(1) adversely affect the individual's ability to attain financial independence;
(2) make it more difficult for the individual to escape family violence; or
(3) place the individual at greater risk for additional family violence.

(b) The procedures must provide that:

(1) a requirement may be waived or modified only after a case-by-case determination and documentation of good cause and only to the extent necessary considering an individual's circumstances;
(2) a requirement may not be waived or modified for an individual for a period longer than one year;
(3) the appropriate agency shall refer an individual to a family violence program if necessary for assistance in developing a safety plan to protect the individual from further family violence; and

(c) The department, the Texas Workforce Commission, and the Title IV-D agency may not deny an individual access to education, training, employment, or other services because the individual is a victim of family violence.
(d) The department shall coordinate the development and implementation of procedures under this section in collaboration with the Texas Workforce Commission, the Title IV-D agency, and at least one statewide advocacy group for victims of family violence.

(e) The department, the Texas Workforce Commission, the Title IV-D agency, and each local workforce development board, using existing resources, shall provide not less than four hours of training regarding family violence to each employee or other person who on behalf of the department, commission, agency, or board:

(g) Before the application of a sanction or penalty based on an individual's failure to cooperate with the department or Title IV-D
agency, as required by Section 31.0031(d)(1), or failure to comply with the work or participation requirements imposed by Section 31.012, the agency recommending or applying the sanction or penalty must make reasonable attempts to contact the individual to determine the cause of the failure to cooperate or comply. If the agency determines that family violence contributed to the failure, the agency shall ensure that a person trained in family violence issues in accordance with Subsection (e) interviews the individual to identify the types of services necessary to assist the individual in safely and successfully entering the workforce.

(2) apply for financial assistance and be interviewed instead of the child's parent at any subsequent review of eligibility required by the department.

(c) The department shall:

(b) After reconsideration of continuing eligibility, the department may change the amount of assistance or withdraw it if the department finds that the recipient's circumstances have altered sufficiently to warrant that action.

(c) The department may cancel or suspend assistance for a period of time if the department finds that the recipient is currently ineligible to receive it.

The department shall grant the applicant or recipient an opportunity for a hearing after reasonable notice.

(b) An applicant or recipient, or his or her authorized agent, may submit a written request for the information contained in the unit's records on which the action being appealed is based, and the unit shall advise the person making the request of the information within a reasonable time prior to the hearing. The department by rule shall define what constitutes essential and necessary goods and services for purposes of this subsection.
(b) If a recipient of financial assistance who receives the assistance by electronic benefits transfer to an account is authorized to make a cash withdrawal from the account through a provider of the goods or services described by Subsection (a), the recipient may make the cash withdrawal only at the customer service department of the provider and not at the provider's point-of-sale terminal.

(c) The department shall encourage housing authorities, utility companies, public transportation companies, and other nonfood retailers to accept payment for goods and services described by Subsection (a) through the state's electronic benefits transfer (EBT) system.

(d) To determine the feasibility of using the EBT system to accept payment for goods and services described by Subsection (a), the department shall conduct a pilot project in which utility companies, housing agencies, and other retailers use the EBT system to accept payment for medicine, medical supplies, and medical equipment not covered by Medicaid and other goods and services described by Subsection (a). The cost of the point-of-sale (POS) devices in the pilot project shall not be a state expense, except for POS devices located in retail businesses that sell medicine or medical supplies or medical equipment. The department shall work in conjunction with the office of client transportation services of the Health and Human Services Commission to determine if EBT transportation applications are feasible.

(e) If the department determines that the pilot projects show that use of the EBT system is feasible and useful for the businesses and clients participating in the pilot project, the department shall promote the use of the EBT system to appropriate businesses statewide with the goal of securing the participation of all those businesses in using the EBT system to accept payment for goods and services described by Subsection (a).

(f) The department shall evaluate the pilot project and report to the 76th Legislature on the effectiveness of the pilot project not later than January 15, 1999.

Acts 1979, 66th Leg., p. 2346, ch. 842, art. 1, Sec. 1, eff. Sept. 1, 1979.

Sec. 31.037. PAYMENT OF FINANCIAL ASSISTANCE FUNDS ON DEATH OF RECIPIENT. (b) The department shall adopt rules prescribing the method of determining the person entitled to receive the deceased recipient's financial assistance, the manner of payment of the funds, and limitations on the payments.

(c) Payments to persons responsible for deceased recipients under this section may be made only in the manner and to the extent permissible under the laws and regulations governing the disbursement of funds received through the Department of Health, Education, and Welfare.

(a) To extend the period of supported employment for families who receive financial assistance under this chapter, the department may use a form of fill-the-gap budgeting or another method under which the department disregards earnings of family members who obtain employment while receiving the assistance.

(b) The department may limit the percentage of earnings disregarded, impose a time limit on how long the earnings are disregarded, or gradually reduce the percentage of earnings disregarded in order to remain within available funding.

(c) Funding for earnings disregards may also come from savings associated with sanctions related to noncompliance with the personal responsibility agreement and work requirements in this chapter, from savings resulting from caseload declines below projections specified in the appropriations bill, and from Temporary Assistance for Needy Families (TANF) block grant funds.

(d) In this section, "fill-the-gap budgeting" means a system of budgeting in which benefits are gradually lowered using a percentage of the difference between the standard of need and the countable income to calculate the grant benefit.

(b) The department shall close an account that has not been used by the account holder during the preceding 12 months.

(c) The comptroller shall withdraw any unused benefits remaining in the account and disburse the benefits as authorized by federal and state law.

CHAPTER 32. MEDICAL ASSISTANCE PROGRAM
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 32.001. PURPOSE OF CHAPTER. The purpose of this chapter is to enable the state to provide medical assistance on behalf of needy individuals and to enable the state to obtain all benefits for those persons authorized under the Social Security Act or any other federal act.

Sec. 32.002. CONSTRUCTION OF CHAPTER. (a) This chapter shall be liberally construed and applied in relation to applicable federal laws and regulations so that adequate and high quality health care may be made available to all children and adults who need the care and are not financially able to pay for it.

(b) If a provision of this chapter conflicts with a provision of the Social Security Act or any other federal act and renders the state program out of conformity with federal law to the extent that federal matching money is not available to the state, the conflicting provision of state law shall be inoperative to the extent of the conflict but shall not affect the remainder of this chapter.

Acts 1979, 66th Leg., p. 2348, ch. 842, art. 1, Sec. 1, eff. Sept. 1, 1979.

Sec. 32.003. DEFINITIONS. In this chapter:

(1) "Board" means the Health and Human Services Commission or the governing body of an agency operating part of the medical assistance program, as appropriate.

(3) "Department" means the Health and Human Services Commission or an agency operating part of the medical assistance
program, as appropriate.

(4) "Medical assistance" includes all of the health care and related services and benefits authorized or provided under federal law for needy individuals of this state.

**SUBCHAPTER B. ADMINISTRATIVE PROVISIONS**

Sec. 32.021. ADMINISTRATION OF THE PROGRAM. (a) The department is the state agency designated to administer the medical assistance program provided in this chapter.

(b) The department shall enter into agreements with any federal agency designated by federal law to administer medical assistance when the department determines the agreements to be compatible with the state's participation in the medical assistance program and within the limits of appropriated funds. The department shall cooperate with federal agencies designated by federal law to administer medical assistance in any reasonable manner necessary to qualify for federal funds.

(c) The department shall establish methods of administration and adopt necessary rules for the proper and efficient operation of the program.

(d) The department shall include in its contracts for the delivery of medical assistance by nursing facilities provisions for monetary penalties to be assessed for violations as required by 42 U.S.C. Section 1396r, including without limitation the Omnibus Budget Reconciliation Act (OBRA), P. L. 100-203, Nursing Home Reform Amendments of 1987, provided that the department shall:

(1) provide for an informal dispute resolution process in the Health and Human Services Commission as provided by Section 531.058, Government Code; and

(2) develop rules to adjudicate claims in contested cases, including claims unresolved by the informal dispute resolution process of the Health and Human Services Commission.

(e) Rules governing the application of penalties shall include the following:

(1) specific and objective criteria which describe the
scope and severity of a contract violation which results in a recommendation for each specific penalty. Penalties must be appropriate to the violation, and the most severe financial penalties must be reserved for situations which create an immediate and serious threat to the health and safety of residents; "immediate and serious threat" means a situation in which there is a high probability that serious harm or injury to patients could occur at any time or already has occurred and may well occur again if patients are not protected effectively from the harm or if the threat is not removed;

(2) a system to ensure standard and consistent application of penalties among surveyors and different areas of the state;

(3) due process for nursing facilities providers, including an appeals procedure consistent with Chapter 2001, Government Code; and

(4) per diem and/or minimum penalties. The department may by rule prescribe a minimum penalty period; however, once a facility gives the department notice that deficiencies have been corrected, if surveyors are unable to revisit the facility within five days and the deficiencies are later shown to be corrected, the per diem penalties cease as of the day the facility gave notice to the department or on the last day of the minimum penalty period established by the department, whichever is later.

(f) To encourage facilities to provide the best possible care, the department shall develop an incentive program to recognize facilities providing the highest quality care to Medicaid residents.

(g) Funds collected as a result of the imposition of penalties shall be applied to the protection of the health or property of residents of nursing facilities, including the cost of relocation of residents to other facilities and maintenance or operation of a facility pending correction of deficiencies or closure, or to incentive programs which recognize the highest quality care to residents who are entitled to Medicaid.

(h) Medicaid nursing facilities shall also comply with state licensure rules, which may be more stringent than the requirements for certification. The department shall use appropriate civil, administrative, or criminal remedies authorized by state or federal law with respect to a facility that is in violation of a certification or licensing requirement.

(i) Repealed by Acts 2003, 78th Leg., ch. 204, Sec. 16.03(1).

(j) Repealed by Acts 2001, 77th Leg., ch. 1284, Sec. 3.04, eff.

(l) The department may not include as a reimbursable item to a nursing facility an administrative or civil penalty assessed against the facility under this chapter or under Chapter 242, Health and Safety Code.

(m) Notwithstanding any provision of law to the contrary, the department shall terminate a nursing facility's provider agreement if the department has imposed required Category 2 or Category 3 remedies on the facility three times within a 24-month period. The executive commissioner of the Health and Human Services Commission by rule shall establish criteria under which the requirement to terminate the provider agreement may be waived. In this subsection, "Category 2 remedies" and "Category 3 remedies" have the meanings assigned by 42 C.F.R. Section 488.408.

(n) An assessment of monetary penalties under this section is subject to arbitration under Subchapter H-2, Chapter 242, Health and Safety Code.

(o) In any circumstance in which a nursing facility would otherwise be required to admit a resident transferred from another facility, because of an emergency or otherwise, the nursing facility may not admit a resident whose needs cannot be met through service from the facility's staff or in cooperation with community resources or other providers under contract. If a nursing facility refuses to admit a resident under this subsection, the nursing facility shall provide a written statement of the reasons for the refusal to the department within a period specified by department rule. A nursing facility that fails to provide the written statement, or that includes false or misleading information in the statement, is subject to monetary penalties assessed in accordance with this chapter.

(p) In order to increase the personal needs allowance under Section 32.024(v), as added by Chapter 1333, Acts of the 76th Legislature, Regular Session, 1999, the department shall develop an early warning system to detect fraud in the handling of the personal needs allowance and other funds of residents of long-term care facilities.

(q) The department shall include in its contracts for the delivery of medical assistance by nursing facilities clearly defined minimum standards that relate directly to the quality of care for residents of those facilities. The department shall consider the
recommendations made by the nursing facility quality assurance team under Section 32.060 in establishing the standards. The department shall include in each contract:

(1) specific performance measures by which the department may evaluate the extent to which the nursing facility is meeting the standards; and

(2) provisions that allow the department to terminate the contract if the nursing facility is not meeting the standards.

(r) The department may not award a contract for the delivery of medical assistance to a nursing facility that does not meet the minimum standards that would be included in the contract as required by Subsection (q). The department shall terminate a contract for the delivery of medical assistance by a nursing facility that does not meet or maintain the minimum standards included in the contract in a manner consistent with the terms of the contract.

   (3) an administrative appeals process to adjudicate claims in contested cases in accordance with Chapter 2001, Government Code.

(c) Rules adopted under this section must be designed to minimize the time between the identification of a violation and the final imposition of a penalty. Rules adopted under this section may authorize the imposition of a penalty that assesses and collects a
monetary penalty, with interest, for a minimum penalty period and on a subsequent per diem basis.

(d) A penalty must be appropriate to the violation. The department may assess incrementally more severe penalties for repeated or uncorrected violations.

(e) The department shall review a penalized provider within 10 working days after the provider notifies the department that the deficiency that caused the imposition of the penalty has been corrected. If the department is unable to review the provider within that 10-working-day period, the penalty ceases on the earlier of the last day of the minimum penalty period or the date the provider gives notice to the department.

(f) Money collected as a result of the imposition of penalties may be used for the protection of the health or property of an individual whose personal property was lost due to a failure of a home or community care provider to meet the requirements for participation as a provider of home or community care.

Sec. 32.022. MEDICAL AND HOSPITAL CARE ADVISORY COMMITTEES.
(a) The board, on the recommendation of the commissioner, shall appoint a medical care advisory committee to advise the board and the department in developing and maintaining the medical assistance program and in making immediate and long-range plans for reaching the program's goal of providing access to high quality, comprehensive medical and health care services to medically indigent persons in the state. To ensure that qualified applicants receive services, the committee shall consider changes in the process the department uses to determine eligibility.

(b) The board shall appoint the committee in compliance with the requirements of the federal agency administering medical assistance. The appointments shall provide for a balanced representation of the general public, providers, consumers, and other persons, state agencies, or groups with knowledge of and interest in the committee's field of work.

The board shall appoint to the committee persons with knowledge of and an interest in hospital payment issues.

Sec. 32.023. COOPERATION WITH OTHER STATE AGENCIES. (a) The department's plan for administering medical assistance must include procedures for using health services administered by other state agencies pursuant to cooperative arrangements.

(b) The department may enter into agreements with appropriate state agencies that will enable the department to implement Title XIX of the federal Social Security Act to provide medical assistance for individuals in institutions or in alternate care arrangements. The agreements must comply with federal law and rules. The department may make medical assistance payments in accordance with the agreements. The agreements are not subject to the Interagency Cooperation Act (Article 4413(32), Vernon's Texas Civil Statutes).

(c) State agencies responsible for the administration or supervision of facilities to which medical assistance payments may be made under federal law shall enter into the agreements with the department and maintain compliance with the agreements so that the department may receive federal matching funds to support the medical assistance program.

(d) The department may pay medical assistance to other
facilities as required under federal law and rules.

(2) any attempt to obtain or the receipt of funding under Title XIX of the federal Social Security Act (42 U.S.C. Section 301 et seq.) for a pilot program; and

(3) any amendment to the state medical assistance plan.

(b) The notice must include the name and telephone number of a department employee who can provide information relating to the matter for which notice was published under this section.

Sec. 32.024. AUTHORITY AND SCOPE OF PROGRAM; ELIGIBILITY. (a) The department shall provide medical assistance to all persons who receive financial assistance from the state under Chapter 31 of this code and to other related groups of persons if the provision of medical assistance to those persons is required by federal law and rules as a condition for obtaining federal matching funds for the support of the medical assistance program.

(b) The department may provide medical assistance to other persons who are financially unable to meet the cost of medical services if federal matching funds are available for that purpose. The department shall adopt rules governing the eligibility of those persons for the services.

(c) The department shall establish standards governing the amount, duration, and scope of services provided under the medical assistance program. The standards may not be lower than the minimum
standards required by federal law and rule as a condition for obtaining federal matching funds for support of the program, and may not be lower than the standards in effect on August 27, 1967. (d) The department may establish standards that increase the amount, duration, and scope of the services provided only if federal matching funds are available for the optional services and payments and if the department determines that the increase is feasible and within the limits of appropriated funds. The department may establish and maintain priorities for the provision of the optional medical services.

(e) The department may not authorize the provision of any service to any person under the program unless federal matching funds are available to pay the cost of the service.

(f) The department shall set the income eligibility cap for persons qualifying for nursing home care at an amount that is not less than $1,104 and that does not exceed the highest income for which federal matching funds are payable. The department shall set the cap at a higher amount than the minimum provided by this subsection if appropriations made by the legislature for a fiscal year will finance benefits at the higher cap for at least the same number of recipients of the benefits during that year as were served during the preceding fiscal year, as estimated by the department. In setting an income eligibility cap under this subsection, the department shall consider the cost of the adjustment required by Subsection (g) of this section.

(g) During a fiscal year for which the cap described by Subsection (f) of this section has been set, the department shall adjust the cap in accordance with any percentage change in the amount of benefits being paid to social security recipients during the year.

(h) Subject to the amount of the cap set as provided by Subsections (f) and (g) of this section, and to the extent permitted by federal law, the income eligibility cap for community care for
aged and disabled persons shall be the same as the income eligibility cap for nursing home care. The department shall ensure that the eligibility requirements for persons receiving other services under the medical assistance program are not affected.

4. the sealing of premolars and primary molars will not be reimbursed; and
5. replacement sealants will not be reimbursed.

(s) The department, in its rules governing the early and periodic screening, diagnosis, and treatment program, shall:

If the request is for authorization of the provision of transportation on more than one day, the department by rule shall require a physician, nursing facility, health care provider, or other responsible party to obtain a single authorization before an ambulance is used to transport a recipient of medical assistance under this chapter in circumstances not involving an emergency. The rules must provide that:

(2) that receipt of financial assistance under Chapter 31 ceases.

(b) If the review required by this section indicates that the child may be eligible for medical assistance on a basis other than receipt of financial assistance under Chapter 31, the department may provide for provisional eligibility for medical assistance for the child pending a recertification review. The provisional eligibility period authorized by this subsection may not exceed one month.

(c) In addition to the review required by this section, the department shall also promote continued medical assistance for a child described by Subsection (a) through:

(e) The department shall permit a recertification review of the eligibility and need for medical assistance of a child under 19 years of age to be conducted by telephone or mail instead of through a personal appearance at a department office, unless the department determines that the information needed to verify eligibility cannot be obtained in that manner. The department by rule may develop procedures to determine whether there is a need for a recertification review of a child described by this subsection to be conducted through a personal interview with a department representative. Procedures developed under this subsection shall be based on objective, risk-based factors and conditions and shall focus on a targeted group of recertification reviews for which there is a high probability that eligibility will not be recertified.

(f) In adopting rules under this section, the department shall ensure, to the extent allowed by federal law, that forms and procedures used in conducting a recertification review of the eligibility and need for medical assistance of a child under 19 years of age, including documentation and verification procedures, are the same as the forms and procedures used to determine and certify a child's renewal of coverage under Chapter 62, Health and Safety Code.

(b) The owner of a life insurance policy with a face amount of more than $10,000 may enter into a life settlement contract under Chapter 1111A, Insurance Code, for the benefit of a recipient of long-term care services and support in exchange for direct payments to:

(1) a health care provider for the provision of those services to that recipient; or

(2) the state to offset the costs of providing those services to that recipient under the medical assistance program.

(c) The proceeds of a life settlement contract entered into under this section must be used for the payment of long-term care
services and support, except for the amount specified in Subsection (d)(1). To the extent feasible and allowed under federal law, the medical assistance program may act only as the secondary payor for long-term care services and support provided to a person who is eligible for medical assistance and for whose benefit an owner of a life insurance policy has entered into a life settlement contract under this section.

(d) In addition to the requirements under Chapter 1111A, Insurance Code, a life settlement contract entered into under this section must:

(1) provide that the lesser of five percent of the face amount of the life insurance policy or $5,000 is reserved and is payable to the owner's estate or a named beneficiary for funeral expenses;

(2) provide that the balance of proceeds under the life settlement contract that are unpaid on the death of the owner must be paid to the owner's estate or a named beneficiary; and

(3) specify the total amount payable for the benefit of the recipient of long-term care services and support under the life settlement contract.

(e) All proceeds of a life settlement contract entered into under this section must be held in an irrevocable state or federally insured account for the benefit of the recipient of long-term care services and support or for payment as otherwise required by this section.

(f) Only a recipient of long-term care services and support for whose benefit an owner enters into a life settlement contract under this section may choose the provider and type of services provided to the recipient and paid for out of an account described by Subsection (e). Any attempt by a person to require the recipient to choose a specific provider is strictly prohibited and constitutes an unfair method of competition or an unfair or deceptive act or practice under the Insurance Code.

(g) A person who enters into a life settlement contract with an owner of a life insurance policy under this section must maintain:

(1) a surety bond executed and issued by an insurer authorized to issue surety bonds in this state;

(2) a policy of errors and omissions insurance; or

(3) a deposit in the amount of $500,000 in any combination of cash, certificates of deposit, or securities.
(h) In accordance with the requirements of Chapter 1111A, Insurance Code, a life settlement contract provider who enters into life settlement contracts with owners of life insurance policies under this section must file with the Texas Department of Insurance:

(1) all life settlement contract forms used by the provider; and

(2) all advertising and marketing materials used by the provider.

(i) Section 1111A.022(a)(2)(A), Insurance Code, does not apply to a life insurance policy that is the subject of a life settlement contract entered into under this section if the contract has been in force at least five years.

(j) A claim against a life settlement contract provider with whom an owner of a life insurance policy enters into a life settlement contract under this section by the owner, the owner's estate, a named beneficiary, or any other person with respect to the contract may not exceed the face amount of the policy, less the proceeds paid under the contract, plus the total amount of premiums paid by the owner since entering into the contract. A life settlement contract provider must pay a claim under this subsection from the funds in an account described by Subsection (e).

(k) In accordance with Chapter 1111A, Insurance Code, the Texas Department of Insurance may conduct periodic market examinations of each life settlement contract provider who enters into a life settlement contract with an owner of a life insurance policy under this section.

(l) The department shall educate applicants for long-term care services and support under the medical assistance program about options for life insurance policies, including options that do not allow a life insurance policy to be considered as an asset or resource in determining eligibility for medical assistance.

(m) The executive commissioner of the Health and Human Services Commission, in consultation with the commissioner of insurance, shall adopt rules necessary to implement this section. The rules must ensure that:

(1) proceeds from a life settlement contract are used to reimburse a provider of long-term care services and support or the state to offset the cost of medical assistance long-term care services and support;

(2) eligibility and need for medical assistance are
determined without considering the balance of proceeds from a life settlement contract as provided in this section; and

(3) payments to a provider of long-term care services and support and applied income payments are made in accordance with this chapter.

(n) The entry into a life settlement contract by an owner of a life insurance policy under this section is not the only method by which the owner may avoid having the policy considered as an asset or resource in determining the eligibility of the owner for medical assistance.

(o) Notwithstanding the provisions of this section, the department may not implement a provision of this section if the commission determines that implementation of the provision is not cost-effective or feasible.

The department shall adopt reasonable rules for minimizing the opportunity for fraud and abuse, for establishing and maintaining methods for detecting and identifying situations in which a question of fraud or abuse in the program may exist, and for referring cases where fraud or abuse appears to exist to the appropriate law enforcement agencies for prosecution.

Sec. 32.0321. SURETY BOND. (a) The department by rule may require each provider of medical assistance in a provider type that has demonstrated significant potential for fraud or abuse to file with the department a surety bond in a reasonable amount. The department by rule shall require a provider of medical assistance to file with the department a surety bond in a reasonable amount if the department identifies a pattern of suspected fraud or abuse involving criminal conduct relating to the provider's services under the medical assistance program that indicates the need for protection against potential future acts of fraud or abuse.

The bond must be payable to the department to compensate residents of the bonded provider for trust funds that are lost, stolen, or otherwise unaccounted for if the provider does not repay any deficiency in a resident's trust fund account to the person legally entitled to receive the funds.

(d) The department may not require the amount of a surety bond posted for a single facility provider under Subsection (c) to exceed the average of the total average monthly balance of all the provider's resident trust fund accounts for the 12-month period preceding the bond issuance or renewal date.

(e) If an employee of a provider of medical assistance is responsible for the loss of funds in a resident's trust fund account, the resident, the resident's family, and the resident's legal representative are not obligated to make any payments to the provider that would have been made out of the trust fund had the loss not occurred.

Sec. 32.0322. CRIMINAL HISTORY RECORD INFORMATION; ENROLLMENT OF PROVIDERS. (a) The department or the office of inspector general established under Chapter 531, Government Code, may obtain from any law enforcement or criminal justice agency the criminal history record information that relates to a provider under the medical assistance program or a person applying to enroll as a provider under the medical assistance program.

(a-1) The criminal history record information the department and the office of inspector general are authorized to obtain under Subsection (a) includes criminal history record information relating

(2) a person whose information is required to be disclosed in accordance with 42 C.F.R. Part 1001.

(b) Subject to Subsections (b-1) and (e), the executive commissioner of the Health and Human Services Commission by rule shall establish criteria for the department or the commission's office of inspector general to suspend a provider's billing privileges under the medical assistance program, revoke a provider's enrollment under the program, or deny a person's application to enroll as a provider under the program based on:

(1) the results of a criminal history check;

(2) any exclusion or debarment of the provider from participation in a state or federally funded health care program;

(3) the provider's failure to bill for medical assistance or refer clients for medical assistance within a 12-month period; or

(4) any of the provider screening or enrollment provisions contained in 42 C.F.R. Part 455, Subpart E.

(b-1) In adopting rules under this section, the executive commissioner of the Health and Human Services Commission shall require revocation of a provider's enrollment or denial of a person's application for enrollment as a provider under the medical assistance program if the person has been excluded or debarred from participation in a state or federally funded health care program as a result of:

(1) a criminal conviction or finding of civil or administrative liability for committing a fraudulent act, theft, embezzlement, or other financial misconduct under a state or federally funded health care program; or

(2) a criminal conviction for committing an act under a state or federally funded health care program that caused bodily injury to:

(A) a person who is 65 years of age or older;

(B) a person with a disability; or

(C) a person under 18 years of age.

(c) As a condition of eligibility to participate as a provider in the medical assistance program, the executive commissioner of the Health and Human Services Commission by rule shall:
require a provider or a person applying to enroll as a provider to disclose:

(A) all persons described by Subsection (a-1)(1);
(B) any managing employees of the provider; and
(C) an agent or subcontractor of the provider if:

(i) the provider or a person described by Subsection (a-1)(1) has a direct or indirect ownership interest of at least five percent in the agent or subcontractor; or

(2) require disclosure by persons applying for enrollment as providers and provide for screening of applicants for enrollment in conformity and compliance with the requirements of 42 C.F.R. Part 455, Subparts B and E.

(d) In adopting rules under this section, the executive commissioner of the Health and Human Services Commission shall adopt rules as authorized by and in conformity with 42 C.F.R. Section 455.470 for the imposition of a temporary moratorium on enrollment of new providers, or to impose numerical caps or other limits on the enrollment of providers, that the department or the commission's office of inspector general, in consultation with the department, determines have a significant potential for fraud, waste, or abuse.

(e) The department may reinstate a provider's enrollment under the medical assistance program or grant a person's previously denied application to enroll as a provider, including a person described by Subsection (b-1), if the department finds:

(1) good cause to determine that it is in the best interest of the medical assistance program; and

(2) the person has not committed an act that would require revocation of a provider's enrollment or denial of a person's application to enroll since the person's enrollment was revoked or application was denied, as appropriate.

(f) The department must support a determination made under Subsection (e) with written findings of good cause for the determination.

Sec. 32.033. SUBROGATION. (a) The filing of an application for or receipt of medical assistance constitutes an assignment of the applicant's or recipient's right of recovery from:

(1) personal insurance;
(2) other sources; or
(3) another person for personal injury caused by the other person's negligence or wrong.

(b) A person who applies for or receives medical assistance shall inform the department, at the time of application or at any time during eligibility and receipt of services, of any unsettled tort claim which may affect medical needs and of any private accident or sickness insurance coverage that is or may become available. A recipient shall inform the department of any injury requiring medical attention that is caused by the act or failure to act of some other person. An applicant or a recipient shall inform the department as required by this subsection within 60 days of the date the person learns of his or her insurance coverage, tort claim, or potential cause of action. An applicant or a recipient who knowingly and intentionally fails to disclose the information required by this subsection commits a Class C misdemeanor.

(c) A claim for damages for personal injury does not constitute grounds for denying or discontinuing assistance under this chapter.

(d) A separate and distinct cause of action in favor of the state is hereby created, and the department may, without written consent, take direct civil action in any court of competent jurisdiction. A suit brought under this section need not be ancillary to or dependent upon any other action.

(e) The department's right of recovery is limited to the amount of the cost of medical care services paid by the department. Other subrogation rights granted under this section are limited to the cost of the services provided.

(f) The commissioner may waive the department's right of
recovery in whole or in part when the commissioner finds that
enforcement would tend to defeat the purpose of public assistance.

(g) The department may designate an agent to collect funds the
department has a right to recover from third parties under this
section. The department shall use any funds collected to pay costs
of administering the medical assistance program.

(h) The department may adopt rules for the enforcement of its

department intends to cancel its contract or impose monetary
penalties under a contract with a person providing medical

opportunity for hearing if one is requested. The department shall
adopt rules consistent with Chapter 2001, Government Code to
implement this section, and hearings under this section are contested
cases under that act.

(b) The department may not terminate a contract during the
pendency of a hearing under this section. The department may
withhold payments during the pendency of a hearing, but the
department shall pay the withheld payments and resume contract
payments if the final determination is favorable to the contractor.
The department's authority to withhold payments shall be established
by contract.

(c) The section does not apply if federal matching funds are
not available to pay the facility whose contract is being cancelled.
If federal matching funds cannot be used, no state funds may be used
to pay the facility.

Sec. 32.036. PROGRAM PAYMENTS NONASSIGNABLE AND EXEMPT FROM LEGAL PROCESS. (a) Neither medical assistance nor payments to providers of medical assistance under this chapter are transferable or assignable at law or in equity.

(b) No money paid or payable under the provisions of this chapter is subject to execution, levy, attachment, garnishment, or any other legal process, or the operation of any insolvency law.

(c) This section does not apply to the extent that it conflicts with the Social Security Act (42 U.S.C. Section 1396a(a)(32)).

Sec. 32.038. COLLECTION OF INSURANCE PAYMENTS. (a) The department may receive directly from an insurance company any payments to which the department is entitled under Section 1204.153, Insurance Code.

(b) The department shall adopt rules to implement this section, including rules establishing procedures relating to:

Sec. 32.0381.  ICF-MR PAYMENT RATES.  (a) The board shall set
the payment rates for ICF-MR facilities at least annually.

(b) The board shall adopt by rule the methodology used by the
department in setting payment rates for ICF-MR facilities. The
methodology shall clearly define the procedures and methods used in
projecting the costs of economic and efficient facilities and the
procedures and methods used in setting payment rates that reasonably
reimburse facilities at each level of care and in each class of
providers, including size categories.

(c) The board shall ensure that the methodology used in
projecting costs and setting payment rates and its implementation is
the same for state-operated ICF-MR facilities and for private ICF-MR
facilities. Methods used to project costs, including those involving
the handling of gifts, grants, and donations, upper limits on
facility and administrative costs, occupancy adjustments, and in
assessing the cost impact of new or revised requirements, must be the
same for state-operated and private facilities.

(d) To the extent allowed by federal law, any differences in
methodology or its implementation between state-operated facilities
and private facilities must be stated explicitly in the rule, must be
related to actual differences in the nature of the expenses incurred
by the class of providers, including size categories, and must not
favor state-operated facilities in setting payment rates. When the
proposed rule or amendments to the rule are published for public
comment, the commissioner must certify that any differences in methodology between classes of providers, including size categories, are necessitated by cost structure and will not favor state-operated facilities in the setting of payment rates.

Sec. 32.039. DAMAGES AND PENALTIES. (a) In this section:

(2) "Managed care organization" means any entity or person that is authorized or otherwise permitted by law to arrange for or provide a managed care plan.
(3) "Managed care plan" means a plan under which a person undertakes to provide, arrange for, pay for, or reimburse any part of the cost of any health care service. A part of the plan must consist of arranging for or providing health care services as distinguished from indemnification against the cost of those services on a prepaid basis through insurance or otherwise. The term does not include a plan that indemnifies a person for the cost of health care services through insurance.
(4) A person "should know" or "should have known" information to be false if the person acts in deliberate ignorance of the truth or falsity of the information or in reckless disregard of the truth or falsity of the information, and proof of the person's specific intent to defraud is not required.
(b) A person commits a violation if the person:
(1) presents or causes to be presented to the department a claim that contains a statement or representation the person knows or should know to be false;
(1-a) engages in conduct that violates Section 102.001, Occupations Code;

(1-c) solicits or receives, directly or indirectly, overtly or covertly any remuneration, including any kickback, bribe, or rebate, in cash or in kind for purchasing, leasing, or ordering, or arranging for or recommending the purchasing, leasing, or ordering of, any good, facility, service, or item for which payment may be made, in whole or in part, under the medical assistance program;

(1-d) offers or pays, directly or indirectly, overtly or covertly any remuneration, including any kickback, bribe, or rebate, in cash or in kind to induce a person to refer an individual to another person for the furnishing of, or for arranging the furnishing of, any item or service for which payment may be made, in whole or in part, under the medical assistance program, provided that this subdivision does not prohibit the referral of a patient to another practitioner within a multispecialty group or university medical services research and development plan (practice plan) for medically necessary services;

(1-e) offers or pays, directly or indirectly, overtly or covertly any remuneration, including any kickback, bribe, or rebate, in cash or in kind to induce a person to purchase, lease, or order, or arrange for or recommend the purchase, lease, or order of, any good, facility, service, or item for which payment may be made, in whole or in part, under the medical assistance program;

(1-f) provides, offers, or receives an inducement in a manner or for a purpose not otherwise prohibited by this section or Section 102.001, Occupations Code, to or from a person, including a recipient, provider, employee or agent of a provider, third-party vendor, or public servant, for the purpose of influencing or being influenced in a decision regarding:

(A) selection of a provider or receipt of a good or service under the medical assistance program;

(B) the use of goods or services provided under the medical assistance program; or

(C) the inclusion or exclusion of goods or services
available under the medical assistance program;

(2) is a managed care organization that contracts with the department to provide or arrange to provide health care benefits or services to individuals eligible for medical assistance and:

(A) fails to provide to an individual a health care benefit or service that the organization is required to provide under the contract with the department;

(B) fails to provide to the department information required to be provided by law, department rule, or contractual provision;

(C) engages in a fraudulent activity in connection with the enrollment in the organization's managed care plan of an individual eligible for medical assistance or in connection with marketing the organization's services to an individual eligible for medical assistance; or

(D) engages in actions that indicate a pattern of:

(i) wrongful denial of payment for a health care benefit or service that the organization is required to provide under the contract with the department; or

(ii) wrongful delay of at least 45 days or a longer period specified in the contract with the department, not to exceed 60 days, in making payment for a health care benefit or service that the organization is required to provide under the contract with the department; or

(3) fails to maintain documentation to support a claim for payment in accordance with the requirements specified by department rule or medical assistance program policy or engages in any other conduct that a department rule has defined as a violation of the medical assistance program.

(b-1) A person who commits a violation described by Subsection (b)(3) is liable to the department for either the amount paid in response to the claim for payment or the payment of an administrative penalty in an amount not to exceed $500 for each violation, as determined by the department.

(c) A person who commits a violation under Subsection (b) is liable to the department for:

(1) the amount paid, if any, as a result of the violation and interest on that amount determined at the rate provided by law for legal judgments and accruing from the date on which the payment was made; and
(2) payment of an administrative penalty of an amount not to exceed twice the amount paid, if any, as a result of the violation, plus an amount:

(A) not less than $5,000 or more than $15,000 for each violation that results in injury to an elderly person, as defined by Section 48.002(1), a disabled person, as defined by Section 48.002(8)(A), or a person younger than 18 years of age; or

(B) not more than $10,000 for each violation that does not result in injury to a person described by Paragraph (A).

(d) Unless the provider submitted information to the department for use in preparing a voucher that the provider knew or should have known was false or failed to correct information that the provider knew or should have known was false when provided an opportunity to do so, this section does not apply to a claim based on the voucher if the department calculated and printed the amount of the claim on the voucher and then submitted the voucher to the provider for the provider's signature. In addition, the provider's signature on the voucher does not constitute fraud. The department shall adopt rules that establish a grace period during which errors contained in a voucher prepared by the department may be corrected without penalty to the provider.

(e) In determining the amount of the penalty to be assessed under Subsection (c)(2), the department shall consider:

(1) the seriousness of the violation;

(2) whether the person had previously committed a violation; and

(3) the amount necessary to deter the person from committing future violations.

(f) If after an examination of the facts the department concludes that the person committed a violation, the department may issue a preliminary report stating the facts on which it based its conclusion, recommending that an administrative penalty under this section be imposed and recommending the amount of the proposed penalty.

(g) The department shall give written notice of the report to the person charged with committing the violation. The notice must include a brief summary of the facts, a statement of the amount of the recommended penalty, and a statement of the person's right to an informal review of the alleged violation, the amount of the penalty, or both the alleged violation and the amount of the penalty.
(h) Not later than the 10th day after the date on which the person charged with committing the violation receives the notice, the person may either give the department written consent to the report, including the recommended penalty, or make a written request for an informal review by the department.

(i) If the person charged with committing the violation consents to the penalty recommended by the department or fails to timely request an informal review, the department shall assess the penalty. The department shall give the person written notice of its action. The person shall pay the penalty not later than the 30th day after the date on which the person receives the notice.

(j) If the person charged with committing the violation requests an informal review as provided by Subsection (h), the department shall conduct the review. The department shall give the person written notice of the results of the review.

(k) Not later than the 10th day after the date on which the person charged with committing the violation receives the notice prescribed by Subsection (j), the person may make to the department a written request for a hearing. The hearing must be conducted in accordance with Chapter 2001, Government Code.

(l) If, after informal review, a person who has been ordered to pay a penalty fails to request a formal hearing in a timely manner, the department shall assess the penalty. The department shall give the person written notice of its action. The person shall pay the penalty not later than the 30th day after the date on which the person receives the notice.

(m) Within 30 days after the date on which the board's order issued after a hearing under Subsection (k) becomes final as provided by Section 2001.144, Government Code, the person shall:

(1) pay the amount of the penalty;

(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or

(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(n) A person who acts under Subsection (m)(3) within the 30-day period may:
(1) stay enforcement of the penalty by:
   (A) paying the amount of the penalty to the court for placement in an escrow account; or
   (B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the department's order is final; or
   (2) request the court to stay enforcement of the penalty by:
       (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and
       (B) giving a copy of the affidavit to the commissioner by certified mail.

   (o) If the commissioner receives a copy of an affidavit under Subsection (n)(2), the commissioner may file with the court, within five days after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

   (p) If the person charged does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the department may forward the matter to the attorney general for enforcement of the penalty and interest as provided by law for legal judgments. An action to enforce a penalty order under this section must be initiated in a court of competent jurisdiction in Travis County or in the county in which the violation was committed.

   (q) Judicial review of a department order or review under this section assessing a penalty is under the substantial evidence rule. A suit may be initiated by filing a petition with a district court in Travis County, as provided by Subchapter G, Chapter 2001, Government Code.

   (r) If a penalty is reduced or not assessed, the department shall remit to the person the appropriate amount plus accrued interest if the penalty has been paid or shall execute a release of the bond if a supersedeas bond has been posted. The accrued interest
on amounts remitted by the department under this subsection shall be paid at a rate equal to the rate provided by law for legal judgments and shall be paid for the period beginning on the date the penalty is paid to the department under this section and ending on the date the penalty is remitted.

(s) A damage, cost, or penalty collected under this section is not an allowable expense in a claim or cost report that is or could be used to determine a rate or payment under the medical assistance program.

(t) All funds collected under this section shall be deposited in the State Treasury to the credit of the General Revenue Fund.

(u) Except as provided by Subsection (w), a person found liable for a violation under Subsection (c) that resulted in injury to an elderly person, as defined by Section 48.002(a)(1), a disabled person, as defined by Section 48.002(a)(8)(A), or a person younger than 18 years of age may not provide or arrange to provide health care services under the medical assistance program for a period of 10 years. The department by rule may provide for a period of ineligibility longer than 10 years. The period of ineligibility begins on the date on which the determination that the person is liable becomes final.

1. the person's knowledge of the violation;
2. the likelihood that education provided to the person would be sufficient to prevent future violations;
3. the potential impact on availability of services in the
community served by the person; and

(4) any other reasonable factor identified by the department.

(C) providing complimentary refreshments at an informational meeting promoting the person's goods or services;

Sec. 32.041. MEDICAID MANAGED CARE DEMONSTRATION PROJECT. (a) Beginning September 1, 1991, the department in consultation with the
Medicaid analysis and cost control unit of the Legislative Budget
Board shall initiate the planning for a Medicaid managed care
demonstration project.

(b) The department shall request necessary waivers and
approvals from the federal Health Care Financing Administration
(HCFA) and other appropriate entities that will enable the state to
begin implementation of the demonstration program not later than
January 1, 1993.

(c) On or before January 1, 1995, the department shall evaluate
the demonstration programs using specifications developed by the
federal Health Care Financing Administration.

(d) If the results of the evaluation indicate that the program
is cost-effective, the department shall incorporate a request for
funding for the continuation or expansion of the managed care approach in its Medicaid program in the department's budget request for the 1996-1997 biennium.

Sec. 32.042. INFORMATION REQUIRED FROM HEALTH INSURERS. (a) An insurer shall maintain a file system that contains:

(1) the name, address, including claim submission address, group policy number, employer's mailing address, social security number, and date of birth of each enrollee, beneficiary, subscriber, or policyholder covered by the insurer; and

(2) the name, address, including claim submission address, and date of birth of each dependent of each enrollee, beneficiary, subscriber, or policyholder covered by the insurer.

(b) The state's Medicaid third-party recovery division shall identify state medical assistance recipients who have third-party health coverage or insurance as provided by this subsection. The department may:

(1) provide to an insurer Medicaid data tapes that identify medical assistance recipients and request that the insurer identify each enrollee, beneficiary, subscriber, or policyholder of the insurer whose name also appears on the Medicaid data tape; or

(2) request that an insurer provide to the department identifying information for each enrollee, beneficiary, subscriber, or policyholder of the insurer.

(b-1) An insurer from which the department requests information under Subsection (b) shall provide that information, except that the insurer is only required to provide the department with the information maintained under Subsection (a) by the insurer or made available to the insurer from the plan. A plan administrator is subject to Subsection (b) and shall provide information under that subsection to the extent the information is made available to the plan administrator from the insurer or plan.

(c) An insurer may not be required to provide information in response to a request under this section more than once every six months.
(d) An insurer shall provide the information required under Subsection (b)(1) only if the department certifies that the identified individuals are applicants for or recipients of services under Medicaid or are legally responsible for an applicant for or recipient of Medicaid services.

(e) The department shall enter into an agreement to reimburse an insurer or plan administrator for necessary and reasonable costs incurred in providing information requested under Subsection (b)(1), not to exceed $5,000 for each data match made under that subdivision. If the department makes a data match using information provided under Subsection (b)(2), the department shall reimburse the insurer or plan administrator for reasonable administrative expenses incurred in providing the information. The reimbursement for information under Subsection (b)(2) may not exceed $5,000 for initially producing information with respect to a person, or $200 for each subsequent production of information with respect to the person. The department may enter into an agreement with an insurer or plan administrator that provides procedures for requesting and providing information under this section. An agreement under this subsection may not be inconsistent with any law relating to the confidentiality or privacy of personal information or medical records. The procedures agreed to under this subsection must state the time and manner the procedures take effect.

(f) Information required to be furnished to the department under this section is limited to information necessary to determine whether health benefits have been or should have been claimed and paid under a health insurance policy or plan for medical care or services received by an individual for whom Medicaid coverage would otherwise be available.

(g) Information regarding an individual certified to an insurer as an applicant for or recipient of medical assistance may only be used to identify the records or information requested and may not violate the confidentiality of the applicant or recipient. The department shall establish guidelines not later than the date on which the procedures agreed to under Subsection (e) take effect.

(h) This section applies to a plan administrator in the same manner and to the same extent as an insurer if the plan administrator has the information necessary to comply with the applicable requirement.

(i) In this section:
(1) "Insurer" means a group health services corporation, a health maintenance organization, a self-funded or self-insured welfare or benefit plan or program to the extent the regulation of the plan or program is not preempted by federal law, and any other entity that provides health coverage in this state through an employer, union, trade association, or other organization or other source.

(2) "Plan administrator" means a third-party administrator, prescription drug payer or administrator, pharmacy benefit manager, or dental payer or administrator.

(b) The amount of the penalty may not exceed $10,000 for each day of noncompliance that occurs after the 180th day after the date of the request. The amount shall be based on:

(1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
(2) the economic harm caused by the violation;
(3) the history of previous violations;
(4) the amount necessary to deter a future violation;
(5) efforts to correct the violation; and
(6) any other matter that justice may require.

(c) The enforcement of the penalty may be stayed during the time the order is under judicial review if the person pays the penalty to the clerk of the court or files a supersedeas bond with the court in the amount of the penalty. A person who cannot afford to pay the penalty or file the bond may stay the enforcement by filing an affidavit in the manner required by the Texas Rules of Civil Procedure for a party who cannot afford to file security for
costs, subject to the right of the department to contest the affidavit as provided by those rules.

(d) The attorney general may sue to collect the penalty.

(e) A proceeding to impose the penalty is considered to be a contested case under Chapter 2001, Government Code.

Sec. 32.0422. HEALTH INSURANCE PREMIUM PAYMENT REIMBURSEMENT PROGRAM FOR MEDICAL ASSISTANCE RECIPIENTS. (a) In this section:

(1) "Commission" means the Health and Human Services Commission.

(2) "Executive commissioner" means the executive commissioner of the Health and Human Services Commission.

(3) "Group health benefit plan" means a plan described by Section 1207.001, Insurance Code.

(b) The commission shall identify individuals, otherwise entitled to medical assistance, who are eligible to enroll in a group health benefit plan. The commission must include individuals eligible for or receiving health care services under a Medicaid managed care delivery system.

(b-1) To assist the commission in identifying individuals described by Subsection (b):

(1) the commission shall include on an application for medical assistance and on a form for recertification of a recipient's eligibility for medical assistance:

(A) an inquiry regarding whether the applicant or recipient, as applicable, is eligible to enroll in a group health benefit plan; and

(B) a statement informing the applicant or recipient, as applicable, that reimbursements for required premiums and cost-sharing obligations under the group health benefit plan may be available to the applicant or recipient; and

(2) not later than the 15th day of each month, the office of the attorney general shall provide to the commission the name, address, and social security number of each newly hired employee reported to the state directory of new hires operated under Chapter 234, Family Code, during the previous calendar month.

(c) The commission shall require an individual requesting
medical assistance or a recipient, during the recipient's eligibility
recertification review, to provide information as necessary relating
to any group health benefit plan that is available to the individual
or recipient through an employer of the individual or recipient or
an employer of the individual's or recipient's spouse or parent to
assist the commission in making the determination required by
Subsection (d).

(d) For an individual identified under Subsection (b), the
commission shall determine whether it is cost-effective to enroll the
individual in the group health benefit plan under this section.

(e) If the commission determines that it is cost-effective to
enroll the individual in the group health benefit plan, the
commission shall:

(1) require the individual to apply to enroll in the group
health benefit plan as a condition for eligibility under the medical
assistance program; and

(2) provide written notice to the issuer of the group
health benefit plan in accordance with Chapter 1207, Insurance Code.

(e-1) This subsection applies only to an individual who is
identified under Subsection (b) as being eligible to enroll in a
group health benefit plan offered by an employer. If the commission
determines under Subsection (d) that enrolling the individual in the
group health benefit plan is not cost-effective, but the individual
prefers to enroll in that plan instead of receiving benefits and
services under the medical assistance program, the commission, if
authorized by a waiver obtained under federal law, shall:

(1) allow the individual to voluntarily opt out of
receiving services through the medical assistance program and enroll
in the group health benefit plan;

(2) consider that individual to be a recipient of medical
assistance; and

(3) provide written notice to the issuer of the group
health benefit plan in accordance with Chapter 1207, Insurance Code.

(f) Except as provided by Subsection (f-1), the commission
shall provide for payment of:

(1) the employee's share of required premiums for coverage
of an individual enrolled in the group health benefit plan; and

(2) any deductible, copayment, coinsurance, or other cost-
sharing obligation imposed on the enrolled individual for an item or
service otherwise covered under the medical assistance program.
(f-1) For an individual described by Subsection (e-1) who enrolls in a group health benefit plan, the commission shall provide for payment of the employee's share of the required premiums, except that if the employee's share of the required premiums exceeds the total estimated Medicaid costs for the individual, as determined by the executive commissioner, the individual shall pay the difference between the required premiums and those estimated costs. The individual shall also pay all deductibles, copayments, coinsurance, and other cost-sharing obligations imposed on the individual under the group health benefit plan.

(g) A payment made by the commission under Subsection (f) or (f-1) is considered to be a payment for medical assistance.

(h) A payment of a premium for an individual who is a member of the family of an individual enrolled in a group health benefit plan under Subsection (e) and who is not eligible for medical assistance is considered to be a payment for medical assistance for an eligible individual if:

(1) enrollment of the family members who are eligible for medical assistance is not possible under the plan without also enrolling members who are not eligible; and

(2) the commission determines it to be cost-effective.

(i) A payment of any deductible, copayment, coinsurance, or other cost-sharing obligation of a family member who is enrolled in a group health benefit plan in accordance with Subsection (h) and who is not eligible for medical assistance:

(1) may not be paid under this chapter; and

(2) is not considered to be a payment for medical assistance for an eligible individual.

(i-1) The commission shall make every effort to expedite payments made under this section, including by ensuring that those payments are made through electronic transfers of money to the recipient's account at a financial institution, if possible. In lieu of reimbursing the individual enrolled in the group health benefit plan for required premium or cost-sharing payments made by the individual, the commission may, if feasible:

(1) make payments under this section for required premiums directly to the employer providing the group health benefit plan in which an individual is enrolled; or

(2) make payments under this section for required premiums and cost-sharing obligations directly to the group health benefit
(j) The commission shall treat coverage under the group health benefit plan as a third party liability to the program. Subject to Subsection (j-1), enrollment of an individual in a group health benefit plan under this section does not affect the individual's eligibility for medical assistance benefits, except that the state is entitled to payment under Sections 32.033 and 32.038.

(j-1) An individual described by Subsection (e-1) who enrolls in a group health benefit plan is not ineligible for community-based services provided under a Section 1915(c) waiver program or another federal waiver program solely based on the individual's enrollment in the group health benefit plan, and the individual may receive those services if the individual is otherwise eligible for the program. The individual is otherwise limited to the health benefits coverage provided under the health benefit plan in which the individual is enrolled, and the individual may not receive any benefits or services under the medical assistance program other than the premium payment as provided by Subsection (f-1) and, if applicable, waiver program services described by this subsection.

(k) The commission may not require or permit an individual who is enrolled in a group health benefit plan under this section to participate in the Medicaid managed care program under Chapter 533, Government Code, or a Medicaid managed care demonstration project under Section 32.041.

(l) The commission, in consultation with the Texas Department of Insurance, shall provide training to agents who hold a general life, accident, and health license under Chapter 4054, Insurance Code, regarding the health insurance premium payment reimbursement program and the eligibility requirements for participation in the program. Participation in a training program established under this subsection is voluntary, and a general life, accident, and health agent who successfully completes the training is entitled to receive continuing education credit under Subchapter B, Chapter 4004, Insurance Code, in accordance with rules adopted by the commissioner of insurance.

(m) The commission may pay a referral fee, in an amount determined by the commission, to each general life, accident, and health agent who, after completion of the training program established under Subsection (l), successfully refers an eligible individual to the commission for enrollment in a group health benefit plan issuer.
plan under this section.

(n) The commission shall develop procedures by which an individual described by Subsection (e-1) who enrolls in a group health benefit plan may, at the individual's option, resume receiving benefits and services under the medical assistance program instead of the group health benefit plan.

(o) The commission shall develop procedures which ensure that, prior to allowing an individual described by Subsection (e-1) to enroll in a group health benefit plan or allowing the parent or caretaker of an individual described by Subsection (e-1) under the age of 21 to enroll that child in a group health benefit plan:

(1) the individual must receive counseling informing them that for the period in which the individual is enrolled in the group health benefit plan:

(A) the individual shall be limited to the health benefits coverage provided under the health benefit plan in which the individual is enrolled;

(B) the individual may not receive any benefits or services under the medical assistance program other than the premium payment as provided by Subsection (f-1);

(C) the individual shall pay the difference between the required premiums and the premium payment as provided by Subsection (f-1) and shall also pay all deductibles, copayments, coinsurance, and other cost-sharing obligations imposed on the individual under the group health benefit plan; and

(D) the individual may, at the individual's option through procedures developed by the commission, resume receiving benefits and services under the medical assistance program instead of the group health benefit plan; and

(2) the individual must sign and the commission shall retain a copy of a waiver indicating the individual has provided informed consent.

(p) The executive commissioner shall adopt rules as necessary to implement this section.

(2) the nature of the coverage; and

(3) the name, address, and identifying number of the health plan under which the person may be, or may have been, covered.

(b) A third-party health insurer shall accept the state's right of recovery and the assignment under Section 32.033 to the state of any right of an individual or other entity to payment from the third-party health insurer for an item or service for which payment was made under the medical assistance program.

(c) A third-party health insurer shall respond to any inquiry by the department regarding a claim for payment for any health care item or service reimbursed by the department under the medical assistance program not later than the third anniversary of the date the health care item or service was provided.

(d) A third-party health insurer may not deny a claim submitted by the department or the department's designee for which payment was
made under the medical assistance program solely on the basis of the date of submission of the claim, the type or format of the claim form, or a failure to present proper documentation at the point of service that is the basis of the claim, if:

(1) the claim is submitted by the department or the department's designee not later than the third anniversary of the date the item or service was provided; and

(2) any action by the department or the department's designee to enforce the state's rights with respect to the claim is commenced not later than the sixth anniversary of the date the department or the department's designee submits the claim.

(2) provides reimbursement for services, including long-term care services, only if, and to the extent, other adequate public or private sources of payment are not available.

(1) the system is delivered to a recipient by a medical assistance provider that is, or directly employs or contracts with, a qualified rehabilitation professional and that professional was present and involved in any clinical assessment of the recipient that is required for obtaining the system; and

(2) at the time the wheeled mobility system is delivered to the recipient, the qualified rehabilitation professional:

(A) is present for and directs a fitting to ensure that the system is appropriate for the recipient; and

(B) verifies that the system functions relative to the recipient.

(c) The executive commissioner of the Health and Human Services Commission shall adopt rules specifying:

(1) the scope, including any required components, of the fitting and verification of functionality required by Subsection (b);

(2) documentation of the fitting and verification of functionality that must be submitted as part of a claim for reimbursement for the provision or modification of a wheeled mobility system; and

A procurement of goods or services made in accordance with this section is considered to satisfy any state law requiring purchases by competitive bidding or competitive proposals.

(b) The public hospital shall acquire goods or services by any procurement method approved by the Health and Human Services Commission that provides the best value to the public hospital. The public hospital shall document that it considered all relevant factors under Subsection (c) in making the acquisition.

(c) The department shall conduct a compliance and readiness review of each managed care organization that contracts with the state not later than the 15th day before the date on which the department plans to begin the enrollment process in a service area and again not later than the 15th day before the date on which the department plans to begin to provide medical assistance through a managed care plan in a service area. The review shall include an on-site inspection and tests of service authorization and claims payment systems, complaint processing systems, and any other process or system required by the contract.

(c) For an ambulance service provided to an individual who is eligible under the medical assistance program and Medicare, the medical assistance program shall pay the Medicare deductibles and coinsurance.

(d) Except as provided by Subsection (e), a nursing facility, a home health services provider, or any other similar long-term care services provider that is Medicare-certified and provides care to individuals who are eligible for Medicare must:

Section 1396n(c)).

(b) In this section, "permanency planning" means a philosophy and planning process designed to achieve family support through the facilitation of a permanent living arrangement that has as its primary feature an enduring and nurturing parental relationship.

(c) In developing and providing services subject to this section, the department shall:

(1) fully assess a child at the time the child applies for assistance to determine all appropriate services for the child under
the medical assistance program, including both waiver and nonwaiver services;

(2) ensure that permanency planning is implemented to identify and establish the family support necessary to maintain a child's permanent living arrangement with a family;

(3) implement a transition and referral process to prevent breaks in services when a child is leaving a medical assistance waiver program or moving between service delivery systems due to a change in the child's disability status or needs, aging out of the current delivery system, or moving between geographic areas within the state;

(4) identify and provide core services addressing a child's developmental needs and the needs of the child's family to strengthen and maintain the child's family;

(5) provide for comprehensive coordination and use of available services and resources in a manner that ensures support for families in keeping their children at home;

(6) ensure that eligibility requirements, assessments for service needs, and other components of service delivery are designed to be fair and equitable for all families, including families with parents who work outside the home; and

(7) provide for a broad array of service options and a reasonable choice of service providers.

(d) To ensure that services subject to this section are cost neutral and not duplicative of other services provided under the medical assistance program, the department shall coordinate the provision of services subject to this section with services provided under the Texas Health Steps Comprehensive Care Program.

(e) The Health and Human Services Commission shall establish an advisory committee to provide recommendations on the delivery of services subject to this section to the commission and each appropriate agency providing those services. The advisory committee must meet regularly and must include parents of children receiving services subject to this section and representatives of appropriate advocacy organizations. The advisory committee shall provide recommendations relating to:

(1) administration of services subject to this section in a manner that eliminates duplication of assessment, evaluation, and services provided under the Texas Health Steps Comprehensive Care Program;

(3) procedures for obtaining authorization for services subject to this section and other nonwaiver services under the medical assistance program, including procedures for appealing denials of service;

(4) encouragement of the use of waivers under Section 1915(c) of the federal Social Security Act (42 U.S.C. Section 1396n(c)) to provide the state with the flexibility to provide services outside the scope, amount, or duration of nonwaiver services available under the medical assistance program;

(5) determination of policies that ensure that a child receiving services subject to this section has access to comprehensive waiver services for adults when the child ages and loses eligibility for services for children;

(6) ensuring that the medical assistance waiver programs serve the interest of the child and support families;

(7) encouraging medical assistance waiver services to have flexibility to provide services that are outside of the scope, amount, or duration of state plan services; and

(8) evaluation of the quality and effectiveness of services subject to this section.

(f) In the manner provided by the General Appropriations Act, a member of the advisory committee established under Subsection (e) who is the parent of a child receiving services subject to this section is entitled to reimbursement of travel expenses incurred by the member while conducting the business of the committee.

L. No. 105-33), as amended. The department shall provide medical assistance to a participant in the PACE program in the manner and to the extent authorized by federal law.
(b) The executive commissioner of the Health and Human Services Commission shall adopt rules as necessary to implement this section. In adopting rules, the executive commissioner shall:

(1) use the Bienvivir Senior Health Services of El Paso initiative as a model for the program;

(2) ensure that a person is not required to hold a certificate of authority as a health maintenance organization under Chapter 843, Insurance Code, to provide services under the PACE program;

(3) ensure that participation in the PACE program is available as an alternative to enrollment in a Medicaid managed care plan under Chapter 533, Government Code, for eligible recipients, including recipients eligible for assistance under both the medical assistance and Medicare programs;

(4) ensure that managed care organizations that contract under Chapter 533, Government Code, consider the availability of the PACE program when considering whether to refer a recipient to a nursing home or other long-term care facility; and

(5) establish protocols for the referral of eligible persons to the PACE program.

(c) The department may not contract with a person to provide services under the PACE program unless the person:

(1) purchases reinsurance in an amount determined by the department that is sufficient to ensure the person's continued solvency; or

(2) has the financial resources sufficient to cover expenses in the event of the person's insolvency.

(d) To demonstrate sufficiency of financial resources for purposes of Subsection (c)(2), a person may use cash reserves, a letter of credit, a guarantee of a company affiliated with the person, or a combination of those arrangements. The amount of a person's financial arrangement must be at least equal to the sum of:

(1) the total capitation revenue for one month; and

(2) the average monthly payment of operating expenses.

(e) The Department of Aging and Disability Services and area agencies on aging shall develop and implement a coordinated plan to promote PACE program sites operating under this section. program with long-term care clients.

(f) The department shall consider the PACE program as a community-based service option under any "Money Follows the Person" demonstration project or other initiative that is designed to eliminate barriers or mechanisms that prevent or restrict the flexible use of funds under the medical assistance program to enable a recipient to receive long-term services or supports in a setting of the recipient's choice.

(g) A PACE program site may coordinate with entities that are eligible to obtain discount prescription drug prices under Section 340B, Public Health Service Act (42 U.S.C. Section 256b), as necessary to enable the PACE program site to obtain those discounts.

(h) The commission shall adopt a standard reimbursement methodology for the payment of all PACE organizations for purposes of encouraging a natural increase in the number of PACE program sites throughout the state.

(i) To the extent allowed by the General Appropriations Act, the Health and Human Services Commission may transfer general revenue funds appropriated to the commission for the medical assistance program to the Department of Aging and Disability Services to provide PACE services in PACE program service areas to eligible recipients whose medical assistance benefits would otherwise be delivered as home and community-based services through the STAR + PLUS Medicaid managed care program and whose personal incomes are at or below the level of income required to receive Supplemental Security Income (SSI) benefits under 42 U.S.C. Section 1381 et seq.

Sec. 32.054. DENTAL SERVICES. (a) For purposes of this section, the "dental necessity" for a dental service or product is based on whether a prudent dentist, acting in accordance with generally accepted practices of the professional dental community and within the American Dental Association's Parameters of Care for Dentistry and within the quality assurance criteria of the American Academy of Pediatric Dentistry, as applicable, would provide the service or product to a patient to diagnose, prevent, or treat orofacial pain, infection, disease, dysfunction, or disfiguration.

(b) A dental service or product may not be provided under the medical assistance program unless there is a dental necessity for the service or product.

(c) In providing dental services under the medical assistance program, the department shall:

(1) ensure that a stainless steel crown is not used as a preventive measure;

(4) replace the 15-point system used for determining the dental necessity for hospitalization and general anesthesia with a more objective and comprehensive system developed by the department; and

(5) take all necessary action to eliminate unlawful acts
described by Section 36.002 in the provision of dental services under the medical assistance program, including:

(A) aggressively investigating and prosecuting any dentist who abuses the system for reimbursement under the medical assistance program; and

(B) conducting targeted audits of dentists whose billing activities under the medical assistance program are excessive or otherwise inconsistent with the billing activities of other similarly situated dentists.

(d) In setting reimbursement rates for dental services under the medical assistance program, the department shall:

(1) reduce the amount of the hospitalization fee in effect on December 1, 2000, and redistribute amounts made available through reduction of that fee to other commonly billed dental services for which adequate accountability measures exist;

(2) eliminate the nutritional consultation fee and redistribute amounts made available through elimination of that fee to other commonly billed dental services for which adequate accountability measures exist;

(3) provide for reimbursement of a behavior management fee only if:

(A) the patient receiving dental treatment has been previously diagnosed with mental retardation or a mental disability or disorder, and extraordinary behavior management techniques are necessary for therapeutic dental treatment because of the patient's uncooperative behavior; and

(B) the dentist includes in the patient's records and on the claim form for reimbursement a narrative description of:

(i) the specific behavior problem demonstrated by the patient that required the use of behavior management techniques;

(ii) the dentist's initial efforts to manage the patient's behavior through routine behavior management techniques; and

(iii) the dentist's extraordinary behavior management techniques subsequently required to manage the patient's behavior; and

(4) redistribute amounts made available through limitation of the behavior management fee under Subdivision (3) to other commonly billed dental services for which adequate accountability measures exist.
(e) The department shall develop the minimum standard described by Subsection (c)(3) in cooperation with the State Board of Dental Examiners.

Sec. 32.055. CATASTROPHIC CASE MANAGEMENT. (a) The department shall develop and implement a catastrophic case management system to be used in providing medical assistance to persons with catastrophic health problems.

(b) The system must provide for the assignment of a case manager to a recipient of medical assistance with catastrophic health problems that are likely to:

(1) require the services of multiple, specialized health care providers; and

(2) result in major medical costs.

(c) The department shall identify the services to be provided by a case manager assigned under the system. The services must include assessment of the recipient's needs and coordination of all available medical services and payment options. The services may include other support services such as:

(1) assistance with making arrangements to receive care from medical facilities;

(2) assistance with travel and lodging in connection with receipt of medical care;

(3) education of the recipient and the recipient's family members regarding the nature of the recipient's health problems;

(4) referral to appropriate support groups; and

(5) any other service likely to result in better care provided in a cost-effective manner.

(1) have a disease or other chronic health condition, such as heart disease, hemophilia, chronic kidney disease and its medical complications, diabetes, respiratory illness, end-stage renal disease, HIV infection, or AIDS, that the department determines is a disease or condition that needs disease management; and
(2) are not eligible to receive those services under a Medicaid managed care plan.
(b) The department may contract with a public or private entity to:
   (1) write the requests for proposals;
   (2) determine how savings will be measured;
   (3) identify populations that need disease management;
   (4) develop appropriate contracts; and
   (5) assist the department in:
      (A) developing the content of disease management programs; and
      (B) obtaining funding for those programs.

   (c) The executive commissioner of the Health and Human Services Commission, by rule, shall prescribe the minimum requirements a provider of a disease management program must meet to be eligible to receive a contract under this section. The provider must, at a minimum, be required to:
      (1) use disease management approaches that are based on evidence-supported models, standards of care in the medical community, and clinical outcomes; and
      (2) ensure that a recipient's primary care physician and other appropriate specialty physicians, or registered nurses, advanced practice nurses, or physician assistants specified and directed or supervised in accordance with applicable law by the recipient's primary care physician or other appropriate specialty physicians, become directly involved in the disease management program through which the recipient receives services.

   (c-1) A managed care health plan that develops and implements a disease management program under Section 533.009, Government Code, and a provider of a disease management program under this section shall coordinate during a transition period beneficiary care for patients that move from one disease management program to another program.

   (d) The department may not award a contract for a disease management program under this section unless the contract includes a written guarantee of state savings on expenditures for the group of medical assistance recipients covered by the program.

   (e) The department may enter into a contract under this section with a comprehensive hemophilia diagnostic treatment center that receives funding through a maternal and child health services block grant under Section 501(a)(2), Social Security Act (42 U.S.C. Section 701), and the center shall be considered a disease management
provider.

(f) Directly or through a provider of a disease management program that enters into a contract with the department under this section, the department shall, as appropriate and to the extent possible without cost to the state:

(1) identify recipients of medical assistance under this chapter or, at the discretion of the department, enrollees in the child health plan under Chapter 62, Health and Safety Code, who are eligible to participate in federally funded disease management research programs operated by research-based disease management providers; and

Sec. 32.058. LIMITATION ON MEDICAL ASSISTANCE IN CERTAIN ALTERNATIVE COMMUNITY-BASED CARE SETTINGS. (a) In this section, "medical assistance waiver program" means a program administered by the Department of Aging and Disability Services, other than the Texas home living program, that provides services under a waiver granted in accordance with 42 U.S.C. Section 1396n(c).

(b) Except as provided by Subsection (c), (d), (e), or (f), the department may not provide services under a medical assistance waiver program to a person if the projected cost of providing those services over a 12-month period exceeds the individual cost limit specified in the medical assistance waiver program.

(c) The department shall continue to provide services under a medical assistance waiver program to a person who was receiving those
services on September 1, 2005, at a cost that exceeded the individual
cost limit specified in the medical assistance waiver program, if
continuation of those services:
   (1) is necessary for the person to live in the most
   integrated setting appropriate to the needs of the person; and
   (2) does not affect the department's compliance with the
   federal average per capita expenditure requirement of the medical
   assistance waiver program under 42 U.S.C. Section 1396n(c)(2)(D).

(d) The department may continue to provide services under a
medical assistance waiver program, other than the home and community-
based services program, to a person who is ineligible to receive
those services under Subsection (b) and to whom Subsection (c) does
not apply if:
   (1) the projected cost of providing those services to the
   person under the medical assistance waiver program over a 12-month
   period does not exceed 133.3 percent of the individual cost limit
   specified in the medical assistance waiver program; and
   (2) continuation of those services does not affect the
   department's compliance with the federal average per capita
   expenditure requirement of the medical assistance waiver program
   under 42 U.S.C. Section 1396n(c)(2)(D).

(e) The department may exempt a person from the cost limit
established under Subsection (d)(1) for a medical assistance waiver
program if the department determines that:
   (1) the person's health and safety cannot be protected by
   the services provided within the cost limit established for the
   program under that subdivision; and
   (2) there is no available living arrangement, other than
   one provided through the program or another medical assistance waiver
   program, in which the person's health and safety can be protected, as
   evidenced by:
      (A) an assessment conducted by clinical staff of the
          department; and
      (B) supporting documentation, including the person's
          medical and service records.

(f) The department may continue to provide services under the
home and community-based services program to a person who is
ineligible to receive those services under Subsection (b) and to whom
Subsection (c) does not apply if the department makes, with regard to
the person's receipt of services under the home and community-based
services program, the same determinations required by Subsections (e)(1) and (2) in the same manner provided by Subsection (e) and determines that continuation of those services does not affect:

(1) the department's compliance with the federal average per capita expenditure requirement of the home and community-based services program under 42 U.S.C. Section 1396n(c)(2)(D); and

(2) any cost-effectiveness requirements provided by the General Appropriations Act that limit expenditures for the home and community-based services program.

(g) The executive commissioner of the Health and Human Services Commission may adopt rules to implement Subsections (d), (e), and (f).

(h) If a federal agency determines that compliance with any provision in this section would make this state ineligible to receive federal funds to administer a program to which this section applies, a state agency may, but is not required to, implement that provision.

The department by rule shall require that respiratory therapy services for ventilator-dependent persons furnished as part of a plan of care under this chapter be provided by a respiratory therapist authorized to practice respiratory care under Chapter 604, Occupations Code, when:

(1) respiratory therapy is determined by the recipient's treating physician to be the most effective method of treatment; and

(2) the use of a respiratory therapist is practicable and cost-neutral or cost-effective.

Sec. 32.060. NURSING FACILITY QUALITY ASSURANCE TEAM. (a) The nursing facility quality assurance team is established to make recommendations to the department designed to promote high-quality
care for residents of nursing facilities.

(b) The team is composed of nine members appointed by the governor as follows:

(1) two physicians with expertise in providing long-term care;

(2) one registered nurse with expertise in providing long-term care;

(f) A member of the team may not receive compensation for serving on the team but is entitled to reimbursement for travel expenses incurred by the member while conducting the business of the team as provided by the General Appropriations Act.

(g) The team shall:

(1) develop and recommend clearly defined minimum standards to be considered for inclusion in contracts between the department and nursing facilities for the delivery of medical assistance under this chapter that are designed to:

(A) ensure that the care provided by nursing facilities to residents who are recipients of medical assistance meets or exceeds the minimum acceptable standard of care; and

(B) encourage nursing facilities to provide the highest quality of care to those residents; and

(2) develop and recommend improvements to consumers' access to information regarding the quality of care provided by nursing facilities that contract with the department to provide medical assistance, including improvements in:

(A) the types and amounts of information to which consumers have access, such as expanding the types and amounts of information available through the department's Internet website; and

(B) the department's data systems that compile nursing facilities' inspection or survey data and other data relating to quality of care in nursing facilities.

(h) In developing minimum standards for contracts as required
by Subsection (g)(1), the team shall:

eff. September 1, 2011.

Sec. 33.052.  APPLICATION ASSISTANCE.  (a) The commission shall  
develop procedures to ensure that:
(1)  clear guidance on program eligibility requirements is  
provided to supplemental nutrition assistance applicants and  
prospective applicants and mechanisms are established, including  
Internet and e-mail mechanisms, as appropriate, by which applicants  
can obtain answers to basic program-related questions; and  
(2)  information is provided to each applicant in person, by  
e-mail, by telephone, or through the mail, as appropriate, about  
information the applicant is required to submit for purposes of the

telephone interview to remind the applicant of the interview and the  
documentation that must be presented at the interview.

assistance cases instead of maintaining physical files for those
cases. The commission shall use that technology if determined feasible and cost-effective.

(b) The commission shall implement, if feasible and cost-effective, a risk scoring program for supplemental nutrition assistance applications to streamline the eligibility determination process, reduce errors, and strengthen fraud detection. A risk scoring program implemented by the commission must be capable of ranking applications based on complexity so that:

The executive commissioner of the Health and Human Services Commission may by rule:

(1) provide for a period of ineligibility longer than 10 years; or

(2) grant a provider a full or partial exemption from the period of ineligibility required by this subsection if the executive commissioner finds that enforcement of the full period of
ineligibility is harmful to the Medicaid program or a beneficiary of the program.

(b-1) The period of ineligibility begins on the date on which the judgment finding the provider liable under Section 36.052 is entered by the trial court.

(b-2) Subsections (b) and (b-1) do not apply to a provider who operates a nursing facility or an ICF-MR facility.

(e) Notwithstanding Subsection (b-1), the period of ineligibility for an individual licensed by a health care regulatory agency or a physician begins on the date on which the determination that the individual or physician is liable becomes final.

(f) For purposes of Subsection (e), a "physician" includes a physician, a professional association composed solely of physicians, a single legal entity authorized to practice medicine owned by two or more physicians, a nonprofit health corporation certified by the Texas Medical Board under Chapter 162, Occupations Code, or a partnership composed solely of physicians.

(g) For purposes of Subsection (e), "health care regulatory agency" has the meaning assigned by Section 774.001, Government Code.

Sec. 36.008. USE OF MONEY RECOVERED. The legislature, in appropriating money recovered under this chapter, shall consider the requirements of the attorney general and other affected state agencies in investigating Medicaid fraud and enforcing this chapter.

SUBCHAPTER B. ACTION BY ATTORNEY GENERAL

Sec. 36.051. INJUNCTIVE RELIEF. (a) If the attorney general has reason to believe that a person is committing, has committed, or is about to commit an unlawful act, the attorney general may institute an action for an appropriate order to restrain the person from committing or continuing to commit the act.

(b) An action under this section shall be brought in a district court of Travis County or of a county in which any part of the unlawful act occurred, is occurring, or is about to occur.

Sec. 36.052. CIVIL REMEDIES. (a) Except as provided by Subsection (c), a person who commits an unlawful act is liable to the state for:

(1) the amount of any payment or the value of any monetary or in-kind benefit provided under the Medicaid program, directly or indirectly, as a result of the unlawful act, including any payment made to a third party;

(2) interest on the amount of the payment or the value of the benefit described by Subdivision (1) at the prejudgment interest rate in effect on the day the payment or benefit was received or paid, for the period from the date the benefit was received or paid to the date that the state recovers the amount of the payment or value of the benefit;

(3) a civil penalty of:
   (A) not less than $5,500 or the minimum amount imposed as provided by 31 U.S.C. Section 3729(a), if that amount exceeds $5,500, and not more than $15,000 or the maximum amount imposed as provided by 31 U.S.C. Section 3729(a), if that amount exceeds $15,000, for each unlawful act committed by the person that results in injury to an elderly person, as defined by Section 48.002(a)(1), a disabled person, as defined by Section 48.002(a)(8)(A), or a person younger than 18 years of age; or
   (B) not less than $5,500 or the minimum amount imposed as provided by 31 U.S.C. Section 3729(a), if that amount exceeds $11,000, for each unlawful act committed by the person that does not result in injury to a person described by Paragraph (A); and

(4) two times the amount of the payment or the value of the benefit described by Subdivision (1).

(b) In determining the amount of the civil penalty described by Subsection (a)(3), the trier of fact shall consider:

the unlawful act;

(3) whether the health and safety of the public or an individual was threatened by the unlawful act;

(4) whether the person acted in bad faith when the person engaged in the conduct that formed the basis of the unlawful act; and

(5) the amount necessary to deter future unlawful acts.

(c) The trier of fact may assess a total of not more than two times the amount of a payment or the value of a benefit described by Subsection (a)(1) if the trier of fact finds that:

(2) at the time the person furnished all the information to the attorney general, the attorney general had not yet begun an investigation under this chapter.

(d) An action under this section shall be brought in Travis County or in a county in which any part of the unlawful act occurred.

(2) describe the class or classes of documentary material to be produced with reasonable specificity to fairly indicate the documentary material demanded;

(3) prescribe a return date within which the documentary material is to be produced; and

(b) A civil investigative demand may require disclosure of any documentary material that is discoverable under the Texas Rules of Civil Procedure.

(c) Service of an investigative demand may be made by:

(1) delivering an executed copy of the demand to the person to be served or to a partner, an officer, or an agent authorized by appointment or by law to receive service of process on behalf of that person;

(2) delivering an executed copy of the demand to the
principal place of business in this state of the person to be served; or

(3) mailing by registered or certified mail an executed copy of the demand addressed to the person to be served at the person's principal place of business in this state or, if the person has no place of business in this state, to a person's principal office or place of business.

(d) Documentary material demanded under this section shall be produced for inspection and copying during normal business hours at the office of the attorney general or as agreed by the person served and the attorney general.

The attorney general may use the documentary material or copies of it as the attorney general determines necessary in the enforcement of this chapter, including presentation before a court.

(1) the return date specified in the demand; or
(2) the 20th day after the date the demand is served.

(g) Except as provided by court order, a person on whom a demand has been served under this section shall comply with the terms
of an investigative demand.

(h) A person who has committed an unlawful act in relation to the Medicaid program in this state has submitted to the jurisdiction of this state and personal service of an investigative demand under this section may be made on the person outside of this state.

(i) This section does not limit the authority of the attorney general to conduct investigations or to access a person's documentary materials or other information under another state or federal law, the Texas Rules of Civil Procedure, or the Federal Rules of Civil Procedure.

(j) If a person fails to comply with an investigative demand, or if copying and reproduction of the documentary material demanded cannot be satisfactorily accomplished and the person refuses to surrender the documentary material, the attorney general may file in a district court of Travis County a petition for an order to enforce the investigative demand.

(k) If a petition is filed under Subsection (j), the court may determine the matter presented and may enter an order to implement this section.

(l) Failure to comply with a final order entered under Subsection (k) is punishable by contempt.

(m) A final order issued by a district court under Subsection (k) is subject to appeal to the supreme court.

  (2) notify the court that the state declines to take over the action.

(b) If the state declines to take over the action, the person bringing the action may proceed without the state's participation. A person proceeding under this subsection may recover for an unlawful act for a period of up to six years before the date the lawsuit was...

Sec. 36.107. RIGHTS OF PARTIES IF STATE CONTINUES ACTION. (a) If the state proceeds with the action, the state has the primary responsibility for prosecuting the action and is not bound by an act of the person bringing the action. The person bringing the action has the right to continue as a party to the action, subject to the limitations set forth by this section.

(b) The state may dismiss the action notwithstanding the objections of the person bringing the action if:

(1) the attorney general notifies the person that the state has filed a motion to dismiss; and

(2) the court provides the person with an opportunity for a hearing on the motion.

(c) The state may settle the action with the defendant notwithstanding the objections of the person bringing the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. On a showing of good cause, the hearing may be held in camera.

(d) On a showing by the state that unrestricted participation during the course of the litigation by the person bringing the action would interfere with or unduly delay the state's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may impose limitations on the person's participation, including:

(1) limiting the number of witnesses the person may call;

(2) limiting the length of the testimony of witnesses called by the person;

(3) limiting the person's cross-examination of witnesses; or

Sec. 36.108. STAY OF CERTAIN DISCOVERY. (a) On a showing by the state that certain actions of discovery by the person bringing the action would interfere with the state's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay the discovery for a period not to exceed 60 days.

(b) The court shall hear a motion to stay discovery under this section in camera.

(c) The court may extend the period prescribed by Subsection (a) on a further showing in camera that the state has pursued the criminal or civil investigation or proceedings with reasonable diligence and that any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

Added by Acts 1997, 75th Leg., ch. 1153, Sec. 4.08, eff. Sept. 1, 1997.

Sec. 36.109. PURSUIT OF ALTERNATE REMEDY BY STATE. (a) Notwithstanding Section 36.101, the state may elect to pursue the state's claim through any alternate remedy available to the state, including any administrative proceeding to determine an administrative penalty. If an alternate remedy is pursued in another proceeding, the person bringing the action has the same rights in the other proceeding as the person would have had if the action had continued under this subchapter.

(b) A finding of fact or conclusion of law made in the other proceeding that has become final is conclusive on all parties to an action under this subchapter. For purposes of this subsection, a finding or conclusion is final if:

(1) the finding or conclusion has been finally determined on appeal to the appropriate court;

(2) no appeal has been filed with respect to the finding or conclusion and all time for filing an appeal has expired; or
(3) the finding or conclusion is not subject to judicial review.

Added by Acts 1997, 75th Leg., ch. 1153, Sec. 4.08, eff. Sept. 1, 1997.

Sec. 36.110. AWARD TO PRIVATE PLAINTIFF. (a) If the state proceeds with an action under this subchapter, the person bringing the action is entitled, except as provided by Subsection (b), to receive at least 15 percent but not more than 25 percent of the proceeds of the action, depending on the extent to which the person substantially contributed to the prosecution of the action.

(a-1) If the state does not proceed with an action under this subchapter, the person bringing the action is entitled, except as provided by Subsection (b), to receive at least 25 percent but not more than 30 percent of the proceeds of the action. The entitlement of a person under this subsection is not affected by any subsequent intervention in the action by the state in accordance with Section 36.104(b).

(b) If the court finds that the action is based primarily on disclosures of specific information, other than information provided by the person bringing the action, relating to allegations or transactions in a Texas or federal criminal or civil hearing, in a Texas or federal legislative or administrative report, hearing, audit, or investigation, or from the news media, the court may award the amount the court considers appropriate but not more than 10 percent of the proceeds of the action. The court shall consider the significance of the information and the role of the person bringing the action in advancing the case to litigation.

(c) A payment to a person under this section shall be made from the proceeds of the action. A person receiving a payment under this section is also entitled to receive from the defendant an amount for reasonable expenses, reasonable attorney's fees, and costs that the court finds to have been necessarily incurred. The court's determination of expenses, fees, and costs to be awarded under this subsection shall be made only after the defendant has been found liable in the action or the claim is settled.

(d) In this section, "proceeds of the action" includes proceeds of a settlement of the action.
Sec. 36.111. REDUCTION OF AWARD. (a) If the court finds that the action was brought by a person who planned and initiated the violation of Section 36.002 on which the action was brought, the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action the person would otherwise receive under Section 36.110, taking into account the person's role in advancing the case to litigation and any relevant circumstances pertaining to the violation.

(b) If the person bringing the action is convicted of criminal conduct arising from the person's role in the violation of Section 36.002, the court shall dismiss the person from the civil action and the person may not receive any share of the proceeds of the action. A dismissal under this subsection does not prejudice the right of the state to continue the action.

Sec. 36.112. AWARD TO DEFENDANT FOR FRIVOLOUS ACTION. Chapter 105, Civil Practice and Remedies Code, applies in an action under this subchapter with which the state proceeds.

Added by Acts 1997, 75th Leg., ch. 1153, Sec. 4.08, eff. Sept. 1, 1997.

Sec. 36.113. CERTAIN ACTIONS BARRED. (a) A person may not
bring an action under this subchapter that is based on allegations or transactions that are the subject of a civil suit or an administrative penalty proceeding in which the state is already a party.

(b) The court shall dismiss an action or claim under this subchapter, unless opposed by the attorney general, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed in a Texas or federal criminal or civil hearing in which the state or an agent of the state is a party, in a Texas legislative or administrative report, or other Texas hearing, audit, or investigation, or from the news media, unless the person bringing the action is an original source of the information. In this subsection, "original source" means an individual who:

(1) prior to a public disclosure under this subsection, has voluntarily disclosed to the state the information on which allegations or transactions in a claim are based; or

(2) has knowledge that is independent of and materially adds to the publicly disclosed allegation or transactions and who has voluntarily provided the information to the state before filing an action under this subchapter.

   Acts 2005, 79th Leg., Ch. 268 (S.B. 6), Sec. 1.99, eff. September 1, 2005.

Sec. 42.0461. PUBLIC NOTICE AND HEARING IN CERTAIN COUNTIES: RESIDENTIAL CHILD CARE. (a) Before the department may issue a license or certificate for the operation or the expansion of the capacity of a foster group home or foster family home that is located in a county with a population of less than 300,000 and that provides child care for 24 hours a day at a location other than the actual residence of a child's primary caretaker or of a general residential operation, the applicant for the license, certificate, or expansion
shall, at the applicant's expense:

(1) conduct a public hearing on the application in accordance with department rules after notifying the department of the date, time, and location of the hearing; and

(2) publish notice of the application in a newspaper of general circulation in the community in which the child-care services are proposed to be provided.

(b) The notice required by Subsection (a)(2) must be published at least 10 days before the date of the public hearing required by Subsection (a)(1) and must include:

(1) the name and address of the applicant;
(2) the address at which the child-care services are proposed to be provided;
(3) the date, time, and location of the public hearing;
(4) the name, address, and telephone number of the department as the licensing authority; and
(5) a statement informing the public that a person may submit written comments to the department concerning the application instead of or in addition to appearing at the public hearing.

(c) The department shall require a representative of the department to attend the public hearing in an official capacity for the purpose of receiving public comments on the application.

(d) Before issuing a license or certificate described by Subsection (a), the department shall consider:

(1) the amount of local resources available to support children proposed to be served by the applicant;
(2) the impact of the proposed child-care services on the ratio in the local school district of students enrolled in a special education program to students enrolled in a regular education program and the effect, if any, on the children proposed to be served by the applicant; and

(3) the impact of the proposed child-care services on the community and the effect on opportunities for social interaction for the children proposed to be served by the applicant.

(e) The department may deny the application if the department determines that:

(1) the community has insufficient resources to support children proposed to be served by the applicant;
(2) granting the application would significantly increase the ratio in the local school district of students enrolled in a
special education program to students enrolled in a regular education program and the increase would adversely affect the children proposed to be served by the applicant; or

(3) granting the application would have a significant adverse impact on the community and would limit opportunities for social interaction for the children proposed to be served by the applicant.

(f) A child-placing agency that proposes to verify an agency foster home or agency foster group home that is located in a county with a population of less than 300,000 that provides child care for 24 hours a day at a location other than the actual residence of a child's primary caretaker shall:

(1) comply with the notice and hearing requirements imposed by Subsections (a) and (b); and

(2) after conducting the required public hearing, provide the department with information relating to the considerations specified in Subsection (d).

(g) The department may prohibit the child-placing agency from verifying the proposed agency foster home or agency foster group home on the same grounds that the department may deny an application under Subsection (e). The department may invalidate the verification of an agency foster home or agency foster group home that was not verified using the procedures required by Subsection (f) on or after September 1, 1997.

Sec. 42.047. CONSULTATIONS. (a) The department shall offer consultation to potential applicants, applicants, and license, listing, registration, and certification holders about meeting and maintaining standards for licensing, listing, registration, and certification and achieving programs of excellence in child care.
(b) The department shall offer consultation to prospective and actual users of facilities or homes.

Sec. 42.048. LICENSING. (a) The department shall issue a license after determining that an applicant has satisfied all requirements.

(b) When issuing a license, the department may impose restrictions on a facility, including but not limited to the number of children to be served and the type of children to be served.

(c) The department may grant a variance of an individual standard set forth in the applicable standards for good and just cause.

(d) A license holder must display a license issued under this chapter in a prominent place at the facility.

(e) A license issued under this chapter is not transferable and applies only to the operator and facility location stated in the license application. Except as provided by this subsection, a change in location or ownership automatically revokes a license. A change in location of a child-placing agency does not automatically revoke the license to operate the child-placing agency.

(f) A license must be issued if the department determines that a facility meets all requirements. The evaluation shall be based on one or more visits to the facility and a review of required forms and records. A license is valid until revoked or surrendered.

Sec. 42.049. LIABILITY INSURANCE REQUIRED. (a) A license
holder shall maintain liability insurance coverage in the amount of $300,000 for each occurrence of negligence. An insurance policy or contract required under this section must cover injury to a child that occurs while the child is on the premises of the license holder or in the care of the license holder.

(b) A license holder shall file with the department a certificate or other evidence from an insurance company showing that the license holder has an unexpired and uncanceled insurance policy or contract that meets the requirements of this section.

(c) Should the license holder for financial reasons or for lack of availability of an underwriter willing to issue a policy be unable to secure the insurance required under Subsection (a) or should the policy limits be exhausted, the license holder shall notify the parent or a person standing in parental relationship to each child for whom the license holder provides care a written notice that the liability coverage is not provided and there will not be a ground for suspension or revocation of the license holder's license under this chapter. The license holder shall also notify the department that the coverage is not provided and provide the reason for same. In no case shall the inability to secure coverage serve to indemnify the license holder for damages due to negligence.

(d) The insurance policy or contract shall be maintained at all times in an amount as required by this section. Failure by a license holder to renew the policy or contract or to maintain the policy or contract in the required amount is a ground for suspension or revocation of the license holder's license under this chapter.

(e) This section does not apply to a group day-care home or a listed or registered family home.

Sec. 42.050. LICENSE RENEWAL. (a) A license holder may apply for a new license in compliance with the requirements of this chapter and the rules promulgated by the department.

(b) The application for a new license must be completed and decided on by the department before the expiration of the license
under which a facility is operating.

(c) The department shall evaluate the application for a new license to determine if all licensing requirements are met. The evaluation may include a specified number of visits to the facility and must include a review of all required forms and records.

Sec. 42.051. INITIAL LICENSE. (a) The department shall issue an initial license when a facility's plans meet the department's licensing requirements and one of the following situations exists:

(1) the facility is not currently operating;

(2) the facility has relocated and has made changes in the type of child-care service it provides; or

(3) there is a change in ownership of the facility resulting in changes in policy and procedure or in the staff who have direct contact with the children.

(b) An initial license is valid for six months from the date it is issued and may be renewed for an additional six months.

Acts 2005, 79th Leg., Ch. 268 (S.B. 6), Sec. 1.101, eff. September 1, 2005.

Sec. 42.052. CERTIFICATION, LISTING, AND REGISTRATION. (a) A state-operated child-care facility or child-placing agency must receive certification of approval from the department. The certification of approval remains valid until revoked or surrendered.

(b) To be certified, a facility must comply with the department's rules and standards and any provisions of this chapter that apply to a licensed facility of the same category. The operator of a certified facility must display the certification in a prominent place at the facility.

(c) A family home that provides care for compensation for three or fewer children, excluding children who are related to the
caretaker, shall list with the department if the home provides regular care in the caretaker's own residence. The home may register with the department.

(d) A family home that provides care for four or more children, excluding children who are related to the caretaker, shall register with the department. A family home that provides care exclusively for any number of children who are related to the caretaker is not required to be listed or registered with the department.

(e) A registration or listing remains valid until revoked or surrendered. The operator of a registered home must display the registration in a prominent place at the home.

(f) To remain listed or registered with the department, a family home must comply with the department's rules and standards, if applicable, and any provision of this chapter that applies to a listed or registered family home.

(g) The certification requirements of this section do not apply to a Texas Youth Commission facility, a Texas Juvenile Probation Commission facility, or a facility providing services solely for the Texas Youth Commission.

(h) The certification requirements of this section do not apply to a juvenile detention facility certified under Section 51.12, Family Code, or a juvenile correctional facility certified under Section 51.125, Family Code.

(i) The department shall provide to a listed family home a copy of the listing. A listing must contain a provision that states: "THIS HOME IS A LISTED FAMILY HOME. IT IS NOT LICENSED OR REGISTERED WITH THE DEPARTMENT OF PROTECTIVE AND REGULATORY SERVICES. IT HAS NOT BEEN INSPECTED AND WILL NOT BE INSPECTED." The operator of a listed home is not required to display the listing in a prominent place at the home but shall make the listing available for examination. The department by rule shall provide for a sufficient period to allow operators of family homes to comply with the listing requirement of this section.

(j) The operator of a listed family home shall undergo initial and subsequent background and criminal history checks required under Section 42.056. If the operator of a listed family home fails to submit the information required by Section 42.056 for a subsequent background and criminal history check, the department shall automatically:

(1) suspend the home's listing until the required
information is submitted; and

(2) revoke the home's listing if the required information is not submitted within six months after the date the automatic suspension begins.

(j-1) A suspension or revocation under Subsection (j) is not a suspension or revocation under Section 42.072.

(k) The department shall issue a listing or registration to a family home, as appropriate, in both English and Spanish when the most recent federal census shows that more than one-half of the population in a municipality or in a commissioners precinct in a county in which the family home is located is of Hispanic origin or Spanish-speaking.

"registered family home" or any variation of that phrase unless the
home is registered under this chapter. Any public advertisement for
a registered family home that uses the title "registered family home"
must contain a provision in bold type stating: "THIS HOME IS
REGISTERED WITH THE DEPARTMENT OF PROTECTIVE AND REGULATORY SERVICES
BUT IS NOT LICENSED OR REGULARLY INSPECTED."

(b) A family home may not place a public advertisement that
uses the title "listed family home" or any variation of that phrase
unless the home is listed as provided by this chapter. Any public
advertisement for a listed family home that uses the title "listed
family home" must contain a provision in bold type stating: "THIS
HOME IS A LISTED FAMILY HOME. IT IS NOT LICENSED OR REGISTERED WITH
THE DEPARTMENT OF PROTECTIVE AND REGULATORY SERVICES. IT HAS NOT

Sec. 42.0523. LISTING OF RELATIVE CHILD-CARE PROVIDERS. (a) A
child-care provider who only provides child care under Chapter 313,
Labor Code, to children related to the provider may list the
provider's home as a family home.

(b) Before the department may list a child-care provider's home
under this section, in addition to conducting any other background or
criminal history check required for a family home listing, the
department must search the central database of sex offender
registration records maintained by the Department of Public Safety
under Chapter 62, Code of Criminal Procedure, to determine whether
the provider is listed in the registry as a sex offender.

(c) The address of a family home listed under this section is
the address of the child-care provider's home, regardless of whether
the child care is provided in the provider's home or in the child's
home.

(d) A relative child-care provider's home listed as a family
home under this section is exempt from the health and safety
requirements of 45 C.F.R. Section 98.41(a).

(a) An agency foster home or agency foster group home is considered part of the child-placing agency that operates the agency foster home or agency foster group home for purposes of licensing. (b) The operator of a licensed agency shall display a copy of the license in a prominent place in the agency foster home or agency foster group home used by the agency. (c) An agency foster home or agency foster group home shall comply with all provisions of this chapter and all department rules and standards that apply to a child-care facility caring for a similar number of children for a similar number of hours each day. (d) The department shall revoke or suspend the license of a child-placing agency if an agency foster home or agency foster group home operated by the licensed agency fails to comply with Subsection (c) of this section.

Sec. 42.0535. REQUIRED INFORMATION FOR VERIFICATION. (a) A child-placing agency that seeks to verify an agency home or an agency group home shall request background information about the agency home or group home from a child-placing agency that has previously verified that agency home or agency group home. (b) Notwithstanding Section 261.201, Family Code, a child-placing agency that has verified an agency home or an agency group home is required to release to another child-placing agency background information requested under Subsection (a). (c) A child-placing agency that releases background information under this section is immune from civil and criminal liability for the release of the information. (d) For purposes of this section, background information means the home study under which the agency home or agency group home was verified by the previous child-placing agency and any record of noncompliance with state minimum standards received and the resolution of any such noncompliance by the previous child-placing agency.
The department, by rule, shall develop a process by which a child-placing agency shall report to the department:

(1) the name of any verified foster home or foster group home that has been closed for any reason, including a voluntary closure;

(2) information regarding the reasons for the closure of the foster home or foster group home; and

(3) the name and other contact information of a person who may be contacted by another child-placing agency to obtain the records relating to the closed foster home or foster group home that are required to be maintained and made available under this section.

(a) An agency foster home that is verified by a child-placing agency may transfer to another child-placing agency only if, before the date of the transfer, the agency foster home notifies the child-placing agency to which the agency foster home is transferring of each licensing violation for which the agency foster home has been cited by the department during the preceding three years.

(b) The child-placing agency to which the agency foster home is transferring shall submit a written request for transfer to the child-placing agency that verified the agency foster home.

(c) Not later than the 10th day after the date the child-placing agency receives a request for transfer under Subsection (b), the child-placing agency shall provide the child-placing agency that submitted the request a copy of any of the following documents regarding the agency foster home:

(1) a corrective action plan;
(2) an annual development plan; or

(2) the child-placing agency that verified the agency foster home;
(3) the agency foster home; or
(4) the caseworker.

(b) The department may suspend a facility's license or a family home's registration for a definite period rather than deny or revoke the license or registration if the department finds repeated noncompliance with standards that do not endanger the health and safety of children. To qualify for license or registration suspension under this subsection, a facility or family home must suspend its operations and show that standards can be met within the suspension period.

(c) If the department finds a facility or family home is in repeated noncompliance with standards that do not endanger the health and safety of children, the department may schedule the facility or family home for evaluation or probation rather than suspend or revoke the facility's license or the family home's registration. The department shall provide notice to the facility or family home of the evaluation or probation and of the items of noncompliance not later than the 10th day before the evaluation or probation period begins. The department shall designate a period of not less than 30 days during which the facility or family home will remain under evaluation. During the evaluation or probation period, the facility or family home must correct the items that were in noncompliance and report the corrections to the department for approval.

Proceedings for a disciplinary action are governed by the administrative procedure law, Chapter 2001, Government Code. An action under this section, including a revocation of a person's license, is a contested case as defined by Chapter 2001, Government Code, and is subject to judicial

(e) A person may continue to operate a facility or family home during an appeal of a license, listing, or registration revocation unless the operation of the facility or family home poses a risk to the health or safety of children. The executive commissioner shall by rule establish the criteria for determining whether the operation of a facility or family home poses a risk to the health or safety of children. The department shall notify the facility or family home of the criteria the department used to determine that the operation of the facility or family home poses a risk to health or safety and that the facility or family home may not operate. A person who has been notified by the department that the facility or home may not operate under this section may seek injunctive relief from a district court in Travis County or in the county in which the facility or home is located to allow operation during the pendency of an appeal. The court may grant injunctive relief against the agency's action only if the court finds that the child-care operation does not pose a health or safety risk to children. A court granting injunctive relief under this subsection shall have no other jurisdiction over an appeal of

(f) The department shall deny an application or renewal for listing or registering a family home or shall revoke a family home's listing or registration if the results of a background or criminal history check conducted by the department under Section 42.056 show that a person has been convicted of an offense under Title 5, or 6, Penal Code, or Chapter 43, Penal Code.

(a-1) Except as provided by Subsection (a-2), nonmonetary administrative sanctions, including corrective action plans, probation, and evaluation periods, shall be imposed when appropriate before administrative penalties.

(a-2) The department may impose an administrative penalty without first imposing a nonmonetary administrative sanction for the following violations:

(1) failing to timely submit the information required to conduct a background and criminal history check under Section 42.056...
and applicable department rules on two or more occasions;

(5) violating a condition or restriction the department places on a person's presence at a facility or family home as part of a pending or approved risk evaluation of the person's background and criminal history or central registry findings.

(b) Each day a violation continues or occurs is a separate violation for purposes of imposing a penalty. The penalty for a violation may be in an amount not to exceed the following limits, based on the maximum number of children for whom the facility or family home was authorized to provide care or the number of children under the care of the child-placing agency when the violation occurred:

In addition to the number of children, the amount of the penalty shall be based on:

1. the seriousness of the violation, including the nature, circumstances, extent, and gravity of any prohibited acts, and the hazard or potential hazard created to the health, safety, or economic welfare of the public;

2. the economic harm to property or the environment caused by the violation;

3. the history of previous violations;

4. the amount necessary to deter future violations;

5. efforts to correct the violation; and

6. any other matter that justice may require.

(d) Monetary penalties shall not be assessed for violations that are the result of clerical errors.

(e) If the department determines that a violation has occurred, the department may issue a recommendation on the imposition of a penalty, including a recommendation on the amount of the penalty.

(f) Within 14 days after the date the recommendation is issued, the department shall give written notice of the recommendation to the person owning or operating the facility or family home or to the controlling person, if applicable. The notice may be given by certified mail. The notice must include a brief summary of the alleged violation and a statement of the amount of the recommended penalty and must inform the person that the person has a right to a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(g) Within 20 days after the date the person receives the notice, the person in writing may accept the determination and recommended penalty of the department or may make a written request for a hearing on the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(i) If the person requests a hearing, the department shall set a hearing and give notice of the hearing to the person. The hearing shall be held by an administrative law judge of the State Office of Administrative Hearings. The administrative law judge shall make findings of fact and conclusions of law and issue a final decision finding that a violation has occurred and imposing a penalty or finding that no violation occurred.

(j) The notice of the administrative law judge's order given to the person under Chapter 2001, Government Code, must include a statement of the right of the person to judicial review of the order.

(k) Within 30 days after the date the administrative law judge's order becomes final as provided by Section 2001.144, Government Code, the person shall:

(1) pay the amount of the penalty;

(2) pay the amount of the penalty and file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty; or

(3) without paying the amount of the penalty, file a petition for judicial review contesting the occurrence of the violation, the amount of the penalty, or both the occurrence of the violation and the amount of the penalty.

(l) Within the 30-day period, a person who acts under Subsection (k)(3) may:

(1) stay enforcement of the penalty by:

   (A) paying the amount of the penalty to the court for placement in an escrow account; or

   (B) giving to the court a supersedeas bond that is approved by the court for the amount of the penalty and that is effective until all judicial review of the order is final; or

(2) request the court to stay enforcement of the penalty by:

   (A) filing with the court a sworn affidavit of the person stating that the person is financially unable to pay the amount of the penalty and is financially unable to give the supersedeas bond; and

   (B) giving a copy of the affidavit to the department by certified mail.

(m) On receipt of a copy of an affidavit under Subsection (l)(2), the department may file with the court, within five days
after the date the copy is received, a contest to the affidavit. The court shall hold a hearing on the facts alleged in the affidavit as soon as practicable and shall stay the enforcement of the penalty on finding that the alleged facts are true. The person who files an affidavit has the burden of proving that the person is financially unable to pay the amount of the penalty and to give a supersedeas bond.

(n) If the person does not pay the amount of the penalty and the enforcement of the penalty is not stayed, the department may refer the matter to the attorney general for collection of the amount of the penalty.

(o) Judicial review of the order:
   (1) is instituted by filing a petition as provided by Subchapter G, Chapter 2001, Government Code; and
   (2) is under the substantial evidence rule.

(p) If the court sustains the occurrence of the violation, the court may uphold or reduce the amount of the penalty and order the person to pay the full or reduced amount of the penalty. If the court does not sustain the occurrence of the violation, the court shall order that no penalty is owed.

(q) When the judgment of the court becomes final, the court shall proceed under this subsection. If the person paid the amount of the penalty and if that amount is reduced or is not upheld by the court, the court shall order that the appropriate amount plus accrued interest be remitted to the person. The rate of the interest is the rate charged on loans to depository institutions by the New York Federal Reserve Bank, and the interest shall be paid for the period beginning on the date the penalty was paid and ending on the date the penalty is remitted. If the person gave a supersedeas bond and if the amount of the penalty is not upheld by the court, the court shall order the release of the bond. If the person gave a supersedeas bond and if the amount of the penalty is reduced, the court shall order the release of the bond after the person pays the amount.

(r) A penalty collected under this section shall be sent to the comptroller for deposit in the general revenue fund.

(s) All proceedings under this section are subject to Chapter 2001, Government Code.

services or contract with protective services agencies for the provision of those services.

(b) The department shall use existing resources and services of public and private agencies in providing protective services. If the department does not have existing resources to provide direct protective services to elderly or disabled persons, the department, subject to the availability of funds, shall contract with protective services agencies for the provision of those services, especially to elderly or disabled persons residing in rural or remote areas of this state or not previously served by the department.

(c) The department and law enforcement officials, courts, and agencies shall cooperate when providing protective services.

(d) The responsibilities prescribed by this chapter are exclusive of those designated to other state or federal agencies authorized or required by law to provide protective services to elderly or disabled persons determined to be in the state of abuse, neglect, or exploitation.

Amended by:

Acts 2005, 79th Leg., Ch. 268 (S.B. 6), Sec. 2.15, eff. September 1, 2005.

Sec. 48.206. COST OF SERVICES. If the elderly or disabled person receiving the protective services is determined to be financially able to contribute to the payments for those services, the provider shall receive a reasonable reimbursement from the person's assets.

Sec. 48.207. OBJECTION TO MEDICAL TREATMENT. This chapter does not authorize or require any medical treatment of a person who objects on the grounds that he is an adherent or member of a recognized church or religious denomination the tenets and practice of which may include reliance solely upon spiritual means through prayer for healing.

Sec. 48.208. EMERGENCY ORDER FOR PROTECTIVE SERVICES. (a) For purposes of this section, a person lacks the capacity to consent to receive protective services if, because of mental or physical impairment, the person is incapable of understanding the nature of the services offered and agreeing to receive or rejecting protective services.

(b) If the department determines that an elderly or disabled person is suffering from abuse, neglect, or exploitation presenting a threat to life or physical safety, that the person lacks capacity to consent to receive protective services, and that no consent can be obtained, the department may petition the probate or statutory or constitutional county court that has probate jurisdiction in the county in which the elderly or disabled person resides for an emergency order authorizing protective services.

(c) The petition shall be verified and shall include:

(1) the name, age, and address of the elderly or disabled person who needs protective services;

(2) the nature of the abuse, neglect, or exploitation;

(3) the services needed; and

(4) a medical report signed by a physician stating that the person is suffering from abuse, neglect, or exploitation presenting a threat to life or physical safety and stating that the person is physically or mentally incapable of consenting to services unless the court finds that an immediate danger to the health or safety of the elderly or disabled person exists and there is not sufficient time to obtain the medical report.
(c-1) Notwithstanding Subsection (c)(4), in lieu of a medical report described by Subsection (c)(4), the petition may include an assessment of the elderly or disabled person's health status as described by Subsection (c-2) or psychological status as described by Subsection (c-3), or a medical opinion of the elderly or disabled person's health status as described by Subsection (c-4), if the department determines, after making a good faith effort, that a physician from whom the department may obtain the medical report is unavailable. The department shall ensure that the person who performs an assessment of the elderly or disabled person's health or psychological status has training and experience in performing the applicable assessment.

(c-2) Except as provided by Subsection (c-4), an assessment of the elderly or disabled person's health status must be performed by a physician assistant or advanced practice nurse. The person performing the assessment shall sign a report stating:

1. that the elderly or disabled person is reported to be suffering from abuse, neglect, or exploitation, which may present a threat to the person's life or physical safety;
2. whether the elderly or disabled person has provided the person's medical history to the physician assistant or advanced practice nurse, as applicable; and
3. that in the professional opinion of the physician assistant or advanced practice nurse, as applicable, the issuance of an emergency order authorizing protective services without the elderly or disabled person's consent is necessary under the circumstances.

(c-3) An assessment of the elderly or disabled person's psychological status must be performed by a licensed professional counselor, licensed psychologist, or master social worker who has training and expertise in issues related to abuse, neglect, and exploitation. The person performing the assessment shall sign a report stating:

1. that the elderly or disabled person is reported to be suffering from abuse, neglect, or exploitation, which may present a threat to the person's life or physical safety; and
2. that in the professional opinion of the licensed professional counselor, licensed psychologist, or master social worker, as applicable, the issuance of an emergency order authorizing protective services without the elderly or disabled person's consent
is necessary under the circumstances.

(c-4) A registered nurse may perform a nursing assessment of
the elderly or disabled person's health status. If the registered
nurse, based on the registered nurse's professional nursing judgment,
determines that the elderly or disabled person is likely to be
suffering from abuse, neglect, or exploitation, which may present a
threat to the person's life or physical safety, the registered nurse
shall report that assessment to a physician. After the registered
nurse reports the assessment, the physician shall sign a written
opinion stating whether:

(1) the elderly or disabled person is reported to be
suffering from abuse, neglect, or exploitation, which may present a
threat to the person's life or physical safety; and

(2) the issuance of an emergency order authorizing
protective services without the elderly or disabled person's consent
is necessary under the circumstances.

(c-5) The physician may use the registered nurse's assessment
of the elderly or disabled person's health status as the basis of the
physician's professional opinion under Subsection (c-4).

(d) On finding that there is reasonable cause to believe that
abuse, neglect, or exploitation presents a threat to life or physical
safety for the elderly or disabled person and that the elderly or
disabled person lacks capacity to consent to services, the court may:

(1) order removal of the elderly or disabled person to
safer surroundings;

(2) order medical services; and

(3) order other available services necessary to remove
conditions creating the threat to life or physical safety, including
the services of law enforcement officers or emergency medical
services personnel.

(d-1) If the court renders an order that is based on a petition
including an assessment under Subsection (c-2) or (c-3) or a medical
opinion under Subsection (c-4), the court shall order that the
elderly or disabled person be examined by a physician not later than
72 hours after the time the provision of protective services begins.
After performing the examination, the physician shall sign and submit
to the court a medical report stating the physician's opinion whether
the elderly or disabled person is:

(1) suffering from abuse, neglect, or exploitation
presenting a threat to life or physical safety; and
(2) physically or mentally incapable of consenting to services.

(e) The emergency order expires on the earlier of the end of the 10th day after the date the order is rendered or the end of the 10th day after the date the person was removed to safer surroundings if the emergency order was rendered subsequent to the removal of the person to safer surroundings in accordance with Subsection (h), unless:

(1) the emergency order terminates as provided by Subsection (e-1);
(2) the 10-day period ends on a Saturday, Sunday, or legal holiday in which event the order is automatically extended to 4 p.m. on the first succeeding business day; or
(3) the court extends the order as provided by Subsection (e-2).

(e-1) An emergency order that was rendered based on a petition that included an assessment under Subsection (c-2) or (c-3) or a medical opinion under Subsection (c-4) immediately terminates if the medical report issued under Subsection (d-1) states the physician's opinion that the elderly or disabled person:

(1) is not suffering from abuse, neglect, or exploitation presenting a threat to life or physical safety; or
(2) is physically or mentally capable of consenting to services.

(e-2) The court, after notice and a hearing, may extend an emergency order issued under this section, other than an emergency order that terminated as provided under Subsection (e-1), for a period of not more than 30 days after the date the original emergency order for protective services would have expired under Subsection (e). The court, after notice and a hearing and for good cause shown, may grant a second extension of an emergency order of not more than an additional 30 days. The court may not grant more than two extensions of the original emergency order. An extension order that ends on a Saturday, Sunday, or legal holiday is automatically extended to 4 p.m. on the first succeeding business day. The court may modify or terminate the emergency order on petition of the department, the incapacitated person, or any person interested in the person's welfare.

(f) Any medical facility, emergency medical services provider, or physician who provides treatment to or who transports an elderly
or disabled person pursuant to an emergency order under Subsection (d) or an emergency authorization under Subsection (h) is not liable for any damages arising from the treatment or transportation, except those damages resulting from the negligence of the facility, provider, or physician.

(g) The court shall appoint an attorney ad litem to represent the elderly or disabled person in any proceeding brought by the department under this section. A reasonable fee, as determined by the court, shall be paid to the attorney ad litem from the general fund of the county.

(h) If the department cannot obtain an emergency order under this section because the court is closed on a Saturday, Sunday, or legal holiday or after 5 p.m., the department may remove or authorize an appropriate transportation service, including an emergency medical services provider, to remove the elderly or disabled person to safer surroundings, authorize medical treatment, or authorize or provide other available services necessary to remove conditions creating the threat to life or physical safety. The department must obtain an emergency order under this section not later than 4 p.m. on the first succeeding business day after the date on which protective services are provided. If the department does not obtain an emergency order, the department shall cease providing protective services and, if necessary, make arrangements for the immediate return of the person to the place from which the person was removed, to the person's place of residence in the state, or to another suitable place.

(i) If the department's removal of a person from the person's place of residence under this section results in that residence being vacant, the department shall notify the appropriate law enforcement agency of the vacancy to facilitate the law enforcement agency's monitoring of the residence.

Sec. 48.209. REFERRAL FOR GUARDIANSHIP SERVICES. (a) The department shall refer an individual to the Department of Aging and Disability Services for guardianship services under Subchapter E, Chapter 161, if the individual is:

1. a minor in the conservatorship of the department who:
   A. is 16 years of age or older; and
   B. the department has reason to believe will, because of a physical or mental condition, be substantially unable to provide for the individual's own food, clothing, or shelter, to care for the individual's own physical health, or to manage the individual's own financial affairs when the individual becomes an adult; or
2. an elderly or disabled person who:
   A. has been found by the department to be in a state of abuse, neglect, or exploitation; and
   B. the department has reason to believe is an incapacitated person as defined by Section 601(14)(B), Texas Probate Code.

(b) Notwithstanding Subsection (a), if a less restrictive alternative to guardianship is appropriate and available for the individual, the department shall pursue that alternative instead of making a referral to the Department of Aging and Disability Services for guardianship services.

(c) The department and the Department of Aging and Disability Services shall enter into a memorandum of understanding that sets forth in detail the roles and duties of each agency regarding the referral for guardianship services under Subsection (a) and the provision of guardianship services to individuals under Subchapter E, Chapter 161.

(d) Nothing in this section shall prohibit the department from
also making a referral of an individual to a court having probate
jurisdiction in the county where the individual is domiciled or
found, if the court has requested the department to notify the court
of any individuals who may be appropriate for a court-initiated
guardianship proceeding under Section 683, Texas Probate Code. In
making a referral under this subsection and if requested by the
court, the department shall, to the extent allowed by law, provide
the court with all relevant information in the department's records
relating to the individual. The court, as part of this process, may
not require the department to:

   (1) perform the duties of a guardian ad litem or court
       investigator as prescribed by Section 683, Texas Probate Code; or
   (2) gather additional information not contained in the
department's records.

(e) The department may not be appointed to serve as temporary
or permanent guardian for any individual.

(5) is absent for more than half of the regularly scheduled board meetings that the member is eligible to attend during a calendar year.

(b) The validity of an action of the board is not affected by the fact that it was taken when grounds for removal of a board member existed.

(c) If the executive director of the council has knowledge that a potential ground for removal exists, the executive director shall notify the presiding officer of the board. The presiding officer shall then notify the appropriate appointing authority of the potential removal and the cause for the potential removal action.

CHAPTER 94. VENDING FACILITIES OPERATED BY BLIND PERSONS

Sec. 94.001. DEFINITIONS. In this chapter:

(1) "Blind person" means a person having not more than 20/200 visual acuity in the better eye with correcting lenses or visual acuity greater than 20/200 but with a limitation in the field of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.

(2) "Vending facility" means a facility in which food, drinks, drugs, novelties, souvenirs, tobacco products, notions, or related items are sold regularly. The term excludes facilities consisting solely of vending machines that do not compete directly or indirectly with a facility that is or could be operated by a vocationally handicapped person.

(3) "State property" means land and buildings owned, leased, or otherwise controlled by the state.

(4) "Agency" means the state agency in charge of state property.

(5) "Handicapped" means a physical or mental condition that the commission or rehabilitation commission determines to constitute a substantial vocational disadvantage.

(6) "Commission" means the Texas Commission for the Blind.

(7) "Rehabilitation commission" means the Texas Rehabilitation Commission.

Sec. 94.002. LICENSE OR PERMIT REQUIRED. (a) No person may operate a vending facility or a facility with vending machines or other coin-operated devices on state property unless the person is licensed to do so by the commission or is authorized to do so by an agency granted a permit to arrange for vending facilities.

(b) Subsection (a) of this section does not apply to a building
in which the State Purchasing and General Services Commission leases space to a private tenant under Subchapter E, Chapter 2165, Government Code.

Sec. 94.003. LICENSING PROCEDURE. (a) On its own initiative or at the request of an agency that controls state property, the commission shall survey the property, or blueprints and other available information concerning the property, to determine whether the installation of a vending facility is feasible and consonant with the commission's vocational rehabilitation objectives.

(b) If the installation of the facility is feasible, the commission shall either license a blind person to operate a facility to be installed by the commission or allow the rehabilitation commission to install a facility to be operated by a handicapped person who is not blind according to rules and procedures comparable to those adopted by the commission. The commission and the rehabilitation commission may enter into agreements relating to management services and related forms of necessary assistance.

Sec. 94.004. LOCATION OF VENDING FACILITIES. (a) With the concurrence of the agency in charge of state property, the commission shall designate the location of vending facilities that have been requested by the agency.

(b) The agency responsible for state property shall alter the property to make it suitable for the proper operation of the vending facilities. To this end, the agency in charge of constructing new state property shall consult with the commission during the planning stage on the construction.

Sec. 94.005. ISSUANCE OF LICENSES; ELIGIBILITY. (a) The commission may issue a license to operate its vending facilities on state property to blind citizens of the state who are capable of operating the facilities in a manner that is reasonably satisfactory to all parties concerned.

(b) Before issuing a license to a person, the commission shall determine whether the person has the physical, psychological, and personal traits and abilities required to operate a vending facility in a satisfactory manner.

(c) The commission shall maintain a roster of the names of each person who has been certified as suitable for licensing. If two or more equally qualified persons are listed on the roster and apply for a license to operate an available vending facility, the commission shall issue the license to the person who is most in need of employment.

(d) The granting of a license does not vest the licensee with property or other rights which may constitute the basis of a cause of action, at law or in equity, against the state or its officers or employees.

Sec. 94.006. EXPIRATION, RENEWAL, AND REVOCATION OF LICENSES. (a) A license or general permit to operate a vending facility on state property is valid for a period of three years from the date it is issued.

(b) The commission shall review each license or permit prior to its expiration and shall issue a new or different license or permit as the circumstances warrant.

(c) The commission and the agency may consent mutually to revoke a general permit prior to its expiration if changed circumstances warrant that action.

(d) A blind person’s wilful failure to comply with the commission’s rules or the provisions of this chapter constitutes grounds for the automatic revocation of the person’s license.

(e) The commission shall adopt substantive and procedural rules
Sec. 94.007. OPERATION OF VENDING FACILITIES UNDER THE REHABILITATION COMMISSION. (a) If the commission determines that a blind person could not properly operate a vending facility at a particular location, the rehabilitation commission may survey the property to determine whether a handicapped person whose disability is not of a visual nature could operate the facility in a proper manner.

(b) The commission and the rehabilitation commission may develop procedures and methods of exchanging information necessary to implement cooperative activities.

(c) The installation and operation of a vending facility by the rehabilitation commission must conform to the provisions of this chapter applicable to vending facilities installed by the commission.

Sec. 94.008. CLOSING CERTAIN FACILITIES PROHIBITED. Neither a vending facility operated by a blind or otherwise vocationally handicapped individual nor a vending facility location surveyed by the commission may be closed as a result of the transfer of state property from one agency to another, the alteration of a state building, or the reorganization of a state agency unless the commission or the rehabilitation commission agrees to the closing.

Acts 1979, 66th Leg., p. 2413, ch. 842, art. 1, Sec. 1, eff. Sept. 1, 1979.

Sec. 94.009. EMPLOYMENT OF ASSISTANTS. (a) If an individual licensed to operate a vending facility on state property requires an assistant, a qualified visually handicapped person must be given preference for employment. If the commission determines that a visually handicapped person could not perform the labor for which an
assistant is required, or if a visually handicapped person is not available, a handicapped person whose disability is not of a visual nature must be given preference for employment. If no handicapped person is available for the job, preference must be given to a person who is socially, culturally, economically, or educationally disadvantaged.

(b) An assistant employed by a blind person licensed by the commission must be approved by the commission, and the deliberate refusal of a blind licensee to comply with this section constitutes grounds for the revocation of his or her license.

Acts 1979, 66th Leg., p. 2413, ch. 842, art. 1, Sec. 1, eff. Sept. 1, 1979.

Sec. 94.010. COMPETING VENDING MACHINES. (a) If the commission and an agency agree to the installation and operation of an additional vending facility or vending machine on property that already has a commission-sponsored vending facility, no additional permit or license is required. However, the installation of a competing vending facility consisting of vending machines or other coin-operated devices must be authorized by the commission. The commission's authorization must be made with a view toward providing the greatest economic benefits for blind persons consonant with supplying the additional services required at the building.

(b) State agencies shall cooperate and negotiate in good faith to accomplish the purposes of this chapter.

(c) Vocationally handicapped individuals who operate vending facilities on state property are entitled to receive all commissions from vending machines installed on the same property. If two or more vending facilities are operated by vocationally handicapped persons in a building in which vending machines are installed, the commission shall divide the commissions from the vending machines among the handicapped operators in a manner that will achieve equity and equality in the incomes of the handicapped operators. If the commission and the rehabilitation commission have decided not to locate a vending facility in a building, the agency to whom a general permit has been issued shall determine the assignment of the commissions from vending machines installed in the building.

Acts 1979, 66th Leg., p. 2413, ch. 842, art. 1, Sec. 1, eff. Sept. 1,
Sec. 94.011. VENDING FACILITY EQUIPMENT AND STOCK. (a) The commission may supply a blind vending facility operator with equipment and initial stock necessary for the operator to begin business.

(b) The commission shall collect and set aside from the proceeds of the operation of its vending facilities enough money:

(1) to insure a sufficient amount of initial stock for the facilities and for their proper maintenance;

(2) to pay the costs of supervision and other expenses incidental to the operation of the facilities; and

(3) to pay other program costs to the extent necessary to assure fair and equal treatment of the blind persons licensed to operate the facilities and to the extent allowed under federal programs that provide financial support to the commission.

(c) Except for purchasing and installing original equipment, the operation of commission-sponsored vending facilities must be as self-supporting and self-sustaining as possible. To achieve this end, the commission shall periodically review and, when necessary, revise its schedules for collecting and setting aside money from the proceeds of its vending facilities.

Acts 1979, 66th Leg., p. 2414, ch. 842, art. 1, Sec. 1, eff. Sept. 1, 1979.

Sec. 94.012. DUTIES AND PRIVILEGES OF PARTIES. (a) The commission may promulgate rules and initiate procedures necessary to implement this chapter.

(b) A blind person licensed to operate a vending facility on state property shall operate the facility in accordance with law and the commission's rules and policies.

(c) The agency in charge of state property shall cooperate with the commission and its blind licensees to accomplish the purposes of this chapter. The agency shall also furnish all necessary utility service, including connections and outlets required for the installation of the facility, janitorial and garbage disposal services where feasible, and other related assistance.
Sec. 94.013. TRAINING PROGRAMS. The commission may establish training or experimentation locations necessary to train blind persons who desire to be licensed to operate vending facilities and to develop techniques which will allow blind persons to operate the facilities or related types of small businesses more efficiently and productively.

Sec. 94.014. CONFORMITY WITH FEDERAL STATUTES. (a) This chapter shall be construed in a manner consistent with the requirements of federal programs that provide financial assistance to the commission.

(b) If a provision of this chapter conflicts with a federal program requirement, the commission may waive or modify the provision to the extent necessary to secure the full benefits of the federal program.

Sec. 94.015. APPLICATION OF CHAPTER. (a) This chapter does not apply to:

(1) property over which the federal government maintains partial or complete control;

(3) property purchased by the state or an agency of the state, property to which title is transferred from one state agency to another, or property control of which is transferred from one state agency to another, if:
(A) at the time of purchase or transfer of title or control, a vending facility is being operated on the property under lease, license, or contract; and

(c) This chapter does not prohibit the commission from selecting blind persons to operate other suitable types of vending facilities or business enterprises, and the chapter does not prohibit the installation of automated vending facilities serviced by blind persons.

Sec. 94.016. BUSINESS ENTERPRISES PROGRAM. (a) The commission is authorized to administer the Business Enterprises Program in accordance with the provisions of the Randolph-Sheppard Act (20 U.S.C. Section 107 et seq.).

(c) A trust fund for a retirement program for individuals licensed to operate vending facilities under the Business Enterprises Program is established with the comptroller of public accounts. This trust fund will be set up in the state treasury.

(d) All federal vending machine income shall be credited to this Business Enterprises Program trust fund. Vending machine income, as defined by 34 C.F.R. Section 395.1(z), means receipts (other than those of a blind vendor) from vending machine operations on federal property, after deducting the cost of goods sold (including reasonable service and maintenance costs) in accordance with customary business practices of commercial vending concerns,
where the machines are operated, serviced, or maintained by, or with the approval of, a department, agency, or instrumentality of the United States, or commissions paid (other than to a blind vendor) by a commercial vending concern which operates, services, and maintains vending machines on federal property for, or with the approval of, a department, agency, or instrumentality of the United States.

(e) All expenditures authorized by the Randolph-Sheppard Act from federal vending revenue funds shall be paid from the Business Enterprises Program trust fund.

In administering the trust fund, the professional management service may acquire, exchange, sell, or retain any kind of investment that a prudent investor, exercising reasonable care, skill, and caution, would acquire, exchange, sell, or retain under the circumstances, taking into consideration the investment of all the assets of the trust fund.

(g) With the approval of the comptroller, the commission may select a commercial bank, depository trust company, or other entity to serve as a custodian of the Business Enterprises Program trust fund's securities, and money realized from those securities, pending completion of an investment transaction. Money realized from those securities must be:

Sec. 102.002. PROHIBITION. (a) A person providing services to the elderly may not deny an elderly individual a right guaranteed by this chapter.

(b) Each agency that licenses, registers, or certifies a person providing services shall require the person to implement and enforce this chapter. A violation of this chapter is grounds for suspension or revocation of the license, registration, or certification of a person providing services.

Sec. 102.003. RIGHTS OF THE ELDERLY. (a) An elderly individual has all the rights, benefits, responsibilities, and privileges granted by the constitution and laws of this state and the United States, except where lawfully restricted. The elderly individual has the right to be free of interference, coercion, discrimination, and reprisal in exercising these civil rights.

(b) An elderly individual has the right to be treated with dignity and respect for the personal integrity of the individual, without regard to race, religion, national origin, sex, age, disability, marital status, or source of payment. This means that the elderly individual:

(1) has the right to make the individual's own choices regarding the individual's personal affairs, care, benefits, and services;

(2) has the right to be free from abuse, neglect, and exploitation; and

(3) if protective measures are required, has the right to designate a guardian or representative to ensure the right to quality stewardship of the individual's affairs.

(c) An elderly individual has the right to be free from physical and mental abuse, including corporal punishment or physical or chemical restraints that are administered for the purpose of discipline or convenience and not required to treat the individual's medical symptoms. A person providing services may use physical or chemical restraints only if the use is authorized in writing by a physician or the use is necessary in an emergency to protect the elderly individual or others from injury. A physician's written authorization for the use of restraints must specify the circumstances under which the restraints may be used and the duration for which the restraints may be used. Except in an emergency, restraints may only be administered by qualified medical personnel.

(d) A mentally retarded elderly individual with a court-appointed guardian of the person may participate in a behavior modification program involving use of restraints or adverse stimuli only with the informed consent of the guardian.

(e) An elderly individual may not be prohibited from communicating in the individual's native language with other
individuals or employees for the purpose of acquiring or providing any type of treatment, care, or services.

(f) An elderly individual may complain about the individual's care or treatment. The complaint may be made anonymously or communicated by a person designated by the elderly individual. The person providing service shall promptly respond to resolve the complaint. The person providing services may not discriminate or take other punitive action against an elderly individual who makes a complaint.

(g) An elderly individual is entitled to privacy while attending to personal needs and a private place for receiving visitors or associating with other individuals unless providing privacy would infringe on the rights of other individuals. This right applies to medical treatment, written communications, telephone conversations, meeting with family, and access to resident councils. An elderly person may send and receive unopened mail, and the person providing services shall ensure that the individual's mail is sent and delivered promptly. If an elderly individual is married and the spouse is receiving similar services, the couple may share a room.

(h) An elderly individual may participate in activities of social, religious, or community groups unless the participation interferes with the rights of other persons.

(i) An elderly individual may manage the individual's personal financial affairs. The elderly individual may authorize in writing another person to manage the individual's money. The elderly individual may choose the manner in which the individual's money is managed, including a money management program, a representative payee program, a financial power of attorney, a trust, or a similar method, and the individual may choose the least restrictive of these methods. A person designated to manage an elderly individual's money shall do so in accordance with each applicable program policy, law, or rule. On request of the elderly individual or the individual's representative, the person designated to manage the elderly individual's money shall make available the related financial records and provide an accounting of the money. An elderly individual's designation of another person to manage the individual's money does not affect the individual's ability to exercise another right described by this chapter. If an elderly individual is unable to designate another person to manage the individual's affairs and a guardian is designated by a court, the guardian shall manage the
individual's money in accordance with the Probate Code and other applicable laws.

(j) An elderly individual is entitled to access to the individual's personal and clinical records. These records are confidential and may not be released without the elderly individual's consent, except the records may be released:
   (1) to another person providing services at the time the elderly individual is transferred; or
   (2) if the release is required by another law.

(k) A person providing services shall fully inform an elderly individual, in language that the individual can understand, of the individual's total medical condition and shall notify the individual whenever there is a significant change in the person's medical condition.
   (1) An elderly individual may choose and retain a personal physician and is entitled to be fully informed in advance about treatment or care that may affect the individual's well-being.
   (m) An elderly individual may participate in an individual plan of care that describes the individual's medical, nursing, and psychological needs and how the needs will be met.

(n) An elderly individual may refuse medical treatment after the elderly individual:
   (1) is advised by the person providing services of the possible consequences of refusing treatment; and
   (2) acknowledges that the individual clearly understands the consequences of refusing treatment.

(o) An elderly individual may retain and use personal possessions, including clothing and furnishings, as space permits. The number of personal possessions may be limited for the health and safety of other individuals.

(p) An elderly individual may refuse to perform services for the person providing services.

(q) Not later than the 30th day after the date the elderly individual is admitted for service, a person providing services shall inform the individual:
   (1) whether the individual is entitled to benefits under Medicare or Medicaid; and
   (2) which items and services are covered by these benefits, including items or services for which the elderly individual may not be charged.
(r) A person providing services may not transfer or discharge an elderly individual unless:

1. the transfer is for the elderly individual's welfare, and the individual's needs cannot be met by the person providing services;
2. the elderly individual's health is improved sufficiently so that services are no longer needed;
3. the elderly individual's health and safety or the health and safety of another individual would be endangered if the transfer or discharge was not made;
4. the person providing services ceases to operate or to participate in the program that reimburses the person providing services for the elderly individual's treatment or care; or
5. the elderly individual fails, after reasonable and appropriate notices, to pay for services.

(s) Except in an emergency, a person providing services may not transfer or discharge an elderly individual from a residential facility until the 30th day after the date the person providing services provides written notice to the elderly individual, the individual's legal representative, or a member of the individual's family stating:

1. that the person providing services intends to transfer or to discharge the elderly individual;
2. the reason for the transfer or discharge listed in Subsection (r);
3. the effective date of the transfer or discharge;
4. if the individual is to be transferred, the location to which the individual will be transferred; and
5. the individual's right to appeal the action and the person to whom the appeal should be directed.

(t) An elderly individual may:

1. make a living will by executing a directive under the Natural Death Act (Chapter 672, Health and Safety Code);
2. execute a durable power of attorney for health care under Chapter 135, Civil Practice and Remedies Code; or
3. designate a guardian in advance of need to make decisions regarding the individual's health care should the individual become incapacitated.

Added by Acts 1983, 68th Leg., p. 5159, ch. 936, Sec. 1, eff. Sept.
Sec. 102.004. LIST OF RIGHTS. (a) A person providing services shall provide each elderly individual with a written list of the individual's rights and responsibilities, including each provision of Section 102.003, before providing services or as soon after providing services as possible, and shall post the list in a conspicuous location.

(b) A person providing services must inform an elderly individual of changes or revisions in the list.

Sec. 102.005. RIGHTS CUMULATIVE. The rights described in this chapter are cumulative of other rights or remedies to which an elderly individual may be entitled under law.

(b) The validity of an action of the board is not affected by the fact that it is taken when a ground for removal of a board member exists.

(c) If the commissioner has knowledge that a potential ground for removal exists, the commissioner shall notify the chairman of the board of the potential ground. The chairman of the board shall then notify the governor and the attorney general that a potential ground for removal exists. (1) to the extent applicable, the amounts being paid for similar articles in similar quantities by federal agencies purchasing the products or services under the authorized federal program of like effect to the state program authorized by this chapter;

(2) the amounts which private business would pay for similar products or services in similar quantities if purchasing from a reputable corporation engaged in the business of selling similar products or services;

(3) to the extent applicable, the amount paid by the state in any recent purchases of similar products or services in similar quantities, making due allowance for general inflationary or deflationary trends;

(4) the actual cost of manufacturing the product or performing a service at a community rehabilitation program offering employment services on or off premises to persons with disabilities, with adequate weight to be given to legal and moral imperatives to pay workers with disabilities equitable wages; and

(5) the usual, customary, and reasonable costs of manufacturing, marketing, and distribution.

(b) The actual cost of manufacturing a product or performing a service consists of costs directly associated with a contract and includes costs for labor, raw materials used in the production of the product, storage, and delivery. Actual costs do not include a cost associated with an individual's preparation to perform the work activity.

(c) The fair market value of a product or service, determined after consideration of relevant factors of the foregoing type, may not be excessive or unreasonable.

Sec. 122.016. EXCEPTIONS. (a) Exceptions from the operation of the mandatory provisions of Section 122.014 may be made in any case where:

(c) No office, department, institution, or agency may evade the intent of this section by slight variations from standards adopted by the commission, when the products or services produced or provided by persons with disabilities, in accordance with established standards, are reasonably adapted to the actual needs of the office, department, institution, or agency.

Sec. 122.017. PROCUREMENT FOR POLITICAL SUBDIVISIONS. A product manufactured for sale to a political subdivision of this state or an office or department thereof shall be manufactured or produced according to specifications developed by the purchaser. A political subdivision of this state may purchase products or services for its use from private businesses through its authorized purchasing procedures, but may substitute equivalent products or services produced by persons with disabilities under the provisions of this chapter. Nothing in this chapter shall be construed to require a nonprofit agency for persons with disabilities to engage in
competitive bidding.

Sec. 122.018. POLITICAL SUBDIVISIONS EXCLUDED. There are excluded from the mandatory application of this chapter the political subdivisions of the state that are not covered by Title V of the Federal Rehabilitation Act of 1973, as amended (29 U.S. Code Sections 790 through 794). (d) At least once during each five-year period, the council may review and renegotiate the contract with a central nonprofit agency. Not later than the 60th day before the date the council adopts or renews a contract, the council shall publish notice of the proposed contract in the Texas Register.

(e) The maximum management fee rate charged by a central nonprofit agency for its services must be computed as a percentage of the selling price of the product or the contract price of a service, must be included in the selling price or contract price, and must be paid at the time of sale. The management fee rate must be approved by the council and must be reviewed on an annual basis.

(f) A percentage of the management fee described by Subsection (e) shall be paid to the council and is subject to Section 122.023. The percentage shall be set by the council in the amount necessary to reimburse the general revenue fund for direct and reasonable costs incurred by the commission, the council, and the council staff in administering the council's duties under this chapter.

investigate the complaint.

(c) If a written complaint is filed with the council, the
council, at least as frequently as quarterly and until final
disposition of the complaint, shall notify the parties to the
complaint of the status of the complaint unless the notice would
jeopardize an undercover investigation.

(d) The council shall provide to the person filing the

(2) that a less restrictive alternative to guardianship is not available for the minor.
(b) The department shall conduct a thorough assessment of the conditions and circumstances of an elderly or disabled person referred to the department under Section 48.209(a)(2) for guardianship services to determine whether a guardianship is appropriate for the individual or whether a less restrictive alternative is available for the individual. In determining whether a guardianship is appropriate, the department may consider the resources and funds available to meet the needs of the elderly or disabled person. The executive commissioner shall adopt rules for the administration of this subsection.

(c) Subject to Subsection (c-1), if after conducting an assessment of an elderly or disabled person under Subsection (b) the department determines that:

(1) be of good moral character;
(2) have acquired a bachelor's degree conferred by a college or university accredited by an accrediting organization recognized by the Texas Higher Education Coordinating Board;
(3) have either:
   (A) one year of graduate study in criminology, corrections, counseling, law, social work, psychology, sociology, or other field of instruction approved by the department; or

      (i) in a social service, community, corrections, or juvenile agency that deals with offenders or disadvantaged persons; and
      (ii) that the department determines provides the kind of experience necessary to meet this requirement;
(4) have satisfactorily completed the course of preservice training or instruction and any continuing education required by the department;
(5) have passed the tests or examinations required by the department; and
(6) possess the level of certification required by the department.

(b) The board by rule may authorize the waiver of the requirement of a year of graduate study or full-time employment experience if the authority responsible for employing the officer establishes to the satisfaction of the department that, after a diligent search, the authority cannot locate a person meeting that requirement to fill a job opening.

(c) The board by rule may authorize the temporary employment of a person who has not completed a course of preservice training,
passed the examination, or attained the required level of certification, contingent on the person meeting those requirements within the time specified by the board.

(d) A person must possess the level of training, experience, and certification required by the department to be eligible for employment in a probation office in a position supervising other probation officers. The department may require several levels of certification to reflect increasing levels of responsibility. A department rule relating to levels of certification does not affect the continued employment of a probation officer in a supervisory position if the person holds that position on the date on which the rule takes effect.

(e) The department may waive any certification requirement, except a fee requirement, for an applicant who has a valid certification from another state that has certification requirements that are substantially equivalent to the requirements in this state.

(f) The department may waive the degree accreditation requirement in Subsection (a)(2) if the applicant possesses a foreign or other degree that the department determines is the substantial equivalent of a bachelor's degree. The board shall adopt rules defining the procedures to be used to request a waiver of the accreditation requirement in Subsection (a)(2).

Redesignated and amended from Human Resources Code, Subchapter D, Chapter 141 by Acts 2011, 82nd Leg., R.S., Ch. 85 (S.B. 653), Sec. 1.004, eff. September 1, 2011.

Sec. 222.004. PERSONS WHO MAY NOT ACT AS CHIEF ADMINISTRATIVE, JUVENILE PROBATION, OR DETENTION OFFICERS. (a) A peace officer, prosecuting attorney, or other person who is employed by or who reports directly to a law enforcement or prosecution official may not act as a chief administrative, juvenile probation, or detention officer or be made responsible for supervising a juvenile on probation.

(b) For purposes of this section, a chief administrative officer, regardless of title, is the person who is:

(1) hired or appointed by or under contract with the juvenile board; and

(2) responsible for the oversight of the operations of the juvenile probation department or any juvenile justice program operated by or under the authority of the juvenile board.

Redesignated and amended from Human Resources Code, Subchapter D,

Sec. 222.053. REVOCATION OR SUSPENSION OF CERTIFICATION. (a) The department may revoke or suspend a certification, or reprimand a certified officer:

(1) for a violation of this chapter or a department rule; or

(2) if, under Subsection (c), a panel determines that continued certification of the person threatens juveniles in the juvenile justice system.

(b) The department may place on probation a person whose certification is suspended. If the suspension is probated, the department may require the person to:

(1) report regularly to the department on matters that are the basis of the probation; and

(2) continue or review professional education until the person attains a degree of skill satisfactory to the department in those areas that are the basis of the probation.

(c) The executive director may convene, in person or telephonically, a panel of three board members to determine if a person's continued certification threatens juveniles in the juvenile justice system. If the panel determines that the person's continued certification threatens juveniles in the juvenile justice system, the person's license is temporarily suspended until an administrative hearing is held as soon as possible under Subsection (d). The executive director may convene a panel under this subsection only if the danger posed by the person's continued certification is imminent.
The panel may hold a telephonic meeting only if immediate action is required and convening the panel at one location is inconvenient for any member of the panel.

(d) A person is entitled to a hearing before the State Office of Administrative Hearings if the department proposes to suspend or revoke the person's certification.

(e) A person may appeal a ruling or order issued under this section to a district court in the county in which the person resides or in Travis County. The standard of review is under the substantial evidence rule.

CHAPTER 223. STATE AID

Sec. 223.001. DETERMINATION OF AMOUNT OF STATE AID. (a) The department shall annually allocate funds for financial assistance to juvenile boards to provide juvenile services according to current estimates of the number of juveniles in each county and other factors the department determines are appropriate.

(b) The legislature may appropriate the amount of state aid necessary to supplement local funds to maintain and improve statewide juvenile services that comply with department standards.

(c) The department may set aside a portion of the funds appropriated to the department for state aid to fund programs designed to address special needs or projects of local juvenile boards.

Redesignated and amended from Human Resources Code, Subchapter E, Chapter 141 by Acts 2011, 82nd Leg., R.S., Ch. 85 (S.B. 653), Sec. 1.004, eff. September 1, 2011.

Sec. 223.002. MAINTENANCE OF LOCAL FINANCIAL SUPPORT. (a) To receive the full amount of state aid funds for which a juvenile board may be eligible, a juvenile board must demonstrate to the department's satisfaction that the amount of local or county funds budgeted for juvenile services is at least equal to the amount spent, excluding construction and capital outlay expenses, for those
services in the 1994 county fiscal year. The department may waive this requirement only if the juvenile board demonstrates to the department that unusual, catastrophic, or exceptional circumstances existed during the relevant year to affect adversely the level of county funding. If the required amount of local funding is not budgeted and the department does not grant a waiver, the department shall reduce the allocation of state aid funds to the juvenile board by the amount equal to the amount that the county funding is below the required funding.

(b) For purposes of Subsection (a), the amount spent on juvenile detention and correctional facilities is included in determining the amount of local or county funds. The amount spent for construction or renovation is not included.

(c) The department must be satisfied at the end of each county fiscal year that the juvenile board actually spent local or county funds for juvenile services in the amount demonstrated to the department at the beginning of the fiscal year.

(d) The department may require a rebate of state aid, or withhold state aid to which the juvenile board would otherwise be entitled, as necessary to satisfy the requirement that a juvenile board spend funds as demonstrated.

Sec. 223.003. SPECIAL RULES FOR MULTI-COUNTY JURISDICTIONS. If necessary, the board by rule may provide for:

(1) the payment of compensation, insurance, retirement, fringe benefits, and related matters to a juvenile probation officer whose jurisdiction covers more than one county;

(2) the centralization of administrative responsibility associated with the state aid program in a county included in a multi-county jurisdiction; and

(3) the application of Section 223.001 to a multi-county jurisdiction.

Redesignated and amended from Human Resources Code, Subchapter E, Chapter 141 by Acts 2011, 82nd Leg., R.S., Ch. 85 (S.B. 653), Sec. 1.004, eff. September 1, 2011.
Sec. 223.004. PAYMENT OF STATE AID. (a) When the department determines that a juvenile board complies with the department's standards, the department shall submit to the comptroller a voucher for payment to a juvenile board of the amount of state aid to which the board is entitled.

(b) The juvenile board's fiscal officer shall deposit all state aid received under this chapter in a special fund. The juvenile board may use the funds solely to provide juvenile probation services.

(c) A juvenile board receiving state aid under this chapter is subject to audit by:
   (1) the Legislative Budget Board;
   (2) the governor's budget, policy, and planning office;
   (3) the state auditor; and
   (4) the comptroller.

(d) A juvenile board receiving state aid under this chapter shall submit reports as required by the department.

Sec. 223.005. REFUSAL, REDUCTION, OR SUSPENSION OF STATE AID. (a) The department may refuse, reduce, or suspend payment of state aid to:
   (1) a juvenile board that fails to comply with the department's rules or fails to maintain local financial support; or
   (2) a county that fails to comply with the minimum standards provided under Section 221.002(a)(4).

(b) The department shall provide for notice and a hearing in a case in which the department refuses, reduces, or suspends state aid.

Redesignated and amended from Human Resources Code, Subchapter E, Chapter 141 by Acts 2011, 82nd Leg., R.S., Ch. 85 (S.B. 653), Sec. 1.004, eff. September 1, 2011.

Sec. 223.006. FUNDING AND CONSTRUCTION OF POST-ADJUDICATION
FACILITIES. (a) The department may provide state aid to a county to acquire, construct, and equip post-adjudication residential or day-treatment centers from money appropriated for those purposes. The facilities may be used for children who are placed on probation by a juvenile court under Section 54.04, Family Code, as an alternative to commitment to the facilities of the department.

(b) State funds provided to counties under Subsection (a) must be matched by local funds equal to at least one-fourth of the state funds.

(c) From money appropriated for construction of the facilities described by Subsection (a), the department shall contract with the Texas Department of Criminal Justice for construction management services, including:

   (1) evaluation of project plans and specifications; and
   (2) review and comment on the selection of architects and engineers, change orders, and sufficiency of project inspection.

(d) On completion of the review of project plans and specifications under Subsection (c), the Texas Department of Criminal Justice shall issue a comprehensive report that states in detail the proposed cost of the project. The department shall use the report in making a comparative evaluation of proposed projects and shall give priority to the projects the department finds are the most effective and economical.

(e) The department may not award money for a capital construction project for a facility under this section unless the department receives from the commissioners court of the county intending to use the facility a written commitment that the commissioners court has reviewed and accepted the conditions of the award. If more than one county intends to use the facility, the department must receive from each county a written commitment that the county will agree with the other counties to an interlocal contract to operate the facility in accordance with the conditions of the award.

(f) A county receiving state aid under this section shall adhere to department standards for the construction and operation of a post-adjudication secure residential facility.

(g) For a facility constructed under this section, not more than 25 percent of the operating costs of the facility may be reimbursed by the department.

(h) It is the intent of the legislature to appropriate the full
amount of money authorized under Subsection (g).

(i) In this section, "operating costs" means the operating costs of a facility at an 80-percent occupancy rate.
