical committee. Life-sustaining treatment will be provided through the review.

You will receive notification of this review at least 48 hours before a meeting of the committee related to your case. You are entitled to attend the meeting. With your agreement, the meeting may be held sooner than 48 hours, if possible.

You are entitled to receive a written explanation of the decision reached during the review process.

If after this review process both the attending physician and the ethics or medical committee conclude that life-sustaining treatment is inappropriate and yet you continue to request such treatment, then the following procedure will occur:

1. The physician, with the help of the health care facility, will assist you in trying to find a physician and facility willing to provide the requested treatment.

2. You are being given a list of health care providers and referral groups that have volunteered their readiness to consider accepting transfer, or to assist in locating a provider willing to accept transfer, maintained by the Texas Health Care Information Council. You may wish to contact providers or referral groups on the list or others of your choice to get help in arranging a transfer.

3. The patient will continue to be given life-sustaining treatment until he or she can be transferred to a willing provider for up to 10 days from the time you were given the committee's written decision that life-sustaining treatment is not appropriate.

4. If a transfer can be arranged, the patient will be responsible for the costs of the transfer.

5. If a provider cannot be found willing to give the requested treatment within 10 days, life-sustaining treatment may be withdrawn unless a court of law has granted an extension.
6. You may ask the appropriate district or county court to extend the 10-day period if the court finds that there is a reasonable expectation that a physician or health care facility willing to provide life-sustaining treatment will be found if the extension is granted.

"Life-sustaining treatment" means treatment that, based on reasonable medical judgment, sustains the life of a patient and without which the patient will die. The term includes both life-sustaining medications and artificial life support, such as mechanical breathing machines, kidney dialysis treatment, and artificial nutrition and hydration. The term does not include the administration of pain management medication or the performance of a medical procedure considered to be necessary to provide comfort care, or any other medical care provided to alleviate a patient's pain.

(b) In cases in which the attending physician refuses to comply with an advance directive or treatment decision requesting the withholding or withdrawal of life-sustaining treatment, the statement required by Section 166.046(b)(3)(A) shall be in substantially the following form:

When There Is A Disagreement About Medical Treatment: The Physician Recommends Life-Sustaining Treatment That You Wish To Stop

You have been given this information because you have requested the withdrawal or withholding of life-sustaining treatment* and the attending physician refuses to comply with that request. The information is being provided to help you understand state law, your rights, and the resources available to you in such circumstances. It outlines the process for resolving disagreements about treatment among patients, families, and physicians. It is based upon Section 166.046 of the Texas Advance Directives Act, codified in Chapter 166 of the Texas Health and Safety Code.

When an attending physician refuses to comply with an advance directive or other request for withdrawal or withholding of life-sustaining treatment for any reason, the case will be reviewed by an ethics or medical committee. Life-sustaining treatment will be provided through the review.

You will receive notification of this review at least 48 hours before a meeting of the committee related to your case. You are entitled to attend the meeting. With your agreement, the meeting may be held sooner than 48 hours, if possible.

You are entitled to receive a written explanation of the
If you or the attending physician do not agree with the decision reached during the review process, and the attending physician still refuses to comply with your request to withhold or withdraw life-sustaining treatment, then the following procedure will occur:

1. The physician, with the help of the health care facility, will assist you in trying to find a physician and facility willing to withdraw or withhold the life-sustaining treatment.

2. You are being given a list of health care providers and referral groups that have volunteered their readiness to consider accepting transfer, or to assist in locating a provider willing to accept transfer, maintained by the Texas Health Care Information Council. You may wish to contact providers or referral groups on the list or others of your choice to get help in arranging a transfer.

"Life-sustaining treatment" means treatment that, based on reasonable medical judgment, sustains the life of a patient and without which the patient will die. The term includes both life-sustaining medications and artificial life support, such as mechanical breathing machines, kidney dialysis treatment, and artificial nutrition and hydration. The term does not include the administration of pain management medication or the performance of a medical procedure considered to be necessary to provide comfort care, or any other medical care provided to alleviate a patient's pain.

(c) An attending physician or health care facility may, if it chooses, include any additional information concerning the physician's or facility's policy, perspective, experience, or review procedure.

Added by Acts 2003, 78th Leg., ch. 1228, Sec. 5, eff. June 20, 2003.
accept transfer of or provide services to any particular patient.

(c) The Texas Health Care Information Council shall post the current registry list on its website in a form appropriate for easy comprehension by patients and persons responsible for the health care decisions of patients and shall provide a clearly identifiable link from its home page to the registry page. The list shall separately indicate those providers and groups that have indicated their interest in assisting the transfer of:

(1) those patients on whose behalf life-sustaining treatment is being sought;

(2) those patients on whose behalf the withholding or withdrawal of life-sustaining treatment is being sought; and

(3) patients described in both Subdivisions (1) and (2).

(d) The registry list described in this section shall include the following disclaimer:

"This registry lists providers and groups that have indicated to the Texas Health Care Information Council their interest in assisting the transfer of patients in the circumstances described, and is provided for information purposes only. Neither the Texas Health Care Information Council nor the State of Texas endorses or assumes any responsibility for any representation, claim, or act of the listed providers or groups."

Added by Acts 2003, 78th Leg., ch. 1228, Sec. 5, eff. June 20, 2003.
unless the context requires otherwise, includes hospital emergency personnel.

(6) "Out-of-hospital DNR order":

(A) means a legally binding out-of-hospital do-not-resuscitate order, in the form specified by the board under Section 166.083, prepared and signed by the attending physician of a person, that documents the instructions of a person or the person's legally authorized representative and directs health care professionals acting in an out-of-hospital setting not to initiate or continue the following life-sustaining treatment:

(i) cardiopulmonary resuscitation;
(ii) advanced airway management;
(iii) artificial ventilation;
(iv) defibrillation;
(v) transcutaneous cardiac pacing; and
(vi) other life-sustaining treatment specified by the board under Section 166.101(a); and

(B) does not include authorization to withhold medical interventions or therapies considered necessary to provide comfort care or to alleviate pain or to provide water or nutrition.

(7) "Out-of-hospital setting" means a location in which health care professionals are called for assistance, including long-term care facilities, in-patient hospice facilities, private homes, hospital outpatient or emergency departments, physician's offices, and vehicles during transport.

(8) "Proxy" means a person designated and authorized by a directive executed or issued in accordance with Subchapter B to make a treatment decision for another person in the event the other person becomes incompetent or otherwise mentally or physically incapable of communication.

(9) "Qualified relatives" means those persons authorized to execute or issue an out-of-hospital DNR order on behalf of a person who is incompetent or otherwise mentally or physically incapable of communication under Section 166.088.

(10) "Statewide out-of-hospital DNR protocol" means a set of statewide standardized procedures adopted by the board under Section 166.101(a) for withholding cardiopulmonary resuscitation and certain other life-sustaining treatment by health care professionals acting in out-of-hospital settings.
Sec. 166.082. OUT-OF-HOSPITAL DNR ORDER; DIRECTIVE TO PHYSICIANS. (a) A competent person may at any time execute a written out-of-hospital DNR order directing health care professionals acting in an out-of-hospital setting to withhold cardiopulmonary resuscitation and certain other life-sustaining treatment designated by the board.

(b) Except as provided by this subsection, the declarant must sign the out-of-hospital DNR order in the presence of two witnesses who qualify under Section 166.003, at least one of whom must be a witness who qualifies under Section 166.003(2). The witnesses must sign the order. The attending physician of the declarant must sign the order and shall make the fact of the existence of the order and the reasons for execution of the order a part of the declarant's medical record. The declarant, in lieu of signing in the presence of witnesses, may sign the out-of-hospital DNR order and have the signature acknowledged before a notary public.

(c) If the person is incompetent but previously executed or issued a directive to physicians in accordance with Subchapter B, the physician may rely on the directive as the person's instructions to issue an out-of-hospital DNR order and shall place a copy of the directive in the person's medical record. The physician shall sign the order in lieu of the person signing under Subsection (b) and may use a digital or electronic signature authorized under Section 166.011.

(d) If the person is incompetent but previously executed or issued a directive to physicians in accordance with Subchapter B designating a proxy, the proxy may make any decisions required of the designating person as to an out-of-hospital DNR order and shall sign the order in lieu of the person signing under Subsection (b).

(e) If the person is now incompetent but previously executed or issued a medical power of attorney designating an agent, the agent may make any decisions required of the designating person as to an out-of-hospital DNR order and shall sign the order in lieu of the person signing under Subsection (b).
(f) The board, on the recommendation of the department, shall by rule adopt procedures for the disposition and maintenance of records of an original out-of-hospital DNR order and any copies of the order.

(g) An out-of-hospital DNR order is effective on its execution.

Amended by: Acts 2009, 81st Leg., R.S., Ch. 461 (H.B. 2585), Sec. 5, eff. September 1, 2009.

Sec. 166.083. FORM OF OUT-OF-HOSPITAL DNR ORDER. (a) A written out-of-hospital DNR order shall be in the standard form specified by board rule as recommended by the department.

(b) The standard form of an out-of-hospital DNR order specified by the board must, at a minimum, contain the following:

(1) a distinctive single-page format that readily identifies the document as an out-of-hospital DNR order;
(2) a title that readily identifies the document as an out-of-hospital DNR order;
(3) the printed or typed name of the person;
(4) a statement that the physician signing the document is the attending physician of the person and that the physician is directing health care professionals acting in out-of-hospital settings, including a hospital emergency department, not to initiate or continue certain life-sustaining treatment on behalf of the person, and a listing of those procedures not to be initiated or continued;
(5) a statement that the person understands that the person may revoke the out-of-hospital DNR order at any time by destroying the order and removing the DNR identification device, if any, or by communicating to health care professionals at the scene the person's desire to revoke the out-of-hospital DNR order;
(6) places for the printed names and signatures of the witnesses or the notary public's acknowledgment and for the printed name and signature of the attending physician of the person and the medical license number of the attending physician;
(7) a separate section for execution of the document by the legal guardian of the person, the person's proxy, an agent of the person having a medical power of attorney, or the attending physician attesting to the issuance of an out-of-hospital DNR order by nonwritten means of communication or acting in accordance with a previously executed or previously issued directive to physicians under Section 166.082(c) that includes the following:

(A) a statement that the legal guardian, the proxy, the agent, the person by nonwritten means of communication, or the physician directs that each listed life-sustaining treatment should not be initiated or continued in behalf of the person; and

(B) places for the printed names and signatures of the witnesses and, as applicable, the legal guardian, proxy, agent, or physician;

(8) a separate section for execution of the document by at least one qualified relative of the person when the person does not have a legal guardian, proxy, or agent having a medical power of attorney and is incompetent or otherwise mentally or physically incapable of communication, including:

(A) a statement that the relative of the person is qualified to make a treatment decision to withhold cardiopulmonary resuscitation and certain other designated life-sustaining treatment under Section 166.088 and, based on the known desires of the person or a determination of the best interest of the person, directs that each listed life-sustaining treatment should not be initiated or continued in behalf of the person; and

(B) places for the printed names and signatures of the witnesses and qualified relative of the person;

(9) a place for entry of the date of execution of the document;

(10) a statement that the document is in effect on the date of its execution and remains in effect until the death of the person or until the document is revoked;

(11) a statement that the document must accompany the person during transport;

(12) a statement regarding the proper disposition of the document or copies of the document, as the board determines appropriate; and

(13) a statement at the bottom of the document, with places for the signature of each person executing the document, that the
document has been properly completed.

(c) The board may, by rule and as recommended by the department, modify the standard form of the out-of-hospital DNR order described by Subsection (b) in order to accomplish the purposes of this subchapter.

(d) A photocopy or other complete facsimile of the original written out-of-hospital DNR order executed under this subchapter may be used for any purpose for which the original written order may be used under this subchapter.

Amended by:
Acts 2009, 81st Leg., R.S., Ch. 461 (H.B. 2585), Sec. 6, eff. September 1, 2009.

Sec. 166.084. ISSUANCE OF OUT-OF-HOSPITAL DNR ORDER BY NONWRITTEN COMMUNICATION. (a) A competent person who is an adult may issue an out-of-hospital DNR order by nonwritten communication.

(b) A declarant must issue the nonwritten out-of-hospital DNR order in the presence of the attending physician and two witnesses who qualify under Section 166.003, at least one of whom must be a witness who qualifies under Section 166.003(2).

(c) The attending physician and witnesses shall sign the out-of-hospital DNR order in the place of the document provided by Section 166.083(b)(7) and the attending physician shall sign the document in the place required by Section 166.083(b)(13). The physician shall make the fact of the existence of the out-of-hospital DNR order a part of the declarant's medical record and the names of the witnesses shall be entered in the medical record.

(d) An out-of-hospital DNR order issued in the manner provided by this section is valid and shall be honored by responding health care professionals as if executed in the manner provided by Section 166.082.

Sec. 166.085. EXECUTION OF OUT-OF-HOSPITAL DNR ORDER ON BEHALF OR A MINOR. (a) The following persons may execute an out-of-hospital DNR order on behalf of a minor:

(1) the minor's parents;
(2) the minor's legal guardian; or
(3) the minor's managing conservator.

(b) A person listed under Subsection (a) may not execute an out-of-hospital DNR order unless the minor has been diagnosed by a physician as suffering from a terminal or irreversible condition.

Sec. 166.086. DESIRE OF PERSON SUPERSEDES OUT-OF-HOSPITAL DNR ORDER. The desire of a competent person, including a competent minor, supersedes the effect of an out-of-hospital DNR order executed or issued by or on behalf of the person when the desire is communicated to responding health care professionals as provided by this subchapter.

Sec. 166.087. PROCEDURE WHEN DECLARANT IS INCOMPETENT OR INCAPABLE OF COMMUNICATION. (a) This section applies when a person 18 years of age or older has executed or issued an out-of-hospital DNR order and subsequently becomes incompetent or otherwise mentally or physically incapable of communication.

(b) If the adult person has designated a person to make a treatment decision as authorized by Section 166.032(c), the attending physician and the designated person shall comply with the out-of-hospital DNR order.

(c) If the adult person has not designated a person to make a treatment decision as authorized by Section 166.032(c), the attending physician shall comply with the out-of-hospital DNR order unless the physician believes that the order does not reflect the person's
Sec. 166.088. PROCEDURE WHEN PERSON HAS NOT EXECUTED OR ISSUED OUT-OF-HOSPITAL DNR ORDER AND IS INCOMPETENT OR INCAPABLE OF COMMUNICATION. (a) If an adult person has not executed or issued an out-of-hospital DNR order and is incompetent or otherwise mentally or physically incapable of communication, the attending physician and the person's legal guardian, proxy, or agent having a medical power of attorney may execute an out-of-hospital DNR order on behalf of the person.

(b) If the person does not have a legal guardian, proxy, or agent under a medical power of attorney, the attending physician and at least one qualified relative from a category listed by Section 166.039(b), subject to the priority established under that subsection, may execute an out-of-hospital DNR order in the same manner as a treatment decision made under Section 166.039(b).

(c) A decision to execute an out-of-hospital DNR order made under Subsection (a) or (b) must be based on knowledge of what the person would desire, if known.

(d) An out-of-hospital DNR order executed under Subsection (b) must be made in the presence of at least two witnesses who qualify under Section 166.003, at least one of whom must be a witness who qualifies under Section 166.003(2).

(e) The fact that an adult person has not executed or issued an out-of-hospital DNR order does not create a presumption that the person does not want a treatment decision made to withhold cardiopulmonary resuscitation and certain other designated life-sustaining treatment designated by the board.

(f) If there is not a qualified relative available to act for the person under Subsection (b), an out-of-hospital DNR order must be concurred in by another physician who is not involved in the treatment of the patient or who is a representative of the ethics or medical committee of the health care facility in which the person is a patient.

(g) A person listed in Section 166.039(b) who wishes to
challenge a decision made under this section must apply for temporary guardianship under Section 875, Texas Probate Code. The court may waive applicable fees in that proceeding.

Sec. 166.089. COMPLIANCE WITH OUT-OF-HOSPITAL DNR ORDER. (a) When responding to a call for assistance, health care professionals shall honor an out-of-hospital DNR order in accordance with the statewide out-of-hospital DNR protocol and, where applicable, locally adopted out-of-hospital DNR protocols not in conflict with the statewide protocol if:

(1) the responding health care professionals discover an executed or issued out-of-hospital DNR order form on their arrival at the scene; and

(2) the responding health care professionals comply with this section.

(b) If the person is wearing a DNR identification device, the responding health care professionals must comply with Section 166.090.

(c) The responding health care professionals must establish the identity of the person as the person who executed or issued the out-of-hospital DNR order or for whom the out-of-hospital DNR order was executed or issued.

(d) The responding health care professionals must determine that the out-of-hospital DNR order form appears to be valid in that it includes:

(1) written responses in the places designated on the form for the names, signatures, and other information required of persons executing or issuing, or witnessing or acknowledging as applicable, the execution or issuance of, the order;

(2) a date in the place designated on the form for the date the order was executed or issued; and

(3) the signature or digital or electronic signature of the declarant or persons executing or issuing the order and the attending physician in the appropriate places designated on the form for indicating that the order form has been properly completed.
(e) If the conditions prescribed by Subsections (a) through (d) are not determined to apply by the responding health care professionals at the scene, the out-of-hospital DNR order may not be honored and life-sustaining procedures otherwise required by law or local emergency medical services protocols shall be initiated or continued. Health care professionals acting in out-of-hospital settings are not required to accept or interpret an out-of-hospital DNR order that does not meet the requirements of this subchapter.

(f) The out-of-hospital DNR order form or a copy of the form, when available, must accompany the person during transport.

(g) A record shall be made and maintained of the circumstances of each emergency medical services response in which an out-of-hospital DNR order or DNR identification device is encountered, in accordance with the statewide out-of-hospital DNR protocol and any applicable local out-of-hospital DNR protocol not in conflict with the statewide protocol.

(h) An out-of-hospital DNR order executed or issued and documented or evidenced in the manner prescribed by this subchapter is valid and shall be honored by responding health care professionals unless the person or persons found at the scene:

(1) identify themselves as the declarant or as the attending physician, legal guardian, qualified relative, or agent of the person having a medical power of attorney who executed or issued the out-of-hospital DNR order on behalf of the person; and

(2) request that cardiopulmonary resuscitation or certain other life-sustaining treatment designated by the board be initiated or continued.

(i) If the policies of a health care facility preclude compliance with the out-of-hospital DNR order of a person or an out-of-hospital DNR order issued by an attending physician on behalf of a person who is admitted to or a resident of the facility, or if the facility is unwilling to accept DNR identification devices as evidence of the existence of an out-of-hospital DNR order, that facility shall take all reasonable steps to notify the person or, if the person is incompetent, the person's guardian or the person or persons having authority to make health care treatment decisions on behalf of the person, of the facility's policy and shall take all reasonable steps to effect the transfer of the person to the person's home or to a facility where the provisions of this subchapter can be carried out.
Sec. 166.090. DNR IDENTIFICATION DEVICE. (a) A person who has a valid out-of-hospital DNR order under this subchapter may wear a DNR identification device around the neck or on the wrist as prescribed by board rule adopted under Section 166.101.

(b) The presence of a DNR identification device on the body of a person is conclusive evidence that the person has executed or issued a valid out-of-hospital DNR order or has a valid out-of-hospital DNR order executed or issued on the person's behalf. Responding health care professionals shall honor the DNR identification device as if a valid out-of-hospital DNR order form executed or issued by the person were found in the possession of the person.

Sec. 166.091. DURATION OF OUT-OF-HOSPITAL DNR ORDER. An out-of-hospital DNR order is effective until it is revoked as prescribed by Section 166.092.

Sec. 166.092. REVOCATION OF OUT-OF-HOSPITAL DNR ORDER. (a) A declarant may revoke an out-of-hospital DNR order at any time without regard to the declarant's mental state or competency. An order may be revoked by:

(1) the declarant or someone in the declarant's presence and at the declarant's direction destroying the order form and
removing the DNR identification device, if any;

(2) a person who identifies himself or herself as the legal guardian, as a qualified relative, or as the agent of the declarant having a medical power of attorney who executed the out-of-hospital DNR order or another person in the person's presence and at the person's direction destroying the order form and removing the DNR identification device, if any;

(3) the declarant communicating the declarant's intent to revoke the order; or

(4) a person who identifies himself or herself as the legal guardian, a qualified relative, or the agent of the declarant having a medical power of attorney who executed the out-of-hospital DNR order orally stating the person's intent to revoke the order.

(b) An oral revocation under Subsection (a)(3) or (a)(4) takes effect only when the declarant or a person who identifies himself or herself as the legal guardian, a qualified relative, or the agent of the declarant having a medical power of attorney who executed the out-of-hospital DNR order communicates the intent to revoke the order to the responding health care professionals or the attending physician at the scene. The responding health care professionals shall record the time, date, and place of the revocation in accordance with the statewide out-of-hospital DNR protocol and rules adopted by the board and any applicable local out-of-hospital DNR protocol. The attending physician or the physician's designee shall record in the person's medical record the time, date, and place of the revocation and, if different, the time, date, and place that the physician received notice of the revocation. The attending physician or the physician's designee shall also enter the word "VOID" on each page of the copy of the order in the person's medical record.

(c) Except as otherwise provided by this subchapter, a person is not civilly or criminally liable for failure to act on a revocation made under this section unless the person has actual knowledge of the revocation.

declarant may at any time reexecute or reissue an out-of-hospital DNR order in accordance with the procedures prescribed by Section 166.082, including reexecution or reissuance after the declarant is diagnosed as having a terminal or irreversible condition.

Sec. 166.094. LIMITATION ON LIABILITY FOR WITHHOLDING CARDIOPULMONARY RESUSCITATION AND CERTAIN OTHER LIFE-SUSTAINING PROCEDURES. (a) A health care professional or health care facility or entity that in good faith causes cardiopulmonary resuscitation or certain other life-sustaining treatment designated by the board to be withheld from a person in accordance with this subchapter is not civilly liable for that action.

(b) A health care professional or health care facility or entity that in good faith participates in withholding cardiopulmonary resuscitation or certain other life-sustaining treatment designated by the board from a person in accordance with this subchapter is not civilly liable for that action.

(c) A health care professional or health care facility or entity that in good faith participates in withholding cardiopulmonary resuscitation or certain other life-sustaining treatment designated by the board from a person in accordance with this subchapter is not criminally liable or guilty of unprofessional conduct as a result of that action.

(d) A health care professional or health care facility or entity that in good faith causes or participates in withholding cardiopulmonary resuscitation or certain other life-sustaining treatment designated by the board from a person in accordance with this subchapter and rules adopted under this subchapter is not in violation of any other licensing or regulatory laws or rules of this state and is not subject to any disciplinary action or sanction by any licensing or regulatory agency of this state as a result of that action.

Sec. 166.095. LIMITATION ON LIABILITY FOR FAILURE TO EFFECTUATE OUT-OF-HOSPITAL DNR ORDER. (a) A health care professional or health care facility or entity that has no actual knowledge of an out-of-hospital DNR order is not civilly or criminally liable for failing to act in accordance with the order.

(b) A health care professional or health care facility or entity is subject to review and disciplinary action by the appropriate licensing board for failing to effectuate an out-of-hospital DNR order. This subsection does not limit remedies available under other laws of this state.

(c) If an attending physician refuses to execute or comply with an out-of-hospital DNR order, the physician shall inform the person, the legal guardian or qualified relatives of the person, or the agent of the person having a medical power of attorney and, if the person or another authorized to act on behalf of the person so directs, shall make a reasonable effort to transfer the person to another physician who is willing to execute or comply with an out-of-hospital DNR order.

Sec. 166.096. HONORING OUT-OF-HOSPITAL DNR ORDER DOES NOT CONSTITUTE OFFENSE OF AIDING SUICIDE. A person does not commit an offense under Section 22.08, Penal Code, by withholding cardiopulmonary resuscitation or certain other life-sustaining treatment designated by the board from a person in accordance with this subchapter.

Sec. 166.097. CRIMINAL PENALTY; PROSECUTION. (a) A person commits an offense if the person intentionally conceals, cancels, defaces, obliterates, or damages another person's out-of-hospital DNR
order or DNR identification device without that person's consent or the consent of the person or persons authorized to execute or issue an out-of-hospital DNR order on behalf of the person under this subchapter. An offense under this subsection is a Class A misdemeanor.

(b) A person is subject to prosecution for criminal homicide under Chapter 19, Penal Code, if the person, with the intent to cause cardiopulmonary resuscitation or certain other life-sustaining treatment designated by the board to be withheld from another person contrary to the other person's desires, falsifies or forges an out-of-hospital DNR order or intentionally conceals or withholds personal knowledge of a revocation and thereby directly causes cardiopulmonary resuscitation and certain other life-sustaining treatment designated by the board to be withheld from the other person with the result that the other person's death is hastened.

Sec. 166.098. PREGNANT PERSONS. A person may not withhold cardiopulmonary resuscitation or certain other life-sustaining treatment designated by the board under this subchapter from a person known by the responding health care professionals to be pregnant.

Sec. 166.099. MERCY KILLING NOT CONDONED. This subchapter does not condone, authorize, or approve mercy killing or permit an affirmative or deliberate act or omission to end life except to permit the natural process of dying as provided by this subchapter.

Sec. 166.100. LEGAL RIGHT OR RESPONSIBILITY NOT AFFECTED. This subchapter does not impair or supersede any legal right or responsibility a person may have under a constitution, other statute, regulation, or court decision to effect the withholding of cardiopulmonary resuscitation or certain other life-sustaining treatment designated by the board.

Sec. 166.101. DUTIES OF DEPARTMENT AND BOARD. (a) The board shall, on the recommendation of the department, adopt all reasonable and necessary rules to carry out the purposes of this subchapter, including rules:

(1) adopting a statewide out-of-hospital DNR order protocol that sets out standard procedures for the withholding of cardiopulmonary resuscitation and certain other life-sustaining treatment by health care professionals acting in out-of-hospital settings;

(2) designating life-sustaining treatment that may be included in an out-of-hospital DNR order, including all procedures listed in Sections 166.081(6)(A)(i) through (v); and

(3) governing recordkeeping in circumstances in which an out-of-hospital DNR order or DNR identification device is encountered by responding health care professionals.

(b) The rules adopted by the board under Subsection (a) are not effective until approved by the Texas State Board of Medical Examiners.

(c) Local emergency medical services authorities may adopt local out-of-hospital DNR order protocols if the local protocols do not conflict with the statewide out-of-hospital DNR order protocol adopted by the board.

(d) The board by rule shall specify a distinctive standard design for a necklace and a bracelet DNR identification device that signifies, when worn by a person, that the possessor has executed or issued a valid out-of-hospital DNR order under this subchapter or is a person for whom a valid out-of-hospital DNR order has been executed or issued.
(e) The department shall report to the board from time to time regarding issues identified in emergency medical services responses in which an out-of-hospital DNR order or DNR identification device is encountered. The report may contain recommendations to the board for necessary modifications to the form of the standard out-of-hospital DNR order or the designated life-sustaining procedures listed in the standard out-of-hospital DNR order, the statewide out-of-hospital DNR order protocol, or the DNR identification devices.

Sec. 166.102. PHYSICIAN'S DNR ORDER MAY BE HONORED BY HEALTH CARE PERSONNEL OTHER THAN EMERGENCY MEDICAL SERVICES PERSONNEL. (a) Except as provided by Subsection (b), a licensed nurse or person providing health care services in an out-of-hospital setting may honor a physician's do-not-resuscitate order.

(b) When responding to a call for assistance, emergency medical services personnel:

(1) shall honor only a properly executed or issued out-of-hospital DNR order or prescribed DNR identification device in accordance with this subchapter; and

(2) have no duty to review, examine, interpret, or honor a person's other written directive, including a written directive in the form prescribed by Section 166.033.

Added by Acts 2003, 78th Leg., ch. 1228, Sec. 7, eff. June 20, 2003. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 710 (H.B. 577), Sec. 1, eff. June 17, 2011.

SUBCHAPTER D. MEDICAL POWER OF ATTORNEY

Sec. 166.151. DEFINITIONS. In this subchapter:

(1) "Adult" means a person 18 years of age or older or a person under 18 years of age who has had the disabilities of minority removed.

(2) "Agent" means an adult to whom authority to make health care decisions is delegated under a medical power of attorney.
"Health care provider" means an individual or facility licensed, certified, or otherwise authorized to administer health care, for profit or otherwise, in the ordinary course of business or professional practice and includes a physician.

"Principal" means an adult who has executed a medical power of attorney.

"Residential care provider" means an individual or facility licensed, certified, or otherwise authorized to operate, for profit or otherwise, a residential care home.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.001 and amended by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.

Sec. 166.152. SCOPE AND DURATION OF AUTHORITY. (a) Subject to this subchapter or any express limitation on the authority of the agent contained in the medical power of attorney, the agent may make any health care decision on the principal's behalf that the principal could make if the principal were competent.

(b) An agent may exercise authority only if the principal's attending physician certifies in writing and files the certification in the principal's medical record that, based on the attending physician's reasonable medical judgment, the principal is incompetent.

(c) Notwithstanding any other provisions of this subchapter, treatment may not be given to or withheld from the principal if the principal objects regardless of whether, at the time of the objection:

(1) a medical power of attorney is in effect; or

(2) the principal is competent.

(d) The principal's attending physician shall make reasonable efforts to inform the principal of any proposed treatment or of any proposal to withdraw or withhold treatment before implementing an agent's advance directive.

(e) After consultation with the attending physician and other health care providers, the agent shall make a health care decision:

(1) according to the agent's knowledge of the principal's wishes, including the principal's religious and moral beliefs; or
(2) if the agent does not know the principal's wishes, according to the agent's assessment of the principal's best interests.

(f) Notwithstanding any other provision of this subchapter, an agent may not consent to:

1. voluntary inpatient mental health services;
2. convulsive treatment;
3. psychosurgery;
4. abortion; or
5. neglect of the principal through the omission of care primarily intended to provide for the comfort of the principal.

(g) The power of attorney is effective indefinitely on execution as provided by this subchapter and delivery of the document to the agent, unless it is revoked as provided by this subchapter or the principal becomes competent. If the medical power of attorney includes an expiration date and on that date the principal is incompetent, the power of attorney continues to be effective until the principal becomes competent unless it is revoked as provided by this subchapter.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.002 and amended by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.

Sec. 166.153. PERSONS WHO MAY NOT EXERCISE AUTHORITY OF AGENT. A person may not exercise the authority of an agent while the person serves as:

1. the principal's health care provider;
2. an employee of the principal's health care provider unless the person is a relative of the principal;
3. the principal's residential care provider; or
4. an employee of the principal's residential care provider unless the person is a relative of the principal.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.003 by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.
Sec. 166.154. EXECUTION. (a) Except as provided by Subsection (b), the medical power of attorney must be signed by the principal in the presence of two witnesses who qualify under Section 166.003, at least one of whom must be a witness who qualifies under Section 166.003(2). The witnesses must sign the document.

(b) The principal, in lieu of signing in the presence of the witnesses, may sign the medical power of attorney and have the signature acknowledged before a notary public.

(c) If the principal is physically unable to sign, another person may sign the medical power of attorney with the principal's name in the principal's presence and at the principal's express direction. The person may use a digital or electronic signature authorized under Section 166.011.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.004 and amended by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 461 (H.B. 2585), Sec. 8, eff. September 1, 2009.

Sec. 166.155. REVOCATION. (a) A medical power of attorney is revoked by:

(1) oral or written notification at any time by the principal to the agent or a licensed or certified health or residential care provider or by any other act evidencing a specific intent to revoke the power, without regard to whether the principal is competent or the principal's mental state;

(2) execution by the principal of a subsequent medical power of attorney; or

(3) the divorce of the principal and spouse, if the spouse is the principal's agent, unless the medical power of attorney provides otherwise.

(b) A principal's licensed or certified health or residential care provider who is informed of or provided with a revocation of a medical power of attorney shall immediately record the revocation in the principal's medical record and give notice of the revocation to the agent and any known health and residential care providers.
Sec. 166.156. APPOINTMENT OF GUARDIAN. (a) On motion filed in connection with a petition for appointment of a guardian or, if a guardian has been appointed, on petition of the guardian, a probate court shall determine whether to suspend or revoke the authority of the agent.

(b) The court shall consider the preferences of the principal as expressed in the medical power of attorney.

(c) During the pendency of the court's determination under Subsection (a), the guardian has the sole authority to make any health care decisions unless the court orders otherwise. If a guardian has not been appointed, the agent has the authority to make any health care decisions unless the court orders otherwise.

(d) A person, including any attending physician or health or residential care provider, who does not have actual knowledge of the appointment of a guardian or an order of the court granting authority to someone other than the agent to make health care decisions is not subject to criminal or civil liability and has not engaged in unprofessional conduct for implementing an agent's health care decision.

Sec. 166.157. DISCLOSURE OF MEDICAL INFORMATION. Subject to any limitations in the medical power of attorney, an agent may, for the purpose of making a health care decision:

(1) request, review, and receive any information, oral or written, regarding the principal's physical or mental health, including medical and hospital records;

(2) execute a release or other document required to obtain
the information; and

(3) consent to the disclosure of the information.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.007 and amended by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.

Sec. 166.158. DUTY OF HEALTH OR RESIDENTIAL CARE PROVIDER. (a) A principal's health or residential care provider and an employee of the provider who knows of the existence of the principal's medical power of attorney shall follow a directive of the principal's agent to the extent it is consistent with the desires of the principal, this subchapter, and the medical power of attorney.

(b) The attending physician does not have a duty to verify that the agent's directive is consistent with the principal's wishes or religious or moral beliefs.

(c) A principal's health or residential care provider who finds it impossible to follow a directive by the agent because of a conflict with this subchapter or the medical power of attorney shall inform the agent as soon as is reasonably possible. The agent may select another attending physician. The procedures established under Sections 166.045 and 166.046 apply if the agent's directive concerns providing, withholding, or withdrawing life-sustaining treatment.

(d) This subchapter may not be construed to require a health or residential care provider who is not a physician to act in a manner contrary to a physician's order.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.008 and amended by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.

Sec. 166.159. DISCRIMINATION RELATING TO EXECUTION OF MEDICAL POWER OF ATTORNEY. A health or residential care provider, health care service plan, insurer issuing disability insurance, self-insured employee benefit plan, or nonprofit hospital service plan may not:

(1) charge a person a different rate solely because the person has executed a medical power of attorney;
(2) require a person to execute a medical power of attorney before:
   (A) admitting the person to a hospital, nursing home, or residential care home;
   (B) insuring the person; or
   (C) allowing the person to receive health or residential care; or
   (3) refuse health or residential care to a person solely because the person has executed a medical power of attorney.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.009 and amended by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.

Sec. 166.160. LIMITATION ON LIABILITY. (a) An agent is not subject to criminal or civil liability for a health care decision if the decision is made in good faith under the terms of the medical power of attorney and the provisions of this subchapter.
   (b) An attending physician, health or residential care provider, or a person acting as an agent for or under the physician's or provider's control is not subject to criminal or civil liability and has not engaged in unprofessional conduct for an act or omission if the act or omission:
      (1) is done in good faith under the terms of the medical power of attorney, the directives of the agent, and the provisions of this subchapter; and
      (2) does not constitute a failure to exercise reasonable care in the provision of health care services.
   (c) The standard of care that the attending physician, health or residential care provider, or person acting as an agent for or under the physician's or provider's control shall exercise under Subsection (b) is that degree of care that an attending physician, health or residential care provider, or person acting as an agent for or under the physician's or provider's control, as applicable, of ordinary prudence and skill would have exercised under the same or similar circumstances in the same or similar community.
   (d) An attending physician, health or residential care provider, or person acting as an agent for or under the physician's
or provider's control has not engaged in unprofessional conduct for:

(1) failure to act as required by the directive of an agent or a medical power of attorney if the physician, provider, or person was not provided with a copy of the medical power of attorney or had no knowledge of a directive; or

(2) acting as required by an agent's directive if the medical power of attorney has expired or been revoked but the physician, provider, or person does not have knowledge of the expiration or revocation.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.010 and amended by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.

Sec. 166.161. LIABILITY FOR HEALTH CARE COSTS. Liability for the cost of health care provided as a result of the agent's decision is the same as if the health care were provided as a result of the principal's decision.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.011 by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.

Sec. 166.162. DISCLOSURE STATEMENT. A medical power of attorney is not effective unless the principal, before executing the medical power of attorney, signs a statement that the principal has received a disclosure statement and has read and understood its contents.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.014 and amended by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.

Sec. 166.163. FORM OF DISCLOSURE STATEMENT. The disclosure statement must be in substantially the following form:

INFORMATION CONCERNING THE MEDICAL POWER OF ATTORNEY
THIS IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING THIS DOCUMENT, YOU SHOULD KNOW THESE IMPORTANT FACTS:

Except to the extent you state otherwise, this document gives the person you name as your agent the authority to make any and all health care decisions for you in accordance with your wishes, including your religious and moral beliefs, when you are no longer capable of making them yourself. Because "health care" means any treatment, service, or procedure to maintain, diagnose, or treat your physical or mental condition, your agent has the power to make a broad range of health care decisions for you. Your agent may consent, refuse to consent, or withdraw consent to medical treatment and may make decisions about withdrawing or withholding life-sustaining treatment. Your agent may not consent to voluntary inpatient mental health services, convulsive treatment, psychosurgery, or abortion. A physician must comply with your agent's instructions or allow you to be transferred to another physician.

Your agent's authority begins when your doctor certifies that you lack the competence to make health care decisions.

Your agent is obligated to follow your instructions when making decisions on your behalf. Unless you state otherwise, your agent has the same authority to make decisions about your health care as you would have had.

It is important that you discuss this document with your physician or other health care provider before you sign it to make sure that you understand the nature and range of decisions that may be made on your behalf. If you do not have a physician, you should talk with someone else who is knowledgeable about these issues and can answer your questions. You do not need a lawyer's assistance to complete this document, but if there is anything in this document that you do not understand, you should ask a lawyer to explain it to you.

The person you appoint as agent should be someone you know and trust. The person must be 18 years of age or older or a person under 18 years of age who has had the disabilities of minority removed. If you appoint your health or residential care provider (e.g., your physician or an employee of a home health agency, hospital, nursing home, or residential care home, other than a relative), that person has to choose between acting as your agent or as your health or residential care provider; the law does not permit a person to do
both at the same time.

You should inform the person you appoint that you want the person to be your health care agent. You should discuss this document with your agent and your physician and give each a signed copy. You should indicate on the document itself the people and institutions who have signed copies. Your agent is not liable for health care decisions made in good faith on your behalf.

Even after you have signed this document, you have the right to make health care decisions for yourself as long as you are able to do so and treatment cannot be given to you or stopped over your objection. You have the right to revoke the authority granted to your agent by informing your agent or your health or residential care provider orally or in writing or by your execution of a subsequent medical power of attorney. Unless you state otherwise, your appointment of a spouse dissolves on divorce.

This document may not be changed or modified. If you want to make changes in the document, you must make an entirely new one.

You may wish to designate an alternate agent in the event that your agent is unwilling, unable, or ineligible to act as your agent. Any alternate agent you designate has the same authority to make health care decisions for you.

THIS POWER OF ATTORNEY IS NOT VALID UNLESS:

(1) YOU SIGN IT AND HAVE YOUR SIGNATURE ACKNOWLEDGED BEFORE A NOTARY PUBLIC; OR

(2) YOU SIGN IT IN THE PRESENCE OF TWO COMPETENT ADULT WITNESSES.

THE FOLLOWING PERSONS MAY NOT ACT AS ONE OF THE WITNESSES:

(1) the person you have designated as your agent;
(2) a person related to you by blood or marriage;
(3) a person entitled to any part of your estate after your death under a will or codicil executed by you or by operation of law;
(4) your attending physician;
(5) an employee of your attending physician;
(6) an employee of a health care facility in which you are a patient if the employee is providing direct patient care to you or is an officer, director, partner, or business office employee of the health care facility or of any parent organization of the health care facility; or
(7) a person who, at the time this power of attorney is executed, has a claim against any part of your estate after your
Sec. 166.164. FORM OF MEDICAL POWER OF ATTORNEY. The medical power of attorney must be in substantially the following form:

MEDICAL POWER OF ATTORNEY DESIGNATION OF HEALTH CARE AGENT.
I, __________ (insert your name) appoint:
Name:___________________________________________________________
Address:________________________________________________________
Phone___________________________________________________________
as my agent to make any and all health care decisions for me, except to the extent I state otherwise in this document. This medical power of attorney takes effect if I become unable to make my own health care decisions and this fact is certified in writing by my physician.

LIMITATIONS ON THE DECISION-MAKING AUTHORITY OF MY AGENT ARE AS FOLLOWS:_____________________________________________________

______________________________________________________________

DESIGNATION OF ALTERNATE AGENT.
(You are not required to designate an alternate agent but you may do so. An alternate agent may make the same health care decisions as the designated agent if the designated agent is unable or unwilling to act as your agent. If the agent designated is your spouse, the designation is automatically revoked by law if your marriage is dissolved.)

If the person designated as my agent is unable or unwilling to make health care decisions for me, I designate the following persons to serve as my agent to make health care decisions for me as authorized by this document, who serve in the following order:

A. First Alternate Agent
   Name:________________________________________________________
   Address:_____________________________________________________
B. Second Alternate Agent

Name: ____________________________________________
Address: __________________________________________
Phone ____________________________________________

The original of this document is kept at:

_____________________________________________________
_____________________________________________________
_____________________________________________________

The following individuals or institutions have signed copies:

Name: ____________________________________________
Address: __________________________________________

Name: ____________________________________________
Address: __________________________________________

DURATION.
I understand that this power of attorney exists indefinitely from the date I execute this document unless I establish a shorter time or revoke the power of attorney. If I am unable to make health care decisions for myself when this power of attorney expires, the authority I have granted my agent continues to exist until the time I become able to make health care decisions for myself.

(IF APPLICABLE) This power of attorney ends on the following date: _________

PRIOR DESIGNATIONS REVOKED.
I revoke any prior medical power of attorney.

ACKNOWLEDGMENT OF DISCLOSURE STATEMENT.
I have been provided with a disclosure statement explaining the effect of this document. I have read and understand that information contained in the disclosure statement.

(YOU MUST DATE AND SIGN THIS POWER OF ATTORNEY. YOU MAY SIGN IT AND HAVE YOUR SIGNATURE ACKNOWLEDGED BEFORE A NOTARY PUBLIC OR YOU MAY SIGN IT IN THE PRESENCE OF TWO COMPETENT ADULT WITNESSES.)

SIGNATURE ACKNOWLEDGED BEFORE NOTARY
I sign my name to this medical power of attorney on _________ day of _________ (month, year) at

(City and State)
(Signature)
_____________________________________________
(Print Name)
State of Texas
County of ________
This instrument was acknowledged before me on ________ (date) by

(Print Name)
STATEMENT OF FIRST WITNESS.
I am not the person appointed as agent by this document. I am
not related to the principal by blood or marriage. I would not be
entitled to any portion of the principal's estate on the principal's
death. I am not the attending physician of the principal or an
employee of the attending physician. I have no claim against any
portion of the principal's estate on the principal's death.
Furthermore, if I am an employee of a health care facility in which
the principal is a patient, I am not involved in providing direct
patient care to the principal and am not an officer, director,
partner, or business office employee of the health care facility or
of any parent organization of the health care facility.

Print Name:________________________________________ Date:_____
Address:____________________________________________

SIGNATURE OF SECOND WITNESS.
Signature:__________________________________________
Sec. 166.165. CIVIL ACTION. (a) A person who is a near relative of the principal or a responsible adult who is directly interested in the principal, including a guardian, social worker, physician, or clergyman, may bring an action to request that the medical power of attorney be revoked because the principal, at the time the medical power of attorney was signed:

(1) was not competent; or
(2) was under duress, fraud, or undue influence.

(a-1) In a county in which there is no statutory probate court, an action under this section shall be brought in the district court. In a county in which there is a statutory probate court, the statutory probate court and the district court have concurrent jurisdiction over an action brought under this section.

(b) The action may be brought in the county of the principal's residence or the residence of the person bringing the action.

(c) During the pendency of the action, the authority of the agent to make health care decisions continues in effect unless the court orders otherwise.
This subchapter does not limit or impair any legal right or responsibility that any person, including a physician or health or residential care provider, may have to make or implement health care decisions on behalf of a person, provided that if an attending physician or health care facility is unwilling to honor a patient's advance directive or a treatment decision to provide life-sustaining treatment, life-sustaining treatment is required to be provided the patient, but only until a reasonable opportunity has been afforded for transfer of the patient to another physician or health care facility willing to comply with the advance directive or treatment decision.

Added by Acts 1991, 72nd Leg., ch. 16, Sec. 3.02(a), eff. Aug. 26, 1991. Renumbered from Civil Practice & Remedies Code Sec. 135.018 and amended by Acts 1999, 76th Leg., ch. 450, Sec. 1.05, eff. Sept. 1, 1999.

CHAPTER 167. FEMALE GENITAL MUTILATION
Sec. 167.001. FEMALE GENITAL MUTILATION PROHIBITED. (a) A person commits an offense if the person knowingly circumcises, excises, or infibulates any part of the labia majora or labia minora or clitoris of another person who is younger than 18 years of age.
(b) An offense under this section is a state jail felony.
(c) It is a defense to prosecution under Subsection (a) that:
(1) the person performing the act is a physician or other licensed health care professional and the act is within the scope of the person's license; and
(2) the act is performed for medical purposes.

CHAPTER 168. CARE OF STUDENTS WITH DIABETES
Sec. 168.001. DEFINITIONS. In this chapter:
(1) "Diabetes management and treatment plan" means the document required by Section 168.002.
(2) "Individualized health plan" means the document required by Section 168.003.
"Principal" includes the principal's designee.  
"School" means a public elementary or secondary school. The term does not include an open-enrollment charter school established under Subchapter D, Chapter 12, Education Code.  
"School employee" means a person employed by:  
(A) a school;  
(B) a local health department that assists a school under this chapter; or  
(C) another entity with which a school has contracted to perform its duties under this chapter.  
"Unlicensed diabetes care assistant" means a school employee who has successfully completed the training required by Section 168.005.

Added by Acts 2005, 79th Leg., Ch. 1022 (H.B. 984), Sec. 1, eff. June 18, 2005.

Sec. 168.002. DIABETES MANAGEMENT AND TREATMENT PLAN.  (a) A diabetes management and treatment plan must be developed and implemented for each student with diabetes who will seek care for the student's diabetes while at school or while participating in a school activity. The plan shall be developed by:  
(1) the student's parent or guardian; and  
(2) the physician responsible for the student's diabetes treatment.  
(b) A diabetes management and treatment plan must:  
(1) identify the health care services the student may receive at school;  
(2) evaluate the student's ability to manage and level of understanding of the student's diabetes; and  
(3) be signed by the student's parent or guardian and the physician responsible for the student's diabetes treatment.  
(c) The parent or guardian of a student with diabetes who seeks care for the student's diabetes while the student is at school shall submit to the school a copy of the student's diabetes management and treatment plan. The plan must be submitted to and reviewed by the school:  
(1) before or at the beginning of the school year;  
(2) on enrollment of the student, if the student enrolls in
the school after the beginning of the school year; or
(3) as soon as practicable following a diagnosis of diabetes for the student.

Added by Acts 2005, 79th Leg., Ch. 1022 (H.B. 984), Sec. 1, eff. June 18, 2005.

Sec. 168.003. INDIVIDUALIZED HEALTH PLAN. (a) An individualized health plan is a coordinated plan of care designed to meet the unique health care needs of a student with diabetes in the school setting. 
(b) An individualized health plan must be developed for each student with diabetes who will seek care for diabetes while at school or while participating in a school activity. The school principal and the school nurse, if a school nurse is assigned to the school, shall develop a student's individualized health plan in collaboration with the student's parent or guardian and, to the extent practicable, the physician responsible for the student's diabetes treatment and one or more of the student's teachers. 
(c) A student's individualized health plan must incorporate components of the student's diabetes management and treatment plan, including the information required under Section 168.002(b). A school shall develop a student's individualized health plan on receiving the student's diabetes management and treatment plan.

Added by Acts 2005, 79th Leg., Ch. 1022 (H.B. 984), Sec. 1, eff. June 18, 2005.

Sec. 168.004. UNLICENSED DIABETES CARE ASSISTANT. (a) At each school in which a student with diabetes is enrolled, the school principal shall:
(1) seek school employees who are not health care professionals to serve as unlicensed diabetes care assistants and care for students with diabetes; and
(2) make efforts to ensure that the school has:
(A) at least one unlicensed diabetes care assistant if a full-time nurse is assigned to the school; and
(B) at least three unlicensed diabetes care assistants if a full-time nurse is not assigned to the school.
(b) An unlicensed diabetes care assistant shall serve under the supervision of the principal.

(c) A school employee may not be subject to any penalty or disciplinary action for refusing to serve as an unlicensed diabetes care assistant.

Added by Acts 2005, 79th Leg., Ch. 1022 (H.B. 984), Sec. 1, eff. June 18, 2005.

Sec. 168.005. TRAINING FOR UNLICENSED DIABETES CARE ASSISTANT.
(a) The Texas Diabetes Council shall develop guidelines, with the assistance of the following entities, for the training of unlicensed diabetes care assistants:

(1) the department's School Health Program;
(2) the American Diabetes Association;
(3) the Juvenile Diabetes Research Foundation International;
(4) the American Association of Diabetes Educators;
(5) the Texas Nurses Association;
(6) the Texas School Nurse Organization; and
(7) the Texas Education Agency.

(b) If a school nurse is assigned to a campus, the school nurse shall coordinate the training of school employees acting as unlicensed diabetes care assistants.

(c) Training under this section must be provided by a health care professional with expertise in the care of persons with diabetes or by the school nurse. The training must be provided before the beginning of the school year or as soon as practicable following:

(1) the enrollment of a student with diabetes at a campus that previously had no students with diabetes; or
(2) a diagnosis of diabetes for a student at a campus that previously had no students with diabetes.

(d) The training must include instruction in:

(1) recognizing the symptoms of hypoglycemia and hyperglycemia;
(2) understanding the proper action to take if the blood glucose levels of a student with diabetes are outside the target ranges indicated by the student's diabetes management and treatment plan;
(3) understanding the details of a student's individualized health plan;

(4) performing finger-sticks to check blood glucose levels, checking urine ketone levels, and recording the results of those checks;

(5) properly administering glucagon and insulin and recording the results of the administration;

(6) recognizing complications that require seeking emergency assistance; and

(7) understanding the recommended schedules and food intake for meals and snacks for a student with diabetes, the effect of physical activity on blood glucose levels, and the proper actions to be taken if a student's schedule is disrupted.

(e) The school nurse or principal shall maintain a copy of the training guidelines and any records associated with the training.

Added by Acts 2005, 79th Leg., Ch. 1022 (H.B. 984), Sec. 1, eff. June 18, 2005.

Sec. 168.006. REQUIRED INFORMATION FOR CERTAIN EMPLOYEES. A school district shall provide to each district employee who is responsible for providing transportation for a student with diabetes or supervising a student with diabetes during an off-campus activity a one-page information sheet that:

(1) identifies the student who has diabetes;

(2) identifies potential emergencies that may occur as a result of the student's diabetes and the appropriate responses to such emergencies; and

(3) provides the telephone number of a contact person in case of an emergency involving the student with diabetes.

Added by Acts 2005, 79th Leg., Ch. 1022 (H.B. 984), Sec. 1, eff. June 18, 2005.

Sec. 168.007. REQUIRED CARE OF STUDENTS WITH DIABETES. (a) If a school nurse is assigned to a campus and the nurse is available, the nurse shall perform the tasks necessary to assist a student with diabetes in accordance with the student's individualized health plan. If a school nurse is not assigned to the campus or a school nurse is
not available, an unlicensed diabetes care assistant shall perform the tasks necessary to assist the student with diabetes in accordance with the student's individualized health plan and in compliance with any guidelines provided during training under Section 168.005. An unlicensed diabetes care assistant may perform the tasks provided by this subsection only if the parent or guardian of the student signs an agreement that:

(1) authorizes an unlicensed diabetes care assistant to assist the student; and

(2) states that the parent or guardian understands that an unlicensed diabetes care assistant is not liable for civil damages as provided by Section 168.009.

(b) If a school nurse is not assigned to a campus:

(1) an unlicensed diabetes care assistant must have access to an individual with expertise in the care of persons with diabetes, such as a physician, a registered nurse, a certified diabetes educator, or a licensed dietitian; or

(2) the principal must have access to the physician responsible for the student's diabetes treatment.

(c) Each school shall adopt a procedure to ensure that a school nurse or at least one unlicensed diabetes care assistant is present and available to provide the required care to a student with diabetes during the regular school day.

(d) A school district may not restrict the assignment of a student with diabetes to a particular campus on the basis that the campus does not have the required unlicensed diabetes care assistants.

(e) An unlicensed diabetes care assistant who assists a student as provided by Subsection (a) in compliance with a student's individualized health plan:

(1) is not considered to be engaging in the practice of professional or vocational nursing under Chapter 301, Occupations Code, or other state law; and

(2) is exempt from any applicable state law or rule that restricts the activities that may be performed by a person who is not a health care professional.

(f) An unlicensed diabetes care assistant may exercise reasonable judgment in deciding whether to contact a health care provider in the event of a medical emergency involving a student with diabetes.
Sec. 168.008. INDEPENDENT MONITORING AND TREATMENT. In accordance with the student's individualized health plan, a school shall permit the student to attend to the management and care of the student's diabetes, which may include:

1. performing blood glucose level checks;
2. administering insulin through the insulin delivery system the student uses;
3. treating hypoglycemia and hyperglycemia;
4. possessing on the student's person at any time any supplies or equipment necessary to monitor and care for the student's diabetes; and
5. otherwise attending to the management and care of the student's diabetes in the classroom, in any area of the school or school grounds, or at any school-related activity.

Sec. 168.009. IMMUNITY FROM DISCIPLINARY ACTION OR LIABILITY. (a) A school employee may not be subject to any disciplinary proceeding, as defined by Section 22.0512(b), Education Code, resulting from an action taken in compliance with this subchapter. The requirements of this subchapter are considered to involve the employee's judgment and discretion and are not considered ministerial acts for purposes of immunity from liability under Section 22.0511, Education Code. Nothing in the subchapter shall be considered to limit the immunity from liability afforded under Section 22.0511, Education Code.

(b) A school nurse is not responsible for and may not be subject to disciplinary action under Chapter 301, Occupations Code, for actions performed by an unlicensed diabetes care assistant.
Sec. 168.010. DIABETES INTERVENTION PILOT PROGRAM FOR SCHOOL DISTRICTS LOCATED ON THE TEXAS-MEXICO BORDER. (a) This section applies only to a school district located in a county that:

(1) has a population of less than 800,000; and
(2) is located on the international border.

(b) The department, in consultation with the Texas Education Agency, shall adopt criteria for the development of a pilot program that is designed to prevent and detect Type 2 diabetes for a school district described by Subsection (a) that has a student population identified by the commissioner as at risk for Type 2 diabetes and that takes into account the needs of the school district. A pilot program developed under this subsection must provide that:

(1) for each student in kindergarten through grade eight, each school in the school district must:
   (A) measure the height, weight, and blood glucose levels of the student at the beginning of the school year and at another appropriate time during the implementation of the program; and
   (B) track the measurements of the student and the progress of the student under the program through a data entry system provided over the Internet; and
(2) the pilot program components consist of bilingual materials.

(c) A school district to which Subsection (a) applies may choose to participate in a pilot program under this section. In the first year a school district implements a program under this section, the district shall report the measurements of student height, weight, and blood glucose levels and the progress of a student under the program to the entity that administers the program. The administering entity, in cooperation with the department, shall evaluate and analyze the measurements to determine the effectiveness of the program in the first year.

(d) The department shall, from money appropriated for that purpose, distribute money to each school district that chooses to implement a pilot program under this section to cover the costs associated with the program.

Added by Acts 2007, 80th Leg., R.S., Ch. 1111 (H.B. 3618), Sec. 1, eff. June 15, 2007.
Amended by:
Sec. 168.011. GRANT-WRITING COORDINATION PROGRAM. (a) The department shall employ one person as a grant writer to assist and coordinate with school districts located in the Texas-Mexico border region in obtaining grants and other funds for school-based health centers.

(b) A grant writer employed under this section may secure a grant or other funds on behalf of the state for a school-based health center.

(c) Funds obtained by the use of a grant writer employed under this section may be used only to:
   (1) acquire, construct, or improve facilities for a school-based health center;
   (2) purchase or lease equipment or materials for a school-based health center; or
   (3) pay the salary or employment benefits of a person who is employed to work exclusively in a school-based health center.

Added by Acts 2007, 80th Leg., R.S., Ch. 1111 (H.B. 3618), Sec. 1, eff. June 15, 2007.

CHAPTER 169. FIRST OFFENDER PROSTITUTION PREVENTION PROGRAM

Sec. 169.001. FIRST OFFENDER PROSTITUTION PREVENTION PROGRAM; PROCEDURES FOR CERTAIN DEFENDANTS. (a) In this chapter, "first offender prostitution prevention program" means a program that has the following essential characteristics:

   (1) the integration of services in the processing of cases in the judicial system;
   (2) the use of a nonadversarial approach involving prosecutors and defense attorneys to promote public safety, to reduce the demand for the commercial sex trade and trafficking of persons by educating offenders, and to protect the due process rights of program participants;
   (3) early identification and prompt placement of eligible participants in the program;
   (4) access to information, counseling, and services
relating to sex addiction, sexually transmitted diseases, mental health, and substance abuse;
(5) a coordinated strategy to govern program responses to participant compliance;
(6) monitoring and evaluation of program goals and effectiveness;
(7) continuing interdisciplinary education to promote effective program planning, implementation, and operations; and
(8) development of partnerships with public agencies and community organizations.

(b) If a defendant successfully completes a first offender prostitution prevention program, regardless of whether the defendant was convicted of the offense for which the defendant entered the program or whether the court deferred further proceedings without entering an adjudication of guilt, after notice to the state and a hearing on whether the defendant is otherwise entitled to the petition, including whether the required time period has elapsed, and whether issuance of the order is in the best interest of justice, the court shall enter an order of nondisclosure under Section 411.081, Government Code, as if the defendant had received a discharge and dismissal under Section 5(c), Article 42.12, Code of Criminal Procedure, with respect to all records and files related to the defendant's arrest for the offense for which the defendant entered the program if the defendant:
(1) has not been previously convicted of a felony offense; and
(2) is not convicted of any other felony offense before the second anniversary of the defendant's successful completion of the program.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1289 (H.B. 1994), Sec. 1, eff. June 17, 2011.

Sec. 169.002. AUTHORITY TO ESTABLISH PROGRAM; ELIGIBILITY. (a) The commissioners court of a county or governing body of a municipality may establish a first offender prostitution prevention program for defendants charged with an offense under Section 43.02(a)(2), Penal Code, in which the defendant offered or agreed to hire a person to engage in sexual conduct.
(b) A defendant is eligible to participate in a first offender prostitution prevention program established under this chapter only if:

(1) the attorney representing the state consents to the defendant's participation in the program; and

(2) the court in which the criminal case is pending finds that the defendant has not been previously convicted of:

(A) an offense under Section 20A.02, 43.02, 43.03, 43.04, or 43.05, Penal Code;

(B) an offense listed in Section 3g(a)(1), Article 42.12, Code of Criminal Procedure; or

(C) an offense punishable as a felony under Chapter 481.

(c) For purposes of Subsection (b), a defendant has been previously convicted of an offense listed in that subsection if:

(1) the defendant was adjudged guilty of the offense or entered a plea of guilty or nolo contendere in return for a grant of deferred adjudication, regardless of whether the sentence for the offense was ever imposed or whether the sentence was probated and the defendant was subsequently discharged from community supervision; or

(2) the defendant was convicted under the laws of another state for an offense containing elements that are substantially similar to the elements of an offense listed in Subsection (b).

(d) A defendant is not eligible to participate in the first offender prostitution prevention program if the defendant offered or agreed to hire a person to engage in sexual conduct and the person was younger than 18 years of age at the time of the offense.

(e) The court in which the criminal case is pending shall allow an eligible defendant to choose whether to participate in the first offender prostitution prevention program or otherwise proceed through the criminal justice system.

(f) If a defendant who chooses to participate in the first offender prostitution prevention program fails to attend any portion of the program, the court in which the defendant's criminal case is pending shall issue a warrant for the defendant's arrest and proceed on the criminal case as if the defendant had chosen not to participate in the program.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1289 (H.B. 1994), Sec. 1, eff. June 17, 2011.
Sec. 169.003. PROGRAM POWERS AND DUTIES. (a) A first offender prostitution prevention program established under this chapter must:

(1) ensure that a person eligible for the program is provided legal counsel before volunteering to proceed through the program and while participating in the program;

(2) allow any participant to withdraw from the program at any time before a trial on the merits has been initiated;

(3) provide each participant with information, counseling, and services relating to sex addiction, sexually transmitted diseases, mental health, and substance abuse; and

(4) provide each participant with classroom instruction related to the prevention of prostitution.

(b) To provide each program participant with information, counseling, and services described by Subsection (a)(3), a program established under this chapter may employ a person or solicit a volunteer who is:

(1) a health care professional;
(2) a psychologist;
(3) a licensed social worker or counselor;
(4) a former prostitute;
(5) a family member of a person arrested for soliciting prostitution;
(6) a member of a neighborhood association or community that is adversely affected by the commercial sex trade or trafficking of persons; or

(7) an employee of a nongovernmental organization specializing in advocacy or laws related to sex trafficking or human trafficking or in providing services to victims of those offenses.

(c) A program established under this chapter shall establish and publish local procedures to promote maximum participation of eligible defendants in programs established in the county or municipality in which the defendants reside.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1289 (H.B. 1994), Sec. 1, eff. June 17, 2011.
speaker of the house of representatives may assign to appropriate
legislative committees duties relating to the oversight of first
offender prostitution prevention programs established under this
chapter.

(b) A legislative committee or the governor may request the
state auditor to perform a management, operations, or financial or
accounting audit of a first offender prostitution prevention program
established under this chapter.

(c) A first offender prostitution prevention program
established under this chapter shall:
   (1) notify the criminal justice division of the governor's
office before or on implementation of the program; and
   (2) provide information regarding the performance of the
program to the division on request.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1289 (H.B. 1994), Sec. 1,
eff. June 17, 2011.

Sec. 169.005. FEES. (a) A first offender prostitution
prevention program established under this chapter may collect from a
participant in the program a nonrefundable program fee in a
reasonable amount not to exceed $1,000, from which the following must
be paid:
   (1) a counseling and services fee in an amount necessary to
cover the costs of the counseling and services provided by the
program;
   (2) a victim services fee in an amount equal to 10 percent
of the amount paid under Subdivision (1), to be deposited to the
credit of the general revenue fund to be appropriated only to cover
costs associated with the grant program described by Section 531.383,
Government Code; and
   (3) a law enforcement training fee, in an amount equal to
five percent of the total amount paid under Subdivision (1), to be
deposited to the credit of the treasury of the county or municipality
that established the program to cover costs associated with the
provision of training to law enforcement personnel on domestic
violence, prostitution, and the trafficking of persons.

(b) Fees collected under this section may be paid on a periodic
basis or on a deferred payment schedule at the discretion of the
judge, magistrate, or program director administering the first offender prostitution prevention program. The fees must be based on the participant's ability to pay.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1289 (H.B. 1994), Sec. 1, eff. June 17, 2011.

Sec. 169.006. SUSPENSION OR DISMISSAL OF COMMUNITY SERVICE REQUIREMENT. (a) To encourage participation in a first offender prostitution prevention program established under this chapter, the judge or magistrate administering the program may suspend any requirement that, as a condition of community supervision, a participant in the program work a specified number of hours at a community service project.

(b) On a participant's successful completion of a first offender prostitution prevention program, a judge or magistrate may excuse the participant from any condition of community supervision previously suspended under Subsection (a).

Added by Acts 2011, 82nd Leg., R.S., Ch. 1289 (H.B. 1994), Sec. 1, eff. June 17, 2011.

CHAPTER 169A. PROSTITUTION PREVENTION PROGRAM

Sec. 169A.001. PROSTITUTION PREVENTION PROGRAM; PROCEDURES FOR CERTAIN DEFENDANTS. (a) In this chapter, "prostitution prevention program" means a program that has the following essential characteristics:

(1) the integration of services in the processing of cases in the judicial system;
(2) the use of a nonadversarial approach involving prosecutors and defense attorneys to promote public safety, to reduce the demand for the commercial sex trade and trafficking of persons by educating offenders, and to protect the due process rights of program participants;
(3) early identification and prompt placement of eligible participants in the program;
(4) access to information, counseling, and services relating to sex addiction, sexually transmitted diseases, mental health, and substance abuse;
(5) a coordinated strategy to govern program responses to participant compliance;
(6) monitoring and evaluation of program goals and effectiveness;
(7) continuing interdisciplinary education to promote effective program planning, implementation, and operations; and
(8) development of partnerships with public agencies and community organizations.

(b) If a defendant successfully completes a prostitution prevention program, regardless of whether the defendant was convicted of the offense for which the defendant entered the program or whether the court deferred further proceedings without entering an adjudication of guilt, after notice to the state and a hearing on whether the defendant is otherwise entitled to the petition, including whether the required time has elapsed, and whether issuance of the order is in the best interest of justice, the court shall enter an order of nondisclosure under Section 411.081, Government Code, as if the defendant had received a discharge and dismissal under Section 5(c), Article 42.12, Code of Criminal Procedure, with respect to all records and files related to the defendant's arrest for the offense for which the defendant entered the program.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1167 (S.B. 484), Sec. 1, eff. September 1, 2013.

Sec. 169A.002. AUTHORITY TO ESTABLISH PROGRAM; ELIGIBILITY.
(a) The commissioners court of a county or governing body of a municipality may establish a prostitution prevention program for defendants charged with an offense under Section 43.02(a)(1), Penal Code, in which the defendant offered or agreed to engage in or engaged in sexual conduct for a fee.

(b) A defendant is eligible to participate in a prostitution prevention program established under this chapter only if the attorney representing the state consents to the defendant's participation in the program.

(c) The court in which the criminal case is pending shall allow an eligible defendant to choose whether to participate in the prostitution prevention program or otherwise proceed through the criminal justice system.
Sec. 169A.0025. ESTABLISHMENT OF REGIONAL PROGRAM. The commissioners courts of two or more counties, or the governing bodies of two or more municipalities, may elect to establish a regional prostitution prevention program under this chapter for the participating counties or municipalities.

Sec. 169A.003. PROGRAM POWERS AND DUTIES. (a) A prostitution prevention program established under this chapter must:

(1) ensure that a person eligible for the program is provided legal counsel before volunteering to proceed through the program and while participating in the program;

(2) allow any participant to withdraw from the program at any time before a trial on the merits has been initiated;

(3) provide each participant with information, counseling, and services relating to sex addiction, sexually transmitted diseases, mental health, and substance abuse; and

(4) provide each participant with instruction related to the prevention of prostitution.

(b) To provide each program participant with information, counseling, and services described by Subsection (a)(3), a program established under this chapter may employ a person or solicit a volunteer who is:

(1) a health care professional;

(2) a psychologist;

(3) a licensed social worker or counselor;

(4) a former prostitute;

(5) a family member of a person arrested for soliciting prostitution;

(6) a member of a neighborhood association or community that is adversely affected by the commercial sex trade or trafficking of persons; or

(7) an employee of a nongovernmental organization
specializing in advocacy or laws related to sex trafficking or human trafficking or in providing services to victims of those offenses.

(c) A program established under this chapter shall establish and publish local procedures to promote maximum participation of eligible defendants in programs established in the county or municipality in which the defendants reside.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1167 (S.B. 484), Sec. 1, eff. September 1, 2013.

Sec. 169A.004. OVERSIGHT. (a) The lieutenant governor and the speaker of the house of representatives may assign to appropriate legislative committees duties relating to the oversight of prostitution prevention programs established under this chapter.

(b) A legislative committee or the governor may request the state auditor to perform a management, operations, or financial or accounting audit of a prostitution prevention program established under this chapter.

(c) A legislative committee may require a county that does not establish a prostitution prevention program under this chapter due to a lack of sufficient funding, as provided by Section 169A.0055(c), to provide the committee with any documentation in the county's possession that concerns federal or state funding received by the county.

(d) A prostitution prevention program established under this chapter shall:

(1) notify the criminal justice division of the governor's office before or on implementation of the program; and

(2) provide information regarding the performance of the program to the division on request.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1167 (S.B. 484), Sec. 1, eff. September 1, 2013.

Sec. 169A.005. FEES. (a) A prostitution prevention program established under this chapter may collect from a participant in the program a nonrefundable program fee in a reasonable amount not to exceed $1,000, from which the following must be paid:

(1) a counseling and services fee in an amount necessary to
cover the costs of the counseling and services provided by the program;

(2) a victim services fee in an amount equal to 10 percent of the amount paid under Subdivision (1), to be deposited to the credit of the general revenue fund to be appropriated only to cover costs associated with the grant program described by Section 531.383, Government Code; and

(3) a law enforcement training fee, in an amount equal to five percent of the total amount paid under Subdivision (1), to be deposited to the credit of the treasury of the county or municipality that established the program to cover costs associated with the provision of training to law enforcement personnel on domestic violence, prostitution, and the trafficking of persons.

(b) Fees collected under this section may be paid on a periodic basis or on a deferred payment schedule at the discretion of the judge, magistrate, or program director administering the prostitution prevention program. The fees must be based on the participant's ability to pay.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1167 (S.B. 484), Sec. 1, eff. September 1, 2013.

Sec. 169A.0055. PROGRAM IN CERTAIN COUNTIES MANDATORY. (a) The commissioners court of a county shall establish a prostitution prevention program if:

(1) the county has a population of more than 200,000; and

(2) a municipality in the county has not established a prostitution prevention program.

(b) A county required under this section to establish a prostitution prevention program shall apply for federal and state funds available to pay the costs of the program. The criminal justice division of the governor's office may assist a county in applying for federal funds as required by this subsection.

(c) Notwithstanding Subsection (a), a county is required to establish a prostitution prevention program under this section only if the county receives sufficient federal or state funding specifically for that purpose.

(d) A county that does not establish a prostitution prevention program as required by this section and maintain the program is
ineligible to receive from the state funds for a community supervision and corrections department.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1167 (S.B. 484), Sec. 1, eff. September 1, 2013.

Sec. 169A.006. SUSPENSION OR DISMISSAL OF COMMUNITY SERVICE REQUIREMENT. (a) To encourage participation in a prostitution prevention program established under this chapter, the judge or magistrate administering the program may suspend any requirement that, as a condition of community supervision, a participant in the program work a specified number of hours at a community service project.

(b) On a participant's successful completion of a prostitution prevention program, a judge or magistrate may excuse the participant from any condition of community supervision previously suspended under Subsection (a).

Added by Acts 2013, 83rd Leg., R.S., Ch. 1167 (S.B. 484), Sec. 1, eff. September 1, 2013.

CHAPTER 170. PROHIBITED ACTS REGARDING ABORTION

Sec. 170.001. DEFINITIONS. In this chapter:

(1) "Abortion" means an act involving the use of an instrument, medicine, drug, or other substance or device developed to terminate the pregnancy of a woman if the act is done with an intention other than to:

(A) increase the probability of a live birth of the unborn child of the woman;
(B) preserve the life or health of the child; or
(C) remove a dead fetus.

(2) "Physician" means an individual licensed to practice medicine in this state.

(3) "Viable" means the stage of fetal development when, in the medical judgment of the attending physician based on the particular facts of the case, an unborn child possesses the capacity to live outside its mother's womb after its premature birth from any cause. The term does not include a fetus whose biparietal diameter is less than 60 millimeters.
Sec. 170.002. PROHIBITED ACTS; EXEMPTION. (a) Except as provided by Subsection (b), a person may not intentionally or knowingly perform an abortion on a woman who is pregnant with a viable unborn child during the third trimester of the pregnancy.

(b) Subsection (a) does not prohibit a person from performing an abortion if at the time of the abortion the person is a physician and concludes in good faith according to the physician's best medical judgment that:

1. the fetus is not a viable fetus and the pregnancy is not in the third trimester;

2. the abortion is necessary to prevent the death or a substantial risk of serious impairment to the physical or mental health of the woman; or

3. the fetus has a severe and irreversible abnormality, identified by reliable diagnostic procedures.

(c) A physician who performs an abortion that, according to the physician's best medical judgment at the time of the abortion, is to abort a viable unborn child during the third trimester of the pregnancy shall certify in writing to the department, on a form prescribed by the department, the medical indications supporting the physician's judgment that the abortion was authorized by Subsection (b)(2) or (3). The certification must be made not later than the 30th day after the date the abortion was performed.
(1) "Abortion" means the use of any means to terminate the pregnancy of a female known by the attending physician to be pregnant with the intention that the termination of the pregnancy by those means will, with reasonable likelihood, cause the death of the fetus.

(2) "Abortion provider" means a facility where an abortion is performed, including the office of a physician and a facility licensed under Chapter 245.

(3) "Medical emergency" means a life-threatening physical condition aggravated by, caused by, or arising from a pregnancy that, as certified by a physician, places the woman in danger of death or a serious risk of substantial impairment of a major bodily function unless an abortion is performed.

(4) "Sonogram" means the use of ultrasonic waves for diagnostic or therapeutic purposes, specifically to monitor an unborn child.

Amended by:
   Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 1, eff. September 1, 2011.

Sec. 171.003. PHYSICIAN TO PERFORM. An abortion may be performed only by a physician licensed to practice medicine in this state.

Sec. 171.0031. REQUIREMENTS OF PHYSICIAN; OFFENSE. (a) A physician performing or inducing an abortion:
   (1) must, on the date the abortion is performed or induced, have active admitting privileges at a hospital that:
       (A) is located not further than 30 miles from the location at which the abortion is performed or induced; and
       (B) provides obstetrical or gynecological health care services; and
   (2) shall provide the pregnant woman with:
       (A) a telephone number by which the pregnant woman may reach the physician, or other health care personnel employed by the physician or by the facility at which the abortion was performed or
induced with access to the woman's relevant medical records, 24 hours a day to request assistance for any complications that arise from the performance or induction of the abortion or ask health-related questions regarding the abortion; and

(B) the name and telephone number of the nearest hospital to the home of the pregnant woman at which an emergency arising from the abortion would be treated.

(b) A physician who violates Subsection (a) commits an offense. An offense under this section is a Class A misdemeanor punishable by a fine only, not to exceed $4,000.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 2, eff. October 29, 2013.

Sec. 171.004. ABORTION OF FETUS AGE 16 WEEKS OR MORE. An abortion of a fetus age 16 weeks or more may be performed only at an ambulatory surgical center or hospital licensed to perform the abortion.

Added by Acts 2003, 78th Leg., ch. 999, Sec. 1, eff. Sept. 1, 2003.

Sec. 171.005. DEPARTMENT TO ENFORCE. The department shall enforce this chapter.

**SUBCHAPTER B. INFORMED CONSENT**

Sec. 171.011. INFORMED CONSENT REQUIRED. A person may not perform an abortion without the voluntary and informed consent of the woman on whom the abortion is to be performed.

Sec. 171.012. VOLUNTARY AND INFORMED CONSENT. (a) Consent to an abortion is voluntary and informed only if:

(1) the physician who is to perform the abortion informs the pregnant woman on whom the abortion is to be performed of:
(A) the physician's name;

(B) the particular medical risks associated with the particular abortion procedure to be employed, including, when medically accurate:

(i) the risks of infection and hemorrhage;
(ii) the potential danger to a subsequent pregnancy and of infertility; and

(iii) the possibility of increased risk of breast cancer following an induced abortion and the natural protective effect of a completed pregnancy in avoiding breast cancer;

(C) the probable gestational age of the unborn child at the time the abortion is to be performed; and

(D) the medical risks associated with carrying the child to term;

(2) the physician who is to perform the abortion or the physician's agent informs the pregnant woman that:

(A) medical assistance benefits may be available for prenatal care, childbirth, and neonatal care;

(B) the father is liable for assistance in the support of the child without regard to whether the father has offered to pay for the abortion; and

(C) public and private agencies provide pregnancy prevention counseling and medical referrals for obtaining pregnancy prevention medications or devices, including emergency contraception for victims of rape or incest;

(3) the physician who is to perform the abortion or the physician's agent:

(A) provides the pregnant woman with the printed materials described by Section 171.014; and

(B) informs the pregnant woman that those materials:

(i) have been provided by the Department of State Health Services;

(ii) are accessible on an Internet website sponsored by the department;

(iii) describe the unborn child and list agencies that offer alternatives to abortion; and

(iv) include a list of agencies that offer sonogram services at no cost to the pregnant woman;

(4) before any sedative or anesthesia is administered to the pregnant woman and at least 24 hours before the abortion or at
at least two hours before the abortion if the pregnant woman waives this requirement by certifying that she currently lives 100 miles or more from the nearest abortion provider that is a facility licensed under Chapter 245 or a facility that performs more than 50 abortions in any 12-month period:

(A) the physician who is to perform the abortion or an agent of the physician who is also a sonographer certified by a national registry of medical sonographers performs a sonogram on the pregnant woman on whom the abortion is to be performed;

(B) the physician who is to perform the abortion displays the sonogram images in a quality consistent with current medical practice in a manner that the pregnant woman may view them;

(C) the physician who is to perform the abortion provides, in a manner understandable to a layperson, a verbal explanation of the results of the sonogram images, including a medical description of the dimensions of the embryo or fetus, the presence of cardiac activity, and the presence of external members and internal organs; and

(D) the physician who is to perform the abortion or an agent of the physician who is also a sonographer certified by a national registry of medical sonographers makes audible the heart auscultation for the pregnant woman to hear, if present, in a quality consistent with current medical practice and provides, in a manner understandable to a layperson, a simultaneous verbal explanation of the heart auscultation;

(5) before receiving a sonogram under Subdivision (4)(A) and before the abortion is performed and before any sedative or anesthesia is administered, the pregnant woman completes and certifies with her signature an election form that states as follows:

"ABORTION AND SONOGRAM ELECTION

(1) THE INFORMATION AND PRINTED MATERIALS DESCRIBED BY SECTIONS 171.012(a)(1)-(3), TEXAS HEALTH AND SAFETY CODE, HAVE BEEN PROVIDED AND EXPLAINED TO ME.

(2) I UNDERSTAND THE NATURE AND CONSEQUENCES OF AN ABORTION.

(3) TEXAS LAW REQUIRES THAT I RECEIVE A SONOGRAM PRIOR TO RECEIVING AN ABORTION.

(4) I UNDERSTAND THAT I HAVE THE OPTION TO VIEW THE SONOGRAM IMAGES.

(5) I UNDERSTAND THAT I HAVE THE OPTION TO HEAR
THE HEARTBEAT.

(6) I UNDERSTAND THAT I AM REQUIRED BY LAW TO HEAR AN EXPLANATION OF THE SONOGRAM IMAGES UNLESS I CERTIFY IN WRITING TO ONE OF THE FOLLOWING:

___ I AM PREGNANT AS A RESULT OF A SEXUAL ASSAULT, INCEST, OR OTHER VIOLATION OF THE TEXAS PENAL CODE THAT HAS BEEN REPORTED TO LAW ENFORCEMENT AUTHORITIES OR THAT HAS NOT BEEN REPORTED BECAUSE I REASONABLY BELIEVE THAT DOING SO WOULD PUT ME AT RISK OF RETALIATION RESULTING IN SERIOUS BODILY INJURY.

___ I AM A MINOR AND OBTAINING AN ABORTION IN ACCORDANCE WITH JUDICIAL BYPASS PROCEDURES UNDER CHAPTER 33, TEXAS FAMILY CODE.

___ MY FETUS HAS AN IRREVERSIBLE MEDICAL CONDITION OR ABNORMALITY, AS IDENTIFIED BY RELIABLE DIAGNOSTIC PROCEDURES AND DOCUMENTED IN MY MEDICAL FILE.

(7) I AM MAKING THIS ELECTION OF MY OWN FREE WILL AND WITHOUT COERCION.

(8) FOR A WOMAN WHO LIVES 100 MILES OR MORE FROM THE NEAREST ABORTION PROVIDER THAT IS A FACILITY LICENSED UNDER CHAPTER 245 OR A FACILITY THAT PERFORMS MORE THAN 50 ABORTIONS IN ANY 12-MONTH PERIOD ONLY:

I CERTIFY THAT, BECAUSE I CURRENTLY LIVE 100 MILES OR MORE FROM THE NEAREST ABORTION PROVIDER THAT IS A FACILITY LICENSED UNDER CHAPTER 245 OR A FACILITY THAT PERFORMS MORE THAN 50 ABORTIONS IN ANY 12-MONTH PERIOD, I WAIVE THE REQUIREMENT TO WAIT 24 HOURS AFTER THE SONOGRAM IS PERFORMED BEFORE RECEIVING THE ABORTION PROCEDURE. MY PLACE OF RESIDENCE IS:__________.

____________________  ____________________
SIGNATURE                        DATE";

(6) before the abortion is performed, the physician who is to perform the abortion receives a copy of the signed, written certification required by Subdivision (5); and

(7) the pregnant woman is provided the name of each person who provides or explains the information required under this subsection.

(a-1) During a visit made to a facility to fulfill the requirements of Subsection (a), the facility and any person at the facility may not accept any form of payment, deposit, or exchange or
make any financial agreement for an abortion or abortion-related services other than for payment of a service required by Subsection (a). The amount charged for a service required by Subsection (a) may not exceed the reimbursement rate established for the service by the Health and Human Services Commission for statewide medical reimbursement programs.

(b) The information required to be provided under Subsections (a)(1) and (2) may not be provided by audio or video recording and must be provided at least 24 hours before the abortion is to be performed:

(1) orally and in person in a private and confidential setting if the pregnant woman currently lives less than 100 miles from the nearest abortion provider that is a facility licensed under Chapter 245 or a facility that performs more than 50 abortions in any 12-month period; or

(2) orally by telephone or in person in a private and confidential setting if the pregnant woman certifies that the woman currently lives 100 miles or more from the nearest abortion provider that is a facility licensed under Chapter 245 or a facility that performs more than 50 abortions in any 12-month period.

(c) When providing the information under Subsection (a)(3), the physician or the physician's agent must provide the pregnant woman with the address of the Internet website on which the printed materials described by Section 171.014 may be viewed as required by Section 171.014(e).

(d) The information provided to the woman under Subsection (a)(2)(B) must include, based on information available from the Office of the Attorney General and the United States Department of Health and Human Services Office of Child Support Enforcement for the three-year period preceding the publication of the information, information regarding the statistical likelihood of collecting child support.

(e) The department is not required to republish informational materials described by Subsection (a)(2)(B) because of a change in information described by Subsection (d) unless the statistical information in the materials changes by five percent or more.

Added by Acts 2003, 78th Leg., ch. 999, Sec. 1, eff. Sept. 1, 2003. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 2, eff.
Sec. 171.0121. MEDICAL RECORD. (a) Before the abortion begins, a copy of the signed, written certification received by the physician under Section 171.012(a)(6) must be placed in the pregnant woman's medical records.

(b) A copy of the signed, written certification required under Sections 171.012(a)(5) and (6) shall be retained by the facility where the abortion is performed until:

1. the seventh anniversary of the date it is signed; or
2. if the pregnant woman is a minor, the later of:
   A. the seventh anniversary of the date it is signed;
   B. the woman's 21st birthday.

Added by Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 3, eff. September 1, 2011.

Sec. 171.0122. VIEWING PRINTED MATERIALS AND SONOGRAM IMAGE; HEARING HEART AUSCULTATION OR VERBAL EXPLANATION. (a) A pregnant woman may choose not to view the printed materials provided under Section 171.012(a)(3) after she has been provided the materials.

(b) A pregnant woman may choose not to view the sonogram images required to be provided to and reviewed with the pregnant woman under Section 171.012(a)(4).

(c) A pregnant woman may choose not to hear the heart auscultation required to be provided to and reviewed with the pregnant woman under Section 171.012(a)(4).

(d) A pregnant woman may choose not to receive the verbal explanation of the results of the sonogram images under Section 171.012(a)(4)(C) if:

1. the woman's pregnancy is a result of a sexual assault, incest, or other violation of the Penal Code that has been reported to law enforcement authorities or that has not been reported because she has a reason that she declines to reveal because she reasonably believes that to do so would put her at risk of retaliation resulting in serious bodily injury;
2. the woman is a minor and obtaining an abortion in
accordance with judicial bypass procedures under Chapter 33, Family Code; or

(3) the fetus has an irreversible medical condition or abnormality, as previously identified by reliable diagnostic procedures and documented in the woman's medical file.

(e) The physician and the pregnant woman are not subject to a penalty under this chapter solely because the pregnant woman chooses not to view the printed materials or the sonogram images, hear the heart auscultation, or receive the verbal explanation, if waived as provided by this section.

Added by Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 3, eff. September 1, 2011.

Sec. 171.0123. PATERNITY AND CHILD SUPPORT INFORMATION. If, after being provided with a sonogram and the information required under this subchapter, the pregnant woman chooses not to have an abortion, the physician or an agent of the physician shall provide the pregnant woman with a publication developed by the Title IV-D agency that provides information about paternity establishment and child support, including:

(1) the steps necessary for unmarried parents to establish legal paternity;
(2) the benefits of paternity establishment for children;
(3) the steps necessary to obtain a child support order;
(4) the benefits of establishing a legal parenting order; and
(5) financial and legal responsibilities of parenting.

Added by Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 3, eff. September 1, 2011.

Sec. 171.0124. EXCEPTION FOR MEDICAL EMERGENCY. A physician may perform an abortion without obtaining informed consent under this subchapter in a medical emergency. A physician who performs an abortion in a medical emergency shall:

(1) include in the patient's medical records a statement signed by the physician certifying the nature of the medical emergency; and
Sec. 171.013. DISTRIBUTION OF STATE MATERIALS. (a) The physician or the physician's agent shall furnish copies of the materials described by Section 171.014 to the pregnant woman at least 24 hours before the abortion is to be performed and shall direct the pregnant woman to the Internet website required to be published under Section 171.014(e). The physician or the physician's agent may furnish the materials to the pregnant woman by mail if the materials are mailed, restricted delivery to addressee, at least 72 hours before the abortion is to be performed.

(b) A physician or the physician's agent is not required to furnish copies of the materials if the woman provides the physician with a written statement that she chooses to view the materials on the Internet website sponsored by the department.

(c) The physician and the physician's agent may disassociate themselves from the materials and may choose to comment on the materials or to refrain from commenting.

Added by Acts 2003, 78th Leg., ch. 999, Sec. 1, eff. Sept. 1, 2003. Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 4, eff. September 1, 2011.
department on request. The department shall provide appropriate quantities of the materials to any person.

(d) The department shall annually review the materials to determine if changes to the contents of the materials are necessary. The department shall adopt rules necessary for considering and making changes to the materials.

(e) The department shall develop and maintain an Internet website to display the information required to be published under this section. In developing and maintaining the website the department shall, to the extent reasonably practicable, safeguard the website against alterations by anyone other than the department and shall monitor the website each day to prevent and correct tampering. The department shall ensure that the website does not collect or maintain information regarding access to the website.

(f) In addition to any other organization or entity, the department shall use the American College of Obstetricians and Gynecologists as the resource in developing information required to be provided under Sections 171.012(a)(1)(B) and (D), Sections 171.012(a)(2)(A), (B), and (C), and Section 171.016, and in maintaining the department's Internet website.

Added by Acts 2003, 78th Leg., ch. 999, Sec. 1, eff. Sept. 1, 2003.

Sec. 171.015. INFORMATION RELATING TO PUBLIC AND PRIVATE AGENCIES. The informational materials must include:

(1) geographically indexed materials designed to inform the pregnant woman of public and private agencies and services that:

(A) are available to assist a woman through pregnancy, childbirth, and the child's dependency, including:

(i) a comprehensive list of adoption agencies;

(ii) a description of the services the adoption agencies offer;

(iii) a description of the manner, including telephone numbers, in which an adoption agency may be contacted; and

(iv) a comprehensive list of agencies and organizations that offer sonogram services at no cost to the pregnant woman;

(B) do not provide abortions or abortion-related services or make referrals to abortion providers; and
(C) are not affiliated with organizations that provide abortions or abortion-related services or make referrals to abortion providers; and
(2) a toll-free, 24-hour telephone number that may be called to obtain an oral list and description of agencies described by Subdivision (1) that are located near the caller and of the services the agencies offer.

Added by Acts 2003, 78th Leg., ch. 999, Sec. 1, eff. Sept. 1, 2003. Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 5, eff. September 1, 2011.

Sec. 171.016. INFORMATION RELATING TO CHARACTERISTICS OF UNBORN CHILD. (a) The informational materials must include materials designed to inform the woman of the probable anatomical and physiological characteristics of the unborn child at two-week gestational increments from the time when a woman can be known to be pregnant to full term, including any relevant information on the possibility of the unborn child's survival.
(b) The materials must include color pictures representing the development of the child at two-week gestational increments. The pictures must contain the dimensions of the unborn child and must be realistic.
(c) The materials provided under this section must be objective and nonjudgmental and be designed to convey only accurate scientific information about the unborn child at the various gestational ages.

Added by Acts 2003, 78th Leg., ch. 999, Sec. 1, eff. Sept. 1, 2003.

Sec. 171.017. PERIODS RUN CONCURRENTLY. If the woman is an unemancipated minor subject to Chapter 33, Family Code, the 24-hour periods established under Sections 171.012(b) and 171.013(a) may run concurrently with the period during which actual or constructive notice is provided under Section 33.002, Family Code.

Added by Acts 2003, 78th Leg., ch. 999, Sec. 1, eff. Sept. 1, 2003.
Sec. 171.018. OFFENSE. A physician who intentionally performs an abortion on a woman in violation of this subchapter commits an offense. An offense under this section is a misdemeanor punishable by a fine not to exceed $10,000. In this section, "intentionally" has the meaning assigned by Section 6.03(a), Penal Code.

Added by Acts 2003, 78th Leg., ch. 999, Sec. 1, eff. Sept. 1, 2003.

SUBCHAPTER C. ABORTION PROHIBITED AT OR AFTER 20 WEEKS POST-FERTILIZATION

Sec. 171.041. SHORT TITLE. This subchapter may be cited as the Preborn Pain Act.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.

Sec. 171.042. DEFINITIONS. In this subchapter:

(1) "Post-fertilization age" means the age of the unborn child as calculated from the fusion of a human spermatozoon with a human ovum.

(2) "Severe fetal abnormality" has the meaning assigned by Section 285.202.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.

Sec. 171.043. DETERMINATION OF POST-FERTILIZATION AGE REQUIRED. Except as otherwise provided by Section 171.046, a physician may not perform or induce or attempt to perform or induce an abortion without, prior to the procedure:

(1) making a determination of the probable post-fertilization age of the unborn child; or

(2) possessing and relying on a determination of the probable post-fertilization age of the unborn child made by another physician.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.
Sec. 171.044. ABORTION OF UNBORN CHILD OF 20 OR MORE WEEKS POST-FERTILIZATION AGE PROHIBITED. Except as otherwise provided by Section 171.046, a person may not perform or induce or attempt to perform or induce an abortion on a woman if it has been determined, by the physician performing, inducing, or attempting to perform or induce the abortion or by another physician on whose determination that physician relies, that the probable post-fertilization age of the unborn child is 20 or more weeks.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.

Sec. 171.045. METHOD OF ABORTION. (a) This section applies only to an abortion authorized under Section 171.046(a)(1) or (2) in which:

(1) the probable post-fertilization age of the unborn child is 20 or more weeks; or

(2) the probable post-fertilization age of the unborn child has not been determined but could reasonably be 20 or more weeks.

(b) Except as otherwise provided by Section 171.046(a)(3), a physician performing an abortion under Subsection (a) shall terminate the pregnancy in the manner that, in the physician's reasonable medical judgment, provides the best opportunity for the unborn child to survive.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.

Sec. 171.046. EXCEPTIONS. (a) The prohibitions and requirements under Sections 171.043, 171.044, and 171.045(b) do not apply to an abortion performed if there exists a condition that, in the physician's reasonable medical judgment, so complicates the medical condition of the woman that, to avert the woman's death or a serious risk of substantial and irreversible physical impairment of a major bodily function, other than a psychological condition, it necessitates, as applicable:

(1) the immediate abortion of her pregnancy without the
delay necessary to determine the probable post-fertilization age of the unborn child;

(2) the abortion of her pregnancy even though the post-fertilization age of the unborn child is 20 or more weeks; or

(3) the use of a method of abortion other than a method described by Section 171.045(b).

(b) A physician may not take an action authorized under Subsection (a) if the risk of death or a substantial and irreversible physical impairment of a major bodily function arises from a claim or diagnosis that the woman will engage in conduct that may result in her death or in substantial and irreversible physical impairment of a major bodily function.

(c) The prohibitions and requirements under Sections 171.043, 171.044, and 171.045(b) do not apply to an abortion performed on an unborn child who has a severe fetal abnormality.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.

Sec. 171.047. PROTECTION OF PRIVACY IN COURT PROCEEDINGS. (a) Except as otherwise provided by this section, in a civil or criminal proceeding or action involving an act prohibited under this subchapter, the identity of the woman on whom an abortion has been performed or induced or attempted to be performed or induced is not subject to public disclosure if the woman does not give consent to disclosure.

(b) Unless the court makes a ruling under Subsection (c) to allow disclosure of the woman's identity, the court shall issue orders to the parties, witnesses, and counsel and shall direct the sealing of the record and exclusion of individuals from courtrooms or hearing rooms to the extent necessary to protect the woman's identity from public disclosure.

(c) A court may order the disclosure of information that is confidential under this section if:

(1) a motion is filed with the court requesting release of the information and a hearing on that request;

(2) notice of the hearing is served on each interested party; and

(3) the court determines after the hearing and an in camera
review that disclosure is essential to the administration of justice and there is no reasonable alternative to disclosure.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.

Sec. 171.048. CONSTRUCTION OF SUBCHAPTER. (a) This subchapter shall be construed, as a matter of state law, to be enforceable up to but no further than the maximum possible extent consistent with federal constitutional requirements, even if that construction is not readily apparent, as such constructions are authorized only to the extent necessary to save the subchapter from judicial invalidation. Judicial reformation of statutory language is explicitly authorized only to the extent necessary to save the statutory provision from invalidity.

(b) If any court determines that a provision of this subchapter is unconstitutionally vague, the court shall interpret the provision, as a matter of state law, to avoid the vagueness problem and shall enforce the provision to the maximum possible extent. If a federal court finds any provision of this subchapter or its application to any person, group of persons, or circumstances to be unconstitutionally vague and declines to impose the saving construction described by this subsection, the Supreme Court of Texas shall provide an authoritative construction of the objectionable statutory provisions that avoids the constitutional problems while enforcing the statute's restrictions to the maximum possible extent, and shall agree to answer any question certified from a federal appellate court regarding the statute.

(c) A state executive or administrative official may not decline to enforce this subchapter, or adopt a construction of this subchapter in a way that narrows its applicability, based on the official's own beliefs about what the state or federal constitution requires, unless the official is enjoined by a state or federal court from enforcing this subchapter.

(d) This subchapter may not be construed to authorize the prosecution of or a cause of action to be brought against a woman on whom an abortion is performed or induced or attempted to be performed or induced in violation of this subchapter.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October
29, 2013.

SUBCHAPTER D. ABORTION-INDUCING DRUGS

Sec. 171.061. DEFINITIONS. In this subchapter:

(1) "Abortion" means the act of using, administering, prescribing, or otherwise providing an instrument, a drug, a medicine, or any other substance, device, or means with the intent to terminate a clinically diagnosable pregnancy of a woman and with knowledge that the termination by those means will, with reasonable likelihood, cause the death of the woman's unborn child. An act is not an abortion if the act is done with the intent to:

(A) save the life or preserve the health of an unborn child;

(B) remove a dead, unborn child whose death was caused by spontaneous abortion;

(C) remove an ectopic pregnancy; or

(D) treat a maternal disease or illness for which a prescribed drug, medicine, or other substance is indicated.

(2) "Abortion-inducing drug" means a drug, a medicine, or any other substance, including a regimen of two or more drugs, medicines, or substances, prescribed, dispensed, or administered with the intent of terminating a clinically diagnosable pregnancy of a woman and with knowledge that the termination will, with reasonable likelihood, cause the death of the woman's unborn child. The term includes off-label use of drugs, medicines, or other substances known to have abortion-inducing properties that are prescribed, dispensed, or administered with the intent of causing an abortion, including the Mifeprex regimen. The term does not include a drug, medicine, or other substance that may be known to cause an abortion but is prescribed, dispensed, or administered for other medical reasons.

(3) "Final printed label" or "FPL" means the informational document approved by the United States Food and Drug Administration for an abortion-inducing drug that:

(A) outlines the protocol authorized by that agency and agreed to by the drug company applying for authorization of the drug by that agency; and

(B) delineates how a drug is to be used according to approval by that agency.

(4) "Gestational age" means the amount of time that has
elapsed since the first day of a woman's last menstrual period.

(5) "Medical abortion" means the administration or use of an abortion-inducing drug to induce an abortion.

(6) "Mifepristone regimen," "RU-486 regimen," or "RU-486" means the abortion-inducing drug regimen approved by the United States Food and Drug Administration that consists of administering mifepristone and misoprostol.

(7) "Physician" means an individual who is licensed to practice medicine in this state, including a medical doctor and a doctor of osteopathic medicine.

(8) "Pregnant" means the female reproductive condition of having an unborn child in a woman's uterus.

(9) "Unborn child" means an offspring of human beings from conception until birth.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.

Sec. 171.062. ENFORCEMENT BY TEXAS MEDICAL BOARD. Notwithstanding Section 171.005, the Texas Medical Board shall enforce this subchapter.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.

Sec. 171.063. DISTRIBUTION OF ABORTION-INDUCING DRUG. (a) A person may not knowingly give, sell, dispense, administer, provide, or prescribe an abortion-inducing drug to a pregnant woman for the purpose of inducing an abortion in the pregnant woman or enabling another person to induce an abortion in the pregnant woman unless:

(1) the person who gives, sells, dispenses, administers, provides, or prescribes the abortion-inducing drug is a physician; and

(2) except as otherwise provided by Subsection (b), the provision, prescription, or administration of the abortion-inducing drug satisfies the protocol tested and authorized by the United States Food and Drug Administration as outlined in the final printed label of the abortion-inducing drug.

(b) A person may provide, prescribe, or administer the
abortion-inducing drug in the dosage amount prescribed by the clinical management guidelines defined by the American Congress of Obstetricians and Gynecologists Practice Bulletin as those guidelines existed on January 1, 2013.

(c) Before the physician gives, sells, dispenses, administers, provides, or prescribes an abortion-inducing drug, the physician must examine the pregnant woman and document, in the woman's medical record, the gestational age and intrauterine location of the pregnancy.

(d) The physician who gives, sells, dispenses, administers, provides, or prescribes an abortion-inducing drug shall provide the pregnant woman with:

1. a copy of the final printed label of that abortion-inducing drug; and
2. a telephone number by which the pregnant woman may reach the physician, or other health care personnel employed by the physician or by the facility at which the abortion was performed with access to the woman's relevant medical records, 24 hours a day to request assistance for any complications that arise from the administration or use of the drug or ask health-related questions regarding the administration or use of the drug.

(e) The physician who gives, sells, dispenses, administers, provides, or prescribes the abortion-inducing drug, or the physician's agent, must schedule a follow-up visit for the woman to occur not more than 14 days after the administration or use of the drug. At the follow-up visit, the physician must:

1. confirm that the pregnancy is completely terminated; and
2. assess the degree of bleeding.

(f) The physician who gives, sells, dispenses, administers, provides, or prescribes the abortion-inducing drug, or the physician's agent, shall make a reasonable effort to ensure that the woman returns for the scheduled follow-up visit under Subsection (e). The physician or the physician's agent shall document a brief description of any effort made to comply with this subsection, including the date, time, and name of the person making the effort, in the woman's medical record.

(g) If a physician gives, sells, dispenses, administers, provides, or prescribes an abortion-inducing drug to a pregnant woman for the purpose of inducing an abortion as authorized by this section
and the physician knows that the woman experiences a serious adverse event, as defined by the MedWatch Reporting System, during or after the administration or use of the drug, the physician shall report the event to the United States Food and Drug Administration through the MedWatch Reporting System not later than the third day after the date the physician learns that the event occurred.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.

Sec. 171.064. ADMINISTRATIVE PENALTY. (a) The Texas Medical Board may take disciplinary action under Chapter 164, Occupations Code, or assess an administrative penalty under Subchapter A, Chapter 165, Occupations Code, against a person who violates Section 171.063.

(b) A penalty may not be assessed under this section against a pregnant woman who receives a medical abortion.

Added by Acts 2013, 83rd Leg., 2nd C.S., Ch. 1, Sec. 3, eff. October 29, 2013.

SUBTITLE I. MEDICAL RECORDS
CHAPTER 181. MEDICAL RECORDS PRIVACY
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 181.001. DEFINITIONS. (a) Unless otherwise defined in this chapter, each term that is used in this chapter has the meaning assigned by the Health Insurance Portability and Accountability Act and Privacy Standards.

(b) In this chapter:

(1) "Commission" means the Health and Human Services Commission.

(2) "Covered entity" means any person who:

(A) for commercial, financial, or professional gain, monetary fees, or dues, or on a cooperative, nonprofit, or pro bono basis, engages, in whole or in part, and with real or constructive knowledge, in the practice of assembling, collecting, analyzing, using, evaluating, storing, or transmitting protected health information. The term includes a business associate, health care payer, governmental unit, information or computer management entity, school, health researcher, health care facility, clinic, health care
provider, or person who maintains an Internet site;
   (B) comes into possession of protected health information;
   (C) obtains or stores protected health information under this chapter; or
   (D) is an employee, agent, or contractor of a person described by Paragraph (A), (B), or (C) insofar as the employee, agent, or contractor creates, receives, obtains, maintains, uses, or transmits protected health information.

(2-a) "Disclose" means to release, transfer, provide access to, or otherwise divulge information outside the entity holding the information.

(2-b) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(4) "Marketing" means:
   (A) making a communication about a product or service that encourages a recipient of the communication to purchase or use the product or service, unless the communication is made:
      (i) to describe a health-related product or service or the payment for a health-related product or service that is provided by, or included in a plan of benefits of, the covered entity making the communication, including communications about:
         (a) the entities participating in a health care provider network or health plan network;
         (b) replacement of, or enhancement to, a health plan; or
         (c) health-related products or services available only to a health plan enrollee that add value to, but are not part of, a plan of benefits;
      (ii) for treatment of the individual;
      (iii) for case management or care coordination for the individual, or to direct or recommend alternative treatments, therapies, health care providers, or settings of care to the individual; or
(iv) by a covered entity to an individual that encourages a change to a prescription drug included in the covered entity's drug formulary or preferred drug list;

(B) an arrangement between a covered entity and any other entity under which the covered entity discloses protected health information to the other entity, in exchange for direct or indirect remuneration, for the other entity or its affiliate to make a communication about its own product or service that encourages recipients of the communication to purchase or use that product or service; and

(C) notwithstanding Paragraphs (A)(ii) and (iii), a product-specific written communication to a consumer that encourages a change in products.

(5) "Product" means a prescription drug or prescription medical device.

Added by Acts 2001, 77th Leg., ch. 1511, Sec. 1, eff. Sept. 1, 2001. Amended by Acts 2003, 78th Leg., ch. 924, Sec. 2. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 1, eff. September 1, 2012.

Sec. 181.002. APPLICABILITY. (a) Except as provided by Section 181.205, this chapter does not affect the validity of another statute of this state that provides greater confidentiality for information made confidential by this chapter.

(b) To the extent that this chapter conflicts with another law, other than Section 58.0052, Family Code, with respect to protected health information collected by a governmental body or unit, this chapter controls.

Acts 2011, 82nd Leg., R.S., Ch. 653 (S.B. 1106), Sec. 5, eff. June 17, 2011.

Sec. 181.003. SOVEREIGN IMMUNITY. This chapter does not waive sovereign immunity to suit or liability.
Sec. 181.004.  APPLICABILITY OF STATE AND FEDERAL LAW.  (a) A covered entity, as that term is defined by 45 C.F.R. Section 160.103, shall comply with the Health Insurance Portability and Accountability Act and Privacy Standards.

(b) Subject to Section 181.051, a covered entity, as that term is defined by Section 181.001, shall comply with this chapter.

Sec. 181.005.  DUTIES OF THE EXECUTIVE COMMISSIONER.  (a) The executive commissioner shall administer this chapter and may adopt rules consistent with the Health Insurance Portability and Accountability Act and Privacy Standards to administer this chapter.

(b) The executive commissioner shall review amendments to the definitions in 45 C.F.R. Parts 160 and 164 that occur after September 1, 2011, and determine whether it is in the best interest of the state to adopt the amended federal regulations. If the executive commissioner determines that it is in the best interest of the state to adopt the amended federal regulations, the amended regulations shall apply as required by this chapter.

(c) In making a determination under this section, the executive commissioner must consider, in addition to other factors affecting the public interest, the beneficial and adverse effects the amendments would have on:

(1) the lives of individuals in this state and their expectations of privacy; and

(2) governmental entities, institutions of higher education, state-owned teaching hospitals, private businesses, and commerce in this state.

(d) The executive commissioner shall prepare a report of the executive commissioner's determination made under this section and shall file the report with the presiding officer of each house of the legislature before the 30th day after the date the determination is made. The report must include an explanation of the reasons for the determination.
Sec. 181.006. PROTECTED HEALTH INFORMATION NOT PUBLIC. Notwithstanding Sections 181.004 and 181.051, for a covered entity that is a governmental unit, an individual's protected health information:

(1) includes any information that reflects that an individual received health care from the covered entity; and

(2) is not public information and is not subject to disclosure under Chapter 552, Government Code.

Subchapter B. Exemptions

Sec. 181.051. PARTIAL EXEMPTION. Except for Subchapter D, this chapter does not apply to:

(1) a covered entity as defined by Section 602.001, Insurance Code;

(2) an entity established under Article 5.76-3, Insurance Code; or

(3) an employer.

Sec. 181.052. PROCESSING PAYMENT TRANSACTIONS BY FINANCIAL INSTITUTIONS. (a) In this section, "financial institution" has the meaning assigned by Section 1101, Right to Financial Privacy Act of 1978 (12 U.S.C. Section 3401), and its subsequent amendments.

(b) To the extent that a covered entity engages in activities
of a financial institution, or authorizes, processes, clears, settles, bills, transfers, reconciles, or collects payments for a financial institution, this chapter and any rule adopted under this chapter does not apply to the covered entity with respect to those activities, including the following:

(1) using or disclosing information to authorize, process, clear, settle, bill, transfer, reconcile, or collect a payment for, or related to, health plan premiums or health care, if the payment is made by any means, including a credit, debit, or other payment card, an account, a check, or an electronic funds transfer; and

(2) requesting, using, or disclosing information with respect to a payment described by Subdivision (1):
   (A) for transferring receivables;
   (B) for auditing;
   (C) in connection with a customer dispute or an inquiry from or to a customer;
   (D) in a communication to a customer of the entity regarding the customer's transactions, payment card, account, check, or electronic funds transfer;
   (E) for reporting to consumer reporting agencies; or
   (F) for complying with a civil or criminal subpoena or a federal or state law regulating the covered entity.

Sec. 181.053. NONPROFIT AGENCIES. The department shall by rule exempt from this chapter a nonprofit agency that pays for health care services or prescription drugs for an indigent person only if the agency's primary business is not the provision of health care or reimbursement for health care services.

Sec. 181.054. WORKERS' COMPENSATION. This chapter does not apply to:

(1) workers' compensation insurance or a function authorized by Title 5, Labor Code; or

(2) any person or entity in connection with providing, administering, supporting, or coordinating any of the benefits under
a self-insured program for workers' compensation.

Sec. 181.055. EMPLOYEE BENEFIT PLAN. This chapter does not apply to:

(1) an employee benefit plan; or
(2) any covered entity or other person, insofar as the entity or person is acting in connection with an employee benefit plan.

Sec. 181.056. AMERICAN RED CROSS. This chapter does not prohibit the American Red Cross from accessing any information necessary to perform its duties to provide biomedical services, disaster relief, disaster communication, or emergency leave verification services for military personnel.

Sec. 181.057. INFORMATION RELATING TO OFFENDERS WITH MENTAL IMPAIRMENTS. This chapter does not apply to an agency described by Section 614.017 with respect to the disclosure, receipt, transfer, or exchange of medical and health information and records relating to individuals in the custody of an agency or in community supervision.

Sec. 181.058. EDUCATIONAL RECORDS. In this chapter, protected health information does not include:

(1) education records covered by the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. Section 1232g) and its subsequent amendments; or
(2) records described by 20 U.S.C. Section 1232g(a)(4)(B)(iv) and its subsequent amendments.
Sec. 181.059. CRIME VICTIM COMPENSATION. This chapter does not apply to any person or entity in connection with providing, administering, supporting, or coordinating any of the benefits regarding compensation to victims of crime as provided by Subchapter B, Chapter 56, Code of Criminal Procedure.

Sec. 181.101. TRAINING REQUIRED. (a) Each covered entity shall provide training to employees of the covered entity regarding the state and federal law concerning protected health information as necessary and appropriate for the employees to carry out the employees' duties for the covered entity.

(b) An employee of a covered entity must complete training described by Subsection (a) not later than the 90th day after the date the employee is hired by the covered entity.

(c) If the duties of an employee of a covered entity are affected by a material change in state or federal law concerning protected health information, the employee shall receive training described by Subsection (a) within a reasonable period, but not later than the first anniversary of the date the material change in law takes effect.

(d) A covered entity shall require an employee of the entity who receives training described by Subsection (a) to sign, electronically or in writing, a statement verifying the employee's completion of training. The covered entity shall maintain the signed statement until the sixth anniversary of the date the statement is signed.

SUBCHAPTER C. ACCESS TO AND USE OF PROTECTED HEALTH INFORMATION

Sec. 181.101. TRAINING REQUIRED. (a) Each covered entity shall provide training to employees of the covered entity regarding the state and federal law concerning protected health information as necessary and appropriate for the employees to carry out the employees' duties for the covered entity.

(b) An employee of a covered entity must complete training described by Subsection (a) not later than the 90th day after the date the employee is hired by the covered entity.

(c) If the duties of an employee of a covered entity are affected by a material change in state or federal law concerning protected health information, the employee shall receive training described by Subsection (a) within a reasonable period, but not later than the first anniversary of the date the material change in law takes effect.

(d) A covered entity shall require an employee of the entity who receives training described by Subsection (a) to sign, electronically or in writing, a statement verifying the employee's completion of training. The covered entity shall maintain the signed statement until the sixth anniversary of the date the statement is signed.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 6, eff. September 1, 2012.

Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1367 (S.B. 1609), Sec. 1, eff. June 14, 2013.
Sec. 181.102. CONSUMER ACCESS TO ELECTRONIC HEALTH RECORDS. (a) Except as provided by Subsection (b), if a health care provider is using an electronic health records system that is capable of fulfilling the request, the health care provider, not later than the 15th business day after the date the health care provider receives a written request from a person for the person's electronic health record, shall provide the requested record to the person in electronic form unless the person agrees to accept the record in another form.

(b) A health care provider is not required to provide access to a person's protected health information that is excepted from access, or to which access may be denied, under 45 C.F.R. Section 164.524.

(c) For purposes of Subsection (a), the executive commissioner, in consultation with the Department of State Health Services, the Texas Medical Board, and the Texas Department of Insurance, by rule may recommend a standard electronic format for the release of requested health records. The standard electronic format recommended under this section must be consistent, if feasible, with federal law regarding the release of electronic health records.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 6, eff. September 1, 2012.

Sec. 181.103. CONSUMER INFORMATION WEBSITE. The attorney general shall maintain an Internet website that provides:

(1) information concerning a consumer's privacy rights regarding protected health information under federal and state law;

(2) a list of the state agencies, including the Department of State Health Services, the Texas Medical Board, and the Texas Department of Insurance, that regulate covered entities in this state and the types of entities each agency regulates;

(3) detailed information regarding each agency's complaint enforcement process; and

(4) contact information, including the address of the agency's Internet website, for each agency listed under Subdivision (2) for reporting a violation of this chapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 6, eff. September 1, 2012.
Sec. 181.104. CONSUMER COMPLAINT REPORT BY ATTORNEY GENERAL.

(a) The attorney general annually shall submit to the legislature a report describing:

(1) the number and types of complaints received by the attorney general and by the state agencies receiving consumer complaints under Section 181.103; and

(2) the enforcement action taken in response to each complaint reported under Subdivision (1).

(b) Each state agency that receives consumer complaints under Section 181.103 shall submit to the attorney general, in the form required by the attorney general, the information the attorney general requires to compile the report required by Subsection (a).

(c) The attorney general shall de-identify protected health information from the individual to whom the information pertains before including the information in the report required by Subsection (a).

Added by Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 6, eff. September 1, 2012.

SUBCHAPTER D. PROHIBITED ACTS

Sec. 181.151. REIDENTIFIED INFORMATION. A person may not reidentify or attempt to reidentify an individual who is the subject of any protected health information without obtaining the individual's consent or authorization if required under this chapter or other state or federal law.

Sec. 181.152. MARKETING USES OF INFORMATION. (a) A covered entity must obtain clear and unambiguous permission in written or electronic form to use or disclose protected health information for any marketing communication, except if the communication is:

(1) in the form of a face-to-face communication made by a covered entity to an individual;

(2) in the form of a promotional gift of nominal value provided by the covered entity;

(3) necessary for administration of a patient assistance program or other prescription drug savings or discount program; or
(4) made at the oral request of the individual.

(b) If a covered entity uses or discloses protected health information to send a written marketing communication through the mail, the communication must be sent in an envelope showing only the names and addresses of sender and recipient and must:

(1) state the name and toll-free number of the entity sending the marketing communication; and

(2) explain the recipient's right to have the recipient's name removed from the sender's mailing list.

(c) A person who receives a request under Subsection (b)(2) to remove a person's name from a mailing list shall remove the person's name not later than the 45th day after the date the person receives the request.

(d) A marketing communication made at the oral request of the individual under Subsection (a)(4) may be made only if clear and unambiguous oral permission for the use or disclosure of the protected health information is obtained. The marketing communication must be limited to the scope of the oral permission and any further marketing communication must comply with the requirements of this section.

Amended by Acts 2003, 78th Leg., ch. 924, Sec. 6, eff. Jan. 1, 2004.

Sec. 181.153. SALE OF PROTECTED HEALTH INFORMATION PROHIBITED; EXCEPTIONS. (a) A covered entity may not disclose an individual's protected health information to any other person in exchange for direct or indirect remuneration, except that a covered entity may disclose an individual's protected health information:

(1) to another covered entity, as that term is defined by Section 181.001, or to a covered entity, as that term is defined by Section 602.001, Insurance Code, for the purpose of:

(A) treatment;

(B) payment;

(C) health care operations; or

(D) performing an insurance or health maintenance organization function described by Section 602.053, Insurance Code; or

(2) as otherwise authorized or required by state or federal
(b) The direct or indirect remuneration a covered entity receives for making a disclosure of protected health information authorized by Subsection (a)(1)(D) may not exceed the covered entity's reasonable costs of preparing or transmitting the protected health information.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 7, eff. September 1, 2012.

Sec. 181.154. NOTICE AND AUTHORIZATION REQUIRED FOR ELECTRONIC DISCLOSURE OF PROTECTED HEALTH INFORMATION; EXCEPTIONS. (a) A covered entity shall provide notice to an individual for whom the covered entity creates or receives protected health information if the individual's protected health information is subject to electronic disclosure. A covered entity may provide general notice by:

(1) posting a written notice in the covered entity's place of business;
(2) posting a notice on the covered entity's Internet website; or
(3) posting a notice in any other place where individuals whose protected health information is subject to electronic disclosure are likely to see the notice.

(b) Except as provided by Subsection (c), a covered entity may not electronically disclose an individual's protected health information to any person without a separate authorization from the individual or the individual's legally authorized representative for each disclosure. An authorization for disclosure under this subsection may be made in written or electronic form or in oral form if it is documented in writing by the covered entity.

(c) The authorization for electronic disclosure of protected health information described by Subsection (b) is not required if the disclosure is made:

(1) to another covered entity, as that term is defined by Section 181.001, or to a covered entity, as that term is defined by Section 602.001, Insurance Code, for the purpose of:
   (A) treatment;
   (B) payment;
(C) health care operations; or
(D) performing an insurance or health maintenance organization function described by Section 602.053, Insurance Code; or

(2) as otherwise authorized or required by state or federal law.

(d) The attorney general shall adopt a standard authorization form for use in complying with this section. The form must comply with the Health Insurance Portability and Accountability Act and Privacy Standards and this chapter.

(e) This section does not apply to a covered entity, as defined by Section 602.001, Insurance Code, if that entity is not a covered entity as defined by 45 C.F.R. Section 160.103.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 7, eff. September 1, 2012.

SUBCHAPTER E. ENFORCEMENT

Sec. 181.201. INJUNCTIVE RELIEF; CIVIL PENALTY. (a) The attorney general may institute an action for injunctive relief to restrain a violation of this chapter.

(b) In addition to the injunctive relief provided by Subsection (a), the attorney general may institute an action for civil penalties against a covered entity for a violation of this chapter. A civil penalty assessed under this section may not exceed:

(1) $5,000 for each violation that occurs in one year, regardless of how long the violation continues during that year, committed negligently;

(2) $25,000 for each violation that occurs in one year, regardless of how long the violation continues during that year, committed knowingly or intentionally; or

(3) $250,000 for each violation in which the covered entity knowingly or intentionally used protected health information for financial gain.

(b-1) The total amount of a penalty assessed against a covered entity under Subsection (b) in relation to a violation or violations of Section 181.154 may not exceed $250,000 annually if the court finds that the disclosure was made only to another covered entity and only for a purpose described by Section 181.154(c) and the court
finds that:

(1) the protected health information disclosed was encrypted or transmitted using encryption technology designed to protect against improper disclosure;

(2) the recipient of the protected health information did not use or release the protected health information; or

(3) at the time of the disclosure of the protected health information, the covered entity had developed, implemented, and maintained security policies, including the education and training of employees responsible for the security of protected health information.

(c) If the court in which an action under Subsection (b) is pending finds that the violations have occurred with a frequency as to constitute a pattern or practice, the court may assess a civil penalty not to exceed $1.5 million annually.

(d) In determining the amount of a penalty imposed under Subsection (b), the court shall consider:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the disclosure;

(2) the covered entity's compliance history;

(3) whether the violation poses a significant risk of financial, reputational, or other harm to an individual whose protected health information is involved in the violation;

(4) whether the covered entity was certified at the time of the violation as described by Section 182.108;

(5) the amount necessary to deter a future violation; and

(6) the covered entity's efforts to correct the violation.

(e) The attorney general may institute an action against a covered entity that is licensed by a licensing agency of this state for a civil penalty under this section only if the licensing agency refers the violation to the attorney general under Section 181.202(2).

(f) The office of the attorney general may retain a reasonable portion of a civil penalty recovered under this section, not to exceed amounts specified in the General Appropriations Act, for the enforcement of this subchapter.

Added by Acts 2001, 77th Leg., ch. 1511, Sec. 1, eff. Sept. 1, 2001. Amended by:

 Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 8, eff.
Sec. 181.202. DISCIPLINARY ACTION. In addition to the penalties prescribed by this chapter, a violation of this chapter by a covered entity that is licensed by an agency of this state is subject to investigation and disciplinary proceedings, including probation or suspension by the licensing agency. If there is evidence that the violations of this chapter are egregious and constitute a pattern or practice, the agency may:

(1) revoke the covered entity's license; or
(2) refer the covered entity's case to the attorney general for the institution of an action for civil penalties under Section 181.201(b).

Added by Acts 2001, 77th Leg., ch. 1511, Sec. 1, eff. Sept. 1, 2001. Amended by: Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 9, eff. September 1, 2012.

Sec. 181.203. EXCLUSION FROM STATE PROGRAMS. In addition to the penalties prescribed by this chapter, a covered entity shall be excluded from participating in any state-funded health care program if a court finds the covered entity engaged in a pattern or practice of violating this chapter.

Sec. 181.205. MITIGATION. (a) In an action or proceeding to impose an administrative penalty or assess a civil penalty for actions related to the disclosure of individually identifiable health information, a covered entity may introduce, as mitigating evidence, evidence of the entity's good faith efforts to comply with:

(1) state law related to the privacy of individually identifiable health information; or
(2) the Health Insurance Portability and Accountability Act and Privacy Standards.

(b) In determining the amount of a penalty imposed under other law in accordance with Section 181.202, a court or state agency shall
consider the following factors:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the disclosure;
(2) the covered entity's compliance history;
(3) whether the violation poses a significant risk of financial, reputational, or other harm to an individual whose protected health information is involved in the violation;
(4) whether the covered entity was certified at the time of the violation as described by Section 182.108;
(5) the amount necessary to deter a future violation; and
(6) the covered entity's efforts to correct the violation.

(c) On receipt of evidence under Subsections (a) and (b), a court or state agency shall consider the evidence and mitigate imposition of an administrative penalty or assessment of a civil penalty accordingly.

Added by Acts 2003, 78th Leg., ch. 924, Sec. 7, eff. Sept. 1, 2003. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 10, eff. September 1, 2012.

Sec. 181.206. AUDITS OF COVERED ENTITIES. (a) The commission, in coordination with the attorney general, the Texas Health Services Authority, and the Texas Department of Insurance:

(1) may request that the United States secretary of health and human services conduct an audit of a covered entity, as that term is defined by 45 C.F.R. Section 160.103, in this state to determine compliance with the Health Insurance Portability and Accountability Act and Privacy Standards; and

(2) shall periodically monitor and review the results of audits of covered entities in this state conducted by the United States secretary of health and human services.

(b) If the commission has evidence that a covered entity has committed violations of this chapter that are egregious and constitute a pattern or practice, the commission may:

(1) require the covered entity to submit to the commission the results of a risk analysis conducted by the covered entity if required by 45 C.F.R. Section 164.308(a)(1)(ii)(A); or

(2) if the covered entity is licensed by a licensing agency
of this state, request that the licensing agency conduct an audit of
the covered entity's system to determine compliance with the
provisions of this chapter.

(c) The commission annually shall submit to the appropriate
standing committees of the senate and the house of representatives a
report regarding the number of federal audits of covered entities in
this state and the number of audits required under Subsection (b).

Added by Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 11,
eff. September 1, 2012.

Sec. 181.207. FUNDING. The commission and the Texas Department
of Insurance, in consultation with the Texas Health Services
Authority, shall apply for and actively pursue available federal
funding for enforcement of this chapter.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 11,
eff. September 1, 2012.

CHAPTER 182. TEXAS HEALTH SERVICES AUTHORITY
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 182.001. PURPOSE. This chapter establishes the Texas
Health Services Authority as a public-private collaborative to
implement the state-level health information technology functions
identified by the Texas Health Information Technology Advisory
Committee by serving as a catalyst for the development of a seamless
electronic health information infrastructure to support the health
care system in the state and to improve patient safety and quality of
care.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff.

Sec. 182.002. DEFINITIONS. In this chapter:
(1) "Board" means the board of directors of the
corporation.
(2) "Corporation" means the Texas Health Services
Authority.
(2-a) "Covered entity" has the meaning assigned by Section 181.001.

(3) "De-identified protected health information" means protected health information that is not individually identifiable health information as that term is defined by the privacy rule of the Administrative Simplification subtitle of the Health Insurance Portability and Accountability Act of 1996 (Pub. L. No. 104-191) contained in 45 C.F.R. Part 160 and 45 C.F.R. Part 164, Subparts A and E.

(3-a) "Disclose" has the meaning assigned by Section 181.001.

(3-b) "Health Insurance Portability and Accountability Act and Privacy Standards" has the meaning assigned by Section 181.001.

(4) "Individually identifiable health information" means individually identifiable health information as that term is defined by the privacy rule of the Administrative Simplification subtitle of the Health Insurance Portability and Accountability Act of 1996 (Pub. L. No. 104-191) contained in 45 C.F.R. Part 160 and 45 C.F.R. Part 164, Subparts A and E.

(5) "Physician" means:
   (A) an individual licensed to practice medicine in this state under the authority of Subtitle B, Title 3, Occupations Code;
   (B) a professional entity organized in conformity with Title 7, Business Organizations Code, and permitted to practice medicine under Subtitle B, Title 3, Occupations Code;
   (C) a partnership organized in conformity with Title 4, Business Organizations Code, composed entirely of individuals licensed to practice medicine under Subtitle B, Title 3, Occupations Code;
   (D) an approved nonprofit health corporation certified under Chapter 162, Occupations Code;
   (E) a medical school or medical and dental unit, as defined or described by Section 61.003, 61.501, or 74.601, Education Code, that employs or contracts with physicians to teach or provide medical services or employs physicians and contracts with physicians in a practice plan; or
   (F) an entity wholly owned by individuals licensed to practice medicine under Subtitle B, Title 3, Occupations Code.

(6) "Protected health information" means protected health information as that term is defined by the privacy rule of the
SUBCHAPTER B. ADMINISTRATION

Sec. 182.051. TEXAS HEALTH SERVICES AUTHORITY; PURPOSE. (a) The corporation is established to:
(1) promote, implement, and facilitate the voluntary and secure electronic exchange of health information; and
(2) create incentives to promote, implement, and facilitate the voluntary and secure electronic exchange of health information.
(b) The corporation is a public nonprofit corporation and, except as otherwise provided in this chapter, has all the powers and duties incident to a nonprofit corporation under the Business Organizations Code.
(c) The corporation is subject to state law governing nonprofit corporations, except that:
(1) the corporation may not be placed in receivership; and
(2) the corporation is not required to make reports to the secretary of state under Section 22.357, Business Organizations Code.
(d) Except as otherwise provided by law, all expenses of the corporation shall be paid from income of the corporation.
(e) The corporation is subject to Chapter 551, Government Code.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.052. APPLICATION OF SUNSET ACT. The corporation is subject to Chapter 325, Government Code. Unless continued in existence as provided by that chapter, the corporation is abolished and this chapter expires September 1, 2015. The governor may order the dissolution of the corporation at any time the governor declares
that the purposes of the corporation have been fulfilled or that the corporation is inoperative or abandoned.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.
Amended by:
  Acts 2009, 81st Leg., 1st C.S., Ch. 2 (S.B. 2), Sec. 2.08, eff. July 10, 2009.
  Acts 2011, 82nd Leg., R.S., Ch. 1232 (S.B. 652), Sec. 2.09, eff. June 17, 2011.

Sec. 182.053. COMPOSITION OF BOARD OF DIRECTORS. (a) The corporation is governed by a board of 11 directors appointed by the governor, with the advice and consent of the senate.
(b) The governor shall also appoint at least two ex officio, nonvoting members representing the Department of State Health Services.
(c) The governor shall appoint as voting board members individuals who represent consumers, clinical laboratories, health benefit plans, hospitals, regional health information exchange initiatives, pharmacies, physicians, or rural health providers, or who possess expertise in any other area the governor finds necessary for the successful operation of the corporation.
(d) An individual may not serve on the board of the corporation if the individual serves on the board of any other governmental body in this state.
(e) Appointments to the board shall be made without regard to the race, color, disability, sex, religion, age, or national origin of the appointees.
(f) An individual may not serve on the board of the corporation, in any capacity, if the individual has made a gift or grant, in cash or in kind, to the corporation.
(g) An individual may not serve on the board of the corporation, in any capacity, if the individual is required to register as a lobbyist under Chapter 305, Government Code, because of the person's activities for compensation on behalf of a profession or entity that is engaged in the providing of health care, the review or analysis of health care, the payment for health care services or procedures, or the providing of information technology.
Sec. 182.054. TERMS OF OFFICE. Appointed members of the board serve two-year terms and may continue to serve until a successor has been appointed by the governor.

Sec. 182.055. EXPENSES. Members of the board serve without compensation but are entitled to reimbursement for actual and necessary expenses in attending meetings of the board or performing other official duties authorized by the presiding officer.

Sec. 182.056. OFFICERS; CONFLICT OF INTEREST. (a) The governor shall designate a member of the board as presiding officer to serve in that capacity at the pleasure of the governor.

(b) Any board member or a member of a committee formed by the board with direct interest in a matter, personally or through an employer, before the board shall abstain from deliberations and actions on the matter in which the conflict of interest arises and shall further abstain on any vote on the matter, and may not otherwise participate in a decision on the matter.

(c) Each board member shall file a conflict of interest statement and a statement of ownership interests with the board to ensure disclosure of all existing and potential personal interests related to board business.

Sec. 182.057. PROHIBITION ON CERTAIN CONTRACTS AND EMPLOYMENT. The board may not compensate, employ, or contract with any individual
who serves as a member of the board or advisory council to any other governmental body, including any agency, council, or committee, in this state.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.058. MEETINGS. (a) The board may meet as often as necessary, but shall meet at least twice a year.

(b) The board shall develop and implement policies that provide the public with a reasonable opportunity to appear before the board and to speak on any issue under the authority of the corporation.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.059. CHIEF EXECUTIVE OFFICER; PERSONNEL. The board may hire a chief executive officer. Under the direction of the board, the chief executive officer shall perform the duties required by this chapter or designated by the board. The chief executive officer may hire additional staff to carry out the responsibilities of the corporation.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.060. TECHNOLOGY POLICY. The board shall implement a policy requiring the corporation to use appropriate technological solutions to improve the corporation's ability to perform its functions. The policy must ensure that the public is able to interact with the corporation on the Internet.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.061. LIABILITIES OF AUTHORITY. Liabilities created by the corporation are not debts or obligations of the state, and the
corporation may not secure any liability with funds or assets of the state except as otherwise provided by law.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.062. BOARD MEMBER IMMUNITY. (a) A board member may not be held civilly liable for an act performed, or omission made, in good faith in the performance of the member's powers and duties under this chapter.

(b) A cause of action does not arise against a member of the board for an act or omission described by Subsection (a).

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

SUBCHAPTER C. POWERS AND DUTIES

Sec. 182.101. GENERAL POWERS AND DUTIES. The corporation may:

(1) establish statewide health information exchange capabilities, including capabilities for electronic laboratory results, diagnostic studies, and medication history delivery, and, where applicable, promote definitions and standards for electronic interactions statewide;

(2) seek funding to:

(A) implement, promote, and facilitate the voluntary exchange of secure electronic health information between and among individuals and entities that are providing or paying for health care services or procedures; and

(B) create incentives to implement, promote, and facilitate the voluntary exchange of secure electronic health information between and among individuals and entities that are providing or paying for health care services or procedures;

(3) establish statewide health information exchange capabilities for streamlining health care administrative functions including:

(A) communicating point of care services, including laboratory results, diagnostic imaging, and prescription histories;

(B) communicating patient identification and emergency room required information in conformity with state and federal
privacy laws;

(C) real-time communication of enrollee status in relation to health plan coverage, including enrollee cost-sharing responsibilities; and

(D) current census and status of health plan contracted providers;

(4) support regional health information exchange initiatives by:

(A) identifying data and messaging standards for health information exchange;

(B) administering programs providing financial incentives, including grants and loans for the creation and support of regional health information networks, subject to available funds;

(C) providing technical expertise where appropriate;

(D) sharing intellectual property developed under Section 182.105;

(E) waiving the corporation's fees associated with intellectual property, data, expertise, and other services or materials provided to regional health information exchanges operated on a nonprofit basis; and

(F) applying operational and technical standards developed by the corporation to existing health information exchanges only on a voluntary basis, except for standards related to ensuring effective privacy and security of individually identifiable health information;

(5) identify standards for streamlining health care administrative functions across payors and providers, including electronic patient registration, communication of enrollment in health plans, and information at the point of care regarding services covered by health plans; and

(6) support the secure, electronic exchange of health information through other strategies identified by the board.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. 87 (S.B. 1969), Sec. 12.003, eff. September 1, 2009.
Sec. 182.102. PROHIBITED ACTS. (a) The corporation has no authority and shall not engage in any of the following:

(1) the collection and analysis of clinical data;

(2) the comparison of physicians to other physicians, including comparisons to peer group physicians, physician groups, and physician teams, and to national specialty society adopted quality measurements;

(3) the creation of a tool to measure physician performance compared to:

(A) peer group physicians on state and specialty levels; or

(B) objective standards;

(4) the providing of access to aggregated, de-identified protected health information to local health information exchanges and other users of quality care studies, disease management and population health assessments;

(5) providing to public health programs trended, aggregated, de-identified protected health information to help assess the health status of populations and the providing of regular reports of trends and important incidence of events to public health avenues for intervention, education, and prevention programs; or

(6) the creation of evidence-based standards for the practice of medicine.

(b) The corporation has no authority and shall not disseminate information, in any manner, to the public that compares, rates, tiers, classifies, measures, or ranks a physician's performance, efficiency, or quality of practice.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.103. PRIVACY OF INFORMATION. (a) Protected health information and individually identifiable health information collected, assembled, or maintained by the corporation is confidential and is not subject to disclosure under Chapter 552, Government Code.

(b) The corporation shall comply with all state and federal laws and rules relating to the transmission of health information, including the Health Insurance Portability and Accountability Act of

(c) The corporation shall develop privacy, security, operational, and technical standards to assist health information networks in the state to ensure effective statewide privacy, data security, efficiency, and interoperability across networks. The network's standards shall be guided by reference to the standards of the Certification Commission for Healthcare Information Technology or the Health Information Technology Standards Panel, or other federally approved certification standards, that exist on May 1, 2007, as to the process of implementation, acquisition, upgrade, or installation of electronic health information technology.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.104. SECURITY COMPLIANCE. The corporation shall:

(1) establish appropriate security standards to protect both the transmission and the receipt of individually identifiable health information or health care data;

(2) establish appropriate security standards to protect access to any individually identifiable health information or health care data collected, assembled, or maintained by the corporation;

(3) establish the highest levels of security and protection for access to and control of individually identifiable health information, including mental health care data and data relating to specific disease status, that is governed by more stringent state or federal privacy laws; and

(4) establish policies and procedures for the corporation for taking disciplinary actions against a board member, employee, or other person with access to individually identifiable health care information that violates state or federal privacy laws related to health care information or data maintained by the corporation.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.105. INTELLECTUAL PROPERTY. The corporation shall take commercially reasonable measures to protect its intellectual property, including obtaining patents, trademarks, and copyrights.
Sec. 182.106. ANNUAL REPORT. The corporation shall submit an annual report to the governor, the lieutenant governor, the speaker of the house of representatives, and the appropriate oversight committee in the senate and the house of representatives. The annual report must include financial information and a progress update on the corporation's efforts to carry out its mission.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.107. FUNDING. (a) The corporation may be funded through the General Appropriations Act and may request, accept, and use gifts and grants as necessary to implement its functions.

(b) The corporation may assess transaction, convenience, or subscription fees to cover costs associated with implementing its functions. All fees must be voluntary but receipt of services provided by the corporation may be conditioned on payment of fees.

(c) The corporation may participate in other revenue-generating activities that are consistent with the corporation's purposes.

Added by Acts 2007, 80th Leg., R.S., Ch. 845 (H.B. 1066), Sec. 1, eff. June 15, 2007.

Sec. 182.108. STANDARDS FOR ELECTRONIC SHARING OF PROTECTED HEALTH INFORMATION; COVERED ENTITY CERTIFICATION. (a) The corporation shall develop and submit to the commission for ratification privacy and security standards for the electronic sharing of protected health information.

(b) The commission shall review and by rule adopt acceptable standards submitted for ratification under Subsection (a).

(c) Standards adopted under Subsection (b) must be designed to:

(1) comply with the Health Insurance Portability and Accountability Act and Privacy Standards and Chapter 181;
(2) comply with any other state and federal law relating to the security and confidentiality of information electronically maintained or disclosed by a covered entity;
(3) ensure the secure maintenance and disclosure of personally identifiable health information;
(4) include strategies and procedures for disclosing personally identifiable health information; and
(5) support a level of system interoperability with existing health record databases in this state that is consistent with emerging standards.

(d) The corporation shall establish a process by which a covered entity may apply for certification by the corporation of a covered entity's past compliance with standards adopted under Subsection (b).

(e) The corporation shall publish the standards adopted under Subsection (b) on the corporation's Internet website.

Added by Acts 2011, 82nd Leg., R.S., Ch. 1126 (H.B. 300), Sec. 13, eff. September 1, 2012.

TITLE 3. VITAL STATISTICS
CHAPTER 191. ADMINISTRATION OF VITAL STATISTICS RECORDS
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 191.001. DEFINITIONS. In this title:
(1) "Board" means the Texas Board of Health.
(2) "Department" means the Texas Department of Health.

Sec. 191.002. POWERS AND DUTIES OF DEPARTMENT. (a) The department shall administer the registration of vital statistics.

(b) The department shall:
(1) establish a bureau of vital statistics with suitable offices that are properly equipped for the preservation of its official records;
(2) establish a statewide system of vital statistics;
(3) provide instructions and prescribe forms for collecting, recording, transcribing, compiling, and preserving vital statistics;
(4) require the enforcement of this title and rules adopted under this title;
(5) prepare, print, and supply to local registrars forms for registering, recording, and preserving returns or otherwise carrying out the purposes of this title; and
(6) propose legislation necessary for the purposes of this title.
(c) The department may use birth records and provide those records on request to other state agencies for programs notifying mothers of young children about children's health needs.

Sec. 191.003. POWERS AND DUTIES OF BOARD. (a) The board shall:
(1) adopt necessary rules for collecting, recording, transcribing, compiling, and preserving vital statistics;
(2) supervise the bureau of vital statistics; and
(3) appoint the director of the bureau of vital statistics.
(b) In an emergency, the board may suspend any part of this title that hinders the uniform and efficient registration of vital events and may substitute emergency rules designed to expedite that registration under disaster conditions.

Sec. 191.004. STATE REGISTRAR. (a) The director of the bureau of vital statistics is the state registrar of vital statistics. The director must be a competent vital statistician.
(b) The state registrar shall prepare and issue detailed instructions necessary for the uniform observance of this title and the maintenance of a perfect system of registration.

Sec. 191.0045. FEES. (a) The bureau of vital statistics may charge fees for providing services to the public and performing other activities in connection with maintenance of the vital statistics.
system, including:

(1) performing searches of birth, death, fetal death, marriage, divorce, annulment, and other records;

(2) preparing and issuing copies and certified copies of birth, death, fetal death, marriage, divorce, annulment, and other records; and

(3) filing a record, amendment, or affidavit under this title.

(b) The board by rule may prescribe a schedule of fees for vital statistics services. The aggregate of the amounts of the fees may not exceed the cost of administering the vital statistics system.

(c) The bureau of vital statistics shall refund to an applicant any fee received for services that the bureau cannot perform. If the money has been deposited to the credit of the vital statistics fund, the comptroller shall issue a warrant against the fund for refund of the payment on presentation of a claim signed by the state registrar.

(d) A local registrar or county clerk who issues a certified copy of a birth or death certificate shall charge the same fees as charged by the bureau of vital statistics, including the additional fee required under Subsection (e), except as provided by Subsections (g) and (h).

(e) In addition to fees collected by the bureau of vital statistics under Subsection (b), the bureau shall collect an additional $2 fee for each of the following:

(1) issuing a certified copy of a certificate of birth;

(2) issuing a wallet-sized certification of birth; and

(3) conducting a search for a certificate of birth.

(g) A local registrar or county clerk that on March 31, 1995, was charging a fee for the issuance of a certified copy of a birth certificate that exceeded the fee charged by the bureau of vital statistics for the same type of certificate may continue to do so but shall not raise this fee until the fee charged by the bureau exceeds the fee charged by the local registrar or county clerk. A local registrar or county clerk to which this subsection applies shall charge the additional fee as required under Subsection (e).

(h) In addition to other fees collected under this section, a local registrar or county clerk may collect a fee not to exceed $1 for:
(1) preserving vital statistics records maintained by the registrar or county clerk, including birth, death, fetal death, marriage, divorce, and annulment records;
(2) training registrar or county clerk employees regarding vital statistics records; and
(3) ensuring the safety and security of vital statistics records.

(i) A fee under this section shall be collected by the registrar or county clerk on the issuance of a vital statistics record, including a record issued through a Remote Birth Access site.

Amended by Acts 1991, 72nd Leg., ch. 651, Sec. 2, eff. Sept. 1, 1991;
Acts 1995, 74th Leg., ch. 76, Sec. 9.62, eff. Sept. 1, 1995; Acts
1995, 74th Leg., ch. 305, Sec. 1, eff. Sept. 1, 1995; Acts
2003, 78th Leg., ch. 975, Sec. 1, eff. Sept. 1, 2003.
Amended by:
Acts 2005, 79th Leg., Ch. 263 (H.B. 2962), Sec. 5(1), eff. May
30, 2005.
Acts 2005, 79th Leg., Ch. 400 (S.B. 1524), Sec. 1, eff. September
1, 2005.
Acts 2011, 82nd Leg., R.S., Ch. 1022 (H.B. 2717), Sec. 3, eff.
June 17, 2011.

Sec. 191.0046. FEE EXEMPTIONS. (a) On the request of a child's parent or guardian, the state registrar shall issue without fee a certificate necessary for admission to school or to secure employment. The certificate shall be limited to a statement of the child's date of birth.
(b) The state registrar shall issue without fee a certified copy of a record not otherwise prohibited by law to a veteran or to the veteran's widow, orphan, or other dependent if the copy is for use in settling a claim against the government.
(c) On court order, the state registrar may issue without fee a certified copy of a birth record in cases related to child labor or the public schools.
(d) The state registrar on request shall issue without a fee a copy of a birth or death record that is not certified to a child fatality review team or the child fatality review team committee.
established under Subchapter F, Chapter 264, Family Code.

Amended by:
Acts 2005, 79th Leg., Ch. 11 (S.B. 239), Sec. 1, eff. May 3, 2005.

Sec. 191.0047. BIRTH INFORMATION FOR DEPARTMENT OF FAMILY AND PROTECTIVE SERVICES. (a) The Department of State Health Services shall implement an efficient and effective method to verify birth information or provide a certified copy of a birth record necessary to provide services for the benefit of a minor being served by the Department of Family and Protective Services.
(b) The Department of State Health Services shall enter into a memorandum of understanding with the Department of Family and Protective Services to implement this section. Subject to Subsection (c), the terms of the memorandum of understanding must include methods for reimbursing the Department of State Health Services in an amount that is not more than the actual costs the department incurs in verifying the birth information or providing the birth record to the Department of Family and Protective Services.
(c) The Department of State Health Services may not collect a fee or other amount for verification of birth information or provision of a certified copy of the birth record under Subsection (a) for a child in the managing conservatorship of the Department of Family and Protective Services if parental rights to the child have been terminated and the child is eligible for adoption.

Added by Acts 2007, 80th Leg., R.S., Ch. 1406 (S.B. 758), Sec. 23, eff. September 1, 2007.
Amended by:
Acts 2009, 81st Leg., R.S., Ch. 758 (S.B. 703), Sec. 1, eff. September 1, 2009.

Sec. 191.0048. VOLUNTARY CONTRIBUTION TO TEXAS HOME VISITING PROGRAM. (a) A person requesting a copy or certified copy of a birth, marriage, or divorce record may make a voluntary contribution
of $5 to promote healthy early childhood by supporting the Texas Home Visiting Program administered by the Office of Early Childhood Coordination of the Health and Human Services Commission.

(b) On each paper or electronic application form for a copy or certified copy of a birth, marriage, or divorce record, the bureau of vital statistics shall include a printed box for the applicant to check indicating that the applicant wishes to make a voluntary contribution of $5 to promote healthy early childhood by supporting the Texas Home Visiting Program administered by the Office of Early Childhood Coordination of the Health and Human Services Commission.

(c) Notwithstanding Section 191.0045, a local registrar or county clerk may collect the additional voluntary contribution under this section.

(d) Notwithstanding Section 191.005, the local registrar or county clerk who collects the voluntary contribution under this section shall send the voluntary contribution to the comptroller, who shall deposit the voluntary contribution in the Texas Home Visiting Program trust fund under Section 531.287, Government Code.

Added by Acts 2013, 83rd Leg., R.S., Ch. 820 (S.B. 1836), Sec. 3, eff. June 14, 2013.

Sec. 191.005. VITAL STATISTICS FUND. (a) The vital statistics fund is in the state treasury.

(b) The legislature shall make appropriations to the department from the fund to be used to defray expenses incurred in the administration and enforcement of the system of vital statistics.

(c) All fees collected by the bureau of vital statistics shall be deposited to the credit of the vital statistics fund.

Sec. 191.006. RECORDS OF PERSONS IN HOSPITALS AND INSTITUTIONS. (a) This section applies to each public or private hospital, almshouse, or other institution to which persons are committed by process of law or voluntarily enter for treatment of disease or for confinement.

(b) When a person is admitted to the institution, the
superintendent, manager, or other person in charge of the institution shall record, in the manner directed by the state registrar, the admitted person's personal and statistical data required by certificate forms under this title. If the person is admitted for the treatment of disease, the physician in charge shall specify for the record the nature of the disease and where, in the physician's opinion, the disease was contracted.

(c) The personal information required under Subsection (b) shall be obtained:

(1) from the person admitted to the institution, if practicable; or

(2) from the person's relatives or friends or from other persons acquainted with the facts, in as complete a manner as possible, if the information cannot be obtained from the person admitted to the institution.

Sec. 191.007. REGULATION BY CERTAIN MUNICIPALITIES. The governing body of a Type A general-law municipality may:

(1) regulate the registration of marriages; and

(2) direct the return and maintenance of bills of mortality.

Sec. 191.008. SORTING COLLECTED DATA. (a) The department shall compile the information relating to births, deaths, and fetal deaths collected under this chapter and organize the results, to the extent possible, according to the following geographic areas:

(1) the Texas-Mexico border region;

(2) each public health region;

(3) rural areas;

(4) urban areas;

(5) each county; and

(6) the state.

(b) The department may release the information relating to births, deaths, and fetal deaths in accordance with the way it is compiled under this section.
SUBCHAPTER B. RECORDS OF BIRTHS, DEATHS, AND FETAL DEATHS

Sec. 191.021. REGISTRATION DISTRICTS. (a) The state is divided into registration districts for the purposes of registering births, deaths, and fetal deaths. The registration districts are:

(1) each justice of the peace precinct; and

(2) each municipality with a population of 2,500 or more.

(b) To facilitate registration, the board may combine or divide registration districts.

Sec. 191.022. LOCAL REGISTRARS. (a) The justice of the peace is the local registrar of births and deaths in a justice of the peace precinct. However, the duty of registering births and deaths may be transferred to the county clerk if the justice of the peace and the county clerk agree in writing and the agreement is ratified by the commissioners court.

(b) The municipal clerk or secretary is the local registrar of births and deaths in a municipality with a population of 2,500 or more.

(c) Each local registrar shall appoint a deputy registrar so that a registrar will be available at all times for the registration of births and deaths.

(d) The local registrar shall sign each report made to the bureau of vital statistics.

(e) If a local registrar fails or refuses to register each birth and death in the district or neglects duties under this title, the county judge or the mayor, as appropriate, shall appoint a new local registrar and shall send the name and mailing address of the appointee to the state registrar.

(f) A local registrar who collects a fee for a certified copy of a birth certificate shall deduct 20 cents of that fee to apply to the registrar's administrative costs and remit $1.80 of that fee to the comptroller.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Amended by:

Sec. 191.023. CONSOLIDATION OF COUNTY AND MUNICIPAL MAINTENANCE OF BIRTH AND DEATH RECORDS. (a) The duties imposed by law relating to the maintenance of birth and death records of a municipality with a population of 2,500 or more may be transferred to the county in which the municipality is located, as provided by this section.

(b) If the commissioners court adopts a resolution to transfer the duties and the governing body of the municipality subsequently adopts a concurring resolution, the county and municipality shall agree on a timetable for the transfer and shall execute the transfer in an orderly fashion.

(c) Before a commissioners court may adopt a resolution under Subsection (b), the official to whom the duties would be transferred must attest in writing that the official has sufficient resources and finances to assume those duties.

(d) If the governing body of a municipality does not adopt a concurring resolution before the 91st day after the date on which a county adopts a resolution under Subsection (b), a petition by the qualified voters of the municipality may serve as the equivalent of a concurring resolution under Subsection (b). The petition must succinctly describe the intention to consolidate county and municipal maintenance of birth and death records and must be signed by a number of qualified voters equal to at least 20 percent of the number of qualified voters voting in the most recent mayoral election.

(e) A consolidation under this section affects only the county and the municipality to which the resolutions apply. This section does not affect the apportionment of registration districts under Section 191.021.

Sec. 191.024. REPORTS OF INFORMATION. (a) On the state registrar's demand, a person, including a local registrar, physician, midwife, or funeral director, who has information relating to a
birth, death, or fetal death shall supply the information to the state registrar in person, by mail, or through the local registrar. The person shall supply the information on a form provided by the department or on the original certificate.

(b) An organization or individual who has a record of births or deaths that may be useful to establish the genealogy of a resident of this state may file the record or a duly authenticated transcript of the record with the state registrar.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:

Acts 2011, 82nd Leg., R.S., Ch. 302 (H.B. 2061), Sec. 1, eff. June 17, 2011.

Sec. 191.025. RECORD BOOKS AND CERTIFICATES. (a) Forms for the registration of births, deaths, and fetal deaths must be approved by the department.

(b) A municipality shall supply its local registrar, and each county shall supply the county clerk, with permanent record books for recording the births, deaths, and fetal deaths occurring in their respective jurisdictions. The record books must be in forms approved by the state registrar.

(c) A local registrar shall supply forms of certificates to persons who need them. The board shall establish and promulgate rules for strict accountability of birth certificates to prevent birth certificate fraud.

(d) Information required on a certificate must be written legibly in durable blue or black ink or may be filed and registered by photographic, electronic, or other means as prescribed by the state registrar.

(e) A certificate must contain each item of information required on the certificate or a satisfactory reason for omitting the item.

(f) The department shall require that the form for the registration of deaths must include the question, "Was the decedent a peace officer or an honorably retired peace officer in this state?".

Sec. 191.026. LOCAL RECORDS. (a) The local registrar shall secure a complete record of each birth, death, and fetal death that occurs in the local registrar's jurisdiction.

(b) The local registrar shall consecutively number birth and death certificates in separate series, beginning with the number "1" for the first birth and the first death in each calendar year. The local registrar shall sign each certificate to attest to the date the certificate is filed in the local registrar's office.

(c) The local registrar shall copy in the record book required under Section 191.025 each certificate that the local registrar registers, unless the local registrar keeps duplicates under Subsection (d) or makes photographic duplications as authorized by Chapter 181 or 201, Local Government Code. Except as provided by Subsection (e), the copies shall be permanently preserved in the local registrar's office as the local record, in the manner directed by the state registrar.

(d) The local registrar may permanently bind duplicate reports of births and deaths, if the duplicates are required by local ordinance, and index them in the manner that the state registrar indexes records under Section 191.032.

(e) The local registrar may, after the first anniversary of the date of registration of a birth, death, or fetal death, destroy the permanent record of the birth, death, or fetal death maintained by the local registrar if:

(1) the local registrar has access to electronic records of births, deaths, and fetal deaths maintained by the bureau of vital statistics; and

(2) before destroying the records, the local registrar certifies to the state registrar that each record maintained by the local office that is to be destroyed has been verified against the records contained in the bureau's database and that each record is included in the database or otherwise accounted for.
Sec. 191.027. REVIEW OF CERTIFICATE BY LOCAL REGISTRAR. (a) The local registrar shall carefully examine each birth or death certificate when presented for registration to determine if it is completed as required by this title and by the state registrar's instructions.

(b) If a death certificate is incomplete or unsatisfactory, the local registrar shall call attention to the defects in the return.

(c) If a birth certificate is incomplete, the local registrar shall immediately notify the informant and require the informant to supply the missing information if it can be obtained.

Sec. 191.028. AMENDMENT OF CERTIFICATE. (a) A record of a birth, death, or fetal death accepted by a local registrar for registration may not be changed except as provided by Subsection (b).

(b) An amending certificate may be filed to complete or correct a record that is incomplete or proved by satisfactory evidence to be inaccurate. The amendment must be in a form prescribed by the department. The amendment shall be attached to and become a part of the legal record of the birth, death, or fetal death if the amendment is accepted for filing, except as provided by Section 192.011(b).

(c) Not later than the 30th business day after the date the department receives an amending certificate, the department shall notify the individual of whether the amendment has been accepted for filing.

Acts 2009, 81st Leg., R.S., Ch. 758 (S.B. 703), Sec. 2, eff. September 1, 2009.

Sec. 191.029. CERTIFICATES OR REPORT SENT TO STATE REGISTRAR. On the 10th day of each month, the local registrar shall send to the state registrar:
(1) the original certificates that the local registrar registered during the preceding month; or
(2) a report of no births or deaths on a card provided for that purpose if no births or deaths occurred during the preceding month.

Sec. 191.031. REVIEW OF CERTIFICATES BY STATE REGISTRAR. (a) The state registrar shall carefully examine the certificates received monthly from the local registrars.
(b) The state registrar shall require additional information to make the record complete and satisfactory if necessary.

Sec. 191.032. STATE RECORDS. (a) The state registrar shall arrange, bind, and permanently preserve birth, death, and fetal death certificates in a systematic manner.
(b) The board shall adopt rules necessary to implement this section.

Sec. 191.033. ADDENDA. (a) The state registrar may attach to the original record an addendum that sets out any information received by the state registrar that may contradict the information in a birth, death, or fetal death record required to be maintained in the bureau of vital statistics.
(b) If the state registrar attaches an addendum to an original record, the state registrar shall instruct the local registration official in whose jurisdiction the birth, death, or fetal death occurred to attach an identical addendum to any duplicate of the record in the official's custody.
(c) In this section, "local registration official" means a county clerk or a person authorized by this title to maintain a duplicate system of records for each birth, death, or fetal death
that occurs in the person's jurisdiction.

Sec. 191.034. NOTATION OF DEATH ON BIRTH CERTIFICATE. (a) On receipt of the death certificate of a person whose birth is registered in this state, the state registrar shall conspicuously note the person's date of death on the person's birth certificate.

(b) The state registrar shall notify the county clerk of the county in which the person was born and the local registrar of the registration district in which the person was born of the person's death. On receipt of the notification of death, the county clerk or local registrar shall conspicuously note the person's date of death on the person's birth certificate.

Acts 2013, 83rd Leg., R.S., Ch. 1067 (H.B. 3253), Sec. 1, eff. June 14, 2013.

Sec. 191.036. SPANISH SURNAME INFORMATION. (a) The purpose of this section is to:

(1) enable this state to participate in a study being conducted by a group of southwestern states to obtain information about the birth rates and mortality patterns of persons with Spanish surnames; and

(2) implement recommendations made by the National Center for Health Statistics for improved methods of maintaining vital statistics.

(b) In the next official revision of the prescribed forms for birth and fetal death certificates, the department shall include the following questions and instructions:

(1) Is the father of Spanish origin?

(2) If yes, specify Mexican, Cuban, Puerto Rican, etc.

(3) Is the mother of Spanish origin?

(4) If yes, specify Mexican, Cuban, Puerto Rican, etc.

(c) In the next official revision of the prescribed forms for death certificates, the department shall include the following
questions and instructions:
(1) Was the decedent of Spanish origin?
(2) If yes, specify Mexican, Cuban, Puerto Rican, etc.

SUBCHAPTER C. COPIES OF RECORDS

Sec. 191.051. CERTIFIED COPIES. (a) Subject to board rules controlling the accessibility of vital records, the state registrar shall supply to a properly qualified applicant, on request, a certified copy of a record, or part of a record, of a birth, death, or fetal death registered under this title.
(b) A certified copy issued under this subsection may be issued only in the form approved by the department.

Sec. 191.052. CERTIFIED COPY AS EVIDENCE. A copy of a birth, death, or fetal death record registered under this title that is certified by the state registrar is prima facie evidence of the facts stated in the record.

Sec. 191.056. COPIES COLLECTED BY NATIONAL AGENCY. (a) The national agency in charge of the collection of vital statistics may obtain, without expense to the state, transcripts of vital records without payment of the fees prescribed by this chapter.
(b) The bureau of vital statistics may contract with the national agency to have copies of vital records that are filed with the bureau transcribed for that agency.
(c) The state registrar may act as special agent for the national agency to accept the use of the franking privilege and forms furnished by the national agency.

Sec. 191.057. RECORDS WITH ADDENDA. (a) In this section:

(1) "Copy" means a reproduction of a record made by any means.

(2) "Local registration official" means a county clerk or a person authorized by this title to maintain a duplicate system of records for each birth, death, or fetal death that occurs in the person's jurisdiction.

(b) If the bureau of vital statistics or any local registration official receives an application for a certified copy of a birth, death, or fetal death record to which an addendum has been attached under Section 191.033, the application shall be sent immediately to the state registrar. After examining the application, the original record, and the addendum, the state registrar may refuse to issue a certified copy of the record or part of the record to the applicant.

(c) If the state registrar refuses to issue the certified copy:

(1) the state registrar shall notify the applicant of the refusal and the reason for the refusal not later than the 10th day after the date on which the state registrar receives the application; and

(2) the department shall give the applicant an opportunity for a hearing.

(d) After the hearing, the state registrar shall notify the local officials who have duplicates of the questioned record of the department's final decision. The department may order the officials to issue or refuse to issue certified copies of the record.

(e) A duty imposed on or a power granted to the state registrar under this section may be performed or exercised by a designee of the state registrar.

CHAPTER 192. BIRTH RECORDS

SUBCHAPTER A. GENERAL REGISTRATION PROVISIONS

Sec. 192.001. REGISTRATION REQUIRED. The birth of each child born in this state shall be registered.

Sec. 192.002. FORM OF BIRTH CERTIFICATE. (a) The department
shall prescribe the form and contents of the birth certificate.

(b) The section of the birth certificate entitled "For Medical and Health Use Only" is not part of the legal birth certificate. Information held by the department under that section of the certificate is confidential. That information may not be released or made public on subpoena or otherwise, except that release may be made for statistical purposes only so that no person, patient, or facility is identified, or to medical personnel of a health care entity, as that term is defined in Subtitle B, Title 3, Occupations Code, or to a faculty member at a medical school, as that term is defined in Section 61.501, Education Code, for statistical or medical research, or to appropriate state or federal agencies for statistical research. The board may adopt rules to implement this subsection.

(c) The form must include a space for recording the social security numbers of the mother and father and the signatures of the biological mother and biological father. These social security numbers and signatures are not a part of the legal birth certificate, shall be made available to the agency administering the state's plan under Part D of Title IV of the federal Social Security Act (42 U.S.C. Section 651 et seq.), and may not be used or disseminated for any purpose other than the establishment and the enforcement of child support orders.

(d) The social security numbers of the mother and father recorded on the form shall be made available to the federal Social Security Administration.

Amended by:

Acts 2013, 83rd Leg., R.S., Ch. 1067 (H.B. 3253), Sec. 2, eff. June 14, 2013.

Sec. 192.0021. HEIRLOOM BIRTH CERTIFICATE. (a) The department shall promote and sell copies of an heirloom birth certificate. The department shall solicit donated designs for the certificate from Texas artists and select the best donated designs for the form of the
An heirloom birth certificate must contain the same information as, and have the same effect of, a certified copy of another birth record. The department shall prescribe a fee for the issuance of an heirloom birth certificate in an amount that does not exceed $50. The heirloom birth certificate must be printed on high-quality paper with the appearance of parchment not smaller than 11 inches by 14 inches.

(b) The department shall deposit 50 percent of the proceeds from the sale of heirloom birth certificates to the credit of the childhood immunization account and the other 50 percent to the credit of the undedicated portion of the general revenue fund. The childhood immunization account is an account in the general revenue fund. Money in the account may be used only by the Department of State Health Services for:

(1) making grants to fund childhood immunizations and related education programs; and

(2) administering this section.

(c) The department may sell an heirloom birth certificate only for an individual born in this state.

Sec. 192.0022. CERTIFICATE OF BIRTH RESULTING IN STILLBIRTH.

(a) In this section:

(1) "Stillbirth" means an unintended, intrauterine fetal death occurring in this state after a gestational age of not less than 20 completed weeks.

(2) "Certificate of birth resulting in stillbirth" means a birth certificate issued to record the birth of a stillborn child.

(b) The person who is required to file a fetal death certificate under Section 193.002 shall advise the parent or parents of a stillborn child:

(1) that a parent may, but is not required to, request the preparation of a certificate of birth resulting in stillbirth;

(2) that a parent may obtain a certificate of birth resulting in stillbirth by contacting the bureau of vital statistics.
to request the certificate and paying the required fee; and

(3) regarding the way or ways in which a parent may contact the bureau of vital statistics to request the certificate.

(c) A parent may provide a name for a stillborn child on the request for a certificate of birth resulting in stillbirth. If the requesting parent does not wish to provide a name, the bureau of vital statistics shall fill in the certificate with the name "baby boy" or "baby girl" and the last name of the parent. The name of the stillborn child provided on or later added by amendment to the certificate of birth resulting in stillbirth shall be the same name as placed on the original or amended fetal death certificate.

(d) A certificate of birth resulting in stillbirth must include the state file number of the corresponding fetal death certificate.

(e) The department shall prescribe the form and content of a certificate of birth resulting in stillbirth and shall specify the information necessary to prepare the certificate.

(f) The bureau of vital statistics may not use a certificate of birth resulting in stillbirth to calculate live birth statistics.

(g) On issuance of a certificate of birth resulting in stillbirth to a parent who has requested the certificate as provided by this section, the bureau of vital statistics shall file an exact copy of the certificate with the local registrar of the registration district in which the stillbirth occurred. The local registrar shall file the certificate of birth resulting in stillbirth with the fetal death certificate.

(h) A parent may request the bureau of vital statistics to issue a certificate of birth resulting in stillbirth without regard to the date on which the fetal death certificate was issued.

(i) The executive commissioner of the Health and Human Services Commission may adopt rules necessary to administer this section.

Added by Acts 2005, 79th Leg., Ch. 276 (S.B. 271), Sec. 1, eff. September 1, 2005.

Sec. 192.003. BIRTH CERTIFICATE FILED OR BIRTH REPORTED. (a) The physician, midwife, or person acting as a midwife in attendance at a birth shall file the birth certificate with the local registrar of the registration district in which the birth occurs.

(b) If a birth occurs in a hospital or birthing center, the
hospital administrator, the birthing center administrator, or a
designee of the appropriate administrator may file the birth
certificate in lieu of a person listed by Subsection (a).

(c) If there is no physician, midwife, or person acting as a
midwife in attendance at a birth and if the birth does not occur in a
hospital or birthing center, the following in the order listed shall
report the birth to the local registrar:

(1) the father or mother of the child; or
(2) the owner or householder of the premises where the
birth occurs.

(d) Except as provided by Subsection (e), a person required to
file a birth certificate or report a birth shall file the certificate
or make the report not later than the fifth day after the date of the
birth.

(e) Based on a parent's religious beliefs, a parent may request
that a person required to file a birth certificate or report a birth
delay filing the certificate or making the report until the parent
contacts the person with the child's name. If a parent does not name
the child before the fifth day after the date of the birth due to the
parent's religious beliefs, the parent must contact the person
required to file the birth certificate or report the birth with the
name of the child as soon as the child is named. A person required
to file the birth certificate or report the birth who delays filing
the certificate or making the report in accordance with the parent's
request shall file the certificate or make the report not later than
the 15th day after the date of the child's birth.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1993, 73rd Leg., ch. 30, Sec. 1, eff. Sept. 1, 1993; Acts
1993, 73rd Leg., ch. 519, Sec. 1, eff. Sept. 1, 1993; Acts 1995,
74th Leg., ch. 76, Sec. 17.01(21), eff. Sept. 1, 1995; Acts 1995,
74th Leg., ch. 751, Sec. 124, eff. Sept. 1, 1995; Acts 1999, 76th
Leg., ch. 556, Sec. 81, eff. Sept. 1, 1999.
Amended by:
Acts 2005, 79th Leg., Ch. 68 (H.B. 1604), Sec. 1, eff. May 17,
2005.

Sec. 192.0031. INFORMATION OF BIRTH TO SCHOOL-AGE MOTHER. (a)
Notwithstanding Subchapter C, Chapter 552, Government Code, the
department shall notify the commissioner of education of each birth to a school-age mother. The commissioner may notify the school district in which a school-age mother resides of each birth to a school-age mother.

(b) The department may not notify the commissioner of a birth to a school-age mother if:

(1) the child died at birth; or
(2) the child was placed for adoption.

(c) A notification under this section must include the name and address of the mother, the father, if the father is of school age and is named on the birth certificate, and the person born. Reports under this section shall be sent at least quarterly.

Sec. 192.004. INFORMATION OBTAINED BY LOCAL REGISTRAR. (a) The local registrar shall obtain the information necessary to prepare the birth certificate from the person reporting a birth or from another person with the required knowledge if:

(1) the birth is reported under Section 192.003(c); or
(2) a person who files a certificate under Section 192.003(a) or 192.003(b) cannot by diligent inquiry obtain an item of information required for the certificate.

(b) A person from whom a local registrar requests necessary information shall answer correctly to the best of the person's knowledge. On request of the local registrar, a person who makes a statement under this section shall verify the statement by signing it.

Sec. 192.005. RECORD OF PATERNITY. (a) The items on a birth certificate relating to the child's father shall be completed only if:

(1) the child's mother was married to the father:
   (A) at the time of the child's conception;
(B) at the time of the child's birth; or
(C) after the child's birth;
(2) paternity is established by order of a court of competent jurisdiction; or
(3) a valid acknowledgment of paternity executed by the father has been filed with the bureau of vital statistics as provided by Subchapter D, Chapter 160, Family Code.
(b) Repealed by Acts 2003, 78th Leg., ch. 610, Sec. 23, eff. Sept. 1, 2003.
(c) A person may apply to the state registrar for the removal of any indication of the absence of paternity of a child who has no presumed father from the person's birth record.
(d) If the items relating to the child's father are not completed on a birth certificate filed with the state registrar, the state registrar shall notify the attorney general.

Sec. 192.0051. REPORT OF DETERMINATION OF PATERNITY. (a) A report of each determination of paternity in this state shall be filed with the state registrar.
(b) On a determination of paternity, the petitioner shall provide the clerk of the court in which the decree was granted with the information necessary to prepare the report. The clerk shall:
(1) report the determination on a form or in a manner provided by the department; and
(2) complete the report immediately after the decree becomes final.
(c) On completion of the report, the clerk of the court shall forward to the state registrar the report for each decree that became final in that court.

Sec. 192.006. SUPPLEMENTARY BIRTH CERTIFICATES. (a) A supplementary birth certificate may be filed if the person who is the subject of the certificate:

1. becomes the child of the person's father by the subsequent marriage of the person's parents;
2. has the person's parentage determined by a court of competent jurisdiction; or
3. is adopted under the laws of any state.

(b) An application for a supplementary birth certificate may be filed by:

1. an adult whose status is changed; or
2. a legal representative of the person whose status is changed.

(c) The state registrar shall require proof of the change in status that the board by rule may prescribe.

(d) Supplementary birth certificates and applications for supplementary birth certificates shall be prepared and filed in accordance with board rules.

(e) In accordance with board rules, a supplementary birth certificate may be filed for a person whose parentage has been determined by an acknowledgment of paternity.

Sec. 192.007. SUPPLEMENTARY CERTIFICATES FOR CHILD WHO DIES BEFORE ADOPTION. (a) If a child in the process of being adopted in this state dies before the adoption is completed, the persons who attempted to adopt the child may request the state registrar to file supplementary birth and death certificates for the child.

(b) Persons making a request under this section must include with the request:

1. sufficient information to prove that they attempted to adopt the child and that the child died before the adoption was completed;
2. a copy of an irrevocable affidavit of relinquishment of parental rights relating to the child;
3. a copy of the affidavit of the status of the child, if
applicable; and

(4) any other information required by the department.

(c) On receipt of the information required by Subsection (b), the state registrar shall complete birth and death certificates as if the child had been adopted by court decree and then died.

(d) In the absence of evidence to the contrary, compliance with this section and the completion of the birth certificate constitute adoption by estoppel.

Sec. 192.008. BIRTH RECORDS OF ADOPTED PERSON. (a) The supplementary birth certificate of an adopted child must be in the names of the adoptive parents, one of whom must be a female, named as the mother, and the other of whom must be a male, named as the father. This subsection does not prohibit a single individual, male or female, from adopting a child. Copies of the child's birth certificates or birth records may not disclose that the child is adopted.

(b) After a supplementary birth certificate of an adopted child is filed, information disclosed from the record must be from the supplementary certificate.

(c) The board shall adopt rules and procedures to ensure that birth records and indexes under the control of the department or local registrars and accessible to the public do not contain information or cross-references through which the confidentiality of adoption placements may be directly or indirectly violated. The rules and procedures may not interfere with the registries established under Subchapter E, Chapter 162, Family Code, or with a court order under this section.

(d) Except as provided by Subsections (e) and (f), only the court that granted the adoption may order access to an original birth certificate and the filed documents on which a supplementary certificate is based.

(e) A person applying for access to an original birth certificate and the filed documents on which the supplementary certificate is based is entitled to know the identity and location of the court that granted the adoption. If that information is not on file, the state registrar shall give the person an affidavit stating
that the information is not on file with the state registrar. Any court of competent jurisdiction to which the person presents the affidavit may order the access.

(f) An adult adoptee who is applying for access to the person's original birth certificate and who knows the identity of each parent named on the original birth certificate is entitled to a noncertified copy of the original birth certificate without obtaining a court order.

Acts 2005, 79th Leg., Ch. 480 (H.B. 240), Sec. 1, eff. September 1, 2005.

Sec. 192.009. CERTIFICATE OF ADOPTION, ANNULMENT OF ADOPTION, OR REVOCATION OF ADOPTION. (a) A certificate of each adoption, annulment of adoption, and revocation of adoption decreed in this state shall be filed with the state registrar.

(b) When a petition for adoption, annulment of adoption, or revocation of adoption is granted, the petitioner shall supply the clerk of the court the information necessary to prepare the certificate. The clerk shall:

1. prepare the certificate on a form furnished by the department that provides the information prescribed by the department; and
2. complete the certificate immediately after the decree becomes final.

(c) Not later than the 10th day of each month, the clerk shall forward to the state registrar the certificates that the clerk completed for decrees that became final in the preceding calendar month.

(d) If the bureau of vital statistics determines that a certificate filed with the state registrar under this section requires correction, the bureau shall mail the certificate directly to an attorney of record with respect to the petition of adoption, annulment of adoption, or revocation of adoption. The attorney shall return the corrected certificate to the bureau. If there is no
attorney of record, the bureau shall mail the certificate to the clerk of the court for correction.

Sec. 192.010. CHANGE OF NAME. (a) Subject to board rules, an adult whose name is changed by court order, or the legal representative of any person whose name is changed by court order, may request that the state registrar attach an amendment showing the change to the person's original birth record.

(b) The state registrar shall require proof of the change of name that the board by rule may prescribe.

Sec. 192.011. AMENDING BIRTH CERTIFICATE. (a) This section applies to an amending birth certificate that is filed under Section 191.028 and that completes or corrects information relating to the person's sex, color, or race.

(b) On the request of the person or the person's legal representative, the state registrar, local registrar, or other person who issues birth certificates shall issue a birth certificate that incorporates the completed or corrected information instead of issuing a copy of the original or supplementary certificate with an amending certificate attached.

(c) The department shall prescribe the form for certificates issued under this section.

Sec. 192.012. RECORD OF ACKNOWLEDGMENT OF PATERNITY. (a) If the mother of a child is not married to the father of the child, a person listed in Section 192.003 who is responsible for filing the birth certificate shall:
(1) provide an opportunity for the child's mother and putative father to sign an acknowledgment of paternity as provided by Subchapter C, Chapter 160, Family Code; and
(2) provide oral and written information to the child's mother and putative father about:
   (A) establishing paternity, including an explanation of the rights and responsibilities that result from acknowledging paternity; and
   (B) the availability of child support services.
(b) The local registrar shall transmit the acknowledgment of paternity to the state registrar.
(c) The state registrar shall record the information contained in the acknowledgment of paternity and transmit the information to the Title IV-D agency.
(d) The Title IV-D agency may use the information contained in the acknowledgment of paternity for any purpose directly connected with providing child support services under Chapter 231, Family Code.

Added by Acts 1999, 76th Leg., ch. 556, Sec. 72, eff. Sept. 1, 1999.

SUBCHAPTER B. DELAYED REGISTRATION

Sec. 192.021. DELAY LESS THAN ONE YEAR. (a) A birth that occurred more than five days but less than one year before the date of an application for registration may be recorded on a birth certificate and submitted for filing to the local registrar of the registration district in which the birth occurred.

(b) The local registrar may require evidence to substantiate the facts of the birth and may require a statement explaining the delay in filing the birth certificate. The local registrar may accept the certificate for filing if the evidence required by the local registrar is submitted.

(c) Registration under this section is subject to board rules.

Sec. 192.022. DELAY OF ONE YEAR OR MORE: APPLICATION FILED WITH STATE REGISTRAR. Subject to board rules, an application to file a delayed birth certificate for a birth in this state not registered before the one-year anniversary of the date of birth shall be made to
Sec. 192.023. DELAY OF MORE THAN ONE BUT LESS THAN FOUR YEARS. (a) A birth that occurred at least one year but less than four years before the date of the application for registration shall be recorded on a birth certificate in the form prescribed by the state registrar and submitted to the state registrar for filing.

(b) The state registrar may require evidence to substantiate the facts of the birth and may require a statement explaining the delay in filing the birth certificate. The state registrar may accept the certificate for filing if the evidence required by the state registrar is submitted.

(c) A birth certificate filed under this section shall be marked "Delayed" and must show on its face the date of registration.

Sec. 192.024. DELAY OF FOUR YEARS OR MORE. (a) A birth that occurred four or more years before the date of the application for registration shall be recorded on a form entitled "Delayed Certificate of Birth." The department shall prescribe and furnish the form.

(b) The form shall provide for:

(1) the name and sex of the person whose birth is to be registered;
(2) the place and date of the person's birth;
(3) the names of the person's parents;
(4) the place of birth of each parent;
(5) the date of registration; and
(6) any other information required by the state registrar.

(c) The information on the form must be subscribed and sworn to, before an official authorized to administer oaths, by:

(1) the person whose birth is to be registered; or
(2) the person's parent, legal guardian, or legal representative if the person is incompetent to swear to the information.

(d) The state registrar shall add to a certificate submitted
under this section:

(1) a description of each document submitted in support of the delayed registration, including the title of the document or the type of document;

(2) the name and address of the affiant if the document is an affidavit of personal knowledge; and

(3) if the document is a record, or certified copy of a record, of a business entry:
  (A) the name and address of the custodian of the record;
  (B) the date of the original entry; and
  (C) the date of the certified copy.

Sec. 192.025. SUPPORTING DOCUMENTS. (a) The state registrar shall accept an application under Section 192.024 if the applicant's statement of date and place of birth and parentage is established to the state registrar's satisfaction by the evidence required by this section.

(b) The certification of the state registrar shall be added to a certificate accepted for filing under this section.

(c) If the birth occurred at least four years but less than 15 years before the date of the application:
  (1) the statement of date and place of birth must be supported by at least two documents, only one of which may be an affidavit of personal knowledge; and
  (2) the statement of parentage must be supported by at least one document, which may be a document qualifying for submission under Subdivision (1).

(d) If the birth occurred 15 or more years before the date of the application:
  (1) the statement of date and place of birth must be supported by at least three documents, only one of which may be an affidavit of personal knowledge; and
  (2) the statement of parentage must be supported by at least one document, which may be a document qualifying for submission under Subdivision (1).

(e) A document accepted as evidence under this section, other
than an affidavit of personal knowledge, must be at least five years old. A copy or abstract of the document may be accepted if certified as true and correct by the custodian of the document.

Sec. 192.026. REJECTION OR RETURN OF APPLICATION. (a) The state registrar may not register a delayed birth certificate if:

(1) the applicant does not submit the documentary evidence required by Section 192.025; or

(2) the state registrar finds reason to question the validity or adequacy of the certificate or the documentary evidence.

(b) On the state registrar's refusal to register a certificate under Subsection (a), the state registrar shall:

(1) furnish the applicant a statement of the reasons for the refusal; and

(2) advise the applicant of the right to appeal to the county court for probate matters of the county in which the birth occurred, as provided by Section 192.027.

(c) If an application to file a delayed birth certificate is not actively pursued, the state registrar shall:

(1) return the application, supporting evidence, and any related instruments to the applicant; or

(2) make another disposition of those documents that the state registrar considers appropriate.

Sec. 192.027. REGISTRATION BY JUDICIAL ORDER. (a) If a delayed birth certificate is not accepted for registration by the state registrar, the person may file a petition in the county probate court of the county in which the birth occurred for an order establishing a record of the person's date of birth, place of birth, and parentage.

(b) The petition must be on a form prescribed and furnished by the department.

(c) The petition must be accompanied by:

(1) a statement of the state registrar issued under Section 192.026(b)(1); and
(2) the documentary evidence submitted to the state registrar in support of the application.

(d) If the court finds from the evidence presented that the person was born in this state, the court shall:

(1) make findings as to the person's date and place of birth and parentage;
(2) make other findings required by the case; and
(3) enter an order on a form prescribed and furnished by the department to establish a record of birth.

(e) An order under this section must include:

(1) the birth data to be registered;
(2) a description of the evidence presented; and
(3) the date of the court's action.

(f) Not later than the seventh day after the date on which the order is entered, the clerk of the court shall forward the order to the state registrar. The state registrar shall register the order, which is the record of birth.

CHAPTER 193. DEATH RECORDS

Sec. 193.001. FORM OF CERTIFICATE. (a) The department shall prescribe the form and contents of death certificates and fetal death certificates.

(a-1) In prescribing each form under Subsection (a), the department shall ensure that the form instructs the person required to file the death certificate or fetal death certificate to:

(1) enter the date in the standard order of "month, day, year"; and
(2) spell out the name of the month when entering the date.

(b) The social security number shall be recorded on the death certificate and on any other records related to the death.

(c) The department shall require death certificates and fetal death certificates to include the name of the place and the specific number of the plot, crypt, lawn crypt, or niche in which a decedent's remains will be interred or, if the remains will not be interred, the place and manner of other disposition.

(d) The bureau of vital statistics and each local registrar shall make the information provided under Subsection (c) available to
the public and may charge a fee in an amount prescribed under Section 191.0045 for providing that service.

Acts 2011, 82nd Leg., R.S., Ch. 557 (H.B. 2940), Sec. 1, eff. June 17, 2011.

Sec. 193.002. PERSON REQUIRED TO FILE. The person in charge of interment or in charge of removal of a body from a registration district for disposition shall:

(1) obtain and file the death certificate or fetal death certificate;

(2) enter on the certificate the information relating to disposition of the body;

(3) sign the certificate; and

(4) file the certificate electronically as specified by the state registrar.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by:

Acts 2007, 80th Leg., R.S., Ch. 302 (H.B. 1739), Sec. 1, eff. September 1, 2007.

Sec. 193.003. TIME AND PLACE FOR FILING DEATH CERTIFICATE. (a) Not later than the 10th day after the date of a death that occurs in this state, a death certificate shall be filed with the local registrar of the registration district in which:

(1) the death occurs; or

(2) the body is found, if the place of death is not known.

(b) Subject to board rules, a certificate of a fetal death that occurs in this state shall be filed with the local registrar of the registration district in which:

(1) the fetal death occurs; or

(2) the body is found, if the place of fetal death is not known.
Sec. 193.004. PERSONAL AND MEDICAL INFORMATION. (a) The person required to file a death certificate shall obtain the required personal information from a competent person with knowledge of the facts.

(b) The person required to file a fetal death certificate shall obtain the required personal information from the person best qualified to furnish the information.

(c) A person required to obtain information under this section shall obtain the information over the signature of the person who furnishes the information.

Sec. 193.0041. DISCIPLINARY ACTION PROHIBITED. A state agency that licenses a person required to file a death certificate under this chapter may not take disciplinary action against the person for failure to timely file the certificate if the person supplies written documentation that the person has made a good faith effort to file the certificate within the time required by Section 193.003(a) and the failure to timely file the certificate results from circumstances beyond the person's control.

Sec. 193.005. PERSONAL INFORMATION. (a) A person required to file a death certificate or fetal death certificate shall obtain the required medical certification from an attending physician if the death occurred under medical attendance for the care and treatment of the condition or disease process that contributed to the death.

(b) The attending physician shall complete the medical certification not later than five days after receiving the death certificate.

(c) An associate physician, the chief medical officer of the institution where the death occurred, or the physician who performed...
an autopsy on the decedent may complete the medical certification if:

1. the attending physician is unavailable;
2. the attending physician approves; and
3. the person completing the medical certification has access to the medical history of the case and the death is due to natural causes.

(d) If a death or fetal death occurs without medical attendance or is otherwise subject to Chapter 49, Code of Criminal Procedure, the person required to file the death or fetal death certificate shall notify the appropriate authority of the death.

(e) A person conducting an inquest required by Chapter 49, Code of Criminal Procedure, shall:

1. complete the medical certification not later than five days after receiving the death or fetal death certificate; and
2. state on the medical certification the disease that caused the death or, if the death was from external causes, the means of death and whether the death was probably accidental, suicidal, or homicidal, and any other information required by the state registrar to properly classify the death.

(f) If the identity of the decedent is unknown, the person conducting the inquest shall obtain and forward to the Department of Public Safety:

1. the decedent's fingerprints;
2. information concerning the decedent's hair color, eye color, height, weight, deformities, and tattoo marks; and
3. other facts required for assistance in identifying the decedent.

(g) If the medical certification cannot be completed in a timely manner, the person required to complete the medical certification shall give the funeral director or the person acting as funeral director notice of the reason for the delay. Final disposition of the body may not be made unless specifically authorized by the person responsible for completing the medical certification.

(h) The person completing the medical certification shall submit the information and attest to its validity using an electronic process approved by the state registrar.

(i) On receipt of autopsy results or other information that would change the information in the medical certification on the death certificate, the appropriate certifier shall immediately report
the change in a manner prescribed by the department to amend the
death certificate.

(j) The death certificate of a decedent who was an inmate of
the Texas Department of Criminal Justice at the time of death and who
was lawfully executed shall classify the manner of death as death
caused by judicially ordered execution.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Amended by:
    Acts 2005, 79th Leg., Ch. 285 (H.B. 93), Sec. 1, eff. September
    1, 2005.
    Acts 2007, 80th Leg., R.S., Ch. 302 (H.B. 1739), Sec. 2, eff.
    September 1, 2007.

Sec. 193.006. INFORMATION RELATING TO VETERANS. (a) This
section applies to the death certificate of a person who:
(1) served in a war, campaign, or expedition of the United
States, the Confederate States of America, or the Republic of Texas;
(2) was the wife or widow of a person who served in a war,
campaign, or expedition of the United States, the Confederate States
of America, or the Republic of Texas; or
(3) at the time of death was in the service of the United
States.
(b) The funeral director or the person in charge of the
disposition of the body shall supply on the reverse side of the death
certificate:
(1) the organization in which service was rendered;
(2) the serial number on the discharge papers or the
adjusted service certificate; and
(3) the name and mailing address of the decedent's next of
kin or next friend.
(c) When the death certificate is filed locally, the local
registrar shall immediately notify the nearest congressionally
chartered veteran organizations.
(d) When the death certificate is filed with the bureau of
vital statistics, the state registrar shall notify the Texas Veterans
Commission.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
Sec. 193.007. DELAYED REGISTRATION OF DEATH. (a) A death that occurred more than 10 days but less than one year before the date of an application for registration of death may be recorded on a death certificate and submitted for filing with the local registrar of the registration district in which the death occurred.

(b) To file a record of a death that occurred in this state but was not registered within one year of the date of death, a person shall submit a record of the death to the county probate court in the county in which the death occurred.

(c) The bureau of vital statistics shall furnish a form for filing records under this section. Records submitted under this section must be on the form furnished by the bureau. The state registrar may accept a certificate that is verified as provided by this section.

(d) The certificate must be supported by the affidavit of:

(1) the physician last in attendance on the decedent or the funeral director who buried the body; or

(2) if the affidavit of the physician or funeral director cannot be obtained:

(A) any person who was acquainted with the facts surrounding the death when the death occurred; and

(B) another person who was acquainted with the facts surrounding the death but who is not related to the decedent by consanguinity or affinity, as determined under Chapter 573, Government Code.

(e) For each application under this section, the court shall collect a $1 fee. The court retains 50 cents of the fee and the remaining 50 cents is allocated to the clerk of the court for recording the certificate.

(f) Not later than the seventh day after the date on which a certificate is accepted and ordered filed by a court under this section, the clerk of the court shall forward to the bureau of vital statistics:

(1) the certificate; and

(2) an order from the court that the state registrar accept the certificate.

Sec. 193.008. BURIAL-TRANSIT PERMIT. (a) A burial-transit permit issued under the law and rules of a place outside of this state in which a death or fetal death occurred authorizes the transportation of the body in this state. A cemetery or crematory shall accept the permit as authorization for burial, cremation, or other disposal of the body in this state.

(b) The department shall prescribe the form and contents of the burial-transit permit.

Sec. 193.009. BURIAL RECORDS. (a) The person in charge of premises on which interments are made shall keep a record of the bodies interred or otherwise disposed of on the premises.

(b) The records must include for each decedent:
(1) the decedent's name;
(2) the place of death;
(3) the date of interment or disposal;
(4) the name and address of the funeral director; and
(5) any other information required by the state registrar.

(c) The records are open to official inspection at all times.

Sec. 193.010. CERTIFICATE OF DEATH BY CATASTROPHIE. (a) In this section, "catastrophe" means the occurrence of a substantial force that causes widespread or severe damage, injury, or loss of life or property and from which it is not reasonable to assume that a person could survive, including:
(1) flood, earthquake, tornado, or other natural disaster;
(2) explosion, fire, or destruction of a building;
(3) the crash of a motor vehicle, train, or airplane involving more than one person; or
(4) the overtaking of more than one person by fire, water, earth, or other substance.

(b) A local registrar shall issue and file a certificate of death by catastrophe for a person if:

(1) an affidavit is submitted to the registrar stating that:

   (A) the person was last reasonably believed to be at the scene of a catastrophe;

   (B) at least 10 days have passed since the day of the catastrophe;

   (C) a diligent search has been made by a governmental authority and the authority has concluded the search for the person;

   (D) the catastrophe was not intentionally caused by the person; and

   (E) the affiant:

      (i) does not know whether the person is alive or dead;

      (ii) has not received any information about the person's status since the catastrophe and, barring the person's death, would have received information about the person's status;

      (iii) is not aware of any custody or guardianship issues involving the person, if the person is a minor or a person for whom a guardian has been appointed; and

      (iv) is not aware of any reasonable motive for the person to disappear or for another person to abduct the person; and

(2) a written statement signed by an agent of the governmental authority that conducts a search under Subdivision (1)(C) is submitted to the registrar stating that the governmental authority conducted and concluded a search for the person.

(c) The department may issue a certificate of death by catastrophe for a minor or a person for whom a guardian has been appointed who is the subject of a custody or guardianship dispute only if all parties to the dispute submit an affidavit under Subsection (b).

(d) An insurer shall accept as proof of death of an insured a certificate of death by catastrophe issued under this section.

Added by Acts 2003, 78th Leg., ch. 1098, Sec. 1, eff. Sept. 1, 2003.
Sec. 193.011. MEMORANDUM OF UNDERSTANDING ON SUICIDE DATA. (a) In this section, "authorized entity" means a medical examiner, a local registrar, a local health authority, a local mental health authority, a community mental health center, a mental health center that acts as a collection agent for the suicide data reported by community mental health centers, or any other political subdivision of this state.

(b) An authorized entity may enter into a memorandum of understanding with another authorized entity to share suicide data that does not name a deceased individual. The shared data may include:

(1) the deceased individual's date of birth, race or national origin, gender, and zip code of residence;
(2) any school or college the deceased individual was attending at the time of death;
(3) the suicide method used by the deceased individual;
(4) the deceased individual's status as a veteran or member of the armed services; and
(5) the date of the deceased individual's death.

(c) The suicide data an authorized entity receives or provides under Subsection (b) is not confidential.

(d) An authorized entity that receives suicide data under a memorandum of understanding authorized by this section may periodically release suicide data that does not name a deceased individual to an agency or organization with recognized expertise in suicide prevention. The agency or organization may use suicide data received by the agency or organization under this subsection only for suicide prevention purposes.

(e) An authorized entity or an employee or agent of an authorized entity is not civilly or criminally liable for receiving or providing suicide data that does not name a deceased individual and that may be shared under a memorandum of understanding authorized by this section.

(f) This section does not prohibit the sharing of data as authorized by other law.

Added by Acts 2009, 81st Leg., R.S., Ch. 100 (H.B. 1067), Sec. 2, eff. May 23, 2009.
CHAPTER 194. MARRIAGE AND DIVORCE RECORDS

Sec. 194.001. REPORT OF MARRIAGE. (a) The county clerk shall file with the bureau of vital statistics a copy of each completed marriage license application and a copy of any affidavit of an absent applicant submitted with an application. The clerk shall file the copies not later than the 90th day after the date of the application. The clerk may not collect a fee for filing the copies.

(b) The county clerk shall file with the bureau of vital statistics a copy of each declaration of informal marriage executed under Section 1.92, Family Code. The clerk shall file the copy not later than the 90th day after the date on which the declaration is executed.

Amended by:
Acts 2013, 83rd Leg., R.S., Ch. 650 (H.B. 869), Sec. 5, eff. September 1, 2013.

Sec. 194.0011. MARRIAGE LICENSE APPLICATIONS. (a) The board by rule shall prescribe the format and content of the form used for the marriage license application.

(b) The bureau of vital statistics shall print and distribute the forms to each county clerk throughout the state.

(c) The form adopted by the board shall replace locally adopted forms.

(d) A county clerk may reproduce the board's form locally.

Added by Acts 1991, 72nd Leg., ch. 96, Sec. 1, eff. Sept. 1, 1991.

Sec. 194.002. REPORT OF DIVORCE OR ANNULMENT. (a) The bureau of vital statistics shall prescribe a form for reporting divorces and annulments of marriage. The form must require the following information:

(1) each party's:
   (A) full name;
   (B) usual residence;
   (C) age;
   (D) place of birth;
   (E) color or race; and
(F) number of children; 
(2) the date and place of the parties' marriage; 
(3) the date the divorce or annulment of marriage was granted; and 
(4) the court and the style and docket number of the case in which the divorce or annulment of marriage was granted.

(b) The bureau of vital statistics shall furnish sufficient copies of the form to each district clerk.

(c) When an attorney presents a final judgment for a divorce or annulment of marriage to a court for a final decree, the attorney shall:

(1) enter on the form the information required under Subsection (a); and 
(2) submit the report to the district clerk with the final judgment.

(d) Not later than the ninth day of each month, each district clerk shall file with the bureau of vital statistics a completed report for each divorce or annulment of marriage granted in the district court during the preceding calendar month. If a report does not include the information required by Subsection (a)(3) or (4), the clerk must complete that information on the report before the clerk files the report with the bureau.

(e) For each report that a district clerk files with the bureau of vital statistics under this section, the clerk may collect a $1 fee as costs in the case in which the divorce or annulment of marriage is granted.

(f) If the bureau of vital statistics determines that a report filed with the bureau under this section requires correction, the bureau shall mail the report form directly to an attorney of record with respect to the divorce or annulment of marriage. The attorney shall return the corrected report form to the bureau. If there is no attorney of record, the bureau shall mail the report form to the district clerk for correction.

Sec. 194.003. STATE INDEX. (a) The bureau of vital statistics shall maintain a statewide alphabetical index, under the names of both parties, of each marriage license application or declaration of informal marriage. The statewide index does not replace the indexes required in each county.

(b) The bureau of vital statistics shall maintain a statewide alphabetical index, under the names of both parties, of each report of divorce or annulment of marriage.

Sec. 194.004. RELEASE OF INFORMATION. (a) The bureau of vital statistics shall furnish on request any information it has on record relating to any marriage, divorce, or annulment of marriage.

(b) The bureau of vital statistics may not issue:

(1) a certificate or a certified copy of information relating to a marriage; or

(2) a certified copy of a report of divorce or annulment of marriage.

(c) Repealed by Acts 1991, 72nd Leg., ch. 14, Sec. 61, eff. Sept. 1, 1991.

(d) Repealed by Acts 1991, 72nd Leg., ch. 14, Sec. 61, eff. Sept. 1, 1991.

Sec. 194.005. HEIRLOOM WEDDING ANNIVERSARY CERTIFICATE. (a) The department shall promote the sale of an heirloom wedding anniversary certificate. The department shall solicit donated designs for the certificate from Texas artists and select the best donated designs for the form of the certificate.

(b) The department shall prescribe a $50 fee for the issuance of an heirloom wedding anniversary certificate.

(c) The executive commissioner of the Health and Human Services Commission shall adopt rules designating certain milestone wedding anniversary dates and shall design and promote heirloom wedding anniversary certificates celebrating those anniversary dates.

(d) The department shall create an heirloom wedding anniversary
certificate ordering system that includes printed order forms available through the department and an online ordering system.

(e) An heirloom wedding anniversary certificate produced by the department under this section must be printed on parchment paper and be not smaller than 11 inches by 14 inches in size.

(f) An heirloom wedding anniversary certificate produced by the department under this section is not a marriage license under this chapter or Chapter 2, Family Code, and does not establish and may not be used to establish a marriage relationship.

(g) The department shall deposit proceeds it receives from the issuance of heirloom wedding anniversary certificates to the credit of the childhood immunization account. The childhood immunization account is an account in the general revenue fund. Money in the account may be used only by the department for:

(1) making grants to fund childhood immunizations and related education programs; and
(2) administering this section.

Added by Acts 2005, 79th Leg., Ch. 1264 (H.B. 2100), Sec. 1, eff. September 1, 2005.

CHAPTER 195. ENFORCEMENT OF VITAL STATISTICS REPORTING

Sec. 195.001. ENFORCEMENT OF TITLE; REPORTS BY LOCAL REGISTRAR. (a) The local registrar in each local registration district shall enforce this title under the supervision and direction of the state registrar.

(b) A local registrar shall report immediately to the state registrar a violation of this title of which the local registrar has knowledge by observation, by complaint of another person, or by other means.

Sec. 195.002. SUPERVISION AND INVESTIGATION BY STATE REGISTRAR. (a) The state registrar shall execute this title throughout the state. To ensure uniform compliance with this title, the state registrar has supervisory power over local registrars, deputy registrars, and subregistrars.

(b) The state registrar or the state registrar's representative
may investigate cases of irregularity or violations of law. On request, any other registrar shall aid in the investigation.

(c) If the state registrar considers it necessary, the state registrar shall report a violation of this title to the appropriate district or county attorney for prosecution. The report must include a statement of the facts and circumstances. The district or county attorney shall immediately initiate and promptly follow up the necessary court proceedings against the person or corporation responsible for the alleged violation.

(d) On the request of the state registrar, the attorney general shall assist in enforcing this title.

Sec. 195.003. FALSE RECORDS. (a) A person commits an offense if the person intentionally or knowingly makes a false statement or directs another person to make a false statement in:

(1) a certificate, record, or report required under this title;

(2) an application for an amendment of a certificate, record, or report required under this title;

(3) an application for a delayed birth certificate or delayed death certificate; or

(4) an application for a certified copy of a vital record.

(b) A person commits an offense if the person intentionally or knowingly supplies false information, or intentionally or knowingly creates a false record, or directs another person to supply false information or create a false record, for use in the preparation of a certificate, record, report, or amendment under this title.

(c) A person commits an offense if the person, without lawful authority and with intent to deceive, makes, counterfeits, alters, amends, or mutilates or directs another person to make, counterfeit, alter, amend, or mutilate:

(1) a certificate, record, or report required under this title; or

(2) a certified copy of a certificate, record, or report required under this title.

(d) A person commits an offense if the person, for purposes of deception, intentionally or knowingly obtains, possesses, uses,
sells, or furnishes, or attempts or directs another person to attempt to obtain, possess, use, sell, or furnish a certificate, record, or report required under this title, or a certified copy of a certificate, record, or report required under this title, if the document:

(1) is made, counterfeited, altered, amended, or mutilated without lawful authority and with intent to deceive;
(2) is false in whole or in part; or
(3) relates to the birth of another individual.

(e) A person commits an offense if the person intentionally or knowingly fraudulently identifies himself or herself to obtain or return registration forms, certificates, or any other forms required under this title.

(f) An offense under this section is a felony of the third degree.

(g) In this section, "person" means an individual, corporation, or association.

(h) If a person is convicted of an offense under this section, the court shall order as a condition of probation that the person cannot obtain a certificate, record, or report to which this section applies or practice midwifery, and the Texas Department of Criminal Justice shall require as a condition of parole that the person cannot obtain a certificate, record, or report to which this section applies or practice midwifery.

Sec. 195.004. FAILURE TO PERFORM DUTY. (a) A person commits an offense if the person refuses or fails to furnish correctly any information in the person's possession affecting a certificate or record required under this title.

(b) A person commits an offense if the person fails, neglects, or refuses to fill out a birth or death certificate and to file the certificate with the local registrar or deliver it on request to the person with the duty to file it, as required by this title.

(c) A local registrar, deputy registrar, or subregistrar commits an offense if that person fails, neglects, or refuses to
perform a duty under this title or under instructions and directions of the state registrar given under this title.

(d) Except as provided by Subsection (d-1), an offense under this section is a Class C misdemeanor.

(d-1) An offense under this section for failure to perform a duty required by Section 192.003 is a Class A misdemeanor.

(e) In this section, "person" means an individual, corporation, or association.

Amended by:
Acts 2011, 82nd Leg., R.S., Ch. 222 (H.B. 253), Sec. 3, eff. September 1, 2011.

Sec. 195.005. DISCLOSURE OF CONFIDENTIAL INFORMATION. (a) A person commits an offense if the person knowingly violates Section 192.002(b), knowingly induces or causes another to violate that section, or knowingly fails to comply with a rule adopted under that section.

(b) An offense under this section is a Class A misdemeanor.

TITLE 4. HEALTH FACILITIES

SUBTITLE A. FINANCING, CONSTRUCTING, REGULATING, AND INSPECTING HEALTH FACILITIES

CHAPTER 221. HEALTH FACILITIES DEVELOPMENT ACT

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 221.001. SHORT TITLE. This chapter may be cited as the Health Facilities Development Act.

Sec. 221.002. PURPOSE; CONSTRUCTION. (a) The purpose of this chapter is to enable a municipality, county, or hospital district to create a corporation with the power to provide, expand, and improve health facilities that the corporation determines are needed to improve the adequacy, cost, and accessibility of health care,
research, and education in the state.

(b) The legislature intends that a corporation created under this chapter be a public corporation, constituted authority, and instrumentality authorized to issue bonds on behalf of its sponsoring entity for the purposes of Section 103, Internal Revenue Code of 1986 (26 U.S.C. Section 103). This chapter and the rules and rulings issued under this chapter shall be construed according to this intent.

(c) This chapter shall be liberally construed to conform to the intent of the legislature expressed by this section.

Sec. 221.003. DEFINITIONS. In this chapter:

(1) "Board of directors" means the board of directors of a development corporation.

(2) "Bonds" includes notes, interim certificates, or other evidences of indebtedness of a development corporation issued under this chapter.

(3) "Cash management" means borrowing by a development corporation on behalf of a user to allow the user to manage the user's need for cash.

(4) "Cost," as applied to a health facility, includes:

   (A) the cost of acquisition of land, a right-of-way, an option to purchase land, an easement, a leasehold estate in land, or another interest in land;

   (B) the cost of acquisition, construction, repair, renovation, remodeling, or improvement of a structure used as, or in connection with, the health facility;

   (C) the cost of site preparation, including demolition or removal of a structure as necessary or incident to providing the health facility;

   (D) the cost of architectural, engineering, legal, or other related services;

   (E) preparation cost of plans, specifications, studies, surveys, cost and revenue estimates, and other expenses necessary or incident to planning, providing, or determining the feasibility of the health facility;

   (F) the cost of machinery, equipment, furnishings, and

Statute text rendered on: 3/14/2015  - 1024 -
facilities necessary or incident to placing the health facility in operation;

(G) finance charges, interest, and marketing and start-up costs, before and during construction and for not more than two years after the date that construction is completed;

(H) costs incurred in connection with financing the health facility, including:
   (i) amounts paid under Sections 221.061(c) and (d);
   (ii) financing, legal, accounting, financial advisory, and appraisal fees, expenses, and disbursements;
   (iii) the cost of a title insurance policy;
   (iv) the cost of printing, engraving, and reproduction services; and
   (v) the cost of a trustee's or paying agent's initial or acceptance fee;

(I) a cost of the development corporation incurred in connection with providing the health facility, including reasonable amounts to reimburse the development corporation for time spent by its agents or employees relating to providing the health facility and its financing; and

(J) the cost of financing, establishing, and funding a reserve fund for a self-insurance or risk management program, including the cost of preparation of a study, survey, or estimate of cost, revenue, risk, or liability or other cost or expense necessary or incident to planning, providing, or determining the feasibility and continuing program and operating costs of a self-insurance or risk management program.

(5) "Development corporation" means a health facilities development corporation created under this chapter.

(6) "Director" means a member of the board of directors.

(7) "District" means a hospital district created under state law.

(8) "Health facility" means property or an interest in property for which the board of directors finds that financing, refinancing, acquiring, providing, constructing, enlarging, remodeling, renovating, improving, furnishing, or equipping is required, necessary, or convenient for health care, research, or education, including:

   (A) land, a building, equipment, machinery, furniture, a facility, or an improvement;
(B) a structure suitable for use as a:
   (i) hospital, clinic, or health facility;
   (ii) nursing home;
   (iii) extended-care, outpatient, or rehabilitation facility;
   (iv) pharmacy;
   (v) medical or dental laboratory;
   (vi) physicians' office building;
   (vii) laundry, administrative, computer, communication, fire-fighting or fire-prevention, food service and preparation, storage, utility, or x-ray facility;
   (viii) parking facility or area;
   (ix) building related to a health care or health-care-related facility or system;
   (x) multiunit housing facility for medical staff, nurses, interns, and other employees of a health care or health-care-related facility or system, for patients of a health care facility, or for relatives of those persons; or
   (xi) medical or dental research or training facility or other facility used in the education or training of health care personnel;

(C) property or material used in landscaping, equipping, or furnishing a health care or health-care-related facility or similar items necessary or convenient for the operation of such a facility;

(D) an adult foster care facility, life care facility, retirement home, retirement village, home for the aging, or other facility that undertakes to furnish shelter, food, medical attention, nursing services, medical services, social activities, or other personal services or attention to an individual for more than one year; and

(E) any other structure, facility, or equipment related to or essential to the operation of a health care or health-care-related facility.

(9) "Resolution" means an action, including an order or ordinance, of a sponsoring entity's governing body.

(10) "Sponsoring entity" means a municipality, county, or district.

(11) "User" means a person who, as owner, lessee, or manager or through other authority, will occupy, operate, manage, or
employ a health facility after the facility is financed, acquired, or constructed.

Sec. 221.004. ADOPTION OF ALTERNATE PROCEDURE. If a court holds that a procedure under this chapter violates the federal or state constitution, a development corporation by resolution may provide an alternate procedure that conforms to the constitution.

Sec. 221.005. EFFECT OF CHAPTER ON OTHER LAW. (a) This chapter does not limit the police powers provided by law to the state, a municipality, or other political subdivision of the state or an official or agency of the state, a municipality, or other political subdivision of the state over property of a corporation.

(b) This chapter does not exempt a corporation or user from compliance with Chapter 104 or 225.

(c) A sponsoring entity or development corporation may use other law not in conflict with this chapter to the extent convenient or necessary to carry out a power or authority expressly or impliedly granted by this chapter.

SUBCHAPTER B. CREATION AND OPERATION OF DEVELOPMENT CORPORATION

Sec. 221.011. AUTHORITY TO CREATE. (a) A sponsoring entity may create one or more nonmember, nonstock development corporations for the sole public purpose of acquiring, constructing, providing, improving, financing, and refinancing a health facility to assist the maintenance of public health.

(b) The sponsoring entity may use the development corporation to:

(1) provide a health facility to promote and develop health care, research, and education for the public purpose of promoting the health and welfare of state citizens; and

(2) issue bonds on the sponsoring entity's behalf to
finance the cost of the health facility.

(c) The sponsoring entity may not lend its credit or grant public money or other thing of value in aid of a development corporation.

Sec. 221.012. PROCEDURE. (a) If the governing body of a sponsoring entity determines that it is in the public interest and to the benefit of the sponsoring entity's residents and the citizens of this state that a development corporation be created to promote and develop new, expanded, or improved health facilities to assist the maintenance of the public health and welfare, the governing body, by resolution stating that determination, may authorize and approve creation of a development corporation, and shall approve proposed articles of incorporation for the development corporation.

(b) No fewer than three residents of the sponsoring entity who are each at least 18 years of age may act as incorporators of the development corporation by signing and verifying the articles of incorporation and delivering the original and two copies of the articles of incorporation to the secretary of state.

Sec. 221.013. ARTICLES OF INCORPORATION. (a) The articles of incorporation of a development corporation must include:

1. the corporation's name;
2. a statement that the corporation is a nonprofit public corporation;
3. the duration of the corporation, which may be perpetual;
4. a statement that the purpose of the corporation is to acquire, construct, provide, improve, finance, and refinance a health facility to assist the maintenance of the public health;
5. a statement that the corporation has no members and is a nonstock corporation;
6. the street address of the corporation's initial registered office and the name of its initial registered agent at that address;
(7) the number of directors on the initial board of directors and those directors' names and addresses;
(8) each incorporator's name and street address;
(9) the sponsoring entity's name and address; and
(10) a statement that the sponsoring entity by resolution has specifically authorized the corporation to act on its behalf to further the public purpose set forth in the articles of incorporation, and has approved the articles of incorporation.

(b) The corporate powers enumerated in this chapter are not required to be included in the articles of incorporation.

(c) The articles of incorporation may include provisions for the regulation of the internal affairs of the development corporation, including a provision required or permitted by this chapter to be in the bylaws.

(d) Except as provided by Subsection (e), if a bylaw conflicts with the articles of incorporation, the articles of incorporation control.

(e) Unless the articles of incorporation provide that a change in the number of directors may be made only by amendment to those articles, the change may be made by amendment to the bylaws.

incorporation, with a copy of the articles of incorporation attached, to the incorporators or their representative and to the sponsoring entity's governing body.

(d) The development corporation's existence begins on issuance of the certificate of incorporation. The certificate of incorporation is conclusive evidence that all conditions precedent required to be performed by the incorporators and by the sponsoring entity have been performed and that the corporation has been incorporated under this chapter.

Sec. 221.015. ORGANIZATIONAL MEETING. (a) After issuance of the certificate of incorporation and at the call of a majority of the incorporators, the board of directors named in the articles of incorporation shall hold an organizational meeting in this state to adopt bylaws and elect officers and for any other purposes.

(b) Not later than the sixth day before the date of the meeting, the incorporators shall mail notice, postage prepaid, to each director of the time and place of the meeting.

Sec. 221.016. AMENDMENT OF ARTICLES OF INCORPORATION. (a) Articles of incorporation may be amended to contain any provision that is lawful under this chapter if the sponsoring entity's governing body by appropriate resolution determines that the amendment is advisable and authorizes or directs that an amendment be made.

(b) The development corporation's president or vice-president and secretary or assistant secretary, or the presiding officer and the secretary or clerk of the sponsoring entity's governing body, shall execute articles of amendment on behalf of the development corporation. An officer signing the articles of amendment shall verify those articles.

(c) The articles of amendment must include:

(1) the name of the development corporation;

(2) if the amendment alters a provision of the original or amended articles of incorporation, an identification by reference or
description of the altered provision and a statement of its text as amended;

(3) if the amendment is an addition to the original or amended articles of incorporation, a statement of that fact and the full text of each added provision;

(4) the name and current address of the sponsoring entity;

(5) a statement that the amendment was authorized by the governing body of the sponsoring entity; and

(6) the date of the meeting at which the governing body adopted or approved the amendment.

Sec. 221.017. CERTIFICATE OF AMENDMENT. (a) The original and two copies of the articles of amendment and a certified copy of the resolution of the sponsoring entity's governing body authorizing the articles shall be delivered to the secretary of state.

(b) If the secretary of state finds that the articles of amendment comply with this chapter and are authorized by the sponsoring entity's governing body, the secretary of state, on payment of all fees required by this chapter, shall:

(1) write "filed" on the original and each copy of the articles of amendment and the month, day, and year of the filing;

(2) file the original in the office of the secretary of state; and

(3) issue two certificates of amendment with a copy of the articles of amendment attached to each.

(c) The secretary of state shall deliver to the development corporation or its representative and to the sponsoring entity's governing body a certificate of amendment with a copy of the articles of amendment attached.

(d) The amendment to the articles of incorporation takes effect on issuance of the certificate of amendment.

(e) An amendment does not affect an existing cause of action in favor of or against the development corporation, a pending suit to which the corporation is a party, or an existing right of any person. Change of the corporate name by amendment does not abate a suit brought by or against the corporation under its former name.

Sec. 221.018. RESTATED ARTICLES OF INCORPORATION. (a) A development corporation may authorize, execute, and file restated articles of incorporation by following the procedure to amend articles of incorporation, including obtaining authorization from the sponsoring entity's governing body.

(b) The restated articles of incorporation must restate the entire text of the articles of incorporation as amended or supplemented by all previous certificates of amendment. The restated articles of incorporation may also contain further amendments to the articles of incorporation.

(c) Unless the restated articles of incorporation include amendments that were not previously in the articles of incorporation and previous certificates of amendment, the introductory paragraph of the restated articles of amendment must contain a statement that the instrument accurately copies the articles of incorporation and all amendments that are in effect on the date of the filing without further changes, except that the number of directors then constituting the board of directors and those directors' names and addresses may be inserted in place of the similar information concerning the initial board of directors, and the incorporators' names and addresses may be omitted.

(d) If the restated articles of incorporation contain further amendments not included in the articles of incorporation and previous certificates of amendment, the instrument containing the restated articles of incorporation must:

(1) include for each further amendment a statement that the amendment has been made in conformity with this chapter;

(2) include the statements required by this chapter to be contained in articles of amendment, except that the full text of the amendment need not be included except in the restated articles of incorporation as amended;

(3) contain a statement that the instrument accurately copies the articles of incorporation and all previous amendments in effect on the date of the filing, as further amended by the restated articles of incorporation, and that the instrument does not contain any other change, except that the number of directors then constituting the board of directors and those directors' names and addresses may be inserted in place of the similar information
concerning the initial board of directors, and the incorporators' names and addresses may be omitted; and

(4) restate the entire text of the articles of incorporation as amended and supplemented by all previous certificates of amendment and as further amended by the restated articles of incorporation.

Sec. 221.019. RESTATED CERTIFICATE OF INCORPORATION. (a) The original and two copies of the restated articles of incorporation and a certified copy of the resolution of the sponsoring entity's governing body authorizing the articles shall be delivered to the secretary of state.

(b) If the secretary of state finds that the restated articles of incorporation comply with this chapter and have been authorized by the sponsoring entity's governing body, the secretary of state, on payment of all fees required by this chapter, shall:

(1) write "filed" on the original and each copy of the restated articles of incorporation and the month, day, and year of the filing;

(2) file the original in the office of the secretary of state; and

(3) issue two restated certificates of incorporation with a copy of the restated articles of incorporation attached to each.

(c) The secretary of state shall deliver a restated certificate of incorporation, with a copy of the restated articles of incorporation attached, to the development corporation or its representative and to the sponsoring entity's governing body.

(d) On issuance by the secretary of state of the restated certificate of incorporation, the original articles of incorporation and all amendments are superseded and the restated articles of incorporation become the development corporation's articles of incorporation.

Sec. 221.020. REGISTERED OFFICE AND AGENT. (a) A development corporation shall continuously maintain a registered office and
registered agent in this state.

(b) The registered office may be, but need not be, the same as the development corporation's principal office. The registered agent may be:

(1) an individual resident of this state whose business office is the same as the registered office; or

(2) a domestic or foreign profit or nonprofit corporation that is authorized to transact business or conduct affairs in this state and that has a principal or business office that is the same as the registered office.

Sec. 221.021. CHANGE OF REGISTERED OFFICE OR AGENT. (a) A development corporation may change its registered office, registered agent, or both, by filing the original and a copy of a statement in the office of the secretary of state. The president or vice-president of the corporation shall execute and verify the statement.

(b) The statement must include:

(1) the development corporation's name;

(2) the post office address of the corporation's current registered office;

(3) if the registered office is to be changed, the post office address of the corporation's new registered office;

(4) the name of the corporation's registered agent;

(5) if the registered agent is to be changed, the name of the successor registered agent;

(6) a statement that, after the change, the post office address of the registered office will be the same as the post office address of the business office of the registered agent; and

(7) a statement that the change was authorized by the board of directors or by a corporate officer authorized by the board of directors to make the change.

(c) If the secretary of state finds that the statement complies with this chapter, the secretary of state, when all fees have been paid as required by this chapter, shall:

(1) write "filed" on the original and each copy of the statement and the month, day, and year of the filing;

(2) file the original statement in the office of the
secretary of state; and

(3) return the copy of the statement to the corporation or its representative.

(d) The change made by the statement takes effect on the filing of the statement.

Sec. 221.022. RESIGNATION OF REGISTERED AGENT. (a) A registered agent of a development corporation may resign by:

(1) mailing or delivering written notice to the corporation; and

(2) filing the original and two copies of the notice in the office of the secretary of state not later than the 10th day after the date the notice is mailed or delivered to the corporation.

(b) The notice must include the development corporation's last known address, a statement that written notice was given to the corporation, and the date the written notice was given to the corporation.

(c) If the secretary of state finds that the notice complies with this chapter, the secretary of state, on payment of all fees required by this chapter, shall:

(1) write "filed" on the original notice and both copies and the month, day, and year of the filing;

(2) file the original notice in the office of the secretary of state;

(3) return one copy of the notice to the resigning registered agent; and

(4) deliver one copy of the notice to the development corporation at the address shown in the notice.

(d) The resignation takes effect on the 31st day after the date the notice is received by the secretary of state.

Sec. 221.023. AGENTS FOR SERVICE. (a) The president, each vice-president, and the registered agent of a development corporation are the corporation's agents on whom may be served a process, notice, or demand required or permitted by law to be served on the
corporation.

(b) If a development corporation fails to appoint or maintain a registered agent in this state, or if the registered agent cannot with reasonable diligence be found at the registered office, the secretary of state is an agent of the corporation on whom a process, notice, or demand may be served.

(c) The secretary of state may be served by delivering two copies of the process, notice, or demand to the secretary of state, the deputy secretary of state, or a clerk in charge of the corporation department of the secretary of state's office. The secretary of state shall immediately forward one copy of the process, notice, or demand by registered mail to the development corporation at its registered office.

(d) Service on the secretary of state is returnable not earlier than the 30th day after the date of the service.

(e) The secretary of state shall keep a record of each process, notice, and demand served, including the time of the service and the action of the secretary of state in reference to the process, notice, or demand.

Amended by:
Acts 2005, 79th Leg., Ch. 41 (H.B. 297), Sec. 2, eff. September 1, 2005.

Sec. 221.024. BOARD. (a) A development corporation's affairs are governed by a board of directors composed of at least three individuals appointed by the sponsoring entity's governing body. Directors may be divided into classes.

(b) A director serves for a term of not more than six years. The terms of directors of different classes may be of different lengths.

(c) A director holds office for the term to which the director is appointed and until a successor is appointed and has qualified.

(d) The sponsoring entity's governing body may remove a director for cause or at any time without cause.

(e) A director serves without compensation but is entitled to reimbursement for actual expenses incurred in the performance of duties under this chapter.
Sec. 221.025. OFFICERS. (a) The officers of a development corporation are:

(1) the president, vice-president, and secretary; and

(2) other officers, including a treasurer, and assistant officers considered necessary.

(b) An officer is elected or appointed at the time, in the manner, and for the term provided by the articles of incorporation or bylaws, except that an officer's term may not exceed three years. If the articles of incorporation or bylaws do not contain those requirements, the board of directors shall elect or appoint each officer annually.

(c) A person may simultaneously hold more than one office, except that the same person may not simultaneously hold the offices of president and secretary.

(d) An officer may be removed by the persons authorized to elect or appoint that officer if those persons believe the best interests of the corporation will be served by the removal.

Sec. 221.026. INDEMNIFICATION. (a) Except as provided by Subsection (c), a development corporation may indemnify a director or officer or a former director or officer for expenses and costs, including attorney's fees, actually or necessarily incurred by the person in connection with a claim asserted against the person, by action in court or other forum, because of the person's being or having been a director or officer.

(b) If a development corporation has not fully indemnified a director or officer under Subsection (a), the court in a proceeding in which a claim is asserted against the director or officer, or a court having jurisdiction over an action brought by the director or officer on a claim for indemnity, may assess indemnity against the corporation or its receiver or trustee. The assessment must equal:

(1) the amount that the director or officer paid to satisfy the judgment or compromise the claim, not including any amount paid the corporation; and
(2) to the extent the court considers reasonable and equitable, the expenses and costs, including attorney's fees, actually and necessarily incurred by the director or officer in connection with the claim.

(c) A development corporation may not provide indemnity in a matter if the director or officer is guilty of negligence or misconduct in relation to the matter. A court may not assess indemnity unless it finds that the director or officer was not guilty of negligence or misconduct in relation to the matter in which indemnity is sought.

Sec. 221.027. BYLAWS. (a) The board of directors shall adopt a development corporation's initial bylaws and may amend or repeal the bylaws or adopt new bylaws. The bylaws and each amendment and repeal of the bylaws must be approved by the sponsoring entity's governing body by resolution.

(b) The bylaws may contain any provision for the regulation and management of the development corporation's affairs consistent with law and the articles of incorporation.

Sec. 221.028. COMMITTEES. (a) If permitted by the articles of incorporation or bylaws, the board of directors, by resolution adopted by a majority of directors in office, may designate one or more committees consisting of two or more directors to exercise the board's authority in the management of the development corporation to the extent provided by the resolution, articles of incorporation, or bylaws. The designation of a committee or delegation of authority to a committee does not relieve the board of directors or an individual director of a responsibility imposed by law.

(b) Other committees not exercising the authority of the board of directors in the management of the development corporation may be designated. Those committees may be, but need not be, limited to directors, and shall be designated and appointed by:

(1) the board of directors by resolution of a majority of directors adopted at a meeting at which a quorum is present; or
(2) the president, if authorized by the articles of incorporation, bylaws, or a resolution of a majority of the board of directors adopted at a meeting at which a quorum is present.

Sec. 221.029. MEETINGS; ACTION WITHOUT MEETING. (a) A regular board of directors meeting may be called and held, with or without notice, as provided by the bylaws. A special board of directors meeting may be held on notice as provided by the bylaws. A regular or special meeting may be held at any location in the state.

(b) Notice or waiver of notice of a regular or special board of directors meeting need not specify the business to be transacted or the meeting's purpose, unless required by the bylaws.

(c) A director's attendance at a meeting waives notice to the director of the meeting, unless the attendance is for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

(d) A quorum is the lesser of:

(1) a majority of the number of directors established by the bylaws, or if the bylaws do not establish a number of directors, a majority of the number of directors stated in the articles of incorporation; or

(2) the number of directors, which number may not be smaller than three, established as a quorum by the articles of incorporation or bylaws.

(e) The act of a majority of the directors present at a meeting at which a quorum is present is an act of the board of directors, unless the act of a larger number is required by the articles of incorporation or bylaws. The articles of incorporation control if, with respect to an action to be taken by the board of directors, the articles of incorporation require the vote or concurrence of a greater proportion of directors than required by this chapter with respect to the action.

(f) An action required or permitted to be taken at a board of directors meeting may be taken without a meeting if a consent is signed by all directors. An action permitted to be taken at a committee meeting may be taken without a meeting if a consent is signed by all members of the committee. A consent under this
subsection must be in writing and must set forth the action to be taken. The consent has the effect of a unanimous vote and may be stated as a unanimous vote in articles or other documents filed with the secretary of state under this chapter.

Sec. 221.030. CORPORATION'S GENERAL POWERS. (a) Subject to Section 221.035, a development corporation has the rights and powers necessary or convenient to accomplish the corporation's purposes, including the power to:

(1) acquire, by purchase, devise, gift, lease, or a combination of those methods, construct, or improve, or cause a user to acquire, construct, or improve, one or more health facilities located in the state and located:

(A) wholly or partly within the limits of the sponsoring entity; or

(B) outside the limits of the sponsoring entity, with the consent of each other sponsoring entity in which the health facility is or is to be located;

(2) lease as lessor all or part of a health facility for the rental amount and on the terms and conditions that the corporation considers advisable;

(3) sell for installment payments or other method of payment, option or contract for sale, and convey all or part of a health facility for the price and on the terms and conditions that the corporation considers advisable;

(4) make a contract, incur a liability, borrow money at a rate of interest the corporation determines, and secure bonds or obligations by mortgage or pledge of all or part of the corporation's property, franchises, and income;

(5) make a secured or unsecured loan to provide temporary or permanent financing or refinancing of all or part of the cost of a health facility, including refunding of an outstanding obligation, mortgage, or advance issued, made, or given by a person for the cost of a health facility;

(6) charge and collect interest on a loan for the loan payments and on the terms that the board of directors considers advisable;
(7) lend money for its corporate purposes, invest and reinvest corporate funds, and take and hold property as security for the payment of the money loaned or invested;

(8) purchase, receive, lease, or acquire in another manner, own, hold, improve, or use property or an interest in property, or deal in any other manner in or with that property, regardless of location, as the purposes of the corporation require or, if the property is donated, subject to the terms of the donation;

(9) sell, convey, mortgage, pledge, lease, exchange, transfer, and otherwise dispose of all or part of the corporation's property and assets;

(10) appoint agents of the corporation for the period the corporation determines, and determine their duties;

(11) sue, be sued, complain, and defend in its corporate name; and

(12) have a corporate seal, which the corporation may alter as it considers necessary, and use the seal by having it or a facsimile of it impressed on, affixed to, or reproduced on an instrument required or authorized to be executed by the corporation's proper officers.

(b) A development corporation may not incur a financial obligation under this chapter unless it is payable solely from:

(1) bond proceeds;

(2) revenue derived from the lease or sale of a health facility or from a loan made by a corporation to finance or refinance a health facility in whole or part;

(3) revenue derived from operating a health facility; or

(4) other revenue provided by a user of a health facility.

(c) A sponsoring entity may not delegate to a development corporation the power of taxation or eminent domain, police power, or an equivalent sovereign power of the state or the sponsoring entity.

(d) This section does not authorize a corporate director or officer to exercise a power enumerated by this section in a manner inconsistent with the development corporation's articles of incorporation or bylaws or beyond the scope of the corporation's purposes.

Sec. 221.031. CONVEYANCE OF LAND. (a) A development corporation may convey land by deed if the conveyance is authorized by an appropriate resolution of the board of directors. The deed may be with or without the corporation's seal and must be signed by the corporation's president, vice-president, or attorney.  

(b) If the deed is acknowledged by the signing officer or attorney to be the act of the development corporation, or if the deed is proved in the manner prescribed for other conveyances of land, it may be recorded in the same manner and with the same effect as other deeds.  

(c) A deed that is signed by the development corporation's president or vice-president and recorded is prima facie evidence that the board of directors adopted the appropriate resolution.

Sec. 221.032. PERFECTION OF SECURITY INTEREST. A security interest granted by a corporation may be perfected in the manner and with the effect provided by Chapter 9, Business & Commerce Code.

Sec. 221.033. TAXATION. (a) A health facility, including a leasehold estate in a health facility, that is owned by a development corporation and that, except for the purposes and nonprofit nature of the corporation, would be taxable to the corporation under Title 1, Tax Code, shall be assessed to the user of the health facility to the same extent and subject to the same exemptions from taxation as if the user owned the health facility. If there is more than one user of the health facility, the health facility shall be assessed to the users in proportion to the value of the rights of each user to occupy, operate, manage, or employ the health facility.  

(b) The user of a health facility is considered the owner of the health facility for purposes of the application of:  

(1) sales and use taxes in construction, sale, lease, or rental of the health facility; and  

(2) other taxes levied or imposed by the state or a political subdivision of the state.
(c) A development corporation is engaged exclusively in performance of charitable functions and is exempt from taxation by the state, a municipality, or other political subdivision of the state. Bonds issued by a corporation under this chapter, a transfer of the bonds, interest on the bonds, and a profit from the sale or exchange of the bonds are exempt from taxation by the state, a municipality, or other political subdivision of the state.

Sec. 221.034. NET EARNINGS. A development corporation is a nonprofit corporation, and no part of its net earnings remaining after payment of its bonds and expenses of accomplishing its public purpose may benefit a person other than the sponsoring entity.

Sec. 221.035. ALTERATION OF DEVELOPMENT CORPORATION OR ACTIVITIES. The sponsoring entity, in its sole discretion, may alter the development corporation's structure, organization, programs, or activities, subject only to limitations provided by law relating to the impairment of contracts entered into by the corporation.

Sec. 221.036. EXAMINATION OF BOOKS AND RECORDS. A representative of the sponsoring entity may examine all books and records of the development corporation at any time.

Sec. 221.037. WAIVER OF NOTICE. If a notice is required to be given to a director by this chapter, the articles of incorporation, or bylaws, a waiver of the notice signed by the person entitled to the notice, before or after the time that would have been stated in the notice, is equivalent to giving the notice.
SUBCHAPTER C. BONDS

Sec. 221.061. AUTHORITY TO ISSUE; USE OF PROCEEDS. (a) A development corporation may issue bonds to pay all or part of the cost of a health facility or for cash management.

(b) Before preparation and issuance of definitive bonds, the development corporation may issue interim receipts or temporary bonds, with or without coupons, that may be exchanged for definitive bonds after the definitive bonds are executed and available for delivery. The term of the interim receipts or temporary bonds may not exceed three years.

(c) Bond proceeds may be used only for payment of all or part of the cost of a health facility for which the bonds have been issued, for making a loan in the amount of all or part of the cost of that health facility, or for deposit to a reserve fund for the bonds. The proceeds shall be disbursed in the manner and under the restrictions determined by the development corporation.

(d) From the bond proceeds, the development corporation shall be paid an amount equal to:

(1) the corporation's expenses and costs in issuing, selling, and delivering the bonds, including financing, legal, financial advisory, and printing expenses; and

(2) the compensation paid to employees of the corporation for the time the employees spend on activities relating to issuing, selling, and delivering the bonds.

Sec. 221.062. INFORMATION FILED WITH SPONSORING ENTITY. (a) Not later than the 15th day before the date on which bonds are issued, the proceeds of which are to be used to pay all or part of the cost of a health facility, the development corporation shall file with the sponsoring entity's governing body a full and complete description of the health facility, including:

(1) an explanation of the projected costs and of the necessity for the proposed health facility; and

(2) the name of the proposed user of the health facility.

(b) If the bond proceeds are to be used for cash management, the user shall file with the sponsoring entity's governing body a forecast of the user's need for cash based on the user's most recent revenue estimate. The forecast must contain a detailed report of estimated revenues and expenditures for each month for a period of not more than one year.

(c) After issuing the bonds and before using all of the bond proceeds, the development corporation may amend the filing required by this section and use the proceeds as provided by the amended filing if the sponsoring entity's governing body determines that the use according to the amended filing furthers the purposes of this chapter.

(d) Information filed under this section is public information open to public inspection.

Sec. 221.063. TERMS. (a) Bonds issued under this chapter must be dated and bear interest at a fixed or variable rate determined by the development corporation. The bonds must mature at the time determined by the corporation, but may not mature later than 40 years after their date of issuance. Bonds issued for cash management may not mature later than 24 months after their date of issuance.

(b) The bonds may be made redeemable before maturity at the price and on the terms determined by the development corporation.

(c) The bonds, including any interest coupons initially attached, must be in the form and denomination, payable at the place, and executed or authenticated in the manner that the development corporation determines.

(d) The bonds may be issued in coupon or registered form or be payable to a specific person, as the development corporation determines. The corporation may provide for the registration of coupon bonds as to principal only, for the conversion of coupon bonds into fully registered bonds without coupons, and for reconversion into coupon bonds of fully registered bonds without coupons. The duty of conversion or reconversion may be imposed on a trustee in a trust agreement.

(e) The signature or facsimile of the signature of an officer that appears on the bonds or coupons remains valid and sufficient for
all purposes regardless of whether the person ceases to be an officer before delivery of and payment for the bonds.

Sec. 221.064. SALE. (a) A development corporation shall sell at a public or private sale the bonds at the price it determines.

(b) The net effective interest rate on the bonds, computed according to Chapter 1204, Government Code, may not exceed the maximum annual interest rate established for business loans of $250,000 or more in this state.

Sec. 221.065. REFUNDING BONDS. (a) A development corporation may issue bonds to refund any of its valid outstanding bonds, including any bonds issued for unspecified projects and including any redemption premium on the bonds and interest accrued to the date of redemption, on a finding by the board of directors of the development corporation that there is a public benefit and a public purpose for the refunding.

(b) The provisions of this chapter generally applicable to bonds apply to the issuance, maturity, terms, and holder's rights in the refunding bonds, and to the development corporation's rights, duties, and obligations in relation to the refunding bonds.

(c) The development corporation may issue the refunding bonds in exchange or substitution for outstanding bonds or may sell the refunding bonds and use the proceeds to pay or redeem outstanding bonds.

Sec. 221.066. SOURCE OF PAYMENT; BONDS NOT GENERAL OBLIGATION. (a) The principal of, interest on, and any redemption penalty on bonds issued under this chapter are payable solely from, and may be secured by a pledge of all or part of, one or more of the following:
(1) the bond proceeds;
(2) revenue derived from the lease or sale of a health facility or from a loan made by a development corporation to finance or refinance all or part of a health facility;
(3) revenue derived from the operation of a health facility; or
(4) other revenue provided by a user of a health facility.

(b) The bonds are not an obligation or a pledge of the faith and credit of the state, a sponsoring entity, or other political subdivision or agency of the state.

(c) Each bond must contain on its face a statement that:
(1) neither the state nor a political subdivision or agency of the state, including the sponsoring entity, is obligated to pay the bonds or interest on the bonds; and
(2) neither the faith and credit nor the taxing power of the state, the sponsoring entity, or other political subdivision or agency of the state is pledged to the payment of the principal of or interest on any redemption premium on the bonds.

Sec. 221.067. EXEMPT SECURITIES. (a) Bonds issued under this chapter and any interest coupons are exempt securities under The Securities Act (Article 581-1 et seq., Vernon's Texas Civil Statutes).

(b) If the bonds are secured by an agreement by a user to pay to the development corporation amounts sufficient to pay the principal of and interest and any redemption premium on the bonds, the agreement, for the purposes of The Securities Act (Article 581-1 et seq., Vernon's Texas Civil Statutes), is a separate security issued to purchasers of the bonds by the user, and not by the corporation. The agreement is exempt from that Act only if:
(1) that Act exempts the agreement; or
(2) the bonds or the payments to be made under the agreement are guaranteed by any person and the guarantee is an exempt security under that Act.

Sec. 221.068. LEGAL INVESTMENTS; SECURITY FOR DEPOSITS. (a) Unless made ineligible under other law, rules, or rulings, bonds are legal and authorized investments for:

(1) a bank;
(2) a savings bank;
(3) a trust company;
(4) a savings and loan association;
(5) an insurance company;
(6) a fiduciary, trustee, or guardian; and
(7) a sinking fund of a municipality, county, school district, or other political corporation or subdivision of the state.

(b) The bonds may secure the deposit of public funds of the state or a municipality, county, school district, or other political corporation or subdivision of the state. The bonds are lawful and sufficient security for those deposits at their face value if accompanied by all appurtenant unmatured coupons, if any.

SUBCHAPTER D. DISSOLUTION OF CORPORATION

Sec. 221.081. DISSOLUTION AUTHORIZED. After a development corporation's bonds and other obligations are paid and discharged, or adequate provision is made for their payment and discharge, the sponsoring entity's governing body by written resolution shall authorize and direct the dissolution of the corporation.

Sec. 221.082. ARTICLES OF DISSOLUTION. (a) Articles of dissolution on behalf of the corporation shall be executed by:

(1) the president or vice-president and the secretary or assistant secretary; or
(2) the presiding officer of the sponsoring entity's governing body and the secretary or clerk of that body.

(b) An officer signing the articles of dissolution shall verify them.

(c) The articles of dissolution must include:

(1) the name of the development corporation;
(2) the name and address of the sponsoring entity;
(3) a statement that the dissolution was authorized by the governing body of the sponsoring entity;

(4) the date of the meeting at which the dissolution was authorized;

(5) a statement that all of the corporation's bonds and obligations have been paid and discharged or that adequate provision has been made for their payment and discharge; and

(6) a statement that no suit is pending in a court against the corporation or that adequate provision has been made for the satisfaction of any judgment, order, or decree that may be entered against the corporation in each pending suit.

Sec. 221.083. CERTIFICATE OF DISSOLUTION. (a) The original and two copies of the articles of dissolution shall be delivered to the secretary of state.

(b) If the secretary of state finds that the articles of dissolution comply with this chapter and have been authorized by the sponsoring entity's governing body, the secretary of state, on payment of all fees required by this chapter, shall:

(1) write "filed" on the original and each copy of the articles of dissolution and the month, day, and year of the filing;

(2) file the original in the office of the secretary of state; and

(3) issue two certificates of dissolution with a copy of the articles of dissolution attached to each.

(c) The secretary of state shall deliver a certificate of dissolution with a copy of the articles of dissolution attached to the representative of the dissolved development corporation and to the sponsoring entity's governing body.

(d) The existence of the development corporation ceases on issuance of the certificates of dissolution, except for the purpose of suits, other proceedings, and appropriate corporate action by the directors and officers of the corporation as provided by this chapter.

Sec. 221.084. EXTENSION OF DURATION. If a corporation is dissolved by expiration of its duration, the corporation may amend its articles of incorporation to extend its duration within three years after the date of dissolution.

Sec. 221.085. VESTING PROPERTY IN SPONSORING ENTITY. The title to all funds and other property owned by a development corporation when it dissolves automatically vests in the sponsoring entity without further conveyance, transfer, or other act.

Sec. 221.086. RIGHTS, CLAIMS, AND LIABILITIES BEFORE DISSOLUTION. The dissolution of a development corporation by issuance of a certificate of dissolution or expiration of its duration does not impair a remedy available to or against the corporation or a director or officer of the corporation for a right or claim existing or a liability incurred before the dissolution, if action or other proceeding on the remedy is begun within three years after the date of the dissolution. The action may be prosecuted or defended by the corporation in its corporate name. The directors and officers may take corporate or other action as appropriate to protect the remedy, right, or claim.

SUBCHAPTER E. ADMINISTRATION BY SECRETARY OF STATE

Sec. 221.101. ADMINISTRATION OF CHAPTER. The secretary of state may act as reasonably necessary to efficiently administer this chapter and to perform the duties imposed by this chapter.

Sec. 221.102. FEES. (a) The secretary of state shall charge and collect fees for:
(1) filing articles of incorporation and issuing two certificates of incorporation;
(2) filing articles of amendment and issuing two certificates of amendment;
(3) filing a statement of change of address of registered office or change of registered agent, or both;
(4) filing restated articles of incorporation and issuing two restated articles of incorporation; and
(5) filing articles of dissolution.

(b) The fees are in the amounts charged by the secretary of state for the respective filings and issuances under the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes).

Sec. 221.103. NOTICE AND APPEAL OF DISAPPROVAL. (a) If the secretary of state fails to approve a document required by this chapter to be approved by the secretary of state, the secretary of state, not later than the 10th day after the date the document is delivered to the secretary of state, shall give written notice of the disapproval to the person who delivered the document. The notice must state the reasons for the disapproval.

(b) The person may appeal the disapproval to a district court of Travis County by filing with the clerk of the court a petition including a copy of the disapproved document and a copy of the disapproval notice.

(c) The court shall try the matter de novo, and either sustain the secretary of state's action or direct the secretary of state to take action the court considers proper.

Sec. 221.104. DOCUMENTS AS PRIMA FACIE EVIDENCE. The following documents shall be received by a court, public office, or official body as prima facie evidence of the facts, or the existence or nonexistence of the facts, stated in the document:

(1) a certificate issued by the secretary of state under this chapter;
(2) a copy, certified by the secretary of state, of a document filed in the office of the secretary of state under this chapter; and

(3) a certificate of the secretary of state under the state seal as to the existence or nonexistence of a fact relating to a development corporation that would not appear from a document or certificate under Subdivision (1) or (2).

CHAPTER 222. HEALTH CARE FACILITY SURVEY, CONSTRUCTION, INSPECTION, AND REGULATION

SUBCHAPTER A. SURVEY AND CONSTRUCTION OF HOSPITALS

Sec. 222.001. SHORT TITLE. This subchapter may be cited as the Texas Hospital Survey and Construction Act.

Sec. 222.002. DEFINITIONS. In this subchapter:

(1) "Board" means the Texas Board of Health.

(2) "Commissioner" means the commissioner of health.

(3) "Department" means the Texas Department of Health.

(4) "Hospital" includes a public health center, a general hospital, or a tuberculosis, mental, chronic disease, or other type of hospital, and related facilities such as a laboratory, outpatient department, nurses' home and training facility, or central service facility operated in connection with a hospital.

(5) "Public health center" means a publicly owned facility for providing public health services and includes related facilities such as a laboratory, clinic, or administrative office operated in connection with a facility for providing public health services.

Sec. 222.003. EXCEPTION. This subchapter does not apply to a hospital furnishing primarily domiciliary care.
Sec. 222.004. DIVISION OF HOSPITAL SURVEY AND CONSTRUCTION.
(a) The division of hospital survey and construction is a division of the department.
(b) The division is administered by a full-time salaried director appointed by the commissioner and under the supervision and direction of the board.
(c) The commissioner shall appoint other personnel of the division.

Sec. 222.005. SURVEY, PLANNING, AND CONSTRUCTION OF HOSPITALS.
(a) The department, through the division of hospital survey and construction, is the only agency of the state authorized to make an inventory of existing hospitals, survey the need for construction of hospitals, and develop a program of hospital construction as provided by the federal Hospital Survey and Construction Act (42 U.S.C. Section 291 et seq.).
(b) The board may establish methods of administration and adopt rules to meet the requirements of the federal Hospital Survey and Construction Act relating to survey, planning, and construction of hospitals and public health centers.
(c) The commissioner shall:
(1) require reports, make inspections and investigations, and prescribe rules as the commissioner considers necessary; and
(2) take other action that the commissioner considers necessary to carry out the federal Hospital Survey and Construction Act and the regulations adopted under that Act.

Sec. 222.006. FUNDING. (a) The commissioner shall accept, on behalf of the state, a payment of federal funds or a gift or grant made to assist in meeting the cost of carrying out the purpose of this subchapter, and may spend the payment, gift, or grant for that purpose.
(b) The commissioner shall deposit the payment, gift, or grant in the state treasury to the credit of the hospital construction fund.

(c) The commissioner shall deposit to the credit of the hospital construction fund money received from the federal government for a construction project approved by the surgeon general of the United States Public Health Service. The commissioner shall use the money only for payments to applicants for work performed and purchases made in carrying out approved projects.

Sec. 222.007. AGREEMENTS FOR USE OF FACILITIES AND SERVICES OF OTHER ENTITIES. To the extent the commissioner considers desirable to carry out the purposes of this subchapter, the commissioner may enter into an agreement for the use of a facility or service of another public or private department, agency, or institution.

Sec. 222.008. EXPERTS AND CONSULTANTS. The commissioner may contract for services of experts or consultants, or organizations of experts or consultants, on a part-time or fee-for-service basis. The contracts may not involve the performance of administrative duties.

Sec. 222.009. COMMISSIONER'S REPORT. (a) The commissioner annually shall report to the board on activities and expenditures under this subchapter.

(b) The commissioner shall include in the report recommendations for additional legislation that the commissioner considers appropriate to furnish adequate hospital, clinic, and similar facilities to the public.

SUBCHAPTER B. LIMITATION ON INSPECTION AND OTHER REGULATION OF HEALTH CARE FACILITIES

Sec. 222.021. PURPOSE. The purpose of this subchapter is to require that state agencies that perform inspections of health care facilities, including the Texas Department of Health, the Texas Department of Human Services, the Texas Department of Mental Health and Mental Retardation, and other agencies with which each of those agencies contracts, do not duplicate their procedures or subject health care facilities to duplicative rules.

Sec. 222.022. DEFINITIONS. In this subchapter:
(1) "Health care facility" has the meaning assigned by Section 104.002, except that the term does not include a treatment facility licensed by the Texas Commission on Alcohol and Drug Abuse.
(2) "Inspection" includes a survey, inspection, investigation, or other procedure necessary for a state agency to carry out an obligation imposed by federal and state laws, rules, and regulations.

Sec. 222.023. LIMITATION ON INSPECTIONS. (a) A state agency may make or require only those inspections necessary to carry out obligations imposed on the agency by federal and state laws, rules, and regulations.

(b) Instead of making an on-site inspection, a state agency shall accept an on-site inspection by another state agency charged with making an inspection if the inspection substantially complies with the accepting agency's inspection requirements.

(c) A state agency shall coordinate its inspections within the agency and with inspections required of other agencies to ensure compliance with this section.

Sec. 222.024. CERTIFICATION OR ACCREDITATION INSTEAD OF
INSPECTION. (a) Except as provided by Subsection (c), a hospital licensed by the Texas Department of Health is not subject to additional annual licensing inspections before the department issues the hospital a license while the hospital maintains:

(1) certification under Title XVIII of the Social Security Act (42 U.S.C. Section 1395 et seq.); or

(2) accreditation from the Joint Commission on Accreditation of Healthcare Organizations, the American Osteopathic Association, or other national accreditation organization for the offered services.

(b) If the department licenses a hospital exempt from an annual licensing inspection under Subsection (a), the department shall issue a renewal license to the hospital if the hospital annually:

(1) submits a complete application required by the department;

(2) remits any applicable fees;

(3) submits a copy of documentation from the certification or accreditation body showing that the hospital is certified or accredited; and

(4) submits a copy of the most recent fire safety inspection report from the fire marshal in whose jurisdiction the hospital is located.

(c) The department may conduct an inspection of a hospital exempt from an annual licensing inspection under Subsection (a) before issuing a renewal license to the hospital if the certification or accreditation body has not conducted an on-site inspection of the hospital in the preceding three years and the department determines that an inspection of the hospital by the certification or accreditation body is not scheduled within 60 days.

Sec. 222.025. LIMITATION OF OTHER REGULATION. (a) The Texas Department of Human Services, the Texas Department of Health, and the Texas Department of Mental Health and Mental Retardation each by rule shall execute a memorandum of understanding that establishes procedures to eliminate or reduce duplication of functions in
certifying or licensing hospitals, nursing homes, or other facilities under their jurisdiction for payments under the requirements of Chapter 32, Human Resources Code, and federal law and regulations relating to Titles XVIII and XIX of the Social Security Act (42 U.S.C. Sections 1395 et seq. and 1396 et seq.). The procedures must provide for use by each agency of information collected by the agencies in making inspections for certification purposes and in investigating complaints regarding matters that would affect the certification of a nursing home or other facility under their jurisdiction.

(b) The Texas Department of Health shall coordinate all licensing or certification procedures conducted by the state agencies covered by this section.

Sec. 222.0255. NURSING HOMES. (a) The Texas Department of Human Services shall develop one set of standards for nursing homes that apply to licensing and to certification for participation in the medical assistance program under Chapter 32, Human Resources Code.

(b) The standards must comply with federal regulations. If the federal regulations at the time of adoption are less stringent than the state standards, the department shall keep and comply with the state standards.

(c) The department by rule shall adopt the standards and any amendments to the standards.

(d) The department shall maintain a set of standards for nursing homes that are licensed only.

(e) Chapter 242 establishes the minimum licensing standards for an institution. The licensing standards adopted by the department under this chapter shall be adopted subject to Section 242.037(b) and must comply with Section 242.037(c) and the other provisions of Chapter 242.

Sec. 222.026. COMPLAINT INVESTIGATIONS AND ENFORCEMENT
AUTHORITY. (a) Sections 222.024, 222.025, and 222.0255 do not affect the authority of the Texas Department of Health to implement and enforce the provisions of Chapter 241 (Texas Hospital Licensing Law) to:

(1) reinspect a hospital if a hospital applies for the reissuance of its license after a final ruling upholding the suspension or revocation of a hospital's license, the assessment of administrative or civil penalties, or the issuance of an injunction against the hospital for violations of provisions of the licensing law, rules adopted under the licensing law, special license conditions, or orders of the commissioner of health; or

(2) investigate a complaint against a hospital and, if appropriate, enforce the provisions of the licensing law on a finding by the department that reasonable cause exists to believe that the hospital has violated provisions of the licensing law, rules adopted under the licensing law, special license conditions, or orders of the commissioner of health; provided, however, that the department shall coordinate with the federal Health Care Financing Administration and its agents responsible for the inspection of hospitals to determine compliance with the conditions of participation under Title XVIII of the Social Security Act (42 U.S.C. Section 1395 et seq.), so as to avoid duplicate investigations.

(b) The department shall by rule establish a procedure for the acceptance and timely review of complaints received from hospitals concerning the objectivity, training, and qualifications of the persons conducting the inspection.

Sec. 222.027. PHYSICIAN ON SURVEY TEAM. The Texas Department of Health shall ensure that a licensed physician involved in direct patient care as defined by the Texas State Board of Medical Examiners is included on a survey team sent under Title XVIII of the Social Security Act (42 U.S.C. Section 1395 et seq.) when surveying the quality of services provided by physicians in hospitals.

SUBCHAPTER C. SURVEYS OF INTERMEDIATE CARE FACILITIES FOR MENTALLY RETARDED

Sec. 222.041. DEFINITIONS. In this subchapter:

(1) "Board" means the Texas Board of Human Services.
(2) "Commissioner" means the commissioner of human services.
(3) "Department" means the Texas Department of Human Services.
(4) "ICF-MR" means the medical assistance program serving persons receiving care in intermediate care facilities for mentally retarded persons.

Sec. 222.042. LICENSING OF ICF-MR BEDS AND FACILITIES. The department may not license or approve as meeting licensing standards new ICF-MR beds or the expansion of an existing ICF-MR facility unless the new beds or the expansion was included in the plan approved by the Health and Human Services Commission in accordance with Section 533.062.

Sec. 222.043. REVIEW OF ICF-MR SURVEYS. (a) The board by rule shall establish policies and procedures as prescribed by this section to conduct an informal review of ICF-MR surveys when the survey findings are disputed by the provider. The board shall provide that the procedure may be used only if the deficiencies cited in the survey report do not pose an imminent threat of danger to the health or safety of a resident.

(b) The department shall designate at least one employee to conduct on a full-time basis the review provided by this section. The person must be impartial and may not be directly involved in or supervise any initial or recertification surveys. The person may participate in or direct follow-up surveys for quality assurance.
purposes only at the discretion of the commissioner or the commissioner's designated representative or under Chapter 242.

(c) The employee designated under Subsection (b) should have current knowledge of applicable federal laws and survey processes. The employee reports directly to the commissioner or the commissioner's designated representative.

(d) If a provider disputes the findings of a survey team or files a complaint relating to the conduct of the survey, the employee designated under Subsection (b) shall conduct an informal review as soon as possible, but before the 45th day after the date of receiving the request for a review or the expiration of the period during which the provider is required to correct the alleged deficiency, whichever is sooner.

(e) The employee conducting the review shall sustain, alter, or reverse the original findings of the survey team after consulting with the commissioner or the commissioner's designated representative.

Sec. 222.044. FOLLOW-UP SURVEYS. (a) The department shall conduct follow-up surveys of ICF-MR facilities to:

(1) evaluate and monitor the findings of the certification or licensing survey teams; and

(2) ensure consistency in deficiencies cited and in punitive actions recommended throughout the state.

(b) A provider shall correct any additional deficiency cited by the department. The department may not impose an additional punitive action for the deficiency unless the provider fails to correct the deficiency within the period during which the provider is required to correct the deficiency.

Sec. 222.046. SURVEYS OF ICF-MR FACILITIES. (a) The
department shall ensure that each survey team sent to survey an ICF-MR facility includes a qualified mental retardation professional, as that term is defined by federal law.

(b) The department shall require that each survey team sent to survey an ICF-MR facility conduct a final interview with the provider to ensure that the survey team informs the provider of the survey findings and that the survey team has requested the necessary information from the provider. The survey team shall allow the provider to record the interview. The provider shall immediately give the survey team a copy of any recording.

CHAPTER 223. HOSPITAL PROJECT FINANCING ACT
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 223.001. SHORT TITLE. This chapter may be cited as the Hospital Project Financing Act.

Sec. 223.002. DEFINITIONS. In this chapter:

(1) "Authority" means a public health authority, including a hospital authority created under Chapter 262 or 264.

(2) "Bond" includes a note.

(3) "Issuer" means an authority, municipality, county, or hospital district.

(4) "Hospital project" means existing or future real, personal, or mixed property, or an interest in that property, other than a nursing home licensed or required to be licensed under the authority of this state, the financing, refinancing, acquiring, providing, constructing, enlarging, remodeling, renovating, improving, furnishing, or equipping of which is found by the governing body of an issuer to be necessary for medical care, research, training, or teaching in this state. A hospital project may include one or more of the following properties if found by the governing body of an issuer to be necessary or convenient for the project:

(A) land, a building, equipment, machinery, furniture, a facility, or an improvement;
(B) a structure suitable for use as:
   (i) a hospital, clinic, health facility, extended care facility, outpatient facility, rehabilitation or recreation facility, pharmacy, medical laboratory, dental laboratory, physicians' office building, or laundry or administrative facility or building related to a health facility or system;
   (ii) a multiunit housing facility for medical staff, nurses, interns, other employees of a health facility or system, patients of a health facility, or relatives of patients admitted for treatment or care in a health facility;
   (iii) a support facility related to a hospital project such as an office building, parking lot or building, or maintenance, safety, or utility facility, and related equipment; or
   (iv) a medical or dental research facility, medical or dental training facility, or another facility used in the education or training of health care personnel;
(C) property or material used in the landscaping, equipping, or furnishing of a hospital project and other similar items necessary or convenient for the operation of a hospital project; and
(D) any other structure, facility, or equipment related or essential to the operation of a health facility or system.

(5) "Nonprofit organization" means:
   (A) a nonprofit corporation established under the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes); or
   (B) an association, foundation, trust, cooperative, or similar person no part of the net earnings of which is distributable to any private shareholder or individual and that incurs a contractual obligation with an issuer with respect to a hospital project under this chapter.

Sec. 223.003. HOSPITAL PROJECT COSTS. (a) Hospital project costs include costs related to:
   (1) the acquisition of land, a right-of-way, an option to purchase land, an easement, or another interest in land related to a hospital project;
(2) the acquisition, construction, repair, renovation, remodeling, or improvement of a structure to be used as or with a hospital project;

(3) site preparation, including demolishing or removing a structure the removal of which is necessary or incident to providing a hospital project;

(4) expenses necessary or incident to planning, providing, or determining the feasibility and practicability of a hospital project, including architectural, engineering, legal, and related services, plans and specifications, studios, surveys, and cost and revenue estimates;

(5) machinery, equipment, furniture, and facilities necessary or incident to the equipping of a hospital project for operation;

(6) financing charges and interest accruing before and during construction, and after completion of construction for not more than two years;

(7) the start-up of a hospital project during construction and after completion of construction for not more than two years;

(8) hospital project financing, including:
   (A) legal, accounting, and appraisal fees, expenses, and disbursements;
   (B) printing, engraving, and reproduction services; and
   (C) an initial or acceptance fee of a trustee or paying agent;

(9) the provision of the hospital project by the issuer, including:
   (A) costs incurred directly or indirectly by the issuer;
   (B) reimbursement of reasonable sums to the issuer for time spent by its employees in providing the hospital project and its financing; and
   (C) the appraisal obtained under Section 223.011(d)(2);

and

(10) the authorization, preparation, sale, issuance, and delivery of bonds under this chapter, including:
   (A) related fees, charges, and expenses;
   (B) expenses and costs described by Section 223.029(b); and
(C) expenses incurred in carrying out a trust agreement relating to hospital project bonds.

(b) The listing of items of cost in Subsection (a) is not inclusive of all hospital costs.

**SUBCHAPTER B. FINANCING HOSPITAL PROJECTS**

Sec. 223.011. PROVIDING HOSPITAL PROJECTS. (a) An issuer acting for itself or through a nonprofit organization may provide one or more hospital projects by acquisition, construction, or improvement. An acquisition may occur by purchase, devise, gift, lease, or a combination of those methods.

(b) A hospital project must be located in this state and within or partially within the issuer's boundaries, except that a hospital project of a municipality may be located:

1. outside the municipality's limits if it is within the municipality's extraterritorial jurisdiction; or
2. in another municipality if the governing body of the other municipality consents to the former municipality's provision of the project.

(c) An issuer may only acquire a hospital project from a nonprofit organization that has been in existence and has operated the hospital project for at least three years before the date of acquisition by the issuer.

(d) An issuer must affirmatively find that the cost of an acquired hospital project is not more than:

1. the actual audited cost of the hospital project to the date of acquisition; or
2. the fair market value of the hospital project at the date of acquisition as determined by an appraisal obtained by the issuer.

Sec. 223.012. TITLE TO PROJECTS. (a) An issuer may vest title to a hospital project provided under this chapter in a nonprofit organization.

(b) If the issuer vests the title in a nonprofit organization,
it may retain a mortgage interest in the hospital project. The mortgage interest expires when all bonds of the issuer sold to provide the hospital project are paid or provision has been made for their final payment.

Sec. 223.013. CONTRACTS RELATING TO HOSPITAL PROJECT. (a) An issuer may execute a contract, including a lease, with a nonprofit organization with respect to a hospital project. A contract may authorize the nonprofit organization to use, operate, or acquire the hospital project on the terms, including payment provisions, the issuer's governing body determines to be advisable.

(b) A contract may include the sale of a hospital project to a nonprofit organization, including a nonprofit organization using the hospital project. The terms of the sale may include installment payments. The sale must be fully consummated when all bonds of the issuer issued to provide the hospital project are paid or provision is made for their final payment if, during the time the bonds or interest on the bonds remains unpaid, there is no failure to make any payments owing under any lease or contract at the time and in the manner as the payments come due.

(c) A contract under this chapter may be for the term agreed to by the parties and may provide that the contract continues until the bonds specified in the contract, or refunding or substitution bonds issued in place of those bonds, are fully paid or provision is made for their final payment.

Sec. 223.014. AUTHORITY OF ISSUER. An issuer has full and complete authority relating to its bonds, a lease agreement in which the issuer is a lessor, or a sale or other contract, subject only to this chapter.

Sec. 223.015. OBLIGATIONS LIMITED. (a) The issuer may not
incur a financial obligation under this chapter that cannot be paid from the proceeds of hospital project bonds, revenues derived from operating a hospital project, or other revenues that may be provided by a nonprofit organization in accordance with this chapter.

(b) The legislature or an issuer may not make an appropriation to pay any part of a cost of a hospital project or any operating cost of a hospital project.

Sec. 223.016. EMINENT DOMAIN. (a) Under this chapter, an issuer may not acquire by eminent domain a hospital project, or any part of a hospital project, to be sold or leased under this chapter.

(b) Land previously acquired by eminent domain by an issuer may be sold or leased under this chapter if the governing body of the issuer determines that:

1. the use of the land will not interfere with the purpose for which the land was originally acquired or that the land is no longer needed for that purpose;
2. at least seven years have elapsed since the date the land was acquired by eminent domain; and
3. the land was not acquired for park purposes or, if the land was acquired for park purposes, the sale or lease of parkland has been approved at an election held under Section 1502.055, Government Code.

SUBCHAPTER C. HOSPITAL PROJECT BONDS

Sec. 223.021. ISSUANCE OF HOSPITAL PROJECT BONDS. (a) An issuer may provide for the issuance of negotiable revenue bonds or other evidences of indebtedness for paying hospital project costs. The bonds may be issued subject only to the requirements of this chapter.

(b) As the governing body of the issuer determines to be in the best interest of the issuer, one or more series of bonds may be issued for each hospital project, or more than one hospital project may be combined in one or more series of bonds, but each hospital
project may be considered separately with respect to Subsections (c), (d), and (e), and Sections 223.022-223.024.

(c) Before issuing bonds, the governing body of an issuer must adopt a resolution:

1. declaring its intention to issue bonds; and
2. stating the maximum amount of bonds proposed to be issued, the purpose for which the bonds are to be issued, and the tentative date, time, and place at which the governing body proposes to authorize the issuance of the bonds.

(d) Unless the governing body of the issuer orders an election on the issuance of the bonds, a substantial copy of the resolution shall be published three times in a newspaper of general circulation in the territorial limits of the issuer. The first publication must be made not earlier than the 45th day before the tentative date stated in the resolution. The third publication must be made not later than the 11th day before the tentative date.

(e) Before authorizing the issuance of any bonds or ordering an election on any matters authorized by this chapter, the issuer must deposit with the chief administrative officer of the issuer a complete description of any proposed hospital project, including a detailed listing and explanation of projected costs, the reasons for the hospital project, and the name of each owner of the nonprofit organization for whom the hospital project is to be constructed. The required description is public information.

Sec. 223.022. ELECTION ON BONDS. (a) The governing body of an issuer shall order and hold an election on the question of the issuance of hospital project bonds if at least five percent or 20,000 of the voters qualified to vote in an election held by the issuer, whichever is less, file a written protest against the issuance of the bonds before the close of business on the business day before the tentative date in the resolution for the authorization of the bonds.

(b) The issuer's governing body may order an election on its own motion without the filing of a protest.

(c) In addition to the contents required by the Election Code, the election order must specify the location of and the presiding judge and alternate judge for each polling place.
(d) Notice of a bond election shall be published three times in a newspaper of general circulation in the territorial limits of the issuer. The first notice must be published not earlier than the 45th day before the date set for the election, and the third notice must be published not later than the 11th day before the date set for the election.

(e) The election shall be conducted in accordance with the general laws pertaining to bond elections in municipalities, except as modified by this chapter.

(f) The ballot shall provide for voting for or against the proposition: "The issuance of revenue bonds or notes or other evidences of indebtedness for the hospital project or hospital projects."

(g) The governing body shall declare whether a majority of the voters voting in the election approve the proposition.

Sec. 223.023. ELECTION RESULTS. (a) If the proposition is approved by a majority of the voters voting in the election, the issuer may authorize the bonds.

(b) If the proposition is not approved, an election on the issuing of revenue bonds for the hospital project that was the subject of the election may not be ordered within six months after that election, and bonds may not be issued for the hospital project until a majority of the voters voting in an election held for that purpose approve the issuance of the bonds.

Sec. 223.024. PROTEST NOT FILED. If a protest requiring an election is not filed under Section 223.022(a) and an election is not called under Section 223.022(b), the issuer may issue the bonds under the resolution without an election for two years after the tentative date specified in the resolution.

Sec. 223.025. LIMITATIONS ON BONDS. (a) Bonds issued in accordance with this chapter are not general obligations or a pledge of the faith and credit of this state, the issuer, or another political subdivision of this state. The bonds are payable solely from revenues of the hospital project for which they are issued or from other revenues provided by a nonprofit organization. Money of this state or a political subdivision of this state from any source, including tax revenue, but excluding revenue of the hospital project being financed with the bonds, may not be used to pay the principal of, any redemption premium for, or interest on revenue bonds or refunding bonds issued under this chapter.

(b) Each revenue bond must state on its face that:

(1) this state, the issuer, or any political subdivision of this state is not obligated to pay the principal of, any redemption premium for, or interest on the bonds except from the revenues pledged for that purpose; and

(2) the faith, credit, or the taxing power of this state, the issuer, or any political subdivision of this state is not pledged to the payment of the principal of, any redemption premium for, or interest on the bonds.

Sec. 223.026. FORM AND TERM OF BONDS. (a) The issuer shall determine the form of the bonds, the date of the bond issue, the price and interest rate of the bonds, and the maturity for the bonds, which may not be more than 40 years after its date.

(b) The issuer may:

(1) make the bonds redeemable before maturity and determine the prices and conditions for early redemption;

(2) determine:

(A) the interest coupons to be attached to the bonds;

(B) the denominations of the bonds; and

(C) the places of payment of the bonds' principal, any redemption premium, and interest;

(3) issue the bonds in coupon or in registered form, or both;

(4) make the bonds payable to a specific person;

(5) provide for the registration of coupon bonds as to
principal or as to principal and interest; and

(6) provide for the conversion of coupon bonds into registered bonds without coupons and for the reconversion into coupon bonds of any registered bonds without coupons.

(c) If the duty of conversion or reconversion of a bond is imposed on a trustee in a trust agreement, the substituted bonds need not be reapproved by the attorney general, and the bonds remain incontestable.

(d) The issuer may provide for execution of the bonds and any coupons using a facsimile signature under Chapter 618, Government Code. If the signature or a facsimile signature of a person who has been an officer appears on a bond or coupon, the signature or facsimile signature is valid and sufficient for all purposes, regardless of whether the person is an officer when the bonds are delivered.

Sec. 223.027. DEDICATED REPAYMENT REVENUE. The principal of, any redemption premium for, and interest on hospital project bonds are payable from and secured, as specified by the resolution of the governing body or in any trust agreement or other instrument securing the bonds, by a pledge of all or part of the revenues of the issuer to be derived from:

(1) the ownership, operation, lease, use, mortgage, or sale of the hospital project for which the bonds have been issued; or

(2) other revenues provided by a nonprofit organization.

Sec. 223.028. SECURITY FOR BONDS. (a) Bonds issued under this chapter may be secured by a trust agreement between the issuer and a trust company or bank having the powers of a trust company in this state.

(b) A trust agreement may pledge or assign lease income, contract payments, fees, or other charges to be received from a nonprofit organization. The governing body of the issuer may secure the bonds additionally by a mortgage, a deed of trust lien, or other
security interest on a designated hospital project vesting in the trustee the power to sell the hospital project for the payment of the indebtedness, the power to operate the hospital project, and any other power for the further security of the bonds.

(c) The trust agreement may:

(1) evidence a pledge of all or any part of the revenue of the issuer from the ownership, operation, lease, use, mortgage, or sale of a hospital project for the payment of principal of, any redemption premium for, and interest on the bonds when due and payable;

(2) provide for the creation and maintenance of reserves;

(3) set forth the rights and remedies of the bondholders and of the trustee;

(4) restrict the individual right of action by bondholders as is customary in trust agreements securing bonds and debentures of corporations;

(5) contain provisions the issuer considers reasonable and proper for the security of the bondholders; and

(6) provide for the issuance of bonds to replace lost, stolen, or mutilated bonds.

(d) A trust agreement or resolution providing for the issuance of bonds may provide for protecting and enforcing the rights and remedies of the bondholders as reasonable and proper, including covenants setting forth the duties of the issuer and the nonprofit organization in relation to:

(1) the acquisition of property and the construction, improvement, maintenance, repair, operation, and insurance of the hospital project in connection with which the bonds are issued; and

(2) the custody, safeguarding, and application of all money.

Sec. 223.029. USE OF PROCEEDS. (a) The proceeds of the bonds may be:

(1) used only for the payment of hospital project costs for which the bonds are issued; and

(2) disbursed in the manner and subject to the restrictions provided in the resolution authorizing the issuance or in the trust
agreement securing the bonds.

(b) The issuer shall be paid, from the proceeds of its bonds, money in the amount equal to:

(1) the issuer's actual expenditures for financing, legal, printing, and other expenses incurred in issuing, selling, and delivering the bonds; and

(2) the compensation paid to the issuer's employees for the time the employees spent on activities related to the issuance, sale, and delivery of the bonds.

(c) If the amount of proceeds exceeds the cost of the hospital project for which the bonds are issued, the excess shall be deposited to the credit of the sinking fund for the bonds.

(d) The governing body of the issuer may provide for a bond reserve fund in the resolution authorizing the bonds or an instrument securing the bonds and may set aside amounts from the proceeds for payments into the reserve fund.

(e) Proceeds from the sale of bonds may be invested in:

(1) direct, indirect, or guaranteed obligations of the United States that mature in a manner specified by the resolution authorizing the bonds or another instrument securing the bonds; or

(2) certificates of deposit of a bank or trust company if the deposits are secured by obligations described by Subdivision (1).

(f) The issuer's governing body may designate a trust company or a bank with trust powers to act as depository for proceeds of bonds or revenues from a lease or other contract. The bank or trust company shall furnish indemnifying bonds or pledge securities as required by the issuer to secure the deposits.

Sec. 223.030. TEMPORARY OBLIGATIONS. (a) Before the issuance of definitive bonds, the issuer may issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when those bonds are executed and are available for delivery.

(b) The term of an interim receipt or temporary bond may not be more than two years.

(c) The issuer shall submit the interim receipts or temporary bonds to the attorney general in accordance with Section 223.031.

Sec. 223.031. EXAMINATION OF BONDS. (a) After issuance of the bonds is authorized and before delivery of the bonds to their purchasers, the bonds and the proceedings authorizing their issuance and securing the bonds shall be presented to the attorney general for examination.

(b) If the bonds state that they are secured by a pledge of all or part of the revenues of the issuer to be derived from a lease or other contract, the contract shall also be submitted to the attorney general.

(c) If the attorney general finds that the bonds have been authorized in accordance with state law and any contract securing the bonds has been made in accordance with state law, the attorney general shall approve the bonds and contract.

(d) The comptroller shall register the bonds when they are approved. After approval and registration, the bonds and contract submitted with the bonds are valid and binding obligations according to their terms and are incontestable.

Sec. 223.032. REFUNDING BONDS. (a) An issuer by resolution may authorize the issuance of revenue bonds to refund:

(1) outstanding bonds or other evidences of indebtedness that have been issued to provide a hospital project; or

(2) outstanding obligations, mortgages, or advances issued, made, or given by a nonprofit organization for the cost of a hospital project.

(b) The amounts refunded may include the principal of and any redemption premium for the bonds or other evidences of indebtedness, and any interest accruing to the date of redemption.

(c) The bonds or other evidences of indebtedness to be refunded need not have been issued under this chapter and need not have been originally issued by the issuer of the refunding bonds.

(d) This subchapter governs the issuance of refunding bonds, the maturities and other details of the bonds, the rights of the bondholders, and rights, duties, and obligations of the refunding bond issuer.
(e) The issuer may issue the refunding bonds in exchange or substitution for outstanding bonds or other evidences of indebtedness or may sell the refunding bonds and use the proceeds for paying or redeeming outstanding bonds or other evidences of indebtedness.

Sec. 223.033. ENFORCEMENT OF AGREEMENTS. (a) An agreement made under this chapter may provide, in the event of default in the payment of the principal of, interest on, or any redemption premium for bonds subject to the agreement or in the performance of an agreement contained in the proceedings, mortgage, or instruments relating to the bonds, for enforcement of the payment or performance by:

(1) mandamus; or

(2) the appointment of a receiver in equity with power to charge and collect rates, rents, or contract payments and to apply the revenues from the hospital project in accordance with the resolution, mortgage, or instruments.

(b) A mortgage to secure hospital project bonds may provide for foreclosure and the sale of the property secured by the mortgage on default in the mortgage payment or the violation of an agreement contained in the mortgage. The foreclosure and sale may occur under proceedings in equity or in any other manner permitted by law. The mortgage may provide that a trustee under the mortgage or the holder of any of the bonds secured by the mortgage may be the purchaser at a foreclosure sale if the trustee or bondholder is the highest bidder.

Sec. 223.034. MEMBERSHIP OF GOVERNING BODY NOT SUBJECT TO CHANGE. The resolution authorizing the issuance of hospital project bonds, the trust agreement securing the bonds, or any other agreement relating to the bonds may not prescribe the method of selecting or the term of office of any member of the issuer's governing body.

Sec. 223.035.  BONDS TAX EXEMPT.  The bonds issued under this chapter, their transfer, and interest from the bonds, including profit made from their sale, are exempt from taxation by this state and a municipality or other political subdivision of the state.

Sec. 223.036.  BONDS AS SECURITIES.  (a)  Bonds issued under this chapter and any interest coupons are investment securities under Chapter 8, Business & Commerce Code, and are exempt securities under The Securities Act (Article 581-1 et seq., Vernon's Texas Civil Statutes).

(b)  A lease agreement, sales agreement, or other contract under this chapter is not a security under The Securities Act.

Sec. 223.037.  BONDS AS INVESTMENTS.  (a)  Unless the bonds issued under this chapter are ineligible for investments in accordance with the criteria established in other statutes, rulings, or regulations of this state or the United States, the bonds are legal and authorized investments for:

1. a bank;
2. a savings bank;
3. a trust company;
4. a savings and loan association;
5. an insurance company;
6. a fiduciary;
7. a trustee or guardian; and
8. a sinking fund of a municipality, county, school district, or other political corporation or subdivision of this state.

(b)  The bonds may secure the deposits of public funds of this state or a municipality, county, school district, or other political corporation or subdivision of this state.  The bonds are lawful and sufficient security for those deposits at their face value if accompanied by all appurtenant unmatured coupons.

Sec. 223.038. COST OF CERTAIN REQUIRED ALTERATIONS. The relocation, raising, lowering, rerouting, changing of grade, or altering of construction of a highway, railroad, electric transmission line, telegraph or telephone property or facility, or pipeline made necessary by the actions of an issuer shall be accomplished at the sole expense of the issuer or nonprofit organization, which shall pay the cost of the required activity as necessary to provide comparable replacement, minus the net salvage value of any replaced facility. The issuer shall pay that amount from the proceeds of the bonds.

CHAPTER 224. POLICY ON VACCINE PREVENTABLE DISEASES

Sec. 224.001. DEFINITIONS. In this chapter:
(1) "Covered individual" means:
   (A) an employee of the health care facility;
   (B) an individual providing direct patient care under a contract with a health care facility; or
   (C) an individual to whom a health care facility has granted privileges to provide direct patient care.
(2) "Health care facility" means:
   (A) a facility licensed under Subtitle B, including a hospital as defined by Section 241.003; or
   (B) a hospital maintained or operated by this state.
(3) "Regulatory authority" means a state agency that regulates a health care facility under this code.
(4) "Vaccine preventable diseases" means the diseases included in the most current recommendations of the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 8.02, eff. September 28, 2011.

Sec. 224.002. VACCINE PREVENTABLE DISEASES POLICY REQUIRED.
(a) Each health care facility shall develop and implement a policy
to protect its patients from vaccine preventable diseases.

(b) The policy must:

(1) require covered individuals to receive vaccines for the vaccine preventable diseases specified by the facility based on the level of risk the individual presents to patients by the individual's routine and direct exposure to patients;

(2) specify the vaccines a covered individual is required to receive based on the level of risk the individual presents to patients by the individual's routine and direct exposure to patients;

(3) include procedures for verifying whether a covered individual has complied with the policy;

(4) include procedures for a covered individual to be exempt from the required vaccines for the medical conditions identified as contraindications or precautions by the Centers for Disease Control and Prevention;

(5) for a covered individual who is exempt from the required vaccines, include procedures the individual must follow to protect facility patients from exposure to disease, such as the use of protective medical equipment, such as gloves and masks, based on the level of risk the individual presents to patients by the individual's routine and direct exposure to patients;

(6) prohibit discrimination or retaliatory action against a covered individual who is exempt from the required vaccines for the medical conditions identified as contraindications or precautions by the Centers for Disease Control and Prevention, except that required use of protective medical equipment, such as gloves and masks, may not be considered retaliatory action for purposes of this subdivision;

(7) require the health care facility to maintain a written or electronic record of each covered individual's compliance with or exemption from the policy; and

(8) include disciplinary actions the health care facility is authorized to take against a covered individual who fails to comply with the policy.

(c) The policy may include procedures for a covered individual to be exempt from the required vaccines based on reasons of conscience, including a religious belief.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 8.02, eff. September 28, 2011.
Sec. 224.003. DISASTER EXEMPTION. (a) In this section, "public health disaster" has the meaning assigned by Section 81.003.

(b) During a public health disaster, a health care facility may prohibit a covered individual who is exempt from the vaccines required in the policy developed by the facility under Section 224.002 from having contact with facility patients.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 8.02, eff. September 28, 2011.

Sec. 224.004. DISCIPLINARY ACTION. A health care facility that violates this chapter is subject to an administrative or civil penalty in the same manner, and subject to the same procedures, as if the facility had violated a provision of this code that specifically governs the facility.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 8.02, eff. September 28, 2011.

Sec. 224.005. RULES. The appropriate rulemaking authority for each regulatory authority shall adopt rules necessary to implement this chapter.

Added by Acts 2011, 82nd Leg., 1st C.S., Ch. 7 (S.B. 7), Sec. 8.02, eff. September 28, 2011.

CHAPTER 225. HEALTH PLANNING AND CAPITAL EXPENDITURE REVIEW

Sec. 225.001. DEFINITIONS. In this chapter:

(1) "Capital expenditure" means an expenditure that is not an operation or a maintenance expense under generally accepted accounting principles.

(2) "Health care facility" means a public or private hospital, skilled nursing facility, intermediate care facility, ambulatory surgical facility, family planning clinic that performs ambulatory surgical procedures, rural or urban health initiative clinic, kidney disease treatment facility, inpatient rehabilitation
facility, and any other facility designated a health care facility by federal law. The term does not include the office of physicians or practitioners of the healing arts practicing individually or in groups.

Sec. 225.002. FEDERAL LAW. A reference in this chapter to federal law is a reference to any pertinent federal authority, including:

(1) the National Health Planning and Resources Development Act of 1974 (Pub. L. No. 93-641), as amended by the Health Planning and Resources Development Amendments of 1979 (Pub. L. No. 96-79);

(2) Pub. L. Nos. 79-725, 88-164, 89-749, and 92-603; and

(3) the federal rules and regulations adopted under a law specified by Subdivision (1) or (2).

Sec. 225.003. GOVERNOR'S DUTIES RELATING TO HEALTH PLANNING. (a) The governor, as chief executive and planning officer of this state, may perform the duties and functions assigned to the governor by federal law.

(b) The governor may transfer personnel, equipment, records, obligations, appropriations, functions, and duties of the governor's office to another agency.

Sec. 225.004. CAPITAL EXPENDITURE REVIEW PROGRAM. (a) The governor by executive order may establish a program to comply with federal law to review capital expenditures made by or on behalf of a health care facility if the governor finds that the program is necessary to prevent the loss of federal funds.

(b) The governor may authorize the program to negotiate an agreement on behalf of the state with the Secretary of Health and Human Services to administer a state capital expenditure review program under Section 1122 of the Social Security Act (42 U.S.C.
Section 1320a-1), the federal rules and regulations adopted under that Act, or other pertinent federal authority.

(c) If necessary, the governor may use any available funds to implement the program.

Sec. 225.005. EXECUTIVE ORDER. (a) An order issued under Section 225.004(a) must contain the governor's findings, including a brief description of the reason for the findings.

(b) An unrescinded order issued under Section 225.004(a) that has not expired on its own terms expires on September 1 after the next regular legislative session that begins after the date on which the order is issued.

SUBTITLE B. LICENSING OF HEALTH FACILITIES
CHAPTER 241. HOSPITALS
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 241.001. SHORT TITLE. This chapter may be cited as the Texas Hospital Licensing Law.

Sec. 241.002. PURPOSE. The purpose of this chapter is to protect and promote the public health and welfare by providing for the development, establishment, and enforcement of certain standards in the construction, maintenance, and operation of hospitals.

Sec. 241.003. DEFINITIONS. In this chapter:

(1) "Advanced practice nurse" means a registered nurse recognized as an advanced practice nurse by the Texas Board of Nursing.

(2) "Board" means the Texas Board of Health.
(3) "Comprehensive medical rehabilitation hospital" means a general hospital that specializes in providing comprehensive medical rehabilitation services, including surgery and related ancillary services.

(4) "Department" means the Texas Department of Health.

(5) "General hospital" means an establishment that:

(A) offers services, facilities, and beds for use for more than 24 hours for two or more unrelated individuals requiring diagnosis, treatment, or care for illness, injury, deformity, abnormality, or pregnancy; and

(B) regularly maintains, at a minimum, clinical laboratory services, diagnostic X-ray services, treatment facilities including surgery or obstetrical care or both, and other definitive medical or surgical treatment of similar extent.

(6) "Governmental unit" means a political subdivision of the state, including a hospital district, county, or municipality, and any department, division, board, or other agency of a political subdivision.

(7) "Hospital" includes a general hospital and a special hospital.

(8) "Medical staff" means a physician or group of physicians and a podiatrist or a group of podiatrists who by action of the governing body of a hospital are privileged to work in and use the facilities of a hospital for or in connection with the observation, care, diagnosis, or treatment of an individual who is, or may be, suffering from a mental or physical disease or disorder or a physical deformity or injury.

(9) "Pediatric and adolescent hospital" means a general hospital that specializes in providing services to children and adolescents, including surgery and related ancillary services.

(10) "Person" means an individual, firm, partnership, corporation, association, or joint stock company, and includes a receiver, trustee, assignee, or other similar representative of those entities.

(11) "Physician" means a physician licensed by the Texas State Board of Medical Examiners.

(12) "Physician assistant" means a physician assistant licensed by the Texas State Board of Physician Assistant Examiners.

(13) "Podiatrist" means a podiatrist licensed by the Texas State Board of Podiatric Medical Examiners.
(14) Repealed by Acts 2005, 79th Leg., Ch. 1286, Sec. 2, eff. September 1, 2005.

(15) "Special hospital" means an establishment that:

(A) offers services, facilities, and beds for use for more than 24 hours for two or more unrelated individuals who are regularly admitted, treated, and discharged and who require services more intensive than room, board, personal services, and general nursing care;

(B) has clinical laboratory facilities, diagnostic X-ray facilities, treatment facilities, or other definitive medical treatment;

(C) has a medical staff in regular attendance; and

(D) maintains records of the clinical work performed for each patient.

Amended by:

Acts 2005, 79th Leg., Ch. 1286 (H.B. 2471), Sec. 2, eff. September 1, 2005.

Acts 2007, 80th Leg., R.S., Ch. 889 (H.B. 2426), Sec. 67, eff. September 1, 2007.

Sec. 241.004. EXEMPTIONS. This chapter does not apply to a facility:

(1) licensed under Chapter 242 or 577;

(2) maintained or operated by the federal government or an agency of the federal government; or

(3) maintained or operated by this state or an agency of this state.

Sec. 241.005. EMPLOYMENT OF PERSONNEL. The department may employ stenographers, inspectors, and other necessary assistants in
Sec. 241.006. COORDINATION OF SIGNAGE REQUIREMENTS IMPOSED BY STATE AGENCIES. (a) The department is authorized to review current and proposed state rules issued by the department or by other state agencies that mandate that a hospital place or post a notice, poster, or sign in a conspicuous place or in an area of high public traffic, concerning the rights of patients or others or the responsibilities of the hospital, which is directed at patients, patients' families, or others. The purpose of this review shall be to coordinate the placement, format, and language contained in the required notices in order to:

(1) eliminate the duplication of information;
(2) reduce the potential for confusion to patients, patients' families, and others; and
(3) reduce the administrative burden of compliance on hospitals.

(b) Notwithstanding any other law, this section applies to all notices, posters, or signs described in Subsection (a).

Sec. 241.007. COMPLIANCE WITH CERTAIN REQUIREMENTS REGARDING SONOGRAM BEFORE ABORTION. A hospital shall comply with Subchapter B, Chapter 171.

Added by Acts 2011, 82nd Leg., R.S., Ch. 73 (H.B. 15), Sec. 6, eff. September 1, 2011.

Sec. 241.008. INDUCED DELIVERIES OR CESAREAN SECTIONS BEFORE 39TH WEEK. A hospital that provides obstetrical services shall collaborate with physicians providing services at the hospital to develop quality initiatives to reduce the number of elective or nonmedically indicated induced deliveries or cesarean sections performed at the hospital on a woman before the 39th week of gestation.
Sec. 241.009.  PHOTO IDENTIFICATION BADGE REQUIRED.  (a)  In this section:

(1) "Health care provider" means a person who provides health care services at a hospital as a physician, as an employee of the hospital, under a contract with the hospital, or in the course of a training or educational program at the hospital.

(2) "Hospital" means a hospital licensed under this chapter.

(b)  A hospital shall adopt a policy requiring a health care provider providing direct patient care at the hospital to wear a photo identification badge during all patient encounters, unless precluded by adopted isolation or sterilization protocols. The badge must be of sufficient size and worn in a manner to be visible and must clearly state:

(1) at minimum the provider's first or last name;
(2) the department of the hospital with which the provider is associated;
(3) the type of license held by the provider, if the provider holds a license under Title 3, Occupations Code; and
(4) if applicable, the provider's status as a student, intern, trainee, or resident.

Added by Acts 2013, 83rd Leg., R.S., Ch. 108 (S.B. 945), Sec. 1, eff. January 1, 2014.

SUBCHAPTER B. HOSPITAL LICENSES

Sec. 241.021.  LICENSE REQUIRED.  A person or governmental unit, acting severally or jointly with any other person or governmental unit, may not establish, conduct, or maintain a hospital in this state without a license issued under this chapter.

Sec. 241.022. LICENSE APPLICATION. (a) An application for a license must be made to the department on a form provided by the department.

(b) The application must contain:
   (1) the name and social security number of the sole proprietor, if the applicant is a sole proprietor;
   (2) the name and social security number of each general partner who is an individual, if the applicant is a partnership;
   (3) the name and social security number of any individual who has an ownership interest of more than 25 percent in the corporation, if the applicant is a corporation; and
   (4) any other information that the department may reasonably require.

(c) The department shall require that each hospital show evidence that:
   (1) at least one physician is on the medical staff of the hospital, including evidence that the physician is currently licensed;
   (2) the governing body of the hospital has adopted and implemented a patient transfer policy in accordance with Section 241.027; and
   (3) if the governing body has chosen to implement patient transfer agreements, it has implemented the agreements in accordance with Section 241.028.

(d) The application must be accompanied by:
   (1) a copy of the hospital's current patient transfer policy;
   (2) a nonrefundable license fee;
   (3) copies of the hospital's patient transfer agreements, unless the filing of copies has been waived by the hospital licensing director in accordance with the rules adopted under this chapter; and
   (4) a copy of the most recent annual fire safety inspection report from the fire marshal in whose jurisdiction the hospital is located.

(e) The department may require that the application be approved by the local health authority or other local official for compliance with municipal ordinances on building construction, fire prevention, and sanitation. A hospital located outside the limits of a municipality shall comply with corresponding state laws.
(f) The department shall post on the department's Internet website a list of all of the individuals named in applications as required by Subsections (b)(1)-(3). The department may not post on its Internet website a social security number of an individual required to be named in an application under Subsections (b)(1)-(3).

    Acts 2005, 79th Leg., Ch. 1161 (H.B. 3357), Sec. 1, eff. September 1, 2005.

Sec. 241.023. ISSUANCE OF LICENSE. (a) On receiving a license application and the license fee, the department shall issue a license if it finds that the applicant and the hospital comply with this chapter and the rules or standards adopted under this chapter.

(b) A license may be renewed annually after payment of the required fee and submission of an application for license renewal that contains the information required by Section 241.022(b).

(c) Except as provided by Subsection (c-1), the department may issue a license only for the premises of a hospital and person or governmental unit named in the application.

(c-1) The department may issue one license for multiple hospitals if:

(1) all buildings in which inpatients receive hospital services and inpatient services of each of the hospitals to be included in the license are subject to the control and direction of the same governing body;

(2) all buildings in which inpatients receive hospital services are within a 30-mile radius of the main address of the applicant;

(3) there is integration of the organized medical staff of each of the hospitals to be included in the license;

(4) there is a single chief executive officer for all of the hospitals who reports directly to the governing body and through whom all administrative authority flows and who exercises control and surveillance over all administrative activities of the hospital;

(5) there is a single chief medical officer for all of the
hospitals who reports directly to the governing body and who is responsible for all medical staff activities of the hospital;

(6) each building of a hospital to be included in the license that is geographically separate from other buildings of the same hospital contains at least one nursing unit for inpatients, unless providing only diagnostic or laboratory services, or a combination of diagnostic or laboratory services, in the building for hospital inpatients; and

(7) each hospital that is to be included in the license complies with the emergency services standards:

(A) for a general hospital, if the hospital provides surgery or obstetrical care or both; or

(B) for a special hospital, if the hospital does not provide surgery or obstetrical care.

(c-2) The hospital licensing director may recommend a waiver of the requirement of Subsection (c-1)(7) for a hospital if another hospital that is to be included in the license:

(1) complies with the emergency services standards for a general hospital; and

(2) is in close geographic proximity to the hospital.

(c-3) The executive commissioner of the Health and Human Services Commission shall adopt rules to implement the waiver provision of Subsection (c-2). The rules must provide for a determination by the department that the waiver will facilitate the creation or operation of the hospital seeking the waiver and that the waiver is in the best interest of the individuals served or to be served by the hospital.

(d) Subject to Subsection (e), a license issued under this section for a hospital includes each outpatient facility that is not separately licensed, that is located apart from the hospital, and for which the hospital has submitted to the department:

(1) a copy of a fire safety survey that is dated not earlier than one year before the submission date indicating approval by:

(A) the local fire authority in whose jurisdiction the outpatient facility is located; or

(B) the nearest fire authority, if the outpatient facility is located outside of the jurisdiction of a local fire authority; and

(2) if the hospital is accredited by the Joint Commission
on Accreditation of Healthcare Organizations or the American Osteopathic Association, a copy of documentation from the accrediting body showing that the outpatient facility is included within the hospital's accreditation.

(e) Subsection (d) applies only if the federal Department of Health and Human Services, Health Care Financing Administration, or Office of Inspector General adopts final or interim final rules requiring state licensure of outpatient facilities as a condition of the determination of provider-based status for Medicare reimbursement purposes.

(f) A license may not be transferred or assigned without the written approval of the department.

(g) A license shall be posted in a conspicuous place on the licensed premises.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1999, 76th Leg., ch. 1411, Sec. 2.01, eff. Sept. 1, 1999. Amended by:

Acts 2005, 79th Leg., Ch. 1161 (H.B. 3357), Sec. 2, eff. September 1, 2005.

Acts 2005, 79th Leg., Ch. 1286 (H.B. 2471), Sec. 1, eff. September 1, 2005.

Sec. 241.024. HOSPITAL LICENSING DIRECTOR. (a) The commissioner of health shall appoint, with the advice and consent of the board, a person to serve as hospital licensing director.

(b) A person appointed as the hospital licensing director must:

(1) have at least five years experience or training, or both, in the field of hospital administration;

(2) be of good moral character; and

(3) have been a resident of this state for at least three years.

(c) The hospital licensing director shall administer this chapter and is directly responsible to the department.

Sec. 241.025. LICENSE FEES. (a) The department shall charge each hospital an annual license fee for an initial license or a
(b) The board by rule shall adopt the fees authorized by Subsection (a) according to a schedule under which the number of beds in the hospital determines the amount of the fee. The fee may not exceed $15 a bed. A minimum license fee may be established. The minimum fee may not exceed $1,000.

(c) A fee adopted under this chapter must be based on the estimated cost to and level of effort expended by the department to conduct the activity for which the fee is imposed.

(d) All license fees collected shall be deposited in the state treasury to the credit of the department to administer and enforce this chapter. These fees are hereby appropriated to the department.

(e) Notwithstanding Subsection (d), to the extent that money received from the fees collected under this chapter exceeds the costs to the department to conduct the activity for which the fee is imposed, the department may use the money to administer Chapter 324 and similar laws that require the department to provide information related to hospital care to the public. The department may not consider the costs of administering Chapter 324 or similar laws in adopting a fee imposed under this section.

Amended by:
Acts 2007, 80th Leg., R.S., Ch. 997 (S.B. 1731), Sec. 4, eff. September 1, 2007.

Sec. 241.026. RULES AND MINIMUM STANDARDS. (a) The board shall adopt and enforce rules to further the purposes of this chapter. The rules at a minimum shall address:

(1) minimum requirements for staffing by physicians and nurses;
(2) hospital services relating to patient care;
(3) fire prevention, safety, and sanitation requirements in hospitals;
(4) patient care and a patient bill of rights;
(5) compliance with other state and federal laws affecting the health, safety, and rights of hospital patients; and
(6) compliance with nursing peer review under Subchapter I, Chapter 301, and Chapter 303, Occupations Code, and the rules of the Texas Board of Nursing relating to peer review.

(b) In adopting rules, the board shall consider the conditions of participation for certification under Title XVIII of the Social Security Act (42 U.S.C. Section 1395 et seq.) and the standards of the Joint Commission on Accreditation of Healthcare Organizations and will attempt to achieve consistency with those conditions and standards.

(c) Upon the recommendation of the hospital licensing director and the council, the board by order may waive or modify the requirement of a particular provision of this Act or minimum standard adopted by board rule under this section to a particular general or special hospital if the board determines that the waiver or modification will facilitate the creation or operation of the hospital and that the waiver or modification is in the best interests of the individuals served or to be served by the hospital.

(d) The board shall adopt rules establishing procedures and criteria for the issuance of the waiver or modification order. The criteria must include at a minimum a statement of the appropriateness of the waiver or modification against the best interests of the individuals served by the hospital.

(e) If the board orders a waiver or modification of a provision or standard, the licensing record of the hospital granted the waiver or modification shall contain documentation to support the board's action. The board's rules shall specify the type and specificity of the supporting documentation that must be included.

(f) A comprehensive medical rehabilitation hospital or a pediatric and adolescent hospital shall have an emergency treatment room but is not required to have an emergency department.
Sec. 241.0262. CIRCULATING DUTIES FOR SURGICAL SERVICES. Circulating duties in the operating room must be performed by qualified registered nurses. In accordance with approved medical staff policies and procedures, licensed vocational nurses and surgical technologists may assist in circulatory duties under the direct supervision of a qualified registered nurse circulator.

Added by Acts 2005, 79th Leg., Ch. 966 (H.B. 1718), Sec. 2, eff. September 1, 2005.

Sec. 241.0263. RECOMMENDATIONS RELATING TO MISSING INFANTS.

(a) The department shall recommend hospital security procedures to:
   (1) reduce the likelihood of infant patient abduction; and
   (2) aid in the identification of missing infants.

(b) In making recommendations, the department shall consider hospital size and location and the number of births at a hospital.

(c) The procedures recommended by the department under Subsection (a)(1) may include:
   (1) controlling access to newborn nurseries;
   (2) expanding observation of newborn nurseries through the use of video cameras; and
   (3) requiring identification for hospital staff and visitors as a condition of entrance to newborn nurseries.

(d) The procedures recommended by the department under Subsection (a)(2) may include:
   (1) footprinting, photographing, or writing descriptions of infant patients at birth; and
   (2) obtaining umbilical cord blood samples for infant patients born at the hospital and storing the samples for genetic testing purposes.

(e) Each hospital licensed under this chapter shall consider implementing the procedures recommended under this section.

Added by Acts 1997, 75th Leg., ch. 314, Sec. 1, eff. Sept. 1, 1997.

Sec. 241.0265. STANDARDS FOR CARE FOR MENTAL HEALTH AND
CHEMICAL DEPENDENCY. (a) The care and treatment of a patient receiving mental health services in a facility licensed by the department under this chapter or Chapter 577 are governed by the standards adopted by the Texas Department of Mental Health and Mental Retardation to the same extent as if the standards adopted by that department were rules adopted by the board under this chapter or Chapter 577.

(b) The care and treatment of a patient receiving chemical dependency treatment in a facility licensed by the department under this chapter are governed by the same standards that govern the care and treatment of a patient receiving treatment in a treatment facility licensed under Chapter 464 and that are adopted by the Texas Commission on Alcohol and Drug Abuse, to the same extent as if the standards adopted by the commission were rules adopted by the board under this chapter.

(c) The department shall enforce the standards provided by Subsections (a) and (b). A violation of a standard is subject to the same consequence as a violation of a rule adopted by the board under this chapter or Chapter 577. The department is not required to enforce a standard if the enforcement violates a federal law, rule, or regulation.

Added by Acts 1993, 73rd Leg., ch. 573, Sec. 3.02, eff. Sept. 1, 1993.

Sec. 241.027. PATIENT TRANSFERS. (a) The board shall adopt rules to govern the transfer of patients between hospitals that do not have a transfer agreement and governing services not included in transfer agreements.

(b) The rules must provide that patient transfers between hospitals be accomplished through hospital policies that result in medically appropriate transfers from physician to physician and from hospital to hospital by providing:

(1) for notification to the receiving hospital before the patient is transferred and confirmation by the receiving hospital that the patient meets the receiving hospital's admissions criteria relating to appropriate bed, physician, and other services necessary to treat the patient;

(2) for the use of medically appropriate life support
measures that a reasonable and prudent physician exercising ordinary care in the same or a similar locality would use to stabilize the patient before the transfer and to sustain the patient during the transfer;

(3) for the provision of appropriate personnel and equipment that a reasonable and prudent physician exercising ordinary care in the same or a similar locality would use for the transfer;

(4) for the transfer of all necessary records for continuing the care for the patient; and

(5) that the transfer of a patient not be predicated on arbitrary, capricious, or unreasonable discrimination because of race, religion, national origin, age, sex, physical condition, or economic status.

(c) The rules must require that if a patient at a hospital has an emergency medical condition which has not been stabilized, the hospital may not transfer the patient unless:

(1) the patient or a legally responsible person acting on the patient's behalf, after being informed of the hospital's obligations under this section and of the risk of transfer, in writing requests transfer to another medical facility;

(2) a licensed physician has signed a certification, which includes a summary of the risks and benefits, that, based on the information available at the time of transfer, the medical benefits reasonably expected from the provision of appropriate medical treatment at another medical facility outweigh the increased risks to the patient and, in the case of labor, to the unborn child from effecting the transfer; or

(3) if a licensed physician is not physically present in the emergency department at the time a patient is transferred, a qualified medical person has signed a certification described in Subdivision (2) after a licensed physician, in consultation with the person, has made the determination described in such clause and subsequently countersigns the certificate.

(d) The rules also shall provide that a public hospital or hospital district shall accept the transfer of its eligible residents if the public hospital or hospital district has appropriate facilities, services, and staff available for providing care to the patient.

(e) The rules must require that a hospital take all reasonable steps to secure the informed refusal of a patient or of a person
acting on the patient's behalf to a transfer or to related examination and treatment.

(f) The rules must recognize any contractual, statutory, or regulatory obligations that may exist between a patient and a designated or mandated provider as those obligations apply to the transfer of emergency or nonemergency patients.

Sec. 241.028. TRANSFER AGREEMENTS. (a) If hospitals execute a transfer agreement that is consistent with the requirements of this section, all patient transfers between the hospitals are governed by the agreement.

(b) The hospitals shall submit the agreement to the department for review for compliance with the requirements of this section. The department shall complete the review of the agreement within 30 days after the date the agreement is submitted by the hospitals.

(c) At a minimum, a transfer agreement must provide that:

(1) transfers be accomplished in a medically appropriate manner and comply with Sections 241.027(b)(2) through (5) and Section 241.027(c);

(2) the transfer or receipt of patients in need of emergency care not be based on the individual's inability to pay for the services rendered by the transferring or receiving hospital;

(3) multiple transfer agreements be entered into by a hospital based on the type or level of medical services available at other hospitals;

(4) the hospitals recognize the right of an individual to request transfer to the care of a physician and hospital of the individual's choice;

(5) the hospitals recognize and comply with the requirements of Chapter 61 (Indigent Health Care and Treatment Act) relating to the transfer of patients to mandated providers; and

(6) consideration be given to availability of appropriate facilities, services, and staff for providing care to the patient.

(d) If a hospital transfers a patient in violation of Subsection (c)(1), (2), (4), (5), or (6), relating to required
provisions for a transfer agreement, the violation is a violation of
this chapter.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended
by Acts 1991, 72nd Leg., ch. 14, Sec. 84, eff. Sept. 1, 1991; Acts
1993, 73rd Leg., ch. 584, Sec. 6, eff. Sept. 1, 1993.

Sec. 241.029. POLICIES AND PROCEDURES RELATING TO WORKPLACE
SAFETY. (a) The governing body of a hospital shall adopt policies
and procedures related to the work environment for nurses to:

(1) improve workplace safety and reduce the risk of injury,
occupational illness, and violence; and

(2) increase the use of ergonomic principles and
ergonomically designed devices to reduce injury and fatigue.

(b) The policies and procedures adopted under Subsection (a), at a minimum, must include:

(1) evaluating new products and technology that incorporate
eronomic principles;

(2) educating nurses in the application of ergonomic
practices;

(3) conducting workplace audits to identify areas of risk
of injury, occupational illness, or violence and recommending ways to
reduce those risks;

(4) controlling access to those areas identified as having
a high risk of violence; and

(5) promptly reporting crimes committed against nurses to
appropriate law enforcement agencies.

Added by Acts 2003, 78th Leg., ch. 876, Sec. 13, eff. June 20, 2003.

SUBCHAPTER C. ENFORCEMENT

Sec. 241.051. INSPECTIONS. (a) The department may make any
inspection, survey, or investigation that it considers necessary. A
representative of the department may enter the premises of a hospital
at any reasonable time to make an inspection, a survey, or an
investigation to assure compliance with or prevent a violation of
this chapter, the rules adopted under this chapter, an order or
special order of the commissioner of health, a special license
provision, a court order granting injunctive relief, or other
enforcement procedures. The department shall maintain the confidentiality of hospital records as applicable under state or federal law.

(b) The department or a representative of the department is entitled to access to all books, records, or other documents maintained by or on behalf of the hospital to the extent necessary to enforce this chapter, the rules adopted under this chapter, an order or special order of the commissioner of health, a special license provision, a court order granting injunctive relief, or other enforcement procedures.

(c) By applying for or holding a hospital license, the hospital consents to entry and inspection of the hospital by the department or a representative of the department in accordance with this chapter and the rules adopted under this chapter.

(d) All information and materials obtained or compiled by the department in connection with a complaint and investigation concerning a hospital are confidential and not subject to disclosure under Section 552.001 et seq., Government Code, and not subject to disclosure, discovery, subpoena, or other means of legal compulsion for their release to anyone other than the department or its employees or agents involved in the enforcement action except that this information may be disclosed to:

1. persons involved with the department in the enforcement action against the hospital;
2. the hospital that is the subject of the enforcement action, or the hospital's authorized representative;
3. appropriate state or federal agencies that are authorized to inspect, survey, or investigate hospital services;
4. law enforcement agencies; and
5. persons engaged in bona fide research, if all individual-identifying and hospital-identifying information has been deleted.

(e) The following information is subject to disclosure in accordance with Section 552.001 et seq., Government Code:

1. a notice of alleged violation against the hospital, which notice shall include the provisions of law which the hospital is alleged to have violated, and a general statement of the nature of the alleged violation;
2. the pleadings in the administrative proceeding; and
3. a final decision or order by the department.
Sec. 241.052. COMPLIANCE WITH RULES AND STANDARDS. (a) A hospital that is in operation when an applicable rule or minimum standard is adopted under this chapter must be given a reasonable period within which to comply with the rule or standard.

(b) The period for compliance may not exceed six months, except that the department may extend the period beyond six months if the hospital sufficiently shows the department that it requires additional time to complete compliance with the rule or standard.

Sec. 241.053. DENIAL OF APPLICATION, SUSPENSION, REVOCATION, PROBATION, OR REISSUANCE OF LICENSE. (a) The department, after providing notice and an opportunity for a hearing to the applicant or license holder, may deny, suspend, or revoke a hospital's license if the department finds that the hospital:

(1) failed to comply with:
   (A) a provision of this chapter;
   (B) a rule adopted under this chapter;
   (C) a special license condition;
   (D) an order or emergency order by the commissioner of health; or
   (E) another enforcement procedure permitted under this chapter;

(2) has a history of noncompliance with the rules adopted under this chapter relating to patient health, safety, and rights which reflects more than nominal noncompliance; or

(3) has aided, abetted, or permitted the commission of an illegal act.

(b) A hospital whose license is suspended or revoked may apply to the department for the reissuance of a license. The department may reissue the license if the department determines that the hospital has corrected the conditions that led to the suspension or revocation of the hospital's license, the initiation of enforcement
action against the hospital, the assessment of administrative penalties, or the issuance of a court order enjoining the hospital from violations or assessing civil penalties against the hospital. A hospital whose license is suspended or revoked may not admit new patients until the license is reissued.

(c) A hospital must apply for reissuance in the form and manner required in the rules adopted under this chapter.

(d) Administrative hearings required under this section shall be conducted under the board's formal hearing rules and the contested case provisions of Chapter 2001, Government Code.

(e) Judicial review of a final decision by the department is by trial de novo in the same manner as a case appealed from the justice court to the county court. The substantial evidence rule does not apply.

(f) If the department finds that a hospital is in repeated noncompliance under Subsection (a) but that the noncompliance does not endanger public health and safety, the department may schedule the hospital for probation rather than suspending or revoking the hospital's license. The department shall provide notice to the hospital of the probation and of the items of noncompliance not later than the 10th day before the date the probation period begins. The department shall designate a period of not less than 30 days during which the hospital will remain under probation. During the probation period, the hospital must correct the items that were in noncompliance and report the corrections to the department for approval.

(g) The department may suspend or revoke the license of a hospital that does not correct items that were in noncompliance or that does not comply with the applicable requirements within the applicable probation period.

Acts 1989, 71st Leg., ch. 678, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1993, 73rd Leg., ch. 584, Sec. 9, eff. Sept. 1, 1993; Acts 1993, 73rd Leg., ch. 705, Sec. 3.01, eff. Sept. 1, 1993; Acts 1995, 74th Leg., ch. 76, Sec. 5.95(51), eff. Sept. 1, 1995; Acts 2003, 78th Leg., ch. 802, Sec. 1, 2, eff. June 20, 2003.
of health or a person designated by the commissioner may issue an emergency order, either mandatory or prohibitory in nature, in relation to the operation of a hospital licensed under this chapter if the commissioner or the commissioner's designee determines that the hospital is violating or threatening to violate this chapter, a rule adopted pursuant to this chapter, a special license provision, injunctive relief issued pursuant to Section 241.054, an order of the commissioner or the commissioner's designee, or another enforcement procedure permitted under this chapter and the provision, rule, license provision, injunctive relief, order, or enforcement procedure relates to the health or safety of the hospital's patients.

(b) The department shall send written notice of the hearing and shall include within the notice the time and place of the hearing. The hearing must be held within 10 days after the date of the hospital's receipt of the notice.

(c) The hearing shall not be governed by the contested case provisions of Chapter 2001, Government Code but shall instead be held in accordance with the board's informal hearing rules.

(d) The order shall be effective on delivery to the hospital or at a later date specified in the order.

Sec. 241.054. VIOLATIONS; INJUNCTIONS. (a) The department shall:

(1) notify a hospital of a finding by the department that the hospital is violating or has violated this chapter or a rule or standard adopted under this chapter; and

(2) provide the hospital an opportunity to correct the violation.

(b) After the notice and opportunity to comply, the commissioner of health may request the attorney general or the appropriate district or county attorney to institute and conduct a suit for a violation of this chapter or a rule adopted under this chapter.

(c) The department may petition a district court for a temporary restraining order to restrain a continuing violation if the
department finds that the violation creates an immediate threat to the health and safety of the patients of a hospital.

(d) On his own initiative, the attorney general, a district attorney, or a county attorney may maintain an action in the name of the state for a violation of this chapter or a rule adopted under this chapter.

(e) The district court shall assess the civil penalty authorized by Section 241.055, grant injunctive relief, or both, as warranted by the facts. The injunctive relief may include any prohibitory or mandatory injunction warranted by the facts, including a temporary restraining order, temporary injunction, or permanent injunction.

(f) The department and the party bringing the suit may recover reasonable expenses incurred in obtaining injunctive relief, civil penalties, or both, including investigation costs, court costs, reasonable attorney fees, witness fees, and deposition expenses.

(g) Venue may be maintained in Travis County or in the county in which the violation occurred.

(h) Not later than the seventh day before the date on which the attorney general intends to bring suit on his own initiative, the attorney general shall provide to the department notice of the suit. The attorney general is not required to provide notice of a suit if the attorney general determines that waiting to bring suit until the notice is provided will create an immediate threat to the health and safety of a patient. This section does not create a requirement that the attorney general obtain the permission of a referral from the department before filing suit.

(i) The injunctive relief and civil penalty authorized by this section and Section 241.055 are in addition to any other civil, administrative, or criminal penalty provided by law.

Sec. 241.055. CIVIL PENALTY. (a) A hospital shall timely adopt, implement, and enforce a patient transfer policy in accordance with Section 241.027. A hospital may implement patient transfer agreements in accordance with Section 241.028.

(b) A hospital that violates Subsection (a), another provision
of this chapter, or a rule adopted or enforced under this chapter is liable for a civil penalty of not more than $1,000 for each day of violation and for each act of violation. A hospital that violates this chapter or a rule or order adopted under this chapter relating to the provision of mental health, chemical dependency, or rehabilitation services is liable for a civil penalty of not more than $25,000 for each day of violation and for each act of violation.

(c) In determining the amount of the penalty, the district court shall consider:

(1) the hospital's previous violations;
(2) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
(3) whether the health and safety of the public was threatened by the violation;
(4) the demonstrated good faith of the hospital; and
(5) the amount necessary to deter future violations.

(d) A penalty collected under this section by the attorney general shall be deposited to the credit of the general revenue fund. A penalty collected under this section by a district or county attorney shall be deposited to the credit of the general fund of the county in which the suit was heard.

Sec. 241.056. SUIT BY PERSON HARMED. (a) A person who is harmed by a violation under Section 241.028 or 241.055 may petition a district court for appropriate injunctive relief.

(b) Venue for a suit brought under this section is in the county in which the person resides or, if the person is not a resident of this state, in Travis County.

(c) The person may also pursue remedies for civil damages under common law.

Sec. 241.057. CRIMINAL PENALTY. (a) A person commits an offense if the person establishes, conducts, manages, or operates a hospital without a license.

(b) An offense under this section is a misdemeanor punishable by a fine of not more than $100 for the first offense and not more than $200 for each subsequent offense.

(c) Each day of a continuing violation constitutes a separate offense.

Sec. 241.058. MINOR VIOLATIONS. (a) This chapter does not require the commissioner of health or a designee of the commissioner to report a minor violation for prosecution or the institution of any other enforcement proceeding authorized under this chapter, if the commissioner or a designee of the commissioner determines that prosecution or enforcement is not in the best interests of the persons served or to be served by the hospital.

(b) For the purpose of this section, a "minor violation" means a violation of this chapter, the rules adopted under this chapter, a special license provision, an order or emergency order issued by the commissioner of health or the commissioner's designee, or another enforcement procedure permitted under this chapter by a hospital that does not constitute a threat to the health, safety, and rights of the hospital's patients or other persons.

Added by Acts 1993, 73rd Leg., ch. 584, Sec. 13, eff. Sept. 1, 1993.

Sec. 241.0585. RECOVERY OF COSTS. If the attorney general brings an action to enforce an administrative penalty assessed under Section 241.058 and the court orders the payment of the penalty, the attorney general may recover reasonable expenses incurred in the investigation, initiation, or prosecution of the enforcement suit, including investigative costs, court costs, reasonable attorney fees, witness fees, and deposition expenses.

Added by Acts 1993, 73rd Leg., ch. 705, Sec. 3.041, eff. Sept. 1, 1993.
Sec. 241.059. ADMINISTRATIVE PENALTY. (a) The commissioner of health may assess an administrative penalty against a hospital that violates this chapter, a rule adopted pursuant to this chapter, a special license provision, an order or emergency order issued by the commissioner or the commissioner's designee, or another enforcement procedure permitted under this chapter. The commissioner shall assess an administrative penalty against a hospital that violates Section 166.004.

(b) In determining the amount of the penalty, the commissioner of health shall consider:
   (1) the hospital's previous violations;
   (2) the seriousness of the violation;
   (3) any threat to the health, safety, or rights of the hospital's patients;
   (4) the demonstrated good faith of the hospital; and
   (5) such other matters as justice may require.

(c) The penalty may not exceed $1,000 for each violation, except that the penalty for a violation of Section 166.004 shall be $500. Each day of a continuing violation, other than a violation of Section 166.004, may be considered a separate violation.

(d) When it is determined that a violation has occurred the commissioner of health shall issue a report that states the facts on which the determination is based and the commissioner's recommendation on the imposition of a penalty, including a recommendation on the amount of the penalty.

(e) Within 14 days after the date the report is issued, the commissioner of health shall give written notice of the report to the person, delivered by certified mail. The notice must include a brief summary of the alleged violation and a statement of the amount of the recommended penalty and must inform the person that the person has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(f) Within 20 days after the date the person receives the notice, the person in writing may accept the determination and recommended penalty of the commissioner of health or may make a written request for a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(g) If the person accepts the determination and recommended penalty, the person shall pay the penalty to the commissioner at the following address: Department of Health and Human Services, P.O. Box 35128, Austin, Texas 78735-5128.
penalty of the commissioner of health, the commissioner by order shall impose the recommended penalty.

(h) If the person requests a hearing or fails to respond timely to the notice, the commissioner of health shall set a hearing and give notice of the hearing to the person. The hearing shall be held by the department. The person conducting the hearing shall make findings of fact and conclusions of law and promptly issue to the commissioner a proposal for a decision about the occurrence of the violation and the amount of the penalty. Based on the findings of fact, conclusions of law, and proposal for a decision, the commissioner by order may find that a violation has occurred and impose a penalty or may find that no violation occurred.

(i) The notice of the commissioner of health's order given to the person under Chapter 2001, Government Code must include a statement of the right of the person to judicial review of the order.

(j) Within 30 days after the date the commissioner of health's order is final as provided by Subchapter F, Chapter 2001, Government Code, the person shall:

(1) pay the amount of the penalty;
(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or
(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(k) Within the 30-day period, a person who acts under Subsection (j)(3) may:

(1) stay enforcement of the penalty by:
(A) paying the amount of the penalty to the court for placement in an escrow account; or
(B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the board's order is final; or
(2) request the court to stay enforcement of the penalty by:
(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the
amount of the penalty and is financially unable to give the
supersedeas bond; and

(B) giving a copy of the affidavit to the commissioner of
health by certified mail.

(l) When the commissioner of health receives a copy of an
affidavit under Subsection (k)(2), he may file with the court, within
five days after the date the copy is received, a contest to the
affidavit. The court shall hold a hearing on the facts alleged in
the affidavit as soon as practicable and shall stay the enforcement
of the penalty on finding that the alleged facts are true. The
person who files an affidavit has the burden of proving that the
person is financially unable to pay the amount of the penalty and to
give a supersedeas bond.

(m) If the person does not pay the amount of the penalty and
the enforcement of the penalty is not stayed, the commissioner of
health may refer the matter to the attorney general for collection of
the amount of the penalty.

(n) Judicial review of the order of the commissioner of health:

(1) is instituted by filing a petition as provided by
Subchapter G, Chapter 2001, Government Code; and

(2) is under the substantial evidence rule.

(o) If the court sustains the occurrence of the violation, the
court may uphold or reduce the amount of the penalty and order the
person to pay the full or reduced amount of the penalty. If the
court does not sustain the occurrence of the violation, the court
shall order that no penalty is owed.

(p) When the judgment of the court becomes final, the court
shall proceed under this subsection. If the person paid the amount
of the penalty and if that amount is reduced or is not upheld by the
court, the court shall order that the appropriate amount plus accrued
interest be remitted to the person within 30 days after the judgment
of the court becomes final. The rate of the interest is the rate
charged on loans to depository institutions by the New York Federal
Reserve Bank, and the interest shall be paid for the period beginning
on the date the penalty was paid and ending on the date the penalty
is remitted. If the person gave a supersedeas bond and if the amount
of the penalty is not upheld by the court, the court shall order the
release of the bond. If the person gave a supersedeas bond and if
the amount of the penalty is reduced, the court shall order the
release of the bond after the person pays the amount.
A penalty collected under this section shall be remitted to the comptroller for deposit in the general revenue fund.

All proceedings under this section are subject to Chapter 2001, Government Code.

Added by Acts 1993, 73rd Leg., ch. 584, Sec. 14, eff. Sept. 1, 1993. Amended by Acts 1995, 74th Leg., ch. 76, Sec. 5.95(51), (53), (55), (60), eff. Sept. 1, 1995; Acts 1999, 76th Leg., ch. 450, Sec. 2.03, eff. Sept. 1, 1999.

Sec. 241.060. ADMINISTRATIVE PENALTY FOR MENTAL HEALTH, CHEMICAL DEPENDENCY, OR REHABILITATION SERVICES. (a) The board may impose an administrative penalty against a person licensed or regulated under this chapter who violates this chapter or a rule or order adopted under this chapter relating to the provision of mental health, chemical dependency, or rehabilitation services.

(b) The penalty for a violation may be in an amount not to exceed $25,000. Each day a violation continues or occurs is a separate violation for purposes of imposing a penalty.

(c) The amount of the penalty shall be based on:
   (1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of any prohibited acts, and the hazard or potential hazard created to the health, safety, or economic welfare of the public;
   (2) enforcement costs relating to the violation;
   (3) the history of previous violations;
   (4) the amount necessary to deter future violations;
   (5) efforts to correct the violation; and
   (6) any other matter that justice may require.

(d) If the commissioner determines that a violation has occurred, the commissioner may issue to the board a report that states the facts on which the determination is based and the commissioner's recommendation on the imposition of a penalty, including a recommendation on the amount of the penalty.

(e) Within 14 days after the date the report is issued, the commissioner shall give written notice of the report to the person. The notice may be given by certified mail. The notice must include a brief summary of the alleged violation and a statement of the amount of the recommended penalty and must inform the person that the person
has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(f) Within 20 days after the date the person receives the notice, the person in writing may accept the determination and recommended penalty of the commissioner or may make a written request for a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(g) If the person accepts the determination and recommended penalty of the commissioner, the board by order shall approve the determination and impose the recommended penalty.

(h) If the person requests a hearing or fails to respond timely to the notice, the commissioner shall set a hearing and give notice of the hearing to the person. The administrative law judge shall make findings of fact and conclusions of law and promptly issue to the board a proposal for a decision about the occurrence of the violation and the amount of a proposed penalty. Based on the findings of fact, conclusions of law, and proposal for a decision, the board by order may find that a violation has occurred and impose a penalty or may find that no violation occurred.

(i) The notice of the board's order given to the person under Chapter 2001, Government Code must include a statement of the right of the person to judicial review of the order.

(j) Within 30 days after the date the board's order is final as provided by Subchapter F, Chapter 2001, Government Code, the person shall:

(1) pay the amount of the penalty;
(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or
(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(k) Within the 30-day period, a person who acts under Subsection (j)(3) may:

(1) stay enforcement of the penalty by:
   (A) paying the amount of the penalty to the court for
placement in an escrow account; or

(B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the board's order is final; or

(2) request the court to stay enforcement of the penalty by:

(A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and

(B) giving a copy of the affidavit to the commissioner by certified mail.

(l) The commissioner on receipt of a copy of an affidavit under Subsection (k)(2) may file with the court within five days after the date the copy is received a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(m) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the commissioner may refer the matter to the attorney general for collection of the amount of the penalty.

(n) Judicial review of the order of the board:

(1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and

(2) is under the substantial evidence rule.

(o) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(p) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York
Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

(q) A penalty collected under this section shall be remitted to the comptroller for deposit in the general revenue fund.

(r) All proceedings under this section are subject to Chapter 2001, Government Code.

**SUBCHAPTER E. STAFF, RECORDS, AND PLAN REVIEWS**

Sec. 241.101. HOSPITAL AUTHORITY CONCERNING MEDICAL STAFF. (a) Except as otherwise provided by this section and Section 241.102, this chapter does not change the authority of the governing body of a hospital, as it considers necessary or advisable, to:

(1) make rules, standards, or qualifications for medical staff membership; or

(2) grant or refuse to grant membership on the medical staff.

(b) This chapter does not prevent the governing body of a hospital from adopting reasonable rules and requirements in compliance with this chapter relating to:

(1) qualifications for any category of medical staff appointments;

(2) termination of appointments; or

(3) the delineation or curtailment of clinical privileges of those who are appointed to the medical staff.

(c) The process for considering applications for medical staff membership and privileges or the renewal, modification, or revocation of medical staff membership and privileges must afford each physician, podiatrist, and dentist procedural due process that meets
the requirements of 42 U.S.C. Section 11101 et seq., as amended.

(d) If a hospital's credentials committee has failed to take action on a completed application as required by Subsection (k), or a physician, podiatrist, or dentist is subject to a professional review action that may adversely affect his medical staff membership or privileges, and the physician, podiatrist, or dentist believes that mediation of the dispute is desirable, the physician, podiatrist, or dentist may require the hospital to participate in mediation as provided in Chapter 154, Civil Practice and Remedies Code. The mediation shall be conducted by a person meeting the qualifications required by Section 154.052, Civil Practice and Remedies Code, and within a reasonable period of time.

(e) Subsection (d) does not authorize a cause of action by a physician, podiatrist, or dentist against the hospital other than an action to require a hospital to participate in mediation.

(f) An applicant for medical staff membership or privileges may not be denied membership or privileges on any ground that is otherwise prohibited by law.

(g) A hospital's bylaw requirements for staff privileges may require a physician, podiatrist, or dentist to document the person's current clinical competency and professional training and experience in the medical procedures for which privileges are requested.

(h) In granting or refusing medical staff membership or privileges, a hospital may not differentiate on the basis of the academic medical degree held by a physician.

(i) Graduate medical education may be used as a standard or qualification for medical staff membership or privileges for a physician, provided that equal recognition is given to training programs accredited by the Accreditation Council on Graduate Medical Education and by the American Osteopathic Association.

(j) Board certification may be used as a standard or qualification for medical staff membership or privileges for a physician, provided that equal recognition is given to certification programs approved by the American Board of Medical Specialties and the Bureau of Osteopathic Specialists.

(k) A hospital's credentials committee shall act expeditiously and without unnecessary delay when a licensed physician, podiatrist, or dentist submits a completed application for medical staff membership or privileges. The hospital's credentials committee shall take action on the completed application not later than the 90th day
after the date on which the application is received. The governing body of the hospital shall take final action on the application for medical staff membership or privileges not later than the 60th day after the date on which the recommendation of the credentials committee is received. The hospital must notify the applicant in writing of the hospital's final action, including a reason for denial or restriction of privileges, not later than the 20th day after the date on which final action is taken.

Sec. 241.1015. PHYSICIAN COMMUNICATION AND CONTRACTS. (a) A hospital, whether by contract, by granting or withholding staff privileges, or otherwise, may not restrict a physician's ability to communicate with a patient with respect to:

(1) the patient's coverage under a health care plan;
